EMERGENCY MOTION

Pursuant to LBR¹ 9020-1 and 9075-1, Rule 6004, and §§ 363 and 105(a), Verity Health System Of California, Inc. (“VHS”) and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), respectfully request, on an emergency basis (the “Motion”), that the Court: (i) issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a), on an expedited basis ordering Strategic Global Management, Inc. (“SGM”) and its principals, Kali Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause as to why SGM failed to comply with this Court’s order [Docket No. 3724] (the “Closing Order”) requiring SGM to close the sale (the “SGM Sale”) pursuant to that certain asset purchase agreement [Docket No. 2305-1] (the “APA”) by no later than December 5, 2019, including, but not limited to, stating whether SGM has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction; (ii) set the balance of the relief requested in this Motion and the attached Memorandum of Points and Authorities for an emergency hearing on December 11, 2019, at 10:00 a.m., to consider the Debtors’ request for an order (a) enforcing this Court’s order [Docket No. 2306] (the “Sale Order”) approving the SGM Sale and Closing Order, (b) finding that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further notice to SGM, and (d) finding that the Debtors shall retain the \$30 million non-refundable deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; and (iii) granting such other and further relief as the Court deems just and proper.

The Debtors request that the relief sought herein be granted on an emergency basis because they will suffer immediate and irreparable harm without the relief requested in this Motion. The

1 prompt sale and transition of the Debtors' four remaining general acute care hospitals² is needed to
2 prevent any deterioration in critical healthcare in underserved communities caused by accelerating
3 employee turnover, as well as the operating losses continuing to reduce anticipated recoveries to
4 creditors. The Debtors (i) are operating at a loss of approximately \$450,000 per day, imposing
5 significant costs upon the estates and upon creditors, and (ii) the uncertainty caused by SGM has
6 significantly increased the rate of employee turnover at Verity's hospitals, a void filled by expensive
7 per diem, temporary nurses and *locum tenens* physicians at a much greater cost to the estates.
8 Finally, but crucially, the APA specifically provides that "[t]ime is of the essence." See APA at §§
9 12.17. SGM's failure to close the Sale violates the express terms of the APA, as well as this Court's
10 unambiguous Orders. In order to make critical decisions impacting the Hospitals and alternative
11 plans, the Debtors must have immediate clarity on (i) whether SGM has the financial ability to
12 proceed with the Sale transaction, and (ii) whether SGM intends to proceed with the Sale transaction
13 in 2019. SGM steadfastly has refused to provide such critical information to the Debtors, even in
14 the face of its utter failure to comply with this Court's prior Orders. This Court's immediate
15 intervention is respectfully requested and required.

16 **I.**

17 **SUMMARY OF REQUESTED RELIEF**

18 As set forth above, the Debtors seek the entry of three orders. **First**, pursuant to LBR 9020-1,
19 the Debtors respectfully request that the Court issue an order to show cause, lodged concurrently
20 herewith pursuant to LBR 9020-1(a), on an expedited basis ordering SGM and its principals, Kali
21 Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11,
22 2019, at 10:00 a.m., and show cause as to why SGM failed to (a) close the SGM Sale by December
23 5, 2019, (b) comply with this Court's Closing Order, (c) demonstrate to the Debtors that SGM
24 currently has the financial ability or access to sufficient capital to timely proceed with this
25 transaction in accordance with the APA, and (d) advise the Debtors as to SGM's intention to close
26 _____

27 ² Specifically, the hospitals and healthcare facilities subject to the SGM Sale include St. Francis
28 Medical Center, St. Vincent Medical Center, Seton Medical Center (including the Daly City and
Coastside campuses), and St. Vincent Dialysis Center.

1 the transaction. Given the exigencies of the Debtors' Cases, the Debtors respectfully request that
2 the Court reduce the 7-day opposition or response deadline set forth in LBR 9020-1(b), or
3 provisionally issue the order to show cause and provide that parties may object to the issuance at
4 the hearing on the order to show cause. Pursuant to LBR 9020-1, the Court is not required to hold
5 a hearing on the Debtors' request to issue the order to show cause. *See* LBR 9020-1(d)(2). **Second**,
6 the Debtors respectfully request that the Court enter an order setting the balance of the relief
7 requested in this Motion and the attached Memorandum of Points and Authorities for an emergency
8 hearing on December 11, 2019, at 10:00 a.m. **Third**, following the emergency hearing, the Debtors
9 request entry of an order (a) enforcing this Court's Sale Order and Closing Order, (b) finding that
10 SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by
11 December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further
12 notice to SGM, (d) finding that the Debtors shall retain the \$30 million non-refundable deposit
13 received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final
14 DIP Order [Docket No. 409], and (e) granting such other and further relief as the Court deems just

Verity Health System Of California, Inc. (“VHS”) and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), respectfully request, on an emergency basis (the “Motion”), that the Court: (i) issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a), on an expedited basis ordering Strategic Global Management, Inc. (“SGM”) and its principals, Kali Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause as to why SGM failed to comply with this Court’s order [Docket No. 3724] (the “Closing Order”) requiring SGM to close the sale (the “SGM Sale”) pursuant to that certain asset purchase agreement [Docket No. 2305-1] (the “APA”) by no later than December 5, 2019, including, but not limited to, stating whether SGM has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction; (ii) set the balance of the relief requested in this Motion and the attached Memorandum of Points and Authorities for an emergency hearing on December 11, 2019, at 10:00 a.m., to consider the Debtors’ request for an order (a) enforcing this Court’s order [Docket No. 2306] (the “Sale Order”) approving the SGM Sale and Closing Order, (b) finding that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further notice to SGM, and (d) finding that the Debtors shall retain the \$30 million non-refundable deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; and (iii) granting such other and further relief as the Court deems just and proper.

The Motion is based on the *Declaration of Richard Adcock in Support of Emergency First-Day Motions* [Docket No. 8] (the “First-Day Declaration”), the *Declaration of Richard G. Adcock* [Docket No. 3188] (“Adcock Declaration”), the *Declaration of Carsten Beith* (the “Beith Declaration”), *Declaration of Sonia R. Martin* (the “Martin Declaration”), and the *Declaration of Elspeth Paul* (the “Paul Declaration”), which are filed concurrently herewith, the arguments and statements of counsel to be made at the hearing on the Motion, the record in the Debtors’ Cases

1 and any other judicially noticeable facts, and other admissible evidence properly brought before
2 the Court. In further support of the Motion, the Debtors respectfully state as follows:

4 **INTRODUCTION**

5 Six months after this Court entered the order (the “Sale Order”)¹ authorizing the Debtors to
6 sell their four remaining general acute care hospitals² and St. Vincent Dialysis Center (the
7 “Hospitals”) to SGM, the Court entered its order, on November 27, 2019, obligating SGM to close
8 the SGM Sale pursuant to the APA by December 5, 2019 (the “Closing Order”).³ The Court’s
9 Closing Order also found that there has been no material adverse effect under the APA, and that
10 the APA does not permit SGM to appeal this Court’s determination as to that issue.

11 Despite the clear requirements of the APA and in direct contravention of this Court’s prior
12 Orders, SGM announced that it *would not close the SGM Sale—and, then, did not close the SGM*
13 *Sale—by December 5, 2019*. In a transparent attempt to delay this proceeding, frustrate the
14 Debtors’ ability to transfer the Hospitals pursuant to the APA, and manufacture a context to
15 renegotiate the purchase price under the APA, SGM has filed three frivolous appeals. Further,
16 SGM has taken the facially implausible position that it is entitled to a 21-day “Evaluation Period”
17 under Section 8.6 of the APA, during which it may “determine” whether it is satisfied with the
18 Attorney General Order that provides precisely the same protection that is set forth in Section 8.6
19 of the APA. Docket No. 2305-1. These actions expressly violate this Court’s Orders and the APA.
20 *See, e.g.,* APA, § 1.3 (“ . . . Purchaser shall reasonably cooperate in any efforts to render the
21 Supplemental Sale Order a final, non-appealable order[.]”).

22 Each day that goes by without prompt action by SGM to close this transaction harms the
23 estates. The Debtors’ estates and their constituents have already borne operating losses of

Seton Medical Center (including the Daly City and Coastsides campuses).

28 ³ Docket No. 3723-24.

1 approximately \$450,000 per day waiting for SGM to close the SGM Sale. SGM's failure to timely
2 issue offer letters has had a negative impact on employee morale. Moreover, the Debtors and third
3 parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the
4 Sale Order and the Closing Order. Despite this, SGM has intentionally frustrated the closing
5 process by refusing to participate. In addition to announcing that it would not close the SGM Sale
6 on December 5, as ordered by the Court, throughout the week leading up to the filing of this Motion,
7 SGM has refused to participate in the regular, pre-scheduled joint closing calls and operational
8 transition calls, apparently based on the advice of its counsel.

9 By signing the APA, SGM represented and agreed that "[p]urchaser has the ability to obtain
10 funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and
11 will at the Closing have immediately available funds in cash, which are sufficient to pay the
12 Purchase Price and to pay any other amounts payable pursuant to this Agreement and to
13 consummate the transactions contemplated by this Agreement." Given the actions and inactions of
14 SGM over the past month, which suggest SGM lacks the financial ability to close the SGM Sale,
15 the Debtors have made repeated and direct requests that SGM state whether it has the financial
16 ability to close the SGM Sale, and whether it intends to do so. SGM has refused to respond,
17 attempting to distract from its apparent financial inability to perform and seeking to preserve the
18 ability to argue at some later date that the Debtors breached the APA by deciding prematurely to
19 distribute their assets in a different manner, *i.e.* "Plan B" as it was referred to during the November
20 26, 2019, status conference.

21 SGM is in direct violation of this Court's prior Orders. Its conduct is an effort to gain
22 leverage against the Debtors in order to force a modification of the APA as to price and/or timing
23 of closing. Such efforts are a manifestation of SGM's lack of good faith and fair dealing under the
24 APA and constitute willful misconduct designed to harm the Debtors and impair the effectiveness
25 of this Court's orders, *i.e.*, its actions have been taken in bad faith. The Debtors respectfully urge
26 the Court to issue an order (i) enforcing this Court's Sale Order and Closing Order; (ii) ordering
27 SGM and its principals, Kali Pradip Chaudhuri, William Thomas and Peter Baronoff, to appear in
28 this Court, on December 11, 2019, and show cause as to why SGM failed to (a) close the SGM Sale

1 by December 5, 2019, (b) comply with this Court’s Closing Order, (c) demonstrate to the Debtors
2 that SGM currently has the financial ability or access to sufficient capital to timely proceed with
3 this transaction in accordance with the APA, and (d) advise the Debtors as to SGM’s intention to
4 close the transaction; (iii) finding that SGM is in material breach of the APA for (among other
5 things) failing to Close the SGM Sale by December 5, 2019; (iv) finding that the Debtors may
6 terminate the APA at any time without further notice to SGM; (v) finding that the Debtors shall
7 retain the \$30 million non-refundable deposit received from SGM as Sales Proceeds within the
8 meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; (vi) granting such
9 other and further relief as the Court deems just and proper.

11 JURISDICTION, VENUE, AND STATUTORY PREDICATES

12 The Bankruptcy Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157
13 and 1334. This matter is a core proceeding under 28 U.S.C. §§ 157(b)(2). Venue is proper pursuant
14 to 28 U.S.C. §§ 1408 and 1409.

15 The Motion seeks an order of the Court enforcing the terms of its final order approving the
16 SGM Sale [Docket No. 2306] and its order [Docket No. 3723-24] obligating SGM to close the
17 SGM Sale, as well as to show cause to SGM for its failure to comply. The statutory predicates for
18 this relief are §§ 363 and 105, and Bankruptcy Rule 6004. This Court “plainly ha[s] jurisdiction to
19 interpret and enforce its own prior orders.” *Travelers Indem. Co. v. Bailey*, 557 U.S. 137, 151,
20 (2009); *see also In re Millenium Seacarriers, Inc.*, 419 F.3d 83, 96 (2d Cir. 2005) (“A bankruptcy

23 III.

24 FACTUAL BACKGROUND

25 1. On May 2, 2019, this Court entered its *Order (A) Authorizing the Sale of Certain of*
26 *the Debtors’ Assets to Strategic Global Management, Inc. Free and Clear of Liens, Claims,*
27 *Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of An*
28 *Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306] (“Sale

Order”), approving the SGM Sale pursuant to the APA. Since this Court issued its Sale Order, the Debtors have engaged in extensive, time-consuming efforts on multiple fronts to transition the Hospitals to SGM. By way of example: (i) the Debtors have sent multiple rounds of WARN notices to all employees; (ii) medical groups affiliated with the Debtors have sent termination notices to their physicians; (iii) thousands of counterparties to executory contracts and unexpired leases have relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iv) the Debtors and SGM have spent almost an entire year facilitating an efficient close of the SGM Sale and developing transition plans as appropriate, including the transition of various licenses, employees, etc.; (v) the Debtors and SGM spent months successfully negotiating and reaching modified collectively bargaining agreements with all of the unions; (vi) the Debtors spent months reaching finality with the California Attorney General, the Centers for Medicare and Medicaid Services, and the California Department of Health Care Services; and (vii) created plans to shut off certain services and modify various insurance policies.

2. On October 23, 2019, the Court issued a *Memorandum of Decision Granting the Debtors’ Emergency Motion to Enforce the Sale Order* [Doc. No. 3188]. [Docket 3446.] Following extensive negotiations, the Debtors and the Attorney General reached a *Stipulation Resolving “Debtors Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief”* [Docket No. 3188]. [Docket 3572.] Accordingly, on November 14, 2019, the Court issued an *Order Granting “Debtors Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief”* [Doc. 3188] [Docket 3611] (the “Enforcement Order”).

1 3. APA section 1.3 obligates SGM to close the sale “promptly but no later than ten
2 (10) business days following the satisfaction” of all conditions precedent. On November 18, 2019,
3 the Court issued an Order finding that: “The Debtors have complied with their obligation under
4 the APA to obtain a final, nonappealable Supplemental Sale Order. Consequently, SGM is now
5 obligated to promptly close the SGM Sale, provided that all other conditions to closing have been
6 satisfied.” Docket No. 3632.

7 4. On November 19, 2019, the Debtors obtained a settlement with the Centers for
8 Medicare and Medicaid Services providing for the transfer of their Medicare Provider Agreements
9 to SGM, thereby satisfying their remaining obligations under Article 8.7 of the APA. Docket No.
10 3680. With respect to California Department of Health Care Services (“DHCS”), the Debtors
11 secured an Order [Docket No. 3372] from the Bankruptcy Court authorizing the transfer free and
12 clear of any interests asserted by DHCS, in addition to the Sale Order which terminated any
13 creditor’s recoupment rights [Docket No. 2306]. Those Orders afford equal or greater protection
14 to SGM than any settlement could have, thereby satisfying Section 8.7. In addition, on November
15 22, 2019, the Debtors reached a settlement in principle with DHCS to the same effect. *See* Nov.
16 26, 2019 Hr’g Tr. at 10:18-24.

17 5. As set forth in the Debtors’ status report [Docket No. 3692] (the “Status Report”),
18 Debtors sent a letter to SGM, on November 20, 2019, stating (i) the conditions to close under the
19 APA had been satisfied on November 19, 2019, and that (ii) the transaction should promptly close
20 by December 5, 2019. *See* Status Report at 1. The letter requested assurances from SGM that the
21 transaction would close by that date. *See id.*

22 6. On November 19, 2019, SGM’s CEO, Peter Baronoff, telephoned the Debtors’
23 investment banker and stated that SGM could not obtain sufficient financing for the transaction,
24 contrary to Section 3.9 of the APA. [Docket No. 3644.] That telephone call immediately resulted
25 in the Debtors’ request for an order [entered at Docket No. 3646] continuing the hearing on the
26 Debtors’ motion [Docket No. 2995] for approval of its disclosure statement [Docket No. 2994].
27 *See* Beith Decl., ¶ 2. Recognizing that the existence of financing is not a condition to close, SGM
28 resorted to making unfounded and self-serving assertions that the Debtors breached the APA and

embarked on impermissible efforts to re-trade the purchase price without regard to: (i) the language in the APA; (ii) the indisputable fact that SGM’s diligence period had expired in January 2019; (iii) SGM’s prior representations; and (iv) the fact that all conditions of the Debtors to close had been satisfied.

7. On November 22, 2019, SGM sent the Debtors letters from Gary Klausner, Esq. of Levene, Neale, Bender, Yoo & Brill L.L.P. and Robert W. Lundy, Jr. of Hooper, Lundy & Bookman, P.C. (with enclosures), setting forth the issues that SGM had asserted amounted to a “Material Adverse Effect” under the APA [Docket No. 3705] (the “November 22, 2019 Letters”).⁴ The issues SGM raised at the eleventh hour were not “new”—they were all known or discoverable during the diligence period. And none of them change the inescapable conclusion that this transaction was required to close by December 5 because the Debtors and SGM negotiated the sale as an “AS IS, WHERE IS” sale under the express terms of the APA. SGM’s untimely, baseless and immaterial complaints were nothing more than a transparent attempt to delay the closing and manufacture a basis for a re-trade to obtain a lower purchase price.

8. On November 26, 2019, the Court held a Status Conference. In advance of the Status Conference, SGM filed a Reservation of Rights, alleging (among other things) that “there are no genuine disputes of material fact as to the [sic] whether there have been Material Adverse Effects under the terms of the APA.” [Docket 3701.] In addition, the Debtors lodged with the Court SGM’s November 22, 2019 Letters. At the status conference, the Court rejected SGM’s arguments, stating (among other things) that “[a]s far as the Court is concerned” SGM is the “proud owner” of the Debtors’ assets as set forth in the APA, and that SGM “has an obligation to close” the transaction pursuant to the APA. (Nov. 26, 2019 Hr’g Tr. at 12:22-24, 14:10-11.)

9. On November 27, 2019, the Court issued an Order finding that, “[p]ursuant to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019.” [Docket 3724.] The Memorandum Decision supporting that Order concluded, among other things, that (i) “Adjudication of SGM’s Obligations Under the APA Does Not Require an Adversary

⁴ The November 22, 2019 Letters were filed under seal pursuant to Court order [Docket No. 3699].

1 Proceeding,” (ii) “Adjudication of SGM’s Obligations Under the APA Is Not Premature,” (iii)
2 “SGM Is Not Entitled to Appeal the Bankruptcy Court’s Determination Regarding a Material
3 Adverse Effect,” (iv) “No Material Adverse Effect Has Occurred,” (v) “All Conditions Precedent
4 to Closing Have Been Satisfied.” [Docket 3723.] The Court further concluded that:

5 SGM’s contention that it is not obligated to close is a cynical attempt
6 to extract a better purchase price. A key component of SGM’s
7 negotiation strategy is its attempt to delay as long as possible the
adjudication of its obligations under the APA. The Court will not
facilitate SGM’s dubious tactics.

8 * * *

9 By presenting non-meritorious arguments as to why it is not
10 obligated to close, SGM is holding the estates, creditors, and patients
of the Hospitals hostage in an attempt to extort a better purchase
11 price. SGM’s cynical tactics are especially offensive given the
significant harm that closure of the Hospitals would impose upon
12 patients. For example, two of the Hospitals that would likely close
upon failure of the SGM Sale contain large populations of long-term
13 patients suffering from severe illnesses, all of whom would have to
be relocated to other facilities.

14 [*Id.*, pp, 6-7.]

15 10. On November 29, 2019, SGM filed two notices of appeal [Docket Nos. 3726, 3727]
16 related to (i) the order granting the Debtors’ motion to enforce the sale order [Docket No. 3611],
17 and (ii) the order finding that SGM is obligated to promptly close the transaction under section 8.6
18 of the APA provided all other conditions to closing are satisfied [Docket No. 3633].

19 11. This week, beginning Monday, December 2, 2019, SGM representatives failed to
20 participate in five pre-scheduled operations closing calls, stating that they were doing so on the
21 advice of SGM’s counsel. *See* Paul Decl., ¶ 2.

22 12. On December 3, 2019, the Debtors emailed SGM, expressing continued concern for
23 the delay and the impact on the Hospitals, including that many employees no longer have
24 confidence that SGM will purchase the hospitals given that they are still waiting for formal offers,
25 that the Hospitals continue to flex staff and registry to manage patient care, and that vendors and
26 the Hospitals’ risk pool participants/IPAs have expressed concern that SGM does not intend to
27 close the transaction. *See* Martin Decl., ¶ 2, Ex. A. In response, SGM announced that it would not
28

1 close the Sale by December 5, and that it had filed a notice of appeal [Docket No. 3746] of the
2 Court's Closing Order. *See id.*, ¶ 3, Ex. B.

3 13. On December 4 and 5, 2019, the Debtors sent additional demands to SGM for
4 information and assurances bearing on whether it has the financial ability to perform the APA and
5 whether it intends to do so. *See* Martin Decl., ¶¶ 4, 6, Exs. C, E. SGM has not provided this
6 information to Debtors. *Id.* ¶ 8.

7 IV.

8 **ARGUMENT**

9 SGM is unquestionably in violation of this Court's Sale Order and Closing Order, and time
10 is of the essence. Bankruptcy courts have the inherent power and authority to enforce their own
11 orders, including levying sanctions and/or civil contempt against violating parties. *See Travelers*
12 *Indem. Co. v. Bailey*, 557 U.S. 137, 151 (2009) (finding that the "Bankruptcy Court plainly had
13 jurisdiction to interpret and enforce its own prior orders"); *see also In re Millenium Seacarriers,*
14 *Inc.*, 419 F.3d 83, 96 (2d Cir. 2005) ("A bankruptcy court retains jurisdiction to interpret and
15 enforce its own orders[.]") (quoting *Luan Inv. S.E., v. Franklin 145 Corp. (In re Petrie Retail, Inc.)*,
16 304 F.3d 223, 230 (2d Cir.2002)); *In re Azevedo*, 506 B.R. 277, 282 (Bankr. E.D. Cal. 2014); *In re*
17 *Gonzales*, 512 B.R. 255, 258 (Bankr. C.D. Cal. 2014) ("Bankruptcy court[s] have always been
18 empowered to interpret and enforce their own orders.").

19 Accordingly, the Debtors request the following emergency relief:

20 A. **The Court Should Order SGM's Principals To Appear And Show Cause.**

21 SGM did not close the SGM Sale by December 5, 2019, in direct contravention of the
22 Court's Sale Order and Closing Order. Accordingly, the Court should order the appearance of
23 SGM's principals and explanation of why they did not comply because they are in contempt of the
24 Court's Order. There is no disputing that the Court's order directed SGM to close on December 5,
25 2019 and was, therefore, a specific and definite order of the Court. Given that fact, SGM must
26 appear before the Court and explain why it did not comply or be held in contempt. *See, e.g., Stone*
27 *v. City and County of San Francisco*, 968 F.2d 850, 856 n. 9 (9th Cir.1992) ("The moving party
28 has the burden of showing by clear and convincing evidence that the contemnors violated a specific

1 and definite order of the court. The burden then shifts to the contemnors to demonstrate why they
2 were unable to comply.”).

3 While refusing to Close the transaction by December 5, 2019 in accordance with the Court’s
4 Closing Order, SGM has simultaneously and steadfastly refused to state whether it has the financial
5 ability to close the SGM Sale and whether it ever intends to do so. As explained above, SGM’s
6 conduct strongly suggests that it has no intention of closing this transaction, as underscored by the
7 recent statement of its CEO Peter Baronoff that SGM lacks the ability to secure funding at the level
8 required for the purchase price under the APA. The Debtors have repeatedly and directly
9 confronted SGM regarding whether it has the financial wherewithal to comply with the APA. SGM
10 has consistently dodged those questions with the pretense that it is entitled to an alleged “Evaluation
11 Period” under Section 8.6. SGM’s position is meritless for at least three reasons.

12 First, the Evaluation Period contemplated by Section 8.6 is only triggered when the
13 Attorney General is imposing conditions that *materially differ* from the conditions to which SGM
14 agreed under the APA, i.e., the Purchaser Approved Conditions. Because the Attorney General is
15 not imposing any such conditions, no Evaluation Period is implicated. Second, as the Court
16 previously found, “SGM is judicially estopped from contending that it is entitled to the Evaluation
17 Period and is not obligated to promptly close the sale” based on “its prior representations regarding
18 its obligation to close the sale.” [Docket No. 3632, pp. 4-5.] Third, even if a 21-business day
19 Evaluation Period had been triggered (which the Debtors dispute), Section 8.6 provides that SGM
20 “shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-
21 appealable order” and “shall consummate the Sale” if “the Supplemental Sale Order becomes a
22 final, non-appealable order prior to the expiration of the Evaluation Period . . . and all other
23 conditions to closing have been satisfied.” Here, as the Court has previously determined, there is
24 a final non-appealable order, namely the Enforcement Order. [Docket No. 3611]. Obviously, filing
25 meritless appeals is a far departure from SGM’s obligation to reasonably cooperate. SGM’s appeals
26 are frivolous and designed solely to delay and frustrate these proceedings.

SGM should be directed to immediately and clearly respond to questions regarding its financial ability to perform under the APA. By signing the APA, SGM represented and agreed that:

3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

See APA § 3.9. This representation, warranty and covenant does not expire, and SGM “shall be deemed to remake” it “as of the Closing Date,” *i.e.*, December 5, 2019. APA, Article III. SGM has repeatedly represented to the Court and the parties that SGM intends to close this transaction in accordance with the APA. For example, in its filing dated November 11, 2019, SGM described this as a “transaction in which SGM will be paying over \$600 Million,” and SGM’s November 25, 2019 Reservation of Rights states that “SGM continues to desire to close the transaction between SGM and Verity as described in the APA.”

If SGM does not have the financial ability to close the SGM Sale, as required by Section 3.9 of the APA, then it has an obligation to inform the Court and the Debtors of that fact, so they may immediately proceed with asset distribution in an alternative manner. Accordingly, the Debtors respectfully request that Court direct the following representatives of SGM to appear in Court on December 11, 2019, to address these issues and otherwise show cause why this transaction has not close: Chairman Kali Pradip Chaudhuri, MD, Chief Executive Officer Peter Baronoff and General Counsel William Thomas.

And, to be clear, SGM’s only explanation must be why it did not comply with the order; this hearing should not be an opportunity for SGM to rehash its arguments already rejected by the Court. *See, e.g., Maggio v. Zeitz*, 333 U. S. 56, 333 U. S. 69 (1948) (“It would be a disservice to the law if we were to depart from the longstanding rule that a contempt proceeding does not open to reconsideration the legal or factual basis of the order alleged to have been disobeyed, and thus become a retrial of the original controversy. The procedure to enforce a court’s order commanding or forbidding an act should not be so inconclusive as to foster experimentation with disobedience.”

B. The Court Should Find That SGM Is In Material Breach, That The Debtors May Immediately Terminate The APA And Retain The Deposit.

Finally, the Debtors respectfully request the Court issue an order finding that SGM is in material breach of the APA by failing to close the SGM Sale on December 5, 2019, as required by the APA and as specifically ordered by the Court in its Closing Order. “[A] material breach of a contract excuses further performance by the injured party and entitles that party to terminate the contract.” *Pena v. GMAC Mortg., LLC*, No. CV0906939MMMJCX, 2010 WL 11519504, at *7 (C.D. Cal. Sept. 13, 2010) (citing *Pry Corp. of America v. Leach*, 177 Cal.App.2d 632, 639 (1960) and 1 B. Witkin, Summary of Cal. Law, Contracts, § 796 p. 719 (9th ed. 1990)). As a result of that material breach by SGM, the Debtors are now entitled to (i) walk away from the APA with no further notice to SGM, (ii) sue SGM for damages under APA Section 11.1 and as otherwise allowed under applicable law, and (iii) proceed with alternative plans to dispose of the assets. The Debtors respectfully request that the Court issue an Order to this effect.

