## **SCHEDULE 6.1(b)(3)**

### **(Bidding Procedures)**

#### **BIDDING PROCEDURES**

Set forth below are the bidding procedures (the “Bidding Procedures”)<sup>1</sup> to be employed in connection with the sale of (i) the assets (the “Purchased Assets”) enumerated in the Stalking Horse APA (as defined below), including, but not limited to, St Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center (including Seton Coastside) (collectively, the “APA Facilities”); and (ii) assets not otherwise enumerated in the APA, but associated with the ownership or operation of the APA Facilities and available for purchase (the “Other Assets”), in connection with the chapter 11 cases pending in the United States Bankruptcy Court for the Central District of California (the “Bankruptcy Court”), jointly administered as case number 2:18-bk-20151-ER, in the form to be approved by the Bankruptcy Court, by Order dated February 19, 2019 (the “Bidding Procedures Order”) [Docket No. 1572].

The Debtors entered into that certain Asset Purchase Agreement, dated January 8, 2019 between the Debtors, on the one hand, and Strategic Global Management, Inc., a California corporation (the “Stalking Horse Purchaser”) on the other hand, pursuant to which the Stalking Horse Purchaser shall acquire the Purchased Assets on the terms and conditions specified therein (together with the schedules and related documents thereto, the “Stalking Horse APA”). The sale transaction pursuant to the Stalking Horse APA is subject to competitive bidding as set forth herein. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the *Debtors’ Notice of Motion and Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Hearing to Consider Approval of the Sale to the Highest Bidder, (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* (the “Sale Motion”) or the Bidding Procedures Order.

#### **I. ASSETS TO BE SOLD**

The Debtors seek to complete a sale of substantially all assets of APA Facilities, including both the Purchased Assets and the Other Assets (the “Sale”). The Stalking Horse APA will serve as the “stalking-horse” bid for the Purchased Assets.

#### **II. THE BIDDING PROCEDURES**

In order to ensure that the Debtors receive the maximum value for the Purchased Assets and/or the Other Assets, they intend to hold a sale process for the Purchased Assets and/or the Other Assets pursuant to the procedures and on the timeline proposed herein.

---

<sup>1</sup> Unless otherwise defined, all capitalized terms shall have the meanings ascribed to them in the Stalking Horse APA.

**A. Provisions Governing Qualifications of Bidders**

Unless otherwise ordered by the Court or as set forth in these procedures, in order to participate in the bidding process, each person, other than the Stalking Horse Purchaser, who wishes to participate in the bidding process must deliver, prior to the Bid Deadline (defined herein), the following to the Debtors:

- a) a written disclosure of the identity of each entity that will be bidding for the Purchased Assets or and/or the Other Assets or otherwise participating in connection with such bid; and
- b) an executed confidentiality agreement (to be delivered prior to the distribution of any confidential information by the Debtors) in form and substance satisfactory to the Debtors and which shall inure to the benefit of any purchaser of the Purchased Assets and/or the Other Assets; without limiting the foregoing, each such confidentiality agreement shall contain standard non-solicitation provisions.

A bidder that delivers the documents and information described above and that the Debtors determine, after consultation with the Official Committee of Unsecured Creditors, the Prepetition Secured Creditors, and any other party deemed appropriate within the business judgment of the Debtors (collectively, the “Consultation Parties”) in their reasonable business judgment, is likely (based on availability of financing, experience, and other considerations) to be able to consummate the sale, will be deemed a potential bidder (“Potential Bidder”).

**B. Due Diligence**

The Debtors will afford any Potential Bidder such due diligence access or additional information as the Debtors, in consultation with their advisors, deem appropriate, in their reasonable discretion. The due diligence period shall extend through and including the relevant Bid Deadline; provided, however, that any bid submitted under these procedures shall be irrevocable until at least the selection of the Successful Bidder(s) (defined herein) and any Back-Up Bidder(s) (defined herein).

**C. Provisions Governing Qualified Bids**

A bid submitted by a Potential Bidder will be considered a Qualified Bid (each, a “Qualified Bid,” and each such Potential Bidder thereafter a “Qualified Bidder”) only if the bid complies with the following requirements:

- a) it states that the applicable Qualified Bidder offers to purchase, in cash, some or all of the Purchased Assets and/or the Other Assets;
- b) it identifies with particularity the portion of the Purchased Assets and/or the Other Assets the Qualified Bidder is offering to purchase;
- c) it allocates with specificity the portion of the purchase price offered that the Qualified Bidder attributes to St. Francis Medical Center, St. Vincent Medical

Center, and Seton Medical Center, and Seton Coastsides, and each of the Other Assets, respectively;<sup>2</sup>

- d) it includes a signed writing that the Qualified Bidder's offer is irrevocable until the selection of the Successful Bidder and the Back-Up Bidder, provided that if such bidder is selected as the Successful Bidder or the Back-Up Bidder then the offer shall remain irrevocable until the earliest of (i) the closing of the transaction with the Successful Bidder, (ii) in the case of the Successful Bidder, a termination of the Qualified Bid pursuant to the terms of the Successful Bidder Purchase Agreement and (iii) with respect to the Back-Up Bidder, the time specified in Section II (K) below;
- e) it includes confirmation that there are no conditions precedent to the Qualified Bidder's ability to enter into a definitive agreement and that all necessary internal governance and shareholder approvals have been obtained prior to the bid;
- f) it sets forth each third-party, regulatory and governmental approval required for the Qualified Bidder to consummate the transaction and the time period within which the Qualified Bidder expects to receive such approvals and establishes a substantial likelihood that the Qualified Bidder will obtain such approvals by the stated time period;
- g) it includes a duly authorized and executed copy of a purchase or acquisition agreement in the form of the Stalking Horse APA (a "Purchase Agreement"), including the purchase price for some or all of the Purchased Assets and/or the Other Assets, or both, expressed in U.S. Dollars, together with all exhibits and schedules thereto, together with copies marked to show any amendments and modifications to the Stalking Horse APA ("Marked Agreement");
- h) it is not subject to any financing contingency and includes written evidence of a firm ability to have the funding necessary to consummate the proposed transaction, that will allow the Debtors to make a reasonable determination, in consultation with the Consultation Parties, as to the Qualified Bidder's financial and other capabilities to consummate the transaction contemplated by the Purchase Agreement;
- i) if the bid is for all of the Purchased Assets, it must have a value to the Debtors, in the Debtors' exercise of its reasonable business judgment, after consultation with its advisors and the Consultation Parties, that is greater than or equal to the sum of the value offered under the Stalking Horse APA, plus (i) the amount of the Break-Up Fee (\$21,350,000.00); (ii) the amount of the Expense Reimbursement (\$2,000,000.00); and (iii) \$7,000,000.00 (the "Initial Bidding Increment," and, together with the Break-Up Fee and the Expense Reimbursement, the "Minimum Qualified Bid");

---

<sup>2</sup> For the avoidance of doubt, such allocation shall not be binding on the Debtors, their estates or any Consultation Party.

- j) if the bid is a partial bid (the “Partial Bid”),<sup>3</sup> the terms of paragraph (i) immediately above shall not apply but the terms of paragraph (o) below concerning the Good Faith Deposit shall expressly apply in order to be a bid qualified to participate in the Partial Bid Auction (as defined below) (each, a “Partial Bid Auction Qualified Bid”). In the event that the Debtors aggregate Partial Bids, the Partial Bid purchasers’ responsibility for the Break-Up Fee, the Expense Reimbursement, and the Initial Bidding Increment shall be reasonably allocated to each Partial Bid purchaser, and in no event shall the Stalking Horse Purchaser be entitled to more than one Break-Up Fee and/or Expense Reimbursement;
- k) it identifies with particularity which (i) executory contracts and unexpired leases the Qualified Bidder wishes the Debtors to assume and assign to it, and (ii) Purchased Assets and/or Other Assets, subject to purchase money liens or the like, the Qualified Bidder wishes to acquire and therefore pay the associated purchase money financing;
- l) it contains sufficient information concerning the Qualified Bidder’s ability to provide adequate assurance of future performance with respect to executory contracts and unexpired leases the Qualified Bidder wishes the Debtors to assume and assign to it;
- m) it includes an acknowledgement and representation that the Qualified Bidder: (A) has had an opportunity to conduct any and all required due diligence regarding the Purchased Assets and/or Other Assets prior to making its offer and that the offer is not subject to any further due diligence or the need to raise capital/financing to consummate the proposed transaction; (B) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Purchased Assets and/or Other Assets in making its bid; (C) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express or implied (by operation of law or otherwise), regarding the Purchased Assets and/or Other Assets or the completeness of any information provided in connection therewith or with the relevant Auction (defined below), except as expressly stated in the Purchase Agreement; and (D) is not entitled to any expense reimbursement, break-up fee, or similar type of payment in connection with its bid;
- o) unless it is a Credit Bid (as defined below), it is accompanied by a (i) good faith deposit in the form of a wire transfer (to a bank account specified by the Debtors), certified check or such other form of cash or cash equivalent acceptable to the Debtors, payable to the order of the Debtors (or such other party as the Debtors may determine) in an amount equal to: (a) 20% of purchase price for bids under \$5 million; (b) for bids greater than \$5 million and less than \$100 million, the greater of: (i) \$1 million or (ii) 10% of purchase price; (c) for bids greater than \$100 million, the greater of (i) \$10 million or (ii) 5% of purchase price (collectively, the “Good Faith Deposit”), which Good Faith Deposit shall, be forfeited if such bidder

<sup>3</sup> A Partial Bid shall mean a bid for less than all of the Purchased Assets.

is the Successful Bidder and breaches its obligation to close; and (ii) if the Qualified Bid is a bid made by a secured creditor of the Debtors (a “Credit Bid Bidder”) who intends to make a credit bid (each, a “Credit Bid Bid”), evidence of (a) the basis for and property covered by such Credit Bid Bidder’s secured claim, (b) the amount of such Credit Bid Bidder’s claim that is secured by the property in question, (c) whether it is the senior secured claim on the property (x) prepetition and (y) as of the date of the request to be a Qualified Bidder, as well as (d) evidence of the resolution of any Challenge to such Credit Bid Bidder’s secured claim within the meaning of the Final DIP Order.

- p) it contains a detailed description of how the Qualified Bidder intends to treat current employees of the Debtors;
- r) it identifies the person(s) and their title(s) who will attend the relevant Auction, and confirms that such person(s) have authority to make binding Overbids (defined below) at such Auction
- s) it contains such other information reasonably requested by the Debtors; and
- t) it is received prior to the Bid Deadline.

The Debtors, in consultation with the Consultation Parties (who shall receive copies of the Purchase Agreements relating to any bids cast pursuant to these Bidding Procedures as soon as reasonably practicable), may qualify any bid that meets the foregoing requirements as a Qualified Bid. Notwithstanding the foregoing, the Stalking Horse Purchaser is deemed a Qualified Bidder and the Stalking Horse APA is deemed a Qualified Bid, for all purposes in connection with the Bidding Process, the Auctions, and the Sale.

The Debtors shall notify the Consultation Parties, the Stalking Horse Purchaser, all Qualified Bidders and the Notice Parties in writing as to whether or not any bids constitute Qualified Bids (and with respect to each Qualified Bidder that submitted a bid as to whether such Qualified Bidder’s bid constitutes a Qualified Bid) and provide copies of the Purchase Agreements relating any such Qualified Bid to the Consultation Parties, the Stalking Horse Purchaser and such Qualified Bidders, and the Notice Parties on the earlier of: (1) the date that any bid other than the Stalking Horse Bid has been deemed a Qualified Bid, or (2) two business days prior to the Partial Bid Auction.

#### **D. Bid Deadline**

In order to be eligible to participate in the Auction, a Qualified Bidder that desires to make a bid will deliver written copies of its bid to the following parties (collectively, the “Notice Parties”): (i) counsel to the Debtors: Dentons US LLP, 601 S. Figueroa Street, Suite 2500, Los Angeles, CA 90017 (Attn: Tania M. Moyron (taniamoyron@dentons.com)); (ii) the Debtors’ Investment Banker: Cain Brothers, a division of KeyBanc Capital Markets, 1 California Street, Suite 2400, San Francisco, CA 94111 (Attn: James Moloney (jmoloney@cainbrothers.com)); (iii) counsel to the Official Committee: Milbank, Tweed, Hadley & McCloy LLP, 2029 Century Park East, 33rd Floor, Los Angeles, CA 90067 (Attn: Gregory A. Bray (gbray@milbank.com)); (iv) counsel to the Master Trustee and Series 2005 Bond Trustee: Mintz, Levin, Cohn, Ferris, Glovsky and Popeo,

P.C., One Financial Center, Boston, MA 02111 (Attn: Daniel S. Bleck and Paul Ricotta (dsbleck@mintz.com, pricotta@mintz.com)); (v) counsel to the Series 2015 and Series 2017 Notes Trustee: Maslon, LLP, 3300 Wells Fargo Center, 90 South Seventh Street, Minneapolis, MN 55402 (Attn: Clark Whitmore (clark.whitmore@maslon.com)), so as to be received by the Notice Parties not later than March 29, 2019, at 4:00 p.m. (prevailing Pacific Time) for partial bids (the “Partial Bid Deadline”) or April 3, 2019, at 4:00 p.m. (prevailing Pacific Time) for full bids (the “Bid Deadline”).

**E. Credit Bidding**

Any party with a valid, properly perfected security interest in any of the Purchased Assets and/or Other Assets (which is not subject to a pending Challenge within the meaning of the Final DIP Order) may credit bid for such Purchased Assets and/or Other Assets in connection with the Sale in accordance with and pursuant to § 363(k), except as otherwise limited by the Debtors for cause; provided, however, that any party seeking to credit bid may not credit bid unless such bid provides that all secured creditors with security interests on such Purchased Assets and/or Other Assets that are senior to such junior security interest are to be paid in cash in connection with such junior creditor’s bid. Any credit bids made by secured creditors shall not impair or otherwise affect the Stalking Horse Purchaser’s entitlement to the benefits of the Bidding Procedures and related protections granted under the Bidding Procedures Order.

**F. Evaluation of Competing Bids**

A Qualified Bid will be valued based upon several factors including, without limitation: (i) the amount of such bid; (ii) the risks and timing associated with consummating such bid; (iii) any proposed revisions to the form of Stalking Horse APA; and (iv) any other factors deemed relevant by the Debtors in their reasonable discretion, in consultation with the Consultation Parties, including the amount of cash included in the bid.

**G. No Qualified Bids**

If the Debtors do not receive any Qualified Bids other than the Stalking Horse APA, the Debtors will not hold an auction and the Stalking Horse Purchaser will be named the Successful Bidder for the Purchased Assets. If the Debtors receive one or more qualified Partial Bid Auction Qualified Bids and, after the Partial Bid Auction contemplated by Section (H) of these Bidding Procedures, the Debtors will determine, in consultation with the Consultation Parties, if there are any Partial Bidders that will not be qualified to participate at the Full Bid Auction

**H. Auction Process**

If the Debtors receive one or more Partial Bid Auction Qualified Bids as set forth above, the Debtors will conduct separate auctions of each asset or combinations thereof (each, a “Partial Bid Auction”). Any Partial Bidder holding a Partial Bid Auction Qualified Bid shall be entitled to bid on any assets in any Partial Bid Auction(s). The procedures below for the Full Bid Auction shall apply to the Partial Bid Auction, except as where otherwise indicated. The Debtors will conduct the Partial Bid Auction(s), which shall be transcribed, on April 8, 2019 at 10:00 a.m. (prevailing Pacific Time) at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los

Angeles, CA 90017, or such other location as shall be timely communicated to all entities entitled to attend the Auction.

The Partial Bid Auction Qualified Bids determined by the Debtors, in consultation with the Consultation Parties, at the Partial Bid Auction(s) (as set forth above) to be eligible to participate at the Full Bid Auction, including (without limitation) the highest and best bids for each asset (the “Winning Partial Bids”), shall be permitted to participate in the Full Bid Auction (as defined below) of the Purchased Assets and/or the Other Assets; except that:

- (a) If the Partial Bids, at the conclusion of the Partial Bid Auction, include all four APA Facilities and exceed, in the aggregate, the Purchase Price in the Stalking Horse APA, there will be a Full Bid Auction (as defined below) and (1) the Stalking Horse Purchaser may overbid in the aggregate for all four APA Facilities, or (2) the Stalking Horse Purchaser may bid for less than the four APA Facilities and be entitled to a pro-rata Break-Up Fee for the APA Facilities which the Stalking Horse Purchaser does not acquire, as specified in the Stalking Horse APA at Section 6.1 (b)(2);
- (b) If the Partial Bids do not include all four APA Facilities, and if there are no other Qualified Full Bids, then Seller, in its discretion, after consultation with the Consultation Parties, may choose, at the conclusion of the Partial Bid Auction, (1) to have no Full Bid Auction, and the Stalking Horse Purchaser will purchase the four APA Facilities pursuant to the Stalking Horse APA, or (2) if the Debtor and Consultation Parties deem the aggregate designated Winning Partial Bid(s) to be sufficient to warrant leaving one or more APA Facilities behind (the “Remaining Facility”), the Stalking Horse Purchaser shall have the option of (i) acquiring the Remaining Facility at the allocated price in the Stalking Horse APA, (ii) overbidding one or more of the Partial Bids, or (iii) terminating the Stalking Horse APA. In either event, the Stalking Horse Purchaser shall be entitled to the Break-Up Fee for all of the APA Facilities not acquired by the Stalking Horse Purchaser.

If the Debtors receive, in addition to the Stalking Horse APA, one or more Qualified Full Bids (and/or a combination of Winning Partial Bids from the Partial Bid Auction(s) seeking, on aggregate basis, to purchase all or substantially all of the Purchased Assets and/or the Other Assets), the Debtors will conduct a full bid auction of the Purchased Assets and/or the Other Assets (the “Full Bid Auction”), which shall be transcribed, on April 9, 2019 (the “Full Bid Auction Date”), at 10:00 a.m. (prevailing Pacific Time), at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los Angeles, CA 90017, or such other location as shall be timely communicated to all entities entitled to attend the Auction.

The Full Bid Auction shall be conducted in accordance with the following procedures:

- a) only the Debtors, the Stalking Horse Purchaser, Qualified Bidders who have timely submitted a Qualified Bid, the U.S. Trustee, and the Consultation Parties, and their

respective advisors, and other parties who request and receive authority to attend the auction in advance from the Debtors may attend the Auction;

- b) only the Stalking Horse Purchaser and the Qualified Bidders who have timely submitted Qualified Bids will be entitled to make any subsequent bids at the Auction;
- c) each Qualified Bidder shall be required to confirm that it has not engaged in any collusion with respect to the bidding or the sale;
- d) all Qualified Bidders who have timely submitted Qualified Bids will be entitled to be present for all Subsequent Bids (defined herein) at the relevant Auction and the actual identity of each Qualified Bidder will be disclosed on the record at the relevant Auction; provided that all Qualified Bidders wishing to attend the relevant Auction must have at least one individual representative with authority to bind such Qualified Bidder attending the relevant Auction in person;
- e) the Debtors, after consultation with the Consultation Parties and the Stalking Horse Purchaser, may employ and announce at the relevant Auction additional procedural rules that are (i) reasonable under the circumstances for conducting the relevant Auction, (ii) in the best interest of the Debtors' estates; provided, however, that rules (i) are disclosed to the Stalking Horse Purchaser and each Qualified Bidder participating in the Auction, and (ii) are not inconsistent with the Bid Protections, the Stalking Horse APA, the Bankruptcy Code, or any order of the Court entered in connection herewith;
- f) bidding at the relevant Auction will begin with a bid determined by the Debtors after consulting with the Consultation Parties as being the then highest and best bid which will be announced by the Debtors prior to the commencement of the Auction (the "Baseline Bid"). The Auction will continue in bidding increments to be determined in the discretion of the Debtors, in consultation with the Consultation Parties (each a "Overbid"), and all material terms of each Overbid shall be fully disclosed to all other Qualified Bidders who submitted Qualified Bids and are in attendance at the Auction (including, without limitation, Winning Partial Bids), as well as to the Notice Parties;
- g) the initial Overbid, if any, shall provide for total consideration to Debtors with a value that exceeds the value of the consideration under the Baseline Bid by an incremental amount. Additional consideration in excess of the amount set forth in the respective Baseline Bid must include: (i) cash and/or (ii) in the case of a Qualified Bidder (including, without limitation, with respect to any Winning Partial Bids) that is a Credit Bid Bidder that has a valid and perfected lien (not subject to a Challenge within the meaning the Final DIP Order) on any of the Purchased Assets and/or the Other Assets, a Credit Bid of up to the full amount of such Credit Bidder's allowed perfected lien, subject to § 363(k) and any other restrictions set forth herein; and

- i) at the Full Bid Auction, the Stalking Horse Purchaser may, subject to the terms and conditions set forth herein, elect to bid for the Purchased Assets as described in the Bid Procedures Order. In the alternative, the Stalking Horse Purchaser, and any bidder with a Qualified Full Bid, (a) may elect to bid against any one or more of the Winning Partial Bidders for the assets subject to the relevant Partial Bid(s), in lieu of seeking to acquire such Purchased Assets and/or Other Assets by means of the Stalking Horse Bid or another Qualified Full Bid; and (b) if successful with its Overbids for such assets, replace the Winning Partial Bidder(s) as the proponent of the relevant Winning Partial Bids or Aggregate Winning Partial Bid as to such assets. In the event that the Stalking Horse Purchaser or another bidder so elects, and as long as the Stalking Horse Purchaser or another bidder so bids, the Winning Partial Bidders must continue to present qualified Winning Partial Bids (i.e., bids as to which the aggregate of all still pending Winning Partial Bids is greater than or equal to the then Prevailing Highest Bid) for the Purchased Assets and/or the Other Assets in each round to continue to bid as Winning Partial Bidders in the Full Bid Auction. In addition, the Debtors may elect, in their discretion, after consultation with the Consultation Parties, to allow Partial Bidders to bid for all or substantially all the Purchased Assets and/or the Other Assets subject to augmenting its Good Faith Deposit, as necessary, or to allow proponents of Full Bids to bid for less than all or substantially all of the Purchased Assets and/or the Other Assets in any given round of the Auction, provided that in any given round there is a Full Bid or an Aggregate Partial Bid that is superior to Prevailing Highest Bid that is then subject to acceptance by the Debtors and binding on the Stalking Horse Purchaser or another Qualified Bidder. In all events, (i) any such Overbid shall continue to comply with all of the requirements for Qualified Bids set forth in Section C of these Bidding Procedures; and (ii) the bidder submitting such a modified Qualified Bid or Qualified Partial Bid shall furnish to the Debtors and the Consultation Parties, within twenty-four (24) hours of the conclusion of the Auction, a revised Purchase Agreement and Marked Agreement showing all amendments and modifications to the Stalking Horse APA and the Sale Order.

#### **I. Selection of Successful Bid**

Prior to the conclusion of the relevant Auction, the Debtors, in consultation with the Consultation Parties, will review and evaluate each Qualified Bid in accordance with the procedures set forth herein and determine which offer or offers are the highest or otherwise best from among the Qualified Bids submitted at the relevant Auction (one or more such bids, collectively the “Successful Bid” and the bidder(s) making such bid, collectively, the “Successful Bidder”), and communicate to the Qualified Bidders the identity of the Successful Bidder and the details of the Successful Bid. The determination of the Successful Bid by the Debtors at the conclusion of the relevant Auction shall be subject to approval by the Court.

If selected, at the conclusion of the Partial Bid Auction, as the Winning Partial Bidder or the Back-Up Bidder in accordance with Section H above, then such party or parties, prior to the Full Bid Auction, shall increase its Good Faith Deposit in the amount set forth in Section II(C)(o), or as determined by the Seller in consultation with the Consultation Parties; provided, however, if a party or parties are bidding on all four APA Facilities, the deposit will be no less than \$30,000,000.

If selected as the Successful Bidder or the Back-Up Bidder at the conclusion of the Full Bid Auction, each of the Successful Bidder and the Back-Up Bidder shall, within forty-eight (48) hours, increase its Good Faith Deposit to the sum of five percent (5%) of the Successful Bid or Back-Up Bid, as applicable. If the Successful Bidder fails to increase the Good Faith Deposit within forty-eight (48) hours of the Auction conclusion date (the “Final Deposit”), then (1) the Successful Bidder forfeits its Good Faith Deposit, and (2) the Successful Bid is nullified (i.e., the Back-Up Bidder becomes the Successful Bidder in the amount of its last bid).

Unless otherwise agreed to by the Debtors and the Successful Bidder, within two (2) business days after the conclusion of the relevant Auction, the Successful Bidder shall complete and execute all agreements, contracts, instruments, and other documents evidencing and containing the terms and conditions upon which the Successful Bid was made. Within forty-eight (48) hours following the conclusion of the relevant Auction, the Debtors shall file a notice identifying the Successful Bidder(s) and Back-Up Bidders with the Court and shall serve such notice by fax, email, or if neither is available, by overnight mail to all counterparties whose contracts are to be assumed and assigned.

The Debtors will sell the Purchased Assets and (to extent included in an Overbid) the Other Assets to the Successful Bidder pursuant to the terms of the Successful Bid upon the approval of such Successful Bid by the Court at the Sale Hearing and satisfaction of any other closing conditions set forth in the Successful Bidder’s Purchase Agreement.

**J. Return of Deposits**

All deposits shall be returned to each bidder not selected by the Debtors as the Successful Bidder or the Back-Up Bidder (defined herein) no later than five (5) business days following the conclusion of the Auction.

**K. Back-Up Bidder**

If an Auction is conducted, the Qualified Bidder or Qualified Bidders with the next highest or otherwise best Qualified Bid, as determined by the Debtors in the exercise of their business judgment, in consultation with the Consultation Parties, at the relevant Auction shall be required to serve as a back-up bidder (the “Back-Up Bidder”) and keep such bid open and irrevocable for thirty (30) business days after the entry of the Sale Order (the “Thirty-Day Period”). If during the Thirty-Day Period, the Successful Bidder fails to consummate the approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Back-Up Bidder will be deemed to be the new Successful Bidder, and the Debtors will be authorized, but not required, to consummate the sale with the Back-Up Bidder without further order of the Court provided that the Back-Up Bidder shall thereafter keep such bid open and irrevocable in accordance with the terms of the Back-Up Bidder APA; provided further, however, that if the Back-Up Bidder is the Stalking Horse Purchaser, the Debtors will be authorized and required to consummate the sale to the Stalking Horse Purchaser.

If, after the Thirty-Day Period, the Successful Bidder has failed to consummate the approved sale, the Back-Up Bidder may elect, at its discretion, to remain as the Back-Up Bidder until (a) the sale closes, (b) the Successful Bidder defaults, or (c) the Back-Up Bidder elects to terminate its

participation as Back-Up Bidder. For the avoidance of doubt, after the Thirty-Day Period, if the Successful Bidder fails to consummate the approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Back-Up Bidder will not be contractually obligated to be the Back-Up Bidder, and will have the option to either (i) be entitled to terminate its Back-Up Bidder APA and the return of its deposit, or (ii) remain as the Back-up Bidder, in which event, there will be no re-opening of the auction.

#### **L. Break-Up Fee**

In recognition of this expenditure of time, energy, and resources, the Debtors have agreed that if the Stalking Horse Purchaser is not the Successful Bidder as to the Purchased Assets, the Debtors will pay the Stalking Horse Purchaser at closing of the sale of the Purchased Assets the Break-Up Fee and the Expense Reimbursement as set forth in the Stalking Horse APA.

### **III. Sale Hearing**

The Debtors will seek entry of the Sale Order, at the Sale Hearing on April 17, 2019, at 10:00 a.m. (or at another date and time convenient to the Court), to approve and authorize the sale transaction to the Successful Bidder(s) on terms and conditions determined in accordance with the Bidding Procedures. The Debtors may submit and present such additional evidence, as they may deem necessary, at the Sale Hearing demonstrating that the Sale is fair, reasonable, and in the best interest of the Debtors' estates and all interested parties, and satisfies the standards necessary to approve a sale of the Purchased Assets."

### **IV. Sale Order**

The Sale Order will provide Court approval of (i) the Sale to the Successful Bidder, free and clear of all liens, claims, interests, and encumbrances, pursuant to 11 U.S.C. § 363, with the proceeds of the Sale deposited in accordance with Paragraph 4 of the Final DIP Order, with all liens, claims, interests, and encumbrances to attach to the sale proceeds with the same validity and in the same order of priority as they attached to the Purchased Assets prior to the Sale, including, without limitation, the liens and security interests of the DIP Lender and each of the Prepetition Secured Creditors under the relevant agreements, applicable law and the Final DIP Order, and (ii) the assumption by the Debtors and assignment to the Successful Bidder of the Assumed Executory Contracts and Leases pursuant to 11 U.S.C. § 365.

### **VII. Reservation**

The Debtors reserve the right, as they may determine in their discretion and in accordance with their business judgment to be in the best interest of their estates, in consultation with their professionals and the Consultation Parties to: (i) modify the Bidding Procedures to discontinue incremental bidding and then require that any and all bidders or potential purchasers submit their sealed, highest and best offer for the Purchased Assets and/or the Other Assets; (ii) determine which Qualified Bid is the highest or otherwise best bid and which is the next highest or otherwise best bid; (iii) waive terms and conditions set forth herein with respect to all Potential Bidders; (iv)

impose additional terms and conditions with respect to all Potential Bidders; (v) extend the deadlines set forth herein; (vi) continue or cancel an Auction and/or Sale Hearing in open court without further notice; and (vii) implement additional procedural rules that the Debtors determine, in their reasonable business judgment and in consultation with the Consultation Parties will better promote the goals of the bidding process; provided that such modifications are disclosed to each Qualified Bidder participating in the Auction; provided, however, and notwithstanding the foregoing, these Bid Procedures shall not be modified so as to alter, extinguish or modify any rights or interests of the Stalking Horse Purchaser expressly set forth herein or in the Stalking Horse APA.

This matter came before the Court on the *Motion For The Entry Of (I) An Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders To Use, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections, (3) Approving Form Of Notice To Be Provided To Interested Parties, (4) Scheduling A Court Hearing To Consider Approval Of The Sale To The Highest Bidder And (5) Approving Procedures Related To The Assumption Of Certain Executory Contracts And Unexpired Leases; And (II) An Order (A) Authorizing The Sale Of Property Free And Clear Of All Claims, Liens And Encumbrances* (the “Motion”) [Docket No. 1279], filed by Verity Health System of California, Inc. (“VHS”), and the above-referenced affiliated debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (the “Debtors”), for the entry of an order, pursuant to §§ 105(a), 363, and 365 of title 11 of the United States Code (the “Bankruptcy Code”), Rules 2002, 6004, 6006, 9007, and 9014, and LBR 6004-1.<sup>1</sup>

At the previous hearing on the Motion on February 19, 2019 (the “Bidding Procedures Hearing”), the Court considered various objections (the “Premature Objections”) filed by: (i) St Vincent IPA Medical Corporation and Angeles IPA [Docket No. 1397]; (ii) the California Attorney General [Docket No. 1352]; (iii) MGH Painting Inc. [Docket No. 1358]; and (iv) Belfor USA Group, Inc. [Docket No. 1364]. The Court ruled that the Premature Objections were premature and preserved for the Sale Hearing, as set forth in order granting the Motion (the “Bidding Procedures Order”) [Docket No. 1572]. The Bidding Procedures Order also stated that objections filed by the U.S. Department of Health and Human Services and Centers for Medicare and Medicaid Services [Doc. No. 1346] and the California Department of Health Care Services [Doc. No. 1353] (the “Continued Objections”) were continued, as resolved by stipulations [Docket Nos. 1458 and 1473, respectively], approved by this Court’s orders [Docket Nos. 1465 and 1483, respectively].

Any additional objections that were filed and overruled at the Bidding Procedures Hearing are not listed herein.

**THE COURT HEREBY FINDS AND CONCLUDES THAT:<sup>2</sup>**

A. Jurisdiction and Venue. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter relates to the administration of the Debtors' bankruptcy estates and is accordingly a core proceeding pursuant to 28 U.S.C. § 157(b) (2) (A), (M), (N) and (O). Venue of these cases is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief requested in the Motion are (i) §§ 105(a), 363(b), (f), (k), (l) and (m), and 365, (ii) Rules 2002(a)(2), 2002(c)(1) and (d), 6004 (a), (b), (c), (e), (f) and (h), 6006(a), (c) and (d), 9006, 9007, 9013 and 9014, and (iii) LBR 6004-1 and 9013-1.

C. Notice. As evidenced by the affidavits of service previously filed with the Court, the Debtors have provided proper, timely, adequate and sufficient notice with respect to the following: (i) the Motion and the relief sought therein, including the entry of this Sale Order and the transfer and sale of the assets (the "Purchased Assets"), as set forth in the Asset Purchase Agreement, dated January 8, 2019, a copy of which is attached as Exhibit "A" to Docket No. 1279 (the "APA"); (ii) the Sale Hearing; (iii) the No-Auction Notice; and (iv) the assumption and assignment of the executory contracts and unexpired leases and proposed cure amounts owing under such executory contracts and unexpired leases (the "Cure Amounts"); and no further notice

---

<sup>2</sup> The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 7052, made applicable to this proceeding pursuant to Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the following conclusions of law constitute findings of fact, they are adopted as such.

1 of the Motion, the relief requested therein or the Sale Hearing is required. The Debtors have also  
2 complied with all obligations to provide notice of the Auction, the Sale Hearing, the proposed  
3 sale and otherwise, as required by the Bidding Procedures Order. A reasonable opportunity to  
4 object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

5 D. Arm's Length Transaction. The APA and other documents and instruments (the  
6 "Transaction Documents") related to and connected with this transaction (the "Transaction") and  
7 the consummation thereof were negotiated and entered into by the Debtors and Strategic Global  
8 Management, Inc. ("SGM"), as Purchaser under the APA without collusion, in good faith and  
9 through an arm's length bargaining process. Neither SGM nor any of its affiliates or  
10 representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the  
11 Debtors, SGM, or their respective representatives engaged in any conduct that would cause or  
12 permit the APA, any of the other Transaction Documents or the Transaction to be avoided under  
13 § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the  
14 APA and the other Transaction Documents, including, without limitation, the consideration  
15 provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be  
16 avoided, and no damages may be assessed against SGM or any other party, as set forth in §  
17 363(n). The consideration provided by SGM is fair, adequate and constitutes reasonably  
18 equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws  
19 of the United States or any of its jurisdictions or subdivisions, including the State of California.

20 E. Good Faith Purchaser. SGM has proceeded in good faith and without collusion in  
21 all respects in connection with the sale process, in that: (i) SGM, in proposing and proceeding  
22 with the Transaction in accordance with the APA, recognized that the Debtors were free to deal  
23 with other interested parties; (ii) SGM agreed to provisions in the APA that would enable the  
24 Debtors to accept a higher and better offer; (iii) SGM complied with all of the provisions in the  
25 Bidding Procedures Order applicable to SGM; (iv) all payments to be made by SGM and other  
26 agreements entered into or to be entered into between SGM and the Debtors in connection with  
27 the Transaction have been disclosed; (v) the negotiation and execution of the APA and related

LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

Transaction Documents were conducted in good faith and constituted an arm's length transaction; (vi) SGM did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. SGM is therefore entitled to all of the benefits and protections provided to a good-faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transaction shall not affect the validity of the Transaction, any terms or conditions of the Transaction or SGM's status as a "good faith" purchaser.

F. Justification for Relief. Good and sufficient reasons for approval of the APA and the other Transaction Documents and the Transaction have been articulated to this Court in the Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good, sufficient and sound business purpose and justification and (ii) compelling circumstances for the transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors.

G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the Transaction pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and sale of the Purchased Assets and, except with respect to the liens arising from the Special Assessments and the PACE Obligations (each as defined in §1.1(a)(iii) of the APA) assumed by SGM, shall vest in SGM, through the consummation of the Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights, and any successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or

more of the standards set forth in § 363(f)(1)-(5) have been satisfied. Those holders of Encumbrances who did not object, or who withdrew their objections, to the sale or the Motion are deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did object fall within one or more of the other subsections of § 363(f). All holders of the Encumbrances in the Purchased Assets are adequately protected by having their respective Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased Assets under the APA (subject to any Challenge within the meaning of that certain *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 409] (the "Final DIP Order") that has been, or may be, timely filed<sup>3</sup>), and any related documents or instruments delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the extent and manner herein provided.

H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in consummating the Transaction, and it is in the best interests of the Debtors and their estates to consummate the Transaction within the timeline set forth in the Motion and the APA. The Court finds that there is no just reason for delay in the implementation of this Order, and expressly directs entry of judgment as set forth in this Order.

---

<sup>3</sup> The Final DIP Order granted to the Committee standing to file the requisite pleading to challenge the validity, enforceability and amount of the Prepetition Liens (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "Challenge") within ninety (90) days from the formation of the Committee (the "Challenge Deadline"). See Final DIP Order ¶ 5(e). The Committee's investigation as to the Prepetition Liens remains ongoing. The Committee and the Prepetition Secured Creditors have entered into a number of stipulations (the "Challenge Stipulations") by which the Committee has acknowledged and stipulated to the validity, enforceability and perfection of the Prepetition Liens in certain collateral identified in the Challenge Stipulations, and by which the Challenge Deadline has been extended a number of times with respect to the validity, enforceability and perfection of the Prepetition Liens in any other collateral. The Challenge Deadline with respect to any Prepetition Liens for which the Committee has not stipulated pursuant to the Challenge Stipulations as to the validity, enforceability and perfection thereof is now May 13, 2019.

1 I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have  
2 demonstrated that it is an exercise of their sound business judgment to assume and assign to SGM  
3 the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below)  
4 and to the extent subsequently identified by SGM pursuant to paragraph 16 below, the  
5 Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently  
6 Identified Designated Contracts and the Subsequently Identified Contracts are collectively  
7 referred to herein as the “Designated Contracts”) in connection with the consummation of the  
8 Transaction, and the assumption and assignment of the Designated Contracts is in the best  
9 interests of the Debtors and their estates.

10 J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the  
11 APA, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any  
12 of the Designated Contracts will have been cured, within the meaning of § 365(b)(1)(A), by  
13 payment of the amounts and in the manner set forth below, unless otherwise agreed by SGM and  
14 the counterparty. SGM has provided or will provide adequate assurance of future performance of  
15 and under the Designated Contracts within the meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and  
16 shall have no further obligation to provide assurance of performance to any counterparty to a  
17 Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the  
18 Debtors (i.e., St. Francis Medical Center, a California nonprofit public benefit corporation (“St.  
19 Francis Medical Center”), St. Vincent Medical Center, a California nonprofit public benefit  
20 corporation (“St. Vincent Medical Center”), St. Vincent Dialysis Center, Inc., a California  
21 nonprofit public benefit corporation (“St. Vincent Dialysis Center”), and Seton Medical Center, a  
22 California nonprofit public benefit corporation (“Seton Medical Center”) (collectively, the  
23 “Hospitals”), VHS, and Verity Holdings LLC, a California limited liability company  
24 (“Holdings”)), and assigned to SGM under the APA shall be assigned and transferred to, and  
25 remain in full force and effect for the benefit of, SGM, notwithstanding any provision in such  
26 Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated  
27 that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss  
28

1 resulting from a default on or prior to the Closing under any of the Designated Contracts within  
2 the meaning of § 365(b)(1)(B).

3 K. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have  
4 demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for  
5 the Hospitals to reject all of their executory contracts and unexpired leases, excluding (i)  
6 Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in  
7 addition to the Hospitals, (iii) any prepetition contract that is the subject of a Rule 9019 settlement  
8 motion prior to Closing, and (vi) any collective bargaining agreement, pension plan or health and  
9 welfare plan providing collectively bargained benefits to which a Hospital is a party or sponsor,  
10 which matters shall be scheduled for determination as provided in paragraph 33 below. Each  
11 such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31,  
12 and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this  
13 paragraph K, prior to Closing and shall request therein that the rejection be effective as of the  
14 Closing or as otherwise appropriate.

15 L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the  
16 Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was  
17 duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded  
18 a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise  
19 better offer to purchase the Purchased Assets. Other than SGM's Stalking Horse Bid, the Debtors  
20 received two Qualified Partial Bids by the Partial Bid Deadline and did not receive a Qualified  
21 Full Bid (as such terms are defined by the Bidding Procedures Order). The Debtors properly  
22 consulted with the Consultation Parties in selecting the SGM Stalking Horse Bid as the highest  
23 and best bid and in determining that no auction should be held (as such terms are defined in the  
24 Bidding Procedures Order), as set forth in their No-Auction Notice. The transfer and sale of the  
25 Purchased Assets to SGM on the terms set forth in the APA constitutes the highest or otherwise  
26 best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates  
27 than would be provided by any other available alternative. The Debtors' determination, in  
28

consultation with the Consultation Parties (as defined in the Bidding Procedure Order), that the APA constitutes the highest or best offer for the Purchased Assets and to not conduct an auction constitutes a valid and sound exercise of the Debtors' business judgment.

M. No De Facto or Sub Rosa Plan of Reorganization. The sale of the Purchased Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it does not propose to (i) impair or restructure existing debt of, or equity or membership interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or (iv) classify claims or equity or membership interests.

N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein.

**NOW THEREFORE, IT IS HEREBY ORDERED THAT:**

1. The relief requested in the Motion is GRANTED and APPROVED in all respects to the extent provided herein.

2. All objections with regard to the relief sought in the Motion that have not been withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including any reservation of rights included in such objections, are overruled on the merits with prejudice. To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the terms of this Sale Order shall prevail.

3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA, is approved in all respects, and the Debtors are authorized and directed to consummate the Transaction in accordance with the APA, including, without limitation, by executing all of the Transaction Documents (and any ancillary documents or instruments that may be reasonably necessary or desirable to implement the APA or the Transaction) and taking all actions necessary and appropriate to effectuate and consummate the Transaction (including the transfer and sale of the Purchased Assets) in consideration of the Purchase Price (as defined in § 1.1 of the APA) upon

1 the terms set forth in the APA, including, without limitation, assuming and assigning to SGM the  
2 Designated Contracts. The Debtors and SGM shall have the right to make any mutually  
3 agreeable, non-material changes to the APA, which shall be in writing signed by both parties,  
4 without further order of the Court provided, that after reasonable notice, the Official Committee  
5 of Unsecured Creditors (the "Committee"), the DIP Agent (as defined in the Final DIP Order  
6 defined below), and the Prepetition Secured Creditors (as defined in the Final DIP Order) do not  
7 object to such changes. Any timely objection by the aforementioned parties to any agreed non-  
8 material changes to the APA may be resolved by the Court on shortened notice.

9 4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal,  
10 valid, enforceable and effective transfer and sale of the Purchased Assets to SGM free and clear  
11 of all Encumbrances, except with respect to the liens arising from the Special Assessments and  
12 the PACE Obligations assumed by SGM, as further set forth in the APA and this Sale Order; and  
13 (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable  
14 against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor  
15 thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the  
16 Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the  
17 Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the  
18 Purchased Assets, all counterparties to the Designated Contracts and all other persons and  
19 entities.

20 5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge  
21 within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale  
22 Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent,  
23 effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the  
24 Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force,  
25 extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any  
26 Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and  
27 authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition

1 Secured Creditors, as applicable, pursuant to the Final DIP Order, to the extent that (i) the rights  
2 granted to the Prepetition Secured Creditors with respect to §§506(c) and 552(b) by the Final DIP  
3 Order are not limited or modified as a result of the appeal from the Final DIP Order filed by the  
4 Committee on November 29, 2019; and/or (ii) any replacement liens or security interest granted  
5 to the Prepetition Secured Creditors by the Final DIP Order are not invalidated as a result of any  
6 Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In  
7 addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect  
8 to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to  
9 the extent of and in accordance with its terms with all parties reserving all rights thereunder.

10 6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order  
11 shall, as of the Closing, be considered and constitute for all purposes a full and complete general  
12 assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all  
13 of the Debtors' rights, title and interest in and to the Purchased Assets to SGM. Consistent with,  
14 but not in limitation of the foregoing, each and every federal, state, and local governmental  
15 agency or department, except as stated herein, is hereby authorized and directed to accept all  
16 documents and instruments necessary and appropriate to consummate the transactions  
17 contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be  
18 filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any  
19 Encumbrances of record.

20 7. Any person or entity that is currently, or on the Closing Date may be, in  
21 possession of some or all of the Purchased Assets is hereby directed to surrender possession of  
22 such Purchased Assets either to (a) the Debtors before the Closing or (b) to SGM or its designee  
23 upon the Closing, and to cooperate with the Debtors and SGM in the Debtors' and SGM's  
24 fulfillment of their obligations hereunder and pursuant to the APA.

25 8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall  
26 be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and  
27 upon consummation of the Transaction, including, without limitation, payment of the Purchase

1 Price to the Debtors, vest SGM with all right, title, and interest in the Purchased Assets, free and  
2 clear of all Encumbrances. Upon closing of the Transaction, SGM shall take title to and  
3 possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the  
4 APA. The transfer of the Purchased Assets from the Debtors to SGM constitutes a transfer for  
5 reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the  
6 State of California.

7 9. Following the Closing, no holder of any Encumbrance against the Debtors or upon  
8 the Purchased Assets shall interfere with SGM's respective rights in, title to or use and enjoyment  
9 of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from  
10 taking any action that would adversely affect or interfere with the ability of the Debtors to sell  
11 and transfer the Purchased Assets to SGM, including the assumption and assignment of the  
12 Designated Contracts.

13 10. SGM shall not be deemed, as a result of any action taken in connection with, or as  
14 a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a  
15 successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their  
16 estates by reason of any theory of law or equity, including, without limitation, any bulk sales law,  
17 doctrine or theory of successor liability, or any theory or basis of liability, regardless of source of  
18 origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere  
19 continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed  
20 Liabilities, SGM is not assuming any of the Debtors' debts.

21 11. This Sale Order (i) shall be effective as a determination that, on Closing, all  
22 Encumbrances existing against the Purchased Assets before the Closing have been  
23 unconditionally released, discharged and terminated, and that the transfers and conveyances  
24 described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all  
25 persons and entities. If, following a reasonable written request made by the Debtors, any person  
26 or entity that has filed financing statements or other documents or agreements evidencing any  
27 Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or

1 in connection with Closing, in proper form for filing and executed by the appropriate parties,  
2 termination statements, instruments of satisfaction, releases of all Encumbrances which the  
3 person or entity has with respect to the Purchased Assets, then SGM and/or the Debtors are  
4 hereby authorized to execute and file such statements, instruments, releases and other documents  
5 on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of  
6 doubt, such statements, instruments, releases and other documents shall not impair Encumbrances  
7 that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or  
8 may be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to  
9 paragraphs 5 and 13 hereof.

10 12. In accordance with the APA, concurrently with the Closing, SGM shall pay that  
11 portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to  
12 Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in the  
13 APA. Any direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent, the  
14 Prepetition Secured Creditors, and the Committee in advance of the Closing.

