EXHIBIT 1

November 1, 2018

O'Connor Hospital proposes the following language, and proposes a 12 month collective bargaining agreement from the date of ratification:

Tentative Agreement between O'CONNOR HOSPITAL and Engineers and Scientists of California Local 20, IFPTE

Engineers and Scientists of California Local 20, IFPTE ("The Union") acknowledges that on August 31, 2018, Verity Health System ("VHS") filed voluntary petitions for relief under Chapter 11 of the Title 11 of the United States Code, 11 U.S.C. §§101-1532 (Bankruptcy Code) which are now pending in the United States Court for the Central District of California Los Angeles.

The Union understands that VHS shall seek Court approval to confirm its authority to enter into contracts, which include collective bargaining agreements.

The Union acknowledges that O'Connor Hospital is an affiliate of VHS and is covered by the bankruptcy filing.

Within ten (10) business days from the signing of this Tentative Agreement, VHS on behalf of O'Connor Hospital will file a motion for Court approval of the terms of this Tentative Agreement.

The Union acknowledges that the November 1, 2018, Tentative Agreement setting up the terms of the 2018-2019 collective agreement between the O'Connor and the Union is not binding and enforceable until VHS obtains on behalf of O'Connor the Court's approval for the Tentative Agreement.

If the Court does not confirm VHS/O'Connor's authority to enter into this Tentative Agreement, the Union shall not take any legal proceedings, including the filing Unfair Labor Practice against O'Connor and VHS to either enjoin/enforce the implementation of the Tentative Agreement or seeking any other remedy under the NLRA in regards to the Tentative Agreement. If the Court does not authorize the debtor to enter into the Tentative Agreement, all of the Union's rights and Employer's obligations under the NLRA are preserved.

If the Court authorizes VHS/O'Connor to enter into this Tentative Agreement, the Agreement will take effect or will have deemed to take effect on 11-1-18 *WPS 11/1/18*

All signed tentative agreements are attached hereto as **Exhibit A**, except that Article 34 shall be deemed withdrawn by the Union and although signed as a Tentative Agreement shall not be binding. Instead the parties tentatively agree to the following:

August 22, 2018 Employer's Proposal (Part of Package)

O'Connor declines Local 20's wage proposal and counter-proposes as follows:

ARTICLE 7**CLASSIFICATIONS AND WAGES**

Placement on the Wage Schedule will be based on years of experience.

Per Diem bargaining unit members are paid 15% of their classification straight time hourly rate "in lieu of benefits." The current in lieu benefits differentials are 15% higher than the base rate for employees. These differentials are over and above the straight time rates set for Regular Full-time and Regular Part-time employees in the Agreement. Such compensation differential for "in lieu of benefits" employees has been bargained for and is intended to cover all benefits including additional paid time off for sick leave or other reasons. The parties agree that the "in lieu benefits" pay provision does cover the paid sick leave provisions, as legislated under California Labor Code Section 245.5(a)(1). Any and all other rights an employee may be entitled to under California Labor Code Sections 245-249 are hereby waived in exchange for this in lieu of pay differential.

Lead Differential: The lead differential is 10% of the base hourly rate of the titled lead. There is no obligation that the Employer create or maintain the foregoing lead positions, and provided further that the employer retains the complete discretion and sole discretion to select individuals to serve in these positions. Decisions regarding the selection of individuals to serve as leads shall not be subject to the grievance and arbitration provision of this Agreement.

Titled lead is differentiated from Charge which is an assignment at the discretion of the Employer and paid in accordance with Article 10 (Shift Differential).

Section 2: Wages

Year 1: The Employers propose the attached wage grid, which shall be implemented the first full pay period after ratification. It is a market adjustment.

~~**Year 2:** Effective the first full pay period following [TBD], an across the board increase of 2.5% for all bargaining unit members.~~

~~**Year 3:** Effective the first full pay period following [TBD], an across the board increase of 2.5% for all bargaining unit members.~~

Per Diem Advancement

No Per Diem shall advance to the next step until the Per Diem has worked at least 400 hours at his/her current step. In no event shall the Per Diem member advance steps prior to his/her 12 month anniversary date.

Where mutually agreed to in writing, bargaining unit members may elect to work more consecutive weekends without premium, except overtime and weekend differential. This article does not apply to bargaining unit members who are hired into or who bid into weekend positions, or positions that are posted as including more than every other weekend.

If a bargaining unit member is required to work more than 3 weekends per month they will be paid 1.5 the base hourly rate for that weekend work.

Article 15: SCHEDULED WORKING HOURS

Section 1 SCHEDULING

The Hospital agrees to post a tentative working schedule of all bargaining unit members who are regularly assigned shifts for the next four (4) weeks. The tentative working schedule will be posted in a conspicuous place at least fourteen (14) calendar days in advance of the date the four (4) week schedule is to begin. Any change to posted scheduled working hours (other than temporary staffing reductions) requires the agreement of the bargaining unit member except in unforeseen, emergent or unusual circumstances in which Hospital will give as much notice of the schedule change(s) as is possible under the circumstances. The Hospital will make a reasonable effort to seek volunteers from among bargaining unit members present at the facility before imposing a schedule change during unforeseen, emergent or unusual circumstances.

Section 2 SHIFT ASSIGNMENTS

Bargaining unit members will have regular shift assignments (defined as am, pm or night). If, due to emergency or operational circumstances, it becomes necessary to change a bargaining unit member's shift assignment temporarily, the Hospital may introduce a shift rotation procedure that shall be applied by all qualified bargaining unit members at the Hospital, taking turns based on rotational seniority starting with the least qualified bargaining unit member.

If, due to emergency or operational circumstances, it becomes necessary to change a bargaining unit member's shift assignment permanently, and if no regular bargaining unit member is available for the shift change, the least senior regular bargaining unit member qualified to perform the available work will be assigned to that shift.

Section 3 REST AND MEAL PERIODS

Each bargaining unit member shall be granted a rest period of fifteen (15) minutes during each four (4) hours of work, or major fraction thereof without deduction in pay. A bargaining unit member who misses one or more breaks during a Shift shall be paid a penalty of one hour's pay, at the employee's straight time rate of pay, which includes shift differentials.

Bargaining unit members who work scheduled shifts of five (5) hours or more are entitled to a duty-free unpaid meal period of thirty (30) minutes. A bargaining unit member who misses his/her meal period shall be paid a penalty of one hour's pay, at the employee's straight time rate of pay, which includes shift differentials.

"Penalty Pay" hours as described in this Article do not qualify as hours worked in the calculated overtime.

The Hospital shall at all times abide with the requirements of state law as relates to meal and rest breaks to the extent that the law is more favorable than the parties' agreement.

Section 4 EXTRA HOURS

Extra hours, extra shifts, overtime premium and will be offered in the following order: a) those employees who have been called off/cancelled in the current pay period b) part-time up to full-time hours c) per diems d) full time that would incur premium pay e) per diems at premium f) registry. Within each preference category, the offer shall be made by seniority.

Section 5 WORK ASSIGNMENTS/FLOATING

Based upon patient care and staffing considerations, the Hospital may require bargaining unit members to float between inpatient and outpatient departments, in compliance with applicable laws and regulations, including Title 22 of the California Code of Regulations. The bargaining unit member will make reasonable efforts to float a bargaining unit member between inpatient or outpatient departments in lieu of a scheduled shift cancellation.

The Hospital and bargaining unit members have a crucial responsibility to assure appropriate and competent care. It is the joint responsibility of the Hospital and bargaining unit members to determine whether a bargaining unit member is clinically competent to perform the care requirement outside the department.

Paid Time Off ProgramA. Eligibility And Coverage

1. Paid Time Off Program shall apply only to Regular Full-time and Regular Part-time. Bargaining unit member, Limited Part-time, Temporary and Per Diem, bargaining unit member are not eligible to participate in the PTO program. PTO hours accrue immediately upon employment in a regular full time position or regular Part-time position.
2. The PTO program is in addition to jury duty pay, paid educational leave, and bereavement leave.

B. Accumulation Of Paid Time Off1. PTO Accumulation Schedule

Regular Full-time bargaining unit member and Regular Part-time bargaining unit member regularly scheduled to work 20 hours or more a week shall accrue PTO in accordance with the schedule given below, based upon their continuous length of regular employment.

Each bargaining unit member shall have their PTO account credited with any PTO hours that were accumulated, but not taken, as or the date of ratification of this collective bargaining agreement. No Regular bargaining unit member shall lose any PTO hours accrued, but not taken.

For each two-week pay period, regular part-time associates shall accrue benefits available to a full-time associate on a pro-rated basis on actual hours worked.

From the 1st day of the described pay period through the pay period in which one year of continuous regular employment is completed.

