## 2. **THE DEBTORS.**

2.1. **Description of Debtors, Debtors' History, and Debtors' Business.** The Debtors consist of: Hartford Computer Group, Inc., a Delaware corporation ("Hartford Group"), Hartford Computer Hardware, Inc., an Illinois corporation ("Hardware"), Hartford Computer Government, Inc., an Illinois corporation ("HCGovernment"), and Old NS, LLC f/k/a Nexicore Services, LLC, a Delaware limited liability company ("Nexicore"). Hartford Group is the parent company and owns 100% of the outstanding equity interests of Hardware and Nexicore. Hardware owns 100% of the outstanding equity interests of HCGovernment. The Debtors were one of the leading providers of repair and installation services in North America for consumer electronics and computers. The Debtors operated in three complementary business lines: parts distribution and repair, depot repair, and onsite repair and installation. Products serviced include laptop and desktop computers, commercial computer systems, flat-screen television, consumer gaming units, printers, interactive whiteboards, peripherals, servers, POS devices, and other electronic devices. The Debtors also engaged in hardware sales.

The Debtors operated out of five locations: Schaumburg, Illinois, Simi Valley, California, Tampa, Florida, Columbia, Maryland, and Markham, Ontario, Canada. As of June 2011, the Debtors employed approximately 486 employees, including approximately 250 employees in California and 113 employees in Canada. The Debtors' senior management had almost 70 years of experience with the Debtors and included Brian Mittman, their president and chief executive officer, Ron Brinckerhoff, as vice president of sales, Randy Hodgson as vice president of onsite operations, Rich Levin, as vice president of procurement, Jo Lamoreaux, as chief financial officer, John Nelson, as general manager in Canada, and Greg McDonald, as vice president of depot operations.

2.2. **Events Leading to the Commencement of the Chapter 11 Cases.** For the five years prior to the Petition Date, the Debtors had implemented various turnaround initiatives that focused on creating an efficient operation capable of delivering high-quality service. With the operational turnaround largely complete, the Debtors were achieving significant momentum in each of their business lines. During that period, the companies' total revenues had grown from \$55.1 million in 2006 to \$95.1 million and earnings had increased at an even larger degree.

In addition to operational initiatives, the Debtors also engaged in out-of-court restructuring efforts. Effective as of May 9, 2005, the Debtors entered into that certain Master Restructuring Agreement (the "Restructuring Agreement") with Delaware Street, MRR Venture LLC ("MRR"), ARG Investments ("ARG"), SKM Equity Fund II, L.P. ("SKM I"), and SKM Investment Fund II ("SKM II" and together with MRR, ARG and SKM I, the "Subordinated Lenders"), HCG Financial Services, Inc. (the "Financial PO Lender"), and Enable Systems, Inc. Pursuant to the Restructuring Agreements, the Debtors amended and restructured their agreements with their various stakeholders. Specifically, after the execution and effectiveness of the Restructuring Agreement, the Debtors' long-term, secured debt was as follows: (a) pursuant to that certain Amended and Restated Loan and Security Agreement dated as of December 17, 2004, among the Debtors and Delaware Street and various promissory notes and other documents (collectively, as may have been amended, supplemented, and modified, the "Senior Credit Agreement"), the Debtors were indebted to Delaware Street, as of the Petition Date, in the aggregate amount of \$70,573,615; (b) pursuant to that certain Substituted and Amended Subordinated Promissory Note dated May 9, 2005, made by Hartford Group in favor of MRR Venture LLC (the "Prepetition Subordinated Lender"), Hartford Group was indebted to Prepetition Subordinated Lender in the approximate amount of \$1,166,388.89; (c) pursuant to that certain Subordinated Promissory Note dated as of May 9, 2005, made by Hartford Group in favor of the Financial PO Lender, Hartford Group was indebted to the Financial PO Lender in the initial principal balance of \$869,000.00; and (d) pursuant to that certain Revolving Credit Agreement by and between IBM Credit LLC ("IBM"), Hardware and HCGovernment, dated as of May 5, 2005 (the "IBM Credit Agreement"), Hardware and HCGovernment were indebted to IBM in the amount of \$1,030,545. On December 9, 2011, the IBM Credit Agreement was paid off in fully through the use of cash collateral which secured a letter of credit that secured that facility.

As a result of the Restructuring Agreement, the Subordinated Lenders became holders of certain classes of preferred and common equity interests in Hartford Group, which is the sole shareholder and member of Hardware and Nexicore, respectively. The remaining equity interest holders of Hartford Group include Delaware Street and Brian Mittman. As set forth above, Hardware is the sole shareholder of HCGovernment.

Pursuant to the Senior Credit Agreement, Delaware Street made certain loans and other financial accommodations to or for the benefit of the Debtors. In connection with the Senior Credit Agreement, the Debtors entered into certain collateral and ancillary documentation with Delaware Street (such collateral and ancillary documentation collectively with the Prepetition Credit Agreement, the "Prepetition Credit Documents"). All obligations of the Debtors arising under the Prepetition Credit Documents, including all loans, advances, debts, liabilities, principal, interest, fees, swap exposure, charges, expenses, indemnities, and obligations for the

performance of covenants, tasks or duties, or for the payment of monetary amounts owing to Delaware Street by the Debtors, of any kind or nature, whether or not evidenced by any note, agreement or other instrument, shall hereinafter be referred to as the “Prepetition Obligations.”

As of December 1, 2011, the Prepetition Obligations, not including fees or interest, included:

- Revolver: \$9,076,302 (the “Prepetition Revolving Debt”);
- Term Loan A: \$27,482,409;
- Term Loan B: \$12,660,490;
- Term Loan C: \$5,748,432;
- Term Loan D: \$6,965,575; and
- Term Loan E: \$8,640,407 (collectively, the “Prepetition Term Debt”).

The documents evidencing and supporting the Financial PO Lender and the Prepetition Subordinated Lender contain subordination provisions that provide, among other things, that the Debtors shall not make any distributions on account of those claims unless and any until the Prepetition Obligations owing to Delaware Street are paid in full.

Given the Debtors’ prepetition performance, as well as its capital structure, the Debtors commenced an aggressive marketing and sales effort so as to take advantage of their improvements for the benefit of all their creditors. The Debtors, with the assistance of their advisors, actively marketed the company since late January 2011, focusing on a sale of substantially all of their assets as a going concern. Even before the Petition Date, the Debtors conducted a well-orchestrated sale process targeting the company’s universe of potential strategic and financial buyers in an effort to maximize the value of the Debtors’ assets.

Prior to the commencement of these Chapter 11 Cases, the Debtors retained Paragon Capital Partners, LLC (“Paragon”) to act in an advisory capacity to explore strategic alternatives. As part of this evaluation, the Debtors and Paragon aggressively pursued a potential sale of the Debtors’ assets. The Debtors and Paragon undertook exhaustive efforts to solicit interest in the Debtors from third parties with the potential to acquire all or a substantial portion of the Debtors’ assets.

At the outset of this process, the Debtors determined, in consultation with their advisors, to focus their sale efforts on locating a stalking horse bidder for substantially all of their assets. The Debtors believed that their businesses and assets had little value if liquidated separately (with the exception of Hardware and HCGovernment, which together constitute a discrete business unrelated to the other Debtors), and that a sale process that including a sale of substantially all of the assets of Hartford Group and Nexicore (the “Acquired Assets”) as a going concern would maximize value to the estates.

During the marketing process, the Debtors and Paragon identified and contacted approximately ninety-one potential strategic and financial counterparties. Approximately thirty-two of these parties executed confidentiality agreements and received a confidential information memorandum providing extensive information relating to the Debtors’ businesses, financial performance and projections, customers, programs, technology, information systems, operations, facilities, management and employees. Approximately eleven companies received a detailed

management presentation, either in-person or by phone, and were given the opportunity to speak extensively with the Debtors and their advisors. Of these, eight companies were strategic buyers (including five public companies with a median market capitalization in excess of \$4 billion), and three counterparties were major private equity firms with relevant portfolio companies and significant funds under management. Six of these parties submitted written indications of interest to acquire all of the Acquired Assets of the Debtors as a going concern (the Acquired Assets exclude the Debtors' hardware business). Five of these parties attended in-person management presentations conducted by the Debtors' senior management team, and conducted site visits with respect to the Acquired Assets. All of these parties were granted access to supplemental due diligence materials made available on an electronic data site. One of these parties, Avnet, Inc. ("Avnet"), submitted a preliminary proposal, and subsequently submitted a definitive agreement. As of November 3, 2011, Avnet had a market capitalization of approximately \$4.6 billion. For its most recent fiscal year ending July 2, 2011, Avnet reported total sales of \$26.5 billion and had cash on its balance sheet of \$675 million.

Avnet's offer was the basis for extensive discussions and negotiations with the Debtors, ongoing diligence and discussions with management, and visits to the Debtors' facilities. As a result, on December 12, 2011, Avnet and Avnet International (Canada) Ltd. (together, the "Purchaser") executed an Asset Purchase Agreement (the "Agreement"), pursuant to which, among other things, the Purchaser agreed to purchase, subject to higher and better bids and an order from the Bankruptcy Court, substantially all of the assets of Hartford Group and Nexicore. The purchase price under the Agreement consisted of an initial cash payment of \$35,500,000, subject to a working capital adjustment, plus a potential earn out, subject to certain adjustments described more fully below, plus the assumption of certain liabilities, including certain cure costs and certain post-petition administrative expenses. Avnet is a New York Stock Exchange-listed, Fortune 500 company engaged in, among other things, consumer electronic manufacture, repair, and distribution.

The Agreement contemplated chapter 11 filings by the Debtors and the approval of the Agreement through Bankruptcy Court-supervised sale process and auction pursuant to section 363 of the Bankruptcy Code. As of the Petition Date, the Purchaser's bid was the highest and best that the Debtors had received. As a result, as soon as practicable after the execution of the Agreement, the Debtors commenced these Chapter 11 Cases and commenced a sale process (described below).

The Purchaser was not interested in acquiring the assets related to the Debtors' hardware business, which is the business of Hardware and HCGovernment. The hardware business has two main customer groups: the public school universities in Maryland and Sears Brands, LLC. The former business is the sole operation of HCGovernment (the "Maryland Business"), and the later is that of Hardware, though Hardware owned certain assets useful to the Maryland Business.

On November 22, 2011, Hardware and HCGovernment entered into that Asset Purchase Agreement with HCGI-Hartford, Inc., pursuant to which Hardware and HCGovernment sold all assets used in connection with the Maryland Business. The purchase price was \$325,000, and \$225,000 was paid upon closing; the remaining \$100,000 purchase price was paid on May 21, 2012. The portion of the proceeds received prepetition were transferred to Delaware Street in

partial satisfaction of the obligations owing it. The portion of the proceeds that were received post-petition will constitute Excess Cash to be disbursed to Delaware Street under the Plan.

2.3. **Debtors' First Day Motions and Orders.** On the Petition Date, the Debtors filed certain motions requesting customary "first day" relief, as well as for authority to pay certain prepetition obligations. Those motions included:

(i) Administrative Motions: To facilitate a smooth and efficient administration of these Chapter 11 Cases and to reduce the administrative burden associated therewith, the Bankruptcy Court entered the following procedural orders: (a) authorizing the joint administration of the Debtors' Chapter 11 Cases [Motion Docket No. 10, Order Docket No. 43]; (b) granting the Debtors an extension of time to file their schedules of assets and liabilities and statement of financial affairs (collectively, the "Schedules and Statements") [Motion Docket No. 21, Order Docket No. 58]; and (c) authorizing the employment and retention of KCC as notice and claims agent [Motion Docket No. 12, Order Docket No. 51];

(ii) Debtors' Motion for An Order (i) Approving Continued Use of Existing Bank Accounts, Business Forms, and Cash Management System, and (ii) To Obtain Limited Waiver of the Requirements of 11 U.S.C. § 345(b): The Bankruptcy Court authorized the Debtors to continue using their cash management systems and their respective bank accounts and business forms, with the exception that the Debtors were required to close their prepetition accounts with the Royal Bank of Scotland in lieu of accounts at the Bank of Montreal [Motion Docket No. 13, Order Docket No. 61];

(iii) Motion to Pay Employee Wages and Benefits: The Bankruptcy Court entered its order on December 15, 2011, authorizing the Debtors to pay certain prepetition wages, salaries, and other compensation, taxes withholdings and reimbursable expenses of their employees, to pay and honor obligations relating to employee medical and other benefit programs, and to continue their employee benefits programs, including their paid time off programs, on a post-petition basis [Motion Docket No. 19, Order Docket No. 53];

(iv) Debtors' Motion for Entry of An Order Authorizing the Debtors to Pay Prepetition Sales, Use and Other Tax Obligations: The Debtors obtained authority to pay prepetition sales, use, and other withholding taxes [Motion Docket No. 31, Order Docket No. 57];

(v) Debtors' Motion for Entry of an Order (i) Authorizing the Payment of Certain Prepetition Shipping Charges and (ii) Granting Certain Related Relief: By order dated December 15, 2011, the Debtors received authority to pay a limited number of prepetition shipping charges to the Debtors' principal logistics provider [Motion Docket No. 33, Order Docket No. 56];

(vi) Debtors' Motion for Entry of an Order Authorizing Debtors to (A) Honor Certain Prepetition Obligations to Customers and (B) Continue Their Customer Programs and Practices in the Ordinary Course of Business: By order dated December 15, 2011, the Debtors obtained authority from the Bankruptcy Court to honor warranty, rebate, and

other prepetition customer programs necessary to sustain the Debtors' reputation among its customer and suppliers [Motion Docket No. 16, Order Docket No. 54];

(vii) Debtors' Motion for Order: Pursuant to Sections 105(a) and 363 of the Bankruptcy Code (I) Authorizing the Debtor to Honor Prepetition Insurance Policies and Renew Such Policies in the Ordinary Course of Business; and (II) Granting Related Relief: The Debtors obtained authority from the Bankruptcy Court to maintain their prepetition property, casualty, pension bond, customs bond, workers' compensation, and directors' and officers' liability policies and pay necessary premiums post-petition [Motion Docket No. 17, Order Docket No. 55];

(vii) Debtors' Motion for Interim and Final Orders (i) Prohibiting Utilities From Altering, Refusing or Discontinuing Services to, or Discriminating Against, the Debtors, (ii) Determining That the Utilities Are Adequately Assured of Future Payment; (iii) Establishing Procedures for Determining Requests for Additional Assurance; and (iv) Permitting Utility Companies to Opt Out of the Procedures Established Herein: By final order granted on January 26, 2012, the Bankruptcy Court established procedures for determining adequate assurance of payment for future utility service in recognition of the severe impact even a brief disruption of utility services would have on the Debtors [Motion Docket No. 32, Order Docket Nos. 62 and 133].

**2.4. Debtor-In-Possession Financing Orders.** On the Petition Date, the Debtors filed their Motion for Interim and Final Orders (i) Authorizing the Debtors to Obtain Post-Petition Financing Pursuant to 11 U.S.C. § 364, (ii) Authorizing the Use of Cash Collateral Pursuant to 11 U.S.C. § 363, (iii) Granting Adequate Protection to the Prepetition Senior Lender Pursuant to 11 U.S.C. §§ 361 and 363 and (iv) Scheduling a Final Hearing Pursuant to Bankruptcy Rule 4001, pursuant to which, among other things, the Debtors sought authority to borrow money from Delaware Street to fund their working capital needs in these Chapter 11 Cases. Despite efforts to find alternative and more borrower-friendly financing, the Debtors were unable to find any financing sources willing to compete with Delaware Street in connection with providing the Debtors with their necessary working capital needs. As a result, in order to promote the sale of the Debtors assets while at the same time providing liquidity sufficient to fund day-to-day cash needs, pursuant to a budget, the Bankruptcy Court entered interim [Docket No. 66] and final orders [Docket No. 120] authorizing the debtor in possession financing from Delaware Street. Specifically, those orders provided for a \$14,400,000 facility, \$2,750,000 of which could be borrowed prior to the entry of the final order, secured by all of the Debtors' pre- and post-petition assets by superpriority, priming, senior liens pursuant to 364(c)(1) of the Bankruptcy Code, as well as granting adequate protection liens and claims to Delaware Street, as the Debtors' prepetition lender pursuant to sections 361(a) and 363(c) of the Bankruptcy Code. Among other things, the final order provided for the Debtors to apply proceeds received from pre-petition collateral to the Prepetition Revolving Debt and reborrow such amounts as post-petition debtor in possession financing. Pursuant to the Sale Order (described in Section 2.7 below), upon the closing of the transactions approved by the Sale Order, the Debtors were required to remit a portion of the proceeds of the Sale sufficient to repay the debtor in possession loan. On April 2, 2012, Delaware Street sent a notice to the Debtors and the Creditors' Committee that the debtor in possession obligations totaled \$12,182,664, consisting of \$12,076,302 of principal and \$106,362 of interest. These sums included funds borrowed to

replace working capital used to repay the \$9,076,302 in Prepetition Revolving Debt. On April 6, 2012, the Debtors paid to Delaware Street \$12,182,644 in full satisfaction of the Delaware Street's DIP Loan claims.

