6.º

Has claimed the corresponding credits his parents were also claiming.

7.º

Notified of present **Claim Resolution**, claimant saw the same being rejected, being included under the mentioned at Annex A/code A of this process, based on: *"More than one Participant claimed the same user account."*

8.º

Faced with the referred Proposal, Claimant recognizes the error he had incurred into,

9.º

Verifying that, in fact, over the same accounts, of different holders - parents - different claims were presented by different users, i.e. the present applicant and the individual holders.

10.º

Identified the irregularity described herein, the applicant expressly requires that in his Claim [Claim No. 49733-000], the claiming of all accounts of which he is not the actual holder shall be annulled, namely:
