Defined Terms. As used herein, capitalized terms shall have the meanings set forth below. Any term that is not otherwise defined herein, but that is used in the Bankruptcy Code or the Bankruptcy Rules, shall have the meaning given to that term in the Bankruptcy Code or the Bankruptcy Rules, as applicable.

which it and the Debtors may agree in writing or as otherwise provided under a Final Order; *provided, however*, that under no circumstance may the Debtor agree to provide any other Distribution or treatment to any Holder of an Allowed Claim that would adversely affect the Distribution or treatment provided to any other Holder of an Allowed Claim.

3.11 *Special Provision Regarding Unimpaired Claims.* Except as otherwise provided in this Plan, nothing shall affect the Debtors' rights and defenses, both legal and equitable, with respect to any Unimpaired Claims, including but not limited to all rights with respect to legal and equitable defenses to setoffs against or recoupments of Unimpaired Claims.

#### **ARTICLE IV ACCEPTANCE OR REJECTION OF THIS PLAN**

4.1 *Acceptance by Class Entitled to Vote.* Classes 2, 3, 4, 5, 6, 7, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 29, and 30 are the Classes of Claims of the Debtors that are entitled to vote to accept or reject this Plan. Classes 2, 3, 4, 5, 6, 7, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 29, and 30 shall have accepted this Plan if (a) the Holders of at least two-thirds in amount of the Allowed Claims actually voting in each Class have voted to accept this Plan and (b) the Holders of more than one-half in number of the Allowed Claims actually voting in each Class have voted to accept this Plan, not counting the vote of any Holder designated under section 1126(e) of the Bankruptcy Code. If there are no votes cast in a particular Class that is entitled to vote on this Plan, then this Plan shall be deemed accepted by such Class.

4.2 *Presumed Acceptance of This Plan.* Classes 1, 8, 9, and 10 are Unimpaired. Therefore, such Classes are deemed to have accepted this Plan by operation of law and are not entitled to vote to accept or reject the Plan.

4.3 *Presumed Rejection of This Plan.* Classes 11, 12, 27, 28, 31, 32 and 33 are Impaired and will receive no Distribution under this Plan. Therefore, such Classes are deemed to have rejected this Plan by operation of law and are not entitled to vote to accept or reject this Plan.

4.4 *Elimination of Classes.* To the extent applicable, any Class that does not contain any Allowed Claims or any Claims temporarily allowed for voting purposes under Bankruptcy Rule 3018, as of the date of the commencement of the Confirmation Hearing, shall be deemed to have been deleted from this Plan for purposes of (a) voting to accept or reject this Plan and (b) determining whether it has accepted or rejected this Plan under section 1129(a)(8) of the Bankruptcy Code.

4.5 *Cramdown.* The Debtors request Confirmation of this Plan, as it may be modified from time to time, under section 1129(b) of the Bankruptcy Code. The Debtors reserve the right to modify this Plan to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification.

**ARTICLE V**  
**MEANS FOR IMPLEMENTATION OF THIS PLAN**

The Plan is a joint chapter 11 plan for each of the Debtors, with the chapter 11 plan for each Debtor being non-severable and mutually dependent on the chapter 11 plan for each other Debtor.

5.1 *Plan Administrator.*

(a) *Appointment.* The Plan Administrator shall be appointed and approved as set forth in the Plan Supplement.

(b) *Authority.* The Plan Administrator shall have the authority and right on behalf of each of the Debtors, without the need for Bankruptcy Court approval (unless otherwise indicated in this Plan), to carry out and implement all provisions of this Plan, including, without limitation, to:

(i) except to the extent Claims have been previously Allowed, control and effectuate the Claims reconciliation process, including to object to, seek to subordinate, compromise, or settle any and all Claims against the Debtors;

(ii) make Distributions to Holders of Allowed Claims in accordance with this Plan;

(iii) exercise his reasonable business judgment to direct and control the wind down, liquidation, sale (including, for the avoidance of doubt, completion of the sales of any Offshore Vessels or Oceangoing Vessels, as the case may be), and/or abandoning of the remaining assets of the Debtors under this Plan, and in accordance with applicable law as necessary to maximize Distributions to Holders of Allowed Claims;

(iv) prosecute all Causes of Action on behalf of the Debtors, elect not to pursue any Causes of Action, and determine whether and when to compromise, settle, abandon, dismiss, or otherwise dispose of any such Causes of Action, as the Plan Administrator may determine is in the best interests of the Debtors and/or Post-Effective Toisa;

(v) make payments of reasonable and documented fees and expenses of existing professionals who will continue to perform in their current capacities;

(vi) retain professionals to assist in performing its duties under this Plan;

(vii) maintain the books and records and accounts of the Debtors and Post-Effective Toisa;

(viii) invest Cash of the Debtors and Post-Effective Toisa, including any Cash proceeds realized from the liquidation of any assets of the Debtors and Post-Effective Toisa, including any Causes of Action, and any income earned thereon;

(ix) incur and pay reasonable, documented and necessary expenses in connection with the performance of duties under this Plan;

(x) administer each Debtor's and Post-Effective Toisa's tax obligations, including (i) filing tax returns and paying tax obligations, (ii) requesting, if necessary, an expedited determination of any unpaid tax liability of each Debtor or its estate under section 505(b) of the Bankruptcy Code for all taxable periods of such Debtor ending after the Commencement Date through the liquidation of such Debtor as determined under applicable tax laws, and (iii) representing the interest and account of each Debtor or its estate and Post-Effective Toisa before any taxing authority in all matters including, without limitation, any action, suit, proceeding, or audit;

(xi) prepare and file any and all informational returns, reports, statements, or disclosures relating to the Debtors and Post-Effective Toisa that are required hereunder, by any Governmental Unit or applicable law;

(xii) determine whether to create a liquidating trust for the assets of a Debtor and which assets to transfer to such liquidating trust;

(xiii) pay statutory fees in accordance with Section 12.1 of this Plan; and

(xiv) perform other duties and functions that are consistent with the implementation of this Plan.

(c) *Indemnification.* Each of the Debtors shall indemnify and hold harmless the Plan Administrator for any losses incurred in such capacity, except to the extent such losses were the result of the Plan Administrator's gross negligence, willful misconduct, or criminal conduct.

(d) *Procedures.* The procedures governing the compensation, term, and reporting and oversight of the Plan Administrator will be set forth in the Plan Supplement.

5.2 *Merger of Debtors; Closing Cases of Debtor Affiliates.* On the Effective Date: (i) all of the Debtors shall be merged into Toisa and the Plan Administrator may dissolve such Debtors other than Post-Effective Toisa and complete the winding up of such Debtors without the necessity for any other or further actions to

be taken by or on behalf of such dissolving Debtor or its shareholder or any payments to be made in connection therewith, other than the filing of a certificate of dissolution with the appropriate governmental authorities; (ii) all assets of the Debtors shall be transferred to Toisa, and all claims filed or scheduled in the affiliated Debtors' cases shall be deemed to have been filed in the Chapter 11 Case of Toisa; and (iii) the Chapter 11 Cases of each Debtor other than Toisa shall be closed. In the discretion of Post-Effective Toisa, after the Effective Date, Toisa may engage in any other transaction in furtherance of this Plan. Such transactions will include the wind down of Post-Effective Toisa in accordance with applicable law. Any such transactions may be effective as of the Effective Date pursuant to the Confirmation Order without any further action by the stockholders, members, general or limited partners, or directors of any of the Debtors.

5.3 ***Corporate Action.*** Upon the Effective Date, by virtue of entry of the Confirmation Order, all actions contemplated by this Plan (including any action to be undertaken by the Plan Administrator) shall be deemed authorized, approved, and, to the extent taken prior to the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, the Debtors, or any other Entity or Person. All matters provided for in this Plan involving the corporate structure of the Debtors, and any corporate action required by the Debtors in connection therewith, shall be deemed to have occurred and shall be in effect, without any requirement of further action by the Debtors or the Estates and ratified in all respects without any requirement of further action by shareholders, members, creditors, directors, or managers of the Debtors.

5.4 ***Withholding and Reporting Requirements.*** In connection with this Plan, any party issuing any instrument or making any distribution described in this Plan shall comply with all applicable withholding and reporting requirements imposed by any federal, state, local, or non-U.S. taxing authority, and all Distributions pursuant to this Plan and all related agreements shall be subject to any such withholding or reporting requirements. Notwithstanding the foregoing, each Holder of an Allowed Claim or any other Person that receives a Distribution pursuant to this Plan shall have responsibility for any taxes imposed by any Governmental Unit, including, without limitation, income, withholding, and other taxes, on account of such Distribution. Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for U.S. federal income tax purposes) and then, to the extent the Distribution exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest. Any party issuing any instrument or making any distribution pursuant to this Plan has the right, but not the obligation, to not make a distribution until such Holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations. Any party entitled to receive any property as an issuance or Distribution under this Plan shall, upon request, deliver to the Plan Administrator or such other Person designated by the Plan Administrator (which entity shall subsequently deliver to the Plan Administrator any applicable IRS Form W-8 or Form W-9 received) an appropriate Form W-9 or (if the payee is a foreign Person) Form W-8, unless such Person is exempt under the tax code and so notifies the Plan Administrator. If such request is made by the Plan Administrator or such other Person designated by the Plan Administrator and the Holder fails to comply before the date that is 180 days after the request is made, the

amount of such Distribution shall irrevocably revert to the Debtors and any Claim in respect of such Distribution shall be discharged and forever barred from assertion against any Debtor and its respective property.

5.5 *Exemption from Certain Transfer Taxes.* To the maximum extent provided by section 1146(a) of the Bankruptcy Code, any Post-Effective sale by any Debtor, or any transfer from any Entity pursuant to, in contemplation of, or in connection with this Plan or pursuant to: (1) the issuance, distribution, transfer, or exchange of any debt, equity security, or other interest in the Debtors; or (2) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, this Plan, including any deeds, bills of sale, assignments, or other instruments of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to this Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, or other similar tax or governmental assessment, in each case to the extent permitted by applicable bankruptcy law, and the appropriate state or local government officials or agents shall forego collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

5.6 *Preservation of Retained Actions.* Other than Causes of Action against an Entity that are waived, relinquished, exculpated, released, compromised, or settled in this Plan or by a Bankruptcy Court order, the Debtors reserve any and all Causes of Action. On and after the Effective Date, the Plan Administrator may pursue such Causes of Action in its sole discretion. No Entity may rely on the absence of a specific reference in this Plan or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Plan Administrator will not pursue any and all available Causes of Action against them. No preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation. Prior to the Effective Date, the Debtors, and on and after the Effective Date, the Plan Administrator shall retain and shall have, including through its authorized agents or representatives, the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. Notwithstanding anything contained herein to the contrary, the settlement of any Claims and Causes of Action which are expressly to be settled by Confirmation of this Plan itself shall be resolved only by Confirmation of this Plan itself. After the Chapter 11 Case of Debtors has been fully administered, the Plan Administrator shall seek authority from the Bankruptcy Court to close such Chapter 11 Case in accordance with the Bankruptcy Code and the Bankruptcy Rules. For the avoidance of doubt, Causes of Action against the Shareholder are waived and released in accordance with and subject to the limitations in the Shareholder Release as set forth in 10.4(d) of this Plan.

5.7 ***Provisions of Cash Collateral Orders Binding.*** The provisions of the Cash Collateral Orders (including the Debtors' stipulations, admissions, and releases) are hereby binding upon the Debtors, the Creditors' Committee, Post-Effective Toisa, the Plan Administrator, and all other parties in interest for all purposes.

5.8 ***Sources of Cash for Distributions and Operations.*** Post-Effective Toisa shall make the payments required by this Plan for Post-Effective Date operations from the reserves established per this Plan.

5.9 ***New Board of Post-Effective Toisa.*** The members of the Board of Post-Effective Toisa shall be identified in the Plan Supplement.

5.10 ***Effectuating Documents; Further Transactions.*** Each of the Debtors and Post-Effective Toisa, and their respective officers and designees, is authorized to execute, deliver, file, or record such contracts, instruments, releases, indentures, and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of this Plan, or to otherwise comply with applicable law.

5.11 ***Further Authorization.*** The Debtors and Post-Effective Toisa shall be entitled to seek such orders, judgments, injunctions, and rulings as they deem necessary to carry out the intentions and purposes, and to give full effect to the provisions, of this Plan.

