Philippine Airlines, Inc., the above-captioned debtor and debtor in possession (the “**Debtor**” or “**PAL**,” and collectively with the Debtor’s non-debtor affiliates, the “**Airline**”), hereby moves (the “**Application**”) for entry of an order substantially in the form annexed hereto as **Exhibit A** (the “**Proposed Order**”), granting the relief described below with respect to the retention of Seabury International Corporate Finance LLC and Seabury Securities LLC (together, “**Seabury**”). In support of this Application, the Debtor relies upon the declaration of Douglas

¹ The Debtor in this chapter 11 case, along with its registration number in the Philippines, is Philippine Airlines, Inc., Philippine Securities and Exchange Commission Registration No. PW 37. The Debtor’s corporate headquarters is located at PNB Financial Center, President Diosdado Macapagal Avenue, CCP Complex, Pasay City 1300, Metro Manila, Philippines.

Walker, Managing Director of Seabury, annexed hereto as **Exhibit B** (the “**Walker Declaration**”). In further support of this Application, the Debtor respectfully states as follows:

Jurisdiction and Venue

1. The United States Bankruptcy Court for the Southern District of New York (the “**Court**”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated January 31, 2012. The Debtor confirms its consent, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), to the entry of a final order by the Court in connection with this application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The statutory bases for the relief requested herein are sections 327, 328 and 330 of the title 11 of the United States Code (the “**Bankruptcy Code**”), Bankruptcy Rules 2014(a) and 2016, and Rules 2014-1 and 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the “**Local Rules**”).

Background

4. On September 3, 2021 (the “**Petition Date**”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor is authorized to continue to operate its business and manage its properties as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. As of the date hereof, no trustee, examiner or statutory committee has been appointed in this chapter 11 case (the “**Chapter 11 Case**”).

5. The Debtor and its affiliates are the largest airline group in the Philippines, and the Debtor is the national flag carrier of the Philippines. Its principal activity is to provide air transportation for passengers and cargo within and outside the Philippines. The Debtor is among the oldest airlines in the Asia Pacific region, having been founded in February 1941. With approximately 4,500 employees and over \$3 billion in annual gross revenue prior to the COVID-19 pandemic, the Debtor is the leading airline in the Philippines airline market.

6. In 2020, the Debtor was confronted with an extraordinary set of circumstances and flight disruptions induced by the COVID-19 pandemic. The COVID-19 crisis has had a catastrophic impact upon the aviation industry, causing major airlines to effectively halt many business operations. For major airlines such as PAL, the dramatic reduction in worldwide air travel caused significant balance sheet losses and created intractable challenges to meeting existing payment obligations.

7. In response to these unprecedented circumstances, PAL undertook a number of cost cutting measures and began discussions with key stakeholders in the hopes of mapping out a healthy future for the Airline. Those discussions, which spanned many months and involved all major stakeholders and their retained professionals, culminated in several restructuring support agreements (the “**RSAs**”) with substantially all of its aircraft lessors and lenders outlining the material terms for a proposed chapter 11 plan of reorganization (the “**Proposed Plan**”). The RSAs and the Proposed Plan contemplate (a) the reduction of the Debtor’s aircraft related obligations by approximately \$2.1 billion, (b) a \$505 million infusion of working capital to fund the Debtor’s ongoing operations during the Chapter 11 Case and upon emergence from its primary shareholder (the “**DIP Lender**”), (c) optimizing the Debtor’s fleet size, composition and ownership costs as required by the new market, (d) maintaining and enhancing the Debtor’s key

contracts and business partners to strengthen the Debtor's viability during the pending COVID-19 pandemic and beyond, and (e) obtaining commitments for a \$150 million exit facility from new investors to ensure PAL has adequate liquidity and runway to complete its restructuring.

8. The Debtor likewise engaged in good faith negotiations with its other critical creditors, including its primary original equipment manufacturers (“OEM”) and maintenance, repair, and overhaul service providers (“MRO”), to ensure that the Debtor continues to obtain the benefit of such critical goods and services. In addition, the OEMs and MROs have agreed to support the Proposed Plan by entering into RSAs, thereby providing additional certainty and predictability to the Debtor's restructuring and Chapter 11 Case.

9. Additional information regarding the events leading up to the Petition Date is set forth in the *Declaration of Nilo Thaddeus Rodriguez in Support of First Day Motions and Applications* (the “**First Day Declaration**”) and is incorporated herein by reference.

Relief Requested

10. The Debtor requests entry of the Proposed Order pursuant to sections 327 and 330 of the Bankruptcy Code, Bankruptcy Rules 2014(a) and 2016 and Local Bankruptcy Rules 2014-1 and 2016-1, authorizing the Debtor to retain and employ Seabury as its financial advisor and investment banker, effective *nunc pro tunc* to the Petition Date, in accordance with the terms and conditions set forth in that certain engagement letter dated January 1, 2021, annexed hereto as **Exhibit C** (the “**Engagement Letter**”).²

Seabury's Qualifications

11. The Debtor has determined, in the exercise of its business judgment, that the size and complexity of its business requires the Debtor to employ a financial advisor and investment

² The Debtor and Seabury entered into a prior engagement letter in June of 2020, which was replaced with the Engagement Letter in January of 2021.

banker with the knowledge of the Debtor's industry and business, as well as experience with the chapter 11 process, to advise the Debtor with respect to its restructuring and this Chapter 11 Case. Accordingly, the Debtor engaged Seabury to provide financial, consulting, bankruptcy and restructuring advisory services, as set forth in the Engagement Letter.

12. As described in the Walker Declaration, Seabury has one of the largest investment banking and management consulting practices in the world dedicated to the transportation sector, with its principal focus on the aviation and aerospace industries. Seabury has extensive experience working with financially troubled companies in complex financial restructurings both out of court and within chapter 11 cases. Seabury has served as an advisor with respect to financial restructurings; new capital raises; mergers, acquisitions, and joint ventures; aircraft orders; and other strategic matters to some of the world's largest and most sophisticated airlines, including Air Canada, Avianca, Azul, Copa, Continental Airlines, Pinnacle Airlines and United Airlines, among others.

13. Seabury will provide certain investment banking and financial advisory services with respect to finalizing and implementing major creditor concessions, implementing a business plan and strategy designed to improve PAL's cost base and competitive market positioning, and raising additional capital necessary to fund the recovery. Seabury's resources, capabilities and experience in advising financially distressed airlines will be crucial to PAL's success as a reorganized entity. The experienced investment bankers, financial advisors and consultants at Seabury will fulfill a critical service that complements the services provided by PAL's other restructuring professionals. Neither law firms nor accounting firms have the expertise or resources to perform this type of work. For these reasons, PAL requires the advisory and investment banking services of Seabury.

Services to Be Provided

14. Pursuant to the Engagement Letter, Seabury will provide the following investment banking and financial advisory services (the “**Investment Banking and Financial Advisory Services**”):³

- (a) Assist in the evaluation of the Debtor’s businesses and prospects;
- (b) Assist in the development of the Debtor’s long-term business plan and related financial projections;
- (c) Assist in the development of financial data and presentations to the Debtor’s board of directors, various creditors and other third parties, inclusive, in the case of a court-supervised restructuring, of managing interactions with any official committee of the unsecured creditors or any other such creditor or stakeholder group;
- (d) Analyze the Debtor’s financial liquidity and evaluate alternatives to improve such liquidity;
- (e) Evaluate the Debtor’s debt capacity and alternative capital structures;
- (f) Analyze various restructuring scenarios and make recommendations with respect to the same to the Debtor’s management and board of directors;
- (g) Provide strategic advice with regard to restructuring and/or refinancing initiatives and activities;
- (h) Assist with the restructuring and/or refinancing of aircraft debt and lease obligations, as necessary under the business plan;

³ The summary of the services and the other Engagement Letter terms included in the Application is provided for purposes of convenience only and is qualified in its entirety by reference to the Engagement Letter. To the extent that this Application and the terms of the Engagement Letter are inconsistent, the terms of the Engagement Letter shall control.

