NOTES PERTAINING TO ALL OF THE DEBTORS²

On October 16, 2007 (the “Commencement Date”), Movie Gallery, Inc. (“Movie Gallery”) and its domestic affiliates (collectively, the “Debtors”) filed voluntary petitions (collectively, the “Chapter 11 Cases”) with the Bankruptcy Court under chapter 11 of the Bankruptcy Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”). The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On October 18, 2007, the Court entered an order jointly administering the Debtors’ Chapter 11 Cases pursuant to Bankruptcy Rule 1015(b).

¹ The Debtors in the cases include: Movie Gallery, Inc.; Hollywood Entertainment Corporation; M.G. Digital, LLC; M.G.A. Realty I, LLC; MG Automation LLC; and Movie Gallery US, LLC.

² These notes are in addition to the specific notes contained in each Debtor’s Schedules or Statements. The fact that the Debtors have prepared a “General Note” with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such General Note to any of the Debtors’ remaining Schedules and Statements, as appropriate.

The Schedules of Assets and Liabilities, the Schedules of Executory Contracts and Unexpired Leases (collectively, the “Schedules”) and the Statements of Financial Affairs (the “Statements” and with the Schedules, the “Schedules and Statements”) of the Debtors have been prepared pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the Debtors’ management with the assistance of their advisors and are unaudited. These notes (the “Global Notes”) pertain to all of the Schedules and Statements. While the Debtors have made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements and inadvertent errors or omissions may exist. Moreover, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. Nothing contained in the Schedules and Statements shall constitute a waiver of any of the Debtors’ rights or an admission with respect to these Chapter 11 Cases including, without limitation, any issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant applicable laws to recover assets or avoid transfers.

Amendment. The Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary and appropriate.

Basis of Presentation. These Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each Debtor on an individual basis. Accordingly, the totals listed herein will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for public reporting purposes or otherwise. While these Schedules and Statements, at times, incorporate information prepared in accordance with generally accepted accounting principles (“GAAP”), the Statements and Schedules do not represent financial information prepared in accordance with GAAP.

Causes of Action. The Debtors, despite efforts, may not have identified or set forth all of their causes of action (filed or potential) as assets in their Schedules and Statements. Notwithstanding this, the Debtors reserve all of their rights with respect to any causes of action they may have. Nothing in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such causes of action.

Consolidation of Certain Information. Information that is provided on a consolidated basis is specifically indicated in the applicable Schedules and Statements and/or described in these Global Notes. The listing of information on a consolidated basis is not, and should not be construed as, an admission or view as to the appropriateness of substantive consolidation. The Debtors reserve their right to amend their Schedules and Statements for any or all Debtors filing such information on a consolidated basis to file such Statement or Schedule of such Debtors on an unconsolidated basis.

The Debtors utilize a consolidated accounts payable and disbursement system through which substantially all business-related expenses of all Debtors are paid by either Hollywood Entertainment Corporation (“HEC”) or Movie Gallery US, LLC (“MGUS”) on behalf of the appropriate Debtor. Therefore, payments listed in response to Statement Question 3b for HEC and MGUS also include payments made by these Debtors on behalf of the other Debtors. Additionally, the Debtors do not separately account for the assets and liabilities of MG Automation LLC (“MGA”) and, therefore, such amounts for MGA are reflected, on a consolidated basis, in the Statements and Schedules of HEC. The Debtors have made best efforts to include all contracts of MGA on an unconsolidated basis, however, contract parties of MGA are, out of an abundance of caution, also directed to review Schedule G for HEC.

Current Market Value – Net Book Value. The Debtors believe it would be an inefficient use of the assets of the Debtors’ estates for the Debtors to obtain current market valuations of their assets. Accordingly, unless otherwise indicated, net book values are reflected on the Schedules and Statements. For this reason, amounts ultimately realized will vary from net book value and such variance may be material. In addition, the amounts shown for liabilities exclude items identified as “Unknown” or “Undetermined” and, thus, the Debtors’ ultimate liabilities may differ materially from those stated in the Schedules and Statements.

Dates. Notwithstanding the Debtors’ efforts to include all information as of the Commencement Date, certain information was not available at the time of the filing of these Statements and Schedules. Therefore, unless otherwise indicated, the Statements and Schedules reflect the Debtors’ assets as of September 30, 2007 and liabilities as of the Commencement Date.

Description. Any failure to designate an amount on the Debtors’ Schedules and Statements as “disputed,” “contingent” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent” or “unliquidated.” The Debtors reserve the right to dispute any claim reflected on their Schedules or Statements on any grounds including, but not limited to, amount, liability, validity, priority or classification, or to otherwise subsequently designate such claims as “disputed,” “contingent” or “unliquidated.” The Debtors reserve the right to amend these Schedules accordingly.

Estimates. To close the books and records of the Debtors as of the Commencement Date, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of their assets, liabilities, revenue and expenses.

Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements such as goodwill, de minimis deposits, and accrued liabilities including, without limitation, accrued salaries and employee benefits, tax accruals, and accrued accounts payable. Other immaterial assets and liabilities may also have been excluded. Furthermore, the Debtors have received authority from the Bankruptcy Court to honor and/or pay certain prepetition claims including, but not limited to, the authority to pay outstanding

prepetition wages to employees and to honor orders for which customers may have placed deposits with the Debtors. The obligations that have been satisfied are de minimis individually and significant in number and, as such, are excluded from the Statements and Schedules.