5.12 ***Cancellation of Existing Securities and Agreements.*** Except as provided in this Plan or in the Confirmation Order, on the Effective Date, all notes, stock, instruments, certificates, agreements, side letters, fee letters, and other documents evidencing or giving rise to Claims and Interests in the Debtors shall be cancelled, and the obligations of the Debtors thereunder or in any way related thereto shall be fully released, terminated, extinguished, and discharged, in each case without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or any requirement of further action, vote, or other approval or authorization by any Person. The Holders of or parties to such notes, stock, instruments, certificates, agreements, side letters, fee letters, and other documents shall have no rights arising from or relating to such notes, stock, instruments, certificates, agreements, side letters, fee letters, and other documents or the cancellation thereof, except the rights provided pursuant to this Plan and the Confirmation Order.

## **ARTICLE VI PROVISIONS GOVERNING DISTRIBUTIONS**

6.1 ***Distribution Record Date.*** As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtors or their respective agents, shall be deemed closed, and there shall be no further changes in the record of Holders of any of the Claims or Interests. The Debtors and Post-Effective Toisa shall have no obligation to recognize any transfer of the Claims or Interests occurring on or after the Distribution Record Date.

6.2 ***Allowed Claims.*** Notwithstanding any provision herein to the contrary, the Debtors or Post-Effective Toisa shall make Distributions only to Holders of Allowed Claims. A Holder of a Disputed Claim shall receive a Distribution on account thereof only when and to the extent that such Holder's Disputed Claim becomes an Allowed Claim.

6.3 ***Distributions for Claims Allowed as of the Effective Date.*** Except as otherwise provided under this Plan or as ordered by the Bankruptcy Court, Distributions to be made on account of Claims that are Allowed Claims as of the Effective Date shall be made on the Effective Date or as soon thereafter as is reasonably practicable. Any Distribution to be made on the Effective Date pursuant to this Plan shall be deemed as having been made on the Effective Date if such Distribution is made on the Effective Date or as soon thereafter as is reasonably practicable. Any payment or Distribution required to be made under this Plan on a day other than a Business Day shall be made on the next succeeding Business Day.

6.4 ***Interest and Penalties on Claims.*** Unless otherwise specifically provided for in this Plan or the Confirmation Order, or required by applicable bankruptcy law, postpetition interest and penalties shall not accrue or be paid on any Claim, and no Holder of a Claim shall be entitled to interest and penalties accruing on or after the Petition Date through the date such Claim is satisfied in accordance with the terms of this Plan.

6.5 ***Delivery of Distributions.*** In the event that any Distribution to any Holder is returned as undeliverable, no Distribution to such Holder shall be made unless and until the Debtors or Post-Effective Toisa, as applicable, has determined the then current address of such Holder, at which time such Distribution shall be made to such Holder without interest; *provided, however,* such Distribution shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six (6) months from the date the such Distribution is made. After such date, all unclaimed property or interests in property shall revert (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary) to Post-Effective Toisa automatically and without need for a further order by the Bankruptcy Court for distribution in accordance with this Plan and the Claim of any such Holder to such property or interest in property shall be released, settled, compromised, and forever barred.

6.6 ***Manner of Payment Under Plan.*** At the option of the Debtors or Post-Effective Toisa, any Cash payment to be made hereunder may be made by a check or wire transfer.

6.7 ***General Unsecured Claims Distribution Reserve.*** On or as reasonably practicable after the Effective Date, the Debtors or Post-Effective Toisa shall establish and fund the General Unsecured Claims Distribution Reserve which shall be an account separate and apart from the Debtors' general operating funds to be maintained in trust for the benefit of Holders of Allowed Class 29 General Unsecured Claims and funded in the amount of not less than \$500,000. Distributions from the General Unsecured Claims Distribution Reserve to Holders of Allowed Class 29

General Unsecured Claims shall be made in accordance with the provisions governing Distributions set forth in Article VII.

6.8 **Minimum Cash Distributions.** If either (a) all Allowed Claims have been paid in full or (b) the aggregate amount of Cash available for Distributions to Holders of Allowed Claims is less than \$1,000, then no further Distribution shall be made by the Plan Administrator, and the Plan Administrator can elect to give funds to a charity selected by the board of Post-Effective Toisa.

6.9 **Setoffs.** The Debtors and Post-Effective Toisa may, but shall not be required to, set off against any Claims of any nature whatsoever that the Debtors or Post-Effective Toisa may have against the Holder of a Claim; *provided* that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors or Post-Effective Toisa of any Claim the Debtors or Post-Effective Toisa may have against the Holder of such Claim.

6.10 **Payment of Disputed Claims.** As Disputed Claims are resolved pursuant to Section 7 herein, the Debtors or Post-Effective Toisa shall make Distributions on account of such Disputed Claims as if such Disputed Claims were Allowed Claims as of the Effective Date. Such Distributions shall be made on the first Distribution Date that is at least forty-five (45) days after the date on which a Disputed Claim becomes an Allowed Claim, or on an earlier date selected by the Debtors or Post-Effective Toisa in the Debtors' or Post-Effective Toisa's sole discretion.

## ARTICLE VII PROCEDURES FOR DISPUTED CLAIMS

7.1 **Allowance of Claims.** After the Effective Date, the Debtors or Post-Effective Toisa shall have and shall retain any and all rights and defenses that the Debtors had with respect to any Claims, except with respect to any Claim deemed Allowed under this Plan or as otherwise Allowed in a Final Order of the Bankruptcy Court. Except as expressly provided in this Plan or in any order entered in these Chapter 11 Cases prior to the Effective Date (including, without limitation, the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under this Plan or the Bankruptcy Court has entered a Final Order, including, without limitation, the Confirmation Order, in these Chapter 11 Cases allowing such Claim.

7.2 **Objections to Claims.** As of the Effective Date, objections to, and requests for estimation of, Claims against the Debtors may be interposed and prosecuted only by the Debtors or Post-Effective Toisa. Such objections and requests for estimation shall be served and filed (a) on or before the 90th day following the later of (i) the Effective Date and (ii) the date that a proof of Claim is filed or amended or a Claim is otherwise asserted or amended in writing by or on behalf of a Holder of such Claim, or (b) such later date as ordered by the Bankruptcy Court upon a motion filed by the Debtors or Post-Effective Toisa.

