Fixed Fee Services

11. **Integrated Audit Services – 2020** – During the Fee Period, PwC’s audit professionals began an integrated audit of the consolidated financial statements of Extraction Oil & Gas Co. at December 31, 2020 and for the year then ending and preparation of a report for same. The Debtors and PwC have agreed to a base fee of \$844,600. PwC will continue to report the hours incurred by its professionals until the final deliverables have been provided to the Debtors in support of the compensation for services rendered to the Debtors and its estates in connection with these Chapter 11 Cases.

Hourly Services

12. **Incremental Bankruptcy Accounting and Auditing** – During the Fee Period,

PwC performed procedures around the evaluation of new technical accounting positions related to the accounting considerations that exist as a result of the bankruptcy proceedings. Additionally, as a result of the Debtors' bankruptcy proceedings and consistent with Independent Audit Services, incremental audit procedures are necessary for bankruptcy specific items, such as special requests from Debtors' management and related procedures for transactions specific to the consolidated quarterly and annual financial statements. PwC professionals performed incremental accounting procedures for the consolidated quarterly financial statements, such procedures included accounting for debt during bankruptcy, assessment of the Company's accounting for the post-petition fees incurred directly related to the bankruptcy, consultation on the disclosures related bankruptcy presentation under ASC 852, evaluation of the Debtors' cut-off, classification, and presentation of liabilities subject to compromise on the balance sheet, and other potential restructuring impacts. Incremental auditing services were also performed over the reporting disclosures required under applicable accounting standards for Debtors' reporting while in bankruptcy. Finally, PwC performed additional procedures not contemplated in the fixed fee related to the validation of disclosures and tie out of the disclosures related to the new financial statement line items that were created as a result of the bankruptcy proceeding.

Case Administration

13. **Monthly, Interim and Final Fee Applications** - These hours and corresponding fees represents the additional time incurred by PwC's bankruptcy retention and billing advisor to prepare the Monthly Fee Statements in accordance with the Compensation Guidelines. All of these services are incremental to the normal billing procedures performed by PwC for its non-bankruptcy clients. During the Interim Period, PwC bankruptcy retention and billing advisors worked with the various management professionals on the internal tax and advisory services team to provide

guidance and technical expertise associated with the compliance with the Compensation Guidelines as well as the review and preparation of the Monthly Fee Statements.

14. The fees sought by this Monthly Fee Application reflect an aggregate of 593.1 hours of professional time spent and recorded in performing services for the Debtors during the Fee Period at a blended average hourly rate of \$305.45.

SUMMARY OF EXPENSES INCURRED

15. Based upon a review of PwC's internal billing records, PwC professionals did not incur any out-of-pocket expenditure during the Fee Period.⁴

REASONABLE AND NECESSARY SERVICES RENDERED BY PWC

16. This Monthly Fee Application includes details of the services provided by PwC to the Debtors, including, in each instance, the identity of the professionals involved in the provision of such services, the dates of service, the time expended, and a brief description of the services sought. PwC charged and now requests those fees that are reasonable and necessary in order for PwC to perform its duties and obligations to the Debtors and customary in this marketplace for similar Chapter 11 Cases. The billing rates⁵ set forth in the various summaries of professionals and paraprofessionals rendering services during the Fee Period represent customary rates that are routinely billed to PwC's many clients for similar services. The compensation requested in this Monthly Fee Application does not exceed the reasonable value of the services rendered.

17. This Monthly Fee Application covers the period from November 1, 2020 through and including November 30, 2020. Although every effort was made to include all fees and

⁴ PwC's standard practice is to treat certain expenses as having been incurred when such obligations are recorded and reflected as payable in PwC's accounting system. Accordingly, reimbursement for certain disbursements incurred during the Fee Period may still be pending submission and will be requested in future Fee Periods.

⁵ Billing rates are subject to change and are reviewed and adjusted periodically.

expenses from the Fee Period in this Monthly Fee Application, some fees and/or expenses from the Fee Period might not be included in this Monthly Fee Application due to delays in processing time and receipt of invoices for expenses and/or for preparation for the instant application subsequent to the covered period. Accordingly, PwC reserves the right to make further applications for allowance of fees and expenses not included herein. This Monthly Fee Application is also made without prejudice to PwC's right to seek further interim allowances and/or a final allowance of compensation in the future in accordance with the Retention Order and the Interim Compensation Order.

REQUESTED COMPENSATION SHOULD BE ALLOWED

18. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of Section 330 of the Bankruptcy Code to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a Court may award a professional employed under Section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including --

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

- (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and expertise in the bankruptcy field, and;
- (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330.

19. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, it is respectfully submitted that the amount requested by PwC is fair and reasonable given (a) the complexity of the case, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under the Bankruptcy Code.

20. In rendering these services, PwC made every effort to maximize the benefit to the Debtors and to work with other professionals employed in the case to avoid duplication of effort. PwC believes that the level of services rendered to achieve the results obtained for the benefit of the Debtors' estates was reasonable in light of the number and complexity of the issues involved in this case at the time the services were rendered. PwC judiciously allocated responsibilities to minimize possible duplication of effort.

CERTIFICATE OF COMPLIANCE AND WAIVER

21. To the best of its knowledge, PwC believes that this Monthly Fee Application and the description of services set forth herein of work performed are in compliance with the requirements as outlined within the Compensation Guidelines, as well as its Retention Order which granted a waiver of the information requirements relating to compensation requests set forth in Local Bankruptcy Rule 2016-2(d). To the extent that this Monthly Fee Application does not comply in all respects with the requirements of the Compensation Guidelines, PwC believes that such deviations are not material and respectfully requests that such requirements be waived.

NOTICE

22. Notice of this Monthly Fee Application has been provided to the Debtors and the Notice Parties (as defined in the Interim Compensation Order) and PwC believe that no other or further notice need be provided.

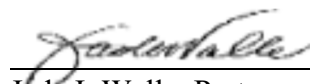

CONCLUSION

23. PwC respectfully submits that the Total Compensation Amount requested herein is reasonable compensation for the actual and necessary services rendered based upon the time, nature and value of such services. PwC further asserts that the costs of services rendered, and expenses incurred are comparable to the cost of similar services and expenses in matters other than under the Bankruptcy Code and consistent with its Retention Application.

24. In summary, by this Monthly Fee Application, PwC respectfully requests approval and payment by the Debtors of (a) compensation for professional services rendered to the Debtors in the sum of \$144,931.12, consisting of: (a) \$144,931.12 which is 80% of the fees, \$181,163.90 incurred on behalf of the Debtors for reasonable and necessary professional services rendered by PwC; and (b) \$0.00 for actual and necessary costs and expenses.

WHEREFORE, PwC requests that is be allowed reimbursement for its fees and expenses incurred during the Fee Period and that such fees and expenses be paid as administrative expenses of the Debtors' estates.