15 13. The terms and conditions of the Final DIP Order shall apply with respect to the  
16 Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the  
17 Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

18 (a) the Debtors shall direct SGM, pursuant to the terms of the APA, to remit all Sale  
19 Proceeds to the separate accounts opened in the name of each Debtor for the Sale Proceeds (each  
20 such hereafter referred to as "Escrow Deposit Account");

21 (b) in giving direction to SGM pursuant to sub-paragraph (a), above, the Debtors shall  
22 exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among  
23 the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of  
24 the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of  
25 rights in paragraph 4 of the Final DIP Order and paragraph 31 of the Bidding Procedures Order;  
26 provided further that nothing in this paragraph shall waive or limit any rights the Committee or  
27 the Prepetition Secured Creditors may have in connection with the confirmation of a proposed  
28

chapter 11 plan for any of the Debtors' cases (including the right to seek to reallocate estate values and the Sale Proceeds);

(c) without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order, no funds held in any Escrow Deposit Account shall be (i) commingled with any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for any purpose, except as provided in this Order, the DIP Credit Agreements or the Final DIP Order without further order of this Court, after reasonable notice under the circumstances to the DIP Agent, the Prepetition Secured Creditors and the Committee; and

(d) each Escrow Deposit Account shall be subject to a deposit account control agreement in favor of the DIP Agent and DIP Lender, and subject to, without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order with respect to the Sale Proceeds and Escrow Deposit Account, including, without limitation, following the occurrence of an Event of Default or the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the Debtors shall not be permitted to use the funds held in any Escrow Deposit Account for any purpose, except as provided in paragraph 14, 15, 16, and 17 of this Order, and to fund any Purchase Price adjustment in favor of the Purchaser, without first obtaining the consent of the DIP Agent, DIP Lender and the Prepetition Secured Creditors or obtaining an order of the Court pursuant to §§ 363 or 1129 after reasonable notice under the circumstances to the DIP Agent, the DIP Lender, the Prepetition Secured Creditors and the Committee and, if necessary, a hearing thereon; and

(e) for the avoidance of doubt, the rights of the Debtors, the Committee, and the Prepetition Secured Creditors as to the Sale Proceeds and any funds held in a Deposit Escrow shall be, except as set forth herein, as contemplated by Paragraph 4 of the Final DIP Order, and nothing in this Order shall be construed as altering, amending, waiving, or affecting in any way such rights. Concurrently with the Closing or as soon thereafter as is possible, and in accordance with the APA, SGM shall pay to the counter-parties to the Designated Contracts the cure amounts

17 shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they  
18 are deemed part of the Designated Contracts) and to have assigned them to SGM, and SGM shall  
19 have assumed all obligations owing under all such Currently Identified Designated Contracts

5 such a determination on or before fifteen (15) days prior to Closing, and unless the Debtor, SGM  
6 and the Currently Identified Designated Contract Counter-Party agree otherwise, the Currently  
7 Identified Designated Contract which is the subject of such Assumption Dispute, shall be deemed  
8 a rejected contract within the meaning of § 1.11(a) of the APA as of ten (10) days prior to  
9 Closing, and SGM, except as provided below, shall have no obligation to assume such Currently  
10 Identified Designated Contract or to pay any Cure Amount or Excess Cure Amount in connection  
11 with such Currently Identified Designated Contract. To the extent an Assumption Dispute relates  
12 solely to the Cure Amount, the Debtors may, with SGM’s consent, assume and assign the  
13 applicable executory contract or unexpired lease at Closing and prior to the resolution of the  
14 Assumption Dispute by the Bankruptcy Court, provided, that either (a) the Bankruptcy Court has  
15 estimated the maximum cure payment, pursuant to 11 U.S.C. § 502(c), and SGM has remitted  
16 such amount to the Debtors to be held as sales proceeds in the Sale Proceeds Account for the  
17 relevant Debtor(s), or (b) SGM provides to the relevant Debtor(s) and non-Debtor counterparty a  
18 separate reasonably acceptable undertaking that SGM will promptly pay the maximum disputed  
19 cure amount in accordance with 11 U.S.C. § 365 (b)(1)(A) and (B) (or such smaller amount as  
20 may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor  
21 party and SGM). The Debtors shall pay and hereby are authorized to pay disputed cure amounts

23 SGM remitted to Sellers the amount required by item (a) of this paragraph of the Order.

Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections [Docket No. 1865], or deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above, shall be part of the Designated Contracts that will be assumed by the Debtors and assigned to SGM at the Closing. In the event that SGM elects to add any other of the Debtors' executory contracts or unexpired leases to the list of Designated Contracts (the "Subsequently Identified Designated Contracts") and, individually, a "Subsequently Identified Designated Contract") under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865], SGM shall notify the Debtors of any such Subsequently Identified Designated Contracts on or before thirty days before Closing, and the Debtors shall (i) file a notice with the Court identifying all such Subsequently Identified Designated Contracts and their respective cure amounts as agreed upon between the Debtors and SGM, and (ii) serve such notice by over-night mail on all counter-parties to the Subsequently Identified Designated Contracts (the "Subsequently Identified Designated Contract Counter-Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and assigned to SGM at the Closing, with SGM to be obligated to pay all cure amounts owing to such Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto, or ordered by the Court in accordance with paragraphs 34 and 36 below (the "Additional Cure Amounts"), so long as such amount as ordered by the Court is no greater than the amount agreed upon by SGM; and in the event the Additional Cure Amount is greater than the amount agreed upon by SGM, and SGM is not willing to pay the Additional Cure Amount, the Debtors shall not be required to pay the Additional Cure Amount(s) and the Subsequently Identified Designated Contract(s) shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above; provided, and for the avoidance of doubt, no collective bargaining agreement, pension plan or health and welfare plan providing

collectively bargained benefits to which a Hospital is a party or sponsor constitutes a Currently Identified Designated Contract or a Subsequently Identified Designated Contract for which SGM or the Debtors may be obligated to pay any cure amount.

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SGM, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (collectively, the “Contract Counter-Parties”). At the Closing, SGM shall pay the (i) Sale Proceeds, (ii) the Designated Cure Amounts identified in paragraph 13 above, (iii) the Excess Cure Amounts identified in paragraph 15 above, and (iv) the Additional Cure Amounts, subject to paragraph 15 above. Payment by SGM of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to “cure” all “defaults” with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The foregoing payment shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SGM, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SGM shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts, neither the Debtors nor SGM shall have any further liabilities to any Contract Counter-Parties, other than SGM’s obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SGM with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt, SGM shall not be liable for the payment of any liabilities or obligations arising from or related to (a) any executory contracts that the Debtors intend to reject by appropriate motion and which are not being assumed and assigned to SGM, (b) any multiparty contract affecting more than one Debtor in addition to one of the hospitals subject to the

Transaction, or (c) any collective bargaining agreement (“CBA”), pension plan, or health and welfare plan providing for collectively bargained for benefits to which a Hospital is a party or a sponsor, unless expressly assumed and assigned with SGM’s consent.

18. The Debtors intend, and are hereby authorized, to (A) reject, pursuant to § 365(a), all executory contracts to which one or more of the Hospitals are a party, excluding (i) Designated Contracts, and (ii) any prepetition multiparty contract affecting more than one Debtor in addition to one of the Hospitals, and, (B) reject and terminate, to the extent separately authorized by this Court, pursuant to §§ 1113, 1114, and any other applicable provision of the Bankruptcy Code, any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which one of the Hospitals is a party or sponsor and that SGM does not assume.

19. All of the Contract Counter-Parties are forever barred, estopped, and permanently enjoined from (i) raising or asserting against the Debtors or SGM, or any of their property, any assignment fee, acceleration, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or related to the Designated Contracts, existing as of the Closing, or arising by reason of the consummation of the Transaction contemplated by the APA, including, without limitation, the Transaction and the assumption and assignment of the Designated Contracts, including any asserted breach relating to or arising out of the change-in-control provisions in such Designated Contracts, or any purported written or oral modification to the Designated Contracts and (ii) asserting against SGM any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed Obligations.

20. Any provisions in any Designated Contracts that prohibit or condition the assignment of such Designated Contract or allow the counterparty to such Designated Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Designated Contract constitute unenforceable anti-assignment provisions

1 that are void and of no force and effect with respect to the Debtors' assumption and assignment of such  
2 Designated Contract to SGM in accordance with the APA, pursuant to § 363(f).

3 21. The terms and provisions of this Sale Order, as well as the rights granted under the  
4 Transaction Documents, shall continue in full force and effect and are binding upon any successor,  
5 reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding ~~entry~~  
6 ~~of any order of conversion or dismissal any such conversion, dismissal or order entry~~. Nothing  
7 contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a  
8 plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict  
9 with or derogate from the provisions of the APA, any documents or instruments executed in  
10 connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict  
11 between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern.  
12 The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or  
13 dismissal of the cases and the entry of any other order that may be entered in the cases, including any  
14 order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7;  
15 (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

16 22. The Transaction contemplated by the APA and other Transaction Documents are  
17 undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy  
18 Code. SGM is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the  
19 full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization  
20 provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the  
21 sale of the Purchased Assets to SGM. The APA and the Transactions contemplated thereby cannot be  
22 avoided under § 363(n).

23 23. The failure to specifically include any particular provision of the APA or the other  
24 Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such  
25 provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other  
26 Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of  
27 this Sale Order are non-severable and mutually dependent.

**EMERGENCY MOTION**

Pursuant to Rule 9075-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California (the “LBR”), Rule 6004 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), §§ 105, 362, 363, 525 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the “Bankruptcy Code”),<sup>1</sup> and 28 U.S.C. § 1334(e), Verity Health System Of California, Inc. (“VHS”) and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), hereby move, on an emergency basis (the “Motion”), for the entry of an order: (i) enforcing this Court’s previous order [Docket No. 2306] authorizing the sale (“SGM Sale”) of the Debtors’ assets to Strategic Global Management, Inc. (“SGM”); and (ii) finding that the SGM Sale is free and clear of the conditions imposed by the California Attorney General (the “Attorney General”) that are materially different (the “Additional Conditions”) than the conditions in the asset purchase agreement (the “SGM APA”) [Docket No. 2305-1]; or, alternatively, (iii) finding that the Attorney General abused his discretion imposing the conditions under applicable nonbankruptcy law; and (iv) granting such other and further relief as the Court deems just and proper. The sale order approving the SGM Sale (the “Sale Order”), the conditions issued by the Attorney General (the “2019 Conditions”), the Additional Conditions, in redline format, and the SGM APA, are attached to the annexed Memorandum of Points and Authorities (the “Memorandum”) as Exhibits “A,” “B,” “C,” and “D,” respectively. Certain correspondence between the Debtors, SGM, and the Attorney General is attached to the Memorandum as Exhibit “E.”

The Debtors request that the relief sought be granted on an emergency basis because the Debtors will suffer immediate and irreparable harm without the relief requested in this Motion. Indeed, absent relief, the Debtors’ sale to SGM of its four remaining hospitals (collectively, the “Hospitals”) will collapse, which would result in the loss of access to critical healthcare in

underserved communities, the loss of thousands of jobs, and the loss of anticipated recoveries to creditors. Simply put, the Additional Conditions would unwind the heroic efforts of constituents who have diligently worked to maintain the Hospitals throughout these cases and spent countless hours and funds working with SGM to close the SGM Sale. Even a delay in the closing will significantly impact these Cases because the Debtors (i) are operating at a loss of approximately \$450,000 per day, imposing significant costs upon the estates and upon creditors, (ii) seek to confirm their plan of liquidation by the end of the year, and (iii) are required to meet the milestone under the cash collateral agreement that the Plan go effective in 2019 and have no alternative financing source.

The Additional Conditions threaten the SGM sale. The Additional Conditions trigger SGM's termination rights under the APA unless the Debtors obtain a supplemental order from this Court finding that the Additional Conditions are an "interest in property" for purposes of § 363(f), and that the Hospitals can be sold free and clear of the Additional Conditions without the imposition of any other conditions. *See* Exhibit "D," SGM APA, Section 8.6. SGM has repeatedly informed the Debtors and the Attorney General that the Additional Conditions are "deal killers." *See* Exhibit "E." To illustrate the magnitude of the economic impact of the Additional Conditions, two of the Additional Conditions alone would have the economic impact of increasing the effective purchase price by over 50 percent to nearly a billion dollars. The economic impact of compliance with the other Additional Conditions are in the tens of millions of dollars. In essence, the Additional Conditions would render the SGM APA and this Court's Sale Order meaningless. Such result is inconsistent with § 363, this Court's exclusive jurisdiction over property of the Debtors' estates, and fundamental purposes of the Bankruptcy Code.

The SGM APA specifically contemplates the Debtors will challenge promptly any conditions materially different from those to which SGM agreed. *See* Exhibit D, SGM APA §§

8.6, 9.3. Failure to challenge timely the imposition of Additional Conditions may result in termination of the SGM Sale. *Id.* The Debtors and SGM met with representatives of the Attorney General regularly to encourage imposition of conditions consistent with Schedule 8.6. *See* Adcock Dec. and Levy-Biehl Dec. Further, the Debtors negotiated vigorously with additional constituencies (including the Official Committee of Unsecured Creditors, the Pension Benefit Guaranty Corporation, and labor unions) to secure their support of the SGM Sale, which were provided to the Attorney General before the 2019 Conditions were issued. Nevertheless, the Attorney General has imposed conditions on the SGM Sale inconsistent with Schedule 8.6 after taking the maximum amount of time provided by statute to review the transaction and constituent input. *See* Exhibit “B.” Given the Attorney General’s long delay in reviewing the SGM Sale, the Debtors must challenge the Additional Conditions on an expedited basis to ensure that the SGM Sale closes, the Hospitals stay open to provide essential patient care, thousands of jobs are not lost and assets of the estates are preserved.

The Attorney General will not suffer prejudice if the Court grants this Motion for expedited relief. As noted above, the Attorney General considered the 2019 Conditions for 135 days prior to their issuance on September 25, 2019. During that time, the Debtors and SGM have made abundantly clear that any departure from the conditions in Schedule 8.6 to the SGM APA would threaten the SGM Sale. *See, e.g.,* Exhibit “E.” Further, the Attorney General is amply familiar with the issues raised herein, having briefed the same in several bankruptcy cases in this District, including in the Debtors’ Cases. *See* Docket No. 463; *In re Gardens Reg’l Hosp. & Med. Ctr., Inc.*, No. 2:16-bk-17463-ER, Doc. No. 752 (Bankr. C.D. Cal. Apr. 24, 2017); *In re Victor Valley Cmty. Hosp.*, No. 8:12-bk-12896-CB, Doc. No. 1804 (Bankr. C.D. Cal. Sept. 27, 2011). Accordingly, the Debtors respectfully request that the Court grant the Motion for an emergency hearing because the proposed expedited hearing will not prejudice the Attorney General and is in the best interests of the Debtors’ estates and creditors.

I.

**SUMMARY OF REQUESTED RELIEF**

Concurrently herewith, the Debtors have filed a motion seeking the entry of an order: (i) enforcing this Court's previous order [Docket No. 2306] authorizing the SGM Sale; and (ii) finding that the SGM Sale is free and clear of the Additional Conditions, pursuant to §§ 105, 362, 363, and 525, and 28 U.S.C. § 1334(e); or, alternatively, (iii) finding that the Attorney General abused his discretion imposing the 2019 Conditions under applicable nonbankruptcy law; and (iv) granting such other and further relief as the Court deems just and proper.

The Motion is based upon §§ 105, 362, 363, and 525, 28 U.S.C. § 1334, Bankruptcy Rule 6004, LBR 9075-1(a), California Corporations Code §§ 5914 *et seq.*, and the California Code of Regulations, title 11, § 999.5, the attached Memorandum of Points and Authorities, the *Declaration of Richard Adcock in Support of Emergency First-Day Motions* [Docket No. 8], the Declarations of Richard G. Adcock (the "Adcock Decl."), Peter Baronoff (the "Baronoff Decl."), Peter C. Chadwick (the "Chadwick Decl."), and Hope R. Levy-Biehl (the "Levy-Biehl Decl.") filed concurrently herewith, the arguments and statements of counsel to be made at the hearing on the Motion, and any other admissible evidence properly brought before the Court. The Debtors request that the Court take judicial notice of all documents filed with the Court in these Cases that relate to the SGM Sale and the prior sale of the hospitals to Santa Clara County, as appropriate, in support of the Motion.

II.

**RESPONSES**

Any party opposing or responding to the Motion may present such response (the "Response") at any time before or at the hearing on the Motion. *See* LBR 9075-1(a)(8). A Response must be a complete written or oral statement of all reasons in opposition to the Motion or in support, declarations and copies of all evidence on which the responding party intends to rely, and any responding memorandum of points and authorities. Pursuant to LBR 9013-1(h), the failure to file and serve a timely objection to the Motion may be deemed by the Court to be consent to the relief requested herein.

III.

**SERVICE OF MOTION**

Counsel to the Debtors will serve this Motion, the attached Memorandum of Points and Authorities, the Adcock Decl., the Baronoff Decl., the Chadwick Decl., Levy-Biehl Decl., and any notice required by the Court on: (i) the California Attorney General; (ii) the Official Committee of Unsecured Creditors; (iii) the Debtors' prepetition secured creditors; (iv) SGM; (iv) the Office of the United States Trustee; and (v) any other parties on the Limited Service List set forth in the *Order Granting Emergency Motion of Debtors for Order Limiting Scope of Notice* [Docket No. 132]. To the extent necessary, the Debtors request that the Court waive compliance with LBR 9075-1(a)(6) and approve service (in addition to the means of services set forth in such LBR) by overnight delivery.

IV.

**RESERVATION OF RIGHTS**

Nothing contained herein is intended or shall be construed as: (i) an admission as to the validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any appropriate party in interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors; or (iii) a waiver of any claims or causes of action which may exist against any creditor or interest holder.

V.

**PRAYER**

WHEREFORE, for all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the Court hold a hearing on an emergency basis to consider the Debtors request for an order (i) finding that (a) the SGM Sale is free and clear of the Additional Conditions imposed by the Attorney General, or alternatively, (b) the Attorney General has abused his discretion in imposing the Additional Conditions, and (ii) granting such other and further relief as the Court deems just and proper.

**MEMORANDUM OF POINTS AND AUTHORITIES**

Verity Health System of California, Inc. (“VHS”) and the affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), hereby move (the “Motion”) for the entry of an order: (i) enforcing this Court’s previous order [Docket No. 2306] (the “Sale Order”) authorizing the sale (“SGM Sale”) of the Debtors’ assets to Strategic Global Management, Inc. (“SGM”); and (ii) finding that the SGM Sale is free and clear of the conditions (the “2019 Conditions”) imposed by the California Attorney General (the “Attorney General”) that are materially different (the “Additional Conditions”) than the conditions in the asset purchase agreement (the “SGM APA”) [Docket No. 2305-1], pursuant to §§ 105, 362, 363, and 525 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the “Bankruptcy Code”) and 28 U.S.C. § 1334(e);<sup>1</sup> or, alternatively, (iii) finding that the Attorney General abused his discretion imposing the 2019 Conditions under applicable nonbankruptcy law; and (iv) granting such other and further relief as the Bankruptcy Court deems just and proper.

The Motion is based on the *Declaration of Richard Adcock in Support of Emergency First-Day Motions* [Docket No. 8] (the “First-Day Declaration”), the Declarations of Richard G. Adcock (the “Adcock Decl.”), Peter Baronoff (the “Baronoff Decl.”), Peter C. Chadwick (the “Chadwick Decl.”), and Hope R. Levy-Biehl (the “Levy-Biehl Decl.”) filed concurrently herewith, the arguments and statements of counsel to be made at the hearing on the Motion, the record in the Debtors’ Cases and any other judicially noticeable facts, and other admissible evidence properly brought before the Court. The Sale Order, the 2019 Conditions, the Additional Conditions, in redline format, and the SGM APA, are attached hereto as Exhibits “A,” “B,” “C,” and “D,” respectively. Certain correspondence between the Debtors, SGM, and the Attorney General is attached hereto as Exhibit “E.”

In further support of the Motion, the Debtors respectfully state as follows:

**INTRODUCTION**

Nearly five months after this Court entered the Sale Order authorizing the Debtors to sell their four remaining general acute care hospitals (the “Hospitals”) to SGM, the Attorney General issued the 2019 Conditions that effectively increase the purchase price in the SGM APA by over \$300 million. The imposition of the Additional Conditions in the 2019 Conditions would destroy the sale of the Hospitals to the only buyer willing to buy them, SGM, and would result in the loss of access to critical healthcare in underserved communities, the loss of thousands of jobs, and the loss of anticipated recoveries to creditors. The Debtors’ estates and their constituents have already borne operating losses of approximately \$450,000, per day, waiting for the Attorney General to issue his decision. Moreover, the Debtors, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone.

The Debtors are mindful that the Hospitals have struggled for decades and that the 2015 conditions imposed by the Attorney General (the “2015 Conditions”) locked the Hospitals into financial and operational obligations that made success impossible (the Debtors lost hundreds of millions of dollars since the 2015 Conditions were imposed). Chapter 11 presented the last and only viable option to save the Hospitals. The Attorney General cannot strip the Debtors of the protections afforded by the Bankruptcy Code, which is, in essence, the impact of the 2019 Conditions if they are enforced.

In addition to the fact that the imposition of the Additional Conditions would be devastating to patients, the communities the Hospitals serve, thousands of employees and stakeholders in these cases, the Additional Conditions cannot be upheld because they contravene the Bankruptcy Code, the Court’s jurisdiction, and fundamental purposes of the Bankruptcy Code.

Specifically, the Court should enforce the Sale Order and find that that the Debtors are authorized to the sell the Hospitals without imposition of the Additional Conditions because:

- *Section 363(f) authorizes the Court to sell the Debtors’ assets free and clear of the Additional Conditions which are an “interest in property;”*

- *The Additional Conditions are an inappropriate attempt to impose successor liability on SGM because the Sale Order authorizes the assets to pass to SGM free and clear of successor liability;*
- *Section 363(d)(1) must be harmonized with § 363(f), which authorizes the Court to sell the assets free and clear of the Additional Conditions;*
- *The Attorney General's broad attempt to exercise control over the Debtors' assets contravenes the Court's exclusive jurisdiction over the Debtors' assets, pursuant to 28 U.S.C. § 1334(e);*
- *Imposition of the Additional Conditions constitutes impermissible discrimination against the Debtors and SGM under § 525(a) because the Additional Conditions are premised on the continuance of the Debtors' obligations; and*
- *The Attorney General is exceeding his authority by attempting to regulate a for profit entity.*

Additionally, and as significantly, under state law, the imposition of the Additional Conditions are a breach of the Attorney General's fiduciary obligations and an abuse of his discretion.

Based upon all of the foregoing, and for the reasons set forth in greater detail below, the Debtors urge the Court to enter an order enforcing the Sale Order and finding that sale was "free and clear" of the Additional Conditions.

### **JURISDICTION, VENUE, AND STATUTORY PREDICATES**

The Bankruptcy Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding under 28 U.S.C. §§ 157(b)(2). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

The Motion seeks, in part, an order of the Court enforcing the terms of its final order approving the SGM Sale [Docket No. 2306]. The statutory predicates for this relief are §§ 363 and 105, and Bankruptcy Rule 6004. This Court "plainly ha[s] jurisdiction to interpret and enforce its own prior orders." *Travelers Indem. Co. v. Bailey*, 557 U.S. 137, 151 (2009); *see also In re Millenium Seacarriers, Inc.*, 419 F.3d 83, 96 (2d Cir. 2005) ("A bankruptcy court retains jurisdiction to interpret and enforce its own orders [.]") (quoting *Luan Inv. S.E., v. Franklin 145 Corp. (In re Petrie Retail, Inc.)*, 304 F.3d 223, 230 (2d Cir.2002)).

The Debtors further request that the Court find that the Attorney General abused his discretion in imposing the 2019 Conditions without an evidentiary basis. The statutory predicates for such a finding are set forth in the California Corporations Code, §§ 5914 *et seq.*, and the California Code of Regulations, title 11, § 999.5. The Debtors have standing to challenge the 2019 Conditions because the Debtors’ allegations of lost business opportunity and corresponding economic harm related to the SGM Sale constitute an injury in fact. *See Prime Healthcare Services, Inc. v. Harris*, 216 F. Supp. 3d 1096, (S.D. Cal. 2016) (citing *Wedges/Ledges of Cal., Inc. v. City of Phoenix, Ariz.*, 24 F.3d 56, 60 (9th Cir. 1994)) (finding standing where plaintiff alleged that “the financially unviable conditions [the attorney general] imposed on the [Daughters of Charity Health System] transaction forced it to abandon its \$843 million bid to acquire” the hospital); *see also Vill. Of Arlington Heights v. Metro. Hous. Dev. Corp.*, 429 U.S. 252, 261-63 (1977) (concluding that a nonprofit developer had standing to challenge the denial of its petition for rezoning and seek injunctive and declaratory relief, despite the fact that its land-purchase contract was contingent upon securing rezoning).

### III.

#### FACTUAL BACKGROUND

##### A. General Background

1. On August 31, 2018 (the “Petition Date”), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Since the commencement of their Cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108.

2. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate member of five Debtor California nonprofit public benefit corporations that operated O’Connor Hospital (“OCH”) and Saint Louise Regional Hospital (“SLRH”), and currently operates St. Francis Medical Center (“SFMC”), St. Vincent Medical Center (“SVMC”), and Seton Medical Center, including Seton Medical Center Coastside Campus (collectively, “Seton” and, together with OCH, SLRH, SFMC, and SVMC, the “Verity Hospitals”).

3. As of the Petition Date, VHS, the Verity Hospitals, and their affiliated entities (collectively, “Verity Health System”) operated as a nonprofit health care system, with approximately 1,680 inpatient beds, six active emergency rooms, a trauma center, eleven medical office buildings, and a host of medical specialties, including tertiary and quaternary care. *See* First-Day Decl., at 4, ¶ 12. The scope of the services provided by the Verity Health System is exemplified by the fact that in 2017, the Verity Hospitals provided medical services to over 50,000 inpatients and approximately 480,000 outpatients. *Id.*, at 4, ¶ 12.

4. Additional background facts on the Debtors, including an overview of the Debtors’ business, information on the Debtors’ capital structure and additional events leading up to these chapter 11 Cases, are set forth in the First-Day Declaration.

5. On September 14, 2018, the Office of the United States Trustee appointed the Committee [Docket No. 197].

**B. The Daughters of Charity and the 2015 Conditions**

6. The Verity Hospitals were originally owned and operated by the Daughters of Charity of St. Vincent de Paul, Province of the West (the “Daughters of Charity”), to support the mission of the Catholic Church through a commitment to the sick and poor. The Daughters of Charity began their healthcare mission in California in 1858 with the opening of Los Angeles Infirmary, now known as SVMC. The Daughters of Charity expanded its hospitals to San Jose in 1889 and San Francisco in 1893. The Daughters of Charity ministered to ill, poverty-stricken individuals for more than 150 years.

7. In June 2001, the Daughters of Charity Health System (“DCHS”) was formed. In 2002, DCHS commenced operations and was the sole corporate member of the Verity Hospitals, which at that time were California nonprofit religious corporations.

8. Between 1995 and 2015, the Verity Hospitals incurred substantial operating losses. During that time period, Daughters of Charity and DCHS attempted to find a solution which would resolve the operating losses, either through a sale of some or all of the Verity Hospitals, or a merger with a more financially sound partner. In 2013, DCHS unsuccessfully solicited purchase offers for OCH, SLRH, and Seton.

9. Throughout 2014, DCHS explored offers to sell the system and, in October of 2014, entered into an agreement with Prime Healthcare Services and Prime Healthcare Foundation (collectively, “Prime”) to sell the health system. A condition of such sale was approval by the Attorney General.

10. In early 2015, the Attorney General consented to the sale to Prime, but subject to certain conditions, which, in Prime’s view, were so onerous that it could not proceed with the transaction. Accordingly, Prime terminated the transaction. The history of this failed transaction and the process for Attorney General review is more fully set forth in *Prime Healthcare Services, Inc., et al. v. Harris*, 216 F. Supp. 3d 1096, 1101-06 (S.D. Cal. 2016).

11. In 2015, DCHS again marketed the health system for sale, and, again, focused on offers that maintained the system as a whole, including the assumption of all existing obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC (“BlueMountain”), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the “BlueMountain Transaction”).

12. In connection with the BlueMountain Transaction, the DCHS and its sole member, Daughters of Charity Ministry Services Corporation, certain funds managed by BlueMountain and Integrity Healthcare, LLC (a management company was formed to manage VHS for BlueMountain under a new management agreement) entered into a System Restructuring and Support Agreement (the “Restructuring Agreement”). Under the Restructuring Agreement, VHS and the Verity Hospitals were converted from religious corporations to public benefit corporations. BlueMountain agreed to make a capital infusion of \$100 million, arrange loans for another \$160 million to the system, and manage operations, with an option to buy the health system at a future time. DCHS’ name was changed to Verity Health System.

13. On December 3, 2015, the Attorney General approved the BlueMountain Transaction, subject to the 2015 Conditions. The 2015 Conditions were imposed for periods ranging from 5 to 15 years. Generally, the terms of the 2015 Conditions included (i) transfers of control, (ii) maintenance of health services, (iii) required participation in Medicare and Medi-Cal programs, (iv) community benefit programs, (v) charity care levels, (vi) county contracts, (vii) local

1 governing boards, (viii) medical staff compliance, (ix) assumption of hundreds of millions of  
2 dollars of pension obligations, and (x) annual attestation of compliance.

3 14. In the 2015 Conditions, VHS was expressly required to make capital expenditures of  
4 at least \$180 million over 5 years, and to meet accelerated time lines for making the Verity  
5 Hospitals seismic compliant. Each hospital had specific requirements as to services that had to be  
6 maintained or even expanded. For example, SVMC was required to maintain an emergency room  
7 with eight stations, including six fast track stations, 19 acute rehab beds, and 30 ICU beds, among  
8 other things. It was also required to provide \$400,000 of charity care annually and provide  
9 community benefit programs of at least \$1 million annually. SVMC was required to maintain  
10 Medi-Cal contracts with LA Care Health Plan and various commercial plan contracts. All of the  
11 Verity Hospitals had similar obligations imposed.

12 15. Despite BlueMountain's infusion of cash and retention of various consultants and  
13 experts to assist in improving cash flow and operations, the health system continued to incur losses.  
14 It soon became apparent that the problems facing the Verity Health System were too large to solve  
15 without a formal court supervised restructuring.

16 **C. The Bankruptcy Cases**

17 16. The Debtors commenced these Cases to protect the original legacy of the Daughters  
18 of Charity to the maximum extent possible by retiring debt incurred over the past 18 years and  
19 selling the hospital facilities to enable the continued operation of the Verity Hospitals under new  
20 ownership and leadership free from the historical losses and operational uncertainties. The  
21 Debtors' strategy contemplated a Court-supervised sale of some or all of the Verity Hospitals, and  
22 related facilities, and a comprehensive resolution of the Debtors' financial obligations through a  
23 court approved plan of reorganization.

24 17. In June 2018, the Debtors engaged Cain Brothers, a division of KeyBanc Capital  
25 Markets ("Cain"), to identify potential buyers of some or all of the Verity Hospitals and related  
26 assets and commenced discussions with those potential buyers. Cain prepared a Confidential  
27 Investment Memorandum, organized an online data site to share information with potential buyers  
28 and contacted over 181 strategic and financial buyers beginning in July 2018 to solicit their interest

1 in exploring a transaction regarding the Verity Hospitals. As a result of its broad marketing  
2 process, Cain received sixteen indications of interest, or other proposals, and continued to develop  
3 potential sales of some or all of the Verity Hospitals.

4 18. At the commencement of the cases, the Debtors obtained court approval for a debtor  
5 in possession financing facility with up to \$185 million of availability from Ally Bank subject to a  
6 borrowing base (the “DIP Facility”). The DIP Facility was secured by substantially all of the  
7 Debtors’ assets and also provides for super priority administrative priority status for all obligations  
8 under the facility. The DIP financing enabled Debtors to operate the Verity Hospitals while they  
9 continued their efforts to find a purchaser for their assets and to reach agreements with key  
10 constituents. As discussed below, the Debtors have repaid their DIP financing obligations and are  
11 funding operations through the consensual use of cash collateral.

12 **D. The SCC Sale**

13 19. On December 27, 2018, the Bankruptcy Court entered the *Order (A) Authorizing the*  
14 *Sale of Certain of the Debtors’ Assets to Santa Clara County Free and Clear of Liens, Claims,*  
15 *Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an*  
16 *Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving a  
17 sale of OCH, SLRH, and related assets, to Santa Clara County (the “SCC Sale”).

18 20. The SCC Sale closed on February 28, 2019. After payment of certain cure costs,  
19 closing costs and other items, the net remaining proceeds were approximately \$184.38 million,  
20 which are held in four sale proceeds account. An additional \$23.35 million is held in escrow (the  
21 “Post-Closing Escrow”) by First American Title Insurance Company, the escrow agent. The Post-  
22 Closing Escrow was established pursuant to the terms of the SCC APA, as security for the Debtors’  
23 post-closing obligations and expires in February 2020.

24 21. The Attorney General vigorously opposed the SCC Sale, insisting that either the  
25 2015 Conditions applied to SCC or that the SCC Sale was subject to his review. This Court  
26 rejected both arguments, and overruled his objections. *See* Docket Nos. 1146, 1153. The Attorney  
27 General appealed, but voluntarily dismissed the appeal after the Debtors filed a motion to dismiss  
28

1 as moot pursuant to § 363(m). See Case No. 2:19-cv-00133-DMG, Docket No. 40, 41 (C.D. Cal.  
2 Feb. 1, 2019).

3 **E. The SGM Sale**

4 22. On January 17, 2019, the Debtors filed the Debtors' *Notice Of Motion And Motion*  
5 *for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse*  
6 *Bidder and For Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding*

11 *All Claims, Liens and Encumbrances* (the "Sale and Bidding Procedures Motion") [Docket No.  
12 1279].

13 23. On February 19, 2019, the Court held a hearing on the Sale and Bidding Procedures  
14 Motion and thereafter entered an order approving the Sale and Bidding Procedures Motion (the  
15 "Bidding Procedures Order") [Docket No. 1572]. SGM served as the Stalking Horse Bidder under  
16 the terms of the Bidding Procedures Order. The Bidding Procedures Order also approved the SGM  
17 APA as modified therein.

18 24. There were two "Qualified Bidders" (as defined in the Bidding Procedures Order)  
19 for partial bids for different Hospitals (one for SVMC and one for SFMC) and no Qualified Full  
20 Bid. After consultation with the Consultation Parties as defined in the Bidding Procedures Order,  
21 the Debtors determined to not conduct either a Partial Bid of Full Bid auction, as set forth in the  
22 *Notice That No Auction Shall Be Held Re Debtors' Motion and Motion for the Entry of (I) An*

1 and Encumbrances [Docket No. 2053] (the “No-Auction Notice”) filed by the Debtors on April 4,  
2 2019.

3 25. Accordingly, under the terms of the SGM APA and the Bidding Procedures Order,  
4 no auction was held and the Debtors declared SGM as the “winning bidder” of the Hospitals. No-  
5 Auction Notice at 2.

6 26. On May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing The Sale*  
7 *Of Certain Of The Debtors' Assets To Strategic Global Management, Inc. free And Clear Of Liens,*  
8 *Claims, Encumbrances, And Other Interests; (B) Approving The Assumption And Assignment Of*  
9 *An Unexpired Lease Related Thereto; And (C) Granting Related Relief* [Docket No. 2306] (the  
10 “Sale Order”), approving the SGM Sale. The closing of the SGM Sale is subject to review by the  
11 Attorney General and satisfaction of certain other closing conditions. The Debtors expect the SGM  
12 Sale to close in the fourth quarter of 2019.

13 27. SGM has agreed to continue to operate the Hospitals and abide by the vast majority  
14 of the 2015 Conditions, as set forth in Schedule 8.6 to the SGM APA.

15 28. Section 8.6 of the SGM APA is titled: “Attorney General Provisions.” It provides  
16 the following:

17 Purchaser recognizes that the transactions contemplated by this  
18 Agreement may be subject to review and approval of the CA AG.  
19 Purchaser agrees to close the transactions contemplated by this  
20 Agreement so long as any conditions imposed by the CA AG are  
21 substantially consistent with the conditions set forth, as Purchaser  
22 Approved Conditions, in Schedule 8.6. In the event the CA AG  
23 imposes conditions on the transactions contemplated by this  
24 Agreement, or on Purchaser in connection therewith, which are  
25 materially different than the Purchaser Approved Conditions set  
26 forth on Schedule 8.6 (the “Additional Conditions”), Sellers shall  
27 have the opportunity to file a motion with the Bankruptcy Court  
28 seeking the entry of an order (“Supplemental Sale Order”) finding  
that the Additional Conditions are an “interest in property” for  
purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free  
and clear of the Additional Conditions without the imposition of any  
other conditions, which would adversely affect the Purchaser. For  
purposes of this Section 8.6, Additional Conditions which  
individually or collectively impose a direct or indirect cost to  
Purchaser of \$5 million, or more, shall be conclusively deemed to be  
“materially different.” If Sellers determine not to seek such

Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than \$500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein, shall constitute a waiver

of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds."

**F. The Debtors and SGM Have Expended Substantial Time and Resources to Close the SGM Sale**

29. As discussed above, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone. By way of example: (i) the Debtors sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988; (ii) thousands of counterparties to executory contracts and unexpired leases, including physicians, have relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iii) the Debtors and SGM have spent months facilitating an efficient close of the sale, with approximately 20 different workstreams, meeting at least weekly to ensure a smooth transition of operations; (iv) government agency personnel, including the California Department of Public Health and the Board of Pharmacy, have been diligently processing SGM's change of ownership applications for licenses and permits in reliance on the finality of the Sale Order; (v) the Debtors, SGM, and each of the Debtors' six unions spent months successfully negotiating and finalizing modified collective bargaining agreements; (vi) the medical groups affiliated with the Debtors have sent termination notices to their remaining physicians; (vii) the Debtors and SGM have coordinated changes in insurance coverages and insurance policies to ensure seamless coverage for employees and patients, and (viii) the Debtors have created plans to shut off certain services after the close of the SGM Sale. *See* Adcock Decl. ¶ 7.

**G. The Debtors' Cash Collateral Agreement**

30. On September 6, 2019, the Court entered the *Final Order (A) Authorizing Continued Use of Cash Collateral, (B) Granting Adequate Protection, (C) Modifying Automatic Stay, and (D) Granting Related Relief* [Docket No. 3022] (the "Supplemental Cash Collateral Order") granting the Debtors motion for use of cash collateral [Docket No. 2962, 2968] (the "Supplemental Cash Collateral Motion"). The Supplemental Cash Collateral Order authorized the Debtors' consensual

1 use of cash collateral pursuant to an agreement with certain of its secured lenders (the “Cash  
2 Collateral Agreement”). Pursuant to the Cash Collateral Agreement, the Debtors are obligated to  
3 meet certain milestones, including plan confirmation by December 15, 2019 and a plan effective  
4 date on or before December 31, 2019. *See* Supp. Cash Collateral Mot. at 24. Further, termination  
5 of the SGM APA would result in an event of default under the Cash Collateral Agreement. *See id.*  
6 In each case, the success of the SGM Sale bears directly on the Debtors’ ability to fund operations  
7 and timely meet its plan confirmation milestones.

8 **H. The Debtors’ Plan and Confirmation Timeline**

9 31. On September 3, 2019, the Debtors filed the *Debtors’ Chapter 11 Plan of*  
10 *Liquidation (Dated September 3, 2019* [Docket No. 2993] (the “Plan”) and their related disclosure  
11 statement [Docket No. 2994] (the “Disclosure Statement”). As more fully described in the  
12 Disclosure Statement and below, the Debtors’ Plan provides for deemed consolidation of the  
13 Debtors for purposes of implementation of the Plan and the distribution of the proceeds of the two  
14 sale transactions in accordance with the Bankruptcy Code’s distribution and classification  
15 provisions. Such treatment is supported by the facts of these cases and applicable law.

16 **I. The Attorney General Review Process**

17 32. For years, the Debtors engaged in dialogue with the Attorney General about the  
18 Debtors’ financial challenges and the future of the Hospitals, including, for example, a July 2018  
19 meeting in anticipation of the Debtors’ bankruptcy filings conducted by the Debtors’  
20 representatives and Deputy Attorney General Wendi Horwitz. *See* Levy-Biehl Decl. ¶ 3.

21 33. On February 15, 2019, the Debtors’ representatives met with Attorney General  
22 Xavier Becerra and Melanie Fontes Rainer, Special Assistant Attorney General, in Sacramento to  
23 discuss the pending SCC Sale and the forthcoming auction and sale of the Hospitals. *See* Levy-  
24 Biehl Decl. ¶ 5.

25 34. Beginning in early April 2019, the Debtors’ special healthcare regulatory counsel,  
26 Nelson Hardiman LLP, engaged with Deputy Attorney General Scott Chan in anticipation of  
27 submitting a notice and requesting approval of the SGM Sale. These discussions and exchanges  
28 were regular and ongoing, and addressed, among other things, the substantive and procedural

1 requirements for the submission and review as well as the review timeline. At all times, the  
2 Debtors consistently requested an expedited review of the submission in light of their significant  
3 operating losses and cash flow challenges. *See* Levy-Biehl Decl. ¶ 7.

4 35. By letter dated May 7, 2019, the Debtors provided notice to, and requested written  
5 consent from, the Attorney General for the proposed SGM Sale pursuant to California Corporations  
6 Code § 5914 and title 11 of the California Code of Regulations, § 999.5. *See* Levy-Biehl Decl. ¶¶  
7 7, 8. On May 13, 2019, the Debtors supplemented their submission to the Attorney General, by  
8 including the filing made to the Federal Trade Commission pursuant to the Hart-Scott-Rodino  
9 Antitrust Improvements Act of 1976, as amended. *See* Levy-Biehl Decl. ¶ 9.

10 36. As outlined in the submission to the Attorney General—and discussed a number of  
11 times in writing, in person, and by email with various representatives of the Attorney General—the  
12 SGM Sale is critical. *Id.* at 8. The Debtors explained to the Attorney General that the SGM Sale is  
13 the only option to ensure that the Hospitals will survive their current financial challenges and be  
14 preserved as providers of essential health care services to their communities. *Id.*; *see also* *Notice of*  
15 *Submission of Debtors' Response to the Health Care Impact Statements and Conditions Proposed*  
16 *by JD Healthcare, Inc.* [Docket No. 2946].

17 37. The Debtors also explained to the Attorney General that (i) the 2015 Conditions  
18 accelerated the demise of the Verity Hospitals to the point that that only a Court supervised  
19 restructuring could save them, and (ii) conditions materially different than those in Schedule 8.6  
20 would ensure closure of the Hospitals. *See* Adcock Decl. ¶ 15; *see also* *Notice of Submission of*  
21 *Debtors' Response to the Health Care Impact Statements and Conditions Proposed by JD*  
22 *Healthcare, Inc.* [Docket No. 2946].

23 38. Throughout the process, the Debtors' representatives engaged in ongoing  
24 discussions with the Attorney General's office, and requested, among other things, an in-person  
25 meeting to review the submission, the transaction, and the expedited processing of the submission.  
26 *See* Levy-Biehl Decl. ¶ 10. The Attorney General denied these requests. *Id.*

Decl. ¶ 11. On August 16, 2019, following these interviews and public hearings, JD Healthcare released its Health Care Impact Statements on the proposed sale of SFMC and SVMC. *Id.* On August 19, 2019, JD Healthcare released its Health Care Impact Statement for Seton. *Id.* The Health Care Impact Statements set forth the expert's proposed conditions on the SGM Sale.

40. On August 16, 2019, the Attorney General requested that the Debtors and SGM submit responses to the proposed conditions detailing the conditions that were "deal breakers" to the SGM Sale. On August 21, 2019, SGM submitted its response to the Health Care Impact Statements. On August 23, 2019, the Debtors submitted their response. *See* correspondence attached hereto as Exhibit "E."

41. During the week of August 26, 2019, Deputy Attorney General Scott Chan held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. *See* Adcock Decl. ¶ 12. At each public meeting, representatives of SGM and the Debtors made public statements detailing the economic impact of the conditions proposed by JD Healthcare and the economic situation confronting each Hospital; urging the Attorney General to consider economic factors when issuing his conditions; and reiterating that any conditions exceeding those in Schedule 8.6 of the SGM APA could result in the termination of the SGM Sale and the closure of the Hospitals. *Id.*; *see also* Levy-Biehl Decl. ¶ 13.

42. On September 6, 2019, the Attorney General's office met with SGM representatives to discuss the proposed SGM Sale and the proposed conditions. *See* Levy-Biehl Decl. ¶ 14. On September 19, 2019, the Attorney General's office met with representatives of SGM and the Debtors for the same purpose. *Id.* On September 23, 2019, the Attorney General conducted another telephonic meeting with SGM and the Debtors. During each meeting, SGM consistently informed the Attorney General's office that SGM would not proceed with the transaction if the Attorney General imposed conditions beyond those SGM agreed to accept in Schedule 8.6. *Id.*

#### **J. The 2019 Attorney General Conditions**

43. On September 25, 2019, the Attorney General conditionally consented to the SGM Sale. The Attorney General's conditional consent is subject to the 2019 Conditions. *See* Exhibit "B." The 2019 Conditions include numerous Additional Conditions that are materially different

LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

1 than those SGM contractually agreed to in Schedule 8.6. *See* Exhibit “C,” which is a redline  
2 reflecting the deletion of the conditions in the 2019 Conditions that are materially different than the  
3 conditions in Schedule 8.6; *see also* Baronoff, Decl. ¶ 7.

4 44. The 2019 Conditions require, among other things, that SGM continue to operate the  
5 Hospitals and maintain various services, clinics and contractual arrangements for a period of time  
6 greater than the period of time that Debtors would have been obligated under the 2015 Conditions  
7 if the Debtors had the ability to continue to operate the Hospitals. *See* Adcock, Decl. ¶ 9. The  
8 2019 Conditions are also materially different than those to which SGM agreed in Schedule 8.6  
9 because the Additional Conditions impose, among other things, greater requirements for charity  
10 care expenditures, community benefit expenditures, capital expenditures, and do not account for the  
11 substantial shift in charity care needs following the implementation of the Affordable Care Act.  
12 *Id.*; *see also* Exhibit “C.”

13 45. Importantly, SGM only agreed to close the SGM Sale if the conditions imposed by  
14 the Attorney General’s office were not “materially different” than the conditions SGM agreed to in  
15 Section 8.6. *See* APA, Section 8.6, at 32, 33, Docket No. 2305-1; *see also* *See* Baronoff, Decl. ¶ 5.  
16 Additionally, SGM has repeatedly told the Debtors that multiple lenders have informed SGM that  
17 they would not agree to finance the SGM Sale if the conditions were not consistent with Schedule  
18 8.6, which makes the SGM Sale nearly impossible to close. *See* Adcock, Decl. ¶ 16.

19 46. To avoid the impact of the Additional Conditions on the SGM Sale, the Debtors  
20 must seek an order enforcing the Sale Order, finding that the SGM Sale is free and clear of the  
21 2019 Conditions, and limiting the SGM Sale to only those conditions to which SGM contractually  
22 agreed to assumed in Schedule 8.6 of the SGM APA.

23 **K. The Economic Impact of the Additional Conditions**

24 47. The Additional Conditions have a significant impact on the economic viability of  
25 the Hospitals and effectively increase, by more than 50%, the purchase price in the SGM APA. By  
26 way of example only, the 2019 Conditions would require SVMC to remain operated and  
27 maintained as a licensed general acute care hospital (as defined in California Health and Safety  
28 Code Section 1250) through December 2024, whereas Schedule 8.6 provides that SVMC will do so

1 through December 2020. The reported Financial Statements of SVMC reflect that, in fiscal year  
2 2019 (ended June 30, 2019), SVMC lost approximately \$65 million which was an 18% and 103%  
3 increase over the fiscal years 2018 and 2017, respectively. *See* Chadwick Decl., at ¶ 6. Assuming  
4 operating losses at SVMC can be maintained at fiscal 2019 levels (a highly optimistic assumption),  
5 SGM would likely incur additional estimated losses totaling \$260 million through December 2024  
6 because of the Additional Conditions. *Id.* Moreover, the \$260 million loss would likely need to be  
7 financed. *Id.* Using an average interest rate of 5% for four years of debt service would result in  
8 estimated incremental financing charges totaling approximately \$25 million. *Id.* Accordingly, this  
9 2019 Condition alone would place a potential burden on the buyer of at least \$285 million beyond  
10 that contemplated in Section 8.6.

11 48. The Charity Care requirement presents another example of the significant economic  
12 impact of the 2019 Conditions when compared with Schedule 8.6. The 2019 Conditions require  
13 that SGM to provide an annual amount of Charity Care at St. Francis equal to or greater than  
14 \$12,793,435 for a period of six fiscal years, which is at least \$4,793,435, per year more than SGM  
15 has agreed to provide, pursuant to Section 8.6 for a period of seven years.<sup>2</sup> *See* Chadwick Decl. ¶  
16 7; *see also* 2019 Conditions, Exhibit “B.” After adjusting for the one-year shorter required duration  
17 of this 2019 Condition, the estimated incremental cost to the buyer would be nearly \$20 million in  
18 total over the six years. *See* Chadwick Decl. ¶ 7. The 2019 Conditions provide for additional  
19 increases in Charity Care amounts for St. Vincent and Seton, as well as increases across all four  
20 Hospitals in Community Benefit Service amounts. *Id.*

21 49. In summary, the total financial impact of just the these two examples of 2019  
22 Conditions would require SGM to incur additional losses of approximately \$305 million beyond  
23 those contemplated by Schedule 8.6. *See* Chadwick Decl. ¶¶ 8, 9. When compared to the SGM  
24 APA purchase price of \$610 million, these represent a 50% increase in the price for the sale of  
25

---

26 <sup>2</sup> The Charity Care Condition imposed by the Attorney General is also \$6.4 million dollars *more*  
27 than SFMC provided in Fiscal Year 2019. Thus, the Attorney General is actually requiring an  
28 increase in charity care being provided by SFMC.

1 these distressed assets. *Id.* The magnitude of these losses calls into question the viability of the  
2 acquisition.