7.3 **Estimation of Claims.** The Debtors or Post-Effective Toisa may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or

Disputed Claim pursuant to section 502(c) of the Bankruptcy Code, regardless of whether the Debtors or Post-Effective Toisa previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Debtors or Post-Effective Toisa, as applicable, may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

7.4 ***Establishment of Reserve Account.*** The Debtors or Post-Effective Toisa shall reserve an amount sufficient to pay Holders of Disputed Claims the amount such Holders would be entitled to receive under this Plan if such Claims were to become Allowed Claims (the “Claims Reserve Account”). In the event the Holders of Allowed Claims have not received payment in full on account of their Claims after the resolution of all Disputed Claims, then the Debtors or Post-Effective Toisa shall make a final Distribution to all Holders of Allowed Claims or if all Allowed Claims have been paid in full, the balance of the Claims Reserve Account shall be returned to Post-Effective Toisa. Notwithstanding anything to the contrary in the Plan, no Holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Distribution in excess of the Allowed amount of such Claim plus any interest, if any, accruing on such Claim that is actually payable in accordance with this Plan.

7.5 ***No Distributions Pending Allowance.*** If an objection to a Claim is filed as set forth in this Article VII, no payment or Distribution provided under this Plan shall be made on account of such Claim unless and until such Disputed Claim becomes an Allowed Claim.

7.6 ***Resolution of Claims.*** Except as otherwise provided herein, or in any contract, instrument, release, indenture, or other agreement or document entered into in connection with this Plan, in accordance with section 1123(b) of the Bankruptcy Code, the Debtors or Post-Effective Toisa shall retain and may enforce, sue on, settle, or compromise (or decline to do any of the foregoing) all Claims, Disputed Claims, rights, Causes of Action, suits and proceedings, whether in law or in equity, whether known or unknown, that the Debtors or their estates may hold against any Person, without the approval of the Bankruptcy Court, the Confirmation Order, and any contract, instrument, release, indenture, or other agreement entered into in connection herewith. The Debtors or Post-Effective Toisa or their successors may pursue such retained Claims, rights, Causes of Action, suits or proceedings, as appropriate, in accordance with the best interests of the Debtors.

7.7 ***Disallowed Claims.*** All Claims held by persons or entities against whom or which any of the Debtors or Post-Effective Toisa has commenced a

proceeding asserting a Cause of Action under sections 542, 543, 544, 545, 547, 548, 549, or 550 of the Bankruptcy Code shall be deemed “disallowed” Claims pursuant to section 502(d) of the Bankruptcy Code and Holders of such Claims shall not be entitled to vote to accept or reject this Plan. Claims that are deemed disallowed pursuant to this section shall continue to be disallowed for all purposes until the Cause of Action under sections 542, 543, 544, 545, 547, 548, 549, or 550 of the Bankruptcy Code against such party has been settled or resolved by Final Order and any sums due to the Debtors or Post-Effective Toisa from such party have been paid.

## **ARTICLE VIII TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

8.1 *Rejection of Executory Contracts and Unexpired Leases.* Except as otherwise provided in this Plan, all Executory Contracts and Unexpired Leases of the Debtors shall be deemed rejected in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, unless such Executory Contract or Unexpired Lease (a) has previously been assumed or assigned by order of the Bankruptcy Court in effect as of the Effective Date (which order may be the Confirmation Order); (b) is the subject of a motion to assume or assign filed on or before the Effective Date with the consent of the Informal Committee; (c) is identified as an Executory Contract or Unexpired Lease to be assumed or assigned pursuant to the Plan Supplement before the Effective Date; or (d) has expired or terminated pursuant to its own terms.

Unless otherwise provided by an order of the Bankruptcy Court, any Proofs of Claim based on the rejection of the Debtors’ Executory Contracts or Unexpired Leases pursuant to this Plan or otherwise, must be filed with Bankruptcy Court and served on the Debtors or the Plan Administrator, as applicable, no later than fourteen (14) days after the earlier of the Effective Date or the effective date of rejection of such Executory Contract or Unexpired Lease. In addition, any objection to the rejection of an Executory Contract or Unexpired Lease must be filed with the Bankruptcy Court and served on the Debtors or the Plan Administrator, as applicable, no later than fourteen (14) days after service of the Debtors’ proposed rejection of such Executory Contract or Unexpired Lease.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Plan Administrator, the Estates, Post-Effective Toisa, or the property of any of the foregoing without the need for any objection by the Debtors or the Plan Administrator, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully compromised, settled, and released, notwithstanding anything in the Schedules or a Proof of Claim to the contrary. All Allowed Claims arising from the rejection of the Debtors’ prepetition Executory Contracts or prepetition Unexpired Leases shall be classified as General Unsecured Claims, except as otherwise provided by order of the Bankruptcy Court.

8.2 ***D&O Liability Insurance Policies.*** As of the Effective Date, the D&O Liability Insurance Policies shall be treated as if they were Executory Contracts that are assumed under this Plan. Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Debtors' foregoing assumption of each of the D&O Liability Insurance Policies. Notwithstanding anything to the contrary contained in this Plan, Confirmation of this Plan shall not discharge, impair, or otherwise modify any indemnity obligations for the Reconstituted Toisa Board or persons to be employed by Post-Effective Toisa assumed by the foregoing assumption of the D&O Liability Insurance Policies, and each such indemnity obligation shall be deemed and treated as an Executory Contract that has been assumed by the Debtors under this Plan as to which no Proof of Claim need be filed.

8.3 ***Insurance Policies.*** As of the Effective Date, the provisions of this Plan shall not diminish or impair in any manner the enforceability of coverage of any existing, paid for, insurance policies (and any agreements, documents, or instruments relating thereto) that may cover Claims against the Debtors, any directors, trustees, or officers of the Debtors, or any other Person.

8.4 ***Cure of Defaults Under Assumed Contracts.*** Post-Effective Toisa shall cure any monetary defaults under any Executory Contract and Unexpired Lease to be assumed (or assumed and assigned) pursuant to this Plan with the consent of the Informal Committee or as provided previously by the Bankruptcy Court in a Final Order by paying to the non-Debtor counterparty the full amount of any monetary default in the ordinary course of business. Accordingly, no party to an assumed contract (or assumed and assigned contract) need file any cure claim and the Debtors need not file any lists of any proposed cure claims with the Bankruptcy Court. Notwithstanding the foregoing, Post-Effective Toisa and counter-parties to assumed contracts (or assumed and assigned contracts) reserve all their rights in the event of a dispute over the amount of a cure claim. If there is any such dispute that cannot be resolved consensually, then either party must file with the Bankruptcy Court a request for allowance and payment of such cure claim within seventy-five (75) days from the Effective Date. Additionally, the Debtors or Post-Effective Toisa shall be authorized to reject any Executory Contract or Unexpired Lease to the extent that, in the exercise of sound business judgment, either concludes that the amount of the cure claim as determined by the Bankruptcy Court renders assumption of such Executory Contract or Unexpired Lease unfavorable to the Debtors or Post-Effective Toisa.

