Proposed Counsel for the Debtors

EXHIBIT A TO SETTLEMENT AGREEMENT

Affidavit of Bond Trustee

**AFFIDAVIT AND AGREEMENT RELATING TO TERMINATION OF
LAND USE RESTRICTION AGREEMENT**

BEFORE ME, the undersigned authority, duly authorized to administer oaths and take acknowledgments, personally appeared Mark Heer (“Affiant”), Senior Vice President of UMB Bank, N.A., a national banking association, not in its individual corporate capacities, but solely in its capacities as successor trustee (the “Bond Trustee”) for the \$4,040,000 Series 2018 A Revenue Refunding Bonds (Senter’s Memory Care Project) (the “Tax Exempt Bonds”), issued pursuant to an Indenture of Trust and a First Supplemental Trust Indenture (the “Bond Indenture”), each dated as of October 1, 2018 between the Public Finance Authority (the “Issuer”) and the Bond Trustee.

RECITALS

A. The Issuer issued the Tax Exempt Bonds, along with the Series 2018 B Revenue Refunding Bonds – Taxable (Senter’s Memory Care Project) in the aggregate principal amount of \$105,000 (the “Taxable Bonds”, and together with the Tax Exempt Bonds, the “Bonds”), pursuant to the terms of the Bond Indenture for the purpose of, among other things, providing financing with respect to an assisted living facility located in Harnett County, North Carolina (the “Project”).

B. The Issuer, HP6 Fuquay-Varina Health Investors, LLC and Fuquay-Varia Health Holdings, LLC, as Borrowers (together, the “Borrowers”), and The Huntington National Bank (the “Original Trustee”, as predecessor to the Bond Trustee (collectively, the “LURA Parties”), entered into a Land Use Restriction Agreement (the “LURA”) for the Project, dated as of October 1, 2018, and filed for recording with the Office of the Register of Deeds for Harnett County, North Carolina at Book 3648, and Page 57.

C. The Borrowers’ obligations under the Bonds and the notes related to the Bonds are secured by, among other things, the Borrowers’ real property, pursuant to and as described in that Deed of Trust, Assignment of Leases and Rents, Security Agreement and Fixture Filing dated as of October 1, 2018, in favor of the Original Trustee as beneficiary recorded in the Office of the Register of Deeds for Harnett County, North Carolina, at Book 3648, and Page 24.

D. The Borrowers failed to pay debt service on the obligations related to the Bonds, and through (i) a Notice of Continuing Events of Default and Acceleration dated March 2, 2021, and (ii) a letter dated July 30, 2021, the Trustee demanded payment in full of the entire outstanding balance due and owing under the documents related to the Bonds.

E. On August 10, 2021, the Bond Trustee filed a lawsuit in the Superior Court, County of Harnett, North Carolina (Case No. 21CVS1674), against the Borrowers and certain guarantors of the obligations due and owing under and related to the Bonds.

F. As a result of the aforementioned events of default, the Parties agree that the Bond Trustee could have pursued foreclosure proceedings with respect to the Project.

G. On August 26, 2021, Regional Housing & Community Services Corp. (“RHCSC”), the sole member of each of the Borrowers, and sixteen (16) subsidiaries of RHCSC (collectively, the “Debtors”) filed for relief (collectively the “Bankruptcy Cases”) under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Georgia, Rome Division (the “Bankruptcy Court”).

H. In connection with the Bankruptcy Cases, on October __, 2021, the Debtors, the Bond Trustee, and certain other parties entered into that certain Release and Settlement Agreement (the “Settlement Agreement”) pursuant to which it was agreed, among other things, that a newly-formed entity (the “Buyer”) would assume the Borrowers’ membership interests for an amount sufficient to pay the Bond Trustee \$4,550,000 (the “Settlement Payment”).

I. As provided in Section 12 of the LURA, the LURA Parties agreed that the LURA would terminate upon certain occurrences, including: “in the event of (a) a foreclosure or delivery of a deed in lieu of foreclosure whereby a third party shall take possession of the Project ... and (b) the payment in full and retirement of the Series 2018A Bonds within a reasonable period thereafter; provided, however, that the preceding provision of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, either of the Borrowers (or any person related to any of the Borrowers within the meaning of Section 147(a)(2) of the Code) obtains an ownership interest in the Project for federal income tax purposes.”

J. Based on the foregoing, the Buyer has requested, and the Settlement Agreement provides, that the Affiant execute this Affidavit and Agreement Relating to Termination of Land Use Restriction Agreement (the “Affidavit and Agreement”).

AFFIDAVIT AND AGREEMENT

1. Purpose of Affidavit and Agreement. This Affidavit and Agreement is given in connection with the Settlement Agreement and the conveyance of the Project pursuant to a [NAME OF DEED] attached hereto as Exhibit “A”.

2. Remedies Similar to Foreclosure. The Affiant states on behalf of the Bond Trustee that given the Borrowers’ events of default, the Bond Trustee could have commenced foreclosure proceedings, however, the sale of the Project contemplated by the Settlement Agreement and the payment of the Settlement Payment in exchange for the Bond Trustee releasing its liens and mortgages on the Project, was an alternative to foreclosure acceptable to the Bond Trustee. The Settlement Agreement was an exercise of the remedies available to the Bond Trustee under the documents related to the Bonds. The Borrowers have represented to the Bond Trustee, and the Bond Trustee is in agreement with the Borrowers, that the transactions referenced in the Settlement Agreement are intended to cause the termination of the LURA pursuant to Section 12 thereof.

3. Retirement of Bonds. Affiant certifies on behalf of Bond Trustee that the Bonds will be cancelled no later than ninety (90) days after receipt of the Settlement Payment.

4. Further Assurances. At the sole cost and expense of the Borrowers or the Buyer, or their successors or assigns, Bond Trustee agrees to provide such further assurances with respect to the matters stated herein as Buyer and/or its successors and assigns may reasonably request (including without limitation executing and delivering such affidavits, certificates and other instruments as may be reasonably requested).

5. Reliance Upon Affidavit. Affiant understands that reliance may be placed upon this Affidavit by Buyer, Borrower, Issuer, and their successors and assigns.

