ADVERSARY COMPLAINT

¹ The last four digits of Garrett Motion Inc.'s tax identification number are 3189. Due to the large number of debtor entities in these Chapter 11 Cases, which are being jointly administered, a complete list of the Debtors and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors' claims and noticing agent at <http://www.kccllc.net/garrettmotion>. The Debtors' corporate headquarters is located at La Pièce 16, Rolle, Switzerland.

1. Plaintiffs Garrett LX I S.à r.l., Garrett Borrowing LLC, and Garrett Motion Inc. (collectively, “Plaintiffs”) seek a declaration that, following *Momentive Performance Materials Inc. v. BOKF, NA*, 874 F.3d 787 (2d Cir. 2017), any payment of the Notes (as defined below), in connection with Plaintiffs’ above-captioned bankruptcy cases, does not trigger an obligation under the terms of the Indenture (as defined below) to pay the Applicable Premium (as defined in the Indenture) to the holders of the Notes (the “Noteholders”). In the alternative, Plaintiffs seek a declaration disallowing any claim for the Applicable Premium as a claim for unmatured interest.

2. Plaintiffs are issuers or guarantors under an Indenture entered into on September 27, 2020 (the “Indenture”), that issued €350,000,000 of 5.125% Senior Notes due October 15, 2026 (the “Notes”). The Indenture and Notes are attached hereto as Exhibit A.

3. *Momentive* controls. Like the indenture in *Momentive*, the Indenture provides that Plaintiffs are required to pay the Applicable Premium to the Noteholders if the Plaintiffs exercise their right to redeem the Notes prior to maturity. However, also like the indenture in *Momentive*, the Indenture makes clear that (i) the filing of a voluntary bankruptcy petition accelerates the maturity of the Notes and (ii) payment of amounts owed under the Notes after the filing of a voluntary bankruptcy petition do not constitute a redemption or trigger the obligation to pay the Applicable Premium.

4. Notwithstanding the plain terms of the Indenture and controlling precedent interpreting them, certain of the Noteholders contend that they are owed the Applicable Premium in full in connection with any payment made to them under a potential plan of reorganization in the Plaintiffs’ Chapter 11 cases. Because the payment of any Applicable Premium would be an unnecessary cost of the Chapter 11 estate and uncertainty about this matter could delay plan

distributions if not resolved in a timely manner, Plaintiffs respectfully request a judgment declaring that, under the terms of the Indenture, Plaintiffs have no obligation to pay the Applicable Premium. In the alternative, Plaintiffs respectfully request a judgment declaring that the Applicable Premium is disallowed as unmatured interest under Section 502(b)(2) of the Bankruptcy Code.

THE PARTIES

5. Garrett LX I S.à r.l. is a *société à responsabilité limitée* incorporated and existing under the laws of the Grand Duchy of Luxembourg and registered with the Luxembourg Trade and Companies' Register under number B225642. Garrett LX I S.à r.l. is the Issuer of the Notes under the Indenture.

6. Garrett Borrowing LLC is a Delaware limited liability company and the Co-Issuer of the Notes under the Indenture. The Issuer and Co-Issuer of the Notes are referred to in the Indenture collectively as the "Issuers."

7. Garrett Motion Inc. is a Delaware corporation with its headquarters located in Rolle, Switzerland. Garrett Motion Inc. is a guarantor of the Notes under the Indenture.

8. Deutsche Trustee Company Limited (the "Trustee") is the trustee of the Notes. The Trustee's principal place of business is London, United Kingdom.

JURISDICTION AND VENUE

9. This Court has jurisdiction over this adversary proceeding pursuant to 28 U.S.C. §§ 157, 1334 and 2201. The predicates for relief requested herein are 11 U.S.C. § 105(a), 28 U.S.C. § 2201 and Rule 7001 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

10. This adversary proceeding is a core proceeding pursuant to section 157 of the Bankruptcy Code and Rule 7001 of the Bankruptcy Rules.

11. Venue in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

BACKGROUND

I. The Indenture Agreement and Senior Notes

12. On September 27, 2018, the Issuers and the Trustee entered into the Indenture, under which the Issuers authorized the issue of €350,000,000 5.125% Senior Notes due October 15, 2026. Under Section 1201 of the Indenture (the “Guarantee”), Plaintiff Garrett Motion Inc. and certain of its subsidiaries (the “Guarantors”) guaranteed the Issuers’ obligations under the Notes. (Indenture App. 3-1.)

13. Section 1101 of the Indenture (the “Redemption Provision”) allows the Issuers to redeem the Notes voluntarily prior to October 15, 2021 (the “Redemption Date”), at a price equal to the principal amount of the Notes plus a make-whole premium (the “Applicable Premium”):

At any time prior to October 15, 2021, the Issuers may redeem all or a part of the Notes . . . at a Redemption Price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, but excluding, the Redemption Date

14. Section 102 of the Indenture defines “Applicable Premium” as the greater of:

(1) 1.0% of the principal amount of such Note; and

(2) the excess, if any, of:

(A) the present value at such Redemption Date of (i) the Redemption Price (such redemption price being set forth in the table appearing in Section 1101) of such Note at October 15, 2021, plus (ii) all required interest payments due on such Note (excluding accrued but unpaid interest to the Redemption Date) through

October 15, 2021, computed using a discount rate equal to the Bund Rate as of such Redemption Date plus 50 basis points; over

(B) the principal amount of such Note.

15. The Notes set forth the same terms for redemption, identified as the “Optional Redemption.” (*See* Indenture Ex. A at App. 4-6.)

16. Section 502 of the Indenture (the “Acceleration Provision”) provides that, upon certain Events of Default, the “principal and interest [on the Notes] will be due and payable immediately.” The Events of Default are listed at Section 501 of the Indenture, and include the Issuers’ “commenc[ing] a voluntary case” under the Bankruptcy Code. (Indenture § 501(7)(A)(i).)

17. The Events of Default—including the filing of a voluntary bankruptcy petition—cause the obligations under the Notes to mature immediately. Accordingly, any payment made to Noteholders after the filing of a bankruptcy petition is a payment after maturity, and not a redemption prior to maturity that triggers the obligation to pay the Applicable Premium. *See Momentive*, 874 F.3d at 802 (citing *In re AMR Corp.*, 730 F.3d 88, 103 (2d Cir. 2013)).

18. Moreover, even if the Applicable Premium could be deemed payable in connection with payments made after certain Events of Default, the Indenture at issue here includes relevant language not present in *Momentive*. Specifically, upon “any Event of Default” other than the filing of a bankruptcy petition, Section 502(a) of the Indenture provides that the Trustee or requisite holders may “declare the principal, *premium*, if any, interest and any other monetary obligations on all the Outstanding Notes to be due and payable immediately” (emphasis added). In contrast, in the event of a bankruptcy filing, the automatic acceleration provision in Section 502(b) of the Indenture eliminates even the ‘boilerplate’ reference to

premium found in the analogous provision of the indenture at issue in *Momentive*. Section 502(b) of this Indenture provides that, upon automatic acceleration as a result of bankruptcy, “all Outstanding Notes will become due and payable without further action or notice,” with no reference to any premium, including the Applicable Premium. *Cf. Momentive* at 803.

II. The Chapter 11 Bankruptcy Petition Accelerates the Notes to Maturity

19. On September 20, 2020 (the “Petition Date”), each of the Plaintiffs filed with the Court a voluntary petition for relief under the Bankruptcy Code.

20. Prior to the Petition Date, there had been no Event of Default under the Indenture.

21. The Issuers’ commencement of the above-captioned Chapter 11 case constituted an Event of Default under Section 501(7) of the Indenture. As a result, (i) pursuant to the Acceleration Provision, and (ii) by operation of law, this Event of Default immediately accelerated the maturity of the Issuers’ obligations under the Notes to the Petition Date. (Indenture § 502(b).)

22. The Issuers have not exercised their rights to redeem all or part of the Notes under the Redemption Provision. The Issuers’ bankruptcy filing resulted in an immediate acceleration of the Issuers’ obligations to Noteholders pursuant to the Acceleration Provision—and not a redemption of the Notes—the Redemption Provision does not apply and the Issuers do not owe the Applicable Premium to the Noteholders.

23. In the alternative, the Applicable Premium should be disallowed under the Bankruptcy Code because it is unmatured interest under 11 U.S.C. § 502(b)(2). It is “unmatured” because it was not due and payable at the time of the filing of the bankruptcy petition. It is “interest,” or the economic equivalent of interest, because the Applicable Premium

is calculated with reference to a percentage of the principal or the present value of remaining interest payments. (Indenture § 102.)

FIRST CLAIM FOR RELIEF
Declaratory Judgment – No Obligation to Pay Applicable Premium

24. Plaintiffs restate and incorporate the allegations of the preceding paragraphs as if set forth fully herein.

25. Under the plain terms of the Indenture and the Notes, the Issuers' filing of a bankruptcy petition constituted an Event of Default that immediately accelerated the maturity date of the Issuers' debt under the Notes to the Petition Date. (Indenture § 502(b).)

26. No provision of the Indenture provides that the Applicable Premium comes due and owing upon the automatic acceleration of the maturity of the Notes pursuant to an Event of Default, such as a bankruptcy filing by the Issuers. The language of the Indenture and the Notes provides unambiguously that the Issuers are required to pay the Applicable Premium to the Noteholders only in the event of a redemption at the election of the Issuers, as contemplated by the Redemption Provision, which has not occurred here. (*Id.* § 1101.) Accordingly, the Issuers do not owe, and the Noteholders are not entitled to, the Applicable Premium. *See Momentive*, 874 F.3d at 802-03. Likewise, the Guarantors have no liability to the Noteholders for the Applicable Premium under the terms of the Guarantee.

27. Certain of the Noteholders, however, contend that the Noteholders are entitled to payment of the Applicable Premium. Thus, an actual controversy exists between Plaintiffs and the Trustee over whether the Noteholders are entitled to payment of the Applicable Premium.

28. Plaintiffs are entitled to a declaratory judgment that Plaintiffs do not owe, and the Noteholders are not entitled to, the Applicable Premium.

29. Plaintiffs are also entitled to a declaratory judgment that any costs or attorneys' fees and expenses incurred by the Trustee and the Noteholders in connection with the above-captioned adversary proceeding shall not be borne by the Debtors.

SECOND CLAIM FOR RELIEF
Declaratory Judgment – Disallowance of Applicable Premium

30. Plaintiffs restate and incorporate the allegations of the preceding paragraphs as if set forth fully herein.

31. Section 502(b)(2) of the Bankruptcy Code disallows claims for "unmatured interest."

32. The Applicable Premium is both interest and unmatured. It is interest, or the economic equivalent of interest, because it is calculated with reference to a percentage of the principal or the present value of remaining interest payments. (Indenture § 102.) It is unmatured because it was not due and payable at the time of the filing of the bankruptcy petition.

33. Certain of the Noteholders, however, contend that the Noteholders are entitled to payment of the Applicable Premium. Thus, an actual controversy exists between Plaintiffs and the Trustee over whether the Noteholders are entitled to payment of the Applicable Premium.

34. Plaintiffs are entitled to a declaratory judgment that Plaintiffs do not owe, and the Noteholders are not entitled to, the Applicable Premium.

RELIEF REQUESTED

WHEREFORE, Plaintiffs respectfully request that the Court grant Plaintiffs the following relief:

(a) a judgment declaring that (i) the Issuers' commencement of the above-captioned bankruptcy cases did not trigger an obligation on the part of the Issuers to pay the

Applicable Premium to the Noteholders under the terms of the Indenture and the Notes or any such obligation of the Guarantors under the Guarantee, (ii) any payment of the outstanding principal or accrued and unpaid interest on the Notes in connection with Plaintiffs' above-captioned bankruptcy cases does not constitute a redemption or trigger an obligation under the terms of the Indenture to pay the Applicable Premium to the Noteholders, and (iii) Plaintiffs are not obligated to bear any of the costs or attorneys' fees and expenses incurred by the Trustee and the Noteholders in connection with the above-captioned adversary proceeding;

(b) in the alternative, a judgment declaring that the Noteholders' claim for the Applicable Premium is disallowed as unmatured interest; and

(c) such other and further relief as the Court deems just and proper, including, but not limited to, costs and reasonable attorneys' fees and expenses.

In the event that Parent or any Restricted Subsidiary incurs, assumes, guarantees, redeems, retires or extinguishes any Indebtedness or issues

or redeems Disqualified Stock subsequent to the commencement of the Applicable Measurement Period but on or prior to the applicable date of determination, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock (in each case, including a pro forma application of the net proceeds therefrom), as if the same had occurred at the beginning of the Applicable Measurement Period; *provided*, however, that, for purposes of the calculation of the Fixed Charge Coverage Ratio, in connection with the incurrence of any Indebtedness pursuant to Section 1011(a) the Issuers may elect, pursuant to an Officer's Certificate delivered to the Trustee, to treat all or any portion of the commitment under any Indebtedness which is to be incurred, as being incurred as of the applicable date of determination and any subsequent incurrence of Indebtedness under such commitment that was so treated shall not be deemed, for purposes of this calculation, to be an incurrence of additional Indebtedness.

If since the beginning of such period any Person (that subsequently became a Restricted Subsidiary or was merged with or into Parent or any Restricted Subsidiary since the beginning of such period) shall have made any Investment, acquisition, disposition, merger, consolidation or disposed operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such Applicable Measurement Period as if such Investment, acquisition, disposition, merger, consolidation or disposed operation had occurred at the beginning of the Applicable Measurement Period.

For purposes of this definition, whenever *pro forma* effect is to be given to a transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of an Issuer (and may include, without duplication, cost savings, operating expense reductions and synergies resulting from such Investment, acquisition, merger or consolidation which is being given *pro forma* effect that have been or are expected to be realized (subject to compliance with the proviso to clause (G) of the definition of "EBITDA")). If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the applicable date of determination had been the applicable rate for the entire period (taking into account for such entire period, any Hedging Obligation applicable to such Indebtedness with a remaining term of 12 months or longer, and in the case of any Hedging Obligation applicable to such Indebtedness with a remaining term of less than 12 months, taking into account such Hedging Obligation to the extent of its remaining term). Interest on a Capitalized Lease Obligation shall be deemed to accrue at

an interest rate reasonably determined by a responsible financial or accounting officer of an Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under any revolving credit facility computed on a pro forma basis shall be computed based upon (A) the average daily balance of such Indebtedness during the applicable period or (B) if such facility was created after the end of the applicable period, the average daily balance of such Indebtedness during the period from the date of creation of such facility to the date of determination; or, if lower, the maximum commitments under such revolving credit facility as of the applicable date of determination. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuers may designate.

Amounts denominated in a currency other than Euros will be converted to Euros for the purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated Secured Net Indebtedness and the Consolidated Total Net Debt Ratio at the relevant currency exchange rate, and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of Hedging Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Euro equivalent of such Indebtedness.

The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuers are subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form reasonably acceptable to the Issuer). Each Note shall be dated the date of its authentication.

(b) Notes issued in global form shall be substantially in the form of Exhibit A (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Exchanges of Interests in the Global Note” attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Common Depositary, in accordance with the procedures of Euroclear and Clearstream.

(c) (i) Notes offered and sold in reliance on Regulation S shall be issued in the form of the Regulation S Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Common Depositary, for the Depositary, and registered in the name of the Common Depositary or the nominee of the Common Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuers and authenticated by or on behalf of the Trustee as hereinafter provided. The aggregate principal amount of the Regulation S Global Note may from time to time be increased or decreased by adjustments made on the records of the Common Depositary, in connection with transfers of interest as hereinafter provided.

(ii) Notes offered and sold in reliance on Rule 144A shall be issued in the form of the 144A Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Common Depositary, for the Depositary, and registered in the name of the Common Depositary or the nominee of the Common Depositary for the accounts of designated agents or participants holding on behalf of Euroclear or Clearstream, duly executed by the Issuers and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of the 144A Global Note may from time to time be increased or decreased by adjustments made on the records of the Common Depositary in accordance with the procedures of Euroclear and Clearstream, in connection with transfers of interest as hereinafter provided.

(d) Euroclear and Clearstream Procedures Applicable. The provisions of the “Operating Procedures of the Euroclear System” and “Terms and Conditions Governing Use of Euroclear” and the “General Terms and Conditions of Clearstream Banking” and “Customer Handbook” of Clearstream shall be applicable to transfers of beneficial interests in the Global Notes that are held by Participants through Euroclear or Clearstream.

SECTION 202. Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each Issuer by at least one Officer of such Issuer. The signature of any such Officer on the Notes may be manual or facsimile signatures of the present or any future such authorized officer and may be imprinted or otherwise reproduced on the Notes.

Notes bearing the manual or facsimile signature of an individual who was at any time the proper officer of an Issuer shall bind such Issuer, notwithstanding that such individual has ceased to hold such office prior to the delivery of such Notes or did not hold such office at the date of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuers may deliver Notes executed by the Issuers to the Trustee for authentication, together with an Issuers’ Order for the authentication and delivery of such Notes, and the Trustee in accordance with such Issuers’ Order shall authenticate and deliver such Notes.

On the Issue Date, the Issuers shall deliver the Initial Notes in the aggregate principal amount of €350,000,000 executed by the Issuers to the Trustee for authentication, together with an Issuers' Order for the authentication and delivery of such Notes, specifying the principal amount and registered holder of each Note, directing the Trustee to authenticate the Notes and deliver the same to the persons named in such Issuers' Order and the Trustee in accordance with such Issuers' Order shall authenticate and deliver such Initial Notes. At any time and from time to time after the Issue Date, the Issuers may deliver Additional Notes executed by the Issuers to the Trustee for authentication, together with an Issuers' Order for the authentication and delivery of such Additional Notes, specifying the principal amount of and registered holder of each Note, directing the Trustee to authenticate the Additional Notes and deliver the same to the persons in such Issuers' Order and the Trustee in accordance with such Issuers' Order shall authenticate and deliver such Additional Notes. In each case, the Trustee shall receive an Officer's Certificate and an Opinion of Counsel of the Issuers that it may reasonably require in connection with such authentication of Notes. Such Issuers' Order shall specify the amount of Notes to be authenticated and the date on which the original issue of Notes is to be authenticated.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein duly executed by the Trustee by manual signature of an authorized signatory, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture.