**2.5. Canadian Proceedings.** On the Petition Date, the Debtors filed their Motion Pursuant to Section 1505 of the Bankruptcy Code for Authorization of Hardware to Act as the Debtors' Foreign Representative in an ancillary proceeding commenced under Part IV of the Companies' Creditors Arrangement Act in the Ontario Superior Court of Justice (Commercial List) in order to seek recognition of these Chapter 11 Cases and certain orders entered in these Chapter 11 Cases. The Bankruptcy Court granted the motion, and appointed Hardware as the Debtors' foreign representative on December 15, 2011 [Motion Docket No. 11, Order Docket No. 52]. The Debtors' thereafter commenced the ancillary proceeding and orders entered in these Chapter 11 Cases have been recognized therein, as necessary.

**2.6. Appointment of Creditors' Committee.** On December 28, 2011, the United States Trustee appointed an Official Committee of Unsecured Creditors (the "Creditors' Committee") pursuant to 11 U.S.C. § 1102(a)(1) [Docket No. 73]. The Creditors' Committee is comprised of the following unsecured creditors of the Debtors: C&K Industrial Painting, Inc., RipplePak and Select Staffing. The Creditors' Committee employed legal counsel, Levenfeld Pearlstein LLC, and financial advisors, Crowe Horwath LLP, to represent and advise it in these Chapter 11 Cases.

**2.7. Sale Related Motions and Orders.** On the Petition Date, the Debtors filed a Motion Pursuant to 11 U.S.C. §§ 105(a), 363, 365 and Fed. R. Bankr. P. 2002, 6004, 6006 for (I) Entry of an Order (A) Approving Bidding Procedures; (B) Granting Certain Bid Protections; (C) Approving Form and Manner of Sale Notices; (D) Setting Sale Hearing Date in Connection With Sale of Substantially All of Debtors' Assets; and (II) Entry of an Order (A) Approving the Sale of Debtors' Assets Free and Clear of All Liens, Claims, Encumbrances and Interests; (B) Authorizing the Assumption And Assignment of Certain Executory Contracts and Unexpired Leases; (C) the Assumption of Certain Liabilities; and (D) Granting Certain Related Relief [Docket No. 33]. On January 26, 2012, the Bankruptcy Court entered an order approving the bidding procedures and setting a sale hearing [Docket No. 128]. Debtors thereafter conducted a sale process at the conclusion of which, the Purchaser's bid for the Debtors' assets was highest and best. The Debtors filed pleadings with the Bankruptcy Court setting forth the executory contracts and unexpired leases that the Debtors intended to assume and assign to the Purchaser [Docket Nos. 152 and 214]. On February 28, 2012, the Bankruptcy Court entered an order approving the sale of the assets to the Purchaser [Docket No. 208]. The sale transaction closed effective 11:59 p.m. on April 2, 2012. As set forth above, the sale order has been recognized by the Canadian court in the Canadian proceeding. Debtors have also filed a motion to reject all contracts that were not assumed and assigned to the Purchaser [Docket No. 236].

**2.8. Sale of the Debtors' Assets.** Pursuant to the APA, the purchase price due and payable at closing was \$35,500,000 in cash. The purchase price was also subject to adjustment subsequent to the closing based upon a working capital adjustment and an Earnout based on the operating income of the business in calendar years 2012 and 2013. The Debtors submitted a working capital adjustment of \$3,563,639 to the Purchaser. Pursuant to the Agreement, a final

determination of the Working Capital Adjustment was to be made within 60 days following the closing (since extended).

2.8.1. **Sale Escrows.** Pursuant to the APA, the Debtors and the Purchaser established two escrows to hold sale proceeds in reserve pending certain events. The first escrow was deposited with Wells Fargo Bank and was established to address any net Working Capital Adjustment to the purchase price (the “**Wells Escrow**”). The Debtors are obligated to deliver to the Purchaser a closing working capital statement within 60 days following the closing date of the Avnet Transaction (which date has now been extended to June 29, 2012). Within 20 days following the delivery of the closing working capital statement, the Purchaser shall notify the Debtors whether the closing working capital adjustment is accepted or objectionable. The APA contains a dispute resolution mechanism in the event the parties are unable to agree on what the final purchase price adjustment should be. If, as a result of the closing working capital statement, the purchase price goes up, the Purchaser will pay the increased amount and the funds held in the Wells Escrow will be turned over to the Debtors. If, on the other hand, the purchase price decreases as a result of the closing working capital statement, the funds in the Wells Escrow will be turned over to the Purchaser to the extent of the purchase price decrease, with the rest of the funds in the Wells Escrow, if any, being turned over to the Debtors. If the purchase price decrease exceeds the funds in the Wells Escrow, all funds in the Wells Escrow will be transferred to the Purchaser, and the Purchaser has the ability to offset the payment of the Earnout for any excess. The Debtors are hopeful that the full amount of the Wells Escrow will be transferred to the Debtors, but the Debtors cannot predict what the final outcome might be.

The Debtors also established an escrow with the Purchaser’s Canadian counsel, Fraser Milner Casgrain (the “**Canadian Tax Escrow**”). A total of 5,000,000 Canadian Dollars of the purchase price under the APA were deposited in the Canadian Tax Escrow. Under Canadian law, when a non-Canadian sells assets in Canada, the seller is required to obtain and deliver to the buyer a certificate of compliance issued by the Minister of National Revenue (Canada) under subsections 116(2) and 116(5.2) of the Income Tax Act (Canada), in each case with a certificate limit in an amount not less than the Canadian dollar equivalent of the portion of the purchase price allocated to the applicable Canadian assets being sold (the “**116 Certificate**”). Under Canadian law, a buyer of Canadian assets from a non-Canadian seller may be liable for certain Canadian taxes arising from the sale and that amount is reflected on the 116 Certificate.

As of closing, the Debtors had not received the 116 Certificate from the Canadian taxing authorities. Pursuant to section 9.5(g) of the APA, the Debtors and the Purchaser agreed that the maximum potential tax liability arising from the Canadian components of the Avnet Transaction would be deposited in the Canadian Tax Escrow. Following the receipt of the 116 Certificate, which is expected in June or July 2012, an amount equal to the certificate limit (i.e., the anticipated tax owing by the Debtors) will be remitted from the Canadian Tax Escrow to the Canadian taxing authorities. Any funds remaining in the Canadian Tax Escrow will be remitted to the Debtors. While the Debtors expect that a substantial portion of the Canadian Tax Escrow will be remitted back to the Debtors, the Debtors cannot predict what the final outcome might be. In addition, the Debtors expect

that any Canadian taxes required to be paid will be recoverable as a refund after the Debtors file their Canadian tax returns for 2012.

2.8.2. **Earnout.** Pursuant to section 3.5 of the APA, the Debtors may be entitled to an Earnout as additional purchase price. The Earnout is calculated using the operating income in 2012 and 2013 derived from the acquisition of the acquired assets under the Avnet Transaction, less certain costs and offsets, all of which are more fully set forth in the APA. The Earnout is payable, if at all, approximately 4 months following the end of the year in which the operating income is measured (e.g., the Earnout based on 2012's operating income would be payable in approximately April of 2013). The APA sets forth the manner in which the proposed Earnout amount is to be calculated, conveyed by the Purchaser to the Debtors, and challenged by the Debtors, if necessary. Pursuant to the section 3.5(c) of the APA, the Earnout has a maximum cap for each year in which an Earnout would be calculated. Though the Debtors expect the Earnout will be collected in both 2013 and 2014, the Debtors cannot predict what the final outcome might be.

2.9. **Chief Restructuring Officer Appointment.** Following the closing of the sale of the Acquired Assets to the Purchaser, nearly all of the Debtors' employees, including all of the Debtors' officers, ceased working for the Debtors and were hired by the Purchaser. As a result, on March 29, 2012, the Debtors filed a motion for appointment of Silverman Consulting and Steven Nerger as Chief Restructuring Officer as of April 3, 2012 [Docket No. 229]. The Chief Restructuring Officer has and will continue to act as an estate representative for the Debtors through the Effective Date.

2.10. **Investigation by Creditors' Committee of Delaware Street and Settlement.** Pursuant to the final debtor-in-possession financing order, the Creditors' Creditors' Committee was granted until June 11, 2012,<sup>1</sup> to investigate the pre-petition liens and claims of Delaware Street as well as potential claims of the Debtors against Delaware Street. The Creditors' Creditors' Committee commenced its investigation and requested documents from and depositions of officers of the Debtors, Delaware Street and the Debtors' other secured creditors. Such parties responded to the Creditors' Creditors' Committee's requests and cooperated with the Creditors' Creditors' Committee in its investigation.

The Committee served approximately 20 subpoena requests for documents from Delaware Street, the Debtors, and the Debtors' present and former officers, directors, and shareholders. These document requests were broadly drafted, comprehensive in scope, and sought, among other things, the following categories of documents generated between November 2004 and the Petition Date:

- Documents reflecting monies advanced to or received from any of the Debtors by any Delaware Street entity;

---

<sup>1</sup> Under the final financing order entered by the Bankruptcy Court on January 30, 2012 [Docket No. 137], the investigation period expired on April 25, 2012. The Bankruptcy Court subsequently extended that expiration date to June 11, 2012, by an order entered on April 12, 2012 [Docket No. 265].

- Documents reflecting any agreements between any Delaware Street entity and the Debtors;
- Documents relating to negotiations of loan agreements between the Debtors and Delaware Street and the Debtors' performance and defaults under those agreements;
- Documents reflecting meetings of the Debtors' board of directors or shareholders;
- All communications between any Delaware Street entity and the Debtors;
- Financial statements, tax returns, and business plans of the Debtors;
- Documents relating to the evaluation of Debtors' management;
- Documents relating to all potential alternative financing arrangements, refinancings, or restructuring efforts by or on behalf of the Debtors; and
- Documents relating to potential acquisitions of the Debtors.

These subpoena requests yielded approximately 33,000 documents, representing over 400,000 individual images. Of these, approximately 1,700 documents were isolated and coded as being most relevant to potential causes of action against Delaware Street or its principals. From these, the Committee's professionals developed a detailed 50 page, single spaced chronology of facts relevant to consideration of potential causes of action against Delaware Street and its principals. All documents were hosted on a private vendor's "Relativity"® e-discovery review platform, through which full conditional keyword, text, date-range, and other refined searches could be conducted across the entire repository of data to isolate and interlink documents relevant to the investigation. The Committee's professionals also conducted extensive interviews of representatives from the entities that had commenced the Shareholder Suit and discussed, reviewed, developed, and tested preliminary findings and theories of liability.

Through the course of the Committee's investigation, the Committee was advised by its financial advisors at Crowe Horwath LLP, who undertook their own independent financial assessment of the Delaware Street loans from inception to date. This analysis included a review of detailed historical financial information, culled from numerous sources to gain comfort that the information was complete, through which it constructed a model reflecting the monthly accrual of interest on the numerous Delaware Street loans during this time frame. This enabled the Committee to analyze the impact upon the loan balance of reducing interest rates over time on a loan per loan basis, an essential tool in evaluating the potential litigation scenarios. This included detailed sensitivity analyses showing the impact on Delaware Street loan balances of changes in interest rates and methods by which interest on the loans could accrue.

The Committee's professionals then reviewed the facts gathered and analyses performed in light of potential causes of action challenging the validity, extent, and priority of the Delaware Street loans or for possible inequitable conduct by Delaware Street, its principals, and members of the Debtors' management. Among the causes of action considered were the following:

recharacterization of debt to equity; readjustment of interest rate accruals; equitable subordination; fraudulent transfer; preferential transfer; illegal dividend; and breach of fiduciary duty. In all, the Committee's professionals expended nearly 1,200 hours in its investigation and analysis of potential causes of action against Delaware Street and its principals.

Following this extensive analysis, on May 8, 2012, the Committee's chairman (Peter Kravitz) and the Committee's professionals met with representatives of Delaware Street and the Debtors to discuss the Committee's analysis of its potential causes of action and the possibility of settlement. After lengthy discussion among the parties about the perceived strengths and weaknesses of potential derivative actions against Delaware Street and its principals and the range of possible litigation outcomes, the Committee, Delaware Street and the Debtors reached agreement on the key terms of the settlement that is incorporated into the Plan. The key terms of this settlement were as follows:

- Delaware Street shall consent to the Debtors use of its cash collateral pursuant to a budget and a form of cash collateral order, both in form and substance acceptable to Delaware Street, necessary for the Debtors and the Creditors' Committee to file, confirm and consummate the Plan.

- On and subject to the Effective Date of the Plan, Delaware Street shall carve out from its liens the Settlement Sum for the benefit of all General Unsecured Creditors holding Allowed Unsecured Claims as set forth as follows: (a) cash in the sum of \$333,000, (b) the first dollars of any Earnout payable to the Debtors by the Buyers for the calendar year ending December 31, 2012 in an amount not exceeding \$450,000, and (c) the first dollars of any Earnout payable to the Debtors by the Buyers for the calendar year ending December 31, 2013 in an amount not exceeding \$667,000 less any amount recovered by the General Unsecured Creditors under subpart (b) hereof. The Settlement Sum will fund the Hartford Liquidating Trust. The assets of the Hartford Liquidating Trust will be used to fund Distributions to the General Unsecured Creditors. Delaware Street shall waive its share of the General Unsecured Claims entitled to payment from the Hartford Trust Assets.

- Delaware Street shall consent to the use of its cash collateral in an amount necessary to pay all Administrative Expense Claims, Priority Tax Claims, and Priority Wage Claims, in an amount set forth in the Cash Collateral Budget plus up to an additional \$300,000.

- Subject to the Settlement Sum, all rights to collect any Earnouts payable by the Buyers shall be assigned to Delaware Street on the Effective Date.

- The claims set forth in the Shareholder Suit shall be deemed settled, released, and dismissed with prejudice as of the Effective Date and all other claims of the Debtors against Delaware Street shall be deemed released as of the Effective Date.

- Delaware Street will waive any deficiency claim and will not participate in any distributions to General Unsecured Creditors.

- All parties in interest will be permanently enjoined from prosecuting any claims relating to the Debtors against Delaware Street. The DSC Assigned Causes of Action, which

include claims against directors, officers, employees and agents of the Debtors (including Avoidance Actions) will be assigned to Delaware Street, and Delaware Street shall have exclusive standing to pursue such claims; provided, however, that if and to the extent that a director or officer of the Debtors files a non-administrative, non-priority claim against the Debtors which, if allowed, would be a General Unsecured Creditor, the Hartford Liquidating Trust may bring an avoidance action against such director or officer solely for purposes of offsetting against the amount of such non-administrative, non-priority claim, but may not seek affirmative recovery from such director or officer.

A significant factor in the decision to settle on the foregoing terms was based on an analysis of the potential impact of the most likely successful outcome under the most draconian of remedies, that of recharacterization of Delaware Street's debt to equity. The Committee viewed the most likely candidates for recharacterization of all the Delaware Street loans to be the so-called Term Loans "C," "D" and "E" that were made in 2005 after Delaware Street had taken a controlling position on the Debtor's board and thereby had become an insider of the Debtor. Because Delaware Street's approximately \$41 million in "A" and "B" loans were initiated before Delaware Street became an insider of the Debtors, and based on other significant factors (including Delaware Street's apparent intent—as reflected in documents generated at the time—that these advances be characterized as loans), the parties significantly discounted the likelihood that the Committee would succeed in efforts to recharacterize these Term Loans "A" and "B". Even complete recharacterization of Term Loans "C," "D" and "E" as equity eliminated only \$24 million of the \$65 million in outstanding unavoidable obligations owed to Delaware Street as of the Petition Date. With maximum resultant sale proceeds from the Avnet sale of only \$34 million available for distribution in a Plan, however, even such complete recharacterization would have left nothing for unsecured creditors.