8.5 ***Reservation of Rights.*** Neither the exclusion nor inclusion of any contract or lease, nor anything contained in this Plan, shall constitute an admission by the Debtors or Post-Effective Toisa that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Estates have any liability thereunder. In the event of a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Plan Administrator, as applicable, shall have 60 (sixty) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease as otherwise provided in this Plan.

**ARTICLE IX**  
**CONDITIONS PRECEDENT TO THE CONFIRMATION AND EFFECTIVE DATES**

9.1 *Conditions Precedent to the Confirmation Date.* The following are conditions precedent to the occurrence of the Confirmation Date:

a. the Bankruptcy Court shall have entered an order in form and substance reasonably acceptable to the Informal Committee approving the Disclosure Statement with respect to the Plan as containing adequate information within the meaning of section 1125 of the Bankruptcy Code;

The following are conditions precedent to the occurrence of the Effective Date, each of which must be satisfied or waived by the Debtors in accordance with the terms hereof:

a. the Bankruptcy Court shall have entered the Confirmation Order in form and substance reasonably acceptable to the Informal Committee and shall, among other things, provide that the Debtors and Post-Effective Toisa are authorized to take all actions necessary or appropriate to enter into, implement, and consummate the agreements and documents created in connection with this Plan;

e. all actions, documents, and agreements necessary to implement and consummate this Plan and the transactions and other matters contemplated thereby shall have been effected or executed;

f. all governmental and third party approvals and consents, including Bankruptcy Court approval, necessary in connection with the transactions contemplated by this Plan shall have been obtained, not be subject to unfulfilled

conditions, and be in full force and effect, and all applicable waiting periods shall have expired without any action being taken or threatened by any competent authority that would restrain, prevent, or otherwise impose materially adverse conditions on such transactions; and

g. the Confirmation Order shall have become a Final Order.

9.3 *Waiver of Conditions Precedent.* Each of the conditions precedent in Section 9.2 may be waived in writing by the Debtors with the consent of the Informal Committee without further order of the Bankruptcy Court.

9.4 *Effect of Failure of Conditions to Effective Date.* Unless otherwise extended by the Debtors, if the Effective Date does not occur or if the Confirmation Order is vacated, (a) no Distributions under this Plan shall be made, (b) the Debtors and all Holders of Claims and Interests shall be restored to the status quo ante as of the day immediately preceding the Confirmation Date as though the Confirmation Date never occurred, and (c) all the Debtors' obligations with respect to the Claims and the Interests shall remain unchanged and nothing contained herein shall be deemed to constitute a waiver or release of any Claims by or against the Debtors or any other entity or to prejudice in any manner the rights of the Debtors or any other entity in any further proceedings involving the Debtors or otherwise.

## ARTICLE X EFFECT OF PLAN CONFIRMATION

10.1 *Binding Effect.* Following the Effective Date, this Plan shall be binding upon and inure to the benefit of the Debtors, their Estates, all present and former Holders of Claims and Interests whether or not such Holders voted in favor of this Plan, and their respective successors and assigns. Confirmation of this Plan does not provide the Debtors with a discharge under section 1141 of the Bankruptcy Code because this Plan is a liquidating chapter 11 plan. Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code and subject to the occurrence of the Effective Date, on and after the Effective Date, the provisions of this Plan shall bind any Holder of a Claim against, or Interest in, the Debtors and such Holder's respective successors and assigns, whether or not the Claim or Interest of such Holder is Impaired under this Plan and whether or not such Holder has accepted this Plan.

10.2 *Revesting of Assets.* Except as otherwise explicitly provided in this Plan, on the Effective Date, all property comprising the Estates (including Retained Actions, but excluding property that has been abandoned pursuant to an order of the Bankruptcy Court) shall revert in Post-Effective Toisa, free and clear of all Claims, Liens, charges, encumbrances, rights, and Interests of creditors and equity security Holders. As of the Effective Date, the Debtors or Post-Effective Toisa may operate their businesses and use, acquire, and dispose of their property without supervision of the Bankruptcy Court, and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed by this Plan or the Confirmation Order.

10.3 *Compromise and Settlement of Claims, Interests, and Controversies.* This Plan provides for an allocation of the assets between Holders of Allowed Existing SPV Secured Tanker Claims, Existing SPV Oversecured Claims, Secured Lenders' SPV Deficiency Claims, Existing DVB Guarantee Claim, Toisa Credit Facility Claims, Newbuild Tanker Credit Facility Secured Claims, Secured Lenders' Toisa GUCs, T&T General Unsecured Claims, and Class 29 General Unsecured Claims for Distribution purposes. The amount of Distributions that are subject to the allocation in the Plan reflects the joint determination by the Debtors, Creditors' Committee, and the Secured Lenders that there are risks to both sides if the legal and factual issues between them are fully litigated. To avoid those risks, a compromise on those issues is appropriate and in the best interest of all economic stakeholders.

Pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the Distributions and other benefits provided pursuant to this Plan, the provisions of this Plan shall constitute a good faith compromise of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any Distribution to be made on account of such Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. In accordance with the provisions of this Plan, pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019(a), without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, Post-Effective Toisa may compromise and settle Claims against or Interests in them and Causes of Action against other Persons.

#### 10.4 *Releases and Related Matters.*

##### a. Releases by the Debtors

Pursuant to section 1123(b) of the Bankruptcy Code and to the extent allowed by applicable law, and except as otherwise specifically provided in this Plan or the Confirmation Order, for good and valuable consideration, including the service of the Released Parties to facilitate the reorganization efforts or liquidation of the Debtors and the implementation of the Plan, on and after the Effective Date, the Released Parties and [the Management Company Released Parties<sup>4</sup>] are deemed released by the Debtors, Post-Effective Toisa, and the Estates from any and all Claims [(except for Claims of the Debtors against the Management Company Released Parties that are expressly preserved by a stipulation or other agreement in effect as of Confirmation of the Plan)], Interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative claims asserted or assertable on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or otherwise, that the Debtors, Post-Effective Toisa, or the Estates

have asserted or would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the Plan Supplement, or the business or contractual arrangements between any Debtor, Estate or non-Debtor Affiliate, any Released Party or Post-Effective Toisa, the reconciliation of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation or preparation of this Plan, the Disclosure Statement, the Plan Supplement, or related agreements, instruments, or other documents, or any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Effective Date; *provided, however* that nothing in this Section 10.4(a) shall be construed to release any party or entity from gross negligence, intentional fraud, willful misconduct, or criminal conduct, as determined by a Final Order of a court of competent jurisdiction.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtors' release, which includes by reference each of the related provisions and definitions contained in this Plan, and, further, shall constitute the Bankruptcy Court's finding that the release is: (1) in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (2) a good-faith settlement and compromise of the Claims released by the release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the releasing parties asserting any Claim released pursuant to the releases by the Debtors.