- (i) Assist with the restructuring and/or refinancing of any material non-aircraft debt and lease obligations, as necessary under the business plan;
- (j) Assist with the restructuring of aircraft purchase and/or maintenance service obligations, as necessary under the business plan;
- (k) Participate in any other negotiations with the Debtor's major suppliers, lenders, lessors and other interested parties as necessary to effectuate the successful restructuring of the business, including in the case of any restructuring under the Bankruptcy Code, assisting the Debtor and its legal advisors in drawing up a plan of reorganization and related disclosure statement;
- (l) In the event of any court-supervised process, assist in such areas as court testimony on matters that are within the scope of this engagement and within Seabury's area of testimonial competency;
- (m) Assist the Debtor, through a competitively run process, with securing (a) additional interim liquidity to fund the completion of the restructuring process and (b) long-term debt and/or equity capital to support the Debtor's emergence and recovery (each a "**Financing Transaction**"); and
- (n) In the event of any merger or acquisition, assist the Debtor in conducting due diligence, negotiating agreements and executing such an M&A transaction (an "**M&A Transaction**").

No Duplication of Services

15. The services of Seabury will complement and not duplicate the services rendered by any other professional retained in this case. As set forth in the Walker Declaration, Seabury understands that the Debtor has retained and may retain additional professionals during the term of Seabury's engagement and agrees to work cooperatively with such professionals to integrate

any respective work conducted by all professionals on behalf of the Debtor. Seabury is providing distinct and specific investment banking and financial advisory services as set forth in the Engagement Letter, and such services are not expected to duplicate those to be provided by any other consultant or advisor. Seabury, in consultation with the Debtor and Debtor's legal counsel, will ensure that the scope of the work it undertakes does not overlap materially with that performed by other advisors.

Professional Compensation

16. Seabury's retention by PAL is conditioned upon its ability to be retained in accordance with its customary terms and conditions of employment. In accordance with section 330(a) of the Bankruptcy Code, the Bankruptcy Rules and orders of this Court, Seabury will apply to the Court for compensation, including retainer, monthly fees and success fees, and reimbursement of expenses, as set forth in more detail in the Engagement Letter and in the Walker Declaration (the "**Fee and Expense Structure**"). Seabury acknowledges that all compensation will be subject to this Court's review and approval, after notice and a hearing.

17. The Debtor believes that this fee arrangement, which is similar to fee arrangements authorized in other chapter 11 cases in which Seabury has rendered services, is reasonable in light of industry practice, market rates both in and out of chapter 11 proceedings, Seabury's experience in reorganizations and the scope of work to be performed pursuant to its retention. PAL believes that given the nature of the services to be provided, the above Fee and Expense Structure is both fair and reasonable. PAL believes that Seabury is eminently qualified to serve PAL in this case, and that the retention of Seabury is in the best interest of PAL and its estate, creditors and shareholders. PAL is advised that Seabury intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with this Chapter 11 Case, subject to this Court's approval, in accordance with Fee

and Expense Structure in the Engagement Letter, to which PAL respectfully refers this Court for a full recitation, and in compliance with General Order M-412 (Order Establishing Procedures for Monthly Compensation and Reimbursement of Professionals, dated December 21, 2010 (Gonzalez, C.J.)), Administrative Order M-447 (Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases, dated January 29, 2013 (Morris, C.J.)), and the U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 (Appendix A to 28 C.F.R. § 58) (collectively, the “**Fee Guidelines**”), sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules and any further orders of the Court, both in connection with this application and the interim and final fee applications to be filed by Seabury in this Chapter 11 Case. Moreover, PAL is advised that Seabury intends to make a reasonable effort to comply with requests from the Office of the United States Trustee for the Southern District of New York (the “**U.S. Trustee**”) for information and additional disclosures as set forth in the Fee Guidelines.

18. Seabury, like most investment banks, does not ordinarily maintain contemporaneous time records in tenth-hour increments or provide or conform to a schedule of hourly rates for their professionals. Accordingly, the Debtor requests that Seabury be permitted to maintain time records of its professionals in half-hour increments and provide a description of the time its professionals devote to rendering the services on behalf of the Debtor. Seabury will also maintain detailed records of any actual and necessary costs and expenses incurred in connection with the services provided to PAL during this case.

Indemnification Provisions

19. As part of the overall compensation payable to Seabury under the terms of the Engagement Letter, the Debtor has agreed to certain indemnification and contribution provisions

described in the Engagement Letter (the “**Indemnification Provisions**”). As more fully set forth in the Engagement Letter, the Indemnification Provisions provide that the Debtor will indemnify and hold harmless Seabury and any of its subsidiaries and affiliates, officers, directors, principals, shareholders, agents, independent contractors and employees (collectively, including Seabury, the “**Indemnified Persons**”) from and against any and all claims, liabilities, damages, obligations, costs and expenses (including reasonable attorneys’ fees and expenses and costs of investigation) arising out of or relating to the retention of Seabury, the execution and delivery of the Engagement Letter, the provision of the services thereunder or other matters relating to or arising from the Engagement Letter, except to the extent that any such claim, liability, obligation, damage, cost or expense shall have been determined to have resulted from the gross negligence or willful misconduct of the applicable Indemnified Person(s) (an “**Adverse Determination**”). The Debtor has agreed to pay damages and expenses, including reasonable legal fees and disbursements of counsel as incurred. Seabury has agreed that it will reimburse any amounts paid in advance to the extent they relate to an Adverse Determination.

20. The terms of the Engagement Letter, including the Indemnification Provisions, were negotiated between the Debtor and Seabury at arm’s length, and the Debtor respectfully submits that the Indemnification Provisions, as modified by the Proposed Order, are customary, reasonable and in the best interest of the Debtor, its estate and its creditors. Accordingly, as part of this Application, the Debtor requests that this Court approve the Indemnification Provisions as modified by the Proposed Order.

Seabury’s Disinterestedness

21. As set forth in the Walker Declaration, Seabury has represented to the Debtor that it has not represented and will not represent any parties other than the Debtor in this Chapter 11 Case or in connection with any matter that would be adverse to the Debtor arising from, or

related to, this Chapter 11 Case. Upon review of its client database, Seabury has learned that it has, or has had in the past three years, current or recent former clients who participated in cases involving certain creditors of the Debtor and other parties in interest as more fully discussed in the Walker Declaration.

22. To the best of the Debtor's knowledge: (a) Seabury is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code and does not hold or represent an interest adverse to the Debtor's estate and (b) Seabury has no connection to the Debtor, its creditors, the U.S. Trustee or any other party with an actual or potential interest in the Debtor's case or their attorneys or accountants, except as otherwise noted in the Walker Declaration. Seabury has agreed that, to the extent any new relevant facts or relationships are discovered or arise, Seabury will use reasonable efforts to file promptly a supplemental declaration, as required by Bankruptcy Rule 2014(a).

Basis for Requested Relief

23. The Debtor seeks authority to retain and employ Seabury as its financial advisor and investment banker under section 327 of the Bankruptcy Code, which provides that a debtor is authorized to employ professional persons "that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the [debtor] in carrying out the [debtor's] duties under this title." 11 U.S.C. § 327(a). Section 1107(b) of the Bankruptcy Code elaborates upon sections 101(14) and 327(a) of the Bankruptcy Code and provides that "a person is not disqualified for employment under section 327 of the Bankruptcy Code by a debtor in possession solely because of such person's employment by or representation of the debtor before the commencement of the case." 11 U.S.C. § 1107(b). As discussed above and as further detailed in the Walker Declaration, to the best of the Debtor's knowledge, Seabury is a

“disinterested person” within the meaning of section 101(14) of the Bankruptcy Code and does not hold or represent an interest adverse to the Debtor’s estate.

24. The Debtor believes that the Fee and Expense Structure is reasonable and market-based and should be approved under section 327 of the Bankruptcy Code. The Fee and Expense Structure adequately reflects: (a) the nature of the services to be provided by Seabury and (b) the fees and expenses and indemnification provisions typically utilized by Seabury and other leading financial advisory and consulting firms. Seabury intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with this case pursuant to the procedures set forth in sections 330 and 331 of the Bankruptcy Code and applicable Bankruptcy Rules, Local Bankruptcy Rules, the Fee Guidelines and any other applicable procedures and orders of the Court, with certain limited modifications as set forth in the Proposed Order.

25. In light of the foregoing, the Debtor submits that the relief requested in the Application is in the best interests of its estate and creditors and the Court should approve the retention and employment of Seabury pursuant to the terms set forth herein and in the Engagement Letter.

Nunc Pro Tunc Relief Is Warranted

26. The Debtor believes that employment of Seabury effective *nunc pro tunc* to the Petition Date is warranted under the circumstances of this case so that Seabury may be compensated for the services it performed prior to entry of an order approving Seabury’s retention. Further, the Debtor believes that no party in interest will be prejudiced by the granting of the *nunc pro tunc* effectiveness of Seabury’s employment because Seabury has provided, and will continue to provide, valuable services to the Debtor’s estate in the covered period.

Notice

27. Notice of this Application has been provided to the following parties, or, in lieu thereof, their counsel: (a) the Office of the United States Trustee for the Southern District of New York; (b) the holders of the 30 largest unsecured claims against the Debtor; (c) the parties to the RSAs; (d) the DIP Lender; (e) the United States Attorney's Office for the Southern District of New York; (f) the Internal Revenue Service; (g) the Securities and Exchange Commission; (h) the Federal Aviation Administration; and (i) any party that is required to receive or has requested service pursuant to Bankruptcy Rule 2002. A copy of this Application and any order approving it will also be made available on the Debtor's Case Information Website located at www.kccllc.net/PAL. In light of the nature of the relief requested in this Application, the Debtor respectfully submits that no further notice is necessary.

No Prior Request

28. No prior request for the relief sought herein has been made by the Debtor to this or any other court.

[Remainder of Page Intentionally Left Blank]

To the extent that the Debtor requests Seabury to perform any services other than those detailed in the Engagement Letter, the Debtor shall seek further approval by the Court by an application that shall set forth the additional services to be performed and the additional fees sought to be paid.

6. Notwithstanding anything to the contrary contained herein or in the Application or Engagement Letter, Seabury shall file interim and final fee applications for allowance of compensation and reimbursement of expenses pursuant to sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, the Fee Guidelines and any other orders of the Court, *provided, however*, that the fee applications filed by Seabury shall be subject to review only pursuant to the standard of review set forth in section 328 of the Bankruptcy Code and not subject to the standard of review set forth in section 330 of the Bankruptcy Code, except as otherwise expressly set forth herein.

7. In light of the services to be provided by Seabury and the compensation structure in the Engagement Agreement, Seabury and its professionals shall be excused from the requirement to maintain or provide detailed time records in accordance with Bankruptcy Rule 2016(a), Local Bankruptcy Rule 2016-1 or conform to a schedule of hourly rates for its professionals; provided, however, that, notwithstanding that Seabury does not charge for its services on an hourly basis, Seabury will nonetheless maintain reasonably detailed time records in 0.5 hour increments containing descriptions of those services rendered for the Debtor and the individuals who provided those services.

8. None of the fees payable to Seabury shall constitute a “bonus” or fee enhancement under applicable law.

9. Notwithstanding anything to the contrary in this Order, the U.S. Trustee retains all rights to object to Seabury’s requests for interim and final compensation (including, without limitation, the Monthly Retainer Fees and Success Fees) and out-of-pocket expenses on all grounds including, but not limited to, based on the reasonableness standard provided in section 330 of the Bankruptcy Code. Accordingly, nothing in this Order or the record relating to this Court’s consideration of the Application shall constitute a finding of fact or conclusion of law binding on the U.S. Trustee with respect to the reasonableness of Seabury’s fees.

10. The Indemnification Provisions are approved; provided, however, that all requests by Seabury for the payment of indemnification shall be made by means of an application to this Court and shall be subject to review by this Court to ensure that payment of such indemnity conforms to the terms of the Engagement Letter and is reasonable under the circumstances of the litigation or settlement in respect of which indemnity is sought; provided, further, however, that in no event shall Seabury be indemnified in the case of its own bad faith, self-dealing, breach of fiduciary duty (if any), gross negligence or willful misconduct. In the event that Seabury seeks reimbursement from the Debtor for attorneys’ fees and expenses in connection with the payment of an indemnity claim pursuant to the Engagement Letter, the invoices and supporting time records for the attorneys’ fees and expenses shall be included in Seabury’s own applications but determined by this Court after notice and a hearing, and such invoices and time records shall be subject to the Fee Guidelines and the approval of the Court pursuant to sections 330 and 331 of the Bankruptcy Code without regard to whether such attorneys have been retained under section 327 of the Bankruptcy Code and without regard to whether such attorneys’ services satisfy

section 330(a)(3)(C) of the Bankruptcy Code. Attorneys' fees and/or expenses reimbursed under the Engagement Letter shall be limited to those expended in representing Seabury in retention and fee application matters. For the avoidance of doubt, the preceding sentence does not apply to, and in no way limits, the provisions with respect to reimbursement of attorney's fees and/or expenses set forth in the Engagement Letter with respect to indemnification.

11. Seabury shall apply any remaining amounts of its prepetition retainer as a credit toward postpetition fees and expenses, after such postpetition fees and expenses are approved pursuant to the first Order of the Court awarding fees and expenses to Seabury.

12. Notwithstanding anything to the contrary in the Engagement Letter or the Application, to the extent that Seabury seeks any termination of services, Seabury shall seek further approval by the Court by an application that shall set forth the termination of services sought.

13. Notwithstanding anything to the contrary in the Engagement Letter, to the extent that Seabury uses the services of independent contractors or employees of foreign affiliates or subsidiaries (collectively, the "**Contractors**") in this case, Seabury (i) shall pass-through the cost of such Contractors to the Debtor at the same rate that Seabury pays the Contractors; (ii) shall seek reimbursement for actual out-of-pocket expenses only; and (iii) shall ensure that the Contractors submit the same connections disclosures as required of professionals by Bankruptcy Rule 2014.

14. To the extent there may be any inconsistency between the terms of the Application, the Engagement Letter and this Order, this Order shall govern.

