**COMPLAINT FOR DETERMINATION  
OF VALIDITY, PRIORITY, AND  
EXTENT OF LIENS AND SECURITY  
INTERESTS**

Plaintiff,

Hearing to be scheduled.

v.

U.S. BANK NATIONAL ASSOCIATION, as  
trustee,

Defendant.

1 The Official Committee of Unsecured Creditors (“Plaintiff” or the “Committee”) of  
2 debtors and debtors-in-possession (collectively, the “Debtors”) in the above-captioned chapter 11  
3 cases, for and on behalf of the Debtors’ estates, as and for its adversary complaint (the “Complaint”),  
4 against Defendant U.S. Bank National Association in its capacity as trustee (“Defendant” and together  
5 with Plaintiff, the “Parties”), pursuant to Federal Rule of Bankruptcy Procedure 7001 and title 11 of  
6 the United States Code, 11 U.S.C. §§ 101 et seq. (the “Bankruptcy Code”), hereby respectfully alleges  
7 as follows:

8 **NATURE OF THE ACTION**

9 1. This is an adversary proceeding brought pursuant to, *inter alia*, Federal Rule of  
10 Bankruptcy Procedure 7001, sections 105 and 502 of the Bankruptcy Code, and other applicable law,  
11 seeking a declaratory judgment determining the validity, priority, and extent of the liens against  
12 property of the Debtors’ estates held by Defendant.

13 2. The Committee seeks a determination that other than the property identified in Exhibit  
14 A (the “Collateral”), as of the Petition Date, Defendant does not have a perfected security interest in  
15 any of the Debtors’ assets—and, in particular, Defendant does not have a perfected security interest in  
16 the deposit accounts of the Debtors set forth in Section I of Exhibit B hereto (the “Deposit Accounts”)  
17 or the funds therein, or in the entities or the assets of the entities set forth in Section II of Exhibit B  
18 hereto, nor does Defendant have any rights and/or interests in any so-called quality assurance fee  
19 (“QAF”) revenue funds arising under California Welfare & Institutions Code sections 14169.54 and  
20 14169.55, or the right to any future disbursements on account thereof, relating to QAF periods 7–10  
21 (“Future QAF Reimbursements”).

22 3. Plaintiff has standing to prosecute this Complaint by virtue of, *inter alia*, paragraph  
23 5(e) of the *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash*  
24 *Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV)*  
25 *Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* (the  
26 “Final DIP Order”) [Docket No. 409] entered by the Court on October 4, 2018.

27 4. Paragraph 5(e) of the Final DIP Order provides, in pertinent part:  
28

(e) **Validity, Perfection and Amount of Prepetition Liens.** The Debtors further acknowledge and agree that, as of the Petition Date, (a) the Prepetition Liens securing the Prepetition Secured Obligations on the Prepetition Collateral and the VMF Liens on the VMF Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Prepetition Secured Creditors and McKesson, (b) the Prepetition Liens were senior in priority over any and all other Liens on the Prepetition Collateral except the prepetition tax lien arising in connection with the CSCDA Special Assessments, and (c) the VMF Liens were senior in priority over any and all other Liens on VMF Collateral. The findings and stipulations set forth in this Final Order with respect to the validity, enforceability and amount of the Prepetition Secured Obligation and the Prepetition Liens shall be binding on any subsequent trustee, responsible person, examiner with expanded powers, any other estate representative, and all creditors and parties in interest and all of their successors in interest and assigns, including the Committee, unless, and solely to the extent that, a party in interest with requisite standing and authority (other than the Debtors, as to which any Challenge (as defined below) is irrevocably waived and relinquished) has timely filed the appropriate pleadings, and timely commenced the appropriate proceeding required under the Bankruptcy Code and Bankruptcy Rules, including as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 4(d)) challenging the Prepetition Liens (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a “**Challenge**”) within ninety (90) days from the formation of the Committee (the “**Challenge Deadline**”); provided that for purposes of filing a Challenge, the Committee shall be deemed to have standing to file the requisite pleading without further order of the Court; and *provided further*, that the “Challenge Deadline” for matters solely relating to the value of the Prepetition Collateral may be further extended to such time as may be agreed by stipulation among the Debtors, the Committee and the Prepetition Secured Creditors or as further ordered by the Court.

Final DIP Order, ¶ 5(e) (emphasis added).

5. The Parties have extended the Challenge Deadline on several occasions. As of the date of this filing, the Challenge Deadline is June 13, 2019.