In case any of the Issuers, Parent or any Subsidiary Guarantor, pursuant to Article Eight of this Indenture, shall be consolidated or merged with or into any other Person or shall convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person, and the successor Person resulting from such consolidation, or surviving such merger, or into which such Issuer, Parent or such Subsidiary Guarantor shall have been merged, or the Person which shall have received a conveyance, transfer, lease or other disposition as aforesaid, shall have executed a supplemental indenture hereto with the Trustee pursuant to Article Eight of this Indenture, any of the Notes authenticated or delivered prior to such consolidation, merger, conveyance, transfer, lease or other disposition may, from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon Issuers' Request of the successor Person, shall authenticate and deliver Notes as specified in such request for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time Outstanding for Notes authenticated and delivered in such new name.

The Trustee may appoint an authenticating agent acceptable to the Issuers to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an affiliate of the Issuer. The initial Authenticating Agent will be Deutsche Bank Luxembourg S.A.

ARTICLE THREE

NOTE TERMS

SECTION 301. Title and Terms. The aggregate principal amount of Notes which may be authenticated and issued under this Indenture is not limited; *provided* that any Additional Notes issued under this Indenture are issued in accordance with Sections 202, 313 and 1011 hereof, as part of the same series as the Initial Notes.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture, and the Issuers, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be known and designated as the “5.125% Senior Notes Due 2026” of the Issuers. The Stated Maturity of the Notes shall be October 15, 2026, and the Notes shall bear interest at the rate of 5.125% per annum from the Issue Date, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, payable on April 15, 2019 and semiannually thereafter on April 15 and October 15 in each year and at said Stated Maturity, until the principal thereof is paid or duly provided for and to the Person in whose name the Note (or any Predecessor Note) is registered at the close of business on April 1 and October 1 immediately preceding such Interest Payment Date (each, a “Regular Record Date”). However, so long as the notes are held in global form, each payment in respect of the global notes will be made to the person shown as the holder of the notes in the register at the close of business (of the relevant clearing system) on the Clearing System Business Day before the due date for such payments, where “Clearing System Business Day” means a weekday (Monday to Friday, inclusive) except December 25 and January 1.

The principal of (and premium, if any) and interest on the Notes shall be payable by wire transfer at the offices or agencies of the Issuers set forth in Section 302, or, if the Notes are in definitive form and the Issuers are acting as their own paying agent, payment of interest may be made by check mailed to the Holders of the Notes at their respective addresses set forth in the Note Register of Holders; *provided* that all payments of principal, premium, if any, and interest with respect to Notes represented by one or more permanent Global Notes registered in the name of the Common Depositary, or its nominee will be made by wire transfer of immediately available funds to Euroclear or Clearstream.

Holders shall have the right to require the Issuers to purchase their Notes, in whole or in part, in the event of a Change of Control pursuant to Section 1016. The Notes shall be subject to repurchase pursuant to an Asset Sale Offer as provided in Section 1017.

The Notes shall be redeemable as provided in Article Eleven.

The due and punctual payment of principal of (and premium, if any) and interest on the Notes payable by the Issuers is irrevocably unconditionally guaranteed, to the extent set forth herein, by each of the Guarantors.

SECTION 302. Paying Agent, Registrar and Transfer Agent.

(a) The Issuers shall maintain one or more paying agents (each, a “Paying Agent”) for the Notes. The initial Paying Agent shall be Deutsche Bank AG, London Branch. The Issuers shall pay all principal, interest, premium, and Additional Amounts, if any, on the Notes at the specified office or agency of the Paying Agent; *provided* that all such payments with respect to such Notes, represented by one or more permanent Global Notes registered in the name of or held by the Common Depositary or its nominee, will be made by wire transfer of immediately available funds to Euroclear or Clearstream, which will credit the account specified by such Holders of the Notes.

The Issuers shall require each Paying Agent to agree in writing that the Paying Agent shall hold for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and will notify the Trustee of any default by the Issuers in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than an Issuer or a Guarantor) shall have no further liability for the money. If an Issuer acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to an Issuer, the Trustee shall serve as paying agent for the Notes.

(b) The Issuers shall maintain one or more registrars (each, a “Registrar”) and a transfer agent (each, a “Transfer Agent”). The Issuers hereby appoint Deutsche Bank Luxembourg S.A. as the initial Registrar and Deutsche Bank Luxembourg S.A. as the initial Transfer Agent. The Registrar shall keep a register of the Notes and of their transfer and exchange (the register maintained in such office and in any other office or agency designated pursuant to Section 1002 being herein sometimes referred to as the “Note Register”). The Note Register shall be in written form or any other form capable of being converted into written form within a reasonable time. At all reasonable times on a Business Day, the Note Register shall be open to inspection by the Trustee. The Issuers may change the Registrar or the Transfer Agent without prior notice to the Holders. The Issuers may have one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrars. The Issuers, the Trustee and any Agent thereof shall treat the Person in whose name a Note is registered in the Note Register as

the owner thereof for all purposes of this Indenture, and neither the Issuers, the Trustee, nor any such Agent shall be affected by notice to the contrary.

(c) The Issuers shall enter into an appropriate agency agreement with any Paying Agent, Registrar or Transfer Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuers shall notify the Trustee in writing of the name and address of any such agent. If the Issuers fail to maintain a Registrar, Transfer Agent or Paying Agent, the Trustee may appoint a suitably qualified and reputable party to act as such and shall be entitled to appropriate compensation therefor pursuant to Section 607. The Issuers or any Affiliate thereof may act as Paying Agent, Registrar or Transfer Agent.

(d) The Issuers acknowledge that neither the Trustee nor any Agent makes any representations as to the interpretation or characterization of the transactions herein undertaken for tax or any other purpose, in any jurisdiction.

(e) The Issuers shall be responsible for making calculations called for under the Notes, including but not limited to determination of redemption price or other amounts payable on the Notes. The Issuers will make the calculations in good faith and, absent manifest error, its calculations will be final and binding on the Holders. The Issuers will provide a schedule of its calculations to the Trustee when requested by the Trustee, and the Trustee is entitled to rely conclusively on the accuracy of the Issuers' calculations without independent verification. The Trustee shall forward the Issuers' calculations to any Holder of the Notes upon the written request of such Holder.

SECTION 303. Denominations. The Notes shall be issuable only in registered form without coupons and only in denominations of €100,000 and any integral multiples of €1,000 in excess thereof.

SECTION 304. Temporary Notes. Pending the preparation of definitive Notes, the Issuers may execute, and upon an Issuers' Order the Trustee shall authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Notes may determine, as conclusively evidenced by their execution of such Notes.

If temporary Notes are issued, the Issuers will cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Issuers designated for such purpose pursuant to Section 1002, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Issuers shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as definitive Notes.

SECTION 305. Mutilated, Destroyed, Lost and Stolen Notes. If any mutilated Note is surrendered to the Trustee or the Issuers or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers will issue and the Trustee, or the Authentication Agent, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee, any Agent, or the Issuers, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee, the relevant Agent, and the Issuers to protect the Issuers, the Trustee and any Agent from any loss that any of them may suffer if a Note is replaced. The Issuers, the Trustee and any Agent may charge the relevant Holder for its expenses in replacing a Note.

If, after the delivery of such replacement Note, a bona fide purchaser of the original Note in lieu of which such replacement Note was issued presents for payment or registration such original Note, the Trustee shall be entitled to recover such replacement Note from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuers, the Trustee, and any Agent in connection therewith.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuers in their discretion may, instead of issuing a new Note, pay such Note.

Every new Note issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuers and each Guarantor, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 306. Payment of Interest; Interest Rights Preserved.

(a) Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the Regular Record Date for such interest at the office or agency of the Issuers maintained for such purpose pursuant to Section 1002; *provided* that, subject to Section 301 hereof, each installment of interest may at the Issuers' option be paid by (1) if the Notes are in definitive form and the Issuers are acting as their own paying agent, mailing a check for such interest, payable to or upon the written order of the Person entitled thereto pursuant to Section 307, to the address of such Person as it appears in the Note Register or (2) transfer to an account maintained by the payee; *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal of, premium on, if

any, and interest on, all Notes in global form and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuers and the Paying Agent. However, so long as the notes are held in global form, each payment in respect of the global notes will be made to the person shown as the holder of the notes in the register at the close of business (of the relevant clearing system) on the Clearing System Business Day before the due date for such payments, where "Clearing System Business Day" means a weekday (Monday to Friday, inclusive) except December 25 and January 1.

(b) Any interest on any Note which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date shall forthwith cease to be payable to the Holder on the Regular Record Date by virtue of having been such Holder, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called "Defaulted Interest") may be paid by the Issuers, at its election in each case, as provided in clause (1) or (2) below:

(1) the Issuers may elect to make payment of any Defaulted Interest (including any interest payable on such Defaulted Interest) to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuers shall notify the Trustee and the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuers shall deposit with the Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, *provided* that neither Trustee nor Paying Agent shall be required to advance or expend its own funds for such payments, such money when deposited to be held for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Issuers shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than fifteen calendar days and not less than ten calendar days prior to the date of the proposed payment and not less than ten calendar days after the receipt by the Paying Agent of the notice of the proposed payment. The Issuers shall promptly notify the Paying Agent of such Special Record Date, and shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given in the manner provided for in Section 107, not less than ten calendar days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so given, such Defaulted Interest shall be paid to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) the Issuers may make payment of any Defaulted Interest (including any interest payable on such Defaulted Interest) in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed or the clearing systems through which the Notes are held, and upon such notice as may be required by such exchange or, as the case may be, the clearing systems.

(c) Subject to the foregoing provisions of this Section, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 307. Persons Deemed Owners. Prior to the due presentment of a Note for registration of transfer, the Issuers, any Guarantor, the Trustee, the Agents and any agent of the Issuers or the Trustee may treat the Person in whose name such Note is registered as the owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 306) interest on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Issuers, the Trustee, the Agents or any agent of the Issuers or the Trustee shall be affected by notice to the contrary.

SECTION 308. Cancellation. All Notes surrendered for payment, redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Registrar, be delivered to the Registrar and shall be cancelled by the Registrar in accordance with the customary procedures of Euroclear and Clearstream. The Issuers may at any time deliver to the Registrar for cancellation any Notes previously authenticated and delivered hereunder which the Issuers may have acquired in any manner whatsoever, and may deliver to the Registrar (or to any other Person for delivery to the Registrar) for cancellation any Notes previously authenticated hereunder which the Issuers have not issued and sold, and all Notes so delivered shall be cancelled by the Registrar in accordance with its customary procedures. If the Issuers shall so acquire any of the Notes, however, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Notes unless and until the same are surrendered to the Registrar for cancellation. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Notes held by the Registrar shall be disposed of by the Registrar in accordance with its customary procedures.

SECTION 309. Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months, and calculated by applying the interest rate to the aggregate principal outstanding amount of the Notes.

SECTION 310. Transfer and Exchange.

(a) *Transfer and Exchange of Global Notes.* The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Except

as otherwise set forth in this Section 310, a Global Note may be transferred, in whole and not in part, only to another nominee of the Common Depositary or to a successor Common Depositary or a nominee of such successor Common Depositary. A beneficial interest in a Global Note may not be exchanged for a Definitive Note unless (i) the Common Depositary notifies the Issuers in writing that it is unwilling or unable to continue as Common Depositary for such Global Note and a successor Common Depositary is not appointed by the Issuers within 90 days or (ii) either Euroclear or Clearstream, or a successor clearing system is closed for business for a continuous period of fourteen days (other than by reason of holidays, statutory or otherwise) or announces an intention to permanently cease business or does in fact do so, or (iii) any of the Notes has become immediately due and payable in accordance with Section 501 and the Issuers have received a written request from a Holder. Upon the occurrence of any of the preceding events in (i), (ii) or (iii) above, Definitive Notes delivered in exchange for any Global Note or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depositary (in accordance with its Applicable Procedures). Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 304 and 305. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 310 or Section 304 or 305, shall be authenticated and delivered in the form of, and shall be, a Global Note, except for Definitive Notes issued subsequent to any of the preceding events in (i) or (ii) above and pursuant to Section 310(c). A Global Note may not be exchanged for another Note other than as provided in this Section 310(a); *provided, however*, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 310(b) or (c).

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.*

The transfer and exchange of beneficial interests in the Global Notes shall be effected through Euroclear and Clearstream, in accordance with the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note.

Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 310(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 310(b)(i), the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (B)(1) above; *provided* that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Regulation S Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Common Depositary shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 310(g).

(iii) Transfer of Beneficial Interests in a Restricted Global Note to Beneficial Interests in Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 310(b)(ii) and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B, including the certifications in item (1) thereof;

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B, including the certifications in item (2) thereof; or

(C) if the transferee will take delivery in the form of a beneficial interest in the IAI Global Note, then the transferor must deliver a certificate in the form of Exhibit B, including the certifications in item (3) thereof, and a letter of representation from the transferee in the form of Exhibit E hereto.

(iv) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A

beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 310(b)(ii) and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder substantially in the form of Exhibit C, including the certifications in item (1)(a) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B, including the certifications in item (5) thereof;

and, in each such case set forth in this Section 310(b)(iv), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to this Section 310(b)(iv) at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Issuers' Order for the authentication and delivery of such Note in accordance with Section 202, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to this Section 310(b)(iv).

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) *Transfer or Exchange of Beneficial Interests for Definitive Notes.*

(i) Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes. If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon the occurrence of any of the events in paragraph (i) or (ii) of Section 310(a) and receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a

Restricted Definitive Note, a certificate from such holder substantially in the form of Exhibit C, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A, a certificate substantially in the form of Exhibit B, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate substantially in the form of Exhibit B, including the certifications in item (2) thereof;

(D) if such beneficial interest is being transferred to an IAI, a certificate substantially in the form of Exhibit B, including the certifications in item (3) thereof, and a letter of representation from such IAI in the form of Exhibit E hereto;

(E) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate substantially in the form of Exhibit B, including the certifications in item (4)(a) thereof;

(F) if such beneficial interest is being transferred to the Company or any of the Restricted Subsidiaries, a certificate substantially in the form of Exhibit B, including the certifications in item (4)(b) thereof; or

(G) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate substantially in the form of Exhibit B, including the certifications in item (4)(c) thereof,

the Registrar shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 310(g), and the Issuer shall execute and the Trustee shall, upon receipt of an Issuers' Order for the authentication and delivery of such Note, authenticate and mail to the Person designated in the instructions a Definitive Note in the applicable principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 310(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. If the Trustee or Paying Agent is unable to apply any money or euro-denominated Government Securities in accordance with Section 401 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 401 until such time as the Trustee or Paying Agent is permitted to apply all such money or euro-denominated Government Securities in accordance with Section 401; *provided* that if the Issuers have made any payment of principal of (and premium, if any) or interest on any Notes because of the reinstatement of their obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or euro-denominated Government Securities held by the Trustee or Paying Agent.

covenants or agreements (other than a default referred to in clauses (1), (2) and (3) above) contained in this Indenture or the Notes;

(5) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by Parent or any Restricted Subsidiary or the payment of which is guaranteed by Parent or any Restricted Subsidiary, other than Indebtedness owed to Parent or any Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both

(A) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity and

(B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate €100.0 million or more at any one time outstanding;

(6) the failure by Parent or any Significant Subsidiary to pay final judgments aggregating in excess of €100.0 million (net of amounts covered by insurance policies issued by reputable insurance companies), which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(7) any of the following events with respect to Parent, either Issuer or any Significant Subsidiary:

(A) Parent, an Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case;

(ii) consents to the entry of an order for relief against it in an involuntary case;

(iii) consents to the appointment of a custodian of it or for any substantial part of its property;

(iv) takes any comparable action under any foreign laws relating to insolvency; or

(B) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against Parent, an Issuer or any Significant Subsidiary in an involuntary case;

(ii) appoints a custodian of Parent, an Issuer or any Significant Subsidiary or for any substantial part of its property; or

(iii) orders the winding up or liquidation of Parent, an Issuer or any Significant Subsidiary;

(iv) and the order or decree remains unstayed and in effect for 60 days;

(8) the Guarantee of any Guarantor that is a Significant Subsidiary shall for any reason cease to be in full force (except as contemplated by the terms thereof or hereof) and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Subsidiary denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of the related Indenture or the release of any such Guarantee in accordance with this Indenture;

(9) any security interest under the Security Documents on any Notes Collateral having a fair market value in excess of €65 million shall, at any time, cease to be in full force and effect (other than in accordance with the terms of the relevant Security Document, the Intercreditor Agreement and this Indenture) for any reason other than the satisfaction in full of all obligations under this Indenture or the release or amendment of any such security interest in accordance with the terms of this Indenture, the relevant Security Document, the Intercreditor Agreement or any Additional Intercreditor Agreement or any such security interest created thereunder shall be declared invalid or unenforceable or an Issuer or Parent shall assert in writing that any such security interest is invalid or unenforceable and any such default continues for 10 days.

SECTION 502. Acceleration of Maturity; Rescission and Annulment.

(a) If any Event of Default (other than an Event of Default specified in Section 501(7) above with respect to the Issuers or Parent) occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Outstanding Notes issued under this Indenture may, and the Trustee at the request of such Holders of the notes shall (subject to receiving indemnity, prefunding and/or security to its

satisfaction), declare the principal, premium, if any, interest and any other monetary obligations on all the Outstanding Notes to be due and payable immediately, by a notice in writing to the Issuers (and to the Trustee if given by Holders) and the Trustee may, in accordance with and subject to the Intercreditor Agreement, instruct the Security Agent to enforce the Security Documents to the extent necessary. In addition, if an Event of Default occurs and is continuing, subject to the Intercreditor Agreement, the Trustee may, and shall upon request of Holders of at least 25% in aggregate principal amount of outstanding Notes (subject to itself and the Security Agent being indemnified, secured and/or prefunded to its satisfaction), instruct the Security Agent to foreclose on the Notes Collateral in accordance with the terms of the Security Documents, this Indenture and the Intercreditor Agreement and take such further action on behalf of the Holders of the Notes with respect to the Notes Collateral as the Trustee deems appropriate.

