I, Richard G. Adcock, hereby state and declare as follows:

1. I am the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). I became the Debtors' Chief Executive Officer effective January 2018. Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the not-for-profit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas and is dedicated to health and healing. In this role, I was responsible for leading Sanford Health's growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan, Sanford Foundation (a philanthropic fundraising foundation), Sanford Frontiers (a commercial and real estate company), Profile by Sanford (a scientific weight loss program), and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and was responsible for starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. From 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for leading strategic, operational and financial aspects within Sanford Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford

Children's Specialty Clinic and was responsible for leading the Pediatric Subspecialty Physician program and the clinical practice through all facets of the operation.

5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma Master Black Belt at GE Medical Systems, and before that I was the Vice President of Research and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of science in business administration and a masters of business administration in healthcare management.

6. On the date hereof (the "Petition Date"), VHS and certain of its subsidiaries (collectively, the "Debtors" or "Verity") filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Central District of California, Los Angeles Division (the "Bankruptcy Court"). I am knowledgeable and familiar with the Debtors' day-to-day operations, business and financial affairs, and the circumstances leading to the commencement of these chapter 11 cases (the "Chapter 11 Cases").

7. Except as otherwise indicated herein, this Declaration is based upon my personal knowledge, my review of relevant documents, information provided to me by employees of the Debtors and Integrity Healthcare, LLC ("Integrity") or the Debtors' legal and financial advisors, or my opinion based upon my experience, knowledge, and information concerning the Debtors' operations and the healthcare industry. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

8. I make this declaration for the purpose of apprising the Court and parties in interest of the circumstances that compelled the commencement of these Chapter 11 Cases and in support of the First-Day Motions (as defined below).

9. To enable the Debtors to minimize the adverse effects of the commencement of these Chapter 11 Cases on their business, the Debtors have requested various types of relief in a number of applications and motions (each a "First Day Motion," and, collectively, the "First Day Motions"). The First-Day Motions seek relief intended to maintain the Debtors' business operations; to preserve value for the Debtors, its stakeholders, and parties in interest; and, most

importantly, to protect the health and wellbeing of the patients who are being treated at the Hospitals (defined below) operated by the Debtors and the employees of the Debtors. Each First Day Motion is crucial to the Debtors' reorganization efforts and to the health and wellbeing of the patients. Any capitalized term not expressly defined herein shall have the meaning ascribed to that term in the relevant First-Day Motion.

10. Section I provides an overview of the Debtors and these Chapter 11 Cases. Section II describes the Debtors' businesses. Section III describes the circumstances that compelled the commencement of the Chapter 11 Cases. Section IV describes the Debtors' corporate and capital structure. Section V describes the Debtors' sales efforts. Section VI provides a summary of the First-Day Pleadings and factual bases for the relief requested therein.

I. OVERVIEW[1]

11. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate member of the following five Debtor California nonprofit public benefit corporations that operate six acute care hospitals, O'Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, and Seton Medical Center Coastside (collectively, the "Hospitals") and other facilities in the state of California. Seton Medical Center and Seton Medical Center Coastside operate under one consolidated acute care license.

12. VHS, the Hospitals, and their affiliated entities (collectively, "Verity Health System") operate as a nonprofit health care system in the state of California, with approximately 1,680 inpatient beds, six active emergency rooms, a trauma center, and a host of medical specialties, including tertiary and quaternary care. The scope of the services provided by the Verity Health System (defined below) is exemplified by the fact that in 2017, the Hospitals provided medical services to over 50,000 inpatients and approximately 480,000 outpatients.

13. The VHS affiliated entities, including the Debtors, are as follows:

- O'Connor Hospital
- Saint Louise Regional Hospital

[1] Capitalized terms used but not defined in this overview section shall have the meanings assigned to them below.

O'Connor Medical Center Foundation handle fundraising and grant-making programs for each of their respective Debtor Hospitals.

17. As of August 30, 2018, the Debtors' facilities had approximately 850 patients, and are currently at approximately 50% occupancy.

18. As of August 31, 2018, the Debtors have approximately 7,385 employees, of whom 4,733 are full-time employees. Approximately 74% of these employees are represented by collective bargaining units. Specifically, 72% of the Debtors' Employees – approximately 5,331 Employees in total – are represented through California Nurses Associations ("CNA"), Service Employees International Union ("SEIU"), National Union Healthcare Workers ("NUHW") and United Nurses Association of California/Union of Health Care Professionals ("UNAC").

19. As part of the mission of Verity Health System to serve the community, VHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges.

20. All of the Debtors' Hospitals are licensed as general acute care hospitals by the California Department of Public Health, certified to participate in the Medicare and Medicaid programs, and managed by VHS.

21. Each of the Debtors are exempt from federal income taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, except for Verity Holdings, LCC, DePaul Ventures, LLC, and DePaul Ventures - San Jose Dialysis, LLC.

22. St. Francis Medical Center owns real property commonly known as: (i) 3630 E. Imperial Highway Lynwood, CA 90262, including the patient tower and all of the facilities thereon; (ii) 2700 E. II. The Debtors' Businesses

A. The Debtors' Current Business Operations.

28. A description of VHS, each Hospital and its respective subsidiaries and affiliates is described below, all of which are jointly-administered Debtors in these cases.

29. **Verity Health Systems.** As set forth above, VHS is a nonprofit regional healthcare system headquartered in El Segundo, California. VHS was originally established by the Daughters of Charity of St. Vincent de Paul, Province of the West, to support the mission of the Catholic Church through a commitment to the sick and poor. VHS operates six hospitals in California.

30. **Verity Business Services.** VHS operates Verity Business Services ("VBS"), a nonprofit public benefit corporation. VBS provides support services to Verity and its affiliated hospitals including accounting, finance, patient financial services, supply chain management, and purchasing services for the entire health system.

31. **Verity Medical Foundation.** As set forth above, VMF operates clinics and contracts with physicians to provide high quality, compassionate, patient-centered care to

individuals and families throughout California. With more than 100 primary care and specialty physicians, VMF offers medical, surgical and related healthcare services for people of all ages at community-based, multi-specialty clinics conveniently located in areas served by the Hospitals.

32. **O'Connor Hospital.** O'Connor Hospital is a nonprofit public benefit corporation that operates a 358 licensed-bed, general acute care hospital that serves residents from the greater San Jose area. The hospital has an emergency department with 23 emergency treatment stations. It also has 11 surgical operating rooms and two cardiac catheterization labs. The hospital offers a comprehensive range of healthcare services, including emergency, cardiac, orthopedic, cancer, obstetrics, and sub-acute care services. The hospital is accredited by The Joint Commission.

33. **O'Connor Foundation.** O'Connor Foundation was incorporated in 1983 and is governed by a Board of Trustees. Charitable donations and endowments help fund the acquisition of new equipment, the expansion of O'Connor Hospitals' facilities, healthcare services, and community outreach programs. O'Connor Hospital is the sole corporate member of O'Connor Foundation. As of May 31, 2018, O'Connor Hospital Foundation had a balance of $1,123,644.15 in temporarily restricted assets and a balance of approximately $334,802.20 in permanently restricted assets for the purpose of funding the cardiac catheterization lab capital, wound care services, surgical services, and various other programs.

34. **St. Vincent Medical Center.** St. Vincent Medical Center was founded as the first hospital in Los Angeles in 1856. In 1971, a new facility was constructed at the Hospital's current location at 2131 West Third Street, Los Angeles, CA 90057. The hospital has expanded to a 366 licensed bed, regional acute care, tertiary referral facility, specializing in cardiac care, cancer care, total joint and spine care, and multi-organ transplant services. The Hospital serves both local residents and residents from Los Angeles, San Bernardino, Riverside, and Orange Counties. As a provider of healthcare services for a high percentage of elderly patients, many of the hospital's services and programs are focused on the treatment of various chronic diseases.

35. **St. Vincent Foundation.** St. Vincent Foundation was incorporated in 1989 as a nonprofit public benefit corporation. Charitable donations and endowments raised by St. Vincent Foundation help fund the acquisition of new equipment, the expansion of the Hospital's facilities,

healthcare services, and community outreach programs. St. Vincent Foundation raises funds through grants, special events, and individual donors. St. Vincent is governed by a Board of Trustees, and St. Vincent Medical Center is the sole corporate member of the Foundation. St. Vincent, as well as St. Vincent Foundation, holds donor-restricted funds. As of May 31, 2018, St. Vincent Foundation had a balance of approximately $1,590,149.89 in temporarily restricted assets and a balance of approximately $136,159 in board designated temporarily restricted assets for the purpose of funding programs such as bone mineral density research, transportation for low-income patients, the organ transplantation program, and oncology research and treatment.

36. **St. Vincent Dialysis Center.** St. Vincent Medical Center is the sole corporate member of the St. Vincent Dialysis Center, located on the Hospital's campus. The St. Vincent Dialysis Center provides dialysis services for kidney disease patients, including hemodialysis and isolated ultrafiltration treatments as part of the Hospital's end-stage renal disease program.

37. **St. Francis.** St. Francis Medical Center was established in 1945 and gained sponsorship from Daughters of Charity, Province of the West, in 1981. The hospital provides comprehensive healthcare services and operates one of the busiest emergency trauma centers in Los Angeles County. The Hospital serves 1.2 million residents of Southeast Los Angeles, located in the communities of Lynwood, South Gate, Downey, Huntington Park, Bell Gardens, Maywood, and Compton. As a provider of healthcare services for many Medi-Cal and uninsured patients, the hospital receives significant Disproportionate Share Hospital funding. St. Francis operates a 384 licensed bed, general acute care hospital located at 3630 East Imperial Highway in Lynwood, California. The hospital has an emergency department with 46 licensed emergency treatment stations and is designated a Level II Trauma Center. It also has nine surgical operating rooms and three cardiac catheterization labs for inpatient and outpatient cardiac catheterization services. The hospital offers a comprehensive range of services, including emergency and trauma care, neonatal intensive, cardiovascular, oncology, pediatrics, behavioral health, and maternity and child services. In addition to the inpatient programs and services, the Hospital also offers various outpatient services, including ambulatory surgical services, laboratory services, imaging services, infusion therapy, nuclear medicine services, respiratory therapy, and physical therapy.

Other outpatient services are provided at the following clinics: Orthopedics Clinic, Wound Care Clinic, Industrial Clinic, Lynwood Clinic, Downey Clinic , and Huntington Park Clinic. The Hospital is accredited by The Joint Commission.

38. **St. Francis Medical Center Foundation.** St. Francis Medical Center is the sole corporate member of St. Francis Medical Center Foundation. St. Francis Medical Center Foundation was incorporated in 1983 as a nonprofit public benefit corporation and is governed by a volunteer Board of Trustees. Charitable donations and endowments help fund the acquisition of new equipment, the expansion of the Hospital's facilities, healthcare services, and community outreach programs. St. Francis Foundation raises funds through grants, special events, and individual donors. As of May 31, 2018, St. Francis Foundation had a balance of $656,118.24 in temporarily restricted assets for the purpose of funding programs such as the Children's Counseling Center, nurse education, and the annual Women's Luncheon in support of mammogram equipment. The Foundation also funds Health Benefit Resource Center, Healthy Communities Initiative, and Trauma Recovery.

39. **Seton Medical Center.** Seton Medical Center was originally founded as Mary's Help Hospital by the Daughters of Charity of St. Vincent De Paul in 1893. The original facility was destroyed in the San Francisco Earthquake of 1906, and by 1912, Mary's Help Hospital reopened a new facility in San Francisco. In 1965, the hospital was moved to its current location at 1900 Sullivan Avenue in Daly City. The hospital was renamed Seton Medical Center in 1983, is currently licensed for 357 beds and serves residents from San Francisco and San Mateo areas. Seton Medical Center has an emergency department with 18 licensed treatment stations. It also has 13 surgical operating rooms and three cardiac catheterization labs. Of the Hospital's 83 licensed skilled nursing beds, 39 are in suspense, and the remaining 44 beds are utilized as sub-acute care beds. Additionally, the hospital has 24 licensed acute psychiatric beds which have been placed in suspense. The hospital has a broad spectrum of medical services, including cancer, cardiac, emergency, surgical, rehabilitation, respiratory, orthopedic, and sub-acute care. The hospital is accredited by The Joint Commission. Seton Medical Center and Seton Coastside share a consolidated license.

40. **Seton Coastside.** Seton Coastside was founded as Moss Beach Rehabilitation Hospital in 1970. In 1980, the City of Half Moon Bay acquired ownership of the hospital and signed an agreement for Daughters of Charity to manage operations of the hospital and rename it St. Catherine's Hospital. In 1993, St. Catherine's Hospital became Seton Coastside as it became integrated with Seton Medical Center. Today, Seton Coastside is licensed for 116 skilled nursing beds and five general, acute-care beds. Seton Coastside also operates the only 24-hour "standby" Emergency Department along the 55-mile stretch between Santa Cruz and Daly City. Under a consolidated license, Seton Medical Center and Seton Coastside share the same Board of Directors, executive leadership team, charity care policies, and union collective bargaining agreements.

41. **Seton Foundation.** Seton Foundation, governed by a Board of Trustees, raises funds through grants, special events and individual donors. Charitable donations and endowments raised by Seton Foundation help fund the acquisition of new equipment and the expansion of facilities at the Seton Medical Center and Seton Coastside. Seton is the sole corporate member of the Seton Foundation. As of May 31, 2018, Seton Foundation had a balance of $2,693,778.66 million in temporary restricted assets and a balance of $ 2,717,591 million in permanently restricted assets for the purpose of funding programs such as oncology, the San Francisco Heart & Vascular Institute, and women and delivery services.

42. **Saint Louise Hospital.** Saint Louise Hospital opened in 1989 in the Morgan Hill area of Santa Clara County. In December 1999, the Daughters of Charity of St. Vincent de Paul relocated the hospital to Gilroy and renamed it Saint Louise Regional Hospital. Today, the Hospital's 93-bed facility and 24-hour emergency department provide services to the residents of southern Santa Clara County, including Morgan Hill, San Martin, and Gilroy. Saint Louise Regional Hospital operates a 93 licensed bed, general acute care hospital located at 9400 No Name Uno, Gilroy, California 95020. The Hospital has an emergency department with eight licensed emergency treatment stations. The Hospital also has five surgical operating rooms for inpatient and outpatient surgical procedures. Ten of the Hospital's 21 licensed skilled nursing

beds are in suspense. The Hospital provides comprehensive healthcare services including cancer, emergency, rehabilitation, and surgical care. The Hospital is accredited by The Joint Commission.

43. Saint Louise Regional Hospital owns and operates the De Paul Urgent Care Center. The De Paul Urgent Care Center is located in Morgan Hill, and offers patients non-emergency medical services seven days a week. The De Paul Urgent Care Center treats non-life threatening cases, such as minor injuries and lacerations, strep throat, sinus infections, rashes, nausea, vomiting, colds, flu, and fever.

44. **Saint Louise Foundation.** Saint Louise Foundation, governed by a Board of Trustees, raises funds through grants, special events, and individual donors. Charitable donations and endowments raised by Saint Louise Foundation help fund the acquisition of new equipment and the expansion of the Hospital's facilities. Saint Louise is the sole corporate member of Saint Louise Foundation. As of May 31, 2018, Saint Louise Regional Hospital Foundation had a balance of approximately $561,486.86 in temporarily restricted assets.

45. **De Paul Ventures, LLC.** De Paul Ventures, LLC is a wholly-owned and operated holding company of Verity that was formed in August 2010 for the purpose of investing in a freestanding surgery center and other healthcare entities.

46. **DePaul Ventures - San Jose Dialysis, LLC.** In April, 2013, DePaul Ventures, LLC, formed DePaul Ventures - San Jose Dialysis, LLC ("Dialysis"). Dialysis is a general and limited partner of Priday Dialysis, LLC, a healthcare center specializing in end-stage renal disease treatment. Dialysis shares an interest in Priday Dialysis with Total Renal Care, Inc., which is a subsidiary of DaVita.

47. **Verity Holdings, LLC.** As set forth above, Holdings is a direct subsidiary of its sole member VHS and was created in 2016 to hold and finance Verity's interests in six medical office buildings whose tenants are primarily physicians, medical groups, healthcare providers, and certain of the VHS Hospitals. Holdings' real estate portfolio includes over 30 properties, including, but not limited to, apartment buildings, parking lots, and condominiums. Holdings is the borrower on approximately $66.2 million of non-recourse financing secured by separate deeds of trust and revenue and accounts pledges, including the rents on each medical office building

(collectively "MOB Financing").

48. **Non-Debtor VHS Entities.** The Debtors' have an interest in the entities described below that are not filing chapter 11.

49. Marillac Insurance Company, LTD. ("Marillac"), a wholly-owned subsidiary of VHS, was incorporated in the Cayman Islands on December 9, 2003, as an exempted company and was granted an Unrestricted Class "B" Insurer's License effective December 15, 2003, which it holds subject to the provisions of the Insurance Law of the Cayman Islands. On November 1, 2012, The Insurance Law, 2010 (the "Law") became effective. Under such law, Class B licenses were changed from "restricted" and "unrestricted," as they had been described in previous revisions of the law, into three separate classes "(i)," "(ii)" and "(iii)." Insurers writing at least 95% of net premiums with their related business (in this case VHS) fell into Class B(i). The Company was granted a Class B(i) license, effective April 2, 2015. Marillac provides insurance coverage to VHS and its affiliates.

50. St. Vincent De Paul Ethics Corporation does not hold any assets and is a nondebtor entity. St. Francis Medical Center is its sole corporate member.

51. VHoldings MOB, LLC ("VHoldings") is currently an inactive subsidiary of VHS and has no assets or obligations. It was created as a "special purpose entity" for a proposed financing that did not materialize. As part of the proposed transaction structure, four additional LLCs were established in which, VHoldings was the sole member of each. The four additional LLCs were dissolved on January 23, 2017.

52. De Paul Ventures – San Jose ASC, LLC ("San Jose ASC"), was formed in February 2011, by De Paul Ventures, LLC (which is a filing entity), and owns a 25% interest as a limited partner in a partnership with Physician Surgery Services, dba Advanced Surgery Center, a freestanding surgery center in San Jose. San Jose ASC's only asset is a sale contract, pursuant to which it receives payments of $125,000 every other month. Postpetition, San Jose ASC will continue to forward to VHS the $125,000 received every other month. Once all payments are received, the Debtors will dissolve San Jose.

53. Robert F. Kennedy Medical Center is a nonprofit public benefit corporation that

DENTONS US LLP

operated a 229-bed general acute care hospital and served residents in Hawthorne, California, until December 31, 2004. Robert F. Kennedy Medical Center Foundation is a nonprofit public benefit corporation that raised funds for the Robert F. Kennedy Medical Center.

54. O'Connor Health Center I is a California limited partnership, formed in January 1996 ("OCH1"). O' Connor Hospital is a limited partner in OCH1 and the general partner is OCH Forest 1, LP. OCH1 owns certain real property at 455 O'Connor Drive, San Jose, California. Such property is leased by O'Connor Hospital.

55. Sports Medical Management, Inc. has no assets or obligations.

B. Integrity's Management of Debtors.

56. As set forth above, Integrity was formed in 2015 to carry out the management services under the Management Agreement, for which Integrity is paid a monthly management fee. Through June 30, 2017, Integrity was wholly owned by BlueMountain. In July 2017, NantWorks, LLC ("NantWorks"), acquired a majority stake in Integrity from BlueMountain. There were no significant changes to the terms of the Restructuring Agreement or the California Attorney General requirements as a result of this transaction.

57. On a monthly basis, VHS records management fee expense and makes payments to Integrity associated with the management services received under the Management Agreement. During the initial fiscal year which ended June, 2016, the monthly management fee was determined based on a specified percentage of trailing 12 month operating revenues for VHS. Such management fees are adjusted each succeeding fiscal year based on changes in the consumer price index. VHS defers payment for a portion of management fees based on its days' cash on hand over the most recent 90 day period. All deferred management fees accrue interest at 2.82% per annum to the extent such amounts are not paid in the fiscal year that services are received. Such deferred management fees are contingently payable based on the terms of the Management Agreement, which include annual calculations of excess cash on hand.

C. Verity's Employees.

58. As set forth above, altogether, the Debtors employ approximately 7,385 employees (the "Employees") – 6,907 excluding VMF and 478 under VMF. Almost three-quarters of the

Debtors' Employees – approximately 5,488 Employees in total – are represented through CNA, SEIU, California Licensed Vocational Nurses' Association, and The International Union of Operating Engineers, Stationary Local No. 39, AFL-CIO.

59. For W-2 tax and payroll purposes, the Debtors are divided into eight employers:

(a) VHS, which covers the Systems Office and the Philanthropic Foundations, and as of the Petition Date employed approximately 294 employees, of which 289 are full-time, 3 are part time and 2 are employed on a per diem basis;

(b) Verity Business Services, which as of the Petition Date employed approximately 307 employees, of which 285 are full-time, 11 are part time and 11 are per diem;

(c) O'Connor Hospital, which as of the Petition Date employed approximately 1,370 employees, of which 586 are full-time, 441 are part time and 343 are per diem;

(d) Saint Louise Regional Hospital, which as of the Petition Date employed approximately 480 employees, of which 153 are full-time, 159 are part time and 168 are per diem;

(e) St. Francis Medical Center, which as of the Petition Date employed approximately 2,017 employees, of which 1,583 are full-time, 136 are part time and 298 are per diem;

(f) St. Vincent Medical Center, which as of the Petition Date employed approximately 1,099 employees, of which 897 are full-time, 42 are part time and 160 are per diem;

(g) Seton Medical Center, which includes Seton Medical Center Coastside, and as of the Petition Date employed approximately 1,340 employees, of which 516 are full-time, 551 are part time and 273 are per diem; and

(h) VMF, which as of the Petition Date employed approximately 478 employees, of which 424 are full-time, 15 are part-time and 39 are per diem.

60. The Debtors' Employees are represented by the following unions with the respective contractual obligations: (i) SEIU-UHW (Non-Nursing Service Employees) at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Medical Center, Saint Louise Regional Hospital; (ii) SEIU-UHW (Non-Nursing Service Employees) at Verity Medical Foundation; (iii) NUHW (Non-Nursing Service Employees) at Verity Medical Foundation; (iv) NUHW (Non-Nursing Service Employees) at Seton Medical Center, Seton Medical Center Coastside; (v) CAN (Nurses) St.

D. Pension and Other Postretirement Benefit Plans.

61. VHS maintains two single employer defined benefit pension plans and participates in two multi-employer defined benefit pension plans. The defined benefit pension plans have been frozen for all employees, except members of the CNA at certain facilities. Defined benefit pension plan benefits are generally based on age, years of service, and employee compensation. In addition, VHS and VMF maintain several defined contribution retirement plans for employees.

62. The significant multiemployer defined benefit pension plan is the Retirement Plan for Hospital Employees ("RPHE"). The VHS entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Verity Business Services. The RPHE is frozen as to these facilities, other than with respect to CNA members at O'Connor Hospital, Saint Louise Regional Hospital and Seton Medical Center. Benefits under the RPHE are generally based on years of service and employee compensation. Contributions to the RPHE are based on actuarially determined amounts by the RPHE Board of Trustees to meet benefits to be paid to plan participants and satisfy IRS funding requirements. VHS recorded benefit expenses of approximately $20.46 million and $17.22 million in cash contributions to the RPHE for the fiscal years ended June 30, 2017 and 2016, respectively. The VHS contributions accounted for approximately 43% and 40% of total contributions made to the RPHE for the fiscal years ending June 30, 2017 and 2016, respectively. Of the estimated remaining $4.79 million for 2018 and expected $12.68 million for 2019, VHS contributions to RPHE, approximately $3.15 million and $7.63 million, respectively, is for make-up of underfunded amounts that arose prior to VHS' acquisition from the Daughters of Charity Health System ("DCHS"). As of July 31, 2018, there were no unpaid contribution installment obligations owed by VHS to the RPHE.

63. In addition to the RPHE, Verity assumed in the Daughters of Charity restructuring

certain obligations under a multiemployer plan commonly referred to as Stationary Engineers Local 39 Pension Plan (the "Local 39 Plan"). As of July 31, 2018, there were no unpaid contributions due on the Local 39 Plan.

64. VHS maintains two single-employer defined benefit pension plans (the "Verity A & B Plans"). VHS personnel at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, and the VHS system office are eligible to participate in these plans. However, only CNA members continue to earn new benefits under the Verity Plan A; the Verity Plan B is completely frozen with no ongoing benefit accruals. VHS contributed approximately $41.68 million and $9.92 million during the fiscal years ended June 30, 2017 and 2016, respectively. Of the estimated remaining $10.12 million for 2018 and expected $35.53 million for 2019 VHS contributions to Verity Plan A, approximately $8.10 million and $28.05 million, respectively, is for make-up of underfunded amounts that arose prior to VHS' acquisition from the Daughters of Charity. As of July 31, 2018, there were no unpaid contribution installment obligations owed by VHS to the Verity A & B Plans.

65. VHS and VMF also maintain several active defined contribution retirement plans for eligible employees; eligibility for and benefits under the defined contribution retirement plans vary according to facility, union status, and employee classification/hire date. These defined contribution plans include the Verity Health System Supplemental Retirement Plan (TSA), the Verity Health System Supplemental Retirement Plan (401(a)), the Verity Health System Retirement Account (RPA), the Verity Medical Foundation 401(k) Plan, the Verity Medical Foundation Management Bargaining Unit Employees 401(k) Plan for represented employees and the Verity Health System Executive Long-Term Savings Plan (457(b)) Plan for nonrepresented employees. These defined contribution plans are funded from employee and/or employer contributions generally on a payroll by payroll basis. In addition to the above active defined contribution plans, there are several small, frozen ancillary retirement plans. During the fiscal years ended June 30, 2017 and 2016, the employer's contribution expense for defined contribution plans was approximately $18.48 million and $21.75 million respectively. As of July 31, 2018, there were no unpaid employer contributions owed on any of these defined contribution

plans other than unpaid contributions for current and recent payroll cycles consistent with ordinary administrative practices.

66. VHS also maintains an early retiree health insurance program (the Postretirement Healthcare Plan), which provides medical benefits to eligible retirees from early retirement to age 65 only. The postretirement health care benefits are determined based on age and years of service. Certain employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. VHS contributed $50,000 and $58,000 to the Postretirement Healthcare Plan during the fiscal years ended June 30

E. Insurance Policies

67. The Debtors maintain various insurance policies issued by several insurance carriers (collectively, the "Insurance Carriers"). Collectively, these policies provide for coverage for, among other things: storage tank liability, commercial property, workers' compensation and employers liability, commercial automobile, helipad liability & non-owned aircraft liability, sexual misconduct and molestation liability, D&O liability, general liability, and professional liability (collectively, the "Insurance Policies").[2]

68. Significant insurance is issued to the Debtors by its captive insurer Marillac. VHS is the sole owner of Marillac. The policies issued by Marillac cover professional and general liability (both at the primary and excess level) and additional excess coverage as to automobile liability, heliport and non-owned aircraft liability, employer's liability and certain other general liability. Marillac also issued a Deductible Liability Protection Policy which provides coverage for the deductible obligations on the Debtors' workers' compensation policy issued by Old Republic Insurance Company ("Old Republic").

69. Most of the Debtors' Insurance Policies will expire between September 5, 2018 and July 1, 2019. The Debtors have begun negotiating renewals, extensions and/or entries into new insurance policies with respect to the expiring Insurance Policies.

[2] The Insurance Policies include six (6) CA DHS patient Trust Bonds, which have an annual premium in the aggregate of $1,100 that was paid in full in December 2017 and will not come due for renewal until December 2018.

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

70. In certain instances, the Debtors pay premiums for their Insurance Policies in full at the beginning of the policy and in other instances in quarterly installments. The total annual premium due for Insurance Policies is approximately $18,647,036. Of that amount, the Debtors pay $2,637,071 at the time of inception, and the remaining $16,009,965 is paid in quarterly installments. As of the Petition Date, there are no outstanding unpaid premiums due. The total amount of annual insurance premiums which will come due postpetition is $10,043,085.

a. Self-Insured Retentions

71. The Debtors maintain self-insured retentions of $250,000 per claim under their D&O liability coverage, $350,000 per claim under their employment practices coverage, $50,000 per claim under their fiduciary liability coverage, $100,000 per claim under their crime coverage, and $50,000 per claim under their sexual misconduct and molestation liability coverage (the "Self-Insured Retentions" or "SIRs"). A SIR is a loss amount that the insured is obligated to pay before the insurer's coverage obligation is triggered.

72. The Debtors' Self-Insured Retentions are administered so that the Debtors pay directly for the losses under each policy as they are incurred up to the amounts of the Self-Insured Retentions. Such SIRs due prepetition have been paid. For the last year, no SIR amounts have been due for (a) the D&O liability coverage, (b) the employment practices coverage, (c) the fiduciary liability coverage, and (d) the crime coverage. There have also been no SIR amounts incurred under the sexual misconduct and molestation liability policy last year.

b. Deductibles

73. The Debtors maintain a workers' compensation insurance policy with Old Republic with a $500,000 deductible for each claim. Old Republic provides coverage under the policy up to $1 million for each claim. On average, the monthly invoice amounts for deductibles (including ALAE) incurred under the workers' compensation policy is between $400,000 and $650,000, which are timely paid by Marillac under the Deductible Liability Protection Policy.

74. The deductibles included in the Debtors' other Insurance Policies are:

- Storage Tank Liability - ACE American Insurance Company (Chubb) - $5,000 per Storage Tank Incident;

DENTONS US LLP

- Storage Tank Liability - Tokio Marine Specialty Insurance Company (Philadelphia) - $25,000 per Confirmed Release;
- Commercial Property - American Guarantee and Liability Insurance Company (Zurich) - $100,000 Basic Policy Deductible;
- Commercial Automobile - National Union Fire Insurance Company of Pittsburg, PA (AIG) - $1,000 Comprehensive, $1,000 Collision;
- Helipad Liability & Non-Owned Aircraft Liability - StarNet Insurance Company (Berkley Aviation) - $1,000 Physical Damage per Occurrence; and
- General Liability - Chubb - $10,000 per Occurrence.

75. The Debtors expect their prepetition deductible obligations, other than those deductibles owed under the workers' compensation policy (which are paid by Marillac, a non-debtor), to be minimal.

c. Letter of Credit

76. The Debtors provide a $34,087,296 letter of credit to Old Republic as security for all of the Debtors' obligations, as required under their workers' compensation policy. Marillac is the account party on the letter of credit, and the letter of credit is fully secured by Marillac's assets - $34,087,296 of liquid securities. Pursuant to the Program Agreement Endorsement to the workers' compensation policy, Old Republic may draw upon the letter of credit to reimburse Old Republic for payment of the Debtors' deductible obligations or for payment of other obligations of the Debtors under the workers' compensation policy, if not paid by Marillac. Old Republic may also draw down the $34,087,296 letter of credit in full upon the Debtors' insolvency or filing of a bankruptcy petition.

77. The Debtors expect that Marillac will continue to honor its policy to insure the Debtors' obligations under the workers' compensation policy, and that Old Republic will not be harmed by the Debtors' chapter 11 filing.

d. Claims Administration Agreements

78. The Debtors have entered into administrative services contracts with Sedgwick Claims Management Services, Inc. ("Sedgwick"), for administration of claims submitted under

the Debtors' workers' compensation policy as well as their professional and general liability policy.

79. The Debtors pay Sedgwick an annual estimated fee of $702,000 which is paid in quarterly installments of $175,000 for services provided by Sedgwick under the Debtor's workers' compensation policy. The actual fees owed to Sedgwick are based on the staffing necessary for Sedgwick to provide claims services and are calculated by taking the actual program salaries, bonuses and temporary expenses multiplied by the salary multiplier. Sedgwick will periodically provide an accounting to determine the actual fees incurred. The Debtors are entitled to a credit if the amount of actual fees owed to Sedgwick are less than the estimated fees paid. On the other hand, Sedgwick bills the Debtors for the additional actual fee owed if the actual fee amount is higher than the estimated fees.

80. With respect to administration of their professional and general liability policy, the Debtors pay Sedgwick $3,545 per claim and suit file, $1,825 per Potentially Compensable Event ("PCE") where an investigation has been requested, $275 for a PCE where an investigation has not been requested pursuant to this agreement. Fees are paid monthly as files are assigned to Sedgwick by the Debtors. Debtors also pay Sedgwick a program management fee of $1,250 each month.

F. Recent Financial Results.

81. As of June 30, 2018, Verity's consolidated unaudited financial statements reflected total assets of approximately $847 million and total liabilities of approximately $1,278 billion.

III. The Need For Chapter 11 Relief And The Events Leading To The Commencement Of These Chapter 11 Cases

A. Historical Challenges.

82. The Hospitals and VMF were originally owned and operated by the Daughters of Charity of St. Vincent de Paul, Province of the West (the "Daughters of Charity"), to support the mission of the Catholic Church through a commitment to the sick and poor. The Daughters of Charity began their healthcare mission in California in 1858 with the opening of Los Angeles Infirmary, now known as St. Vincent Medical Center. The Daughters of Charity expanded its

hospitals to San Jose in 1889 and San Francisco in 1893. The Daughters of Charity ministered to ill, poverty-stricken individuals for more than 150 years.

83. In March 1995, the Daughters of Charity merged with Catholic Healthcare West ("CHW"). In June 2001, the Daughters of Charity Health System ("DCHS") was formed. In October 2001, the Daughters of Charity withdrew from CHW. In 2002, DCHS commenced operations and was the sole corporate member of the Hospitals, which at that time were California nonprofit religious corporations.

84. Between 1995 and 2015, the Daughters of Charity and DCHS struggled to find a solution to continuing operating losses, either through a sale of some or all of the hospitals or a merger with a more financially sound partner. All these efforts failed. During these efforts, however, the health system's losses continued to mount. In 2005, DCHS issued $364 million in bonds to refinance existing debt and to fund future capital expenditures. Three years later, in 2008, they issued another $143 million in bonds to refinance existing debt.

85. Between 2012 and 2014, DCHS participated in an affiliation with Ascension Health Alliance ("Ascension") in an effort to create greater operating efficiencies. Ascension is the largest Catholic health system in the world and the largest non-profit health system in the United States with facilities in 23 states and the District of Columbia. The affiliation between DCHS and Ascension failed.

86. Despite continuous efforts to improve operations, operating losses continued to plague the health system due to, among other things, mounting labor costs, low reimbursement rates and the ever-changing healthcare landscape. In 2013, DCHS actively solicited offers for O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center and Seton Medical Center Coastside. In 2013, to avoid failing debt covenants, the Daughters of Charity Foundation, an organization separate and distinct from DCHS, donated $130 million to DCHS to allow it to retire the 2008 Bonds in the total amount of $143.7 million.

87. In early 2014, DCHS announced that they were beginning a process to evaluate strategic alternatives for the health system. Throughout 2014, DCHS explored offers to sell their health system and, in October of 2014, they entered into an agreement with Prime Healthcare

Services and Prime Healthcare Foundation (collectively, "Prime") to sell the health system. However, to keep the hospitals open, DCHS, needed to borrow another $125 million to mitigate immediate cash needs during the sale process; in other words, to allow DCHS to continue to operate until the sale could be consummated. Notably, DCHS' goal in the transaction was to basically maintain the status quo; their guiding principles for the sale included protecting existing pensions, repaying all their bond debt, continuation of all collective bargaining agreements, maintenance of existing contracts for patient services, and obtaining promises for substantial capital expenditures. In early 2015, the California Attorney General consented to the sale to Prime, subject to conditions on that sale that were so onerous that Prime terminated the transaction.

88. In 2015, DCHS again marketed their health system for sale, and, again, focused on offers that maintained the health system as a whole, and assumed all the obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the "BlueMountain Transaction").

89. In connection with the BlueMountain Transaction, BlueMountain agreed to make a capital infusion of $100 million to the hospital system, arrange loans for another $160 million to the health system, and manage operations of the health system, with an option to buy the health system at a future time. In addition, the parties entered into a System Restructuring and Support Agreement (the "Restructuring Agreement"), DCHS's name was changed to Verity Health System, and Integrity was formed to carry out the management services under a new management agreement.

90. DCHS requested the California Attorney General's consent to enter into the Restructuring Agreement and the BlueMountain Transaction. According to report prepared by MDS Consulting, an expert consulting firm retained to prepare healthcare impact reports for the AG, DCHS outlined the following reasons why the BlueMountain Transaction was either necessary or desirable:

- The current structure and sponsorship of DHCS was no longer plausible as a result of cash flow projections and dire financial conditions.
- In July and August of 2014, DCHS obtained a short-term financing bridge loan in the amount of $125 million to mitigate the immediate cash needs for an estimated period of time long enough to allow for the transaction to close. Repayment of the funds was due on December 15, 2015, at which time if the full amount was not repaid, DCHS would be at risk of defaulting on both their 2014 and 2005 Revenue Bonds.
- Without bankruptcy protection or additional financial support, DHCS could not continue hospital operations if there is a default.

91. On December 3, 2015, the California Attorney General approved the BlueMoutain Transaction, subject to conditions. The Attorney General conditions were imposed for periods ranging from 5 to 15 years. Generally, the terms of conditions (collectively, the "Conditions") included: (1) limits on transfers of control; (2) maintenance of specific health services and specific bed counts; (3) required participation in Medicare and Medi-Cal programs; (4) required levels of community benefit programs; (5) required levels of charity care; (6) maintenance of certain county payor contracts; (7) requirements for local governing boards; (8) requirements for medical staff compliance; and (9) an annual attestation of compliance with the AG conditions.

92. Under the Restructuring Agreement, VHS, O'Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center and Seton Medical Center Coastside, all of whom are members of the Obligated Group (as defined below), were converted from religious corporations to public benefit corporations.

93. Despite BlueMountain's infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system did not prosper.

94. In July 2017, NantWorks, LLC acquired a controlling stake in Integrity. NantWorks brought in a new CEO, CFO, and COO. NantWorks loaned another $148 million to the Debtors.

95. Despite the infusion of capital and new management, it became apparent that the problems facing the Verity Health System were too large to solve without a formal court supervised restructuring. Thus, despite VHS' great efforts to revitalize its Hospitals and improvements in performance and cash flow, the legacy burden of more than a billion dollars of bond debt and unfunded pension liabilities, an inability to renegotiate collective bargaining

agreements or payor contracts, the continuing need for significant capital expenditures for seismic obligations and aging infrastructure, and the general headwinds facing the hospital industry, make success impossible. Losses continue to amount to approximately $175 million annually on a cash flow basis.

96. Based on the foregoing, and while VHS has made improvements to the existing system, the Debtors have commenced these chapter 11 cases to protect the original legacy of the Daughters of Charity to the maximum extent possible by retiring debt incurred over the past 18 years and freeing the hospital facilities and work force to continue to operate as hospitals under new ownership and leadership without the accumulated crisis of the past. To do that requires the bankruptcy court supervised sale of some or all of the hospitals and related facilities, and the comprehensive resolution of the Debtors financial obligations through a court approved plan of reorganization.

97. The goals of the Debtors' restructuring are to maintain the Debtors' business operations; preserve the going-concern value of the Debtors' businesses, its stakeholders, and parties in interest; and, most importantly, to protect the health and wellbeing of the patients who are treated at the Hospitals and the jobs of the Debtors' approximately 7,000 employees.

B. Current Fiscal Crisis.

98. As described above, the fiscal crisis is the confluence of various factors and historical challenges. Below are a few of the most significant and expected funding requirements in the immediate future.

a. Payor Rates.

99. Verity is paid below market rates through its payor contracts with health plans. Verity's contracts are 20-43% below market. These below market rates would make it difficult for any hospital to break even. Summarized below is illustrative data, highlighting Verity's rates as a percentage of Medicare relative to the market rates.

b. Labor Rates.

100. Payroll costs in the last twelve months have increased nearly $65,000,000 partially related to Verity's union contracts (~5% increases year over year forward).

c. Pension Obligations.

101. Under the Pension Plans (as defined above), there are expected pension funding requirements in the next year of over $66 million. Only ~$20M relates to current year costs. In other words, most is funding the underfunded status of the plans.

d. IT Investment.

102. VHS' system requires IT investment in the amount of nearly $50 million over the next year alone. There is outdated electronic health records and enterprise resource planning (i.e., human resources, supply chain management, inventory management, etc.). Further, VHS needs significant upgrades to its IT assets in order to modernize its Hospitals and remain able to continue providing quality patient care services. For example, VHS needs to (i) immediately replace its outdated local area and wireless networking equipment with modern equipment to enable reliable access by all VHS system users (estimated cost $15 million over a one-year implementation period), (ii) replace VHS' obsolete clinical systems — including its medical record systems and financial systems — in order to provide up-to-date patient records, improved clinical planning, care management, and better charge control (estimated cost $220 million over a period of two years), and (iii) replace and upgrade such other information technology hardware and software, including for imaging clinics, that are necessary for operating a full range of healthcare services.

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

e. Seismic and Energy Requirements.

103. The Verity system requires seismic and energy expenditures of over $150 million over the next few years. By way of example, there are significant improvements (including demolishment of certain buildings) required by 2020 to St. Vincent Medical Center, Seton Medical Center, and O'Connor Medical Center. There are additional improvement required by 2030 to St. Vincent, Seton Medical Center, O'Connor Medical Center, and St. Louise Regional Hospital. These seismic improvement deadlines are part of the conditions imposed by the Attorney General in the BlueMountain Transaction, as well as mandated by the California Office of Statewide Health Planning and Development (OSHPD).

f. Medical Equipment.

104. The Verity system requires over $100 million in medical equipment expenditures over a period of several years.

C. Working Capital Shortages.

105. The Debtors, like other hospitals serving similar communities, rely on HQAF, DSH and other government support to help bridge the gap between what they get reimbursed by Medicare and Medi-Cal and their cost of providing care. The Hospital Quality Assurance Fee (HQAF), established in 2010, provides funding for supplemental payments to California hospitals that serve Medi-Cal and uninsured patients. The program has been very successful, providing billions of dollars in supplemental payments to California hospitals. The Medicare and Medi-cal programs also provide funding to hospitals that treat indigent patients through the Disproportionate Share Hospital (DSH) programs, under which facilities are able to receive at least partial compensation. Under the Patient Protection and Affordable Care Act of 2010 (ACA, P.L. 111-148, as amended), Congress would have reduced federal DSH allotments beginning in 2014, to account for the decrease in uncompensated care anticipated under health insurance coverage expansion. However, several pieces of legislation have been enacted since 2010 have since delayed the ACA's Medicaid DSH reduction schedule. Unfortunately, both HQAF and DSH have proven difficult to rely on, as payments are reduced and delayed.

106. Relying on the HQAF payments has led to working capital shortages due to delays

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

in approval and receiving less than expected amounts. For example:

- *14-Month Delay*: QAF 5 FFS (service period 1/1/17 –6/30/19) was not approved until Dec. 2017 and the Debtors did not start receiving payments until the end of Feb. 2018 (14-month delay);
- *Potential 24 Month Delay*: QAF 5 HMO is likely not going to be approved until the end of 2018 (potentially a 24-month delay on receiving funds);
- *Receiving less than Expected*: through the first 4 cycles of QAF 5 FFS, the Debtors have received anywhere from 69.2-93.9% of expected payments.

D. Attorney General Requirements.

107. As set forth above, as part of approving the Restructuring Agreement, the AG placed certain operational restrictions on VHS and each of the Hospitals, which include certain minimum annual requirements for charity care, community benefits, and capital expenditures among other mandates. Taken separately, most of these conditions would not have contributed to the Debtors' failure to thrive. However, the cumulative effect of the conditions was to lock the Debtors into a failing business model, dictating both minute details of business operations, as well as denying the Debtors the ability to repurpose facilities. For example, SMC could better serve the community by operating as a much-needed long-term post-acute care facility, rather than as one of the many acute care hospitals in a saturated service area.

108. The AG's conditions also compelled the expenditure of millions of dollars to provide charity care even though the number of uninsured people in California has steadily decreased since passage of the Affordable Care Act. Also, as a result of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was required to make an additional contribution to the Retirement Plans of $7,619,000 in October 2017.

109. The AG's conditions denied the Debtor the benefits of the marketplace. For example, the conditions required Verity to enter into contracts with certain entities. Because those entities were well aware of the AG's requirement that Verity contract with them or be in default, Verity had no bargaining power with those entities or payors.

E. Increased Cap Volumes.

110. The Debtors have capitation contracts with health plans. Capitation is a flat periodic payment per enrollee paid to a healthcare provider; it is the sole reimbursement for

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

providing services to a defined population. Under capitation, fixed payments are made to providers regardless of the volume of services rendered, so providers like the Debtors bear the risk that the costs of providing service, including opportunity costs (profits), might exceed the capitation payment. Capitation completely reverses the actions that providers must take to ensure financial success; under capitation, the keys to profitability are to work more efficiently and decrease volume. The Debtors have seen a significant increase in volume from capitated populations and therefore are bearing the loss from that increased volume.

IV. Corporate And Capital Structure

A. Corporate Structure.

111. As set forth above, VHS is a California nonprofit public benefit corporation and the sole member of O'Connor Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, Verity Business Services, Verity Medical Foundation, Verity Holdings, LLC, and DePaul Ventures, LLC.

112. As set forth above, each Debtor Hospital is the sole member of the Debtor nonprofit public benefit corporation that handles its fundraising and grant-making programs: St. Francis Medical Center Foundation, St. Vincent Foundation, Seton Medical Center Foundation, Saint Louise Regional Hospital Foundation, and O'Connor Hospital Foundation (collectively, the "Philanthropic Foundations").

113. St. Vincent Medical Center is the sole Member of St. Vincent Dialysis Center, Inc.

114. VHS is the sole member of DePaul Ventures, LLC. DePaul Ventures, LLC, is the sole Member of DePaul Ventures-San Jose ASC, LLC, and of DePaul Ventures-San Jose Dialysis, LLC.

