in an engagement letter substantially in the form attached as Exhibit A to the Brady Declaration (defined below) (the “**Engagement Letter**”),<sup>2</sup> effective *nunc pro tunc* to the Petition Date (as defined below), and (ii) granting related relief. In support of this Application, the Debtors submit the declaration of Devon M. Brady, a partner at EY LLP (the “**Brady Declaration**”), annexed hereto as **Exhibit B**.

### **Jurisdiction and Venue**

1. This Court has jurisdiction to consider this Application under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b) and, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedures (the “**Bankruptcy Rules**”), the Debtors consent to entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter a final order or judgment consistent with Article III of the United States Constitution.

2. Venue is proper under 28 U.S.C. §§ 1408 and 1409.

3. The legal predicates for the relief requested are section 327(a) of title 11 of the United States Code (the “**Bankruptcy Code**”), Bankruptcy Rules 2014 and 2016, and Local Rules 2014-1 and 2016-1.

### **Background**

4. On September 15, 2019 (the “**Petition Date**”), each of the Debtors commenced a voluntary case under chapter 11 of the Bankruptcy Code. The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On September 26, 2019, the United States Trustee for

the Southern District of New York appointed the official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code [D.I. 131]. No request has been made for the appointment of a trustee or examiner in these chapter 11 cases.

5. These chapter 11 cases are being jointly administered pursuant to Bankruptcy Rule 1015(b) and the *Order Directing Joint Administration of Chapter 11 Cases* [D.I. 59] entered by the Court in each of the chapter 11 cases.

6. Additional information about the Debtors' businesses and the events leading up to the Petition Date can be found in the *Debtors' Informational Brief* [D.I. 17].

### **Relief Requested**

7. By this Application, the Debtors seek entry of the Proposed Order, substantially in the form attached hereto as **Exhibit A**, (i) authorizing the Debtors to employ and retain EY LLP as their auditor, in accordance with the terms and conditions set forth in the Engagement Letter, effective *nunc pro tunc* to the Petition Date, and (ii) granting related relief.

### **EY LLP's Qualifications**

8. EY LLP's experience in audit matters is widely recognized, and it regularly provides such services to large and complex business entities. Moreover, EY LLP has extensive qualifications and experience providing audit, tax and other services to companies that have filed chapter 11. *See, e.g., In re LBI Media, Inc. et al.*, Case No. 18-12655 (CSS) (D.I. 978); *In re ATD Corporation*, Case No. 18-12221 (Bankr. May 14, 2018) (D.I. 489); *In re Momentive Performance Materials (MPM Silicones, LLC)*, Case No. 14-22503 (Bankr. D. Del. Jun. 26, 2014) (D.I. 544); *In re GSE Envtl., Inc.*, Case No. 14-11126 (Bankr. D. Del. Jun. 10, 2014) (D.I. 334); *In re Exide Techs.*, Case No. 13-11482 (Bankr. D. Del. Dec. 17, 2013) (D.I.

9. EY LLP has attained considerable knowledge concerning the Debtor and is already familiar with the Debtor's business affairs to the extent necessary for the scope of the services that EY LLP will perform during these chapter 11 cases.

10. Accordingly, the Debtor believes that EY LLP is well-qualified and able to perform as the Debtors' auditor in a cost-effective, efficient, and timely manner.

### **Services Provided By EY LLP**

11. As set forth in further detail in the Engagement Letter, EY LLP has agreed to provide certain audit services (the "**Services**") to the Debtors in connection with these chapter 11 cases. A summary description of each of the Services is summarized below and fully described in the Engagement Letter:<sup>3</sup>

- Audit and report on the consolidated financial statements of Purdue Pharma L.P. and subsidiaries for the years ended December 31, 2019 and 2018.
- Audit and report on the financial statements and supplemental schedules of the Debtors and Participating Associated Companies Retirement Savings 401(k) Plan and Pension Plan (together, the "**Plans**"), for which certain of the Debtors act as the sponsors for the year ended December 31, 2019, which are to be included in the Companies and P.F. Laboratories Inc. Form 5500 filings with the Employee Benefits Security Administration of the Department of Labor.

### **Professional Compensation and Reimbursement of Expenses**

12. EY LLP intends to charge the Debtors fees for the Services, as set forth below.

---

<sup>3</sup> The summary of certain terms of the Engagement Letter herein are qualified in their entirety by reference to the provisions of the Engagement Letter itself. To the extent there is any discrepancy between the summaries contained in this Application and the terms of the Engagement Letter themselves, the terms of the Engagement Letter shall control. Unless otherwise defined, capitalized terms used in these summaries shall have the meanings ascribed to them in the Engagement Letter.

- EY LLP estimates that its fees for the completion of the 2018 audit and issuance of the Company's 2018 financial statements will \$20,000.
- EY LLP estimates that its fees for the 2019 Audit Services of the Consolidated Financial Statements will be \$800,000 and for the Plans will be \$56,000, respectively. These fee estimates are based on estimated hours of 4,500 for the audit of the Consolidated Financial Statements and 600 for the audits of the Plans. However, EY LLP's actual fees may exceed these estimates based on changes to the business (e.g., nature of the business or change in business entities) or additional unplanned effort.
- In addition to the foregoing fees, any hours incurred by EY LLP for out-of-scope work or unplanned effort will be billed based on an hourly rate of \$250 rate per hour.

13. EY LLP's fees are exclusive of taxes or similar charges, as well as customs, duties or tariffs imposed in respect of the Services, all of which the Debtors shall pay (other than taxes imposed on EY LLP's income generally).

14. In addition to the fees set forth above, the Debtors shall reimburse EY LLP for any direct expenses incurred in connection with EY LLP's retention in these cases and the performance of the Services set forth in the Engagement Letter including all added taxes, sales taxes, and other indirect taxes. EY LLP's direct expenses shall include, but not be limited to, reasonable and customary out-of-pocket expenses for items such as travel, meals, accommodations and other expenses (including any fees or reasonable expenses of EY LLP's legal counsel) related to this engagement.

15. If EY LLP is requested or authorized by the Debtors, or is required by government regulation, subpoena or other legal process, to produce its documents or personnel as witnesses with respect to the Services or the Engagement Letter, the Debtors would, so long as EY LLP is not a party to the proceeding in which the information is sought, reimburse EY LLP for its professional time and expenses, as well as the fees and expenses of EY LLP's counsel, incurred in responding to such requests.

16. EY LLP may receive rebates in connection with certain purchases, which are used to reduce charges that EY LLP would otherwise pass onto its clients.

17. If the Services performed for the Debtors are selected for inspection by the Public Company Accounting Oversight Board, the professional time and expenses incurred related to the routine inspection activity and any related remediation work will be billed as incurred.

18. To the best of the Debtors' knowledge, information, and belief, no promises have been received by EY LLP as to compensation in connection with these chapter 11 cases other than as outlined in the Engagement Letter, and EY LLP has no agreement with any other entity to share any compensation received with any person other than the partners and employees of EY LLP.

19. EY LLP intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court, including any order granting this Application.

#### **Efforts to Avoid Duplication of Services**

20. EY LLP's services are intended to complement, and not duplicate, the services to be rendered by any other professional retained by the Debtors in these chapter 11 cases. EY LLP has informed the Debtors that it understands that the Debtors have retained and may retain additional professionals during the term of the engagement and that it will use its reasonable efforts to work cooperatively with such professionals to integrate any respective work conducted by the professionals on behalf of the Debtors.

**EY LLP's Disinterestedness**

21. To the best of EY LLP's knowledge, as of the date hereof, and except to the extent disclosed herein or in the Brady Declaration, EY LLP: (i) is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and (ii) does not hold or represent an interest adverse to the Debtors' estates.

22. Given the large number of parties in interest in these chapter 11 cases, and despite the efforts to identify and disclose EY LLP's relationships with parties in interest in these chapter 11 cases, EY LLP is unable to state with certainty that every client relationship or other connection has been disclosed in the Brady Declaration. Should additional significant relationships with parties in interest become known to EY LLP, EY LLP will file a supplemental declaration with the Court.

23. Based on the Brady Declaration, the Debtors understand that in addition to its work for the Debtors, EY LLP, provides services for various trusts that are held by members of the Sackler family ("**Sackler Trusts**") and for certain entities that are owned by one or more Sackler Trusts or by members of the Sackler family, ("**Sackler Entities**").

24. In addition, member firms of Ernst & Young Global Limited outside of the United States provide services for various Sackler Trusts, Sackler Entities and certain members of the Sackler family.

