thereof, the “**Purchase Agreement**”), a copy of which attached hereto as **Exhibit A**, (ii) authorizing and approving the sale of certain of the Debtors’ assets (as more precisely defined in the Purchase Agreement, the “**Purchased Assets**”), free and clear of claims, liens, encumbrances, and other interests, and the consummation of all other transactions contemplated by the Purchase Agreement (collectively, the “**Sale**”), (iii) authorizing and approving the assumption and assignment of the Debtors’ Assumed Contracts as set forth in the Purchase Agreement, and (iv) granting related relief; the United States Bankruptcy Court for the District of Delaware (the “**Court**”) having entered on August 15, 2023 that certain *Order (I)(A) Approving Bidding Procedures for Sale of Substantially All of Debtors’ Assets Free and Clear of Liens, Claims, Interests, and Encumbrances and Designating Ligand Pharmaceuticals as a Stalking Horse Bidder, (B) Scheduling an Auction and Approving the Form and Manner of Notice Thereof, (C) Approving Assumption and Assignment Procedures and (D) Scheduling a Sale Hearing and Approving the Form and Manner of Notice Thereof, and (II) Granting Related Relief* [Dkt. IT IS HEREBY FOUND AND DETERMINED:³

Jurisdiction, Final Order and Statutory Predicates

A. The Court has jurisdiction to consider the Motion and the relief requested therein under 28 U.S.C. §§ 157 and 1334 and the Amended Standing Order of Reference from the United States District Court for the District of Delaware, dated February 29, 2012. The Motion is a core proceeding under 28 U.S.C. § 157(b). The Court may enter a final order with respect to the Motion, the Sale, the transactions contemplated thereby, and all related relief, in each case, consistent with Article III of the United States Constitution. Venue is proper in the Court under 28 U.S.C. §§ 1408 and 1409.

B. The statutory bases for the relief requested in the Motion are sections 105(a), 363 and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006, 9007 and 9014, and Local Rules 2002-1, 6004-1, and 9006-1.

C. This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under

³ All findings of fact and conclusions of law announced by the Court at the Sale Hearing in relation to the Motion are hereby incorporated herein to the extent not inconsistent herewith.

Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Order, and, thus, waives any stay and expressly directs that this Order be effective immediately upon entry.

Notice of Sale and the Cure Amounts

D. Actual written notice of the Motion, the assumption and assignment of the Assumed Contracts, the Auction, the Sale Hearing, the Sale of the Purchased Assets, and a reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein, has been afforded to all known interested Persons,⁴ including, but not limited to the following parties: (i) the Office of the United States Trustee for the District of Delaware, (ii) counsel to the Official Committee of Unsecured Creditors (the “**Committee**”), (iii) counsel to the Buyer, (iv) all Contract Counterparties (as defined below) and any other non-debtor parties to relevant contracts or leases (executory or otherwise), (v) all parties who are known or reasonably believed, after reasonable inquiry, to have asserted any lien, encumbrance, claim, or other interest in the Purchased Assets, (vi) the Internal Revenue Service, (vii) all applicable state and local taxing authorities, (viii) all parties that have requested or that are required to receive notice pursuant to Bankruptcy Rule 2002; (ix) all parties set forth in the Debtors’ Master Service List maintained in these Chapter 11 Cases (collectively, the “**Notice Parties**”).

E. In accordance with the provisions of the Bidding Procedures Order, the Debtors have served notice upon the counterparties to the Assumed Contracts (“**Contract Counterparty**” or “**Contract Counterparties**”): (i) that the Debtors seek to assume and assign to the Buyer the

⁴ “**Person**” means an individual, a person, a partnership, a limited liability company, a corporation, an association, a joint stock company, a trust, a joint venture, an unincorporated organization, a proprietorship, a firm, a labor union, estate, or a Governmental Authority or other entity, party or group.

Assumed Contracts upon the Closing (as defined in the Purchase Agreement) of the Sale; and (ii) of the relevant Cure Amounts (as defined below). The service of such notice was good, proper, timely, adequate, sufficient, and appropriate under the circumstances, and no further notice need be given in respect of establishing a Cure Amount for the Assumed Contracts. Each of the Contract Counterparties has had an opportunity to object to the Cure Amounts set forth in the notice and to the assumption and assignment to the Buyer of the applicable Assumed Contract.

F. As evidenced by the certificates of service previously filed with the Court, and based on the representations of counsel at the Sale Hearing, due, good, proper, timely, adequate, sufficient, and appropriate notice of the Motion, the Sale, the Auction, the Sale Hearing, and the transactions contemplated thereby, including without limitation, the assumption and assignment of the Assumed Contracts to the Buyer, was provided in accordance with the orders previously entered by the Court, sections 102(1), 105(a), 363, and 365 of the Bankruptcy Code, and Bankruptcy Rules 2002, 6004, 6006, 9007, 9008 and 9014. The notices described herein were good, proper, timely, adequate, sufficient, and appropriate under the circumstances, and reasonably calculated to provide the Notice Parties and all other interested parties with timely and proper notice under the circumstances of these Chapter 11 Cases and no other or further notice of the Motion, the Sale, the Auction, the Sale Hearing, the Closing, the assumption and assignment of the Assumed Contracts to the Buyer or with respect to the matters described herein is, or shall be, required. A reasonable opportunity to object and be heard with respect to the Sale, the Motion, and the relief requested therein, including but not limited to the assumption and assignment of the Assumed Contracts and the Cure Amounts, has been afforded to all interested parties, including the Notice Parties.

G. The disclosures made by the Debtors and the Buyer concerning the Sale, the Auction, the Purchase Agreement, the Motion, the Sale Hearing, and the assumption and assignment of the Assumed Contracts to the Buyer were good, proper, timely, adequate, sufficient, and appropriate.

H. A reasonable opportunity to object and be heard with respect to the Sale, the Motion, and the relief requested therein, including but not limited to the assumption and assignment of the Assumed Contracts and the Cure Amounts, has been afforded to all interested parties, including the Notice Parties.

Good Faith of the Buyer

I. The Debtors and Buyer have proffered or otherwise adduced evidence that (i) they proposed, negotiated, and entered into the Purchase Agreement without collusion, in good faith, and from arm's length bargaining positions immediately prior to the Closing, (ii) immediately prior to the Closing, neither the Buyer nor any of the Buyer Parties (as defined below) was an "insider" or "affiliate" of any Debtor (each as defined under sections 101(2) and 101(31) of the Bankruptcy Code), (iii) the Buyer and the Buyer Parties proceeded in good faith in connection with all aspects of the Sale, including, but not limited to: (a) recognizing that the Debtors were free to deal with any other party interested in acquiring the Purchased Assets pursuant to and in accordance with the Bidding Procedures Order; (b) neither inducing nor causing the filing of the Chapter 11 Cases; (c) disclosing all payments to be made, and all other material agreements or arrangements entered into, by the Buyer in connection with the Sale; and (d) having no common identity of directors or controlling stockholders between the Buyer, on the one hand, and the Debtors, on the other hand, and (iv) no admissible evidence having been proffered or adduced that contradicts clauses (i) through (iii) of this paragraph. The Buyer is therefore purchasing the Purchased Assets in good

faith and is a good faith Buyer within the meaning of section 363(m) of the Bankruptcy Code. As such, the Buyer is entitled to all of the rights, benefits, privileges and protections afforded under section 363(m) of the Bankruptcy Code, and under any other applicable or similar bankruptcy and nonbankruptcy law.

J. Further, neither the Debtors nor the Buyer has engaged in any conduct that would cause or permit the Purchase Agreement or the consummation of the Sale to be avoided, or costs or damages to be imposed under section 363(n) of the Bankruptcy Code, and accordingly neither the Debtors nor the Buyer has violated section 363(n) of the Bankruptcy by any action or inaction. Specifically, the Buyer has not acted in a collusive manner with any Person and the Purchase Price paid by the Buyer for the Purchased Assets was not controlled by any agreement among the bidders, all of whom acted in good-faith, at arm's length, and in a noncollusive manner. The transactions under the Purchase Agreement may not be avoided, and no damages may be assessed against the Buyer or any Buyer Party (defined below) under section 363(n) of the Bankruptcy Code or any other applicable bankruptcy or non-bankruptcy law.

Highest and Best Offer

K. The Bidding Procedures are reasonable and appropriate and represent the best available method for conducting the Sale process in a manner that maximizes value for the benefit of the Debtors' estates. The Debtors conducted a marketing and sale process with respect to the Purchased Assets in accordance with, and have otherwise complied in all respects with, the Bidding Procedures and the Bidding Procedures Order. The marketing and Sale process set forth in the Bidding Procedures Order afforded a full, fair, and reasonable opportunity for any Person to make a higher or otherwise better offer to purchase the Purchased Assets. The Auction was duly noticed and conducted in a non-collusive, fair, and good faith manner, and a reasonable

opportunity has been given to any interested party to make a higher or otherwise better offer for the Purchased Assets.

L. The Purchase Agreement constitutes the highest and best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative in these Chapter 11 Cases and would be better than if such cases were converted to cases under Chapter 7 of the Bankruptcy Code. The Debtors' determination that the Purchase Agreement maximizes value for the benefit of the Debtors' estates and constitutes the highest and best offer for the Purchased Assets constitutes a valid and sound exercise of the Debtors' business judgment and is in accordance and compliance with the Bidding Procedures and the Bidding Procedures Order.

M. The Purchase Agreement represents fair and reasonable terms for the purchase of the Purchased Assets. No other Person or group of Persons has offered to purchase the Purchased Assets for greater overall value to the Debtors' estates than the Buyer.

N. Approval of the Motion and the Purchase Agreement and the consummation of the transactions contemplated thereby will maximize the value of each Debtors' estates, are in the best interests of the Debtors, these Chapter 11 Cases, their creditors, and other parties-in-interest.

No Merger; The Buyer Not an Insider; No Successor Liability

O. Neither the Buyer nor any of the Buyer Parties is a successor to or a mere continuation or substantial continuation of the Debtors or the Debtors' estates, and there is no continuity of enterprise or common identity between the Buyer (or any of the Buyer Parties) and the Debtors. None of the Buyer or the Buyer Parties is holding itself out to the public as a successor to or a continuation of the Debtors or the Debtors' estates. Each of the Buyer and Buyer Parties is not, and shall not be, considered a successor in interest to any of the Debtors or the Debtors' estates

by reason of any theory of law or equity, and the Sale does not amount to a consolidation, succession, mere continuation of, combination of, merger, or *de facto* merger of the Buyer and the Debtors.

P. As set forth above, immediately prior to the Closing, neither the Buyer nor any of the Buyer Parties was an “insider” or “affiliate” (as those terms are defined in the Bankruptcy Code) of the Debtors, and no common identity of incorporators, directors, or controlling stockholders existed between the Debtors on the one hand and the Buyer or the Buyer Parties on the other hand. The transfer of the Purchased Assets to the Buyer, and the assumption of the Assumed Liabilities, except as otherwise explicitly set forth in the Purchase Agreement, does not, and will not, subject the Buyer or the Buyer Parties to any liability whatsoever, with respect to the Debtors or the operation of the Debtors’ businesses prior to the Closing (as modified by the Purchase Agreement) or by reason of such transfer, including under the laws of any foreign, federal, state, or local revenue, pension, tax, antitrust, environmental, labor or employment or benefits law, including without limitation, any WARN Act, the Consolidated Omnibus Budget Reconciliation Act (COBRA), or Employee Retirement Income Security Act (ERISA), under the basis of *de facto* merger, business continuation, substantial continuity, successor, vicarious, alter ego, derivative, or transferee liability, fraudulent transfer or avoidance, veil piercing, escheat, continuity of enterprise, mere continuation, product line, or other law, rule, regulation (including filing requirements under any such laws, rules, or regulations), or under any products liability law or doctrine with respect to the Debtors’ liability under such law, rule, or regulation or doctrine, whether now known or unknown, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether matured or unmatured, whether contingent or noncontingent, whether liquidated or unliquidated, whether arising prior to or

subsequent to the Petition Date, whether imposed by agreement, understanding, law, equity, or otherwise, including, but not limited to, liabilities on account of warranties, intercompany loans, and receivables among the Debtors, and any taxes, arising, accruing, or payable under, out of, in connection with, or in any way relating to the cancellation of debt of the Debtors or their respective affiliates, or in any way relating to the operation of any of the Purchased Assets prior to the Closing (Paragraphs O and P collectively, the “**Successor or Other Liabilities**”). Pursuant to the Purchase Agreement, the Buyer is not purchasing all of the Debtors’ assets in that the Buyer is only purchasing the Purchased Assets identified in the Purchase Agreement, is not purchasing any of the Excluded Assets or assuming the Excluded Liabilities and shall have no liability for the Excluded Liabilities.

Validity of Transfer

Q. The transfer of the Purchased Assets to the Buyer will be a legal, valid, enforceable, and effective sale and transfer of the Purchased Assets and will vest the Buyer with all legal, equitable, and beneficial right, title, and interest of the Debtors to the Purchased Assets free and clear of all Claims and Interests (as defined below) (other than Assumed Liabilities) of any kind or nature whatsoever, including without limitation, rights or claims that are Successor or Other Liabilities, or that are based on any Successor or Other Liabilities.