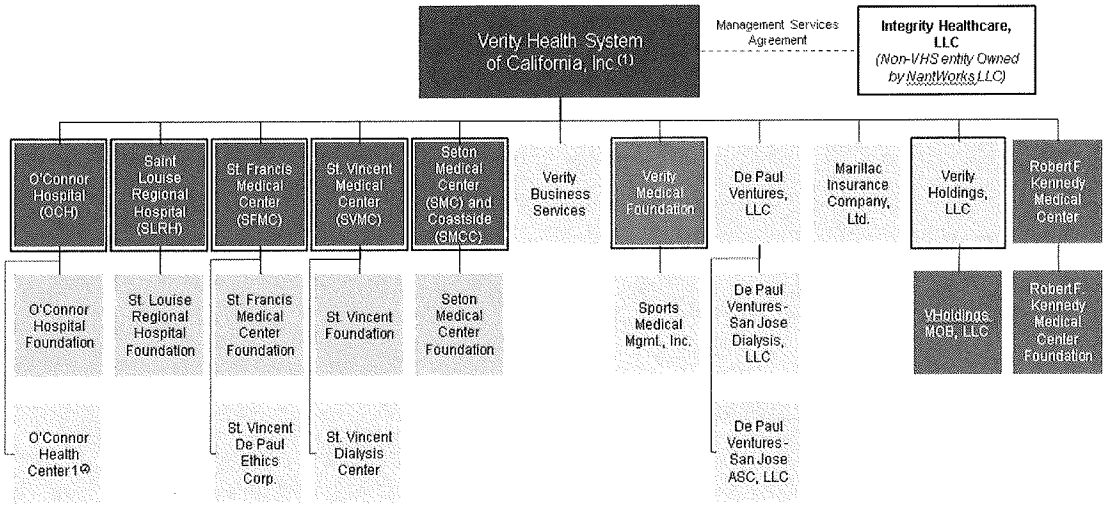
115. The following graphic depicts Verity's prepetition organizational structure:



116. Each Debtor entity has its own management and governance structure. Under the leadership of the Daughters of Charity, each Hospital operated independently except that all employees were under the same pension plans. After the transition of operations and leadership to VHS, there has been a systemizing of operations, so that functions that were being performed at each of the Debtors are being transitioned and performed by VHS and being standardized, such as pharmacy operations, credentialing, IT, case management, etc.

117. As set forth above, VMF offers medical, surgical and related healthcare services for people of all ages at community-based, multi-specialty clinics conveniently located in areas served by Verity hospitals. The following graphic depicts VMF's structure that is comprised of, among other things, professional service agreements with seven medical groups that provide physicians to VMF's clinics:

120. Verity Holdings, LLC, De Paul Ventures, LLC, and De Paul - San Jose Dialysis, LLC, are all limited liability companies that do not have Boards of Directors. The sole Member of Verity Holdings, LLC, and De Paul Ventures, LLC, is VHS. The sole member of De Paul Ventures - San Jose Dialysis, LLC, is De Paul Ventures, LLC. I am the President and Eleanor Ramirez and Art Huber were appointed Vice Presidents of Verity Holdings, LLC, on November 17, 2017. I am the managing member for De Paul Ventures, LLC. Dr. Tirso del Junco, Jr., is the managing member for De Paul Ventures - San Jose Dialysis, LLC.

B. Capital Structure.

121. As more fully set forth in the declaration of Anita Chou in support of the Debtors' *Emergency Motion Of Debtors For Interim And Final Orders (A) Authorizing The Debtors To Obtain Post Petition Financing (B) Authorizing The Debtors To Use Cash Collateral And (C) Granting Adequate Protection To Prepetition Secured Creditors Pursuant To 11 U.S.C. §§ 105, 363, 364, 1107 And 1108*, VHS, Verity Business Services ("VBS"), the Hospitals, and one operating division are jointly obligated parties on approximately $461.4 million of outstanding secured debt consisting of: (a) $259.4 million outstanding tax exempt revenue bonds, Series 2005 A, G and H issued by the California Statewide Communities Development Authority (the "2005 Bonds"), which loaned the bond proceeds to VHS to provide funds for capital improvements and to refinance certain tax exempt bonds previously issued in 2001 by the DCHS, a religious not-for-profit enterprise and VHS's reorganization predecessor; and (b) $202 million outstanding tax exempt revenue notes, Series 2015 A, B, C, and D and Series 2017 issued by the California Public Finance Authority, which loaned the proceeds to VHS to provide working capital (the "Working Capital Notes"). Wells Fargo Bank, N.A. ("Wells Fargo") is the Bond Trustee and UMB Bank National Association ("UMB Bank") is the successor Master Trustee and for the prepetition secured 2005 Bonds. U.S. Bank, National Association ("U.S. Bank") is the Note Trustee and also the Collateral Agent for the Working Capital Notes.

122. Except for the taxable Series 2015C Working Capital Notes, the 2005 Bonds and the Working Capital notes are all tax exempt, meaning interest on the bonds is not taxable to the holders so long as the issuer maintains its qualified tax exempt status and the proceeds of the

(213) 623-9300

bonds were used for the tax exempt purposes for which they were originally intended. The Series 2005 A Bonds are comprised four term bonds maturing on July 1, 2024, 2030 and 2035 bearing interest at 5.75% (Series 2005A-2024), (Series 2005A-2030), (Series 2005A-2035) and one maturing July 1, 2039 bearing interest at 5.50% (Series 2005A-2039). The Series 2005G term bond matures on July 1, 2022 and bears interest at 5.50%. The Series 2005H- term bond matures on July 1, 2025 and bears interest at 5.75%. The Working Capital Notes mature on June 10, 2019 (Series 2015A, Series 2015B, Series 2015C and Series 2015D) and on December 10, 2020 (Series 2017A, 2017B). Series 2015A and B and Series 2017 and 2017B bear interest at 7.25%, while the Series 2015D carries an 8.75% interest rate and Series 2015C accrues interest at 9.5%.

123. As set forth above, Holdings, a direct subsidiary of its sole member Verity, was created in 2016 to hold and finance Verity's interests in six medical office buildings whose tenants are primarily physician and other practicing medical groups and certain of the Verity Hospitals. Holdings is the borrower on approximately of $66 million on two series of non-recourse financing secured by separate deeds of trust, revenue and accounts pledges, including lease rents on each medical buildings (collectively "MOB Financing"). The MOB Financings bear interest at a variable interest rate based on equal to One Month LIBOR plus a spread of 5.0% with a floor of 6.23%. The secured lenders for the MOB Financings are affiliates of NantWorks, LLC, which is an affiliate of Integrity.

124. During May 2017, the California Statewide Communities Development Authority issued $20 million of limited obligation tax exempt bonds, pursuant to the CaliforniaFIRST Clean Fund Program in five series all with the same maturity date of September 2, 2047 (the "Clean Fund Bonds") as the conduit issuer for the benefit and obligation of Verity. The purpose of the bond funding was to assist with clean energy construction efforts of the Seaton Medical Center and are secured by Seton Medical Center's voluntary agreement to special tax assessments by Daley City. No other Debtor is liable for repayment of the Clean Fund Bonds. Wilmington Trust National Association ("WTNA") is the Trustee holding the construction funds, and a pre funded capitalized interest fund and is the collateral agent for collection of the special tax assessments for use in paying interest and principal on the Clean Fund Bonds. Interest on the Clean Fund Bonds

accrues at 6.4%. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the Clean Fund Bonds.

125. Also in September 2017, the California Statewide Communities Development Authority issued a single series $20 million of limited obligation tax exempt bonds pursuant to the CaliforniaFIRST Program for the purpose of assisting with clean energy and seismic improvement construction at Seton Medical Center ("NR2 Petros Bonds"). The NR2 Petros Bonds also mature on September 2, 2047, but carry an interest rate of 6.45%. The NR2 Petros Bonds are also California tax exempt and are secured by a special Daly City tax assessment on Seton Medical Center property. No other Debtor is liable for repayment of the NR2 Petros Bonds. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the NR2 Petros Bonds. WTNA is the Trustee holding the seismic improvement funds, as well as a pre-funded interest payment fund.

126. NantCapital also provided $40 million of unsecured debt financing for Verity as reflected in two $20 million unsecured notes (the "Unsecured Notes"). The Unsecured Notes are balloon notes with interest and principal payable at maturity in 2020 and carry annual compounded interest rates of 7.25%.

C. Unsecured Debt.

127. The Debtors have approximately $500 million in total unsecured debt, including disputed, unliquidated or contingent claims, which are comprised of claims made by vendors of goods and services, cost report payables, pension obligations, management fees, and incurred but not reported third party claims.

V. Sale Efforts

128. Prior to the Petition Date, the Debtors engaged in substantial efforts to market and sell their assets. In June 2018, the Debtor engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential buyers of some or all of the Verity hospitals and related assets and commenced discussions with those potential buyer.

129. Cain prepared a Confidential Investment Memorandum (the "CIM") and organized an online data site to share information with potentially buyers and contacted over 110 strategic

and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction regarding the Debtors and has advanced significantly towards achieving sales.

130. In August 2018, as a result of its ongoing and broad marketing process, Cain has received 11 Indications of Interest ("IOI") to date, and expects to receive additional proposals on or near the end of August. Shortly after the Petition Date, the Debtors, in consultation with Cain and its other advisors, anticipate selecting an offer from one or more stalking horse bidder(s) to acquire some or substantially all of the Debtors' assets through a sale under § 363 of the Bankruptcy Code.

V. First-Day Pleadings

131. The Debtors request that the relief described below in the First-Day Motions be granted, as each request constitutes a critical element in achieving the successful restructuring of the Debtors for the benefit of its patients, creditors and the communities they serve.

A. Administrative Motions.

132. In the *Motion of Debtors for Entry of an Order Directing the Joint Administration of their Related Chapter 11 Cases* (the "Joint Administration Motion"), the Debtors request entry of an order directing joint administration of these chapter 11 cases for procedural purposes pursuant to Bankruptcy Rule 1015(b) and that the Court maintain one file and one docket for all of the chapter 11 cases under the lead case, Verity Health System of California, Inc.

133. Joint administration of the chapter 11 cases will provide significant administrative efficiencies without harming the substantive rights of any party in interest. Many of the motions, hearings and orders that will be filed in the chapter 11 cases almost certainly will affect each of the Debtors. The entry of an order directing joint administration of the chapter 11 cases will reduce fees and costs by avoiding duplicative filings, objections, notices, and hearings, and will allow all parties in interest to monitor the chapter 11 cases with greater ease and efficiency. The relief requested in the Joint Administration Motion is in the best interests of the Debtors' estates, their creditors, and all other parties in interest and will enable the Debtors to continue to operate their businesses in chapter 11 with the least disruption.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

134. In the *Ex Parte Motion For Entry Of Order Extending Time To File Schedules Of Assets And Liabilities, Schedules Of Executory Contracts And Unexpired Leases, And Statements Of Financial Affairs* (the "Schedules and SOFA Motion"), as set forth in the declaration of Anita M. Chou, the Debtors request entry of an order granting additional time to file their schedules of assets and liabilities, schedules of executory contracts and unexpired leases, and statements of financial affairs. As a consequence of the size and complexity of the Debtors' business operations, the number of creditors likely to be involved in these chapter 11 cases, the numerous critical operational matters that the Debtors' management and employees must address, a 30-day extension (without prejudice to further extensions) is necessary and appropriate.

135. In the *Debtors' Emergency Motion (A) Approving the Debtors Filing a Consolidated List of Fifty Largest General Unsecured Creditors For All Cases; (B) Approving The Debtors Filing A Consolidated Master Mailing Matrix For All Cases; and (C) Permitting the Debtors' Claims And Noticing Agent To Maintain The Master Mailing Matrix,* the Debtors seek entry of an order approving each Debtor having filed in its respective case: a consolidated list of the fifty largest general unsecured creditors for all eighteen Debtors and a consolidated Master Mailing Matrix for all 17 Debtors; and permitting the Debtor's claims and Noticing Agent (Kurztman Carson Consultants) to maintain and update the Master Mailing Matrix. There are 17 entities that are Debtors in these chapter 11 cases. As of the Petition Date, the Debtors estimate that they have over $1 billion in liabilities and they have over 20,000-40,000 potential creditors and parties in interest (on a consolidated basis) in these chapter 11 cases. Many of the Debtors' creditors overlap. As such, requiring the Debtors to prepare individual Top 20 Lists of Creditors and individual Mailing Matrixes for each Debtor would be an exceptionally burdensome task and would greatly increase the risk and recurrence of error of information already on computer systems maintained by the Debtors or their agents.

B. Operational Motions Requesting Immediate Relief.

136. The Debtors intend to ask for immediate relief with respect to the following First Day Pleadings and, therefore, will present these motions at the First Day Hearing.

DENTONS US LLP

a. Emergency Motion Of Debtors For Interim And Final Orders (A) Authorizing The Debtors To Obtain Post Petition Financing (B) Authorizing The Debtors To Use Cash Collateral And (C) Granting Adequate Protection To Prepetition Secured Creditors Pursuant To 11 U.S.C. §§ 105, 363, 364, 1107 And 1108 (the "Cash Collateral/DIP Motion").

137. By way of the Cash Collateral/DIP Motion, and as set forth in the Declaration of Anita M. Chou (the "Chou Declaration"), Chief Financial Officer of VHS ("Chou Decl."), in support of the Cash Collateral/DIP Motion, the Debtors move, on an emergency basis, for entry of an interim order (substantially in the form attached as Exhibit "A" to the Chou Declaration, the "Interim Order") and a final order (the "Final Order" and together with the Interim Order, the "DIP Orders") (i) (a) authorizing the Debtors to enter into a senior secured, superpriority debtor in possession financing facility with Ally Bank, a subsidiary of Ally Financial, Inc., (the "DIP Lender"), in an (a) interim amount not to exceed $30,000,000 and only as needed to avoid immediate and irreparable harm, and (b) after a final hearing, amount up to $185,000,000 (as amended, modified or otherwise in effect from time to time, the "DIP Facility"), substantially on the terms set forth in the Chou Declaration and the Debtors In Possession Facility Agreement, attached as Exhibit "1" to the proposed Interim Order (as amended, supplemented, or otherwise modified and in effect from time to time, the "DIP Facility Agreement," and together with all other agreements, documents, notes, certificates, and instruments executed and/or delivered with, to or in favor of the DIP Lender, (the "DIP Financing Agreements"), and (b) granting the DIP Liens and the DIP Superpriority Claims (in each case, as defined below); (ii) authorizing the interim use of Cash Collateral (as defined below) on the terms set forth in the Interim Order; (iii) granting "adequate protection" to UMB Bank, N.A., as successor Master Trustee for the Prepetition Secured Revenue Bonds, Series 2005 A, G and H ("2005 Bonds") , U.S. Bank National Association ("U.S. Bank"), as the Collateral Agent and Note Trustee for the Series 2015 A, B, C, and D and the Series 2017 A and B Revenue Notes (collectively, the "Working Capital Notes") and MOB Financing LLC and MOB Financing II LLC as holders of security interests in Verity Holdings prepetition accounts, including rents arising from the prepetition MOB Financing (described below) in the form of Adequate Protection Payments and Replacement Liens, each as defined in the Chou Decl.; (iv) modifying the automatic stay as imposed by section 362 of the

Bankruptcy Code to the extent necessary to implement and effectuate the terms of the DIP Facility and the DIP Orders; and (v) scheduling an interim hearing to approve the proposed Interim Order and a final hearing with respect to the relief requested herein (the "Final Hearing").

138. Each Debtor has all requisite corporate power and authority to execute and deliver the DIP Financing Agreements to which it is a party and to perform its obligations thereunder.

139. Absent granting emergency access to the Debtors' cash collateral, the Debtors will not be able to made payroll or meet other obligations critical to the maintenance of safe facilities and the delivery of effective acute care services for its patients and staff during the week ending September 7, 2018. Absent emergency access to postpetition financing, the Debtors will lose vendor support for critical postpetition deliveries of goods and services further burdening the Debtors use of cash. Absent entry of an interim order granting the requested relief, the very existence of the Hospitals will be threatened and the ability of the Hospitals to survive as long term going concerns, whether or not owned by the Debtors, will be irreparably harmed.

b. Emergency Motion Of Debtors For Entry Of Order: (I) Authorizing The Debtors To (A) Pay Prepetition Employee Wages And Salaries, And (B) Pay And Honor Employee Benefits And Other Workforce Obligations; And (II) Authorizing And Directing The Applicable Bank To Pay All Checks And Electronic Payment Requests Made By The Debtors Relating To The Foregoing; Memorandum Of Points And Authorities In Support Thereof (the "Wage Motion").

140. By the Wage Motion, the Debtors move the Court for entry of an order (i) authorizing the Debtors, in their discretion, to (a) pay prepetition employee wages and salaries, and (b) pay and honor employee benefits and other workforce obligations (including remitting withholding obligations, maintaining workers' compensation and benefits programs, paying related administration obligations, making contributions to retirement plans, and paying reimbursable employee expenses) (collectively, the "Employee Obligations"); and (ii) authorizing and directing the applicable bank to pay all checks and electronic payment requests made by the Debtors relating to the foregoing.

141. Wages. The Employees are paid their wages and salaries (the "Wages") bi-weekly, in arrears, either five or six days after the end of every 14-day pay period, through direct deposit or by check. The Debtors' average bi-weekly gross payroll is approximately

$25,394,994, which includes approximately $463,907 for executive payroll, $3,726,816 for withholding obligations (relating to various taxes, claims and other obligations) and $208,476 for retirement plan contribution matching. Under a bifurcated, constant pay cycle, Employees were last paid on August 24 and 30, 2018. The next routine payroll dates covering all Employees' accrued and unpaid prepetition Wages are scheduled for September 7, 13 and 14, 2018, and expected to include approximately $15,353,375 that is attributable to prepetition Wages (the "Requested Prepetition Payroll"), which the Debtors seek authority to pay by the Wage Motion. The Debtors do not believe payments of Wages to any individual Employee will exceed the $12,850 cap under § 507(a).

142. Withholding and Union Obligations. In the ordinary course of their business, the Debtors routinely withhold from the Wages certain amounts that the Debtors are required to transmit to third parties for purposes such as Social Security and Medicare, federal and state or local income taxes, contributions to the Debtors' benefit plans, savings and retirement plan contributions, union claims, garnishment, child support or other similar obligations pursuant to court order or law (collectively, the "Withholding Obligations"). The Debtors owe approximately $3,726,816 for Withholding Obligations in connection with the Requested Prepetition Payroll, which the Debtors seek authority to pay by the Wage Motion. The Debtors are also required to make certain Union-specific contributions, which are currently accrued and unpaid in the amount of $85,089 on account of prepetition Wages, which the Debtors seek authority to pay by the Wage Motion.

143. Bonuses. Certain Employees are eligible to receive sign-on, retention and incentive bonuses. Payout opportunity is based on Employee position, title and location (i.e., Hospital or Systems Office). The Debtors do not, by the Wage Motion, seek permission to pay any bonuses to continuing Employees but do seek the authority, in the Debtors' discretion, to pay the Employees for contractually agreed bonuses that accrued within the 180 days prior to the Petition Date when their services with the Debtors are terminated so long as the total of the payments already then made for prepetition Employee Obligations and the bonuses does not exceed the statutory limit for priority claims of $12,850.

144. Reimbursement Obligations. The Debtors customarily reimburse Employees who incur business expenses in the ordinary course of performing their duties on behalf of the Debtors. Such expenses typically include, but are not limited to, business-related travel expenses (including mileage), business meals, relocation allowances, tuition reimbursement, and other items specified in the CBAs. Based on historical experience, the Debtors anticipate that, as of the Petition Date, the Debtors owe an estimated $30,200 in Reimbursement Obligations to their Employees, which they seek authority to pay by the Wage Motion. The Debtors further seek to continue to pay Reimbursement Obligations incurred postpetition in the ordinary course of the Debtors' business.

145. Paid Time Off and Extended Sick Leave. Full-time and part-time Employees become eligible to receive employment benefits beginning the first of the month following 30 days of employment (when they become "Eligible Employees"). *Per diem* Employees are not Eligible Employees. The Debtors provide Eligible Employees with Paid Time Off ("PTO") and Extended Sick Leave ("ESL"), which are accrued annually and in increasing rates over successive years. PTO is time off due to vacation, holiday, personal or incidental sick time. ESL kicks in (a) immediately where the Eligible Employee is admitted for surgery, (b) after a 3-day waiting period for a workers' compensation injury, and (c) after a 7-day waiting period if workers' compensation is not implicated. As of the Petition Date, the Debtors are carrying approximately $36.6 million on their books for 789,942 hours of accrued and unused PTO. Eligible Employees are permitted to cash out their unused PTO on one or two occasions during the year depending on the relevant Hospital or CBA. As of the Petition Date, the Debtors are carrying approximately $17.5 million on their books for 372,000 hours of accrued and unused ESL. Some CBAs permit Eligible Employees to cash out a portion of their unused ESL at retirement. By the Wage Motion, the Debtors seek authority to honor their existing PTO and ESL policies to the extent it would permit continuing Employees to use their prepetition accrued leave in the ordinary course of business, and going forward. The Debtors are not, by the Wage Motion, seeking permission to cash out any accrued and unused PTO or ESL of continuing Employees but do seek the authority, in the Debtors' discretion, to pay the Employees for unused PTO and/or ESL, as permitted per

Hospital policy and relevant CBA terms, that accrued within the 180 days prior to the Petition Date so long as the total of the payments for prepetition Employee Obligations does not exceed the statutory limit for priority claims of $12,850.

146. Health Benefits. The Debtors offer Eligible Employees the opportunity to participate in a number of insurance and benefit programs, including, among other things, medical, dental and vision plans, life insurance, short-term and long-term disability insurance, workers' compensation, retirement plans and other insurance plans and benefits. As of the Petition Date, the Debtors owed (a) approximately $3,162,816 to Healthnow as third-party administrator on account of accrued and unpaid prepetition claims against the self-insured medical plans; (b) approximately $48,060 to Cigna and Delta Dental for accrued and unpaid prepetition claims against the self-insured dental plans; (c) approximately $60,150 to VSP for accrued and unpaid prepetition claims on account of the self-insured vision plans. By the Wage Motion, the Debtors seek authority to pay these prepetition claims. The Debtors believe that they are current on the administration fees and premiums related to the health plans to pay their portion of any premiums or administration fees for the health plans that accrued and remain unpaid as of the Petition Date, and to turn over to Blue Shield of California any amounts sufficient to satisfy the portion of the accrued and unpaid prepetition premiums to be paid by the Employees in connection with the payment of the Wages and Withholding Obligations. By the Wage Motion, the Debtors also seek authority to continue to pay, in their discretion and in the ordinary course of their business, the administration fees, premiums for and claims under the health plans incurred postpetition. The Debtors further seek, by the Wage Motion, to continue to perform any obligations under Continuation Health Coverage (COBRA) in respect to former employees.

147. Life, Disability and Workers' Compensation. The Debtors offer Eligible Employees premium-based group life insurance and accidental death and dismemberment insurance ("AD&D") through UNUM; premium based short term ("STD") and long term disability coverage ("LTD") through Cigna; workers' compensation insurance through Old Republic Insurance; and an employee assistance program through Optum. The Debtors are also are obligated to Cigna on account of claims under the Federal Medical Leave Act (FMLA) and

California Family Rights Act (CFRA). The Debtors believe that they are current on all the above mentioned insurance policies and claims obligations. To the extent they are not, however, the Debtors seek authority, by the Wage Motion, in their discretion, to pay any accrued and unpaid prepetition premiums and related charges and to continue these benefits postpetition and to deliver the Employees' portion of any accrued and unpaid prepetition premiums to the corresponding administrators.

148. Retirement Plans. As described in further detail above, the Debtors offer eligible Employees the opportunity to participate in various retirement plans, including defined benefit plans and defined contribution plans. By the Wage Motion, the Debtors seek authority to pay their matching contributions that accrued and remain unpaid as of the Petition Date for the retirement plans and to deliver the Employee contributions in connection with the payment of Wages and Withholding Obligations described above. The Debtors also seek authority, by the Wage Motion, to continue to pay, in their discretion and in the ordinary course of their business, matching contributions for the retirement plans incurred postpetition.

149. Miscellaneous Plans. The Debtors also offer their eligible Employees the opportunity to participate in a "Cafeteria Plan" through Alliant Choice Plus, which includes voluntary critical care insurance, pet insurance, auto and home insurance. The healthcare reimbursement account and dependent care reimbursement account are administered through Healthnow, and long-term care is administered through UNUM. All of these programs are 100% funded by the Employees and are paid for through payroll deductions. By the Wage Motion, the Debtors request authority to continue to honor these programs, in their discretion, and to continue distributing to third-parties the payments for these programs in connection with the payment of Wages and Withholding Obligations as described above, including the distributions of payments that are for prepetition amounts due.

150. The Debtors believe that substantially all of its Employees rely exclusively on their compensation to pay their daily living expenses. Also, the Employee Benefit Programs are a critical component of the Employees' total compensation package. It is imperative to the accomplishment of the Debtors' goals in this case that the Debtors minimize any adverse impact

of the chapter 11 filing on the Debtors' workforce, patients, operations, and orderly administration of these Cases. Any disruption to payment of the payroll in the ordinary course, or to the continued implementation of employee programs in the Debtors' discretion, would adversely affect the Debtors' goals in this case because such events are likely to cause some employees to terminate their employment with the Debtors, will cause employees to be distracted from their duties to care for the patients, and will hurt employee morale at a particularly sensitive time for all employees. Failure to honor the Employee Obligations could have severe repercussions on the Debtors' ability to preserve its assets and administer its estate, to the detriment of all constituencies. Accordingly, as set forth in the Wage Motion, the Debtors request authority to continue paying the Employees and administering the Employee Benefit Programs and any obligations related to the foregoing (subject to the Budget and any applicable payment caps) in the ordinary course of business.

c. Emergency Motion Of Debtors For Authority To: (1) Continue Using Existing Cash Management System, Bank Accounts And Business Forms; (2) Implement Changes To The Cash Management System In The Ordinary Course Of Business; (3) Continue Intercompany Transactions; (4) Provide Administrative Expense Priority For Postpetition Intercompany Claims; And (5) Obtain Related Relief; Memorandum Of Points And Authorities In Support Thereof (the "Cash Management Motion").

151. By the Cash Management Motion, the Debtors move the Court for the entry of an order authorizing them, subject to the terms of the DIP Orders and DIP Financing Agreements to: (1) continue to use their cash management system, including the continued maintenance of their existing bank accounts (three of which include passive investing) and business forms; (2) implement changes to their cash management system in the ordinary course of business, including opening new or closing existing bank accounts; (3) continue to perform under and honor intercompany transactions in the ordinary course of business, in their business judgment and at their sole discretion; (4) provide administrative expense priority for postpetition intercompany claims, all as set forth in more detail below; and (5) obtain related relief.

152. The Debtors further request, by the Cash Management Motion, that the Court authorize the financial institutions at which the Debtors maintain various bank accounts to (a) continue to maintain, service and administer the Debtors' bank accounts, and (b) debit the bank

accounts in the ordinary course of business on account of (i) wire transfers or checks drawn on the bank accounts, or (ii) undisputed service charges owed to the banks for maintenance of the Debtors' cash management system, if any.

153. The Debtors currently have 63 accounts (the "Accounts") with five commercial banks and one investment bank (collectively the "Banks"). The Debtors request authority to continue utilizing the Accounts, subject to the terms of the DIP Orders and DIP Financing Agreements. Requiring the Debtors to close certain of the Accounts and open new ones will disrupt the Debtors' cash flow – and, ultimately, impact patient care – because (i) the depositors (some of which are governmental agencies) will not respond quickly to the change and will likely continue to send deposits to the original deposit account, and (ii) the Debtors have certain obligations (including for debt, pension and defined contribution) that they pay exclusively by electronic funds transfer and changes to the payment accounts have the potential of slowing down these crucial payments. Closing the Accounts will also increase the work of the Debtors' accounting personnel, who are already dealing with the many and varied issues related to these Cases. Closing the Accounts and opening new ones under the circumstances described in the corresponding Memorandum of Points and Authorities would needlessly cost the Debtors time and money at a time when they are trying to conserve both, and would result in no discernible benefit to the Debtors' bankruptcy estates.

154. The Debtors also request in the Cash Management Motion authority to continue using their business forms without the designation "Debtors in Possession" on them *for a limited time*. The Debtors' forms are either electronically printed or can be electronically altered. The Debtors seek the authority of this Court to utilize their electronically generated forms without the "Debtors in Possession" designation until the adjustments to the software can be initiated and existing stock is exhausted.

155. Subject to the DIP Orders and DIP Financing Agreements, by the Cash Management Motion, the Debtors request that the Court authorize them to continue using their cash management system in connection with the continued use of Accounts and continued use of

the Debtors' business forms; in furtherance thereof, the Debtors further request that the Court authorize and direct the Banks to continue honoring the Debtors' transactions.

d. Emergency Motion Of Debtors For Order (A) Prohibiting Utilities From Altering, Refusing, Or Discontinuing Service And (B) Determining Adequate Assurance Of Payment For Future Utility Services (the "Utilities Motion").

156. By the Utilities Motion, the Debtors move the Court for the entry of an order authorizing them to (i) prohibiting utilities (collectively, the "Utility Companies" and individually, a "Utility Company") from altering, refusing, or discontinuing service without further order of the Court; and (ii) determining adequate assurance of payment for future utility services. The Debtors receive essential utility services from several Utility Companies. Furthermore, the Debtors seek a determination that: (i) a deposit made by the Debtors to each Utility Company in an amount equal to the average monthly invoice for prepetition services provided to the Debtors by such Utility Company (the "Deposit"); (ii) the ability of any Utility Company to obtain an initial hearing on the adequacy of the Deposit; and (iii) the ability of any Utility Company to obtain an expedited hearing regarding further adequate assurance if the Debtors fail to cure a post-petition payment default within twenty (20) days after written notice of such default, constitute adequate assurance of payment for future utility services.

157. As life-saving medical service providers, the Debtors are situated in a vulnerable position—without the continual flow of vital services of Utility Companies, the mission of the Debtors' business would unravel, irreparably harming the Debtors and their patients who seek medical care in the hospitals, medical centers, and clinics operated by the Debtors. Thus, I believe that in order to ensure the timely and proper care of the patients and maintain ongoing business operations, it is imperative the Debtors are able to rely on a consistent supply of these services.

158. Specifically, uninterrupted electricity, gas, telephone, and similar services are essential to the Debtors' provision of medical services to the Debtors' patients. Any interruption, however brief, to utility services to the Debtors' business will result in a serious disruption of the Debtors' business operations and dramatically affect patient care. Therefore, I believe that it is critical that the Court prohibit the Utility Companies from altering, refusing or discontinuing service to the Debtors without further order of this Court. The Deposit for each of the Utility

Companies, coupled with the streamlined mechanism for requesting further adequate assurance will provide adequate assurance of payment to the Utility Companies as well as safeguard the Debtors' continuing operations.

159. The Debtors are current on payment to the Utility Companies. Further, the Debtors have sufficient cash to pay their postpetition utility bills as they come due and have specifically budgeted for such payments in the Debtors' operating budget submitted in connection with the Debtors' Cash Collateral Motion.

e. Debtors' Emergency Motion For Entry Of An Order Authorizing Debtors To Honor Prepetition Obligations To Critical Vendors (the "Critical Vendors Motion").

160. By the Critical Vendors Motion, the Debtors move the Court for the entry of an order authorizing, but not directing, the Debtors to continue to pay and/or honor the prepetition claims, up to $20 million (the "Critical Vendor Cap"), with (i) an interim amount of up to $5 Million, and (ii) an additional amount of up to $15 Million, of their most critical vendors, in the Debtors' discretion and in the ordinary course of the Debtors' business, pursuant to a carefully-designed Protocol (defined below) overseen by a core, centralized team consisting of senior members of Debtors' management and professional advisors, and subject to the terms and conditions. The Debtors will suffer irreparable harm without the relief requested in Critical Vendors Motion.

161. As life-saving medical service providers, the Debtors are situated in a vulnerable position in that their entire mission would immediately unravel, irreparably harming the Debtors and their patients without the continual flow of vital medical services, medical supplies, medical equipment, physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, admission department staff, as well as non-medical services, information technology support, and/or benefits.

162. Additionally, local, state, and federal law places certain compliance requirements on the Debtors. For example, as the operator of hospitals licensed under California state law and certified to participate in the Medicare and Medicaid programs, the Debtors must comply with all

hospital licensing and certification requirements, including those found in the Health and Safety Code and in Title 22 of the California Code of Regulations, as well as the applicable Medicare conditions of participation and corresponding Medicaid requirements. In addition to complying with these overarching requirements, the Debtors must monitor and comply with all of the other licensing and operational requirements that apply to the different service lines and programs offered by the hospitals, including, for example, those applicable to the hospital pharmacies and laboratories. These extensive, comprehensive requirements can only be fulfilled through continued, uninterrupted access to various goods and services. Thus, in order to ensure the timely and proper care of the patients and maintain ongoing business operations, it is imperative the Debtors are able to rely on a consistent, quality supply of various physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, admission department staff, as well as certain medical supplies, medical equipment, and services provided by vendors, suppliers and/or service-providers that are "critical" to the Debtors' businesses (the "Critical Vendors").

163. The Debtors' Critical Vendors include the following categories of providers: (i) uncompensated care contract physicians and on-call coverage physicians (collectively, the "Uncompensated Care and On-Call Coverage Physicians"); (ii) medical directors (the "Medical Directors"); (iii) medical staff officers and leadership positions ("Medical Leadership"); (iv) physicians providing teaching services ("Physician Educators"); (v) medical services providers (the "Medical Services Providers"); (vi) medical supplies and medical equipment providers (collectively, the "Medical Supplies and Equipment Providers"); (vii) medical staffing agencies and hospital-based services providers (collectively, the "Clinical Staffing"); (viii) non-medical services providers (the "Non-Medical Services Providers"); (ix) information technology services providers (the "IT Services Providers"); and (x) various employee benefits providers (the "Benefits Providers").

(213) 623-9300

164. The Debtors require the use of various physicians, the Uncompensated Care and On-Call Coverage Physicians, who provide care to patients who lack the ability to compensate the Debtors for their medical treatment (individually, "Uncompensated Care Contract Physicians") and the physicians who provide on-call services to cover the Debtors' daily on-call needs (individually, "On-Call Coverage Physicians"), all in order to ensure patient care. The Uncompensated Care Contract Physicians routinely provide the following vital services: (i) Emergency Room coverage; (ii) surgical procedures for any Patient who is uninsured or underinsured; (iii) psychiatry; and (iv) cardiac services. The On-Call Coverage Physicians make themselves available to the Debtors for certain periods of time to ensure that a specialist is available at all times for emergency situations, including such emergent conditions as cardiac arrest and immediate trauma. The On-Call Coverage Physicians routinely provide the following areas of expertise: (i) urology; (ii) general surgery; (iii) orthopedics; (iv) cardiology; (v) neurosurgery; (vi) thoracic surgery; (vii) cardiac surgery; (viii) radiation oncology; (ix) neurology, (x) psychiatry; (xi) nephrology; (xii) gastroenterology; (xiii) pediatric surgery; and (xiv) obstetrics.

165. Due to the strong economy and the tight labor market for professionals with expertise, Uncompensated Care and On-Call Coverage Physicians have a vast array of working opportunities available to them, and to the extent the Debtors are unable to ensure payment for prepetition claims, these Uncompensated Care and On-Call Coverage Physicians will work at other hospitals, resulting in a devastating impact on patient care and irreparable harm to the smooth transition into chapter 11 and preservation and maximization of value for the benefit of the Debtors' creditors.

166. Further, the Debtors require the use of various physicians who serve as Medical Directors. As Medical Directors, it is their responsibility to ensure the hospital runs smoothly and efficiently and according to local, state, and federal mandates in order to ensure patient care. These Medical Directors supervise and coordinate the On-Call Coverage Physicians, provide vital operating and administrative services, such as (i) the Long Term & Sub-Acute Unit; (ii) Advanced Wound Care; (iii) the Comprehensive Spine Care Program; (iv) the Stroke Program;

(v) Cardiac & Pulmonary Rehabilitation; (vi) Oncology; (vii) Non-Invasive Cardiology; (viii) Radiation Therapy; (ix) the Intensive Care Unit and Neonatal Intensive Care Unit; (x) the Antimicrobial Stewardship Program; (xi) Interventional Neurology; (xii) the Bioethics Program; (xiii) the Catherization Laboratory; (xiv) the Skilled Nursing Facility, the Stroke Program; (xv) Thoracic Surgery; (xvi) the Dialysis Center; and (xvii) Nuclear Medicine and Vascular Laboratory. They also are vital for program quality, oversight, and risk management. There are approximately 60 physicians serving as Medical Directors. Similar to the Uncompensated Care and On-Call Coverage Physicians. I believe they also are vital for program quality, oversite, and risk management. There are approximately 68 physicians serving as Medical Directors.

167. Similar to the Uncompensated Care and On-Call Coverage Physicians, and due to the strong economy and the low labor market for professionals with expertise, Medical Directors are in demand and have a vast array of working opportunities available to them. To the extent the Debtors are unable to ensure payment for prepetition claims to Medical Directors, these Medical Directors will work at other hospitals, resulting in a devastating impact on patient care and irreparable harm to the smooth transition into chapter 11 and preservation and maximization of value for the benefit of the Debtors' creditors.

168. Debtors require the use of various physicians who serve as medical staff officers and in other leadership positions, as required by each Hospital's accreditation with The Joint Commission (the "TJC"). Medical Leadership includes the Chiefs of Staff and all Department Chairs required by each of the Debtors' Medical Staff Bylaws, and by Title 22, including physician oversight for cardiology, pulmonary, laboratory, stroke, and ST-elevation myocardial infarction departments. The Chief Medical Officers are essential to ensure quality and risk oversight. Without these physicians, who I believe can easily find competitive opportunities elsewhere, the Debtors' day-to-day programs will cease to function, resulting in a significant impact on patient care and other irreparable harm to the Debtors' Chapter 11 Cases.

169. The Debtors require the use of various physicians, the Physician Educators, who provide teaching services in the Debtors' graduate medical education (the "GME") program, a legal requirement with which the Debtors must comply. The GME program simultaneously

provides: (i) training for interns, residents, and fellows until they become independent and licensed practitioners; and (ii) access to healthcare for elderly and impoverished patients. Physician Educators are in high demand because the State of California mandates that every teaching hospital support the efforts to provide access to high quality healthcare to its most vulnerable population. To maintain Level 2 Trauma status, the Debtors must maintain the GME program. Therefore, the Physician Educators are vital to maintaining the Debtors' teaching hospital status and affording access to healthcare, both of which are key to the Debtors' Patient care, ongoing operations, and/or potential sale of its assets for the benefit of its creditors and the Estates.

170. Debtors require the use of various Medical Services Providers, including, but not limited to, those who provide services such as surgical anesthesia coverage, organ harvesting and organ matching services, medical equipment sanitization, diagnostic interventional cardiology services, interventional neuroradiology, imaging services, advanced wound care, pathology and laboratory services, dialysis services, lithotripsy services, sterile compounding services, rehabilitation staffing and management services, subacute management services, psychiatric management services, hospitalist services, intensivist program services, medical screening services, and medical instrument repair services. These services are vital to the Debtors' day-to-day operations, in particular with regard to Patient care, and the Debtor will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the Medical Services Providers as Critical Vendors.

171. Debtors require the use of various medical supplies and medical equipment from the Medical Supplies and Equipment Providers, including, but not limited to, blood and plasma, heart valves, coronary intervention products, defibrillators, laparoscopic and minimally invasive surgical supplies, neurosurgical supplies and neurology devices, other surgical medical products, bone substitute biologics, regenerative vascular grafts, vaccinations and other pharmaceuticals, nuclear medicines, medical gases, anesthesia medical equipment, laboratory medical supplies, radiation equipment, gastrointestinal supplies, cochlear implants, orthopedic implants, spinal implants, intraocular lenses and ophthalmology supplies, sterilization equipment and products,

and fetal monitoring systems. Equipment includes medical equipment rentals, biomedical repair tools and equipment, patient beds and stretchers, vital sign monitoring, infusion pumps, medication supply stations, gastro-intestinal lab equipment, cardiac catherization lab equipment, operating room equipment, imaging equipment, laboratory equipment, pharmacy dispensing equipment, and transplant program equipment. The medical supplies and medical equipment the Debtors receive from the Medical Supplies and Equipment Providers are vital to the Debtors' day-to-day operations, to maintain Patient care, and the Debtors will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the Medical Supplies and Equipment Providers as Critical Vendors.

172. The Debtors also require the Clinical Staffing, which are various medical groups, staffing agencies, and other hospital-based services providers, to meet critical thresholds of physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, and admission department staff servicing patients in emergency and non-emergency room situations. The provision of physicians, nurses, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, and admission department staff is vital to service the Debtors' six active emergency rooms, trauma center, and the multiple medical specialty units providing tertiary and quaternary care.

173. Additionally, regarding the provision of nurses, the staffing supplementation is essential because: (1) California has a mandatory statutory nurse to patient ratio, and so the Debtors are required by law to meet certain ratios in order to operate on a daily basis; and (2) it is difficult to recruit experienced staff—as opposed to recent graduates—for short-term assignments. Indeed, these staffing agencies provide the requisite "registry" nurses who take short single-day assignments and "traveler" nurses who take longer-term assignments to fill in during busier seasons—*e.g.*, flu season—and understaffed periods—*e.g.*, during nurses strikes of represented nurses—where the Debtors may not otherwise have sufficient numbers of nurses between their core and per diem nurses.

174. Moreover, many of the Clinical Staffing who provide physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, and admission department staff to the Debtors will not staff the Debtors' business if there is any interruption or delay in the payment of the amounts due to them. Given the Debtors' reliance on the medical services provided by the Clinical Staffing to provide Patient care and otherwise fulfill the Debtors' daily medical services needs, and the fact that the Clinical Staffing can simply shift their services to a medical services company, it is crucial that the Debtors be authorized to pay any prepetition amounts due to the Clinical Staffing as Critical Vendors in the ordinary course of business.

175. The Debtors require use of Non-Medical Services Providers, including, but not limited to, those who provide services such as payroll tax services, financial audit services, billing services, cost reporting services, revenue cycle management services, consulting and education services for various required national, state, and local accreditations and mandates, environmental services, record retention services, building maintenance services, medical equipment maintenance services, management services, and other similar services, as well as to seismic contractors. Seismic contractors are designers, engineers, suppliers and constructors who are engaged in the statutory work of retrofitting hospital structures to meet the SB1953 and subsequent amendments that are required to be completed by December 31, 2019. Delay of the projects will cause the Debtors to miss the regulated deadlines, risking the Debtors' California Department of Public Health license and suspension of such. These non-medical services are vital to the Debtors' day-to-day operations, particular with regard to Patient care, and the Debtor's ability to comply with regulatory requirements set by the State of California legislature, and the Debtor will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the Non-Medical Services Providers as Critical Vendors.

176. The Debtors require use of various IT Services Providers who provide information technology services, including, but not limited to, those who provide services such as diagnostic technology, interoperability between devices, risk management and software services, revenue

cycle management billing software and services, teleradiology services, customer relationship management, networking solutions services, multi-function copiers, voice over internet protocol system services, hosting services for applications, and point of care data management system services. Critical patient care systems such as electronic health record systems and enterprise resource planning systems must be maintained to ensure continuity and Patient care. I believe these information technology services are vital to the Debtors' day-to-day operations, in particular with regard to Patient care, and the Debtor will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the IT Services Providers as Critical Vendors.

177. The Debtors require certain Benefits Providers because the Debtors have incentivized their employees to continue working through the continuation of company-subsidized benefits, such as workers compensation, medical, dental, vision, short term and long term care, leave of absence, and life insurance. If the Debtors are not permitted to pay any prepetition premium amounts due to these Benefits Providers, the employees' insurance coverage will be jeopardized and the employees will likely seek employment elsewhere. Specifically, I believe any disruption to payment of the employee benefits in the ordinary course (and in the Debtors' discretion), would adversely affect the Debtors' goals in this Case because such events are likely to cause some employees to terminate their employment with the Debtors, will cause all employees to be distracted from their duties to care for the patients and the operations of the hospitals, and will inevitably hurt employee morale at a particularly sensitive time for all employees, resulting in severe repercussions on the Debtors' ability to provide Patient care, and to preserve their assets and administer the Estates, to the detriment of all constituencies. Since the Debtors do not have the ability to quickly or cost-effectively replace their employees who provide vital medical and non-medical services on a daily basis, it is critical that the Debtors be allowed to continue these benefits in order to retain their employees and maintain their business operations to preserve the full value of their assets for the benefit of their creditors. Therefore, the Court should include Benefits Providers as Critical Vendors.

178. I, along with the Debtors, am mindful of the Debtors' fiduciary obligations to seek to preserve and maximize the value of their Bankruptcy Estate. To that end, the Debtors and their

advisors have engaged in an intense process of reviewing and analyzing the Debtors' books and records, consulting operations management and purchasing personnel, reviewing contracts and supply agreements, and analyzing applicable laws, regulations, and historical practices to identify business relationships—which, if lost, could materially harm the Debtors' patients, the Debtors' businesses, reduce their enterprise value, and/or impair their restructuring process—all in an effort to identify only those most critical vendors using their business judgment (the "Protocol"). Such Protocol is on-going; however, the amounts proposed to be paid to the Critical Vendors are already provided for in the Debtors' operating budget submitted in connection with the Debtors' Cash Collateral Motion.