25. During the ninety days before the Petition Date, the Debtors paid approximately \$260,000.00 to EY LLP.

26. As of the Petition Date, EY LLP was owed approximately \$200 by the Debtors in respect of services provided by EY LLP. Upon entry of an order approving this Application, EY LLP shall waive its claims for unpaid pre-petition fees and expenses.

27. EY LLP does not hold any retainer from the Debtors or any credit balance in the Debtors' favor.

28. The Debtors are informed that EY LLP will not share any compensation to be paid by the Debtors, in connection with services to be performed after the Petition Date, with any other person, other than other partners and employees of EY LLP, to the extent required by section 504 of the Bankruptcy Code.

**Basis for Relief Requested**

29. The Debtors seek authority to employ and retain EY LLP as their auditor under section 327 of the Bankruptcy Code, which provides that a debtor is authorized to employ professional persons "that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the [Debtors] in carrying out the [Debtors'] duties under this title." 11 U.S.C. § 327(a). Section 1107(b) of the Bankruptcy Code elaborates upon sections 101(14) and 327(a) of the Bankruptcy Code in cases under chapter 11 of the Bankruptcy Code and provides that "a person is not disqualified for employment under section 327 of [the Bankruptcy Code] by a debtor in possession solely because of such person's employment by or representation of the debtor before the commencement of the case." 11 U.S.C. § 1107(b).

30. EY LLP intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court.

31. Denial of the relief requested herein would deprive the Debtors of the assistance of a well-qualified audit firm. Moreover, the denial of EY LLP's employment would result in an

unjust disadvantage to the Debtors and all parties in interest because of EY LLP's familiarity with the Debtors, their business operations and the complexities involved in these chapter 11 cases.

32. Based on the foregoing, the Debtors submit that they have satisfied the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules to support entry of an order authorizing the Debtors to retain and employ EY LLP in these chapter 11 cases on the terms described in the Engagement Letter.

**Notice and No Prior Request**

33. Notice of this Application will be provided to: (a) the entities on the Master Service List (as defined in the Case Management Order and available on the Debtors' case website at <https://restructuring.primeclerk.com/purduepharma>) and (b) any person or entity with a particularized interest in the subject matter of this motion. The Debtors respectfully submit that no further notice is required.

34. The Debtors have not previously sought the relief requested herein from this or any other court.

*[Remainder of Page Intentionally Left Blank]*

WHEREFORE, the Debtors respectfully request that the Court enter the Proposed Order granting the relief requested herein and granting such other relief as the Court deems just and proper.

Dated: November 5, 2019

**ORDERED, ADJUDGED, AND DECREED that:**

1. The Application is granted as set forth herein.
2. The Debtors are authorized to retain and employ EY LLP as their auditor in these chapter 11 cases pursuant to section 327(a) of the Bankruptcy Code, Bankruptcy Rules 2014 and 2016, and Local Rules 2014-1 and 2016-1, *nunc pro tunc* to the Petition Date, on the terms and conditions set forth in the Engagement Letter.
3. The Debtors are authorized to reimburse EY LLP for its reasonable and documented out-of-pocket costs and expenses, *nunc pro tunc* to the Petition Date, including, but not limited to the reasonable, actual, documented, out-of-pocket costs, fees, disbursements, and

other charges of EY LLP's external legal counsel (without the need for such legal counsel to be retained as a professional in the chapter 11 cases and without regard to whether such legal counsel's services satisfy section 330(a)(3)(C) of the Bankruptcy Code). In the event that EY LLP seeks reimbursement from the Debtors for attorneys' fees and expenses pursuant to the Engagement Letter, the invoices and supporting time records for the attorneys' fees and expenses shall be included in EY LLP's own applications, both interim and final, and these invoices and time records shall be subject to the US Trustee Guidelines and the approval of the Bankruptcy Court pursuant to sections 330 and 331 of the Bankruptcy Code, but without regard to whether such attorneys have been retained under section 327 of the Bankruptcy Code, and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code.

4. EY LLP shall file fee applications for allowance of its compensation and reimbursement of its expenses with respect to services rendered in these chapter 11 cases with this Court, in accordance with the applicable procedures of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable orders of this Court.

5. To the extent that, during the pendency of these Chapter 11 cases, the Debtors require EY LLP to perform professional services other than (a) those set forth in the Engagement Letter and (b) services related to those set forth in the Engagement Letter, the Debtors shall file such agreements with the Court and serve such agreements upon the applicable notice parties. To the extent any parties object, within ten (10) days of such new agreements being served, to the additional proposed agreements with EY LLP, the Debtors shall promptly schedule a hearing before the Court. Absent a timely objection, such additional agreements and all additional services pursuant thereto shall be deemed approved by the Court (without the need for any further Court order) and be subject to the provisions of this Order. This procedure shall

not abridge the Debtors' right to file ordinary applications seeking expansions of EY LLP's services, if the Debtors deem it appropriate to do so.

6. Notwithstanding anything to the contrary in the Engagement Letter, the indemnification provisions are hereby modified and restated in its entirety as follows:

- (a) All requests of EY LLP for payment of indemnity pursuant to the Engagement Letter shall be made by means of an application (interim or final as the case may be) and shall be subject to review by the Court to ensure that payment of such indemnity conforms to the terms of the Engagement Letter and is reasonable based upon the circumstances of the litigation or settlement in respect of which indemnity is sought, provided, however, that in no event shall EY LLP be indemnified in the case of its own bad-faith, self-dealing, breach of fiduciary duty (if any), gross negligence or willful misconduct.
- (b) In the event that EY LLP seeks reimbursement from the Debtors for reasonable attorneys' fees in connection with a request by EY LLP for payment of indemnity pursuant to the Engagement Letter, as modified by this Order, the invoices and supporting time records from such attorneys shall be included in EY LLP's own application (both interim and final) and such invoices and time records shall be subject to the Fee Guidelines and the approval of the Court under the standards of sections 330 and 331 of the Bankruptcy Code without regard to whether such attorney has been retained under section 327 of the Bankruptcy Code and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code.

7. Prior to any increases in EY LLP's rates, as set forth in the Engagement Letter, for any individual retained by EY LLP and providing services in these cases, EY LLP shall file a supplemental declaration with the Court and provide ten business days' notice to the Debtors, the United States Trustee and any official committee. The supplemental declaration shall explain the basis for the requested rate increases in accordance with Section 330(a)(3)(F) of the Bankruptcy Code and state whether EY LLP's client has consented to the rate increase. The United States Trustee retains all rights to object to any rate increase on all grounds including, but not limited to, the reasonableness standard provided for in section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to Section 330 of the Bankruptcy Code.

8. Notwithstanding the possible applicability of Bankruptcy Rules 6004(h), 7062, or 9014, the terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

9. To the extent that there may be any inconsistency between the terms of the Application, the Engagement Letter, the Brady Declaration, and the express terms of this Order, the express terms of this Order shall govern.

10. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order.

11. During the pendency of these cases, this Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

1. I am a partner of Ernst & Young LLP (“**EY LLP**”). The Debtors' corporate headquarters is located at One Stamford Forum, 201 Tresser Boulevard, Stamford, CT 06901.

<sup>2</sup> I understand that the Debtors intend to file the executed Engagement Letter with the Court before the November 19 hearing on the Application.

2. The facts set forth in this Declaration are based upon my personal knowledge, upon information and belief, and upon client matter records kept in the ordinary course of business that were reviewed by me or other employees under my supervision and direction. The procedures pursuant to which EY LLP determined whether there were any connections between EY LLP and interested parties in these cases are described below. The results of that investigation are set forth herein and in Exhibit B annexed hereto.

3. As set forth in further detail in the Engagement Letter, EY LLP has agreed to provide certain audit services (the “**Services**”) to the Debtors in connection with these chapter 11 cases. A summary description of each of the Services is summarized below and fully described in the Engagement Letter:<sup>3</sup>

- Audit and report on the consolidated financial statements of Purdue Pharma L.P. and subsidiaries for the years ended December 31, 2019 and 2018.
- Audit and report on the financial statements and supplemental schedules of the Debtors and Participating Associated Companies Retirement Savings 401(k) Plan and Pension Plan (together, the “**Plans**”), for which certain of the Debtors act as the sponsors for the year ended December 31, 2019 , which are to be included in the Companies and P.F. Laboratories Inc. Form 5500 filings with the Employee Benefits Security Administration of the Department of Labor.

#### **EY LLP’S DISINTERESTEDNESS**

4. To the best of my knowledge, information and belief formed after reasonable inquiry, EY LLP (a) does not hold nor represent any interest materially adverse to the Debtor’s estate in the matters for which EY LLP is proposed to be retained and (b) is a “disinterested person,” as such term is defined in section 101(14) of the Bankruptcy Code and as required under section

---

<sup>3</sup> The summary of certain terms of the Engagement Letter herein are qualified in their entirety by reference to the provisions of the Engagement Letter itself. To the extent there is any discrepancy between the summaries contained in this Declaration and the terms of the Engagement Letter themselves, the terms of the Engagement Letter shall control. Unless otherwise defined, capitalized terms used in these summaries shall have the meanings ascribed to them in the Engagement Letter.

