Re: Case No. 23-cv-00327-BAH

Dear Party:

The Clerk received your Motion for Permission to Proceed Pursuant to 28 USC 158 (D) on March 8, 2024; however, it is deficient in the area(s) checked below and is being returned to you.

Noncompliance with L.R. 101 or 102

- Member of bar has not signed the document.
- Business entities other than sole proprietorships must be represented by counsel.

Noncompliance with L.R. 102 and FRCivP 5

- Certificate of service not affixed to document.
- Certificate of service not dated and/or not signed.

Noncompliance with L.R. 104 or 105

- Discovery materials should not be filed unless in support of a motion or by court order.
- Discovery motion filed contrary to L.R. 104.7.
- Motion to compel filed contrary to L.R. 104.8.

Miscellaneous

- Document does not contain original signature.
- Document relates to more than one file. Original and appropriate copies are required for each file unless the cases have been consolidated for all purposes.
- Offer of judgment should not be filed with the Court until it has been accepted. Fed. R. Civ. P. 68.
- Other: Plaintiff seeks to appeal Corizon Correctional Health Care's bankruptcy and the corresponding automatic stay. Those bankruptcy proceedings are pending in the Bankruptcy Court for the Southern District of Texas, Case No. 23-900865 (CML). The District Court for the Southern District of Texas, not the District of Maryland, has jurisdiction over appeals from that court.

Case # TDC-23-032

Corizon Correctional
Health Care, Et, Al

"Plaintiff's Motion to Oppose Defendants Automatic Stay"

Plaintiff, Nolan, is asking the courts on this 24th day of July 2023 to lift Defendants Automatic Stay so that he may proceed with his complaint against Corizon Correctional Health Care.

- (1) Corizon has deprived Plaintiff of surgeries, medical care, medications, physical therapy, etc. years after Plaintiff's Drs, surgeons & physical therapists put in numerous times that he needed surgery ASAP, Corizon decided to give Plaintiff the surgery he needed.
- (2) Plaintiff suffered severe pain for years from Corizon, et al. Denials of surgeries, medications, etc. all while Plaintiff's health was deteriorating rapidly.
- (3) Corizon should not be allowed to claim bankruptcy/automatic stay because they open back up with a different name. Numerous times - Example yes case, Corizon Etc. Corizon uses the bankruptcy court as a clutch. They owe large amounts of money through these different company names & they will continue to do this until the courts put a stop to this.

"Estate vs Gamble 429 US 97, 103 (1976)" - IF Authorities / Medical Personnel Fail to Give A Prisoner Medical Care Then These Medical needs would never be met
 Plaintiff Had A Serious medical needs & Corizon, Et, Al. Showed "Deliberate Indifference" To His medical needs which caused more Injury & Severe Pain & Suffering. The "Unnecessary & Wanton" Infliction of Pain.
- (#7) "Hill vs DeRMB Reg'l Youth Det. CTR. NO F3d 1176, 1187 (11th Cir 1994)"
 Court Stated "A Serious medical need IS one that has been diagnosed by a "DR/surgeon" as mandating or so obvious a "lay person" would recognize it for DR's attention.
