Case No. 12-12020 (MG)

Chapter 11

Jointly Administered

RESCAP BORROWER CLAIMS TRUST'S PROPOSED FINDINGS OF FACT AND CONCLUSIONS OF LAW

)

)

I. STATEMENT OF PROPOSED FINDINGS OF FACT

14. On November 20, 2008, non-Debtor Norwich Commercial Group, Inc., d/b/a Norcom Mortgage ("<u>Norcom</u>") originated a loan to Todd Silber ("<u>Mr. Silber</u>" or the "<u>Claimant</u>") the Claimant in the amount of \$236,823 (the "<u>Loan</u>"). <u>See</u> Note, Objection [Docket No. 7979] Exhibit C. The Loan is an FHA Loan. <u>See id</u>.

15. The Loan is evidenced by a note (the "<u>Note</u>") to Norwich Commercial Group, Inc., executed by Mr. Silber on November 20, 2008. <u>See</u> Note.

16. To secure the payment of the Note, Mr. Silber executed to Mortgage Electronic Registration Systems, Inc., as nominee for Norwich Commercial Group, Inc., a Mortgage dated December 20, 2008 (the "<u>Mortgage</u>") on the property located at 73 Farnham Road, South Windsor, CT 06074 (the "<u>Property</u>"). <u>See Mortgage</u>, Objection Exhibit D.

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 2 of 13

17. Under the terms of the Note, Mr. Silber agreed to make monthly principal and interest payments on the Loan beginning on January 1, 2009 in the amount of \$1,496.88. <u>See</u> Note.

18. Under the terms of the Note, Mr. Silber agreed that he would be in default of the Loan if he failed to pay in full any monthly payment. <u>See</u> Note.

19. Debtor GMAC Mortgage, LLC ("<u>GMACM</u>" or the "<u>Debtors</u>") serviced the loan from the time it was originated on November 20, 2008 until servicing of the Loan was transferred to Ocwen Loan Servicing, LLC on February 16, 2013. <u>See</u> Servicing Notes, Reply [Docket No. 8160] Exhibit A.

FHA HAMP Guidelines

20. In order to be considered income for purposes of a HAMP loan modification review, guidelines for FHA-insured loans (the "<u>FHA HAMP Guidelines</u>") require that unemployment income must be documented with reasonable assurance of its continuance for at least twelve months. <u>See</u> FHA HAMP Guidelines, a true and correct copy of which is attached hereto as Exhibit 1, Questions and Answers, at 12.

21. FHA HAMP Guidelines state that "acceptable documentation [to support unemployment income] includes letters, exhibits, or benefits statements from the provider that states the amount, frequency and duration of the benefit." <u>See</u> FHA HAMP Guidelines, Questions and Answers, at 12.

22. FHA HAMP Guidelines required that a borrower's back end debt-toincome ratio (the ratio of their household expenses to their household income), be less than 55%. See FHA HAMP Guidelines Attachment.

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 3 of 13

23. There is no specific FHA HAMP Guideline that specifies what amounts should and should not be included when providing a third party with the amount necessary to reinstate a loan. See FHA HAMP Guidelines.

The December 2009 Workout Package

24. Mr. Silber did not make the monthly payments due on the Loan on November 1, 2009 and December 1, 2009. See Servicing Notes, at 7 of 286.

25. Mr. Silber submitted a workout package to the Debtors for modification review on December 18, 2009 (the "<u>December 2009 Workout Package</u>"). <u>See</u> December 2009 Workout Package, a true and correct copy of which is attached hereto as Exhibit 2.

26. Mr. Silber submitted additional workout documents on December 23, 2009 and January 12, 2010. <u>See</u> Additional Workout Documents, a true and correct copy of which is attached hereto as Exhibit 3.

27. The December 2009 Workout Package and additional workout documents only contained evidence that the Claimant's unemployment income would last for 20 weeks. See 2009 Workout Package and Additional Workout Documents.

28. The December 2009 Workout Package and Additional Workout Documents did not contain information demonstrating that Mr. Silber would receive unemployment benefits for at least twelve months. <u>See</u> December 2009 Workout Package and Additional Workout Documents.

29. Even though the Debtors did not receive the necessary documentation of unemployment information, on January 13, 2010, the Debtors reviewed the Claimant's account for a FHA HAMP modification based on the assumption that Mr. Silber's unemployment benefits would last for at least twelve months. The Debtors determined that Mr. Silber did not qualify for a FHA HAMP modification because his back end debt-to-income ratio was 73%,

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 4 of 13

higher than what was permitted under the FHA HAMP Guidelines. <u>See</u> April 30 Letter, Objection Exhibit K; see also Servicing Notes, at 275 of 286.

30. GMACM informed Mr. Silber of the modification denial via letter on January 13, 2010. <u>See</u> January 13 Denial Letter a true and correct copy of which is attached hereto as Exhibit 4.

The January 2010 Workout Package

 The Claimant submitted a workout package for modification review on January 29, 2010 (the "January 2010 Workout Package"). See January 2010 Workout Package, Objection Exhibit H.

32. The January 2010 Workout Package contained a letter demonstrating 15 weeks of unemployment income, as well as a written statement by the Claimant that asserted that his unemployment benefits would be extended to one year. <u>See</u> January 2010 Workout Package.

33. The January 2010 Workout Package did not contain the necessary documentation under the FHA HAMP Guidelines demonstrating that Mr. Silber would receive unemployment benefits for at least twelve months. <u>See</u> January 2010 Workout Package.

34. On February 9, 2010, a representative of GMACM advised the Claimant via phone that he needed to provide an award letter from the state unemployment agency that included an end date of benefits in order for modification review to continue. <u>See</u> Servicing Notes, at 271 of 286.

35. On February 11, 2010, GMACM sent a letter to the Claimant informing him of the missing documents needed for modification review. <u>See</u> Servicing Notes, at 270 of 286.

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 5 of 13

36. On or around February 15, 2010, the Claimant submitted information from the Massachusetts Division of Unemployment (the "<u>February 15 Unemployment Information</u>"). See February 15 Unemployment Information, Objection Exhibit I.

37. The February 15 Unemployment Information demonstrated that the Claimant's unemployment income would last for 29 weeks. <u>See</u> February 15 Unemployment Information.

38. The February 15 Unemployment Information includes statements from the Claimant referencing other programs of his unemployment that he claimed he would be eligible for but does not provide any third-party documentation indicating that he qualified for or would receive benefits under the alleged programs. <u>See</u> February 15 Unemployment Information.

39. The January 2010 Workout Package and the February 15 Unemployment Information did not contain the necessary documentation under the FHA HAMP guidelines to demonstrate that the Claimant's unemployment income would last for at least 12 months. <u>See</u> January 2010 Workout Package and February 15 Unemployment Information.

40. On February 25, 2010, GMACM denied the Claimant for a loan modification because there was not sufficient documentation that his unemployment income would continue for the required amount of time. <u>See</u> Servicing Notes, at 269 of 286.

41. GMACM informed the Claimant of the denial of the loan modification via phone on March 1, 2010. See Servicing Notes, at 268-69 of 286.

42. On or around March 1, 2010, the Claimant contacted the Debtors via phone to inquire why his request for a loan modification had been denied. The Debtors informed him that his unemployment income could not be considered because he did not provide documentation that such income would last for the required time period. <u>See</u> Servicing Notes, at 268 of 286.

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 6 of 13

43. On or around March 8, 2010, the Claimant contacted the Debtors via phone and advised them that he received an extension of 17 weeks for unemployment, followed by another twenty. See Servicing Notes at 268 of 286.

44. Based on this new information, the Debtors opened up another modification review. <u>See</u> Servicing Notes, at 268 of 286.

45. On or around March 15, 2010, even though the Debtors had not received a confirmation of the unemployment extension, the Debtors reviewed the account for a modification based on the unemployment income provided verbally by the Claimant. <u>See</u> Servicing Notes at 267 of 286.

46. Based on the unemployment benefits of \$3,542.50, Claimant's projected back end debt-to-income ratio was 65%, which exceeded the FHA HAMP guidelines. See April 30 Letter.

47. On March 15, 2010, the Debtors sent a letter to the Claimant informing him of the reason for the denial. <u>See</u> March 2010 Denial Letter, a true and correct copy of which attached hereto as Exhibit 5.

The April 2010 Workout Package

48. On or around April 2, 2010, the Claimant spoke with the Debtors over the phone and told them he had a tenant moving in that would provide \$500 a month in rental income. See Servicing Notes at 261 of 286.

49. During the phone call on April 2, 2010, a representative of GMACM advised the Claimant that he could submit a new financial workout package with updated financials and the lease agreement and then he could be re-reviewed for a modification. <u>See</u> Servicing Notes at 261 of 286.

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 7 of 13

50. During the phone call on April 2, 2010, a representative of GMACM advised the Claimant that he needed to provide documentation evidencing that his unemployment income would last for at least nine months. <u>See</u> Servicing Notes at 261 of 286.

51. On or around April 5, 2010, the Claimant submitted a third workout package (the "<u>April 2010 Workout Package</u>") for modification review. <u>See</u> April 2010 Workout Package, Objection Exhibit J.

52. On or around April 7, 2010, the Claimant spoke with the Debtors over the phone, at which time the Debtors informed him that his unemployment income could not be used because the documentation he provided showed that it was ending in October 2010. <u>See</u> Servicing Notes, at 258 of 286.

53. The April 2010 Workout Package did not include any letter, exhibit, or benefit statement from an unemployment provider stating the amount, frequency, and duration of the Claimant's unemployment benefits. <u>See</u> April 2010 Workout Package. The April 2010 Workout Package did include a rental agreement that indicated Mr. Silber would receive \$500 a month in rental income. <u>See</u> Rental Agreement at 8 of the April 2010 Workout Package.