327(a) of the Bankruptcy Code. Moreover, to the best of my knowledge, information and belief, EY LLP's retention is not prohibited or restricted by Bankruptcy Rule 5002. Accordingly, I believe that EY LLP is eligible for retention by the Debtors.

5. During the ninety days before the Petition Date, the Debtors paid approximately \$260,000 to EY LLP.

6. As of the Petition Date, EY LLP was owed approximately \$200 by the Debtors in respect of services provided by EY LLP. Upon entry of an order approving the Application, EY LLP shall waive its claim for unpaid pre-petition fees and expenses.

7. EY LLP does not hold any retainer from the Debtors or any credit balance in the Debtors' favor.

**Professional Compensation and Reimbursement of Expenses**

8. EY LLP intends to charge the Debtors fees for the Services, as set forth below.

- EY LLP estimates that its fees for the completion of the 2018 audit and issuance of the Company's 2018 financial statements will \$20,000.
- EY LLP estimates that its fees for the 2019 Audit Services of the Consolidated Financial Statements will be \$800,000 and for the Plans will be \$56,000, respectively. These fee estimates are based on estimated hours of 4,500 for the audit of the Consolidated Financial Statements and 600 for the audits of the Plans. However, EY LLP's actual fees may exceed these estimates based on changes to the business (*e.g.*, nature of the business or change in business entities) or additional unplanned effort.
- In addition to the foregoing fees, any hours incurred by EY LLP for out-of-scope work or unplanned effort will be billed based on an hourly rate of \$250 rate per hour.

9. EY LLP's fees are exclusive of taxes or similar charges, as well as customs, duties or tariffs imposed in respect of the Services, all of which the Debtors shall pay (other than taxes imposed on EY LLP's income generally).

10. In addition to the fees set forth above, the Debtors shall reimburse EY LLP for any direct expenses incurred in connection with EY LLP's retention in these cases and the performance of the Services set forth in the Engagement Letter including all added taxes, sales taxes, and other indirect taxes. EY LLP's direct expenses shall include, but not be limited to, reasonable and customary out-of-pocket expenses for items such as travel, meals, accommodations and other expenses (including any fees or reasonable expenses of EY LLP's legal counsel) related to this engagement.

11. If EY LLP is requested or authorized by the Debtors, or is required by government regulation, subpoena or other legal process, to produce its documents or personnel as witnesses with respect to the Services or the Engagement Letter, the Debtors would, so long as EY LLP is not a party to the proceeding in which the information is sought, reimburse EY LLP for its professional time and expenses, as well as the fees and expenses of EY LLP's counsel, incurred in responding to such requests.

12. EY LLP may receive rebates in connection with certain purchases, which are used to reduce charges that EY LLP would otherwise pass onto its clients.

**Certain Other Terms of the Engagement Letter**

13. EY LLP's provision of Services to the Debtors is contingent upon this Court's approval of each term and condition set forth in the Engagement Letter.

14. The Engagement Letter may be terminated by EY LLP or the Debtors in accordance with its terms. The Debtors or EY LLP may terminate the Engagement Letter at any time in writing, but in any event the Engagement Letter will terminate upon the effective date of the Debtors' confirmed plan of reorganization, or the liquidation of the Debtors' assets under chapter 11 or 7 of the Bankruptcy Code or otherwise. Notwithstanding such termination, however, the Debtors'

estate will remain obligated to pay all accrued fees and expenses as of the effective date of such termination. Moreover, certain other terms of the Engagement Letter will continue (either indefinitely or for a specified period of time) following termination.

15. A copy of the Engagement Letter is submitted with this Declaration for approval. EY LLP's provision of Services to the Debtors is contingent upon the Court's approval of each term and condition set forth in the Engagement Letter. Included among the terms and conditions set forth in the Engagement Letter is language substantially similar to the following:

Any controversy or claim with respect to, in connection with arising out of, or in any way related to this Agreement or the services provided hereunder (including any such matter involving any parent, subsidiary, affiliate, successor in interest or agent of the Client or its subsidiaries or of Ernst & Young) shall be brought in the Bankruptcy Court or the applicable District Court if such District Court withdraws the reference and the parties to this Agreement, and any and all successors and assigns thereof, consent to the jurisdiction and venue of such court as the sole exclusive forum (unless such court does not have jurisdiction and venue of such claims or controversies) for the resolution of such claims, causes of action or lawsuits. The parties to this Agreement, and any all successors and assigns thereof, hereby waive trial by jury, such waiver being informed and freely made. If the Bankruptcy Court or the District Court upon withdrawal of the reference does not have or retain jurisdiction over the foregoing claims or controversies, the parties to this Agreement and any and all successors and assigns thereof, agree to submit first to nonbinding mediation; and, if mediation is not successful, then to binding arbitration, in accordance with the dispute resolution procedures set forth in the Exhibit B to this Agreement. Judgment on any arbitration award may be entered in any court having proper jurisdiction. The foregoing is binding upon the Client, Ernst & Young and any all successors and assigns thereof.

#### **Disclosure of Connections**

16. In connection with EY LLP's proposed retention by the Debtors, EY LLP's counsel requested from Debtors' counsel the names of parties in interest in this case, which the Debtors sent to EY LLP on or about September 16, 2019. EY LLP then searched or caused to be searched

certain databases to determine whether it has provided in the recent past, or is currently providing, services to the specific parties listed on Exhibit B hereto (the “**Parties in Interest**”). To the extent that EY LLP’s research of relationships with the Parties in Interest indicated that EY LLP has in the recent past, or currently has, a client relationship with these specific Parties in Interest in matters unrelated to these chapter 11 cases, it has so indicated on Exhibit B to this Declaration.

17. The connections check described herein was run *only* for EY LLP (*i.e.*, the specific firm that the Debtors seek to engage under the Application), and *not* for any other member firm of EYGL (as defined herein). Moreover, the connections check results set forth in Exhibit B relate only to EY LLP, and not any other member firm of EYGL.

18. To the best of my knowledge, information and belief at this time, formed after reasonable inquiry, except as otherwise stated herein, none of the services rendered by EY LLP to the entities set forth on the attached Exhibit B have been in connection with the Debtors or this chapter 11 cases.

19. EY LLP may perform services for its clients that relate to the Debtors merely because such clients may be creditors or counterparties to transactions with the Debtors and whose assets and liabilities may thus be affected by the Debtors’ status. The disclosures set forth herein do not include specific identification of such services. If such clients of EY LLP are parties in interest in these cases, Exhibit B hereto indicates that they are also clients of EY LLP. Should additional significant relationships with Parties in Interest become known to EY LLP, EY LLP will file a supplemental declaration with the Court.

20. The Ernst & Young global network comprises independent professional services practices conducted by separate legal entities throughout the world. Such legal entities are members of Ernst & Young Global Limited (“**EYGL**”), a company incorporated under the laws

of England and Wales and limited by guarantee, with no shareholders and no capital. The member firms of EYGL have agreed to operate certain of their professional practices in accordance with agreed standards, but remain separate legal entities.

21. In the ordinary course of business, certain EYGL member firms located throughout the world (collectively referred to herein as “**EY Support Firms**”) provide various professional, administrative and back office support services (“**Support Services**”) for other EYGL member firms throughout the world, as requested, coordinated and directed by the EYGL member firms (including EY LLP) to whom such Support Services are provided.

22. EYGL member firms (including EY LLP) that elect to utilize Support Services in a given year contract for allocation of a set number of EY Support Firms’ professional hours for that year, and may pay such EY Support Firms a fixed amount for such assistance on a full time equivalent basis, plus any related expenses incurred by such EY Support Firms in connection with the provision of related Support Services. The EY Support Firms operate as cost centers. If EY Support Firms over recover their cost during the course of a year for Support Services, such over recovery may be returned to the EYGL member firms utilizing such Support Services as determined by a formula put in place each year by an operations supervisory group related to the EY Support Firms.

23. Prior to the Petition Date, EY LLP utilized and paid certain EY Support Firms for Support Services related to the Debtors and their non-debtor affiliates.

24. One particular Support Service performed for EY LLP by an EY Support Firm located in India (specifically, Ernst & Young Services Pvt Ltd. (“**EY Services**”)) is connections check related services. EY LLP utilized and relied upon EY Services in performing EY LLP’s

connections check in order to prepare and execute this Declaration. The costs paid by EY LLP to EY Services for such connections check related services will not be billed to the Debtors.