(b) Upon the effectiveness of a declaration under 502(a), such principal and interest will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under Section 501(7) with respect to either Issuer or Parent, all Outstanding Notes will become due and payable without further action or notice. The Trustee may withhold from the Holders notice of any continuing Default or Event of Default, except a Default or Event of Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest.

(c) At any time after a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article, the Holders of a majority in aggregate principal amount of the Outstanding Notes, by written notice to the Issuers and the Trustee, may rescind and annul such declaration and its consequences, so long as such rescission and annulment would not conflict with any judgment of a court of competent jurisdiction and all amount owing to the Trustee have been paid, if:

(1) the Issuers have paid or deposited with the Trustee a sum sufficient to pay:

(A) all overdue interest on all Outstanding Notes,

(B) all unpaid principal of (and premium, if any, on) any Outstanding Notes which has become due otherwise than by such declaration of acceleration, and interest on such unpaid principal at the rate borne by the Notes,

(C) to the extent that payment of such interest is lawful, interest on overdue interest at the rate borne by the Notes, and

(D) all sums paid or advanced by the Trustee hereunder and the compensation and properly incurred expenses, disbursements and advances (including any indemnity payments) of the Trustee, its agents and counsel; and

(2) Events of Default, other than the nonpayment of amounts of principal of (or premium, if any, on) or interest on Notes, which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 513,

provided that no such rescission shall affect any subsequent default or impair any right consequent thereon.

(d) Notwithstanding the preceding paragraph, in the event of any Event of Default specified in Section 501(5) above, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose,

(1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged, or

(2) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default, or

(3) if the default that is the basis for such Event of Default has been cured.

SECTION 503. Collection of Indebtedness and Suits for Enforcement by Trustee. The Issuers covenant that if:

(1) default is made in the payment of any installment of interest on any Note when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of (or premium, if any, on) any Note at the Maturity thereof, the Issuers will, upon demand of the Trustee, pay to the Trustee for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for principal (and premium, if any) and interest, and interest on any overdue principal (and premium, if any) and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installment of interest, at the rate borne by the Notes, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the compensation and properly incurred expenses, disbursements and advances (including any indemnity payments) of the Trustee, its agents and counsel.

If the Issuers fail to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuers, any Guarantor or any other obligor upon the Notes and collect the moneys adjudged or decreed to be

payable in the manner provided by law out of the property of the Issuers, any Guarantor or any other obligor upon the Notes, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may proceed to protect and enforce its rights and the rights of the Holders under this Indenture and the Guarantees by such appropriate judicial proceedings as the Trustee shall deem necessary to protect and enforce any such rights, including seeking recourse against any Guarantor, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy, including seeking recourse against any Guarantor.

SECTION 504. Trustee May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Issuers or any other obligor including any Guarantor, upon the Notes or the property of the Issuers or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuers for the payment of overdue principal, premium, if any, or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(1) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(2) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay the Trustee any amount due it for the compensation and properly incurred expenses, disbursements and advances (including any indemnity payments) of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 607.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding. The Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' committee or other similar committee.

SECTION 505. Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the compensation and properly incurred expenses, disbursements and advances (including any indemnity payments) of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

SECTION 506. Application of Money Collected. Any money or property collected by the Trustee pursuant to this Article, or after an Event of Default any money or property distributable in respect of the Issuers' or Guarantors' obligations under this Indenture, shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Notes and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due to the Trustee and the Agents (including any predecessor Trustee or Agent) under Section 607;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Notes in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for principal (and premium, if any) and interest, respectively; and

THIRD: The balance, if any, to the Issuers or as a court of competent jurisdiction may direct in writing; *provided* that all sums due and owing to the Holders and the Trustee have been paid in full as required by this Indenture.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 506.

SECTION 507. Limitation on Suits. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder of a Note shall pursue any remedy with respect to this Indenture or the Notes, unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in principal amount of the outstanding Notes have requested (in writing) the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee security, prefunding and/or indemnity satisfactory to it against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security, prefunding and/or indemnity satisfactory to it against any loss, liability or expense; and

(5) Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction inconsistent with such request within such 60-day period.

SECTION 508. Unconditional Right of Holders to Receive Principal, Premium and Interest. Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment, as provided herein (including, if applicable, Article Eleven) and in such Note of the principal of (and premium, if any) and (subject to Section 306) interest on such Note on the respective Stated Maturities expressed in such Note (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment on or after such respective dates, and such rights shall not be impaired without the consent of such Holder.

SECTION 509. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture or the Guarantees and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuers, any Guarantor, any other obligor of the Notes, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 510. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in the last paragraph of Section 305, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 511. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 512. Control by Holders. The Holders of not less than a majority in principal amount of the Outstanding Notes shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or of exercising any trust or power conferred on the Trustee with respect to the Notes; *provided* that:

(1) such direction shall not be in conflict with any rule of law or with this Indenture, and such Holders have complied with Section 603(6),

(2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and

(3) the Trustee need not take any action which might involve it in personal liability or be unjustly prejudicial to the Holders not consenting (it being further understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unjustly prejudicial to such Holders).

SECTION 513. Waiver of Past Defaults. Subject to Sections 508 and 902, the Holders of a majority in principal amount of the Outstanding Notes by written notice to the Trustee may on behalf of the Holders of all such Notes waive any existing Default or Event of Default and its consequences hereunder (except (1) a continuing Default or Event of Default in the payment of interest on, premium, if any, or the principal of any such Note held by a non-consenting Holder, or (2) in respect of a covenant or provision hereof or in any Guarantee which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Note affected which shall require the consent of all Holder of the Notes) and rescind any acceleration and its consequences with respect to the Notes; *provided* such rescission would not conflict with any judgment of a court of competent jurisdiction.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

SECTION 514. Waiver of Stay or Extension Laws. Each of the Issuers, the Guarantors and any other obligor on the Notes covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and each of the Issuers, the Guarantors and any other obligor on the Notes (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 515. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorney's fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 515 does not apply to a suit by the Trustee, a suit by a Holder relating to right to payment hereof, or a suit by Holders of more than 10% in principal amount of the then Outstanding Notes.

ARTICLE SIX

THE TRUSTEE

SECTION 601. Duties of the Trustee.

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions specifically required by any provision hereof to be provided to it, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture, but not to verify the contents thereof.

(b) If an Event of Default has occurred and is continuing in respect of which a Responsible Officer has received written notice by the Issuers, any other obligor of the Notes or by Holders of at least 25% of the aggregate principal amount of the Notes, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that

(1) the Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved in a court of competent

jurisdiction that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(2) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in aggregate principal amount of the Outstanding Notes relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers vested in it by this Indenture, if it shall have grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

SECTION 602. Notice of Defaults. The Trustee shall not be deemed to have knowledge of any non-compliance with this Indenture, a Default or Event of Default unless and until it obtains written notification describing the circumstances of such non-compliance, and identifying the circumstances constituting such default or Event of Default from the Issuers or from Holders of not less than 25% in aggregate principal amount of outstanding Notes. The Trustee shall have no obligation to investigate whether any Default or Event of Default has occurred. In the absence of express written notice of a Default or Event of Default, the Trustee may assume without any liability in connection with such assumption that there is no Default or Event of Default.

SECTION 603. Certain Rights of Trustee.

(1) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) any request or direction of the Issuers mentioned herein shall be sufficiently evidenced by an Issuers' Request or Issuers' Order and any resolution of the Board of Directors may be sufficiently evidenced by a certified Board Resolution and an Opinion of Counsel;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other

evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officer's Certificate or Opinion of Counsel;

(4) the Trustee shall not be charged with knowledge of any fact, Default or Event of Default with respect to the Notes unless a Responsible Officer shall have received written notice of such fact, Default or Event of Default from the Issuers or the Holders of at least 25% of the aggregate principal amount of the Notes and which notice references this Indenture and the Notes. Delivery of reports to the Trustee pursuant to this Indenture shall not constitute actual or constructive knowledge of, or notice to, the Trustee of the information contained therein;

(5) the Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice or opinion of such counsel or Opinion of Counsel;

(6) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of the Notes pursuant to this Indenture, unless such Holders shall have instructed it in writing and offered to the Trustee security, indemnity and/or prefunding satisfactory to it against any loss, liability or expense;

(7) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, or inquire as to the performance by the Issuers or the Guarantors of any of their covenants in this Indenture or inquire as to the performance by the Issuers or the Guarantors of any of their covenants in this Indenture, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the expense of the Issuers and shall incur no liability of any kind by reason of such inquiry or investigation;

(8) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of or the acts or omissions of any agent or attorney appointed with due care by it hereunder;

(9) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(10) the rights, privileges, protections, immunities and benefits given to the Trustee, including its rights to be compensated, reimbursed and indemnified, are extended to, and shall be enforceable by, each of the Agents or otherwise, and each agent, custodian and other Person employed to act hereunder;

(11) the Issuers and the Guarantors will deliver an Incumbency Certificate substantially in the form of Exhibit F hereto setting forth the names of individuals or titles of officers authorized at such time to take specified actions pursuant to this Indenture, the Notes, the Security Documents and the Intercreditor Agreement, which Incumbency Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded;

(12) the Trustee shall not be required to give any note, bond or surety in respect of the execution of the trusts and powers under this Indenture;

(13) in no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including, without limitation, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunction of utilities, third-party communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices to resume performance as soon as practicable under the circumstances;

(14) the permissive right of the Trustee to take actions permitted by this Indenture shall not be construed as an obligation or duty to do so; and

(15) in no event shall the Trustee be responsible or liable for special, punitive, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) whether or not foreseeable and irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action. The provisions of this clause (15) of Section 603 shall survive the termination or discharge of this Indenture, repayment of the Notes and the resignation or removal of the Trustee.

(16) The parties to this Indenture agree and acknowledge that all protections, indemnities (including any currency indemnity), disclaimers and limitations of liability applicable to the Security Agent are set out in Appendix 4 and shall apply as if set out in this section.

(17) The Trustee is entitled to assume without enquiry, that each of the Issuers and the Guarantors has performed in accordance with all of the provisions in this Indenture, the Security Documents and the Intercreditor Agreement, unless notified in writing to the contrary.

(18) In connection with the exercise by it of its trusts, powers, authorities or discretions (in including, without limitation, any modification, waiver, authorization or determination), the Trustee shall have regard to the general interests of the Holders as a class but shall not have regard to any interests arising from circumstances particular to individual Holders (whatever their number) and in particular, but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers, authorities or discretions for individual Holders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any country, state or territory and a Holder shall not be entitled to require, nor shall any Holder be entitled to claim, from the Issuers, the Guarantors, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Holders except to the extent already provided in Section 1021 and/or any undertaking given in addition to, or in substitution for, Section 1021 pursuant to this Indenture.

(19) The Trustee has no obligation to monitor the financial performance of the Issuers and the Guarantors.

(20) In the event of the occurrence of a Default or an Event of Default (which is continuing), the Issuers and the Guarantors hereby agree that the Trustee (and/or the Security Agent as the case may be) shall be entitled to be paid additional remuneration for additional actions it undertakes as a result of such Default or Event of Default, which may be calculated, unless otherwise agreed, at such reasonable daily or hourly rates as the Trustee (and/or the Security Agent as the case may be) may notify to the Issuers from time to time. In any other case if the Trustee (and/or the Security Agent as the case may be) is requested to undertake duties which are outside the scope of the Trustee's duties under this Indenture (or in relation to the Security Agent, outside the scope of its duties under the Intercreditor Agreement and Security Documents), the Issuers and the Guarantors will, jointly and severally, pay such additional remuneration (including the Trustee's (and/or the Security Agent's as the case may be) management time or other resources and will be calculated, unless otherwise agreed, on the basis of such reasonable daily or hourly rates as the Trustee (and/or the Security Agent as the case may be) may notify to the Issuers) or other basis as the

Issuers and the Trustee (and/or the Security Agent as the case may be) may agree. If the Trustee (and/or the Security Agent as the case may be) and the Issuers fail to agree upon the nature of the duties or upon the additional remuneration or whether additional remuneration is appropriate in the circumstances, any dispute shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Trustee (and/or the Security Agent as the case may be) and approved by the Issuers or, failing approval, nominated (on the application of the Trustee (and/or the Security Agent as the case may be) by the President for the time being of the Law Society of England and Wales (the costs of the nomination and of the investment bank or the Law Society of England and Wales, as applicable, being payable by the Issuers) and the determination of any investment bank or the Law Society of England and Wales, as applicable, shall be final and binding upon the parties.

(21) The Trustee is authorized and permitted under this Indenture to appoint the Security Agent and shall not incur any liability for such appointment. The Trustee shall not be responsible for supervising or monitoring or for the acts or omissions of the Security Agent.

SECTION 604. Trustee Not Responsible for Recitals or Issuance of Notes. The recitals, statements, representations or warranties of any party contained herein, the Security Documents or any other agreement or document and in the Notes, except for the certificates of authentication, shall be taken as the statements of the Issuer, and neither the Trustee nor any Agent assumes responsibility for their correctness. Neither the Trustee nor any Agent are responsible for the execution, adequacy, admissibility in evidence, validity or sufficiency of this Indenture or of the Notes or Guarantees. Neither the Trustee nor any Agent makes representations as to the validity, enforceability or sufficiency of the Transactions or any Spin-Off Document. Neither the Trustee nor any Agent shall be accountable for the use or application by the Issuers of Notes or the proceeds thereof or the Offering Memorandum or any other documents used in connection with the sale or distribution of the Notes. The Trustee shall not be accountable for any money paid to the Issuer or upon the Issuers' direction under any provision of this Indenture. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Issuer.

As security for the performance of such obligations of the Issuers, the Trustee shall have a claim prior to the Notes upon all property and funds held or collected by the Trustee as such, except funds held in trust solely for the benefit of the Holders entitled thereto for the payment of principal of (and premium, if any) or interest on particular Notes.

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 501(7), the expenses (including the reasonable out-of-pocket charges and expenses of its counsel) of and the compensation for such services are intended to constitute expenses of administration under any applicable Bankruptcy Law. In case at that time any of the Notes shall not have been authenticated, any successor Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee. (2) at the time of incurrence, Parent shall be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Sections 1011(a) and (b) above.

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or preferred stock shall not be deemed to be an incurrence of Indebtedness, Disqualified Stock or preferred stock for purposes of this Section 1011. Any Refinancing Indebtedness and any Indebtedness incurred to refinance Indebtedness incurred pursuant to clauses (1), (8) and (12) of Section 1011(b) above shall be permitted to include additional Indebtedness, Disqualified Stock or preferred stock incurred to pay premiums (including reasonable tender premiums), defeasance costs, accrued and unpaid interest, fees and expenses in connection with such refinancing. In the case of any Indebtedness, Disqualified Stock or preferred stock incurred to refinance Indebtedness, Disqualified Stock or preferred stock initially incurred in reliance on the proviso in the first paragraph of this covenant or clauses (4), (8) or (12) above, measured by reference to a percentage of Consolidated Total Assets at the time of incurrence, where such refinancing would cause the percentage of Consolidated Total Assets restriction to be exceeded if calculated based on the percentage of Consolidated Total Assets on the date of such refinancing, such percentage of Consolidated Total Assets restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or preferred stock does not exceed the principal amount of such Indebtedness being refinanced, plus any additional amounts permitted pursuant to the immediately preceding sentence in connection with such refinancing.

(d) For purposes of determining compliance with any U.S. dollar- or Euro-denominated restriction on the incurrence of Indebtedness or Liens or the making of any Restricted Payment or Permitted Investments, the U.S. dollar- or Euro-equivalent principal amount of the relevant Indebtedness, Restricted Payment or Investment denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness or Lien was incurred, in the case of term debt, or first committed, in the case of revolving credit debt or such Restricted Payment or Investment was made; provided that (a) if any such Indebtedness incurred or secured is incurred to Refinance other Indebtedness denominated in another currency, and such Refinancing would cause the applicable U.S. dollar- or Euro-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such U.S. dollar- or Euro- denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed (i) the principal amount of such Indebtedness being

Refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such Refinancing and (b) Parent may determine any currency exchange rate pursuant to this paragraph at any date no earlier than five Business Days earlier than the relevant date referred to above.

(e) The principal amount of any Indebtedness incurred to Refinance other Indebtedness, if incurred in a different currency from the Indebtedness being Refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such Refinancing.

(f) With respect to any Indebtedness, Liens, Restricted Payments or Permitted Investments incurred or made in reliance on a provision that does not require compliance with a financial ratio or test (including, without limitation, any tests based on the Consolidated Total Net Debt Ratio, Consolidated Secured Net Debt Ratio or the Fixed Charge Coverage Ratio) (any such amounts, the “Fixed Amounts”) substantially concurrently with any Indebtedness, Liens, or Restricted Payments or Investments incurred or made in reliance on a provision under this Indenture that requires compliance with a financial ratio or test (any such amounts, the “Incurrence-Based Amounts”), the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the incurrence of the Incurrence-Based Amounts. This Indenture shall not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Senior Indebtedness or Pari Passu Indebtedness as subordinated or junior to any other Senior Indebtedness or Pari Passu Indebtedness merely because it has a junior priority with respect to the same collateral.