54. Pursuant to HAMP Guidelines, only 75% of rental income could be taken into account, with the other 25% considered vacancy loss and maintenance expense. <u>See HAMP</u> Guidelines at 8, Objection Exhibit T.

55. Based on an income of \$375, the Debtors denied Mr. Silber's loan modification request on April 12, 2010 because he had insufficient income. <u>See</u> Servicing Notes at 257 of 286.

Forbearance Plan

56. On April 30, 2010, GMACM mailed a letter to the Claimant advising him of the bases for the modification denials, and stating that he should contact the Debtors if he is

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 8 of 13

interested in a six month forbearance plan (the "<u>Forbearance Plan</u>") that would permit him to make payments of \$995.40 (half the contractual payment amount). See April 30 Letter.

57. On May 10, 2010, the Claimant spoke with the Debtors via phone and stated his interest in the Forbearance Plan. <u>See</u> Servicing Notes at 263 of 286. During the call, the Debtors advised the Claimant that a new workout package would need to be received during the period of the Forbearance Plan and that if the loan was not approved for a permanent modification, then normal foreclosure proceedings would continue. <u>See</u> Servicing Notes at 263 of 286.

58. On May 10, 2010, the account was approved for a Forbearance Plan. <u>See</u> Servicing Notes at 253 of 286. The Forbearance Plan allowed the Claimant to make reduced payments for up to six months. <u>See id</u>. The Forbearance Plan agreement was mailed to the Claimant and approved, thereby allowing the Claimant to make payments on the first of the month from June 1, through November 1, 2010. <u>See id</u> at 253-54 of 286. On May 23, 2010, the Claimant signed the Forbearance Plan agreement and returned the agreement to GMACM. <u>See</u> <u>id</u>.

59. The Claimant made all of the payments under the Forbearance Plan, but did not submit a workout package during the period of the Forbearance Plan, as required. <u>See</u> Servicing Notes at 5-7 of 286.

Email to Justin Chambers

60. On December 8, 2010, GMACM received an email from Justin Chambers, Assistant Attorney General of the state of Connecticut (the "<u>AAG</u>") regarding a complaint his office received from Mr. Silber that GMACM was not assisting him in his pursuit of a loan modification. <u>See</u> Servicing Notes, at 210 of 286.

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 9 of 13

61. A representative of GMACM responded to the AAG via email (the "<u>Email</u>"), stating that Mr. Silber's unemployment income could not be utilized when reviewing an account for a loan modification. See Email, Silber Response Exhibit E.

The January 2011 Workout Package

62. On or around January 3, 2011, the Claimant submitted a fourth workout package for modification review (the "January 2011 Workout Package"). See January 2011 Workout Package, Objection Exhibit L.

63. The January 2011 did not include any letter, exhibit, or benefit statement from an unemployment provider stating the amount, frequency, and duration of the Claimant's unemployment benefits. <u>See</u> January 2011 Workout Package.

64. On January 14, 2011, a traditional modification was denied due to insufficient income. See Servicing Notes, at 193 of 286.

65. On or around January 19, 2011, an FHA HAMP modification was denied due to insufficient income. See January 19 Denial Letter, Reply Exhibit D.

The Information Provided to CHFA

66. The Emergency Homeowners' Loan Program ("<u>EHLP</u>") provides federal funds for eligible homeowners to pay mortgage arrearages, delinquent taxes, homeowners insurance, condominium fees and foreclosure related legal fees, as well as assist with monthly mortgage payments for up to 24 months. <u>See</u> EHLP Overview for CHFA website, a true and correct copy of which is attached hereto as Exhibit 6.

67. On or around August 22, 2011, the Debtors received authorization from the state for the EHLP and as a result reviewed the Claimant's account in order to provide a reinstatement quote to CHFA. See Servicing Notes, at 96-97 of 286.

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 10 of 13

68. On August 25, 2011, GMACM provided the Connecticut Housing Finance Authority ("<u>CHFA</u>") with a quote for the amount needed to reinstate the loan in order to qualify the Claimant for the EHLP. <u>See</u> Servicing Notes, at 94 of 286.

69. The Debtors provided CHFA with a reinstatement quote of \$43,736.80 (the "<u>Quote</u>"). <u>See</u> Servicing Notes at 95 of 286. The Quote included 20 past due payments of \$1,990.80 each, the payment due for September 1, 2011 (\$1,990.80), inspection fees of \$112.50, advances of \$1,577.30, and outstanding foreclosure advances of \$1,991.00, as well as a deduction for an unapplied credit on the account of \$1,750.80, for a total of \$43,736.80. <u>See</u> Servicing Notes at 94 of 286.

70. On or around September 28, 2011, the Claimant's application under the EHLP was denied. See Servicing Notes, at 91 of 286.

II. CONCLUSIONS OF LAW

A. Breach of Contract

59. To state a cause of action for breach of contract in Connecticut, the plaintiff must show: "the formation of an agreement, performance by one party, breach of the agreement by the other party and damages." <u>See Tatum v. Oberg</u>, 650 F. Supp. 2d 185, 192 (D. Conn. 2009) (citing <u>Rosato v. Mascardo</u>, 844 A.2d 893, 897 (Conn. App. Ct. 2004)).

60. Because Mr. Silber never provided GMACM with any acceptable documentation, as defined by the FHA HAMP Guidelines, that his unemployment income would last for at least twelve months, GMACM did not violate the FHA HAMP Guidelines when it did not consider the Claimant's unemployment income when reviewing his account for a loan modification.

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 11 of 13

61. The Quote was proper under the terms of the EHLP, and therefore the Claimant cannot assert that GMACM breached a contract with the Claimant when providing this figure to CHFA.

62. Since the FHA HAMP Guidelines are silent regarding reporting of reinstatement information to state agencies, the Claimant's allegations that GMACM reported inaccurate information to CHFA fails to assert a breach of a contract between GMACM and the Claimant

63. Claimant's breach of contract claim fails as a matter of law.

B. Breach of the Implied Covenant of Good Faith and Fair Dealing

64. Under Connecticut law, to state a cause of action for breach of the implied

covenant of good faith and fair dealing, the Claimant must prove:

First, that the plaintiff and the defendant were parties to a contract under which the plaintiff reasonably expected to receive certain benefits; second, that the defendant engaged in conduct that injured the plaintiff's right to receive some or all of those benefits; and third, that when committing the acts by which it injured the plaintiff's right to receive benefits he reasonably expected to receive under the contract, the defendant acted in bad faith.

Franco v. Yale Univ., 238 F. Supp. 2d 449, 455 (D. Conn. 2002), aff'd, 80 Fed. Appx. 707 (2d

Cir. 2003) (citing, <u>Fairfield Fin. Mortg. Grp., Inc. v. Salzar</u>, Case No. CV00339752S, 2002 WL 1009809, at *3 (Conn. Super. Ct. Apr. 23, 2002).

65. Since GMACM denied the Claimant's requests for a loan modifications

because the Claimant did not meet the FHA HAMP Guidelines, the Claimant cannot show that he reasonably expected to receive the benefit of a loan modification.

66. The Quote was proper under the terms of the EHLP, and therefore the

Claimant cannot assert that providing this figure to CHFA deprived him of a benefit he reasonably expected to receive.

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 12 of 13

67. Claimant's causes of action for GMACM's alleged breach of the implied

covenant of good faith and fair dealing fails as a matter of law.

C. Connecticut Unfair Trade Practices Act

68. Under Connecticut law, in determining whether a practice violates the

Connecticut Unfair Trade Practices Act (CUTPA), courts look at: "

(1) [W]hether the practice, without necessarily having been previously considered unlawful, offends public policy as it has been established by statutes, the common law, or otherwise-in other words, it is within at least the penumbra of some common law, statutory, or other established concept of unfairness; (2) whether it is immoral, unethical, oppressive, or unscrupulous; (3) whether it causes substantial injury to consumers, [competitors or other business persons].

Willow Springs Condominium Ass'n, Inc. v. Seventh BRT Dev. Corp., 717 A.2d 77, 99-100

(Conn. 1998) (citation omitted).

69. GMACM followed FHA HAMP guidelines when determining that Mr.

Silber was not eligible for a loan modification, and as a result did not commit a deceptive practice under the CUTPA.

70. The Quote was proper under the terms of the EHLP, and therefore the Debtors did not violate the CUTPA when it provided the Quote.

71. The Claimant's CUTPA claim fails as a matter of law.

D. Negligent Misrepresentation

72. To state a cause of action for negligent misrepresentation under Connecticut law, the claimant must establish "(1) that the [debtor] made a misrepresentation of fact (2) that the [debtor] knew or should have known was false, and (3) that the [claimant] reasonably relied on the misrepresentation, and (4) suffered pecuniary harm as a result." <u>Coppola Constr. Co. v. Hoffmane Enters. Ltd. P'Ship</u>, 38 A.3d 215, 218 (Conn. Ct. App. 2012) (citation omitted), aff'd, 71 A.3d 480.

12-12020-mg Doc 8828 Filed 07/01/15 Entered 07/01/15 18:20:06 Main Document Pg 13 of 13

73. Mr. Silber has not demonstrated that he relied on the statement made by the Representative to Assistant Attorney General Chambers regarding the use of unemployment income in determining eligibility for a loan modification.

74. Furthermore, the Claimant has not demonstrated that he suffered pecuniary harm as a result of the alleged misrepresentation.

75. The Quote was proper under the terms of the EHLP, and therefore the

Claimant cannot assert that providing this figure to CHFA was a misrepresentation.