3 50. The imposition of the Additional Conditions would result in the termination of the  
4 SGM Sale, unless the Debtors obtain the supplemental order required in Section 8.6 of the APA.  
5 *See* Baronoff, Decl. ¶ 7. If the SGM Sale does not close, the most likely outcome is that at least  
6 three of the Hospitals will have to close. *See* Adcock, Decl. ¶ 9. Altogether, between July 1, 2018  
7 and June 30, 2019, the Hospitals had more than 34,000 inpatient admissions and 312,000 outpatient  
8 visits. *Id.* If the Hospitals are closed, all of those patients would be forced to find alternative  
9 providers for treatment, perhaps at greater distances than they are now required to travel for  
10 treatment at the Hospitals. For example, Seton Coastsides is the only emergency room facility on  
11 the Pacific Coast between Daly City and Santa Cruz. *Id.* Additionally, Seton Coastsides has 116  
12 skilled nursing facility (“SNF”) beds and, if Seton Coastsides were closed, those residents would be  
13 forced to be relocated significant distances to find alternative facilities. *Id.* The risk of negative  
14 outcomes for emergency room patients increases as the distance, and therefore the time, required to  
15 obtain treatment, increases. In addition to the difficulty in finding alternative facilities for the SNF  
16 patients, the impact of transfer trauma on this population could be significant. *Id.*

18 **ARGUMENT**

19 **A. THE SALE ORDER EFFECTUATED A SALE OF THE DEBTORS’ ASSETS FREE  
20 AND CLEAR OF THE ADDITIONAL CONDITIONS**

21 **1. Section 363 Authorizes the Court to Sell the Debtors’ Assets Free and Clear of  
22 Interests**

23 The Court authorized the Debtors to sell assets to SGM pursuant to §§ 363(b) and (f).  
24 Section 363(b)(1) provides that the Debtors “may use, sell, or lease, other than in the ordinary  
25 course of business, property of the estate.” 11 U.S.C. § 363(b)(1). The Bankruptcy Code provides  
26 that a sale pursuant to § 363(b)(1) must satisfy one of five alternative tests to be “free and clear of  
any interest in such property of an entity other than the estate”:

- 27 (1) applicable nonbankruptcy law permits sale of such property free  
28 and clear of such interest;  
(2) such entity consents;

- (3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
- (4) such interest is in bona fide dispute; or
- (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f).

Here, the Sale Order expressly provides that the SGM Sale was approved “free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights and any successor or successor-in-interest liability theories” pursuant to §§ 363(b) and (f). *See* Sale Order, ¶ G at 7. On this basis, and as set forth more fully below, the Sale Order effectuated the SGM Sale free and clear of the Additional Conditions.

**2. The Additional Conditions Constitute an Interest in Property Subject to the “Free and Clear” Language in Section 363**

**a. Case Law Makes Clear That The Debtors Can Sell Their Hospitals Free And Clear Of “Interest In Property.”**

The Bankruptcy Code does not define “interest in property” as that term is used in § 363(f). *See, e.g., Precision Indus., Inc. v. Qualitech Steel SBQ, LLC*, 327 F.3d 537, 545 (7th Cir. 2003) (“The Bankruptcy Code does not define ‘any interest,’ and in the course of applying section 363(f) to a wide variety of rights and obligations related to estate property, courts have been unable to formulate a precise definition.”). The majority of courts interpret the phrase “interest in property” broadly to include both *in rem* interests in property as well as “other obligations that may flow from ownership of the property.” *Folger Adam Sec., Inc. v. DeMatteis v. MacGregor JV*, 209 F.3d 252, 258 (3d Cir. 2000); *see also In re Leckie Smokeless Coal Co.*, 99 F.3d 573, 582 (4th Cir. 1996) (“Congress did not expressly indicate that . . . it intended to limit the scope of section 363(f) to *in rem* interests, strictly defined, and we decline to adopt such a restricted reading of the statute here.”).

The majority of courts have coalesced around a single approach: interests in property are obligations connected to or arising from the property being sold. *See, e.g., In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003) (finding that “interests in property [are] within the

1 meaning of section 363(f) in the sense that they *arise from the property being sold*”) (emphasis  
2 added); *Leckie Smokeless Coal Co.*, 99 F.3d at 582 (finding that certain claims constituted  
3 “interests in . . . assets within the meaning of section 363(f)” where there was “a relationship  
4 between (1) the Fund’s and Plan’s rights to demand premium payments from Appellees and (2) the  
5 *use to which Appellees put their assets*”) (emphasis added); *Folger Adam Sec., Inc.*, 209 F.3d at

8 *Chrysler LLC)*, 576 F.3d 108, 124 (2d Cir. 2009), *granting cert. and vacating as moot*, 558 U.S.  
9 1087 (2009) (“We agree with *TWA* and *Leckie* that the term any interest in property encompasses  
10 those *claims that arise from the property being sold.*”) (emphasis added) (quotations omitted);  
11 *Precision Indus., Inc.*, 327 F.3d at 545 (“the term ‘any interest’ as used in section 363(f) is  
12 sufficiently broad to include Precision’s possessory interest as a lessee”); *Myers v. U.S.*, 297 B.R.  
13 774, 781 (S.D. Cal. 2003) (“The court finds that Plaintiff’s claim for personal injury does *arise*

17 ‘arise from the property being sold.’”).<sup>3</sup>

1 Coal Industry Retiree Health Benefit Act of 1992, 26 U.S.C. §§ 9701-9722 (the “Coal Act”). *See*  
2 *Leckie Smokeless Coal Co.*, 99 F.3d at 575-76. Under the Coal Act, the successor to an operator  
3 was jointly and severally liable with the operator for payment of premiums. *See id.* at 576-77.  
4 Following the debtors’ bankruptcy filing, the benefit plans opposed a proposed asset sale free and  
5 clear of successor liability for Coal Act premium payment obligations. *See id.* at 577. The  
6 bankruptcy court approved the sale free and clear, and, on appeal, the Fourth Circuit affirmed,  
7 concluding that the right to collect future premiums constituted interests in the assets transferred by  
8 the sale. *See id.* at 582. The Fourth Circuit explained that the benefit plans’ right to collect  
9 premiums under the Coal Act

10 are grounded, at least in part, in the fact that those very assets have  
11 been employed for coal-mining purposes: if Appellees had never  
12 elected to put their assets to use in the coal-mining industry, and had  
13 taken up business in an altogether different area, the Plan and Fund  
14 would have no right to seek premium payments from them. Because  
15 there is therefore a relationship between (1) the Fund’s and Plan’s  
rights to demand premium payments from Appellees and (2) the use  
to which Appellees put their assets, we find that the Fund and Plan  
have interests in those assets within the meaning of section 363(f).

16 *Id.* The relationship drawn by the Fourth Circuit between the prepetition obligation and the  
17 purchaser’s use of assets for the same purposes as the debtor is cited repeatedly in cases finding  
18 that regulatory obligations are interests subject to § 363(f).

19 Similarly, a debtor’s experience rating—the historic metric by which state regulators  
20 determine tax or insurance rates—may not be imputed to a purchaser of the debtor’s assets. *See,*  
21 *e.g., In re Old Carco, LLC*, 538 B.R. 674 (Bankr. S.D.N.Y. 2015).<sup>4</sup> In *Old Carco, LLC*, the

1 purchaser's unemployment insurance tax rate. *See* 538 B.R. at 677. The state statutes in issue  
2 authorized regulators to compute tax rates "based, in part, on the employer's historical claims  
3 paying experience, generally reaching back three years." *Id.* at 679. Thus, the purchaser's tax rate  
4 was subject to increase based on the amount of benefits paid to workers discharged during the  
5 debtor's operations. *See id.* at 679-80. The bankruptcy court concluded that the experience rating  
6 constituted an interest in the assets sold because

7 [t]he States' rights to use Old Chrysler's Experience Rating arises  
8 from New Chrysler's acquisition of its assets and the continuation of  
9 its business. Had New Chrysler started the same business from  
10 scratch with new assets, the States could not use Old Chrysler's  
11 Experience Rating to compute its tax rate. Furthermore, New  
Chrysler's increased liability is directly related to Old Chrysler's  
discharge of persons it employed in its business; these discharged  
employees never worked for New Chrysler.

12 *Id.* at 684-85. Significantly, this "continuation of business" test is repeated throughout cases  
13 addressing interests in property. *See, e.g., Trans World Airlines, Inc.*, 322 F.3d at 290 ("Had TWA  
14 not invested in airline assets, which required the employment of the EEOC claimants, those  
15 successor liability claims would not have arisen."); *PBBPC, Inc.*, 484 B.R. at 869 ("the record  
16 reflects that the transfer of an employer's contribution rate to a successor asset purchaser is really  
17 an attempt to recover the money that the predecessor employer would have paid if it had continued  
18 in business"); *Leckie Smokeless Coal Co.*, 99 F.3d at 582 (finding no liability would arise "if  
19 [purchasers] had never elected to put their assets to use in the coal-mining industry, and had taken  
20 up business in an altogether different area"); *accord Chrysler LLC*, 576 F.3d at 126.

21 **b. The Additional Conditions Are An Interest In Property For At Least**  
22 **Three Reasons.**

23 Applying the same analysis, it is clear that the 2019 Conditions are interests in property  
24 within the meaning of § 363(f) for at least three reasons. Before discussing these reasons, the  
25 Debtors reiterate that their argument only focuses on the Additional Conditions since SGM  
26 contractually agreed to be bound by the conditions in Schedule 8.6.

27 **First**, as this Court has recognized, the Additional Conditions the Attorney General seeks to  
28 impose on SGM are premised on the Debtors' operations. Specifically,

[t]he Conditions provide that any owner of the Hospital must furnish specified levels of emergency services, intensive care services, cardiac services, and various other services. The required service levels were derived ***based upon the historical experience of the prior operator.***

*In re Verity Health Sys. of Cal., Inc.*, 598 B.R. 283, 293 (Bankr. C.D. Cal. 2018) (Robles, J.) (emphasis added). Thus, for example, the Additional Conditions’ purported imposition of “charitable care obligations are connected to and arise from the Assets being sold . . . [because] [h]ad the Assets not originally been earmarked for charitable purposes, the Attorney General could not seek to impose continuing charitable care obligation.” *In re Gardens Reg’l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 826 (Bankr. C.D. Cal. 2017) (Robles, J.), *appeal dismissed*, No. 17-03708, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018). The Additional Conditions constitute an interest in property to the extent they are premised or calculated based on the historical operations of the Debtors.

***Second***, the Attorney General’s statutory authority to impose the Additional Conditions arises from the Debtors’ operation of its assets as nonprofit acute care hospitals. The California statutory scheme grants the Attorney General authority to consent to the sale of a nonprofit health facility to a for-profit corporation. *See* CAL. CORP. CODE § 5914(a)(1)(A) (providing that a nonprofit corporation operating or controlling a health facility must obtain the consent of the Attorney General before entering into a transaction to “[s]ell, transfer, lease, exchange, option, convey, or otherwise dispose of, its assets to a for-profit corporation”); *see also id.* § 5917 (authorizing the Attorney General to condition any transaction described in CAL. CORP. CODE § 5914). The California statute ***does not*** allow the Attorney General to impose similar conditions on SGM—a for-profit entity—had it “started the same business from scratch with new assets.” *Old Carco*, 538 B.R. at 684. As with the experience rating cases, it is the Debtors’ “prior ownership and use” of the assets transferred by the SGM Sale that gives the Attorney General “a contingent right” to impose conditions on the Debtors under California law. *USA United Fleet, Inc.*, 496 B.R. at 87. Accordingly, the Additional Conditions constitute interests in property because they arise from the Debtors’ prior ownership and use of the assets as nonprofit acute care hospitals.

DENTONS US LLP  
601 SOUTH FIGUEROA STREET, SUITE 2500  
LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

*Third*, the Attorney General’s authority to review the transaction arises from SGM’s continuation of the Debtors’ business as a health facility. *See* CAL. CORP. CODE § 5914(a)(1) (applying only to a sale of the assets of a nonprofit corporation that “operates or controls a health facility”). Under California law, the Debtors’ assets subject to the SGM Sale qualify as health facilities to the extent they are operating general acute care hospitals. *See* CAL. HEALTH & SAFETY CODE § 1250(a). By way of example, in *Gardens Regional Hospital and Medical Center, Inc.*, this Court found that a sale of closed general acute care hospitals did not fall within the ambit of the Attorney General’s regulatory authority because “the Assets being sold do not include an operating hospital.” *See* 567 B.R. at 827. Here, however, SGM intends to purchase the Debtors’ assets as operating acute care hospitals and continue their operations post-closing. As this Court has observed, the Attorney General’s authority to impose the Additional Conditions on SGM under California Corporations Code, §§ 5914 *et seq.*, is “grounded, at least in part, in the fact that those very assets have been employed for” acute care hospital purposes. *Leckie Smokeless Coal Co.*, 99 F.3d at 582; *see also Gardens Reg’l Hosp. & Med. Ctr., Inc.*, 567 B.R. at 826 (“The Attorney General’s claim to regulatory authority is similar to the regulatory interests asserted in *PBBPC* and *Leckie Smokeless Coal*, and therefore constitutes an ‘interest in . . . property’ for purposes of § 363(f).”). Accordingly, the Additional Conditions constitute interests in property because the Attorney General’s authority to impose the Additional Conditions is conditioned on their operation as health facilities upon the closing of the SGM Sale.

**3. The SGM Sale Should Be Authorized Free and Clear of the Additional Conditions Pursuant to Section 363(f)**

The Debtors are authorized to consummate the SGM Sale free and clear of the 2019 Conditions because the SGM Sale satisfies the disjunctive sub-factors of § 363(f). *See* 11 U.S.C. 363(f); *see also Pinnacle Rest. at Big Sky, LLC v. CH SP Acquisitions (In re Spanish Peaks Hldgs. II, LLC)*, 872 F.3d 892, 897 (9th Cir. 2017). For practical purposes, the analysis below references the Additional Conditions, given that SGM contractually agreed to be bound by the conditions in Schedule 8.6.

a. **California Law Allows the Sale of Nonprofit Health Facilities Without the Imposition of Additional Conditions (§ 363(f)(1))**

The Bankruptcy Code permits the sale of property free and clear of interests if “such a sale would be *legally permissible*.” *In re Spanish Peaks Hldgs. II, LLC*, 872 F.3d at 900 (emphasis added); *see also* 11 U.S.C. § 363(f)(1) (permitting sales free and clear of interests if “applicable nonbankruptcy law permits the sale of such property free and clear of such interest”). Thus, absent a specific statutory requirement, the purchaser of an asset assumes no associated liabilities of the seller, including successor liability. *See Myers v. U.S.*, 297 B.R. at 784 (“As a general rule, under California law a purchaser does not assume the seller’s liability.”). Under § 363(f)(1), the Debtors can sell the Hospitals free and clear of the Additional Conditions because *neither* the Attorney General’s statutory basis for imposing the Additional Conditions *nor* California common law impose successor liability. *See In re Verity Health Sys. Of Cal., Inc.*, 598 B.R. at 296 (Bankr. C.D. Cal. 2018) (Robles, J.) (“Provisions within the Conditions are enforceable only to the extent they are supported by California law.”)

The California Corporations Code does not authorize the Attorney General to impose successor liability on the assets of a health facility. California law imposes upon the seller the obligation to notify the Attorney General of a sale and to obtain his consent to such sale. *See CAL. CORP. CODE* § 5914(a)(1) (“Any nonprofit corporation that . . . operates a health facility . . . shall be required to providing written notice to, and obtain the written consent of, the Attorney General” prior to entering into a sale transaction.); *see id.* § 5917 (granting the Attorney General discretion to “consent to, give conditional consent to, or not consent to any agreement or transaction). But, the statute *does not* grant the Attorney General authority to impose conditions on the assets subject to the transaction. Indeed, the Attorney General was previously unable to identify any provision of applicable “California law entitling him to enforce successorship liability under the circumstances of this case.” *In re Verity Health Sys. of Cal., Inc.*, 598 B.R. at 296 (finding that “[t]he Attorney General’s reliance upon provisions purporting to make the Conditions binding upon all successors, regardless of the circumstances under which such successors acquiring the Hospitals, is an impermissible attempt to expand his regulatory authority over the Hospitals”).

1 In *La Paloma Generating, Co.*, a bankruptcy court granted a sale pursuant to § 363(f)(1)  
2 after finding that the applicable California regulatory scheme governing the transfer of cap and  
3 trade liabilities in the sale of electrical generation facilities did not impose successor liability. *See*  
4 No. 16-12700, 2017 WL 5197116 (Bankr D. Del. Nov. 9, 2017). The court concluded that, as here,  
5 the regulatory scheme did not impose successor liability because it imposed liabilities on entities  
6 rather than the assets subject to the transaction. *See id.* at \*7 (“[T]he Regulation does not dictate . .  
7 . substitution and assumption of liability. In no way does Section 95835(b)(8) impugn liability on  
8 the purchase of the Covered Entity’s assets.”). Here, similarly, the California Corporations Code  
9 does not impose any statutory successor liability because the obligations are limited to the seller  
10 rather than the assets transferred pursuant to a sale.

11 Further, the SGM Sale does not implicate any of the four grounds to impose successor  
12 liability under California law. Under California law,

13 the purchaser does not assume the seller’s liabilities unless (1) there  
14 is an express or implied agreement of assumption, (2) the transaction  
15 amounts to a consolidation or merger of the two corporations, (3) the  
16 purchasing corporation is a mere continuation of the seller, or (4) the  
transfer of assets to the purchaser is for the fraudulent purpose of  
escaping liability for the seller’s debts.

17 *Ray v. Alad Corp.*, 19 Cal. 3d 22, 28 (1977); *see also City of San Diego v. Nat’l Steel &*  
18 *Shipbuilding Co.*, No. 09-2275, 2011 WL 5104624, at \*4 (S.D. Cal. Oct. 27, 2011). None of the  
19 four grounds is present here. SGM has not expressly or impliedly agreed to assume the Debtors’  
20 obligations under the 2015 Conditions (except to the extent contracted in the SGM APA). The  
21 Court specifically found that the transfer was at arm’s length and in good faith rather than for any  
22 fraudulent purpose. *See* Sale Order, ¶¶ D-E at 6-7 (“[T]he Transaction being consummated  
23 pursuant to and in accordance with the APA is not being consummated, for the purpose of  
24 hindering, delaying or defrauding creditors of the Debtors.”). Finally, the transaction is not a  
25 consolidation, merger, or mere continuation because SGM has provided non-stock consideration  
26 and SGM and the Debtors have different officers, directors, or stockholders. *See, e.g., Alad Corp.*,  
27 19 Cal. 3d at 28-29 (citing *Econ. Refining & Serv. Co. v. Royal Nat. Bank of N.Y.*, 20 Cal. App. 3d  
28 434 (Cal. Ct. App. 1971); *Malone v. Red Top Cab Co.* 16 Cal. App. 2d 268, 272-274 (1936);

1 *Shannon v. Samuel Langston Co.* 379 F. Supp. 797, 801 (W.D. Mich. 1974)). Accordingly, the  
2 Debtors may sell the Hospitals free and clear of the Additional Conditions because nonbankruptcy  
3 law does not impose successor liability notwithstanding the contrary provisions in the Additional  
4 Conditions.

5 **b. The Additional Conditions Are Subject to A Bona Fide Dispute (§**  
6 **363(f)(4))**

7 The Debtors may sell the Hospital free and clear of the Additional Conditions because the  
8 Attorney General's authority to impose the Additional Conditions is in bona fide dispute. *See* 11  
9 U.S.C. § 363(f)(4). The phrase "bona fide dispute" is not defined by the Bankruptcy Code. *See*  
10 *Atlas Mach. & Iron Works, Inc. v. Bethlehem Steel Corp.*, 986 F.2d 709, 715 (4th Cir. 1993)  
11 ("Although courts have not agreed on a precise definition of 'bona fide dispute,' it entails some sort  
12 of meritorious, existing conflict.") (citations omitted). Courts find a "bona fide dispute" when  
13 "there is an objective basis for either a factual or legal dispute as to the validity of the asserted  
14 interest." *In re Taylor*, 198 B.R. 142, 147 (Bankr. D.S.C. 1996). An objective legal basis for  
15 dispute may arise under bankruptcy or nonbankruptcy law. *See In re L.L. Murphrey Co.*, No. 12-  
16 03837-8-JRL, 2013 WL 2451368 (Bankr. E.D.N.C. June 6, 2013) (finding bona fide dispute as to  
17 validity of a creditor's lien subject to avoidance under § 544(a)(3)). Importantly, it is not necessary  
18 that the court resolve the dispute or its merits. *See id.* ("This standard does not require that the  
19 Court resolve the underlying dispute or determine the probable outcome of the dispute, but merely  
20 whether one exists.").

21 Here, the Additional Conditions are subject to bona fide dispute under bankruptcy and  
22 nonbankruptcy law. As set forth in this Motion, the Debtors dispute the Attorney General's  
23 authority to issue conditions impose successor liability contrary to the provisions of California law,  
24 the Bankruptcy Code, and the Sale Order. Further, as discussed more fully below, the Debtors  
25 dispute whether the Attorney General abused his discretion in imposing the Additional Conditions  
26 without adequate support. In each instance, the Court need not determine the relative merits of the  
27 disputes, and, instead, need only find that the disputes raised by the Debtors are bona fide. In each  
28

1 case, the Debtors' disputes as to the Additional Conditions support a sale free and clear of the  
2 Additional Conditions under § 363(f)(4).

3 **c. The Attorney General Can Be Compelled to Accept A Money**  
4 **Satisfaction in the Event of Noncompliance with the Additional**  
5 **Conditions (§ 363(f)(5))**

6 Section 363(f)(5) permits a sale free and clear if (i) the nondebtor could be compelled to  
7 accept a money satisfaction of the interest in property (ii) in a proceeding that could be brought.  
8 *See In re PW, LLC*, 391 B.R. 25, 41 (B.A.P. 9th Cir. 2008). An interest in property is subject to  
9 satisfaction for purposes of § 363(f)(5) if it imposes a calculable monetary obligation. *See In re*  
10 *Vista Marketing Grp. Ltd.*, 557 B.R. at 635 ("[O]ne would be hard-pressed to present a clearer  
11 example of a situation where the interest-holder could be compelled to accept a money satisfaction  
12 of its interest under subsection (f)(5) than the calculable monetary obligation asserted by the  
13 District in its surcharge bill and disconnection notice."); *see also In re Trans World Airlines, Inc.*,  
14 322 F.3d 283, 290 (3d Cir. 2003) (interests in property such as travel vouchers and EEOC claims  
15 may be reduced to a specific monetary value for purposes of § 365(f)(5)).

16 Here, many of the Additional Conditions are subject to satisfaction by the payment of  
17 money. For example, certain Additional Conditions require charity care of a specific monetary  
18 value. *See* Exhibit "C." The Attorney General has historically (including in the Debtors' own  
19 experience) allowed health facilities to satisfy any charity care deficiency by paying funds to  
20 satisfy shortfalls to other purposes or entities. *See, e.g.,* First-Day Decl., ¶ 108 at 28 ("[A]s a result  
21 of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was  
22 required to make an additional contribution to the Retirement Plans of \$7,619,000 in October  
23 2017."); *see also In re WBQ P'ship*, 189 B.R. at 107 (finding § 363(f)(5) satisfied where state's  
24 right of recapture upon sale of nursing home could constitute a claim against the debtors subject to  
25 hypothetical cramdown).

26 Indeed, there is no dispute that the Attorney General allows unsatisfied charity care  
27 contributions to be satisfied by the payment of money. In the 2015 Conditions, the Attorney  
28 General expressly allowed the Debtors to satisfy any shortfall by paying an amount equal to the  
charity care shortfall to some other purpose. For example, with regard to St. Francis, the 2015

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

1 Conditions expressly allowed satisfaction of the Charity Care Condition by payment of 50% of the  
2 shortfall to employee pension plans and 50% of the shortfall to capital expenditures for  
3 maintenance of the facilities. *See* Docket No.256-1, Exhibit A, at 9. Allowing payment of monies  
4 to other entities to satisfy a shortfall in providing charity care is not unique to these hospitals. A  
5 review of the Attorney General’s website describing nonprofit hospital transactions is replete with  
6 such examples. *See* <https://oag.ca.gov/sites/all/files/agweb/pdfs/charities/nonprofithosp/>. For  
7 example, in a decision on January 9, 2019, regarding Parkview Hospital, the Attorney General  
8 approved the proposed transaction with the condition that if there was a shortfall in the charity care  
9 required, that shortfall could be satisfied by the payment of “an amount equal to the deficiency to  
10 one or more tax-exempt entities that provide direct health care services to residents in the  
11 Hospital’s service area.”

12 Further, the 2019 Conditions make clear that the Attorney General can enforce satisfaction  
13 of these monetary obligations in a hypothetical legal proceeding. *See In re WBQ P’ship*, 189 B.R.  
14 at 107 (holding that nursing home sale was free and clear of state department’s right to recover  
15 depreciation overpayments and emphasizing “‘hypothetical’ satisfaction, since §  
16 363(f)(5) authorizes a sale if the interest holder ‘*could be* compelled, in a legal or equitable  
17 proceeding, to accept a money satisfaction of such interest’”) (emphasis in original). The Attorney  
18 General specifically reserves his right to enforce the 2019 Conditions “to the fullest extent provided  
19 by law” and that, “[i]n addition to any legal remedies the Attorney General may have, the Attorney  
20 General shall be entitled to specific performance, injunctive relief, and such other equitable  
21 remedies a court may deem appropriate for breach of any of these Conditions.” *See* Exhibit “B.”  
22 As with the Debtors’ prior satisfaction of the Charity Care Condition, payment of money was  
23 sufficient to “extinguish” entirely the Debtors’ obligation to comply with the Charity Care  
24 Condition. *See, e.g., In re Hassen Imports P’ship*, 502 B.R. 851, 861 (C.D. Cal. 2013) (finding that  
25 § 363(f)(5) “only authorizes sale free and clear when money payment is given in exchange for the  
26 extinguished interest”). Accordingly, as noted by the Attorney General, monetary conditions may  
27 be satisfied in a hypothetical legal proceeding.

1 Accordingly, the Attorney General can be compelled to accept monetary satisfaction of the  
2 Additional Conditions that impose calculable monetary obligations sufficient to sell the Hospitals  
3 free and clear of the Additional Conditions. For the foregoing reasons, the Sale Order effectuated a  
4 sale free and clear of the 2019 Conditions except for those SGM agreed to assume by contract as  
5 set forth in Schedule 8.6.

6 **d. The Additional Conditions Contravene The Purposes of § 363(f) to the**  
7 **Extent They Purport to Impose Successor Liability on SGM.**

8 California law does not authorize the Attorney General to impose successor liability on the  
9 purchaser of a health care facility because the statute only makes reference to the obligations of the  
10 seller rather than the assets sold. *See* discussion, *supra*; *see also In re La Paloma Generating, Co.*,  
11 No. 16-12700, 2017 WL 5197116 (Bankr. D. Del. Nov. 9, 2017); CAL. CORP. CODE § 5914.  
12 Further, the Debtors may sell the Hospitals free and clear of any successor liability assuming,  
13 *arguendo*, that the Conditions impose successor liability on SGM.

14 Courts favor a broader reading of § 363 in two instances where imposition of successor  
15 liability would compromise the fundamental purposes of bankruptcy sales. **First**, “allowing sales  
16 of debtor assets free and clear of liabilities of the debtor induces a higher sale price for the assets,  
17 thereby maximizing the value of the estate and maximizing potential recovery to creditors.”  
18 *Grumman Olson Indus. Inc.*, 467 B.R. at 703; *see also Douglas v. Stamco*, 363 Fed. Appx. 101,  
19 102-03 (2d Cir. 2010) (“to the extent that the ‘free and clear’ nature of the sale . . . was a crucial  
20 inducement in the sale’s successful transaction . . . the potential chilling effect of allowing a tort  
21 claim subsequent to the sale would run counter to a core aim of the Bankruptcy Code”); *Indiana*  
22 *State Police Pension Trust*, 576 F.3d at 126 (“The possibility of transferring assets free and clear of  
23 existing tort liability was a critical inducement to the Sale.”); *In re PBBPC, Inc.*, 484 B.R. at 870  
24 (rejecting imposition of experience rating where “the possibility of transferring assets free and clear  
25 of successor liability was a critical inducement to the sale”) (quotations omitted); *Myers v. U.S.*,  
26 297 B.R. at 781 (finding sale order sold assets free and clear of successor liability and positing  
27 “who would ever purchase assets at a bankruptcy proceeding if the successor liability were not  
28 limited, despite the plain wording of the bankruptcy court order?”). As discussed in detail, above,

1 imposition of the Additional Conditions have serious financial consequences for the SGM Sale that  
2 undercut the free and clear nature of the SGM Sale and served as a critical inducement for the only  
3 bidder on the Debtors' Hospital assets. Accordingly, the Debtors may sell the Hospitals free and  
4 clear of any successor liability imposed by the Additional Conditions under § 363.

5 **Second**, allowing a claimant to pursue an asset purchaser in bankruptcy "would subvert the  
6 Bankruptcy Code's priority scheme, by allowing a low-priority, unsecured claim to leapfrog over  
7 other creditors in the bankruptcy." *See, e.g., In re Grumman Olson Indus. Inc.*, 467 B.R. 694, 703  
8 (S.D.N.Y. 2012); *see also In re Trans World Airlines, Inc.*, 322 F.3d 283, 291 (3d Cir. 2003) ("Even  
9 were we to conclude that the claims at issue are not interests in property, the priority scheme of the  
10 Bankruptcy Code supports the transfer of TWA's assets free and clear of the claims."); *Myers*, 297  
11 B.R. at 781 (finding a sale order that *excluded* "successor liability" from the interests stripped  
12 under § 363(f) nevertheless effectuated a sale of the assets free and clear of successor liability  
13 because, to hold otherwise, "would allow unsecured creditors to receive greater protection and  
14 more priority than secured claims"). The Additional Conditions allow the Attorney General to  
15 impose monetary obligations on SGM to continue providing services such as charity care that were  
16 financially infeasible for the Debtors.

17 **B. COMPLIANCE WITH § 363(d)(1) DOES NOT LIMIT THE DEBTORS' RIGHT TO**  
18 **SELL ITS ASSETS FREE AND CLEAR UNDER § 363(f).**

19 Section 363(d)(1) provides that the Debtors must sell the Hospitals in accordance with  
20 nonbankruptcy law applicable to nonprofit transactions, and § 363(f) authorizes the Debtors to sell  
21 the Hospitals free and clear of interests in property. These two sections are easily construed under  
22 several applicable principles of statutory construction.

23 First, each statutory provision should be read by reference to the whole act. *See John*  
24 *Hancock Mut. Life Ins. Co. v. Harris Trust & Sav. Bank*, 114 S. Ct. 517, 523 (1993); *Pavelic &*  
25 *Leflore v. Marvel Entm't Grp.*, 493 U.S. 120, 123-24 (1989); *Mass. v. Morash*, 490 U.S. 107, 114-  
26 15 (1989). Second, the Court should avoid interpreting a provision of the Bankruptcy Code in a  
27 way inconsistent with the policy of another provision of the Bankruptcy Code. *See United Sav.*  
28 *Ass'n v. Timbers of Inwood Forest Assocs.*, 484 U.S. 365, 371 (1988). Finally, specific provisions

LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

1 targeting a particular issue apply instead of provisions more generally covering the issue. *See*  
2 *Morton v. Mancari*, 417 U.S. 535, 550-51 (1974) (a general statute will not be held to have  
3 repealed by implication a more specific one unless there is “clear intention otherwise”); *U.S. v.*  
4 *Novak*, 476 F.3d 1041, 1054 (9th Cir. 2007) (recognizing “the elementary tenet of statutory  
5 construction that a general statute will not alter a more specific one”) (quotations omitted). This  
6 tenet applies with equal force to interpretation of competing provisions of the Bankruptcy Code.  
7 *See Law v. Seigel*, 571 U.S. 415, 421 (2014) (resolving conflict between §§ 105(a) and 522 by  
8 “application of the axiom that a statute’s general permission to take actions of a certain type must  
9 yield to a specific prohibition found elsewhere”).

10 Applying these principles, the requirement to act in accordance with nonbankruptcy law  
11 does not abrogate the Debtors’ authority to sell free and clear of the Additional Conditions under  
12 the more specific provisions of § 363(f), particularly when the Additional Conditions would render  
13 the terms of the SGM APA and the Sale Order meaningless.

14 Section 363(f) provides specific grounds to conduct sales free and clear of interests in  
15 property that is not limited by a nonprofit debtor’s general obligation, under § 363(d)(1), to comply  
16 with nonbankruptcy law. Section 363 provides that nonprofit debtors must generally comply with  
17 applicable nonbankruptcy law in conducting sales under § 363(b). Section 363(d)(1) provides that  
18 a nonprofit debtor may sell assets of the estate pursuant to § 363(b) “only in accordance with  
19 nonbankruptcy law applicable to the transfer of property by” such nonprofit debtor. 11 U.S.C.  
20 363(d)(1). This general requirement in § 363(d)(1) makes no reference to § 363(f), which sets forth  
21 the specific bases by which a debtor may obtain approval of a sale under § 363(b) free and clear of  
22 any interest in such property. Without a “clear intention otherwise,” the general requirement that a  
23 nonprofit debtor comply with nonbankruptcy law does not repeal by implication the specifics of  
24 free and clear sales under § 363(f), including the Debtors’ rights to sell assets free and clear of  
25 successor liability. *See Morton*, 417 U.S. at 550-51. Simply put, § 363(d)(1) does not grant the  
26 Attorney General the unfettered right to impose conditions without regard to this Court’s exclusive  
27  
28

jurisdiction over the Debtors' assets and any other provisions of the Bankruptcy Code. *See, e.g.*, §§ 363(f), 525, 541; *see also* 28 U.S.C. § 1334(e).<sup>5</sup>

Even if the provisions were in conflict, applicable law authorizing the Attorney General to review and condition sales of health facilities is not inconsistent with the successor liability limitations set forth in § 363(f). As discussed above, applicable California law does not impose successor liability on the SGM Sale because the obligations are imposed on the seller of a health facility rather than the assets themselves. *See, e.g., In re La Paloma Generating, Co.*, 2017 WL 5197116, at \*7 (“[T]he Regulation does not dictate . . . substitution and assumption of liability. In no way does Section 95835(b)(8) impugn liability on the purchase of the Covered Entity’s assets.”).

Accordingly, the general requirements of § 363(d)(1) are not in conflict with the Debtors’ authority to sell assets free and clear of successor liability under § 363(f). The Debtors complied with the requirements of nonbankruptcy law and received the Attorney General’s conditional approval of the SGM Sale. Nonbankruptcy law does not impose successor liability on SGM, and,

---

<sup>5</sup> The Attorney General has previously argued that he may enforce conditions on the sale of a nonprofit hospital, pursuant to police and regulatory powers designed to protect the health and safety of the community. *See* Docket No. 463, at 7 (the “Prior Response”). However, unlike § 362(b)(4), § 363 has no exception for governmental entities acting pursuant to police or regulatory powers. The Congress is presumed to act intentionally and purposely when it includes language in one section but omits it in another. *Keene Corp. v. United States*, 508 U.S. 200, 208 (1993) (“where Congress includes particular language in one section of a statute but omits it in another [...] it is generally presumed that Congress acts intentionally and purposely in the disparate inclusion or exclusion.”) (quoting *Russello v. United States*, 464 U.S. 16, 23 (1983)). Even if such an exception were to apply, as the Attorney General concedes in the Prior Response, preemption of state law is most likely where the state statute carves an exception out of the Bankruptcy Code, or where the state statute is concerned with economic regulation rather than protecting the public health and safety. Prior Response, at 7, lines 1-15 (citing *Baker & Drake, Inc. v. Pub. Serv. Comm’n of Nevada*, 35 F.3d 1348, 1353 (9th Cir. 1994)). Both situations exist here. First, the interpretation suggested by the Attorney General carves a huge exception out of the Bankruptcy Code, basically allowing him to ignore both the plain language of the federal laws, and the practical implications of his interpretation. Second, although the state statute discusses that a sale to a for-profit “may affect the availability of community health care services,” Prior Response, at 7, lines 23-24 (citing CAL. CORP. CODE, Ch. 9, Note §1m Stats 1996, ch. 1105), the Attorney General has *no* general oversight over health facilities in California or over acute care hospitals in particular. Rather, his review is predicated on the regulation of a kind of business—nonprofits—and therefore falls neatly into economic regulations.

1 to the extent the Additional Conditions impose successor liability, the Debtors may sell free and  
2 clear under § 363(f) while still complying with their general obligations under § 363(d)(1).

3 **C. THE ATTORNEY GENERAL CANNOT INTERFERE WITH THE COURT’S**  
4 **EXCLUSIVE JURISDICTION OVER PROPERTY OF THE ESTATES.**

5 Section 1334(e) of title 28 of the United States Code grants federal district courts—and, by  
6 jurisdictional grant, pursuant to 28 U.S.C. § 157(a), bankruptcy courts within each district—  
7 exclusive jurisdiction of all property of the debtor and its estate, “wherever located.” 28 U.S.C. §  
8 1334(e); 11 U.S.C. § 157(a); *see also Hong Kong and Shanghai Banking Corp. v. Simon (In re*  
9 *Simon)*, 153 F.3d 991 (9th Cir. 1998) (district court in which bankruptcy case is commenced has  
10 exclusive *in rem* jurisdiction over all estate property); *see also Central Va. Cmty College v. Katz*,  
11 546 U.S. 356, 126 S. Ct. 990 (2006) (A “critical feature of every bankruptcy proceeding [is] the  
12 exercise of exclusive jurisdiction over all of the debtor’s property.”). Moreover, in the context of  
13 adjudicating the rights of in a bankruptcy estate, even against the Attorney General, the power of  
14 the bankruptcy court includes the “power to issue compulsory orders to facilitate the administration  
15 and distribution of the res.” *Id.* The Supreme Court was clear in *Katz* that the Court’s power was  
16 not limited to *in rem* beyond the “mere adjudication of rights in a res” and extended to proceedings  
17 “necessary to effectuate the *in rem* jurisdiction of the bankruptcy courts.” *Id.* Therefore, under  
18 *Katz*, the Court also has the power to issue orders necessary to effectuate the Sale Order, including  
19 issuing orders that the SGM Sale is free and clear of the Additional Conditions.

20 Here, the Court has exclusive jurisdiction over the Hospitals because they are indisputably  
21 “property of the estates” pursuant to § 541. *See* § 541. The Court’s exclusive jurisdiction limits  
22 the Attorney General’s attempt to impose restrictions on the Hospitals. Moreover, the states’ right  
23 to regulate an operating debtor in possession under 28 U.S.C. § 959(b) does not limit this Court’s  
24 jurisdiction or give the state the right to interfere in the sale of the Debtors’ Hospitals. *See Hillis*  
25 *Motors v Hawai’i Auto Dealers Assn.*, 997 F.2d 581, 592 (9th Cir 1993) (holding that state action  
26 to involuntarily dissolve a corporation for non-payment of franchise fees and filings violated the  
27 automatic stay as an act to control property of the estate under § 362(a)(3) and was not excepted by  
28 §362 (b)(4) or (5) or 28 U.S.C. § 959(b)).

**D. THE ADDITIONAL CONDITIONS VIOLATE § 525 BECAUSE THEIR EXPRESS PURPOSE IS TO REQUIRE SGM TO UNDERTAKE THE SAME OBLIGATIONS THE DEBTORS CAN NO LONGER ACCOMPLISH.**

Imposition of the Additional Conditions constitutes impermissible discrimination against the Debtors and SGM, as a debtor-associate, pursuant to § 525. Section 525(a) grants the Debtors protection against discriminatory treatment by governmental unit on account of the Debtors' insolvency. *See* 11 U.S.C. § 525(a).

One of the leading case interpreting § 525 is the United States Supreme Court's decision in *Federal Communications Commission v. NextWave Communications, Inc.* 537 U.S. 293 (2003) ("NextWave"). In *NextWave*, the Federal Communications Commission (the "FCC") cancelled certain licenses owned by the debtor, but denied that the proximate cause for its cancellation of the licenses was the failure to make payments due to the FCC. Instead, the FCC contended that § 525 did not apply because it had a valid regulatory motive for the cancellation. The Supreme Court held that the FCC's motive was "irrelevant" because "[s]ection 525 means nothing more or less than that the failure to pay a dischargeable debt must alone be the proximate cause of the cancellation—the act or event that triggers the agency's decision to cancel, whatever the agency's ultimate motive in pulling the trigger may be." *NextWave*, 537 U.S. at 301-02. The FCC contended that NextWave's license obligations to the commission were not "debt[s] that [are] dischargeable" in bankruptcy. *Id.* at 302. The FCC argued that regulatory requirements, such as a full and timely payment condition, are not properly classified as "debts" under the Bankruptcy Code. The Supreme Court dismissed this argument, finding that "a debt is a debt even when the obligation to pay it is a regulatory condition." *Id.* at 303. The FCC also argued that NextWave's obligations were not "dischargeable" in bankruptcy because bankruptcy courts did not have the jurisdictional authority to alter regulatory obligations. *Id.* Noting that dischargeability is not tied to the existence of such authority, the Supreme Court found that a preconfirmation debt is dischargeable unless it falls within an express exception to discharge. *Id.*

In *In re Aurora Gas, LLC*, the bankruptcy court addressed whether the State of Alaska violated § 525(a) by effectively conditioning the sale of gas leases on the purchaser's assumption of unpurchased liabilities. *See* No. 16-00130, 2017 WL 4325560 (Bankr. D. Alaska Sept. 26, 2017).

1 The debtor formerly operated nine oil and gas wells leased from the state. *See id.* at \*1. During the  
2 course of the bankruptcy case, the debtor determined that it would not be able to sell three of the  
3 wells leased on state lands and could not afford to completely plug and abandon the wells. *See id.*  
4 The debtor, thus, began the process of temporarily plugging the wells and obtained approval to  
5 reject the leases. *See id.* The debtor secured an offer to purchase five of the remaining oil and gas  
6 leases for \$100,000, subject, however, to review and approval by the state. *See id.* The bankruptcy  
7 court entered an order granting authority to assume and assign the leases and sell related assets free  
8 and clear of claims and interests. *See id.* at \*2. Subsequently, the state imposed conditions on the  
9 sale that required the purchaser either agree to (i) a bond in the amount of \$200,000 and an  
10 agreement to plug and abandon the three unpurchased wells, or (ii) a bond in the amount of \$6  
11 million. *See id.*

12 The bankruptcy court held that the imposition of the conditions violated § 525(a). The  
13 bankruptcy court noted that “the State does not deny that the Decision was an attempt to collect  
14 [the debtor’s] debt for the [nonoperating] leases. Rather, it defends its action as necessary to  
15 provide for the plugging and abandonment of the wells which the debtor will not be able to  
16 accomplish.” *Id.* at \*4. The court concluded that the state “effectively denied the debtor’s transfer  
17 of five of its . . . leases because it insists on recovering the debtor’s . . . plug and abandonment  
18 liability.” *Id.* at \*5. Indeed, the \$6 million bonding requirement made clear that the state’s intent  
19 was to recover on the debtor’s potentially dischargeable liabilities rather than the “proper exercise  
20 of the agency’s discretion in discharge of its statutory duties.” *See id.* (“There is nothing in the  
21 Decision to support the [state’s] conclusion that it will cost \$1,000,000 to plug and abandon each  
22 well.”).

23 The Additional Conditions are no different than those addressed by the bankruptcy court in  
24 *Aurora Gas* because they impose upon SGM the very same levels of services, charity care, and  
25 other obligations imposed on the Debtors by the 2015 Conditions. The Additional Conditions  
26 repeatedly obligate SGM to maintain licensure and services “at no less than current” levels that  
27 correspond directly to the Debtors’ postpetition services. *See* Exhibit “B” (“The term ‘current’ or  
28 ‘currently’ throughout this document means as of January 1, 2019.”) (2019 Conditions, at 2, n.2).

As discussed above, § 363(f) allows the Debtors to sell their assets free and clear of the Attorney General’s interests in imposing Additional Conditions. These interests are dischargeable within the meaning of § 525(a) even if the Debtors will not receive a discharge under their Plan. *See Aurora Gas, LLC*, 2017 WL 4325560, at \*6 (“The State has not identified any exception within § 523(a) for the debtor’s prepetition liability for plugging and abandoning the [nonoperating] wells. Nothing within § 525(a) requires that the debtor actually obtain a discharge, only that the debt be dischargeable.”); *FCC v. NextWave Pers. Commc’ns Inc.*, 537 U.S. at 303 (“A preconfirmation debt is dischargeable unless it falls within an express exception to discharge.”). Further, as with *Aurora Gas*, the Additional Conditions will “effectively den[y] the [Debtors’] transfer of” their hospital assets because the Attorney General “insists on recovering” from SGM the same obligations imposed on the Debtors under the 2015 Conditions. The Additional Conditions must be denied as violative of § 525(a) because the Debtors’ inability to continue the same services following the conclusion of these Cases are “the proximate cause” of the Attorney General’s Additional Conditions. *See NextWave Pers. Commc’ns Inc.*, 537 U.S. at 301-02.

**E. THE ATTORNEY GENERAL ABUSED HIS DISCRETION IN IMPOSING THE ADDITIONAL CONDITIONS.**

**1. The Court Has Authority to Review Whether the Attorney General Abused His Discretion in Imposing the Additional Conditions.**

If the Court does not find the Additional Conditions are cut off by § 363, the Debtors ask that the Court review the Attorney General’s decision under applicable nonbankruptcy law. Section 1221(e) of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109-8, § 1221(e) (2005), makes clear that the applicable nonbankruptcy law should be interpreted by this Court and should not be referred to a state court. *In re HHH Choices Health Plan, LLC*, 554 B.R. 697, 700-01 (Bankr. S.D.N.Y. 2016) (“While a transfer [of nonprofit assets] must comply with the substantive requirements of state law. . . . any determination that would be made by a state court, . . . in the absence of a bankruptcy case, is now a determination to be made by [the bankruptcy court], and not by the state court.”).

The Attorney General has discretion under applicable state law to deny, consent to, or conditionally approve a transaction. However, that discretion is limited and subject to judicial

1 review. Under state law, the Court has the power to overrule the Attorney General’s decision  
2 imposing conditions inconsistent with Section 8.6 of the SGM APA. *Del Riccio v. Superior Court*,  
3 115 Cal. App. 2d 29, 31 (1952) (“In the exercise of equitable jurisdiction the court undoubtedly has  
4 broad discretionary powers to take whatever action is necessary in the interests of justice in order  
5 that its decrees will not fail to accomplish their purpose.”); *see also* Cal. Code Civ. Proc., § 187.  
6 That power extends even to reviewing discretionary decisions for abuse of discretion. *Lamb v.*  
7 *Webb* (1907) 151 Cal. 451, 454 (the trial court has the power to compel the Attorney General to act  
8 where the Attorney General abused its discretion); accord *City of Campbell v. Mosk*, 197 Cal. App.  
9 2d 640, 645 (1961).

10 Judicial review of most public agency decisions is obtained either by: (1) a writ of  
11 ordinary/traditional mandamus, pursuant to C.C.P. § 1085; or (2) a writ of administrative  
12 mandamus, pursuant to C.C.P. § 1094.5. *See Friends of the Old Trees v. Dep’t of Forestry & Fire*  
13 *Prot.*, 61 Cal. Rptr. 2d 297, 303 (Cal. Ct. App. 1997). Ordinary mandate under C.C.P. § 1085 is a  
14 traditional remedy by which a court compels an inferior tribunal to perform a legally required duty.  
15 Administrative mandate under C.C.P. §1094.5 is a statutory remedy which enables a petitioner to  
16 challenge an administrative decision after an adjudicatory hearing in which the agency performs a  
17 fact finding function. Parties are entitled to seek both in the same action. *See Conlan v. Bonta*, 102  
18 Cal. App. 4th 745, 751-52 (2002). Moreover, C.C.P. §§ 1085 and 1094.5, subd. (f) are identical in  
19 authorizing courts to issue a writ of mandate to compel the performance of an act “which the law  
20 specially enjoins.”

21 Under C.C.P. § 1094.5, the Court “begin[s] its review with a presumption of the correctness  
22 of administrative findings, and then, after affording the respect due to these findings, exercise[s]  
23 independent judgment in making its own findings.” *Fukuda v. City of Angels*, 977 P.2d 693, 701  
24 (Cal. 1999); *see Benetatos v. City of Los Angeles*, 186 Cal. Rptr. 3d 46, 56 (Cal. Ct. App. 2015)  
25 (“the independent judgment test is applied to review administrative decisions that will drive an  
26 owner out of business or significantly injure the business’s ability to function”).

27 Alternatively, for traditional mandamus under C.C.P. § 1085, the Court reviews the  
28 administrative action to determine whether it “was arbitrary, capricious, or entirely lacking in

2 (quotations omitted). “Although mandate will not lie to control a public agency’s discretion, that is  
3 to say, force the exercise of discretion in a particular manner, it will lie to correct abuses of  
4 discretion.” *Id.* (quotations omitted). “Abuse of discretion is established if the ... order or decision  
5 is not supported by the findings, or the findings are not supported by the evidence.” *Wollmer v.*  
6 *City of Berkeley*, 193 Cal. App. 4th 1329, 1338 (2011) (citing Cal. Code Civ. Proc., § 1094.5, subd.  
7 (b).) Moreover, the Court should not give deference to the Attorney General’s interpretation of  
8 State law. *County of San Diego v. State of Cal.* 15 Cal. 4th 68, 109 (1997). Because public  
9 agencies and officials “have a duty to comply with applicable state statutes and local ordinances,”  
10 failure to do so is an abuse of discretion that is “arbitrary, capricious, or lacking in evidentiary  
11 support *Bright Dev. v. City of Tracy* 20 Cal. App. 4th 783 (1993).

