**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING  
DEBTOR'S SCHEDULES AND STATEMENTS**

**The Schedules of Assets and Liabilities and Statements of Financial Affairs**

The Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements" or "SOFAs" or collectively the "Schedules and Statements") filed by Momentive Performance Materials Holdings Inc. ("MPM Holdings") and 11 of its direct and indirect subsidiaries and affiliates (collectively, with MPM Holdings, the "Debtors" or "Momentive"), in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), were prepared pursuant to 11 U.S.C. §521 and Federal Rule of Bankruptcy Procedure 1007 by management of the Debtors and are unaudited. The Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

In addition to Momentive, the following entities are debtors in these related cases: The last four digits of the taxpayer identification numbers of the Debtors follow in parentheses: (i) Juniper Bond Holdings I LLC (9631); (ii) Juniper Bond Holdings II LLC (9692); (iii) Juniper Bond Holdings III LLC (9765); (iv) Juniper Bond Holdings IV LLC (9836); (v) Momentive Performance Materials China SPV Inc. (8469); (vi) MPM Silicones, LLC (5481); (vii) Momentive Performance Materials Inc. (8297); (viii) Momentive Performance Materials Quartz, Inc. (9929); (ix) Momentive Performance Materials South America Inc. (4895); (x) Momentive Performance Materials USA Inc. (8388); and (xi) Momentive Performance Materials Worldwide Inc. (8357). The Debtors' executive headquarters are located at 260 Hudson River Road, Waterford, NY 12188.

**Reservation of Rights.**

The corporate structure of the Debtors is extraordinarily complex. The Debtors have used reasonable efforts to ensure accuracy in attributing the information listed in the Schedules and SOFAs to the correct Debtor; however, subsequent information or discovery may result in material changes to the Schedules and SOFAs, and inadvertent errors, omissions or inaccuracies may exist. The Debtors reserve all rights to amend or supplement their Schedules and SOFAs. Listing a claim or a contract with a particular Debtor does not constitute an admission by such Debtor of the legal rights of the claimant, or a waiver of the Debtors' right to disclaim such claim or contract as attributable to such Debtor. The Debtors reserve the right to amend the Schedules and SOFAs, and to relist any contract or claim with another Debtor and/or to remove such contract or claim from the Schedules and SOFAs whether by amending the Schedules and SOFAs or in another appropriate filing.

**1. Description of the Cases and "As Of" Information Date.**

On April 13, 2014 (the "Petition Date") the Debtors, filed voluntary petitions in the Bankruptcy Court for reorganization relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330, as amended (the "Bankruptcy Code"). The cases have been consolidated for the purpose of joint administration under case number 14-22503 (RDD). The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Each Debtor's fiscal year ends on December 31. All asset information, except where otherwise noted, is as of March 31, 2014. The liability information, except where otherwise noted, is as of the close of business on April 12, 2014.

**2. Basis of Presentation.**

For financial reporting purposes, the Debtors, along with their subsidiaries which have not filed voluntary petitions for reorganization relief under the Bankruptcy Code, prepare consolidated financial statements that are filed with the Securities and Exchange Commission (the "SEC") and that are audited annually. On April 11, 2014, Momentive Performance Materials Inc. ("MPM Inc.") filed its annual report on Form 10-K for the year ended December 31, 2013. Unlike the consolidated financial statements contain therein, these Schedules and Statements reflect the assets and liabilities of each individual Debtor, except where otherwise noted. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP") in the United States, nor are they intended to fully reconcile to the consolidated financial statements filed by MPM Inc. with the SEC.

**3. Totals.**

All totals that are included in the Schedules and Statements represent totals of all the known amounts included on the Schedules. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

**4. Excluded Assets and Liabilities.**

The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: goodwill, intangibles, pension assets, accrued liabilities including, but not limited to, accrued salaries, bonuses and employee benefits, tax accruals, warranties and accrued rebates, and accrued accounts payable. Other immaterial assets and liabilities may also have been excluded.