179. Indeed, during the Protocol process, the Debtors and I have deemed certain vendors as critical because each of these Critical Vendors meets the following criteria: (a) the vendor is essential to patient care, supports maintaining the Debtors' business in full compliance with California's Title XII requirements for operating general acute care hospitals in the state of California, and allows the Debtors to maintain their business postpetition until reorganization and/or sale of the Debtors' assets for the benefit of creditors; (b) the vendor is indispensable for providing vital goods or services, replacing said vendor would be prohibitively expensive, or said vendor is otherwise critical to prevent the diversion of management and key personnel to solicit other vendors to provide comparable goods or services and to prevent other unnecessary distraction during the extensive transitional period; (c) the vendor holds an unpaid prepetition claim for the provision of goods or services; (d) the vendor will refuse to deliver goods or provide services without payment of the prepetition claim and the automatic stay imposed by section 362(a) will be inadequate to address the issue; (e) cash on delivery is unlikely to provide the requisite incentive for the vendor to continue providing goods or services; (f) the Debtors lack a long-term contractual relationship with the vendor that would oblige the vendor to continue the prepetition relationship, and the Debtors are otherwise without adequate leverage to compel performance on commercially reasonable terms; and (g) the Debtors will suffer immediate and irreparable harm if the vendor is not specially incentivized to continue providing goods or services. The Debtors will use commercially reasonable efforts to require the vendor to sign a

postpetition agreement with normalized terms and conditions that contractually bind the vendor to continue providing goods and services postpetition.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

ASSET PURCHASE AGREEMENT

This Asset Purchase Agreement (the "**Agreement**") is made and entered into as of the 8th day of January, 2019 (the "**Signing Date**") by and among Verity Health System of California, Inc., a California nonprofit public benefit corporation ("**Verity**"), Verity Holdings, LLC, a California limited liability company ("**Verity Holdings**"), St. Francis Medical Center, a California nonprofit public benefit corporation ("**St. Francis**"), St. Vincent Medical Center, a California nonprofit public benefit corporation ("**St. Vincent**"), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation ("**St. Vincent Dialysis**"), and Seton Medical Center, a California nonprofit public benefit corporation ("**Seton**" and together with St. Francis Medical Center, St. Vincent Medical Center and St. Vincent Dialysis, collectively, the "**Hospital Sellers**") (Verity, Verity Holdings, St. Francis, St. Vincent, St. Vincent Dialysis and Seton are each referred to herein individually as a "**Seller**" and collectively as the "**Sellers**"), and Strategic Global Management, Inc., a California corporation ("**Purchaser**").

RECITALS:

A. St. Francis engages in the business of the operation of the hospital known as St. Francis Medical Center, located at 3630 E. Imperial Highway, Lynwood, CA 90262, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by St. Francis (collectively, the "**St. Francis Hospital**").

B. St. Vincent engages in the business of the operation of the hospital known as St. Vincent Medical Center, located at 2131 W 3rd Street, Los Angeles, CA 90057, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by St. Vincent (collectively, the "**St. Vincent Hospital**").

C. Seton engages in the business of the operation of two general acute care hospitals under a single license, consisting of: (i) the hospital known as Seton Medical Center, located at 1900 Sullivan Avenue, Daly City, CA 94015, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by Seton (collectively, the "**Seton Hospital**") and (ii) the hospital known as Seton Medical Center Coastside, located at 600 Marine Blvd, Moss Beach, CA 94038, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by Seton (collectively, the "**Seton Coastside Hospital**" and together with the St. Francis Medical Center Hospital, the St. Vincent Medical Center Hospital and the Seton Hospital, the "**Hospitals**"; the business of the operation of the Hospitals is referred to herein as the "**Businesses**").

D. Purchaser desires to purchase from Sellers, and Sellers desire to sell to Purchaser, the assets described in Section 1.7 below (the "**Assets**") owned by Sellers and used with respect to the Businesses, for the consideration and upon the terms and conditions contained in this Agreement.

E. Sellers filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the "**Bankruptcy Code**") with the United States Bankruptcy Court for the Central District of California, Los Angeles Division (the "**Bankruptcy Court**"), lead Case No. 2:18-bk-201510ER, jointly administered or to be jointly administered with their affiliates (the "**Bankruptcy Cases**").

F. The parties intend to effectuate the transactions contemplated by this Agreement through a sale of the Assets approved by the Bankruptcy Court pursuant to Section 363 of Title 11 of the Bankruptcy Code.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual promises and covenants contained in this Agreement, and for their mutual reliance and incorporating into this Agreement the above recitals, the parties hereto agree as follows:

ARTICLE 1

SALE AND TRANSFER OF ASSETS; CONSIDERATION; CLOSING

1.1 Purchase Price.

(a) Subject to the terms and conditions of this Agreement, the purchase price ("**Purchase Price**") shall consist of the following:

(i) Cash payment to Sellers (the "**Cash Consideration**") of Six Hundred Ten Million Dollars ($610,000,000.00), which shall be allocated Four Hundred Twenty Million Dollars ($420,000,000) to St. Francis Medical Center, One Hundred Twenty Million Dollars ($120,000,000) to St. Vincent Medical Center, and Seventy Million Dollars ($70,000,000) to Seton for Seton Hospital and Seton Coastside Hospital, provided, that if the CA AG's approval does not include a requirement that Seton Hospital remain open as an acute care hospital or that Seton Coastside Hospital remain open as a skilled nursing facility, then an amount to be determined by Purchaser, in its sole discretion, of such Cash Consideration shall be re-allocated from St. Francis to Seton;

(ii) Assumption of Sellers' accrued vacation and other paid time off as of the Closing, to be provided only with respect to Hired Employees (as defined in Section 5.3(a)) in the form of credited vacation and PTO, subject to compliance with applicable law and regulation, including consent of such employees if required;

(iii) Assumption of all liabilities of Seton as Obligated Party and Property Owner under the (i) Agreement to Pay Assessment and Finance Improvements dated May 17, 2017 with California Statewide Communities Development Authority ("**CSCDA**") and (ii) Agreement to Pay Assessment and Finance Improvements dated May 18, 2017 with CSCDA (collectively

the "**Special Assessments**") each associated with of the Property Assessed Clean Energy ("**PACE**") (seismic and clean energy) loans (collectively the "**PACE Obligations**"); and

(iv) Payment of Cure Costs (defined below) associated with any Assumed Leases and/ or Assumed Contracts and assumption of the other Assumed Obligations (as defined below).

(b) Purchaser (i) is acquiring the Assets and (ii) is only assuming (x) the PACE Obligations and (y) the Assumed Obligations (as defined below).

(c) At the Closing, Purchaser shall pay to Sellers, by wire transfer of immediately available funds to the accounts specified by Sellers to Purchaser in writing, an aggregate amount equal to the Cash Consideration, minus the Net QAF Reduction Amount (defined below), if any, plus the Net QAF Increase Amount (defined below), if any, plus any amounts (x) held by the PACE Trustee as an interest or fee reserve on account the PACE Obligations on the Closing Date and (y) remitted to CSCDA by Seton pursuant to the Special Assessments from and after the date of execution of this Agreement by Buyer up to and including the Closing Date, minus the Deposit (defined below).

(d) For purposes of this Agreement, the "**QAF Program**" means the California Department of Health Care Services Hospital Quality Assurance Fee Programs IV ("**QAF IV**") and V ("**QAF V**"). During the period prior to Closing, Sellers shall pay any fees owing under QAF IV and QAF V, and Sellers shall be entitled to retain all payments received under QAF IV and QAF V. At Closing, Sellers shall credit to the Cash Consideration the amount by which payments received under QAF IV and QAF V between the Signing Date and Closing exceed the sum of (i) fees paid under QAF IV and QAF V during such period plus (ii) the amount of fees which are unpaid and owing as of the Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V (the "**Net QAF Reduction Amount**"), as provided above in Section 1.1(c). At Closing, Purchaser shall pay Sellers (as an increase to the Cash Consideration) the amount by which the sum of (i) fees paid under QAF IV and QAF V between the Signing Date and Closing plus (ii) the amount of fees which are unpaid and owing as of Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V exceeds payments received under QAF IV and QAF V during such period (the "**Net QAF Increase Amount**"), as provided above in Section 1.1(c).

(e) Purchaser shall, prior to Closing, be permitted to communicate with holders of secured debt of the Sellers regarding the possible assumption by Purchaser of all or a portion of such debt at the Closing. If Purchaser agrees to assume any such debt at the Closing, Purchaser and Sellers shall negotiate an appropriate credit to the Purchase Price for such assumption of debt.

1.2 Deposit. Purchaser, by wire transfer to an account designated by Sellers has made a good faith deposit in the amount of Thirty Million Dollars ($30,000,000) on the date hereof (the "**Deposit**"). The Deposit shall be non-refundable in all events, except as provided in Section 6.1(b) or Section 6.2, or in the event Purchaser has terminated this Agreement pursuant to Section 9.1 (other than Section 9.1(b)) or as set forth in Section 9.2, in which case Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Upon Closing, the Deposit will

be credited against the Purchase Price. Pending the Closing, or until this Agreement is terminated, the Deposit shall be deposited in an interest bearing account, with interest credited to Purchaser, at a federally-insured financial institution mutually acceptable to Purchaser and Sellers. In addition, on the Signing Date, Purchaser shall deliver to Sellers executed letters from its financing sources, in form and substance satisfactory to Sellers in their discretion.

1.3 Closing Date. The consummation of the transactions contemplated by this Agreement (the "**Closing**") shall take place at 10:00 a.m. local time at the offices of Dentons US LLP, 601 South Figueroa St., Suite 2500, Los Angeles, CA 90017-5704 (the day on which Closing actually occurs, the "**Closing Date**") promptly but no later than ten (10) business days following the satisfaction or waiver of the conditions set forth in ARTICLE 7 and ARTICLE 8, other than those conditions that by their nature are to be satisfied at Closing but subject to fulfillment or waiver of those conditions. The Closing shall be deemed to occur and to be effective as of 11:59 p.m. Pacific time on the Closing Date (the "**Effective Time**").

1.4 Items to be Delivered by Sellers at Closing. At or before the Closing, Sellers shall deliver, or cause to be delivered, to Purchaser the following:

1.4.1 a Bill of Sale substantially in the form of **Exhibit 1.4.1** attached hereto (the "**Bill of Sale**"), duly executed by each Seller, with respect to the Assets;

1.4.2 Real Estate Assignment and Assumption Agreements (the "**Real Estate Assignments**") in the form of **Exhibit 1.4.2** attached hereto with respect to (i) the Leased Real Property, and (ii) the Tenant Leases, each duly executed by each Seller;

1.4.3 a Quitclaim Deed (the "**Deed**") in the form of **Exhibit 1.4.2** attached hereto with respect to the real property listed in Schedule 1.4.3, together with all plant, buildings, structures, installments, improvements, fixtures, betterments, additions and constructions in progress situated thereon (collectively, the "**Owned Real Property**") duly executed by each Seller;

1.4.4 an Assumption Agreement (the "**Assumption Agreement**") in the form of **Exhibit 1.4.2** attached hereto with respect to the Assumed Obligations duly executed by each Seller;

1.4.5 favorable original certificates of good standing, of each Seller, issued by the State of California, dated no earlier than a date which is fifteen (15) calendar days prior to the Closing Date;

1.4.6 a duly executed certificate of an officer of each Seller certifying to Purchaser (i) the incumbency of the officers of such Seller on the Signing Date and on the Closing Date and bearing the authentic signatures of all such officers who shall execute this Agreement and any additional documents contemplated by this Agreement and (ii) the due adoption and text of the resolutions or consents of the Board of Directors of such Seller authorizing (I) the transfer of the Assets and transfer of the Assumed Obligations by such Seller to Purchaser and (II) the due execution, delivery and performance of this Agreement and all additional documents contemplated

by this Agreement, and that such resolutions have not been amended or rescinded and remain in full force and effect on the Closing Date;

1.4.7 a certified copy of the Sale Order (as defined below);

1.4.8 a Transition Services Agreement (the "**Transition Services Agreement**") in form and substance satisfactory to Sellers and Purchaser, in their reasonable discretion, granting to Sellers use of certain assets, systems and personnel identified in such agreement solely in connection with Sellers' wind-down of the Businesses, the completion of the Bankruptcy Cases and the dissolution of Sellers (and following completion of such wind-down, Bankruptcy Cases and dissolution of Sellers, such Transition Services Agreement shall automatically terminate);

1.4.9 acknowledgements by CSCDA and the PACE Trustee that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date, and

1.4.10 any such other instruments, certificates, consents or other documents which Purchaser and Sellers mutually deem reasonably necessary to carry out the transactions contemplated by this Agreement and to comply with the terms hereof.

1.5 Items to be Delivered by Purchaser at Closing. At or before the Closing, Purchaser shall deliver or cause to be delivered to Sellers the following:

1.5.1 payment of the Cash Consideration subject to credits or plus payment to Sellers of all amounts as provided under Section 1.6;

1.5.2 evidence of payment of all Cure Costs required hereunder to be paid by Purchaser;

1.5.3 a duly executed certificate of the Secretary of Purchaser certifying to Sellers (a) the incumbency of the officers of Purchaser on the Signing Date and on the Closing Date and bearing the authentic signatures of all such officers who shall execute this Agreement and any additional documents contemplated by this Agreement and (b) the due adoption and text of the resolutions of the Board of Directors of Purchaser authorizing the execution, delivery and performance of this Agreement and all additional documents contemplated by this Agreement, and that such resolutions have not been amended or rescinded and remain in full force and effect on the Closing Date;

1.5.4 favorable original certificate of good standing, of Purchaser, issued by the California Secretary of State dated no earlier than a date which is fifteen (15) calendar days prior to the Closing Date;

1.5.5 the Bill of Sale, duly executed by Purchaser;

1.5.6 the Real Estate Assignment(s), duly executed by Purchaser;

1.5.7 the Assumption Agreement, duly executed by Purchaser;

1.5.8 the License Agreement referenced in Section 1.7(q);

1.5.9 the Transition Services Agreement; and

1.5.10 any such other instruments, certificates, consents or other documents which Purchaser and Sellers mutually deem reasonably necessary to carry out the transactions contemplated by this Agreement and to comply with the terms hereof.

1.6 Prorations and Utilities. All items of income and expense listed below with respect to the Assets shall be prorated in accordance with the principles and the rules for the specific items set forth hereafter:

1.6.1 All transfer, conveyance, sales, use, stamp, similar state and local taxes arising from the sale of the Assets hereunder shall be the responsibility of, and allocated to, Purchaser.

1.6.2 Other than the Utility Deposits (defined below), which are governed by Section 1.8(j), and other than with respect to Cure Costs payable by Purchaser, the following costs and expenses shall be prorated based upon the payment period (*i.e.*, calendar or other tax fiscal year) to which the same are attributable: all real estate and personal property lease payments, real estate and personal property taxes, real estate assessments, other than the PACE Special Assessments and other similar charges against real estate, and power and utility charges (collectively, the "**Prorated Charges**") on the Assets. Each Seller shall pay its respective portion at or prior to the Closing (or Purchaser shall receive credit for) of any unpaid Prorated Charges attributable to periods or portions thereof occurring prior to the Effective Time, and Purchaser shall assume as an Assumed Liability or, to the extent previously paid by any Seller, pay to such Seller at the Closing all Prorated Charges attributable to periods or portions thereof occurring from and after the Effective Time. In the event that as of the Closing Date the actual tax bills for the tax year or years in question are not available and the amount of taxes to be prorated as aforesaid cannot be ascertained, then rates, millages and assessed valuation of the previous year, with known changes, shall be used. The parties agree that if the real estate and personal property tax prorations are made based upon the taxes for the preceding tax period, the prorations shall be re-prorated after the Closing. As to power and utility charges, "final readings" as of the Closing Date shall be ordered from the utilities; the cost of obtaining such "final readings," if any, shall be paid by Purchaser.

1.6.3 Sellers shall be entitled to all rents and other payments under Tenant Leases accruing for the period prior to the Effective Time ("**Pre Effective Time Lease Amounts**"), and Purchaser shall be entitled to all rents and other payments under tenant leases accruing for the period after the Effective Time ("**Post Effective Time Lease Amounts**" and together with the Pre Effective Time Lease Amounts, the "**Lease Amounts**"). All Lease Amounts that are collected prior to the Closing shall be prorated as of the Closing in accordance with the immediately preceding sentence. All Lease Amounts that are accrued but uncollected as of the Closing (including, without limitation, rents and other payments accrued prior to the Closing but payable in arrears after the Closing) (collectively, the "**Unpaid Amounts**") shall belong to Sellers, and Purchaser shall, upon receipt of said rents and other payments, receive the same in trust for Sellers and shall promptly remit any of such amounts to the applicable Seller within ten (10) days after

Purchaser's receipt of same. For the avoidance of doubt, all rental payments received after Closing shall be first applied to any amounts owed to the Sellers under this Section 1.6.3.

1.6.4 All prorations and payments to be made under the foregoing provisions shall be agreed upon by Purchaser and Sellers prior to the Closing and shall be binding upon the parties; provided, however, with respect to the Unpaid Amounts, in the event any proration, apportionment or computation shall prove to be incorrect for any reason, then either the applicable Seller or Purchaser shall be entitled to an adjustment to correct the same, provided that said party makes written demand on the party from whom it is entitled to such adjustment within thirty (30) calendar days after the erroneous payment or computation was made, or such later time as may be required, in the exercise of due diligence, to obtain the necessary information for proration. This Section 1.6 shall survive Closing.

1.7 Transfer of Assets of Sellers. On the Closing Date and subject to the terms and conditions of this Agreement, each Seller shall sell, assign, transfer, convey and deliver to Purchaser, free and clear of all liens, claims, interests and encumbrances other than the Permitted Exceptions (defined below), and Purchaser shall acquire, all of each Seller's right, title and interest in and to only the following assets and properties, as such assets shall exist on the Closing Date, in each case (notwithstanding anything else in this Agreement) solely to the extent used primarily in the conduct of the Businesses and to the extent not included among the Excluded Assets, such transfer being deemed to be effective at the Effective Time:

(a) all of the tangible personal property owned by such Hospital Seller, or to the extent assignable or transferable by each Hospital Seller, leased, subleased or licensed by such Hospital Seller, and used by such Seller in the operation of the Hospital of such Hospital Seller, including equipment, furniture, fixtures, machinery, vehicles, office furnishings and leasehold improvements (the "**Personal Property**");

(b) all of such Hospital Seller's rights, to the extent assignable or transferable, to all Medicare and Medi-Cal provider agreements, permits, approvals, certificates of exemption, franchises, accreditations and registrations and other governmental licenses, permits or approvals issued to such Seller for use in the operation of the Hospital of such Hospital Seller (the "**Licenses**"), including, without limitation, the Licenses and Medicare/Medi-Cal Provider Agreements set forth on **Schedule 1.7(b)**, except to the extent Purchaser elects, in its discretion, not to take assignment of any such Licenses;

(c) all of such Hospital Seller's interest in and to the Owned Real Property and all of such Hospital Seller's interest, to the extent assignable or transferable, in and to all of the following (the "**Assumed Leases**"): (i) personal property leases with respect to the operation of the Hospital of such Hospital Seller (including leases for assets described in Section 1.7(i), (ii) the real property leases for all real property leased by such Hospital Seller and set forth on **Schedule 1.7(c)(ii)** (the "**Leased Real Property**"), and (iii) the real property leased or subleased by such Seller to a third party and set forth on **Schedule 1.7(c)(iii)** (the "**Tenant Leases**");

(d) all of such Hospital Seller's interest, to the extent assignable or transferable, in and to all contracts and agreements (including, but not limited to, purchase orders) with respect

to the operation of the Hospital of such Hospital Seller that have been designated by Purchaser as a contract to be assumed pursuant to Section 1.11 (the "**Assumed Contracts**");

(e) other than the Excluded Settlements and Actions (defined below), all claims, rights, interests and proceeds (whether received in cash or by credit to amounts otherwise due to a third party) with respect to amounts overpaid by such Seller to any third party health plans with respect to periods prior to the Effective Time (e.g. such overpaid amounts may be determined by billing audits undertaken by such Seller or such Seller's consultants), except with respect to any causes of action or proceeds thereof arising under Chapter 5 of the Bankruptcy Code other than with respect to Assumed Contracts and Assumed Leases and other items described in Section 1.8(h);

(f) to the extent assignable or transferable, all inventories of supplies, drugs, food, janitorial and office supplies and other disposables and consumables (i) located at the Hospital of such Seller or (ii) used in the operation of the Hospital of such Seller (the "**Inventory**") except as set forth in Section 1.8(e);

(g) other than Utility Deposits, all prepaid rentals, deposits, prepayments (excluding prepaid insurance and prepaid taxes) and similar amounts relating to the Assumed Contracts and/or the Assumed Leases, which were made with respect to the operation of the Hospital of such Hospital Seller (the "**Prepaids**");

(h) to the extent assignable or transferrable, all of the following that are not proprietary to such Seller and/or owned by or proprietary to such Hospital Seller's affiliates: operating manuals, files and computer software with respect to the operation of the Hospital of such Hospital Seller, including, without limitation, all patient records, medical records, employee records, financial records, equipment records, construction plans and specifications, and medical and administrative libraries; *provided, however*, that any patient records and medical records which are not required by law to be maintained by such Hospital Seller as of the Effective Time shall be an Excluded Asset;

(i) to the extent assignable or transferrable (and if leased, to the extent the associated lease is transferrable), including any assignment which is made effective pursuant to the Sale Order where the consent of a third party is required pursuant to the terms of an applicable agreement but not obtained, all systems, servers, computers, hardware, firmware, middleware, telecom equipment, networks, data communications lines, routers, hubs, switches and all other information technology equipment, and all associated documentation owned, leased or licensed by Sellers and used by Sellers with respect to the operations of the Hospitals;

(j) all Measure B trauma funding received after the Signing Date to be paid related to service periods ending on or after the Signing Date (pro rated between Purchaser and Sellers for any such payments covering service periods which include days both before and after the Signing Date based upon the number of days in the relevant payment period before the Signing Date (for the account of Sellers) and after the Signing Date (for the account of Purchaser));

(k) Except for as stated in Section 1.7(j), all accounts and interest thereupon, notes and interest thereupon and other receivables of such Seller, including, without limitation,

accounts, notes or other amounts receivable, disproportionate share payments and all claims, rights, interests and proceeds related thereto, including all accounts and other receivables, and Seller Cost Report settlements related thereto, in each case arising from the rendering of services or provision of goods, products or supplies to inpatients and outpatients at the Hospital of such Seller, billed and unbilled, recorded and unrecorded, for services, goods, products and supplies provided by such Seller prior to the Effective Time whether payable by Medicare, Medicaid, or any other payor (including an insurance company), or any health care provider or network (such as a health maintenance organization, preferred provider organization or any other managed care program) or any fiscal intermediary of the foregoing, private pay patients, private insurance or by any other source (collectively, "**Accounts Receivable**");

(l) all rights, claims and causes of action of such Seller to the extent related to and/or to the extent arising out of the Accounts Receivable acquired by Purchaser at the Closing;

(m) other than the Excluded Settlements and Actions, all regulatory settlements, rebates, adjustments, refunds or group appeals, including without limitation pursuant to all cost reports filed by Sellers for payment or reimbursement from government payment programs and other payors with respect to periods after the Signing Date;

(n) other than the Excluded Settlements and Actions, all casualty insurance proceeds arising in respect of casualty losses occurring after the Signing Date in connection with the ownership or operation of the Assets;

(o) other than the Excluded Settlements and Actions, all surpluses arising out of any risk pools, shared savings program or accountable care organization arrangement to which any Seller is party on the Closing Date, in each case to the extent Purchaser assumes the underlying contract relating to such risk pools, shared savings program or accountable care organization arrangement;

(p) all transferable unclaimed property of any Person in Sellers' possession as of the Closing Date, including, without limitation, property which is subject to applicable escheat laws;

(q) to the extent assignable or transferable by Sellers without out-of-pocket expense to Sellers, all warranties (including warranties of any manufacturer or vendor) on or in connection with the Assets (including the Personal Property) in favor of the Hospitals or Sellers;

(r) the right to use the names "St. Francis Medical Center", "St. Vincent Medical Center", "Seton Medical Center" and "Seton Medical Center Coastside", including any trademarks, service marks, trademark and service mark registrations and registration applications, trade names, trade name registrations, logos, domain names, trade dress, copyrights, copyright registrations, website content, know- how, trade secrets and the corporate or company names of Sellers and the names of the Hospitals, together with all rights to sue and recover damages for infringement, dilution, misappropriation or other violation or conflict associated with any of the foregoing; at the Closing, Purchaser will execute and deliver to Sellers the Transition Services Agreement granting to Sellers an unlimited, royalty free, irrevocable license to use any and all of the foregoing solely in connection with the wind-down of the Businesses, the completion of the

Bankruptcy Cases and the dissolution of Sellers (and following completion of such wind-down, Bankruptcy Cases and dissolution of Sellers, such license shall automatically terminate);

(s) all goodwill of the Hospital of such Hospital Seller evidenced by or associated with any of the Assets;

(t) to the extent transferable or assignable, such Hospital Seller's right or interest in the telephone and facsimile numbers and uniform resource locaters used with respect to the operation of the Hospital of such Hospital Seller;

(u) each such Hospital Seller's Medicare and Medi-Cal provider agreements and lockbox account(s) identified on **Schedule 1.7(u)**;

(v) all documents, records, correspondence, work papers and other documents, other than patient records, primarily relating to the Accounts Receivable;

(w) with respect to Verity Holdings, the assets represented by the assessor's parcel numbers (APN's) listed in **Schedule 1.7(w)** hereof (the "**Purchased Verity Holdings Assets**");

(x) except for the Excluded Assets, to the extent assignable or transferable, and subject to the Permitted Exceptions, any other assets owned by such Hospital Seller (which are not otherwise specifically described above in this Section 1.7) that are used in the operation of the Hospital of such Hospital Seller;

(y) all of Seton's interest in and to the PACE Obligations; and

(z) all QAF V and subsequent QAF program payments received after the Closing (e.g., QAF VI and QAF VII).

As used herein, the term "**Permitted Exceptions**" means (i) the Assumed Obligations; (ii) the PACE Obligations; (iii) liens for taxes not yet due and payable (iv) easements, rights of way, zoning ordinances and other similar encumbrances affecting real property; (v) other imperfections of title or encumbrances, if any, which are not monetary in nature and that are not, individually or in the aggregate, material to the business of the Hospital; (vi) any agreements made with any governmental authority in order to obtain any consent or approval, including, without limitation, in connection with the Medicare and Medi-Cal provider agreements; and (vii) other imperfections of title or encumbrances that are expressly identified on **Schedule 1.7** hereof.

1.8 Excluded Assets. Notwithstanding anything to the contrary in Section 1.7, each Seller shall retain all interests, rights and other assets owned directly or indirectly by it (or any of such Seller's affiliates) which are not among the Assets, including, without limitation, the following interests, rights and other assets of such Seller (collectively, the "**Excluded Assets**"):

(a) cash, cash equivalents and short-term investments;

(b) all Seller Plans (defined below) and the assets of all Seller Plans and any asset that would revert to the employer upon the termination of any Seller Plan, including, without limitation, any assets representing a surplus or overfunding of any Seller Plan;

(c) all contracts that are not Assumed Contracts;

(d) all leases that are not Assumed Leases;

(e) the portions of Inventory, Prepaids, and other assets disposed of, expended or canceled, as the case may be, by such Seller after the Signing Date and prior to the Effective Time in the ordinary course of business;

(f) assets owned and provided by vendors of services or goods to the Hospital of such Hospital Seller;

(g) all of such Seller's organizational or corporate record books, minute books, tax returns, tax records and reports, data, files and documents, including electronic data related thereto;

(h) all claims, counterclaims and causes of action of such Seller or such Seller's bankruptcy estate (including parties acting for or on behalf of such Seller's bankruptcy estate, including, but not limited to, the official committee of unsecured creditors appointed in the Bankruptcy Cases), including, without limitation, rights of recovery or set-off of every kind and character against third parties, causes of action arising out of any claims and causes of action under chapter 5 of the Bankruptcy Code and any related claims, counterclaims and causes of action under applicable non-bankruptcy law, and any rights to challenge liens asserted against property of such Seller's bankruptcy estate, including, but not limited to, liens attaching to the Purchase Price paid to such Seller, and the proceeds from any of the foregoing;

(i) other than casualty insurance proceeds described in Section 1.7(m), all insurance policies and contracts and coverages obtained by such Seller or listing such Seller as insured party, a beneficiary or loss payee, including prepaid insurance premiums, and all rights to insurance proceeds under any of the foregoing, and all subrogation proceeds related to any insurance benefits arising from or relating to Assets prior to the Closing Date;

(j) all deposits made with any entity that provides utilities to the Hospital (the "**Utility Deposits**");

(k) all rents, deposits, prepayments, and similar amounts relating to any contract or lease that is not an Assumed Contract or Assumed Lease;

(l) all non-transferrable unclaimed property of any third party as of the Effective Time, including, without limitation, property which is subject to applicable escheat laws;

(m) all other bank accounts of such Sellers not listed on **Schedule 1.7(u)**;

(n) all writings and other items that are protected from discovery by the attorney-client privilege, the attorney work product doctrine or any other cognizable privilege or protection;

(o) the rights of such Seller to receive mail and other communications with respect to Excluded Assets or Excluded Liabilities;

(p) all director and officer insurance;

(q) all tax refunds of such Seller;

(r) all documents, records, operating manuals and film pertaining to the Hospital that the parties agree that such Seller is required by law to retain;

(s) all patient records and medical records which are not required by law to be maintained by such Seller as of the Effective Time;

(t) all documents, records, correspondence, work papers and other patient records that may not be transferred under applicable law, and any other documents, records, or correspondence (including with respect to any employees) that may not be transferred under applicable law;

(u) any rights or documents relating to any Excluded Liability or other Excluded Asset;

(v) any rights or remedies provided to such Seller under this Agreement and each other document executed in connection with the Closing;

(w) any (i) personnel files for employees of such Seller who are not hired by Purchaser; (ii) other books and records that such Seller is required by Law to retain; provided, however, that except as prohibited by Law and subject to Article 5, Purchaser shall have the right to make copies of any portions of such retained books and records that relate to the business of the Hospital as conducted before the Closing or that relate to any of the Assets; (iii) documents which such Seller is not permitted to transfer pursuant to any contractual obligation owed to any third party; (iv) documents primarily related to any Excluded Assets; and (v) documents necessary to prepare tax returns (Purchaser shall be entitled to a copy of such documents). With respect to documents necessary to prepare cost reports, Purchaser shall receive the original document and such Seller shall be entitled to retain a copy of such documents for any period ending on or prior to the Closing Date;

(x) all deposits or other prepaid charges and expenses paid in connection with or relating to any other Excluded Assets;

(y) all rights, claims and causes of action of such Seller to the extent related to and/or to the extent arising out of the receivables identified in **Schedule 1.8(y)** and rights to settlements and retroactive adjustments, if any, whether arising under a Seller Cost Report or otherwise, for any reporting periods ending on or prior to the Effective Time, whether open or closed, arising from or against the United States government under the terms of the Medicare

program or TRICARE (formerly the Civilian Health and Medical Program of the Uniformed Services);

(z) all pre-Closing settlements or settlements pursuant to adversary proceedings in the Bankruptcy Cases, including, without limitation, any proceedings identified in Section 1.8(h) or 1.8(y) (together with the items identified in Section 1.8(h) and 1.8(y), the "**Excluded Settlements and Actions**");

(aa) for the avoidance of doubt, all QAF IV and QAF V payments actually received prior to the Signing Date;

(bb) all assets of Verity Holdings other than the Purchased Verity Holdings Assets and all assets of any of the tenants located in the leased premises of the purchased Verity Holdings properties; and

(cc) any assets identified in **Schedule 1.8(cc)**.

1.9 Assumed Obligations. On the Closing Date, each Seller shall assign, and Purchaser shall assume and agrees to discharge, perform and satisfy fully, on and after the Effective Time, the following liabilities and obligations of such Seller and only the following liabilities and obligations (collectively, the "**Assumed Obligations**"):

(a) the Assumed Contracts and all liabilities of such Seller under the Assumed Contracts, including related Cure Costs;

(b) the Assumed Leases and all liabilities of such Seller under the Assumed Leases, including related Cure Costs;

(c) all liabilities and obligations arising out of or relating to any act, omission, event or occurrence connected with the use, ownership or operation by Purchaser of the Hospital or any of the Assets on or after the Effective Time;

(d) all accrued vacation and other paid time off, to the extent assumed under Section 1.1(a)(ii);

(e) all liabilities and obligations of such Seller related to the Hired Employees arising on or following the Effective Time;

(f) all unpaid real and personal property taxes, if any, that are attributable to the Assets after the Effective Time, subject to the prorations provided in Section 1.6;

(g) all liabilities and obligations relating to utilities being furnished to the Assets, subject to the prorations provided in Section 1.6;

(h) any documentary, sales and transfer tax liabilities of such Seller incurred as a result of the consummation of the transaction contemplated by this Agreement;

(i) all liabilities or obligations provided for in Section 5.3;

(j) any obligations or liabilities Purchaser may desire or need to assume in order to have the Certifications/Licenses/Permits identified on Schedule 1.7(b) reissued to Purchaser, as well as any liabilities or obligations associated with Sellers' Medicare and Medi-Cal provider agreements, but only to the extent assumed by Purchaser, and any Medi-Cal liabilities or obligations needed to support ongoing Hospital Quality Assurance Fee Program payments; and

(k) any other obligations and liabilities identified in **Schedule 1.9(k)**.

1.10 Excluded Liabilities. Purchaser shall not assume or become responsible for any duties, obligations or liabilities of any Seller that are not assumed by Purchaser pursuant to the terms of this Agreement, the Bill of Sale, the Assumption Agreement or the Real Estate Assignment(s) (the "**Excluded Liabilities**"), and each Seller shall remain fully and solely responsible for all of such Seller's debts, liabilities, contract obligations, expenses, obligations and claims of any nature whatsoever related to the Assets or the Hospital unless assumed by Purchaser under this Agreement, in the Bill of Sale, the Assumption Agreement or in the Real Estate Assignment(s).

1.11 Designation of Assumed Contracts and Assumed Leases.

(a) Except as provided in Section 1.11(b), all contracts and leases will be subject to evaluation by Purchaser for assumption or rejection (collectively "**Evaluated Contracts**"). Not later than seven (7) days prior to the date of the auction for the Assets (i) Purchaser shall notify each Seller in writing of which Evaluated Contracts are to be assumed by such Seller and assigned to Purchaser and (ii) Purchaser shall notify each Seller in writing signed and dated by Purchaser of which Evaluated Contracts are to be rejected by such Seller (collectively, the "**Rejected Contracts**"); provided, that Purchaser shall have the right to designate additional Evaluated Contracts for assumption up to thirty (30) days prior to Closing. Each Seller shall file such motions in the Bankruptcy Court and take such other actions as are reasonably necessary to ensure that final and non-appealable orders are entered (x) assuming and assigning the respective Assumed Contracts or Assumed Leases applicable to such Seller to Purchaser and (y) rejecting the Rejected Contracts. With respect to each Assumed Lease, the applicable Seller shall execute and deliver to Purchaser an Assignment and Assumption of Lease. Notwithstanding anything to the contrary set forth in this Agreement, the Rejected Contracts shall constitute part of the Excluded Assets pursuant to, and as defined in, this Agreement.

(b) At Closing and pursuant to an order of the Bankruptcy Court, each Seller will assume and immediately assign to Purchaser the leases of such Seller for Leased Real Property and the Tenant Leases.

(c) Notwithstanding the foregoing, Purchaser's obligation to consummate the transactions contemplated by this Agreement are not contingent upon the assumption, assignment or rejection of any contract or lease, or on the amount of any payment or other performance needed to cure any default thereunder.

1.12 Disclaimer of Warranties; Release.

(a) THE ASSETS TRANSFERRED TO PURCHASER WILL BE SOLD BY SELLERS AND PURCHASED BY PURCHASER IN THEIR PHYSICAL CONDITION AT THE EFFECTIVE TIME, "AS IS, WHERE IS AND WITH ALL FAULTS AND NONCOMPLIANCE WITH LAWS" WITH NO WARRANTIES, INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, USAGE, WORKMANSHIP, QUALITY, PHYSICAL CONDITION, OR VALUE, AND ANY AND ALL SUCH OTHER REPRESENTATIONS AND WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED, AND WITH RESPECT TO THE LEASED REAL PROPERTY WITH NO WARRANTY OF HABITABILITY OR FITNESS FOR HABITATION, INCLUDING, WITHOUT LIMITATION, THE LAND, THE BUILDINGS AND THE IMPROVEMENTS. ALL OF THE PROPERTIES, ASSETS, RIGHTS, LICENSES, PERMITS, PRIVILEGES, LIABILITIES, AND OBLIGATIONS OF SELLERS INCLUDED IN THE ASSETS AND THE ASSUMED OBLIGATIONS ARE BEING ACQUIRED OR ASSUMED "AS IS, WHERE IS" ON THE CLOSING DATE AND IN THEIR PRESENT CONDITION, WITH ALL FAULTS. ALL OF THE TANGIBLE ASSETS SHALL BE FURTHER SUBJECT TO NORMAL WEAR AND TEAR AND NORMAL AND CUSTOMARY USE OF THE INVENTORY AND SUPPLIES IN THE ORDINARY COURSE OF BUSINESS UP TO THE EFFECTIVE TIME.

(b) Purchaser acknowledges that Purchaser will be examining, reviewing and inspecting all matters which in Purchaser's judgment bear upon the Assets, the Sellers, the Hospitals, the business of the Hospitals and their value and suitability for Purchaser's purposes and is relying solely on Purchaser's own examination, review and inspection of the Assets and Assumed Obligations. Purchaser releases each Seller and its affiliates from all responsibility and liability regarding the condition, valuation, salability or utility of the business of the Hospitals or the Assets, or their suitability for any purpose whatsoever. Purchaser further acknowledges that the representations and warranties of Sellers contained in ARTICLE 2 of this Agreement are the sole and exclusive representations and warranties made by Sellers to Purchaser (including with respect to the Hospitals, the Assets and the Assumed Obligations) and shall expire, and be of no further force or effect after January 8, 2019 (the period from the Signing Date until January 8, 2019, the "**Final Diligence Period**"), except that the Sale Order Date Representations shall expire, and be of no further force or effect upon the Sale Order Date, and in each case Sellers shall not have any liability in respect of any breach thereof following such expiration.

ARTICLE 2

REPRESENTATIONS AND WARRANTIES OF SELLERS

Each Seller hereby represents, warrants and covenants to Purchaser, severally (and not jointly) with respect to such Seller that the following matters are true and correct as of the Signing Date and as of the last day of the Final Diligence Period, except as would not have a material adverse effect upon the Hospitals, taken as a whole (a "**Material Adverse Effect**") and except as disclosed in the disclosure schedule, as may be amended pursuant to the terms of this Agreement (the "**Disclosure Schedule**"), provided that the representations and warranties set forth in Sections 2.1 (Authorization), 2.2 (Binding Agreement), 2.3 (Organization and Good Standing; No Violation), 2.8 (Compliance with Legal Requirements), 2.9 (Required Consents), 2.11 (Title) and 2.14 (Legal Proceedings) (the "**Sale Order Date Representations**") shall also be made as of immediately prior to the entry of the Sale Order (the "**Sale Order Date**"):

2.1 Authorization. Such Seller has all necessary corporate power and authority to enter into this Agreement and, subject to Bankruptcy Court approval, to carry out the transactions contemplated hereby.

2.2 Binding Agreement. This Agreement has been duly and validly executed and delivered by such Seller and, assuming due and valid execution by Purchaser, this Agreement constitutes a valid and binding obligation of such Seller enforceable in accordance with its terms subject to (a) applicable bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditors' rights generally from time to time in effect and (b) limitations on the enforcement of equitable remedies. Except for such corporate actions which have been taken on or before the date hereof, no other corporate action on the part of Sellers is necessary to authorize the execution, delivery and performance of this Agreement and the transactions contemplated hereby and thereby.

2.3 Organization and Good Standing; No Violation.

(a) Such Seller is an entity duly organized, validly existing and in good standing under the laws of the State of California. Such Seller has all necessary power and authority to own, operate and lease its properties and to carry on its businesses as now conducted.

(b) Neither the execution and delivery by such Seller of this Agreement nor the consummation of the transactions contemplated hereby by such Seller nor compliance with any of the material provisions hereof by such Seller, will violate, conflict with or result in a breach of any material provision of such Seller's articles of incorporation or bylaws or any other organizational documents of such Seller.

2.4 Contracts. Except as set forth in Schedule 2.4, upon entry of the Sale Order and Purchaser's payment of the Cure Costs, to Seller's knowledge, Seller is not in material breach or default of the Assumed Contracts or Assumed Leases. No provision of this Section 2.4 shall apply to any failure to obtain consents to the assignment of the Assumed Contracts and Assumed Leases from third parties to the Assumed Contracts and Assumed Leases for which consent is required to

assign the Assumed Contracts and Assumed Leases to Purchaser (the "**Contract and Lease Consents**").

2.5 Brokers and Finders. Except as set forth on Schedule 2.5, neither such Seller nor any affiliate thereof, nor any officer or director thereof, have engaged or incurred any liability to any finder, broker or agent in connection with the transactions contemplated hereunder.

2.6 Seller Knowledge. References in this Agreement to "Sellers' knowledge or "the knowledge of Sellers" means the actual knowledge of the Chief Executive Officer or Chief Financial Officer of the applicable Seller, without independent research. No constructive or imputed knowledge shall be attributed to any such individual by virtue of any position held, relationship to any other Person or for any other reason.

2.7 Non-Contravention. Neither the execution and delivery by Sellers of this Agreement and each Ancillary Agreement nor performance of any of the material provisions hereof by Sellers, will violate, conflict with or result in a breach of any material provisions of the articles of incorporation or bylaws of Sellers.

2.8 Compliance with Legal Requirements. Except as set forth in Schedule 2.8, to the knowledge of Sellers: each Seller, with respect to the operation of the Hospitals, is in material compliance with all applicable laws, statutes, ordinances, orders, rules, regulations, policies, guidelines, licenses, certificates, judgments or decrees of all judicial or governmental authorities (federal, state, local, foreign or otherwise) (collectively, "**Legal Requirements**"). Except as set forth in Schedule 2.8, to the knowledge of Sellers, none of the Sellers, with respect to the operation of the Hospitals, has been charged in writing with or been given written notice of or is under investigation with respect to, any material violation of, or any obligation to take material remedial action under, any applicable Legal Requirements.

2.9 Required Consents. Except as set forth in Schedule 2.9, and other than in connection with any Licenses, any provider agreements (including any such agreements with a governmental authority) and the CA AG (defined below), Sellers are not a party to or bound by, nor are any of the Assets subject to, any mortgage, or any material lien, deed of trust, material lease, or material contract or any material order, judgment or decree which, after giving effect to the Sale Order (a) will require the consent of any third party to the execution of this Agreement or (b) will require the consent of any third party to consummate the transactions contemplated by this Agreement.

2.10 Environmental Matters.

(a) Sellers have provided Purchasers with the Phase I Environmental Site Assessments set forth in said Schedule 2.10(a).

(b) Except as disclosed in Schedule 2.10(b), to the knowledge of Sellers, the operations of the Hospitals are not in material violation of any applicable limitations, restrictions, conditions, standards, prohibitions, requirements and obligations of Environmental Laws and related orders of any court or any other governmental authority.

(c) For the purposes of this Section, the term "**Environmental Laws**" shall mean all state, federal or local laws, ordinances, codes or regulations relating to Hazardous Substances or to the protection of the environment, including, without limitation, laws and regulations relating to the storage, treatment and disposal of medical and biological waste. For purposes of this Agreement, the term "**Hazardous Substances**" shall mean (i) any hazardous or toxic waste, substance, or material defined as such in (or for the purposes of) any Environmental Laws, (ii) asbestos-containing material, (iii) medical and biological waste, (iv) polychlorinated biphenyls, (v) petroleum products, including gasoline, fuel oil, crude oil and other various constituents of such products, and (vi) any other chemicals, materials or substances, exposure to which is prohibited, limited or regulated by any Environmental Laws.

2.11 Title. Prior to December 21, 2018, Sellers have delivered at their own expense (i) for all the Real Property preliminary title reports issued by First American Title Insurance Company (the "**Title Commitments**"), (ii) for all of the Real Property all underlying title documents listed on the Title Commitments (the "**Underlying Title Documents**"), and (iii) for all of the Hospitals an as-built ALTA Surveys (the "**Surveys**", and collectively with the Title Commitment and the Underlying Title Documents, the "**Title Documents**").

2.12 Certain Other Representations with Respect to the Hospitals.

(a) Except as set forth in Schedule 2.12, all Licenses which are material and necessary to the operation of the Hospitals or the Hospitals by Sellers are valid and in good standing and Sellers are in compliance with the terms and conditions of all such Licenses in all material respects, in each case except where the failure to be valid and in good standing or in compliance would not have a material adverse effect on the Assets or the Hospitals. Except as set forth in Schedule 2.12, as of the Closing Date Sellers will have any and all material Licenses required under Legal Requirements to conduct the Hospitals as presently conducted by Sellers, except where the failure to have any such License would not have a material adverse effect on the Assets or the Hospitals. To the knowledge of Sellers, no loss or expiration of any License is pending or threatened.

(b) Sellers are certified for participation in the Medicare, Medi-Cal and TRICARE programs and any other federal or state health care reimbursement programs in which they participate, and have current and valid provider agreements with each such program, except where the failure to be so certified or have such provider agreements would not have a material adverse effect.

(c) Sellers have not been excluded from Medicare, Medi-Cal or any federal or state health care reimbursement program, and, to the knowledge of Sellers, there is no pending or threatened exclusion action by a governmental authority against Sellers.

