**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

On January 29, 2017 (the "**Petition Date**"), Toisa Limited ("**Toisa**") and twenty-three affiliated entities (each a "**Debtor**" and, collectively, the "**Debtors**") commenced voluntary cases under chapter 11 of title 11, United States Code (the "**Bankruptcy Code**") in the United States Bankruptcy Court for the Southern District of New York (the "**Bankruptcy Court**").

The Debtors continue to operate their businesses and manage their properties as debtors and debtors in possession, pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors' cases (collectively, the "**Chapter 11 Cases**") have been consolidated for procedural purposes only and are being jointly administered under case number 17-10184 (SCC).

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the "**Schedules and Statements**") were prepared pursuant to Bankruptcy Code section 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**") by management of the Debtors with unaudited information available as of the Petition Date.

These Global Notes and Statement of Limitations, Methodology and Disclaimers Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "**Global Notes**") are incorporated by reference in, and comprise

¹ The Debtors are as follows: Trade Prosperity, Inc.; Toisa Limited; United Courage, Inc.; Trade Vision, Inc.; United Journey, Inc.; United Kalavryta, Inc.; Trade Sky, Inc.; Trade Industrial Development Corporation; United Honor, Inc.; Trade Will, Inc.; United Leadership Inc.; United Seas, Inc.; United Dynamic, Inc.; United Emblem, Inc.; United Ideal Inc.; Trade Unity, Inc.; Trade Quest, Inc.; Trade Spirit, Inc.; Trade Resource, Inc.; United Ambassador, Inc.; Edgewater Offshore Shipping, Ltd.; United Banner, Inc.; Toisa Horizon, Inc.; and Trade and Transport Inc.

an integral part of, each of the Debtors' Schedules, sub-Schedules, Statements and sub-Statements, exhibits and continuation sheets, and should be referred to in connection with any review of the Schedules and Statements. Disclosure of information in one Schedule, sub-Schedule, Statement, sub-Statement, exhibit or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit or continuation sheet.

The Schedules and Statements and these Global Notes should not be relied upon by any persons for information relating to current or future financial conditions, events or performance of any of the Debtors.

Reservation of Rights. The Debtors' Chapter 11 Cases are large and complex. The Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible, based on the information that was available to them at the time of preparation. Subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may have occurred. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are accurate and/or complete.

The Debtors have made reasonable efforts to characterize, classify, categorize or designate the claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements correctly. Due to the complexity and size of the Debtors' businesses, however, the Debtors may have improperly characterized, classified, categorized or designated certain items. In addition, certain items reported in the Schedules and Statements could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the rights or obligations represented by such item.

Nothing contained in the Schedules and Statements or these Global Notes shall constitute an admission or a waiver of rights with respect to these Chapter 11 Cases, including, but not limited to, any issues involving substantive consolidation for plan purposes, subordination and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. For the avoidance of doubt, listing a claim on Schedule D as "secured," on Schedule E as "priority," on Schedule F as "general unsecured," or listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant and/or contractual counterparty, or a waiver of a Debtor's right to recharacterize or reclassify such claim or contract. Failure to designate a claim on a given Debtor's Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that

such amount is not “disputed,” “contingent,” or “unliquidated” or that such claim is not subject to objection. The Debtors reserve their respective rights to dispute, or assert offsets, setoffs or defenses to any claim reflected on the Schedules as to the nature, amount, liability, or status or to otherwise subsequently designate any claim as disputed, contingent and/or unliquidated.

Reporting Date. Each Debtor’s fiscal year ends on December 31. All asset and liability information, except where otherwise noted, is provided as of the Petition Date.

Basis of Presentation. Toisa has historically prepared quarterly and annual consolidated financial statements that were audited annually and included all of the Debtors, as well as affiliated non-Debtor entities within the Toisa consolidated group. The Schedules and Statements are unaudited. Unlike the consolidated financial statements, the Schedules and Statements generally reflect the assets and liabilities of each Debtor on a non-consolidated basis. Accordingly, the amounts listed in the Schedules and Statements will likely differ, at times materially, from the consolidated financial reports prepared historically by Toisa.