15. Notice of the Application is adequate under Bankruptcy Rule 6004(a).

16. The Debtor is authorized to take all action necessary to effectuate the relief granted in this Order.

17. The Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation and/or enforcement of this Order.

Case No. 21-11569 (SCC)

**DECLARATION OF DOUGLAS WALKER
IN SUPPORT OF THE DEBTOR'S APPLICATION
FOR ENTRY OF AN ORDER AUTHORIZING EMPLOYMENT
AND RETENTION OF SEABURY SECURITIES LLC AND
SEABURY INTERNATIONAL CORPORATE FINANCE LLC AS
FINANCIAL ADVISOR AND INVESTMENT BANKER TO THE DEBTOR
AND DEBTOR IN POSSESSION NUNC PRO TUNC TO THE PETITION DATE**

I, Douglas Walker, make this declaration pursuant to 28 U.S.C. § 1746 and state as follows:

1. I am a Managing Director at Seabury International Corporate Finance LLC and its FINRA-regulated broker-dealer affiliate, Seabury Securities LLC (collectively, “**Seabury**”), as a financial advisor and investment banker. I am duly authorized to make this declaration (this “**Declaration**”) on behalf of Seabury and submit this Declaration in support of the *Debtor's Application for Entry of an Order Authorizing Employment and Retention of Seabury Securities LLC and Seabury International Corporate Finance LLC as Financial Advisor and Investment Banker to the Debtor and Debtor in Possession Nunc Pro Tunc to the Petition Date* (the “**Application**”),² pursuant to section 327(a) of the Bankruptcy Code, Bankruptcy Rules 2014(a) and 2016 and Local Bankruptcy Rules 2014-1 and 2016-1, for authority to retain and employ

¹ The Debtor in this chapter 11 case, along with its registration number in the Philippines, is Philippine Airlines, Inc., Philippine Securities and Exchange Commission Registration No. PW 37. The Debtor's corporate headquarters is located at PNB Financial Center, President Diosdado Macapagal Avenue, CCP Complex, Pasay City 1300, Metro Manila, Philippines.

² Capitalized terms used but not otherwise defined herein have the respective meanings ascribed to them in the Application.

Seabury, as financial advisor and investment banker to the Debtor, *nunc pro tunc* to September 3, 2021 (the “**Petition Date**”) upon the terms and conditions set forth in the Application and the Engagement Letter.

2. Except as otherwise stated in the Application, I have personal knowledge of the facts set forth herein and, if called as a witness, I would testify thereto. Certain of the disclosures set forth herein are related to matters within the knowledge of other employees of Seabury and are based on information provided to me by them.

Seabury’s Qualifications

3. Seabury is recognized for its expertise in providing investment banking and financial advisory services to airlines and their shareholders in financially distressed situations, including advising debtors, creditors and other constituents in chapter 11 proceedings and serving as financial advisor in numerous cases.

4. I have previously advised a number of airlines and airline creditors in distressed situations, including in a range of chapter 11 cases, non-US court-supervised proceedings, and out-of-court restructurings. Among other such engagements, I have advised AirAsia X, Avianca, GOL, and United Airlines, and have advised creditors of AeroMexico, Frontier, Mexicana, Republic, and Virgin America.

5. Since January 1, 2021,³ Seabury has rendered investment banking and financial advisory services to the Debtor in connection with its restructuring efforts. Seabury has become familiar with the Debtor’s operations and is well-qualified to represent the Debtor as investment banker and financial advisor in connection with such matters in a cost-effective and efficient manner.

³ The Debtor and Seabury entered into a prior engagement letter in June of 2020, which was replaced with the Engagement Letter in January of 2021.

Services to be Provided

6. The parties have entered into an agreement that would govern the relationship between Seabury and the Debtor, a copy of which is attached as Exhibit C to the Application (the “**Engagement Letter**”). Pursuant to the Engagement Letter, Seabury will provide the following investment banking and financial advisory services (the “**Investment Banking and Financial Advisory Services**”):⁴

- (a) Assist in the evaluation of the Debtor’s businesses and prospects;
- (b) Assist in the development of the Debtor’s long-term business plan and related financial projections;
- (c) Assist in the development of financial data and presentations to the Debtor’s board of directors, various creditors and other third parties, inclusive, in the case of a court-supervised restructuring, of managing interactions with any official committee of the unsecured creditors or any other such creditor or stakeholder group;
- (d) Analyze the Debtor’s financial liquidity and evaluate alternatives to improve such liquidity;
- (e) Evaluate the Debtor’s debt capacity and alternative capital structures;
- (f) Analyze various restructuring scenarios and make recommendations with respect to the same to the Debtor’s management and board of directors;
- (g) Provide strategic advice with regard to restructuring and/or refinancing initiatives and activities;

⁴ The summary of the services and the other Engagement Letter terms included in the Application is provided for purposes of convenience only and is qualified in its entirety by reference to the Engagement Letter. To the extent that this Application and the terms of the Engagement Letter are inconsistent, the terms of the Engagement Letter shall control.

- (h) Assist with the restructuring and/or refinancing of aircraft debt and lease obligations, as necessary under the business plan;
- (i) Assist with the restructuring and/or refinancing of any material non-aircraft debt and lease obligations, as necessary under the business plan;
- (j) Assist with the restructuring of aircraft purchase and/or maintenance service obligations, as necessary under the business plan;
- (k) Participate in any other negotiations with the Debtor's major suppliers, lenders, lessors and other interested parties as necessary to effectuate the successful restructuring of the business, including in the case of any restructuring under the Bankruptcy Code, assisting the Debtor and its legal advisors in drawing up a plan of reorganization and related disclosure statement;
- (l) In the event of any court-supervised process, assist in such areas as court testimony on matters that are within the scope of this engagement and within Seabury's area of testimonial competency;
- (m) Assist the Debtor, through a competitively run process, with securing (a) additional interim liquidity to fund the completion of the restructuring process and (b) long-term debt and/or equity capital to support the Debtor's emergence and recovery (each a "**Financing Transaction**"); and
- (n) In the event of any merger or acquisition, assist the Debtor in conducting due diligence, negotiating agreements and executing such an M&A transaction (an "**M&A Transaction**").

No Duplication of Services

7. Seabury understands that the Debtor has retained and may retain additional professionals during the term of the engagement and agrees to work cooperatively with such

professionals to integrate any respective work conducted by all professionals on behalf of the Debtor. I believe that Seabury is providing distinct and specific financial advising and consulting services, and such services are not expected to duplicate those to be provided by any other consultant or advisor. Seabury, in consultation with the Debtor and Debtor's legal counsel, will ensure that the scope of the work it undertakes does not overlap materially with that performed by other advisors.

Professional Compensation

8. Seabury has agreed to represent the Debtor for compensation at the amounts agreed upon between the parties pursuant to the Engagement Letter. As more fully described in the Engagement Letter, in consideration of the Investment Banking and Financial Advisory Services provided by Seabury, the Debtor has agreed to pay Seabury:

- (a) A monthly retainer (the "**Retainer Fees**") of \$400,000, payable on the first business day of each month, fifty percent (50%) of which after the fourth full month shall be creditable against any Fleet Restructuring Success Fee, Financing Success Fee and Chapter 11 Success Fee (each as defined below and collectively, the "**Success Fees**");
- (b) A Fleet Restructuring Success Fee – Upon the execution of definitive agreements with respect to the following, the Debtor shall pay to Seabury a financial restructuring success fee (the "**Fleet Restructuring Success Fee**") equal to: (i) for deferrals of aircraft debt, lease and/or other payment obligations (including pre-delivery payments), one and one-quarter percent (1.25%) of the amount deferred; (ii) for permanent reductions of aircraft debt, lease and/or other payment obligations (including through rent reduction, return condition reduction and/or early lease terminations), five percent (5.0%) of the net present value thereof (using an 8% per annum discount rate); and (iii) for firm aircraft deliveries with a manufacturer that are deferred on favorable terms, cancelled or exchanged for another aircraft type (in each case other than as may be permitted under the existing agreement(s)), a fee of one hundred twenty-five thousand US dollars (US\$125,000) per aircraft obligation so modified; provided, however, that the Fleet Restructuring Success Fee shall not exceed \$2,500,000.
- (c) Financing Success Fee – Upon the closing of any Financing Transaction, the Debtor shall pay to Seabury a financing success fee (the "**Financing Success Fee**") equal to: (i) with respect to any equity capital, three and one-half percent (3.5%) of the amount raised; (ii) with respect to any unsecured debt capital, three

percent (3.0%) of the principal amount raised; and (iii) with respect to any debt capital secured by any combination of aircraft, engines and the Mabuhay Miles loyalty program assets, two percent (2.0%) of the principal amount raised; provided, however, that the Financing Success Fee shall be reduced by ninety-five percent (95%) to the extent of any portion of the debt and/or equity capital provided by the Debtor's existing controlling shareholder, and provided further that the Financing Success Fee shall not exceed \$3,500,000, except in the case that equity capital is raised from parties other than the controlling shareholder, in which case the Financing Success Fee shall not exceed \$4,500,000.