2.13 Financial Statements.

(a) Schedule 2.13(a) hereto contains the following financial statements (the "Historical Financial Statements"): (i) the unaudited balance sheets of the Sellers as of June 30,

2018; (ii) unaudited income statements of the Sellers for the twelve-month periods ended June 30, 2018; (iii) the audited consolidated income statements of Sellers for the years ended 2016 and 2017; and (iv) the unaudited consolidated balance sheet of Sellers as of June 30, 2018.

(b) the income statements contained in the Historical Financial Statements present, fairly in all material respects the results of the operations of the Sellers as of and for the periods covered therein and, except as set forth on Schedule 2.13(b), the balance sheets contained in the Historical Financial Statements (i) are true, complete and correct in all material respects; (ii) present, fairly in all material respects the financial condition of the Sellers as of the dates indicated thereon; and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with generally accepted accounting principles consistently applied throughout the periods covered, except as disclosed therein.

2.14 Legal Proceedings. Except as set forth on Schedule 2.14, and except for any and all cases and/or pleadings filed or to be filed in the Bankruptcy Court, which shall be available through Sellers' claims and noticing agent's website at http://www.kcclcc.com/VERITYHEALTH/, to the knowledge of Sellers, there are no material claims, proceedings or investigations pending or threatened with respect to the ownership of the Assets or the operation of the Hospitals or the Hospitals by Sellers before any governmental authority. Except as set forth on Schedule 2.14, and other than any action or proceeding brought in the Bankruptcy Court, to the knowledge of Sellers, Sellers are not subject to any government order with respect to the ownership or operation by Sellers of the Hospitals or the other Assets or the Hospitals and are in substantial compliance with respect to each such government order.

2.15 Employee Benefits. Schedule 2.15(a) contains a list of (i) each pension, profit sharing, bonus, deferred compensation, or other retirement plan or arrangement of Seller with respect to the operation of the Hospital, whether oral or written, which constitutes an "employee pension benefit plan" as defined in Section 3(2) of ERISA, (ii) each medical, health, disability, insurance or other plan or arrangement of Seller with respect to the operation of the Hospital, whether oral or written, which constitutes an "employee welfare benefit plan" as defined in Section 3(1) of ERISA, and (iii) each other employee benefit or perquisite provided by Seller with respect to the operation of the Hospital, in which any employee of Seller participates in his capacity as such (collectively, the "**Seller Plans**").

2.16 Personnel. Schedule 2.16 sets forth a complete list (as of the date set forth therein) of names, positions and current annual salaries or wage rates and scheduled bonus, and the accrued paid time off pay of all employees of Sellers (including employees of the Hospitals and employees of Verity and Verity Holdings) immediately prior to December 21, 2018, whether such employees are full time employees, part-time employees, on short-term or long-term disability or on leave of absence pursuant to Sellers's policies, the Family and Medical Leave Act of 1993 or other similar Legal Requirements (the "**Hospital Employees**") and indicating whether the Hospital Employee is full- time or part-time. Sellers shall have the right to update to Schedule 2.16(a) to reflect changes in employment status or new hires and terminations occurring after December 21, 2018 by providing a revised schedule to Purchase no later than five (5) Business Days before the date scheduled for the Closing.Insurance. Schedule 2.17 contains a list of all material insurance maintained by Sellers with respect to the Assets and the Businesses, as of the Signing Date.

2.18 Accounts Receivable. To the knowledge of Sellers, all Accounts Receivable included in the Assets at Closing result from the bona fide provision of products or services in the ordinary course of business. All Sellers Accounts Receivable are currently deposited, either electronically or manually, into the bank accounts listed on Schedule 4.25(b).

2.19 Payer Contracts. To the knowledge of Sellers, and subject to Section 365 of the Bankruptcy Code, Schedule 2.19 sets forth a complete list of all written contracts with private third party payers including insurance companies and HMOs ("**Payer Contracts**"). Sellers have provided Purchasers with a true and correct copy of all material Payer Contracts, whether or not entered into in the ordinary course of business, or otherwise required to be disclosed on Schedule 2.20, in each case together with all amendments thereto.

2.20 Excluded Individuals. Except as set forth on Schedule 2.20, to the knowledge of Sellers: neither Sellers, Hospitals nor any director, officer or employee of Sellers or Hospitals (a) was, is or is proposed to be, suspended, excluded from participation in, or sanctioned under, any federal or state health care program (including, without limitation, Medicare and Medicaid) (an "**Excluded Individual**"); (b) has been convicted of any criminal offense related to the delivery of any medical or health care services or supplies, or related to the neglect or abuse of patients; (c) has failed to maintain its current License to provide the services required to be provided by it to or on behalf of Sellers and Hospitals; or (d) is unable to obtain or maintain liability insurance consistent with commercially reasonable industry practices.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF PURCHASER

As an inducement to Sellers to enter into this Agreement and to consummate the transactions contemplated by this Agreement, Purchaser hereby represents, warrants and covenants to Sellers as to the following matters as of the Signing Date and, except as otherwise provided herein, shall be deemed to remake all of the following representations, warranties and covenants as of the Closing Date:

3.1 Authorization. Purchaser has full power and authority to enter into this Agreement and has full power and authority to perform its obligations hereunder and to carry out the transactions contemplated hereby. No additional internal consents are required in order for Purchaser to perform its obligations and agreements hereunder.

3.2 Binding Agreement. This Agreement has been duly and validly executed and delivered by Purchaser and, assuming due and valid execution by Sellers, this Agreement constitutes a valid and binding obligation of Purchaser enforceable in accordance with its terms subject to (a) applicable bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditors' rights generally from time to time in effect and (b) limitations on the enforcement of equitable remedies.

3.3 Organization and Good Standing. Purchaser is a corporation duly organized, validly existing and in good standing under the laws of the State of California, is or will be duly

authorized to transact business in the State of California, and has full power and authority to own, operate and lease its properties and to carry on its business as now conducted.

3.4 No Violation. Except as set forth in **Schedule 3.4**, neither the execution and delivery by Purchaser of this Agreement nor the consummation of the transactions contemplated hereby nor compliance with any of the material provisions hereof by Purchaser will (a) violate, conflict with or result in a breach of any material provision of the Articles of Incorporation, Bylaws or other organizational documents of Purchaser or any contract, lease or other instrument by which Purchaser is bound; (b) require any approval or consent of, or filing with, any governmental agency or authority, (c) violate any law, rule, regulation, or ordinance to which Purchaser is or may be subject, (d) violate any judgment, order or decree of any court or other governmental agency or authority to which Purchaser is subject.

3.5 Brokers and Finders. Neither Purchaser nor any affiliate thereof nor any officer or director thereof has engaged any finder or broker in connection with the transactions contemplated hereunder.

3.6 Representations of Sellers. Purchaser acknowledges that it is purchasing the Assets on an "AS IS, WHERE IS" basis (as more particularly described in Section 1.12), and that Purchaser is not relying on any representation or warranty (expressed or implied, oral or otherwise) made on behalf of any Seller other than as expressly set forth in this Agreement. Purchaser further acknowledges that no Seller is making any representations or warranties herein relating to the Assets or the operation of the Hospital on and after the Effective Time.

3.7 Legal Proceedings. Except as described on **Schedule 3.7**, there are no claims, proceedings or investigations pending or, to the best knowledge of Purchaser, threatened relating to or affecting Purchaser or any affiliate of Purchaser before any court or governmental body (whether judicial, executive or administrative) in which an adverse determination would materially adversely affect the properties, business condition (financial or otherwise) of Purchaser or any affiliate of Purchaser or which would adversely affect Purchaser's ability to consummate the transactions contemplated hereby. Neither Purchaser nor any affiliate of Purchaser is subject to any judgment, order, decree or other governmental restriction specifically (as distinct from generically) applicable to Purchaser or any affiliate of Purchaser which materially adversely affects the condition (financial or otherwise), operations or business of Purchaser or any affiliate of Purchaser or which would adversely affect Purchaser's ability to consummate the transactions contemplated hereby.

3.8 No Knowledge of a Seller's Breach. Neither Purchaser nor any of its affiliates has knowledge of any breach of any representation or warranty by any Seller or of any other condition or circumstance that would give Purchaser a right to terminate this Agreement pursuant to Section 9.1(c). If information comes to Purchaser's attention on or before the Closing Date (whether through a Seller or otherwise and whether before or after the Signing Date) which indicates that Sellers have breached any of its representations and warranties under this Agreement, then the effect shall be as if the representations and warranties had been modified in this Agreement in accordance with the actual state of facts existing prior to the Effective Time such that there will be no breach under Sellers' representations and warranties in relation to such information; *provided, however*, that Purchaser must immediately notify Sellers if any such breach comes to its attention

on or before the Closing Date, and Purchaser's failure to so notify Sellers shall constitute a waiver by Purchaser of Sellers' breach, if any, of any representation or warranty. If any such information comes to Purchaser's attention on or before the Closing Date (whether through a Seller or otherwise, including through updated schedules, and whether before or after the Signing Date) that would give Purchaser a right to terminate this Agreement pursuant to Section 9.1(c), Purchaser must immediately notify Sellers if any such information comes to its attention on or before the Closing Date, and Purchaser's failure to so notify Sellers shall constitute a waiver of such right in relation to the relevant breach.

3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

3.10 Purchaser Knowledge. References in this Agreement to "Purchaser's knowledge" or "the knowledge of Purchaser" means the actual knowledge of the Chief Executive Officer, Chief Financial Officer or Chief Operating Officer of Purchaser, without independent research. No constructive or imputed knowledge shall be attributed to any such individual by virtue of any position held, relationship to any other Person or for any other reason.

3.11 Investigation. Purchaser has been afforded reasonable access to, and has been provided adequate time to review, the books, records, information, operations, facilities and personnel of each Seller and the Hospital for purposes of conducting a due diligence investigation of each Seller and the Hospital. Purchaser has conducted a reasonable due diligence investigation of each Seller and the Hospital and has received satisfactory answers to all inquiries it has made respecting each Seller and the Hospital and has received all information it considers necessary to make an informed business evaluation of each Seller and the Hospital. In connection with its due diligence investigation of each Seller and the Hospital, Purchaser has not relied upon any books, records, information, operations, facilities and personnel provided by any Seller, including in making its determination to enter into this Agreement and/or consummate the transactions contemplated hereby.

ARTICLE 4

COVENANTS OF SELLERS

4.1 Access and Information; Inspections.

4.1.1 From the Signing Date through the Effective Time, (a) each Seller shall afford to the officers and agents of Purchaser (which shall include accountants, attorneys, bankers and other consultants and authorized agents of Purchaser) reasonable access during normal business hours at Seller's corporate headquarters in El Segundo, California to, and the right to inspect, the books, accounts, records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital of such Seller and the plant and property of the Hospital of such Seller at the Hospital of such Seller and (b) each Seller shall furnish Purchaser with such additional financial and operating data and other information in such Seller's possession

as to businesses and properties of the Hospital of such Seller as Purchaser or its representatives may from time to time reasonably request; *provided*, *however*, that such Seller is not obligated to disclose information which is proprietary to such Seller and would not be essential to the ongoing operation of the Hospital of such Seller by Purchaser; *provided*, *further*, that all disclosures of information shall be consistent with the confidentiality agreements and any other non-disclosure agreements entered into (or to be entered into) among Purchaser, its representatives and such Seller. Purchaser's right of access and inspection shall be exercised in such a manner as not to interfere unreasonably with the operations of any Seller or the Hospital.

4.1.2 Notwithstanding anything contained herein, no Seller shall be required to provide Purchaser or its representatives or agents access to or disclose information where such access or disclosure would violate the rights of its patients, jeopardize the attorney-client or similar privilege with respect to such information or contravene any law, judgment, fiduciary duty or contract entered into prior to or on the date of this Agreement with respect to such information.

4.2 Cooperation.

4.2.1 Each Seller shall reasonably cooperate with Purchaser and its authorized representatives and attorneys: (a) in Purchaser's efforts to obtain all consents, approvals, authorizations, clearances and licenses required to carry out the transactions contemplated by this Agreement (including, without limitation, those of governmental and regulatory authorities) or which Purchaser reasonably deems necessary or appropriate, (b) in the preparation of any document or other material which may be required by any governmental agency as a predicate to or result of the transactions contemplated in this Agreement, and (c) in Purchaser's efforts to effectuate the assignment of Assumed Contracts to Purchaser as of the Closing Date. Except as may be otherwise requested by a Seller in order to comply with applicable law or regulatory guidance, notwithstanding anything contained herein, other than Bankruptcy Court orders and authorizations, it shall be Purchaser's sole responsibility (including payment of any fees, expenses, filings costs or other amounts) to obtain the Contract and Lease Consents, as well as all governmental consents, approvals, assignments, authorizations, clearances and licenses required to (x) carry out the transactions contemplated by this Agreement, including but not limited to medical licenses and/or (y) transfer any of the Assets, including any Licenses. To the extent Purchaser needs certain information and data which is in the possession of a Seller in order for Purchaser to complete Purchaser's license and permit approval applications, Purchaser shall receive, upon request, reasonable assistance from such Seller in connection with the provision of such information.

4.2.2 Notwithstanding any provision to the contrary contained in this Agreement (including Section 8.7), no Seller shall be obligated to obtain the approval or consent to the assignment, to Purchaser, of any Assumed Contracts or Assumed Leases, from any party to any of the Assumed Contracts or Assumed Leases even if any such contract or lease states that it is not assignable without such party's consent.

4.3 Other Bidders. Purchaser expressly acknowledges and agrees that each Seller has an obligation to seek out and determine the best and highest offer reasonably available for such

Seller's assets in accordance with the Bankruptcy Code, and nothing herein shall amend, modify, alter, diminish or affect such obligation.

4.4 Sellers' Efforts to Close. Each Seller shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Purchaser's obligations under this Agreement to the extent that such Seller's action or inaction can control or materially influence the satisfaction of such conditions; provided, however, that such Seller shall not be required to pay or commit to pay any amount to (or incur any obligation in favor of) any person (other than filing or application fees).

4.5 Termination Cost Reports. Each Seller shall file all Medicare, Medi-Cal and any other termination cost reports required to be filed as a result of the consummation of (a) the transfer of the Assets of such Seller to Purchaser and (b) the transactions contemplated by this Agreement with respect to such Seller, provided that Purchaser shall fund reasonable costs and expenses of preparation, filing and audit of such reports. Purchaser shall permit each Seller access to all Hospital books and records to prepare such reports and shall assist such Seller in the process of preparing, filing, and reviewing the termination cost reports. All such termination cost reports shall be filed by the applicable Seller in a manner that is consistent with current laws, rules and regulations. Each Seller shall be responsible for filing governmental cost reports for the period of January 1, 2019 through the Closing Date. Purchaser shall be responsible for its own cost report filings relating to the Hospitals beginning on the day immediately following the Effective Time.

4.6 Conduct of the Business. From the Signing Date until the Closing, or the earlier termination of this Agreement, without the prior written consent of Purchaser, Sellers shall, with respect to the ownership of the Assets and the operation of the Hospitals, use commercially reasonable efforts to, in each case except as would not have a Material Adverse Effect (except as otherwise noted):

(a) without regard to Material Adverse Effect, carry on Sellers' ownership of the Assets and the operation of the Hospitals consistent with past practice, but subject to the Bankruptcy Cases and Sellers' obligations and actions in connection therewith;

(b) maintain in effect the insurance and equipment replacement coverage with respect to the Assets;

(c) if and as permitted by the Bankruptcy Court, pay any bonuses payable under the Key Employee Retention Plan and Key Employee Incentive Plan of Sellers;

(d) maintain the Assets in materially the same condition as at present, ordinary wear and tear excepted;

(e) perform its obligations under all contracts with respect to the Assets in compliance with the Bankruptcy Code;

(f) following entry of the Sale Order, permit and allow reasonable access by Purchaser and its representatives (which shall include the right to send written materials, all of which shall be subject to Sellers' reasonable approval prior to delivery) to make offers of post-

Closing employment to any of Sellers' personnel (including access by Purchasers and their representatives for the purpose of conducting open enrollment sessions for Purchasers' employee benefit plans and programs) and to establish relationships with physicians, medical staff and others having business relations with Sellers;

(g) with respect to material deficiencies, if any, cited by any governmental authority (other than the Attorney General of the State of California and other than with respect to Seismic requirements) or accreditation body in the most recent surveys conducted by each, cure or develop and timely implement a plan of correction that is acceptable to such governmental authority or such accreditation body;

(h) timely file or cause to be filed all material reports, notices and tax returns required to be filed and pay all required taxes as they come due;

(i) without regard to Material Adverse Effect, beginning on February 21, 2019 and in accordance with the Sellers' budget under their debtor in possession financing, timely pay any fees that are or become due and payable under QAF IV and QAF V;

(j) comply in all material respects with all Legal Requirements (including Environmental Laws) applicable to the conduct and operation of the Hospitals; and

(k) without regard to Material Adverse Effect, maintain all material approvals, permits and environmental permits relating to the Hospitals and the Assets.

4.7 Contract With Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

ARTICLE 5

COVENANTS OF PURCHASER

5.1 Purchaser's Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers' obligations under this Agreement to the extent that Purchaser's action or inaction can control or materially influence the satisfaction of such conditions. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement, Purchaser shall be permitted to communicate and meet with (a) counter-parties to the agreements and contracts of the Hospitals, included those included in Assumed Obligations, regarding the terms and conditions under which they may be assumed and assigned to Purchaser, and (b) applicable governmental and regulatory authorities regarding prospective compliance with regulatory requirements and related issues; so long as, in the case of each of (a) and (b) (i) such communications and meetings do not interfere with the operation of the Businesses or the conduct of the Bankruptcy Cases and (ii) any communications or meetings with any governmental authority are approved in advance by Sellers as to timing and content (and Sellers are copied on such communications and afforded the opportunity to participate in such meetings).

5.2 Required Governmental Approvals.

(a) Purchaser, at its sole cost and expense (a) shall use its best efforts to secure, as promptly as practicable before the Closing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled (and provide Sellers copies of all materials relating to such consents, approvals, authorizations, clearances and licenses upon submission and all materials received from third parties in connection with such consents, approvals, authorizations, clearances and licenses upon receipt), and (b) will provide such other information and communications to governmental and regulatory authorities as any Seller or such authorities may reasonably request. Purchaser will provide Sellers periodic and timely updates regarding all such consents, approvals, authorizations, clearances and licenses. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Effective Time. Purchaser shall, promptly, but no later than thirty (30) business days after the entry of the Sale Order or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other similar documents with all applicable governmental and regulatory authorities which are a prerequisite to obtaining the material licenses, permits, authorizations and provider numbers described in Section 8.1. Purchaser shall be entitled, but not obligated, to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and obtain estoppel certificates from any third party to any Leased Real Property. Purchaser's failure to obtaining any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either party's obligation to close the transactions contemplated by this Agreement.

(b) Purchaser and Sellers agree that because the change of ownership and regulatory approval process in connection with the transactions contemplated by this Agreement may take an extended period of time, Purchaser and Sellers agree to an initial closing effective upon the approval of the court and upon the approval of the transaction by the CA AG (as defined below) in accordance with Sections 7.5 and 8.6, at which time the Assets (less the portion of the Assets constituting drugs or other pharmacy assets) will be sold to Purchaser and immediately leased back

to Sellers, with a concurrent management agreement entered into at that time upon terms mutually agreeable to the parties in their reasonable business judgment. The Sale Leaseback Agreement and Interim Management Agreement will terminate at the Closing when the Purchaser is issued the Licenses necessary to operate the Hospitals directly (namely, the Hospital Licenses and pharmacy permits).

5.3 Certain Employee Matters.

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) (the "**Hospital Employees**") who, immediately prior to the Effective Time are: (i) employees of any Seller; (ii) employees of any affiliate of any Seller which employs individuals at the Hospital and are listed on **Schedule 5.3**; or (iii) employed by an affiliate of any Seller and are listed on **Schedule 5.3**. For the avoidance of doubt, the Hospital Employees shall not include any employees of Verity or any other affiliate of Seller unless such individual is listed on **Schedule 5.3**. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the "**Hired Employees**." All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.

(b) Purchaser shall give all Hired Employees full credit for paid time off pay to such employees as of the Closing Date by crediting such employees the time off reflected in the employment records of the applicable Seller and/or any of its affiliates immediately prior to the Effective Time, subject to compliance with applicable law and regulation, including consent of such employees if required.

(c) After the Closing Date, Purchaser's human resources department will give reasonable assistance to each Seller and its affiliates with respect to such Seller's and such Seller's affiliates' post-Closing administration of such Seller's and such Seller's affiliates' pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to each Seller a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(d) With respect to any collective bargaining agreements or labor contract with respect to any employees, Purchaser shall comply with the applicable laws and bankruptcy court orders relating to collective bargaining agreements or labor contracts.

(e) The provisions of this Section 5.3 are solely for the benefit of the parties to this Agreement, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

5.4 Excluded Assets. As soon as practicable after the Closing Date, Purchaser shall deliver to each Seller or such Seller's designee any Excluded Assets of such Seller found at the

Hospital on and after the Effective Time, without imposing any charge on any Seller for Purchaser's storage or holding of same on and after the Effective Time.

5.5 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.6 Attorney General. Promptly after entry of the Sale Order, but in any event within ten (10) calendar days, Purchaser shall, at its sole cost and expense, make any notices or other filings with the Attorney General of the State of California (the "**CA AG**"). Each Seller shall reasonably cooperate with Purchaser in such notices or other filings.

5.7 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue as of the Closing.

5.8 Cure Costs. Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code. For purposes of this Agreement, "**Cure Costs**", means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assumed Contracts and Assumed Leases to Purchaser as provided herein.

5.9 Operating Covenant. Purchaser shall act in good faith and use Purchaser's commercially reasonable efforts to serve the medical needs of each Hospital's service area.

5.10 HSR Filing. Purchaser and each Seller will as promptly as practicable, and in any event no later than five business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act.

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement. In addition, Sellers may, in their discretion, seek to reject any or all of the collective bargaining agreement(s).

ARTICLE 6

SELLERS' BANKRUPTCY AND BANKRUPTCY COURT APPROVAL

6.1 Bankruptcy Court Approval; Overbid Protection and Break-Up Fee.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Assets and the assumption and assignment of the Assumed Contracts and Assumed Leases are subject to Bankruptcy Court approval, and that this Agreement is subject to termination in its entirety in the event any Seller receives a better and higher offer for the Assets in accordance with the Bankruptcy Code and subject to the terms stated herein.

(b) Promptly following the execution of this Agreement by all parties, the Seller shall file a motion with the Bankruptcy Court (the "**Sales Procedures Motion**"), the content of which shall be subject to the reasonable approval by Purchaser, for entry of an order approving bid procedures and overbid protections containing substantially the following terms and conditions:

(1) the Seller shall not accept any offer to sell the Assets subject to this Agreement ("**Overbid**") to another purchaser ("**Overbidder**") unless that offer exceeds the Purchase Price by an amount sufficient to pay the Break-Up Fee and such offer includes the purchase of substantially all Assets subject of this Agreement;

(2) in the event that an overbidder (and not the Purchaser) is the successful bidder for the purchase of the Assets (the "**Alternate Transaction**") and the Alternative Transaction is approved by the Bankruptcy Court, (a) the Deposit, and any interest earned thereon, shall be returned to Purchaser immediately upon the entry of such sale order, and (b) Purchaser shall be paid a break-up fee of three and one-half percent (3.25%) of the Cash Consideration ($19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed $2,000,000.00 ((the "**Break-Up Fee**"); provided, however, that in the event that

the Purchaser is successful as to some but not all of the Assets, the Break-Up Fee shall be reduced pro rata to the percentage of Assets not actually purchased by the Purchaser, based on the allocation of the Purchase Price as described in Section 1.1(a)(i), as compared to the Assets which were the subject of this Agreement; in the event that Purchaser terminates this Agreement in accordance with Section 8.6 hereof, expenses of Purchaser incurred in satisfaction of Section 8.6 shall be reimbursed up to $500,000; and

(3) The Break-Up Fee shall be deemed to be an allowed expense of the kind specified in Section 503(b) of the Bankruptcy Code to be paid solely from the proceeds of the Alternate Transaction, pursuant to the Sale Order. The Break-Up Fee shall not be paid if the Alternate Transaction was pursued due to a material breach by the Purchaser or the Purchaser's failure or refusal to consummate the transaction after the satisfaction or waiver of all closing conditions.

The Sales Procedures Motion will contain bid procedures as set forth in the bid procedures attached hereto as **Schedule 6.1(b)(3)**.

If Sellers fails to obtain Bankruptcy Court approval for the Sales Procedures Motion by no later than four weeks after the end of the Final Diligence Period, Purchaser shall have the right to terminate this Agreement, without recourse or liability, and Seller shall immediately thereafter return to Purchaser the Deposit and any interest earned thereon.

(c) Each Seller shall at the Sale Hearing exercise reasonable efforts to obtain a "Sale Order" approving this Agreement, subject to its obligations in respect of any better and higher offer for such Seller's assets in accordance with the Bankruptcy Code. For purposes of this Agreement, the term "**Sale Order**" shall mean an order of the Bankruptcy Court authorizing the sale of the Assets (including the assumption and assignment of the Assumed Contracts and Assumed Leases) to Purchaser consistent with this Agreement and in a form reasonably satisfactory to Purchaser.

(d) Each Seller agrees to proceed in good faith to obtain Bankruptcy Court approval of the sale contemplated herein with a determination that Purchaser is a good faith purchaser pursuant to Bankruptcy Code section 363(m) and to file such declarations and other evidence as may be required to support a finding of good faith.

(e) Each Seller shall seek an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against such Seller as debtor solely in the Bankruptcy Court.

6.2 Appeal of Sale Order. In the event an appeal is taken or a stay pending appeal is requested from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from either of such orders. In the event of an appeal of the Sale Order, Sellers shall be primarily responsible for drafting pleadings and attending hearings as necessary to defend against the appeal; provided, however, Purchaser, at its option, shall have the right to

participate as a party in interest in such appeal. In the event a stay is issued by any appellate court, including the United States District Court, which prevents the sale from closing, as scheduled, Purchaser shall have the right to terminate this Agreement if such stay is not vacated on or before 45 days from the date of the stay is issued, and Purchaser shall be entitled to the prompt return of the Deposit and any interest earned thereon.

ARTICLE 7

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

Sellers' obligation to sell the Assets and to close the transactions as contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Sellers in whole or in part at or prior to the Closing:

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

7.3 Performance of Covenants. Purchaser shall have in all respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by it on or prior to the Closing Date.

7.4 Governmental Authorizations. Purchaser shall have obtained all material licenses, permits and authorizations from governmental agencies or governmental bodies that are necessary or required for completion of the transactions contemplated by this Agreement, including reasonable assurances that any material licenses, permits and authorizations not actually issued as of the Closing will be issued following Closing (which may include oral assurances from appropriate governmental agencies or bodies).

7.5 Attorney General Provisions. The conditions to Purchaser's obligations to close set forth in Section 8.6 shall have been satisfied.

7.6 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order.

7.7 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

7.8 CSCDA Acknowledgement. The CSCDA and PACE Trustee shall have executed acknowledgements in form and substance acceptable to Sellers that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations, and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date.

ARTICLE 8

CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Governmental Authorizations. Except as otherwise set forth in this Agreement, Purchaser and Sellers shall have obtained licenses, permits and authorizations from governmental agencies or governmental bodies that are required for the purchase, sale and operation of the Hospitals, including without limitation approval of the CA AG (subject to Section 8.6), except in such case where failure to obtain such license, permit or authorizations from a governmental agency or governmental body does not have a Material Adverse Effect.

8.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

8.3 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to all of the provisions of this Agreement.

8.4 Performance of Covenants. Sellers shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; *provided, however*, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

8.5 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser

agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the "Additional Conditions"), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order ("Supplemental Sale Order") finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of $5 million, or more, shall be conclusively deemed to be "materially different." If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than $500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein,

shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services (**"CMS"**) and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services (**"DHCS"**), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers' Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge, and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposed of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.

8.8 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

ARTICLE 9

TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

(a) by the mutual written consent of the parties;

(b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after service by Sellers upon Purchaser of a written notice which describes the nature of such breach;

(c) by Purchaser if, in its sole and absolute discretion, it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to this Agreement, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under this Section 9.1(c) on or prior to January 8, 2019, which notice may be given by facsimile or email correspondence; provided, that for the avoidance of doubt, following expiration of the Final Diligence Period, notwithstanding anything else in this Agreement, Purchaser shall not be entitled to terminate this Agreement (or not Close) as a result of the breach of any representation or warranty made by Sellers (or any of them) other than the breach of a Sale Order Date Representation, but in each case solely to the extent such breach of a

Sale Order Date Representation would result in a Material Adverse Effect; provided, further, that any dispute between Purchaser and Sellers as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court;

(d) by Purchaser if a material breach of this Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser upon Sellers of a written notice which describes the nature of such breach;

(e) by Purchaser if satisfaction of any of the conditions in ARTICLE 8 has not occurred by December 31, 2019 or becomes impossible, and Purchaser has not waived such condition in writing (provided that the failure to satisfy any of the applicable condition or conditions in Sections 8.1 through 8.5 inclusive has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date); provided that upon the imposition of Additional Conditions by the CA AG, Section 8.6 must be satisfied or waived by Purchaser by no later than sixty (60) days thereafter.

(f) by Sellers if satisfaction of any of the conditions in ARTICLE 7 has not occurred by December 31, 2019 or becomes impossible, and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(g) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Cases or fails to approve the Sales Procedures Motion by the date specified in Section 6.1(b);

(h) by Sellers if, in connection with the Bankruptcy Cases, any Seller accepts an Alternate Transaction and pays the Break-Up Fee;

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before December 31, 2019; or

(j) by Purchaser if a force majeure event (such as acts of God, storms, floods, landslides, earthquakes, lightning, riots, fires, pandemics, sabotage, civil commotion or civil unrest, interference by civil or military authorities, acts of war (declared or undeclared) or armed hostilities, other national or international calamity, one or more acts of terrorism, or failure of energy sources) shall have occurred between the Signing Date and Closing Date, which event is reasonably likely to have a Material Adverse Effect.

9.2 Termination Consequences. If this Agreement is terminated pursuant to

Sections 6.1(b), 6.2 or 9.1: (a) all further obligations of the parties under this Agreement shall terminate (other than Purchaser's right to receive the Break-Up Fee if applicable), provided that the provisions of ARTICLE 12, shall survive; and (b) each party shall pay only its own costs and expenses incurred by it in connection with this Agreement; provided, in the case of any termination based on Sections 9.1(b) or (d) the consequences of such termination shall be determined in accordance with ARTICLE 11 hereof. In addition, if this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1 (other than Section 9.1(b)), Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Each Party acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement.

ARTICLE 10

POST-CLOSING MATTERS

10.1 Excluded Assets.

Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within five (5) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to the applicable Seller. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to any Seller under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to any Seller because of, outstanding claims, liabilities or obligations asserted by Purchaser against any Seller. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to the applicable Seller in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Seller (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to the applicable Seller.

10.2 Preservation and Access to Records After the Closing.

(a) From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the "**Document Retention Period**"), Purchaser shall keep and preserve all medical records (including, without limitation, electronic medical records), patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers' estate representative or any liquidating trustee of the Sellers' bankruptcy estate ("**Seller Parties**"), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Effective Time (including, without limitation, access to

records of patients treated at the Hospital prior to the Effective Time) during normal business hours after the Effective Time, to the extent reasonably needed by any Seller Party for any lawful purpose. Purchaser acknowledges that, as a result of entering into this Agreement and operating the Hospital, it will gain access to patient records and other information which are subject to rules and regulations concerning confidentiality. Purchaser shall abide by any such rules and regulations relating to the confidential information it acquires. Purchaser shall maintain the patient and medical staff records at the Hospital in accordance with applicable law and the requirements of relevant insurance carriers. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents described in this Section 10.2(a), Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal. Any of the Seller Parties shall have the right, at its sole cost, to take possession of such documents during such forty-five (45) calendar day period. If any of the Seller Parties does not take possession of such documents during such forty-five (45) calendar day period, Purchaser shall be free to destroy or otherwise dispose of such documentation upon the expiration of such forty-five (45) calendar day period.

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Effective Time with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees); provided that Purchaser shall not be required to incur any out of pocket costs in association therewith. In addition, Sellers and their affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of their affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or their applicable affiliate's use of such records.

(c) In connection with (i) the transition of the Hospital pursuant to the transaction contemplated by this Agreement, (ii) Sellers' rights to the Excluded Assets, (iii) any claim, audit, or proceeding, including, without limitation, any tax claim, audit, or proceeding and (iv) the Sellers' obligations under the Excluded Liabilities, Purchaser shall after the Effective Time give Sellers access during normal business hours to Purchaser's books, personnel, accounts and records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital as representatives of Sellers and their affiliates may from time to time reasonably request, all in such manner as not to unreasonably interfere with the operations of the Hospital.

(d) Purchaser and its representatives shall be given access by Sellers during normal business hours to the extent reasonably needed by Purchaser for business purposes to all documents, records, correspondence, work papers and other documents retained by Sellers pertaining to any of the Assets prior to the Effective Time (excluding confidential employee information, privileged materials and patient records), all in such manner as to not interfere unreasonably with Sellers. Such documents and other materials shall be, at Sellers' option, either (i) copied by Sellers for Purchaser at Purchaser's expense, or (ii) removed by Purchaser from the premises, copied by Purchaser and promptly returned to Sellers.

(e) Purchaser shall comply with, and be solely responsible for, all obligations under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Parts 160 and 164) promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 with respect to the operation of the Hospital on and after the Effective Time.

(f) Purchaser shall cooperate with Sellers, on a timely basis and as reasonably requested by Sellers, in connection with the provision of all data of the Hospital and other information required by Sellers for reporting to HFAP for the remainder of the quarterly period in which the Closing has occurred.

(g) To the maximum extent permitted by law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities or Excluded Assets, including without limitation, documents relating to the operations of any of the Hospital or any of the Hospital's committees prior to the Effective Time, prior to any disclosure of such documents, Purchaser shall notify Sellers and shall provide Sellers with the opportunity to object to, and otherwise coordinate with respect to, such request or demand.

(h) Provision of Benefits of Certain Contracts. Notwithstanding anything contained herein to the contrary, this Agreement shall not constitute an agreement to assign any Assumed Contract or Assumed Lease, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would constitute a breach thereof or in any way negatively affect the rights of Sellers or Purchaser, as the assignee of such Assumed Contract or Assumed Lease, as the case may be, thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, such consent or approval is required but not obtained, Sellers will cooperate with Purchaser in any reasonable arrangement designed to both (a) provide Purchaser with the benefits of or under any such Assumed Contract or Assumed Lease, and (b) cause Purchaser to bear all costs and obligations of or under any such Assumed Contract or Assumed Lease. Further, notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Account Receivable the assignment of which is either prohibited by law or by the terms of any contract with a payor without the consent of such payor. Any payments received by Sellers after the Closing Date from patients, payors, clients, customers, or others who are the obligors on Accounts Receivables transferred to Purchaser as a part of the Assets on the Closing Date shall be paid over to Purchaser within ten (10) business days after receipt by Seller.

10.3 Closing of Financials. Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall cause the individual acting as the chief financial officer of the Hospital after the Effective Time (the "**Post-Effective Time CFO**") to cooperate with Sellers' representatives in

order to complete the standardized closing of Sellers' financial records through the Closing Date including, without limitation, the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Purchaser shall cause the Post-Effective Time CFO to use his or her good faith efforts to cooperate with Sellers' representatives in order to complete the Closing of Financials by no later than the date which is thirty (30) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers' post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO's other duties.

10.4 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital's medical staff members in good standing as of the Effective Time shall maintain medical staff privileges at the Hospital as of the Effective Time. On and after the Effective Time, the medical staff will be subject to the Hospital's Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.5 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates which are not being sold to Purchaser ("**Shared Intangible Assets**") and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; provided, however, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

ARTICLE 11

DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed $60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under this Agreement.

11.2 Seller Default. If Sellers commit any material default under this Agreement, Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Closing Date, the parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Effective Time and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The parties shall also make available to each other to the extent reasonably required, and at the reasonable cost of the requesting party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) The Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income Tax purposes) shall be allocated among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder as set forth in **Schedule 11.3(b)** (such schedule the "**Allocation Schedule**"). The Allocation Schedule shall be for Sellers' and Purchaser's tax purposes only, and shall not limit the Sellers' creditors in any way.

11.4 Cost Report Matters.

(a) Consistent with Section 4.5, Sellers shall, at Purchaser's expense, prepare and timely file all cost reports relating to the periods ending prior to the Effective Time or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the "**Seller Cost Reports**").

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers' preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser's provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Effective Time with respect to Seller Cost Reports except for preparation and filing thereof.

ARTICLE 12

MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Sellers shall execute, acknowledge and deliver to Purchaser any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Purchaser at any time and shall take any and all other actions reasonably requested by Purchaser at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Purchaser, the Assets. After consummation of the transaction contemplated in this Agreement, the parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; *provided, however,* that no party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties which consent shall not be unreasonably withheld or delayed, except that Purchaser may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the parties hereto.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated by reference herein. From the Signing Date until the Closing, the parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, but subject to Section 9.2(c), should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article III merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on the face of such disclosure, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5)

calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

or at such other address as one party may designate by notice hereunder to the other parties.

12.7 Headings. The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related

to this Agreement or any other transaction contemplated hereby and each shall have the right to review and comment on the other's press releases prior to issuance; *provided, however*, that nothing in this Section 12.8 shall be deemed to prohibit either Sellers or Purchaser from making any disclosure that its counsel deems necessary or advisable in order to satisfy either party's disclosure obligations imposed by law subject to reasonable prior notice to the other party thereof.

12.9 Fair Meaning. This Agreement shall be construed according to its fair meaning and as if prepared by all parties hereto.

12.10 Gender and Number; Construction; Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word "including" followed by a listing does not limit the preceding words or terms and shall mean "including, without limitation." Any reference in this Agreement to an "affiliate" shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A "Person" shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.11 Third Party Beneficiary. None of the provisions contained in this Agreement are intended by the parties, nor shall they be deemed, to confer any benefit on any person not a party to this Agreement, except for the parties' successors and permitted assigns, and except for any liquidating trustee or plan administrator for Sellers' estate.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the parties hereto. The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding

between the parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the parties on the subject matter hereof (the "**Superseded Agreements**"), which Superseded Agreements shall be of no further force or effect; provided, that notwithstanding the foregoing, the letter Confidentiality Agreement dated July 12, 2018 between Purchaser and Cain Brothers, a division of KeyBanc Capital Markets Inc., on behalf of Sellers and their related entities shall not be a Superseded Agreement and shall continue in full force in effect in accordance with its terms.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the party which is entitled to the benefit thereof but only by a written notice signed by the party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a party shall not be deemed to be a waiver of any preceding breach by any other party of any term, covenant or condition of this Agreement, other than the failure of such other party to perform the particular duties so accepted, regardless of the accepting party's knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

LEGAL DESCRIPTION

FORM OF ASSIGNMENT AND ASSUMPTION OF LEASES

THIS ASSIGNMENT AND ASSUMPTION OF LEASES (the "**Assignment**") is dated as of _____ ___, 201_ by and between _____, a _____ ("**Assignor**") and STRATEGIC GLOBAL MANAGEMENT, INC., a California corporation ("**Assignee**").

RECITALS

A. Assignor, certain of Assignor's affiliates, and Assignee entered into that certain Asset Purchase Agreement dated as of December __, 2018 (as the same may be amended, the "**Agreement**") with respect to the purchase of certain Assets. Capitalized terms not defined in this Assignment shall have the meanings ascribed to such terms in the Agreement.

B. Pursuant to the Agreement, Assignor has agreed to assign to Assignee (i) those certain leases governing the Leased Real Property described on Exhibit A attached hereto (the "**Operational Leases**"), and (ii) those Tenant Leases described on Exhibit B attached hereto.

C. In addition, pursuant to the Agreement, Assignor has agreed to assign to Assignee (i) Assignor's right to the deposits held by landlords in connection with the Operational Leases in the amounts set forth on Exhibit A attached hereto, and (ii) the security deposits held by Assignor in connection with the Tenant Leases set forth on Exhibit B attached hereto ((i) and (ii), collectively, the "**Security Deposits**").

NOW THEREFORE, for good and valuable consideration, Assignor and Assignee agree:

AGREEMENT

1. Assignment of Leases and Security Deposits. Assignor hereby assigns, sells, transfers, sets over and delivers to Assignee all of Assignor's right, title and interest in and to the Operational Leases, the Tenant Leases and the Security Deposits.

2. Assumption of Leases. Assignee hereby assumes all covenants and obligations to be performed, fulfilled or complied with by Assignor under the Operational Leases and the Tenant Leases to the extent arising on or after the Effective Time, including any related Cure Costs.

3. Notices. Immediately following the Closing, Assignor and Assignee shall give notice to the landlords of the Operational Leases and the tenants under the Tenant Leases that Assignee has assumed the respective lease.

4. Governing Law. This Assignment and the legal relations between the parties hereto shall be governed by and be construed in accordance with the laws of the State of California.

5. Counterparts. This Assignment may be executed in counterparts, each of which shall constitute an original. This Assignment shall only be effective if a counterpart is signed by both Assignor and Assignee. Signatures to this Assignment created by the signer by electronic means and/or transmitted by telecopy, email, or other electronic transmission shall be valid and effective to bind the party so signing.

6. Purchase Agreement. This Assignment is executed and delivered in connection with the Agreement. Notwithstanding anything herein to the contrary, nothing herein shall in any way alter or waive the promises, agreements, and covenants set forth in the Agreement, and in the event of a conflict between the terms of this Assignment and the Agreement, the Agreement shall control.

7. Successors and Assigns. This Assignment and all of the provisions hereof shall be binding upon, and inure to the benefit of, the successors and assigns of the parties hereto permitted under the Agreement.

8. Miscellaneous. If any term or provision of this Assignment shall be held invalid or unenforceable, the remainder of this Assignment shall not be affected. This Assignment may not be amended or altered except by a written instrument executed by Assignor and Assignee.

IN WITNESS WHEREOF, the parties have executed this Assignment as of the date first written above.

Report of Independent Auditors

The Board of Directors
Daughters of Charity Health System

We have audited the accompanying consolidated financial statements of Daughters of Charity Health System, which comprise the consolidated balance sheets as of June 30, 2015 and 2014, and the related consolidated statements of operations and changes in net (deficit) assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We did not audit the financial statements of Marillac Insurance Company, Ltd (Marillac), a wholly-owned subsidiary, which statements reflect total assets constituting 6.81% as of June 30, 2015 and 6.68% as of June 30, 2014 and total revenues constituting 0.88% in 2015 and 0.85% in 2014 of the related consolidated totals. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Marillac, is based solely on the report of the other auditors. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not

Building a better working world

for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audits and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Daughters of Charity Health System at June 30, 2015 and 2014, and the consolidated results of its operations and changes in net (deficit) assets and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Daughters of Charity Health System's Ability to Continue as a Going Concern

The accompanying consolidated financial statements have been prepared assuming that Daughters of Charity Health System will continue as a going concern. As discussed in Note 2 to the consolidated financial statements, Daughters of Charity Health System has recurring losses from operations and has a net deficit that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 2. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

Daughters of Charity Health System

Notes to Consolidated Financial Statements

June 30, 2015

1. Organization

The Daughters of Charity Health System (Parent), a California nonprofit religious corporation, was formed in June 2001 by the Daughters of Charity Ministry Services Corporation (Ministry Services), a California not-for-profit religious corporation. Ministry Services is the sole corporate member of Daughters of Charity Health System. Daughters of Charity Health System is the sole corporate member of six California not-for-profit religious corporations that operate six acute care hospitals and other facilities (the Hospitals, see list below) in the state of California. Daughters of Charity Health System and the following list of affiliated entities (collectively, DCHS) became one of the largest not-for-profit health care systems in the state of California, with approximately 1,660 licensed acute care and skilled nursing beds.

DCHS consists of Parent* and the following:

- O'Connor Hospital*
- Saint Louise Regional Hospital*
- St. Francis Medical Center Lynwood*
- St. Vincent Medical Center*
- Seton Medical Center*
- Seton Medical Center Coastside (a division of Seton Medical Center)*
- Caritas Business Services
- Marillac Insurance Company, Ltd. (Marillac)
- O'Connor Hospital Foundation
- Saint Louise Regional Hospital Foundation
- St. Francis Medical Center of Lynwood Foundation
- St. Vincent Medical Center Foundation
- Seton Health Services Foundation
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC (see Note 2)
- DCHS Medical Foundation (see Note 2)

*Part of the Obligated Group (see discussion below and Note 9)

The Daughters of Charity of St. Vincent de Paul (the Daughters of Charity) commenced its health care mission in California in 1856, with four of the Hospitals having been sponsored by the Daughters of Charity since their formation.

1. Organization (continued)

DCHS established an Obligated Group (see listing of entities included in the Obligated Group above) to access the capital markets. Obligated Group members are jointly and severally liable for the long-term debt outstanding under the Bond Master Indenture.

2. Summary of Significant Accounting Policies

Basis of Presentation and Going Concern

In recent years, DCHS has experienced recurring operating losses that have been funded primarily from cash reserves. For the year ended June 30, 2015, DCHS recorded a net operating loss of $73,824,000 and a decrease in cash, cash equivalents, short-term and long-term investments of $13,911,000. In 2014, DCHS received a $130,000,000 contribution from the Daughters of Charity Foundation that was restricted for the purpose of defeasing the Series 2008 Bonds. Refer to Note 9 for further details on the defeased Series 2008 Bonds. DCHS anticipates that it will continue to incur operating losses and intends to continue to fund its losses from operations. Subsequent to June 30, 2015, DCHS has not borrowed any additional short-term debt from the California Statewide Development Corporation. Refer to Note 9 for further details.

On July 17, 2015, the DCHS Parent and Daughters of Charity Ministry Services selected Blue Mountain Capital Management (Blue Mountain), a private investment firm, to recapitalize the Hospitals. Blue Mountain will also provide management services (via Integrity Healthcare, a wholly owned subsidiary) to operate the six California hospitals and medical foundation (collectively, the "Transaction"). Under the terms of the Transaction, the DCHS board of directors will transfer control of the Hospitals to an independent, non-profit board of directors, which will oversee hospital operations. The Transaction is subject to regulatory approval and there can be no guarantee that the Transaction will close. Refer to Note 12 for further details on the Transaction.

In the event that the Transaction does not close, the Board of DCHS will consider all alternatives, which may include seeking alternative transactions, closure, and use of bankruptcy proceedings to accomplish alternatives.

The uncertainties surrounding future cash flows and liquidity position raise substantial doubt regarding DCHS' ability to continue as a going concern. The accompanying consolidated financial statements have been prepared in accordance with United States (U.S.) generally accepted accounting principles applicable to a going concern, which contemplates the realization

2. Summary of Significant Accounting Policies (continued)

of assets and the settlement of liabilities and commitments in the normal course of business for the foreseeable future. Such consolidated financial statements do not include any adjustments relating to the recoverability of the carrying amounts of recorded assets or the amount of liabilities that might result from the outcome of the uncertainties described above.

Consolidation

The accompanying consolidated financial statements include the accounts of DCHS after elimination of intercompany transactions.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. DCHS considers critical accounting policies to be those that require more significant judgments and estimates in the preparation of its consolidated financial statements, including the following: recognition of net patient service revenue, which includes contractual allowances and discounts; provisions for doubtful accounts and charity care; and risks and assumptions for measurement of pension and other postretirement liabilities. Management bases its estimates on historical experience and various other assumptions that it believes are reasonable under the particular facts and circumstances. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist primarily of cash and highly liquid marketable securities with original maturities, at the time of purchase, of three months or less.

2. Summary of Significant Accounting Policies (continued)

Patient Accounts Receivable, Allowance for Doubtful Accounts, and Net Patient Service Revenue

Patient accounts receivable and net patient service revenue are reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated settlements under reimbursement agreements with third-party payers. Settlements with third-party payers are accrued on an estimated basis in the period in which the related services are rendered and are adjusted in future periods as final settlements are determined.

DCHS manages the receivables by regularly reviewing its patient accounts and contracts and by providing appropriate allowances for uncollectible amounts. These allowances are estimated based upon an evaluation of historical payments, negotiated contracts and governmental reimbursements. Adjustments and changes in estimates are recorded in the period in which they are determined. The allowance for doubtful accounts for self-pay patients was 87% and 87% of self-pay accounts receivable at June 30, 2015 and 2014, respectively.

Patient service revenues, net of contractual allowances and discounts, are as follows (in thousands):

	Year Ended June 30	
	2015	**2014**
Government	**$ 881,274**	$ 656,291
Contracted	**380,068**	412,280
Self-pay and others	**53,808**	68,147
Net patient service revenue	**1,315,150**	1,136,718
Less: Provision for doubtful accounts	**(31,903)**	(43,282)
Net patient service revenue less provision for doubtful accounts	**$ 1,283,247**	$ 1,093,436

2. Summary of Significant Accounting Policies (continued)

Significant concentrations of net patient accounts receivable are as follows:

	June 30	
	2015	**2014**
HMO/PPO/Commercial	**36%**	38%
Medicare	**32**	29
Medi-Cal	**29**	28
Other	**3**	5
Total	**100%**	100%

Inpatient acute care services, outpatient services, and skilled nursing services rendered to Medicare program beneficiaries are paid at prospectively determined rates per discharge. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Certain inpatient nonacute services and defined capital and medical education costs related to Medicare beneficiaries are paid using a cost reimbursement methodology.

Health care services are provided free of charge or at a significant discount based on a sliding scale to individuals who meet certain financial criteria. DCHS makes every effort to determine if a patient qualifies for charity care upon admission. If a patient is determined to qualify for charity care, services are rendered to the patient free of cost. The costs of providing these services are included in unsponsored community benefit expense (see Note 3).

After satisfaction of amounts due from insurance and the application of financial discounts to patients' balances, and after exhausting all reasonable efforts to collect from the patients, a significant portion of the DCHS's uninsured and self-pay patient accounts are referred to the third-party agencies based on DCHS's established guidelines for further collection activities. As a result, DCHS's records a significant provision for doubtful accounts related to these uninsured patients in the period the services are rendered.

Payments from Medi-Cal and contracted-rate payers are based on a per diem, per discharge, modified cost, or capitated basis or a combination of these.

2. Summary of Significant Accounting Policies (continued)

Adjustments for the finalization of prior year cost reports from both Medicare and Medi-Cal resulted in an increase to patient service revenues of $5,176,000 and $9,291,000, for the years ended June 30, 2015 and 2014, respectively. Additionally, as a result of recent finalized cost reports, management determined that certain allocated reserves related to open prior year Medicare cost reports were no longer necessary, which resulted in a gain of $15,069,000 for the year ended June 30, 2015.

DCHS's St. Francis Medical Center qualified for and received Medi-Cal funding as a disproportionate-share hospital from the state of California under Senate Bill (SB) 855. Related revenues were $27,143,000 and $27,381,000, for the years ended June 30, 2015 and 2014, respectively, and are included in net patient service revenue. Amounts to be received in future years, if any, are subject to annual determination.

The St. Francis Medical Center also received funding for Medi-Cal disproportionate-share hospitals under Senate Bill 1255 (SB 1255). These SB 1255 funds are paid from the Emergency Services and Supplemental Payments Fund. Related revenues were $8,413,000 and $9,023,000, for the years ended June 30, 2015 and 2014, respectively, and are included in net patient service revenue. This funding must be applied for and approved each year.

The St. Francis Medical Center also qualifies for Medi-Cal funding as a disproportionate-share hospital from the state of California under Senate Bill 1732 (SB 1732). This SB 1732 program permits health care facilities servicing a disproportionate share of Medi-Cal patients to receive supplemental reimbursement for a portion of their debt service for qualified capital projects. St. Francis Medical Center has an amendment to its Medi-Cal contract, which was executed on June 19, 1993, for reimbursement related to the St. Francis Medical Center Health Services Pavilion, which was completed in 1991. Related revenues were $2,570,000 and $2,475,000, for the years ended June 30, 2015 and 2014, respectively, and are included in net patient service revenue.

As part of DCHS's mission to serve the community, DCHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges. Reserves for charity care and uncollectible amounts have been established and are netted against patient accounts receivable in the consolidated balance sheets.

2. Summary of Significant Accounting Policies (continued)

Industry Concentration

The receipt of future revenues by DCHS is subject to, among other factors, federal and state policies affecting the health care industry. There are future revenue uncertainties that may require that costs be controlled, which will be subject to the capability of management; future economic conditions, which may include an inability to control expenses in periods of inflation; increased competition; and other conditions, which are impossible to predict.

Inventories

Inventories consist of supplies and are stated at the lower of cost or market value, which is determined using the first-in, first-out method. Inventories are reviewed for obsolescence on a periodic basis. Amounts are included in other current assets.

Assets Limited as to Use

Assets limited as to use represent assets designated by the board of directors for future capital improvements, other specific purposes for Marillac over which the board of directors retains control, assets held by trustees under bond indenture agreements, and investments restricted by donors. The board of directors has the full ability to utilize the Marillac assets limited as to use to satisfy the needs of on-going operations, as necessary. Additionally, DCHS participated in a pooled investment fund administered by Ascension Health until September 2014. Assets limited as to use are stated at fair value. Refer to Note 4 for further details.

Investment income or loss is included in deficiency of revenues over expenses, unless the income or loss is restricted by donor or law. The assets are reflected in the assets limited as to use line item in the consolidated balance sheets.

Investments

Investments received through gifts are recorded at estimated fair value at the date of donation. Gains and losses that result from market fluctuations are recognized in the period that such fluctuations occur. Realized gains or losses resulting from sales or maturities are calculated on an adjusted-cost basis. Adjusted-cost is the original cost of the security adjusted for any purchases or sales during the year. Dividend and interest income are accrued when earned.

2. Summary of Significant Accounting Policies (continued)

Investment income includes the following (in thousands):

	Year Ended June 30 2015	2014
Interest and dividends	$ 3,362	$ 1,559
Investment fees	(213)	(246)
Unrealized (loss) gain on investments – net	(936)	8,871
Net realized gain on sales of securities	1,660	6,450
	3,873	16,634
Amounts included in changes in restricted net assets	3	(358)
Investment income	$ 3,876	$ 16,276

Property and Equipment

Property and equipment are stated at cost, if purchased, and at fair market value, if donated. Depreciation of property and equipment is calculated using a half-year convention and the straight-line method for financial statement purposes. Estimated useful lives by classification are as follows:

Land improvements	5–25 years
Buildings	10–40 years
Building service equipment	5–25 years
Equipment	4–20 years

Long-Lived Asset Impairment

DCHS routinely evaluates the carrying value of its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset, or related group of assets, may not be recoverable from estimated future undiscounted cash flows generated by the underlying tangible assets. When the carrying value of an asset exceeds the estimated recoverability, an asset impairment charge is recognized. The impairment tests are based on financial projections prepared by management that incorporate anticipated results from programs and initiatives being implemented and market value assessments of the assets. If the projections are not met, or if negative trends occur that impact the future outlook, the value of the long-lived assets may be impaired, which could be material.

2. Summary of Significant Accounting Policies (continued)

DCHS recorded $10,000,000 of impairment for the estimated non-recoverability of the building and select equipment at St. Vincent Medical Center. The amount of impairment was determined using a distressed revenue multiple, and was allocated using comparable prices for similar assets.

Goodwill and Intangible Assets

Goodwill is measured as of the effective date of a business acquisition as the excess of the aggregate of the fair value of consideration transferred over the fair value of the tangible and intangible assets acquired and liabilities assumed.

The changes in the carrying amount of goodwill are as follows (in thousands):

	Year Ended June 30	
	2015	2014
Beginning balance	$ –	$ 10,421
Addition from acquisition	–	2,955
Impairment	–	(13,376)
Ending balance	$ –	$ –

DCHS, through the DCHS Medical Foundation, acquired intangible assets and goodwill valued at $3,251,000 as of June 30, 2014, as a result of various physician practice acquisitions during fiscal year 2014. No acquisitions were made during fiscal year 2015.

The goodwill impairment tests are based on financial projections prepared by management that incorporate anticipated results from programs and initiatives being implemented. If these projections are not met or if negative trends occur that impact outlook, the value of goodwill may be impaired. During the year ended June 30, 2014, management determined that all goodwill was impaired.

It is DCHS's policy to amortize intangible assets with a finite life over their useful lives.

Fair Value of Financial Instruments

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, accounts receivable, accounts payable, accrued liabilities, and due to/from government agencies approximate fair value. The fair value of investments is disclosed in Notes 4 and 8, and the fair value of debt is disclosed in Note 9.

2. Summary of Significant Accounting Policies (continued)

Medical Foundation

The DCHS Medical Foundation (Medical Foundation) was established in December 2011 and incorporated under the California Nonprofit Religious Corporation regulations as a not-for-profit corporation exempted from IRC Section 501(c)(3). The sole member of this corporation is DCHS, acting through its board of directors.

During the fiscal year ended June 30, 2014, the Medical Foundation acquired eight physician groups, comprising the physician groups tangible and intangible assets, respectively. The total purchase consideration for the year ended June 30, 2014, amounted to $3,473,000, of which $2,488,000 was paid in cash and the remaining balance of $985,000 in notes payable in two installments of $492,500 due in fiscal years 2015 and 2016, respectively. The majority of the purchase price was allocated to goodwill at June 30, 2014. These acquisition costs have been reflected in DCHS's consolidated financial statements as of June 30, 2014. No acquisitions were made during the fiscal year ended June 30, 2015.

Guarantees

In the normal course of its business, DCHS enters into various types of guarantees with counterparties in connection with asset sales and other transactions. DCHS also provides indemnifications against potential losses to certain parties involved in their bond financing. The indemnifications are ordinarily documented in standard contract terms. Generally, there are no stated or notional amounts included in these indemnifications, and the events or contingences triggering the obligations to indemnify are generally not expected to occur. There have been no claims, and none are expected to occur; therefore, it is not possible to develop an estimate of the maximum payout and fair value under these guarantees and indemnifications. DCHS has not recorded any liabilities in the consolidated financial statements as of June 30, 2015 and 2014, related to any guarantees or indemnification arrangements.

Self Insurance

DCHS is self-insured for hospital professional and general liabilities by a wholly-owned self-insured captive insurance company. The provisions for estimated hospital professional and general liability claims include estimates of the ultimate costs for both uninsured reported claims and claims incurred-but-not-reported (IBNR), in accordance with actuarial projections or paid claims lag models based on past experience. Such claim reserves are based on the best data

2. Summary of Significant Accounting Policies (continued)

available to DCHS; however, these estimates are subject to a significant degree of inherent variability. There is at least a reasonable possibility that a material change to the estimated reserves will occur in the near term. Such estimates are continually monitored and reviewed, and as reserves are adjusted, the differences are reflected in current operations. Management is of the opinion that the associated liabilities recognized in the accompanying consolidated financial statements are adequate to cover such claims.

DCHS has entered into reinsurance, stop loss, and excess policy agreements with independent insurance companies to limit its losses on hospital professional and general liability claims.

Hospital professional and general liabilities were $13,161,000 and $6,022,000, discounted at a rate of 4% and 3% as of June 30, 2015 and 2014, respectively. Management is not aware of any potential hospital professional and general liability claims whose settlement would have a material adverse effect on DCHS's consolidated financial position.

Workers' Compensation Insurance

DCHS is insured for workers' compensation claims with major independent insurance companies, subject to certain deductibles of $500,000 per occurrence as of June 30, 2015 and 2014. Based on actuarially determined estimates, provisions have been made in the consolidated financial statements, with the current portion included within accrued liabilities and the non-current portion within workers' compensation and hospital professional and general liabilities, for all known claims and incurred but not reported claims as of June 30, 2015 and 2014. Workers' compensation liabilities were $24,278,000 and $26,115,000 discounted using a rate of 4% and 3%, as of June 30, 2015 and 2014, respectively. Estimation differences between actual payments and amounts recorded in previous years are recognized as expense in the year such amounts become determinable.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those for which use by DCHS has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by DCHS in perpetuity.

2. Summary of Significant Accounting Policies (continued)

California Hospital Fee Program

California legislation established a program in 2009 that imposes a Quality Assurance Fee (QA Fee) on certain general acute-care hospitals in order to make supplemental and grant payments and increased capitation payments (Supplemental Payments) to hospitals up to the aggregate upper payment limit for various periods. There have been four such programs (the "Programs") since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program, operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval (i.e., by the Centers for Medicare and Medicaid Services (CMS)) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively. As such, revenue and expense recognition is not allowed until full CMS approval was obtained.

In June 2012, the third program (30-Month Program), covering the period from July 2011 to December 2013, was amended to allow for the fee-for-service portion to be administered separately from the managed care portion. The fee-for-service portion of the 30-Month Program was approved in June 2012. In May and June 2013, 24 months of managed care payments were approved by CMS. In December 2014, the final six months of managed care payments were approved by CMS.

In October 2013, the fourth program (36-Month Program), covering the period from January 2014 to December 2016, was signed into law by the Governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of non-expansion managed care payments were approved by CMS in June 2015.

2. Summary of Significant Accounting Policies (continued)

DCHS recognized payments to the California Department of Health Care Services for the QA fee in the amount of $134,198,000 and $33,411,000 and pledge payments to CHFT of $2,282,000 and $1,577,000 within purchased services and other expenses for the years ended June 30, 2015 and 2014, respectively. DCHS also recognized Supplemental Payment revenue in the amount of $222,467,000 and $49,606,000 pertaining to the 30-Month and 36-Month Programs within the net patient service revenues for the years ended June 30, 2015 and 2014, respectively.

Meaningful Use Incentives

The American Recovery and Reinvestment Act of 2009 established payments under the Medicare and Medi-Cal programs for certain professionals and hospitals that meaningfully use certified electronic health record (EHR) technology. The Medicare incentive payments are paid out to qualifying hospitals over four consecutive years on a transitional schedule. To qualify for Medi-Cal incentives, hospitals and physicians must annually meet EHR "meaningful use" criteria that become more stringent over three stages as determined by CMS. For the years ended June 30, 2015 and 2014, DCHS has recorded meaningful use incentive payments of $7,947,000 and $10,104,000, respectively. These incentive payments have been recorded as other operating revenue in the DCHS consolidated financial statements.

Premium Revenue

Certain entities of DCHS have at-risk agreements with various payers to provide medical services to enrollees. Under these agreements, DCHS receives monthly payments based on the number of enrollees, regardless of services actually performed by DCHS. DCHS accrues costs when services are rendered under these contracts, including estimates of IBNR claims and amounts receivable/payable under risk-sharing arrangements.

The IBNR accrual includes an estimate of the costs of services for which DCHS is responsible, including out-of-network services.

Other Operating Revenue

Included in other operating revenue are amounts from investments in health-related activities, rental income, cafeteria, and other nonpatient care revenue.

2. Summary of Significant Accounting Policies (continued)

Contributions

Unconditional promises to give cash and other assets to DCHS are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets. Net assets released from restrictions used for operations are also included in other operating revenue as contribution revenue to the Hospitals.

Interest Expense

Interest expense on debt issued for construction projects, net of income earned on the funds held pending use, is capitalized from the date of the borrowing until the projects are placed in service. Interest components include the following (in thousands):

	Year Ended June 30	
	2015	**2014**
Total interest expense	**$ 23,215**	$ 19,930
Less: capitalized interest expense	**(665)**	(824)
Net interest expense	**$ 22,550**	$ 19,106

Income Taxes

DCHS has established its status as an organization exempt from income taxes under the Internal Revenue Code (IRC) Section 501(c) (3) and the laws of California. Certain activities of the operating entities of DCHS may be subject to income taxes; however, such activities are not significant to the consolidated financial statements.

Performance Indicator

Management considers the deficiency of revenues over expenses to be DCHS's performance indicator. Deficiency of revenues over expenses includes all changes in unrestricted net assets, except net assets released from restrictions used for purchase of property and equipment, the change in funded status of pension plans, and other.

2. Summary of Significant Accounting Policies (continued)

Transactions Between Related Organizations

DCHS and various members of DCHS pay for sisters' services provided to it by its sponsoring congregation at amounts comparable to low-wage employees' salaries.

Certain Obligated Group members have a policy whereby assets are periodically transferred as charitable distributions to subsidiaries of DCHS that are not members of the Obligated Group. These transfers are accounted for as direct charges to the Obligated Group members' unrestricted net assets. It is anticipated that Obligated Group members will continue to make asset transfers to the subsidiaries. These transfers are eliminated upon consolidation.

Asset Retirement Obligations (AROs)

AROs are legal obligations associated with the retirement of long-lived assets. These liabilities are initially recorded at fair value, and the related asset retirement costs are capitalized by increasing the carrying amount of the related assets by the same amount as the liability. Asset retirement costs are subsequently depreciated over the useful lives of the related assets. Subsequent to initial recognition, DCHS records period-to-period changes in the ARO liability resulting from the passage of time. DCHS's ARO liabilities recorded in the consolidated financial statements at June 30, 2015 and 2014 were $3,421,000 and $3,227,000, respectively.

Revenue Guarantees

DCHS has agreements with physicians whereby minimum revenues are guaranteed by DCHS for stipulated dollar amounts over specified periods, as defined in the contracts. DCHS records a liability for the amount of the guaranteed revenue at the time the contract is entered into and adjusts the liability as it is expended. DCHS has recorded liabilities of $746,000 and $1,396,000 as of June 30, 2015 and 2014, respectively.

2. Summary of Significant Accounting Policies (continued)

Recent Accounting Pronouncements

In April 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)* (ASU 2015-07), which removes the requirement to categorize, within the fair value hierarchy, investments for which fair value is measured using the net asset value per share practical expedient. It also limits disclosures related to investments for which the entity has elected to measure the fair value using that practical expedient. The guidance is effective for DCHS as of July 1, 2016. The adoption of ASU 2015-07 is not expected to have a material impact on the consolidated financial statements.

In April 2015, the FASB issued ASU No. 2015-03, *Simplifying the Presentation of the Debt Issuance Costs* (ASU 2105-03), which changes the presentation of debt issuance costs in financial statements. Under ASU 2015-03, an entity presents such costs in the balance sheet as a direct deduction from the related debt liability rather than as an asset, and amortization of the costs is reported as interest expense. The guidance is effective for DCHS as of July 1, 2016. The adoption of ASU 2015-03 is not expected to have a material impact on the consolidated financial statements.

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers* (ASU 2014-09), which outlines a comprehensive model for entities to use in accounting for revenue arising from contracts with customers and supersedes most current revenue recognition guidance, including industry-specific guidance, and requires significantly expanded disclosures about revenue recognition. The core principle of the revenue model is that an entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance, as amended by ASU 2015-14, *Revenue From Contracts With Customers (Topic 106)*, is effective for DCHS as of July 1, 2018. Early adoption is not permitted; DCHS management is currently evaluating the impact on the consolidated financial statements and the options of adopting either a full retrospective or a modified approach.

In April 2014, the FASB issued ASU No. 2014-08, *Reporting Discontinued Operations and Disclosures of Disposals of Components of an Entity* (ASU 2014-08), which amends the definition of a discontinued operation in Accounting Standards Codification (ASC) 205-20, *Discontinued Operations*, and requires entities to disclose additional information about disposal

transactions that do not meet the discontinued operations criteria. The guidance is effective for DCHS as of July 1, 2015. DCHS is assessing the impact of the adoption of ASU 2014-08 on its consolidated financial statements.

3. Unsponsored Community Benefit Expense

The following is a summary of DCHS's community service in terms of services to the poor and benefits to the broader community for the year ended June 30, 2015. The summary has been prepared in accordance with the Catholic Health Association of the United States publication, *A Guide for Planning and Reporting Community Benefit* (dollars in thousands) (unaudited):

3. Unsponsored Community Benefit Expense (continued)

Benefits for the Poor

Benefits for the poor include services provided to persons who cannot afford health care because of inadequate resources and/or who are uninsured or underinsured.

Benefits for the Broader Community

Benefits for the broader community include services and programs provided to other needy populations that may not qualify as poor, but that need special services and support. Examples include the elderly, substance abusers, victims of child abuse, and persons with acquired immune deficiency syndrome. They also include the cost of health promotion and education, health clinics and screenings, and medical research, which benefit the broader community.

Traditional Charity Care

Traditional charity care covers services provided to persons who cannot afford to pay and who meet DCHS's criteria for financial assistance. DCHS utilizes information obtained directly from patients as well as information from publicly available sources in determining charity care eligibility. The amounts above reflect the costs of these services (based on DCHS's relationship of costs to charges) before and after contributions and other revenues received as direct assistance for the provision of charity care. The amount of traditional charity care at cost was $13,226,000 and $21,768,000 for the years ended June 30, 2015 and 2014, respectively.

Unpaid Costs of Public Programs – Medi-Cal

Unpaid costs of public programs are the costs of treating indigent and Medi-Cal beneficiaries in excess of government payments. Cost is based on DCHS's relationship of costs to charges.

Nonbilled Services

Nonbilled services include the cost of services for which a patient is not billed or for which a nominal fee has been assessed. These are services that are not expected to be financially self-supporting. Examples are free clinic services and meal programs.

3. Unsponsored Community Benefit Expense (continued)

Cash and In-Kind Donations

Cash and in-kind donations are made by DCHS to special funds used to benefit the poor and the community.

Education

Education includes the unpaid cost of training health professionals, such as medical residents, nursing students, and students in allied health professions.

Research

Research includes the unpaid cost of testing medical equipment and controlled studies of therapeutic protocols.

Other Benefits for the Broader Community Expenses

Other benefits for the broader community expenses include low-or negative-margin services, which are services offered because of a need in the community. They do not include services offered because they create revenues elsewhere.

Total Community Benefit Expense

Total community benefit expense is the total cost of community benefits before direct offsetting revenue, donations, or other funds used to defray such costs.

Unsponsored Community Benefit Expense

Unsponsored community benefit expense is the total cost incurred after direct offsetting revenue, if any, from patients, donations, and other sources.

Unpaid Costs of Medicare Program

Unpaid costs of the Medicare program are the costs of treating Medicare beneficiaries in excess of government payments. Cost is based on DCHS's relationship of costs to charges.

4. Fair Value Measurements

DCHS accounts for certain assets at fair value or on a basis that approximates fair value. A fair value hierarchy for valuation inputs has been established to prioritize the valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest-level input that is significant to the fair value measurement in its entirety. These levels are as follows:

- *Level 1* – Quoted prices are available in active markets for identical assets as of the measurement date. Financial assets in Level 1 include listed equities and money market balances.

- *Level 2* – Pricing inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets. Financial assets in this category generally include asset-backed securities, corporate bonds, municipal bonds, and commingled investment funds.

- *Level 3* – Pricing inputs are generally unobservable for the assets and include situations where there is little, if any, market activity for the investment. The inputs used in determination of fair value require management's judgment or estimation of assumptions that market participants would use in pricing the assets. Therefore, the fair values are determined using factors that involve judgment and interpretations, including discounted cash flow models and similar techniques. There were no Level 3 investments at June 30, 2015 and 2014.

4. Fair Value Measurements (continued)

The following represents assets measured at fair value on a recurring basis (in thousands):

4. Fair Value Measurements (continued)

There were no transfers to or from Levels 1, 2 or 3 during the years presented. The Level 2 financial assets listed in fair value hierarchy tables above use the following valuation techniques and inputs:

DCHS participated in Ascension Health's pooled Catholic Healthcare Investment Management Company (CHIMCO) Alpha Fund, LLC, which is carried at fair value based on quoted market prices, quoted market prices for similar instruments, and observable and unobservable inputs. The pooled fund is composed of cash, equity securities (domestic and foreign), U.S. federal and corporate obligations, to be announced (TBA) mortgage-backed securities, asset-backed securities, and fixed-income securities and is designated as Level 2. Beginning January 1, 2014, DCHS moved all of its investments in the Alpha Fund to short-term liquid funds, such as cash and cash equivalents. As of September 2014, DCHS sold its investment in the Fund, and Ascension Investment Management no longer manages any funds on behalf of DCHS.

For marketable securities, such as foreign corporation and U.S. government debt securities, government and commercial mortgage-backed securities, TBA mortgaged-backed securities, corporate U.S. debt securities, index funds, and beneficial interest held in trust accounts, wherein identical quoted market prices are not readily available, the fair value of such investments is determined based on market participant pricing or other available market data for comparable instruments and transactions at the measurement date. DCHS, therefore, incorporates industry-standard valuation techniques as inputs to fair valuation of its investments designated as Level 2.

DCHS's rationale for the assignment of levels is based on types or classes of financial assets, rather than an analysis of each individual asset. Key consideration in the assignment of levels was given to the determination of a security's fair valuation measurement if obtained from an active market, and then further consideration was given for the types of inputs used to evaluate the fair value price. This approach has been supported by management's analysis of the methodology, the evaluated pricing models, and inputs used by its pricing vendors. It is also consistent with industry practice.

4. Fair Value Measurements (continued)

Where quoted prices are available in an active market (exchange-traded), the securities are classified as Level 1. It is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. If quoted market prices are not readily available for a specific financial asset, then value is determined using quoted prices of assets with similar characteristics and is classified as Level 2. Examples of these categories are DCHS's investment in high-yield debt securities, collateralized mortgage obligations, and fixed-income prices provided by a broker-dealer. In cases where there is limited activity and less transparency associated with inputs to the valuation, DCHS will designate the investments as Level 3.

Included within the assets above are investments in certain securities that report fair value, using a calculated Net Asset Value (NAV) or its equivalent. The following table and explanations identify attributes relating to the nature and risk of such investments (in thousands):

	June 30, 2014		
	Fair Value	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Level 2			
Pooled funds – short-term (1)	$ 921	Daily	1–3 days
Pooled funds – long-term (1)	26,881	Daily	1–3 days
Total pooled funds	$ 27,802		

(1) This category includes investments in CHIMCO Alpha Fund and is mainly invested in U.S. government, state, municipal, and agency obligations; corporate- and foreign government-fixed maturities; and U.S. government and corporate asset-backed securities.

The investments included above are not expected to be sold at amounts that are different from their NAV. There were no unfunded commitments at June 30, 2015 and 2014.

Investment Held in Trust Accounts

DCHS is the beneficiary of a split-interest agreement from a donor. The related assets are controlled and invested by an independent third party. DCHS records the assets for its share when formal written or other verifiable documentation is received. DCHS's share of the assets is based on the present value of the estimated future distributions to be received by DCHS over the term of the agreement. The agreements are carried at fair value based on the underlying assets. DCHS used 2.0% discount rate to value split-interest agreements at June 30, 2015.

Receivables Under Repurchase Agreements

DCHS participates in a repurchase agreement with a custodian, whereby DCHS lends cash from a bond reserve fund to a third party on a short-term basis. The loans are secured by collateral, consisting of various investments that equal the amount of the cash loaned. DCHS is paid a fixed rate of return of 4.6% for the amounts loaned. Interest is accrued monthly and paid semi-annually. The amounts of the receivables under repurchase agreements were $23,871,000 and $24,133,000 at June 30, 2015 and 2014, respectively, and are included in assets limited as to use under bond indenture agreements. The loans remained in place until the termination date, which was July 1, 2015, at which time these funds were reinvested in other securities.

8. Pension and Other Postretirement Benefit Plans

DCHS maintains a single employer defined benefit retirement plan and participates in a multi-employer defined benefit retirement plan. The plans have been frozen for all employees, except members of the California Nurses Association (CNA). Benefits are generally based on age, years of service, and employee compensation. DCHS also offers postretirement health care benefits to a limited number of its employees. The postretirement health care benefits are determined based on age and years of service.

The first retirement plan is a multiemployer defined benefit pension plan called Retirement Plan for Hospital Employees (RPHE). The entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Caritas Business Services (however, as noted above, only CNA members at these locations earn new benefits under the plan). Benefits are generally based on years of service and the employee's compensation. Contributions to the plan are based on actuarially determined amounts sufficient to meet the benefits to be paid to plan participants and satisfy IRS funding requirements. DCHS contributed cash of $14,495,000 and $14,788,000 to the RPHE during the fiscal years ended June 30, 2015 and 2014, respectively.

The second retirement plan is a single-employer defined benefit pension plan (the DCHS Retirement Plan). DCHS associates at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital and the system office are eligible to participate in this plan (however, as noted above, only CNA members continue to earn new benefits under the plan). DCHS contributed $18,479,000 and $19,333,000 to the DCHS Retirement Plan during the fiscal years ended June 30, 2015 and 2014, respectively.

DCHS also maintains a retiree health insurance program (the Postretirement Healthcare Plan) which provides medical benefits to retirees from early retirement to age 65 only. DCHS employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. DCHS contributed $98,000 and $114,000 to the Postretirement Healthcare Plan during the fiscal years ended June 30, 2015 and 2014, respectively.

8. Pension and Other Postretirement Benefit Plans (continued)

Defined Contribution Retirement Plans

In addition to the above pension plans, DCHS maintains three different defined contribution retirement plans for its employees. One of these defined contribution plans (TSA/403(b)) includes employee voluntary contributions only. A second defined contribution plan (Match Benefit) requires employer contributions and the benefits are based on a percentage of the employees' contributions to the TSA/403(b). A third plan covers all employee groups, except members of the CNA and is a fully employer-paid defined contribution plan with benefits based on a percentage of compensation. During the fiscal years ended June 30, 2015 and 2014, the employer's contribution for these three defined contribution plans was $24,472,000 and $24,935,000, respectively.

Pension Plan Amendments

In April 2012, DCHS's largest union, SEIU, ratified freezing the defined benefit pension plan covering all its members in DCHS's six hospitals effective January 1, 2013 (the plan had previously been frozen for all nonunion employees). Upon freezing the defined benefit pension plan, DCHS introduced an employer-paid defined contribution plan (IRC 401(a)) for its SEIU members beginning January 1, 2013.

Assumptions

The weighted-average assumptions used to determine benefit obligations and net period benefit costs, are as follows:

	June 30, 2015		June 30, 2014	
	DCHS Retirement Plan	**Postretirement Healthcare Plan**	**DCHS Retirement Plan**	**Postretirement Healthcare Plan**
Weighted-average assumptions used to determine benefit obligations:

Rate of compensation increase	**2.50%**	**N/A**	3.50	N/A
Weighted-average assumptions used to determine net periodic benefit costs:				
Discount rate	**4.70%**	**4.40%**	5.20%	4.89%
Expected return on plan assets	**7.25%**	**N/A**	7.25	N/A
Rate of compensation increase	**3.50%**	**N/A**	3.50	N/A

Expected Return on Plan Assets

The DCHS Retirement Plan's estimated long-term rate of return on pension assets is driven primarily by historical asset-class returns, an assessment of expected future performance, advice from external actuarial firms, and the incorporation of specific asset-class risk factors. Asset allocations are periodically updated using pension plan asset/liabilities studies, and DCHS's estimated long-term rates of return are consistent with these studies. The DCHS Retirement Plan portfolio return assumption is 7.00% and 7.25% at June 30, 2015 and 2014, respectively.

Discount Rate

The discount rate assumptions used to determine the postretirement benefit plan obligations and expenses reflect the prevailing rate available on high-quality, fixed-income debt instruments. The rate was based on cash flow analysis that matched estimated future benefit payments to the bond discount yield curve as of June 30, 2015 and 2014.

8. Pension and Other Postretirement Benefit Plans (continued)

Other Benefit Assumptions

For the measurement of accumulated postretirement benefit obligations at June 30, 2015, the Postretirement Healthcare Plan assumed health care cost trend rates start at 8.00% in 2015 and decrease by 0.25-0.50% annually, reaching an ultimate rate of 5.50% in fiscal year 2023.

Plan Assets and Investment Strategy

The following information represents DCHS's pension plan assets measured at fair value and indicate the fair value hierarchy and valuation techniques utilized to determine such fair value (in thousands):

Total plan assets	$ 275,058	$ 44,939	$ 230,119

As of June 30, 2015, $1,587,000 of the plan's cash balance was held in a separate non-interest-bearing cash account for the purpose of claims disbursement by the plan's administrator.

DCHS's investment strategy for the assets of the DCHS Retirement Plan is designed to preserve principal while earning returns relative to the overall market consistent with a prudent level of risk. The strategy balances the liquidity needs of the DCHS Retirement Plan with the long-term return goals necessary to satisfy future obligations. The target asset allocation is diversified across traditional asset classes. Diversification is also achieved through participation in U.S. and non-U.S. markets, investment manager style, philosophy, and capitalization. The complementary investment styles and approaches used by investment managers are aimed at reducing volatility while capturing the equity premium from the capital markets over the long-term. Risk tolerance is established through consideration of plan liabilities, plan funded status, and DCHS's consolidated financial condition. Consistent with DCHS's fiduciary responsibilities, the fixed-income allocation generally provides for security of principal to meet near-term expenses and obligations. Periodic reviews of the market values and corresponding asset allocation percentages are performed to determine whether a rebalancing of the portfolio is necessary.

8. Pension and Other Postretirement Benefit Plans (continued)

The following were the target asset allocations as of June 30, 2015, by major asset classification:

Common collective trust funds	5%
Fixed-income funds	38
Domestic stocks	30
Real estate equity investments	7
Foreign stock funds	20
Total plan assets	100%

Cash Contributions and Benefit Payments

DCHS expects to contribute $12,467,000 to the DCHS Retirement Plan and $172,000 to the Postretirement Healthcare Plan in 2016.

The benefit payments, which reflect expected future service, as appropriate, expected to be paid in each of the next five years, and in aggregate for the next five years are as follows (in thousands):

	DCHS Retirement Plan Benefits	Postretirement Healthcare Benefits
2016	$ 18,672	$ 172
2017	20,435	174
2018	22,300	209
2019	24,462	244
2020	26,425	290
Next five years	154,706	1,606

8. Pension and Other Postretirement Benefit Plans (continued)

Plan	Pension Plan Employer Identification Number/Plan Number	Contributions 2016 (Expected)	2015	2014	Surcharge Imposed (during 2013)	Collective Bargaining Agreement Expiration Date
Retirement Plan for Hospital Employees	94-2995676/001	$18,068	**$ 14,588**	$ 14,788	No	November 30, 2015

Since March 1, 2011, participant benefits were frozen for the non-contractual employees of the two participating affiliates in the Retirement Plan for Hospital Employees. Beginning January 1, 2013 participant benefits were frozen for all Service Employees International Union (SEIU) employees. Certain affiliates will continue to make periodic contributions as needed for eligible participants.

The contributions for the multiemployer plan were approximately 45% and 43% of the total contributions to the plans for June 30, 2015 and 2014, respectively. There are no minimum contributions required for future periods by the collective-bargaining agreements, statutory obligations, or other contractual obligations for both plans.

The risks of participating in multiemployer plans are different from single-employer plans in the following aspects: (i) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (ii) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; and (iii) if the affiliates choose to stop participating in the multiemployer plan, the affiliates may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

Obligated Group

DCHS and the local health ministries identified in Note 1 are the members of the Obligated Group established pursuant to a Master Trust Indenture dated December 1, 2001 (the Master Indenture), with U.S. Bank, National Association, as master trustee (the Master Trustee). DCHS and such local health ministries collectively are referred to as the Obligated Group or as "Members," and each individually is sometimes referred to herein as a "Member." The Obligated Group is jointly and severally liable for the debt outstanding under the Master Indenture.

The Series 2005 Bonds (the Revenue Bonds) are a limited obligation of California Statewide Communities Development Authority and are payable solely from payments made by the Obligated Group. Payment of principal and interest on the Revenue Bonds is secured by the property and equipment of each Member of the Obligated Group. Each of the Obligated Group Members has executed one or more deeds of trust pursuant to which the respective Obligated Group Member has granted to the trustee hereunder, as trustee for the benefit of the Master Trustee, a first lien on, and security interest in, the Hospitals and other parcels of property owned by such Obligated Group Members, subject to permitted liens, as security for the performance of the Obligated Group Members' obligations under the Master Indenture. Additionally, each of the Obligated Group Members has created a gross revenue fund with its depository bank to further secure its gross revenues for the benefit of the Master Trustee.

The Obligated Group's financing agreements contain restrictive covenants, including maintenance of a debt ratio, limitations on the amount of any additional borrowings, and limitations on the disposal or transfer of assets to nonobligated group members. Additionally, the financing agreements require that funds are established with, and controlled by, a trustee during the period the bonds remain outstanding. The Obligated Group has complied with such financial covenants and restrictions at June 30, 2015.

Loan Forgiveness and Contributions To Pay Off Debts

On September 12, 2013, The Daughters of Charity Foundation (DOCF), an organization separate and independent from DCHS, unconditionally forgave the line of credit that was owed by DCHS to DOCF, amounting to $12,408,000 as of that date. This balance was part of DCHS' notes payable to DOCF payable in monthly installments through 2032.

9. Debt (continued)

In October 2013, DOCF made a restricted donation of $130,000,000 for the benefit of DCHS by depositing sufficient funds with the bond trustee to redeem the $143,655,000 principal amount of the California Statewide Development Authority Revenue Bonds Series 2008A Bonds. The Series 2008A Bonds were redeemed at par on October 25, 2013. The Series 2008A Bonds included a debt service reserve fund of $13,655,000, which was released as part of the redemption.

DCHS recognized the contributions made by DOCF aggregating $130,000,000 as contribution revenue on the consolidated statement of operations and changes in net assets for the year ended June 30, 2014.

Short-Term Debt

On July 30, 2014, DCHS borrowed $110,000,000 from the California Statewide Communication Development Authority (CSCDA) in two series of bonds: the $100,000,000 CSCDA Revenue Bonds (Daughters of Charity Health System) Series 2014A (the "2014 Series A Bonds") and the $10,000,000 CSCDA Revenue Bonds (Daughters of Charity Health System) Series 2014 B (the "2014 Series B Bonds"). On August 28, 2014, DCHS borrowed an additional $15,000,000 from the CSCDA pursuant to the $15,000,000 CSCDA Revenue Bonds (Daughters of Charity Health System) Series 2014C (the "2014 Series C Bonds") (collectively, the "Series 2014 Bonds"). The Series 2014 Bonds are supported by obligations issued pursuant to the DCHS Master Trust Indenture dated as of December 1, 2001.

The Series 2014 Bonds are secured by: (1) a first priority lien on the accounts receivable of St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, Seton Medical Center and Seton Coastside as a division of Seton Medical Center; and (2) first priority Deeds of Trust and related subordination agreements with the master trustee on certain property of St. Francis Medical Center and Saint Louise Regional Hospital (collectively, the 2014 Priority Assets). The Master Trustee has subordinated its interest in the 2014 Priority Assets to the Series 2014 Bond trustee. The Series 2014 Bonds are also secured by a parity lien under the master indenture.

The Series 2014 Bonds had an initial maturity date of July 10, 2015. That maturity date has been extended to December 15, 2015, and the Series 2014 Bonds are recorded as short-term debt on the DCHS consolidated balance sheets. Interest accrues at the rate of 6% and is paid on a monthly basis. The total proceeds of the Series 2014 Bonds have been deposited with the trustee,

9. Debt (continued)

with funds made available to DCHS subject to the satisfaction of certain conditions. On June 29, 2015, debt redemption was made in the amount of $1,145,000 which reduced the outstanding principal balance to $123,855,000 as of June 30, 2015. DCHS has drawn down $47,600,000 of funds from the Series 2014 Bonds, excluding the debt redemption of $1,145,000 as of June 30, 2015.

Fair Values

The fair value of debt is estimated based on the quoted market prices for the same or similar issues or on the current rates offered for debt of the same remaining maturities. The estimated fair values of the DCHS's debt instruments as of June 30, 2015 and 2014, are $393,704,000 and $277,294,000, respectively, and are valued using Level 2 inputs. The reported fair value of DCHS's debt instrument excludes the full value of an irrevocable principal pre-payment of $5,795,000 and $5,510,000 made as of June 30, 2015 and 2014, respectively. The fair value amounts do not represent the amount that would be required to expend to retire the indebtedness.

10. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets are available for the following purposes (in thousands):

	June 30	
	2015	**2014**
Equipment and expansion	**$ 4,823**	$ 9,322
Research and education	**2,965**	3,033
Charity and other	**7,665**	15,709
Total temporarily restricted net assets	**15,453**	28,064
Permanently restricted net assets	**8,207**	9,154
Total restricted net assets	**$ 23,660**	$ 37,218

Equipment and expansion relate to assets held by DCHS, which are restricted by donors or grantors to be used specifically for equipment, capital projects, or other capital needs.

10. Temporarily and Permanently Restricted Net Assets (continued)

Research and education relate to assets held by DCHS, which are restricted by donors or grantors to be used in specific research or education programs.

Charity and other relate mainly to assets held by DCHS, which are restricted by donors or grantors to be used in specific health care programs for charity care and other medical and patient services.

Permanently restricted net assets of $8,207,000 and $9,154,000 at June 30, 2015 and 2014, respectively, are restricted to investments to be held in perpetuity, with the income expendable to support DCHS's mission.

Endowments

DCHS and five of its consolidated charitable foundations follow the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA eliminates the concept of "historic dollar value" and allows an institution to spend or accumulate as the board determines is prudent for the uses, benefits, purposes, and duration of the endowment fund unless the gift instrument states a particular spending rate or formula. California's version of UPMIFA also includes a rebuttable provision that spending greater than 7% of the average fair market value (calculated at least quarterly over a minimal period of three years) is presumed to be imprudent.

In accordance with UPMIFA, DCHS considers the following factors when appropriating or accumulating an endowment fund: (i) general economic conditions, (ii) effects of inflation and deflation, (iii) the purposes of the institution and the endowment fund, (iv) expected total return from income and appreciation of investments, (v) DCHS's other resources, (vi) the duration and preservation of the endowment fund, and (vii) DCHS's investment policies.

From time to time, the fair value of assets associated with individual endowment funds may fall below the level that the donor or UPMIFA requires DCHS to retain as a fund of perpetual duration. Deficiencies of this nature that are reported in unrestricted net assets were not material as of June 30, 2015 and 2014. These deficiencies resulted from unfavorable investment market fluctuations.

10. Temporarily and Permanently Restricted Net Assets (continued)

DCHS has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the boards of trustees of the charitable foundations, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results while assuming a moderate level of investment risk.

To satisfy its long-term rate-of-return objectives, DCHS relies on a balanced investment strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). DCHS targets a diversified asset allocation that places a great emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The endowment net asset composition by type of fund consists of the following (in thousands):

	June 30, 2015			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	$ 596	$ 778	$ 8,207	$ 9,581

11. Commitments and Contingent Liabilities

Standby Letter of Credit

Marillac, a subsidiary of DCHS, pledged $25,850,000 of its assets as of June 30, 2015 and 2014, to support a standby letter of credit in favor of Old Republic Insurance Company (ORIC), one of the parent's insurers.

Litigation

Certain entities of DCHS are defendants in various actions arising from their health care service activities. It is the opinion of management, after consulting with legal counsel, that such actions will not have a material adverse effect on DCHS's consolidated financial position or results of operations as of June 30, 2015. Therefore, based on the information provided by its legal counsel, DCHS has accrued $1,369,000 and $1,515,000 as of June 30, 2015 and 2014, respectively, which were related to certain of these actions. DCHS evaluates recoveries from insurance coverage separately from its liability, and when appropriate, an asset is recorded separately from the associated liability.