76. Claimant's negligent misrepresentation claim fails as a matter of law.

MORTGAGEE LETTER 2009-23

TO: ALL APPROVED MORTGAGEES

SUBJECT: Making Home Affordable Program: FHA's Home Affordable Modification Loss Mitigation Option

On May 20, 2009, the President signed the "Helping Families Save Their Homes Act of 2009." This new law provides the Federal Housing Administration (FHA) with additional loss mitigation authority to assist FHA mortgagors under the Making Home Affordable Program (MHA). The MHA Program is designed to help homeowners retain their homes and to prevent the destructive impact of foreclosures on families and communities.

One key component of MHA provides homeowners the opportunity to reduce their mortgage payments by the use of a loan modification through the Home Affordable Modification Program. When initially introduced to the public, MHA excluded FHA insured mortgages, stating that FHA would develop its own standalone program. This Mortgagee Letter announces a new FHA Loss Mitigation option, the FHA-Home Affordable Modification Program (FHA-HAMP). FHA-HAMP will provide homeowners in default a greater opportunity to reduce their mortgage payments to a sustainable level. This Mortgagee Letter is effective August 15, 2009.

Basic Program Guidelines

The new FHA-HAMP authority will allow the use of a partial claim up to 30 percent of the unpaid principal balance as of the date of default combined with a loan modification. The objective of FHA-HAMP is to assist FHA mortgagors who are in default to modify their mortgage to an affordable payment. According to Mortgagee Letter 2000-05 and subsequent guidance, disposition options (pre-foreclosure sales and deeds-in lieu of foreclosure) are available immediately upon default, if the cause of the default is incurable, i.e. the borrower has no realistic opportunity to replace the lost income or reduce expenses sufficiently to meet the mortgage obligation.

To confirm if the mortgagor is capable of making the new FHA-HAMP payment, the mortgagor must successfully complete a trial payment plan. The trial payment plan shall be for a three month period and the mortgagor must make each scheduled payment on time. The mortgagor's monthly payment required during the trial payment plan must be the amount of the future modified mortgage payment. The Mortgagee must service the mortgage during the trial period in the same manner as it would service a mortgage in forbearance. If the mortgagor does not successfully complete the trial payment plan by making the three payments on time, the mortgagor is no longer eligible for FHA-HAMP. Prior to proceeding to foreclosure, the Mortgagee must re-examine and re-evaluate the borrower's financial condition and confirm that none of FHA's other Loss Mitigation options could assist the mortgagor.

The attachment to this Mortgage Letter supplements program guidelines for FHA-HAMP, including a requirement that the servicer obtain an executed Hardship Affidavit (available at https://www.hmpadmin.com/portal/docs/hamp_borrower/hamphardshipaffidavit.pdf) from every mortgagor and co-mortgagor seeking an FHA-HAMP. FHA-HAMP is a permanent addition to

HUD's Loss Mitigation Program as of the date of this Mortgagee Letter.

Debt to Income Ratios

To be eligible under FHA-HAMP, the front end debt to income ratio must be as close as possible, but not less than, 31 percent. This ratio is defined as the total monthly mortgage payment (PITI) for the modified mortgage divided by the mortgagor's gross monthly income (the "Front End Ratio"). The back end debt to income ratio must not exceed 55 percent and is defined as the total monthly mortgage payment plus all recurring monthly debt divided by the mortgagor's gross monthly income (the "Back End Ratio"). Please refer to the sections in the Attachment regarding Underwriting – Front End and Back End Debt to Income Ratios.

Calculation of Maximum Partial Claim Amount under FHA-HAMP

The maximum partial claim amount under FHA-HAMP consists of the sum of (i) arrearages, (ii) legal fees and foreclosure costs related to a canceled foreclosure action and (iii) principal reduction. Arrearages that may be included in the partial claim shall not exceed 12 months of PITI. The maximum partial claim amount under FHA-HAMP is 30 percent of the outstanding principal balance as of the date of default. The principal deferment on the modified mortgage is determined by multiplying the outstanding principal balance by 30 percent and then reducing that amount by arrearages advanced to cure the default for up to 12 months PITI, and any foreclosure costs incurred to that point subject to the requirements provided in Mortgagee Letter 2008-21. The principal deferment amount for a specific case shall be limited to such an amount that will bring the mortgagor(s) total monthly mortgage payment to 31 percent of gross monthly income.

Example

Mortgagor had a reduction of income and is delinquent 3 full mortgage payments. The unpaid principal balance on the mortgage on the date of default is \$150,000 and the monthly payment is \$1,220 (consisting of P&I of \$920 and escrows, including MIP, of \$300). The financial analysis reveals that the mortgagor's gross monthly income is \$3,500 and the total monthly other recurring debt payments are \$800.

In order to fulfill the 31% Front End Ratio requirement, the mortgagor(s) total monthly mortgage payment would have to be reduced to \$1,085 (\$3,500 x 31%). Therefore, P&I would have to be reduced to \$785 (\$1,085 total monthly mortgage payment less \$300 escrow and MIP). Assuming that the loan modification will have an interest rate of 6% and a P&I of \$785, the new mortgage amount would have to be \$130,931, resulting in a principal reduction of \$19,069 (\$150,000 unpaid principal balance less \$130,931). In this example, the mortgagor's Back End ratio is 53.9% (\$1,885/\$3,500), which satisfies the 55% Back End Ratio limitation.

In this example, the maximum principal deferment is \$41,340 (30% of \$150,000, less the \$3,660 delinquency, or \$45,000 - \$3,660). However, based on their gross income, mortgagor is eligible only for a principal deferment of \$19,069 plus \$3,660 arrearages (which would include any foreclosure costs incurred to that point, in accord with Mortgagee Letter 2008-21) for the total Partial Claim of \$22,729.

Requirements to Use FHA-HAMP

FHA-HAMP can be utilized only if the mortgagor(s) does not qualify for current loss

12-12020-mg Doc 8828-1 Filed 07/01/15 Entered 07/01/15 18:20:06 Exhibit 1 Pg 4 of 29

mitigation home retention options (priority order FHA Special Forbearance, Loan Modification and Partial Claim) under existing guidelines (ML 2008-21, 2003-19, 2002-17, 2000-05). To qualify for the FHA-HAMP program, Mortgagees must evaluate the defaulted mortgage for loss mitigation actions using the aforementioned priority order. According to Mortgagee Letter 2000-05 and subsequent guidance, disposition options (pre-foreclosure sales and deeds-in lieu of foreclosure) are available immediately upon default, if the cause of the default is incurable, i.e. the borrower has no realistic opportunity to replace the lost income or reduce expenses sufficiently to meet the mortgage obligation.

If the mortgagor does not successfully execute the loan modification, the mortgagor is no longer eligible for FHA-HAMP. In such cases, per 24 CFR 203.355, the Mortgagee must re-evaluate the mortgagor's eligibility for the other appropriate loss mitigation actions prior to commencing or continuing a foreclosure.

Mortgagee Incentives

Mortgagees that utilize FHA-HAMP are eligible to receive incentive payments. Mortgagees utilizing this initiative will be allowed to first file for a partial claim (to bring the loan current and defer principal where appropriate), followed by a loan modification claim (claim type 32). Under FHA-HAMP, the Mortgagee may receive an incentive fee of up to \$1,250. This total includes \$500 for the partial claim and \$750 for the loan modification. Mortgagees may also claim up to \$250 for reimbursement for a title search and/or recording fees.

Partial Claim Filing and Document Delivery

Mortgagees must file a claim for insurance benefits for the partial claim within the 60-day timeframe stated in ML 2003-19 to receive incentive fees for the FHA-HAMP loss mitigation action. Any previous outstanding partial claim(s) must be subordinated and the mortgage company must provide HUD's Secretary-Held servicing contractor (see 'Remittance' below) with a subordination agreement to request subordination.

Monitoring

FHA will monitor Mortgagees for compliance with the terms of this Mortgagee Letter and will take administrative actions, including sanctions and penalties, against all parties for non-compliance.

Remittance

Please note that all provisions described in the aforementioned existing guidelines, such as Repayment Terms, Option Failure and Disclosures apply also, except as specifically changed under FHA-HAMP.

Mortgagees must forward all required documentation, including subordination requests, and advise all parties to send any payments for the Partial Claims to HUD's Secretary-Held Assets Servicing Contractor which is currently located at:

Guidance	FHA-Home Affordable Modification Program
Eligibility – Mortgagee	The Servicer of the modified FHA-HAMP mortgage must be FHA-Approved.
Eligibility –	The current mortgagor(s) on the existing FHA-insured single family mortgage must be identical to the mortgagor(s) on the HAMP mortgage, except as provided below.
Mortgagors	All changes in ownership due to death or divorce of the current owners must be supported by legal documentation.
	The existing FHA-insured mortgage is in default, but is not more than 12 full mortgage payments past due. A default is defined as 1 payment past due more than 30 days. For default calculation purposes, all months are determined to have 30 days. For example, a mortgage due for the July payment is in default on August 1 st .
	The mortgagor(s) must be an owner occupant, have sufficient resources to make the payment on the HAMP mortgage and continue to occupy the home.
	A new mortgagor may be added to the HAMP mortgage, provided at least one existing mortgagor(s) is retained.
	The mortgagor must not have intentionally defaulted on their existing mortgage. (Note: Intentionally defaulted means the mortgagor had available funds that could pay their mortgage and other debts without hardship, but failed to pay).
Eligibility – Existing	Must be a FHA-insured single family mortgage (1-4 units).
Mortgage	Mortgages previously modified under HAMP are ineligible.
	There is no net present value (NPV) test for eligibility.
Eligibility – Maximum Mortgage Amounts	Not applicable.
Eligibility – Modified Mortgage	The existing FHA-insured mortgage must be re-amortized to a 30-year fixed rate mortgage, and must be modified in compliance with all FHA Mortgage Modification requirements, except those specifically modified under the FHA-HAMP program.
Property Eligibility	The property securing the FHA-insured property must be the mortgagor's primary and only residence; and only single family (1 to 4 unit) properties are eligible.
Interest Rate – Modified New Mortgage	The interest rate must be fixed and meet the guidelines in Mortgagee Letter 2008-21.
Current Loan to Value	None.

FHA-HAMP mortgages are required to have a lower monthly principal and interest payment than the unmodified FHA-insured mortgage and are made without an appraisal.
All existing subordinate financing must be subordinated to maintain the first lien priority of the HAMP mortgage. For more information, please see ML 2003-19.
No minimum credit score required. (Credit report is only used to verify recurring debts.)
The first payment due date must be at least 12 months in the past, and at least 4 full mortgage payments must have been paid.
No appraisal required.
The Mortgagee must place the mortgagor(s) under a trial modification payment plan for the modified mortgage payment prior to completing the FHA-HAMP. The mortgagor(s) must have made the first three consecutive trial monthly mortgage payments on time before the FHA-HAMP can be completed, and a partial claim filed.
The Mortgagee must obtain the following additional documentation: To be considered for any of the loss mitigation options, the mortgagor must provide detailed financial information to the Mortgagee. Every borrower and co-borrower must sign a hardship affidavit attesting to and describing the hardship. The document to be used is available for download at: <u>https://www.hmpadmin.com/portal/docs/hamp_borrower/hamphardshipaffidavit.pdf</u> The Department has no objection to situations where a cooperative mortgagor provides complete financial information either written or during a telephone interview. Regardless of how the mortgagor's financial information was secured, the Mortgagee must independently verify the financial information by obtaining a credit report (the credit report is not used for credit qualification but Mortgagees are to use for determining

Underwriting Requirements - General	No Credit Alert Interactive Voice Response System (CAIVRS) review is required, but HUD's Limited Denial of Participation (LDP) and General Services Administration (GSA) exclusion lists are still required checks for all mortgagors.
	FHA-HAMP processing and underwriting instructions are described below.
	• Where the mortgage is in default and no more than 12 full payments delinquent the Mortgagee combines a partial claim for up to 12 months of arrearages, foreclosure costs, and principal reduction with a modification.
	• Except for the new maximum partial claim amount calculation, the partial claim must meet the requirements of Mortgagee Letters 2000-05, 2003-19 and 2008-21.
	The mortgagor may not be charged any additional costs for receiving this loss mitigation workout option. On a cancelled foreclosure, Mortgagees are reminded that all such costs must reflect work actually completed to the date of the foreclosure cancellation and the attorney fees may not be in excess of the fees that HUD has identified as customary and reasonable for claim purposes.
	The financial analysis, Hardship Affidavit, and documentation supporting the decision to provide partial claim relief must be maintained in the mortgagee's claim review file.
Loss Mitigation – Priority Order	FHA-HAMP can only be utilized if the mortgagor(s) does not qualify for current loss mitigation home retention options (FHA Special Forbearance, Loan Modification and Partial Claim) under existing guidelines (ML 2008-21, 2003-19, 2002-17, 2000-05). To qualify for the FHA-HAMP, Mortgagees must utilize its loss mitigation actions using the aforementioned priority order.
Underwriting – Monthly Gross Income	The mortgagor's Monthly Gross Income amount before any payroll deductions includes wages and salaries, overtime pay, commissions, fees, tips, bonuses, housing allowances, other compensation for personal services, Social Security payments, including Social Security received by adults on behalf of minors or by minors intended for their own support, annuities, insurance policies, retirement funds, pensions, disability or death benefits, unemployment benefits, rental income and other income.
Underwriting –	Front-End ratio is the ratio of PITI to Monthly Gross Income. PITI is defined as principal, interest, taxes and insurance.
Front End Debt to Income Ratio	The Front-End ratio must be as close as possible to, but not less than, 31%.
Underwriting - Back End Debt to Income Ratio	The Back-End ratio is the ratio of the mortgagor's total recurring monthly debts (such as Front-End PITI, payments on all installment debts, monthly payments on all junior liens, alimony, car lease payments, aggregate negative net income from all investment properties owned, and monthly mortgage payments for second homes) to the mortgagor's Monthly Gross Income. This ratio must not exceed 55%.
	The Mortgagee must validate monthly installment, revolving debt and secondary mortgage debt by pulling a credit report for each mortgagor or a joint report for a married couple. The Mortgagee must also consider information obtained from the mortgagor orally or in writing concerning incremental monthly obligations.

12-12020-mg Doc 8828-1 Filed 07/01/15 Entered 07/01/15 18:20:06 Exhibit 1 Pg 9 of 29

Underwriting – Subordinate Financing	Subordinate liens are not included in the Front-End ratio, but they are included in the Back-End ratio.
Underwriting – Upfront Mortgage Insurance Premium	Not applicable.
Underwriting – Annual Premium	Remains the same.
Underwriting - Calculation of Maximum Partial Claim Amount	The maximum one-time only principal reduction on the modification is determined by multiplying the outstanding principal balance of the existing mortgage as of the date of default by 30 percent reduced by (i) arrearage amounts advanced to cure the default for up to 12 months PITI and (ii) allowable foreclosure costs. However, the actual principal reduction amount for a specific case shall be limited to such amount that will bring the mortgagor(s) PITI to an amount not to exceed 31 percent of gross monthly income. Whether or not there are previous Partial Claims for a given case number, the arrearage component of this and any previous Partial Claims cannot exceed the equivalent of 12 months PITI and allowable foreclosure costs. This 12 month PITI maximum is NOT affected by any payments that may have been made to reduce the partial claim mortgage balance.
Partial Claim Guidelines	No interest will accrue on the partial claim. The payment of the partial claim is not due until (i) the maturity of the HAMP mortgage, (ii) a sale of the property, or (iii) a pay-off or refinancing of the HAMP mortgage.
In Foreclosure Process	To ensure that a mortgagor currently in the process of foreclosure has the opportunity to apply, Mortgagees shall not proceed with the foreclosure sale until the mortgagor has been evaluated for the program and, if eligible, an offer to participate in the FHA-HAMP has been made. In the event that the mortgagor does not participate in FHA-HAMP, the Mortgagee must consider the priority order, outlined in "Requirements to Use FHA-HAMP" section of this Mortgagee Letter, prior to proceeding to foreclosure.
90 days Past Due	Ninety day past due mortgages must have been considered for all loss mitigation programs prior to being referred to foreclosure.
Escrows	Mortgagees are required to escrow for mortgagors' real estate taxes and mortgage-related insurance payments.
Unpaid Late Fees Waived	The Mortgagee will waive all late fees.
Credit Report	The Mortgagee will cover the cost of the credit report.
Mortgagee Incentives	Under FHA-HAMP, the Mortgagee may receive an incentive fee of up to \$1,250. This total includes \$500 for the partial claim and \$750 for the loan modification. To receive the incentive payments, the Partial Claim and Loan Modification must meet the requirements of Mortgagee Letters 2008-21, 2003-19, 2002-17, 2000-05, and comply with instructions and

12-12020-mg Doc 8828-1 Filed 07/01/15 Entered 07/01/15 18:20:06 Exhibit 1 Pg 10 of 29

	requirements in this Mortgagee Letter and Attachment. Mortgagees may also claim up to \$250 for reimbursement of title search and/or recording fees.
Mortgagor Cash Contribution	The Mortgagee may not require the mortgagor to contribute cash.
Disclosure	 When promoting or describing FHA mortgage options Mortgagees should provide mortgagors with information designed to help them understand the mortgage terms that are being offered. Mortgagees also must provide mortgagors with clear and understandable written information about the terms, costs, and risks of the mortgage in a timely manner to enable mortgagors to make informed decisions. FHA requires Mortgagees to comply with any disclosure or notice requirements applicable
	under FHA regulations and state or federal law.
Fair Lending	Mortgagees under this program must comply with the Equal Credit Opportunity Act and the Fair Housing Act, which prohibit discrimination on a prohibited basis in connection with mortgage transactions. FHA mortgage programs are subject to the fair lending laws, and Mortgagees should ensure that they do not treat a mortgagor less favorably than other mortgagors on grounds such as race, religion, national origin, sex, marital or familial status (i.e., families with children under age 18 and pregnant women), age, disability, or receipt of public assistance income in connection with any loan modification. These laws also prohibit redlining.
Consumer Inquiries and Complaints	Mortgagees should have procedures and systems in place to be able to respond to inquiries and complaints relating to loan modifications. Mortgagees should ensure that such inquiries and complaints are provided fair consideration, and timely and appropriate responses and resolution.
Case/Mortgage Documentation	 Mortgagees will be required to maintain records of key data points for verification/compliance reviews, in accordance with Handbook 4000.2 Rev-3, Paragraph 5-8and Handbook 4155.2, Paragraph 8.B.7.c. Servicing files must be retained for a minimum of the life of the mortgage plus three years, per Handbook 4330.1 Rev-5, paragraph 1-3 E. These documents may include, but are not limited to, mortgagor eligibility, Hardship Affidavit, and qualification and underwriting. Mortgagors will be required to provide declarations under penalty of perjury attesting to the truth of the information that they have provided to the Mortgagee to allow the Mortgagee to
	determine the mortgagor's eligibility for entry into the FHA-HAMP program.
Anti-Fraud Measures	Measures to prevent and detect fraud, such as documentation and audit requirements are described in Handbook 4060.1, Rev-2.
	Participating Mortgagees and Mortgagees/investors are not required to modify the mortgage if there is reasonable evidence indicating the mortgagor submitted false or misleading information or otherwise engaged in fraud in connection with the modification. Mortgagees should employ reasonable policies and/or procedures to identify fraud in the modification process.

Data Collection	Mortgagees will continue to be required to collect and transmit mortgagor and property data
	in order to ensure compliance with the program as well as to measure its effectiveness. Data
	elements may include data needed to perform underwriting analysis and mortgage terms, and
	loan level data in order to establish loans for processing during the trial period, to record
	modification details, and monthly loan activity reports.

Questions and Answers: ML 09-23 / FHA-Home Affordable Modification Program, and subsequent guidance

The following questions were received via <u>hsg-lossmit@hud.gov</u> and will be updated periodically.

A. Basic Program Guidelines

1) FHA-HAMP does not solve for homeowners who are current on their mortgage, but claim imminent default, correct? FHA-HAMP requires that a homeowner be past due at least 1 installment, due to a valid reason for default (and not intentional default).

No. <u>Mortgagee Letter 10-04</u>, dated 01/22/2010, states in part, "...In order for an FHA-insured loan that is at risk of imminent default to qualify for modification under FHA-HAMP, the borrower must first successfully participate in a four-month trial modification period...."

2) Can you advise the effective date, and where to find online training?

Per ML <u>2009-23</u>, *it is August 15, 2009. Please register and take online training at <u>https://eclass.hud-nsctraining.com</u>.*

3) GNMA recently updated their buy-out procedures, but is still only allowing buy-out at the 91st day of delinquency. If a homeowner is not 91 days delinquent or greater after the trial period, how can we complete the modification/partial claim piece if the loan is in a GNMA pool?

GNMA All Participants Memo 09-14 states in part, "... Issuers will be permitted to repurchase FHA loans from Ginnie Mae pools if a borrower has been approved to participate in FHA's trial modification program and the loan has been in a state of continuous default for more than 90 days, as of the date of repurchase." If the mortgage is in default, and three trial modification payments - which are less than the full unmodified mortgage payment - are made successfully, then the mortgage will have been in a state of continuous default for more than 90 days. If the mortgage is not delinquent, the trial period must be 4 months, as stated in ML 10-04. Therefore, any loan approved to participate in the HAMP program where any portion of any single payment is delinquent for 90 days meets the Ginnie Mae requirement and can be repurchased on the 91 day to execute the modification.

4) In general, when an issue is not addressed, can we follow HMP rules?

12-12020-mg Doc 8828-1 Filed 07/01/15 Entered 07/01/15 18:20:06 Exhibit 1 Pg 13 of 29

Questions and Answers: ML 09-23 / FHA-Home Affordable Modification Program, and subsequent guidance

The following questions were received via hsg-lossmit@hud.gov and will be posted as submitted.

No. FHA-HAMP applies only to FHA insured mortgages. Consequently, when an issue is not specifically addressed, ML 09-23 refers servicers to other mortgagee letters for FHA modification and FHA Partial Claim guidance.

5) Are servicers required to specifically reference the FHA-HAMP in the FHA homeownership counseling letter or can the letter just reference modifications generally as being an alternative to foreclosure?

FHA-HAMP does not make changes to the Housing Counseling Notification requirement as set out in Mortgagee Letter <u>02-12</u>. The lender may choose to send out additional solicitations to the borrowers advising them of FHA-HAMP.

B. Debt to Income Ratios

No questions at this time. Refer to sections Z and AA

C. Calculation of Maximum Partial Claim Amount Under FHA-HAMP

 From what I'm reading it looks like we are just combining the Partial Claim and Loan Modification options in order to do a Principal Balance reduction. When we are preparing the figures for the customer are we basically doing loan modification figures to calculate the total due (including interest, overdrawn escrow, escrow replenishment and attorney fees) and then do we just do a Partial Claim for the total debt + principal balance forbearance in order to reduce the amount owed on the first lien by the customer?

See the example in the ML 09-23 on page 2. The borrower is limited to 12 months PITI for delinquent payments. If a buy down is needed to meet the 31% front end DTI ratio requirement, the amount up to 30% of the outstanding principal balance as of the date of default is deferred using a Partial Claim (inclusive of delinquent payments and legal costs), then a loan modification of the remaining principal balance amortized over 30 years and an interest rate reduction, as applicable, is executed.

D. Requirements to Use FHA-HAMP

1) What if the homeowner fails the trial payment, but does not complete the modification/PC piece of FHA-HAMP - can they be re-evaluated at a later date?

If the borrower fails the trial modification, they should be considered for standard loss mitigation options, excluding FHA-HAMP.

12-12020-mg Doc 8828-1 Filed 07/01/15 Entered 07/01/15 18:20:06 Exhibit 1 Pg 14 of 29

Questions and Answers: ML 09-23 / FHA-Home Affordable Modification Program, and subsequent guidance

The following questions were received via hsg-lossmit@hud.gov and will be posted as submitted.

2) What if the homeowner fails to send documents back, and never enters the trial period - can they be re-evaluated for FHA-HAMP at a later date?

Yes.

3) Do we have to have to launch a separate HAMP Spoliation Campaign As of right now we solicit all borrowers for LM Assistance at the 50, 95, 105, 125 date of delinquency. Our collections department tries to call the customer up until the date of foreclosure sale.

No, FHA is not prescribing each lender's HAMP solicitation campaign.

4) If a customer has ignored all LM Spoliations and Collection Attempts does this imply that the customer is not interested in LM Assistance and we can start Foreclosure? If a customer has applied for LM Assistance we should not be starting foreclosure until we have reviewed the financial package in order to determine if the customer would qualify for assistance, correct?

Loss Mitigation is based on the borrower cooperating and providing the requested information. If a lender is in the Loss Mitigation review process they should be aware of the first legal deadline (FLD). If the lender needs additional time to complete the review, they should submit an extension of time request through EVARS (FHA's online extensions and variances submission system) prior to the FLD. Under ML 2000-05, General Program Requirements, Section L, if the lender approves a borrower for a loss mitigation option, documents it in their servicing notes and reports it to Single Family Default Monitoring System (SFDMS) but is unable to compete it prior to the FLD date, the lender is entitled to a 90 day extension of the FLD. Enter the expiration date of this automatic extension to Form HUD-27011, Part A, block 19, when filing a disposition claim (e.g., conveyance, preforeclosure, etc.).

5) Based on the questions asked in #4, should the same logic be applied to customers who are currently facing a Foreclosure Sale?

It depends on whether or not the borrower has provided information to the lender to review for Loss Mitigation. Lenders are required to review for Loss Mitigation through the whole default cycle including foreclosure. Likewise, they must take into consideration FLD and request an extension if needed -- through EVARS, especially in start/stop states.

6) Should we foreclose on a borrower who has not responded to LM Solicitations and avoided collection attempts?

The following questions were received via hsg-lossmit@hud.gov and will be posted as submitted.

The borrower must cooperate and provide the requested financial information needed to perform a review for Loss Mitigation.

7) Do we need to mail a separate HAMP Solicitation to the customers facing a foreclosure sale?

The lender must determine if the borrower is eligible for a FHA HAMP prior to foreclosure. It is up to the lender to determine how it best meets this requirement.

8) Will HUD allow private investors (such as FNMA RMIC, Truman Capital, CalHFA, etc) to "trump" HUD rules and avoid participation in FHA-HAMP? Currently, some investors prohibit term extensions (required by FHA-HAMP), or wish to provide approval prior to loss mitigation execution. Others, such as CalHFA do not allow modifications on their FHA loan types.

No. Lenders must follow FHA loss mitigation guidelines. FHA will monitor program participants and take administrative actions for non-compliance when required.

9) Will HUD utilize any standard documentation for the modification/partial claim portion of FHA-HAMP? I saw that HUD requires the use of the standard Reason for Default affidavit, but was not sure whether any standardized loss mitigation docs were to be utilized.

No, HUD does not require standard documentation for modifications and Partial Claims. Lenders should continue to use the documents they use now for modifications and Partial Claims.

10) Can you validate the 'waterfall' review under FHA-HAMP? This would be utilized only after the homeowner was deemed not to qualify for the HUD standard loss mitigation waterfall of SFB > Modification > Partial Claim.

Yes, that is correct. ML 09-23 defines the priority order for loss mitigation home retention options under <u>Requirements to Use FHA-HAMP</u>.

11) Do we need to review all loans in our pre-sale inventory that have already been declined for a workout (Referred but the property has not yet been taken to sale). Or is HUD going to establish a cutoff period to determine what, if any loans, will need to be reviewed for FHA-HAMP and what will that cutoff period be?

The ML goes into effect 8/15/09 and requires lenders to review everything for the FHA-HAMP prior to foreclosure sale. Lenders can submit an

The following questions were received via <u>hsg-lossmit@hud.gov</u> and will be posted as submitted.

extension of time request to FHA through EVARS and request additional time to review for FHA-HAMP.

12) Does the FHA-HAMP list delinquency requirements? I saw that loans with delinquency of 91 days or greater must be run through the standard HUD waterfall (SFB, Mod, PC). Does this mean that if we can complete one of those options, we cannot review for FHA-HAMP?

Yes, the borrower has to be one full payment past due and placed in a 3month trial plan, or if current, placed in a 4-month trial modification for the modified mortgage payment.

Borrowers who do not qualify for standard loss mitigation options must be reviewed for FHA-HAMP.

13) What if we can solve for the delinquency using one of the "standard" options, but this does not solve for 31% payment-to-income ratio? Do we proceed with FHA-HAMP review, or solve using a "standard" HUD option?

