4. *Findings Regarding the Financing.*

(a) Good cause has been shown for the entry of this Final Order.

(b) The Debtors need to obtain the full amount of the Financing and use Cash Collateral in order to permit, among other things, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to make payroll, to make capital expenditures and to satisfy other working capital and operational needs. The access of the Debtors to sufficient working capital and

liquidity through the use of Cash Collateral, incurrence of new indebtedness for borrowed money and other financial accommodations is vital to the preservation and maintenance of the going concern values of the Debtors and to a successful reorganization of the Debtors.

(c) The Debtors are unable to obtain financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents, and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the Debtors (i) granting to the DIP Agent and the DIP Lenders, subject to the Carve Out as provided for herein, the DIP Liens and the Superpriority Claims (each as defined below) under the terms and conditions set forth in the Interim Order and this Final Order and in the DIP Documents and (ii) repaying the Pre-Petition First Lien Debt in full (other than the Continuing Pre-Petition First Lien Obligations) as occurred upon entry of the Interim Order, such repayment being a requirement by the DIP Agent for the Financing.

(d) The terms of the Financing and the use of Cash Collateral are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(e) The Financing has been negotiated in good faith and at arm's length among the Debtors, the DIP Agent and the DIP Lenders, and all of the Debtors' obligations and indebtedness arising under, in respect of or in connection with the Financing and the DIP Documents, including without limitation, (i) all loans made to, and all letters of credit issued for the account of, the Debtors pursuant to the Debtor-in-Possession Credit Agreement, dated as of January 20, 2012 (as amended, supplemented or modified from

time to time, the “**DIP Credit Agreement**”), and (ii) any “Obligations” (as defined in the DIP Credit Agreement) of the Debtors, including, but not limited to, credit extended in respect of overdrafts and related liabilities and other depository, treasury, and cash management services and other clearing services provided by CNAI, any DIP Lender or any of their respective affiliates and any hedging obligations of the Debtors permitted under the DIP Credit Agreement in each case owing to CNAI, any DIP Lender or any of their respective affiliates, in accordance with the terms of the DIP Documents (all of the foregoing in clauses (i) and (ii) collectively, the “**DIP Obligations**”), shall be deemed to have been extended by the DIP Agent and the DIP Lenders and their affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Agent and the DIP Lenders (and the successors and assigns of each) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Final Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

5. *Authorization of the Financing, the DIP Documents and the Refinancing of the Pre-Petition First Lien Debt.*

(a) The Borrower was, by the Interim Order, and hereby is, authorized to borrow money and obtain letters of credit pursuant to the DIP Credit Agreement, and the Guarantors were, by the Interim Order, and hereby are authorized to guaranty (i) such borrowings and the Borrower’s obligations with respect to such letters of credit and (ii) the Canadian borrowings of Kodak Canada, up to an aggregate principal or face amount of \$950,000,000 (plus interest, fees and other expenses and amounts provided for in the DIP Documents), consisting of borrowings of up to an aggregate principal or face amount of

\$700,000,000 under the Term Facility (as defined in the DIP Credit Agreement) and \$225,000,000 under the Revolving Credit Facility (as defined in the DIP Credit Agreement), with up to an additional \$25,000,000 under the Revolving Credit Facility to be made available for borrowing by Kodak Canada, in accordance with the terms of this Final Order and the DIP Documents, which borrowings shall be used for all purposes permitted under the DIP Documents, including, without limitation, subject to the terms and conditions contained herein, to provide working capital for the Borrower and the Guarantors and to pay interest, fees and expenses in accordance with this Final Order and the DIP Documents. In addition to such loans and obligations, the Debtors are authorized to incur overdrafts and related liabilities arising from treasury, depository and cash management services, including any automated clearing house fund transfers provided to or for the benefit of the Debtors by CNAI, any DIP Lender or any of their affiliates; *provided, however*, that nothing herein shall require CNAI or any other party to incur overdrafts or to provide any such services or functions to the Debtors. The Assumed Pre-Petition First Lien Obligations shall be deemed to be issued pursuant to, and secured under, the DIP Credit Agreement or designated as "Obligations" under the DIP Credit Agreement and secured by the Collateral, as the case may be.

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor was, by the Interim Order, and hereby is authorized and directed to perform all acts, to make, execute and deliver all instruments and documents (including, without limitation, the execution or recordation of security agreements, mortgages and financing statements), and shall pay all fees, that may be reasonably required or necessary

for the Debtors' performance of their obligations under the Financing, including, without limitation:

(i) the execution, delivery and performance of the Loan Documents (as defined in the DIP Credit Agreement) and any exhibits attached thereto, including, without limitation, the DIP Credit Agreement, the Security Agreements, the Intercreditor Agreement (each as defined in the DIP Credit Agreement), all related documents and any mortgages contemplated thereby (collectively, and together with the letter agreements referred to in clause (ii) below, the "**DIP Documents**");

(ii) the execution, delivery and performance of one or more amendments to or waivers of the requirements of the DIP Documents, including the DIP Credit Agreement for, among other things, the purpose of adding additional financial institutions as DIP Lenders, reallocating the commitments for the Financing among the DIP Lenders and the conversion of the Canadian Revolving Credit Facility (as defined in the DIP Credit Agreement) into commitments or loans under a facility that provides post-petition protections in the case of a bankruptcy filing or the commencement of a similar proceeding with respect to a Canadian Loan Party (as defined in the DIP Credit Agreement), in each case in such form as the Debtors, the DIP Agent and the DIP Lenders may agree (it being understood that no further approval of the Court shall be required for amendments to the DIP Credit Agreement (and any fees paid in connection therewith) that do not shorten the maturity of the extensions of credit thereunder or increase the commitments, the rate of interest or the letter of credit fees payable thereunder). The Debtors shall provide notice of any such amendments to counsel for the Creditors' Committee and counsel to the ad hoc committee of Pre-Petition Second Lien Noteholders

(the “**Second Lien Noteholders Committee**”). Notwithstanding any other provision hereof, without further approval of this Court, certain amendments to the DIP Documents may be made at any time on or prior to the 90th day after the Effective Date (as defined in the DIP Credit Agreement), if and to the extent the DIP Agent, Lead Arranger and/or any of their affiliates as may be appropriate to consummate the transactions contemplated, after consultation with the Borrower, reasonably determines that such changes would be necessary in order to ensure a “Successful Syndication,” as contemplated by the separate letter agreements entered into in connection with the Financing;

(iii) the non-refundable payment to the DIP Agent, the Lead Arranger and/or the DIP Lenders, as the case may be, of the fees and any amounts due in respect of indemnification obligations referred to in the DIP Credit Agreement (and in the separate letter agreements between them in connection with the Financing) and reasonable costs and expenses as may be due from time to time, including, without limitation, fees and expenses of the professionals retained as provided for in the DIP Documents, without the need to file retention motions or fee applications; *provided* that the Debtors shall promptly provide copies of invoices received on account of fees and expenses of the professionals retained as provided for in the DIP Documents to counsel to the Creditors’ Committee and the United States Trustee, and this Court shall have exclusive jurisdiction over any objections raised to the invoiced amount of the fees and expenses proposed to be paid, which objections may only be raised within ten business days after receipt thereof; *provided, further* that payment of invoices shall not be delayed based on any such objections and the relevant professional shall only be required to disgorge amounts objected to upon being ‘so ordered’ pursuant to a final order of this Court; and

(iv) the performance of all other acts required under or in connection with the DIP Documents.

(c) Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute valid and binding obligations of the Debtors, enforceable against each Debtor party thereto in accordance with the terms of the DIP Documents and this Final Order. No obligation, payment, transfer or grant of security under the DIP Documents or this Final Order shall be stayed, restrained, voidable, or recoverable under the Bankruptcy Code or under any applicable law (including without limitation, under section 502(d) of the Bankruptcy Code), or subject to any defense, reduction, setoff, recoupment or counterclaim; *provided, however*, that, in the event that there is a timely successful challenge, pursuant and subject to the limitations contained in paragraph 18 hereof, to the validity, enforceability, extent, perfection or priority of the Pre-Petition First Lien Debt, the Court shall have the power to unwind or otherwise modify, after notice and hearing, the repayment of the Pre-Petition First Lien Debt or a portion thereof (which might include the disgorgement or re-allocation of interest, fees, principal or other incremental consideration paid in respect of the Pre-Petition First Lien Debt or the avoidance of liens and/or guarantees with respect to one or more of the Debtors), as the Court shall determine.