25. In fixed fee professional engagements, such as those proposed in these cases, the costs of EY Support Firms are not directly invoiced or paid by particular clients where EY Support Firms are utilized in providing fixed fee related professional Support Services to such clients. Instead, each EYGL member firm utilizing an EY Support Firm for such fixed fee related Support Services is responsible to pay all related costs for such Support Services. To enable the fixed fee portion of the pricing for certain services to be provided to the Debtors by EY LLP (the “**Fixed Fee Services**”), EY LLP intends to utilize EY Support Firms to assist in providing such Fixed Fee Services. As set forth herein, EY LLP will pay such EY Support Firms for EY LLP’s utilization thereof in providing the Fixed Fee Services to the Debtors.

26. Notwithstanding any use of EY Support Firms, EY LLP shall remain fully and solely responsible for any liabilities and obligations in respect of EY LLP’s engagement and Services during these cases.

27. In addition to its work for the Debtors, EY LLP, provides services for various trusts that are held by members of the Sackler family (“**Sackler Trusts**”) and for certain entities that are owned by one or more Sackler Trusts or by members of the Sackler family, (“**Sackler Entities**”).

28. In addition to the foregoing, EYGL member firms outside of the United States provide services for various Sackler Trusts, Sackler Entities and certain members of the Sackler family.

29. EY LLP engages in the practice of public accountancy and provides accounting and other professional services. All partners of EY LLP are Certified Public Accountants (CPAs). Ernst & Young U.S. LLP (the owners of which are the CPA partners of EY LLP and non-CPA

principals) provides infrastructure and support services to EY LLP, including the services of CPA and non-CPA personnel. These personnel work for and are under the supervision of EY LLP when performing client services.

30. As part of its practice, EY LLP appears in cases, proceedings and transactions involving many different attorneys, financial advisors and creditors, some of which may represent or be claimants and/or parties in interest in these cases. EY LLP will have no relationship with any such entity, attorney or financial advisor that would be materially adverse to the Debtors. The following professionals whom EY LLP believes to be closely associated with the Debtors' chapter 11 cases have provided in the past and/or are currently providing services to EY LLP: Davis Polk & Wardwell LLP; AlixPartners LLP; Teneo Strategy LLC; Deloitte Consulting LLP; McKinsey & Co., Inc.; Akin Gump Strauss Hauer & Feld LLP; Arnold & Porter Kaye Scholer LLP; Bayard P.A.; Blank Rome LLP; Bryan Cave LLP; Covington & Burling LLP; Day Pitney LLP; Debevoise & Plimpton LLP; Dechert LLP; Dorsey & Whitney LLP; FTI Consulting, Inc.; Gibson Dunn & Crutcher LLP; Hogan Lovells US LLP; Holland & Hart LLP; Jones Day LLP; King & Spalding LLP; Kramer Levin Naftalis & Frankel LLP; Lowenstein Sandler LLP; Maynard Cooper Gale; McDermott Will & Emery LLP; Morgan Lewis & Bockius LLP; Morrison & Foerster LLP; Nelson Mullins Riley & Scarborough LLP; Norton Rose Fulbright US LLP; Paul, Weiss, Rifkind, Wharton & Garrison LLP; Porter Hedges, LP; Pryor Cashman LLP; Sidley Austin LLP; Simpson Thacher & Bartlett LLP; Skadden, Arps, Slate, Meagher & Flom LLP; Snell & Wilmer LLP; Steptoe & Johnson LLP; Troutman Sanders LLP; Thompson Hine LLP; Venable LLP; Vorys Sater Seymour & Pease LLP; Wilmer Cutler Pickering Hale & Dorr LLP; and Wiggin and Dana, LLP.

31. EY LLP may currently be a party or participant in certain litigation matters involving Parties in Interest in these cases, which matters are unrelated to the Debtors or these chapter 11 cases.

32. EY LLP continues to follow up with various EY LLP personnel in order to confirm that the work that EY LLP may be doing for, or may have done for the following entities is unrelated to the Debtors and these chapter 11 cases: East West Bank; Goldman Sachs; UBS Group AG; Frost Brown Todd LLC; Morgan Lewis & Bockius LLP; Reed Smith LLP; Skadden, Arps, Slate, Meagher & Flom LLP; Troutman Sanders LLP; McDermott Will & Emery LLP; PJT Partners LP; Jefferies Group LLC; American Express; AT&T; Baptist Healthcare System, Inc.; City of Chicago; City of Fort Lauderdale; City of Jackson, MI; City of New York; City of Peoria; City of Philadelphia; City of Monterey; City of Multnomah; City of Ontonagon, MI; City of Suffolk; Duke University; Eisai Inc.; Independent Health Association; Mercer Health & Benefits LLC; Mylan Pharmaceuticals Inc.; National Grid; State of Arkansas; State of Delaware; State of New York; State of North Carolina; Stericycle Inc.; Teva Pharmaceuticals USA Inc.; Time Warner Cable; Zurich American Insurance Company; North Carolina Department of Health & Human Services; Prime Therapeutics LLC; and Thatcher Company. To the best of my knowledge, information and belief as of the date of this Declaration, I am not aware of any information indicating that the work that EY LLP may have performed and/or may be performing for the entities listed in this paragraph is connected with the Debtors or these chapter 11 cases. In the event that EY LLP's continuing follow-up efforts with regard to the aforementioned entities reveals that work that EY LLP may have performed or is performing for any such entities is related to the Debtors or these chapter 11 cases, EY LLP will file a supplemental declaration with this Court so disclosing.

33. EY LLP has thousands of professional employees. It is possible that certain employees of EY LLP may have business associations with parties in interest in these cases.

34. To the best of my knowledge, information and belief, formed after reasonable inquiry, none of the services rendered by EY LLP to the entities set forth in Exhibit B hereto have been in connection with the Debtors or these chapter 11 cases. EY LLP believes that these relationships will not impair EY LLP's ability to objectively perform professional services on behalf of the Debtors. EY LLP will not accept any engagement that would require EY LLP to represent an interest materially adverse to the Debtors.

35. To the best of my knowledge, information and belief, neither the undersigned nor the EY LLP professionals expected to assist the Debtors in these matters are connected to the Judge, U.S. Trustee or Assistant U.S. Trustee assigned to this matter.

36. Despite the efforts described above to identify and disclose connections with Parties in Interest in these cases, because the Debtors are a large enterprise with numerous creditors and other relationships, EY LLP is unable to state with certainty that every client representation or other connection of EY LLP with Parties in Interest in these cases has been disclosed herein. If EY LLP discovers additional information that requires disclosure, EY LLP will file supplemental disclosures with the Court.

37. Certain Parties in Interest participate in EY LLP's Revolving Credit Program. These are Citibank, N.A.; JPMorgan Chase Bank, N.A.; and Wells Fargo Bank, N.A.

38. To the best of my knowledge, information and belief formed after reasonable inquiry, EY LLP does not hold nor represent any interest materially adverse to the Debtors in the matters for which EY LLP is proposed to be retained. The proposed employment of EY LLP is

not prohibited by or improper under Bankruptcy Rule 5002. Accordingly, I believe that EY LLP is eligible for retention by the Debtors under the Bankruptcy Code.

39. To the best of my knowledge, information and belief, prior to the Petition Date, EY LLP performed certain professional services for the Debtors, including audit services for Purdue Pharma LP and subsidiaries and the Purdue Pharma LP Pension and 401(k) Plans, as well as audit services and advisory work for Rhodes Technologies and Rhodes Pharmaceuticals L.P.

40. At the Debtors' request following the Petition Date and prior to Court approval of EY LLP's engagement in these cases, EY LLP may provide in its sole discretion certain of the Services described in the Engagement Letter. Thus, EY LLP requests that its retention be authorized as of the Petition Date.

41. Except as otherwise set forth herein, EY LLP has not shared or agreed to share any of its compensation in connection with this matter with any other person.

42. EY LLP intends to apply to the Court for payment of compensation and reimbursement of expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules of this Court and the Engagement Letter, and pursuant to any additional procedures that may be established by the Court in these cases.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.