Continuous years of regular employment	PTO Hours Accrued per Pay Period	Days Per Year

5 years	11.38	37

Continuous years of regular employment	PTO Hours Accrued per Pay Period	Days Per Year

C. Unpaid Absences

If a bargaining unit member is on unpaid status with the Employer (e.g., unpaid leave of absence, layoff, unpaid disciplinary status) for an entire pay period, there will be no accumulation of PTO for that pay period. "Unpaid status" means that there were no "paid straight-time hours" in that pay period.

D. Scheduling And Use of PTO

PTO can be used for vacations, paid holiday time off, religious observances, dental or doctor visits, personal or family needs or business, education, personal illness or any other reasons deemed appropriate by the bargaining unit member.

Requests for PTO regardless of seniority will be granted before any conflicting requests for unpaid time off are considered. Furthermore, requests for unpaid time off by individual bargaining unit members will not be granted if a bargaining unit member still has PTO hours whichever applies. Exceptions are:

1. A bargaining unit member can elect not to use PTO for a holiday scheduled off.
2. Bargaining unit members who are on the Bargaining Team may elect to use PTO to attend bargaining.
3. PTO requests shall not be unreasonably denied because of the season of the year.
4. Advanced Requests for One Work Week or More of PTO bargaining unit member shall submit their PTO preference dates in writing during the month of September. Requests should indicate the employee's choice of vacation (i.e. first, second, etc.) and should be given to their department manager. Requests will be approved based on seniority rotation by choice. If an employee's first choice cannot be approved, their subsequent choices will become their first until one continuous vacation period is approved. Once all employees who submitted requests have a vacation approved the rotation will start over until three rounds of seniority rotation have been exhausted. An approval calendar will be posted by October 21.

DP
RW

5. If staffing, scheduling, or patient care or work requirements do not permit the approval of all PTO requests submitted by bargaining unit members, then the bargaining unit member's seniority shall be the determining factor.
 6. Other PTO Requests shall be submitted in writing at least one week in advance of the posting of the schedule covering such day or days. If all such requests cannot be granted, then seniority shall govern, subject to the following:
 - (a) Seniority will not govern if a less senior bargaining unit member's PTO request has already been approved.
 7. Bargaining unit member has the option of using PTO hours for hours of Reduction of Staff (ROS).
 8. If a bargaining unit member changes his/her status from regular full-time or regular part-time to per diem, all accrued unpaid PTO will be paid out by the pay period following the effective date of the status change.
 9. On approval of Human Resources, bargaining unit members may donate unused PTO hours to another bargaining unit member who has experienced an unforeseeable medical emergency as defined by the IRS. Bargaining unit members must maintain a minimum PTO balance of eighty (80) hours after the donation.
- E. PTO is to be used in increments of eight (8) hours unless one of the following exists:
1. Advance approval is obtained for less than eight (8) hours;
 2. The bargaining unit member's regular shift is greater or less than eight hours, in which case PTO hours equal to the shift shall be used; or,
 3. The bargaining unit member is eligible for State Disability or Workers Compensation payments, in which case PTO shall be integrated to supplement such payments; or,
 4. An emergency requires the bargaining unit member's absence for less than a full shift, in which case the Employer may excuse the bargaining unit member from the full shift, with equivalent PTO hours being used, or it may require that the bargaining unit member report back to work.
- F. PTO hours shall be paid at the straight-time rate in effect as of the date PTO is used (or cashed in).

- G. Upon termination from employment, bargaining unit member shall be paid for all PTO hours accumulated but not taken at the straight-time rate in effect.
- H. In cases where a bargaining unit member is eligible to receive disability benefit payments (State Disability Insurance or Workers' Compensation), the bargaining unit member shall apply for such benefits. To the extent that the disability payments do not equal the bargaining unit member's normal wages, the bargaining unit member's PTO if elected by the bargaining unit member, shall be used in an amount sufficient to equal but not exceed the bargaining unit member's straight-time rate of pay and any shift differential for scheduled hours. Where PTO is subject to integration with State Disability Insurance or Workers' Compensation, it shall be paid promptly even if information as to the precise amount of State Disability Insurance or Workers' Compensation payments is not immediately available.
- I. PTO can only be used on scheduled workdays.
- J. Upon one week's written notice from the bargaining unit member the PTO pay for which the bargaining unit member is eligible for time off of two (2) weeks or longer shall be available to him/her immediately prior to the commencement of the bargaining unit member's time off period. Further, if the bargaining unit member PTO covers more than one pay period, there shall be separate checks for each pay period.

Section 6. PTO CASH OUT

PTO Hours may be accrued to a maximum of 400 hours for the term of the collective bargaining agreement.

PTO may be "cashed out" as follows: bargaining unit member may irrevocably elect to cash out PTO two times during the calendar year under the following guidelines:

- A. The bargaining unit member's PTO account may not be reduced below eighty (80) hours after cash out.
- B. The Employer will cash out during the first pay period of July and December, any PTO elected by the bargaining unit member for cash out that has not been used. A bargaining unit member must elect the number of PTO hours to cash out by the preceding December 15 for a July cash out, and by May 15 for a December cash out. An election to cash out PTO will apply only to PTO that accrues in the six month period after the election is made.

Section 7. PAY FOR HOLIDAYS WORKED

- A. Recognized holidays for the purpose of this Section are as follows:

New Year's Day
Martin Luther King, Jr. Birthday (3rd Monday in January)
President's Day (3rd Monday in February)
Memorial Day (last Monday in May)
Independence Day (4th of July)
Labor Day (1st Monday in September)
Thanksgiving Day
Christmas Day

A Day, P.M or Night shift bargaining unit member works a holiday shift when the major portion of the shift falls on one of the above days.

- B. If a bargaining unit member works one of the above holidays, the bargaining unit member shall receive payment at time and one-half (1.5X) the bargaining unit member's straight-time rate for all hours worked on such holiday. Exceptions are:

If bargaining unit member requests Christmas Day and/or the following New Year's Day off, and is required to work on both holidays, the bargaining unit member shall receive two times (2X) his or her straight time rate for New Year's Day, or,

A bargaining unit member assigned to the p.m. shift may submit a request to observe the Christmas Day holiday on December 24 and/or observe the New Year's Day holiday on December 31. Such a request is to be submitted by the bargaining unit member at least 30 days in advance of the holiday. If the bargaining unit member's request is granted by the Employer and the bargaining unit member is then scheduled off on December 24 and/or December 31, such day off shall constitute the bargaining unit member's Christmas and/or New Year's Day holiday off, and payment for work performed on December 25 and/or January 1 shall be a non-holiday.

The Employer will use its best efforts to grant each bargaining unit member who requests it, at least one (1) of the following two (2) holidays off: Christmas Day and the following New Year Day. Where there are numerous holidays requests for the same shift, seniority will govern, but each bargaining unit member (if possible, due to Staffing and scheduling) shall be granted one of these two major holidays off before any bargaining unit member is granted both major holidays.

REDUCTION IN STAFF

Section 1. LAYOFF PROCEDURE

In the event of a reduction in force of regular hours, Hospital shall notify the Union at least thirty (30) days in advance of the effective date of the layoff, during which time volunteers for layoff or reduction in hours will first be sought. Hospital may give affected bargaining unit members two (2) weeks' pay in lieu of notice. Volunteers for layoff in such positions will be selected on the basis of seniority. If an insufficient number of bargaining unit members volunteer for layoff to meet reduction goals, then all bargaining unit members will participate in the department rebidding process based on seniority. The bargaining unit member must be qualified and have the ability, with no more than fifteen (15) work days' orientation, to competently perform all of the work in the position into which the bargaining unit member chooses to bid. In all cases, Hospital shall have the right and discretion to determine such capabilities and qualifications. It is understood that Hospital will notify the Union of its conclusion that bargaining unit member has not demonstrated his/her ability within said fifteen (15) work days prior to terminating the bargaining unit member and the orientation period may be extended by agreement of the parties.

Regular full-time and regular part-time bargaining unit members who so elect to work as per diem will be given preference over other per diem bargaining unit members in selecting shifts to be worked for a period not to exceed one year after layoff.

