**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY AND DISCLAIMER REGARDING
DEBTORS' STATEMENTS OF FINANCIAL AFFAIRS WITH SCHEDULES¹**

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed herewith by the debtors and debtors in possession in the above-captioned cases (collectively, the "Debtors") were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by management of the Debtors and are unaudited. While the Debtors' management has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may have occurred. The Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and

¹ A Statement of Financial Affairs or a Schedule of Assets and Liabilities for a particular Debtor begins immediately after these Global Notes.

Statements. Except as noted in the Schedules and Statements, all asset and liability data contained in the Schedules and Statements are stated in U.S. currency as of the close of business on August 21, 2006. The Debtors have used their best efforts to compile the information set forth in the Schedules and Statements from their books and records maintained in the ordinary course of their businesses. The Debtors reserve their right to amend their Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding Debtors' Statements of Financial Affairs With Schedules (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. Description of the Cases. On August 21, 2006, the Debtors filed voluntary petitions with the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") for reorganization under chapter 11 of title 11, United States Code (as amended, the "Bankruptcy Code") under case numbers 06-10894 (P JW) through 06-10902 (P JW) and 06-10904 (P JW) through 06-10916 (P JW), and orders for relief were entered by the Bankruptcy Court. The cases have been consolidated for the purpose of joint administration only under Case No. 06-10894 (P JW). The Debtors currently are operating their businesses as debtors in possession under the Bankruptcy Code.

2. Basis of Presentation. For financial reporting purposes, the Debtors generally prepare consolidated financial statements, which include financial information for all subsidiaries and which in the past have been filed with the United States Securities and Exchange Commission (the "SEC") and audited annually. Unlike the consolidated financial information used for the Debtors' financial reporting purposes, the Schedules and Statements reflect the assets and liabilities of each Debtor on the basis of such Debtor's accounting records (except as set forth

herein). Each Debtor generally maintains its accounting records in accordance with the generally accepted accounting principles used in the United States and as consistently applied by such Debtor. The Debtors comprise Radnor and twenty-one domestic subsidiaries but do not include any of Radnor's foreign subsidiaries.

3. Summary of Significant Reporting Policies.

The Schedules and Statements have been signed by Michael V. Valenza, Chief Financial Officer of Radnor Holdings Corporation. In reviewing and signing the Schedules and Statements, Mr. Valenza has necessarily relied upon the efforts, statements and representations of the accounting personnel located at Radnor's headquarters and at each of the Debtors' divisions and/or locations. Mr. Valenza has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors. In addition, the following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

(a) Debtors. Each entity, other than WinCup Texas, Ltd., independently maintains accounting records. Because the Debtors engage in inter-company transactions with Debtor entities, each entity maintains detailed accounting records reflecting the inter-company accounts receivable and payable arising from each particular transaction. Separate Schedules and Statements have been filed for each of the Debtors. Inter-company balances and interests in Radnor subsidiaries and affiliates are reflected as of the close of business on August 21, 2006. Each Debtor's Schedules and Statements were prepared using the assets and liabilities of that Debtor pursuant to that Debtor's accounting records.

(b) Reporting Date. The Debtors' Schedules and Statements were prepared as of the close of business on August 21, 2006, unless otherwise stated. In some instances, the Debtors have used estimates or

pro-rated amounts where actual data as of August 21, 2006, was not available.

(c) Book Value. Each asset and liability of each Debtor is shown on the basis of the book value of the asset or liability in the Debtor's accounting books and records, unless otherwise noted, rather than the current market values, of such interests in property and/or liabilities. All inter-company balances are shown at the book values set forth in the books and records of the Debtors.

