MOTION OF ALABAMA POWER COMPANY FOR ALLOWANCE AND PAYMENT OF ADMINISTRATIVE CLAIM PURSUANT TO 11 US.C. § 503(b)(1)(A)

Alabama Power Company ("APCO"), by and through its undersigned counsel, hereby files its *Motion for Allowance and Payment of Administrative Claim Pursuant to 11 U.S.C.* § 503(b)(1)(A) (the "Motion"), which seeks entry of an order allowing an administrative claim for outstanding postpetition electric service charges and providing for immediate payment thereof. In support of the Motion, APCO states as follows:

JURISDICTION AND VENUE

1. The Court has jurisdiction to hear this matter pursuant to 28 U.S.C. § 1334. Venue is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409(a). This Motion is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). The relief requested by this Motion may be granted pursuant to 11 U.S.C. §§ 105 and 503.

BACKGROUND

2. On May 10, 2020 (the "**Petition Date**"), the Debtors commenced these voluntary

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Stage Stores, Inc. (6900) and Specialty Retailers, Inc. (1900). The Debtors' service address is: 2425 West Loop South, Houston, Texas 77027.

cases under Chapter 11 of the Bankruptcy Code, 11 U.S.C. §§ 101 et seq. by filing petitions with this Court.

3. Following the Petition Date, APCO provided electric utility service to the Debtors' facilities and as a result, the Debtors incurred electric service charges in the amount of \$24,716.98 which remain unpaid (the "Balance"). Attached hereto as Exhibit "A" are invoices which evidence the Balance.

RELIEF REQUESTED

4. APCO hereby requests that the Court enter an Order: (1) granting APCO an administrative claim for the Balance, and (2) directing immediate payment of the Balance.

BASIS FOR RELIEF REQUESTED

- 5. A claimant's expenses for providing postpetition services to the Debtor may be afforded administrative status (1) if it arises out of a transaction between the creditor and the debtor-in-possession, and (2) only to the extent that the consideration supporting the claimant's right to payment was both supplied to and beneficial to the debtor-in-possession. *In re Globe Metallurgical*, 312 B.R. 34, 40 (Bankr. S.D.N.Y. 2004). Postpetition electric service provided to a debtor-in-possession benefits the estate within the meaning of Section 503(b)(1). *Id.* at 42. APCO provided postpetition electric utility service to the Debtor which remains unpaid.
- 6. APCO's provision of electric utility service was vital and necessary to the ongoing business needs of the Debtor and necessary to its operations during the time in which service was provided. At this time, the Balance remains outstanding. Accordingly, pursuant to Section 503(b)(1)(A) of the Bankruptcy Code, APCO is entitled to an administrative expense claim in the amount of the Balance.

APCO's claim is entitled to priority in any distribution from assets of the Debtor's estate. 11 U.S.C. § 507(a)(2). Further, Section 105 of the Bankruptcy Code allows the Court to "issue any

As an administrative expense under Bankruptcy Code Section 503(b)(1)(A),

order, process, or judgment that is necessary or appropriate to carry out the provisions of this

title." 11 U.S.C. § 105(a).

7.

8. In In re HQ Global Holdings, Inc., 282 B.R. 169 (Bankr. D. Del. 202), the court

held "[t]he determination of the timing of payment of administrative expenses is a matter within

the discretion of the bankruptcy court." Id. at 173; In re Verco Industries, 20 B.R. 664, 665

(B.A.P. 9th Cir. 1982); In re Baptist Medical Center of New York, Inc., 52 B.R. 417, 421

(E.D.N.Y. 1985).

WHEREFORE, APCO requests the entry of an order: (1) allowing APCO an

administrative claim for the Balance in the amount of 24,716.98; (2) directing immediate

payment of the allowed administrative claim; and (3) granting APCO such other and further

relief to which it may be entitled. A proposed order is submitted herewith.