Insiders. The Debtors have included in the Statements all payments made during the one-year period preceding the Commencement Date to any individual deemed an “insider.” The Debtors have defined “insider” as any individual that has served as either an officer or director of a Debtor within the one-year period prior to the Commencement Date. Persons listed as “insiders” have been included for informational purposes only. The Debtors do not take any position with respect to (a) such person’s influence over the control of the Debtors, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law.

Inter-company Transactions. Prior to the Commencement Date, the Debtors routinely engaged in inter-company transactions resulting in inter-company accounts payable and receivable. Given the significant volume and ordinary course nature of such transactions, the Debtors have not listed such transactions in their Schedules and Statements.

Inventory. Inventory, where applicable, is presented without consideration for any potential liens asserted by domestic common carriers, shippers, truckers, shipping auditing services, customs agents, warehousemen, mechanics, materialmen or similar liens.

Schedule A – Real Property. It is the Debtors’ belief that any mortgages on owned property had been satisfied as of the Commencement Date. Notwithstanding this belief, certain of the Debtors’ lenders purport to hold valid liens that extend to and cover the Debtors’ owned real property.

Schedule B – Personal Property. The Debtors do not separately account for the assets of MG Automation LLC. Such assets are included, on a consolidated basis, in the assets reported on Schedule B for HEC. Specifically, the response to question B29 for HEC also includes equipment owned by MG Automation LLC.

Schedule D – Creditors Holding Secured Claims. Except as specifically stated in the Schedules, utility companies and other parties that may hold security deposits have not been listed on Schedule D. The Debtors have not included on Schedule D entities that may believe their claims are secured through setoff rights, deposit posted by or on behalf of, the Debtor, or inchoate statutory lien rights. Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their right to dispute or challenge, among other things, the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor.

Schedule F – Creditors Holding Unsecured Nonpriority Claims. Schedule F does not include certain deferred charges, deferred liabilities or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Commencement Date. Furthermore, the Debtors have attempted to relate all liabilities to a particular Debtor. As a result of the consolidated payment and disbursement system discussed herein, however, in certain cases, it would be time-consuming and an inefficient use of the assets of the Debtors' estates to analyze the Debtors' consolidated systems to assign a given liability to a particular Debtor. For this reason, in certain situations, the liability of a given creditor may appear on Schedule F for either MGUS, HEC or both MGUS and HEC and may also appear on Schedule F for another Debtor. Therefore, for a complete understanding of the unsecured debts to be scheduled on Schedule F of a particular Debtor, entities should review both the Schedule F for such particular Debtor and the Schedule F for MGUS and HEC. To the extent the same claim is listed on the Schedules of more than one Debtor, the Debtors have done so out of an abundance of caution and do not admit or acknowledge that any creditor is entitled to more than one recovery on any claim.

Schedule G – Executory Contracts and Unexpired Leases. Reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, however, inadvertent errors, omissions or over-inclusion may have occurred. Listing a contract, agreement or lease on Schedule G does not constitute an admission that such contract, agreement or lease is an executory contract or unexpired lease or that such contract or agreement was in effect on the Commencement Date or is valid or enforceable. Conversely, the omission of a contract, agreement or lease from Schedule G is not intended and shall not be construed as an admission that such omitted contract, agreement or lease is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to their contracts, agreements or leases shall not be construed as and are not impaired by the omission or inclusion on Schedule G.

Schedule H – Co-Debtors. Certain of the Debtors' lenders, with respect to borrowings, have asserted liens extending to each of the Debtors. For purposes of Schedule H, only the administrative agent is listed for such borrowings. Additionally, it is possible that the legal and/or administrative proceedings that are listed on Schedule F have been asserted against multiple Debtors. Information regarding the co-debtors to such proceedings may be obtained from the pleadings and/or other documents filed in those cases and, as such, such co-debtor information is not listed on Schedule H.

Setoffs. The Debtors routinely incur setoffs from customers or suppliers during the ordinary course of business. Setoffs in the ordinary course can result from various items including, without limitation, inter-company transactions, pricing discrepancies, returns, warranties and other disputes between the Debtors and their customers or suppliers. These setoffs are consistent with the ordinary course of business in the Debtors' industries and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list all such ordinary course setoffs. Therefore, such setoffs are excluded from the Debtors' Statements and Schedules.

Totals. All totals that are included in the Schedules represent totals of all known amounts included in the Debtors' books and records at the time of the Commencement Date. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total, at times materially.

DebtorCase No. 07-33848
(if known)**SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is a creditor, indicate that by stating "a minor child" and do not disclose the child's name. See 11 U.S.C. § 112. If "a minor child" is stated, also include the name, address, and legal relationship to the minor child of a person described in Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

In re Hollywood Entertainment Corporation,
DebtorCase No. 07-33848
(if known)**SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS**

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, indicate that by stating "a minor child" and do not disclose the child's name. See 11 U.S.C. § 112. If "a minor child" is stated, also include the name, address, and legal relationship to the minor child of a person described in Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts who file a case under chapter 7 or 13 report this total also on the Statistical Summary of Certain Liabilities and Related Data.

DebtorCase No. 07-33848
(if known)**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, indicate that by stating "a minor child" and do not disclose the child's name. See 11 U.S.C. § 112. If "a minor child" is stated, also include the name, address, and legal relationship to the minor child of a person described in Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts filing a case under chapter 7, report this total also on the Statistical Summary of Certain Liabilities and Related Data..

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