SECTION 1012. Liens. Parent shall not, and shall not permit the Issuers or any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien that secures obligations under any Indebtedness or any related Guarantee on any asset or property of Parent, the Issuer, the Co-Issuer or any Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, except (a) in the case of any property or asset that does not constitute Notes Collateral, (1) Permitted Liens or (2) Liens on property or assets that are not Permitted Liens if the Notes (or the related Guarantee in the case of Liens of a Guarantor) are equally and ratably secured with (or, in the event the Lien relates to Subordinated Indebtedness, are secured on a senior basis to) the obligations so secured, and (b) in the case of any property or asset that constitutes Notes Collateral, Permitted Collateral Liens. Any Lien created for the benefit of the Holders of the Notes pursuant to this Section 1012(a)(2) shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon (i) the release and discharge of the Lien that gave rise to the obligation to secure the Notes (the “Initial Lien”), (ii) as set forth under Section 1403 or (iii) any sale, exchange or transfer to any Person not an Affiliate of Parent of the property or assets secured by the Initial Lien, or of all of the Capital Stock held by Parent or any Restricted Subsidiary in, or all or substantially all the assets of, any Guarantor creating such Initial Lien.

(4) transactions in which Parent or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to Parent or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to Parent or its relevant Restricted Subsidiary than those that would have been obtained in a comparable

transaction by Parent or such Restricted Subsidiary with an unrelated Person on an arm's-length basis;

(5) transactions pursuant to agreements or arrangements in effect on the Issue Date or, on substantially the terms described in the Offering Memorandum or pursuant to the Spin-Off Documents (including the Transactions, all transactions in connection therewith (including but not limited to the financing thereof), and all fees and expenses paid or payable in connection with the Transactions) or any amendment, modification or supplement thereto or replacement thereof, as long as such agreement or arrangement, as so amended, modified, supplemented or replaced is not materially more disadvantageous to Parent, the Issuers and the Restricted Subsidiaries, taken as a whole, than the agreement or arrangement in existence on the Issue Date or pursuant to the Spin-Off Documents;

(6) the existence of, or the performance by Parent or any Restricted Subsidiary of its obligations under the terms of, any stockholders agreement or the equivalent (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date or the Distribution Date (on substantially the terms described in the Offering Memorandum) and any similar agreements which it may enter into thereafter; provided that the existence of, or the performance by Parent or any Restricted Subsidiary of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date or the Distribution Date, as applicable, shall only be permitted by this clause (6) to the extent that the terms of any such amendment or new agreement are not otherwise disadvantageous to the Holders in any material respect when taken as a whole;

(7) any transaction in the ordinary course of business and otherwise in compliance with the terms of this Indenture that is fair to Parent and the Restricted Subsidiaries, in the reasonable determination of the Board of Directors of Parent or the senior management thereof, or is on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(14) intellectual property licenses in the ordinary course of business;

(16) pledges of Equity Interests of Unrestricted Subsidiaries;

(17) transactions with joint ventures entered into in the ordinary course of business, or approved by a majority of the Board of Directors of Parent;

(19) transactions contemplated under Section 1011(b)(19).

SECTION 1014. Limitations on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries. Parent shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(d) For purposes of determining compliance with this Section 1014: (i) the priority of any preferred stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common equity shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to Parent or a Restricted Subsidiary to other Indebtedness incurred by Parent or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 1015. Future Guarantors.

The unpurchased portion of the Notes must be equal to €100,000 or an integral multiple of €1,000 in excess thereof;

(8) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control and if applicable, shall state that, in the Issuers’ discretion, the Change of Control Payment Date may be delayed until such time as the Change of Control shall occur, or that such redemption may not occur and such notice may be rescinded in the event that the Issuers shall determine that such condition will not be satisfied by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed; and

(9) the other instructions, as determined by us, consistent with this Section 1016, that a Holder must follow.

(b) While the Notes are in global form and the Issuers make an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder shall exercise its option to elect for the purchase of the Notes through the facilities of the Depositary pursuant to Applicable Procedures, subject to its rules and regulations.

(c) The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(d) On the Change of Control Payment Date, the Issuers shall, to the extent permitted by law,

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the Paying Agent on or before 10:00 a.m. London Time an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered and

(3) deliver, or cause to be delivered, to the Registrar for cancellation the Notes so accepted together with an Officer's Certificate stating that all Notes or portions thereof have been tendered to and purchased by the Issuers.

(e) In the event that the Issuers make a Change of Control Payment, the Paying Agent shall promptly mail to each Holder of the Notes the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate a new Note (or cause to be transferred by book entry) equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note shall be in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof. Parent shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(f) The Issuers shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchase all such Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of the making of such Change of Control Offer.

(g) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuers as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuers or such third party will have the right, upon not less than 10 days nor more than 60 days' prior notice, provided that such notice is given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase on a date (the "Second Change of Control Payment Date") at a price in cash equal to the applicable Change of Control Payment in respect of the Second Change of Control Payment Date.

SECTION 1017. Asset Sales.

(a) Parent shall not, and shall not permit any Restricted Subsidiary to, consummate, directly or indirectly, an Asset Sale, unless:

(1) Parent or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the Fair Market Value (as determined at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration from such Asset Sale and all other Asset Sales since the Issue Date, on a cumulative basis received by Parent or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:

(A) any liabilities (as reflected on Parent's most recent consolidated balance sheet, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on Parent's consolidated balance sheet if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by Parent) of Parent, other than liabilities that are by their terms subordinated to the Notes, that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale) and for which Parent and all such Restricted Subsidiaries have been validly released by all applicable creditors in writing,

(B) any securities, notes or other obligations or assets received by Parent or such Restricted Subsidiary from such transferee that are converted by Parent or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case, within 180 days following the closing of such Asset Sale, and

(C) any Designated Non-cash Consideration received by Parent or such Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (C) not to exceed the greater of €50 million and 3.0% of Consolidated Total Assets at the time of the receipt of such Designated Non-cash Consideration, with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall be deemed to be cash for purposes of this provision and for no other purpose.

(b) Within 365 days after Parent's or any Restricted Subsidiary's receipt of the Net Proceeds of any Asset Sale (the "Asset Sale Proceeds Application Period"), Parent or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale:

(1) To repay, prepay, purchase, repurchase or redeem any Senior Indebtedness of any Issuer or any Guarantor, or any Indebtedness that would appear as a liability upon a balance sheet of a Restricted Subsidiary that is not a Guarantor (in each case other than Indebtedness owed to Parent or a Restricted Subsidiary); provided, however, that in connection with any repayment, prepayment, purchase, repurchase or redemption of Indebtedness pursuant to this clause (1), Parent or such Restricted Subsidiary will retire such Indebtedness and will cause the related loan commitment (if any) to be permanently reduced in an amount equal to the principal amount so repaid, prepaid, purchased, repurchased or redeemed; or

(2) to reinvest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Proceeds received by Parent or another Restricted Subsidiary) within 365 days from the later of the date of such Asset Sale and the date of receipt of such Net Proceeds, provided that Parent and its Restricted Subsidiaries shall be deemed to have complied with this clause (2) if and to the extent that, within 365 days after the Asset Sale that generated the Net Proceeds, Parent or such Restricted Subsidiary has entered into and not abandoned or rejected a binding agreement to consummate any such investment described in this clause (2) with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an "Acceptable Commitment") and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, Parent or such Restricted Subsidiary enters into another Acceptable Commitment (a "Second Commitment") within 180 days of such cancellation or termination; provided further that if any Second Commitment is later cancelled or terminated for any reason before such Net

Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds; or

(3) any combination of the foregoing.

(c) Within ten Business Days after the date that the balance of any Net Proceeds not invested or applied in the timeframe and as permitted by clauses (1), (2) and (3) of Section 1017(b) (any such Net Proceeds, whether from one or more Asset Sales, "Excess Proceeds") exceeds €75.0 million, the Issuers shall make an offer to all Holders of the Notes, and, if any Issuer or any Guarantor elects, or is required by the terms of any Senior Indebtedness of Parent or any Guarantor or Indebtedness of any Pari Passu Indebtedness of any such Issuer or Guarantor, to the holders of such Pari Passu Indebtedness (an "Asset Sale Offer"), to purchase the maximum aggregate principal amount of Notes and such Pari Passu Indebtedness (with respect to the Notes only) in denominations of €100,000 initial principal amount and multiples of €1,000 thereafter, that may be purchased out of the Excess Proceeds at an offer price, in the case of the Notes, in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. In the event that Parent or a Restricted Subsidiary prepays any Pari Passu Indebtedness that is outstanding under a revolving credit or other committed loan facility pursuant to an Asset Sale Offer, Parent or such Restricted Subsidiary shall cause the related loan commitment to be permanently reduced in an amount equal to the principal amount so prepaid.

The Issuers shall commence an Asset Sale Offer for the Notes by transmitting electronically or by mailing the notice required pursuant to the terms of this Indenture, with a copy to the Trustee. To the extent that the aggregate amount of Notes and, if applicable, Pari Passu Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds (or, in the case of an Asset Sale Offer being effected in advance of being required to do so by this Indenture, the amount of Net Proceeds to be applied in such Asset Sale Offer), the Issuers may use any remaining Excess Proceeds (or such amount offered) in any manner not prohibited by this Indenture. If the aggregate principal amount of Notes and, if applicable, Pari Passu Indebtedness surrendered in an Asset Sale Offer exceeds the amount of Excess Proceeds, the Issuers shall determine the aggregate principal amount of Notes to be purchased or repaid on a pro rata basis based on the accreted value or principal amount of the Notes or such Pari Passu Indebtedness tendered, and (in the event the Notes are in definitive form) the Notes to be purchased or repaid will be selected on a *pro rata* basis based on the accreted value or principal amount of the Notes tendered or by lot or such similar method or (if the Notes are in global form) in accordance with the procedures of Euroclear and/or Clearstream; *provided* that no Notes of €100,000 or less shall be repurchased in part. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero, and in the case of an Asset Sale Offer being effected in advance of being required to do so by this Indenture, the amount of Net Proceeds to be applied in such Asset Sale Offer shall be excluded in subsequent calculations of Excess Proceeds.

(d) Pending the final application of any Net Proceeds pursuant to this Section 1017, Parent or the applicable Restricted Subsidiary may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise use such Net Proceeds in any manner not prohibited by this Indenture.

(e) The Issuers shall comply with the requirements of Rule 14c-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

SECTION 1018. Suspension of Covenants.

(a) During any period of time following the Distribution Date that: (1) the Notes have Investment Grade Ratings from both Rating Agencies and (2) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (1) and (2) being collectively referred to as a “Covenant Suspension Event”), Parent and the Restricted Subsidiaries shall not be subject to the following provisions of this Indenture:

- (A) clause (a)(4) of Section 801;
- (B) Section 1010;
- (C) Section 1011;
- (D) Section 1013;
- (E) Section 1014;
- (F) Section 1015;
- (G) Section 1017; and
- (H) Section 1019

(collectively, the “Suspended Covenants”). Solely for the purpose of determining the amount of Permitted Liens under Section 1012 during any Suspension Period (as defined below) and without limiting Parent’s or any Restricted Subsidiary’s ability to incur Indebtedness during any Suspension Period, to the extent that calculations in Section 1012 (including the definition of “Permitted Liens”) refer to Section 1011, such calculations shall be made as though Section 1011 remains in effect during the Suspension Period. Upon the occurrence of a Covenant Suspension Event (the date of such occurrence, the “Suspension Date”), the amount of Excess Proceeds shall be set at zero. In the event that Parent and the Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any

subsequent date (the “Reversion Date”) one or both of the Rating Agencies withdraws its Investment Grade Rating or downgrades the rating assigned to the Notes below an Investment Grade Rating, then Parent and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants with respect to future events. The period of time between the Suspension Date and the Reversion Date is referred to in this description as the “Suspension Period.” Notwithstanding that the Suspended Covenants may be reinstated, no Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Guarantees with respect to the Suspended Covenants, and none of Parent or any of its Restricted Subsidiaries shall bear any liability for any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising during the Suspension Period, as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or upon termination of the Suspension Period or after that time based solely on events that occurred during the Suspension Period). Parent shall provide an Officer’s Certificate to the Trustee indicating the occurrence of any Suspension Date or Reversion Date. The Trustee shall have no obligation to monitor or independently determine or verify if such events have occurred or notify the Holders of any Suspension Date or Reversion Date. The Trustee may provide a copy of such Officer’s Certificate to any Holder of Notes upon request.

(b) On the Reversion Date, all Indebtedness incurred, or Disqualified Stock issued, during the Suspension Period shall be deemed to have been incurred or issued on the Issue Date, so that it is classified as permitted pursuant to Section 1011(b)(3). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 1010 shall be made as though Section 1010 had been in effect since the Issue Date and throughout the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will reduce the amount available to be made as Restricted Payments under Section 1010(a) and the items specified in Section 1010(a)(C)(i) through (C)(iv) if occurring during the Suspension Period will increase the amount available to be made as Restricted Payments under such section. No Subsidiaries shall be designated as Unrestricted Subsidiaries during any Suspension Period. Any Affiliate Transaction entered into after the Reversion Date pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant Section 1013(b)(6). Any encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to take any action described in Section 1014(a) through (c) that becomes effective during any Suspension Period shall be deemed to be permitted pursuant to Section 1014(c)(1).

(c) The Issuers shall give the Trustee prompt (and in any event not later than five Business Days after a Covenant Suspension Event) written notice of any Covenant Suspension Event. In the absence of such notice, the Trustee shall assume the Suspended Covenants apply and are in full force and effect. The Issuers shall give the Trustee prompt (and in any event not later than five Business Days after a Covenant Suspension Event) written notice of any occurrence of a Reversion Date. After any such notice of the occurrence of a Reversion Date, the Trustee shall assume the Suspended Covenants apply and are in full force and effect.

SECTION 1019. Limitation on Guarantee of Indemnity Agreement.

Parent will not, and will not permit any Subsidiary to, directly or indirectly, guarantee any obligation of Garrett ASASCO Inc. pursuant to the Indemnity Documents, unless such guarantee is subordinated in right of payment to the notes and otherwise incurred in compliance with the applicable provisions of this Indenture. Notwithstanding anything to the contrary in this Indenture, any such guarantee of any obligation of Garrett ASASCO Inc. pursuant to the Indemnity Documents shall be on an unsecured basis, and Parent will not, and will not permit any Subsidiary to, directly or indirectly, create, incur, assume or suffer to exist any Lien that secures any obligations of Garrett ASASCO Inc. pursuant to the Indemnity Documents.

SECTION 1020. Impairment of Security Interest.

(a) Parent shall not, and shall not permit any Restricted Subsidiary to, take or omit to take any action that would have the result of materially impairing the security interest with respect to the Notes Collateral (it being understood that the incurrence of Permitted Collateral Liens, or the confirmation or affirmation of security interests in respect of the Notes Collateral, shall under no circumstances be deemed to materially impair the security interest with respect to the Notes Collateral) for the benefit of the Security Agent, the Trustee and the Holders of the Notes, and the Issuers shall not, and shall not permit any Restricted Subsidiary to, grant to any Person other than the Security Agent, for the benefit of the Trustee and the Holders of the Notes and the other beneficiaries described in the Security Documents, any Lien over any of the Notes Collateral provided, that the Issuers and their Restricted Subsidiaries may Incur any Lien over any of the Notes Collateral that is not prohibited by Section 1012, including Permitted Collateral Liens, and the Notes Collateral may be discharged, transferred or released in any circumstances not prohibited by this Indenture, the Intercreditor Agreement or the applicable Security Documents.

(b) Notwithstanding the above, nothing in this covenant shall restrict the discharge and release of any Lien in accordance with this Indenture, the Security Documents and the Intercreditor Agreement. Subject to the foregoing, the Security Documents may be amended, extended, renewed, restated, supplemented or otherwise modified or released (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets) to (i) cure any ambiguity, omission, defect or inconsistency therein; (ii) provide for Permitted Collateral Liens; (iii) add to the Notes Collateral; or (iv) make any other change thereto that does not adversely affect the Holders of the notes in any material respect; provided, however, that, (except where permitted by this Indenture or the Intercreditor Agreement or to effect or facilitate the creation of Permitted Collateral Liens for the benefit of the Security Agent and holders of other Indebtedness incurred in accordance with this Indenture), no Security Document may be amended, extended, renewed, restated or otherwise modified or released, unless contemporaneously with such amendment, extension, renewal, restatement or modification or release, the Issuers deliver to the Security Agent and the Trustee, either (1) a solvency opinion, in form and substance reasonably satisfactory to the Security Agent and the Trustee, from an Independent Financial Advisor or appraiser or investment bank of international standing which confirms the solvency of Parent and its Subsidiaries, taken as a whole,

after giving effect to any transactions related to such amendment, extension, renewal, restatement, modification or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), (2) a certificate from the chief financial officer or the board of directors of the relevant Person which confirms the solvency of the person granting any such Lien after giving effect to any transactions related to such amendment, extension, renewal, restatement, modification or replacement, or (3) an Opinion of Counsel (subject to any qualifications customary for this type of opinion of counsel), in form and substance reasonably satisfactory to the Trustee and the Security Agent, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or release (followed by an immediate retaking of a lien of at least equivalent ranking over the same assets), the Lien or Liens created under the Security Document, so amended, extended, renewed, restated, modified or released and replaced are valid and perfected Liens.

(c) In the event that the Issuers and their Restricted Subsidiaries comply with the requirements of this covenant, the Trustee and the Security Agent shall (subject to customary protections and indemnifications and upon receipt of the aforesaid certificates or opinions) consent to such actions without the need for instructions or consent from or notice to the Holders of the Notes.

SECTION 1021. Additional Amounts.