b. Third-Party Releases by Holders of Claims or Interests

Except as otherwise provided in this Plan or the Confirmation Order, as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including the service of, and contributions by, the Released Parties to facilitate and implement this Plan, including all of the transactions contemplated hereunder and as an integral component of the Plan, each Releasing Party, to the fullest extent permissible under applicable law, as such law may be extended or interpreted subsequent to the Effective Date, shall expressly, conclusively, absolutely, unconditionally, irrevocably, generally, individually and collectively, forever release, acquit and discharge the Debtors, Post-Effective Toisa, the Estates, the Released Parties, and the [Management Company Released Parties] from any and all Claims [(except for Claims of the Debtors against the Management Company Released Parties that are expressly preserved by a stipulation or other agreement in effect as of Confirmation of the Plan)], Interests, obligations, rights, demands, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims asserted or assertable on behalf of a Debtor, any Claim or Causes of Action asserted or assertable on behalf of any Holder of any Claim against or Interest in the Debtors and any Claims or Causes of Action asserted or assertable on behalf of any other entity, whether known or unknown, matured or unmatured, foreseen or unforeseen, existing or hereafter arising, in law, equity, contract, tort or otherwise, by statute or otherwise, that such Person or Persons (whether individually or collectively), ever had, now has or hereafter

can, shall, or may have, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring or liquidation efforts, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan or the Plan Supplement, the business or contractual arrangements between any Debtor, Estate or non-Debtor Affiliate, Post-Effective Toisa and any Released Party, the reconciliation of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, or preparation of this Plan, the Disclosure Statement, the Plan Supplement, or related agreements, instruments, or other documents, or any other act or omission, transaction, agreement, event or other occurrence including or pertaining to the Debtors and taking place on or before the Effective Date; *provided, however*, that nothing in this Section 10.4(b) shall be construed to release any party or entity from gross negligence, intentional fraud, willful misconduct, or criminal conduct, as determined by a Final Order of a court of competent jurisdiction; *provided further, however*, that this Section 10.4(b) shall not release the Debtors, Post-Effective Toisa, the Estates, or the Released Parties from any Cause of Action held by a governmental entity existing as of the Effective Date based on (i) the Internal Revenue Code or other domestic state, city, or municipal tax code, (ii) the environmental laws of the United States or any domestic state, city, or municipality, (iii) any criminal laws of the United States or any domestic state, city, or municipality, (iv) the Securities and Exchange Act of 1934 (as now in effect or hereafter amended), the Securities Act, or other securities laws of the United States or any domestic state, city, or municipality, (v) the Employee Retirement Income Security Act of 1974, as amended, or (vi) the laws and regulations of the Bureau of Customs and Border Protection of the United States Department of Homeland Security.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of this third party release in Section 10.4(b) of the Plan, which includes by reference each of the related provisions and definitions contained in this Plan, and, further, shall constitute the Bankruptcy Court's finding that this third party release is: (1) in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (2) a good-faith settlement and compromise of the claims released by the third party release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the releasing parties asserting any claim released pursuant to the third party release.

c. [Third-Party Releases by the Management Companies]

As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including the service of, and contributions by, the Management Company Released Parties to facilitate and implement this Plan, including all of the transactions contemplated hereunder and as an integral component of the Plan, each Management Company Released Party, to the fullest extent permissible under applicable law, as such law may be extended or interpreted subsequent to the Effective Date, shall expressly, conclusively, absolutely, unconditionally, irrevocably, generally, individually and collectively, forever release, acquit and discharge the Debtors, Post-Effective Toisa, the Estates, and the Released

Parties from any and all Claims, Administrative Claims, Interests, obligations, rights, demands, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims asserted or assertable on behalf of a Debtor, any Claim or Causes of Action asserted or assertable on behalf of the Management Company Released Parties, whether known or unknown, matured or unmatured, foreseen or unforeseen, existing or hereafter arising, in law, equity, contract, tort or otherwise, by statute or otherwise, that such Person or Persons (whether individually or collectively), ever had, now has or hereafter can, shall, or may have, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring or liquidation efforts, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan or the Plan Supplement, the business or contractual arrangements between any Debtor, Estate, or non-Debtor Affiliate, Post-Effective Toisa and any Management Company Released Party, the reconciliation of Claims and Interests before or during the Chapter 11 Cases, the negotiation, formulation, or preparation of this Plan, the Disclosure Statement, the Plan Supplement, or related agreements, instruments, or other documents, or any other act or omission, transaction, agreement, event, or other occurrence including or pertaining to the Debtors and taking place on or before the Effective Date; *provided, however,* that nothing in this Section 10.4(b) shall be construed to release any party or entity from gross negligence, intentional fraud, willful misconduct, or criminal conduct, as determined by a Final Order of a court of competent jurisdiction.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of this third party release in Section 10.4(c) of the Plan, which includes by reference each of the related provisions and definitions contained in this Plan, and, further, shall constitute the Bankruptcy Court's finding that this third party release is: (1) in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (2) a good-faith settlement and compromise of the claims released by the third party release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the releasing parties asserting any claim released pursuant to the third party release.]