(d) Accounts Receivable and Payable. To the extent that a Debtor entity has accounts receivable and payable, such Debtor entity independently maintains its own records pertaining to such accounts receivable and payable. However, certain of the Debtor entities do not have any accounts receivable or payable. Under some circumstances, a Debtor may request another Debtor entity to transfer funds so that the requesting Debtor may make a payment to a creditor. At the time of the request, the requesting Debtor creates an inter-company payable. At the same time, such Debtor entity pays the requesting Debtor and creates an inter-company receivable. This arrangement results in the accounting records reflecting inter-company accounts payable and inter-company accounts receivable. Other inter-company transactions are accomplished by balance sheet netting of the mutual accounts receivable and accounts payable, which settlements do not involve the transfer of cash, but rather are bookkeeping transactions. Certain other inter-company transactions are achieved through cash transfers, which are then noted in the requesting Debtor's and the responding Debtor's books of account. Outstanding receivables between and among the Debtors are scheduled on Schedule B16 in the aggregate. Corresponding Debtor to Debtor obligations are listed on an aggregated basis on Schedule F. As of the Petition Date, all prepetition inter-company account balances were frozen. Postpetition, to preserve the relative interests of the estates of the Debtors and non-Debtor subsidiaries and affiliates to the greatest extent practicable, restrictions have been placed on inter-

company account balances. The listing of the aforementioned amounts shall not be construed as a characterization of such payments (as debt, equity or otherwise). Additionally, certain of their inter-company balances may be disputed, and any amounts listed should not be considered an admission of their validity.

(e) Intellectual Property Rights.

Inclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of such intellectual property rights.

(f) Causes of Action. The Debtors have not set forth all causes of action against all third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action that they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

(g) Executory Contracts. The Debtors have not set forth executory contracts as assets in their Schedules and Statements. The Debtors' executory contracts have been set forth in Schedule G.

(h) Property and equipment - owned. Unless otherwise noted, owned property and equipment are stated as unknown. Although the Debtors have values recorded for owned real property on their books, the Debtors believe such book values would not accurately reflect the market value of the property. Therefore, the Debtors have listed the value as unknown. The estimated useful lives for the Debtors' assets are forty (40) years for buildings, five (5) years for molds and fifteen (15) years for other fixtures and equipment. Leasehold improvements are depreciated over a twenty (20) year period. Leasehold improvements are scheduled in Schedule B28. The leases are identified in the Debtors' Schedule G of Executory Contracts. For tax reporting

purposes, and beginning in the second quarter of 2006, all assets were recorded using the straightline method of depreciation. Prior to this period, the straightline half-year depreciation method was used by the Debtors. Assets purchased through a Mooresville, North Carolina acquisition in November 2003 were, at the time of acquisition, recorded using straightline (and not straightline, half-year) method of depreciation. Inasmuch as the Debtors calculate depreciation and amortization monthly, the Schedules and Statements reflect a pro-rated amount of monthly depreciation and amortization through July 31, 2006.

(i) Property and equipment - leased. In the ordinary course of their businesses, the Debtors lease furniture, fixtures, and equipment from certain third-party lessors for use in the daily operations of their businesses. Any such leases are set forth in the Schedules and Statements. The property subject to such leases is not reflected in the Schedules and Statements as either owned property or assets of the Debtors or property or assets of third-parties within the control of the Debtors. Nothing in the Schedules and Statements is or shall be construed as an admission or determination as to legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any of such issues.

(j) Payments to Creditors and Insiders. On Statement of Financial Affairs 3C, the Debtors have not scheduled payments made to employees who may be deemed officers where the employees function in a purely ministerial role and have no material inside information. Finally, prior to the Petition Date, Radnor and its subsidiaries and affiliates routinely settled their inter-company accounts by a balance sheet "netting" of the mutual accounts receivable and payable between certain parties. These settlements did not involve the transfer of cash, but rather were bookkeeping transactions. Prepetition settlements of inter-company accounts that did not involve the transfer of cash and which occurred in the ordinary course of business are

not shown as payments in the Debtors' Schedules and Statements.