(B) GRANTING SECURITY INTERESTS TO THE
BONDHOLDERS; (C) SUPERPRIORITY CLAIMS AND OTHER
ADEQUATE PROTECTION TO THE BOND TRUSTEE; AND
(II) AUTHORIZING THE USE OF CASH COLLATERAL BY THE DEBTORS**

This matter came before the Court for interim hearing at 2:00 p.m. on August 31, 2021 (the “**Initial Hearing**”), which Initial Hearing was continued to 10:00 a.m. on September 2, 2021, 2:00 p.m. on September 21, 2021, and 11:30 a.m. on September 29, 2021 (the “**Continued Hearings**”), and for final hearing at 1:30 p.m. on October 14, 2021 (the “**Final Hearing**”) on (i) the *Debtors’ Motion for Interim and Final Orders (I) Authorizing (A) Secured Postpetition Financing Pursuant to 11 U.S.C. §§ 105, 361, 362, and 364(c) and (d); and (B) Granting Security Interests, Superpriority Claims, and Adequate Protection, and (II) Scheduling a Final Hearing; and Memorandum of Points and Authorities* (the “**DIP Motion**”)¹ [Docket No. 12], and (ii) the proposed use of the Bond Trustee’s cash collateral as set forth in the Debtors’ *Motion for Authority to Use Cash Collateral* (the “**Cash Collateral Motion**”); and together with the DIP Motion, the “**Motions**”) [Docket No. 11], in each case filed by the debtors and debtors and debtors-in-possession (collectively, the “**Debtors**”) in the above-captioned jointly administered chapter 11 cases (the “**Chapter 11 Cases**”). UMB Bank, as successor trustee for certain bonds (the “**Bond**

¹ Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the DIP Motion.

Trustee”) objected (the “**Objections**”) to the relief requested in the DIP Motion and the Cash Collateral Motion.

Prior to each of the Continued Hearings, the Debtors and UMB Bank conferred and agreed to the terms of three interim orders (respectively, the “**First Interim Order**” [Docket No. 35], the “**Second Interim Order**” [Docket No. 59], and the “**Third Interim Order**” [Docket No. 65; and collectively, the “**Interim Orders**”] on the Motions on a consensual basis. At the September 21 hearing, the Debtors also reported to the Court that they hoped to reach a longer-term resolution whereby, among other things, Ecofin Direct Municipal Opportunities Fund, LP (f/k/a Tortoise Direct Municipal Opportunities Fund, LP) and Ecofin Tax-Advantaged Social Impact Fund, Inc. (together, the “**Bondholders**”) would provide funding for the Debtors pursuant to the terms of a Budget (as defined below), and the Debtors would agree to replace their officers and directors and ALG Senior, LLC, as the manager, with new directors and officers, and a new manager, in each case subject to the consent and approval of the Bond Trustee.

The parties did reach such an agreement and on September 24, 2021, the Debtors filed a motion (the “**Settlement Agreement Motion**”) [Docket No. 59] seeking approval of the proposed settlement agreement and authorization from the Court for the Debtors to enter into the proposed settlement agreement (the “**Settlement Agreement**”). A term sheet describing the proposed settlement among the parties was filed as an exhibit to the Settlement Agreement Motion, and on October 8, 2021, the Debtors filed a copy of the form of Settlement Agreement as a supplement to the Settlement Agreement Motion. A material provision of the Settlement Agreement is a willingness of the Bond Trustee to consent to the use of its cash collateral by the Debtors in these Chapter 11 Cases and for the Bondholders to advance further funds to the Debtors, in each case pursuant to the terms and conditions of this order (the “**Final Order**”).

This Court having found that this is a core proceeding under 28 U.S.C. § 157(b); and that this Court having found it may enter Final Order on a final basis consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Motions in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief set forth in this Final Order is in the best interest of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motions and an opportunity for a hearing on the Motions was appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motions and having heard the statements in support of and against the relief requested therein at the Initial Hearing, the Continued Hearings, and the Final Hearing; and this Court having determined that the legal and factual bases set forth in this Final Order, if any, establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor, the Court makes the following findings of fact and conclusions of law.

FINDINGS OF FACT

The Debtors' Chapter 11 Cases; Procedural Background; Jurisdiction and Notice

A. On August 26, 2021 (the "**Petition Date**"), each of the Debtors filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**") and thereby commenced the Chapter 11 Cases. Since the Petition Date, the Debtors have been operating their businesses and managing their properties as debtors and debtors in possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code.

B. The Court held hearings to consider granting the relief requested in the Motions on an interim basis on August 31, 2021, September 2, 2021, September 21, 2021, and September 29, 2021. Following the September 2 Hearing the Court entered the First Interim Order, following the September 21 hearing the Court entered the Second Interim Order, and following the September

29 hearing the Court entered the Third Interim Order, in each case with the consent of the Debtors, the Bond Trustee, and the Bondholders.

C. The Debtors have properly served notice of the Motions and the hearings thereon pursuant to Sections 102, 105, 361, 362, 363 and 364 of the Bankruptcy Code and Federal Rules of Bankruptcy Procedure 2002 and 4001, 6004, 9006, and 9014 and the Bankruptcy Local Rules. Such notice is sufficient for all purposes under the Bankruptcy Code and the applicable Bankruptcy Rules in respect to the relief requested and no further notice is necessary.

The Debtor and the Community

D. Eight of the Debtors (each a “**Property Company**” and collectively, the “**Property Companies**”) own and operate a senior living facility (each a “**Facility**” and collectively the “**Facilities**”). Eight separate Debtors (each an “**Operating Company**” and collectively the “**Operating Companies**”) lease a Facility from the Property Companies. Debtor Regional Housing & Community Services Corp. (“**Regional**”) is the 100% owner and single member of each of the Property Companies and the Operating Companies. The Operating Companies have each entered into a Management Agreement (collectively the “**Management Agreements**”) with ALG Senior, LLC (“**ALG**”) to manage the operations of the Facilities that each Operating Company leases from a Property Company.

