Settlement, on January 8, 2021, the Parties filed a Joint Stipulation of Voluntary Dismissal of the Grand Mesa Appeals, which Your Honor “So Ordered” in each of the Grand Mesa Appeals earlier today.

Accordingly, no further proceedings are necessary in connection with the Pending Matters as related to Grand Mesa because such matters have either been voluntarily dismissed or have otherwise been rendered moot. Separately, we understand that FERC will be submitting a status report concerning its own position on the status of the Pending Matters as related to FERC.

We are appreciative of Your Honor’s attentiveness to these proceedings and of course are available should Your Honor have any questions.

Respectfully,

/s/ Hal S. Shaftel