The Committee considered its best next theory of attack a characterization of the interest charged under the "A" and "B" as fraudulent transfers to the extent they were accruing at above market rates. Such a cause of action, however, would necessarily be limited by statute to amounts accruing within four years of the Petition Date (and not the inception of the loan). Based on the sensitivity analyses performed by the Crowe Horwath, excessive interest accruing on the Delaware Street revolver and the "A" and "B" loans was projected at approximately \$10.6 million. Adding this amount to the \$24 million of potential recharacterized debt under Term Loans "C," "D" and "E" described above brought the total potential disallowance of Delaware Street's aggregate claim to \$34.6 million, leaving Delaware Street with a resultant potential allowable claim of approximately \$31.4 million. When compared to approximately \$34 million of sale proceeds available for distribution to creditors of the Debtors' estate, and accounting for (A) up to \$600,000 in administrative and priority claims that would take priority over unsecured creditors and reduce litigation recoveries but for Delaware Street's agreement to continued use of cash collateral and to fund payments of these amounts in the Plan, (B) projected legal and expert fees that would be incurred if the Committee were entirely successful in its case against Delaware Street (including up to \$500,000 in potential out-of-pocket costs for experts, pre-trial, and trial costs) and contingency legal fees equal to at least 33% of recovered amounts (and possibly as high as 40% if the matter went to trial), which would further reduce potential recoveries to unsecured creditors by between \$2.0-2.5 million, (C) uncertainty in outcome in the litigation, (D) years of litigation delays, and (E) the Debtors' projections of a total unsecured creditor pool of only approximately \$2.5 million to \$3.5 million.

In order for the Class III General Unsecured Creditors to obtain the benefits of this proposed settlement, Delaware Street insisted that the Committee release all derivative claims brought or that could have been brought by or through the Debtors (including all claims asserted in the Shareholder Suit, which the Debtors, the Committee and Delaware Street believe are entirely derivative in nature), dismissal of the Shareholder Suit with prejudice on the Effective Date, and release by the Debtors, the Committee, and other parties affected by the Plan of all claims or actions in any way related to the Debtors that were or could have been asserted prior to the Effective Date against Delaware Street and its affiliates, partners, members, officers, directors, employees, and agents. The Committee determined that the proposed settlement outlined above (\$1 million cash plus non-insider avoidance actions and funding of administrative and priority claims by Delaware Street in the amounts set forth in the Cash Collateral Budget plus up to an additional \$300,000) was well within the range of reasonably expected outcomes and offered a measure of certainty that was clearly in the best interests of Class III General Unsecured Creditors to accept.

The Committee's investigation also considered the primary allegations contained in the Shareholder Suit against Delaware Street, its principals, and certain of the Debtors' officers and directors that Delaware Street and its principals (i) devised a plan to withhold principal and interest payments of its debt in order to drive the Debtors into bankruptcy and recoup its initial investment and approximately \$35 million in interest while depriving lesser priority claimants and equity interest holders from any recoveries and (ii) breached their fiduciary duties by not attempting to pay down, renegotiate, or refinance the Delaware Street debt despite the high interest rates being charged and the favorable investment climate for refinancing loans between 2006 and 2008.

The Committee's investigation did not reveal sufficient facts, supported by verifiable documentary evidence, that would support rejecting the proposed favorable settlement in favor of pursuing a hotly contested, fact-intensive litigation that would more likely than not have an unfavorable outcome for the Committee (assuming the costs alone could be adequately funded). Significant to the Committee in this regard was the fact that the Debtors themselves were losing significant money from operations until 2008-2009 and had serious, documented operational and internal control weaknesses at the time Delaware Street made loans to the Debtors. As a result, it is likely that the Debtors would have defaulted under any refinancing attempted with any third-party lender, potentially dooming the entire operation to the detriment of all involved. In addition, the general ledger data reviewed by the Committee's professionals, along with documents received from Delaware Street, support the contention that in the four years preceding the Petition Date, Delaware Street accrued interest on at least one-half of the interest due on Term Loans "A", "B" and "C", received no interest on Term Loans "D" and "E", advanced approximately \$4.1 million in additional loans on which principal appears not to have been paid, and were paid only approximately \$144,000 in accrued interest monthly on the outstanding revolver and Term Loan "A", "B", and "C" balances that aggregated at least approximately \$21.8 million (or approximately 8% simple interest).

The investigation also did not suggest to the Committee that Delaware Street or its principals were operating the Debtors with any intent to profit at the expense of unsecured creditors. Rather, it appears that once the operational and internal control weaknesses were

stabilized, the Debtors' operations began to turn around such that they actually earned profits and were experiencing significant revenue growth during the challenging economic period of 2008 and 2009. This favorable period of revenue and earnings growth was seized upon by the Debtors and Delaware Street as an opportunity to maximize and realize full enterprise value for the Debtors' operations through a possible sale. In the end, by virtue of the sale to Avnet as approved by the Bankruptcy Court, the value of the Debtors appears to have been maximized at a price that did not seem achievable in previous years. The Committee further notes in this regard that the Debtors were relatively current with their creditor/vendor base and that the total general unsecured claims pool of approximately \$3.5-\$4 million is relatively modest compared to the Debtors' approximately \$60 million of annual operating costs and \$22 million in annual SG&A expense in the year preceding the Petition Date.

The Prepetition Subordinated Lender and the Financial PO Lender (collectively, the "Noteholders") believe that the Committee has undervalued both available Avoidance Actions against the Debtors' insiders as well as the causes of action set forth in Shareholder Suit. The Noteholders assert that the Debtors' insiders received several million dollars in potential Avoidance Actions and believe that actions to recover such Avoidance Actions on behalf of the Debtors' estates have meaningful value on their own, let alone in combination with the other causes of action set forth in the Shareholder Suit. The Noteholders believe that the settlement of the claims of the Debtors' and their estates that is set forth in the Plan greatly undervalues such claims and, as such, the Noteholders believe that a far greater recovery for General Unsecured Creditors can be achieved by pursuing the causes of action in the Shareholder Suit and Avoidance Actions against the Debtors' insiders. In addition to evaluating the claims set forth in the Shareholder Suit as discussed above, in connection with entering into the proposed settlement the Committee also evaluated all transfers to the Debtors insiders for potential avoidability. The Committee believes the Noteholders' contentions exaggerate both the dollar amount of the transfers at issue, and the potential recoveries therefrom, and that the proposed settlement remains advantageous to unsecured creditors relative to any possible recovery from such Avoidance Actions.

2.11. **Shareholder Suit.** Prior to the Petition Date, several entities filed the Shareholder Suit, a lawsuit in Delaware state court against Delaware Street, certain of its officers, Hartford Group and certain of its officers seeking, inter alia, to challenge Delaware Street's claims in these Chapter 11 Cases. The Shareholder Suit was stayed by the Debtors' bankruptcy filing. On March 9, 2012, the Debtors removed the state court lawsuit to the United States District Court for the District of Delaware and have subsequently filed a motion to transfer venue to the Bankruptcy Court. Their motion to transfer venue is pending at this time. As set forth above, pursuant to the Creditors' Committee/Delaware Street Settlement, the claims set forth in the Shareholder Suit will be deemed settled, released and dismissed with prejudice as of the Effective Date.

### 3. **SUMMARY OF THE PLAN.**

3.1. **Purpose of the Plan.** The Debtors proposed the Plan, in consultation with the Creditors' Committee and Delaware Street, over the alternative of converting the Debtors' bankruptcy cases to chapter 7 of the Bankruptcy Code because the Debtors believe that the Plan:

(i) provides a more orderly liquidation and a greater recovery to creditors than a chapter 7 liquidation, (ii) consummates a settlement between the Debtors, the Creditors' Committee, and Delaware Street that results in the funding of the Plan and the full payment of Chapter 11 administrative expenses, and (iii) avoids unnecessary costs to the Debtors' estates which would accrue should the Debtors' bankruptcy cases be converted to chapter 7 of the Bankruptcy Code.

3.2. **Classification of Claims and Interests under the Plan.** All Allowed Claims and Interests, except the Allowed Unclassified Claims, are placed in the Classes set forth in Article III of the Plan. In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims (including Professional Fee Claims), Allowed Priority Wage Claims, and Priority Tax Claims have not been classified. A Claim or Interest is classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and is classified in other Classes to the extent that any remainder of the Claim or Interest qualifies within the description of such other Classes.

3.3. **Treatment of Allowed Claims under the Plan.** As set forth in Article III of the Plan, the Record Holders of Allowed Claims shall be treated as follows:

3.3.1. **Allowed Class I Secured Claims.** The only Holder of Class I Claims is Delaware Street, and pursuant to the settlement set forth herein, Delaware Street has an Allowed Class I Claim secured by substantially all of the Debtors' assets in the amount of \$61,497,313. The Holder of each Allowed Class I Secured Claim shall receive Cash distributed on the Effective Date in an amount equal to all remaining proceeds of the Avnet Transaction, and all Excess Cash, less Cash portion of the Settlement Sum, which shall be paid by the Debtors to the Hartford Liquidating Trust. In addition, on the Effective Date, Delaware Street shall be assigned the right to receive the Earnout (subject to the requirement that any amount thereof included in the Settlement Sum be turned over to the Hartford Liquidating Trust), any interest of the Debtors in any tax refund, or any deposit, deposit account, certificate of deposit, bank, brokerage or similar account, trust account, reserve account, escrow account or the like, and the DSC Assigned Causes of Action.

3.3.2. **Allowed Class II Claims.** The Holders of Allowed Class II Subordinated Secured Claims shall receive no Distributions through the Plan. The Noteholders have informed the Debtors that the Noteholders intend to challenge this aspect of the Plan. Specifically, the Noteholders intend to bring an action in this Court in order to void the subordination provisions in the Restructuring Agreement as a result of what the Noteholders allege constitutes inequitable conduct of Delaware Street. The Debtors believe that the Noteholders' claims may be separately classified as Class II Subordinate Secured Claims rather than as Class III General Unsecured Claims pursuant to the Restructuring Agreement. The Noteholders believe that they will be successful in their challenge to the subordination provisions of the Restructuring Agreement and, as a result, there will no longer be a justification for the separate classification of the Noteholders' claims as Class II Subordinate Secured Claims rather than as Class III General Unsecured Claims and, once reclassified as Class III General Unsecured Claims, the Noteholders will share, on a pro-rata basis with the rest of the General Unsecured Creditors, in the Harford Trust Assets. The Noteholders estimate that the inclusion of their claims as

Class III General Unsecured Claims will dilute the recovery available to the other General Unsecured Creditors between forty-seven percent (47%) and fifty-five percent (55%). The Committee and the Debtors disagree with the Noteholders' position because, among other things, (a) Section 510(a) of the Bankruptcy Code provides that "[a] subordination agreement is enforceable in a case under this title to the same extent that such agreement is enforceable under applicable non-bankruptcy law", and (b) the Noteholders have never articulated, nor has the Committee's investigation yielded, facts sufficient or a legal basis to disregard the enforceable subordination provisions mandating the subordination of the Class II Claims.

3.3.3. **Allowed Class III Claims.** Pursuant to the terms of the Hartford Liquidating Trust Agreement, the Record Holders of Allowed General Unsecured Claims (excluding any deficiency claim of Delaware Street under Section 506(a) of the Bankruptcy Code) shall become beneficiaries of the Hartford Liquidating Trust, and shall share pro rata in Distributions of the Hartford Trust Assets in the manner provided in the Hartford Liquidating Trust Agreement.

3.4. **Implementation and Execution of the Plan.**

3.4.1. **Effective Date.** The Plan shall become effective on the date which is the first Business Day on which each condition set forth in Article V of the Plan has been satisfied or waived as set forth therein.

3.5. **The Hartford Liquidating Trust.**

3.5.1. **Establishment of Hartford Liquidating Trust.** The Debtors shall transfer all of the Hartford Trust Assets to the Hartford Liquidating Trust on the Effective Date. Such transfer of assets shall be free and clear of all liens, claims, and encumbrances.

3.5.2. **Execution of Hartford Liquidating Trust Agreement.** On the Effective Date, the Hartford Liquidating Trust Agreement, in a form consistent with the Plan, shall be executed, and all other necessary steps shall be taken to establish the Hartford Liquidating Trust.

3.5.3. **Authority and Role of the Hartford Liquidating Trustee.** The Hartford Liquidating Trustee shall be Peter Kravitz, who is serving as the chairperson of the Creditors' Committee. In furtherance of and consistent with the purpose of the Hartford Liquidating Trust and the Plan, the Hartford Liquidating Trustee shall be deemed to be a judicial substitute for each of the Debtors as the party-in-interest in these Bankruptcy Cases, under the Plan or in any judicial proceeding or appeal to which the Debtor is a party, consistent with section 1123(b)(3)(B) of the Bankruptcy Code and section 303 of the Delaware General Corporation Law, and is appointed as the representative of the Estates for all purposes, including for the retention and enforcement of all claims and rights, known and unknown, which arose prior to the Effective Date, except as provided for

in the Plan and the Hartford Liquidating Trust Agreement. On the Effective Date or the Outside Date, whichever is later, the current officers and directors of each of the Debtors, including, without limitation, the Chief Restructuring Officer, shall be deemed to have resigned and shall be fully discharged from their responsibilities and duties as officers and directors of the Debtors.

- 3.5.4. **Authorization**. The Hartford Liquidating Trustee shall be empowered and authorized to, among other things: (a) liquidate the Hartford Trust Assets; (b) make one or more Distributions after the Effective Date of Hartford Trust Assets pursuant to his reasonable business judgment and in accordance with the Hartford Liquidating Trust Agreement; (c) pursue, in accordance with his reasonable business judgment, Identified Avoidance Actions; (d) after December 1, 2013 pursue, in accordance with his reasonable business judgment, Avoidance Actions against any Person (except DSC Assigned Causes of Action and any Cause of Action released pursuant to the Plan); (e) retain and/or employ professionals; (f) after the Outside Date, exercise all power and authority that may be exercised by any officer, director or Holder of an Interest in such Debtor with like effect as if authorized, exercised and taken by unanimous consent of such officers, directors or Holders of Interests; (g) pursue objections to, and estimations and settlements of, Class III Claims; (h) prosecute any Causes of Action of the Estates, except the DSC Assigned Causes of Action and Causes of Action released pursuant to the Plan; provided, however, that, as set forth in the Hartford Liquidating Trust Agreement, prior to December 1, 2013, the Hartford Liquidating Trustee may only commence Avoidance Actions that constitute Identified Avoidance Actions; (i) calculate and implement all Distributions to be made under this Plan to Creditors holding Allowed Class III Claims pursuant to the Hartford Liquidating Trust Agreement; (j) market, sell, lease, or otherwise dispose of or realize the value of all Hartford Liquidating Trust Assets; (k) file all required tax returns and pay taxes and all other obligations on behalf of the Hartford Liquidating Trust; (l) file required operating reports and quarterly reports relating to the Hartford Liquidating Trust; and/or (m) take all other actions to complete the liquidation, dissolution and wind-up of the Hartford Liquidating Trust in accordance with applicable non-bankruptcy law. The Hartford Liquidating Trustee shall serve as the disbursing agent for holders of Allowed Class III Claims. The Hartford Liquidating Trustee shall also be authorized and directed to review, object to, prosecute, negotiate, settle or otherwise compromise any Disputed Class III Claims, pending Causes of Action or other Avoidance Actions (but specifically excluding the DSC Assigned Causes of Action and Causes of Action released pursuant to the Plan), in each case in accordance with Bankruptcy Rule 9019; provided, however, that any Disputed Class III Claim may be settled by the Hartford Liquidating Trustee in an amount less than \$50,000 without the need for Bankruptcy Court approval under Bankruptcy Rule

9019 or otherwise. The powers granted to the Hartford Liquidating Trustee shall be exercisable without further approval of the Court.

- 3.5.5. **Liquidation of Assets.** The Debtors shall pursue the recovery and liquidation of any remaining miscellaneous Assets, other than the Hartford Trust Assets, the DSC Assigned Causes of Action, and any Claims or Causes of Action released by this Plan, in a commercially reasonable manner. The Hartford Liquidating Trustee shall pursue recovery of Hartford Liquidating Trust Assets in accordance with the terms of the Hartford Liquidating Trust Agreement.
- 3.5.6. **Compensation of the Hartford Liquidating Trustee and the Hartford Liquidating Trustee's Professionals.** The Hartford Liquidating Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar professionals in similar types of bankruptcy proceedings. The costs and expenses of the Hartford Liquidating Trustee, including the fees and expenses of the Hartford Liquidating Trustee and his retained professionals, shall be paid out of the Hartford Trust Assets and shall be paid without further Bankruptcy Court approval and in the Hartford Liquidating Trustee's reasonable business judgment. The Hartford Liquidating Trustee shall maintain appropriate reserves to fund administrative expenses and operating expenses during the implementation of the Plan. Such reserves shall be established by the Hartford Liquidating Trustee in accordance with his reasonable business judgment.
- 3.5.7. **Execution of Documents.** The Debtors and Hartford Liquidating Trustee, as applicable, may execute any and all documents and instruments necessary to effectuate the Plan.
- 3.5.8. **Cash.** The Hartford Liquidating Trustee may invest Cash of the Hartford Liquidating Trust (including any earnings thereon); provided, however, that such investments are investments permitted to be made by a liquidating trust within the meaning of Treasury Regulation section 301.7701-4(d), as reflected therein, or under applicable Internal Revenue Service guidelines, rulings, or other controlling authorities.
- 3.5.9. **Retention of Professionals by the Hartford Liquidating Trustee.** The Hartford Liquidating Trustee may retain and reasonably compensate counsel and other professionals to assist in his or her duties on such terms as the Hartford Liquidating Trustee deems appropriate without Bankruptcy Court approval. The Hartford Liquidating Trustee may retain any professional who represented parties in interest in the Cases.
- 3.6. **Description of Projected Recoveries and Assets Available for Distribution.**

The Holders of Allowed General Unsecured Claims shall share, on a pro-rata basis, in the Hartford Trust Assets. The Hartford Trust Assets available to Holders of Allowed General Unsecured Claims will consist primarily of the Settlement Sum and the proceeds of the Causes of Action.

As referenced in the Debtors' chart of ranges of recoveries, the Debtors estimate that there will be approximately \$1,000,000 available for distribution to General Unsecured Creditors from the proceeds of the Hartford Trust Assets. However, the amount available for distribution to General Unsecured Creditors cannot be determined with certainty. There can be no assurance that the Debtors' estate will recover the estimates below from recoveries of Avoidance Actions. The Hartford Liquidating Trustee will commence approximately 25 Avoidance Actions seeking to avoid and recover transfers under sections 547 and 550 of the Bankruptcy Code. The Debtors estimate that they will recover approximately \$250,000 for the Avoidance Actions, net of costs. The Noteholders assert that the Debtors' insiders received several million dollars in potential Avoidance Actions and believe that actions to recover such Avoidance Actions on behalf of the Debtors' estates have meaningful value on their own, let alone in combination with the other causes of action set forth in the Shareholder Suit. The Noteholders believe that the settlement of the claims of the Debtors' and their estates that is set forth in the Plan greatly undervalues such claims and, as such, the Noteholders believe that a far greater recovery for General Unsecured Creditors can be achieved by pursuing the causes of action in the Shareholder Suit and Avoidance Actions against the Debtors' insiders. In addition to evaluating the claims set forth in the Shareholder Suit as discussed above, in connection with entering into the proposed settlement the Committee also evaluated all transfers to the Debtors insiders for potential avoidability. The Committee believes the Noteholders' contentions exaggerate both the dollar amount of the transfers at issue, and the potential recoveries therefrom, and that the proposed settlement remains advantageous to unsecured creditors relative to any possible recovery from such Avoidance Actions.

**3.6.1. Delivery of Distribution.** Any Distribution shall be made to Record Holders of Allowed Claims: (i) at the address set forth on the proof of claim Filed by such Holder, (ii) at the address set forth in any written notices of address change Filed by such Holder, (iii) at the addresses reflected in the Schedules if neither a proof of claim nor a written notice of address change has been Filed, or (iv) if the Holder's address is not listed in the Schedules, at the last known address of such Holder according to the Debtors' books and records. Except as otherwise provided for herein, ordered by the Bankruptcy Court, or otherwise, Distributions under the Plan shall be made as soon as is practicable on the later to occur of (a) the Effective Date, (b) when a Claim becomes an Allowed Claim, or (c) when sufficient Cash is available for a Distribution to a particular Class pursuant to the treatment of such Class under the Plan, as determined by the Debtors (in respect of Allowed Administrative Claims, Priority Tax Claims and Priority Wage Claims) and the Hartford Liquidating Trustee (in respect of Allowed Class III Claims) in accordance with their respective reasonable business judgment. The Debtors shall make all Distributions to Holders of Allowed Administrative Claims, Priority Tax Claims, and Priority Wage Claims due and payable on the Effective Date or the Outside Date, as appropriate. The Hartford Liquidating Trustee shall make all Distributions payable to Holders of Allowed Class III Claims.

In accordance with the provisions of the Hartford Liquidating Trust Agreement, the Hartford Liquidating Trustee shall establish a reserve of Cash that he estimates to be sufficient to satisfy incurred and anticipated post-Effective Date Claims to be incurred by the Hartford Liquidating Trustee and to fund the Distribution Reserve. The Hartford Liquidating Trustee may make any additional Distribution after the initial Distribution is made on or about the Effective Date as provided in the Hartford Liquidating Trust Agreement. Such additional Distribution may be made at such time(s) and in such amount(s) as are consistent with the Hartford Liquidating Trust Agreement.

3.7. **Procedures for Treating and Resolving Disputed Claims.** No payments or Distributions will be made with respect to all or any portion of a Disputed Claim unless and until all objections to such Disputed Claim have been settled or withdrawn or have been determined by a Final Order, and the Disputed Claim has become an Allowed Claim. All objections to Claims must be filed by the Hartford Liquidating Trustee or any other party in interest entitled to object under the Bankruptcy Code and/or Bankruptcy Rules on or before the Claims Objection Deadline. The Claims Objection Deadline may be extended by the Bankruptcy Court for cause shown. The filing of a motion to extend the Claims Objection Deadline shall automatically extend the Claims Objection Deadline until a Final Order is entered on such motion. In the event that such motion is denied, the Claims Objection Deadline shall be the later of the current Claims Objection Deadline (as previously extended, if applicable) or 30 days after the Bankruptcy Court's entry of an order denying the motion to extend the Claims Objection Deadline. Following the Effective Date, the Hartford Liquidating Trustee shall have the exclusive authority to object to Class III Claims.

3.7.1. **Distribution Reserve.** The Hartford Liquidating Trustee will withhold the Distribution Reserve from the property to be distributed to Holders of Allowed Class III Claims. The Hartford Liquidating Trustee may request that the Bankruptcy Court estimate for purposes of allowance any Disputed Class III Claim, and the Hartford Liquidating Trustee will withhold the Distribution Reserve based upon the estimated amount of each such Disputed Class III Claim as determined by Final Order of the Bankruptcy Court. If the Hartford Liquidating Trustee elects not to request such estimation from the Bankruptcy Court with respect to a Disputed Class III Claim that is contingent or unliquidated, the Hartford Liquidating Trustee will withhold the Distribution Reserve based upon the appropriate pro rata percentage distribution of the Face Amount of such Claim. The Distribution Reserve shall be closed and extinguished by the Hartford Liquidating Trustee when all distributions and other dispositions of Cash or other property required to be made therefrom under the Hartford Liquidating Trust have been made. Upon closure of the Distribution Reserve, all Cash and other property held therein shall become part of the general Hartford Trust Assets.

3.7.2. **Distributions After Allowance.** Payments and Distributions on account of a Disputed Claim, to the extent that such Disputed Claim ultimately becomes an Allowed Claim, will be made in accordance with provisions of the Plan that govern the Class in which such Claim is classified.

Distributions on account of Disputed Class III Claims shall be made in accordance with the terms of the Hartford Liquidating Trust Agreement. All Distributions made under this Section of the Plan on account of an Allowed Claim shall be made as if such Claim had been an Allowed Claim on the dates Distributions were previously made to Allowed Claims.

3.8. **Substantive Consolidation.** For the purposes of the Cases and the Plan only, all Assets of and Claims against the Debtors will be deemed to be substantively consolidated. As a result, Claims filed against multiple Debtors seeking recovery of the same debt shall be treated as one Claim against the consolidated Debtors' estates to the extent such Claim is an Allowed Claim. Claims of Debtors against other Debtors will be disregarded for both voting and Distribution purposes.

3.9. **The Hartford Liquidating Trustees' Abandonment, Disposal and/or Destruction of the Records.** Pursuant to section 554 of the Bankruptcy Code, the Hartford Liquidating Trustee shall be authorized to abandon all originals and/or copies of documents and business records upon order of the Bankruptcy Court obtained on motion on twenty days negative notice to the Debtors' Bankruptcy Rule 2002 service list.

3.10. **Executory Contracts and Unexpired Leases.** As stated in Article IV of the Plan, the Debtors believe that all executory contracts and unexpired leases of the Debtors were assumed and assigned, or rejected, during the Cases. Accordingly, Article IV of the Plan is included out of an abundance of caution and (i) provides that all executory contracts and unexpired leases of the Debtors which are not assumed and assigned, or rejected, prior to the Confirmation Date, if any, shall be deemed rejected and (ii) sets forth procedures for asserting and resolving Rejection Claims, if any.

3.11. **Assignments to Delaware Street.**

3.11.1. **Earnouts.** As of the Effective Date, subject to the Settlement Sum, all rights to collect the Earnout shall be assigned to Delaware Street.

3.11.2. **DSC Assigned Causes of Action.** As of the Effective Date, the DSC Assigned Causes of Action shall be assigned to Delaware Street and/or released by the Debtors and the Hartford Liquidating Trust. Upon the Effective Date, Delaware Street shall have exclusive standing to bring the DSC Assigned Causes of Action; provided, however, that if and to the extent that a director or officer of the Debtors files a claim against the Debtors (other than a claim scheduled by the Debtors and not scheduled as disputed, unliquidated or contingent) which, if allowed, would be a beneficiary of the Hartford Liquidating Trust, the Hartford Liquidating Trust may bring an Avoidance Action against such director or officer solely for purposes of offsetting against the amount of such claim, but may not seek affirmative recovery from such director or officer.

3.12. **Debtors' Duties and Rights.**

- 3.12.1. **Tax Returns.** The Debtors shall be responsive for filing their own tax returns for periods prior to the Effective Date.
- 3.12.2. **Dissolution of the Debtors.** On later of the Effective Date or the Outside Date, or as soon thereafter as is reasonably practicable, the Debtors shall be authorized to take all actions necessary to effect the dissolution of any of the Debtors as corporate entities without the need for any further action or approval; provided, however, that the entry of the Final Decree in these Cases shall effect such dissolution of all remaining Debtors to the extent permissible under applicable law.
- 3.12.3. **Administrative Claims and Priority Claims.**
- 3.12.3.1. **Reconciliation and Allowance.** Before and after the Effective Date, and until the Outside Date, the Debtors shall be responsible for and empowered to review, adjudicate and/or settle any and all Administrative Claims, Priority Tax Claims, Professional Fee Claims, and Priority Wage Claims.
- 3.12.3.2. **Administrative and Priority Reserve.** On the Effective Date, the Debtors will establish and maintain a reserve of Cash in an amount to be agreed upon by the Debtors and Delaware Street for the payment of Administrative Claims, Priority Tax Claims, Professional Fee Claims, and Priority Wage Claims that are disputed.
- 3.12.3.3. **Distributions After Allowance.** Payments from the reserve on account of disputed Administrative Claims, Priority Tax Claims, Professional Fee Claims, and Priority Wage Claims, to the extent that such disputed Administrative Claims, Priority Tax Claims, Professional Fee Claims, and Priority Wage Claims ultimately become Allowed Claims, will be made within thirty (30) days after the date when the order or judgment of the Bankruptcy Court allowing all or part of such Administrative Claims, Professional Fee Claims, Priority Tax Claims, and Priority Wage Claims.
- 3.12.3.4. **Return of Excess Reserve to Delaware Street.** After the adjudication of all Disputed Administrative Claims, Priority Tax Claims, Professional Fee Claims, and Priority Wage Claims and payment of the Allowed amounts thereof, any remaining Cash in the reserve established pursuant to Section 2.15.2 hereof shall become Excess Cash and shall be distributed to Delaware Street pursuant to the Plan.

3.13. **Conditions Precedent to Confirmation and Consummation of the Plan.** Article V of the Plan sets forth the conditions that must occur prior to both Confirmation of the Plan and the occurrence of the Effective Date. Article V also describes the ability of the Debtors, the Creditors' Committee, and Delaware Street to waive such conditions, as well as the effect of non-occurrence of the conditions to the Effective Date, including the vacation of the Confirmation Order. If the Confirmation Order is vacated pursuant to section 5.3 of the Plan, (i) the Plan shall be null and void in all respects; and (ii) nothing contained in the Plan shall (a) constitute a waiver or release of any Claims by or against, or any Interest in, the Debtors or (b) prejudice in any manner the rights of the Debtors or any other party in interest.

3.14. **Miscellaneous Provisions.** Article VI of the Plan contains several miscellaneous provisions, including: (i) the retention of jurisdiction by the Bankruptcy Court over certain matters following the Confirmation Date; (ii) the payment of statutory fees pursuant to 28 U.S.C. section 1930; (iii) the dissolution of the Creditors' Committee; and (iv) the termination of Kurtzman Carson Consultants LLC in its capacity as claims, noticing and balloting agent.

3.15. **The Professional Fee Claims Bar Date.** Any and all applications for the final allowance of Professional Fee Claims shall be Filed and served upon counsel to the Debtors, counsel to the Creditors' Committee, the United States Trustee, and all Persons on the Debtors' Bankruptcy Rule 2002 service list on or before the Professional Fee Claim Bar Date.

3.16. **Final Fee Hearing.** A hearing on final allowance of Professional Fee Claims shall be held as soon as practicable after the Professional Fee Claim Bar Date. The Debtors' counsel shall File a notice of the Final Fee Hearing. Such notice shall be posted on the Noticing Agent Website, and served upon counsel for the Creditors' Committee, all Professionals, the United States Trustee and all parties on the Debtors' Bankruptcy Rule 2002 service list. No professional fees in excess of the amounts allocated in the Cash Collateral Order shall be Allowed Professional Fees payable by the Debtors or from the reserves created under the Plan, but all Professional Fee Claims of the professionals for the Creditors' Committee that were not paid from funds allocated to them pursuant to the Cash Collateral Order shall be paid from the Hartford Trust Assets, as provided in the Hartford Liquidating Trust Agreement.

**3.17. ADDITIONALLY, PLEASE NOTE THAT SECTIONS 6.13, 6.14, AND 6.15 OF THE PLAN GOVERN THE EXCULPATION AND LIMITATION OF LIABILITY OF CERTAIN PARTIES WITH RESPECT TO THE CASES, INCLUDING RELEASES INVOLVING DELAWARE STREET. PLEASE REVIEW THOSE PROVISIONS CAREFULLY.**

#### 4. **FEASIBILITY.**

##### 4.1. **Financial Feasibility Analysis.**

4.1.1. **Bankruptcy Code Standard.** The Bankruptcy Code requires that, in order to confirm a plan, the Bankruptcy Court must find that confirmation of such plan is not likely to be followed by the liquidation or the need for further financial reorganization of the debtor(s) unless contemplated by the plan.

4.1.2. **No Need for Further Reorganization of Debtors.** The Plan provides for the liquidation and distribution of all of the Debtors' Assets. Accordingly, the Debtors believe that all Plan obligations will be satisfied without the need for further reorganization of the Debtors.

5. **BEST INTERESTS OF CREDITORS AND ALTERNATIVES TO PLAN.**

5.1. **Chapter 7 Liquidation.**

5.1.1. **Plan is in the Best Interests of Creditors.** Notwithstanding acceptance of the Plan by a voting Impaired Class, in order to confirm the Plan, the Bankruptcy Court must determine that the Plan is in the best interests of each Holder of a Claim or Interest in any such Impaired Class which has not voted to accept the Plan. Accordingly, if an Impaired Class does not vote unanimously to accept the Plan, the best interests test requires the Bankruptcy Court to find that the Plan provides to each member of such Impaired Class a recovery on account of the Class member's Claim or Interest that has a value, as of the Effective Date, at least equal to the value of the recovery that each such Class member would receive if the Debtors were liquidated under chapter 7.