(d) Except as set forth in paragraph 14(g), pursuant to the terms of the Existing Intercreditor Agreement, including sections 5.02 and 5.04 thereof, the Pre-Petition Second Lien Noteholders and the Pre-Petition Second Lien Notes Trustee are deemed to have consented to entry of this Final Order, the DIP Facility, the sufficiency of the adequate protection provided herein, and the use of Cash Collateral.

6. *Superpriority Claims.*

(a) Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed claims against the Debtors (without the need to file any proof of claim) with priority over any and all administrative expenses, diminution claims (including all Adequate Protection Obligations and Junior Adequate Protection Obligations (as defined below)) and all other claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims shall be payable from and have recourse to all pre- and post-petition property of the Debtors and all proceeds thereof, subject only to the payment of the Carve Out to the extent specifically provided for herein (collectively, the “**Superpriority Claims**”). The Superpriority Claims in respect of the DIP Obligations shall rank *pari passu* with each other; *provided however* that the DIP Liens securing the obligations under the Revolving Credit Facility and under the Secured Agreements (hereinafter as defined in the DIP Credit Agreement) shall have priority with respect to the Revolving Credit Facility Collateral over the DIP Liens securing the obligations under the Term Facility and the DIP Liens securing the obligations under the Term Facility shall have priority with respect to the Term Facility Collateral over the DIP Liens securing the obligations under the Revolving Credit Facility and under the Secured Agreements, as more fully described in the DIP Documents.

(b) For purposes hereof, the “**Carve Out**” means (i) all fees and interest required to be paid to the Clerk of the Bankruptcy Court and to the Office of the United States Trustee pursuant to section 1930(a) of title 28 of the United States Code and section 3717 of title 31 of the United States Code, (ii) all reasonable fees and expenses incurred by a trustee under section 726(b) of the Bankruptcy Code in an amount not exceeding \$100,000 and (iii) any and all allowed and unpaid claims of any professional of the Debtors or the statutory committee of unsecured creditors appointed in these Cases (the “**Creditors’ Committee**”) whose retention is approved by the Bankruptcy Court during the Cases pursuant to sections 327 and 1103 of the Bankruptcy Code for unpaid fees and expenses (and the reimbursement of out-of-pocket expenses allowed by the Bankruptcy Court incurred by any members of the Creditors’ Committee (but excluding fees and expenses of third party professionals employed by such Creditors’ Committee members)) incurred, subject to the terms of the Interim Order and this Final Order, (A) prior to the occurrence of an Event of Default (as defined in the DIP Credit Agreement) and (B) at any time after the occurrence and during the continuance of an Event of Default in an aggregate amount not exceeding \$10,000,000, *provided* that (x) the dollar limitation in this clause (iii) on fees and expenses shall neither be reduced nor increased by the amount of any compensation or reimbursement of expenses incurred, awarded or paid prior to the occurrence of an Event of Default in respect of which the Carve Out is invoked or by any fees, expenses, indemnities or other amounts paid to the DIP Agent or any DIP Lender or any of the foregoing’s respective attorneys, advisors and agents, (y) nothing herein shall be construed to impair the ability of any party to object to any of the fees, expenses, reimbursement or compensation described in clauses (A) and (B) above and (z) cash or

other amounts on deposit in the L/C Cash Deposit Account (as defined in the DIP Credit Agreement) or the Secured Agreements Cash Deposit Account (as defined below) shall not be subject to the Carve Out.

7. *DIP Liens.*

As security for the DIP Obligations, effective and perfected upon the date of entry of the Interim Order and without the necessity of the execution, recordation of filings by the Debtors of mortgages, security agreements, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the DIP Agent of, or over, any Collateral, the following security interests and liens were, by the Interim Order, and hereby are granted to the DIP Agent for its own benefit and the benefit of the DIP Lenders and the other Secured Parties (as defined in the DIP Credit Agreement) (all property identified in clauses (a), (b) and (c) below being collectively referred to as the “**Collateral**”),<sup>3</sup> subject, only in the event of the occurrence and during the continuance of an Event of Default, to the payment of the Carve Out (all such liens and security interests granted to the DIP Agent, for its benefit and for the benefit of the DIP Lenders and the other Secured Parties, pursuant to the Interim Order, this Final Order and the DIP Documents, the “**DIP Liens**”):

(a) First Lien on Cash Balances and Unencumbered Property. Pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior security interest in and lien upon all pre- and post-petition property of the Debtors, whether existing on the Petition Date or thereafter

---

<sup>3</sup> Notwithstanding anything contained herein to the contrary, the Borrower and the Guarantors shall not be required to pledge to the DIP Agent in excess of 65% of the voting capital stock of its direct foreign subsidiaries or any of the capital stock or interests of indirect foreign subsidiaries (if, in the good faith judgment of the Borrower, adverse tax consequences would result to the Borrower).

acquired, that, on or as of the Petition Date (or as a result of the refinancing of the Pre-Petition First Lien Debt) is not subject to valid, perfected and non-avoidable liens (collectively, “**Unencumbered Property**”), including without limitation, all cash and cash collateral of the Debtors (whether maintained with the DIP Agent or otherwise) and any investment of such cash and cash collateral, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date (including, without limitation, post-petition intercompany claims against the Debtors), contracts, properties, plants, equipment, general intangibles, documents, instruments, interests in leaseholds, real properties, patents, copyrights, trademarks, trade names, other intellectual property, capital stock of subsidiaries, and the proceeds, product, offspring or profits of all the foregoing. Unencumbered Property shall exclude the Debtors’ claims and causes of action under sections 502(d), 544, 545, 547, 548 and 550 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code, other than pursuant to section 549 of the Bankruptcy Code (collectively, “**Avoidance Actions**”) or any cash proceeds recovered pursuant to any successful Avoidance Actions, whether by judgment, settlement or otherwise (“**Avoidance Proceeds**”); *provided, however* that notwithstanding anything to the contrary herein, the Superpriority Claims in respect of the DIP Obligations may be satisfied from any assets of any Debtor’s estate, including any such Avoidance Proceeds, subject to the Carve Out.

(b) Liens Priming Pre-Petition Secured Creditors’ Liens. Pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected first priority senior priming security interest in and lien upon all pre- and post-petition property of the Debtors (including, without limitation, cash collateral,

inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, equipment, general intangibles, documents, instruments, interests in leaseholds, real properties, patents, copyrights, trademarks, trade names, other intellectual property, capital stock of subsidiaries and the proceeds, product, offspring or profits of all the foregoing), whether now existing or hereafter acquired, that is subject to the existing liens presently held by any of the Pre-Petition Secured Creditors (including in respect of issued but undrawn letters of credit). Such security interests and liens shall be senior in all respects to the interests in such property of any of the Pre-Petition Secured Creditors arising from current and future liens of any of the Pre-Petition Secured Creditors (including, without limitation, adequate protection liens granted hereunder), but shall not be senior to any valid, perfected and unavoidable interests of other parties arising out of liens, if any, on such property existing immediately prior to the Petition Date, or to any valid, perfected and unavoidable interests in such property arising out of liens to which the liens of any of the Pre-Petition Secured Creditors become subject subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code.

(c) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected security interest in and lien upon all pre- and post-petition property of the Debtors (other than the property described in clauses (a) or (b) of this paragraph 7, as to which the liens and security interests in favor of the DIP Agent will be as described in such clauses), whether now existing or hereafter acquired, that is subject to valid, perfected and unavoidable liens in existence immediately prior to the Petition Date, or to any valid and unavoidable liens in

existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code (in each case, other than the Adequate Protection Liens and the Junior Adequate Protection Liens), which security interests and liens in favor of the DIP Agent are junior to such valid, perfected and unavoidable liens.

(d) Liens Senior to Certain Other Liens. The DIP Liens, the Adequate Protection Liens and the Junior Adequate Protection Liens shall not be subject or subordinate to (i) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or (ii) any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the Debtors.

Notwithstanding anything to the contrary in the Motion, the DIP Documents, the Interim Order or this Final Order, in no event shall the Collateral include or the DIP Liens granted under the Interim Order or this Final Order attach to any lease, license, contract, or agreement or other property right (including any United States of America intent-to-use trademark or service mark application), to which any Debtor is a party or of any of such party's rights or interests thereunder if and for so long as the grant of such security interest shall constitute or result in: (x) the abandonment, invalidation, unenforceability or other impairment of any right, title or interest of any Debtor therein, or (y) in a breach or termination pursuant to the terms of, or a default under, any such lease, license, contract, agreement or other property right pursuant to any provision thereof, unless, in the case of

each of clause (x) and (y), the applicable provision is rendered ineffective by applicable law as determined by final order of this Court, upon the filing of a separate motion by either the Debtors or the DIP Agent upon due notice under the Bankruptcy Rules to the counter-party to such lease, license, contract, agreement or property right and upon a hearing (*provided however* that in all events the DIP Liens shall attach to, and the Collateral shall include, all proceeds from all sales, transfers, dispositions or monetizations of any of the foregoing). For the avoidance of doubt, nothing in this Final Order shall be interpreted as overriding or impairing any rights of any party under section 365(n) of the Bankruptcy Code. Additionally, for the avoidance of doubt, the Collateral shall not include any assets or interests in assets that are not, or are subsequently determined not to have been, property of the estate at the time the security interest therein created by the Interim Order, this Final Order or the DIP Documents attached or purported to attach thereto. Notwithstanding anything to the contrary in this Final Order, (i) all licensees of the Debtors' intellectual property (including, for the avoidance of doubt, Samsung Electronics Co., Ltd., FUJIFILM Corporation, IMAX Corporation, International Business Machines Corporation and Carestream Health, Inc.) reserve the right to assert that any lien or interest conferred under this Final Order is subject to their other license or ownership rights and/or that they must be granted adequate protection for such other rights as a precondition to any impairment, and (ii) all such parties reserve the right to assert that any lien or interest granted hereunder does not override, prime or impair any other valid defense or offset right that may be asserted by such parties concerning claims asserted against them by the Debtors or their assignees hereunder (and the DIP Agent and all other parties reserve all rights with respect to the foregoing).

8. *Protection of DIP Lenders' Rights.*

(a) So long as there are any borrowings or letters of credit or other amounts (other than contingent indemnity obligations as to which no claim has been asserted when all other amounts have been indefeasibly paid in full and no letters of credit are outstanding) outstanding, or the DIP Lenders have any Commitment (as defined in the DIP Credit Agreement) under the DIP Credit Agreement, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Secured Lenders, the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders shall (i) have no right to and take no action to foreclose upon or recover in connection with the liens granted thereto pursuant to the Existing Documents, the Existing Intercreditor Agreement, the Interim Order or this Final Order, or otherwise seek to exercise or exercise any enforcement rights or remedies against any Collateral or in connection with the Contingent Pre-Petition First Lien Debt, the Adequate Protection Liens or the Junior Adequate Protection Liens, (ii) be deemed to have consented to any transfer, disposition or sale of, or release of liens on, the Collateral, to the extent such transfer, disposition, sale or release is authorized under the DIP Documents, (iii) not file any further financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in the Collateral unless, solely as to this clause (iii), the DIP Lenders file financing statements or other documents to perfect the liens granted pursuant to the Interim Order or this Final Order, or as may be required by applicable state law to continue the perfection of valid and unavoidable liens or security interests as of the Petition Date and (iv) deliver or cause to be delivered, at the Debtors' cost and expense, any termination statements, releases and/or assignments in favor of the DIP Lenders or other documents

necessary to effectuate and/or evidence the release, termination and/or assignment of liens on any portion of the Collateral subject to any sale or disposition. After repayment in full of the Pre-Petition First Lien Debt (other than the Continuing Pre-Petition First Lien Obligations) and the deemed issuance of certain letters of credit under the DIP Credit Agreement and the cash collateralization or making of other arrangements satisfactory to the holders thereof with respect to the obligations under certain Existing Secured Agreements (including, with respect to any DIP Lender, having such obligations secured by the Collateral), the Debtors are authorized to file any termination statements, releases or other documents necessary to effectuate and/or evidence the release and termination of the Pre-Petition First Lien Agent's liens on or security interests in any portion of the Pre-Petition First Lien Collateral.

(b) The automatic stay provisions of section 362 of the Bankruptcy Code are vacated and modified to the extent necessary to permit the DIP Agent and the DIP Lenders to exercise, upon the occurrence of an Event of Default and the giving of seven days' prior written notice (which shall run concurrently with any notice provided under the DIP Documents) to the Debtors (with a copy to each committee appointed under section 1102 of the Bankruptcy Code, the United States Trustee and counsel for the Second Lien Noteholders Committee), all rights and remedies under the DIP Documents, which for purposes of this Final Order shall include the application of any amounts held in the Agent Sweep Account (as defined in the DIP Credit Agreement) pursuant to Section 2.18(h) of the DIP Credit Agreement. In any hearing regarding any exercise of rights or remedies, the only issue that may be raised by any party in opposition thereto shall be whether, in fact, an Event of Default has occurred and is continuing, and the Debtors and the Pre-Petition First

Lien Secured Lenders hereby waive their right to and shall not be entitled to seek relief, including, without limitation, under section 105 of the Bankruptcy Code, to the extent that such relief would in any way impair or restrict the rights and remedies of the DIP Agent or the DIP Lenders set forth in this Final Order or the DIP Documents. In no event shall the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Secured Lenders, the Pre-Petition Second Lien Notes Trustee or the Pre-Petition Second Lien Noteholders be subject to the equitable doctrine of “marshaling” or any similar doctrine with respect to the Collateral.

(c) No rights, protections or remedies of the DIP Agent or the DIP Lenders granted by the provisions of this Final Order or the DIP Documents shall be limited, modified or impaired in any way by (i) any actual or purported withdrawal of the consent of any party to the Debtors’ authority to use Cash Collateral, (ii) any actual or purported termination of the Debtors’ authority to use Cash Collateral or (iii) the terms of this Final Order or any other order or stipulation related to the Debtors’ use of Cash Collateral or the provision of adequate protection to any party.

9. *Limitation on Charging Expenses Against Collateral.* Except to the extent of the Carve Out, no expenses of administration of the Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent or the Pre-Petition First Lien Agent, as the case may be, and no such consent shall be implied from any other action, inaction, or acquiescence by

the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent or the Pre-Petition First Lien Secured Lenders.

10. *The Cash Collateral.* The Pre-Petition Collateral includes cash collateral within the meaning of section 363(a) of the Bankruptcy Code. To the extent that any funds were on deposit with any Pre-Petition First Lien Secured Lender or the Pre-Petition First Lien Agent as of the Petition Date, including, without limitation, all funds deposited in, or credited to, an account of any Debtor with any Pre-Petition First Lien Secured Lender immediately prior to the filing of the Debtors' bankruptcy petitions (the "**Petition Time**") (regardless of whether, as of the Petition Time, such funds had been collected or made available for withdrawal by any such Debtor), then such funds (the "**Deposited Funds**") appear to be subject to rights of setoff. By virtue of such setoff rights, the Deposited Funds are subject to a lien in favor of such Pre-Petition First Lien Secured Lender pursuant to sections 506(a) and 553 of the Bankruptcy Code. The Pre-Petition First Lien Secured Lenders are obligated, to the extent provided in the applicable First Lien Existing Agreements, to share the benefit of such liens and setoff rights with the other Pre-Petition First Lien Secured Lenders pursuant to and in accordance with to the relevant First Lien Existing Agreements. Any proceeds of the Pre-Petition Collateral (including the Deposited Funds or any other funds on deposit at the Pre-Petition First Lien Secured Lenders or at any other institution as of the Petition Date) are cash collateral of the Pre-Petition Secured Creditors within the meaning of section 363(a) of the Bankruptcy Code. The Deposited Funds, together with such other cash collateral of any of the Pre-Petition Secured Creditors within the meaning of section 363(a) of the Bankruptcy

Code (including, without limitation, all proceeds of Pre-Petition First Lien Collateral) are collectively referred to herein as “**Cash Collateral.**”

11. *Use of Cash Collateral.* The Debtors are hereby authorized, subject to the terms and conditions of the DIP Documents and this Final Order, to use all Cash Collateral of any of the Pre-Petition Secured Creditors and each of the Pre-Petition Secured Creditors are directed promptly to turn over to the Debtors all Cash Collateral received or held by them; *provided* that the applicable Pre-Petition Secured Creditors are granted adequate protection as hereinafter set forth.

12. *Refinancing of the Pre-Petition First Lien Debt.* Following the entry of the Interim Order and as part of the initial borrowing under the Financing, the Debtors used a portion of the proceeds from the Financing in accordance with the DIP Documents and the Interim Order to (a) refinance in full (other than the Continuing Pre-Petition First Lien Obligations) the Pre-Petition First Lien Debt then outstanding, upon which repayment, the existing liens on the Pre-Petition First Lien Collateral have been released and terminated, and (b) deposit cash collateral, issue back-to-back letters of credit or make other arrangements satisfactory to the holders or issuers of the Non-Assumed Pre-Petition First Lien Obligations, in each case in accordance with the terms and conditions set forth in the Interim Order. The Assumed Pre-Petition First Lien Obligations have been deemed to be issued pursuant to, and secured under, the DIP Credit Agreement or designated as “Obligations” under the DIP Credit Agreement and secured by the Collateral, as the case may be.

13. *Adequate Protection of Pre-Petition First Lien Secured Lenders.* Until the indefeasible, as applicable, (i) repayment of the Pre-Petition First Lien Debt or (ii)

satisfaction, termination or expiration of all Non-Assumed Pre-Petition First Lien Obligations, and the conclusion of the Challenge Period, the Pre-Petition First Lien Secured Lenders and the Pre-Petition First Lien Agent are entitled, pursuant to sections 361, 363(e) and 364(d)(1) of the Bankruptcy Code, to adequate protection of their interest in the Pre-Petition First Lien Collateral, including Cash Collateral, for and equal in amount to any diminution in the value of the Pre-Petition First Lien Secured Lenders' and Pre-Petition First Lien Agents' interests in the Pre-Petition First Lien Collateral, including, without limitation, any such diminution resulting from the sale, lease or use by the Debtors (or other decline in value) of Cash Collateral and any other Pre-Petition First Lien Collateral, and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code. As adequate protection, the Pre-Petition First Lien Agent and the Pre-Petition First Lien Secured Lenders were, by the Interim Order, and are hereby granted the following (collectively, the "**Adequate Protection Obligations**"):

(a) Adequate Protection Liens. The Pre-Petition First Lien Agent (for itself and for the benefit of the Pre-Petition First Lien Secured Lenders) was, by the Interim Order, and is hereby granted (effective and perfected upon the date of the Interim Order and without the necessity of the execution by the Debtors of mortgages, security agreements, pledge agreements, financing statements or other agreements), in the amount of such diminution, (1) a replacement security interest in and lien upon all the Collateral, subject and subordinate only to (i) the security interests and liens granted to the DIP Agent for the benefit of the DIP Lenders in the Interim Order and this Final Order and pursuant to the DIP Documents and any liens on the Collateral to which such liens so granted to the DIP Agent are junior and (ii) the Carve Out (such liens securing the Adequate Protection

Obligations, together with the Contingent Adequate Protection Liens, the “**Adequate Protection Liens**”) and (2) the Contingent Adequate Protection Liens to secure any Contingent Pre-Petition First Lien Debt, any Non-Assumed Pre-Petition First Lien Obligation and any interest, fees and expenses to which the Pre-Petition First Lien Agent, the Pre-Petition First Lien Secured Lenders or the Issuing Banks shall be due pursuant to subparagraph (c).

(b) Section 507(b) Claim. The Pre-Petition First Lien Agent and the Pre-Petition First Lien Secured Lenders were, by entry of the Interim Order, and are hereby granted, subject to the Carve Out, a superpriority claim, including on account of any indemnity claims under the First Lien Existing Agreements, as provided for in section 507(b) of the Bankruptcy Code (a “**507(b) Claim**”), immediately junior to the claims under section 364(c)(1) of the Bankruptcy Code held by the DIP Agent and the DIP Lenders; *provided, however*, that the Pre-Petition First Lien Agent and the Pre-Petition First Lien Secured Lenders shall not receive or retain any payments, property or other amounts in respect of the superpriority claims under section 507(b) of the Bankruptcy Code granted hereunder or under the First Lien Existing Agreements unless and until the DIP Obligations have indefeasibly been paid in cash in full.

(c) Interest, Fees and Expenses. The Pre-Petition First Lien Agent, pursuant to the Interim Order and this Final Order, shall receive from the Debtors (i) immediate cash payment of all accrued and unpaid interest on the Pre-Petition First Lien Debt and letter of credit fees provided for in the First Lien Existing Agreements, and all other accrued and unpaid fees and disbursements (including, but not limited to, fees owed to the Pre-Petition First Lien Agent) owing to the Pre-Petition First Lien Agent under the

First Lien Existing Agreements and incurred prior to the Petition Date, (ii) current cash payments of all fees and expenses payable to the Pre-Petition First Lien Agent under the First Lien Existing Agreements, including, but not limited to, the reasonable fees and disbursements of counsel promptly upon receipt of invoices therefor and (iii) in accordance with the terms of the First Lien Existing Agreements, all accrued but unpaid interest and fees on any outstanding Pre-Petition First Lien Debt and letters of credit and other fees at the non-default contract rate applicable on the Petition Date (including LIBOR pricing options available in accordance with the First Lien Existing Agreements) under the First Lien Existing Agreements; *provided* that the Issuing Banks of any letters of credit that are not Assumed Pre-Petition First Lien Obligations shall be entitled to the “Letter of Credit Fees” as set forth in Section 2.04(b)(i) of the Pre-Petition First Lien Credit Agreement at the Applicable Margin for Eurodollar Rate Advances plus Default Interest (each term as defined the Pre-Petition First Lien Credit Agreement); *provided further* that, without prejudice to the rights of any other party to contest such assertion, the Pre-Petition First Lien Secured Lenders reserve their rights to assert claims for the payment of any other amounts provided for in the First Lien Existing Agreements (subject to the payoff letter dated January 20, 2012 for the First Lien Existing Agreements).

14. *Adequate Protection of the Pre-Petition Second Lien Noteholders.* The Pre-Petition Second Lien Noteholders and the Pre-Petition Second Lien Notes Trustee are entitled, pursuant to sections 361, 363(e) and 364(d)(1) of the Bankruptcy Code, to adequate protection of their interest in the Pre-Petition Second Lien Collateral, including any Cash Collateral, for and equal in amount to any diminution in the value of the Pre-Petition Second Lien Noteholders’ and Pre-Petition Second Lien Notes Trustee’s

interests in the Pre-Petition Second Lien Collateral, including, without limitation, any such diminution resulting from the sale, lease or use by the Debtors (or other decline in value) of any Cash Collateral and any other Pre-Petition Second Lien Collateral, the priming of the Pre-Petition Second Lien Notes Trustee's security interests and liens in the Pre-Petition Second Lien Collateral by the DIP Agent and the DIP Lenders pursuant to the DIP Documents, the Interim Order and this Final Order, and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code. As adequate protection, the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders were, by the Interim Order, and are hereby granted the following (collectively, the "**Junior Adequate Protection Obligations**"):

(a) Junior Adequate Protection Liens. The Pre-Petition Second Lien Notes Trustee (for itself and for the benefit of the Pre-Petition Second Lien Noteholders) was, by entry of the Interim Order, and is hereby granted (effective and perfected upon the date of the Interim Order and without the necessity of the execution by the Debtors of mortgages, security agreements, pledge agreements, financing statements or other agreements), in the amount of such diminution, a replacement security interest in and lien upon all the Collateral, subject and subordinate only to (i) the security interests and liens granted to the DIP Agent for the benefit of the DIP Lenders in the Interim Order and this Final Order and pursuant to the DIP Documents and any liens on the Collateral to which such liens so granted to the DIP Agent are junior, (ii) the interests and liens granted to the Pre-Petition First Lien Agent for the benefit of the Pre-Petition First Lien Secured Lenders pursuant to the First Lien Existing Agreements, the Interim Order and this

Final Order, and (iii) the Carve Out (such liens securing the Junior Adequate Protection Obligations, together with the Contingent Adequate Protection Liens, the “**Junior Adequate Protection Liens**”).

(b) Section 507(b) Claim. The Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders were, by the Interim Order, and are hereby granted, subject to the Carve Out, a Section 507(b) Claim, immediately junior to the claims under section 364(c)(1) of the Bankruptcy Code held by the DIP Agent and the DIP Lenders and the claims of the Pre-Petition First Lien Agent and the Pre-Petition First Lien Secured Lenders; *provided, however*, that the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders shall not receive or retain any payments, property or other amounts in respect of the superpriority claims under section 507(b) of the Bankruptcy Code granted hereunder or under the Second Lien Existing Agreements unless and until the DIP Obligations have been indefeasibly paid in cash in full and the Pre-Petition First Lien Obligations (as defined below) have been indefeasibly (following the expiration of the Challenge Period) Paid in Full (as defined in the Existing Intercreditor Agreement).

(c) Fees and Expenses. (i) The Debtors are authorized and shall pay, without regard to whether such fees and expenses were incurred during the pre- or post-petition period, the reasonable and documented fees and expenses incurred by (i) Akin Gump Strauss Hauer & Feld LLP (“Akin Gump”), as either special counsel to the Pre-Petition Second Lien Notes Trustee or counsel to the Second Lien Noteholders Committee (for so long as the members of such committee hold in the

aggregate at least 50.1% of the aggregate principal amount of the Pre-Petition Second Lien Notes then outstanding (the “Threshold Requirement”), (ii) Blackstone Advisory Partners LP (“Blackstone”), as financial advisor to either Akin Gump, the Pre-Petition Second Lien Notes Trustee or the Second Lien Noteholders Committee (for so long as the members of such committee meet the Threshold Requirement), (iii) Capstone Advisory Group, LLC, as special intellectual property financial advisor to either Akin Gump, the Pre-Petition Second Lien Notes Trustee or the Second Lien Noteholders Committee (for so long as the members of such committee meet the Threshold Requirement) and (iv) Covington & Burling LLP, as counsel to the Pre-Petition Second Lien Notes Trustee (each of the professionals in clauses (i) through (iv) above being the “Noteholder Professionals”); provided that the fees payable to Blackstone shall be in accordance with any engagement letter and accompanying indemnity (the “Engagement Letter”) signed by the Company and agreed with the Creditors’ Committee (collectively, the “Fees and Expenses”).

(ii) If any of the Noteholder Professionals are retained only by the Second Lien Noteholders Committee, in order to be entitled to reimbursement for Fees and Expenses earned or incurred after the 45th day following entry of this Final Order, such Noteholder Professionals shall or shall cause the Second Lien Noteholders Committee to file a verified statement under Bankruptcy Rule 2019 (a “2019 Statement”) no later than the 45th day after entry of this Final Order, and no more than every 45 days thereafter, demonstrating that the members of such committee hold in the aggregate Pre-Petition Second Lien Notes in an amount

equal to or greater than the Threshold Requirement. The Threshold Requirement shall not apply if (i) the Noteholder Professionals are retained by the Pre-Petition Second Lien Notes Trustee or (ii) Akin Gump is retained by the Pre-Petition Second Lien Notes Trustee and Akin Gump retains Blackstone and Capstone. If the Noteholder Professionals are not retained, or if Akin Gump is not retained, by the Pre-Petition Second Lien Notes Trustee within 45 days after entry of this Final Order, the Debtors shall have the right, but not the obligation, to suspend payment to the Noteholder Professionals if, and solely for as long as, the Noteholder Professionals (x) file a 2019 Statement demonstrating that the members of the Second Lien Noteholders Committee hold in the aggregate Prepetition Second Lien Notes in an amount less than the Threshold Requirement or (y) fail to file a 2019 Statement as required hereby. Nothing in this paragraph (c)(ii), however, shall affect Blackstone's entitlement to the Success Fee (as defined in, and under the terms of, the Engagement Letter); *provided*, for the avoidance of doubt, that no Success Fee shall be payable until such time as the DIP Loans have been paid in full in cash (including, without limitation, by a refinancing) and all commitments under the DIP Credit Agreement shall have been terminated.

(iii) The Debtors shall promptly reimburse the Noteholder Professionals for amounts invoiced monthly within ten (10) business days (if no written objection is received within such ten (10) business day period) after delivery of such an invoice describing such fees and expenses substantially in the form provided in the ordinary course of business; *provided, however*, that any such invoice may be redacted to protect privileged, confidential or proprietary

information. A copy of each invoice submitted to the Debtors shall simultaneously be sent to the U.S. Trustee and counsel to the Creditors' Committee. For the avoidance of doubt, the Noteholder Professionals shall not be required to file applications with the Court in connection with the Fees and Expenses.

(d) IP Sale Proceeds. The Debtors are authorized and shall apply upon a Digital Imaging Patent Portfolio Disposition or IP Settlement Agreement (as defined in the DIP Credit Agreement) (each, an "IP Event"), the IP Sale Proceeds and the Applicable Prepayment Percentage<sup>4</sup> (subject, for the avoidance of doubt, to the cap set forth in the proviso of the definition of Applicable Prepayment Percentage in the DIP Credit Agreement) of IP Settlement Proceeds shall be deemed to be applied pursuant to this paragraph (d) (as defined in the DIP Credit Agreement) as follows: first, to the permanent prepayment of all outstanding Term Loans, second, to the prepayment of the Revolving Loans and, unless the Debtors, the applicable parties under the DIP Credit Agreement (including in all cases the DIP Agent) and the Pre-Petition Second Lien Notes Trustee or the Pre-Petition Second Lien Noteholders otherwise agree, the termination of the commitments thereunder and the Cash Collateralization at 105% of all of Letter of Credit

---

<sup>4</sup> Notwithstanding anything to the contrary in the DIP Credit Agreement, upon the occurrence of a DIP Repayment Event, the Applicable Prepayment Percentage with respect to any IP Settlement Proceeds in excess of the amount required to achieve a DIP Repayment Event (as defined below) shall be 100%, and, with respect to any series of related IP Events, the IP Sale Proceeds from such related IP Events shall be deemed to be applied first pursuant to this clause (d) and then the Applicable Prepayment Percentage of the IP Settlement Proceeds. A "DIP Repayment Event" shall be deemed to have occurred when (i) there are no outstanding Term Loans or Revolving Loans, (ii) all outstanding Letter of Credit Obligations and outstanding amounts under Secured Agreements have been Cash Collateralized or otherwise satisfied or backstopped, as agreed to by the Debtors and the applicable parties under the DIP Credit Agreement and (iii) all commitments under the DIP Credit Agreement have been terminated. The Debtors shall promptly terminate the commitments under the DIP Credit Agreement when the conditions of clause (i) and (ii) of the definition of DIP Repayment Event have been satisfied.

Obligations and Secured Agreements (which cash will be deposited, as applicable, in the L/C Cash Deposit Account or in a separate deposit account established and maintained by the DIP Agent and under the exclusive control of the DIP Agent designated by the DIP Agent to hold cash collateral with respect to the Secured Agreements (the “Secured Agreements Cash Deposit Account”, which account shall not be subject to the Carve-Out)); third, to pay 50% of the accrued and unpaid pre-petition and post-petition interest at such time at the non-default contract rate applicable on the Petition Date on the Pre-Petition Second Lien Notes; fourth, to provide the Debtors proceeds equal to \$250,000,000; fifth, to pay the remaining accrued and unpaid pre-petition and post-petition interest at the non-default contract rate applicable on the Petition Date on the Pre-Petition Second Lien Notes (together with priority “third”, the “Second Lien Accrued Interest”); and sixth, as provided in paragraph (e) below. The Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders shall be deemed to have waived the right (and the right to assert) that interest is accruing or payable under the Pre-Petition Second Lien Notes at any rate other than the non-default contract rate solely for those payments made pursuant to this paragraph (d).

(e) Principal Payment of Second Lien Notes. After an IP Event and the application of the proceeds pursuant to paragraph (d) above, any amounts available at priority “sixth” shall be deemed to constitute “Available Payment Proceeds”. If the aggregate amount of Available Payment Proceeds exceeds \$5,000,000, the Debtors are authorized and shall use the Principal Prepayment Percentage (or such higher amount as the Debtors may elect in consultation with the Creditors’

Committee) of such Available Payment Proceeds to pay a ratable portion of the principal face amount (the "Principal") of all outstanding Pre-Petition Second Lien Notes, provided that the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders shall be deemed to have waived the right to (and the right to assert) any redemption premium or other obligations under the Pre-Petition Second Lien Notes other than Principal plus accrued and unpaid interest at the non-default contract rate applicable on the Petition Date solely for those Pre-Petition Second Lien Notes paid pursuant to this paragraph (e). With respect to any amounts available at priority "sixth", the "Principal Prepayment Percentage" shall equal (i) 40% of Available Payment Proceeds, until the aggregate amount of (x) IP Sale Proceeds and the (y) Applicable Prepayment Percentage of IP Settlement Proceeds equals \$2,250,000,000 and (ii) thereafter, 50% of Available Payment Proceeds.

(f) Current Interest. Upon the payment of priority "fourth" in paragraph (d) above, the Debtors shall pay monthly cash interest for the period thereafter at the non-default contract rate applicable on the Petition Date on the Pre-Petition Second Lien Notes pursuant to the terms thereof ("Current Interest"). Collectively, the payments set forth in paragraphs 14(c), (d), (e) and (f) shall be defined as "Second Lien Adequate Protection Payments".

(g) Existing Intercreditor Agreement. Solely with respect to the Second Lien Noteholders Committee, the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Collateral Agent (the "Second Lien Parties"), the First Lien Obligations (as defined in the Existing Intercreditor Agreement) shall be

deemed to have been Paid in Full (as defined in the Existing Intercreditor Agreement) for purposes of the Existing Intercreditor Agreement; *provided*, that for the avoidance of doubt, nothing herein shall limit the effectiveness of Section 5.05 of the Existing Intercreditor Agreement. In consideration thereof and of the obligation of the Debtors to make the Second Lien Adequate Protection Payments, except as set forth in paragraph (h) below, each Second Lien Party has agreed that it is, and shall be deemed to be, adequately protected by the provisions hereof for the duration of these Cases solely with respect to the relief granted herein and the use of cash collateral by the Debtors during these Cases notwithstanding any future change in the value of any property, assets or business of the Debtors, *provided* that nothing herein shall restrict the rights of any Second Lien Party with respect to (i) its right to assert against the Debtors a claim or claims under this Final Order or section 507(b) of the Bankruptcy Code (subject to the proviso in paragraph 14(b) of this Final Order) based upon the diminution in the value of the Pre-Petition Second Lien Collateral, (ii) its right to seek additional adequate protection in connection with any attempt by the Debtors to incur any future indebtedness under section 364 of the Bankruptcy Code (other than the \$950 million aggregate amount of indebtedness permitted to be incurred under the DIP Credit Agreement as of the date hereof) or (iii) after (a) an IP Event that has generated at least \$1.00 of Available Payment Proceeds or (b) a DIP Repayment Event, its right to request additional adequate protection with respect to the use of cash collateral consisting of the proceeds of any asset sale outside of the ordinary course of business (other than an IP Event). In consideration of the Second Lien Adequate Protection

Payments provided for herein, the Second Lien Parties are hereby deemed to consent to paragraph 8(a) of this Final Order and shall not make any motion, pleading or objection or take any action (or support any person in taking any action) inconsistent with the foregoing; *provided, however*, (i) each of the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders retains its rights as a party in interest (but not as a secured creditor) to object to any sale of the Pre-Petition Collateral pursuant to section 363(b) of the Bankruptcy Code; (ii) the Debtors shall provide the Pre-Petition Second Lien Notes Trustee and the Second Lien Noteholders Committee with notice and consultation rights on a confidential basis in respect of any such sale; and (iii) the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders may exercise their rights to credit bid in any such sale to the extent provided under section 363(k) of the Bankruptcy Code and the Pre-Petition Second Lien Indentures, provided that such bid shall provide for the DIP Obligations to be paid in full in cash and all outstanding Letter of Credit Obligations and outstanding amounts under Secured Agreements to be Cash Collateralized (in the same manner provided for in subparagraph (d) of this paragraph 14), whereupon the commitments in respect of the DIP Facilities shall be terminated by the Debtors unless the Debtors, the applicable parties under the DIP Credit Agreement (including in all cases the DIP Agent) and Pre-Petition Second Lien Notes Trustee or the Pre-Petition Second Lien Noteholders otherwise agree.

(h) Waiver of the Right to Seek Further Adequate Protection. Nothing in this Final Order shall prevent the Second Lien Parties from requesting additional

adequate protection if the Debtors (i) have not filed a motion to approve the Bid Procedures by June 30, 2012, (ii) are not paying Current Interest by October 31, 2012 or (iii) have not consummated a sale of all or substantially all of the Digital Imaging Patent Portfolio, where all material consideration received with respect thereto was in the form of IP Consideration, by December 31, 2012, in which case all parties reserve their rights with respect to such request.

15. *Sufficiency of Adequate Protection.* Except as specifically set forth herein, under the circumstances, and given that the above-described adequate protection is consistent with the Bankruptcy Code, including section 506(b) thereof, the Court finds that the adequate protection provided herein is reasonable and sufficient to protect the interests of the Pre-Petition First Lien Secured Lenders, the Pre-Petition First Lien Agent, Pre-Petition Second Lien Noteholders and the Pre-Petition Second Lien Notes Trustee. Except as expressly provided herein, nothing contained in this Final Order (including, without limitation, the authorization of the use of any Cash Collateral) shall impair or modify any rights, claims or defenses available in law or equity to the Pre-Petition First Lien Agent, any Pre-Petition First Lien Secured Lender, the DIP Agent or any DIP Lender including, without limitation, rights of a party to a swap agreement, securities contract, commodity contract, forward contract or repurchase agreement with a Debtor to assert rights of setoff or other rights with respect thereto as permitted by law (or the right of a Debtor to contest such assertion).

16. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) Subject to the provisions of paragraph 8(a) above, the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent and the Pre-Petition First Lien Secured

Lenders were, by the Interim Order, and are hereby authorized, but not required, to file or record financing statements, patent filings, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over assets, or take any other action, in each case, in order to validate and perfect the liens and security interests granted to it hereunder. Whether or not the DIP Agent on behalf of the DIP Lenders or the Pre-Petition First Lien Agent on behalf of the Pre-Petition First Lien Secured Lenders, shall, in their sole discretion, choose to file such financing statements, patent filings, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over, or otherwise confirm perfection of the liens and security interests granted to it hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge dispute or subordination, at the time and on the date of entry of the Interim Order. Upon the request of the DIP Agent, each of the Pre-Petition First Lien Agent, the Pre-Petition First Lien Secured Lenders, the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders, without any further consent of any party, are authorized to take, execute, deliver and file such instruments (in each case, without representation or warranty of any kind) to enable the DIP Agent to further validate, perfect, preserve and enforce the DIP Liens.

(b) A certified copy of this Final Order may, in the discretion of the DIP Agent, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Final Order for filing and recording.

17. *Preservation of Rights Granted Under The Interim Order and This Final Order.*

(a) No claim or lien having a priority superior to or *pari passu* with those granted by the Interim Order and this Final Order to the DIP Agent and the DIP Lenders, to the Pre-Petition First Lien Agent and the Pre-Petition First Lien Secured Lenders, or to the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders, respectively, shall be granted or allowed while any portion of the Pre-Petition First Lien Debt, the Pre-Petition Second Lien Obligations, the Financing (or any refinancing thereof) or the Commitments thereunder or the DIP Obligations, the Adequate Protection Obligations or the Junior Adequate Protection Obligations remain outstanding, and the DIP Liens, the Adequate Protection Liens and the Junior Adequate Protection Liens shall not be (i) subject or junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code or (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise, as to each, other than the Carve Out.

(b) Unless all DIP Obligations shall have been indefeasibly paid in full (and, with respect to outstanding letters of credit issued pursuant to the DIP Credit Agreement and any Secured Agreements, Cash Collateralized at 105% of all of Letter of Credit Obligations and Secured Agreements (which cash will be deposited, as applicable, in the L/C Cash Deposit Account or in the Secured Agreements Cash Deposit Account)) and the Pre-Petition First Lien Debt and the Adequate Protection Obligations due to Pre-Petition First Lien Secured Lenders and the Pre-Petition First Lien Agent shall have

been paid in full, the Debtors shall not seek, and it shall constitute an Event of Default and terminate the right of the Debtors to use Cash Collateral if any of the Debtors seek, or if there is entered, (i) any modifications or extensions of this Final Order without the prior written consent of the DIP Agent, and no such consent shall be implied by any other action, inaction or acquiescence by the DIP Agent, (ii) an order converting or dismissing any of the Cases; (iii) an order appointing a chapter 11 trustee in any of the Cases; or (iv) an order appointing an examiner with enlarged powers in any of the Cases. If an order dismissing any of the Cases under section 1112 of the Bankruptcy Code or otherwise is at any time entered, such order shall provide (in accordance with sections 105 and 349 of the Bankruptcy Code) that (i) the Superpriority Claims, priming liens, security interests and replacement security interests granted to the DIP Agent and the DIP Lenders and, as applicable, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Secured Lenders, the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders pursuant to the Interim Order and this Final Order shall continue in full force and effect and shall maintain their priorities as provided in the Interim Order and this Final Order until all DIP Obligations, the Adequate Protection Obligations and the Junior Adequate Protection Obligations shall have been paid and satisfied in full (and that such Superpriority Claims, priming liens and replacement security interests, shall, notwithstanding such dismissal, remain binding on all parties in interest) and (ii) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in clause (i) above. Until the Pre-Petition Second Lien Debt and Junior Adequate Protection Obligations shall have been paid in full, the consent of the Pre-Petition Second Lien Noteholders and Pre-Petition Second Lien Notes Trustee for the

Debtors to use Cash Collateral shall terminate upon (i) any modifications or extensions of this Final Order that modify any rights or protections granted under this Final Order to the Pre-Petition Second Lien Noteholders in a manner adverse to the Pre-Petition Second Lien Noteholders without the prior written consent of the Pre-Petition Second Lien Noteholders, and no such consent shall be implied by any other action, inaction or acquiescence by the Pre-Petition Second Lien Noteholders, (ii) an order converting or dismissing any of the Cases; (iii) an order appointing a chapter 11 trustee in any of the Cases; or (iv) an order appointing an examiner with enlarged powers in any of the Cases.

(c) If any or all of the provisions of this Final Order are hereafter reversed, modified, vacated or stayed, such reversal, modification, vacation or stay shall not affect (i) the validity of any DIP Obligations, the Pre-Petition First Lien Obligations, the Pre-Petition Second Lien Obligations, the Adequate Protection Obligations or the Junior Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent, the Pre-Petition First Lien Agent or the Pre-Petition Second Lien Notes Trustee as applicable, of the effective date of such reversal, modification, vacation or stay or (ii) the validity or enforceability of any lien or priority authorized or created hereby or pursuant to the DIP Credit Agreement with respect to any DIP Obligations, Pre-Petition First Lien Obligations, Pre-Petition Second Lien Obligations, the Adequate Protection Obligations and the Junior Adequate Protection Obligations. Notwithstanding any such reversal, modification, vacation or stay or any use of Cash Collateral, or DIP Obligations, Adequate Protection Obligations or Junior Adequate Protection Obligations incurred by the Debtors to the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Secured Lenders, the Pre-Petition Second Lien Notes

Trustee or the Pre-Petition Second Lien Noteholders, prior to the actual receipt of written notice by the DIP Agent, the Pre-Petition First Lien Agent or the Pre-Petition Second Lien Notes Trustee, as applicable, of the effective date of such reversal, modification, vacation or stay shall be governed in all respects by the original provisions of this Final Order, and the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Secured Lenders, the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders shall be entitled to all the rights, remedies, privileges and benefits granted in section 364(e) of the Bankruptcy Code (including, without limitation, in respect of any payments received in connection with the refinancing of the Pre-Petition First Lien Debt), the Interim Order, this Final Order and pursuant to the DIP Documents with respect to all uses of Cash Collateral and proceeds of the Financing, DIP Obligations, Adequate Protection Obligations and Junior Adequate Protection Obligations.

(d) Except as expressly provided in this Final Order or in the DIP Documents, the DIP Liens, the Superpriority Claims, all other rights and remedies of the DIP Agent and the DIP Lenders, the Adequate Protection Liens, the Adequate Protection Obligations, all other rights of the Pre-Petition First Lien Agent and the Pre-Petition First Lien Secured Lenders, all other rights and remedies of the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders, the Junior Adequate Protection Liens and the Junior Adequate Protection Obligations granted by the provisions of the Interim Order and this Final Order and the DIP Documents shall survive, and shall not be modified, impaired or discharged by (i) the entry of an order converting any of the Cases to a case under chapter 7, dismissing any of the Cases, terminating the joint administration of these Cases or by any other act or omission, (ii) the entry of an order approving the sale of

any Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the Loan Documents (as defined in the DIP Credit Agreement)) or (iii) the entry of an order confirming a plan of reorganization in any of the Cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Debtors have waived any discharge as to any remaining DIP Obligations. The terms and provisions of this Final Order and the DIP Documents shall continue in these Cases, in any successor cases if these Cases cease to be jointly administered, or in any superseding chapter 7 cases under the Bankruptcy Code, and the DIP Liens, the Superpriority Claims, all other rights and remedies of the DIP Agent and the DIP Lenders, and the Adequate Protection Liens and Junior Adequate Protection Liens granted by the provisions of the Interim Order, this Final Order and the DIP Documents shall continue in full force and effect until the DIP Obligations are indefeasibly paid in full. For the avoidance of doubt, all rights and remedies of the Second Lien Parties granted by the provisions of this Final Order and any other provisions applicable to the Second Lien Parties shall continue in full force and effect notwithstanding the indefeasible payment in full of the DIP Obligations.

18. *Effect of Stipulations on Third Parties.* The stipulations and admissions contained in the Interim Order and this Final Order, including, without limitation, in paragraph 3 of this Final Order, shall be binding upon the Debtors and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors) in all circumstances. The stipulations and admissions contained in the Interim Order and this Final Order, including, without limitation, in paragraph 3 of this Final Order, shall be binding upon all other parties in interest, including, without limitation, any statutory or nonstatutory committees appointed or formed in these

Cases (including the Creditors' Committee), and any other person or entity acting on behalf of the Debtors' estates, unless (a) a party in interest has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, *inter alia*, in paragraph 19) by the earlier of (i) the date that is 180 days after entry of this Final Order and (ii) if such a challenge or claim is brought, the date of a final judgment on such challenge or claim or, in each case, such later date (x) as has been agreed to, in writing, by the Pre-Petition First Lien Agent or the Pre-Petition Second Lien Notes Trustee, as applicable, each in its sole discretion or (y) as has been ordered by the Court (the "**Challenge Period**"), (i) challenging the validity, enforceability, priority or extent of the Pre-Petition First Lien Debt or the Pre-Petition First Lien Agent's or the Pre-Petition First Lien Secured Lenders' liens on the Pre-Petition First Lien Collateral or the Pre-Petition Second Lien Debt or the Pre-Petition Second Lien Notes Trustee's or the Pre-Petition Second Lien Noteholders' liens on the Pre-Petition Second Lien Collateral or (ii) otherwise asserting or prosecuting any action for preferences, fraudulent conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, "**Claims and Defenses**") against the Pre-Petition First Lien Agent, the Pre-Petition Second Lien Notes Trustee or any of the Pre-Petition Secured Creditors or their affiliates, representatives, attorneys or advisors in connection with matters related to the Existing Documents, the Pre-Petition First Lien Debt, the Pre-Petition Second Lien Debt or the Pre-Petition Collateral, and (b) there is a final order in favor of the plaintiff sustaining any such challenge or claim in any such timely filed adversary proceeding or contested matter; *provided* that any challenge or claim shall set forth with specificity the basis for such challenge or claim and any challenges or claims

not so specified prior to the expiration of the Challenge Period shall be forever deemed waived, released and barred. If no such adversary proceeding or contested matter is timely filed, (w) to the extent not heretofore repaid, the Pre-Petition First Lien Debt and all related obligations of the Debtors (the “**Pre-Petition First Lien Obligations**”) and the Pre-Petition Second Lien Debt and all related obligations of the Debtors (the “**Pre-Petition Second Lien Obligations**”) shall constitute allowed claims, not subject to counterclaim, setoff, recoupment, subordination, recharacterization, defense or avoidance, for all purposes in the Cases and any subsequent chapter 7 cases, (x) the Pre-Petition First Lien Agent’s liens and the Pre-Petition First Lien Secured Lenders’ liens on the Pre-Petition First Lien Collateral and the Pre-Petition Second Lien Notes Trustee’s liens and the Pre-Petition Second Lien Noteholders’ liens on the Pre-Petition Second Lien Collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding and perfected, not subject to recharacterization, subordination or avoidance, (y) (1) the Pre-Petition First Lien Obligations, the Pre-Petition First Lien Agent’s and the Pre-Petition First Lien Secured Lenders’ liens on the Pre-Petition First Lien Collateral and the Pre-Petition First Lien Agent and the Pre-Petition First Lien Secured Lenders and (2) the Pre-Petition Second Lien Obligations, the Pre-Petition Second Lien Notes Trustee’s and the Pre-Petition Second Lien Noteholders’ liens on the Pre-Petition Second Lien Collateral and the Pre-Petition Second Lien Notes Trustee and the Pre-Petition Second Lien Noteholders shall not be subject to any other or further challenge by any party in interest seeking to exercise the rights of the Debtors’ estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 or 11 trustee appointed or elected for any of the Debtors) and (z) the repayment of the Pre-Petition First Lien Debt and the

payment of the Second Lien Adequate Protection Payments shall be irrevocable and shall not be subject to restitution, disgorgement or any other challenge under any circumstances, including, without limitation, pursuant to any Claims and Defenses (as defined below). If any such adversary proceeding or contested matter is timely filed, the stipulations and admissions contained in paragraph 3 of this Final Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on any statutory or nonstatutory committees appointed or formed in these Cases (including the Creditors' Committee) and on any other person or entity, except to the extent that such findings and admissions were expressly challenged in such adversary proceeding or contested matter. In the event of a timely and successful challenge in respect of the Pre-Petition Second Lien Obligations, the Court shall fashion an appropriate remedy, including, but not limited to, disgorgement or recharacterization of any Second Lien Adequate Protection Payments. Upon entry of an order directing disgorgement, further Second Lien Adequate Protection Payments shall cease pending further order of a court of competent jurisdiction. Nothing in this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including any statutory or nonstatutory committees appointed or formed in these Cases (including the Creditors' Committee), standing or authority to pursue any cause of action belonging to the Debtors or their estates, including, without limitation, Claims and Defenses with respect to the Existing Documents, the Pre-Petition First Lien Obligations, or the Pre-Petition Second Lien Obligations.

19. *Limitation on Use of Financing Proceeds and Collateral.* Notwithstanding anything herein or in any other order by this Court to the contrary, no borrowings, letters of credit, Cash Collateral, Collateral or the Carve Out may be used to (a) object, contest or

raise any defense to, the validity, perfection, priority, extent or enforceability of any amount due under the DIP Documents or the First Lien Existing Agreements or the Second Lien Existing Agreements, or the liens or claims granted under the Interim Order and this Final Order, the DIP Documents, the First Lien Existing Agreements or the Second Lien Existing Agreements, (b) investigate, assert any Claims and Defenses or causes of action against the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Secured Lenders, the Pre-Petition Second Lien Notes Trustee, or their respective agents, affiliates, representatives, attorneys or advisors, (c) prevent, hinder or otherwise delay the DIP Agent's assertion, enforcement or realization on the Cash Collateral or the Collateral in accordance with the DIP Documents or this Final Order, (d) seek to modify any of the rights granted to the DIP Agent or the DIP Lenders hereunder or under the DIP Documents, in each of the foregoing cases without such applicable parties' prior written consent or (e) pay any amount on account of any claims arising prior to the Petition Date unless such payments are (i) approved by an order of this Court and (ii) in accordance with the DIP Credit Agreement and the Operating Forecast (as defined in the DIP Credit Agreement) as approved by the DIP Agent in its sole discretion. Notwithstanding the foregoing, any party may investigate claims and issues with respect to the Existing Documents (the "**Investigation**") and, subject to any applicable law with respect to standing, commence and prosecute any related proceedings as a representative of the Debtors' estates; *provided* that, in the case of the Creditors' Committee an aggregate expense for such Investigation as to the First Lien Existing Agreements and the Second Lien Existing Agreements shall not exceed \$250,000 in respect of the U.S. Investigation and \$250,000 in respect of the non-U.S. Investigation.

20. *Priorities Among Pre-Petition Secured Creditors.* In determining the relative priorities and rights of the Pre-Petition Secured Creditors (including, without limitation, the relative priorities and rights of the Pre-Petition Secured Creditors with respect to the Adequate Protection Obligations or Junior Adequate Protection Obligations granted hereunder), such priorities and rights shall be governed by the Existing Documents, including, without limitation, the Existing Intercreditor Agreement, subject to the provisions of this Final Order. In the event of a conflict between such Existing Documents and this Final Order, this Final Order shall control.

21. *Duties of the Pre-Petition First Lien Co-Collateral Agents.* Following the repayment in full of all Pre-Petition First Lien Obligations (other than with respect to Continuing Pre-Petition First Lien Obligations to be backstopped or otherwise provided for as more fully described in the Interim Order and this Final Order or the DIP Documents), each Pre-Petition First Lien Co-Collateral Agent, as applicable, shall promptly turn over and distribute any proceeds recovered or received or any other payments or receipts obtained on account of the Pre-Petition First Lien Collateral, first, to the DIP Agent for the benefit of the DIP Lenders in accordance with the DIP Credit Agreement, and second, subsequent to indefeasible payment in full of all DIP Obligations and the indefeasible (following the expiration of the Challenge Period) Payment in Full (as defined in the Existing Intercreditor Agreement) of all Pre-Petition First Lien Obligations, for the benefit of the Pre-Petition Second Lien Noteholders under the Second Lien Existing Agreements.

22. *Authority to Enter Into Derivatives Contracts with DIP Lenders or their Affiliates.* Pursuant to sections 105, 363 and 364 of the Bankruptcy Code, the Debtors are authorized, but not directed, to (i) continue performance under existing Derivative

Contracts<sup>5</sup> with any DIP Lender and to enter into, perform under (including providing, posting or returning any collateral or credit support), roll over, adjust, modify, settle, terminate, and engage in similar transactions, with respect to pre-petition or post-petition Derivative Contracts and (ii) the Debtors are authorized, but not directed, to perform or satisfy any prepetition obligations under or with respect to Derivative Contracts with any DIP Lender, including paying any amounts owed thereunder or with respect thereto or returning any collateral or credit support, in each case, without further order of the Court.

23. *Notice.* The Debtors shall provide counsel to the Creditors' Committee, the Second Lien Noteholders Committee and the Pre-Petition Second Lien Notes Trustee with all formal notices and information required to be delivered to the DIP Agent or DIP Lenders pursuant to the terms of the DIP Credit Agreement.

24. *Final Order Governs.* In the event of any inconsistency between the provisions of this Final Order and the DIP Documents, the provisions of this Final Order shall govern.

25. *Binding Effect; Successors and Assigns.* The DIP Documents and the provisions of this Final Order, including all findings herein, shall be binding upon all parties in interest in these Cases, including, without limitation, the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Secured Lenders, the Pre-Petition Second Lien Notes Trustee, the Pre-Petition Second Lien Noteholders, any statutory or nonstatutory committees appointed or formed in these Cases (including the Creditors' Committee), and the Debtors and their respective successors and assigns

(including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors) and shall inure to the benefit of the DIP Agent, the DIP Lenders, the Pre-Petition First Lien Agent, the Pre-Petition First Lien Secured Lenders, the Pre-Petition Second Lien Notes Trustee, the Pre-Petition Second Lien Noteholders and the Debtors and their respective successors and assigns; *provided, however*, that the DIP Agent and the DIP Lenders shall have no obligation to extend any financing to any chapter 7 trustee or similar responsible person appointed for the estates of the Debtors. In determining to make any loan under the DIP Credit Agreement or in exercising any rights or remedies as and when permitted pursuant to the Interim Order and this Final Order or the DIP Documents, the DIP Agent and the DIP Lenders shall not be deemed to be in control of the operations of or participating in the management of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors, so long as the DIP Lenders’ actions do not constitute, within the meaning of 42 U.S.C. § 9601(20)(F), actual participation in the management or operational affairs of a vessel or facility owned or operated by a Debtor, or otherwise cause liability to arise to the federal or state government or the status of responsible person or managing agent to exist under applicable law (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 *et seq.* as amended, or any similar federal or state statute).

26. *Miscellaneous.* Nothing in this Final Order or the DIP Documents shall permit the Debtors to violate 28 U.S.C. § 959(b). As to the United States, its agencies, departments or agents, nothing in this Final Order or the DIP Documents shall discharge, release or otherwise preclude any valid right of setoff or recoupment that any such entity

may have. Any objections to the Motion or Supplemental Notice with respect to the entry of this Final Order that have not been withdrawn, waived or settled, and all reservations of rights included therein, are hereby denied and overruled.

27. *No Waiver.* Except as specifically set for herein, this Final Order shall not be construed in any way as a waiver or relinquishment of any rights that the Pre-Petition Secured Creditors may have to bring or be heard on any matter brought before the Court.

28. *Rights Preserved.* (a) Other than as expressly set forth in this Final Order, including, without limitation, paragraphs 14(d), (e), (g) and (h), the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, (i) the right of the Pre-Petition Second Lien Notes Trustee or the Pre-Petition Second Lien Noteholders to seek any other or supplemental relief in respect of the Debtors, including the right to seek additional adequate protection or (ii) any of the rights of the Pre-Petition Second Lien Notes Trustee or the Pre-Petition Second Lien Noteholders under the Bankruptcy Code or applicable nonbankruptcy law and (b) nothing contained herein shall be deemed a finding by the Court or an acknowledgement by the Pre-Petition Second Lien Notes Trustee or the Pre-Petition Second Lien Noteholders that the adequate protection granted herein does in fact adequately protect the Pre-Petition Secured Notes Trustee or the Pre-Petition Secured Noteholders against any diminution in value of their interests in the Collateral.

29. *No Waiver by Failure to Seek Relief.* The delay or failure of the Pre-Petition Second Lien Notes Trustee or the Pre-Petition Second Lien Noteholders to seek relief or otherwise exercise their rights and remedies under this Final Order, the Existing Second Lien Agreements or applicable law, as the case may be, shall not constitute a waiver of any

of the rights thereunder, or otherwise, of the Pre-Petition Second Lien Notes Trustee or the Pre-Petition Second Lien Noteholders.

30. *Effectiveness.* This Final Order shall constitute findings of fact and conclusions of law. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062 or 9024 or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry *nunc pro tunc* to the Petition Date and there shall be no stay of execution or effectiveness of this Final Order.