12       Regardless of which standard applies here, the Attorney General’s conduct does not pass  
13 muster under either statute. The Attorney General’s decision to impose many, if not all, of the  
14 Additional Conditions, is not supported by findings or evidence. *See Topanga Assn. for a Scenic*  
15 *Community v. County of Los Angeles*, 11 Cal. 3d 506, 515 (1974) (“[I]mplicit in section 1094.5 is a  
16 requirement that the agency which renders the challenged decision must set forth findings to bridge  
17 the analytic gap between the raw evidence and ultimate decision or order.”). The Attorney General  
18 has given no consideration whatsoever to the economic impact of the 2019 Conditions on the  
19 continued existence of the Hospitals. Although Attorney General’s review of the SGM Sale was  
20 undertaken pursuant to a statute that purports to seek to preserve healthcare for the community, it is  
21 undisputed that the 2019 Conditions imposed by the Attorney General will have the singular result  
22 of destroying the SGM Sale and closing hospitals. There could not be a clearer example of an  
23 abuse of discretion. *Honchariw v. City of Stanislaus* 218 Cal. App. 4th 1019, 1027 (2013); *see*  
24 *also Bob Jones Univ. v. United States* 461 U.S. 574, 586 (1983) (a well-established canon of  
25 statutory construction provides that literal language should not defeat the plain purpose of the  
26 statute).

1           **2.       The Scope of the Court’s Review on Writ of Mandamus**

2           Judicial review of most public agency decisions is obtained by a writ of: (1) ordinary or  
3 traditional mandamus, per C.C.P. § 1085; or (2) administrative mandamus, per C.C.P. § 1094.5.  
4 *See Friends of the Old Trees v. Dep’t of Forestry & Fire Prot.*, 61 Cal. Rptr. 2d 297, 303 (Cal. Ct.  
5 App. 1997).

6           The applicable type of mandate is determined by the nature of the administrative action or  
7 decision, in that quasi-legislative or ministerial acts are reviewed by ordinary mandate, while quasi-  
8 judicial acts are reviewed by administrative mandate. *Id.* “Generally speaking, a legislative action  
9 is the formulation of a rule to be applied to all future cases, while an adjudicatory act involves the  
10 actual application of such a rule to a specific set of existing facts.” *Id.* (quotation omitted). More  
11 specifically, traditional mandate is used to review agency action when the agency was not required  
12 to hold a hearing, whereas administrative mandamus reviews final administrative orders from a  
13 proceeding “in which by law a hearing is required to be given, evidence is required to be taken, and  
14 discretion in the determination of facts is vested in the inferior tribunal[.]” *Id.* (quoting C.C.P.  
15 § 1094.5(a)).

16           Here, when evaluating the proposed transaction, the Attorney General was required to hold  
17 a hearing, take evidence, and utilize discretion in his determination of existing facts. Indeed,  
18 California Corporations Code § 5916 explicitly requires that “[p]rior to issuing any written decision  
19 referred to in Section 5915 . . . the Attorney General shall conduct one or more public meetings,  
20 one of which shall be in the county in which the facility is located, to hear comments from  
21 interested parties.” *See Sierra Club v. State Bd. of Forestry*, 7 Cal. 4th 1215, 1235 (1994) (section  
22 1095.4 hearing requirement satisfied where the Board of Forestry is required to hold a public  
23 hearing to review timber harvesting plan and determine if it conforms to the rules and regulations  
24 of the board and the Forest Practice Act).

25           In addition to being required to receive public input, the Attorney General’s conditional  
26 consent must also only have been determined after considering “relevant factors,” such as the ten  
27 enumerated ones set forth in California Corporations Code § 5917. These factors include the  
28 Attorney General’s receipt and review of evidence supporting whether the transaction is “fair and

1 reasonable to the nonprofit corporation,” at “fair market value,” and “in the public interest.” CAL.  
2 CORP. CODE § 5917. As part of this evidentiary review, the Attorney General is authorized to  
3 contract with experts and consultants (and has done so here). *See* CAL. CORP. CODE § 5919. As a  
4 result, the Attorney General’s conditional consent is an adjudicatory administrative decision, and  
5 the standard of review in this proceeding must be administrative mandamus.<sup>6</sup> *See Friends of the*  
6 *Old Trees*, 61 Cal. Rptr. 2d at 304–05 (Section 1094.5 review required where the statutes governing  
7 the Department of Forestry & Fire Protection’s approval of a timber harvest plan provides  
8 numerous opportunities for public and agency input, even though the “Department is not required  
9 to hold a trial-type hearing.”); *see also Ebbetts Pass Forest Watch v. Dep’t of Forestry & Fire*  
10 *Prot.*, 20 Cal. Rptr. 3d 808, 814 (Cal. Ct. App. 2004) (public meetings to review timber harvest  
11 plan satisfy section 1094.5 standard).

12 Not only does the § 1094.5 framework apply, the scope of the Court’s judicial review is  
13 necessarily the “independent judgment rule,” because the Attorney General’s conditional consent  
14 “substantially affects” Verity’s “fundamental vested right.” *See, e.g., Mann v. Dep’t of Motor*  
15 *Vehicles*, 90 Cal. Rptr. 2d 277, 283 (Cal. Ct. App. 1999). Due to the separation of powers doctrine,  
16 deprivation of an entity’s or individual’s fundamental rights by an agency cannot evade judicial  
17 protection. *See Bixby v. Pierno*, 481 P.2d 242 (Cal. 1971) (“By carefully scrutinizing  
18 administrative decisions which substantially affect vested, fundamental rights, the courts of  
19 California have undertaken to protect such rights, and particularly the right to practice one’s trade  
20 or profession, from untoward intrusions by the massive apparatus of government.”). Thus, “[i]f the  
21 decision of an administrative agency will substantially affect such a right, the trial court not only  
22 examines the administrative record for errors of law but also exercises its independent judgment  
23 upon the evidence disclosed” in a *de novo* review. *Id.*

24  
25 <sup>6</sup> This is in sharp contrast to the inapplicable §1085 standard involving only ministerial acts: “[a]  
26 ministerial act is an act that a public officer is required to perform in a prescribed manner in  
27 obedience to the mandate of legal authority and without regard to his own judgment or opinion  
concerning such act’s propriety or impropriety, when a given state of facts exists.” *Schwartz v.*

Whether an administrative decision substantially affects fundamental vested rights is determined on a case-by-case basis, in which this Court must consider “whether the affected right is deemed to be of sufficient significance to preclude its extinction or abridgement by a body lacking *judicial* power.” *Interstate Brands v. Unemployment Ins. Appeals Bd.*, 608 P.2d 707, 713 n.5 (Cal. 1980) (emphasis in original). In this case, the Attorney General’s conditional consent has the practical effect of closing at least three of the Hospitals, forever. In that sense, it is indistinguishable from administrative decisions involving the revocation of a professional license or business permit, which, for decades, courts have consistently held to affect a fundamental right. *See, e.g., Oxford Preparatory Acad. v. Chino Valley Unified Sch. Dist.*, 249 Cal. Rptr. 3d 726, 730–31 (Cal. Ct. App. 2019), *reh’g denied* (July 29, 2019), *review filed* (Aug. 20, 2019) (charter school “has a fundamental vested right to continue operating”); *Coe v. City of San Diego*, 208 Cal. Rptr. 3d 73, 81 (Cal. Ct. App. 2016) (“a decision to revoke a nude entertainment business permit involves a fundamental vested right.”); *The Termo Co. v. Luther*, 86 Cal. Rptr. 3d 687, 697 (Cal. Ct. App. 2008) (“The implementation of the Order and Decision would have the effect not only of shutting down a business that has been in existence for 20 years or more, but also of terminating the right to produce oil—an extraordinarily valuable resource, especially in the current economic era. . . . Certainly, a fundamental vested right is at issue.”); *Bauer v. City of San Diego*, 89 Cal. Rptr. 2d 795, 804 n.14 (Cal. Ct. App. 1999); *Goat Hill Tavern v. City of Costa Mesa*, 8 Cal. Rptr. 2d 385, 391 (Cal. Ct. App. 1992) (“the right to continue operating an established business in which [the owner] has made a substantial investment” is a “fundamental vested right.”). Indisputably, the Debtors’ rights to preserve its Hospitals—such that they can continue providing healthcare and lifesaving procedures to the community they serve—are fundamental, vested, and abridged substantially by the Attorney General’s 2019 Conditions.

The Attorney General may attempt to cast the Debtors’ rights in a purely economic light, incorrectly arguing that the Debtors merely assert the right to sell its businesses. *Cf. SP Star Enterprises, Inc. v. City of Los Angeles*, 93 Cal. Rptr. 3d 152, 162 (Cal. Ct. App. 2009). But, the rights threatened by the Attorney General’s decision are the survival of three Hospitals upon which the public undisputedly depends. *Benetatos v. City of Los Angeles*, 186 Cal. Rptr. 3d 46, 56 (Cal.

1 Ct. App. 2015) (“The substantial evidence test has been applied to review administrative decisions  
2 that restrict a property owner’s return on his property, or which increase the cost of doing business,  
3 or reduce profits, because such decisions impact mere economic interests rather than fundamental  
4 vested rights. In contrast, the independent judgment test is applied to review administrative  
5 decisions *that will drive an owner out of business or significantly injure the business’s ability to*  
6 *function.*”) (emphasis added).

7 As a result, in this proceeding, this Court “begin[s] its review with a presumption of the  
8 correctness of administrative findings, and then, after affording the respect due to these findings,  
9 exercise[s] independent judgment in making its own findings.” *Fukuda v. City of Angels*, 977 P.2d  
10 693, 701 (Cal. 1999).

11 In addition, “[w]here the court finds that there is relevant evidence that, in the exercise of  
12 reasonable diligence, could not have been produced or that was improperly excluded at the hearing  
13 before respondent . . . the court may admit the evidence at the hearing on the writ without  
14 remanding the case.” C.C.P. § 1094.5(e); *see also Tiholiz v. Northridge Hosp. Found.*, 199 Cal.  
15 Rptr. 338, 343 (Cal. Ct. App. 1984) (permitting admission of newly discovered evidence in the  
16 form of declarations, finding that “a litigant has a fundamental interest at stake in procedural  
17 fairness, including but not limited to an interest in the compilation of an accurate hearing record”).

18 Even if traditional mandamus applies, the Attorney General’s conditional consent  
19 constitutes an abuse of his discretion. The Debtors are “beneficially interested” to seek a writ of  
20 mandate, in that its particular right to sustain the Hospitals is direct and substantial, especially  
21 given the undisputed public need for these hospitals. *Citizens for Amending Proposition L v. City*  
22 *of Pomona*, 239 Cal. Rptr. 3d 750, 763–64 (Cal. Ct. App. 2018), *reh’g denied* (Nov. 28, 2018).  
23 Under § 1085, the trial court reviews an administrative action to determine whether an agency’s  
24 action “was arbitrary, capricious, or entirely lacking in evidentiary support, contrary to established  
25 public policy, unlawful or procedurally unfair.” *Id.* (quotations omitted). “Although mandate will  
26 not lie to control a public agency’s discretion, that is to say, force the exercise of discretion in a  
27 particular manner, it will lie to correct abuses of discretion.” *Id.* (quotations omitted).

1 Because public agencies and officials “have a duty to comply with applicable state statutes  
2 and local ordinances,” failure to do so is an abuse of discretion that is “arbitrary, capricious, or  
3 lacking in evidentiary support.” *Id.* at 774.

4 There are also exceptions to the general rule precluding the consideration of extra-record  
5 evidence in traditional mandamus actions, where such evidence provides background information  
6 regarding the quasi-legislative agency decision, to establish whether the agency fulfilled its duties  
7 in making the decision, or to assist the trial court in understanding the agency’s decision. *Outfitter*

9 **3. The Attorney General Failed to Assure Preservation of the Hospitals for Their**  
10 **Communities**

11 As set forth above, the Attorney General’s discretion to issue conditions of approval of a  
12 sale of a nonprofit hospital to a for profit entity is circumscribed by (i) California Corporations  
13 Code § 5917, and (ii) the Attorney General’s general statutory and common law obligations to  
14 preserve and/or redirect the charitable assets for public benefit. *See, e.g.*, CAL. GOV’T CODE §  
15 12598. Although the Attorney General is not a technical fiduciary to such assets, *see Restatement*  
16 *of the Law of Charitable Nonprofit Organizations Principles of the Law of Nonprofit Organizations*  
17 § 5.01 TD (2017), and although the Attorney General, in the normal course, is not empowered to  
18 substitute its judgment for that of the trustees of the charitable assets, the Attorney General’s role in  
19 overseeing a nonprofit hospital sale becomes virtually that of a fiduciary to such assets during the  
20 sale process. This virtual status results from the multiple layers of statutory and common law  
21 requirements imposed on the Attorney General’s decision making, and the Attorney General’s  
22 arrogation of the right to impose contractual post-sale restrictions on then for-profit assets (which  
23 in fact imposes the Attorney General’s judgment over that of the successor hospital administrator).

24 Here, the Attorney General, in conditionally approving the SGM Sale, has accepted that the  
25 Hospitals are no longer sustainable as part of a nonprofit enterprise. There were no nonprofit  
26 bidders for the Hospitals. Once the Attorney General has determined that the Hospitals cannot be  
27 maintained as nonprofit, the Attorney General’s duties are to (i) ensure that the facility is  
28 monetized at a fair market value to the nonprofit seller of the facility, *see* CAL. CORP. CODE §

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

1 5917(c), and (ii) ensure that the monies received from the sale of the facility are preserved for  
2 charitable use by redirecting them under appropriate *cy pres* guidelines, *see* CAL. GOV'T CODE §  
3 12598(a).

4 The Hospitals, once sold, are no longer charitable assets, so the Attorney General's power  
5 and his right of oversight of these Hospitals ceases. The 2019 Conditions represent the Attorney  
6 General's attempt to subvert California Corporations Code § 5917 and extend his continuing  
7 control over non-charitable health care assets. The Attorney General cannot commit such an end-  
8 run around the statutory limitations to his decision making discretion. Importantly, any continuing  
9 control over the Hospitals is a result solely of a contract entered into between the Attorney General  
10 and SGM.

11 One of the paramount obligations of the Attorney General is to preserve charitable assets.  
12 This obligation is embodied in California Government Code § 12598(a), which provides that "[t]he  
13 primary responsibility for supervising charitable trusts in California, . . . *for protection of assets*  
14 *held by charitable trusts* and public benefit corporations, resides in the Attorney General."  
15 (emphasis added). It is also one of the factors set forth by the Legislature in California  
16 Corporations Code § 5917(h). *See* CAL. CORP. CODE § 5917(h) ("The agreement or transaction  
17 may create a significant effect on the availability or accessibility of health care services to the  
18 affected community.").

19 The Attorney General is duty-bound to ensure that the Hospitals survive, and, thus, cannot  
20 impair availability or access of the community to health care facilities. The Attorney General  
21 breached his obligation to act in a manner to preserve the charitable assets by imposing the  
22 Additional Conditions with full knowledge that such conditions would result in the closure of at  
23 least 3 Hospitals. *See* Exhibit "E;" *see also* Baronoff Decl. ¶ 7. The Attorney General's actions  
24 will have destroyed, not preserved, the charitable assets. Such action clearly controverts the  
25 Attorney General's discretion. Agency decisions, such as those of the Attorney General here, are  
26 subject to judicial review and can be reversed if the court finds that the agency's discretionary  
27 choice is an abuse of discretion. *See Motor Vehicle Mfrs. Assn. of the U.S. v. State Farm Mut. Auto*  
28 *Ins. Co.*, 463 U.S. 29 (1983); *20th Century Ins. Co. v. Garamendi*, 8 Cal. 4th 216, 271

(1994); *Coachella Valley Unified School Dist. v. State of Cal.*, 176 Cal. App. 4th 93, 113-118 (Cal. Ct. App. 2009); *Paulsen v. Golden Gate University*, 25 Cal. 3d 803, 808 (1979); *Saleeby v. State Bar*, 39 Cal. 3d 547, 563 (1985); *Quackenbush v. Mission Ins. Co.*, 46 Cal. App. 4th 458, 465 (Cal. Ct. App. 1996).

Based upon the foregoing, the Attorney General has abused his discretion and breached his most basic duty to preserve charitable assets and to ensure access and availability of health care facilities for the community.

V.

**CONCLUSION**

WHEREFORE, for all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the Court enter an order (i) finding that the SGM Sale is free and clear of the Additional Conditions, or alternatively, (b) the Attorney General has abused his discretion in imposing the Additional Conditions, and (iii) granting such other and further relief as the Bankruptcy Court deems just and proper.

**DECLARATION OF RICHARD G. ADCOCK**

I, Richard G. Adcock, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. (“VHS”). Prior thereto, I served as VHS’s Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas dedicated to health and healing. In this role, I was responsible for leading Sanford Health’s growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan; Sanford Foundation (a philanthropic fundraising foundation); Sanford Frontiers (a commercial and real estate company); Profile by Sanford (a scientific weight loss program); and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and had the responsibility of starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. From 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for leading strategic, operational and financial aspects within Sanford

1 Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford Children's  
2 Specialty Clinic and led the Pediatric Subspecialty Physician program and the clinical practice  
3 through all facets of the operation.

4 5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma  
5 Master Black Belt at GE Medical Systems, and before that served as the Vice President of Research  
6 and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of  
7 science in business administration and a masters of business administration in healthcare  
8 management.

9 6. On May 2, 2019, the Court entered an order (the "Sale Order") approving the sale of  
10 substantially all assets of Debtors'<sup>7</sup> remaining hospitals (St. Francis Medical Center ("SFMC"), St.  
11 Vincent Medical Center ("SVMC") including the St. Vincent Dialysis Center ("SVDC"), and Seton  
12 Medical Center ("SMC"), including Seton Medical Center Coastside Campus ("SMCC")  
13 (collectively the "Hospitals"), to Strategic Global Management, Inc. ("SGM") for \$610 million (the  
14 "SGM Sale"), subject to certain adjustments, plus the payment of cure costs and assumption of  
15 certain liabilities, as more fully set forth in that certain asset purchase agreement (the "APA")  
16 [Docket No. 2306].

17 7. The Debtors, SGM and third parties have expended tremendous efforts to prepare  
18 for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a  
19 significant amount of time and resources and simply cannot be undone. By way of example: (i) the  
20 Debtors sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker  
21 Adjustment and Retraining Notification Act of 1988; (ii) thousands of counterparties to executory  
22 contracts and unexpired leases, including physicians, have relied on the Sale Order and continued  
23 to provide services in reliance on the finality of that Sale Order; (iii) the Debtors and SGM have  
24 spent months facilitating an efficient close of the sale, with approximately 20 different  
25 workstreams, meeting at least weekly to ensure a smooth transition of operations; (iv) government  
26 agency personnel, including the California Department of Public Health and the Board of

1 Pharmacy, have been diligently processing SGM's change of ownership applications for licenses  
2 and permits in reliance on the finality of the Sale Order; (v) the Debtors, SGM, and each of the  
3 Debtors' six unions spent months successfully negotiating and finalizing modified collective  
4 bargaining agreements; (vi) the medical groups affiliated with the Debtors have sent termination  
5 notices to their remaining physicians; (vii) the Debtors and SGM have coordinated changes in  
6 insurance coverages and insurance policies to ensure seamless coverage for employees and  
7 patients, and (viii) the Debtors have created plans to shut off certain services after the close of the  
8 SGM Sale. In addition, the Debtors have no further financing source.

9 8. Attached hereto as Exhibit "1" is a true and correct copy of a September 18, 2019  
10 letter from Chokri BenSaid, Director of the Hospital Division of the United Healthcare Workers  
11 West Service Employees International Union, Inc., to Deputy Attorney General Scott Chan,  
12 expressing support for the SGM Sale. Attached hereto as Exhibit "2" is a true and correct copy of a  
13 letter from Jennifer Lemmon, Collective Bargaining Director of the California Nurses Association,  
14 to Attorney General Becerra, to the same effect. Attached hereto as Exhibit "3" is a true and  
15 correct copy of a September 24, 2019 letter from Mark Shinderman, counsel for the official  
16 committee of unsecured creditors, to Attorney General Becerra, also expressing support for the  
17 SGM Sale.

18 9. I have reviewed the conditions (the "2019 Conditions") set forth in the September  
19 25, 2019 report issued by the California Attorney General (the "Attorney General") regarding the  
20 SGM Sale. The 2019 Conditions require, among other things, that SGM continue to operate the  
21 Hospitals and maintain various services, clinics and contractual arrangements for a period of time  
22 greater than the period of time that Debtors would have been obligated under the 2015 Conditions  
23 (defined below) if the Debtors had the ability to continue to operate the Hospitals. The 2019  
24 Conditions are also materially different than those to which SGM agreed in Schedule 8.6 because  
25 they impose additional conditions including, among other things, greater requirements for charity  
26 care expenditures, community benefit expenditures, capital expenditures, and do not account for the  
27 substantial shift in charity care needs following the implementation of the Affordable Care Act.

1           10.     The 2019 Conditions are in large part the same as the proposed conditions  
2     (“Proposed Conditions”) set forth in the Initial Health Care Impact Statements prepared by JD  
3     Healthcare. Annexed hereto as Exhibit “E” is a true and correct copy of a letter from SGM’s  
4     counsel, Todd Swanson of Hooper, Lundy & Bookman, P.C., to Deputy Attorney General Scott  
5     Chan, explaining that SGM would not accept the Proposed Conditions to the extent they materially  
6     differ from Schedule 8.6 to the APA.

7           11.     I previously urged the Attorney General not impose conditions that would threaten  
8     to close the Hospitals or otherwise unwind stakeholders’ heroic efforts to save these Hospitals.  
9     This was detailed in my *Declaration filed in support of the Notice of Submission of Debtors’*  
10    *Response to the Health Care Impact Statements and Conditions Imposed By JD Healthcare, Inc.*  
11    [Docket No. 2946], a true and correct copy of which is annexed hereto as Exhibit “E”. It was also  
12    detailed in my August 23, 2019 letter to Deputy Attorney General Scott Chan, as true and correct  
13    copy of which is annexed hereto as Exhibit “E”.

14          12.     Further, during the week of August 26, 2019, Deputy Attorney General Scott Chan  
15    held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. I  
16    attended each of the public meetings in person. At each public meeting, representatives of SGM  
17    and the Debtors made public statements detailing the economic impact of the conditions proposed  
18    by the Attorney General’s expert, JD Healthcare, and the economic situation confronting each  
19    Hospital; urging the Attorney General to consider economic factors when issuing his conditions;  
20    and reiterating that any conditions exceeding those in Schedule 8.6 of the SGM APA could result in  
21    the termination of the SGM Sale and the closure of the Hospitals.

22          13.     As was the case with the Proposed Conditions, many of the 2019 Conditions are  
23    materially inconsistent with those to which SGM has agreed in Schedule 8.6, and do not take into  
24    consideration the negative economic impact of the 2019 Conditions and the conditions imposed on  
25    the Hospitals in 2015 (the “2015 Conditions”).

26          14.     Without regard to the economic and community realities, certain of the 2019  
27    Conditions force the Hospitals to maintain programs that not only suffer significant losses an  
28

1 annual basis, but are unnecessary because the same services (and in some instances, more  
2 comprehensive services) are already provided at other hospitals in the area.

3 15. The economic impact of the 2019 Conditions cannot be understated. As a hospital  
4 operator, I know from first-hand experience operating and overseeing the Hospitals that (i) the  
5 2015 Conditions were too burdensome, (ii) hampered the Hospitals ability to prosper, as discussed  
6 above, and (iii) accelerated the demise of these Hospitals. Verity, its employees, tens of thousands  
7 of vendors and other parties have made tireless efforts during the sale process to ensure high  
8 quality continued patient care and to take the necessary steps that would allow the Hospitals to be  
9 sold to a new operator that could successfully operate the Hospitals. The Bankruptcy Court has  
10 now approved the sale to SGM, which paves the way for these Hospitals and the communities they  
11 serve to continue the Hospitals' mission of quality patient care.

12 16. The Debtors did not receive any other qualified bid to purchase the Hospitals. Thus,  
13 there is no back-up bidder to purchase the Hospitals if the SGM Sale does not close. Additionally,  
14 SGM representatives have repeatedly told the Debtors that multiple lenders have informed SGM  
15 that they would not agree to finance the SGM Sale if the conditions were not consistent with  
16 Schedule 8.6, which makes the SGM Sale nearly impossible to close. Consequently, if the  
17 Additional Conditions were imposed, they would create an environment where it is likely no lender  
18 would be willing to finance the sale of the Hospitals to SGM, ensuring closure of at least three of  
19 the Hospitals.

20 17. Due to the Debtors' liquidity issues, unsustainable operating losses, and the absence  
21 of an interested viable purchaser, SVMC, Seton Medical Center, and Seton Coastside would need  
22 to be closed if the SGM Sale does not close. The closures of SVMC, Seton Medical Center, and  
23 Seton Coastside would result in the loss of approximately 2,900 jobs.

24 18. As to SFMC, the Debtors would likely attempt a private sale in the bankruptcy  
25 cases. I, however, foresee significant challenges to SFMC's sustainability and sale. Specifically,  
26 any new sale of SFMC would require additional time, which would result in an exorbitant amount  
27 of administrative and other expenses in these cases. By way of an example, the Debtors would  
28 need to find a new buyer after a marketing process, seek approval from the Court, and then await

1 yet another review by the Attorney General. To even accomplish the foregoing, it is likely that the  
2 Debtors would need to obtain debtor in possession financing to help fund operations, which would  
3 carry another layer of expense.

4 19. Consequently, even if the Debtors were able to sell SFMC in the event the SGM  
5 Sale failed, recoveries to creditors would be significantly reduced by hundreds of millions of  
6 dollars since (i) there would not be any proceeds from the sale of SVMC, Seton, and Seton  
7 Coastside, and (ii) the delay associated with the second sale of SFMC.

8 20. The Hospitals provide access to essential healthcare services in their communities.  
9 Faced with the possibility of losing the Hospitals in their entirety, rote application of the 2015  
10 Conditions should yield to the pragmatics of economics and demonstrable patient care and  
11 community need.

12 21. If the SGM transaction does not close, the Debtors, employees, pension holders,  
13 other stakeholders, and community members, would be exposed to significant and unrecoverable  
14 health care and economic loss.

15 22. If the SGM Sale fails, the most likely outcome is that at least three of the Hospitals  
16 will have to close. Altogether, between July 1, 2018 and June 30, 2019, the Hospitals had more  
17 than 34,000 inpatient admissions and 312,000 outpatient visits. If the Hospitals are closed, all of  
18 those patients would be forced to find alternative providers for treatment, perhaps at greater  
19 distances than they are now required to travel for treatment at the Hospitals. For example, Seton  
20 Coastside is the only emergency room facility on the Pacific Coast between Daly City and Santa  
21 Cruz. Additionally, Seton Coastside has 116 skilled nursing facility (“SNF”) beds and, if Seton  
22 Coastside were closed, those residents would be forced to be relocated significant distances to find  
23 alternative facilities. In my experience, the risk of negative outcomes for emergency room patients  
24 increases as the distance, and therefore the time, required to obtain treatment, increases.  
25 Additionally, in addition to the difficulty in finding alternative facilities for the SNF patients, the  
26 impact of transfer trauma on this population could be significant.

27 23. Further, among the other stakeholders which will be harmed by a failed SGM Sale  
28 are the vendors that have supported the Hospitals by providing credit terms throughout these cases.

DENTONS US LLP  
601 SOUTH FIGUEROA STREET, SUITE 2500  
LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

1 Under the SGM Sale, these creditors will receive payment for their support of the Hospitals during  
2 the sale process. A failed sale to SGM would put that at risk. In addition, there are thousands of  
3 vendors whose contracts will likely be assumed by SGM in the sale. Consequently, these vendors  
4 will be paid for their prepetition claims, an estimated total recovery for these vendors of \$50  
5 million. Even those vendors whose contracts are not assumed by SGM are still expected to receive  
6 millions of dollars of recoveries. In total, the failed sale to SGM would cost these vendors tens of  
7 millions of dollars in recoveries. Further, there would be a loss of future income for services  
8 provided to the operating Hospitals on a go-forward basis.

9 24. The Hospitals have approximately 4,900 employees. SGM has committed to retain  
10 “substantially all” employees of the Debtors, as set forth in the APA.

11 25. In the past week, the Debtors have finalized settlement agreements (the “Settlement  
12 Agreements”) with each and every union that is party to collective bargaining agreements (the  
13 “CBAs”) related to the Hospitals being sold to SGM. The Settlement Agreements provide, *inter*  
14 *alia*, for modification and assignment of the CBAs to SGM (along with waiver of any cure  
15 obligations of the Debtors), the treatment and allowance of certain claims, including severance for  
16 employees who are not offered employment, paid time off, and retiree health (for the few retirees  
17 who utilize the program) and the waiver of other claims. The Settlement Agreements are  
18 conditioned on Bankruptcy Court approval and on other important events, including Plan  
19 confirmation and closing of the sale to SGM for a purchase price that is not materially different  
20 from the amount contained in the SGM APA. The Debtors are in the process of finalizing pleading  
21 papers that will request Court approval of the Settlement Agreements and related relief, which it  
22 expects to file for expedited consideration presently.

23 26. The SGM Sale presents the Debtors’ stakeholders with the best possible alternative,  
24 and the failure of the SGM transaction will likely result in a loss of healthcare access for vulnerable  
25 populations, as well as jobs of thousands of employees.

The Honorable Xavier Becerra  
Attorney General, State of California  
1300 I Street  
Sacramento, CA 95814

Dear Attorney General Becerra:

The official committee of unsecured creditors (the “Committee”) of debtor Verity Health System (“Verity”), a statewide healthcare provider, represents the interests of Verity’s creditor constituency, including labor unions, retirees, and tort claimants, among others. The Committee is charged with the obligation to help maximize the recoveries of all unsecured creditor constituents.

Verity is rapidly depleting cash reserves such that prolonging the proceedings could result in the shuttering of healthcare facilities in underserved communities. Verity’s proposed sale of assets to Strategic Global Management, Inc., an affiliate of KPC, presents an opportunity to offer continued access to health care services for those communities served by Verity, while also providing an opportunity for unsecured creditors to obtain some recovery, albeit small (absent successful litigation with the secured creditors and others). The Committee is not aware of any alternative at this point that would accomplish these goals.

Time is of the essence and any delay in closing would be very costly. Verity estimates, and the Committee believes, that the cost of delay is almost \$5 million per week. Consequently, any further delay could eliminate unsecured creditor recoveries entirely.

DECLARATION OF PETER BARONOFF

Peter Baronoff declares as follows:

1. I am currently the Chief Executive Officer of KPC Healthcare, Inc., which owns four hospitals in Orange County: The Orange County Global Medical Center, Southcoast Global Medical Center, Anaheim Global Medical Center, and Chapman Global Medical Center. I am also the Chief Executive Officer of Physicians for Healthy Hospitals, Inc., which owns Hemet Global Medical Center and Mennefee Global Medical Center. I am the Chief Executive Officer of Victor Valley Hospital Acquisition, Inc., which owns the Victor Valley Global Medical Center. All of the afore-said hospitals are acute care hospitals, and collectively referred to as “KPC”.

2. Following the commencement of the Chapter 11 cases for Verity Health Systems of California, Inc., et al (collectively “Verity”), I began discussions with Verity’s representatives regarding the possible acquisition by Strategic Global Management, Inc. (“SGM”), one of KPC’s affiliates, of one or more of the Verity hospitals. Over the course of the months beginning November 2018 and continuing into February 2019, I was directly involved in the negotiations on behalf of SGM in connection with SGM’s prospective acquisition of St. Vincent Medical Center, St. Vincent Dialysis Center, St. Francis Medical Center, and Seton Medical Center (including its Seton Medical Center Coastsides campus) (“the SGM Hospitals”). These negotiations eventually led to the execution of an Asset Purchase Agreement between SGM and Verity for the SGM Hospitals (“APA”).

3. During the course of SGM’s negotiations with Verity, there were innumerable issues that the parties confronted, discussed, negotiated and ultimately resolved when the parties reached a final agreement on the terms of the APA. One of the most intensely negotiated subjects had to do with the prospective conditions that might be imposed by the California Attorney General (“Attorney General”) in connection with the proposed transfer of the SGM Hospitals to SGM. Based upon my prior experience with hospital acquisitions, both in connection with my employment at KPC and also in connection with my prior employment as an

executive of Promise Healthcare (“Promise”), I was well aware of the Attorney General’s approval process in connection with the sale of not for profit hospitals and with the precedent for the Attorney General to impose conditions on such sales. Indeed, I was personally involved, on behalf of Promise, in the Gardens Regional Hospital Chapter 11 case. Promise was a DIP lender and stalking horse bidder for Gardens Regional Hospital, but was ultimately outbid by SGM at the auction. When SGM terminated its purchase agreement, as a result of the imposition by the Attorney General of condition, which were deemed burdensome by SGM, that sale transaction was terminated and Gardens Regional Hospital was eventually closed.

4. Knowing that, in our case, SGM’s acquisition of the SGM Hospitals would undergo an approval process by the Attorney General, and knowing that the Attorney General might impose conditions that would not be acceptable to SGM, SGM recognized the importance of negotiating a provision in its Asset Purchase Agreement which would protect it from the possibility that the Attorney General would impose conditions on the transfer of the hospitals to SGM which would be burdensome from a financial standpoint and otherwise. Accordingly, SGM and Verity spent an enormous amount of time negotiating the provisions of what became Section 8.6 (and Schedule 8.6 referenced therein) of the APA. Without question, the negotiation of Section 8.6 was the most intensely negotiated provision of the APA. In fact, it was not until the morning of the hearing to approve SGM as the stalking horse purchaser, which took place on February 6, 2019, that the parties, with input from the Official Creditors Committee and other stakeholders, were able to agree on the final wording of Section 8.6.

5. In essence, the parties agreed that if the Attorney General imposed “Additional Conditions” (as used in Section 8.6), SGM would not be obligated to close the sale unless Verity was able to procure from the Bankruptcy Court or another court, a supplemental sale order finding that the Additional Conditions are an “interest in property” for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions. Section 8.6 also discusses certain time limits and finality requirements, as more specifically set forth therein.

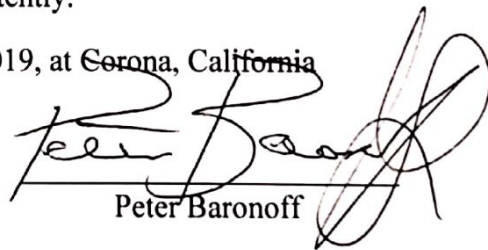

6. The Additional Conditions referred to in Section 8.6 were those conditions which are materially different than the conditions approved by SGM in Schedule 8.6. Additional Conditions which individually or collectively impose a direct or indirect cost to SGM of \$5 million, or more, shall be conclusively deemed to be “materially different.”

7. On September 25, 2019, the Attorney General issued his decision with respect to the proposed transfer of the SGM Hospitals to SGM (“Decision”). We have carefully reviewed the Decision. The Attorney General’s Decision imposes numerous conditions on the transfer of the SGM Hospitals to SGM. Many of these conditions are “Additional Conditions” as that term is used in Section 8.6 of the APA. SGM has evaluated the Additional Conditions and has advised Verity that, based upon these Additional Conditions, SGM is invoking its rights under Section 8.6 of the APA. Accordingly, SGM has advised Verity that SGM will not close the purchase of the SGM Hospitals unless Verity is able to obtain the requisite court order within the time period provided for in Section 8.6.

8. I declare under penalty of perjury, of the laws of the United States of America, that all of the foregoing facts are true and correct and if sworn to testify concerning the contents of this Declaration I could and would do so competently.

**PETER C. CHADWICK**

I, Peter C. Chadwick, declare, that if called as a witness, I would and could competently testify thereto, of my own personal knowledge, as follows:

1. I am a Managing Director of Berkeley Research Group, LLC (“BRG”) and am duly authorized to make this declaration (the “Declaration”) on behalf of BRG. I obtained a BA from Pennsylvania State University, and an MBA in Finance from Babson College, Olin School of Business. Before joining BRG, I was an Executive Director at Capstone Advisory Group, LLC. Prior to that, I was a Senior Managing Director at FTI Consulting. For more than twenty years, I have served as a chief restructuring officer, chief executive officer, chief operating officer, chief financial officer and as a financial advisor and trustee in complex restructuring matters. Among other things, I have significant experience in the healthcare arena and effectuating sale transactions.

2. On November 7, 2018, the Court entered an order employing BRG [Docket No. 785] as the financial advisors to Verity Health System of California, Inc. and the above-referenced debtors and debtors in possession (collectively, the “Debtors”), the above captioned chapter 11 cases (the “Cases”). I have diligently worked with the Debtors on every aspect of their Cases. In addition, I have been serving as Chief Financial Officer of Seton Medical Center since September 1, 2019.

3. Except as otherwise indicated herein, this Declaration is based upon my personal knowledge, my review of relevant documents or information provided to me by employees of BRG and the Debtors. In preparing this Declaration, I have relied on my experience as described above. I am also assisted by others at BRG who work at my direction in the preparation of the analysis and other information included herein. In addition, I reviewed the Debtors’ schedules and legal papers. In preparing this Declaration, I worked with persons at the Debtors’ facilities with factual knowledge of information upon which I have relied. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

4. This Declaration is in support of the *Debtors’ Emergency Motion for the Entry of an Order (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved*

1 *by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing*  
2 *Conditions on That Sale; and (IV) Granting Related Relief* (the “Motion”), and for all other  
3 purposes permitted by law. All capitalized terms not otherwise defined herein shall have the same  
4 meaning as in the Motion.

5 5. I have reviewed the conditions (the “2019 Conditions”) set forth in the September  
6 25, 2019 report (the “Report”) issued by the California Attorney General (the “Attorney General”)  
7 regarding the proposed sale of St. Francis Medical Center (“SFMC”), St. Vincent Medical Center  
8 (“SVMC”), and Seton Medical Center, including its Daly City and Coastside Campuses (“Seton”)  
9 (collectively, the “Hospitals”), to Strategic Global Management, Inc. (“SGM”) and its affiliated  
10 entities, as reflected in that certain Asset Purchase Agreement (the “APA”). I have also compared  
11 the 2019 Conditions to Schedule 8.6 to the APA.

12 6. Several of the 2019 Conditions differ materially from Schedule 8.6 attached to the  
13 APA (the “Additional Conditions”). The Additional Conditions would have a significant impact  
14 on the economic viability of the Hospitals and increase the purchase price in the APA to nearly a  
15 billion dollars. By way of example only, the 2019 Conditions would require SVMC to remain  
16 operated and maintained as a licensed general acute care hospital (as defined in California Health  
17 and Safety Code Section 1250) through December 2024, whereas Schedule 8.6 provides that  
18 SVMC must be operated through December 2020. The reported Financial Statements of SVMC  
19 reflect that, in fiscal 2019 (ended June 30, 2019), SVMC lost approximately \$65 million which  
20 was an 18% and 103% increase over the fiscal years 2018 and 2017, respectively. Attached  
21 hereto as Exhibit “1” is a true and correct copy of excerpts from SVMC’s Financial Statements,  
22 which reflect this information. Assuming operating losses at SVMC can be maintained at fiscal  
23 2019 levels (a highly optimistic assumption), the buyer of the Hospitals would likely incur  
24 additional estimated losses totaling \$260 million. Moreover, the \$260 million loss would likely  
25 need to be financed. Using an average interest rate of 5% for four years of debt service would  
26 result in estimated incremental financing charges totaling approximately \$25 million.  
27 Accordingly, this 2019 Condition alone would place a potential burden on the buyer of at least  
28 \$285 million beyond that contemplated in Schedule 8.6.

7. The Additional Conditions also impose certain charity care (“Charity Care”) requirements on SGM. The Charity Care requirement presents another example of the significant economic impact of the 2019 Conditions when compared with Schedule 8.6. The 2019 Conditions require SGM to provide an annual amount of Charity Care at SFMC equal to or greater than \$12,793,435 for a period of six fiscal years, which is at least \$4,793,435, per year more than SGM has agreed to provide pursuant to Schedule 8.6 for a period of seven years. After adjusting for the one-year shorter required duration of this 2019 Condition, the estimated incremental cost to the buyer would be nearly \$20 million in total over the six years. The 2019 Conditions provide for additional increases in Charity Care amounts for SVMC and Seton, as well as increases across all three Hospitals in Community Benefit Service amounts. Moreover, these Charity Care conditions would actually require the Hospitals to increase the Charity Care they provide above current levels.

8. In summary, the total financial impact of just these two examples of 2019 Conditions would require SGM to incur additional losses of approximately \$305 million beyond those contemplated by Schedule 8.6. Attached hereto as Exhibit “2” is a chart reflecting the economic analysis set forth above. When compared to the buyer’s APA purchase price of \$610 million, these represent a 50% increase in the price for the sale of these distressed assets. The magnitude of these losses calls into question the viability of the acquisition.

9. The two examples of 2019 Conditions addressed above were selected to illustrate the impact on the viability of the system and impact on sale. In fact, many of the other 2019 Conditions materially diverge from Schedule 8.6, including those addressing cancer services and select uneconomic payor agreements. In addition, some of the 2019 Conditions diverge from the conditions under which VHS is currently required to operate (the “2015 Conditions”), including those addressing continuing liver transplant services and acting as a ST-Elevation Myocardial Infarction receiving center. The 2015 Conditions locked the Hospitals into financial obligations and operational obligations that made financial success impossible (the Debtors have lost hundreds of millions of dollars as a result of the implementation of the 2015 Conditions). The Hospitals’ adherence to the Additional Conditions (aside from the two specific examples

1 discussed in paragraphs 6-8 above) would add an additional burden of tens of millions of dollars  
2 in losses, further undermining the viability of the Hospitals.

3 I declare under penalty of perjury and of the laws in the United States of America, the  
4 foregoing is true and correct.

**DECLARATION OF HOPE R. LEVY-BIEHL**

I, Hope R. Levy-Biehl, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am an attorney at law licensed to practice before all courts in the State of California. I am a partner in the law firm of Nelson Hardiman LLP, attorneys for Verity Health System of California, Inc. (“VHS”).

2. This Declaration is in support of the *Debtors’ Emergency Motion for the Entry of an Order (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief* (the “Motion”), and for all other purposes permitted by law. All capitalized terms not otherwise defined herein shall have the same meaning as in the Motion.

3. Upon information and belief, I understand VHS has had an ongoing dialogue for several years with the California Attorney General about the financial challenges facing VHS and the future of the O’Connor Hospital (“OCH”), Saint Louise Regional Hospital (“SLRH”), St. Francis Medical Center (“SFMC”), St. Vincent Medical Center (“SVMC”), and Seton Medical Center, including its Daly City and Coastsides Campuses (“Seton”). For example, I understand that in anticipation of filing for bankruptcy, VHS representatives met with Deputy Attorney General Wendi Horwitz in July of 2018.

4. On December 27, 2018, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors’ Assets to Santa Clara County Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving a sale of OCH and SLRH, and related assets, to Santa Clara County (the “SCC Sale”).

5. Upon information and belief, I understand VHS representatives subsequently met with Attorney General Xavier Becerra and Senior Advisor Becerra Melanie Fontes Rainer in

1 Sacramento in February of 2019, to discuss the pending SCC Sale and the forthcoming auction and  
2 sale of SFMC, SVMC and Seton (collectively, the “Hospitals”).

3 6. On May 2, 2019, the Court entered the order (the “Sale Order”) approving the sale  
4 of substantially all assets of Debtors’ Hospitals, to Strategic Global Management, Inc. (“SGM”)  
5 for \$610 million (the “SGM Sale”), plus the payment of cure costs and assumption of certain  
6 liabilities, as more fully set forth in that certain asset purchase agreement (the “APA”) [Docket No.  
7 2306].

8 7. In anticipation of submitting a notice and request for approval of the SGM Sale to  
9 the Attorney General’s office, VHS representatives from Nelson Hardiman (including myself)  
10 engaged with Deputy Attorney General Scott Chan beginning in early April 2019. These  
11 discussions and exchanges were regular and ongoing, and addressed, among other things, the  
12 substantive and procedural requirements for the submission and review and the related timeline. At  
13 all times, VHS consistently requested an expedited review of the submission in light of its  
14 significant operating losses and cash flow challenges.

15 8. By letter dated May 7, 2019, VHS provided notice to, and requested written consent  
16 from, the Attorney General for the SGM Sale pursuant to California Corporations Code Section  
17 5914 and Title 11 of the California Code of Regulations, Section 999.5. *See* Docket No. 2379. As  
18 outlined in the submission and discussed a number of times in writing, in person and by email with  
19 various representatives of the Attorney General, the SGM Sale was critical and truly the only  
20 option to help ensure that the Hospitals would survive the current financial challenges facing them  
21 and be preserved as providers of essential health care services to the communities they serve.

22 9. The submission to the Attorney General, on May 7, 2019, was supplemented and  
23 completed on May 13, 2019, with the filing made to the Federal Trade Commission pursuant to the  
24 Hart-Scott-Rodino Antitrust Improvements Act 1976, as amended.

25 10. VHS representatives thereafter engaged in ongoing discussions with the Attorney  
26 General’s office, requesting, among other things, an in-person meeting to review the submission  
27 and transaction prior to the completion of its expert’s Health Care Impact Statements and the  
28 expedited processing of the submission. The Attorney General denied both requests.

11. The Attorney General retained JD Healthcare to prepare Health Care Impact Statements regarding the proposed sale of the Hospitals. After conducting interviews of certain corporate and hospital personnel of VHS and other stakeholders in July 2019, and in advance of the public hearings held by the Attorney General, JD Healthcare released its Health Care Impact Statements concerning the proposed sale of the Hospitals on August 16, 2019 and August 19, 2019.

12. By letter, dated August 21, 2019, SGM submitted its response to the Health Care Impact Statements and the embedded recommended conditions. By letter dated August 23, 2019, VHS submitted its response to these statements and conditions, which was also filed with the Bankruptcy Court. True and correct copies of these letters are annexed as Exhibit “E” to the Motion.

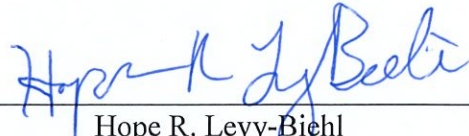

13. In late August 2019, Deputy Attorney General Scott Chan, on behalf of the Attorney General, held public meetings relating to each affected hospital. I attended the public hearings regarding the sale of SFMC and SVMC. At each of the public meetings I attended, Rich Adcock of VHS, Peter Baronoff of SGM, and Sam Maizel of Dentons US LLP, each spoke directly and on the record about the economic issues raised by the potential conditions for each hospital, and urged the Attorney General to consider the economic implications of the conditions he would impose. Mr. Adcock and Mr. Baronoff made clear that the proposed transaction would be at risk, and therefore the continued operations of the Hospitals would be at risk, if the Attorney General imposed conditions which exceeded the conditions agreed to in Schedule 8.6. I understand Rich Adcock, Peter Baronoff and Sam Maizel made similar statements at the Seton public hearings.

14. Following its receipt of the “deal breaker” letters and the public hearings, the Attorney General’s office met first with representatives from SGM on September 6, 2019, and subsequently with representatives of both SGM and VHS on September 19, 2019. Upon information and belief, I understand that at the meeting on September 19, 2019, SGM informed the Attorney General’s office that it would not proceed with the transaction if the Attorney General imposed conditions beyond those it agreed to accept in Schedule 8.6 to the APA.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

the legal and factual bases set forth in the Motion and presented at the Sale Hearing establish just cause for the relief granted herein and for the reasons set forth in the Court's tentative ruling [Docket No. 2221]; and all objections to the Motion, if any, having been withdrawn, continued or overruled; and for the reasons set forth in the Court's tentative ruling [Docket No. 2221], which the Court adopts as its final ruling and which is incorporated herein by reference; and after due deliberation and sufficient good cause appearing therefor:

**THE COURT HEREBY FINDS AND CONCLUDES THAT:<sup>2</sup>**

A. Jurisdiction and Venue. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter relates to the administration of the Debtors' bankruptcy estates and is accordingly a core proceeding pursuant to 28 U.S.C. § 157(b) (2) (A), (M), (N) and (O). Venue of these cases is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief requested in the Motion are (i) §§ 105(a), 363(b), (f), (k), (l) and (m), and 365, (ii) Rules 2002(a)(2), 2002(c)(1) and (d), 6004 (a), (b), (c), (e), (f) and (h), 6006(a), (c) and (d), 9006, 9007, 9013 and 9014, and (iii) LBR 6004-1 and 9013-1.

