**NOTICE OF FILING AMENDED LIST OF CREDITORS PURSUANT TO 11 U.S.C.
§ 924 AND RULE 1007 OF THE FEDERAL RULES OF BANKRUPTCY PROCEDURE**

Jefferson County, Alabama (the "County"), the debtor in the above referenced case, hereby files its amended list of creditors pursuant to 11 U.S.C. § 924 and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "List"), a copy of which is attached hereto. The attached List amends and restates the List of Creditors previously filed by the County [Docket No. 410] (the "Original List").

In addition to the notations and comments made in the List, the County makes the following additional disclosures and comments about the List:

- The List includes not only general obligation claims against the County, but also limited obligation, non-recourse claims that are payable solely out of limited funds or revenues streams (including, most notably, the claims of the holders of the County's non-recourse sewer warrants and school warrants described on Schedule B of the List). These non-recourse claims are included in the List for purposes of full disclosure. Notwithstanding anything to the contrary in the List,

the County disclaims and disputes any recourse liability with respect to any and all such limited obligation, non-recourse claims.

- Pursuant to 11 U.S.C. 904, the County has continued postpetition to honor prepetition and postpetition obligations to trade vendors that have provided and continue to provide goods and services to the County in the ordinary course of business and according to the credit terms agreed to by such vendors and the County. Accordingly, many of the claims listed in Schedule F of the List have been or will be paid by the County in the ordinary course.
- Pursuant to 11 U.S.C. 904, the County has continued postpetition to honor all current accrued obligations for wages and salaries, including earned vacation, severance and sick leave pay and contributions to employee benefit plans. Accordingly, the County believes it is current on prepetition claims for wages, salaries, and other compensation. To ensure that notice and opportunity to assert claims, the County listed the individuals on Schedule H of the Original List titled “Employees” as creditors holding \$1.00 contingent claims.¹
- JPMorgan Chase Bank and/or certain of its affiliates (collectively, “JPMorgan”) are holders, directly and/or beneficially, of certain claims against the County, including without limitation claims arising with respect to warrants issued by the County and claims arising out of swap agreements with the County. Notwithstanding anything to the contrary herein or in the List, all claims held by JPMorgan are disputed, and the County reserves all of its rights and remedies with

¹ Pursuant to the Court’s Final Order Granting Debtor’s Motion Pursuant to 11 U.S.C. §§ 105 and 107(c) for Entry on an Expedited Basis Restricting Access to Information About Certain Individual Creditors [Docket No. 915], public access to Schedule H of the Original List has been restricted; however, the employees referenced on that Schedule H have received or soon will receive notice of the bar dates for filing claims in the County’s case and have the opportunity to file proofs of claims.

respect thereto, including its right to assert counterclaims against JPMorgan and to seek subordination of such claims pursuant to 11 U.S.C. § 510 or otherwise.

- The County reserves its general right under Rule 1009 of the Federal Rules of Bankruptcy Procedure to amend this List as a matter of course at any time before the County's case is closed.

This Notice and List are filed by the County in accordance with the Court's Final Order Granting Debtor's Motion Pursuant to 11 U.S.C. §§ 105 and 107(c) for Entry on an Expedited Basis Restricting Access to Information About Certain Individual Creditors [Docket No. 915].

The County files this Notice and the List without prejudice to or waiver of its rights pursuant to 11 U.S.C. § 904, and nothing herein is intended as or shall be deemed to constitute the County's consent pursuant to 11 U.S.C. § 904 to this Court's interference with (a) any of the political or governmental powers of the County, (b) any of the property or revenues of the County, or (c) the County's use or enjoyment of any income-producing property.

Respectfully submitted this 23rd day of April, 2012.