In addition, the Debtors request an order that the Debtors may retain the \$30 million non-refundable Deposit. Section 1.2 of the APA provides that: “The Deposit shall be non-refundable in all events, except as provided in Section 6.1(b) or Section 6.2, or in the event Purchaser has terminated this Agreement pursuant to Section 9.1 (other than Section 9.1(b)) or as set forth in Section 9.2, in which case Seller shall immediately return the Deposit to Purchaser with all interest earned thereon.” Here, Sections 6.1(b) and Section 6.2 are inapplicable, and SGM has not terminated the Agreement under Section 9.2—rather, SGM has materially breached the Agreement by failing to perform. Accordingly, the Deposit is non-refundable, and the Debtors respectfully request that the Court order that the Debtors may retain it regardless of the manner in which the assets are ultimately distributed.

V.

CONCLUSION

WHEREFORE, for all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the Court: (i) issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a),

Subject: RE: Verity

Gary,

As set forth in my emails dated November 16 and 18, 2019, there is no basis for SGM to appeal and there is no Evaluation Period. Even if SGM were correct about the existence of an Evaluation Period (which it is not), the appeal and SGM's failure to take reasonable steps towards closing the transaction would constitute a breach of the APA ("Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order[.]").

Indeed, the Debtors believe SGM's appeals are frivolous, and we reserve the right to seek sanctions against you and your clients pursuant to FRAP 38 and 28 USC 1927. Further, it is the position of the Debtors, that as of December 6, 2019, the Deposit, as defined in the APA, will irrevocably belong to the Debtors and its use is permitted by the Final DIP Order and the Supplemental Cash Collateral Order.

Each day that goes by without prompt action by your clients towards closing this transaction is injuring the Hospitals. Employees are leaving on a daily basis as a direct result of your clients' failure to timely issue offer letters. And, as you know, the Debtors are suffering net operating losses estimated at \$450,000 per day. Despite this, your clients continue to drag their feet on closing. Yesterday, you directed that they not participate on three regular, pre-scheduled closing calls -- calls that are essential to the transition of the Hospitals. Your clients are plainly in breach of APA Section 12.17, which provides that "[t]ime is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement."

The conduct of you and your clients strongly suggests that they have no intention of closing this transaction, which is consistent with Mr. Baronoff's statement two weeks ago that they lack the ability to secure funding at the level required for the purchase price under the APA. By signing the APA, your clients represented and agreed that "[p]urchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement." On the basis of the APA, the Court entered its Sale Order. Since then, you and your clients have repeatedly represented to the Court and the parties that SGM intends to close this transaction in accordance with the APA. For example, in your filing dated November 11, 2019, you described this as a "transaction in which SGM will be paying over \$600 Million," and your November 25, 2019 Reservation of Rights states that "SGM continues to desire to close the transaction between SGM and Verity as described in the APA."

If these representations are no longer true, your clients owe a duty to the Court and the Debtors to say so. As an officer of the court, you also owe that duty.

"Counsel, as an officer of the court, also owes a duty of candor to the tribunal. Model Rules of Professional Conduct Rule 3.3. This duty precludes counsel from making false statements of law or fact to the court and offering false evidence, and requires counsel to disclose controlling adverse legal authority not disclosed by opposing counsel, and facts necessary to avoid assisting the client in a criminal or fraudulent act. Id."

Hansen, Jones & Leta, PC v. Segal, 220 B.R. 434, 455 (D. Utah 1998). See also Cal. Rule Prof. Conduct 5-200.

The Debtors again demand that you and your clients affirm whether they have the financial ability to proceed with this transaction in accordance with the APA, and whether they intend to close the transaction. If you do not respond to this request by close of business tomorrow, the Debtors will ask the Court to schedule an emergency Order to Show Cause hearing and require your clients to respond to such questions in open court.

Sonia; as you are aware, SGM has filed a notice of appeal from the Bankruptcy Court's order of November 14, 2019 regarding Verity's emergency motion. We understand your position regarding the "finality" of that order and we respectfully disagree as our client had standing to appeal to order entered by the court, notwithstanding the fact that SGM did not oppose the underlying emergency motion. Ultimately the appellate court will decide this issue. In the meantime, so that there is no confusion or misunderstanding about SGM's position on this issue, the 21 business days evaluation period under section 8.6 began on November 14; that means, if my review of the calendar is correct, the 21 business days to respond under section 8.6 will not expire until December 16, 2019.

Gary,

As Tania stated on the record in court on Wednesday, we do not agree with SGM's position that it has a 21-day Evaluation Period.

The Evaluation Period contemplated by Section 8.6 was included to account for the possibility that the Attorney General might insist on imposing conditions that materially differ from the Purchaser Approved Conditions. Because the Attorney General is not imposing any such conditions, the provisions relating to an Evaluation Period are not implicated.

We also note that, even if a 21-day Evaluation Period had been triggered (which we do not concede), Section 8.6 provides that SGM "shall consummate the Sale" if "the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period . . . and all other conditions to closing have been satisfied." Here, we have a final non-appealable order because the only parties who could have standing to appeal have waived that right.

Sam, Tania; I have heard through the grapevine that Verity may be taking the position that SGM does not have (or somehow lost) the 21 day Evaluation Period provided for in section 8.6 of the APA, which started as of the entry of the supplemental sale order yesterday. Would you please let me know if this is, in fact, Verity's positions and if so, please advise me of Verity's basis for that position. Obviously, this is a time critical issue so please get back to me immediately as I have a call scheduled with SGM at 3:00 today. Thanks.

Gary,

You have not responded to the Debtors' request that you state whether your clients "have the financial ability to proceed with this transaction in accordance with the APA, and whether they intend to close the transaction." This includes, but is not limited to, confirmation that the representations set forth in the December 3, 2018 letter issued by Kevin R. Farrenkopf, President and CEO of The Bank of Hemet, and the December 4, 2018 email from William Thomas are still accurate, and that the funds referenced in those communications remain available for use in December 2019 in connection with this transaction. The Debtors insist that you and your clients provide this information outside the context of any confidentiality agreement, either now or in court.

Your clients have no valid basis to refuse to close this transaction. They are in breach of the APA, and the Debtors will proceed accordingly. Indeed, it has become increasingly clear that SGM likely never had the financial ability to perform the APA, and has been in breach of APA Section 3.8 from the outset.

Moreover, SGM lacks standing and has waived any ability to appeal the Court's orders. Manufacturing the Evaluation Period is precisely the type of bad faith conduct with which the Court expressed concern, and which permits the Debtors to recover damages in excess of Section 11.1 of the APA.

If SGM has a proposal that it wishes the Debtors to consider, it should send that proposal immediately. Be advised that the Debtors will proceed down another path unless SGM (i) provides a meaningful, actionable offer, and (ii) demonstrates the financial ability to perform (the failure of either condition would be fatal).

We will be sending you a revised confidentiality stipulation shortly.

Subject: Verity | Weekly KPC/Verity Transaction Committee Call

[External Sender]

Sonia; a checklist call is scheduled for 10:00 today.

As you are aware, SGM is not closing the sale reflected in the APA today. SGM disputes that the notice to close set forth in Sam's letter of November 20, 2019 was effective or consistent with the APA and, notwithstanding Judge Robles order of November 27, which is now on appeal, SGM is under no contractual obligation to close today. Indeed, Verity is not, itself, prepared to close the sale today or to provide the "deliverables" and complete all of the processes necessary for closing.

Notwithstanding the foregoing, SGM has been requesting an opportunity to meet and confer with Verity and other stakeholders to attempt to resolve the disputes that have so far prevented the parties from proceeding to a closing in an organized fashion and consistent with the APA. SGM requested mediation and Verity rejected that request. SGM requested a meeting, which would be governed by applicable privileges, and Verity rejected that request. SGM submitted a proposed confidentiality stipulation to Verity yesterday, made every change that you requested, submitted a draft order to you as requested, and then was advised that Verity refused to meet and confer unless SGM first provided a proposal and financial information, not protected by any privilege.

It is apparent from your litany of threatening letters and rejection of any opportunity to salvage this transaction, that Verity has elected to attempt to force SGM into a position of breach and will pursue litigation, as opposed to participating in a process that might save the hospitals, protect the patients and avoid terminating thousands of employees.

The scheduled "checklist" call for today is clearly a sham, designed to create the appearance, although not legitimate, that Verity is still pursuing a transaction which Verity has now chosen to forego, and to attempt to obtain information for use in the eventual litigation. Accordingly, SGM sees no useful purpose in participating in such a call.

**December 5, 2019 Email from

From: Martin, Sonia R.
Sent: Thursday, December 05, 2019 10:17 AM
To: 'Gary E. Klausner'
Cc: Maizel, Samuel R.; Moyron, Tania M.; Montgomery, Claude D.
Subject: In re Verity Health System of California, et al., Case No. 2:18-bk-20151-ER

Gary,

SGM still has not responded to the Debtors' request that it confirm whether it has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction in accordance with the APA, i.e., for a purchase price of \$610 million. This includes, but is not limited to, confirmation that the representations set forth in the December 3, 2018 letter issued by Kevin R. Farrenkopf, President and CEO of The Bank of Hemet, and the December 4, 2018 email from William Thomas are still accurate, and that the funds referenced in those communications remain available for use in December 2019 in connection with this transaction. These are simple and direct questions that must be answered under the APA.

SGM cannot hide behind the charade of an "Evaluation Period" any longer. It is becoming increasingly clear that SGM does not have the financial ability to perform under the APA, and may never have had that ability. This is in direct contravention to the representation, warranty and covenant set forth in APA Section 3.9:

3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

By failing to respond to the Debtors' direct questions regarding SGM's financial ability (or lack thereof), and while still purporting to "reserve rights" under the APA, you and your clients are continuing to engage in bad faith conduct at the expense of the Debtors, as well as their patients, employees and creditors. As the Court aptly observed in its November 29, 2019 Order:

SGM's contention that it is not obligated to close is a cynical attempt to extract a better purchase price. A key component of SGM's negotiation strategy is its attempt to delay as long as possible the adjudication of its obligations under the APA. The Court will not facilitate SGM's dubious tactics.

* * *

By presenting non-meritorious arguments as to why it is not obligated to close, SGM is holding the estates, creditors, and patients of the Hospitals hostage in an attempt to extort a better purchase price. SGM's cynical tactics are especially offensive given the significant harm that closure of the Hospitals would impose upon patients.

Nor are the Debtors willing to allow SGM to try to immunize itself with a nebulous "mediation agreement." The information the Debtors have requested is squarely within the scope of the APA, and the Debtors are entitled to answers under the APA and without confidentiality. The Debtors will not enter any agreement that SGM might try to use to shield the financial information we have requested. The Debtors must have the ability to promptly disclose and

act on such information in order to make critical decisions impacting the Hospitals and alternative plans for disposition of the assets. You have made it clear that the Debtors must seek the Court's immediate intervention with these issues.

As to any settlement proposal that SGM wishes to make, the protections of Rule 408 should suffice and SGM should transmit any such proposal without further delay. That said, we are continuing to discuss the proposed stipulation with the Debtors and their advisors, and will revert on that issue separately.

Re: In re Verity Health Systems of California, Inc., et al., Debtors ("Verity")
Sale to Strategic Global Management, Inc. ("SGM")

Dear Sam:

The purpose of this letter is to notify Verity that Verity is in material default with respect to the Asset Purchase Agreement, which was filed with the Court on May 2, 2019 (Doc 2305) and that SGM is demanding that the immediate return of its deposit of \$30 Million, with all interest earned thereon.

The Closing Condition in Section 8.7 Was Not and Continues to be Unsatisfied

Section 8.7 of the APA creates a closing condition, as follows:

"8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services ("CMS") and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services ("DHCS"), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers' Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal; provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposed of survey and certification issues as if it is the relevant Seller and no change of ownership occurred."

Notwithstanding the fact that Verity had not complied with APA section 8.7, on November 20, 2019, Verity sent SGM, through counsel, a demand for a closing of the APA transaction on or before December 5, 2019 (herein the "Closing Demand") In your letter of November 20, 2019, you stated:

Samuel R. Maizel
December 5, 2019
Page 2

“Yesterday, as we notified you, that the Debtors reached a settlement agreement the United States on behalf of the Department of Health and Human Services and the Centers for Medicare and Medicaid Services, allowing for the transfer of the Medicare Provider Agreement without successor liability. Consequently, SGM must close this transaction promptly, but no later than ten (10) business days from yesterday, or December 5, 2019, because all conditions to closing are satisfied. See APA § 1.3”. (Emphasis Added.)

Your representation that “all conditions to closing are satisfied” was false. As we now know (and there is no dispute) as of November 20, 2019, Verity had not complied with the condition set forth in 8.7 because, *inter alia*, Verity had not, as of November 20, 2019, entered into a settlement agreement with DHCS which resulted in: (1) resolution of all outstanding financial defaults under any of Verity’s Medi-Cal Provider Agreements, and (2) full satisfaction, discharge and release of any claims under the Medi-Cal Provider Agreements, whether known or unknown that DHCS had against the seller or purchaser.

Indeed, as you acknowledged to the Court, at the hearing on November 26, 2019, Verity had not, even as of that hearing date, entered into a settlement agreement with DHCS. Nor, had Verity entered into such a settlement agreement, as of December 5, 2019, the time Verity set for closing.

Accordingly, Verity failed, as of the date and time which Verity set for closing, to satisfy the condition set forth in § 8.7 of the APA and, was and continues to be in material default.

Neither The Sale Order entered May 2, 2019, nor the Order Authorizing the Transfer of the Medi-Cal Provider Agreement, entered October 11, 2019, satisfies the Condition in Section 8.7.

On November 25, 2019, in recognition that Verity had failed to reach an agreement with DHCS, you sent me an email in which you contended that no such agreement was necessary; notwithstanding the clear and unambiguous language of § 8.7. Your contention was based on the theory that the Bankruptcy Court’s Order, entered on May 2, 2019, authorizing the sale to SGM, satisfied the requirements of § 8.7 because the sale generally provided for it to be free and clear. However, as you well know, DHCS had objected to the sale and, to accommodate that objection, Verity agreed, and the Sale Order so provided, for DHCS to reserve all of its rights pertaining to the assumption of the Medi-Cal Provider Agreements. The Sale Order addressed the objection that DHCS had filed to the proposed transfer of the Medi-Cal Provider Agreements, in part, as follows:

Samuel R. Maizel
December 5, 2019
Page 3

“Nothing in this Sale Order shall apply to Medical Provider Agreements until and unless there is a court order approving a settlement between the Debtors and the DHCS or a court order resolving the DHCS’s objection” (Doc. 2306 at 25 l. 6-8).
(Emphasis added.)

Consistent with that reservation and the need to resolve all issues regarding assumption and assignment of the Medi-Cal provider agreement, including the issue of recoupment, Verity filed its Reply Brief (Doc 3043) on September 18, 2019 seeking an order, which was necessary to satisfy its obligation under § 8.7 with respect to the transfer of the Medi-Cal Provider Agreement.

In the Court’s Memorandum of Decision, issued on September 26, 2019 the Court expressly referred to § 8.7 and the necessity for Verity to obtain an order in compliance with that section as a condition to closing.

The Asset Purchase Agreement (the “APA”) [Doc. No. 2305-1] which governs the sale of the Hospitals to SGM, provides that the sale cannot close unless issues regarding alleged financial defaults existing under each Provider Agreement have been resolved” (Doc. No. 3146 at 3, citing to footnote 5, which states: APA at par. 8.7)

Even more significantly, in the Bankruptcy Court’s Order granting the relief requested by Verity, which was entered on October 11, 2019, the Court deleted the word “recoup” from the section providing for a transfer “free and clear”, and the Court expressly stated that it was reserving the issue of DHCS’s right to recoup for future adjudication.

Provided, however, that nothing in this paragraph shall be construed to limit whatever rights DHCS may or may not have to withhold, under principles of equitable recoupment, payments owed by DHCS to the Debtors and or the SGM Buyers, for the purpose of recovering alleged Pre-Transfer Effective Date Liabilities under or related to the Medi-Cal Program and/or HQAF Program.” (Doc. 3372 at 4:7-10, 16-20).

Not only does the Court’s reservation of the recoupment issue render any argument regarding the effect of either that order or the Sale Order completely meritless, but whatever benefit that might have been achieved by the Court’s October 11, 2019 Order has been nullified by the fact that the DHCS has appealed it to the U.S. District Court and that appeal has not been adjudicated.

L N B Y & B

Samuel R. Maizel
December 5, 2019
Page 4

While we do not concede that the condition in § 8.7 could have been satisfied by a court order, as opposed to a “settlement agreement”, even if Verity could have sought an order from the Bankruptcy Court resolving the recoupment issue, Verity chose not to do so.

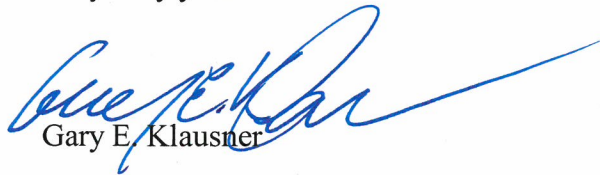

Despite the fact that Verity was required to satisfy the section 8.7 condition by a “settlement agreement”, no such settlement agreement existed as of November 20, 2019, the date of the Closing Demand and the representation that “all conditions of closing are satisfied”. Thus, the demand was improper that statement constituted a material misrepresentation as of that date. Nor was any such agreement reached prior to the date and time, which Verity set, for closing of the APA on December 5, 2019.

As a consequence of the foregoing, Verity improperly and knowingly misrepresented the status of conditions to closing in your letter of November 20, 2019. In reality, all conditions to closing had not been satisfied and remained unsatisfied as of the date and time that Verity set for closing.

The foregoing is by no means the sum-total of all Verity’s material defaults and failed conditions relating to the APA. However, because the issue raised here regarding § 8.7 and the Debtor’s failure to comply with its requirements relating to the Medi-Cal Provider Agreements are factually and legally indisputable, SGM need not present or prove any other basis to establish Verity’s material default.

Based upon the foregoing, and pursuant to § 11.2 of the APA, SGM hereby demands the immediate return of its deposit in the amount of \$30 Million, plus all interest earned thereon.

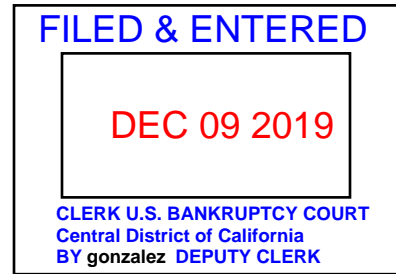

Very truly yours

Gary E. Klausner

**MEMORANDUM OF DECISION DENYING
DEBTORS' EMERGENCY MOTION FOR
ISSUANCE OF AN ORDER TO SHOW CAUSE
RE: CLOSING OF THE SGM SALE**

[No hearing required pursuant to Federal Rule of Civil
Procedure 78(b) and Local Bankruptcy Rule 9013-
1(j)(3)]

18201511912090000000000008

The Court has reviewed the *Debtors' Emergency Motion for (I) Issuance of an Order to Show Cause Why Strategic Global Management, Inc. Failed to Close the Sale Transaction by December 5, 2019; and (II) Entry of an Order Enforcing Prior Court Orders Requiring Strategic Global Management, Inc. to Close the Sale Transaction by December 5, 2019* (the "Application for OSC") [Doc. No. 3373]. Pursuant to Federal Rule of Civil Procedure 78(b) and Local Bankruptcy Rule 9013-1(j), this matter is suitable for disposition without oral argument. For the reasons set forth below, the Application for OSC is **DENIED**.

I. Background

On November 27, 2019, the Court issued a *Memorandum of Decision Finding that SGM is Obligated to Close the SGM Sale By No Later than December 5, 2019* (the "Closing Memorandum") [Doc. No. 3723] and an accompanying *Order (1) Finding that SGM is Obligated to Close the SGM Sale By No Later than December 5, 2019 and (2) Setting Continued Hearing on Debtors' Motion for Approval of Disclosure Statement* (the "Closing Order") [Doc. No. 3724]. The Closing Order provided in relevant part: "Pursuant to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019." Closing Order at ¶ 1.

SGM¹ did not close the SGM Sale by December 5, 2019. The Debtors move for issuance of an order requiring SGM's principals, Chairman Kali Pradip Chaudhuri, MD, Chief Executive Officer Peter Baranoff, and General Counsel William Thomas, to appear and testify as to (1) why SGM did not close the SGM Sale by December 5, 2019 and (2) whether SGM has the financial ability to close the SGM Sale. The Debtors further request issuance of an order finding that: (1) SGM is in material breach of the APA by failing to close the SGM Sale on December 5, 2019, (2) the Debtors may retain SGM's \$30 million good-faith deposit, and (3) the Debtors may proceed with alternative plans to dispose of the Hospitals.

II. Findings and Conclusions

Requiring SGM's representatives to testify as to SGM's reasons for not closing the SGM Sale would not increase the likelihood of the sale actually closing. By failing to close, SGM risks the loss of its \$30 million good-faith deposit as well as the possibility of damages for breach of contract in an amount of up to \$60 million.² Being compelled to offer testimony will not motivate SGM to close where the threat of the loss of up to \$90 million has failed to accomplish that end. In the future, the Debtors will have the opportunity to litigate the issues of whether SGM has breached the APA and whether the Debtors are entitled to retain SGM's good-faith deposit. In the meantime, the Debtors' efforts would be better spent ensuring the health and safety of the patients at the affected Hospitals.

The prompt closing of the SGM Sale would be in the best interests of all constituents in these cases, and the Court remains hopeful that SGM will fulfill its obligation to close. However, the estates' precarious cash position requires that the Debtors have the ability to immediately explore options for the alternative disposition of the Hospitals. The Court finds that any efforts undertaken by the Debtors with respect to the alternative disposition of the Hospitals will not violate the Debtors' obligation under Article 12.1 of the APA to cooperate with SGM to

¹ Capitalized terms not defined herein have the meaning set forth in the Closing Memorandum.

consummate the SGM Sale; nor shall any such efforts constitute a material default by the Debtors under any other provision of the APA.

The Court will enter an order consistent with this Memorandum of Decision.

Kali P. Chaudhuri, M.D., Strategic Global Management, Inc., KPC Healthcare Holdings, Inc., KPC
Health Plan Holdings, Inc., KPC Healthcare, Inc., and KPC Global Management, LLC (the foregoing
also doing business as the KPC Group), and DOES 1 through 500 (collectively, “Defendants”), allege
as follows:

PRELIMINARY STATEMENT

This case arises from breach of contract and intentional, misleading conduct by Defendants designed to wrongfully and fraudulently lock Plaintiffs into that certain asset purchase agreement (the “APA”)¹ for the sale of four hospitals under the auspices of a Bankruptcy Court order, with which Defendants had no intention of complying. The Debtors expended tremendous human resources, time and effort with respect to the sale, while incurring significant additional expense performing under the APA and diligently preparing for a closing of the sale for nearly a year. During that time, the Plaintiffs suffered and were encouraged to sustain daily operating losses of \$450,000. Once all contingencies precedent to close under the APA were satisfied, waived or passed, Defendants repeatedly defaulted under the APA and refused to close the sale, levied factually meritless and legally irrelevant accusations against Plaintiffs, and sought to coerce Plaintiffs into a re-trade at a substantially lower purchase price. Along the way, Defendants also violated the Bankruptcy Court’s orders requiring them to close the sale and failed to even file a motion for stay of the orders before violating each of them.

Plaintiffs are informed and believe that Defendants had demanded conditions precedent to close the APA that Defendants had concluded imposed conditions that the Plaintiffs could never satisfy, irrespective of whether they were necessary. In particular, it now appears that Defendants never anticipated that Plaintiffs would obtain agreement from the Attorney General of California not to impose conditions on the sale transaction that materially differed from the conditions SGM developed and agreed to in Section 8.6 and Schedule 8.6 of the APA. Rather, Defendants believed they would never be obligated to pay the full purchase price (comprised of a cash payment \$610 million, plus cure costs and assumption of liabilities) and instead concluded they would eventually be positioned to either walk away from the transaction or coerce the Plaintiffs into a re-trade at a significantly lower purchase price. In the meantime, Plaintiffs were obligated to continue operating the Plaintiff Hospitals at significant losses and were precluded from attempting to sell the Plaintiff Hospitals to anyone other than SGM.

Defendants’ conduct was calculated, intentional, fraudulent and callous, designed to take

¹ [Docket No. 1279 (Ex. A), as subsequently amended by Docket No. 2305-1, and attached hereto as Exhibit “A” and incorporated herein by this reference.]

1 advantage of the Plaintiffs' good faith desire to ensure that the hospitals were sold to a purchaser who
2 would keep them open, in order to continue providing critical access to health care in low income
3 communities and jobs to thousands of employees. Defendants must be held accountable for the
4 substantial damage they have caused to the Plaintiffs, the Hospitals, and their estates.

5 JURISDICTION AND VENUE

6 1. The Bankruptcy Court has jurisdiction over this adversary proceeding (the "Action"),
7 pursuant to 28 U.S.C. §§ 157 and 1334.

8 2. The Action is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (M), (N), and (O).

9 3. The Action concerns an asset purchase agreement (defined as the APA below) executed
10 by SGM, which states, in relevant part, as follows:

11 12.3 Governing Law; Venue. This Agreement shall be construed,
12 performed, and enforced in accordance with, and governed by, the laws
13 of the State of California (without giving effect to the principles of
14 conflicts of laws thereof), except to the extent that the laws of such State
15 are superseded by the Bankruptcy Code or other applicable federal law.
16 For so long as Sellers are subject to the jurisdiction of the Bankruptcy
17 Court, the parties irrevocably elect, as the sole judicial forum for the
18 adjudication of any matters arising under or in connection with the
19 Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy
20 Court. The parties hereby consent to the jurisdiction of such court and
21 waive their right to challenge any proceeding involving or relating to this
22 Agreement on the basis of lack of jurisdiction over the Person or forum
23 non conveniens.

24 4. Venue is proper pursuant to 28 U.S.C. § 1409 because the Action arises in, and is related
25 to, the above captioned bankruptcy cases (the "Bankruptcy Cases") pending in the United States
26 Bankruptcy Court of the Central District of California, Los Angeles Division (the "Bankruptcy Court").

27 5. Plaintiffs consent to the entry of final orders or judgments by the Bankruptcy Court even
28 if it is determined that, absent consent of the parties, the Bankruptcy Court cannot enter final orders or
judgments in this proceeding.

Alter Ego Allegations

18. At all relevant times, as alleged more fully herein, each Defendant acted as an agent, servant, employee, co-conspirator, alter-ego and/or joint venturer of the other Defendants, and in doing the things alleged herein acted within the course and scope of such agency, employment, alter-ego

1 and/or in furtherance of the joint venture. Each of the Defendant's acts alleged herein was done with
2 the permission and consent of each of the other Defendants.

3 19. Plaintiffs are informed and believe that, at all times relevant hereto, Defendants
4 Chaudhuri and KPC were the alter egos of Defendant SGM, and there exists, and at all times herein
5 mentioned has existed, a unity of interest and ownership between Defendants such that any separateness
6 between them has ceased to exist in that Defendants Chaudhuri and KPC completely controlled,
7 dominated, managed, and operated SGM to suit their convenience. Defendants operated as a single
8 enterprise and should be treated as such.

9 20. Specifically, without limitation and discussed below, Plaintiffs are informed and believe
10 that Defendants Chaudhuri and KPC: (1) controlled the business and affairs of SGM, including any and
11 all of their affiliates; (2) disregarded legal formalities and failed to maintain arm's length relationships
12 among the corporate entities; (3) inadequately capitalized SGM; (4) used the same office or business
13 location and employed the same employees for the corporate entities; (5) held Chaudhuri himself out as
14 personally liable for the debts of the corporate entities; (6) used the corporate entities as a mere shells,
15 instrumentalities or conduits for Chaudhuri and/or his individual businesses; (7) manipulated the assets
16 and liabilities between the corporate entities so as to concentrate the assets in one and the liabilities in
17 another; (8) used corporate entities to conceal their ownership, management and financial interests
18 and/or personal business activities; and/or (9) used the corporate entities to shield against personal
19 obligations, and in particular the obligations as alleged in this Complaint.

20 21. At all times relevant thereto, Defendant SGM was not only influenced and governed by
21 Defendants Chaudhuri and KPC, but there was such a unity of interest and ownership that the
22 individuality, or separateness, of SGM, Chaudhuri and KPC has ceased. Defendants acted inequitably,
23 such that adherence to the fiction of the separate existence of these entities and failure to recognize
24 Defendants as alter egos of one another would, under these particular circumstances, sanction a fraud
25 or promote injustice. Defendants on their website and in their public statements characterize themselves
26 as a single enterprise and call themselves "The KPC Group." The KPC Group may include other entities
27 and persons.
28

22. Plaintiffs are ignorant of the true names or capacities of the defendants sued under the fictitious names Does 1 through 500, inclusive. Plaintiffs will amend this Complaint to allege the true names and capacities of these Does when they have been ascertained. Plaintiffs are informed and believe that each of the defendants designated as a Doe is responsible in some manner for the events and happenings herein alleged.

Agency; Aiding and Abetting; and Conspiracy

23. At all times relevant to this Complaint, Defendants, and each of them, were acting as the agents, employees, and/or representatives of each other, and were acting within the course and scope of their agency and employment with the full knowledge, consent, permission, authorization, and ratification, either express or implied, of each of the other Defendants in performing the acts alleged in this Complaint.

24. As members of the conspiracies alleged more fully below, each of the Defendants participated and acted with or in furtherance of said conspiracy, or aided or assisted in carrying out the purposes of the conspiracy, and have performed acts and made statements in furtherance of the conspiracy and other violations of California and other applicable law.

25. Each Defendant acted both individually and in alignment with the other Defendants with full knowledge of their respective wrongful conduct. As such, Defendants conspired together, building upon each other's wrongdoing, in order to accomplish the acts set forth in this Complaint.

26. Defendants are individually sued as principals, participants, aiders and abettors, and co-conspirators in the wrongful conduct complained of and the liability of each arises from the fact that each has engaged in all or part of the improper acts, plans, schemes, conspiracies, or transactions complained of herein.

FACTUAL BACKGROUND

A. The Hospitals

27. As of August 31, 2018 (the "Petition Date"), VHS and its affiliated entities (collectively, the "Verity Health System"), including St. Vincent, St. Francis, and Seton, operated as an integrated nonprofit health care system, with approximately 1,680 inpatient beds, six active emergency rooms, a

1 trauma center, eleven medical office buildings, and a host of medical specialties, including tertiary and
2 quaternary care.

3 28. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate
4 member of five Debtor California nonprofit public benefit corporations, including (i) two that operated
5 O'Connor Hospital and Saint Louise Regional Hospital before they were sold to the County of Santa
6 Clara, and (ii) three that operate the Plaintiff Hospitals.

7 29. St. Francis owns real property commonly known as: (i) 3630 E. Imperial Highway
8 Lynwood, CA 90262, including the patient tower and all of the facilities thereon; (ii) 2700 E. Slauson
9 Ave, Huntington Park, CA 90255, and the Huntington Park Medical Office Building thereon; and
10 (iii) 5953 S. Atlantic Blvd., Maywood, CA 90270, and the Maywood Medical Office Building thereon.

11 30. St. Francis: (i) operates a 384 licensed bed, general acute care hospital located at 3630
12 East Imperial Highway in Lynwood, California; (ii) has an emergency department with 46 licensed
13 emergency treatment stations and is designated a Level II Trauma Center; (iii) has nine surgical
14 operating rooms and three cardiac catheterization labs for inpatient and outpatient cardiac
15 catheterization services; (iv) offers a comprehensive range of services, including emergency and trauma
16 care, neonatal intensive, cardiovascular, oncology, pediatrics, behavioral health, and maternity and child
17 services; and (v) offers various outpatient services, including ambulatory surgical services, laboratory
18 services, imaging services, infusion therapy, nuclear medicine services, respiratory therapy, and
19 physical therapy. Other outpatient services are provided at the following clinics: Orthopedics Clinic,
20 Wound Care Clinic, Industrial Clinic, Lynwood Clinic, Downey Clinic, and Huntington Park Clinic.
21 St. Francis is accredited by The Joint Commission.

22 31. As of the Petition Date, St. Francis employed approximately 2,017 employees, of which
23 1,583 were full-time, 136 were part time, and 298 were per diem. St. Francis was incorporated in 1983
24 and is governed by a Board of Trustees.

25 32. St. Vincent owns real property commonly known as: (i) 2131 W 3rd Street, Los Angeles,
26 CA 90057, including the hospital and all of the facilities located thereon; and (ii) vacant land in Salton
27 Sea, California. St. Vincent was founded as the first hospital in Los Angeles in 1856. In 1971, a new
28 facility was constructed at St. Vincent's current location at 2131 West Third Street, Los Angeles, CA

90057. It has expanded to a 366 licensed bed, regional acute care, tertiary referral facility, specializing in cardiac care, cancer care, total joint and spine care, and multi-organ transplant services. St. Vincent serves both local residents and residents from Los Angeles, San Bernardino, Riverside, and Orange Counties. As a provider of healthcare services for a high percentage of elderly patients, many of the St. Vincent Medical Center's services and programs are focused on the treatment of various chronic diseases.

33. As of the Petition Date, St. Vincent employed approximately 1,099 employees, of which 897 were full-time, 42 were part time and 160 were per diem.

34. Seton operates two distinct medical facilities: Seton Medical Center and Seton Medical Center Coastsides. The Seton Medical Center and Seton Medical Center Coastsides locations share a consolidated license. Seton Medical Center owns (i) real property commonly known as 1900 Sullivan Avenue, Daly City, CA 94015, and the hospital and the facilities thereon (the "Daly Property"), and (ii) an employee parking lot on the Daly Property. Seton Medical Center was originally founded as Mary's Help Hospital by the Daughters of Charity of St. Vincent De Paul in 1893. The original facility was destroyed in the San Francisco Earthquake of 1906, and by 1912, Mary's Help Hospital reopened a new facility in San Francisco. In 1965, the hospital was moved to its current location at 1900 Sullivan Avenue in Daly City. The hospital was renamed Seton Medical Center in 1983, is currently licensed for 357 beds and serves residents from San Francisco and San Mateo areas. Seton has an emergency department with 18 licensed treatment stations. It also has 13 surgical operating rooms and three cardiac catheterization labs. Of the hospital's 83 licensed skilled nursing beds, 39 are in suspense, and the remaining 44 beds are utilized as subacute care beds. Additionally, the hospital has 24 licensed acute psychiatric beds which have been placed in suspense. The hospital has a broad spectrum of medical services, including cancer, cardiac, emergency, surgical, rehabilitation, respiratory, orthopedic, and subacute care. The hospital is accredited by The Joint Commission.

35. Seton also operates a location doing business as Seton Medical Center Coastsides ("Seton Coastsides") located at 600 Marine Blvd, Moss Beach, CA 94038. Seton Coastsides is not a separate legal entity from Seton Medical Center. Seton Coastsides was founded as Moss Beach Rehabilitation Hospital in 1970. In 1980, the City of Half Moon Bay acquired ownership of the hospital and signed

1 an agreement for Daughters of Charity to manage operations of the hospital and rename it St. Catherine's
2 Hospital. In 1993, St. Catherine's Hospital became Seton Coastsides when it became integrated with
3 Seton Medical Center. Today, Seton Coastsides is licensed for 116 skilled nursing beds and five general,
4 acute-care beds. Seton Coastsides also operates the only 24-hour "standby" Emergency Department
5 along the 55-mile stretch between Santa Cruz and Daly City. Under a consolidated license, Seton
6 Medical Center and Seton Coastsides share the same Board of Directors, executive leadership team,
7 charity care policies, and union collective bargaining agreements.

8 36. As of the Petition Date, Seton Medical Center and Seton Coastsides employed
9 approximately 1,340 employees, of which 516 were full-time, 551 were part time and 273 were per
10 diem.

11 37. The Plaintiff Hospitals have been operating and serving their communities for many
12 decades. Since 1995, the Plaintiff Hospitals have incurred substantial operating losses. Efforts were
13 made over many years to find a solution which would resolve the operating losses, either through a sale
14 of some or all of the Plaintiff Hospitals, or a merger with a more financially sound partner. Despite
15 continuous efforts to improve operations, operating losses continued to plague the health system due to,
16 among other things, mounting labor costs, low reimbursement rates and the ever-changing healthcare
17 landscape.

18 **B. The Bankruptcy Cases**

19 38. On the Petition Date, the Debtors and certain related entities filed a voluntary petition
20 for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code").² The
21 Bankruptcy Cases are jointly administered under Lead Case No. 2:18-bk-20151-ER [Docket No. 17].

22 39. In connection with the Bankruptcy Cases, the Debtors initiated a process to sell
23 substantially all of their assets. To that end, the Debtors' investment banker, Cain Brothers, a division
24 of KeyBanc Capital Markets ("Cain"), prepared a Confidential Investment Memorandum (the "CIM")
25 and organized an online data site to share information with potential buyers, and contacted over 110

27 ² All references to "§" or "section" herein are to the Bankruptcy Code, 11 U.S.C. §§ 101, *et seq.*, as
28 amended.

1 strategic and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction
2 regarding the Debtors.

3 40. By August 2018, as a result of its ongoing and broad marketing process, Cain had
4 received 11 Indications of Interest (“IOI”). Postpetition Cain continued to market the assets. Each
5 potential buyer was given access to the data room and conducted its due diligence. Upon request, the
6 Debtors provided each interested party with tours of the facilities and the opportunity to discuss
7 operations with senior leadership. The Debtors, in consultation with Cain and its other advisors, selected
8 SGM to be the stalking-horse bidder based on its offer to acquire the Purchased Assets for a purchase
9 price (the “Purchase Price”) that consisted of a cash payment in the amount \$610,000,000, plus
10 assumption of certain liabilities, and payment of cure costs associated with any assumed leases,
11 contracts and assumption of other obligations. *See* APA, Section 1.1. The Debtors selected SGM in
12 reliance on Defendants’ representations and inducements.

13 41. The SGM offer, dated August 13, 2018, was issued on letterhead that included the KPC
14 logo. The offer letter stated in relevant part as follows:

15 Strategic Global Management, Inc. (“SGM” or “Strategic”) is a venture
16 company used to acquire assets and businesses, through companies which
17 are affiliated or associated (through common ownership and otherwise)
18 with SGM, but which are not subsidiaries of SGM. SGM and its
19 associated and affiliated companies (collectively, the “SGM Companies”) currently own, operate and/or manage several healthcare companies,
20 including seven hospitals in Riverside, San Bernardino and Orange
21 County, California. The SGM Companies also own and operate various
22 ancillary providers, including without limitation, skilled nursing
23 facilities, recovery centers, rehabilitation centers, diagnostic companies,
24 surgery centers, urgent care and home health providers and others. In
25 addition, SGM is affiliated with three medical groups and one IPA
26 providing care to over 85,000 commercial equivalent members in
27 Southern California. The SGM Companies also operate a medical
28 college, nursing college and nutritional college and related operations in
India.

Consistent with the manner in which the SGM has structured other
acquisitions and consistent with lender requirements for special purpose
borrowing entities, SGM would cause this proposed acquisition to be
accomplished through one or more special purpose acquisition entities,
which would be fully and adequately funded.

Hospitals affiliated with SGM (“SGM Hospitals”) include the following:

Victor Valley Global Medical Center (“VVGMC”) is a safety net provider
located in Victorville. It is one of the largest providers of Medi-Cal

1 Managed Care through an Inland Empire Health Plan (“IEHP”) contract
2 in the High Desert. It was acquired from a non-profit out of bankruptcy
3 in 2012. It has faithfully satisfied all of the Attorney General’s five-year
4 conditions for approval of the transaction.

5 Physicians for Healthy Hospitals (“PHH”) acquired Hemet Valley
6 Medical Center and Meniffee Valley Medical Center, as well as a skilled
7 nursing facility, Hemet Valley Recovery Center, and a nationally
8 respected inpatient and outpatient chemical dependency center, Hemet
9 Valley Recovery Center and Sage Retreat, from Valley Health System, a
10 district hospital system, out of bankruptcy in 2010.

11 KPC Healthcare, Inc. (“KPC Health”) owns and, through subsidiaries,
12 operates Anaheim Global Medical Center (“Anaheim”), Chapman Global
13 Medical Center (“Chapman”), Orange County Global Medical Center
14 (“OC”) and South Coast Global Medical Center “South Coast”), which
15 are all safety net providers. Orange County Global Medical Center is a
16 key Level II Trauma center located in central Orange County. All four
17 facilities have contracts for Medi-Cal Managed Care through a Cal-
18 OPTIMA contract. Pursuant to contracts with the County of Orange,
19 Anaheim is the primary provider of behavioral health services and
20 correctional health services for the County.

21 We are proud of the SGM Hospitals’ accomplishments under SGM’s
22 stewardship. Some of the key accomplishments are as follows:

- 23 • All SGM Hospitals service large economically depressed
24 populations with significant medical needs.
- 25 • All SGM hospitals were in danger of closing if SGM did not
26 assume ownership.
- 27 • When VVGMC was acquired out of bankruptcy in 2012, many of
28 its services were closed or suspended. In the first year of SGM operations,
the laboratory that was closed by CLIA was reopened for all services,
including microbiology and is fully accredited. The diagnostic cardiac
catheterization lab was taken out of suspension and new modifications are
being done to bring it up to standards for interventional work. The NICU
and GI laboratory were taken out of suspension and reopened.
- VVGMC received full Joint Commission accreditation for the
first time in 2014. It currently also maintains accreditation through the
Health Facilities Accreditation Program. It is the only facility in the High
Desert that is dual accredited.
- VVGMC financial performance has improved from a pre-
acquisition monthly loss of \$500,000 to positive EBITDA within six
months.
- VVGMC is the largest Medi-Cal provider in the High Desert area
and the largest provider for IEHP.
- The PHH facilities, which pre-acquisition had annual losses in

• KPC Health has been sold to an Employee Stock Ownership Plan (“ESOP”) and now operates for the benefit of its employees but remains managed by SGM affiliates under a long-term agreement. The KPC Health facilities have been consistently profitable under SGM management.

42. On December 3, 2018, Mr. Thomas provided to James Moloney of Cain a letter regarding the asserted availability of certain liquidity (the “Letter”) from Chaudhuri. [REDACTED]

43. On December 14, 2018, a meeting was held between numerous representatives of “KPC Group,” including, but not limited to, Chaudhuri and Peter Baronoff, Verity’s CEO Richard Adcock, and the Debtors’ investment bankers, James Moloney and Carsten Beith of Cain, to discuss St. Francis, St. Vincent, Seton, Seton Coastsides, and Defendants’ proposal to acquire them.

44. The Debtors, in consultation with Cain and its other advisors, selected SGM to serve as the stalking-horse bidder based on its offer to acquire the Hospitals at the Purchase Price. On January 8, 2019, SGM executed the APA to acquire the Plaintiff Hospitals and related assets for the Purchase Price.

45. If Defendants had indicated that they were not serious about closing, or would not be able to close the Sale transaction in accordance with the APA at the Purchase Price, then Plaintiffs would have pursued other options for the sale and disposition of these assets and reduced ongoing operational losses.

46. The APA is incorporated herein by reference. The APA provided, in relevant part, as follows:

C. The SGM Sale

47. On January 17, 2019, the Debtors filed the Debtors' *Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and For Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances (the "Sale and Bidding Procedures Motion")* [Docket No. 1279].

1 48. On February 6, 2019, the Bankruptcy Court held a hearing on the approval of the APA.
2 During that hearing, Gary Klausner, counsel for SGM, stated on the record to the Bankruptcy Court:

3
4 [L]et me tell you a little bit about Strategic Global, which is an affiliate
of a larger organization called The KPC Group.

5 Starting in 2007 I was representing an entity called Valley Health System,
6 which was a healthcare district, in a Chapter 9 case that was in Riverside
7 County in front of Judge Peter Carroll. During the course of that case, the
board of trustees decided that the best course of action to take was for the
district to sell the three hospitals it was then operating.

8 So, we went through a sale process, and an entity that's affiliated with
9 KPC called PHH, was Physicians for Healthy Hospitals, was the
10 successful bidder. We had a contested confirmation hearing where there
was a competing bidder who was arguing against our plan and against the
sale. Ultimately, Judge Carroll approved our Chapter 9 plan of
adjustment and he approved the sale.

11 PHH, the affiliate of the KPC Group, then went ahead and closed the sale,
12 and has continued to operate those facilities and has turned them around
successfully.

13 I also had occasion to work with the KPC people in connection with the
14 Victor Valley Chapter 11 case, in which Mr. Maizel was debtor's counsel.
I represented the KPC Group that was a purchaser. And in that case, there
was another purchaser there. The sale went up for approval to the
Attorney General. The Attorney General turned them down. We were
then the backup bidder. We stepped forward.

15 My client went ahead and closed that transaction. By the way, the Valley
16 Health transaction was in excess of \$100,000,000. I don't remember the
17 exact number of Victor Valley. But in that case, your Honor, our client
18 did close that transaction. Our client was approved by the Attorney
19 General. Our client successfully met all of the conditions that the
Attorney General had set forth.

20 Our client also was involved in the purchase of two troubled Orange
21 County hospitals, which it not only turned around, but in 2015, again, the
22 affiliate of KPC Group, sold those hospitals to four employee stock
ownership plans, ESOP's. And I believe it was the first acute care
hospital system in the United States to be wholly owned by the
employees. And KPC continues to operate those facilities.

23 The point of all this being, that our client is very familiar with not only
24 the ownership and management of hospitals in Southern California, but
25 has a very good track record with the Attorney General's office.

26
27 [Transcript of February 6, 2019 Hearing at 13:2-14:22.]
28

49. During the hearing on February 6, 2019, Mr. Klausner made clear that the purpose of the evaluation period (the “Evaluation Period”) under the APA was to prevent SGM from being required to close the sale if there was a risk that the Supplemental Sale Order could be overturned on appeal. SGM further admitted that it would be required to close the sale if the Supplemental Sale Order became final and nonappealable. Specifically, Mr. Klausner stated: “If the Debtor can get us a final, non-appealable order, meaning that if there’s an appeal, it gets resolved in the Debtor’s favor or maybe gets dismissed, at that point we will be obligated to close the transaction, as long as all the other conditions to closing have been satisfied.” [Transcript of February 6, 2019 Hearing at 20:7–21:6.]

50. On February 19, 2019, the Bankruptcy Court held a hearing on the Sale and Bidding Procedures Motion and certain changes to the APA were set forth on the record. Thereafter, the Bankruptcy Court entered an order approving the Sale and Bidding Procedures Motion (the “Bidding Procedures Order”) [Docket No. 1572]. Among other things, the Bankruptcy Court approved the APA, as amended, and SGM as the stalking-horse bidder, as set forth in the Bidding Procedures Order.

51. On March 11, 2019, Mr. Thomas sent an email to the Debtors’ investment banker, James Moloney of Cain, requesting permission to populate “KPC’s dataroom with Verity’s confidential information” in order to provide “KPC’s potential financing partners” with access to such information.

52. After the marketing process with respect to the Plaintiff Hospitals, there were two “Qualified Bidders” (as defined in the Bidding Procedures Order, Docket No. 1572) for partial bids for different Hospitals (one for St. Vincent and one for St. Francis) and no Qualified Full Bid. After consultation with the Consultation Parties (as defined in the Bidding Procedures Order), the Debtors determined to not conduct either a Partial Bid or Full Bid auction, as set forth in the *Notice That No Auction Shall Be Held Re Debtors’ Motion and Motion for the Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to Be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* [Docket No. 2053] filed

1 by the Debtors on April 4, 2019. Accordingly, under the terms of the APA and the Bidding Procedures
2 Order, no auction was held and the Debtors declared SGM the “winning bidder” of the Plaintiff
3 Hospitals.

4 53. On May 2, 2019, after briefing and a hearing, the Bankruptcy Court entered the *Order*
5 *(A) Authorizing The Sale Of Certain Of The Debtors’ Assets To Strategic Global Management, Inc.*
6 *Free And Clear Of Liens, Claims, Encumbrances, And Other Interests; (B) Approving The Assumption*
7 *And Assignment Of An Unexpired Lease Related Thereto; And (C) Granting Related Relief* [Docket No.
8 2306] (the “Sale Order”), approving the sale to SGM pursuant to the APA (the “SGM Sale”).

9 54. The Sale Order is incorporated herein by reference, and provides, in relevant part:

10 In accordance with the APA, concurrently with the Closing, SGM shall
11 pay that portion of the Purchase Price due at Closing, by wire transfer of
12 immediately available funds, to Debtors’ Escrow Deposit Accounts
13 (defined below), subject to the adjustments set forth in the APA. Any
direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent,
the Prepetition Secured Creditors, and the Committee in advance of the
Closing.

14 [*Id.* at 15:10-14.]

15 55. On May 17, 2019, Chaudhuri filed an Early Termination Notice with the Federal Trade
16 Commission regarding the SGM Sale. The filing lists the “Acquiring Party” as “Kali P. Chaudhuri,
17 trustee,” and the “Acquired Party” as “Verity Health System of California, Inc.”

18 56. Defendants thereafter described the SGM Sale on their websites as an acquisition by
19 KPC and Chaudhuri. For example, kpcgroup.com describes the transaction as follows:

20 KPC Health, a Santa Ana, California-based healthcare company,
21 announced Wednesday that **a federal bankruptcy judge approved the**
22 **\$610 million purchase** of four hospitals owned by financially-troubled
Verity Health System.

23 KPC Health will take ownership of St. Francis Medical Center, St.
24 Vincent Medical Center, Seton Medical Center, and Seton Coastsides in
Moss Beach. The company also acquired St. Vincent Dialysis Center as
part of the deal. [. . .]

25 “Today marks an important milestone for KPC Health’s bid to acquire
26 four Verity Health hospitals,” Dr. Kali P. Chaudhuri, chairman of KPC
27 Health, said in a statement. “We look forward to working with Verity
Health on a successful acquisition and welcoming these important
community hospitals into our integrated healthcare system.”

1 The acquisition of four Verity Health hospitals adds to KPC Health's
2 seven acute care hospitals in southern California as well as seven long-
3 term acute care hospitals and two skilled nursing facilities in multiple
4 states.³

57. Likewise, kpchealth.com states the following regarding the Sale:

5 KPC Group founder Kali Chaudhuri is attempting to do what a private
6 capital firm, a nonprofit charity, and Los Angeles' wealthiest person
7 couldn't—turn around a struggling regional hospital system.

8 The Business Journal reported last month that Chaudhuri's KPC planned
9 to pay \$610 million to acquire assets of bankrupt Verity Holdings LLC, a
10 Redwood City-based firm that owned four hospitals—including
11 Lynwood's St. Francis Medical Center, a 384-bed trauma center in L.A.
12 County—and a nursing facility.

13 Chaudhuri's plan to revitalize those facilities may be to give the unionized
14 workers a chance to own part of the hospital, something he's done with
15 other hospitals he turned around in Orange County.

16 "I came to America with \$8 in my pocket," Chaudhuri told the Business
17 Journal. "The reason I work hard in America is because I own my own
18 business, and our employees will work hard because they are owners."

19 The ownership plan for Verity won't immediately be available, as KPC
20 will initially focus on restructuring.⁴

21 58. Plaintiffs are informed and believe that SGM had concluded that the APA imposed
22 conditions that the Plaintiffs could never satisfy (i.e., conditions to closing). In particular, it now appears
23 that SGM never anticipated the Debtors would obtain agreement from the Attorney General not to
24 impose conditions on the sale transaction that materially differed from the conditions SGM developed
25 and set forth in Section 8.6 and Schedule 8.6 of the APA. Accordingly, it now appears that SGM
26 believed that it would never be obligated to pay the full Purchase Price under the APA, and instead
27 believed that it would eventually be positioned to either walk away from the transaction or coerce the
28 Debtors to submit to a significantly lower purchase price. In the meantime, Plaintiffs were obligated to
continue operating the Plaintiff Hospitals at a daily estimated loss of \$450,000 and were precluded from
attempting to sell the Plaintiff Hospitals to anyone other than SGM. Particularly egregious is

⁴ <http://kpchealth.com/kpc-chaudhuri-aims-for-kaizer-like-integration/>

Defendants' seeming belief that Plaintiffs would be forced to accept a lower purchase price because of Plaintiff's averred dedication to ensuring all Plaintiff Hospitals remained open and operating.

D. Plaintiffs Devote Substantial Time and Resources In Reliance On The Sale.

59. Plaintiffs expended tremendous time, expenses and resources to prepare for and close the SGM Sale in reliance on the APA and the Sale Order. Those efforts included but are by no means limited to the efforts described below.

60. Transfer of Operations. The transfer of operations for the Hospitals and related regulatory approval presents an enormous undertaking, and consumed thousands of hours on the part of Plaintiffs and their advisors. By way of example: (i) Plaintiffs sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988, at three different times, as KPC continued to postpone the "closing date"; (ii) thousands of counterparties to executory contracts and unexpired leases, including physicians, relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iii) Plaintiffs spent months facilitating an efficient close of the sale, with approximately 20 different workstreams, meeting at least weekly with employees of KPC to ensure a smooth transition of operations and continued care of patients; (iv) government agency personnel, including the California Department of Public Health and the Board of Pharmacy, diligently undertook to process SGM's change of ownership applications for licenses and permits in reliance on the finality of the Sale Order; (v) the Attorney General's office conducted a lengthy review process, including review of the Application (as defined below) and multiple hearings; (vi) Plaintiffs and each of their six unions spent months successfully negotiating and finalizing modified collective bargaining agreements; (vii) the medical groups affiliated with Plaintiffs sent termination notices to their remaining physicians; (viii) Plaintiffs coordinated changes in insurance coverages and insurance policies to ensure seamless coverage for employees and patients; and (ix) Plaintiffs created plans to shut off certain services after the close of the SGM Sale.

61. Chapter 11 Plan. On September 3, 2019, the Debtors filed the Debtors' Chapter 11 Plan of Liquidation (Dated September 3, 2019 [Docket No. 2993] (the "Plan")) and their related disclosure statement [Docket No. 2994] (the "Disclosure Statement"). As more fully described in the Disclosure

1 Statement, the Debtors' Plan provided for, among other things, deemed substantive consolidation and
2 the distribution of proceeds from certain sale transactions, including the SGM Sale.

3 62. Cash Collateral Agreement. On September 6, 2019, the Court granted the Debtors'
4 motion to use cash collateral [Docket No. 2962, 2968] and entered *the Final Order (A) Authorizing*
5 *Continued Use of Cash Collateral, (B) Granting Adequate Protection, (C) Modifying Automatic Stay,*
6 *and (D) Granting Related Relief* [Docket No. 3022] (the "Supplemental Cash Collateral Order"). The
7 Supplemental Cash Collateral Order authorized the Debtors' consensual use of cash collateral pursuant
8 to an agreement with certain of its secured lenders (the "Cash Collateral Agreement"). Pursuant to the
9 Cash Collateral Agreement, the Debtors were obligated to meet certain milestones, including
10 confirmation of the Debtors' plan by December 15, 2019 an effective date on or before December 31,
11 2019.

12 63. Attorney General Approval. One of the conditions to closing under the APA was (i) the
13 approval by the Attorney General Of California (the "Attorney General"), pursuant to California
14 Corporations Code § 5914 and title 11 of the California Code of Regulations, § 999.5, and (ii) that the
15 Attorney General did not impose any conditions that were "materially different" that those set forth in
16 Schedule 8.6 to the APA. Under Section 8.6 of the APA, the APA also provided that SGM "shall
17 reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable
18 order."