C. Notice. As evidenced by the affidavits of service previously filed with the Court, the Debtors have provided proper, timely, adequate and sufficient notice with respect to the following: (i) the Motion and the relief sought therein, including the entry of this Sale Order and the transfer and sale of the assets (the "Purchased Assets"), as set forth in the Asset Purchase Agreement, dated January 8, 2019, a copy of which is attached as Exhibit "A" to Docket No. 1279 (the "APA"); (ii) the Sale Hearing; (iii) the No-Auction Notice; and (iv) the assumption and assignment of the executory contracts and unexpired leases and proposed cure amounts owing under such executory contracts and unexpired leases (the "Cure Amounts"); and no further notice

<sup>2</sup> The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 7052, made applicable to this proceeding pursuant to Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the following conclusions of law constitute findings of fact, they are adopted as such.

1 of the Motion, the relief requested therein or the Sale Hearing is required. The Debtors have also  
2 complied with all obligations to provide notice of the Auction, the Sale Hearing, the proposed  
3 sale and otherwise, as required by the Bidding Procedures Order. A reasonable opportunity to  
4 object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

5 D. Arm's Length Transaction. The APA and other documents and instruments (the  
6 "Transaction Documents") related to and connected with this transaction (the "Transaction") and  
7 the consummation thereof were negotiated and entered into by the Debtors and Strategic Global  
8 Management, Inc. ("SGM"), as Purchaser under the APA without collusion, in good faith and  
9 through an arm's length bargaining process. Neither SGM nor any of its affiliates or  
10 representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the  
11 Debtors, SGM, or their respective representatives engaged in any conduct that would cause or  
12 permit the APA, any of the other Transaction Documents or the Transaction to be avoided under  
13 § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the  
14 APA and the other Transaction Documents, including, without limitation, the consideration  
15 provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be  
16 avoided, and no damages may be assessed against SGM or any other party, as set forth in §  
17 363(n). The consideration provided by SGM is fair, adequate and constitutes reasonably  
18 equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws  
19 of the United States or any of its jurisdictions or subdivisions, including the State of California.

20 E. Good Faith Purchaser. SGM has proceeded in good faith and without collusion in  
21 all respects in connection with the sale process, in that: (i) SGM, in proposing and proceeding  
22 with the Transaction in accordance with the APA, recognized that the Debtors were free to deal  
23 with other interested parties; (ii) SGM agreed to provisions in the APA that would enable the  
24 Debtors to accept a higher and better offer; (iii) SGM complied with all of the provisions in the  
25 Bidding Procedures Order applicable to SGM; (iv) all payments to be made by SGM and other  
26 agreements entered into or to be entered into between SGM and the Debtors in connection with  
27 the Transaction have been disclosed; (v) the negotiation and execution of the APA and related

Main Document Page 7 of 27

Transaction Documents were conducted in good faith and constituted an arm's length transaction; (vi) SGM did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. SGM is therefore entitled to all of the benefits and protections provided to a good-faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transaction shall not affect the validity of the Transaction, any terms or conditions of the Transaction or SGM's status as a "good faith" purchaser.

F. Justification for Relief. Good and sufficient reasons for approval of the APA and the other Transaction Documents and the Transaction have been articulated to this Court in the Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good, sufficient and sound business purpose and justification and (ii) compelling circumstances for the transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors.

G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the Transaction pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and sale of the Purchased Assets and, except with respect to the liens arising from the Special Assessments and the PACE Obligations (each as defined in §1.1(a)(iii) of the APA) assumed by SGM, shall vest in SGM, through the consummation of the Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights, and any successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or

2 Encumbrances who did not object, or who withdrew their objections, to the sale or the Motion are  
3 deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did  
4 object fall within one or more of the other subsections of § 363(f). All holders of the  
5 Encumbrances in the Purchased Assets are adequately protected by having their respective  
6 Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased Assets  
7 under the APA (subject to any Challenge within the meaning of that certain *Final Order (I)*

11 DIP Order") that has been, or may be, timely filed<sup>3</sup>), and any related documents or instruments  
12 delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the  
13 extent and manner herein provided.

14 H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause  
15 to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in  
16 consummating the Transaction, and it is in the best interests of the Debtors and their estates to  
17 consummate the Transaction within the timeline set forth in the Motion and the APA. The Court  
18 finds that there is no just reason for delay in the implementation of this Order, and expressly  
19 directs entry of judgment as set forth in this Order.

20  
21 <sup>3</sup> The Final DIP Order granted to the Committee standing to file the requisite pleading to  
22 challenge the validity, enforceability and amount of the Prepetition Liens (each such proceeding  
23 or appropriate pleading commencing a proceeding or other contested matter, a "Challenge")  
24 within ninety (90) days from the formation of the Committee (the "Challenge Deadline"). See  
25 Final DIP Order ¶ 5(e). The Committee's investigation as to the Prepetition Liens remains  
26 ongoing. The Committee and the Prepetition Secured Creditors have entered into a number of  
27 stipulations (the "Challenge Stipulations") by which the Committee has acknowledged and  
28 stipulated to the validity, enforceability and perfection of the Prepetition Liens in certain  
collateral identified in the Challenge Stipulations, and by which the Challenge Deadline has been  
extended a number of times with respect to the validity, enforceability and perfection of the  
Prepetition Liens in any other collateral. The Challenge Deadline with respect to any Prepetition  
Liens for which the Committee has not stipulated pursuant to the Challenge Stipulations as to the  
validity, enforceability and perfection thereof is now May 13, 2019.

I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign to SGM the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below) and to the extent subsequently identified by SGM pursuant to paragraph 16 below, the Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently Identified Designated Contracts and the Subsequently Identified Contracts are collectively referred to herein as the “Designated Contracts”) in connection with the consummation of the Transaction, and the assumption and assignment of the Designated Contracts is in the best interests of the Debtors and their estates.

J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the APA, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any of the Designated Contracts will have been cured, within the meaning of § 365(b)(1)(A), by payment of the amounts and in the manner set forth below, unless otherwise agreed by SGM and the counterparty. SGM has provided or will provide adequate assurance of future performance of and under the Designated Contracts within the meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide assurance of performance to any counterparty to a Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the Debtors (i.e., St. Francis Medical Center, a California nonprofit public benefit corporation (“St. Francis Medical Center”), St. Vincent Medical Center, a California nonprofit public benefit corporation (“St. Vincent Medical Center”), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation (“St. Vincent Dialysis Center”), and Seton Medical Center, a California nonprofit public benefit corporation (“Seton Medical Center”) (collectively, the “Hospitals”), VHS, and Verity Holdings LLC, a California limited liability company (“Holdings”)), and assigned to SGM under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, SGM, notwithstanding any provision in such Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss

1 resulting from a default on or prior to the Closing under any of the Designated Contracts within  
2 the meaning of § 365(b)(1)(B).

3 K. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have  
4 demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for  
5 the Hospitals to reject all of their executory contracts and unexpired leases, excluding (i)  
6 Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in  
7 addition to the Hospitals, (iii) any prepetition contract that is the subject of a Rule 9019 settlement  
8 motion prior to Closing, and (vi) any collective bargaining agreement, pension plan or health and  
9 welfare plan providing collectively bargained benefits to which a Hospital is a party or sponsor,  
10 which matters shall be scheduled for determination as provided in paragraph 33 below. Each  
11 such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31,  
12 and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this  
13 paragraph K, prior to Closing and shall request therein that the rejection be effective as of the  
14 Closing or as otherwise appropriate.

15 L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the  
16 Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was  
17 duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded  
18 a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise  
19 better offer to purchase the Purchased Assets. Other than SGM's Stalking Horse Bid, the Debtors  
20 received two Qualified Partial Bids by the Partial Bid Deadline and did not receive a Qualified  
21 Full Bid (as such terms are defined by the Bidding Procedures Order). The Debtors properly  
22 consulted with the Consultation Parties in selecting the SGM Stalking Horse Bid as the highest  
23 and best bid and in determining that no auction should be held (as such terms are defined in the  
24 Bidding Procedures Order), as set forth in their No-Auction Notice. The transfer and sale of the  
25 Purchased Assets to SGM on the terms set forth in the APA constitutes the highest or otherwise  
26 best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates  
27 than would be provided by any other available alternative. The Debtors' determination, in

1 consultation with the Consultation Parties (as defined in the Bidding Procedure Order), that the  
2 APA constitutes the highest or best offer for the Purchased Assets and to not conduct an auction  
3 constitutes a valid and sound exercise of the Debtors' business judgment.

4 M. No De Facto or Sub Rosa Plan of Reorganization. The sale of the Purchased  
5 Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it  
6 does not propose to (i) impair or restructure existing debt of, or equity or membership interests in,  
7 the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the  
8 Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or  
9 (iv) classify claims or equity or membership interests.

10 N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at  
11 the Sale Hearing establish just cause for the relief granted herein.

12 **NOW THEREFORE, IT IS HEREBY ORDERED THAT:**

13 1. The relief requested in the Motion is GRANTED and APPROVED in all respects  
14 to the extent provided herein.

15 2. All objections with regard to the relief sought in the Motion that have not been  
16 withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including

8 material changes to the APA may be resolved by the Court on shortened notice.

9 4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal,  
10 valid, enforceable and effective transfer and sale of the Purchased Assets to SGM free and clear  
11 of all Encumbrances, except with respect to the liens arising from the Special Assessments and

20 5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge  
21 within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale  
22 Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent,

10 6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order  
11 shall, as of the Closing, be considered and constitute for all purposes a full and complete general  
12 assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all  
13 of the Debtors' rights, title and interest in and to the Purchased Assets to SGM. Consistent with,  
14 but not in limitation of the foregoing, each and every federal, state, and local governmental

4 APA. The transfer of the Purchased Assets from the Debtors to SGM constitutes a transfer for  
5 reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the  
6 State of California.

7 9. Following the Closing, no holder of any Encumbrance against the Debtors or upon  
8 the Purchased Assets shall interfere with SGM's respective rights in, title to or use and enjoyment  
9 of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from

12 Designated Contracts.

13 10. SGM shall not be deemed, as a result of any action taken in connection with, or as  
14 a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a  
15 successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their

19 continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed  
20 Liabilities, SGM is not assuming any of the Debtors' debts.

21 11. This Sale Order (i) shall be effective as a determination that, on Closing, all  
22 Encumbrances existing against the Purchased Assets before the Closing have been

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SGM, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (collectively, the “Contract Counter-Parties”). At the Closing, SGM shall pay the (i) Sale Proceeds, (ii) the Designated Cure Amounts identified in paragraph 13 above, (iii) the Excess Cure Amounts identified in paragraph 15 above, and (iv) the Additional Cure Amounts, subject to paragraph 15 above. Payment by SGM of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to “cure” all “defaults” with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The foregoing payment shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SGM, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SGM shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts, neither the Debtors nor SGM shall have any further liabilities to any Contract Counter-Parties, other than SGM’s obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SGM with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). 1.6 Prorations and Utilities. All items of income and expense listed below with respect to the Assets shall be prorated in accordance with the principles and the rules for the specific items set forth hereafter:

1.6.1 All transfer, conveyance, sales, use, stamp, similar state and local taxes arising from the sale of the Assets hereunder shall be the responsibility of, and allocated to, Purchaser.

1.6.2 Other than the Utility Deposits (defined below), which are governed by Section 1.8(j), and other than with respect to Cure Costs payable by Purchaser, the following costs and expenses shall be prorated based upon the payment period (*i.e.*, calendar or other tax fiscal year) to which the same are attributable: all real estate and personal property lease payments, real estate and personal property taxes, real estate assessments, other than the PACE Special Assessments and other similar charges against real estate, and power and utility charges (collectively, the “**Prorated Charges**”) on the Assets. Each Seller shall pay its respective portion at or prior to the Closing (or Purchaser shall receive credit for) of any unpaid Prorated Charges attributable to periods or portions thereof occurring prior to the Effective Time, and Purchaser shall assume as an Assumed Liability or, to the extent previously paid by any Seller, pay to such Seller at the Closing all Prorated Charges attributable to periods or portions thereof occurring from and after the Effective Time. In the event that as of the Closing Date the actual tax bills for the tax year or years in question are not available and the amount of taxes to be prorated as aforesaid cannot be ascertained, then rates, millages and assessed valuation of the previous year, with known changes, shall be used. The parties agree that if the real estate and personal property tax prorations are made based upon the taxes for the preceding tax period, the prorations shall be re-prorated after the Closing. As to power and utility charges, “final readings” as of the Closing Date shall be ordered from the utilities; the cost of obtaining such “final readings,” if any, shall be paid by Purchaser.

1.6.3 Sellers shall be entitled to all rents and other payments under Tenant Leases accruing for the period prior to the Effective Time (“**Pre Effective Time Lease Amounts**”), and Purchaser shall be entitled to all rents and other payments under tenant leases accruing for the period after the Effective Time (“**Post Effective Time Lease Amounts**” and together with the Pre Effective Time Lease Amounts, the “**Lease Amounts**”). All Lease Amounts that are collected prior to the Closing shall be prorated as of the Closing in accordance with the immediately preceding sentence. All Lease Amounts that are accrued but uncollected as of the Closing (including, without limitation, rents and other payments accrued prior to the Closing but payable in arrears after the Closing) (collectively, the “**Unpaid Amounts**”) shall belong to Sellers, and Purchaser shall, upon receipt of said rents and other payments, receive the same in trust for Sellers and shall promptly remit any of such amounts to the applicable Seller within ten (10) days after

Purchaser's receipt of same. For the avoidance of doubt, all rental payments received after Closing shall be first applied to any amounts owed to the Sellers under this Section 1.6.3.

1.6.4 All prorations and payments to be made under the foregoing provisions shall be agreed upon by Purchaser and Sellers prior to the Closing and shall be binding upon the parties; provided, however, with respect to the Unpaid Amounts, in the event any proration, apportionment or computation shall prove to be incorrect for any reason, then either the applicable Seller or Purchaser shall be entitled to an adjustment to correct the same, provided that said party makes written demand on the party from whom it is entitled to such adjustment within thirty (30) calendar days after the erroneous payment or computation was made, or such later time as may be required, in the exercise of due diligence, to obtain the necessary information for proration. This Section 1.6 shall survive Closing.

### COVENANTS OF PURCHASER

5.1 Purchaser's Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers' obligations under this Agreement to the extent that Purchaser's action or inaction can control or materially influence the satisfaction of such conditions. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement, Purchaser shall be permitted to communicate and meet with (a) counter-parties to the agreements and contracts of the Hospitals, included those included in Assumed Obligations, regarding the terms and conditions under which they may be assumed and assigned to Purchaser, and (b) applicable governmental and regulatory authorities regarding prospective compliance with regulatory requirements and related issues; so long as, in the case of each of (a) and (b) (i) such communications and meetings do not interfere with the operation of the Businesses or the conduct of the Bankruptcy Cases and (ii) any communications or meetings with any governmental authority are approved in advance by Sellers as to timing and content (and Sellers are copied on such communications and afforded the opportunity to participate in such meetings).

5.2 Required Governmental Approvals.

(a) Purchaser, at its sole cost and expense (a) shall use its best efforts to secure, as promptly as practicable before the Closing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled (and provide Sellers copies of all materials relating to such consents, approvals, authorizations, clearances and licenses upon submission and all materials received from third parties in connection with such consents, approvals, authorizations, clearances and licenses upon receipt), and (b) will provide such other information and communications to governmental and regulatory authorities as any Seller or such authorities may reasonably request. Purchaser will provide Sellers periodic and timely updates regarding all such consents, approvals, authorizations, clearances and licenses. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Effective Time. Purchaser shall, promptly, but no later than thirty (30) business days after the entry of the Sale Order or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other similar documents with all applicable governmental and regulatory authorities which are a prerequisite to obtaining the material licenses, permits, authorizations and provider numbers described in Section 8.1. Purchaser shall be entitled, but not obligated, to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and obtain estoppel certificates from any third party to any Leased Real Property. Purchaser's failure to obtaining any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either party's obligation to close the transactions contemplated by this Agreement.

(b) Purchaser and Sellers agree that because the change of ownership and regulatory approval process in connection with the transactions contemplated by this Agreement may take an extended period of time, Purchaser and Sellers agree to an initial closing effective upon the approval of the court and upon the approval of the transaction by the CA AG (as defined below) in accordance with Sections 7.5 and 8.6, at which time the Assets (less the portion of the Assets constituting drugs or other pharmacy assets) will be sold to Purchaser and immediately leased back

to Sellers, with a concurrent management agreement entered into at that time upon terms mutually agreeable to the parties in their reasonable business judgment. The Sale Leaseback Agreement and Interim Management Agreement will terminate at the Closing when the Purchaser is issued the Licenses necessary to operate the Hospitals directly (namely, the Hospital Licenses and pharmacy permits).

### 5.3 Certain Employee Matters.

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) (the “**Hospital Employees**”) who, immediately prior to the Effective Time are: (i) employees of any Seller; (ii) employees of any affiliate of any Seller which employs individuals at the Hospital and are listed on Schedule 5.3; or (iii) employed by an affiliate of any Seller and are listed on Schedule 5.3. For the avoidance of doubt, the Hospital Employees shall not include any employees of Verity or any other affiliate of Seller unless such individual is listed on Schedule 5.3. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the “**Hired Employees**.” All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.

(b) Purchaser shall give all Hired Employees full credit for paid time off pay to such employees as of the Closing Date by crediting such employees the time off reflected in the employment records of the applicable Seller and/or any of its affiliates immediately prior to the Effective Time, subject to compliance with applicable law and regulation, including consent of such employees if required.

(c) After the Closing Date, Purchaser’s human resources department will give reasonable assistance to each Seller and its affiliates with respect to such Seller’s and such Seller’s affiliates’ post-Closing administration of such Seller’s and such Seller’s affiliates’ pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to each Seller a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(d) With respect to any collective bargaining agreements or labor contract with respect to any employees, Purchaser shall comply with the applicable laws and bankruptcy court orders relating to collective bargaining agreements or labor contracts.

(e) The provisions of this Section 5.3 are solely for the benefit of the parties to this Agreement, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

5.4 Excluded Assets. As soon as practicable after the Closing Date, Purchaser shall deliver to each Seller or such Seller’s designee any Excluded Assets of such Seller found at the

Hospital on and after the Effective Time, without imposing any charge on any Seller for Purchaser's storage or holding of same on and after the Effective Time.

5.5 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.6 Attorney General. Promptly after entry of the Sale Order, but in any event within ten (10) calendar days, Purchaser shall, at its sole cost and expense, make any notices or other filings with the Attorney General of the State of California (the "CA AG"). Each Seller shall reasonably cooperate with Purchaser in such notices or other filings.

5.7 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue as of the Closing.

5.8 Cure Costs. Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code. For purposes of this Agreement, "**Cure Costs**", means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assumed Contracts and Assumed Leases to Purchaser as provided herein.

5.9 Operating Covenant. Purchaser shall act in good faith and use Purchaser's commercially reasonable efforts to serve the medical needs of each Hospital's service area.

5.10 HSR Filing. Purchaser and each Seller will as promptly as practicable, and in any event no later than five business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act.

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement. In addition, Sellers may, in their discretion, seek to reject any or all of the collective bargaining agreement(s).

### SELLERS' BANKRUPTCY AND BANKRUPTCY COURT APPROVAL

#### 6.1 Bankruptcy Court Approval; Overbid Protection and Break-Up Fee.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Assets and the assumption and assignment of the Assumed Contracts and Assumed Leases are subject to Bankruptcy Court approval, and that this Agreement is subject to termination in its entirety in the event any Seller receives a better and higher offer for the Assets in accordance with the Bankruptcy Code and subject to the terms stated herein.

(b) Promptly following the execution of this Agreement by all parties, the Seller shall file a motion with the Bankruptcy Court (the "**Sales Procedures Motion**"), the content of which shall be subject to the reasonable approval by Purchaser, for entry of an order approving bid procedures and overbid protections containing substantially the following terms and conditions:

(1) the Seller shall not accept any offer to sell the Assets subject to this Agreement ("**Overbid**") to another purchaser ("**Overbidder**") unless that offer exceeds the Purchase Price by an amount sufficient to pay the Break-Up Fee and such offer includes the purchase of substantially all Assets subject of this Agreement;

(2) in the event that an overbidder (and not the Purchaser) is the successful bidder for the purchase of the Assets (the "**Alternate Transaction**") and the Alternative Transaction is approved by the Bankruptcy Court, (a) the Deposit, and any interest earned thereon, shall be returned to Purchaser immediately upon the entry of such sale order, and (b) Purchaser shall be paid a break-up fee of three and one-half percent (3.25%) of the Cash Consideration (\$19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed \$2,000,000.00 ( the "**Break-Up Fee**"); provided, however, that in the event that

the Purchaser is successful as to some but not all of the Assets, the Break-Up Fee shall be reduced pro rata to the percentage of Assets not actually purchased by the Purchaser, based on the allocation of the Purchase Price as described in Section 1.1(a)(i), as compared to the Assets which were the subject of this Agreement; in the event that Purchaser terminates this Agreement in accordance with Section 8.6 hereof, expenses of Purchaser incurred in satisfaction of Section 8.6 shall be reimbursed up to \$500,000; and

(3) The Break-Up Fee shall be deemed to be an allowed expense of the kind specified in Section 503(b) of the Bankruptcy Code to be paid solely from the proceeds of the Alternate Transaction, pursuant to the Sale Order. The Break-Up Fee shall not be paid if the Alternate Transaction was pursued due to a material breach by the Purchaser or the Purchaser's failure or refusal to consummate the transaction after the satisfaction or waiver of all closing conditions.

The Sales Procedures Motion will contain bid procedures as set forth in the bid procedures attached hereto as **Schedule 6.1(b)(3)**.

If Sellers fails to obtain Bankruptcy Court approval for the Sales Procedures Motion by no later than four weeks after the end of the Final Diligence Period, Purchaser shall have the right to terminate this Agreement, without recourse or liability, and Seller shall immediately thereafter return to Purchaser the Deposit and any interest earned thereon.

(c) Each Seller shall at the Sale Hearing exercise reasonable efforts to obtain a "Sale Order" approving this Agreement, subject to its obligations in respect of any better and higher offer for such Seller's assets in accordance with the Bankruptcy Code. For purposes of this Agreement, the term "**Sale Order**" shall mean an order of the Bankruptcy Court authorizing the sale of the Assets (including the assumption and assignment of the Assumed Contracts and Assumed Leases) to Purchaser consistent with this Agreement and in a form reasonably satisfactory to Purchaser.

(d) Each Seller agrees to proceed in good faith to obtain Bankruptcy Court approval of the sale contemplated herein with a determination that Purchaser is a good faith purchaser pursuant to Bankruptcy Code section 363(m) and to file such declarations and other evidence as may be required to support a finding of good faith.

(e) Each Seller shall seek an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against such Seller as debtor solely in the Bankruptcy Court.

6.2 Appeal of Sale Order. In the event an appeal is taken or a stay pending appeal is requested from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from either of such orders. In the event of an appeal of the Sale Order, Sellers shall be primarily responsible for drafting pleadings and attending hearings as necessary to defend against the appeal; provided, however, Purchaser, at its option, shall have the right to

participate as a party in interest in such appeal. In the event a stay is issued by any appellate court, including the United States District Court, which prevents the sale from closing, as scheduled, Purchaser shall have the right to terminate this Agreement if such stay is not vacated on or before 45 days from the date of the stay is issued, and Purchaser shall be entitled to the prompt return of the Deposit and any interest earned thereon.

## ARTICLE 7

### CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

Sellers' obligation to sell the Assets and to close the transactions as contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Sellers in whole or in part at or prior to the Closing:

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

7.3 Performance of Covenants. Purchaser shall have in all respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by it on or prior to the Closing Date.

7.4 Governmental Authorizations. Purchaser shall have obtained all material licenses, permits and authorizations from governmental agencies or governmental bodies that are necessary or required for completion of the transactions contemplated by this Agreement, including reasonable assurances that any material licenses, permits and authorizations not actually issued as of the Closing will be issued following Closing (which may include oral assurances from appropriate governmental agencies or bodies).

7.5 Attorney General Provisions. The conditions to Purchaser's obligations to close set forth in Section 8.6 shall have been satisfied.

7.6 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order.

7.7 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

7.8 CSCDA Acknowledgement. The CSCDA and PACE Trustee shall have executed acknowledgements in form and substance acceptable to Sellers that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations, and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date.

## ARTICLE 8

### CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Governmental Authorizations. Except as otherwise set forth in this Agreement, Purchaser and Sellers shall have obtained licenses, permits and authorizations from governmental agencies or governmental bodies that are required for the purchase, sale and operation of the Hospitals, including without limitation approval of the CA AG (subject to Section 8.6), except in such case where failure to obtain such license, permit or authorizations from a governmental agency or governmental body does not have a Material Adverse Effect.

8.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

8.3 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to all of the provisions of this Agreement.

8.4 Performance of Covenants. Sellers shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; *provided, however*, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

8.5 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser

agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the “Additional Conditions”), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order (“Supplemental Sale Order”) finding that the Additional Conditions are an “interest in property” for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of \$5 million, or more, shall be conclusively deemed to be “materially different.” If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General’s imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the “Evaluation Period”) to determine, in the exercise of the Purchaser’s reasonable business judgment and in consultation with Purchaser’s financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller’s failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the “Extended Evaluation Periods”). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser’s business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, “a final, non-appealable order” shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than \$500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein,

shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services (“CMS”) and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services (“DHCS”), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers’ Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge, and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposes of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.

8.8 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

## ARTICLE 9

### TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

- (a) by the mutual written consent of the parties;
- (b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after service by Sellers upon Purchaser of a written notice which describes the nature of such breach;
- (c) by Purchaser if, in its sole and absolute discretion, it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to this Agreement, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under this Section 9.1(c) on or prior to January 8, 2019, which notice may be given by facsimile or email correspondence; provided, that for the avoidance of doubt, following expiration of the Final Diligence Period, notwithstanding anything else in this Agreement, Purchaser shall not be entitled to terminate this Agreement (or not Close) as a result of the breach of any representation or warranty made by Sellers (or any of them) other than the breach of a Sale Order Date Representation, but in each case solely to the extent such breach of a

Sale Order Date Representation would result in a Material Adverse Effect; provided, further, that any dispute between Purchaser and Sellers as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court;

(d) by Purchaser if a material breach of this Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser upon Sellers of a written notice which describes the nature of such breach;

(e) by Purchaser if satisfaction of any of the conditions in ARTICLE 8 has not occurred by December 31, 2019 or becomes impossible, and Purchaser has not waived such condition in writing (provided that the failure to satisfy any of the applicable condition or conditions in Sections 8.1 through 8.5 inclusive has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date); provided that upon the imposition of Additional Conditions by the CA AG, Section 8.6 must be satisfied or waived by Purchaser by no later than sixty (60) days thereafter.

(f) by Sellers if satisfaction of any of the conditions in ARTICLE 7 has not occurred by December 31, 2019 or becomes impossible, and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(g) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Cases or fails to approve the Sales Procedures Motion by the date specified in Section 6.1(b);

(h) by Sellers if, in connection with the Bankruptcy Cases, any Seller accepts an Alternate Transaction and pays the Break-Up Fee;

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before December 31, 2019; or

(j) by Purchaser if a force majeure event (such as acts of God, storms, floods, landslides, earthquakes, lightning, riots, fires, pandemics, sabotage, civil commotion or civil unrest, interference by civil or military authorities, acts of war (declared or undeclared) or armed hostilities, other national or international calamity, one or more acts of terrorism, or failure of energy sources) shall have occurred between the Signing Date and Closing Date, which event is reasonably likely to have a Material Adverse Effect.

9.2 Termination Consequences. If this Agreement is terminated pursuant to

Sections 6.1(b), 6.2 or 9.1: (a) all further obligations of the parties under this Agreement shall terminate (other than Purchaser's right to receive the Break-Up Fee if applicable), provided that the provisions of ARTICLE 12, shall survive; and (b) each party shall pay only its own costs and expenses incurred by it in connection with this Agreement; provided, in the case of any termination based on Sections 9.1(b) or (d) the consequences of such termination shall be determined in accordance with ARTICLE 11 hereof. In addition, if this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1 (other than Section 9.1(b)), Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Each Party acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement.

## ARTICLE 10

### POST-CLOSING MATTERS

#### 10.1 Excluded Assets.

Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within five (5) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to the applicable Seller. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to any Seller under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to any Seller because of, outstanding claims, liabilities or obligations asserted by Purchaser against any Seller. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to the applicable Seller in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Seller (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to the applicable Seller.

#### 10.2 Preservation and Access to Records After the Closing.

(a) From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the "**Document Retention Period**"), Purchaser shall keep and preserve all medical records (including, without limitation, electronic medical records), patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers' estate representative or any liquidating trustee of the Sellers' bankruptcy estate ("**Seller Parties**"), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Effective Time (including, without limitation, access to

records of patients treated at the Hospital prior to the Effective Time) during normal business hours after the Effective Time, to the extent reasonably needed by any Seller Party for any lawful purpose. Purchaser acknowledges that, as a result of entering into this Agreement and operating the Hospital, it will gain access to patient records and other information which are subject to rules and regulations concerning confidentiality. Purchaser shall abide by any such rules and regulations relating to the confidential information it acquires. Purchaser shall maintain the patient and medical staff records at the Hospital in accordance with applicable law and the requirements of relevant insurance carriers. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents described in this Section 10.2(a), Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal. Any of the Seller Parties shall have the right, at its sole cost, to take possession of such documents during such forty-five (45) calendar day period. If any of the Seller Parties does not take possession of such documents during such forty-five (45) calendar day period, Purchaser shall be free to destroy or otherwise dispose of such documentation upon the expiration of such forty-five (45) calendar day period.

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Effective Time with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees); provided that Purchaser shall not be required to incur any out of pocket costs in association therewith. In addition, Sellers and their affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of their affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or their applicable affiliate's use of such records.

(c) In connection with (i) the transition of the Hospital pursuant to the transaction contemplated by this Agreement, (ii) Sellers' rights to the Excluded Assets, (iii) any claim, audit, or proceeding, including, without limitation, any tax claim, audit, or proceeding and (iv) the Sellers' obligations under the Excluded Liabilities, Purchaser shall after the Effective Time give Sellers access during normal business hours to Purchaser's books, personnel, accounts and records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital as representatives of Sellers and their affiliates may from time to time reasonably request, all in such manner as not to unreasonably interfere with the operations of the Hospital.

(d) Purchaser and its representatives shall be given access by Sellers during normal business hours to the extent reasonably needed by Purchaser for business purposes to all documents, records, correspondence, work papers and other documents retained by Sellers pertaining to any of the Assets prior to the Effective Time (excluding confidential employee information, privileged materials and patient records), all in such manner as to not interfere unreasonably with Sellers. Such documents and other materials shall be, at Sellers' option, either (i) copied by Sellers for Purchaser at Purchaser's expense, or (ii) removed by Purchaser from the premises, copied by Purchaser and promptly returned to Sellers.

(e) Purchaser shall comply with, and be solely responsible for, all obligations under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Parts 160 and 164) promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 with respect to the operation of the Hospital on and after the Effective Time.

(f) Purchaser shall cooperate with Sellers, on a timely basis and as reasonably requested by Sellers, in connection with the provision of all data of the Hospital and other information required by Sellers for reporting to HFAP for the remainder of the quarterly period in which the Closing has occurred.

(g) To the maximum extent permitted by law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities or Excluded Assets, including without limitation, documents relating to the operations of any of the Hospital or any of the Hospital's committees prior to the Effective Time, prior to any disclosure of such documents, Purchaser shall notify Sellers and shall provide Sellers with the opportunity to object to, and otherwise coordinate with respect to, such request or demand.

(h) Provision of Benefits of Certain Contracts. Notwithstanding anything contained herein to the contrary, this Agreement shall not constitute an agreement to assign any Assumed Contract or Assumed Lease, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would constitute a breach thereof or in any way negatively affect the rights of Sellers or Purchaser, as the assignee of such Assumed Contract or Assumed Lease, as the case may be, thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, such consent or approval is required but not obtained, Sellers will cooperate with Purchaser in any reasonable arrangement designed to both (a) provide Purchaser with the benefits of or under any such Assumed Contract or Assumed Lease, and (b) cause Purchaser to bear all costs and obligations of or under any such Assumed Contract or Assumed Lease. Further, notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Account Receivable the assignment of which is either prohibited by law or by the terms of any contract with a payor without the consent of such payor. Any payments received by Sellers after the Closing Date from patients, payors, clients, customers, or others who are the obligors on Accounts Receivables transferred to Purchaser as a part of the Assets on the Closing Date shall be paid over to Purchaser within ten (10) business days after receipt by Seller.

10.3 Closing of Financials. Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall cause the individual acting as the chief financial officer of the Hospital after the Effective Time (the "**Post-Effective Time CFO**") to cooperate with Sellers' representatives in

order to complete the standardized closing of Sellers' financial records through the Closing Date including, without limitation, the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Purchaser shall cause the Post-Effective Time CFO to use his or her good faith efforts to cooperate with Sellers' representatives in order to complete the Closing of Financials by no later than the date which is thirty (30) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers' post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO's other duties.

10.4 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital's medical staff members in good standing as of the Effective Time shall maintain medical staff privileges at the Hospital as of the Effective Time. On and after the Effective Time, the medical staff will be subject to the Hospital's Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.5 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates which are not being sold to Purchaser ("**Shared Intangible Assets**") and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; provided, however, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

## ARTICLE 11

### DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed \$60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under this Agreement.

11.2 Seller Default. If Sellers commit any material default under this Agreement, Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Closing Date, the parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Effective Time and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The parties shall also make available to each other to the extent reasonably required, and at the reasonable cost of the requesting party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) The Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income Tax purposes) shall be allocated among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder as set forth in **Schedule 11.3(b)** (such schedule the “**Allocation Schedule**”). The Allocation Schedule shall be for Sellers’ and Purchaser’s tax purposes only, and shall not limit the Sellers’ creditors in any way.

#### 11.4 Cost Report Matters.

(a) Consistent with Section 4.5, Sellers shall, at Purchaser’s expense, prepare and timely file all cost reports relating to the periods ending prior to the Effective Time or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the “**Seller Cost Reports**”).

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers’ preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser’s provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Effective Time with respect to Seller Cost Reports except for preparation and filing thereof.

## ARTICLE 12

### MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Sellers shall execute, acknowledge and deliver to Purchaser any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Purchaser at any time and shall take any and all other actions reasonably requested by Purchaser at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Purchaser, the Assets. After consummation of the transaction contemplated in this Agreement, the parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; *provided, however*, that no party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties which consent shall not be unreasonably withheld or delayed, except that Purchaser may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the parties hereto.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated by reference herein. From the Signing Date until the Closing, the parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, but subject to Section 9.2(c), should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article III merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on the face of such disclosure, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5)

12.7 Headings. The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related

to this Agreement or any other transaction contemplated hereby and each shall have the right to review and comment on the other's press releases prior to issuance; *provided, however*, that nothing in this Section 12.8 shall be deemed to prohibit either Sellers or Purchaser from making any disclosure that its counsel deems necessary or advisable in order to satisfy either party's disclosure obligations imposed by law subject to reasonable prior notice to the other party thereof.

12.9 Fair Meaning. This Agreement shall be construed according to its fair meaning and as if prepared by all parties hereto.

12.10 Gender and Number; Construction; Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word "including" followed by a listing does not limit the preceding words or terms and shall mean "including, without limitation." Any reference in this Agreement to an "affiliate" shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A "Person" shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.11 Third Party Beneficiary. None of the provisions contained in this Agreement are intended by the parties, nor shall they be deemed, to confer any benefit on any person not a party to this Agreement, except for the parties' successors and permitted assigns, and except for any liquidating trustee or plan administrator for Sellers' estate.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the parties hereto. The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding

between the parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the parties on the subject matter hereof (the “**Superseded Agreements**”), which Superseded Agreements shall be of no further force or effect; provided, that notwithstanding the foregoing, the letter Confidentiality Agreement dated July 12, 2018 between Purchaser and Cain Brothers, a division of KeyBanc Capital Markets Inc., on behalf of Sellers and their related entities shall not be a Superseded Agreement and shall continue in full force in effect in accordance with its terms.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the party which is entitled to the benefit thereof but only by a written notice signed by the party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a party shall not be deemed to be a waiver of any preceding breach by any other party of any term, covenant or condition of this Agreement, other than the failure of such other party to perform the particular duties so accepted, regardless of the accepting party’s knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

RE: Verity Health System of California, Inc. Notice of Proposed Transfer  
St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical  
Center

Dear Ms. Levy-Biehl:

The Health Care Impact Statements for the proposed sale of the Verity hospitals for St. Vincent and St. Francis were posted today on the Attorney General's web site at <http://oag.ca.gov/charities/nonprofithosp>. Please have your clients review the proposed conditions in the Health Care Impact Statements, and let me know in writing whether any of the conditions are a "deal breaker." If there is such a condition, please provide an explanation why your client considers it a "deal breaker" and provide any supporting documents and information. Please provide your client's response on or before August 23, 2019. If I receive no response, I will assume your client has no such concerns. In addition, California Code of Regulations, Title 11, section 999.5(e)(3)(D) states in pertinent part:

The applicant shall prominently post a copy of the independent health care impact statement on its website available to the public and any applicant's website available to its employees within 24 hours of receipt. If the report is posted on the Attorney General's website, the applicant may provide a prominent link to the report in lieu of posting on its website.

Please have your client post on any and all hospitals' websites available to the public and websites available to its employees or post a link to the Attorney General's website.

Sincerely,

*Scott Chan*

Re: Verity Health System of California, Inc. Notice of Proposed Transfer of St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center.

Dear Mr. Chan:

As you know, our firm is healthcare counsel to Strategic Global Management, Inc. ("SGM"), the purchaser of four of the Verity Hospitals pursuant to the Asset Purchase Agreement between the Verity Chapter 11 Debtors ("Verity") and SGM, as approved by the Bankruptcy Court ("APA").

We have reviewed your letters of August 16, 2019 and August 19, 2019, to Hope R. Levy-Biehl, outside counsel for the Verity, as well as the Initial Health Care Impact Statements ("Impact Statements"), related to St. Vincent Medical Center, St. Francis Medical Center and Seton Medical Center ("Hospitals"), which are referenced in the letters.

In your letters to Ms. Levy-Biehl, you have requested from her the identification of any conditions set forth in the Impact Statements which are considered "deal breakers," and you further requested an explanation as to why Verity would consider any of the conditions deal breakers. Although the letters were not sent to SGM, we do want to communicate to you SGM's position on the proposed conditions set forth in the Impact Statements.

Our client very much appreciates the ongoing efforts of the Attorney General to review our client's proposed acquisition of the Hospitals and related assets, and we look forward to the opportunity of continuing a dialogue with the Attorney General regarding the acquisition of these Hospitals and any conditions that may be attached to the Attorney General's approval of their transfer to SGM.

However, the conditions recommended in the Impact Statements are materially inconsistent with the conditions which our client had thoughtfully developed and agreed to accept, as set forth in Schedule 8.6 to the APA. SGM continues to investigate and analyze the Hospitals' assets and operations, but SGM still believes that the conditions agreed to in Schedule 8.6 reflect the appropriate and needed approach in support of efforts to address the significant, long standing operational, economic and physical plant challenges facing these Hospitals, many of which were noted in the Impact Statements.

Accordingly, at this juncture, SGM would not accept the conditions proposed in the Impact Statements to the extent they materially differ from the conditions accepted by SGM in Schedule 8.6 to the APA. SGM reserves all of its rights in connection with the APA and, specifically, all of SGM's rights set forth in Section 8.6 thereof.

Nonetheless, as noted above, SGM is continuing its investigation and remains open to discussions with the Attorney General regarding these matters, including face-to-face meetings as appropriate.

Very truly yours,

Todd E. Swanson

Re: Response to August 16 and August 19, 2019 Correspondence  
Summary of “Deal Breakers”

Dear Mr. Chan,

Please consider this letter the response of Verity Health System of California, Inc. and its affiliates (“Verity” or “Debtors”) to your letters regarding the conditions proposed (the “Recommended Conditions”) by JD Healthcare, Inc. (“JD Healthcare” or “Expert”) in its Health Care Impact Statements (“Impact Statements”), analyzing the proposed sale of St. Francis Medical Center (“St. Francis”), St. Vincent Medical Center (St. Vincent), and Seton Medical Center, including its Daly City and Coastsides Campuses (“Seton”) (collectively, the “Hospitals”) to Strategic Global Management, Inc. and/or one of its affiliated entities (“SGM” or “Buyer”) (the “Transaction”) pursuant to the Asset Purchase Agreement (the “APA”), entered into by and between the parties and approved by the Bankruptcy Court [Docket No. 2305]. We appreciate the opportunity to provide this response.

For the reasons outlined below, if the Attorney General (“AG”) adopts the Recommended Conditions, SGM will not proceed with acquiring the Hospitals. SGM confirmed this in its letter to you dated August 21, 2019, when it stated that “the conditions recommended in the Impact Statements are materially inconsistent with the conditions . . . agreed to in Schedule 8.6.” Importantly, any condition that the AG adopts that is not consistent with Schedule 8.6 is, in our view, a “deal breaker.” Further, if the AG adopts the Proposed Conditions and if the Debtors are unsuccessful in their efforts to cut off the conditions under Section 363 of the Bankruptcy Code<sup>1</sup>

---

<sup>1</sup> Verity reserves the right to challenge the AG’s ability to impose conditions such as the Recommended Conditions in the context of a sale in bankruptcy pursuant to section 363 of the Bankruptcy Code. In this case and *In re Gardens Regional Hospital and Medical Center, Inc.*, 567 B.R. 820 (Bankr. C.D. Cal. 2017), the Bankruptcy Court expressly held, for example, that conditions imposed on a buyer by the Attorney General, as part of the Attorney General’s review of the sale of a non-for-profit hospital, is an “interest in property” that can be stripped off the assets through a sale under section 363 of the Bankruptcy Code. *See also In re Verity Health Sys. of Cal., Inc.*, 598 B.R. 283, 293 (Bankr. C.D. 2018) (holding that the “Conditions are an “interest in property” within the meaning of §363(f). These ruling are consistent with rulings by the Second, Third, Fourth and Seventh Circuits, and many lower courts, which have interpreted “any interest” expansively to include not only in rem interests in property, but also

2040 E. Mariposa Avenue  
El Segundo, CA 90245

and the sale to SGM does not proceed, the likely outcome is the closure of St. Vincent, Seton, and perhaps St. Francis. This would be an unnecessary and avoidable tragedy and would have a dire impact on countless patients, employees, vendors, and stakeholders. This is especially true here when SGM has agreed to continue to operate the Hospitals and to abide by the vast majority of the conditions imposed by the AG in its approval of the BlueMountain Transaction (the “2015 Conditions”)<sup>2</sup> for the remaining term that the conditions apply to Verity, as set forth in Schedule 8.6 to the APA.

Consequently, we strongly request that your office not accept the Expert’s Recommended Conditions, which are essentially a roll-forward of the 2015 Conditions based on the historic operations and not current patient care needs or market conditions. Instead, we encourage the AG to tailor the conditions to match those outlined in Schedule 8.6 providing SGM with the flexibility necessary to turn the Hospitals around financially, so they can continue to provide critical healthcare access to the communities they serve and thousands of jobs for the foreseeable future.

We further urge the Attorney General to exercise his discretion in a manner that considers the economic impact of the Recommended Conditions on the Hospitals. While the Impact Statements provide a significant amount of information related to the Hospitals background and the Transaction, the reports lack (i) any analysis of the economic impact that the 2015 Conditions have had on the Hospitals, and (ii) any cost-benefit analysis of the Recommended Conditions. Alarming, without regard to the economic and community realities, certain Recommended Conditions, if adopted, would force the Hospitals to maintain programs that not only lose significant amounts of money on an annual basis, but are unnecessary since the same services (and in some instances, more comprehensive or robust services) are already being provided at other hospitals in the area. To aid the Attorney General, we have provided evidence that considers the economic impact of the Recommended Conditions on the Hospitals both in this letter and in the enclosed, supporting declarations. We are happy to provide additional evidence and to discuss this further.

The Attorney General’s consideration of the economic impact of the prospective conditions is critical. We, as operators of the Hospitals, know the 2015 Conditions were overly burdensome and hampered the Hospitals’ ability to break even, let alone prosper. Indeed, the

---

other obligations that are “connected to or arise from the property being sold” or that could “potentially travel with the property being sold.” See, e.g., *In re La Paloma Generating, Co.*, 2017 WL 5197116, \*4 (Bankr. D. Del. Nov. 9, 2017); *PBBPC, Inc. v. OPK Biotech, LLC* (In re PBBPC, Inc.), 484 B.R. 860 (1st Cir. B.A.P. 2013); *In re Vista Marketing Group Ltd.*, 557 B.R. 630 (Bankr. N.D. Ill. 2016); *United Mine Workers of Am. Combined Benefit Fund v. Walter Energy, Inc.*, 551 B.R. 631, 641 (N.D. Ala. 2016); *In re Tougher Indus.*, 2013 WL 1276501 (Bankr. N.D.N.Y. Mar. 27, 2013).

<sup>2</sup> These 2015 Conditions are contained in the AG’s “Conditions to Change in Control and Governance of St. Francis Medical Center and Approval of the System Restructuring and Support Agreement by and among Daughters of Charity Health System, Certain Funds Managed by BlueMountain Capital Management, L.L.C., and Integrity Health, L.L.C.” dated December 3, 2015.

Hospitals filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code on August 31, 2018 to stop hemorrhaging precious cash resources. Verity, its employees, its 10,000 vendors, and other parties have made tireless efforts during the tenure of the Chapter 11 cases to ensure continued patient care and to take the necessary steps to allow the Hospitals to be sold to a new operator that could successfully operate the Hospitals.

The Bankruptcy Court has now approved the Transaction, which paves the way for a better chapter for these Hospitals and the communities they serve. The Attorney General should carefully consider the foregoing and not impose any conditions, based largely on historic operations, that would unravel operational improvements resulting from the heroic efforts of Verity's employees and management to save these Hospitals and inexorably lead to their closure.

We also request the opportunity to meet with you and other key decisions makers before any conditions are finalized in this Transaction, given their importance and the fact that the Recommended Conditions would destroy the Transaction and have a negative impact on tens of thousands of patients, employees, vendors, and stakeholders.

## **I. The 2015 Conditions and the Chapter 11 Cases**

Before discussing the Recommended Conditions, I would like you to have the benefit of my experience overseeing the operations and financial performance of the Hospitals. *See* Enclosed Declaration of Richard G. Adcock, Verity Health System of California, Inc. Chief Executive Officer. Upon my appointment of CEO as the Hospitals, two competing issues were immediately apparent: the Hospitals are (i) critically important to the communities they serve, but (ii) are damaged financially as a result of cumulative decisions made in the last two decades.

While my extensive experience in healthcare has assisted me in understanding and navigating the complex problems threatening the Hospitals, one thing has crystalized for me: *the Hospitals require operational flexibility to adjust to market needs and demands and to effectuate a financial turn-around.* The 2015 Conditions do not allow for that type of flexibility and therefore hamper the Hospitals' ability to succeed. Thus, it is imperative that the Attorney General consider the pragmatic realities of the Hospitals' operations when imposing conditions on the Hospitals. We strongly request that the AG tailor the conditions imposed on this Transaction to align with the Purchaser Approved Conditions in Schedule 8.6, providing SGM with the flexibility to close on the Transaction and turn the Hospitals around so they can continue to provide meaningful health care services, community benefits, and jobs to the communities they serve.

## **II. SGM Was the Only Qualified Bidder for St. Francis, St. Vincent, and Seton.**

Verity conducted a robust process to market and solicit potential buyers. In June 2018, it engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential

2040 E. Mariposa Avenue  
El Segundo, CA 90245

buyers of some or all of the Verity hospitals and related assets and commenced discussions with those potential buyers. Cain prepared a Confidential Investment Memorandum and organized an online data site to share information with potential buyers, contacting over 181 prospective strategic and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction regarding the Verity hospitals. As a result of its far-reaching marketing process, Cain received sixteen indications of interest or other proposals and continued to develop potential sales.

Verity, in consultation with Cain and its other advisors, selected SGM's offer to serve as the stalking-horse bid to acquire the assets of St. Francis, St. Vincent, St. Vincent Dialysis Center, Seton, and related assets (the "Assets") through a sale under section 363 of chapter 11 of title 11 of the United State Code (the "Bankruptcy Code"). Following extensive negotiations, SGM and St. Francis, St. Vincent, St. Vincent Dialysis Center, and Seton entered into the APA, which provides for the purchase of the Assets for \$610 million, plus payments of cure costs, as set forth therein.