The Secured Bond Obligations

E. Pursuant to this Final Order and subject to the limitations of Paragraph 34 herein, the Debtors acknowledge, stipulate, and agree that the Debtors are obligated to the Bond Trustee for the benefit of the beneficial holders of the Bonds (as defined below), authorized and issued by the Wisconsin Public Finance Authority (the “**Authority**”) in the aggregate amount of \$_____

(the “**Bond Claim**”),² which is comprised of \$ _____ in principal and \$ _____ in interest, which is related to each of the Debtors as follows:

Security for the Bond Obligations

F. The Debtors acknowledge, stipulate, and agree that the obligations owed to the Bond Trustee, including the Bond Claim, are secured by first priority mortgages, liens and security interests on all of the Debtors’ real and personal property (all such collateral so granted under the Bond Documents, the “**Pre-Petition Bond Collateral**”). The obligations owed to the Bond Trustee with respect to the Bonds are evidenced by loan agreements relating to each of the Debtors’ Facilities and dated June 1, 2018 (as amended, the “**Loan Agreements**”), which Loan Agreements were subsequently amended in connection with the issuance of C and D Series of Bonds for each

of the Debtors' Facilities. Those Loan Agreements were each assigned to the Bond Trustee pursuant to corresponding trust indentures dated June 1, 2018 (as amended, the "**Trust Indentures**"), which were also amended at the time of the issuance of the C and D Series of Bonds. Each of the Debtors' Facilities are subject to mortgages and security interests securing the full amounts owed to the Bond Trustee related to the Bonds issued for that Facility. The documents referred to in this paragraph, including the Loan Agreements (as amended), Trust Indentures (as amended), the mortgages and deeds of trust, and any other document or agreement delivered as security for, or in respect of, the Bonds or the Debtors' obligations under any of such documents are collectively referred to herein as the "**Bond Documents.**"

G. Under the terms of the Bond Documents, certain accounts were established and are held by the Bond Trustee (collectively, the funds in such accounts, the "**Trustee-Held Funds**"). As of the Petition Date, the Trustee-Held Funds totaled approximately \$_____. The Debtors acknowledge that (i) the Trustee-Held Funds are held in trust for the Bondholders; or (ii) in the alternative, that the Bond Trustee holds a validly perfected possessory security interest in the Trustee-Held Funds and the Bond Trustee is entitled to apply the Trustee-Held Funds in accordance with the terms of the Bond Documents. To the extent that the automatic stay applies to such Trustee-Held Funds pursuant to Section 362(a) of the Bankruptcy Code, as partial adequate protection for the use of the Bond Trustee's Cash Collateral (as defined below), the Debtors

stipulate to relief from such stay for the purpose of allowing the Bond Trustee to administer and apply the Trustee-Held Funds in accordance with the Bond Documents.

The Debtors' Need for Use of Cash Collateral

H. The Debtors have requested the use of the Cash Collateral of the Bond Trustee in connection with these Chapter 11 Cases. The Bond Trustee does not consent to the use of its Cash Collateral, except upon the express terms of this Final Order.

I. Without the use of Cash Collateral, the Debtors' continued operation as a going concern would be disrupted, the value of the underlying assets would significantly decline, the Debtors, their residents, the estates and the Debtors' creditors would be immediately and irreparably harmed, and the Debtors would not have the funds necessary to maintain their Facilities, provide financial information, or pay employee compensation, payroll taxes, overhead and other expenses. The Debtors requires use of Cash Collateral as provided herein.

The Debtors' Need for Debtor-in-Possession Financing

J. Even with the use of Cash Collateral, the Debtors are not able to fully fund their operations and other needs. Thus, a critical need exists for the Debtors to obtain funds in order to fund the operational, capital and administrative needs of the Facilities. The Debtors are unable to obtain postpetition financing on an unsecured basis under Sections 364(c)(1) or 503(b)(1) of the Bankruptcy Code. Further, the Debtors are unable to obtain secured credit from sources other than from the Bondholders that would be allowable under Sections 364(c)(2), 364(c)(3) and 364(d)(1) of the Bankruptcy Code for the purposes set forth in this Final Order. Further, the Bond Trustee would not consent to any priming liens (other than those set forth in this Final Order) and would

have (and has) argued that the Debtors could not have provided adequate protection for any such proposed financing.

K. The Bondholders agreed to provide the requested DIP Loan (as defined below) and the Bond Trustee agreed to allow the Debtors to use its Cash Collateral in accordance with the terms contained in this Final Order, including that such funds may be expended and used solely in the amounts, categories and times set forth in the budget attached hereto as **Exhibit A** (as it may be amended, supplemented, replaced or otherwise modified from time to time with the consent of the Bondholders, the “**Budget**”), which shall be used for the necessary operational costs associated with the Facilities and other costs and expenses of administration of the Chapter 11 Cases.

L. Without the use of Cash Collateral and the funds provided under the DIP Loan, the Debtors will be unable to pay necessary payroll, costs, and operating expenses, and obtain goods and services needed to preserve the Facilities in a manner that will avoid irreparable harm to the Debtors’ estates. At this time, the Debtors’ ability to finance the ongoing operation and availability of sufficient liquidity through the incurrence of new indebtedness for borrowed money and other financial accommodations as provided herein is vital to the preservation of the Facilities and maintenance of the going concern value of the Debtors’ estates and to otherwise provide the necessary services to the residents of the Facilities.

M. The Debtors have requested that the Bondholders provide advances up to an aggregate amount of \$2,350,000 (the “**DIP Loan**”), which funds shall be used by the Debtors solely to the extent provided in the Budget or as otherwise provided in this Final Order. The Bondholders have already advanced \$950,000 of the DIP Loan under the terms of the Interim

Orders. Such advances are entitled to the protections set forth in the Interim Orders, and shall be entitled to the protections set forth in this Final Order.

N. The Bondholders are willing to provide the DIP Loan, subject to the terms and conditions set forth herein and in the Interim Orders, providing that the Post-Petition Liens (as defined below), and the various claims, superpriority claims and other protections granted pursuant to this Final Order will not be affected by any subsequent reversal or modification of this Final Order or any other order, as provided in Section 364(e) of the Bankruptcy Code.

O. The Bondholders' lending of the DIP Loan is conditioned upon the grant of liens that: (a) will prime and remain senior to the Bond Trustee's Pre-Petition Liens; and (b) will otherwise constitute first priority liens on all other Post-Petition Collateral (as defined below), subject only to (i) valid, binding, enforceable and perfected liens, having priority over the liens of the Bond Trustee as of the Petition Date that are set forth on the attached **Exhibit B** (together, the "**Permitted Liens**")³ and (ii) the Carve-Out.

P. The terms of the DIP Loan have been negotiated in good faith and at arm's length among the Debtors and the Bondholders, and are a material part of the Settlement Agreement. The terms of the DIP Loan are at least as favorable to the Debtors as those available from alternative sources, under all of the circumstances. Given the current market conditions and under the particular circumstances of these Chapter 11 Cases, no other sources of funding are available. Given the exigencies of the case, the Debtors believe the DIP Loan is their best and only option. In connection with its consent to this Final Order, the Bond Trustee exercised its rights and powers

³ The Debtors, the Bondholders, the Bond Trustee and other parties in interest reserve all rights to contest the amount, extent, priority and validity of any putative claim, security interest or lien identified on the attached Exhibit B. Nothing herein or otherwise shall be deemed a waiver of any such rights. To the extent that such claims and/or security interests or liens are deemed not to be valid senior liens, the DIP Loan shall not be subordinated to the claims of the estate under sections 544 or 545 of the Bankruptcy Code.

and used the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs, and the Bondholders acted consistent with their duties and responsibilities under, and entry of the Final Order does not violate, the terms of any agreement relating to the Bonds.

Q. The terms of the DIP Loan are fair and commercially reasonable under the circumstances, reflect the Debtors' exercise of their prudent business judgment consistent with their fiduciary duties, are supported by reasonably equivalent value and fair consideration, and are enforceable in accordance with applicable law. As such, the funds advanced shall be deemed to have been extended by the Bondholders in "good faith" as that term is used in Section 364(e) of the Bankruptcy Code and based upon the express reliance of the protections offered by Section 364(e) of the Bankruptcy Code. The Post-Petition Liens and the Superpriority Claim (defined below) shall be entitled to the full protection of Section 364(e) of the Bankruptcy Code, including in the event that this Final Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

Need for Adequate Protection to Bond Trustee

R. Pursuant to the Bankruptcy Code and in light of the foregoing, the Debtors are required to provide adequate protection to the Bond Trustee in respect of their use of the Pre-Petition Collateral (including Cash Collateral) and granting of the priming Post-Petition Liens. The Debtors wish to provide adequate protection of the security interests in and liens on the Pre-Petition Collateral pursuant to the terms set forth in this Final Order.

S. The Debtors and the Bondholders have represented to the Bankruptcy Court that they have negotiated at arm's length and have acted in good faith in the negotiation and preparation of the DIP Loan and supporting documentation attached as **Exhibit C** (the "**DIP Documents**") and this Final Order, have been represented by counsel, and intend to be and are bound by their

respective terms. The terms and conditions of this Final Order and the DIP Documents reflect the Debtors' exercise of prudent business judgment under exigent circumstances and are consistent with their fiduciary duties and are supported by reasonably equivalent value and fair consideration.

T. Good cause has been shown for the entry of this Final Order. The terms of this Final Order, inclusive of the adequate protection provided to the Bond Trustee relating to the Pre-Petition Liens, are fair and commercially reasonable, reflect the Debtors' prudent business judgment consistent with their fiduciary duties and constitute reasonable equivalent value and fair consideration. Entry of this Final Order is in the best interest of the Debtors, their creditors, including the Bond Trustee, and the Debtors' estates.

U. To the extent any portion of the foregoing constitute rulings of law, they shall constitute this Court's rulings with respect to the matters so-stated.

NOW THEREFORE, THE COURT ORDERS AS FOLLOWS:

Cash Collateral Motion Granted; DIP Motion Deemed Withdrawn

1. The Cash Collateral Motion is hereby **GRANTED** in accordance with the terms and conditions set forth in this Final Order. Any objections to the Cash Collateral Motion with respect to the entry of this Final Order that have not been withdrawn, waived, or settled, and all reservation of rights included therein, are hereby denied and overruled. The DIP Motion is deemed amended consistent with the relief granted in this Final Order.

Approval of DIP Loan

2. The terms of the DIP Loan and the DIP Documents, and all documents executed in connection therewith are fair and reasonable, reflect the exercise of the Debtors' prudent business

judgment consistent with their fiduciary duties, and constitute reasonably equivalent value and fair consideration.

3. The Debtors shall be liable for the repayment in full of the DIP Loan on the terms set forth in the DIP Documents.

4. The DIP Loan and DIP Documents have been negotiated in good faith and at arm's length among the Debtors and the Bondholders, and the DIP Loan shall be deemed to have been extended by the Bondholders in good faith (as that term is used in Section 364(e) of the Bankruptcy Code) and in express reliance upon, and with the full benefit of the protections afforded by, Section 364(e) of the Bankruptcy Code, whether or not this Final Order or any provision hereof is vacated, reversed, or modified, on appeal or otherwise.

5. Absent the relief granted by this Final Order, the Debtors' estates, residents and creditors would suffer immediate and irreparable harm. Accordingly, the entry of this Final Order and related authorization of borrowings of the DIP Loan in accordance with the DIP Documents is in the best interests of the Debtors' estates, their residents, and creditors.

6. The DIP Loan and the DIP Documents are hereby approved on a final basis, and the Debtors are hereby authorized to borrow the DIP Loan pursuant to the DIP Documents, to be used solely in accordance with the Budget, which is incorporated herein by reference, subject to the Permitted Variances (as defined below), which Budget may be amended by the Debtors with the written consent of the Bondholders and if filed on the Court's docket.

The DIP Loan

7. DIP Loan. Pursuant to Sections 361 and 364 of the Bankruptcy Code and the terms and conditions hereof, until the occurrence of the Termination Date (as defined below), the Debtors are hereby authorized to borrow the DIP Loan pursuant to the terms, conditions and provisions of this Final Order in an amount up to an aggregate amount of \$2,350,000 (of which \$950,000 has

already been advanced pursuant to the Interim Orders) pursuant to the terms set forth herein and in the DIP Documents; provided, however, that the Debtor shall use the proceeds of the DIP Loan solely in compliance with the Budget (subject to the Permitted Variances) and as expressly set forth herein.

8. Principal, Interest, Fees, Etc. Interest shall accrue on all amounts advanced on the DIP Loan from the date such advance is made through the date on which such amounts are repaid in full at a simple rate per annum equal to seven and one half percent (7.5%) (the “**Applicable Rate**”). The principal, accrued interest and any other obligations owed with respect to the DIP Loan (the “**DIP Obligations**”) shall be due and payable upon the maturity date as defined in the DIP Documents (the “**Maturity Date**”). The DIP Obligations may be voluntarily paid at any time with no penalty or premium.

9. Conditions to the DIP Loan. The funding of the DIP Loan is conditioned on, among other things: (a) entry of this Final Order; (b) evidence of insurance reasonably satisfactory to the Bondholders (and receipt of additional insured and loss payee insurance certificates); (c) execution of the DIP Documents; and (d) approval of Settlement Agreement by the Court.

10. Disbursements of DIP Loan. Disbursements of the DIP Loan shall be governed by the terms and conditions of the DIP Documents.

11. Effectiveness of DIP Loan. From and after the entry of the First Interim Order (the “**Effective Date**”), the terms and conditions of the Interim Orders, as modified by this Final Order, constitute valid and binding obligations of the Debtors, enforceable against the Debtors in accordance with the terms of the Interim Orders, as modified by this Final Order, for all purposes during the Chapter 11 Cases, any subsequently converted cases of any of the Debtors under chapter 7 of the Bankruptcy Code or after the dismissal of the Chapter 11 Cases. No obligation,

payment, transfer or grant of security under the Interim Orders or this Final Order shall be stayed, restrained, voidable, avoidable or recoverable under the Bankruptcy Code or under any applicable law (including without limitation, under Sections 502(d), 548 or 549 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law), or subject to any defense, reduction, setoff, recoupment or counterclaim

12. Payments to the Bondholders and/or the Bond Trustee. Any and all payments or proceeds remitted to the Bondholders and/or the Bond Trustee pursuant to the provisions of this Final Order or otherwise shall be received by the Bondholders and/or the Bond Trustee, free and clear of any claim, charge, assessment or other liability, including, without limitation, any such claim or charge arising out of or based on Sections 506(c) and/or 552(b) of the Bankruptcy Code, whether directly or indirectly, all of which are hereby waived by the Debtors. In the event that it is determined by final order of the Court that the Bond Trustee is not entitled under Bankruptcy Code Section 506(b) to any payments or proceeds remitted to the Bond Trustee on account of post-petition interest, fees and expenses relating to the Bond Claim, then any such payments or proceeds remitted to the Bond Trustee (as distinct from payment or proceeds remitted to the Bondholders which shall be applied against the DIP Obligations) shall reduce the Bond Claim held by the Bond Trustee.

Security for the DIP Loan

13. Post-petition Liens. Pursuant to the Interim Orders, as reaffirmed by this Final Order, and pursuant to Section 364(c)(2), (c)(3) and (d) of the Bankruptcy Code and as security for the repayment of the DIP Loan and the DIP Obligations, the Bondholders were and are granted valid, binding, enforceable and perfected first priority mortgages, pledges, liens and security interests (the “**Post-Petition Liens**”) in all currently owned or hereafter acquired property and

assets of the Debtors or the Debtors' estates of any kind or nature, whether real or personal, tangible or intangible, wherever located, now owned or hereafter acquired or arising and all proceeds, products, rents and profits thereof, including, without limitation, accounts, inventory, equipment, capital stock in subsidiaries, investment property, instruments, chattel paper, real estate, leasehold interests, contracts, patents, copyrights, trademarks, deposit accounts, intercompany claims, claims against affiliates, causes of action, tax refund claims, commercial tort claims, insurance proceeds and insurance premium refunds, and the proceeds, products, rents and profits of all of the foregoing (all of the foregoing, the "**Post-Petition Collateral**"), subject only to (i) Permitted Liens, if any, and (ii) the Carve-Out. The approval of this Final Order by the Court shall be sufficient and conclusive evidence of the validity, extent, enforceability, and perfection of the Post-Petition Liens without further action of any kind.

Debtors' Use of Cash Collateral

14. Pursuant to the Interim Orders, as reaffirmed by this Final Order, the Debtors were and are authorized to use as cash collateral (as defined in Section 363(a) of the Bankruptcy Code) proceeds of accounts and revenues from operations of the Facilities (collectively, the "**Cash Collateral**"). Such authorization shall automatically cease on the Termination Date, except as permitted by the Debtors Default Period Rights. Cash Collateral shall include, without limitation, the advances under the DIP Loan, but shall not include any other funds received by the Debtors during this proceeding, including but not limited to funds received outside of the ordinary course of business including from the sale of any of the Facilities.

15. The Debtors may only use Cash Collateral as set forth in the Budget (subject to the Permitted Variances) and as otherwise provided in this Final Order. Except on the terms and

conditions of this Final Order, the Debtors are prohibited from using Cash Collateral at any time absent consent of the Bondholders or further order of the Court.

Adequate Protection to Bond Trustee for the Pre-Petition Liens and the Use of Pre-Petition Collateral Securing the Bond Claim

16. Rollover Liens. As adequate protection for any diminution in the value of its collateral as a result of the DIP Loan or the use of Cash Collateral by the Debtors (a “**Diminution**”), and solely to the extent of any Diminution, the Bond Trustee shall continue to have valid, binding, enforceable and perfected additional and replacement mortgages, pledges, liens and security interests in all Post-Petition Collateral, and the proceeds, rents, products and profits therefrom, whether acquired or arising before or after the Petition Date, to the same extent, priority and validity that existed as of the Petition Date (such liens, the “**Rollover Liens**”); provided, however, the Rollover Liens shall not attach to causes of action under Chapter 5 of the Bankruptcy Code and proceeds thereof with the exception of any causes of action pursuant to Section 542 of the Bankruptcy Code) (“**Avoidance Actions**”), and shall be subject to (i) the Post-Petition Liens granted to the Bondholders, (ii) Permitted Liens, and (iii) the Carve-Out.

17. Supplemental Liens. As additional adequate protection for any Diminution, and solely to the extent of any Diminution, the Bond Trustee shall have a valid, perfected and enforceable continuing supplemental lien on, and security interest in, all of the assets of the Debtors or the Debtors’ estates of any kind or nature whatsoever within the meaning of Section 541 of the Bankruptcy Code, whether acquired or arising before or after the Petition Date, and the proceeds, rents, products and profits therefrom (collectively, the “**Supplemental Liens**”), solely to the extent of any such Diminution; provided, however, the Supplemental Liens shall not attach

to Avoidance Actions, and shall be subject to (i) the Post-Petition Liens, (ii) Permitted Liens, and (iii) the Carve-Out.

18. Superpriority Claim. As additional adequate protection for any Diminution, the Bond Trustee shall receive a superpriority expense claim, solely to the extent of any such Diminution, allowed under Section 507(b) of the Bankruptcy Code (the “**Pre-Petition Superpriority Claim**”) against all assets of the Debtors or the Debtors’ estates. The Pre-Petition Superpriority Claim shall have priority over any and all other unpaid administrative expenses now existing or hereafter arising, of any kind whatsoever, of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all administrative expenses or other claims arising under Sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 546, 726, 1113 or 1114 of the Bankruptcy Code, and shall at all times be senior to the rights of the Debtors, any successor trustee or any creditor in the Chapter 11 Cases or any subsequent proceedings under the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other nonconsensual lien, levy or attachment; provided, however, the Pre-Petition Superpriority Claim shall be subject to (i) the Post-Petition Liens, (ii) Permitted Liens, and (iii) the Carve-Out.

