(Bidding Procedures)

BIDDING PROCEDURES

Set forth below are the bidding procedures (the "Bidding Procedures")[1] to be employed in connection with the sale of (i) the assets (the "Purchased Assets") enumerated in the Stalking Horse APA (as defined below), including, but not limited to, St Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center (including Seton Coastside) (collectively, the "APA Facilities"); and (ii) assets not otherwise enumerated in the APA, but associated with the ownership or operation of the APA Facilities and available for purchase (the "Other Assets"), in connection with the chapter 11 cases pending in the United States Bankruptcy Court for the Central District of California (the "Bankruptcy Court"), jointly administered as case number 2:18-bk-20151-ER, in the form to be approved by the Bankruptcy Court, by Order dated February 19, 2019 (the "Bidding Procedures Order") [Docket No. 1572].

The Debtors entered into that certain Asset Purchase Agreement, dated January 8, 2019 between the Debtors, on the one hand, and Strategic Global Management, Inc., a California corporation (the "Stalking Horse Purchaser") on the other hand, pursuant to which the Stalking Horse Purchaser shall acquire the Purchased Assets on the terms and conditions specified therein (together with the schedules and related documents thereto, the "Stalking Horse APA"). The sale transaction pursuant to the Stalking Horse APA is subject to competitive bidding as set forth herein. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the *Debtors' Notice of Motion and Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Hearing to Consider Approval of the Sale to the Highest Bidder, (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* (the "Sale Motion") or the Bidding Procedures Order.

I. ASSETS TO BE SOLD

The Debtors seek to complete a sale of substantially all assets of APA Facilities, including both the Purchased Assets and the Other Assets (the "Sale"). The Stalking Horse APA will serve as the "stalking-horse" bid for the Purchased Assets.

II. THE BIDDING PROCEDURES

In order to ensure that the Debtors receive the maximum value for the Purchased Assets and/or the Other Assets, they intend to hold a sale process for the Purchased Assets and/or the Other Assets pursuant to the procedures and on the timeline proposed herein.

[1] Unless otherwise defined, all capitalized terms shall have the meanings ascribed to them in the Stalking Horse APA.

A. Provisions Governing Qualifications of Bidders

Unless otherwise ordered by the Court or as set forth in these procedures, in order to participate in the bidding process, each person, other than the Stalking Horse Purchaser, who wishes to participate in the bidding process must deliver, prior to the Bid Deadline (defined herein), the following to the Debtors:

a) a written disclosure of the identity of each entity that will be bidding for the Purchased Assets or and/or the Other Assets or otherwise participating in connection with such bid; and

b) an executed confidentiality agreement (to be delivered prior to the distribution of any confidential information by the Debtors) in form and substance satisfactory to the Debtors and which shall inure to the benefit of any purchaser of the Purchased Assets and/or the Other Assets; without limiting the foregoing, each such confidentiality agreement shall contain standard non-solicitation provisions.

A bidder that delivers the documents and information described above and that the Debtors determine, after consultation with the Official Committee of Unsecured Creditors, the Prepetition Secured Creditors, and any other party deemed appropriate within the business judgment of the Debtors (collectively, the "Consultation Parties") in their reasonable business judgment, is likely (based on availability of financing, experience, and other considerations) to be able to consummate the sale, will be deemed a potential bidder ("Potential Bidder").

B. Due Diligence

The Debtors will afford any Potential Bidder such due diligence access or additional information as the Debtors, in consultation with their advisors, deem appropriate, in their reasonable discretion. The due diligence period shall extend through and including the relevant Bid Deadline; provided, however, that any bid submitted under these procedures shall be irrevocable until at least the selection of the Successful Bidder(s) (defined herein) and any Back-Up Bidder(s) (defined herein).

C. Provisions Governing Qualified Bids

A bid submitted by a Potential Bidder will be considered a Qualified Bid (each, a "Qualified Bid," and each such Potential Bidder thereafter a "Qualified Bidder") only if the bid complies with the following requirements:

a) it states that the applicable Qualified Bidder offers to purchase, in cash, some or all of the Purchased Assets and/or the Other Assets;

b) it identifies with particularity the portion of the Purchased Assets and/or the Other Assets the Qualified Bidder is offering to purchase;

c) it allocates with specificity the portion of the purchase price offered that the Qualified Bidder attributes to St. Francis Medical Center, St. Vincent Medical

Center, and Seton Medical Center, and Seton Coastside, and each of the Other Assets, respectively;[2]

d) it includes a signed writing that the Qualified Bidder's offer is irrevocable until the selection of the Successful Bidder and the Back-Up Bidder, provided that if such bidder is selected as the Successful Bidder or the Back-Up Bidder then the offer shall remain irrevocable until the earliest of (i) the closing of the transaction with the Successful Bidder, (ii) in the case of the Successful Bidder, a termination of the Qualified Bid pursuant to the terms of the Successful Bidder Purchase Agreement and (iii) with respect to the Back-Up Bidder, the time specified in Section II (K) below;

e) it includes confirmation that there are no conditions precedent to the Qualified Bidder's ability to enter into a definitive agreement and that all necessary internal governance and shareholder approvals have been obtained prior to the bid;

f) it sets forth each third-party, regulatory and governmental approval required for the Qualified Bidder to consummate the transaction and the time period within which the Qualified Bidder expects to receive such approvals and establishes a substantial likelihood that the Qualified Bidder will obtain such approvals by the stated time period;

g) it includes a duly authorized and executed copy of a purchase or acquisition agreement in the form of the Stalking Horse APA (a "Purchase Agreement"), including the purchase price for some or all of the Purchased Assets and/or the Other Assets, or both, expressed in U.S. Dollars, together with all exhibits and schedules thereto, together with copies marked to show any amendments and modifications to the Stalking Horse APA ("Marked Agreement");

h) it is not subject to any financing contingency and includes written evidence of a firm ability to have the funding necessary to consummate the proposed transaction, that will allow the Debtors to make a reasonable determination, in consultation with the Consultation Parties, as to the Qualified Bidder's financial and other capabilities to consummate the transaction contemplated by the Purchase Agreement;

i) if the bid is for all of the Purchased Assets, it must have a value to the Debtors, in the Debtors' exercise of its reasonable business judgment, after consultation with its advisors and the Consultation Parties, that is greater than or equal to the sum of the value offered under the Stalking Horse APA, plus (i) the amount of the Break-Up Fee ($21,350,000.00); (ii) the amount of the Expense Reimbursement ($2,000,000.00); and (iii) $7,000,000.00 (the "Initial Bidding Increment," and, together with the Break-Up Fee and the Expense Reimbursement, the "Minimum Qualified Bid");

[2] For the avoidance of doubt, such allocation shall not be binding on the Debtors, their estates or any Consultation Party.

j) if the bid is a partial bid (the "Partial Bid"),[3] the terms of paragraph (i) immediately above shall not apply but the terms of paragraph (o) below concerning the Good Faith Deposit shall expressly apply in order to be a bid qualified to participate in the Partial Bid Auction (as defined below) (each, a "Partial Bid Auction Qualified Bid"). In the event that the Debtors aggregate Partial Bids, the Partial Bid purchasers' responsibility for the Break-Up Fee, the Expense Reimbursement, and the Initial Bidding Increment shall be reasonably allocated to each Partial Bid purchaser, and in no event shall the Stalking Horse Purchaser be entitled to more than one Break-Up Fee and/or Expense Reimbursement;

k) it identifies with particularity which (i) executory contracts and unexpired leases the Qualified Bidder wishes the Debtors to assume and assign to it, and (ii) Purchased Assets and/or Other Assets, subject to purchase money liens or the like, the Qualified Bidder wishes to acquire and therefore pay the associated purchase money financing;

l) it contains sufficient information concerning the Qualified Bidder's ability to provide adequate assurance of future performance with respect to executory contracts and unexpired leases the Qualified Bidder wishes the Debtors to assume and assign to it;

m) it includes an acknowledgement and representation that the Qualified Bidder: (A) has had an opportunity to conduct any and all required due diligence regarding the Purchased Assets and/or Other Assets prior to making its offer and that the offer is not subject to any further due diligence or the need to raise capital/financing to consummate the proposed transaction; (B) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Purchased Assets and/or Other Assets in making its bid; (C) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express or implied (by operation of law or otherwise), regarding the Purchased Assets and/or Other Assets or the completeness of any information provided in connection therewith or with the relevant Auction (defined below), except as expressly stated in the Purchase Agreement; and (D) is not entitled to any expense reimbursement, break-up fee, or similar type of payment in connection with its bid;

o) unless it is a Credit Bid (as defined below), it is accompanied by a (i) good faith deposit in the form of a wire transfer (to a bank account specified by the Debtors), certified check or such other form of cash or cash equivalent acceptable to the Debtors, payable to the order of the Debtors (or such other party as the Debtors may determine) in an amount equal to: (a) 20% of purchase price for bids under $5 million; (b) for bids greater than $5 million and less than $100 million, the greater of: (i) $1 million or (ii) 10% of purchase price; (c) for bids greater than $100 million, the greater of (i) $10 million or (ii) 5% of purchase price (collectively, the "Good Faith Deposit"), which Good Faith Deposit shall, be forfeited if such bidder

[3] A Partial Bid shall mean a bid for less than all of the Purchased Assets.

The Debtors, in consultation with the Consultation Parties (who shall receive copies of the Purchase Agreements relating to any bids cast pursuant to these Bidding Procedures as soon as reasonably practicable), may qualify any bid that meets the foregoing requirements as a Qualified Bid. Notwithstanding the foregoing, the Stalking Horse Purchaser is deemed a Qualified Bidder and the Stalking Horse APA is deemed a Qualified Bid, for all purposes in connection with the Bidding Process, the Auctions, and the Sale.

The Debtors shall notify the Consultation Parties, the Stalking Horse Purchaser, all Qualified Bidders and the Notice Parties in writing as to whether or not any bids constitute Qualified Bids (and with respect to each Qualified Bidder that submitted a bid as to whether such Qualified Bidder's bid constitutes a Qualified Bid) and provide copies of the Purchase Agreements relating any such Qualified Bid to the Consultation Parties, the Stalking Horse Purchaser and such Qualified Bidders, and the Notice Parties on the earlier of: (1) the date that any bid other than the Stalking Horse Bid has been deemed a Qualified Bid, or (2) two business days prior to the Partial Bid Auction.

D. Bid Deadline

In order to be eligible to participate in the Auction, a Qualified Bidder that desires to make a bid will deliver written copies of its bid to the following parties (collectively, the "Notice Parties"): (i) counsel to the Debtors: Dentons US LLP, 601 S. Figueroa Street, Suite 2500, Los Angeles, CA 90017 (Attn: Tania M. E. Credit Bidding

Any party with a valid, properly perfected security interest in any of the Purchased Assets and/or Other Assets (which is not subject to a pending Challenge within the meaning of the Final DIP Order) may credit bid for such Purchased Assets and/or Other Assets in connection with the Sale in accordance with and pursuant to § 363(k), except as otherwise limited by the Debtors for cause; provided, however, that any party seeking to credit bid may not credit bid unless such bid provides that all secured creditors with security interests on such Purchased Assets and/or Other Assets that are senior to such junior security interest are to be paid in cash in connection with such junior creditor's bid. Any credit bids made by secured creditors shall not impair or otherwise affect the Stalking Horse Purchaser's entitlement to the benefits of the Bidding Procedures and related protections granted under the Bidding Procedures Order.

F. Evaluation of Competing Bids

A Qualified Bid will be valued based upon several factors including, without limitation: (i) the amount of such bid; (ii) the risks and timing associated with consummating such bid; (iii) any proposed revisions to the form of Stalking Horse APA; and (iv) any other factors deemed relevant by the Debtors in their reasonable discretion, in consultation with the Consultation Parties, including the amount of cash included in the bid.

G. No Qualified Bids

If the Debtors do not receive any Qualified Bids other than the Stalking Horse APA, the Debtors will not hold an auction and the Stalking Horse Purchaser will be named the Successful Bidder for the Purchased Assets. If the Debtors receive one or more qualified Partial Bid Auction Qualified Bids and, after the Partial Bid Auction contemplated by Section (H) of these Bidding Procedures, the Debtors will determine, in consultation with the Consultation Parties, if there are any Partial Bidders that will not be qualified to participate at the Full Bid Auction

H. Auction Process

If the Debtors receive one or more Partial Bid Auction Qualified Bids as set forth above, the Debtors will conduct separate auctions of each asset or combinations thereof (each, a "Partial Bid Auction"). Any Partial Bidder holding a Partial Bid Auction Qualified Bid shall be entitled to bid on any assets in any Partial Bid Auction(s). The procedures below for the Full Bid Auction shall apply to the Partial Bid Auction, except as where otherwise indicated. The Debtors will conduct the Partial Bid Auction(s), which shall be transcribed, on April 8, 2019 at 10:00 a.m. (prevailing Pacific Time) at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los

Angeles, CA 90017, or such other location as shall be timely communicated to all entities entitled to attend the Auction.

The Partial Bid Auction Qualified Bids determined by the Debtors, in consultation with the Consultation Parties, at the Partial Bid Auction(s) (as set forth above) to be eligible to participate at the Full Bid Auction, including (without limitation) the highest and best bids for each asset (the "Winning Partial Bids"), shall be permitted to participate in the Full Bid Auction (as defined below) of the Purchased Assets and/or the Other Assets; except that:

(a) If the Partial Bids, at the conclusion of the Partial Bid Auction, include all four APA Facilities and exceed, in the aggregate, the Purchase Price in the Stalking Horse APA, there will be a Full Bid Auction (as defined below) and (1) the Stalking Horse Purchaser may overbid in the aggregate for all four APA Facilities, or (2) the Stalking Horse Purchaser may bid for less than the four APA Facilities and be entitled to a pro-rata Break-Up Fee for the APA Facilities which the Stalking Horse Purchaser does not acquire, as specified in the Stalking Horse APA at Section 6.1 (b)(2);

(b) If the Partial Bids do not include all four APA Facilities, and if there are no other Qualified Full Bids, then Seller, in its discretion, after consultation with the Consultation Parties, may choose, at the conclusion of the Partial Bid Auction, (1) to have no Full Bid Auction, and the Stalking Horse Purchaser will purchase the four APA Facilities pursuant to the Stalking Horse APA, or (2) if the Debtor and Consultation Parties deem the aggregate designated Winning Partial Bid(s) to be sufficient to warrant leaving one or more APA Facilities behind (the "Remaining Facility"), the Stalking Horse Purchaser shall have the option of (i) acquiring the Remaining Facility at the allocated price in the Stalking Horse APA, (ii) overbidding one or more of the Partial Bids, or (iii) terminating the Stalking Horse APA. In either event, the Stalking Horse Purchaser shall be entitled to the Break-Up Fee for all of the APA Facilities not acquired by the Stalking Horse Purchaser.

If the Debtors receive, in addition to the Stalking Horse APA, one or more Qualified Full Bids (and/or a combination of Winning Partial Bids from the Partial Bid Auction(s) seeking, on aggregate basis, to purchase all or substantially all of the Purchased Assets and/or the Other Assets), the Debtors will conduct a full bid auction of the Purchased Assets and/or the Other Assets (the "Full Bid Auction"), which shall be transcribed, on April 9, 2019 (the "Full Bid Auction Date"), at 10:00 a.m. (prevailing Pacific Time), at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los Angeles, CA 90017, or such other location as shall be timely communicated to all entities entitled to attend the Auction.

The Full Bid Auction shall be conducted in accordance with the following procedures:

a) only the Debtors, the Stalking Horse Purchaser, Qualified Bidders who have timely submitted a Qualified Bid, the U.S. Trustee, and the Consultation Parties, and their

respective advisors, and other parties who request and receive authority to attend the auction in advance from the Debtors may attend the Auction;

b) only the Stalking Horse Purchaser and the Qualified Bidders who have timely submitted Qualified Bids will be entitled to make any subsequent bids at the Auction;

c) each Qualified Bidder shall be required to confirm that it has not engaged in any collusion with respect to the bidding or the sale;

d) all Qualified Bidders who have timely submitted Qualified Bids will be entitled to be present for all Subsequent Bids (defined herein) at the relevant Auction and the actual identity of each Qualified Bidder will be disclosed on the record at the relevant Auction; provided that all Qualified Bidders wishing to attend the relevant Auction must have at least one individual representative with authority to bind such Qualified Bidder attending the relevant Auction in person;

e) the Debtors, after consultation with the Consultation Parties and the Stalking Horse Purchaser, may employ and announce at the relevant Auction additional procedural rules that are (i) reasonable under the circumstances for conducting the relevant Auction, (ii) in the best interest of the Debtors' estates; provided, however, that rules (i) are disclosed to the Stalking Horse Purchaser and each Qualified Bidder participating in the Auction, and (ii) are not inconsistent with the Bid Protections, the Stalking Horse APA, the Bankruptcy Code, or any order of the Court entered in connection herewith;

f) bidding at the relevant Auction will begin with a bid determined by the Debtors after consulting with the Consultation Parties as being the then highest and best bid which will be announced by the Debtors prior to the commencement of the Auction (the "Baseline Bid"). The Auction will continue in bidding increments to be determined in the discretion of the Debtors, in consultation with the Consultation Parties (each a "Overbid"), and all material terms of each Overbid shall be fully disclosed to all other Qualified Bidders who submitted Qualified Bids and are in attendance at the Auction (including, without limitation, Winning Partial Bids), as well as to the Notice Parties;

g) the initial Overbid, if any, shall provide for total consideration to Debtors with a value that exceeds the value of the consideration under the Baseline Bid by an incremental amount. Additional consideration in excess of the amount set forth in the respective Baseline Bid must include: (i) cash and/or (ii) in the case of a Qualified Bidder (including, without limitation, with respect to any Winning Partial Bids) that is a Credit Bid Bidder that has a valid and perfected lien (not subject to a Challenge within the meaning the Final DIP Order) on any of the Purchased Assets and/or the Other Assets, a Credit Bid of up to the full amount of such Credit Bidder's allowed perfected lien, subject to § 363(k) and any other restrictions set forth herein; and

i) at the Full Bid Auction, the Stalking Horse Purchaser may, subject to the terms and conditions set forth herein, elect to bid for the Purchased Assets as described in the Bid Procedures Order. In the alternative, the Stalking Horse Purchaser, and any bidder with a Qualified Full Bid, (a) may elect to bid against any one or more of the Winning Partial Bidders for the assets subject to the relevant Partial Bid(s), in lieu of seeking to acquire such Purchased Assets and/or Other Assets by means of the Stalking Horse Bid or another Qualified Full Bid; and (b) if successful with its Overbids for such assets, replace the Winning Partial Bidder(s) as the proponent of the relevant Winning Partial Bids or Aggregate Winning Partial Bid as to such assets. In the event that the Stalking Horse Purchaser or another bidder so elects, and as long as the Stalking Horse Purchaser or another bidder so bids, the Winning Partial Bidders must continue to present qualified Winning Partial Bids (i.e., bids as to which the aggregate of all still pending Winning Partial Bids is greater than or equal to the then Prevailing Highest Bid) for the Purchased Assets and/or the Other Assets in each round to continue to bid as Winning Partial Bidders in the Full Bid Auction. In addition, the Debtors may elect, in their discretion, after consultation with the Consultation Parties, to allow Partial Bidders to bid for all or substantially all the Purchased Assets and/or the Other Assets subject to augmenting its Good Faith Deposit, as necessary, or to allow proponents of Full Bids to bid for less than all or substantially all of the Purchased Assets and/or the Other Assets in any given round of the Auction, provided that in any given round there is a Full Bid or an Aggregate Partial Bid that is superior to Prevailing Highest Bid that is then subject to acceptance by the Debtors and binding on the Stalking Horse Purchaser or another Qualified Bidder. In all events, (i) any such Overbid shall continue to comply with all of the requirements for Qualified Bids set forth in Section C of these Bidding Procedures; and (ii) the bidder submitting such a modified Qualified Bid or Qualified Partial Bid shall furnish to the Debtors and the Consultation Parties, within twenty-four (24) hours of the conclusion of the Auction, a revised Purchase Agreement and Marked Agreement showing all amendments and modifications to the Stalking Horse APA and the Sale Order.

I. Selection of Successful Bid

Prior to the conclusion of the relevant Auction, the Debtors, in consultation with the Consultation Parties, will review and evaluate each Qualified Bid in accordance with the procedures set forth herein and determine which offer or offers are the highest or otherwise best from among the Qualified Bids submitted at the relevant Auction (one or more such bids, collectively the "Successful Bid" and the bidder(s) making such bid, collectively, the "Successful Bidder"), and communicate to the Qualified Bidders the identity of the Successful Bidder and the details of the Successful Bid. The determination of the Successful Bid by the Debtors at the conclusion of the relevant Auction shall be subject to approval by the Court.

If selected, at the conclusion of the Partial Bid Auction, as the Winning Partial Bidder or the Back-Up Bidder in accordance with Section H above, then such party or parties, prior to the Full Bid Auction, shall increase its Good Faith Deposit in the amount set forth in Section II(C)(o), or as determined by the Seller in consultation with the Consultation Parties; provided, however, if a party or parties are bidding on all four APA Facilities, the deposit will be no less than $30,000,000.

If selected as the Successful Bidder or the Back-Up Bidder at the conclusion of the Full Bid Auction, each of the Successful Bidder and the Back-Up Bidder shall, within forty-eight (48) hours, increase its Good Faith Deposit to the sum of five percent (5%) of the Successful Bid or Back-Up Bid, as applicable. If the Successful Bidder fails to increase the Good Faith Deposit within forty-eight (48) hours of the Auction conclusion date (the "Final Deposit"), then (1) the Successful Bidder forfeits its Good Faith Deposit, and (2) the Successful Bid is nullified (i.e., the Back-Up Bidder becomes the Successful Bidder in the amount of its last bid).

Unless otherwise agreed to by the Debtors and the Successful Bidder, within two (2) business days after the conclusion of the relevant Auction, the Successful Bidder shall complete and execute all agreements, contracts, instruments, and other documents evidencing and containing the terms and conditions upon which the Successful Bid was made. Within forty-eight (48) hours following the conclusion of the relevant Auction, the Debtors shall file a notice identifying the Successful Bidder(s) and Back-Up Bidders with the Court and shall serve such notice by fax, email, or if neither is available, by overnight mail to all counterparties whose contracts are to be assumed and assigned.

The Debtors will sell the Purchased Assets and (to extent included in an Overbid) the Other Assets to the Successful Bidder pursuant to the terms of the Successful Bid upon the approval of such Successful Bid by the Court at the Sale Hearing and satisfaction of any other closing conditions set forth in the Successful Bidder's Purchase Agreement.

J. Return of Deposits

All deposits shall be returned to each bidder not selected by the Debtors as the Successful Bidder or the Back-Up Bidder (defined herein) no later than five (5) business days following the conclusion of the Auction.

K. Back-Up Bidder

If an Auction is conducted, the Qualified Bidder or Qualified Bidders with the next highest or otherwise best Qualified Bid, as determined by the Debtors in the exercise of their business judgment, in consultation with the Consultation Parties, at the relevant Auction shall be required to serve as a back-up bidder (the "Back-Up Bidder") and keep such bid open and irrevocable for thirty (30) business days after the entry of the Sale Order (the "Thirty-Day Period"). If during the Thirty-Day Period, the Successful Bidder fails to consummate the approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Back-Up Bidder will be deemed to be the new Successful Bidder, and the Debtors will be authorized, but not required, to consummate the sale with the Back-Up Bidder without further order of the Court provided that the Back-Up Bidder shall thereafter keep such bid open and irrevocable in accordance with the terms of the Back-Up Bidder APA; provided further, however, that if the Back-Up Bidder is the Stalking Horse Purchaser, the Debtors will be authorized and required to consummate the sale to the Stalking Horse Purchaser.

If, after the Thirty-Day Period, the Successful Bidder has failed to consummate the approved sale, the Back-Up Bidder may elect, at its discretion, to remain as the Back-Up Bidder until (a) the sale closes, (b) the Successful Bidder defaults, or (c) the Back-Up Bidder elects to terminate its

participation as Back-Up Bidder. For the avoidance of doubt, after the Thirty-Day Period, if the Successful Bidder fails to consummate the approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Back-Up Bidder will not be contractually obligated to be the Back-Up Bidder, and will have the option to either (i) be entitled to terminate its Back-Up Bidder APA and the return of its deposit, or (ii) remain as the Back-up Bidder, in which event, there will be no re-opening of the auction.

L. Break-Up Fee

In recognition of this expenditure of time, energy, and resources, the Debtors have agreed that if the Stalking Horse Purchaser is not the Successful Bidder as to the Purchased Assets, the Debtors will pay the Stalking Horse Purchaser at closing of the sale of the Purchased Assets the Break-Up Fee and the Expense Reimbursement as set forth in the Stalking Horse APA.

III. Sale Hearing

The Debtors will seek entry of the Sale Order, at the Sale Hearing on April 17, 2019, at 10:00 a.m. (or at another date and time convenient to the Court), to approve and authorize the sale transaction to the Successful Bidder(s) on terms and conditions determined in accordance with the Bidding Procedures. The Debtors may submit and present such additional evidence, as they may deem necessary, at the Sale Hearing demonstrating that the Sale is fair, reasonable, and in the best interest of the Debtors' estates and all interested parties, and satisfies the standards necessary to approve a sale of the Purchased Assets."

IV. Sale Order

The Sale Order will provide Court approval of (i) the Sale to the Successful Bidder, free and clear of all liens, claims, interests, and encumbrances, pursuant to 11 U.S.C. § 363, with the proceeds of the Sale deposited in accordance with Paragraph 4 of the Final DIP Order, with all liens, claims, interests, and encumbrances to attach to the sale proceeds with the same validity and in the same order of priority as they attached to the Purchased Assets prior to the Sale, including, without limitation, the liens and security interests of the DIP Lender and each of the Prepetition Secured Creditors under the relevant agreements, applicable law and the Final DIP Order, and (ii) the assumption by the Debtors and assignment to the Successful Bidder of the Assumed Executory Contracts and Leases pursuant to 11 U.S.C. § 365.

VII. Reservation

The Debtors reserve the right, as they may determine in their discretion and in accordance with their business judgment to be in the best interest of their estates, in consultation with their professionals and the Consultation Parties to: (i) modify the Bidding Procedures to discontinue incremental bidding and then require that any and all bidders or potential purchasers submit their sealed, highest and best offer for the Purchased Assets and/or the Other Assets; (ii) determine which Qualified Bid is the highest or otherwise best bid and which is the next highest or otherwise best bid; (iii) waive terms and conditions set forth herein with respect to all Potential Bidders; (iv)

impose additional terms and conditions with respect to all Potential Bidders; (v) extend the deadlines set forth herein; (vi) continue or cancel an Auction and/or Sale Hearing in open court without further notice; and (vii) implement additional procedural rules that the Debtors determine, in their reasonable business judgment and in consultation with the Consultation Parties will better promote the goals of the bidding process; provided that such modifications are disclosed to each Qualified Bidder participating in the Auction; provided, however, and notwithstanding the foregoing, these Bid Procedures shall not be modified so as to alter, extinguish or modify any rights or interests of the Stalking Horse Purchaser expressly set forth herein or in the Stalking Horse APA.

This matter came before the Court on the *Motion For The Entry Of (I) An Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders To Use, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections, (3) Approving Form Of Notice To Be Provided To Interested Parties, (4) Scheduling A Court Hearing To Consider Approval Of The Sale To The Highest Bidder And (5) Approving Procedures Related To The Assumption Of Certain Executory Contracts And Unexpired Leases; And (II) An Order (A) Authorizing The Sale Of Property Free And Clear Of All Claims, Liens And Encumbrances* (the "Motion") [Docket No. 1279], filed by Verity Health System of California, Inc. ("VHS"), and the above-referenced affiliated debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (the "Debtors"), for the entry of an order, pursuant to §§ 105(a), 363, and 365 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 2002, 6004, 6006, 9007, and 9014, and LBR 6004-1.[1]

At the previous hearing on the Motion on February 19, 2019 (the "Bidding Procedures Hearing"), the Court considered various objections (the "Premature Objections") filed by: (i) St Vincent IPA Medical Corporation and Angeles IPA [Docket No. 1397]; (ii) the California Attorney General [Docket No. 1352]; (iii) MGH Painting Inc. [Docket No. 1358]; and (iv) Belfor USA Group, Inc. [Docket No. 1364]. The Court ruled that the Premature Objections were premature and preserved for the Sale Hearing, as set forth in order granting the Motion (the "Bidding Procedures Order") [Docket No. 1572]. The Bidding Procedures Order also stated that objections filed by the U.S. Department of Health and Human Services and Centers for Medicare and Medicaid Services [Doc. No. 1346] and the California Department of Health Care Services [Doc. No. 1353] (the "Continued Objections") were continued, as resolved by stipulations [Docket Nos. 1458 and 1473, respectively], approved by this Court's orders [Docket Nos. 1465 and 1483, respectively].

[1] Unless specified otherwise, all chapter and section references are to the Bankruptcy Code, 11 U.S.C. §§ 101-1532, all "Rule" references are to the Federal Rules of Bankruptcy Procedure, and all "LBR" references are to the Local Bankruptcy Rules for the United States Bankruptcy Court for the Central District of California.

the legal and factual bases set forth in the Motion and presented at the Sale Hearing establish just cause for the relief granted herein and for the reasons set forth in the Court's tentative ruling [Docket No. 2221]; and all objections to the Motion, if any, having been withdrawn, continued or overruled; and for the reasons set forth in the Court's tentative ruling [Docket No. 2221], which the Court adopts as its final ruling and which is incorporated herein by reference; and after due deliberation and sufficient good cause appearing therefor:

THE COURT HEREBY FINDS AND CONCLUDES THAT:[2]

A. Jurisdiction and Venue. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter relates to the administration of the Debtors' bankruptcy estates and is accordingly a core proceeding pursuant to 28 U.S.C. § 157(b)(2) (A), (M), (N) and (O). Venue of these cases is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief requested in the Motion are (i) §§ 105(a), 363(b), (f), (k), (l) and (m), and 365, (ii) Rules 2002(a)(2), 2002(c)(1) and (d), 6004 (a), (b), (c), (e), (f) and (h), 6006(a), (c) and (d), 9006, 9007, 9013 and 9014, and (iii) LBR 6004-1 and 9013-1.

C. Notice. As evidenced by the affidavits of service previously filed with the Court, the Debtors have provided proper, timely, adequate and sufficient notice with respect to the following: (i) the Motion and the relief sought therein, including the entry of this Sale Order and the transfer and sale of the assets (the "Purchased Assets"), as set forth in the Asset Purchase Agreement, dated January 8, 2019, a copy of which is attached as Exhibit "A" to Docket No. 1279 (the "APA"); (ii) the Sale Hearing; (iii) the No-Auction Notice; and (iv) the assumption and assignment of the executory contracts and unexpired leases and proposed cure amounts owing under such executory contracts and unexpired leases (the "Cure Amounts"); and no further notice

[2] The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 7052, made applicable to this proceeding pursuant to Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the following conclusions of law constitute findings of fact, they are adopted as such.

of the Motion, the relief requested therein or the Sale Hearing is required. The Debtors have also complied with all obligations to provide notice of the Auction, the Sale Hearing, the proposed sale and otherwise, as required by the Bidding Procedures Order. A reasonable opportunity to object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

D. Arm's Length Transaction. The APA and other documents and instruments (the "Transaction Documents") related to and connected with this transaction (the "Transaction") and the consummation thereof were negotiated and entered into by the Debtors and Strategic Global Management, Inc. ("SGM"), as Purchaser under the APA without collusion, in good faith and through an arm's length bargaining process. Neither SGM nor any of its affiliates or representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the Debtors, SGM, or their respective representatives engaged in any conduct that would cause or permit the APA, any of the other Transaction Documents or the Transaction to be avoided under § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the APA and the other Transaction Documents, including, without limitation, the consideration provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be avoided, and no damages may be assessed against SGM or any other party, as set forth in § 363(n). The consideration provided by SGM is fair, adequate and constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws of the United States or any of its jurisdictions or subdivisions, including the State of California.

E. Good Faith Purchaser. SGM has proceeded in good faith and without collusion in all respects in connection with the sale process, in that: (i) SGM, in proposing and proceeding with the Transaction in accordance with the APA, recognized that the Debtors were free to deal with other interested parties; (ii) SGM agreed to provisions in the APA that would enable the Debtors to accept a higher and better offer; (iii) SGM complied with all of the provisions in the Bidding Procedures Order applicable to SGM; (iv) all payments to be made by SGM and other agreements entered into or to be entered into between SGM and the Debtors in connection with the Transaction have been disclosed; (v) the negotiation and execution of the APA and related

DENTONS US LLP

Los Angeles, California 90017-5704
(213) 623-9300

Transaction Documents were conducted in good faith and constituted an arm's length transaction; (vi) SGM did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. SGM is therefore entitled to all of the benefits and protections provided to a good-faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transaction shall not affect the validity of the Transaction, any terms or conditions of the Transaction or SGM's status as a "good faith" purchaser.

F. Justification for Relief. Good and sufficient reasons for approval of the APA and the other Transaction Documents and the Transaction have been articulated to this Court in the Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good, sufficient and sound business purpose and justification and (ii) compelling circumstances for the transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors.

G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the Transaction pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and sale of the Purchased Assets and, except with respect to the liens arising from the Special Assessments and the PACE Obligations (each as defined in §1.1(a)(iii) of the APA) assumed by SGM, shall vest in SGM, through the consummation of the Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights, and any successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or

more of the standards set forth in § 363(f)(1)-(5) have been satisfied. Those holders of Encumbrances who did not object, or who withdrew their objections, to the sale or the Motion are deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did object fall within one or more of the other subsections of § 363(f). All holders of the Encumbrances in the Purchased Assets are adequately protected by having their respective Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased Assets under the APA (subject to any Challenge within the meaning of that certain *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 409] (the "Final DIP Order") that has been, or may be, timely filed[3]), and any related documents or instruments delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the extent and manner herein provided.

H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in consummating the Transaction, and it is in the best interests of the Debtors and their estates to consummate the Transaction within the timeline set forth in the Motion and the APA. The Court finds that there is no just reason for delay in the implementation of this Order, and expressly directs entry of judgment as set forth in this Order.

[3] The Final DIP Order granted to the Committee standing to file the requisite pleading to challenge the validity, enforceability and amount of the Prepetition Liens (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "Challenge") within ninety (90) days from the formation of the Committee (the "Challenge Deadline"). *See* Final DIP Order ¶ 5(e). The Committee's investigation as to the Prepetition Liens remains ongoing. The Committee and the Prepetition Secured Creditors have entered into a number of stipulations (the "Challenge Stipulations") by which the Committee has acknowledged and stipulated to the validity, enforceability and perfection of the Prepetition Liens in certain collateral identified in the Challenge Stipulations, and by which the Challenge Deadline has been extended a number of times with respect to the validity, enforceability and perfection of the Prepetition Liens in any other collateral. The Challenge Deadline with respect to any Prepetition Liens for which the Committee has not stipulated pursuant to the Challenge Stipulations as to the validity, enforceability and perfection thereof is now May 13, 2019.

I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign to SGM the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below) and to the extent subsequently identified by SGM pursuant to paragraph 16 below, the Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently Identified Designated Contracts and the Subsequently Identified Contracts are collectively referred to herein as the "Designated Contracts") in connection with the consummation of the Transaction, and the assumption and assignment of the Designated Contracts is in the best interests of the Debtors and their estates.

J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the APA, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any of the Designated Contracts will have been cured, within the meaning of § 365(b)(1)(A), by payment of the amounts and in the manner set forth below, unless otherwise agreed by SGM and the counterparty. SGM has provided or will provide adequate assurance of future performance of and under the Designated Contracts within the meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide assurance of performance to any counterparty to a Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the Debtors (i.e., St. Francis Medical Center, a California nonprofit public benefit corporation ("St. Francis Medical Center"), St. Vincent Medical Center, a California nonprofit public benefit corporation ("St. Vincent Medical Center"), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation ("St. Vincent Dialysis Center"), and Seton Medical Center, a California nonprofit public benefit corporation ("Seton Medical Center") (collectively, the "Hospitals"), VHS, and Verity Holdings LLC, a California limited liability company ("Holdings")), and assigned to SGM under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, SGM, notwithstanding any provision in such Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss

resulting from a default on or prior to the Closing under any of the Designated Contracts within the meaning of § 365(b)(1)(B).

K. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for the Hospitals to reject all of their executory contracts and unexpired leases, excluding (i) Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in addition to the Hospitals, (iii) any prepetition contract that is the subject of a Rule 9019 settlement motion prior to Closing, and (vi) any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which a Hospital is a party or sponsor, which matters shall be scheduled for determination as provided in paragraph 33 below. Each such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31, and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this paragraph K, prior to Closing and shall request therein that the rejection be effective as of the Closing or as otherwise appropriate.

L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Purchased Assets. Other than SGM's Stalking Horse Bid, the Debtors received two Qualified Partial Bids by the Partial Bid Deadline and did not receive a Qualified Full Bid (as such terms are defined by the Bidding Procedures Order). The Debtors properly consulted with the Consultation Parties in selecting the SGM Stalking Horse Bid as the highest and best bid and in determining that no auction should be held (as such terms are defined in the Bidding Procedures Order), as set forth in their No-Auction Notice. The transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA constitutes the highest or otherwise best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination, in

consultation with the Consultation Parties (as defined in the Bidding Procedure Order), that the APA constitutes the highest or best offer for the Purchased Assets and to not conduct an auction constitutes a valid and sound exercise of the Debtors' business judgment.

M. No *De Facto* or *Sub Rosa* Plan of Reorganization. The sale of the Purchased Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it does not propose to (i) impair or restructure existing debt of, or equity or membership interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or (iv) classify claims or equity or membership interests.

N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein.

NOW THEREFORE, IT IS HEREBY ORDERED THAT:

1. The relief requested in the Motion is GRANTED and APPROVED in all respects to the extent provided herein.

2. All objections with regard to the relief sought in the Motion that have not been withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including any reservation of rights included in such objections, are overruled on the merits with prejudice. To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the terms of this Sale Order shall prevail.

3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA, is approved in all respects, and the Debtors are authorized and directed to consummate the Transaction in accordance with the APA, including, without limitation, by executing all of the Transaction Documents (and any ancillary documents or instruments that may be reasonably necessary or desirable to implement the APA or the Transaction) and taking all actions necessary and appropriate to effectuate and consummate the Transaction (including the transfer and sale of the Purchased Assets) in consideration of the Purchase Price (as defined in § 1.1 of the APA) upon

the terms set forth in the APA, including, without limitation, assuming and assigning to SGM the Designated Contracts. The Debtors and SGM shall have the right to make any mutually agreeable, non-material changes to the APA, which shall be in writing signed by both parties, without further order of the Court provided, that after reasonable notice, the Official Committee of Unsecured Creditors (the "Committee"), the DIP Agent (as defined in the Final DIP Order defined below), and the Prepetition Secured Creditors (as defined in the Final DIP Order) do not object to such changes. Any timely objection by the aforementioned parties to any agreed non-material changes to the APA may be resolved by the Court on shortened notice.

4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal, valid, enforceable and effective transfer and sale of the Purchased Assets to SGM free and clear of all Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations assumed by SGM, as further set forth in the APA and this Sale Order; and (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the Purchased Assets, all counterparties to the Designated Contracts and all other persons and entities.

5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent, effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force, extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition

Secured Creditors, as applicable, pursuant to the Final DIP Order, to the extent that (i) the rights granted to the Prepetition Secured Creditors with respect to §§506(c) and 552(b) by the Final DIP Order are not limited or modified as a result of the appeal from the Final DIP Order filed by the Committee on November 29, 2019; and/or (ii) any replacement liens or security interest granted to the Prepetition Secured Creditors by the Final DIP Order are not invalidated as a result of any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to the extent of and in accordance with its terms with all parties reserving all rights thereunder.

6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order shall, as of the Closing, be considered and constitute for all purposes a full and complete general assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all of the Debtors' rights, title and interest in and to the Purchased Assets to SGM. Consistent with, but not in limitation of the foregoing, each and every federal, state, and local governmental agency or department, except as stated herein, is hereby authorized and directed to accept all documents and instruments necessary and appropriate to consummate the transactions contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any Encumbrances of record.

7. Any person or entity that is currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets is hereby directed to surrender possession of such Purchased Assets either to (a) the Debtors before the Closing or (b) to SGM or its designee upon the Closing, and to cooperate with the Debtors and SGM in the Debtors' and SGM's fulfillment of their obligations hereunder and pursuant to the APA.

8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and upon consummation of the Transaction, including, without limitation, payment of the Purchase

Price to the Debtors, vest SGM with all right, title, and interest in the Purchased Assets, free and clear of all Encumbrances. Upon closing of the Transaction, SGM shall take title to and possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the APA. The transfer of the Purchased Assets from the Debtors to SGM constitutes a transfer for reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the State of California.

9. Following the Closing, no holder of any Encumbrance against the Debtors or upon the Purchased Assets shall interfere with SGM's respective rights in, title to or use and enjoyment of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Purchased Assets to SGM, including the assumption and assignment of the Designated Contracts.

10. SGM shall not be deemed, as a result of any action taken in connection with, or as a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their estates by reason of any theory of law or equity, including, without limitation, any bulk sales law, doctrine or theory of successor liability, or any theory or basis of liability, regardless of source of origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed Liabilities, SGM is not assuming any of the Debtors' debts.

11. This Sale Order (i) shall be effective as a determination that, on Closing, all Encumbrances existing against the Purchased Assets before the Closing have been unconditionally released, discharged and terminated, and that the transfers and conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all persons and entities. If, following a reasonable written request made by the Debtors, any person or entity that has filed financing statements or other documents or agreements evidencing any Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or

in connection with Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Encumbrances which the person or entity has with respect to the Purchased Assets, then SGM and/or the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of doubt, such statements, instruments, releases and other documents shall not impair Encumbrances that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to paragraphs 5 and 13 hereof.

12. In accordance with the APA, concurrently with the Closing, SGM shall pay that portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in the APA. Any direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent, the Prepetition Secured Creditors, and the Committee in advance of the Closing.

13. The terms and conditions of the Final DIP Order shall apply with respect to the Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

(a) the Debtors shall direct SGM, pursuant to the terms of the APA, to remit all Sale Proceeds to the separate accounts opened in the name of each Debtor for the Sale Proceeds (each such hereafter referred to as "Escrow Deposit Account");

(b) in giving direction to SGM pursuant to sub-paragraph (a), above, the Debtors shall exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of rights in paragraph 4 of the Final DIP Order and paragraph 31 of the Bidding Procedures Order; provided further that nothing in this paragraph shall waive or limit any rights the Committee or the Prepetition Secured Creditors may have in connection with the confirmation of a proposed

(c) without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order, no funds held in any Escrow Deposit Account shall be (i) commingled with any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for any purpose, except as provided in this Order, the DIP Credit Agreements or the Final DIP Order without further order of this Court, after reasonable notice under the circumstances to the DIP Agent, the Prepetition Secured Creditors and the Committee; and

(d) each Escrow Deposit Account shall be subject to a deposit account control agreement in favor of the DIP Agent and DIP Lender, and subject to, without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order with respect to the Sale Proceeds and Escrow Deposit Account, including, without limitation, following the occurrence of an Event of Default or the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the Debtors shall not be permitted to use the funds held in any Escrow Deposit Account for any purpose, except as provided in paragraph 14, 15, 16, and 17 of this Order, and to fund any Purchase Price adjustment in favor of the Purchaser, without first obtaining the consent of the DIP Agent, DIP Lender and the Prepetition Secured Creditors or obtaining an order of the Court pursuant to §§ 363 or 1129 after reasonable notice under the circumstances to the DIP Agent, the DIP Lender, the Prepetition Secured Creditors and the Committee and, if necessary, a hearing thereon; and

set forth in the Cure Notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto or ordered by this Court after a continued hearing on the Cure Objections (the "Designated Cure Amounts"). SGM has the right under the APA to remove any Contracts from the list of Designated Contracts up to seven (7) days prior to Closing, as also set forth in the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865].

14. To the extent that any of the contracts and/or leases, which give rise to the Designated Cure Amounts and are set forth in the Designation Notice and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865] (the "Currently Identified Designated Contracts") are executory contracts or unexpired leases (over which the Court is not making any such determination at this time), then in connection with the Closing, the Debtors shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they are deemed part of the Designated Contracts) and to have assigned them to SGM, and SGM shall have assumed all obligations owing under all such Currently Identified Designated Contracts arising after and following the Closing. The Court shall resolve any and all disputes which may arise between the Debtors, SGM and any of the Currently Identified Designated Contract Counter-Parties over whether the Currently Identified Designated Contracts are executory contracts or unexpired leases and whether any of the Currently Identified Designated Contract Counter-Parties are entitled to an allowed claim against the Debtors which exceeds the Designated Cure Amounts (the "Assumption Dispute").

15. In the event that the Court determines that any such counter-parties to the Currently Identified Designated Contracts (the "Currently Identified Designated Contract

To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors may, with SGM's consent, assume and assign the applicable executory contract or unexpired lease at Closing and prior to the resolution of the Assumption Dispute by the Bankruptcy Court, provided, that either (a) the Bankruptcy Court has estimated the maximum cure payment, pursuant to 11 U.S.C. § 502(c), and SGM has remitted such amount to the Debtors to be held as sales proceeds in the Sale Proceeds Account for the relevant Debtor(s), or (b) SGM provides to the relevant Debtor(s) and non-Debtor counterparty a separate reasonably acceptable undertaking that SGM will promptly pay the maximum disputed cure amount in accordance with 11 U.S.C. § 365 (b)(1)(A) and (B) (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and SGM). The Debtors shall pay and hereby are authorized to pay disputed cure amounts from the relevant Sales Proceeds Account(s) upon entry of a final order by this Court to the extent SGM remitted to Sellers the amount required by item (a) of this paragraph of the Order.

16. All of the Currently Identified Designated Contracts, to the extent they are executory contracts or unexpired leases and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For*

Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections [Docket No. 1865], or deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above, shall be part of the Designated Contracts that will be assumed by the Debtors and assigned to SGM at the Closing. In the event that SGM elects to add any other of the Debtors' executory contracts or unexpired leases to the list of Designated Contracts (the "Subsequently Identified Designated Contracts" and, individually, a "Subsequently Identified Designated Contract") under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865], SGM shall notify the Debtors of any such Subsequently Identified Designated Contracts on or before thirty days before Closing, and the Debtors shall (i) file a notice with the Court identifying all such Subsequently Identified Designated Contracts and their respective cure amounts as agreed upon between the Debtors and SGM, and (ii) serve such notice by over-night mail on all counter-parties to the Subsequently Identified Designated Contracts (the "Subsequently Identified Designated Contract Counter-Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and assigned to SGM at the Closing, with SGM to be obligated to pay all cure amounts owing to such Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto, or ordered by the Court in accordance with paragraphs 34 and 36 below (the "Additional Cure Amounts"), so long as such amount as ordered by the Court is no greater than the amount agreed upon by SGM; and in the event the Additional Cure Amount is greater than the amount agreed upon by SGM, and SGM is not willing to pay the Additional Cure Amount, the Debtors shall not be required to pay the Additional Cure Amount(s) and the Subsequently Identified Designated Contract(s) shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above; provided, and for the avoidance of doubt, no collective bargaining agreement, pension plan or health and welfare plan providing

collectively bargained benefits to which a Hospital is a party or sponsor constitutes a Currently Identified Designated Contract or a Subsequently Identified Designated Contract for which SGM or the Debtors may be obligated to pay any cure amount.

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SGM, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (collectively, the "Contract Counter-Parties"). At the Closing, SGM shall pay the (i) Sale Proceeds, (ii) the Designated Cure Amounts identified in paragraph 13 above, (iii) the Excess Cure Amounts identified in paragraph 15 above, and (iv) the Additional Cure Amounts, subject to paragraph 15 above. Payment by SGM of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to "cure" all "defaults" with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The foregoing payment shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SGM, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SGM shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts, neither the Debtors nor SGM shall have any further liabilities to any Contract Counter-Parties, other than SGM's obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SGM with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt, SGM shall not be liable for the payment of any liabilities or obligations arising from or related to (a) any executory contracts that the Debtors intend to reject by appropriate motion and which are not being assumed and assigned to SGM, (b) any multiparty contract affecting more than one Debtor in addition to one of the hospitals subject to the

Transaction, or (c) any collective bargaining agreement ("CBA"), pension plan, or health and welfare plan providing for collectively bargained for benefits to which a Hospital is a party or a sponsor, unless expressly assumed and assigned with SGM's consent.

18. The Debtors intend, and are hereby authorized, to (A) reject, pursuant to § 365(a), all executory contracts to which one or more of the Hospitals are a party, excluding (i) Designated Contracts, and (ii) any prepetition multiparty contract affecting more than one Debtor in addition to one of the Hospitals, and, (B) reject and terminate, to the extent separately authorized by this Court, pursuant to §§ 1113, 1114, and any other applicable provision of the Bankruptcy Code, any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which one of the Hospitals is a party or sponsor and that SGM does not assume.

19. All of the Contract Counter-Parties are forever barred, estopped, and permanently enjoined from (i) raising or asserting against the Debtors or SGM, or any of their property, any assignment fee, acceleration, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or related to the Designated Contracts, existing as of the Closing, or arising by reason of the consummation of the Transaction contemplated by the APA, including, without limitation, the Transaction and the assumption and assignment of the Designated Contracts, including any asserted breach relating to or arising out of the change-in-control provisions in such Designated Contracts, or any purported written or oral modification to the Designated Contracts and (ii) asserting against SGM any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed Obligations.

20. Any provisions in any Designated Contracts that prohibit or condition the assignment of such Designated Contract or allow the counterparty to such Designated Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Designated Contract constitute unenforceable anti-assignment provisions

that are void and of no force and effect with respect to the Debtors' assumption and assignment of such Designated Contract to SGM in accordance with the APA, pursuant to § 363(f).

21. The terms and provisions of this Sale Order, as well as the rights granted under the Transaction Documents, shall continue in full force and effect and are binding upon any successor, reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding entry of any order of conversion or dismissal ~~any such conversion, dismissal or order entry~~. Nothing contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict with or derogate from the provisions of the APA, any documents or instruments executed in connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern. The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or dismissal of the cases and the entry of any other order that may be entered in the cases, including any order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7; (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

22. The Transaction contemplated by the APA and other Transaction Documents are undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy Code. SGM is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the sale of the Purchased Assets to SGM. The APA and the Transactions contemplated thereby cannot be avoided under § 363(n).

23. The failure to specifically include any particular provision of the APA or the other Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of this Sale Order are non-severable and mutually dependent.

24. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective and enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence in approving the Transaction (including the transfer and the sale of the Purchased Assets).

25. The automatic stay in effect pursuant to § 362 is hereby lifted with respect to the Debtors to the extent necessary, without further order of this Court, to (i) allow SGM to deliver any notice provided for in the APA and Transaction Documents and (ii) allow SGM to take any and all actions permitted under the APA and Transaction Documents in accordance with the terms and conditions thereof.

26. Unless otherwise provided in this Sale Order, to the extent any inconsistency exists between the provisions of the APA and this Sale Order, the provisions contained in this Sale Order shall govern.

27. This Court shall retain exclusive jurisdiction to interpret, construe, and enforce the provisions of the APA and this Sale Order in all respects, and further, including, without limitation, to (i) hear and determine all disputes between the Debtors and/or SGM, as the case may be, and any other non-Debtor party to, among other things, the Designated Contracts concerning, among other things, assignment thereof by the Debtors to SGM and any dispute between SGM and the Debtors as to their respective obligations with respect to any asset, liability, or claim arising hereunder; (ii) compel delivery of the Purchased Assets to SGM free and clear of Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations; (iii) compel the delivery of the Purchase Price or performance of other obligations owed to the Debtors; (iv) interpret, implement, and enforce the provisions of this Sale Order; and (v) protect SGM against (A) claims made related to any of the Excluded Liabilities (as defined in the APA), (B) any claims of successor or vicarious liability (or similar claims or theories) related to the Purchased Assets or the Designated Contracts, or (C) any Encumbrances asserted on or against SGM or the Purchased Assets.

28. Following the date of entry of this Sale Order, the Debtors and SGM are authorized to make changes to the APA and/or execute supplemental agreements implementing the transactions contemplated by the APA without the need for any further order of the Court provided that all such changes have been approved in writing by the Debtors, SGM, the Committee, the DIP Agent, and Prepetition Secured Creditors. Any other proposed changes to the APA or this Sale Order shall require a further order of the Court, after reasonable notice under the circumstances and a hearing.

29. Notwithstanding any other provision of this Sale Order or any other Order of this Court, no sale, transfer or assignment of any rights and interests of a regulated entity in any federal license or authorization issued by the FCC shall take place prior to the issuance of FCC regulatory approval for such sale, transfer or assignment pursuant to the Communications Act of 1934, as amended, and the rules and regulations promulgated thereunder. The FCC's rights and powers to take any action pursuant to its regulatory authority, including, but not limited to, imposing any regulatory conditions on such sales, transfers and assignments and setting any regulatory fines or forfeitures, are fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or authority to the extent not inconsistent with the applicable provisions of the Bankruptcy Code.

30. To the extent the Purchased Assets contain records of the Verity Health System Retirement Plan A and Verity Health System Retirement Plan B (collectively, the "Pension Plans") or employment records of participants of the Pension Plans, SGM shall store, and preserve any such records until the Pension Benefit Guaranty Corporation ("PBGC") has completed its investigation regarding the Pension Plans and shall make such documents available to PBGC for inspection and copying. Such records include, but are not limited to, any Pension Plan governing documents, actuarial documents, and employment records (collectively, the "Pension Plan Documents"). The Debtors shall retain and not abandon any Pension Plan Documents that are not Purchased Assets no earlier than February 28, 2020, and shall make such documents available to the PBGC for inspection and copying.

31. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the

Nothing in this Sale Order shall apply to Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the DHCS or a Court order resolving the DHCS's objections.

32. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the Hospitals' Medicare Provider Agreements or (b) HHS will file a supplemental objection to the proposed transfer of the Medicare Provider Agreements. Nothing in this Sale Order shall apply to Medicare Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the HHS or a Court order resolving the HHS's objections.

33. In accordance with the terms of §§ 4.7 and 5.11 of the APA, the Debtors and SGM will negotiate regarding modification of applicable CBAs. To the extent the Debtors seek modification, rejection and/or termination of CBAs, they will comply with the requirements of § 1113, as applicable, and may do so before or after Closing under their discretion.

34. A continued hearing on the Cure Objections shall be held on June 5, 2019, at 10:00 a.m. (Pacific Time). As to the Currently Identified Designated Contracts, by no later than May 22, 2019, at 4:00 p.m. (Pacific Time), the Debtors shall file a notice containing a list of (a) the Cure Objections that have been resolved, and (b) the Cure Objections as to which Court intervention is required. EMERGENCY MOTION

Pursuant to Rule 9075-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California (the "LBR"), Rule 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), §§ 105, 362, 363, 525 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the "Bankruptcy Code"),[1] and 28 U.S.C. § 1334(e), Verity Health System Of California, Inc. ("VHS") and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the "Debtors") in the above-captioned chapter 11 bankruptcy cases (the "Cases"), hereby move, on an emergency basis (the "Motion"), for the entry of an order: (i) enforcing this Court's previous order [Docket No. 2306] authorizing the sale ("SGM Sale") of the Debtors' assets to Strategic Global Management, Inc. ("SGM"); and (ii) finding that the SGM Sale is free and clear of the conditions imposed by the California Attorney General (the "Attorney General") that are materially different (the "Additional Conditions") than the conditions in the asset purchase agreement (the "SGM APA") [Docket No. 2305-1]; or, alternatively, (iii) finding that the Attorney General abused his discretion imposing the conditions under applicable nonbankruptcy law; and (iv) granting such other and further relief as the Court deems just and proper. The sale order approving the SGM Sale (the "Sale Order"), the conditions issued by the Attorney General (the "2019 Conditions"), the Additional Conditions, in redline format, and the SGM APA, are attached to the annexed Memorandum of Points and Authorities (the "Memorandum") as Exhibits "A," "B," "C," and "D," respectively. Certain correspondence between the Debtors, SGM, and the Attorney General is attached to the Memorandum as Exhibit "E."

The Debtors request that the relief sought be granted on an emergency basis because the Debtors will suffer immediate and irreparable harm without the relief requested in this Motion. Indeed, absent relief, the Debtors' sale to SGM of its four remaining hospitals (collectively, the "Hospitals") will collapse, which would result in the loss of access to critical healthcare in

(213) 623-9300

underserved communities, the loss of thousands of jobs, and the loss of anticipated recoveries to creditors. Simply put, the Additional Conditions would unwind the heroic efforts of constituents who have diligently worked to maintain the Hospitals throughout these cases and spent countless hours and funds working with SGM to close the SGM Sale. Even a delay in the closing will significantly impact these Cases because the Debtors (i) are operating at a loss of approximately $450,000 per day, imposing significant costs upon the estates and upon creditors, (ii) seek to confirm their plan of liquidation by the end of the year, and (iii) are required to meet the milestone under the cash collateral agreement that the Plan go effective in 2019 and have no alternative financing source.

The Additional Conditions threaten the SGM sale. The Additional Conditions trigger SGM's termination rights under the APA unless the Debtors obtain a supplemental order from this Court finding that the Additional Conditions are an "interest in property" for purposes of § 363(f), and that the Hospitals can be sold free and clear of the Additional Conditions without the imposition of any other conditions. *See* Exhibit "D," SGM APA, Section 8.6. SGM has repeatedly informed the Debtors and the Attorney General that the Additional Conditions are "deal killers." *See* Exhibit "E." To illustrate the magnitude of the economic impact of the Additional Conditions, *two* of the Additional Conditions alone would have the economic impact of increasing the effective purchase price by over 50 percent to nearly a billion dollars. The economic impact of compliance with the other Additional Conditions are in the tens of millions of dollars. In essence, the Additional Conditions would render the SGM APA and this Court's Sale Order meaningless. Such result is inconsistent with § 363, this Court's exclusive jurisdiction over property of the Debtors' estates, and fundamental purposes of the Bankruptcy Code.

The SGM APA specifically contemplates the Debtors will challenge promptly any conditions materially different from those to which SGM agreed. *See* Exhibit D, SGM APA §§

8.6, 9.3. Failure to challenge timely the imposition of Additional Conditions may result in termination of the SGM Sale. *Id.* The Debtors and SGM met with representatives of the Attorney General regularly to encourage imposition of conditions consistent with Schedule 8.6. *See* Adcock Dec. and Levy-Biehl Dec. Further, the Debtors negotiated vigorously with additional constituencies (including the Official Committee of Unsecured Creditors, the Pension Benefit Guaranty Corporation, and labor unions) to secure their support of the SGM Sale, which were provided to the Attorney General before the 2019 Conditions were issued. Nevertheless, the Attorney General has imposed conditions on the SGM Sale inconsistent with Schedule 8.6 after taking the maximum amount of time provided by statute to review the transaction and constituent input. *See* Exhibit "B." Given the Attorney General's long delay in reviewing the SGM Sale, the Debtors must challenge the Additional Conditions on an expedited basis to ensure that the SGM Sale closes, the Hospitals stay open to provide essential patient care, thousands of jobs are not lost and assets of the estates are preserved.

The Attorney General will not suffer prejudice if the Court grants this Motion for expedited relief. As noted above, the Attorney General considered the 2019 Conditions for 135 days prior to their issuance on September 25, 2019. During that time, the Debtors and SGM have made abundantly clear that any departure from the conditions in Schedule 8.6 to the SGM APA would threaten the SGM Sale. *See, e.g.,* Exhibit "E." Further, the Attorney General is amply familiar with the issues raised herein, having briefed the same in several bankruptcy cases in this District, including in the Debtors' Cases. *See* Docket No. 463; *In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, No. 2:16-bk-17463-ER, Doc. No. 752 (Bankr. C.D. Cal. Apr. 24, 2017); *In re Victor Valley Cmty. Hosp.*, No. 8:12-bk-12896-CB, Doc. No. 1804 (Bankr. C.D. Cal. Sept. 27, 2011). Accordingly, the Debtors respectfully request that the Court grant the Motion for an emergency hearing because the proposed expedited hearing will not prejudice the Attorney General and is in the best interests of the Debtors' estates and creditors.

I.

INTRODUCTION

Nearly five months after this Court entered the Sale Order authorizing the Debtors to sell their four remaining general acute care hospitals (the "Hospitals") to SGM, the Attorney General issued the 2019 Conditions that effectively increase the purchase price in the SGM APA by over $300 million. The imposition of the Additional Conditions in the 2019 Conditions would destroy the sale of the Hospitals to the only buyer willing to buy them, SGM, and would result in the loss of access to critical healthcare in underserved communities, the loss of thousands of jobs, and the loss of anticipated recoveries to creditors. The Debtors' estates and their constituents have already borne operating losses of approximately $450,000, per day, waiting for the Attorney General to issue his decision. Moreover, the Debtors, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone.

The Debtors are mindful that the Hospitals have struggled for decades and that the 2015 conditions imposed by the Attorney General (the "2015 Conditions") locked the Hospitals into financial and operational obligations that made success impossible (the Debtors lost hundreds of millions of dollars since the 2015 Conditions were imposed). Chapter 11 presented the last and only viable option to save the Hospitals. The Attorney General cannot strip the Debtors of the protections afforded by the Bankruptcy Code, which is, in essence, the impact of the 2019 Conditions if they are enforced.

In addition to the fact that the imposition of the Additional Conditions would be devastating to patients, the communities the Hospitals serve, thousands of employees and stakeholders in these cases, the Additional Conditions cannot be upheld because they contravene the Bankruptcy Code, the Court's jurisdiction, and fundamental purposes of the Bankruptcy Code.

Specifically, the Court should enforce the Sale Order and find that that the Debtors are authorized to the sell the Hospitals without imposition of the Additional Conditions because:

- *Section 363(f) authorizes the Court to sell the Debtors' assets free and clear of the Additional Conditions which are an "interest in property";"*

- *The Additional Conditions are an inappropriate attempt to impose successor liability on SGM because the Sale Order authorizes the assets to pass to SGM free and clear of successor liability*;
- *Section 363(d)(1) must be harmonized with § 363(f), which authorizes the Court to sell the assets free and clear of the Additional Conditions*;
- *The Attorney General's broad attempt to exercise control over the Debtors' assets contravenes the Court's exclusive jurisdiction over the Debtors' assets, pursuant to 28 U.S.C. § 1334(e);*
- *Imposition of the Additional Conditions constitutes impermissible discrimination against the Debtors and SGM under § 525(a) because the Additional Conditions are premised on the continuance of the Debtors' obligations; and*
- *The Attorney General is exceeding his authority by attempting to regulate a for profit entity.*

Additionally, and as significantly, under state law, the imposition of the Additional Conditions are a breach of the Attorney General's fiduciary obligations and an abuse of his discretion.

Based upon all of the foregoing, and for the reasons set forth in greater detail below, the Debtors urge the Court to enter an order enforcing the Sale Order and finding that sale was "free and clear" of the Additional Conditions.

II.

JURISDICTION, VENUE, AND STATUTORY PREDICATES

The Bankruptcy Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding under 28 U.S.C. §§ 157(b)(2). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

The Motion seeks, in part, an order of the Court enforcing the terms of its final order approving the SGM Sale [Docket No. 2306]. The statutory predicates for this relief are §§ 363 and 105, and Bankruptcy Rule 6004. This Court "plainly ha[s] jurisdiction to interpret and enforce its own prior orders." *Travelers Indem. Co. v. Bailey*, 557 U.S. 137, 151 (2009); *see also In re Millenium Seacarriers, Inc.*, 419 F.3d 83, 96 (2d Cir. 2005) ("A bankruptcy court retains jurisdiction to interpret and enforce its own orders [.]") (quoting *Luan Inv. S.E., v. Franklin 145 Corp. (In re Petrie Retail, Inc.)*, 304 F.3d 223, 230 (2d Cir.2002)).

The Debtors further request that the Court find that the Attorney General abused his discretion in imposing the 2019 Conditions without an evidentiary basis. The statutory predicates for such a finding are set forth in the California Corporations Code, §§ 5914 *et seq.*, and the California Code of Regulations, title 11, § 999.5. The Debtors have standing to challenge the 2019 Conditions because the Debtors' allegations of lost business opportunity and corresponding economic harm related to the SGM Sale constitute an injury in fact. *See Prime Healthcare Services, Inc. v. Harris*, 216 F. Supp. 3d 1096, (S.D. Cal. 2016) (citing *Wedges/Ledges of Cal., Inc. v. City of Phoenix, Ariz.*, 24 F.3d 56, 60 (9th Cir. 1994)) (finding standing where plaintiff alleged that "the financially unviable conditions [the attorney general] imposed on the [Daughters of Charity Health System] transaction forced it to abandon its $843 million bid to acquire" the hospital); *see also Vill. Of Arlington Heights v. Metro. Hous. Dev. Corp.*, 429 U.S. 252, 261-63 (1977) (concluding that a nonprofit developer had standing to challenge the denial of its petition for rezoning and seek injunctive and declaratory relief, despite the fact that its land-purchase contract was contingent upon securing rezoning).

III.

FACTUAL BACKGROUND

A. General Background

1. On August 31, 2018 (the "Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Since the commencement of their Cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108.

2. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate member of five Debtor California nonprofit public benefit corporations that operated O'Connor Hospital ("OCH") and Saint Louise Regional Hospital ("SLRH"), and currently operates St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC"), and Seton Medical Center, including Seton Medical Center Coastside Campus (collectively, "Seton" and, together with OCH, SLRH, SFMC, and SVMC, the "Verity Hospitals").

3. As of the Petition Date, VHS, the Verity Hospitals, and their affiliated entities (collectively, "Verity Health System") operated as a nonprofit health care system, with approximately 1,680 inpatient beds, six active emergency rooms, a trauma center, eleven medical office buildings, and a host of medical specialties, including tertiary and quaternary care. *See* First-Day Decl., at 4, ¶ 12. The scope of the services provided by the Verity Health System is exemplified by the fact that in 2017, the Verity Hospitals provided medical services to over 50,000 inpatients and approximately 480,000 outpatients. *Id.*, at 4, ¶ 12.

4. Additional background facts on the Debtors, including an overview of the Debtors' business, information on the Debtors' capital structure and additional events leading up to these chapter 11 Cases, are set forth in the First-Day Declaration.

5. On September 14, 2018, the Office of the United States Trustee appointed the Committee [Docket No. 197].

B. The Daughters of Charity and the 2015 Conditions

6. The Verity Hospitals were originally owned and operated by the Daughters of Charity of St. Vincent de Paul, Province of the West (the "Daughters of Charity"), to support the mission of the Catholic Church through a commitment to the sick and poor. The Daughters of Charity began their healthcare mission in California in 1858 with the opening of Los Angeles Infirmary, now known as SVMC. The Daughters of Charity expanded its hospitals to San Jose in 1889 and San Francisco in 1893. The Daughters of Charity ministered to ill, poverty-stricken individuals for more than 150 years.

7. In June 2001, the Daughters of Charity Health System ("DCHS") was formed. In 2002, DCHS commenced operations and was the sole corporate member of the Verity Hospitals, which at that time were California nonprofit religious corporations.

8. Between 1995 and 2015, the Verity Hospitals incurred substantial operating losses. During that time period, Daughters of Charity and DCHS attempted to find a solution which would resolve the operating losses, either through a sale of some or all of the Verity Hospitals, or a merger with a more financially sound partner. In 2013, DCHS unsuccessfully solicited purchase offers for OCH, SLRH, and Seton.

(213) 623-9300

9. Throughout 2014, DCHS explored offers to sell the system and, in October of 2014, entered into an agreement with Prime Healthcare Services and Prime Healthcare Foundation (collectively, "Prime") to sell the health system. A condition of such sale was approval by the Attorney General.

10. In early 2015, the Attorney General consented to the sale to Prime, but subject to certain conditions, which, in Prime's view, were so onerous that it could not proceed with the transaction. Accordingly, Prime terminated the transaction. The history of this failed transaction and the process for Attorney General review is more fully set forth in *Prime Healthcare Services, Inc., et al. v. Harris*, 216 F. Supp. 3d 1096, 1101-06 (S.D. Cal. 2016).

11. In 2015, DCHS again marketed the health system for sale, and, again, focused on offers that maintained the system as a whole, including the assumption of all existing obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the "BlueMountain Transaction").

12. In connection with the BlueMountain Transaction, the DCHS and its sole member, Daughters of Charity Ministry Services Corporation, certain funds managed by BlueMountain and Integrity Healthcare, LLC (a management company was formed to manage VHS for BlueMountain under a new management agreement) entered into a System Restructuring and Support Agreement (the "Restructuring Agreement"). Under the Restructuring Agreement, VHS and the Verity Hospitals were converted from religious corporations to public benefit corporations. BlueMountain agreed to make a capital infusion of $100 million, arrange loans for another $160 million to the system, and manage operations, with an option to buy the health system at a future time. DCHS' name was changed to Verity Health System.

13. On December 3, 2015, the Attorney General approved the BlueMountain Transaction, subject to the 2015 Conditions. The 2015 Conditions were imposed for periods ranging from 5 to 15 years. Generally, the terms of the 2015 Conditions included (i) transfers of control, (ii) maintenance of health services, (iii) required participation in Medicare and Medi-Cal programs, (iv) community benefit programs, (v) charity care levels, (vi) county contracts, (vii) local

governing boards, (viii) medical staff compliance, (ix) assumption of hundreds of millions of dollars of pension obligations, and (x) annual attestation of compliance.

14. In the 2015 Conditions, VHS was expressly required to make capital expenditures of at least $180 million over 5 years, and to meet accelerated time lines for making the Verity Hospitals seismic compliant. Each hospital had specific requirements as to services that had to be maintained or even expanded. For example, SVMC was required to maintain an emergency room with eight stations, including six fast track stations, 19 acute rehab beds, and 30 ICU beds, among other things. It was also required to provide $400,000 of charity care annually and provide community benefit programs of at least $1 million annually. SVMC was required to maintain Medi-Cal contracts with LA Care Health Plan and various commercial plan contracts. All of the Verity Hospitals had similar obligations imposed.

15. Despite BlueMountain's infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system continued to incur losses. It soon became apparent that the problems facing the Verity Health System were too large to solve without a formal court supervised restructuring.

C. The Bankruptcy Cases

16. The Debtors commenced these Cases to protect the original legacy of the Daughters of Charity to the maximum extent possible by retiring debt incurred over the past 18 years and selling the hospital facilities to enable the continued operation of the Verity Hospitals under new ownership and leadership free from the historical losses and operational uncertainties. The Debtors' strategy contemplated a Court-supervised sale of some or all of the Verity Hospitals, and related facilities, and a comprehensive resolution of the Debtors' financial obligations through a court approved plan of reorganization.

17. In June 2018, the Debtors engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential buyers of some or all of the Verity Hospitals and related assets and commenced discussions with those potential buyers. Cain prepared a Confidential Investment Memorandum, organized an online data site to share information with potential buyers and contacted over 181 strategic and financial buyers beginning in July 2018 to solicit their interest

in exploring a transaction regarding the Verity Hospitals. As a result of its broad marketing process, Cain received sixteen indications of interest, or other proposals, and continued to develop potential sales of some or all of the Verity Hospitals.

18. At the commencement of the cases, the Debtors obtained court approval for a debtor in possession financing facility with up to $185 million of availability from Ally Bank subject to a borrowing base (the "DIP Facility"). The DIP Facility was secured by substantially all of the Debtors' assets and also provides for super priority administrative priority status for all obligations under the facility. The DIP financing enabled Debtors to operate the Verity Hospitals while they continued their efforts to find a purchaser for their assets and to reach agreements with key constituents. As discussed below, the Debtors have repaid their DIP financing obligations and are funding operations through the consensual use of cash collateral.

D. The SCC Sale

19. On December 27, 2018, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Santa Clara County Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving a sale of OCH, SLRH, and related assets, to Santa Clara County (the "SCC Sale").

20. The SCC Sale closed on February 28, 2019. After payment of certain cure costs, closing costs and other items, the net remaining proceeds were approximately $184.38 million, which are held in four sale proceeds account. An additional $23.35 million is held in escrow (the "Post-Closing Escrow") by First American Title Insurance Company, the escrow agent. The Post-Closing Escrow was established pursuant to the terms of the SCC APA, as security for the Debtors' post-closing obligations and expires in February 2020.

21. The Attorney General vigorously opposed the SCC Sale, insisting that either the 2015 Conditions applied to SCC or that the SCC Sale was subject to his review. This Court rejected both arguments, and overruled his objections. *See* Docket Nos. 1146, 1153. The Attorney General appealed, but voluntarily dismissed the appeal after the Debtors filed a motion to dismiss

as moot pursuant to § 363(m). *See* Case No. 2:19-cv-00133-DMG, Docket No. 40, 41 (C.D. Cal. Feb. 1, 2019).

E. The SGM Sale

22. On January 17, 2019, the Debtors filed the Debtors' *Notice Of Motion And Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and For Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* (the "Sale and Bidding Procedures Motion") [Docket No. 1279].

23. On February 19, 2019, the Court held a hearing on the Sale and Bidding Procedures Motion and thereafter entered an order approving the Sale and Bidding Procedures Motion (the "Bidding Procedures Order") [Docket No. 1572]. SGM served as the Stalking Horse Bidder under the terms of the Bidding Procedures Order. The Bidding Procedures Order also approved the SGM APA as modified therein.

24. There were two "Qualified Bidders" (as defined in the Bidding Procedures Order) for partial bids for different Hospitals (one for SVMC and one for SFMC) and no Qualified Full Bid. After consultation with the Consultation Parties as defined in the Bidding Procedures Order, the Debtors determined to not conduct either a Partial Bid of Full Bid auction, as set forth in the *Notice That No Auction Shall Be Held Re Debtors' Motion and Motion for the Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to Be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens*

and Encumbrances [Docket No. 2053] (the "No-Auction Notice") filed by the Debtors on April 4, 2019.

25. Accordingly, under the terms of the SGM APA and the Bidding Procedures Order, no auction was held and the Debtors declared SGM as the "winning bidder" of the Hospitals. No-Auction Notice at 2.

26. On May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing The Sale Of Certain Of The Debtors' Assets To Strategic Global Management, Inc. free And Clear Of Liens, Claims, Encumbrances, And Other Interests; (B) Approving The Assumption And Assignment Of An Unexpired Lease Related Thereto; And (C) Granting Related Relief* [Docket No. 2306] (the "Sale Order"), approving the SGM Sale. The closing of the SGM Sale is subject to review by the Attorney General and satisfaction of certain other closing conditions. The Debtors expect the SGM Sale to close in the fourth quarter of 2019.

27. SGM has agreed to continue to operate the Hospitals and abide by the vast majority of the 2015 Conditions, as set forth in Schedule 8.6 to the SGM APA.

28. Section 8.6 of the SGM APA is titled: "Attorney General Provisions." It provides the following:

> Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the "Additional Conditions"), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order ("Supplemental Sale Order") finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of $5 million, or more, shall be conclusively deemed to be "materially different." If Sellers determine not to seek such

Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than $500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein, shall constitute a waiver

of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds."

F. The Debtors and SGM Have Expended Substantial Time and Resources to Close the SGM Sale

29. As discussed above, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone. By way of example: (i) the Debtors sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988; (ii) thousands of counterparties to executory contracts and unexpired leases, including physicians, have relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iii) the Debtors and SGM have spent months facilitating an efficient close of the sale, with approximately 20 different workstreams, meeting at least weekly to ensure a smooth transition of operations; (iv) government agency personnel, including the California Department of Public Health and the Board of Pharmacy, have been diligently processing SGM's change of ownership applications for licenses and permits in reliance on the finality of the Sale Order; (v) the Debtors, SGM, and each of the Debtors' six unions spent months successfully negotiating and finalizing modified collective bargaining agreements; (vi) the medical groups affiliated with the Debtors have sent termination notices to their remaining physicians; (vii) the Debtors and SGM have coordinated changes in insurance coverages and insurance policies to ensure seamless coverage for employees and patients, and (viii) the Debtors have created plans to shut off certain services after the close of the SGM Sale. *See* Adcock Decl. ¶ 7.

G. The Debtors' Cash Collateral Agreement

30. On September 6, 2019, the Court entered the *Final Order (A) Authorizing Continued Use of Cash Collateral, (B) Granting Adequate Protection, (C) Modifying Automatic Stay, and (D) Granting Related Relief* [Docket No. 3022] (the "Supplemental Cash Collateral Order") granting the Debtors motion for use of cash collateral [Docket No. 2962, 2968] (the "Supplemental Cash Collateral Motion"). The Supplemental Cash Collateral Order authorized the Debtors' consensual

(213) 623-9300

use of cash collateral pursuant to an agreement with certain of its secured lenders (the "Cash Collateral Agreement"). Pursuant to the Cash Collateral Agreement, the Debtors are obligated to meet certain milestones, including plan confirmation by December 15, 2019 and a plan effective date on or before December 31, 2019. *See* Supp. Cash Collateral Mot. at 24. Further, termination of the SGM APA would result in an event of default under the Cash Collateral Agreement. *See id.* In each case, the success of the SGM Sale bears directly on the Debtors' ability to fund operations and timely meet its plan confirmation milestones.

H. The Debtors' Plan and Confirmation Timeline

31. On September 3, 2019, the Debtors filed the *Debtors' Chapter 11 Plan of Liquidation (Dated September 3, 2019* [Docket No. 2993] (the "Plan") and their related disclosure statement [Docket No. 2994] (the "Disclosure Statement"). As more fully described in the Disclosure Statement and below, the Debtors' Plan provides for deemed consolidation of the Debtors for purposes of implementation of the Plan and the distribution of the proceeds of the two sale transactions in accordance with the Bankruptcy Code's distribution and classification provisions. Such treatment is supported by the facts of these cases and applicable law.

I. The Attorney General Review Process

32. For years, the Debtors engaged in dialogue with the Attorney General about the Debtors' financial challenges and the future of the Hospitals, including, for example, a July 2018 meeting in anticipation of the Debtors' bankruptcy filings conducted by the Debtors' representatives and Deputy Attorney General Wendi Horwitz. *See* Levy-Biehl Decl. ¶ 3.

33. On February 15, 2019, the Debtors' representatives met with Attorney General Xavier Becerra and Melanie Fontes Rainer, Special Assistant Attorney General, in Sacramento to discuss the pending SCC Sale and the forthcoming auction and sale of the Hospitals. *See* Levy-Biehl Decl. ¶ 5.

34. Beginning in early April 2019, the Debtors' special healthcare regulatory counsel, Nelson Hardiman LLP, engaged with Deputy Attorney General Scott Chan in anticipation of submitting a notice and requesting approval of the SGM Sale. These discussions and exchanges were regular and ongoing, and addressed, among other things, the substantive and procedural

601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

requirements for the submission and review as well as the review timeline. At all times, the Debtors consistently requested an expedited review of the submission in light of their significant operating losses and cash flow challenges. *See* Levy-Biehl Decl. ¶ 7.

35. By letter dated May 7, 2019, the Debtors provided notice to, and requested written consent from, the Attorney General for the proposed SGM Sale pursuant to California Corporations Code § 5914 and title 11 of the California Code of Regulations, § 999.5. *See* Levy-Biehl Decl. ¶¶ 7, 8. On May 13, 2019, the Debtors supplemented their submission to the Attorney General, by including the filing made to the Federal Trade Commission pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. *See* Levy-Biehl Decl. ¶ 9.

36. As outlined in the submission to the Attorney General—and discussed a number of times in writing, in person, and by email with various representatives of the Attorney General—the SGM Sale is critical. *Id.* at 8. The Debtors explained to the Attorney General that the SGM Sale is the only option to ensure that the Hospitals will survive their current financial challenges and be preserved as providers of essential health care services to their communities. *Id.*; *see also Notice of Submission of Debtors' Response to the Health Care Impact Statements and Conditions Proposed by JD Healthcare, Inc.* [Docket No. 2946].

37. The Debtors also explained to the Attorney General that (i) the 2015 Conditions accelerated the demise of the Verity Hospitals to the point that that only a Court supervised restructuring could save them, and (ii) conditions materially different than those in Schedule 8.6 would ensure closure of the Hospitals. *See* Adcock Decl. ¶ 15; *see also Notice of Submission of Debtors' Response to the Health Care Impact Statements and Conditions Proposed by JD Healthcare, Inc.* [Docket No. 2946].

38. Throughout the process, the Debtors' representatives engaged in ongoing discussions with the Attorney General's office, and requested, among other things, an in-person meeting to review the submission, the transaction, and the expedited processing of the submission. *See* Levy-Biehl Decl. ¶ 10. The Attorney General denied these requests. *Id.*

39. The Attorney General's expert, JD Healthcare, conducted interviews with the Debtors' corporate and hospital personnel and other stakeholders in July 2019. *See* Levy-Biehl

Decl. ¶ 11. On August 16, 2019, following these interviews and public hearings, JD Healthcare released its Health Care Impact Statements on the proposed sale of SFMC and SVMC. *Id.* On August 19, 2019, JD Healthcare released its Health Care Impact Statement for Seton. *Id.* The Health Care Impact Statements set forth the expert's proposed conditions on the SGM Sale.

40. On August 16, 2019, the Attorney General requested that the Debtors and SGM submit responses to the proposed conditions detailing the conditions that were "deal breakers" to the SGM Sale. On August 21, 2019, SGM submitted its response to the Health Care Impact Statements. On August 23, 2019, the Debtors submitted their response. *See* correspondence attached hereto as Exhibit "E."

41. During the week of August 26, 2019, Deputy Attorney General Scott Chan held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. *See* Adcock Decl. ¶ 12. At each public meeting, representatives of SGM and the Debtors made public statements detailing the economic impact of the conditions proposed by JD Healthcare and the economic situation confronting each Hospital; urging the Attorney General to consider economic factors when issuing his conditions; and reiterating that any conditions exceeding those in Schedule 8.6 of the SGM APA could result in the termination of the SGM Sale and the closure of the Hospitals. *Id.*; *see also* Levy-Biehl Decl. ¶ 13.

42. On September 6, 2019, the Attorney General's office met with SGM representatives to discuss the proposed SGM Sale and the proposed conditions. *See* Levy-Biehl Decl. ¶ 14. On September 19, 2019, the Attorney General's office met with representatives of SGM and the Debtors for the same purpose. *Id.* On September 23, 2019, the Attorney General conducted another telephonic meeting with SGM and the Debtors. During each meeting, SGM consistently informed the Attorney General's office that SGM would not proceed with the transaction if the Attorney General imposed conditions beyond those SGM agreed to accept in Schedule 8.6. *Id.*

J. The 2019 Attorney General Conditions

43. On September 25, 2019, the Attorney General conditionally consented to the SGM Sale. The Attorney General's conditional consent is subject to the 2019 Conditions. *See* Exhibit "B." The 2019 Conditions include numerous Additional Conditions that are materially different

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

than those SGM contractually agreed to in Schedule 8.6. *See* Exhibit "C," which is a redline reflecting the deletion of the conditions in the 2019 Conditions that are materially different than the conditions in Schedule 8.6; *see also* Baronoff, Decl. ¶ 7.

44. The 2019 Conditions require, among other things, that SGM continue to operate the Hospitals and maintain various services, clinics and contractual arrangements for a period of time greater than the period of time that Debtors would have been obligated under the 2015 Conditions if the Debtors had the ability to continue to operate the Hospitals. *See* Adcock, Decl. ¶ 9. The 2019 Conditions are also materially different than those to which SGM agreed in Schedule 8.6 because the Additional Conditions impose, among other things, greater requirements for charity care expenditures, community benefit expenditures, capital expenditures, and do not account for the substantial shift in charity care needs following the implementation of the Affordable Care Act. *Id.*; see also Exhibit "C."

45. Importantly, SGM only agreed to close the SGM Sale if the conditions imposed by the Attorney General's office were not "materially different" than the conditions SGM agreed to in Section 8.6. *See* APA, Section 8.6, at 32, 33, Docket No. 2305-1; see also *See* Baronoff, Decl. ¶ 5. Additionally, SGM has repeatedly told the Debtors that multiple lenders have informed SGM that they would not agree to finance the SGM Sale if the conditions were not consistent with Schedule 8.6, which makes the SGM Sale nearly impossible to close. *See* Adcock, Decl. ¶ 16.

46. To avoid the impact of the Additional Conditions on the SGM Sale, the Debtors must seek an order enforcing the Sale Order, finding that the SGM Sale is free and clear of the 2019 Conditions, and limiting the SGM Sale to only those conditions to which SGM contractually agreed to assumed in Schedule 8.6 of the SGM APA.

K. The Economic Impact of the Additional Conditions

47. The Additional Conditions have a significant impact on the economic viability of the Hospitals and effectively increase, by more than 50%, the purchase price in the SGM APA. By way of example only, the 2019 Conditions would require SVMC to remain operated and maintained as a licensed general acute care hospital (as defined in California Health and Safety Code Section 1250) through December 2024, whereas Schedule 8.6 provides that SVMC will do so

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

through December 2020. The reported Financial Statements of SVMC reflect that, in fiscal year 2019 (ended June 30, 2019), SVMC lost approximately $65 million which was an 18% and 103% increase over the fiscal years 2018 and 2017, respectively. *See* Chadwick Decl., at ¶ 6. Assuming operating losses at SVMC can be maintained at fiscal 2019 levels (a highly optimistic assumption), SGM would likely incur additional estimated losses totaling $260 million through December 2024 because of the Additional Conditions. *Id.* Moreover, the $260 million loss would likely need to be financed. *Id.* Using an average interest rate of 5% for four years of debt service would result in estimated incremental financing charges totaling approximately $25 million. *Id.* Accordingly, this 2019 Condition alone would place a potential burden on the buyer of at least $285 million beyond that contemplated in Section 8.6.

48. The Charity Care requirement presents another example of the significant economic impact of the 2019 Conditions when compared with Schedule 8.6. The 2019 Conditions require that SGM to provide an annual amount of Charity Care at St. Francis equal to or greater than $12,793,435 for a period of six fiscal years, which is at least $4,793,435, per year more than SGM has agreed to provide, pursuant to Section 8.6 for a period of seven years.[2] *See* Chadwick Decl. ¶ 7; *see also* 2019 Conditions, Exhibit "B." After adjusting for the one-year shorter required duration of this 2019 Condition, the estimated incremental cost to the buyer would be nearly $20 million in total over the six years. *See* Chadwick Decl. ¶ 7. The 2019 Conditions provide for additional increases in Charity Care amounts for St. Vincent and Seton, as well as increases across all four Hospitals in Community Benefit Service amounts. *Id.*

49. In summary, the total financial impact of just the these two examples of 2019 Conditions would require SGM to incur additional losses of approximately $305 million beyond those contemplated by Schedule 8.6. *See* Chadwick Decl. ¶¶ 8, 9. When compared to the SGM APA purchase price of $610 million, these represent a 50% increase in the price for the sale of

[2] The Charity Care Condition imposed by the Attorney General is also $6.4 million dollars *more* than SFMC provided in Fiscal Year 2019. Thus, the Attorney General is actually requiring an increase in charity care being provided by SFMC.

these distressed assets. *Id.* The magnitude of these losses calls into question the viability of the acquisition.

50. The imposition of the Additional Conditions would result in the termination of the SGM Sale, unless the Debtors obtain the supplemental order required in Section 8.6 of the APA. *See* Baronoff, Decl. ¶ 7. If the SGM Sale does not close, the most likely outcome is that at least three of the Hospitals will have to close. *See* Adcock, Decl. ¶ 9. Altogether, between July 1, 2018 and June 30, 2019, the Hospitals had more than 34,000 inpatient admissions and 312,000 outpatient visits. *Id.* If the Hospitals are closed, all of those patients would be forced to find alternative providers for treatment, perhaps at greater distances than they are now required to travel for treatment at the Hospitals. For example, Seton Coastside is the only emergency room facility on the Pacific Coast between Daly City and Santa Cruz. *Id.* Additionally, Seton Coastside has 116 skilled nursing facility ("SNF") beds and, if Seton Coastside were closed, those residents would be forced to be relocated significant distances to find alternative facilities. *Id.* The risk of negative outcomes for emergency room patients increases as the distance, and therefore the time, required to obtain treatment, increases. In addition to the difficulty in finding alternative facilities for the SNF patients, the impact of transfer trauma on this population could be significant. *Id.*

IV.

ARGUMENT

A. THE SALE ORDER EFFECTUATED A SALE OF THE DEBTORS' ASSETS FREE AND CLEAR OF THE ADDITIONAL CONDITIONS

1. Section 363 Authorizes the Court to Sell the Debtors' Assets Free and Clear of Interests

The Court authorized the Debtors to sell assets to SGM pursuant to §§ 363(b) and (f). Section 363(b)(1) provides that the Debtors "may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1). The Bankruptcy Code provides that a sale pursuant to § 363(b)(1) must satisfy one of five alternative tests to be "free and clear of any interest in such property of an entity other than the estate":

> (1) applicable nonbankruptcy law permits sale of such property free and clear of such interest;
> (2) such entity consents;

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

(3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
(4) such interest is in bona fide dispute; or
(5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f).

Here, the Sale Order expressly provides that the SGM Sale was approved "free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights and any successor or successor-in-interest liability theories" pursuant to §§ 363(b) and (f). *See* Sale Order, ¶ G at 7. On this basis, and as set forth more fully below, the Sale Order effectuated the SGM Sale free and clear of the Additional Conditions.

2. The Additional Conditions Constitute an Interest in Property Subject to the "Free and Clear" Language in Section 363

a. Case Law Makes Clear That The Debtors Can Sell Their Hospitals Free And Clear Of "Interest In Property."

The Bankruptcy Code does not define "interest in property" as that term is used in § 363(f). *See, e.g., Precision Indus., Inc. v. Qualitech Steel SBQ, LLC*, 327 F.3d 537, 545 (7th Cir. 2003) ("The Bankruptcy Code does not define 'any interest,' and in the course of applying section 363(f) to a wide variety of rights and obligations related to estate property, courts have been unable to formulate a precise definition."). The majority of courts interpret the phrase "interest in property" broadly to include both *in rem* interests in property as well as "other obligations that may flow from ownership of the property." *Folger Adam Sec., Inc. v. DeMatteis v. MacGregor JV*, 209 F.3d 252, 258 (3d Cir. 2000); *see also In re Leckie Smokeless Coal Co.*, 99 F.3d 573, 582 (4th Cir. 1996) ("Congress did not expressly indicate that . . . it intended to limit the scope of section 363(f) to *in rem* interests, strictly defined, and we decline to adopt such a restricted reading of the statute here.").

The majority of courts have coalesced around a single approach: interests in property are obligations connected to or arising from the property being sold. *See, e.g., In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003) (finding that "interests in property [are] within the

The Fourth Circuit decision in *Leckie Smokeless Coal Co.* is instructive. In *Leckie*, the debtors—coal mine operators—were obligated to contribute to retiree benefit plans pursuant to the

Coal Industry Retiree Health Benefit Act of 1992, 26 U.S.C. §§ 9701-9722 (the "Coal Act"). *See Leckie Smokeless Coal Co.*, 99 F.3d at 575-76. Under the Coal Act, the successor to an operator was jointly and severally liable with the operator for payment of premiums. *See id.* at 576-77. Following the debtors' bankruptcy filing, the benefit plans opposed a proposed asset sale free and clear of successor liability for Coal Act premium payment obligations. *See id.* at 577. The bankruptcy court approved the sale free and clear, and, on appeal, the Fourth Circuit affirmed, concluding that the right to collect future premiums constituted interests in the assets transferred by the sale. *See id.* at 582. The Fourth Circuit explained that the benefit plans' right to collect premiums under the Coal Act

> are grounded, at least in part, in the fact that those very assets have been employed for coal-mining purposes: if Appellees had never elected to put their assets to use in the coal-mining industry, and had taken up business in an altogether different area, the Plan and Fund would have no right to seek premium payments from them. Because there is therefore a relationship between (1) the Fund's and Plan's rights to demand premium payments from Appellees and (2) the use to which Appellees put their assets, we find that the Fund and Plan have interests in those assets within the meaning of section 363(f).

Id. The relationship drawn by the Fourth Circuit between the prepetition obligation and the purchaser's use of assets for the same purposes as the debtor is cited repeatedly in cases finding that regulatory obligations are interests subject to § 363(f).

Similarly, a debtor's experience rating—the historic metric by which state regulators determine tax or insurance rates—may not be imputed to a purchaser of the debtor's assets. *See, e.g., In re Old Carco, LLC*, 538 B.R. 674 (Bankr. S.D.N.Y. 2015).[4] In *Old Carco, LLC*, the purchaser of substantially all of the debtor's assets sought an order finding that the sale order prohibited Indiana and Illinois from using the debtor's experience rating to calculate the

purchaser's unemployment insurance tax rate. *See* 538 B.R. at 677. The state statutes in issue authorized regulators to compute tax rates "based, in part, on the employer's historical claims paying experience, generally reaching back three years." *Id.* at 679. Thus, the purchaser's tax rate was subject to increase based on the amount of benefits paid to workers discharged during the debtor's operations. *See id.* at 679-80. The bankruptcy court concluded that the experience rating constituted an interest in the assets sold because

> [t]he States' rights to use Old Chrysler's Experience Rating arises from New Chrysler's acquisition of its assets and the continuation of its business. Had New Chrysler started the same business from scratch with new assets, the States could not use Old Chrysler's Experience Rating to compute its tax rate. Furthermore, New Chrysler's increased liability is directly related to Old Chrysler's discharge of persons it employed in its business; these discharged employees never worked for New Chrysler.

Id. at 684-85. Significantly, this "continuation of business" test is repeated throughout cases addressing interests in property. *See, e.g.*, *Trans World Airlines, Inc.*, 322 F.3d at 290 ("Had TWA not invested in airline assets, which required the employment of the EEOC claimants, those successor liability claims would not have arisen."); *PBBPC, Inc.*, 484 B.R. at 869 ("the record reflects that the transfer of an employer's contribution rate to a successor asset purchaser is really an attempt to recover the money that the predecessor employer would have paid if it had continued in business"); *Leckie Smokeless Coal Co*, 99 F.3d at 582 (finding no liability would arise "if [purchasers] had never elected to put their assets to use in the coal-mining industry, and had taken up business in an altogether different area"); *accord Chrysler LLC*, 576 F.3d at 126.

b. The Additional Conditions Are An Interest In Property For At Least Three Reasons.

Applying the same analysis, it is clear that the 2019 Conditions are interests in property within the meaning of § 363(f) for at least three reasons. Before discussing these reasons, the Debtors reiterate that their argument only focuses on the Additional Conditions since SGM contractually agreed to be bound by the conditions in Schedule 8.6.

First, as this Court has recognized, the Additional Conditions the Attorney General seeks to impose on SGM are premised on the Debtors' operations. Specifically,

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

> [t]he Conditions provide that any owner of the Hospital must furnish specified levels of emergency services, intensive care services, cardiac services, and various other services. The required service levels were derived ***based upon the historical experience of the prior operator***.

In re Verity Health Sys. of Cal., Inc., 598 B.R. 283, 293 (Bankr. C.D. Cal. 2018) (Robles, J.) (emphasis added). Thus, for example, the Additional Conditions' purported imposition of "charitable care obligations are connected to and arise from the Assets being sold . . . [because] [h]ad the Assets not originally been earmarked for charitable purposes, the Attorney General could not seek to impose continuing charitable care obligation." *In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 826 (Bankr. C.D. Cal. 2017) (Robles, J.), *appeal dismissed*, No. 17-03708, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018). The Additional Conditions constitute an interest in property to the extent they are premised or calculated based on the historical operations of the Debtors.

Second, the Attorney General's statutory authority to impose the Additional Conditions arises from the Debtors' operation of its assets as nonprofit acute care hospitals. The California statutory scheme grants the Attorney General authority to consent to the sale of a nonprofit health facility to a for-profit corporation. *See* CAL. CORP. CODE § 5914(a)(1)(A) (providing that a nonprofit corporation operating or controlling a health facility must obtain the consent of the Attorney General before entering into a transaction to "[s]ell, transfer, lease, exchange, option, convey, or otherwise dispose of, its assets to a for-profit corporation"); *see also id.* § 5917 (authorizing the Attorney General to condition any transaction described in CAL. CORP. CODE § 5914). The California statute ***does not*** allow the Attorney General to impose similar conditions on SGM—a for-profit entity—had it "started the same business from scratch with new assets." *Old Carco*, 538 B.R. at 684. As with the experience rating cases, it is the Debtors' "prior ownership and use" of the assets transferred by the SGM Sale that gives the Attorney General "a contingent right" to impose conditions on the Debtors under California law. *USA United Fleet, Inc.*, 496 B.R. at 87. Accordingly, the Additional Conditions constitute interests in property because they arise from the Debtors' prior ownership and use of the assets as nonprofit acute care hospitals.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Third, the Attorney General's authority to review the transaction arises from SGM's continuation of the Debtors' business as a health facility. *See* CAL. CORP. CODE § 5914(a)(1) (applying only to a sale of the assets of a nonprofit corporation that "operates or controls a health facility"). Under California law, the Debtors' assets subject to the SGM Sale qualify as health facilities to the extent they are operating general acute care hospitals. *See* CAL. HEALTH & SAFETY CODE § 1250(a). By way of example, in *Gardens Regional Hospital and Medical Center, Inc.*, this Court found that a sale of closed general acute care hospitals did not fall within the ambit of the Attorney General's regulatory authority because "the Assets being sold do not include an operating hospital." *See* 567 B.R. at 827. Here, however, SGM intends to purchase the Debtors' assets as operating acute care hospitals and continue their operations post-closing. As this Court has observed, the Attorney General's authority to impose the Additional Conditions on SGM under California Corporations Code, §§ 5914 *et seq.*, is "grounded, at least in part, in the fact that those very assets have been employed for" acute care hospital purposes. *Leckie Smokeless Coal Co.*, 99 F.3d at 582; *see also Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. at 826 ("The Attorney General's claim to regulatory authority is similar to the regulatory interests asserted in *PBBPC* and *Leckie Smokeless Coal*, and therefore constitutes an 'interest in . . . property' for purposes of § 363(f)."). Accordingly, the Additional Conditions constitute interests in property because the Attorney General's authority to impose the Additional Conditions is conditioned on their operation as health facilities upon the closing of the SGM Sale.

3. The SGM Sale Should Be Authorized Free and Clear of the Additional Conditions Pursuant to Section 363(f)

The Debtors are authorized to consummate the SGM Sale free and clear of the 2019 Conditions because the SGM Sale satisfies the disjunctive sub-factors of § 363(f). *See* 11 U.S.C. 363(f); *see also Pinnacle Rest. at Big Sky, LLC v. CH SP Acquisitions (In re Spanish Peaks Hldgs. II, LLC)*, 872 F.3d 892, 897 (9th Cir. 2017). For practical purposes, the analysis below references the Additional Conditions, given that SGM contractually agreed to be bound by the conditions in Schedule 8.6.

DENTONS US LLP

a. California Law Allows the Sale of Nonprofit Health Facilities Without the Imposition of Additional Conditions (§ 363(f)(1))

The Bankruptcy Code permits the sale of property free and clear of interests if "such a sale would be ***legally permissible***." *In re Spanish Peaks Hldgs. II, LLC*, 872 F.3d at 900 (emphasis added); *see also* 11 U.S.C. § 363(f)(1) (permitting sales free and clear of interests if "applicable nonbankruptcy law permits the sale of such property free and clear of such interest"). Thus, absent a specific statutory requirement, the purchaser of an asset assumes no associated liabilities of the seller, including successor liability. *See Myers v. U.S.*, 297 B.R. at 784 ("As a general rule, under California law a purchaser does not assume the seller's liability."). Under § 363(f)(1), the Debtors can sell the Hospitals free and clear of the Additional Conditions because ***neither*** the Attorney General's statutory basis for imposing the Additional Conditions ***nor*** California common law impose successor liability. *See In re Verity Health Sys. Of Cal., Inc.*, 598 B.R. at 296 (Bankr. C.D. Cal. 2018) (Robles, J.) ("Provisions within the Conditions are enforceable only to the extent they are supported by California law.")

The California Corporations Code does not authorize the Attorney General to impose successor liability on the assets of a health facility. California law imposes upon the seller the obligation to notify the Attorney General of a sale and to obtain his consent to such sale. *See* CAL. CORP. CODE § 5914(a)(1) ("Any nonprofit corporation that . . . operates a health facility . . . shall be required to providing written notice to, and obtain the written consent of, the Attorney General" prior to entering into a sale transaction.); *see id.* § 5917 (granting the Attorney General discretion to "consent to, give conditional consent to, or not consent to any agreement or transaction). But, the statute ***does not*** grant the Attorney General authority to impose conditions on the assets subject to the transaction. Indeed, the Attorney General was previously unable to identify any provision of applicable "California law entitling him to enforce successorship liability under the circumstances of this case." *In re Verity Health Sys. of Cal., Inc.*, 598 B.R. at 296 (finding that "[t]he Attorney General's reliance upon provisions purporting to make the Conditions binding upon all successors, regardless of the circumstances under which such successors acquiring the Hospitals, is an impermissible attempt to expand his regulatory authority over the Hospitals").

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

In *La Paloma Generating, Co.*, a bankruptcy court granted a sale pursuant to § 363(f)(1) after finding that the applicable California regulatory scheme governing the transfer of cap and trade liabilities in the sale of electrical generation facilities did not impose successor liability. *See* No. 16-12700, 2017 WL 5197116 (Bankr D. Del. Nov. 9, 2017). The court concluded that, as here, the regulatory scheme did not impose successor liability because it imposed liabilities on entities rather than the assets subject to the transaction. *See id.* at *7 ("[T]he Regulation does not dictate . . . substitution and assumption of liability. In no way does Section 95835(b)(8) impugn liability on the purchase of the Covered Entity's assets."). Here, similarly, the California Corporations Code does not impose any statutory successor liability because the obligations are limited to the seller rather than the assets transferred pursuant to a sale.

Further, the SGM Sale does not implicate any of the four grounds to impose successor liability under California law. Under California law,

> the purchaser does not assume the seller's liabilities unless (1) there is an express or implied agreement of assumption, (2) the transaction amounts to a consolidation or merger of the two corporations, (3) the purchasing corporation is a mere continuation of the seller, or (4) the transfer of assets to the purchaser is for the fraudulent purpose of escaping liability for the seller's debts.

Ray v. Alad Corp., 19 Cal. 3d 22, 28 (1977); *see also City of San Diego v. Nat'l Steel & Shipbuilding Co.*, No. 09-2275, 2011 WL 5104624, at *4 (S.D. Cal. Oct. 27, 2011). None of the four grounds is present here. SGM has not expressly or impliedly agreed to assume the Debtors' obligations under the 2015 Conditions (except to the extent contracted in the SGM APA). The Court specifically found that the transfer was at arm's length and in good faith rather than for any fraudulent purpose. *See* Sale Order, ¶¶ D-E at 6-7 ("[T]he Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors."). Finally, the transaction is not a consolidation, merger, or mere continuation because SGM has provided non-stock consideration and SGM and the Debtors have different officers, directors, or stockholders. *See, e.g.*, *Alad Corp.*, 19 Cal. 3d at 28-29 (citing *Econ. Refining & Serv. Co. v. Royal Nat. Bank of N.Y.*, 20 Cal. App. 3d 434 (Cal. Ct. App. 1971); *Malone v. Red Top Cab Co.* 16 Cal. App. 2d 268, 272-274 (1936);

Shannon v. Samuel Langston Co. 379 F. Supp. 797, 801 (W.D. Mich. 1974)). Accordingly, the Debtors may sell the Hospitals free and clear of the Additional Conditions because nonbankruptcy law does not impose successor liability notwithstanding the contrary provisions in the Additional Conditions.

b. The Additional Conditions Are Subject to A Bona Fide Dispute (§ 363(f)(4))

The Debtors may sell the Hospital free and clear of the Additional Conditions because the Attorney General's authority to impose the Additional Conditions is in bona fide dispute. *See* 11 U.S.C. § 363(f)(4). The phrase "bona fide dispute" is not defined by the Bankruptcy Code. *See Atlas Mach. & Iron Works, Inc. v. Bethlehem Steel Corp.*, 986 F.2d 709, 715 (4th Cir. 1993) ("Although courts have not agreed on a precise definition of 'bona fide dispute,' it entails some sort of meritorious, existing conflict.") (citations omitted). Courts find a "bona fide dispute" when "there is an objective basis for either a factual or legal dispute as to the validity of the asserted interest." *In re Taylor*, 198 B.R. 142, 147 (Bankr. D.S.C. 1996). An objective legal basis for dispute may arise under bankruptcy or nonbankruptcy law. *See In re L.L. Murphrey Co.*, No. 12-03837-8-JRL, 2013 WL 2451368 (Bankr. E.D.N.C. June 6, 2013) (finding bona fide dispute as to validity of a creditor's lien subject to avoidance under § 544(a)(3)). Importantly, it is not necessary that the court resolve the dispute or its merits. *See id.* ("This standard does not require that the Court resolve the underlying dispute or determine the probable outcome of the dispute, but merely whether one exists.").

Here, the Additional Conditions are subject to bona fide dispute under bankruptcy and nonbankruptcy law. As set forth in this Motion, the Debtors dispute the Attorney General's authority to issue conditions impose successor liability contrary to the provisions of California law, the Bankruptcy Code, and the Sale Order. Further, as discussed more fully below, the Debtors dispute whether the Attorney General abused his discretion in imposing the Additional Conditions without adequate support. In each instance, the Court need not determine the relative merits of the disputes, and, instead, need only find that the disputes raised by the Debtors are bona fide. In each

case, the Debtors' disputes as to the Additional Conditions support a sale free and clear of the Additional Conditions under § 363(f)(4).

c. The Attorney General Can Be Compelled to Accept A Money Satisfaction in the Event of Noncompliance with the Additional Conditions (§ 363(f)(5))

Section 363(f)(5) permits a sale free and clear if (i) the nondebtor could be compelled to accept a money satisfaction of the interest in property (ii) in a proceeding that could be brought. *See In re PW, LLC*, 391 B.R. 25, 41 (B.A.P. 9th Cir. 2008). An interest in property is subject to satisfaction for purposes of § 363(f)(5) if it imposes a calculable monetary obligation. *See In re Vista Marketing Grp. Ltd.*, 557 B.R. at 635 ("[O]ne would be hard-pressed to present a clearer example of a situation where the interest-holder could be compelled to accept a money satisfaction of its interest under subsection (f)(5) than the calculable monetary obligation asserted by the District in its surcharge bill and disconnection notice."); *see also In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003) (interests in property such as travel vouchers and EEOC claims may be reduced to a specific monetary value for purposes of § 365(f)(5)).

Here, many of the Additional Conditions are subject to satisfaction by the payment of money. For example, certain Additional Conditions require charity care of a specific monetary value. *See* Exhibit "C." The Attorney General has historically (including in the Debtors' own experience) allowed health facilities to satisfy any charity care deficiency by paying funds to satisfy shortfalls to other purposes or entities. *See, e.g.*, First-Day Decl., ¶ 108 at 28 ("[A]s a result of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was required to make an additional contribution to the Retirement Plans of $7,619,000 in October 2017."); *see also In re WBQ P'ship*, 189 B.R. at 107 (finding § 363(f)(5) satisfied where state's right of recapture upon sale of nursing home could constitute a claim against the debtors subject to hypothetical cramdown).

Indeed, there is no dispute that the Attorney General allows unsatisfied charity care contributions to be satisfied by the payment of money. In the 2015 Conditions, the Attorney General expressly allowed the Debtors to satisfy any shortfall by paying an amount equal to the charity care shortfall to some other purpose. For example, with regard to St. Francis, the 2015

Conditions expressly allowed satisfaction of the Charity Care Condition by payment of 50% of the shortfall to employee pension plans and 50% of the shortfall to capital expenditures for maintenance of the facilities. *See* Docket No.256-1, Exhibit A, at 9. Allowing payment of monies to other entities to satisfy a shortfall in providing charity care is not unique to these hospitals. A review of the Attorney General's website describing nonprofit hospital transactions is replete with such examples. *See* https://oag.ca.gov/sites/all/files/agweb/pdfs/charities/nonprofithosp/. For example, in a decision on January 9, 2019, regarding Parkview Hospital, the Attorney General approved the proposed transaction with the condition that if there was a shortfall in the charity care required, that shortfall could be satisfied by the payment of "an amount equal to the deficiency to one or more tax-exempt entities that provide direct health care services to residents in the Hospital's service area."

Further, the 2019 Conditions make clear that the Attorney General can enforce satisfaction of these monetary obligations in a hypothetical legal proceeding. *See In re WBQ P'ship*, 189 B.R. at 107 (holding that nursing home sale was free and clear of state department's right to recover depreciation overpayments and emphasizing "'hypothetical' satisfaction, since § 363(f)(5) authorizes a sale if the interest holder '*could be* compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest'") (emphasis in original). The Attorney General specifically reserves his right to enforce the 2019 Conditions "to the fullest extent provided by law" and that, "[i]n addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies a court may deem appropriate for breach of any of these Conditions." *See* Exhibit "B." As with the Debtors' prior satisfaction of the Charity Care Condition, payment of money was sufficient to "extinguish" entirely the Debtors' obligation to comply with the Charity Care Condition. *See, e.g.*, *In re Hassen Imports P'ship*, 502 B.R. 851, 861 (C.D. Cal. 2013) (finding that § 363(f)(5) "only authorizes sale free and clear when money payment is given in exchange for the extinguished interest"). Accordingly, as noted by the Attorney General, monetary conditions may be satisfied in a hypothetical legal proceeding.

Accordingly, the Attorney General can be compelled to accept monetary satisfaction of the Additional Conditions that impose calculable monetary obligations sufficient to sell the Hospitals free and clear of the Additional Conditions. For the foregoing reasons, the Sale Order effectuated a sale free and clear of the 2019 Conditions except for those SGM agreed to assume by contract as set forth in Schedule 8.6.

d. The Additional Conditions Contravene The Purposes of § 363(f) to the Extent They Purport to Impose Successor Liability on SGM.

California law does not authorize the Attorney General to impose successor liability on the purchaser of a health care facility because the statute only makes reference to the obligations of the seller rather than the assets sold. *See* discussion, *supra*; *see also In re La Paloma Generating, Co.*, No. 16-12700, 2017 WL 5197116 (Bankr. D. Del. Nov. 9, 2017); CAL. CORP. CODE § 5914. Further, the Debtors may sell the Hospitals free and clear of any successor liability assuming, *arguendo*, that the Conditions impose successor liability on SGM.

Courts favor a broader reading of § 363 in two instances where imposition of successor liability would compromise the fundamental purposes of bankruptcy sales. ***First***, "allowing sales of debtor assets free and clear of liabilities of the debtor induces a higher sale price for the assets, thereby maximizing the value of the estate and maximizing potential recovery to creditors." *Grumman Olson Indus. Inc.*, 467 B.R. at 703; *see also Douglas v. Stamco*, 363 Fed. Appx. 101, 102-03 (2d Cir. 2010) ("to the extent that the 'free and clear' nature of the sale . . . was a crucial inducement in the sale's successful transaction . . . the potential chilling effect of allowing a tort claim subsequent to the sale would run counter to a core aim of the Bankruptcy Code"); *Indiana State Police Pension Trust*, 576 F.3d at 126 ("The possibility of transferring assets free and clear of existing tort liability was a critical inducement to the Sale."); *In re PBBPC, Inc.*, 484 B.R. at 870 (rejecting imposition of experience rating where "the possibility of transferring assets free and clear of successor liability was a critical inducement to the sale") (quotations omitted); *Myers v. U.S.*, 297 B.R. at 781 (finding sale order sold assets free and clear of successor liability and positing "who would ever purchase assets at a bankruptcy proceeding if the successor liability were not limited, despite the plain wording of the bankruptcy court order?"). As discussed in detail, above,

imposition of the Additional Conditions have serious financial consequences for the SGM Sale that undercut the free and clear nature of the SGM Sale and served as a critical inducement for the only bidder on the Debtors' Hospital assets. Accordingly, the Debtors may sell the Hospitals free and clear of any successor liability imposed by the Additional Conditions under § 363.

Second, allowing a claimant to pursue an asset purchaser in bankruptcy "would subvert the Bankruptcy Code's priority scheme, by allowing a low-priority, unsecured claim to leapfrog over other creditors in the bankruptcy." *See, e.g.*, *In re Grumman Olson Indus. Inc.*, 467 B.R. 694, 703 (S.D.N.Y 2012); *see also In re Trans World Airlines, Inc.*, 322 F.3d 283, 291 (3d Cir. 2003) ("Even were we to conclude that the claims at issue are not interests in property, the priority scheme of the Bankruptcy Code supports the transfer of TWA's assets free and clear of the claims."); *Myers*, 297 B.R. at 781 (finding a sale order that *excluded* "successor liability" from the interests stripped under § 363(f) nevertheless effectuated a sale of the assets free and clear of successor liability because, to hold otherwise, "would allow unsecured creditors to receive greater protection and more priority than secured claims"). The Additional Conditions allow the Attorney General to impose monetary obligations on SGM to continue providing services such as charity care that were financially infeasible for the Debtors.

B. COMPLIANCE WITH § 363(d)(1) DOES NOT LIMIT THE DEBTORS' RIGHT TO SELL ITS ASSETS FREE AND CLEAR UNDER § 363(f).

Section 363(d)(1) provides that the Debtors must sell the Hospitals in accordance with nonbankruptcy law applicable to nonprofit transactions, and § 363(f) authorizes the Debtors to sell the Hospitals free and clear of interests in property. These two sections are easily construed under several applicable principles of statutory construction.

First, each statutory provision should be read by reference to the whole act. *See John Hancock Mut. Life Ins. Co. v. Harris Trust & Sav. Bank*, 114 S. Ct. 517, 523 (1993); *Pavelic & Leflore v. Marvel Entm't Grp.*, 493 U.S. 120, 123-24 (1989); *Mass. v. Morash*, 490 U.S. 107, 114-15 (1989). Second, the Court should avoid interpreting a provision of the Bankruptcy Code in a way inconsistent with the policy of another provision of the Bankruptcy Code. *See United Sav. Ass'n v. Timbers of Inwood Forest Assocs.*, 484 U.S. 365, 371 (1988). Finally, specific provisions

targeting a particular issue apply instead of provisions more generally covering the issue. *See Morton v. Mancari*, 417 U.S. 535, 550-51 (1974) (a general statute will not be held to have repealed by implication a more specific one unless there is "clear intention otherwise"); *U.S. v. Novak*, 476 F.3d 1041, 1054 (9th Cir. 2007) (recognizing "the elementary tenet of statutory construction that a general statute will not alter a more specific one") (quotations omitted). This tenet applies with equal force to interpretation of competing provisions of the Bankruptcy Code. *See Law v. Seigel*, 571 U.S. 415, 421 (2014) (resolving conflict between §§ 105(a) and 522 by "application of the axiom that a statute's general permission to take actions of a certain type must yield to a specific prohibition found elsewhere").

Applying these principles, the requirement to act in accordance with nonbankruptcy law does not abrogate the Debtors' authority to sell free and clear of the Additional Conditions under the more specific provisions of § 363(f), particularly when the Additional Conditions would render the terms of the SGM APA and the Sale Order meaningless.

Section 363(f) provides specific grounds to conduct sales free and clear of interests in property that is not limited by a nonprofit debtor's general obligation, under § 363(d)(1), to comply with nonbankruptcy law. Section 363 provides that nonprofit debtors must generally comply with applicable nonbankruptcy law in conducting sales under § 363(b). Section 363(d)(1) provides that a nonprofit debtor may sell assets of the estate pursuant to § 363(b) "only in accordance with nonbankruptcy law applicable to the transfer of property by" such nonprofit debtor. 11 U.S.C. 363(d)(1). This general requirement in § 363(d)(1) makes no reference to § 363(f), which sets forth the specific bases by which a debtor may obtain approval of a sale under § 363(b) free and clear of any interest in such property. Without a "clear intention otherwise," the general requirement that a nonprofit debtor comply with nonbankruptcy law does not repeal by implication the specifics of free and clear sales under § 363(f), including the Debtors' rights to sell assets free and clear of successor liability. *See Morton*, 417 U.S. at 550-51. Simply put, § 363(d)(1) does not grant the Attorney General the unfettered right to impose conditions without regard to this Court's exclusive

jurisdiction over the Debtors' assets and any other provisions of the Bankruptcy Code. *See, e.g.*, §§ 363(f), 525, 541; *see also* 28 U.S.C. § 1334(e).[5]

Even if the provisions were in conflict, applicable law authorizing the Attorney General to review and condition sales of health facilities is not inconsistent with the successor liability limitations set forth in § 363(f). As discussed above, applicable California law does not impose successor liability on the SGM Sale because the obligations are imposed on the seller of a health facility rather than the assets themselves. *See, e.g.*, *In re La Paloma Generating, Co.*, 2017 WL 5197116, at *7 ("[T]he Regulation does not dictate . . . substitution and assumption of liability. In no way does Section 95835(b)(8) impugn liability on the purchase of the Covered Entity's assets.").

Accordingly, the general requirements of § 363(d)(1) are not in conflict with the Debtors' authority to sell assets free and clear of successor liability under § 363(f). The Debtors complied with the requirements of nonbankruptcy law and received the Attorney General's conditional approval of the SGM Sale. Nonbankruptcy law does not impose successor liability on SGM, and,

[5] The Attorney General has previously argued that he may enforce conditions on the sale of a nonprofit hospital, pursuant to police and regulatory powers designed to protect the health and safety of the community. *See* Docket No. 463, at 7 (the "Prior Response"). However, unlike § 362(b)(4), § 363 has no exception for governmental entities acting pursuant to police or regulatory powers. The Congress is presumed to act intentionally and purposely when it includes language in one section but omits it in another. *Keene Corp. v. United States*, 508 U.S. 200, 208 (1993) ("where Congress includes particular language in one section of a statute but omits it in another [...] it is generally presumed that Congress acts intentionally and purposely in the disparate inclusion or exclusion.") (quoting *Russello v. United States*, 464 U.S. 16, 23 (1983)). Even if such an exception were to apply, as the Attorney General concedes in the Prior Response, preemption of state law is most likely where the state statute carves an exception out of the Bankruptcy Code, or where the state statute is concerned with economic regulation rather than protecting the public health and safety. Prior Response, at 7, lines 1-15 (citing *Baker & Drake, Inc. v. Pub. Serv. Comm'n of Nevada*, 35 F.3d 1348, 1353 (9th Cir. 1994)). Both situations exist here. First, the interpretation suggested by the Attorney General carves a huge exception out of the Bankruptcy Code, basically allowing him to ignore both the plain language of the federal laws, and the practical implications of his interpretation. Second, although the state statute discusses that a sale to a for-profit "may affect the availability of community health care services," Prior Response, at 7, lines 23-24 (citing CAL. CORP. CODE, Ch. 9, Note §1m Stats 1996, ch. 1105), the Attorney General has *no* general oversight over health facilities in California or over acute care hospitals in particular. Rather, his review is predicated on the regulation of a kind of business—nonprofits—and therefore falls neatly into economic regulations.

to the extent the Additional Conditions impose successor liability, the Debtors may sell free and clear under § 363(f) while still complying with their general obligations under § 363(d)(1).

C. THE ATTORNEY GENERAL CANNOT INTERFERE WITH THE COURT'S EXCLUSIVE JURISDICTION OVER PROPERTY OF THE ESTATES.

Section 1334(e) of title 28 of the United States Code grants federal district courts—and, by jurisdictional grant, pursuant to 28 U.S.C. § 157(a), bankruptcy courts within each district—exclusive jurisdiction of all property of the debtor and its estate, "wherever located." 28 U.S.C. § 1334(e); 11 U.S.C. § 157(a); *see also Hong Kong and Shanghai Banking Corp. v. Simon (In re Simon)*, 153 F.3d 991 (9th Cir. 1998) (district court in which bankruptcy case is commenced has exclusive *in rem* jurisdiction over all estate property); *see also Central Va. Cmty College v. Katz*, 546 U.S. 356, 126 S. Ct. 990 (2006) (A "critical feature of every bankruptcy proceeding [is] the exercise of exclusive jurisdiction over all of the debtor's property."). Moreover, in the context of adjudicating the rights of in a bankruptcy estate, even against the Attorney General, the power of the bankruptcy court includes the "power to issue compulsory orders to facilitate the administration and distribution of the res." *Id.* The Supreme Court was clear in *Katz* that the Court's power was not limited to *in rem* beyond the "mere adjudication of rights in a res" and extended to proceedings "necessary to effectuate the *in rem* jurisdiction of the bankruptcy courts." *Id.* Therefore, under *Katz*, the Court also has the power to issue orders necessary to effectuate the Sale Order, including issuing orders that the SGM Sale is free and clear of the Additional Conditions.

Here, the Court has exclusive jurisdiction over the Hospitals because they are indisputably "property of the estates" pursuant to § 541. *See* § 541. The Court's exclusive jurisdiction limits the Attorney General's attempt to impose restrictions on the Hospitals. Moreover, the states' right to regulate an operating debtor in possession under 28 U.S.C. § 959(b) does not limit this Court's jurisdiction or give the state the right to interfere in the sale of the Debtors' Hospitals. *See Hillis Motors v Hawai`i Auto Dealers Assn.*, 997 F.2d 581, 592 (9th Cir 1993) (holding that state action to involuntarily dissolve a corporation for non-payment of franchise fees and filings violated the automatic stay as an act to control property of the estate under § 362(a)(3) and was not excepted by §362 (b)(4) or (5) or 28 U.S.C. § 959(b)).

D. THE ADDITIONAL CONDITIONS VIOLATE § 525 BECAUSE THEIR EXPRESS PURPOSE IS TO REQUIRE SGM TO UNDERTAKE THE SAME OBLIGATIONS THE DEBTORS CAN NO LONGER ACCOMPLISH.

Imposition of the Additional Conditions constitutes impermissible discrimination against the Debtors and SGM, as a debtor-associate, pursuant to § 525. Section 525(a) grants the Debtors protection against discriminatory treatment by governmental unit on account of the Debtors' insolvency. *See* 11 U.S.C. § 525(a).

One of the leading case interpreting § 525 is the United States Supreme Court's decision in *Federal Communications Commission v. NextWave Communications, Inc.* 537 U.S. 293 (2003) ("NextWave"). In *NextWave*, the Federal Communications Commission (the "FCC") cancelled certain licenses owned by the debtor, but denied that the proximate cause for its cancellation of the licenses was the failure to make payments due to the FCC. Instead, the FCC contended that § 525 did not apply because it had a valid regulatory motive for the cancellation. The Supreme Court held that the FCC's motive was "irrelevant" because "[s]ection 525 means nothing more or less than that the failure to pay a dischargeable debt must alone be the proximate cause of the cancellation —the act or event that triggers the agency's decision to cancel, whatever the agency's ultimate motive in pulling the trigger may be." *NextWave*, 537 U.S. at 301-02. The FCC contended that NextWave's license obligations to the commission were not "debt[s] that [are] dischargeable" in bankruptcy. *Id.* at 302. The FCC argued that regulatory requirements, such as a full and timely payment condition, are not properly classified as "debts" under the Bankruptcy Code. The Supreme Court dismissed this argument, finding that "a debt is a debt even when the obligation to pay it is a regulatory condition." *Id.* at 303. The FCC also argued that NextWave's obligations were not "dischargeable" in bankruptcy because bankruptcy courts did not have the jurisdictional authority to alter regulatory obligations. *Id.* Noting that dischargeability is not tied to the existence of such authority, the Supreme Court found that a preconfirmation debt is dischargeable unless it falls within an express exception to discharge. *Id.*

In *In re Aurora Gas, LLC*, the bankruptcy court addressed whether the State of Alaska violated § 525(a) by effectively conditioning the sale of gas leases on the purchaser's assumption of unpurchased liabilities. *See* No. 16-00130, 2017 WL 4325560 (Bankr. D. Alaska Sept. 26, 2017).

The debtor formerly operated nine oil and gas wells leased from the state. *See id.* at *1. During the course of the bankruptcy case, the debtor determined that it would not be able to sell three of the wells leased on state lands and could not afford to completely plug and abandon the wells. *See id.* The debtor, thus, began the process of temporarily plugging the wells and obtained approval to reject the leases. *See id.* The debtor secured an offer to purchase five of the remaining oil and gas leases for $100,000, subject, however, to review and approval by the state. *See id.* The bankruptcy court entered an order granting authority to assume and assign the leases and sell related assets free and clear of claims and interests. *See id.* at *2. Subsequently, the state imposed conditions on the sale that required the purchaser either agree to (i) a bond in the amount of $200,000 and an agreement to plug and abandon the three unpurchased wells, or (ii) a bond in the amount of $6 million. *See id.*

The bankruptcy court held that the imposition of the conditions violated § 525(a). The bankruptcy court noted that "the State does not deny that the Decision was an attempt to collect [the debtor's] debt for the [nonoperating] leases. Rather, it defends its action as necessary to provide for the plugging and abandonment of the wells which the debtor will not be able to accomplish." *Id.* at *4. The court concluded that the state "effectively denied the debtor's transfer of five of its . . . leases because it insists on recovering the debtor's . . . plug and abandonment liability." *Id.* at *5. Indeed, the $6 million bonding requirement made clear that the state's intent was to recover on the debtor's potentially dischargeable liabilities rather than the "proper exercise of the agency's discretion in discharge of its statutory duties." *See id.* ("There is nothing in the Decision to support the [state's] conclusion that it will cost $1,000,000 to plug and abandon each well.").

The Additional Conditions are no different than those addressed by the bankruptcy court in *Aurora Gas* because they impose upon SGM the very same levels of services, charity care, and other obligations imposed on the Debtors by the 2015 Conditions. The Additional Conditions repeatedly obligate SGM to maintain licensure and services "at no less than current" levels that correspond directly to the Debtors' postpetition services. *See* Exhibit "B" ("The term 'current' or 'currently' throughout this document means as of January 1, 2019.") (2019 Conditions, at 2, n.2).

As discussed above, § 363(f) allows the Debtors to sell their assets free and clear of the Attorney General's interests in imposing Additional Conditions. These interests are dischargeable within the meaning of § 525(a) even if the Debtors will not receive a discharge under their Plan. *See Aurora Gas, LLC*, 2017 WL 4325560, at *6 ("The State has not identified any exception within § 523(a) for the debtor's prepetition liability for plugging and abandoning the [nonoperating] wells. Nothing within § 525(a) requires that the debtor actually obtain a discharge, only that the debt be dischargeable."); *FCC v. NextWave Pers. Commc'ns Inc.*, 537 U.S. at 303 ("A preconfirmation debt is dischargeable unless it falls within an express exception to discharge."). Further, as with *Aurora Gas*, the Additional Conditions will "effectively den[y] the [Debtors'] transfer of" their hospital assets because the Attorney General "insists on recovering" from SGM the same obligations imposed on the Debtors under the 2015 Conditions. The Additional Conditions must be denied as violative of § 525(a) because the Debtors' inability to continue the same services following the conclusion of these Cases are "the proximate cause" of the Attorney General's Additional Conditions. *See NextWave Pers. Commc'ns Inc.*, 537 U.S. at 301-02.

E. THE ATTORNEY GENERAL ABUSED HIS DISCRETION IN IMPOSING THE ADDITIONAL CONDITIONS.

1. The Court Has Authority to Review Whether the Attorney General Abused His Discretion in Imposing the Additional Conditions.

If the Court does not find the Additional Conditions are cut off by § 363, the Debtors ask that the Court review the Attorney General's decision under applicable nonbankruptcy law. Section 1221(e) of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109-8, § 1221(e) (2005), makes clear that the applicable nonbankruptcy law should be interpreted by this Court and should not be referred to a state court. *In re HHH Choices Health Plan, LLC*, 554 B.R. 697, 700-01 (Bankr. S.D.N.Y. 2016) ("While a transfer [of nonprofit assets] must comply with the substantive requirements of state law. . . . any determination that would be made by a state court, . . . in the absence of a bankruptcy case, is now a determination to be made by [the bankruptcy court], and not by the state court.").

The Attorney General has discretion under applicable state law to deny, consent to, or conditionally approve a transaction. However, that discretion is limited and subject to judicial

review. Under state law, the Court has the power to overrule the Attorney General's decision imposing conditions inconsistent with Section 8.6 of the SGM APA. *Del Riccio v. Superior Court*, 115 Cal. App. 2d 29, 31 (1952) ("In the exercise of equitable jurisdiction the court undoubtedly has broad discretionary powers to take whatever action is necessary in the interests of justice in order that its decrees will not fail to accomplish their purpose."); *see also* Cal. Code Civ. Proc., § 187. That power extends even to reviewing discretionary decisions for abuse of discretion. *Lamb v. Webb* (1907) 151 Cal. 451, 454 (the trial court has the power to compel the Attorney General to act where the Attorney General abused its discretion); accord *City of Campbell v. Mosk*, 197 Cal. App. 2d 640, 645 (1961).

Judicial review of most public agency decisions is obtained either by: (1) a writ of ordinary/traditional mandamus, pursuant to C.C.P. § 1085; or (2) a writ of administrative mandamus, pursuant to C.C.P. § 1094.5. *See Friends of the Old Trees v. Dep't of Forestry & Fire Prot.*, 61 Cal. Rptr. 2d 297, 303 (Cal. Ct. App. 1997). Ordinary mandate under C.C.P. § 1085 is a traditional remedy by which a court compels an inferior tribunal to perform a legally required duty. Administrative mandate under C.C.P. §1094.5 is a statutory remedy which enables a petitioner to challenge an administrative decision after an adjudicatory hearing in which the agency performs a fact finding function. Parties are entitled to seek both in the same action. *See Conlan v. Bonta*, 102 Cal. App. 4th 745, 751-52 (2002). Moreover, C.C.P. §§ 1085 and 1094.5, subd. (f) are identical in authorizing courts to issue a writ of mandate to compel the performance of an act "which the law specially enjoins."

Under C.C.P. § 1094.5, the Court "begin[s] its review with a presumption of the correctness of administrative findings, and then, after affording the respect due to these findings, exercise[s] independent judgment in making its own findings." *Fukuda v. City of Angels*, 977 P.2d 693, 701 (Cal. 1999); s*ee Benetatos v. City of Los Angeles,* 186 Cal. Rptr. 3d 46, 56 (Cal. Ct. App. 2015) ("the independent judgment test is applied to review administrative decisions that will drive an owner out of business or significantly injure the business's ability to function").

Alternatively, for traditional mandamus under C.C.P. § 1085, the Court reviews the administrative action to determine whether it "was arbitrary, capricious, or entirely lacking in

(213) 623-9300

evidentiary support, contrary to established public policy, unlawful or procedurally unfair." *Id.* (quotations omitted). "Although mandate will not lie to control a public agency's discretion, that is to say, force the exercise of discretion in a particular manner, it will lie to correct abuses of discretion." *Id.* (quotations omitted). "Abuse of discretion is established if the … order or decision is not supported by the findings, or the findings are not supported by the evidence." *Wollmer v. City of Berkeley*, 193 Cal. App. 4th 1329, 1338 (2011) (citing Cal. Code Civ. Proc., § 1094.5, subd. (b).) Moreover, the Court should not give deference to the Attorney General's interpretation of State law. *County of San Diego v. State of Cal.* 15 Cal. 4th 68, 109 (1997). Because public agencies and officials "have a duty to comply with applicable state statutes and local ordinances," failure to do so is an abuse of discretion that is "arbitrary, capricious, or lacking in evidentiary support *Bright Dev. v. City of Tracy* 20 Cal. App. 4th 783 (1993).