**5. Interest in Subsidiaries and Affiliates.**

(a) MPM Holdings owns directly or indirectly all of the equity interests in 11 subsidiaries and affiliates that are also Debtors. In addition, MPM Holdings indirectly owns all or part of numerous subsidiaries and affiliates that are not Debtors. Interests in subsidiaries arise from stock ownership. Each Debtor's Schedule B - Personal Property schedules its ownership interests, if any, in subsidiaries and affiliates. Assets such as investments in subsidiaries are listed as undetermined amounts as of the Petition Date because the book values may materially differ from fair market values.

(b) In April 2014, Momentive sold 100% of its interest in its Canadian subsidiary to a subsidiary of Momentive Specialty Chemicals, Inc., ("MSC") (a non-debtor affiliate of Momentive) for a purchase price of \$12.4 million. As a part of the transaction, a subsidiary of Momentive also entered into a non-exclusive distribution agreement with a subsidiary of MSC, whereby the subsidiary of MSC will act as a distributor of certain Momentive subsidiary products in Canada. The agreement has a term of 10 years, and is cancelable by either party with 180 days' notice. Momentive's subsidiary will compensate the subsidiary of MSC for acting as distributor at a rate of 2% of the net selling price of the related products sold. Additionally, Momentive's subsidiary will provide transitional services to the subsidiary of MSC for period of 6 months.

**6. Summary of Significant Reporting Policies.**

The following is a summary of significant reporting policies:

(a) Foreign Currency. All amounts are reflected in U.S. dollars unless otherwise indicated.

(b) Book value. Unless otherwise noted, the Debtors' assets and liabilities are shown on the basis of their net book value as of March 31, 2014 or as of the close of business on April 12, 2014, respectively, in accordance with the Debtors' books and records. Thus, unless otherwise noted, the Schedules and Statements reflect the carrying value of the assets and liabilities as recorded on the Debtors' books, and are not based upon any estimate of their current market value.

(c) Cash Disbursements. The Debtors maintain an integrated cash management system to efficiently collect, concentrate, and disburse funds generated by the Debtors' business operations. The cash management system is made up of two components: a) cash collection and concentration and b) cash disbursements. The Debtors disburse funds through the disbursement accounts which are used to satisfy obligations of the Debtors' silicones and quartz divisions. In the ordinary course of business, and as a result of the Debtors' cash management operations, certain Debtors fund payables on behalf of various Debtors and non-Debtor subsidiaries. The Debtors' intercompany accounts reflect the net position of both the receipts and disbursements received or made on behalf of other Debtors and non-Debtor subsidiaries.

(d) Intercompany Accounts. The Debtors record intercompany assets and liabilities through three types of accounts: intercompany trade (includes trade and other business-related transactions), intercompany notes and intercompany dividends. Intercompany trade accounts record sales-type transactions between Momentive subsidiaries and affiliates. Intercompany notes reflect loans made between Momentive subsidiaries and affiliates. Intercompany interest includes interest accrued up through 4/12/2014. The Debtors have eliminated intra-company activity that accounts for activity between divisions within a single legal entity.

(e) Accounts Receivable. Amounts are presented as of March 31, 2014. For confidentiality reasons, the Debtors have not listed individual customer and affiliate accounts receivable information. Accounts receivable information for the Debtors has been listed net of related reserves. From time to time, Momentive enters into accounts receivable sale and purchase agreements with a specially formed non-debtor subsidiary. The agreements contain customary terms and conditions associated with such arrangements. On April 7, 2014, under this agreement, Momentive contributed \$51 million of accounts receivable to a non-debtor subsidiary of Momentive. The non-Debtor subsidiary of Momentive sold approximately \$51 million of accounts receivable to the non-debtor subsidiary of Momentive Performance Materials Holdings LLC, ("Momentive Holdings LLC"), the ultimate parent of the Debtors, and received 95% of the proceeds in cash, with the remaining 5% to be received in cash when the sold receivables are fully collected by the non-debtor subsidiary of Momentive Holdings LLC. The non-Debtor subsidiary of Momentive subsequently returned the cash proceeds to Momentive as a return of capital. The company allocated the accounts receivable across legal entities via the intercompany accounts. The intercompany balances described above do not reflect the accounts receivable sale, as it took place subsequent to the March 31st reporting date. Further, accounts receivable on account of normal trade activity with affiliates is accounted for in the Accounts Receivable amount.

