RE: Notice of Institutions Problems and number to call to
verify:

Dear Bankruptcy Court Judge,
The Law Library opened as of March 31, 2022 but with no
access to any Lexis Nexis system. I have no Lawyer once
again. I am Prose & I want to document this. I'm not only
fighting this case but im fighting the Dep't of Corrections
to allow me to send legal mail out for this proceeding as im
im indigent. But they won't allow me to do much. Please
understand I have many things going on. And preparing for
other matters related to this in some way or another. Please
cancel the May 4th deadline along with the May 11, 2022
hearing and allow me an Extension of time. Covid-19 and
Asbestos has been real bad on all my legal matters going on.
I believe I have a claim but I do not have any Attorney
helping me. You can call or have someone at your office call
my Custodial Authority to verify what im saying. At (360)
426-4433x4643. Thank you for understanding. I will wait for
a response and ruling on this Motion.

X 
Without Prejudice.

*I need an Extension for 2 months.
