Pursuant to the *Second Amended Joint Chapter 11 Plan of Reorganization of Starry Group Holdings, Inc. and its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code* [Docket No. 407] (together with all exhibits and supplements thereto, and as modified or amended from time to time, the “**Plan**”),¹ the Debtors previously disclosed their intention to retain Causes of Action in Article IV.R of the Plan, as set forth below:

In accordance with section 1123(b) of the Bankruptcy Code, but subject to the releases set forth in Article IX of the Plan, all Causes of Action that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor on the Effective Date. Thereafter, the Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, whether arising before or after the Petition Date, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any specific Cause of Action as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan,** and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise) or laches, shall apply to any Cause of Action upon, after, or as a consequence of the Confirmation or the occurrence of the Effective Date.

Notwithstanding any provision in the Plan or any order entered in the Chapter 11 Cases, the Debtors and the Reorganized Debtors forever waive, relinquish, and release any and all Causes of Action the Debtors and the Estates had, have, or may have against any Released Party to the fullest extent set forth in Article IX.B of the Plan.

In addition, to the extent not released pursuant to the Plan, the Debtors expressly reserve all Causes of Action against any Entity listed in any creditor matrix filed in the Chapter 11 Cases, regardless of whether such entity is expressly identified in this **Exhibit B** or set forth below, to the extent such entity or entities owe or may in the future owe money to the Debtors or the Reorganized Debtors. For the avoidance of doubt, the Plan releases all Avoidance Actions against Holders of Class 4 General Unsecured Claims.

The below includes Entities that are party to or that the Debtors believe may become party to litigation, arbitration or any other type of adversarial proceeding or dispute resolution

proceeding, whether formal or informal, judicial or non-judicial. 1. Causes of Action and potential counterclaims that may be asserted against Lien claimants in connection with Lien disposition, including, without limitation, Causes of Action and counterclaims related to rights of setoff and contractual breaches.
2. Causes of Action and potential counterclaims that may be asserted against customers related to payment shortfalls, past due payments, and contractual breaches, including without limitation, Causes of Action related to rights of setoff and contractual breaches.
3. Causes of Action and potential counterclaims and defenses that may be asserted against Governmental Units related to, among other things, tax refunds and attributes, and tax audits including, without limitation, Causes of Action related to rights of setoff.
4. Causes of Action, defenses, and potential counterclaims, among other things, that may be asserted in relation to any Insurance Contracts.

The Debtors expressly reserve the right to alter, modify, amend, remove, augment or supplement this exhibit to the Plan Supplement at any time prior to the Effective Date.

(b) Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement.

(c) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) substantially in the form of Exhibit I. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

Any Lender may elect, by notice to the Administrative Agent by telephone (confirmed by hand delivery or facsimile) at least one Business Day (or such shorter period as may be established by the Administrative Agent) prior to the required prepayment date, to decline all or any portion of any prepayment of its Loans pursuant to this paragraph (c), in which case the aggregate amount of the payment that would have been applied to prepay the Loans but was so declined may be retained by the Borrowers.

(d) In the event and on each occasion that, as a result of the receipt of any cash proceeds by the Borrowers or any other Subsidiary in connection with any Disposition of any asset or any other event, the Borrowers or any other Loan Party would be required by the terms of any subordinated indebtedness to repay, prepay, redeem, repurchase or defease, or make an offer to repay, prepay, redeem, repurchase or defease, any subordinated indebtedness, then, prior to the time at which they would be required to make such repayment, prepayment, redemption, repurchase or defeasance or to make such offer, the Borrowers shall (i) prepay Loans in the amount of such required repayment, prepayment, redemption, repurchase or defeasance or (ii) acquire assets in one or more transactions permitted hereby, in each case in an amount that would be needed to eliminate such requirement.

Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of the Loans pursuant to Section 2.08(a) shall be in a minimum amount of \$500,000 and integral multiples of

\$100,000 in excess thereof. Each prepayment of the Loans shall be applied ratably to each Lender's Loans. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.10.

(f) In the event of any prepayment of Loans under Section 2.08(c) made at a time when Loans of more than one Class remain outstanding, the Borrower Representative shall select Borrowings to be prepaid so that the aggregate amount of such prepayment is allocated among the Borrowings pro rata based on the aggregate principal amounts of outstanding Borrowings of each such Class.

(g) Notwithstanding anything to the contrary contained in this Section, any Lender may elect, by notice to the Administrative Agent by telephone (confirmed by hand delivery, facsimile or electronic transmission) at least one Business Day (or such shorter period as may be established by the Administrative Agent) prior to the required prepayment date, to decline all or any portion of any prepayment of its Loans pursuant to this Section (other than a prepayment pursuant to paragraph (a) of this Section, which may not be declined), in which case the aggregate amount of the payment that would have been applied to prepay Loans but was so declined shall be retained by the Borrowers.

(b) If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then, from time to time upon request of such Lender, the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section delivered to the Borrowers shall be conclusive absent manifest error. The Borrowers shall pay such Lender, as the case may be, the amount shown as due on any such certificate within five (5) Business Days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 270 days prior to the date that such Lender, as

the case may be, notifies the Borrowers of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of the applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by any applicable withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.14) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.14, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.14) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower Representative by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes of such Lender attributable to such Lender's failure to comply with the provisions of Section 9.04(c)(ii) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative

Agent shall be conclusive absent demonstrable error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 2.14(e).

(f) Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times reasonably requested by the Borrower Representative or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Representative or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Representative or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower Representative or the Administrative Agent as will enable the Borrower Representative or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(g) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrower Representative and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), two executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally eligible to do so, deliver to the Borrower Representative and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), two of whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, executed originals of IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of such Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” that is related to the Borrower described in Section 881(c)(3)(C) of the Code and that no payment under any Loan Document is effectively connected with a U.S. trade or business conducted by such Foreign Lender (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner (e.g., a partnership or participating Lender), executed originals of IRS Form W-8IMY,

accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-3 or Exhibit J-4, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 on behalf of such direct and indirect partner(s);

(C) any Foreign Lender shall, to the extent it is legally eligible to do so, deliver to such Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of such Borrower or the Administrative Agent), two executed originals of any other documentation prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower Representative or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to such Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower Representative or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Representative or the Administrative Agent as may be necessary for the Borrower Representative and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.14(g)(D), "FATCA" shall include any amendments made to FATCA after the Closing Date.

(E) Each Lender agrees that if any documentation it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such documentation or promptly notify the Borrower Representative and the Administrative Agent in writing of its legal ineligibility to do so.

Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 2.14. Notwithstanding any other provision of this Section 2.14, no Lender shall be required to provide any documentation that such Lender is not legally eligible to provide.

(h) Treatment of Certain Refunds. If any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.14 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.14(h) (plus any penalties, interest or other charges imposed by the relevant

Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.14(h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.14(h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.14(h) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

SECTION 2.15. Payments Generally; Pro Rata Treatment; Sharing of Setoffs; Application of Proceeds.

(a) Each Borrower shall make each payment required to be made by it hereunder or under any other Loan Document prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 5:00 p.m., New York City time), on the date when due, in immediately available funds, without any defense, setoff, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account as may be specified by the Administrative Agent, except that payments pursuant to Sections 2.12, 2.14 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payment received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in U.S. Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest, fees and expenses, reimbursements and indemnities then due hereunder, such funds shall be applied towards payment of the amounts then due as set forth in Section 2.15(f) as if such funds constitute proceeds of collection.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans, such Lender shall promptly notify the Administrative Agent thereof, and if the Administrative Agent determines that such payment has resulted in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then such Lender shall purchase participations (for cash at face value, which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Loans of other Lenders to the extent necessary so that the amount of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amounts of principal of and accrued interest on their Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (for the avoidance of doubt, as in effect from time to time), any Incremental Facility Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any Person that is an Eligible Assignee (as such term is defined from time to time) pursuant to Section 9.04. Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation

pursuant to the foregoing arrangements may exercise against such Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation. For purposes of clause (b) of the definition of “Excluded Taxes,” a Lender that acquires a participation pursuant to this Section 2.15(c) shall be treated as having acquired such participation on the earlier date(s) on which such Lender acquired the applicable interest(s) in the Commitment(s) or Loan(s) (as applicable) to which such participation relates.

(d) Unless the Administrative Agent shall have received written notice from the Borrower Representative prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers shall not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it hereunder to or for the account of the Administrative Agent, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender’s obligations in respect of such payment until all such unsatisfied obligations have been discharged or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender pursuant to Sections 2.03, 2.14(e), 2.15(d) and 9.03(c), in each case in such order as shall be determined by the Administrative Agent in its discretion.

(f) The Administrative Agent shall apply the proceeds of any collection, sale, foreclosure or other realization upon any Collateral, including any Collateral consisting of cash, as follows:

FIRST, to the payment of all costs, expenses, indemnities and other obligations (other than principal and interest) incurred by the Administrative Agent in connection with such collection, sale, foreclosure or realization or otherwise in connection with this Agreement, any other Loan Document or any of the Secured Obligations, including all court costs and the fees and expenses of its agents, advisors and legal counsel, the repayment of all advances made by the Administrative Agent hereunder or under any other Loan Document on behalf of any Loan Party and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document;

SECOND, to the payment of all costs, expenses, indemnities and other obligations (other than principal and interest) incurred by the Secured Parties and payable or reimbursable by the Loan Parties in connection with this Agreement, any other Loan Document or any of the Secured Obligations (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with the amounts of such costs, expenses indemnities and other obligations (other than principal and interest) incurred by them as of the date of any such distribution);

THIRD, to the payment in full of all remaining Secured Obligations (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with the amounts of such remaining Secured Obligations owed to them on the date of any such distribution); and

FOURTH, to the Loan Parties, their successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Administrative Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement and any other Loan Document. Upon any sale of Collateral by the Administrative Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Administrative Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Administrative Agent or such officer or be answerable in any way for the misapplication thereof. The Loan Parties shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all Secured Obligations, including any attorneys' fees and other expenses incurred by Administrative Agent or any Lender to collect such deficiency. Notwithstanding the foregoing, the proceeds of any collection, sale, foreclosure or realization upon any Collateral of any Loan Party, including any collateral consisting of cash, shall not be applied to any Excluded Swap Obligation of such Loan Party and shall instead be applied to other Secured Obligations.

SECTION 2.16. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.12, or if the Borrowers are required to pay any Indemnified Taxes or additional amounts to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.14, then such Lender shall (at the request of the Borrowers) use commercially reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or 2.14, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment and delegation.

(b) If (i) any Lender requests compensation under Section 2.12, (ii) the Borrowers are required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, (iii) any Lender has become a Defaulting Lender, or (iv) any Lender has failed to consent to a proposed amendment, waiver, discharge or termination that under Section 9.02 requires the consent of all the Lenders (or all the affected Lenders) and with respect to which the Required Lenders shall have granted their consent, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.12 or 2.14) and obligations under this Agreement and the other Loan Documents (or, in the case of any such assignment and delegation resulting from a failure to provide a consent, all its interests, rights and obligations under this Agreement and the other Loan Documents as a Lender) to an Eligible Assignee that shall assume such obligations (which may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Borrowers shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, conditioned or delayed (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (if applicable, in each case only to the extent such amounts relate to its interest as a Lender) from the assignee (in the case of such principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), (C) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.12 or

payments required to be made pursuant to Section 2.14, such assignment will result in a reduction in such compensation or payments, (D) such assignment does not conflict with applicable law and (E) in the case of any such assignment and delegation resulting from the failure to provide a consent, the assignee shall have given such consent and, as a result of such assignment and delegation and any contemporaneous assignments and delegations and consents, the applicable amendment, waiver, discharge or termination can be effected. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver or consent by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation have ceased to apply. Each party hereto agrees that an assignment and delegation required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrowers, the Administrative Agent and the assignee and that the Lender required to make such assignment and delegation need not be a party thereto.

SECTION 2.17. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then for so long as such Lender is a Defaulting Lender, the Commitment and outstanding principal amount of Loans of such Defaulting Lender shall not be included in determining whether the Required Lenders or any other requisite Lenders have taken or may take any action hereunder or under any other Loan Document (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders affected thereby shall, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof.

SECTION 2.18. Borrower Representative. The Company hereby (i) is designated and appointed by each other Borrower as its representative and agent on its behalf (the “Borrower Representative”) and (ii) accepts such appointment as the Borrower Representative, in each case, for the purposes of delivering Borrowing Requests, delivering certificates including Compliance Certificates, giving instructions with respect to the disbursement of the proceeds of the Loans, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants, but without relieving any other Borrower of its joint and several obligations to pay and perform the Loan Document Obligations) on behalf of any Borrower or the Borrowers under the Loan Documents. The Administrative Agent and each Lender may regard any notice or other communication pursuant to any Loan Document from the Borrower Representative as a notice or communication from all Borrowers. Each warranty, covenant, agreement and undertaking made on behalf of a Borrower by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

SECTION 2.19. Incremental Loans.

(a) The Borrower Representative may on no more than two (2) occasions after Delayed Draw Loans are funded, by written notice (an “Incremental Request”) to the Administrative Agent and each Lender, seek to establish Incremental Loan Commitments. Each such Incremental Request shall specify (x) the date on which the Borrower Representative proposes that the Incremental Loan Commitments shall be effective and (y) the amount of the Incremental Loan Commitments requested to be established (the “Requested Incremental Amount”); provided that (i) the aggregate amount of the Incremental Loan Commitments to be established hereunder on any date shall not exceed, assuming that the full amount of such Incremental Loan Commitments shall have been funded as Loans on such date, the Incremental Amount as of such date, and (ii) such Incremental Request includes an offer (held open for thirty (30) days) to each Lender inviting such Lender to commit to provide some or all of the Requested Incremental Amount, apportioned amongst the participating Lenders as they may unanimously agree (it being agreed that each Lender may elect or decline, in its sole discretion, to provide any such

commitment and that any Lender not affirmatively committing in writing within thirty (30) days after receipt of such notice shall be deemed to have declined to do so); provided, further, that, in the absence of an agreed upon allocation amongst participating Lenders, each participating Lender shall deliver written notice to the Borrower Representative before the end of such 30-day period of its maximum commitment amount, and if the aggregate commitment amount of the participating Lenders exceeds the Requested Incremental Amount, then the participating Lenders that committed to amounts in excess of their respective Pro Rata Shares of the Requested Incremental Amount will have their commitments reduced proportionately (based on the excess of their respective commitments) until the aggregate commitments of the participating Lenders equals the Requested Incremental Amount. If the Borrower Representative does not receive commitments to provide the Requested Incremental Amount in full from the existing Lenders (such difference, the “Remaining Incremental Amount”) within such thirty (30) day period, then the Borrower Representative may propose one or more other Person(s) to become Incremental Lenders and obtain the Remaining Incremental Amount from such Person(s) by providing the Administrative Agent and each Lender with written notice of the identity of each such Person (it being agreed that any Person that the Borrower Representative proposes to be an Incremental Lender must be an Eligible Assignee and, if such approval would then be required under Section 9.04 for an assignment to such Person of a Commitment or Loan of the applicable Class, must be approved by the Administrative Agent). If the terms of any proposed Incremental Loan or Incremental Loan Commitment shall change in any material respect prior to the effectiveness thereof, then the Borrower Representative shall deliver to the Administrative Agent an updated Incremental Request reflecting such changed terms and providing the existing Lenders with an additional opportunity to participate in such Incremental Loan Commitments on such updated terms, and such then-existing Lenders shall notify the Borrower Representative of their participation in such Incremental Commitments and Incremental Loans within the later of (A) the expiration of the thirty (30) day period referenced above and (B) five (5) Business Days after the delivery by the Borrower Representative to the Administrative Agent of the updated Incremental Request.

(b) To the extent that the initial all-in “yield” (determined by taking into account applicable interest rate margins, floors, upfront fees (which shall be deemed to constitute like amounts of original issue discount) and original issue discount paid (based on the lesser of a four (4) year average life to maturity or the remaining life to maturity on a straight-line basis and without any present value discount), but excluding agency, arrangement, structuring and underwriting fees not paid or payable to all applicable Lenders generally with respect to such Incremental Loans) on any Incremental Loans exceeds the all-in “yield” (determined by taking into account applicable interest rate margins, floors, upfront fees (which shall be deemed to constitute like amounts of original issue discount) and original issue discount paid (based on the lesser of a four (4) year average life to maturity or the remaining life to maturity on a straight-line basis and without any present value discount), but excluding agency, arrangement, structuring and underwriting fees not paid or payable to all applicable Lenders generally with respect to such Loan) applicable to the then-outstanding Closing Date Loans and/or Delayed Draw Loans immediately before giving effect to the incurrence of such Incremental Loans, the applicable margin otherwise in effect for the Closing Date Loans and the Delayed Draw Loans immediately before giving effect to such incurrence shall automatically be increased by the amount of such differential effective upon the incurrence of such Incremental Loans.

(c) Other than with respect to pricing, margins, interest rate floors, fees and original issue discount (including in connection with any issuance of Equity Interests of Parent to the Incremental Lenders), maturity date (which shall be no earlier than the latest Maturity Date as of the date of incurrence of such Incremental Loans) and weighted average life to maturity (which shall be no shorter than the longest remaining weighted average life to maturity of any other Class of Loans outstanding as of the date of incurrence of such Incremental Loans (provided that no amortization payments shall be required with respect to an Incremental Loan)), the terms and provisions of any Incremental Loans shall be identical to the Loans existing immediately prior to giving effect to the incurrence of any such

Incremental Loans. The Incremental Loan Commitments and Incremental Loans shall be entitled to all the benefits afforded by this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from the Security Documents. Incremental Loans shall rank *pari passu* in right of payment and security with the Closing Date Loans and the Delayed Draw Loans and shall be secured by the Collateral; provided that (a) no Incremental Loans may be guaranteed by any Person other than a Loan Party and (b) the obligations in respect of any Incremental Loans shall not be secured by a Lien on any asset other than assets constituting Collateral. In the event any Incremental Loans have the same terms as any existing Class of Loans then outstanding, such Incremental Loans may, at the election of the Borrower Representative, be treated as a single Class with such outstanding Loans.

(d) The Incremental Loan Commitments shall be effected pursuant to one or more Incremental Facility Agreements executed and delivered by the Borrowers, each Incremental Lender providing such Incremental Loan Commitments and the Administrative Agent. Each Incremental Facility Agreement may, without the consent of any Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower Representative, to give effect to the provisions of this Section, including any amendments necessary to treat the applicable Incremental Loan Commitments and Incremental Loans as a new Class of Commitments and Loans hereunder (including for purposes of prepayments and voting).

(e) Upon the effectiveness of an Incremental Loan Commitment of any Incremental Lender, such Incremental Lender shall be deemed to be a “Lender” (and a Lender in respect of Commitments and Loans of the applicable Class) hereunder, and henceforth shall be entitled to all the rights of, and benefits accruing to, Lenders (or Lenders in respect of Commitments and Loans of the applicable Class) hereunder and shall be bound by all agreements, acknowledgements and other obligations of Lenders (or Lenders in respect of Commitments and Loans of the applicable Class) hereunder and under the other Loan Documents.

(f) Subject to the terms and conditions set forth herein and in the applicable Incremental Facility Agreement, each Lender holding an Incremental Loan Commitment of any Series shall make a loan to the Borrower in an amount equal to such Incremental Loan Commitment on the date specified in such Incremental Facility Agreement.

(g) The Administrative Agent shall notify the Lenders of the effectiveness and details of any Incremental Loan Commitments.

ARTICLE III

Representations and Warranties

Each Borrower represents and warrants to the Administrative Agent and the Lenders, on the Closing Date and as of each other date the representations and warranties are required to be or deemed made pursuant to this Agreement, that:

SECTION 3.01. Organization; Powers. Each of the Loan Parties and their Subsidiaries is (a) duly organized, validly existing and (to the extent the concept is applicable in such jurisdiction) in good standing under the laws of the jurisdiction of its organization, (b) has all requisite corporate or other organizational power and authority and all material Governmental Approvals required for the ownership and operation of its properties and the conduct of its business as now conducted and as proposed to be conducted and (c) is qualified to do business, and is in good standing, in every jurisdiction where such qualification is required, except in each case referred to in this clause (c), where the failure to be so, to

have such or to do so, individually and in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.02. Authorization; Enforceability. The Transactions to be entered into by each Loan Party are within such Loan Party's corporate or other organizational power and have been duly authorized by all necessary corporate or other organizational action (including by the Governing Board) and, if required, action of the Equity Interest owners, of each Loan Party. This Agreement has been duly executed and delivered by each Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of each Borrower or such Loan Party, as the case may be, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; Absence of Conflicts. The Transactions (a) do not require any Governmental Approvals, except (i) such as have been obtained or made and are in full force and effect, (ii) filings necessary to perfect Liens created under the Loan Documents, and (iii) with respect to the issuance of Equity Interests pursuant to the Unit Purchase Agreement, filings as may be required by any applicable federal or state securities or "blue sky" laws, (b) will not violate any applicable law, including any order of any Governmental Authority, in any material respect, except to the extent any such violations, individually and in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, (c) will not violate the Organizational Documents of a Loan Party or any of its Subsidiaries, (d) will not violate or result (alone or with notice or lapse of time, or both) in a default under any indenture or other agreement or instrument binding upon a Loan Party or any of its Subsidiaries or any of their assets, or give rise to a right thereunder to require any payment, repurchase or redemption to be made by a Loan Party or any of its Subsidiaries, or give rise to a right of, or result in, any termination, cancellation, acceleration or right of renegotiation of any obligation thereunder, in each case except to the extent that the foregoing, individually and in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, and (e) except for Liens created under the Loan Documents, will not result in the creation or imposition of any Lien on any asset of a Loan Party or any of its Subsidiaries.

SECTION 3.04. Financial Condition; No Material Adverse Change.

(a) The Company has heretofore furnished to the Lenders its unaudited consolidated balance sheet and statements of income, comprehensive income, stockholders' equity and cash flows as of and for the fiscal quarters ended March 31, 2022, June 30, 2022, September 30, 2022 and December 31, 2022, each certified by a Financial Officer. Such financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to normal year-end adjustments and the absence of certain footnotes. All books, records and accounts of the Loan Parties and their Subsidiaries are accurate and complete and are maintained in all material respects in accordance with good business practice and all applicable laws. The Loan Parties and their Subsidiaries maintain systems of internal accounting controls sufficient to provide reasonable assurances that: (i) transactions are executed in all material respects in accordance with management's general or specific authorization; (ii) transactions are recorded as necessary to permit the preparation of financial statements in conformity with GAAP in all material respects applied on a consistent basis and to maintain accountability for assets; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the actual levels at reasonable intervals and appropriate action is taken with respect to any material differences.

(b) Except as disclosed in the financial statements referred to above or the notes thereto, after giving effect to the Transactions (in each case, to the extent such transactions have occurred by the applicable date), none of the Loan Parties or any of their Subsidiaries has, as of the Closing Date, any material contingent liabilities, off-balance sheet liabilities or partnerships, unusual long-term commitments or unrealized losses.

(c) Since February 20, 2023, other than in connection with and giving effect to the Chapter 11 Cases, there has been no event or condition that has resulted, or would reasonably be expected to result, in a Material Adverse Effect.

SECTION 3.05. Properties.

(a) Each of the Loan Parties and their Subsidiaries has good and marketable title to, or valid leasehold interests in, all its property material to its business (including its Mortgaged Properties), except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes.

(b) Each of the Loan Parties and their Subsidiaries owns, or is licensed to use, all Intellectual Property that is used in or necessary for the conduct of its business as currently conducted, and proposed to be conducted, and without conflict with the rights of any other Person, except to the extent any such conflict, individually and in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. No patents, trademarks, copyrights, licenses, technology, software, domain names or other Intellectual Property used by a Loan Party or any of its Subsidiaries in the operation of its business infringes upon the rights of any other Person, except for any such infringements that, individually and in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. No claim or litigation regarding any patents, trademarks, copyrights, licenses, technology, software, domain names or other Intellectual Property owned or used by a Loan Party or any of its Subsidiaries is pending or, to the knowledge of a Loan Party or any of its Subsidiaries, threatened against a Loan Party or any of its Subsidiaries that, individually or in the aggregate, would reasonably be expected to result in a Material Adverse Effect. As of the Closing Date, each patent, trademark, copyright, license, technology, software, domain name or other Intellectual Property that, individually or in the aggregate, is material to the business of a Loan Party or any of its Subsidiaries (or to the business of the Company and its Domestic Subsidiaries) is owned by the Company or its Domestic Subsidiaries.

(c) Schedule 3.05 sets forth the address of each real property that constitutes a Mortgaged Property as of the Closing Date and the proper jurisdiction for the filing of Mortgages in respect thereof. As of the Closing Date, none of the Loan Parties and their Subsidiaries (i) has received notice, or has knowledge, of any pending or contemplated condemnation proceeding affecting any Mortgaged Property or any Disposition thereof in lieu of condemnation or (ii) is or could be obligated under any right of first refusal, option or other contractual right to Dispose of any Mortgaged Property or any interest therein.

SECTION 3.06. Litigation and Environmental Matters.

(a) There are no actions, suits, proceedings or investigations by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Loan Parties and their Subsidiaries, threatened against or affecting a Loan Party or any of its Subsidiaries that (i) would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) involve any of the Loan Documents or the Transactions.

(b) Except with respect to any matters that, individually and in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, none of the Loan Parties and their

Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

SECTION 3.07. Compliance with Laws and Agreements.

(a) Each of the Loan Parties and their Subsidiaries is in compliance with all laws, including all orders of Governmental Authorities, applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except to the extent any such non-compliance, individually and in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. No Default has occurred and is continuing.

(b) To the extent applicable, each of the Loan Parties and their Subsidiaries is in compliance, in all material respects, with (i) the Trading with the Enemy Act and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V) and any other enabling legislation or executive order relating thereto, and (ii) the USA PATRIOT Act. None of the Loan Parties and their Subsidiaries or any Governing Board member, officer, employee, agent, or Affiliate of a Loan Party or any of its Subsidiaries is a Person that is, or is owned 50% or more, individually or in the aggregate, directly or indirectly, or controlled by Persons that are: (i) the subject or target of any Sanctions or (ii) located, organized or resident in a Sanctioned Country. No part of the proceeds of the Loans will be used, directly or indirectly, or otherwise made available (A) for any payments to any officer or employee of a Governmental Authority, or any Person controlled by a Governmental Authority, or any political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977 or (B) to any Person for the purpose of financing the activities of any Person currently subject to any United States sanctions administered by OFAC.

SECTION 3.08. Investment Company Act. Neither the Company nor any of its Subsidiaries is an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940.

SECTION 3.09. Taxes. Each of the Loan Parties and their Subsidiaries has timely filed or caused to be timely filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it that have become due, except where (i) the validity or amount thereof is being contested in good faith by appropriate proceedings and such contest effectively suspends collection of the contested obligation and the enforcement of any Lien securing such obligations and (ii) each Loan Party and each of its Subsidiaries, as applicable, has set aside on its books reserves with respect thereto to the extent required by GAAP, and except for such Taxes and such Tax returns the failure to pay or file, respectively, would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

SECTION 3.10. ERISA; Labor Matters.

(a) No ERISA Events have occurred or are reasonably expected to occur that could, in the aggregate, reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Accounting Standards Codification Topic 715) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than \$100,000 the fair value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the

assumptions used for purposes of Accounting Standards Codification Topic 715) did not, as of the date or dates of the most recent financial statements reflecting such amounts, exceed by more than \$100,000 the fair value of the assets of all such underfunded Plans.

(b) As of the Closing Date, there are no strikes, lockouts or slowdowns against a Loan Party or any of its Subsidiaries pending or, to their knowledge, threatened. The hours worked by and payments made to employees of the Loan Parties and their Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law relating to such matters. All material payments due from the Loan Parties and their Subsidiaries, or for which any claim may be made against a Loan Party or any of its Subsidiaries, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as liabilities on the books of the Loan Parties and their Subsidiaries. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement under which a Loan Party or any of its Subsidiaries is bound.

SECTION 3.11. Subsidiaries and Joint Ventures; Ownership; Disqualified Equity Interests.

(a) Schedule 3.11 sets forth, as of the Closing Date, the name and jurisdiction of organization of, and the number of units and percentage of each class, series and/or type of Equity Interests owned by (i) the Company in each of its Subsidiaries and (ii) the Company and each of its Subsidiaries in each joint venture or other Person (other than a Subsidiary) in which the Company or any of its Subsidiaries owns any Equity Interests. The Equity Interests of the Company and each of its Subsidiaries have been duly authorized and validly issued and are fully paid and, if constituting capital stock, non-assessable.

(b) There are no outstanding Disqualified Equity Interests of the Company or any of its Subsidiaries.

SECTION 3.12. Insurance. Schedule 3.12 sets forth a description of all insurance maintained by or on behalf of the Loan Parties and their Subsidiaries as of the Closing Date.

SECTION 3.13. Solvency. Immediately after the making of each Loan on the occasion of each Borrowing and the application of the proceeds thereof, and giving effect to the rights of subrogation and contribution under the Collateral Agreement, the Company and its Subsidiaries, taken as a whole, will be Solvent.

SECTION 3.14. Disclosure. The Loan Parties and their Subsidiaries have disclosed to the Lenders all agreements, instruments and corporate or other restrictions to which a Loan Party or any of its Subsidiaries is subject, and all other matters known to the Loan Parties and their Subsidiaries, that, individually or in the aggregate, would reasonably be expected to result in a Material Adverse Effect. No reports, financial statements, certificates or other information furnished by or on behalf of a Loan Party or any of its Subsidiaries to the Administrative Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document, included herein or therein or furnished hereunder or thereunder, when taken as a whole, contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to forecasts or projected financial information, each of the Borrowers represents only that such information was prepared in good faith based upon assumptions believed by it to be reasonable at the time made and at the time so furnished and, if furnished prior to the Closing Date, as of the Closing Date (it being understood that such forecasts and projections may vary from actual results and that such variances may be material).

SECTION 3.15. Collateral Matters.

(a) The Collateral Agreement, upon execution and delivery thereof by the parties thereto, will create in favor of the Administrative Agent, for the benefit of the Secured Parties, a valid and enforceable security interest in the Collateral (as defined therein) and (i) when the Collateral (as defined therein) constituting certificated securities (as defined in the Uniform Commercial Code) is delivered to the Administrative Agent, together with instruments of transfer duly endorsed in blank, the security interest created under the Collateral Agreement will constitute a fully perfected security interest in all right, title and interest of the pledgors thereunder in such Collateral, prior in right to any other Person, and (ii) when financing statements in appropriate form are filed in the applicable filing offices, the security interest created under the Collateral Agreement will constitute a fully perfected security interest in all right, title and interest of the Loan Parties in the remaining Collateral (as defined therein) to the extent perfection can be obtained by filing Uniform Commercial Code financing statements, prior to the rights of any other Person, except for rights secured by Liens permitted under Section 6.02.

(b) Each Mortgage, upon execution and delivery thereof by the parties thereto, will create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in all the applicable mortgagor's right, title and interest in and to the Mortgaged Properties subject thereto and the proceeds thereof, and when the Mortgages have been filed in the jurisdictions specified therein, the Mortgages will constitute a fully perfected security interest in all right, title and interest of the mortgagors in the Mortgaged Properties and the proceeds thereof, prior in right to any other Person, but subject to Liens permitted under Section 6.02.

(c) Upon the recordation of the IP Security Agreements with the United States Patent and Trademark Office or the United States Copyright Office, as applicable, and the filing of the financing statements referred to in paragraph (a) of this Section, the security interest created under the Collateral Agreement will constitute a fully perfected security interest in all right, title and interest of the Loan Parties in the Intellectual Property in which a security interest may be perfected by filing in the United States, in each case prior in right to any other Person, but subject to Liens permitted under Section 6.02 (it being understood that subsequent recordings in the United States Patent and Trademark Office or the United States Copyright Office may be necessary to perfect a security interest in such Intellectual Property acquired by the Loan Parties after the Closing Date).

(d) Each Security Document, other than any Security Document referred to in the preceding paragraphs of this Section, upon execution and delivery thereof by the parties thereto and the making of the filings and taking of the other actions provided for therein, will be effective under applicable law to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a valid and enforceable security interest in the Collateral subject thereto, and will constitute a fully perfected security interest in all right, title and interest of the Loan Parties in the Collateral subject thereto, prior to the rights of any other Person, except for rights secured by Liens permitted under Section 6.02.

SECTION 3.16. Federal Reserve Regulations. None of the Loan Parties and their Subsidiaries is engaged or will engage principally or as one of its important activities in the business of purchasing or carrying margin stock (within the meaning of Regulation U of the Board of Governors), or extending credit for the purpose of purchasing or carrying margin stock. No part of the proceeds of the Loans will be used, directly or indirectly, for any purpose that entails a violation (including on the part of any Lender) of any of the regulations of the Board of Governors, including Regulations U and X of the Board of Governors. Not more than 25% of the value of the assets subject to any restrictions on the Disposition of assets under this Agreement, any other Loan Document or any other agreement to which any Lender or Affiliate of a Lender is party will at any time be represented by margin stock.

SECTION 3.17. Material Contracts. As of the Closing Date, no defaults exist under any Material Contract (other than as described in Schedule 3.17).

SECTION 3.18. Anti-Corruption Laws, Anti-Terrorism Laws and Sanctions. The Loan Parties and their Subsidiaries and their respective Governing Board members, officers, employees and agents are in compliance with AML Laws, Anti-Corruption Laws, Anti-Terrorism Laws and all applicable Sanctions in all material respects. The Loan Parties and their Subsidiaries have instituted and maintain policies and procedures designed to ensure compliance with AML Laws, Anti-Corruption Laws, Anti-Terrorism Laws and applicable Sanctions. The Transactions will not violate AML Laws, Anti-Corruption Laws, Anti-Terrorism Laws or applicable Sanctions.

SECTION 3.19. FCC Licenses and Approvals.

(a) Schedule 3.19 contains a true, correct and complete list of all FCC Licenses held by the Loan Parties and their Subsidiaries and correctly sets forth the termination date, if any, of each such FCC License. The FCC Licenses that are material (“Material FCC Licenses”) are identified on Schedule 3.19 as such. Other than the FCC Licenses set forth on Schedule 3.19, none of the Loan Parties and their Subsidiaries and Affiliates hold any attributable or other interests in licenses, authorizations or permits issued by the FCC as of the Closing Date. No Loan Party or any of its Subsidiaries has any knowledge of the occurrence of any event or the existence of any circumstance which, in the reasonable judgment of such Loan Party or Subsidiary, is likely to lead to the revocation of any FCC License. The Loan Parties and their Subsidiaries each have the right to use all FCC Licenses required for the operation of their respective businesses as presently conducted and are each in compliance with all terms and conditions set forth on the face of the FCC Licenses or that otherwise apply to the FCC Licenses pursuant to FCC Rules. Each such FCC License is in full force and effect and does not, to the knowledge of the Loan Parties and their Subsidiaries, conflict with the valid rights of others.