Section 3. RECALL

For a period of up to one year from the date of layoff, bargaining unit members (who have not secured a comparable position at Hospital) will be recalled in order of bargaining unit seniority for any vacancies that occur at Hospital from which they were laid off, provided they are qualified, and have the ability to competently perform, with no more than fifteen (15) days orientation, the available work. A

bargaining unit member who is laid off shall retain seniority until she/he declines the offer of a comparable position at Hospital from which they were laid off. It is the responsibility of the bargaining unit member to update the Human Resources Department in writing with current address and phone numbers for recall purposes. A recalled bargaining unit member must accept recall within one week of confirmed contact and offer of a relatively equal position. Additionally, the bargaining unit member must return to work at Hospital within one week of notice or recall. If a bargaining unit member does not accept recall and return to work within one week, the bargaining unit member will be considered to have voluntarily resigned. Upon recall from lay off status, the bargaining unit member will be entitled to restoration of seniority and placement at the salary classification wage rate in effect at the time of the layoff, including fringe benefits. However, there shall be no accumulation of earnings or benefits during the period of separation, nor shall Hospital be required to provide any insurance coverage that may have lapsed until such coverage has been reapplied for by the bargaining unit member. Such coverage applied for shall be effective as of the earliest possible date consistent with the particular insurance company's policy. - A. First, volunteers will be solicited. If there are no volunteers per diem bargaining unit member working on that shift will be canceled or sent home early.

B. In the event that there are no volunteers or per diem bargaining unit members on the shift in question, the bargaining unit member to have his/her hours reduced ("ROS") will be selected on a rotational basis, with the least senior bargaining unit member on duty at the affected hospital being canceled first and rotating the involuntary cancellation of hours throughout the year until all bargaining unit members have taken a turn. Cancellation of shifts and hours, including voluntary reductions, will be recorded to facilitate proper rotation of reductions in an equitable manner in both occurrences of reductions and actual hours reduced based on the following formula:

a. Each 1 hour to 4 hour block of time on ROS will count for a rotational turn

C. Bargaining unit members will earn PTO during the time spent on staffing reductions.

ARTICLE 28 POSTING AND FILLING OF VACANCIES

Section 1. POSTING VACANCIES

Hospital shall post all vacancies in positions covered by this Agreement for a minimum period of seven (7) calendar days prior to filling the position. Minimum qualifications shall be noted on the posting. This does not prevent Hospital from filling a vacancy on a temporary basis.

In the event that two (2) bidding bargaining unit members have the same hire date, the tie-breakers shall be as follows: date of application for the vacancy of the position to which they are applying. In the event that the tie is not broken, then the bargaining unit member with the lowest last four digits of his/her Social Security number will be awarded the position.

- A. Step 1: Within fourteen (14) days of the date on which a bargaining unit member first has knowledge, or reasonably should have knowledge, of the event or condition giving rise to the grievance, the bargaining unit member must discuss the matter with the Director or designee. If the grievance is not resolved at this step, the bargaining unit member may appeal to Step 2. If the Director or designee does not respond within seven (7) days of being informed of the grievance, the bargaining unit member or Union may appeal to Step 2.
- B. Step 2: Grievances that are referred to step 2 shall be in writing and must contain the following information:
 - The issue, situation or nature of the grievance;
 - The date on which the issue or situation occurred, or the date on which the bargaining unit member or the Union became aware of the issue or situation;

- The provisions of this Agreement alleged to have been violated; and
- The resolution or remedy sought.

Grievances relating to a bargaining unit member termination or suspension shall be presented within thirty (30) days of the termination or suspension date directly to the Vice President of Human Resources or his/her designee. No grievance shall be processed under this Article unless it has first been presented at this Step within thirty (30) days of the date when either the bargaining unit member, or the Union first had knowledge, or reasonably should have had knowledge of the event(s) giving rise to the grievance.

A Step 2 meeting shall take place within fourteen (14) days after the filing of the grievance. The Vice President of Human Resources or designee shall respond in writing within fourteen (14) days of the meeting. If the Hospital does not timely respond as provided in this section, the bargaining unit member or Union may advance to grievance to the next Step.

- C. Step 3: If the grievance is not resolved at Step 2, the bargaining unit member or Union may proceed by submitting a written notification to the Vice President of Human Resources or designee within fourteen (14) days following issuance of the Step 2 response. The parties will select an arbitrator within fourteen (14) days of the notification. The parties will select an arbitrator by alternately striking a name from the FMCS list of arbitrators. The order of striking will be determined by a coin toss.

The arbitrator shall hear the grievances as expeditiously as possible, and shall render a decision in writing within sixty (60) days after the conclusion of the hearing or submission of briefs, whichever is later.

The arbitrator's authority is limited to interpreting the provisions of this Agreement and determining if just cause was used for cases of termination and suspension. The Arbitrator shall have no authority to add to, subtract from, or modify this Agreement.

The arbitrator's decision shall be final and binding upon the parties. Arbitration expenses will be shared equally by the Hospital and the Union. Each party shall bear its own expenses for representation and witnesses.