Regardless of which standard applies here, the Attorney General's conduct does not pass muster under either statute. The Attorney General's decision to impose many, if not all, of the Additional Conditions, is not supported by findings or evidence. *See Topanga Assn. for a Scenic Community v. County of Los Angeles*, 11 Cal. 3d 506, 515 (1974) ("[I]mplicit in section 1094.5 is a requirement that the agency which renders the challenged decision must set forth findings to bridge the analytic gap between the raw evidence and ultimate decision or order."). The Attorney General has given no consideration whatsoever to the economic impact of the 2019 Conditions on the continued existence of the Hospitals. Although Attorney General's review of the SGM Sale was undertaken pursuant to a statute that purports to seek to preserve healthcare for the community, it is undisputed that the 2019 Conditions imposed by the Attorney General will have the singular result of destroying the SGM Sale and closing hospitals. There could not be a clearer example of an abuse of discretion. *Honchariw v. City of Stanislaus* 218 Cal. App. 4th 1019, 1027 (2013); *see also Bob Jones Univ. v. United States* 461 U.S. 574, 586 (1983) (a well-established canon of statutory construction provides that literal language should not defeat the plain purpose of the statute).

2. The Scope of the Court's Review on Writ of Mandamus

Judicial review of most public agency decisions is obtained by a writ of: (1) ordinary or traditional mandamus, per C.C.P. § 1085; or (2) administrative mandamus, per C.C.P. § 1094.5. *See Friends of the Old Trees v. Dep't of Forestry & Fire Prot.*, 61 Cal. Rptr. 2d 297, 303 (Cal. Ct. App. 1997).

The applicable type of mandate is determined by the nature of the administrative action or decision, in that quasi-legislative or ministerial acts are reviewed by ordinary mandate, while quasi-judicial acts are reviewed by administrative mandate. *Id.* "Generally speaking, a legislative action is the formulation of a rule to be applied to all future cases, while an adjudicatory act involves the actual application of such a rule to a specific set of existing facts." *Id.* (quotation omitted). More specifically, traditional mandate is used to review agency action when the agency was not required to hold a hearing, whereas administrative mandamus reviews final administrative orders from a proceeding "in which by law a hearing is required to be given, evidence is required to be taken, and discretion in the determination of facts is vested in the inferior tribunal[.]" *Id.* (quoting C.C.P. § 1094.5(a)).

Here, when evaluating the proposed transaction, the Attorney General was required to hold a hearing, take evidence, and utilize discretion in his determination of existing facts. Indeed, California Corporations Code § 5916 explicitly requires that "[p]rior to issuing any written decision referred to in Section 5915 . . . the Attorney General shall conduct one or more public meetings, one of which shall be in the county in which the facility is located, to hear comments from interested parties." *See Sierra Club v. State Bd. of Forestry*, 7 Cal. 4th 1215, 1235 (1994) (section 1095.4 hearing requirement satisfied where the Board of Forestry is required to hold a public hearing to review timber harvesting plan and determine if it conforms to the rules and regulations of the board and the Forest Practice Act).

In addition to being required to receive public input, the Attorney General's conditional consent must also only have been determined after considering "relevant factors," such as the ten enumerated ones set forth in California Corporations Code § 5917. These factors include the Attorney General's receipt and review of evidence supporting whether the transaction is "fair and

reasonable to the nonprofit corporation," at "fair market value," and "in the public interest." CAL. CORP. CODE § 5917. As part of this evidentiary review, the Attorney General is authorized to contract with experts and consultants (and has done so here). *See* CAL. CORP. CODE § 5919. As a result, the Attorney General's conditional consent is an adjudicatory administrative decision, and the standard of review in this proceeding must be administrative mandamus.[6] *See Friends of the Old Trees*, 61 Cal. Rptr. 2d at 304–05 (Section 1094.5 review required where the statutes governing the Department of Forestry & Fire Protection's approval of a timber harvest plan provides numerous opportunities for public and agency input, even though the "Department is not required to hold a trial-type hearing."); *see also Ebbetts Pass Forest Watch v. Dep't of Forestry & Fire Prot.*, 20 Cal. Rptr. 3d 808, 814 (Cal. Ct. App. 2004) (public meetings to review timber harvest plan satisfy section 1094.5 standard).

Not only does the § 1094.5 framework apply, the scope of the Court's judicial review is necessarily the "independent judgment rule," because the Attorney General's conditional consent "substantially affects" Verity's "fundamental vested right." *See, e.g., Mann v. Dep't of Motor Vehicles*, 90 Cal. Rptr. 2d 277, 283 (Cal. Ct. App. 1999). Due to the separation of powers doctrine, deprivation of an entity's or individual's fundamental rights by an agency cannot evade judicial protection. *See Bixby v. Pierno*, 481 P.2d 242 (Cal. 1971) ("By carefully scrutinizing administrative decisions which substantially affect vested, fundamental rights, the courts of California have undertaken to protect such rights, and particularly the right to practice one's trade or profession, from untoward intrusions by the massive apparatus of government."). Thus, "[i]f the decision of an administrative agency will substantially affect such a right, the trial court not only examines the administrative record for errors of law but also exercises its independent judgment upon the evidence disclosed" in a *de novo* review. *Id.*

[6] This is in sharp contrast to the inapplicable §1085 standard involving only ministerial acts: "[a] ministerial act is an act that a public officer is required to perform in a prescribed manner in obedience to the mandate of legal authority and without regard to his own judgment or opinion concerning such act's propriety or impropriety, when a given state of facts exists." *Schwartz v. Poizner*, 113 Cal. Rptr. 3d 610, 614 (Cal. Ct. App. 2010) (quotations omitted).

Whether an administrative decision substantially affects fundamental vested rights is determined on a case-by-case basis, in which this Court must consider "whether the affected right is deemed to be of sufficient significance to preclude its extinction or abridgement by a body lacking *judicial* power." *Interstate Brands v. Unemployment Ins. Appeals Bd.*, 608 P.2d 707, 713 n.5 (Cal. 1980) (emphasis in original). In this case, the Attorney General's conditional consent has the practical effect of closing at least three of the Hospitals, forever. In that sense, it is indistinguishable from administrative decisions involving the revocation of a professional license or business permit, which, for decades, courts have consistently held to affect a fundamental right. *See, e.g.*, *Oxford Preparatory Acad. v. Chino Valley Unified Sch. Dist.*, 249 Cal. Rptr. 3d 726, 730–31 (Cal. Ct. App. 2019), *reh'g denied* (July 29, 2019), *review filed* (Aug. 20, 2019) (charter school "has a fundamental vested right to continue operating"); *Coe v. City of San Diego*, 208 Cal. Rptr. 3d 73, 81 (Cal. Ct. App. 2016) ("a decision to revoke a nude entertainment business permit involves a fundamental vested right."); *The Termo Co. v. Luther*, 86 Cal. Rptr. 3d 687, 697 (Cal. Ct. App. 2008) ("The implementation of the Order and Decision would have the effect not only of shutting down a business that has been in existence for 20 years or more, but also of terminating the right to produce oil—an extraordinarily valuable resource, especially in the current economic era. . . . Certainly, a fundamental vested right is at issue."); *Bauer v. City of San Diego*, 89 Cal. Rptr. 2d 795, 804 n.14 (Cal. Ct. App. 1999); *Goat Hill Tavern v. City of Costa Mesa*, 8 Cal. Rptr. 2d 385, 391 (Cal. Ct. App. 1992) ("the right to continue operating an established business in which [the owner] has made a substantial investment" is a "fundamental vested right."). Indisputably, the Debtors' rights to preserve its Hospitals—such that they can continue providing healthcare and lifesaving procedures to the community they serve—are fundamental, vested, and abridged substantially by the Attorney General's 2019 Conditions.

The Attorney General may attempt to cast the Debtors' rights in a purely economic light, incorrectly arguing that the Debtors merely assert the right to sell its businesses. *Cf. SP Star Enterprises, Inc. v. City of Los Angeles*, 93 Cal. Rptr. 3d 152, 162 (Cal. Ct. App. 2009). But, the rights threatened by the Attorney General's decision are the survival of three Hospitals upon which the public undisputedly depends. *Benetatos v. City of Los Angeles*, 186 Cal. Rptr. 3d 46, 56 (Cal.

Ct. App. 2015) ("The substantial evidence test has been applied to review administrative decisions that restrict a property owner's return on his property, or which increase the cost of doing business, or reduce profits, because such decisions impact mere economic interests rather than fundamental vested rights. In contrast, the independent judgment test is applied to review administrative decisions ***that will drive an owner out of business or significantly injure the business's ability to function***.") (emphasis added).

As a result, in this proceeding, this Court "begin[s] its review with a presumption of the correctness of administrative findings, and then, after affording the respect due to these findings, exercise[s] independent judgment in making its own findings." *Fukuda v. City of Angels*, 977 P.2d 693, 701 (Cal. 1999).

In addition, "[w]here the court finds that there is relevant evidence that, in the exercise of reasonable diligence, could not have been produced or that was improperly excluded at the hearing before respondent . . . the court may admit the evidence at the hearing on the writ without remanding the case." C.C.P. § 1094.5(e); *see also Tiholiz v. Northridge Hosp. Found.*, 199 Cal. Rptr. 338, 343 (Cal. Ct. App. 1984) (permitting admission of newly discovered evidence in the form of declarations, finding that "a litigant has a fundamental interest at stake in procedural fairness, including but not limited to an interest in the compilation of an accurate hearing record").

Even if traditional mandamus applies, the Attorney General's conditional consent constitutes an abuse of his discretion. The Debtors are "beneficially interested" to seek a writ of mandate, in that its particular right to sustain the Hospitals is direct and substantial, especially given the undisputed public need for these hospitals. *Citizens for Amending Proposition L v. City of Pomona*, 239 Cal. Rptr. 3d 750, 763–64 (Cal. Ct. App. 2018), *reh'g denied* (Nov. 28, 2018). Under § 1085, the trial court reviews an administrative action to determine whether an agency's action "was arbitrary, capricious, or entirely lacking in evidentiary support, contrary to established public policy, unlawful or procedurally unfair." *Id.* (quotations omitted). "Although mandate will not lie to control a public agency's discretion, that is to say, force the exercise of discretion in a particular manner, it will lie to correct abuses of discretion." *Id.* (quotations omitted).

Because public agencies and officials "have a duty to comply with applicable state statutes and local ordinances," failure to do so is an abuse of discretion that is "arbitrary, capricious, or lacking in evidentiary support." *Id.* at 774.

There are also exceptions to the general rule precluding the consideration of extra-record evidence in traditional mandamus actions, where such evidence provides background information regarding the quasi-legislative agency decision, to establish whether the agency fulfilled its duties in making the decision, or to assist the trial court in understanding the agency's decision. *Outfitter Properties, LLC v. Wildlife Conservation Bd.*, 143 Cal. Rptr. 3d 312, 322 (Cal. Ct. App. 2012).

3. The Attorney General Failed to Assure Preservation of the Hospitals for Their Communities

As set forth above, the Attorney General's discretion to issue conditions of approval of a sale of a nonprofit hospital to a for profit entity is circumscribed by (i) California Corporations Code § 5917, and (ii) the Attorney General's general statutory and common law obligations to preserve and/or redirect the charitable assets for public benefit. *See, e.g.,* CAL. GOV'T CODE § 12598. Although the Attorney General is not a technical fiduciary to such assets, *see Restatement of the Law of Charitable Nonprofit Organizations Principles of the Law of Nonprofit Organizations* § 5.01 TD (2017), and although the Attorney General, in the normal course, is not empowered to substitute its judgment for that of the trustees of the charitable assets, the Attorney General's role in overseeing a nonprofit hospital sale becomes virtually that of a fiduciary to such assets during the sale process. This virtual status results from the multiple layers of statutory and common law requirements imposed on the Attorney General's decision making, and the Attorney General's arrogation of the right to impose contractual post-sale restrictions on then for-profit assets (which in fact imposes the Attorney General's judgment over that of the successor hospital administrator).

Here, the Attorney General, in conditionally approving the SGM Sale, has accepted that the Hospitals are no longer sustainable as part of a nonprofit enterprise. There were no nonprofit bidders for the Hospitals. Once the Attorney General has determined that the Hospitals cannot be maintained as nonprofit, the Attorney General's duties are to (i) ensure that the facility is monetized at a fair market value to the nonprofit seller of the facility, *see* CAL. CORP. CODE §

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

5917(c), and (ii) ensure that the monies received from the sale of the facility are preserved for charitable use by redirecting them under appropriate *cy pres* guidelines, *see* CAL. GOV'T CODE § 12598(a).

The Hospitals, once sold, are no longer charitable assets, so the Attorney General's power and his right of oversight of these Hospitals ceases. The 2019 Conditions represent the Attorney General's attempt to subvert California Corporations Code § 5917 and extend his continuing control over non-charitable health care assets. The Attorney General cannot commit such an end-run around the statutory limitations to his decision making discretion. Importantly, any continuing control over the Hospitals is a result solely of a contract entered into between the Attorney General and SGM.

One of the paramount obligations of the Attorney General is to preserve charitable assets. This obligation is embodied in California Government Code § 12598(a), which provides that "[t]he primary responsibility for supervising charitable trusts in California, ... *for protection of assets held by charitable trusts* and public benefit corporations, resides in the Attorney General." (emphasis added). It is also one of the factors set forth by the Legislature in California Corporations Code § 5917(h). *See* CAL. CORP. CODE § 5917(h) ("The agreement or transaction may create a significant effect on the availability or accessibility of health care services to the affected community.").

The Attorney General is duty-bound to ensure that the Hospitals survive, and, thus, cannot impair availability or access of the community to health care facilities. The Attorney General breached his obligation to act in a manner to preserve the charitable assets by imposing the Additional Conditions with full knowledge that such conditions would result in the closure of at least 3 Hospitals. *See* Exhibit "E;" see also Baronoff Decl. ¶ 7. The Attorney General's actions will have destroyed, not preserved, the charitable assets. Such action clearly controverts the Attorney General's discretion. Agency decisions, such as those of the Attorney General here, are subject to judicial review and can be reversed if the court finds that the agency's discretionary choice is an abuse of discretion. *See Motor Vehicle Mfrs. Assn. of the U.S. v. State Farm Mut. Auto Ins. Co.*, 463 U.S. 29 (1983); *20th Century Ins. Co. v. Garamendi*, 8 Cal. 4th 216, 271

(1994); *Coachella Valley Unified School Dist. v. State of Cal.*, 176 Cal. App. 4th 93, 113-118 (Cal. Ct. App. 2009); *Paulsen v. Golden Gate University*, 25 Cal. 3d 803, 808 (1979); *Saleeby v. State Bar*, 39 Cal. 3d 547, 563 (1985); *Quackenbush v. Mission Ins. Co.*, 46 Cal. App. 4th 458, 465 (Cal. Ct. App. 1996).

Based upon the foregoing, the Attorney General has abused his discretion and breached his most basic duty to preserve charitable assets and to ensure access and availability of health care facilities for the community.

V.

CONCLUSION

WHEREFORE, for all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the Court enter an order (i) finding that the SGM Sale is free and clear of the Additional Conditions, or alternatively, (b) the Attorney General has abused his discretion in imposing the Additional Conditions, and (iii) granting such other and further relief as the Bankruptcy Court deems just and proper.

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas dedicated to health and healing. In this role, I was responsible for leading Sanford Health's growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan; Sanford Foundation (a philanthropic fundraising foundation); Sanford Frontiers (a commercial and real estate company); Profile by Sanford (a scientific weight loss program); and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and had the responsibility of starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. From 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for leading strategic, operational and financial aspects within Sanford

Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford Children's Specialty Clinic and led the Pediatric Subspecialty Physician program and the clinical practice through all facets of the operation.

5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma Master Black Belt at GE Medical Systems, and before that served as the Vice President of Research and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of science in business administration and a masters of business administration in healthcare management.

6. On May 2, 2019, the Court entered an order (the "Sale Order") approving the sale of substantially all assets of Debtors'[7] remaining hospitals (St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC") including the St. Vincent Dialysis Center ("SVDC"), and Seton Medical Center ("SMC"), including Seton Medical Center Coastside Campus ("SMCC") (collectively the "Hospitals"), to Strategic Global Management, Inc. ("SGM") for $610 million (the "SGM Sale"), subject to certain adjustments, plus the payment of cure costs and assumption of certain liabilities, as more fully set forth in that certain asset purchase agreement (the "APA") [Docket No. 2306].

7. The Debtors, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone. By way of example: (i) the Debtors sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988; (ii) thousands of counterparties to executory contracts and unexpired leases, including physicians, have relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iii) the Debtors and SGM have spent months facilitating an efficient close of the sale, with approximately 20 different workstreams, meeting at least weekly to ensure a smooth transition of operations; (iv) government agency personnel, including the California Department of Public Health and the Board of

[7] "Debtors" collectively refers to VHS and its affiliated debtors in this proceeding.

Pharmacy, have been diligently processing SGM's change of ownership applications for licenses and permits in reliance on the finality of the Sale Order; (v) the Debtors, SGM, and each of the Debtors' six unions spent months successfully negotiating and finalizing modified collective bargaining agreements; (vi) the medical groups affiliated with the Debtors have sent termination notices to their remaining physicians; (vii) the Debtors and SGM have coordinated changes in insurance coverages and insurance policies to ensure seamless coverage for employees and patients, and (viii) the Debtors have created plans to shut off certain services after the close of the SGM Sale. In addition, the Debtors have no further financing source.

8. Attached hereto as Exhibit "1" is a true and correct copy of a September 18, 2019 letter from Chokri BenSaid, Director of the Hospital Division of the United Healthcare Workers West Service Employees International Union, Inc., to Deputy Attorney General Scott Chan, expressing support for the SGM Sale. Attached hereto as Exhibit "2" is a true and correct copy of a letter from Jennifer Lemmon, Collective Bargaining Director of the California Nurses Association, to Attorney General Becerra, to the same effect. Attached hereto as Exhibit "3" is a true and correct copy of a September 24, 2019 letter from Mark Shinderman, counsel for the official committee of unsecured creditors, to Attorney General Becerra, also expressing support for the SGM Sale.

9. I have reviewed the conditions (the "2019 Conditions") set forth in the September 25, 2019 report issued by the California Attorney General (the "Attorney General") regarding the SGM Sale. The 2019 Conditions require, among other things, that SGM continue to operate the Hospitals and maintain various services, clinics and contractual arrangements for a period of time greater than the period of time that Debtors would have been obligated under the 2015 Conditions (defined below) if the Debtors had the ability to continue to operate the Hospitals. The 2019 Conditions are also materially different than those to which SGM agreed in Schedule 8.6 because they impose additional conditions including, among other things, greater requirements for charity care expenditures, community benefit expenditures, capital expenditures, and do not account for the substantial shift in charity care needs following the implementation of the Affordable Care Act.

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

10. The 2019 Conditions are in large part the same as the proposed conditions ("Proposed Conditions") set forth in the Initial Health Care Impact Statements prepared by JD Healthcare. Annexed hereto as Exhibit "E" is a true and correct copy of a letter from SGM's counsel, Todd Swanson of Hooper, Lundy & Bookman, P.C., to Deputy Attorney General Scott Chan, explaining that SGM would not accept the Proposed Conditions to the extent they materially differ from Schedule 8.6 to the APA.

11. I previously urged the Attorney General not impose conditions that would threaten to close the Hospitals or otherwise unwind stakeholders' heroic efforts to save these Hospitals. This was detailed in my *Declaration filed in support of the Notice of Submission of Debtors' Response to the Health Care Impact Statements and Conditions Imposed By JD Healthcare, Inc.* [Docket No. 2946], a true and correct copy of which is annexed hereto as Exhibit "E". It was also detailed in my August 23, 2019 letter to Deputy Attorney General Scott Chan, as true and correct copy of which is annexed hereto as Exhibit "E".

12. Further, during the week of August 26, 2019, Deputy Attorney General Scott Chan held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. I attended each of the public meetings in person. At each public meeting, representatives of SGM and the Debtors made public statements detailing the economic impact of the conditions proposed by the Attorney General's expert, JD Healthcare, and the economic situation confronting each Hospital; urging the Attorney General to consider economic factors when issuing his conditions; and reiterating that any conditions exceeding those in Schedule 8.6 of the SGM APA could result in the termination of the SGM Sale and the closure of the Hospitals.

13. As was the case with the Proposed Conditions, many of the 2019 Conditions are materially inconsistent with those to which SGM has agreed in Schedule 8.6, and do not take into consideration the negative economic impact of the 2019 Conditions and the conditions imposed on the Hospitals in 2015 (the "2015 Conditions").

14. Without regard to the economic and community realities, certain of the 2019 Conditions force the Hospitals to maintain programs that not only suffer significant losses an

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

annual basis, but are unnecessary because the same services (and in some instances, more comprehensive services) are already provided at other hospitals in the area.

15. The economic impact of the 2019 Conditions cannot be understated. As a hospital operator, I know from first-hand experience operating and overseeing the Hospitals that (i) the 2015 Conditions were too burdensome, (ii) hampered the Hospitals ability to prosper, as discussed above, and (iii) accelerated the demise of these Hospitals. Verity, its employees, tens of thousands of vendors and other parties have made tireless efforts during the sale process to ensure high quality continued patient care and to take the necessary steps that would allow the Hospitals to be sold to a new operator that could successfully operate the Hospitals. The Bankruptcy Court has now approved the sale to SGM, which paves the way for these Hospitals and the communities they serve to continue the Hospitals' mission of quality patient care.

16. The Debtors did not receive any other qualified bid to purchase the Hospitals. Thus, there is no back-up bidder to purchase the Hospitals if the SGM Sale does not close. Additionally, SGM representatives have repeatedly told the Debtors that multiple lenders have informed SGM that they would not agree to finance the SGM Sale if the conditions were not consistent with Schedule 8.6, which makes the SGM Sale nearly impossible to close. Consequently, if the Additional Conditions were imposed, they would create an environment where it is likely no lender would be willing to finance the sale of the Hospitals to SGM, ensuring closure of at least three of the Hospitals.

17. Due to the Debtors' liquidity issues, unsustainable operating losses, and the absence of an interested viable purchaser, SVMC, Seton Medical Center, and Seton Coastside would need to be closed if the SGM Sale does not close. The closures of SVMC, Seton Medical Center, and Seton Coastside would result in the loss of approximately 2,900 jobs.

18. As to SFMC, the Debtors would likely attempt a private sale in the bankruptcy cases. I, however, foresee significant challenges to SFMC's sustainability and sale. Specifically, any new sale of SFMC would require additional time, which would result in an exorbitant amount of administrative and other expenses in these cases. By way of an example, the Debtors would need to find a new buyer after a marketing process, seek approval from the Court, and then await

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

yet another review by the Attorney General. To even accomplish the foregoing, it is likely that the Debtors would need to obtain debtor in possession financing to help fund operations, which would carry another layer of expense.

19. Consequently, even if the Debtors were able to sell SFMC in the event the SGM Sale failed, recoveries to creditors would be significantly reduced by hundreds of millions of dollars since (i) there would not be any proceeds from the sale of SVMC, Seton, and Seton Coastside, and (ii) the delay associated with the second sale of SFMC.

20. The Hospitals provide access to essential healthcare services in their communities. Faced with the possibility of losing the Hospitals in their entirety, rote application of the 2015 Conditions should yield to the pragmatics of economics and demonstrable patient care and community need.

21. If the SGM transaction does not close, the Debtors, employees, pension holders, other stakeholders, and community members, would be exposed to significant and unrecoverable health care and economic loss.

22. If the SGM Sale fails, the most likely outcome is that at least three of the Hospitals will have to close. Altogether, between July 1, 2018 and June 30, 2019, the Hospitals had more than 34,000 inpatient admissions and 312,000 outpatient visits. If the Hospitals are closed, all of those patients would be forced to find alternative providers for treatment, perhaps at greater distances than they are now required to travel for treatment at the Hospitals. For example, Seton Coastside is the only emergency room facility on the Pacific Coast between Daly City and Santa Cruz. Additionally, Seton Coastside has 116 skilled nursing facility ("SNF") beds and, if Seton Coastside were closed, those residents would be forced to be relocated significant distances to find alternative facilities. In my experience, the risk of negative outcomes for emergency room patients increases as the distance, and therefore the time, required to obtain treatment, increases. Additionally, in additional to the difficulty in finding alternative facilities for the SNF patients, the impact of transfer trauma on this population could be significant.

23. Further, among the other stakeholders which will be harmed by a failed SGM Sale are the vendors that have supported the Hospitals by providing credit terms throughout these cases.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Under the SGM Sale, these creditors will receive payment for their support of the Hospitals during the sale process. A failed sale to SGM would put that at risk. In addition, there are thousands of vendors whose contracts will likely be assumed by SGM in the sale. Consequently, these vendors will be paid for their prepetition claims, an estimated total recovery for these vendors of $50 million. Even those vendors whose contracts are not assumed by SGM are still expected to receive millions of dollars of recoveries. In total, the failed sale to SGM would cost these vendors tens of millions of dollars in recoveries. Further, there would be a loss of future income for services provided to the operating Hospitals on a go-forward basis.

24. The Hospitals have approximately 4,900 employees. SGM has committed to retain "substantially all" employees of the Debtors, as set forth in the APA.

25. In the past week, the Debtors have finalized settlement agreements (the "Settlement Agreements") with each and every union that is party to collective bargaining agreements (the "CBAs") related to the Hospitals being sold to SGM. The Settlement Agreements provide, *inter alia*, for modification and assignment of the CBAs to SGM (along with waiver of any cure obligations of the Debtors), the treatment and allowance of certain claims, including severance for employees who are not offered employment, paid time off, and retiree health (for the few retirees who utilize the program) and the waiver of other claims. The Settlement Agreements are conditioned on Bankruptcy Court approval and on other important events, including Plan confirmation and closing of the sale to SGM for a purchase price that is not materially different from the amount contained in the SGM APA. The Debtors are in the process of finalizing pleading papers that will request Court approval of the Settlement Agreements and related relief, which it expects to file for expedited consideration presently.

26. The SGM Sale presents the Debtors' stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in a loss of healthcare access for vulnerable populations, as well as jobs of thousands of employees.

RE: Verity Health Systems, Inc. and Strategic Global Management, Inc.

Dear Mr. Becerra and Mr. Chan,

The Service Employees International Union United Healthcare Workers West (SEIU-UHW), represents approximately 1,400 workers at St. Francis Medical Center and St. Vincent Medical Center. SEIU-UHW is writing in support of the sale transaction between Verity Health Systems, Inc. and Strategic Global Management, Inc. Given that Verity Health Systems has been in bankruptcy proceedings for over a year and Strategic Global Management was the only entity to submit a qualified bid for St. Francis Medical Center and St. Vincent Medical Center we believe this transaction is the best way to preserve jobs and patient care. Therefore, we urge a prompt closing of this sale.

RE: Verity Health Systems, Inc. and Strategic Global Management, Inc.

Dear Mr. Becerra and Mr. Chan:

The California Nurses Association represents approximately 468 registered nurses at St. Vincent Medical Center and approximately 396 registered nurses at Seton Medical Center. CNA is writing in support of the sale transaction between Verity Health Systems, Inc. and Strategic Global Management, Inc. Given that Verity Health Systems has been in bankruptcy proceedings for over a year and Strategic Global Management was the only entity to submit a qualified bid for St. Vincent Medical Center and Seton Medical Center, we believe this transaction is the best way to preserve jobs and patient care. Therefore, we urge a prompt closing of this sale.

VIA EMAIL

The Honorable Xavier Becerra
Attorney General, State of California
1300 I Street
Sacramento, CA 95814

Dear Attorney General Becerra:

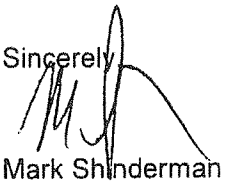
The official committee of unsecured creditors (the "Committee") of debtor Verity Health System ("Verity"), a statewide healthcare provider, represents the interests of Verity's creditor constituency, including labor unions, retirees, and tort claimants, among others. The Committee is charged with the obligation to help maximize the recoveries of all unsecured creditor constituents.

Verity is rapidly depleting cash reserves such that prolonging the proceedings could result in the shuttering of healthcare facilities in underserved communities. Verity's proposed sale of assets to Strategic Global Management, Inc., an affiliate of KPC, presents an opportunity to offer continued access to health care services for those communities served by Verity, while also providing an opportunity for unsecured creditors to obtain some recovery, albeit small (absent successful litigation with the secured creditors and others). The Committee is not aware of any alternative at this point that would accomplish these goals.

Time is of the essence and any delay in closing would be very costly. Verity estimates, and the Committee believes, that the cost of delay is almost $5 million per week. Consequently, any further delay could eliminate unsecured creditor recoveries entirely.

Thank you for your consideration of the Committee's views and we look forward to further discussing this matter with you should you have any questions.

Sincerely,



Mark Shinderman

DECLARATION OF PETER BARONOFF

Peter Baronoff declares as follows:

1. I am currently the Chief Executive Officer of KPC Healthcare, Inc., which owns four hospitals in Orange County: The Orange County Global Medical Center, Southcoast Global Medical Center, Anaheim Global Medical Center, and Chapman Global Medical Center. I am also the Chief Executive Officer of Physicians for Healthy Hospitals, Inc., which owns Hemet Global Medical Center and Mennefee Global Medical Center. I am the Chief Executive Officer of Victor Valley Hospital Acquisition, Inc., which owns the Victor Valley Global Medical Center. All of the afore-said hospitals are acute care hospitals, and collectively referred to as "KPC".

2. Following the commencement of the Chapter 11 cases for Verity Health Systems of California, Inc., et al (collectively "Verity"), I began discussions with Verity's representatives regarding the possible acquisition by Strategic Global Management, Inc. ("SGM"), one of KPC's affiliates, of one or more of the Verity hospitals. Over the course of the months beginning November 2018 and continuing into February 2019, I was directly involved in the negotiations on behalf of SGM in connection with SGM's prospective acquisition of St. Vincent Medical Center, St. Vincent Dialysis Center, St. Francis Medical Center, and Seton Medical Center (including its Seton Medical Center Coastside campus) ("the SGM Hospitals"). These negotiations eventually led to the execution of an Asset Purchase Agreement between SGM and Verity for the SGM Hospitals ("APA").

3. During the course of SGM's negotiations with Verity, there were innumerable issues that the parties confronted, discussed, negotiated and ultimately resolved when the parties reached a final agreement on the terms of the APA. One of the most intensely negotiated subjects had to do with the prospective conditions that might be imposed by the California Attorney General ("Attorney General") in connection with the proposed transfer of the SGM Hospitals to SGM. Based upon my prior experience with hospital acquisitions, both in connection with my employment at KPC and also in connection with my prior employment as an

executive of Promise Healthcare ("Promise"), I was well aware of the Attorney General's approval process in connection with the sale of not for profit hospitals and with the precedent for the Attorney General to impose conditions on such sales. Indeed, I was personally involved, on behalf of Promise, in the Gardens Regional Hospital Chapter 11 case. Promise was a DIP lender and stalking horse bidder for Gardens Regional Hospital, but was ultimately outbid by SGM at the auction. When SGM terminated its purchase agreement, as a result of the imposition by the Attorney General of condition, which were deemed burdensome by SGM, that sale transaction was terminated and Gardens Regional Hospital was eventually closed.

4. Knowing that, in our case, SGM's acquisition of the SGM Hospitals would undergo an approval process by the Attorney General, and knowing that the Attorney General might impose conditions that would not be acceptable to SGM, SGM recognized the importance of negotiating a provision in its Asset Purchase Agreement which would protect it from the possibility that the Attorney General would impose conditions on the transfer of the hospitals to SGM which would be burdensome from a financial standpoint and otherwise. Accordingly, SGM and Verity spent an enormous amount of time negotiating the provisions of what became Section 8.6 (and Schedule 8.6 referenced therein) of the APA. Without question, the negotiation of Section 8.6 was the most intensely negotiated provision of the APA. In fact, it was not until the morning of the hearing to approve SGM as the stalking horse purchaser, which took place on February 6, 2019, that the parties, with input from the Official Creditors Committee and other stakeholders, were able to agree on the final wording of Section 8.6.

5. In essence, the parties agreed that if the Attorney General imposed "Additional Conditions" (as used in Section 8.6), SGM would not be obligated to close the sale unless Verity was able to procure from the Bankruptcy Court or another court, a supplemental sale order finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions. Section 8.6 also discusses certain time limits and finality requirements, as more specifically set forth therein.

6. The Additional Conditions referred to in Section 8.6 were those conditions which are materially different than the conditions approved by SGM in Schedule 8.6. Additional Conditions which individually or collectively impose a direct or indirect cost to SGM of $5 million, or more, shall be conclusively deemed to be "materially different."

7. On September 25, 2019, the Attorney General issued his decision with respect to the proposed transfer of the SGM Hospitals to SGM ("Decision"). We have carefully reviewed the Decision. The Attorney General's Decision imposes numerous conditions on the transfer of the SGM Hospitals to SGM. Many of these conditions are "Additional Conditions" as that term is used in Section 8.6 of the APA. SGM has evaluated the Additional Conditions and has advised Verity that, based upon these Additional Conditions, SGM is invoking its rights under Section 8.6 of the APA. Accordingly, SGM has advised Verity that SGM will not close the purchase of the SGM Hospitals unless Verity is able to obtain the requisite court order within the time period provided for in Section 8.6.

8. I declare under penalty of perjury, of the laws of the United States of America, that all of the foregoing facts are true and correct and if sworn to testify concerning the contents of this Declaration I could and would do so competently.

PETER C. CHADWICK

I, Peter C. Chadwick, declare, that if called as a witness, I would and could competently testify thereto, of my own personal knowledge, as follows:

1. I am a Managing Director of Berkeley Research Group, LLC ("BRG") and am duly authorized to make this declaration (the "Declaration") on behalf of BRG. I obtained a BA from Pennsylvania State University, and an MBA in Finance from Babson College, Olin School of Business. Before joining BRG, I was an Executive Director at Capstone Advisory Group, LLC. Prior to that, I was a Senior Managing Director at FTI Consulting. For more than twenty years, I have served as a chief restructuring officer, chief executive officer, chief operating officer, chief financial officer and as a financial advisor and trustee in complex restructuring matters. Among other things, I have significant experience in the healthcare arena and effectuating sale transactions.

2. On November 7, 2018, the Court entered an order employing BRG [Docket No. 785] as the financial advisors to Verity Health System of California, Inc. and the above-referenced debtors and debtors in possession (collectively, the "Debtors"), the above captioned chapter 11 cases (the "Cases"). I have diligently worked with the Debtors on every aspect of their Cases. In addition, I have been serving as Chief Financial Officer of Seton Medical Center since September 1, 2019.

3. Except as otherwise indicated herein, this Declaration is based upon my personal knowledge, my review of relevant documents or information provided to me by employees of BRG and the Debtors. In preparing this Declaration, I have relied on my experience as described above. I am also assisted by others at BRG who work at my direction in the preparation of the analysis and other information included herein. In addition, I reviewed the Debtors' schedules and legal papers. In preparing this Declaration, I worked with persons at the Debtors' facilities with factual knowledge of information upon which I have relied. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

4. This Declaration is in support of the *Debtors' Emergency Motion for the Entry of an Order (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved*

by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief (the "Motion"), and for all other purposes permitted by law. All capitalized terms not otherwise defined herein shall have the same meaning as in the Motion.

5. I have reviewed the conditions (the "2019 Conditions") set forth in the September 25, 2019 report (the "Report") issued by the California Attorney General (the "Attorney General") regarding the proposed sale of St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton") (collectively, the "Hospitals"), to Strategic Global Management, Inc. ("SGM") and its affiliated entities, as reflected in that certain Asset Purchase Agreement (the "APA"). I have also compared the 2019 Conditions to Schedule 8.6 to the APA.

6. Several of the 2019 Conditions differ materially from Schedule 8.6 attached to the APA (the "Additional Conditions"). The Additional Conditions would have a significant impact on the economic viability of the Hospitals and increase the purchase price in the APA to nearly a billion dollars. By way of example only, the 2019 Conditions would require SVMC to remain operated and maintained as a licensed general acute care hospital (as defined in California Health and Safety Code Section 1250) through December 2024, whereas Schedule 8.6 provides that SVMC must be operated through December 2020. The reported Financial Statements of SVMC reflect that, in fiscal 2019 (ended June 30, 2019), SVMC lost approximately $65 million which was an 18% and 103% increase over the fiscal years 2018 and 2017, respectively. Attached hereto as Exhibit "1" is a true and correct copy of excerpts from SVMC's Financial Statements, which reflect this information. Assuming operating losses at SVMC can be maintained at fiscal 2019 levels (a highly optimistic assumption), the buyer of the Hospitals would likely incur additional estimated losses totaling $260 million. Moreover, the $260 million loss would likely need to be financed. Using an average interest rate of 5% for four years of debt service would result in estimated incremental financing charges totaling approximately $25 million. Accordingly, this 2019 Condition alone would place a potential burden on the buyer of at least $285 million beyond that contemplated in Schedule 8.6.

7. The Additional Conditions also impose certain charity care ("Charity Care") requirements on SGM. The Charity Care requirement presents another example of the significant economic impact of the 2019 Conditions when compared with Schedule 8.6. The 2019 Conditions require SGM to provide an annual amount of Charity Care at SFMC equal to or greater than $12,793,435 for a period of six fiscal years, which is at least $4,793,435, per year more than SGM has agreed to provide pursuant to Schedule 8.6 for a period of seven years. After adjusting for the one-year shorter required duration of this 2019 Condition, the estimated incremental cost to the buyer would be nearly $20 million in total over the six years. The 2019 Conditions provide for additional increases in Charity Care amounts for SVMC and Seton, as well as increases across all three Hospitals in Community Benefit Service amounts. Moreover, these Charity Care conditions would actually require the Hospitals to increase the Charity Care they provide above current levels.

8. In summary, the total financial impact of just these two examples of 2019 Conditions would require SGM to incur additional losses of approximately $305 million beyond those contemplated by Schedule 8.6. Attached hereto as Exhibit "2" is a chart reflecting the economic analysis set forth above. When compared to the buyer's APA purchase price of $610 million, these represent a 50% increase in the price for the sale of these distressed assets. The magnitude of these losses calls into question the viability of the acquisition.

9. The two examples of 2019 Conditions addressed above were selected to illustrate the impact on the viability of the system and impact on sale. In fact, many of the other 2019 Conditions materially diverge from Schedule 8.6, including those addressing cancer services and select uneconomic payor agreements. In addition, some of the 2019 Conditions diverge from the conditions under which VHS is currently required to operate (the "2015 Conditions"), including those addressing continuing liver transplant services and acting as a ST-Elevation Myocardial Infarction receiving center. The 2015 Conditions locked the Hospitals into financial obligations and operational obligations that made financial success impossible (the Debtors have lost hundreds of millions of dollars as a result of the implementation of the 2015 Conditions). The Hospitals' adherence to the Additional Conditions (aside from the two specific examples

discussed in paragraphs 6-8 above) would add an additional burden of tens of millions of dollars in losses, further undermining the viability of the Hospitals.

I declare under penalty of perjury and of the laws in the United States of America, the foregoing is true and correct.

DECLARATION OF HOPE R. LEVY-BIEHL

I, Hope R. Levy-Biehl, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am an attorney at law licensed to practice before all courts in the State of California. I am a partner in the law firm of Nelson Hardiman LLP, attorneys for Verity Health System of California, Inc. ("VHS").

2. This Declaration is in support of the *Debtors' Emergency Motion for the Entry of an Order (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief* (the "Motion"), and for all other purposes permitted by law. All capitalized terms not otherwise defined herein shall have the same meaning as in the Motion.

3. Upon information and belief, I understand VHS has had an ongoing dialogue for several years with the California Attorney General about the financial challenges facing VHS and the future of the O'Connor Hospital ("OCH"), Saint Louise Regional Hospital ("SLRH"), St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton"). For example, I understand that in anticipation of filing for bankruptcy, VHS representatives met with Deputy Attorney General Wendi Horwitz in July of 2018.

4. On December 27, 2018, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Santa Clara County Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving a sale of OCH and SLRH, and related assets, to Santa Clara County (the "SCC Sale").

5. Upon information and belief, I understand VHS representatives subsequently met with Attorney General Xavier Becerra and Senior Advisor Becerra Melanie Fontes Rainer in

Sacramento in February of 2019, to discuss the pending SCC Sale and the forthcoming auction and sale of SFMC, SVMC and Seton (collectively, the "Hospitals").

6. On May 2, 2019, the Court entered the order (the "Sale Order") approving the sale of substantially all assets of Debtors' Hospitals, to Strategic Global Management, Inc. ("SGM") for $610 million (the "SGM Sale"), plus the payment of cure costs and assumption of certain liabilities, as more fully set forth in that certain asset purchase agreement (the "APA") [Docket No. 2306].

7. In anticipation of submitting a notice and request for approval of the SGM Sale to the Attorney General's office, VHS representatives from Nelson Hardiman (including myself) engaged with Deputy Attorney General Scott Chan beginning in early April 2019. These discussions and exchanges were regular and ongoing, and addressed, among other things, the substantive and procedural requirements for the submission and review and the related timeline. At all times, VHS consistently requested an expedited review of the submission in light of its significant operating losses and cash flow challenges.

8. By letter dated May 7, 2019, VHS provided notice to, and requested written consent from, the Attorney General for the SGM Sale pursuant to California Corporations Code Section 5914 and Title 11 of the California Code of Regulations, Section 999.5. *See* Docket No. 2379. As outlined in the submission and discussed a number of times in writing, in person and by email with various representatives of the Attorney General, the SGM Sale was critical and truly the only option to help ensure that the Hospitals would survive the current financial challenges facing them and be preserved as providers of essential health care services to the communities they serve.

9. The submission to the Attorney General, on May 7, 2019, was supplemented and completed on May 13, 2019, with the filing made to the Federal Trade Commission pursuant to the Hart-Scott-Rodino Antitrust Improvements Act 1976, as amended.

10. VHS representatives thereafter engaged in ongoing discussions with the Attorney General's office, requesting, among other things, an in-person meeting to review the submission and transaction prior to the completion of its expert's Health Care Impact Statements and the expedited processing of the submission. The Attorney General denied both requests.

DENTONS US LLP

11. The Attorney General retained JD Healthcare to prepare Health Care Impact Statements regarding the proposed sale of the Hospitals. After conducting interviews of certain corporate and hospital personnel of VHS and other stakeholders in July 2019, and in advance of the public hearings held by the Attorney General, JD Healthcare released its Health Care Impact Statements concerning the proposed sale of the Hospitals on August 16, 2019 and August 19, 2019.

12. By letter, dated August 21, 2019, SGM submitted its response to the Health Care Impact Statements and the embedded recommended conditions. By letter dated August 23, 2019, VHS submitted its response to these statements and conditions, which was also filed with the Bankruptcy Court. True and correct copies of these letters are annexed as Exhibit "E" to the Motion.

13. In late August 2019, Deputy Attorney General Scott Chan, on behalf of the Attorney General, held public meetings relating to each affected hospital. I attended the public hearings regarding the sale of SFMC and SVMC. At each of the public meetings I attended, Rich Adcock of VHS, Peter Baronoff of SGM, and Sam Maizel of Dentons US LLP, each spoke directly and on the record about the economic issues raised by the potential conditions for each hospital, and urged the Attorney General to consider the economic implications of the conditions he would impose. Mr. Adcock and Mr. Baronoff made clear that the proposed transaction would be at risk, and therefore the continued operations of the Hospitals would be at risk, if the Attorney General imposed conditions which exceeded the conditions agreed to in Schedule 8.6. I understand Rich Adcock, Peter Baronoff and Sam Maizel made similar statements at the Seton public hearings.

14. Following its receipt of the "deal breaker" letters and the public hearings, the Attorney General's office met first with representatives from SGM on September 6, 2019, and subsequently with representatives of both SGM and VHS on September 19, 2019. Upon information and belief, I understand that at the meeting on September 19, 2019, SGM informed the Attorney General's office that it would not proceed with the transaction if the Attorney General imposed conditions beyond those it agreed to accept in Schedule 8.6 to the APA.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

This matter came before the Court on the *Motion For The Entry Of (I) An Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders To Use, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections, (3) Approving Form Of Notice To Be Provided To Interested Parties, (4) Scheduling A Court Hearing To Consider Approval Of The Sale To The Highest Bidder And (5) Approving Procedures Related To The Assumption Of Certain Executory Contracts And Unexpired Leases; And (II) An Order (A) Authorizing The Sale Of Property Free And Clear Of All Claims, Liens And Encumbrances* (the "Motion") [Docket No. 1279], filed by Verity Health System of California, Inc. ("VHS"), and the above-referenced affiliated debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (the "Debtors"), for the entry of an order, pursuant to §§ 105(a), 363, and 365 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 2002, 6004, 6006, 9007, and 9014, and LBR 6004-1.[1]

At the previous hearing on the Motion on February 19, 2019 (the "Bidding Procedures Hearing"), the Court considered various objections (the "Premature Objections") filed by: (i) St Vincent IPA Medical Corporation and Angeles IPA [Docket No. 1397]; (ii) the California Attorney General [Docket No. 1352]; (iii) MGH Painting Inc. [Docket No. 1358]; and (iv) Belfor USA Group, Inc. [Docket No. 1364]. The Court ruled that the Premature Objections were premature and preserved for the Sale Hearing, as set forth in order granting the Motion (the "Bidding Procedures Order") [Docket No. 1572]. The Bidding Procedures Order also stated that objections filed by the U.S. Department of Health and Human Services and Centers for Medicare and Medicaid Services [Doc. No. 1346] and the California Department of Health Care Services [Doc. No. 1353] (the "Continued Objections") were continued, as resolved by stipulations [Docket Nos. 1458 and 1473, respectively], approved by this Court's orders [Docket Nos. 1465 and 1483, respectively].

[1] Unless specified otherwise, all chapter and section references are to the Bankruptcy Code, 11 U.S.C. §§ 101-1532, all "Rule" references are to the Federal Rules of Bankruptcy Procedure, and all "LBR" references are to the Local Bankruptcy Rules for the United States Bankruptcy Court for the Central District of California.

the legal and factual bases set forth in the Motion and presented at the Sale Hearing establish just cause for the relief granted herein and for the reasons set forth in the Court's tentative ruling [Docket No. 2221]; and all objections to the Motion, if any, having been withdrawn, continued or overruled; and for the reasons set forth in the Court's tentative ruling [Docket No. 2221], which the Court adopts as its final ruling and which is incorporated herein by reference; and after due deliberation and sufficient good cause appearing therefor:

THE COURT HEREBY FINDS AND CONCLUDES THAT:[2]

A. Jurisdiction and Venue. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter relates to the administration of the Debtors' bankruptcy estates and is accordingly a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (M), (N) and (O). Venue of these cases is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief requested in the Motion are (i) §§ 105(a), 363(b), (f), (k), (l) and (m), and 365, (ii) Rules 2002(a)(2), 2002(c)(1) and (d), 6004 (a), (b), (c), (e), (f) and (h), 6006(a), (c) and (d), 9006, 9007, 9013 and 9014, and (iii) LBR 6004-1 and 9013-1.

C. Notice. As evidenced by the affidavits of service previously filed with the Court, the Debtors have provided proper, timely, adequate and sufficient notice with respect to the following: (i) the Motion and the relief sought therein, including the entry of this Sale Order and the transfer and sale of the assets (the "Purchased Assets"), as set forth in the Asset Purchase Agreement, dated January 8, 2019, a copy of which is attached as Exhibit "A" to Docket No. 1279 (the "APA"); (ii) the Sale Hearing; (iii) the No-Auction Notice; and (iv) the assumption and assignment of the executory contracts and unexpired leases and proposed cure amounts owing under such executory contracts and unexpired leases (the "Cure Amounts"); and no further notice

[2] The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 7052, made applicable to this proceeding pursuant to Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the following conclusions of law constitute findings of fact, they are adopted as such.

of the Motion, the relief requested therein or the Sale Hearing is required. The Debtors have also complied with all obligations to provide notice of the Auction, the Sale Hearing, the proposed sale and otherwise, as required by the Bidding Procedures Order. A reasonable opportunity to object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

D. Arm's Length Transaction. The APA and other documents and instruments (the "Transaction Documents") related to and connected with this transaction (the "Transaction") and the consummation thereof were negotiated and entered into by the Debtors and Strategic Global Management, Inc. ("SGM"), as Purchaser under the APA without collusion, in good faith and through an arm's length bargaining process. Neither SGM nor any of its affiliates or representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the Debtors, SGM, or their respective representatives engaged in any conduct that would cause or permit the APA, any of the other Transaction Documents or the Transaction to be avoided under § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the APA and the other Transaction Documents, including, without limitation, the consideration provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be avoided, and no damages may be assessed against SGM or any other party, as set forth in § 363(n). The consideration provided by SGM is fair, adequate and constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws of the United States or any of its jurisdictions or subdivisions, including the State of California.

E. Good Faith Purchaser. SGM has proceeded in good faith and without collusion in all respects in connection with the sale process, in that: (i) SGM, in proposing and proceeding with the Transaction in accordance with the APA, recognized that the Debtors were free to deal with other interested parties; (ii) SGM agreed to provisions in the APA that would enable the Debtors to accept a higher and better offer; (iii) SGM complied with all of the provisions in the Bidding Procedures Order applicable to SGM; (iv) all payments to be made by SGM and other agreements entered into or to be entered into between SGM and the Debtors in connection with the Transaction have been disclosed; (v) the negotiation and execution of the APA and related

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Transaction Documents were conducted in good faith and constituted an arm's length transaction; (vi) SGM did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. SGM is therefore entitled to all of the benefits and protections provided to a good-faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transaction shall not affect the validity of the Transaction, any terms or conditions of the Transaction or SGM's status as a "good faith" purchaser.

F. Justification for Relief. Good and sufficient reasons for approval of the APA and the other Transaction Documents and the Transaction have been articulated to this Court in the Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good, sufficient and sound business purpose and justification and (ii) compelling circumstances for the transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors.

G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the Transaction pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and sale of the Purchased Assets and, except with respect to the liens arising from the Special Assessments and the PACE Obligations (each as defined in §1.1(a)(iii) of the APA) assumed by SGM, shall vest in SGM, through the consummation of the Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights, and any successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or

more of the standards set forth in § 363(f)(1)-(5) have been satisfied. Those holders of Encumbrances who did not object, or who withdrew their objections, to the sale or the Motion are deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did object fall within one or more of the other subsections of § 363(f). All holders of the Encumbrances in the Purchased Assets are adequately protected by having their respective Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased Assets under the APA (subject to any Challenge within the meaning of that certain *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 409] (the "Final DIP Order") that has been, or may be, timely filed[3]), and any related documents or instruments delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the extent and manner herein provided.

H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in consummating the Transaction, and it is in the best interests of the Debtors and their estates to consummate the Transaction within the timeline set forth in the Motion and the APA. The Court finds that there is no just reason for delay in the implementation of this Order, and expressly directs entry of judgment as set forth in this Order.

---

[3] The Final DIP Order granted to the Committee standing to file the requisite pleading to challenge the validity, enforceability and amount of the Prepetition Liens (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "Challenge") within ninety (90) days from the formation of the Committee (the "Challenge Deadline"). *See* Final DIP Order ¶ 5(e). The Committee's investigation as to the Prepetition Liens remains ongoing. The Committee and the Prepetition Secured Creditors have entered into a number of stipulations (the "Challenge Stipulations") by which the Committee has acknowledged and stipulated to the validity, enforceability and perfection of the Prepetition Liens in certain collateral identified in the Challenge Stipulations, and by which the Challenge Deadline has been extended a number of times with respect to the validity, enforceability and perfection of the Prepetition Liens in any other collateral. The Challenge Deadline with respect to any Prepetition Liens for which the Committee has not stipulated pursuant to the Challenge Stipulations as to the validity, enforceability and perfection thereof is now May 13, 2019.

I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign to SGM the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below) and to the extent subsequently identified by SGM pursuant to paragraph 16 below, the Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently Identified Designated Contracts and the Subsequently Identified Contracts are collectively referred to herein as the "Designated Contracts") in connection with the consummation of the Transaction, and the assumption and assignment of the Designated Contracts is in the best interests of the Debtors and their estates.

J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the APA, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any of the Designated Contracts will have been cured, within the meaning of § 365(b)(1)(A), by payment of the amounts and in the manner set forth below, unless otherwise agreed by SGM and the counterparty. SGM has provided or will provide adequate assurance of future performance of and under the Designated Contracts within the meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide assurance of performance to any counterparty to a Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the Debtors (i.e., St. Francis Medical Center, a California nonprofit public benefit corporation ("St. Francis Medical Center"), St. Vincent Medical Center, a California nonprofit public benefit corporation ("St. Vincent Medical Center"), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation ("St. Vincent Dialysis Center"), and Seton Medical Center, a California nonprofit public benefit corporation ("Seton Medical Center") (collectively, the "Hospitals"), VHS, and Verity Holdings LLC, a California limited liability company ("Holdings")), and assigned to SGM under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, SGM, notwithstanding any provision in such Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss

resulting from a default on or prior to the Closing under any of the Designated Contracts within the meaning of § 365(b)(1)(B).

K. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for the Hospitals to reject all of their executory contracts and unexpired leases, excluding (i) Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in addition to the Hospitals, (iii) any prepetition contract that is the subject of a Rule 9019 settlement motion prior to Closing, and (vi) any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which a Hospital is a party or sponsor, which matters shall be scheduled for determination as provided in paragraph 33 below. Each such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31, and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this paragraph K, prior to Closing and shall request therein that the rejection be effective as of the Closing or as otherwise appropriate.

L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Purchased Assets. Other than SGM's Stalking Horse Bid, the Debtors received two Qualified Partial Bids by the Partial Bid Deadline and did not receive a Qualified Full Bid (as such terms are defined by the Bidding Procedures Order). The Debtors properly consulted with the Consultation Parties in selecting the SGM Stalking Horse Bid as the highest and best bid and in determining that no auction should be held (as such terms are defined in the Bidding Procedures Order), as set forth in their No-Auction Notice. The transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA constitutes the highest or otherwise best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination, in

(213) 623-9300

consultation with the Consultation Parties (as defined in the Bidding Procedure Order), that the APA constitutes the highest or best offer for the Purchased Assets and to not conduct an auction constitutes a valid and sound exercise of the Debtors' business judgment.

M. No *De Facto* or *Sub Rosa* Plan of Reorganization. The sale of the Purchased Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it does not propose to (i) impair or restructure existing debt of, or equity or membership interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or (iv) classify claims or equity or membership interests.

N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein.

NOW THEREFORE, IT IS HEREBY ORDERED THAT:

1. The relief requested in the Motion is GRANTED and APPROVED in all respects to the extent provided herein.

2. All objections with regard to the relief sought in the Motion that have not been withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including any reservation of rights included in such objections, are overruled on the merits with prejudice. To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the terms of this Sale Order shall prevail.

3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA, is approved in all respects, and the Debtors are authorized and directed to consummate the Transaction in accordance with the APA, including, without limitation, by executing all of the Transaction Documents (and any ancillary documents or instruments that may be reasonably necessary or desirable to implement the APA or the Transaction) and taking all actions necessary and appropriate to effectuate and consummate the Transaction (including the transfer and sale of the Purchased Assets) in consideration of the Purchase Price (as defined in § 1.1 of the APA) upon

the terms set forth in the APA, including, without limitation, assuming and assigning to SGM the Designated Contracts. The Debtors and SGM shall have the right to make any mutually agreeable, non-material changes to the APA, which shall be in writing signed by both parties, without further order of the Court provided, that after reasonable notice, the Official Committee of Unsecured Creditors (the "Committee"), the DIP Agent (as defined in the Final DIP Order defined below), and the Prepetition Secured Creditors (as defined in the Final DIP Order) do not object to such changes. Any timely objection by the aforementioned parties to any agreed non-material changes to the APA may be resolved by the Court on shortened notice.

4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal, valid, enforceable and effective transfer and sale of the Purchased Assets to SGM free and clear of all Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations assumed by SGM, as further set forth in the APA and this Sale Order; and (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the Purchased Assets, all counterparties to the Designated Contracts and all other persons and entities.

5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent, effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force, extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition

Secured Creditors, as applicable, pursuant to the Final DIP Order, to the extent that (i) the rights granted to the Prepetition Secured Creditors with respect to §§506(c) and 552(b) by the Final DIP Order are not limited or modified as a result of the appeal from the Final DIP Order filed by the Committee on November 29, 2019; and/or (ii) any replacement liens or security interest granted to the Prepetition Secured Creditors by the Final DIP Order are not invalidated as a result of any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to the extent of and in accordance with its terms with all parties reserving all rights thereunder.

6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order shall, as of the Closing, be considered and constitute for all purposes a full and complete general assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all of the Debtors' rights, title and interest in and to the Purchased Assets to SGM. Consistent with, but not in limitation of the foregoing, each and every federal, state, and local governmental agency or department, except as stated herein, is hereby authorized and directed to accept all documents and instruments necessary and appropriate to consummate the transactions contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any Encumbrances of record.

7. Any person or entity that is currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets is hereby directed to surrender possession of such Purchased Assets either to (a) the Debtors before the Closing or (b) to SGM or its designee upon the Closing, and to cooperate with the Debtors and SGM in the Debtors' and SGM's fulfillment of their obligations hereunder and pursuant to the APA.

8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and upon consummation of the Transaction, including, without limitation, payment of the Purchase

Price to the Debtors, vest SGM with all right, title, and interest in the Purchased Assets, free and clear of all Encumbrances. Upon closing of the Transaction, SGM shall take title to and possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the APA. The transfer of the Purchased Assets from the Debtors to SGM constitutes a transfer for reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the State of California.

9. Following the Closing, no holder of any Encumbrance against the Debtors or upon the Purchased Assets shall interfere with SGM's respective rights in, title to or use and enjoyment of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Purchased Assets to SGM, including the assumption and assignment of the Designated Contracts.

10. SGM shall not be deemed, as a result of any action taken in connection with, or as a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their estates by reason of any theory of law or equity, including, without limitation, any bulk sales law, doctrine or theory of successor liability, or any theory or basis of liability, regardless of source of origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed Liabilities, SGM is not assuming any of the Debtors' debts.

11. This Sale Order (i) shall be effective as a determination that, on Closing, all Encumbrances existing against the Purchased Assets before the Closing have been unconditionally released, discharged and terminated, and that the transfers and conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all persons and entities. If, following a reasonable written request made by the Debtors, any person or entity that has filed financing statements or other documents or agreements evidencing any Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or

in connection with Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Encumbrances which the person or entity has with respect to the Purchased Assets, then SGM and/or the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of doubt, such statements, instruments, releases and other documents shall not impair Encumbrances that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to paragraphs 5 and 13 hereof.

12. In accordance with the APA, concurrently with the Closing, SGM shall pay that portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in the APA. Any direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent, the Prepetition Secured Creditors, and the Committee in advance of the Closing.

13. The terms and conditions of the Final DIP Order shall apply with respect to the Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

(a) the Debtors shall direct SGM, pursuant to the terms of the APA, to remit all Sale Proceeds to the separate accounts opened in the name of each Debtor for the Sale Proceeds (each such hereafter referred to as "Escrow Deposit Account");

(b) in giving direction to SGM pursuant to sub-paragraph (a), above, the Debtors shall exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of rights in paragraph 4 of the Final DIP Order and paragraph 31 of the Bidding Procedures Order; provided further that nothing in this paragraph shall waive or limit any rights the Committee or the Prepetition Secured Creditors may have in connection with the confirmation of a proposed

(c) without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order, no funds held in any Escrow Deposit Account shall be (i) commingled with any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for any purpose, except as provided in this Order, the DIP Credit Agreements or the Final DIP Order without further order of this Court, after reasonable notice under the circumstances to the DIP Agent, the Prepetition Secured Creditors and the Committee; and

(d) each Escrow Deposit Account shall be subject to a deposit account control agreement in favor of the DIP Agent and DIP Lender, and subject to, without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order with respect to the Sale Proceeds and Escrow Deposit Account, including, without limitation, following the occurrence of an Event of Default or the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the Debtors shall not be permitted to use the funds held in any Escrow Deposit Account for any purpose, except as provided in paragraph 14, 15, 16, and 17 of this Order, and to fund any Purchase Price adjustment in favor of the Purchaser, without first obtaining the consent of the DIP Agent, DIP Lender and the Prepetition Secured Creditors or obtaining an order of the Court pursuant to §§ 363 or 1129 after reasonable notice under the circumstances to the DIP Agent, the DIP Lender, the Prepetition Secured Creditors and the Committee and, if necessary, a hearing thereon; and

(e) for the avoidance of doubt, the rights of the Debtors, the Committee, and the Prepetition Secured Creditors as to the Sale Proceeds and any funds held in a Deposit Escrow shall be, except as set forth herein, as contemplated by Paragraph 4 of the Final DIP Order, and nothing in this Order shall be construed as altering, amending, waiving, or affecting in any way such rights. Concurrently with the Closing or as soon thereafter as is possible, and in accordance with the APA, SGM shall pay to the counter-parties to the Designated Contracts the cure amounts

set forth in the Cure Notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto or ordered by this Court after a continued hearing on the Cure Objections (the "Designated Cure Amounts"). SGM has the right under the APA to remove any Contracts from the list of Designated Contracts up to seven (7) days prior to Closing, as also set forth in the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865].

14. To the extent that any of the contracts and/or leases, which give rise to the Designated Cure Amounts and are set forth in the Designation Notice and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865] (the "Currently Identified Designated Contracts") are executory contracts or unexpired leases (over which the Court is not making any such determination at this time), then in connection with the Closing, the Debtors shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they are deemed part of the Designated Contracts) and to have assigned them to SGM, and SGM shall have assumed all obligations owing under all such Currently Identified Designated Contracts arising after and following the Closing. The Court shall resolve any and all disputes which may arise between the Debtors, SGM and any of the Currently Identified Designated Contract Counter-Parties over whether the Currently Identified Designated Contracts are executory contracts or unexpired leases and whether any of the Currently Identified Designated Contract Counter-Parties are entitled to an allowed claim against the Debtors which exceeds the Designated Cure Amounts (the "Assumption Dispute").

15. In the event that the Court determines that any such counter-parties to the Currently Identified Designated Contracts (the "Currently Identified Designated Contract

Counter-Parties" and, individually, a "Currently Identified Designated Contract Counter-Party") have an allowed cure claim against the Debtors which exceeds the Designated Cure Amounts (the "Excess Cure Amount"), the difference will be paid by SGM and shall not be the responsibility of the Debtors as more specifically set forth below; provided, however, that unless the Court makes such a determination on or before fifteen (15) days prior to Closing, and unless the Debtor, SGM and the Currently Identified Designated Contract Counter-Party agree otherwise, the Currently Identified Designated Contract which is the subject of such Assumption Dispute, shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA as of ten (10) days prior to Closing, and SGM, except as provided below, shall have no obligation to assume such Currently Identified Designated Contract or to pay any Cure Amount or Excess Cure Amount in connection with such Currently Identified Designated Contract. To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors may, with SGM's consent, assume and assign the applicable executory contract or unexpired lease at Closing and prior to the resolution of the Assumption Dispute by the Bankruptcy Court, provided, that either (a) the Bankruptcy Court has estimated the maximum cure payment, pursuant to 11 U.S.C. § 502(c), and SGM has remitted such amount to the Debtors to be held as sales proceeds in the Sale Proceeds Account for the relevant Debtor(s), or (b) SGM provides to the relevant Debtor(s) and non-Debtor counterparty a separate reasonably acceptable undertaking that SGM will promptly pay the maximum disputed cure amount in accordance with 11 U.S.C. § 365 (b)(1)(A) and (B) (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and SGM). The Debtors shall pay and hereby are authorized to pay disputed cure amounts from the relevant Sales Proceeds Account(s) upon entry of a final order by this Court to the extent SGM remitted to Sellers the amount required by item (a) of this paragraph of the Order.

16. All of the Currently Identified Designated Contracts, to the extent they are executory contracts or unexpired leases and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For*

Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections [Docket No. 1865], or deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above, shall be part of the Designated Contracts that will be assumed by the Debtors and assigned to SGM at the Closing. In the event that SGM elects to add any other of the Debtors' executory contracts or unexpired leases to the list of Designated Contracts (the "Subsequently Identified Designated Contracts" and, individually, a "Subsequently Identified Designated Contract") under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865], SGM shall notify the Debtors of any such Subsequently Identified Designated Contracts on or before thirty days before Closing, and the Debtors shall (i) file a notice with the Court identifying all such Subsequently Identified Designated Contracts and their respective cure amounts as agreed upon between the Debtors and SGM, and (ii) serve such notice by over-night mail on all counter-parties to the Subsequently Identified Designated Contracts (the "Subsequently Identified Designated Contract Counter-Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and assigned to SGM at the Closing, with SGM to be obligated to pay all cure amounts owing to such Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto, or ordered by the Court in accordance with paragraphs 34 and 36 below (the "Additional Cure Amounts"), so long as such amount as ordered by the Court is no greater than the amount agreed upon by SGM; and in the event the Additional Cure Amount is greater than the amount agreed upon by SGM, and SGM is not willing to pay the Additional Cure Amount, the Debtors shall not be required to pay the Additional Cure Amount(s) and the Subsequently Identified Designated Contract(s) shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above; provided, and for the avoidance of doubt, no collective bargaining agreement, pension plan or health and welfare plan providing

collectively bargained benefits to which a Hospital is a party or sponsor constitutes a Currently Identified Designated Contract or a Subsequently Identified Designated Contract for which SGM or the Debtors may be obligated to pay any cure amount.