(b) None of the Loan Parties and their Subsidiaries is a party to or has knowledge of any investigation, notice of apparent liability, violation, forfeiture or other order or complaint issued by or before any Governmental Authority or of any other proceedings that could in any manner threaten or adversely affect the validity or continued effectiveness of the FCC Licenses of any Loan Party or give rise to any order of forfeiture. No Loan Party or any of its Subsidiaries has any reason to believe that the FCC Licenses set forth on Schedule 3.19 will not be renewed in the ordinary course following the expiration of their respective current terms. Each Loan Party and its Subsidiaries has filed in a timely manner all material reports, applications, documents, instruments and information required to be filed by it pursuant to applicable rules and regulations or requests of every Governmental Authority having jurisdiction over any of its FCC Licenses.

SECTION 3.20. Holding Company. The Company has not engaged in any business, and has not owned and does not own any assets other than those as permitted by Section 6.14.

ARTICLE VIII

The Administrative Agent

SECTION 8.01. Appointment and Authority. Each of the Lenders hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors to serve as administrative agent and collateral agent under the Loan Documents, and authorizes the Administrative Agent to execute, deliver and administer the Loan Documents and to take such actions and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States, each of the Lenders hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's behalf. Neither the Borrowers nor any other Loan Party shall have rights as a third-party beneficiary of any such provisions. The use of the term "agent" or any similar or equivalent term in connection with the appointment of the Administrative Agent hereunder is not intended to imply any fiduciary or other duties arising under legal principles governing agency relationships, and such appointment and all rights and duties of the Administrative Agent hereunder shall be ministerial in nature.

SECTION 8.02. Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with a Loan Party or any of its Subsidiaries or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03. Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (and it is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties), (b) the Administrative Agent shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion, could expose the Administrative Agent to liability or be contrary to any Loan Document or applicable law, (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to a Loan Party or any of its Subsidiaries or any other Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity and (d) the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the preceding clause (d), the Administrative Agent shall not (i) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a

Disqualified Institution or (ii) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment). The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof (stating that it is a "notice of default") is given to the Administrative Agent by the Borrowers or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. The Administrative Agent shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof). The Administrative Agent also shall be entitled to rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof), and may act upon any such statement prior to receipt of written confirmation thereof. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who, subject to the applicable Rules of Professional Conduct, may be counsel for the Borrowers, provided, that no attorney-client relationship shall exist or be created among such counsel for the Borrowers, on the one hand, and the Administrative Agent, on the other hand, by any such consultation), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.04. Delegation of Duties. The Administrative Agent may perform any of and all its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of and all their duties and exercise their rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 8.05. Resignation of Agent.

(a) Subject to the terms of this paragraph, the Administrative Agent may resign at any time from its capacity as such. In connection with such resignation, the Administrative Agent shall give notice of its intent to resign to the Lenders and the Borrower Representative. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor; provided that in no event shall any such successor Administrative Agent be a Defaulting Lender or a Disqualified Institution. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank; provided that in no event shall any such successor Administrative Agent be a Defaulting Lender or a Disqualified Institution.

(b) Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed by the Borrowers and such successor.

(c) Notwithstanding the foregoing, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders and the Borrower Representative, whereupon, on the date of effectiveness of such resignation stated in such notice, (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents, provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Security Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties and, in the case of any Collateral in the possession of the Administrative Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this paragraph (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Security Document, including any action required to maintain the perfection of any such security interest), and (b) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, provided that (i) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (ii) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall also directly be given or made to each Lender.

(d) Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (a) above.

SECTION 8.06. Non-Reliance on the Agent and Other Lenders.

(a) Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Closing Date. The signature page of each Lender to this Agreement shall be on file with the Administrative Agent with a copy thereof provided to the Borrowers.

SECTION 8.07. Right to Realize on Collateral.

(a) Except with respect to the exercise of setoff rights of any Lender in accordance with Section 9.08 or with respect to a Lender's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Loan Document Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent on behalf of the Secured Parties at such sale or other disposition. In furtherance of the foregoing and not in limitation thereof, no Hedging Agreement the obligations under which constitute Secured Obligations will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under any Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such Hedging Agreement shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(b) The Secured Parties irrevocably authorize the Administrative Agent, at its option and in its discretion, to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(a)(v). The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by

any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

(c) In case of the pendency of any proceeding with respect to any Loan Party under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim under Sections 2.09, 2.10, 2.12, 2.14 and 9.03) allowed in such judicial proceeding; and

(B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and

(C) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03).

(d) The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and, except solely to the extent of the Borrowers' rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrowers or any other Loan Party shall have any rights as a third party beneficiary of any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations provided under the Loan Documents, to have agreed to the provisions of this Article.

ARTICLE IX

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including email and Internet and intranet websites) pursuant to procedures set forth in this Agreement or at the electronic email addresses listed in Section 9.01(a) above; provided that the foregoing shall not apply to notices under Article II to any Lender if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. Any notices or other communications to the Administrative Agent or the Borrowers may be delivered or furnished by electronic communications pursuant to procedures approved by the recipient thereof prior thereto; provided that approval of such procedures may be limited or rescinded by any such Person by notice to each other such Person.

(c) Each of the Administrative Agent and the Borrowers may change its address or fax number for notices and other communications hereunder by notice to the other parties hereto. SECTION 9.02. Waivers; Amendments.

(a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement or the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time.

(b) None of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement in writing entered into by the Borrowers (or, with the consent of the Administrative Agent, the Borrower Representative on behalf of itself and the other Borrowers, in which case the other Borrowers hereby agree to be bound by any such agreement), the Administrative Agent and the Required Lenders and, in the case of any other Loan Document, pursuant to an agreement in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto (provided that the

Borrower Representative may enter into any such agreement on behalf of the other Borrowers, in which case the other Borrowers hereby agree to be bound by any such agreement), in each case with the consent of the Required Lenders (provided that the signature page of each Lender to any such agreement shall be on file with the Administrative Agent with a copy thereof provided to the Borrowers) (provided that regardless of whether consent of such Lender is required, the Administrative Agent shall notify each Lender of each such waiver, amendment or modification in writing in advance of such waiver, amendment or modification going into effect); provided that no such agreement shall:

(A) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or of any Default, mandatory prepayment or mandatory reduction of any Commitment shall not constitute an increase of any Commitment of any Lender);

(B) reduce the principal amount of any Loan or reduce the rate of interest thereon or reduce any fees (including any prepayment fees) payable, without the written consent of each Lender directly and adversely affected thereby; provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrowers to pay interest at the default rate or change the amount of the default rate specified in Section 2.10(b);

(C) postpone the scheduled maturity date of any Loan, or the date of any scheduled payment of the principal amount of any Loan under Section 2.07, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment affected thereby (it being understood that the waiver of any Default or any mandatory prepayment shall not constitute a postponement, waiver or excuse of any payment of principal, interest, fees or other amounts) without the written consent of each Lender; provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrowers to pay interest at the default rate or change the amount of the default rate specified in Section 2.10(b);

(D) change (x) Section 2.15(b) or 2.15(c) of this Agreement in a manner that would alter the pro rata sharing of payments required thereby or (y) Section 2.15(f) of this Agreement, in each case, without the written consent of each Lender;

(E) change any of the provisions of this Section 9.02 (except as set forth in clause (b)(I), clause (b)(J) or clause (b)(K) below) or the percentage set forth in the definition of the term "Required Lenders" or "Required Delayed Draw Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, in each case, without the written consent of each Lender (or each Lender of the applicable Class); provided that, with the consent of the Required Lenders, the provisions of this Section and the definition of the term "Required Lenders" may be amended to include references to any new Class of Loans or Commitments created under this Agreement (or to Lenders extending such Loans or Commitments) on substantially the same basis as the corresponding references relating to the existing Classes of Loans, Commitments or Lenders;

(F) release all or substantially all of the value of the Guarantees provided by the Guarantors (including, in each case, by limiting liability in respect thereof) created under the Guarantee and Collateral Agreement without the written consent of each Lender (except as expressly provided in Section 9.14 or the Guarantee and Collateral Agreement (including any such release by the Administrative Agent in connection with any Disposition of any Subsidiary upon the exercise of remedies under the Security Documents), it being understood that an

amendment or other modification of the type of obligations guaranteed under the Guarantee and Collateral Agreement shall not be deemed to be a release or limitation of any Guarantee);

(G) release all or substantially all the Collateral from the Liens of the Security Documents, without the written consent of each Lender (except as expressly provided in Section 9.14 or the applicable Security Document (including any such release by the Administrative Agent in connection with any Disposition of the Collateral upon the exercise of remedies under the Security Documents), it being understood that an amendment or other modification of the type of obligations secured by the Security Documents shall not be deemed to be a release of the Collateral from the Liens of the Security Documents);