(d) Chapter 11 Success Fee – Upon the confirmation of a plan of reorganization under Chapter 11 of the United States Bankruptcy Code, the Debtor shall pay to Seabury a success fee (the “**Chapter 11 Success Fee**”) equal to \$1,500,000.

9. The Debtor may terminate the Engagement Letter with immediate effect by written notice to Seabury without further liability or obligation whatsoever on the part of the Debtor at any time it determines in good faith that Seabury has materially defaulted in the performance of its obligations hereunder and Seabury fails to remedy the same within five (5) days from receipt of written notice of termination to the reasonable satisfaction of the Debtor (“**Termination for Cause**”).

10. In the event of the expiration of or a termination without cause of the Engagement Letter, the Debtor shall pay Seabury all compensation as described in and pursuant to the conditions of Section 2 of the Engagement Letter, that has accrued prior to such expiration or termination but is unpaid, and expense reimbursements otherwise due payable under the Engagement Letter. Upon Termination for Cause, the Debtor shall pay Seabury all fees and expense reimbursements that have accrued prior to such termination but remain unpaid.

11. Except for Termination for Cause, should the Debtor enter into any restructuring and/or refinancing of aircraft or non-aircraft debt and/or lease obligations, or any restructuring of any aircraft purchase and/or maintenance service obligations or any Financing Transaction or any M&A Transaction, within eighteen (18) months from a termination of the Engagement

Letter, the Debtor shall pay to Seabury the Success Fees that would have been otherwise due to Seabury if the Engagement Letter had not been so terminated.

12. Seabury will submit expense invoices to the Debtor monthly, and include adequate detail including employee name, date of expense charge and amount. In addition to providing detail with respect to its expenses as required in connection with monthly invoices and any fee applications to be filed with the Court, upon request by the Debtor, Seabury shall provide the Debtor with documentation supporting Seabury's expenses sufficient for the Debtor and its representatives to review and/or audit Seabury's expenses during normal business hours.

13. Seabury will seek compensation and reimbursement of expenses, as specified in the Engagement Letter, with the payment of such fees and expenses to be approved in accordance with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules and any orders of this Court.

14. During the 90 days immediately preceding the Petition Date, Seabury had been compensated by the Debtor for approximately \$2,700,000 in fees in accordance with the terms of the Engagement Letter. After giving effect to the application of its final prepetition charges, Seabury now holds a deposit in the approximate amount of \$305,000.

15. Based on its experience and independent analysis, Seabury believes that the fees set forth herein are fair and reasonable. Seabury believes that the fees set forth herein reflect the nature and scope of the services to be provided by Seabury. Seabury has substantial experience with respect to financial advisory services, and its fee structures are similar to those typically utilized by other leading financial advisors which do not bill their clients on an hourly basis.

Indemnification Provisions

16. As part of the overall compensation payable to Seabury under the terms of the Engagement Letter, the Debtor has agreed to certain indemnification and contribution provisions

described in the Engagement Letter (the “**Indemnification Provisions**”). As more fully set forth in the Engagement Letter, the Indemnification Provisions provide that the Debtor will indemnify and hold harmless Seabury and any of its subsidiaries and affiliates, officers, directors, principals, shareholders, agents, independent contractors and employees (collectively, including Seabury, the “**Indemnified Persons**”) from and against any and all claims, liabilities, damages, obligations, costs and expenses (including reasonable attorneys’ fees and expenses and costs of investigation) arising out of or relating to the retention of Seabury, the execution and delivery of the Engagement Letter, the provision of the services thereunder or other matters relating to or arising from the Engagement Letter, except to the extent that any such claim, liability, obligation, damage, cost or expense shall have been determined to have resulted from the gross negligence or willful misconduct of the applicable Indemnified Person(s) (an “**Adverse Determination**”). The Debtor has agreed to pay damages and expenses, including reasonable legal fees and disbursements of counsel as incurred. Seabury has agreed that it will reimburse any amounts paid in advance to the extent they relate to an Adverse Determination.

17. The terms of the Engagement Letter, including the Indemnification Provisions, were negotiated between the Debtor and Seabury at arm’s length, and Seabury believes that the Indemnification Provisions, as modified by the Proposed Order, are customary, reasonable and in the best interests of the Debtor, its estate and its creditors.

Seabury’s Disinterestedness

A. The Seabury Corporate Group

18. Seabury International Corporate Finance LLC is a majority-owned direct subsidiary of Seabury Capital Group LLC (“**SCG**”), with the remaining equity owned by senior executives. Seabury Securities LLC is a majority-owned indirect subsidiary of SCG, with the remaining equity also owned by senior executives. Through SCG, Seabury has relationships

with dozens of affiliated entities located worldwide (such affiliated operating entities that are under the control of SCG, collectively, the “**Affiliated Entities**” and, together with SCG and Seabury, the “**Seabury Corporate Group**”). The Seabury Corporate Group operates a number of specialty finance, investment and merchant banking, technology and software companies with a core focus anchored in aviation, aerospace & defense and financial services & technology. Over the years, SCG has taken ownership stakes in software and asset management businesses servicing the aviation and travel industries. Within the last few years, SCG has expanded its portfolio by investing in early-stage startup companies within the financial technology industry and structured investment products. In addition, SCG owns and operates FINRA, NFA and FCA regulated investment banking services firms (including Seabury Securities LLC) in the U.S. and U.K., respectively, serving external clients as well as assisting the companies in which SCG has invested.

19. SCG also retains an indirect, non-controlling stake in SGI Group BV (collectively with its subsidiaries, “**SGI**”); because SGI is not controlled by SCG, it is not part of the Seabury Corporate Group or one of the Affiliated Entities. SGI provides technical consulting and advisory services in the areas of aircraft and engine asset management and safety regulations. From time to time, Seabury and SGI work together on client engagements when requested by the client. Generally, however, SGI is operated as a separate business from Seabury and the Seabury Corporate Group.

20. The Seabury Corporate Group maintains robust policies and procedures that are reasonably designed to detect and prevent the misuse of inside information. Many of these policies and procedures are subject to regulatory oversight and audit by governmental authorities (including the regulatory agencies noted above), internal compliance monitoring, and internal

audits. Among other things, employees are prohibited from trading securities for their own account while in possession of material non-public information (as defined under federal securities laws) and are subject to training and annual certification requirements regarding such policies and procedures.

21. These policies apply to, and there are information barriers in place between, Seabury's team rendering services to the Debtor, on the one hand, and each of the Affiliated Entities, on the other. These information barriers consist of physical and electronic barriers that restrict the flow of information among employees and business divisions, including confidential information. These barriers consist of, among other things, separate physical office spaces for employees of Seabury and the Affiliated Entities; limiting access to shared drives only to authorized personnel; and policies against discussing confidential information with unauthorized personnel. These policies and barriers ensure, among other things, that no client confidential information held by the Seabury, including confidential or non-public information concerning the Debtor, is available to employees of the Affiliated Entities, and that client confidential information is shared within Seabury only on a need-to-know basis.