The Debtors believe that the Plan satisfies the best interests test, because, among other things, the recoveries expected to be available to Holders of Allowed Claims under the Plan will be greater than the recoveries expected to be available in a chapter 7 liquidation.

In a typical chapter 7 case, a trustee is elected or appointed to liquidate a debtor's assets for distribution to creditors in accordance with the priorities set forth in the Bankruptcy Code. Generally, secured creditors are paid first from the proceeds of sales of the properties securing their liens. If any assets are remaining in the bankruptcy estate after satisfaction of secured creditors' claims from their collateral, administrative expenses are next to receive payment. Unsecured creditors are paid from any remaining sales proceeds, according to their respective priorities. Unsecured creditors with the same priority share in proportion to the amount of their allowed claims in relationship to the total amount of allowed claims held by all unsecured creditors with the same priority. Finally, equity interests are cancelled.

Substantially all of the Debtors' Assets have already been liquidated during the Cases through the sale consummated by the Debtors pursuant to the Sale Order. All of the proceeds of the sale and all of the Debtors other assets, other than Avoidance Actions, constitute collateral of Delaware Street. In light of this, the Proponents believe that the Plan provides the best source of recovery to Holders of Allowed General Unsecured Claims. Because all of the proceeds constitute collateral of Delaware Street and the Debtors' belief that the Settlement Sum would not be made available in a chapter 7 scenario, a chapter 7 would not provide a timely Distribution to Holders of Class III Claims and would likely not provide a Distribution to Holders of such Claims at all because of the lack of

unencumbered funds available. The Proponents believe that, absent the Plan, it is not even likely that administrative or priority claims could be paid in full in a Chapter 7 scenario. The fees and expenses that would be incurred during a chapter 7 liquidation, including potential added time and expense incurred by the Trustee and any retained professionals in familiarizing themselves with the Cases, would only further diminish the likelihood of any recovery by Class III Claims, and reduce the recoveries that might be available to Allowed Administrative and Priority Claims from recoveries from Avoidance Actions, which constitute the only unencumbered assets of the estates. Attached as Exhibit B to this Disclosure Statement is a liquidation analysis performed by the Debtors which substantiates the Debtors' view that the Debtors' Plan provides greater recoveries to creditors than a chapter 7 liquidation.

Accordingly, the Debtors believe that the Plan is in the best interests of Creditors.

5.2 **Alternative Plan(s).** The Debtors do not believe that there are any alternative plans. The Debtors believe that the Plan, as described herein, enables Holders of Claims to realize the greatest possible value under the circumstances, and that, compared to any alternative plan, the Plan has the greatest chance to be confirmed and consummated.

## 6. **RISK FACTORS.**

Holders of Claims who are entitled to vote on the Plan should read and carefully consider the following factors, as well as the other information set forth in this Disclosure Statement and the Plan, before deciding whether to vote to accept or reject the Plan.

### 6.1. **Certain Bankruptcy Considerations.**

Even if the Impaired Voting Class votes to accept the Plan, the Court may exercise substantial discretion and may choose not to confirm the Plan. Section 1129 of the Bankruptcy Code requires, among other things, that the value of Distributions to dissenting Holders of Claims or Interests may not be less than the value such Holders would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. Although the Proponents believe that the Plan will meet such requirement, there can be no assurance that the Court will reach the same conclusion.

### 6.2. **Claims Estimation.**

There can be no assurance that the estimated amount of Claims set forth in the Plan is correct, and the actual allowed amounts of Claims may differ from the estimates. The Debtors are in process of reconciling Claims, including tax Claims. Any value given as to the Claims against and the Assets of the Debtors is based upon an estimation of such value.

### 6.3 **Additional Recoveries.**

There can be no assurance by the Debtors that any additional liquidation proceeds will be generated from the liquidation of the Hartford Trust Assets for distribution to Holders of Allowed General Unsecured Claims.

7. **TAX CONSEQUENCES OF THE PLAN.**

THE DEBTORS HAVE NOT REQUESTED A RULING FROM THE IRS OR AN OPINION OF COUNSEL WITH RESPECT TO ANY OF THE TAX ASPECTS OF THE PLAN. THUS, NO ASSURANCE CAN BE GIVEN AS TO THE TAX CONSEQUENCES OF THE PLAN. EACH HOLDER OF A CLAIM OR EQUITY INTEREST IS URGED TO CONSULT ITS OWN TAX ADVISOR FOR THE FEDERAL, STATE, LOCAL AND OTHER TAX CONSEQUENCES APPLICABLE UNDER THE PLAN.

NO STATEMENT IN THIS DISCLOSURE STATEMENT SHOULD BE CONSTRUED AS LEGAL OR TAX ADVICE. THE DEBTORS AND THEIR PROFESSIONALS DO NOT ASSUME ANY RESPONSIBILITY OR LIABILITY FOR THE TAX CONSEQUENCES THE HOLDER OF A CLAIM MAY INCUR AS A RESULT OF THE TREATMENT AFFORDED ITS CLAIM UNDER THE PLAN AND DO NOT REPRESENT WHETHER THERE COULD BE ADDITIONAL TAX EXPOSURE TO THEMSELVES OR THEIR NON-DEBTOR AFFILIATES AS A RESULT OF THIS PLAN.

8. **CONCLUSION.**

It is important that you exercise your right to vote on the Plan. It is the Proponents' belief and recommendation that the Plan fairly and equitably provides for the treatment of all Claims against and Interests in the Debtors.

IN WITNESS WHEREOF, the Debtors have executed this Disclosure Statement this 6th day of August, 2012.

Exhibit B hereto contains a list of potential defendants to such Causes of Action and the nature of such action(s) that may be asserted against such Persons.

2.13 **Assignments to Delaware Street.**

2.13.1 **Earnouts.** As part of the treatment of its Allowed Class I Claim, as of the Effective Date, subject to the Settlement Sum, all rights to collect the Earnout shall be assigned to Delaware Street.

2.13.2 **DSC Assigned Causes of Action.** As part of the treatment of its Allowed Class I Claim, as of the Effective Date, the DSC Assigned Causes of Action shall be assigned to Delaware Street and/or released by the Debtors and the Hartford Liquidating Trust. Upon the Effective Date, Delaware Street shall have exclusive standing to bring the DSC Assigned Causes of Action; provided, however, that if and to the extent a director, officer, or Insider of the Debtors files a Claim against the Debtors (other than a Claim scheduled by the Debtors and not scheduled disputed, unliquidated, or contingent) which, if Allowed, would result in the Holder of that Claim becoming a beneficiary of the Hartford Liquidating Trust, the Hartford Liquidating Trust may bring an Avoidance Action against such Holder based on any Avoidance Action that could be asserted against such director, officer, or Insider solely for purposes of offsetting against the amount of such Claim, but may not seek affirmative recovery from such director, officer, or Insider in connection with such Avoidance Action.

2.14 **Debtors' Duties and Rights.**

2.14.1 **Tax Returns.** The Debtors shall be responsible for filing their own tax returns prior to and after the Effective Date.

2.14.2 **Dissolution of the Debtors.** On later of the Effective Date or the Outside Date, or as soon thereafter as is reasonably practicable, the Debtors shall be authorized to take all actions necessary to effect the dissolution of any of the Debtors as corporate entities without the need for any further action or approval; provided, however, that the entry of the Final Decree in these Cases shall effect such dissolution of all remaining Debtors to the extent permissible under applicable law.

2.15 **Administrative Claims and Priority Claims.**

2.15.1 **Reconciliation and Allowance.** Before and after the Effective Date, and until the Outside Date, the Debtors shall be responsible for and empowered to review, adjudicate and/or settle any and all Administrative Claims, Priority Tax Claims, Professional Fee Claims, and Priority Wage Claims.

2.15.2 **Administrative and Priority Reserve.** On the Effective Date, the Debtors will establish and maintain a reserve of Cash in an amount to be agreed upon by the Debtors and Delaware Street for the payment of Administrative Claims, Priority Tax Claims, Professional Fee Claims, and Priority Wage Claims that are disputed.

2.15.3 **Distributions After Allowance.** Payments from the reserve on account of disputed Administrative Claims, Priority Tax Claims, Professional Fee Claims, and Priority Wage Claims, to the extent that such disputed Administrative Claims, Priority Tax Claims, Professional Fee Claims, and Priority Wage Claims ultimately become Allowed Claims, will be made within thirty (30) days after the date when the order or judgment of the Bankruptcy Court allowing all or part of such Administrative Claims, Priority Tax Claims, Professional Fee Claims and Priority Wage Claims.

2.15.4 **Return of Excess Reserve to Delaware Street.** After the adjudication of all Disputed Administrative Claims, Priority Tax Claims, Professional Fee Claims, and Priority Wage Claims and payment of the Allowed amounts thereof, any remaining Cash in the reserve

established pursuant to Section 2.15.2 hereof shall become Excess Cash and shall be distributed to Delaware Street pursuant to Section 3.1 of this Plan.

### Article III

#### CLASSIFICATION AND PROVISIONS FOR TREATMENT OF CLAIMS AND INTERESTS

Pursuant to section 1122 of the Bankruptcy Code, set forth below is a designation of classes of Claims against and Interests in the Debtors. A Claim or Interest is placed in a particular Class for the purposes of voting on the Plan and receiving Distributions pursuant to the Plan only to the extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and such Claim or Interest has not been paid, released or otherwise settled. In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, Priority Tax Claims, and Priority Wage Claims have not been classified.

3.1 **Class I (Secured Claims - Delaware Street).** The only Holder of Class I Claims is Delaware Street, and pursuant to the settlement set forth herein, Delaware Street has an Allowed Class I Claim secured by substantially all of the Debtors' assets in the amount of \$61,497,313. The Holder of each Allowed Class I Secured Claim shall receive Cash distributed on the Effective Date in an amount equal to all remaining proceeds of the Avnet Transaction, and all Excess Cash, less the Cash portion of the Settlement Sum, which shall be paid by the Debtors to the Hartford Liquidating Trust. In addition, on the Effective Date, Delaware Street shall be assigned the right to receive the Earnout (subject to the requirement that any amount thereof included in the Settlement Sum be turned over to the Hartford Liquidating Trust), any interest of the Debtors in any tax refund, or any deposit, deposit account, certificate of deposit, bank, brokerage or similar account, trust account, reserve account, escrow account or the like, and the DSC Assigned Causes of Action.

3.2 **Class II (Subordinated Secured Claims).** The Holders of Allowed Class II Subordinated Secured Claims shall receive no Distributions through the Plan.

3.3 **Class III (Allowed General Unsecured Claims).** Pursuant to the terms of the Hartford Liquidating Trust Agreement, the Record Holders of Allowed General Unsecured Claims (excluding any deficiency claim of Delaware Street under Section 506(a) of the Bankruptcy Code) shall become beneficiaries of the Hartford Liquidating Trust, and shall share pro rata in Distributions of the Hartford Trust Assets in the manner provided in the Hartford Liquidating Trust Agreement.

3.4 **Class IV (Equity Interests).** Shareholders of the Debtors will retain no ownership interests in the Debtors under the Plan and such Interests shall be cancelled effective as of the Effective Date.

3.5 **Administrative Claims.** Except to the extent that a Holder of an Allowed Administrative Claim agrees to a different treatment, each Holder of an Allowed Administrative Claim shall receive, in full satisfaction, settlement and release of and in exchange for such Allowed Administrative Claim, Cash in an amount equal to such Allowed Administrative Claim, either (i) as soon as reasonably practicable after the Effective Date or (ii) if the Administrative

Claim is not Allowed as of the Effective Date, thirty (30) days after the date on which such Administrative Claim becomes an Allowed Administrative Claim; provided, however, that Allowed Administrative Claims representing obligations incurred in the ordinary course of business of the Debtors and/or the Hartford Liquidating Trustee may be paid by the Debtors and/or the Hartford Liquidating Trustee in the ordinary course, consistent with past practice of the Debtors and in accordance with the terms and subject to the conditions of any agreements governing, instruments evidencing, or other documents relating to, such transactions, without further action by the Holders of such Administrative Claims or further approval by the Bankruptcy Court. For the sake of clarity, no Administrative Claims shall be paid from the Hartford Liquidating Trust or the Hartford Trust Assets. If a Holder of a Claim under section 503(b)(9) is a defendant in a pending Avoidance Action, such Claim shall be deemed Disputed pursuant to section 502(d) of the Bankruptcy Code and shall become Allowed only after full resolution of the Avoidance Action, subject to any other valid and timely objections to the Claim asserted by the Hartford Liquidating Trustee under the Plan.

3.6 **Priority Tax Claims.** Except to the extent that any governmental unit entitled to payment of any Allowed Priority Tax Claim has previously agreed or agrees to a different treatment by stipulation or otherwise, pursuant to section 1129(a)(9) of the Bankruptcy Code, each Holder of an Allowed Priority Tax Claim shall receive, in full satisfaction, settlement and release of and in exchange for such Allowed Priority Tax Claim, Cash in an amount equal to such Allowed Priority Tax Claim, (i) as soon as reasonably practicable after the Effective Date or (ii) if the Priority Tax Claim is not Allowed as of the Effective Date, thirty (30) days after the date on which such Priority Tax Claim becomes an Allowed Priority Tax Claim. For the sake of clarity, no Priority Tax Claims shall be paid from the Hartford Liquidating Trust or the Hartford Trust Assets.

3.7 **Priority Wage Claims.** Except to the extent that a Person entitled to payment of any Allowed Priority Wage Claim has previously agreed or agrees to a different treatment by stipulation or otherwise, pursuant to section 1129(a)(9) of the Bankruptcy Code, each Holder of an Allowed Priority Wage Claim shall receive, in full satisfaction, settlement and release of and in exchange for such Allowed Priority Wage Claim, Cash in an amount equal to such Allowed Priority Wage Claim, (i) as soon as reasonably practicable after the Effective Date or (ii) if the Priority Wage Claim is not Allowed as of the Effective Date, thirty (30) days after the date on which such Priority Wage Claim becomes an Allowed Priority Wage Claim. For the sake of clarity, no Priority Wage Claims shall be paid from the Hartford Liquidating Trust or the Hartford Trust Assets.

## Article IV

### EXECUTORY CONTRACTS AND UNEXPIRED LEASES

4.1 **Background.** The Debtors believe that all executory contracts and unexpired leases of the Debtors were either assumed and assigned, or rejected, during the pendency of the Cases. Article IV of the Plan is included out of an abundance of caution.

4.2 **Executory Contracts and Unexpired Leases.** All prepetition executory contracts and prepetition unexpired leases of the Debtors which are not assumed and assigned, or rejected, prior to the Confirmation Date shall be deemed rejected as of the Confirmation Date.

4.3 **Rejection Claims.** Any Creditor asserting a claim for monetary damages as a result of the rejection of an executory contract or unexpired lease pursuant to the Confirmation Order shall file a proof of claim substantially in the form of Official Form 10 with the Clerk of the Bankruptcy Court (“**Rejection Claim**”), and serve it upon the Hartford Liquidating Trustee’s counsel by overnight mail within fourteen (14) days following the Confirmation Date. If a Rejection Claim is not timely filed, such Claim, if any, shall be forever disallowed and barred. If one or more Rejection Claims are filed, the Hartford Liquidating Trustee may file one or more objections to any Rejection Claims before the Claims Objection Deadline and serve such objection(s) upon the claimant and the claimant’s counsel, if any. If a Rejection Claim becomes Allowed, in full or in part, such Claim shall be a Class III Claim to the extent such Claim becomes Allowed.

## Article V

### CONDITIONS PRECEDENT TO CONFIRMATION AND CONSUMMATION OF THE PLAN

5.1 **Conditions to Confirmation.** The following shall be the conditions to confirmation unless such condition is duly waived pursuant to Section 5.3 of the Plan:

5.1.1 the Confirmation Order is entered by the Bankruptcy Court and is in form and substance reasonably satisfactory to the Debtors, Delaware Street, and the Committee;

5.1.2 unless waived by Delaware Street, the asserted unpaid Administrative Claims and Priority Claims to be paid pursuant to Sections 3.5, 3.6 and 3.7 hereof shall not exceed the amounts set forth in the Cash Collateral Budget by more than \$300,000.

