Jurisdiction and Venue

1. The Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the Amended Standing Order of Reference M-431, dated January 31, 2012 (Preska, C.J.). This is a core proceeding pursuant to 28 U.S.C. § 157(b) and, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), the Debtors consent to entry of a final order by the Court in connection with this Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter a final order or judgment consistent with Article III of the United States Constitution. Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

2. On September 15, 2019 (the “**Petition Date**”), the Debtors each commenced with this Court a voluntary case under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the Debtors’ chapter 11 cases. On September 27, 2019 the Office of the United States Trustee for the Southern District of New York (the “**U.S. Trustee**”) appointed a an official committee of unsecured creditors (the “**Creditors’ Committee**”).

3. The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Bankruptcy Rules and the *Order Directing Joint Administration of Chapter 11 Cases* [ECF No. 59] entered by the Court in each of the chapter 11 cases.

4. Additional information about the Debtors' businesses and the events leading up to the Petition Date can be found in the *Debtors' Informational Brief* [ECF No. 17].

Relief Requested

5. By this Application, pursuant to section 327(e) of the Bankruptcy Code, Bankruptcy Rules 2014(a) and 2016, and Rules 2014-1 and 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the "**Local Rules**"), the Debtors request authority to retain and employ Arnold & Porter Kaye Scholer LLP ("**Arnold & Porter**") as special counsel to the Debtors for the matters described herein, effective *nunc pro tunc* to the Petition Date.

6. A proposed form of order granting the relief requested in this Application is attached hereto as **Exhibit A** (the "**Proposed Order**").

7. In support of the relief requested herein, the Debtors submit the *Declaration of Rory Greiss in Support of Application of Debtors for Authority to Retain and Employ Arnold & Porter Kaye Scholer LLP as Special Counsel to the Debtors Nunc Pro Tunc to the Petition Date* (the "**Greiss Declaration**"), attached hereto as **Exhibit B** and (ii) the *Declaration of Marc L. Kesselman in Support of Application of Debtors for Authority to Retain and Employ Arnold & Porter Kaye Scholer LLP as Special Counsel to the Debtors Nunc Pro Tunc to the Petition Date* (the "**Kesselman Declaration**"), attached hereto as **Exhibit C**.

Scope of Arnold & Porter's Services

8. Arnold & Porter has a longstanding relationship with the Debtors and is being retained to continue to provide the services the firm has provided to the Debtors over the past fifteen (15) years. Arnold & Porter has provided and, if retained as special counsel, will continue to provide the following services to the Debtors during these chapter 11 cases

(collectively, the “**Arnold & Porter Services**”), including but not limited to advice in connection with intellectual property disputes, intellectual property licensing, supply and distribution arrangements, corporate transactions including development of pharmaceutical products, collaboration arrangements, mergers and acquisitions and work related to the foregoing.

9. The Debtors require, and will continue to require, the Arnold & Porter Services during these chapter 11 cases, including with respect to new matters that may arise. In addition, Arnold & Porter’s history and familiarity with the Debtors will enable the firm to provide the Debtors and their restructuring advisors with knowledge and expertise about historical matters and issues that may affect the Debtors’ chapter 11 cases. Arnold & Porter will not serve as the Debtors’ general or special bankruptcy counsel and will not advise the Debtors or their estates with respect to their duties under the Bankruptcy Code.

10. Subject to approval of this Application, Arnold & Porter has informed the Debtors that it is willing to serve as the Debtors’ special counsel and to perform the Arnold & Porter Services on matters arising during these chapter 11 cases.

Arnold & Porter’s Qualifications

11. The Debtors selected Arnold & Porter to provide the Arnold & Porter Services due to the firm’s reputation and expertise in the relevant fields of law. In addition, the Debtors have relied on Arnold & Porter to provide counsel to the Debtors for approximately fifteen years. By virtue of the firm’s prior engagement, Arnold & Porter is intimately familiar with the facts and history of the Debtors’ business. As such, the retention of Arnold & Porter as special counsel will promote the efficient administration of these chapter 11 cases. Conversely, if required to retain different counsel to provide the Arnold & Porter Services, the Debtors will be forced to expend significant resources and expense to make such new counsel familiar with the

Debtors' business and to familiarize such counsel with the legal issues and status of matters that Arnold & Porter has handled or is handling for the Debtors.

12. In light of the foregoing, Arnold & Porter is well qualified and uniquely able to represent the Debtors as special counsel pursuant to section 327(e) of the Bankruptcy Code, and Arnold & Porter's retention would be in the best interest of the Debtors' estates, creditors, and other parties in interest.

Arnold & Porter's Disclosures

13. To the best of the Debtors' knowledge, information, and belief, except as disclosed in the Greiss Declaration, Arnold & Porter has represented that it neither holds nor represents any interest that is materially adverse to the Debtors' estates in connection with any of the Arnold & Porter Services for which Arnold & Porter will be employed.

14. The Debtors have been informed that Arnold & Porter will supplement the Greiss Declaration if any facts or circumstances are discovered that require additional disclosure.

Arnold & Porter's Compensation

15. The current hourly billing rates for Arnold & Porter professionals expected to spend significant time on the Arnold & Porter Services range from \$850 to \$1,330 for partners, \$550 to \$950 for associates and special counsel, and \$280 to \$380 for paralegals.² All of the aforementioned hourly billing rates reflect a previously agreed-upon voluntary fifteen percent (15%) discount from one-year trailing rates (e.g., 2019 rates charged in 2020). Other Arnold & Porter professionals (with different billing rates) may provide services to the Debtors in connection with the Arnold & Porter Services from time to time, as required. In addition to the hourly billing rates set forth herein, Arnold & Porter customarily charges its clients for all

² Arnold & Porter's hourly rates are subject to change from time to time in the regular course of Arnold & Porter's business.

reimbursable expenses incurred, including photocopying charges, messengers, courier mail, overtime, overtime meals, late night transportation, travel, lodging, meal charges for business meetings, postage, printing, transcripts, filing fees, computer research, and similar items. The Debtors respectfully submit that Arnold & Porter's rates and policies, as stated in the Greiss Declaration, are reasonable and customary.

16. Arnold & Porter does not hold any retainer from the Debtors. The Debtors understand that Arnold & Porter will apply to the Court for allowance of compensation and reimbursement of expenses for all professional services performed and expenses incurred after the Petition Date in accordance with General Order M-412 (*Order Establishing Procedures for Monthly Compensation and Reimbursement of Expenses of Professionals*, dated December 21, 2010 (Gonzalez, C.J.)), Administrative Order M-447 (*Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases*, dated January 29, 2013 (Morris, C.J.)), and the *U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013 (collectively, the “**Fee Guidelines**”), the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable orders of the Court.

17. As set forth in the Greiss Declaration, Arnold & Porter received total payments in the amount of \$612,817.59 during the ninety (90) day period prior to the Petition Date for services performed and expenses incurred.

18. To the best of the Debtors' knowledge, neither Arnold & Porter nor any partner or associate thereof, has received or been promised any compensation for legal services rendered or to be rendered in any capacity in connection with the Debtors' chapter 11 cases, other than as

permitted by the Bankruptcy Code. Arnold & Porter has agreed not to share compensation received in connection with the Debtors' chapter 11 cases with any other person, except as permitted by section 504(b) of the Bankruptcy Code and Bankruptcy Rule 2016(b) in respect of sharing of compensation among Arnold & Porter's partners.

No Duplication of Services

19. The Debtors intend that the Arnold & Porter Services will complement, and not duplicate, the services being rendered by any other professional retained in these chapter 11 cases. Arnold & Porter understands that the Debtors have retained and may retain additional professionals during the term of their engagement and agrees to work cooperatively with such professionals to avoid any duplication of services.

The Relief Requested Should Be Granted

20. Section 327(e) of the Bankruptcy Code provides that a debtor, subject to Court approval:

[M]ay employ, for a specified special purpose, other than to represent the [debtor in possession] in conducting the case, an attorney that has represented the debtor, if in the best interest of the estate, and if such attorney does not represent or hold any interest adverse to the debtor or to the estate with respect to the matter on which such attorney is to be employed.

11 U.S.C. § 327(e). Bankruptcy Rule 2014 requires that applications for retention of professionals include, among other things:

[S]pecific facts showing the necessity for the employment, the name of the [firm] to be employed, the reasons for the selection, the professional services to be rendered, any proposed arrangement for compensation, and, to the best of the applicant's knowledge, all of the [firm]'s connections with the debtor, creditors, any other party in interest, their respective attorneys and accountants, the United States trustee, or any person employed in the office of the United States trustee.

Fed. R. Bankr. P. 2014(a).

21. In light of the size and complexity of these chapter 11 cases, the Debtors respectfully submit that retaining and employing Arnold & Porter pursuant to the terms of this Application is necessary and in the best interests of the Debtors' estates and all parties in interest in these chapter 11 cases. As set forth in the Greiss Declaration, Arnold & Porter has represented the Debtors for approximately fifteen (15) years and has in-depth knowledge of the Debtors' business, their intellectual property portfolio and the regulatory framework in which the Debtors operate. The Arnold & Porter Services will not overlap, but rather will complement, the services to be provided by the Debtors' general bankruptcy counsel, Davis Polk & Wardwell LLP. Arnold & Porter has also represented to the Debtors that it neither holds nor represents any interest that is materially adverse to the Debtors' estates in connection with any matter for which it will be employed.

Nunc Pro Tunc Relief is Warranted

22. The Debtors believe that the employment of Arnold & Porter effective *nunc pro tunc* to the Petition Date is warranted under the circumstances of these chapter 11 cases so that Arnold & Porter may be compensated for its services prior to entry of an order approving Arnold & Porter's retention. Further, the Debtors believe that no party-in-interest will be prejudiced by the granting of the *nunc pro tunc* employment because Arnold & Porter has provided, and will continue to provide, valuable services to the Debtors' estates in the interim period.

Notice

23. Notice of this Application will be provided to: (a) the entities on the Master Service List (as defined in the Case Management Order and available on the Debtors' case website at <https://restructuring.primeclerk.com/purduepharma>) and (b) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the "**Notice Parties**").

24. A copy of this Application and any order approving it will also be made available on the Debtors' Case Information Website located at <https://restructuring.primeclerk.com/purduepharma>. Based on the circumstances surrounding this Application and the nature of the relief requested herein, the Debtors respectfully submit that no further notice is required.

No Previous Request

25. No previous request for the relief sought herein has been made by the Debtors to this Court or any other court.

[Remainder of Page Intentionally Left Blank]

WHEREFORE, the Debtors respectfully request entry of the Proposed Order and such other and further relief as is just.

I, Rory Greiss, hereby declare that the following statements are true and correct to the best of my knowledge after due inquiry as described herein:

1. I am a partner of the law firm of Arnold & Porter Kaye Scholer LLP (“Arnold & Porter”), which maintains offices at 250 West 55th Street, New York, NY 10019. I am an attorney admitted to practice law in the State of New York. Except as otherwise noted, I have personal knowledge of the matters set forth herein, and if called and sworn as a witness, I could and would testify competently thereto.

2. This Declaration is made in support of the application (the “**Application**”)² of Purdue Pharma L.P. and certain of its affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**”), for

authority to retain Arnold & Porter as the Debtors' special counsel, which is filed contemporaneously herewith.

3. Arnold & Porter has a longstanding relationship with the Debtors, having represented the Debtors in a wide variety of matters for approximately fifteen (15) years. Among other things, Arnold & Porter has provided and will continue to provide the following services to the Debtors during these chapter 11 cases, including but not limited to advice in connection with intellectual property disputes, intellectual property licensing, supply and distribution arrangements, corporate transactions including development of pharmaceutical products, collaboration arrangements, merges and acquisitions and work related to the foregoing..

Arnold & Porter's Disclosure Procedures

4. I, or someone working under my supervision, reviewed any client connections to the Debtors' chapter 11 cases to determine whether Arnold & Porter has an adverse interest to the Debtors' estates. In particular, Arnold & Porter ran each of the categories listed on Schedule 1 hereto through its firm-wide conflicts system. Arnold & Porter does not represent, or have any other connection with, any of the parties within the categories listed on Schedule 1, except as set forth on Schedule 2, which is incorporated herein by reference.

5. I believe that none of the connections disclosed on Schedule 2 have or will affect Arnold & Porter's representation of the Debtors in matters requiring the Arnold & Porter Services. Arnold & Porter does not currently represent any such parties in any matter adverse to the Debtors.