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SGM, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (collectively, the "Contract Counter-Parties"). At the Closing, SGM shall pay the (i) Sale Proceeds, (ii) the Designated Cure Amounts identified in paragraph 13 above, (iii) the Excess Cure Amounts identified in paragraph 15 above, and (iv) the Additional Cure Amounts, subject to paragraph 15 above. Payment by SGM of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to "cure" all "defaults" with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The foregoing payment shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SGM, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SGM shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts, neither the Debtors nor SGM shall have any further liabilities to any Contract Counter-Parties, other than SGM's obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SGM with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt, SGM shall not be liable for the payment of any liabilities or obligations arising from or related to (a) any executory contracts that the Debtors intend to reject by appropriate motion and which are not being assumed and assigned to SGM, (b) any multiparty contract affecting more than one Debtor in addition to one of the hospitals subject to the

Transaction, or (c) any collective bargaining agreement ("CBA"), pension plan, or health and welfare plan providing for collectively bargained for benefits to which a Hospital is a party or a sponsor, unless expressly assumed and assigned with SGM's consent.

18. The Debtors intend, and are hereby authorized, to (A) reject, pursuant to § 365(a), all executory contracts to which one or more of the Hospitals are a party, excluding (i) Designated Contracts, and (ii) any prepetition multiparty contract affecting more than one Debtor in addition to one of the Hospitals, and, (B) reject and terminate, to the extent separately authorized by this Court, pursuant to §§ 1113, 1114, and any other applicable provision of the Bankruptcy Code, any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which one of the Hospitals is a party or sponsor and that SGM does not assume.

19. All of the Contract Counter-Parties are forever barred, estopped, and permanently enjoined from (i) raising or asserting against the Debtors or SGM, or any of their property, any assignment fee, acceleration, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or related to the Designated Contracts, existing as of the Closing, or arising by reason of the consummation of the Transaction contemplated by the APA, including, without limitation, the Transaction and the assumption and assignment of the Designated Contracts, including any asserted breach relating to or arising out of the change-in-control provisions in such Designated Contracts, or any purported written or oral modification to the Designated Contracts and (ii) asserting against SGM any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed Obligations.

20. Any provisions in any Designated Contracts that prohibit or condition the assignment of such Designated Contract or allow the counterparty to such Designated Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Designated Contract constitute unenforceable anti-assignment provisions

that are void and of no force and effect with respect to the Debtors' assumption and assignment of such Designated Contract to SGM in accordance with the APA, pursuant to § 363(f).

21. The terms and provisions of this Sale Order, as well as the rights granted under the Transaction Documents, shall continue in full force and effect and are binding upon any successor, reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding entry of any order of conversion or dismissal ~~any such conversion, dismissal or order entry~~. Nothing contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict with or derogate from the provisions of the APA, any documents or instruments executed in connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern. The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or dismissal of the cases and the entry of any other order that may be entered in the cases, including any order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7; (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

22. The Transaction contemplated by the APA and other Transaction Documents are undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy Code. SGM is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the sale of the Purchased Assets to SGM. The APA and the Transactions contemplated thereby cannot be avoided under § 363(n).

23. The failure to specifically include any particular provision of the APA or the other Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of this Sale Order are non-severable and mutually dependent.

24. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective and enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence in approving the Transaction (including the transfer and the sale of the Purchased Assets).

25. The automatic stay in effect pursuant to § 362 is hereby lifted with respect to the Debtors to the extent necessary, without further order of this Court, to (i) allow SGM to deliver any notice provided for in the APA and Transaction Documents and (ii) allow SGM to take any and all actions permitted under the APA and Transaction Documents in accordance with the terms and conditions thereof.

26. Unless otherwise provided in this Sale Order, to the extent any inconsistency exists between the provisions of the APA and this Sale Order, the provisions contained in this Sale Order shall govern.

27. This Court shall retain exclusive jurisdiction to interpret, construe, and enforce the provisions of the APA and this Sale Order in all respects, and further, including, without limitation, to (i) hear and determine all disputes between the Debtors and/or SGM, as the case may be, and any other non-Debtor party to, among other things, the Designated Contracts concerning, among other things, assignment thereof by the Debtors to SGM and any dispute between SGM and the Debtors as to their respective obligations with respect to any asset, liability, or claim arising hereunder; (ii) compel delivery of the Purchased Assets to SGM free and clear of Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations; (iii) compel the delivery of the Purchase Price or performance of other obligations owed to the Debtors; (iv) interpret, implement, and enforce the provisions of this Sale Order; and (v) protect SGM against (A) claims made related to any of the Excluded Liabilities (as defined in the APA), (B) any claims of successor or vicarious liability (or similar claims or theories) related to the Purchased Assets or the Designated Contracts, or (C) any Encumbrances asserted on or against SGM or the Purchased Assets.

28. Following the date of entry of this Sale Order, the Debtors and SGM are authorized to make changes to the APA and/or execute supplemental agreements implementing the transactions contemplated by the APA without the need for any further order of the Court provided that all such changes have been approved in writing by the Debtors, SGM, the Committee, the DIP Agent, and Prepetition Secured Creditors. Any other proposed changes to the APA or this Sale Order shall require a further order of the Court, after reasonable notice under the circumstances and a hearing.

29. Notwithstanding any other provision of this Sale Order or any other Order of this Court, no sale, transfer or assignment of any rights and interests of a regulated entity in any federal license or authorization issued by the FCC shall take place prior to the issuance of FCC regulatory approval for such sale, transfer or assignment pursuant to the Communications Act of 1934, as amended, and the rules and regulations promulgated thereunder. The FCC's rights and powers to take any action pursuant to its regulatory authority, including, but not limited to, imposing any regulatory conditions on such sales, transfers and assignments and setting any regulatory fines or forfeitures, are fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or authority to the extent not inconsistent with the applicable provisions of the Bankruptcy Code.

30. To the extent the Purchased Assets contain records of the Verity Health System Retirement Plan A and Verity Health System Retirement Plan B (collectively, the "Pension Plans") or employment records of participants of the Pension Plans, SGM shall store, and preserve any such records until the Pension Benefit Guaranty Corporation ("PBGC") has completed its investigation regarding the Pension Plans and shall make such documents available to PBGC for inspection and copying. Such records include, but are not limited to, any Pension Plan governing documents, actuarial documents, and employment records (collectively, the "Pension Plan Documents"). The Debtors shall retain and not abandon any Pension Plan Documents that are not Purchased Assets no earlier than February 28, 2020, and shall make such documents available to the PBGC for inspection and copying.

If necessary, the Debtors will file any reply to the supplemental objection no later than 4:00 p.m. (Pacific Time), on May 27, 2019, and a hearing will be held on the issues raised regarding the transfer and/or proposed assumption and assignment or rejection of the Medi-Cal Provider Agreements on June 5, 2019, at 10:00 a.m. (Pacific Time); and all parties' rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall apply to Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the DHCS or a Court order resolving the DHCS's objections.

32. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the Hospitals' Medicare Provider Agreements or (b) HHS will file a supplemental objection to the proposed transfer of the Medicare Provider Agreements. Nothing in this Sale Order shall apply to Medicare Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the HHS or a Court order resolving the HHS's objections.

33. In accordance with the terms of §§ 4.7 and 5.11 of the APA, the Debtors and SGM will negotiate regarding modification of applicable CBAs. To the extent the Debtors seek modification, rejection and/or termination of CBAs, they will comply with the requirements of § 1113, as applicable, and may do so before or after Closing under their discretion.

34. A continued hearing on the Cure Objections shall be held on June 5, 2019, at 10:00 a.m. (Pacific Time). As to the Currently Identified Designated Contracts, by no later than May 22, 2019, at 4:00 p.m. (Pacific Time), the Debtors shall file a notice containing a list of (a) the Cure Objections that have been resolved, and (b) the Cure Objections as to which Court intervention is required. As to the Cure Objections for which Court intervention is required, pursuant to the *Order*

Approving Omnibus Stipulation Continuing Hearing on Certain Objections to Notice and Supplemental Notice of Contracts Designated for Assumption and Assignment [Docket No. 2183], the deadline for the Debtors to reply to the Cure Objections shall be May 29, 2019, at 4:00 p.m. (Pacific Time). ~~the following briefing schedule shall apply: (1) the Debtors' opposition to each outstanding Cure Objection shall be submitted by no later than May 22, 2019; and (2) the counterparties' reply in support of its Cure Objections shall be submitted by no later than May 29, 2019.~~ Nothing in this Sale Order constitutes a finding or determination on any Cure Objection. All Cure Objections are preserved until resolved either by agreement between the Debtors and the contract counterparty or further order of the Court.

35. As to any executory contracts or unexpired leases that were listed on the Initial Designated Contract List, but not listed on any prior Cure Notice, any counterparty thereto may file an objection to the cure amount or assumption thereof by May 22, 2019, and all other provisions in paragraph 34 shall apply to resolution thereof.

36. As to Subsequently Identified Designated Contracts, (i) promptly upon SGM's identifying such contract(s), the Debtors shall file a notice with the Court identifying all Subsequently Identified Designated Contracts no later than 30 days prior to Closing and provide service thereof in accordance with paragraph 16, and (ii) to the extent that any Subsequently Identified Designated Contracts were not listed on a Cure Notice, counterparties subject to contracts who object to assumption and/or the proposed cure amounts must file an objection no later than 14 days prior to Closing, and any reply shall be filed no later than 7 days prior to Closing. To the extent that a negotiated resolution cannot be achieved, any objections filed in connection with the Subsequently Identified Designated Contracts shall be adjudicated by the Court, which shall resolve any and all disputed issues related to the objection(s).

37. Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the closing date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim Average Base Period: 1982-84=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at St. Francis Medical Center for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in St. Francis Medical Center's service area (31 ZIP codes), as defined on as described on page 54 in the Healthcare Impact

Purchaser's receipt of same. For the avoidance of doubt, all rental payments received after Closing shall be first applied to any amounts owed to the Sellers under this Section 1.6.3.

1.6.4 All prorations and payments to be made under the foregoing provisions shall be agreed upon by Purchaser and Sellers prior to the Closing and shall be binding upon the parties; provided, however, with respect to the Unpaid Amounts, in the event any proration, apportionment or computation shall prove to be incorrect for any reason, then either the applicable Seller or Purchaser shall be entitled to an adjustment to correct the same, provided that said party makes written demand on the party from whom it is entitled to such adjustment within thirty (30) calendar days after the erroneous payment or computation was made, or such later time as may be required, in the exercise of due diligence, to obtain the necessary information for proration. 4.6 Conduct of the Business. From the Signing Date until the Closing, or the earlier termination of this Agreement, without the prior written consent of Purchaser, Sellers shall, with respect to the ownership of the Assets and the operation of the Hospitals, use commercially reasonable efforts to, in each case except as would not have a Material Adverse Effect (except as otherwise noted):

(a) without regard to Material Adverse Effect, carry on Sellers' ownership of the Assets and the operation of the Hospitals consistent with past practice, but subject to the Bankruptcy Cases and Sellers' obligations and actions in connection therewith;

(b) maintain in effect the insurance and equipment replacement coverage with respect to the Assets;

(c) if and as permitted by the Bankruptcy Court, pay any bonuses payable under the Key Employee Retention Plan and Key Employee Incentive Plan of Sellers;

(d) maintain the Assets in materially the same condition as at present, ordinary wear and tear excepted;

(e) perform its obligations under all contracts with respect to the Assets in compliance with the Bankruptcy Code;

(f) following entry of the Sale Order, permit and allow reasonable access by Purchaser and its representatives (which shall include the right to send written materials, all of which shall be subject to Sellers' reasonable approval prior to delivery) to make offers of post-

Closing employment to any of Sellers' personnel (including access by Purchasers and their representatives for the purpose of conducting open enrollment sessions for Purchasers' employee benefit plans and programs) and to establish relationships with physicians, medical staff and others having business relations with Sellers;

(g) with respect to material deficiencies, if any, cited by any governmental authority (other than the Attorney General of the State of California and other than with respect to Seismic requirements) or accreditation body in the most recent surveys conducted by each, cure or develop and timely implement a plan of correction that is acceptable to such governmental authority or such accreditation body;

(h) timely file or cause to be filed all material reports, notices and tax returns required to be filed and pay all required taxes as they come due;

(i) without regard to Material Adverse Effect, beginning on February 21, 2019 and in accordance with the Sellers' budget under their debtor in possession financing, timely pay any fees that are or become due and payable under QAF IV and QAF V;

(j) comply in all material respects with all Legal Requirements (including Environmental Laws) applicable to the conduct and operation of the Hospitals; and

(k) without regard to Material Adverse Effect, maintain all material approvals, permits and environmental permits relating to the Hospitals and the Assets.

4.7 Contract With Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

ARTICLE 5

COVENANTS OF PURCHASER

5.1 Purchaser's Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers' obligations under this Agreement to the extent that Purchaser's action or inaction can control or materially influence the satisfaction of such conditions. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement, Purchaser shall be permitted to communicate and meet with (a) counter-parties to the agreements and contracts of the Hospitals, included those included in Assumed Obligations, regarding the terms and conditions under which they may be assumed and assigned to Purchaser, and (b) applicable governmental and regulatory authorities regarding prospective compliance with regulatory requirements and related issues; so long as, in the case of each of (a) and (b) (i) such communications and meetings do not interfere with the operation of the Businesses or the conduct of the Bankruptcy Cases and (ii) any communications or meetings with any governmental authority are approved in advance by Sellers as to timing and content (and Sellers are copied on such communications and afforded the opportunity to participate in such meetings).

5.2 Required Governmental Approvals.

(a) Purchaser, at its sole cost and expense (a) shall use its best efforts to secure, as promptly as practicable before the Closing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled (and provide Sellers copies of all materials relating to such consents, approvals, authorizations, clearances and licenses upon submission and all materials received from third parties in connection with such consents, approvals, authorizations, clearances and licenses upon receipt), and (b) will provide such other information and communications to governmental and regulatory authorities as any Seller or such authorities may reasonably request. Purchaser will provide Sellers periodic and timely updates regarding all such consents, approvals, authorizations, clearances and licenses. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Effective Time. Purchaser shall, promptly, but no later than thirty (30) business days after the entry of the Sale Order or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other similar documents with all applicable governmental and regulatory authorities which are a prerequisite to obtaining the material licenses, permits, authorizations and provider numbers described in Section 8.1. Purchaser shall be entitled, but not obligated, to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and obtain estoppel certificates from any third party to any Leased Real Property. Purchaser's failure to obtaining any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either party's obligation to close the transactions contemplated by this Agreement.

(b) Purchaser and Sellers agree that because the change of ownership and regulatory approval process in connection with the transactions contemplated by this Agreement may take an extended period of time, Purchaser and Sellers agree to an initial closing effective upon the approval of the court and upon the approval of the transaction by the CA AG (as defined below) in accordance with Sections 7.5 and 8.6, at which time the Assets (less the portion of the Assets constituting drugs or other pharmacy assets) will be sold to Purchaser and immediately leased back

to Sellers, with a concurrent management agreement entered into at that time upon terms mutually agreeable to the parties in their reasonable business judgment. The Sale Leaseback Agreement and Interim Management Agreement will terminate at the Closing when the Purchaser is issued the Licenses necessary to operate the Hospitals directly (namely, the Hospital Licenses and pharmacy permits).

5.3 Certain Employee Matters.

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) (the "**Hospital Employees**") who, immediately prior to the Effective Time are: (i) employees of any Seller; (ii) employees of any affiliate of any Seller which employs individuals at the Hospital and are listed on **Schedule 5.3**; or (iii) employed by an affiliate of any Seller and are listed on **Schedule 5.3**. For the avoidance of doubt, the Hospital Employees shall not include any employees of Verity or any other affiliate of Seller unless such individual is listed on **Schedule 5.3**. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the "**Hired Employees**." All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.

(b) Purchaser shall give all Hired Employees full credit for paid time off pay to such employees as of the Closing Date by crediting such employees the time off reflected in the employment records of the applicable Seller and/or any of its affiliates immediately prior to the Effective Time, subject to compliance with applicable law and regulation, including consent of such employees if required.

(c) After the Closing Date, Purchaser's human resources department will give reasonable assistance to each Seller and its affiliates with respect to such Seller's and such Seller's affiliates' post-Closing administration of such Seller's and such Seller's affiliates' pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to each Seller a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(d) With respect to any collective bargaining agreements or labor contract with respect to any employees, Purchaser shall comply with the applicable laws and bankruptcy court orders relating to collective bargaining agreements or labor contracts.

(e) The provisions of this Section 5.3 are solely for the benefit of the parties to this Agreement, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

5.4 Excluded Assets. As soon as practicable after the Closing Date, Purchaser shall deliver to each Seller or such Seller's designee any Excluded Assets of such Seller found at the

Hospital on and after the Effective Time, without imposing any charge on any Seller for Purchaser's storage or holding of same on and after the Effective Time.

5.5 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.6 Attorney General. Promptly after entry of the Sale Order, but in any event within ten (10) calendar days, Purchaser shall, at its sole cost and expense, make any notices or other filings with the Attorney General of the State of California (the "**CA AG**"). Each Seller shall reasonably cooperate with Purchaser in such notices or other filings.

5.7 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue as of the Closing.

5.8 Cure Costs. Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code. For purposes of this Agreement, "**Cure Costs**", means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assumed Contracts and Assumed Leases to Purchaser as provided herein.

5.9 Operating Covenant. Purchaser shall act in good faith and use Purchaser's commercially reasonable efforts to serve the medical needs of each Hospital's service area.

5.10 HSR Filing. Purchaser and each Seller will as promptly as practicable, and in any event no later than five business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act.

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement. In addition, Sellers may, in their discretion, seek to reject any or all of the collective bargaining agreement(s).

ARTICLE 6

SELLERS' BANKRUPTCY AND BANKRUPTCY COURT APPROVAL

6.1 Bankruptcy Court Approval; Overbid Protection and Break-Up Fee.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Assets and the assumption and assignment of the Assumed Contracts and Assumed Leases are subject to Bankruptcy Court approval, and that this Agreement is subject to termination in its entirety in the event any Seller receives a better and higher offer for the Assets in accordance with the Bankruptcy Code and subject to the terms stated herein.

(b) Promptly following the execution of this Agreement by all parties, the Seller shall file a motion with the Bankruptcy Court (the "**Sales Procedures Motion**"), the content of which shall be subject to the reasonable approval by Purchaser, for entry of an order approving bid procedures and overbid protections containing substantially the following terms and conditions:

(1) the Seller shall not accept any offer to sell the Assets subject to this Agreement ("**Overbid**") to another purchaser ("**Overbidder**") unless that offer exceeds the Purchase Price by an amount sufficient to pay the Break-Up Fee and such offer includes the purchase of substantially all Assets subject of this Agreement;

(2) in the event that an overbidder (and not the Purchaser) is the successful bidder for the purchase of the Assets (the "**Alternate Transaction**") and the Alternative Transaction is approved by the Bankruptcy Court, (a) the Deposit, and any interest earned thereon, shall be returned to Purchaser immediately upon the entry of such sale order, and (b) Purchaser shall be paid a break-up fee of three and one-half percent (3.25%) of the Cash Consideration ($19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed $2,000,000.00 ((the "**Break-Up Fee**"); provided, however, that in the event that

the Purchaser is successful as to some but not all of the Assets, the Break-Up Fee shall be reduced pro rata to the percentage of Assets not actually purchased by the Purchaser, based on the allocation of the Purchase Price as described in Section 1.1(a)(i), as compared to the Assets which were the subject of this Agreement; in the event that Purchaser terminates this Agreement in accordance with Section 8.6 hereof, expenses of Purchaser incurred in satisfaction of Section 8.6 shall be reimbursed up to $500,000; and

(3) The Break-Up Fee shall be deemed to be an allowed expense of the kind specified in Section 503(b) of the Bankruptcy Code to be paid solely from the proceeds of the Alternate Transaction, pursuant to the Sale Order. The Break-Up Fee shall not be paid if the Alternate Transaction was pursued due to a material breach by the Purchaser or the Purchaser's failure or refusal to consummate the transaction after the satisfaction or waiver of all closing conditions.

The Sales Procedures Motion will contain bid procedures as set forth in the bid procedures attached hereto as **Schedule 6.1(b)(3)**.

If Sellers fails to obtain Bankruptcy Court approval for the Sales Procedures Motion by no later than four weeks after the end of the Final Diligence Period, Purchaser shall have the right to terminate this Agreement, without recourse or liability, and Seller shall immediately thereafter return to Purchaser the Deposit and any interest earned thereon.

(c) Each Seller shall at the Sale Hearing exercise reasonable efforts to obtain a "Sale Order" approving this Agreement, subject to its obligations in respect of any better and higher offer for such Seller's assets in accordance with the Bankruptcy Code. For purposes of this Agreement, the term "**Sale Order**" shall mean an order of the Bankruptcy Court authorizing the sale of the Assets (including the assumption and assignment of the Assumed Contracts and Assumed Leases) to Purchaser consistent with this Agreement and in a form reasonably satisfactory to Purchaser.

(d) Each Seller agrees to proceed in good faith to obtain Bankruptcy Court approval of the sale contemplated herein with a determination that Purchaser is a good faith purchaser pursuant to Bankruptcy Code section 363(m) and to file such declarations and other evidence as may be required to support a finding of good faith.

(e) Each Seller shall seek an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against such Seller as debtor solely in the Bankruptcy Court.

6.2 Appeal of Sale Order. In the event an appeal is taken or a stay pending appeal is requested from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from either of such orders. In the event of an appeal of the Sale Order, Sellers shall be primarily responsible for drafting pleadings and attending hearings as necessary to defend against the appeal; provided, however, Purchaser, at its option, shall have the right to

participate as a party in interest in such appeal. In the event a stay is issued by any appellate court, including the United States District Court, which prevents the sale from closing, as scheduled, Purchaser shall have the right to terminate this Agreement if such stay is not vacated on or before 45 days from the date of the stay is issued, and Purchaser shall be entitled to the prompt return of the Deposit and any interest earned thereon.

ARTICLE 7

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

Sellers' obligation to sell the Assets and to close the transactions as contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Sellers in whole or in part at or prior to the Closing:

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

7.3 Performance of Covenants. Purchaser shall have in all respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by it on or prior to the Closing Date.

7.4 Governmental Authorizations. Purchaser shall have obtained all material licenses, permits and authorizations from governmental agencies or governmental bodies that are necessary or required for completion of the transactions contemplated by this Agreement, including reasonable assurances that any material licenses, permits and authorizations not actually issued as of the Closing will be issued following Closing (which may include oral assurances from appropriate governmental agencies or bodies).

7.5 Attorney General Provisions. The conditions to Purchaser's obligations to close set forth in Section 8.6 shall have been satisfied.

7.6 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order.

7.7 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

7.8 CSCDA Acknowledgement. The CSCDA and PACE Trustee shall have executed acknowledgements in form and substance acceptable to Sellers that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations, and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date.

ARTICLE 8

CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Governmental Authorizations. Except as otherwise set forth in this Agreement, Purchaser and Sellers shall have obtained licenses, permits and authorizations from governmental agencies or governmental bodies that are required for the purchase, sale and operation of the Hospitals, including without limitation approval of the CA AG (subject to Section 8.6), except in such case where failure to obtain such license, permit or authorizations from a governmental agency or governmental body does not have a Material Adverse Effect.

8.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

8.3 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to all of the provisions of this Agreement.

8.4 Performance of Covenants. Sellers shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; *provided*, *however*, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

8.5 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser

agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the "Additional Conditions"), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order ("Supplemental Sale Order") finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of $5 million, or more, shall be conclusively deemed to be "materially different." If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than $500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein,

shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services (**"CMS"**) and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services (**"DHCS"**), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers' Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge, and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposed of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.

8.8 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

ARTICLE 9

TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

(a) by the mutual written consent of the parties;

(b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after service by Sellers upon Purchaser of a written notice which describes the nature of such breach;

(c) by Purchaser if, in its sole and absolute discretion, it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to this Agreement, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under this Section 9.1(c) on or prior to January 8, 2019, which notice may be given by facsimile or email correspondence; provided, that for the avoidance of doubt, following expiration of the Final Diligence Period, notwithstanding anything else in this Agreement, Purchaser shall not be entitled to terminate this Agreement (or not Close) as a result of the breach of any representation or warranty made by Sellers (or any of them) other than the breach of a Sale Order Date Representation, but in each case solely to the extent such breach of a

Sale Order Date Representation would result in a Material Adverse Effect; provided, further, that any dispute between Purchaser and Sellers as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court;

(d) by Purchaser if a material breach of this Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser upon Sellers of a written notice which describes the nature of such breach;

(e) by Purchaser if satisfaction of any of the conditions in ARTICLE 8 has not occurred by December 31, 2019 or becomes impossible, and Purchaser has not waived such condition in writing (provided that the failure to satisfy any of the applicable condition or conditions in Sections 8.1 through 8.5 inclusive has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date); provided that upon the imposition of Additional Conditions by the CA AG, Section 8.6 must be satisfied or waived by Purchaser by no later than sixty (60) days thereafter.

(f) by Sellers if satisfaction of any of the conditions in ARTICLE 7 has not occurred by December 31, 2019 or becomes impossible, and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(g) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Cases or fails to approve the Sales Procedures Motion by the date specified in Section 6.1(b);

(h) by Sellers if, in connection with the Bankruptcy Cases, any Seller accepts an Alternate Transaction and pays the Break-Up Fee;

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before December 31, 2019; or

(j) by Purchaser if a force majeure event (such as acts of God, storms, floods, landslides, earthquakes, lightning, riots, fires, pandemics, sabotage, civil commotion or civil unrest, interference by civil or military authorities, acts of war (declared or undeclared) or armed hostilities, other national or international calamity, one or more acts of terrorism, or failure of energy sources) shall have occurred between the Signing Date and Closing Date, which event is reasonably likely to have a Material Adverse Effect.

9.2 Termination Consequences. If this Agreement is terminated pursuant to

Sections 6.1(b), 6.2 or 9.1: (a) all further obligations of the parties under this Agreement shall terminate (other than Purchaser's right to receive the Break-Up Fee if applicable), provided that the provisions of ARTICLE 12, shall survive; and (b) each party shall pay only its own costs and expenses incurred by it in connection with this Agreement; provided, in the case of any termination based on Sections 9.1(b) or (d) the consequences of such termination shall be determined in accordance with ARTICLE 11 hereof. In addition, if this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1 (other than Section 9.1(b)), Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Each Party acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement.

ARTICLE 10

POST-CLOSING MATTERS

10.1 Excluded Assets.

Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within five (5) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to the applicable Seller. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to any Seller under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to any Seller because of, outstanding claims, liabilities or obligations asserted by Purchaser against any Seller. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to the applicable Seller in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Seller (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to the applicable Seller.

10.2 Preservation and Access to Records After the Closing.

(a) From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the "**Document Retention Period**"), Purchaser shall keep and preserve all medical records (including, without limitation, electronic medical records), patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers' estate representative or any liquidating trustee of the Sellers' bankruptcy estate ("**Seller Parties**"), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Effective Time (including, without limitation, access to

records of patients treated at the Hospital prior to the Effective Time) during normal business hours after the Effective Time, to the extent reasonably needed by any Seller Party for any lawful purpose. Purchaser acknowledges that, as a result of entering into this Agreement and operating the Hospital, it will gain access to patient records and other information which are subject to rules and regulations concerning confidentiality. Purchaser shall abide by any such rules and regulations relating to the confidential information it acquires. Purchaser shall maintain the patient and medical staff records at the Hospital in accordance with applicable law and the requirements of relevant insurance carriers. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents described in this Section 10.2(a), Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal. Any of the Seller Parties shall have the right, at its sole cost, to take possession of such documents during such forty-five (45) calendar day period. If any of the Seller Parties does not take possession of such documents during such forty-five (45) calendar day period, Purchaser shall be free to destroy or otherwise dispose of such documentation upon the expiration of such forty-five (45) calendar day period.

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Effective Time with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees); provided that Purchaser shall not be required to incur any out of pocket costs in association therewith. In addition, Sellers and their affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of their affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or their applicable affiliate's use of such records.

(c) In connection with (i) the transition of the Hospital pursuant to the transaction contemplated by this Agreement, (ii) Sellers' rights to the Excluded Assets, (iii) any claim, audit, or proceeding, including, without limitation, any tax claim, audit, or proceeding and (iv) the Sellers' obligations under the Excluded Liabilities, Purchaser shall after the Effective Time give Sellers access during normal business hours to Purchaser's books, personnel, accounts and records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital as representatives of Sellers and their affiliates may from time to time reasonably request, all in such manner as not to unreasonably interfere with the operations of the Hospital.

(d) Purchaser and its representatives shall be given access by Sellers during normal business hours to the extent reasonably needed by Purchaser for business purposes to all documents, records, correspondence, work papers and other documents retained by Sellers pertaining to any of the Assets prior to the Effective Time (excluding confidential employee information, privileged materials and patient records), all in such manner as to not interfere unreasonably with Sellers. Such documents and other materials shall be, at Sellers' option, either (i) copied by Sellers for Purchaser at Purchaser's expense, or (ii) removed by Purchaser from the premises, copied by Purchaser and promptly returned to Sellers.

(e) Purchaser shall comply with, and be solely responsible for, all obligations under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Parts 160 and 164) promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 with respect to the operation of the Hospital on and after the Effective Time.

(f) Purchaser shall cooperate with Sellers, on a timely basis and as reasonably requested by Sellers, in connection with the provision of all data of the Hospital and other information required by Sellers for reporting to HFAP for the remainder of the quarterly period in which the Closing has occurred.

(g) To the maximum extent permitted by law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities or Excluded Assets, including without limitation, documents relating to the operations of any of the Hospital or any of the Hospital's committees prior to the Effective Time, prior to any disclosure of such documents, Purchaser shall notify Sellers and shall provide Sellers with the opportunity to object to, and otherwise coordinate with respect to, such request or demand.

(h) Provision of Benefits of Certain Contracts. Notwithstanding anything contained herein to the contrary, this Agreement shall not constitute an agreement to assign any Assumed Contract or Assumed Lease, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would constitute a breach thereof or in any way negatively affect the rights of Sellers or Purchaser, as the assignee of such Assumed Contract or Assumed Lease, as the case may be, thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, such consent or approval is required but not obtained, Sellers will cooperate with Purchaser in any reasonable arrangement designed to both (a) provide Purchaser with the benefits of or under any such Assumed Contract or Assumed Lease, and (b) cause Purchaser to bear all costs and obligations of or under any such Assumed Contract or Assumed Lease. Further, notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Account Receivable the assignment of which is either prohibited by law or by the terms of any contract with a payor without the consent of such payor. Any payments received by Sellers after the Closing Date from patients, payors, clients, customers, or others who are the obligors on Accounts Receivables transferred to Purchaser as a part of the Assets on the Closing Date shall be paid over to Purchaser within ten (10) business days after receipt by Seller.

10.3 Closing of Financials. Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall cause the individual acting as the chief financial officer of the Hospital after the Effective Time (the "**Post-Effective Time CFO**") to cooperate with Sellers' representatives in

order to complete the standardized closing of Sellers' financial records through the Closing Date including, without limitation, the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Purchaser shall cause the Post-Effective Time CFO to use his or her good faith efforts to cooperate with Sellers' representatives in order to complete the Closing of Financials by no later than the date which is thirty (30) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers' post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO's other duties.

10.4 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital's medical staff members in good standing as of the Effective Time shall maintain medical staff privileges at the Hospital as of the Effective Time. On and after the Effective Time, the medical staff will be subject to the Hospital's Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.5 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates which are not being sold to Purchaser ("**Shared Intangible Assets**") and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; provided, however, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

ARTICLE 11

DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed $60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under this Agreement.

11.2 Seller Default. If Sellers commit any material default under this Agreement, Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Closing Date, the parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Effective Time and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The parties shall also make available to each other to the extent reasonably required, and at the reasonable cost of the requesting party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) The Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income Tax purposes) shall be allocated among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder as set forth in **Schedule 11.3(b)** (such schedule the "**Allocation Schedule**"). The Allocation Schedule shall be for Sellers' and Purchaser's tax purposes only, and shall not limit the Sellers' creditors in any way.

11.4 Cost Report Matters.

(a) Consistent with Section 4.5, Sellers shall, at Purchaser's expense, prepare and timely file all cost reports relating to the periods ending prior to the Effective Time or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the "**Seller Cost Reports**").

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers' preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser's provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Effective Time with respect to Seller Cost Reports except for preparation and filing thereof.

ARTICLE 12

MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Sellers shall execute, acknowledge and deliver to Purchaser any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Purchaser at any time and shall take any and all other actions reasonably requested by Purchaser at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Purchaser, the Assets. After consummation of the transaction contemplated in this Agreement, the parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; *provided, however,* that no party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties which consent shall not be unreasonably withheld or delayed, except that Purchaser may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the parties hereto.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated by reference herein. From the Signing Date until the Closing, the parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, but subject to Section 9.2(c), should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article III merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on the face of such disclosure, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5)

calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

12.7 Headings. The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related

to this Agreement or any other transaction contemplated hereby and each shall have the right to review and comment on the other's press releases prior to issuance; *provided*, *however*, that nothing in this Section 12.8 shall be deemed to prohibit either Sellers or Purchaser from making any disclosure that its counsel deems necessary or advisable in order to satisfy either party's disclosure obligations imposed by law subject to reasonable prior notice to the other party thereof.

12.9 Fair Meaning. This Agreement shall be construed according to its fair meaning and as if prepared by all parties hereto.

12.10 Gender and Number; Construction; Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word "including" followed by a listing does not limit the preceding words or terms and shall mean "including, without limitation." Any reference in this Agreement to an "affiliate" shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A "Person" shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.11 Third Party Beneficiary. None of the provisions contained in this Agreement are intended by the parties, nor shall they be deemed, to confer any benefit on any person not a party to this Agreement, except for the parties' successors and permitted assigns, and except for any liquidating trustee or plan administrator for Sellers' estate.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the parties hereto. The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding

between the parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the parties on the subject matter hereof (the "**Superseded Agreements**"), which Superseded Agreements shall be of no further force or effect; provided, that notwithstanding the foregoing, the letter Confidentiality Agreement dated July 12, 2018 between Purchaser and Cain Brothers, a division of KeyBanc Capital Markets Inc., on behalf of Sellers and their related entities shall not be a Superseded Agreement and shall continue in full force in effect in accordance with its terms.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the party which is entitled to the benefit thereof but only by a written notice signed by the party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a party shall not be deemed to be a waiver of any preceding breach by any other party of any term, covenant or condition of this Agreement, other than the failure of such other party to perform the particular duties so accepted, regardless of the accepting party's knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

RE: Verity Health System of California, Inc. Notice of Proposed Transfer
St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center

Dear Ms. Levy-Biehl:

The Health Care Impact Statements for the proposed sale of the Verity hospitals for St. Vincent and St. Francis were posted today on the Attorney General's web site at http://oag.ca.gov/charities/nonprofithosp. Please have your clients review the proposed conditions in the Health Care Impact Statements, and let me know in writing whether any of the conditions are a "deal breaker." If there is such a condition, please provide an explanation why your client considers it a "deal breaker" and provide any supporting documents and information. Please provide your client's response on or before August 23, 2019. If I receive no response, I will assume your client has no such concerns. In addition, California Code of Regulations, Title 11, section 999.5(e)(3)(D) states in pertinent part:

> The applicant shall prominently post a copy of the independent health care impact statement on its website available to the public and any applicant's website available to its employees within 24 hours of receipt. If the report is posted on the Attorney General's website, the applicant may provide a prominent link to the report in lieu of posting on its website.

Please have your client post on any and all hospitals' websites available to the public and websites available to its employees or post a link to the Attorney General's website.

Sincerely,

Scott Chan

Re: Verity Health System of California, Inc. Notice of Proposed Transfer of St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center.

Dear Mr. Chan:

As you know, our firm is healthcare counsel to Strategic Global Management, Inc. ("SGM"), the purchaser of four of the Verity Hospitals pursuant to the Asset Purchase Agreement between the Verity Chapter 11 Debtors ("Verity") and SGM, as approved by the Bankruptcy Court ("APA").

We have reviewed your letters of August 16, 2019 and August 19, 2019, to Hope R. Levy-Biehl, outside counsel for the Verity, as well as the Initial Health Care Impact Statements ("Impact Statements"), related to St. Vincent Medical Center, St. Francis Medical Center and Seton Medical Center ("Hospitals"), which are referenced in the letters.

In your letters to Ms. Levy-Biehl, you have requested from her the identification of any conditions set forth in the Impact Statements which are considered "deal breakers," and you further requested an explanation as to why Verity would consider any of the conditions deal breakers. Although the letters were not sent to SGM, we do want to communicate to you SGM's position on the proposed conditions set forth in the Impact Statements.

Our client very much appreciates the ongoing efforts of the Attorney General to review our client's proposed acquisition of the Hospitals and related assets, and we look forward to the opportunity of continuing a dialogue with the Attorney General regarding the acquisition of these Hospitals and any conditions that may be attached to the Attorney General's approval of their transfer to SGM.

However, the conditions recommended in the Impact Statements are materially inconsistent with the conditions which our client had thoughtfully developed and agreed to accept, as set forth in Schedule 8.6 to the APA. SGM continues to investigate and analyze the Hospitals' assets and operations, but SGM still believes that the conditions agreed to in Schedule 8.6 reflect the appropriate and needed approach in support of efforts to address the significant, long standing operational, economic and physical plant challenges facing these Hospitals, many of which were noted in the Impact Statements.

Accordingly, at this juncture, SGM would not accept the conditions proposed in the Impact Statements to the extent they materially differ from the conditions accepted by SGM in Schedule 8.6 to the APA. SGM reserves all of its rights in connection with the APA and, specifically, all of SGM's rights set forth in Section 8.6 thereof.

Nonetheless, as noted above, SGM is continuing its investigation and remains open to discussions with the Attorney General regarding these matters, including face-to-face meetings as appropriate.

Very truly yours,

Todd E. Swanson

Re: Response to August 16 and August 19, 2019 Correspondence
Summary of "Deal Breakers"

Dear Mr. Chan,

Please consider this letter the response of Verity Health System of California, Inc. and its affiliates ("Verity" or "Debtors") to your letters regarding the conditions proposed (the "Recommended Conditions") by JD Healthcare, Inc. ("JD Healthcare" or "Expert") in its Health Care Impact Statements ("Impact Statements"), analyzing the proposed sale of St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (St. Vincent"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton") (collectively, the "Hospitals") to Strategic Global Management, Inc. and/or one of its affiliated entities ("SGM" or "Buyer") (the "Transaction") pursuant to the Asset Purchase Agreement (the "APA"), entered into by and between the parties and approved by the Bankruptcy Court [Docket No. 2305]. We appreciate the opportunity to provide this response.

For the reasons outlined below, if the Attorney General ("AG") adopts the Recommended Conditions, SGM will not proceed with acquiring the Hospitals. SGM confirmed this in its letter to you dated August 21, 2019, when it stated that "the conditions recommended in the Impact Statements are materially inconsistent with the conditions . . . agreed to in Schedule 8.6." Importantly, any condition that the AG adopts that is not consistent with Schedule 8.6 is, in our view, a "deal breaker." Further, if the AG adopts the Proposed Conditions and if the Debtors are unsuccessful in their efforts to cut off the conditions under Section 363 of the Bankruptcy Code[1]

[1] Verity reserves the right to challenge the AG's ability to impose conditions such as the Recommended Conditions in the context of a sale in bankruptcy pursuant to section 363 of the Bankruptcy Code. In this case and *In re Gardens Regional Hospital and Medical Center, Inc.*, 567 B.R. 820 (Bankr. C.D. Cal. 2017), the Bankruptcy Court expressly held, for example, that conditions imposed on a buyer by the Attorney General, as part of the Attorney General's review of the sale of a non-for-profit hospital, is an "interest in property" that can be stripped off the assets through a sale under section 363 of the Bankruptcy Code. *See also In re Verity Health Sys. of Cal., Inc.*, 598 B.R. 283, 293 (Bankr. C.D. 2018) (holding that the "Conditions are an "interest in property" within the meaning of §363(f). These ruling are consistent with rulings by the Second, Third, Fourth and Seventh Circuits, and many lower courts, which have interpreted "any interest" expansively to include not only in rem interests in property, but also

and the sale to SGM does not proceed, the likely outcome is the closure of St. Vincent, Seton, and perhaps St. Francis. This would be an unnecessary and avoidable tragedy and would have a dire impact on countless patients, employees, vendors, and stakeholders. This is especially true here when SGM has agreed to continue to operate the Hospitals and to abide by the vast majority of the conditions imposed by the AG in its approval of the BlueMountain Transaction (the "2015 Conditions")[2] for the remaining term that the conditions apply to Verity, as set forth in Schedule 8.6 to the APA.

Consequently, we strongly request that your office not accept the Expert's Recommended Conditions, which are essentially a roll-forward of the 2015 Conditions based on the historic operations and not current patient care needs or market conditions. Instead, we encourage the AG to tailor the conditions to match those outlined in Schedule 8.6 providing SGM with the flexibility necessary to turn the Hospitals around financially, so they can continue to provide critical healthcare access to the communities they serve and thousands of jobs for the foreseeable future.

We further urge the Attorney General to exercise his discretion in a manner that considers the economic impact of the Recommended Conditions on the Hospitals. While the Impact Statements provide a significant amount of information related to the Hospitals background and the Transaction, the reports lack (i) any analysis of the economic impact that the 2015 Conditions have had on the Hospitals, and (ii) any cost-benefit analysis of the Recommended Conditions. Alarmingly, without regard to the economic and community realities, certain Recommended Conditions, if adopted, would force the Hospitals to maintain programs that not only lose significant amounts of money on an annual basis, but are unnecessary since the same services (and in some instances, more comprehensive or robust services) are already being provided at other hospitals in the area. To aid the Attorney General, we have provided evidence that considers the economic impact of the Recommended Conditions on the Hospitals both in this letter and in the enclosed, supporting declarations. We are happy to provide additional evidence and to discuss this further.

The Attorney General's consideration of the economic impact of the prospective conditions is critical. We, as operators of the Hospitals, know the 2015 Conditions were overly burdensome and hampered the Hospitals' ability to break even, let alone prosper. Indeed, the

Hospitals filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code on August 31, 2018 to stop hemorrhaging precious cash resources. Verity, its employees, its 10,000 vendors, and other parties have made tireless efforts during the tenure of the Chapter 11 cases to ensure continued patient care and to take the necessary steps to allow the Hospitals to be sold to a new operator that could successfully operate the Hospitals.

The Bankruptcy Court has now approved the Transaction, which paves the way for a better chapter for these Hospitals and the communities they serve. The Attorney General should carefully consider the foregoing and not impose any conditions, based largely on historic operations, that would unravel operational improvements resulting from the heroic efforts of Verity's employees and management to save these Hospitals and inexorably lead to their closure.

We also request the opportunity to meet with you and other key decisions makers before any conditions are finalized in this Transaction, given their importance and the fact that the Recommended Conditions would destroy the Transaction and have a negative impact on tens of thousands of patients, employees, vendors, and stakeholders.

I. The 2015 Conditions and the Chapter 11 Cases

Before discussing the Recommended Conditions, I would like you to have the benefit of my experience overseeing the operations and financial performance of the Hospitals. *See* Enclosed Declaration of Richard G. Adcock, Verity Health System of California, Inc. Chief Executive Officer. Upon my appointment of CEO as the Hospitals, two competing issues were immediately apparent: the Hospitals are (i) critically important to the communities they serve, but (ii) are damaged financially as a result of cumulative decisions made in the last two decades.

While my extensive experience in healthcare has assisted me in understanding and navigating the complex problems threatening the Hospitals, one thing has crystalized for me: *the Hospitals require operational flexibility to adjust to market needs and demands and to effectuate a financial turn-around.* The 2015 Conditions do not allow for that type of flexibility and therefore hamper the Hospitals' ability to succeed. Thus, it is imperative that the Attorney General consider the pragmatic realities of the Hospitals' operations when imposing conditions on the Hospitals. We strongly request that the AG tailor the conditions imposed on this Transaction to align with the Purchaser Approved Conditions in Schedule 8.6, providing SGM with the flexibility to close on the Transaction and turn the Hospitals around so they can continue to provide meaningful health care services, community benefits, and jobs to the communities they serve.

II. SGM Was the Only Qualified Bidder for St. Francis, St. Vincent, and Seton.

Verity conducted a robust process to market and solicit potential buyers. In June 2018, it engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

buyers of some or all of the Verity hospitals and related assets and commenced discussions with those potential buyers. Cain prepared a Confidential Investment Memorandum and organized an online data site to share information with potential buyers, contacting over 181 prospective strategic and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction regarding the Verity hospitals. As a result of its far-reaching marketing process, Cain received sixteen indications of interest or other proposals and continued to develop potential sales.

Verity, in consultation with Cain and its other advisors, selected SGM's offer to serve as the stalking-horse bid to acquire the assets of St. Francis, St. Vincent, St. Vincent Dialysis Center, Seton, and related assets (the "Assets") through a sale under section 363 of chapter 11 of title 11 of the United State Code (the "Bankruptcy Code"). Following extensive negotiations, SGM and St. Francis, St. Vincent, St. Vincent Dialysis Center, and Seton entered into the APA, which provides for the purchase of the Assets for $610 million, plus payments of cure costs, as set forth therein.

Thereafter, in accordance with the bidding procedures, Cain continued to actively market the Assets. Cain notified 90 parties of the sale process, directly sent the parties the bidding procedures approved by the bankruptcy court, and represented Cain's availability to assist in the bidding process. Thereafter, sixteen of those parties signaled ongoing interest by their requests for continued access to the data room containing information about the Assets.

Notwithstanding the time, energy, and resources dedicated to this process, SGM submitted the only qualified bid for St. Francis, St. Vincent, and Seton. *Again, and importantly, SGM has agreed to accept, in full or in large part, the majority of the* 2015 *Conditions imposed by the AG in its approval of the BlueMountain Transaction for the remainder of the term applicable to Verity*. SGM has not agreed to accept those 2015 Conditions in their entirety due to its need for flexibility to turn the Hospitals around financially and to modify or eliminate services that are not financially feasible to retain and/or not necessary to serve the community. The Bankruptcy Court entered orders (i) approving the APA, schedules and exhibits thereto, and (ii) authorizing the sale to SGM under section 363 of the Bankruptcy Code.

III. If the Attorney General's Office Adopts the Conditions Proposed by JD Healthcare, SGM Will Not Acquire the Hospitals.

Verity and SGM engaged in extensive discussions and negotiations about the 2015 Conditions, with Schedule 8.6 developed as a result of compromises and concessions made by the parties regarding what conditions SGM committed to accept, while ensuring it had the flexibility and opportunity to turn the failing healthcare system around. Pursuant to Section 8.6 of the APA, SGM negotiated the requirement to close on the Transaction only if the conditions imposed by the AG are "substantially consistent" with the conditions set forth in Schedule 8.6. As outlined in greater detail below, the Recommended Conditions are not substantially

2040 E. Mariposa Avenue
El Segundo, CA 90245

consistent with the conditions enumerated in Schedule 8.6 in a number of significant ways and, if adopted by the AG, will result in this Transaction failing. For the avoidance of any doubt, if the AG adopts and imposes any condition on this Transaction that is not consistent with Schedule 8.6, any such condition should be considered by the AG's office as a "deal breaker."

We highlight below some of the material ways in which the conditions proposed by the Expert diverge from Schedule 8.6.

A. The "term" of the Condition

In Schedule 8.6, there are a number of conditions that SGM accepted "for a term which coincides with the remaining term applicable to [the] condition" for the specific Hospital, as set forth in the 2015 Conditions. While SGM agreed to essentially stand in Verity's shoes and to honor the remaining term of the Prior Conditions, it was unwilling to commit to these 2015Conditions for a more extended period, as these conditions were a key factor contributing to the financial demise of the Hospitals and any requirement to honor these commitments for longer would inhibit SGM's ability to make operational changes necessary to turn the Hospitals around. SGM makes its point in its letter to you when it stated "the conditions agreed to in Schedule 8.6 reflect the appropriate and needed approach in support of efforts to address the significant, long standing operational, economic and physical plant challenges facing these Hospitals, many of which were noted in the Impact Statements."

It is worth noting that in at least some cases (and specifically for Seton), JD Healthcare has recommended that certain conditions be applied to SGM "for the remainder of the term" or in some cases for a period of time that is even shorter than the term remaining on the 2015 Conditions. The AG should apply this same standard to all of the conditions required of SGM (*i.e.*, not longer than the remaining term).

As outlined in greater detail below, if the AG does not allow SGM to honor its conditions for a term that runs concurrent with the term that currently applies to Verity, there is a significant risk that the Hospitals will close. This will result in the loss of critical community-based health care services, jobs, recoveries for creditors, and the loss of over $9 million annually in charity care and over $3,300,000 annually in community benefits currently provided by these Hospitals.

The closure of the Hospitals would be a tremendous and completely avoidable loss. By imposing conditions for a period of time that runs concurrent with the 2015 Conditions, the AG would help to ensure that the Transaction closes and the Hospitals remain open, potentially for much longer, once under new ownership, shed from burdensome historic liabilities and challenges and on more solid financial grounds. This will give SGM the time it needs to further evaluate the opportunities and challenges for these Hospitals and to determine what changes are appropriate to ensure their long-term viability and the best and most productive services for the Hospitals going forward. SGM can, at its election, and if financially prudent, continue to honor

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

the 2015 Conditions and maintain the beds, services, and offerings beyond this term, but requiring it to do so will terminate this Transaction and result in the loss of all services before the 2015 Conditions have even lapsed.

B. Cancer Care

In its Recommended Conditions, JD Healthcare suggests that the AG require SGM to maintain cancer care at the Hospitals, including radiation therapy at St. Francis and St. Vincent, and inpatient oncology, interventional radiology, radiation therapy, and infusion service at Seton. This condition is a clear deal breaker for SGM.

As a threshold matter, it is important to note that none of the Hospitals offer a comprehensive oncology service today. *See* Enclosed Declaration of Tirso del Junco, Jr. M.D., Verity Health System of California, Inc. Chief Medical Officer. St. Francis, St. Vincent and Seton do not currently provide surgical oncology services. While Seton historically had a more robust oncology service line, two of the medical oncologists previously practicing at the Hospital retired and have not been replaced, which has resulted in a further decline in oncology services, including a significant decline in infusion services.

Importantly, demand for oncology services has been steadily on the decline at each Hospital. The reasons for this decline are a function of changing market conditions and are not a mystery. By its own account, the Expert found that St. Francis' cancer care volume decreased from fiscal year 2017 through fiscal year 2019. There are at least three other community hospitals offering cancer care to the same community of patients served by St. Francis. There has also been a decrease in oncology volume at St. Vincent over the last three years, with at least four other community hospitals and/or academic medical centers providing cancer care services to the same community of patients served by St. Vincent. JD Healthcare notes that cancer is the leading cause of death in Los Angeles. While this is very unfortunate and may well be true, the Expert has not suggested that this is the result of a lack of sufficient providers of oncology services or that the provision of cancer care services at St. Vincent and St. Francis is important in fighting this epidemic.

We cannot look at the provision of oncology services in a vacuum. Oncology is a very expensive service line. *See* Enclosed Declaration of Anita Chou, Verity Health System of California, Inc. Chief Financial Officer In FY 2018, St. Vincent provided 9,435 cancer treatments for a loss of $995,000. We would anticipate SGM losing an additional $547,000 as a result of its inability to access drug pricing under the federal 340B Drug Discount Program ("340B pricing"),[3] which would result in a projected net loss of approximately $1.5 million annual in the oncology service line . In FY 2018, Seton provided 8,429 in oncology treatments

[3] The 340B Drug Discount Program is a US federal government program created in 1992 that requires drug manufacturers to provide outpatient drugs to non-profit health care organizations at significantly reduced prices. As a for-profit enterprise, SGM is not eligible for 340B pricing.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

for a net loss of $3.8 million. SGM would have lost an additional $3 million as a result of its inability to access 340B pricing, with approximately $2.6 million attributable to higher oncology drug costs. It is not financially feasible to expect Seton, once owned by SGM, to operate an oncology program with diminishing volume and need at a loss of nearly $7 million per year, especially when the Hospital is already operating at an annual loss of $60 million. In FY 2018, St. Francis provided 15,556 oncology treatments for a total operating cost of $11.6 million. This service line generated a net income of $1.8 million. St. Francis will incur a loss of $262,000 under SGM ownership in light of its inability to access 340B drugs. Some portion of this would translate into additional costs for the St. Francis oncology program.

St. Vincent and Seton already sustain overwhelming losses each year. While St. Francis is operating at a modest profit, it has significant cash flow challenges and may not be financially successful if it had to stand on its own without the support of the system. Given these challenges, every dollar committed and lost impacts the ongoing operations and viability of the Hospitals. SGM recognized from the inception that maintaining oncology services without access to 340B pricing would negatively impact its ability to operate the Hospitals. While access to cancer care is critical, the Expert found sufficient alternative providers. Despite there being available cancer care providers in each of the Hospitals' communities, the Expert recommended requiring the Hospitals' admittedly partial cancer programs continue. The AG should not adopt these Recommended Conditions, which would require SGM to maintain an expensive, diminishing service line when there are alternative service providers in the Hospital communities.

C. Charity Care

SGM has committed to provide annual charity care funds equal to or greater than $430,384 for patients at St. Vincent, $8,000,000 for patients at St. Francis, and $935,405 for patients at Seton, for a term that coincides with the remaining term of the 2015 Conditions. This translates to a commitment of approximately $9,400,000 annually to support necessary medical services for patients in need of care. Any additional charity care requirements above these amounts are a deal breaker for SGM, as it would hinder the long term sustainability of the Hospitals' services.

We appreciate JD Healthcare's recognition that health reform and the Affordable Care Act ("ACA") have changed the need for charity care. We agree with JD Healthcare's suggestion that the AG should adjust the required commitment to charity care based on available data from time periods after the implementation of the ACA. However, a three-year lookback period is too long in light of the significant year-over-year changes in the need for charity care. Instead, the AG should look at the actual charity care provided in the past year by St. Francis, St. Vincent and Seton as a more appropriate barometer for the level of charity care that should be offered by the Hospitals prospectively. SGM has committed to a significant minimum amount of charity care in Schedule 8.6 and the AG should accept this commitment.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

SGM has agreed to administer the charity care funds under its existing financial assistance policy applicable across SGM's hospital system. In order to operate an efficient system, SGM will need to have one set of policies, procedures, and patient financial assistance applications. The Expert has recommended that SGM be required to operate under Verity's policy. SGM should be permitted to organize its administration of the charity care funds, consistent with its other hospitals, and in compliance with applicable state and federal law, without being required to continue Verity's specific policy.

D. Community Benefit

SGM has committed to provide annual community benefit services equal to or greater than $1,076,459 for the communities served by St. Vincent, $1,439,854 for the communities served by St. Francis, and $848,434 for the communities served by Seton, for a term that coincides with the remaining term of the Prior Conditions. Any additional community benefit program requirements above these amounts are a deal breaker for SGM, as it would hinder the long-term sustainability of the Hospitals' services. Further, SGM must be afforded the flexibility to determine how best to serve the community and which programs to provide on behalf of each Hospital.[4]

E. Capital Commitment

As of June 30, 2019, Verity expended approximately $172 million of the $180 million in capital commitments required as part of the 2015 Conditions applicable to Verity's six hospitals, leaving approximately $8 million unexpended by Verity. SGM has agreed to pay the previously required, but unexpended Verity capital commitment applicable to the three Hospitals it is acquiring. In order to determine SGM's share of the unexpended $8 million, we considered the Santa Clara County and SGM asset purchase agreements to arrive at the proxy value of the Verity hospitals of $845,000,000, comprised of $235,000,000 for O'Connor Hospital and Saint Louise Regional Hospital, and $610,000,000 for St. Francis, St. Vincent, and Seton. Based on these figures, SGM is acquiring approximately 72% of the Verity hospital assets. As such, SGM's portion of the outstanding capital commitment as of June 30, 2019, is approximately $5.8 million.

Provided that Verity does not expend any additional capital expenditures through the closing of the pending APA, then SGM would honor and commit to expend $5.8 million in capital commitments among St. Francis, St. Vincent, and Seton. If the remaining amount of the original capital commitment pursuant to the 2015 Conditions left unexpended through the closing of the APA is less than the above number, SGM would honor and commit to spend seventy-two percent (72%) of such lesser amount in capital commitments. We understand SGM

[4] Please note that although St. Francis Career College was referenced in the Expert's recommendations, American Career College bought St. Francis Career College in 2013 and has since closed the Lynwood Campus in 2019.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

would want to maintain the flexibility to determine how best to apportion these required expenditures among the Hospitals based on their individual needs and their operational priorities and to have the opportunity to expend such amounts over five (5) years following the closing pursuant to the APA.

F. Economic Impact of the Expert Proposed Conditions Generally

While the Impact Statements provide a significant amount of information about the Transaction, the Hospital operations and challenges, and the communities they serve, it lacks (i) any of the economic impact the 2015 Conditions have had on the Hospitals or that the Recommended Conditions would have on SGM, and (ii) any cost-benefit analysis of the conditions recommended by the Expert. Verity and SGM agree that many of the services provided by the Hospitals are essential to the communities they serve and that is why SGM has agreed to adopt many of the 2015 Conditions. The Impact Statements fail to consider and discuss the extent to which the economic impact of the proposed conditions guarantees a failed SGM transaction. In its letter to you, SGM states: "the conditions recommended in the Impact Statements are materially inconsistent with the conditions [...] set forth in Schedule 8.6 to the APA." It goes on to say that "SGM would not accept the conditions proposed in the Impact Statements."

If the AG adopts the Recommended Conditions, based on the historical conditions, operations and needs and not the present reality, this will result in requirements for the Hospitals to maintain programs that not only lose a significant amount of money on an annual basis but that are also unnecessarily duplicative of other services (sometimes more comprehensive) already offered at other hospitals in the area. This will also result in SGM walking away from this Transaction.

As further discussed below, a failed SGM Transaction would mean closure for all the Hospitals resulting in the loss of access to medical care for hundreds of thousands of community members and patients, put thousands of employees out of work, and deny any financial recovery for former employees with pension rights, as well as other stakeholders.

By way of example, the Recommended Conditions require that SGM maintain transplant services at St. Vincent, including its newly developed liver transplant program, for at least five years from the Closing Date. St. Vincent established its liver transplant program earlier in 2019, performing a total of 10 liver transplants to date. At present, this program is not receiving any reimbursement as it is still going through the initial certification process. The liver transplant program places a significant financial burden on the Hospital. A third-party liver program expert consulting company has produced feasibility and performance projections for the St. Vincent program and anticipates that it will lose $21 million over 5 years, or somewhere in excess of 15% of the total value of St. Vincent. Liver transplant services were not a required service under the 2015 Conditions and SGM should not be required to maintain liver transplant services at St. Vincent as part of this Transaction.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

Additionally, the Recommended Conditions require SGM to contract with LA Care for St. Francis, and St. Vincent. Verity is currently involved in litigation with LA Care to recover approximately $15.2 million in underpaid and/or unpaid claims.[5] *See* St. Vincent Medical Center v. Local Initiative Health Authority for Los Angeles County dba L.A. Care Health Plan, Case No. 19-01002 at kccllc.net/verity. Requiring SGM to contract with LA Care is unreasonable in light of LA Care's inability to adequately ensure timely and full payment at market rates for services. When both parties can freely negotiate a new contract with needed assurances of payment at market rates, the community benefits. This is not possible if SGM is mandated to contract with LA Care regardless of the contract terms offered by LA Care or LA Care's performance or non-performance under the contract.

These are just a few examples of how the Recommended Conditions fail to take in to account the economic consequences of the suggestions and the impact these would have on hospital viability and prudent operations.

IV. If the AG Imposes the Conditions Recommended by its Expert, and the Debtors are Unsuccessful in their Efforts to Cut Off the Conditions under Section 363 of the Bankruptcy Code, the SGM Sale Will Terminate and St. Vincent and Seton Will Close.

A. The Debtors and Their Stakeholders Will Suffer Immediate Irreparable Harm if the SGM Sale Does Not Close.

The aftermath of a failed SGM sale is the prompt closure of St. Vincent and Seton in light of their unsustainable operational losses, the absence of an interested viable purchaser that would continue operations as acute care hospitals, and the almost certain lack of financing to continue their operations. While St. Francis would attempt a private sale in the bankruptcy case, the Debtors foresee significant challenges notwithstanding the fact that its financial performance may be stronger during parts of the year than the other Hospitals. Indeed, excluding QAF, since it is often difficult to rely on from a working capital perspective due to its sporadic payment pattern, St. Francis would need to borrow greater than $35 million from the Verity Hospital System throughout the year to manage large working capital fluctuations. The administrative expenses and risks associated with continuing the bankruptcy cases to attempt to identify a new buyer other than SGM, further threaten the Debtors' ability to finance and sell the Hospitals as going concerns and related recoveries to constituents. These threats are borne directly by the communities served by the Hospitals, their patients, employees, and other critical stakeholders, and are material considerations with which to assess the proposed SGM sale.

[5] To add specific examples, one large category of claims at issue involves services that were authorized by LA Care through delegated vendors but that LA Care denied payment because it had no way to track the delegated vendors' authorization numbers. As a result, LA Care required timely filed electronic claims to be resubmitted in paper. Another example is that LA Care has improperly administered payments under "stop loss" provisions – denying payment to St. Francis, in particular, for services to some of the most needy patients.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

1. St. Vincent and Seton Will Likely Close.

St. Vincent and Seton are likely to close promptly after the SGM transaction fails for two significant reasons tied to their ongoing financial underperformance: (i) the Debtors cannot sustain the operational losses incurred by St. Vincent and Seton without the prospect of a potential purchaser, and (ii) the Debtors must conserve resources to underwrite a sale of St. Francis. St. Vincent and Seton (including both the Daly City and Coastside campuses) have combined operating losses greater than $105 million in the 10 months since filing bankruptcy.

The Expert acknowledges that "no other offers were received by the Bankruptcy Court to purchase and operate" St. Vincent and Seton. *See* St. Vincent Report at 86; Seton Report at 87. This finding is consistent with the results of the Debtors' extensive marketing efforts. As outlined in greater detail above, beginning in July 2018, the Debtors engaged Cain to identify potential buyers of some or all of the Debtors' Hospitals. Cain contacted over 181 strategic and financial buyers and received 11 indications of interest. None of these indications proposed purchasing and operating St. Vincent or Seton individually. The Debtors cannot sustain incurring ongoing operational losses to maintain the going-concern value of St. Vincent and Seton without the realistic prospect of a purchaser.

These closures would begin almost immediately. Because the failure of the SGM sale puts the recovery of secured creditors at risk, it is almost certain that the secured creditors would object to continued use of their cash collateral to subsidize the losses at St. Vincent and Seton. While the Debtors may be able to obtain an order authorizing the use of cash collateral over their objection, that use would be limited to the amount necessary to avoid harm to patients. Based on the experience of Debtors' counsel, St. Vincent and Seton would first seek court approval to close their emergency departments and close the Hospitals to new patients. Given the average length of stay for hospital inpatients, we would expect all acute care patients to be discharged within a week. We would expect St. Vincent to be closed in less than one month.

Closure of Seton would be much slower than St. Vincent, given the more involved process of the skilled nursing and sub-acute resident populations at both the Daly City and Coastside campuses, and would cost tens of millions of dollars to effectuate. We would immediately seek the assistance of the California Department of Public Health, the Center for Medicare and Medicaid Services, the Department of Health Care Services, Santa Clara and San Mateo Counties and other key governmental and non-governmental stake holders to find appropriate placements for the approximately 180 long term and subacute residents at Seton. However, the post-acute care delivery system in Northern California does not have the excess capacity to accept these residents. *See* Enclosed Declaration of Maya Altman, CEO for the Health Plan of San Mateo. We would anticipate many of these residents being displaced across the state and outside of the state in order to find appropriate and available beds and resources. The transfer trauma risk attendant to the closure of Seton's nursing facility would be significant with patients needing to be transferred, in many cases, hundreds of miles away from their communities, families and support networks.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

Thereafter, the Debtors would most likely attempt a private sale of St. Vincent and Seton after they are closed. After their extensive but ultimately unsuccessful marketing efforts, the Debtors believe that the most likely outcome is a sale to a real estate or similar purchaser without an interest in continuing or reopening the facilities as acute care hospitals, and without the need for Attorney General review. *See In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 826-829 (Bankr. C.D. Cal. 2017) (Robles, J.) (holding that sale of a closed not for profit hospital is not subject to Attorney General review).

2. St. Francis Will Attempt a Private Sale at a Depressed Value with Significant Financial Obstacles and Creditor Scrutiny.

In the event the SGM transaction fails due to the imposition of conditions making continued operations economically unfeasible, the Debtors will turn their efforts to fund a renewed sale process for St. Francis, their only potentially profitable going-concern asset. A St. Francis sale process would face stiff headwinds and present significant liquidity demands, which would be further exacerbated if the Debtors are continuing to incur operating losses associated with St. Vincent and Seton. The Expert cites interviewees who "expressed that if this [SGM] transaction was not finalized, the Hospital would likely be acquired by another organization due to its history of financial success." *See* St. Francis Report at 85. However, this supposition does not account for the expenses and uncertainties associated with a single-facility sale.

St. Francis realizes substantial economic benefits from its integration in the Verity Health System that would be stripped in a single-facility sale. First, St. Francis cannot sustain itself solely on cash flow from operations. The primary receivables attributable to St. Francis operations—reimbursements and related supplemental payments on account of the Hospital Quality Assurance Fee program—are paid periodically during the year and substantially after the service period to which they relate. As stated previously, excluding QAF, St. Francis must borrow greater than $35 million from the Verity Hospital System throughout the year in order to manage its large working capital fluctuations. Historically, St. Francis has leveraged financing arrangements entered into by the Verity Health System. The obligated parties under those financing arrangements historically included VHS, O'Connor Hospital, Saint Louise Regional Hospital, Seton, St. Vincent, and St. Francis. St. Francis cannot achieve stable financial operations without access to credit historically supplied on a joint and several basis to the Verity Health System.