5.2 **Conditions to Effective Date.** The Effective Date shall not occur and the Plan shall not be consummated unless and until each of the following conditions have been satisfied or duly waived pursuant to Section 5.3 of the Plan: (1) the Hartford Liquidating Trust Agreement shall have been duly executed by the parties; (2) the Bankruptcy Court shall have entered the Confirmation Order in form and substance reasonably satisfactory to the Debtors, Delaware Street, and the Committee, and (3) the Confirmation Order shall have become a Final Order.

5.3 **Effect of Nonoccurrence of Conditions to the Effective Date.** If each of the conditions to the Effective Date is not satisfied or duly waived in accordance with Sections 5.1 and 5.2 of the Plan, then upon a joint motion by the Debtors and the Creditors’ Committee (with the consent of Delaware Street) made before the time that each of such conditions has been satisfied or duly waived and upon notice to such parties in interest as the Bankruptcy Court may direct, the Confirmation Order may be vacated by the Bankruptcy Court; provided, however, that, notwithstanding the filing of such motion, the Confirmation Order may not be vacated if each of the conditions to the Effective Date is either satisfied or duly waived before the Bankruptcy Court enters an order granting such motion. If the Confirmation Order is vacated pursuant to this Section 5.3 of the Plan, (i) the Plan shall be null and void in all respects; and (ii) nothing contained in the Plan shall (a) constitute a waiver or release of any claims by or against, or any interest in, the Debtors or (b) prejudice in any manner the rights of the Debtors or any other party in interest.

## Article VI

6.1 **Binding Effect of the Plan.** The provisions of the Plan shall be binding upon all parties and inure to the benefit of the Debtors' estate and their respective predecessors, successors, assigns, agents, officers and directors. 6.8 **Revocation.** The Debtors reserve the right to revoke and withdraw the Plan prior to the entry of a Confirmation Order. If the Debtors revoke or withdraw the Plan, the Plan shall be deemed null and void and nothing contained herein shall be deemed to constitute a waiver or release of any claims by or against the Debtors, any other Person, or to prejudice in any manner the rights of such parties in any further proceedings involving the Debtors.

6.9 **Plan Controls.** In the event and to the extent that any provision of the Plan is inconsistent with the provisions of the Disclosure Statement, or any other agreement to be executed by any Person pursuant to the Plan, the provisions of the Plan shall control and take precedence. In the event of any inconsistency between any provision of any of the foregoing documents, and any provision of the Confirmation Order, the Confirmation Order shall control and take precedence.

6.10 **Statutory Fees.** All fees payable pursuant to 28 U.S.C. § 1930 shall be paid on the earlier of when due or the Effective Date, or as soon thereafter as practicable. From and after the Effective Date, the Hartford Liquidating Trustee shall be liable for and shall pay the fees under 28 U.S.C. § 1930 assessed against the Debtors' estate under 28 U.S.C. § 1930 until entry of a final decree closing the Case. In addition, the Hartford Liquidating Trustee shall file post-confirmation quarterly reports or any pre-confirmation monthly operating reports not filed as of the Confirmation Hearing in conformity with the U.S. Trustee guidelines, until entry of an order closing or converting the case. The U.S. Trustee shall not be required to file a request for payment of its quarterly fees, which shall be deemed an administrative claim against the Debtors and their estates.

6.11 **Dissolution of the Creditors' Committee.** On the Effective Date, the Creditors' Committee shall be dissolved and their members shall be deemed released of any continuing duties, responsibilities and obligations in connection with the Cases or the Plan and its implementation, and the retention and employment of the Creditors' Committees' attorneys, accountants and other agents shall terminate, except with respect to: (i) the Final Fee Hearing or (ii) any appeals of the Confirmation Order through the date such appeals are finally decided, settled, withdrawn or otherwise resolved.

6.13.2 **Delaware Street Releases.** In consideration for Delaware Street's provision of (a) the Settlement Sum, (b) use of Cash Collateral sufficient to satisfy Administrative Claims, Priority Tax Claims, and Priority Wage Claims as provided in Sections 3.5, 3.6, and 3.7, respectively, hereof and in the DIP Order and Cash Collateral Budget, which provisions are critical to the Debtors' ability to obtain confirmation of this Plan and to effectuate distributions to Holders of Allowed General Unsecured Claims, and (c) the waiver of the deficiency Claim otherwise permitted to it under Section 506(a) of the Bankruptcy Code, as of the Effective Date:

6.13.2.1 All claims asserted in the Shareholder Suit, all of which are derivative claims belonging to the Debtors, are hereby settled and released, and the Shareholder Suit shall be dismissed with prejudice on the Effective Date.

6.14 **Existing Injunctions and Stays:** Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Bankruptcy Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

6.15 **Plan Injunctions:**

6.15.1 From and after the Effective Date, except as otherwise expressly provided in the Plan or the Confirmation Order, all Persons shall be and are permanently enjoined from, and restrained against, commencing or continuing in any court, proceeding or other tribunal of any kind, any suit, action, or other proceeding, or otherwise asserting any Claim, Interest, or Cause of Action, which has been released pursuant to Sections 6.13.1 and 6.13.2 hereof or from seeking to hold any released Person liable in any such suit, action or proceeding or for any such Claim, Interest, or Cause of Action for any matter that has been released pursuant to Section 6.13.1 or 6.13.2 of the Plan. For avoidance of doubt, this injunction shall enjoin further prosecution of any portion of the Shareholder Suit.

6.15.2 From and after the Effective Date, the Hartford Liquidating Trust and the Hartford Liquidating Trustee shall be enjoined from Filing, pursuing or prosecuting the DSC Assigned Causes of Action in any way which seeks affirmative recovery from any of the Debtors' directors, officers, employees, Insiders, and agents, including those identified in Section 1.1.39 of the Plan, provided, however, that this injunction shall not prohibit the Hartford Liquidating Trust or the Hartford Liquidating Trustee from pursuing an Avoidance Action against any of the Debtors' directors, officers, employees, Insiders, and agents solely for the purpose of offset against or disallowance of a Class III Claim which is not Allowed on account of its inclusion in the Debtors' Schedules but which is timely Filed by such director, officer, employee, Insider, or agent. Any such timely Filed Claim shall be automatically deemed Disallowed if transferred to any other Person.

6.15.3 From and after the Effective Date through November 30, 2013, the Hartford Liquidating Trust and the Hartford Liquidating Trustee shall be enjoined from making any demands relating to, or Filing, any Avoidance Action against any Person except for Identified Avoidance Actions.

**NOW, THEREFORE**, pursuant to the Plan and the Confirmation Order, in consideration of the premises and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and affirmed, the parties hereto agree as follows:

**ARTICLE I**  
Establishment of Trust

1.1 **Creation and Name.** In accordance with the Plan, there is hereby created a trust which shall be known as the “Hartford Liquidating Trust” (hereinafter, the “Liquidating Trust” or the “Hartford Liquidating Trust”) and which is the trust created pursuant to Section 2.2 of the Plan.

1.2 **Declaration of Trust.**

1.2.1 In consideration of the confirmation of the Plan under the Bankruptcy Code, the Debtors and the Liquidating Trustee have executed this Agreement and, effective on the Effective Date of the Plan, in accordance with Section 2.2 of the Plan and Bankruptcy Code section 1123(b)(3), the Estates are hereby deemed to have irrevocably assigned, transferred and conveyed to the Liquidating Trustee, and to the Liquidating Trustee’s successors and assigns, all the right, title and interests of the Debtors and the Debtors’ Estates in and to the Liquidating Trust Assets (whether existing as of the Effective Date or as of a later date), with no reversionary interest whatsoever therein of the Debtors, to have and to hold unto the Liquidating Trustee and the Liquidating Trustee’s successors and assigns forever, in trust nevertheless, under and subject to the terms and conditions of this Agreement and of the Plan, for the benefit of the Beneficiaries and their successors and assigns as permitted for under the Plan and this Agreement. The use and distribution of the Liquidating Trust Assets to the Beneficiaries shall be made in accordance with this Agreement and the Plan.

1.2.2 On the Effective Date, the Hartford Liquidating Trust shall: (i) take possession of all books, records, and files of the Debtors and their Estates related to the Hartford Trust Assets, and (ii) provide for the retention and storage of such books, records, and files until such time as the Hartford Liquidating Trust determines, in accordance with the Hartford Liquidating Trust Agreement, that retention of same is no longer necessary or required. All such Hartford Trust Assets shall be delivered to the Hartford Liquidating Trust free and clear of interests, claims, liens, or other encumbrances of any kind, except the Allowed Claims of the Beneficiaries. Moreover, on the Effective Date, all privileges with respect to any of the Hartford Trust Assets, including the attorney/client privilege, to which the Debtors are entitled shall be automatically vested in, and available for assertion by or waiver on behalf of the Hartford Liquidating Trust. To the extent any of the foregoing does not automatically occur on the Effective Date or is not effectuated through the Confirmation Order or this Agreement, the Debtors shall, on the Effective Date, execute such other and further documents as are reasonably necessary to effectuate all of the foregoing

1.3 **Purposes of Trust.** The Liquidating Trust shall be established solely for the purpose of holding and administering the Liquidating Trust Assets in accordance with Treasury Regulation Section 301.7701-4(d), all pursuant to the provisions of the Plan, with no objective to continue or engage in the conduct of a trade or business. Accordingly, the Liquidating Trustee shall hold the Liquidating Trust Assets pursuant to the terms of this Agreement and the Plan (and shall not unreasonably prolong the duration of the Liquidating Trust) by engaging in the

following activities: (a) resolving all Disputed Claims asserted as Class III Claims; (b) pursuing or otherwise litigating any Causes of Action, other than the DSC Assigned Causes of Action, that the Liquidating Trustee deems advisable, based on his reasonable business judgment, to pursue, other than those released under the Plan or pursuant to any prior settlement approved by the Bankruptcy Court; provided, however, that prior to December 1, 2013, the Hartford Liquidating Trustee may only commence Avoidance Actions that constitute Identified Avoidance Actions as set forth on the Confidential Schedule 1.3 hereto; (c) making all required distributions to the Beneficiaries as provided for under the Plan; (d) establishing and administering any necessary reserves that may be required for Disputed Claims asserted as Class III Claims, all in accordance with the Plan and this Agreement; (e) establishing and administering the Liquidating Trust's Distribution Reserve in accordance with the Plan and this Agreement; and (f) taking other actions as may be necessary to effectuate the foregoing. The Liquidating Trust will not hold itself out as an investment company and will not conduct a trade or business. At no time shall the Liquidating Trust control or operate the business of the Debtors or any assets of the Debtors other than the Liquidating Trust Assets.

1.4 **Liquidating Trustee's Acceptance.** The Liquidating Trustee accepts the trust imposed on the Liquidating Trustee by this Agreement and agrees to observe and perform that trust, on and subject to the terms and conditions set forth in this Agreement. In connection with and in furtherance of the purposes of the Liquidating Trust, the Liquidating Trustee hereby expressly accepts the transfer of the Liquidating Trust Assets (whether transferred as of the Effective Date or a later date), subject to the provisions of the Plan and this Agreement.

## ARTICLE II

### Funding of the Liquidating Trust and Expenses

2.1 **Funding from Estates.** On the Effective Date, the Debtors will transfer to the Liquidating Trust (a) Cash in the amount of \$333,000 of the Settlement Sum, and (b) the Liquidating Trust Assets available to the Debtors at that time. Additional funding of the Liquidating Trust will be derived from future payments by Delaware Street on account of the Settlement Sum and from the Liquidating Trust's liquidation of the Liquidating Trust Assets.

2.2 **Subsequent Funding.** To the extent that certain Liquidating Trust Assets become available at a later date, such Liquidating Trust Assets will be deposited with the Liquidating Trust within five (5) Business Days of the date that such Liquidating Trust Assets become available. Except as otherwise ordered by the Bankruptcy Court, the Liquidating Trust Expenses shall be paid from the Liquidating Trust Assets without further order of the Bankruptcy Court; provided, however, that the reasonable fees, costs, and expenses of the Liquidating Trust, including, without limitation, (a) the compensation paid to and expenses incurred or as estimated by the Liquidating Trustee to be incurred by the Liquidating Trustee in the administration of the Liquidating Trustee's duties or as contemplated pursuant to this Agreement, (b) the fees and expenses of the Liquidating Trustee's Professionals and (c) the fees and expenses of any other service providers, all as provided for in this Agreement (collectively, the "Liquidating Trust Expenses"), shall be subject to the procedures and review set forth in Section 6.6 of this Agreement.

## **ARTICLE III**

### Liquidation of Causes of Action and Intervention

3.1 **Liquidation of Causes of Action.** The Liquidating Trustee shall take such steps as the Liquidating Trustee deems necessary to investigate, pursue, litigate, settle, compromise, transfer, sell, dispose of and/or abandon all or any of the Causes of Action, other than the DSC Assigned Causes of Action and those Causes of Action released pursuant to the Plan, to reduce the Causes of Action, other than the DSC Assigned Causes of Action and those Causes of Action released pursuant to the Plan, to Cash proceeds and to make distributions of the Cash proceeds to the Beneficiaries as required under the Plan and this Agreement. Notwithstanding the forgoing or any other provision of this Hartford Liquidating Trust Agreement, prior to December 1, 2013, the Hartford Liquidating Trustee may only commence Avoidance Actions that constitute Identified Avoidance Actions. On and after December 1, 2013, the Hartford Liquidating Trustee may commence Avoidance Actions against any Person.**Intervention.** On the Effective Date, and without having to obtain any further order of the Bankruptcy Court, the Liquidating Trustee is authorized to (a) intervene as plaintiff, movant or additional party, as appropriate, in any Causes of Action other than the DSC Assigned Causes of Action and those Causes of Action released pursuant to the Plan (whether asserted in actions, adversary proceedings, contested matters, avoidance actions or motions or otherwise which were filed prior to the Effective Date), where the subject matter of any such cause of action involves a Cause of Action other than the DSC Assigned Causes of Action and the Causes of Action released pursuant to the Plan, and (b) subject to the terms of the Plan, intervene or seek to be substituted in place of the Debtors' Estates in connection with the prosecution of any objections to Disputed Claims of any holder of a Class III Claim.

## **ARTICLE IV**

### Distribution of Liquidating Trust Assets

#### 4.1 **Distribution of Liquidating Trust Assets to Beneficiaries.**

4.1.1 **Distribution Dates.** On or as soon as reasonably practicable after the Effective Date (such date, the "Initial Distribution Date"), the Liquidating Trustee shall make initial distributions in accordance with the Plan and Section 4.1 of this Agreement. During the first year after the Initial Distribution Date and subject to Section 4.4 below, unless otherwise ordered by the Bankruptcy Court, the Liquidating Trustee shall make subsequent distributions on or about (i) the first Business Day that is approximately six (6) months after the Initial Distribution Date and (ii) the first Business Day that occurs after each subsequent six (6) month period (each, a "Periodic Distribution Date" and, together with the Initial Distribution Date, the "Distribution Dates"). After one year following the Initial Distribution Date, Periodic Distribution Dates will occur on or about the first Business Day that is approximately six (6) months after the immediately preceding Periodic Distribution Date.

4.1.2 **Distributions to Beneficiaries.** On each applicable Distribution Date, the Liquidating Trustee will distribute the Liquidating Trust Assets that have been converted to Cash to each Beneficiary after payment of or reserve for the items described in Section 4.1(d) below. The Liquidating Trustee shall distribute Liquidating

Trust Assets that have been converted to Cash to the Beneficiaries in accordance with the Plan and this Agreement.

