H. Reservation of Rights

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Schedule of Assumed Executory Contract and Unexpired Leases, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Wind-Down Debtors has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Wind-Down Debtors, as applicable, shall have 30 days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease under the Plan.

A. Timing and Calculation of Amounts to Be Distributed

Unless otherwise provided in the Plan, on the Effective Date (or if a Claim is not an Allowed Claim or Allowed Interest on the Effective Date, on the date that such Claim or Interest becomes an Allowed Claim or Allowed Interest, or as soon as reasonably practicable thereafter), or as soon as is reasonably practicable thereafter, each Holder of an Allowed Claim or Allowed Interests (as applicable) shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Allowed Interests (as applicable) in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the

making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims or Disputed Interests, distributions on account of any such Disputed Claims or Disputed Interests shall be made pursuant to the provisions set forth in Article VII hereof. Except as otherwise provided in the Plan, Holders of Claims or Interests shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. Disbursing Agent

Distributions under the Plan shall be made by the Disbursing Agent, which, for the avoidance of doubt, may be the Plan Administrator or the Wind-Down Debtors. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties.

C. Rights and Powers of Disbursing Agent

1. Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred on or after the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and out-of-pocket expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and out-of-pocket expense reimbursement claims (including reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash in accordance with the Wind Down Budget.

D. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Record Date for Distribution.

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record holders listed on the Claims Register as of the close of business on the Distribution Record Date.

2. Delivery of Distributions

Except as otherwise provided herein, the Plan Administrator shall make distributions to Holders of Allowed Claims and Allowed Interests on the Effective Date at the address for each such Holder as indicated on the Debtors' records as of the date of any such distribution; *provided, however*, that the manner of such distributions shall be determined at the discretion of the Plan Administrator; *provided further, however*, that the address for each Holder of an Allowed Claim shall be deemed to be the address set forth in any Proof of Claim Filed by that Holder.

3. Minimum Distributions

Notwithstanding any other provision of the Plan, the Disbursing Agent will not be required to make distributions of Cash less than \$100 in value, and each such Claim to which this limitation applies shall be settled and enjoined pursuant to Article VIII and its Holder is forever barred pursuant to Article VIII from asserting that Claims against the Debtors, the Wind Down Debtors, or their property.

4. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any Holder is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided, however*, that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Wind-Down Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder to such property or Interest in property shall be forever barred.

E. *Compliance with Tax Requirements*

In connection with the Plan, to the extent applicable, the Debtors or the Wind-Down Debtors, as applicable, shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtors and Wind-Down Debtors, as applicable, reserve the right to allocate all distributions made under the Plan in compliance with applicable wage garnishments, alimony, child support, and other spousal awards, liens, and encumbrances.

Property deposited into the various Claim distribution accounts described elsewhere in the Plan (including, to the extent applicable, the Reserves (other than the Professional Fee Escrow Account) and the Administrative and Priority Claims Recovery) will be subject to disputed ownership fund treatment under section 1.468B-9 of the United States Treasury Regulations. All corresponding elections with respect to such accounts shall be made, and such treatment shall be applied to the extent possible for state, local, and non-U.S. tax purposes. Under such treatment, a separate federal income tax return shall be filed with the IRS with respect to such accounts, any taxes (including with respect to interest, if any, or appreciation in property between the Effective Date and date of distribution) imposed on such accounts shall be paid out of the assets of such accounts (and reductions shall be made to amounts disbursed from such accounts to account for the need to pay such taxes).

F. *Allocations*

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

G. *No Postpetition Interest on Claims.*

Unless otherwise specifically provided for in the Plan or the Confirmation Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims against the Debtors, and no Holder of a prepetition Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such prepetition Claim.

H. *Foreign Currency Exchange Rate.*

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in The Wall Street Journal, National Edition, on the Effective Date.

I. Setoffs and Recoupment

Except as expressly provided in this Plan, each Wind-Down Debtor may, pursuant to sections 553 and 558 of the Bankruptcy Code, set off and/or recoup against any Plan distributions to be made on account of any Allowed Claim, any and all claims, rights, and Causes of Action that such Wind-Down Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (1) agreed in amount among the relevant Wind-Down Debtor(s) and Holder of Allowed Claim or (2) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided, however*, that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Wind-Down Debtor or its successor of any and all claims, rights, and Causes of Action that such Wind-Down Debtor or its successor may possess against the applicable Holder. In no event shall any Holder of Claims against, or Interests in, the Debtors be entitled to recoup any such Claim or Interest against any claim, right, or Cause of Action of the Debtors or the Wind-Down Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G of the Plan on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

J. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

The Debtors or the Wind-Down Debtors, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor or the Wind-Down Debtors. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or the Wind-Down Debtors on account of such Claim, such Holder shall, within two weeks of receipt thereof, repay or return the distribution to the applicable Debtor or the Wind-Down Debtors, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Debtor or the Wind-Down Debtors annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the two-week grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

**ARTICLE VII.
PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED AND DISPUTED CLAIMS**

A. Allowance of Claims

After the Effective Date, the Wind-Down Debtors or the Plan Administrator, as applicable, shall have and retain any and all rights and defenses such Debtor or its Estate had with respect to any Claim or Interest immediately before the Effective Date, including, but not limited to, defenses under section 558 of the Bankruptcy Code.

B. Claims Administration Responsibilities

Except as otherwise specifically provided in the Plan, after the Effective Date, the Plan Administrator shall have the authority: (1) to File, withdraw, or litigate to judgment objections to Claims or Interests; (2) to settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court.

C. Estimation of Claims

Before or after the Effective Date, the Debtors or the Plan Administrator, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or Interest or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Plan (including for purposes of distributions), and the relevant Wind-Down Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim or Interest.

D. Adjustment to Claims without Objection

Any Claim or Interest that has been paid or satisfied, or any Claim or Interest that has been amended or superseded, canceled or otherwise expunged (including pursuant to the Plan), may be adjusted or expunged (including on the Claims Register, to the extent applicable) by the Wind-Down Debtors without a Claims objection having to be Filed and without any further notice to or action, order or approval of the Bankruptcy Court.

E. Time to File Objections to Claims

Any objections to Claims shall be Filed at any time or such other period as may be specifically fixed by a Final Order of the Bankruptcy Court for objecting to such claims.

F. Disallowance of Claims

All Claims Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as provided herein or otherwise agreed, any and all Proofs of Claim Filed after the Bar Date shall be deemed disallowed and expunged as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account

of such Claims, unless on or before the Confirmation Hearing such late Claim has been deemed timely Filed by a Final Order.

G. Amendments to Claims

On or after the applicable Bar Date, a Claim may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Wind-Down Debtors. Absent such authorization, any new or amended Claim Filed shall be deemed disallowed in full and expunged without any further action.

H. No Distributions Pending Allowance

If an objection to a Claim or portion thereof is Filed as set forth in Article VII.B, no payment or distribution provided under the Plan shall be made on account of such Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

I. Distributions after Allowance

To the extent that a Disputed Claim ultimately becomes an Allowed Claim or Allowed Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Allowed Interest (as applicable) in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Disputed Interest becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim or Interest the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest, dividends, or accruals to be paid on account of such Claim or Interest unless required under applicable bankruptcy law.

**ARTICLE VIII.
SETTLEMENT, RELEASE, INJUNCTION AND RELATED PROVISIONS**

A. Settlement, Compromise, and Release of Claims and Interests

As discussed in detail in the Disclosure Statement and as otherwise provided herein, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan shall constitute a good-faith compromise and settlement of all Claims, Interests, Causes of Action, and controversies released, settled, compromised, or otherwise resolved pursuant to the Plan. The Plan shall be deemed a motion to approve the good-faith compromise and settlement of all such Claims, Interests, Causes of Action, and controversies pursuant to Bankruptcy Rule 9019, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such settlement and compromise is fair, equitable, reasonable, and in the best interests of the Debtors and their Estates. Subject to Article VI hereof, all distributions made to Holders of Allowed Claims and Allowed Interests (as applicable) in any Class are intended to be and shall be final.

B. Release of Liens

Except as otherwise provided in the Plan, the Plan Supplement, or any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date and required to be satisfied pursuant to the Plan, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with Article III.B.1 hereof, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, settled, compromised, and satisfied, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert automatically to the applicable Debtor and its successors and assigns. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed to release any collateral or other property of any Debtor (including any cash collateral and possessory collateral) held by such Holder (and the

applicable agents for such Holder), and to take such actions as may be reasonably requested by the Wind-Down Debtors to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

C. Release by the Debtors

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, the adequacy of which is hereby confirmed, on and after the Effective Date, each Released Party is deemed to be hereby conclusively, absolutely, irrevocably, and forever released by each and all of the Debtors, the Wind-Down Debtors, and their Estates, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of any of the Debtors, the Wind-Down Debtors, or their Estates, as applicable, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereinafter arising, in law, equity, contract, tort or otherwise, that the Debtors, the Wind-Down Debtors, or their Estates or affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Wind-Down Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Debtors' capital structure, management, ownership, or operation thereof, the Prepetition Financing Documents or any draws thereunder, the Restructuring Transactions, the sale and marketing process, the Store Closing Sales, the Wind Down, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Disclosure Statement, the Sale Transaction, the Plan (including, for the avoidance of doubt, the Plan Supplement), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Disclosure Statement, or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date or relating to any of the foregoing.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases described in this Article VIII by the Debtors, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that each release described in this Article VIII is: (1) in exchange for the good and valuable consideration provided by the Released Parties, (2) a good-faith settlement and compromise of such Claims; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors or Wind-Down Debtors or their respective Estates asserting any claim, Cause of Action, or liability related thereto, of any kind whatsoever, against any of the Released Parties or their property.

Notwithstanding anything contained herein to the contrary, the foregoing release does not release (i) any obligations of any party under the Plan or any document, instrument, or agreement executed to implement the Plan, (ii) the rights of the Debtors with respect to any confidentiality provisions or covenants restricting competition in favor of the Debtors under any employment agreement with a current or former employee of the Debtors, or (iii) the rights of Holders of Allowed Claims or Interests to receive distributions under the Plan.

D. Third-Party Release

Except as otherwise expressly set forth in the Plan or the Confirmation Order, on and after the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, including the obligations of the Debtors under the Plan and the contributions of the Released Parties to facilitate and implement the Plan, to the fullest extent permissible under applicable law, as such law may be extended or integrated after the Effective Date, each of the Releasing Parties shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever, released each Debtor, Wind-Down Debtor, and Released Party from any and all any and all Claims, interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereinafter arising, in law, equity, contract, tort or otherwise, including any derivative claims, asserted or assertable on behalf of any of the Debtors, the Wind-Down Debtors, or their Estates, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Wind-Down Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Debtors' capital structure, management, ownership, or operation thereof, the Prepetition Financing Documents or any draws thereunder, the Restructuring Transactions, the sale and marketing process, the Store Closing Sales, the Wind Down, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Disclosure Statement, the Sale Transaction, the Plan (including, for the avoidance of doubt, the Plan Supplement), or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Disclosure Statement, or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date or relating to any of the forgoing.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases described in this Article VIII, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that each release described in this Article VIII is: (1) in exchange for the good and valuable consideration provided by the Released Parties, (2) a good-faith settlement and compromise of such Claims; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) an absolute and complete bar to any of the Debtors or Wind-Down Debtors or their respective Estates conveying direct or derivative standing to any person or entity to pursue any claim, cause of action or liability against any Released Party, or asserting any claim, cause of action, or liability related thereto, of any kind whatsoever, against any of the Released Parties or their property.

Notwithstanding anything contained herein to the contrary, the foregoing release does not release (i) any obligations of any party under the Plan or any document, instrument, or agreement executed to implement the Plan, (ii) the rights of the Debtors with respect to any confidentiality provisions or covenants restricting competition in favor of the Debtors under any employment agreement with a current or former employee of the Debtors, or (iii) the rights of Holders of Allowed Claims or Interests to receive distributions under the Plan.

