

the Application, Huron represented that it would file a supplement to the Application reflecting the actual amount of fees and expenses relating to the Supplemental Period for which approval is sought.

2. During the Supplemental Period, Huron expended a total of 157.1 hours in this matter for total requested compensation of \$82,370 resulting in an average hourly rate of \$524.32. As set forth in its retention application, Huron agreed to a blended hourly rate not to exceed \$550 per hour for each fee application.¹

3. The fees sought in services rendered during the Supplemental Period are supported by the exhibits attached to this application:

- (i) Exhibit A are the names, titles, hourly rates, and a summary of hours charged, and the fees incurred at Huron's regular hourly rates sought for each professional whose services are being billed;
- (ii) Exhibit B contains a summary of hours and fees billed by category;
- (iii) Exhibits C and C-1 contain a summary and detail of expense reimbursements requested by category; and
- (iv) Exhibits D-1 through D-11 contain detailed daily descriptions of services rendered by category.²

¹ As set forth in Huron's retention application, for each fee application, Huron will calculate its blended rate as total fees divided by total hours. Should that blended rate exceed \$550 per hour, Huron will reduce its requested fees by an amount sufficient to result in a \$550 per hour blended rate.

² A narrative description of the services rendered by Huron is included in the Application.

WHEREFORE, Huron respectfully moves the Court for an Order:

- (i) approving on a final basis fees in the sum of \$5,413,575.00 and reimbursement of expenses in the sum of \$25,527.50 for services rendered and expenses incurred during the Sixth and Final Application Period and the Supplemental Period;
- (ii) authorizing payment of the foregoing amounts;
- (iii) Approving as final all fees and expenses previously approved by the Court on an interim basis; and
- (iv) granting such other relief as is just and proper.

Dated: August 6, 2020

Respectfully submitted:
