9. With respect to addresses from which notices of the Hearing were returned as undeliverable, the Debtor is excused from mailing Solicitation Packages to those entities listed at such addresses unless the Debtor is provided with accurate addresses for such entities before November 18, 2013, such entities shall be deemed unknown creditors for notice purposes, and failure to mail Confirmation Hearing Notices, Solicitation Packages, or any other notices provided for herein will not constitute inadequate notice of the Confirmation Hearing, the Objection Deadline, or the Voting Deadline.

10. Kurtzman Carson Consultants (“KCC”) will inspect, monitor and supervise the solicitation process, send the various notices and other documents to be transmitted as requested

in the Motion, serve as the recipient and tabulator of all the ballots cast to approve or reject the Plan, respond to inquiries from creditors regarding the Plan, Second Amended Disclosure Statement and ballots and related matters, and certify to the Court the results of the balloting.

11. The Unimpaired Classes, the No-Distribution Creditors, and the CUD Creditors are not entitled to vote upon the Plan.

12. The Balloting Agents shall transmit on or before November 12, 2013 to all creditors other than those holding claims in Classes 1, 2, and 5C, by first-class, postage prepaid mail, with a return envelope, a solicitation package (the “Solicitation Package”) containing a copy or conformed printed version of:

Creditors holding claims in Classes 1, 2, and 5C will receive an Unimpaired Creditors Notice, and Notice of the Confirmation Hearing.

15. The Debtor will file all exhibits to the Plan that are not otherwise attached to the Plan or the Second Amended Disclosure Statement, and the Plan Supplement as filed with the Court, on or before the date which is seven (7) days before the Voting Deadline, (the “Plan Supplement Filing Date”). After the Plan Supplement Filing Date, copies of Exhibits to the Plan, the Plan Supplement and appendices to the Second Amended Disclosure Statement will be available upon request to KCC and at the KCC website, [www.kcellc.net/groebfarms](http://www.kcellc.net/groebfarms). Copies of the Plan and the Second Amended Disclosure Statement and this Order will be available at [www.kcellc.net/groebfarms](http://www.kcellc.net/groebfarms) as of November 12, 2013.

16. The Balloting Agents will send also send a copy of the Confirmation Hearing Notice, the Second Amended Disclosure Statement, and this Order to all parties requesting special notice under Bankruptcy Rule 2002 or as required under the case management order entered in this case.

17. November 5, 2013 is established as the record date (the “Record Date”) for the purposes of establishing which creditors are entitled to receive Solicitation Packages or, in the case of non-voting creditors, receive notices regarding their non-voting status. Notwithstanding the foregoing, any creditor who is subject to a Bar Date other than the November 4, 2013

General Bar Date, shall receive a Solicitation Package. Any ballots cast by such creditors will be treated in accordance with the procedures set forth herein.

18. The form of Ballot is approved. The variances from official form 14 embodied in the Ballot are authorized and permissible.

19. The Debtor may prepare and distribute other or modified forms of ballot substantially in conformity with the attached Ballot or Official Form 14, as the Debtor finds necessary because of further refinement of the balloting process or modification of the Plan. Furthermore, the Debtor may seek a determination that one or more of the classes designated as impaired in the Plan are unimpaired and that such class or classes are therefore deemed to have accepted the Plan without regard to how such class or classes actually voted and without regard to whether they received a notice of their non-voting status hereunder.

20. All ballots must be received by the Balloting Agent before 4:00 p.m. (prevailing Pacific Time) on December 13, 2013 (the "Voting Deadline").

21. The amount and classification of a claim for purposes of voting on the Plan shall be determined as follows:

(a) If a proof of claim has not been timely filed (i.e., was not filed by the applicable Bar Date), the amount of a claim shall be equal to the amount, if any, listed in respect of such claim in the Debtor's bankruptcy schedules and/or statement of financial affairs (as may be amended from time to time, the "Schedules"), to the extent such claim is not listed as contingent, unliquidated, undetermined or disputed (subject to any applicable limitations set forth below). Such claim shall be placed in the appropriate class of the Plan based upon the Debtor's records and the classification scheme set forth in the Plan.

(b) If a proof of claim has been timely filed for a liquidated, non-contingent claim, and has not been objected to by November 27, 2013, the amount and classification shall be that specified in such proof of claim for voting purposes only and shall not be binding for any other purpose, subject to any applicable limitations set forth below.