**EXHIBIT A**

**Form of Engagement Letter**

November \_\_, 2019

Mr. Jon Lowne  
Senior Vice President, Chief Financial Officer  
Purdue Pharma L.P.  
One Stamford Forum  
Stamford, CT 06901

Ladies and Gentlemen:

1. This agreement (together with all attachments hereto, the “Agreement”) confirms the engagement of Ernst & Young LLP (“we” or “EY”) to audit and report on the consolidated financial statements of Purdue Pharma L.P. and its wholly-owned subsidiaries (collectively, the “Company”) for the year ended December 31, 2019 and 2018 (“Consolidated Financial Statements”) subsequent to the Company’s filing a petition under Chapter 11 (“Chapter 11”) of the United States Bankruptcy Code (“Bankruptcy Code”) on September 15, 2019 with the United States Bankruptcy Court for the Southern District of New York (“Bankruptcy Court”). Purdue Pharma L.P. and its wholly owned subsidiaries included in the Consolidated Financial Statements are listed on Exhibit B the agreement. The services described in this paragraph are referred to collectively as either the “Audit Services” or the “audit.” Our performance of Audit Services is contingent upon the Bankruptcy Court’s approval of our retention in accordance with the terms and conditions that are set forth in this Agreement. This Agreement shall be effective as of September 15, 2019.

#### **Audit responsibilities and limitations**

2. The objective of the audit is to express an opinion on whether the Consolidated Financial Statements are presented fairly, in all material respects, in conformity with U.S. generally accepted accounting principles. Should conditions not now anticipated preclude us from completing the audit and issuing a report, we will advise you, the Audit Committee of the Board of Directors of Purdue Pharma Inc. (“Audit Committee”), and Bankruptcy Court promptly and take such action as we deem appropriate.
3. We will conduct the audit in accordance with auditing standards generally accepted in the United States, as established by the American Institute of Certified Public Accountants (the “AICPA”). Those standards require that we obtain reasonable, rather than absolute, assurance that the Consolidated Financial Statements are free of material misstatement whether caused by error or fraud. As management is aware, there are inherent limitations in the audit process, including, for example, selective testing and the possibility that collusion or forgery may preclude the detection of material error, fraud or non-compliance with laws and regulations. Accordingly, because of the

inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with auditing standards generally accepted in the United States, as established by the AICPA. Also, an audit is not designed to detect error or fraud that is immaterial to the Consolidated Financial Statements.

4. As part of the audit, we will consider, solely for the purpose of planning the audit and determining the nature, timing and extent of our audit procedures, the Company's internal control. Our consideration of internal control for the audit of the Consolidated Financial Statements will not be sufficient to enable us to express an opinion on the effectiveness of internal control or to identify all significant deficiencies and material weaknesses.
5. In accordance with AICPA auditing standards, we will communicate certain matters related to the conduct and results of the audit to the Audit Committee. Changes to the scope of the Audit Services may occur as a result of the issuance of new standards and interpretations or inspections findings. We will communicate any changes in the scope of the Audit Services and related procedures to management and the Audit Committee on a timely basis.
6. If we are made aware of evidence that fraud or possible non-compliance with laws and regulations may have occurred that could have a possible material and adverse impact to the Consolidated Financial Statements, we will bring such matters to the attention of the appropriate level of management. If we become aware of fraud involving senior management or fraud (whether committed by senior management or other employees) that causes a material misstatement of the Consolidated Financial Statements, we will report this matter directly to the Audit Committee. We will determine that the Audit Committee and appropriate members of management are adequately informed of instances of non-compliance with laws and regulations that come to our attention. We also will inform the Audit Committee and appropriate members of management of significant corrected misstatements and uncorrected misstatements noted during our audit procedures other than those that are clearly trivial. Notwithstanding the foregoing, we will inform appropriate members of management of uncorrected misstatements above \$0.5 million that we obtain actual knowledge of during our audit procedures.
7. We will communicate in writing to management and the Audit Committee all significant deficiencies and material weaknesses identified during the audit, including those that were remediated during the audit. We also will communicate any significant deficiencies and material weaknesses communicated to management and the Audit Committee in previous audits that have not yet been remediated.
8. We also may communicate other opportunities we observe for economies in or improved controls over the Company's operations.

### **Management's responsibilities and representations**

9. The Consolidated Financial Statements (including disclosures) are the responsibility of management. Management also is responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to error or fraud, for properly recording transactions in the accounting records, for safeguarding assets, and for the overall fair presentation of the Consolidated Financial Statements, in conformity with U.S. generally accepted accounting principles. Management also is responsible for the identification of, and for the Company's compliance with, laws and regulations applicable to its activities.
10. Management is responsible for adjusting the Consolidated Financial Statements to correct material misstatements. Management also will affirm to us in its letter of representations certain representations made to us during the performance of the Audit Services, including that the effects of any uncorrected misstatements aggregated by us during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the Consolidated Financial Statements as a whole.
11. Management is responsible for communicating to us on a timely basis all instances of alleged, identified or suspected non-compliance with laws and regulations that could have more than an inconsequential impact on the financial statements or whose effects of which should be considered by management when preparing the financial statements, and all instances of alleged, identified or suspected financial improprieties of which management or the Audit Committee is aware (regardless of the source or form in which they may have been discovered or communicated to them and including, without limitation, instances identified by "whistle-blowers") and providing us full access to information and any internal investigations related to them. Such instances include, without limitation, manipulation of financial results by management or employees, misappropriation of assets by management or employees with a significant role in internal control, intentional circumvention of internal controls, inappropriate influence on related party transactions by related parties, intentionally misleading EY, or other alleged, identified or suspected illegal acts or fraud that could result in a material misstatement of the Consolidated Financial Statements or otherwise materially adversely affect the financial reporting of the Company. If the Company limits the information otherwise available to us under this paragraph (based on the Company's claims of attorney/client privilege, work product doctrine or otherwise), the Company will immediately inform us of the fact that certain information is being withheld from us. Any such withholding of information could be considered a restriction on the scope of the audit and may prevent us from opining on the Company's Consolidated Financial Statements; alter the form of report we may issue on such financial statements; or otherwise affect our ability to continue as the Company's independent auditors. We will disclose any such withholding of information to the Audit Committee.

12. Management is responsible for providing us access to: all information of which management is aware that is relevant to the Audit Services, such as records, documentation and other matters to complete the Audit Services on a timely basis; additional information that we may request from management for purposes of the audit; and unrestricted access to persons within the Company from whom we determine it necessary to obtain audit evidence. We will provide the Company with notice, to the extent reasonably possible and consistent with our professional obligations prior to seeking such access. Management's failure to do so may cause us to delay our report, modify our procedures, or even terminate the Audit Services.
13. As required by AICPA auditing standards, we will make specific inquiries of management about the representations contained in the Consolidated Financial Statements. AICPA auditing standards also require that, at the conclusion of the applicable Audit Services, we obtain a letter of representations from certain members of management about these matters and to represent that management has fulfilled its responsibilities as set forth in this Agreement, including that all material transactions have been recorded in the accounting records and are reflected in the Consolidated Financial Statements. The responses to those inquiries, the written representations, and the results of our procedures comprise evidence on which we will rely in completing the applicable Audit Services.
14. Management shall make appropriate inquiries to determine whether the Company have a capital lease, material cooperative arrangement or other business relationship with EY or any other member firm of the global Ernst & Young organization (any of which, an "EY Firm") other than one pursuant to which an EY Firm performs professional services.
15. Management shall discuss any independence matters with EY that, in management's judgment, could bear upon EY's independence with respect to the Audit Services or otherwise with respect to EY's role as the Company's independent auditors.
16. The Company shall be responsible for its personnel's compliance with the Company's obligations under this Agreement.

**Limited scope benefit plan engagement**

17. In addition to the Audit Services, we also will audit and report on the financial statements and supplemental schedules of the Company and Participating Associated Companies Retirement Savings 401(k) Plan and Pension Plan (collectively, the "Plans"), for which the Company act as the sponsors ("Plan Sponsor"), respectively, for the year ended December 31, 2019 (the "Plan Engagement" or the Plan Services"), which are to be included in the Company's and P.F. Laboratories Inc. Form 5500 filings with the Employee Benefits Security Administration of the Department of Labor (the "DOL"). In connection with the Plan Services for P.F. Laboratories Inc.,

references to “management” shall mean management of the P.F. Laboratories Inc., acting for the Plan Sponsor in its capacity as such.