R. The Purchase Agreement is a valid and binding contract between the Debtors and the Buyer and shall be enforceable pursuant to its terms. The Purchase Agreement, the Sale, and the consummation thereof shall be specifically enforceable against and binding upon (without posting any bond) the Debtors and any chapter 7 trustee or chapter 11 trustee appointed in these Chapter 11 Cases and shall not be subject to rejection or avoidance by the foregoing parties or any other Person. The Purchase Agreement was not entered into for the purpose of hindering, delaying,

or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession, or the District of Columbia, or foreign jurisdiction. The consideration provided by the Buyer for the Purchased Assets pursuant to the Purchase Agreement (i) is fair and reasonable, (ii) is the highest and best offer for the Purchased Assets, (iii) will provide a greater recovery for the Debtors' creditors than would be provided by any other available alternative, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia, and any foreign jurisdiction (including the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, and similar laws and acts). Neither the Debtors nor the Buyer is entering into the transactions contemplated by the Purchase Agreement fraudulently for the purpose of statutory and common-law fraudulent conveyance and fraudulent transfer claims.

S. The Debtors have, to the extent necessary and applicable, (i) full corporate power and authority to execute and deliver the Purchase Agreement and all other documents contemplated thereby, (ii) all corporate authority necessary to consummate the transactions contemplated by the Purchase Agreement, and (iii) taken all corporate action necessary to authorize and approve the Purchase Agreement and the consummation of the transactions contemplated thereby. The Sale has been duly and validly authorized by all necessary corporate action. No consents or approvals, other than those expressly provided for in the Purchase Agreement, are required for the Debtors to consummate the Sale, execute the Purchase Agreement, or consummate the transactions contemplated thereby.

Free and Clear of All Claims and Interests

T. The Debtors are the sole and lawful owners of the Purchased Assets, and no other Person has any ownership right, title, or interests therein. The Purchased Assets constitute property

of the Debtors' estates and good title thereto is vested in the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code. The Debtors have (except to the extent otherwise provided in the Purchase Agreement) all right, title, and interest in the Purchased Assets. The transfer of the Purchased Assets to the Buyer will be, as of the Closing, a legal, valid, and effective transfer of the Purchased Assets, which transfer vests or will vest the Buyer with all right, title, and interest of the Debtors to the Purchased Assets free and clear of any and all (i) liens (including any liens as that term is defined in section 101(37) of the Bankruptcy Code) and encumbrances relating to, accruing, or arising any time prior to the Closing (collectively, the "**Liens**"), and (ii) all debts (as that term is defined in section 101(12) of the Bankruptcy Code) arising under, relating to, or in connection with any act of the Debtors or claims (as that term is defined in section 101(5) of the Bankruptcy Code), liabilities, obligations, demands, guaranties, options in favor of third parties, rights, contractual commitments, restrictions, interests, mortgages, hypothecations, charges, indentures, loan agreements, instruments, collective bargaining agreements, leases, licenses, deeds of trust, security interests or similar interests, conditional sale or other title retention agreements and other similar impositions, imperfections or restrictions on transfer or use, pledges, judgments, claims for reimbursement, contribution, indemnity, exoneration, infringement, products liability, alter ego liability, suits, defenses, credits, allowances, options, limitations, action, causes of action, choses in action, rights of first refusal or first offer, rebate, chargeback, credit, or return, proxy, voting trust or agreement or transfer restriction under any shareholder or similar agreement or encumbrance, and matters of any kind and nature, whether arising prior to or subsequent to the commencement of the Chapter 11 Cases, whether known or unknown, legal or equitable, matured or unmatured, contingent or noncontingent, liquidated or unliquidated, asserted or unasserted, and whether imposed by agreement, understanding, law, equity or otherwise

(including, without limitation, rights with respect to Claims (as defined below) and Liens (x) that purport to give to any party a right or option to effect a setoff against, or a right or option to effect any forfeiture, modification, profit sharing interest, right of first refusal, purchase, or repurchase right or option, or termination of, any of the Debtors' or the Buyer's interests in the Purchased Assets, or any similar rights, if any, or (y) in respect of taxes, restrictions, rights of first refusal, charges or interests of any kind or nature, if any, including, without limitation, any restriction of use, voting, transfer, receipt of income, or other exercise of any attributes of ownership) (the items in this clause (ii), collectively, the "**Claims**", and together with the Liens and other interests of any kind or nature whatsoever, the "**Claims and Interests**"), relating to, accruing, or arising any time prior to entry of this Order), with the exception of any such Claims and Interests that are expressly assumed by the Buyer as Assumed Liabilities solely to the extent set forth in the Purchase Agreement, including, for the avoidance of any doubt, Cure Amounts or any other obligations arising under the Assumed Contracts solely to the extent identified and/or set forth in the Purchase Agreement. For the avoidance of doubt, the Buyer shall obtain the Purchased Assets free and clear of any pre-petition or post-petition Claim for royalties or any other payments or obligations of any kind whatsoever, unless such Claim is expressly assumed by the Buyer as Assumed Liabilities, or Cure Amounts arising under the Assumed Contracts.

U. The appointment of a consumer privacy ombudsman pursuant to section 363(b)(1) or section 332 of the Bankruptcy Code is not required with respect to the relief requested in the Motion.

Section 363(f) Is Satisfied

V. The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full; therefore, the Debtors may sell the Purchased Assets free and clear of any Claims and Interests in the Purchased Assets (other than the Assumed Liabilities).

W. The Buyer would not have entered into the Purchase Agreement and would not consummate the transactions contemplated thereby if the Sale of the Purchased Assets to the Buyer, and the assumption and assignment of the Assumed Contracts to the Buyer, were not free and clear of all Claims and Interests of any kind or nature whatsoever (except the Assumed Liabilities), or if the Buyer would, or in the future could, be liable for any of such Claims and Interests (except the Assumed Liabilities), including, without limitation any pre-petition or post-petition Claim for royalties or any other payments or obligations of any kind whatsoever arising under contracts that are not Assumed Contracts. The Buyer will not consummate the transactions contemplated by the Purchase Agreement unless the Court expressly orders that none of the Buyer, its affiliates, its past, present and future members, shareholders, subsidiaries, parents, divisions, agents, representatives, insurers, attorneys, successors and assigns, or any of its or their respective directors, managers, officers, employees, agents, representatives, attorneys, contractors, subcontractors, independent contractors, owners, insurance companies, or partners (each a **“Buyer Party”**, and collectively, the **“Buyer Parties”**), or the Purchased Assets, will have any liability whatsoever with respect to, or be required to satisfy in any manner, whether at law or in equity, or by payment, setoff, or otherwise, directly or indirectly, any Claims and Interests (other than Assumed Liabilities), including rights or claims based on any Successor or Other Liabilities. The total consideration to be provided under the Purchase Agreement reflects the Buyer’s reliance on this Order to provide it, pursuant to sections 105(a) and 363 of the Bankruptcy Code, with title to and possession of the Purchased Assets free and clear of all Claims and Interests (other than

Assumed Liabilities) of any kind or nature whatsoever (including, without limitation, free and clear of any potential Successor or Other Liabilities of any kind whatsoever including potential Successor or Other Liabilities in connection with any pre-petition or post-petition Claim for royalties or any other payments or obligations arising under contracts that are not Assumed Contracts).

X. Not transferring the Purchased Assets free and clear of all Claims and Interests (other than Assumed Liabilities) of any kind or nature whatsoever, including rights or claims based on any Successor or Other Liabilities and/or applicable state, federal, or foreign law or otherwise, would adversely impact the Debtors' efforts to maximize the value of their estates, and the transfer of the Purchased Assets other than pursuant to a transfer that is free and clear of all Claims and Interests (other than Assumed Liabilities) of any kind or nature whatsoever (including any potential Successor or Other Liabilities) would be of substantially less benefit to the Debtors' estates.

Y. The Debtors may sell the Purchased Assets free and clear of all Claims and Interests against the Debtors, their estates, or any of the Purchased Assets (except the Assumed Liabilities) because, in each case, one or more of the standards set forth in sections 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Those holders of Claims and Interests against the Debtors, their estates, or any of the Purchased Assets, who did not timely object, or who withdrew their objections to, the Sale or the Motion are deemed to have consented thereto pursuant to section 363(f)(2) of the Bankruptcy Code. All other holders of Claims and Interests (except to the extent that such Claims and Interests are Assumed Liabilities) fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code. All holders of Claims and Interests are adequately protected by having their Claims and Interests, if any, in each instance against the

Debtors, their estates, or any of the Purchased Assets attach to the net cash proceeds of the Sale ultimately attributable to the Purchased Assets in which such holder alleges a Claim and Interest, in the same order of priority, with the same validity, force, and effect that such Claim and Interest had prior to the Sale, subject to any claims and defenses the Debtors and their estates may possess thereto.

Assumption and Assignment of the Assumed Contracts

Z. The assumption and assignment of the Assumed Contracts pursuant to the terms of this Order, the Bidding Procedures Order, and the Purchase Agreement, is integral to the Purchase Agreement and is in the best interests of the Debtors, their estates, their creditors, and all other parties-in-interest, and represents the Debtors' reasonable exercise of sound and prudent business judgment. The assumption and assignment of the Assumed Contracts (i) is necessary to sell the Purchased Assets to the Buyer, (ii) allows the Debtors to maximize the value of the Purchased Assets, including the Assumed Contracts, (iii) limits the losses suffered by counterparties to the Assumed Contracts, and (iv) maximizes the recoveries to other creditors of the Debtors by limiting the amount of claims against the Debtors' estates by avoiding the rejection of the Assumed Contracts. For these reasons, the Debtors have exercised sound business judgment in assuming and assigning the Assumed Contracts and such assumption and assignment is in the best interests of the Debtors' estates.

AA. Pursuant to section 365(f) of the Bankruptcy Code, each of the Assumed Contracts required to be assumed and assigned under the Purchase Agreement shall be assigned and transferred to and remain in full force and effect for the benefit of, the Buyer, notwithstanding any provision in such contract or other restrictions prohibiting its assignment or transfer. No section of any of the Assumed Contracts that would prohibit, restrict, or condition, whether directly or

indirectly, the use, assumption, or assignment of any of the Assumed Contracts in connection with the Sale shall have any force or effect.

BB. Except as expressly assumed by the Buyer under the Purchase Agreement, the transfer of the Purchased Assets to the Buyer and the assignment to the Buyer of the Assumed Contracts will not subject the Buyer or any Buyer Party to any liability whatsoever which may become due or owing under the Assumed Contracts prior to the Closing (other than Cure Amounts with respect to the Buyer), or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, or foreign jurisdiction, based, in whole or in part, directly or indirectly, on any theory of law or equity, including any Successor or Other Liabilities.

CC. The respective amounts set forth on Exhibit[•] annexed hereto are the sole amounts necessary under sections 365(b)(1)(A) and (B) and 365(f)(2)(A) of the Bankruptcy Code to cure all monetary defaults and pay all pecuniary losses under the Assumed Contracts, subject in all respects to the terms and conditions of the Purchase Agreement including Section 2.6 therein (the “**Cure Amounts**”).

DD. The Buyer has demonstrated adequate assurance of future performance with respect to the Assumed Contracts pursuant to sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code to the extent that any such assurance is required and not waived by the counterparties to the respective Assumed Contracts.

Compelling Circumstances for an Immediate Sale

EE. The Debtors have demonstrated through the testimony and/or other evidence proffered or adduced in connection with the Motion, at the hearing to consider approval of the Bidding Procedures Order (and the Bidding Procedures) and at the Sale Hearing, and the

arguments, statements and representations of counsel made on the record of the Sale Hearing good and sufficient reasons for approval of the Purchase Agreement, the Sale and the transactions contemplated thereby. The relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and all other parties-in-interest. The Debtors have demonstrated (i) good, sufficient, and sound business purposes and justifications for approving the Purchase Agreement and (ii) compelling circumstances for the immediate approval and consummation of the transactions contemplated by the Purchase Agreement for the Sale, in that, among other things, the immediate consummation of the Sale to the Buyer is necessary and appropriate to maximize the value of the Debtors' estates, and the Sale will provide the means for the Debtors to maximize distributions to their creditors. Accordingly, there is cause to lift the stay contemplated by Bankruptcy Rules 6004 and 6006 with respect to the transactions contemplated by this Order.

FF. To maximize the value of the Purchased Assets and preserve the viability of the businesses to which they relate, it is essential that the Sale occur within the time constraints set forth in the Purchase Agreement. Time is of the essence in consummating the Sale.

GG. Given all of the circumstances of the Chapter 11 Cases and the adequacy and fair value of the Purchase Price under the Purchase Agreement, the proposed Sale constitutes a reasonable and sound exercise of the Debtors' business judgment and should be approved.

HH. The Sale does not constitute a *sub rosa* Chapter 11 plan for which approval has been sought without the protections that a disclosure statement would afford. The Sale neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates a liquidating Chapter 11 plan for the Debtors.

II. The consummation of the Sale and the assumption and assignment of the Assumed Contracts is legal, valid, and properly authorized under all applicable provisions of the Bankruptcy

Code, including, without limitation, sections 105(a), 363(b), 363(f), 363(m), 365(b), and 365(f) of the Bankruptcy Code, and all of the applicable requirements of such sections have been complied with in respect of the Sale.

