² Terms used but not otherwise defined herein have the meanings ascribed to them in the Interim Compensation Procedures Order.

FEE PROCEDURES ORDER

5. On May 6, 2019, the Court entered the Interim Compensation Procedures Order, which sets forth the procedures for interim compensation and reimbursement of expenses for all professionals in these cases.

6. In particular, the Interim Compensation Procedures Order provides that a Professional may file and serve a Monthly Fee Application with the Court no earlier than the 15th day of each month following the month or months for which compensation is sought. Provided that there are no objections to such Monthly Fee Application filed within 14 days after the service of a Monthly Fee Application, the Professional may file a certificate of no objection with the Court, after which the Debtors are authorized to pay such Professional 80 percent of the fees and 100 percent of the expenses requested in such Monthly Fee Application. If a partial objection to the Monthly Fee Application is filed, then the Debtors are authorized to pay 80 percent of the fees and 100 percent of the expenses not subject to an objection.

RELIEF REQUESTED

7. Morris Nichols submits this Application (a) for allowance of reasonable compensation for the actual, reasonable and necessary professional services that it has rendered as bankruptcy counsel for the Debtors in this case for the period from April 1, 2019 through April 30, 2019, and (b) for reimbursement of actual, reasonable and necessary expenses incurred in representing the Debtors during that same period.