18. We will conduct the Plan Engagement in accordance with auditing standards generally accepted in the United States, as established by the AICPA, except that, as permitted by Regulation 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 as amended (ERISA), and as instructed by the Plan Sponsors, we will not perform any audit procedures with respect to the certified investment information, other than comparing that information with the related information included in the financial statements are presented fairly, in all material respects, in conformity with U.S. generally accepted accounting principles and whether the and supplemental schedules. We have been informed that a certification from an entity that meets the requirements of Regulation 2520.103-8 will be provided to us. Because of the significance of the information that we will not audit, we will not express an opinion on the Plans’ financial statements and supplemental schedules. The form and content of the information included in the Plans’ financial statements and supplemental schedules, other than that derived from the certified investment information, will be audited by us in accordance with AICPA auditing standards generally accepted in the United States and will be subjected to tests of your accounting records and other procedures as we consider necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL’s Rules and Regulations under ERISA. Should conditions not now anticipated preclude us from completing the engagement and issuing a report, we will advise the Investment Committee, in its capacity as the Plans’ Audit Committee or equivalent, and management promptly and take such action as we deem appropriate.
19. AICPA auditing standards require that we obtain reasonable rather than absolute assurance that the Plans’ financial statements are free of material misstatement whether caused by error or fraud. As management is aware, there are inherent limitations in the audit process, including, for example, selective testing and the possibility that collusion or forgery may preclude the detection of material error, fraud, non-compliance with laws and regulations, including prohibited transactions with parties in interest and other violations of the DOL’s Rules and Regulations under ERISA. Accordingly, because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with auditing standards generally accepted in the United States, as established by the AICPA. Also, the Plans’ Services are not designed to detect error or fraud that is immaterial to the financial statements.
20. The provisions of paragraphs 4, 5, 6, 7 and 8 above shall apply to the Plans’ Services. Any reference to the Audit Committee shall be deemed to apply to the Audit Committee overseeing the Plan.

21. As a part of the Plan Engagement, we will perform certain procedures, as required by AICPA auditing standards, directed at considering the Plans' compliance with applicable Internal Revenue Code ("IRC") requirements for tax-exempt status, including reading the Plans' latest tax determination letter from the Internal Revenue Service ("IRS"). As we conduct the Plans' Services, we may become aware of the possibility that events affecting the Plans' tax status may have occurred. Similarly, we may become aware of the possibility that events affecting the Plans' compliance with the requirements of ERISA may have occurred. We will inform the Plan Sponsors of any instances of tax or ERISA noncompliance that come to our attention during the course of our engagement. The Plan Sponsors should recognize, however, that the Plans' Services are not designed, nor are they intended, to verify the Plans' overall compliance with applicable provisions of the IRC or ERISA, including but not limited to the Plans' Sponsors deduction limits, and, accordingly, we assume no responsibility for failure to detect instances of noncompliance with applicable provisions of the IRC or ERISA.
22. As part of the Plans Services, we will consider, solely for the purpose of planning the engagement and determining the nature, timing, and extent of our procedures, the Plans' internal control, except for the investment information which is excluded as described in paragraph 21. This consideration will not be sufficient to enable us to provide assurance on the Plans' internal control or to identify all significant deficiencies and material weaknesses.
23. Management shall have the responsibilities for the financial statements of the Plans as set forth in paragraphs 9 and 10 above, and otherwise as set forth in paragraphs 11, 12, 13, 14, 15, and 16 with respect to the Plans and the Plans' Services.
24. Management is responsible for the preparation of the supplemental schedules and the form and content of the financial statements and supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. For any document that contains the supplemental schedules and indicates that we have issued a report on the supplemental schedules, management will include our report on such supplemental schedules. The supplemental schedules will be presented with the audited Plans' financial statements. Management will make appropriate representations to us regarding these matters.
25. Management is responsible for informing EY about any related party transactions, including transactions with parties in interest, as defined in ERISA section 3(14) and the regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties. We will assess whether all identified prohibited party-in-interest transactions are included in the supplemental schedule of nonexempt transactions.

26. The financial statements of the Plans' are required to be filed with the Form 5500. AICPA auditing standards require that we read the Plans' Form 5500 prior to its filing. The purpose of this procedure is to consider whether such information, or the manner of its presentation in the Form 5500, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements and supplemental schedules. These procedures are not sufficient, nor are they intended, to determine that the Form 5500 is completely and accurately prepared. Accordingly, the Plan Sponsors understands and agrees that we do not assume any responsibility for the completeness and/or accuracy of the Form 5500 as part of the Plans' Services. In the event that our report is issued prior to our having read the Plans' Form 5500, the Plan Sponsors agrees not to attach our report to the financial statements of the Plans included with the Form 5500 filing until we have read the completed Form 5500.
27. We may be requested to make certain workpapers relating to the Plans' Services available to the DOL pursuant to authority given to it by law or regulation. If requested, access to such workpapers will be provided under the supervision of our personnel. Furthermore, upon request, we may provide photocopies of selected workpapers to the DOL. We will label all workpapers as confidential and maintain control over their duplication.
28. The terms, conditions and provisions applicable to the Audit Services and the Company, as set forth in the paragraphs under "Fees and billings," "Confidentiality" and "Other matters" below and in the final two paragraphs of this Agreement, shall apply equally to the Plans' Services and the Plan Sponsors, and any reference therein to "Audit Services" shall be deemed to include the Plan Services and any reference to the "Company" shall be deemed to apply to it in its capacity as the Plan Sponsor.

### **Fees and billing**

29. We estimate that our fees for the completion of the 2018 audit and issuance of the Company's 2018 financial statements will \$20,000. We estimate that our fees for the 2019 Audit Services of the Consolidated Financial Statements and the Plans will be \$795,000 and \$56,000, respectively, plus expenses. These fee estimates are based on estimated hours of 4,500 for the audit of the Consolidated Financial Statements and 600 for the audits of the Plans. However, our actual fees may exceed the top of this range based on changes to the business (e.g., nature of the business or change in business entities) or additional unplanned effort. Our fees are exclusive of taxes or similar charges, as well as customs, duties or tariffs imposed in respect of the Audit Services, all of which the Company shall pay (other than taxes imposed on our income generally). In addition to the foregoing fees, any hours incurred by EY for out-of-scope work or unplanned effort will be billed based on a \$250 rate per hour. We will discuss with you the nature of the hours incurred and the associated fee before any out-of-scope or overrun billings are finalized.

30. We will submit an itemized and detailed billing statement, and we will request payment of our fees and expenses, in accordance with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), the Local Rules for the United States Bankruptcy Court for the Southern District of New York (“Local Rules”) and any relevant administrative orders. We will submit our invoices as the work progresses and payment of them will be made upon receipt, or as quickly as the Bankruptcy Code, the Bankruptcy Rules, Local Rules and any relevant administrative orders allow. We acknowledge that payment of our fees and expenses hereunder is subject to (i) the jurisdiction and approval of the Bankruptcy Court under Sections 330 and 331 of the Bankruptcy Code, any order of the Bankruptcy Court approving the retention of us and the U.S. Trustee Guidelines, (ii) any applicable fee and expense guidelines and/or orders and (iii) any requirements governing initial and final fee applications.
31. Our estimated pricing and schedule of performance are based upon, among other things, our preliminary review of the Company’ records and the representations Company personnel have made to us and are dependent upon the Company’ personnel providing a reasonable level of assistance. Should our assumptions with respect to these matters be incorrect or should the condition of records, degree of cooperation, or other matters beyond our reasonable control require additional commitments by us beyond those upon which our estimates are based, we may adjust our fees, subject to Bankruptcy Court approval, and planned completion dates. Fees for any special audit-related projects, such as proposed business combinations or research and/or consultation on special business or financial issues, will be billed separately from the fees referred to above and will be the subject of other written agreements which shall be subject to Bankruptcy Court approval.
32. If we are requested or authorized by the Company or are required by government regulation, subpoena or other legal process to produce our documents or our personnel as witnesses with respect to the Audit Services for the Company, the Company will, so long as we are not a party to the proceeding in which the information is sought, reimburse us for our professional time and expenses, as well as the fees and expenses of our counsel, incurred in responding to such requests. In the event that production of documents or use of EY personnel as witnesses is sought as described above, we will, unless otherwise prohibited by law and to the maximum extent practicable prior to any such disclosure, promptly inform the Company of such request for disclosure and, to the extent reasonably possible and consistent with our obligations under law, regulation and professional standards, afford the Company all reasonably practicable opportunities to protect its interests and, at the Company’s request and reasonable expense.

### **Confidentiality**

33. The Company acknowledge their obligation to maintain a relationship of candor and full disclosure and to furnish or cause to be furnished to us such information as required by this Agreement or as we otherwise deem necessary in connection with our Audit Services. We hereby acknowledge and agree that information furnished to us by or on behalf of the Company, as well as any information

that we may derive there from (collectively, the “Information”), is client confidential information and will be maintained as confidential in accordance with professional standards of the accounting profession applicable to us, including, without limitation, the American Institute of Certified Public Accountants Code of Professional Conduct, ET Section 1.700.001, Confidential Client Information in effect as of the date hereof, a copy of which is attached hereto as Exhibit A. We further agree that we will use the Information only in connection with providing our professional services to the Company.

