7 **PLEASE TAKE FURTHER NOTICE** that, on February 19, 2019, the Court entered an
8 Order [Docket No. 1572] (the “Bidding Procedures Order”) approving, among other things, the
9 Bidding Procedures requested in the Motion, which Bidding Procedures Order governs (i) the
10 bidding process for the sale of certain assets (the “Assets”) of the Debtors and (ii) procedures for
11 the assumption and assignment of certain of the Debtors’ executory contracts and unexpired leases.

12 **PLEASE TAKE FURTHER NOTICE** that the Motion also seeks Court approval of the
13 sale (the “Sale”) of the Assets to the Successful Bidder(s), free and clear of all liens, claims,
14 interests and encumbrances pursuant to Section 363 of the Bankruptcy Code, including the
15 assumption by the Debtors and assignment to the buyer(s) of certain executory contracts and

20 a notice identifying the Successful Bidder(s) with the Bankruptcy Court and serve such notice by

PLEASE TAKE FURTHER NOTICE that, except to the extent otherwise provided in the Purchase Agreement with the Successful Bidder(s), pursuant to § 365(k) of the Bankruptcy Code, the Debtors and their estates shall be relieved of all liability accruing or arising after the effective date of assumption and assignment of the Assumed Executory Contracts.

PLEASE TAKE FURTHER NOTICE THAT IF YOU DO NOT TIMELY FILE AND SERVE AN OBJECTION AS STATED ABOVE, THE COURT MAY GRANT THE RELIEF REQUESTED IN THE MOTION WITH NO FURTHER NOTICE.

Footnotes:

(A) Debtor designation is based on the Debtors' books and records. However, contract and lease counterparties should also review the System / Multi-facility contract exhibit (Exhibit D) in conjunction with this Exhibit as certain contracts included herein may also be reflected as System / Multi-Facility contracts, particularly in the case of master purchase, master lease or master licensing agreements.

(B) Contract termination dates reflect current information in the Debtors' contract system, which may not capture auto-renewals, extensions or terminations since the Petition Date.

(C) Cure amounts reflect critical vendor payments made through February 19, 2019.

(D) Where multiple contracts are reflected, cure amounts could not be ascribed to individual contracts, and, as a result, a cure amount for all contracts within that category has been listed.

(E) Cure amounts for certain contracts reflect pricing through system-wide group purchasing organization agreements.

(F) The Debtor has used its best efforts to accurately reflect executory contracts and unexpired leases herein, but reserves the right to supplement and / or modify this Exhibit, including for any contracts which may not be deemed executory.

Footnotes:

(A) Debtor designation is based on the Debtors' books and records. However, contract and lease counterparties should also review the System / Multi-facility contract exhibit (Exhibit D) in conjunction with this Exhibit as certain contracts included herein may also be reflected as System / Multi-Facility contracts, particularly in the case of master purchase, master lease or master licensing agreements.

(B) Contract termination dates reflect current information in the Debtors' contract system, which may not capture auto-renewals, extensions or terminations since the Petition Date.

(C) Cure amounts reflect critical vendor payments made through February 19, 2019.

(D) Where multiple contracts are reflected, cure amounts could not be ascribed to individual contracts, and, as a result, a cure amount for all contracts within that category has been listed.

(E) Cure amounts for certain contracts reflect pricing through system-wide group purchasing organization agreements.

(F) The Debtor has used its best efforts to accurately reflect executory contracts and unexpired leases herein, but reserves the right to supplement and / or modify this Exhibit, including for any contracts which may not be deemed executory.

(A) Debtor designation is based on the Debtors' books and records. However, contract and lease counterparties should also review the System / Multi-facility contract exhibit (Exhibit D) in conjunction with this Exhibit as certain contracts included herein may also be reflected as System / Multi-Facility contracts, particularly in the case of master purchase, master lease or master licensing agreements.

(B) Contract termination dates reflect current information in the Debtors' contract system, which may not capture auto-renewals, extensions or terminations since the Petition Date.

(C) Cure amounts reflect critical vendor payments made through February 19, 2019.

(D) Where multiple contracts are reflected, cure amounts could not be ascribed to individual contracts, and, as a result, a cure amount for all contracts within that category has been listed.

(E) Cure amounts for certain contracts reflect pricing through system-wide group purchasing organization agreements.

(F) The Debtor has used its best efforts to accurately reflect executory contracts and unexpired leases herein, but reserves the right to supplement and / or modify this Exhibit, including for any contracts which may not be deemed executory.

Notwithstanding their inclusion in this Exhibit, the Debtors acknowledge there may be certain issues related to the potential assumption of Multi-Facility Contracts and intend to work with the counterparties to address any and all such issues.

(D) Cure amounts are reflected for Debtors Seton Medical Center & Coastside, St. Francis Medical Center, St. Vincent Medical Center, Verity Health System of California, Inc., Verity Holdings, LLC and Verity Business Services (the latter three reflected as Verity Health System) based on how the claims are recorded in their books and records (i.e., claims on the books and records of other Debtors that may be related to these contracts are not reflected herein). Cure amounts also reflect any critical vendor payments made through February 19, 2019, as allocated to individual entities by the Debtors. Such allocation may differ from the allocation of such payments by contract counterparties.

(E) Where multiple contracts are reflected, cure amounts could not be ascribed to individual contracts, and, as a result, a cure amount for all contracts within that category has been listed.

(F) Cure amounts for certain contracts reflect pricing through group purchasing organization agreements.

(G) The Debtor has used its best efforts to accurately reflect executory contracts and unexpired leases herein, but reserves the right to supplement and / or modify this Exhibit, including for any contracts which may not be deemed executory.