19 64. Plaintiffs undertook tremendous efforts to secure Attorney General approval in order to
20 satisfy Section 8.6 of the APA. Among other efforts, (i) Plaintiffs were required to pay approximately
21 \$500,000 for an expert retained by the Attorney General, (ii) Plaintiffs incurred significant costs,
22 including attorneys' fees, preparing and submitting an application (which, including exhibits, totaled
23 more than 5,826 pages) (the "Application") to the Attorney General for approval of the SGM Sale, (iii)
24 Plaintiffs participated in public meetings related to same, and negotiated intensely with the Attorney
25 General through multiple meetings, emails and documents, and (iv) Plaintiffs filed pleadings in the
26 Bankruptcy Court wherein they prevailed.

27 65. By the Application, dated May 7, 2019, Plaintiffs provided notice to, and requested
28 written consent from, the Attorney General for the proposed SGM Sale, pursuant to California

Corporations Code § 5914 and title 11 of the California Code of Regulations, § 999.5. On May 13, 2019, Plaintiffs supplemented their Application to the Attorney General.

66. During the week of August 26, 2019, Deputy Attorney General Scott Chan held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. At those public meetings, Peter Baronoff, as CEO and a representative of Defendants, made public statements to the effect that SGM is the acquisition arm of KPC, but that KPC and SGM are one and the same business entity led by Chaudhuri.

67. Specifically, at the August 26, 2019 Attorney General Public Meeting regarding St. Francis, Mr. Baronoff stated:

SGM is pleased to be here this morning. For those of you that don't know, Strategic Global Management is the acquisition entity that is part of the KPC group. For those of you who do not know KPC, KPC is an integrated healthcare system. Our system consists of seven hospitals: Two in Riverside County, located in Hemet and Menifee; one in San Bernardino County, Victor Valley Global Medical Center; and four in Orange County, Orange County Global Medical Center, Chapman Global Medical Center, Anaheim Global Medical Center and South Coast Global Medical Center.

* * *

KPC has been extremely diligent in our pursuit of these, and this is not our first time showing interest for the Verity assets. We come to the table with vast experience in operating safety net hospitals, very similar to many of those facilities which are now part of the Verity system.

* * *

We believe there is a great fit with Verity. Saint Francis is a Level 2 trauma center and our Orange County Global is a Level 2 trauma center. The management team has done what it could in bankruptcy, but it is time for the Verity system to move on. We, at KPC, have had a great relationship with labor, with physicians, with payers and IPAs. We work closely with these groups to make our hospitals successful. We certainly get to know our communities and community leadership, and we certainly want to get to know those here as well.

* * *

KPC is here today because we want to move forward. We want to move forward with 8.6. It's essential that the Attorney General's Office works with us so that the folks in this room never have to be back here today.

[August 26, 2019 Transcript, at 12:2-14:21.]

68. Likewise, at the August 27, 2019 Attorney General Public Meeting regarding St. Vincent, Mr. Baronoff stated in part:

I'm the CEO of KPC Healthcare. SGM, our acquisition entity, will be a part of KPC. For a few moments, let me tell you a little bit about KPC. KPC is an integrated healthcare system. We operate seven acute care hospitals: Two in Riverside County, located in Hemet and Menifee; one in San Bernardino County, Victor Valley Global Medical Center; and four in Orange County, Orange County Global Medical Center, South Coast Global Medical Center, Chapman Global Medical Center and Anaheim Global Medical Center.

* * *

In the ancillary side [...] we also own and operate seven long-term acute care hospitals. These hospitals are located in Baton Rouge, Louisiana; in Vicksburg, Mississippi; in Wichita Falls, Texas; Dallas, Texas; Kansas City; and Salt Lake City, Utah; and Mesa Arizona.

* * *

Where others fail, we find a way to succeed. And it's through a partnership between the employees and the physicians along with ourselves in management understanding the community's needs that we're able to move forward.

With this turnaround experience, we've seen failing hospitals and we see what happens if they do fail. We've seen hospitals close -- hospital closures -- never under our watch, but we've watched our competitors close hospitals. We find a way to implement strategy to turn these troubled hospitals around; hospitals just like this that have gone through severe financial difficulty.

* * *

Today, we see opportunities with the Verity system where many others have not. We see that it's a great fit for our system with our locations in Orange County, Riverside County and San Bernardino County.

* * *

In working forward towards the future of these hospitals, we have to be able to implement a strategy and a plan that will get us to the next level and ensure that the people behind me have stable viable futures with hospitals and communities they love. That's what keep [KPC] is all about. We've done it at seven. We plan to do it at these four and we look forward to the opportunity, and we hope the Attorney General takes a good hard look at 8.6 and agrees that it's the only way to go.

[August 27, 2019 Transcript, at 13:1-16:3.]

69. Further, at the August 29, 2019 Attorney General Public Meeting concerning Seton Medical Center, Mr. Baronoff stated:

I'm the CEO and managing director of the KPC Healthcare Group. Some of you today are hearing our name as SGM, but make no mistake, we are KPC. That is our acquisition vehicle. Before I make my remarks about Seton, I'd like to say a couple of words about who KPC is.

* * *

Well, KPC has a track record of turning around troubled hospitals. Our integrated health system, which consists of seven hospitals in Southern California, including a trauma hospital, including physician groups in the areas of emergency medicine, anesthesia, radiology, hospitalists, medical specialty groups in a variety of areas, and ancillaries in skilled nursing, skilled nursing facilities, three of them, long-term acute care hospitals. Seven located in Louisiana, Mississippi, Texas, Arizona, Utah and Kansas.

We understand that to move forward in this business one has to roll up their sleeves and know what they are getting into. We have the turnaround experience to do just that.

In one example in Victor Valley, in San Bernardino County we had attorney general conditions and we complied with all.

In Riverside County, we saw hospitals survive through Chapter 9 bankruptcies. We work closely with laborers, physicians, payors, IPAs, and we are a community partner in all cases.

We plan to do the same thing here. But people ask me why are you jumping into this. Why are you jumping into an environment with \$70 million of losses. There is a reason. We believe that Seton Medical Center's best days are in front of it. We understand there are seismic issues; we understood there are IT issues; we understand there are payor-related issues; we understand there are management-related issues; we understand there are clinical-documentation issues; we understand that there is case mix index issues. We understand all that.

* * *

Now, how do you get started here and how do you take on this huge task. Well, we started the process by meeting with management. We followed that process by meeting with physicians, reviewing numerous areas, engaging with employees, bringing teams of people here, from capital sponsors onwards.

* * *

But rest assured, a turnaround of \$70 million, for a variety of reasons, is no easy task to tackle. San Mateo County, the City of Daly City needs the Seton Medical Center. Those developers who only had an eye on the 20 acres of real estate didn't understand the community passion. Well,

1 this buyer does. And rest assured, when KPC gets involved, me, as the
2 leader will make sure the voices are heard.

3 [August 29, 2019 Transcript, at 12:9-16:3.]

4 70. On September 25, 2019, the Attorney General consented to the SGM Sale, subject to
5 2019 conditions that included additional conditions that were materially different than those SGM
6 contractually agreed to in Schedule 8.6 (the “2019 Conditions”). Accordingly, Plaintiffs filed a motion
7 which sought the entry of an order enforcing the Sale Order, finding that the SGM Sale was free and
8 clear of the 2019 Conditions, and limiting the SGM Sale to only those conditions that SGM developed
9 and then contractually agreed to in Schedule 8.6 of the APA (the “Enforcement Motion”). [Docket No.
10 3188.]

11 71. On October 23, 2019, the Bankruptcy Court issued a *Memorandum of Decision Granting*
12 *the Debtors’ Emergency Motion to Enforce the Sale Order* [Doc. No. 3188]. [Docket No. 3446.] In
13 the memorandum, the Bankruptcy Court ruled for the Plaintiffs on all issues, holding, among other
14 things, that the Attorney General’s conditions that were materially different than the conditions in
15 Schedule 8.6 were not enforceable under the Bankruptcy Code and state law.

16 72. Following negotiations, Plaintiffs and the Attorney General reached a *Stipulation*
17 *Resolving “Debtors Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order*
18 *Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear*
19 *of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney*
20 *General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief”*
21 *[Docket No. 3188]* [Docket No. 3572] and lodged a related order [Docket No. 3574]. SGM objected
22 to the proposed order. [Docket No. 3582.]

23 73. The Bankruptcy Court held a hearing on SGM’s objection to the proposed order. At the
24 hearing, the SEIU United Healthcare Workers-West withdrew its limited objection [Docket No. 3324]
25 to the Enforcement Motion. Although the California Nurses Association only filed a responsive
26 statement [Docket No. 3325], it withdrew the same to the extent it would be considered an objection.

27 74. On November 14, 2019, the Bankruptcy Court issued an *Order Granting “Debtors*
28 *Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order Authorizing the Sale to*

1 *Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions*
2 *Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General*
3 *Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief” [Doc.*
4 *3188] (the “Enforcement Order”). [Docket No. 3611.]*

5 75. The Enforcement Order provided, in relevant part, that “the Additional Conditions (as
6 defined in Section 8.6 of that certain asset purchase agreement [Docket No. 2305-1] (the “APA”)) are
7 an “interest in property” for purposes of 11 U.S.C. § 363(f). The Assets (as defined in the APA) are
8 being sold free and clear of the Additional Conditions without the imposition of any other conditions
9 which would adversely affect the Purchaser (as defined in the APA).” [Docket No. 3611.] The findings
10 in the Enforcement Order mirrored the findings required under the APA.

11 76. After the entry of the Enforcement Order, SGM’s conduct increasingly contravened its
12 obligations under the APA, as set forth below. It now appears that SGM did not anticipate such a
13 favorable order would be entered, but instead anticipated that a supplemental sale order would trigger
14 the Evaluation Period under Section 8.6 of the APA, which would give SGM the option to withdraw
15 from the transaction and/or coerce the Plaintiffs to agree to a substantially reduced purchase price.

16 77. Transfer Of Medicare and Medi-Cal Agreements. The APA also required that Plaintiffs
17 secure the transfer of Medicare and Medi-Cal Provider Agreements to SGM. To that end, on November
18 19, 2019, Plaintiffs obtained a settlement with the Centers for Medicare and Medicaid Services, an
19 agency of the United States Department of Health & Human Services, providing for the transfer of their
20 Medicare Provider Agreements to SGM without successor liability, thereby satisfying their remaining
21 obligations under Article 8.7 of the APA. [Docket No. 3680.] With respect to California Department
22 of Health Care Services (“DHCS”), Plaintiffs secured an Order [Docket No. 3372] from the Bankruptcy
23 Court authorizing the transfer free and clear of any interests asserted by DHCS, in addition to the Sale
24 Order which terminated any creditor’s recoupment rights [Docket No. 2306]. Those Orders afforded
25 equal or greater protection to SGM than any settlement could have, thereby satisfying Section 8.7. SGM
26 disagreed that the DHCS Order and the Sale Order satisfied Section 8.7. Consequently, although not
27 necessary but given SGM’s position, on November 22, 2019, Plaintiffs reached a settlement agreement
28 with DHCS, which the Bankruptcy Court approved. [Docket Nos. 3786 & 3787.]

E. Defendants Fail To Work With Alacrity Towards A Close

78. Despite the Plaintiffs' good faith efforts to work towards a prompt close of the SGM Sale, and the APA's requirement that "[t]ime is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement" (APA §12.17), Defendants dragged their feet and frustrated Plaintiffs' efforts. Defendants failed to ensure that financing, resources, management and personnel were in place for Defendants to assume operations of these four hospitals in 2019. Defendants did so knowing that Plaintiffs were continuing to operate at a loss of approximately \$450,000 per day, which imposed significant costs upon the estates and upon creditors. Defendants continuously failed to disclose to Plaintiffs that they did not have funding in place to close the Sale pursuant to the APA.

79. Defendants failed to timely engage with Plaintiffs' primary revenue providers—health plans and physician groups—to provide assurances that their business relationships with the Hospitals would continue after the close date. Defendants failed to actively engage with them for nearly five months until it was too late. In the interim, as a result of the uncertainty caused by Defendants' failure to communicate with those groups, many of them started moving patients to other facilities, which resulted in a negative revenue impact.

80. For example, beginning in May 2019, Debtors' co-counsel, Mr. Henry Kevane at Pachulski Stang Ziehl & Jones, sent a series of emails to Defendants' counsel, Gary Klausner, regarding Plaintiffs' proposed approach to the risk pool agreements that would result in assignment and closure of open issues. The majority of Mr. Klausner's responses repeated that he would check with his client, and provided no further response. Defendants' non-responsiveness on this point in turn required Plaintiffs to stipulate to multiple continuances of objections related to cure issues (*see, e.g.*, Docket Nos. 2169, 2464, 2669, 2820, 2960, 3114, 3331, 3450, 3458, 3556), and to explain to concerned and frustrated parties why Defendants did not engage in a meaningful dialogue. In addition to Mr. Kevane's correspondence, there were numerous telephone calls and substantial efforts by Plaintiffs and their financial advisors at Berkeley Research Group to move these issues forward on a weekly basis.

81. Defendants' delays on other fronts were also detrimental to operations. For example, Defendants (i) failed to onboard a sufficient management team to run the Plaintiff Hospitals (in part

1 because it has failed to make financially viable offers to potential candidates), and engaged in eleventh
2 hour efforts to hire away key members of Plaintiffs' management team, (ii) delayed developing a hiring
3 protocol that was compliant with the collective bargaining agreements in place, and instead asked the
4 Debtors to create one despite that being the buyer's obligation, (iii) failed to effectuate a hiring process
5 to promptly identify the employees it wishes to hire and extend offers to them, which resulted in
6 employee anxiety and turnover at all levels of the organization, and (iv) delayed decisions on assumption
7 or rejection on thousands of contracts, which created uncertainty for thousands of counterparties to
8 leases and contracts. As a result of these and other failures by Defendants, Plaintiffs were required to
9 devote even more of their own time and resources to efforts to make up for Defendants' shortcomings
10 and ensure the continued operation for the benefit of Defendants.

11 82. Further, after the Debtors repeatedly requested Defendants provide evidence of
12 financing, on October 3, 2019, Defendants provided to Plaintiffs a non-binding discussion draft term

26 **F. The Court Orders SGM To Close By No Later Than December 5, 2019**

27 83. APA Section 1.3 obligated SGM to close the sale "promptly but no later than ten (10)
28 business days following the satisfaction" of all conditions precedent. On November 18, 2019, the

1 Bankruptcy Court entered an order (the “Section 8.6 Order”) [Docket No. 3633] and related
2 memorandum [Docket No. 3632] finding that: “The Debtors have complied with their obligation under
3 the APA to obtain a final, nonappealable Supplemental Sale Order. Consequently, SGM is now
4 obligated to promptly close the SGM Sale, provided that all other conditions to closing have been
5 satisfied.”

6 84. On November 19, 2019, the Debtors obtained a settlement with the Centers for Medicare
7 and Medicaid Services providing for the transfer of their Medicare Provider Agreements to SGM,
8 thereby satisfying their remaining obligations under Article 8.7 of the APA. [Docket No. 3680.] SGM
9 approved the terms of the Medicare settlement. With respect to DHCS, the Debtors had previously
10 obtained an order [Docket No. 3372] from the Bankruptcy Court authorizing the transfer free and clear
11 of any interests asserted by DHCS on October 11, 2019, in addition to the Sale Order which terminated
12 any creditor’s recoupment rights [Docket No. 2306]. Those Orders afforded equal or greater protection
13 to SGM than any settlement could have, thereby satisfying Section 8.7. In addition, on November 22,
14 2019, the Debtors reached a settlement with DHCS to the same effect. SGM approved the terms of the
15 DHCS settlement.

16 85. The conditions to close under the APA had been satisfied on November 19, 2019, and
17 the transaction should have promptly closed by December 5, 2019. Accordingly, on November 20,
18 2019, the Debtors sent a letter to SGM, stating (i) the conditions to close under the APA had been
19 satisfied on November 19, 2019, and that (ii) the transaction should promptly close by December 5,
20 2019. *See* Status Report at 1. The letter requested “immediate written assurances that SGM intend[ed]
21 to proceed with the transaction and abide by its obligations under the APA not later than close of
22 business on Friday, November 22, 2019.” *Id.*

23 **G. Defendants Finally Reveal Their Lack Of Financing, And Engage In Bad Faith**
24 **Attempts To Force A Re-Trade**

25 86. On or about November 18, 2019, SGM’s CEO, Peter Baronoff, telephoned Carsten
26 Beith, at the Debtors’ investment banker Cain, and stated that SGM could not obtain sufficient financing
27 for the transaction, contrary to Section 3.9 of the APA. [Docket No. 3644.] That telephone call
28 immediately resulted in the Debtors’ request for an order [entered at Docket No. 3646] continuing the

1 hearing on the Debtors' motion [Docket No. 2995] for approval of its disclosure statement [Docket No.
2 2994].

3 87. Recognizing that the existence of financing is not a condition to close, SGM resorted to
4 making unfounded and self-serving assertions that the Debtors breached the APA and embarked on
5 impermissible manipulations to substantially reduce the purchase price without regard to: (i) the
6 language in the APA; (ii) the indisputable fact that SGM's diligence period had expired in January 2019;
7 (iii) SGM's prior representations; and (iv) the fact that all conditions of the Debtors to close had been
8 satisfied. SGM even sought meetings with the Debtors' constituents in an effort to purportedly obtain
9 concessions that would substantially reduce SGM's financial obligations, despite the Debtors' request
10 that it not do so.

11 88. On November 22, 2019, SGM sent the Debtors letters from Gary Klausner, Esq. of
12 Levene, Neale, Bender, Yoo & Brill L.L.P. and Robert W. Lundy, Jr. of Hooper, Lundy & Bookman,
13 P.C. (with enclosures), setting forth the issues that SGM had asserted amounted to a "Material Adverse
14 Effect" under the APA [Docket No. 3705] (the "November 22, 2019 Letters").⁵ The issues SGM raised
15 at the eleventh hour were not "new"—they were all known or discoverable during the diligence period
16 that had expired at least nine months earlier. And none of the issues raised changed the inescapable
17 conclusion that the SGM Sale was required to close by December 5, 2019, because the Debtors and
18 SGM negotiated the sale as an "AS IS, WHERE IS" sale under the express terms of the APA. SGM's
19 untimely, baseless and immaterial complaints were nothing more than a transparent attempt to delay the
20 closing and manufacture a basis to coerce the Plaintiffs into submitting to a substantially reduced
21 purchase price.

22 89. On November 26, 2019, the Bankruptcy Court held a Status Conference. In advance of
23 the Status Conference, SGM filed a Reservation of Rights, alleging (among other things) that "there are
24 no genuine disputes of material fact as to the [sic] whether there have been Material Adverse Effects
25 under the terms of the APA." [Docket No. 3701.] In addition, the Debtors submitted to the Bankruptcy
26

27 ⁵ The November 22, 2019 Letters were filed under seal pursuant to an order of the Bankruptcy Court
28 [Docket No. 3699], and should be maintained as confidential because they contain false and disparaging
statements about the Plaintiff Hospitals.

1 Court SGM's November 22, 2019 Letters under seal. [Docket Nos. 3697 & 3705.] At the status
2 conference, the Court rejected SGM's arguments, stating (among other things) that "[a]s far as the Court
3 is concerned" SGM is the "proud owner" of the Debtors' assets as set forth in the APA, and that SGM
4 "has an obligation to close" the transaction pursuant to the APA. [Nov. 26, 2019 Hr'g Tr. at 12:22-24,
5 14:10-11.] The Bankruptcy Court further stated:

6 After reviewing the statement of [S]trategic, I don't want to cast any
7 negative aspersions at all. But I want to make clear that I believe that it is
8 operating very closely within the satellite of bad faith. I think it has an
9 obligation to close. I think it wants to negotiate a better deal. I think it
10 believes that it will be unpalatable for the Court and for others here to see
11 patients, young, old, infirmed, being wheeled or carted out of the
12 hospitals. That's a cynical view and I don't adhere to it.

13 ***

14 All right. I'll do the following. First, I won't take the bait either. What I
15 stated was not really founded on any letters, actually. It was founded just
16 on the representations that were made in the statement. I think it was a
17 reservation of rights as far as the purchaser was concerned, which I found
18 wholly inapposite to my understanding of the APA. It appears to the
19 Court that perhaps the purchaser felt that the asset purchase agreement
20 wasn't actually an asset purchase agreement. It was a contract to
21 contemplate the purchase of an asset after the Attorney General removed
22 his conditions. And so once the Attorney General did that, then it become
23 -- became the proverbial dog that caught the car. They didn't know what
24 to do.

25 So I think that's the situation we have. With all due respect to counsel, I
26 respect them, but I think the position of his client doesn't hold water. And
27 again, that's not based upon any letters. That's just my review of the asset
28 purchase agreement and the clear terms of that or where the terms have
not been clear they have been made clear by the Court. As I've indicated,
I've given a definition of "material adverse effect."

[*Id.* at 14:7-16, 20:1-22.]

90. On November 27, 2019, the Bankruptcy Court issued an order finding that, "[p]ursuant
to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019"
("Closing Order"). [Docket No. 3724.] The Memorandum Decision supporting the Closing Order
concluded, among other things, that (i) "Adjudication of SGM's Obligations Under the APA Does Not
Require an Adversary Proceeding," (ii) "Adjudication of SGM's Obligations Under the APA Is Not
Premature," (iii) "SGM Is Not Entitled to Appeal the Bankruptcy Court's Determination Regarding a
Material Adverse Effect," (iv) "No Material Adverse Effect Has Occurred," (v) "All Conditions

Precedent to Closing Have Been Satisfied.” [Docket No. 3723.] The Bankruptcy Court further concluded that:

SGM’s contention that it is not obligated to close is a cynical attempt to extract a better purchase price. A key component of SGM’s negotiation strategy is its attempt to delay as long as possible the adjudication of its obligations under the APA. The Court will not facilitate SGM’s dubious tactics.

* * *

By presenting non-meritorious arguments as to why it is not obligated to close, SGM is holding the estates, creditors, and patients of the Hospitals hostage in an attempt to extort a better purchase price. SGM’s cynical tactics are especially offensive given the significant harm that closure of the Hospitals would impose upon patients. For example, two of the Hospitals that would likely close upon failure of the SGM Sale contain large populations of long-term patients suffering from severe illnesses, all of whom would have to be relocated to other facilities.

[*Id.*, pp. 6-7.]

91. On November 27, 2019, the Debtors sent correspondence to SGM, reiterating their demand that it close the transaction by December 5, 2019 and restating the Debtors’ commitment to cooperating with SGM towards a prompt and smooth closing. Despite the Debtors’ repeated requests that SGM provide assurances of its ability to finance the SGM Sale transaction in accordance with the APA and the Purchase Price therein, SGM refused to respond.

92. On November 29, 2019, the Debtors then sent a further letter to SGM, reiterating their demand that it timely close the transaction in accordance with the APA no later than December 5, 2019.

93. On November 29, 2019, SGM filed two notices of appeal [Docket Nos. 3726 & 3727] related to (i) the order granting the Enforcement Motion [Docket No. 3611], and (ii) the order finding that SGM is obligated to promptly close the transaction under Section 8.6 of the APA provided all other conditions to closing are satisfied [Docket No. 3633]. The appeals were frivolous and designed solely to delay and frustrate these proceedings and the closing of the SGM Sale.

94. Beginning Monday, December 2, 2019, SGM representatives failed to participate in at least five pre-scheduled operations closing calls, stating that they were doing so on the advice of SGM’s counsel, Gary Klausner.

95. On December 3, 2019, the Debtors emailed SGM, expressing continued concern for SGM's delay and the impact on the Hospitals, including that many employees no longer have confidence that SGM will purchase the hospitals given that they are still waiting for formal offers, that the Hospitals continue to flex staff and registry to manage patient care, and that vendors and the Hospitals' risk pool participants/IPAs have expressed concern that SGM does not intend to close the transaction. The Debtors again demanded that SGM affirm whether it had financial ability to proceed with the transaction in accordance with the APA, and whether it intended to close the transaction. In response, SGM announced that it would not close the Sale by December 5, and that it had filed a notice of appeal [Docket No. 3746] of the Bankruptcy Court's Closing Order.

96. On December 4 and 5, 2019, the Debtors sent additional demands to SGM for information and assurances bearing on whether it had the financial ability to perform in accordance with the APA and whether it intended to do so. SGM did not provide the requested information to Debtors.

97. On December 5, 2019, the Debtors were prepared to close the Sale, pursuant to the APA and in accordance with the Bankruptcy Court's Sale Order and Closing Order. SGM failed to do so. Accordingly, the Debtors sent a notice of default to SGM, dated December 5, 2019.

98. On December 17, 2019, the Debtors sent a notice to SGM citing various notices of breaches, and stating that the APA would terminate effective December 27, 2019.

99. SGM did not formally offer or request a different closing date with respect to closing the SGM Sale at the Purchase Price.

COUNT I: BREACH OF CONTRACT

(All Plaintiffs Against All Defendants)

Plaintiffs restate and reallege all paragraphs as if fully set forth herein.

100. As described above, Defendants have materially and continually breached the APA by (among other things): (a) failing to consummate and close the Sale transaction in accordance with the APA; (b) failing to have funds available to close the Sale at the price set forth in the APA; (c) representing in Section 3.9 of the APA and elsewhere that they had the ability to obtain "funds in cash in amounts equal to the purchase price;" (d) attempting to coerce Plaintiffs to agree to a substantially reduced purchase price, (e) failing to cooperate with Plaintiffs and move with alacrity

1 towards closing the SGM Sale; (f) making unfounded and untimely assertions of alleged Material
2 Adverse Effects; (g) asserting entitlement to an “Evaluation Period” when no such period existed after
3 the entry of the Enforcement Order, the Section 8.6 Order and the Closing Order; (h) appealing the
4 Enforcement Order to avoid its’ obligation to close and despite the APA’s requirement that Defendants
5 cooperate to render it a final, nonappealable order; and (i) filing meritless and frivolous Notices of
6 Appeal.

7 101. As a direct and proximate result of the aforementioned breaches, each Plaintiff has been
8 damaged, the exact amount to be proven. As a result of Defendants’ breaches, and as part of their
9 damages, Plaintiffs are also entitled to the recovery of attorneys’ fees associated with this dispute
10 pursuant to Section 12.12 of the APA.

11 **COUNT II: PROMISSORY FRAUD**

12 **(All Plaintiffs Against All Defendants)**

13 Plaintiffs restate and reallege all paragraphs as if fully set forth herein.

14 102. As described more fully above, Defendants promised to perform in accordance with the
15 terms of the APA. Plaintiffs are informed and believe that, at the time those promises were made,
16 Defendants had no intention of performing in accordance with the APA, including (without limitation)
17 by paying the \$610 million purchase price. Defendants concealed their true intention not to fund the
18 \$610 million purchase price under the APA, and instead to hold the estates, creditors, and patients of
19 the Plaintiff Hospitals hostage in an attempt to extort a lower purchase price.

20 103. Defendants intended to induce Plaintiffs to detrimentally rely on their promise to perform
21 in accordance with the APA by (among other things) having Plaintiff select SGM as the successful
22 bidder, enter into the APA, and devote almost a year to performing under the APA.

23 104. Plaintiffs justifiably relied upon the misrepresentation of Defendants, and each of them,
24 and as a proximate result suffered, and will continue to suffer damages in an amount to be proved at the
25 time of trial.

26 105. Plaintiffs are informed and believe and thereon allege that these acts were willful,
27 despicable, oppressive and/or fraudulent as contemplated by California Civil Code § 3294, and that all
28 were done with the knowledge, approval and ratification of Defendants, and each of them, by or through

1 their managerial agents. In order to deter such conduct by Defendants, and each of them, in the future,
2 and to prevent repetition of such conduct as a practice, Plaintiffs pray for exemplary and punitive
3 damages.

