### MOR-7: POST-PETITION BORROWING OTHER THAN TRADE CREDIT

PAL's DIP financing totals US\$505 million, comprised of a US\$250 million first lien secured Tranche A multi-draw term loan, of which US\$20 million was drawn following approvals on the "First Day" court hearing last September 9, and a second lien secured Tranche B multi-draw term loan facility of \$255 million. The DIP financing could be converted (at PAL's discretion) to long-term unsecured debt and equity—rather than repay in cash—upon emergence from chapter 11.
