According to letters received on February 22, 2019, which I answer today, February 26, 2019, with an urgent request to the local post office for arrival, I hereby state that all the necessary requirements for the analysis of this document are fulfilled:

1) English Response Protocol to Bankruptcy Court, Five Post Office Square, Suite 1150, Boston, MA, 02109-3945.

2) Reason for which I am contesting the value of the claim, as proposed in the notice, with explanation of why I did not respond to the Notice of Motion for Claim Resolution that was previously sent to me within thirty days.

3) Response containing case name and claim number.

4) Copy of this response to Mr. Stephen Darr, to the email claimresponse@telexfreeclaims.com, with claim number.

I request that this documentation be received and accepted by this honorable court, stating that I have sent urgently by official mail from Brazil, but, as it is public knowledge in our country, the only agency that holds a monopoly of letters, called "Correios", delays delivery of matches. So although I have fulfilled the most urgent deadline for sending this letter, I can not know if it will arrive in time for the deadline, which is March 1, 2019. I therefore request that this documentation be received and added to the file, processing my claim, considering the date of sending registered in this letter, fulfilling the established deadline. For not having fluent English, I translated this response with Google Translator. If it is not easy to understand, I kindly request the determination of an official translation by this court.

**1) ANSWER IN ENGLISH TO THE BANKRUPTCY COURT.**

I made an investment and payment of R\$ 5,228.00 (Brazilian reais), at the time converted into U\$ 1,425.00 (US dollars) in favor of Telexfree, on its website, performing online credit transfer and payment with the group "unidostop1 ", Approximately between September / 2013 to February / 2014, activating my " Nuke " account.

The company was paralyzed and the site was taken off the air, without me having received any value before. Therefore, all the amount that invested, so far, nothing was paid or reimbursed by the company.

As I was instructed, I filed claim no. 20916 on July 5, 2016, to receive the amount paid. But months later, my Postal Code 80.250-100 was changed to 80.420-170, so I logged into the system to update it. In doing so, I realized that my name was also incomplete, missing "Vinícius".

When attempting to modify the information, another claim was mistakenly generated, at no. 5902, with the same value. Immediately I informed the administrators of the case through the email [inquiries@telexfreeclaims.com](mailto:inquiries@telexfreeclaims.com), where I received the answer that would take care of this and not to worry, as attached, on September 09, 2016.

I have received no further information or notifications regarding Telexfree's processes or my claims since 21 August 2017.

Querying my name via Google, I located a notification about the process, which I did not understand and did not know what it was.

So, I emailed [ClaimResponse@telexfreeclaims.com](mailto:ClaimResponse@telexfreeclaims.com) on December 13, 2018, asking for informations, and again saying that I filed one more claim by mistake. I got a reply the next day, just saying they were going to fix this in their end, as attached.

Since then, I have been requesting information about the lawsuit, stating that I am entitled to compensation of U\$ 1,425.00 that I invested, and I asked how long it would take to receive, and whether it would be in dollars or reais, Brazilian local money. I have not received any response so far.

I paid the described amount of U\$ 1,425.00 approximately on September /2013 to February /2014 and have not received any amount so far. I paid this amount to the company to have access to the online platform and to work as all other Brazilians did, but before receiving payments, the company was blocked. I did not receive anything. As I completed the claim, I am entitled to restitution, and I do not accept the company's proposal to not receive anything, as it offers unfairly.

I request the reimbursement of the payment of U\$ 1,425.00, corrected and updated, with interest until the current date, made via bank deposit in account that I informed in the form; Brazilian Bank, named Itaú S.A (code 341), Agency 3761, Current Account 18828-7, CPF 096.033.349-52, owner Bruno Vinícius Andreatta Callegari.

The truth, your honor, is that the situation in Brazil is chaotic about the processes of the Telexfree American company. Almost no Brazilian knows how the actions are, many people have changed their address, no more e-mail notifications are sent, and our courts do not have a unified system for informing the claimants. Therefore, many people do not even know if they will get the money back, we do not get a response from the administrators, we are not informed about the progress of the cases, and because of it, many people will not receive the money. Many people do not speaks or understands English, has no legal knowledge, and no lawyer. Even I, who am a lawyer in my country, do not understand or even know how to access Telexfree processes. The situation is very worrying.

