)	Re: Docket Nos. 218, 279, 472 and 528

**THIRD AMENDED NOTICE OF (I) POTENTIAL ASSUMPTION
AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS
AND UNEXPIRED LEASES AND (II) PROPOSED CURE AMOUNTS**

You are receiving this notice (this “Notice”) because you may be a counterparty to a contract or lease with one or both of the Debtors (defined below) as set forth on Appendix A hereto. Please read this Notice carefully as your rights may be affected by the transactions described herein.²

This Notice amends and supplements the (i) *Notice of (I) Potential Assumption and Assignment of Certain Executory Contracts and Unexpired Leases and (II) Proposed Cure Amounts* [Docket No. 279] (the “Original Cure Notice”), (ii) *First Amended Notice of (I) Potential Assumption and Assignment of Certain Executory Contracts and Unexpired Leases and (II) Proposed Cure Amounts* [Docket No. 472] (the “First Amended Cure Notice”), and (iii) *Second Amended Notice of (I) Potential Assumption and Assignment of Certain Executory Contracts and Unexpired Leases and (II) Proposed Cure Amounts* [Docket No. 528] (the “Second Amended Cure Notice”) you may have originally received.

If you already filed an objection to the potential assumption and assignment of the executory contract(s) and unexpired lease(s) (each, a “Contract”) set forth on the Original Cure Notice (the “Original Contracts Schedule”), the First Amended Cure Notice (the “First Amended Contracts Schedule”), or the Second Amended Cure Notice (the “Second Amended Contracts Schedule”) and, together with the Original Contracts Schedule and the First Amended Contracts Schedule, the “Prior Contracts Schedules”), unless already resolved, your objection is pending and you do not need to file another objection to preserve your rights with respect to that objection and the potential assumption and assignment of the Contracts on the Prior Contracts Schedules, even if such Contracts are also on the Third Contracts Schedule (defined below).

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are as follows: Protterra Inc (1379); and Protterra Operating Company, Inc. (8459). The location of the Debtors’ service address is: 1815 Rollins Road, Burlingame, California 94010.

² This Notice is being sent to counterparties to contracts and leases that may be executory contracts and unexpired leases. This Notice is not an admission by the Debtors that such contract or lease is executory or unexpired.

The Third Amended Contracts Schedule, among other things, (i) includes additional Contracts that were not included on the Prior Contracts Schedules and (ii) adjusts the Cure Amounts originally set forth on the Prior Contracts Schedules in response to informal and formal objections received to the Prior Contracts Schedules and the Debtors' continued review of their books and records. If your Contracts are not on the Third Amended Contracts Schedule, this Notice and the Cure/Assignment Objection Deadline for the Third Amended Notice (defined below) do not apply to you.

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On August 8, 2023, Proterra Inc and Proterra Operating Company, Inc. (together, the "Debtors") filed the *Debtors' Motion for Entry of: (I) an Order (A) Approving Bidding Procedures to Govern the Sale of All Or Substantially All of the Debtors' Assets Pursuant to Section 363 of the Bankruptcy Code, (B) Approving Procedures Regarding Entry Into One or More Stalking Horse Agreements, (C) Establishing Procedures for the Assumption and Assignment of Executory Contracts and Unexpired Leases, (D) Approving the Form and Manner of the Notice of Assumption and Assignment of Executory Contracts and Unexpired Leases, (E) Scheduling Auctions for the Sales of the Company Assets and Hearings to Consider Approval of the Sales and Approving the Form and Manner of the Notice Thereof, (F) Approving Certain Wind-Down Procedures, and (G) Granting Related Relief; and (II) an Order (A) Authorizing and Approving the Debtors' Entry Into One or More Asset Purchase Agreements, (B) Authorizing the Sale of All or Substantially All of the Debtors' Assets Free and Clear of Liens, (C) Approving the Assumption and Assignment of the Assumed Executory Contracts and Unexpired Leases, and (D) Granting Related Relief* [Docket No. 36] (the "Motion").

2. On September 7, 2023, the Court entered an order [Docket No. 218] (the "Bidding Procedures Order"),³ approving, among other things, (i) procedures pursuant to which the Debtors, in consultation with the Consultation Parties, are authorized to solicit and pursue (such procedures, the "Bidding Procedures") one or more sales or dispositions of all or any portion of the Debtors' assets (the "Company Assets") under section 363 of the Bankruptcy Code (each, an "Asset Sale") and any other type of strategic transaction involving the Debtors and/or the Company Assets, including, without limitation, a financing process for the potential raising of debt or equity financing through a chapter 11 plan of reorganization and/or a chapter 11 plan of reorganization proposed by the Cowen Parties, as holders of the Second Lien Convertible Notes, premised upon the preservation of the Debtors' net operating losses upon their emergence from these chapter 11 cases (any of the immediately foregoing, a "Recapitalization Transaction", and, any of the foregoing, including an Asset Sale, a "Potential Transaction"), (ii) the scheduling of a hearing to approve (a) the Sale of the Track A Assets and (b) the Sale of the Track B Assets, each free and clear of any liens, claims, and encumbrances under section 363 of the Bankruptcy Code, and (iii) procedures in connection with the assumption and assignment of any executory contracts or unexpired leases the Debtors seek to have assumed and assigned in connection with a Potential Transaction.

³ Capitalized terms used but not defined have the meanings ascribed to them in the Bidding Procedures Order.

3. Pursuant to the Bidding Procedures Order, the Debtors filed and served (i) the Original Cure Notice on or around September 25, 2023, (ii) the First Amended Cure Notice on or around October 25, 2023, and (iii) the Second Amended Cure Notice on or around November 10, 2023, in each case, notifying parties to certain Contracts listed on the respective Prior Contracts Schedule attached thereto that such Contracts may be assumed and assigned pursuant to the relief requested in the Motion.

4. On November 10, 2023, the Debtors filed the *Notice of Successful Bidder Regarding Debtors Powered Assets* [Docket No. 525], identifying Volvo Battery Solutions LLC as the Successful Bidder for certain Company Assets related to Proterra Powered.

5. On November 13, 2023, the Debtors filed the *Notice of (A) Successful Bidder Regarding Debtors' (I) Transit Assets and (II) Energy Assets and (B) Cancellation of Sale Hearing Solely With Respect to Proterra Energy* [Docket No. 529], identifying Phoenix Motor, Inc. as the Successful Bidder for certain Company Assets related to Proterra Transit.

6. Pursuant to the Bidding Procedures Order, the *Notice of Revised Dates Relating to Bidding Procedures Deadlines for (I) Proterra Energy; and (II) Proterra Transit* [Docket No. 368], the *Second Notice of Revised Dates Relating to Bidding Procedures Deadlines for Proterra Energy* [Docket No. 514], and the *Notice of Adjournment of Sale Hearing Solely With Respect to Proterra Transit* [Docket No. 629], (i) the Sale Hearing for Proterra Powered is scheduled to take place on **November 28, 2023 at 10:00 a.m. (prevailing Eastern Time)** and (ii) the Sale Hearing for Proterra Transit has been adjourned to a date to occur no later than December 15, 2023, subject to Court availability. The Sale Hearings will be held before the Honorable Brendan L. Shannon at the United States Bankruptcy Court for the District of Delaware, 824 Market Street, 6th Floor, Wilmington, Delaware 19801.⁴

7. Pursuant to the Bidding Procedures Order, the Debtors may assume and assign to any Successful Bidder the Contracts listed on Appendix A attached hereto to which you are a counterparty (the "Third Amended Contracts Schedule"). The Third Amended Contracts Schedule includes, among other things, the cure amount(s) required to be paid pursuant to Bankruptcy Code section 365(b) in respect of such Contract(s) (the "Cure Amount"). The Third Amended Contracts Schedule (i) includes additional Contracts that were not included on the Second Amended Contracts Schedule and (ii) adjusts the Cure Amounts originally set forth on the Second Amended Contracts Schedule, among other things. A redline showing changes in the Third Amended Contracts Schedule to the Second Amended Contracts Schedule, is set forth on Appendix B hereto. A complete list of all Contracts and their corresponding Cure Amounts, including all modifications contained in the Prior Contracts Schedules, is set forth on Appendix C hereto.

8. **If you disagree with the proposed Cure Amount on the Third Amended Contracts Schedule, object to the proposed assumption and assignment of the Contract(s) to the Successful Bidder, or object to the Successful Bidder's ability to provide adequate assurance of future performance with respect to any Contract(s) on the Third Amended**

⁴ Dates relating to the Sales may be further changed in accordance with the Bidding Procedures Order.

Contracts Schedule, you must file an objection (a “Cure/Assignment Objection”), stating with specificity the nature of your objection, with the Bankruptcy Court no later than 4:00 p.m. (prevailing Eastern Time) on December 11, 2023 (the “Cure/Assignment Objection Deadline for the Third Amended Notice”). Cure/Assignment Objections must be filed and served *so as to be actually received by the Cure/Assignment Objection Deadline for the Third Amended Notice* by: (i) counsel for the Debtors, (a) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 Avenue of the Americas, New York, New York 10019 (Attn. Paul Basta (pbasta@paulweiss.com) and Robert Britton (rbritton@paulweiss.com)), and (b) Young Conaway Stargatt & Taylor LLP, 1000 North King Street, Wilmington, Delaware, 19801 (Attn: Pauline K. Morgan (pmorgan@ycst.com) and Andrew L. Magaziner (amagaziner@ycst.com)); (ii) the Office of the United States Trustee for the District of Delaware, 844 King Street, Suite 2207, Wilmington, Delaware, 19801 (Attn: Linda J. Casey (linda.casey@usdoj.gov)); (iii) counsel for the Committee, (a) Lowenstein Sandler LLP (Attn: Jeffrey Cohen (jcohen@lowenstein.com), Eric Chafetz (echafetz@lowenstein.com), Jordana Renert (jrenert@lowenstein.com), and Keara Waldron (kwaldron@lowenstein.com)) and (b) Morris James LLP (Attn: Eric Monzo (emonzo@morrisjames.com) and Brya Keilson (bkeilson@morrisjames.com)); and (iv) the Notice Parties. ***Prior to filing a Cure/Assignment Objection, you are encouraged to contact counsel for the Debtors to determine if an informal resolution of such objection may be reached. If your Contracts are not on the Third Amended Contracts Schedule, this Notice and the Cure/Assignment Objection Deadline for the Third Amended Notice do not apply to you.***

9. ***If you already filed an objection to the potential assumption and assignment of the Contracts set forth on the Prior Contracts Schedules, unless already resolved, your objection is pending and you do not need to file another objection to preserve your rights with respect to that objection and the potential assumption and assignment of the Contracts on the Prior Contracts Schedules, even if such Contracts are also on the Third Amended Contracts Schedule.***

10. The Debtors propose that if the counterparty to any Contract(s) fails to file an objection by the Cure/Assignment Objection Deadline for the Third Amended Notice to (i) the Cure Amount(s), (ii) the proposed assumption and assignment of all or some of the Contracts to the Successful Bidder, or (iii) adequate assurance of the Successful Bidder’s ability to perform under the Contracts, then that counterparty shall be (a) deemed to have agreed and stipulated to the accuracy of the Cure Amount(s) set forth on this **Appendix A**, (b) forever barred, estopped, and enjoined from asserting any additional cure amount under or in respect of the Contract(s), and (c) forever barred from objecting to the assumption and assignment of the Contract(s) to the Successful Bidder, including on the basis that there was a failure to provide adequate assurance of future performance.

11. With respect to any Contract(s) assumed and assigned to the Successful Bidder (the “Assumed Contracts”), if a non-Debtor party to an Assumed Contract has objected solely to the proposed Cure Amount, the Debtors may, with the consent of, or at the direction of, the Successful Bidder, pay the undisputed portion of such Cure Amount and place the disputed amount in a segregated account pending further order of the Court or mutual agreement of the parties. So long as such disputed amounts are held in such segregated account, the Debtors may, without delay, assume and assign such Assumed Contract to the applicable assignee. Under such

circumstances, the objecting non-Debtor counterparty's recourse is limited to the funds held in such segregated account.

12. Following the payment of the Cure Amount(s) (subject to the preceding paragraph), the Debtors' filing and service of a notice regarding the closing of a Sale shall serve as notice that such Assumed Contracts have actually been assumed and assigned.

13. Notwithstanding anything herein, this Notice shall not be deemed to be an assumption, assignment, adoption, rejection, termination, or concession to the executory nature of any Contract(s). Moreover, the Debtors explicitly reserve their rights, in their sole discretion, to reject or assume each Contract pursuant to section 365(a) of the Bankruptcy Code and nothing herein (i) alters in any way the prepetition nature of the Contract(s) or the validity, priority, or amount of any claims of a counterparty to any Contract against the Debtors that may arise under such Contract, (ii) creates a postpetition contract or agreement, or (iii) elevates to administrative expense priority any claims of an counterparty to a Contract against the Debtors that may arise under such Contract.

14. This Notice is subject to the full terms and conditions of the Motion, the Bidding Procedures Order, and the Bidding Procedures, which shall control in the event of any conflict, and the Debtors urge parties in interest to review such documents in their entirety. Copies of the Motion, the Bidding Procedures, and the Bidding Procedures Order, in addition to any related documents that may be filed, may be obtained by accessing (i) the website of the Debtors' notice and claims agent, Kurtzman Carson Consultants LLC ("KCC"), at www.kccllc.net/proterra for no charge, or (ii) the Court's internet site: <https://ecf.deb.uscourts.gov>, for a fee, through an account obtained from the PACER website at <http://pacer.psc.uscourts.gov>. The documents also may be obtained from the Debtors' claims and notice agent, KCC, at 888-251-3076 (USA or Canada) or 310-751-2617 (International).