(a) All payments made by or on behalf of the Issuers under or with respect to the Notes or any of the Guarantors under or with respect to any Guarantee will be made free and clear of and without withholding or deduction for, or on account of, any Taxes unless the withholding or deduction of such Taxes is required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by (1) any jurisdiction in which the Issuers or any Guarantor is incorporated, organized or resident or doing or deemed to be doing business for Tax purposes or (2) any jurisdiction from or through which payment is made or deemed to be made by or on behalf of the Issuers or any Guarantor (including the jurisdiction of any Paying Agent) (each such jurisdiction, or any political subdivision thereof or therein, a "Tax Jurisdiction") is at any time required to be made from any payments made under or with respect to the Notes or any Guarantee, the Issuers or the relevant Guarantor, as applicable, will pay such additional amounts (the "Additional Amounts") as may be necessary in order that the net amounts received in respect of such payments by each Holder after such withholding or deduction (including after any such withholding or deduction from Additional Amounts) will equal the respective amounts that would have been received in respect of such payments in the absence of such withholding or deduction; provided, however, that no Additional Amounts will be payable with respect to:

(1) any Taxes to the extent such Taxes would not have been imposed but for the existence of any present or former connection between the relevant Holder (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of a power over the relevant Holder, if such Holder is an estate, nominee, trust, partnership, limited liability company or corporation) or beneficial owner of a note and the relevant Tax Jurisdiction

(including being a resident, citizen or national of, or engaged in business in, or maintaining a permanent establishment or a dependent agent in, or being physically present in such jurisdiction for Tax purposes), other than any connection arising solely from the acquisition, ownership, holding or disposition of such note, the enforcement of rights under such note or under a Guarantee and/or the receipt of any payments in respect of such note or Guarantee;

(2) any Taxes to the extent such Taxes would not have been imposed but for the presentation of a note for payment (where presentation is required) more than 30 days after the date on which such payment became due and payable or the date on which the relevant payment is first made available for payment to the Holder, whichever is later (except to the extent that the Holder would have been entitled to Additional Amounts had the note been presented on the last day of such 30 day period);

(3) any estate, inheritance, gift, sales, transfer, value added, use, personal property or similar Taxes;

(4) any Taxes required to be withheld or deducted pursuant to laws enacted by Switzerland providing for Taxes applicable to Swiss resident persons (and certain non-resident persons who fail to provide certification of their non-resident status, as requested by the Swiss Federal Tax Administration) according to principles similar to those in the draft legislation proposed by the Swiss Federal Council on December 17, 2014 (including any such laws that impose withholding or deducting obligations with respect to such Taxes on a person other than the Issuers or the relevant Guarantor, including, without limitation, any Paying Agent);

(5) any Taxes imposed on or with respect to a payment made to a Holder or beneficial owner of Notes who would have been able to avoid such withholding or deduction by presenting the relevant note (where presentation is required) to another available Paying Agent;

(6) any Taxes payable other than by deduction or withholding from payments to a Holder or beneficial owner under, or with respect to, the Notes or with respect to any Guarantee;

(7) any Taxes to the extent such Taxes are imposed by reason of the failure of the Holder or beneficial owner of a note, after a written request by the applicable withholding agent addressed to the Holder, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case,

only to the extent the Holder or beneficial owner is legally eligible to provide such certification or documentation;

(8) any Taxes required by sections 1471 through 1474 of the United States Internal Revenue Code of 1986, as amended (“FATCA”), any current or future Treasury Regulations or rulings promulgated thereunder, any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA, any intergovernmental agreement between the United States and any other jurisdiction to implement FATCA or any law enacted by such other jurisdiction to give effect to such agreement, or any agreement with the U.S. Internal Revenue Service under FATCA;

(9) any Taxes due under the Luxembourg law dated December 23, 2005 introducing a withholding tax on certain payments made to Luxembourg individual residents;

(10) any payment or deduction on principal, interest or other proceeds of any note on account of *imposta sostitutiva* pursuant to Italian Legislative Decree No. 239 of April 1, 1996, as amended or supplemented from time to time, or related implementing regulations; or

(11) any combination of items (1) through (10) above.

(b) In addition, no Additional Amounts shall be paid with respect to a Holder who is a fiduciary or a partnership or person other than the sole beneficial owner of a note, to the extent that the beneficiary or settlor with respect to such fiduciary, the member of such partnership or the beneficial owner would not have been entitled to Additional Amounts had such beneficiary, settlor, member or beneficial owner held such Notes directly.

(c) In addition to the foregoing, an Issuer or Guarantor, as applicable, will also pay and indemnify the Holder for any present or future stamp, issue, registration, transfer, court or documentary Taxes, or any other excise or property Taxes, which are levied by any Tax Jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, this Indenture, any Guarantee or any other document referred to therein, or by any jurisdiction on the enforcement of any Notes or any Guarantee except regarding Luxembourg registration duties for any Luxembourg Taxes payable due to a registration, submission or filing by the Holder of any of the Notes, this Indenture, any Guarantee or any other document referred to therein where such registration, submission or filing is or was not required to maintain or preserve the rights of the Holder under the Notes, this Indenture, any Guarantee or any other document referred to therein.

(d) If an Issuer or any Guarantor (if it is the applicable withholding agent), as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Guarantee, such Issuer or Guarantor, as the case may be, will deliver to the Trustee and

Paying Agent on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises less than 45 day prior to that payment date, in which case such Issuer or Guarantor shall notify the Trustee and Paying Agent promptly thereafter) an Officer's Certificate stating that Additional Amounts will be payable, the amount estimated to be so payable and any other information reasonably necessary to enable the Paying Agent to pay Additional Amounts to the applicable Holders on the relevant payment date. The Trustee and the Paying Agent shall be entitled to rely on such Officer's Certificate as conclusive proof that such payments are necessary.

(e) The Issuer, Co-Issuer or relevant Guarantor, as the case may be, will make all withholdings and deductions required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer, Co-Issuer or relevant Guarantor will use its reasonable efforts to obtain Tax receipts from any applicable Tax authority evidencing the payment of any Taxes so deducted or withheld, in such form as provided in the ordinary course by the Tax Jurisdiction and as is reasonably available to the Issuer, Co-Issuer or relevant Guarantor. The Issuer, Co-Issuer or relevant Guarantor will furnish to the Paying Agent (or to a Holder upon written request), within a reasonable time after the date the payment of any Taxes so deducted or withheld is made certified copies of Tax receipts evidencing payment by the Issuer, Co-Issuer or relevant Guarantor, as the case may be, attached thereto or if, notwithstanding such entity's efforts to obtain receipts, receipts are not available, other evidence of payments (reasonably satisfactory to the Paying Agent) by such entity.

(f) Whenever in this Indenture there is mentioned, in any context, the payment of principal, interest or any other amount payable under, or with respect to, any of the Notes or any Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(g) The above obligations will survive any termination, defeasance or discharge of this Indenture, any transfer by a Holder or beneficial owner of its Notes, and will apply, mutatis mutandis, to any jurisdiction in which any successor Person to the Issuer, Co-Issuer or any Guarantor is incorporated, organized or resident for Tax purposes or any jurisdiction from or through which payment is made by or on behalf of such Person on the Notes or any Guarantee and, in each case, any political subdivision thereof or therein.

ARTICLE ELEVEN

SECTION 1101. Right of Redemption. At any time prior to October 15, 2021, the Issuers may redeem all or a part of the Notes, upon notice as set forth in Section 1105, at a Redemption Price equal to 100% of the principal amount of Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, but

excluding, the Redemption Date, subject to the rights of Holders of record of Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date. Neither the Trustee nor the Paying Agent shall be responsible for calculating or verifying the Applicable Premium.

On and after October 15, 2021, the Issuers may redeem the Notes, in whole or in part, upon notice as set forth in Section 1105, at the Redemption Prices (expressed as percentages of principal amount of Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record of Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on October 15 of each of the years indicated below:

Year	Percentage
2021	103.844%
2022	102.563%
2023	101.281%
2024 and thereafter	100.00%

In addition, until October 15, 2021, the Issuers may, at their option, upon notice as set forth in Section 1105, on one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under this Indenture at a Redemption Price equal to 105.125% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record of Notes on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date, with the net cash proceeds of one or more Equity Offerings to the extent such net cash proceeds are received by or contributed to Parent; *provided* that at least 65% of the sum of the aggregate principal amount of Notes originally issued under this Indenture (including any Additional Notes issued under this Indenture after the Issue Date) remains outstanding immediately after the occurrence of each such redemption; *provided, further*, that each such redemption occurs within 120 days of the date of closing of each such Equity Offering.

SECTION 1102. Applicability of Article. Redemption of Notes at the election of the Issuers or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article.

SECTION 1103. Election to Redeem; Notice to Trustee. In case of any redemption at the election of the Issuers, they shall furnish to the Trustee, five Business Days (or such shorter period agreed to by the Trustee) prior to the date notice is to be given to Holders of such redemption, an Officer's Certificate stating (i) the clause of this Indenture pursuant to which the redemption shall occur, (ii) the Redemption Date, (iii) the principal amount of Notes to be redeemed, (iv) the Redemption Price (or manner of calculation if not then known), (v) such election has been duly authorized by all requisite corporate action on the part of the Issuer, and (vi) complies with any applicable covenants or conditions precedent set forth in this Indenture. Any redemption may be

cancelled by the Company upon written notice to the Trustee at any time prior to notice of redemption being sent to any Holder and thereafter shall be null and void. If the Redemption Price is not known at the time such notice is to be given, the actual Redemption Price, calculated as described in the terms of the Notes, will be set forth in an Officer's Certificate delivered to the Trustee and the Paying Agent no later than two Business Days prior to the Redemption Date.

SECTION 1104. Selection of Notes to Be Redeemed. If less than all of any series of the Notes are to be redeemed at any time, the Paying Agent or Registrar will select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, as certified to the Paying Agent or Registrar by the Issuer, and in compliance with the requirements of Euroclear and Clearstream, or if the Notes are not so listed or such exchange prescribes no method of selection and the Notes are not held through Euroclear and Clearstream or Euroclear and Clearstream prescribe no method of selection, on a pro rata basis, subject to adjustments so that no Note in an unauthorized denomination remains outstanding after such redemption; provided, however, that no Note of €100,000 in aggregate principal amount or less shall be redeemed in part and only Notes in integral multiples of €1,000 shall be redeemed. The Trustee, the Paying Agent and the Registrar shall not be liable for selections made under this Section 1104.

The Trustee or the Registrar will promptly notify the Issuer of, in the case of any Notes selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum amounts of €100,000 and integral multiples of €1,000 in excess thereof, except that if all the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of €1,000 (in excess of €100,000) shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

SECTION 1105. Notice of Redemption. Notice of redemption shall be given in the manner provided for in Section 107 not less than 10 nor more than 60 days prior to the Redemption Date, to each Holder to be redeemed.

All notices of redemption shall state:

- (1) the Redemption Date,
- (2) the Redemption Price (or manner of calculation if not then known) and the amount of accrued interest to the Redemption Date payable as provided in Section 1107, if any,
- (3) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of a partial redemption, the principal amounts) of the particular Notes to be redeemed,

(4) in case any Note is to be redeemed in part only, the notice which relates to such Note shall state that on and after the Redemption Date, upon surrender of such Note, the Holder will receive, without charge, a new Note or Notes of authorized denominations for the principal amount thereof remaining unredeemed,

(5) that on the Redemption Date the Redemption Price (and accrued interest, if any, to the Redemption Date payable as provided in Section 1107) will become due and payable upon each such Note, or the portion thereof, to be redeemed, and that, if the redemption occurs, interest thereon will cease to accrue on and after said date,

(6) any condition precedent to the redemption;

(7) the place or places where such Notes are to be surrendered for payment of the Redemption Price and accrued interest, if any,

(8) the name and address of the Paying Agent,

(9) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price,

(10) ISIN or "Common Code" number and that no representation is made as to the accuracy or correctness of the ISIN or "Common Code" number, if any, listed in such notice or printed on the Notes, and

(11) the paragraph of the Notes pursuant to which the Notes are to be redeemed.

Notice of redemption of Notes to be redeemed at the election of the Issuers shall be given by the Issuers or, at the Issuers' request and provision of such notice information five Business Days (unless a shorter notice shall be agreed to by the Trustee) prior to the date notice is to be given, by the Issuers.

Any redemption may, at the Issuers' discretion, be subject to one or more conditions precedent, which shall be set forth in the related notice of redemption, including, but not limited to, completion of an Equity Offering, other offering or financing or other transaction or event. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the Redemption Date may be delayed until such time (*provided, however*, that any redemption date shall not be more than 60 days after the date of the notice of redemption) as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed.

If any such condition precedent has not been satisfied, the Issuers shall provide written notice to the Trustee prior to the close of business three Business Days prior to the redemption date. Upon receipt of such notice, the notice of redemption shall be rescinded or delayed, and the redemption of the Notes shall be rescinded or delayed as provided in such notice. The Issuers shall provide such notice to each Holder of the Notes in the same manner in which the notice of redemption was given.

The Issuers and their Affiliates may acquire the Notes by means other than a redemption pursuant to this Article Eleven, whether by tender offer, open market purchases, negotiated transactions or otherwise.

SECTION 1106. Deposit of Redemption Price. Prior to any Redemption Date, the Issuers shall deposit with the Paying Agent (or, if an Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money sufficient to pay the Redemption Price of, and accrued interest on, all the Notes which are to be redeemed on that date.

SECTION 1107. Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable, unless such redemption is conditioned on the happening of a future event, at the Redemption Price therein specified (together with accrued interest to the Redemption Date), and from and after such date (unless the Issuers shall default in the payment of the Redemption Price and accrued interest) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Issuers at the Redemption Price, together with accrued interest to the Redemption Date and such Notes shall be canceled by the Registrar; *provided*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Notes, or one or more Predecessor Notes, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 306.

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Notes, unless such redemption is conditioned on the happening of a future event.

SECTION 1108. Notes Redeemed in Part. Any Note which is to be redeemed only in part (pursuant to the provisions of this Article) shall be surrendered at an office or agency of the Issuers maintained for such purpose pursuant to Section 1002 (with, if the Issuers or the Trustee so require, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuers duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Issuers shall execute, and the Trustee shall authenticate and deliver to the Holder of such Note without service charge, a new Note or Notes, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered.

SECTION 1109. [Reserved].

SECTION 1110. Special Mandatory Redemption. (a) If the Spin-Off has not occurred on or prior to the earlier of (i) October 5, 2018 and (ii) the date on which the Issuers notify the Trustee and the Holders of the Notes that Honeywell is no longer pursuing the Spin-Off (any such event being a “Special Mandatory Redemption Event”), then the Issuers will redeem the aggregate principal amount of the notes outstanding on the Special Mandatory Redemption Date (as defined below) at a redemption price equal to 100% of the issue price of the notes, plus accrued and unpaid interest to, but excluding, the Special Mandatory Redemption Date (the “Special Mandatory Redemption Price”) (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) (the “Special Mandatory Redemption”).

(b) The Issuers will cause a notice of Special Mandatory Redemption to be mailed to the Trustee and mailed, or delivered electronically if held by the common depository, to the Holders at their registered addresses no later than the Business Day following the Special Mandatory Redemption Event, which shall provide for the redemption of the notes on no later than the fifth Business Day (the “Special Mandatory Redemption Date”) following the date of the applicable Special Mandatory Redemption Event.

(c) Upon the deposit of funds sufficient to pay the Special Mandatory Redemption Price of all Notes to be redeemed on the Special Mandatory Redemption Date with the Paying Agent on or before such Special Mandatory Redemption Date, the Notes will cease to bear interest and all rights under the Notes shall terminate (except the obligations of the Issuers and/or the Guarantors pursuant to Section 1021 of this Indenture on such Special Mandatory Redemption Date).

(d) Notice of a Special Mandatory Redemption shall state:

- (1) the Special Mandatory Redemption Date;
- (2) the Special Mandatory Redemption Price;
- (3) that on the Special Mandatory Redemption Date, the Special Mandatory Redemption Price shall become due and payable; and
- (4) that the Notes shall cease to bear interest on and after the Special Mandatory Redemption Date.

SECTION 1111. Redemption for Change in Taxes.

(a) The Issuers may redeem the notes, in whole but not in part, at their option upon giving not less than 30 nor more than 60 days’ prior notice to the Holders (which notice will be irrevocable and given in accordance with the procedures described in Section 1105) and the Trustee, at a redemption price equal to 100% of the aggregate principal amount thereof, together with accrued and unpaid interest, if any, to (but excluding) the date fixed by the Issuers for redemption (a “Tax Redemption Date”) and

all Additional Amounts (if any) then due or that will become due on or before the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on any record date occurring prior to the Tax Redemption Date to receive interest due on the relevant interest payment date and Additional Amounts (if any) in respect thereof) if, as a result of (i) any amendment to, or change in, the laws or treaties (or any regulations or rulings promulgated thereunder) of a relevant Tax Jurisdiction, which change or amendment becomes effective on or after the Issue Date (or, if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the Issue Date, such later date), or (ii) any amendment to, or change in, an official written interpretation, administration or application of such laws, treaties, regulations or rulings (including by virtue of a holding, judgment, order by a court of competent jurisdiction or a change in published administrative practice) which amendment or change is publicly announced and becomes effective on or after the Issue Date (or, if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the Issue Date, such later date), on the next date on which any amount would be payable in respect of the Notes, the Issuers are or would be required to pay Additional Amounts, and the Issuers cannot avoid such payment obligation by taking reasonable measures available to it.

(b) The Issuers will not give notice of redemption earlier than 60 days prior to the earliest date on which the obligation to pay Additional Amounts arises, and the obligation to pay Additional Amounts must be in effect at the time such notice is given. Prior to the publication or, where relevant, delivery of any notice of redemption of the Notes pursuant to the foregoing, the Issuers will deliver to the Trustee an opinion of independent tax counsel of recognized expertise in the laws of the relevant jurisdiction and satisfactory to the Trustee to the effect that there has been such amendment or change which would entitle the Issuers to redeem the notes hereunder. In addition, before the Issuers publish or send notice of redemption of the notes as described above, they will deliver to the Trustee an Officer's Certificate to the effect that the obligation to pay Additional Amounts cannot be avoided by the Issuers taking reasonable measures available to them.

(c) The Trustee will accept and shall be entitled to conclusively rely on such Officer's Certificate and opinion of independent tax counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described above, in which event it will be conclusive and binding on the Holders. Any notes that are redeemed will be cancelled.

ARTICLE TWELVE

GUARANTEES

SECTION 1201. Guarantees. Subject to this Article Twelve, each Guarantor hereby jointly and severally, unconditionally and irrevocably guarantees the Notes and obligations of the Issuers hereunder and thereunder, and guarantees to each Holder of a Note authenticated and delivered by the Trustee, and to the Trustee for itself and on behalf of such Holder, that: (1) the principal of (and premium, if any) and interest

on the Notes will be paid in full when due, whether at Stated Maturity, by acceleration or otherwise (including the amount that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Law), together with interest on the overdue principal, if any, and interest on any overdue interest, to the extent lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or thereunder will be paid in full or performed, all in accordance with the terms hereof and thereof; and (2) in case of any extension of time of payment or renewal of any Notes or of any such other obligations, the same shall be paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise, subject, however, in the case of clauses (1) and (2) above, to the limitation set forth in Section 1204 hereof.

Each Guarantor hereby agrees (to the extent permitted by applicable law) that its obligations hereunder shall be unconditional, irrespective of the validity, illegality or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Issuers, any action to enforce the same, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor.

Each Guarantor hereby waives (to the extent permitted by applicable law) the benefits of diligence, presentment, demand for payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuers, any right to require a proceeding first against the Issuers or any other Person, protest, notice and all demands whatsoever and covenants that the Guarantee of such Guarantor shall not be discharged as to any Note except by payment in full of the obligations contained in such Note, this Indenture and such Guarantee. Each Guarantor acknowledges that the Guarantee is a guarantee of payment and performance when due and not of collection. Each of the Guarantors hereby agrees that, in the event of a default in payment of principal (or premium, if any) or interest on such Note, whether at its Stated Maturity, by acceleration, purchase or otherwise, legal proceedings may be instituted by the Trustee on behalf of, or by, the Holder of such Note, subject to the terms and conditions set forth in this Indenture, directly against each of the Guarantors to enforce such Guarantor's Guarantee without first proceeding against the Issuers or any other Guarantor. Each Guarantor agrees that if, after the occurrence and during the continuance of an Event of Default, the Trustee or any of the Holders are prevented by applicable law from exercising their respective rights to accelerate the Maturity of the Notes, to collect interest on the Notes, or to enforce or exercise any other right or remedy with respect to the Notes, such Guarantor shall, to the extent permitted by applicable law, pay to the Trustee for the account of the Holder the amount that would otherwise have been due and payable had such rights and remedies been permitted to be exercised by the Trustee or any of the Holders.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuers or any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to either an Issuer or any Guarantor, any amount paid by any of them to the Trustee or such Holder, the Guarantee of each of the Guarantors, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor further

agrees that, as between each Guarantor, on the one hand, and the Holders and the Trustee on the other hand, (1) subject to this Article Twelve, the Maturity of the obligations guaranteed hereby may be accelerated as provided in Article Five hereof for the purposes of the Guarantee of such Guarantor notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any acceleration of such obligation as provided in Article Five hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of the Guarantee of such Guarantor.

Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuers for liquidation or reorganization, should the Issuers become insolvent or make an assignment for the benefit of creditors, or should a receiver or trustee be appointed for all or any significant part of the Issuers' assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes, whether as a "voidable preference", "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

Notwithstanding any provisions to the contrary in this Indenture, the obligations and liabilities of the Guarantors under their respective Guarantees shall be limited by the applicable local provisions and laws set forth in Appendix 2 (as may be supplemented pursuant to a supplemental indenture in accordance with this Indenture).

SECTION 1202. Severability. In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby to the extent permitted by applicable law.

SECTION 1203. Restricted Subsidiaries. Parent shall cause any Restricted Subsidiary required to guarantee payment of the Notes pursuant to the terms and provisions of Section 1015 to execute and deliver to the Trustee any amendment or supplement to this Indenture in accordance with the provisions of Article Nine of this Indenture pursuant to which such Restricted Subsidiary shall guarantee all of the obligations on the Notes, whether for principal, premium, if any, interest (including interest accruing after the filing of, or which would have accrued but for the filing of, a petition by or against the Issuers under any Bankruptcy Law, whether or not such interest is allowed as a claim after such filing in any proceeding under such law) and other amounts due in connection therewith (including any fees, expenses and indemnities), on an unsecured senior basis. Upon the execution of any such amendment or supplement, the obligations of the Guarantors and any such Restricted Subsidiary under their respective Guarantees shall become joint and several and each reference to the "Guarantor" in this Indenture shall, subject to Section 1208, be deemed to refer to all Guarantors, including

such Restricted Subsidiary. Such Guarantee shall be released in accordance with Section 803 and Section 1208.

SECTION 1204. Limitation of Subsidiary Guarantors' Liability. Each Subsidiary Guarantor and by its acceptance hereof each Holder confirms that it is the intention of all such parties that the guarantee by each such Subsidiary Guarantor pursuant to its Guarantee not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law or the provisions of its local law relating to fraudulent transfer or conveyance. To effectuate the foregoing intention, the Holders and each such Subsidiary Guarantor hereby irrevocably agree that the obligations of such Subsidiary Guarantor under its Guarantee shall be limited in accordance with any applicable local law limitations including such limitations indicated in Appendix 2 as may be supplemented pursuant to a supplemental indenture in accordance with this Indenture, and shall be limited to the maximum amount that will not, after giving effect to all other contingent and fixed liabilities of such Subsidiary Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to this Section 1204, result in the obligations of such Subsidiary Guarantor under its Guarantee constituting such fraudulent transfer or conveyance.

SECTION 1205. Contribution. Subject to the last paragraph of Section 1201, in order to provide for just and equitable contribution among the Guarantors, the Guarantors agree, *inter se*, that in the event any payment or distribution is made by any Guarantor (a "Funding Guarantor") under a Guarantee, such Funding Guarantor shall be entitled to a contribution from all other Guarantors in a *pro rata* amount based on the Adjusted Net Assets (as defined below) of each Guarantor (including the Funding Guarantor) for all payments, damages and expenses incurred by that Funding Guarantor in discharging the Issuers' obligations with respect to the Notes or any other Guarantor's obligations with respect to the Guarantee of such Guarantor. "Adjusted Net Assets" of such Guarantor at any date shall mean the lesser of (1) the amount by which the fair value of the property of such Guarantor exceeds the total amount of liabilities, including contingent liabilities (after giving effect to all other fixed and contingent liabilities incurred or assumed on such date), but excluding liabilities under the Guarantee of such Guarantor at such date and (2) the amount by which the present fair salable value of the assets of such Guarantor at such date exceeds the amount that will be required to pay the probable liability of such Guarantor on its debts (after giving effect to all other fixed and contingent liabilities incurred or assumed on such date), excluding debt in respect of the Guarantee of such Guarantor, as they become absolute and matured.

SECTION 1206. Subrogation. Each Guarantor shall be subrogated to all rights of Holders against the Issuers in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 1201; *provided* that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuers under this Indenture or the Notes shall have been paid in full.

SECTION 1207. Reinstatement. Each Guarantor hereby agrees (and each Person who becomes a Guarantor shall agree) that the Guarantee provided for in Section 1201 shall continue to be effective or be reinstated, as the case may be, if at any time, payment, or any part thereof, of any obligations or interest thereon is rescinded or must otherwise be restored by a Holder to an Issuer upon the bankruptcy or insolvency of such Issuer or any Guarantor.

SECTION 1208. Release of a Guarantor. Any Guarantee by a Subsidiary Guarantor of the Notes shall be automatically and unconditionally released and discharged upon:

(1) (A) any sale, exchange or transfer (by merger or otherwise) of (i) the Capital Stock of such Subsidiary Guarantor (including any sale, exchange or transfer) after which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all of the assets of such Subsidiary Guarantor, which sale, exchange or transfer is made in compliance with the applicable provisions of this Indenture;

(B) the release or discharge of the guarantee by, or direct obligation of, such Subsidiary Guarantor with respect to the Senior Credit Facilities, except a discharge or release by or as a result of payment under such guarantee or direct obligation;

(C) the designation of any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture;

(D) the exercise of the Legal Defeasance of the Notes under Section 1302 hereof, and the Covenant Defeasance of the Notes under Section 1303 hereof, or if the Issuers' obligations under this Indenture are discharged in accordance with Section 401 of this Indenture;

(E) the merger or consolidation of any Subsidiary Guarantor with and into the Issuer, the Co-Issuer or another Guarantor that is the surviving Person in such merger or consolidation, or upon the liquidation of such Guarantor following the transfer of all of its assets to the Issuer, the Co-Issuer or another Guarantor;

(F) in accordance with the provisions of the Intercreditor Agreement or any Additional Intercreditor Agreement; or

(G) as described under Section 901 or 902; and

(2) The Issuers and such Subsidiary Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to such release have been complied with.

SECTION 1209. Benefits Acknowledged. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and from its guarantee and waivers pursuant to its Guarantees under this Article Twelve.

SECTION 1210. Effectiveness of Guarantees.

This Indenture and the Guarantees shall be effective upon its execution and delivery by the parties hereto.

SECTION 1211. Guarantors.

The Guarantors are those entities referred to in Appendix 3.

ARTICLE THIRTEEN

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 1301. Issuers' Option to Effect Legal Defeasance or Covenant Defeasance. The Issuers may, at their option, at any time, with respect to the Notes, elect to have either Section 1302 or Section 1303 be applied to all Outstanding Notes upon compliance with the conditions set forth below in this Article Thirteen.

SECTION 1302. Legal Defeasance and Discharge. Upon the Issuers' exercise under Section 1301 of the option applicable to this Section 1302, each of the Issuers and the Guarantors shall be deemed to have been discharged from its respective obligations with respect to all Outstanding Notes on the date the conditions set forth in Section 1304 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that each of the Issuers and the Guarantors shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Notes, which shall thereafter be deemed to be "Outstanding" only for the purposes of Section 1305 and the other Sections of this Indenture referred to in (1) and (2) below, and to have satisfied all its other obligations under such Notes and this Indenture insofar as such Notes are concerned (and the Trustee, at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (1) the rights of Holders of Outstanding Notes to receive payments in respect of the principal of (and premium, if any, on) and interest on such Notes when such payments are due, solely out of the trust described in Section 1303, (2) the Issuers' obligations with respect to such Notes under Sections 303, 304, 305, 1002 and 1003, (3) the rights, powers, trusts, duties and immunities of the Trustee and, as the case may be, the Agents hereunder, and the obligations of each of the Guarantors and the Issuers in connection therewith and (4) this Article Thirteen. Subject to compliance with this Article Thirteen, the Issuers may exercise their option under this Section 1302 notwithstanding the prior exercise of its option under Section 1303 with respect to the Notes.

SECTION 1303. Covenant Defeasance. Upon the Issuers' exercise under Section 1301 of the option applicable to this Section 1303, each of the Issuers and the Guarantors shall be released from its respective obligations under any covenant contained in Sections 801(a)(4) and (5), 801(b)(4) and (b)(5), 802 and in Sections 1007 and 1009 through and including SECTION 1020 and Article Fourteen with respect to the Outstanding Notes on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"), and the Notes shall thereafter be deemed not to be "Outstanding" for the purposes of any direction, waiver, consent or declaration or Act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Notes, the Issuers or any Guarantor, as applicable, may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default under Sections 501(3) and, with respect to only any Significant Subsidiary and not the Issuers, Section 501(7), but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby.

SECTION 1304. Conditions to Legal Defeasance or Covenant Defeasance. The following shall be the conditions to application of either Section 1302 or Section 1303 to the Outstanding Notes:

(1) the Issuers shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 608 who shall agree to comply with the provisions of this Article Thirteen applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to the benefit of the Holders of such Notes; (A) cash in euro, or (B) Government Securities, or (C) a combination thereof, in such amounts as will be sufficient, in the written opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or other qualifying trustee) to pay and discharge, the principal of (and premium, if any) and interest on the Outstanding Notes at the Stated Maturity (or Redemption Date, if applicable and so indicated to the Trustee in writing); *provided* that the Trustee shall have been irrevocably instructed to apply such cash or the proceeds of such Government Securities or combination thereof to said payments with respect to the Notes. Before such a deposit, the Issuers may give to the Trustee, in accordance with Section 1103 hereof, a notice of its election to redeem all of the Outstanding Notes at a future date in accordance with Article Eleven hereof, which notice shall be irrevocable. Such irrevocable redemption notice, if given, shall be given effect in applying the foregoing;

(2) in the case of Legal Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(A) the Issuers have received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(B) since the issuance of the Notes, there has been a change in the applicable U.S. Federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel in the United States shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel in the United States confirming that, subject to customary assumptions and exclusions, the beneficial owners of the Outstanding Notes will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; and

(4) the Issuers shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

SECTION 1305. Deposited Money and Government Securities To Be Held in Trust Other Miscellaneous Provisions. Subject to the provisions of the last paragraph of Section 1003, all cash and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 1305, the "Qualifying Trustee") pursuant to Section 1304 in respect of the Outstanding Notes shall be held in trust and applied by the Qualifying Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through the Paying Agent as the Qualifying Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal (and premium, if any) and interest, but such money or Government Securities need not be segregated from other funds except to the extent required by law.

The Issuers shall pay and indemnify the Qualifying Trustee against any tax, fee or other charge imposed on or assessed against the Government Securities deposited pursuant to Section 1304 or the principal and interest received in respect

thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the Outstanding Notes.

Anything in this Article Thirteen to the contrary notwithstanding, the Qualifying Trustee shall deliver or pay to the Issuers from time to time upon an Issuers' Request any money or Government Securities held by it as provided in Section 1304 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Qualifying Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance, as applicable, in accordance with this Article.

SECTION 1306. Reinstatement. If the Trustee is unable to apply any money or Government Securities in accordance with Section 1305 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and each Guarantor's obligations under this Indenture and the Outstanding Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 1302 or 1303, as the case may be, until such time as the Trustee is permitted to apply all such money or Government Securities in accordance with Section 1305; provided that, if the Issuers make any payment of principal of (or premium, if any) or interest on any Note following the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee.

ARTICLE FOURTEEN

SECURITY

SECTION 1401. The Notes Collateral

(a) Pursuant to the Security Documents, the Issuers shall grant in favor of the Security Agent, on behalf of and for the benefit of the Holders of the Notes, liens and security interests, on the basis and priority set out in the Intercreditor Agreement and subject to the Agreed Guaranty and Security Principles, over the shares of Garrett LX II S.à r.l. and the receivables owed to the Issuers in respect of the Intercompany Loan (together, the "Notes Collateral"). All Notes Collateral will be subject to the operation of the Agreed Guaranty and Security Principles and Permitted Collateral Liens.

(b) The Notes Collateral may also secure the obligations of the Issuers pursuant to the Senior Credit Facilities and may secure additional Indebtedness (including Additional Notes) permitted to be secured by, and secured subject to the terms and conditions of, this Indenture and the Intercreditor Agreement.

SECTION 1402. Administration of Security and Enforcement of Liens.

(a) The Notes Collateral will be administered by the Security Agent pursuant to the terms of the Security Documents and the Intercreditor Agreement for the

benefit of all holders of secured obligations, including the Holders of the Notes, that are secured by the Notes Collateral.

(b) The Trustee, the Security Agent and each Holder of the Notes, by accepting the Notes and the Guarantees, acknowledge that, as more fully set forth in the Security Documents, the Notes Collateral as now or hereafter constituted shall be held for the benefit of all the Holders of the Notes and other secured parties under the Intercreditor Agreement, any Additional Intercreditor Agreement and the other Security Documents, and that the Lien over the Notes Collateral is subject to and qualified and limited in all respects by the Security Documents, the Intercreditor Agreement and any Additional Intercreditor Agreement and actions that may be taken thereunder.

(c) Upon reasonable request of the Trustee or the Security Agent (but without imposing any duty or obligation of any kind on the Trustee or the Security Agent to make any such request), the Issuers and the Guarantors shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Article Fourteen.

(d) By accepting a Note, each Holder will be deemed to have:

(1) irrevocably appointed the Security Agent as its agent under the Intercreditor Agreement and the other relevant documents to which it is a party (including, without limitation, the Security Documents);

(2) irrevocably authorized the Security Agent to (i) perform the duties and exercise the rights, powers and discretions that are specifically given to it under the Intercreditor Agreement or other documents to which it is a party (including, without limitation, the Security Documents), together with any other incidental rights, power and discretions; and (ii) execute each document, waiver, modification, amendment, renewal or replacement expressed to be executed by the Security Agent; and

(3) accepted the terms and conditions of the Intercreditor Agreement and any Additional Intercreditor Agreement and each Holder of the Notes will also be deemed to have authorized the Trustee and the Security Agent to enter into any such Intercreditor Agreement and Additional Intercreditor Agreement.

SECTION 1403. Release of Liens.

(a) The Liens on the Notes Collateral shall be automatically released, without any action by the Trustee but subject to clause (b) below, and following such release, the Security Agent and, to the extent required or necessary, the Trustee will take any action required to effectuate or evidence any such release of Notes Collateral required by a Security Document, in each case:

(1) upon payment in full of all principal, interest and all other obligations in respect of the Notes issued under this Indenture or discharge or defeasance thereof in accordance with this Indenture;

(2) upon release of a Guarantee of a Guarantor in accordance with this Indenture (and in such case limited to the release of the property and assets and Capital Stock of such Guarantor);

(3) in connection with any disposition of Notes Collateral, directly or indirectly, to (a) any Person other than the Issuers, Parent or any Restricted Subsidiary (but excluding any transaction subject to Article Eight) that is permitted by this Indenture (with respect to the Lien on such Notes Collateral) or (b) the Issuers, Parent or any Restricted Subsidiary consistent with the Intercreditor Agreement;

(4) as described under Section 901;

(5) if the Lien granted in favor of the Senior Credit Facilities or such other Indebtedness that gave rise to the obligation to grant the Lien over such Notes Collateral is released (other than pursuant to the repayment and discharge thereof);

(6) as otherwise provided in the Intercreditor Agreement;

(7) in order to effectuate a merger, consolidation, conveyance or transfer conducted in compliance with Article Eight; and

(8) with respect to assets held by, or the Capital Stock of, any Restricted Subsidiary, in connection with a

(9) solvent liquidation of such Restricted Subsidiary, pursuant to which substantially all of the assets of such Restricted Subsidiary remain owned by an Issuer or a Guarantor.