**4.1.3 Required Deductions From Liquidating Trust Assets.** Prior to distribution of any portion of the Liquidating Trust Assets to any Beneficiary, the Liquidating Trustee shall, when becoming due and payable, (a) pay all Allowed Administrative Claims of professionals and members of the Creditors' Committee that were not paid from funds allocated to them in the Carve Out established pursuant to the Cash Collateral Order, (b) pay all amounts payable pursuant to 28 U.S.C. § 1930, if any, on account of funds distributed by the Liquidating Trust, (c) pay to any taxing authorities, as necessary, any taxes of the Liquidating Trust, (d) pay to the Liquidating Trustee's Professionals, in accordance with Sections 6.4 and 6.6(b) hereof, for services rendered and expenses incurred; (e) pay to the Liquidating Trustee, in accordance with Section 6.6(a) hereof, the Liquidating Trustee's compensation and reasonable and necessary expenses incurred in fulfilling the Liquidating Trustee's obligations set forth in the Plan and in this Agreement; (f) pay any additional expenses incurred in fulfilling the obligations of the Liquidating Trustee set forth in the Plan and in this Agreement and not specifically identified in this Section 4.1(d); (g) use reasonable best efforts to establish sufficient reserves for Disputed Class III Claims in accordance with Section 4.2 below; and (h) use reasonable best efforts to establish sufficient reserves for taxes and Liquidating Trust Expenses that may be necessary to administer the Liquidating Trust until his termination (as estimated by the Liquidating Trustee).

**4.2 Distribution Reserve Account.** On the Effective Date, the Liquidating Trustee shall establish and maintain one or more bank and/or other investment account(s) into which the Liquidating Trustee shall, in accordance with this Section 4.2 and Section 5.1 of this Agreement, deposit undeliverable and unclaimed distributions, and Liquidating Trust Assets that are not then distributable to a holder of a Disputed Claim but shall be held by the Liquidating Trustee pending a final determination as to allowance of such Disputed Claim (individually and collectively, the "Distribution Reserve Account"). The Liquidating Trustee shall deposit into the Distribution Reserve Account on each Distribution Date, pending resolution of Disputed Claims, that portion of Liquidating Trust Assets that would otherwise be distributable in accordance with the Plan in respect of such Disputed Claims, if such Disputed Claims had then constituted Allowed Claims entitled to receive Liquidating Trust Assets in accordance with the Plan. Distributions to Holders of Claims that were Disputed as of the Effective Date shall be made in accordance with Section 5.2 below. **[Reserved / Intentionally Omitted].**

**4.4 Time of Distributions.** **Distributions for Claims Allowed as of the Effective Date.** The Liquidating Trustee shall make the initial distribution to the Beneficiaries on a date determined by the Liquidating Trustee in accordance with Section 4.1.1 of this Agreement after sufficient Liquidating Trust Assets have been received and appropriate reserves have been established for, among other items, Disputed Class III Claims of the Beneficiaries. The Liquidating Trustee shall make such other distributions to the Beneficiaries on such dates determined by the Liquidating Trustee in accordance with Section 4.1.1 of this Agreement; provided that (a) the Liquidating Trustee shall not distribute any Liquidating Trust Assets to any Beneficiary prior to the earliest date on which the Beneficiary is entitled to receive such distributions in accordance with the Plan, and (b) the Liquidating Trustee shall not be required to make any distribution to the Beneficiaries if the Liquidating Trust Assets available for distribution to the Beneficiaries are not sufficient, in the Liquidating Trustee's reasonable

discretion, to justify incurring the Liquidating Trust Expenses necessarily associated with making distribution of monies.

**4.4.2 Distributions on Account of Claims Allowed After the Effective Date.**

Except as otherwise provided in a Final Order or as agreed to by the relevant parties, distributions to Beneficiaries on account of Disputed Claims that become Allowed (in whole or in part, as applicable) after the Effective Date shall be made on the Periodic Distribution Date that is at least 30 days after all or part of the Disputed Claim becomes an Allowed Claim.

**4.5 Delivery of Distributions. Distribution Record Date.** As of the close of business on the date of entry of the Confirmation Order (the “Distribution Record Date”), the Claims register shall be closed, and there shall be no further changes as to the record holder of any Claim. The Liquidating Trustee (or any entity chosen to make or facilitate Distributions pursuant to the Plan and this Agreement, the “Disbursing Agent”) shall not have any obligation to recognize any transfer of any Claim occurring after the Distribution Record Date, and shall instead be authorized and entitled to recognize and deal for all purposes under the Plan and this Agreement with only those record holders stated on the Claims register as of the close of business on the Distribution Record Date; provided, however, the Liquidating Trustee may choose, in his sole discretion, to recognize a transfer of any Claim upon presentation of appropriate and acceptable documentation.

**4.5.2 Distributions of Cash.** Distributions to Beneficiaries may be made by either check drawn on a domestic bank or wire transfer. Checks issued by the Disbursing Agent to any Beneficiary shall be null and void if not negotiated within 120 days after the date of issuance thereof. Requests for reissuance of any check shall be made directly to the Liquidating Trustee or the Disbursing Agent by the Beneficiary to whom such check originally was issued, and the Liquidating Trustee may require supporting documents as evidence of the Beneficiary’s right to such check. Any Claim with respect to such a voided check shall be made on or before 180 days after the date of issuance of such check. After such date, all Claims in respect of void checks shall be discharged and forever barred.

**4.5.3 De Minimis Distributions.** The Disbursing Agent shall not be required to make any interim distributions in an amount less than \$100.00 (provided that any such payments shall be withheld until final distribution under the Plan). Notwithstanding anything herein to the contrary, the Disbursing Agent shall not be required to make any final distributions in an amount less than \$25.00. In the event there are funds remaining after final distributions, the Liquidating Trustee is authorized to donate any such remaining funds to a recognized tax-exempt charity pursuant to Article IX of this Agreement.

**4.5.4 Fractional Dollars.** Notwithstanding anything to the contrary contained in this Agreement, the Disbursing Agent shall not be required to make distributions or payments of fractions of dollars. Whenever any payment of a fraction of a dollar under the Plan or this Agreement would otherwise be called for, the actual payment shall reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars or less being rounded down.

**4.5.5 Provision of Tax Identification Number.** If the Liquidating Trustee requests a tax identification number of any Beneficiary by certified mail and (i) does not receive

a response to such request within sixty (60) days, sends a second request by certified mail and again receives no response within sixty (60) days or (ii) the request is returned to the Liquidating Trustee as undeliverable and the Liquidating Trustee is unable to determine a correct address after reasonable efforts, then no further distributions shall be made to such Beneficiary unless the Liquidating Trustee is notified in writing within six months after the date that the initial request was sent of such Beneficiary's tax identification number (subject to the Liquidating Trustee's right to require supporting documents evidencing that the tax identification number is that of the rightful Beneficiary), in which case all currently due missed distributions shall be made to such Beneficiary on the next Periodic Distribution Date, and shall not be supplemented with any interest, dividends or other accruals of any kind. If the Liquidating Trustee does not receive notice of a Beneficiary's tax identification number within six months after the date of the initial request for a tax identification number, then all distributions to the Beneficiary that has not provided a tax identification number shall be treated as unclaimed property in accordance with Section 4.5.7 below.

**4.5.6 Undeliverable Distributions.** If any distribution to a Beneficiary is returned to the Disbursing Agent as undeliverable and the Liquidating Trustee is unable to determine a correct address after reasonable efforts, no further distributions shall be made to such Beneficiary unless the Liquidating Trustee is notified in writing within ninety (90) days after the date that the undeliverable distribution is sent of such Beneficiary's then-current address (subject to the Liquidating Trustee's right to require supporting documents evidencing that the request is made by the rightful Beneficiary), in which case all currently due missed distributions shall be made to such Beneficiary on the next Periodic Distribution Date, and shall not be supplemented with any interest, dividends or other accruals of any kind. If the Disbursing Agent does not receive notice of a Beneficiary's current address within ninety (90) days after the date of distribution of an undeliverable check, then all undeliverable distributions then due or thereafter payable shall be treated as unclaimed property in accordance with Section 4.5(g) below.

**4.5.7 Unclaimed Distributions.** All distributions to Beneficiaries that are unclaimed for a period of six months after distribution thereof shall be deemed unclaimed property under Bankruptcy Code section 347(b) and shall revert in the Liquidating Trust. Upon such reversion, the Claim of any Beneficiary or its successors with respect to such property shall be cancelled, discharged and forever barred notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary, and the Disbursing Agent shall not be required to make distributions on account of any such Claims.

## **ARTICLE V**

### **Disputed Claims**

**5.1 Deposit into Reserve.** Distributions of proceeds of Liquidating Trust Assets with respect to Disputed Claims shall be deposited into the Distribution Reserve Account as set forth in Section 4.2 of this Agreement. The amount deposited shall be determined by the Liquidating Trustee. The Liquidating Trustee may invest any Cash that is withheld in the Distribution Reserve Account in accordance with Section 6.10 of this Agreement. Notwithstanding any such investment and the addition to Liquidating Trust Assets of any income earned in respect thereof, in the event such Claim ultimately becomes an Allowed Claim, nothing

in this Agreement shall be deemed to entitle the holder of a Disputed Claim to postpetition or post-Effective Date interest on such Claim.

**5.2 Distributions After Allowance.** On the first Distribution Date that is at least 30 days after all or part of a Disputed Class III Claim becomes an Allowed Class III Claim, the Disbursing Agent will (1) distribute to the holder of such Allowed Claim any property in the Distribution Reserve Account that would have been distributed to such Beneficiary on the Distribution Dates on which distributions previously were made to Beneficiaries if the Allowed Claim in issue had been an Allowed Claim (in whole or in part, as applicable) on such earlier Distribution Dates; and (2) distribute any remaining property held in the Distribution Reserve Account on account of any resolved Disputed Claim in accordance with the Plan and this Agreement. After a Final Order has been entered, or other final resolution has been reached with respect to all Disputed Claims, any remaining property held in the Distribution Reserve Account will return to Liquidating Trust Assets and be distributed in accordance with the Plan and this Agreement.

**5.3 No Partial Distributions.** Except as otherwise agreed by the relevant parties, the Liquidating Trustee shall not be required to (a) make any partial payments or partial distributions on account of a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order or (b) make any distributions on account of an Allowed Claim of any Beneficiary that holds both an Allowed Claim and a Disputed Claim, unless and until all objections to the Disputed Claim have been resolved by settlement or Final Order.

**5.4 Pending Causes of Action.** Notwithstanding anything to the contrary contained in the Plan or in this Agreement, the Liquidating Trustee shall not pay any distribution to any current or prospective defendant in a Cause of Action that has or may have any liability to the Liquidating Trust with respect to a Cause of Action, which distribution may be paid, if at all, only after the Beneficiary of such Claim has discharged its liability to the Liquidating Trustee on account of such Cause of Action, by settlement or otherwise.

## ARTICLE VI

### General Powers, Rights and Obligations of the Liquidating Trustee

**6.1 Appointment of Liquidating Trustee.** Pursuant to Article II of the Plan, the Committee, with the reasonable consent of the Debtors, has appointed Peter Kravitz of Solution Trust as the Liquidating Trustee and the Liquidating Trustee shall become the Liquidating Trustee on the Effective Date.

(h) to distribute Liquidating Trust Assets to Beneficiaries in accordance with the terms of the Plan and this Agreement;

(i) to hold, manage, and distribute Cash or non-Cash Liquidating Trust Assets obtained through the exercise of his power and authority as long as such management is consistent with the Liquidating Trust’s status as a liquidating trust within the

meaning of Treasury Regulation Section 301.7701-4(d) and which actions are merely incidental to its liquidation and dissolution;

(k) in the Liquidating Trustee's reasonable business judgment, object to the Disputed Class III Claims and prosecute, settle, compromise, withdraw or resolve in any manner, in accordance with this Agreement, any litigations or proceedings related to the Liquidating Trust Assets;

(l) to act as a signatory to the Debtors for all purposes relating to the Liquidating Trust Assets, including those associated with the novation of contracts and, for the avoidance of doubt, subject to the final sentence of Section 1.3 of this Agreement;

(m) to endorse the payment of notes or other obligations of any Person or to make contracts with respect thereto in each case relating to the Liquidating Trust Assets;

(r) subject to the releases, exculpation and permanent injunction provisions of the Plan, and excluding the DSC Assigned Causes of Action, to sue and be sued and participate, as a party or otherwise, in any judicial, administrative, arbitration or other proceeding;

(u) to purchase insurance indemnifying the Liquidating Trustee and to indemnify (and purchase insurance indemnifying) the employees, agents and representatives of the Liquidating Trust or the Liquidating Trustee (including, without limitation, the Liquidating Trustee’s Professionals), to the fullest extent that a corporation organized under the laws of the State of Delaware is from time to time entitled to indemnify its directors, officers, employees, agents and representatives;

(v) to delegate any or all of the discretionary power and authority herein conferred at any time with respect to all or any portion of the Liquidating Trust to any one or more reputable individuals or to recognized institutional advisors or investment managers, in each case without liability for any action taken or omission made because of such delegation, except for such liability as is expressly provided for in this Agreement; and

(w) to file periodic reports with the Bankruptcy Court as necessary or appropriate; and

(x) to file appropriate pleadings with the Bankruptcy Court requesting entry of an order concluding or closing the Chapter 11 Cases.

6.3.3 The Liquidating Trustee shall not at any time, on behalf of the Liquidating Trust or any Beneficiaries, enter into or engage in any trade or business, and the Liquidating Trustee shall not use or dispose of any part of the Liquidating Trust Assets in furtherance of any trade or business.

**6.4 Retention of Attorneys, Accountants and Other Professionals.** The Liquidating Trustee may retain professionals (the “Professionals”) to aid the Liquidating Trustee in the performance of his responsibilities pursuant to the terms of the Plan and this Agreement. The Professionals retained by the Liquidating Trustee may include, but are not limited to, the following:

6.4.1 Law firm(s) as the Liquidating Trustee may deem advisable to aid the Liquidating Trustee in the performance of his duties and to perform such other functions as may be appropriate to carry out the purposes of the Liquidating Trust. The Liquidating Trustee may commit the Liquidating Trust to and shall pay such accounting firm reasonable compensation from the Liquidating Trust Assets for services rendered and expenses incurred; and

6.4.3 Such other accountants, experts, advisors, consultants, investigators, appraisers, auctioneers or other professionals as are advisable to carry out the purposes of the Liquidating Trust. The Liquidating Trustee may commit the Liquidating Trust to and shall pay all such Persons reasonable compensation from the Liquidating Trust Assets for services rendered and expenses incurred.

**6.5 Co-Liquidating Trustees or Separate Liquidating Trustees.** In order (and only to the extent necessary) to meet any legal requirements of any jurisdiction in which any of the Liquidating Trust Assets may from time to time be located, the Liquidating Trustee shall have the power to appoint one or more Persons either to act as co-trustee(s) jointly with the Liquidating Trustee of all or any part of the Liquidating Trust Assets or to act as separate trustee(s) of all or any part of the Liquidating Trust Assets and to vest in such Person or Persons, in such capacity, such title to the Liquidating Trust Assets or any part thereof, and such rights, powers, duties, trusts or obligations as the Liquidating Trustee determines may be necessary for the Liquidating Trustee to perform his duties under this Agreement. **Compensation of Liquidating Trustee and His Professionals.** The Liquidating Trustee (and any co-trustee(s) that may be appointed pursuant to Section 6.5 above) shall be authorized to receive payment of reasonable compensation for services rendered and expenses incurred in fulfilling his duties pursuant to this Agreement, including, without limitation, any necessary services rendered and expenses incurred prior to the date that this Agreement becomes effective. The compensation and reimbursement of expenses of the Liquidating Trustee shall be as set forth on Exhibit 1 hereto and paid out of the Liquidating Trust Assets.

6.6.2 On or before the last day of each month following the month for which compensation is sought, each Professional seeking compensation shall serve a monthly statement on the Liquidating Trustee; provided, however, that failure of any Professional to serve a monthly statement on the Liquidating Trustee for any one or more months shall not waive or impair the right of such Professionals to subsequently seek compensation for all or any number of such months in a later statement delivered to the Liquidating Trustee. The Liquidating Trustee will have ten (10) days from the date such statement is received to review the statement and object to such statement by serving a written objection on the Professional setting forth the precise nature of the objection and the amount at issue. At the expiration of the ten (10) day period, the Liquidating Trustee shall promptly pay out of the Liquidating Trust Assets 100% of the amounts requested, except for the portion of such fees and disbursements to which an objection has been made in accordance with this Section 6.6(b). The parties shall attempt to

consensually resolve objections, if any, to any monthly statement. If the parties are unable to reach a consensual resolution of any such objection, the party which received an objection to its fees and/or disbursements may seek payment of such fees and/or disbursements by filing a motion with the Bankruptcy Court on proper notice to the Liquidating Trustee and his counsel.