11. Commitments and Contingent Liabilities (continued)

As part of its ongoing compliance program, DCHS routinely reviews arrangements between physicians and its hospitals. In September and October 2013, DCHS made a voluntary self-disclosure to the federal government (in accordance with federal self-disclosure guidelines) related to certain financial arrangements between physicians and one of its hospitals, Seton Medical Center (SMC), that might constitute potential violations of federal regulatory standards. Pursuant to a settlement agreement entered into by SMC with CMS, effective as of November 6, 2015, SMC paid to CMS the sum of $815,000, and CMS agreed to release SMC from administrative liabilities and claims under section 1877(g)(1) of the Social Security Act relating to the matters addressed in the voluntary self-disclosure.

DCHS and certain other entities and individuals have been named as defendants in a punitive class action complaint under ERISA. The complaint alleges that DCHS's Retirement plan, a defined benefit "church plan" exempt from ERISA, is not a "church plan" and seeks orders, among other relief, requiring the plan to be brought into compliance with ERISA's minimum funding, reporting, and other administrative requirements. The proceeding is in its initial stage and is stayed through December 15, 2015. At this time, management cannot accurately estimate the amounts of any payments or settlements that might result, or if additional related issues will arise. There can be no guarantee that any resulting payments or settlements will not have a material adverse impact on DCHS's consolidated financial position or results of operations.

DCHS is a named defendant in a breach of contract, unjust enrichment, and declaratory relief complaint filed by Prime Healthcare Services, Inc. and Prime Healthcare Foundation, Inc. and captioned Prime Healthcare Services, Inc., et al., vs. Blue Mountain Management Capital, et al., in the Superior Court of California, County of San Bernardino, San Bernardino Justice Center. The complaint alleges that DCHS and the other defendants materially breached the Definitive Agreement entered into between Prime Healthcare Services, Inc., Prime Healthcare Foundation, Inc. and DCHS in October 2014 and that the defendants also unjustly enriched themselves at the Plaintiff's expense and seeks, among other relief, $135 million in damages. At this time, management cannot accurately estimate the amounts of any payments or settlements that might result, or if additional related issues will arise. There can be no guarantee that any resulting payments or settlements will not have a material adverse impact on DCHS's consolidated financial position or results of operations.

11. Commitments and Contingent Liabilities (continued)

Laws and Regulations

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. These laws and regulations include, but are not necessarily limited to, matters, such as licensure, accreditation, government health care program participation requirements, reimbursement laws and regulations, anti-referral laws, and false claims prohibitions. In recent years, government activity has increased with respect to investigations and allegations concerning possible violations of reimbursement, false claims, and anti-referral statutes and regulations by health care providers. Certain entities of DCHS are subject to such laws and regulations and to governmental investigations, whistle-blower lawsuits, and other legal proceedings concerning such laws and regulations. Violations of these laws and regulations could result in expulsion from government health care programs, as well as imposition of significant fines and penalties and significant repayments for patient services previously reimbursed.

DCHS had 6,937 employees as of June 30, 2015, of whom just over 5,569 are full-time employees. Approximately 72% of these employees are employed by DCHS entities and are represented by collective bargaining units. Majority of the employees are represented by collective bargaining agreements with Service Employees International Union (SEIU) and California Nurses Association (CNA). The agreement with SEIU, representing 37% of these employees, will expire on November 30, 2015, and the agreement with CNA, representing 22% of these employees, will expire on April 30, 2016. These contracts are currently in the process of being negotiated. Employee strikes or other adverse labor actions may have a material adverse impact on DCHS's consolidated financial position or results of operations.

11. Commitments and Contingent Liabilities (continued)

Lease Commitments

Future minimum lease payments under DCHS's significant non-cancelable operating leases (with initial or remaining lease terms in excess of one year) as of June 30, 2015, are as follows (in thousands):

	Operating Leases
2016	$ 11,030
2017	7,060
2018	4,135
2019	2,450
2020	2,134
Thereafter	5,415
	$ 32,224

Rent expense was $22,318,000 and $22,042,000 for the years ended June 30, 2015 and 2014, respectively.

Seismic Standards

DCHS assessed its earthquake retrofit requirements for health care facilities under a state of California law (SB90) that can allow a delay of up to seven years from the January 1, 2013, deadline for Structural Performance Category 1 (SPC-1) retrofits. This affects six buildings at three of DCHS's hospitals. The previously reported seventh building, the St. Vincent Medical Center Central Plant, has been upgraded to SPC-2 status. Extensions have been approved by the Office of Statewide Health Planning and Development as follows:

St. Vincent Medical Center Main Hospital must meet SP-2 standards by January 1, 2019. St. Vincent Medical Center Doheny Wing must meet SP-2 standards by July 1, 2019.

O'Connor Hospital 1953 Building must meet SPC-2 standards by July 1, 2019. O'Connor Hospital 1953 Boiler Plant/Laundry must meet SPC-2 standards by January 1, 2019.

Seton Medical Center Main Tower and Seton Medical Center Front Wing must meet SP-2 standards by July 1, 2019.

12. Subsequent Events

DCHS has evaluated subsequent events and disclosed all material events through November 16, 2015, which is the date these consolidated financial statements of DCHS were issued.

Sale Announcement

On July 17, 2015, Parent and Ministry Services executed the System Restructuring and Support Agreement (System Agreement) to change the governance of and recapitalize Parent and the other entities comprising DCHS in partnership with certain funds managed by Blue Mountain Capital Management LLC (with its affiliates, "Blue Mountain") and Blue Mountain's subsidiary, Integrity Healthcare, Inc. (Integrity) (collectively, the "Transaction"). Under the System Agreement, a new, independent board will replace the existing members of the board of directors of Parent. Parent and its subsidiaries will be converted from religious corporations to public benefit corporations, the name of Parent will be changed to Verity Health System, and the Daughters of Charity will cease to sponsor DCHS. It is expected that Parent and its nonprofit subsidiaries will continue to be organizations described in Section 501(c) (3) of the Internal Revenue Code, based on a determination by the Internal Revenue Service and a group ruling, applications for which are pending. Blue Mountain will provide DCHS with $100,000,000 of funding in exchange for the lease of IT assets and purchase options to acquire the assets of DCHS exercisable between the third and fifteenth years after the closing of the Transaction. In addition, Blue Mountain and certain affiliated lenders have committed to provide DCHS with a senior secured line of credit of not less than $150,000,000 and not exceeding $160,000,000. DCHS intends to apply a portion of the proceeds of the line of credit at closing to, among other uses, repay in full the Series 2014 Bonds. The balance of the funds available under the line of credit and the proceeds of the acquisition price of the purchase options and IT assets lease are intended to provide DCHS with substantial new operating liquidity. At closing of the Transaction, Integrity and the Verity Health System will enter into an agreement under which Integrity will provide executive management services to Verity Health System under the direction of Verity Health System's independent board. After closing of the Transaction, Verity Health System and the other entities comprising the health system will be non-profit, tax-exempt California public benefit corporations. Verity Health System shall continue to hold all of DCHS's existing liabilities, including pensions and the Series 2005 Bonds, which will remain outstanding and payable in accordance with their terms. There will be no change in the composition of the Obligated Group. The Transaction is subject to regulatory approval and, accordingly, there can be no assurance that the Transaction will be consummated.

12. Subsequent Events (continued)

In the event that the Transaction does not close, the Board of DCHS will consider all alternatives, which may include seeking alternative transactions, closure of facilities, and use of bankruptcy proceedings to accomplish alternatives.

Report of Independent Auditors on Supplementary Information

The Board of Directors
Daughters of Charity Health System

We have audited, in accordance with auditing standards generally accepted in the United States, the consolidated financial statements of Daughters of Charity Health System as of and for the year ended June 30, 2015, and have issued an unmodified opinion report thereon dated November 16, 2015. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating financial statement schedules for Daughters of Charity Health System are presented for the purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Report of Independent Auditors

The Board of Directors
Verity Health System of California, Inc.

We have audited the accompanying consolidated financial statements of Verity Health System of California, Inc., which comprise the consolidated balance sheets as of June 30, 2016 and 2015, and the related consolidated statements of operations and changes in net (deficit) assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We did not audit the financial statements of Marillac Insurance Company, Ltd. (Marillac), a wholly-owned subsidiary, which statements reflect total assets constituting 7.40% as of June 30, 2016, and 6.81% as of June 30, 2015, and total revenues constituting 1.00% in 2016 and 0.88% in 2015 of the related consolidated totals. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Marillac, is based solely on the report of the other auditors. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not

Building a better working world

for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audits and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Verity Health System of California, Inc. at June 30, 2016 and 2015, and the consolidated results of its operations and changes in net (deficit) assets and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Notes to Consolidated Financial Statements

June 30, 2016

1. Organization

Verity Health System of California, Inc., a California nonprofit public benefit corporation (Parent) (formerly named Daughters of Charity Health System) is the sole corporate member of five California nonprofit public benefit corporations that operate five acute care hospitals and other facilities (the Hospitals, see list below) in the state of California. The Parent and the following affiliated entities (collectively, Verity Health System or VHS) operate as a nonprofit health care system in the state of California, with approximately 1,680 licensed acute care and skilled nursing beds.

Verity Health System consists of Parent* and the following:

- O'Connor Hospital*
- Saint Louise Regional Hospital*
- St. Francis Medical Center*
- St. Vincent Medical Center*
- Seton Medical Center (including its unincorporated division, Seton Medical Center Coastside)*
- Verity Business Services
- Marillac Insurance Company, Ltd.
- O'Connor Hospital Foundation
- Saint Louise Regional Hospital Foundation
- St. Francis Medical Center Foundation
- St. Vincent Medical Center Foundation
- Seton Medical Center Foundation
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC
- Verity Medical Foundation
- Verity Holdings, LLC

* Member of the Obligated Group

With the exceptions of De Paul Ventures, LLC and Marillac Insurance Company, Ltd., each Verity Health System entity named above is exempt from federal income taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (IRC).

1. Organization (continued)

On July 17, 2015, Daughters of Charity Ministry Services Corporation, the Parent managed by Blue Mountain Capital Management, LLC (Blue Mountain), and Integrity Healthcare, LLC entered into a System Restructuring and Support Agreement (the Restructuring Agreement) to change the governance of and recapitalize the Parent and certain of its subsidiaries. Under the Restructuring Agreement, the Parent and other members of the Obligated Group were converted from religious corporations to public benefit corporations. In exchange for options to acquire the assets of Verity Health System, Blue Mountain agreed to provide $100,000,000 in funding to the Parent and a commitment to provide additional debt financing at the option of the Corporation. Of the $100,000,000, $27,559,000 was recorded as deferred revenue for the value of the option to purchase the real estate and operating assets of VHS and $72,441,000 was recorded as a restricted contribution to be released pursuant to the terms of the Restructuring Agreement. After approval was obtained from the California Attorney General's office, the transactions contemplated by the Restructuring Agreement closed on December 14, 2015. Effective upon the closing of the transaction, the Parent's board of directors resigned and Daughters of Charity Ministry Services Corporation, acting as sole corporate member of the Parent, appointed an independent board of the Parent and amended the bylaws of the Parent to eliminate the corporate membership rights of Daughters of Charity Ministry Services Corporation as sole corporate member of the Parent and to convert the Parent into a nonprofit corporation without members. The name of the Parent has been amended to be Verity Health System of California, Inc. The Parent and all of its nonprofit corporate affiliates that were not previously public benefit corporations changed status from religious corporations to public benefit corporations under the California Nonprofit Corporation Law.

Verity Health System established an Obligated Group (see listing of entities included in the Obligated Group above) to access the capital markets. Obligated Group members are jointly and severally liable for the long-term debt outstanding under the Bond Master Indenture.

2. Summary of Significant Accounting Policies

Consolidation

The accompanying consolidated financial statements include the accounts of VHS after elimination of intercompany transactions.

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. VHS considers critical accounting policies to be those that require more significant judgments and estimates in the preparation of its consolidated financial statements, including the following: recognition of net patient service revenue, which includes contractual allowances and discounts; provisions for doubtful accounts and charity care; and assumptions for measurement of pension and other postretirement liabilities. Management bases its estimates on historical experience and various other assumptions that it believes are reasonable under the particular facts and circumstances. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist primarily of cash and highly liquid marketable securities with original maturities, at the time of purchase, of three months or less.

Patient Accounts Receivable, Allowance for Doubtful Accounts, and Net Patient Service Revenue

Patient accounts receivable and net patient service revenue are reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated settlements under reimbursement agreements with third-party payers. Settlements with third-party payers are accrued on an estimated basis in the period in which the related services are rendered and are adjusted in future periods as final settlements are determined.

VHS manages the receivables by regularly reviewing its patient accounts and contracts and by providing appropriate allowances for uncollectible amounts. These allowances are estimated based upon an evaluation of historical payments, negotiated contracts, and governmental reimbursements. Adjustments and changes in estimates are recorded in the period in which they are determined. The allowance for doubtful accounts for self-pay patients was 49% and 46% of self-pay accounts receivable at June 30, 2016 and 2015, respectively. This percentage does not include the portion of self-pay that is reserved in contractual allowance as self-pay accounts receivable are reserved between allowance for doubtful accounts and contractual allowance.

2. Summary of Significant Accounting Policies (continued)

Patient service revenues, net of contractual allowances and discounts, are as follows (in thousands):

	Year Ended June 30	
	2016	**2015**
Government	**$ 780,884**	$ 881,274
Contracted	**332,686**	380,068

Net patient service revenue	**1,161,679**	1,315,150
Less: Provision for doubtful accounts	**(26,734)**	(31,903)
Net patient service revenue less provision for doubtful accounts	**$ 1,134,945**	$ 1,283,247

Significant concentrations of net patient accounts receivable are as follows:

	June 30	
	2016	**2015**
HMO/PPO/Commercial	**42%**	36%
Medicare	**29**	32
Medi-Cal	**28**	29
Other	**1**	3
Total	**100%**	100%

Inpatient acute care services, outpatient services, and skilled nursing services rendered to Medicare program beneficiaries are paid at prospectively determined rates per discharge. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Certain inpatient non-acute services and defined capital and medical education costs related to Medicare beneficiaries are paid using a cost reimbursement methodology.

Health care services are provided free of charge or at a significant discount based on a sliding scale to individuals who meet certain financial criteria. VHS makes every effort to determine if a patient qualifies for charity care upon admission. If a patient is determined to qualify for charity

2. Summary of Significant Accounting Policies (continued)

care, services are rendered to the patient free of cost. The costs of providing these services are included in unsponsored community benefit expense and included in net patient service revenue in the consolidated statement of operations. The amount of charity care at cost was $13,981,000 and $13,226,000 for the years ended June 30, 2016 and 2015, respectively.

After satisfaction of amounts due from insurance and the application of financial discounts to patients' balances, and after exhausting all reasonable efforts to collect from the patients, a significant portion of VHS's uninsured and self-pay patient accounts are referred to the third-party agencies based on VHS's established guidelines for further collection activities. As a result, VHS records a significant provision for doubtful accounts related to these uninsured patients in the period the services are rendered.

Payments from Medi-Cal and contracted-rate payers are based on a per-diem, per-discharge, modified cost, or capitated basis or a combination of these.

Adjustments for the finalization of prior year cost reports from both Medicare and Medi-Cal resulted in an increase to patient service revenues of $5,613,000 and $5,176,000, for the years ended June 30, 2016 and 2015, respectively. Additionally, as a result of recent finalized cost reports, management determined that certain allocated reserves related to open prior year Medicare cost reports were no longer necessary, which resulted in a gain of $15,069,000 for the year ended June 30, 2015. St. Francis Medical Center qualified for and received Medi-Cal funding as a disproportionate-share hospital from the state of California under Senate Bill (SB) 855. Related revenues were $27,029,000 and $27,143,000, for the years ended June 30, 2016 and 2015, respectively, and are included in net patient service revenue. Amounts to be received in future years, if any, are subject to annual determination.

The St. Francis Medical Center also received funding for Medi-Cal disproportionate-share hospitals under SB 1255. These SB 1255 funds are paid from the Emergency Services and Supplemental Payments Fund. Related revenues were $7,908,000 and $8,413,000, for the years ended June 30, 2016 and 2015, respectively, and are included in net patient service revenue. This funding must be applied for and approved each year.

The St. Francis Medical Center also qualifies for Medi-Cal funding as a disproportionate-share hospital from the state of California under SB 1732. This SB 1732 program permits health care facilities servicing a disproportionate share of Medi-Cal patients to receive supplemental

2. Summary of Significant Accounting Policies (continued)

reimbursement for a portion of their debt service for qualified capital projects. St. Francis Medical Center has an amendment to its Medi-Cal contract, which was executed on June 19, 1993, for reimbursement related to the St. Francis Medical Center Health Services Pavilion, which was completed in 1991. Related revenues were $2,220,000 and $2,570,000, for the years ended June 30, 2016 and 2015, respectively, and are included in net patient service revenue.

As part of VHS's mission to serve the community, VHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges. Reserves for charity care and uncollectible amounts have been established and are netted against patient accounts receivable in the consolidated balance sheets.

Industry Concentration

The receipt of future revenues by VHS is subject to, among other factors, federal and state policies affecting the health care industry. There are future revenue uncertainties that may require that costs be controlled, which will be subject to the capability of management; future economic conditions, which may include an inability to control expenses in periods of inflation; increased competition; and other conditions, which are impossible to predict.

Inventories

Inventories consist of supplies and are stated at the lower of cost or market value, which is determined using the first-in, first-out method. Inventories are reviewed for obsolescence on a periodic basis. Amounts are included in other current assets.

Assets Limited as to Use

Assets limited as to use represent assets designated by the board of directors for future capital improvements, other specific purposes for Marillac over which the board of directors retains control, assets held by trustees under bond indenture agreements, and investments restricted by donors. The board of directors has the full ability to utilize the Marillac assets limited as to use to satisfy the needs of on-going operations, as necessary. Investment income or loss is included in deficiency of revenues over expenses, unless the income or loss is restricted by donor or law. The assets are reflected in the assets limited as to use line item in the consolidated balance sheets.

2. Summary of Significant Accounting Policies (continued)

Investments

Investments received through gifts are recorded at estimated fair value at the date of donation. Gains and losses that result from market fluctuations are recognized in the period that such fluctuations occur. Realized gains or losses resulting from sales or maturities are calculated on an adjusted-cost basis. Adjusted-cost is the original cost of the security adjusted for any purchases or sales during the year. Dividend and interest income are accrued when earned.

Investment income includes the following (in thousands):

	Year Ended June 30	
	2016	**2015**
Interest and dividends	**$ 867**	$ 3,362
Investment fees	**(208)**	(213)
Unrealized gain (loss) on investments – net	**848**	(936)
Net realized gain on sales of securities	**555**	1,660
	2,062	3,873
Amounts included in changes in restricted net assets	**(12)**	3
Investment income	**$ 2,050**	$ 3,876

Property and Equipment

Property and equipment are stated at cost if purchased, and at fair market value if donated. Depreciation of property and equipment is calculated using a half-year convention and the straight-line method for financial statement purposes. Estimated useful lives by classification are as follows:

Land improvements	5–25 years
Buildings	10–40 years
Building service equipment	5–25 years
Equipment	4–20 years

2. Summary of Significant Accounting Policies (continued)

Long-Lived Asset Impairment

VHS routinely evaluates the carrying value of its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset, or related group of assets, may not be recoverable from estimated future undiscounted cash flows generated by the underlying tangible assets. When the carrying value of an asset exceeds the estimated recoverability, an asset impairment charge is recognized. The impairment tests are based on financial projections prepared by management that incorporate anticipated results from programs and initiatives being implemented and market value assessments of the assets. If the projections are not met, or if negative trends occur that impact the future outlook, the value of the long-lived assets may be impaired, which could be material.

In fiscal year 2015, VHS recorded $10,000,000 of impairment for the estimated non-recoverability of the building and select equipment at St. Vincent Medical Center. The amount of impairment was determined using a distressed revenue multiple, and was allocated using comparable prices for similar assets. There is no long-lived asset impairment recorded for the year ended June 30, 2016.

Fair Value of Financial Instruments

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, accounts receivable, accounts payable, accrued liabilities, and due to/from government agencies approximate fair value. The fair value of investments is disclosed in Notes 3 and 7, and the fair value of debt is disclosed in Note 8.

Medical Foundation

The VHS Medical Foundation was established in December 2011 and incorporated under the California Nonprofit Religious Corporation regulations as a not-for-profit corporation exempted from IRC Section 501(c)(3). The sole member of this corporation is VHS, acting through its board of directors.

2. Summary of Significant Accounting Policies (continued)

Self Insurance

VHS is self-insured for hospital professional and general liabilities by a wholly-owned self-insured captive insurance company. The provisions for estimated hospital professional and general liability claims include estimates of the ultimate costs for both uninsured reported claims and claims incurred-but-not-reported (IBNR), in accordance with actuarial projections or paid claims lag models based on past experience. Such claim reserves are based on the best data available to VHS; however, these estimates are subject to a significant degree of inherent variability. There is at least a reasonable possibility that a material change to the estimated reserves will occur in the near term. Such estimates are continually monitored and reviewed, and as reserves are adjusted, the differences are reflected in current operations. Management is of the opinion that the associated liabilities recognized in the accompanying consolidated financial statements are adequate to cover such claims.

VHS has entered into reinsurance, stop loss, and excess policy agreements with independent insurance companies to limit its losses on hospital professional and general liability claims.

Hospital professional and general liabilities (HPL/GL) were $16,802,000 and $13,161,000, discounted at a rate of 4% as of June 30, 2016 and 2015, respectively. Management is not aware of any potential hospital professional and general liability claims whose settlement would have a material adverse effect on VHS's consolidated financial position.

Workers' Compensation Insurance

VHS is insured for workers' compensation claims with major independent insurance companies, subject to certain deductibles of $500,000 per occurrence as of June 30, 2016 and 2015. Based on actuarially determined estimates, provisions have been made in the consolidated financial statements, with the current portion included within accrued liabilities and the non-current portion within workers' compensation and hospital professional and general liabilities, for all known claims and IBNR claims as of June 30, 2016 and 2015. Workers' compensation liabilities were $24,751,968 and $24,278,000, discounted using a rate of 4%, as of June 30, 2016 and 2015, respectively. Estimation differences between actual payments and amounts recorded in previous years are recognized as expense in the year such amounts become determinable.

2. Summary of Significant Accounting Policies (continued)

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those for which use by VHS has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by VHS in perpetuity.

California Hospital Fee Program

California legislation established a program in 2009 that imposes a Quality Assurance Fee (QA Fee) on certain general acute-care hospitals in order to make supplemental and grant payments and increased capitation payments (Supplemental Payments) to hospitals up to the aggregate upper payment limit for various periods. There have been four such programs (the Programs) since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program, operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval (i.e., by the Centers for Medicare and Medicaid Services (CMS)) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively. As such, revenue and expense recognition is not allowed until full CMS approval was obtained.

2. Summary of Significant Accounting Policies (continued)

In June 2012, the third program (30-Month Program), covering the period from July 2011 to December 2013, was amended to allow for the fee-for-service portion to be administered separately from the managed care portion. The fee-for-service portion of the 30-Month Program was approved in June 2012. In May and June 2013, 24 months of managed care payments were approved by CMS. In December 2014, the final six months of managed care payments were approved by CMS.

In October 2013, the fourth program (36-Month Program), covering the period from January 2014 to December 2016, was signed into law by the governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of expansion managed care payments were approved by CMS in June 2016. The first six months of non-expansion managed care payments were approved by CMS in June 2015. The first six months of expansion managed care payments were approved by CMS in March 2016.

VHS recognized payments to the California Department of Health Care Services for the QA Fee in the amount of $84,221,000 and $134,198,000 and pledge payments to CHFT of $1,228,000 and $2,282,000 within purchased services and other expenses for the years ended June 30, 2016 and 2015, respectively. VHS also recognized Supplemental Payment revenue in the amount of $134,061,000 and $222,467,000 pertaining to the 30-Month and 36-Month Programs within the net patient service revenues for the years ended June 30, 2016 and 2015, respectively.

Meaningful Use Incentives

The American Recovery and Reinvestment Act of 2009 established payments under the Medicare and Medi-Cal programs for certain professionals and hospitals that meaningfully use certified electronic health record (EHR) technology. The Medicare incentive payments are paid out to qualifying hospitals over four consecutive years on a transitional schedule. To qualify for Medi-Cal incentives, hospitals and physicians must annually meet EHR "meaningful use" criteria that become more stringent over three stages as determined by CMS. For the years ended June 30, 2016 and 2015, VHS has recorded meaningful use incentive payments of $507,334 and $7,947,000, respectively. These incentive payments have been recorded as other operating revenue in the VHS consolidated financial statements.

2. Summary of Significant Accounting Policies (continued)

Premium Revenue

Certain entities of VHS have at-risk agreements with various payers to provide medical services to enrollees. Under these agreements, VHS receives monthly payments based on the number of enrollees, regardless of services actually performed by VHS. VHS accrues costs when services are rendered under these contracts, including estimates of IBNR claims and amounts receivable/payable under risk-sharing arrangements.

The IBNR accrual includes an estimate of the costs of services for which VHS is responsible, including out-of-network services.

Other Operating Revenue

Included in other operating revenue are amounts from investments in health-related activities, rental income, cafeteria, and other non-patient care revenue.

Contributions

Unconditional promises to give cash and other assets to VHS are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets. Net assets released from restrictions used for operations are also included in other operating revenue as contribution revenue to the Hospitals.

2. Summary of Significant Accounting Policies (continued)

Interest Expense

Interest expense on debt issued for construction projects, net of income earned on the funds held pending use, is capitalized from the date of the borrowing until the projects are placed in service. Interest components include the following (in thousands):

	Year Ended June 30	
	2016	**2015**
Total interest expense	**$ 20,943**	$ 23,215
Less: capitalized interest expense	**(350)**	(665)
Net interest expense	**$ 20,593**	$ 22,550

Income Taxes

VHS has established its status as an organization exempt from income taxes under IRC Section 501(c)(3) and the laws of California. Certain activities of the operating entities of VHS may be subject to income taxes; however, such activities are not significant to the consolidated financial statements.

Performance Indicator

Management considers the deficiency of revenues over expenses to be VHS's performance indicator. Deficiency of revenues over expenses includes all changes in unrestricted net assets, except net assets released from restrictions used for purchase of property and equipment, the change in funded status of pension plans, and other.

Certain Obligated Group members have a policy whereby assets are periodically transferred as charitable distributions to subsidiaries of VHS that are not members of the Obligated Group. These transfers are accounted for as direct charges to the Obligated Group members' unrestricted net assets. It is anticipated that Obligated Group members will continue to make asset transfers to the subsidiaries. These transfers are eliminated upon consolidation.

2. Summary of Significant Accounting Policies (continued)

Asset Retirement Obligations (AROs)

AROs are legal obligations associated with the retirement of long-lived assets. These liabilities are initially recorded at fair value, and the related asset retirement costs are capitalized by increasing the carrying amount of the related assets by the same amount as the liability. Asset retirement costs are subsequently depreciated over the useful lives of the related assets. Subsequent to initial recognition, VHS records period-to-period changes in the ARO liability resulting from the passage of time. VHS's ARO liabilities recorded in the consolidated financial statements at June 30, 2016 and 2015, were $3,627,000 and $3,421,000, respectively.

Revenue Guarantees

VHS has agreements with physicians whereby minimum revenues are guaranteed by VHS for stipulated dollar amounts over specified periods, as defined in the contracts. VHS records a liability for the amount of the guaranteed revenue at the time the contract is entered into and adjusts the liability as it is expended. VHS has recorded liabilities of $921,506 and $746,000 as of June 30, 2016 and 2015, respectively.

Recent Accounting Pronouncements

In August 2016, the Financial Accounting Standard Board (FASB) issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements for Not-For-Profit Entities*, which will require not-for-profit entities to revise financial presentation to include: net asset classifications, provide quantitative and qualitative information as to available resources and management of liquidity and liquidity risk, information on investment expenses and returns, and the presentation of operating cash flows. The standard aims to help the reader of the financial statements to better understand the financial position of the organization and enhance consistency among similar organizations. ASU 2016-02 is effective for annual periods beginning after December 15, 2017. Early adoption is permitted. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

2. Summary of Significant Accounting Policies (continued)

In February 2016, the FASB issued ASU No. 2016-02, *Leases, (Topic 842): Amendments to the FASB ASC*. ASU 2016-02 amends the existing accounting standards for lease accounting, including requiring lessees to recognize most leases on their balance sheets and making targeted changes to lessor accounting. The new standard requires a modified retrospective transition approach for all leases existing at, or entered into after, the date of initial application, with an option to use certain transition relief. The amendments in this update are effective for fiscal years (and interim reporting periods within fiscal years) beginning after December 15, 2018. Early adoption of the amendments is permitted for all entities. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In May 2015, the FASB issued ASU 2015-07, *Fair Value Measurement (Topic 820),* which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient and limits the disclosure requirement. ASU 2015-07 is effective for annual and interim periods beginning after December 15, 2015. VHS does not believe this standard will have an impact on the consolidated financial statements.

In April 2015, the FASB issued ASU 2015-03, *Interest-Imputation of Interest (Subtopic 835-30)*, which changes the presentation of debt issuance costs in the financial statements. Under ASU 2015-03, an entity presents such costs in the balance sheet as a direct deduction from the related debt liability rather than as an asset, and amortization of the costs is reported as interest expense. The guidance is effective for VHS as of July 1, 2016. The adoption of ASU 2015-03 is not expected to have a material impact on the consolidated financial statements.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606),* and in August 2015, the FASB issued ASU 2015-14, *Revenue from Contracts with Customers (Topic 606): Deferral of the Effective Date,* which defers the effective date of ASU 2014-09 by one year. ASU 2014-09 requires the entity to recognize revenue for the transfer of goods or services equal to the amount that it expects to be entitled to receive for those goods or services, effective for periods beginning after December 15, 2017. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

3. Fair Value Measurements

VHS accounts for certain assets at fair value or on a basis that approximates fair value. A fair value hierarchy for valuation inputs has been established to prioritize the valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest-level input that is significant to the fair value measurement in its entirety. These levels are as follows:

- *Level 1* – Quoted prices are available in active markets for identical assets as of the measurement date. Financial assets in Level 1 include listed equities and money market balances.

- *Level 2* – Pricing inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets. Financial assets in this category generally include asset-backed securities, corporate bonds, municipal bonds, and commingled investment funds.

- *Level 3* – Pricing inputs are generally unobservable for the assets and include situations where there is little, if any, market activity for the investment. The inputs used in determination of fair value require management's judgment or estimation of assumptions that market participants would use in pricing the assets. Therefore, the fair values are determined using factors that involve judgment and interpretations, including discounted cash flow models and similar techniques. There were no Level 3 investments at June 30, 2016 and 2015.

There were no transfers to or from Levels 1, 2, or 3 during the years presented. The Level 2 financial assets listed in fair value hierarchy tables above use the following valuation techniques and inputs:

VHS participated in Ascension Health's pooled Catholic Healthcare Investment Management Company (CHIMCO) Alpha Fund, LLC, which is carried at fair value based on quoted market prices, quoted market prices for similar instruments, and observable and unobservable inputs. The pooled fund is composed of cash, equity securities (domestic and foreign), U.S. federal and corporate obligations, to be announced (TBA) mortgage-backed securities, asset-backed securities, and fixed-income securities and is designated as Level 2. Beginning January 1, 2014, VHS moved all of its investments in the Alpha Fund to short-term liquid funds, such as cash and cash equivalents. As of September 2014, VHS sold its investment in the Fund, and Ascension Investment Management no longer manages any funds on behalf of VHS.

3. Fair Value Measurements (continued)

For marketable securities, such as foreign corporation and U.S. government debt securities, government and commercial mortgage-backed securities, TBA mortgaged-backed securities, corporate U.S. debt securities, index funds, and beneficial interest held in trust accounts, wherein identical quoted market prices are not readily available, the fair value of such investments is determined based on market participant pricing or other available market data for comparable instruments and transactions at the measurement date. VHS, therefore, incorporates industry-standard valuation techniques as inputs to fair valuation of its investments designated as Level 2.

VHS's rationale for the assignment of levels is based on types or classes of financial assets, rather than an analysis of each individual asset. Key consideration in the assignment of levels was given to the determination of a security's fair valuation measurement if obtained from an active market, and then further consideration was given for the types of inputs used to evaluate the fair value price. This approach has been supported by management's analysis of the methodology, the evaluated pricing models, and inputs used by its pricing vendors. It is also consistent with industry practice.

Where quoted prices are available in an active market (exchange-traded), the securities are classified as Level 1. It is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. If quoted market prices are not readily available for a specific financial asset, then value is determined using quoted prices of assets with similar characteristics and is classified as Level 2. Examples of these categories are VHS's investment in high-yield debt securities, collateralized mortgage obligations, and fixed-income prices provided by a broker-dealer. In cases where there is limited activity and less transparency associated with inputs to the valuation, VHS will designate the investments as Level 3.

Investment Held in Trust Accounts

VHS is the beneficiary of a split-interest agreement from a donor. The related assets are controlled and invested by an independent third party. VHS records the assets for its share when formal written or other verifiable documentation is received. VHS's share of the assets is based on the present value of the estimated future distributions to be received by VHS over the term of the agreement. The agreements are carried at fair value based on the underlying assets. VHS used 2% discount rate to value split-interest agreements at June 30, 2016.

3. Fair Value Measurements (continued)

Receivables Under Repurchase Agreements

VHS participated in a repurchase agreement with a custodian, whereby VHS loaned cash from a bond reserve fund to a third party on a short-term basis. The loans were secured by collateral, consisting of various investments that equal the amount of the cash loaned. VHS was paid a fixed rate of return of 4.6% for the amounts loaned. Interest is accrued monthly and paid semi-annually. The amounts of the receivables under repurchase agreements were $0 and $23,871,000 at June 30, 2016 and 2015, respectively, and are included in assets limited as to use under bond indenture agreements. The loans remained in place until the termination date, which was July 1, 2015, at which time these funds were held in cash by the trustee.

7. Pension and Other Postretirement Benefit Plans

VHS maintains a single employer defined benefit retirement plan and participates in a multi-employer defined benefit retirement plan. The plans have been frozen for all employees, except members of the California Nurses Association (CNA). Benefits are generally based on age, years of service, and employee compensation. VHS also offers postretirement health care benefits to a limited number of its employees. The postretirement health care benefits are determined based on age and years of service.

The first retirement plan is a multiemployer defined benefit pension plan called Retirement Plan for Hospital Employees (RPHE). The entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Caritas Business Services (however, as noted above, only CNA members at these locations earn new benefits under the plan). Benefits are generally based on years of service and the employee's compensation. Contributions to the plan are based on actuarially determined amounts sufficient to meet the benefits to be paid to plan participants and satisfy IRS funding requirements. VHS contributed cash of $17,223,000 and $14,495,000 to the RPHE during the fiscal years ended June 30, 2016 and 2015, respectively.

7. Pension and Other Postretirement Benefit Plans (continued)

The second retirement plan is a single-employer defined benefit pension plan (the Retirement Plan). VHS associates at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, and the system office are eligible to participate in this plan (however, as noted above, only CNA members continue to earn new benefits under the plan). VHS contributed $12,915,000 and $18,479,000 to the Retirement Plan during the fiscal years ended June 30, 2016 and 2015, respectively.

VHS also maintains a retiree health insurance program (the Postretirement Healthcare Plan), which provides medical benefits to retirees from early retirement to age 65 only. VHS employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. VHS contributed $58,000 and $98,000 to the Postretirement Healthcare Plan during the fiscal years ended June 30, 2016 and 2015, respectively.

Defined Contribution Retirement Plans

In addition to the above pension plans, VHS maintains three different defined contribution retirement plans for its employees. One of these defined contribution plans (TSA/403(b)) includes employee voluntary contributions only. A second defined contribution plan (Match Benefit) requires employer contributions and the benefits are based on a percentage of the employees' contributions to the TSA/403(b). A third plan covers all employee groups except members of the CNA and is a fully employer-paid defined contribution plan with benefits based on a percentage of compensation. During the fiscal years ended June 30, 2016 and 2015, the employer's contribution for these three defined contribution plans was $21,749,023 and $24,472,000, respectively.

7. Pension and Other Postretirement Benefit Plans (continued)

The estimated actuarial loss and prior service cost for the Retirement Plan that will be amortized into net periodic benefit cost over the next fiscal year is $6,157,000 and $0, respectively.

The estimated actuarial gain and prior service cost for the Postretirement Healthcare Plan that will be amortized into net periodic benefit cost over the next fiscal year is $(1,193,000) and $72,000, respectively.

Assumptions

The weighted-average assumptions used to determine benefit obligations and net period benefit costs, are as follows:

	June 30, 2016		June 30, 2015	
	Retirement Plan	Postretirement Healthcare Plan	Retirement Plan	Postretirement Healthcare Plan
Weighted-average assumptions used to determine benefit obligations:				
Discount rate	**4.05%**	**3.85%**	4.80%	4.55%
Rate of compensation increase	**2.50%**	**N/A**	2.50%	N/A
Weighted-average assumptions used to determine net periodic benefit costs:				
Discount rate	**4.80%**	**4.55%**	4.70%	4.40%
Expected return on plan assets	**7.00%**	**N/A**	7.25%	N/A
Rate of compensation increase	**2.50%**	**N/A**	3.50%	N/A

Expected Return on Plan Assets

The Retirement Plan's estimated long-term rate of return on pension assets is driven primarily by historical asset-class returns, an assessment of expected future performance, advice from external actuarial firms, and the incorporation of specific asset-class risk factors. Asset allocations are periodically updated using pension plan asset/liabilities studies, and VHS's estimated long-term rates of return are consistent with these studies. The Retirement Plan portfolio return assumption is 6.75% and 7.00% at June 30, 2016 and 2015, respectively.

7. Pension and Other Postretirement Benefit Plans (continued)

Discount Rate

The discount rate assumptions used to determine the postretirement benefit plan obligations and expenses reflect the prevailing rate available on high-quality, fixed-income debt instruments. The rate was based on cash flow analysis that matched estimated future benefit payments to the bond discount yield curve as of June 30, 2016 and 2015.

Other Benefit Assumptions

For the measurement of accumulated postretirement benefit obligations at June 30, 2016, the Postretirement Healthcare Plan assumed health care cost trend rates start at 8.00% in 2016 and decrease by 0.25%-0.50% annually, reaching an ultimate rate of 5.50% in fiscal year 2023. A one-percentage-point change in assumed health care cost trend rates would not have a material effect on VHS's consolidated financial statements.

Plan Assets and Investment Strategy

The following information represents VHS's pension plan assets measured at fair value and indicate the fair value hierarchy and valuation techniques utilized to determine such fair value (in thousands):

As of June 30, 2016, $2,806,336 of the plan's cash balance was held in a separate non-interest-bearing cash account for the purpose of claims disbursement by the plan's administrator.

VHS's investment strategy for the assets of the Retirement Plan is designed to preserve principal while earning returns relative to the overall market consistent with a prudent level of risk. The strategy balances the liquidity needs of the Retirement Plan with the long-term return goals necessary to satisfy future obligations. The target asset allocation is diversified across traditional asset classes. Diversification is also achieved through participation in U.S. and non-U.S. markets, investment manager style, philosophy, and capitalization. The complementary investment styles and approaches used by investment managers are aimed at reducing volatility while capturing the equity premium from the capital markets over the long term. Risk tolerance is established through consideration of plan liabilities, plan funded status, and VHS's consolidated financial condition. Consistent with VHS's fiduciary responsibilities, the fixed-income allocation generally provides for security of principal to meet near-term expenses and obligations. Periodic reviews of the market values and corresponding asset allocation percentages are performed to determine whether a rebalancing of the portfolio is necessary.

7. Pension and Other Postretirement Benefit Plans (continued)

The following were the target asset allocations as of June 30, 2016, by major asset classification:

Fixed-income funds	33%
Domestic stocks	30
Foreign stock funds	20
Inflation linked	17
Total plan assets	100%

Cash Contributions and Benefit Payments

VHS expects to contribute $28,501,000 to the Retirement Plan and $67,000 to the Postretirement Healthcare Plan the fiscal year ending in 2017.

The benefit payments, which reflect expected future service, as appropriate, expected to be paid in each of the next five years, and in aggregate for the next five years, are as follows (in thousands):

	Retirement Plan Benefits	Postretirement Healthcare Benefits
2017	$ 21,563	$ 67
2018	22,949	89
2019	24,628	112

Retirement Plan for Hospital Employees	94-2995676/001	$ 19,330	**$ 17,223**	$ 14,588	No	October 31, 2018

Since March 1, 2011, participant benefits were frozen for the non-contractual employees of the two participating affiliates in the Retirement Plan for Hospital Employees. Beginning January 1, 2013, participant benefits were frozen for all Service Employees International Union (SEIU) employees. Certain affiliates will continue to make periodic contributions as needed for eligible participants.

7. Pension and Other Postretirement Benefit Plans (continued)

The contributions for the multiemployer plan were approximately 38% and 45% of the total contributions to the plan for June 30, 2016 and 2015, respectively. There are no minimum contributions required for future periods by the collective-bargaining agreements, statutory obligations, or other contractual obligations for both plans.

The risks of participating in multiemployer plans are different from single-employer plans in the following aspects: (i) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (ii) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; and (iii) if the affiliates choose to stop participating in the multiemployer plan, the affiliates may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

Obligated Group

Verity Health System of California, Inc. and its five hospitals are collectively referred to as the "Obligated Group" or as "Members," and each individually is sometimes referred to herein as a "Member." The Obligated Group is established pursuant to a Master Indenture of Trust, dated December 1, 2001, as supplemented to date (the Master Indenture), between the Obligated Group and U.S. Bank National Association, as successor master trustee (the Master Trustee). The Obligated Group is jointly and severally liable for obligations issued pursuant to and outstanding under the Master Indenture (Obligations).

Each of the Obligated Group Members has executed one or more deeds of trust pursuant to which the respective Obligated Group Member has granted for the benefit of the Master Trustee, a first lien on, and security interest in, the hospitals and certain other parcels of property owned by such Obligated Group Members, subject to permitted liens, as security for the performance of the Obligated Group Members' obligations under the Master Indenture. Additionally, each of the Obligated Group Members has created a gross revenue fund with its depository bank to further secure its gross revenues for the benefit of the Master Trustee.

The Master Indenture and certain other Obligated Group's financing agreements contain restrictive covenants, including maintenance of a debt ratio, limitations on the amount of any additional borrowings, and limitations on the disposal or transfer of assets to non-obligated group members. Additionally, the financing agreements require that funds are established with, and controlled by, a trustee during the period the bonds remain outstanding. The Obligated Group has complied with such financial covenants and restrictions at June 30, 2016.

Long-Term Debt

Series 2005 Bonds.

In March 2005, the California Statewide Communities Development Authority (CSCDA), on behalf of Daughters of Charity Health System (now known as VHS), issued four series of revenue bonds in the aggregate principal amount of $364,655,000 (the 2005 Bonds). The 2005 Bonds were comprised of $259,125,000 of 2005 Series A bonds, $39,715,000 of Series F bonds, $48,245,000 of Series H bonds, and $17,570,000 of Series H bonds. The issuance of the 2005 Bonds generated original issue premiums of $12,929,196. A portion of the proceeds of the 2005 was used to refinance prior bonds and finance the costs of constructing, improving, renovating, and equipping certain improvements to the facilities of the Obligated Group. The 2005 Series F bonds matured and were paid pursuant to their terms on July 1, 2010.

The Series 2005 Bonds are a limited obligation of CSCDA and are payable solely from payments made by the Obligated Group. Payment of principal and interest on the Series 2005 Bonds is secured by Obligations issued pursuant to the Master Indenture.

Series 2015 Notes.

On December 14, 2015, the California Public Finance Authority issued an aggregate of $160,000,000 of Revenue Notes (Verity Health System) Series 2015A, B, C, and D (collectively, the 2015 Notes) for the benefit of VHS. There are four series of 2015 Notes. The Series 2015A, B, and D Notes are tax exempt, and the Series 2015C Notes are taxable. While all of the 2015 Notes were authorized and issued, only the Series 2015A Notes ($60,000,000) and the 2015B Notes ($45,000,000) were funded as of June 30, 2016. The Series 2015C Notes ($10,000,000) and the Series 2015D Notes ($45,000,000) were funded on September 19 and October 31, 2016, respectively. A portion of the proceeds of the 2015 Notes was used, together with other funds, to pay the principal of and accrued and unpaid interest on the 2014 Bonds that matured on December 15, 2015.

The 2015 Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2015 Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St. Francis Medical Center and Saint Louise Regional Hospital.

Short-Term Debt

Series 2014 Bonds.

On July 30, 2014, the CSCDA issued an aggregate of $110,000,000 of Revenue Bonds (Daughters of Charity Health System), Series 2014 A and B (the Series 2014 A and B Bonds) on behalf of Daughters of Charity Health System (now known as VHS). On August 28, 2014, CSCDA issued an additional $15,000,000 of Revenue Bonds (Daughters of Charity Health System), Series 2014 C (together with the Series 2014 A and B Bonds, the "Series 2014 Bonds"). The Series 2014 Bonds were secured by Obligations issued pursuant to the Master Indenture and (1) a first priority lien on the accounts receivable of St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, Seton Medical Center, and Seton Coastside as a division of Seton Medical Center; and (2) first priority Deeds of Trust and related subordination agreements with the Master Trustee on certain property of St. Francis Medical Center and Saint Louise Regional Hospital (collectively, the 2014 Priority Assets). The Master Trustee subordinated its interest in the 2014 Priority Assets to the Series 2014 Bond trustee. The Series 2014 Bonds were also secured by a parity lien under the Master Indenture.

Interest accrued at the rate of 6% and was paid on a monthly basis. The Series 2014 Bonds had an initial maturity date of July 10, 2015, and the Series 2014 Bonds were recorded as short-term debt on the VHS consolidated balance sheets as of June 30, 2015. That maturity date was extended to December 15, 2015. On December 15, 2015, VHS paid the full redemption price of the Series 2014 Bonds, which included principal (inclusive of undrawn proceeds of $76,212,000 recorded as other restricted assets as of June 30, 2015), and all accrued and unpaid interest thereon.