6. In addition to the disclosures on Schedule 2, as a law firm employing approximately 975 attorneys with a large and diversified legal practice, Arnold & Porter has

previously represented, currently represents, and may in the future represent entities that are claimants or interest holders of the Debtors in matters unrelated to the Debtors' chapter 11 cases. While Arnold & Porter does not perform services for any such person in connection with these chapter 11 cases, the firm represents Endo Health Solutions Inc. and Endo Pharmaceuticals Inc. (collectively, "Endo") as well as Par Pharmaceutical Companies, Inc. and Par Pharmaceutical, Inc. (collectively, "Par") in connection with opioid litigation taking place in a number of jurisdictions. Various of the Debtors are co-defendants in many of these lawsuits. As has been reported in the press, Endo/Par and such other defendants may seek to have such a settlement effected through the Debtors' chapter 11 cases. The matters on which the firm represents the Debtors are unrelated to the matters on which the firm represents Endo/Par. Arnold & Porter has informed the Debtors of its representation of Endo/Par, and Arnold & Porter has informed Endo/Par of its representation of the Debtors. Neither the Debtors nor Endo/Par object to the concurrent representation of the Debtors and Endo/Par.

7. Other than as set forth above, Arnold & Porter has not, and will not, represent any party besides the Debtors in these chapter 11 cases.

8. To the best of my knowledge, information and belief formed after reasonable inquiry by someone working under my supervision, neither I, nor any partner, special counsel, or associate of Arnold & Porter is related to the bankruptcy judge assigned to the Debtors' chapter 11 cases, any bankruptcy judge for the Southern District of New York, or to any employee of the Office of the United States Trustee for the Southern District of New York.

9. Based upon the information available to me, Arnold & Porter neither represents nor holds an interest adverse to the interests of the Debtors or their estates with respect to the matters on which Arnold & Porter is to be employed. To the extent Arnold & Porter discovers

any connection with any interested party or enters into any new relationship with any interested party, Arnold & Porter will promptly supplement its disclosures to the Court.

Arnold & Porter's Rates and Billing Practices

10. Arnold & Porter's current hourly billing rates for Arnold & Porter professionals who have rendered the Arnold & Porter Services in the past twelve (12) months and are expected to spend significant time on the Arnold & Porter Services range from \$850 to \$1,330 for partners,

\$550 to \$950 for associates and special counsel, and \$280 to \$390 for paralegals. All of the aforementioned hourly billing rates reflect a voluntary fifteen percent (15%) discount from one-year trailing rates (e.g., 2019 rates charged in 2020). Arnold & Porter's hourly rates are subject to change from time to time in the regular course of Arnold & Porter's business. Arnold & Porter will provide notice to the Debtors, the Office of the United States Trustee and any official committee of unsecured creditors appointed in the Debtors' chapter 11 cases of any change in Arnold & Porter's hourly rates. Arnold & Porter will also file a notice of any such change in hourly rates with the Court.

11. During the ninety (90) day period prior to the Petition Date, Arnold & Porter received total payments in the amount of \$612,817.59 for services performed and expenses incurred.

12. In addition to the hourly billing rates set forth above, Arnold & Porter customarily charges its clients for all reimbursable expenses incurred. Arnold & Porter will charge for expenses in a manner and at rates consistent with charges made generally to its other clients and in accordance with the Bankruptcy Rules, the Local Rules, and any applicable orders of this Court. Such expenses include, among other things, long-distance telephone, mail and express

mail charges, special or hand delivery charges, photocopying charges at the rate of \$.10 per page for black and white and \$.75 for color copies, overtime meal expenses not to exceed \$75 per individual per day, travel expenses, expenses for computerized research, and transcription costs.

13. Neither Arnold & Porter nor any partner or associate thereof, has received or been promised any compensation for legal services rendered or to be rendered in any capacity in connection with the Debtors' chapter 11 cases, other than as permitted by the Bankruptcy Code. Arnold & Porter has agreed not to share compensation received in connection with this case with any other person, except as permitted by section 504(b) of the Bankruptcy Code and Bankruptcy Rule 2016(b) in respect of sharing of compensation among Arnold & Porter's partners.

14. Arnold & Porter will apply to the Court for allowance of compensation and reimbursement of expenses incurred after the Petition Date in accordance with General Order M-412 (*Order Establishing Procedures for Monthly Compensation and Reimbursement of Expenses of Professionals*, dated December 21, 2010 (Gonzalez, C.J.)), Administrative Order M-447 (*Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases*, dated January 29, 2013 (Morris, C.J.)), and the *U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013 (collectively, the "**Fee Guidelines**"), the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable orders of the Court

15. In addition, in accordance and in response to the request for additional information set forth in paragraph D.1 of the Fee Guidelines:

- a. Other than a voluntary fifteen percent (15%) discount from Arnold & Porter's customary hourly one-year trailing billing rates, Arnold & Porter did not agree to any variations from, or alternatives to,

Arnold & Porter's customary billing arrangements for this engagement.