**6.7 Standard of Care; Indemnification; Exculpation.** The Liquidating Trustee shall perform the duties and obligations imposed on the Liquidating Trustee by this Agreement with reasonable diligence and care under the circumstances. The Liquidating Trustee shall not be personally liable to the Liquidating Trust, to any Beneficiary or any other Person (or any predecessor or successor thereto) for any reason whatsoever, except for such of his own acts as shall constitute willful misconduct, gross negligence, willful disregard of the Liquidating Trustee's duties or material breach of this Agreement or any provision of the Plan. Except as aforesaid, the Liquidating Trustee shall be defended, held harmless and indemnified from time to time, but solely from the Liquidating Trust Assets, against any and all losses, claims, costs, expenses and liabilities to which the Liquidating Trustee may be subject by reason of the Liquidating Trustee's execution in good faith of the Liquidating Trustee's duties under this Agreement. The Liquidating Trustee's officers, employees, agents, if any (including, without limitation, the Liquidating Trustee's Professionals) and any co-trustee(s) appointed pursuant to Section 6.5 above, may be likewise defended, held harmless and indemnified. Without limiting the generality of the foregoing, the Liquidating Trustee shall have no liability to any Beneficiary on account of the Liquidating Trustee's investment or non-investment of any Liquidating Trust Assets or any losses with respect to any such investments of Liquidating Trust Assets, provided that such investments are made, or the Liquidating Trustee's decision not to invest any Liquidating Trust Assets in any case is made, in accordance with the terms of this Agreement. The Liquidating Trustee shall not be obligated to give any bond or surety or other security for the performance of any of his duties, unless otherwise ordered by the Bankruptcy Court and, if so ordered, all costs and expenses of procuring any such bond shall be deemed Liquidating Trust Expenses.

**6.8 Reliance by Liquidating Trustee.** The Liquidating Trustee may rely, and shall be fully protected personally in acting upon any resolution, statement, certificate, instrument, opinion, report, notice, request, consent, order or other instrument or document that the Liquidating Trustee has no reasonable belief to be other than genuine and to have been signed or presented other than by the proper party or parties or, in the case of facsimile transmissions, to have been sent other than by the proper party or parties, in each case without obligation to satisfy himself that the same was given in good faith and without responsibility for errors in delivery, transmission or receipt. In the absence of the Liquidating Trustee's willful misconduct, gross negligence, willful disregard of the Liquidating Trustee's duties or material breach of this Agreement, the Liquidating Trustee may rely as to the truth of statements and correctness of the facts and opinions expressed therein and shall be fully protected personally in acting thereon. The Liquidating Trustee may consult with legal counsel and shall be fully protected in respect of any action taken or suffered by the Liquidating Trustee in accordance with the opinion of legal counsel (whether or not written). The Liquidating Trustee may at any time seek instructions from the Bankruptcy Court concerning the acquisition, management or disposition of the Liquidating Trust Assets.**Action Upon Instructions.** If, in performing his duties under this Agreement, the Liquidating Trustee believes that a court order is necessary or advisable to protect the interests of the Beneficiaries or to otherwise determine the Liquidating Trustee's

rights or duties in any respect under this Agreement, the Liquidating Trustee may apply to the Bankruptcy Court for a determination as to the course of action to be taken by the Liquidating Trustee.

**6.10 Investment Obligations.** The Liquidating Trustee shall invest and reinvest the liquid Liquidating Trust Assets consistent with the obligations of a trustee under Bankruptcy Code section 345. The Liquidating Trustee shall not be liable in any way for any loss or other liability arising from any investment, or the sale or other disposition of any investment, made in accordance with this Section 6.10, except for any such loss or liability arising from the Liquidating Trustee's gross negligence, willful misconduct or willful disregard of the Liquidating Trustee's duties.**Reports.** The Liquidating Trustee shall file annual reports with the Bankruptcy Court in accordance with the Plan or as otherwise ordered by the Bankruptcy Court and, upon concluding all activities of the Liquidating Trust, a final report listing all distributions, payments or disposition of the Liquidating Trust Assets, including amounts paid to Professionals retained by the Liquidating Trustee.

**6.12 Compliance with Securities Laws.** Under Bankruptcy Code section 1145, the issuance of interests in a liquidating trust pursuant to a chapter 11 plan is exempt from registration under the Securities Act of 1933, as amended, and applicable state and local laws requiring registration or qualification of securities. If the Liquidating Trustee determines, with the advice of counsel, that the Liquidating Trust is required to comply with the reporting requirements of the Securities Exchange Act of 1934, as amended, or the Investment Company Act of 1940, as amended, then the Liquidating Trustee shall take any and all actions to comply with such reporting requirements and file periodic, current and other reports in compliance therewith with the Securities and Exchange Commission.**Timely Performance.** The Liquidating Trustee will make continuing efforts to, among other things, assert, prosecute, settle, compromise, withdraw or resolve objections to Disputed Class III Claims; pursue, settle, or abandon Causes of Action other than the DSC Assigned Causes of Action and those Causes of Action released pursuant to the Plan; make all required Distributions to the Beneficiaries provided for under the Plan; and not unduly prolong the duration of the Liquidating Trust.

**6.14 Resignation or Death.** The Liquidating Trustee may resign as Liquidating Trustee by giving written notice of his resignation to the Bankruptcy Court. The Liquidating Trustee shall continue to serve as trustee for the shorter of: (a) 90 days following the tender of the notice of resignation; and (b) until the appointment of a successor Liquidating Trustee. In the event of such resignation or the Liquidating Trustee's death, the Bankruptcy Court shall appoint a successor Liquidating Trustee.  
Retention of Jurisdiction

**7.1 Jurisdiction.** Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, pursuant to the Plan and Confirmation Order, except as otherwise set forth in the Plan, in the Confirmation Order and herein, the Bankruptcy Court shall retain such jurisdiction over all matters arising out of or related to the Chapter 11 Cases and the Plan pursuant to Bankruptcy Code sections 105(a) and 1142 to the fullest extent legally permissible, including but not limited to jurisdiction to:

7.1.1 allow, disallow, determine, liquidate, classify or estimate Class III Claims;

7.1.2 ensure that distributions to Beneficiaries are accomplished pursuant to the provisions of the Plan;

7.1.3 adjudicate any and all disputes arising from or relating to distributions to Beneficiaries under the Plan;

7.1.4 adjudicate, decide or resolve any and all matters relating to Causes of Action, other than the DSC Assigned Causes of Action and those Causes of Action released pursuant to the Plan, brought by or on behalf of the Liquidating Trustee; and

7.1.5 adjudicate, decide or resolve any disputes arising in connection with the interpretation, implementation or enforcement of the Liquidating Trust, this Agreement or actions involving the Liquidating Trustee.

## ARTICLE VIII

### Termination

8.1 **Termination.** The Liquidating Trust shall continue for a term terminating upon the occurrence of the earliest of the following events: (a) all of the Liquidating Trust Assets have been distributed pursuant to the Plan and this Agreement, (b) the Liquidating Trustee determines, in his sole discretion, that the administration of any remaining Liquidating Trust Assets or Causes of Action held by the Liquidating Trustee are not likely to yield sufficient additional proceeds to justify further pursuit, or (c) all distributions required to be made by the Liquidating Trustee under the Plan and the Liquidating Agreement have been made; provided, however, that in no event shall the Liquidating Trust be dissolved later than four (4) years from the Effective Date unless the Bankruptcy Court, upon motion within the six-month period prior to the third (3rd) anniversary of the Effective Date (or within the six-month period prior to the end of an extension period), determines that a fixed period extension (not to exceed two (2) years, together with any prior extensions, without a favorable private letter ruling from the Internal Revenue Service (the “IRS”) or an opinion of counsel satisfactory to the Liquidating Trustee that any further extension would not adversely affect the status of the Liquidating Trust as a liquidating trust for United States federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Liquidating Trust Assets. If at any time the Liquidating Trustee determines, in reliance upon such Professionals as the Liquidating Trustee may retain, that the expense of administering the Liquidating Trust so as to make a distribution to the Beneficiaries is likely to exceed the value of the Liquidating Trust Assets remaining in the Liquidating Trust, the Liquidating Trustee may apply to the Bankruptcy Court for authority to (x) reserve any amount necessary to dissolve the Liquidating Trust, (y) donate any balance to a charitable organization described in Internal Revenue Code section 501(c)(3), and (z) dissolve the Liquidating Trust. Notwithstanding the foregoing, after the termination of the Liquidating Trust, the Liquidating Trustee shall have the power to exercise all the powers, authorities and discretions herein conferred solely for the purpose of winding up the affairs of the Liquidating Trust. The Liquidating Trustee shall retain the books, records and files that shall have been delivered to or created by the Liquidating Trustee. Subject to Section 2.8 of the Plan, at the Liquidating Trustee’s discretion, all of such records and documents may be destroyed at any time after two (2) years from the date of termination of the Liquidating Trust.

**ARTICLE IX**  
Tax Matters

**9.1 Tax Treatment.**

9.1.1 The Liquidating Trust is intended to qualify as a liquidating trust pursuant to Treasury Regulation Section 301.7701-4(d) and as a grantor trust pursuant to Treasury Regulation Section 1.671-4(a), with no objective to continue or engage in the conduct of a trade or business. In the event the Liquidating Trust shall fail or cease to qualify as a liquidating trust in accordance with Treasury Regulations Section 301.7701-4(d), the parties to this Agreement intend that the Liquidating Trustee take such action as he shall deem appropriate to have the Liquidating Trust classified as a partnership for federal tax purposes under Treasury Regulations Section 301.7701-3 (but not a publicly traded partnership under Internal Revenue Code Section 7704), including, if necessary, creating or converting it into a Delaware limited liability partnership or limited liability company.

9.1.2 For all United States federal income tax purposes, all parties (including, without limitation, the Debtors, the Liquidating Trustee, and the Beneficiaries) shall treat the transfer of the Liquidating Trust Assets to the Liquidating Trust as (1) a transfer by each Debtor of the Liquidating Trust Assets (subject to any obligations relating to those assets) directly to the Beneficiaries in full satisfaction of the Beneficiaries' claims against the Debtors and, to the extent Liquidating Trust Assets are allocable to Disputed Claims, to the Distribution Reserve Account, followed by (2) the transfer by such Beneficiaries to the Liquidating Trust of the Liquidating Trust Assets (other than the Liquidating Trust Assets allocable to the Distribution Reserve Account) in exchange for interests in the Liquidating Trust. Accordingly, the Beneficiaries shall be treated for United States federal income tax purposes as the grantors and owners of their respective share of the Liquidating Trust Assets (other than such Liquidating Trust Assets as are allocable to the Distribution Reserve Account). The foregoing treatment shall also apply, to the extent permitted by applicable law, for all state, provincial, territorial and local income tax purposes.

**9.2 Tax Reporting.**

9.2.1 The Liquidating Trustee shall prepare and provide to, or file with, the appropriate taxing authorities and other parties such notices, tax returns and other filings, including all federal, state and local tax returns for the Liquidating Trust, as may be required under the Internal Revenue Code, the Plan, or as may be required by applicable law of other jurisdictions including, if required under applicable law, notices required to report interest or dividend income ("Tax Reports"). The Liquidating Trustee shall treat the Liquidating Trust as a grantor trust for United States federal income tax purposes pursuant to Treasury Regulation section 1.671-4(a) and in accordance with the Plan. The Liquidating Trustee also will annually send to each holder of a Liquidating Trust Interest a separate statement regarding the receipts and expenditures of the Liquidating Trust as relevant for all U.S. federal income tax purposes and will instruct all such holders to use such information in preparing their U.S. federal income tax returns or to forward the appropriate information to such holder's underlying beneficial holders with instructions to utilize such information in preparing their U.S. federal income tax returns. If additional tax information is provided at the specific request of a Beneficiary (and not as

required by applicable law), then such Beneficiary shall pay a reasonable fee to the Liquidating Trustee, in an amount to be then determined by the Liquidating Trustee, together with all costs and expenses incurred by the Liquidating Trustee in providing such tax information to such Beneficiary. The Liquidating Trustee shall also file (or cause to be filed) any other statement, return or disclosure relating to the Liquidating Trust that is required by any governmental units in the United States and elsewhere.

9.2.2 In connection with the Liquidating Trustee's performance of his duties pursuant to this Section 9.2, the Liquidating Trustee may require any Beneficiary to furnish to the Liquidating Trustee its employer or taxpayer identification number as assigned by the Internal Revenue Service, together with such other information, returns or forms as the Liquidating Trustee may determine are required, and the Liquidating Trustee may condition any distribution of Liquidating Trust Assets to any Beneficiary upon such receipt of such identification number, any other information and returns and forms as are required for the Liquidating Trustee to comply with Internal Revenue Service requirements.

9.2.3 The Liquidating Trustee will in good faith value all other Liquidating Trust Assets, and shall make all such values available from time to time, to the extent relevant, and such values shall be used consistently by all parties to the Liquidating Trust (including, without limitation, the Debtors, the Liquidating Trustee, and the Beneficiaries) for all United States and Canadian federal income tax purposes.

9.2.4 Allocations of Liquidating Trust taxable income among the Beneficiaries (other than taxable income allocable to the Distribution Reserve Account) shall be determined by reference to the manner in which an amount of cash representing such taxable income would be distributed (were such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Liquidating Trust had distributed all of the Liquidating Trust Assets (valued at their tax book value, and other than assets allocable to the Distribution Reserve Account) to the holders of the interests in the Liquidating Trust, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Liquidating Trust. Similarly, taxable loss of the Liquidating Trust shall be allocated by reference to the manner in which an economic loss would be borne immediately after a hypothetical liquidating distribution of the remaining Liquidating Trust Assets. The tax book value of the Liquidating Trust Assets for purpose of this paragraph shall equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the Internal Revenue Code, the applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

9.2.5 Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt by the Liquidating Trustee of a private letter ruling if the Liquidating Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Liquidating Trustee), the Liquidating Trustee shall (a) timely elect to treat any Distribution Reserve Account as a "disputed ownership fund" governed by Treasury Regulation section 1.468B-9, and (b) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including the Liquidating Trustee, the Debtors, and the Beneficiaries) shall report for United States federal, state and local income tax purposes consistently with the foregoing.

9.2.6 The Liquidating Trustee shall be responsible for payment, out of the Liquidating Trust Assets, of any United States, local, or foreign taxes imposed on the Liquidating Trust or the Liquidating Trust Assets, including the Distribution Reserve Account. In the event, and to the extent, any Cash retained on account of Disputed Claims in the Distribution Reserve Account is insufficient to pay the portion of any such United States, local, or foreign taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, Disputed Claims, such United States, local, or foreign taxes shall be (a) reimbursed from any subsequent Cash amounts retained on account of Disputed Claims, or (b) to the extent such Disputed Claims have subsequently been resolved, deducted from any amounts otherwise distributable by the Liquidating Trustee as a result of the resolution of such Disputed Claims.

9.2.7 The Liquidating Trustee may request an expedited determination of taxes of the Liquidating Trust, including the Distribution Reserve Account, or the Debtors under Bankruptcy Code section 505(b) for all tax returns filed for, or on behalf of, the Liquidating Trust or the Debtors for all taxable periods through the dissolution of the Liquidating Trust.

9.3 **Compliance with Tax Withholding Requirements.** In connection with making distributions under the Plan and this Agreement, the Liquidating Trustee shall comply with all tax withholding and reporting requirements imposed on him by any governmental unit, and all distributions pursuant to the Plan and this Agreement shall be subject to such withholding and reporting requirements. Any property so withheld will then be paid by the Liquidating Trust to the appropriate authority. The Liquidating Trustee may withhold the entire distribution due any Beneficiary until such time as such Beneficiary provides the necessary information to comply with any withholding requirements of any governmental unit, including an IRS Form W-9 containing its, his or her employer or taxpayer identification number as assigned by the Internal Revenue Service, or (ii) in the case of Beneficiaries that are not United States persons for federal income tax purposes, certification of foreign status on IRS Form W-8BEN, W-81MY or W-8ECI. If a Beneficiary fails to provide the information necessary to comply with any withholding requirements of any governmental unit within 180 days from the date of first notification to the Beneficiary of the need for such information or for the Cash necessary to comply with any applicable withholding requirements, then such Beneficiary's distribution may be treated as an unclaimed distribution in accordance with Section 4.5(g) above or the amount required to be withheld may be so withheld and turned over to the applicable authority.