Repayment of DIP

JJ. Pursuant to the *Final Order (I) Authorizing Debtors to (A) Obtain Postpetition Financing and (B) Use of Cash Collateral, (II) Granting Adequate Protection to the Prepetition Secured Lender, and (III) Granting Related Relief* [Dkt. No. 220] (“**Final DIP Order**”), until the DIP Obligations (as defined in the Final DIP Order) have been satisfied in full in accordance with the DIP Documents (as defined in the Final DIP Order), all proceeds from the sale or other disposition of, or other revenue of any kind attributable to, any DIP Collateral or Collateral (as each term is defined in the Final DIP Order) that shall come into the possession or control of any Debtor shall be subject to the DIP Liens (as defined in the Final DIP Order).

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

Approval of the Purchase Agreement

5. The Debtors are authorized to enter into the Purchase Agreement. Pursuant to sections 105(a), 363(b) and (f), and 365 of the Bankruptcy Code, the Debtors are authorized and empowered on behalf of themselves to take any and all actions necessary or appropriate to (i) consummate the Sale pursuant to and in accordance with the terms and conditions of the Purchase Agreement, (ii) close the Sale as contemplated in the Purchase Agreement and this Order, and (iii) execute and deliver, perform under, consummate, implement, and take any and all other acts or actions as may be reasonably necessary or appropriate to the performance of their obligations as contemplated by the Purchase Agreement, without further notice to or order from the Court,

This Order shall inure to the benefit of the Debtors, their estates and creditors, the Buyer, and the respective successors and assigns of each of the foregoing, including, without limitation, any trustee subsequently appointed in the Chapter 11 Cases or upon conversion to chapter 7 under the Bankruptcy Code, and any Person seeking to assert rights on behalf of any of the foregoing or that belong to the Debtors' estates. The Purchase Agreement shall be binding in all respects upon the Debtors.

Transfer of the Purchased Assets

7. Pursuant to sections 105(a), 363(b), 363(f), 365(b), and 365(f) of the Bankruptcy Code, the Debtors are authorized to transfer the Purchased Assets, including the Assumed Contracts, to the Buyer on the Closing in accordance with the terms of the Purchase Agreement, and such transfer shall (a) constitute a legal, valid, binding, and effective transfer of the Purchased Assets, (b) vest the Buyer with title to and possession of the Purchased Assets, and (c) upon the Debtors' receipt of the Purchase Price, be free and clear of all Claims and Interests (other than

Assumed Liabilities) of any kind or nature whatsoever, including, without limitation, any potential Successor or Other Liabilities, with such Claims and Interests to attach to the net cash proceeds of the Sale ultimately attributable to the Purchased Assets in which such Claim and Interest is alleged in the order of their priority, with the same validity, force, and effect which they now have as against the Purchased Assets (subject to any rights, claims and defenses the Debtors or their estates may possess with respect thereto). Upon the Closing, the Buyer shall take title to and possession of the Purchased Assets subject only to the Assumed Liabilities.

8. Pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the sale and transfer of the Debtors' right, title and interest in the Purchased Assets to the Buyer pursuant to the Purchase Agreement is a legal, valid and effective disposition of the Purchased Assets, and vests the Buyer with all right, title and interest of the Debtors to and in the Purchased Assets free and clear of all Claims and Interests. The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full and the Debtors sale of the Purchased Assets shall be free and clear of any Claims and Interests in the Purchased Assets (other than the Assumed Liabilities), including, without limitation, any pre-petition or post-petition Claim for royalties or any other payments or obligations of any kind whatsoever arising under contracts that are not Assumed Contracts.

9. To the extent provided for in the Purchase Agreement, any and all of the Debtors' security deposits, or other security held by landlords, lessors and other counterparties to the contracts, leases, and licenses that are to be assumed and assigned under the Purchase Agreement are being transferred and assigned to, and shall be the property of, the Buyer from and after the Closing (as modified by the Purchase Agreement), which transfer and assignment of security deposits, other deposits, or security shall satisfy in full the requirements of section 365(l) of the

Bankruptcy Code for all contracts, leases, and licenses assumed and assigned pursuant to this Order or the Purchase Agreement.

10. The Debtors are hereby authorized on behalf of themselves to take any and all actions necessary to consummate the transactions contemplated by the Purchase Agreement, including any actions that otherwise would require further approval by shareholders, partners, members, or their respective boards of directors or boards of managers, as the case may be, without the need of obtaining such approvals.

11. Each and every federal, state, local, and other governmental agency or department is hereby authorized to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement.

12. The transactions authorized herein shall be of full force and effect, regardless of the Debtors' lack of good standing in any jurisdiction in which they are formed or authorized to transact business. Upon Closing of the transactions set forth in the Purchase Agreement, the Buyer shall be authorized to file termination statements or lien terminations in any required jurisdiction to remove any record, notice filing, or financing statement recorded to attach, perfect, or otherwise notice any Claims and Interests, with respect to the Purchased Assets, that is extinguished or otherwise released pursuant to this Order under section 363 and the related provisions of the Bankruptcy Code.

13. Subject to the terms, conditions, and provisions of this Order, all Persons are hereby forever prohibited and barred from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Purchased Assets to the Buyer in accordance with the terms of the Purchase Agreement and this Order.

14. The Buyer may, but shall not be required to, file a certified copy of this Order in any filing or recording office in any federal, state, county, or other territory or jurisdiction in which any of the Debtors are incorporated or have real or personal property, or with any other appropriate clerk or recorded with any other appropriate recorder.

15. The provisions of this Order authorizing the Sale of the Purchased Assets free and clear of all Claims and Interests, other than Assumed Liabilities, shall be self-executing, and neither the Debtors nor the Buyer shall be required to execute or file releases, termination statements, assignments, consents, or other instruments in order to effectuate, consummate and implement the provisions of this Order. If any Person which has filed a financing statement, mortgage, mechanic's lien, *lis pendens*, or other statement, document, or agreement evidencing any Claims and Interests on, or in, all or any portion of the Purchased Assets (other than statements or documents with respect to Assumed Liabilities) shall not have delivered to the Debtors prior to the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases, and/or any other documents necessary for the purpose of documenting the termination of all Claims and Interests which the Person has or may assert with respect to all or any portion of the Purchased Assets, then (i) the Debtors are hereby authorized to execute and file such statements, instruments, releases, and/or other similar documents on behalf of such Person with respect to the Purchased Assets, (ii) the Buyer is hereby authorized to file, register, or otherwise record a certified copy of this Order that, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the termination of all Claims and Interests of any kind or nature against or in the Purchased Assets, and (iii) the Buyer is authorized to seek in the Court, or any other court of appropriate jurisdiction, to compel the appropriate parties to execute termination statements, instruments of satisfaction, releases, and/or

other similar documents with respect to all Claims and Interests that such Person has against or in the Purchased Assets.

16. On the Closing, this Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of the Debtors' interests in the Purchased Assets. And with respect to the Purchased Assets, this Order is and shall be effective as a determination that, on the Closing, all Claims and Interests and any other interest of any kind or nature whatsoever including, without limitation, any Successor or Other Liabilities existing as to such Purchased Assets prior to the Closing, other than the Assumed Liabilities, shall have been terminated, and that the conveyances described herein have been effected; provided, however, that such Claims and Interests shall attach to the proceeds of the Sale in the order of their priority, with the same validity, force, and effect which they now have as against the Purchased Assets.

17. To the greatest extent available under applicable law, the Buyer shall be authorized, as of the Closing, to operate under any license, permit, registration, and governmental authorization or approval of the Debtors with respect to the Purchased Assets and all such licenses, permits, registrations, and governmental authorizations and approvals are deemed to have been, and hereby are, deemed to be transferred to the Buyer as of the Closing.

18. To the extent section 525 of the Bankruptcy Code is applicable, no governmental unit may deny, revoke or suspend, or refuse to renew any permit, license, or similar grant relating to the operation of the Purchased Assets on account of the filing or pendency of the Chapter 11 Cases or the consummation of the transactions contemplated by the Purchase Agreement, including the Sale and the assumption and assignment of the Assumed Contracts.

No Successor Liability

19. Neither the Buyer nor any of the Buyer Parties is a “successor” to, continuation of, or alter ego of, any of the Debtors or the Debtors’ estates by reason of any theory of law or equity. Except for the Assumed Liabilities, the Buyer and the Buyer Parties shall not have assumed, or be deemed to have assumed, or in any way be responsible for, any liability or obligation of any of the Debtors, or the Debtors’ estates, or any of the Debtors’ predecessors or affiliates with respect to the Purchased Assets or otherwise. Neither the purchase of the Purchased Assets by the Buyer nor the fact that the Buyer is using any of the Purchased Assets previously used or operated by the Debtors will cause the Buyer or any of the Buyer Parties to be deemed a successor to, combination of, or alter ego of, in any respect, any of the Debtors or the Debtors’ businesses, or incur any liability derived therefrom within the meaning of any foreign, federal, state, or local revenue, pension, ERISA, tax, antitrust, environmental, labor law (including any WARN Act), employment or benefits law, *de facto* merger, business continuation, substantial continuity, successor, vicarious, alter ego, derivative, or transferee liability, fraudulent transfer or avoidance, veil piercing, escheat, continuity of enterprise, mere continuation, product line, or other law, rule, regulation (including filing requirements under any such laws, rules, or regulations), or under any products liability law or doctrine with respect to the Debtors’ liability under such law, rule, or regulation or doctrine, whether now known or unknown, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether matured or unmatured, whether contingent or noncontingent, whether liquidated or unliquidated, whether arising prior to or subsequent to the Petition Date, whether imposed by agreement, understanding, law, equity, or otherwise, including, but not limited to, liabilities on account of warranties, intercompany loans, and receivables among the Debtors, and any taxes, arising, accruing, or payable under, out of, in connection with, or in any way relating to the cancellation

of debt of the Debtors or their respective affiliates, or in any way relating to the operation of any of the Purchased Assets prior to the Closing.

Claims and Interests; Prohibition of Actions Against the Buyer

20. Except for the Assumed Liabilities, or as otherwise expressly provided for in this Order or the Purchase Agreement, neither the Buyer nor any of the Buyer Parties shall have any liability, responsibility or obligation for any Claims and Interests of the Debtors or their estates, including any claims, liabilities, or other obligations arising under or related to any of the Purchased Assets which may become due or owing (a) prior to the Closing or (b) from and after the Closing but which arise out of or relate to any act, omission, circumstances, breach, default, or other event occurring prior to the Closing.

21. Except with respect to Assumed Liabilities, or as otherwise permitted by the Purchase Agreement or this Order, all Persons, including, but not limited to, all debt holders, equity security holders, governmental, tax and regulatory authorities, lenders, trade creditors, litigation claimants, Contract Counterparties, customers, landlords, licensors, employees, and other creditors and holders of Claims and Interests of any kind or nature whatsoever against or in any of the Debtors or any portion of the Purchased Assets (whether legal or equitable, secured or unsecured, matured or unmatured, known or unknown, liquidated or unliquidated, senior or subordinate, asserted or unasserted, whether arising prior to or subsequent to the Petition Date, whether imposed by agreement, understanding, law, equity, or otherwise), arising under or out of, in connection with, or in any way relating to, the Debtors, the Purchased Assets, the operation of the Debtors' business prior to the Closing, or the transfer of the Purchased Assets to the Buyer (including without limitation any Successor or Other Liabilities or rights or claims based thereon or based in any manner upon any pre-petition or post-petition Claim for royalties or any other payments or

obligations of any kind whatsoever arising under contracts that are not Assumed Contracts) shall be, and hereby are forever barred and estopped from asserting against the Buyer or any Buyer Party, or their respective assets or properties, including, without limitation, the Purchased Assets, the Claims and Interests of any kind or nature whatsoever such Person had, has, or may have against or in the Debtors, their estates, officers, directors, shareholders, or the Purchased Assets, such Persons' Claims and Interests or any other interests in and to the Purchased Assets, including, without limitation, the following actions: (a) commencing or continuing in any manner any action or other proceeding, the employment of process, or any act (whether in law or equity, in any judicial, administrative, arbitral, or other proceeding) against the Buyer or any Buyer Party, or their respective assets or properties, including, without limitation, the Purchased Assets; (b) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order against the Buyer or any Buyer Party, or their respective assets or properties, including, without limitation, the Purchased Assets; (c) creating, perfecting, or enforcing any Claims and Interests against the Buyer or any Buyer Party, or their respective assets or properties, including, without limitation, the Purchased Assets; (d) asserting any setoff, or right of subrogation of any kind against any obligation due to the Buyer or any Buyer Party, or their respective assets or properties, including, without limitation, the Purchased Assets; (e) commencing or continuing any action, in any manner or place, that does not comply with or is inconsistent with the provisions of this Order, other orders of the Court, the Purchase Agreement or any other agreements or actions contemplated or taken in respect thereof; or (f) revoking, terminating, or failing or refusing to transfer any license, permit, or authorization to operate any of the Purchased Assets or conduct any of the businesses operated with the Purchased Assets in connection with the Sale.

22. On the Closing, or as soon as possible thereafter, each creditor shall, and the Buyer is hereby authorized, on behalf of each of the Debtors' creditors, to execute such documents and take all other actions as may be necessary to release any Claims and Interests and other interests in or on the Purchased Assets (except Assumed Liabilities), if any, as provided for herein, as such Claims and Interests may have been recorded or may otherwise exist.

23. All Persons are hereby barred and forever prohibited from taking any action that would adversely affect or interfere with the ability of any of the Debtors to sell and transfer the Purchased Assets to the Buyer in accordance with the terms of the Purchase Agreement and this Order.

24. The consideration provided by the Buyer for the Purchased Assets under the Purchase Agreement is fair and reasonable, and accordingly, the Sale may not be avoided under section 363(n) of the Bankruptcy Code.