(c) If a proof of claim has been timely filed in a contingent or unliquidated amount, and such claim has not been objected by November 27, 2013, is not the subject of a Temporary Allowance Motion which has been resolved in accordance with the procedures contained in Paragraphs 27-30 herein, or the creditor holding such claim and the Debtor have not stipulated to a temporarily allowed claim amount for voting purposes only, then the amount and classification of such contingent or unliquidated portion of the proof of claim shall be \$1.00 for voting purposes.

(d) A claim which is the subject of an objection filed by November 27, 2013 and not resolved by the Voting Deadline shall be disallowed for voting purposes, except to the extent and manner that: (i) may be set forth in the objection; (ii) such claim may be temporarily allowed for voting purposes in accordance with Bankruptcy Rule 3018 and the procedures set forth in Paragraphs 26-30 herein; or (iii) the Court otherwise orders.

(e) A claim listed on the Schedules as contingent, unliquidated or disputed will be temporarily allowed for voting purposes in the amount allowed by the Court, pursuant to Bankruptcy Rule 3018(a), only if (i) a proof of claim has been timely filed on account of such claim, (ii) the holder of such claim has filed a motion for temporary allowance on or before December 6, 2013 in accordance with the procedures in Paragraphs 27-30 herein, and (iii) the Court orders, after notice and a hearing on or before December 16, 2013 that such claim shall be temporarily allowed for voting purposes.

(f) If a claim has been estimated or otherwise allowed for voting purposes by order of the Court, the amount and classification shall be that set by the Court.

(g) Creditors shall not be entitled to vote claims to the extent such claims duplicate or have been superseded by other claims timely filed by or on behalf of such creditors. The Balloting Agent shall determine, in its discretion, whether a claim is duplicative or has been superceded for voting purposes only.

(h) If a creditor's relevant proof of claim does not indicate the appropriate classification of a claim, and such classification cannot be determined from the Schedules, the holder of such claim may only vote as a General Unsecured Claim in Class 5B. With respect to voting, each Plan will be accepted or rejected based upon votes of creditors in each class under such Plan.

22. The following ballots shall be counted and be deemed to be acceptances or rejections of the Plan:

- (a) Notwithstanding any other provision of this Order, any ballot timely received that contains sufficient information to permit the identification of the claimant that is cast as an acceptance or rejection of any Plan.
- (b) Any ballot received prior to the Voting Deadline accepting or rejecting any Plan by a creditor which has previously submitted a ballot, such that the latter submitted ballot shall be deemed to supercede and amend the earlier submitted ballot.

23. Unless otherwise ordered by the Court after notice to the Debtor and a hearing, the following ballots shall not be counted in determining whether any Plan has been accepted or rejected:

- (a) Any ballot received after the Voting Deadline, unless the Debtor consents.
- (b) Any ballot that is illegible or contains insufficient information to permit identification of the claimant to which it pertains.
- (c) Any ballot cast by a creditor whose claim either is not listed, or is listed as “zero” or “unknown” amount (or similarly listed), or is listed as a disputed, contingent, or unliquidated claim, on the Schedules, for which no proof of claim was timely filed.
- (d) Any ballot cast by a creditor whose claim either is not listed, or is listed as “zero” or “unknown” amount (or similarly listed), or is listed as a disputed, contingent, or unliquidated claim, on the Schedules, for which a proof of claim was timely filed but for which the holder did not obtain an order temporarily allowing its claim in accordance with Paragraphs 27-30 herein.
- (e) Any ballot cast by a person that does not hold a claim in a class that is entitled to vote to accept or reject any Plan.
- (f) Any ballot returned by facsimile or electronic transmission not previously authorized by the written consent of the Debtor.
- (g) Any ballot which does not contain an original signature (except as provided in the foregoing sentence).

(h) Any ballot cast by a creditor who has timely filed a proof of claim as to which the Debtor has filed an objection by November 27, 2013, unless the creditor has obtained an order temporarily allowing its claim in accordance with the procedures set forth in this Order and paragraphs 27-30 herein or such objection is withdrawn.

(i) Any ballot that does not indicate whether the holder of the relevant claim is voting for or against the Plan.

24. Ballots for all creditors will be preprinted with the dollar amount determined in accordance with the procedures set forth in Paragraph 22 herein to the extent such amounts can be determined, and the preprinted amount shall be used in tabulating the votes unless the holder of the claim obtains an order from the Court under Bankruptcy Rule 3018(a) providing for a different amount in accordance with the procedures set forth in Paragraphs 26-30 herein. The amount and classification of a claim listed on a ballot shall be for voting purposes only and shall not prejudice the Debtor's right to file an objection to such claim for any other purpose.