(k) Interests in Subsidiaries. Radnor owns directly or indirectly the twenty-one subsidiaries and affiliates that are Debtors. In addition, Radnor owns directly or indirectly certain foreign subsidiaries and affiliates that are not Debtors. Equity interests in subsidiaries and affiliates primarily arise from common stock ownership, LLC membership interests, or partnership interests. Each Debtor's "Schedule B- Personal Property" lists such Debtor's ownership interests, if any, in subsidiaries and affiliates. For purposes of these Schedules and Statements, the Debtors have listed the value of such ownership interests as undetermined because the fair market value of such stock or interests is dependent on numerous variables and factors and may differ significantly from the net book value.

(l) Financial Statements. Pursuant to an indenture dated March 11, 2003 (the "Indenture"), Radnor issued 11.0% Senior Notes due 2010 in the aggregate amount of \$135 million (the "Senior Notes"). As required by the Indenture, Radnor filed consolidated financial statements and records for the Debtors annually with the United States Securities and Exchange Commission (the "SEC"). Although the Senior Notes are publicly traded, Radnor's stock is closely held and not publicly traded. Radnor is not, therefore, a public company.

(m) Schedule D:

(i) Schedule D reflects the Debtors' secured liabilities as of the Petition Date. Pursuant to the Amended Interim Order (I) Authorizing Debtors (A) To Obtain Postpetition Financing Pursuant to 11 U.S.C. §§ 105, 361, 362, 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1), and (B) To Utilize Cash Collateral Pursuant to 11 U.S.C. § 363; (II) Granting Liens, Security Interests and Superpriority Claims; (III) Granting Adequate Protection to Prepetition Secured Parties Pursuant

to 11 U.S.C. §§ 361, 362, 363 and 364; and (IV) Scheduling a Final Hearing Pursuant to Bankruptcy Rules 2002, 4001 and 9014 (Docket No. 53) and the Final Order (I) Authorizing Debtors (A) To Obtain Postpetition Financing Pursuant to 11 U.S.C. §§ 105, 361, 362, 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1) and 364(e), and (B) To Utilize Cash Collateral Pursuant to 11 U.S.C. § 363; and (II) Granting Liens, Security Interests and Superpriority Claims; (III) Granting Adequate Protection to Prepetition Secured Parties Pursuant to 11 U.S.C. §§ 361, 362, 363, and 364 (Docket No. 278), the Debtors' prepetition liability to their prepetition secured lenders was paid subsequent to the Petition Date. **However, the period to challenge or investigate such payments and liability has not yet expired. Consequently, such prepetition secured lenders may still hold indemnification claims against the Debtors. Furthermore, such prepetition liability was replaced with postpetition debt in at least the same amount as the prepetition liability.**

(ii) Except as otherwise agreed pursuant to a stipulation or agreed order or any other order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction, or any document or instrument (including, without limitation, any inter-company agreement) related to such creditor's claim.

(iii) In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors. No claim set forth on Schedule D of any

Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Holders of secured claims by virtue of holding setoff rights against the Debtors are not included on Schedule D. To the extent that the Debtors are parties to capital leases, the Debtors have treated those leases as executory contracts, which may be shown on Schedule G. However, the Debtors reserve their rights to assert that such capital leases are secured financings, rather than unexpired leases.

(n) Schedule F. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule F of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule F are intended only to be a summary. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. The claims of individual creditors for, among other things, merchandise, goods, services or taxes are listed at the amounts listed on the Debtors' books and records and may not reflect credits or allowances due from such creditor. The Debtors reserve all of their rights respecting such credits and allowances. The dollar amounts listed may be exclusive of contingent and unliquidated amounts. The Debtors expressly incorporate by reference into Schedule F all parties to pending and potential pending litigation listed in the Debtors' Statements as contingent, unliquidated and disputed claims to the extent not already listed on Schedule F. All parties to executory

contracts, including those listed on Schedule G, are holders of contingent and unliquidated unsecured claims arising from (i) obligations under those executory contracts and/or (ii) rejection damages in the event that such executory contract is rejected. Not all such claims are duplicated on Schedule F.