(f) Inventories. Inventories are stated at lower of cost or market using the first-in, first-out basis, while raw and in process materials, finished goods, and goods in transit are reported at standard costs. An allowance is provided for excess and obsolete inventories based on management's review of inventories on-hand compared to estimated future usage and sales, and inventories are presented net of an allowance for excess and obsolete inventory. All inventories are presented without consideration of any mechanics' liens.

(g) Property and Equipment. Property and equipment is stated at cost, net of accumulated depreciation. Depreciation is recorded on a straight-line basis over the estimated useful lives of the properties (the average estimated useful lives for buildings and machinery are 20 years and 15 years, respectively). Major renewals and betterments are capitalized. Maintenance, repairs, minor renewals and turnarounds (periodic maintenance and repairs to major units of manufacturing facilities) are expensed as incurred. When property and equipment is retired or disposed of, the asset and related depreciation are removed from the accounts and any gain or loss is reflected in operating income. The Company capitalizes interest costs that are incurred during the construction of property and equipment. All property and equipment is presented without consideration of any mechanics' liens.

**6. Summary of Significant Reporting Policies. (Continued)**

(h) Leases. The Debtors have not included in the Schedules and Statements the future obligations of any operating leases. To the extent that there was an amount outstanding as of the relevant Petition Date, the creditor has been included in Schedule F of the Schedules and Statements. These leases are reported on Schedule G of each applicable Debtor.

(i) Contingent Assets. The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various avoidance actions they could commence under the provisions of Chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets. The Debtors have not set forth claims or causes of action against third parties or avoidance actions as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions or causes of action or in any way prejudice or impair the assertion of such claims. The Debtors may also possess contingent and unliquidated claims against affiliated entities (both debtor and non-debtor) for various financial accommodations and similar benefits they have extended from time to time, including, but not limited to, contingent and unliquidated claims for contribution, reimbursement, and/or indemnification arising from various (i) letters of credit, (ii) surety bonds, (iii) guarantees, (iv) indemnities, (v) tax sharing agreements and (vi) warranties. Additionally, prior to the relevant Petition Date, each Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages for business-related losses. Refer to each Statement of Financial Affairs, item 4(a), for lawsuits commenced prior to the relevant Petition Date in which the Debtor was a plaintiff.

(j) Schedule D. Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. In connection with the Bankruptcy Filing, the Debtors entered into an amended and restated senior secured debtor-in-possession and exit asset-based revolving credit agreement (the "DIP ABL Facility"), which amends and restates the Company's existing ABL Facility. Further, the Company entered into a senior secured debtor-in-possession term loan agreement (the "DIP Term Loan Facility") (collectively with the DIP ABL Facility, the "DIP Facilities"). The DIP Term Loan Facility was used in part to repay in full the outstanding obligations under the Company's existing ABL Facility.

(k) Schedule E. All claims listed on the Debtors' Schedule E are claims owing to various taxing authorities to which the Debtors may potentially be liable. However, certain of such claims may be subject to on-going audits and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the remaining claims listed on Schedule E. Therefore, the Debtors have listed all such claims as \$0 in amount, pending final resolution of on-going audits or other outstanding issues. The Debtors believe that most of the employee claims entitled to priority under the Bankruptcy Code were or will be paid pursuant to certain first day orders that authorized the payment of such claims. Accordingly, only employee-related claims by and against the Debtors for prepetition amounts due, that have not been paid as of the time that the Schedules and SOFAs were prepared by the Debtors, (including employee-related claims for items not authorized to be paid by order of the Bankruptcy Court), have been included in Schedule F for each Debtor.

(l) Schedule G. The businesses of the Debtors are complex. While the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors and every effort has been made to ensure the accuracy of the Schedule of Executory Contracts and Unexpired Leases, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on the Schedule, including the rights to dispute or challenge the characterization or the structure of any transaction document or instrument. Certain executory agreements may not have been memorialized and could be subject to dispute. Generally, executory agreements that are oral in nature have not been included in the Schedule. Additionally, the Debtors have not listed confidentiality agreements on the Schedule.

**7. Guaranties and Other Secondary Liability Claims.**

The Debtors have made reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, "Guaranties") in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such agreements to which any Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guaranties. The Debtors have placed the Guaranties on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Guaranties were additionally placed on Schedule D or F for each guarantor, except to the extent they are associated with obligations under an executory contract or unexpired lease identified on Schedule G. It is possible that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. The Debtors reserve their rights to amend the Schedules to the extent additional Guaranties are identified or such Guaranties are discovered to have expired or be unenforceable. In addition, the Debtors reserve the right to amend the Schedules and SOFAs and to recharacterize or reclassify any such contract or claim, whether by amending the Schedules and SOFAs or in another appropriate filing. Additionally, failure to list any Guaranties in the Schedules and SOFAs, including in any future amendments to the Schedules and SOFAs, shall not affect the enforceability of any Guaranties not listed.

**8. Classifications.**

Listing a claim (i) on Schedule D as "secured," (ii) on Schedule E as "unsecured priority" or (iii) on Schedule F as "unsecured nonpriority," or listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by a Debtor of the legal rights of the claimant or a waiver of any of Debtors' right to recharacterize or reclassify such claim or contract. The Debtors reserve the right to amend the Schedules and SOFAs and to recharacterize or reclassify any such contract or claim whether by amending the Schedules and SOFAs or in another appropriate filing.

**9. Disputed, Contingent, and/or Unliquidated Claims.**

Schedules D, E and F permit each of the Debtors to designate a claim as "disputed," "contingent" and/or "unliquidated." Any failure to designate a claim on the Debtors' Schedules as "disputed," "contingent" and/or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" and/or "unliquidated" or that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as "disputed," "contingent" and/or "unliquidated," whether by amending the Schedules and SOFAs or in another appropriate filing. Listing a claim does not constitute an admission by the Debtors of the claimant's legal rights or a waiver of the Debtors' right to recharacterize or reclassify the claim or contract. Additionally, the Debtors reserve their rights to object to any listed claims on the grounds that, among other things, they have already been satisfied.

**10. Claims.**

All general unsecured claims against the Debtors have been listed on Schedule F based upon the Debtors' existing books and records. The Debtors reserve all rights with respect to any such credits and allowances including the right to assert claims objections and/or setoffs. The claims listed on Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F. Schedule F does not include certain deferred charges, deferred liabilities, accruals or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, they are reflected on the Debtors' books and records as required in accordance with GAAP. Schedule F contains information regarding pending litigation involving the Debtors. In certain instances, the Debtor that is subject of the litigation is uncertain or undetermined. Where the named defendant is "Momentive Performance Materials" plus "et al.," the Debtors have listed such claim on Schedule F of MPM Inc. However, to the extent that litigation involving a particular Debtor has been identified, information regarding that litigation is contained in Schedule F for that Debtor. Note that substantially all trade debt of the Debtors' non-U.S. subsidiaries, which are not chapter 11 debtors in these cases, represents obligations of such non-U.S. subsidiaries and the payment of such trade debt is not affected by these chapter 11 cases.

**11. Claims of Third-Party Related Entities.**

While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third-party related entities on account of the Debtors' obligations to both such entity and its affiliates. Therefore, to the extent that the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.

**12. Effect of Payments Made Pursuant to "First Day" Orders on Scheduled Claim Amount.**

The Bankruptcy Court has authorized the Debtors to pay various outstanding prepetition claims, including, but not limited to, payments to employees, critical vendors, suppliers of goods entitled to administrative priority, foreign creditors, warehousemen, lienholders, shippers, and taxing authorities. Where the Schedules list creditors and set forth the Debtors' scheduled amount of such claims, such scheduled amounts reflect amounts owed as of the Petition Date, adjusted for any postpetition payments made on account of such claims pursuant to the authority granted to the Debtors by the Bankruptcy Court, subject to further adjustment as described in Claims of Third-Party Related Entities, above. However, the estimate of claims set forth in the Schedules may not reflect assertions by the Debtors' creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or orders of the Bankruptcy Court, including, without limitation, the Bankruptcy Court's "first day" orders to the extent that the Debtors have not agreed to such assertions as of the date hereof.