25. Creditors must vote all of each of their claims within a particular class in any Plan to either accept or reject the Plan and may not split their votes as to a given claim.

26. The following procedures shall apply for temporary allowance motions, pursuant to Bankruptcy Rule 3018(a), with respect to voting on the Plan. Without limiting the Debtor's rights under the Bankruptcy Code, the Bankruptcy Rules and applicable law, including without limitation the Debtor's rights to object to claims for substantive purposes on a different timetable, the Debtor may file objections to claims for voting purposes by November 27, 2013 (the "Objection Deadline"). For clarity, the Debtor may object to a claim for purposes of allowance and distribution and other substantive purposes in connection with filing an objection to such claim for voting purposes or after the Objection Deadline.

27. If an objection for voting purposes is filed on or before the Objection Deadline, the relevant claimant will not be entitled to vote on the Plan, unless such claimant files a motion

on or before December 6, 2013 (the “Temporary Allowance Deadline”), seeking temporary allowance of its claim for voting purposes only and obtains an order from the Court granting such motion, or such objection is withdrawn. The Debtor will serve on each respective claimant with a notice that, in order to vote on the Plan, the claimant must file a motion for temporary allowance by the Temporary Allowance Deadline. The Court will conduct a hearing prior to December 16, 2013 (the “Temporary Allowance Motion Hearing Date”) to consider all temporary allowance motions. A temporary allowance motion is required to set forth with particularity the amount and classification at which such claimant believes its claim should be allowed for voting purposes or subscription purposes, as applicable, and the evidence in support of that belief, otherwise such motion shall be deemed invalid.

28. If this Court has not temporarily allowed all or a portion of such claim for voting purposes or subscription purposes, as applicable, pursuant to Bankruptcy Rule 3018(a) on or before the Temporary Allowance Motion Hearing Date, (i) such claim shall not be counted for voting purposes.

29. If a creditor reaches an agreement with the Debtor as to the amount and classification of its otherwise disputed claim, for voting purposes, (i) a stipulation setting forth that agreement may be presented to the Court for approval by notice of a proposed stipulation and order at or before the Confirmation Hearing; and (ii) subject to the Court’s approval such claim will be counted for purposes of accepting or rejecting the Plan in the amount agreed to by the Debtor and such creditor in the stipulation.

30. Within 1 business day of (i) the entry of an order by the Court approving a creditor’s motion for temporary allowance of its claim under Bankruptcy Rule 3018(a) for voting purposes or (ii) the creditor’s provision to the Balloting Agent of the Debtor and a creditor’s

written agreement as to the amount and classification of the creditor's otherwise disputed claim for voting purposes or the withdrawal of the Debtor's objection, the Balloting Agent shall provide a Solicitation Package to such creditor. The provision of a Solicitation Package to a creditor pursuant to this Section shall not affect the Voting Deadline as to such Creditor.

31. Each ballot will permit holders of claims entitled to vote to accept or reject the Plan, subject to other applicable procedures set forth herein.

32. The authority of the signatory of each ballot to complete and execute the ballot shall be presumed (unless there is gross evidence to the contrary), but each such signatory shall certify that he or she has such authority.

33. A certificate with respect to the tabulation of votes shall be filed with this Court by the Balloting Agents on or before December 18, 2013.

34. With respect to a transferred claim to which Bankruptcy Rule 3001(e) applies, the transferee shall be entitled to (i) receive a Solicitation Package and cast a ballot on account of such claim only if (a) all actions necessary to effect the transfer of the claim pursuant to Bankruptcy Rule 3001(e) have been completed by the Record Date or (b) the transferee files by the Record Date (i) the documentation required by Bankruptcy Rule 3001(e) to evidence the transfer and (ii) a sworn statement of the transferor supporting the validity of the transfer.

35. The Debtor is authorized to take or refrain from taking any action necessary or appropriate to implement the terms of and the relief granted in this Order without seeking further order of the Court.

36. The Debtor is authorized to make nonmaterial or conforming changes to the Second Amended Disclosure Statement, the Plan, the Ballot, the notices described herein and related documents without further order of the Court, including, without limitation, changes to

correct typographical and grammatical errors and to make conforming changes among the Second Amended Disclosure Statement, the Plan, and any other materials in the Solicitation Package prior to their mailing.

37. No other or further notice of the Plan, Confirmation Hearing, or other deadlines is required as to any party except as set forth in this Order.