(o) Schedule G:

(i) The businesses of the Debtors are complex. While every effort has been made to ensure the accuracy of the Schedule of Executory Contracts, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

(ii) The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements that may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have been scheduled to the best of the Debtors' knowledge. Schedule G does not include stand alone purchase orders for goods or equipment or nondisclosure agreements. Schedule G does not include all of the Debtors' bid proposals entered into by the Debtors in the ordinary course of their business because the Debtors do not consider such documents to be executory contracts. Additionally, the Debtors may be parties to various other

agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, and attornment agreements, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps, and other miscellaneous agreements. Such documents are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings.

(iii) The presence of a contract or agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on these Schedules.

(p) Statement of Financial Affairs. Both questions 3C and 23 in the statement of financial affairs request information regarding payments to insiders. The Debtors have listed expense reimbursements, gross wages and bonuses to their insiders in response to question 3C.

4. Claims. The Debtors' Schedules list creditors and set forth the Debtors' estimate of the number of claims of creditors as of the close of business on August 21, 2006. Payments have been made subsequently to certain claimants pursuant to Bankruptcy Court orders in the Debtors' cases. The Bankruptcy Court has authorized the Debtors, among other matters, to continue certain customer practices and programs; to pay prepetition wages, salaries, and employee benefits; to pay critical vendor claims; to pay prepetition trust fund, use, and other taxes; and to pay certain prepetition freight carrier and related charges. The Debtors have attempted to reflect these subsequent payments in the Schedules and Statements, but the actual unpaid claims of creditors may differ from the amounts set forth in the Schedules and Statements.

5. Employee and Former Employee Addresses.

Where directors, employees, and former employees have been identified in the Schedules and Statements, their addresses have not been set forth. These addresses will be provided with appropriate confidentiality provisions upon request.

6. Employee Claims.

The Bankruptcy Court entered a first day order (the "Employee Wages Order") granting authority to the Debtors to pay prepetition and postpetition employee wages, salaries, benefits, and other obligations for employees. Pursuant to such the Employee Wages Order, the Debtors believe that, other than claims of Radnor's Chief Executive Officer and claims of former employees for severance, any employee claims for prepetition amounts either have been satisfied or are in the process of being satisfied. Accordingly, employee claims for amounts owing as of the end of the day on August 21, 2006 that have been paid or that are intended to be paid have not been included in the Schedules and Statements. The Debtors have, however, included severance obligations not paid to date in the Schedules and Statements.

7. Disputed, Contingent, and/or Unliquidated Claims. Schedules D, E, and F permit each of the Debtors to designate a claim as disputed, contingent, and/or unliquidated. A failure to designate a claim on any of these schedules as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to any claim reflected on these Schedules as to nature, amount, liability, or status or to otherwise subsequently designate any claim as disputed, contingent or unliquidated.

8. Insurance.

Radnor maintains general liability insurance policies, and various other insurance policies, on behalf of all the Debtors. A listing of all such insurance policies is set forth on Radnor's Schedule G.

9. Inventory. The Debtors routinely perform manual counts of their inventory, and record the results of such manual counts through cycle count sheets. In the event of a discrepancy, the Debtors recount and perform a book adjustment for such recount results. The Debtors have provided the inventory as of August 4, 2006 on the Statement of Financial Affairs. Inventory values set forth on the Statement of Financial Affairs are at cost.

10. Real Property. Real property owned by any Debtor is listed in Schedule A for that Debtor. Real property owned by subsidiaries of Radnor that did not file Chapter 11 petitions have not been scheduled.

11. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY AND DISCLAIMER REGARDING
DEBTORS' STATEMENTS OF FINANCIAL AFFAIRS WITH SCHEDULES¹**

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed herewith by the debtors and debtors in possession in the above-captioned cases (collectively, the "Debtors") were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by management of the Debtors and are unaudited. While the Debtors' management has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may have occurred. The Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and

¹ A Statement of Financial Affairs or a Schedule of Assets and Liabilities for a particular Debtor begins immediately after these Global Notes.