Lenders are required to use standard loss mitigation first.

14) Are the borrowers eligible for the HAMP program at day 31? Traditional modifications are at 61 days and partial claims are at 91 days for eligibility, which makes me think that anything less than 60 days delinquent would either be looked at for a Special Forbearance or the HAMP program. Is that correct?

Yes, the borrower has to be one full payment past due or placed in a trial modification for the modified mortgage payment.

15) Is this program mandatory? Are we required to solicit borrowers who may qualify?

Yes. The evaluation of FHA borrowers for loss mitigation is mandatory. The loss mitigation priority order, as defined on page 3 of the attachment to ML 09-23 states that FHA-HAMP can be utilized only if the mortgagor(s) does not qualify for current home retention options.

E. Mortgagee Incentives

1) From my understanding the customer will have to sign a loan modification agreement and a Partial Claim Subordinate Note and Mortgage?

Yes.

The following questions were received via <u>hsg-lossmit@hud.gov</u> and will be posted as submitted.

2) Do we use the traditional documents or are there new specific documents that HUD would require?

Lender would continue to use the same documents as they are currently using.

3) If we are to use the traditional documents do the same rules apply for the Partial Claim and Loan Mod, from the way I am reading the guidelines it says we are to follow the current mortgagee letters, but I just wanted to clarify?

Yes, that is correct.

F. Partial Claim Filing and Document Delivery

 Confirm that the Partial Claim amount would be set up as a 0% 2nd lien that would be assigned to FHA. Investor/Chase would be paid claim amount at time of mod. Also confirm that the loans so modified can be re-delivered.

> Yes, the subordinate lien is non-interest bearing and there is no lien priority. Mortgagees will file insurance benefits for this Partial Claim in the same manner as a traditional partial claim; See GNMA APM 09-14 (referenced above) for more information about re-pooling.

2) Are there any special claims instructions?

In addition to the requirement that the Partial Claim be filed and paid prior to the filing of the loan modification claim (see Page 3, Mortgagee Incentives), <u>Mortgagee Letter 09-39</u> includes claims instructions.

3) Regarding the repayment of the Partial Claim - what is the responsibility of the Servicer to FHA when a payoff is requested on the first lien? Is the Servicer responsible for notifying the Held Assets Servicing Contractor?

The requirements of ML <u>03-19</u>, section K, are not changed by ML 09-23.

4) Is the Servicer responsible for maintaining the amount of the non interest bearing partial claim and including it with any payoff statements?

No, see ML 2003-19

G. Monitoring

I. SFDMS Reporting

1) Will HUD have special coding (for month-end delinquency reporting) for FHA-HAMP? If not, should we use the existing codes for partial payments, modifications, partial claims, etc?

Additional codes were announced October 9, 2009 via Mortgagee Letter 09-39.

J. Eligibility – Mortgagors

1) Under FHA - HAMP is the homeowner is disqualified if they have moved out of the residence and are leasing it out because they can't sell it?

If the property is non-owner occupied, it is not eligible. If the owner moves back into the property and provides documentation it is now their primary residence, the borrower would be eligible provided they met all other requirements.

2) Can an FHA-HAMP be offered to a borrower in active bankruptcy? A borrower previously discharged?

Yes, lender would need to check with their legal counsel and may also need to obtain Bankruptcy Court approval.

K. Eligibility – Existing Mortgage

No questions at this time.

L. Eligibility – Maximum Mortgage Amounts

No questions at this time.

M. Eligibility – Modified Mortgage

 The existing FHA-insured mortgage must be re-amortized to a 30-year fixed rate mortgage, and must be modified in compliance with all FHA Mortgage Modification requirements, except those specifically modified under the FHA-HAMP program.

a. We appreciate this tool but wish that a 40 year fixed rate mortgage could be

made available to provide more relief for our at-risk borrowers.

The program was designed to align with GNMA pooling requirements. Consequently, at this time, only 30 year terms are allowed.

b.As a state housing finance agency using mortgage revenue bond financing, we can't change the term of our loans to extend beyond the term originally stated in the bond offering.

If state bond requirements prohibit re-amortization to 30 years, lender needs to document their servicing file with the reason borrower was not approved for FHA-HAMP.

c. If re-amortizing the loan to 30 years extends the new maturity date by more than 10 years, can the loan still be modified under the FHA-HAMP?

Yes, ML 09-23 requires all loans be re-amortized to 30 years.

2) A servicer must comply with all FHA Mortgage Modification requirements – previous and new requirements for the FHA-HAMP. In previous requirements the borrower needed to be seriously delinquent before certain treatments could be provided. For example, a borrower must be 120 days delinquent or > before a Partial Claim can be used. Also – incentives are not paid to the servicer if the borrower is not at least 90 days delinquent at the time of modification. Given the current housing market and economic environment, we believe these two requirements should be removed and allow servicers to be incented to work with borrowers earlier in the delinquency and provide relief sooner. Our analysis would prove the earlier the intervention the more often a solution can be found and the more successful the customer is at maintaining the new payment.

Yes, the borrower has to be one full payment past due and placed in a 3 month trial plan, or current and placed in a 4-month trial modification for the modified mortgage payment. The purpose of the evaluation for other loss mitigation options is that a lender may determine that a borrower has a temporary disruption of income, which may be overcome by standard loss mitigation retention tools. In those situations, the lender may choose to utilize a formal forbearance or repayment plan until the borrower is eligible for formal loss mitigation tools.

N. Property Eligibility

1) The FHA-insured property must be the mortgagor's primary residence. This is fully understandable – but the statement goes on to say that it must be their ONLY residence. Are we to interpret the borrower cannot own a second home to qualify?

The following questions were received via <u>hsg-lossmit@hud.gov</u> and will be posted as submitted.

No. The purpose of that statement was that the borrower is eligible for loss mitigation assistance on only one owner-occupied house subject to FHA insurance.

O. Interest Rate – Modified New Mortgage

1) To determine the rate do we just use the GNMA Coupon rate for the month the Trial Period is approved and then once they complete the trial we just finalize the loan mod?

HUD does not set interest rates; the same rules apply the FHA-HAMP modifications as on standard Loan Modifications (see ML <u>08-21</u> and <u>09-35</u>).

P. Current Loan to Value Requirements Mortgage

No questions at this time.

Q. Loan Purpose

1) If a customer has had a previous Partial Claim and have used the 12 month PITI allowance are they ineligible for an HAMP or is this amount just capitalized in with a loan mod and would have to be paid back during the life if the first lien modified mortgage?

A lifetime of 12 months PITI is the maximum allowance. If they have already used it then they would not be eligible for the FHA-HAMP.

2) Clarify whether there is a minimum requirement for lowering of monthly payment.

HUD has not set a minimum reduction; however, the new mortgage payment must be reduced to be as close as possible to 31% of the gross monthly income.

 Guidelines state that all existing subordinate financing must be subordinated again to maintain the first lien priority of the HAMP mortgage. We would suggest that a new subordination agreement would not be needed if the capitalization/partial claim is < \$15,000.

First-lien status must be maintained. See Mortgagee Letter 2000-05, Page 22, Section G. Lien Status – these requirements have not changed.

No questions at this time.

S. Seasoning Requirements on the Existing Mortgage

1) If the mortgage under review for FHA-HAMP is an FHA Streamline refinance, does the 12 month age and 4 payment requirement apply?

No, however, HUD's automated claim processing system (A43C) will suspend the claim in order to determine the age of the prior FHA mortgage. We strongly recommend that the prior FHA case number be entered into the Comments section of the claim.

2) Does seasoning include the trial period?

No

T. Property Valuation

No questions at this time.

U. Trial Modification

 During the Trial Period when we are collecting the estimated mortgage payment, does the due date have to move three times on the mortgage or do the funds just have to post to suspense? If this is allowed does this rule apply to the traditional Loan Modification requests where the customer is being required to demonstrate the ability to make the new estimated payment.

Since the trial modification payments are to be in the amount of the modified mortgage payment (see attachment page 2), the lender would post them to a suspense account tied to the borrower and track that 3 payments (or 4 payments for current loans) were made. This does not constitute a change to a Type II SFB that is referred to in the last part of the question.

2) During the Trial Period do we following the Forbearance Default Guidelines that were described in ML <u>02-17</u>: the customer has missed two installments and has not made contact with us, the home was abandoned, and the borrower informs us they are not going to fulfill the terms of the plan.

Yes, this would constitute option failure as described in ML 02-17.

3) To clarify, no matter what circumstances that occurred, if a borrower breaks the Trial Plan Arrangements they are not eligible for another HAMP?

The following questions were received via <u>hsg-lossmit@hud.gov</u> and will be posted as submitted.

Correct.

4) Does the trial payment plan end at the time of the first untimely payment? Is there a grace period for these payments?

The trial modification payments must be made within 15 days of the installment due date.

5) Clarify how to determine that the trial mod payments have been made on time."

Each of the three (or 4, if applicable) trial modification payments must be made within 15 days of the installment due date.

V. Documentation Requirements

1) When collecting the <u>Home Affordable Affidavit</u> can we send this document with the Trial Plan Forbearance or do we have to send this in a separate LM Solicitation?

The borrower must complete and return this document with the financial information since it explains the reason for the hardship. The lender would not be able to approve a borrower without this document. Trial modification is then sent out after approval.

2) Will HUD require that we validate the homeowner's proof of income prior to sending FHA-HAMP documents to the homeowner? This pertains to the issue that we solved recently, where HUD does not recognize a "pre-qualified" modification, and we changed our process to ensure that the homeowner is financially approved prior to sending documents.