**13. Claims Related to Pension and Other Postretirement Benefits.**

Certain of the Debtors' largest potential liabilities as of the Petition Date were on account of MPM Inc.'s domestic pension and other post-employment benefits, including, without limitation, retiree health care and life insurance. Specifically, as recorded in MPM Inc.'s Annual Report on Form 10-K as of December 31, 2013, which is the date of the most recent actuarial valuation, the consolidated US Debtors were exposed to \$59 million in unfunded US pension obligations. Obligations related to unfunded pensions are primarily obligations of MPM Inc., and the majority of the above amounts have been listed on MPM Inc.'s Schedule F at \$0 contingent, unliquidated, and disputed. The underfunded pension obligations of MPM Inc. are related to various pension plans that it sponsors. In addition, the Debtor's affiliate, MSC, sponsors a U.S. defined benefit plan which was underfunded by \$38 million as of December 31, 2013. Under U.S. Federal pension law, because the Debtors and MSC have a common ultimate parent, Momentive Holdings LLC, and therefore may be treated as members of the same "controlled group," the Debtors are potentially liable for required contributions to the MSC pension plan if MSC fails to make those contributions. Certain Debtors other than those listed above also sponsor pension and benefit plans for their employees, and those plans and related trusts are included on the Schedules and Statements applicable to those Debtors. The Debtors have made no attempt to disaggregate such liabilities on an individual-by-individual basis for purposes of Schedule F.

**14. Collective Bargaining Agreements.**

Collective bargaining agreements between Momentive Performance Materials USA Inc. ("MPM USA Inc.") and its unions, including the IUE-CWA, The Industrial Division of the Communications Workers of America, AFL-CIO, CLC, and International Chemical Workers Union Council (ICWUC/UFCW) govern MPM USA Inc.'s manufacturing employees. A National Agreement between MPM USA Inc. and the IUE CWA, The Industrial Division of the Communications Workers of America, AFL-CIO, CLC, governs the union represented employees at the Willoughby, Ohio and Waterford, New York facilities. The local bargaining units at the Willoughby and Waterford facilities also have negotiated local agreements. Because the national agreement was negotiated and signed by MPM USA Inc., all related local agreements have been listed on Schedule G of MPM USA Inc. as well, notwithstanding that the particular signatory to such local bargaining unit agreements may have been an operating division of another affiliated Debtor. In July 2013, the labor union representing the Willoughby, Ohio, and Waterford, New York facilities ratified a new three-year collective bargaining agreement. In April 2013, the labor union representing the Sistersville, West Virginia facility ratified a one-year extension of the existing collective bargaining agreement, extending the agreement until July 2014.

**15. Union Grievances, Workers' Compensation Claims and Other Employment-related Actions and Charges.**

The Debtors have excluded listing individual employee union grievances in the Schedules and Statements. In addition, workers' compensation claims and other employment-related actions and charges are excluded from the Debtors' Statement of Financial Affairs. All such actions, claims and grievances have been excluded based on both the large volume of such actions, claims and grievances and the Debtors' belief that the majority of such actions, claims and grievances will generally not result in actual litigation. The workers' compensation obligations are identified among the applicable Debtor entities' Schedule F but have not been listed for individuals since the employee wage motion provided for these payments to be made in the post-petition period.

**16. Segment Information.**

The Debtors' businesses are based on the products that it offers and the markets that it serves. The Debtors do not operate on a legal entity basis. The Debtors' two businesses are managed as one reportable segment; however, given the differing technology and marketing strategies, the Debtors report the results for the silicones and quartz businesses separately. The silicones business is engaged in the manufacture, sale and distribution of silanes, silicones, including specialty silicones, and urethane additives. The quartz business is engaged in the manufacture, sale and distribution of high-purity fused quartz and ceramic materials. A significant number of transactions entered into by the Debtors refer to the reportable segments and the counterparty to these transactions on a creditor's books may indicate one of the Debtors' reportable segments, rather than a legal entity.

