Dear Judge Price Smith,

I am writing to ask you to please take action and allow the sale of property, real and personal, so we, the small depositors of Fair Finance are able to recoup our monies. I realize my \$2000 wasn't a large portion but, Your Honor, I have always been a single woman who raised her son with no governmental help or child support. I saved with Fair Finance because my parents had done business with them for many years and they were always reputable.

Recouping my \$2000 would be a blessing to me as I now approach retirement age and have no company pension plan, just the IRA I started in my later life.

I do appreciate your helping this matter be finalized.

Most Sincerely,

Michele N. Sandridge