Provisions Common to the DIP Loan and Use of Cash Collateral

19. Covenants. The Debtors shall observe all covenants in this Final Order at all times prior to and after the Termination Date (as defined below). The Debtors agree as follows, and the Parties acknowledge that failure to comply with such covenants shall constitute an Event of Default under this Final Order.

20. Budget. The Debtors shall be in Compliance with the Budget, and may not use Cash Collateral or the proceeds of the DIP Loan except for such use that is in Compliance with the Budget. Compliance with the Budget (“**Compliance**”) means that the Debtors may make expenditures as set forth in the Budget for an applicable measuring period (each, a “**Measuring**

Any expenditures not made in a particular week of the Budget may be rolled over into a subsequent week and the Budget shall be recalculated to account for such rolled over expenditures. The amount of Debtor Professional Fees as set forth in the Budget shall be paid by the Debtors during the corresponding week set forth in the Budget to counsel for the Debtors which shall hold such funds in its IOLTA trust account until approved to be paid by order of the Court and/or under applicable monthly compensation procedures. The Debtors shall provide to the Bond Trustee and the Bondholders each Friday (commencing on October 22, 2021), a weekly report (the “**Weekly Budget Report**”) certified by the Debtors’ chief restructuring officer (the “**CRO**”) in the same form as the Budget, indicating all receipts received and disbursements made by the Debtors for the prior week compared to the Budget, indicating any variances, and providing written explanation of any variances that are not Permitted Variances. The Bond Trustee and the Bondholders, including their counsel and consultants, shall have independent access to the CRO to discuss the weekly report and any other financial reports produced by the Debtors, as well as sale and restructuring options; provided, however, that counsel for the Bond Trustee shall only be permitted to communicate directly with the CRO upon providing counsel to the Debtors reasonable notice of such call and an opportunity

to participate on such call. In addition, the Debtors shall provide to the Bond Trustee and the Bondholders a monthly reporting package, no later than 30 days after the end of each calendar month, including cash flow, income statement and balance sheet for such month, accounts payable and receivable reports with aging information; and as promptly as reasonably practicable from time to time following the Bond Trustee's or the Bondholders' reasonable request therefor, such other information (including historical information) regarding the operations, business affairs and financial condition of the Debtors, the progress of the Chapter 11 Cases or compliance with the terms of any DIP Loan Document.

22. Weekly Reporting Call. On Tuesday of each week (or such other day as may be agreed upon by the Debtors and the Bond Trustee), the Debtors shall make available representatives reasonably acceptable to the Bondholders and the Bond Trustee (including the CRO and the Debtors' consultants and managers) for a telephone conference call with the Bondholders and the Bond Trustee, and their respective agents, advisors and/or representatives to discuss the cash flows and operations of the Facilities, and such other matters as are relevant or are reasonably requested by the Bondholders and the Bond Trustee.

- (b) By no later than December 1, 2021, the Debtors shall file an amendment to this Final Order which shall include additional milestones for the sale or reorganization of the Debtors' assets, which milestones shall be subject to the consent of the Bond Trustee.

25. No Liens or Encumbrances. Prior to payment in full of the DIP Loan, other than as set forth herein, the Debtors shall not sell, pledge, hypothecate, or otherwise encumber any Post-Petition Collateral (any such sale, pledge, hypothecation, or other transfer shall be void *ab initio*). Further, there shall be no other claim or expense having priority or being *pari passu* to the priority granted to the Bondholders and the Bond Trustee in this Final Order while any portion of the DIP Loan remain outstanding, except with respect to the Permitted Liens and the Carve-Out.

As provided in the Interim Orders and reaffirmed by this Final Order, notwithstanding anything else herein, no amounts under the Carve-Out, the proceeds of the DIP Loan and the proceeds of Pre-Petition Collateral (including Cash Collateral) and Post-Petition Collateral shall be used for the purpose of (each a "**Prohibited Use**"): (a) objecting to or contesting in any manner, or in raising any defenses to, the validity, extent, perfection, priority, or enforceability of (i) the Bond Claim or the Pre-Petition Liens (including the Trustee-Held Funds), (ii) the DIP Loan or the Post-Petition Collateral with respect thereto, or (iii) any other rights or interests of the Bondholders or the Bond Trustee, (b) asserting any right to use the Trustee-Held Funds or in any way challenging the Bond Trustee's asserted liens on the Trustee-Held Funds; (c) asserting any claims or causes of action, including, without limitation, any actions under chapter 5 of the Bankruptcy Code against the Bondholders and/or the Bond Trustee or invoking the equitable doctrine of "marshalling" or any other similar doctrine with respect to any of the Pre-Petition Collateral, the Post-Petition Collateral or otherwise; (d) preventing, hindering, or delaying the

enforcement or realization by the Bond Trustee, as applicable, upon any of the Pre-Petition Collateral or Post-Petition Collateral; (e) incurring indebtedness except as permitted by the Interim Orders and this Final Order; (f) funding acquisitions, capital expenditures, capital leases or other transactions not in the ordinary course of the Debtors' business other than as set forth in the Budget; (g) modifying the rights of the Bondholders, except as consented to by the Bondholders; (h) modifying any adequate protection granted the Bond Trustee; (i) commencing or prosecuting any motion, proceeding or cause of action against the Bondholders and/or the Bond Trustee, or their respective agents, attorneys, advisors or representatives; or (j) filing a plan of reorganization or motion to sell any of the Debtors' assets other than as consented to by the Bond Trustee. Nothing contained in the foregoing sentence shall be construed to prevent the Debtors' professionals and the CRO from being compensated from the Carve-Out for allowed professional fees and expenses incurred in connection with (i) the preparation and prosecution of the Motions, or (ii) from reviewing the Bond Documents and relevant information and applicable law in order to verify the validity, enforceability, priority, perfection, and/or avoidability of the Bond Claim or the liens and security interests asserted by the Bond Trustee in the Pre-Petition Bond Collateral through the date of this Final Order.

