CLAIM # 5000. 50008.000

I am Andrea Janvier writing this letter to express my deepest regret I received From Telex Free as a Victim. I was a participant in the Fraud causing many lost in my Life By spending all my savings on that "so call" in investments presented by one of the person victimized also. This was accepted only cash to the Business, Wherefore, most of us just cashed our savings and poured it Telex Free. I joined Telex Free as Binary Business and seems to be working left and right that was the ideal to get through people like myself. However, the other side was not accessive for me to get the binary to make money, therefore, Telex Free Agent presented so well I went and Add another \$9000.00 in Cash and they proposed me to buy more by given me a sizeable credits to buy more. That has been shocking to me because I was sicked and had a brain surgery. I hope something will come up for me ro have a restitution on my money from the Debtors'scheme.

One of the reason I did not answered the letter back in 2017 because I was tressful and overlooking all the evidence concerning the schemers.

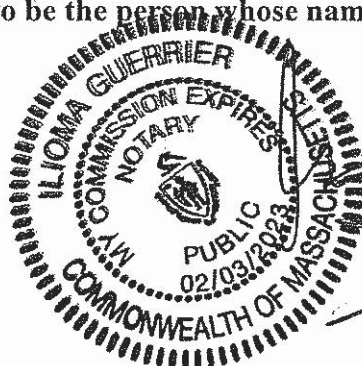

For more information I can be contacted at 6177-778-4012

Sincerely yours;

Andrea Janvier