(b) Each of these automatic releases shall be effected or evidenced by the Security Agent and, to the extent required or necessary, the Trustee without the consent of the Holders of the Notes. Subject to certain exceptions relating to the release of the Notes Collateral in connection with a distressed disposal being effected pursuant to the Intercreditor Agreement, no release of the Notes Collateral shall be effective against the Security Agent, the Trustee or the Holders until the Issuers and the relevant Notes Collateral provider have delivered to the Trustee and the Security Agent an Officer's Certificate and Opinion of Counsel stating that all requirements and conditions precedent relating to such release have been complied with and that such release has been authorized by, permitted by and made in accordance with the provisions of this Indenture, the Intercreditor Agreement and the Security Documents. The Trustee and the Security Agent will accept and shall be entitled to conclusively rely on such Officer's Certificate

and Opinion of Counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described above.

(c) The Issuers, Parent, Restricted Subsidiaries and any other Notes Collateral provider may also, among other things, without any release or consent by the Trustee or the Security Agent, conduct ordinary course activities with respect to the Notes Collateral, including, without limitation, any action permitted by the Security Documents or the Intercreditor Agreement.

SECTION 1404. Amendments to the Intercreditor Agreement and Additional Intercreditor Agreements.

(a) In connection with the incurrence of any Indebtedness by any Issuer, Parent or any Restricted Subsidiary that is permitted to share in the Notes Collateral (and which the Issuers elect shall share in the Notes Collateral), the Trustee and the Security Agent shall, at the request of the Issuers, enter into with the Issuers, Parent, the relevant Restricted Subsidiaries and the holders of such Indebtedness (or their duly authorized representatives) one or more intercreditor agreements or deeds (including, as applicable, a restatement, replacement, amendment or other modification of the Intercreditor Agreement) (an "Additional Intercreditor Agreement"), on substantially the same terms as the Intercreditor Agreement (or terms that are not materially less favorable to the Holders of the Notes) and substantially similar as applies to sharing of the proceeds of security and enforcement of security, priority and release of security; provided that such Additional Intercreditor Agreement will not impose any personal obligations on the Trustee or the Security Agent or, in the opinion of the Trustee or the Security Agent, as applicable, adversely affect the rights, duties, liabilities, indemnification or immunities of the Trustee or the Security Agent under this Indenture or the Intercreditor Agreement. In connection with the foregoing, the Issuers shall furnish to the Trustee such documentation in relation thereto as it may reasonably require. As used herein, a reference to the Intercreditor Agreement will also include any Additional Intercreditor Agreement.

(b) In relation to the Intercreditor Agreement, the Trustee shall consent on behalf of the Holders of the Notes to the payment, repayment, purchase, repurchase, defeasance, acquisition, retirement or redemption of any obligations subordinated to the Notes thereby; provided, however, that such transaction would comply with Section 1010.

(c) At the written direction of the Issuers and without the consent of Holders of the Notes, the Trustee and the Security Agent shall from time to time enter into one or more amendments to any Intercreditor Agreement to: (1) cure any ambiguity, omission, defect or inconsistency of any such agreement, (2) increase the amount or types of Indebtedness covered by any such Intercreditor Agreement that may be incurred by the Issuers, Parent or Restricted Subsidiaries that are subject to any such Intercreditor Agreement (provided that such Indebtedness is incurred in compliance with this Indenture), (3) add Guarantors or other Restricted Subsidiaries to the Intercreditor Agreement, (4) further secure the Notes (including Additional Notes), (5) make provision

to implement any Permitted Collateral Liens in accordance with the terms of this Indenture, or (6) make any other change to any such agreement that does not adversely affect the Holders of the Notes in any material respect.

(d) The Issuers may not otherwise direct the Trustee or Security Agent to enter into any amendment to any Intercreditor Agreement without the consent of the Holders of the Notes of a majority in aggregate principal amount of the Notes then outstanding, except as otherwise permitted pursuant to Section 901 or as permitted by the terms of such Intercreditor Agreement, and the Issuers may only direct the Trustee or Security Agent to enter into any amendment to the extent such amendment does not impose any personal obligations on the Trustee or Security Agent or, in the opinion of the Trustee or Security Agent, adversely affect their respective rights, duties, liabilities or immunities under this Indenture or any Intercreditor Agreement.

(e) Each Holder, by accepting a note, shall be deemed to have agreed to and accepted the terms and conditions of the Intercreditor Agreement and any Additional Intercreditor Agreement (whether then entered into or entered into in the future pursuant to the provisions described herein) and to have authorized the Trustee and the Security Agent to enter into the Intercreditor Agreement and any Additional Intercreditor Agreement on each Holder's behalf.

APPENDIX 1

AGREED GUARANTY AND SECURITY PRINCIPLES

1. GENERAL PRINCIPLES

- 1.1 The guarantees and security interests to be provided by any Guarantor not organized in a U.S. jurisdiction or over assets located outside of a U.S. jurisdiction will be given in accordance with certain principles (these “Agreed Guaranty and Security Principles”) set forth in this schedule. This schedule addresses the manner in which these Agreed Guaranty and Security Principles will impact on the guaranties and security interests required to be given in relation to this Indenture.
- 1.2 These Agreed Guaranty and Security Principles embody recognition by all parties to this Indenture that there may be certain legal and practical difficulties in obtaining effective guaranties and security interests from, or over the shares or equity interests of, the subsidiaries of Parent and the Issuers (such subsidiaries, Parent and the Issuers, collectively, the “Group”) in jurisdictions in which they are organized or conduct business. In particular:
- (a) general applicable law and statutory limitations, regulatory restrictions, financial assistance, capital maintenance, corporate benefit, financial assistance, fraudulent preference, equitable subordination, “transfer pricing”, “thin capitalization”, “earnings stripping”, “controlled foreign corporation” and other corporate law or tax restrictions or costs, retention of title claims, “capital maintenance” and “liquidity impairment” laws or regulations (or analogous restrictions), exchange control restrictions and similar principles may limit or delay the ability of a member of the Group to provide a guaranty or security interest or may require that the guaranty or security interest be limited by an amount or otherwise, and if so, the guaranty or security interest will be limited or delayed accordingly;
 - (b) the maximum guaranteed or secured amount may be limited as agreed by the Security Agent and the applicable members of the Group in order to minimize stamp duty, notarization, registration or other applicable fees, Taxes and duties on any member of the Group, taking into account the amount of such limit as compared to the fees, Taxes or duties saved;
 - (c) it is acknowledged that in certain jurisdictions it may be impossible, impractical or not customary to create security interests over certain categories of assets in which event security interests will not be taken over such assets;
 - (d) members of the Group will not be required to give guarantees or enter into security documents if it is not within the legal capacity of the relevant members of the Group or if the same would, as reasonably determined by the relevant members of the Group, conflict with the fiduciary or statutory duties of the directors (or other officers) of the relevant member of the Group or contravene any legal prohibition or regulatory condition, as reasonably determined by the relevant members of the Group, to result in (or in a material risk of) civil or criminal liability on the part of any director (or other officer) of any member of

the Group; provided, in each case, however, that the relevant member of the Group shall use commercially reasonable efforts lawfully available to it to overcome any such obstacle;

- (e) all security interests shall be given in favor of the Security Agent and not the Holders individually (with the Security Agent to hold one set of security documents for all the Holders); “Parallel Debt” provisions or similar will be used and contained in the Intercreditor Agreement or in the security documents only where necessary or required under local laws;
- (f) except as specified in Section 1015 of this Indenture, there should be no action required to be taken in relation to the guaranties or security interest when any Holder assigns or transfers or sub-participates any of its participation in the Notes to a new Holder (and, unless explicitly agreed to the contrary in this Indenture, no member of the Group shall bear or otherwise be liable for any taxes, any notarial, registration or perfection fees or any other costs, fees or expenses that result from any assignment or transfer by a Holder);
- (g) no guaranty or security interest shall be created or perfected to the extent that it would result in material incremental costs that are disproportionate to the benefit obtained by the beneficiaries of that guaranty or security interest, and where a class of assets to be secured by a member of the Group includes material and immaterial assets, if the cost of granting security over the immaterial assets is disproportionate to the benefit of such security interest, security will be granted over the material assets only, at a materiality threshold in respect of such assets to be agreed upon by the member of the Group and the Security Agent;
- (h) parties shall take into account any bona fide third party arrangements which are not prohibited by the Indenture and the Notes and which prevent or restrict certain assets from being subject to security; any such assets and any asset where, if such asset were to be subject to the applicable security document, a third party would have the right to terminate or otherwise amend any rights, benefits and/or obligations of any member of the Group in respect of the asset or require any member of the Group to take any action materially adverse to the interests of the Group or any member thereof, in each case will be excluded from any relevant security document, subject to any applicable anti-assignment or other similar override laws;
- (i) certain supervisory board, works council or another external body’s consent or advice may be required to enable a member of the Group to provide a guaranty or security interest; such guaranty and/or security interest shall not be provided until such consent or advice has been received provided that commercially reasonable efforts have been used by the relevant member of the Group to obtain the relevant consent or advice to the extent reasonably practicable and permissible by law, regulation and custom;
- (j) the giving of a guaranty, the granting of security or the perfection of the security granted will not be required if:
 - (i) it would have a material adverse effect on the ability of the relevant Guarantor to conduct its operations and business in the ordinary course

- as otherwise permitted by the Indenture and the Notes (and will not be required to the extent the grant or creation in any form would cause such material adverse effect); or
- (ii) it would have a material adverse effect on the tax arrangements of the Group or any member of the Group; provided, in each case, that the relevant member of the Group shall use commercially reasonable efforts to overcome any such obstacle; or
- (iii) the guarantor is an investment company under the Investment Company Act of 1940 (or would be such an investment company if it were to provide or maintain a guaranty); and
- (k) any subsidiary of a U.S. Guarantor that is a Controlled Foreign Corporation (as defined in the United States Internal Revenue Code) may not give a guarantee or pledge any of its assets (including shares or equity interests in a subsidiary) as security for an obligation of such U.S. Guarantor that is a United States Person (as defined in the United States Internal Revenue Code). Furthermore, not more than 65% of the total combined voting power of all classes of shares or classes of equity interests entitled to vote of any such subsidiary may be pledged directly or indirectly as security for an obligation of such United States Person. These principles also apply with respect to any entity that becomes a United States Person and/or a Controlled Foreign Corporation following any guarantee or pledge of assets, shares or equity interests. These principles also apply to any relevant provision under any other finance document (including any permitted hedging document).

- 1.3 These Agreed Guaranty and Security Principles as expressed herein shall not be treated as covenants of any Guarantor and shall not impose any obligations on the Guarantors unless and until such time as any such principle is incorporated into an executed security document.
- 1.4 “Enforcement Event” means a situation where an Event of Default has occurred and is continuing and a notice of acceleration has been given and not withdrawn by the Security Agent to the Issuers in accordance with this Indenture.
- 1.5 For the avoidance of doubt, in these Agreed Guaranty and Security Principles, “cost” includes, but is not limited to, income tax cost, registrations taxes payable on the creation or enforcement or for the continuance of any Notes Collateral, stamp duties, out-of-pocket expenses, adverse effects on interest deductibility, notarial costs and other fees and expenses directly incurred in connection with the pledge of collateral by the relevant grantor of Notes Collateral or any of its direct or indirect owners, subsidiaries or affiliates.

2. TERMS OF SECURITY DOCUMENTS

- 2.1 The following principles will be reflected in the terms of any non-U.S. jurisdiction security interest taken pursuant to a Non-U.S. Security Document:
 - (a) security interests will not be enforceable until an Enforcement Event has occurred and is continuing;
 - (b) without prejudice to the rights of the Holders at law, any rights of set off will not

be exercisable until an Enforcement Event has occurred and is continuing;

- (c) any representations, warranties or undertakings which are required to be included in any security document shall reflect (to the extent to which the subject matter of such representation, warranty and undertaking is the same as the corresponding representation, warranty and undertaking in this Indenture, the Notes and the Security Documents the commercial arrangement set out in this Indenture, the Notes, the Intercreditor Agreement and the Security Documents (save to the extent that the applicable local counsel for the Guarantor and the Security Agent mutually agree, each acting reasonably, that it is necessary to include any further provisions (or deviate from those contained in this Indenture, the Notes, the Intercreditor Agreement and the Security Documents) solely in order to protect or preserve the security granted to the Holders or the perfection, validity, enforceability or priority thereof) and shall not otherwise impose new or additional commercial obligations;
- (d) in the security documents there will be no repetition of, substantive deviation from or extension of clauses set out in the this Indenture, the Notes, the Intercreditor Agreement and the Security Documents (or any intercreditor agreement) such as those relating to notices, cost and expenses, indemnities, tax gross up, distribution of proceeds and release of security;
- (e) the Security Agent and the Holders should only be able to exercise any power of attorney granted to them under the security documents following (i) the occurrence of an Enforcement Event or (ii) the failure to comply with a further assurance or perfection obligation within fifteen (15) business days of Parent or the Issuers being notified of such failure by the Security Agent (and any grace period applicable thereto has expired);
- (f) the security documents should not operate so as to prevent transactions that are permitted under this Indenture, the Notes, the Intercreditor Agreement and the Security Documents or to require additional consents or authorizations not otherwise required by this Indenture or these Agreed Guaranty and Security Principles;
- (g) the security documents will not accrue interest on any amount in respect of which interest is accruing under this Indenture;
- (h) where there is material incremental cost involved in creating security, the principle stated at paragraph 1.2(g) above shall apply and, subject to these Agreed Guaranty and Security Principles, a cost/benefit-analysis will be made by the relevant member of the Group and the Security Agent, acting reasonably, in determining whether or not such asset shall be subject to security;
- (i) guaranty limitations under the laws of any applicable jurisdiction may mean that access to the assets of a Guarantor is limited, in which case, any asset security granted by that Guarantor shall secure the guaranty obligations of that Guarantor and so shall be limited to the then outstanding amount of the guaranty;
- (j) no guaranty or security will be required to be given by or over any acquired person or asset (and no consent shall be required to be sought with respect

thereto) which are required to support acquired indebtedness to the extent such acquired indebtedness is permitted under this Indenture, the Notes, the Intercreditor Agreement and the Security Documents to remain outstanding after an acquisition. No member of a target group or other entity acquired pursuant to an acquisition not prohibited by this Indenture shall be required to become a Guarantor or grant security with respect to this Indenture, the Notes, the Intercreditor Agreement and the Security Documents if prevented by the terms of the documentation governing that acquired indebtedness or if becoming a Guarantor or the granting of any security would give rise to an obligation (including any payment obligation) under or in relation thereto;

- (k) no security interest will be granted over parts, stock, moveable plant, inventory, equipment or receivables if creation or perfection of such security interest would require labelling, segregation or periodic listing or specification of such parts, stock, moveable plant, equipment or receivables;
- (l) perfection will not be required in respect of vehicles and other assets, other than mortgaged property or shares or equity interests in companies, in respect of which delivery of certificates of title would be necessary for perfection;
- (m) if there is a conflict between any security document and this Indenture, the Notes, the Intercreditor Agreement or any Security Document then (to the fullest extent permitted by law) the provisions of this Indenture, the Notes, the Intercreditor Agreement or the Security Documents, as applicable, will take priority over the provisions of such security document, and each security document shall contain a clause that states the foregoing principle;
- (n) no security interest will be required in jurisdictions where neither a Guarantor nor any of its material assets is located;
- (o) to the extent possible and subject to any other legal requirement, the documentation in respect of any security granted by any additional Guarantor shall mirror the documentation in respect of the security interest granted by the original Guarantors on the Issue Date, and in respect of the relevant representations, warranties and covenants;
- (p) the provisions of each security document will not be unduly burdensome on the Guarantors or interfere unreasonably with the operation of their business, will be limited to those required by local law, to create, enforce or perfect security or, if applicable, to administer and monitor such security, in each case, in accordance with customary market practices;
- (q) unless granted under a global security document governed by the law of the jurisdiction of a Guarantor or under New York law, all security (other than security over the shares or equity interests in its subsidiaries) shall be governed by the law of and secure assets located in the jurisdiction of incorporation of the relevant Guarantor;
- (r) except with respect to (i) any cash pooling and/or concentration accounts of Honeywell Technologies Sàrl held in Belgium or in Luxembourg (which shall be governed by Belgian law or Luxembourg Law, respectively) and (ii)

intercompany Indebtedness (which shall be pledged and perfected under the law of the jurisdiction that governs such intercompany Indebtedness), no perfection action will be required in jurisdictions other than where the applicable Guarantor is incorporated or organized; and

- (s) the security documents shall provide that any time periods therein relating to perfection steps or deliverables may be extended at the Security Agent's reasonable discretion.

APPENDIX 2

GUARANTEE LIMITATIONS

Jurisdiction-specific Limitations and Provisions

Guarantee limitation – Australia

Notwithstanding any other provision of this Indenture, the Notes, any Supplemental Indenture (unless this Appendix is expressly modified therein), the Purchase Agreement or any other documents related to the Notes, the parties agree that in respect of a Guarantor incorporated, organized or otherwise formed in Australia (“Australian Guarantor”), the provisions of this Indenture, the Notes, any Supplemental Indenture (unless this Appendix is expressly modified therein), the Purchase Agreement or any other documents related to the Notes and the obligations incurred under them in so far as such obligations would constitute financial assistance by the Australian Guarantor under section 260A of the Australian Corporations Act have no effect in respect of, and do not apply to, any such Australian Guarantor until such time as the steps set out in section 260B of the Australian Corporations Act have been complied with and all statutory periods required under section 260B of the Australian Corporations Act have elapsed.