(H) contractually subordinate any of the Secured Obligations in right of payment to any other Indebtedness, or contractually subordinate any of the Liens on Collateral securing the Secured Obligations (in right of security) to any Lien on such Collateral securing any other Indebtedness, in each case, without the prior written consent of each directly and adversely affected Lender;

(I) (i) change or waive any condition precedent in Section 4.03 to any Borrowing of the Delayed Draw Loans, or (ii) after a Borrowing Request to fund Delayed Draw Loans has been received by the Administrative Agent and before any Delayed Draw Loans have been funded, waive any Default or Event of Default, in each case, without the written consent of the Required Delayed Draw Lenders;

(J) postpone the scheduled date of expiration of any Delayed Draw Loan Commitment beyond the Delayed Draw Loan Commitment Termination Date, or modify the definition of "Delayed Draw Loan Commitment Termination Date," in each case, without the written consent of each Delayed Draw Lender; or

(K) until the Birch Grove Special Rights Termination Date, (i) amend or modify the definition of "Birch Grove," "Birch Grove Special Rights Termination Date," "Collateral," "Collateral and Guarantee Requirement" or any Security Document, (ii) amend or modify any of Section 5.01, 5.02(a), 5.03, 5.05(a), 5.09, 6.01, 6.02, 6.03, 6.04, 6.05, 6.06, 6.08, 6.09, 6.11, 6.14 or 7.01 (including, in each case to the extent used therein, the definitions of capitalized terms defined in other provisions of this Agreement or the other Loan Documents), (iii) amend or modify Section 9.20 in a manner that adversely affects Birch Grove, (iv) waive a Default or Event of Default arising from non-compliance with any of the foregoing provisions unless such Default or Event of Default has been Rectified, or (v) amend or modify this clause (K), in each case, without the prior written consent of Birch Grove.

provided, further, that (1) no such agreement shall amend, modify, extend or otherwise affect the rights or obligations of the Administrative Agent without the prior written consent of the Administrative Agent, (2) any amendment, waiver or other modification of this Agreement that by its terms affects the rights or duties under this Agreement of the Lenders of one or more Classes (but not the Lenders of any other Class), including, after the Closing Date, any waiver of any condition precedent set forth in Article IV, may be effected by an agreement or agreements in writing entered into by the Borrower Representative and the requisite number or percentage in interest of each affected Class of Lenders that would be required to consent thereto under this Section 9.02 if such Class of Lenders were the only Class of Lenders hereunder at the time, and (3) in connection with any transaction permitted by Section 2.19, this Agreement and the other Loan Documents may be amended pursuant to an agreement or agreements in writing entered into by the Borrower Representative and the Administrative Agent to add any covenant

applicable to Borrowers and/or their Subsidiaries or any other provisions for the benefit of all of the Lenders.

Notwithstanding the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement or any other Loan Document shall be required of (x) any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (A), (B) or (C) above and then only in the event such Defaulting Lender shall be affected by such amendment, waiver or other modification or (y) in the case of any amendment, waiver or other modification referred to in the first proviso of this Section 9.02(b), any Lender that receives payment in full of the principal of and interest accrued on each Loan made by, and all other amounts owing to, such Lender or accrued for the account of such Lender under this Agreement and the other Loan Documents at the time such amendment, waiver or other modification becomes effective and whose Commitments terminate by the terms and upon the effectiveness of such amendment, waiver or other modification.

(c) Notwithstanding any other provision of this Section to the contrary, any provision of this Agreement or any other Loan Document may be amended, without the consent of any Lender (except as expressly set forth in such Sections), in the manner provided in Section 2.19 and Section 9.14, and each Lender hereby expressly authorizes and directs the Administrative Agent to enter into any amendment or other modification of this Agreement or other Loan Documents contemplated by any such Section.

(d) Notwithstanding any other provision of this Section to the contrary, the Administrative Agent may, without the consent of any Secured Party, consent to a departure by any Loan Party from any covenant of such Loan Party set forth in this Agreement, the Guarantee and Collateral Agreement or in any other Security Document, or pursuant to a written agreement or agreements with the Borrower Representative amend or otherwise modify the Guarantee and Collateral Agreement or any other Security Document, to the extent such departure or amendment or other modification is consistent with the authority of the Administrative Agent set forth in the definition of the term "Collateral and Guarantee Requirement" or is necessary or appropriate to eliminate any conflict between provisions of this Agreement and those of the Guarantee and Collateral Agreement or any other Security Document.

(e) Notwithstanding any other provision of this Section to the contrary, any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower Representative and the Administrative Agent (i) to cure any obvious error or any ambiguity, omission, defect or inconsistency of a technical nature or (ii) to better implement the intentions of this Agreement, so long as, the case of this clause (ii), (A) such amendment does not adversely affect the rights of any Lender or (B) the Lenders shall have received at least five Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment.

(f) The Administrative Agent may, but shall have no obligation to, with the written concurrence of any Lender, execute amendments, waivers or other modifications on behalf of such Lender. Any amendment, waiver or other modification effected in accordance with this Section 9.02 shall be binding upon each Person that is at the time thereof a Lender and each Person that subsequently becomes a Lender.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a) The Borrowers shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and the Lenders (including the reasonable fees, charges and disbursements of one counsel to the Administrative Agent and the Lenders taken as a whole, any special or regulatory counsel

and one local counsel for the Administrative Agent and the Lenders taken as a whole in each relevant jurisdiction that is material to the interests of the Administrative Agent and the Lenders, and solely in the case of an actual or perceived conflict of interest, where the party affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel one additional counsel in each relevant jurisdiction to each group of similarly situated affected parties) in connection with the structuring, arrangement and syndication of the credit facilities provided for herein, as well as the preparation, execution, delivery and administration of this Agreement, the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all out-of-pocket expenses incurred by the Administrative Agent, or any Lender, including the fees, charges and disbursements of any counsel for any of the foregoing, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans and (iii) all out-of-pocket expenses incurred by the Administrative Agent in connection with appraisal fees and costs, consultant fees and costs and financial advisory fees and costs.

(b) The Borrowers shall indemnify the Administrative Agent (and any sub-agent thereof) and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnatee”), against, and hold each Indemnatee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses (including the fees, charges and disbursements of one counsel to all Indemnitees taken as a whole, any special or regulatory counsel and one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interests of the Lenders, and solely in the case of an actual or perceived conflict of interest, where the Indemnatee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel one additional counsel in each relevant jurisdiction to each group of similarly situated affected Indemnitees) incurred by or asserted against any Indemnatee arising out of, in connection with, or as a result of (i) the structuring, arrangement and the syndication of the credit facilities provided for herein, the preparation, execution, delivery and administration of this Agreement, the other Loan Documents or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to this Agreement or the other Loan Documents of their obligations thereunder or the consummation of the Transactions or any other transactions contemplated thereby, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials on or from any Mortgaged Property or any other property currently or formerly owned or operated by a Loan Party or any of its Subsidiaries, or any other Environmental Liability related in any way to a Loan Party or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and whether initiated against or by any party to this Agreement or any other Loan Document, any Affiliate of any of the foregoing or any third party (and regardless of whether any Indemnatee is a party thereto); provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnatee, (y) result from a claim brought by any Borrower against an Indemnatee for breach in bad faith of such Indemnatee’s obligations hereunder or under any other Loan Document, if such Borrower has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction, or (z) result from a claim not involving an act or omission of a Borrower and that is brought by an Indemnatee against another Indemnatee (other than against the arranger or the Administrative Agent in their capacities as such). This paragraph shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) To the extent that the Borrowers fail to indefeasibly pay any amount required to be paid by them under paragraph (a) or (b) of this Section to the Administrative Agent (or any sub-agent thereof)

or any Related Party of any of the foregoing (and without limiting their obligation to do so), each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such subagent) in connection with such capacity. For purposes of this Section, a Lender's "pro rata share" shall be determined based upon its share of the sum of the outstanding Loans and unused Commitments, in each case, at the time (or most recently outstanding and in effect).

(d) To the fullest extent permitted by applicable law, the Borrowers shall not assert, or permit any of their Affiliates or Related Parties to assert, and each hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 9.04. Successors and Assigns.

Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the sub-agents of the Administrative Agent and the Related Parties of any of the Administrative Agent and any Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Borrower Representative; provided that no consent of the Borrower Representative shall be required (1) for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, (2) for an assignment to any Person that has been approved by the Borrower Representative on or prior to the Closing Date or to such Person's Affiliate and (3) if an Event of Default has occurred and is continuing, for any other assignment; provided further that the Borrower Representative shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof; and

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of any Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500, provided that only one such processing and recordation fee shall be payable in the event of simultaneous assignments from any Lender or its Approved Funds to one or more other Approved Funds of such Lender; and

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.12, 2.14 and 9.03 and subject to the obligations of Section 9.12). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and records of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof

from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and, as to entries pertaining to it, any Lender, at any reasonable time and from time to time upon reasonable prior written notice; provided that, for the avoidance of doubt, a Lender may only inspect the Register with respect to the Loans held by such Lender.

(v) Upon receipt by the Administrative Agent of an Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), any “know your customer” information requested by the Administrative Agent and the processing and recordation fee referred to in this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that the Administrative Agent shall not be required to accept such Assignment and Assumption or so record the information contained therein if the Administrative Agent reasonably believes that such Assignment and Assumption lacks any written consent required by this Section or is otherwise not in proper form, it being acknowledged that the Administrative Agent shall have no duty or obligation (and shall incur no liability) with respect to obtaining (or confirming the receipt) of any such written consent or with respect to the form of (or any defect in) such Assignment and Assumption, any such duty and obligation being solely with the assigning Lender and the assignee. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph, and following such recording, unless otherwise determined by the Administrative Agent (such determination to be made in the sole discretion of the Administrative Agent, which determination may be conditioned on the consent of the assigning Lender and the assignee), shall be effective notwithstanding any defect in the Assignment and Assumption relating thereto. Each assigning Lender and the assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the Administrative Agent that all written consents required by this Section with respect thereto (other than the consent of the Administrative Agent) have been obtained and that such Assignment and Assumption is otherwise duly completed and in proper form, and each assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the assigning Lender and the Administrative Agent that such assignee is an Eligible Assignee.

(c) (i) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations to one or more Eligible Assignees (“Participants”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitments and Loans of any Class); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent and, subject to the confidentiality requirements herein, the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant or requires the approval of all the Lenders. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.12 and 2.14 (subject to the requirements and limitations therein, including the requirements under Section 2.14(f) and (g) (it being understood that the documentation required under Section 2.14(f) and (g) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this

Section; provided that such Participant (x) shall be subject to the provisions of Sections 2.15 and 2.16 as if it were an assignee under paragraph (b) of this Section and (y) shall not be entitled to receive any greater payment under Section 2.12 or 2.14, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrowers' request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 2.16(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant shall be subject to Section 2.15(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement or any other Loan Document (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or Loans or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment or Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) [Reserved].

(f) Disqualified Institutions. (i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the "Trade Date") on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower Representative has consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Institution after the applicable Trade Date as a result of delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of "Disqualified Institution", such assignee shall not retroactively be considered a Disqualified Institution. Any assignment in violation of this clause (f)(i) shall not be void, but the other provisions of this clause (f) shall apply.

(ii) If any assignment or participation is made to any Disqualified Institution without the Borrower Representative's prior written consent in violation of clause (i) above, the Borrowers may upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate the Commitment of such Disqualified Institution and repay all obligations of the Borrowers owing to such

Disqualified Institution in connection with such Commitment and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and the other Loan Documents; provided that (i) the Borrowers shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 9.04(b) and (ii) such assignment does not conflict with applicable laws.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrowers, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any plan of reorganization or plan of liquidation (a “Debtor Relief Plan”) pursuant to the Bankruptcy Code of the United States, or any other liquidation, conservatorship, bankruptcy, assignment for the benefit of creditors, moratorium, rearrangement, receivership, insolvency, reorganization, or similar debtor relief laws of the United States or other applicable jurisdictions from time to time in effect (“Debtor Relief Laws”), each Disqualified Institution party hereto hereby agrees (1) not to vote on such Debtor Relief Plan, (2) if such Disqualified Institution does vote on such Debtor Relief Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Debtor Relief Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Lender or any Affiliate of any of the foregoing may have had notice or knowledge of any Default or incorrect representation or warranty at the time any Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.12, 2.14, 2.15(e) and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof. The provisions of Section 9.12 shall survive and remain in full force and effect with respect to the Administrative Agent and each Lender until eighteen (18) months following the date that the Administrative Agent or such Lender, respectively, is no longer party to this Agreement.

SECTION 9.06. Signatures; Integration; Effectiveness. This Agreement may be executed and delivered by facsimile, portable document format (.pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 (including DocuSign), and in multiple counterparts, each of which will be deemed an original, but all of which together will constitute one and the same contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof (but do not supersede any provisions of any separate agreements that do not by the terms thereof terminate upon the effectiveness of this Agreement, all of which provisions shall remain in full force and effect). In the event of any conflict or inconsistency between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided further that the inclusion of supplemental rights or remedies in favor of the Administrative Agent or the Lenders in any other Loan Document shall not be deemed a conflict or inconsistency with this Agreement. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of all the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each Affiliate thereof is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) or other amounts at any time held and other obligations (in whatever currency) at any time owing by such Lender, or by such an Affiliate, to or for the credit or the account of the Borrowers against any of and all the obligations then due of the Borrowers now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations of the Borrowers are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness. The rights of each Lender and each Affiliate thereof under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or Affiliate may have. Each Lender agrees to notify the Borrower Representative and the Administrative Agent promptly after any such setoff and application; provided that the failure to give notice shall not affect the validity of such setoff and application.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be governed by, and construed in accordance with, the law of the State of New York.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York located in the Borough of Manhattan, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the Borrowers hereby irrevocably and unconditionally agrees that all claims arising out of or relating to this Agreement or any other Loan Document brought by it or any of its Affiliates shall be

brought, and shall be heard and determined, exclusively in such New York State or, to the extent permitted by law, in such Federal court. Each party hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or any of its properties in the courts of any jurisdiction.

(c) Each of the Borrowers hereby irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Related Parties and financing sources, including accountants, legal counsel and other agents and advisors, it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its Related Parties) to any swap or derivative transaction relating to the Loan Parties or

any of their Subsidiaries and its obligations (it being understood that the DQ List may be disclosed to any assignee or Participant, or prospective assignee or Participant, in reliance on this clause (f)), (g) on a confidential basis to (i) any rating agency in connection with rating the Borrowers or its Subsidiaries or the credit facilities provided for herein or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facilities provided for herein; (h) with the consent of the Borrower Representative; (i) in connection with a Lender's normal fundraising, information or reporting activities, to investors in private investment funds managed by the same manager or an Affiliate of the manager of such Lender; provided that the subject matter of such disclosure is subject to written confidentiality obligations as between such investor and the disclosing party, and in any event excluding any portfolio company, or portfolio company parent/holding company, of such Lender, such manager or any such Affiliate of the manager of such Lender; or (j) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender or any Affiliate of any of the foregoing on a nonconfidential basis from a source other than the Borrowers. For purposes of this Section, "Information" means all information received from the Borrowers relating to the Borrowers or any of their Subsidiaries or their businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrowers; provided that, in the case of information received from the Borrowers after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. It is agreed that, notwithstanding the restrictions of any prior confidentiality agreement binding on the Administrative Agent, such parties may disclose Information as provided in this Section 9.12.

SECTION 9.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.14. Release of Liens and Guarantees.

(a) A Guarantor (other than a Borrower) shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Guarantor shall be automatically released, upon the consummation of any transaction permitted by this Agreement as a result of which such Guarantor ceases to be a Subsidiary of a Loan Party; provided that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise. Upon any sale or other transfer by any Loan Party (other than to the Loan Parties or any of their Subsidiaries) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents shall be automatically released.

(b) In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent.

SECTION 9.15. USA PATRIOT Act Notice. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the USA PATRIOT Act it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with such Act.

SECTION 9.16. No Fiduciary Relationship. Each of the Borrowers, on behalf of itself and its Subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Borrowers, the other Subsidiaries and their Affiliates, on the one hand, and the Administrative Agent, the Lenders and their Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Lenders or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Lenders and their Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Borrowers and their Affiliates, and none of the Administrative Agent, the Lenders or their Affiliates has any obligation to disclose any of such interests to the Borrowers or any of their Affiliates. To the fullest extent permitted by law, each of the Borrowers hereby waives and releases any claims that it or any of its Affiliates may have against the Administrative Agent, the Lenders and their Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.17. Non-Public Information. Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by the Borrowers or the Administrative Agent pursuant to or in connection with, or in the course of administering, this Agreement will be syndicate-level information, which may contain MNPI. Each Lender represents to the Borrowers and the Administrative Agent that (i) it has developed compliance procedures regarding the use of MNPI and that it will handle MNPI in accordance with such procedures and applicable law, including Federal, state and foreign securities laws, and (ii) it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain MNPI in accordance with its compliance procedures and applicable law, including Federal, state and foreign securities laws.

SECTION 9.18. Judgment Currency.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in U.S. Dollars into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures in the relevant jurisdiction U.S. Dollars could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of each party hereto in respect of any sum due to any other party hereto or any holder of the obligations owing hereunder (the "Applicable Creditor") shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than U.S. Dollars, be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking

procedures in the relevant jurisdiction purchase U.S. Dollars with the Judgment Currency; if the amount of U.S. Dollars so purchased is less than the sum originally due to the Applicable Creditor in U.S. Dollars, such party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such deficiency. The obligations of the parties contained in this Section shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

SECTION 9.19. Excluded Swap Obligations.

(a) Notwithstanding any provision of this Agreement or any other Loan Document, no Guarantee by any Guarantor under any Loan Document shall include a Guarantee of any Secured Obligation that, as to such Guarantor, is an Excluded Swap Obligation, and no Collateral provided by any Guarantor shall secure any Secured Obligation that, as to such Guarantor, is an Excluded Swap Obligation. In the event that any payment is made pursuant to any Guarantee by, or any amount is realized from Collateral of, any Guarantor as to which any Secured Obligations are Excluded Swap Obligations, such payment or amount shall be applied to pay the Secured Obligations of such Loan Party as otherwise provided herein and in the other Loan Documents without giving effect to such Excluded Swap Obligations, and each reference in this Agreement or any other Loan Document to the ratable application of such amounts as among the Secured Obligations or any specified portion of the Secured Obligations that would otherwise include such Excluded Swap Obligations shall be deemed so to provide.

(b) Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time to enable each other Loan Party to honor all of its obligations under the Loan Documents in respect of Swap Obligations (subject to the limitations on its Guarantee under the Collateral Agreement). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until its Guarantee under the Collateral Agreement is released. Each Qualified ECP Guarantor intends that this Section shall constitute a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

(c) The following terms shall for purposes of this Section have the meanings set forth below:

“Commodity Exchange Act” means the Commodity Exchange Act (7 U.S.C. § *et seq.*), as amended from time to time, and any successor statute.

“Excluded Swap Obligation” means, with respect to any Guarantor, any Swap Obligation if, and to the extent that, the Guarantee by such Guarantor of, or the grant by such Guarantor of a security interest to secure, such Swap Obligation (or any Guarantee thereof) is or becomes illegal under the Commodity Exchange Act or any rule, regulation or order of the Commodity Futures Trading Commission (or the application or official interpretation of any thereof) by virtue of such Guarantor’s failure for any reason to constitute an “eligible contract participant” as defined in the Commodity Exchange Act at the time the Guarantee of such Guarantor becomes effective with respect to such related Swap Obligation.

“Qualified ECP Guarantor” means, in respect of any Swap Obligation, each Guarantor that has total assets exceeding \$10,000,000 or that otherwise constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder at the time such Swap Obligation is incurred (including as a result of the agreement in this Section or any other Guarantee or other support agreement in respect of the obligations of such Guarantor by another Person that constitutes an “eligible contract participant”).

“Swap Obligation” means, with respect to any Guarantor, any obligation to pay or perform under any agreement, contract or transaction that constitutes a “swap” within the meaning of Section 1a(47) of the Commodity Exchange Act.

SECTION 9.20. Publicity. The Administrative Agent, ArrowMark and Birch Grove may, with the Company’s prior written consent, make appropriate announcements of the financial arrangement entered into among the Loan Parties, Administrative Agent and Lenders, including, without limitation, announcements which are commonly known as tombstones, in such publications and to such selected parties as Administrative Agent, ArrowMark or Birch Grove (as applicable) shall deem appropriate and which have been approved by the Company; provided, if any of the Administrative Agent, ArrowMark or Birch Grove intends to use the name of the Administrative Agent or any Lender in any such announcement, it shall obtain such Person’s prior written consent. The Administrative Agent, ArrowMark and Birch Grove may, with the Company’s prior written consent, include any Loan Party’s name and logo in select transaction profiles and client testimonials prepared by Administrative Agent, ArrowMark or Birch Grove for use in publications, company brochures and other marketing materials of Administrative Agent, ArrowMark or Birch Grove (as applicable).

SECTION 9.21. Joint and Several Liability of Borrowers.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Lenders, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Loan Document Obligations.

(b) Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Loan Document Obligations (including any obligations arising under this Section 9.21), it being the intention of the parties hereto that all the Loan Document Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Loan Document Obligations as and when due or to perform any of the Loan Document Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Loan Document Obligation until such time as all of the Loan Document Obligations are paid in full.

(d) The obligations of each Borrower under the provisions of this Section 9.21 constitute the absolute and unconditional, full recourse obligations of such Borrower enforceable against such Borrower to the full extent of such Borrower’s Collateral, irrespective of the validity, regularity or enforceability of the provisions of this Agreement (other than this Section 9.21(d)) or any other circumstances whatsoever.

(e) Except as otherwise expressly provided in this Agreement, each Borrower hereby waives notice of acceptance of its joint and several liability, notice of any Loans, notice of the occurrence of any Default, or of any demand for any payment under this Agreement, notice of any action at any time taken or omitted by the Administrative Agent or the Lenders under or in respect of any of the Loan Document Obligations, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement, except as otherwise provided in this Agreement. Each Borrower hereby assents to, and waives notice of, any extension or postponement of the time for the payment of any of the Loan Document Obligations, the acceptance of any payment of any of the Loan Document Obligations, the

acceptance of any partial payment thereon, any waiver, consent or other action or acquiescence by the Administrative Agent or the Lenders at any time or times in respect of any default by any Borrower in the performance or satisfaction of any term, covenant, condition or provision of this Agreement, any and all other indulgences whatsoever by the Administrative Agent or the Lenders in respect of any of the Loan Document Obligations, and the taking, addition, substitution or release, in whole or in part, at any time or times, of any security for any of the Loan Document Obligations or the addition, substitution or release, in whole or in part, of any Borrower. Without limiting the generality of the foregoing, each Borrower assents to any other action or delay in acting or failure to act on the part of the Administrative Agent or the Lenders with respect to the failure by any Borrower to comply with any of its respective Loan Document Obligations, including, without limitation, any failure strictly or diligently to assert any right or to pursue any remedy or to comply fully with applicable laws or regulations thereunder, which might, but for the provisions of this Section 9.21 afford grounds for terminating, discharging or relieving any Borrower, in whole or in part, from any of its obligations under this Section 9.21, it being the intention of each Borrower that, so long as any of the Loan Document Obligations hereunder remain unsatisfied, the obligations of each Borrower under this Section 9.21 shall not be discharged except by performance and then only to the extent of such performance. The obligations of each Borrower under this Section 9.21 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any other Borrower or the Administrative Agent or any Lender.

(f) Each Borrower represents and warrants to the Administrative Agent and the Lenders that such Borrower is currently informed of the financial condition of the other Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Loan Document Obligations. Each Borrower further represents and warrants to the Administrative Agent and the Lenders that such Borrower has read and understands the terms and conditions of the Loan Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of the other Borrowers' financial condition and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Loan Document Obligations.

(g) The provisions of this Section 9.21 are made for the benefit of each Secured Party, and its successors and assigns, and may be enforced by it or them from time to time against any or all Borrowers as often as occasion therefor may arise and without requirement on the part of such Secured Party, or any of its successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Loan Document Obligations hereunder or to elect any other remedy. The provisions of this Section 9.21 shall remain in effect until all of the outstanding Loan Document Obligations shall have been paid in full or otherwise fully satisfied. If at any time, any payment, or any part thereof, made in respect of any of the Loan Document Obligations, is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 9.21 will forthwith be reinstated in effect, as though such payment had not been made.

(h) Each Borrower hereby agrees that it will not enforce any of its rights of contribution or subrogation against any other Borrower with respect to any liability incurred by it hereunder or under any of the other Loan Documents, any payments made by it to the Administrative Agent or the Lenders with respect to any of the Loan Document Obligations or any collateral security therefor until such time as all of the outstanding Loan Document Obligations have been paid in full in cash. Any claim which any Borrower may have against any other Borrower with respect to any payments to any Secured Party hereunder are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Loan Document Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Loan Document Obligations and, in the event of any insolvency, bankruptcy,

receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Loan Document Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefor.

(i) Each Borrower hereby agrees that after the occurrence and during the continuance of any Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the outstanding Loan Document Obligations shall have been paid in full in cash. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by such Borrower as trustee for the Administrative Agent, and such Borrower shall deliver any such amounts to the Administrative Agent for application to the Loan Document Obligations in accordance with this Agreement.

Additional Considerations

All of the parties will agree, as a result of their participation in the applicable transactions described in this Restructuring Memorandum, for U.S. federal and applicable state and local income tax purposes, to treat (i) the Reorganized Starry Holdings Warrants as day-one stock (on an as-if-exercised basis) in Reorganized Starry Holdings and (ii) the New Warrants as day-one equity (on an as-if-exercised basis) in New Starry.

Notwithstanding the above description of the Transaction Steps, (i) the Reorganized Starry Holdings Warrants may be comprised of more or less tranches, (ii) Starry, Inc. may borrow more or less than approximately \$3 million from the New Money Exit Lenders, and (iii) the allocation of Reorganized Starry Holdings Equity, Reorganized Starry Holdings Warrants, New Common Equity, and New Warrants in connection with the Exit Facility to Holders of Rollover Exit Term Loans, New Money Exit Lenders, and Last DIP Portion Lenders in Steps 4 and 5 may change.