34. Notwithstanding the foregoing, we may disclose without violation of this Agreement such portion of the Information as is required or permitted to be disclosed by law, regulation, legal process or professional standards promulgated by the AICPA or PCAOB or this Agreement. If we are required by law or pursuant to legal process to disclose Information, or are notified that any party seeks to impose such a requirement, we will, unless otherwise prohibited by law and to the maximum extent practicable prior to any such disclosure, promptly inform the Company of such request for disclosure and, to the extent reasonably possible and consistent with our obligations under law, regulation and professional standards, afford the Company all reasonably practicable opportunities to protect its interests and, at the Company’s request and reasonable expense.

Upon your request, we will return to you the Information, including all copies thereof, except we may keep Information as may be required by law, the Professional Standards or our standard procedures. This Agreement is not intended to preclude us from maintaining copies of our own working papers.

#### **Other matters**

35. From time to time, and depending on the circumstances, subject to Bankruptcy Court approval, (1) we may subcontract portions of the Audit Services to other EY Firms (listed at [www.ey.com](http://www.ey.com)), who may deal with the Company directly, although EY alone will remain responsible to you for the Audit Services, and (2) personnel (including non-certified public accountants) from an affiliate of EY or another EY Firm or any of their respective affiliates, or from independent third-party service providers (including independent contractors), may participate in providing the Audit Services. Unless prohibited by applicable law, we may provide Company information to other EY Firms and their personnel, as well as third-party service providers acting on our or their behalf, who may collect, use, transfer, store or otherwise process (collectively, “Process”) it in various jurisdictions in which they operate to facilitate performance of the Audit Services, to comply with regulatory requirements, to check conflicts, to provide financial accounting and other administrative support services, or for quality and risk management purposes. We shall be responsible to you for maintaining the confidentiality of the Company’ regardless of where or by whom such information is Processed on our behalf. Either EY or the Company may use electronic

media to correspond or transmit information relating to the Audit Services, and such use will not, in itself, constitute a breach of any confidentiality obligations.

36. The Company shall not, during the term of this Agreement and for 12 months following its termination for any reason, without the prior written consent of EY, solicit for employment or a position on its Board of Directors, or hire or appoint to its Board of Directors, any current or former partner, principal, or professional employee of EY, any affiliate thereof, any other EY Firm or any of their respective affiliates (collectively, "EY Professionals") if any such professional either: (i) performed any audit, review, attest, or related service for or relating to the Company at any time (a) during the then current fiscal year of the Company up to and including the date of the audit report for that year, or (b) in the 12 months ended on the audit report date for the immediately preceding fiscal year; or (ii) influences EY's operations or financial policies or has any capital balances or any other continuing financial arrangement with EY; provided that the Company shall not breach this obligation by generally advertising available positions without targeting any specific EY professionals.
37. EY shall remain fully responsible for the Audit Services and for all of its other responsibilities, covenants and obligations under this Agreement, notwithstanding that we may subcontract portions of the Audit Services to other EY Firms or that other EY Firms may participate in the provision of the Audit Services. The Company may not make a claim or bring proceedings relating to the Audit Services or otherwise under this Agreement against any other EY Firm and EY shall not contest its responsibility for the Audit Services on the basis that any of them were performed by another EY Firm. The Company shall make any claim or bring proceedings only against EY. This paragraph is intended to benefit the other EY Firms, which shall be entitled to enforce it. Each EY Firm is a separate legal entity.
38. If we Process Company information that can be linked to specific individuals ("Personal Data"), we will Process it in accordance with paragraph 46 of this Agreement, as well as applicable law and professional regulations, including, where applicable, the EU-U.S. Privacy Shield Framework, administered by the U.S. Department of Commerce ("Privacy Shield"), to which EY has self-certified. Further information (including disclosures required by Privacy Shield) is set out at [www.ey.com/us/privacyshield](http://www.ey.com/us/privacyshield). We will require any service provider that Processes Personal Data on our behalf to provide at least the same level of protection for such data as is required by Privacy Shield and other legal and regulatory requirements applicable to us. CompanyIf any Company information is protected health information under the Health Insurance Portability and Accountability Act, as amended, this Agreement is deemed to incorporate all of the terms otherwise required to be included in a business associate contract relating to such information. The Company warrants that it has the authority to provide the Personal Data to EY in connection with the performance of the Audit Services and that the Personal Data provided to us has been Processed in accordance with applicable law.

39. In order to provide the Audit Services, we may need to access Personal Data consisting of protected health information, financial account numbers, Social Security or other government-issued identification numbers, or other data that, if disclosed without authorization, would trigger notification requirements under applicable law (“Restricted Personal Data”). In the event that we need access to such information, you will consult with us on appropriate measures (consistent with professional standards applicable to us) to protect the Restricted Personal Data, such as deleting or masking unnecessary information before it is made available to us, encrypting any data transferred to us, or making the data available for on-site review at a Company’ site. You will provide us with copies of any Restricted Personal Data only in accordance with mutually agreed protective measures.
40. You acknowledge that to the extent the Company is regulated by or under the supervision of a federal, state or other regulator of banking or financial services (including, without limitation, the Board of Governors of the Federal Reserve, the Office of the Comptroller of the Currency and the New York State Department of Financial Services) (collectively, “Regulators”), you may be in possession of confidential supervisory information as defined in relevant law or regulations (“CSI”), including without limitation documents and information comprising CSI arising from, relating to, or concerning inspections and examinations by such Regulator. As set forth in paragraph 12, we may require access to such CSI in order to perform the Audit Services. However, CSI may be subject to regulatory restrictions on disclosure to and/or use by third parties. Accordingly: (1) management will identify to EY the Regulators that regulate and/or exercise supervisory oversight over the Company; (2) management will identify to EY all CSI in your possession; (3) to the extent management’s provision of CSI to EY is not authorized by applicable law or regulation absent Regulator approval, management will obtain authorization from the applicable Regulator to provide us access to any and all CSI for the purposes of performing the Audit Services with respect to CSI already in its possession immediately following execution of this Agreement (and with respect to any later-identified CSI immediately upon learning of the examination, inspection or other activity that could result in such materials being deemed CSI); and (4) management will not provide any such access prior to having received such authorization and having identified to EY with specificity the information that constitutes CSI. You acknowledge that any failure to provide any such information could be considered a restriction on the scope of the audit, and the parties agree that they shall engage in good faith discussions regarding the effect of any withholding on the Audit Services.
41. Compliance with U.S. immigration requirements may require EY to provide certain information to the U.S. Citizenship and Immigration Services (“USCIS”) to confirm that EY employees on certain visas are, in fact, EY employees and not employees of the Company or other clients of EY. This will include providing certain information regarding work locations to support compliance with the visa requirements. As such, EY may disclose to USCIS information regarding this Agreement, including the Company’s identity and location, as well as a redacted copy of this Agreement. Upon providing this information, EY will request that USCIS keep any such

information confidential. In further support of these legal requirements, the U.S. Department of Labor (DOL) regulations, at 20 CFR § 655.734(a)(1)(ii)(A), require the posting of notice of a Labor Condition Application (LCA) in instances where individuals holding certain visas will be working on the Company's premises. EY and the Company will work together to develop an appropriate notice as required. The Company acknowledges that EY resources will be operating at all times as an employee of and under the direction and control of Ernst & Young U.S. LLP's management, and all activities including supervision, hiring and firing decisions, and performance evaluations are controlled by Ernst & Young U.S. LLP. The Company will not have the right to control EY resources. At all times, EY resources will receive direction from an EY manager while on-site at the Company premises.

42. By your signature below, you confirm that the Company, through its Board of Directors, has expressly authorized you to enter into this Agreement on behalf of, and to bind, the Company. In addition, you confirm that management agrees to, acknowledges, and understands its responsibilities as outlined in "Management's responsibilities and representations." Either EY or the Company may execute this Agreement (and any supplements or modifications hereto) by electronic means, and each of EY and the Company may sign a different copy of the same document.
43. EY retains ownership in the workpapers compiled in connection with the performance of the Audit Services.
44. Devon Brady will be the Audit Partner responsible for the provision of our audit services. Devon Brady, Partner, Jessica Seenarraine, Senior Manager, and Justin Furtado, Manager, will work closely with management in performing all required Audit Services. If one or more of these individuals ceases to provide audit services to the Company pursuant to this Agreement, EY will so advise the Company and, if that professional is replaced, provide the Company with the name of that professional's replacement. Other partners and staff, not identified herein, may be utilized as required to conduct our work in an efficient manner.
45. Any controversy or claim with respect to, in connection with, arising out of, or in any way related to this Agreement or the services provided hereunder (including any such matter involving any parent, subsidiary, affiliate, successor in interest or agent of Company or its subsidiaries of EY) shall be brought in the Bankruptcy Court or the applicable district court (if the district court withdraws the reference) and the parties to this Agreement, and any and all successors and assigns thereof, consent to the jurisdiction and venue of such court as the sole and exclusive forum (unless such court does not have jurisdiction and venue of such claims or controversies) for the resolution of such claims, causes of action or lawsuits. The parties to this Agreement, and any and all successors and assigns thereof, hereby waive trial by jury, such waiver being informed and freely made. If the Bankruptcy Court, or the district court upon withdrawal of the reference, does not have or retain jurisdiction over the foregoing claims or controversies, the parties to this Agreement and any and all successors and assigns thereof, agree to submit first to nonbinding mediation; and,

if mediation is not successful, then to binding arbitration, in accordance with the dispute resolution procedures as set forth in the attachment to this Agreement, which is incorporated herein by reference. Judgment on any arbitration award may be entered in any court having proper jurisdiction. The foregoing is binding upon Company, EY and any all successors and assigns thereof.