With respect to an Australian Guarantor, the Trustee’s rights and remedies include refraining from applying or enforcing any other moneys, security or rights held or received or recovered (by set off or otherwise) by the Trustee or any Holder in respect of any amounts, or apply and enforce in such manner and order as it sees fit.

Each Australian Guarantor agrees for the benefit of the Trustee and any Holder that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will indemnify, to the extent permitted by applicable law and subject to the limitations contained herein, as an independent and primary obligation, the Trustee of that Holder immediately on demand against any cost, expense, loss or liability it incurs as a result of an Issuer not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any document related to the Notes on the date when it would have been due. The amount of the cost, expense, loss or liability shall be equal to the amount which the Trustee or that Holder would otherwise have been entitled to recover.

Guarantee limitations – Ireland

Notwithstanding anything to the contrary in this Indenture, the Notes, any Supplemental Indenture (unless this Appendix is expressly modified therein), the Purchase Agreement or any other documents related to the Notes, in the case of any Guarantor incorporated, organized or otherwise formed under the laws of Ireland (an “Irish Guarantor”), the entry by any such Irish Guarantor into a Supplemental Indenture pursuant to which it will be bound by the terms of this Indenture and any Supplemental Indenture, the exercise of its

rights and / or performance of and compliance with its obligations under this Indenture, the Notes and any Supplemental Indenture does not extend to any indebtedness, liabilities or other obligations that would violate or exceed any guaranteeing, borrowing or other power or restriction granted or imposed by any law to which the Irish Guarantor is subject including, without prejudice to the generality of the foregoing, Section 82 and Section 239 of the Irish Companies Act 2014 (as amended).

Guarantee limitations – Italy

Notwithstanding anything to the contrary in this Indenture, the Notes, any Supplemental Indenture (unless this Appendix is expressly modified therein), the Purchase Agreement or any other documents related to the Notes, the obligations and liabilities of any Guarantor incorporated under the laws of Italy (the “Italian Guarantor”) under the provisions of this Indenture, the Notes, any Supplemental Indenture (unless this Appendix is expressly modified), the Purchase Agreement or any other documents related to the Notes to which it is a party, shall not:

- (i) include or guarantee any obligations or liabilities to the extent that such inclusion would result in unlawful financial assistance within the meaning of Article 2358 or Article 2474 (as the case may be) of the Italian Civil Code;
- (ii) exceed, at any time, the maximum amount permitted under the provisions of Law No. 108/1996 or breach the terms of Article 1283 of the Italian Civil Code or any other mandatory law or regulation on usury practices or capitalization of interests (in each case, to the extent applicable);
- (iii) exceed, at any time, the higher of (A) Euro 3,500,000 (or the equivalent in any other currency) and (B) an amount equal to, at the time demand of payment to such Italian Guarantor is made, the aggregate outstanding amount of all loans or advances made to such Italian Guarantor or any of its direct or indirect subsidiaries by the Issuers or their Subsidiaries (other than such Italian Guarantor and its Subsidiaries) directly or indirectly with the proceeds of the Notes; and
- (iv) without prejudice to paragraph (iii) above, in any case, for the purpose of Article 1938 of the Italian Civil Code, exceed, at any time, an amount equal to 120% of the aggregate principal amount of the Notes on the Issue Date.

Guarantee limitation – Japan

Notwithstanding anything to the contrary in this Indenture, the Notes, any Supplemental Indenture (unless this Appendix is expressly modified therein), the Purchase Agreement or any other documents related to the Notes, the parties agree that in respect of a Guarantor incorporated, organized or otherwise formed in Japan (“Japanese Guarantor”), the validity or enforceability of a guarantee issued by a Japanese Guarantor may be limited by applicable insolvency proceedings with respect to avoidance.

Guarantee limitation – Luxembourg

(a) Notwithstanding anything to the contrary in this Indenture, the Notes, any Supplemental Indenture (unless this Appendix is expressly modified therein), the Purchase Agreement or any other documents related to the Notes, the aggregate obligations and liabilities of any Guarantor incorporated, organized or otherwise formed in Luxembourg under this Indenture for the obligations of any other Guarantor in which the relevant Guarantor has no direct or indirect equity interest, shall be limited at any time to a maximum amount not exceeding ninety-five per cent (95%) of the sum of such Guarantor's "capitaux propres" (as referred to in Annex I to the Grand-Ducal Regulation dated 18 December 2015 setting out the form and content of the presentation of the balance sheet and profit and loss account, enforcing the Law of 19 December 2002 on the register of commerce and companies and the accounting and annual accounts of undertakings, as amended) (the "Own Funds") and such Guarantor's debt which is subordinated in right of payment (whether generally or specifically) to any claim of any Holder under any documents related to the Notes (the "Lux Subordinated Debt"), as determined on the basis of the then latest available annual accounts of such Guarantor duly established in accordance with applicable accounting rules, as at the date on which the guarantee under this Indenture is called.

(b) Where for the purpose of the above determination, no duly drawn up annual accounts are available for the relevant reference period (which, for the avoidance of doubt, includes a situation where, in respect of the determination to be made under (a) above, no final annual accounts have been drawn up in due time in respect of the then most recently ended financial year) the relevant Guarantor shall, promptly, establish unaudited interim accounts (as of the date of the end of the then most recent financial quarter) or annual accounts (as applicable) duly established in accordance with applicable accounting rules, pursuant to which the relevant Guarantor's Own Funds and Lux Subordinated Debt will be determined. If the relevant Guarantor fails to provide such unaudited interim accounts or annual accounts (as applicable) within 30 Business Days as from the request of the Trustee, the Trustee may appoint an independent auditor (*réviseur d'entreprises agréé*) or an independent reputable investment bank which shall undertake the determination of the relevant Guarantor's Own Funds and Lux Subordinated Debt. In order to prepare such determination, the independent auditor (*réviseur d'entreprises agréé*) or the independent reputable investment bank shall take into consideration such available elements and facts at such time, including without limitation, the latest annual accounts of such Guarantor and any entities in which it has a direct or indirect equity interest, any recent valuation of the assets of such Guarantor and any entities in which it has a direct or indirect equity interest (if available), the market value of the assets of such Guarantor and any entities in which it has a direct or indirect equity interest as if sold between a willing buyer and a willing seller as a going concern using a standard market multi criteria approach combining market multiples, book value, discounted cash flow or comparable public transaction of which the price is known (taking into account circumstances at the time of the valuation and making all necessary adjustments to the assumption being used) and acting in a reasonable manner.

(c) The above limitation shall not apply to (i) any amounts received further to the issuance of the Notes by such Guarantor or any entity in which it has a direct or indirect equity interest and (ii) for the avoidance of doubt, any Security Documents.

(d) It is not required to make any Luxembourg deduction or withholding of or on account of tax from any payment the Issuer may make under this Guarantee, unless required by law.

(e) It is not necessary that this Guarantee be filed, recorded or enrolled with any Luxembourg court or other Luxembourg authority, and any Luxembourg stamp, registration or similar tax be paid on or in relation to this Guarantee except where the Guarantee is (i) voluntarily presented to the Luxembourg registration formalities or (ii) appended to a document that requires mandatory registration in Luxembourg.

Guarantee limitations – Mexico

The Notes offered hereby will be guaranteed by certain Mexican subsidiaries of Parent (“Mexican Guarantors”). The guarantees of the Mexican Guarantors provide a basis for a direct claim against them; however, notwithstanding anything to the contrary in this Indenture, the Notes, any Supplemental Indenture (unless this Appendix is expressly modified therein), the Purchase Agreement or any other documents related to the Notes, it is possible that the enforceability of the guarantees of these Mexican Guarantors may be limited under Mexican Insolvency Law (*Ley de Concursos Mercantiles*), to the extent the applicable guarantee may be deemed to constitute a fraudulent conveyance.

In case of any suit brought before Mexican courts, Mexican courts will apply Mexican Procedure Law even if the parties to the guaranty documents have selected other laws to govern such documents. In the event that proceedings are brought in Mexico seeking performance of any obligations of any Mexican Guarantor in Mexico, any such Guarantor may discharge its obligations by paying any sums due in a currency other than Mexican currency, in Mexican currency at the rate of exchange prevailing in Mexico on the date when payment is made.

Covenants and other agreements to perform an act other than payment of money and covenants and other agreements not to perform an act are not specifically enforceable in Mexico, although any breach thereof would give rise to an action for money damages. Covenants which purport to bind a Mexican Guarantor entity on matters reserved by law to shareholders, or which purport to bind shareholders to vote or refrain from voting their shares issued by an Issuer and/or any Guarantor may not be enforceable through specific performance.

Guarantee limitations – Switzerland

Notwithstanding anything to the contrary in this Indenture, the Notes, any Supplemental Indenture (unless this Appendix is expressly modified therein), the Purchase Agreement or any other documents related to the Notes, the obligations of a Guarantor incorporated,

organized or otherwise formed in Switzerland (a “Swiss Guarantor”) and the rights of the Trustee under this Indenture are subject to the following limitations:

(a) If and to the extent the obligations assumed by the Swiss Guarantor under this Indenture guarantee obligations of its (direct or indirect) parent company (upstream guarantee/security) or its sister companies (cross-stream guarantee/security) (the “Upstream or Cross-Stream Secured Obligations”) and if and to the extent payments under this Indenture to discharge the Upstream or Cross-Stream Secured Obligations would constitute a repayment of capital (*Einlagerückgewähr/Kapitalrückzahlung*), a violation of the legally protected reserves (*gesetzlich geschützte Reserven*) or the payment of a (constructive) dividend (*Gewinnausschüttung*) by the Swiss Guarantor or would otherwise be restricted under Swiss law and practice then applicable, the payments under this Indenture shall be limited to the maximum amount of the Swiss Guarantor’s freely disposable shareholder equity at the time it becomes liable or at the time of enforcement, including, without limitation, any statutory reserves which can be transferred into unrestricted, distributable reserves, in accordance with Swiss law (the “Maximum Amount”); provided that such limitation is required under the applicable law at that time; provided, further, that such limitation shall not free the Swiss Guarantor from its obligations in excess of the Maximum Amount, but merely postpone the performance date of those obligations until such time or times as performance or discharge is again permitted under then applicable law. This Maximum Amount of freely disposable shareholder equity shall be determined in accordance with Swiss law and applicable Swiss accounting principles, and, if and to the extent required by applicable Swiss law, shall be confirmed by the auditors of the Swiss Guarantor on the basis of an interim audited balance sheet as of that time.

(b) In respect of Upstream or Cross-Stream Secured Obligations, at the time it is required to make a payment under this Indenture, the Swiss Guarantor shall, if and to the extent required by applicable law (including tax treaties) in force at the relevant time:

(i) procure that such payments can be used to discharge Upstream or Cross-Stream Secured Obligations without deduction of Swiss withholding tax by discharging the liability to such tax by notification pursuant to applicable law rather than payment of the tax;

(ii) if the notification procedure pursuant to sub-paragraph (i) above does not apply, deduct the Swiss Withholding Tax at such rate (currently 35% at the date of this Indenture) as is in force from time to time from any such payment used to discharge Upstream or Cross-Stream Secured Obligations; or deduct Swiss Withholding Tax at the reduced rate resulting after discharge of part of such tax by notification if the notification procedure pursuant to sub-paragraph (i) above applies for a part of Swiss Withholding Tax only, and pay, without delay, any such tax deducted to the Swiss federal tax administration;

(iii) promptly notify the Trustee in writing that such notification or, as the case may be, deduction has been made, and provide the Trustee with evidence that such notification to the Swiss federal tax administration has been made or, as

the case may be, such tax deducted have been paid to the Swiss federal tax administration; and

(iv) in the case of a deduction of Swiss withholding tax, use its best efforts to ensure that any person, which is entitled to a full or partial refund of the Swiss Withholding Tax deducted from such payment, will, as soon as possible after such deduction,

(A) request a refund of the Swiss withholding tax under applicable law (including tax treaties), and

(B) pay to the Trustee upon receipt any amount so refunded.

(c) To the extent the Swiss Guarantor is required to deduct Swiss withholding tax pursuant to this Indenture, and if the Maximum Amount is not fully utilized, the Swiss Guarantor will be required to pay an additional amount so that after making any required deduction of Swiss withholding tax the aggregate net amount paid to the Trustee is equal to the amount which would have been paid if no deduction of Swiss withholding tax had been required, provided that the aggregate amount paid (including the additional amount) shall in any event be limited to the Maximum Amount.

(d) The Swiss Guarantor and any holding company of the Swiss Guarantor which is a party to this Indenture shall procure that the Swiss Guarantor will promptly take and promptly cause to be taken all and any action as soon as reasonably practicable but in any event within 30 Business Days from the request of the Trustee, including, without limitation, the following:

(i) the passing of any shareholders' resolutions to approve the payment or other performance under this Indenture which may be required as a matter of Swiss mandatory law in force at the time of the enforcement of this;

(ii) preparation of up-to-date audited balance sheet of the Swiss Guarantor;

(iii) confirmation of the auditors of the Swiss Guarantor that the relevant amount represents the Maximum Amount;

(iv) conversion of restricted reserves into profits and reserves freely available for the distribution as dividends (to the extent permitted by mandatory Swiss law);

(v) revaluation of hidden reserves (to the extent permitted by mandatory Swiss law);

(vi) to the extent permitted by applicable law, Swiss accounting standards and this Indenture or the Notes, (i) write-up or realize any of its assets that are shown in its balance sheet with a book value that is significantly lower than the market value of the assets, in case of realization, however, only if such assets are not necessary for the Swiss Guarantor's business (*nicht betriebsnotwendig*), and (ii) reduce its share capital to the minimum allowed

under then applicable law, provided that such steps are permitted under the this Indenture or the Notes; and

(vii) all such other measures necessary or useful to allow the Trustee to use payments by the Swiss as agreed under this Indenture with a minimum of limitations.

(e) The limitations and procedures of this Appendix shall also apply to any other obligation of a Swiss Guarantor under this Indenture, the Notes, or any document related to the Indenture, to grant economic benefits to its (direct or indirect) parent company or its sister companies, including, for the avoidance of doubt, any joint liability, any indemnity, any waiver of set-off or subrogation rights or any subordination or waiver of intra-group claims.

- (b) The Security Agent shall be entitled to request instructions, or clarification of any instruction, from the Trustee as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Security Agent may refrain from acting unless and until it receives those instructions or that clarification.
- (c) Any instructions given to the Security Agent by the Trustee shall override any conflicting instructions given by any other parties and will be binding on the Trustee, the Holders of the Notes and other secured parties.

- (e) The Security Agent may refrain from acting in accordance with any instructions of the Trustee until it has received any indemnification and/or security and/or pre-funding that it may in its discretion require (which may be greater in extent than that contained in this Indenture the Intercreditor Agreement, any Senior Subordinated Priority Collateral Document (as defined in the Intercreditor Agreement) or any Senior Subordinated Priority Debt Document (as defined in the Intercreditor Agreement) and which may include payment in advance) for any cost, loss or liability (together with any applicable VAT) which it may incur in complying with those instructions.
- (f) In the absence of instructions, the Security Agent may act (or refrain from acting) as it considers in its discretion to be appropriate.

1.2 Duties

- (a) The Security Agent's duties under this Indenture, the Intercreditor Agreement and the Senior Subordinated Priority Collateral Documents and the Senior Subordinated Priority Debt Documents are solely mechanical and administrative in nature.
- (b) The Security Agent shall have only those duties, obligations and responsibilities expressly specified in this Indenture, the Intercreditor Agreement and the Senior Subordinated Priority Collateral Documents and the Senior Subordinated Priority Debt Documents to which it is expressed to be a party (and no others shall be implied).

1.3 No fiduciary duties

Nothing in this Indenture, the Intercreditor Agreement, any Senior Subordinated Priority Collateral Document or any Senior Subordinated Priority Debt Document constitutes the Security Agent, in its capacity as such, as an agent, trustee or fiduciary of any other party to this Indenture, the Intercreditor Agreement, the Senior Subordinated Priority Collateral Documents or the Senior Subordinated Priority Debt Documents.

1.4 No duty to account

The Security Agent shall not be bound to account to any Holder of the Notes or other secured party or any other person for any sum or the profit element of any sum received by it for its own account.

1.6 Rights and discretions

- (a) The Security Agent may:
 - (i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;
 - (ii) assume that:
 - (A) any instructions received by it from the Trustee are duly given in accordance with the terms of this Indenture, the Intercreditor Agreement, the Senior Subordinated Priority Collateral

Documents and the Senior Subordinated Priority Debt Documents;

(B) unless it has received notice of revocation, that those instructions have not been revoked; and

(C) if it receives any instructions to act in relation to the Security Assets and/or Pledged Claims (as defined in the Security Documents) (as the case may be), that all applicable conditions under this Indenture, the Intercreditor Agreement, the Senior Subordinated Priority Collateral Documents and the Senior Subordinated Priority Debt Documents for so acting have been satisfied; and

(iii) rely on a certificate from any person:

(A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or

(B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

(b) The Security Agent may assume (unless it has received notice in writing to the contrary in its capacity as Security Agent) that:

(i) no Event of Default has occurred; and

(e) Notwithstanding any other provision of this Indenture, the Intercreditor Agreement, the Senior Subordinated Priority Collateral Documents and/or the Senior Subordinated Priority Debt Documents to the contrary, the Security Agent is not obliged to do or omit to do anything if it would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

(f) Notwithstanding any provision of this Indenture, the Intercreditor Agreement, the Senior Subordinated Priority Collateral Documents and/or the Senior Subordinated Priority Debt Documents to the contrary, the Security Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

1.7 No responsibility for documentation

Neither the Security Agent nor any delegate shall be responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Security Agent, the Issuers or any member of the Group or any other person in or in connection with this Indenture, the Intercreditor Agreement, the Senior Subordinated Priority Collateral Documents and/or the Senior Subordinated Priority Debt Documents or the transactions contemplated in this Indenture, the Intercreditor Agreement, the Senior Subordinated Priority Collateral Documents and/or