**SOFAs Item 3(b) - 90 Day Payments.**

The Debtors have responded to Question 3(b) of the Statement of Financial Affairs in a detailed format by creditor.

**SOFAs Item 3(c) - Payments to Insiders.**

The Debtors routinely make payments to intercompany entities and affiliates in the ordinary course of business as it relates to the costs of goods and services and as it relates to the movement of cash to and from the concentration accounts. These types of intercompany payments and movements are consistent with the ordinary course of business in the Debtors' industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list all normal payments and cash movements. Therefore, the Debtors have only included amounts paid as it relates to intercompany loans and interest payments. For purposes of the Schedules and Statements, the Debtors define Insiders as (i) directors, (ii) Section 16(b) officers, and (iii) officers who have received over \$300,000 in the one-year period preceding the Petition Date. To the extent that former officers do not qualify as Insiders as defined above, such benefits and payments are not included in the Schedules and Statements. Further, in 2006, MPM Inc., was created through the acquisition of certain assets, subsidiaries and liabilities of General Electric Company ("GE") that comprised GE Advanced Materials by affiliates of Apollo Management Holdings, L.P. (together with Apollo Global Management, LLC and its subsidiaries, "Apollo"). In October 2010, MPM Holdings and Momentive Specialty Chemicals Holdings LLC ("MSC Holdings"), the parent company of Momentive Specialty Chemicals Inc. and its subsidiaries (collectively "MSC"), became subsidiaries of a newly formed holding company, Momentive Holdings LLC. Momentive refers to this transaction as the "Momentive Combination." As a result of the Momentive Combination, Momentive Holdings LLC became the ultimate parent of MPM Holdings and MSC. Momentive Holdings LLC is controlled by investment funds managed by affiliates of Apollo, who may also be referred to as the Company's owner. In connection with the closing of the Momentive Combination, MPM Inc. entered into the Shared Services Agreement with MSC, as amended on March 17, 2011 (the "Shared Services Agreement"), pursuant to which MPM Inc. provides to MSC and MSC provides to MPM Inc., certain services, including, but not limited to, executive and senior management, administrative support, human resources, information technology support, accounting, finance, technology development, legal and procurement services. MPM Inc. has achieved significant cost savings under the Shared Services Agreement with MSC, including savings related to shared services and logistics optimization, best-of-source contractual terms, procurement savings, regional site rationalization, administrative and overhead savings. The Shared Services Agreement is subject to termination by MSC (or MPM Inc.), without cause, on not less than thirty days prior written notice subject to a one year transition assistance period and expires in October 2015 (subject to one-year renewals every year thereafter, absent contrary notice from either party). If the Shared Services Agreement is terminated or expires without renewal, it could have a material adverse effect on the business, results of operations and financial condition, as MPM Inc. would need to replace the services provided by MSC, and would lose the benefits generated under the agreement at the time. Some Directors & Officers of MPM Inc. are direct employees of MSC and are paid directly by MSC. Therefore, certain Debtors may not reflect any direct payments to the Directors and Officers on Item 3(c). Payments to MSC, under the Shared Service Agreement, which include amounts for executive management services, are reflected in SOFA 3(c) of MPM Inc.

**SOFAs Item 4 - Litigation.**

There are several pending litigation matters that are believed to have potential recoveries. The actual amount of these litigation matters is contingent on the outcome of the cases. The Debtors routinely participate in administrative actions and appeals with state agencies regarding permits in the ordinary course of their business and they have identified those administrative actions that were pending within one year of the Petition Date. In addition, litigation matters, not including any administrative actions and appeals, that are responsive to both Items 4 and 17 are identified in responses to Item 17.

**SOFAs Item 7 - Gifts.**

Although the Debtors have made reasonable efforts to ensure that the gifts listed in response to Item 7 include all gifts made, given the magnitude of the Debtors' operations, certain gifts may have inadvertently been omitted from the SOFAs.