4 **COUNT III: TORTIOUS BREACH OF CONTRACT (BREACH OF THE IMPLIED**
5 **COVENANT OF GOOD FAITH AND FAIR DEALING)**

6 **(All Plaintiffs Against All Defendants)**

7 Plaintiffs restate and reallege all paragraphs as if fully set forth herein.

8 106. The APA contains an implied covenant of good faith and fair dealing, whereby
9 Defendants agreed to act in good faith and deal fairly with Plaintiffs, and to refrain from taking any
10 action which would interfere with Plaintiffs' rights under the APA.

11 107. Defendants, and each of them, tortiously breached the APA and the implied covenant of
12 good faith and fair dealing owed to Plaintiffs by (among other things) intentionally, fraudulently,
13 unreasonably, oppressively, and without proper cause: (a) entering the APA with no intention to perform
14 their obligations thereunder; (b) failing to consummate and close the Sale transaction in accordance with
15 the APA; (c) failing to have funds available to close the Sale at the Purchase Price set forth in the APA;
16 (d) attempting to coerce Plaintiffs to engage in a re-trade; (e) failing to cooperate with Plaintiffs and
17 move with alacrity towards closing the SGM Sale; (f) making unfounded and untimely assertions of
18 alleged Material Adverse Effects; (g) asserting entitlement to an "Evaluation Period" following entry of
19 the Enforcement Order, Section 8.6 Order and Closing Order; (h) filing meritless and frivolous Notices
20 of Appeal; and (i) failing to respond to Plaintiffs inquiries regarding SGM's intent and financial ability
21 to perform the APA.

22 108. Defendants intended and/or knew that their conduct described herein would cause severe
23 harm in the form of, *inter alia*, substantial consequential damages to Plaintiffs. As a direct and
24 proximate result of Defendants' tortious breach of the APA and breach of the implied covenant of good
25 faith and fair dealing, Plaintiffs have suffered damages in an amount to be proved.

26 109. As a further direct and proximate result of Defendants' tortious breach of the APA and
27 the implied covenant of good faith and fair dealing, Plaintiffs have been compelled to incur operational

1 expenses, attorney's fees and other expenses to pursue their right to benefits due under the APA, causing
2 Plaintiffs to suffer further loss in an amount to be proved.

3 110. Plaintiffs are informed and believe and thereon allege that Defendants, and each of them,
4 intentionally engaged in a course of conduct which was intended or expected to injure Plaintiffs, in
5 conscious disregard of Plaintiffs' right under the APA, as alleged in this Complaint. Plaintiffs are
6 informed and believe and thereon allege that these acts were willful, despicable, oppressive and/or
7 fraudulent as contemplated by California Civil Code § 3294, and that all were done with the knowledge,
8 approval and ratification of Defendants, and each of them, by or through their managerial agents. In
9 order to deter such conduct by Defendants, and each of them, in the future, and to prevent repetition of
10 such conduct as a practice, Plaintiffs pray for exemplary and punitive damages.

11 WHEREFORE, Plaintiffs pray for judgment as hereinafter set forth.

12 **PRAYER**

13 Plaintiffs pray for judgment against Defendants, and each of them, as follows:

- 14 1. For special and consequential damages in an amount to be proved at trial;
- 15 2. For attorney's fees;
- 16 3. For punitive damages in an amount to punish or make an example of Defendants'
17 conduct;
- 18 4. For prejudgment and post-judgment interest allowed by law;
- 19 5. For costs of suit incurred herein; and
- 20 6. For such other and further relief as the Bankruptcy Court deems just and proper.

1.6.2 Other than the Utility Deposits (defined below), which are governed by Section 1.8(j), and other than with respect to Cure Costs payable by Purchaser, the following costs and expenses shall be prorated based upon the payment period (*i.e.*, calendar or other tax fiscal year) to which the same are attributable: all real estate and personal property lease payments, real estate and personal property taxes, real estate assessments, other than the PACE Special Assessments and other similar charges against real estate, and power and utility charges (collectively, the **"Prorated Charges"**) on the Assets. Purchaser's receipt of same. For the avoidance of doubt, all rental payments received after Closing shall be first applied to any amounts owed to the Sellers under this Section 1.6.3.

1.6.4 All prorations and payments to be made under the foregoing provisions shall be agreed upon by Purchaser and Sellers prior to the Closing and shall be binding upon the parties; provided, however, with respect to the Unpaid Amounts, in the event any proration, apportionment or computation shall prove to be incorrect for any reason, then either the applicable Seller or Purchaser shall be entitled to an adjustment to correct the same, provided that said party makes written demand on the party from whom it is entitled to such adjustment within thirty (30) calendar days after the erroneous payment or computation was made, or such later time as may be required, in the exercise of due diligence, to obtain the necessary information for proration. 4.1.2 Notwithstanding anything contained herein, no Seller shall be required to provide Purchaser or its representatives or agents access to or disclose information where such access or disclosure would violate the rights of its patients, jeopardize the attorney-client or similar privilege with respect to such information or contravene any law, judgment, fiduciary duty or contract entered into prior to or on the date of this Agreement with respect to such information.

4.2 Cooperation.

4.2.1 Each Seller shall reasonably cooperate with Purchaser and its authorized representatives and attorneys: (a) in Purchaser's efforts to obtain all consents, approvals, authorizations, clearances and licenses required to carry out the transactions contemplated by this Agreement (including, without limitation, those of governmental and regulatory authorities) or which Purchaser reasonably deems necessary or appropriate, (b) in the preparation of any document or other material which may be required by any governmental agency as a predicate to or result of the transactions contemplated in this Agreement, and (c) in Purchaser's efforts to effectuate the assignment of Assumed Contracts to Purchaser as of the Closing Date. Except as may be otherwise requested by a Seller in order to comply with applicable law or regulatory guidance, notwithstanding anything contained herein, other than Bankruptcy Court orders and authorizations, it shall be Purchaser's sole responsibility (including payment of any fees, expenses, filings costs or other amounts) to obtain the Contract and Lease Consents, as well as all governmental consents, approvals, assignments, authorizations, clearances and licenses required to (x) carry out the transactions contemplated by this Agreement, including but not limited to medical licenses and/or (y) transfer any of the Assets, including any Licenses. To the extent Purchaser needs certain information and data which is in the possession of a Seller in order for Purchaser to complete Purchaser's license and permit approval applications, Purchaser shall receive, upon request, reasonable assistance from such Seller in connection with the provision of such information.

4.2.2 Notwithstanding any provision to the contrary contained in this Agreement (including Section 8.7), no Seller shall be obligated to obtain the approval or consent to the assignment, to Purchaser, of any Assumed Contracts or Assumed Leases, from any party to any of the Assumed Contracts or Assumed Leases even if any such contract or lease states that it is not assignable without such party's consent.

4.3 Other Bidders. Purchaser expressly acknowledges and agrees that each Seller has an obligation to seek out and determine the best and highest offer reasonably available for such

Seller's assets in accordance with the Bankruptcy Code, and nothing herein shall amend, modify, alter, diminish or affect such obligation.

4.4 Sellers' Efforts to Close. Each Seller shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Purchaser's obligations under this Agreement to the extent that such Seller's action or inaction can control or materially influence the satisfaction of such conditions; provided, however, that such Seller shall not be required to pay or commit to pay any amount to (or incur any obligation in favor of) any person (other than filing or application fees).

4.5 Termination Cost Reports. Each Seller shall file all Medicare, Medi-Cal and any other termination cost reports required to be filed as a result of the consummation of (a) the transfer of the Assets of such Seller to Purchaser and (b) the transactions contemplated by this Agreement with respect to such Seller, provided that Purchaser shall fund reasonable costs and expenses of preparation, filing and audit of such reports. Purchaser shall permit each Seller access to all Hospital books and records to prepare such reports and shall assist such Seller in the process of preparing, filing, and reviewing the termination cost reports. All such termination cost reports shall be filed by the applicable Seller in a manner that is consistent with current laws, rules and regulations. Each Seller shall be responsible for filing governmental cost reports for the period of January 1, 2019 through the Closing Date. Purchaser shall be responsible for its own cost report filings relating to the Hospitals beginning on the day immediately following the Effective Time.

4.6 Conduct of the Business. From the Signing Date until the Closing, or the earlier termination of this Agreement, without the prior written consent of Purchaser, Sellers shall, with respect to the ownership of the Assets and the operation of the Hospitals, use commercially reasonable efforts to, in each case except as would not have a Material Adverse Effect (except as otherwise noted):

(a) without regard to Material Adverse Effect, carry on Sellers' ownership of the Assets and the operation of the Hospitals consistent with past practice, but subject to the Bankruptcy Cases and Sellers' obligations and actions in connection therewith;

(b) maintain in effect the insurance and equipment replacement coverage with respect to the Assets;

(c) if and as permitted by the Bankruptcy Court, pay any bonuses payable under the Key Employee Retention Plan and Key Employee Incentive Plan of Sellers;

(d) maintain the Assets in materially the same condition as at present, ordinary wear and tear excepted;

(e) perform its obligations under all contracts with respect to the Assets in compliance with the Bankruptcy Code;

(f) following entry of the Sale Order, permit and allow reasonable access by Purchaser and its representatives (which shall include the right to send written materials, all of which shall be subject to Sellers' reasonable approval prior to delivery) to make offers of post-

Closing employment to any of Sellers' personnel (including access by Purchasers and their representatives for the purpose of conducting open enrollment sessions for Purchasers' employee benefit plans and programs) and to establish relationships with physicians, medical staff and others having business relations with Sellers;

(g) with respect to material deficiencies, if any, cited by any governmental authority (other than the Attorney General of the State of California and other than with respect to Seismic requirements) or accreditation body in the most recent surveys conducted by each, cure or develop and timely implement a plan of correction that is acceptable to such governmental authority or such accreditation body;

(h) timely file or cause to be filed all material reports, notices and tax returns required to be filed and pay all required taxes as they come due;

(i) without regard to Material Adverse Effect, beginning on February 21, 2019 and in accordance with the Sellers' budget under their debtor in possession financing, timely pay any fees that are or become due and payable under QAF IV and QAF V;

(j) comply in all material respects with all Legal Requirements (including Environmental Laws) applicable to the conduct and operation of the Hospitals; and

(k) without regard to Material Adverse Effect, maintain all material approvals, permits and environmental permits relating to the Hospitals and the Assets.

4.7 Contract With Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

ARTICLE 5

COVENANTS OF PURCHASER

5.1 Purchaser's Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers' obligations under this Agreement to the extent that Purchaser's action or inaction can control or materially influence the satisfaction of such conditions. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement, Purchaser shall be permitted to communicate and meet with (a) counter-parties to the agreements and contracts of the Hospitals, included those included in Assumed Obligations, regarding the terms and conditions under which they may be assumed and assigned to Purchaser, and (b) applicable governmental and regulatory authorities regarding prospective compliance with regulatory requirements and related issues; so long as, in the case of each of (a) and (b) (i) such communications and meetings do not interfere with the operation of the Businesses or the conduct of the Bankruptcy Cases and (ii) any communications or meetings with any governmental authority are approved in advance by Sellers as to timing and content (and Sellers are copied on such communications and afforded the opportunity to participate in such meetings).

5.2 Required Governmental Approvals.

(a) Purchaser, at its sole cost and expense (a) shall use its best efforts to secure, as promptly as practicable before the Closing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled (and provide Sellers copies of all materials relating to such consents, approvals, authorizations, clearances and licenses upon submission and all materials received from third parties in connection with such consents, approvals, authorizations, clearances and licenses upon receipt), and (b) will provide such other information and communications to governmental and regulatory authorities as any Seller or such authorities may reasonably request. Purchaser will provide Sellers periodic and timely updates regarding all such consents, approvals, authorizations, clearances and licenses. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Effective Time. Purchaser shall, promptly, but no later than thirty (30) business days after the entry of the Sale Order or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other similar documents with all applicable governmental and regulatory authorities which are a prerequisite to obtaining the material licenses, permits, authorizations and provider numbers described in Section 8.1. Purchaser shall be entitled, but not obligated, to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and obtain estoppel certificates from any third party to any Leased Real Property. Purchaser's failure to obtaining any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either party's obligation to close the transactions contemplated by this Agreement.

(b) Purchaser and Sellers agree that because the change of ownership and regulatory approval process in connection with the transactions contemplated by this Agreement may take an extended period of time, Purchaser and Sellers agree to an initial closing effective upon the approval of the court and upon the approval of the transaction by the CA AG (as defined below) in accordance with Sections 7.5 and 8.6, at which time the Assets (less the portion of the Assets constituting drugs or other pharmacy assets) will be sold to Purchaser and immediately leased back

to Sellers, with a concurrent management agreement entered into at that time upon terms mutually agreeable to the parties in their reasonable business judgment. The Sale Leaseback Agreement and Interim Management Agreement will terminate at the Closing when the Purchaser is issued the Licenses necessary to operate the Hospitals directly (namely, the Hospital Licenses and pharmacy permits).

5.3 Certain Employee Matters.

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) (the “**Hospital Employees**”) who, immediately prior to the Effective Time are: (i) employees of any Seller; (ii) employees of any affiliate of any Seller which employs individuals at the Hospital and are listed on Schedule 5.3; or (iii) employed by an affiliate of any Seller and are listed on Schedule 5.3. For the avoidance of doubt, the Hospital Employees shall not include any employees of Verity or any other affiliate of Seller unless such individual is listed on Schedule 5.3. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the “**Hired Employees**.” All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.

(b) Purchaser shall give all Hired Employees full credit for paid time off pay to such employees as of the Closing Date by crediting such employees the time off reflected in the employment records of the applicable Seller and/or any of its affiliates immediately prior to the Effective Time, subject to compliance with applicable law and regulation, including consent of such employees if required.

(c) After the Closing Date, Purchaser’s human resources department will give reasonable assistance to each Seller and its affiliates with respect to such Seller’s and such Seller’s affiliates’ post-Closing administration of such Seller’s and such Seller’s affiliates’ pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to each Seller a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(d) With respect to any collective bargaining agreements or labor contract with respect to any employees, Purchaser shall comply with the applicable laws and bankruptcy court orders relating to collective bargaining agreements or labor contracts.

(e) The provisions of this Section 5.3 are solely for the benefit of the parties to this Agreement, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

5.4 Excluded Assets. As soon as practicable after the Closing Date, Purchaser shall deliver to each Seller or such Seller’s designee any Excluded Assets of such Seller found at the

Hospital on and after the Effective Time, without imposing any charge on any Seller for Purchaser's storage or holding of same on and after the Effective Time.

5.5 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.6 Attorney General. Promptly after entry of the Sale Order, but in any event within ten (10) calendar days, Purchaser shall, at its sole cost and expense, make any notices or other filings with the Attorney General of the State of California (the "CA AG"). Each Seller shall reasonably cooperate with Purchaser in such notices or other filings.

5.7 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue as of the Closing.

5.8 Cure Costs. Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code. For purposes of this Agreement, "**Cure Costs**", means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assumed Contracts and Assumed Leases to Purchaser as provided herein.

5.9 Operating Covenant. Purchaser shall act in good faith and use Purchaser's commercially reasonable efforts to serve the medical needs of each Hospital's service area.

5.10 HSR Filing. Purchaser and each Seller will as promptly as practicable, and in any event no later than five business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act.

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement. In addition, Sellers may, in their discretion, seek to reject any or all of the collective bargaining agreement(s).

ARTICLE 6

SELLERS' BANKRUPTCY AND BANKRUPTCY COURT APPROVAL

6.1 Bankruptcy Court Approval; Overbid Protection and Break-Up Fee.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Assets and the assumption and assignment of the Assumed Contracts and Assumed Leases are subject to Bankruptcy Court approval, and that this Agreement is subject to termination in its entirety in the event any Seller receives a better and higher offer for the Assets in accordance with the Bankruptcy Code and subject to the terms stated herein.

(b) Promptly following the execution of this Agreement by all parties, the Seller shall file a motion with the Bankruptcy Court (the "**Sales Procedures Motion**"), the content of which shall be subject to the reasonable approval by Purchaser, for entry of an order approving bid procedures and overbid protections containing substantially the following terms and conditions:

(1) the Seller shall not accept any offer to sell the Assets subject to this Agreement ("**Overbid**") to another purchaser ("**Overbidder**") unless that offer exceeds the Purchase Price by an amount sufficient to pay the Break-Up Fee and such offer includes the purchase of substantially all Assets subject of this Agreement;

(2) in the event that an overbidder (and not the Purchaser) is the successful bidder for the purchase of the Assets (the "**Alternate Transaction**") and the Alternative Transaction is approved by the Bankruptcy Court, (a) the Deposit, and any interest earned thereon, shall be returned to Purchaser immediately upon the entry of such sale order, and (b) Purchaser shall be paid a break-up fee of three and one-half percent (3.25%) of the Cash Consideration (\$19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed \$2,000,000.00 (the "**Break-Up Fee**"); provided, however, that in the event that

the Purchaser is successful as to some but not all of the Assets, the Break-Up Fee shall be reduced pro rata to the percentage of Assets not actually purchased by the Purchaser, based on the allocation of the Purchase Price as described in Section 1.1(a)(i), as compared to the Assets which were the subject of this Agreement; in the event that Purchaser terminates this Agreement in accordance with Section 8.6 hereof, expenses of Purchaser incurred in satisfaction of Section 8.6 shall be reimbursed up to \$500,000; and

(3) The Break-Up Fee shall be deemed to be an allowed expense of the kind specified in Section 503(b) of the Bankruptcy Code to be paid solely from the proceeds of the Alternate Transaction, pursuant to the Sale Order. The Break-Up Fee shall not be paid if the Alternate Transaction was pursued due to a material breach by the Purchaser or the Purchaser's failure or refusal to consummate the transaction after the satisfaction or waiver of all closing conditions.

The Sales Procedures Motion will contain bid procedures as set forth in the bid procedures attached hereto as **Schedule 6.1(b)(3)**.

If Sellers fails to obtain Bankruptcy Court approval for the Sales Procedures Motion by no later than four weeks after the end of the Final Diligence Period, Purchaser shall have the right to terminate this Agreement, without recourse or liability, and Seller shall immediately thereafter return to Purchaser the Deposit and any interest earned thereon.

(c) Each Seller shall at the Sale Hearing exercise reasonable efforts to obtain a "Sale Order" approving this Agreement, subject to its obligations in respect of any better and higher offer for such Seller's assets in accordance with the Bankruptcy Code. For purposes of this Agreement, the term "**Sale Order**" shall mean an order of the Bankruptcy Court authorizing the sale of the Assets (including the assumption and assignment of the Assumed Contracts and Assumed Leases) to Purchaser consistent with this Agreement and in a form reasonably satisfactory to Purchaser.

(d) Each Seller agrees to proceed in good faith to obtain Bankruptcy Court approval of the sale contemplated herein with a determination that Purchaser is a good faith purchaser pursuant to Bankruptcy Code section 363(m) and to file such declarations and other evidence as may be required to support a finding of good faith.

(e) Each Seller shall seek an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against such Seller as debtor solely in the Bankruptcy Court.

6.2 Appeal of Sale Order. In the event an appeal is taken or a stay pending appeal is requested from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from either of such orders. In the event of an appeal of the Sale Order, Sellers shall be primarily responsible for drafting pleadings and attending hearings as necessary to defend against the appeal; provided, however, Purchaser, at its option, shall have the right to

participate as a party in interest in such appeal. In the event a stay is issued by any appellate court, including the United States District Court, which prevents the sale from closing, as scheduled, Purchaser shall have the right to terminate this Agreement if such stay is not vacated on or before 45 days from the date of the stay is issued, and Purchaser shall be entitled to the prompt return of the Deposit and any interest earned thereon.

ARTICLE 7

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

Sellers' obligation to sell the Assets and to close the transactions as contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Sellers in whole or in part at or prior to the Closing:

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

7.3 Performance of Covenants. Purchaser shall have in all respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by it on or prior to the Closing Date.

7.4 Governmental Authorizations. Purchaser shall have obtained all material licenses, permits and authorizations from governmental agencies or governmental bodies that are necessary or required for completion of the transactions contemplated by this Agreement, including reasonable assurances that any material licenses, permits and authorizations not actually issued as of the Closing will be issued following Closing (which may include oral assurances from appropriate governmental agencies or bodies).

7.5 Attorney General Provisions. The conditions to Purchaser's obligations to close set forth in Section 8.6 shall have been satisfied.

7.6 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order.

7.7 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

7.8 CSCDA Acknowledgement. The CSCDA and PACE Trustee shall have executed acknowledgements in form and substance acceptable to Sellers that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations, and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date.

ARTICLE 8

CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Governmental Authorizations. Except as otherwise set forth in this Agreement, Purchaser and Sellers shall have obtained licenses, permits and authorizations from governmental agencies or governmental bodies that are required for the purchase, sale and operation of the Hospitals, including without limitation approval of the CA AG (subject to Section 8.6), except in such case where failure to obtain such license, permit or authorizations from a governmental agency or governmental body does not have a Material Adverse Effect.

8.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

8.3 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to all of the provisions of this Agreement.

8.4 Performance of Covenants. Sellers shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; *provided, however*, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

8.5 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser

agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the “Additional Conditions”), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order (“Supplemental Sale Order”) finding that the Additional Conditions are an “interest in property” for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of \$5 million, or more, shall be conclusively deemed to be “materially different.” If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General’s imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the “Evaluation Period”) to determine, in the exercise of the Purchaser’s reasonable business judgment and in consultation with Purchaser’s financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller’s failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the “Extended Evaluation Periods”). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser’s business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, “a final, non-appealable order” shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than \$500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein,

shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services ("**CMS**") and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services ("**DHCS**"), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers' Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge, and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposes of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.

8.8 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

ARTICLE 9

TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

- (a) by the mutual written consent of the parties;
- (b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after service by Sellers upon Purchaser of a written notice which describes the nature of such breach;
- (c) by Purchaser if, in its sole and absolute discretion, it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to this Agreement, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under this Section 9.1(c) on or prior to January 8, 2019, which notice may be given by facsimile or email correspondence; provided, that for the avoidance of doubt, following expiration of the Final Diligence Period, notwithstanding anything else in this Agreement, Purchaser shall not be entitled to terminate this Agreement (or not Close) as a result of the breach of any representation or warranty made by Sellers (or any of them) other than the breach of a Sale Order Date Representation, but in each case solely to the extent such breach of a Sale Order Date Representation would result in a Material Adverse Effect; provided, further, that any dispute between Purchaser and Sellers as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court;

(d) by Purchaser if a material breach of this Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser upon Sellers of a written notice which describes the nature of such breach;

(e) by Purchaser if satisfaction of any of the conditions in ARTICLE 8 has not occurred by December 31, 2019 or becomes impossible, and Purchaser has not waived such condition in writing (provided that the failure to satisfy any of the applicable condition or conditions in Sections 8.1 through 8.5 inclusive has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date); provided that upon the imposition of Additional Conditions by the CA AG, Section 8.6 must be satisfied or waived by Purchaser by no later than sixty (60) days thereafter.

(f) by Sellers if satisfaction of any of the conditions in ARTICLE 7 has not occurred by December 31, 2019 or becomes impossible, and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(g) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Cases or fails to approve the Sales Procedures Motion by the date specified in Section 6.1(b);

(h) by Sellers if, in connection with the Bankruptcy Cases, any Seller accepts an Alternate Transaction and pays the Break-Up Fee;

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before December 31, 2019; or

(j) by Purchaser if a force majeure event (such as acts of God, storms, floods, landslides, earthquakes, lightning, riots, fires, pandemics, sabotage, civil commotion or civil unrest, interference by civil or military authorities, acts of war (declared or undeclared) or armed hostilities, other national or international calamity, one or more acts of terrorism, or failure of energy sources) shall have occurred between the Signing Date and Closing Date, which event is reasonably likely to have a Material Adverse Effect.

9.2 Termination Consequences. If this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1: (a) all further obligations of the parties under this Agreement shall terminate (other than Purchaser's right to receive the Break-Up Fee if applicable), provided that the provisions of ARTICLE 12, shall survive; and (b) each party shall pay only its own costs and expenses incurred by it in connection with this Agreement; provided, in the case of any termination based on Sections 9.1(b) or (d) the consequences of such termination shall be determined in

accordance with ARTICLE 11 hereof. In addition, if this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1 (other than Section 9.1(b)), Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Each Party acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement.

ARTICLE 10

POST-CLOSING MATTERS

10.1 Excluded Assets.

Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within five (5) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to the applicable Seller. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to any Seller under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to any Seller because of, outstanding claims, liabilities or obligations asserted by Purchaser against any Seller. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to the applicable Seller in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Seller (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to the applicable Seller.

10.2 Preservation and Access to Records After the Closing.

(a) From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the "**Document Retention Period**"), Purchaser shall keep and preserve all medical records (including, without limitation, electronic medical records), patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers' estate representative or any liquidating trustee of the Sellers' bankruptcy estate ("**Seller Parties**"), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Effective Time (including, without limitation, access to records of patients treated at the Hospital prior to the Effective Time) during normal business hours after the Effective Time, to the extent reasonably needed by any Seller Party for any lawful purpose. Purchaser acknowledges that, as a result of entering into this Agreement and operating the Hospital, it will gain access to patient records and other information which are subject to rules and regulations concerning confidentiality. Purchaser shall abide by any such rules and regulations

relating to the confidential information it acquires. Purchaser shall maintain the patient and medical staff records at the Hospital in accordance with applicable law and the requirements of relevant insurance carriers. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents described in this Section 10.2(a), Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal. Any of the Seller Parties shall have the right, at its sole cost, to take possession of such documents during such forty-five (45) calendar day period. If any of the Seller Parties does not take possession of such documents during such forty-five (45) calendar day period, Purchaser shall be free to destroy or otherwise dispose of such documentation upon the expiration of such forty-five (45) calendar day period.

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Effective Time with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees); provided that Purchaser shall not be required to incur any out of pocket costs in association therewith. In addition, Sellers and their affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of their affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or their applicable affiliate's use of such records.

(c) In connection with (i) the transition of the Hospital pursuant to the transaction contemplated by this Agreement, (ii) Sellers' rights to the Excluded Assets, (iii) any claim, audit, or proceeding, including, without limitation, any tax claim, audit, or proceeding and (iv) the Sellers' obligations under the Excluded Liabilities, Purchaser shall after the Effective Time give Sellers access during normal business hours to Purchaser's books, personnel, accounts and records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital as representatives of Sellers and their affiliates may from time to time reasonably request, all in such manner as not to unreasonably interfere with the operations of the Hospital.

(d) Purchaser and its representatives shall be given access by Sellers during normal business hours to the extent reasonably needed by Purchaser for business purposes to all documents, records, correspondence, work papers and other documents retained by Sellers pertaining to any of the Assets prior to the Effective Time (excluding confidential employee information, privileged materials and patient records), all in such manner as to not interfere unreasonably with Sellers. Such documents and other materials shall be, at Sellers' option, either

(i) copied by Sellers for Purchaser at Purchaser's expense, or (ii) removed by Purchaser from the premises, copied by Purchaser and promptly returned to Sellers.

(e) Purchaser shall comply with, and be solely responsible for, all obligations under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Parts 160 and 164) promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 with respect to the operation of the Hospital on and after the Effective Time.

(f) Purchaser shall cooperate with Sellers, on a timely basis and as reasonably requested by Sellers, in connection with the provision of all data of the Hospital and other information required by Sellers for reporting to HFAP for the remainder of the quarterly period in which the Closing has occurred.

(g) To the maximum extent permitted by law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities or Excluded Assets, including without limitation, documents relating to the operations of any of the Hospital or any of the Hospital's committees prior to the Effective Time, prior to any disclosure of such documents, Purchaser shall notify Sellers and shall provide Sellers with the opportunity to object to, and otherwise coordinate with respect to, such request or demand.

(h) Provision of Benefits of Certain Contracts. Notwithstanding anything contained herein to the contrary, this Agreement shall not constitute an agreement to assign any Assumed Contract or Assumed Lease, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would constitute a breach thereof or in any way negatively affect the rights of Sellers or Purchaser, as the assignee of such Assumed Contract or Assumed Lease, as the case may be, thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, such consent or approval is required but not obtained, Sellers will cooperate with Purchaser in any reasonable arrangement designed to both (a) provide Purchaser with the benefits of or under any such Assumed Contract or Assumed Lease, and (b) cause Purchaser to bear all costs and obligations of or under any such Assumed Contract or Assumed Lease. Further, notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Account Receivable the assignment of which is either prohibited by law or by the terms of any contract with a payor without the consent of such payor. Any payments received by Sellers after the Closing Date from patients, payors, clients, customers, or others who are the obligors on Accounts Receivables transferred to Purchaser as a part of the Assets on the Closing Date shall be paid over to Purchaser within ten (10) business days after receipt by Seller.

10.3 Closing of Financials. Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall cause the individual acting as the chief financial officer of the Hospital after the Effective Time (the "**Post-Effective Time CFO**") to cooperate with Sellers' representatives in order to complete the standardized closing of Sellers' financial records through the Closing Date including, without limitation, the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Purchaser shall cause the Post-Effective Time CFO to use his or her good faith efforts to cooperate with Sellers' representatives in order to complete the Closing of Financials by no later than the date which is thirty (30) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to

Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers' post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO's other duties.

10.4 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital's medical staff members in good standing as of the Effective Time shall maintain medical staff privileges at the Hospital as of the Effective Time. On and after the Effective Time, the medical staff will be subject to the Hospital's Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.5 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates which are not being sold to Purchaser ("**Shared Intangible Assets**") and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; provided, however, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

ARTICLE 11

DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed \$60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under this Agreement.

11.2 Seller Default. If Sellers commit any material default under this Agreement, Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Closing Date, the parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Effective Time and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The parties shall also make available to each other to the extent

reasonably required, and at the reasonable cost of the requesting party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) The Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income Tax purposes) shall be allocated among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder as set forth in **Schedule 11.3(b)** (such schedule the “**Allocation Schedule**”). The Allocation Schedule shall be for Sellers’ and Purchaser’s tax purposes only, and shall not limit the Sellers’ creditors in any way.

11.4 Cost Report Matters.

(a) Consistent with Section 4.5, Sellers shall, at Purchaser’s expense, prepare and timely file all cost reports relating to the periods ending prior to the Effective Time or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the “**Seller Cost Reports**”).

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers’ preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser’s provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Effective Time with respect to Seller Cost Reports except for preparation and filing thereof.

ARTICLE 12

MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Sellers shall execute, acknowledge and deliver to Purchaser any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Purchaser at any time and shall take any and all other actions reasonably requested by Purchaser at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Purchaser, the Assets. After consummation of the transaction contemplated in this Agreement, the parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; *provided, however*, that no party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties which consent shall not be unreasonably withheld or delayed, except that Purchaser

may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the parties hereto.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated by reference herein. From the Signing Date until the Closing, the parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, but subject to Section 9.2(c), should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article III merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on the face of such disclosure, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5) calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

12.7 Headings. The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related to this Agreement or any other transaction contemplated hereby and each shall have the right to review and comment on the other's press releases prior to issuance; *provided, however*, that nothing in this Section 12.8 shall be deemed to prohibit either Sellers or Purchaser from making

any disclosure that its counsel deems necessary or advisable in order to satisfy either party's disclosure obligations imposed by law subject to reasonable prior notice to the other party thereof.

12.9 Fair Meaning. This Agreement shall be construed according to its fair meaning and as if prepared by all parties hereto.

12.10 Gender and Number; Construction; Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word "including" followed by a listing does not limit the preceding words or terms and shall mean "including, without limitation." Any reference in this Agreement to an "affiliate" shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A "Person" shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.11 Third Party Beneficiary. None of the provisions contained in this Agreement are intended by the parties, nor shall they be deemed, to confer any benefit on any person not a party to this Agreement, except for the parties' successors and permitted assigns, and except for any liquidating trustee or plan administrator for Sellers' estate.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the parties hereto. The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding between the parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the parties on the subject matter hereof (the "**Superseded Agreements**"), which

Superseded Agreements shall be of no further force or effect; provided, that notwithstanding the foregoing, the letter Confidentiality Agreement dated July 12, 2018 between Purchaser and Cain Brothers, a division of KeyBanc Capital Markets Inc., on behalf of Sellers and their related entities shall not be a Superseded Agreement and shall continue in full force in effect in accordance with its terms.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the party which is entitled to the benefit thereof but only by a written notice signed by the party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a party shall not be deemed to be a waiver of any preceding breach by any other party of any term, covenant or condition of this Agreement, other than the failure of such other party to perform the particular duties so accepted, regardless of the accepting party's knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

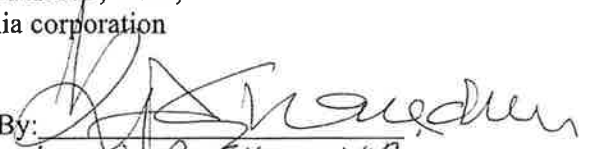

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

INSTRUCTIONS

The filing of a bankruptcy case creates an “estate” under the jurisdiction of the bankruptcy court which consists of all of the property of the debtor, wherever that property is located. Because the bankruptcy estate is so extensive and the jurisdiction of the court so broad, there may be lawsuits over the property or property rights of the estate. There also may be lawsuits concerning the debtor’s discharge. If such a lawsuit is filed in a bankruptcy court, it is called an adversary proceeding.

A party filing an adversary proceeding must also must complete and file Form 1040, the Adversary Proceeding Cover Sheet, unless the party files the adversary proceeding electronically through the court’s Case Management/Electronic Case Filing system (CM/ECF). (CM/ECF captures the information on Form 1040 as part of the filing process.) When completed, the cover sheet summarizes basic information on the adversary proceeding. The clerk of court needs the information to process the adversary proceeding and prepare required statistical reports on court activity.

The cover sheet and the information contained on it do not replace or supplement the filing and service of pleadings or other papers as required by law, the Bankruptcy Rules, or the local rules of court. The cover sheet, which is largely self-explanatory, must be completed by the plaintiff’s attorney (or by the plaintiff if the plaintiff is not represented by an attorney). A separate cover sheet must be submitted to the clerk for each complaint filed.

Plaintiffs and Defendants. Give the names of the plaintiffs and defendants exactly as they appear on the complaint.

Attorneys. Give the names and addresses of the attorneys, if known.

Party. Check the most appropriate box in the first column for the plaintiffs and the second column for the defendants.

Demand. Enter the dollar amount being demanded in the complaint.

Signature. This cover sheet must be signed by the attorney of record in the box on the second page of the form. If the plaintiff is represented by a law firm, a member of the firm must sign. If the plaintiff is pro se, that is, not represented by an attorney, the plaintiff must sign.

EMERGENCY MOTION

Pursuant to §§ 105, 363, and 1108 of title 11 of the United States Code, 11 U.S.C. §§ 101, *et seq.* (the “Bankruptcy Code”),¹ Verity Health System of California, Inc. (“VHS”) and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors” or the “Verity Health System”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), hereby move, on an emergency basis (the “Motion”), for the entry of an order authorizing the Debtors to: (1) take all actions necessary in the exercise of their business judgment to effectuate the orderly and expedited closure (the “Closure”) of Debtor hospital St. Vincent Medical Center (“SVMC”) and its dialysis center, St. Vincent Dialysis Center, Inc. (as a separate Debtor entity, “SVDC,” and together with SVMC as an integrated medical center, “St. Vincent”), including the transfer of patient care to other health care providers,² the proper disposition of controlled substances and hazardous materials, notices to governmental entities, and ultimately, the cessation of operations at St. Vincent (the “Closure Plan”);³ and (2) granting such other relief as the Court deems just and proper in connection therewith.

The Debtors request that the relief sought be granted on an emergency basis to avoid immediate and irreparable harm given (i) St. Vincent’s continuing economic losses, (ii) the Debtors’ need to have sufficient cash on hand for the orderly closure of St. Vincent, (iii) the acceleration of staff turnover once this Motion is filed which will further increase short-term

¹ All references to “§” are to sections of the Bankruptcy Code.

² As part of the Closure Plan, St. Vincent intends to enter into an agreement with Good Samaritan Hospital (“GSH”) whereby GSH agrees to accept transfers of St. Vincent’s inpatients, subject to applicable legal requirements and patient consent. GSH is located approximately one mile from St. Vincent.

³ Certain elements of the Closure Plan may require the Debtors to enter into new contracts and dispose of equipment and other property, which relief is incorporated in this Motion, and assume or reject current contracts and leases, which relief is not requested herein. To the extent the Debtors determine in their business judgment to assume or reject contracts and leases in connection with implementing the Closure Plan, such relief will be sought by separate motion(s).

operational costs, (iv) the Debtors' need to begin the closure process as soon as possible given that it will take at a minimum one month to safely transfer all patient care, and (v) generally that VHS cannot continue to subsidize St. Vincent's operations without putting the continued existence of the entire Verity Health System at risk. The sale of St. Vincent as documented in the Asset Purchase Agreement ("APA," and the sale documented thereby, the "SGM Sale") between the Debtors and Strategic Global Management, Inc. ("SGM") did not close as contemplated therein. At this point, any delay in St. Vincent's closure will significantly impact these Cases because St. Vincent operates with cash losses that put the entire Verity Health System at peril under the current circumstances. St. Vincent lost approximately \$65 million in fiscal year 2019, which translates to daily cash losses of over \$175,000. Accordingly, there are limited cash resources available for continued operation and patient care, which cannot at this stage be mitigated by either additional external financing (which is no longer available to the Debtors beyond a short extension by their current prepetition secured creditors to help allow the Debtors to finance an orderly wind-down) or sale prospects (of which there were none for St. Vincent as an operating entity). Moreover, once the relief sought in this Motion is made public, turnover of staff, especially nurses, is likely to accelerate, making maintenance of high quality patient care more difficult, and, to the extent that temporary nursing replacements are required, significantly more expensive. Thus, reducing the period of time between filing of the Motion and a hearing on the Motion is essential to maintaining patient care.

Finally, key constituents, including secured creditors and the Unsecured Creditors Committee have been fully informed of the Debtors' intent to file this Motion and the basis for the relief sought herein.

1 Accordingly, the Debtors respectfully request that the Court grant the Motion for an
2 emergency hearing because the proposed expedited hearing will not prejudice any parties and is
3 in the best interests of the Debtors' estates and creditors.

6 **BASIS FOR THE REQUESTED RELIEF**

7 The Debtors seek authority to close St. Vincent as expeditiously as possible because
8 continued subsidy of its operations by VHS puts the continued existence of the entire Verity
9 Health System at risk. The Motion is based upon §§ 105, 363, and 1108, Bankruptcy Rule 6004,

18 arguments and statements of counsel to be made at the hearing on the Motion, and any other
19 admissible evidence properly brought before the Court. The Debtors request that the Court take
20 judicial notice of the record in the Debtors' Cases and any other judicially noticeable facts in
21 support of the Motion, as appropriate, including all documents filed with the Court in these Cases
22 that relate to the SGM Sale and the prior sale of hospitals to Santa Clara County.

24 **RESPONSES**

25 Any party opposing or responding to the Motion may present such response (the
26 "Response") at any time before or at the hearing on the Motion. *See* LBR 9075-1(a)(8). A
27 Response must be a complete written or oral statement of all reasons in opposition to the Motion

1 rely, and any responding memorandum of points and authorities. Pursuant to LBR 9013-1(h), the
2 failure to file and serve a timely objection to the Motion may be deemed by the Court to be
3 consent to the relief requested herein.

4 **III.**

5 **SERVICE OF MOTION**

6 Counsel to the Debtors will serve this Motion, the attached Memorandum of Points and
7 Authorities, the Adcock Decl., the Chadwick Decl., the Moloney SVMC Decl., and any notice
8 required by the Court on: (i) the California Attorney General; (ii) the Official Committee of

10 the United States Trustee; and (v) any other parties on the Limited Service List set forth in the
11 *Order Granting Emergency Motion of Debtors for Order Limiting Scope of Notice* [Docket No.
12 132]. To the extent necessary, the Debtors request that the Court waive compliance with LBR
13 9075-1(a)(6) and approve service (in addition to the means of service set forth in such LBR) by
14 overnight delivery.

15 **IV.**

16 **RESERVATION OF RIGHTS**

17 Nothing contained herein is intended or shall be construed as: (i) an admission as to the
18 validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any appropriate party in
19 interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors; or
20 (iii) a waiver of any claims or causes of action which may exist against any creditor or interest
21 holder.

22 **V.**

23 **CONCLUSION**

24 For all the foregoing reasons and such additional reasons as may be advanced at or prior
25 to the hearing regarding this Motion, the Debtors respectfully request that the Court hold a
26 hearing on an emergency basis to consider the Debtors request for an order (i) permitting the
27 Debtors to implement the Closure Plan and to take all actions which in their business judgment
28 they deem necessary and appropriate to effectuate the orderly Closure of St. Vincent; and (ii)

granting such other relief as the Court deems just and appropriate.

MEMORANDUM OF POINTS AND AUTHORITIES

I.

INTRODUCTION

St. Vincent Medical Center (including its on-campus dialysis center, “St. Vincent”) has always been a vital part of the Verity Health System.¹ It is undeniable that everyone involved has done his and her utmost to promote St. Vincent’s continued existence for the benefit of its patients, employees, and the communities it serves. However, St. Vincent has been operating at significant financial losses (more than \$65 million in fiscal year 2019 alone), which has become unsustainable for both St. Vincent, and for the other Debtors forced to subsidize its losses. Additionally, as the Court is aware, the sale of St. Vincent as documented in the Asset Purchase Agreement (“APA,” and the sale documented thereby, the “SGM Sale”) between the Debtors and Strategic Global Management, Inc. (“SGM”)—which would have provided for the sale of St. Vincent as a going concern—did not close. During the extensive marketing and sale process leading up to the APA with SGM, there was no interest for St. Vincent as a going concern. Currently, there is no buyer who has presented a feasible offer to purchase St. Vincent as a going concern.²

As responsible stewards of patient safety, the Debtors’ foremost responsibility is delivery of high quality patient care, and, consequently, the Debtors must immediately begin the Closure Plan (as defined below) with sufficient cash on hand to orderly implement the plan and transfer of

¹ The “Verity Health System” comprises the following affiliated debtors and debtors and debtors in possession (collectively, the “Debtors”) in these chapter 11 cases (the “Cases”): Verity Health System of California, Inc. (“VHS”), O’Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center (“SVMC”), Seton Medical Center, O’Connor Hospital Foundation, Saint Louise Regional Hospital Foundation, St. Francis Medical Center of Lynwood Foundation, St. Vincent Foundation (the “Foundation”), St. Vincent Dialysis Center (“SVDC”), Inc., Seton Medical Center Foundation, Verity Business Services, Verity Medical Foundation, Verity Holdings, LLC, De Paul Ventures, LLC, De Paul Ventures - San Jose Dialysis, LLC.

² Even if there were any material interest to purchase St. Vincent, St. Vincent and the estates could not sustain the losses that would be incurred during the regulatory review process, such as the losses borne during the Attorney General review process for the sale to SGM, which failed when SGM did not close the sale.

1 patients. The Debtors anticipate that by mitigating St. Vincent's operational losses through
2 closure of its facilities as expediently as possible, the Debtors will have sufficient cash-on-hand
3 (e.g., remaining proceeds from the hospital sales to Santa Clara County plus extended consensual
4 use of cash collateral) to fund the closure (the "Closure") in an orderly manner. Continuing to
5 incur operating losses at St. Vincent outside the Closure Plan would only deplete cash resources
6 and place St. Vincent and the Debtors in a position that they would not have sufficient cash on
7 hand to conduct the orderly Closure.

8 The Debtors anticipate it will take 30 days to discharge acute care patients. As part of the
9 closure plan (the "Closure Plan"), St. Vincent intends to enter into an agreement with Good
10 Samaritan Hospital ("GSH"), whereby GSH will accept transfers of St. Vincent's inpatients,
11 subject to applicable legal requirements. GSH is located approximately one mile from St.
12 Vincent. With respect to patients in St. Vincent's kidney/pancreas transplant program, it will take
13 (i) 30 days to transfer those currently receiving care to alternate providers, and (ii) 60 days to
14 coordinate care with other outpatient health care providers for those patients who are being
15 evaluated for the program or have already received a transplant and been discharged. St. Joseph
16 Hospital ("St. Joseph") has agreed to assume care of the kidney transplant patients who are part of
17 the St. Vincent Transplant Program (defined below), subject to approval of the United Network
18 for Organ Sharing ("UNOS"). St. Joseph has its own UNOS-approved Kidney Transplant
19 Program. The Debtors are in discussions with other area hospitals to coordinate the transfer of
20 care for the kidney/pancreas-only transplant patients (less than twenty patients).

21 Accordingly, the Debtors respectfully request that the Court grant the Motion to protect
22 patient care and to avoid immediate and irreparable harm to the Debtors, the Hospitals, and the
23 estates. The Debtors respectfully submit the proposed relief is in the best interests of St. Vincent,
24 St. Vincent's patients, and the Debtors and their estates as a whole.

25 II.

26 JURISDICTION, VENUE, AND STATUTORY PREDICATES

27 The Bankruptcy Court has jurisdiction pursuant to 28 U.S.C. §§ 157 and 1334. This
28 matter is a core proceeding under 28 U.S.C. §§ 157(b)(2). Venue is proper pursuant to 28 U.S.C.

1 §§ 1408 and 1409.

2 The statutory predicates for the relief sought in the Motion are §§ 105, 363, and 1108.³

3 **III.**

4 **STATEMENT OF FACTS**

5 **A. General Background**

6 1. On August 31, 2018 (the “Petition Date”), the Debtors each filed a voluntary
7 petition for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court
8 for the Central District of California, Los Angeles Division (the “Bankruptcy Court”). Since the
9 commencement of their Cases, the Debtors have been operating their businesses as debtors in
10 possession pursuant to §§ 1107 and 1108. On September 14, 2018, the Office of the United
11 States Trustee appointed the Official Committee of Unsecured Creditors [Docket No. 197].

12 2. Debtor VHS, a California nonprofit public benefit corporation, is the sole
13 corporate member of five Debtor California nonprofit public benefit corporations that operated
14 O’Connor Hospital and Saint Louise Regional Hospital, and currently operates St. Francis
15 Medical Center, St. Vincent (the subject of this Motion), and Seton Medical Center, including
16 Seton Medical Center Coastside Campus (collectively, the “Hospitals”).

17 3. As of the Petition Date, the Verity Health System operated as a nonprofit
18 healthcare system in the State of California, with approximately 1,680 inpatient beds, six active
19 emergency rooms, a trauma center, eleven medical office buildings, and a host of medical
20 specialties, including tertiary and quaternary care. *See Declaration of Richard Adcock in Support*
21 *of Emergency First-Day Motions* [Docket No. 8] (the “First-Day Decl.”), at ¶ 12. The scope of
22 the services provided by the Verity Health System is exemplified by the fact that in 2017, the
23 Hospitals provided medical services to over 50,000 inpatients and approximately 480,000
24 outpatients. *Id.* The Verity Health System was originally established by the Daughters of Charity
25 of St. Vincent de Paul, Province of the West, to support the mission of the Catholic Church
26 through a commitment to the sick and poor.

4. St. Vincent was founded as the first hospital in Los Angeles in 1856. First-Day Decl., at ¶ 34. In 1971, a new facility was constructed at the Hospital’s current location at 2131 West Third Street, Los Angeles, CA 90057. *Id.* The Hospital has expanded to a 366 licensed bed, regional acute care, tertiary referral facility, specializing in cardiac care, cancer care, total joint and spine care, and multi-organ transplant services. *Id.* The Hospital serves both local residents and residents from Los Angeles, San Bernardino, Riverside, and Orange Counties. *Id.* St. Vincent provides medical care for both inpatients (*i.e.*, patients who remain in the hospital for more than 24 hours) and outpatients (*i.e.*, patients who receive outpatient services, such as MRIs). Additionally, the Debtors operate a Kidney-Pancreas Transplant Program at St. Vincent (the “St. Vincent Transplant Program”).⁴ The St. Vincent Transplant Program operates under UNOS approval. As a provider of healthcare services for a high percentage of elderly patients, many of the Hospital’s services and programs are focused on the treatment of various chronic diseases. *Id.* In 2015, under a restructuring agreement, St. Vincent was converted from a religious corporation to a public benefit corporation. *Id.* at ¶¶ 21, 92. St. Vincent owns real property commonly known as: (i) 2131 W 3rd Street, Los Angeles, CA 90057, including the hospital and all of the facilities located thereon; and (ii) vacant land in Salton Sea, California. *Id.* at ¶ 23.⁵

5. St. Vincent has its own dialysis center (SVDC) on-campus, where St. Vincent’s kidney disease patients receive dialysis services, including hemodialysis and isolated ultrafiltration treatments as part of St. Vincent’s end-stage renal disease program. *Id.* at ¶ 36. Although together they form St. Vincent, the Hospital, SVMC and SVDC have separate corporate

⁴ There are approximately 300 patients on the waitlist in the St. Vincent Transplant Program and approximately 700 patients who have received transplants in the last five years. Another one thousand individuals are currently being evaluated for a place on the transplant waitlist.

⁵ The Foundation is governed by a Board of Trustees, and SVMC is the sole corporate member of the Foundation. Because the Foundation exists to support St. Vincent, the Debtors ultimately will seek to wind it down as well; however, they do not seek to do so through this Motion. Given its status as a medical foundation, the Foundation will be subject to a separate wind-down plan in coordination with the California Attorney General. The Foundation holds donor restricted funds, and owns: (i) a fractional timeshare of a condominium commonly known as 2600 Avenida Del Presidente, San Clemente, CA 92672; and (ii) Lot 10 of Block 572 of Rio Grande Estates, Unit 25, Valencia, NM.

1 identities, and SVMC is the sole corporate member of SVDC. *Id.* Both SVMC and SVDC are
2 exempt from federal income taxation as an organization described in § 501(c)(3) of the Internal
3 Revenue Code of 1986. *Id.* at ¶ 21.

4 6. St. Vincent as of the Petition date employed approximately 1,099 employees, of
5 which 897 were full time, 42 were part time, and 160 were per diem. *Id.* at ¶ 59(f). St. Vincent
6 employees are represented by two unions with the respective contractual obligations: (i) SEIU-
7 UHW (Non-Nursing Service Employees); and (ii) California Nurses' Association ("CNA")
8 (Nurses). *Id.* at ¶ 60.

9 7. St. Vincent is a jointly "obligated" party with its affiliates on approximately
10 \$461.4 million of outstanding secured debt consisting of: (a) \$259.4 million outstanding tax
11 exempt revenue bonds, Series 2005 A, G and H issued by the California Statewide Communities
12 Development Authority (the "2005 Bonds"), which loaned the bond proceeds to certain Debtors
13 to provide funds for capital improvements and to refinance certain tax exempt bonds previously
14 issued in 2001 by the Daughters of Charity Health System, and (b) \$202.0 million outstanding tax
15 exempt revenue notes, Series 2015 A, B, C, and D and Series 2017 issued by the California
16 Public Finance Authority. *Id.* at ¶ 121.

17 8. St. Vincent has consistently lost money for many years due to, among other things,
18 unfavorable payor contracts, rising health care costs, high pension obligations and certain
19 requirements imposed on St. Vincent by the State of California Attorney General, as more fully
20 described below. *See id.* at ¶¶ 95, 99. St. Vincent is also dramatically under invested in structural
21 improvements necessary to meet California's state mandated seismic and clean energy
22 requirements. *Id.* The combined effect of these issues have been a consistent drag in operating
23 cash balances absent additional financing. *See Chadwick Decl.*, at ¶ 5.

24 9. While the Debtors collectively have a poor financial history, St. Vincent has been
25 particularly troubled. *Id.* at ¶ 6. On the Petition Date, although St. Vincent accounted for
26 approximately only 23% of the patient volume of the entire Verity Health System, the hospital
27 accounted for approximately 60% of the operating losses. *Id.* The Debtors project continuing
28 operating losses by St. Vincent. The reported financial statements of St. Vincent reflect that, in

1 fiscal year 2019 (ended June 30, 2019), SVMC lost approximately \$65 million which was an 18%
2 and 103% increase over the fiscal years 2018 and 2017, respectively. *Id.* at ¶ 8.

3 **B. Marketing and Sale Efforts**

4 (1) *Prepetition Sale Efforts*

5 10. Prior to the Petition Date, the Debtors engaged in substantial efforts to market and
6 solicit interest in their assets, including the five Hospitals and related assets (collectively, the
7 “Assets”). *See Declaration of James M. Moloney in Support of the Debtors’ Memorandum. in*
8 *Support of Entry of an Order: (A) Authorizing the Sale of Property Free and Clear of All Claims,*
9 *Liens and Encumbrances; (B) Authorizing the Assumption and Assignment of Designated*
10 *Executory Contracts and Unexpired Leases; and (C) Granting Related Relief* [Docket No. 2220]
11 (the “Moloney Sale Decl.”), at ¶ 4. In June 2018, Debtors engaged Cain Brothers, a division of
12 KeyBanc Capital Markets (“Cain”), to assist in identifying potential buyers of some or all of the
13 Assets and commenced discussions with those potential Buyers. *Id.* Cain prepared a
14 Confidential Investment Memorandum and organized an online data site to share information
15 with potential buyers and contacted strategic and financial buyers beginning in July 2018. *Id.* In
16 this initial marketing process, Cain contacted more than 100 potential partners to evaluate their
17 interest in exploring a transaction involving some or all of the Assets. *Id.* By August 2018, as a
18 result of its ongoing and broad marketing process, Cain had received 11 “Indications of Interest”
19 from potential buyers of some or all of the Assets. *Id.*

20 (2) *DIP Facility*

21 11. At the commencement of the Cases, the Debtors obtained court approval for a DIP
22 financing facility with up to \$185 million of availability from Ally Bank subject to a borrowing
23 base (the “DIP Facility”). (*See* Docket No. 409). The DIP Facility was secured by substantially
24 all of the Debtors’ assets and also provided for super priority administrative priority status for all
25 obligations under the facility. *Id.* The DIP Facility enabled Debtors to operate the Hospitals
26 while they continued their efforts to find a purchaser for their assets and to reach agreements with
27 key constituents. *See* Chadwick Decl., at ¶ 7. On September 6, 2019, the Debtors received
28

1 authority to pay off the DIP Facility and continue funding operations through the consensual use
2 of cash collateral [Docket No. 3022].

3 (3) *Postpetition Sale Efforts*

4 12. Postpetition, Cain continued to work with potential buyers for some or all of the
5 Assets. Moloney Sale Decl., at ¶ 5. Based on these discussions, the Debtors determined that
6 seeking a buyer for the Assets in Santa Clara and a separate buyer for the other Assets would
7 most likely yield higher net proceeds for the Debtors' estates. *Id.* As a result, the sale of the
8 Santa Clara Assets to Santa Clara County was approved by the Court on December 27, 2018
9 [Docket No. 1153].