E. Exculpation

Notwithstanding anything herein to the contrary, the Exculpated Parties shall neither have nor incur, and each Exculpated Party is released and exculpated from, any liability to any Holder of a Cause of Action, Claim, or Interest for any postpetition act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, consummation of the Sale Transaction, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Disclosure Statement, the Plan, or any Restructuring Transaction, contract, instrument, release or other agreement or document created or entered into in connection with the

Disclosure Statement or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of securities pursuant to the Plan or the distribution of property under the Plan or any other related agreement (whether or not such issuance or distribution occurs following the Effective Date), negotiations regarding or concerning any of the foregoing, or the administration of the Plan or property to be distributed hereunder, except for actions determined by a Final Order to have constituted actual fraud or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

F. Injunction

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released, satisfied, or are subject to exculpation are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Wind-Down Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan.

Upon entry of the Confirmation Order, all Holders of Claims and Interests and their respective current and former employees, agents, officers, directors, principals, and direct and indirect affiliates shall be enjoined from taking any actions to interfere with the implementation or Consummation of the Plan. Each Holder of an Allowed Claim or Allowed Interest, as applicable, by accepting, or being eligible to accept, distributions under or Reinstatement of such Claim or Interest, as applicable, pursuant to the Plan, shall be deemed to have consented to the injunction provisions set forth in this Article VIII.F of the Plan.

G. Protections against Discriminatory Treatment.

To the extent provided by section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Wind-Down Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Wind-Down Debtors, or another Entity with whom the Wind-Down Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a release), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

H. Document Retention.

On and after the Effective Date, the Wind-Down Debtors, or the Plan Administrator, as applicable, may maintain or dispose of documents in accordance with their discretion.

I. Reimbursement or Contribution.

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (1) such Claim has been adjudicated as non-contingent or (2) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

J. Term of Injunctions or Stays

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order), shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

**ARTICLE IX.
CONDITIONS PRECEDENT TO CONSUMMATION OF THE PLAN**

A. Conditions Precedent

It shall be a condition to the Effective Date of the Plan that the following conditions shall have been: satisfied; or waived pursuant to the provisions of Article IX.B hereof:

1. the Bankruptcy Court shall have entered the Confirmation Order;
2. the Debtors shall have obtained all authorizations, consents, regulatory approvals, rulings, or documents that are necessary to implement and effectuate the Plan;
3. the Reserves shall have been established and funded as set forth herein; and
4. the Debtors shall have implemented the Restructuring Transactions and all transactions contemplated herein, in a manner consistent in all respects with the Plan, pursuant to documentation acceptable to the Debtors in their discretion.

B. Waiver of Conditions

The conditions to Consummation set forth in Article IX.A may be waived by the Debtors, in consultation with Committee, without notice, leave, or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan.

C. Substantial Consummation

“Substantial Consummation” of the Plan, as defined in 11 U.S.C. §§ 1101 and 1127, shall be deemed to occur on the Effective Date.

D. Effect of Nonoccurrence to the Confirmation Date or Effective Date.

If the Confirmation or Consummation of the Plan does not occur, (1) the Plan shall be null and void in all respects other than as set forth herein, (2) the Plan shall be deemed a motion seeking dismissal of these Chapter 11 Cases in accordance with the applicable provisions and priority scheme of the Bankruptcy Code, and (3) nothing contained in the Plan or the Disclosure Statement shall: (a) constitute a waiver or release of any Claims by the Debtors, any Holders, or any other Entity; (b) prejudice in any manner the rights of the Debtors, any Holders, or any other Entity; or (c) constitute an admission, acknowledgment, offer or undertaking by the Debtors, any Holders, or any other Entity in any respect.

**ARTICLE X.
MODIFICATION, REVOCATION OR WITHDRAWAL OF THE PLAN**

A. Modification and Amendments

Except as otherwise specifically provided in the Plan, the Debtors reserve the right to modify the Plan, whether such modification is material or immaterial, and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not re-solicit votes on such modified Plan. Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 (as well as those restrictions on modifications set forth in the Plan), the Debtors expressly reserve their respective rights to revoke or withdraw, to alter, amend or modify the Plan with respect to such Debtor, one or more times, before or after Confirmation, and, to the extent necessary, may initiate proceedings in the Bankruptcy Court to so alter, amend or modify the Plan, or remedy any defect or omission or reconcile any inconsistencies in the Plan, the Disclosure Statement or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan.

B. Effect of Confirmation on Modifications