St. Francis benefits from the consolidated administrative functions and unified technology of the Verity Health System, which St. Francis would need to arrange for and purchase individually in anticipation of a single-facility sale. The total burden of the cost of the underlying IT systems and licensing agreements for the system, at a cost of more than $40 million per year, would likely be the burden of St. Francis alone. In addition, St. Francis would bear a significant portion of the current annual overhead costs of over $100 million that no longer could be spread across the other Hospitals. These two factors will put significant strain

Verity Health

El Segundo, CA 90245

on the cash flow of the remaining Debtors and would ultimately make completing an extremely quick private sale of St. Francis critical to maintaining any value for the estate.

A private sale is more expedient, but, in the absence of a renewed, robust sale process, the Debtors expect the sale would yield a purchase price hundreds of millions of dollars lower than the SGM Transaction and would receive objections from constituents who would request a new marketing process. Based on the Debtors' experience through the extensive pre-bankruptcy and post-filing marketing efforts, the Debtors are very aware of (i) the difficulty in identifying a purchaser that is both interested in, and capable of, closing on such a transaction, and (ii) the large amount of time and money it takes to sustain ongoing operating losses while working with a prospective buyer through the complex sale process. In these circumstances, the Expert's comment, without support, that there would be "other buyers" if the SGM Transaction failed is at best unsupported and a gross oversimplification of what would be an involved, complicated process. Even if a new deal process were successful and yielded a willing buyer capable of closing, it is highly uncertain whether the Debtors could fund the ongoing operating capital necessary to continue to operate St. Francis while the sale worked its way through the rigorous bankruptcy, AG, and regulatory approval process.

The Debtors' creditors are also likely to object to a fire sale of St. Francis given the already small recoveries available if the SGM sale is successful. A private sale is likely to leave only a partial recovery for secured creditors and, as discussed below, no recovery for other critical stakeholders. These secured creditors and stakeholders are likely to carefully scrutinize such a transaction and demand a longer auction process in lieu of a private sale. Each of these likely demands from secured creditors, other stakeholders, and the Attorney General would expose St. Francis to further financial deterioration arising from the increased administrative and professional costs associated with a lengthy sale process as well as further losses from operations.

It should be noted that even if there are good sales prospects, Verity will likely have no choice but to close St. Francis pending a sale, putting the hospital license in suspense and closing all beds and service lines. This would require a prompt shut-down of St. Francis, including the closure of its emergency room and trauma center as well as its psychiatric unit. While a buyer could apply to have the St. Francis hospital license resurrected and taken out of suspense, this is not without consequence. As a Hospital that relies heavily on government reimbursement and QAF to survive, in taking the license out of suspense, a St. Francis buyer would need to apply for new Medicare and Medi-Cal provider agreements, enduring a period during which the hospital is open but not yet certified. In addition, St. Francis would not be eligible for QAF during the period of time when it is closed, which would also impact its QAF fees and payments upon reopening. All of this would likely have a negative impact on the value of St. Francis as a freestanding hospital as well as its timeline for reopening its emergency department and certain non-essential services.

B. A Renewed Sale Process Will Materially Delay the Bankruptcy Cases.

The Debtors have administered and financed their bankruptcy cases and plan of liquidation assuming that the cases would conclude shortly after the SGM sale. If SGM does not consummate the sale, then the Debtors will incur additional, unexpected administrative expenses associated with continued operations as they pursue new sales and closures. These expenses—unanticipated by the Debtors and their lenders—will increasingly burden the Debtors' ability to fund their operations.

While difficult to predict, the Debtors anticipate that a single-facility private sale of St. Francis will take approximately five to six months to close. The bankruptcy court process, assuming that (a) a buyer could be located, and (b) the Debtors would seek a private sale, would last approximately six to eight weeks and involve soliciting potential purchasers, drafting and negotiating an asset purchase agreement and sale motion, and holding a sale hearing on three weeks' notice to interested parties. The balance of time is allocated to the 90 to 135-day Attorney General review process. This assumes that the private sale of St. Francis would not require a more belabored auction process in bankruptcy court; however, as noted above, creditors disappointed with partial or no recovery on their claims may convince the court that an auction process will result in a higher sale price.

The Debtors anticipate that the private sales of St. Vincent and Seton would take substantially less time to close if the facilities are not operating as acute care hospitals. The Debtors estimate that sales of St. Vincent and Seton could close in no less than two months on the most favorable timeline and for substantially less consideration. This assumes an expedited disposition of the facilities' patient populations, which we anticipate will be especially challenging for Seton's long-term patient populations at both the Daly City and Coastside campuses.

There is significant risk in the Debtors ability to fund an additional six-month sale process. These alternative sale timelines, through abbreviated, nevertheless require the Debtors to incur significant administrative expenses. As discussed, the Debtors incur cash flow losses of $450,000 every day. The Debtors have obtained $185 million of debtor in possession financing to cover these operational and administrative expenses during their bankruptcy cases because their stakeholders were satisfied that there was a high likelihood of consummating significant asset sales; this matures September 7, 2019. In fact, the financing terms are subject to strict case milestones and short-term budgets based upon consummating sales of the Hospitals by specific dates. *See* Docket No. 309-2 (DIP Credit Agreement, § 7.1 at 63) (the Debtors financial covenants include limits on budget variances during the bankruptcy cases); *see id.* (DIP Credit Agreement, § 9.1(q) at 72-76) (providing for defaults if Debtors fail to meet case deadlines including sale deadlines). Without the prospect of an imminent asset sale that would, at a minimum, cover the costs of financing, the Debtors' ability to obtain financing is a significant risk. The Debtors' access to cash collateral and proceeds of the O'Connor Hospital and Saint Louise Regional Hospital sale are likewise subject to the liens and limitations of the Debtors'

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

secured creditors. The Debtors' ability to fund their operations becomes increasingly dubious as the bankruptcy cases continue without resolution.

C. Patients, Employees, Vendors, Community Members, and Other Essential Stakeholders Bear Directly the Ramifications of a Failed SGM Transaction.

The Attorney General should not ignore the significant economic ramifications of a failed SGM sale because of the negative healthcare impacts on patients and community members. If the SGM sale does not close, patients and community members will lose access to healthcare facilities. Extending the timeline to a sale by six months will also jeopardize the ability to finance the remaining hospital. Furthermore, the degradation in value realized from the asset sales will directly affect key stakeholder recoveries.

1. The Impact on Community Members and Patients

Failure to consummate the SGM sale likely results in the closure of St. Vincent and Seton and risks closure of St. Francis. The Expert recognizes the unique role the Hospitals play in their communities. Although the Debtors challenge the specifics of the proposed conditions, it is indisputable that these facilities provide access to essential healthcare services in their communities. Faced with the possibility of losing these facilities in their entirety, rote application of historical conditions must yield to the pragmatics of economics and demonstrable community need.

St. Francis is a critical safety-net provider of health care services, serving a large number of uninsured and underinsured patients. It is located in a medically underserved area and operates the only trauma center in the service area. It also provides critical acute inpatient psychiatric services as well as a mobile crisis evaluation team.

St. Vincent is the oldest hospital in Los Angeles, providing critical emergency room and other specialized services to the community it serves. In addition to serving almost 180 skilled nursing and subacute residents, Seton also operates a geriatric-psych service line and the only emergency department on the Peninsula in the 55-mile stretch between Santa Cruz and Daly City.

In addition to the possibility of losing these Hospitals, the communities would also lose the charity care and community benefits they offer. This would be a tragic and unnecessary loss.

2. The Impact on Vendors

It is the vendors that have supported the Hospitals during the pendency of the bankruptcy cases, allowing the Hospitals to stay open and to continue providing services in the ordinary course. Under the SGM purchase agreement, these vendors will receive payment in full for their

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

support of Verity during its bankruptcy and a failed sale to SGM could put those payments at risk.

In addition, there are thousands of vendors whose contracts will be assumed by SGM pursuant to the sale. As a consequence, these vendors will be paid for their pre-petition claims an estimated total recovery of more than $50 million. For those vendors whose contracts are not being assumed by SGM, the sale will still provide millions of dollars of recoveries. In total, the failed sale to SGM would cause these vendors to lose tens of millions of dollars in recoveries. Further, there would be a loss of future services by these vendors that would provide the go-forward services to the operating hospitals.

3. The Impact on Employees

St. Francis, St. Vincent, and Seton have approximately 4,950 employees. SGM has committed to retain "substantially all" employees of the Debtors, as set forth in the APA. *See* Docket No, 2305-1 (SGM APA, § 5.3(a) at 27). Similarly, SGM has committed to participate in good faith negotiations of new collective bargaining agreements with the unions. *See id.* (SGM APA, § 4.7 at 25). The SGM sale presents the Debtors' stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in losing healthcare access for vulnerable populations as well as the loss of employment for thousands of employees.

V. Conclusion.

For all of the reasons outlined above, the AG should not adopt the Recommended Conditions. This would result in the certain failure of the SGM Transaction and the likely closure of St. Vincent, Seton, and perhaps St. Francis. This would be a devastating loss to the communities the Hospitals serve, to their patients, employees, vendors, creditors, and more. This would entail the unnecessary loss of historic, meaningful, community hospitals with robust histories, dedicated to providing charity care and community benefits, especially when as here, there is a ready buyer in SGM who has agreed to continue to operate the Hospitals and to abide by the vast majority of the 2015 Conditions for the period of time they apply to Verity. We urge you to tailor the conditions imposed on this Transaction to align with the Purchaser Approved Conditions in Schedule 8.6, providing SGM with the flexibility to close on the Transaction and turn the Hospitals around so they can continue to provide meaningful health care services, community benefits, and jobs to the communities they serve.

Sincerely,

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas dedicated to health and healing. In this role, I was responsible for leading Sanford Health's growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan; Sanford Foundation (a philanthropic fundraising foundation); Sanford Frontiers (a commercial and real estate company); Profile by Sanford (a scientific weight loss program); and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and had the responsibility of starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. From

2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for leading strategic, operational and financial aspects within Sanford Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford Children's Specialty Clinic and led the Pediatric Subspecialty Physician program and the clinical practice through all facets of the operation.

5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma Master Black Belt at GE Medical Systems, and before that served as the Vice President of Research and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of science in business administration and a masters of business administration in healthcare management.

6. I have reviewed the conditions proposed (the "Recommended Conditions") by JD Healthcare, Inc. ("JD Healthcare" or "Expert") to the California Attorney General (the "Attorney General") in the Health Care Impact Statements (the "Reports"), analyzing the proposed sale of St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (St. Vincent"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton") (collectively, the "Hospitals"), to Strategic Global Management, Inc. and its affiliated entities ("SGM"), as reflected in that certain Asset Purchase Agreement (the "APA").

7. Upon review of the Recommended Conditions, I urge the Attorney General not to issue the Recommended Conditions, and, instead, to impose the conditions to which SGM has agreed to in Schedule 8.6 to the APA.

8. As explained below in detail, the Attorney General should not impose the Recommended Conditions because they do not take into consideration the negative economic impact of the Recommended Conditions nor the negative economic impact of the previously imposed conditions on the Hospitals (the "2015 Conditions").

9. The Attorney General should exercise his oversight responsibilities and discretion to impose conditions that consider the economic impact to the Hospitals.

10. My extensive experience in healthcare has helped me understand and

navigate the complex problems threatening the Hospitals.

11. Two competing issues were immediately apparent upon my appointment as CEO: the Hospitals are (i) critically important to the communities they serve, but (ii) are damaged financially as a result of cumulative decisions made in the last two decades.

12. After overseeing the operations and financial performance of the Hospitals, I concluded that the only feasible path to maintain Hospital operations was to initiate a bankruptcy process that would allow the transfer of the Hospitals to more financially stable operators, reduce existing liabilities, and commence a process in cooperation with the Attorney General to ensure the continued viability of these important community assets.

13. While SGM has the ability to keep these Hospitals open and help them to prosper, the Attorney General's role in that process cannot be understated.

14. Specifically, to fix the problems that presently threaten the Hospitals continued viability, the Attorney General must consider the pragmatic realities of the Hospitals' operations.

15. The Hospitals require operational flexibility to address the fast-paced changes in the healthcare market. I will use a specific example to illustrate my point. One of the 2015 Conditions requires that St. Francis maintains a fixed number of beds for pediatric patients. However, and by way of example, children in the St. Francis service area often go to the nearby children's hospital for treatment (e.g., Miller Children's, Children's Hospital of Los Angeles, and Women's Hospital). Consequently, St. Francis does not utilize many of the beds it is required to maintain pursuant to the condition. This results in unnecessary operating costs without attendant increases in revenue and, more importantly, prevents St. Francis from instead applying its resources to address the demonstrated needs of the community. In addition, these pediatric beds are needed as general adult inpatient beds. Put simply, 2015 Conditions do not reflect the needs of the market place. This is one of many examples that is repeated across service lines affected by the 2015 Conditions.

16. The payor contracts present another example of the negative impact of the 2015 conditions on the Hospitals. In my experience, I have never seen a set of conditions that obligate the Hospitals, as providers, to accept a particular payor's contact no matter how disadvantageous the terms and conditions. The Attorney General's mandated requirement to remain in an economically damaging relationship obliterates the Hospitals' ability to negotiate appropriate terms, including reimbursement consistent with market conditions. The Hospital payor contracts are below-market as a result of many years of poor payor contract negotiations coupled with the 2015 Conditions. Stated differently, through the imposition of the conditions, the Attorney General transfers negotiating leverage to the payors and leaves the Hospitals severally disadvantaged. While the Attorney General certainly may not have intended that result at the time the 2015 Conditions were imposed, the 2015 Conditions had that impact and accelerated and contributed to the threats facing the Hospitals today.

17. While the impact reports provide a significant amount of information related to the Hospital's background and the SGM transaction, the reports are lacking (i) any analysis of the economic impact the 2015 Conditions have had on the Hospitals, and (ii) any cost benefit analysis of the Recommended Conditions.

18. Without regard to the economic and community realities, certain Recommended Conditions force the Hospitals to maintain programs that not only suffer significant losses an annual basis, but are unnecessary because the same services (and in some instances, more comprehensive services) are already provided at other Hospitals in the area.

19. The Attorney General's consideration of the economic impact of the Recommended Conditions is critical. As a Hospital operator, I know the 2015 Conditions were too burdensome and hampered the Hospitals ability to prosper, as discussed above. Verity, its employees, tens of thousands of vendors and other parties have made tireless efforts during the sale process to ensure high quality continued patient care and to take the necessary steps that would allow the Hospitals to be sold to a new operator that could

successfully operate the Hospitals. The Bankruptcy Court has now approved the sale to SGM, which paves the way for these Hospitals and the communities they serve to continue the Hospitals' mission of quality patient care.

20. The alternative to an SGM sale is, most likely, the closure of SVMC and Seton in light of their unsustainable operating losses, the absence of an interested viable purchaser that would continue operations as acute care hospitals, and the almost certain lack of financing to sustain their operations.

21. While SFMC would most likely attempt a private sale in the bankruptcy cases, I foresee significant challenges. SFMC's financial performance may be stronger during parts of the year than the other Hospitals; however, SFMC relies significantly on the Verity Hospital System to borrow an excess of $35 million throughout the year to achieve its financial success and has not demonstrated an ability to independently manage large working capital fluctuations. The administrative expenses and risks associated with continuing the cases to attempt to identify a new buyer other than SGM, further threaten the Debtors' ability to finance and sell the Hospitals as going concerns and related recoveries to constituents. These threats are borne directly by the communities served by the Hospitals, their patients, employees, and other critical stakeholders, and are material considerations with which to assess the proposed SGM sale.

22. The Reports recognize the unique role the Hospitals play in their communities. Although I disagree with the specifics of the Recommended Conditions, I believe it is indisputable that the Hospitals provide access to essential healthcare services in their communities. Faced with the possibility of losing the Hospitals in their entirety, rote application of the 2015 Conditions should yield to the pragmatics of economics and demonstrable patient care and community need.

23. If the SGM transaction does not close, the Debtors, employees, pension holders, other stakeholders, and community members, would be exposed to significant and unrecoverable health care and economic loss.

24. Among the stakeholders which will be harmed by a failed SGM sale are the

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

vendors that have supported the Hospitals by providing credit terms throughout these cases. Under the SGM sale, these creditors will receive payment for their support of the Hospitals during the sale process. A failed sale to SGM would put that at risk. In addition, there are thousands of vendors whose contracts will likely be assumed by SGM in the sale. Consequently, these vendors will be paid for their pre-petition claims, an estimated total recovery for these vendors of $50 million. Even those vendors whose contracts are not assumed by SGM are still expected to receive millions of dollars of recoveries. In total, the failed sale to SGM would cost these vendors tens of millions of dollars in recoveries. Further, there would be a loss of future income for services provided to the operating Hospitals on a go-forward basis.

25. The Hospitals have approximately 4,900 employees. SGM has committed to retain "substantially all" employees of the Debtors, as set forth in the APA.

26. The SGM sale presents the Debtors' stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in a loss of healthcare access for vulnerable populations, as well as jobs of thousands of employees.

27. Based on the foregoing, I request the Attorney General carefully consider the foregoing and not impose conditions that would threaten to close the Hospitals or otherwise unwind stakeholders' heroic efforts to save these Hospitals.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

DECLARATION OF ANITA CHOU

I, Anita Chou, declare, that if called as a witness, I would and could testify as follows based on my own personal knowledge.

1. I am the Chief Financial Officer ("CFO") of Verity Health System of California, Inc. ("VHS"). I became the Debtors' acting CFO on August 20, 2018, and on August 29, 2018, the board of directors appointed me as the CFO. Prior to my appointment as acting CFO, I served as the VHS SVP Hospital Finance, with oversight responsibilities over all of Verity Health System hospitals' CFOs from February 1, 2018 until August 19, 2018, and as the St. Vincent Medical Center CFO from March 2016 to February 2018. Prior to VHS, I spent three years at Prospect Medical Holdings from March 2013 to March 2016 in various senior level corporate finance positions including Hospital System CFO, ten years as the controller for three different hospital and hospital systems (*e.g.*, Saint John's Health Center & Affiliates, Valley Presbyterian Hospital, and USC Kenneth Norris Jr. Cancer Hospital), and three years as a Financial Market Analyst for El Camino Hospital. I received my Masters in Health Administration from the University of Southern California in 2005, and my Bachelor of Science from University of California, San Diego in 1998.

2. Debtor VHS, a California non-profit public benefit corporation, is the sole corporate member of the five debtor California non-profit public benefit corporations that operated six acute care hospitals (the "Hospitals"), including St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC") and Seton Medical Center, which includes its Daly City and Coastside Campuses ("Seton"). Seton operates under one consolidated general acute care hospital license. VHS, the Hospitals and their affiliated entities operated as a non-profit healthcare system in the State of California.

3. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity as CFO for VHS.

4. I have reviewed the Health Care Impact Statements (the "Reports"), analyzing the proposed sale of SFMC, SVMC and Seton to Strategic Global Management, Inc., and its affiliated entities ("SGM"), as reflected in that certain Asset Purchase Agreement (the "APA").

5. The report on SFMC, at pages 92-96, the report on SVMC, at pages 87-90, and the report on Seton, at pages 88-92, set forth JD's recommended conditions (the "Recommended Conditions") for the transactions to the California Attorney General (the "Attorney General"). I urge the Attorney General not to issue the proposed conditions and, instead, to impose the conditions to which SGM has agreed in Schedule 8.6 to the APA.

6. The Recommended Conditions for SFMC, SVMC and Seton that deviate from Schedule 8.6 attached to the APA are "deal breakers" and should not be imposed by the Attorney General.

A. St. Francis

7. The Recommended Conditions for SFMC include a requirement that, for at least 10 years from the closing date, SFMC maintain cancer services. The current cost to maintain cancer treatment at SFMC exceeds $11 million annually, which includes the financial advantages that permit SFMC, as a non-profit hospital, to use the 340B program. The 340B Drug Discount Program is a U.S. federal government program that requires drug manufacturers to provide outpatient drugs to eligible health care organizations and covered entities at significantly reduced prices. SGM will operate SFMC as a for-profit enterprise, and, therefore, the 340B program will no longer be available, increasing the cost of pharmaceuticals, and, therefore, the cancer program, by $262,000 per year.

8. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain Wound Care Services. The Wound Care Clinic operated at a $385,000 net loss in 2018 and is expected to continue to operate at a loss.

9. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain its participation in the Medi-Cal Managed Care Program, continuing its contracts with LA Care Health Plan and Health Net Community Solutions. With Managed Medi-Cal rates that are significantly below market, such a restriction will continue to impose a financial burden upon SFMC as well as hinder its ability to negotiate appropriate payor rates. These contracts have not been renegotiated in the last 5 years in part due to the imposition of the conditions.

(213) 623-9300

B. St. Vincent

10. The Recommended Conditions for SVMC include a requirement that, for at least 5 years from the closing date, SVMC maintain cancer services. The cancer treatment program at SVMC operated at a net loss in 2018 of $995,000. And, because SGM will operate SVMC as a for profit enterprise, SGM cannot utilize the benefit of the 340B program which will impose additional cost for pharmaceuticals by $547,000 per year, exacerbating existing operating losses at the facility of over $65 million annually. With the loss of the 340B program, cancer care at SVMC will operate at a projected increased net loss of approximately $1.5 million per year.

11. The Recommended Conditions include a requirement that, for 5 years after the closing date, SVMC will continue to provide liver transplant service. The liver transplant program at SVMC started in calendar year 2019. In fact, performance projections prepared by a third-party expert consultant in transplant programs show a 5-year net loss of $21 million for SVMC. Worse, currently SVMC is not receiving reimbursement for liver transplants because SVMC is still in process of being certified to perform these transplants. Finally, SGM will have to negotiate reimbursement rates with third party payors going forward which may not cover the cost of the surgeries.

12. The Recommended Conditions include a requirement that for 5 years from the closing date, SVMC shall maintain its participation in the Medi-Cal Managed Care program, including continuing contracts with LA Care Health Plan and Health Net Community Solutions, Inc. Just as in the case with SFMC, with Managed Medi-Cal rates that are significantly below market, such a restriction will continue to impose a financial burden upon SVMC as well as hinder its ability to negotiate appropriate payor rates. These contracts have not been renegotiated in more than 5 years in part due to the imposition of the conditions.

C. Seton and Seton Coastside

13. The Recommended Conditions include a requirement that for 6 years Seton continue to offer cancer services at its Daly City Campus. The cancer services at Seton operated at a net loss of $3.8 million in 2018. The loss of the 340B program will increase costs by $3 million, of which $2.6 million is attributable to the loss of infusion therapy services. It is not financially

feasible to operate a cancer program at a continuing loss of nearly $7 million per year for a facility that is currently operating at a loss of $60 million annually.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

1. I am currently the Chief Medical Officer for Verity Health System of California, Inc. ("VHS"). I am licensed and authorized to practice medicine in the State of California. I have been with VHS since its beginning in December 2015. I have also served as VHS's Associate Chief Medical Officer and as St. Vincent Medical Center's Chief Medical Officer. 3. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity the Chief Medical Officer for VHS.

4. I have read the Health Care Impact Statements (the "Reports") prepared by JD Healthcare ("JD") analyzing the proposed sale of SFMC, SVMC and Seton to Strategic Global Management, Inc., and its affiliated entities ("SGM").

5. The report on SFMC, at pages 92-96, the report on SVMC, at pages 87-90, and the report on Seton and Seton Coastside, at pages 88-92, set forth JD's recommended conditions (the "Recommended Conditions") for the transactions to the California Attorney General (the "Attorney General").

6. The Recommended Conditions for SFMC, SVMC and Seton that deviate from Schedule 8.6 attached to the certain Asset Purchase Agreement are "deal breakers" and should not be adopted by the Attorney General.

A. St. Francis Medical Center

7. The Recommended Conditions for SFMC include a requirement that, for at least 10 years from the closing date, SFMC maintain cancer services, including radiation oncology. First, SFMC currently does not have a full complement of cancer services to offer its patients. In fact, SFMC offers *only* radiation oncology, and does not provide infusion chemotherapy and does not have a formal surgical oncology program; SFMC patients who need these services go to other hospitals. All three of those cancer services are currently being provided to patients within the area by Long Beach Memorial, Downy PIH, Torrance Memorial Medical Center and Lakewood Community Hospital. In other words, other hospitals within the area offer a full array of cancer services that SFMC does not offer, and those hospitals can thoroughly meet the needs for such services in the area. SFMC, as a non-profit hospital, receives the benefit of the 340B program. The 340B Drug Discount Program is a U.S. federal government program that requires drug manufacturers to provide outpatient drugs to eligible health care organizations and covered entities at significantly reduced prices. SGM will operate SFMC as a for-profit hospital, and, therefore, the 340B program will no longer be available, thereby increasing the cost of supplies.

8. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain wound care services. The report fails to note that the wound care clinic was re-licensed as a multi-specialty clinic in 2019 (for gastrointestinal services and general surgery, among other specialties); requiring SFMC to continue to provide wound care in the multi-specialty clinic would prevent SFMC from providing in the same clinic at the same time—multi-specialty services to meet community needs. In addition, the report fails to note that the hyperbaric chamber that was utilized in connection with such wound care services was removed by the vendor in 2018. Other hospitals in the area provide wound care services for patients, including Long Beach Memorial, Torrance Memorial and Downey PIH.

B. St. Vincent Medical Center

9. The Recommended Conditions include a requirement that, for at least 5 years from the closing date, SVMC maintain cancer services, including radiation oncology. As is the case with SFMC, SVMC does *not* have a full complement of cancer services to offer its patients; SVMC does

not provide infusion or infusion chemotherapy, and does not have a formal surgical oncology program. SVMC patients who require those services are required to go to other hospitals. All four of those services are currently being provided at California Hospital, Good Samaritan, White Memorial, Hollywood Presbyterian and the Norris Cancer Center at USC Keck. In other words, other hospitals within the area offer a full array of services that SVMC does not offer, thoroughly meeting the need for such services in the area. As is the case with SFMC, the 340B program, which permits SVMC as a non-profit hospital, to obtain cancer supplies, principally pharmaceuticals, from vendors at discounted pricing, cannot continue at SVMC because SGM will operate SVMC as a for-profit hospital. The inability to utilize the financial advantages of the 340B program will have a material impact, increasing costs to provide cancer care.

10. As to both SFMC and SVMC, there are three facilities designated as National Cancer Institutes within the Los Angeles area, including the Norris Cancer Center at Keck USC Medical Center, City of Hope and UCLA Medical Center. Those facilities provide superior cancer treatment to their patients. All three are within 25 miles of SFMC and SVMC.

11. The Recommended Conditions for SVMC include a requirement that, for 5 years after the closing date, SVMC continue to provide liver transplants. The liver transplant program at SVMC only started in 2019. The reality is that the community has 5 neighboring liver transplant centers, which provide the same transplant services as SVMC. The cost to maintain the services is high, best demonstrated by the fact that in regards to the 10 liver transplants surgeries performed so far in 2019, patients have stayed an average of 35 days, which is 15 days over the geometric mean length of stay ("GMLOS"), which is a benchmark to enable comparison of length of stay versus severity of illness, set forth by Medicare. Worse, at the present time, SVMC is not receiving reimbursements because it is awaiting Medicare review of the program for certification.

C. Seton Medical Center and Seton Coastside

12. The Recommended Conditions requiring Seton to provide cancer services at its Daly City Campus should not be required as a condition for approval of the sale by the Attorney General.

13. More specifically, the Recommended Conditions include a requirement that for 6 years from the closing date, Seton shall maintain cancer services at its Daly City Campus, including

oncology services, radiation therapy and infusion services. Seton provides radiation oncology and infusion therapy, but does not have a formal surgical oncology program. Accordingly, just as is the case with SFMC and SVMC, Seton does not have the full complement of cancer services to offer its patients. Seton patients who need the full array of services, that includes surgical oncology, go to other hospitals. A full array of cancer services are currently being provided to patients within the area, at UCSF and Stanford, and at Mills Peninsula which is located within ten miles of Seton. Just as is the case with SFMC and SVMC, other hospitals within the area offer a full array of cancer services, thoroughly meeting the community's needs for such services. Finally, just as is the case with SFMC and SVMC, the 340B program cannot continue in a for-profit hospital as proposed by SGM for Seton. Accordingly, the cost for Seton to provide cancer care without the 340B program will dramatically increase.

I declare under penalty of perjury under the laws of the United State that the foregoing is true and correct. Executed this 23rd day of August, 2019, in Los Angeles, California.

DECLARATION OF MAYA ALTMAN

I, Maya Altman, declare that I have personal knowledge of the facts set forth in this declaration and I would competently testify to them under oath if called as a witness.

1. I am the CEO for the Health Plan of San Mateo. My office is located at 801 Gateway Blvd., South San Francisco, California.

2. The Health Plan of San Mateo (HPSM) is a County Organized Health System (COHS) that contracts with the State of California to operate the Medi-Cal program in San Mateo County. HPSM is the single Medi-Cal plan in this county. HPSM contracts with providers in San Mateo County as well as nearby counties to provide health services, including long term care and skilled nursing care, for its members. Seton Medical Center and Seton Coastside both currently contract with HPSM. HPSM has approximately 140,000 members; nearly all of them are enrolled in Medi-Cal or dually eligible for both Medicare and Medi-Cal.

3. I have been the CEO of HPSM since 2005. Prior to this position, I was the Director of Finance and Administration for the San Mateo County Health Department. I started with San Mateo County Health in 1994 and worked in various capacities before assuming responsibility for finance and administration.

4. I received a Master's Degree in Public Policy from the University of California at Berkeley, and a Bachelor of Arts degree from Bryn Mawr College.

5. Seton Medical Center and Seton Coastside offer services to HPSM members that are unavailable or minimally available from other providers. For example, Seton Medical Center operates the only subacute unit in San Mateo County, a 44 bed unit fully occupied with nearly all Medi-Cal beneficiaries. Were Seton Medical Center to close, these ventilator dependent patients would have to be moved to facilities at a great distance from their families.

6. Seton Medical Center and Seton Coastside operate a combined total of 155 skilled nursing facility beds. HPSM is gravely concerned about the erosion of SNF resources in San Mateo County and the Bay Area for people who are publicly insured

through Medi-Cal and Medicare. This is a national trend but is especially problematic in San Mateo County where the population is aging faster than the rest of California. The county's population of residents over the age of 65 is projected to increase by 57% from 91,447 in 2015 to 160,366 in 2030. San Mateo County's In Home Support Services (IHSS) Medi-Cal population is already 26% over the age of 85 compared to 15% in the rest of California. San Mateo County has already lost 264 licensed SNF beds since 2009, making it extremely difficult to place Medi-Cal enrollees who need this level of care in nursing facilities.

7. Were Seton Medical Center and Seton Coastside to close, Medi-Cal beneficiaries needing skilled nursing facilities would have to be placed in facilities far away, most likely outside of the Bay Area and at a great distance from their families.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed this 21st day of August, 2019, in South San Francisco, California.

Strategic Global Management, Inc. ("SGM") submits its statement in support of the "*Debtor's Emergency Motion For Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV) Granting Related Relief*" [Doc. No. 3188] (the "Motion") filed by Verity Health Systems of California, Inc., *et al.* (the "Debtors" or "Verity," and together with SGM, the "APA Parties"), and respectfully represents as follows:

I.

STATEMENT IN SUPPORT OF MOTION

1. After careful review of the additional conditions (the "Additional Conditions") imposed by the California Attorney General (the "Attorney General") on the sale (the "Sale") of St. Vincent Medical Center, St. Vincent Dialysis Center, St. Francis Medical Center, and Seton Medical Center (including its Seton Medical Center Coastside campus) (collectively, the "SGM Hospitals"), SGM has determined that:

- (1) the Additional Conditions are materially different from, and inconsistent with the "bargained for" negotiated conditions (the "Negotiated Conditions") agreed upon by the APA Parties, as set forth in Schedule 8.6 of the asset purchase agreement (the "APA");
- (2) the Additional Conditions are unacceptable to SGM; and
- (3) SGM will not close the Sale unless the Debtors timely obtain an order from the Court finding that the Additional Conditions are "interests in property" that can be sold free and clear pursuant to Section 363(f) of the Bankruptcy Code, as described more fully in Section 8.6 of the APA (the "Free and Clear Order").

2. The AG's decision to impose the Additional Conditions (the "Decision") – despite the AG being previously informed that SGM would not close the Sale if any additional material, or more onerous conditions are imposed to the Negotiated Conditions – now entitles SGM to "terminate the [APA] and receive the return of its Good Faith Deposit" if the Debtors determine not to seek, or cannot timely (*i.e.*, within 60 days of the Decision) an order from this Court

finding "that the Additional Conditions are an 'interest in property' for purposes of 11 U.S.C. § 363(f), and that the assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser." *See* (APA § 8.6) ("Attorney General Provisions").

3. As described in the "*Declaration of Peter Baronoff*" filed on September 30, 2019, the contents of which are incorporated herein by this reference, the issue regarding the prospective conditions that might be imposed by the Attorney General (the "AG Conditions Issue") was one of the most negotiated issues, and important subjects to SGM.

4. Specifically, over the course of several months from November 2018 to February 2019, SGM discussed with the Debtors' representatives the possible acquisition of the SGM Hospitals. During these discussions, there were innumerable issues that the APA Parties confronted, discussed, negotiated, and ultimately resolved when a final agreement on the form and terms of the APA was reached.

5. One of the most important, and intensely negotiated, subjects during these discussions involved the AG Conditions Issue. SGM was aware from its previous attempt to acquire another hospital in the Gardens Regional Hospital Chapter 11 case before this court, and from other bankruptcy cases in which it was involved that its acquisition of the SGM Hospitals would undergo an approval process by the Attorney General and recognized the importance of negotiating a provision in the APA that would protect it from the possibility that the Attorney General would impose onerous conditions on the Sale, which would be unacceptably burdensome to it from a financial standpoint or otherwise. As a result, the APA Parties spent an enormous amount of time negotiating the provisions of what became Section 8.6 (and Schedule 8.6 referenced therein) of the APA.

6. Section 8.6 of the APA was designed to create a process by which the APA Parties could address potential problems created by the imposition of Additional Conditions, which were not acceptable to SGM. In essence, the APA Parties agreed that if the Attorney General imposed unacceptable Additional Conditions, SGM would not be obligated to close the Sale unless the Debtors timely obtained a Free and Clear Order from the Court. The "Additional Conditions"

referred to in Section 8.6 of the APA were those conditions which, individually or in the aggregate, imposed on SGM $5 million or more of costs beyond the cost of the conditions which SGM had agreed to accept, as set forth in Schedule 8.6 to the APA.

7. Here, the Additional Conditions are materially different from, and inconsistent with the Negotiated Conditions set forth in Schedule 8.6 to the APA. SGM has advised the Debtors that it will not close the Sale unless the Debtors timely obtain a Free and Clear Order from the Court, and otherwise comply with section 8.6 and all other conditions to closing.

8. SGM reserves any and all arguments and rights that it may have pertaining to the Sale, APA, and ability to terminate the APA (including, but not limited to, termination of the APA if the Free and Clear Order does not timely become "a final, non-appealable order," as defined in the APA).

II.

CONCLUSION

For the foregoing reasons, SGM respectfully requests that the Court grant the Motion, and grant such other and further relief as is just and appropriate.

MEMORANDUM OF DECISION GRANTING DEBTORS' EMERGENCY MOTION TO ENFORCE THE SALE ORDER [DOC. NO. 3188]

Time: 10:00 a.m.

Location: Ctrm. 1568
Roybal Federal Building

Los Angeles, CA 90012

Before the Court is the Debtors' motion to sell four not-for-profit hospitals free and clear of regulatory conditions which the California Attorney General claims authority to impose under Cal. Corp. Code § 5914. For the reasons set forth below, the Court finds that § 363 of the Bankruptcy Code authorizes a sale free and clear of the conditions which the Attorney General contends he is authorized to impose.

I. Facts

On August 31, 2018 (the "Petition Date"), Verity Health Systems of California ("VHS") and certain of its subsidiaries (collectively, the "Debtors") filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtors' cases are being jointly administered.

As of the Petition Date, the Debtors operated six acute care hospitals in the state of California. On December 27, 2018, the Court authorized the Debtors to sell two of their hospitals—O'Connor Hospital and Saint Louise Regional Hospital—to Santa Clara County (the "Santa Clara Sale").[1] The Santa Clara Sale closed on February 28, 2019.

On February 19, 2019, the Court entered an order establishing bidding procedures (the "Bidding Procedures Order") for the auction of the Debtors' four remaining hospitals—St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (including St. Vincent Dialysis Center) ("St. Vincent"), Seton Medical Center ("Seton"), and Seton Medical Center Coastside ("Seton Coastside") (collectively, the "Hospitals"). Under the Bidding Procedures Order, Strategic Global Management ("SGM") was designated as the stalking horse bidder. SGM's bid for all four of the Hospitals was $610 million.

The Hospitals were extensively marketed by the Debtors' investment banker, Cain Brothers, a division of KeyBank Capital Markets, Inc. ("Cain Brothers"). Cain Brothers notified ninety parties of the auction process. Sixteen of these parties requested continued access to a data room containing information about the Hospitals.

Notwithstanding Cain Brothers' thorough marketing efforts, the Debtors did not receive any qualified bids for all of the Hospitals. The Debtors received one bid to purchase only St. Vincent and one bid to purchase only St. Francis. After consulting with the Official Committee of Unsecured Creditors (the "Committee") and the largest secured creditors, the Debtors determined not to conduct an auction. On May 2, 2019, the Court entered an order finding that SGM was the winning bidder and approving the sale to SGM (the "SGM Sale").

In 2015, prior to the commencement of these cases, the Debtors' predecessor sought authorization from the California Attorney General (the "Attorney General"), pursuant to Cal. Corp. Code § 5914, to implement a *System Restructuring and Support Agreement* (the "Restructuring Agreement"). The Attorney General approved the Restructuring Agreement, subject to various conditions (the "2015 Conditions"). Among other things, the 2015 Conditions required capital expenditures to make the Hospitals seismically compliant, and required the Hospitals to maintain specified levels of emergency services, intensive care services, cardiac services, and various other services.

Cal. Corp. Code § 5914 requires a non-profit entity operating a health facility to obtain approval from the Attorney General when selling a material amount of its assets to a for-profit entity. Pursuant to Cal. Corp. Code § 5914, the Debtors submitted the SGM Sale to the Attorney General for review.

---

[1] For a description of the Santa Clara Sale, see *In re Verity Health Sys. of California, Inc.*, 598 B.R. 283 (Bankr. C.D. Cal. 2018) ("*Verity I*").

The Asset Purchase Agreement under which SGM agreed to purchase the Hospitals (the "APA") provided that SGM would close the sale so long as any conditions imposed by the Attorney General under the review process set forth in Cal. Corp. Code § 5914 were substantially consistent with conditions that SGM had agreed to accept (the "Approved Conditions").[2] In the event that the Attorney General sought to impose conditions materially different from the Approved Conditions (the "Additional Conditions"), the APA provided that the Debtors would have an opportunity to seek a determination from the Court that the Hospitals could be sold free and clear of the Additional Conditions under § 363(f) of the Bankruptcy Code. Under the APA, Additional Conditions imposing upon SGM costs of $5 million or more are conclusively deemed to be materially different from the Approved Conditions. Further, if the Debtors fail to obtain a final, non-appealable order authorizing the sale free and clear of the Additional Conditions, SGM is not obligated to close on the sale and is entitled to a refund of its good faith deposit.

On September 25, 2019, the Attorney General consented to the SGM Sale, subject to various conditions (the "2019 Conditions"). The 2019 Conditions are materially different from the Approved Conditions that SGM had agreed to accept. In particular, two of the 2019 Conditions impose an additional financial burden upon SGM of approximately $305 million. First, the 2019 Conditions require that SGM continue to operate St. Vincent as a licensed general acute care hospital through December 2024. SGM had agreed to maintain St. Vincent's general acute care license only through December 2020. SGM estimates that continuing to operate St. Vincent as a general acute care hospital for an additional four years would cost approximately $285 million. Second, the 2019 Conditions require St. Francis to provide annual charity care in an amount of $12,793,435 for six fiscal years. The required charity care amount is approximately $6.4 million more than the charity care that St. Francis provided in fiscal year 2019. The charity care requirement imposes an additional incremental cost of approximately $20 million.

SGM will not close the sale absent an order finding that the Hospitals can be sold free and clear of the Additional Conditions pursuant to § 363(f). If the SGM Sale does not close, the most likely outcome will be the closure of St. Vincent, Seton, and Seton Coastside. The Debtors would be required to close these three Hospitals to conserve resources to continue to operate St. Francis, the most solvent of the Hospitals, during the time it would take to obtain approval of a sale of St. Francis. The Debtors cannot continue to sustain operational losses of approximately $450,000 per day without the prospect of a prompt sale. There is no back-up bidder to purchase the Hospitals if the SGM Sale does not close.

The Debtors are facing very significant liquidity constraints. Recently, the California Department of Health Care Services (the "DHCS") began withholding certain Medi-Cal fee-for-service payments owed to the Debtors, for the purposing of recovering alleged Medi-Cal overpayments. As of the beginning of October 2019, DHCS had withheld approximately $4.5 million. The Debtors do not have the ability to borrow under any debtor-in-possession financing facility. At this time, the Debtors' cases are being financed by a consensual cash collateral stipulation executed between the Debtors and the principal secured creditors (the "Cash Collateral Stipulation"). Termination of the APA constitutes an event of default under the Cash Collateral Stipulation. It is unclear whether the Debtors would be able to obtain alternative financing. Further, the Debtors must begin the expensive process of closing the Hospitals while

[2] The Approved Conditions are set forth in Schedule 8.6 of the APA.

they still possess a significant cash buffer.[3] In short, the Debtors' prediction that failure of the SGM Sale would necessitate the closure of St. Vincent, Seton, and Seton Coastside is not a bluff.

The Attorney General asserts that imposition of the 2019 Conditions will not result in the closure of St. Vincent, Seton, or Seton Coastside. The Attorney General points to a declaration from Kenneth Sim, M.D. (the "Sim Decl."), the Chairman of Allied Physicians of California, A Professional Medical Corporation ("Allied"). According to the Attorney General, the Sim Decl. shows that Allied is prepared to acquire Seton and Seton Coastside and operate both Hospitals in accordance with the 2019 Conditions.

Contrary to the Attorney General's characterization, the Sim Decl. provides no certainty that a sale of Seton and Seton Coastside will occur. The Sim Decl. states only that "Allied remains interested in purchasing Seton …." Sim Decl. at ¶ 5. The Court further notes that Allied did not timely submit a qualified bid for Seton. At this late stage in the proceedings, Allied's vague statement that it is "interested" in purchasing Seton and Seton Coastside does nothing to dissuade the Court from its conclusion that absent consummation of the SGM Sale, Seton and Seton Coastside will most likely close.

The Attorney General also points to a bid for the Hospitals submitted by Prime Healthcare ("Prime"). The Attorney General overlooks the Prime did not submit a qualified bid. Among other things, Prime failed to submit the mandatory good faith deposit. In fact, Prime itself recognized that its "bid will not be formally considered at auction" and was submitted only "for reference."[4] Further, Prime stated that it did not want to serve as a back-up bidder.[5] In short, Prime's offer to purchase the Hospitals is just as illusory as Allied's.

Finally, the Attorney General points to an offer by AHMC Healthcare, Inc. ("AHMC Healthcare") to purchase St. Francis. The Attorney General is correct that AHMC submitted a qualified bid to purchase St. Francis. However, even assuming that AHMC would follow through on its prior bid to purchase St. Francis, that still would not prevent the closure of St. Vincent, Seton, and Seton Coastside. As discussed above, the Debtors lack sufficient cash to continue operating all four Hospitals during the time it would take for a sale of St. Francis to close. The Debtors would be required to close St. Vincent, Seton, and Seton Coastside to conserve the cash necessary to operate St. Francis during the sale process.

It is against this backdrop that the Debtors move for authorization to sell the Hospitals free and clear of the Additional Conditions, pursuant to § 363(f). The Debtors argue that the Additional Conditions constitute an "interest in property" within the meaning of § 363(f), and that a sale free and clear of the 2019 Conditions may be authorized under § 363(f)(1), (4), or (5), for the following reasons:

- Pursuant to § 363(f)(1), the Hospitals may be sold under applicable nonbankruptcy law, because under California law, the purchaser of assets does not assume successor liability.
- Pursuant to § 363(f)(4), the validity of the Additional Conditions is subject to a *bona fide* dispute, because the Attorney General abused his discretion in imposing the Additional Conditions.

[4] April 3, 2019 E-mail from Prime to the Debtors [Doc. No. 3333, Ex. 6].

[5] *Id.*

- Pursuant to § 363(f)(5), the Attorney General could be compelled to accept a money satisfaction of certain of the Additional Conditions, such as the condition that SGM provide specified levels of charitable care.

The Debtors assert that imposition of the Additional Conditions violates § 525, which prohibits government entities from discriminating against debtors who have failed to pay dischargeable debts when issuing licenses. According to the Debtors, the Additional Conditions constitute an attempt by the Attorney General to collect a dischargeable debt. The Debtors' theory is that Attorney General's refusal to approve the SGM Sale absent imposition of the Additional Conditions amounts to the discriminatory denial of licensure in contravention of § 525.

Finally, the Debtors request that the Court issue a writ of mandate compelling the Attorney General to approve the SGM Sale without imposition of the Additional Conditions, pursuant to Cal. Civ. Proc. Code § 1085 or § 1094.5. The Debtors assert that a writ of mandate is justified because the Attorney General abused his discretion by imposing the Additional Conditions.

The Committee supports the Motion. The Committee argues that prompt closing of the SGM Sale is the best means of insuring a distribution to unsecured creditors.

The Attorney General opposes the Motion. He disputes the Debtors' contention that the Hospitals may be sold under applicable nonbankruptcy law, or that a bona fide dispute exists as to the Attorney General's authority to impose the Additional Conditions. The Attorney General denies that he abused his discretion in imposing the Additional Conditions. He notes that he considered an extensive record in arriving at the Additional Conditions, and states that the Debtors' dislike of the Additional Conditions does not mean that imposing the conditions was an abuse of discretion.

Service Employees International Union, United Healthcare Workers-West ("SEIU-UHW"), which represents approximately 1,303 employees at St. Vincent and St. Francis, opposes the Motion. SEIU-UHW contends that the Additional Conditions are economically feasible for SGM.

The United Nurses Association of California/Union of Health Care Professional ("UNAC"), which represents approximately 900 registered nurses at St. Francis, urges SGM, the Attorney General, and the Debtors to explore prospects for a consensual resolution with respect to the Additional Conditions.

II. Discussion

Section 363(d)(1) authorizes non-profit entities, such as the Debtors, to sell estate assets only if the sale is "in accordance with nonbankruptcy law applicable to the transfer of property by" a non-profit entity. Section 541(f) similarly provides that property held by debtors that are § 501(c)(3) corporations under the Internal Revenue Code may be transferred, but "only under the same conditions as would apply if the debtor had not filed a case under this title." Section 363(b) authorizes the Debtors to sell estate property out of the ordinary course of business, subject to court approval. The Debtors must articulate a business justification for the sale. *In re Walter*, 83 B.R. 14, 19–20 (9th Cir. BAP 1988). Whether the articulated business justification is sufficient "depends on the case," in view of "all salient factors pertaining to the proceeding." *Id.* at 19–20. Section 363(f) provides that a sale of estate property may be "free and clear of any interest in such property of an entity other than the estate," provided that certain conditions are satisfied.

A. The Additional Conditions are an "Interest in Property" Within the Meaning of § 363(f)

As this Court has previously explained:

> The Bankruptcy Code does not define the phrase "interest in ... property" for purposes of § 363(f). The Third Circuit has held that the phrase "interest in ... property" is "intended to refer to obligations that are connected to, or arise from, the property being sold." *Folger Adam Sec., Inc. v. DeMatteis/MacGregor JV*, 209 F.3d 252, 259 (3d Cir. 2000). That conclusion is echoed by *Collier on Bankruptcy*, which observes a trend in caselaw "in favor of a broader definition [of the phrase] that encompasses other obligations that may flow from ownership of the property." 3 Alan N. Resnick & Henry J. Sommer, *Collier on Bankruptcy* ¶ 363.06[1] (16th ed. 2017).
>
> Courts have held that interests in property include monetary obligations arising from the ownership of property, even when those obligations are imposed by statute. For example, in *Mass. Dep't of Unemployment Assistance v. OPK Biotech, LLC (In re PBBPC, Inc.)*, 484 B.R. 860 (1st Cir. BAP 2013), the court held that taxes assessed by Massachusetts under its unemployment insurance statutes constituted an "interest in ... property." The taxes were computed based on the Debtor's "experience rating," which was determined by the number of employees it had terminated in the past. *Id.* at 862. Because the Debtor had terminated most of its employees prior to selling its assets, its experiencing rating, and corresponding unemployment insurance tax liabilities, were very high. *Id.* The *PBBPC* court held that the experience rating was an interest in property that could be cut off under § 363(f). *Id.* at 869–70. Similarly, in *United Mine Workers of Am. Combined Benefit Fund v. Leckie Smokeless Coal Co. (In re Leckie Smokeless Coal Co.)*, 99 F.3d 573, 581, the court held that monetary obligations imposed by the Coal Industry Retiree Health Benefit Act of 1992 constituted an "interest in ... property" within the meaning of § 363(f).

In re Gardens Reg'l Hosp. & Med. Ctr., Inc., 567 B.R. 820, 825–26 (Bankr. C.D. Cal. 2017), *appeal dismissed,* No. 2:16-BK-17463-ER, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018) ("*Gardens I*").

The Additional Conditions are an "interest in property" within the meaning of § 363(f). First, the Additional Conditions are monetary obligations arising from the ownership of property. Similar to the "experience rating" at issue in *PBBPC, Inc.*, the Additional Conditions were calculated based upon the Hospitals' prior operating history. Among other things, the Additional Conditions require that SGM cause the Hospitals to provide specified levels of healthcare services. The required service levels have been set based upon the Hospitals' historical operations. For example, the Additional Conditions require that St. Francis "maintain and provide 24-hour emergency and trauma medical services at no less than current licensure and designation with the same types and/or levels of services …."[6] St. Francis is required to maintain cardiac services, critical care services, neonatal intensive services, women's health services, cancer services, pediatric services, orthopedic and rehabilitation services, wound care services, behavioral health services, and perinatal services, all at "current licensures, types, and/or levels

[6] St. Francis Conditions at § IV [Doc. No. 3188, Ex. B].

of services."[7] St. Vincent, Seton, and Seton Coastside are also required to maintain various healthcare services at current levels.[8]

Second, the Attorney General's statutory authority to impose the Additional Conditions arises from the Debtors' operation of the Hospitals as non-profit entities. Had the Debtors not operated the Hospitals in this manner, there could be no contention that the SGM Sale is subject to the Attorney General's review pursuant to Cal. Corp. Code § 5914. In this sense as well, the Additional Conditions "arise from the property being sold," *In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003), and therefore qualify as an "interest in … property" within the meaning of § 363(f).

Third, the Attorney General is barred by the law of the case doctrine from asserting that the Additional Conditions are not an "interest in … property." "Under the 'law of the case' doctrine, a court is ordinarily precluded from reexamining an issue previously decided by the same court, or a higher court, in the same case." *Richardson v. United States*, 841 F.2d 993, 996 (9th Cir.), *amended,* 860 F.2d 357 (9th Cir. 1988). "For the doctrine to apply, the issue in question must have been 'decided explicitly or by necessary implication in [the] previous disposition.'" *United States v. Lummi Indian Tribe*, 235 F.3d 443, 452 (9th Cir. 2000).

In connection with the Santa Clara Sale, the Court addressed the exact issue presented here—whether conditions that the Attorney General sought to impose upon the sale constituted an "interest in … property" for purposes of § 363(f).[9] The Attorney General litigated the issue, and the Court overruled the Attorney General's arguments.[10] The Attorney General voluntarily dismissed his appeal of the order finding that the conditions he sought to impose were an "interest in … property." The law of the case doctrine bars relitigation of the issue.

The doctrine of issue preclusion is a further bar to any attempt by the Attorney General to contest the Additional Conditions' status as an "interest in … property." As explained by the Supreme Court, issue preclusion forecloses "'successive litigation of an issue of fact or law actually litigated and resolved in a valid court determination essential to the prior judgment,' even if the issue recurs in the context of a different claim." *Taylor v. Sturgell*, 553 U.S. 880, 892, 128 S. Ct. 2161, 2171, 171 L. Ed. 2d 155 (2008) (internal citations omitted). The doctrine protects "against 'the expense and vexation attending multiple lawsuits, conserve[s] judicial resources, and foster[s] reliance on judicial action by minimizing the possibility of inconsistent decisions.'" *Id.* Issue preclusion applies if "(1) the issue at stake was identical in both proceedings; (2) the issue was actually litigated and decided in the prior proceedings; (3) there was a full and fair opportunity to litigate the issue; and (4) the issue was necessary to decide the merits." *Howard v. The required service levels were derived based upon the historical experience of the prior operator. As such, the Conditions are monetary obligations arising from the ownership of property.").

The Attorney General has litigated the issue presented here, both in connection with the Santa Clara Sale and in connection with a sale in *Gardens I* (the "Gardens Sale"). Just as he did in the Santa Clara Sale, the Attorney General claimed in the Gardens Sale the regulatory authority to impose conditions. The Court found that the Attorney General's claim to regulatory authority was an "interest in … property" for purposes of § 363(f). *Gardens I*, 567 B.R. at 826. The Attorney General is precluded from relitigating the issue of whether his claimed authority to impose conditions on the SGM Sale is an "interest in … property."

B. The Debtors May Sell the Hospitals Free and Clear of the Additional Conditions Pursuant to § 363(f)(1)

Sale of the Hospitals may be free and clear of the Additional Conditions only upon satisfaction of one or more of the five disjunctive sub-factors set forth in § 363(f). Under § 363(f)(1), a sale free and clear may be approved if permitted by applicable nonbankruptcy law.

Applicable nonbankruptcy law permits a sale free and clear for two reasons. First, the Attorney General's attempt to impose the Additional Conditions upon SGM is equivalent to an attempt to impose successor liability upon SGM. California law does not authorize the imposition of successor liability upon SGM. Second, even if the Attorney General were authorized to impose successor liability under California law, the Attorney General abused his discretion in imposing the Additional Conditions, meaning that the Additional Conditions must be set aside.

1. California Law Does Not Authorize the Attorney General to Impose Successor Liability Upon SGM

i. The Additional Conditions Qualify as Successor Liability

The Attorney General's attempt to impose the Additional Conditions upon SGM qualifies as an attempt to impose successor liability upon SGM. The reason is that the Additional Conditions impose upon SGM many of the same obligations imposed upon the Debtors by the 2015 Conditions. By attempting to enforce the Additional Conditions, the Attorney General is attempting to enforce the obligations imposed by the 2015 Conditions against SGM.

It is true that the 2015 Conditions are not identical to the Additional Conditions. Some medical services required under the 2015 Conditions are no longer required under the Additional Conditions. And unlike the 2015 Conditions, the Additional Conditions do not impose obligations to fund pension plans. But for the most part the Additional Conditions reinstate obligations imposed by the 2015 Conditions. For example, both the 2015 Conditions and the Additional Conditions require that St. Francis maintain cardiac services, including designation as a STEMI Receiving Center; critical care services, including a minimum of 36 intensive care unit beds; neonatal intensive care services, including a minimum of 29 neonatal intensive care beds; women's health services, including women's imaging services; cancer services, including radiation oncology; orthopedic and rehabilitation services; and wound care services. The Additional Conditions do not reinstate St. Francis' obligation to maintain advanced certification as a Primary Stroke Center, and the Additional Conditions reduce St. Francis' pediatric services obligation from 14 beds to 5 beds.

The 2015 Conditions required St. Francis to maintain the specified healthcare services for ten years from the date of the closing of the Restructuring Agreement. The Additional Conditions

require that the specified services be maintained for ten years from the date of the closing of the APA. That is, the Additional Conditions extend the term of the 2015 Conditions by approximately six years.

Considered within the overall scope of the obligations imposed, the differences between the 2015 Conditions and the Additional Conditions are comparatively inconsequential. The Attorney General relies upon these minor differences in support of his argument that the Additional Conditions do not impose successor liability. Such reliance is misplaced. The Additional Conditions still qualify as successor liability even though they are not exactly identical to the 2015 Conditions. Nor does the extension in the term of the reinstituted obligations remove the Additional Conditions from the category of successor liability.

The Attorney General argues that the Additional Conditions do not impose successor liability because they are SGM's own obligations, going forward from the date of the sale. According to the Attorney General, the Additional Conditions are based upon healthcare impact reports prepared for each Hospital. The Attorney General asserts that it is not surprising that the Additional Conditions resemble the 2015 Conditions, which are only four years old and relate to the same Hospitals and communities. Citing *In re General Motors Corp.*, 407 B.R. 463, 508 (Bankr. S.D.N.Y. 2009), the Attorney General analogizes the Additional Conditions to the environmental remediation liabilities that would remain the obligation of a purchaser of contaminated real estate.

These arguments are not persuasive. In *General Motors*, the environmental remediation obligations were not successor liability because any entity purchasing contaminated property would have an obligation to comply with environmental law:

> Under section 363(f), there could be no successor liability imposed on the purchaser for the [seller's] … monetary obligations related to cleanup costs, or any other obligations that were obligations of the seller. But the purchaser would have to comply with its environmental responsibilities starting with the day it got the property, and if the property required remediation as of that time, any such remediation would be the buyer's responsibility …. Those same principles will be applied here. Any Old GM properties to be transferred will be transferred free and clear of successor liability, but New GM will be liable from the day it gets any such properties for its environmental responsibilities going forward.

In re Gen. Motors Corp., 407 B.R. 463, 508 (Bankr. S.D.N.Y. 2009).

There is a key difference between the contaminated property at issue in *General Motors* and the Hospitals at issue here. Any entity that purchased the contaminated property at issue in *General Motors* would have been required to comply with environmental regulations going forward. A purchaser's duty to comply with environmental regulations would not vary based upon the identity of the purchaser or the identity of the seller. Here, by contrast, whether a purchaser is obligated to comply with Attorney General conditions can vary, depending upon either the identity of the purchaser or the identity of the seller. There is no general obligation imposed upon an entity that purchases a hospital in the State of California to operate that hospital in accordance with conditions asserted by the Attorney General. The Attorney General's regulatory authority applies only to non-profit hospitals, and only to certain types of sale transactions. Had the Hospitals been sold to a public entity, such as the County of Los Angeles, the Attorney General could not have reviewed the sale. *See Verity I*, 598 B.R. at 294 (holding

that Cal. Corp. Code § 5914 did not apply where non-profit hospitals were sold to a public entity). Had the Hospitals been operated by a for-profit entity, the Attorney General could not have reviewed the sale. *See* Cal. Corp. Code § 5914(a) (requiring only nonprofit corporations to submit the sale of assets to Attorney General review).

Because the obligation to comply with the Additional Conditions is contingent upon the identity of the purchaser and the identity of the seller, the conditions cannot fairly be characterized as the purchaser's obligation to comply with applicable law on a going-forward basis. The Attorney General can claim authority to impose the Additional Conditions upon purchaser SGM only because the Debtors operated the Hospitals as non-profit entities. Since the Attorney General's alleged authority to impose the Additional Conditions derives from the manner in which the sellers operated the Hospitals, the Additional Conditions are appropriately characterized as successor liability.

ii. Successor Liability Cannot Be Imposed Under California Law

Under California law, the general rule is "that where a corporation purchases, or otherwise acquires by transfer, the assets of another corporation, the acquiring corporation does not assume the selling corporation's debts and liabilities." *Fisher v. Allis-Chalmers Corp. Prod. Liab. Tr.*, 95 Cal. App. 4th 1182, 1188, 116 Cal. Rptr. 2d 310, 315 (2002). The general rule does not apply if "(1) there is an express or implied agreement of assumption, (2) the transaction amounts to a consolidation or merger of the two corporations, (3) the purchasing corporation is a mere continuation of the seller, or (4) the transfer of assets to the purchaser is for the fraudulent purpose of escaping liability for the seller's debts." *Id.*

None of the exceptions to the general rule are present here. First, SGM has not agreed to assume the Additional Conditions, either expressly or by implication. Second, the SGM Sale is not a consolidation or merger of the Debtors and SGM. A sale transaction is a consolidation or merger of two corporations "where one corporation takes all of another's assets without providing any consideration that could be made available to meet claims of the other's creditors or where the consideration consists wholly of shares of the purchaser's stock which are promptly distributed to the seller's shareholders in conjunction with the seller's liquidation." *Ray v. Alad Corp.*, 19 Cal. 3d 22, 28, 560 P.2d 3 (1977) (internal citations omitted). Neither factor applies. SGM is paying for the Hospitals in cash (not stock),[11] and that cash will be distributed to the Debtors' creditors through a plan of liquidation. Third, SGM is not a mere continuation of the Debtors. A purchaser is a mere continuation of a seller if there is inadequate consideration for the purchaser or if one or more persons are officers, directors, or stockholders or both corporations. *Id.* Consideration for the SGM Sale is adequate and no officers or directors of the Debtors are officers or directors of SGM.[12] Fourth, the Debtors are not selling the Hospitals for the purpose of escaping liabilities for their debts. In fact, the opposite is true—the objective of the SGM Sale is to generate proceeds to pay the Debtors' debts, to the extent possible. In sum, successor liability cannot be imposed on SGM under California common law.

Successor liability cannot be imposed under Cal. Corp. Code §§ 5914–5919. Cal. Corp. Code § 5914 authorizes the Attorney General to review transactions in which a non-profit healthcare

[11] *See* APA at § 1.1(a)(i) [Doc. No. 2305, Part 1].
[12] As nonprofit public benefit corporations, the Debtors do not have stockholders.

facility seeks to transfer a material amount of its assets to a for-profit entity, and provides in relevant part:

> Any nonprofit corporation that is defined in Section 5046 and operates or controls a health facility, as defined in Section 1250 of the Health and Safety Code, or operates or controls a facility that provides similar health care, regardless of whether it is currently operating or providing health care services or has a suspended license, shall be required to provide written notice to, and to obtain the written consent of, the Attorney General prior to entering into any agreement or transaction to do either of the following:
>
> (A) Sell, transfer, lease, exchange, option, convey, or otherwise dispose of, its assets to a for-profit corporation or entity or to a mutual benefit corporation or entity when a material amount of the assets of the nonprofit corporation are involved in the agreement or transaction.

Cal. Corp. Code § 5914(a)(1) (West).

The "Attorney General shall have discretion to consent to, give conditional consent to, or not consent to" the transaction. Cal. Corp. Code § 5917.

Nothing within the statute authorizes the Attorney General to impose successor liability upon SGM, the for-profit entity that purchased the healthcare assets from the non-profit Debtors. Under the statute, the Attorney General is authorized to review transactions entered into by a "nonprofit corporation that … operates or controls a health facility," Cal. Corp. Code § 5914(a)(1), and to "consent to, give conditional consent to, or not consent to" any such transactions, Cal. Corp. Code § 5917. These provisions do not grant the Attorney General authority to impose going-forward obligations on the assets that are the subject of the transaction. That is, the statute does not provide that the healthcare assets themselves are subject to regulation by the Attorney General. Rather, it is the non-profit status of the entity operating the healthcare assets that triggers the Attorney General's regulatory authority. Upon transfer of the healthcare assets from the non-profit entity to the for-profit entity, the Attorney General's regulatory authority over the assets terminates.

The issue of the Attorney General's authority to impose successor liability arose in the case of *La Paloma Generating Co.*, No. 16-12700, 2017 WL 5197116 (Bankr. D. Del. Nov. 9, 2017). In *La Paloma*, the debtor operated a power plant subject to a cap-and-trade emissions regulation. The regulation required "Covered Entities"—defined as entities engaging in operations that generated emissions—to surrender "Compliance Instruments" equal to the amount of emissions generated at specified times. At issue was whether a power plant could be sold "free and clear of, and without the purchaser assuming, any obligation to surrender compliance instruments under the California Cap-and-Trade Program for emissions generated by the Debtors and/or their facility during the period before the transfer of the assets." *Id.* at *2. The court found that "[u]nder the Regulation, only entities—and not assets—are Covered Entities" subject to the obligation to surrender Compliance Instruments. *Id.* at *5. As a result, the court found, the debtors could sell the power plant free and clear of the surrender obligations, pursuant to § 363(f)(1). *Id.* at *8. The court reasoned that the regulation did not impose successor liability on the purchaser, because it imposed liability only on "Covered Entities," and the purchaser would not become a Covered Entity until after it acquired the power plant. *Id.* at *7–*8. The regulation, the court held, was limited to Covered Entities, and could not be used to "impugn liability on the purchaser of … the Covered Entity's assets." *Id.* at *8.

With respect to the imposition of successor liability, the statute at issue here operates in the same manner as the regulation examined in *La Paloma*. Similar to the regulation in *La Paloma*, Cal. Corp. Code § 5914–5919 permits the imposition of liability upon the Hospitals only because they are operated by a non-profit corporation. That is, independent of the fact that they are operated by a non-profit entity, nothing within Cal. Corp. Code § 5914–5919 authorizes the Attorney General to impose liabilities upon the Hospitals. Further, the Attorney General's regulatory authority under the statute does not extend to for-profit entities. As was the case in *La Paloma*, Cal. Corp. Code §5914–5919 does not authorized the Attorney General to impose liability upon the for-profit purchaser of the Hospitals.

The Attorney General argues that the statute's implementing regulations authorize the imposition of successor liability. Specifically, the Attorney General points to Cal. Code Regs. Tit. 11, § 999.5, which provides in relevant part:

> It is the policy of the Attorney General, in consenting to an agreement or transaction involving a general acute care hospital, to require for a period of at least five years the continuation at the hospital of existing levels of essential healthcare services, including but not limited to emergency room services. The Attorney General shall retain complete discretion to determine whether this policy shall be applied in any specific transaction under review.

Cal. Code Regs. tit. 11, § 999.5.