25. Following the Closing, no holder of a Claim or an Interest in the Debtors shall interfere with the Buyer's title to or use and enjoyment of the Purchased Assets and the Assumed Contracts based on or related to such Claim or Interest or any actions that the Debtors may take in these Chapter 11 Cases.

Assumption and Assignment of Contracts

26. Pursuant to sections 105(a) and 365 of the Bankruptcy Code and the Bidding Procedures Order, and subject to and conditioned upon the terms of the Purchase Agreement (including, without limitation, Sections 2.3 and 2.6 of the Purchase Agreement, the Closing, and payment of the applicable Cure Amounts by the Buyer (pursuant to the terms of the Purchase Agreement, including Section 2.6 thereof), the Debtors' assumption and assignment to the Buyer, and the Buyer's assumption on the terms set forth in the Purchase Agreement, of the Assumed

Contracts is hereby approved, and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are hereby deemed satisfied. Upon the Closing and payment of the applicable Cure Amounts by the Buyer pursuant to the terms of the Purchase Agreement (including Section 2.6 thereto) and in accordance with sections 105(a), 363 and 365 of the Bankruptcy Code, the Buyer shall be fully and irrevocably vested with all right, title, and interest of the Debtors in and under the Assumed Contracts free and clear of any Claims or Interests, and each such Assumed Contract shall be fully enforceable by the Buyer in accordance with its respective terms and conditions, except as limited by this Order. To the extent provided in the Purchase Agreement, the Debtors shall cooperate with, and take all actions reasonably requested by, the Buyer to effectuate the foregoing.

27. With respect to the assumption and assignment of the Assumed Contracts to Buyer as provided in Paragraph 26 of this Order: (a) any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract or allow the party to such Assumed Contract to terminate, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract, shall constitute unenforceable anti-assignment provisions which are void and of no force and effect; (b) all other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Buyer of each Assumed Contract have been satisfied; and (c) effective upon the Closing, the Assumed Contracts shall be transferred and assigned to, and from and following the Closing (as modified by the Purchase Agreement) shall remain in full force and effect for the benefit of, the Buyer, notwithstanding any provision in any Assumed Contract (including those of the type described in sections 365(b)(2) and (d) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer, and pursuant

to section 365(k) of the Bankruptcy Code, the Buyer shall be deemed to be substituted for the applicable Debtor as a party to the applicable Assumed Contract and the Debtors shall be relieved from any further liability with respect to the Assumed Contracts after such assumption and assignment to the Buyer, except as otherwise provided in the Purchase Agreement. Further, to the extent any provision in any of the Assumed Contracts assumed and assigned pursuant to Paragraph 26 of this Order (i) prohibits, restricts, or conditions, or purports to prohibit, restrict, or condition, such assumption and assignment (including, without limitation, any “change of control” provision), or (ii) is modified, breached, or terminated, or deemed modified, breached, or terminated by any of the following: (A) the commencement of the Chapter 11 Cases, (B) the insolvency or financial condition of any of the Debtors at any time before the closing of the Chapter 11 Cases, (C) the Debtors’ assumption and assignment of such Assumed Contract, (D) a change of control or similar occurrence, or (E) the consummation of the Sale, then such provision shall be deemed modified in connection with the Sale so as not to entitle the Contract Counterparty thereto to prohibit, restrict, or condition such assumption and assignment, to modify, terminate, or declare a breach or default under such Assumed Contract, or to exercise any other default-related rights or remedies with respect thereto, including without limitation, any such provision that purports to allow the Contract Counterparty thereto to terminate or recapture such Assumed Contract, impose any penalty, additional payments, damages, or other financial accommodations in favor of the Contract Counterparty thereunder, condition any renewal or extension thereof, impose any rent acceleration or assignment fee, or increase or otherwise impose any other fees or other charges in connection therewith. All such provisions constitute unenforceable anti-assignment provisions that are void and of no force and effect in connection with the Sale pursuant to sections 365(b), 365(e), and 365(f) of the Bankruptcy Code.

28. All defaults or other obligations of the Debtors under the Assumed Contracts arising or accruing prior to the Closing or required to be paid pursuant to section 365 of the Bankruptcy Code in connection with the assumption and assignment of the Assumed Contracts (in each case, without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code), whether monetary or non-monetary, shall be cured solely to the extent set forth in the Purchase Agreement (including Section 2.6 thereto) and this Order on the Closing or as soon thereafter as reasonably practicable.

29. All requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Buyer of the Assumed Contracts have been satisfied. Upon the Closing, in accordance with sections 363 and 365 of the Bankruptcy Code, the Buyer shall be fully and irrevocably vested with all right, title, and interest of the Debtors in and under the Assumed Contracts, and each Assumed Contract shall be fully enforceable by the Buyer in accordance with its respective terms and conditions, except as limited by this Order. To the extent provided in the Purchase Agreement, the Debtors shall cooperate with, and take all actions reasonably requested by, the Buyer to effectuate the foregoing.

30. Upon the Debtors' assignment of the Assumed Contracts to the Buyer under the provisions of this Order and the Buyer's payment of the Cure Amounts pursuant to the terms of the Purchase Agreement (including Section 2.6 thereto) no default or other obligations arising prior to the Closing shall exist under any Assumed Contract, and each Contract Counterparty to an Assumed Contract is forever barred and estopped from (a) declaring a default by the Debtors or the Buyer under such Assumed Contract, (b) raising or asserting against the Debtors or the Buyer (or any Buyer Party), or the property of either of them, any assignment fee, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or related to the Assumed

Contracts, or (c) taking any other action against the Buyer or any Buyer Party as a result of any Debtor's financial condition, bankruptcy, or failure to perform any of its obligations under the relevant Assumed Contract, in each case in connection with the Sale. Each Contract Counterparty is also forever barred and estopped from raising or asserting against the Buyer or any Buyer Party any assignment fee, default, breach, Claim, pecuniary loss, or condition to assignment arising under or related to the Assumed Contracts existing as of the Closing or arising by reason of the closing of the Sale, except for any amounts that are Assumed Liabilities.

31. Any party that may have had the right to consent to the assumption or assignment of an Assumed Contract, including (if applicable) the Contract Counterparty to each Assumed Contract, is deemed to have consented to such assumption and assignment for purposes of sections 365(c)(1)(B) and 365(e)(2)(A)(ii) of the Bankruptcy Code and any other applicable law if such party failed to object timely to the assumption or assignment of such Assumed Contract (in accordance with, among other things, the Bidding Procedures Order (if any)), and the Buyer shall enjoy all of the Debtors' rights and benefits under each such Assumed Contract as of the applicable date of assumption without the necessity of obtaining such Contract Counterparty's written consent to the assumption or assignment thereof. The Buyer shall be deemed to have demonstrated adequate assurance of future performance with respect to such Assumed Contract pursuant to sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code.

32. To the extent a Contract Counterparty to an Assumed Contract failed to timely object to a Cure Amount, such Cure Amount shall be deemed to be finally determined and any such Contract Counterparty shall be prohibited from challenging, objecting to, or denying the validity and finality of the Cure Amount at any time, and such Cure Amount, when paid, shall be

deemed to resolve any defaults or other breaches with respect to any Assumed Contract to which it relates.

33. Reference is made to that certain Settlement and License Agreement effective as of September 3, 2021 by and among debtor EPI Health, LLC, Allergan, Inc. and Padagis Israel Pharmaceuticals Ltd (“**Padagis**”) (“**Settlement Agreement**”). Among other things, the Settlement Agreement granted Padagis a license under certain patents. For the avoidance of doubt and unless Padagis, the Debtors, and Buyer agree otherwise in writing, at the Closing, (a) the Debtors will convey all of the Debtors’ rights in and to the Settlement Agreement to Buyer, which shall assume all of the Debtors’ obligations thereunder effective as of the Closing; (b) the Debtors shall assign to Buyer at the Closing all of the Debtors’ right, title and interest in and to the patents, patent rights and other intellectual property which are subject to the Settlement Agreement; and (c) the Buyer shall cure all defaults and pay all amounts owing under the Settlement Agreement, which shall not include any amounts owed for prepetition amounts, as Padagis, the Debtors and Buyer agree that the prepetition outstanding cure amount totals \$0.

34. For the avoidance of doubt, the assumption by the Debtor and the assignment to the Buyer of the Asset Purchase Agreement by and between Aclaris Therapeutics, Inc. and Allergan Sales, LLC, dated October 15, 2018 (the “Allergan APA”) shall include the assumption and assignment of all of the liabilities thereunder, including, but not limited to, those under the Vicept Agreement (as defined in the Allergan APA).

35. With respect to objections to any Cure Amounts that remain unresolved as of the Hearing, such objections shall be resolved in accordance with the procedures to be developed among the applicable Contract Counterparty, the Debtors, and the Buyer.

36. For the avoidance of doubt, a Contract shall not be an Assumed Contract pursuant to the Purchase Agreement and shall not be assigned to, or assumed by Buyer to the extent that such Contract was not listed on the Assumed Contract List.

37. Nothing in this Order, the Motion, or in any notice or any other document is or shall be deemed an admission by the Debtors that any contract or Assumed Contract is an executory contract or unexpired lease or must be assumed and assigned pursuant to the Purchase Agreement or in order to consummate the Sale.

Buyer Standing and Assumed Liabilities

38. All of the provisions of this Order are non-severable and mutually dependent.

47. 48. Notwithstanding any provision in the Sale Motion, the Asset Purchase Agreement, this Order, and any implementing sale documents (collectively, "Sale Documents"), nothing shall: (1) authorize the assumption, sale, assignment or other transfer to the Purchaser of any federal (i) grants, (ii) grant funds, (iii) contracts, (iv) property, including but not limited to, intellectual property and patents, (v) leases, (vi) agreements, including but not limited to, any Medicare Coverage Gap Discount Program Agreement, (vii) certifications, (viii) applications or other interests of the federal government (collectively, "Federal Interests") without compliance by the Debtors and the Purchaser with all terms of the Federal Interests and with all applicable non-bankruptcy law; (2) be interpreted to set cure amounts or to require the government to novate,

approve or otherwise consent to the assumption, sale, assignment or other transfer of any Federal Interests; (3) waive, alter or otherwise limit the United States' property rights, including but not limited to, inventory, inventions, records, patents, intellectual property, licenses, and data; (4) affect the setoff or recoupment rights or defenses of a governmental unit (as defined in 11 U.S.C. § 101(27)); (5) authorize the assumption, transfer, sale or assignment of any governmental unit's (a) license, (b) permit, (c) registration, (d) authorization or (e) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements, obligations and approvals under non-bankruptcy laws; (6) release, nullify, preclude or enjoin the enforcement of any police or regulatory liability to a governmental unit that any entity would be subject to as the owner or operator of property; (7) confer exclusive jurisdiction to the Bankruptcy Court except to the extent set forth in 28 U.S.C. § 1334 (as limited by any other provisions of the United States Code); (8) divest any tribunal of any jurisdiction it may have under police or regulatory law to interpret this Order or to adjudicate any defense asserted under this Order; or (9) expand the scope of 11 U.S.C. § 525. For the avoidance of doubt and without limiting the foregoing, notwithstanding any provision in the Sale Documents, nothing shall impair, affect, alter or modify any statutes (including but not limited to the Federal Food, Drug, and Cosmetic Act and the Public Health Service Act), regulations, rules, guidelines, standards, policies and procedures of the Department of Health and Human Services, including but not limited to, the Food and Drug Administration.

(a) Notwithstanding anything to the contrary in this Agreement, and without any increase or decrease in the Purchase Price (other than any resulting increase or decrease in Cure Amounts that are the responsibility of Buyer), the Buyer may, in its sole discretion, revise, amend or modify this Agreement and any schedule setting forth the Purchased Assets and the Excluded Assets up to two (2) Business Days prior to the Closing to (i) include in the definition of Purchased Assets (pursuant to the applicable schedule) and to

exclude from the definition of Excluded Assets, any Contract or other asset of the Sellers not previously included in the Purchased Assets and require (A) the Sellers to file a notice of assumption and assignment with the Bankruptcy Court, and fix the Cure Amount either by the Sale Order or such other Order of the Bankruptcy Court or as agreed by the applicable counterparty and the Sellers and the Buyer; and (B) the Sellers to provide any necessary notice to the Parties to any such Contract and (ii) to exclude from the definition of Purchased Assets (pursuant to the applicable schedule) and to include in the definition of Excluded Assets, any Assumed Contract or other asset of the Sellers previously included in the Purchased Assets and not otherwise included in the definition of Excluded Assets; provided that no such change of a schedule, the definition of the Purchased Assets or the definition of the Excluded Assets shall reduce the amount of the Purchase Price below the amount of the Bid.

(b) If any Contract is added to (or removed from) the Assumed Contract List and thereby added to (or removed from) the Purchased Assets as permitted by this Section 2.7, the Sellers shall promptly take such steps as are reasonably necessary, including, if applicable, making any necessary or appropriate updates to the Assumed Contract List (provided that the Parties shall be obligated to pay Cure Amounts in accordance with Section 2.5) and prompt delivery of notice to the non-debtor counterparty, to cause such Contracts to be assumed by the Sellers, and assigned to the Buyer, on the Closing Date (other than as excluded under the Sale Order and this Agreement).

(c) If any Contract is removed from the Purchased Assets as permitted by this Section 2.7, all Liabilities to third parties arising under such Contract shall be Excluded Liabilities. Without limiting any of the Buyer's rights pursuant to this Section 2.7 or Section 7.2(d), in the event that the Sale Order does not approve the assignment or transfer of one or more of the Assumed Contracts to the Buyer as Purchased Assets, the Buyer may, in its sole discretion and at any time prior to the Auction, exclude any or all of the Assumed Contracts from the Purchased Assets but may not reduce the amount of the Purchase Price.

(d) For all purposes of this Agreement (including all representations and warranties of the Sellers contained herein), the Sellers shall be deemed to have obtained all required consents in respect of the assignment of any Assumed Contract and to have cured all defaults thereunder if, and to the extent that, pursuant to the Sale Order or other order of the Bankruptcy Court, the Sellers are authorized and directed to assume and assign the Assigned Contracts to Buyer pursuant to Section 365 of the Bankruptcy Code. For the avoidance of doubt, each Contract that is not an Assumed Contract may be rejected by the Sellers in their sole and absolute discretion, subject to approval by the Bankruptcy Court. Without limiting the foregoing, the failure by the Sellers to disclose any matter related to any Assumed Contract added to the Assumed Contract List after the date hereof shall not be considered a breach of any representations and warranties of the Sellers.

Section 2.8 Closing. The Closing shall take place remotely by electronic exchange of counterpart signature pages commencing at 10:00 a.m. Eastern time on the Closing Date.

Section 2.9 Deliveries at Closing.

(a) At the Closing, Sellers shall deliver or cause to be delivered to Buyer the following documents and other items:

- i. a counterpart signature page to the Bill of Sale and Assignment and Assumption Agreement, duly executed by each Seller;
- ii. a counterpart signature page to each of the Intellectual Property Assignments, duly executed by each Seller, as applicable;
- iii. the Seller FDA Transfer Letter, duly executed by the applicable Seller;
- iv. a properly completed and duly executed IRS Form W-9 from each Seller; and

(b) At the Closing, Buyer shall deliver to Sellers the following documents and other items:

- i. a counterpart signature page to the Bill of Sale and Assignment and Assumption Agreement, duly executed by Buyer;
- ii. a counterpart signature page to each of the Intellectual Property Assignments, duly executed by Buyer;
- iii. the Closing Payment; and
- iv. the certificate required to be delivered pursuant to Section 7.2(e), duly executed by the applicable signatory thereto.

Section 2.10 Allocation. Within 90 calendar days after the Closing Date, Buyer shall in good faith prepare an allocation of the Purchase Price (and all capitalized costs and other amounts treated as purchase price for U.S. federal income Tax purposes) among the Purchased Assets in accordance with Section 1060 of the IRC and the Treasury Regulations thereunder (and any similar provision of United States state or local or non-United States Law, as appropriate). Sellers shall have 30 calendar days following receipt of Buyer's proposed allocation to review and comment on such proposed allocation and Buyer shall consider such comments in good faith. Thereafter, Buyer shall provide Sellers with Buyer's final allocation schedule, and Buyer and Sellers shall report, act and file Tax Returns (including Internal Revenue Service Form 8594) in all respects and for all purposes consistent with such allocation. Neither Buyer nor Sellers shall take any position (whether in audits, Tax Returns or otherwise) which is inconsistent with such allocation; provided that nothing contained herein shall prevent Buyer or Sellers from settling any proposed

deficiency or adjustment by any Governmental Entity based upon or arising out of such allocation, and neither Buyer nor Sellers shall be required to litigate before any court any proposed deficiency or adjustment by any Governmental Entity challenging the allocation.

ARTICLE III SELLERS' REPRESENTATIONS AND WARRANTIES

Sellers hereby represent and warrant to Buyer as of the date hereof and as of the Closing Date that the statements contained in this Article III are true and correct.

Section 3.1 Organization of Sellers; Good Standing.

(a) Each Seller is duly incorporated or organized, as applicable, validly existing and in good standing under the Laws of its state of incorporation or formation, as applicable, and has all requisite corporate, limited liability company or similar power and authority, as applicable, to own, lease and operate its properties and assets and to carry on and conduct the business of the Sellers as currently conducted.

(b) Except as a result of the commencement of the Chapter 11 Cases, each Seller is duly authorized to do business and is in good standing as a foreign corporation or limited liability company, respectively, in each jurisdiction where the ownership or operation of the Purchased Assets or the conduct of the business of the Sellers requires such qualification, and each Seller does not engage in any activity, or own, lease or operate any properties such as to require it to qualify to do business in any other jurisdiction, in each case except for failures to be so authorized or be in such good standing, as would not, individually or in the aggregate, have a Material Adverse Effect.

(c) Section 3.1(c) of the Disclosure Schedule sets forth a true, complete and correct list of each jurisdiction in which each Seller is organized, and in which each is duly licensed or qualified to do business.

(d) Each of the Subsidiaries of each of the Sellers are set forth on Section 3.1(d) of the Disclosure Schedule.

Section 3.2 Authorization of Transaction.

(a) Each Seller has all requisite corporate or limited liability company power and authority, as applicable, to execute and deliver this Agreement and all Related Agreements to which it is a party and to perform its obligations hereunder and thereunder. The execution, delivery and performance of this Agreement and all Related Agreements to which a Seller is a party have been duly authorized by such Seller and no other corporate or limited liability company action on the part of any Seller is necessary to authorize this Agreement or the Related Agreements to which it is party or to consummate the Contemplated Transactions.

(b) This Agreement has been duly and validly executed and delivered by each Seller, and, upon their execution and delivery in accordance with the terms of this Agreement, each of the Related Agreements to which any Seller is a party will have been duly and validly executed and delivered by each such Seller, as applicable. Assuming that this Agreement constitutes a valid and legally binding obligation of Buyer, this Agreement constitutes the valid and legally-binding obligations of Sellers, enforceable against Sellers in accordance with its terms and conditions, subject to applicable bankruptcy, insolvency, moratorium or other similar Laws relating to creditors' rights and general principles of equity. Assuming, to the extent that it is a party thereto, that each Related Agreement constitutes a valid and legally binding obligation of Buyer, each Related Agreement to which any Seller is a party, when executed and delivered, constituted or will constitute the valid and legally-binding obligations of such Seller, as applicable, enforceable against Sellers, as applicable, in accordance with their respective terms and conditions, subject to applicable bankruptcy, insolvency, moratorium or other similar Laws relating to creditors' rights and general principles of equity.

Section 3.3 Noncontravention; Consents and Approvals.

(a) Neither the execution and delivery of this Agreement, nor the consummation of the Contemplated Transactions (including the Related Agreements), (i) will conflict with or result in a breach of the certificate of incorporation, certificate of formation, bylaws, operating agreement or other organizational documents of any Seller, (ii) will result in the violation of any Law to which any Seller is, or its respective assets or properties are, subject, (iii) subject to the entry of the Sale Order, will conflict in any material respect with any Assumed Contract; or (iv) subject to and assuming entry of the Sale Order, will conflict with, or result in any material violation of or constitute a material breach or default under, any Order of any Governmental Entity applicable to the Sellers or any of the Purchased Assets or Assumed Liabilities.

(b) No Consent, notice or filing is required to be obtained by any Seller from, or to be given by any Seller to, or made by any Seller with, any Governmental Entity in connection with the execution, delivery and performance by any Seller of this Agreement or any Related Agreement. After giving effect to the Sale Order and any applicable order of the Bankruptcy Court authorizing the assignment and assumption of any Contract that is an Assumed Contract hereunder, no Consent, notice or filing is required to be obtained by any Seller from, or to be given by any Seller to, or made by any Seller with, any Person that is not a Governmental Entity in connection with the execution, delivery and performance by any Seller of this Agreement or any Related Agreement.

Section 3.4 Compliance with Laws. Sellers and all of the Purchased Assets are in compliance with all Laws applicable to the business of the Sellers or the Purchased Assets in all material respects. Sellers have not received any written notice of violation of any Law with respect to any Seller, the business of the Sellers or the Purchased Assets.

Section 3.5 Title to Purchased Assets. Sellers have good and valid title to, or, in the case of leased assets, have valid and enforceable leasehold interests in (subject to the effect on enforceability of (a) any applicable Law relating to bankruptcy, reorganization, insolvency, moratorium, fraudulent conveyance or preferential transfers, or similar Laws relating to or affecting creditors' rights generally and (b) general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law)), the Purchased Assets, free and clear of all Liens (except for Permitted Liens), subject to entry of the Sale Order. At the Closing or such time as title is conveyed under Section 2.6, Sellers will convey, subject to the Sale Order having been entered and still being in effect and not subject to any stay pending appeal at the time of Closing, good and valid title to, or valid leasehold interests in, all of the Purchased Assets, free and clear of all Liens (except for Permitted Liens), to the fullest extent permissible under section 363(f) of the Bankruptcy Code and subject to the rights of licensees under section 365(n) of the Bankruptcy Code. Except for the license set forth in Section 6.9, the Purchased Assets constitute substantially all of the properties, assets and rights used by the Sellers to conduct and operate the Purchased Assets as conducted and operated by the Sellers. All of the Purchased Assets are in good working condition, order and repair (ordinary wear and tear excepted) for assets of comparable age and past use and are suitable for use in the Ordinary Course of Business to operate the business of the Sellers substantially as conducted and operated by the Sellers. Except as set forth on Section 3.5 of the Disclosure Schedule, no Affiliates of any Seller (other than a Seller) hold any assets, properties or rights with respect to the Purchased Assets, and no other Person is engaged in the operation of, or hold rights, title or interest in (except for Permitted Liens) the Purchased Assets.

Section 3.6 Contracts.

(a) Section 3.6(a) of the Disclosure Schedule sets forth a true and correct list of each Material Contract. For purposes of this Agreement, "Material Contract" means each Contract (other than customer contracts) to which any Seller is a party or by which any Seller or its Affiliates is bound that is:

- i. a manufacturing, development or supply Contract with respect to the Purchased Assets;
- ii. a Contract that relates to the acquisition or disposition of any Purchased Assets or Assumed Liabilities (other than the acquisition or sale of Inventory in the ordinary course of business);
- iii. a Contract relating to the Purchased Assets that provides for (x) a joint venture, strategic alliance, partnership arrangement, or arrangement involving joint development, joint marketing or (y) a sharing of profits, losses, costs or liabilities, or the payment of royalties, milestones or similar payments;
- iv. a license, sublicense or other agreement whereby a Seller is granted rights in, interests in or authority to use any Intellectual Property that is held for,

used in connection with, or necessary for the manufacture, purchase or sale of the Product;

v. a license, sublicense or other agreement pursuant to which a Seller grants rights in or authority to use any Intellectual Property held for, used in connection with, or necessary for the manufacture, purchase or sale of the Product;

vi. a warehousing or similar agreement with respect to the Product or Inventory;

vii. a Contract relating to the Purchased Assets that imposes a restriction on the geographies or businesses in which a Seller or Affiliate thereof may operate;

viii. a Contract relating to the Purchased Assets (A) providing for a Seller to be the exclusive provider of any product or service to any Person or the exclusive recipient of any product or service of any Person or (B) requiring (or purporting to require) a Person to purchase or sell a minimum quantity of goods or services, or containing “take-or-pay” or similar requirements;

ix. a Contract containing a “most favored nation” or similar provision that relates to the Purchased Assets; and

x. all other Contracts that are material to the Purchased Assets and not previously disclosed pursuant to this Section 3.6;

(b) No Seller has assigned, delegated or otherwise transferred to any third party any of its rights or obligations with respect to any Material Contract. Each Assumed Contract is valid and binding on each Seller party thereto, and to Sellers’ Knowledge, each other party thereto, and is in full force and effect, assuming entry of the Sale Order. Each Seller and, to Sellers’ Knowledge, any other party thereto have performed all material obligations required to be performed by it under each Assumed Contract except to the extent such default or violation will be cured as a result of the payment of the applicable Cure Amounts, assuming entry of the Sale Order. The Material Contracts include all Contracts material to or otherwise necessary for the ownership and/or operation of the Purchased Assets and/or the business of Sellers relating thereto. Sellers have not, and, to Sellers’ Knowledge, no other party to any Assumed Contract has, commenced any action against any of the Parties to any Assumed Contract or given or received any notice of any default or violation under any Assumed Contract that has not been withdrawn or dismissed except to the extent such default or violation will be cured as a result of the payment of the applicable Cure Amounts, assuming entry of the Sale Order. There are no events or conditions which constitute, or, after notice or lapse of time or both, will constitute a default on the part of any Seller, or to Sellers’ Knowledge, any counterparty under such Assumed Contract. No Seller has received any written (or, to Sellers’ Knowledge, oral) notice from any Person that such Person intends to terminate, or not renew, any Assumed Contract.

Each Assumed Contract is, and will be upon the Closing, valid, binding and in full force and effect in accordance with its terms.

Section 3.7 Intellectual Property.

(a) Section 3.7(a) of the Disclosure Schedule sets forth the following:

ii. a complete list of all Intellectual Property licensed by a Seller that is (A) licensed pursuant to an Assumed Contract or (B) used in connection with or related to any Purchased Asset or Assumed Liability; provided, however, that the Sellers need not list object code end-user licenses granted to end-users in the Ordinary Course of Business that permit use of software products without a right to modify, distribute or sublicense the same;

iii. a complete list of all licenses, sublicenses and other agreements (other than non-exclusive end-user licenses granted in the Ordinary Course of Business) pursuant to which any Seller has granted or promised to grant to any third party any right to use any Intellectual Property that is or relates to a Purchased Asset or Assumed Liability, including the identity of all Parties thereto, a description of the nature and subject matter thereof, the applicable royalty and the term thereof; and

Each Seller has good and valid right, title and interest in and to and is the sole and exclusive owner of (free and clear of any Liens) the Owned Intellectual Property or has a valid license or other right to use the other Intellectual Property referenced in, or required to be disclosed by, Section 3.7(a). All Intellectual Property included in the Owned Intellectual Property is unexpired and subsisting and properly recorded with the appropriate Governmental Entity, and no Owned Intellectual Property is subject to any

outstanding order, judgment, determination, decree or agreement issued by or with any Governmental Entity adversely affecting such Seller's use of, or its rights, to such Owned Intellectual Property, and such Seller has not received any written notice of any of the foregoing. There are no Proceedings outstanding or, to the Sellers' Knowledge, threatened that seeks to challenge or limit such Seller's ownership of, or right to use or enforce any Owned Intellectual Property.

(c) Infringement. The conduct of the Sellers' business as it relates to the Purchased Assets or Assumed Liabilities, including the design, development, use, import, export, branding, advertising, promotion, marketing, manufacture, offer for sale, and sale of the Product, does not infringe, misappropriate, or conflict with any Intellectual Property of any Person or constitute unfair competition or trade practices under the laws of any jurisdiction. There are no Proceedings outstanding or, to the Sellers' Knowledge, threatened, and no Seller has received any written notice or claim during the three years prior to Closing, alleging that the conduct of its business (as it relates to the Purchased Assets or Assumed Liabilities) infringes the Intellectual Property rights of any Person. There is, and there has been, no unauthorized use, infringement or misappropriation of any Owned Intellectual Property by any Person, including any current or former employee of a Seller, and no Seller has issued any written notice or claim asserting that any such unauthorized use, infringement or misappropriation is occurring or has occurred.

(d) Invention Assignments and Confidentiality. All current and former employees, as well as consultants or other independent contractors, of the Sellers who have been engaged in the past or are presently engaged in any research, development, design or similar services that involve the creation of any Owned Intellectual Property have irrevocably assigned that Person's rights in such Owned Intellectual Property pursuant to invention assignment agreements and have entered into customary confidentiality agreements with the applicable Seller, in each case substantially in the form or forms that have been delivered to Buyer.

(e) Privacy and Security Policies. Each Seller has established and implemented written policies regarding privacy, cyber security and data security that are commercially reasonable, and consistent in all material respects with (i) reasonable practices in the industry of the Sellers and (ii) the written commitments of the Sellers. Each Seller has complied in all material respects with (x) all Laws, rules and regulations regarding data protection and the privacy and security of personal information applicable to the Sellers in the operation of the business of the Sellers, and (y) its privacy policies or commitments to customers and consumers regarding data protection and the privacy and security of personal information. No Person has gained unauthorized access to or misused any personal information in a manner that, individually or in the aggregate, has resulted in a material Liability to the operation or control of the Purchased Assets or an obligation of the Sellers to notify a Governmental Entity.

Section 3.8 Proceedings. Other than the Chapter 11 Cases, Section 3.8 of the Disclosure Schedule sets forth all pending Proceedings brought by or against any Seller in relation

to any Purchased Asset or Assumed Liability, and to Sellers' Knowledge, there is no other Proceeding threatened in writing against any Seller which is reasonably likely to adversely affect the ability of any Seller to enter into this Agreement or to consummate the Contemplated Transactions.

(b) No Product has been, or has been requested by a Governmental Entity to be, recalled, withdrawn, removed, suspended, seized, the subject of a corrective action, or discontinued (whether voluntarily or otherwise) (collectively, "Recall"). Neither the Sellers, nor, to the Sellers' Knowledge, any Governmental Entity or other Person, has sought, is seeking, or, to the Sellers' Knowledge, has or is currently threatening or contemplating any Recall. No Product is or has been subject to any safety alerts, field notifications, or other written notification of misbranding or adulteration, and neither the Sellers, nor, to the Sellers' Knowledge, any Governmental Entity or other Person, has sought, is seeking, or, to the Sellers' Knowledge, has threatened any such alert or notice.

(c) The Purchased Inventory is free and clear of all Liens (other than Permitted Liens) and is in compliance with United States federal and applicable state Laws for such products as of the date hereof, except for any such noncompliance which would not be material to the Purchased Inventory taken as a whole. No Purchased Inventory is held on consignment.

(d) The Purchased Inventory is (i) in good, usable and marketable condition in the Ordinary Course of Business, and (ii) salable in the Ordinary Course of Business at the carrying value of such Inventory, as shown in the books and records of the Sellers in the Ordinary Course of Business, in accordance in all material respects with all applicable Laws, as the case may be.

(e) Section 3.10 of the Disclosure Schedule provides a true and accurate description of the Finished Goods and Product sample levels as of July 31, 2023. Sellers have not sold, assigned or otherwise disposed of any Purchased Inventory since July 31, 2023.

Section 3.11 Suppliers

Section 3.14 No Other Agreements to Purchase. Neither Sellers nor any Affiliates thereof have entered into any agreement with any other Person (written or oral) which grants such other Person the right or option to purchase or acquire from Sellers or their Affiliates any Purchased Asset, other than purchase orders for Inventory accepted by Sellers in the Ordinary Course of Business.

Section 3.15 Taxes.

(a) All income and other material Tax Returns (including any IRS Forms W-2 or Forms 1099) required to be filed by or on behalf of Sellers and all Tax Returns required to be filed in respect of the Purchased Assets or Assumed Liabilities have been timely filed, and all such Tax Returns are true, correct and complete in all material respects. All income and other material Taxes of Sellers in respect of the Purchased Assets or Assumed Liabilities, whether or not shown on any Tax Return, have been timely paid. Sellers have complied in all material respects with all applicable withholding obligations for Taxes required to have been withheld in connection with amounts paid to any employee, independent contractor, creditor, stockholder or other third party in connection with the Purchased Assets or Assumed Liabilities.

(b) There are no pending, proposed in writing or threatened in writing audits or other proceedings with respect to any Taxes payable by or asserted against Sellers in respect of the Purchased Assets or Assumed Liabilities. (c) There are no Liens for Taxes on the Purchased Assets or Assumed Liabilities, other than Permitted Liens.

(d) There are currently no Proceedings with regard to a material amount of Taxes of Sellers in respect of the Purchased Assets or Assumed Liabilities, and Sellers have not received written notice or announcement of any audits or other Actions with respect to a material amount of such Taxes.

(e) Neither Seller has been a party to a “listed transaction” within the meaning of Treasury Regulations Section 1.6011-4(b)(2) (or similar provisions of state, local or non-U.S. Law) with respect to the Purchased Assets or Assumed Liabilities.

Section 3.16 Business Authorizations; Product Safety and Liability.

(a) Each Seller owns, holds or lawfully uses (either directly or through its distributors) all authorizations and Permits which are necessary for the ownership, operation or use of the Purchased Assets or the conduct of the business of Sellers with respect to the Purchased Assets or Assumed Liabilities (the “Business Authorizations”), including all Business Authorizations required for the manufacturing, packaging, marketing, promotion, commercialization, testing, clinical investigation, distribution, or sale of the Product, including the Product NDA (collectively, the “Product Registrations”). For the avoidance of doubt, Product Registrations do not include the Seller NDC Numbers. Section 3.16(a) of the Disclosure Schedule sets forth all Business Authorizations and

Product Registrations held by each Seller (organized by Product and country). Each Business Authorization and Product Registration is valid and subsisting and in full force and effect and, subject to satisfaction of applicable consent, notice, transfer, change of ownership or similar requirements under applicable Laws, will continue to be so upon Closing, and each Seller is in compliance in all material respects with the respective terms, conditions and obligations of each such Business Authorization and Product Registration. All fees and charges with respect to such Business Authorizations and Product Registrations which are due (other than fees due under the Prescription Drug User Fee Act (Food and Drug Administration Reauthorization Act of 2017 (FDARA, P.L. 115-52)) have been paid in full and all filing, reporting, and maintenance obligations have been completely and timely satisfied. There are no Proceedings pending or, to the Sellers' Knowledge, threatened, that would result in the termination, revocation, suspension or the imposition of a restriction or other materially adverse action on any such Business Authorization or Product Registration or the imposition of any fine, penalty or other sanction for violation of any such Business Authorization or Product Registration.

(b) Each Seller is, and has been, in material compliance with all applicable Laws relating to the Purchased Assets or Assumed Liabilities, Business Authorizations and Product Registrations, including all such applicable Laws, Business Authorizations and Product Registrations administered or issued by the FDA or any other Governmental Entity. In the last five years, no Seller has received any written notice to the effect that such Seller or the business of the Sellers (in each case, to the extent relating to the Purchased Assets or Assumed Liabilities) or the Purchased Assets are or may not be in compliance in all material respects with any Law, Business Authorization or Product Registration.

(c) In the last five years, no Seller or Affiliate thereof, or, to Sellers' Knowledge, any contract manufacturer of Product for any Seller or Affiliate thereof, has received any written notice of inspectional observations or other noncompliance, including on a Form FDA 483, warning letters, untitled letters, cyber letters, reprimand, regulatory letter, Establishment Inspection Report, notice of an integrity review, notice of an investigation, request for corrective or remedial action, notice of other adverse finding, notice of deficiency or violation, inspection or audit reports, or similar written communications from any Governmental Entity indicating a failure to comply with applicable Laws that has not been resolved, in each case, relating to or involving the Purchased Assets or Assumed Liabilities.

(d) As required under applicable Law or pursuant to a Permit, Business Authorization, or Product Registration, at all times in the last five years, Sellers have maintained, filed, or furnished to the applicable Governmental Entity or Person all material filings, documents, claims, reports, notices, and other submissions (collectively, "Reports"), required to be maintained, filed, or furnished in respect of the Purchased Assets or Assumed Liabilities on a timely basis, and, at the time of maintenance, filing, or furnishing all such Reports were complete and accurate in all material respects, or were subsequently updated, changed, corrected, or modified.

(e) In the last five years, neither Sellers nor any officer or, to the Sellers' Knowledge, agent or employee of any Seller has made any untrue or misleading statement of material fact or fraudulent statement to the FDA or any other Governmental Entity, failed to disclose a material fact required to be disclosed to the FDA or any other Governmental Entity, or committed an act, made a statement, or failed to make a statement that would reasonably be expected to provide a basis, if such failure was known to the FDA, for the FDA or any other Governmental Entity to invoke its policy respecting "Fraud, Untrue Statements of Material Facts, Bribery, and Illegal Gratuities," as set forth in 56 Fed. Reg. 46191 (September 10, 1991) (and any amendments thereto), in each case relating to the Purchased Assets or Assumed Liabilities. Neither Sellers nor any Person providing services to Sellers in connection with the Purchased Assets or Assumed Liabilities has ever been investigated by the FDA or other Governmental Entity for data or healthcare program fraud. In the last five years, neither Sellers nor, to the Sellers' Knowledge, any Person providing services to Sellers is the subject of any pending or, to the Sellers' Knowledge, threatened investigation resulting from any untrue or false statement or omission in connection with the Purchased Assets or Assumed Liabilities.

(f) Neither Sellers, nor, to the Sellers' Knowledge, any Person providing services to Sellers or officer, director, partner, employee, or agent that works or provides services in connection with the Purchased Assets or Assumed Liabilities:

iv. (A) terminate, amend, supplement, modify or waive any provision of, fail to timely exercise any reserved right under, or accelerate any rights, benefits or obligations under, any Assumed Contract, except the expiration in accordance with its terms, (B) enter into any Contract that would have been a Material Contract if executed prior to the date of this Agreement; or (C) assume, reject or assign any Contract that may become an Assumed Contract other than through the assumption and assignment of the Assumed Contracts, as contemplated by this Agreement, to Buyer

Nothing contained in this Agreement is intended to give Buyer or its Affiliates, directly or indirectly, the right to control or direct any of the Sellers' or their Subsidiaries' operations or business prior to the Closing, and nothing contained in this Agreement is intended to give any Seller, directly or indirectly, the right to control or direct Buyer's or its Subsidiaries' operations. Prior to the Closing, each of Buyer and the Sellers shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

Section 5.4 Notice of Developments. From the date hereof until the Closing Date, each of the Sellers (with respect to itself), as the case may be, shall promptly disclose to Buyer, on the one hand, and Buyer shall promptly disclose to Sellers, on the other hand, in writing (in the form of an updated Disclosure Schedule, if applicable) after attaining knowledge (as applicable to each of Sellers and Buyer) of any real or alleged failure of any of Sellers or Buyer to comply with or satisfy any of their respective covenants, conditions or agreements to be complied with or satisfied by it under this Agreement in any material respect; provided, however, that the delivery of any notice pursuant to this Section 5.4 shall not limit or otherwise affect the remedies available to the party receiving such notice under this Agreement if such party objects to the disclosures contained in such notice within five days of receipt of such notice.