Fair Values

The fair value of VHS's bond indebtedness is estimated based on the quoted market prices for the same or similar issues or on the current rates offered for debt of the same remaining maturities. The estimated fair values of the VHS's debt instruments as of June 30, 2016 and 2015, are $336,803,500 and $393,704,000, respectively, and are valued using Level 2 inputs. The reported fair value of VHS's bond indebtedness instruments excludes the full value of an irrevocable principal pre-payment of $6,090,000 and $5,795,000 made as of June 30, 2016 and June 30, 2015, respectively. The fair value amounts do not represent the amount that would be required to expend to retire the indebtedness.

9. Functional Classification of Expense

The following is a functional classification of Verity's expenses:

	Year Ended June 30	
	2016	**2015**
Health services	**$ 1,193,112**	$ 1,227,560
General and administrative	**301,768**	310,454
	$ 1,494,880	$ 1,538,014

10. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets are available for the following purposes (in thousands):

	June 30	
	2016	**2015**
Equipment and expansion	**$ 3,522**	$ 4,823
Research and education	**2,848**	2,965

Charity and other	**6,593**	7,665
Total temporarily restricted net assets	**73,330**	15,453
Permanently restricted net assets	**8,137**	8,207
Total restricted net assets	**$ 81,467**	$ 23,660

Equipment and expansion relate to assets held by VHS, which are restricted by donors or grantors to be used specifically for equipment, capital projects, or other capital needs.

Research and education relate to assets held by VHS, which are restricted by donors or grantors to be used in specific research or education programs.

Restricted contribution is the remaining portion of the contribution recognized at the time of the transaction contemplated by the Restructuring Agreement (see Note 1 "Organization"). The restriction of this contribution will be lifted pursuant to the terms of the Restructuring Agreement.

10. Temporarily and Permanently Restricted Net Assets (continued)

Charity and other relate mainly to assets held by VHS, which are restricted by donors or grantors to be used in specific health care programs for charity care and other medical and patient services.

Permanently restricted net assets of $8,137,000 and $8,207,000 at June 30, 2016 and 2015, respectively, are restricted to investments to be held in perpetuity, with the income expendable to support VHS's mission.

Endowments

VHS and five of its consolidated charitable foundations follow the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA eliminates the concept of "historic dollar value" and allows an institution to spend or accumulate as the board determines is prudent for the uses, benefits, purposes, and duration of the endowment fund unless the gift instrument states a particular spending rate or formula. California's version of UPMIFA also includes a rebuttable provision that spending greater than 7% of the average fair market value (calculated at least quarterly over a minimal period of three years) is presumed to be imprudent.

In accordance with UPMIFA, VHS considers the following factors when appropriating or accumulating an endowment fund: (i) general economic conditions, (ii) effects of inflation and deflation, (iii) the purposes of the institution and the endowment fund, (iv) expected total return from income and appreciation of investments, (v) VHS's other resources, (vi) the duration and preservation of the endowment fund, and (vii) VHS's investment policies.

From time to time, the fair value of assets associated with individual endowment funds may fall below the level that the donor or UPMIFA requires VHS to retain as a fund of perpetual duration. Deficiencies of this nature that are reported in unrestricted net assets were not material as of June 30, 2016 and 2015. These deficiencies resulted from unfavorable investment market fluctuations.

VHS has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the boards of trustees of the charitable foundations, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results while assuming a moderate level of investment risk.

10. Temporarily and Permanently Restricted Net Assets (continued)

To satisfy its long-term rate-of-return objectives, VHS relies on a balanced investment strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).VHS targets a diversified asset allocation that places a great emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The endowment net asset composition by type of fund consists of the following (in thousands):

	June 30, 2016			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	$ 606	$ 789	$ 8,137	$ 9,532

11. Commitments and Contingent Liabilities

Standby Letter of Credit

Marillac, a subsidiary of VHS, pledged $36,939,150 of its investments to support a standby letter of credit issued in favor of Old Republic Insurance Company, one of the Parent's insurers, at June 30, 2016.

Litigation

Certain entities of VHS are defendants in various actions arising from their health care service activities. It is the opinion of management, after consulting with legal counsel, that such actions will not have a material adverse effect on VHS's consolidated financial position or results of operations as of June 30, 2016. Therefore, based on the information provided by its legal counsel, VHS has accrued $1,240,000 and $1,369,000 as of June 30, 2016 and 2015, respectively, which were related to certain of these actions. VHS evaluates recoveries from insurance coverage separately from its liability, and when appropriate, an asset is recorded separately from the associated liability.

As part of its ongoing compliance program, VHS routinely reviews arrangements between physicians and its hospitals. In September and October 2013, VHS made a voluntary self-disclosure to the federal government (in accordance with federal self-disclosure guidelines) related to certain financial arrangements between physicians and one of its hospitals, Seton Medical Center (SMC), that might constitute potential violations of federal regulatory standards. Pursuant to a settlement agreement entered into by SMC with CMS, effective as of November 6, 2015, SMC paid to CMS the sum of $815,000, and CMS agreed to release SMC from administrative liabilities and claims under section 1877(g)(1) of the Social Security Act relating to the matters addressed in the voluntary self-disclosure. VHS filed a self-disclosure with the U.S. Department of Health & Human Services Office of the Inspector General (OIG) indicating possible violations of the Stark Law and the Anti-Kickback Statute by Seton Medical Center. The date of the letter is October 13, 2016. The OIG informed VHS on November 17, 2016, that the disclosure was officially accepted into the Self-Disclosure Protocol. VHS understands that the OIG will next assign the matter to one of its staff attorneys to review. With respect to the facts, VHS continues to investigate to ascertain the amount of potential damages or penalties, and that review is ongoing.

11. Commitments and Contingent Liabilities (continued)

VHS and certain other entities and individuals have been named as defendants in a punitive class action complaint under ERISA. The complaint alleges that VHS's Retirement plan, a defined benefit "church plan" exempt from ERISA, is not a "church plan" and seeks orders, among other relief, requiring the plan to be brought into compliance with ERISA's minimum funding, reporting, and other administrative requirements. This class action has been settled.

VHS is a named defendant in a breach of contract, unjust enrichment, and declaratory relief complaint filed by Prime Healthcare Services, Inc. and Prime Healthcare Foundation, Inc. and captioned *Prime Healthcare Services, Inc., et al., vs. Blue Mountain Management Capital, et al.*, in the Superior Court of California, County of San Bernardino, and San Bernardino Justice Center. The complaint alleges that VHS and the other defendants materially breached the Definitive Agreement entered into between Prime Healthcare Services, Inc., Prime Healthcare Foundation, Inc. and VHS in October 2014 and that the defendants also unjustly enriched themselves at the plaintiff's expense and seeks, among other relief, $135 million in damages. VHS has filed a cross-complaint seeking $40 million. The parties are engaged in discovery and the case is currently scheduled for trial in June 2017. At this time, management cannot accurately estimate the amounts of any payments or settlements that might result, or if additional related issues will arise. There can be no guarantee that any resulting payments or settlements will not have a material adverse impact on VHS's consolidated financial position or results of operations.

Laws and Regulations

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. These laws and regulations include, but are not necessarily limited to, matters, such as licensure, accreditation, government health care program participation requirements, reimbursement laws and regulations, anti-referral laws, and false claims prohibitions. In recent years, government activity has increased with respect to investigations and allegations concerning possible violations of reimbursement, false claims, and anti-referral statutes and regulations by health care providers. Certain entities of VHS are subject to such laws and regulations and to governmental investigations, whistle-blower lawsuits, and other legal proceedings concerning such laws and regulations. Violations of these laws and regulations could result in expulsion from government health care programs, as well as imposition of significant fines and penalties and significant repayments for patient services previously reimbursed.

11. Commitments and Contingent Liabilities (continued)

VHS has 6,682 employees as of June 30, 2016, of whom just over 3,954 are full-time employees. Approximately 76% of these employees are employed by VHS entities and are represented by collective bargaining units. Majority of the employees are represented by collective bargaining agreements with Service Employees International Union (SEIU) and California Nurses Association (CNA). The agreement with SEIU, representing 41% of these employees, will expire on October 31, 2018, and the agreement with CNA, representing 22% of these employees, expired on April 30, 2016, and is currently in the process of being negotiated. Employee strikes or other adverse labor actions may have a material adverse impact on VHS's consolidated financial position or results of operations.

Lease Commitments

Future minimum lease payments under VHS's significant non-cancelable operating leases (with initial or remaining lease terms in excess of one year) as of June 30, 2016, are as follows (in thousands):

	Operating Leases
2017	$ 9,521
2018	5,791
2019	3,830
2020	3,871
2021	3,235
Thereafter	2,970
	$ 29,218

Rent expense was $19,501,000 and $22,318,000 for the years ended June 30, 2016 and 2015, respectively.

11. Commitments and Contingent Liabilities (continued)

Seismic Standards

VHS assessed its earthquake retrofit requirements for health care facilities under a state of California law SB 90 that can allow a delay of up to seven years from the January 1, 2013, deadline for Structural Performance Category 1 (SPC-1) retrofits. This affects six buildings at three of VHS's hospitals. The previously reported seventh building, the St. Vincent Medical Center Central Plant, has been upgraded to SPC-2 status. Extensions have been approved by the Office of Statewide Health Planning and Development as follows:

St. Vincent Medical Center Main Hospital must meet SP-2 standards by January 1, 2019. St. Vincent Medical Center Doheny Wing must meet SP-2 standards by July 1, 2019.

O'Connor Hospital 1953 Building must meet SPC-2 standards by July 1, 2019. O'Connor Hospital 1953 Boiler Plant/Laundry must meet SPC-2 standards by January 1, 2019.

Seton Medical Center Main Tower and Seton Medical Center Front Wing must meet SP-2 standards by July 1, 2019.

12. Subsequent Events

VHS has evaluated subsequent events and disclosed all material events through December 8, 2016, which is the date these consolidated financial statements of VHS were issued.

VHS entered into an extended supply support agreement with Premier Healthcare Solutions to redesign the supply chain infrastructure and operations over a three-year period beginning September 1, 2016, to improve resource utilization.

In October 2016, VHS engaged Conifer Health Solutions for its expertise as a single-source revenue cycle management provider. The multi-year agreement will yield optimized revenue cycle operations for the health system's six facilities, enhanced operating efficiency and reduced administrative expenses.

Independent Auditor's Report

Board of Directors
Verity Health System
Redwood City, California

We have audited the accompanying consolidated financial statements of Verity Health System of California, Inc., which comprise the consolidated balance sheet as of June 30, 2017, and the related consolidated statements of operations and changes in net (deficit) assets and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We did not audit the financial statements of Marillac Insurance Company, Ltd. (Marillac), a wholly-owned subsidiary, which statements reflect total assets of $52,503,262 at June 30, 2017 and total revenues of $12,635,815 for the year then ended. Those statements were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for such subsidiary, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

BDO

Opinion

In our opinion, based on our audit and the report of the other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Verity Health System of California, Inc. as of June 30, 2017, and the consolidated results of its operations, and the changes in its net (deficit) assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

The consolidated financial statements of Verity Health System of California, Inc. for the year ended June 30, 2016 were audited by other auditors, whose report dated December 8, 2016 expressed an unmodified opinion on those statements.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating financial statement schedules for Verity Health System of California, Inc. are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

1 Organization and Business of the Company

Verity Health System of California, Inc., a California nonprofit public benefit corporation (Parent) (formerly named Daughters of Charity Health System) is the sole corporate member of five California nonprofit public benefit corporations that operate five acute care hospitals and other facilities (the Hospitals, see list below) in the state of California. The Parent and the following affiliated entities (collectively, Verity Health System or VHS) operate as a nonprofit health care system in the state of California, with approximately 1,680 licensed acute care and skilled nursing beds.

Verity Health System consists of Parent* and the following:

- O'Connor Hospital *
- Saint Louise Regional Hospital *
- St. Francis Medical Center *
- St. Vincent Medical Center *
- Seton Medical Center (including its unincorporated division, Seton Medical Center Coastside) *
- Verity Business Services
- Marillac Insurance Company, Ltd.
- O'Connor Hospital Foundation
- Saint Louise Regional Hospital Foundation
- St. Francis Medical Center Foundation
- St. Vincent Medical Center Foundation
- Seton Medical Center Foundation
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC
- Verity Medical Foundation
- Verity Holdings, LLC
- Verity BASM Holdco, LLC

* Member of the Obligated Group

With the exceptions of De Paul Ventures, LLC, Marillac Insurance Company, Ltd. (Marillac) and Verity BASM Holdco, LLC, each Verity Health System entity named above is exempt from federal income taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (IRC).

On July 17, 2015, Daughters of Charity Ministry Services Corporation (subsequently renamed Verity Health System of California, Inc.), Blue Mountain Capital Management, LLC (Blue Mountain), and Integrity Healthcare, LLC (Integrity) entered into a System Restructuring and Support Agreement (as subsequently amended, the Restructuring Agreement) to change the governance of and recapitalize the Parent and certain of its subsidiaries. Integrity represents the management company for Verity Health System that was formed to carry out the management services under the Management Agreement, which is part of the overall Restructuring Agreement. Through June 30, 2017, Integrity was wholly owned by Blue Mountain. In July 2017, NantWorks LLC, the parent

organization for health technology and biotech companies founded by Dr. Patrick Soon-Shiong, acquired a majority stake in Integrity from Blue Mountain. Refer to subsequent events at Note 13 for additional details.

Under the Restructuring Agreement, the Parent and other members of the Obligated Group were converted from religious corporations to public benefit corporations. In exchange for options to acquire the assets of Verity Health System at a purchase price to be determined based on a specified percentage of outstanding liabilities of Verity Health System at the time of closing, Blue Mountain agreed to provide $100,000 in funding to the Parent and a commitment to provide additional debt financing at the option of the Parent. To fulfill this commitment, Blue Mountain arranged for an additional $160,000 in working capital financing that was privately placed with third parties (the "2015 Notes" - see Note 9 for additional details). After approval was obtained from the California Attorney General's office, the transactions contemplated by the Restructuring Agreement closed on December 14, 2015. Effective upon the closing of the transaction, the Parent's board of directors resigned and Daughters of Charity Ministry Services Corporation, acting as sole corporate member of the Parent, appointed an independent board of the Parent and amended the bylaws of the Parent to eliminate the corporate membership rights of Daughters of Charity Ministry Services Corporation as sole corporate member of the Parent and to convert the Parent into a nonprofit corporation without members. The Parent and all of its nonprofit corporate affiliates that were not previously public benefit corporations changed status from religious corporations to public benefit corporations under the California Nonprofit Corporation Law.

In connection with the initial accounting for the $100,000 Blue Mountain contribution received during the fiscal year ended June 30, 2016, $27,559 was recorded as deferred revenue for the value of the option to purchase the real estate and operating assets of VHS and $72,441 was recorded as a restricted asset for contributions to be released pursuant to the terms of the Restructuring Agreement. For the years ended June 30, 2017 and 2016, VHS recorded approximately $60,367 and $12,074 of contribution revenue, respectively, associated with the releases of these funds from restrictions. $27,559 is recorded as deferred revenue in other long-term liabilities as of June 30, 2017, as such amount will be recognized upon exercise or expiration of the option.

On a monthly basis, VHS records management fee expense and makes payments to Integrity associated with the management services received under the Management Agreement. During the initial fiscal year which ended June 30, 2016, the monthly management fee was determined based on a specified percentage of trailing 12 month operating revenues for VHS. Such management fees are adjusted each succeeding fiscal year based on changes in the consumer price index. VHS defers payment for a portion of management fees based on its days' cash on hand over the most recent 90 day period. All deferred management fees accrue interest at 2.82% per annum to the extent such amounts are not paid in the fiscal year that services are received. Such deferred management fees are contingently payable based on the terms of the Management Agreement, which include annual calculations of excess cash on hand.

For the years ended June 30, 2017 and 2016, VHS recorded approximately $59,333 and $32,215 of management fee expense within the purchased services and other expense line item, respectively. As of June 30, 2017 and 2016, VHS had a liability of $46,228 and $16,108 within accrued expenses and other current liabilities, respectively, associated with deferred management fees.

Pursuant to the Master Indenture of Trust, dated as of December 1, 2001 (as amended and supplemented, the Master Indenture) among the Members of the Obligated Group and U.S. Bank National Association (Master Trustee), an Obligated Group (see listing of entities included in the Obligated Group above) was established to access the capital markets. Obligated Group members are jointly and severally liable for the long-term debt outstanding secured by an Obligation issued under the Master Indenture.

Liquidity

VHS had working capital of $61,059 and $103,598 as of June 30, 2017 and 2016, respectively. VHS had a deficit of revenues over expenses of $37,850 and cash used in operations of $12,181 for the year ended June 30, 2017 compared to a deficit of revenues over expenses of $195,429 and cash used in operations of $85,375 for the year ended June 30, 2016. The current year deficit of revenues over expenses and cash used in operations represented an improvement of $157,579 and $73,194, respectively, from the prior year. Such improvements have been largely driven by increases in patient volumes, additional reimbursement under the California Hospital Fee Program (see Note 2 for details), and overall cost-cutting initiatives that have been implemented. Additionally, VHS has been successful in raising additional financing, which includes issuance of the 2017 Notes for $21,000 in September 2017 and the MOB Loan for $46,220 in October 2017 (see subsequent events at Note 13 for additional details). Management believes that cash flows from operations and financing activities will provide sufficient capital resources to sustain operations through at least the next twelve months from the date the financial statements were issued.

2. Summary of Significant Accounting Policies

Basis for Presentation

The accompanying consolidated financial statements are prepared in conformity with U.S. generally accepted accounting principles and include the accounts of VHS after elimination of intercompany transactions. Certain reclassifications and changes in presentation were made in the 2016 consolidated financial statements to conform to the 2017 presentation. See the recent accounting pronouncements section below for additional details. All amounts in the consolidated financial statements and footnotes are presented in thousands.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. VHS considers critical accounting policies to be those that require more significant judgments and estimates in the preparation of its consolidated financial statements, including the following: recognition of net patient service revenue, which includes contractual allowances and discounts; provisions for doubtful accounts and charity care; assumptions for measurement of pension and other postretirement liabilities; and reserves for losses and expenses related to hospital professional and general liabilities, workers' compensation claims and out-of-

network services associated with certain at-risk capitation arrangements. Management bases its estimates on historical experience and various other assumptions that it believes are reasonable under the particular facts and circumstances. Actual results could differ materially from those estimates.

Medical Foundation

The VHS Medical Foundation was established in December 2011 and incorporated under the California regulations as a not-for-profit corporation exempted from income taxes under IRC Section 501(c)(3). The sole member of this corporation is VHS, acting through its board of directors.

Cash and Cash Equivalents

Cash equivalents consist primarily of highly liquid marketable securities with original maturities, at the time of purchase, of three months or less.

Patient Accounts Receivable, Allowance for Doubtful Accounts, and Net Patient Service Revenue

Patient accounts receivable and net patient service revenue are reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated settlements under reimbursement agreements with third-party payers. Settlements with third-party payers are accrued on an estimated basis in the period in which the related services are rendered and are adjusted in future periods as final settlements are determined.

VHS manages the receivables by regularly reviewing its patient accounts and contracts and by providing appropriate contractual allowances and allowances for doubtful accounts. These allowances are estimated based upon an evaluation of historical payments, negotiated contracts, and governmental reimbursements. Adjustments and changes in estimates are recorded in the period in which they are determined. The gross self-pay accounts receivable was reserved at 92% and 90% at June 30, 2017 and 2016, respectively, in total between the allowance for doubtful accounts and contractual allowances.

Patient service revenues, net of contractual allowances and discounts, are as follows:

Year Ended June 30,	2017	2016
Government	$ 913,460	$ 780,884
Contracted	333,258	332,686
Self-pay and others	54,287	48,109
Net patient service revenue	1,301,005	1,161,679
Less: Provision for doubtful accounts	(33,770)	(26,734)
Net patient service revenue less provision for doubtful accounts	$ 1,267,235	$ 1,134,945

Net patient service revenue includes contractual and other allowances (excluding charity care) of $5,260,897 and $4,676,402 for the years ended June 30, 2017 and 2016, respectively.

Verity Health System of California, Inc.
(Formerly Daughters of Charity Health System)

Notes to Consolidated Financial Statements
(All amounts in Thousands)

Significant concentrations of net patient accounts receivable are as follows:

As of June 30,	2017	2016
HMO/PPO/Commercial	40%	42%
Medicare	25	29
Medi-Cal	32	28
Other	3	1
Total	100%	100%

Inpatient acute care services, outpatient services, and skilled nursing services rendered to Medicare program beneficiaries are paid at prospectively determined rates per discharge. These rates vary according to a patient classification system that is based on clinical, diagnostic, and other factors. Certain inpatient non-acute services and defined capital and medical education costs related to Medicare beneficiaries are paid using a cost reimbursement methodology.

Health care services are provided free of charge or at a significant discount based on a sliding scale to individuals who meet certain financial criteria. VHS makes an effort to determine if a patient qualifies for charity care upon admission. If a patient is determined to qualify for charity care, services are rendered to the patient free of cost. The costs of providing these services are included in unsponsored community benefit expense and included as a deduction to net patient service revenue in the consolidated statement of operations. VHS estimates the cost of charity care by calculating a ratio of cost to usual and customary charges and applying that ratio to the usual and customary uncompensated charges associated with providing care to patients that qualify for charity care. The amount of charity care at cost was $10,444 and $13,981 for the years ended June 30, 2017 and 2016, respectively.

After satisfaction of amounts due from insurance and the application of financial discounts to patients' balances, and after exhausting all reasonable efforts to collect from the patients, a significant portion of VHS's uninsured and self-pay patient accounts are referred to third-party agencies based on VHS's established guidelines for further collection activities. As a result, VHS records a significant provision for doubtful accounts related to these uninsured patients in the period the services are rendered based on historical collection experience.

As part of VHS's mission to serve the community, VHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges. Reserves for charity care and uncollectible amounts have been established and are netted against patient accounts receivable in the consolidated balance sheets.

Payments from Medi-Cal and contracted-rate payers are based on a per-diem, per-discharge, modified cost, or capitated basis or a combination of these.

Adjustments for the finalization of prior year cost reports from both Medicare and Medi-Cal resulted in an increase to patient service revenues of $4,402 and $5,613, for the years ended June 30, 2017 and 2016, respectively. St. Francis Medical Center qualified for and received Medi-Cal funding as a disproportionate-share hospital from the state of California under Senate Bill (SB) 855. Related revenues were $30,542 and $27,029, for the years ended June 30, 2017 and 2016, respectively, and are included in net patient service revenue. Amounts to be received in future years, if any, are subject to annual determination.

The St. Francis Medical Center also received funding for Medi-Cal disproportionate-share hospitals under SB 1255. These SB 1255 funds are paid from the Emergency Services and Supplemental Payments Fund. Related revenues were $8,040 and $7,908, for the years ended June 30, 2017 and 2016, respectively, and are included in net patient service revenue. This funding must be applied for and approved each year.

The St. Francis Medical Center also qualifies for Medi-Cal funding as a disproportionate-share hospital from the state of California under SB 1732. This SB 1732 program permits health care facilities servicing a disproportionate share of Medi-Cal patients to receive supplemental reimbursement for a portion of their debt service for qualified capital projects. St. Francis Medical Center has an amendment to its Medi-Cal contract, which was executed on June 19, 1993, for reimbursement related to the St. Francis Medical Center Health Services Pavilion, which was completed in 1991. Related revenues were $2,213 and $2,220, for the years ended June 30, 2017 and 2016, respectively, and are included in net patient service revenue.

Other than St. Francis Medical Center, no other VHS entities received funding under SB 855, SB 1255 or SB 1732 for the years ended June 30, 2017 and 2016.

Inventories

Inventories consist of supplies and are stated at the lower of cost or market value, which is determined using the first-in, first-out method. Inventories are reviewed for obsolescence on a periodic basis. Amounts are included in other current assets.

Assets Limited as to Use

Assets limited as to use represent assets designated by the board of directors for future capital improvements, assets at Marillac designated by the board of directors for payment of workers' compensation and hospital professional and general liability claims, assets held by trustees under bond indenture agreements (refer the Series 2005 Bonds, Series 2015 Notes, and 2017 Assessment C-PACE Bonds at Note 9), and investments restricted by donors. Investment income or loss is included in deficiency of revenues over expenses, unless the income or loss is restricted by donor or law. The assets are reflected in the assets limited as to use line items in the consolidated balance sheets.

Investments

Investments received through gifts are recorded at estimated fair value at the date of donation. Gains and losses that result from market fluctuations are recognized in the period that such fluctuations occur. Realized gains or losses resulting from sales or maturities are calculated on an adjusted-cost basis. Adjusted-cost is the original cost of the security adjusted for any purchases or sales during the year. Dividend and interest income are accrued when earned.

VHS also maintains ownership interests in certain entities that are recorded under the equity method of accounting as VHS has the ability to exercise significant influence over the operating and financial policies of the investee. Equity method investments are recorded as other long-term assets in the consolidated balance sheet and earnings or losses associated with equity method investments are recorded as investment income (loss) in the consolidated statement of operations and changes in net assets.

Investment (loss) income includes the following:

Years Ended June 30,	2017	2016
Interest and dividends	$ 953	$ 867
Investment fees	(168)	(208)
Change in unrealized gains (losses) on investments - net	(1,489)	775
Net realized gains on sales of investments	5,305	555
Equity method investments - other-than-temporary impairment losses	(3,310)	
Equity method investments - guarantee losses	(3,588)	-
Equity method investments - share of earnings (losses)	(118)	-
	(2,335)	1,989
Amounts included in changes in temporarily restricted net assets	(173)	(12)
Amounts included in changes in permanently restricted net assets	(65)	73
Investment (loss) income	$ (2,573)	$ 2,050

During the year ended June 30, 2017, VHS recorded other-than-temporary impairment losses of $3,310 associated with the decline in the fair value of certain surgery center investments that were purchased in January 2017. The decline in fair value resulted from the degradation in future estimated cash flows due to adverse changes in business conditions that occurred subsequent to the acquisition date. See Note 3 for additional details related to the initial purchase of non-controlling ownership interests in the surgery centers and a controlling ownership interest in the management company, Verity BASM Holdco, LLC. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the surgery center investments as of June 30, 2017.

During the year ended June 30, 2017, VHS also recorded investment losses of $3,588 associated with the guarantee of certain outstanding legal obligations on behalf of the surgery center equity method investees. See Note 3 for additional details on the terms of the guarantee. As of June 30, 2017, VHS estimated the fair value of the guarantee obligation to be $4,760, which resulted in the recording of a guarantee liability within other long-term liabilities. As this guarantee obligation was determined to represent an additional contribution to the investees, $1,172 was recorded as an increase in carrying value of VHS's equity method investment associated with VHS's portion of the investment and $3,588 was recorded as an investment loss associated with the non-contributing investees' portion of the investment. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the guarantee as of June 30, 2017.

Fair Value of Financial Instruments

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, accounts receivable, accounts payable, accrued expenses, and due to/from government agencies approximate fair value due to their short-term nature. The fair value of investments is disclosed in Notes 4 and 8, and the fair value of debt is disclosed in Note 9.

Property and Equipment

Property and equipment are stated at cost if purchased, and at fair market value if donated. Depreciation of property and equipment is calculated using a half-year convention and the straight-line method for financial statement purposes. Estimated useful lives by classification are as follows:

Land improvements	5-25 years
Buildings	10-40 years
Building service equipment	5-25 years
Equipment	3-20 years
Software development	3-5 years

Long-Lived Asset Impairment

VHS routinely evaluates the carrying value of its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset, or related group of assets, may not be recoverable from estimated future undiscounted cash flows generated by the underlying tangible assets. When the carrying value of an asset exceeds the estimated recoverability, an asset impairment charge is recognized. The impairment tests are based on financial projections prepared by management that incorporate anticipated results from programs and initiatives being implemented and market value assessments of the assets. If the projections are not met, or if negative trends occur that impact the future outlook, the value of the long-lived assets may be impaired, which could be material. There was no long-lived asset impairment recorded for the years ended June 30, 2017 and 2016 associated with tangible assets.

VHS recorded an impairment loss of $6,858 associated with long-lived management contract intangible assets for the year ended June 30, 2017, which is included in goodwill and intangible asset impairment loss in the consolidated statement of operations and changes in net assets. See Note 3 for additional details.

Self Insurance

VHS is self-insured for hospital professional and general liabilities by a wholly-owned self-insured captive insurance company (Marillac). The provisions for estimated hospital professional and general liability claims include estimates of the ultimate costs for both uninsured reported claims and claims incurred-but-not-reported (IBNR), in accordance with actuarial projections or paid claims lag models based on past experience. Such claim reserves are based on the best data available to VHS; however, these estimates are subject to a significant degree of inherent variability. There is at least a reasonable possibility that a material change to the estimated reserves will occur in the near term. Such estimates are continually monitored and reviewed, and as reserves are adjusted, the

differences are reflected in current operations. Management is of the opinion that the associated liabilities recognized in the accompanying consolidated financial statements are adequate to cover such claims.

VHS has entered into reinsurance, stop loss, and excess policy agreements with independent insurance companies to limit its losses on hospital professional and general liability claims.

Hospital professional and general liabilities (HPL/GL) were $18,723 and $16,802, discounted at a rate of 4% as of June 30, 2017 and 2016, respectively. Management is not aware of any potential hospital professional and general liability claims whose settlement would have a material adverse effect on VHS's consolidated financial position.

Workers' Compensation Insurance

VHS is insured for workers' compensation claims with major independent insurance companies, subject to certain deductibles of $500 per occurrence as of June 30, 2017 and 2016. Based on actuarially determined estimates, provisions have been made in the consolidated financial statements, with the current portion included within accrued liabilities and the non-current portion within workers' compensation and hospital professional and general liabilities, for all known claims and IBNR claims as of June 30, 2017 and 2016. Workers' compensation liabilities were $26,274 and $24,752, discounted using a rate of 4%, as of June 30, 2017 and 2016, respectively. Estimation differences between actual payments and amounts recorded in previous years are recognized as expense in the year such amounts become determinable.

IBNR Claims under Premium Revenue Arrangements

Certain entities of VHS have capitation arrangements with various payers to provide medical services to enrollees. VHS accrues costs when services are rendered under these contracts, including estimates of IBNR claims and amounts receivable/payable under risk-sharing arrangements. The IBNR accrual includes an estimate of the costs for which VHS is responsible, including out-of-network services. The IBNR reserves are reported in accrued expenses and other current liabilities in the consolidated balance sheets (see Note 7 for additional information). Medical claims expense associated with premium revenue arrangements is separately reported in the consolidated statement of operations and changes in net (deficit) assets.

IBNR reserves are estimated based on actuarial studies, historical reporting, and payment trends. Subsequent actual claims experience will differ from the estimated liability due to variances in estimated and actual utilization of health care services, the amount of charges, and other factors. As settlement are made and estimates are revised, the differences are reflected in current operations.

The following table presents the roll-forward of the medical claims and IBNR liabilities as of and for each of the fiscal years ended June 30, 2017 and 2016:

June 30,	2017	2016
Medical claims and IBNR liabilities as of beginning of year	$ 31,415	$ 35,556
Claims expenses incurred during the year	61,959	65,380
Claims paid during the year	(61,477)	(69,521)
Medical claims and IBNR liabilities as of end of year	$ 31,897	$ 31,415

Asset Retirement Obligations (AROs)

AROs are legal obligations associated with the retirement of long-lived assets. These liabilities are initially recorded at fair value, and the related asset retirement costs are capitalized by increasing the carrying amount of the related assets by the same amount as the liability. Asset retirement costs are subsequently depreciated over the useful lives of the related assets. Subsequent to initial recognition, VHS records period-to-period changes in the ARO liability resulting from the passage of time. VHS has recorded ARO liabilities of $3,844 and $3,627 in other long-term liabilities as of June 30, 2017 and 2016, respectively.

Revenue Guarantees

VHS has agreements with physicians whereby minimum revenues are guaranteed by VHS for stipulated dollar amounts over specified periods, as defined in the contracts. VHS records a liability for the amount of the guaranteed revenue at the time the contract is entered into and adjusts the liability as it is expended. VHS has recorded liabilities of $754 and $922 in accrued expenses and other current liabilities as of June 30, 2017 and 2016, respectively.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those for which use by VHS has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by VHS in perpetuity.

California Hospital Fee Program

California legislation established a program in 2009 that imposes a Quality Assurance Fee (QA Fee) on certain general acute-care hospitals in order to make supplemental and grant payments and increased capitation payments (Supplemental Payments) to hospitals up to the aggregate upper payment limit for various periods. There have been four such programs (the Programs) since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program,

operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval by the Centers for Medicare and Medicaid Services (CMS) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively.

In October 2013, the fourth program (36-Month Program), covering the period from January 2014 to December 2016, was signed into law by the governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of non-expansion managed care payments were approved by CMS in June 2015. The first six months of expansion managed care payments were approved by CMS in March 2016. On December 30, 2016, CMS approved the managed care payments spanning July 1, 2014, to December 31, 2014 for the expansion population and July 1, 2014 to June 30, 2015, for the non-expansion population.

VHS recognized payments to the California Department of Health Care Services for the QA Fee in the amount of $70,032 and $84,221 and pledge payments to CHFT of $2,428 and $1,228 within purchased services and other expenses for the years ended June 30, 2017 and 2016, respectively. VHS also recognized Supplemental Payment revenue in the amount of $169,686 and $134,061 within the net patient service revenues for the years ended June 30, 2017 and 2016, respectively. For the year ended June 30, 2017, these amounts include the six months of the 36-Month Program related to the fee-for-service portion (July 1, 2016 through December 31, 2016) and the managed care rates approved by CMS on December 30, 2016 noted above.

Refer to Note 6 and Note 7 for additional information on the assets and liabilities recorded at June 30, 2017 and 2016, associated with the provider fee programs.

Premium Revenue

Certain entities of VHS have capitation arrangements with various payers to provide medical services to enrollees. Under these arrangements, VHS receives monthly payments on a per member per month basis (PMPM), regardless of services actually performed by VHS. Premium revenues are recognized during the period in which VHS is obligated to provide services to enrollees.

Meaningful Use Incentives

The American Recovery and Reinvestment Act of 2009 established payments under the Medicare and Medi-Cal programs for certain professionals and hospitals that meaningfully use certified electronic health record (EHR) technology. The Medicare incentive payments are paid out to qualifying hospitals over four consecutive years on a transitional schedule. To qualify for Medi-Cal incentives, hospitals and physicians must annually meet EHR "meaningful use" criteria that become more stringent over three stages as determined by CMS. For the years ended June 30, 2017 and 2016, VHS has recorded meaningful use incentive payments of $1,378 and $507, respectively. These incentive payments have been recorded as other operating revenue in the VHS consolidated statements of operations and are recorded under the gain contingency method. Such incentives are subject to audit and recapture by the relevant authorities.

Other Operating Revenue

Included in other operating revenue are amounts from rental revenues, cafeteria revenues, meaningful use incentives, grant revenues, and other non-patient care revenue.

Contributions

Unconditional promises to give cash and other assets to VHS are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets. Net assets released from restrictions used for operations are also included in other operating revenue as contribution revenue to the Hospitals.

Refer to Note 1 for additional information on the unrestricted contribution revenue recorded during the years ended June 30, 2017 and 2016, associated with the release of the Blue Mountain restricted contributions.

Interest Expense

Interest expense on debt issued for construction projects, net of income earned on the funds held pending use, is capitalized from the date of the borrowing until the projects are placed in service. Interest components include the following:

Years Ended June 30,	2017	2016
Total interest expense	$ 29,041	$ 20,943
Less: capitalized interest expense	(907)	(350)
Net interest expense	$ 28,134	$ 20,593

Income Taxes

VHS has established its status as an organization exempt from income taxes under IRC Section 501(c)(3) and the laws of California. Certain activities of the operating entities of VHS may be subject to income taxes; however, such activities are not significant to the consolidated financial statements.

Performance Indicator

Management considers the (deficit) excess of revenues over expenses to be VHS's performance indicator. (Deficit) excess of revenues over expenses includes all changes in unrestricted net assets, except net assets released from restrictions used for purchase of property and equipment, the change in funded status of pension plans, and other

Certain Obligated Group members have a policy whereby assets are periodically transferred as charitable distributions to subsidiaries of VHS that are not members of the Obligated Group. These transfers are accounted for as direct charges to the Obligated Group members' unrestricted net assets. It is anticipated that Obligated Group members will continue to make asset transfers to the subsidiaries. These transfers are eliminated upon consolidation.

Recent Accounting Pronouncements

In March 2017, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2017-07, *Compensation - Retirement Benefits: Improving the Presentation of Net Periodic Pension Costs and Net Periodic Postretirement Benefit Cost*. This guidance was issued to improve the reporting of net benefit cost in the financial statements to make this information more transparent. Under the guidance, an employer must report the service cost component in the same line item or items as other compensation costs arising from services rendered by pertinent employees during the period. The other components of net benefit cost are required to be presented in the statement of operations separately from the service cost component and outside the subtotal of income from operations if one is presented. ASU 2017-07 is effective for annual reporting periods beginning after December 15, 2017. Early adoption is permitted. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In January 2017, the FASB issued ASU 2017-02, *Not-For-Profit Entities - Consolidation: Clarifying When a Not-For-Profit Entity That is a General Partner or Limited Partner Should Consolidate a For-Profit Limited Partnership or Similar Entity*. The amendments in this ASU retain the consolidation guidance that existed in Subtopic 810-20 by including it in Subtopic 958-810 (not-for-profit consolidation guidance). ASU 2017-02 is effective for annual periods beginning after December 15, 2016 and early adoption is permitted. VHS early adopted this guidance for the year ended June 30, 2017. Adoption of this guidance did not have a material effect on the consolidated financial statements.

In August 2016, the FASB issued ASU 2016-15, *Classification of Certain Cash Receipts and Payments*. This guidance adds or clarifies guidance on the classification of certain cash receipts and payments in the statement of cash flows. ASU 2016-15 is effective for annual periods beginning after December 15, 2018. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In August 2016, the FASB issued ASU 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements for Not-For-Profit Entities*, which will require not-for-profit entities to revise financial presentation to include: net asset classifications, provide quantitative and qualitative information as to available resources and management of liquidity and liquidity risk, information on investment expenses and returns, and the presentation of operating cash flows. The standard aims to help the reader of the financial statements to better understand the financial position of the organization and enhance consistency among similar organizations. ASU 2016-14 is effective for annual periods beginning after December 15, 2017. Early adoption is permitted. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases, (Topic 842): Amendments to the FASB ASC*. ASU 2016-02 amends the existing accounting standards for lease accounting, including requiring lessees to recognize most leases on their balance sheets and making targeted changes to lessor accounting. The new standard requires a modified retrospective transition approach for all leases existing at, or entered into after, the date of initial application, with an option to use certain transition relief. The amendments in this update are effective for fiscal years (and interim reporting periods within fiscal years) beginning after December 15, 2018. Early adoption of the amendments is permitted for all entities. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

In July 2015, the FASB issued ASU 2015-11, *Simplifying the Measurement of Inventory*. This standard requires entities to measure most inventories at the lower of cost or net realizable value. ASU 2015-11 is effective for annual periods beginning after December 15, 2016. VHS does not expect this guidance to have a material effect on the consolidated financial statements.

In April 2015, the FASB issued ASU 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*. The standard removes the requirement to categorize, within the fair value hierarchy, investments for which fair value is measured using the net asset value per share as a practical expedient. VHS adopted ASU 2015-07 retrospectively for the fiscal year ended June 30, 2017. As a result of the retrospective adoption, VHS removed any investments from the fair value hierarchy for which fair value is measured using the NAV per share as a practical expedient. Refer to the fair value disclosures for VHS's pension plan assets in Note 8 for additional details.

In April 2015, the FASB issued ASU 2015-03, *Interest-Imputation of Interest: Simplifying the Presentation of Debt Issuance Costs*. The standard amends existing guidance to require the presentation of debt issuance costs in the balance sheet as a deduction from the carrying amount of the related debt liability instead of as an asset. VHS adopted ASU 2015-03 retrospectively for the fiscal year ended June 30, 2017. As a result of the retrospective adoption, VHS reclassified unamortized debt issuance costs of $4,483 from other long-term assets to a reduction in long-term debt in the consolidated balance sheet as of June 30, 2016.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, and in August 2015, the FASB issued ASU 2015-14, *Revenue from Contracts with Customers (Topic 606): Deferral of the Effective Date*, which defers the effective date of ASU 2014-09 by one year. ASU 2014-09 requires the entity to recognize revenue for the transfer of goods or services equal to the amount that it expects to be entitled to receive for those goods or services, effective for periods beginning after December 15, 2017. VHS is currently evaluating the impact of this new standard on the consolidated financial statements.

3. Acquisitions

In January 2017, VHS expanded it ambulatory footprint by obtaining (1) a 51% controlling ownership interest in a newly formed management company, Verity BASM Holdco, LLC (a.k.a. Surgical Partners of California or BASM) which has agreements to manage multiple ambulatory surgery centers in the San Francisco Bay Area and (2) a non-controlling ownership interest in five of the surgery centers managed by BASM. The partnership is expected to advance VHS's goal of evolving into an integrated healthcare delivery network for the communities served.

VHS determined that the acquisition of BASM should be consolidated in the financial statements of VHS and the 49% non-controlling ownership interest should be separately presented. Refer below for additional details on the assets, liabilities and net assets recorded in connection with the purchase price allocation for BASM. VHS also determined that its non-controlling ownership interests in five of the surgery centers managed by BASM ranging from 20% - 25% should be accounted for under the equity method of accounting.

The consideration for the above ownership interests included a cash payment of approximately $15,000 and the assumption of a guarantee associated with an outstanding legal obligation owed by BASM and the five surgery centers for which VHS acquired an ownership interest (collectively, the "defendants"). The $15,000 purchase price was allocated between BASM and the five surgery centers based on the respective business valuations for VHS's ownership interest in each entity, which were determined using a discounted cash flow approach and appropriate discounts for lack of control and marketability, as required. Discount rates utilized to determine the business valuations ranged from 13% - 17% depending on the level of risk associated with the business operations.

Based on the valuations, approximately $7,165 was allocated to the five surgery centers and was recorded as equity-method investments and $7,835 was allocated to BASM, representing VHS's ownership interests in the net assets of BASM. In the opening balance sheet of BASM as of January 2017, VHS recorded (1) total assets of $21,799, including $12,720 of intangible assets, $5,702 of goodwill and $3,377 of tangible assets; and (2) total liabilities of $6,436 associated with the assumed legal obligations. The total net assets of $15,363 were allocated as $7,835 for VHS's controlling interest and $7,528 for the non-controlling interest. The intangible assets are associated with the management contracts assumed and are being amortized over a useful life ranging from 5 to 15 years in accordance with the duration of the contracts.

In connection with the transaction, VHS simultaneously entered into a series of Reimbursement Agreements with the defendants requiring that they reimburse VHS for any payments made under the guarantee agreement. Such reimbursement may either be in the form of cash payments or VHS has the ability to recover such amounts by acquiring additional membership units in the respective entities. The initial amount of the guarantee was $20,000 plus accrued interest at 6% per annum. As of June 30, 2017, the outstanding obligation at risk under the guarantee is $15,000 plus interest.

On June 30, 2017, which represents the annual impairment testing date, VHS concluded there were impairment indicators associated with VHS's equity method investments in certain of the surgery centers and the management contract intangible assets and goodwill recorded at BASM. Such impairment indicators resulted from significant adverse trends in the most recent estimates of future cash flows for both the surgery centers and BASM. As a result of the impairment analysis, VHS recorded (1) $3,310 of other-than-temporary impairment losses for its equity method investments in investment loss (see Note 2 for additional detail); (2) $6,858 of impairment losses for the management contract intangible assets at BASM in operating expenses; and (3) $3,374 of impairment losses for goodwill at BASM in operating expenses. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the respective assets and record the impairment charges as of June 30, 2017.

As a result of the impairment indicators identified at June 30, 2017, VHS also re-assessed the probability associated with a contingent loss under the guarantee agreement and recorded a guarantee obligation of $4,760 in other long-term liabilities. As this guarantee obligation was determined to represent an additional contribution to the surgery centers investees, $1,172 was recorded as an increase in carrying value of VHS's equity method investment associated with VHS's portion of the investment and $3,588 was recorded as an investment loss associated with the non-contributing investees' portion of the investment. See Note 4 for additional details on the valuation methodology utilized to determine the fair value of the guarantee as of June 30, 2017.

4. Fair Value Measurements

VHS accounts for certain assets at fair value or on a basis that approximates fair value. A fair value hierarchy for valuation inputs has been established to prioritize the valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest-level input that is significant to the fair value measurement in its entirety. These levels are as follows:

- *Level 1* - Quoted prices are available in active markets for identical assets as of the measurement date. Financial assets in Level 1 include listed equities and money market balances.
- *Level 2* - Pricing inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets. Financial assets in this category generally include asset-backed securities, corporate bonds, municipal bonds, and commingled investment funds.
- *Level 3* - Pricing inputs are generally unobservable for the assets and include situations where there is little, if any, market activity for the investment. The inputs used in determination of fair value require management's judgment or estimation of assumptions that market participants would use in pricing the assets. Therefore, the fair values are determined using factors that involve judgment and interpretations, including discounted cash flow models and similar techniques.

The following represents assets measured at fair value on a recurring basis:

There were no transfers to or from Levels 1, 2, or 3 during the years presented. The Level 2 financial assets listed in the fair value hierarchy tables above use the following valuation techniques and inputs:

For marketable securities, such as foreign corporation and U.S. government debt securities, government and commercial mortgage-backed securities, corporate U.S. debt securities, index funds, and beneficial interest held in trust accounts, wherein identical quoted market prices are not readily available, the fair value of such investments is determined based on market participant pricing or other available market data for comparable instruments and transactions at the measurement date. VHS, therefore, incorporates industry-standard valuation techniques as inputs to fair valuation of its investments designated as Level 2.