22. These policies also provide that Seabury's team rendering services to the Debtor is prohibited from sharing the Debtor's confidential information with other employees of the Seabury Corporate Group without prior review and approval by the relevant legal and compliance department, and they may only share such information with employees who need to know such information for purposes of advising the Debtor.⁵

⁵ The information barriers described in paragraphs 21 and 22 do not apply to (i) general communications as to the nature of the engagement with senior management of the Seabury Corporate Group who, due to their duties and responsibilities, have a legitimate need to know such information, where such individuals are informed as to the confidential nature of such information, and (ii) legal and compliance, accounting and other internal control functions within the Seabury Corporate Group that need to know such information for purposes of carrying out their control functions.

B. Connections Disclosures

23. Based on the results of the conflict search conducted to date and described more fully below, to the best of my knowledge, neither I, Seabury nor any member or employee thereof, insofar as I have been able to ascertain, has any connection with the Debtor, its creditors, other parties in interest (as reasonably known to us), their respective attorneys or the U.S. Trustee, or any person employed in the Office of the U.S. Trustee, except as disclosed or otherwise described herein.

24. To the best of my knowledge, and as disclosed in this Declaration, (a) Seabury and its professionals are “disinterested” within the meaning of section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code and as required by section 327(a) of the Bankruptcy Code and neither holds nor represents any interest adverse to the Debtor and its estate for the matters for which Seabury is to be employed and (b) Seabury has no connection to the Debtor, its creditors or the related parties herein except as disclosed herein. This Declaration contains information available to date on Seabury’s connections with other parties in interest, as required by Rule 2014(a) of the Federal Rules of Bankruptcy Procedure.

25. Seabury has informed the Debtor that Seabury will conduct an ongoing review of its files to ensure that no disqualifying circumstances arise, and if any new relevant facts or relationships are discovered, Seabury will supplement its disclosure to the Court.

26. Seabury has requested information regarding connections with Potential Parties and Interest from its non-controlled affiliate, SGI. As of the date hereof, Seabury is not aware of any such connections, but if SGI informs Seabury of any such connections, Seabury will supplement its disclosure to the Court.

27. As part of its diverse practice, Seabury appears in numerous cases, proceedings and transactions involving attorneys, accountants, investment bankers and financial consultants,

some of which may represent claimants and parties in interest in this Chapter 11 Case. Further, Seabury has in the past, and may in the future, be represented by attorneys and law firms in the legal community, some of whom may be involved in this proceeding. In addition, Seabury has in the past and will likely in the future be working with or against other professionals involved in this case, in matters unrelated to this case.

28. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these business relations constitute interests materially adverse to the Debtor herein in matters upon which Seabury is to be employed.

29. To ensure compliance with the requirements of the Bankruptcy Code, the Bankruptcy Rules and the Local Bankruptcy Rules regarding disclosure, Seabury has searched its client database to compare it with the list of potential parties in interest provided to Seabury by the Debtor (the “**Potential Parties in Interest**”) to determine whether any member of the Seabury Corporate Group had any relationships with any of these Potential Parties in Interest. This database is intended to include client information for all members of the Seabury Corporate Group.⁶ The list of the entities searched is attached hereto as **Schedule 1**.

30. Seabury’s compliance department determined based on the search that none of the members of the Seabury Corporate Group, Seabury, or any of Seabury’s partners or employees has or had a relationship with any Potential Party in Interest within the last three years, except as set forth in this Declaration and on **Schedule 2**.

31. A list of current and former clients over the past three years for the Seabury Corporate Group is attached as **Schedule 2**. Seabury may have in the past represented, and

⁶ To the extent client information is for whatever reason not included in this database, confidential information held by Seabury about the Debtor and confidential information regarding such clients would be protected by the information barriers described above.

likely in the future will represent parties in interest in this Chapter 11 Case in connection with matters unrelated to the Debtor and this Chapter 11 Case (except as described above).⁷

32. The Seabury Corporate Group does not currently have any investment positions with any of the Potential Parties in Interest.

33. Seabury has not been retained to assist any entity or person other than the Debtor on matters relating to, or in connection with, the Chapter 11 Case. If this Court approves the proposed employment of Seabury by the Debtor, Seabury will not accept any engagement or perform any services for any entity or person other than the Debtor in this situation. Seabury will, however, continue to provide professional services to entities or persons that may be creditors of the Debtor or parties in interest in the Chapter 11 Case; provided, however, that such services do not relate to, or have any direct connection with, the Chapter 11 Case.

34. I have read the Application and, to the best of my knowledge, information and belief, the contents of the Application are true and correct.

⁷ For example, many other airlines, some of whom may be Seabury clients, may also be creditors of the Debtor in amounts not yet liquidated as participants in the IATA and other clearinghouses.

I declare under penalty of perjury that the foregoing is true and correct.

- K. Participate in any other negotiations with the Company's major suppliers, lenders, lessors and other interested parties as necessary to effectuate the successful restructuring of the business, including in the case of any restructuring under the US Bankruptcy Code, assisting the Company and its legal advisors in drawing up a plan of reorganization (the "**Plan of Reorganization**") and related disclosure statement (the "**Disclosure Statement**");
- L. In the event of any court-supervised process, assist in such areas as court testimony on matters that are within the scope of this engagement and within Seabury's area of testimonial competency;
- M. Assist the Company, through a competitively run process, with securing (a) additional interim liquidity to fund the completion of the restructuring process and (b) long-term debt and/or equity capital to support the Company's emergence and recovery (each a "**Financing Transaction**"); and
- N. In the event of any merger or acquisition, assist the Company in conducting due diligence, negotiating agreements and executing such an M&A transaction (an "**M&A Transaction**").

Any services beyond those described above shall be subject to a separate written agreement.

Section 2. Compensation.

A. Monthly Retainer Fees.

The Company agrees to pay to Seabury monthly retainer fees (the "**Retainer Fees**") equal to four hundred thousand US dollars (US\$400,000), payable on the first business day of each month, fifty percent (50%) of which after the fourth full month shall be creditable against any Success Fees (as defined below).

B. Success Fees.

The Company agrees to pay to success fees (the "**Success Fees**") as follows.

Fleet Restructuring Success Fee

Upon the execution of definitive agreements with respect to the following, the Company shall pay to Seabury a success fee ("**Fleet Restructuring Success Fee**") equal to:

1. for deferrals of aircraft debt, lease and/or other payment obligations (including pre-delivery payments), one and one-quarter percent (1.25%) of the amount deferred;
2. for permanent reductions of aircraft debt, lease and/or other payment obligations (including through rent reduction, return condition reduction and/or early lease terminations), five percent (5.0%) of the net present value thereof (using an 8% per annum discount rate); and
3. for firm aircraft deliveries with a manufacturer that are deferred on favorable terms, cancelled, or exchanged for another aircraft type (in each case other than as may be permitted under the existing agreement(s)), a fee of one hundred twenty-five thousand US dollars (US\$125,000) per aircraft obligation so modified;

provided, however, that the Fleet Restructuring Success Fee shall not exceed two and one-half million US dollars (US\$2,500,000).