#### **JURISDICTION AND VENUE**

6. This Court has jurisdiction over this adversary proceeding by virtue of 28 U.S.C. § 1334(b) and pursuant to 28 U.S.C. § 157(a).

7. This adversary proceeding is a “core” proceeding as defined in 28 U.S.C. §§ 157(b)(2)(A) and (K).

1           17. Pursuant to the Loan Agreements (defined in paragraph 21 below), the Debtors were  
2           loaned bond proceeds from the Indentures (referred to in paragraph 21 below) pursuant to which  
3           Defendant served as note trustee and collateral agent prior to the Petition Date.

4           18. This action is to determine the validity, priority, and extent of Defendant's liens and  
5           security interests. This action is not brought against Defendant in its individual capacity, but rather  
6           solely as a note trustee and collateral agent. Plaintiff does not contend that Defendant has done  
7           anything improper.

8           19. Subject to the limitations set forth, *inter alia*, in paragraph 5(e) of the Final DIP Order,  
9           the Debtors stipulated to, *inter alia*, the validity, perfection, and enforceability of Defendant's liens  
10          and scope of Defendant's collateral, and waived all rights to challenge such liens. *See* Final DIP  
11          Order, ¶ 5(e).

12          20. Pursuant to paragraph 5(e) of the Final DIP Order, the stipulations and admissions  
13          contained in the Final DIP Order are deemed binding upon the Debtors and all non-debtor parties-in-  
14          interest, including without limitation the Committee, for all purposes, including, without limitation the  
15          validity, perfection, and enforceability of the Prepetition Liens and the Prepetition Secured Obligations  
16          (as defined in the Final DIP Order), unless and except to the extent the Committee has initiated a  
17          timely Challenge Proceeding (as defined in the Final DIP Order). *See* Final DIP Order, ¶ 5(e).

18          21. The applicable Debtors' obligations owing to the Defendant are secured by a lien on  
19          and security interest in the Collateral pursuant to:

20               (i) the loan agreements identified in items (1) – (6) below (collectively, the "Loan  
21               Agreements");

22                     (1) Loan Agreement dated as of December 1, 2015 between the California Public  
23                     Finance Authority and Verity Health System of California, Inc. executed in  
24                     connection with the \$60,000,000 California Public Finance Authority Revenue  
25                     Notes (Verity Health System) Series 2015A, as amended by the Amendment to the  
26                     Loan Agreement dated as of March 2, 2016.

27                     (2) Loan Agreement dated as of December 1, 2015 between the California Public  
28                     Finance Authority and Verity Health System of California, Inc. executed in

1 connection with the \$45,000,000 California Public Finance Authority Revenue  
2 Notes (Verity Health System) Series 2015B, as amended by the Amendment to the  
3 Loan Agreement dated as of March 2, 2016.

4 (3) Loan Agreement dated as of December 1, 2015 between the California Public  
5 Finance Authority and Verity Health System of California, Inc. executed in  
6 connection with the \$10,000,000 California Public Finance Authority Revenue  
7 Notes (Verity Health System) Series 2015C (FEDERALLY TAXABLE), as  
8 amended by the Amendment to the Loan Agreement dated as of March 2, 2016.

9 (4) Loan Agreement dated as of December 1, 2015 between the California Public  
10 Finance Authority and Verity Health System of California, Inc. executed in  
11 connection with the \$45,000,000 California Public Finance Authority Revenue  
12 Notes (Verity Health System) Series 2015D, as amended by the Amendment to the  
13 Loan Agreement dated as of March 2, 2016.

14 (5) Loan Agreement dated as of September 1, 2017 between the California Public  
15 Finance Authority and Verity Health System of California, Inc. executed in  
16 connection with the \$21,000,000 California Public Finance Authority Revenue  
17 Notes (Verity Health System) Series 2017.

18 (6) Loan Agreement dated as of December 1, 2017 between the California Public  
19 Finance Authority and Verity Health System of California, Inc. executed in  
20 connection with the \$21,000,000 California Public Finance Authority Revenue  
21 Notes (Verity Health System) Series 2017B.

22 (ii) the Notes, Indentures (as defined in the Loan Agreements), and Master Indenture (in each  
23 case referred to in the applicable Loan Agreement), and

24 (iii) each Deed of Trust With Fixture Filing and Security Agreement and Assignment of Leases  
25 and Rents entered into in connection with the Loan Agreements (individually or collectively,  
26 “Deed of Trust”).