Thereafter, in accordance with the bidding procedures, Cain continued to actively market the Assets. Cain notified 90 parties of the sale process, directly sent the parties the bidding procedures approved by the bankruptcy court, and represented Cain's availability to assist in the bidding process. Thereafter, sixteen of those parties signaled ongoing interest by their requests for continued access to the data room containing information about the Assets.

Notwithstanding the time, energy, and resources dedicated to this process, SGM submitted the only qualified bid for St. Francis, St. Vincent, and Seton. *Again, and importantly, SGM has agreed to accept, in full or in large part, the majority of the 2015 Conditions imposed by the AG in its approval of the BlueMountain Transaction for the remainder of the term applicable to Verity.* SGM has not agreed to accept those 2015 Conditions in their entirety due to its need for flexibility to turn the Hospitals around financially and to modify or eliminate services that are not financially feasible to retain and/or not necessary to serve the community. The Bankruptcy Court entered orders (i) approving the APA, schedules and exhibits thereto, and (ii) authorizing the sale to SGM under section 363 of the Bankruptcy Code.

### **III. If the Attorney General's Office Adopts the Conditions Proposed by JD Healthcare, SGM Will Not Acquire the Hospitals.**

Verity and SGM engaged in extensive discussions and negotiations about the 2015 Conditions, with Schedule 8.6 developed as a result of compromises and concessions made by the parties regarding what conditions SGM committed to accept, while ensuring it had the flexibility and opportunity to turn the failing healthcare system around. Pursuant to Section 8.6 of the APA, SGM negotiated the requirement to close on the Transaction only if the conditions imposed by the AG are "substantially consistent" with the conditions set forth in Schedule 8.6. As outlined in greater detail below, the Recommended Conditions are not substantially

2040 E. Mariposa Avenue  
El Segundo, CA 90245

consistent with the conditions enumerated in Schedule 8.6 in a number of significant ways and, if adopted by the AG, will result in this Transaction failing. For the avoidance of any doubt, if the AG adopts and imposes any condition on this Transaction that is not consistent with Schedule 8.6, any such condition should be considered by the AG's office as a "deal breaker."

We highlight below some of the material ways in which the conditions proposed by the Expert diverge from Schedule 8.6.

#### **A. The "term" of the Condition**

In Schedule 8.6, there are a number of conditions that SGM accepted "for a term which coincides with the remaining term applicable to [the] condition" for the specific Hospital, as set forth in the 2015 Conditions. While SGM agreed to essentially stand in Verity's shoes and to honor the remaining term of the Prior Conditions, it was unwilling to commit to these 2015 Conditions for a more extended period, as these conditions were a key factor contributing to the financial demise of the Hospitals and any requirement to honor these commitments for longer would inhibit SGM's ability to make operational changes necessary to turn the Hospitals around. SGM makes its point in its letter to you when it stated "the conditions agreed to in Schedule 8.6 reflect the appropriate and needed approach in support of efforts to address the significant, long standing operational, economic and physical plant challenges facing these Hospitals, many of which were noted in the Impact Statements."

It is worth noting that in at least some cases (and specifically for Seton), JD Healthcare has recommended that certain conditions be applied to SGM "for the remainder of the term" or in some cases for a period of time that is even shorter than the term remaining on the 2015 Conditions. The AG should apply this same standard to all of the conditions required of SGM (*i.e.*, not longer than the remaining term).

As outlined in greater detail below, if the AG does not allow SGM to honor its conditions for a term that runs concurrent with the term that currently applies to Verity, there is a significant risk that the Hospitals will close. This will result in the loss of critical community-based health care services, jobs, recoveries for creditors, and the loss of over \$9 million annually in charity care and over \$3,300,000 annually in community benefits currently provided by these Hospitals.

The closure of the Hospitals would be a tremendous and completely avoidable loss. By imposing conditions for a period of time that runs concurrent with the 2015 Conditions, the AG would help to ensure that the Transaction closes and the Hospitals remain open, potentially for much longer, once under new ownership, shed from burdensome historic liabilities and challenges and on more solid financial grounds. This will give SGM the time it needs to further evaluate the opportunities and challenges for these Hospitals and to determine what changes are appropriate to ensure their long-term viability and the best and most productive services for the Hospitals going forward. SGM can, at its election, and if financially prudent, continue to honor

2040 E. Mariposa Avenue  
El Segundo, CA 90245

the 2015 Conditions and maintain the beds, services, and offerings beyond this term, but requiring it to do so will terminate this Transaction and result in the loss of all services before the 2015 Conditions have even lapsed.

## **B. Cancer Care**

In its Recommended Conditions, JD Healthcare suggests that the AG require SGM to maintain cancer care at the Hospitals, including radiation therapy at St. Francis and St. Vincent, and inpatient oncology, interventional radiology, radiation therapy, and infusion service at Seton. This condition is a clear deal breaker for SGM.

As a threshold matter, it is important to note that none of the Hospitals offer a comprehensive oncology service today. *See* Enclosed Declaration of Tirso del Junco, Jr. M.D., Verity Health System of California, Inc. Chief Medical Officer. St. Francis, St. Vincent and Seton do not currently provide surgical oncology services. While Seton historically had a more robust oncology service line, two of the medical oncologists previously practicing at the Hospital retired and have not been replaced, which has resulted in a further decline in oncology services, including a significant decline in infusion services.

Importantly, demand for oncology services has been steadily on the decline at each Hospital. The reasons for this decline are a function of changing market conditions and are not a mystery. By its own account, the Expert found that St. Francis' cancer care volume decreased from fiscal year 2017 through fiscal year 2019. There are at least three other community hospitals offering cancer care to the same community of patients served by St. Francis. There has also been a decrease in oncology volume at St. Vincent over the last three years, with at least four other community hospitals and/or academic medical centers providing cancer care services to the same community of patients served by St. Vincent. JD Healthcare notes that cancer is the leading cause of death in Los Angeles. While this is very unfortunate and may well be true, the Expert has not suggested that this is the result of a lack of sufficient providers of oncology services or that the provision of cancer care services at St. Vincent and St. Francis is important in fighting this epidemic.

We cannot look at the provision of oncology services in a vacuum. Oncology is a very expensive service line. *See* Enclosed Declaration of Anita Chou, Verity Health System of California, Inc. Chief Financial Officer In FY 2018, St. Vincent provided 9,435 cancer treatments for a loss of \$995,000. We would anticipate SGM losing an additional \$547,000 as a result of its inability to access drug pricing under the federal 340B Drug Discount Program ("340B pricing"),<sup>3</sup> which would result in a projected net loss of approximately \$1.5 million annual in the oncology service line. In FY 2018, Seton provided 8,429 in oncology treatments

---

<sup>3</sup> The 340B Drug Discount Program is a US federal government program created in 1992 that requires drug manufacturers to provide outpatient drugs to non-profit health care organizations at significantly reduced prices. As a for-profit enterprise, SGM is not eligible for 340B pricing.

2040 E. Mariposa Avenue  
El Segundo, CA 90245

for a net loss of \$3.8 million. SGM would have lost an additional \$3 million as a result of its inability to access 340B pricing, with approximately \$2.6 million attributable to higher oncology drug costs. It is not financially feasible to expect Seton, once owned by SGM, to operate an oncology program with diminishing volume and need at a loss of nearly \$7 million per year, especially when the Hospital is already operating at an annual loss of \$60 million. In FY 2018, St. Francis provided 15,556 oncology treatments for a total operating cost of \$11.6 million. This service line generated a net income of \$1.8 million. St. Francis will incur a loss of \$262,000 under SGM ownership in light of its inability to access 340B drugs. Some portion of this would translate into additional costs for the St. Francis oncology program.

St. Vincent and Seton already sustain overwhelming losses each year. While St. Francis is operating at a modest profit, it has significant cash flow challenges and may not be financially successful if it had to stand on its own without the support of the system. Given these challenges, every dollar committed and lost impacts the ongoing operations and viability of the Hospitals. SGM recognized from the inception that maintaining oncology services without access to 340B pricing would negatively impact its ability to operate the Hospitals. While access to cancer care is critical, the Expert found sufficient alternative providers. Despite there being available cancer care providers in each of the Hospitals' communities, the Expert recommended requiring the Hospitals' admittedly partial cancer programs continue. The AG should not adopt these Recommended Conditions, which would require SGM to maintain an expensive, diminishing service line when there are alternative service providers in the Hospital communities.

### **C. Charity Care**

SGM has committed to provide annual charity care funds equal to or greater than \$430,384 for patients at St. Vincent, \$8,000,000 for patients at St. Francis, and \$935,405 for patients at Seton, for a term that coincides with the remaining term of the 2015 Conditions. This translates to a commitment of approximately \$9,400,000 annually to support necessary medical services for patients in need of care. Any additional charity care requirements above these amounts are a deal breaker for SGM, as it would hinder the long term sustainability of the Hospitals' services.

We appreciate JD Healthcare's recognition that health reform and the Affordable Care Act ("ACA") have changed the need for charity care. We agree with JD Healthcare's suggestion that the AG should adjust the required commitment to charity care based on available data from time periods after the implementation of the ACA. However, a three-year lookback period is too long in light of the significant year-over-year changes in the need for charity care. Instead, the AG should look at the actual charity care provided in the past year by St. Francis, St. Vincent and Seton as a more appropriate barometer for the level of charity care that should be offered by the Hospitals prospectively. SGM has committed to a significant minimum amount of charity care in Schedule 8.6 and the AG should accept this commitment.

2040 E. Mariposa Avenue  
El Segundo, CA 90245

SGM has agreed to administer the charity care funds under its existing financial assistance policy applicable across SGM's hospital system. In order to operate an efficient system, SGM will need to have one set of policies, procedures, and patient financial assistance applications. The Expert has recommended that SGM be required to operate under Verity's policy. SGM should be permitted to organize its administration of the charity care funds, consistent with its other hospitals, and in compliance with applicable state and federal law, without being required to continue Verity's specific policy.

#### **D. Community Benefit**

SGM has committed to provide annual community benefit services equal to or greater than \$1,076,459 for the communities served by St. Vincent, \$1,439,854 for the communities served by St. Francis, and \$848,434 for the communities served by Seton, for a term that coincides with the remaining term of the Prior Conditions. Any additional community benefit program requirements above these amounts are a deal breaker for SGM, as it would hinder the long-term sustainability of the Hospitals' services. Further, SGM must be afforded the flexibility to determine how best to serve the community and which programs to provide on behalf of each Hospital.<sup>4</sup>

#### **E. Capital Commitment**

As of June 30, 2019, Verity expended approximately \$172 million of the \$180 million in capital commitments required as part of the 2015 Conditions applicable to Verity's six hospitals, leaving approximately \$8 million unexpended by Verity. SGM has agreed to pay the previously required, but unexpended Verity capital commitment applicable to the three Hospitals it is acquiring. In order to determine SGM's share of the unexpended \$8 million, we considered the Santa Clara County and SGM asset purchase agreements to arrive at the proxy value of the Verity hospitals of \$845,000,000, comprised of \$235,000,000 for O'Connor Hospital and Saint Louise Regional Hospital, and \$610,000,000 for St. Francis, St. Vincent, and Seton. Based on these figures, SGM is acquiring approximately 72% of the Verity hospital assets. As such, SGM's portion of the outstanding capital commitment as of June 30, 2019, is approximately \$5.8 million.

Provided that Verity does not expend any additional capital expenditures through the closing of the pending APA, then SGM would honor and commit to expend \$5.8 million in capital commitments among St. Francis, St. Vincent, and Seton. If the remaining amount of the original capital commitment pursuant to the 2015 Conditions left unexpended through the closing of the APA is less than the above number, SGM would honor and commit to spend seventy-two percent (72%) of such lesser amount in capital commitments. We understand SGM

<sup>4</sup> Please note that although St. Francis Career College was referenced in the Expert's recommendations, American Career College bought St. Francis Career College in 2013 and has since closed the Lynwood Campus in 2019.

2040 E. Mariposa Avenue  
El Segundo, CA 90245

would want to maintain the flexibility to determine how best to apportion these required expenditures among the Hospitals based on their individual needs and their operational priorities and to have the opportunity to expend such amounts over five (5) years following the closing pursuant to the APA.

#### **F. Economic Impact of the Expert Proposed Conditions Generally**

While the Impact Statements provide a significant amount of information about the Transaction, the Hospital operations and challenges, and the communities they serve, it lacks (i) any of the economic impact the 2015 Conditions have had on the Hospitals or that the Recommended Conditions would have on SGM, and (ii) any cost-benefit analysis of the conditions recommended by the Expert. Verity and SGM agree that many of the services provided by the Hospitals are essential to the communities they serve and that is why SGM has agreed to adopt many of the 2015 Conditions. The Impact Statements fail to consider and discuss the extent to which the economic impact of the proposed conditions guarantees a failed SGM transaction. In its letter to you, SGM states: “the conditions recommended in the Impact Statements are materially inconsistent with the conditions [...] set forth in Schedule 8.6 to the APA.” It goes on to say that “SGM would not accept the conditions proposed in the Impact Statements.”

If the AG adopts the Recommended Conditions, based on the historical conditions, operations and needs and not the present reality, this will result in requirements for the Hospitals to maintain programs that not only lose a significant amount of money on an annual basis but that are also unnecessarily duplicative of other services (sometimes more comprehensive) already offered at other hospitals in the area. This will also result in SGM walking away from this Transaction.

As further discussed below, a failed SGM Transaction would mean closure for all the Hospitals resulting in the loss of access to medical care for hundreds of thousands of community members and patients, put thousands of employees out of work, and deny any financial recovery for former employees with pension rights, as well as other stakeholders.

By way of example, the Recommended Conditions require that SGM maintain transplant services at St. Vincent, including its newly developed liver transplant program, for at least five years from the Closing Date. St. Vincent established its liver transplant program earlier in 2019, performing a total of 10 liver transplants to date. At present, this program is not receiving any reimbursement as it is still going through the initial certification process. The liver transplant program places a significant financial burden on the Hospital. A third-party liver program expert consulting company has produced feasibility and performance projections for the St. Vincent program and anticipates that it will lose \$21 million over 5 years, or somewhere in excess of 15% of the total value of St. Vincent. Liver transplant services were not a required service under the 2015 Conditions and SGM should not be required to maintain liver transplant services at St. Vincent as part of this Transaction.

2040 E. Mariposa Avenue  
El Segundo, CA 90245

Additionally, the Recommended Conditions require SGM to contract with LA Care for St. Francis, and St. Vincent. Verity is currently involved in litigation with LA Care to recover approximately \$15.2 million in underpaid and/or unpaid claims.<sup>5</sup> See St. Vincent Medical Center v. Local Initiative Health Authority for Los Angeles County dba L.A. Care Health Plan, Case No. 19-01002 at kccllc.net/verity. Requiring SGM to contract with LA Care is unreasonable in light of LA Care's inability to adequately ensure timely and full payment at market rates for services. When both parties can freely negotiate a new contract with needed assurances of payment at market rates, the community benefits. This is not possible if SGM is mandated to contract with LA Care regardless of the contract terms offered by LA Care or LA Care's performance or non-performance under the contract.

These are just a few examples of how the Recommended Conditions fail to take in to account the economic consequences of the suggestions and the impact these would have on hospital viability and prudent operations.

**IV. If the AG Imposes the Conditions Recommended by its Expert, and the Debtors are Unsuccessful in their Efforts to Cut Off the Conditions under Section 363 of the Bankruptcy Code, the SGM Sale Will Terminate and St. Vincent and Seton Will Close.**

**A. The Debtors and Their Stakeholders Will Suffer Immediate Irreparable Harm if the SGM Sale Does Not Close.**

The aftermath of a failed SGM sale is the prompt closure of St. Vincent and Seton in light of their unsustainable operational losses, the absence of an interested viable purchaser that would continue operations as acute care hospitals, and the almost certain lack of financing to continue their operations. While St. Francis would attempt a private sale in the bankruptcy case, the Debtors foresee significant challenges notwithstanding the fact that its financial performance may be stronger during parts of the year than the other Hospitals. Indeed, excluding QAF, since it is often difficult to rely on from a working capital perspective due to its sporadic payment pattern, St. Francis would need to borrow greater than \$35 million from the Verity Hospital System throughout the year to manage large working capital fluctuations. The administrative expenses and risks associated with continuing the bankruptcy cases to attempt to identify a new buyer other than SGM, further threaten the Debtors' ability to finance and sell the Hospitals as going concerns and related recoveries to constituents. These threats are borne directly by the communities served by the Hospitals, their patients, employees, and other critical stakeholders, and are material considerations with which to assess the proposed SGM sale.

---

<sup>5</sup> To add specific examples, one large category of claims at issue involves services that were authorized by LA Care through delegated vendors but that LA Care denied payment because it had no way to track the delegated vendors' authorization numbers. As a result, LA Care required timely filed electronic claims to be resubmitted in paper. Another example is that LA Care has improperly administered payments under "stop loss" provisions – denying payment to St. Francis, in particular, for services to some of the most needy patients.

2040 E. Mariposa Avenue  
El Segundo, CA 90245

1. St. Vincent and Seton Will Likely Close.

St. Vincent and Seton are likely to close promptly after the SGM transaction fails for two significant reasons tied to their ongoing financial underperformance: (i) the Debtors cannot sustain the operational losses incurred by St. Vincent and Seton without the prospect of a potential purchaser, and (ii) the Debtors must conserve resources to underwrite a sale of St. Francis. St. Vincent and Seton (including both the Daly City and Coastsides campuses) have combined operating losses greater than \$105 million in the 10 months since filing bankruptcy.

The Expert acknowledges that “no other offers were received by the Bankruptcy Court to purchase and operate” St. Vincent and Seton. *See* St. Vincent Report at 86; Seton Report at 87. This finding is consistent with the results of the Debtors’ extensive marketing efforts. As outlined in greater detail above, beginning in July 2018, the Debtors engaged Cain to identify potential buyers of some or all of the Debtors’ Hospitals. Cain contacted over 181 strategic and financial buyers and received 11 indications of interest. None of these indications proposed purchasing and operating St. Vincent or Seton individually. The Debtors cannot sustain incurring ongoing operational losses to maintain the going-concern value of St. Vincent and Seton without the realistic prospect of a purchaser.

These closures would begin almost immediately. Because the failure of the SGM sale puts the recovery of secured creditors at risk, it is almost certain that the secured creditors would object to continued use of their cash collateral to subsidize the losses at St. Vincent and Seton. While the Debtors may be able to obtain an order authorizing the use of cash collateral over their objection, that use would be limited to the amount necessary to avoid harm to patients. Based on the experience of Debtors’ counsel, St. Vincent and Seton would first seek court approval to close their emergency departments and close the Hospitals to new patients. Given the average length of stay for hospital inpatients, we would expect all acute care patients to be discharged within a week. We would expect St. Vincent to be closed in less than one month.

Closure of Seton would be much slower than St. Vincent, given the more involved process of the skilled nursing and sub-acute resident populations at both the Daly City and Coastsides campuses, and would cost tens of millions of dollars to effectuate. We would immediately seek the assistance of the California Department of Public Health, the Center for Medicare and Medicaid Services, the Department of Health Care Services, Santa Clara and San Mateo Counties and other key governmental and non-governmental stake holders to find appropriate placements for the approximately 180 long term and subacute residents at Seton. However, the post-acute care delivery system in Northern California does not have the excess capacity to accept these residents. *See* Enclosed Declaration of Maya Altman, CEO for the Health Plan of San Mateo. We would anticipate many of these residents being displaced across the state and outside of the state in order to find appropriate and available beds and resources. The transfer trauma risk attendant to the closure of Seton’s nursing facility would be significant with patients needing to be transferred, in many cases, hundreds of miles away from their communities, families and support networks.

2040 E. Mariposa Avenue  
El Segundo, CA 90245

Thereafter, the Debtors would most likely attempt a private sale of St. Vincent and Seton after they are closed. After their extensive but ultimately unsuccessful marketing efforts, the Debtors believe that the most likely outcome is a sale to a real estate or similar purchaser without an interest in continuing or reopening the facilities as acute care hospitals, and without the need for Attorney General review. *See In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 826-829 (Bankr. C.D. Cal. 2017) (Robles, J.) (holding that sale of a closed not for profit hospital is not subject to Attorney General review).

2. St. Francis Will Attempt a Private Sale at a Depressed Value with Significant Financial Obstacles and Creditor Scrutiny.

In the event the SGM transaction fails due to the imposition of conditions making continued operations economically unfeasible, the Debtors will turn their efforts to fund a renewed sale process for St. Francis, their only potentially profitable going-concern asset. A St. Francis sale process would face stiff headwinds and present significant liquidity demands, which would be further exacerbated if the Debtors are continuing to incur operating losses associated with St. Vincent and Seton. The Expert cites interviewees who “expressed that if this [SGM] transaction was not finalized, the Hospital would likely be acquired by another organization due to its history of financial success.” *See* St. Francis Report at 85. However, this supposition does not account for the expenses and uncertainties associated with a single-facility sale.

St. Francis realizes substantial economic benefits from its integration in the Verity Health System that would be stripped in a single-facility sale. First, St. Francis cannot sustain itself solely on cash flow from operations. The primary receivables attributable to St. Francis operations—reimbursements and related supplemental payments on account of the Hospital Quality Assurance Fee program—are paid periodically during the year and substantially after the service period to which they relate. As stated previously, excluding QAF, St. Francis must borrow greater than \$35 million from the Verity Hospital System throughout the year in order to manage its large working capital fluctuations. Historically, St. Francis has leveraged financing arrangements entered into by the Verity Health System. The obligated parties under those financing arrangements historically included VHS, O'Connor Hospital, Saint Louise Regional Hospital, Seton, St. Vincent, and St. Francis. St. Francis cannot achieve stable financial operations without access to credit historically supplied on a joint and several basis to the Verity Health System.

St. Francis benefits from the consolidated administrative functions and unified technology of the Verity Health System, which St. Francis would need to arrange for and purchase individually in anticipation of a single-facility sale. The total burden of the cost of the underlying IT systems and licensing agreements for the system, at a cost of more than \$40 million per year, would likely be the burden of St. Francis alone. In addition, St. Francis would bear a significant portion of the current annual overhead costs of over \$100 million that no longer could be spread across the other Hospitals. These two factors will put significant strain

2040 E. Mariposa Avenue  
El Segundo, CA 90245

on the cash flow of the remaining Debtors and would ultimately make completing an extremely quick private sale of St. Francis critical to maintaining any value for the estate.

A private sale is more expedient, but, in the absence of a renewed, robust sale process, the Debtors expect the sale would yield a purchase price hundreds of millions of dollars lower than the SGM Transaction and would receive objections from constituents who would request a new marketing process. Based on the Debtors' experience through the extensive pre-bankruptcy and post-filing marketing efforts, the Debtors are very aware of (i) the difficulty in identifying a purchaser that is both interested in, and capable of, closing on such a transaction, and (ii) the large amount of time and money it takes to sustain ongoing operating losses while working with a prospective buyer through the complex sale process. In these circumstances, the Expert's comment, without support, that there would be "other buyers" if the SGM Transaction failed is at best unsupported and a gross oversimplification of what would be an involved, complicated process. Even if a new deal process were successful and yielded a willing buyer capable of closing, it is highly uncertain whether the Debtors could fund the ongoing operating capital necessary to continue to operate St. Francis while the sale worked its way through the rigorous bankruptcy, AG, and regulatory approval process.

The Debtors' creditors are also likely to object to a fire sale of St. Francis given the already small recoveries available if the SGM sale is successful. A private sale is likely to leave only a partial recovery for secured creditors and, as discussed below, no recovery for other critical stakeholders. These secured creditors and stakeholders are likely to carefully scrutinize such a transaction and demand a longer auction process in lieu of a private sale. Each of these likely demands from secured creditors, other stakeholders, and the Attorney General would expose St. Francis to further financial deterioration arising from the increased administrative and professional costs associated with a lengthy sale process as well as further losses from operations.

It should be noted that even if there are good sales prospects, Verity will likely have no choice but to close St. Francis pending a sale, putting the hospital license in suspense and closing all beds and service lines. This would require a prompt shut-down of St. Francis, including the closure of its emergency room and trauma center as well as its psychiatric unit. While a buyer could apply to have the St. Francis hospital license resurrected and taken out of suspense, this is not without consequence. As a Hospital that relies heavily on government reimbursement and QAF to survive, in taking the license out of suspense, a St. Francis buyer would need to apply for new Medicare and Medi-Cal provider agreements, enduring a period during which the hospital is open but not yet certified. In addition, St. Francis would not be eligible for QAF during the period of time when it is closed, which would also impact its QAF fees and payments upon reopening. All of this would likely have a negative impact on the value of St. Francis as a freestanding hospital as well as its timeline for reopening its emergency department and certain non-essential services.

2040 E. Mariposa Avenue  
El Segundo, CA 90245

## **B. A Renewed Sale Process Will Materially Delay the Bankruptcy Cases.**

The Debtors have administered and financed their bankruptcy cases and plan of liquidation assuming that the cases would conclude shortly after the SGM sale. If SGM does not consummate the sale, then the Debtors will incur additional, unexpected administrative expenses associated with continued operations as they pursue new sales and closures. These expenses—unanticipated by the Debtors and their lenders—will increasingly burden the Debtors’ ability to fund their operations.

While difficult to predict, the Debtors anticipate that a single-facility private sale of St. Francis will take approximately five to six months to close. The bankruptcy court process, assuming that (a) a buyer could be located, and (b) the Debtors would seek a private sale, would last approximately six to eight weeks and involve soliciting potential purchasers, drafting and negotiating an asset purchase agreement and sale motion, and holding a sale hearing on three weeks’ notice to interested parties. The balance of time is allocated to the 90 to 135-day Attorney General review process. This assumes that the private sale of St. Francis would not require a more belabored auction process in bankruptcy court; however, as noted above, creditors disappointed with partial or no recovery on their claims may convince the court that an auction process will result in a higher sale price.

The Debtors anticipate that the private sales of St. Vincent and Seton would take substantially less time to close if the facilities are not operating as acute care hospitals. The Debtors estimate that sales of St. Vincent and Seton could close in no less than two months on the most favorable timeline and for substantially less consideration. This assumes an expedited disposition of the facilities’ patient populations, which we anticipate will be especially challenging for Seton’s long-term patient populations at both the Daly City and Coastsides campuses.

There is significant risk in the Debtors’ ability to fund an additional six-month sale process. These alternative sale timelines, through abbreviated, nevertheless require the Debtors to incur significant administrative expenses. As discussed, the Debtors incur cash flow losses of \$450,000 every day. The Debtors have obtained \$185 million of debtor in possession financing to cover these operational and administrative expenses during their bankruptcy cases because their stakeholders were satisfied that there was a high likelihood of consummating significant asset sales; this matures September 7, 2019. In fact, the financing terms are subject to strict case milestones and short-term budgets based upon consummating sales of the Hospitals by specific dates. *See* Docket No. 309-2 (DIP Credit Agreement, § 7.1 at 63) (the Debtors’ financial covenants include limits on budget variances during the bankruptcy cases); *see id.* (DIP Credit Agreement, § 9.1(q) at 72-76) (providing for defaults if Debtors fail to meet case deadlines including sale deadlines). Without the prospect of an imminent asset sale that would, at a minimum, cover the costs of financing, the Debtors’ ability to obtain financing is a significant risk. The Debtors’ access to cash collateral and proceeds of the O’Connor Hospital and Saint Louise Regional Hospital sale are likewise subject to the liens and limitations of the Debtors’

2040 E. Mariposa Avenue  
El Segundo, CA 90245

secured creditors. The Debtors' ability to fund their operations becomes increasingly dubious as the bankruptcy cases continue without resolution.

**C. Patients, Employees, Vendors, Community Members, and Other Essential Stakeholders Bear Directly the Ramifications of a Failed SGM Transaction.**

The Attorney General should not ignore the significant economic ramifications of a failed SGM sale because of the negative healthcare impacts on patients and community members. If the SGM sale does not close, patients and community members will lose access to healthcare facilities. Extending the timeline to a sale by six months will also jeopardize the ability to finance the remaining hospital. Furthermore, the degradation in value realized from the asset sales will directly affect key stakeholder recoveries.

1. The Impact on Community Members and Patients

Failure to consummate the SGM sale likely results in the closure of St. Vincent and Seton and risks closure of St. Francis. The Expert recognizes the unique role the Hospitals play in their communities. Although the Debtors challenge the specifics of the proposed conditions, it is indisputable that these facilities provide access to essential healthcare services in their communities. Faced with the possibility of losing these facilities in their entirety, rote application of historical conditions must yield to the pragmatics of economics and demonstrable community need.

St. Francis is a critical safety-net provider of health care services, serving a large number of uninsured and underinsured patients. It is located in a medically underserved area and operates the only trauma center in the service area. It also provides critical acute inpatient psychiatric services as well as a mobile crisis evaluation team.

St. Vincent is the oldest hospital in Los Angeles, providing critical emergency room and other specialized services to the community it serves. In addition to serving almost 180 skilled nursing and subacute residents, Seton also operates a geriatric-psych service line and the only emergency department on the Peninsula in the 55-mile stretch between Santa Cruz and Daly City.

In addition to the possibility of losing these Hospitals, the communities would also lose the charity care and community benefits they offer. This would be a tragic and unnecessary loss.

2. The Impact on Vendors

It is the vendors that have supported the Hospitals during the pendency of the bankruptcy cases, allowing the Hospitals to stay open and to continue providing services in the ordinary course. Under the SGM purchase agreement, these vendors will receive payment in full for their

2040 E. Mariposa Avenue  
El Segundo, CA 90245

support of Verity during its bankruptcy and a failed sale to SGM could put those payments at risk.

In addition, there are thousands of vendors whose contracts will be assumed by SGM pursuant to the sale. As a consequence, these vendors will be paid for their pre-petition claims an estimated total recovery of more than \$50 million. For those vendors whose contracts are not being assumed by SGM, the sale will still provide millions of dollars of recoveries. In total, the failed sale to SGM would cause these vendors to lose tens of millions of dollars in recoveries. Further, there would be a loss of future services by these vendors that would provide the go-forward services to the operating hospitals.

### 3. The Impact on Employees

St. Francis, St. Vincent, and Seton have approximately 4,950 employees. SGM has committed to retain “substantially all” employees of the Debtors, as set forth in the APA. *See* Docket No, 2305-1 (SGM APA, § 5.3(a) at 27). Similarly, SGM has committed to participate in good faith negotiations of new collective bargaining agreements with the unions. *See id.* (SGM APA, § 4.7 at 25). The SGM sale presents the Debtors’ stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in losing healthcare access for vulnerable populations as well as the loss of employment for thousands of employees.

## V. Conclusion.

For all of the reasons outlined above, the AG should not adopt the Recommended Conditions. This would result in the certain failure of the SGM Transaction and the likely closure of St. Vincent, Seton, and perhaps St. Francis. This would be a devastating loss to the communities the Hospitals serve, to their patients, employees, vendors, creditors, and more. This would entail the unnecessary loss of historic, meaningful, community hospitals with robust histories, dedicated to providing charity care and community benefits, especially when as here, there is a ready buyer in SGM who has agreed to continue to operate the Hospitals and to abide by the vast majority of the 2015 Conditions for the period of time they apply to Verity. We urge you to tailor the conditions imposed on this Transaction to align with the Purchaser Approved Conditions in Schedule 8.6, providing SGM with the flexibility to close on the Transaction and turn the Hospitals around so they can continue to provide meaningful health care services, community benefits, and jobs to the communities they serve.

Sincerely,

A handwritten signature in black ink, appearing to read 'Richard G. Adcock'.

**DECLARATION OF RICHARD G. ADCOCK**

I, Richard G. Adcock, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas dedicated to health and healing. In this role, I was responsible for leading Sanford Health's growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan; Sanford Foundation (a philanthropic fundraising foundation); Sanford Frontiers (a commercial and real estate company); Profile by Sanford (a scientific weight loss program); and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and had the responsibility of starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. 1 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for  
2 leading strategic, operational and financial aspects within Sanford Clinic. From 2004 to  
3 2006, I served as Director of Clinical Operations at Sanford Children's Specialty Clinic  
4 and led the Pediatric Subspecialty Physician program and the clinical practice through all  
5 facets of the operation.

6 5. Prior to Sanford Health, I served as the Director of Engineering and Six  
7 Sigma Master Black Belt at GE Medical Systems, and before that served as the Vice  
8 President of Research and Development and the Co-Owner/Founder of Micro Medical  
9 Systems. I have a bachelor of science in business administration and a masters of  
10 business administration in healthcare management.

11 6. I have reviewed the conditions proposed (the "Recommended Conditions")  
12 by JD Healthcare, Inc. ("JD Healthcare" or "Expert") to the California Attorney General  
13 (the "Attorney General") in the Health Care Impact Statements (the "Reports"), analyzing  
14 the proposed sale of St. Francis Medical Center ("St. Francis"), St. Vincent Medical  
15 Center (St. Vincent"), and Seton Medical Center, including its Daly City and Coastsides  
16 Campuses ("Seton") (collectively, the "Hospitals"), to Strategic Global Management, Inc.  
17 and its affiliated entities ("SGM"), as reflected in that certain Asset Purchase Agreement  
18 (the "APA").

19 7. Upon review of the Recommended Conditions, I urge the Attorney General  
20 not to issue the Recommended Conditions, and, instead, to impose the conditions to which  
21 SGM has agreed to in Schedule 8.6 to the APA.

22 8. As explained below in detail, the Attorney General should not impose the  
23 Recommended Conditions because they do not take into consideration the negative  
24 economic impact of the Recommended Conditions nor the negative economic impact of  
25 the previously imposed conditions on the Hospitals (the "2015 Conditions").

26 9. The Attorney General should exercise his oversight responsibilities and  
27 discretion to impose conditions that consider the economic impact to the Hospitals.

28 10. My extensive experience in healthcare has helped me understand and

1 navigate the complex problems threatening the Hospitals.

2 11. Two competing issues were immediately apparent upon my appointment as  
3 CEO: the Hospitals are (i) critically important to the communities they serve, but (ii) are  
4 damaged financially as a result of cumulative decisions made in the last two decades.

5 12. After overseeing the operations and financial performance of the Hospitals, I  
6 concluded that the only feasible path to maintain Hospital operations was to initiate a  
7 bankruptcy process that would allow the transfer of the Hospitals to more financially  
8 stable operators, reduce existing liabilities, and commence a process in cooperation with  
9 the Attorney General to ensure the continued viability of these important community  
10 assets.

11 13. While SGM has the ability to keep these Hospitals open and help them to  
12 prosper, the Attorney General's role in that process cannot be understated.

13 14. Specifically, to fix the problems that presently threaten the Hospitals  
14 continued viability, the Attorney General must consider the pragmatic realities of the  
15 Hospitals' operations.

16 15. The Hospitals require operational flexibility to address the fast-paced  
17 changes in the healthcare market. I will use a specific example to illustrate my point.  
18 One of the 2015 Conditions requires that St. Francis maintains a fixed number of beds for  
19 pediatric patients. However, and by way of example, children in the St. Francis service  
20 area often go to the nearby children's hospital for treatment (e.g., Miller Children's,  
21 Children's Hospital of Los Angeles, and Women's Hospital). Consequently, St. Francis  
22 does not utilize many of the beds it is required to maintain pursuant to the condition.  
23 This results in unnecessary operating costs without attendant increases in revenue and,  
24 more importantly, prevents St. Francis from instead applying its resources to address the  
25 demonstrated needs of the community. In addition, these pediatric beds are needed as  
26 general adult inpatient beds. Put simply, 2015 Conditions do not reflect the needs of the  
27 market place. This is one of many examples that is repeated across service lines affected  
28 by the 2015 Conditions.

1           16. The payor contracts present another example of the negative impact of the  
2 2015 conditions on the Hospitals. In my experience, I have never seen a set of conditions  
3 that obligate the Hospitals, as providers, to accept a particular payor's contract no matter  
4 how disadvantageous the terms and conditions. The Attorney General's mandated  
5 requirement to remain in an economically damaging relationship obliterates the Hospitals'  
6 ability to negotiate appropriate terms, including reimbursement consistent with market  
7 conditions. The Hospital payor contracts are below-market as a result of many years of  
8 poor payor contract negotiations coupled with the 2015 Conditions. Stated differently,  
9 through the imposition of the conditions, the Attorney General transfers negotiating  
10 leverage to the payors and leaves the Hospitals severally disadvantaged. While the  
11 Attorney General certainly may not have intended that result at the time the 2015  
12 Conditions were imposed, the 2015 Conditions had that impact and accelerated and  
13 contributed to the threats facing the Hospitals today.

14           17. While the impact reports provide a significant amount of information  
15 related to the Hospital's background and the SGM transaction, the reports are lacking (i)  
16 any analysis of the economic impact the 2015 Conditions have had on the Hospitals, and  
17 (ii) any cost benefit analysis of the Recommended Conditions.

18           18. Without regard to the economic and community realities, certain  
19 Recommended Conditions force the Hospitals to maintain programs that not only suffer  
20 significant losses an annual basis, but are unnecessary because the same services (and in  
21 some instances, more comprehensive services) are already provided at other Hospitals in  
22 the area.

23           19. The Attorney General's consideration of the economic impact of the  
24 Recommended Conditions is critical. As a Hospital operator, I know the 2015 Conditions  
25 were too burdensome and hampered the Hospitals ability to prosper, as discussed above.  
26 Verity, its employees, tens of thousands of vendors and other parties have made tireless  
27 efforts during the sale process to ensure high quality continued patient care and to take the  
28 necessary steps that would allow the Hospitals to be sold to a new operator that could

1 successfully operate the Hospitals. The Bankruptcy Court has now approved the sale to  
2 SGM, which paves the way for these Hospitals and the communities they serve to  
3 continue the Hospitals' mission of quality patient care.

4 20. The alternative to an SGM sale is, most likely, the closure of SVMC and  
5 Seton in light of their unsustainable operating losses, the absence of an interested viable  
6 purchaser that would continue operations as acute care hospitals, and the almost certain  
7 lack of financing to sustain their operations.

8 21. While SFMC would most likely attempt a private sale in the bankruptcy  
9 cases, I foresee significant challenges. SFMC's financial performance may be stronger  
10 during parts of the year than the other Hospitals; however, SFMC relies significantly on  
11 the Verity Hospital System to borrow an excess of \$35 million throughout the year to  
12 achieve its financial success and has not demonstrated an ability to independently manage  
13 large working capital fluctuations. The administrative expenses and risks associated with  
14 continuing the cases to attempt to identify a new buyer other than SGM, further threaten  
15 the Debtors' ability to finance and sell the Hospitals as going concerns and related  
16 recoveries to constituents. These threats are borne directly by the communities served by  
17 the Hospitals, their patients, employees, and other critical stakeholders, and are material  
18 considerations with which to assess the proposed SGM sale.

19 22. The Reports recognize the unique role the Hospitals play in their  
20 communities. Although I disagree with the specifics of the Recommended Conditions, I  
21 believe it is indisputable that the Hospitals provide access to essential healthcare services  
22 in their communities. Faced with the possibility of losing the Hospitals in their entirety,  
23 rote application of the 2015 Conditions should yield to the pragmatics of economics and  
24 demonstrable patient care and community need.

25 23. If the SGM transaction does not close, the Debtors, employees, pension  
26 holders, other stakeholders, and community members, would be exposed to significant  
27 and unrecoverable health care and economic loss.

28 24. Among the stakeholders which will be harmed by a failed SGM sale are the

DENTONS US LLP

(213) 623-9300

1 vendors that have supported the Hospitals by providing credit terms throughout these  
2 cases. Under the SGM sale, these creditors will receive payment for their support of the  
3 Hospitals during the sale process. A failed sale to SGM would put that at risk. In  
4 addition, there are thousands of vendors whose contracts will likely be assumed by SGM  
5 in the sale. Consequently, these vendors will be paid for their pre-petition claims, an  
6 estimated total recovery for these vendors of \$50 million. Even those vendors whose  
7 contracts are not assumed by SGM are still expected to receive millions of dollars of  
8 recoveries. In total, the failed sale to SGM would cost these vendors tens of millions of  
9 dollars in recoveries. Further, there would be a loss of future income for services  
10 provided to the operating Hospitals on a go-forward basis.

11 25. The Hospitals have approximately 4,900 employees. SGM has committed  
12 to retain “substantially all” employees of the Debtors, as set forth in the APA.

13 26. The SGM sale presents the Debtors’ stakeholders with the best possible  
14 alternative, and the failure of the SGM transaction will likely result in a loss of healthcare  
15 access for vulnerable populations, as well as jobs of thousands of employees.

16 27. Based on the foregoing, I request the Attorney General carefully consider  
17 the foregoing and not impose conditions that would threaten to close the Hospitals or  
18 otherwise unwind stakeholders’ heroic efforts to save these Hospitals.

19 I declare under penalty of perjury under the laws of the United States that the  
20 foregoing is true and correct.

**DECLARATION OF ANITA CHOU**

I, Anita Chou, declare, that if called as a witness, I would and could testify as follows based on my own personal knowledge.

1. I am the Chief Financial Officer (“CFO”) of Verity Health System of California, Inc. (“VHS”). I became the Debtors’ acting CFO on August 20, 2018, and on August 29, 2018, the board of directors appointed me as the CFO. Prior to my appointment as acting CFO, I served as the VHS SVP Hospital Finance, with oversight responsibilities over all of Verity Health System hospitals’ CFOs from February 1, 2018 until August 19, 2018, and as the St. Vincent Medical Center CFO from March 2016 to February 2018. Prior to VHS, I spent three years at Prospect Medical Holdings from March 2013 to March 2016 in various senior level corporate finance positions including Hospital System CFO, ten years as the controller for three different hospital and hospital systems (*e.g.*, Saint John’s Health Center & Affiliates, Valley Presbyterian Hospital, and USC Kenneth Norris Jr. Cancer Hospital), and three years as a Financial Market Analyst for El Camino Hospital. I received my Masters in Health Administration from the University of Southern California in 2005, and my Bachelor of Science from University of California, San Diego in 1998.

2. Debtor VHS, a California non-profit public benefit corporation, is the sole corporate member of the five debtor California non-profit public benefit corporations that operated six acute care hospitals (the “Hospitals”), including St. Francis Medical Center (“SFMC”), St. Vincent Medical Center (“SVMC”) and Seton Medical Center, which includes its Daly City and Coastsides Campuses (“Seton”). Seton operates under one consolidated general acute care hospital license. VHS, the Hospitals and their affiliated entities operated as a non-profit healthcare system in the State of California.

3. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity as CFO for VHS.

4. I have reviewed the Health Care Impact Statements (the “Reports”), analyzing the proposed sale of SFMC, SVMC and Seton to Strategic Global Management, Inc., and its affiliated entities (“SGM”), as reflected in that certain Asset Purchase Agreement (the “APA”).

1           5.       The report on SFMC, at pages 92-96, the report on SVMC, at pages 87-90, and the  
2 report on Seton, at pages 88-92, set forth JD's recommended conditions (the "Recommended  
3 Conditions") for the transactions to the California Attorney General (the "Attorney General"). I  
4 urge the Attorney General not to issue the proposed conditions and, instead, to impose the  
5 conditions to which SGM has agreed in Schedule 8.6 to the APA.

6           6.       The Recommended Conditions for SFMC, SVMC and Seton that deviate from  
7 Schedule 8.6 attached to the APA are "deal breakers" and should not be imposed by the Attorney  
8 General.

9       **A.    St. Francis**

10          7.       The Recommended Conditions for SFMC include a requirement that, for at least 10  
11 years from the closing date, SFMC maintain cancer services. The current cost to maintain cancer  
12 treatment at SFMC exceeds \$11 million annually, which includes the financial advantages that  
13 permit SFMC, as a non-profit hospital, to use the 340B program. The 340B Drug Discount Program  
14 is a U.S. federal government program that requires drug manufacturers to provide outpatient drugs  
15 to eligible health care organizations and covered entities at significantly reduced prices. SGM will  
16 operate SFMC as a for-profit enterprise, and, therefore, the 340B program will no longer be  
17 available, increasing the cost of pharmaceuticals, and, therefore, the cancer program, by \$262,000  
18 per year.

19          8.       The Recommended Conditions include a requirement that, for at least 10 years from  
20 the closing date, SFMC maintain Wound Care Services. The Wound Care Clinic operated at a  
21 \$385,000 net loss in 2018 and is expected to continue to operate at a loss.

22          9.       The Recommended Conditions include a requirement that, for at least 10 years from  
23 the closing date, SFMC maintain its participation in the Medi-Cal Managed Care Program,  
24 continuing its contracts with LA Care Health Plan and Health Net Community Solutions. With  
25 Managed Medi-Cal rates that are significantly below market, such a restriction will continue to  
26 impose a financial burden upon SFMC as well as hinder its ability to negotiate appropriate payor  
27 rates. These contracts have not been renegotiated in the last 5 years in part due to the imposition of  
28 the conditions.

DENTONS US LLP  
601 SOUTH FIGUEROA STREET, SUITE 2500  
LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

**B. St. Vincent**

10. The Recommended Conditions for SVMC include a requirement that, for at least 5 years from the closing date, SVMC maintain cancer services. The cancer treatment program at SVMC operated at a net loss in 2018 of \$995,000. And, because SGM will operate SVMC as a for profit enterprise, SGM cannot utilize the benefit of the 340B program which will impose additional cost for pharmaceuticals by \$547,000 per year, exacerbating existing operating losses at the facility of over \$65 million annually. With the loss of the 340B program, cancer care at SVMC will operate at a projected increased net loss of approximately \$1.5 million per year.

11. The Recommended Conditions include a requirement that, for 5 years after the closing date, SVMC will continue to provide liver transplant service. The liver transplant program at SVMC started in calendar year 2019. In fact, performance projections prepared by a third-party expert consultant in transplant programs show a 5-year net loss of \$21 million for SVMC. Worse, currently SVMC is not receiving reimbursement for liver transplants because SVMC is still in process of being certified to perform these transplants. Finally, SGM will have to negotiate reimbursement rates with third party payors going forward which may not cover the cost of the surgeries.

12. The Recommended Conditions include a requirement that for 5 years from the closing date, SVMC shall maintain its participation in the Medi-Cal Managed Care program, including continuing contracts with LA Care Health Plan and Health Net Community Solutions, Inc. Just as in the case with SFMC, with Managed Medi-Cal rates that are significantly below market, such a restriction will continue to impose a financial burden upon SVMC as well as hinder its ability to negotiate appropriate payor rates. These contracts have not been renegotiated in more than 5 years in part due to the imposition of the conditions.

**C. Seton and Seton Coastsides**

13. The Recommended Conditions include a requirement that for 6 years Seton continue to offer cancer services at its Daly City Campus. The cancer services at Seton operated at a net loss of \$3.8 million in 2018. The loss of the 340B program will increase costs by \$3 million, of which \$2.6 million is attributable to the loss of infusion therapy services. It is not financially

1 feasible to operate a cancer program at a continuing loss of nearly \$7 million per year for a facility  
2 that is currently operating at a loss of \$60 million annually.

3 I declare under penalty of perjury that, to the best of my knowledge and after reasonable  
4 inquiry, the foregoing is true and correct.

**DECLARATION OF TIRSO DEL JUNCO, JR., M.D.**

I, Tirso del Junco, Jr., M.D., declare that if called as a witness, I would and could competently testify thereto, of my own personal knowledge as follows.

1. I am currently the Chief Medical Officer for Verity Health System of California, Inc. ("VHS"). I am licensed and authorized to practice medicine in the State of California. I have been with VHS since its beginning in December 2015. I have also served as VHS's Associate Chief Medical Officer and as St. Vincent Medical Center's Chief Medical Officer. Prior to joining VHS, I held several positions at Mission Community Hospital in Panorama City, including associate chief medical officer.

2. Debtor VHS, a California non-profit public benefit corporation, is the sole corporate member of the five debtor California non-profit public benefit corporations that operated six acute care hospitals (the "Hospitals"), including St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC") and Seton Medical Center, which includes its Daly City and Coastsides Campuses ("Seton"). Seton operates under one consolidated general acute care hospital license. VHS, the Hospitals and their affiliated entities operated as a non-profit health care system in the State of California.

3. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity the Chief Medical Officer for VHS.

4. I have read the Health Care Impact Statements (the "Reports") prepared by JD Healthcare ("JD") analyzing the proposed sale of SFMC, SVMC and Seton to Strategic Global Management, Inc., and its affiliated entities ("SGM").

5. The report on SFMC, at pages 92-96, the report on SVMC, at pages 87-90, and the report on Seton and Seton Coastsides, at pages 88-92, set forth JD's recommended conditions (the "Recommended Conditions") for the transactions to the California Attorney General (the "Attorney General").

6. The Recommended Conditions for SFMC, SVMC and Seton that deviate from Schedule 8.6 attached to the certain Asset Purchase Agreement are "deal breakers" and should not be adopted by the Attorney General.