Although the Schedules and Statements may, at times, incorporate information prepared in accordance with United States generally accepted accounting principles (“GAAP”), the Schedules and Statements neither purport to represent nor reconcile to financial statements otherwise prepared and/or distributed by the Debtors in accordance with GAAP or otherwise.

Currency. All amounts are reflected in U.S. dollars, unless otherwise indicated. Assets, liabilities and payments denominated in foreign currencies were converted into U.S. dollars at market exchange rates as of the Petition Date.

Estimates and Assumptions. The preparation of the Schedules and Statements required the Debtors to make estimates and assumptions that affected the reported amounts of certain assets and liabilities, the disclosure of certain contingent assets and liabilities and the reported amounts of revenue and expense. Actual results could differ materially from these estimates.

Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual totals may be different than the listed totals.

Undetermined or Unknown Amounts. The description of an amount as “Undetermined” or “Unknown” is not intended to reflect upon the materiality of such amount. Certain amounts may be clarified during the course of the Chapter 11 Cases and certain amounts may depend on contractual obligations to be assumed as part of a sale in a bankruptcy proceeding under section 363 of the Bankruptcy Code.

Asset Presentation and Valuation. The Debtors' assets are presented at values consistent with their books and records. Generally speaking, for assets that are valued at fair value, or the lower of cost or fair value, the Debtors value these assets using modeling techniques customarily used in the industry and use market based information to the extent possible in these valuations. These values do not purport to represent the ultimate value that would be received in the event of a sale, and may not represent economic value as determined by an appraisal or other valuation technique.

Contingent Assets and Causes of Action. Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under Chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

The Debtors may also possess contingent and unliquidated claims against affiliated entities (both Debtor and non-Debtor) for various financial accommodations and similar benefits they have extended from time to time, including, but not limited to, contingent and unliquidated claims for contribution, reimbursement, and/or indemnification arising from various (i) guarantees, (ii) indemnities, (iii) tax sharing agreements, (iv) warranties, (v) operational and servicing agreements, (vi) shared service agreements, (vii) management agreements, and (viii) other arrangements.

Additionally, prior to the Petition Date, each Debtor may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages for business-related losses. Refer to Statement Question No. 7 for each Debtor or corresponding attachment for a list of lawsuits commenced prior to the relevant Petition Date in which the Debtor was a plaintiff, except as noted below.

Pledged Assets. A significant amount of the assets listed on the Debtors' Schedule A/B have been pledged as collateral by the Debtors.

Liabilities. Some of the scheduled liabilities are unknown, contingent and/or unliquidated at this time. In such cases, the amounts are listed as "Unknown" or "Undetermined." Accordingly, the Schedules and Statements may not equal the aggregate value of the Debtors' total liabilities as noted on any previously issued financial statements.

Confidentiality. Addresses of current and former employees (including directors and officers) of the Debtors are generally not included in the Schedules and Statements. Notwithstanding, the Debtors will mail any required notice or other documents to the address in their books and records for such individuals.

Intercompany Transactions. Prior to the Petition Date (and subsequent to the Petition Date but only pursuant to Bankruptcy Court approval), the Debtors routinely engaged (and continue to engage) in intercompany transactions with both Debtor and non-Debtor subsidiaries and Affiliates (including, but not limited to, Marine Management Services M.C. ("MMS"), Marine Management Bulk Services Inc. ("MMBS"), and Sealion Shipping LTD ("Sealion"). In the ordinary course of business, the Debtors rely on their non-debtor management agents (the "Managing Agents") Sealion, MMS and MMBS to provide management services to the Debtors; including, but not limited to, ship management functions such as operating, technical, chartering, crewing, project management, safety, purchasing and logistics, and accounting services (the "Management Services"). Because the Managing Agents generally make all payments for the provision of Management Services, the Debtors typically are not responsible for crew wages and compensation, benefits, reimbursable business expenses, certain taxes and insurance, as well as most vendor payments. The Managing Agents typically seek reimbursement from the Debtors for the Management Services or pay for such expenses with advances previously received from the Debtors. Additionally, obligations of the Managing Agents are listed as contingent, unliquidated claims of the Debtors. It is anticipated that many of these contingent, unliquidated claims will be satisfied by the Managing Agents in the ordinary course of business.

Certain advances by Debtor entities to the Managing Agents are occasionally used by the Managing Agents to pay expenses of a different Debtor entity. Only direct intercompany transfers from the Debtors to the applicable Managing Agent are reflected in the Statements and Schedules. Other intercompany claims (*e.g.*, between Debtors) are not listed.

Classification. The estimate of claims set forth in the Schedules may not reflect assertions by the Debtors' creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or orders of the Bankruptcy Court.

Liens. The inclusion on Schedule D of creditors that have asserted liens against the Debtors is not an acknowledgement of the validity, extent or priority of any such liens, and the Debtors reserve their right to challenge such liens and the underlying claims on any ground whatsoever. Reference to the applicable agreements and other relevant documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Certain liens may have been inadvertently marked as disputed but had

previously been acknowledged in an order of the Court as not being disputed by the Debtors. It is not the Debtors' intent that Schedules be construed to supersede any orders entered by the Bankruptcy Court.

Leases. In the ordinary course of their businesses, the Debtors may lease office space from certain third-party lessors for use in their daily operations. Any such leases are set forth in Schedule G. The property subject to any of such leases is not reflected in either Schedule A or Schedule B as either owned property or assets of the Debtors. Neither is the property subject to any such leases reflected in the Statements as property or assets of third-parties within the control of a Debtor. Nothing in the Schedules is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any such issues. The Debtors have not included in the Schedules and Statements the future obligations of any operating leases. To the extent that there was an amount outstanding as of the Petition Date, the creditor has been included in Schedule F of the Schedules and Statements. These leases are reported on Schedule G of each applicable Debtor.

Property and Equipment. A vessel in operation is stated at historical cost, less accumulated depreciation. Certain expenditures for conversions and major improvements are also capitalized if they appreciably extend the life or increase the earning capacity of a vessel. The cost of periodic maintenance or drydocks, whereby actual costs incurred improve the efficiency or safety of a vessel, is capitalized and depreciated on a straight line basis over the period until the next scheduled drydocking. Drydocks are scheduled to take place every 2-1/2 years. Vessel depreciation commences when the vessel is brought into use. The vessel is depreciated on a straight-line basis over its remaining estimated useful life, after considering the estimated residual value. The depreciable basis, residual value and expected lifetime assumptions of long-life assets are reviewed at each of the statement of financial position dates, and where they differ significantly from previous estimates the depreciation charges are changed accordingly. The Debtors estimate the useful life of their newbuilds at 25 years. The Debtors' estimates of the useful lives of the Debtors' vessels acquired in the secondary market are based on the vessels' remaining estimated useful life from the date of their acquisition, which will not exceed 25 years.

Set-Offs. From time to time, the Debtors incur set-offs during the ordinary course of business. Set-offs in the ordinary course can result from various items including intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties and other transaction true-ups. These normal set-offs are consistent with the ordinary course of business in the Debtors' industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list all normal set-offs. Therefore, normal set-offs are excluded from the Debtors' responses to Item 13

of the Statements.

Guarantees and Other Secondary Liability Claims. The Debtors have used their reasonable best efforts to locate and identify guarantees and other secondary liability claims (collectively, “**Guarantees**”) in each of their executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. Where such Guarantees have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guarantees. The Debtors have placed Guaranty obligations on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Such Guarantees were also placed on Schedule D for each guarantor, except to the extent that such Guarantee is associated with obligations under an executory contract or unexpired lease identified on Schedule G. It is possible that certain Guarantees embedded in the Debtors’ executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. Thus, the Debtors reserve their rights to amend the Schedules and Statements to the extent that additional Guarantees are identified. In addition, the Debtors reserve the right to amend the Schedules and Statements to recharacterize or reclassify any such contract or claim.

Insiders. For purposes of their responses to Statement Question No. 28, the Debtors have listed the respective officers and directors for each individual Debtor entity to the extent available based on current records. For purposes of Statement Question No. 4, the Debtors have included the following as “insiders”: (a) all members of their respective board of directors; (b) employees who hold the position of Executive Vice President or Senior Vice President or above; (c) the Managing Agents; and (d) certain affiliates of each Debtor (representing either the direct parent or direct subsidiary). In the ordinary course of the Debtors’ businesses, directors and officers of one Debtor may have been employed and paid by another Debtor or a non-Debtor Affiliate, such as one of the Managing Agents. The Debtors have only scheduled payments to “insiders” that were paid or reimbursed by a specific Debtor while the “insider” was in the employ of such Debtor. □

□ Persons listed as “insiders” have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person’s influence over, or control of, the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

Signatory. The Schedules and Statements have been signed by Robert Hennebry, in his capacity as Chief Financial Officer of Toisa, which directly or indirectly owns 100% of all of the other Debtors. In reviewing and signing the Schedules and Statements, Mr.

Hennebry has necessarily relied upon the efforts, statements and representations of various of the Debtors' personnel and professionals. Mr. Hennebry has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors and their addresses.

In addition to the foregoing, the following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

Schedules of Assets and Liabilities

Schedule A/B Notes.

- General. Each Debtor's assets in Schedule A/B are listed at net book value based on the Debtors' reasonable best efforts as of the Petition Date unless otherwise noted and may not necessarily reflect the market or recoverable value of these assets as of the Petition Date. As of the date of these filings, the Debtors are still in the process of closing their books and records as of December 31, 2016 as well as the Petition Date. As such, the balances presented in Schedule A/B are subject to further revision and change.
- Non-publicly traded stock (AB15). Ownership interests in subsidiaries and other Affiliates have been identified in AB15 in an undetermined amount because the fair market value of such ownership interest is dependent on numerous variables and factors that may cause their fair market value to differ materially from their net book value.
- Other Inventory or Supplies (AB22). Inventories consist of lubricants, fuel and bunkers. Cost is determined by the first-in first-out method.
- Other Machinery, Fixtures, and Equipment (AB 50). The collateral values listed here reflect third party broker appraisals conducted within the past twelve months. Vessel values fluctuate due to a variety of market conditions and current values may differ significantly from historical appraisals.
- Business Licenses (AB62). In the ordinary course of business the Debtors are required to maintain certain licenses and other certifications.
- Contingent Assets (AB 74-75). The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various avoidance actions they could commence under the provisions of Chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets. The Debtors have not set forth claims or causes of action against third parties or avoidance actions as

assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions or causes of action or in any way prejudice or impair the assertion of such claims. The Debtors may also possess contingent and unliquidated claims against affiliated entities for various financial accommodations and similar benefits they have extended from time to time, including, but not limited to, contingent and unliquidated claims for contribution, reimbursement, and/or indemnification arising from various (i) indemnities, (ii) guarantees and (iii) warranties.

Schedule D Notes.

- Creditors' claims on Schedule D arose, or were incurred, on various dates. In certain instances, the date on which such claim arose is an open issue of fact.
- Except as otherwise agreed in accordance with a stipulation and order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien listed on Schedule D purported to be granted to a secured creditor or perfected in any specific asset.
- Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any creditor's claim or the characterization of the structure of any transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim.
- In certain instances, a Debtor may be a co-obligor or guarantor with respect to scheduled claims of other Debtors, and no claim scheduled on Schedule D is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors or other entities.
- The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in these Global Notes or in the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements or related documents.

Schedule E/F Notes.

- The Debtors have made reasonable efforts to report all priority and general unsecured claims against the Debtors on Schedule E/F based on the Debtors' books and records as of the Petition Date.

- The Debtors have listed all known taxing authorities for each Debtor. These tax claims are, or may in the future be, subject to audits, and the Debtors are unable to determine with certainty the amount of the tax claims listed on Schedule E/F. Therefore, the Debtors have listed such claims as “Undetermined” in amount, pending final resolution of the ongoing audits or outstanding issues. In addition, there may be other contingent, unliquidated claims from state and local taxing authorities, as well as regulatory authorities in foreign jurisdictions, not all of which are listed.
- The listing of any priority claim on Schedule E/F does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve the right to take the position that any claim listed on Schedule E/F is not entitled to priority.
- Schedule E/F also contains information regarding pending litigation involving the Debtors. However, certain omissions may have occurred. The inclusion of any legal action in the Schedules and Statements does not constitute an admission by the Debtors of any liability, the validity of any litigation, or the amount of any potential claim that may result from any claims with respect to any legal action and the amount and treatment of any potential claim resulting from any legal action currently pending or that may arise in the future.