46. This Agreement, and any non-contractual matters or obligations arising out of this Agreement or the Audit Services, including (without limitation) claims arising in tort, fraud, under statute or otherwise relating to the Audit Services, or questions relating to the scope or enforceability of this paragraph, shall be governed by, and construed in accordance with, the laws of New York applicable to agreements made, and fully to be performed, therein by residents thereof.
47. If any portion of this Agreement is held to be void, invalid, or otherwise unenforceable, in whole or part, the remaining portions of this Agreement shall remain in effect. This Agreement applies to all Audit Services (as defined in paragraph 1) and Plan Engagement (as defined, respectively in paragraphs 17 and 28), including any such services performed or begun before the date of this Agreement.
48. To the extent that EY agrees to perform Audit Services for a subsequent fiscal year and subject to Bankruptcy Court approval, the terms and conditions set forth in this Agreement shall apply to the performance of such Audit Services, except as specifically modified, amended or supplemented in writing by the parties. Changes in the scope of the Audit Services and estimated fees for such services in subsequent fiscal years will be communicated in supplemental agreements. We may terminate performance of the Audit Services and this Agreement upon written notice if we reasonably determine that we can no longer provide the Audit Services in accordance with applicable law or professional obligations but in any event, this Agreement will expire upon the effective date of the Company's confirmed plan of reorganization, or liquidation of the Company's assets, under Chapter 11 or 7 of the Bankruptcy Code, or otherwise. Upon any termination of the Audit Services or this Agreement, the Company shall pay EY for all work-in-progress, Audit Services already performed and expenses incurred by us up to and including the effective date of such termination. The provisions of this Agreement that give either of us rights or obligations beyond its termination including, without limitation, paragraph 46, shall continue indefinitely following the termination of this Agreement and shall survive completion of the Company's bankruptcy whether through a confirmed plan of reorganization under Chapter 11, liquidation of the Company's assets under Chapter 7 of the Bankruptcy Code, or otherwise.
49. By agreement to the provision of the Audit Services, we are not providing a guarantee to you that our performance of these services pursuant to the terms and conditions set forth in this Agreement will guarantee your successful reorganization under Chapter 11.

EY appreciates the opportunity to be of assistance to the Company. If this Agreement accurately reflects the terms on which the Company has agreed to engage EY, please sign below on behalf of the Company and return it to Devon Brady, 300 First Stamford Place, Stamford, CT 06902.

Very truly yours,

## **Dispute resolution procedures**

### **Mediation**

A party shall submit a dispute to mediation by written notice to the other party or parties. The mediator shall be selected by the parties. If the parties cannot agree on a mediator, the International Institute for Conflict Prevention and Resolution (“CPR”) shall designate a mediator at the request of a party. Any mediator must be acceptable to all parties and must confirm in writing that he or she is not, and will not become during the term of the mediation, an employee, partner, executive officer, director, or substantial equity owner of any EY Firm audit client.

The mediator shall conduct the mediation as he/she determines, with the agreement of the parties. The parties shall discuss their differences in good faith and attempt, with the mediator’s assistance, to reach an amicable resolution of the dispute. The mediation shall be treated as a settlement discussion and shall therefore be confidential. The mediator may not testify for either party in any later proceeding relating to the dispute. The mediation proceedings shall not be recorded or transcribed.

Each party shall bear its own costs in the mediation. The parties shall share equally the fees and expenses of the mediator.

If the parties have not resolved a dispute within 90 days after written notice beginning mediation (or a longer period, if the parties agree to extend the mediation), the mediation shall terminate and the dispute shall be settled by arbitration. In addition, if a party initiates litigation, arbitration, or other binding dispute resolution process without initiating mediation, or before the mediation process has terminated, an opposing party may deem the mediation requirement to have been waived and may proceed with arbitration.

### **Arbitration**

The arbitration will be conducted in accordance with the procedures in this document and the CPR Rules for Non-Administered Arbitration (“Rules”) as in effect on the date of the Agreement, or such other rules and procedures as the parties may agree. In the event of a conflict, the provisions of this document will control.

The arbitration will be conducted before a panel of three arbitrators, to be selected in accordance with the screened selection process provided in the Rules. Any issue concerning the extent to which any dispute is subject to arbitration, or concerning the applicability, interpretation, or enforceability of any of these procedures, shall be governed by the Federal Arbitration Act and resolved by the arbitrators. No potential arbitrator may be appointed unless he or she has agreed in writing to these procedures and has confirmed in writing that he or she is not, and will not become during the term of the arbitration, an employee, partner, executive officer, director, or substantial equity owner of any EY Firm audit client.

The arbitration panel shall have no power to award non-monetary or equitable relief of any sort or to make an award or impose a remedy that (i) is inconsistent with the agreement to which these procedures are attached or any other agreement relevant to the dispute, or (ii) could not be made or imposed by a court deciding the matter in the same jurisdiction. In deciding the dispute, the arbitration panel shall apply the limitations period that would be applied by a court deciding the matter in the same jurisdiction, and shall have no power to decide the dispute in any manner not consistent with such limitations period.

Discovery shall be permitted in connection with the arbitration only to the extent, if any, expressly authorized by the arbitration panel upon a showing of substantial need by the party seeking discovery.

All aspects of the arbitration shall be treated as confidential. The parties and the arbitration panel may disclose the existence, content or results of the arbitration only in accordance with the Rules or applicable professional standards. Before making any such disclosure, a party shall give written notice to all other parties and shall afford them a reasonable opportunity to protect their interests, except to the extent such disclosure is necessary to comply with applicable law, regulatory requirements or professional standards.

The result of the arbitration shall be binding on the parties, and judgment on the arbitration award may be entered in any court having jurisdiction.

### **Rule 1.700 Confidential Information**

#### **1.700.001 Confidential Client Information Rule**

.01 A member in public practice shall not disclose any confidential client information without the specific consent of the client.

.02 This rule shall not be construed (1) to relieve a member of his or her professional obligations of the “Compliance With Standards Rule” [1.310.001] or the “Accounting Principles Rule” [1.320.001], (2) to affect in any way the member’s obligation to comply with a validly issued and enforceable subpoena or summons, or to prohibit a member’s compliance with applicable laws and government regulations, (3) to prohibit review of a member’s professional practice under AICPA or state CPA society or Board of Accountancy authorization, or (4) to preclude a member from initiating a complaint with, or responding to any inquiry made by, the professional ethics division or trial board of the Institute or a duly constituted investigative or disciplinary body of a state CPA society or Board of Accountancy. Members of any of the bodies identified in (4) above and members involved with professional practice reviews identified in (3) above shall not use to their own advantage or disclose any member’s confidential client information that comes to their attention in carrying out those activities. This prohibition shall not restrict members’ exchange of information in connection with the investigative or disciplinary proceedings described in (4) above or the professional practice reviews described in (3) above. [Prior reference: paragraph .01 of ET section 301]

#### **Interpretations Under the Confidential Client Information Rule 1.700.050 Disclosing Client Information in Connection With a Review of the Member’s Practice**

.01 For purposes of the “Confidential Client Information Rule” [1.700.001], a review of a member’s professional practice includes a review performed in conjunction with a prospective purchase, sale, or merger of all or part of a member’s practice. Such reviews may threaten a member’s compliance with the “Confidential Client Information Rule.” To reduce the threat to an acceptable level, a member must take appropriate precautions (for example, through a written confidentiality agreement with the prospective purchaser) to help ensure that the prospective purchaser does not disclose any confidential client information obtained in the course of the review.

.02 Members who perform such reviews shall not use to their advantage or disclose any confidential client information that comes to their attention during the review. [Prior reference: paragraph .04 of ET section 301]