Significantly, the statute's implementing regulations do not differentiate between Cal. Corp. Code §§ 5914–5919, which codifies the Attorney General's authority to review transfers between a non-profit and a for-profit entity, and Cal. Corp. Code §§ 5920–5925, which codifies the Attorney General's authority to review transfers between a non-profit entity and a different non-profit entity. Where assets are transferred between two different non-profit entities, the structure of the statute clearly provides the Attorney General the authority to impose successor liability.

The Court construes Cal. Code Regs. Tit. 11, § 999.5 as implementing Cal. Corp. Code §§ 5920–5925, not as implementing Cal. Corp. Code §§ 5914–5919. Cal. Corp. Code §§ 5920–5925 does authorize the imposition of successor liability, whereas Cal. Corp. Code §§ 5914–5919 does not. This construction is appropriate because it harmonizes the language of the regulation with the language of the statute, while still giving full effect to every part of the regulation. *See Butts v. Bd. of Trustees of California State Univ.*, 225 Cal. App. 4th 825, 835, 170 Cal. Rptr. 3d 604, 612 (2014) ("The rules of statutory construction also govern our interpretation of regulations promulgated by administrative agencies. We give the regulatory language its plain, commonsense meaning. If possible, we must accord meaning to every word and phrase in the regulation, and we must read regulations as a whole so that all of the parts are given effect.").

Because the Attorney General's authority to review the sale arises under Cal. Corp. Code §§ 5914–5919, the Attorney General cannot rely upon Cal. Code Regs. tit. 11, § 999.5, which implements Cal. Corp. Code §§ 5920–5925, as the basis for imposing successor liability upon SGM.

2. Even if California Law Allowed the Attorney General to Impose Successor Liability Upon SGM, the Attorney General Abused his Discretion in Imposing the Additional Conditions

As set forth below, the Court finds that the Attorney General's decision to impose the Additional Conditions is subject to judicial review by administrative mandate under California law. This Court is empowered to conduct such judicial review pursuant to § 1221(e) of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 ("BAPCPA"), which provides:

> Nothing in this section shall be construed to require the court in which a case under chapter 11 of title 11, United States Code, is pending to remand or refer any proceeding, issue, or controversy to any other court or to require the approval of any other court for the transfer of property.

Pub. L. No. 109-8, § 1221(e) (2005).[13] *See also In re HHH Choices Health Plan, LLC*, 554 B.R. 697, 700 (Bankr. S.D.N.Y. 2016) (construing New York state law to determine the appropriate disposition of a non-profit debtor's assets).

Upon review of the Attorney General's decision, the Court finds that the imposition of the Additional Conditions constituted an abuse of discretion, for the reasons explained below. Therefore, the Additional Conditions must be set aside, which means that the Debtors are authorized to sell the Hospitals free and clear of the Additional Conditions under applicable nonbankruptcy law.

i. The Attorney General's Imposition of the Additional Conditions is Subject to Judicial Review by Administrative Mandate

Cal. Civ. Proc. Code § 1094.5 provides for judicial review by administrative mandate of decisions made by agencies or officers of the State of California. A writ of mandate may be issued if the agency or officer making the decision engaged in a "prejudicial abuse of discretion." Cal. Civ. Proc. Code § 1094.5(b). An "abuse of discretion is established if … the order or decision is not supported by the findings, or the findings are not supported by the evidence." *Id.*

The Attorney General contends that administrative mandamus review is not available because the Additional Conditions were not issued subsequent to "a proceeding in which by law a hearing is required to be given, evidence is required to be taken, and discretion in the determination of facts is vested in the inferior tribunal." Cal. Civ. Proc. Code § 1094.5(a). The Attorney General acknowledges that he conducted "public meetings … to hear comments from interested parties" as required by Cal. Corp. Code § 5922. However, the Attorney General asserts that such public meetings were not "hearings" within the meaning of Cal. Civ. Proc. Code § 1094.5(a), because public comments were not presented under oath and no effort was made to determine the accuracy of the information offered by members of the public. The Attorney General's position is that the Debtors are entitled only to traditional mandamus review under Cal. Civ. Proc. Code § 1085.

"Quasi-legislative acts are ordinarily reviewed by traditional mandate, and quasi-judicial acts are reviewed by administrative mandate. 'Generally speaking, a legislative action is the formulation of a rule to be applied to all future cases, while an adjudicatory act involves the actual application of such a rule to a specific set of existing facts.'" *Friends of the Old Trees v. Dep't of Forestry & Fire Prot.*, 52 Cal. App. 4th 1383, 1389, 61 Cal. Rptr. 2d 297, 303 (1997) (internal citation omitted).

---

[13] This provision of BAPCPA does not appear in the Bankruptcy Code itself.

The Court is not persuaded by the Attorney General's contention that administrative mandamus review is unavailable to the Debtors. In reviewing the SGM Sale, the Attorney General hired JD Healthcare, Inc. to prepare expert reports containing information on how the SGM Sale would affect the availability of healthcare services in the regions served by the Hospitals. The JD Healthcare expert reports contained recommendations regarding the conditions that the Attorney General should impose on the SGM Sale. Upon receiving the expert reports, the Attorney General asked the Debtors to respond to the conditions recommended by JD Healthcare. The Attorney General conducted public meetings, all of which were transcribed, at which members of the public commented on the SGM Sale. "[P]urely documentary proceedings can satisfy the hearing requirement of Code of Civil Procedure § 1094.5, so long as the agency is required by law to accept and consider evidence from interested parties before making its decision." *Friends of the Old Trees*, 52 Cal. App. 4th at 1391–92. A "trial-type hearing" is not necessary. *Id.* at 1392.

The Attorney General's review involved "the actual application of … a rule to a specific set of existing facts." *Friends*, 52 Cal. App. 4th at 1389. The Attorney General received evidence from JD Healthcare, heard comments from members of the public, and elected to impose the Additional Conditions after considering all the evidence collected during the review process. The Attorney General's review of the SGM Sale was a quasi-judicial act subject to review by administrative mandate.

The Attorney General next asserts that administrative mandamus review is unavailable because the Debtors have failed to produce the complete administrative record supporting the Attorney General's decision. This contention is without merit. For purposes of administrative mandamus review, a partial record is sufficient if it "accurately represent[s] the administrative proceedings, provide[s] the reviewing court with an understanding of what occurred below, and enable[s] that court to undertake an independent judicial review of the administrative decision." *Elizabeth D. v. Zolin*, 21 Cal. App. 4th 347, 349, 25 Cal. Rptr. 2d 852 (1993). The record before the Court consists of the expert reports prepared by JD Healthcare, partial transcripts of public meetings conducted by the Attorney General, and various letters submitted by stakeholders. The record on file provides the Court with an understanding of reasons for the Attorney General's decision.

There are two tests for judicial review by administrative mandate. "The 'independent judgment' rule applies when the decision of an administrative agency will substantially affect a fundamental vested right." *Mann v. Dep't of Motor Vehicles*, 76 Cal. App. 4th 312, 320, 90 Cal. Rptr. 2d 277, 283 (1999). Under the "independent judgment" rule, the Court must "begin its review with a presumption of the correctness of administrative findings, and then, after affording the respect due to these findings, exercise independent judgment in making its own findings." *Fukuda v. City of Angels*, 20 Cal. 4th 805, 819, 977 P.2d 693, 701 (1999). "[T]he presumption provides the trial court with a starting point for review but it is only a presumption, and may be overcome. Because the trial court ultimately must exercise its own independent judgment, that court is free to substitute its own findings after first giving due respect to the agency's findings." *Id.*

"The 'substantial evidence' rule applies when the administrative decision neither involves nor substantially affects a vested right. The trial court must then review the entire administrative record to determine whether the findings are supported by substantial evidence and whether the agency committed any errors of law …." *Mann*, 76 Cal. App. 4th 312, 320, 90 Cal. Rptr. 2d 277, 283 (1999).

To determine whether an administrative decision affects a fundamental vested right, the Court examines "whether the affected right is deemed to be of sufficient significance to preclude its extinction or abridgement by a body lacking *judicial* power." *Interstate Brands v. Unemployment Ins. Appeals Bd.*, 26 Cal. 3d 770, 779, 608 P.2d 707, 713 (1980) (emphasis in original). An administrative decision that would have the effect of shutting down a business affects a fundamental vested right. *See, e.g.*, *The Termo Co. v. Luther*, 169 Cal. App. 4th 394, 407–08, 86 Cal. Rptr. 3d 687, 697 (2008) ("The implementation of the Order and Decision would have the effect not only of shutting down a business that has been in existence for 20 years or more, but also of terminating the right to produce oil—an extraordinarily valuable resource, especially in the current economic era.... Certainly, a fundamental vested right is at issue."); *Goat Hill Tavern v. City of Costa Mesa*, 6 Cal. App. 4th 1519, 1529, 8 Cal. Rptr. 2d 385, 391 (1992) (holding that "the right to continue operating an established business in which [the owner] has made a substantial investment" is a fundamental vested right).

Imposition of the Additional Conditions will precipitate the collapse of the SGM Sale and require the Debtors to close three of the four Hospitals. The Debtors' rights to preserve the Hospitals' operations, by means of a sale to SGM, is a fundamental vested right that is abrogated by the Attorney General's attempt to impose the Additional Conditions. Consequently, the Court reviews the Attorney General's decision under the independent judgment test.

ii. In Imposing the Additional Conditions, the Attorney General Abused His Discretion

Under certain circumstances, the sale of a not-for-profit healthcare facility is subject to review by the Attorney General. Cal. Corp. Code § 5914. The Legislature enacted Cal. Corp. Code § 5914 to ensure that the public was not deprived of the benefits of charitable health facilities as a result of the transfer of those facilities' assets to for-profit entities. In enacting § 5914, the Legislature found:

> Charitable, nonprofit health facilities have a substantial and beneficial effect on the provision of health care to the people of California, providing as part of their charitable mission uncompensated care to uninsured low-income families and under-compensated care to the poor, elderly, and disabled.
>
> Transfers of the assets of nonprofit, charitable health facilities to the for-profit sector, such as by sale, joint venture, or other sharing of assets, directly affect the charitable use of those assets and may affect the availability of community health care services....
>
> It is in the best interests of the public to ensure that the public interest is fully protected whenever the assets of a charitable nonprofit health facility are transferred out of the charitable trust and to a for-profit or mutual benefit entity.

1996 Cal. Legis. Serv. Ch. 1105 (A.B. 3101) (West).

The Attorney General has "discretion to consent to, give conditional consent to, or not consent to" the sale of a healthcare facility. Cal. Corp. Code § 5917. In exercising that discretion, the Attorney General "shall consider any factors that the Attorney General deems relevant," including but not limited to whether any of the following apply:

a) The terms and conditions of the agreement or transaction are fair and reasonable to the nonprofit corporation.
b) The agreement or transaction will result in inurement to any private person or entity.

c) Any agreement or transaction that is subject to this article is at fair market value. In this regard, "fair market value" means the most likely price that the assets being sold would bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and in their own best interest, and a reasonable time being allowed for exposure in the open market.
d) The market value has been manipulated by the actions of the parties in a manner that causes the value of the assets to decrease.
e) The proposed use of the proceeds from the agreement or transaction is consistent with the charitable trust on which the assets are held by the health facility or by the affiliated nonprofit health system.
f) The agreement or transaction involves or constitutes any breach of trust.
g) The Attorney General has been provided, pursuant to Section 5250, with sufficient information and data by the nonprofit corporation to evaluate adequately the agreement or transaction or the effects thereof on the public.
h) The agreement or transaction may create a significant effect on the availability or accessibility of health care services to the affected community.
i) The proposed agreement or transaction is in the public interest.
j) The agreement or transaction may create a significant effect on the availability and accessibility of cultural interests provided by the facility in the affected community.

Cal. Corp. Code § 5917 (West).

Nothing in the record indicates that SGM's bid was other than for fair market value (factor (c)). The Hospitals were thoroughly marketed by Cain Brothers. SGM was the only bidder interested in purchasing the Hospitals. The Court must presume that a bid submitted after extensive marketing reflects the Hospital's fair market value. *See Bank of Am. Nat. Tr. & Sav. Ass'n v. 203 N. LaSalle St. P'ship*, 526 U.S. 434, 457, 119 S. Ct. 1411, 1423, 143 L. Ed. 2d 607 (1999) (stating that "the best way to determine value is exposure to a market").

There is no indication that SGM, or any other party, took any actions to decrease the value of the Hospitals (factor (d)). In view of the extensive marketing, the terms of the sale are fair and reasonable to the Debtors (factor (a)). There is no evidence that any of the parties involved in the SGM sale have engaged in any conduct that would amount to a breach of trust (factor (f)), or that the SGM Sale will inure to the benefit of any private person or entity (factor (b)). Nor has there been any suggestion that the Debtors failed to provide the Attorney General with sufficient information to evaluate the SGM Sale (factor (g)). Factor (e) does not apply, because the proceeds of the SGM Sale are fully encumbered by the claims of creditors, leaving no remaining equity that could be devoted to charitable purposes.

The remaining factors are (1) the effect of the SGM Sale on the accessibility of healthcare services (factor (h)) and cultural interests (factor (j)) in the affected communities and (2) whether the SGM Sale is in the public interest (factor (i)). Applying the independent judgment standard of review, the Court finds that in electing to impose the Additional Conditions, the Attorney General abused his discretion with respect to these factors.

By letter dated August 23, 2019 (the "August Letter"), the Debtors advised the Attorney General that if the Additional Conditions were imposed, SGM would not complete the sale and the most likely outcome would be the closure of St. Vincent, Seton, and Seton Coastside. The August Letter advised the Attorney General that SGM had submitted the only offer for the Hospitals, and that the "Debtors cannot sustain incurring ongoing operational losses to maintain

the going-concern value of St. Vincent and Seton without the realistic prospect of a purchaser."[14] The Debtors stated that upon the failure of the SGM Sale, they would be required to begin the process of closing St. Vincent, Seton, and Seton Coastside "almost immediately."[15]

Having overseen the Debtors' bankruptcy cases since their inception, the Court has become intimately familiar with the Debtors' operational and cash flow situation. As discussed above, the Debtors' statements regarding the necessity of closing certain of the Hospitals upon the failure of the SGM Sale are not an idle threat.

Imposition of the Additional Conditions will dramatically reduce the availability of healthcare services by causing the closure of three of the four Hospitals. In addition to the loss of healthcare services, closure of the Hospitals will destroy approximately 2900 jobs. Closure of the Hospitals will require the relocation of many patients suffering from critical conditions. None of this is in the public interest.[16]

The Court understands that the Additional Conditions were imposed with the laudable objective of increasing the amount of healthcare services provided by the Hospitals. The Court can only assume that the Attorney General does not believe the representation that imposition of the Additional Conditions will result in a collapse of the SGM Sale. Unfortunately, the dire economic circumstances in which the Debtors now find themselves leaves the Court with no doubt that if the SGM Sale is not completed, three of the Hospitals will almost certainly close.

Because the Additional Conditions will reduce health care services by resulting in the closure of three of the Hospitals, imposition of the Additional Conditions was an abuse of the Attorney General's discretion.

Outside of bankruptcy, the finding that the Attorney General abused his discretion would result in the entry of a judgment commanding the issuance of a peremptory writ of mandate, followed by the issuance of the writ. The writ would command the Attorney General to set aside the 2019 Conditions, and would further command the Attorney General to exercise his discretion with respect to the review of the SGM Sale in a lawful manner. *See, e.g.*, *California Hosp. Assn. v. Maxwell-Jolly*, 188 Cal. App. 4th 559, 570, 115 Cal. Rptr. 3d 572, 581 (2010), *as modified on denial of reh'g* (Sept. 16, 2010).

BAPCPA § 1221(e) compels a different result inside bankruptcy. Section 1221(e) provides that the Court is not required "to remand or refer any proceeding, issue, or controversy to any other court or to require the approval of any other court for the transfer of property." In *In re HHH Choices Health Plan*, the Bankruptcy Court relied upon BAPCPA § 1221(e) to conclude that it had the authority to interpret a New York law governing the transfer of the assets of a non-profit entity. The court observed that "[i]n the case of an insolvent not-for-profit corporation, section 511 of the New York Not-For-Profit Corporation Law ordinarily, would require the approval of the New York State Supreme Court for a transfer of assets." *HHH Choices Health Plan*, 554 B.R. at 700. The court rejected arguments advanced by certain of the parties "that the

[16] SEIU-UHW contends that it is economically feasible for SGM to operate the Hospitals while complying with the Additional Conditions. The record does not support SEIU-UHW's contention. SGM was the only bidder willing to purchase the Hospitals and has stated unequivocally that it will not complete its purchase if the Additional Conditions are imposed. These facts show that the Additional Conditions render operation of the Hospitals economically infeasible.

ordinary state court procedures must still be followed" with respect to the transfer of the assets. *Id.* Instead, the court held that substantive state law requirements remained applicable, but that it was the Bankruptcy Court that had authority to apply those requirements. *Id.*

Pursuant to BAPCPA § 1221(e), and consistent with the ruling in *HHH Choices Health Plan*, the Court is not required to issue a judgment and writ commanding the Attorney General to set aside the 2019 Conditions, and is not required to remand these proceedings to allow the Attorney General to conduct a further review of the SGM Sale in light of the Court's finding that the Attorney General abused his discretion. Instead, the Court is empowered to apply Cal. Corp. Code § 5914, and to determine the conditions under which the Debtors may sell the Hospitals to SGM.

Under the circumstances presented here, the only way that closure of three of the four Hospitals can be avoided is if a sale not subject to the Additional Conditions is approved. A decision by the Attorney General to not consent to the sale, or a decision to consent to the sale subject to conditions other than the Approved Conditions, would constitute an abuse of discretion. That is because SGM, the only entity willing to purchase and continue to operate the Hospitals, will do so only if it is permitted to operate the Hospitals in a manner consistent with the Approved Conditions.

In reaching this conclusion, the Court is not limiting or controlling the discretion vested in the Attorney General, in contravention of Cal. Code Civ. Proc. § 1094.5(f). The Hospitals have been financially distressed for years. A $100 million capital infusion made in connection with the 2015 Restructuring Agreement failed to stabilize the Hospitals' operations. A further capital infusion of $148 million in 2017 failed to restore the Hospitals to financial health. This demonstrates that it was not possible to successfully operate the Hospitals subject to the 2015 Conditions. It should come as no surprise that no buyer exists that is willing to purchase and operate the Hospitals if operations are constrained by Additional Conditions that are substantially similar to the 2015 Conditions. The Attorney General's continued attempts to impose conditions rendering sustainable operation of the Hospitals impossible amounts to an abuse of discretion.

The Attorney General contends that SGM, by refusing to purchase and operate the Hospitals subject to conditions other than the Approved Conditions, is attempting to divest the Attorney General of his regulatory authority by forcing him to accede to a transaction on SGM's terms. This argument ignores the financial and operational realities facing the Hospitals. SGM's refusal to accept the Additional Conditions is not an attempt to blackmail the Attorney General into approving the sale. Such refusal is instead dictated by economic reality.

iii. Even if the Attorney General's Decision is Subject to Traditional Mandamus Review Under Cal. Civ. Proc. Code § 1085, Imposition of the Additional Conditions Was an Abuse of Discretion

Even if the Attorney General's review of the sale transaction is a quasi-legislative decision, subject to traditional mandamus review under Cal. Civ. Proc. Code § 1085, the decision to impose the Additional Conditions was an abuse of discretion.

Under Cal. Civ. Proc. Code § 1085, a traditional mandate "may issue to correct the exercise of discretionary legislative power, *but only* if the action taken is so palpably unreasonable and arbitrary as to show an abuse of discretion as a matter of law." *Carrancho v. California Air Res. Bd.*, 111 Cal. App. 4th 1255, 1265, 4 Cal. Rptr. 3d 536, 545 (2003) (emphasis in original). In reviewing quasi-legislative decisions, the "authority of the court is limited to determining

whether the decision of the agency was arbitrary, capricious, entirely lacking in evidentiary support, or unlawfully or procedurally unfair." *Fullerton Joint Union High Sch. Dist. v. State Bd. of Educ.*, 32 Cal. 3d 779, 786, 654 P.2d 168, 172 (1982). The Court must ensure that the agency or officer making the decision "has adequately considered all relevant factors, and has demonstrated a rational connection between those factors, the choice made, and the purposes of the enabling statute." *W. States Petroleum Assn. v. Superior Court*, 9 Cal. 4th 559, 577, 888 P.2d 1268, 1277 (1995). Traditional mandamus review of a quasi-legislative decision is therefore more deferential than administrative mandamus review of a quasi-judicial decision under the independent judgment standard.

Even applying this more deferential standard of review, the Court finds that the decision to impose the Additional Conditions was an abuse of discretion, and that a proper exercise of discretion required the Attorney General to consent to the sale subject only to the Approved Conditions. Preservation of access to healthcare is one of the factors the Attorney General must consider in reviewing the transaction. *See* Cal. Corp. Code § 5917(h) (requiring the Attorney General to consider whether the "agreement or transaction may create a significant effect on the availability or accessibility of health care services to the affected community"). At the hearing, the Attorney General stated that he imposed the Additional Conditions in furtherance of § 5917(h)'s objective of preserving healthcare access.[17] The effect of the Additional Conditions will be the closure of three of the four Hospitals, which will significantly reduce access to healthcare. There is no "rational connection" between the purpose of the Additional Conditions (preserving healthcare access) and the actual results of the conditions (a severe reduction in healthcare access). *See W. States Petroleum Ass'n*, 888 P.2d at 1277. With respect to three of the four Hospitals, the Attorney General's decision will destroy the very charitable assets that he is charged with protecting.

In sum, regardless of whether the Debtors are entitled to review of the Attorney General's decision under traditional mandamus or administrative mandamus, the Attorney General's decision to impose the Additional Conditions was an abuse of discretion. In the unique circumstances of this case, the Attorney General was required to consent to the SGM Sale without imposing the Additional Conditions. As a result, sale of the Hospitals to SGM free and clear of the Additional Conditions is authorized under applicable nonbankruptcy law. The Court approves the SGM Sale, free and clear of the Additional Conditions, pursuant to § 363(f)(1).

C. The Debtors May Sell the Hospitals Free and Clear of the Additional Conditions Pursuant to § 363(f)(4)

Under § 363(f)(4), the Hospitals may be sold free and clear of the Additional Conditions provided the Additional Conditions are "in bona fide dispute …" A bona fide dispute exists if "there is an objective basis for either a factual or legal dispute as to the validity" of the interest at

[17] Specifically, counsel for the Attorney General explained that in imposing the conditions, the Attorney General "is weighing the impact on the affected community, and making a determination as to what would be the best outcome for this community in order to ensure that it is not being adversely impacted, and not inappropriately losing access to these nonprofit hospitals …." Hearing Transcript [Doc. No. 3416] at 24. Counsel further stated that the Attorney General's "obligation is … to do what's needed to preserve access to healthcare, in particular for disadvantaged populations, which is clearly what we're dealing with here." *Id.* at 12.

issue. *In re Octagon Roofing*, 123 B.R. 583, 590 (Bankr. N.D. Ill. 1991). The court "court need not determine the probable outcome of the dispute, but merely whether one exists." *Id.*

The Debtors dispute the Attorney General's authority to impose the Additional Conditions, on the grounds that the (1) Additional Conditions attempt to impose successor liability in a manner not authorized under California law and that (2) the Attorney General abused his discretion in issuing the Additional Conditions. As discussed above, the Debtors have shown that the Attorney General cannot impose the Additional Conditions for both of these reasons. The Debtors have easily satisfied §363(f)(4), which does not require the Debtors to show that they will prevail upon the dispute—only that a dispute exists.

A bona fide dispute exists for yet another reason. The Debtors have shown that by imposing the Additional Conditions, the Attorney General violated § 525.

Section 525 provides in relevant part:

> [A] governmental unit may not deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, deny employment to, terminate the employment of, or discriminate with respect to employment against, a person that is or has been a debtor under this title … or another person with whom such … debtor has been associated, solely because such … debtor is or has been a debtor under this title … or has not paid a debt that is dischargeable in the case under this title ….

In *In re Aurora Gas, LLC*, the court held that the State of Alaska violated § 525 by refusing to approve the debtor's sale of oil and gas leases unless the purchaser posted a bond of $6 million to pay for the cost of plugging abandoned wells that the purchaser was not acquiring. *In re Aurora Gas, LLC*, No. A16-00130-GS, 2017 WL 4325560 (Bankr. D. Alaska Sept. 26, 2017). The court held that by conditioning approval of the sale upon the posting of a bond, the State was attempting to collect upon the debtor's obligation to pay for the costs of plugging the abandoned wells. Imposition of such a condition, the court found, constituted impermissible discrimination against the debtor and its affiliate, the purchaser of the gas leases, in violation of § 525.

The facts of this case are strikingly similar. Here, the Attorney General has conditioned approval of the SGM Sale upon SGM assuming the obligation to operate the Hospitals in accordance with conditions similar to the 2015 Conditions that are an obligation of the Debtors. As discussed, the Additional Conditions require that SGM maintain and operate the Hospitals at current licensure and service levels. The Additional Conditions amount to an attempt by the Attorney General to enforce the obligations imposed by the 2015 Conditions. The 2015 Conditions are liabilities that are dischargeable in bankruptcy. By conditioning the transfer of the Hospitals upon the assumption of the Additional Conditions, which impose obligations equal to or in excess of the 2015 Conditions, the Attorney General is impermissibly discriminating against the Debtors in violation of § 525.

The fact that the Additional Conditions can be characterized as a regulatory obligation does not change the analysis. Regulatory obligations such as the Additional Conditions qualify as a "debt" under the Bankruptcy Code's broad definition of the term:

> Under the Bankruptcy Code, "debt" means "liability on a claim," 11 U.S.C. § 101(12), and "claim," in turn, includes any "right to payment," § 101(5)(A). We have said that "[c]laim" has "the broadest available definition," *Johnson v. Home State Bank,* 501 U.S.

> 78, 83, 111 S.Ct. 2150, 115 L.Ed.2d 66 (1991), and have held that the "plain meaning of a 'right to payment' is nothing more nor less than an enforceable obligation, regardless of the objectives the State seeks to serve in imposing the obligation," *Pennsylvania Dept. of Public Welfare v. Davenport,* 495 U.S. 552, 559, 110 S.Ct. 2126 (1990). See also *Ohio v. Kovacs,* 469 U.S. 274, 105 S.Ct. 705, 83 L.Ed.2d 649 (1985). In short, a debt is a debt, even when the obligation to pay it is also a regulatory condition.

F.C.C. v. NextWave Pers. Commc'ns Inc., 537 U.S. 293, 302–03, 123 S. Ct. 832, 839, 154 L. Ed. 2d 863 (2003).

D. The Debtors May Sell the Hospitals Free and Clear of Certain of the Additional Conditions Pursuant to § 363(f)(5)

Under § 363(f)(5), property may be sold free and clear of an interest, if the entity holding the interest "could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest."

An interest "that can be reduced to a specific monetary value" falls within the scope of § 363(f)(5). *In re Trans World Airlines, Inc.*, 322 F.3d 283, 291 (3d Cir. 2003); *see also In re Vista Marketing Grp. Ltd.*, 557 B.R. 630, 635 (Bankr. N.D. Ill. 2016) ("[O]ne would be hard-pressed to present a clearer example of a situation where the interest-holder could be compelled to accept a money satisfaction of its interest under subsection (f)(5) than the calculable monetary obligation asserted by the District in its surcharge bill and disconnection notice.").

Among the Additional Conditions are requirements that each of the Hospitals provide specified levels of charity care and community benefit services. The Additional Conditions allow any shortfalls in charity care or community benefit services to be satisfied through deficiency payments to tax-exempt entities within the Hospitals' service area. The charity care and community benefit obligations can easily be reduced to a specific monetary value. The Debtors may sell the Hospitals free and clear of these obligations pursuant to § 363(f)(5).

E. Section 363(d)(1) Does Not Bar the Sale

As noted, § 363(d)(1) provides that non-profit entities, such as the Debtors, may sell estate assets only if the sale is "in accordance with nonbankruptcy law applicable to the transfer of property by" a non-profit entity.

For the reasons discussed in Section II.B., above, the Debtors are authorized to sell the Hospitals, free and clear of the Additional Conditions, under applicable nonbankruptcy law.

Even if the Debtors were not authorized to sell the Hospitals free and clear under applicable nonbankruptcy law, § 363(d)(1) does not limit the Debtors' ability to sell the Hospitals free and clear of the Additional Conditions under § 363(f)(4) or (5).[18] Basic principles of statutory construction dictate this result. "Statutory construction … is a holistic endeavor." *United Sav. Ass'n of Texas v. Timbers of Inwood Forest Assocs., Ltd.*, 484 U.S. 365, 371, 108 S. Ct. 626, 630, 98 L. Ed. 2d 740 (1988). The Court must look "to the provisions of the whole law, and to its object and policy." *John Hancock Mut. Life Ins. Co. v. Harris Tr. & Sav. Bank*, 510 U.S. 86, 94–

[18] Under § 363(f)(4), the Debtors are authorized to sell the Hospitals free and clear of all of the Additional Conditions. *See* Section II.C., above. Under § 363(f)(5), the Debtors are authorized to sell the Hospitals free and clear of the charity care and community benefit obligations. *See* Section II.D., above.

95, 114 S. Ct. 517, 523, 126 L. Ed. 2d 524 (1993). Absent a "clear intention otherwise," specific provisions addressing an issue apply instead of more generalized provisions covering the same issue. *Morton v. Mancari*, 417 U.S. 535, 550–51, 94 S. Ct. 2474, 2483, 41 L. Ed. 2d 290 (1974). This rule applies "regardless of the priority of enactment" of the provisions. *Id.*

Section 363(f) sets forth specific circumstances under which assets may be sold free and clear. Section 363(f) is not limited by a non-profit debtor's general obligation under § 363(d)(1) to comply with nonbankruptcy law. The general requirement set forth in § 363(d)(1) makes no reference to § 363(f), which more specifically delineates the circumstances in which assets may be sold free and clear. Without a "clear intention otherwise," *Morton*, 417 U.S. at 550–51, the general requirement of § 363(d)(1) does not repeal the specifics of free and clear sales under § 363(f), even though § 363(d)(1) was enacted subsequent to § 363(f).

F. Section 541(f) Does Not Bar the Sale

Section 541(f) provides:

> Notwithstanding any other provision of this title, property that is held by a debtor that is a corporation described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code may be transferred to an entity that is not such a corporation, but only under the same conditions as would apply if the debtor had not filed a case under this title.

The Attorney General asserts that § 541(f)'s initial clause, "[n]otwithstanding any other provision of this title," is broad enough to trump § 363(f). According to the Attorney General, § 541(f) requires that the SGM Sale comply with applicable California law. As a result, the Attorney General argues, the SGM Sale can occur only if SGM agrees to accept all of the 2019 Conditions, including the Additional Conditions.

The language of § 541(f) is similar, but not identical to, the language of § 363(d)(1). Section 363(d)(1) requires that non-profit entities transfer property "in accordance with nonbankruptcy law applicable to the transfer of property by" the non-profit entity; § 541(f) requires that such transfers occur "only under the same conditions as would apply if the debtor had not filed a case under this title."

"[W]here Congress includes particular language in one section of a statute but omits it in another section of the same Act, it is generally presumed that Congress acts intentionally and purposely in the disparate inclusion or exclusion." *Russello v. United States*, 464 U.S. 16, 23, 104 S. Ct. 296, 300, 78 L. Ed. 2d 17 (1983). Therefore, the Court cannot assume that § 541(f) has the same meaning as § 363(f). That is, § 541(f) cannot mean that the Debtors are required to transfer property "in accordance with nonbankruptcy law applicable to the transfer of [such] property," since that is the language used in § 363(d)(1).

There is no legislative history to guide the Court in construing the phrase "under the same conditions" in § 541(f). Nor has the Court been able to locate any cases interpreting this section. In the absence of legislative history, phrases are construed in accordance with their "ordinary or natural meaning." *F.D.I.C. v. Meyer*, 510 U.S. 471, 476, 114 S. Ct. 996, 1001, 127 L. Ed. 2d 308 (1994). According to *Roget's 21st Century Thesaurus* (3d ed. 2013), a synonymous phrase for "under the same conditions" is "in these circumstances."

Here, the Debtors have complied with § 541(f)'s mandate. That is, "[n]otwithstanding any other provisions" of the Bankruptcy Code, they have sought to transfer the Hospitals in the same

manner as the transfer would have occurred under applicable nonbankruptcy law. The Debtors submitted the transfer to the review of the Attorney General, paid for the expert healthcare impact statements required under the statute, and waited for 135 days for the Attorney General to review the transaction. The transfer has been subject to the same conditions that would have applied had the Debtors not sought bankruptcy protection.

Even if the Attorney General were correct that § 541(f) had the same meaning as § 363(d)(1), the Debtors would still be able to sell the Hospitals free and clear of the Additional Conditions, pursuant to § 363(f)(1), (4), and (5). Contrary to the Attorney General's contention, the "notwithstanding" clause does not mean that § 541(f) trumps § 363(f). The Ninth Circuit has held:

> In examining specific statutes, we have not, however, always accorded universal effect to the "notwithstanding" language, standing alone. *See Or. Natural Res. Council v. Thomas,* 92 F.3d 792, 796 (9th Cir.1996) ("We have repeatedly held that the phrase 'notwithstanding any other law' is not always construed literally." (citing *E.P. Paup Co. v. Dir., Office of Workers Comp. Programs,* 999 F.2d 1341, 1348 (9th Cir.1993); *Kee Leasing Co. v. McGahan (In re The Glacier Bay*), 944 F.2d 577, 582 (9th Cir.1991); *Golden Nugget, Inc. v. Am. Stock Exch., Inc.,* 828 F.2d 586, 588–89 (9th Cir.1987) (per curium))). Instead, we have determined the reach of each such "notwithstanding" clause by taking into account the whole of the statutory context in which it appears.

United States v. Novak, 476 F.3d 1041, 1046 (9th Cir. 2007).

Relying upon the "common-sense principle of statutory construction that sections of a statute generally should be read to give effect, if possible, to every clause," the Ninth Circuit has held that a "notwithstanding" provision should not be given its broadest possible interpretation if doing so would render other statutory provisions ineffectual. *Oregon Nat. Res. Council v. Thomas*, 92 F.3d 792, 797 (9th Cir. 1996).

According the "notwithstanding" clause the broad construction advocated by the Attorney General would render § 363(f) of the Bankruptcy Code ineffectual with respect to non-profit debtors. Section 541(f) was added to the Bankruptcy Code by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109-8, § 1221(e) ("BAPCPA"). BAPCPA made no changes to § 363(f). The Court cannot find that Congress intended § 541(f) to trump § 363(f) with respect to non-profit debtors.

G. The Court Certifies a Direct Appeal of its Decision to the Ninth Circuit Court of Appeals

Title 28 U.S.C. § 158(d)(2) provides that the Bankruptcy Court, acting on its motion, may certify a direct appeal of an order to the Court of Appeals if the order "involves a matter of public importance" or if an immediate appeal of the order will "materially advance the progress of the case or proceeding."

Certification is warranted here. The interplay between the sale provisions of the Bankruptcy Code and the authority of the Attorney General to regulate the sale of assets subject to a charitable trust is a matter of public importance. The issue has previously arisen in *Gardens I* and *Verity I*, and will continue to arise in future cases.

A direct appeal will materially advance the progress of the case. Closing of the SGM Sale is the lynchpin of the Debtors' plan of reorganization. However, under the APA, SGM is not

obligated to close the sale unless the Debtors obtain a final, non-appealable order authorizing a sale free and clear. The Debtors are facing severe liquidity constraints and cannot afford to continue to operate the Hospitals for much longer. A direct appeal will facilitate resolution of this case by providing certainty regarding the permissibility of a sale free and clear far sooner than would otherwise be possible. If the Court's order is upheld, SGM can proceed to close the sale. If not, the Debtors can commence shutting down St. Vincent, Seton, and Seton Coastside.

III. Conclusion

Based upon the foregoing, the Court finds that the Debtors may sell the Hospitals to SGM, free and clear of the Additional Conditions. The sale may proceed under applicable nonbankruptcy law pursuant to § 363(f)(1) because (1) the Additional Conditions qualify as successor liability that may not be imposed against SGM under California law and because (2) the Attorney General abused his discretion in attempting to impose the Additional Conditions, which therefore must be set aside. A bona dispute as to the Attorney General's authority to impose the Additional Conditions exists under § 363(f)(4), because the Debtors (1) have shown that the Additional Conditions are not authorized under California law and that (2) the attempted imposition of the Additional Conditions violates § 525. Pursuant to §363(f)(5), the sale is free and clear of the charity care and community benefit obligations, which can be reduced to a monetary valuation.

The Court will prepare and enter an order certifying this matter for a direct appeal to the Ninth Circuit. The Debtors shall submit an order granting the Motion within seven days of the issuance of this Memorandum of Decision.

A. Verity Health System of California, Inc. and the above-referenced affiliated debtors, the debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (collectively, the "Debtors"), hereby file this notice regarding the proposed order (the "Proposed Order"), attached as Exhibit "A," granting the *Debtors' Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on the Sale; and (IV) Granting Related Relief* [Docket No. 3188] (the "Motion") and the related stipulation [Docket No. 3572] (the "Stipulation") and order thereon, lodged by the Debtors concurrently herewith.

LOS ANGELES, CALIFORNIA 90017-5704

GENERAL BACKGROUND

On September 30, 2019, the Debtors filed the *Debtors' Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on the Sale; and (IV) Granting Related Relief* [Docket No. 3188] (the "Motion"). On October 23, 2019, the Court entered the *Memorandum of Decision Granting Debtors' Emergency Motion to Enforce the Sale Order [Doc. No. 3188]* (the "Memorandum Decision"). The Memorandum Decision sets forth the Court's findings and conclusions concerning the Motion, grants the relief requested in the Motion, and requires that the Debtors submit an order granting the Motion. *See* Mem. Dec. at 24.

PROPOSED ORDER GRANTING MOTION

The Debtors and the California Attorney General (the "Attorney General") have reached a consensual resolution, on the terms set forth in the Stipulation and the Proposed Order. Entry of the Proposed Order, and of the order approving the Stipulation, will result in, among other things: granting of the Motion; vacation and withdrawal of the Memorandum Decision; the Attorney General's agreement not to appeal from the Proposed Order; and, in the Debtors' view,

satisfaction of section 8.6 of that certain asset purchase agreement [Docket No. 2305-1] between the Debtors and Strategic Global Management, Inc. (respectively the "SGM APA" and "SGM").

The reasons for entering into the Stipulation with the Attorney General, and seeking entry of the Proposed Order, are compelling: closing of the sale to SGM will be expedited (a critical consideration, given the Debtors' liquidity issues, including ongoing operational losses of approximately $450,000 per day); and the time, expense, and uncertainty, associated with an appeal by the Attorney General of any order granting the Motion, will be avoided.

The Debtors and the Attorney General have worked diligently over the past 10 days to satisfy SGM's concerns and thus obtain its joinder in the Stipulation, but have been unable to do so. Therefore, after careful consideration by the Debtors and their constituents, the Debtors respectfully request that the Court enter both (a) the Proposed Order and (b) the order approving the Stipulation, as agreed to by the Debtors and the Attorney General.

EXPEDITED ENTRY OF PROPOSED ORDER

The entry of the Proposed Order, and the order granting the Stipulation, on an expedited basis is necessary and appropriate given (i) the Debtors' liquidity issues [*see, e.g.*, Docket No. 3238 (Adcock Decl. ¶ 6)], (ii) the December 31, 2019 deadlines and milestones in the SGM APA and cash collateral agreement [*see*, SGM APA § 9.1(3); Docket No. 2968 (Cash Collateral Mot. at 24)], and (iii) that it will further the closing of the SGM sale (*see* SGM APA § 8.6). Accordingly, the Debtors respectfully request entry of the Proposed Order, and the order granting the Stipulation, on an expedited basis.

OBJECTION TO ORDER GRANTING "DEBTOR'S EMERGENCY MOTION FOR THE ENTRY OF AN ORDER: (I) ENFORCING THE ORDER AUTHORIZING THE SALE TO STRATEGIC GLOBAL MANAGEMENT, INC.; (II) FINDING THAT THE SALE IS FREE AND CLEAR OF CONDITIONS MATERIALLY DIFFERENT THAN THOSE APPROVED BY THE COURT; (III) FINDING THAT THE ATTORNEY GENERAL ABUSED HIS DISCRETION IN IMPOSING CONDITIONS ON THAT SALE; AND (IV) GRANTING RELATED RELIEF" (DOC. 3188)

Strategic Global Management, Inc. ("SGM") submits the following Objection to the "Order Granting Debtor's Emergency Motion For The Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc.; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV) Granting Related Relief" [Doc. 3574] submitted by Verity Health System of California, Inc. and related and affiliated Debtors.

I.

INTRODUCTION

An enormous amount of time and expense has been incurred in the efforts of the Debtors, SGM, and other parties in interest, to reach an agreement for SGM's purchase of 4 hospitals for a price of over $600 Million, which will pave the way for confirmation of the Debtors' Plan of Reorganization, and the continued operation of the hospitals, employment of thousands of people, and support of the communities they serve. Fundamental to that process has been the need to resolve the issue of whether and to what extent SGM would be obligated to perform or abide by conditions which the California Attorney General ("AG") might attempt to impose as part of his approval process. In recognition of the history in other cases of the AG's imposition of conditions that have had the effect of causing transaction to fail and hospitals to close, SGM bargained for protection such that it would not have to close this transaction if the conditions imposed by the AG were materially different ("Additional Conditions") from that which SGM had agreed to accept. The provisions of the APA addressing this subject matter are contained in section 8.6.

The AG issued his Decision on September 25, 2019, in which the AG imposed Additional Conditions for his approval of the sale to SGM. The Debtors, with SGM's support, filed its "Emergency Motion For The Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc.; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV)

Granting Related Relief" [Doc. 3188] requesting a determination, among other things, that the sale to SGM was free and clear of such Additional Conditions. Following the conclusion of the hearing on the Emergency Motion, this court filed its Memorandum Decision on October 23, 2019 [Doc. 3446] in which it granted the Emergency Motion and, recognizing the importance (if not ground breaking nature) of its ruling, the Court certified its ruling for a direct appeal to the U.S. Court of Appeals for the Ninth Circuit.

The AG has agreed to waive its right to appeal in exchange for the Court's vacation of its Memorandum Decision and entry of a form of order to which it consents. That proposed order [Doc. 3574] attached as Exhibit A hereto (herein, the "AG Order"), is not acceptable to SGM. While SGM remains fully committed to the transaction, fundamental to SGM's rights as a purchaser is the protection to which it is entitled under APA section 8.6 in the form of a clearly and unambiguously written order which forecloses, to the extent possible, any disputes or controversies as to SGM's protection from such Additional Conditions, its right not to comply with, perform or adhere to any of the Additional Conditions, and SGM's ability to come to this court if there are future disputes or controversies over the interpretation or enforcement of such order. Rather than accomplish that end, the AG Order is muddled, obtuse, grammatically ambiguous, and, if entered, will not provide SGM the clear and unequivocal protection to which it is entitled and which SGM believes the court intended it to have. Fortunately, these deficiencies can be corrected, with no prejudice to the AG or to the Debtors.

Under the unique circumstances of this case including: (1) the removal from the record of the Court's Memorandum Decision, which thoroughly and comprehensively set forth the bases for the Court's ruling in granting the Motion, and (2) the profoundly important consequence of the Court's order on SGM's future relationship with the AG for many years, in a transaction in which SGM will be paying over $600 Million, SGM is entitled to have a clearly-written, unequivocal and unambiguous order that addresses the following subject matters which were not fully and clearly provided for in the AG Order: (1) a definition of "Additional Conditions," (2) a clear statement as to what the "free and clear" terminology means as to the "Additional Conditions," and (3) a clear and unambiguous statement regarding this Court's jurisdiction to

resolve disputes or controversies over the Order.

All of SGM's concerns over the AG Order can be fixed very simply and effectively by the alternative order forth on Exhibit B hereto (the "SGM Order"). The use of the SGM Order, in lieu of the AG Order, while providing necessary protection to SGM, will have no prejudicial impact whatsoever on the AG or the Debtors. While SGM recognizes that one of the AG's goals, in waiving its appeal and having the Court vacate its Memorandum Decision, is to limit, as much as possible, a public record regarding this Court's significant decision concerning the unenforceability of the Additional Conditions, the AG's goal of limiting the "collateral damage" from this Court's ruling must give way to SGM's entitlement to a clearly stated, unambiguous order which will avoid, or limit to the maximum extent, confusion and controversy over exactly what this Court has decided.

Unfortunately, the AG's effort to avoid the precedential effect of this Court's ruling has created an unnecessarily ambiguous order which may actually result in litigation between the AG and SGM. The AG's verbatim extraction of specific language from § 8.6, while superficially appealing, is grammatically unartful. Whether by design to obscure the outcome of the Court's ruling or simply poor draftsmanship, the end result is an order that does not do justice to, or fairly reflects, this Court's ruling and leaves SGM open to litigation.

II.

THE CHANGES NECESSARY TO PROTECT THE INTEREST OF SGM, CAN BE MADE WITHOUT ANY PREJUDICE TO THE AG

SGM's proposed alternative order, at Paragraph 2, which is the paragraph that addresses the "free and clear" provision of the order, states as follows:

> The Debtors' transfer to SGM of the Debtors' assets (the "SGM Sale") pursuant to that certain Asset Purchase Agreement [Docket No. 2305-1] (the "SGM APA") is free and clear of, and shall not be subject to or conditioned upon SGM's performance of, compliance with, or adherence to, any and all Additional Conditions (as defined in the SGM APA and in the Motion), pursuant to Bankruptcy Code § 363(b), (f1), and (f5) and otherwise is provided in the Sale Order."

The foregoing language is entirely consistent with the Debtor's Motion, this Court's Memorandum Decision and, most importantly, expressly states what "free and clear" means, i.e. that SGM is not required to perform, comply with or adhere to the Additional Conditions. Because the concept of a "free and clear" sale as applied to regulatory conditions is, to say the least, unusual, SGM believes that it is critical that the Order contain language, which clarifies that a sale free and clear of conditions means that SGM will not have to comply with them. Otherwise, there could be some doubt, and later a dispute, about exactly what the term "free and clear" means as applied to regulatory conditions. The whole purpose of the SGM's negotiation of its rights under § 8.6, and of the Debtor's Emergency Motion to satisfy its obligation under § 8.6, was to establish that SGM would not have to comply with the AG Conditions. There is no legitimate reason why the AG should refuse to have such language included in the Order – unless the AG desires to leave the Order ambiguous enough either to be able to "spin it" or to create a basis for controversy.

The problem with the AG's language, especially in comparison to that proposed by SGM, are several fold. First, the prefatory words "Solely and exclusively for the purposes of the APA" are unnecessary, not requested by the Debtor or SGM in the Motion, and are ambiguous. The transfer of the Debtor's assets free and clear of the Additional Conditions needs to be clearly and unambiguously stated. What does "Solely and exclusively for purpose of the APA" mean? If the AG wants language to the effect that this Order does not apply to some other transaction over which the AG has approval authority, then the Order can provide such language.

The AG Order contains the additional verbiage addressing the critical issue of the sale being free and clear of the Additional Conditions in an awkward and imprecise manner:

> Solely and exclusively for purposes of the APA . . . the Additional Conditions . . . are an "interest in property" for purposes of 11 U.S.C. § 363(f) and the assets (as defined in the APA) *can be* sold free and clear of the Additional Conditions . . . .(Emphasis added.)

The use of the words "can be sold" does not expressively state that they "are being transferred" free and clear. While the AG has adopted verbiage from § 8.6 of the APA, word for

word, those words do not translate clearly into a court order. There is no particular reason why the Order should use the phrase "can be sold" as opposed to "are being transferred" which is consistent with the Sale Order and is exactly what this Court decided when it granted the Emergency Motion.

Finally, this Court made no ruling as to the AG's enforcement rights (and no such ruling was requested) and this Court should retain exclusive jurisdiction to resolve any disputes or controversies concerning its Order. The AG Order, after acknowledging the Bankruptcy Court's exclusive jurisdiction, goes on to say:

> "Notwithstanding the preceding sentence, nothing contained in this Order shall prohibit or limit the authority of the Attorney General to enforce, in the state courts and pursuant to section 5926 of the California Corporations Code, the Purchaser Approved Conditions set forth in Schedule 8.6 to the SGM APA."

First, there is no basis, either in the Emergency Motion, the AG's Opposition or the Memorandum Decision, for this Court to be ruling on the AG's enforcement right, one way or the other, except with respect to the Additional Conditions. Second, the words "Notwithstanding the preceding sentence" obviously are meant to supersede the prior sentence and, since the prior sentence provided for the Bankruptcy Court's "exclusive jurisdiction" over disputes pertaining to the Order, the AG Order would effectively trump that provision which or, at least create a "forum war" over future disputes. In light of the fact that a dispute could involve whether the AG is improperly attempting to enforce an "Additional Condition", there should be no question that any such dispute should be heard in this Court, since it is this Court that has created the barrier against such enforcement.

MS. RICH: Good morning, Your Honor. This Emily Rich --

THE COURT: Thank you very much.

Any other appearances by telephone this morning?

(No response.)

All right. Well, I do appreciate the efforts to try and resolve --

MR. PRESTEGARD: Your Honor, excuse me. I'm sorry. Kirk Prestegard from Bush Gottlieb on behalf of United Nurses Association of California.

THE COURT: Very well. Thank you. As I've indicated, I appreciate the efforts of counsel to try and wrap this aspect of the case up.

As indicated by the Court's tentative we had some questions and perhaps this is the time to get some clarification. So Mr. Klausner, looking to you first because I thought that you were the party that -- representative party that had some difficulty with the language that was proposed and agreed to by the debtor and the Attorney General's office, and the Court had indicated some questions with respect to those comments. So I imagine you're prepared to address those at this point.

MR. KLAUSNER: Yeah -- yes, Your Honor. I appreciate that and by way of introduction starting with our negotiation of this transaction back in December, almost a year ago, the -- we'll call the AG issue was looming large. My client had been through the Gardens sale which, as you know, unfortunately didn't close as a result of the AG's imposition of these burdensome conditions. My client was actually involved in the Victor Valley Community Hospital sale in which the Attorney General refused to prove a sale to the -- the original stalking horse buyer, Prime Health Care, and our client came in to kind of rescue that transaction.

So our client -- we were all -- Mr. Maizel and I have been sort of to this rodeo before and we all knew that the potential imposition by the AG of conditions which would not be acceptable to our client could be a deal

breaker. This is also a 600 million-dollar transaction, so the stakes are very high. And we negotiated long and hard to try to figure out a way to accommodate the interests of both parties. My client could be protected so that if we went forward and closed the deal that we would not be subject to conditions that had -- that were unacceptable to us. And the debtor, of course, that wanted to go forward with the transaction that it had some confidence could be closed if the Attorney General issues could be resolved. And of course, we have other financial stakeholders in the case who are equally interested in seeing a deal close.

So all of our negotiations really culminated in Section 8.6 of the APA with which I know the Court is familiar. And I want to remind the Court that there was a version of 8.6 that actually found its way into the file when the Court was considering approving our client as a stalking horse purchaser. And there was a tentative decision which the Court made in connection with that hearing. There was also an issue about the breakup fee. And in the tentative the Court expressed some concern about what might be the ability of our client not to go forward if the conditions that were imposed by the AG were unacceptable.

So in the cafeteria that morning we had extensive meetings and continued negotiations with Verity, with its

attorneys, Committee and its attorneys, secured lenders, not only their attorneys but Andrew Turnbull from Houlihan who was acting as a kind of a go-between. And we did eventually reach a compromise on the terms of 8.6. It's actually reflected in what was filed with the Court because there's a redline of 8.6 reflecting these changes. And that satisfied the Court's concerns. At that hearing you approved us as a stalking horse buyer.

And then we went on sort of the mission of trying to see what would happen with the Attorney General. And I don't have to tell you, but I think it is important just again setting the stage, that we went through quite a lengthy process. My client expended enormous sums of money to comply with the obligations that were necessary to present an appropriate application to the Attorney General to obtain its approval. Thousands of pages of materials. Working in concert with Verity towards the goal of getting the Attorney General to approve us -- prove my client and not to impose conditions which we were concerned would be imposed because we were familiar with the 2015 conditions which our client, quite clearly, couldn't live with.

We actually went to the hearing -- went to several of the hearings that the Attorney General conducted at each of the hospitals. We didn't go to all of them. We went to two or three. We then had meetings with the

Attorney General. Obviously I'm not here to disclose any of the contents of the negotiations. The point is we made a concerted effort to try to get the Attorney General to approve this transaction on terms and conditions that we can live with. And then in September I want to say 25 the Attorney General issued its decision in which the Attorney General in fact imposed conditions which we and the debtor acknowledge were the additional conditions that then triggered 8.6.

So the debtor promptly actually in lightning speed got a motion filed with this court in which you agree to hear on an expedited basis in which the debtor made a very compelling case as to why these additional conditions shouldn't apply, which means that why our client should not be obligated to perform them and why these conditions cannot be enforced against our client or against the assets that are being transferred.

The debtor raised a number of arguments and issues including the discriminatory nature of the AG's decision under Section 523, the imposition of successor liability which is not allowed, the fact that the Attorney General had abused it discretion in applying its own rules and standards for the consideration of the approval of this transaction, and not the least of which was the theory that -- or the argument, I should say that these additional

conditions could be treated as interest for purposes of the Bankruptcy Code and the sale could therefore be free and clear of the -- those interests.

So -- and after lengthy argument, briefing, this Court rendered an extremely comprehensive thorough analysis of all of these issues and concluded that for all of these reasons I think the Court accepted every argument that the debtor had made, that this sale should be free and clear of these additional conditions. The Court found that to impose these conditions would be success -- would constitute successor liability, that it would be unfair discrimination.

THE COURT: I know. I wrote it, so --

MR. KLAUSNER: So what emerged after that was our expectation that there would be an appeal to the Ninth Circuit and this Court obviously viewed this decision as significant enough to have certified it for a Ninth Circuit appeal. And indeed as late as October 28th, barely two weeks ago, I was exchanging orders with Verity on the terms of an order that would implement your ruling and it -- and it was I think the next day, the 29th and, I might be off by maybe it was late in the afternoon, the 20th. It really doesn't matter but we were told by Verity that the Attorney General had proposed to waive its right to appeal if -- there are really two conditions that I understood. One was

that the Court would have to withdraw this entire memorandum of decision and then secondly, that the AG wanted something that referred to a simple order granting the motion.

Well, from that point on I would say over the next ten days we were in the process of trying to craft an order that satisfied what I assume was the AG's goal of limiting the collateral damage from your ruling to this case and then, secondly, satisfying the debtor's needs that we could resolve the 8-6 issue. But at the same time my client's entitlement to an effective clearly written unambiguous statement that neither our client nor its assets would be subject to the enforcement of any of these additional conditions, that the sale would be free and clear of the conditions, that our client would not have to comply with them, that our client would not have to adhere to them, that they would not be enforceable against our client or the assets. Indeed, that it's foreseeable or at least conceivable that our client could enter into a transaction and sell these assets to another buyer. We did not want a situation where this order could be read as somehow limiting its protection only to this transaction but with the AG somehow reserving its ability to impose these conditions on these assets in the hands of another party.

So we tried very hard to accommodate what I would say were the three goals of each of the parties. Debtor wants to get a sale closed. AG wants some limitation of the effect of this order or this order might have on other transactions. Our client having committed to spend 600 million dollars, not all of its money, our client has investors. Our client has a lender. All of these constituencies on our side need to be satisfied that this order is going to protect our client and we're going to get the benefits of everything that Verity worked for and you worked for in coming out with a decision which was a comprehensive resolution of that issue.

So what happened was obviously there was a point that we got to at the end of last week where the debtor made a value judgment that going forward with a deal with the AG and eliminating the prospect of the AG's appeal and the delay that that might cause, the risk of an adverse ruling was worth it to the debtor to make certain stipulations and agreements with the AG. Those weren't acceptable to us.

The stipulation itself that the debtor was entering into which expressly provides that "The Attorney General does not agree or concede that the additional conditions are an interest in property for purposes of 11 U.S.C. Section 363(f), but acknowledges that the Court so

held in its memorandum decision (which is to be vacated and withdrawn pursuant to the order)." And goes to say, "And solely and exclusively for purposes of the APA."

So the stipulation in and of itself is what I call sort of the trifecta of badness. One is a stipulation which the AG is going on record saying, we don't agree with what the Court did and we're going to -- we're going to go along with this but we want to clear -- we don't agree, we don't concede; the memorandum of decision is going to evaporate and our agreement is only for purposes of this APA, whatever that means. And I know that was one of our objections, one of your questions.

The order itself in our view as we expressed in our statement has serious defects, deficiencies, ambiguities none of which couldn't be solved with clearer language which would have -- absolutely do no injustice to the Attorney General or to Verity, that the changes that we propose only make clear that this order isn't going to be enforced against our client or its assets and that our client is not -- does not have to comply or adhere to these conditions, which is exactly what we bargained for in Section 8.6.

And again, this order is not something that only I need to be satisfied with. Our client, his advisors, investors and the lender, all of whom need to feel

comfortable before they put 100 million dollars across the table, they're protected. And by the -- and I understand that there are people in this courtroom who would like to say that this order is fine and we should be okay with it. It says that the motion is granted. None of those people, Your Honor, has the responsibility of protecting my client. The only source of protection that my client will have is this order and we compromised on the terms of what we proposed to the Court. This wasn't our first choice what we submitted. It wasn't even our second choice, but there is a point where our client is going to have to go to its -- it's going to have to get advice from all of its advisors and lawyers, professionals and lender, and sit down and look at this order in the absence of your -- in the absence of findings and you've raised that issue, which I think is an important one. In the absence of your memorandum of decision and in the face of the stipulation which the AG has entered into with the debtor, they're going to have to decide is this the protection that they need to close the 600 million-dollar sale. You could call this a 600 million-dollar order.

THE COURT: All right.

MR. KLAUSNER: So in answering your quest -- do -- if you want, I'm happy to now go specifically into some of your questions, but I really thought that that

background was important to put on this record and to -- not that this Court doesn't spend time reading everything carefully, but I wanted to put this in the perspective of where we are today given nearly ten months of dealing with the AG issue and being confronted now with the end point which is entirely unacceptable to us.

THE COURT: That's what I want to explore because at the conclusion hopefully of this hearing we will be in a position to determine at least one aspect of this case. And the problem I have with the exposition that you've given the Court -- and I appreciate wanting to make the record clear -- is believe me, when the Court issues a tentative ruling we know exactly where the holes lie with respect to each one of those tentative rulings. And when we make the tentative ruling and order that's the Court's -- that's the view of the given facts and law. But that's not without some possibility that a reviewing court may take another view of the state of the facts and the law, that another court may issue an appropriate stay, even though this Court did not. In other words, although the Court issued its findings and conclusions, that is hardly the resolution of the issues and I think all the parties understand that. So even though it would behoove your client to want to carve that order into stone, I would be the last person to advocate that.

The exposition that you've given the Court also I think lends some strength to the language that was submitted by the debtor and the Attorney General's Office because one of the issues was that the additional conditions were unacceptable to your client. And the sale here is being made free and clear of those additional conditions. I don't know where that ambiguity is.

There is some issue with respect to the Attorney General saying, we don't agree with the Court's conclusions. In every stipulation that I see somebody is saying, we don't agree with the court but we're going to go ahead and stipulation. We're going to hold our nose and agree. That's a garden variety language. As far as the Court is concerned, I see no ambiguity in that whatsoever.

So I really am struggling to see where your client is coming from as far as where the language is -- acts to its detriment. I just don't see that.

MR. KLAUSNER: Okay. Well, what you just said interestingly -- I mean, you used the phrase "the sale is made free and clear of Attorney General conditions." That's not what the order says. That's not what the AG/Verity order says.

THE COURT: It says without the imposition of any other conditions.

MR. KLAUSNER: No, no, the -- I didn't mean to

cut you off. I'm sorry. What it says is that -- first of all, solely and exclusively for purposes of the APA and I'll address that.

THE COURT: All right.

MR. KLAUSNER: And it says that the sale can be free and clear. You used the phrase because we all would normally say the sale is free and clear, the transfer is free and clear. The assets are being required free and clear. It's not what this order says. The solely and exclusively is troublesome.

First of all, I don't understand what it means, so I'm generally not comfortable with words in an agreement or an order that I don't understand. And I've been practicing long enough to know that if I don't understand something there's a reason for it. It's because other people are smarter than me. It's because the language isn't clear.

But the way I interpret this, free and -- solely and exclusively for the APA, does that mean that if our client were to transfer the assets to a buyer that the Attorney General gets to sort of wake up and say, well, okay. We -- we said it was okay for SGM to acquire these assets free and clear and we said it was solely for your APA. We didn't say that these assets are free and clear of our additional conditions. We didn't say that these assets

in the hands of another party couldn't be subjected to these conditions, so why is that there? I mean, what does that mean? We need to be clear that neither my client, SGM, or these assets that are being acquired for 600 million dollars are protected from enforcement or compliance with these additional conditions.

Now, let's just assume for the sake of argument that that language was in the order. Why would that be prejudicial to anyone? Why is it -- because you really have to ask yourself the question, why is it that the AG is insisting and I understand from counsel's stipulation and the supporting declaration that the AG has said, "Take it or leave it. You know, we appeal. You don't enter our language, we're done." I'm not sure why they have the right to hold this deal hostage. But you have to ask yourself the question, why are they demanding that language.

What would be unacceptable to simply say as we do in every order, the assets are transferred free and clear? These claims or interests or encumbrances, whatever it's dealing with can't be enforced against the buyer. They can't be enforced against the assets.

So I don't think the preamble of solely and exclusively for purposes of this APA is without meaning. If it is without meaning, let's get rid of it. But the

meaning that it could have is that these assets are not protected outside the purview of this APA, whatever that means. That makes no sense to me. And the phrase "can be sold free and clear," well, "can be" means could be, might be. It's possible. It can be allowed. You know, the law allows assets to be sold free and clear. Yeah, these assets can be sold free and clear, but why doesn't -- the assets are being sold free and clear. They are being transferred.

You know, the AG has a lot of very smart lawyers including Mr. Eldan, who I've known for a long time. They obviously spend a lot of time crafting this language. I don't know what's in their head. All I know is, I'm taking a piece of paper which has two paragraphs that are supposed to protect my client for a 600 million-dollar deal and it doesn't work and it doesn't work to my satisfaction. As a bankruptcy lawyer who has been doing this for decades it's not going to work for lenders or they're -- nobody -- nobody is going to be comfortable with this language.

THE COURT: Well, is that the standard -- is the standard that the Court is to interpret these provisions heed to what is best for your client, because I take my role -- the Court's role a little more broadly than that. We have a number of different constituencies present in this courtroom and at some point here in the courtroom and

those are a number of different competing interests that the Court has to take into account when approving any of the orders.

MR. KLAUSNER: Well, first of all, none of these constituencies are going to protect my client three years from now when the AG says, oh, we think we should be able to enforce something. So I mean, I appreciate the goal of getting assets into hands of creditors or getting assets in the hands of buyers so monies can go to creditors. They're not going to be here when we need them.

But more importantly, Your Honor, no, the standard isn't some arbitrary and capricious judgment call that I might make as counsel. We actually have a standard in 8.6.

So the way this process works, this was again very carefully crafted and intensely negotiated. Once that order is entered, whichever order you enter or your own order, some combination, once your order is entered under the terms of Section 8.6, there is a evaluation period of 21 days during which our client with its advisors and with its financial sources, our client gets to evaluate that order. So that period of time obviously hasn't started yet because we don't have an order entered by this court.

But the standard that governs our client's evaluation is its reason -- the exercise of reasonable

business judgment. So there's -- it's not an arbitrary standard. It's not an absolute discretion, reasonable exercise of its business judgment. That's what has to happen. And at the end of that 21-day period we will advise Verity if the form of order that's been entered meets the standard -- is acceptable to us given that standard, meaning that we can't just say no. It has to be the reasonable exercise of our business judgment.

Section 8.6 goes on to set forth a process to be followed in the event that the response we give to the debtor is no, we're not satisfied. Doesn't meet in our exercise of our reasonable business judgment, it's not enough.

At that point the parties have agreed that the issue of whether we've exercise our business judgment reasonably will be an issue for the Court to decide in the context of an advisory proceeding. That's the process set forth in 8.6. That's what was negotiated among these parties and that's what the Court approved.

So today isn't the day to address the question of whether Section 8.6 has been satisfied and, indeed, I found it particularly offensive in the debtor's statement that accompanied this stipulation -- I have it here. This was filed on -- this was filed --

UNIDENTIFIED VOICE: (Indiscernible)

MR. KLAUSNER: So this was filed Friday being this was the debtor's notice regarding proposed order. This is document number 3573 and it -- the debtor has said that in (iii) -- well, hang on, Your Honor. I have to find the exact verbiage. I don't want to make you wait. But what the debtor said in this -- in its statement, it may have been when the file -- with the file that was filed yesterday or Monday. The statement was, "We will ask the Court for a determination that 8.6 has been satisfied." That's completely improper and the debtor knows it.

The purpose of this hearing is to get an order regarding the debtor's motion -- the debtor's enforcement motion to determine that the additional conditions -- that the sale can be -- that the assets can be transferred free and clear of the additional conditions and that the additional conditions aren't enforceable. That was the purpose of the motion.

Whether this Court's order ultimately satisfies Section 8.6 is not for today. That's a comp -- and that wasn't a relief requested in the motion. That wasn't litigated. It wasn't raised nor would it have been appropriate since the only discussion of that issue can take place. The only discussion that will take place will take place after your ruling.

So the discussion whether 8.6 is satisfied or not

isn't for today. It's for another day. Today is to determine whether this order should be entered in the form that the AG and the debtor have agreed among themselves or whether something else should be entered.

Let me just make one other point, if I can. And I'm happy to answer all your points, but you raised an issue of jurisdiction that I want to address because you raised -- you asked a question whether you will have jurisdiction. You cited the *Ray* case, which is a Ninth Circuit case decided in 2010. Since the *Ray* case there have been other Ninth Circuit decisions dealing with the continuing jurisdiction of the Bankruptcy Court over sales and over plans. One of those cases was my case. It was actually the *Valley Health* case, *Valley Health System* case in which Judge Carroll had entered a ruling dismissing a lawsuit that had been filed against Valley Health System, the debtor post-confirmation.

The Bankruptcy Appellate Panel overturned Judge Carroll's ruling and said he didn't have jurisdiction over that. It's post-confirmation. Jurisdiction is more limited. This doesn't really fit the criteria. We took that case up to the Ninth Circuit.

At the same time we were going to the Ninth Circuit there was another case called *Wilshire Courtyard* that was also going to the Ninth Circuit on a similar

issue. That case involved a contract dispute that arose post-closing of a transaction between buyer and seller. The court was asked to get involved because the court had to enforce an interpretative sale agreement.

So in both *Valley Health System* -- and I have a cite for both cases for that. I think it's important since you raised *Ray* and *Ray* is just not a standard today. It's not the Ninth Circuit standard.

So the *Wilshire Courtyard* case is at 729 F.3d 1297, which is obviously subsequent to *Ray*. They dealt with *Ray* in that case and the Ninth Circuit made a much more broad statement about its jurisdiction. As long as there is -- I think they use the term "close nexus" between the Court's order and the issue that's being raised in the dispute, the Bankruptcy Court has jurisdiction.

IN this case what we're -- and the same thing happened in *Valley Health*, we were successful in having the BAP reversed and the Ninth Circuit similar to its decision *Wilshire Courtyard* articulated a much more -- a broad -- much broader statement of jurisdiction than had been in *Ray*.

So I don't have any doubt based on the work that I did in those cases that the Ninth Circuit standard is sufficiently broad enough for you to have jurisdiction over this matter should a dispute arise between the AG and our

client. But what's also troubling about the AG's language is that after the sentence in their own order that says that the Bankruptcy Court will have exclusive jurisdiction, their verbiage goes on to say, well, notwithstanding the foregoing, we can go into state court to resolve these issues under the California Corporations Code.

Well, Your Honor, the language notwithstanding the foregoing effectively eviscerates the prior language that the jurisdiction is exclusive.

THE COURT: Oh, but if you go further down it talks about the dispute in that context being with -- dealing with the approved conditions.

MR. KLAUSNER: Well, that is simply a mirror -- that simply is sort of the analog to what are the additional conditions. In other words -- well --

THE COURT: Well, as I've indicated in my tentative I think that there's a difference between saying, the additional conditions are within the context of this court for a decision, but with respect to the approved conditions they are not because I don't see that nexus. Okay. And I don't see the connection that the --

MR. KLAUSNER: Well, what if there's a dispute about whether the AG is actually attempting to enforce a conditional condition? What if that -- what if they go into state court and they say, you guys did not comply with

the cancer care requirement of the approved condition. And we say, hold it a second; that cancer care requirement was actually one of the additional conditions that we took free and clear. Who resolves that issue?

Now, the idea that the -- only the state court should review that we're not comfortable with. What we believe that the efforts that were made in this Court to protect our client should allow our client to come to this Court if there's going to be an argument over whether the AG is attempting to enforce something that you said it can't. So I -- (a) you have the jurisdiction. I mean, that's clear from *Valley Health* and *Wilshire Courtyard*; (b) we think it's very important that to the extent that the Attorney General wants to go into state court, and we're not saying they can't, that that permission not start with the words "notwithstanding the foregoing," which eviscerates the protection that we would want. That's our basis for it.

THE COURT: All right. I want to hear from the other side at this point.

Mr. Maizel.

MR. KLAUSNER: Thank you.

MR. MAIZEL: Your Honor, I'm just going to make a couple of remarks in response to Mr. Klausner and then Ms. Moyron is going to deal with the question specifically

posed to us by the Court.

The language solely and exclusively -- so think of how this issue will actually come up. The issue raised by Mr. Klausner is protecting his -- you know what, Your Honor, let me start earlier than that. First of all, no one is less happy about this dispute being in front of you today than the debtor. We are caught between the proverbial rock and the hard place. We would like to have our buyer happy. We would love not to have an appeal and get this issue finally resolved and we struggled mightily for almost two weeks to reach that situation. And when we could not, we -- and granted, we can't substitute our judgment for SGM's counsel or SGM, but we would not have agreed to an order that we did not believe satisfied both our contractual obligations under the asset purchase agreement and actually protected Mr. Klausner's client from the parade of horribles that was described earlier.

So just to deal with a couple of those issues, the issue with regard to the "solely and exclusively," the -- this issue can only come up in the following context really and that is the context that Mr. Klausner posited, which is they want to sell one of the hospitals subsequently and the Attorney General comes in and says, oh, the additional conditions which have been cut off clearly by the language of the order somehow spring back

into life and are now enforceable against the buyer, the subsequent buyer.

Now, recall that this can only come up in the context of no Attorney General review, right, because the Attorney General has no authority and I don't believe they dispute this, to review the sales of hospitals by for-profit companies.

So the only context in which this could come up would be the Attorney General's efforts to impose this on a subsequent buyer through the context of successor liability because otherwise they don't have any ability. There is no statutory requirement that they -- that the SGM submit for approval, nothing.

So in the context of it only can be asserted through successor liability, the language in paragraph 3 of the order we submitted is pretty clear. It says the additional conditions, which is clearly defined as anything above the purchaser-approved conditions in the asset purchase agreement are an interesting property sold free and clear of the additional conditions. So the language clearly says it is sold free and clear of those additional conditions without the imposition of any other conditions which would adversely affects the purchaser.

So the issue that it is somehow not being sold free and clear of these is simply a red herring, Your

Honor. The Attorney Gen --

THE COURT: Although there is some ambiguity. It can be sold free and clear. Just take care of that and just wipe that out.

MR. MAIZEL: Your Honor, we spoke to the Attorney General. He -- counsel -- I mean, we didn't speak to the Attorney General. We spoke to counsel for the Attorney General and I believe he's going to say that we can change that language to "is being sold."

THE COURT: All right.

MR. ELDAN: Good morning, Your Honor. I'll just clarify very briefly. With respect to points two and three in your -- the questions listed in your tentative "solely and exclusively and can be sold" versus "are being transferred" the Attorney General would be willing. And I'm looking here at paragraph 3 of the Attorney General's orders starting "solely and exclusively" and ending with the parenthetical as defined in the APA. And I'll wait for the Court to get there if you would like.

THE COURT: I'm there now.

MR. MAIZEL: Okay. The Attorney General would be willing to modify as follows. The sentence -- or pardon me, the sentence would start with "solely and exclusively" and would continue through the reference to 363(f) at which point instead of a comma there would be a period. There

would then be a new sentence that begins instead of with "and the assets" it would simply say "the assets." And after the parenthetical as defined in the APA rather than the phrase "can be sold," yes, it could say, "are being sold." And I think that resolves or should resolve certainly the issue -- or any issue with topics two and three raised in your tentative.

THE COURT: All right. Thank you.

MR. KLAUSNER: I'm sorry. What were you saying about solely and exclusively? Was that --

MR. ELDAN: The solely and -- no, solely and -- the paragraph 3 of the AG order would be revised as follows. It would start as it does now with "solely and exclusively." It would continue through the reference to Section 363(f). That would be followed by a period rather than a colon -- ex -- excuse me. By a period rather than a comma. And the remainder of the existing paragraph rather than starting with "and the assets" would start simply with "the assets." And then after the following parenthetical rather than the words "can be sold" the words -- a new phrase would be substituted in "are being sold."

So I don't know if that satisfies Mr. Klausner's concerns in their entirety, but I think that it does resolve to satisfaction of the Attorney General and the debtor and the concerns raised by the Court. And I would

hope it raise -- satisfies the Court's concerns about those two points. Thank you.

THE COURT: Appreciate that. Thank you. All right.

MR. MAIZEL: Your Honor, the other -- the other issue is this issue of exclusive jurisdiction. So the issue -- I don't think there is any dispute that the first sentence clearly is the classic "the court retains exclusive jurisdiction to adjudicate controversies regarding the order," and that is consistent with precedent going back to the founding of the federal court system which says that courts have power to interpret their own orders. This is totally consistent with that.

The idea that the second sentence that the language notwithstanding the preceding sentence that that somehow negates that first sentence it's just not consistent with a reasonable reason of the second sentence, which deals with, one, it is the flip side of the coin. Right, Your Honor? It's what the Court suggested earlier.

So the first sentence deals with interpreting the order. The second sentence clearly deals with a much different situation. It solely deals with the situation where the Attorney General is seeking to enforce the purchaser-approved conditions which I didn't believe there was any dispute that that's how this would work, that at

the end of the day the purchaser agreed to certain conditions that the AG could and has now effectively imposed.

And those as traditionally would be enforced not in this Court, but through the Attorney General's classic powers. The "horrible" that Mr. Klausner posited is supposed the Attorney General goes to state court but that could happen no matter -- Your Honor, that could literally happen no matter what is written in the order. Unless the order had a sentence which purported to enjoin the Attorney General from seeking any relief related to these assets in perpetuity in state court, which by the way I'm not sure that -- that such a sentence would be enforceable, but if it did, that is literally the only sentence that would satisfy Mr. Klausner because the idea that parties subject to a Bankruptcy Court order might incorrectly seek relief in state court, that happens regularly and bankruptcy practitioners have no problem coming back to the Bankruptcy Court and getting an order asserting the Bankruptcy Court's jurisdiction which state courts traditionally respect.

So I just don't see how the clearly defined limits of those two sentences really give rise to pause. And I'll let Ms. Moyron address specifically the question raised by the Court.

THE COURT: Well, before you leave and really

it's not a question directed to you but it's just an observation that this court always has jurisdiction to determine its own jurisdiction. And if Mr. Klausner's hypothetical there is some issue that his client contends is -- falls within these additional conditions, there's nothing that I could do to forestall his client from coming into this court and saying -- making that argument. I can neither accept it or reject it, but I can't prevent it from coming through the door.

MR. MAIZEL: Correct, Your Honor. I don't know what sentence we could craft that could stop the Attorney General from seeking relief in state court inappropriately. And the remedy is to do what bankruptcy lawyers traditionally do, which is come to this court and get relief. That's what happens when orders are misinterpreted or ignored.

THE COURT: All right. Thank you.

MR. ELDAN: Your Honor, I just wanted to add very briefly on that specific point. The Attorney General also would point out its agreement with the Court's observation in the tentative that the likelihood of the Attorney General ever trying to go into state court and force an additional condition would seem to be extraordinarily low given the fact that the purchaser approved conditions, as Your Honor pointed out, are so exhaustively defined. It's

not a fuzzy area. Thank you.

MS. MOYRON: Good morning, Your Honor. I did want to address question number one posed by the Court in its order. And before I did that I did want to point out two things to clarify and for purposes of the record. Mr. Klausner discussed at length the background and in that discussion he discussed the bidding procedures, motion and an order and that there was negotiations in a cafeteria. I don't really consider any of that relevant.

But what I want to put on the record is the original APA that was filed with this Court in January at docket number 1279 provided that if the additions were substantially different than the conditions that were issued, the debtors would come to the court and ask for a supplemental cell order. And that APA basically said what the findings needed to be. And as this court is aware, the findings basically required that the order would say that the additional conditions are an interest of property pursuant to 363(f) and that they could be sold clear and free of -- there could be a sale free and clear under 363(f).

And that language was in the original APA. It's in the APA that was subsequently filed. And so none of the negotiations outside of the courtroom with respect to the biddings proceedings issue really changed that language in

the APA and the finding that really needed to be made for the debtors to be able to say that 8.6 of the APA was satisfied. So I just wanted to clarify that issue.

The other thing that Mr. Klausner mentioned is an evaluation period and that's a 21-day evaluation period under 8.6. We dispute the contingents made by Mr. Klausner with respect to that being triggered once the order is entered. I don't think that's something that needs to be decided at this moment, but I wanted the record to note that we disagree with that contingent.

I'll shift to question number one. So question number one, Your Honor, you basically asked the debtors under what circumstances have courts entered orders without findings and conclusions of law. And you pointed to Federal Rule of Bankruptcy Procedure 9014 that basically says Federal Rule of Bankruptcy Procedure 7052 applies unless the Court directs otherwise. And I think that rule, and as the Court correctly noted, really speaks to the Court's discretion when it comes to figuring out whether or not it wants to issue findings of fact and conclusions of law.

What's interesting is that not only do you have the discretion in 9014, even when it directs you to the Bankruptcy Procedure Rule 7052. 7052 directs you to the Federal Rule, right? And then the Federal Rules says under

(a)(3), oh, by the way, on a motion a court does not need findings of fact and conclusions of law. And so now I think it's entirely consistent with 9014 that you have the discretion under 9014 and also if you actually look at the civil rule that's being incorporated, you have that discussion.

I think what's also interesting is more of an academic point, but for anyone interested, in the Federal Rules of Bankruptcy Procedure it is consistent with how the rules have evolved. And historically prior to 2009 Federal Rule of Bankruptcy Procedure 9021 required a separate order. It required separate documents, right, and it required separate documents in an adversary in a contested matter.

THE COURT: Right.

MS. MOYRON: And that was changed in 2009. And so the requirement for the second documents in a contested matter was thrown away and that requirement was deleted in its entirety. What I think that means is that under the rules you have the discretion not to issue the findings of fact and conclusions of law and that's also consistent with 9014 not incorporating Federal Rule of Bankruptcy Procedure 7058, which is the judgment in the adversary. So I think the Rules give it to you.

In terms of the cases and --

THE COURT: Well, I -- I don't disagree with that position.

MS. MOYRON: Okay.

THE COURT: But if we're talking about looking at our crystal balls in the future there is some ambiguity, there is some argument that's being made with respect to the applicability of the order. Usually you look at the findings and inclusions to try and figure out what -- to give meaning to the order. So even though the Court can exercise its discretion and not issue findings and conclusions, whether we should issue some findings and conclusions which would help or aid in the interpretation of the order.

THE COURT: I think that with the Ninth Circuit has said on that issue is that if the record itself is complete, then you can do a sufficient review without the findings of fact and conclusions of law. And so if you look at the appellate cases because that's usually how this surfaces, you really see two themes. One is, okay, if you don't have a factual dispute and you're just making, you know, a finding pursuant to some sort of, you know, legal issue you don't need the findings. And I think the Ninth Circuit said that in *In Re: Brown*, 606 B.R. 40 -- I'm sorry. That's actually the Ninth Circuit Bankruptcy Appellate Panel.

The Ninth Circuit also said something similar in *Commercial Papers Holders*, which is at 752 F.2d 1334. And it said in those instances there wasn't a factual dispute. We didn't need the separate findings and conclusions of law. If you look at what we're doing here, the only real factual dispute may have been with the Attorney General, but that's off the table. Now we have the stipulation. So I think we actually fall under those cases.

The second theme that I mentioned is -- and I kind of already alluded to it before where maybe the court decides a factual issue but the record below is sufficiently developed. And so we didn't have the findings but we can look at the record. And if there's ever been an exhaustive record in a bankruptcy case I think it's this case. And in connection with this motion and exhibits and declarations, the record is complete. I don't think anyone disputes that.

And in terms of the Bankruptcy Appellate Panel saying when you have that full record I'm not going to say that this order is in error because it doesn't have the findings. In *In Re: Granados*, the Ninth Circuit said that, 503 B.R. 726.

And the other case I think is interesting, it's an older case but it's out of the Eastern District of California in Sacramento. And there the district court

judge goes on about how, okay, I had this cash collateral order. I don't have any findings but the record was sufficient. And that's at 95 B.R. 166.

THE COURT: Very well.

MS. MOYRON: Thank you.

THE COURT: Thank you.

Yes, Mr. Shinderman.

MR. SHINDERMAN: Your Honor, on behalf of the Committee I want to spend a couple of minutes on context and then I want to address your question number one, which I think is the most important of the questions and then talk about where this leaves us.

Very briefly, Section 8.6 recognized that the Attorney General might impose additional conditions and said if they did how would the parties proceed. The Attorney General came to recognize that pursuing these additional conditions on appeal could interfere with the running of the case, the closing of this sale. And so long as it's limited to this case and your findings in this case, it was prepared to go forward and not pursue an appeal. That's incredibly important because under 8.6 if nobody has the right to appeal then the SGM must close. As Ms. Moyron said, the 21-day period is not relevant. If we obtain an order and it's a final order, the parties must close -- but proceed to close. So the Attorney General's

concession by not pursuing the appeal was incredibly important.

I have another piece of information, and Ms. Rich is on the phone to confirm, is that the SEIU is also waiving its objection. So there is no party withstanding to appeal because nobody has a pending objection to the motion or the case of the Attorney General stipulated away its right to appeal. And Ms. Rich can confirm.

But again, I want to thank the union. This is a very tough decision for the union because on one hand they want to preserve as many jobs as possible, but at the same time they recognize that this is our path out of bankruptcy. So if Ms. Rich could confirm that understanding.

THE COURT: Yes, Ms. Rich, are you on the line?

MS. RICH: Yes, I am, Your Honor, and I confirm the union's position that they will withdraw their objections.

THE COURT: Thank you very much.

MR. SHINDERMAN: So again, and the union debated that right up until the start of this hearing, Your Honor, because on the one hand the conditions do permit one of the hospitals to close in time and that's anathema. That's not okay with the unions, but the unions recognize that there was optionality on the sale. That presented a bigger

problem. That was a major concession by the union as it was by the Attorney General.

Now, I don't know if this is, but my fear is that the protections that SGM wants in its form of order over the AG's are not because it provides any modicum of protection. My concern is those findings, the Attorney General has indicated were not okay and would force an appeal. An appeal gives SGM the optionality. An optionality gives them the right to walk away or renegotiate a purchase price. That's not acceptable.

So while I would love to help broker a deal and we were talking to the debtor about brokering a deal, at the end of the day we strongly support whatever requires for the Attorney General to be satisfied within the confines of the law so that we have no appeal rights by the union or the Attorney General so we can proceed and SGM must close.

Now, missing from Mr. Klausner's analysis is a couple of things. One, SGM already has the finding it needs. Your Honor previously entered a 363 order. Second, SGM did not oppose the motion and the first sentence of the -- I'll call it the debtor AG order is the motion is granted. SGM does not have standing to appeal this order, the order that the debtor and we and the AG would like you to enter. SGM has two choices, as Mr. Klausner said. It

could either close or it cannot close in which case it would have to say the conditions that the debtor had to satisfy were not satisfied. But those conditions are: (1) get the 363 order which you already entered; and (2) may SGM could close free and clear from the additional conditions.

Now, the language in paragraph 3 after the solely and exclusively enter -- entry comes exactly verbatim from Section 8.6 including the canned language which the Attorney General is now clarifying. That is exactly 100 percent identical to the language that was required by the APA. The debtor didn't make that up. The Attorney General didn't change it. That's what was required of the motion.

The motion also goes on -- the APA also goes on in 8.6 to say, you know, additional considerations that would not be okay, that would give optionality to SGM are anything that imposes more than five million dollars of additional costs -- costs onto SGM. There's nothing in the Attorney General debtor form of order that imposes additional cost. Just the opposite. By parroting the exact language of 8.6 there are no additional conditions imposing any cost on SGM such as that again SGM must close.

So that -- Your Honor, I want to turn to specifically your question about what does this all mean. As Ms. Moyron pointed out, courts are not required --

courts have optionality to -- to make findings. We found a case out of Pennsylvania. I'm not pretending that it's binding, but it's indicative of a whole bunch of case law. It's called *Campfire Shop*, 71 B.R. 521 at pages 524-525, Eastern District of Pennsylvania, 1987:

> "We believe that the correct interpretation of these rules taken together is that it is totally within the discretion of bankruptcy judges as to whether they want to make any specific findings of fact and conclusions of law or as to any other directive except for dismissal of cases."

And it goes on and cites a whole bunch of other cases.

When you look at other cases from within this circuit including *Demkin* (phonetic), 100 -- excuse me -- 11 B.R. 536, a Bankruptcy Appellate Panel decision; or *Slimick*, a Ninth Circuit opinion from 1990 and 928 F.2d 304, the question is really whether or not there is enough for the Appellate Court to conduct an appeal. But here there's -- nobody was standing to appeal. The Attorney General is waiving his right to appeal and the SEIU, the only other objecting party, is withdrawing its right to appeal by not objecting.

So there's no findings are necessary because there's no appeal that is possible. So that then gets us back to what the Attorney General wants, no findings. And

that's your first question and that's why I wanted to speak to that. I think, Your Honor, I was concerned by your question but with a waiver by the union and the stipulation by the Attorney General I don't think you need to make any findings of fact and conclusions. And as Ms. Moyron pointed out, there's more than enough for the record if there was an appeal but nobody has standing to appeal. So what does this all mean?

SGM should not be heard to complain. They're obligated to close if there are no additional conditions being imposed upon them and there are no additional conditions being imposed upon them. They already have the 363 order required by the APA.

They should not be heard to object to the form of order. They supported the motion. The motion is being granted. If they believe the order does not address all their points and, thus, they don't want to close that is an issue for another day. As we've said, they -- we believe the two conditions precedent are satisfied and they must proceed to close. So they'll either close or not close and we'll be back here. But Your Honor certainly has everything in its jurisdiction, certainly within the confines of the record and with the withdrawal of the two objecting parties certainly could enter the order as proposed by the Attorney General and the debtor.

THE COURT: Thank you.

MR. SHINDERMAN: Thank you, Your Honor.

THE COURT: Mr. Eldan.

MR. ELDAN: Thank you, Your Honor. I'll be brief. First of all, I certainly agree with the points Mr. Shinderman made about SGM's standing or, more to the point, lack of standing to be here today objecting to the form of order. It seems to me that as Mr. Shinderman pointed out the time and the place for SGM to assert that the order as entered is inadequate if, in fact, SGM believes it is when they are called upon to close and if they believe that the supplemental sale order that has been presented to them does not satisfy 8.6 then that is a dispute that could be handled between SGM and this court. But as Mr. Shinderman pointed out, today is not the time or place. This -- this hearing is not the right procedural context for these arguments to be made. Mr. Shinderman has made the point, so I'll move on.

Second, turning to the specific question you asked in your tentative ruling and the first point which was I think largely addressed by Ms. Moyron was not so much about the fact that the Court has the authorization or the power not to apply 7052 and hence Rule 52, but specifically what are the circumstances in which other courts have actually elected to do so.

I did find one case. As you can imagine it's not the sort of issue that comes up and gets reported a lot. It's *In Re: Evans Products* out of the Bankruptcy Court for the Southern District of Florida from 1986. The citation is 65 B.R. 31. The specific page is, I believe, page 34 and in a nutshell that was a confirmation hearing in a Chapter 11 case. A contested matter and yet obviously a matter that raise complexities and one would think possibly factual disputes. And what the judge there, Judge Britton, said was in essence citing Rule 9014 that the rule allowed him the discretion to disregard the Rule 52 findings and conclusions requiring and that he would do so to the extent he had not already covered every last factual or legal issue. As he put it, "In doing so, I disappoint counsel who do not share the court's responsibility to decide without delay the other matters before it. For me, it is an issue of survival," which I suppose it very well may have been in Florida Bankruptcy Courts in the mid-'80s.

Point being, you know, at least one other bankruptcy court has said in a con -- in a context that I think would be at least as complex as this one I'm dispensing with the Rule 7052 requirements.

The other aspect of this point that the Court raised that I would point out is one already addressed by Ms. Moyron, but I would just add what seems to happen or

the way this seems to be treated at the appellate level is as follows. There is no reversible error and no remand in cases where there -- where the bank -- where the appellate court can simply look at the record and figure out what happened. And that's what normally happens. Let me look for the case. There are a number of Ninth Circuit or at least Ninth Circuit BAP cases that go to the point. I believe the most recently one I found was 604 B.R. 839 Ninth Circuit BAP. That's the *Colusa Regional Medical Center* case and I'm looking here -- sorry, let me find the pinpoint page, which is not always easy with Lexus. Well, it's at the paragraph where they cite the *Grenados* decision. And as the court -- the BAP put it there, "We need not reverse, even if the Bankruptcy Court rules without articulating its findings if the record provides us with a full complete and clear view of the issues on appeal." Fairly straightforward. That decision is dated September 10, 2019, my first day at the AG's office.

And the flip side of that decision is that I think where you do see remand and reversal is where the appellate court is looking at a record without findings or conclusions and there was a lot of factual messiness at the trial level and the appellate court is saying, we can't figure out what on earth the trial court did here. Maybe there were conflicting credibility determinations. That's

not the world we're living in with this order. I re-read the Court's memorandum decision last night. There was recitation of factual matters and disputes mostly having to do with alternative bids. Those were dealt with in the first few pages of the Court's memorandum decision. But that stuff was not complicated and it was not the heart by any stretch of the imagination of the Court's decision.

My point being that wholly apart from the Court's authority under 9014 to set aside 7052 even if this were a case where 7052 were not formally set aside, that would not be an exercise of discretion in my view that would raise any problem for a reviewing court. The record here, as Ms. Moyron pointed out, is pretty straightforward. You've got the motion. you've got the responsive briefing. There was no live testimony. Simply some straightforward declarations.

That's what I have to say about the Court's point one. I've already addressed points two, three and four. The Court asked specifically with respect to point five in its tentative ruling -- let me turn to it. I apologize for the delay.

THE COURT: Basically, what's the problem with these -- the language that Mr. Klausner --

MR. ELDAN: Oh.

THE COURT: -- indicated he wants.

MR. ELDAN: The problem is simply this. The Court will not be surprised and I hope not offended when I say that the Attorney General's office disagrees with the memorandum decision entered on multiple grounds. It's been entered and I'm sure the Court will understand when I say the Attorney General -- that we cannot erase that decision from existence in the universe. Would like to come as close as possible by vacatur and withdrawal of the decision. Obviously in this age of Westlaw and Lexus the decision will be out there in some sense but we want to get rid of it to the extent possible, to put it bluntly.

The problem with the language that Mr. Klausner has presented, addressed in point five of the tentative is this. Vacating and withdrawing the decision loses some of its effectiveness if some of the decision or some of the ultimate conclusions that follow necessarily from the decision creep back by implication into the Court's order. And I'm referring here, for example -- by the way, this is in the Court's tentative and I'm looking at the .pdfs from today's tentative rulings which go on I think for 62 pages.

THE COURT: But I have it in front of me.

MR. ELDAN: Yeah. This is at page 58 out of 62 in this morning's -- or pardon me, yesterday afternoon's tentative. In that paragraph from Mr. Klausner's proposed order which starts the debtor's transfer to SGM and ends as

provided in the sale order, well, as counsel has already pointed out the Attorney General is already agreeing to language in the order that says the sale is free and clear. In our view the additional phrase in the middle there starting with "and shall not be subject to" and ending with "or adherence to" is just bells and whistles that muddle up a straightforward minimum but nevertheless wholly satisfactory under 8.6 order. The sale is free and clear. That gets the job done in our view.

Secondly, towards the end of that paragraph I believe t hat the form of order to which the Attorney General is willing to agree -- and let me turn to it here -- ends with as we've stated we'll agree to modify it today here at the hearing, "are being sold free and clear of the additional conditions without the imposition of any other conditions which would adversely affect the purchaser as defined in the APA." That's what the AG has -- and the debtor have agreed to and that is exactly the language required by 8.6.

By contrast -- and I apologize for the delay but I just want to get this exactly right because I'm trying to compare two different paragraphs here. In Mr. Klausner's proposed paragraph the language -- the phrase beginning "pursuant to Bankruptcy Code Sections 363(b)" and ending with "as provided in the sale order" is extremely

problematic for the Attorney General because, as I said, it implies at a minimum that findings and conclusions from the memorandum decision which is being vacated are now creeping back through the back door of the order. That's unacceptable to the Attorney General. We're simply not going to agree to it. I think that the Attorney General has been reasonable on various other points here. We've made some concessions today on paragraphs 2 and 3. We are agreeing to give up our appeal right which as the debtors and the Committee have pointed out is of extreme importance to them in return for having this memorandum decision vacated and withdrawn, even though the reality is it will exist in the world. But our agreement as set forth in the stipulation is that the order has to be entered as agreed by the Attorney General and the debtor. And we won't agree to the language here suggested by Mr. Klausner. This is, as the saying goes, a bridge too far or maybe a couple of phrases too far.

But if this language goes in, then the Attorney General is not waiving his appeal right and I would respectfully suggest that what Mr. Klausner is asking for here in his proposed additional paragraph is language that I understand he very much wants for his client. But it is language that my client won't agree to and it is language that under 8.6 is not required and, most of all, it's

language that the parties to the motion have agreed on in order to resolve the motion. If he thinks that its absence is unsatisfactory, that's a fight that SGM and the debtor can have later when it's time to close and SGM decides if it really doesn't want to but --

THE COURT: All right. Well, just briefly there was a situation that Mr. Klausner alluded to. The language solely and exclusively for purposes of the APA and the issue that Mr. Klausner, as I understand it, raised is what happens if his client wants to sell that to another private entity and whether the provision here really just would create a situation where the Attorney General would seek to reimpose the additional conditions.

MR. ELDAN: Well, I guess, one, to answer your question I have, first of all, one question. We're talking here about two different paragraphs. The paragraph we've been discussing is Mr. Klausner's proposed paragraph under question five of your tentative. The paragraph that Your Honor is referring to is paragraph 3 of the AG debtor order.

THE COURT: That's right.

MR. ELDAN: Under --

THE COURT: Yes.

MR. ELDAN: Okay. So putting aside the discussion of Mr. Klausner's proposed paragraph I would

join in what I believe Mr. Maizel -- it may have been Mr. Shinderman said keeping in mind that the Attorney General has already said that we will agree to modify, as I've discussed here earlier at the hearing this paragraph 3 to break it up into two sentences. So it's going to say "Solely and exclusive for purposes of the APA as defined below and the motion, the additional conditions as defined," I won't read the whole parenthetical, "are an interest in property for purposes of 11 363(f)." The full assets are being sold -- the assets are being sold free and clear of the additional conditions.

THE COURT: Right.

MR. ELDAN: So once they have been sold free and clear they're sold free and clear. I -- you know, I'm not sure of -- about Mr. Klausner's concern. I think that Mister --

THE COURT: The issue is they're sold free and clear for purposes of this case but they're not sold free and clear if -- at some point the -- the buyer here wants to sell it to somebody else.

MR. ELDAN: Well, I can't opine on that but I'm looking back to what Mr. Maizel pointed out, that once they've been sold free and clear to a for-profit entity Mr. Maizel pointed out his view on the limits of the Attorney General's authority to review any transaction in

that situation or lack of authority.

THE COURT: Well, that's Mr. Maizel's view, but I'm more interested in your view.

MR. ELDAN: Well, give me a moment to consult with my colleague.

THE COURT: All right.

(Pause)

MR. ELDAN: Well, Your Honor, I would say that -- simply this. What 8.6 requires by its very terms is the assets are sold free and clear and that's what this order provides. And I would think it would give some comfort to Mr. Klausner because that we've broken this into two sentences because my recollection is that his -- his problem with paragraph 3 as originally proposed was that solely the prefatory phrase "solely and exclusive for purposes of the APA and the motion," he wasn't sure how that interacted or whether it fit well with "can be sold free and clear of the additional conditions."

Well, now you've broken it up into two separate distinct sentences. Simply the assets are being sold free and clear of the additional conditions.

THE COURT: Fine.

MR. ELDAN: All right. I think it -- I don't know how much more clearly it can be stated. As I said, it tracks exactly what 8.6 requires. Thank you.

THE COURT: All right. Before we hear from Mr. Klausner is there any other party that I have not heard from that wishes to be heard on the Court's tentative? All right.

Oh, I'm sorry. Yes.

MR. PRESTEGARD: Good morning, Your Honor. Kirk Prestegard again on behalf of United Nurses Association of California. Mr. Shinderman regularly excluded UNAC from the parties that did object to this, but for the avoidance of doubt as we did file the paper stating our position with respect to the motion, I just want to make it clear that UNAC also does not object to the AG order.

THE COURT: Thank you for that clarification.

MR. PRESTEGARD: Thank you.

MS. MOYRON: Your Honor, we wanted to also thank UNAC for making that statement and I became so excited about the Federal Rules earlier I completely skipped over your question to us in terms of future litigation. But now that UNAC has said it won't appeal and we know the AG won't appeal, I think the likelihood in terms of litigation is at least -- is minimal as the debtors can hope and I wanted to thank, on the record as well, the SEIU for withdrawing its objection and not appealing any order entered by the court.

THE COURT: Very well. Thank you.

All right. Mr. Klausner and then we'll move on

to our other matters.

MR. KLAUSNER: And, Your Honor, there -- sort of getting down to maybe three principal issues, the issue of findings, the issue of solely and exclusively the terms "free and clear" and what it's -- whether it should be -- it should include the language that we have included in our proposed order. With regard to -- let me get my order in front of me -- the language that you focused on in your question that we added to our order was:

> "The sale is free and clear of and shall not be subject to or conditioned upon SGM's performance of compliance with or adherence to any of the additional conditions as set forth in the SGM APA and in the motion pursuant to Bankruptcy Code Sections 363(b), (f)(1) at 405 and otherwise as provided in the sale order."

Now, Mr. Eldan's responses were entirely lacking in being able to explain to you the AG's aversion to that language and insistence that it not be -- that those -- that that verbiage not be included to the point of essentially putting a gun to all of our head and saying, I get my language or I appeal. That's not a response to your question.

THE COURT: I don't believe that was the response. I think the response was --

MR. KLAUSNER: Well --

THE COURT: -- we just don't want to refer back to the findings and conclusions and we don't want them imported either (phonetic) true of that sentence.

MR. KLAUSNER: There's nothing in the sentence that refers back to findings and conclusions.

THE COURT: But I wouldn't make any sense unless it did refer back.

MR. KLAUSNER: I don't know where the reference is. The words -- SGM's performance of compliance with or adherence to any of the additional --

THE COURT: That's okay, but it's pursuant to Bankruptcy Code Sections 363(b), (f)(1), (f)(4) and (f)(5). That would make it -- certainly the reference to (f)(4) and (f)(5) wouldn't make any sense unless you look back at the findings and conclusions.

MR. KLAUSNER: Well, that isn't -- what is that language wasn't here? I mean, that -- they're not suggesting that they would approve of the language -- let me just find. I'm sorry, I just want to find -- well, actually, I mean, in -- in their order -- their own order there is a reference to 363(f).

THE COURT: Yes.

MR. KLAUSNER: So I don't know exactly what we've done that makes this so difficult. It would seem to me

363(b) is not controversial. So in addition to their lan -- their use of 363(f) the reference to sub-references 1, 4 and 5 are what is at issue here? I just don't --

THE COURT: 1, 4 and 5 I think that the issue becomes whether -- and also the -- I take it that's your version of the order would not require the Court from withdrawing its findings and conclusions.

MR. KLAUSNER: We haven't said that. I didn't address that, but I will.

THE COURT: All right.

MR. KLAUSNER: I didn't address that, but let me go on. There's no good reason -- the -- Mr. Eldan, with respect, seemed to think that we should be comfortable with his language, but I'm just not going to use him for the test case nor, as I said, is anybody else in this courtroom going to protect my client when the time comes. But the language shall not be subject to or conditioned upon SGM's performance of compliance with or adherence to. He gave you no good reason why that language should not be here. That's customary.

Now, he also is objecting to a reference of the sale order. Although you may recall that Mr. Shinderman thought that we should be comfortable because we have a sale order. So what is the -- I don't understand. What is the basis for the AG's refusal to the point of putting a

gun to our head for making reference to the sale order which does contain a fairly broad and expansive language about what is meant by "free and clear" which will be of comfort to us. Why is that improper? Why is that unacceptable? You didn't get an answer.

What you've been hearing is that we should be satisfied with this, that if we took the exact verbiage out of 8.6 which wasn't meant to be the verbiage of a court order -- I guess in hindsight I'll know from my next deal that we should actually draft the court order that we will condition our acceptance on. Didn't seem necessary at the time. Nobody intended that you could take the words "can be sold" out of the agreement and then turn it into a court order and we should be satisfied.

But getting back to Mr. Eldan's comments he really couldn't answer your question as to why it would be unacceptable to the AG to the point of blowing off this compromise to simply say "free and clear of -- not subject to SGM's performance of compliance with or adherence to the additional conditions," which does give us comfort to which I think we are entitled.

The solely and exclusive issue, Your Honor, you didn't really -- I didn't think you got a meaningful answer from him. I like Mr. Maizel a lot, but I'm not going to take his view as to what possible basis there might be to

have litigation with a successor party to my client and tell him to rely on that. Nobody -- and nobody is giving my client a legal opinion. Nobody is giving my client an indemnity. The only protection we're getting is from this order. I don't think there's anything that we have requested in this order which is inconsistent with the relief sought in the motion.

So in terms of the issue of the memorandum of decision and findings, the fact is that whether or not there is an appeal there could certainly be the need for what you described earlier which is the court having some findings to explain its rationale for its ruling. It doesn't have to be 24 pages long. It could be three or four sentences, but there's no question that would be meaningful to our client to have some exposition from the Court as to the basis upon which its making the ruling.

Now, it is true that there is a record consisting of a motion and declarations, probably hundreds if not a thousand pages. There's a lengthy report from the Attorney General. There's opposition and opposition declarations. I gather if there's some controversy at some point over this transaction and over the AG's authority we could gather together a bunch of binders and hand it up to some court and ask them to try to figure out what you meant.

On the other hand, we could have one page of

findings, which I would be happy to start putting together and circulate that would explain what the Court did and why it did it. So we're really being corralled here -- corralled by the Attorney General whose goal is to both minimize the use of your decision as precedent, but also in our view to create enough ambiguity in this order that it will be subject to some dispute at a later date that we're going to have to litigate, which we want to avoid.

I don't think you got an answer to your question about the solely and exclusively issue. The fact that that verbiage is broken into two sentences in my view makes it more complicated and more difficult to understand than it was before. I still don't know what it is the Attorney General has in mind, but I am concerned in a subsequent transaction that there will be some assertion of successor liability or some claim against a purchaser or a lender.

So none of this is satisfactory to us in the fact that all these lawyers think it should be is really meaningless. It's going to come down to what's satisfactory to our client.

Finally, there have been a lot of points made during this argument about state law, state procedure, appellate procedure, standing to appeal, aggrieved parties, what should happen at closing. The fact that I haven't addressed every single argument that everyone has made

should by no means constitute any sort of a waiver or concession or consent or estoppel that we don't dispute some point someone has made. I don't think it's necessary to go into detail.

The one subject that I do want to re-emphasize because I really don't know where Mr. Shinderman is coming from, the process in Section 8.6 is very clear. Once you enter an order there is a period during which my client gets to evaluate that order and determine in its reasonable business judgment whether our client is satisfied with it. At the end of that valuation period we notify the debtor and if we have a controversy we'll come back to you in an adversary proceeding. We're certainly not waiving any of our rights under what is in 8.6.

THE COURT: All right.

MR. KLAUSNER: Thank you, Your Honor.

THE COURT: Very well. The matter is -- having been argued, I'll rule at this point for the convenience of the parties so that they have something to take back with them.

The -- I'm going to adopt the language submitted by the debtor and the Attorney General as amended on the record here and I do so for a couple of reasons. First, overall I don't find that it is the purpose of the order or any order issued by the Court to give a bulletproof comfort

to a purchaser because the Court can't do that. There are many creative attorneys, counsel that could come up with some argument that would poke a hole into just about any order that the court would enter and I can't be thinking that creatively to try and plug up all of those holes. It seems to me that the language as submitted by the Attorney General and the debtor at paragraph 3 captures the essence of what the parties objecting to the agreement here wanted, which was the additional conditions are not being imposed. And it also allows the sale free and clear of those additional conditions. That's paragraph 3. That's how I read paragraph 3.

Paragraph 4, again this court retains jurisdiction with respect to the conditions that are contained in the agreement, but doesn't necessarily -- and I'll explain that in just a second -- necessarily take -- exercise jurisdiction at this point over objections that may be raised with respect to any of the other additional conditions -- any additional conditions. Not other.

So somebody can raise those issues in state court. Somebody could move to transfer those actions to federal court, to the Bankruptcy Court. They can do all sorts of things, but as I've indicated this court has jurisdiction -- all -- every court does to determine its own jurisdiction. And so if there was some dispute that

one part says is covered by this order and another party says it is not and then come to this Court, the Court is in an obligation to exercise some jurisdiction in order to render a determination as to that argument.

With respect to the withdrawal of the findings and conclusions that were previously entered, first of all I have to note that this is a trial court. It's a Bankruptcy Court. Those findings and conclusions have no precedential effect whatsoever. It's simply as -- with respect to the parties here. And so I'm going to withdraw those findings and conclusions. Have to find a mechanism to do that. I probably will just issue a further order that says that that memorandum of decision at docket 3446 is vacated and withdrawn. So that's of record. And I'll do so at the conclusion of this hearing.

So that's not going to be available as precedent to the extent that any court wanted to, of course, as far as its reason is concerned. They -- other courts might adopt it, might not. I'm sure courts will undertake their own consideration of the issues as they come up. But I think it's appropriate within the context of this order here. So that's what I intend to do.

Now, I'm going to close this hearing, but I really do hope that we do not arrive at a situation where the Court has to make a determination that the purchaser is

not required to close. I think that this agreement and the Attorney General concessions, which I think are great under the circumstances mediate in favor of getting this matter closed. I know that Mr. Klausner's client wants to have a bulletproofed order, but I've never seen one that has been bulletproof. So we do the best we can and I think under the circumstances this is quite along in that process. So I hope that to the extent that we have people here who want to accept the recommendation of the Court, it is to move on from this matter.

All right. So that is the conclusion of this matter and if nothing further, then we'll move on to our 11 o'clock calendar. Thank you very much.

ATTORNEYS: Thank you, Your Honor.

MR. SHINDERMAN: (Inaudible -- away from microphone) for of order (indiscernible)?

THE COURT: Yes, why don't we have the debtor do that and we'll go forward with that.

ATTORNEYS: Thank you, Your Honor.

THE COURT: Thank you.

(End at 12:10 p.m.)

I. Introduction

The Debtors have filed a motion seeking (a) to continue the November 20, 2019 hearing on the Disclosure Statement and (b) to use the November 20 hearing as a Status Conference (the "Continuance Motion").[1] The Debtors filed the Continuance Motion after being advised, on November 15, 2019, that Strategic Global Management, Inc. ("SGM") would be sending the Debtors formal correspondence material to SGM's agreement to purchase the Debtors' four remaining hospitals (the "Hospitals," and the sale transaction, the "SGM Sale"). As of the filing of the Continuance Motion, the Debtors had not received the SGM correspondence. The Continuance Motion did not specify the anticipated contents of the correspondence.

The Court will grant the Continuance Motion for the reasons set forth below. To facilitate an expeditious and successful resolution of these cases, the Court makes the findings and conclusions contained herein. The Court's primary finding is that the Debtors have complied with their obligation under the APA[2] to obtain a final, non-appealable Supplemental Sale Order, and that accordingly SGM is now obligated to promptly close the SGM Sale, provided that all other conditions to closing have been satisfied.

II. Findings and Conclusions

A. SGM is Obligated to Promptly Close the Sale Under § 8.6 of the APA, Provided that All Other Conditions to Closing Have Been Satisfied

Prompt closing of the SGM Sale is indispensable to the successful resolution of these bankruptcy cases. The Debtors are sustaining operational losses of approximately $450,000 per day. Operation of the Hospitals is being financed by a consensual cash stipulation executed between the Debtors and the principal secured creditors (the "Cash Collateral Stipulation"), which expires on December 31, 2019. The Debtors do not have the ability to borrow under any debtor-in-possession financing facility, and it is unclear whether the Debtors will be able to obtain alternative financing once the Cash Collateral Stipulation expires. In addition, the Debtors are facing very significant liquidity constraints. In late September 2019, the California Department of Health Care Services (the "DHCS") began withholding certain Medi-Cal fee-for-service payments owed to the Debtors, for the purposing of recovering alleged Medi-Cal overpayments. The DHCS withholdings have deprived the Debtors of a major source of funding that had previously been used to sustain operations.

On February 6, 2019, the Court conducted a hearing to determine whether to approve the Asset Purchase Agreement (the "APA") entered into between the Debtors and SGM, under which SGM had agreed to serve as the stalking-horse bidder for the auction of the Hospitals. The Court found that the termination rights granted to SGM in the APA were unduly broad. In response to the Court's concerns, the Debtors renegotiated the APA to limit SGM's termination rights. On February 19, 2019, the Court approved the renegotiated APA.[3]

The renegotiated provisions pertain to SGM's ability to terminate the transaction in the event that the California Attorney General (the "Attorney General") sought to impose conditions on the sale that were not substantially consistent with those conditions that SGM had agreed to accept (the "Purchaser Approved Conditions"). In the event that the Attorney General sought to impose conditions materially different from the Purchaser Approved Conditions (the "Additional

Conditions"), the APA provides the Debtors an opportunity to obtain a determination from the Court that the Hospitals can be sold free and clear of the Additional Conditions under § 363(f) of the Bankruptcy Code (an order granting such relief, the "Supplemental Sale Order").

The Court entered the Supplemental Sale Order on November 14, 2019.[4] The Attorney General has waived his right to appeal the Supplemental Sale Order.[5] All other parties with standing to appeal the Supplemental Sale Order have waived their right to appeal.

The APA provides that once the Supplemental Sale Order becomes final and non-appealable, SGM "shall consummate the Sale provided that all other conditions to closing have been satisfied." APA at ¶ 8.6. Because all parties with standing to appeal have waived their rights to do so, the Supplemental Sale Order is now final and non-appealable. Provided that all other conditions to closing have been satisfied, SGM is obligated to promptly close the sale.

The Court conducted a hearing to resolve SGM's objections to the form of the Supplemental Sale Order on November 13, 2019.[6] At the hearing, SGM argued that entry of the Supplemental Sale Order did not obligate it to close the sale. SGM asserted that under § 8.6 of the APA, it had 21 business days to evaluate, in the exercise of its reasonable business judgment, whether the Supplemental Sale Order was acceptable (the "Evaluation Period").

SGM's argument that it is entitled to the Evaluation Period is not well taken. Under the plain language of the APA, SGM is entitled to the Evaluation Period only if the Supplemental Sale Order is the subject of a pending appeal:

> If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or

> the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. *If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied.*

APA at ¶ 8.6 (emphasis added).

At the February 6, 2019 hearing on approval of the APA, SGM made clear that the purpose of the Evaluation Period was to prevent it from being required to close the sale if there was a risk that the Supplemental Sale Order could be overturned on appeal. SGM further stated that it would be required to close the sale if the Supplemental Sale Order became final and non-appealable:

> So, what we have done now is negotiate something less in our discretion. And the way this will work is the following. In the event that the AG comes out with what we call, "Additional Conditions," meaning those that are not set forth on the schedule, and assuming that they are material, and we've defined what we mean by "material."
>
> The Debtor has an opportunity to come to court and attempt to get the Court to determine that those conditions don't have to be satisfied because they're "interests" and the sale can be free and clear.
>
> If the Court—if the Debtor decides not to seek that relief, or if the [Debtor] seeks it and doesn't get it, we have a right to terminate. We don't have to, but we at least would have a right at that point to terminate based upon the imposition of these Additional Conditions.
>
> If the Debtor is successful in obtaining that order, then we have to deal with the appeal risk, which is, again, very difficult to quantify. So what we've agreed on is that the Debtor is going to have a period of time to get us … a final non-appealable order.
>
> *If the Debtor can get us a final, non-appealable order, meaning that if there's an appeal, it gets resolved in the Debtor's favor or maybe gets dismissed, at that point we will be obligated to close the transaction, as long as all the other conditions to closing have been satisfied.*

Transcript of February 6, 2019 Hearing at 20:7–21:6 (emphasis added).[7]

SGM is judicially estopped from contending that it is entitled to the Evaluation Period and is not obligated to promptly close the sale.[8] As the Supreme Court has held:

> "[W]here a party assumes a certain position in a legal proceeding, and succeeds in maintaining that position, he may not thereafter, simply because his interests have changed, assume a contrary position, especially if it be to the prejudice of the party who has acquiesced in the position formerly taken by him." This rule, known as judicial estoppel, "generally prevents a party from prevailing in one phase of a case on an argument and then relying on a contradictory argument to prevail in another phase."

---

[7] Doc. No. 1570.

[8] The Court's discussion assumes that all other conditions to closing have been satisfied.

New Hampshire v. Maine, 532 U.S. 742, 749, 121 S. Ct. 1808, 1814, 149 L. Ed. 2d 968 (2001) (internal citations omitted).

The Court declined to approve the original form of the APA because it found that SGM's termination rights were too expansive. The Court approved the APA only after the inclusion of the provision requiring SGM to close the sale if the Debtors obtained a final, non-appealable Supplemental Sale Order. SGM received a number of benefits under the APA, including a breakup fee and consultation rights in the event an auction was conducted. Having received benefits under the APA, SGM is judicially estopped from contradicting its prior representations regarding its obligation to close the sale.

B. The Continuance Motion is Granted

To the extent that the Continuance Motion was motivated by the dispute regarding SGM's obligations under § 8.6 of the APA, that dispute has been rendered moot by the findings set forth above. However, several objections to the Disclosure Statement Motion have been filed, and the Debtors have not yet had an opportunity to file a Reply to these objections. For that reason—and that reason alone—the Continuance Motion is granted.

The hearing on the Disclosure Statement Motion is **CONTINUED** from November 20, 2019, at 10:00 a.m. to **November 26, 2019, at 10:00 a.m.** The Debtors' Reply in support of the Disclosure Statement Motion shall be filed by no later than **November 21, 2019**.

The Court will enter an order consistent with this Memorandum of Decision.

I. Introduction

At the above-captioned date and time, the Court conducted a Status Conference regarding the Asset Purchase Agreement (the "APA") under which Strategic Global Management ("SGM") agreed to purchase the Debtors' four remaining hospitals (the "Hospitals," and the sale transaction, the "SGM Sale"). For the reasons set forth below, the Court finds that as of November 19, 2019, all conditions precedent to SGM's obligation to close had been satisfied.

Accordingly, pursuant to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019.

II. Findings and Conclusions

A. Adjudication of SGM's Obligations Under the APA Does Not Require an Adversary Proceeding

At the outset, the Court rejects SGM's contention that the Court is required adjudicate issues pertaining to SGM's obligations under the APA within the context of an adversary proceeding. SGM asserts that not all conditions precedent to closing have been satisfied. Specifically, SGM maintains that the Debtors have failed to comply with certain of the conditions and obligations imposed upon them by the APA, and that these alleged failures to perform have resulted in a Material Adverse Effect under the APA, relieving SGM of its obligation to close.

SGM is not obligated to close unless all the conditions precedent set forth in Article 8 have been satisfied. Among the conditions precedent is Article 8.4, which provides:

> Sellers [the Debtors] shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; provided, however, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

The APA provides that "any dispute between Purchaser [SGM] and Sellers [the Debtors] as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court." APA at Art. 9.1(c). Nothing within Article 9.1(c) requires that the determination contemplated therein occur through an adversary proceeding. In contrast, Article 8.6 provides that any dispute pertaining to certain aspects of that article "shall be determined by the Bankruptcy Court only in the context of an adversary proceeding." The absence of comparable language in Article 9.1(c) undercuts SGM's contention that disputes under that article must be determined through an adversary proceeding.

Bankruptcy Rule 7001[1] provides that the following matters are adversary proceedings:

1) a proceeding to recover money or property, other than a proceeding to compel the debtor to deliver property to the trustee, or a proceeding under §554(b) or §725 of the Code, Rule 2017, or Rule 6002;
2) a proceeding to determine the validity, priority, or extent of a lien or other interest in property, but not a proceeding under Rule 3012 or Rule 4003(d);

---

[1] Unless otherwise indicated, all "Civil Rule" references are to the Federal Rules of Civil Procedure, Rules 1–86; all "Bankruptcy Rule" references are to the Federal Rules of Bankruptcy Procedure, Rules 1001–9037; all "Evidence Rule" references are to the Federal Rules of Evidence, Rules 101–1103; all "LBR" references are to the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California, Rules 1001-1–9075-1; and all statutory references are to the Bankruptcy Code, 11 U.S.C. §§ 101–1532.

3) a proceeding to obtain approval under §363(h) for the sale of both the interest of the estate and of a co-owner in property;
4) a proceeding to object to or revoke a discharge, other than an objection to discharge under §§727(a)(8), 1 (a)(9), or 1328(f);
5) a proceeding to revoke an order of confirmation of a chapter 11, chapter 12, or chapter 13 plan;
6) a proceeding to determine the dischargeability of a debt;
7) a proceeding to obtain an injunction or other equitable relief, except when a chapter 9, chapter 11, chapter 12, or chapter 13 plan provides for the relief;
8) a proceeding to subordinate any allowed claim or interest, except when a chapter 9, chapter 11, chapter 12, or chapter 13 plan provides for subordination;
9) a proceeding to obtain a declaratory judgment relating to any of the foregoing; or
10) a proceeding to determine a claim or cause of action removed under 28 U.S.C. §1452.

SGM contends that a determination of whether a Material Adverse Effect has occurred is "a proceeding to recovery money or property," "a proceeding to obtain an injunction or other equitable relief," and/or "a proceeding to obtain a declaratory judgment relating" to any of the types of proceedings set forth in Bankruptcy Rule 7001(1)–(8). SGM is mistaken.

First, adjudication of whether a "Material Adverse Effect" has occurred is not "a proceeding to recover money or property." Instead, such adjudication involves interpretation of a contract (the APA). It is true that a determination that there has been no Material Adverse Effect and that SGM is obligated to close the sale would require SGM to perform under its agreement to purchase the Hospitals. The fact that performance would require SGM to transfer money to the Debtors (the purchase price for the Hospitals) does not transform the "Material Adverse Effect" issue into a "proceeding to recovery money or property" within the meaning of Bankruptcy Rule 7001(1). SGM voluntarily chose to execute the APA and serve as the stalking horse bidder for the Hospitals for a purchase price of $610 million, subject to various adjustments. A determination requiring SGM to follow through on its commitments is very different from the typical actions brought under Bankruptcy Rule 7001(1)—such as proceedings to avoid preferences under § 547, proceedings to avoid fraudulent transfers under § 548, or proceedings to set aside post-petition transfers under § 549.

Second, adjudication of the "Material Adverse Effect" issue is not "a proceeding to obtain an injunction or other equitable relief." A determination setting forth SGM's obligations under a contract which it executed (the APA) is not an injunction or a form of equitable relief.

Third, adjudication of the "Material Adverse Effect" issue is not "a proceeding to obtain a declaratory judgment" relating to any of the types of proceedings set forth in Bankruptcy Rule 7001(1)–(8). Interpretation of the APA does not fall within the scope of any of the types of proceedings set forth in Bankruptcy Rule 7001(1)–(8). Therefore, a declaration of SGM's obligations under the APA does not fall within the ambit of Bankruptcy Rule 7001(9).

B. Adjudication of SGM's Obligations Under the APA Is Not Premature

SGM asserts that the issue of whether it has performed its obligations under the APA is not yet properly before the Court, and that the Debtors' request for a determination as to this issue is premature. SGM states that it has not yet decided whether it will close the SGM Sale. According to SGM, a case or controversy will arise only after SGM makes a final determination that it will not close the SGM Sale.

SGM is incorrect. SGM has made representations to the Debtors that provide reasonable grounds for the Debtors to doubt that SGM will fulfill its obligations under the APA. (The contents of those representations are not discussed herein because they have been presented to the Court under seal.) In response to the Debtors' demand for written assurance that SGM would fulfill its obligations, SGM sent the Debtors two letters casting further doubt upon whether it would perform under the APA (the "Nov. 22 Letters").[2] SGM's actions have given rise to a case or controversy.

The Court further notes that although SGM presented its ripeness argument in a document captioned as a reservation of rights,[3] SGM's submission was in reality an opposition to the Debtor's assertion that all conditions precedent to SGM's obligation to close have been satisfied. The Nov. 22 Letters also qualify as an opposition to the Debtors' assertions regarding SGM's obligation to close. The Nov. 22 Letters contain 19 single-spaced pages of legal argument and 38 pages of supporting exhibits. SGM's arguments regarding its obligations under the APA have been fully presented to the Court.

Finally, and as further discussed in Section II.D., below, the Court finds that SGM's contention that it is not obligated to close is a cynical attempt to extract a better purchase price. A key component of SGM's negotiation strategy is its attempt to delay as long as possible the adjudication of its obligations under the APA. The Court will not facilitate SGM's dubious tactics.

C. SGM Is Not Entitled to Appeal the Bankruptcy Court's Determination Regarding a Material Adverse Effect

SGM received substantial benefits under the APA, including the right to receive a breakup fee in the event that it was outbid and consultation rights in the event that an auction of the Hospitals occurred. In exchange for receiving those benefits, SGM waived certain rights, including its right to appeal any determination made by the Bankruptcy Court with respect to the occurrence of a Material Adverse Effect.

As noted, the APA provides that "any dispute between Purchaser [SGM] and Sellers [the Debtors] as to whether a Material Adverse Effect has occurred for any purpose under this Agreement *shall be exclusively settled* by a determination made by the Bankruptcy Court." APA at Art. 9.1(c). This provision means that only the Bankruptcy Court, and no other court (including any appellate court), is entitled to determine Material Adverse Effect issues.

D. No Material Adverse Effect Has Occurred

As set forth above, SGM alleges that the Debtors have failed to comply with certain of the conditions and obligations imposed upon them by the APA, and that these alleged failures to perform have resulted in a Material Adverse Effect, relieving SGM of its obligation to close. This Memorandum of Decision does not discuss SGM's allegations in detail, as doing so would damage the estates by adversely affecting (1) the Debtors' efforts to close the SGM Sale and (2) the Debtors' ability to maximize the value of the Hospitals in the event the SGM Sale does not close.

---

[2] The Nov. 22 Letters have also been filed under seal.

[3] Doc. No. 3701.

Under Section 8.4 of the APA, SGM is excused from its obligation to close only if (1) the Debtors have failed to perform their obligations under the APA and if (2) such failure to perform has resulted in a Material Adverse Effect.

The APA's definition of "Material Adverse Effect" is very brief. Under the APA, a "Material Adverse Effect" is "a material adverse effect upon the Hospitals, taken as a whole …." APA at Art. 2, Preamble.

"Material Adverse Effect" is a term of art routinely used in asset purchase agreements of the type at issue here. The parties' use of a term of art, combined with their decision to define the term with only minimal detail, shows that the parties intended to rely upon the definition of the term contained in applicable caselaw.

The APA is governed by California law, except to the extent that California law is superseded by the Bankruptcy Code or other applicable federal law. APA at Art. 12.3. California law on the meaning of a material adverse effect clause—sometimes known as a material adverse change clause—is not well developed. The few cases which do address material adverse effect clauses view their enforcement with disfavor. For example, in *1601 McCarthy Blvd., LLC v. GMAC Comm'l Mortg. Corp.*, 2005 WL 4859147 (Cal. Super. Ct. June 1, 2005), the court held that a loan servicer's invocation of a material adverse effect clause to avoid its obligation to disburse funds to a borrower was an "unfair business practice or act," because the servicer "used the material adverse change clause as a lever against [the borrower] to retain control over the borrower's … funds." *McCarthy Blvd.*, 2005 WL 4859147 at *¶ 59. The court found:

> [L]enders rarely employ—and even less frequently invoke and enforce—this type of broad-based material adverse change clause in commercial real estate transactions…. And even when they are invoked, … lenders only use the clause as a tool to "bring the borrower to the table, use it as lever against the borrower, or ... a club against the borrower to modify the loan or change the loan." There is no evidence in the record that the material adverse change clause in the Deed of Trust benefits any side but the lender, or serves any other purpose than to threaten the borrower with dire consequences….
>
> The record supports Mr. Greenwald's opinion that broad-based material adverse change clauses are rarely used, and in those rare instances when they are, they are placed in deeds of trust purely for their in terrorem effect and not with any genuine intention to invoke them.

Id. at ¶¶ 59 and 68.

Although the APA is governed by California law, Delaware cases interpreting material adverse effect clauses are helpful persuasive authority. A significant amount of the litigation over the enforcement of asset purchase agreements occurs before Delaware courts, and the Delaware caselaw interpreting material adverse effect clauses is well developed.

In *In re IBP, Inc. Shareholders Litigation*, the court rejected purchaser Tyson Foods' claim that it was not required to consummate a merger because of a material adverse effect. The court held:

> [A] buyer ought to have to make a strong showing to invoke a Material Adverse Effect exception to its obligation to close. Merger contracts are heavily negotiated and cover a large number of specific risks explicitly. As a result, even where a Material Adverse Effect condition is as broadly written as the one in the Merger Agreement, that provision

> is best read as a backstop protecting the acquiror from the occurrence of unknown events that substantially threaten the overall earnings potential of the target in a durationally-significant manner. A short-term hiccup in earnings should not suffice; rather the Material Adverse Effect should be material when viewed from the longer-term perspective of a reasonable acquiror.

In re IBP, Inc. Shareholders Litig. (IBP, Inc. v. Tyson Foods, Inc.), 789 A.2d 14, 68 (Del. Ch. 2001).

In *Hexion Specialty Chemicals, Inc. v. Huntsman Corp.*, 965 A.2d 715, 738 (Del. Ch. 2008), the court reiterated that a "buyer faces a heavy burden when it attempts to invoke a material adverse effect clause in order to avoid its obligation to close."

Assessment of the occurrence of a Material Adverse Effect must take into account the $610 million purchase price for the Hospitals. To prevail upon its assertion of a Material Adverse Effect, SGM would be required to show the occurrence of unexpected events which have substantially reduced the value of the Hospitals. Here, representative examples of a "Material Adverse Effect" under Article 8.4 of the APA would include the Debtors' failure to maintain the Hospitals' licensure, or the Debtors' operation of the Hospitals in a manner that caused regulatory authorities to close key departments within the Hospitals, such as the emergency department or pharmacy.

None of SGM's allegations come even close to showing a Material Adverse Effect. Even if all the allegations are true (a finding the Court does not make), SGM would not be excused from closing the sale under Article 8.4 of the APA.[4]

SGM's invocation of the APA's Material Adverse Effect provision is not well taken. The Court has previously made clear that the closing of the SGM Sale is the lynchpin of the Debtors' plan of liquidation; that if the SGM Sale does not promptly close, the most likely outcome will be the closure of three of the four Hospitals; and that the prompt closing of the sale is critical to the estates' liquidity position.[5] SGM is well aware that it was the only bidder for the Hospitals. By presenting non-meritorious arguments as to why it is not obligated to close, SGM is holding the estates, creditors, and patients of the Hospitals hostage in an attempt to extort a better purchase price. SGM's cynical tactics are especially offensive given the significant harm that closure of the Hospitals would impose upon patients. For example, two of the Hospitals that

[4] Had SGM presented its allegations by way of an adversary complaint, the Court would dismiss such a complaint under Civil Rule 12(b)(6) for failure to state a claim upon which relief could be granted.

[5] *See* Memorandum of Decision Granting Debtors' Emergency Motion to Enforce the Sale Order (the "Sale Enforcement Memorandum") [Doc. No. 3446] at 3–4 and Memorandum of Decision (1) Finding that SGM is Obligated to Promptly Close the SGM Sale Under § 8.6 of the APA, Provided that All Other Conditions to Closing Have Been Satisfied and (2) Granting Debtors' Motion for a Continuance of the Hearing to Approve the Disclosure Statement [Doc. No. 3632]. The Sale Enforcement Memorandum was subsequently vacated pursuant to a stipulation between the Debtors and the California Attorney General (the "Attorney General"), under which the Attorney General agreed not to pursue an appeal in exchange for vacatur of the Sale Enforcement Memorandum. Doc. No. 3599. Notwithstanding such vacatur, the Sale Enforcement Memorandum's findings regarding the importance of consummation of the SGM Sale remain valid.

would likely close upon failure of the SGM Sale contain large populations of long-term patients suffering from severe illnesses, all of whom would have to be relocated to other facilities.

E. All Conditions Precedent to Closing Have Been Satisfied

The Court has previously found that the condition precedent to closing set forth in Article 8.6 of the APA has been satisfied.[6] All other conditions precedent to closing were satisfied as of November 19, 2019. On that date, the Debtors obtained a settlement with the Centers for Medicare and Medicaid Services providing for the transfer of their Medicare Provider Agreements to SGM, thereby satisfying their remaining obligations under Article 8.7 of the APA.[7]

Article 1.3 obligates SGM to close the sale "promptly but no later than ten (10) business days following the satisfaction" of all conditions precedent. As all conditions precedent were satisfied on November 19, 2019, SGM is obligated to close the sale by no later than December 5, 2019.

III. Conclusion

Based upon the foregoing, the Court finds that all conditions precedent to SGM's obligation to close the SGM Sale have been satisfied. Pursuant to Article 1.3 of the APA, SGM is obligated to close by no later than December 5, 2019. The Court will enter an order consistent with this Memorandum of Decision.

No. 3632].

[7] Article 8.7 also obligates the Debtors to transfer their Medi-Cal Provider Agreements to SGM pursuant to a settlement agreement with the California Department of Health Care Services (the "DHCS"). The Debtors materially complied with Article 8.7 by obtaining an order authorizing the transfer of the Medi-Cal Provider Agreements free and clear of any interest asserted by the DHCS. *See* Order Authorizing Debtors to Sell Medi-Cal Provider Agreements, Free and Clear of Interest Asserted by the California Department of Health Care Services, Pursuant to §§ 363(b) and (f)(5) [Doc. Subject: Verity

[External Sender]

Sonia; as you are aware, SGM has filed a notice of appeal from the Bankruptcy Court's order of November 14, 2019 regarding Verity's emergency motion. We understand your position regarding the "finality" of that order and we respectfully disagree as our client had standing to appeal to order entered by the court, notwithstanding the fact that SGM did not oppose the underlying emergency motion. Ultimately the appellate court will decide this issue.