Yes, although the lender can take information verbally as most do now, they still have the requirement to verify the information before FHA-HAMP or any loss mitigation option can be approved, and before sending the FHA-HAMP documents to the homeowner.

W. Underwriting Requirements – General

1) What is the GSA exclusion list and HUD's LDP - where are they published?

The GSA exclusion list provides information on parties that are excluded from receiving Federal contracts, certain subcontracts, and certain Federal financial and nonfinancial assistance and benefits – see <u>https://www.epls.gov/</u>,HUD's Limited Denial of Participation (LDP) is an action taken by HUD which excludes a party from further participation in a HUD program - see <u>http://www.hud.gov/offices/enforce/ecldp.cfm</u>

X. Loss Mitigation – Priority Order

No questions at this time.

Y. Underwriting – Monthly Gross Income

1) Are customers who unemployed but are collecting unemployment benefits and meet the other requirements for the HMP Eligible for this workout? If so is there a time restriction to the time when this workout is approved to the day when the benefits would run out? For example, the customer is unemployed but will receive unemployment benefits for the next 12 months and can provide proof of this? If this is allowed are we allowed to approve traditional loan modifications and partial claims using the same logic?

See ML 09-23's Attachment for income guidelines and ML 2000-05 for the financial analysis guidelines.

2) Does PITI include HOA fees as in HMP program?

Yes.

3) How long must unemployment benefits last to be considered income?

Unemployment income must be documented with reasonable assurance of its continuance for at least 12 months.

4) What is acceptable documentation to support alimony, child support or unemployment income?

If the borrower elects to use alimony or child support income to qualify, acceptable documentation includes photocopies of the divorce decree, separation agreement or other type of legal written agreement or court decree that provides for the payment of alimony or child support and states the amount of the award and the period of time over which it will be received. Servicers must determine that the income will continue for at least 12 months. The borrower must present proof of full, regular and timely payment, such as deposit slips, bank statements or signed federal income tax returns.

If the borrower has other **income** such as **unemployment**, acceptable documentation includes letters, exhibits, or benefits statement from the provider that states the amount, frequency and duration of the benefit. The servicer must obtain copies of signed federal income tax returns, IRS W-2

forms, or copies of the two most recent bank statements.

Z. Underwriting – Front End Debt to Income Ratio

1) Does the target 31% DTI pertain to the payment calculation at the time of the qualification for the trial plan OR the final calculation of the HAMP plan following the accrual of additional past due amounts?

The lender should try to get as close to the 31% DTI as possible at both the trial modification period and the final HAMP, understanding that there will be some variance due to rounding and since the trial payment is an estimate.

AA. Underwriting - Back End Debt to Income Ratio

1) When calculating the back end ratio, what does HUD consider incremental monthly obligations? Does this mean all monthly obligations including Food and Housing Costs?

No, food housing, and utilities are excluded. Obligations to be included in the ratio are the credit report trade line items, and other items as stated on page 3 of the attachment to the HAMP ML.

2) For debt-to-income requirements, does FHA-HAMP require that we utilize only what is on the credit report to calculate the homeowner's back-end ratio? Or will HUD require that we use the standard financial calculation and review all homeowner monthly expenses? The FNMA/FHLMC MHA program utilizes only the debts that are listed on the credit report.

Trade lines on the credit report can be used for verification, however, the servicer must also consider information obtained from the mortgagor orally or in writing concerning incremental monthly obligations (see the attachment to ML 09-23).

Per HUD Handbook 4155.1, Paragraph 2-12, The borrower's liabilities include all installment loans, revolving charge accounts, real estate loans, alimony, child support, and all other continuing obligations. In computing the debt-to-income ratios, the lender must include the monthly housing expense and all other additional recurring charges extending ten months or more, including payments on installment accounts, child support or separate maintenance payments, revolving accounts and alimony, etc. Debts lasting less than ten months must be counted if the amount of the debt affects the borrower's ability to make the mortgage payment during the months immediately after loan closing; this is especially true if the borrower will have limited or no cash assets after loan closing.

Questions and Answers: ML 09-23 / FHA-Home Affordable Modification Program, and subsequent guidance

The following questions were received via hsg-lossmit@hud.gov and will be posted as submitted.

The following additional information deals with revolving accounts and alimony payments:

- <u>Revolving Accounts.</u> If the account shown on the credit report has an outstanding balance, monthly payments for qualifying purposes must be calculated at the greater of 5 percent of the balance or \$10 (unless the account shows a specific minimum monthly payment).
- <u>Alimony</u>. Because of the tax consequences of alimony payments, the lender may choose to treat the monthly alimony obligation as a reduction from the borrower's gross income in calculating qualifying ratios, rather than as a monthly obligation.
- 3) The backend ratio cannot exceed 55%. Our interpretation is the FHA-HAMP will not be given if this condition exists. We would agree a backend ratio of 55% or greater does add risk to the sustainability of the modification but would also suggest we work with the borrower to get support in restructuring all of their debt through a HUD-approved counselor. The borrower could be given the opportunity to complete their trial modification payments while seeking counseling and restructuring of their other debt. This allows the borrower time and supplemental cash assistance during the three months.

As specified in ML 09-23, the Back End Ratio must not exceed 55%. If the Back End Ratio exceeds 55%, the FHA-HAMP cannot be offered to the mortgagor. The Department encourages mortgagees to work with borrowers to seek counseling to get support in restructuring their entire debt. However, when the mortgagee evaluates the borrower's eligibility for the FHA-HAMP, the Back End Ratio must not exceed 55%.

4) If a borrower eliminates debt in Chapter 7 to meet the 55 ratio requirement, would they be eligible for servicing (post discharge) alternatives including HAMP whether or not they reaffirmed the mortgage?

Yes, please refer to Mortgagee Letter <u>08-32</u> *and consult with your legal counsel.*

BB. Underwriting – Subordinate Financing

CC. Underwriting - Upfront Mortgage Insurance Premium

1) Does the first mortgage principal reduction provided the borrower under HAMP trigger the 78% threshold under which MIP could be terminated?

Questions and Answers: ML 09-23 / FHA-Home Affordable Modification Program, and subsequent guidance

The following questions were received via <u>hsg-lossmit@hud.gov</u> and will be posted as submitted.

No, because the borrower has simply bifurcated their total mortgage debt into two instruments. See also Section J of ML 2000-05, which states in part that monthly MIP payments must be calculated on the original insurance amount.

DD. Underwriting – Annual Premium

No questions at this time.

EE. Underwriting - Calculation of Maximum Partial Claim Amount

1) Are we allowed to include all escrow shortages and amounts to fund escrow in the HAMP?

Yes.

2) If so, should we run an updated escrow analysis prior to preparing the final modifications?

Yes.

 If we do this, what happens if the customer does not meet the required ratios to complete the loan modification. (This would occur in a case where the customer had Forced Placed Taxes or Insurance during the trial period)

The borrower has to meet the 31/55 ratios. If not, , the borrower would have to be evaluated for standard loss mitigation options.

4) We fully understand the Partial Claim may not exceed the equivalent of 12 months PITI and allowable foreclosure costs, but need further clarification if we would be allowed to capitalize any remaining arrearage if this limit was hit and the borrower needed to capitalize the remaining to become current.

The FHA-HAMP Partial Claim is the sum of three amounts, not to exceed 30% of the outstanding principal balance.

- 1. Arrearages not to exceed 12 months PITI; this includes existing partial claims
 - a. A partial claim(including under FHA-HAMP) would be limited to 4 months PITI today if a previous partial claim had already been granted for 8 months PITI.
- 2. Allowable Legal Fees and Foreclosure Costs related to the cancelled, incomplete foreclosure action.
- 3. Remaining Amounts to Principal Reduction (up to an amount

FF. Partial Claim Guidelines

No questions at this time.

GG. 90 days Past Due or In Foreclosure

1) *For loans in the foreclosur*e process - PRIOR to first legal being filed - will there be an automatic 90-day extension to review these loans for FHA-HAMP? Does this include loans in the foreclosure process prior to 8/15/09?

Lenders would be granted an automatic 90 day extension under 24 CFR <u>203.355</u> for owner occupied properties to review for HAMP. As appropriate, enter the expiration date of this automatic extension to Form HUD-27011, Part A, block 19, when filing a disposition claim (e.g., conveyance, preforeclosure, etc.).

2) For loans currently in our foreclosure process - AFTER the first legal has been filed - will HUD give servicers an extension for reasonable diligence to postpone sales and review files again for FHA-HAMP?

Yes, when lenders exceed the reasonable diligence time frames they are required to document their servicing files and explain on their claim the reason for exceeding time frames.

3) Can the loan be in foreclosure at the time of the loss mitigation review or does Foreclosure have to be put on hold?

It is the same process as standard loss mitigation- complete the loss mitigation review and, if approved, cancel the foreclosure.

4) If the loan is put on hold for review and ultimately foreclosure resumes, what percentage of the original foreclosure fees and costs are claimable?

It is the standard percentage of up to 75% of foreclosure costs.

JJ. Credit Report

1) For current borrowers who have eminent default, are we suppose to block credit and report them current during the trial plan?

2) When the homeowner enters the 3 month Trial period should credit reporting be blocked?

No, report them based on compliance with the contractual due date.

KK. Mortgagee Incentives

No questions at this time.

LL. Mortgagor Cash Contribution

1) The mortgage is 14 months delinquent. Could we capitalize the extra 2 months into the modification so that we comply with the 12 month PITI delinquency cap?

No, the extra 2 months delinquency can neither be capitalized into the modification, nor can it be a different component in the Partial Claim mortgage. The borrower would need to pay down the delinquency on the first mortgage to be within the 12 month cap –a mortgage payment is not a cash contribution.