VHS's rationale for the assignment of levels is based on types or classes of financial assets, rather than an analysis of each individual asset. Key consideration in the assignment of levels was given to the determination of a security's fair valuation measurement if obtained from an active market, and then further consideration was given for the types of inputs used to evaluate the fair value price. This approach has been supported by management's analysis of the methodology, the evaluated pricing models, and inputs used by its pricing vendors. It is also consistent with industry practice.

Where quoted prices are available in an active market (exchange-traded), the securities are classified as Level 1. It is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. If quoted market prices are not readily available for a specific financial asset, then value is determined using quoted prices of assets with similar characteristics and is classified as Level 2. Examples of these categories are VHS's investment in high-yield debt securities, collateralized mortgage obligations, and fixed-income prices provided by

a broker-dealer, in cases where there is limited activity and less transparency associated with inputs to the valuation, VHS will designate the investments as Level 3. There were no Level 3 investments at June 30, 2017 and 2016.

Impairment Losses

During the year ended June 30, 2017, VHS recorded (1) $3,310 of other-than-temporary impairment losses for its equity method investments; (2) $6,858 of impairment losses for the management contract intangible assets at BASM; and (3) $3,374 of impairment losses for goodwill at BASM. These represent non-recurring fair value measurement as of June 30, 2017. See Notes 2 and 3 for additional details. The fair value of the respective assets was determined using a discounted cash flow approach and appropriate discounts for lack of control and marketability, as required. Discount rates utilized to determine the business valuations ranged from 13% - 15% depending on the level of risk associated with the business operations. Such fair value measurements represent Level 3 fair value measurements as they utilize significant unobservable inputs.

Guarantee

During the year ended June 30, 2017, VHS recorded a guarantee liability of $4,760 associated with the guarantee of certain outstanding legal obligations on behalf of the surgery center equity method investees. This represents a non-recurring fair value measurement as of June 30, 2017. See Note 3 for additional details on the terms of the guarantee. The fair value of the guarantee was estimated based on the contingent loss associated with the estimated payments to be made under the guarantee in the event of a default by the surgery centers.

Investment Held in Trust Accounts

VHS is the beneficiary of a split-interest agreement from a donor. The related assets are controlled and invested by an independent third party. VHS records the assets based on the fair value of the underlying investments.

5. Property and Equipment

Property and equipment consists of the following:

June 30,	2017	2016
Land	$ 26,235	$ 28,970
Land improvements	20,226	20,252
Buildings and service equipment	703,766	705,025

Other	5,681	5,232
Total other long-term assets	$ 25,085	$ 5,878

7. Accrued Expenses and Other Current Liabilities

Accrued expenses and other current liabilities consist of the following:

June 30,	2017	2016
Wages and benefits	$ 64,155	$ 66,471
Medical claims and IBNR	31,897	31,415
Deferred management fees	46,228	16,108
Current portion of workers' compensation and hospital professional and general liability	8,855	9,805
Provider fee payables and advances	55,707	29,361
Other	47,287	64,243
Total accrued expenses and other current liabilities	$ 254,129	$ 217,403

8. Pension and Other Postretirement Benefit Plans

VHS maintains single employer defined benefit retirement plans and participates in a multi-employer defined benefit retirement plan. The plans have been frozen for all employees, except members of the California Nurses Association (CNA). Benefits are generally based on age, years of service, and employee compensation. VHS also offers postretirement health care benefits to a limited number of its employees. The postretirement health care benefits are determined based on age and years of service.

The multiemployer defined benefit pension plan is called the Retirement Plan for Hospital Employees (RPHE). The entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Caritas Business Services (however, as noted above, only CNA members at these locations earn new benefits under the plan). Benefits are generally based on years of service and the employee's compensation. Contributions to the plan are based on actuarially determined amounts sufficient to meet the benefits to be paid to plan participants and satisfy IRS funding requirements. VHS recorded benefits expense of $21,093 and $17,223 associated with required cash contributions to the RPHE during the fiscal years ended June 30, 2017 and 2016, respectively.

VHS also maintains single-employer defined benefit pension plans (the Retirement Plans). VHS associates at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, and the system office are eligible to participate in this plan (however, as noted above, only CNA members continue to earn new benefits under the plan). VHS contributed $41,678 and $12,915 to the Retirement Plans during the fiscal years ended June 30, 2017 and 2016, respectively.

VHS also maintains a retiree health insurance program (the Postretirement Healthcare Plan), which provides medical benefits to retirees from early retirement to age 65 only. VHS employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. VHS contributed $50 and $58 to the Postretirement Healthcare Plan during the fiscal years ended June 30, 2017 and 2016, respectively.

Defined Contribution Retirement Plans

In addition to the above pension plans, VHS maintains three different defined contribution retirement plans for its employees. One of these defined contribution plans (TSA/403(b)) includes employee voluntary contributions only. A second defined contribution plan (Match Benefit) requires employer contributions and the benefits are based on a percentage of the employees' contributions to the TSA/403(b). A third plan covers all employee groups except members of the CNA and is a fully employer-paid defined contribution plan with benefits based on a percentage of compensation. During the fiscal years ended June 30, 2017 and 2016, the employer's contribution expense for the defined contribution plans was $18,481 and $21,749, respectively.

The estimated actuarial loss (gain) and prior service cost for the Retirement Plans that will be amortized into net periodic benefit cost over the next fiscal year is $6,213 and ($368), respectively.

During the fiscal year ended June 30, 2017, $11,846 remaining in net assets associated with prior service cost and net actuarial gains for the Postretirement Healthcare Plan was immediately recognized into net periodic benefit cost as a reduction of expense. During the next fiscal year any prior service cost (credits) and net actuarial losses (gains) will continue to be recognized immediately into net periodic pension cost and will not be amortized in future periods.

Assumptions

The weighted-average assumptions used to determine benefit obligations and net period benefit costs, are as follows:

	June 30, 2017		June 30, 2016	
	Retirement Plans	Postretirement Healthcare Plan	Retirement Plans	Postretirement Healthcare Plan
Weighted-average assumptions used to determine benefit obligations:				
Discount rate	3.84% - 4.00%	3.70%	4.05%	3.85%
Rate of compensation increase (rate of 4.00% used for 2019 and later)	5.00%	N/A	2.50%	N/A
Weighted-average assumptions used to determine net periodic benefit costs:				
Discount rate	3.31% - 3.98%	3.85%	4.80%	4.55%
Expected return on plan assets	6.75%	N/A	7.00%	N/A
Rate of compensation increase	5.00%	N/A	2.50%	N/A

Expected Return on Plan Assets

The Retirement Plan's estimated long-term rate of return on pension assets is driven primarily by historical asset-class returns, an assessment of expected future performance, advice from external actuarial firms, and the incorporation of specific asset-class risk factors. Asset allocations are periodically updated using pension plan asset/liabilities studies, and VHS's estimated long-term rates of return are consistent with these studies.

Discount Rate

The discount rate assumptions used to determine the retirement and postretirement benefit plan obligations and expenses reflect the prevailing rates available on high-quality, fixed-income debt instruments. The rate was based on cash flow analysis that matched estimated future benefit payments to the bond discount yield curve as of June 30, 2017 and 2016. Approximately 98% of VHS's retirement plan liabilities were measured using a discount rate 3.84% as of June 30, 2017.

During the fiscal year ended June 30, 2017, the discount rate was updated from a single equivalent discount rate used to determine the projected benefit obligation and net periodic benefit cost to separate discount rates used for determining the projected benefit obligation, interest on the projected benefit obligation, service cost and interest on service cost. The range of discount rates used to determine the separate components have been included in the table above.

Other Benefit Assumptions

For the measurement of accumulated postretirement benefit obligations at June 30, 2017, the Postretirement Healthcare Plan assumed health care cost trend rates start at 8.00% in 2017 and decrease by 0.25%-0.50% annually, reaching an ultimate rate of 5.50% in fiscal year 2023. A one-percentage-point change in assumed health care cost trend rates would not have a material effect on VHS's consolidated financial statements.

Plan Assets and Investment Strategy

The following information represents VHS's pension plan assets measured at fair value and indicate the fair value hierarchy and valuation techniques utilized to determine such fair value:

As of June 30, 2017, $1,842 of the plan's cash balance was held in a separate non-interest-bearing cash account for the purpose of claims disbursement by the plan's administrator.

VHS's investment strategy for the assets of the Retirement Plan is designed to preserve principal while earning returns relative to the overall market consistent with a prudent level of risk. The strategy balances the liquidity needs of the Retirement Plan with the long-term return goals necessary to satisfy future obligations. The target asset allocation is diversified across traditional asset classes. Diversification is also achieved through participation in U.S. and non-U.S. markets, investment manager style, philosophy, and capitalization. The complementary investment styles and approaches used by investment managers are aimed at reducing volatility while capturing the equity premium from the capital markets over the long term. Risk tolerance is established through consideration of plan liabilities, plan funded status, and VHS's consolidated financial condition. Consistent with VHS's fiduciary responsibilities, the fixed-income allocation generally provides for security of principal to meet near-term expenses and obligations. Periodic reviews of the market values and corresponding asset allocation percentages are performed to determine whether a rebalancing of the portfolio is necessary.

The following were the target asset allocations as of June 30, 2017, by major asset classification:

Fixed-income	35%
Domestic stocks	29
Foreign stocks	19
Inflation-linked	17
Total plan assets	100%

Cash Contributions and Benefit Payments

VHS expects to contribute $46,048 to the Retirement Plans and $58 to the Postretirement Healthcare Plan during fiscal year ending June 30, 2018. The expected contributions to the Retirement Plans include an additional expected contribution of approximately $7,619 resulting from a shortfall in 2017 charity care requirement established by the Attorney General in connection with the Restructuring Agreement.

The benefit payments, which reflect expected future service, as appropriate, expected to be paid in each of the next five years, and in aggregate for the next five years, are as follows:

	Retirement Plan Benefits	Postretirement Healthcare Benefits
2018	$ 23,834	$ 58
2019	25,316	47
2020	27,251	50
2021	29,016	55
2022	30,166	60
Next five years	161,490	330

Multiemployer Plan

Certain affiliated entities in Northern California participate in multiemployer defined benefit retirement plans as described below (in thousands):

Plan	Pension Plan Employer Identification Number/Plan Number	Pension Protection Act Zone Status June 30 2017	Pension Protection Act Zone Status June 30 2016	Funding Improvement/ Rehabilitation Plan Status June 30, 2017
Retirement Plan for Hospital Employees	94-2995676/001	Green	Green	No

Pension Protection Act Zone Status (from worst to best):

Critical Status	Red
Seriously Endangered	Orange
Endangered	Yellow
None of the above	Green

Plan	Pension Plan Employer Identification Number/Plan Number	Contributions 2018 (Expected)	2017	2016	Surcharge Imposed (during 2013)	Collective Bargaining Agreement Expiration Date
Retirement Plan for Hospital Employees	94-2995676/001	$15,706	$21,093	$ 17,223	No	October 31, 2018

Since March 1, 2011, participant benefits were frozen for the non-contractual employees of the two participating affiliates in the Retirement Plan for Hospital Employees. Beginning January 1, 2013, participant benefits were frozen for all Service Employees International Union (SEIU) employees. Certain affiliates will continue to make periodic contributions as needed for eligible participants.

The contributions for the multiemployer plan were approximately 45% and 38% of the total contributions to the plan for June 30, 2017 and 2016, respectively. There are no minimum contributions required for future periods by the collective-bargaining agreements, statutory obligations, or other contractual obligations for both plans.

The risks of participating in multiemployer plans are different from single-employer plans in the following aspects: (i) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (ii) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; and (iii) if the affiliates choose to stop participating in the multiemployer plan, the affiliates may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

9. Debt

Long-term debt consists of the following:

Obligated Group

Verity Health System of California, Inc. and its five hospitals are collectively referred to as the "Obligated Group" or as "Members," and each individually is sometimes referred to herein as a "Member." The Obligated Group is established pursuant to a Master Indenture of Trust, dated December 1, 2001, as supplemented to date (the Master Indenture), between the Obligated Group and U.S. Bank National Association, as successor master trustee (the Master Trustee). The Obligated Group is jointly and severally liable for obligations issued pursuant to and outstanding under the Master Indenture (Obligations).

Each of the Obligated Group Members has executed one or more deeds of trust pursuant to which the respective Obligated Group Member has granted for the benefit of the Master Trustee, a first lien on, and security interest in, the property of the hospitals and certain other parcels of property owned by such Obligated Group Members, subject to permitted liens, as security for the performance of the Obligated Group Members' obligations under the Master Indenture. Additionally, each of the Obligated Group Members has created a gross revenue fund with its depository bank to further secure its gross revenues for the benefit of the Master Trustee.

The Master Indenture and certain other Obligated Group's financing agreements contain restrictive covenants, including maintenance of a debt ratio, limitations on the amount of any additional borrowings, and limitations on the disposal or transfer of assets to non-obligated group members. Additionally, the financing agreements require that funds are established with, and controlled by, a trustee during the period the bonds remain outstanding. The Obligated Group has complied with such financial covenants and restrictions at June 30, 2017.

For the year ended June 30, 2017, the Obligated Group did not have to comply with a minimum required Annual Debt Service Coverage Ratio per the Master Indenture as there was a covenant holiday. For the year ending June 30, 2018, the minimum required Annual Debt Service Coverage Ratio is 0.7. The minimum required Annual Debt Service Coverage Ratio increases to 1.1 for the year ending June 30, 2019.

Long-Term Debt

Series 2005 Bonds

In March 2005, the California Statewide Communities Development Authority (CSCDA), on behalf of Daughters of Charity Health System (now known as VHS), issued four series of revenue bonds in the aggregate principal amount of $364,655 (the 2005 Bonds). The 2005 Bonds were comprised of $259,125 of 2005 Series A bonds, $39,715 of Series F bonds, $48,245 of Series G bonds, and $17,570 of Series H bonds. The issuance of the 2005 Bonds generated original issue premiums of $12,929. A portion of the proceeds of the 2005 Bonds was used to refinance prior bonds and finance the costs of constructing, improving, renovating, and equipping certain improvements to the facilities of the Obligated Group. The 2005 Series F bonds matured and were paid pursuant to their terms on July 1, 2010. Total interest expense related to the Series 2005 Bonds was $15,801 and $17,588 for the years ended June 30, 2017 and 2016, respectively.

The Series 2005 Bonds are a limited obligation of CSCDA and are payable solely from payments made by the Obligated Group. Payment of principal and interest on the Series 2005 Bonds is secured by Obligations issued pursuant to the Master Indenture.

Series 2015 Notes

On December 14, 2015, the California Public Finance Authority issued an aggregate of $160,000 of Revenue Notes (Verity Health System) Series 2015A, B, C, and D (collectively, the 2015 Notes) for the benefit of VHS. There are four series of 2015 Notes. The Series 2015A, B, and D Notes are tax exempt, and the Series 2015C Notes are taxable. While all of the 2015 Notes were authorized and issued, only the Series 2015A Notes ($60,000) and the 2015B Notes ($45,000) were funded as of June 30, 2016. The Series 2015C Notes ($10,000) and the Series 2015D Notes ($45,000) were funded on September 19 and October 31, 2016, respectively. A portion of the proceeds of the 2015 Notes was used, together with other funds, to pay the principal of and accrued and unpaid interest on the 2014 Bonds that matured on December 15, 2015. Total interest expense related to the Series 2015 Notes was $11,013 and $2,953 for the years ended June 30, 2017 and 2016, respectively.

The 2015 Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2015 Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St. Francis Medical Center and Saint Louise Regional Hospital.

2017 Assessment Bonds (C-PACE bonds)

In May 2017, Verity closed on a Commercial Property Assessed Clean Energy ("C-PACE") funding in the amount of $40,000 to finance seismic upgrades to the Seton Medical Center campus. CleanFund Commercial PACE Capital, Inc. provided $20,000 of its own capital and brought in a partner, Petros PACE Finance, to provide an additional $20,000. The proceeds will be used to make upgrades to the hospital, as required by California's mandatory Hospital Facilities Seismic Safety Act (SB 1953).

C-PACE is long-term, fixed-rate financing, similar to the traditional tax-exempt debt that hospitals often use for infrastructure investments. The C-PACE bonds are exempt from income taxes imposed by the State of California; however are not exempt from federal income tax. To repay the C-PACE financing, Seton will pay property tax assessments at a fixed amount until the C-PACE financing matures in 2047. The assessment payments are secured by a lien against the property at the Seton Medical Center campus. Total interest expense related to the C-PACE bonds was $323 for the year ended June 30, 2017. Refer to Note 12 for additional information on VHS's seismic requirements.

Scheduled long-term principal debt payments as of June 30, 2017, are as follows:

Years Ending June 30,	Amount
2018	$ 13,165
2019	167,553
2020	7,982
2021	8,409
2022	8,852
Thereafter	266,775
	$ 472,736

Fair Values

The fair value of VHS's bond indebtedness is estimated based on the quoted market prices for the same or similar issues or on the current rates offered for debt of the same remaining maturities. The total estimated fair value of VHS's bond and note debt (Series 2005 bonds, Series 2015 Notes and 2017 Assessment Bonds) as of June 30, 2017 and 2016, was $448,472 and $336,804, respectively, and such debt was valued using Level 2 inputs. The total carrying value of VHS's bond and note debt as of June 30, 2017 and 2016, was $466,185 and $377,590, respectively. The reported fair value of VHS's bond indebtedness instruments excludes the full value of an irrevocable principal pre-payment of $6,405 and $6,090 made as of June 30, 2017 and June 30, 2016, respectively. The fair values of the remaining mortgage payable and other debt are not materially different from their carrying values as the majority of such amounts are due within the next 12 months. The fair value amounts do not represent the amount that would be required to expend to retire the indebtedness.

10. Functional Classification of Expense

The following is a functional classification of VHS's expenses:

Year Ended June 30,	2017	2016
Health services	$ 1,151,268	$ 1,193,512
General and administrative	363,558	301,768
	$ 1,514,826	$ 1,494,880

11. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets are available for the following purposes:

June 30,	2017	2016
Equipment and expansion	$ 2,809	$ 3,522
Research and education	2,581	2,848
Restricted contribution	-	60,367
Charity and other	8,054	6,593
Total temporarily restricted net assets	13,444	73,330
Permanently restricted net assets	8,202	8,137
Total restricted net assets	$ 21,646	$ 81,467

Equipment and expansion relate to assets held by VHS, which are restricted by donors or grantors to be used specifically for equipment, capital projects, or other capital needs.

Research and education relate to assets held by VHS, which are restricted by donors or grantors to be used in specific research or education programs.

During the fiscal year ended June 30, 2016, the restricted contribution represented the remaining portion of the contribution recognized at the time of the transaction contemplated by the Restructuring Agreement (see Note 1 "Organization"). The restriction of this contribution was lifted during the fiscal year ended June 30, 2017, pursuant to the terms of the Restructuring Agreement. The release of the restricted funds was recorded as unrestricted contribution revenue for the year ended June 30, 2017.

Charity and other relate mainly to assets held by VHS, which are restricted by donors or grantors to be used in specific health care programs for charity care and other medical and patient services.

Permanently restricted net assets of $8,202 and $8,137 at June 30, 2017 and 2016, respectively, are restricted to investments to be held in perpetuity, with the income expendable to support VHS's mission.

Endowments

VHS and five of its consolidated charitable foundations follow the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA eliminates the concept of "historic dollar value" and allows an institution to spend or accumulate as the board determines is prudent for the uses, benefits, purposes, and duration of the endowment fund unless the gift instrument states a particular spending rate or formula. California's version of UPMIFA also includes a rebuttable provision that spending greater than 7% of the average fair market value (calculated at least quarterly over a minimal period of three years) is presumed to be imprudent.

In accordance with UPMIFA, VHS considers the following factors when appropriating or accumulating an endowment fund: (i) general economic conditions, (ii) effects of inflation and deflation, (iii) the purposes of the institution and the endowment fund, (iv) expected total return from income and appreciation of investments, (v) VHS's other resources, (vi) the duration and preservation of the endowment fund, and (vii) VHS's investment policies.

From time to time, the fair value of assets associated with individual endowment funds may fall below the level that the donor or UPMIFA requires VHS to retain as a fund of perpetual duration. Deficiencies of this nature that are reported in unrestricted net assets were not material as of June 30, 2017 and 2016. These deficiencies resulted from unfavorable investment market fluctuations.

VHS has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the boards of trustees of the charitable foundations, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results while assuming a moderate level of investment risk.

To satisfy its long-term rate-of-return objectives, VHS relies on a balanced investment strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). VHS targets a diversified asset allocation that places a great emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The endowment net asset composition by type of fund consists of the following:

	June 30, 2017			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	$ 615	$ 962	$ 8,202	$ 9,779
Total funds	$ 615	$ 962	$ 8,202	$ 9,779

	June 30, 2016			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	$ 606	$ 789	$ 8,137	$ 9,532
Total funds	$ 606	$ 789	$ 8,137	$ 9,532

The changes in endowment net assets are as follows:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Balance at June 30, 2015	$ 596	$ 778	$ 8,207	$ 9,581
Net gains (losses) - realized and unrealized	10	11	(73)	(52)
Other	-	-	3	3
Balance at June 30, 2016	606	789	8,137	9,532
Net gains (losses) - realized and unrealized	9	173	65	247
Other	-	-	-	-
Balance at June 30, 2017	$ 615	$ 962	$ 8,202	$ 9,779

12. Commitments and Contingent Liabilities

Standby Letter of Credit

Mariliac, a subsidiary of VHS, pledged $43,408 of its investments to support a standby letter of credit issued in favor of Old Republic Insurance Company, one of the Parent's insurers, at June 30, 2017

Litigation, Regulatory and Compliance Matters

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. These laws and regulations include, but are not necessarily limited to, matters, such as licensure, accreditation, controlled substances, privacy, government health care program participation requirements, reimbursement laws and regulations, anti-referral laws, false claims prohibitions, and in the case of tax-exempt organizations, the requirements of tax exemption. In recent years, government activity has increased with respect to investigations and allegations concerning possible violations of reimbursement, false claims, and anti-referral statutes and regulations by health care providers. Violations of these laws and regulations could result in expulsion from government health care programs, as well as imposition of significant fines and penalties and significant repayments for patient services previously reimbursed.

The Health Insurance Portability and Accountability Act (HIPAA) assures health insurance portability, reduces healthcare fraud and abuse, guarantees security and privacy of health information, and enforces standards for health information. The Health Information Technology for Economic and

Clinical Health Act (HITECH Act) expanded upon HIPAA in a number of ways, including establishing notification requirements for certain breaches of protected health information. In addition to these federal rules, California has also developed strict standards for the privacy and security of health information as well as for reporting certain violations and breaches. The Company may be subject to significant fines and penalties if found not to be compliant with these state or federal provisions.

Management assesses the probable outcome of unresolved litigation and investigations and records contingent liabilities reflecting estimated liability exposure. It is the opinion of management, after consulting with legal counsel, that such actions will not have a material effect on VHS's consolidated financial position or results of operations as of June 30, 2017. Therefore, based on the information provided by its legal counsel, VHS has accrued $1,100 and $1,240 as of June 30, 2017 and 2016, respectively, which were related to certain of these actions. VHS evaluates recoveries from insurance coverage separately from its liability, and when appropriate, an asset is recorded separately from the associated liability. Following is a discussion of matters of note.

VHS is a named defendant in two related class actions, *Jarmaine Johns v. Verity Health System of California* and *Iris Lara and Tanya Llera v. Verity Health System of California*. The complaints allege the plaintiffs were the victims of a data breach where their personal information was obtained and their identities were allegedly used. The breach involved approximately 7,500 employees. The complaints allege the plaintiffs have been harmed and have had to spend time and money addressing identity theft. In the *Lara* action, plaintiffs specifically allege that they have been harmed by false tax returns that were filed using information released in the data breach. The *Lara* action is currently stayed by order of the court. VHS intends to contest these actions. At this time, management cannot accurately estimate the amounts of any payments or settlements that might result from these matters.

VHS was previously a named defendant in a breach of contract, unjust enrichment, and declaratory relief complaint filed by Prime Healthcare Services, Inc. and Prime Healthcare Foundation, Inc. and captioned *Prime Healthcare Services, Inc., et al., vs. Blue Mountain Management Capital, et al.*, in the Superior Court of California, County of San Bernardino, and San Bernardino Justice Center. Subsequent to June 30, 2017, a settlement was reached between the parties, which resulted in no loss for VHS.

U.S. Department of Justice and OIG Investigations

VHS and/or its facilities periodically receive notices from governmental agencies, such as U.S. Department of Justice (DOJ) or the Office of Inspector General (OIG), requesting information regarding billing, payment, or other reimbursement matters, or initiating investigations, or indicating the existence of whistleblower litigation. VHS does not anticipate such requests to result in a material impact to the consolidated financial statements.

Within this category, VHS received an informal documentation request from the DOJ related to BASM during the current year (see Note 3 for information on the BASM acquisition transaction). Additionally, during the prior year, VHS filed a self-disclosure with the OIG indicating possible violations of the Stark Law and the Anti-Kickback Statute by Seton Medical Center. The OIG informed VHS that the disclosure was officially accepted into the Self-Disclosure Protocol. At this time, management cannot accurately estimate the amounts of any potential damages or penalties that might result from these matters.

Collective Bargaining

VHS has 6,787 employees as of June 30, 2017, of whom just over 4,149 are full-time employees. Approximately 78% of these employees are represented by collective bargaining units. A majority of the employees are represented by collective bargaining agreements with Service Employees International Union (SEIU) (approximately 40% of employees) and California Nurses Association (CNA) (approximately 23% of employees). Employee strikes or other adverse labor actions may have a material adverse impact on VHS's consolidated financial position or results of operations.

Attorney General Requirements

As part of approving the Restructuring Agreement (see Note 1), the California Attorney General's (AG) office placed certain operational restrictions on VHS and each of its hospitals, which include certain minimum annual targets for charity care, community benefits, and capital expenditures among other requirements. As a result of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was required to make an additional contribution to the Retirement Plans of $7,619 by October 31, 2017 (see Note 8). VHS has complied with such requirements under the AG agreement.

Lease Commitments

Future minimum lease payments under VHS's significant non-cancelable operating leases (with initial or remaining lease terms in excess of one year) as of June 30, 2017, are as follows:

Years Ending June 30,	Amount
2018	$ 11,840
2019	7,681
2020	5,553
2021	4,468
2022	2,807
Thereafter	996
	$ 33,345

Rent expense was $21,601 and $19,501 for the years ended June 30, 2017 and 2016, respectively.

Seismic Standards

VHS assessed its earthquake retrofit requirements for health care facilities under a state of California law SB 90 that can allow a delay of up to seven years from the January 1, 2013, deadline for Structural Performance Category 1 (SPC-1) retrofits. This affects six buildings at three of VHS's hospitals. The previously reported seventh building, the St. Vincent Medical Center Central Plant, has been upgraded to SPC-2 status. Extensions have been approved by the Office of Statewide Health Planning and Development as follows:

St. Vincent Medical Center Main Hospital must meet SP-2 standards by January 1, 2019. St. Vincent Medical Center Doheny Wing must meet SP-2 standards by July 1, 2019. Management currently estimates that remaining remediation costs required for meeting the standards is approximately $12,200 based on third-party estimates.

O'Connor Hospital 1953 Building must meet SPC-2 standards by July 1, 2019. O'Connor Hospital 1953 Boiler Plant/Laundry must meet SPC-2 standards by January 1, 2019. Management currently estimates that remaining remediation costs required for meeting the standards is approximately $13,200 based on third party estimates.

Seton Medical Center Main Tower and Seton Medical Center Front Wing must meet SP-2 standards by July 1, 2019. Management currently estimates that remaining remediation costs required for meeting the standards is approximately $40,300 based on third party estimates. Seton seismic work will be financed with the funds received from the C-PACE bonds (see Note 9) and grant funds received by the County of San Mateo.

13. Subsequent Events

VHS has evaluated subsequent events and disclosed all material events through November 8, 2017, which is the date these consolidated financial statements of VHS were issued.

In July 2017, NantWorks LLC (NantWorks), the parent organization for health technology and biotech companies founded by Dr. Patrick Soon-Shiong, acquired a majority stake in VHS's management company, Integrity Healthcare, LLC, from Blue Mountain. There were no significant changes to the terms of the Restructuring Agreement or the California Attorney General requirements as a result of this transaction.

In August 2017, St. Vincent Medical Center Foundation received an unrestricted contribution of $12,000 as part of a settlement.

In August 2017, VHS completed the sale of certain non-core land and real property located in Los Angeles, CA, for a total purchase price of $17,950. The net book value of the property was classified as assets held for sale (see Note 6) at June 30, 2017, and VHS expects to recognize a gain on the sale of approximately $15,500 in the fiscal year ending June 30, 2018.

In September 2017, the California Public Finance Authority issued $21,000 of tax-exempt notes (the "2017 Notes") for the benefit of VHS. All of the 2017 Notes were purchased by NantWorks. The 2017 Notes are secured pursuant to a certain master trust indenture among the Obligated Group Members and U.S. Bank, National Association. The 2017 Notes bear interest at 7.25% and the principal is due at the maturity date in December 2020.

In October 2017, VHS borrowed $46,220 (the "MOB Loan") from Verity MOB Financing, LLC. Verity MOB Financing, LLC, is wholly owned by NantWorks. The MOB Loan is secured by Deeds of Trust against four medical office buildings owned by Verity Holdings, LLC. The MOB Loan bears interest at a variable rate that adjusts monthly based on One Month Libor plus a spread and the MOB Loan is interest only for the initial term of 36 months. Principal and any unpaid interest is due at the end of the initial term unless extended. After the initial term, VHS has the option to extend the MOB Loan for two additional twelve month terms.

This summarized financial information includes the operations of all Obligated Group Members, as well as the results of operations of other entities that are not Members of the Obligated Group. For the twelve months ended June 30, 2018, the entities that are not Members of the Obligated Group had revenues and

investment income totaling $117.9 million (after the elimination of $59.1 million of inter-company revenues) representing 7.4% of Verity's consolidated revenues and investment income. Additional financial information pertaining to the entities that are not Members of the Obligated Group can be found in the accompanying unaudited financial statements.

The financial information for the twelve months ended June 30, 2018 is unaudited but includes adjustments which Verity management considers necessary to fairly present such information in conformity with United States generally accepted accounting principles. Operating results for the twelve months ended June 30, 2018 are not necessarily indicative of the results that may be expected in future periods.

CONSUMMATION OF THE RESTRUCTURING AGREEMENT

On July 17, 2015, Daughters of Charity Ministry Services Corporation, the Parent, certain funds managed by Blue Mountain Capital Management, LLC, and Integrity Healthcare, LLC entered into a System Restructuring and Support Agreement (the "Restructuring Agreement") to change the governance of and recapitalize the Parent and certain of its subsidiaries. The name of the Parent has been amended to be Verity Health System of California, Inc.

CALIFORNIA HOSPITAL FEE PROGRAM

California legislation established a program in 2009 that imposes a Quality Assurance Fee (the "QA Fee") on certain general acute-care hospitals to make supplemental, grant, and increased capitation payments (the "Supplemental Payments") to hospitals up to the aggregate upper payment limit for various periods. There have been five such programs (collectively, the "Programs") since inception.

The Programs are designed to make supplemental inpatient and outpatient Medi-Cal payments to private hospitals, including additional payments for certain facilities that provide high-acuity care and trauma services to the Medi-Cal population. This hospital QA Fee program provides a mechanism for increasing payments to hospitals that serve Medi-Cal patients, with no impact on the state's General Fund. Payments are made directly by the state or Medi-Cal managed care plans, which will receive increased capitation rates from the state in amounts equal to the Supplemental Payments. Outside of the legislation, the California Hospital Association has created a private program, operated by the California Health Foundation and Trust (CHFT), which was established to alleviate disparities potentially resulting from the implementation of the Programs.

The Programs require full federal approval (i.e., by the Centers for Medicare and Medicaid Services ("CMS")) in order for them to be fully enacted. If final federal approval is not ultimately obtained, provisions in the underlying legislation allowed for the QA Fee, previously assessed, and Supplemental Payments, previously received, to be returned and recouped, respectively.

In October 2013, the fourth program (the "36-Month Program") covering the period from January 2014 to December 2016 was signed into law by the Governor of California. The fee-for-service payments of the 36-Month Program were approved in December 2014 by CMS. The first six months of non-expansion managed care payments were approved by CMS in June 2015. The first six months of expansion managed care payments were approved by CMS in March 2016. On

December 30, 2016, CMS approved the managed care payments spanning July 1, 2014 to December 31, 2014 for the expansion population and July 1, 2014 to June 30, 2015 for the non-expansion population. During April and May 2017, the managed care payments were received covering the expansion population for the period of January 1, 2015 to June 30, 2015. During October 2017, the managed care payments were received covering the period of July 1, 2015 to June 30, 2016. The only remaining period of the 36-Month Program are the managed care payments covering the period of July 2016 to December 2016 which has not been approved by CMS at this time.

In December 2017, the fifth program (the "30-Month Program") covering the period of January 2017 to June 2019 was enacted after the voters approved Proposition 52 in the November 2016 election amending the California Constitution to make the QA Fee program permanent. CMS approved the fee for service ("FFS") portion of the program in December 2017. The managed care portion of the program has not been approved by CMS at this time.

For the twelve months ended June 30, 2017, Verity recognized payments to the California Department of Health Care Services (the "DHCS") for the QA Fee in the amount of $70.0 million and pledge payments to the CHFT of $2.4 million within purchased services, medical claims and other expenses. Verity recognized Supplemental Payment revenue for the twelve months ended June 30, 2017 in the amount of $169.7 million within net patient service revenues. During the twelve months ended June 30, 2017, Verity made fee payments to DHCS of $87.1 million and received cash receipts of $185.4 million.

For the twelve months ended June 30, 2018, Verity recognized payments to DHCS for the QA Fee in the amount of $127.1 million and pledge payments to CHFT of $3.5 million within purchased services, medical claims and other expenses. Verity recognized Supplemental Payment revenue for the twelve months ended June 30, 2018 in the amount of $298.9 million within net patient service revenues. During the twelve months ended June 30, 2018, Verity made fee payments to the DHCS of $88.9 million and received cash receipts of $272.2 million.

VOLUMES

Patient discharges for the twelve months ended June 30, 2018 increased by 2.9% as compared to the same period of the prior year. Adjusted discharges for the twelve months ended June 30, 2018 increased by 3.4% compared to the same period of the prior year.

Total deliveries decreased by 11.2% during the twelve months ended June 30, 2018 as compared to the same period of the prior year.

Inpatient surgeries for the twelve months ended June 30, 2018 increased 5.4% as compared to the same period of the prior year. Outpatient surgeries for the twelve months ended June 30, 2018 increased 0.2% as compared to the same period of the prior year.

Emergency department visits for the twelve months ended June 30, 2018 decreased 2.0% compared to the same period of the prior year.

REVENUES

Net Patient Service Revenue Less Provision for Bad Debts

Net patient service revenue of $1,373.3 million for the twelve months ended June 30, 2018 represents a net increase of $106.1 million or 8.4% as compared to the same period of the prior year. The net overall change in net patient service revenue was impacted by an increase of $129.2 million in Hospital Fee Program revenue. Net patient service revenue per adjusted discharge (excluding premium revenue, other revenue, contributions and investment earnings) of $18,121 for the twelve months ended June 30, 2018 increased 4.8% as compared to the same period of the prior year. This increase in net patient service revenue per adjusted discharge is primarily due to the increase in the amount of Hospital Fee Program revenue recognized into income during the twelve months ended June 30, 2018.

Premium Revenues, Other Revenues, and Contributions

Premium and other revenues of $197.9 million for the twelve months ended June 30, 2018 represents an increase of $51.3 million or 35.0% when compared to the same period of the prior year. This increase is mainly attributable to a gain on sale of an asset within the non-Obligated Group of $15.5 million, gains of $5.0 million associated with a settlement, and a $31.6 million increase in premium revenues associated with additional capitation arrangements. Contributions of $31.2 million during the twelve months ended June 30, 2018 decreased 52.5% as compared to the same period of the prior year. The decrease in contributions is related to the release of the restricted contribution as part of the consummation of the Restructuring Agreement which was recognized in the same period of the prior year.

Investment Earnings

For the twelve months ended June 30, 2018, investment losses totaled $7.5 million compared to losses of $2.6 million during the same period of the prior year. The investment losses in both the current year and the prior year primarily resulted from other-than-temporary impairments of certain surgery center equity-method investments and contingent losses associated with a guarantee within the Non-Obligated Group. Verity redeemed its investments in these surgery centers subsequent to June 30, 2018 (see "Other Events").

Verity recorded investment income of $2.4 million and $2.3 million for the twelve months ended June 30, 2018 and 2017, respectively, within the Obligated Group. Verity includes both realized and unrealized gains/losses as part of investment income. Verity invests in cash, equity securities, domestic and foreign, U.S. federal and corporate obligations.

EXPENSES

Total Operating Expenses

Total operating expenses of $1,713.8 million for the twelve months ended June 30, 2018 represents an increase of $199.0 million or 13.1% as compared to the same period of the prior year. The overall net change in operating expenses is due to an increase in salaries and benefits expense of $73.8 million, an increase in supplies expense of $26.1 million, an increase of $95.6 million in purchased services, medical claims and other expense and an increase of $8.8 million in interest expense, net, partially offset by a decrease in depreciation expense of $2.3 million and a decrease in goodwill and intangible asset impairment of $3.0 million. Total expense per adjusted discharge of $22,614 for the twelve months ended June 30, 2018 represents an increase of 9.4% compared to the same period of the prior year.

Salaries, Wages, and Benefits

Salaries, wages and benefits ("SWB") expense of $804.1 million for the twelve months ended June 30, 2018 increased $73.8 million or 10.1% as compared to the same period of the prior year. SWB as a percent of net patient revenue (excluding premium revenue) for the twelve months ended June 30, 2018 was 58.6%, represents an increase of 1.6% compared to the same period of the prior year. The overall increase was due to staffing for higher volumes, wage increases, and insourcing of multiple functions across the system.

Supplies

Supplies expense of $198.5 million for the twelve months ended June 30, 2018 increased $26.1 million or 15.2% as compared to the prior year due to the increase in overall volumes. Supplies expense as a percent of net patient revenue for the twelve months ended June 30, 2018 was 14.5% compared to 13.6% for the twelve months ended June 30, 2017.

Purchased Services, Medical Claims and Other

Purchased services, medical claims and other expense for the twelve months ended June 30, 2018 of $634.5 million increased by $95.6 million or 17.8% as compared to the same period of the prior year. The increase in purchased services, medical claims and other expense is primarily due to an increase of $34.5 million in medical claims corresponding with the increase in capitation arrangements, $57.1 million in the Hospital Fee Program expense, $17.6 million in medical fees corresponding to an increase in volumes and expansion at Verity Medical Foundation, partially offset by a decrease of $16.8 million in consulting and legal fees primarily resulting from insourcing efforts.

Goodwill and Intangible Asset Impairment

Goodwill and intangible asset impairment of $7.2 million and $10.2 million for the twelve months ended June 30, 2018 and 2017, respectively, is related to Verity's controlling ownership interests in its Northern California ambulatory surgery management company, Verity BASM Holdco, LLC, ("BASM"). Verity redeemed its investment in BASM subsequent to June 30, 2018 (see "Other Events").

Depreciation Expense

Depreciation expense of $32.6 million for the twelve months ended June 30, 2018 is a decrease of $2.3 million or 6.6% as compared to the same period of the prior year.

Interest Expense - Net

Interest expense of $36.9 million for the twelve months ended June 30, 2018 is an increase of $8.8 million as compared to the same period of the prior year as a result of the issuance of additional debt and tax assessment borrowing.

Management Agreement Fee Activity

The management agreement fee expense for the twelve months ended June 30, 2018 is $60.3 million of which $40.2 million was deferred and $20.1 million was payable in cash.

RESULTS FROM OPERATIONS

Operating Income / Loss

For the twelve months ended June 30, 2018, Verity recorded an operating loss of $111.4 million, equating to a negative operating margin of 7.0%. This compares to an operating loss of $35.3 million and a negative operating margin of 2.4% for the same period of the prior year. The operating performance for the twelve months ended June 30, 2018 included $171.8 million of net income related to the Hospital Fee Program excluding the CHFT pledge.

Excess of Revenues Over Expenses (Net Income)

For the twelve months ended June 30, 2018, Verity recorded a net loss of $118.9 million, equating to a negative net income margin of 7.5%. The net loss for the twelve months ended June 30, 2017 was $37.9 million, which equated to a negative net income margin of 2.6%.

Performance Relative to Budget

For the twelve months ended June 30, 2018, Verity's actual operating performance compared to budget was unfavorable by approximately $116.1 million. Total unrestricted revenues and other support was unfavorable to budget by $115.0 million. Expenses were unfavorable to budget by $1.1 million.

FINANCIAL POSITION

Liquidity

The following table summarizes Verity's cash position:

Days Cash on Hand (DCOH) ($'s in 000s)	**AS OF JUNE 30, 2018**
Operating Expenses [1]	$ 1,631,478
Cash & Equivalents, Balance Sheet [2]	68,534
DCOH	15.3

1) As calculated for the trailing twelve months per Amendment No. 2 to the System Restructuring and Support Agreement.
2) Per available month-end financial statements at the time of calculation, including any unrestricted capital contribution funds.

Patient Accounts Receivable

Net patient accounts receivable of $239.7 million as of June 30, 2018 is a decrease of $6.0 million or 2.5% when compared to March 31, 2018. Days in net patient accounts receivable decreased to 63.7 days as of June 30, 2018 versus 64.7 days as of March 31, 2018.

Capital Expenditures

Capital expenditures during the quarter ended June 30, 2018 for Members of the Obligated Group total $20.5 million. However, two single capital expenditures exceeded $1 million; the System Office expended approximately $6.8 million associated with the ongoing implementation of a new

electronic health record system and Seton Medical Center expended approximately $2.2 million for the Seismic Master Facility Plan.

Long-Term Debt

Series 2015 Notes. On December 14, 2015, the California Public Finance Authority issued an aggregate of $160 million of 2015 Revenue Notes (Verity Health System) Series 2015A, B, C, and D (collectively, the "2015 Notes") for the benefit of the Parent. A portion of the proceeds of the 2015 Notes was used, together with other funds, to pay the principal of and accrued and unpaid interest on prior bonds that matured on December 15, 2015. The 2015A, B, and D Notes are tax exempt, and the Series 2015C Notes are taxable.

The 2015 Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2015 Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St. Francis Medical Center and Saint Louise Regional Hospital.

In September 2017, the California Public Finance Authority issued $21 million of tax-exempt notes (the "2017A Notes") for the benefit of the Parent. All of the 2017A Notes were purchased by NantWorks, LLC ("Nant"), the owner of a majority stake in VHS's management company, Integrity Healthcare LLC. The 2017A Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2017A Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St Francis Medical Center and Saint Louise Regional Hospital, all on parity with the 2015 Notes. Further, the 2017A Notes have a lien on property owned by a non-Obligated Group Member. The 2017A Notes bear interest at 7.25% and the principal is due at the maturity date in December 2020.

In October 2017, Verity MOB Financing, LLC, an affiliate of Nant, made a loan in the amount of $46.2 million to Verity Holdings, LLC ("Holdings"), which is an affiliated entity of VHS; however, it is not a Member of the Obligated Group. The loan is secured by four medical office buildings and matures in October 2020 subject to two successive twelve month extensions. The loan bears interest at a variable rate tied to One Month Libor.

In December 2017, the California Public Finance Authority issued $21 million of tax-exempt notes (the "2017B Notes" together with the 2017A Notes; collectively the "2017 Notes") for the benefit of the Parent. All of the 2017B Notes were purchased by Nant. The 2017B Notes are secured by an Obligation (as defined in the Master Indenture) on parity with other Obligations issued pursuant to the Master Indenture. In addition to their parity lien under the Master Indenture, the 2017B Notes have additional lien rights on the Obligated Group's accounts receivable and in certain properties owned by St Francis Medical Center and Saint Louise Regional Hospital, all on parity with the 2015 Notes. Further, the 2017B Notes have a lien on property owned by a non-Obligated Group Member. The 2017B Notes bear interest at 7.25% and the principal is due at the maturity date in December 2020.

In March 2018, Nant Capital, LLC an affiliate of Nant, made two loans in the aggregate amount of $40 million to Holdings. The loans are unsecured, mature in March 2020, and bear a fixed interest rate of 7.25%.

In June 2018, Verity MOB Financing II, LLC, an affiliate of Nant, made a loan in the amount of $20 million to Holdings, which was drawn down in two tranches. The initial loan disbursement of $15 million was drawn in June 2018 and the second loan disbursement of $5 million was drawn in July 2018. The loan is secured by nine parcels including two medical office buildings, a storage facility and various other parcels. The loan matures in June 2021 and bears interest at a variable rate tied to One Month Libor.

Total long-term debt, including the current portion as of June 30, 2018 was $500.6 million for the Obligated Group. Total long-term debt, including the current portion as of March 31, 2018 was $502.0 million for the Obligated Group.

OTHER EVENTS

In July 2018, Verity announced it is exploring strategic options to alleviate financial and operational pressures on its five acute care hospitals and other facilities. At this time, a range of options is being considered, including the potential sale of some or all of its hospitals and medical buildings, among other possible transactions.

Also, in a series of transactions completed in August 2018, Verity Holdings, LLC, which is not a Member of the Obligated Group, redeemed its controlling interest in its Northern California ambulatory surgery management company, BASM, and its non-controlling ownership interest in five surgery centers managed by BASM.