**A. St. Francis Medical Center**

7. The Recommended Conditions for SFMC include a requirement that, for at least 10 years from the closing date, SFMC maintain cancer services, including radiation oncology. First, SFMC currently does not have a full complement of cancer services to offer its patients. In fact, SFMC offers *only* radiation oncology, and does not provide infusion chemotherapy and does not have a formal surgical oncology program; SFMC patients who need these services go to other hospitals. All three of those cancer services are currently being provided to patients within the area by Long Beach Memorial, Downy PIH, Torrance Memorial Medical Center and Lakewood Community Hospital. In other words, other hospitals within the area offer a full array of cancer services that SFMC does not offer, and those hospitals can thoroughly meet the needs for such services in the area. SFMC, as a non-profit hospital, receives the benefit of the 340B program. The 340B Drug Discount Program is a U.S. federal government program that requires drug manufacturers to provide outpatient drugs to eligible health care organizations and covered entities at significantly reduced prices. SGM will operate SFMC as a for-profit hospital, and, therefore, the 340B program will no longer be available, thereby increasing the cost of supplies.

8. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain wound care services. The report fails to note that the wound care clinic was re-licensed as a multi-specialty clinic in 2019 (for gastrointestinal services and general surgery, among other specialties); requiring SFMC to continue to provide wound care in the multi-specialty clinic would prevent SFMC from providing in the same clinic at the same time—multi-specialty services to meet community needs. In addition, the report fails to note that the hyperbaric chamber that was utilized in connection with such wound care services was removed by the vendor in 2018. Other hospitals in the area provide wound care services for patients, including Long Beach Memorial, Torrance Memorial and Downey PIH.

**B. St. Vincent Medical Center**

9. The Recommended Conditions include a requirement that, for at least 5 years from the closing date, SVMC maintain cancer services, including radiation oncology. As is the case with SFMC, SVMC does *not* have a full complement of cancer services to offer its patients; SVMC does

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

1 not provide infusion or infusion chemotherapy, and does not have a formal surgical oncology  
2 program. SVMC patients who require those services are required to go to other hospitals. All four  
3 of those services are currently being provided at California Hospital, Good Samaritan, White  
4 Memorial, Hollywood Presbyterian and the Norris Cancer Center at USC Keck. In other words,  
5 other hospitals within the area offer a full array of services that SVMC does not offer, thoroughly  
6 meeting the need for such services in the area. As is the case with SFMC, the 340B program, which  
7 permits SVMC as a non-profit hospital, to obtain cancer supplies, principally pharmaceuticals, from  
8 vendors at discounted pricing, cannot continue at SVMC because SGM will operate SVMC as a  
9 for-profit hospital. The inability to utilize the financial advantages of the 340B program will have  
10 a material impact, increasing costs to provide cancer care.

11 10. As to both SFMC and SVMC, there are three facilities designated as National  
12 Cancer Institutes within the Los Angeles area, including the Norris Cancer Center at Keck USC  
13 Medical Center, City of Hope and UCLA Medical Center. Those facilities provide superior cancer  
14 treatment to their patients. All three are within 25 miles of SFMC and SVMC.

15 11. The Recommended Conditions for SVMC include a requirement that, for 5 years  
16 after the closing date, SVMC continue to provide liver transplants. The liver transplant program at  
17 SVMC only started in 2019. The reality is that the community has 5 neighboring liver transplant  
18 centers, which provide the same transplant services as SVMC. The cost to maintain the services is  
19 high, best demonstrated by the fact that in regards to the 10 liver transplants surgeries performed  
20 so far in 2019, patients have stayed an average of 35 days, which is 15 days over the geometric  
21 mean length of stay ("GMLOS"), which is a benchmark to enable comparison of length of stay  
22 versus severity of illness, set forth by Medicare. Worse, at the present time, SVMC is not receiving  
23 reimbursements because it is awaiting Medicare review of the program for certification.

24 **C. Seton Medical Center and Seton Coastside**

25 12. The Recommended Conditions requiring Seton to provide cancer services at its Daly  
26 City Campus should not be required as a condition for approval of the sale by the Attorney General.

27 13. More specifically, the Recommended Conditions include a requirement that for 6  
28 years from the closing date, Seton shall maintain cancer services at its Daly City Campus, including

1 oncology services, radiation therapy and infusion services. Seton provides radiation oncology and  
2 infusion therapy, but does not have a formal surgical oncology program. Accordingly, just as is  
3 the case with SFMC and SVMC, Seton does not have the full complement of cancer services to  
4 offer its patients. Seton patients who need the full array of services, that includes surgical oncology,  
5 go to other hospitals. A full array of cancer services are currently being provided to patients within  
6 the area, at UCSF and Stanford, and at Mills Peninsula which is located within ten miles of Seton.  
7 Just as is the case with SFMC and SVMC, other hospitals within the area offer a full array of cancer  
8 services, thoroughly meeting the community's needs for such services. Finally, just as is the case  
9 with SFMC and SVMC, the 340B program cannot continue in a for-profit hospital as proposed by  
10 SGM for Seton. Accordingly, the cost for Seton to provide cancer care without the 340B program  
11 will dramatically increase.

13 true and correct. Executed this 23rd day of August, 2019, in Los Angeles, California.

DECLARATION OF MAYA ALTMAN

I, Maya Altman, declare that I have personal knowledge of the facts set forth in this declaration and I would competently testify to them under oath if called as a witness.

1. I am the CEO for the Health Plan of San Mateo. My office is located at 801 Gateway Blvd., South San Francisco, California.

2. The Health Plan of San Mateo (HPSM) is a County Organized Health System (COHS) that contracts with the State of California to operate the Medi-Cal program in San Mateo County. HPSM is the single Medi-Cal plan in this county. HPSM contracts with providers in San Mateo County as well as nearby counties to provide health services, including long term care and skilled nursing care, for its members. Seton Medical Center and Seton Coastsides both currently contract with HPSM. HPSM has approximately 140,000 members; nearly all of them are enrolled in Medi-Cal or dually eligible for both Medicare and Medi-Cal.

3. I have been the CEO of HPSM since 2005. Prior to this position, I was the Director of Finance and Administration for the San Mateo County Health Department. I started with San Mateo County Health in 1994 and worked in various capacities before assuming responsibility for finance and administration.

4. I received a Master's Degree in Public Policy from the University of California at Berkeley, and a Bachelor of Arts degree from Bryn Mawr College.

5. Seton Medical Center and Seton Coastsides offer services to HPSM members that are unavailable or minimally available from other providers. For example, Seton Medical Center operates the only subacute unit in San Mateo County, a 44 bed unit fully occupied with nearly all Medi-Cal beneficiaries. Were Seton Medical Center to close, these ventilator dependent patients would have to be moved to facilities at a great distance from their families.

6. Seton Medical Center and Seton Coastsides operate a combined total of 155 skilled nursing facility beds. HPSM is gravely concerned about the erosion of SNF resources in San Mateo County and the Bay Area for people who are publicly insured

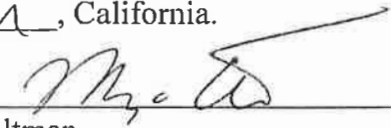

1 through Medi-Cal and Medicare. This is a national trend but is especially problematic in  
2 San Mateo County where the population is aging faster than the rest of California. The  
3 county's population of residents over the age of 65 is projected to increase by 57% from  
4 91,447 in 2015 to 160,366 in 2030. San Mateo County's In Home Support Services  
5 (IHSS) Medi-Cal population is already 26% over the age of 85 compared to 15% in the  
6 rest of California. San Mateo County has already lost 264 licensed SNF beds since 2009,  
7 making it extremely difficult to place Medi-Cal enrollees who need this level of care in  
8 nursing facilities.

9 7. Were Seton Medical Center and Seton Coastside to close, Medi-Cal  
10 beneficiaries needing skilled nursing facilities would have to be placed in facilities far  
11 away, most likely outside of the Bay Area and at a great distance from their families.

12  
13 I declare under penalty of perjury under the laws of the United States that the  
14 foregoing is true and correct.

15 Executed this 21<sup>st</sup> day of August, 2019, in South San Francisco, California.

Strategic Global Management, Inc. (“SGM”) submits its statement in support of the “Debtor’s Emergency Motion For Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV) Granting Related Relief” [Doc. No. 3188] (the “Motion”) filed by Verity Health Systems of California, Inc., *et al.* (the “Debtors” or “Verity,” and together with SGM, the “APA Parties”), and respectfully represents as follows:

I.

**STATEMENT IN SUPPORT OF MOTION**

1. After careful review of the additional conditions (the “Additional Conditions”) imposed by the California Attorney General (the “Attorney General”) on the sale (the “Sale”) of St. Vincent Medical Center, St. Vincent Dialysis Center, St. Francis Medical Center, and Seton Medical Center (including its Seton Medical Center Coastside campus) (collectively, the “SGM Hospitals”), SGM has determined that:

- (1) the Additional Conditions are materially different from, and inconsistent with the “bargained for” negotiated conditions (the “Negotiated Conditions”) agreed upon by the APA Parties, as set forth in Schedule 8.6 of the asset purchase agreement (the “APA”);
- (2) the Additional Conditions are unacceptable to SGM; and
- (3) SGM will not close the Sale unless the Debtors timely obtain an order from the Court finding that the Additional Conditions are “interests in property” that can be sold free and clear pursuant to Section 363(f) of the Bankruptcy Code, as described more fully in Section 8.6 of the APA (the “Free and Clear Order”).

2. The AG’s decision to impose the Additional Conditions (the “Decision”) – despite the AG being previously informed that SGM would not close the Sale if any additional material, or more onerous conditions are imposed to the Negotiated Conditions – now entitles SGM to “terminate the [APA] and receive the return of its Good Faith Deposit” if the Debtors determine not to seek, or cannot timely (*i.e.*, within 60 days of the Decision) an order from this Court

1 finding “that the Additional Conditions are an ‘interest in property’ for purposes of 11 U.S.C. §  
2 363(f), and that the assets can be sold free and clear of the Additional Conditions without the  
3 imposition of any other conditions, which would adversely affect the Purchaser.” *See* (APA §  
4 8.6) (“Attorney General Provisions”).

5 3. As described in the “*Declaration of Peter Baronoff*” filed on September 30, 2019,  
6 the contents of which are incorporated herein by this reference, the issue regarding the  
7 prospective conditions that might be imposed by the Attorney General (the “AG Conditions  
8 Issue”) was one of the most negotiated issues, and important subjects to SGM.

9 4. Specifically, over the course of several months from November 2018 to February  
10 2019, SGM discussed with the Debtors’ representatives the possible acquisition of the SGM  
11 Hospitals. During these discussions, there were innumerable issues that the APA Parties  
12 confronted, discussed, negotiated, and ultimately resolved when a final agreement on the form  
13 and terms of the APA was reached.

14 5. One of the most important, and intensely negotiated, subjects during these  
15 discussions involved the AG Conditions Issue. SGM was aware from its previous attempt to  
16 acquire another hospital in the Gardens Regional Hospital Chapter 11 case before this court, and  
17 from other bankruptcy cases in which it was involved that its acquisition of the SGM Hospitals  
18 would undergo an approval process by the Attorney General and recognized the importance of  
19 negotiating a provision in the APA that would protect it from the possibility that the Attorney  
20 General would impose onerous conditions on the Sale, which would be unacceptably burdensome  
21 to it from a financial standpoint or otherwise. As a result, the APA Parties spent an enormous  
22 amount of time negotiating the provisions of what became Section 8.6 (and Schedule 8.6  
23 referenced therein) of the APA.

24 6. Section 8.6 of the APA was designed to create a process by which the APA Parties  
25 could address potential problems created by the imposition of Additional Conditions, which were  
26 not acceptable to SGM. In essence, the APA Parties agreed that if the Attorney General imposed  
27 unacceptable Additional Conditions, SGM would not be obligated to close the Sale unless the  
28 Debtors timely obtained a Free and Clear Order from the Court. The “Additional Conditions”

referred to in Section 8.6 of the APA were those conditions which, individually or in the aggregate, imposed on SGM \$5 million or more of costs beyond the cost of the conditions which SGM had agreed to accept, as set forth in Schedule 8.6 to the APA.

7. Here, the Additional Conditions are materially different from, and inconsistent with the Negotiated Conditions set forth in Schedule 8.6 to the APA. SGM has advised the Debtors that it will not close the Sale unless the Debtors timely obtain a Free and Clear Order from the Court, and otherwise comply with section 8.6 and all other conditions to closing.

8. SGM reserves any and all arguments and rights that it may have pertaining to the Sale, APA, and ability to terminate the APA (including, but not limited to, termination of the APA if the Free and Clear Order does not timely become “a final, non-appealable order,” as defined in the APA).

## II.

### CONCLUSION

For the foregoing reasons, SGM respectfully requests that the Court grant the Motion, and grant such other and further relief as is just and appropriate.

Before the Court is the Debtors' motion to sell four not-for-profit hospitals free and clear of regulatory conditions which the California Attorney General claims authority to impose under Cal. Corp. Code § 5914. For the reasons set forth below, the Court finds that § 363 of the Bankruptcy Code authorizes a sale free and clear of the conditions which the Attorney General contends he is authorized to impose.

## I. Facts

On August 31, 2018 (the "Petition Date"), Verity Health Systems of California ("VHS") and certain of its subsidiaries (collectively, the "Debtors") filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtors' cases are being jointly administered.

As of the Petition Date, the Debtors operated six acute care hospitals in the state of California. On December 27, 2018, the Court authorized the Debtors to sell two of their hospitals—O'Connor Hospital and Saint Louise Regional Hospital—to Santa Clara County (the "Santa Clara Sale").<sup>1</sup> The Santa Clara Sale closed on February 28, 2019.

On February 19, 2019, the Court entered an order establishing bidding procedures (the "Bidding Procedures Order") for the auction of the Debtors' four remaining hospitals—St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (including St. Vincent Dialysis Center) ("St. Vincent"), Seton Medical Center ("Seton"), and Seton Medical Center Coastside ("Seton Coastside") (collectively, the "Hospitals"). Under the Bidding Procedures Order, Strategic Global Management ("SGM") was designated as the stalking horse bidder. SGM's bid for all four of the Hospitals was \$610 million.

The Hospitals were extensively marketed by the Debtors' investment banker, Cain Brothers, a division of KeyBank Capital Markets, Inc. ("Cain Brothers"). Cain Brothers notified ninety parties of the auction process. Sixteen of these parties requested continued access to a data room containing information about the Hospitals.

Notwithstanding Cain Brothers' thorough marketing efforts, the Debtors did not receive any qualified bids for all of the Hospitals. The Debtors received one bid to purchase only St. Vincent and one bid to purchase only St. Francis. After consulting with the Official Committee of Unsecured Creditors (the "Committee") and the largest secured creditors, the Debtors determined not to conduct an auction. On May 2, 2019, the Court entered an order finding that SGM was the winning bidder and approving the sale to SGM (the "SGM Sale").

In 2015, prior to the commencement of these cases, the Debtors' predecessor sought authorization from the California Attorney General (the "Attorney General"), pursuant to Cal. Corp. Code § 5914, to implement a *System Restructuring and Support Agreement* (the "Restructuring Agreement"). The Attorney General approved the Restructuring Agreement, subject to various conditions (the "2015 Conditions"). Among other things, the 2015 Conditions required capital expenditures to make the Hospitals seismically compliant, and required the Hospitals to maintain specified levels of emergency services, intensive care services, cardiac services, and various other services.

Cal. Corp. Code § 5914 requires a non-profit entity operating a health facility to obtain approval from the Attorney General when selling a material amount of its assets to a for-profit entity. Pursuant to Cal. Corp. Code § 5914, the Debtors submitted the SGM Sale to the Attorney General for review.

---

<sup>1</sup> For a description of the Santa Clara Sale, see *In re Verity Health Sys. of California, Inc.*, 598 B.R. 283 (Bankr. C.D. Cal. 2018) ("*Verity I*").

The Asset Purchase Agreement under which SGM agreed to purchase the Hospitals (the “APA”) provided that SGM would close the sale so long as any conditions imposed by the Attorney General under the review process set forth in Cal. Corp. Code § 5914 were substantially consistent with conditions that SGM had agreed to accept (the “Approved Conditions”).<sup>2</sup> In the event that the Attorney General sought to impose conditions materially different from the Approved Conditions (the “Additional Conditions”), the APA provided that the Debtors would have an opportunity to seek a determination from the Court that the Hospitals could be sold free and clear of the Additional Conditions under § 363(f) of the Bankruptcy Code. Under the APA, Additional Conditions imposing upon SGM costs of \$5 million or more are conclusively deemed to be materially different from the Approved Conditions. Further, if the Debtors fail to obtain a final, non-appealable order authorizing the sale free and clear of the Additional Conditions, SGM is not obligated to close on the sale and is entitled to a refund of its good faith deposit.

On September 25, 2019, the Attorney General consented to the SGM Sale, subject to various conditions (the “2019 Conditions”). The 2019 Conditions are materially different from the Approved Conditions that SGM had agreed to accept. In particular, two of the 2019 Conditions impose an additional financial burden upon SGM of approximately \$305 million. First, the 2019 Conditions require that SGM continue to operate St. Vincent as a licensed general acute care hospital through December 2024. SGM had agreed to maintain St. Vincent’s general acute care license only through December 2020. SGM estimates that continuing to operate St. Vincent as a general acute care hospital for an additional four years would cost approximately \$285 million. Second, the 2019 Conditions require St. Francis to provide annual charity care in an amount of \$12,793,435 for six fiscal years. The required charity care amount is approximately \$6.4 million more than the charity care that St. Francis provided in fiscal year 2019. The charity care requirement imposes an additional incremental cost of approximately \$20 million.

SGM will not close the sale absent an order finding that the Hospitals can be sold free and clear of the Additional Conditions pursuant to § 363(f). If the SGM Sale does not close, the most likely outcome will be the closure of St. Vincent, Seton, and Seton Coastside. The Debtors would be required to close these three Hospitals to conserve resources to continue to operate St. Francis, the most solvent of the Hospitals, during the time it would take to obtain approval of a sale of St. Francis. The Debtors cannot continue to sustain operational losses of approximately \$450,000 per day without the prospect of a prompt sale. There is no back-up bidder to purchase the Hospitals if the SGM Sale does not close.

The Debtors are facing very significant liquidity constraints. Recently, the California Department of Health Care Services (the “DHCS”) began withholding certain Medi-Cal fee-for-service payments owed to the Debtors, for the purposing of recovering alleged Medi-Cal overpayments. As of the beginning of October 2019, DHCS had withheld approximately \$4.5 million. The Debtors do not have the ability to borrow under any debtor-in-possession financing facility. At this time, the Debtors’ cases are being financed by a consensual cash collateral stipulation executed between the Debtors and the principal secured creditors (the “Cash Collateral Stipulation”). Termination of the APA constitutes an event of default under the Cash Collateral Stipulation. It is unclear whether the Debtors would be able to obtain alternative financing. Further, the Debtors must begin the expensive process of closing the Hospitals while

---

<sup>2</sup> The Approved Conditions are set forth in Schedule 8.6 of the APA.

they still possess a significant cash buffer.<sup>3</sup> In short, the Debtors' prediction that failure of the SGM Sale would necessitate the closure of St. Vincent, Seton, and Seton Coastsides is not a bluff.

The Attorney General asserts that imposition of the 2019 Conditions will not result in the closure of St. Vincent, Seton, or Seton Coastsides. The Attorney General points to a declaration from Kenneth Sim, M.D. (the "Sim Decl."), the Chairman of Allied Physicians of California, A Professional Medical Corporation ("Allied"). According to the Attorney General, the Sim Decl. shows that Allied is prepared to acquire Seton and Seton Coastsides and operate both Hospitals in accordance with the 2019 Conditions.

Contrary to the Attorney General's characterization, the Sim Decl. provides no certainty that a sale of Seton and Seton Coastsides will occur. The Sim Decl. states only that "Allied remains interested in purchasing Seton ...." Sim Decl. at ¶ 5. The Court further notes that Allied did not timely submit a qualified bid for Seton. At this late stage in the proceedings, Allied's vague statement that it is "interested" in purchasing Seton and Seton Coastsides does nothing to dissuade the Court from its conclusion that absent consummation of the SGM Sale, Seton and Seton Coastsides will most likely close.

The Attorney General also points to a bid for the Hospitals submitted by Prime Healthcare ("Prime"). The Attorney General overlooks the Prime did not submit a qualified bid. Among other things, Prime failed to submit the mandatory good faith deposit. In fact, Prime itself recognized that its "bid will not be formally considered at auction" and was submitted only "for reference."<sup>4</sup> Further, Prime stated that it did not want to serve as a back-up bidder.<sup>5</sup> In short, Prime's offer to purchase the Hospitals is just as illusory as Allied's.

Finally, the Attorney General points to an offer by AHMC Healthcare, Inc. ("AHMC Healthcare") to purchase St. Francis. The Attorney General is correct that AHMC submitted a qualified bid to purchase St. Francis. However, even assuming that AHMC would follow through on its prior bid to purchase St. Francis, that still would not prevent the closure of St. Vincent, Seton, and Seton Coastsides. As discussed above, the Debtors lack sufficient cash to continue operating all four Hospitals during the time it would take for a sale of St. Francis to close. The Debtors would be required to close St. Vincent, Seton, and Seton Coastsides to conserve the cash necessary to operate St. Francis during the sale process.

It is against this backdrop that the Debtors move for authorization to sell the Hospitals free and clear of the Additional Conditions, pursuant to § 363(f). The Debtors argue that the Additional Conditions constitute an "interest in property" within the meaning of § 363(f), and that a sale free and clear of the 2019 Conditions may be authorized under § 363(f)(1), (4), or (5), for the following reasons:

- Pursuant to § 363(f)(1), the Hospitals may be sold under applicable nonbankruptcy law, because under California law, the purchaser of assets does not assume successor liability.
- Pursuant to § 363(f)(4), the validity of the Additional Conditions is subject to a *bona fide* dispute, because the Attorney General abused his discretion in imposing the Additional Conditions.

---

<sup>3</sup> For a description of the difficulties associated with closing a much smaller hospital, see *In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 829 (Bankr. C.D. Cal. 2017), *appeal dismissed*, No. 2:16-BK-17463-ER, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018).

<sup>4</sup> April 3, 2019 E-mail from Prime to the Debtors [Doc. No. 3333, Ex. 6].

<sup>5</sup> *Id.*

- Pursuant to § 363(f)(5), the Attorney General could be compelled to accept a money satisfaction of certain of the Additional Conditions, such as the condition that SGM provide specified levels of charitable care.

The Debtors assert that imposition of the Additional Conditions violates § 525, which prohibits government entities from discriminating against debtors who have failed to pay dischargeable debts when issuing licenses. According to the Debtors, the Additional Conditions constitute an attempt by the Attorney General to collect a dischargeable debt. The Debtors' theory is that Attorney General's refusal to approve the SGM Sale absent imposition of the Additional Conditions amounts to the discriminatory denial of licensure in contravention of § 525.

Finally, the Debtors request that the Court issue a writ of mandate compelling the Attorney General to approve the SGM Sale without imposition of the Additional Conditions, pursuant to Cal. Civ. Proc. Code § 1085 or § 1094.5. The Debtors assert that a writ of mandate is justified because the Attorney General abused his discretion by imposing the Additional Conditions.

The Committee supports the Motion. The Committee argues that prompt closing of the SGM Sale is the best means of insuring a distribution to unsecured creditors.

The Attorney General opposes the Motion. He disputes the Debtors' contention that the Hospitals may be sold under applicable nonbankruptcy law, or that a bona fide dispute exists as to the Attorney General's authority to impose the Additional Conditions. The Attorney General denies that he abused his discretion in imposing the Additional Conditions. He notes that he considered an extensive record in arriving at the Additional Conditions, and states that the Debtors' dislike of the Additional Conditions does not mean that imposing the conditions was an abuse of discretion.

Service Employees International Union, United Healthcare Workers-West ("SEIU-UHW"), which represents approximately 1,303 employees at St. Vincent and St. Francis, opposes the Motion. SEIU-UHW contends that the Additional Conditions are economically feasible for SGM.

The United Nurses Association of California/Union of Health Care Professional ("UNAC"), which represents approximately 900 registered nurses at St. Francis, urges SGM, the Attorney General, and the Debtors to explore prospects for a consensual resolution with respect to the Additional Conditions.

## II. Discussion

Section 363(d)(1) authorizes non-profit entities, such as the Debtors, to sell estate assets only if the sale is "in accordance with nonbankruptcy law applicable to the transfer of property by" a non-profit entity. Section 541(f) similarly provides that property held by debtors that are § 501(c)(3) corporations under the Internal Revenue Code may be transferred, but "only under the same conditions as would apply if the debtor had not filed a case under this title." Section 363(b) authorizes the Debtors to sell estate property out of the ordinary course of business, subject to court approval. The Debtors must articulate a business justification for the sale. *In re Walter*, 83 B.R. 14, 19–20 (9th Cir. BAP 1988). Whether the articulated business justification is sufficient "depends on the case," in view of "all salient factors pertaining to the proceeding." *Id.* at 19–20. Section 363(f) provides that a sale of estate property may be "free and clear of any interest in such property of an entity other than the estate," provided that certain conditions are satisfied.

**A. The Additional Conditions are an “Interest in Property” Within the Meaning of § 363(f)**

As this Court has previously explained:

The Bankruptcy Code does not define the phrase “interest in ... property” for purposes of § 363(f). The Third Circuit has held that the phrase “interest in ... property” is “intended to refer to obligations that are connected to, or arise from, the property being sold.” *Folger Adam Sec., Inc. v. DeMatteis/MacGregor JV*, 209 F.3d 252, 259 (3d Cir. 2000). That conclusion is echoed by *Collier on Bankruptcy*, which observes a trend in caselaw “in favor of a broader definition [of the phrase] that encompasses other obligations that may flow from ownership of the property.” 3 Alan N. Resnick & Henry J. Sommer, *Collier on Bankruptcy* ¶ 363.06[1] (16th ed. 2017).

Courts have held that interests in property include monetary obligations arising from the ownership of property, even when those obligations are imposed by statute. For example, in *Mass. Dep’t of Unemployment Assistance v. OPK Biotech, LLC (In re PBBPC, Inc.)*, 484 B.R. 860 (1st Cir. BAP 2013), the court held that taxes assessed by Massachusetts under its unemployment insurance statutes constituted an “interest in ... property.” The taxes were computed based on the Debtor’s “experience rating,” which was determined by the number of employees it had terminated in the past. *Id.* at 862. Because the Debtor had terminated most of its employees prior to selling its assets, its experiencing rating, and corresponding unemployment insurance tax liabilities, were very high. *Id.* The *PBBPC* court held that the experience rating was an interest in property that could be cut off under § 363(f). *Id.* at 869–70. Similarly, in *United Mine Workers of Am. Combined Benefit Fund v. Leckie Smokeless Coal Co. (In re Leckie Smokeless Coal Co.)*, 99 F.3d 573, 581, the court held that monetary obligations imposed by the Coal Industry Retiree Health Benefit Act of 1992 constituted an “interest in ... property” within the meaning of § 363(f).

*In re Gardens Reg’l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 825–26 (Bankr. C.D. Cal. 2017), appeal dismissed, No. 2:16-BK-17463-ER, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018) (“*Gardens P*”).

The Additional Conditions are an “interest in property” within the meaning of § 363(f). First, the Additional Conditions are monetary obligations arising from the ownership of property. Similar to the “experience rating” at issue in *PBBPC, Inc.*, the Additional Conditions were calculated based upon the Hospitals’ prior operating history. Among other things, the Additional Conditions require that SGM cause the Hospitals to provide specified levels of healthcare services. The required service levels have been set based upon the Hospitals’ historical operations. For example, the Additional Conditions require that St. Francis “maintain and provide 24-hour emergency and trauma medical services at no less than current licensure and designation with the same types and/or levels of services ....”<sup>6</sup> St. Francis is required to maintain cardiac services, critical care services, neonatal intensive services, women’s health services, cancer services, pediatric services, orthopedic and rehabilitation services, wound care services, behavioral health services, and perinatal services, all at “current licensures, types, and/or levels

---

<sup>6</sup> St. Francis Conditions at § IV [Doc. No. 3188, Ex. B].

of services.”<sup>7</sup> St. Vincent, Seton, and Seton Coastsides are also required to maintain various healthcare services at current levels.<sup>8</sup>

Second, the Attorney General’s statutory authority to impose the Additional Conditions arises from the Debtors’ operation of the Hospitals as non-profit entities. Had the Debtors not operated the Hospitals in this manner, there could be no contention that the SGM Sale is subject to the Attorney General’s review pursuant to Cal. Corp. Code § 5914. In this sense as well, the Additional Conditions “arise from the property being sold,” *In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003), and therefore qualify as an “interest in ... property” within the meaning of § 363(f).

Third, the Attorney General is barred by the law of the case doctrine from asserting that the Additional Conditions are not an “interest in ... property.” “Under the ‘law of the case’ doctrine, a court is ordinarily precluded from reexamining an issue previously decided by the same court, or a higher court, in the same case.” *Richardson v. United States*, 841 F.2d 993, 996 (9th Cir.), *amended*, 860 F.2d 357 (9th Cir. 1988). “For the doctrine to apply, the issue in question must have been ‘decided explicitly or by necessary implication in [the] previous disposition.’” *United States v. Lummi Indian Tribe*, 235 F.3d 443, 452 (9th Cir. 2000).

In connection with the Santa Clara Sale, the Court addressed the exact issue presented here—whether conditions that the Attorney General sought to impose upon the sale constituted an “interest in ... property” for purposes of § 363(f).<sup>9</sup> The Attorney General litigated the issue, and the Court overruled the Attorney General’s arguments.<sup>10</sup> The Attorney General voluntarily dismissed his appeal of the order finding that the conditions he sought to impose were an “interest in ... property.” The law of the case doctrine bars relitigation of the issue.

The doctrine of issue preclusion is a further bar to any attempt by the Attorney General to contest the Additional Conditions’ status as an “interest in ... property.” As explained by the Supreme Court, issue preclusion forecloses “‘successive litigation of an issue of fact or law actually litigated and resolved in a valid court determination essential to the prior judgment,’ even if the issue recurs in the context of a different claim.” *Taylor v. Sturgell*, 553 U.S. 880, 892, 128 S. Ct. 2161, 2171, 171 L. Ed. 2d 155 (2008) (internal citations omitted). The doctrine protects “against ‘the expense and vexation attending multiple lawsuits, conserve[s] judicial resources, and foster[s] reliance on judicial action by minimizing the possibility of inconsistent decisions.’” *Id.* Issue preclusion applies if “(1) the issue at stake was identical in both proceedings; (2) the issue was actually litigated and decided in the prior proceedings; (3) there was a full and fair opportunity to litigate the issue; and (4) the issue was necessary to decide the merits.” *Howard v. City of Coos Bay*, 871 F.3d 1032, 1041 (9th Cir. 2017).

---

<sup>7</sup> *Id.* at § VI.

<sup>8</sup> See St. Vincent Conditions at § VI (setting forth a list of healthcare services that St. Vincent must maintain at current levels); see also Seton and Seton Coastsides Conditions at § VI (same).

<sup>9</sup> See *Verity I*, 598 B.R. at 293 (“The Conditions [imposed by the Attorney General] are an ‘interest in property’ within the meaning of § 363(f). The Conditions provide that any owner of the Hospitals must furnish specified levels of emergency services, intensive care services, cardiac services, and various other services. The required service levels were derived based upon the historical experience of the prior operator. As such, the Conditions are monetary obligations arising from the ownership of property.”).

<sup>10</sup> See generally *Verity I*.

The Attorney General has litigated the issue presented here, both in connection with the Santa Clara Sale and in connection with a sale in *Gardens I* (the “Gardens Sale”). Just as he did in the Santa Clara Sale, the Attorney General claimed in the Gardens Sale the regulatory authority to impose conditions. The Court found that the Attorney General’s claim to regulatory authority was an “interest in ... property” for purposes of § 363(f). *Gardens I*, 567 B.R. at 826. The Attorney General is precluded from relitigating the issue of whether his claimed authority to impose conditions on the SGM Sale is an “interest in ... property.”

**B. The Debtors May Sell the Hospitals Free and Clear of the Additional Conditions Pursuant to § 363(f)(1)**

Sale of the Hospitals may be free and clear of the Additional Conditions only upon satisfaction of one or more of the five disjunctive sub-factors set forth in § 363(f). Under § 363(f)(1), a sale free and clear may be approved if permitted by applicable nonbankruptcy law.

Applicable nonbankruptcy law permits a sale free and clear for two reasons. First, the Attorney General’s attempt to impose the Additional Conditions upon SGM is equivalent to an attempt to impose successor liability upon SGM. California law does not authorize the imposition of successor liability upon SGM. Second, even if the Attorney General were authorized to impose successor liability under California law, the Attorney General abused his discretion in imposing the Additional Conditions, meaning that the Additional Conditions must be set aside.

**1. California Law Does Not Authorize the Attorney General to Impose Successor Liability Upon SGM**

*i. The Additional Conditions Qualify as Successor Liability*

The Attorney General’s attempt to impose the Additional Conditions upon SGM qualifies as an attempt to impose successor liability upon SGM. The reason is that the Additional Conditions impose upon SGM many of the same obligations imposed upon the Debtors by the 2015 Conditions. By attempting to enforce the Additional Conditions, the Attorney General is attempting to enforce the obligations imposed by the 2015 Conditions against SGM.

It is true that the 2015 Conditions are not identical to the Additional Conditions. Some medical services required under the 2015 Conditions are no longer required under the Additional Conditions. And unlike the 2015 Conditions, the Additional Conditions do not impose obligations to fund pension plans. But for the most part the Additional Conditions reinstate obligations imposed by the 2015 Conditions. For example, both the 2015 Conditions and the Additional Conditions require that St. Francis maintain cardiac services, including designation as a STEMI Receiving Center; critical care services, including a minimum of 36 intensive care unit beds; neonatal intensive care services, including a minimum of 29 neonatal intensive care beds; women’s health services, including women’s imaging services; cancer services, including radiation oncology; orthopedic and rehabilitation services; and wound care services. The Additional Conditions do not reinstate St. Francis’ obligation to maintain advanced certification as a Primary Stroke Center, and the Additional Conditions reduce St. Francis’ pediatric services obligation from 14 beds to 5 beds.

The 2015 Conditions required St. Francis to maintain the specified healthcare services for ten years from the date of the closing of the Restructuring Agreement. The Additional Conditions

require that the specified services be maintained for ten years from the date of the closing of the APA. That is, the Additional Conditions extend the term of the 2015 Conditions by approximately six years.

Considered within the overall scope of the obligations imposed, the differences between the 2015 Conditions and the Additional Conditions are comparatively inconsequential. The Attorney General relies upon these minor differences in support of his argument that the Additional Conditions do not impose successor liability. Such reliance is misplaced. The Additional Conditions still qualify as successor liability even though they are not exactly identical to the 2015 Conditions. Nor does the extension in the term of the reinstituted obligations remove the Additional Conditions from the category of successor liability.

The Attorney General argues that the Additional Conditions do not impose successor liability because they are SGM's own obligations, going forward from the date of the sale. According to the Attorney General, the Additional Conditions are based upon healthcare impact reports prepared for each Hospital. The Attorney General asserts that it is not surprising that the Additional Conditions resemble the 2015 Conditions, which are only four years old and relate to the same Hospitals and communities. Citing *In re General Motors Corp.*, 407 B.R. 463, 508 (Bankr. S.D.N.Y. 2009), the Attorney General analogizes the Additional Conditions to the environmental remediation liabilities that would remain the obligation of a purchaser of contaminated real estate.

These arguments are not persuasive. In *General Motors*, the environmental remediation obligations were not successor liability because any entity purchasing contaminated property would have an obligation to comply with environmental law:

Under section 363(f), there could be no successor liability imposed on the purchaser for the [seller's] ... monetary obligations related to cleanup costs, or any other obligations that were obligations of the seller. But the purchaser would have to comply with its environmental responsibilities starting with the day it got the property, and if the property required remediation as of that time, any such remediation would be the buyer's responsibility .... Those same principles will be applied here. Any Old GM properties to be transferred will be transferred free and clear of successor liability, but New GM will be liable from the day it gets any such properties for its environmental responsibilities going forward.

*In re Gen. Motors Corp.*, 407 B.R. 463, 508 (Bankr. S.D.N.Y. 2009).

There is a key difference between the contaminated property at issue in *General Motors* and the Hospitals at issue here. Any entity that purchased the contaminated property at issue in *General Motors* would have been required to comply with environmental regulations going forward. A purchaser's duty to comply with environmental regulations would not vary based upon the identity of the purchaser or the identity of the seller. Here, by contrast, whether a purchaser is obligated to comply with Attorney General conditions can vary, depending upon either the identity of the purchaser or the identity of the seller. There is no general obligation imposed upon an entity that purchases a hospital in the State of California to operate that hospital in accordance with conditions asserted by the Attorney General. The Attorney General's regulatory authority applies only to non-profit hospitals, and only to certain types of sale transactions. Had the Hospitals been sold to a public entity, such as the County of Los Angeles, the Attorney General could not have reviewed the sale. See *Verity I*, 598 B.R. at 294 (holding

that Cal. Corp. Code § 5914 did not apply where non-profit hospitals were sold to a public entity). Had the Hospitals been operated by a for-profit entity, the Attorney General could not have reviewed the sale. *See* Cal. Corp. Code § 5914(a) (requiring only nonprofit corporations to submit the sale of assets to Attorney General review).

Because the obligation to comply with the Additional Conditions is contingent upon the identity of the purchaser and the identity of the seller, the conditions cannot fairly be characterized as the purchaser's obligation to comply with applicable law on a going-forward basis. The Attorney General can claim authority to impose the Additional Conditions upon purchaser SGM only because the Debtors operated the Hospitals as non-profit entities. Since the Attorney General's alleged authority to impose the Additional Conditions derives from the manner in which the sellers operated the Hospitals, the Additional Conditions are appropriately characterized as successor liability.

*ii. Successor Liability Cannot Be Imposed Under California Law*

Under California law, the general rule is “that where a corporation purchases, or otherwise acquires by transfer, the assets of another corporation, the acquiring corporation does not assume the selling corporation's debts and liabilities.” *Fisher v. Allis-Chalmers Corp. Prod. Liab. Tr.*, 95 Cal. App. 4th 1182, 1188, 116 Cal. Rptr. 2d 310, 315 (2002). The general rule does not apply if “(1) there is an express or implied agreement of assumption, (2) the transaction amounts to a consolidation or merger of the two corporations, (3) the purchasing corporation is a mere continuation of the seller, or (4) the transfer of assets to the purchaser is for the fraudulent purpose of escaping liability for the seller's debts.” *Id.*

None of the exceptions to the general rule are present here. First, SGM has not agreed to assume the Additional Conditions, either expressly or by implication. Second, the SGM Sale is not a consolidation or merger of the Debtors and SGM. A sale transaction is a consolidation or merger of two corporations “where one corporation takes all of another's assets without providing any consideration that could be made available to meet claims of the other's creditors or where the consideration consists wholly of shares of the purchaser's stock which are promptly distributed to the seller's shareholders in conjunction with the seller's liquidation.” *Ray v. Alad Corp.*, 19 Cal. 3d 22, 28, 560 P.2d 3 (1977) (internal citations omitted). Neither factor applies. SGM is paying for the Hospitals in cash (not stock),<sup>11</sup> and that cash will be distributed to the Debtors' creditors through a plan of liquidation. Third, SGM is not a mere continuation of the Debtors. A purchaser is a mere continuation of a seller if there is inadequate consideration for the purchaser or if one or more persons are officers, directors, or stockholders of both corporations. *Id.* Consideration for the SGM Sale is adequate and no officers or directors of the Debtors are officers or directors of SGM.<sup>12</sup> Fourth, the Debtors are not selling the Hospitals for the purpose of escaping liabilities for their debts. In fact, the opposite is true—the objective of the SGM Sale is to generate proceeds to pay the Debtors' debts, to the extent possible. In sum, successor liability cannot be imposed on SGM under California common law.

Successor liability cannot be imposed under Cal. Corp. Code §§ 5914–5919. Cal. Corp. Code § 5914 authorizes the Attorney General to review transactions in which a non-profit healthcare

<sup>12</sup> As nonprofit public benefit corporations, the Debtors do not have stockholders.

facility seeks to transfer a material amount of its assets to a for-profit entity, and provides in relevant part:

Any nonprofit corporation that is defined in Section 5046 and operates or controls a health facility, as defined in Section 1250 of the Health and Safety Code, or operates or controls a facility that provides similar health care, regardless of whether it is currently operating or providing health care services or has a suspended license, shall be required to provide written notice to, and to obtain the written consent of, the Attorney General prior to entering into any agreement or transaction to do either of the following:

(A) Sell, transfer, lease, exchange, option, convey, or otherwise dispose of, its assets to a for-profit corporation or entity or to a mutual benefit corporation or entity when a material amount of the assets of the nonprofit corporation are involved in the agreement or transaction.

Cal. Corp. Code § 5914(a)(1) (West).

The “Attorney General shall have discretion to consent to, give conditional consent to, or not consent to” the transaction. Cal. Corp. Code § 5917.

Nothing within the statute authorizes the Attorney General to impose successor liability upon SGM, the for-profit entity that purchased the healthcare assets from the non-profit Debtors. Under the statute, the Attorney General is authorized to review transactions entered into by a “nonprofit corporation that ... operates or controls a health facility,” Cal. Corp. Code § 5914(a)(1), and to “consent to, give conditional consent to, or not consent to” any such transactions, Cal. Corp. Code § 5917. These provisions do not grant the Attorney General authority to impose going-forward obligations on the assets that are the subject of the transaction. That is, the statute does not provide that the healthcare assets themselves are subject to regulation by the Attorney General. Rather, it is the non-profit status of the entity operating the healthcare assets that triggers the Attorney General’s regulatory authority. Upon transfer of the healthcare assets from the non-profit entity to the for-profit entity, the Attorney General’s regulatory authority over the assets terminates.

The issue of the Attorney General’s authority to impose successor liability arose in the case of *La Paloma Generating Co.*, No. 16-12700, 2017 WL 5197116 (Bankr. D. Del. Nov. 9, 2017). In *La Paloma*, the debtor operated a power plant subject to a cap-and-trade emissions regulation. The regulation required “Covered Entities”—defined as entities engaging in operations that generated emissions—to surrender “Compliance Instruments” equal to the amount of emissions generated at specified times. At issue was whether a power plant could be sold “free and clear of, and without the purchaser assuming, any obligation to surrender compliance instruments under the California Cap-and-Trade Program for emissions generated by the Debtors and/or their facility during the period before the transfer of the assets.” *Id.* at \*2. The court found that “[u]nder the Regulation, only entities—and not assets—are Covered Entities” subject to the obligation to surrender Compliance Instruments. *Id.* at \*5. As a result, the court found, the debtors could sell the power plant free and clear of the surrender obligations, pursuant to § 363(f)(1). *Id.* at \*8. The court reasoned that the regulation did not impose successor liability on the purchaser, because it imposed liability only on “Covered Entities,” and the purchaser would not become a Covered Entity until after it acquired the power plant. *Id.* at \*7–\*8. The regulation, the court held, was limited to Covered Entities, and could not be used to “impugn liability on the purchaser of ... the Covered Entity’s assets.” *Id.* at \*8.

With respect to the imposition of successor liability, the statute at issue here operates in the same manner as the regulation examined in *La Paloma*. Similar to the regulation in *La Paloma*, Cal. Corp. Code § 5914–5919 permits the imposition of liability upon the Hospitals only because they are operated by a non-profit corporation. That is, independent of the fact that they are operated by a non-profit entity, nothing within Cal. Corp. Code § 5914–5919 authorizes the Attorney General to impose liabilities upon the Hospitals. Further, the Attorney General’s regulatory authority under the statute does not extend to for-profit entities. As was the case in *La Paloma*, Cal. Corp. Code § 5914–5919 does not authorized the Attorney General to impose liability upon the for-profit purchaser of the Hospitals.

The Attorney General argues that the statute’s implementing regulations authorize the imposition of successor liability. Specifically, the Attorney General points to Cal. Code Regs. Tit. 11, § 999.5, which provides in relevant part:

It is the policy of the Attorney General, in consenting to an agreement or transaction involving a general acute care hospital, to require for a period of at least five years the continuation at the hospital of existing levels of essential healthcare services, including but not limited to emergency room services. The Attorney General shall retain complete discretion to determine whether this policy shall be applied in any specific transaction under review.

Cal. Code Regs. tit. 11, § 999.5.

Significantly, the statute’s implementing regulations do not differentiate between Cal. Corp. Code §§ 5914–5919, which codifies the Attorney General’s authority to review transfers between a non-profit and a for-profit entity, and Cal. Corp. Code §§ 5920–5925, which codifies the Attorney General’s authority to review transfers between a non-profit entity and a different non-profit entity. Where assets are transferred between two different non-profit entities, the structure of the statute clearly provides the Attorney General the authority to impose successor liability.

The Court construes Cal. Code Regs. Tit. 11, § 999.5 as implementing Cal. Corp. Code §§ 5920–5925, not as implementing Cal. Corp. Code §§ 5914–5919. Cal. Corp. Code §§ 5920–5925 does authorize the imposition of successor liability, whereas Cal. Corp. Code §§ 5914–5919 does not. This construction is appropriate because it harmonizes the language of the regulation with the language of the statute, while still giving full effect to every part of the regulation. *See Butts v. Bd. of Trustees of California State Univ.*, 225 Cal. App. 4th 825, 835, 170 Cal. Rptr. 3d 604, 612 (2014) (“The rules of statutory construction also govern our interpretation of regulations promulgated by administrative agencies. We give the regulatory language its plain, commonsense meaning. If possible, we must accord meaning to every word and phrase in the regulation, and we must read regulations as a whole so that all of the parts are given effect.”).

Because the Attorney General’s authority to review the sale arises under Cal. Corp. Code §§ 5914–5919, the Attorney General cannot rely upon Cal. Code Regs. tit. 11, § 999.5, which implements Cal. Corp. Code §§ 5920–5925, as the basis for imposing successor liability upon SGM.

2. Even if California Law Allowed the Attorney General to Impose Successor Liability Upon SGM, the Attorney General Abused his Discretion in Imposing the Additional Conditions

As set forth below, the Court finds that the Attorney General's decision to impose the Additional Conditions is subject to judicial review by administrative mandate under California law. This Court is empowered to conduct such judicial review pursuant to § 1221(e) of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 ("BAPCPA"), which provides:

Nothing in this section shall be construed to require the court in which a case under chapter 11 of title 11, United States Code, is pending to remand or refer any proceeding, issue, or controversy to any other court or to require the approval of any other court for the transfer of property.

Pub. L. No. 109-8, § 1221(e) (2005).<sup>13</sup> See also *In re HHH Choices Health Plan, LLC*, 554 B.R. 697, 700 (Bankr. S.D.N.Y. 2016) (construing New York state law to determine the appropriate disposition of a non-profit debtor's assets).

Upon review of the Attorney General's decision, the Court finds that the imposition of the Additional Conditions constituted an abuse of discretion, for the reasons explained below. Therefore, the Additional Conditions must be set aside, which means that the Debtors are authorized to sell the Hospitals free and clear of the Additional Conditions under applicable nonbankruptcy law.

*i. The Attorney General's Imposition of the Additional Conditions is Subject to Judicial Review by Administrative Mandate*

Cal. Civ. Proc. Code § 1094.5 provides for judicial review by administrative mandate of decisions made by agencies or officers of the State of California. A writ of mandate may be issued if the agency or officer making the decision engaged in a "prejudicial abuse of discretion." Cal. Civ. Proc. Code § 1094.5(b). An "abuse of discretion is established if ... the order or decision is not supported by the findings, or the findings are not supported by the evidence." *Id.*

The Attorney General contends that administrative mandamus review is not available because the Additional Conditions were not issued subsequent to "a proceeding in which by law a hearing is required to be given, evidence is required to be taken, and discretion in the determination of facts is vested in the inferior tribunal." Cal. Civ. Proc. Code § 1094.5(a). The Attorney General acknowledges that he conducted "public meetings ... to hear comments from interested parties" as required by Cal. Corp. Code § 5922. However, the Attorney General asserts that such public meetings were not "hearings" within the meaning of Cal. Civ. Proc. Code § 1094.5(a), because public comments were not presented under oath and no effort was made to determine the accuracy of the information offered by members of the public. The Attorney General's position is that the Debtors are entitled only to traditional mandamus review under Cal. Civ. Proc. Code § 1085.

"Quasi-legislative acts are ordinarily reviewed by traditional mandate, and quasi-judicial acts are reviewed by administrative mandate. 'Generally speaking, a legislative action is the formulation of a rule to be applied to all future cases, while an adjudicatory act involves the actual application of such a rule to a specific set of existing facts.'" *Friends of the Old Trees v. Dep't of Forestry & Fire Prot.*, 52 Cal. App. 4th 1383, 1389, 61 Cal. Rptr. 2d 297, 303 (1997) (internal citation omitted).