27 22. Other than the Collateral, as of the Petition Date, the Defendant does not have a  
28 perfected security interest in any of the Debtors’ assets, including (i) the Deposit Accounts set forth

1 in Section I of Exhibit B hereto, (ii) the entities or the assets of the entities set forth in Section II of  
2 Exhibit B hereto, (iii) any Future QAF Disbursements, and (iv) any commercial causes of action.

3 23. A determination by the Court pursuant to Federal Rules of Bankruptcy Procedure  
4 7001(2) and 7001(9), sections 105 and 502 of the Bankruptcy Code, and other applicable law regarding  
5 the validity, priority, and extent of Defendant's liens against the Debtors' estates is necessary to the  
6 proper administration of the Debtors' estates.

7 24. All rights to bring avoidance or similar actions under Chapter 5 of the Bankruptcy Code  
8 or similar state law (collectively, "Avoidance Actions") are reserved. Nothing in this Complaint shall  
9 be considered to be a waiver of any rights of the Committee, the Debtors, a liquidating trust, or any  
10 other entity with standing, to bring Avoidance Actions against any party.

11 **FIRST CLAIM FOR RELIEF**

12 **(Declaratory Relief – Clarification of Final DIP Order)**

13 25. The Committee restates and re-alleges each of the foregoing allegations as if fully set  
14 forth herein.

15 26. Paragraph 5(e) of the Final DIP Order provides that "the Prepetition Liens securing the  
16 Prepetition Secured Obligations on the Prepetition Collateral and the VMF Liens on the VMF  
17 Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted  
18 to, or for the benefit of, the Prepetition Secured Creditors and McKesson."

19 27. Read literally, paragraph 5(e) of the Final DIP Order mistakenly suggests that  
20 Defendant has a perfected security interest in all of the assets of all of the Debtors.

21 28. As of the Petition Date, Defendant does not have a perfected security interest in *all* of  
22 the assets of all of the Debtors, but rather only in the Collateral set forth on Exhibit A. Defendant  
23 does not have a perfected security interest in any of the Debtors' other assets, including (i) the  
24 Deposit Accounts set forth in Section I of Exhibit B hereto, (ii) the entities or the assets of the  
25 entities set forth in Section II of Exhibit B hereto, (iii) any Future QAF Disbursements, and (iv) any  
26 commercial causes of action.

**SECOND CLAIM FOR RELIEF**

**(Declaratory Relief – Deposit Accounts And Entities)**

29. The Committee restates and re-alleges each of the foregoing allegations as if fully set forth herein.

30. Defendant does not have a perfected security interest in the Deposit Accounts set forth in Section I of Exhibit B hereto because (a) there are no deposit account control agreements for the Deposit Accounts, (b) there is no possession of the funds in the Deposit Accounts by Defendant, and (c) the funds in the Deposit Accounts do not constitute identifiable cash proceeds of an otherwise perfected, unavoidable lien in other collateral of the Defendant.

31. Defendant does not have a perfected security interest in the entities or the assets of the entities set forth in Section II of Exhibit B hereto.

**THIRD CLAIM FOR RELIEF**

**(Declaratory Relief – Future QAF Disbursements)**

32. The Committee restates and re-alleges each of the foregoing allegations as if fully set forth herein.

33. Defendant does not have a perfected security interest in Future QAF Disbursements because, among other things, (a) Future QAF Disbursements do not constitute proceeds of pre-petition collateral, (b) the value of a lien in Future QAF Disbursements to Defendant is \$0.00 given that, as of the Petition Date, Defendant could not foreclose on its purported security interest and demand collection from the State of California, (c) the value of Future QAF Disbursement to Debtors on the Petition Date was \$0.00 because Debtors had not undertaken the commitments or satisfied the conditions precedent to have any rights to Future QAF Disbursements, and/or (d) Future QAF Disbursements depended completely upon post-petition services of the Debtors.

34. Accordingly, any purported lien in any Future QAF Disbursements in favor of Defendant must be avoided.

**PRAYER FOR RELIEF**

WHEREFORE, the Committee respectfully requests that the Court:

(a) issue a declaratory judgment that, notwithstanding the language of Paragraph 5(e) of the Final DIP Order, as of the Petition Date Defendant does not have a perfected security interest in any of the Debtors' assets other than the Collateral set forth on Exhibit A hereto;

(b) issue a declaratory judgment that Defendant does not have a perfected security interest in (i) the Deposit Accounts set forth in Section I of Exhibit B hereto, or (ii) the entities or the assets of the entities set forth in Section II of Exhibit B hereto;

(c) issue a declaratory judgment that Defendant does not have a perfected security interest in Future QAF Disbursements; and

(d) grant any further relief as the Court deems just and proper.
