1 **PLEASE TAKE NOTICE** that Verity Health System of California, Inc. and the above-
2 referenced affiliated debtors, the debtors and debtors in possession in the above-captioned chapter
3 11 bankruptcy cases (collectively, the “Debtors”), hereby supplement their *Notice to*
4 *Counterparties to Executory Contracts and Unexpired Leases of the Debtors That May Be Assigned*
5 [Dkt. No. 1704] (the “Initial Cure Notice”) filed in accordance with their (i) *Motion For The Entry*
6 *Of (I) An Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And*
7 *For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And*
8 *Stalking Horse Bid Protections, (3) Approving Form Of Notice To Be Provided To Interested*
9 *Parties, (4) Scheduling A Court Hearing To Consider Approval Of The Sale To The Highest Bidder,*
10 *And (5) Approving Procedures Related To The Assumption Of Certain Executory Contracts And*
11 *Unexpired Leases; And (II) An Order (A) Authorizing The Sale Of Property Free And Clear Of All*
12 *Claims, Liens And Encumbrances* [Docket No. 1279] (the “Motion”),¹ and (ii) the order granting
13 the Motion (the “Bidding Procedures Order”) approving, among other things, the Bidding
14 Procedures requested in the Motion, which Bidding Procedures Order governs (a) the bidding
15 process for the sale of certain assets (the “Assets”) of the Debtors, and (b) procedures for the
16 assumption and assignment of certain of the Debtors’ executory contracts and unexpired leases. *See*
17 Docket No. 1572.

18 **PLEASE TAKE FURTHER NOTICE** that the Initial Cure Notice attached a list of
19 executory contracts and unexpired leases subject to assumption (the “Executory Contracts Subject
20 to Assumption”) and set forth the amount, if any, which the Debtors asserted is owed to cure any
21 defaults existing under the Executory Contract Subject to Assumption (the “Cure Amount”).
22 Thereafter, the Debtors filed a supplemental notice that provided that the cure amount related to
23 “Saint Vincent IPA/Data Trust” (“SVIPA”) in the Initial Cure Notice related to an ancillary services
24 agreement and a risk sharing agreement was inadvertently listed as “\$0.00” instead of “TBD.”
25 Docket No. 1793. For the avoidance of doubt and at the request of SVIPA, “TBD” was used as an
26 acronym for “To Be Determined.”

27 **PLEASE TAKE FURTHER NOTICE** that the Debtors hereby file this Notice to
28 supplement the Initial Cure Notice by identifying additional executory contracts that were not
originally included in the Initial Cure Notice, as set forth in the attached **Exhibit “A”** (the
“Additional Executory Contracts Subject to Assumption”). The Additional Executory Contracts
Subject to Assumption listed on Exhibit “A” are principally (i) downstream capitation vendor
contracts managed by a third party administrator (a management services organization) (the “MSO
Contracts”), and (ii) supply chain contracts (the “Supply Chain Contracts”). The foregoing
Additional Executory Contracts Subject to Assumption should have been listed on the Initial Cure
Notice, but were inadvertently excluded because (i) the MSO Contracts are not maintained in the
Debtors’ internal contract system, (ii) the Supply Chain Contracts were loaded into the contract
system of the Debtors’ GPO partner instead of the Debtors’ internal contract system named
“Meditract.”

PLEASE TAKE FURTHER NOTICE that the Debtors also hereby file this Notice (i) to
remove certain contracts from the Initial Cure Notice that were incorrectly included therein, as set
forth in the attached **Exhibit “B,”** and (ii) to revise certain information related to Executory

¹ Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Motion.