Statements. Except as noted in the Schedules and Statements, all asset and liability data contained in the Schedules and Statements are stated in U.S. currency as of the close of business on August 21, 2006. The Debtors have used their best efforts to compile the information set forth in the Schedules and Statements from their books and records maintained in the ordinary course of their businesses. The Debtors reserve their right to amend their Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding Debtors' Statements of Financial Affairs With Schedules (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. Description of the Cases. On August 21, 2006, the Debtors filed voluntary petitions with the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") for reorganization under chapter 11 of title 11, United States Code (as amended, the "Bankruptcy Code") under case numbers 06-10894 (P JW) through 06-10902 (P JW) and 06-10904 (P JW) through 06-10916 (P JW), and orders for relief were entered by the Bankruptcy Court. The cases have been consolidated for the purpose of joint administration only under Case No. 06-10894 (P JW). The Debtors currently are operating their businesses as debtors in possession under the Bankruptcy Code.

2. Basis of Presentation. For financial reporting purposes, the Debtors generally prepare consolidated financial statements, which include financial information for all subsidiaries and which in the past have been filed with the United States Securities and Exchange Commission (the "SEC") and audited annually. Unlike the consolidated financial information used for the Debtors' financial reporting purposes, the Schedules and Statements reflect the assets and liabilities of each Debtor on the basis of such Debtor's accounting records (except as set forth

herein). Each Debtor generally maintains its accounting records in accordance with the generally accepted accounting principles used in the United States and as consistently applied by such Debtor. The Debtors comprise Radnor and twenty-one domestic subsidiaries but do not include any of Radnor's foreign subsidiaries.

3. Summary of Significant Reporting Policies.

The Schedules and Statements have been signed by Michael V. Valenza, Chief Financial Officer of Radnor Holdings Corporation. In reviewing and signing the Schedules and Statements, Mr. Valenza has necessarily relied upon the efforts, statements and representations of the accounting personnel located at Radnor's headquarters and at each of the Debtors' divisions and/or locations. Mr. Valenza has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors. In addition, the following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

(a) Debtors. Each entity, other than WinCup Texas, Ltd., independently maintains accounting records. Because the Debtors engage in inter-company transactions with Debtor entities, each entity maintains detailed accounting records reflecting the inter-company accounts receivable and payable arising from each particular transaction. Separate Schedules and Statements have been filed for each of the Debtors. Inter-company balances and interests in Radnor subsidiaries and affiliates are reflected as of the close of business on August 21, 2006. Each Debtor's Schedules and Statements were prepared using the assets and liabilities of that Debtor pursuant to that Debtor's accounting records.

(b) Reporting Date. The Debtors' Schedules and Statements were prepared as of the close of business on August 21, 2006, unless otherwise stated. In some instances, the Debtors have used estimates or

pro-rated amounts where actual data as of August 21, 2006, was not available.

(c) Book Value. Each asset and liability of each Debtor is shown on the basis of the book value of the asset or liability in the Debtor's accounting books and records, unless otherwise noted, rather than the current market values, of such interests in property and/or liabilities. All inter-company balances are shown at the book values set forth in the books and records of the Debtors.