Section 5.5 Access. Upon reasonable advance written request by Buyer, Sellers shall permit Buyer and its Representatives to have reasonable access to, and make reasonable investigation of, during normal business hours, subject to the terms of Sellers' real property leases and in a manner so as not to interfere unreasonably with the normal business operations of Sellers, to all of the books and records, premises, properties, personnel, Records, Contracts, businesses, assets, accountants, auditors, counsel and operations of the Sellers related to the Purchased Assets or Assumed Liabilities; provided, however, that, for the avoidance of doubt, the foregoing shall not require any Party to waive, or take any action with the effect of waiving, its attorney-client privilege or any confidentiality obligation to which it is bound with respect thereto or take any action in violation of applicable Law. Section 6.6 Receipt of Misdirected Assets. From and after the Closing, if any Seller or any Affiliate thereof receives, or becomes aware that it holds, any right, property or asset that is a Purchased Asset, the applicable Seller shall promptly transfer or cause such of its Affiliates to transfer (without cost to Buyer) such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Buyer or its designee, and such asset will be deemed the property of Buyer or its designee held in trust by such Seller for Buyer until so transferred. From and after the Closing, if Buyer or any of its Affiliates receives, or becomes aware that it holds, any right, property or asset that is an Excluded Asset, Buyer shall promptly transfer or cause such of its Affiliates to transfer (without cost to

Sellers) such asset (and shall promptly endorse and deliver any such right, property or asset that is received in the form of cash, checks or other documents) to Sellers, and such asset will be deemed the property of Sellers or its designee held in trust by Buyer for Sellers until so transferred.

Without limiting the generality of the foregoing, and except as otherwise expressly provided in this Agreement, the Parties intend that Buyer shall have no Liability for any Lien (other than the Assumed Liabilities and Permitted Liens on the Purchased Assets) against Sellers or any of Sellers predecessors or Affiliates, and Buyer shall have no successor or vicarious liability of any kind or character whether known or unknown as of the Closing Date or in connection with the transactions contemplated to occur on the Closing, whether now existing or hereafter arising, or whether fixed or contingent, with respect to the businesses of Sellers, the Purchased Assets or any Liability of Sellers arising prior to, or relating to any period occurring prior to, the Closing Date. The Parties agree that the Sale Order shall contain provisions substantially in the form set forth in this Section 6.7.

Section 6.8 Covenant Not to Compete; Non-Solicitation.

(a) For a period commencing on the Closing Date and ending on the three-year anniversary of the Closing Date (the “Restricted Period”), each Seller shall not, directly or indirectly, establish, finance, own, manage, operate, engage in or otherwise participate in the conduct of any business that is engaged in developing, manufacturing, using, selling or commercializing in any manner any pharmaceutical product competitive with the Product.

(b) During the Restricted Period, each Seller shall not (i) directly or indirectly solicit, encourage or attempt to solicit or encourage any of the employees, agents, independent contractors, consultants or representatives of Buyer to terminate his, her or its relationship with Buyer; (ii) directly or indirectly solicit, encourage or attempt to solicit or encourage any of the employees, agents, independent contractors, consultants or representatives of Buyer to become employees, agents, representatives, consultants or independent contractors of any other Person; (iii) directly or indirectly solicit or attempt to solicit any customer, vendor or distributor of Buyer with respect to any product or service being furnished, made, sold or leased by Buyer; or (iv) persuade or seek to persuade any customer of Buyer to cease to do business or to reduce the amount of business that such customer has customarily done prior to the Closing Date with the Sellers.

(c) From and after the Closing Date, Sellers shall not at any time, directly or indirectly, use, exploit, communicate, disclose or disseminate any confidential information primarily relating to the Purchased Assets in any manner whatsoever (except where such

disclosure is to financial or legal advisors who have a need to know such information and as may be required under legal process by subpoena or other court Order; *provided*, that Sellers shall ensure the confidential treatment of any such disclosed information, providing only that information so required, and will provide Buyer with sufficient prior written notice in order to contest such requirement or Order).

(d) The Parties expressly acknowledge that it would be difficult to measure the damages that might result from any breach of this Section 6.8, and that any such breach will result in immediate, substantial and irreparable injury to Buyer for which it will have no adequate remedy at law. Buyer shall be entitled to, without the posting of any bond, seek an injunction or other equitable relief issued by a court of competent jurisdiction enjoining and restraining any violation or threatened violation of this Section 6.8 by any Seller. Each Seller acknowledges and agrees that this Section 6.8 is (i) a material inducement for Buyer to enter into this Agreement and consummate the transactions contemplated hereby, and (ii) reasonable under the circumstances to protect the Purchased Assets and goodwill acquired by Buyer under this Agreement. Rights and remedies provided for in this Section 6.8 are cumulative and shall be in addition to rights and remedies otherwise available to the Parties hereunder or under any other agreement or applicable law.

(e) If any provision contained in this Section 6.8 is for any reason held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability will not affect any other provisions of this Section 6.8, but this Section 6.8 will be construed as if such invalid, illegal or unenforceable provision had never been contained herein. The Parties intend that if any of the restrictions or covenants contained herein is held to cover a geographic area or to be for a length of time which is not permitted by applicable law, or in any way construed to be too broad or to any extent invalid, such provision will not be construed to be null, void and of no effect, but to the extent such provision would be valid or enforceable under applicable law, a court of competent jurisdiction will construe and interpret or reform this Section 6.8 to provide for a covenant having the maximum enforceable geographic area, time period and other provisions (not greater than those contained herein) as will be valid and enforceable under such applicable law.

(f) It is expressly agreed by Buyer that in no event will the restrictions set forth in this Section 6.8 apply or be deemed or interpreted to apply to any other Person other than Sellers themselves.

Section 6.9 Use of Seller NDC Numbers.

(a) Effective as of the Closing, Sellers hereby grant to Buyer a royalty-free, non-transferable, fully paid-up license and right to distribute and sell the Purchased Inventory and the Product under the Seller NDC Numbers, which license shall expire upon the later of (i) the date on which all Purchased Inventory (or Product manufactured with respect thereto) has been sold by Buyer or its Affiliates to a third party, (ii) the date on which all Purchased Inventory (or Product manufactured with respect thereto) has expired

and (iii) twenty-four (24) months after the Closing Date (such earliest date, the “NDC License End Date”).

(b) Effective as of the Closing until the NDC License End Date, Sellers shall grant to Buyer a power of attorney, in form and substance that are reasonably acceptable to Buyer and Sellers, and provide Sellers’ electronic Drug Registration and Listing System (“eDRLS”) log-in credentials to Buyer for use solely so that Buyer may make all submissions to the FDA that are necessary to maintain the drug product listings corresponding to the Seller NDC Numbers related to the Product, including without limitation: (i) updating any such drug product listings with safety related changes requested by Buyer; (ii) submitting year-end certifications to FDA to maintain the Seller NDC Numbers; (iii) updating the applicable drug product listings with “end marketing dates” provided by Buyer; and (iv) submitting a delisting request to FDA for each drug product listing on or after the applicable “end marketing date.”

(c) Effective as of the Closing, and until the NDC License End Date, Sellers hereby grant to Buyer a royalty-free, non-transferable, fully paid-up license to use Seller’s trademarks and trade names that are not Purchased Assets as used by Sellers in connection with the Product (collectively, the “Sellers’ Licensed Trademarks”) to enable Buyer to manufacture, have manufactured, distribute, and otherwise commercialize the Purchased Inventory, to the extent such trademarks and trade names are on existing labeling, packaging or products in the Purchased Inventory. Buyer recognizes the value of the goodwill associated with Sellers’ Licensed Trademarks, and acknowledges that Sellers’ Licensed Trademarks and, as between Sellers and Buyer, all rights therein, belong to Sellers.

(d) After the Closing, Sellers shall use reasonable efforts to coordinate with Buyer to provide new Drug Supply Chain and Security Act required serial numbers, including without limitation coordinating for Buyer’s use of Seller’s account with GS1 US, to continue manufacturing of Product until Buyer can transition to its own labeler code.

Section 6.10 Records Transfer. Promptly after the Closing, Sellers shall cause, and facilitate, the transfer of any Records included in Purchased Assets that are held by a third-party pharmacovigilance vendor or any other third-party to Buyer.

Section 6.11 Safety Data Exchange Agreement. Promptly and in any event within 30 days following Closing, Buyer and Sellers shall negotiate and enter into a safety data exchange agreement (the “SDEA”) or a letter of commitment related to Buyer’s handling of information concerning the Excluded Products, if any. Buyer will use commercially reasonable efforts to configure the 1-800-499-4468 number to transfer inbound adverse event reports related to the Excluded Products to Sellers.

ARTICLE VII CONDITIONS TO CLOSING

Section 7.1 Conditions to Buyer's Obligations.

Subject to Section 7.3, Buyer's obligation to consummate the Contemplated Transactions in connection with the Closing is subject to satisfaction or written waiver of the following conditions (any or all of which may be waived in writing by the Sellers and the Buyer in whole or in part to the extent permitted by applicable Law):

(a) as of the date hereof and as of the Closing (in each case, except for any representation or warranty that is expressly made as of a specified date, in which case as of such specified date), (i) each representation or warranty contained in Section 3.1, Section 3.2, Section 3.3 and Section 3.5 shall be true and correct in all respects other than *de minimis* exceptions, and (ii) each other representation or warranty set forth in Article III shall be true and correct in all respects, except where the failure of such representations and warranties referred to in this clause (ii) to be true and correct, individually or in the aggregate with other such failures, has not had, and would not reasonably be expected to have, a Material Adverse Effect; provided, however, that for purposes of determining the accuracy of representations and warranties referred to in clause (ii) for purposes of this condition, all qualifications as to "materiality" and "Material Adverse Effect" contained in such representations and warranties shall be disregarded;

(b) Sellers shall have performed and complied with their covenants and agreements hereunder to the extent required to be performed prior to the Closing in all material respects, and Sellers shall have caused the documents and instruments required by Section 2.9(a) to be delivered to Buyer (or tendered subject only to Closing);

(c) no Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Order that is in effect and that has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing;

(d) the Sale Order, substantially in the form of Exhibit C, shall have been entered by the Bankruptcy Court and shall have become a Final Order, providing for, among other things, the assignment of the Assumed Contracts specified on the Assumed Contracts List as of the date hereof (unless waived by Buyer) and the sale of the Purchased Assets free and clear of all Liens;

(e) Sellers shall have delivered a certificate from an authorized officer of each Seller to the effect that each of the conditions specified in Section 7.1(a) and Section 7.1(b) have been satisfied;

(f) Sellers shall have delivered evidence of the payment, satisfaction, compromise or waiver of all Cure Amounts in excess of the Cure Cap; and

(g) Sellers will have duly executed and delivered to Buyer the deliverables set forth in Section 2.9(a).

Section 7.2 Conditions to Sellers' Obligations. Subject to Section 7.3, Sellers' obligation to consummate the Contemplated Transactions in connection with the Closing are subject to satisfaction or written waiver of the following conditions (any or all of which may be waived in writing by the Sellers and the Buyer in whole or in part to the extent permitted by applicable Law):

(a) as of the date hereof and as of the Closing (in each case, except for any representation or warranty that is expressly made as of a specified date, in which case as of such specified date), (i) each representation or warranty contained in Section 4.1, Section 4.2 or Section 4.3 shall be true and correct in all respects other than *de minimis* exceptions, and (ii) each other representation or warranty set forth in Article IV shall be true and correct in all material respects, except where the failure of such representations and warranties referred to in this clause (ii) to be true and correct, individually or in the aggregate with other such failures, would not reasonably be expected to materially prevent, restrict or delay the consummation of the Contemplated Transactions or by any Related Agreement; provided, however, that for purposes of determining the accuracy of representations and warranties referred to in clause (ii) for purposes of this condition, all qualifications as to "materiality" and "Material Adverse Effect" contained in such representations and warranties shall be disregarded;

(b) Buyer shall have performed and complied with its covenants and agreements hereunder to the extent required to be performed prior to the Closing in all material respects, and Buyer shall have caused the documents, instruments and payments required by Section 2.9(b) to be delivered to Sellers (or tendered subject only to Closing);

(c) no Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Order that is in effect and that has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing;

(d) the Sale Order shall have been entered by the Bankruptcy Court and shall have become a Final Order;

(e) Buyer shall have delivered a certificate from an authorized person of Buyer to the effect that each of the conditions specified in Section 7.2(a) and Section 7.2(b) have been satisfied; and

(f) Buyer will have duly executed and delivered to Sellers the deliverables set forth in Section 2.9(b).

Section 7.3 No Frustration of Closing Conditions. Neither Buyer nor Sellers may rely on the failure of any condition to its obligation to consummate the Contemplated Transactions set forth in Section 7.1 or Section 7.2, as the case may be, to be satisfied if such failure was caused

by such Party's failure to use its commercially reasonable efforts with respect to those matters contemplated by the applicable Sections of this Agreement to satisfy the conditions to the consummation of the Contemplated Transactions or other breach of a representation, warranty or covenant hereunder.

Section 7.4 Closing Efforts. Subject to, and in accordance with, (i) the terms and conditions of this Agreement, (ii) applicable Law and (iii) any requirements, conditions or other Proceedings of the Bankruptcy Court, each of the Parties shall use its reasonable best efforts to take promptly all actions and to do all things necessary, proper or advisable to satisfy the conditions to the other Party's obligations set forth herein and to consummate the Contemplated Transactions.

Section 7.5 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by the Party having the benefit of such condition as of and after the Closing.