2) If the borrower does not contribute for costs associated with the Loan Modification, are we allowed to include those in the Partial Claim?

Per ML 08-21, HUD allows for certain costs such as attorney fees and costs to be included in a PC, late charges are not allowed.

To whom it may concern,

Attached is my current Unemployment compensation stub. The stub reflects \$679 paid weekely, with a balance of \$13608.00 This Balance provdes 20 more weeks of Unemployment compensation. However please understand that there are extensions that I will qualify for (since I was in the Auto Business) That will surpass your 9 month requirement.

20weeks left currently

Plus the first extension: October 2 Update: Senator Max Baucus, Chairman of the Finance Committee, introduced legislation - the Emergency Unemployment Compensation Act of 2009 – that provides additional weeks of federal unemployments benefits to workers in all states. Baucus and Senate Majority Leader Harry Reid propose four extra weeks of extended unemployment benefits for all states, plus 13 additional weeks for the 27 hardest-hit states.

Connecticut falls in the parameter of the "27 hardest hit states"

This extension provides 17 more weeks

Second extension: November 6 Update: President Obama has signed the unemployment extension legislation. Check with your <u>state unemployment office</u> for details on when payments will start being <u>made</u>. The extension provides for 14 weeks of extended benefit coverage for every state and an additional 6 weeks, for a total of 20 weeks, in high unemployment states where unemployment is over 8.5%.

Again Connecticut is unfortunately over 8.5%

This is extension provides another 20weeks

Now these 2 first extensions alone plus my current benefit time is 57 weeks, totaling over 1 year.

Please understand I have no intention of staying unemployed that long. Come spring time the latest I will land back in a car dealership. Please also understand I was laid off back in July of 09 and have gone through all of my savings. I did not think I wuld be unemployed this long. This is the down side to the auto Business, great, money while employed, but hi turn around. While employed in the Auto Business, my history and experience grants me a pretty high paying salary. So even though was laid off in July, I was able to live off most of my savings and pay all my bills up until November. Currently I am not behind on any other bills other then my mortgage. But I can no longer survive off unemployment alone, and still pay all my bills. I hope that the fact I kept trying and staying above "water" for the past 4 months will show some character. I did not reach for handouts and help from all sources nor did I stop paying bills upon my layoff back in July. I fought every day to find work and stay on top of all my financial ebligations. At this time I have to prioritize, I am the sole provider for my 2 children. My priorities are keeping my House, Keeping the heat and electricity on, and keeping food on the table. As soon as GMAC

can help me the better and at the same time I will then contact a credit card consolidation program to consolidate my credit card dept if need be as well. But again I have to focus on Keeping my house, food for my children and heat and electricity.

Attached is my current Unemployment compensation stub. The stub reflects \$679 paid weekely, with a balance of \$13608.00 This Balance provdes 20 more weeks of Unemployment compensation. However please understand that there are extensions that I will qualify for (since I was in the Auto Business) That will surpass your 9 month requirement.

20weeks left currently

Plus the first extension: October 2 Update: Senator Max Baucus, Chairman of the Finance Committee, introduced legislation - the Emergency Unemployment Compensation Act of 2009 - that provides additional weeks of federal unemployments benefits to workers in all states. Baucus and Senate Majority Leader Harry Reid propose four extra weeks of extended unemployment benefits for all states, plus 13 additional weeks for the 27 hardest-hit states.

Connecticut falls in the parameter of the "27 hardest hit states"

This extension provides 17 more weeks

Second extension: November 6 Update: President Obama has signed the unemployment extension legislation. Check with your state unemployment office for details on when payments will start being made. The extension provides for 14 weeks of extended benefit coverage for every state and an additional 6 weeks, for a total of 20 weeks, in high unemployment states where unemployment is over 8.5%.

Again Connecticut is unfortunately over 8.5%

This is extension provides another 20weeks

Now these 2 first extensions alone plus my current benefit time is 57 weeks, totaling over 1 year.

Please understand I have no intention of staying unemployed that long. Come spring time the latest I will land back in a car dealership. Please also understand I was laid off back in July of 09 and have gone through all of my savings. I did not think I wuld be unemployed this long. This is the down side to the auto Business, great, money while employed, but hi turn around. While employed in the Auto Business, my history and experience grants me a pretty high paying salary. So even though was laid off in July, I was able to live off most of my savings and pay all my bills up until November. Currently I am not behind on any other bills other then my mortgage. But I can no longer survive off unemployment alone, and still pay all my bills. I hope that the fact I kept trying and staying above "water" for the past 4 months will show some character. I did not reach for handouts and help from all sources nor did I stop paying bills upon my layoff back in July. I fought every day to find work and stay on top of all my financial obligations. At this time I have to prioritize, I am the sole provider for my 2 children. My priorities are keeping my House, Keeping the heat and electricity on, and keeping food on the table. As soon as GMAC

can help me the better and at the same time I will then contact a credit card consolidation program to consolidate my credit card dept if need be as well. But again I have to focus on Keeping my house, food consolidate my credit card dept if need be as well. But again I have to focus on Keeping my house, food for my children and heat and electricity.

Federal Emergency Homeowners' Loan Program (EHLP) Fact Sheet

The Federal Emergency Homeowners' Loan Program (EHLP) provides assistance to eligible Connecticut homeowners who are 90 days or more delinquent with their first mortgage payment as a result of having suffered a loss of income due to unemployment, underemployment or suffered adverse economic conditions resulting from a medical emergency or serious injury. Utilizing federal funds, eligible homeowners are given a mortgage assistance loan to pay mortgage arrearages, delinquent taxes, homeowners insurance, condominium fees and foreclosure related legal fees as well as assist with monthly mortgage payments for up to 24 months or \$50,000 whichever comes first. The assistance is provided as an interest free forgivable mortgage loan as long as the borrowers continue to reside in the property and pay their first mortgage on time.

The EHLP program is available through September 30, 2011 and is administered by the Connecticut Housing Finance Authority (CHFA).

Homeowner Eligibility Requirements:

- **Income Thresholds**: Eligible homeowners' current household income must be equal to or less than 120 percent of the Area Median Income (AMI) adjusted for household size for the City/Town where their principal residence is located. Household income includes wages, salary, and self-employed earnings and income of all adult members of the household.
- **Significant Income Reduction**: Eligible homeowners must have a current yearly gross income that is at least 15 percent lower than the pre-hardship income due to unemployment, underemployment or from a medical emergency or serious injury.
- **Principal Residence**: Eligible homeowners must reside in the mortgaged property as their principal residence. The mortgaged property must also be a single family residence (1 to 4 unit structure or condominium unit). Please note that no business or commercial use of the property is allowed.
- Ability to Resume Repayment: Eligible homeowners must have a reasonable likelihood of being able to resume repayment of the first mortgage obligation and meet other housing expenses and debt obligations within 2 years.
- Loan Terms: 0% forgivable mortgage loan as long as the borrowers continue to reside in the property and pay their first mortgage on time.

Terms and Conditions of Assistance:

Only homeowners eligible for monthly assistance under the terms of the program will be eligible for assistance under the EHLP program. EHLP program funds are not available to assist homeowners with arrearages only.

- The maximum total amount of assistance is \$50,000 per household.
- Assistance with monthly mortgage payments may be provided for 12 months which can be extended if necessary for an additional 12 months for a maximum of 24 months of assistance. Monthly mortgage payments must include escrows for property taxes, hazard insurance, and flood insurance, if applicable.
- Homeowner contribution to monthly first mortgage loan payments will be set at 31 percent of gross income at the time of application, but in no instance will it be less than \$25 per month.

• The amount of monthly assistance is the dollar amount necessary to satisfy the homeowner's first mortgage loan payment in excess of the required homeowner contribution toward their first mortgage loan payment.

Termination of Monthly Assistance:

Assistance is terminated and the homeowner resumes full responsibility for meeting the first mortgage loan payments in the event of any of the following circumstances:

- After 24 months or the maximum loan (\$50,000) amount has been reached whichever occurs first;
- The homeowner fails to report changes in income or employment status;
- The homeowners' household income is restored such that the first mortgage payment (Principal, interest, taxes and insurance escrows) is less than 31% of the monthly aggregate household income.
- The homeowner no longer resides in, sells, or refinances the debt on the mortgaged property; or
- The homeowner defaults on their required contribution to CHFA toward the first mortgage loan payment.

Income Re-evaluation:

After initial income verification at application intake, the homeowner shall be required to notify CHFA of any changes in the household income and/or employment status at any point throughout the entire period of assistance and must provide financial documentation for re-evaluation no less than 12 months from the initial approval when requested by CHFA.

Repayment Requirements & Terms for Declining Balance Feature:

FEHLP loan terms allow for a declining balance during the five years immediately following the final assistance payment (the five year repayment period) made on behalf of a homeowner who has successfully completed participated in the program. No payment is due on the note during the 5 year term so long as the assisted household maintains the property as principal residence and remains current in his or her monthly payments on the first mortgage loan. If the homeowner meets these two conditions, the FEHLP loan balance shall decline by twenty percent (20%) annually.

Events Triggering Note Repayment:

The homeowner will be responsible for repayment of the applicable balance of the FHELP note to CHFA or its successor, if, at any time during the five year repayment period, any of the following events occur:

- The homeowner no longer resides in the mortgaged property as a principal residence, but maintains ownership;
- The homeowner defaults on its portion of the current mortgage; or
- The homeowner receives net proceeds from selling or refinancing debt on the home.

To Obtain More Information:

Homeowners may contact the CHFA Customer Call Center at 860-571-3500 or toll free at 1-877-571-CHFA (2432) for additional information and to determine preliminary eligibility to receive FEHLP applications.