- b. None of Arnold & Porter's professionals included in this engagement varied or will vary their rate based on the geographic location of these chapter 11 bankruptcy cases.
 - c. In Arnold & Porter's representation of the Debtors in the twelve (12) months prior to the Petition Date, Arnold & Porter's billing rates and the material financial terms of the prepetition engagement, including any adjustments during this period, include the following: (i) the hourly billing rates for Arnold & Porter professionals who rendered the Arnold & Porter Services during this period range from \$830 to \$1,330 for partners, \$605 to \$950 for associates and special counsel, and \$205 to \$390 for paralegals; (ii) all of the aforementioned hourly billing rates reflect a voluntary fifteen percent (15%) discount from one-year trailing rates (e.g., 2018 rates charged in 2019); and (iii) the Debtors were billed for the Arnold & Porter Services on a monthly basis.
 - d. Arnold & Porter will provide such information as the Debtors request or require for them to prepare and submit budget and staffing plans required under the Fee Guidelines.
5. Arnold & Porter will use its best efforts to avoid duplicating services rendered by the Debtors' other retained professionals.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my information, knowledge, and belief.

OF APPLICATION OF THE DEBTORS FOR ENTRY OF AN ORDER AUTHORIZING
THE DEBTORS TO EMPLOY AND RETAIN DAVIS POLK & WARDWELL LLP AS

Marc L. Kesselman, Purdue Pharma L.P.'s ("**PPLP**", and together with its affiliates that are debtors and debtors in possession in these proceedings, the "**Company**" or "**Purdue**") Senior Vice President, General Counsel and Corporate Secretary, in support of the *Application of Debtors for Authority to Employ and Retain Arnold & Porter Kaye Scholer LLP as Special Counsel for the Debtors Nunc Pro Tunc to the Petition Date* (the "**Application**"),² declares as follows:

1. I am Senior Vice President, General Counsel and Corporate Secretary of PPLP, a Delaware limited partnership headquartered in Stamford, Connecticut.

2. I submit this declaration (the "**Declaration**") (a) in connection with the Application wherein the Debtors seek entry of an order authorizing the Debtors to employ and

retain Arnold & Porter as their special counsel in the Chapter 11 Cases *nunc pro tunc* to the Petition Date.

The Debtors' Selection of Arnold & Porter

3. It is my strong belief that it is critical to select special counsel with the utmost care to maximize the value of the Debtors' estates, while at the same time focusing on costs to ensure that the Debtors' limited resources are being appropriately utilized.

4. I, as Senior Vice President and General Counsel, along with several other members of the Debtors' senior management, am responsible for retaining and supervising outside counsel. I am familiar with the markets for professionals both in and out of bankruptcy, and, in particular, Arnold & Porter's preeminent intellectual property and life sciences practices.

5. The Debtors did not consider any other law firms for this role given Arnold & Porter's extensive knowledge and experience with the Debtors, as well as their substantial experience.

6. The Debtors have received legal services from Arnold & Porter for approximately fifteen (15) years. During that time, Arnold & Porter has become intimately familiar with the Debtors' businesses and relevant legal issues. I believe, for this reason, as well as because of Arnold & Porter's extensive experience in life sciences, transactional and antitrust work, that Arnold & Porter is both well-qualified and uniquely suited to represent the Debtors in connection with these types of matters in an efficient and timely manner.

Rate Structure and Cost Supervision

7. Arnold & Porter has informed the Debtors that its billing rates and the material terms of the engagement are lower than or comparable to (a) Arnold & Porter's standard rates

and the material terms for non-bankruptcy engagements and (b) the billing rates and terms of other comparably skilled counsel.

8. The Debtors understand that it is their responsibility to track their professionals' billing practices to be sure that the fees and expenses the estates pay are fair and reasonable, and the Debtors will review the fee statements of Arnold & Porter and of all of the Debtors' other professionals to ensure that continues to be the case. The invoices regularly submitted by Arnold & Porter are reviewed by attorneys employed by the Debtors under my ultimate supervision.

9. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