In the meantime, so that there is no confusion or misunderstanding about SGM's position on this issue, the 21 business days evaluation period under section 8.6 began on November 14; that means, if my review of the calendar is correct, the 21 business days to respond under section 8.6 will not expire until December 16, 2019.

(Call to order of the Court.)

THE CLERK: Please rise and come to order. This Court is now in session. The Honorable Ernest Robles, presiding.

THE COURT: Good morning. Be seated, please.

(Pause while the Court heard other matters.)

THE COURT: All right. Let's hear the Verity related matters, item 10 and following. We'll take appearances, first in the courtroom.

MR. MAIZEL: Good morning, your Honor. Samuel Maizel, Dentons US LLP, on behalf of the Debtor.

Your Honor, we'd ask the Court's indulgence. There are ongoing discussions between the secured lenders and the buyer based on the tentative. And we'd ask if the Court would continue this for 30 minutes, and give us an opportunity to see if we can't resolve some of the issues before we go forward.

THE COURT: All right. I appreciate that. Just let us know when you're ready to proceed.

MR. MAIZEL: Thank you, your Honor.

THE COURT: Thank you.

(Proceedings briefly recessed.)

THE CLERK: Please remain seated and come to

order. This Court is again in session.

THE COURT: We have a matter on the 11:00 o'clock calender, item 100, but before we get to that, I'm given to understand that the Verity matter has requested up to around 1:00 o'clock.

So if you're here on the Verity matter, I don't think there's any reason for you to have to stay. We probably won't actually reconvene until about 1:30 or so.

MR. WISLER: Good morning, your Honor. Jeffrey Wisler on behalf of Cigna Health and Life Insurance Company, and other Cigna entities.

Your Honor, you ruled in -- you sustained our objection in the tentative. I confirmed with Mr. Maizel this morning that he was not challenging that, but they may have changed. And if I don't catch my 2:00 o'clock flight, then I'm here for an extra day, which I'd prefer not to do.

So, I'd like to have an opportunity to ask Mr. Maizel that. And if your Honor wants to address everything together, because it's all moot if the lenders don't agree, then I understand, your Honor. I will stay.

THE COURT: Well, let's do this. I don't know if they're in the building somewhere. If you know --

MR. WISLER: Understood, your Honor.

THE COURT: If you just catch them and you can come back here and make your representation about whether we

have to go forward or not. I'll be here, so you can just come in --

MR. WISLER: One way or another.

THE COURT: That's right.

MR. WISLER: Understood, your Honor. Thank you very much.

THE COURT: Thank you.

All right. Just a moment.

(Pause while the Court heard other matters.)

Anyone else? All right.

Let's go forward then. Item 10.

Mr. Maizel.

MR. MAIZEL: Your Honor, first of all, on behalf of all the parties I'd like to thank the Court for its

patience. I think a lot of work was done over the last few hours in the cafeteria. We basically took over half of it. And I think we've reached agreement, amongst at least some of the parties, on the issues raised in the tentative.

And I also want to thank all the other parties who were waiting a while, because the discussions, honestly, were almost all related to the objections by the committee and the secured lenders, and the Court's tentative rulings on those issues. And I know there were a lot of people just waiting for that, and I appreciate their patience. I know this can be a tedious task sometimes.

THE COURT: Yes.

MR. MAIZEL: So I'd like to turn to the two primary issues raised in the Court's tentative from the Debtor's perspective. And if we could go through those first, and then I know there are parties who will want to raise issues raised in the tentative as well, but I think since those are the two key issues, in terms of going forward at all.

Because, honestly, without resolution on the Court's tentative ruling with regard to paragraph 8.6 and the breakup fee, there would be no bid procedures motion to go forward for the rest of those matters.

So, with regard to 8.6, which -- first let me explain why this appears at all. The Court is very familiar

with the Attorney General's ability to interpose into the sales of not-for-profit hospitals even in bankruptcy cases. The Attorney General's activities in both the Gardens case and in this case to date, has not surprisingly created concerns among the prospective buyer pool. And SGM, Strategic Global Management, is not unique or alone in that regard.

Paragraph 8.6 came into the asset purchase agreement fairly late in the process because of those concerns, and as certainly exemplified by the Attorney General's continuing efforts through its appeal of the Court's order with regard to the Santa Clara sale.

So, we have read the tentative carefully. There was lengthy discussion between the buyer, the secured lenders and the creditor's committee. And we have a proposal for language which we think satisfies, we hope, will satisfy the Court's concern about the broad discretion provided to the buyer. And this is language that the secured creditors and the Debtor have agreed to. I'll leave the creditors committee to explain their position.

And if I could approach, I can hand you a copy.

THE COURT: Very well. Thank you.

(Pause.)

MR. MAIZEL: Your Honor, if the -- if nothing else, old 8.6 and new 8.6, you'll notice that there's -- and

new 8.6 is considerably longer. That is the result of discussions that actually began right after the tentative was issued, and continued this afternoon and -- this morning and this afternoon.

There's two things that I would say that I think address the Court's concern. In the old section 8.6, it had the language that in the purchaser's sole and absolute discretion, within 21 days, business days after the entry of an order, doing basically, clearing off the AG conditions, the purchaser still had sole and absolute discretion to -- to decide whether to proceed.

And the Court's tentative made clear that the Court, at least seemed to make clear to us, that the Court was concerned about such a broad grant of discretion to the purchaser.

In the new 8.6, that discretion is now materially changed so that, first of all, it now has to be an exercise of the purchaser's reasonable business judgment, which we think is significantly different language. Reasonable business judgment obviously allows the parties, if they disagree, to come to court and to see if it is reasonable or not.

And then, in addition, there's a period of at least 90 days for each appeal, where based on the Debtors, can decide to extend this evaluation period to allow us to

deal with appeals, so the buyer does not have the discretion in those circumstances to walk.

There's a lot of additional language, we believe reining in the buyer's discretion, but in terms of dealing with the tentative's ruling, I think those two salient points significantly now restrict the buyer's discretion to, whether to proceed or not in the context of a sale.

And so I, at this time, I think I'll let Mr. Klausner address 8.6. And I think it might be best to go through 8.6 alone with that the -- it would be my thought, your Honor --

THE COURT: Right.

MR. MAIZEL: -- that the best way to approach it is, let's deal with 8.6 first, because depending on where that goes depends on where the rest of this hearing goes.

THE COURT: All right. Very well.

Mr. Klausner.

MR. KLAUSNER: Thank you. Your Honor, do we need to give you a few more minutes to take a look at 8.6, or should --

THE COURT: Well, I think it would help if you go ahead and begin your argument. And if we need additional time to consider it --

MR. KLAUSNER: Okay.

THE COURT: -- we can do that.

MR. KLAUSNER: So, if I can, because I do want to put this in context. And first of all, let me tell you a little bit about Strategic Global, which is an affiliate of a larger organization called The KPC Group.

Starting in 2007 I was representing an entity called Valley Health System, which was a healthcare district, in a Chapter 9 case that was in Riverside County in front of Judge Peter Carroll. During the course of that case, the board of trustees decided that the best course of action to take was for the district to sell the three hospitals it was then operating.

So, we went through a sale process, and an entity that's affiliated with KPC called PHH, was Physicians for Healthy Hospitals, was the successful bidder. We had a contested confirmation hearing where there was a competing bidder who was arguing against our plan and against the sale. Ultimately, Judge Carroll approved our Chapter 9 plan of adjustment and he approved the sale.

PHH, the affiliate of the KPC Group, then went ahead and closed the sale, and has continued to operate those facilities and has turned them around successfully.

I also had occasion to work with the KPC people in connection with the Victor Valley Chapter 11 case, in which Mr. Maizel was debtor's counsel. I represented the KPC Group that was a purchaser. And in that case, there was

another purchaser there. The sale went up for approval to the Attorney General. The Attorney General turned them down. We were then the backup bidder. We stepped forward. My client went ahead and closed that transaction.

By the way, the Valley Health transaction was in excess of $100,000,000. I don't remember the exact number of Victor Valley. But in that case, your Honor, our client did close that transaction. Our client was approved by the Attorney General. Our client successfully met all of the conditions that the Attorney General had set forth.

Our client also was involved in the purchase of two troubled Orange County hospitals, which it not only turned around, but in 2015, again, the affiliate of KPC Group, sold those hospitals to four employee stock ownership plans, ESOP's. And I believe it was the first acute care hospital system in the United States to be wholly owned by the employees. And KPC continues to operate those facilities.

The point of all this being, that our client is very familiar with not only the ownership and management of hospitals in Southern California, but has a very good track record with the Attorney General's office.

So I want to turn to 8.6 and maybe put it in context. Our client has agreed as part of the asset purchase agreement to a schedule of conditions. These are

conditions, some of which were originated in the 2015 transaction, which the Attorney General approved, and then set forth a slate of conditions that had to be satisfied over a period of time.

Our client went through that slate of conditions and it actually agreed and consented to the imposition of a fairly substantial amount of those conditions, all of which are contained on what is now called, "schedule 8.6."

So, the issue came up, which is, well, how do we deal with the fact that the Attorney General several months down line, as you know from the Gardens case, the process of getting approval from the Attorney General takes months.

And by the way, I should add that in the Gardens case, Strategic Global was the successful bidder following the auction. Strategic Global did step up and took care -- and assumed the DIP loan. And it was only by virtue of the AG's imposition of some very draconian conditions, that Strategic Global did not conclude that sale.

So we're all familiar with the possibility that the Attorney General can impose conditions on approval of a sale of a non-profit. So we had to confront the question of, how would we handle the possibility that the AG would impose conditions, and some of these conditions, your Honor, can be quite extraordinary, involving 10's of millions of dollars or even more. So, the imposition of these

conditions can entirely the economics of a purchase transaction.

And the Debtor, having been through -- or at least Debtor's representatives having been through this process and having seen sales fail, wanted to try to avoid that happening here.

So we spent a great deal of time trying to negotiate for the possibility, because we don't know what will happen, that the AG might impose conditions that are unacceptable to our client.

And we came up a concept, which is, that the Debtor would go to this Court and seek an order determining that what we call the "additional conditions," were considered interest for purposes of 363(f), and that the sale of assets could take place free and clear of those interests, at which point our client would then be expected to close.

The concern that we expressed at that time and the concern that continues through now, the concern isn't so much whether the Court would enter the order, because either the Court would enter the order, or if it didn't, the show's over.

The problem is that was there was nothing that addressed the possibility that this Court's order could be subject to an appellate review, and then an appellate court

could decide that, to some extent, this Court may have exceeded its authority, and that perhaps it would be more appropriate to impose conditions. There was nothing in the agreement that protected our client from the possibility that that would happen.

So, if we were obligated to close after the entry of an order of this Court, we would be entirely at risk of an appellate ruling. We would have closed the sale. We would have paid 610,000,000, or some adjusted amount. Our lender would have advanced money.

And we would be arguing about mootness and other issues, but the fact remains that there was nothing in the agreement that was a backstop. There was no legal opinion suggesting that an appellate court could not modify this Court's order. There's no indemnity. There was no bond. There's no set aside. There was no recourse whatsoever.

So --

THE COURT: I understand that risk, and I saw that. And is that any different than somebody who buys a house in bankruptcy and they don't have an opportunity to inspect the roof? You know, they don't know what's going to happen. Isn't that in the price, that risk?

MR. KLAUSNER: This price did not reflect that at all. And, you know, people who buy houses can at least get inspections, so they know going in what they are facing.

They also get title policies.

THE COURT: Not in bankruptcy. It's as-is, where-is. You don't get a chance to get your money back.

MR. KLAUSNER: Well, but you can get an inspection. I mean, you can pay. A buyer can certainly go out and hire an inspector to go and take a look at property. It may be that the court order doesn't provide warranties or guarantees or representations, but a buyer certainly has the opportunity to spend some money and allocate risk differently, or at least --

THE COURT: Well, I suspect your client probably has done the same. And has independently determined what the risks are and the dollar value of these additional conditions.

You've outlined for me a number of transactions that your client has been involved in with the State Attorney General's Office, and I'm sure it has that knowledge.

MR. KLAUSNER: It's impossible to know. The process is that an application is filed with the Attorney General. The Attorney General conducts its own review. It may even have public meetings or public hearings, and the Attorney General renders a decision.

There is no way to predict or negotiate in advance how the Attorney General will react to the application, or

what type of conditions it might impose. And the delta of the possible conditions and the costs is unquantifiable. The -- it could involve anything from earthquake retrofit to having to provide a certain amount of charity care, to having to build an obstetrical wing, to having to rebuild the facility. There is no way to anticipate or quantify the potential costs that could be involved in having to comply with AG conditions.

So, there's one of two things you can do. You can negotiate in the beginning and say, okay, let's set aside $100,000,000, and let's see what the AG does. And if it costs us a certain amount of money, we'll have a fund available, and that will reduce our purchase price, but we'll apply that money to pay, you know, these costs.

Or what we -- we didn't -- we knew we couldn't achieve that, and, frankly, we didn't want to lower our price. We thought our price was a fair price, but we have to have a backstop.

So, what we agreed to was, initially, that once the Court -- assuming the AG came out with conditions that were unacceptable. Assuming that the Debtor decided to make a motion, which it didn't have an obligation to do, assuming that the Court granted the motion, which, you know, is, certainly you don't want to prejudge what would happen, we would then take a look at the circumstances.

We'd see what we were left with, we would see what the Court's ruling was, talk to the AG. We would determine whether it made sense for us to go ahead. That's why we reserved discretion. We understood that the Court was not comfortable with the fact that we could get that far down the road and have kind of an absolute walkaway right.

So, what we have done now is negotiate something less in our discretion. And the way this will work is the following. In the event that the AG comes out with what we call, "additional conditions," meaning those that are not set forth on the schedule, and assuming that they are material, and we've defined what we mean by "material."

The Debtor has an opportunity to come to court and attempt to get the Court to determine that those conditions don't have to be satisfied because their interest in the sale can be free and clear.

If the Court -- if the Debtor decides not to seek that relief, or if the Court seeks it and doesn't get it, we have a right to terminate. We don't have to, but we at lease would have a right at that point to terminate based upon the imposition of these additional conditions.

If the Debtor is successful in obtaining that order, then we have to deal with the appeal risk, which is, again, very difficult to quantify. So what we've agreed on is that the Debtor is going to have a period of time to get

us a non-appeal -- a final no-appealable order.

If the Debtor can get us a final, non-appealable order, meaning that if there's appeal, it gets resolved in the Debtor's favor or maybe gets dismissed, at that point we will be obligated to close the transaction, as long as all the other conditions to closing have been satisfied.

So, basically, we have taken out of our hands this bat, which was complete discretion with regard to whether we go forward or not. And at this point our ability to go forward is really based on reasonable business judgment, which we think is a fair standard.

We've agreed that this Court can resolve any issue concerning the reasonableness of our business judgment. And in this way we think we have fairly and -- to all sides, sort of compromised the issue of, a, what will happen with the Attorney General, which nobody can predict.

And with all respect, your Honor, we really have no idea what the Attorney General will do in a situation like this, but we have seen them come down with draconian conditions which have killed deals. And then, secondly, we've addressed the issue of an appellate risk.

So, we think this is a fair compromise. The Debtor is onboard with it. We understand that the lenders, who are at least first in line to be getting the sale proceeds and have the most to gain by this transaction going

to forward, and, frankly, the most to lose if this transaction doesn't go forward, they're onboard with it, also.

THE COURT: And is even that backstop illusory though, at least as far as the Debtor's concerned? Because the time to get a final, non-appealable order is not something within the Debtor's ability to guarantee. It could go up to the Ninth Circuit and it could lie there for years.

MR. KLAUSNER: We've agreed on a time line, and the expectation is that the Debtor is first and foremost going to make an argument about mootness. But we did not want to be in a position, none of us did, to be in a position where our client was, had to be ready, willing and able with its financing to close a transaction two-and-a-half years from now. We couldn't do that. And nobody would know what the condition of these facilities will be in two years or whether they'll even be open.

So we, as part of the compromise, gave the Debtor an opportunity to expeditiously resolve these appeals, if there were more than one. There are mechanisms under the rules of the federal district court and the appellate court where you can ask for expedited reviews.

And in our view, the issues to be considered on appeal, primarily issues of law. And, therefore, we think,

we don't know but we think that the time line is one, if the courts are cooperative, it could be achieved.

THE COURT: All right. This is a question, perhaps, for Mr. Maizel. But what happens if you have a bidder, competing bid that says, you know what, we will -- we've been involved in other transactions with the State AG's Office, and we think we have a good handle on what they typically ask for, and we have a handle on what those cost. So, we will go ahead and give you a bid, and you can jettison 8.6. How do you quantify that?

MR. MAIZEL: Your Honor, that's an important consideration. That the Debtor will think about if -- when we're evaluating what's the best bid. I mean, if we have a party that comes in and says, we will accept -- we will offer $600,000,000, $610,000,000, $650,000,000, but we will take on all the AG conditions as currently exist, with no 8.6.

Well, that is going to be a very -- that factor will be heavily weighted by the Debtor in evaluating the bids, just as we have to evaluate a lot of non-monetary aspects, like the ability to operate an acute-care hospital, but consistency of their business plan with our charitable mission. So that if other bidders were to show up and offered that as a factor, that would be a significant consideration in their favor when the Debtors evaluate the

bids.

So that -- but to be fair, your Honor, there were no bidders at prices remotely close to satisfying the secured debt that would accept the AG conditions. That they'd had different provisions about how to deal with those conditions, but there were no bidders that came in at any numbers remotely possible for us to do a transaction, that said, and we'll do this transaction and accept the 2015 conditions.

Very smart people, both at Blue Mountain and NantWorks, who replaced Blue Mountain, labored for four years to try to make these assets work under the financial and operational constraints imposed by the 2015 conditions, and failed.

And buyers -- one of the differences between now and 2015's transaction, is that in 2015 people knew what kinds of conditions the AG could impose, what they might look like, what traditionally they imposed. But now people have had three years of actual trials to see what happens, and the marketplace reflects that, your Honor.

So there were no buyers that were willing to just come in at numbers remotely close to our secured debt that said, and we'll just do this with the conditions. And if there had been, that would have been a significant factor in us selecting a stalking horse bidder. Because we're not

unmindful of the difficulties in moving this case forward with the AG's ability to -- oversight over the sale and the impact on the marketplace.

Your Honor, you know, I just want to follow-up on a comment Mr. Klausner made about the Gardens case. Part of what concerns buyers in the market about these conditions is exemplified by what happened in Gardens. And the Court's aware of it.

But just to remind the Court, I mean, in Gardens the sale price was $19,000,000 approximately. When the Attorney General's conditions came out, they included things, they included conditions such as the debtor or the buyer had to pay the outstanding Medi-Cal claims to the State. They effectively doubled the purchase price.

The -- Mr. Klausner said that the conditions that are already binding here could increase the cost of the purchase by tens of millions of dollars. He's wrong. It's actually hundreds of millions of dollars, because the pension obligations that could be imposed as a condition are in the hundreds of millions of dollars, your Honor.

They literally could double, again, as they did in Gardens, the effective purchase price to a buyer. Under those circumstances, I don't think anyone is surprised that buyers are concerned about that.

With regard to the time lines the Court mentioned,

you know, one of the advantages to having a time line is that we will be able to use it to try to get appellate courts move more quickly. We would be able to use those deadlines to say to the court, you need to take this on an expedited basis because we have these deadlines.

And I think that, at least based on our limited experience in the Gardens case, I think the district court, certainly, and I would expect the Ninth Circuit would be mindful of those risks to us, and would take an appeal on an expedited basis.

THE COURT: All right.

MR. MAIZEL: And I'm sure there are other people, your Honor.

THE COURT: Yes. Mr. Bray.

MR. BRAY: Your Honor, I -- may I go last?

THE COURT: Certainly.

MR. BRAY: Thank you.

THE COURT: All right. Anyone else wish to be heard on the matter of imposition of the conditions of 8.6? All right. You're last.

MR. BRAY: I guess I'm last. That was quick.

Your Honor, this is a tough one for the committee. We filed the objection and everyone has zeroed in on a provision that is certainly the most relevant, section 8.6. It's a very unique provision. I don't claim to be a

healthcare expert, but I've never seen anything like this in the context of a sale. As you pointed out, this is what 363(m) is for and what 363(f) is supposed to solve for.

Having said all that, I acknowledge that this is an unusual case because we have, you know, a party that has tremendous influence over the process, the Attorney General, and it's difficult to predict what they will do. We certainly hope that they do what we hope -- we think is the right thing and allow this to move forward on the conditions set forth in the schedule, but we don't know for sure. And I can't say that that's not a risk.

And the committee has been trying to balance the 363(m), the mootness issues, against the issues that the Attorney General can raise. And with all candor, it really is, we are really very much at the tipping point here.

We worked with the lenders and the Debtor to work within the confines of section 8.6 to modify it, to try to build in some court oversights over the decision-making process by the purchaser.

We've tried to put some collars into this to make it, potentially, a better structure. It's not perfect, but having said that, again, this is not -- we're not living in a perfect environment here and we understand that. And it's a question of allocation of risk.

Our concern at the end of the day is that where

this will take us is to a purchase price adjustment. And that right now the purchase price is structured where the current purchase price, when you work through a very rough analysis of value allocation, unsecured creditors stand to recover an allocation, or some value or distribution in the case based upon this purchase price.

And, of course, we have a very real concern that when the purchase price adjustment discussions occur, that unsecured creditors will be asked to bear the brunt of the reduction. First dollars out means there's less for us.

I recognize the lenders have a collateral interest and so on, but right now, we're in the money, or at least we think we're in the money. I'm not going to promise it, but that's what we tend to think. I think the Debtor thinks there's a chance of that, too. And we want to try to protect that. That's been our primary goal here, is to make sure that unsecured creditors are treated fairly and receive a fair distribution.

As I've said since the first hearing in this case, we believe it's appropriate at the proper place and time for there to be a reckoning or allocation of relative benefits and risk. The Court had its view with respect to surcharge, and I respect that. And that is what it is. But if the day does come when the Debtor comes before the Court on a motion to modify, probably reduce the purchase price, if SGM is the

successful bidder, we will be before you asking you to consider who's bearing the brunt of the allocation of the purchase price, and if there shouldn't, in fact, be some equitable allocation of the relative pain being borne there as part of the Court's decision to allow or not allow the deal to go forward on a revised purchase price. That's our primary focus right now.

As the Debtor has said, we've done what we can -- and I know I'm repeating myself a little bit, too, to belt-and-suspenders the other provisions. At this point in time I don't think there's anything more that we can do. The administrative burden on the estate every day we operate the case is, it's a lot. It makes sense to sell these hospitals as quickly as we can.

You raised the excellent point, what happens if there's an auction and we have another bidder who doesn't have a section 8.6 like provision? We hope that's the case, and we hope that's the case, and we hope it's a good purchase price.

And the committee's one of the consultation parties, and I suspect we would lobby hard for that offer to be accepted. You'll have to weigh different factors, but we would consider that to be a very significant factor. Maybe there will be a fight about that, maybe there won't. I believe the Debtor when they say that they believe that

that's a significant issue, too, and it will be factored into the decision-making process. That may be a pleasant problem to have. I hope that we're there.

At this time it's -- I think we would like to see the auction proceed and let's see what happens. But, again, we have very significant concerns about whose ox will be gored when the actual closing time comes.

And we just hope that the Court is mindful of how the process is playing out, and where that risk is being shifted as part of this process. That's for another day. We're not asking you to rule on that today. We've had our discussion with the lenders about that. They know exactly how we feel about this, and there may well be a fight about it down the road. We'll see. But that's where the committee is.

I think that the deal is not going to be improved with SGM at this point. In terms of section 8.6, this is the best we're going to do. And unless you have any questions, your Honor, I think that's what we want to say about it.

THE COURT: All right.

Anything further on that?

MR. MAIZEL: Sorry, your Honor, to belabor the point. First of all, we're mindful of our fiduciary duties to the creditors. We -- everyone on my side of the table is

mindful of our obligation to -- the unsecured creditors, to try to maximize recovery. We're also mindful of our obligation to the patients. We're balancing a lot of balls in the air in these transactions.

And just to -- if there's any question we'll put it on the record here now. If there's a material modification in the purchase price, not consistent with some adjustment mechanism already built-in to the asset purchase agreement, we would not consider doing that without coming to court.

THE COURT: All right.

MR. BRAY: Your Honor, I do want to make one further comment. I apologize.

THE COURT: All right.

MR. BRAY: There was also a reference by the Debtor and to SGM, to the pensions and the collective bargaining agreements and the impact they have on the process.

Our lack of objection to going forward today should not be considered to be an agreement or acquiesce to what happens to the pensions or the CBA's. Our position on that is, the Debtor has a statutory burden. With respect to those obligations under the code, the Debtor has to meet that burden. And to us, that's a separate issue from going forward today.

THE COURT: All right. I think that's correct.

All right. If the matter is submitted, then what I'm going to do is lay out some thoughts of the Court.

It does appear that the earlier version of 8.6 did allow the stalking horse bidder simply to walk away from this deal unfettered. And that was principally the Court's concern.

And I think this, the negotiation yielded a significant amendment to that paragraph, such that it I think ameliorates the Court's concerns with respect to it. And so it may be approved as part of the stalking -- the bid procedures and the APA.

I understand that from the Court's fairly recent experience with state agencies and the imposition of conditions, and I won't get into whether they're draconian or not, or whether they're part of a statute or not, whether they're supported by statute. No need to get into that now. But it is very clear that there is a review process that may yield conditions that make the deal untenable, simply from an economic point of view.

And that there needs to be some sort of backstop, as Mr. Klausner alluded to, in order to make clear that the bidder here is not operating in free fall during a period of time that the matter is up for appeal.

I still have my concerns with respect to the

length of time that's been negotiated here. I don't know if it's realistic, but I know that certainly there will be the many constituencies that will arguing to the appropriate tribunal that it should be taken on an emergency basis.

Of course, many tribunals, I've been accused of that as well. We'll say, that's your problem, that's not my problem. But I think that it is a very different animal when we're talking about people's lives and livelihoods at stake. And so I think that would certainly be something that a court would take into consideration.

All right. So that's the Court's ruling with respect to that objection.

MR. MAIZEL: Thank you, your Honor. That brings us to the next, which I viewed as second key issue with regard to the tentative, and that's with regard to the breakup fee.

So the original breakup fee in the asset purchase agreement was 3.5-percent. And we have read the Court's tentative. We -- there was a lot of discussion of that. The secured lenders, the buyer and the Debtor would ask the Court to agree to a breakup fee of $20,000,000, which is splitting the baby in half, your Honor.

The asset purchase agreement was 3.5-percent. The Court's directed three-percent. Of the $20,000,000 flat fee is effectively 3.25-percent. And I'm not sure where the

committee is on that, but I do believe the secured lenders, the Debtor and the buyer would ask the Court to reconsider its tentative on that regard, and allow a $20,000,000 flat fee breakup fee.

THE COURT: All right.

Mr. Bray.

MR. BRAY: Your Honor, this is one where we weren't aware that they'd split the baby. I'm not, you know -- we prefer the Court's tentative on this one. We thought three-percent was a generous breakup fee under the circumstances.

This ties into my previous concern that, where the ultimate pain is being borne in terms of reduction or value, this is, you know, respectively, comes from potential unsecured recoveries. And we think three-percent is appropriate. It's supported by the case law. It's supported by the arguments of the bidder themselves. And that under these circumstances, that we would ask that the Court stick with its tentative on this one.

THE COURT: All right. Anyone else wish to be heard?

Mr. Klausner.

MR. KLAUSNER: Thank you. So, your Honor, I don't think it would be committing error in limiting the breakup fee or approving the compromise, but we did make a

compromise in good faith after having seen your tentative.

The goal of all of our negotiations has been reached -- has been to reach consensus, and not to reach consensus and then have our consensus changed, unless we had agreed to something that was unreasonable.

The standard really for breakup fees is whether something is within the reasonable business judgment of the Debtor. That's the Integrated Resources case. And I don't think there's a fair argument that the 3.5-percent wasn't in the reasonable business judgment of the Debtor. And, clearly, the compromise of about 3.25-percent is not unreasonable.

In your tentative you did make a couple of points that I want to address. Now, one is, the concern that always exists that the breakup fee is simply part of a package that needs to be overbid. So that there is the issue of, well, is there going to be a chilling of overbidding or spirited competitive bidding?

I think we're dealing with, from a fractional standpoint, a very small amount of money that really ought not to have any impact on a competitive bid. By the time they get finished with our opening bid, the copying fee, the breakup fee, whether it's two-point -- $2,000,000 or eighteen-and-a-half-million dollars, I don't think it's going to have any impact on bidding. And, indeed, I haven't

seen any evidence presented to this Court that a $20,000,000 breakup fee is going to have any effect on bidding, as opposed to an eighteen-and-a-half-million-dollar bid or a $23.5 million breakup fee. So, there's really no evidence that this is going to chill bidding.

Also, the Court mentioned the fact that our client was involved in a 2014 prospective transaction. Our client never did go forward. There was never a signed agreement. But the Court is correct. And as the parties have pointed out, our client was around in 2014.

And I'm assuming that what the Court was indicating was that, to the extent that a purchaser is really being compensated for a lot of due diligence and a lot of evaluation and hiring experts and third parties and financial advisors, that obligation would have been less four and half, five years later than it was in 2014, because we had already done some work.

There's really no evidence of that. And all the evidence is that there's been an enormous change in these facilities in terms of their financial condition and their deterioration. And it really did warrant a complete revamping of due diligence. It was nothing that could be relied on from 2014.

But even more importantly, the purpose of a breakup fee, and the purpose of having a stalking horse, the

idea is to create an incentive for somebody to step forward and make a commitment to the estate. To actually sign a contract and to put up real money, and to agree to purchase assets. That's the reason why you reward the stalking horse purchaser. Otherwise, you could go to an auction and just have chaos.

But having somebody step forward who signs an agreement in our case, putting forth $30,000,000, making a contractual commitment of $610 -- if I said 30,000, I'm sorry. Thirty-million-dollar deposit, $610,000,000 purchase price, that is a significant commitment. That means that our client has to forego other opportunities.

Indeed, we've been raked over the coals because our client apparently took the position in another case where it was going to be a competitive bidder. That three-percent should be the maximum.

Well, indeed, what happened in that other case is, the Promise Healthcare case, where our client was going to be a competitive bidder, our client concluded that it really couldn't manage the purchase in that case at that time and this purchase, and they decided not to go forward.

And the point being that in order to go forward with this transaction, our client has an ongoing commitment, not just to the Debtor, but the need to engage professionals, the need to do ongoing due diligence, the

need to be meeting with the unions, suppliers, lessors, the insurance companies, working through the whole AG process. This is an enormous undertaking. And having a credible buyer in front of you who's made a contractual commitment is really a very important event in this case.

So, part of what's doing -- what you're doing with a breakup fee, is you're rewarding somebody to come forward and do that. As Mr. Maizel said, nobody else has come close to what we're doing.

And I think the final point I would make is, that the breakup fee was a negotiated term. It wasn't something that we imposed. It wasn't done unilaterally. It was negotiated. It was part of a whole series of compromises. And this agreement reflects a lot of give ups and a lot of concessions and capitulations on the part of our client.

The reps and warranties in this case are very thin. There's no condition of having financing. If our financing doesn't come through we're in breach of contract. There's no adjustment if the business deteriorates. We have put at risk $30,000,000.

We've agreed to a slate of conditions that have been attached to our agreement. There are many issues that we fought over and lost in the negotiation. So, to take one, to sort of cherry pick one or two and to change them, it's just fundamentally changes the balance.

Having said that, I think what we've done now is make a compromise with the Debtor. We've reduced our request for breakup fee. I think it's a fair request. I think the difference between what we asked for before and what we're getting now, it's a significant amount of money that we've given up. It's not far from where the Court was. So I would ask that you approve it as a reasonable exercise of the Debtor's business judgement.

THE COURT: All right. Thank you.

Mr. Bray.

MR. BRAY: Your Honor, Mr. Klausner's an excellent advocate. Much of what he said there's no factual support in the record for.

I -- it was interesting, but a lot of it I would move to strike. It was factual in nature. And there's no declarations that backup much of that argument.

I, you know, I didn't want to interrupt in the middle of it. Some of it's argument, but it's interlaced with so many facts that aren't before the Court. And it almost akin to an oral 9019 motion, that I don't think it's appropriate to be considered today.

If the Debtor wants to file a 9019 motion and seek to compromise on the breakup fee, I guess they can do that and we'll address it, too.

In connection with the Santa Clara sale, we filed

the declaration of Cynthia Nelson (phonetic), who was very clear that these breakup fees can chill bidding, and the Court can certainly take judicial notice of that. You recognized it in your tentative ruling.

And the three-percent was, frankly, high, based on the comps, given the size of the transaction. That's what the Court's tentative focused on, was the size of the transaction and the breakup fees that are appropriate with respect to the size of the deal, and three-percent was on the high side.

So, while I understand people make deals and compromise, and I understand that. If you want to file a 9019 motion, do that and we'll oppose it. But, otherwise, there's nothing before the Court in terms of the record that would warrant an adjustment of the tentative with respect to what the law says is the appropriate breakup fee in a transaction of this size under these circumstances, again, in light of SGM's own statements.

THE COURT: Well, isn't it no so much that the law determines what the appropriate breakup fee is, but that there is some legal justification for the business judgment, that in those cases three-percent, but it doesn't mean that three-percent is written in stone as far as the law is concerned.

MR. BRAY: The code provides that the Court must

approve the breakup fee. Whenever the Debtor wants -- the Debtor has the right to exercise its business judgment. The Court acts as a check on the Debtor's business judgment, especially on economic issues.

And this is one of those issues where every court has recognized it has the right to not only look at but to overrule and amend, modify the client to approve whatever words you want to use, the Debtor's decision there. This is not where the Debtor -- this is not an ordinary corporate decision. It's much more akin to an out-of-ordinary-course transaction.

And this is the type of a situation that every court that has addressed the issue has said, I have the right to look at this issue and independently review it. Of course the Debtor's decision-making process is relevant, I grant you that. But if that was the standard, then I don't think you would ever see a breakup fee reviewed and disapproved by a court, and we know it happens all the time. We cited to you in our brief a number of precedents where the court has determined what the appropriate breakup fee is.

So, yes, some deference should be paid, but is it to -- does it override what you believe's appropriate under the circumstances? No, it doesn't.

THE COURT: All right. Thank you.

Anything else?

MR. MAIZEL: Your Honor, a couple things. I don't think we need expert witness testimony to suggest that a million-dollar difference in a $600,000,000 transaction is not material and would not chill bidding.

I cannot believe that the Court cannot, using its experience as a bankruptcy judge, and in the experience as a human being, evaluate that a million-dollar difference will not make a difference in people who are bidding $600,000,000 for assets.

I -- it is also my recollection that there was testimony in the Cain Brothers' declaration about the breakup fee, but I confess, it may have been in connection with the Santa Clara deal, and not here.

MS. MOYRON: It's actually in connection with this deal that's right here. It's Carsten Beith's (phonetic) declaration.

MR. MAIZEL: Thank you.

MS. MOYRON: (Indiscernible.)

MR. MAIZEL: So, this is paragraph 11 of Carsten Beith's declaration, your Honor, where he says specifically:

> "I believe that Strategic Global Management would terminate the stocking horse bid if it did not have an adequate breakup fee. And they actively and

vigorously negotiated for a breakup fee."

So, there is some testimony in support of the breakup fee.

And the other -- the last thing I'd say, your Honor, is with regard to the business judgment. It is not an independent decision. With all due respect to the Court, the case law is clear that the Court's review of business judgment -- this is a business judgement of the Debtor. And in that context, the Court is supposed to give some deference to the Debtors.

So, it is simply not correct to say that the state of the law is that the Court looks at this without regard to the business judgment of the Debtor, or that the Court makes a de novo review. It's not what the law is. The law is that the Court is supposed to give some deference to the business of the Debtor.

And this was, as Mr. Klausner said, the result -- as you can imagine, in the context of a $600,000,000 deal for very complicated facilities and complicated business structure, that this was heavily negotiated in conjunction with a lot of other points. Thank you.

THE COURT: All right. Thank you.

Having heard argument, I think the 3.25 offer that was articulated by Mr. Maizel and Mr. Klausner, is

appropriate under the circumstances in the reasonable exercise of the Debtor's business judgment. Given that it negotiated the 3.25 rate and negotiated that down further. So I think it's appropriate at this point and reasonable.

MR. MAIZEL: Thank you.

THE COURT: All right. What else do we have? A number of matters that were originally on calendar I think have fallen off.

MR. MAIZEL: Your Honor, so there's some housekeeping things. So, with regard to an issue raised on behalf of one of the prospective bidders, the clarification that apparently in the bid procedures order there was no date specified for parties, including the stalking horse bidder, to designate executory contracts that would be assumed. And we've agreed, the parties have agreed to a March 22nd, 2019 date for that.

MR. KLAUSNER: I actually believe that there was a date, but that it was a certain number of days in advance of the auction. But we have agreed to the March 22 date, which is in advance of an earlier date, then that had been agreed to.

MR. MAIZEL: Thank you, your Honor. The other, I believe one of the other issues the Court ruled on was with regard to Cigna and United Health's objection, and the Court approved the language.

Debtor's fine with the language laid out in the tentative, but would just make clear for the record that where it refers to the "provider agreements," it is referring to -- there are other kinds of contracts between the parties and the Debtor. And that we're talking about here are contracts, payor contracts for the provision of health services. And those are unique because of the notice requirements to the patients who are receiving treatment.

THE COURT: All right.

MR. MAIZEL: And that was counsel for United Health, your Honor, just to make clear. I mean, the Court did rule against it, but the Debtor is willing to include United Health in the language, the same language -- the same rights it gives to Cigna it will give to United Health.

THE COURT: All right.

MR. COCO: Good afternoon, your Honor. Nathan Coco again on behalf of US Bank as notes trustee.

I just wanted to note for the record that the 2015 notes trustee and the 2017 notes trustee has discussed language with the Debtor's counsel for the proposed form of order that conforms it to language that is in the Santa Clara order approving the bid procedures. And it's in paragraph 26, and it just incorporates by reference the provisions in the DIP financing and cash collateral order, which addresses how sale proceeds are to be handled and

segregated, what have you, and makes it clear that pre-petition liens and security interests attach to the proceeds with the same priority and to the same extent and validity.

And so that language was missing in the proposed order initially. My understanding is that the Debtors intend to include it in the proposed order here, and we just wanted to make the Court aware.

THE COURT: All right. Very well.

MR. COCO: Thank you.

MR. RICOTTA: Your Honor, on the score of the bidding procedures order -- Paul Ricotta on behalf of the master trustee and the bond trustee. We've also had a discussion with the Debtor's counsel earlier about changing the bidding procedures order because it was inconsistent with the bidding procedures itself, namely, there was a provision that stated that, "qualified bidders would be designated in consultation with the committee."

The bidding procedures that have been agreed upon with the committee and all the other secured parties state that the qualified bidders will be designated by the Debtor in consultation with the consultation parties, which means the pre-petition secured creditors and the committee.

In addition, there was a provision in the bidder procedures order that specified that the designation of the winning bidder will be made by the Debtor in consultation

just with the committee. Once again, all the parties have agreed that the designation of the winning bidder will be made by the Debtor in consultation with the, once again, consultation parties.

So, in addition to what Mr. Coco said about the changes with respect to the deposit and handling of the sales proceeds, I also just wanted to make clear to the Court that we've had these discussions with the Debtor, and I don't believe that they are controversial, since they are now consistent with the actually bidding procedures themselves.

THE COURT: All right. Thank you.

MR. MAIZEL: Your Honor, I was going to sort of do it at the end, but, yes, we lodged -- we filed an order, draft order, for the parties to see earlier this week. We have been in negotiations over terms of that order. They're all consensual at this point.

We will, obviously, after the hearing and consistent with the Court's rulings, I know there are still matters to be addressed by some of the parties here, we will lodge an order. We will file a clean copy of that order and a version showing the track changes for parties to see the changes that have been made in the order. And that will be filed, as opposed to lodged, and that will be filed to show the track changes, so the parties will be able to see what

changes were made in the order, compared to the order that we filed earlier this week.

THE COURT: All right.

MR. MAIZEL: And Ms. Moyron reminded me that the March 22nd date for the designation of contracts, only applies to the stalking horse bidder. There is a separate date for partial bid submission, and they would be expected to submit it, their designation in conjunction with their bids.

THE COURT: All right.

MR. MAIZEL: So the March 22nd date only applies to -- we'll -- when we submit a time line, your Honor, with the order, the bid procedures will have a time line, and I'll include that.

THE COURT: Yes. Thank you.

MR. MAIZEL: And, your Honor, I know there are --

THE COURT: I'm sorry.

MR. MAIZEL: I believe there are other parties here.

THE COURT: Yes.

MR. KOHANSKI: Good afternoon, your Honor. Joe Kohanski for UNAC. I want to pick up on some points raised by the creditors committee with respect to issues coming down the pike. The -- first of all, UNAC certainly comprehends the difference between a 363 sale and the 1113

process for rejection or modification of the CVA, but they do overlap with respect to the flow of information and interchange.

UNAC has not argued, for example, that rejection under CVA must occur prior to an APA or some of the other arguments that have been made by some of the unions. But we feel very strongly that there should be some way to sort of harmonize the flow of information amongst the stalking horse, the Debtors and any alternative bidders.

I don't want to characterize, you know, some of the conversations or materials we received from the Debtor so far, but I will -- they concern me greatly with respect to being inconsistent with the very basic polarity of the 1113 process, in the sense of the company comes to the union with a proposal. And other than that, we'd actually had a bit of discussion with the Debtors about, perhaps, elevating UNAC to a consultation party.

To be clear, we have no wild idea that this is going to shape what happens with the basic economics of the case, but we see it as an avenue to making sure that we do have direct contact with the various people who may become our counter-parties and our bargaining parties and our people's employers, depending on who purchases the asset.

THE COURT: All right. Let me explore that just a little bit. In terms of information, what types of

information and when do you want that information?

MR. KOHANSKI: Well, it's really, you know, that's the process logic for the Debtor to manage in terms of the Debtor's obligation to come to the unions first with a proposal. And I understand that could be difficult because they have a stalking horse and alternative bidders at the same time.

But, again, we're looking to find a way to make sure that we're not looking at a situation where information is clustered solely at the Debtor level. We are not dealing directly with the potential counter-parties. Information is, you know, getting confused accordingly.

And on top of that, it just becomes potentially a race to the bottom to the extent that you could have the Debtor filtering information coming from potential counter-parties, and we just get this cumulative effect of everybody piling on with respect to economic changes, which may not even be justified in the first place.

THE COURT: All right.

Mr. Maizel.

MR. KOHANSKI: Maybe a few minutes in the hallway might be a useful vehicle, perhaps, to get this sorted out. Or maybe Mr. Maizel wants to speak to the issue, I honestly don't know, your Honor, but --

MR. KOHANSKI: -- this is a continuing issue.

THE COURT: All right.

MR. KOHANSKI: And it will come back in the 1113 process, most certainly.

THE COURT: Well, I expect that's correct. On the other hand, I wonder if it makes any sense to have information, or the flow of information, go to constituencies that don't have a direct impact on the bids and the analysis and weighing of those bids.

And so I wonder if we have that type of information go out, whether that could enure to the detriment of the bidding process, and eventually just hurt the bidding price, ultimately.

MR. KOHANSKI: Which is an issue we're sensitive to as well. We certainly don't want to walk into -- create a problem that way. And, of course, we would be doing confidentiality agreements. But --

THE COURT: All right. Well, the best I can do at this point is to encourage some talks with respect to that. But if it comes down to a motion, then I'll have to hear the motion. But at this point I think we'll just leave it as it is.

MR. KOHANSKI: Thank you, your Honor.

THE COURT: Thank you.

Anything further? Yes.

MR. MARGULIES: Good afternoon, your Honor. Craig

Margulies with Margulies Faith, on behalf of Hooper Healthcare Consulting.

My client, just provided some context -- and I think during the break we may have resolved some of our issues, but this may be an issue that comes down the road. So I just wanted to address the Court briefly on this.

They provide consulting services to the hospital to help the hospitals obtain Medicare and Medi-Cal benefits, and increase those benefits. For example, on the qualified assurance funding that is one of the major assets of the sale, they increased the benefit by about 16,000,000. So my client's fees associated with that additional benefit.

The question that we raised in addition as to this bidding procedures motion, and the sale motion in general, is that it's vague as to where that fee is being paid. And we thought it was to the benefit of the bidders to be aware that there may an issue as to who is obligated for that payment, whether it's the Debtor or a successful bidder.

And the objection was that we don't know who the successful bidder is yet, so this not a bidding procedure issue, it's a sale motion issue. And our position is that it's not necessarily just a sale motion issue, because it's more an issue of timing, because the payments that come from the Medicare and Medi-Cal payments will straddle a closing date. So some of the payments may come in before the

closing, so who's going to pay the fee? And some may come in after the closing, so who will pay the fee?

I think we may have resolved this issue, but my client's fee is about half-a-million dollars associated with the qualified assurance funding, that is part of the asset sale. And then there's an issue with services that my client is providing ongoing to make sure that those funds come in.

So, there may be an issue that it's an administrative claim, and that may come up before the -- or in connection with the sale motion, to try and address who's paying those fees.

But with all that said, I think we may have a deal that was reached in concept over the lunch hour. So, we may not have to have your Honor rule on anything down the road, but I just wanted to raise it.

THE COURT: Good.

MR. MARGULIES: Thank you.

THE COURT: I appreciate that.

MR. MARGULIES: Thank you.

THE COURT: All right. Anything else? Anything by telephone? All right. Very well. Then I think we're done for today.

MR. MAIZEL: Great, your Honor. There were items 11, 12 and 12.2. They're either vacated or continued? Our

next hearing I think is next Wednesday?

THE COURT: Right.

MR. MAIZEL: Otherwise that's all the Debtor has for today, your Honor.

THE COURT: Very well. If you can lodge the orders then.

MR. MAIZEL: Thank you, your Honor.

THE COURT: Thank you very much.

MR. MAIZEL: And you again for the Court's patience.

ALL PARTIES: Thank you, your Honor.

MR. YANT: Your Honor, this is Ryan Yant on behalf of St. Vincent IPA.

THE COURT: I'm sorry. I heard somebody on the telephone. Yes. Go ahead.

MR. YANT: Your Honor, this is Ryan Yant on behalf of St. Vincent IPA and Angeles IPA. We did have a minor objection to the sale motion that, unless we're continuing it, I'd like to discuss it.

THE COURT: All right.

MR. YANT: So, your Honor, there are two significant points that I'd like make up front. First is, our objection has nothing to do with the cash management system. As you recall, we entered a limited objection, just simply stating that we wanted the language added to the sale

motion order.

So, one, our objection has nothing to do with cash management system. This is a red herring, and our request for relief would have no impact on this in any fashion. We do not propose or seek any additional segregation of funds beyond what is already required, and my point is --

THE COURT: Before you go any further can -- I'm not sure we got your appearance very clearly because people were packing up. So, why don't you state your appearance again, please.

MR. YANT: I'm sorry, your Honor. Yes, sir.

THE COURT: Go ahead.

MR. YANT: J. Ryan Yant on behalf of both St. Vincent IPA, the IPA for St. Vincent Medical Center, and Angeles IPA, that serves that role at St. Frances.

THE COURT: All right. Thank you, Mr. Yant. Go ahead.

MR. YANT: So, your Honor, I guess I'll briefly recap what I said. So we have two main points up front that the Court needs to be aware of before I proceed a little bit further.

So, one, in your tentative ruling, and also in the Debtor's response to our objection, there's a mention of the cash management system and how it's infeasible to change anything. Up front, we are not attempting to alter or

change how the cash management system works in any way. And what we are requesting doesn't touch on those. So, I think there may have been a misconception of what we're asking for.

Two, not only is this a very important issue for my two clients, both from a monetary and from a practical standpoint, but this issue potentially affects all creditors subject to the cure issues upcoming.

So, what is the issue? Broadly, we simply want to ensure that the funds are available to fully satisfy a contested cure claim amount once these claims are finally adjudicated.

Reviewing the sale motion doesn't actually do that. So in paragraph 59 of the sale motion it states in pertinent part that:

> "The Debtor shall segregate from the sale proceeds any disputed cure amounts pending the resolution of any such cure amount disputes."

Cure amounts is a cap-like term, and that term itself is defined in paragraph 56, which states that, "the cure amount is the amount, if any, that the Debtor believes are owed to each counter-party."

So, by taking a literal reading of the sale motion, this states that Verity is going to segregate the

cure motions as they deem appropriate, but they're not -- or the sale proceeds that they deem appropriate for the cure, but not what a counter-party may assert.

And almost certainly a counter-party is going to assert a higher cure amount than Verity does. So, there's going to be a gap there that, under the express terms of the sale motion, isn't accounted for.

So, for instance, if Verity asserts that Angeles IPA is owned $1,000,000 for a cure, but our records reflect $2.5 million, under the express terms of the sale motion, Verity's only going to make sure that $1,000,000 stays in the account pending resolution of our cure issue.

So there's potentially $1.5 million that we, if successful, would be entitled, that may or may not be in the bankruptcy estate and in that account when it comes time to pay us. When everything's finally adjudicated.

So, we've reached out to Verity and we tried to get some clarity on this, because I don't know if this is potentially the way it's written or not. We have not gotten any feedback, except for that they will only confirm that the cure amounts will be on hold, to the extent that they believe that they're owed.

But, Judge, what if Verity's wrong? What if, ultimately, after reviewing everything, you determine, yes, creditors such as us are owed more than what Verity asserts?

So, we just want assurance that those funds will continue to be retained.

You know, allowing Verity themselves to dictate and arbitrate -- or to dictate what is held on behalf of these potential cure issues, is almost a de facto determination of what these issues and amounts are, assuming that ultimately you're going to need to decide.

So, with our particular clients, the difference between what Verity believes is necessary to cure and what we believe the cure amount is, will likely be significant. It's most likely going to be someone where in the seven figures for both clients.

And we know that because, traditionally, prior to bankruptcy, that's always been the case. So, every year with our two clients there's a final adjudication on what that particular calendar is for what's owed, and it almost always is around $1,000,000 or a little bit more than that.

So, compound the issue, it normally takes well over a year after the close of that particular year before there's actually a final adjudication and there's a final agreement on what is owed. So, for instance, the 2015 amount that's due to St. Vincent IPA still is not finally decided, and we're several years down the road.

So, assuming that the buyer wishes to assume our contract, you will likely have a substantial discrepancy

between what Verity believes the cure amount is and what we believe the cure amount is. Those discrepancies by their very nature take months, if not years, to decide.

And Verity, from the literal reading of the sale motion, has not committed to ensure that the full potential cure amount is available once there's a final adjudication down the road by your Honor.

So all we ask is that Verity retain the full, potential cure amounts that are alleged by the counter-parties for all creditors, not just the IPA's that we represent. So that if Verity is wrong, and if creditors, such as ourselves, are truly owed more than Verity asserts, those funds have not been spent or paid out, and those creditors are not left holding the bag at the end of the day.

THE COURT: All right. Thank you.

MR. YANT: Thank you, your Honor.

THE COURT: Mr. Maizel.

MR. MAIZEL: Well, your Honor, first of all, if you look at the objection filed by St. Vincent IPA, it asks for two forms of relief. One, that we pay, the Debtors pay in full the undisputed portion of the cure amount at the time of closing of the sale, which I think we've agreed, we will do already. So, unnecessary relief.

And the second part is, segregate the disputed

portion of the cure amount based on the cure amount set forth in the assumption objection of the counter-party. Well, they -- it's interesting because that's in paragraph five.

In paragraph four of the objection filed by St. Vincent IPA, they quote the Debtors as saying -- the sale motion as saying:

> "The Debtor shall segregate from the sale proceeds any disputed cure amounts pending the resolution of any such cure amount disputes by the Court."

So, they quote the language of the Debtor's motion saying, "the Debtors shall segregate from the sale proceeds any disputed cure amounts," which we think is pretty clear on its face.

In any event, the DIP order requires us to segregate the entire sale proceeds pending further determination of the resolution of the distribution of those funds.

There are going to be plenty of money on hand, your Honor. The Debtor's already provided to segregate disputed cure amounts. We'd ask the Court to stick with its tentative and deny the objection.

THE COURT: All right.

Anything else, Mr. Yant?

MR. YANT: Your Honor, if I may respond to that.

THE COURT: Yeah.

MR. YANT: Yes, your Honor. So, I understand that we did quote from the sale order, but I am -- I acknowledge that. But the sale order itself is unclear, and that's the whole point. It has cure amounts in the expression that was just quoted by opposing counsel that says, cure amounts -- capital:

> "Cure amounts is defined in paragraph 56 as amounts, if any, that the Debtor believes are owed to each counter-party."

So, therefore, based upon its own statement in its own motion, it's whatever the Debtor believes is what the cure amounts is. That is the issue.

The other issue is, there is a very long lag time, particularly for my client, where there's a final adjudication on what we're owed. That will likely be the case here.

I don't think anyone here believes that these cases will be viable, running companies that are operating as debtors-in-possession a year and a half from now, when these issues may finally be determined for my client.

So, are they going to hold money until that time? Are they not?

THE COURT: Well, I think the answer is this. When we get to a sale, if we get to a sale, the Debtor will have x amount of dollars, in which case you could renew your objection and -- as far as the disputed amount of the cure is concerned, and then we can hear it at that point.

But at this point, how we're going to treat a disputed cure amount when we don't have any funds with which to pay cure amounts at this point, I think is premature.

So I understand your concern. I understand that you want to try to get the mechanism right, and I think -- and I share that as well. But I think we should do that within the context of a bank account that has money that could potentially fund the cure amount that is agreed upon, and any disputed amount. And we can, I think, fashion a mechanism that would address that concern.

All right. Thank you very much.

MR. MAIZEL: Thank you, your Honor.

ALL PARTIES: Thank you, your Honor.

(Proceedings concluded.)

I certify that the foregoing is a correct transcript from the electronic sound recording of the proceedings in the above-entitled matter.

(No response.)

All right. Thank you. I think we're ready to go forward.

You'll have to forgive me. I don't have a clear sense of who's on first on this. I know that the Court at

first made the request for a status conference I think in connection with the prior order, but this seems to have morphed into something else. So why don't we hear from you, counsel?

MR. MAIZEL: Your Honor, we'll take that burden. This is a status conference that parties have asked -- the debtors asked for and the Court's agreed that there should be a status conference on the status of the SGM sale and that's because of issues that have arisen between us and SGM, over whether the sales should close and, if so, when and if so on what terms.

We asked the Court to be cognizant as we have tried to be in the pleadings that there are issues between the parties which would have -- we think it aired publicly -- would have the possibility of a negative impact on the value of the assets, ability of the debtors to keep facilities open and the morale of the staff that work so hard to keep these facilities open for the now more than a year in bankruptcy. So we'd ask -- and that is why we filed a large portion of the status report under seal.

We'd ask the Court to be cognizant of that. We'd ask the parties to be cognizant of that and if necessary we'd ask the Court to take us in chambers if we have to go into any detail --

THE COURT: My chambers aren't big enough.

(Laughter)

MR. MAIZEL: All right, Your Honor. Then I know how difficult it is to close courtrooms. So then I suggest we -- I don't know what Plan C is.

THE COURT: Just to highlight some things, I don't think there's any need to go into any of those matters whatsoever this morning. So --

MR. MAIZEL: All right, Your Honor. So since it's a status conference I'll do some good news first, what I traditionally like to do in status conferences. First, in the last 24 hours we received the Attorney General's approval for the disposition as we had proposed of the philanthropic foundation debtors of those assets. So I think we now have a clear runway to dispose of those assets under -- in agreement with the Attorney General State of California.

We, as the Court is aware, have gotten a Medicare settlement agreement approved by the Court. While we believe we have satisfied the asset purchase agreement's obligations with regard to Medi-Cal, we also have continued to negotiate for a settlement and believe we have a settlement in principle, which we are now negotiating the terms of a written settlement agreement. Hope to have the Court -- have it to the Court shortly.

And, of course, the -- we believe the conditions

and the discussions with the Attorney General over the conditions and the Attorney General approval of the sale have all been settled, so those are all good things that I want to make sure the Court is reminded of and bring to everyone's attention.

THE COURT: Has the Attorney General withdrawn his appeal?

MS. MOYRON: Your Honor, he didn't file an appeal.

THE COURT: All right.

MR. MAIZEL: So, Your Honor, so what we're down -- what we're left with now is the issues that have been raised with regard to -- as were stated in the reservation of rights I believe last night by Mr. Klausner on behalf of SGM that whether there are material adverse effects which excuse closing of the transaction by SGM. And as we stated in the status conference, we've asked for the Court to set a briefing schedule on that. It is in everyone's best interests to resolve that issue before December 31st because there is --

THE COURT: What issue is there to resolve?

MR. MAIZEL: Well, Your Honor, whether there are material adverse effects.

THE COURT: Well, doesn't that need to be brought before the Court at a much earlier stage?

MR. MAIZEL: Well, Your Honor, we believe that the vast majority -- in fact, we believe all of the conditions are either satisfied or the allegations that have been raised were waived because of the due diligence period that expired on January 8th of this year.

THE COURT: Well --

MR. MAIZEL: So we agree with Your Honor, but the problem is we have a buyer who believes there are material adverse effects and the asset pur --

THE COURT: That's what confused me and that's why I wasn't sure who was on first on this because why is it your responsibility to give an avenue for the airing of some sort of dispute which I think is the obligation of the purchaser to have raised?

MR. MAIZEL: Well, Your Honor, we have an obligation as fiduciary, as do our creditors, to see if this sale can close because this is still Plan A sale. If we can -- we are optimistic that if we show this buyer that there are no -- that the Court would find there are no material adverse effects, that this buyer who says in their papers --

THE COURT: I have a surprise for you. As far as the Court is concerned, the purchaser is a proud owner of a passel of funds. Have fun.

All right. Look, there is no definition, as far

as I'm aware, in Article II of what a material adverse effect is, so let me supply what I think that definition is and that definition is con -- a condition under which a transaction -- a transaction would no longer be viable. And because it appears in Article II there is another requirement that that adverse effect is either a result of fraud or misrepresentation. And if the -- and also because there is a specific time requirement to get that material adverse effect, it is the product of misrepresentation or fraud before the Court has long since passed.

So what we have here, in my view, is just buyer's remorse and I don't share in the boo-hoo of that. I had an opportunity to review some of the correspondence going back and forth. The picayune, the smallness of those alleged transactions do not, in my view, reach the level of material adverse effect. Sorry. That's what I think

The argument that somehow this Court is required to have an adversary proceeding is absurd. That only appears as far -- again, as far as I'm aware in the longest paragraph known to man and that is I believe 8.6. Yes, 8.6. We're long past 8.6. The Attorney General has done the right thing and we don't have those conditions.

So now we're left with a curious statement at page 35 of my copy of the APA, which says that whether a material adverse effect has occurred for any purpose under

this agreement shall be exclusive settled by determination made by the Bankruptcy Court. Doesn't say anything about an adversary proceeding. "Exclusively," in my view, means not appealable. So once we make the determination, which I don't think we can do on a timely basis anymore, that's gone.

After reviewing the statement of strategic, I don't want to cast any negative aspersions at all. But I want to make clear that I believe that it is operating very closely within the satellite of bad faith. I think it has an obligation to close. I think it wants to negotiate a better deal. I think it believes that it will be unpalatable for the Court and for others here to see patients, young, old, infirmed, being wheeled or carted out of the hospitals. That's a cynical view and I don't adhere to it.

I believe that this contract is interpreted under the laws of the State of California and so it has with it the implied covenant of good faith and fair dealing and I don't think that we have that here. I suspect that this will close and if not, then they will pay damages pursuant to this agreement.

All right. And that's all. And I don't see a need for any further hearing.

Mr. Klausner.

MR. KLAUSNER: First of all, Your Honor, I do have to say that our client is reserving all of its rights. There are certain comments that were made by counsel with which we disagree, so I don't want my silence to be deemed any sort of concession or admission.

I do appreciate and take seriously all of the Court's comments. It's apparent to me from the Court's demeanor that the Court has very strong feelings and has formed very strong impressions. My concern is that the issues that exist between the parties need to be resolved in the appropriate context.

Well, what has happened today is simply the following. The debtor presented the buyer pursuant to the agreement with a demand to come to a closing on December 5. Our client responded as required by the terms of the agreement by providing Verity with a notice that this is -- its obligation under Section 8.4 of the asset purchase agreement that if our client believes that there are any conditions, covenants, agreements that haven't been satisfied we give Verity notice. That's all we've done.

We haven't said that we're not going to a closing. We haven't refused to close. We haven't exercised any right to terminate the agreement. We simply gave Verity a notice that we're obligated to give Verity in which we listed various conditions and covenants that we

believe Verity has not complied with.

That notice triggers a 15 business-day period for Verity to respond either to cure the defects that we've identified or to indicate to us why we're incorrect. We received a letter, as you received. We received a letter from Verity's counsel last evening in which in the course of about 12 pagers Verity's counsel addressed the issues that we raised in our letter.

It is unfortunate that the Court saw fit to receive those letters, notwithstanding that they were under seal. It was our view that in the event litigation should arise between the parties the issues that -- that exist between the parties, the disputes and the controversies, if any, should be presented to the Court in the appropriate manner in the appropriate context. And I'm disappointed that the Court reviewed that correspondence and has now effectively concluded that if our client does not come to a closing on December 5 our client is in breach of contract.

There's been no complaint. There's been no response. There's been no motion for summary judgment. There's been no presentation of evidence. This Court has simply concluded based upon an exchange of letters, some of which contain enormous hyperbole, that our client will be in breach if we don't close. I think that's unfortunate.

I think our client has the right to go to a

closing or not go to a closing and if our client fails to go to a closing, our client has a right to test its position in a courtroom in accordance with rules of procedure and rules of evidence. And for this Court to conclude at this stage of the proceeding that our client is obligated to close and if fails to close you're going to impose damages, I think that's very unfortunate.

So I'm not going to debate today the merits or substantive issues that have been -- that may be presented to this court at a later date. I'm not going to take the bait. I will simply on behalf of our client reserve our rights. We'll take whatever steps we need to take to protect the interests of our client. Do you have any questions?

THE COURT: No.

MR. KLAUSNER: Thank you.

THE COURT: Anyone else?

MR. SHINDERMAN: Your Honor, may I have 30 seconds to talk to the debtor and then I'd like to make a quick statement?

THE COURT: Certainly.

(Pause)

MR. SHINDERMAN: Thank you, Your Honor. Mark Shinderman, Milbank, on behalf of the Committee.

Your Honor, first the context. This is a status

conference on the disclosure statement, just to clear the calendar, because the disclosure statement can't go forward unless we know that we're going to have a close sale, so that's the context in which this -- it's not just about the sale. It's about the disclosure statement. So at the end of this hearing I'd ask that you continue further the debtor's obligation to file a reply to the objections of the disclosure statement. It's not relevant until we know we have a closing, number one.

Number two is, I completely agree with the statements of the Court. The buyer either closes or doesn't close. We talked about that last time in the context of the AG motion and we said the same thing. The debtor doesn't have a right -- the buyer doesn't have a right to come in here and say, "I like this; I don't like that." To us it appears that either the buyer doesn't have the financial wherewithal to close or he's trying to renegotiate. I don't -- I can't prove that. I don't know that. I read the same letters you did and that's what it looks like.

Because as Mr. Maizel points out, the APA was very clear. We are very concerned about the APA and optionality and we're concerned about it with respect to the Attorney General. What it said is, you have a certain period of time to due diligence, otherwise, the only out

you have, buyer, is if there's a material adverse change. And we constantly check with the debtor that neither the secured creditors, nor the Committee, nor the DIP lender before us got in the way of the debtor doing what the debtor needed to do to operate in the ordinary course with outside consultants, et cetera.

So we agree; the buyer has to close or not close. If they don't close then there'll be an action to enforce damages at the appropriate time, at the appropriate place. But there's no in between. They either close or they don't close.

Some of the statements that are made are very serious and, of course, the Committee doing its duty immediately called the debtor and we're satisfied that the debtor is doing everything it's supposed to do in the ordinary course to maintain the safety of patient care and that's very critical, and we take that job very seriously. Some of our union members on the Committee are the ones providing those services as well and we are satisfied.

We'll stop there and say we agree with Your Honor; buyer closes or doesn't close. The consequences are what they are.

THE COURT: All right. Thank you very much.

Anyone else wish to be heard?

(No response.)

All right. I'll do the following. First, I won't take the bait either. What I stated was not really founded on any letters, actually. It was founded just on the representations that were made in the statement. I think it was a reservation of rights as far as the purchaser was concerned, which I found wholly inapposite to my understanding of the APA. It appears to the Court that perhaps the purchaser felt that the asset purchase agreement wasn't actually an asset purchase agreement. It was a contract to contemplate the purchase of an asset after the Attorney General removed his conditions. And so once the Attorney General did that, then it become -- became the proverbial dog that caught the car. They didn't know what to do.

So I think that's the situation we have. With all due respect to counsel, I respect them, but I think the position of his client doesn't hold water. And again, that's not based upon any letters. That's just my review of the asset purchase agreement and the clear terms of that or where the terms have not been clear they have been made clear by the Court. As I've indicated, I've given a definition of "material adverse effect."

Just to go on further, we would have a material adverse effect if, for example, a hospital lost a certificate of occupancy. And if somehow the -- that was

the result of misrepresentation of fraud. So it's a very high level. I don't think we've reached it here. So I suspect that this matter will close.

All right. Thank you very much.

ATTORNEY: Thank you, Your Honor.

MR. SHINDERMAN: I'm sorry, Your Honor. Your Honor, I apologize. We need a continued hearing on the disclosure statement --

THE COURT: I'll do that later.

MR. SHINDERMAN: Okay. Thank you, Your Honor.

(End at 10:33 a.m.)