ARTICLE VIII TERMINATION

Section 8.1 Termination of Agreement. This Agreement may be terminated in accordance with this Article VIII and the Contemplated Transactions abandoned at any time prior to the Closing (each a "Termination Event"):

(a) by the mutual written consent of Buyer, on the one hand, and Sellers, on the other hand;

(b) by written notice of either Buyer or Sellers, if there shall be any Law that makes consummation of the Contemplated Transactions illegal or otherwise prohibited, or upon the issuance by any Governmental Entity of an Order restraining, enjoining, or otherwise prohibiting the consummation of the Contemplated Transactions or declaring unlawful the Contemplated Transactions, and such Order having become final, binding and non-appealable; provided that no termination may be made by a Party under this Section 8.1(b) if the issuance of such Order was caused by the breach or action or inaction of such Party;

(c) by written notice of either Buyer or Sellers, if any of the conditions set forth in Section 7.1 or Section 7.2 of this Agreement, as applicable, have not been satisfied or waived on or the Outside Date; provided, that this right of termination shall not be available to any Party whose failure to comply with its obligations under this Agreement has been the primary cause of, or has primarily resulted in, the failure of the conditions provided in Section 7.1 or Section 7.2, as applicable, to be satisfied before such date; provided, further that if, by the Outside Date, all conditions to the obligations of Sellers and Buyer to consummate the Contemplated Transactions set forth in Article VII have been satisfied and the Closing is set to occur two (2) Business Days thereafter pursuant to Section 2.8, the Outside Date shall be extended to the day after such second Business Day;

(d) by Buyer, if (i) the Auction has not concluded on or before the 45th calendar day after the earliest Petition Date of Sellers, (ii) the Sale Order shall not have been entered by the Bankruptcy Court on or before the 55th calendar day after the Petition Date, (iii) at any time after entry of the Sale Procedures Order, such Sale Procedures Order is reversed, stayed, vacated or otherwise modified by the Bankruptcy Court, or (iv) at any time after entry of the Sale Order, such Sale Order is reversed, stayed, vacated or otherwise modified;

(e) by Buyer by giving written notice to Sellers at any time prior to Closing in the event Sellers have breached any representation, warranty, covenant or agreement contained in this Agreement and as a result of such breach the conditions set forth in Section 7.1(a) and Section 7.1(b) hereof, as the case may be, would not then be satisfied at the time of such breach, Buyer has notified Sellers of the breach, and the breach has continued without cure for the earlier of 10 days following the proposed Closing Date;

(f) by Sellers by giving written notice to Buyer at any time prior to Closing in the event Buyer has breached any representation, warranty, covenant or agreement contained in this Agreement and as a result of such breach the conditions set forth in Section 7.2(a) and Section 7.2(b) hereof, as the case may be, would not then be satisfied at the time of such breach, Sellers have notified Buyer of the breach, and the breach has continued without cure for the earlier of 10 days following the proposed Closing Date;

(g) by written notice from Sellers to Buyer, if all of the conditions set forth in Section 7.1 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived and Buyer fails to complete the Closing at the time required by Section 2.8;

(h) by written notice from Buyer to Sellers, if all of the conditions set forth in Section 7.2 Section 7.1 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived and Sellers fail to complete the Closing at the time required by Section 2.8;

(i) by Buyer if any secured creditor of any Seller obtains relief from the stay to foreclose on any portion of the Purchased Assets that is material for the manufacture, purchase or sale of the Product or the Purchased Inventory; or

(j) automatically and without any action or notice by Sellers to Buyer, or Buyer to Sellers, immediately upon:

i. approval by the Bankruptcy Court of an Alternate Transaction, unless Buyer has agreed to be a “back-up bidder” under the Sale Procedures Order; or

ii. the consummation of an Alternate Transaction.

Notwithstanding anything to the contrary contained herein, (i) in no event may Buyer terminate this Agreement under Section 8.1(e) on account of Buyer's failure to satisfy the conditions contained in Sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code with respect to any proposed Assumed Contract, and (ii) a Party shall not be permitted to terminate this Agreement pursuant to this Article VIII if the applicable Termination Event was caused by the breach of such Party or such Party's gross negligence, willful misconduct, or bad faith or such Party is in material breach of any covenant, representation or warranty hereunder such that the conditions in Section 7.1(a)-(b) or Section 7.2(a)-(b), as applicable, would fail to be satisfied at the Closing.

Section 8.2 Procedure Upon Termination. In the event of termination and abandonment by Buyer, on the one hand, or Sellers, on the other hand, or both, pursuant to Section 8.1, written notice thereof shall forthwith be given to the other Party or Parties, and this Agreement shall terminate and the Contemplated Transactions shall be abandoned, without further action by Buyer or Sellers.

Section 8.3 Effect of Termination.

(a) In the event that this Agreement is validly terminated pursuant to a right of termination as provided herein, then each of the Parties shall be relieved of its duties and obligations arising under this Agreement effective as of the date of such termination and such termination shall be without Liability to Buyer or the Sellers; provided, however, that Section 8.1, Section 8.2, this Section 8.3, Article IX and the Sale Procedures Order (if entered) shall survive any such termination and shall be enforceable hereunder. In no event shall any termination relieve any Party from any Liability from any willful breach of this Agreement prior to the date of such termination or from any Proceeding by Buyer or its Affiliates related to or arising out of Fraud.

(b) Without limiting the foregoing, (i) in the event of termination of this Agreement by Sellers pursuant to Section 8.1(f) or Section 8.1(g), promptly upon such termination, the Parties shall direct the Escrow Agent to promptly pay the Deposit to Sellers and (ii) in the event of termination of this Agreement pursuant to Section 8.1 (except pursuant to Section 8.1(f) or Section 8.1(g)), promptly upon such termination, the Parties shall direct the Escrow Agent to promptly return the Deposit to Buyer. The Sellers' or Buyer's receipt of the Deposit pursuant to this Section 8.3 is in addition to all other rights and remedies available to Sellers or Buyer, respectively, hereunder or at law or in equity.

ARTICLE IX MISCELLANEOUS

Section 9.1 Remedies. The Parties recognize that if a Party breaches or refuses to perform any of their covenants set forth in this Agreement, monetary damages alone would not be adequate to compensate the non-breaching Party for their injuries. The non-breaching Party shall therefore be entitled, in addition to any other remedies that may be available, to obtain specific performance of, or to enjoin the violation of, the terms of such covenants. If any Proceedings are brought by the non-breaching Party to enforce such covenants, the breaching Party shall waive the

defense that there is an adequate remedy at Law. The Parties agree to waive any requirement for the security or posting of any bond in connection with any Proceeding seeking specific performance of, or to enjoin the violation of, such covenants. The Parties agree that the only permitted objection that they may raise in response to any action for specific performance of such covenants is that it contests the existence of a breach or threatened breach of such covenants.

Section 9.2 Expenses. Except as otherwise provided in this Agreement or a Related Agreement, Sellers and Buyer shall bear their own expenses, including attorneys' fees, incurred in connection with the negotiation and execution of this Agreement, the Related Agreements and each other agreement, document and instrument contemplated by this Agreement and the consummation of the Contemplated Transactions.

Section 9.3 Entire Agreement. This Agreement (including the schedules and exhibits hereto and other documents specifically referred to herein) and the Related Agreements constitute the entire agreement among the Parties and supersede any prior understandings, agreements or representations (whether written or oral) by or among the Parties, written or oral, with respect to the subject matter hereof.

Section 9.4 Incorporation of Schedules, Exhibits and Disclosure Schedule. The schedules, appendices and exhibits to this Agreement, the documents and other information made available in the Disclosure Schedule are incorporated herein by reference and made a part hereof.

Section 9.5 Amendments and Waivers. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by each Party except as expressly provided herein. No waiver of any breach of this Agreement shall be construed as an implied amendment or agreement to amend or modify any provision of this Agreement. No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the Party making such waiver, nor shall such waiver be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent default, misrepresentation or breach of warranty or covenant. No conditions, course of dealing or performance, understanding or agreement purporting to modify, vary, explain or supplement the terms or conditions of this Agreement shall be binding unless this Agreement is amended or modified in writing pursuant to the first sentence of this Section 9.5 except as expressly provided herein. Except where a specific period for action or inaction is provided herein, no delay on the part of any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

Section 9.6 Succession and Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. None of the Parties may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of all Parties; provided, however, that (i) Buyer shall be permitted to assign any of its rights hereunder to one or more of its Affiliates or any acquirer of the Product, as designated by Buyer in writing to Sellers; (ii) Buyer shall remain liable for all of its obligations under this Agreement after any such assignment to its Affiliates; and (iii) Sellers

shall be permitted to assign any of their rights hereunder pursuant to a confirmed plan under Chapter 11 of the Bankruptcy Code or pursuant to an order of the Bankruptcy Court.

Section 9.7 Notices. All notices, requests, demands, claims and other communications hereunder shall be in writing except as expressly provided herein. Any notice, request, demand, claim or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient; (ii) one Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid); (iii) when sent by email (with written confirmation of transmission); or (iv) three Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and addressed to the intended recipient as set forth below:

Section 9.8 Governing Law; Jurisdiction. This Agreement shall in all aspects be governed by and construed in accordance with the internal Laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware, and the obligations, rights and remedies of the Parties shall be determined in accordance with such Laws. The Parties agree that any Proceeding one Party commences against any other Party pursuant to this Agreement shall be brought exclusively in the Bankruptcy Court and each of the Parties hereby irrevocably consents to the jurisdiction of the Bankruptcy Court (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in the Bankruptcy Court or that any such suit, action or proceeding which is brought in the Bankruptcy Court has been brought in an inconvenient forum; provided that if the Bankruptcy Court is unwilling or unable to hear any such Proceeding, then the courts of the State of Delaware, sitting in New Castle County, Delaware, and the federal courts of the United States of America sitting in New Castle County, Delaware, shall have exclusive jurisdiction over such Proceeding.

Section 9.9 Consent to Service of Process. Each of the Parties hereby consents to process being served by any Party, respectively, in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 9.7.

Section 9.10 WAIVERS OF JURY TRIAL. EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A

TRIAL BY JURY IN RESPECT OF ANY LITIGATION ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE CONTEMPLATED TRANSACTIONS.

Section 9.11 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement so long as the economic or legal substance of the Contemplated Transactions is not affected in a manner adverse to any Party. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) the Parties shall negotiate in good faith to find a suitable and equitable provision that shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision, and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability in any one jurisdiction affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 9.12 No Third-Party Beneficiaries. This Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns.

Section 9.13 No Survival of Representations, Warranties and Agreements. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such party prior to the Closing) of the Parties set forth in this Agreement or in any other Related Agreement, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for six years following the Closing Date, and nothing in this Section 9.13 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Buyer and Sellers acknowledge and agree, on their own behalf and, with respect to Buyer that the agreements contained in this Section 9.13 (a) require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for six years; and (b) are an integral part of the Contemplated Transactions and that, without the agreements set forth in this Section 9.13, none of the Parties would enter into this Agreement.

Section 9.14 Non-Recourse. This Agreement may only be enforced against, and any Proceeding based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement. Except to the extent named as a party to this Agreement, and then only to the extent of the specific obligations of such parties set forth in this Agreement, no past, present or future shareholder, member, partner, manager, director, officer, employee, Affiliate, agent or representative of any party to this Agreement will have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties,

covenants, agreements or other obligations or Liabilities of any of the parties to this Agreement or for any Proceeding based upon, arising out of or related to this Agreement.

Section 9.15 Construction. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of names and pronouns shall include the plural and vice versa. The word “including” and “include” and other words of similar import shall be deemed to be followed by the phrase “without limitation.” The words “herein,” “hereto” and “hereby,” and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section or other subdivision of this Agreement. Unless expressly stated in connection therewith or the context otherwise requires, the phrase “relating to the business” and other words of similar import shall be deemed to mean “relating to the operation of the business of the Sellers as conducted as of the date hereof.” Except as otherwise provided herein, references to Articles, Sections, clauses, subclauses, subparagraphs, Schedules, Exhibits, Appendices and the Disclosure Schedule herein are references to Articles, Sections, clauses, subclauses, subparagraphs, Schedules, Appendices, Exhibits and the Disclosure Schedule of this Agreement. Any reference herein to any Law (or any provision thereof) shall include such Law (or any provision thereof) and any rule or regulation promulgated thereunder, in each case, including any successor thereto, and as it may be amended, modified or supplemented from time to time. Any reference herein to “dollars” or “\$” means United States dollars.

Section 9.16 Computation of Time. In computing any period of time prescribed by or allowed with respect to any provision of this Agreement that relates to Sellers or the Chapter 11 Cases, the provisions of rule 9006(a) of the Federal Rules of Bankruptcy Procedure shall apply.

Section 9.17 Mutual Drafting. Each of the Parties has participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

Section 9.18 Disclosure Schedule. The Disclosure Schedule has been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; provided, however, that a disclosure set forth in section of the Disclosure Schedule will be deemed to be incorporated into any other section of the Disclosure Schedule to the extent that the applicability of such disclosure to such other section of the Disclosure Schedule is reasonably apparent on its face, without reference to underlying documentation. Capitalized terms used in the Disclosure Schedule and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Disclosure Schedule or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course of Business or consistent with past practice, and no party will use the fact of

the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Disclosure Schedule or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or included in this Agreement, the Disclosure Schedule or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course of Business. In addition, matters reflected in the Disclosure Schedule are not necessarily limited to matters required by this Agreement to be reflected in the Disclosure Schedule. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. No information set forth in the Disclosure Schedule will be deemed to broaden in any way the scope of the Parties' representations and warranties. The information contained in this Agreement, in the Disclosure Schedule and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third party of any matter whatsoever, including any violation of Law or breach of contract.
