**ORDER**

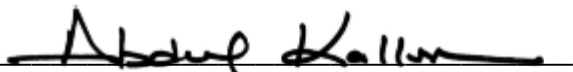

Consistent with the mandate issued on November 8, 2018, *see* doc. 60, the Appellants’ appeal from the bankruptcy court’s order confirming the Jefferson County, Alabama’s Chapter 9 bankruptcy plan is **DISMISSED WITH PREJUDICE**. Thus, the sole remaining issue is the appeal from the bankruptcy court’s orders sustaining the County’s objection to the proof of claim filed by the Appellants in the underlying bankruptcy case. *See* docs. 1; 4 at 2-3; 5 at 9; 11 at 4. As to this remaining issue, the stay entered in this action, *see* doc. 48, is **LIFTED**.

The court reminds the parties of the requirements of Federal Rule of Bankruptcy Procedure 8009. Parties must file with the Bankruptcy Court their designations, transcript(s), and a statement of the issues to complete the record on appeal. When the record on appeal is complete, the Bankruptcy Clerk of Court will transmit the record to this Court’s Clerk of Court. The Court will set a briefing

schedule following the Bankruptcy Clerk of Court's notice of transmitting the record.

**DONE** the 1st day of August, 2019.