10 13. Thereafter, Cain focused on marketing the Debtors' remaining Assets, including
11 St. Vincent. Moloney Sale Decl., at ¶ 6. As a part of this process, Cain contacted more 189
12 potential parties to evaluate potential stalking horse bidders for some or all of the Debtors'
13 remaining Assets of which 92 had executed a NDA and 18 submitted written proposals. *Id.*
14 Subsequent to receiving access to the virtual data room and being offered additional information
15 via conference calls and site visits, many of the potential purchasers indicated that they were not
16 interested in being the stalking horse bidder. *Id.* During November and December 2018, the
17 Debtors and their advisors had substantial discussions with those potential buyers remaining,
18 during which Prime Healthcare and SGM emerged as the leading potential candidates to be
19 selected as the stalking horse bidder for the Debtors' remaining Assets. *Id.*

20 (4) *The SGM APA*

21 14. After extensive negotiations with both parties and careful review of the proposed
22 transactions by the Debtor and its advisors, the Debtors selected SGM as the stalking horse bidder
23 (the "Stalking Horse Bidder") for the Debtors' remaining Assets. *Id.* at ¶ 7. On February 19,
24 2019, the Court held a hearing on the Sale and Bidding Procedures Motion and thereafter entered
25 an order approving the Sale and Bidding Procedures Motion (the "Bidding Procedures Order")
26 [Docket No. 1572]. SGM served as the Stalking Horse Bidder under the terms of the Bidding
27 Procedures Order. The Bidding Procedures Order also approved that certain asset purchase
28 agreement [Docket No. 2305-1] (the "SGM APA") as modified therein.

1 15. Cain sent the approved bidding procedures to the 90 parties with whom the Debtor
2 had previously executed NDAs and included the timetable for the sale of the Debtors' remaining
3 Assets. Moloney Sale Decl., at ¶ 8. Cain also requested that each party confirm that each party
4 continued access to the data room and were interested in continuing to evaluate the purchase of
5 some or all of the Debtors' remaining assets. *Id.* Nineteen of those parties confirmed that were
6 still evaluating the transaction and requested continued access to the data room. *Id.*

7 16. Cain facilitated due diligence by potential buyers, including arranging site visits,
8 organizing calls with the Debtors' leadership team and facilitated follow-up from the Debtors and
9 their advisors to address diligence requests. *Id.* at ¶ 9. Of these nineteen interested parties,
10 certain parties evaluated acquiring all the Debtors' remaining Assets, others evaluated acquiring
11 individual hospitals, and others were real estate companies that evaluated purchasing St. Vincent
12 to convert its campus to non-hospital uses. *Id.*

13 17. At the end of the marketing period, two parties submitted Qualified Bids, one for
14 St. Vincent and one for St. Francis Medical Center, one party submitted a non-Qualified Bid for
15 St. Francis Medical Center and one party submitted a non-Qualified Bid for all of the assets. *Id.*
16 at ¶ 10. No Qualified Full Bid was received.

17 18. Accordingly, under the terms of the SGM APA and the Bidding Procedures Order,
18 no auction was held and the Debtors declared SGM as the "winning bidder" of the Hospitals.
19 Docket No. 2053, at 2.

20 19. On May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing the Sale*

23 *Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306] (the "Sale
24 Order"), approving the sale to SGM (the "SGM Sale"). Pursuant to the SGM APA, SGM agreed
25 to continue to operate St. Vincent as well as the Debtors' other three Hospitals.

26 20. The Debtors had expected the SGM Sale to close in the fourth quarter of 2019. On
27 November 27, 2019, the Court entered an order and accompanying memorandum decision
28

1 requiring SGM to close the sale by December 5, 2019 [Docket Nos. 3723-24]. SGM did not
2 close the sale by December 5, 2019.

3 21. The previous marketing and sale process yielded no buyer interested in the
4 purchase of St. Vincent as a going concern, and no alternate buyer is anticipated. Moloney
5 SVMC Decl., at ¶ 4. St. Vincent's operating losses are significant and unsustainable. Chadwick
6 Decl., at ¶ 8. Consequently, the Debtors must start expeditiously resolving these Cases through
7 alternative transactions, including the relief sought in this Motion, pursuant to the authority
8 granted by the Court's order and accompanying memorandum decision [Docket Nos. 3783-84],
9 and consistent with their fiduciary duty.

10 22. The Debtors recently stipulated with their prepetition secured lenders to extend
11 their consensual use of cash collateral [Docket Nos. 3871-72] (the "Cash Collateral Agreement").

12 **C. Closure Plan**

13 *(1) Overview*

14 23. The Debtors, in consultation with their professionals and healthcare advisors, have
15 developed a comprehensive Closure Plan, certain key elements of which are described herein.

16 24. The Closure Plan provides for each of the following steps to conclude St.
17 Vincent's operations and services:

- 18 • Cessation of new inpatient admissions and closure of the emergency department;
 - 19 • Transfer, discharge, and referral of patients;
 - 20 • Communication to employees, patients, providers, government entities, area
21 hospitals, and the community at large;
 - 22 • Transfer, storage, and, when permitted, disposal of medical records;
 - 23 • Disposal of pharmaceuticals, including controlled substances;
 - 24 • Disposal and handling of medical waste and other hazardous materials;
 - 25 • Coordination with Emergency Medical Services ("EMS") and removal of St.
26 Vincent road signs; and
 - 27 • Implementation of enhanced security measures.
- 28

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

25. Above all, the Closure Plan emphasizes patient safety. The Debtors plan to work closely with the California Department of Public Health (“CDPH”), UNOS, EMS, the Center for Medicare and Medicaid Services (“CMS”), and other licensing and governmental authorities, and area providers to prevent disruption of patient care and ensure a smooth transition of the Debtors’ patients to alternate health care providers. As part of the Closure Plan, St. Vincent’s medical personnel will, among other steps, evaluate patients for safe transport, assess whether a patient is stable, obtain patient consents, obtain health plan authorization if required, and arrange for continuing care. In furtherance of this goal, by this Motion the Debtors also seek authority to enter into and perform under new contracts, as appropriate (*e.g.*, with such providers who accept transfer of patients), to the extent permitted by the terms of their Cash Collateral Agreement.

(2) *Timeline*

26. Although subject to modification based on patient needs and input from the CDPH and others, the Debtors’ current general timeline for shut-down of operations is as follows (all dates are calculated with reference to entry of an order granting this Motion):⁶

- Order + 1 day: Notify EMS and place St. Vincent on diversion protocol for all patients. Begin process of transferring patients, along with their medical record information, to a hospital of their choice. This process includes outreach to local outpatient dialysis providers to help facilitate scheduling for St. Vincent dialysis outpatients with future appointments.
- Order + 3 days: Complete the emergency unit closure.
- Order + 5 days: Cease scheduling all elective procedures.
- Order + 7 days: Conclude and cease all elective surgeries and other procedures.
- Order + 21 days: Complete the dialysis unit closure.
- Order + 30 days: Complete the transplant unit closure.

⁶ All dates are subject to discussions with the CDPH, UNOS, and others as appropriate.

- Order + 30 days: Complete closure and cease clinical operations (the “Closure Date”).

27. Subsequent to the Closure Date, the Debtors will continue to assist with the coordination of care for certain patients with future outpatient appointments, namely those who are in the process of being evaluated for kidney and/or pancreas transplants and patients undergoing outpatient dialysis treatment. The Debtors expect it will take approximately another 30 days to complete the coordination of care with other outpatient health care providers.

(3) *Transfer, Discharge, and Referral of Patients*

28. The most critical aspect of the Closure Plan is ensuring continuity of care for the Debtors’ patients. The majority of currently-admitted patients will be discharged in the ordinary course, and, if necessary, provided with information and assistance to make follow-up appointments with alternate providers. Inpatients will be notified of the anticipated Closure and will be transferred to other area hospitals (such as GSH) if they still require inpatient hospital services as of the Closure Date.⁷ Arrangements with an ambulance carrier will be in place to accommodate the orderly transfer of all inpatients needing ambulance transport. Outpatients with future appointments and patients of the St. Vincent Transplant Program will similarly be notified of the anticipated Closure and the Debtors will assist with care coordination with other hospitals and outpatient health care providers as appropriate for each type of patient (*e.g.*, GSH, St. Joseph, etc.). Such care transfer arrangements likely will require entry into one or more postpetition contracts (*e.g.*, with hospitals, ambulance companies, outpatient providers, etc.), authority for which the Debtors request as part of this Motion’s relief to implement the Closure Plan. The Debtors expect to complete the transfer and discharge of all inpatients by the Closure Date.

⁷ Transfers arranged by St. Vincent will require, at minimum, that (i) the attending physician has determined the patient is stable for transfer, approved the mode of transportation for the transfer and approved the transfer, in accordance with the medical staff bylaws of St. Vincent, (ii) the patient or the patient’s representative has consented to the transfer, and (iii) the patient’s health plan, if any, has approved the transfer.

1 (4) *Medical and Business Records Safeguard, Storage, Transfer, and Disposal*

2 29. The safeguard, storage, transfer, and disposal of medical and business records are
3 also an important element of the Closure Plan. As part of the Closure Plan, the Debtors intend to
4 transfer custody of St. Vincent's records to St. Francis Medical Center ("SFMC"). St. Vincent's
5 electronic records are currently stored on the same server as SFMC's records, so only St.
6 Vincent's physical records require manual transfer. In SFMC's custody, St. Vincent's records
7 will be maintained and retained in accordance with this Court's previous orders regarding (a)
8 patient records [Docket No. 3597] and (b) business and other non-patient records [Docket No.
9 3596], to the extent applicable; otherwise, the Debtors will seek further disposition through a
10 separate motion. A phone number and email address will be posted for patients to request copies
11 of their medical records and this information will also be provided to CDPH as part of the closure
12 notification process.

13 (5) *Communications Regarding the Closure Plan*

14 30. The Debtors are currently developing a comprehensive approach to keep patients,
15 employees, government agencies, area hospitals, and the community at large informed of the
16 Closure process. In particular, the Debtors will contact area hospitals and certain outpatient
17 providers to inform them of the Closure and to discuss procedures for the transfer of patients. In
18 addition, the Debtors will notify the fire department and the appropriate regulatory and
19 governmental agencies of the Closure.

20 31. With respect to employees, the Debtors intend to arrange for job fairs with the
21 desire that St. Vincent personnel may be hired by transferee hospitals and other local health care
22 providers.

23 (6) *Disposal of Controlled Substances, Pharmaceuticals, Medical Waste, and*
24 *Other Hazardous Materials*

25 32. The Debtors will manage and dispose of controlled substances, pharmaceuticals,
26 medical waste, and other hazardous materials in accordance with state and federal guidelines.
27 Medications, including controlled substances, radioactive materials, chemicals, medical waste,
28 infectious materials, and other hazardous materials will be identified, secured and inventoried,

1 then destroyed, disposed of, returned to vendors, or transferred to other providers, as appropriate.
2 St. Vincent will engage vendors, as needed, to manage the disposal of medical waste and
3 infectious materials. Retention of such vendors likely will require entry into one or more
4 postpetition contracts, authority for which the Debtors request as part of this Motion's relief to
5 implement the Closure Plan.

6 **IV.**

7 **ARGUMENT**

8 Pursuant to §§ 105(a), 363, and 1108, given the failure of the SGM Sale to close, the
9 Court should authorize the orderly closure of St. Vincent in accordance with the Closure Plan
10 because Closure will then be in the best interests of St. Vincent's patients, creditors, and the
11 Debtors' estates.

12 **A. This Court Can Authorize the Closure of St. Vincent Pursuant to §105.**

13 Section 105(a) of the Bankruptcy Code in conjunction with the other sections referenced
14 herein permits the requested relief. Section 105(a) provides:

15 The court may issue any order, process, or judgment that is
16 necessary or appropriate to carry out the provisions of this title. No
17 provision of this title providing for the raising of an issue by a party
18 in interest shall be construed to preclude the court from, *sua sponte*,
taking any action or making any determination necessary or
appropriate to enforce or implement court orders or rules, or to
prevent an abuse of process.

9 As more fully described below, the requested relief under § 105(a) is needed to preserve
10 Debtors’ rights under §§ 363(b) and 1108 to use their property in a manner that will enable them
11 to move quickly to stave off continued losses and to address the current situation facing St.
12 Vincent given no new purchaser is reasonably anticipated. In this case, if the Court enters an
13 order permitting closure, the Debtors will be able to quickly move forward and implement the
14 plans and procedures necessary to close the hospital.

15 **B. Section 363(b) Authorizes the Debtors to Use Their Property According to Their**
16 **Business Judgment**

17 The Court has the authority to grant the requested relief under § 363(b), which permits a
18 debtor to use its property in a manner which will enhance value to the estate. The Debtors must
19 be able to “use” their property in a manner that permits them to stop St. Vincent’s mounting
20 losses and to retain value for the benefit of the remaining estates. More importantly in this case,
21 as a hospital system, the Debtors must use their property in a manner that protects the patients in
22 their care, who are best served by the orderly implementation of the Closure Plan.

23 Section 363(b) provides, in relevant part, that a debtor “after notice and a hearing, may
24 **use**, sell or lease, other than in the ordinary course of business, property of the estate . . .”. 11
25 U.S.C. § 363(b) (emphasis added). While there is no legislative history to explain why the term
26 “use” is part of § 363(b), courts have viewed § 363(b) as providing flexibility to debtors in the
27 exercise of their business judgment. In reviewing a debtor’s decision to use estate property
28 pursuant to § 363, courts have routinely held that if such use represents reasonable business

1 judgment on the part of the debtor, such use should be approved. *See In re Gardens Reg'l Hosp.*

10 While the closure of St. Vincent is far from an ideal solution—in fact, it is a last, tragic
11 resort—in the absence of other alternatives, it is the only viable solution that will grant the
12 greatest safeguards to the patients in St. Vincent’s care, accomplish the goal of addressing St.
13 Vincent’s cash losses, and retain some value for the Debtors’ stakeholders. Declaration of
14 Richard Adcock (the “Adcock Decl.”), at ¶¶ 5-6. The Debtors are aware of their fiduciary duty to
15 creditors as debtors in possession, and have determined that ceasing operations at St. Vincent in
16 the absence of another viable solution is in the best interests of St. Vincent’s individual estate as
17 well as the Debtors’ collective estates. *Id.*; *see also In re R.H. Macy & Co., Inc.*, 170 B.R. 69, 74
18 (Bankr. S.D.N.Y. 1994) (“The debtor’s duty to maximize estate assets may require the cessation
19 of operations at one location.”).

20 Courts emphasize that the business judgment rule may be satisfied “as long as the
21 proposed transaction appears to enhance the debtor’s estate.” *In re Food Barn Stores, Inc.*, 107
22 F.3d 558, 566 n.16 (8th Cir. 1997); *accord In re AbitibiBowater*, 418 B.R. 815, 831 (Bankr. D.
23 Del. 2009) (the business judgment standard is “not a difficult standard to satisfy”). Under the
24 business judgment rule, “management of a corporation’s affairs is placed in the hands of its board
25 of directors and officers, and the Court should interfere with their decisions only if it is made
26 clear that those decisions are, *inter alia*, clearly erroneous, made arbitrarily, are in breach of the
27 officers’ and directors’ fiduciary duty to the corporation, are made on the basis of inadequate
28 information or study, are made in bad faith, or are in violation of the Bankruptcy Code.” *In re*

1 *Farmland Indus., Inc.*, 294 B.R. 855, 881 (Bankr. W.D. Mo. 2003) (citing *In re United Artists*

4 Cir. 1992)). Here, the Debtors have determined in their business judgment that it is prudent to
5 seek permission to cease operations at St. Vincent. Adcock Decl., at ¶ 6. The Debtors have
6 limited cash, cannot continue operations of St. Vincent, and have therefore determined that it is in
7 the best interests of their respective estates and creditors to effectuate a Closure of St. Vincent and
8 focus on a safe and orderly wind-down through implementation of the Closure Plan. *Id.* at ¶¶ 5-8.

9 In *Gardens Regional Hospital*, this Court granted similar relief under similar
10 circumstances. This Court recognized the following facts in that case:

11 The Debtor's existing operations do not generate sufficient cash flow to
12 keep the hospital open. To maintain operations, the Debtor would be
13 required to obtain additional debtor-in-possession ("DIP") financing. No
14 lenders will extend credit to the Debtor unless the credit is secured by a
15 lien senior in priority to the liens of the Debtor's pre-petition secured
creditors. Under the circumstances, the Court lacks the statutory authority
to authorize the Debtor to obtain additional credit priming the liens of the
secured creditors.

16 Case No. 2:16-bk-17463-ER, Docket No. 633 (Bankr. C.D. Cal. Jan. 20, 2017). As a result, the
17 Bankruptcy Court concluded that "[t]he closing of the hospital constitutes use of estate property,
18 outside the ordinary course of business, within the meaning of Bankruptcy Code §363(b). The
19 Debtor's decision to close the hospital is a proper exercise of the Debtor's business judgment."
20 *Id.*

21 Indeed, this Court in *Gardens Regional Hospital* further recognized that under these
22 circumstances, the Debtors' very duty is to close the Hospital:

23 In view of the lack of funds to continue operations, and the inability of the
24 Debtor to obtain additional credit, the vote by the Debtor's Board of
25 Directors ("Board") to seek closure of the hospital was entirely consistent
26 with the Board's fiduciary duties, imposed under state law, to uphold the
27 hospital's mission of sustaining public health and welfare. Public health
28 and safety would be jeopardized if the Debtor continued to admit new
patients when it lacks funds to adequately sustain operations. In fact, the
Board would be acting in violation of its fiduciary duties to the community
if it attempted to continue operating the hospital despite the lack of
sufficient cash to sustain operations.

1 *Id.*

2 For all the same reasons here, the Debtors request urgent approval to close St. Vincent.
3 Absent the SGM Sale, there are no viable offers for St. Vincent as a going concern, and any delay
4 in commencing a closure plan prejudices patients and estate stakeholders. Adcock Decl., at ¶ 5;
5 Moloney SVMC Decl., at ¶ 4; *see also* Chadwick Decl., at ¶¶ 7, 9. The Motion is being made at
6 this time because the orderly transfer of patients and wind-down of St. Vincent will take time,
7 including time to arrange patient transfers with alternate health care providers. Adcock Decl., at
8 ¶ 6. Beyond transfer of inpatients, St. Vincent provides longer-term care for certain outpatients
9 receiving dialysis or on the UNOS transplant waitlist, which patients require further advance
10 planning as part of any transition. *Id.* So timing is truly of the essence and St. Vincent is seeking
11 authority to initiate this process as soon as possible.

12 **C. Section 1108 Authorizes the Debtors *Not* to Operate Their “Moribund” Businesses**

13 Section 1108 of the Bankruptcy Code grants a debtor in possession the *right* to operate its
14 businesses, providing that the trustee (or debtor in possession) “*may* operate the debtor’s
15 business.” 11 U.S.C. § 1108 (emphasis added). With its use of the permissive term, “may,” the
16 statute “clearly indicates that a trustee is not required to operate the debtor’s business.” *In re*
17 *Thrifty Liquors, Inc.*, 26 B.R. 26, 28 (Bankr. D. Mass. 1982). Indeed, § 1108 “necessarily implies
18 the lesser authority to modify the operation of the business on such grounds as he deems
19 appropriate under the circumstances.” *Id.* Thus, a debtor is not required to operate its business
20 “if such operations will reduce the value of the debtor’s assets or if the debtor’s business is
21 moribund.” 7 *Collier on Bankruptcy*, ¶ 1108.13 (Alan N. Resnick & Henry Sommer eds., 16th
22 ed.). Indeed, in such circumstances, “continued operation of a business that ought to be closed
23 down and liquidated may be a breach of the fiduciary duties of a trustee or debtor in possession.”
24 *Id.* As discussed further herein, the Debtors have determined that there are compelling reasons to
25 cease operations at St. Vincent.

26 **D. Good Cause Exists for Granting the Relief**

27 This Court has the authority to order the closure based on the facts and evidence
28 presented. *See* 11 U.S.C. §§ 105(a), 363(b), and 1108. The Debtors intend to conduct the closure

1 in coordination with regulatory authorities and with due care for the patients and with the
2 assistance of their medical personnel. Adcock Decl., at ¶ 9. St. Vincent will place its license in
3 suspense, consistent with applicable law and with the assistance of the Debtors' health care
4 experts.⁸ *Id.*

5 After the closure of St. Vincent, the Debtors will seek to sell the land and buildings and
6 otherwise dispose of their assets (*e.g.*, equipment), as may be approved by this Court in
7 subsequent orders.

8 Relief similar to that requested herein has been granted in previous chapter 11 cases. *See*

17 **REQUEST FOR IMMEDIATE RELIEF AND WAIVER OF STAY**

18 Pursuant to Bankruptcy Rule 6004(h), the Debtors seek a waiver of any stay of the
19 effectiveness of any order granting the relief sought herein. Bankruptcy Rule 6004(h) provides
20 that "[a]n order authorizing the use, sale, or lease of property other than cash collateral is stayed
21 until the expiration of 14 days after entry of the order, unless the court orders otherwise." Fed. R.
22 Bankr. P. 6004(h). Here, failure to grant immediate relief would risk immediate and irreparable
23 harm to the Debtors' patients and the estates. Adcock Decl., at ¶ 5; Chadwick Decl., at ¶ 4.
24 Notwithstanding the skill and dedication of the Debtors' employees to maintain St. Vincent's
25 operations, given the Debtors' financial condition and available funding, the Debtors must be

DECLARATION OF RICHARD ADCOCK

I, Richard G. Adcock, hereby state and declare as follows:

1. I submit this declaration (the “Declaration”) in support of the *Debtors’ Emergency Motion for Authorization to Close St. Vincent Medical Center* (the “Motion”),¹ which seeks entry of an order authorizing the Debtors to: (a) take all actions necessary in the exercise of their business judgment to effectuate the orderly closure (the “Closure”) of St. Vincent Medical Center (including its on-campus dialysis center, “St. Vincent”), including the transfer of patient care to other health care providers, the proper disposition of controlled substances and hazardous materials, notices to governmental entities, and ultimately, the cessation of operations at St. Vincent (the “Closure Plan”); and (b) granting such other relief as the Court deems just and proper in connection therewith.

2. I am the Chief Executive Officer (“CEO”) of Verity Health System of California, Inc. (“VHS”). I became VHS’ CEO effective January 2018. Prior thereto, I served as VHS’ Chief Operating Officer (“COO”) beginning in August 2017. In my roles as COO and CEO at VHS, I have become intimately familiar with all aspects of the Debtors as well as those affiliated entities that are not in bankruptcy.

3. I have worked for more than 25 years in the healthcare arena, with 15 years in not for profit operations. During this period, I have accumulated extensive senior level experience in the areas of not-for-profit healthcare, especially in healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I also have meaningful experience in other related areas, including human resources and personnel management.

4. My background and familiarity with the Debtors’ day-to-day operations, business and financial affairs, and the circumstances leading to the commencement of these chapter 11 bankruptcy cases are set forth more fully in my *Declaration filed in Support of Emergency First-*

¹ Unless otherwise defined, capitalized terms used herein shall have the same meaning as in the Motion.

1 *Day Motions* [Docket No. 8] on the Petition Date, and is incorporated by reference into this
2 Declaration.

3 5. For all of the reasons set forth in the Motion and the supporting declarations, I
4 believe failure to grant immediate relief would risk immediate and irreparable harm to the
5 Debtors' patients and the estates. The Debtors must be permitted to move expeditiously to
6 implement a closure plan for St. Vincent because it is the only viable solution at this point in
7 these cases and grants the greatest safeguards to the patients in St. Vincent's care. As set forth in
8 the declaration of Peter Chadwick, St. Vincent has been operating at significant financial losses
9 (more than \$65 million in fiscal year 2019 alone), which has become unsustainable for both St.
10 Vincent, and for the other Debtors forced to subsidize its losses. Further, as set forth in the
11 declaration of James Moloney, there is no buyer who has presented a feasible offer to purchase
12 St. Vincent as a going concern and the previous marketing and sale process yielded no bid for St.
13 Vincent as a stand-alone hospital. Even if there were any material and viable interest to purchase
14 St. Vincent, St. Vincent and the estates could not sustain the losses that would be incurred during
15 the regulatory review process, such as the losses borne during the Attorney General review
16 process for the sale to Strategic Global Management, Inc. ("SGM"), which failed when SGM did
17 not close the sale.

18 6. Given the foregoing, the Debtors have determined in their business judgment that
19 it is in the best interest of the Debtors and their estates to seek immediate closure of St. Vincent.
20 Any delay in commencing a closure plan prejudices patients and the estates' stakeholders. The
21 Motion is being made at this time because the orderly transfer of patients and wind-down of St.
22 Vincent will take time, including time to arrange patient transfers with alternate health care
23 providers. Beyond transfer of inpatients, St. Vincent provides longer-term care for certain
24 outpatients receiving dialysis or on the UNOS transplant waitlist, which patients require further
25 advance planning as part of any transition.

26 7. Further, as responsible stewards of patient safety, the Debtors' foremost
27 responsibility is delivery of high quality patient care, and consequently the Debtors must begin
28 the Closure Plan with sufficient cash on hand to orderly implement the plan and transfer of

1 patients. Currently, through use of cash collateral, the Debtors have sufficient cash on hand to
2 conduct the Closure. However, this assumes that the current daily loss rate does not increase
3 significantly and that the proposed Closure Plan is approved. Continuing to incur operating
4 losses at St. Vincent outside the Closure Plan would only deplete cash resources and place St.
5 Vincent and the Debtors in a position that they would not have sufficient cash on hand to conduct
6 the orderly Closure.

7 8. The Debtors anticipate it will take 30 days to discharge acute care patients. As
8 part of the Closure Plan, St. Vincent intends to enter into an agreement with Good Samaritan
9 Hospital (“GSH”) whereby GSH will accept transfers of St. Vincent’s inpatients, subject to
10 applicable legal requirements. GSH is located approximately one mile from St. Vincent. With
11 respect to patients in St. Vincent’s kidney/pancreas transplant program, it will take (i) 30 days to
12 transfer those currently receiving care to alternate providers, and (ii) 60 days to coordinate care
13 with other outpatient health care providers for those patients who are being evaluated for the
14 program or have already received a transplant and been discharged. St. Joseph Hospital (“St.
15 Joseph”) has agreed to assume care of the kidney transplant patients who are part of the St.
16 Vincent Transplant Program, subject to approval of the United Network for Organ Sharing
17 (“UNOS”). St. Joseph has its own UNOS-approved Kidney Transplant Program. The Debtors
18 are in discussions with other area hospitals to coordinate the transfer of care for the pancreas-only
19 transplant patients (less than twenty patients).

20 9. The Debtors intend to conduct the Closure in coordination with regulatory
21 authorities and with due care for the patients and with the assistance of their medical personnel.
22 St. Vincent will place its license in suspense, consistent with applicable law and with the
23 assistance of the Debtors’ health care experts.

24 I declare under penalty of perjury that, to the best of my knowledge and after reasonable
25 inquiry, the foregoing is true and correct.

DECLARATION OF PETER C. CHADWICK

I, Peter C. Chadwick, hereby state and declare as follows:

1. I submit this declaration (the “Declaration”) in support of the *Debtors’ Emergency Motion for Authorization to Close St. Vincent Medical Center* (the “Motion”),¹ which seeks entry of an order authorizing the Debtors to: (a) take all actions necessary in the exercise of their business judgment to effectuate the orderly closure of St. Vincent Medical Center (including its on-campus dialysis center, “St. Vincent”), including the transfer of patient care to other health care providers, the proper disposition of controlled substances and hazardous materials, notices to governmental entities, and ultimately, the cessation of operations at St. Vincent; and (b) granting such other relief as the Court deems just and proper in connection therewith.

2. I am a Managing Director of Berkeley Research Group, LLC (“BRG”) and am duly authorized to make this declaration on behalf of BRG. Except as otherwise noted, the facts set forth herein are personally known to me and, if called as a witness, I could and would testify thereto.² In July 2018, BRG began its engagement serving as the financial advisor to the Debtors, which has continued since the Petition Date. In this capacity, I have become intimately familiar with the Debtors’ operations, business, books, records, financial affairs, material agreements, and sale processes, and, as a result, have become uniquely situated to assist the Debtors.

3. As a result, pursuant to the Debtors’ request, and as authorized by the Bankruptcy Court, I have agreed to serve in the role of Chief Financial Officer to the Debtors in these chapter 11 cases. I have significant operating experience, including improving underperforming businesses and advising debtors and creditors in complex financial matters. I have served as chief executive officer, chief operating officer, chief financial officer, and advisor to companies in a variety of industries. My healthcare experience includes acting as the advisor or an officer to healthcare providers, including leading hospital systems and long-term care providers through

¹ Unless otherwise defined, capitalized terms used herein shall have the same meaning as in the Motion.

² Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at BRG and are based on information provided to me by such other BRG professionals.

1 operational turnarounds and financial restructurings. As an officer or advisor, I prepared and
2 implemented post-acquisition integration plans, viability plans, asset dissolution strategies, and
3 liquidity enhancement plans. My experience spans the spectrum from the largest U.S. companies
4 to middle market proprietary companies.

5 4. For all of the reasons set forth in the Motion and the supporting declarations,
6 failure to grant immediate relief would risk immediate and irreparable harm to the Debtors'
7 patients and the estates.

8 5. When the Debtors filed their chapter 11 cases, they represented that St. Vincent
9 had consistently lost money for many years due to, among other things, unfavorable payor
10 contracts, rising health care costs, high pension obligations and certain requirements imposed on
11 St. Vincent by the State of California Attorney General. They also represented that St. Vincent
12 was dramatically under invested in structural improvements necessary to meet California's state
13 mandated seismic and clean energy requirements. However, the combined effect of these issues
14 have been a consistent drag in operating cash balances absent additional financing.

15 6. While the Debtors collectively have a poor financial history, St. Vincent has been
16 particularly troubled. On the Petition Date, although St. Vincent accounted for approximately
17 only 23% of the patient volume of the entire Verity Health System, the hospital accounted for
18 approximately 60% of the operating losses.

19 7. The DIP Facility enabled Debtors to operate the Hospitals while they continued
20 their efforts to find a purchaser for their assets and to reach agreements with key constituents.
21 The Debtors had expected the SGM Sale to close in the fourth quarter of 2019, but it did not. At
22 this point, even if there were any material interest (which there is not), St. Vincent and the estates
23 could not sustain the losses that would be incurred during the regulatory review process, such as
24 the losses borne during the Attorney General review process for the sale to Strategic Global
25 Management, Inc. ("SGM"), which failed when SGM did not close the sale.

26 8. St. Vincent's operating losses are significant and unsustainable. The reported
27 financial statements of St. Vincent reflect that, in fiscal year 2019 (ended June 30, 2019), SVMC
28

1 lost approximately \$65 million which was an 18% and 103% increase over the fiscal years 2018
2 and 2017, respectively.

3 9. Although the Debtors have continued operating St. Vincent by subsidizing its
4 losses in pursuit of selling the entire health system as a whole, the failure of SGM to close the
5 SGM Sale and the Debtors' liquidity constraints requires the immediate reduction of operating
6 losses to preserve the other hospitals' ability to continue to operate while alternative transactions
7 are pursued.

8 10. The Debtors recently stipulated with their prepetition secured lenders to extend
9 their consensual use of cash collateral to help fund the resolution of these Bankruptcy Cases. The
10 Debtors anticipate that by mitigating St. Vincent's operational losses through closure of its
11 facilities as expediently as possible, the Debtors will have sufficient cash-on-hand (e.g.,
12 remaining proceeds from the hospital sales to Santa Clara County plus extended consensual use
13 of cash collateral) to fund the Closure in an orderly manner.

14 I declare under penalty of perjury that, to the best of my knowledge and after reasonable
15 inquiry, the foregoing is true and correct.

DECLARATION OF JAMES M. MOLONEY

I, James M. Moloney, hereby state and declare as follows:

1. I submit this declaration (the “Declaration”) in support of the *Debtors’ Emergency Motion for Authorization to Close St. Vincent Medical Center* (the “Motion”),¹ which seeks entry of an order authorizing the Debtors to: (a) take all actions necessary in the exercise of their business judgment to effectuate the orderly closure of St. Vincent Medical Center (including its on-campus dialysis center, “St. Vincent”), including the transfer of patient care to other health care providers, the proper disposition of controlled substances and hazardous materials, notices to governmental entities, and ultimately, the cessation of operations at St. Vincent; and (b) granting such other relief as the Court deems just and proper in connection therewith.

2. I am a managing director of Cain Brothers (“Cain”), which is a division of KeyBanc Capital Markets Inc., a wholly-owned broker/dealer subsidiary of KeyCorp and an affiliate of KeyBank National Association. I am located in Cain’s San Francisco office which is located at One California Street, Suite 2400, San Francisco, California. Mr. Carsten Beith and I are the co-heads of Cain’s Health Systems Mergers & Acquisition group. I am over the age of 18 and competent to testify as to the facts set forth herein and will do so if called upon.

3. As set forth in my previous declarations, beginning in June 2018, Cain began working with the Debtors to collect and review financial, operational and other information about the historic, current and project future operations and financial performance of each of the Debtors. Cain also began searching for a buyer or buyers for the Debtors’ assets and created a potential list of buyers for the Verity Heath System as a whole or in parts. Mr. Beith and I led the marketing and sale efforts on behalf of Verity and advised Verity in connection with Verity’s selection of Strategic Global Management, Inc., as the Stalking Horse Buyer for the Debtors’ Hospitals and related assets.

4. The previous marketing and sale process yielded no bid for St. Vincent as a stand-alone hospital. Further, in our most recent discussions and outreach to potential buyers of the

1 debtors' assets, no potential bidders have expressed an interest in purchasing St. Vincent to
2 operate the hospital as a going concern. Today, however, I did have a telephone conversation
3 with a potential bidder that expressed an interest in acquiring St. Vincent with an unidentified
4 partner with hospital operating experience. This potential bidder indicated that their long-term
5 interest for St. Vincent was as a real-estate investment if the hospital operating partner could not
6 develop a viable plan to operate St. Vincent's profitably. My discussion with this bidder
7 indicated that limited due diligence had been conducted and that it may not have experience with
8 the regulatory approval process required for such a transaction.

9 I declare under penalty of perjury that, to the best of my knowledge and after reasonable

At the above-captioned date and time, the Court conducted a hearing on the *Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center* (the "Motion") [Doc. No. 3906]. For the reasons set forth in the concurrently-issued *Memorandum of Decision Granting Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center*, the Court **HEREBY ORDERS AS FOLLOWS:**

- 1) The Motion is **GRANTED**.
- 2) Notwithstanding Bankruptcy Rule 6004(h), this Order shall take effect immediately upon entry.

Before the Court is the Debtors' emergency motion (the "Motion") for authorization to implement a plan to close St. Vincent Medical Center and St. Vincent Dialysis Center, Inc. (collectively, "St. Vincent"). The Court conducted a hearing on the Motion at the above-captioned date and time. Because the Motion was heard on an emergency basis, the Court allowed parties who had not filed a written opposition to the Motion to present arguments at the hearing.¹ For the reasons set forth below, the Motion is GRANTED.

I. Facts

On August 31, 2018 (the "Petition Date"), Verity Health System of California ("VHS") and certain of its subsidiaries (collectively, the "Debtors") filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtors' cases are being jointly administered.

As of the Petition Date, the Debtors operated six acute care hospitals in the state of California. On December 27, 2018, the Court authorized the Debtors to sell two of their hospitals—O'Connor Hospital and Saint Louise Regional Hospital—to Santa Clara County (the "Santa Clara Sale").² The Santa Clara Sale closed on February 28, 2019.

On February 19, 2019, the Court entered an order establishing bidding procedures (the "Bidding Procedures Order")³ for the auction of the Debtors' four remaining hospitals—St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (including St. Vincent Dialysis Center) ("St. Vincent"), Seton Medical Center ("Seton"), and Seton Medical Center Coastside ("Seton Coastside") (collectively, the "Hospitals"). Under the Bidding Procedures Order, Strategic Global Management ("SGM") was designated as the stalking horse bidder.

¹ In addition to the oral presentations made at the hearing, the Court considered the following papers in adjudicating the Motion:

- 1) Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center (the "Motion") [Doc. No. 3906];
 - a) Order Setting Hearing on Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center [Doc. No. 3907];
 - b) Notice of Hearing on Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center [Doc. No. 3909];
 - c) Declaration of Service by Kurtzman Carson Consultants, LLC Regarding Docket Numbers 3906, 3907 and 3909 [Doc. No. 3913];
- 2) Opposition by California Nurses Association to Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center [Doc. No. 3914];
- 3) Opposition to Emergency Motion Filed by Marc Girsky, M.D., Chief of Staff of St. Vincent Medical Center [Doc. No. 3916]; and
- 4) Opposition to Emergency Motion Filed by Samuel K. Lee [Doc. No. 3926].

No. 1572].

SGM's bid for all four of the Hospitals was \$610 million. The Bidding Procedures Order approved an Asset Purchase Agreement (the "APA") between the Debtors and SGM.

The Hospitals were extensively marketed by the Debtors' investment banker, Cain Brothers, a division of KeyBank Capital Markets, Inc. ("Cain Brothers"). Cain Brothers notified ninety parties of the auction process. Sixteen of these parties requested continued access to a data room containing information about the Hospitals.

Notwithstanding Cain Brothers' thorough marketing efforts, the Debtors did not receive any qualified bids for all of the Hospitals. The Debtors received one bid to purchase only St. Vincent and one bid to purchase only St. Francis. After consulting with the Official Committee of Unsecured Creditors (the "Committee") and the largest secured creditors, the Debtors determined not to conduct an auction. On May 2, 2019, the Court entered an order finding that SGM was the winning bidder and approving the sale to SGM (the "SGM Sale").⁴

On November 27, 2019, the Court entered a memorandum of decision and accompanying order finding that as of November 19, 2019, all conditions precedent under the APA to SGM's obligation to close the SGM Sale had been satisfied.⁵ The Court found that pursuant to § 1.3 of the APA, SGM was obligated to close the SGM Sale by no later than December 5, 2019. *Id.* SGM did not close the sale by December 5, 2019.⁶ On December 27, 2019, the Debtors sent SGM a notice terminating the APA and asserting that SGM had materially breached the APA.⁷

The Debtors seek authorization to implement a plan to close St. Vincent (the "Closure Plan"). The Debtors assert that there is no buyer interested in purchasing St. Vincent as a going-concern; that the operating losses generated by St. Vincent threaten the viability of the entire Verity Health System; and that if the Debtors do not immediately begin implementing the Closure Plan, they will lack sufficient funds to conduct an orderly closure.

The timeline contemplated by the Closure Plan is as follows (all dates are calculated with reference to entry of an order granting the Motion):

- Order + 1 day: Notify Emergency Medical Services and place St. Vincent on diversion protocol for all patients. Begin process of transferring patients, along with their medical information, to a hospital of their choice.
- Order + 3 days: Complete closure of emergency department.
- Order + 5 days: Cease scheduling all elective procedures.
- Order + 7 days: Conclude and cease all elective surgeries and other procedures.
- Order + 21 days: Complete closure of the dialysis department.
- Order + 30 days: Complete closure of the transplant department.

Summary of the California Nurses Association's Opposition to the Motion

The California Nurses Association (the "CNA"), which represents registered nurses employed at St. Vincent, opposes the Motion. The CNA makes the following arguments and representations in support of its opposition:

The Debtors have not demonstrated that they have provided the notice of the contemplated closure that is required under California law. Specifically, the contemplated closure violates the following provisions of the Cal. Health & Safety Code:

- Cal. Health & Safety Code § 1255.1(a) requires that any hospital providing emergency medical services give 90 days' advance notice of the elimination of such services to "the state department, the local government entity in charge of the provision of health services, and all health care service plans or other entities under contract with the hospital to provide services to enrollees of the plan or other entity."
- Cal. Health & Safety Code § 1225.1(b) requires a hospital to provide 90 days' advance notice of the closure "in a manner that is likely to reach a significant number of residents of the community" serviced by the hospital.
- Cal. Health & Safety Code § 1255.25(a)(1) requires that not less than 30 days prior to the closure, the hospital (1) post notice of the closure "at the entrance to all affected facilities" and (2) provide notice of the closure to the department and the board of supervisors of the county in which the hospital is located.
- Cal. Health & Safety Code § 1255.25(b)(2) requires that not less than 30 days prior to closure, the hospital provide notice to Medicare and Medi-Cal beneficiaries, including information on the nearest available facilities providing similar healthcare services.

The notification requirements serve a vital role in helping underserved communities prepare for the devastating loss of essential healthcare services. As set forth in a January 7, 2020 letter from California State Senator Maria Elena Durazo and California State Assembly Member Wendy Carrillo, who represent constituents in the district in which St. Vincent is located, closure of the hospital will be "devastating" for the district, and the public notice requirement "is crucial because it gives [the public] time to figure out where patients should be going to receive care in the area" and "ensure[s] workers are not left unemployed"

In *Norris Square Civic Ass'n v. St. Mary Hosp. (In re St. Mary Hosp.)*, the Bankruptcy Court enjoined a hospital from closing because it had failed to comply with applicable notice requirements imposed by state law. 86 B.R. 393, 400 (Bankr. E.D. Pa. 1988). The Motion should be denied based on the Debtors' failure to comply with the notice requirements imposed by California law.

The timeframe proposed by the Debtors for closing the emergency department creates an unreasonable risk to public safety. The Debtors plan to close the emergency department within three days after entry of an order granting the Motion. Even if ambulances are placed on diversion status, many residents of the community will still drive to the emergency department to receive care. Based on the most recent filing with the California Office of Statewide Health Planning and Development, the emergency department receives approximately 83 visits per day.

II. Discussion

A. CNA's Opposition to the Motion is Overruled

CNA asserts that the Closure Plan cannot be approved because the Debtors have failed to provide notification of the closure in accordance with the provisions of the Cal. Health & Safety Code. CNA's argument incorrectly assumes that the Cal. Health & Safety Code's notice provisions are controlling within the bankruptcy context.

Title 28 U.S.C. § 959(b) requires the Debtors to "manage and operate the property" in their possession "according to the requirements of the valid laws of the State in which such property is situated, in the same manner that the owner or possessor thereof would be bound to do if in possession thereof." However, § 959(b) applies only to property used in connection with an operating business; it does not apply to property where business operations have ceased and the assets are being liquidated. In *In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, this Court held that § 959(b) did not apply to the sale of a closed hospital. 567 B.R. 820, 829 (Bankr. C.D. Cal. 2017). *See also S.E.C. v. Wealth Mgmt. LLC*, 628 F.3d 323, 334 (7th Cir. 2010) ("Modern courts have ... concluded that § 959(b) does not apply to liquidations"); *Alabama Surface Min. Comm'n v. N.P. Min. Co. (In re N.P. Min. Co., Inc.)*, 963 F.2d 1449, 1460 (11th Cir. 1992) ("A number of courts have held that section 959(b) does not apply when a business's operations have ceased and its assets are being liquidated"); *Saravia v. 1736 18th St., N.W., Ltd. P'ship*, 844 F.2d 823, 827 (D.C. Cir. 1988) (viewing § 959(b) "as applying only to operating businesses, not ones that were in the process of being liquidated").

Upon initiation of the Closure Plan, St. Vincent will enter the process of liquidation and will no longer be an operating business. Therefore, § 959(b) does not require the Debtors to comply with the notice deadlines of the Cal. Health & Safety Code when implementing the Closure Plan.

This case provides a compelling illustration of why the Bankruptcy Court's authority to supervise the use of estate property under § 363(b) must trump the Cal. Health & Safety Code. The Debtors worked to close the SGM Sale, which would have allowed St. Vincent to continue operating, until December 27, 2019. Compliance with the Cal. Health & Safety Code's notice requirements would have required the Debtors to provide notice that St. Vincent would be closing at a time when the Debtors reasonably expected that the SGM Sale would close. The provision of such notice would have interfered with St. Vincent's operations, disrupting the Debtors' efforts to close the SGM Sale. Premature publication of notice of closure would have harmed employee retention and morale, confused patients, and caused vendors to cease furnishing critical supplies. These serious harms would have undercut the central objective of the § 363 sale process—providing the Debtors the opportunity to realize the optimal value of their assets. *Simantob v. Claims Prosecutor, LLC (In re Lahijani)*, 325 B.R. 282, 288–89 (9th Cir. BAP 2005).

CNA's opposition suffers from an additional defect. As a party in interest, CNA "may appear and be heard on any issue" in these cases. § 1109(b). However, the Court must still assess whether CNA has standing to assert that the Closure Plan violates the Cal. Health & Safety Code. The Court finds that it does not.

The provisions of the Cal. Health & Safety Code cited by CNA are enforced by the California Department of Public Health (the "CDPH"). CDPH did not file a written opposition to the Motion.⁸ CNA's opposition essentially seeks to enforce various provisions of the Cal. Health

⁸ At the hearing, Deputy Attorney General Kenneth K. Wang, who represents the California Department of Health Care Services, alleged that the Motion had not been properly served upon

& Safety Code against the Debtors on CDPH's behalf. That is not appropriate, because the Health & Safety Code does not create a private right of action. The California Supreme Court has explained that a private right of action exists under the following circumstances:

A violation of a state statute does not necessarily give rise to a private cause of action. Instead, whether a party has a right to sue depends on whether the Legislature has "manifested an intent to create such a private cause of action" under the statute....

A statute may contain " 'clear, understandable, unmistakable terms,' " which strongly and directly indicate that the Legislature intended to create a private cause of action. For instance, the statute may expressly state that a person has or is liable for a cause of action for a particular violation. (See, e.g., Civ.Code, § 51.9 ["A person is liable in a cause of action for sexual harassment" when a plaintiff proves certain elements]; Health & Saf.Code, § 1285, subd. (c) ["Any person who is detained in a health facility solely for the nonpayment of a bill has a cause of action against the health facility for the detention"].) Or, more commonly, a statute may refer to a remedy or means of enforcing its substantive provisions, i.e., by way of an action.

Lu v. Hawaiian Gardens Casino, Inc., 50 Cal. 4th 592, 597, 236 P.3d 346, 348 (2010) (internal citations omitted).

None of the sections cited by CNA contains language expressly creating a private right of action. Further, there is no indication that the legislature intended for private entities to have the ability to enforce those provisions against hospitals. *See Lu*, 50 Cal. 4th at 600 (providing that if a statute does not expressly create a private right of action, there must be a "clear indication" that the legislature intended to do so). To the contrary, the structure of the statute indicates that the legislature delegated enforcement responsibilities solely to the CDPH. The provisions cited by CNA are contained within the chapter of the statute pertaining to licensure. That chapter also contains provisions setting forth the circumstances under which a health facility's license may be revoked, including the manner in which the CDPH must conduct hearings on license revocation. *See Cal. Health & Safety Code* § 1294 (the "state department may suspend or revoke any license

the CDPH. The Court finds that the CDPH received sufficient notice of the Motion. On January 6, 2020, the Motion was served upon Deputy Attorney General David K. Eldan, Deputy Attorney General Kenneth K. Wang, and Deputy Attorney General Scott Chan, via e-mail. Doc. No. 3913, Ex. B. On January 6, 2020, the Debtors provided telephonic notice of the hearing to Attorney General Xavier Becerra and Deputy Attorney General Kenneth K. Wang. *Id.* at Ex. A. On January 6, 2020, the Debtors served the Motion, via overnight mail, upon Attorney General Xavier Becerra, Deputy Attorney General Kenneth K. Wang, Deputy Attorney General David Eldan, the Office of the Attorney General located in Los Angeles, and the Consumer Law Section of the Office of the Attorney General. *Id.* at Ex. D. On January 7, 2020, at 5:48 p.m. (Pacific Time), the Debtors served the Motion electronically upon the CDPH, at seven different e-mail addresses. Doc. No. 3924. On that same date, the Debtors provided telephonic notice of the Motion and the hearing date to counsel to the CDPH. *Id.* CDPH had sufficient notice of the Motion to have a team of representatives onsite at St. Vincent preparing for the contemplated closure at the same time that the hearing was being conducted, as represented by Debtors' counsel at the hearing.

or special permit issued under the provisions of this chapter upon any of the following grounds"); *id.* at § 100171 (containing procedures for hearings on licensure).

In addition, at least one court has held that a provision contained within Division 2 of the Health & Safety Code (the same division containing the provisions cited by CNA) does not create a private right of action. *See John Muir Health v. Glob. Excel Mgmt.*, No. C-14-04226 DMR, 2014 WL 6657656, at *4 (N.D. Cal. Nov. 21, 2014) (dismissing a claim brought under Cal. Health & Safety Code § 13714(b) because the provision did not create a standalone private right of action).

B. The Debtors Are Authorized to Implement the Closure Plan to Effect an Orderly Closure of St. Vincent

Section 363(b) authorizes a debtor to use property of the estate outside the ordinary course of business upon court approval. The debtor must articulate a “business justification” to use property outside the ordinary course of business. *In re Walter*, 83 B.R. 14, 19–20 (B.A.P. 9th Cir. 1988). Whether the articulated business justification is sufficient “depends on the case,” in view of “all salient factors pertaining to the proceeding.” *Id.* at 19–20.

The Debtors’ decision to close St. Vincent constitutes a “use” of estate property within the meaning of § 363(b). The Debtors have articulated a sufficient business justification for closing St. Vincent. The following facts have been established by the declarations submitted in support of the Motion:

- No buyer has presented a realistic bid to purchase St. Vincent as a stand-alone hospital. Moloney Decl. at ¶ 4. Although James M. Moloney, the Debtors’ investment banker, had a telephone conversation with a potential bidder on January 6, 2020, that bidder had conducted limited due diligence and did not have experience with the regulatory approval process required to purchase a hospital. *Id.* Further, the bidder’s intended use for St. Vincent was as a real-estate investment if the bidder’s hospital operating partner could not develop a viable plan to profitably operate St. Vincent. *Id.*
- St. Vincent is generating substantial operating losses. As of the Petition Date, St. Vincent accounted for approximately 23% of the patient volume of the entire Verity Health System, but was responsible for 60% of the operating losses. Chadwick Decl. at ¶ 6. If the Debtors do not implement the Closure Plan rapidly, they will lack sufficient funds to conduct an orderly closure of St. Vincent. Adcock Decl. at ¶ 7.
- The Debtors lack sufficient funds to continue to subsidize St. Vincent’s operating losses. Absent the closure of St. Vincent, the Debtors will be unable to continue operating their other hospitals. Chadwick Decl. at ¶ 9.

Since it is not feasible for the Debtors to continue St. Vincent’s operations, implementation of the Closure Plan is necessary to sustain public health and welfare. Public safety would be jeopardized if the Debtors allowed St. Vincent to remain open while lacking sufficient funds to support its operations. In this respect, the Court notes that the Debtors do not have the ability to borrow under any debtor-in-possession financing facility. The Debtors’ cases are being financed by a consensual cash collateral stipulation executed between the Debtors and the principal secured creditors (the “Cash Collateral Stipulation”). Under the Cash Collateral Stipulation, the Debtors’ ability to use cash collateral terminates on January 31, 2020.

CNA asserts that the Debtors are entitled to damages from SGM for its failure to perform under the APA, and that St. Vincent's operations could be funded from these breach damages. CNA overlooks the fact that the Court has not made a finding as to whether SGM has breached the APA. The issue of SGM's alleged breach is subject to ongoing litigation, which will not be resolved in the near term. Sustaining St. Vincent's operations requires immediately available liquidity, which the Debtors lack. The speculative possibility of a future cash infusion based upon SGM's alleged breach is not a solution to St. Vincent's current funding crisis. Nor is pursuing a sale, another alternative suggested by CNA. There are no firm expressions of interest. Even if a buyer was identified, the sale process and review by the Attorney General's office would take months to conclude.

The Closure Plan preserves patient safety. Acute care patients will be transferred to Good Samaritan Hospital, which is located approximately one mile from St. Vincent. Adcock Decl. at ¶ 8. St. Joseph Hospital has agreed to assume care of the kidney transplant patients who are part of the St. Vincent Transplant Program, subject to approval of the United Network for Organ Sharing. *Id.*

1. The Timeline Set Forth in the Closure Plan is Approved, Except that the Deadline for Physicians to Vacate St. Vincent's Medical Office Facilities is Extended by 30 Days

At the hearing, multiple parties testified regarding the impact of the Closure Plan upon physicians, employees, patients, and other stakeholders. Having considered the evidence before it, the Court approves the deadlines set forth in the Closure Plan, with the exception of the deadline for physicians to vacate St. Vincent's medical office facilities, which is extended by 30 days to April 30, 2020.

The Court places substantial weight upon the testimony of Dr. Jacob Nathan Rubin, the Court-appointed Patient Care Ombudsman. Dr. Rubin testified as follows:

- To protect patient safety, St. Vincent must be closed as quickly as possible following the announcement of the hospital's closure. Once closure is announced, key members of St. Vincent's medical staff will immediately leave to seek employment elsewhere. Replacing experienced staff with temporary workers is not feasible because the temporary workers will be unfamiliar with St. Vincent's systems, procedures, and electronic medical records. There will not be a sufficient number of experienced staff remaining to adequately train the large influx of temporary workers. The result of the rapid departure of experienced staff will be a marked decline in the quality of patient care, seriously jeopardizing patient safety.
- The transfer of existing patients to other hospitals will not impair patient safety. Patients are routinely transferred from one hospital to another, and the hospital resources within St. Vincent's immediate vicinity are more than sufficient to accommodate St. Vincent's patients.

Alice Kirchner, director of Dialysis Services at St. Vincent, asserted that the Closure Plan did not provide sufficient notice to enable the smooth relocation of patients. Ms. Kirchner stated that the Closure Plan's deadlines were creating stress and trauma for affected patients, staff, and physicians. Ms. Kirchner requested that the Dialysis Unit be provided a minimum of 30 days to relocate patients before being shut down.

In view of Dr. Rubin's testimony, the Court does not find it appropriate to extend the deadlines set forth in the Closure Plan. In fact, Dr. Rubin testified that if the deadlines were to be modified, they should be shortened, not extended. The Court understands the difficulties that the Closure Plan's deadlines place upon stakeholders. However, the Court's first priority must be protecting patient safety, and that requires a rapid closure.

St. Vincent leases office space to physicians who provide outpatient services. Dr. Marc Girskey, St. Vincent's Chief of Staff, stated that the March 31, 2020 deadline for physicians to vacate the office space would not provide physicians adequate time to relocate their practices. Dr. Girskey requested that physicians be provided at least six months to relocate. Dr. Samuel Lee, St. Vincent's former Chief of Staff, and Ryan Yant, counsel for St. Vincent Independent Physicians Association, made statements in support of Dr. Girskey's request. The Court also received a letter signed by numerous physicians who lease office space at St. Vincent requesting that the deadline to relocate be extended to June 30, 2020.⁹

In response to the physicians' requests, the Debtors proposed extending the relocation deadline by 30 days, to **April 30, 2020**. The Court finds the compromise proposed by the Debtors to be appropriate. The April 30 deadline provides physicians approximately four months to relocate.

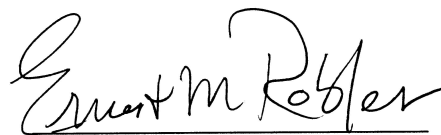

III. Conclusion

The Court is fully cognizant of the hardship that closure of St. Vincent will have upon employees and members of the surrounding community. The absence of any serious purchaser willing to acquire St. Vincent as a going-concern has placed all constituencies in this case in a difficult position. However, forcing the Debtors to keep St. Vincent open when there is insufficient money to operate it would only make the situation far worse for St. Vincent and for the patients of the Debtor's other hospitals.

The Motion is **GRANTED** to the extent set forth herein. Notwithstanding Bankruptcy Rule 6004(h), the order granting the Motion shall take effect immediately upon entry. By no later than **January 23, 2020**, the Debtors shall submit a Status Report regarding implementation of the Closure Plan. Subsequent Status Reports shall be submitted every fourteen days until the Closure Plan has been fully implemented.¹⁰ The Court will enter an order consistent with this Memorandum of Decision.