(d) Accounts Receivable and Payable. To the extent that a Debtor entity has accounts receivable and payable, such Debtor entity independently maintains its own records pertaining to such accounts receivable and payable. However, certain of the Debtor entities do not have any accounts receivable or payable. Under some circumstances, a Debtor may request another Debtor entity to transfer funds so that the requesting Debtor may make a payment to a creditor. At the time of the request, the requesting Debtor creates an inter-company payable. At the same time, such Debtor entity pays the requesting Debtor and creates an inter-company receivable. This arrangement results in the accounting records reflecting inter-company accounts payable and inter-company accounts receivable. Other inter-company transactions are accomplished by balance sheet netting of the mutual accounts receivable and accounts payable, which settlements do not involve the transfer of cash, but rather are bookkeeping transactions. Certain other inter-company transactions are achieved through cash transfers, which are then noted in the requesting Debtor's and the responding Debtor's books of account. Outstanding receivables between and among the Debtors are scheduled on Schedule B16 in the aggregate. Corresponding Debtor to Debtor obligations are listed on an aggregated basis on Schedule F. As of the Petition Date, all prepetition inter-company account balances were frozen. Postpetition, to preserve the relative interests of the estates of the Debtors and non-Debtor subsidiaries and affiliates to the greatest extent practicable, restrictions have been placed on inter-

company account balances. The listing of the aforementioned amounts shall not be construed as a characterization of such payments (as debt, equity or otherwise). Additionally, certain of their inter-company balances may be disputed, and any amounts listed should not be considered an admission of their validity.

(e) Intellectual Property Rights.

Inclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of such intellectual property rights.

(f) Causes of Action. The Debtors have not set forth all causes of action against all third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action that they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

(g) Executory Contracts. The Debtors have not set forth executory contracts as assets in their Schedules and Statements. The Debtors' executory contracts have been set forth in Schedule G.

(h) Property and equipment - owned. Unless otherwise noted, owned property and equipment are stated as unknown. Although the Debtors have values recorded for owned real property on their books, the Debtors believe such book values would not accurately reflect the market value of the property. Therefore, the Debtors have listed the value as unknown. The estimated useful lives for the Debtors' assets are forty (40) years for buildings, five (5) years for molds and fifteen (15) years for other fixtures and equipment. Leasehold improvements are depreciated over a twenty (20) year period. Leasehold improvements are scheduled in Schedule B28. The leases are identified in the Debtors' Schedule G of Executory Contracts. For tax reporting

purposes, and beginning in the second quarter of 2006, all assets were recorded using the straightline method of depreciation. Prior to this period, the straightline half-year depreciation method was used by the Debtors. Assets purchased through a Mooresville, North Carolina acquisition in November 2003 were, at the time of acquisition, recorded using straightline (and not straightline, half-year) method of depreciation. Inasmuch as the Debtors calculate depreciation and amortization monthly, the Schedules and Statements reflect a pro-rated amount of monthly depreciation and amortization through July 31, 2006.

(i) Property and equipment - leased. In the ordinary course of their businesses, the Debtors lease furniture, fixtures, and equipment from certain third-party lessors for use in the daily operations of their businesses. Any such leases are set forth in the Schedules and Statements. The property subject to such leases is not reflected in the Schedules and Statements as either owned property or assets of the Debtors or property or assets of third-parties within the control of the Debtors. Nothing in the Schedules and Statements is or shall be construed as an admission or determination as to legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any of such issues.

(j) Payments to Creditors and Insiders. On Statement of Financial Affairs 3C, the Debtors have not scheduled payments made to employees who may be deemed officers where the employees function in a purely ministerial role and have no material inside information. Finally, prior to the Petition Date, Radnor and its subsidiaries and affiliates routinely settled their inter-company accounts by a balance sheet "netting" of the mutual accounts receivable and payable between certain parties. These settlements did not involve the transfer of cash, but rather were bookkeeping transactions. Prepetition settlements of inter-company accounts that did not involve the transfer of cash and which occurred in the ordinary course of business are

not shown as payments in the Debtors' Schedules and Statements.

(k) Interests in Subsidiaries. Radnor owns directly or indirectly the twenty-one subsidiaries and affiliates that are Debtors. In addition, Radnor owns directly or indirectly certain foreign subsidiaries and affiliates that are not Debtors. Equity interests in subsidiaries and affiliates primarily arise from common stock ownership, LLC membership interests, or partnership interests. Each Debtor's "Schedule B- Personal Property" lists such Debtor's ownership interests, if any, in subsidiaries and affiliates. For purposes of these Schedules and Statements, the Debtors have listed the value of such ownership interests as undetermined because the fair market value of such stock or interests is dependent on numerous variables and factors and may differ significantly from the net book value.

(l) Financial Statements. Pursuant to an indenture dated March 11, 2003 (the "Indenture"), Radnor issued 11.0% Senior Notes due 2010 in the aggregate amount of \$135 million (the "Senior Notes"). As required by the Indenture, Radnor filed consolidated financial statements and records for the Debtors annually with the United States Securities and Exchange Commission (the "SEC"). Although the Senior Notes are publicly traded, Radnor's stock is closely held and not publicly traded. Radnor is not, therefore, a public company.

(m) Schedule D:

(i) Schedule D reflects the Debtors' secured liabilities as of the Petition Date. Pursuant to the Amended Interim Order (I) Authorizing Debtors (A) To Obtain Postpetition Financing Pursuant to 11 U.S.C. §§ 105, 361, 362, 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1), and (B) To Utilize Cash Collateral Pursuant to 11 U.S.C. § 363; (II) Granting Liens, Security Interests and Superpriority Claims; (III) Granting Adequate Protection to Prepetition Secured Parties Pursuant

to 11 U.S.C. §§ 361, 362, 363 and 364; and (IV) Scheduling a Final Hearing Pursuant to Bankruptcy Rules 2002, 4001 and 9014 (Docket No. 53) and the Final Order (I) Authorizing Debtors (A) To Obtain Postpetition Financing Pursuant to 11 U.S.C. §§ 105, 361, 362, 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1) and 364(e), and (B) To Utilize Cash Collateral Pursuant to 11 U.S.C. § 363; and (II) Granting Liens, Security Interests and Superpriority Claims; (III) Granting Adequate Protection to Prepetition Secured Parties Pursuant to 11 U.S.C. §§ 361, 362, 363, and 364 (Docket No. 278), the Debtors' prepetition liability to their prepetition secured lenders was paid subsequent to the Petition Date. **However, the period to challenge or investigate such payments and liability has not yet expired. Consequently, such prepetition secured lenders may still hold indemnification claims against the Debtors. Furthermore, such prepetition liability was replaced with postpetition debt in at least the same amount as the prepetition liability.**

(ii) Except as otherwise agreed pursuant to a stipulation or agreed order or any other order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction, or any document or instrument (including, without limitation, any inter-company agreement) related to such creditor's claim.

(iii) In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors. No claim set forth on Schedule D of any

Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Holders of secured claims by virtue of holding setoff rights against the Debtors are not included on Schedule D. To the extent that the Debtors are parties to capital leases, the Debtors have treated those leases as executory contracts, which may be shown on Schedule G. However, the Debtors reserve their rights to assert that such capital leases are secured financings, rather than unexpired leases.

(n) Schedule F. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule F of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule F are intended only to be a summary. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. The claims of individual creditors for, among other things, merchandise, goods, services or taxes are listed at the amounts listed on the Debtors' books and records and may not reflect credits or allowances due from such creditor. The Debtors reserve all of their rights respecting such credits and allowances. The dollar amounts listed may be exclusive of contingent and unliquidated amounts. The Debtors expressly incorporate by reference into Schedule F all parties to pending and potential pending litigation listed in the Debtors' Statements as contingent, unliquidated and disputed claims to the extent not already listed on Schedule F. All parties to executory

contracts, including those listed on Schedule G, are holders of contingent and unliquidated unsecured claims arising from (i) obligations under those executory contracts and/or (ii) rejection damages in the event that such executory contract is rejected. Not all such claims are duplicated on Schedule F.

(o) Schedule G:

(i) The businesses of the Debtors are complex. While every effort has been made to ensure the accuracy of the Schedule of Executory Contracts, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

(ii) The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements that may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have been scheduled to the best of the Debtors' knowledge. Schedule G does not include stand alone purchase orders for goods or equipment or nondisclosure agreements. Schedule G does not include all of the Debtors' bid proposals entered into by the Debtors in the ordinary course of their business because the Debtors do not consider such documents to be executory contracts. Additionally, the Debtors may be parties to various other

agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, and attornment agreements, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps, and other miscellaneous agreements. Such documents are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings.

(iii) The presence of a contract or agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on these Schedules.

(p) Statement of Financial Affairs. Both questions 3C and 23 in the statement of financial affairs request information regarding payments to insiders. The Debtors have listed expense reimbursements, gross wages and bonuses to their insiders in response to question 3C.

4. Claims. The Debtors' Schedules list creditors and set forth the Debtors' estimate of the number of claims of creditors as of the close of business on August 21, 2006. Payments have been made subsequently to certain claimants pursuant to Bankruptcy Court orders in the Debtors' cases. The Bankruptcy Court has authorized the Debtors, among other matters, to continue certain customer practices and programs; to pay prepetition wages, salaries, and employee benefits; to pay critical vendor claims; to pay prepetition trust fund, use, and other taxes; and to pay certain prepetition freight carrier and related charges. The Debtors have attempted to reflect these subsequent payments in the Schedules and Statements, but the actual unpaid claims of creditors may differ from the amounts set forth in the Schedules and Statements.

5. Employee and Former Employee Addresses.

Where directors, employees, and former employees have been identified in the Schedules and Statements, their addresses have not been set forth. These addresses will be provided with appropriate confidentiality provisions upon request.

6. Employee Claims.

The Bankruptcy Court entered a first day order (the "Employee Wages Order") granting authority to the Debtors to pay prepetition and postpetition employee wages, salaries, benefits, and other obligations for employees. Pursuant to such the Employee Wages Order, the Debtors believe that, other than claims of Radnor's Chief Executive Officer and claims of former employees for severance, any employee claims for prepetition amounts either have been satisfied or are in the process of being satisfied. Accordingly, employee claims for amounts owing as of the end of the day on August 21, 2006 that have been paid or that are intended to be paid have not been included in the Schedules and Statements. The Debtors have, however, included severance obligations not paid to date in the Schedules and Statements.

7. Disputed, Contingent, and/or Unliquidated Claims. Schedules D, E, and F permit each of the Debtors to designate a claim as disputed, contingent, and/or unliquidated. A failure to designate a claim on any of these schedules as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to any claim reflected on these Schedules as to nature, amount, liability, or status or to otherwise subsequently designate any claim as disputed, contingent or unliquidated.

8. Insurance.

Radnor maintains general liability insurance policies, and various other insurance policies, on behalf of all the Debtors. A listing of all such insurance policies is set forth on Radnor's Schedule G.

9. Inventory. The Debtors routinely perform manual counts of their inventory, and record the results of such manual counts through cycle count sheets. In the event of a discrepancy, the Debtors recount and perform a book adjustment for such recount results. The Debtors have provided the inventory as of August 4, 2006 on the Statement of Financial Affairs. Inventory values set forth on the Statement of Financial Affairs are at cost.

In re: StyroChem LP, L.L.C.

Case No. 06-10909(PJW)

STATEMENT OF FINANCIAL AFFAIRS

This statement is to be completed by every debtor. Spouses filing a joint petition may file a single statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs. Do not include the name or address of a minor child in this statement. Indicate payments, transfers and the like to minor children by stating "a minor child." See 11 U.S.C. §112; Fed. R. Bankr. P. 1007(m).

Questions 1 - 18 are to be completed by all debtors. Debtors that are or have been in business, as defined below, also must complete Questions 19 - 25. If the answer to an applicable question is "None," mark the box labeled "None." If additional space is needed for the answer to any question, use and attach a separate sheet properly identified with the case name, case number (if known), and the number of the question.