#### d. Release of Shareholder

Pursuant to the term sheet (the "Term Sheet"), which was approved by the Bankruptcy Court on January 22, 2018 pursuant to Bankruptcy Rule 9019 [Dkt. No. 457], the Debtors, the members of the Informal Committee, and the Creditors' Committee agreed that the Shareholder would be granted a release in the Plan in exchange and consideration (a) for the Shareholder's agreement to facilitate (i) corporate governance changes at the Debtors and (ii) the settlement, collection, and recovery of funds on account of vessel construction contracts or account receivables, and (b) for his reasonable cooperation with and assistance of Toisa's Chief Restructuring Officer through the effective date of a Chapter 11 plan, as follows (the "Shareholder Release"):

In exchange and consideration for the Shareholder's agreement to facilitate the expeditious reorganization or liquidation of the Debtors in the Chapter 11 Cases and provide other non-monetary contributions, cooperation, and support, effective on and after the Effective Date, the Debtors, the Informal Committee and the individual lender members thereon, and the Creditors' Committee, to the fullest extent permissible under applicable law, shall conclusively, absolutely, unconditionally, irrevocably, and forever release and discharge the Shareholder from any and all Causes of Action, including any derivative Causes of Action asserted or capable of assertion directly or on behalf of a Debtor or any other Person, that such Person would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' liquidation, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in a plan of reorganization or liquidation in the Chapter 11 Cases, any Cause of Action, the business or contractual arrangements (including, but not limited to, agreements with any of the Management Companies) between any Debtor, Post-Effective Toisa (as applicable), or Estate and the Shareholder, the reconciliation of Claims and Interests before or during the Chapter 11 Cases, including, but not limited to, the negotiation, formulation, or preparation of any plan of reorganization or liquidation in the Chapter 11 Cases, including any supplements or a disclosure statement related thereto or any other related agreements, instruments, or other documents, or any other act or omission, transaction, agreement, event, or other occurrence pertaining to the Debtors and taking place on or before the Effective Date; *provided, however*, that nothing contained herein shall release the Shareholder from any Causes of Action arising from or related to any act or omission that constitutes gross negligence, fraud, willful misconduct, or criminal conduct, and any and all such Causes of Action are expressly preserved; *provided further, however*, that solely with respect to the dividends paid (either directly or indirectly) to the Shareholder by Toisa Limited on or about May 31, 2016, in an amount totaling \$20,000,000 (the "Dividends"), the Debtors, the Informal Committee and the individual lender members thereon, and the Creditors' Committee and the individual members thereon, shall be deemed to have released, and may not assert against the Shareholder or any immediate, mediate or subsequent transferee, any Cause of Action for actual fraudulent conveyances under sections 544 and 548 of the Bankruptcy Code or other applicable law.

For the avoidance of doubt, without limiting the generality and scope of the foregoing, the term "Causes of Action" as used in this section 10.4(c) of the Plan shall include all potential claims relating to (a) the Shareholder's exercise of his fiduciary duties with regard to the HHI contract and settlement, the Diavaz contract and settlement, the Pelagidis litigation, any other claims arising out of any newbuild contract or dispute, or the defense of the IRS claims; (b) the recoupment of costs relating to personal use of corporate aircraft or other corporate property; (c) the recoupment of the payment of any personal expenses by any Debtor, directly or indirectly, to or for the benefit of the Shareholder; (d) any and all dividends made by any Debtor, directly or indirectly, to the Shareholder; and (e) any transfer or reallocation of value made by any Debtor, directly or indirectly, to or for the benefit of the Shareholder; excluding any potential claims arising out of or related to any act or omissions that constitutes gross negligence, fraud, willful misconduct or criminal

**conduct; provided, however, that any potential claims arising out of or related to any act or omissions that constitutes gross negligence, fraud, willful misconduct, or criminal conduct are excluded.**

The Shareholder Release is incorporated into this Plan.

#### 10.5 *Injunction*

Except as provided in this Plan or the Confirmation Order, as of the Effective Date, all Persons that have held, currently hold, may hold, or allege that they hold, a Claim, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, or liability that is released or is the subject of the exculpations under this Article X are permanently enjoined from taking any of the following actions against the Debtors, Post-Effective Toisa and their respective Affiliates, or their property on account of any such released Claim, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, or liability: (a) commencing or continuing, in any manner or in any place, any action or other proceeding; (b) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (c) creating, perfecting, or enforcing any Lien or encumbrance; (d) asserting a setoff, right of subrogation, or recoupment of any kind against any debt, liability, or obligation due to any released Person; or (e) commencing or continuing any action, in each such case in any manner, in any place, or against any Person that does not comply with or is inconsistent with the provisions of this Plan or the Confirmation Order.

#### 10.6 *Exculpation and Limitation of Liability*

None of the Released Parties or Exculpated Parties shall have or incur any liability to any Entity, for any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the Disclosure Statement, the formulation, negotiation, or implementation of this Plan, the solicitation of acceptances of this Plan, the pursuit of Confirmation of this Plan, the Confirmation of this Plan, the consummation of this Plan, or the administration of this Plan or the property to be distributed under this Plan, or any other prepetition or postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring or liquidation of the Debtors; *provided, however*, that the foregoing provisions of this exculpation shall have no effect on the liability of any Released Party that results from any such act or omission that is determined in a Final Order of a court of competent jurisdiction to have constituted gross negligence, intentional fraud, willful misconduct, or criminal conduct. Nothing in this Plan shall affect the ability of the United States to pursue any non-Debtors to the extent allowed by non-bankruptcy law for any liabilities that may be related to any federal tax liabilities owed by the Debtors or the Estates. Additionally, the United States may pursue police and regulatory actions or proceedings with respect to the Released Parties in the manner, and by the administrative or judicial tribunals, in which the United States could have pursued such actions or proceedings as if this bankruptcy had never been commenced.

10.7 *Term of Bankruptcy Injunction or Stays.* Unless otherwise provided, all injunctions or stays arising under or entered during the Chapter 11 Cases under section 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the

Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay.

10.8 *Post-Effective Date Retention of Professionals.* Upon the Confirmation Date any requirement that professionals comply with sections 327 through 331 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date will terminate and Post-Effective Toisa will employ and pay professionals in the ordinary course of business.

## ARTICLE XI RETENTION OF JURISDICTION

11.1 *Retention of Jurisdiction.* Pursuant to sections 105(c) and 1142 of the Bankruptcy Code and notwithstanding entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court shall retain jurisdiction (unless otherwise indicated) over all matters arising in, arising out of, and/or related to, the Chapter 11 Cases and this Plan to the fullest extent permitted by law, including, among other things, jurisdiction to:

- (a) Resolve any matters related to the assumption, assumption and assignment, or rejection of any Executory Contract or Unexpired Lease to which any Debtor is a party or with respect to which any Debtor may be liable and to hear, determine, and, if necessary, liquidate any Claims arising therefrom;
- (b) Decide or resolve any motions, adversary proceedings, contested or litigated matters, and any other matters and grant or deny any applications involving the Debtors that may be pending on the Effective Date (which jurisdiction shall be non-exclusive as to any such non-core matters);