**SOFAs Item 13 - Set-Offs.**

The Debtors routinely incur set-offs during the ordinary course of business. Set-offs in the ordinary course can result from various items including intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties and other transaction true-ups. These normal set-offs are consistent with the ordinary course of business in the Debtors' industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list all normal set-offs. Therefore, normal set-offs are excluded from the Debtors' responses to Item 13 of the SOFAs.

**SOFAs Item 14 - Property Held for Another Person.**

In the ordinary course of business, Momentive enters into consignment agreements (the "Consignment Agreements") on behalf of certain of the Debtors with some of their vendors. Under the Consignment Agreements, the Debtors take possession but not title to various materials and supplies, including parts and components of various chemical industry related equipment (the "Consigned Assets"). Title to the Consigned Assets does not transfer to the Debtors and the Debtors are not obligated to pay for the Consigned Assets until the Consigned Assets are placed in service.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING  
DEBTOR'S SCHEDULES AND STATEMENTS**

**SOFAs Item 17 - Environmental Information.**

The Debtors have operations in many locations. At some locations, the Debtors no longer have any operations and may no longer have relevant records, or the records may no longer be complete or reasonably accessible or reviewable. Some individuals who once possessed responsive information are no longer employed by the Debtors. For all these reasons, it may not be possible to identify and supply the requested information for every "site" and "proceeding" literally responsive to Item 17. The Debtors have devoted substantial internal and external resources to identifying and providing the requested information for as many responsive sites and proceedings as reasonably possible. The Debtors may supplement or amend this response in the future. Due to the number of potentially responsive matters, the practical burdens in compiling information on inactive matters and the presumably lower relevance of information on inactive matters, information is presented only for matters that have been active within the last few years and that the Debtors do not consider to be closed. When some requested categories of information were not reasonably available for a listed "site" or "proceeding," the Debtors' response gives as much information as was reasonably available. When a site is the subject of a proceeding, settlement or order listed in the response to Item 17(c), the site and notices related to it are not also listed in the responses to Item 17(a) or 17(b). Similarly, sites that are listed in the response to Item 17(a) (sites for which the Debtors have received notice from a governmental unit) are not repeated in response to Item 17(b) (sites for which the Debtors have provided notice to a governmental unit). To avoid duplication, notices are not listed to the extent they refer to another notice or proceeding already identified in 17(a), (b) or (c). This response does not include sites or proceedings related to non-environmental laws such as occupational safety and health laws or transportation laws. The Debtors make routine reports and submissions concerning discharges resulting from normal operations consistent with regulatory requirements, such as discharge monitoring reports, toxic release inventory submissions and submissions concerning air emissions. This response is limited to those reports and submissions that identify uncontrolled releases and hazardous materials and does not purport to identify all routine reports and submissions.

**SOFAs Item 18 - Capital Structure.**

MPM Holdings and its related Debtor and non-Debtor affiliates total over 50 separate legal entities. Due to the volume of legal entities enterprise-wide, the Debtors believe it would be prohibitively difficult to track every change in the capital structure over the six years prior to the Petition Date. Thus, the diagrams attached in response to SOFA Item 18 reflect the capital structure of MPM Holdings and its subsidiaries as it existed at the end of each 2009, 2010, 2011, 2012, and 2013 and at March 31, 2014.

**SOFAs Item 19(d) - Books, Records and Financial Statements.**

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, MPM Inc. and its subsidiaries have filed with the SEC reports on Form 8-K, Form 10-Q, and Form 10-K. These SEC filings contain consolidated financial information. Additionally, consolidated financial information is posted on Momentive's website at [www.momentive.com](http://www.momentive.com). As the SEC filings and the website are of public record, Momentive does not maintain records of the parties that requested or obtained copies of any of the SEC filings from the SEC or Momentive. In addition, Momentive provides certain parties, such as banks, auditors, potential investors, vendors and financial advisors financial statements that may not be part of a public filing. Momentive does not maintain complete lists to track such disclosures. As such, Momentive has not provided lists of these parties in response to this question.

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and account number, if any, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the filing of the petition. Do not include claims listed in Schedule D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete schedule H - Codebtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report total of all claims listed on the schedules in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Check this box if debtor has no unsecured nonpriority claims to report on this Schedule F.
