13. In *Grant v. George Schumann Tire & Battery Co.*, 908 F.2d 874, 877 (11th Cir. 1990), the United States Court of Appeals for the Eleventh Circuit held that in determining the allowance of attorneys' fees and the reimbursement of expenses in a bankruptcy case, the bankruptcy court must consider:

- a. the nature and extent of the services rendered;
- b. the value of such services; and
- c. the factors set forth in *Johnson v. Ga. Hwy. Exp., Inc.*, 488 F.2d 714 (5th Cir. 1974).

14. Based on the Eleventh Circuit's criteria, H&K respectfully submits that the Court should approve and allow H&K's fees and the reimbursement of H&K's expenses in the amounts requested.

15. The twelve *Johnson* factors are: (a) the time and labor expended; (b) the novelty and difficulty of the questions raised; (c) the skill required to properly perform the legal services rendered; (d) the attorney's opportunity costs in pressing the instant case; (e) the customary fee for like work; (f) the attorney's expectations at the outset of the case; (g) the time limitations imposed by the client or circumstances; (h) the amount in controversy and the results obtained; (i) the experience, reputation and ability of the attorney; (j) the undesirability of the case within the legal community in which the case arose; (k) the nature and length of the professional relationship between the attorney and client; and (l) attorneys' fee awards in similar cases.

16. The hours H&K has devoted to its representation of the Debtors meet the above-stated criteria. As the time reports included in Exhibit "A" demonstrate, the individual attorneys and paralegals involved in H&K's representation of the Debtors kept detailed, contemporaneous records of the time devoted to the Chapter 11 Cases. The time spent on each particular task is reasonable and comparable to the time H&K's professionals would have expended on behalf of a non-bankruptcy client. H&K seeks payment only for such documented and reasonable services. Based on applicable criteria, H&K submits that the rates set forth herein are reasonable and are consistent with prevailing market rates in the relevant legal community for similar services by lawyers of comparable skill, experience and reputation.

17. Further, as set forth herein, H&K has spent substantial time representing the Debtors - which time could have been devoted to other opportunities. The services H&K has provided through its highly qualified professionals have allowed the Debtors to move through the

Chapter 11 Cases at a very fast pace, achieve its goals to date and to comply with the short time lines imposed on the Debtors at the start of these Chapter 11 Cases. Thus far, the Chapter 11 Cases have been successful in large part due to the services H&K has provided and the Debtors are currently on pace to timely receive an order confirming its plan of liquidation. Therefore, H&K requests the entry of an order approving this Fee Application as set forth herein.