- (d) Resolve any cases, controversies, suits, or disputes that may arise in connection with the consummation, interpretation, or enforcement of this Plan or any contract, instrument, release, or other agreement or document that is executed or created pursuant to this Plan, or any entity's rights arising from or obligations incurred in connection with this Plan or such documents;
- (e) Modify this Plan before or after the Effective Date pursuant to section 1127 of the Bankruptcy Code or modify the Confirmation Order, or any contract, instrument, release, or other agreement or document created in connection with this Plan or the Confirmation Order, or remedy any defect or omission or reconcile any inconsistency in any Bankruptcy Court order, this Plan, the Confirmation Order, or any contract, instrument, release, or other agreement or document created in connection with this Plan or the Confirmation Order, in such manner as may be necessary or appropriate to consummate this Plan;

(f) Hear and determine all applications for compensation and reimbursement of expenses of Professionals under this Plan or under sections 330, 331, 503(b), and 1129(a)(4) of the Bankruptcy Code; *provided, however*, that from and after the Confirmation Date, the payment of reasonable and documented fees and expenses of the Debtors or Post-Effective Toisa, including professional fees, shall be made in the ordinary course of business and shall not be subject to the approval of the Bankruptcy Court;

(g) Issue injunctions, enter and implement other orders, or take such other actions as may be necessary or appropriate to restrain interference by any Entity with consummation, implementation, or enforcement of this Plan or the Confirmation Order;

(h) Adjudicate controversies arising out of the administration of the Estates (including Administrative Claims) or the implementation of this Plan;

(i) Resolve any cases, controversies, suits, or disputes that may arise in connection with General Unsecured Claims, including without limitation, the Bar Date, related notice, claim objections, allowance, disallowance, estimation, and distribution;

(j) Hear and determine Retained Actions by or on behalf of the Debtors or Post-Effective Toisa;

(k) Enter and implement such orders as are necessary or appropriate if the Confirmation Order is for any reason or in any respect modified, stayed, reversed, revoked, or vacated, or distributions pursuant to this Plan are enjoined or stayed;

(n) Hear and determine such other matters as may be provided in the Confirmation Order or as may be authorized under the Bankruptcy Code; and

(o) Enter an order or orders closing the Chapter 11 Cases.

## ARTICLE XII MISCELLANEOUS PROVISIONS

12.1 *Payment of Statutory Fees.* All fees payable pursuant to section 1930 of title 28 of the United States Code shall be paid on the earlier of when due or the Effective Date.

12.2 *Amendment or Modification of this Plan.* Subject to section 1127 of the Bankruptcy Code and, to the extent applicable, sections 1122, 1123, and 1125 of

the Bankruptcy Code, the Debtors reserve the right to alter, amend, or modify this Plan at any time prior to or after the Confirmation Date but prior to the substantial consummation of this Plan, in each case with the consent of the Informal Committee and any affected Secured Lender not to be unreasonably withheld. The Debtors will consult with the Shareholder solely with respect to any alteration, amendment, or modification of the Shareholder Release as set forth in Section 10.4(d) of this Plan. A Holder of a Claim that has accepted this Plan shall be deemed to have accepted this Plan, as altered, amended, or modified, if the proposed alteration, amendment, or modification does not materially and adversely change the treatment of the Claim of such Holder.

12.3 ***Substantial Consummation.*** On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

12.4 ***Severability of Plan Provisions.*** If, prior to the Confirmation Date, any term or provision of this Plan is determined by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of this Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

12.5 ***Successors and Assigns.*** This Plan shall be binding upon and inure to the benefit of the Debtors, and their respective successors and assigns, including, without limitation, Post-Effective Toisa. The rights, benefits, and obligations of any Entity named or referred to in this Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor, or assign of such Entity.

12.6 ***Revocation, Withdrawal, or Non-Consummation.*** The Debtors reserve the right to revoke or withdraw this Plan at any time prior to the Confirmation Date and to file other plans of reorganization or liquidation, in each case with the consent of the Informal Committee not to be unreasonably withheld. The Debtors will consult with the Shareholder solely with respect to any revocation or withdrawal of the Shareholder Release as set forth in Section 10.4(d) of this Plan. If the Debtors revoke or withdraw this Plan, or if Confirmation or consummation of this Plan does not occur, then (a) this Plan shall be null and void in all respects, (b) any settlement or compromise embodied in this Plan (including the fixing or limiting to an amount any Claim or Class of Claims), assumption of Executory Contracts or Unexpired Leases effected by this Plan, and any document or agreement executed pursuant to this Plan shall be deemed null and void, and (c) nothing contained in this Plan, and no acts taken in preparation for consummation of this Plan, shall (i) constitute or be deemed to constitute a waiver or release of any Claims by or against, or any Interests in, the Debtors or any other Person,

(ii) prejudice in any manner the rights of the Debtors or any Person in any further proceedings involving the Debtors, or (iii) constitute an admission of any sort by the Debtors or any other Person.

12.7 *Dissolution of Creditors' Committee.* On the Confirmation Date, the Creditors' Committee shall dissolve, and the members thereof shall be released and discharged from all rights and duties arising from, or related to, the Chapter 11 Cases; *provided, however,* that after the Confirmation Date, the Creditors' Committee shall exist and its professionals shall continue to be retained and shall continue to be entitled to reasonable compensation by the Debtors solely with respect to (a) all fee applications filed pursuant to sections 330 and 331 of the Bankruptcy Code and any related hearings; and (b) pending appeals of the Confirmation Order; *provided further, however,* that the Bankruptcy Court shall retain jurisdiction with respect to any disputes over the reasonableness of fees.

12.8 *Governing Law.* Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent an exhibit hereto or a schedule in the Plan Supplement provides otherwise, the rights, duties, and obligations arising under this Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, without giving effect to the principles of conflict of law thereof.

12.9 *Time.* In computing any period of time prescribed or allowed by this Plan, unless otherwise set forth herein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule 9006 shall apply.

12.10 *Immediate Binding Effect.* Notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of this Plan and Plan Supplement shall be immediately effective and enforceable and deemed binding upon and inure to the benefit of the Debtors, Post-Effective Toisa, the Holders of Claims and Interests, the Released Parties, [the Management Company Released Parties], the Exculpated Parties, and each of their respective successors and assigns.

12.11 *Entire Agreement.* On the Effective Date, this Plan, the Plan Supplement, and the Confirmation Order shall supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into this Plan.

12.12 *Notice.* All notices, requests, and demands to or upon the Debtors or Post-Effective Toisa to be effective shall be in writing and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:
