JOINT STATUS CONFERENCE STATEMENT

This adversary proceeding is a declaratory judgment action in which the Plaintiffs seek a determination regarding coverage under certain historic insurance policies, issued by the Insurer Defendants,¹ for funding of past and ongoing environmental liabilities. On October 3, 2019, the parties filed a joint motion to stay this action pending the outcome of mediation between the parties. On October 17, 2019, the Court ordered the action stayed. As part of the Court's order, the parties were required to file an initial joint status report on December 16, 2019, and subsequent status reports each 90 days thereafter while the matter is stayed, pending further order of the Court.

¹ As these terms are defined in the Joint Status Report filed March 19, 2020 (Dkt. 37) and the Complaint for Declaratory Judgment filed in the adversary proceeding (Dkt. 1).

Plaintiffs and the Defendant Insurers jointly file this status report in compliance with the Court's order and report the following.

Since the last status report, the parties have made progress toward mediation. The parties selected Tim Gallagher of the Gallagher Law Group in Los Angeles, California, to serve as mediator. On April 7, 2020 the parties and Mr. Gallagher conducted a pre-mediation telephone conference. During that call the parties agreed to a two-day mediation, to be held in Los Angeles, California on September 23 and 24, 2020, subject to the timely exchange of information regarding the Augusta Site and other issues. Although there were delays as a result of the pandemic, the parties have exchanged certain information and documents and intend to continue to work cooperatively regarding additional document production or other matters between the parties in order to make the mediation process as fruitful as possible.

The parties respectfully submit this joint status report to the Court. The parties will submit the next status report on September 16, 2020, absent further direction by the Court

Date: June 16, 2020

Respectfully submitted,