1 Contracts Subject to Assumption listed on the Initial Cure Notice, including Cure Amounts as set
2 forth in attached **Exhibit “C.”**

3 **PLEASE TAKE FURTHER NOTICE** that, if you disagree with the Cure Amount(s)
4 shown on the attached **Exhibit “A,”** you must file in writing your objection with the United States
5 Bankruptcy Court for the Central District of California, 255 E. Temple St., Los Angeles, California
6 90012. The Court previously set March 22, 2019, at 4:00 p.m. (prevailing Pacific Time), as the
7 deadline to object to Cure Amounts, but the Debtors will enter into stipulations with counterparties
8 to executory contracts or unexpired leases to extend the aforementioned deadline, if needed, and to
9 resolve any issues given that this Notice is being served and filed after the Initial Cure Notice, as it
10 relates to the Additional Executory Contracts Subject to Assumption. Any counterparty to a
11 executory contract or unexpired lease that fails to timely file and serve an objection shall be forever
12 barred from asserting that a Cure Amount is owed in an amount in excess of the amount, if any, set
13 forth in the attached **Exhibit “A”** or **Exhibit “C.”**

14 **PLEASE TAKE FURTHER NOTICE** that, as previously noticed, within forty eight (48)
15 hours following the conclusion of the auction as set forth in the Bidding Procedures Order, the
16 Debtors shall file a notice identifying the Successful Bidder(s) with the Bankruptcy Court and serve
17 such notice by fax, email or overnight mail to all counterparties whose contracts are to be assumed
18 and assigned. Any counterparty to an Executory Contracts Subject to Assumption that wishes to
19 receive such notice by email or fax, must provide their email address or fax number to Dentons US
20 LLP, Attn: Samuel R. Maizel by emailing samuel.maizel@dentons.com or calling (213) 892-2910
21 before the Auction. An evidentiary hearing (the “Sale Hearing”) to approve the Sale and authorize
22 the assumption and assignment of the Executory Contracts Subject to Assumption will be held on
23 **April 17, 2019, at 10:00 a.m. (prevailing Pacific Time)**, before the United States Bankruptcy
24 Court for the Central District of California, 255 E. Temple St., Los Angeles, California 90012,
25 Courtroom 1568. The Sale Hearing may be adjourned from time to time without further notice to
26 creditors or parties in interest other than by announcement of the adjournment in open court on the
27 date scheduled for the Sale Hearing.

28 **PLEASE TAKE FURTHER NOTICE** that, as previously noticed, the Court set a deadline
of **April 12, 2019, at 4:00 p.m. (prevailing Pacific Time)** for counterparties to any executory
contract or unexpired lease to file any objection to the Debtors’ assumption and assignment of the
Executory Contracts Subject to Assumption (other than an objection to the Cure Amounts listed in
the Initial Cure Notice) still applies provided, however, that if any Successful Bidder is not the
Stalking Horse Purchaser, any counterparty to a Executory Contract Subject to Assumption may
raise an objection to the assumption and assignment of the Executory Contract Subject to
Assumption solely with respect to such Successful Bidder’s ability to provide adequate assurance
of future performance under the Executory Contract Subject to Assumption at the Sale Hearing, or
any time before the Sale Hearing.

PLEASE TAKE FURTHER NOTICE that any objection you may file must be served so
as to be received by the following parties by the applicable objection deadline date and time: (i)
counsel to the Debtors: Dentons US LLP, 601 S. Figueroa Street, Suite 2500, Los Angeles, CA
90017 (Attn: Tania M. Moyron (tania.moyron@dentons.com)); (ii) the Debtors’ Investment

PLEASE TAKE FURTHER NOTICE that the Successful Bidder shall be responsible for satisfying any requirements regarding adequate assurance of future performance that may be imposed under §§ 365(b) and (f) of the Bankruptcy Code, 11 U.S.C. § 101, *et seq.*, in connection with the proposed assignment of any Executory Contract Subject to Assumption. The Court shall make its determinations concerning adequate assurance of future performance under the Executory Contracts Subject to Assumption pursuant to 11 U.S.C. §§ 365(b) and (f) at the Sale Hearing.

PLEASE TAKE FURTHER NOTICE that, except to the extent otherwise provided in the Purchase Agreement with the Successful Bidder(s), pursuant to § 365(k) of the Bankruptcy Code, the Debtors and their estates shall be relieved of all liability accruing or arising after the effective date of assumption and assignment of the Executory Contracts Subject to Assumption .

PLEASE TAKE FURTHER NOTICE that nothing contained herein shall obligate the Debtors to assume any Executory Contracts Subject to Assumption or to pay any Cure Amount.²

PLEASE TAKE FURTHER NOTICE THAT IF YOU DO NOT TIMELY FILE AND SERVE AN OBJECTION AS STATED ABOVE, THE COURT MAY GRANT THE RELIEF REQUESTED IN THE MOTION WITH NO FURTHER NOTICE.