**2) REASON FOR WHY I AM REPLYING THE CLAIM VALUE AND WHY I DID NOT RESPOND TO THE SECOND AND THIRD NOTICE OF PROPOSED RESOLUTION OF CLAIM THAT WAS EARLIER SENTED TO ME WITHIN THIRTY DAYS ALLOWED.**

As I wrote at the first point, I no longer receive any notification of Telexfree's cases since 21 August 2017. I have never received correspondence in my residence before, only now, in 22 February 2019, about those Notices. Even so, I sent an email to ClaimResponse@telexfreedclaims.com informing that I have US\$ 1,425.00 to receive, and requested information on the progress of the proceedings. I had no answer, even asking several times. In addition, I sent the emails to Mr. Andrew G. Lizotte, e-mail alizotte@murphyking.com, as per attachment, and even then, I did not have a response.

Therefore, I had no way of responding to this court before, because I never received any further notifications on the case, and even searching on Google for notices, I didn't know what to do. In addition, even asking the administrators and lawyers for information, I never had a response. Unfortunately, my rights are being deny, and the company refuses to pay the money back. I was only notified by post via mail at my residence on February 22, 2019, about the Second and Third Notice of Denial of Claim together, as attached, with instructions for what to do and where to send documents, which I am responding now the fastest I can.

This Claim Disallowance is unfair and undue. I paid the value of US\$ 1,425.00 and requested a return.

My login in Telexfree's site was "Nuke", I have some images and evidences, as per attachment, of access and error when accessing the system. I digitally signed the documents for better proof, with SERPRO.

So I explained why I did not say it before, and I refuse the company's offer to not pay me anything. Since they must return the amount I paid, corrected with interest and charges, in dollars, via an informed bank account, since I do not have access to Telexfree's lawsuits in this respectful court, and I do not know how the proceedings are in the United States, as well as almost all Brazilians.

**Therefore, Mr. honorable Judge, and noble administrators; I request:**

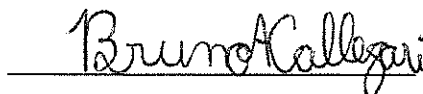

I) The return of the amount paid of US\$ 1,425.00, corrected, and updated, with legal interest and other expenses from the date of payment, until the moment, February 2019, in an informed bank account, urgently, since I am currently in need of money for health and surgery reasons.

II) The attachment of documents and images to the processes informed, proving my right to receive the claim amount, processing my Claim and receiving this correspondence even after March 1, 2019, according the motives explained, I just received the letter few days ago, and the response will take at least 14 commercial days to arrive to this Court.

III) The arrangements for more information of the cases to the Brazilian applicants, and explanations that I requested to the e-mail of the administrators on date to receive the money and other requests.

IV) If possible, the appointment of a lawyer free of charge in this case, since I do not know the American laws nor can I practice law in this state, and I do not know what rights I have or may require, and have no money.

V) The receipt of notices, orders and information of the cases in my new e-mail: brovitari@gmail.com.

Good Morning.

I sent several emails to those responsible for Telexfree's claims, but I'm not getting any feedback. I am from Brazil, I do not know how to follow the process in the United States, and I have not received any notification or email. When I emailed them that I filled out two similar claims by mistake, trying to complement the first one, they said they would take care of it. Then I asked about the progress of the process and I had no answer but "I'll try to fix this on our end".

Follow full email below.

Please, I want to know how you are going to receive the refund and when I will receive the money. I need to do the surgery and this money will be very important to pay it.

Thank you very much

Hello.

Please translate from PORTUGUESE. / Please translate for PORTUGUESE.

I am Bruno Vinicius Andreatta Callegari, from Brazil, TELEXFREE cases (Case No. 14-40987 Case No. 14-40988-MSH Case No. 14-40989-MSH).

I created the claim 20916 (and then I mistakenly made claim 59027 to enter more information and evidence on the first form, then it got two repeated).

Once I made the mistake, I immediately informed the team responsible at the time, the BCM Group, sending an email warning, and received the answer below.

I recently researched my name on the Google site and appeared this attached PDF "THIRD NOTICE OF CLAIM DISALLOWANCE" with my name on it. I was in doubt about what this means. What is it?

Can you please explain to me how the process is currently? When will I receive my money? I need to do something? I saw that I have 21 days...

Thank you very much and I await your reply.

Attached is a list of documents I have

I am also no longer receiving any news of the process or when I will receive the money I paid, the last email I received from administrators@qqemail.com was on 08/21/2017

Many people do not speak or understand English, has no legal knowledge, and no lawyer. Even I, who am a lawyer in my country, do not understand or even know how to access Telexfree processes. The situation is very worrying.

### **2) REASON FOR WHY I AM REPLYING THE CLAIM VALUE AND WHY I DID NOT RESPOND TO THE SECOND AND THIRD NOTICE OF PROPOSED RESOLUTION OF CLAIM THAT WAS EARLIER SENTED TO ME WITHIN THIRTY DAYS ALLOWED.**

As I wrote at the first point, I no longer receive any notification of Telexfree's cases since 21 August 2017. I have never received correspondence in my residence before, only now, in 22 February 2019, about those Notices. Even so, I sent an email to ClaimResponse@telexfreeclaims.com informing that I have U\$ 1,425.00 to receive, and requested information on the progress of the proceedings. I had no answer, even asking several times. In addition, I sent the emails to Mr. Andrew G. Lizotte, e-mail alizotte@murphyking.com, as per attachment, and even then, I did not have a response.

Case 14-40987 Doc 1303 Filed 03/13/19 Entered 03/15/19 16:23:11 Desc Main Document Page 16 of 32

Therefore, I had no way of responding to this court before, because I never received any further notifications on the case, and even searching on Google for notices, I didn't know what to do. In addition, even asking the administrators and lawyers for information, I never had a response. Unfortunately, my rights are being deny, and the company refuses to pay the money back. I was only notified by post via mail at my residence on February 22, 2019, about the Second and Third Notice of Denial of Claim together, as attached, with instructions for what to do and where to send documents, which I am responding now the fastest I can.

This Claim Disallowance is unfair and undue. I paid the value of US\$ 1,425.00 and requested a return.

My login in Telexfree's site was "Nuke", I have some images and evidences, as per attachment, of access and error when accessing the system. I digitally signed the documents for better proof, with SERPRO.

So I explained why I did not say it before, and I refuse the company's offer to not pay me anything. Since they must return the amount I paid, corrected with interest and charges, in dollars, via an informed bank account, since I do not I have access to Telexfree's lawsuits in this respectful court, and I do not know how the proceedings are in the United States, as well as almost all Brazilians.

**Therefore, Mr. honorable Judge, and noble administrators; I request:**

I) The return of the amount paid of US\$ 1,425.00, corrected, and updated, with legal interest and other expenses from the date of payment, until the moment, February 2019, in an informed bank account, urgently, since I am currently in need of money for health and surgery reasons.

II) The attachment of documents and images to the processes informed, proving my right to receive the claim amount, processing my Claim and receiving this correspondence even after March 1, 2019, according the motives explained, I just received the letter few days ago, and the response will take at least 14 commercial days to arrive to this Court.

III) The arrangements for more information of the cases to the Brazilian applicants, and explanations that I requested to the e-mail of the administrators on date to receive the money and other requests.

IV) If possible, the appointment of a lawyer free of charge in this case, since I do not know the American laws nor can I practice law in this state, and I do not know what rights I have or may require, and have no money.

V) The receipt of notices, orders and information of the cases in my new e-mail: brovitari@gmail.com.

STEPHEN B. DARR as TRUSTEE OF  
THE CHAPTER 11 ESTATES OF  
TELEXFREE,LLC  
TELEXFREE, INC. and  
TELEXFREE FINANCIAL, INC.,

Dear TelexFree Claimant,

In August 2018, you were sent a Notice of Proposed Resolution of Claim regarding the claim that you filed in the TelexFree bankruptcy case (case no. 14-40987 in the United States Bankruptcy Court for the District of Massachusetts). Pursuant to an Order of the Bankruptcy Court, you had 30 days within which to file a response, but you failed to do so.

On November 26, 2018, the Trustee filed a Notice of Claim Allowance (or Disallowance) (the "Notice") to fix the amount of your claim with the Bankruptcy Court. A copy of the Notice is included with this letter.

You are receiving this letter because the Trustee previously sent a copy of the Notice to you at the e-mail address that you provided in submitting your claim on the electronic claims portal on the [telexfreeclaims.com](http://telexfreeclaims.com) website, but Trustee has been unable to confirm your receipt of the Notice.

If you agree with the proposed claim amount as set forth in the enclosed Notice, you do not need to take any action at this time.

If you wish to dispute the proposed amount of your claim set forth in the Notice, you must do the following on or before March 1, 2019:

- File a response, in English, with the Bankruptcy Court at the following address:

United States Bankruptcy Court  
John W. McCormack Post Office and Courthouse  
Five Post Office Square  
Suite 1150  
Boston, MA 02109-3945

- Include the reason that you dispute the amount of your claim as proposed in the Notice and explain why you did not respond to the Notice of Proposed Resolution of Claim that was earlier sent to you within the thirty days allowed.
- Your response to the Court should also indicate the name of the case (TelexFree) and your claim number.
- Email a copy of your response to Stephen Darr, the TelexFree Trustee (the copy of the response for the Trustee should be sent to [ClaimResponse@telexfreeclaims.com](mailto:ClaimResponse@telexfreeclaims.com) and should include your claim number).

Thank you,

Stephen B. Darr

Good Morning.

I sent several emails to those responsible for Telexfree's claims, but I'm not getting any feedback. I am from Brazil, I do not know how to follow the process in the United States, and I have not received any notification or email. When I emailed them that I filled out two similar claims by mistake, trying to complement the first one, they said they would take care of it. Then I asked about the progress of the process and I had no answer but "I'll try to fix this on our end".

Follow full email below.

Please, I want to know how you are going to receive the refund and when I will receive the money. I need to do a surgery and this money will be very important to pay it.

Thank you very much

Olá / Hello.

Por favor traduzir do PORTUGUÊS. / Please translate for PORTUGUESE.

Sou Bruno Vinícius Andreatta Callegari, do Brasil, casos TELEXFREE (Case No. 14-40987 Case No. 14-40988-MSH Case No. 14-40989-MSH).

Criei a claim 20916 (e depois fiz por engano a claim 59027 para inserir mais informações e provas no primeiro formulário, então ficaram dois repetidos).

Feito o engano, imediatamente avisei a equipe responsável na época, a BCM Group, enviando e-mail avisando, e recebi a resposta abaixo.

Recentemente pesquisei meu nome no site Google e apareceu este PDF em anexo "THIRD NOTICE OF CLAIM DISALLOWANCE" com meu nome escrito. Fiquei em dúvida sobre o que isto significa. O que é isso?

Pode por favor me explicar como está o processo atualmente? quando irei receber meu dinheiro? eu preciso fazer alguma coisa? Eu vi que tenho prazo de 21 dias...

Muito obrigado e aguardo resposta.

Segue em anexo documentos que tenho

Também não estou mais recebendo nenhuma notícia do processo ou quando irei receber o dinheiro que paguei, último e-mail que recebi de [administrators@ggemail.com](mailto:administrators@ggemail.com) foi em 21/08/2017

Yes. I have only one account named Nuke, and U\$ 1.425,00 to receive. Can you please check if my claim is correct and erase one of them? Both are of the same thing.

I'm sorry for my bad english, i'm from another country.

What do you mean? You filed two separate claims with identical information claiming the same User Account Login?

Criei por equívoco duas solicitações para ressarcimento. Peço desculpa pelo incômodo. Tenho a receber apenas um saldo de U\$ 1.425,00. Obrigado.

Bruno Callegari.