Schedule G Notes.

- The Debtors hereby reserve all rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement Schedule G as necessary. Additionally, the placing of a contract or lease onto Schedule G shall not be deemed an admission that such contract is an executory contract or unexpired lease, or that it is necessarily a binding, valid and enforceable contract. Any and all of the Debtors’ rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved and preserved. In addition, the Debtors are continuing their review of all relevant documents and expressly reserve their right to amend all Schedules at a later time as necessary and/or to challenge the classification of any agreement as an executory contract or unexpired lease in any appropriate filing.
- Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors’ rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

Schedule G may be amended at any time to add any omitted contract or agreement.

- The contracts, agreements and leases listed on Schedule G may have expired or may have been rejected, terminated, assigned, modified, amended and/or supplemented from time to time by various amendments, change orders, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed therein.
- Certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors, as well as Managing Agents. Further, in certain instances, the specific Debtor obligor to certain of the executory contracts could not be specifically ascertained. In such cases, the Debtors have made their best efforts to determine the correct Debtor's Schedule G on which to list such executory contract.
- Virtually all of the Debtors' operating expenses (*i.e.*, the Management Services) are paid for by the Managing Agents. In many instances, the Managing Agents have entered into agreements and contracts with third parties to provide goods and/or services in connection with the Management Services provided on behalf of the Debtors. The contracts and agreements entered into by the Managing Agents in furtherance of their obligation to provide Management Services to the Debtors have not been listed on the Statements.

Schedule H Notes.

- Virtually all of the Debtors' operating expenses (*i.e.*, the Management Services) are paid for by the Managing Agents. In many instances, the Managing Agents have entered into agreements and contracts with third parties to provide goods and/or services in connection with the Management Services provided on behalf of the Debtors. The contracts and agreements entered into by the Managing Agents in furtherance of their obligation to provide Management Services to the Debtors have not been listed on the Statements.

Statement of Financial Affairs

Statement Question 3 - 90 Day Payments. For the purpose of this question, all payments are listed on the Statement of the Debtor that actually made the payment. Virtually all of the Debtors' operating expenses (*i.e.*, Management Services) are paid by the Managing Agents. These payments by the Managing Agents are not listed on the Statements in response to Question 3.

Statement Question 4 - Payments to Insiders. For the purpose of this question, all payments are listed on the Statement of the Debtor that actually made the payment. Refer to Global Note "Insiders" for further detail.

Statement Question 6 - Set-Offs. The Debtors occasionally incur set-offs during the ordinary course of business. Set-offs in the ordinary course can result from various items including intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties and other transaction true-ups. These normal set-offs are consistent with the ordinary course of business in the Debtors' industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list all normal set-offs.

Statement Question 7 - Legal Actions. The Debtors have made reasonable best efforts to identify all current pending litigation involving the Debtors. However, certain omissions may have occurred. The inclusion of any legal action in this question does not constitute an admission by the Debtors of any liability, the validity of any litigation, or the amount of any potential claim that may result from any claims with respect to any legal action and the amount and treatment of any potential claim resulting from any legal action currently pending or that may arise in the future.

Statement Question 11 - Payments Related to Bankruptcy. During the one year prior to the Petition Date, the Debtors sought assistance from various professionals and have included all payments made to those professionals, including those services unrelated to the bankruptcy filing. Due to timing and resource limitations, the Debtors are unable to effectively bifurcate payments solely related to debt restructuring and/or bankruptcy for the one year period prior to the Petition Date. As a result, the payments listed in response to this question may include payments not related to debt restructuring and/or bankruptcy for certain professionals listed.

Statement Question 28 and 29 - Current and Former Officer and Directors. The Debtors have made reasonable best efforts to list the known current and former officers and directors for each Debtor entity based on a review of existing books and records and other available information which may not be complete and updated as of the Petition Date. There may be inadvertent errors or omissions for Statement Questions 28 and 29 due to these limitations. See Global Note "Insiders" for further detail.
