U.S. BANKRUPTCY COURT  
2019 FEB 25 A 11: 10

Hereby, **M Isabel López Alvarez**, provided NIF 34243264J, with domicile in the country of Spain, region of Catalonia, City of Barcelona, Calle Nicaragua number 126 floor 5th door 2nd with zip code 08029, as plaintiff of an amount in **case No. 14-40987-MSH, 14-40988-MSH, 14-40989-MSH**, in the Bankruptcy Court of the United States of America of the Massachusetts district.

Expose:

1.- That I received a few days ago a notification of Mr. STEPHEN B. DARR, as I am in accordance with The Chapter 11 Estates of TELEXFREE, LLC, TELEXFREE, Inc and TELEXFREE FINANCIAL, Inc.

2.- I am urged to argue the amount of my demand, as well as explain why I did not respond to the notice of motion for a resolution of the lawsuit that had been sent to me long ago, says August 2018.

And because of that,

Manifest:

1.- With the respect that deserve the Trustee Stephen B Darr and this court, I confess that on the date of August 2018, I was not aware of the notice of motion for resolution of the request, by the Trustee Don Stephen B Darr , though I think he did his duty.

The reason for this was that in the month of July 2018, I was severely ill, bedridden, by a long hepatic ailment, very tired. On the recommendation of the doctor I should not move, I only had help from my daughter, although she could not take care of my personal affairs. In the middle of the month of October I resumed my activity.

Nor now have I been able to recover that information sent by the Trustee Mr. Stephen B Darr in August, although I think it is the same as i received now on paper.

I am sorry that this could have caused a delay in your work, for which I apologise to your court and to all the people involved in the good progress of the claim.

2.- After read your notice and summary, I insist that I am a legitimate owner of the credit rights of at least \$6927.50, and not other people, and I have rights to defend that I am holder of several accounts opened in TelexFree, in different months, for amount exceeding \$6,927.50.

The account relationship as holder and opened by me, in TelexFree were more than 25 with an approximate amount of \$14,000.00.

I also opened more accounts in the name of other headlines, following the instructions of TelexFree, where my address is.

With this I want to insist that I showed a lot of activity, trusting fully in TelexFree, and investing all my savings.

3.- Given how advanced the claim is, and not to confuse I accept the amount of \$6,927,50.

4.- Losing that amount would mean a great loss.

5.- I accompany the following documents:

Document N º 1: 19 pre-registration forms in TelexFree.

Document N º 2: My national identity document.

Therefore,

Beg:

1.- Accept my response now and be recognized in my credit right for the amount of \$ 6, 927,50 in the claim number 36924-000.

2.- Accept my justification not to respond to your notice in the month of August 2018.

M Isabel López Alvarez