- (b) the failure of the Debtor to pay all of its administrative expenses in full in accordance with and subject to the terms as provided for in the Budget;

Termination and Maturity

29. Notwithstanding anything herein, and except as provided in this Paragraph, the Debtors shall no longer, pursuant to the Interim Orders, this Final Order or otherwise, be authorized

to borrow funds and/or use Cash Collateral for any purpose hereunder upon the earliest of (a) the occurrence of an Event of Default or (b) the Maturity Date (such earlier date, the “**Termination Date**”), provided, however, that the Bondholders and/or Bond Trustee shall provide five (5) Business Days (the “**Default Notice Period**”) written notice via email to counsel to the Debtors, and the U.S. Trustee of any Event of Default (the “**Default Notice**”) and the Debtors may continue to use Cash Collateral pursuant to the Budget for five (5) Business Days after receipt of such Default Notice while the Debtors seek an expedited hearing to contest whether an Event of Default has occurred (including the failure to meet a Bankruptcy Milestone), and the Bondholders and the Bond Trustee consent to the holding of such an expedited hearing within five (5) Business Days of such a filing (collectively, the “**Debtors Default Period Rights**”).

30. Notwithstanding the occurrence of an Event of Default, the Bondholders and/or Bond Trustee may elect in writing not to terminate the Debtors’ authority to borrow funds and/or use Cash Collateral hereunder, as applicable, to waive defaults hereunder, to forbear from the exercise of rights and remedies hereunder and, subject to Court approval and the approval of the Bondholders, to modify the Maturity Date and any Event of Default. Any such continued extension of financial accommodations shall be without prejudice to the Bondholders, ability to terminate funding.

31. Notwithstanding the occurrence of an Event of Default or anything herein to the contrary, (i) all of the rights, remedies, benefits and protections provided to the Bondholders and the Bond Trustee shall survive the Termination Date; and (ii) upon the Termination Date, the

principal of and accrued interest and all other amounts owed to the Bondholders under the DIP Loan shall be immediately due and payable.

Exercise of Rights

32. Subject to the Debtor Default Period Rights, without further order from the Bankruptcy Court, the automatic stay provisions of Section 362 of the Bankruptcy Code are vacated and modified to the extent necessary to permit, upon the occurrence of any Event of Default, the Bondholders to cease making any advances under the DIP Loan.

Release

33. Release. Subject to paragraph 34, the Debtors hereby waive, release and discharge the Bond Trustee, the Bondholders, and their respective affiliates, agents, attorneys, officers, directors and employees with respect to all claims and/or causes of action by, and liabilities owing to, the Debtors arising out of or based upon or related to, in whole or in part, the Bonds, and any aspect of the prepetition relationship between the Bond Trustee, the Bondholders, and the Debtors and any other acts or omissions by the Bond Trustee or the Bondholders in connection with either the Bond Documents or their prepetition relationship with the Debtors. Further, the Debtors and their estates waive, release and discharge all rights to object to or contest the amount of the Bond Claim or the Bond Trustee's security interests in the Pre-Petition Collateral and agree that all such claims and security interests have been duly perfected and are in all respects valid and enforceable first priority security interests and liens, subject and subordinate only to (a) Post-Petition Liens to the extent set forth herein, (b) Permitted Liens; and (c) the Carve-Out.

34. Investigation Period. Notwithstanding the provisions in this Final Order, any party in interest, other than the Debtors, ALG, or any affiliates thereof, or any party that released the Bond Trustee in the Settlement Agreement, may file an adversary proceeding or contested matter (a "**Challenge**"): (a) challenging the amount, validity, extent, enforceability, perfection or priority

of the Bond Claim or the Pre-Petition Liens in respect thereof, or (b) otherwise asserting any claims or causes of action against the Bond Trustee on behalf of the Debtors' estate so long as any Challenge is made on or before the Closing Date (as defined in the Settlement Agreement) (such period of time, the "**Investigation Period**"). Any Challenge brought after the conclusion of the Investigation Period shall be barred. If no Challenge is commenced by a party during the Investigation Period against the Bond Trustee, then as to such party, (a) any repayment of the Bond Claim shall be deemed final and indefeasible, not subject to subordination or recharacterization and otherwise unavoidable, (b) the Bond Claim shall constitute an allowed claim, not subject to subordination or recharacterization and otherwise unavoidable, for all purposes in the Chapter 11 Cases and any subsequent chapter 7 case or cases, (c) the Pre-Petition Liens on the Pre-Petition Collateral shall be deemed legal, valid, binding, perfected, not subject to defense, counterclaim, offset of any kind, subordination and otherwise unavoidable, (d) the Bond Trustee, the Bond Claim and the Pre-Petition Liens of the Bond Trustee on the Pre-Petition Collateral shall not be subject to any other or further claims, causes of action or challenges by any party in interest including, without limitation, any successor thereto; and (e) the Bond Trustee, the Bondholders, and their respective affiliates, agents, attorneys, officers, directors and employees, shall be deemed released of all claims and/or causes of action by the Debtors, the Debtors' estates, all parties in interest, and any subsequently appointed trustee arising out of or based on any facts or circumstances occurring prior to the date hereof; provided further that if one or more claims are timely under this Paragraph 34 and properly filed, then except for such claims, all other potential claims and causes of action are hereby deemed forever waived and barred. Notwithstanding the foregoing, no claims

or cause of actions of any kind or nature may be asserted against the Bondholders or the liens and claims granted to the Bondholders under and/or related to the DIP Loan.

35. Section 364(e); Section 506(c); Section 552(b). The Bondholders shall be entitled to all of the benefits of Section 364(e) of the Bankruptcy Code for all DIP Loan. Except to the extent of the Carve-Out, no expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Post-Petition Collateral, the Pre-Petition Collateral or collateral subject to Rollover Liens and Supplemental Liens, pursuant to Section 506(c) or 552(b) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the Bondholders and the Bond Trustee and no such consent shall be implied from any other action, inaction, or acquiescence by the Bondholders and/or the Bond Trustee.

Carve-Out

36. In partial consideration of the Debtors' acknowledgement of the debt due and owing and the Debtors' waiver of any claims under Sections 506(c) and 552(b) of the Bankruptcy Code, the Bondholders and Bond Trustee consent to the payment of certain expenses and professional fees incurred during the pendency of these Chapter 11 Case that shall be superior in all instances to the liens and claims of the Bondholders and Bond Trustee and all other parties (the "**Carve Out**"). For purposes hereof, the "**Carve Out**" means the sum of (a) the fees and expenses of professionals retained by the Debtors pursuant to Sections 327, 328, or 363 of the Bankruptcy Code (including the CRO) (the "**Debtor Professionals**"), exclusive of ordinary course, non-restructuring professionals of Debtors, if any, in an aggregate amount not to exceed the sum of: the dollar amount of such fees and expenses to the extent (i) incurred as of the Termination Date, plus up to \$25,000 for necessary fees and expenses incurred following the Termination Date

(“**Wind Down Expenses**”), (ii) provided for under the Budget (as accrued and regardless of whether approved and unpaid or pending approval by the Bankruptcy Court) through the Termination Date, exclusive of Wind Down Expenses, (iii) previously or subsequently allowed by Court order, and (iv) such amounts have not otherwise been paid, and there are no funds reserved for such fees and expenses including any retainers or reserves held by the Debtors for the payment of such fees and expenses, plus (b) the unpaid statutory fees of the U.S. Trustee pursuant to 28 U.S.C. § 1930 and the unpaid fees of the Clerk of this Court, together with interest, if any, at the statutory rate, plus (c) the unpaid allowed fees and expenses of any Patient Care Ombudsman appointed under 11 U.S.C. § 333, plus (d) in the event one or more of the Facilities is closed, up to \$100,000 to effectuate the orderly transition of the residents of such Facilities and the reasonable fees and expenses incurred by a trustee in performing his or her responsibilities under Section 704(a)(12) of the Bankruptcy Code ((a) through (d), collectively, the “**Carve-Out Expenses**”). Nothing herein shall constitute a waiver of any right of the Bondholders or the Bond Trustee to object to fees and expenses of any professionals or to challenge any assertion that any amount of the fees and expenses remain unpaid. Except to the extent of and in consideration of the Carve-Out, (a) no expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Bondholders, the Bond Trustee, the Pre-Petition Collateral, or the Post-Petition Collateral, pursuant to Section 506(c) of the Bankruptcy Code or a similar principal of law; and (b) the “equities of the case” exception under

Section 552(b) of the Bankruptcy Code is waived as to the Bondholders, the Bond Trustee, the Pre-Petition Collateral, and the Post-Petition Collateral.

37. Any payment or reimbursement made in respect of any Carve-Out Expenses incurred by any Debtor Professional on or after the Termination Date shall permanently reduce the Carve-Out on a dollar for dollar basis.

Credit Bid

38. The Bondholders and the Bond Trustee have an absolute right to credit bid their respective obligations in any sale or other disposition of their respective collateral under the Bankruptcy Code. The Bondholders and the Bond Trustee may aggregate their respective credit bids to the extent the Bondholders and the Bond Trustee consent to such.

Miscellaneous

39. The Debtors shall execute and deliver to the Bondholders and the Bond Trustee as applicable, any and all such agreements, financing statements, instruments and other documents as such parties may reasonably request to evidence, confirm, validate or perfect the liens granted pursuant hereto. The Debtors are authorized to do and perform all acts, to make, execute and deliver all instruments and documents evidencing the DIP Loan; provided, however, that this Final Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the Post-Petition Liens, Pre-Petition Liens, Rollover Liens and Supplemental Liens to the Bondholders and Bond Trustee, as applicable, without the necessity of filing or recording any financing statement, mortgage, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action to validate or perfect

the Post-Petition Liens, Pre-Petition Liens, Rollover Liens and Supplemental Liens or to entitle those liens to the priorities granted herein.

40. Based on the findings herein set forth, and in accordance with Section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Final Order are hereafter modified, amended or vacated by a subsequent order of this or any other Court, no such modification, amendment or vacation shall affect the validity and enforceability of any lien or priority authorized or created hereby. Notwithstanding any such modification, amendment or vacation, any claim granted to the Bondholders and the Bond Trustee hereunder arising prior to the effective date of such modification, amendment or vacation shall be governed in all respects by the original provisions of this Final Order and the Bondholders and the Bond Trustee shall be entitled to all of the rights, remedies, privileges and benefits, including the liens and priorities granted herein, with respect to any such claim.

41. Failure of Adequate Protection. Nothing herein shall constitute a waiver, release, or modification of the rights of the Bond Trustee to assert a claim under Bankruptcy Code Sections 364(c) or 507(b). The First Interim Order shall be deemed to constitute a request by the Bond Trustee for relief from the automatic stay with respect to the Pre-Petition Collateral and for adequate protection as of the Petition Date and shall suffice for all purposes of Section 507(b) of the Bankruptcy Code.

42. No Control. None of the Bondholders, nor the Bond Trustee shall be deemed to be in control of the operations of the Debtors or to be acting as a “responsible person,” “managing agent” or “owner or operator” (as such terms or any similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, as amended, or any similar Federal or state statute) with respect to the operation or management of the Debtors,

notwithstanding any consent to this Final Order and extending financial accommodations of any type, kind or nature under this Final Order.

43. To the extent obligations remain due and owing under the DIP Loan, such obligations of the Debtors in respect of the DIP Loan shall not be discharged by the entry of an order confirming a plan of reorganization or a plan of liquidation in the Chapter 11 Cases, but rather shall be required to be paid in full on the effective date of such plan, and, pursuant to Section 1141(d)(4) of the Bankruptcy Code, the Debtors has waived such discharge with respect to the payment of the DIP Loan unless such obligations have been indefeasibly paid in full and all commitments have been terminated or the Bondholders shall have otherwise agreed in writing.

44. No Third Party Beneficiaries. The provisions of this Final Order shall be binding upon and inure to the benefit of the Bondholders, the Bond Trustee, the Debtors and their respective successors and assigns (including any trustee or other fiduciary hereafter appointed as a legal representative of the Debtors or with respect to the property of the estate of the Debtors). No rights are created hereunder for the benefit of any third party, any creditor, or any direct, indirect or incidental beneficiary.

45. Modification of Stay. The automatic stay imposed by virtue of Section 362 of the Bankruptcy Code is hereby vacated and modified insofar as necessary to permit (a) the Debtors to grant the Post-Petition Liens, the Rollover Liens and the Supplemental Liens to the Bondholders and the Bond Trustee, as applicable, (b) the Bond Trustee to accept and receive disbursements and/or payments and to apply moneys pursuant to the Bond Documents (including, without limitation, the Trustee-Held Funds), (c) the Parties to take any action specifically authorized or contemplated by this Final Order and implement the DIP Loan, and (d) all acts, actions, and