ANY COUNTERPARTY TO ANY EXECUTORY CONTRACTS SUBJECT TO ASSUMPTION WHO DOES NOT FILE A TIMELY OBJECTION TO THE CURE AMOUNT FOR SUCH EXECUTORY CONTRACT SUBJECT TO ASSUMPTION IS DEEMED TO HAVE CONSENTED TO SUCH CURE AMOUNT.

² “Executory Contracts Subject to Assumption” are those Contracts and Leases that the Debtors believe may be assumed and assigned as part of the orderly transfer of the Assets; however, the Successful Bidder may choose to exclude certain of the Debtors’ Contracts or Leases from the list of Executory Contracts Subject to Assumption as part of their Qualifying Bid, causing such Contracts and Leases not to be assumed by the Debtors.

Footnotes:

(A) Debtor designation is based on the Debtors' books and records. However, contract and lease counterparties should also review the System / Multi-facility contract exhibit (Exhibit A Part 4) in conjunction with this Exhibit as certain contracts included herein may also be reflected as System / Multi-Facility contracts, particularly in the case of master purchase, master lease or master licensing agreements. Contract and lease counterparties should also refer to the original cure notice filed on March 5, 2019 (Docket # 1704).

(B) Contract termination dates reflect current information in the Debtors' contract system, which may not capture auto-renewals, extensions or terminations since the Petition Date.

(C) Cure amounts reflect critical vendor payments made through February 19, 2019.

(D) Where multiple contracts are reflected, cure amounts could not be ascribed to individual contracts, and, as a result, a cure amount for all contracts within that category has been listed.

(E) Cure amounts for certain contracts reflect pricing through system-wide group purchasing organization agreements.

(F) The Debtor has used its best efforts to accurately reflect executory contracts and unexpired leases herein, but reserves the right to supplement and / or modify this Exhibit, including for any contracts which may not be deemed executory.

Footnotes:

(A) System / Multi-Facility contracts represent contracts or unexpired leases (collectively, the "Multi-Facility Contracts") of Verity Health System of California, Inc., Verity Holdings, LLC, Verity Business Services or other hospital (the "Hospitals") Debtors, whereby the goods or services provided under such agreements are used by some or all of the Debtor Hospitals.

(B) Contract termination dates reflect current information in the Debtors' contract system, which may not capture auto-renewals, extensions or terminations since the Petition Date.

(C) Certain Multi-Facility Contracts reflected herein may also be reflected on Exhibit A Part 1, Part 2 and Part 3, particularly in the case of master purchase agreements (that may be part of group purchasing organization agreements where product line contract detail is also provided), master lease agreements or master licensing agreements. Notwithstanding their inclusion in this Exhibit, the Debtors acknowledge there may be certain issues related to the potential assumption of Multi-Facility Contracts and intend to work with the counterparties to address any and all such issues. Contract and lease counterparties should also refer to the original cure notice filed on March 5, 2019 (Docket # 1704).

(D) Cure amounts are reflected for Debtors Seton Medical Center & Coastside, St. Francis Medical Center, St. Vincent Medical Center, Verity Health System of California, Inc., Verity Holdings, LLC and Verity Business Services (the latter three reflected as Verity Health System) based on how the claims are recorded in their books and records (i.e., claims on the books and records of other Debtors that may be related to these contracts are not reflected herein). Cure amounts also reflect any critical vendor payments made through February 19, 2019, as allocated to individual entities by the Debtors. Such allocation may differ from the allocation of such payments by contract counterparties.

(E) Where multiple contracts are reflected, cure amounts could not be ascribed to individual contracts, and, as a result, a cure amount for all contracts within that category has been listed.

(F) Cure amounts for certain contracts reflect pricing through group purchasing organization agreements.

(G) The Debtor has used its best efforts to accurately reflect executory contracts and unexpired leases herein, but reserves the right to supplement and / or modify this Exhibit, including for any contracts which may not be deemed executory.

(H) Any cure amounts related to Premier contracts would also include any amounts due from Verity Medical Foundation
