TABULATION OF VOTES ON THE FIRST AMENDED JOINT CHAPTER 11 PLAN OF  
REORGANIZATION OF EASTMAN KODAK COMPANY AND ITS DEBTOR AFFILIATES**

I, P. Joseph Morrow IV, depose and say under penalty of perjury:

1. I am a Director of Corporate Restructuring Services, employed by Kurtzman Carson Consultants LLC (“KCC”), whose business address is 2335 Alaska Avenue, El Segundo, California 90245. I am over the age of 18 and not a party to this action.

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Eastman Kodak Company (7150); Creo Manufacturing America LLC (4412); Eastman Kodak International Capital Company, Inc. 5. KCC worked with the Debtors and their counsel and other professionals to solicit votes to accept or reject the *First Amended Joint Chapter 11 Plan of Reorganization of Eastman Kodak Company and Its Debtor Affiliates* [Exhibit B to Docket No. 4175] (the “Plan”) and to tabulate the ballots of creditors voting to accept or reject the First Amended Plan. Except as otherwise noted, I could and would testify to the following based upon my personal knowledge. I am authorized to submit this Certification on behalf of KCC.

6. KCC has considerable experience in soliciting and tabulating votes to accept or reject proposed chapter 11 plans.

**A. Service and Transmittal of Solicitation Packages and Related Information**

7. On or before July 5, 2013, KCC caused to be served Solicitation Packages<sup>2</sup> on all known members of Classes 3, 4, 5, 6, 7 and 8 in accordance with the Solicitation Procedures Order. Additionally, KCC caused to be served (i) the Unimpaired Creditor Notice and Confirmation Hearing Notice to all known members of Classes 1 and 2, (ii) the Notice of Non-Voting Status for Classes Deemed to Reject the Plan and Confirmation Hearing Notice to all known members of Classes 9 and 10, and (iii) the Confirmation Hearing Notice on the creditor matrix. An affidavit evidencing the service of the foregoing was filed with the Court on July 18,

---

<sup>2</sup> Terms not otherwise described herein shall have the meanings ascribed to them in the Solicitation Procedures Order or in the Plan.

2013 [Docket No. 4364], and further supplemental affidavits were filed thereafter [Docket Nos. 4173, 4402, 4420 4421, 4433, 4757].

8. On or before July 16, 2013, KCC caused the Confirmation Hearing Notice to be published in the *Democrat & Chronicle*, *The Wall Street Journal*, *National Edition*, and *USA Today*. Affidavits evidencing publication of the foregoing were filed with the Court on July 26, 2013 [Docket Nos. 4437, 4438, 4439].

9. In the days following the distribution of the Solicitation Packages, publication of the Confirmation Hearing Notice and prior to the Voting Deadline (defined below), KCC received inquiries regarding service of Solicitation Packages and related classification of claims in Class 4 (General Unsecured Claims). For each inquiry received, KCC, with specific guidance and approval from Debtors' counsel, responded by delivering additional Solicitation Packages to the inquiring recipients as requested. As described above, affidavits evidencing the service of the foregoing were subsequently filed with the Court.

#### **B. The Tabulation Process**

10. The Solicitation Procedures Order established June 25, 2013 as the Voting Record Date for determining which Holders of Claims and Equity Interests were entitled to receive Solicitation Packages and, where applicable, vote on the Plan. Pursuant to the Solicitation Procedures Order, Holders of Claims in Class 3 (Second Lien Notes Claims), Class 4 (General Unsecured Claims), Class 5 (KPP Claims), Class 6 (Retiree Settlement Unsecured Claims), Class 7 (Convenience Claims) and Class 8 (Subsidiary Convenience Claims) (collectively, the "Voting Classes") were entitled to vote to accept or reject the Plan. No other classes were entitled to vote on the Plan.

11. KCC relied on the Debtors' Schedules and the claims information pertaining to

the Debtors' Chapter 11 Cases as reflected in KCC's systems in order to identify the holders of claims entitled to vote to accept or reject the Plan.

12. KCC relied on a security position report provided by The Depository Trust Company ("DTC") as of the Record Date to identify the bank and brokerage firms (the "Nominees") that hold such noteholder Claims on behalf of underlying beneficial owners.

13. Using the information outlined above, KCC created a voting database reflecting the names of Holders in the Voting Classes, addresses of such Holders, voting amounts and classification of Claims in the Voting Classes.

14. Using its KCC CaseView voting database ("KCC CaseView"), KCC generated ballots for Holders entitled to vote to accept or reject the Plan. The Solicitation Procedures Order established August 9, 2013 at 8:00 p.m. (prevailing Eastern Time) as the deadline for receiving ballots to accept or reject the Plan (the "Voting Deadline").

15. For the Second Lien Notes Claims and the Unsecured Notes Claims, KCC provided Solicitation Packages to the Nominees appearing on the security position report received from DTC, or the Nominees' agents, for subsequent forwarding to the underlying beneficial owners of Second Lien Notes Claims and the Unsecured Notes Claims. KCC also provided a Master Ballot to each Nominee, or its agent, for their use in reporting the voting of the underlying beneficial owners.

16. Pursuant to the Solicitation Procedures Order, KCC received and tabulated Ballots as follows: (a) each returned Ballot was opened and inspected at KCC's offices; (b) Ballots were date-stamped and scanned into KCC CaseView; and (c) all Ballots received on or before the Voting Deadline were then entered into KCC CaseView and tabulated in accordance with the tabulation rules outlined in the Solicitation Procedures Order.

17. For the Second Lien Notes Claims and the Unsecured Notes Claims, Master Ballots were tabulated against the Voting Record Date security position amounts appearing for each Nominee as listed on the security position report received from DTC.

18. Set forth below is a summary of the voting results with respect to the Voting Classes tabulated on a consolidated basis:

19. The final Ballot report containing the consolidated summary Ballot report of the Voting Classes is annexed hereto as Exhibit A. The detailed Ballot reports for Voting Classes 3, 4, 5, 6, 7 and 8 are attached to this Certification as Exhibits A-1, A-2, A-3, A-4, A-5 and A-6, respectively.

**C. The Unacceptable Ballots**

20. Attached as Exhibit B to this Certification is a detailed report of any Ballots that were not included in the tabulation above because they did not satisfy the requirements for a

valid Ballot as set forth in the Solicitation Procedures Order for the reasons described below:

- a. Late-Filed Any Ballot received after the Voting Deadline;
- b. Not Signed Any Ballot that was not executed;
- c. Ambiguous Any Ballot that was illegible or contains insufficient or ambiguous information regarding the acceptance or rejection of the Plan; and/or
- d. Abstained Any Ballot that failed to indicate any acceptance or rejection of the Plan, or that indicated both acceptance and rejection of the Plan.

**Conclusion**

21. To the best of my knowledge, information and belief, the foregoing information concerning the distribution, submission and tabulation of Ballots in connection with the Plan is true and correct. The Ballots received by KCC are stored at KCC's office and are available for inspection by or submission to this Court.