Upon the closing of any Financing Transaction, the Company shall pay to Seabury a success fee ("**Financing Success Fee**") equal to:

1. with respect to any equity capital, three and one-half percent (3.5%) of the amount raised;
2. with respect to any unsecured debt capital, three percent (3.0%) of the principal amount raised; and
3. with respect to any debt capital secured by any combination of aircraft, engines, and the Mabuhay Miles loyalty program assets, two percent (2.0%) of the principal amount raised;

provided, however, that the Financing Success Fee shall be reduced by ninety-five percent (95%) to the extent of any portion of the debt and/or equity capital provided by the Company's existing controlling shareholder, and *provided further* that the Financing Success Fee shall not exceed three and one-half million US dollars (US\$3,500,000), except in the case that equity capital is raised from parties other than the controlling shareholder, in which case the Financing Success Fee shall not exceed four and one-half million US dollars (US\$4,500,000).

Chapter 11 Success Fee

In the event the Company should pursue a court-supervised reorganization under Chapter 11 of the United States Bankruptcy Code, upon the confirmation of a plan of reorganization, the Company shall pay to Seabury a success fee ("**Chapter 11 Success Fee**") equal to one and one-half million US dollars (US\$1,500,000).

- F. **Deposit.** On the date of this Agreement, the Company shall pay to Seabury a deposit of four hundred thousand US dollars (US\$400,000) (the "**Deposit**"). Such Deposit will be credited against any fees and expenses payable by the Company under this Agreement. Any remainder shall be returned to the Company as soon as practicable after the expiration or termination of the Agreement.
- G. **Wire Transfers.** All payments for services performed under Sections 1 shall be made to Seabury International Corporate Finance LLC via wire transfer as provided on its invoice, unless alternative instructions are made by Seabury in writing to the Company. Amounts shall be due within fourteen (14) calendar days from invoice, and any past-due amounts shall accrue interest until paid in full at the rate of one and one-half percent (1.5%) per month, but not to exceed the highest rate permissible under law. In addition, the Company agrees to pay or reimburse Seabury for all collection costs incurred by Seabury, including reasonable attorneys' fees. Past due is defined as payment owed to Seabury for greater than thirty (30) days.

Section 3. Expenses.

The Company will reimburse Seabury promptly upon receipt of monthly written notice for its documented and reasonable out-of-pocket expenses, including in particular airfare, hotel and other travel-related costs, incurred by Seabury in connection with the Services under the Agreement. Seabury personnel shall be reimbursed for economy class travel (or its equivalent) except for travel greater than four (4) hours in duration, in which case Seabury personnel may be permitted to book in business class. The Company and its representatives shall be entitled to review and/or audit Seabury's records of such expenses during normal business hours. Upon termination of this Agreement, the Company shall reimburse Seabury for such reasonably incurred out-of-pocket expenses incurred or accrued prior to termination. Invoices submitted to the Company pursuant to this Section 3 will, in each case, include adequate detail including employee name, date of expense charge, expense type and amount.

Section 4. Term.

The Company shall retain Seabury's services under Section 1 through the earliest to occur of (i) in the event of an out-of-court restructuring, the later/last to occur of the effective date(s) of such restructuring and the closing(s) of any related capital raises; (ii) in the event of a court-supervised restructuring, the later/last to occur of the confirmed plan of reorganization for the Company becoming effective and the closing(s) of any related capital raises, (iii) completion of any M&A Transaction; (iv) the date this Agreement is subject to an early termination under the provisions of Section 5 below.

Section 5. Termination.

Except as otherwise provided under any separate written agreement with the Company:

- (i) Seabury and the Company may terminate this Agreement upon mutual written agreement.
- (ii) The Company may terminate the Agreement with immediate effect by written notice to Seabury without further liability or obligation whatsoever on the part of the Company at any time it determines in good faith that Seabury has materially defaulted in the performance of its obligations hereunder and Seabury fails to remedy the same within five (5) days from receipt of written notice of termination to the reasonable satisfaction of the Company ("**Termination for Cause**").
- (iii) Upon expiration of the engagement, the Company shall pay Seabury all retainer fees and success fees as described above that have accrued prior to such termination but are unpaid, and expense reimbursements due and payable under this Agreement are due and payable upon completion of this assignment.
- (iv) Upon Termination for Cause as provided in clause (ii) above, the Company shall pay Seabury all fees and expense reimbursements that have accrued prior to such termination but remain unpaid.
- (v) Except for Termination for Cause, should the Company enter into any restructuring and/or refinancing of aircraft or non-aircraft debt and/or lease obligations, or any restructuring of any aircraft purchase and/or maintenance service obligations, or any Financing Transaction or any M&A Transaction, within eighteen (18) months from a termination of this Agreement, the Company shall pay to Seabury the Success Fees that would have been otherwise due to Seabury if this Agreement had not been so terminated.
- (vi) Notwithstanding any of the foregoing, Sections 2, 3, 5, 6, 8, and 9 of this Agreement shall survive the expiration or termination of this Agreement.

Section 6. Governing Law.

This Agreement, and any claim related directly or indirectly to this Agreement, will be governed by and construed in accordance with the laws of the State of New York without regard to principles of conflicts of law. The Company irrevocably submits to the non-exclusive jurisdiction of any court of the State of New York for the purpose of any suit, action or other proceeding arising out of this letter agreement or our engagement hereunder.

Section 8. Miscellaneous.

Seabury's Other Relationships. The Company acknowledges that Seabury provides financial advisory and investment banking services to a broad array of companies in the aviation and transportation sectors. The Company acknowledges that these and other relationships exist and agrees that such relationships cannot be subsequently claimed as a reason for termination of this Agreement except if Seabury breaches in any material respect its fiduciary responsibility to the Company in the performance of its responsibilities hereunder. Additionally, the Company accepts that Seabury is bound by confidentiality and fiduciary obligations to other clients and has specifically advised the Company that Seabury is obligated not to use any confidential non-public information obtained from such other engagements to advise the Company.

Seabury's Obligations. All services to be performed by Seabury hereunder shall be performed in good faith and with at least that level of care and diligence as customarily exercised by other international financial advisors and international consultants similarly employed or engaged in providing similar services to the aviation market. All information regarding this engagement provided to Seabury by the Company or acquired by Seabury in the course of the engagement shall be kept confidential by Seabury and used solely to provide services to the Company hereunder. This confidentiality obligation shall be governed by the Confidentiality and Non-Disclosure Agreement signed by the parties dated as of the date hereof.

Company's Obligations. The Company agrees that materials prepared by Seabury for its use are for the exclusive use of the Company. The Company agrees that Seabury's work product cannot be shared with other parties without advance written consent of Seabury. Additionally, the Company agrees to keep the terms and conditions of this Agreement confidential.

Successors and Assigns. Seabury and the Company agree that neither party may assign this Agreement nor any portion of its duties hereunder without the prior written consent of the other party to this Agreement, and such consent may not be withheld unreasonably by the other party, provided that Seabury may subcontract the provision of various Services with affiliates of Seabury and affiliates of Accenture LLP without obtaining such written consent of Company, provided that Seabury shall remain liable towards the Company for the enforcement of all such subcontracted Services.

Relationship of the Parties. The role of Seabury under this Agreement is and at all times shall remain that of independent contractor. Nothing in this Agreement or the attached schedules or annexes shall be construed to create a joint venture, partnership, franchise, employment or agency relationship between the parties to this Agreement, and accordingly, neither party shall represent itself as having, nor does either party have, the right, power, or authority to bind or otherwise create any obligation or duty, express or implied, on behalf of the other party in any manner whatsoever. Personnel provided by Seabury to provide services to Company hereunder shall continue to be employees of Seabury, and such persons shall be subject to Seabury's exclusive supervision and control.

Each party shall be liable and shall indemnify, defend and hold the other harmless for all taxes and benefits arising from the employment of their respective employees involved in the performance of the services hereunder. Each party accepts full and exclusive liability for the payments of workers' compensation and employer's liability insurance premiums with respect to its own employees and for the payment of all taxes, contributions or other payments for unemployment compensation or old age benefits, pensions or annuities now or hereafter imposed upon employers by a governmental authority having jurisdiction with respect to its employees, measured by the wages, salaries, compensation, or other remuneration paid to its employees.

Section 9. Taxes.

Seabury's fees do not include applicable taxes. The Company will be responsible for the payment of all taxes in connection with this Agreement including, but not limited to, sales, use, excise, value-added,

business, service, goods and services, consumption, entity level withholding, and other similar taxes or duties. The Company will reimburse Seabury for any deficiency relating to taxes that are the Company's responsibility under this Agreement. Except as otherwise provided, each party will be responsible for its own income taxes, employment taxes, and property taxes. The parties will cooperate in good faith to minimize taxes to the extent legally permissible when reasonable. In a timely manner, each party will provide to the other party any direct pay permits, treaty certification, withholding tax certificates and other information reasonably requested by the other party.

Section 10. Execution.

This Agreement may not be amended or modified except in writing signed by the Company and Seabury and may be executed in two or more counterparts, each of which will be deemed to be an original, but all of which will constitute one and the same agreement. All rights, liabilities and obligations hereunder will be binding upon and inure to the benefit of the Company, Seabury and their respective successors and assigns.

Appendix A

Seabury International Corporate Finance LLC
Seabury Securities LLC
1350 Avenue of the Americas, 31st Floor
New York, NY 10019

Gentlemen:

In connection with the engagement of Seabury International Corporate Finance LLC and Seabury Securities LLC and any of their affiliates (collectively, "**Seabury**") to advise and assist the Undersigned (referred to herein as "**we**," "**our**," or "**us**") with the matters set forth in the Agreement dated as of the date hereof between us and Seabury, we hereby agree to indemnify and hold harmless Seabury, its affiliated companies, and each of Seabury's and such affiliated companies' respective officers, directors, agent, employees, and controlling persons (within the meaning of each of Section 20 of the Securities Exchange Act of 1934 and Section 15 of the Securities Act of 1933) (each of the foregoing, including Seabury, being hereinafter referred to as an "**Indemnified Person**") to the fullest extent permitted by law from and against any and all losses, claims, damages, reasonable expenses (including reasonable fees, disbursements, and other charges of counsel), actions, proceedings, arbitration or investigations (whether formal or informal) (all of the foregoing being referred to as "**Liabilities**"), based upon, relating to, or arising out of such engagement or any Indemnified Person's role therein; provided, however, that we shall not be liable under this paragraph: (a) for any amount paid in settlement of claims without our consent or (b) to the extent that it is finally judicially determined, or expressly stated in an arbitration award, that such Liabilities resulted primarily from the willful misconduct or negligence (which in all cases hereunder will be deemed to include any violation of applicable law) of the Indemnified Person seeking indemnification. In connection with our obligation to indemnify for expenses as set forth above, we further agree to reimburse each Indemnified Person for all such expenses (including reasonable fees, disbursements, and other charges of counsel) as they are incurred by such Indemnified Person; provided, however, that if an Indemnified Person is reimbursed hereunder for any expenses, the amount so paid shall be refunded if and to the extent it is finally judicially determined, or expressly stated in an arbitration award, that the Liabilities in question resulted primarily from the willful misconduct or negligence of such Indemnified Person. We hereby agree that neither Seabury nor any other Indemnified Person shall have any liability to us (or anyone claiming through us or in our name) in connection with Seabury's engagement by us except to the extent that such Indemnified Person has engaged in willful misconduct or been negligent.

Promptly after Seabury receives notice of the commencement of any action or other proceeding in respect of which indemnification or reimbursement may be sought hereunder, Seabury will notify us thereof; but the omission so to notify us shall not relieve us from any obligation hereunder unless we shall have been materially prejudiced by such failure. If any such action or other proceeding shall be brought against any Indemnified Person, we shall, upon written notice given reasonably promptly following our receipt of your notice to us of such action or proceeding, be entitled to assume the defense thereof at our expense with counsel chosen by us and reasonably satisfactory to such Indemnified Person; provided, however, that any Indemnified Person may, at its own expense, retain separate counsel to participate in such defense. Notwithstanding the foregoing, such Indemnified Person shall have the right to employ separate counsel at our expense and to control its own defense of such action or proceeding if the named parties to any such claim or action include such Indemnified Person and us and in the reasonable opinion of counsel to such Indemnified Person there are or may be legal defenses available to such Indemnified Person or to other Indemnified Persons that are different from or additional to those available to us; provided, however, that in no event shall we be required to pay fees and expenses under this indemnity for more than one firm of attorneys (in addition to local counsel) in any one legal action or group of related legal actions. We agree that we will not, without the prior written consent of Seabury, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, or proceeding relating to the matters contemplated by Seabury's engagement (whether or not any Indemnified Person is a party thereto) unless such settlement, compromise, or

consent includes an unconditional release of Seabury and each other Indemnified Person from all liability arising or that may arise out of such claim, action, or proceeding.

If the indemnification of an Indemnified Person provided for hereunder is unavailable for any reason (other than as a result of the willful misconduct or negligence of the Indemnified Person), then we agree, in lieu of indemnifying such Indemnified Person, to contribute to the amount paid or payable by such Indemnified Person as a result of such Liabilities in such proportion as is appropriate to reflect the relative benefits received, or sought to be received, by us on the one hand and by Seabury on the other from the transactions in connection with the matters for which Seabury has been engaged. If the allocation provided in the preceding sentence is not permitted by applicable law, then we agree to contribute to the amount paid or payable by such Indemnified Person as a result of such Liabilities in such proportion as is appropriate to reflect not only the relative benefits referred to in such preceding sentence but also the relative fault of us and of such Indemnified Person in connection with the matters to which such liabilities relate, as well as any other return of equitable considerations.

Notwithstanding the foregoing, in no event shall the aggregate amount required to be contributed by us, taking into account our contributions as described above, exceed the amount of fees actually paid by us to Seabury pursuant to such engagement (exclusive of amounts paid by us as reimbursement of expenses and paid under this indemnity agreement). The relative benefits received or sought to be received by us on the one hand and by Seabury on the other shall be deemed to be in the same proportion as (a) the total value of the transactions with respect to which Seabury has been engaged bears to (b) the fees paid or payable to Seabury with respect to such engagement.

The rights accorded to Indemnified Persons hereunder shall be in addition to any rights that any Indemnified Person may have at common law, by separate agreement or otherwise and shall be binding on and inure to the benefit of any successors, assigns and personal representatives of us and each indemnified party.

THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE WITHOUT REGARD TO SUCH STATE'S RULES CONCERNING CONFLICTS OF LAWS. WE HEREBY CONSENT, SOLELY FOR THE PURPOSE OF ALLOWING AN INDEMNIFIED PERSON TO ENFORCE ITS RIGHTS HEREUNDER, TO PERSONAL JURISDICTION AND SERVICE AND VENUE IN ANY COURT IN WHICH ANY CLAIM FOR WHICH INDEMNIFICATION MAY BE SOUGHT HEREUNDER IS BROUGHT AGAINST SEABURY OR ANY OTHER INDEMNIFIED PERSON.

We and Seabury also hereby irrevocably waive any right we and Seabury may have to a trial by jury in respect of any claim based upon or arising out of this agreement. This agreement may not be amended or otherwise modified except by an instrument signed by both Seabury and us.

If any provision hereof shall be determined to be invalid or unenforceable in any respect, such determination shall not affect such provision in any other respect or any other provision of this agreement, which shall remain in full force and effect. The foregoing indemnification agreement shall remain in effect within a period of two (2) years from execution of the Agreement, notwithstanding any termination or expiration of Seabury's engagement.
