2. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2) and, pursuant to Local Rule 9013-1(f), the Debtors consent to the entry of a final order by the Court in connection with this Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments consistent with Article III of the United States Constitution.

3. Venue of the Chapter 11 Cases and related proceedings is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

4. On April 1, 2019 (the “**Petition Date**”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have continued in

possession of their property and have continued to operate and manage their businesses as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

5. The Court has appointed David M. Klauder of Bielli & Klauder, LLC as the Fee examiner. Andrew R. Vara is the Acting United States Trustee.

6. Additional information about the Debtors' businesses and affairs, capital structure and prepetition indebtedness, and the events leading up to the Petition Date, can be found in the *Declaration of Michael B. Howe in Support of Debtors' Chapter 11 Proceedings and First Day Pleadings* (the "**Howe Declaration**"), which is incorporated herein by reference.

7. The Chapter 11 Cases are being jointly administered pursuant to Bankruptcy Rule 1015(b) and the *Order Directing Joint Administration of Chapter 11 Cases* [D.I. 48] entered by the Court on April 2, 2019 in each of the Chapter 11 Cases.

On May 6, 2019, this Court entered the Retention Order approving Evercore's retention *nunc pro tunc* to the Petition Date. The Retention Order approves Evercore's Fee and Expense Structure (as defined in the Retention Application), pursuant to Section 328(a) of the Bankruptcy Code, subject to the terms of the Retention Order.

Summary of Services Rendered During the Fee Period

9. Evercore submits that the investment banking services and advice it rendered to the Debtors as in connection with the Chapter 11 Cases during the Fee Period, all at the direction of the Debtors or their counsel, were necessary and beneficial to the Debtors, their creditors and their estates. These services were performed at a high level and were often subject to significant time constraints. These services were necessary to address a multitude of critical issues both unique to these Chapter 11 Cases and typically faced by large corporate debtors in similar cases.

10. To provide a meaningful summary of its services provided on behalf of the Debtors and their estates, Evercore has established, in accordance with its internal procedures, certain subject matters categories (each, a “Matter Category”) in connection with these Chapter 11 Cases.

11. The following is a summary, by Matter Category, of the most significant professional services provided by Evercore during the Fee Period. This summary is organized in accordance with Evercore’s internal system of matter numbers.²

Total Hours: 858.5

17. This category includes time spent by Evercore advising the Debtors on the sale of the Debtors' assets, including developing marketing materials and a target buyer list, organizing the Debtors' data in a virtual data room, contacting potential buyers, assisting potential buyers

with due diligence, structuring potential transactions, negotiating with buyers, attempting to secure bids for substantially all of the Company's assets and evaluating indications of interest and proposals regarding the asset sales.

18. As part of the asset sale process, Evercore contacted over 65 potential purchasers, and the Debtors executed non-disclosure agreements with over 35 of such parties with respect to a sale of all or some of the Debtors' assets. Evercore provided additional detail to those parties, including access to confidential diligence materials. In addition, Evercore assisted with revising the marketing materials as part of the settlement with Southcross Holdings Entities (as defined in the Settlement Agreement), and presenting these materials to potential bidders. Accordingly, certain information appropriate to consideration of the fee requests of hourly-rate compensated professionals, such as blended rates or maturation, do not exist for Evercore.

27. Evercore has not shared, or agreed or entered into any understanding to share, any of its compensation received in these Chapter 11 Cases with any other entity.

Summary of Expenses Incurred During the Fee Period

28. Consistent with Evercore's policy with respect to its other clients, and in accordance with the Engagement Letter and Retention Order, Evercore is seeking reimbursement for charges and disbursements incurred as out-of-pocket expenses in the rendition of necessary services to the Debtors and their estates.

29. The expenses for which Evercore requests reimbursement for the Fee Period are actual and necessary direct, non-overhead costs incurred in the course of rendering services to the Debtors.³

30. Additionally, a chart summarizing the expenses for the Fee Period is included at the front of this Application. Evercore maintains all receipts and/or invoices related to each client's disbursement account in a central storage facility, and such records can be produced upon request.

31. During the Fee Period, Evercore incurred legal expenses in connection with preparing its Retention Application and addressing certain informal comments from the Office of the United States Trustee. These legal expenses were necessary and beneficial to the Debtors' estates in enabling them to engage the financial advisor and investment banker of their choice.

Certification of Compliance and Waiver

32. The undersigned representative of Evercore certifies that he has reviewed the requirements of Local Rule 2016-2 and that the Application substantially complies with that

³ A complete description of each expense incurred can be found in Evercore's monthly fee applications. *See* Docket Nos. 451, 537, 614.

Local Rule except to the extent waived by the Retention Order or otherwise modified by orders of this Court. To the extent that the Application does not comply in all respects with the requirements of Local Rule 2016-2, as so modified, Evercore believes that such deviations are not material and respectfully requests that any such requirement be waived.

Reservation of Rights and Notice

33. Although every effort has been made to include all fees and expenses incurred in the Fee Period, some fees and expenses might not be included in this Application due to delays caused by accounting and processing during the Fee Period. Evercore reserves the right to make further application to the Court for allowance of such fees and expenses not included herein.

34. Notice of this Application will be provided to the following parties or, in lieu thereof, their counsel, if known: (i) the Debtors; (ii) counsel for the Debtors, (a) Davis Polk & Wardwell and (b) Morris, Nichols, Arsht & Tunnell LLP; (iii) counsel to any official committee appointed in the Chapter 11 Cases; (iv) counsel to the post-petition lenders and an ad hoc group of prepetition lenders, (a) Willkie Farr & Gallagher LLP and (b) Young Conaway Stargatt & Taylor, LLP; (v) counsel to Wells Fargo Bank, N.A. as administrative agent, Vinson & Elkins LLP; (vi) the Office of United States Trustee for the District of Delaware; (vii) David M. No Prior Request

35. No prior application for the relief requested herein has been made to this or any other court.

WHEREFORE, Evercore respectfully requests that the Court enter an order (1) allowing the interim compensation and reimbursements described herein, (2) authorizing and directing the Debtors to pay Evercore such fees and to reimburse Evercore for such expenses to the extent not already paid, and (3) granting such other relief as is appropriate under the circumstances.