---

<sup>13</sup> This provision of BAPCPA does not appear in the Bankruptcy Code itself.

The Court is not persuaded by the Attorney General's contention that administrative mandamus review is unavailable to the Debtors. In reviewing the SGM Sale, the Attorney General hired JD Healthcare, Inc. to prepare expert reports containing information on how the SGM Sale would affect the availability of healthcare services in the regions served by the Hospitals. The JD Healthcare expert reports contained recommendations regarding the conditions that the Attorney General should impose on the SGM Sale. Upon receiving the expert reports, the Attorney General asked the Debtors to respond to the conditions recommended by JD Healthcare. The Attorney General conducted public meetings, all of which were transcribed, at which members of the public commented on the SGM Sale. "[P]urely documentary proceedings can satisfy the hearing requirement of Code of Civil Procedure § 1094.5, so long as the agency is required by law to accept and consider evidence from interested parties before making its decision." *Friends of the Old Trees*, 52 Cal. App. 4th at 1391–92. A "trial-type hearing" is not necessary. *Id.* at 1392.

The Attorney General's review involved "the actual application of ... a rule to a specific set of existing facts." *Friends*, 52 Cal. App. 4th at 1389. The Attorney General received evidence from JD Healthcare, heard comments from members of the public, and elected to impose the Additional Conditions after considering all the evidence collected during the review process. The Attorney General's review of the SGM Sale was a quasi-judicial act subject to review by administrative mandate.

The Attorney General next asserts that administrative mandamus review is unavailable because the Debtors have failed to produce the complete administrative record supporting the Attorney General's decision. This contention is without merit. For purposes of administrative mandamus review, a partial record is sufficient if it "accurately represent[s] the administrative proceedings, provide[s] the reviewing court with an understanding of what occurred below, and enable[s] that court to undertake an independent judicial review of the administrative decision." *Elizabeth D. v. Zolin*, 21 Cal. App. 4th 347, 349, 25 Cal. Rptr. 2d 852 (1993). The record before the Court consists of the expert reports prepared by JD Healthcare, partial transcripts of public meetings conducted by the Attorney General, and various letters submitted by stakeholders. The record on file provides the Court with an understanding of reasons for the Attorney General's decision.

There are two tests for judicial review by administrative mandate. "The 'independent judgment' rule applies when the decision of an administrative agency will substantially affect a fundamental vested right." *Mann v. Dep't of Motor Vehicles*, 76 Cal. App. 4th 312, 320, 90 Cal. Rptr. 2d 277, 283 (1999). Under the "independent judgment" rule, the Court must "begin its review with a presumption of the correctness of administrative findings, and then, after affording the respect due to these findings, exercise independent judgment in making its own findings." *Fukuda v. City of Angels*, 20 Cal. 4th 805, 819, 977 P.2d 693, 701 (1999). "[T]he presumption provides the trial court with a starting point for review but it is only a presumption, and may be overcome. Because the trial court ultimately must exercise its own independent judgment, that court is free to substitute its own findings after first giving due respect to the agency's findings." *Id.*

"The 'substantial evidence' rule applies when the administrative decision neither involves nor substantially affects a vested right. The trial court must then review the entire administrative record to determine whether the findings are supported by substantial evidence and whether the agency committed any errors of law ...." *Mann*, 76 Cal. App. 4th 312, 320, 90 Cal. Rptr. 2d 277, 283 (1999).

To determine whether an administrative decision affects a fundamental vested right, the Court examines “whether the affected right is deemed to be of sufficient significance to preclude its extinction or abridgement by a body lacking *judicial* power.” *Interstate Brands v. Unemployment Ins. Appeals Bd.*, 26 Cal. 3d 770, 779, 608 P.2d 707, 713 (1980) (emphasis in original). An administrative decision that would have the effect of shutting down a business affects a fundamental vested right. *See, e.g., The Termo Co. v. Luther*, 169 Cal. App. 4th 394, 407–08, 86 Cal. Rptr. 3d 687, 697 (2008) (“The implementation of the Order and Decision would have the effect not only of shutting down a business that has been in existence for 20 years or more, but also of terminating the right to produce oil—an extraordinarily valuable resource, especially in the current economic era.... Certainly, a fundamental vested right is at issue.”); *Goat Hill Tavern v. City of Costa Mesa*, 6 Cal. App. 4th 1519, 1529, 8 Cal. Rptr. 2d 385, 391 (1992) (holding that “the right to continue operating an established business in which [the owner] has made a substantial investment” is a fundamental vested right).

Imposition of the Additional Conditions will precipitate the collapse of the SGM Sale and require the Debtors to close three of the four Hospitals. The Debtors’ rights to preserve the Hospitals’ operations, by means of a sale to SGM, is a fundamental vested right that is abrogated by the Attorney General’s attempt to impose the Additional Conditions. Consequently, the Court reviews the Attorney General’s decision under the independent judgment test.

*ii. In Imposing the Additional Conditions, the Attorney General Abused His Discretion*

Under certain circumstances, the sale of a not-for-profit healthcare facility is subject to review by the Attorney General. Cal. Corp. Code § 5914. The Legislature enacted Cal. Corp. Code § 5914 to ensure that the public was not deprived of the benefits of charitable health facilities as a result of the transfer of those facilities’ assets to for-profit entities. In enacting § 5914, the Legislature found:

Charitable, nonprofit health facilities have a substantial and beneficial effect on the provision of health care to the people of California, providing as part of their charitable mission uncompensated care to uninsured low-income families and under-compensated care to the poor, elderly, and disabled.

Transfers of the assets of nonprofit, charitable health facilities to the for-profit sector, such as by sale, joint venture, or other sharing of assets, directly affect the charitable use of those assets and may affect the availability of community health care services....

It is in the best interests of the public to ensure that the public interest is fully protected whenever the assets of a charitable nonprofit health facility are transferred out of the charitable trust and to a for-profit or mutual benefit entity.

1996 Cal. Legis. Serv. Ch. 1105 (A.B. 3101) (West).

The Attorney General has “discretion to consent to, give conditional consent to, or not consent to” the sale of a healthcare facility. Cal. Corp. Code § 5917. In exercising that discretion, the Attorney General “shall consider any factors that the Attorney General deems relevant,” including but not limited to whether any of the following apply:

- a) The terms and conditions of the agreement or transaction are fair and reasonable to the nonprofit corporation.
- b) The agreement or transaction will result in inurement to any private person or entity.

- c) Any agreement or transaction that is subject to this article is at fair market value. In this regard, “fair market value” means the most likely price that the assets being sold would bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and in their own best interest, and a reasonable time being allowed for exposure in the open market.
- d) The market value has been manipulated by the actions of the parties in a manner that causes the value of the assets to decrease.
- e) The proposed use of the proceeds from the agreement or transaction is consistent with the charitable trust on which the assets are held by the health facility or by the affiliated nonprofit health system.
- f) The agreement or transaction involves or constitutes any breach of trust.
- g) The Attorney General has been provided, pursuant to Section 5250, with sufficient information and data by the nonprofit corporation to evaluate adequately the agreement or transaction or the effects thereof on the public.
- h) The agreement or transaction may create a significant effect on the availability or accessibility of health care services to the affected community.
- i) The proposed agreement or transaction is in the public interest.
- j) The agreement or transaction may create a significant effect on the availability and accessibility of cultural interests provided by the facility in the affected community.

Cal. Corp. Code § 5917 (West).

Nothing in the record indicates that SGM’s bid was other than for fair market value (factor (c)). The Hospitals were thoroughly marketed by Cain Brothers. SGM was the only bidder interested in purchasing the Hospitals. The Court must presume that a bid submitted after extensive marketing reflects the Hospital’s fair market value. *See Bank of Am. Nat. Tr. & Sav. Ass’n v. 203 N. LaSalle St. P’ship*, 526 U.S. 434, 457, 119 S. Ct. 1411, 1423, 143 L. Ed. 2d 607 (1999) (stating that “the best way to determine value is exposure to a market”).

There is no indication that SGM, or any other party, took any actions to decrease the value of the Hospitals (factor (d)). In view of the extensive marketing, the terms of the sale are fair and reasonable to the Debtors (factor (a)). There is no evidence that any of the parties involved in the SGM sale have engaged in any conduct that would amount to a breach of trust (factor (f)), or that the SGM Sale will inure to the benefit of any private person or entity (factor (b)). Nor has there been any suggestion that the Debtors failed to provide the Attorney General with sufficient information to evaluate the SGM Sale (factor (g)). Factor (e) does not apply, because the proceeds of the SGM Sale are fully encumbered by the claims of creditors, leaving no remaining equity that could be devoted to charitable purposes.

The remaining factors are (1) the effect of the SGM Sale on the accessibility of healthcare services (factor (h)) and cultural interests (factor (j)) in the affected communities and (2) whether the SGM Sale is in the public interest (factor (i)). Applying the independent judgment standard of review, the Court finds that in electing to impose the Additional Conditions, the Attorney General abused his discretion with respect to these factors.

By letter dated August 23, 2019 (the “August Letter”), the Debtors advised the Attorney General that if the Additional Conditions were imposed, SGM would not complete the sale and the most likely outcome would be the closure of St. Vincent, Seton, and Seton Coastside. The August Letter advised the Attorney General that SGM had submitted the only offer for the Hospitals, and that the “Debtors cannot sustain incurring ongoing operational losses to maintain

the going-concern value of St. Vincent and Seton without the realistic prospect of a purchaser.”<sup>14</sup> The Debtors stated that upon the failure of the SGM Sale, they would be required to begin the process of closing St. Vincent, Seton, and Seton Coastsides “almost immediately.”<sup>15</sup>

Having overseen the Debtors’ bankruptcy cases since their inception, the Court has become intimately familiar with the Debtors’ operational and cash flow situation. As discussed above, the Debtors’ statements regarding the necessity of closing certain of the Hospitals upon the failure of the SGM Sale are not an idle threat.

Imposition of the Additional Conditions will dramatically reduce the availability of healthcare services by causing the closure of three of the four Hospitals. In addition to the loss of healthcare services, closure of the Hospitals will destroy approximately 2900 jobs. Closure of the Hospitals will require the relocation of many patients suffering from critical conditions. None of this is in the public interest.<sup>16</sup>

The Court understands that the Additional Conditions were imposed with the laudable objective of increasing the amount of healthcare services provided by the Hospitals. The Court can only assume that the Attorney General does not believe the representation that imposition of the Additional Conditions will result in a collapse of the SGM Sale. Unfortunately, the dire economic circumstances in which the Debtors now find themselves leaves the Court with no doubt that if the SGM Sale is not completed, three of the Hospitals will almost certainly close.

Because the Additional Conditions will reduce health care services by resulting in the closure of three of the Hospitals, imposition of the Additional Conditions was an abuse of the Attorney General’s discretion.

Outside of bankruptcy, the finding that the Attorney General abused his discretion would result in the entry of a judgment commanding the issuance of a peremptory writ of mandate, followed by the issuance of the writ. The writ would command the Attorney General to set aside the 2019 Conditions, and would further command the Attorney General to exercise his discretion with respect to the review of the SGM Sale in a lawful manner. *See, e.g., California Hosp. Assn. v. Maxwell-Jolly*, 188 Cal. App. 4th 559, 570, 115 Cal. Rptr. 3d 572, 581 (2010), *as modified on denial of reh’g* (Sept. 16, 2010).

BAPCPA § 1221(e) compels a different result inside bankruptcy. Section 1221(e) provides that the Court is not required “to remand or refer any proceeding, issue, or controversy to any other court or to require the approval of any other court for the transfer of property.” In *In re HHH Choices Health Plan*, the Bankruptcy Court relied upon BAPCPA § 1221(e) to conclude that it had the authority to interpret a New York law governing the transfer of the assets of a non-profit entity. The court observed that “[i]n the case of an insolvent not-for-profit corporation, section 511 of the New York Not-For-Profit Corporation Law ordinarily, would require the approval of the New York State Supreme Court for a transfer of assets.” *HHH Choices Health Plan*, 554 B.R. at 700. The court rejected arguments advanced by certain of the parties “that the

<sup>16</sup> SEIU-UHW contends that it is economically feasible for SGM to operate the Hospitals while complying with the Additional Conditions. The record does not support SEIU-UHW’s contention. SGM was the only bidder willing to purchase the Hospitals and has stated unequivocally that it will not complete its purchase if the Additional Conditions are imposed. These facts show that the Additional Conditions render operation of the Hospitals economically infeasible.

ordinary state court procedures must still be followed” with respect to the transfer of the assets. *Id.* Instead, the court held that substantive state law requirements remained applicable, but that it was the Bankruptcy Court that had authority to apply those requirements. *Id.*

Pursuant to BAPCPA § 1221(e), and consistent with the ruling in *HHH Choices Health Plan*, the Court is not required to issue a judgment and writ commanding the Attorney General to set aside the 2019 Conditions, and is not required to remand these proceedings to allow the Attorney General to conduct a further review of the SGM Sale in light of the Court’s finding that the Attorney General abused his discretion. Instead, the Court is empowered to apply Cal. Corp. Code § 5914, and to determine the conditions under which the Debtors may sell the Hospitals to SGM.

Under the circumstances presented here, the only way that closure of three of the four Hospitals can be avoided is if a sale not subject to the Additional Conditions is approved. A decision by the Attorney General to not consent to the sale, or a decision to consent to the sale subject to conditions other than the Approved Conditions, would constitute an abuse of discretion. That is because SGM, the only entity willing to purchase and continue to operate the Hospitals, will do so only if it is permitted to operate the Hospitals in a manner consistent with the Approved Conditions.

In reaching this conclusion, the Court is not limiting or controlling the discretion vested in the Attorney General, in contravention of Cal. Code Civ. Proc. § 1094.5(f). The Hospitals have been financially distressed for years. A \$100 million capital infusion made in connection with the 2015 Restructuring Agreement failed to stabilize the Hospitals’ operations. A further capital infusion of \$148 million in 2017 failed to restore the Hospitals to financial health. This demonstrates that it was not possible to successfully operate the Hospitals subject to the 2015 Conditions. It should come as no surprise that no buyer exists that is willing to purchase and operate the Hospitals if operations are constrained by Additional Conditions that are substantially similar to the 2015 Conditions. The Attorney General’s continued attempts to impose conditions rendering sustainable operation of the Hospitals impossible amounts to an abuse of discretion.

The Attorney General contends that SGM, by refusing to purchase and operate the Hospitals subject to conditions other than the Approved Conditions, is attempting to divest the Attorney General of his regulatory authority by forcing him to accede to a transaction on SGM’s terms. This argument ignores the financial and operational realities facing the Hospitals. SGM’s refusal to accept the Additional Conditions is not an attempt to blackmail the Attorney General into approving the sale. Such refusal is instead dictated by economic reality.

*iii. Even if the Attorney General’s Decision is Subject to Traditional Mandamus Review Under Cal. Civ. Proc. Code § 1085, Imposition of the Additional Conditions Was an Abuse of Discretion*

Even if the Attorney General’s review of the sale transaction is a quasi-legislative decision, subject to traditional mandamus review under Cal. Civ. Proc. Code § 1085, the decision to impose the Additional Conditions was an abuse of discretion.

Under Cal. Civ. Proc. Code § 1085, a traditional mandate “may issue to correct the exercise of discretionary legislative power, *but only* if the action taken is so palpably unreasonable and arbitrary as to show an abuse of discretion as a matter of law.” *Carrancho v. California Air Res. Bd.*, 111 Cal. App. 4th 1255, 1265, 4 Cal. Rptr. 3d 536, 545 (2003) (emphasis in original). In reviewing quasi-legislative decisions, the “authority of the court is limited to determining

whether the decision of the agency was arbitrary, capricious, entirely lacking in evidentiary support, or unlawfully or procedurally unfair.” *Fullerton Joint Union High Sch. Dist. v. State Bd. of Educ.*, 32 Cal. 3d 779, 786, 654 P.2d 168, 172 (1982). The Court must ensure that the agency or officer making the decision “has adequately considered all relevant factors, and has demonstrated a rational connection between those factors, the choice made, and the purposes of the enabling statute.” *W. States Petroleum Assn. v. Superior Court*, 9 Cal. 4th 559, 577, 888 P.2d 1268, 1277 (1995). Traditional mandamus review of a quasi-legislative decision is therefore more deferential than administrative mandamus review of a quasi-judicial decision under the independent judgment standard.

Even applying this more deferential standard of review, the Court finds that the decision to impose the Additional Conditions was an abuse of discretion, and that a proper exercise of discretion required the Attorney General to consent to the sale subject only to the Approved Conditions. Preservation of access to healthcare is one of the factors the Attorney General must consider in reviewing the transaction. *See* Cal. Corp. Code § 5917(h) (requiring the Attorney General to consider whether the “agreement or transaction may create a significant effect on the availability or accessibility of health care services to the affected community”). At the hearing, the Attorney General stated that he imposed the Additional Conditions in furtherance of § 5917(h)’s objective of preserving healthcare access.<sup>17</sup> The effect of the Additional Conditions will be the closure of three of the four Hospitals, which will significantly reduce access to healthcare. There is no “rational connection” between the purpose of the Additional Conditions (preserving healthcare access) and the actual results of the conditions (a severe reduction in healthcare access). *See W. States Petroleum Ass’n*, 888 P.2d at 1277. With respect to three of the four Hospitals, the Attorney General’s decision will destroy the very charitable assets that he is charged with protecting.

In sum, regardless of whether the Debtors are entitled to review of the Attorney General’s decision under traditional mandamus or administrative mandamus, the Attorney General’s decision to impose the Additional Conditions was an abuse of discretion. In the unique circumstances of this case, the Attorney General was required to consent to the SGM Sale without imposing the Additional Conditions. As a result, sale of the Hospitals to SGM free and clear of the Additional Conditions is authorized under applicable nonbankruptcy law. The Court approves the SGM Sale, free and clear of the Additional Conditions, pursuant to § 363(f)(1).

### **C. The Debtors May Sell the Hospitals Free and Clear of the Additional Conditions Pursuant to § 363(f)(4)**

Under § 363(f)(4), the Hospitals may be sold free and clear of the Additional Conditions provided the Additional Conditions are “in bona fide dispute ...” A bona fide dispute exists if “there is an objective basis for either a factual or legal dispute as to the validity” of the interest at

---

<sup>17</sup> Specifically, counsel for the Attorney General explained that in imposing the conditions, the Attorney General “is weighing the impact on the affected community, and making a determination as to what would be the best outcome for this community in order to ensure that it is not being adversely impacted, and not inappropriately losing access to these nonprofit hospitals ....” Hearing Transcript [Doc. No. 3416] at 24. Counsel further stated that the Attorney General’s “obligation is ... to do what’s needed to preserve access to healthcare, in particular for disadvantaged populations, which is clearly what we’re dealing with here.” *Id.* at 12.

issue. *In re Octagon Roofing*, 123 B.R. 583, 590 (Bankr. N.D. Ill. 1991). The court “court need not determine the probable outcome of the dispute, but merely whether one exists.” *Id.*

The Debtors dispute the Attorney General’s authority to impose the Additional Conditions, on the grounds that the (1) Additional Conditions attempt to impose successor liability in a manner not authorized under California law and that (2) the Attorney General abused his discretion in issuing the Additional Conditions. As discussed above, the Debtors have shown that the Attorney General cannot impose the Additional Conditions for both of these reasons. The Debtors have easily satisfied §363(f)(4), which does not require the Debtors to show that they will prevail upon the dispute—only that a dispute exists.

A bona fide dispute exists for yet another reason. The Debtors have shown that by imposing the Additional Conditions, the Attorney General violated § 525.

Section 525 provides in relevant part:

[A] governmental unit may not deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, deny employment to, terminate the employment of, or discriminate with respect to employment against, a person that is or has been a debtor under this title ... or another person with whom such ... debtor has been associated, solely because such ... debtor is or has been a debtor under this title ... or has not paid a debt that is dischargeable in the case under this title ....

In *In re Aurora Gas, LLC*, the court held that the State of Alaska violated § 525 by refusing to approve the debtor’s sale of oil and gas leases unless the purchaser posted a bond of \$6 million to pay for the cost of plugging abandoned wells that the purchaser was not acquiring. *In re Aurora Gas, LLC*, No. A16-00130-GS, 2017 WL 4325560 (Bankr. D. Alaska Sept. 26, 2017). The court held that by conditioning approval of the sale upon the posting of a bond, the State was attempting to collect upon the debtor’s obligation to pay for the costs of plugging the abandoned wells. Imposition of such a condition, the court found, constituted impermissible discrimination against the debtor and its affiliate, the purchaser of the gas leases, in violation of § 525.

The facts of this case are strikingly similar. Here, the Attorney General has conditioned approval of the SGM Sale upon SGM assuming the obligation to operate the Hospitals in accordance with conditions similar to the 2015 Conditions that are an obligation of the Debtors. As discussed, the Additional Conditions require that SGM maintain and operate the Hospitals at current licensure and service levels. The Additional Conditions amount to an attempt by the Attorney General to enforce the obligations imposed by the 2015 Conditions. The 2015 Conditions are liabilities that are dischargeable in bankruptcy. By conditioning the transfer of the Hospitals upon the assumption of the Additional Conditions, which impose obligations equal to or in excess of the 2015 Conditions, the Attorney General is impermissibly discriminating against the Debtors in violation of § 525.

The fact that the Additional Conditions can be characterized as a regulatory obligation does not change the analysis. Regulatory obligations such as the Additional Conditions qualify as a “debt” under the Bankruptcy Code’s broad definition of the term:

Under the Bankruptcy Code, “debt” means “liability on a claim,” 11 U.S.C. § 101(12), and “claim,” in turn, includes any “right to payment,” § 101(5)(A). We have said that “[c]laim” has “the broadest available definition,” *Johnson v. Home State Bank*, 501 U.S.

78, 83, 111 S.Ct. 2150, 115 L.Ed.2d 66 (1991), and have held that the “plain meaning of a ‘right to payment’ is nothing more nor less than an enforceable obligation, regardless of the objectives the State seeks to serve in imposing the obligation,” *Pennsylvania Dept. of Public Welfare v. Davenport*, 495 U.S. 552, 559, 110 S.Ct. 2126 (1990). See also *Ohio v. Kovacs*, 469 U.S. 274, 105 S.Ct. 705, 83 L.Ed.2d 649 (1985). In short, a debt is a debt, even when the obligation to pay it is also a regulatory condition.

*F.C.C. v. NextWave Pers. Commc'ns Inc.*, 537 U.S. 293, 302–03, 123 S. Ct. 832, 839, 154 L. Ed. 2d 863 (2003).

**D. The Debtors May Sell the Hospitals Free and Clear of Certain of the Additional Conditions Pursuant to § 363(f)(5)**

Under § 363(f)(5), property may be sold free and clear of an interest, if the entity holding the interest “could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.”

An interest “that can be reduced to a specific monetary value” falls within the scope of § 363(f)(5). *In re Trans World Airlines, Inc.*, 322 F.3d 283, 291 (3d Cir. 2003); see also *In re Vista Marketing Grp. Ltd.*, 557 B.R. 630, 635 (Bankr. N.D. Ill. 2016) (“[O]ne would be hard-pressed to present a clearer example of a situation where the interest-holder could be compelled to accept a money satisfaction of its interest under subsection (f)(5) than the calculable monetary obligation asserted by the District in its surcharge bill and disconnection notice.”).

Among the Additional Conditions are requirements that each of the Hospitals provide specified levels of charity care and community benefit services. The Additional Conditions allow any shortfalls in charity care or community benefit services to be satisfied through deficiency payments to tax-exempt entities within the Hospitals’ service area. The charity care and community benefit obligations can easily be reduced to a specific monetary value. The Debtors may sell the Hospitals free and clear of these obligations pursuant to § 363(f)(5).

**E. Section 363(d)(1) Does Not Bar the Sale**

As noted, § 363(d)(1) provides that non-profit entities, such as the Debtors, may sell estate assets only if the sale is “in accordance with nonbankruptcy law applicable to the transfer of property by” a non-profit entity.

For the reasons discussed in Section II.B., above, the Debtors are authorized to sell the Hospitals, free and clear of the Additional Conditions, under applicable nonbankruptcy law.

Even if the Debtors were not authorized to sell the Hospitals free and clear under applicable nonbankruptcy law, § 363(d)(1) does not limit the Debtors’ ability to sell the Hospitals free and clear of the Additional Conditions under § 363(f)(4) or (5).<sup>18</sup> Basic principles of statutory construction dictate this result. “Statutory construction ... is a holistic endeavor.” *United Sav. Ass’n of Texas v. Timbers of Inwood Forest Assocs., Ltd.*, 484 U.S. 365, 371, 108 S. Ct. 626, 630, 98 L. Ed. 2d 740 (1988). The Court must look “to the provisions of the whole law, and to its object and policy.” *John Hancock Mut. Life Ins. Co. v. Harris Tr. & Sav. Bank*, 510 U.S. 86, 94–

---

<sup>18</sup> Under § 363(f)(4), the Debtors are authorized to sell the Hospitals free and clear of all of the Additional Conditions. See Section II.C., above. Under § 363(f)(5), the Debtors are authorized to sell the Hospitals free and clear of the charity care and community benefit obligations. See Section II.D., above.

95, 114 S. Ct. 517, 523, 126 L. Ed. 2d 524 (1993). Absent a “clear intention otherwise,” specific provisions addressing an issue apply instead of more generalized provisions covering the same issue. *Morton v. Mancari*, 417 U.S. 535, 550–51, 94 S. Ct. 2474, 2483, 41 L. Ed. 2d 290 (1974). This rule applies “regardless of the priority of enactment” of the provisions. *Id.*

Section 363(f) sets forth specific circumstances under which assets may be sold free and clear. Section 363(f) is not limited by a non-profit debtor’s general obligation under § 363(d)(1) to comply with nonbankruptcy law. The general requirement set forth in § 363(d)(1) makes no reference to § 363(f), which more specifically delineates the circumstances in which assets may be sold free and clear. Without a “clear intention otherwise,” *Morton*, 417 U.S. at 550–51, the general requirement of § 363(d)(1) does not repeal the specifics of free and clear sales under § 363(f), even though § 363(d)(1) was enacted subsequent to § 363(f).

#### **F. Section 541(f) Does Not Bar the Sale**

Section 541(f) provides:

Notwithstanding any other provision of this title, property that is held by a debtor that is a corporation described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code may be transferred to an entity that is not such a corporation, but only under the same conditions as would apply if the debtor had not filed a case under this title.

The Attorney General asserts that § 541(f)’s initial clause, “[n]otwithstanding any other provision of this title,” is broad enough to trump § 363(f). According to the Attorney General, § 541(f) requires that the SGM Sale comply with applicable California law. As a result, the Attorney General argues, the SGM Sale can occur only if SGM agrees to accept all of the 2019 Conditions, including the Additional Conditions.

The language of § 541(f) is similar, but not identical to, the language of § 363(d)(1). Section 363(d)(1) requires that non-profit entities transfer property “in accordance with nonbankruptcy law applicable to the transfer of property by” the non-profit entity; § 541(f) requires that such transfers occur “only under the same conditions as would apply if the debtor had not filed a case under this title.”

“[W]here Congress includes particular language in one section of a statute but omits it in another section of the same Act, it is generally presumed that Congress acts intentionally and purposely in the disparate inclusion or exclusion.” *Russello v. United States*, 464 U.S. 16, 23, 104 S. Ct. 296, 300, 78 L. Ed. 2d 17 (1983). Therefore, the Court cannot assume that § 541(f) has the same meaning as § 363(f). That is, § 541(f) cannot mean that the Debtors are required to transfer property “in accordance with nonbankruptcy law applicable to the transfer of [such] property,” since that is the language used in § 363(d)(1).

There is no legislative history to guide the Court in construing the phrase “under the same conditions” in § 541(f). Nor has the Court been able to locate any cases interpreting this section. In the absence of legislative history, phrases are construed in accordance with their “ordinary or natural meaning.” *F.D.I.C. v. Meyer*, 510 U.S. 471, 476, 114 S. Ct. 996, 1001, 127 L. Ed. 2d 308 (1994). According to *Roget’s 21st Century Thesaurus* (3d ed. 2013), a synonymous phrase for “under the same conditions” is “in these circumstances.”

Here, the Debtors have complied with § 541(f)’s mandate. That is, “[n]otwithstanding any other provisions” of the Bankruptcy Code, they have sought to transfer the Hospitals in the same

manner as the transfer would have occurred under applicable nonbankruptcy law. The Debtors submitted the transfer to the review of the Attorney General, paid for the expert healthcare impact statements required under the statute, and waited for 135 days for the Attorney General to review the transaction. The transfer has been subject to the same conditions that would have applied had the Debtors not sought bankruptcy protection.

Even if the Attorney General were correct that § 541(f) had the same meaning as § 363(d)(1), the Debtors would still be able to sell the Hospitals free and clear of the Additional Conditions, pursuant to § 363(f)(1), (4), and (5). Contrary to the Attorney General's contention, the "notwithstanding" clause does not mean that § 541(f) trumps § 363(f). The Ninth Circuit has held:

In examining specific statutes, we have not, however, always accorded universal effect to the "notwithstanding" language, standing alone. *See Or. Natural Res. Council v. Thomas*, 92 F.3d 792, 796 (9th Cir.1996) ("We have repeatedly held that the phrase 'notwithstanding any other law' is not always construed literally." (citing *E.P. Paup Co. v. Dir., Office of Workers Comp. Programs*, 999 F.2d 1341, 1348 (9th Cir.1993); *Kee Leasing Co. v. McGahan (In re The Glacier Bay)*, 944 F.2d 577, 582 (9th Cir.1991); *Golden Nugget, Inc. v. Am. Stock Exch., Inc.*, 828 F.2d 586, 588–89 (9th Cir.1987) (per curium))). Instead, we have determined the reach of each such "notwithstanding" clause by taking into account the whole of the statutory context in which it appears.

*United States v. Novak*, 476 F.3d 1041, 1046 (9th Cir. 2007).

Relying upon the "common-sense principle of statutory construction that sections of a statute generally should be read to give effect, if possible, to every clause," the Ninth Circuit has held that a "notwithstanding" provision should not be given its broadest possible interpretation if doing so would render other statutory provisions ineffectual. *Oregon Nat. Res. Council v. Thomas*, 92 F.3d 792, 797 (9th Cir. 1996).

According the "notwithstanding" clause the broad construction advocated by the Attorney General would render § 363(f) of the Bankruptcy Code ineffectual with respect to non-profit debtors. Section 541(f) was added to the Bankruptcy Code by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109-8, § 1221(e) ("BAPCPA"). BAPCPA made no changes to § 363(f). The Court cannot find that Congress intended § 541(f) to trump § 363(f) with respect to non-profit debtors.

#### **G. The Court Certifies a Direct Appeal of its Decision to the Ninth Circuit Court of Appeals**

Title 28 U.S.C. § 158(d)(2) provides that the Bankruptcy Court, acting on its motion, may certify a direct appeal of an order to the Court of Appeals if the order "involves a matter of public importance" or if an immediate appeal of the order will "materially advance the progress of the case or proceeding."

Certification is warranted here. The interplay between the sale provisions of the Bankruptcy Code and the authority of the Attorney General to regulate the sale of assets subject to a charitable trust is a matter of public importance. The issue has previously arisen in *Gardens I* and *Verity I*, and will continue to arise in future cases.

A direct appeal will materially advance the progress of the case. Closing of the SGM Sale is the lynchpin of the Debtors' plan of reorganization. However, under the APA, SGM is not

obligated to close the sale unless the Debtors obtain a final, non-appealable order authorizing a sale free and clear. The Debtors are facing severe liquidity constraints and cannot afford to continue to operate the Hospitals for much longer. A direct appeal will facilitate resolution of this case by providing certainty regarding the permissibility of a sale free and clear far sooner than would otherwise be possible. If the Court's order is upheld, SGM can proceed to close the sale. If not, the Debtors can commence shutting down St. Vincent, Seton, and Seton Coastside.

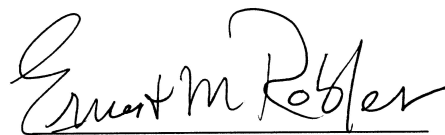

### III. Conclusion

Based upon the foregoing, the Court finds that the Debtors may sell the Hospitals to SGM, free and clear of the Additional Conditions. The sale may proceed under applicable nonbankruptcy law pursuant to § 363(f)(1) because (1) the Additional Conditions qualify as successor liability that may not be imposed against SGM under California law and because (2) the Attorney General abused his discretion in attempting to impose the Additional Conditions, which therefore must be set aside. A bona dispute as to the Attorney General's authority to impose the Additional Conditions exists under § 363(f)(4), because the Debtors (1) have shown that the Additional Conditions are not authorized under California law and that (2) the attempted imposition of the Additional Conditions violates § 525. Pursuant to §363(f)(5), the sale is free and clear of the charity care and community benefit obligations, which can be reduced to a monetary valuation.

The Court will prepare and enter an order certifying this matter for a direct appeal to the Ninth Circuit. The Debtors shall submit an order granting the Motion within seven days of the issuance of this Memorandum of Decision.

Verity Health System of California, Inc. and the above-referenced affiliated debtors, the debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (collectively, the “Debtors”), hereby file this notice regarding the proposed order (the “Proposed Order”), attached as Exhibit “A,” granting the *Debtors’ Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on the Sale; and (IV) Granting Related Relief* [Docket No. 3188] (the “Motion”) and the related stipulation [Docket No. 3572] (the “Stipulation”) and order thereon, lodged by the Debtors concurrently herewith.

#### **GENERAL BACKGROUND**

On September 30, 2019, the Debtors filed the *Debtors’ Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on the Sale; and (IV) Granting Related Relief* [Docket No. 3188] (the “Motion”). On October 23, 2019, the Court entered the *Memorandum of Decision Granting Debtors’ Emergency Motion to Enforce the Sale Order* [Doc. No. 3188] (the “Memorandum Decision”). The Memorandum Decision sets forth the Court’s findings and conclusions concerning the Motion, grants the relief requested in the Motion, and requires that the Debtors submit an order granting the Motion. *See* Mem. Dec. at 24.

#### **PROPOSED ORDER GRANTING MOTION**

The Debtors and the California Attorney General (the “Attorney General”) have reached a consensual resolution, on the terms set forth in the Stipulation and the Proposed Order. Entry of the Proposed Order, and of the order approving the Stipulation, will result in, among other things: granting of the Motion; vacation and withdrawal of the Memorandum Decision; the Attorney General’s agreement not to appeal from the Proposed Order; and, in the Debtors’ view,

1 satisfaction of section 8.6 of that certain asset purchase agreement [Docket No. 2305-1] between  
2 the Debtors and Strategic Global Management, Inc. (respectively the “SGM APA” and “SGM”).

3 The reasons for entering into the Stipulation with the Attorney General, and seeking entry  
4 of the Proposed Order, are compelling: closing of the sale to SGM will be expedited (a critical  
5 consideration, given the Debtors’ liquidity issues, including ongoing operational losses of  
6 approximately \$450,000 per day); and the time, expense, and uncertainty, associated with an  
7 appeal by the Attorney General of any order granting the Motion, will be avoided.

8 The Debtors and the Attorney General have worked diligently over the past 10 days to  
9 satisfy SGM’s concerns and thus obtain its joinder in the Stipulation, but have been unable to do  
10 so. Therefore, after careful consideration by the Debtors and their constituents, the Debtors  
11 respectfully request that the Court enter both (a) the Proposed Order and (b) the order approving  
12 the Stipulation, as agreed to by the Debtors and the Attorney General.

13 **EXPEDITED ENTRY OF PROPOSED ORDER**

14 The entry of the Proposed Order, and the order granting the Stipulation, on an expedited  
15 basis is necessary and appropriate given (i) the Debtors’ liquidity issues [*see, e.g.*, Docket No.  
16 3238 (Adcock Decl. ¶ 6)], (ii) the December 31, 2019 deadlines and milestones in the SGM APA  
17 and cash collateral agreement [*see*, SGM APA § 9.1(3); Docket No. 2968 (Cash Collateral Mot. at  
18 24)], and (iii) that it will further the closing of the SGM sale (*see* SGM APA § 8.6). Accordingly,  
19 the Debtors respectfully request entry of the Proposed Order, and the order granting the  
20 Stipulation, on an expedited basis.

Strategic Global Management, Inc. (“SGM”) submits the following Objection to the “Order Granting Debtor’s Emergency Motion For The Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc.; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV) Granting Related Relief” [Doc. 3574] submitted by Verity Health System of California, Inc. and related and affiliated Debtors.

## I.

### INTRODUCTION

An enormous amount of time and expense has been incurred in the efforts of the Debtors, SGM, and other parties in interest, to reach an agreement for SGM’s purchase of 4 hospitals for a price of over \$600 Million, which will pave the way for confirmation of the Debtors’ Plan of Reorganization, and the continued operation of the hospitals, employment of thousands of people, and support of the communities they serve. Fundamental to that process has been the need to resolve the issue of whether and to what extent SGM would be obligated to perform or abide by conditions which the California Attorney General (“AG”) might attempt to impose as part of his approval process. In recognition of the history in other cases of the AG’s imposition of conditions that have had the effect of causing transaction to fail and hospitals to close, SGM bargained for protection such that it would not have to close this transaction if the conditions imposed by the AG were materially different (“Additional Conditions”) from that which SGM had agreed to accept. The provisions of the APA addressing this subject matter are contained in section 8.6.

The AG issued his Decision on September 25, 2019, in which the AG imposed Additional Conditions for his approval of the sale to SGM. The Debtors, with SGM’s support, filed its “Emergency Motion For The Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc.; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV)

1 Granting Related Relief” [Doc. 3188] requesting a determination, among other things, that the  
2 sale to SGM was free and clear of such Additional Conditions. Following the conclusion of the  
3 hearing on the Emergency Motion, this court filed its Memorandum Decision on October 23,  
4 2019 [Doc. 3446] in which it granted the Emergency Motion and, recognizing the importance (if  
5 not ground breaking nature) of its ruling, the Court certified its ruling for a direct appeal to the  
6 U.S. Court of Appeals for the Ninth Circuit.

7 The AG has agreed to waive its right to appeal in exchange for the Court’s vacation of its  
8 Memorandum Decision and entry of a form of order to which it consents. That proposed order  
9 [Doc. 3574] attached as Exhibit A hereto (herein, the “AG Order”), is not acceptable to  
10 SGM. While SGM remains fully committed to the transaction, fundamental to SGM’s rights as a  
11 purchaser is the protection to which it is entitled under APA section 8.6 in the form of a clearly  
12 and unambiguously written order which forecloses, to the extent possible, any disputes or  
13 controversies as to SGM’s protection from such Additional Conditions, its right not to comply  
14 with, perform or adhere to any of the Additional Conditions, and SGM’s ability to come to this  
15 court if there are future disputes or controversies over the interpretation or enforcement of such  
16 order. Rather than accomplish that end, the AG Order is muddled, obtuse, grammatically  
17 ambiguous, and, if entered, will not provide SGM the clear and unequivocal protection to which it  
18 is entitled and which SGM believes the court intended it to have. Fortunately, these deficiencies  
19 can be corrected, with no prejudice to the AG or to the Debtors.

20 Under the unique circumstances of this case including: (1) the removal from the record of  
21 the Court’s Memorandum Decision, which thoroughly and comprehensively set forth the bases  
22 for the Court’s ruling in granting the Motion, and (2) the profoundly important consequence of  
23 the Court’s order on SGM’s future relationship with the AG for many years, in a transaction in  
24 which SGM will be paying over \$600 Million, SGM is entitled to have a clearly-written,  
25 unequivocal and unambiguous order that addresses the following subject matters which were not  
26 fully and clearly provided for in the AG Order: (1) a definition of “Additional Conditions,” (2) a  
27 clear statement as to what the “free and clear” terminology means as to the “Additional  
28 Conditions,” and (3) a clear and unambiguous statement regarding this Court’s jurisdiction to

1 resolve disputes or controversies over the Order.

2 All of SGM's concerns over the AG Order can be fixed very simply and effectively by the  
3 alternative order forth on Exhibit B hereto (the "SGM Order"). The use of the SGM Order, in  
4 lieu of the AG Order, while providing necessary protection to SGM, will have no prejudicial  
5 impact whatsoever on the AG or the Debtors. While SGM recognizes that one of the AG's goals,  
6 in waiving its appeal and having the Court vacate its Memorandum Decision, is to limit, as much  
7 as possible, a public record regarding this Court's significant decision concerning the  
8 unenforceability of the Additional Conditions, the AG's goal of limiting the "collateral damage"  
9 from this Court's ruling must give way to SGM's entitlement to a clearly stated, unambiguous  
10 order which will avoid, or limit to the maximum extent, confusion and controversy over exactly  
11 what this Court has decided.

12 Unfortunately, the AG's effort to avoid the precedential effect of this Court's ruling has  
13 created an unnecessarily ambiguous order which may actually result in litigation between the AG  
14 and SGM. The AG's verbatim extraction of specific language from § 8.6, while superficially  
15 appealing, is grammatically unartful. Whether by design to obscure the outcome of the Court's  
16 ruling or simply poor draftsmanship, the end result is an order that does not do justice to, or fairly  
17 reflects, this Court's ruling and leaves SGM open to litigation.

## 18 II.

### 19 **THE CHANGES NECESSARY TO PROTECT THE INTEREST OF SGM,** 20 **CAN BE MADE WITHOUT ANY PREJUDICE TO THE AG**

21 SGM's proposed alternative order, at Paragraph 2, which is the paragraph that addresses  
22 the "free and clear" provision of the order, states as follows:

23 The Debtors' transfer to SGM of the Debtors' assets (the  
24 "SGM Sale") pursuant to that certain Asset Purchase  
25 Agreement [Docket No. 2305-1] (the "SGM APA") is free  
26 and clear of, and shall not be subject to or conditioned upon  
27 SGM's performance of, compliance with, or adherence to,  
28 any and all Additional Conditions (as defined in the SGM  
APA and in the Motion), pursuant to Bankruptcy Code §  
363(b), (f1), and (f5) and otherwise is provided in the Sale  
Order."

1 The foregoing language is entirely consistent with the Debtor's Motion, this Court's  
2 Memorandum Decision and, most importantly, expressly states what "free and clear" means, i.e.  
3 that SGM is not required to perform, comply with or adhere to the Additional Conditions.  
4 Because the concept of a "free and clear" sale as applied to regulatory conditions is, to say the  
5 least, unusual, SGM believes that it is critical that the Order contain language, which clarifies that  
6 a sale free and clear of conditions means that SGM will not have to comply with them.  
7 Otherwise, there could be some doubt, and later a dispute, about exactly what the term "free and  
8 clear" means as applied to regulatory conditions. The whole purpose of the SGM's negotiation of  
9 its rights under § 8.6, and of the Debtor's Emergency Motion to satisfy its obligation under § 8.6,  
10 was to establish that SGM would not have to comply with the AG Conditions. There is no  
11 legitimate reason why the AG should refuse to have such language included in the Order – unless  
12 the AG desires to leave the Order ambiguous enough either to be able to "spin it" or to create a  
13 basis for controversy.

14 The problem with the AG's language, especially in comparison to that proposed by SGM,  
15 are several fold. First, the prefatory words "Solely and exclusively for the purposes of the APA"  
16 are unnecessary, not requested by the Debtor or SGM in the Motion, and are ambiguous. The  
17 transfer of the Debtor's assets free and clear of the Additional Conditions needs to be clearly and  
18 unambiguously stated. What does "Solely and exclusively for purpose of the APA" mean? If the  
19 AG wants language to the effect that this Order does not apply to some other transaction over  
20 which the AG has approval authority, then the Order can provide such language.

21 The AG Order contains the additional verbiage addressing the critical issue of the sale  
22 being free and clear of the Additional Conditions in an awkward and imprecise manner:

23 Solely and exclusively for purposes of the APA . . . the  
24 Additional Conditions . . . are an "interest in property" for  
25 purposes of 11 U.S.C. § 363(f) and the assets (as defined in  
26 the APA) *can be* sold free and clear of the Additional  
27 Conditions . . . (Emphasis added.)

27 The use of the words "can be sold" does not expressively state that they "are being  
28 transferred" free and clear. While the AG has adopted verbiage from § 8.6 of the APA, word for

word, those words do not translate clearly into a court order. There is no particular reason why the Order should use the phrase “can be sold” as opposed to “are being transferred” which is consistent with the Sale Order and is exactly what this Court decided when it granted the Emergency Motion.

Finally, this Court made no ruling as to the AG’s enforcement rights (and no such ruling was requested) and this Court should retain exclusive jurisdiction to resolve any disputes or controversies concerning its Order. The AG Order, after acknowledging the Bankruptcy Court’s exclusive jurisdiction, goes on to say:

“Notwithstanding the preceding sentence, nothing contained in this Order shall prohibit or limit the authority of the Attorney General to enforce, in the state courts and pursuant to section 5926 of the California Corporations Code, the Purchaser Approved Conditions set forth in Schedule 8.6 to the SGM APA.”

First, there is no basis, either in the Emergency Motion, the AG’s Opposition or the Memorandum Decision, for this Court to be ruling on the AG’s enforcement right, one way or the other, except with respect to the Additional Conditions. Second, the words “Notwithstanding the preceding sentence” obviously are meant to supersede the prior sentence and, since the prior sentence provided for the Bankruptcy Court’s “exclusive jurisdiction” over disputes pertaining to the Order, the AG Order would effectively trump that provision which or, at least create a “forum war” over future disputes. In light of the fact that a dispute could involve whether the AG is improperly attempting to enforce an “Additional Condition”, there should be no question that any such dispute should be heard in this Court, since it is this Court that has created the barrier against such enforcement.

On January 17, 2019, Verity Health System Of California, Inc. and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) filed the *Debtors’ Notice of Motion and Motion for the Entry of (I) an Order (i) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* [Docket No. 1279] (the “Sale Motion”). In the Sale Motion, the Debtors sought an order granting, among other things, authority to sell certain property free and clear of claims, interests, and encumbrances, pursuant to §§ 363(b) and (f) of title 11 of the United States Code (the “Bankruptcy Code”),<sup>1</sup> to Strategic Global Management, Inc. (“SGM”).

On March 22, 2019, the California Department of Health Care Services (“DHCS”) filed *Creditor California Department of Health Care Services’s Objection to Notice of Counterparties to Executory Contracts and Unexpired Leases of the Debtors That May Be Assumed and Assigned* [Docket No. 1879] (the “Initial DHCS Objection”). In the Initial DHCS Objection, the DHCS argued that the California Medical Assistance Program (“Medi-Cal”) Provider Agreements between the Debtors and DHCS (the “Provider Agreements”) could not be sold to SGM free and clear of claims, interests, and encumbrances.

On April 10, 2019, the Debtors filed the *Debtors’ Memorandum in Support of Entry of an Order: (A) Authorizing the Sale of Property Free and Clear of all Claims, Liens and Encumbrances; (B) Authorizing the Assumption and Assignment of Designated Executory Contracts and Unexpired Leases; and (C) Granting Related Relief* [Doc. No. 2115] (the “Sale Brief”) in support of the Sale Motion.

---

<sup>1</sup> Unless otherwise noted, all references to “§” and “section” herein are to sections of the Bankruptcy Code; all references to “Bankruptcy Rules” are to provisions of the Federal Rules of Bankruptcy Practice; all references to “LBR” are to provisions of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California.

On April 17, 2019, the Court held a hearing on the Sale Motion. On May 2, 2019, the Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Strategic Global Asset Management, Inc. Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306] (the "Sale Order"). Pursuant to the Sale Order, the Court granted the Sale Motion and continued the hearing the Initial DHCS Objection to determine whether the Sale Order effectuated a transfer of the Provider Agreements free and clear of claims, interests, and encumbrances. *See* Sale Order, ¶ 31 at 24-25. Further, the Court provided that "[n]othing in this Sale Order shall apply to Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and DHCS or a Court order resolving the DHCS's objections." *Id.* The Court set the continued hearing on June 5, 2019, at 4:10:00 a.m. (Pacific Time), which was ultimately continued to September 25, 2019, at 10:00 a.m. (Pacific Time) (the "Hearing"), by stipulation between the Debtors and DHCS. *See id.*; *see also* Docket Nos. 2278, 2377, 2606, 2686, 2856, 2928.

On September 11, 2019, the DHCS filed *Creditor California Department of Health Care Services's Supplemental Objection to (1) Debtors' Motion for Entry of an Order Authorizing the Sale of Property Free and Clear of All Claims, Liens, and Encumbrances; (2) Approving Form of Asset Purchase Agreement* [Docket No. 3043] (together with the Initial DHCS Objection, the "DHCS Objections").

On September 18, 2019, the Debtors filed the *Debtors' Reply to California Department of Health Care Services Objection to Debtors' Sale of Assets to Strategic Global Management* [Docket No. 3095] (the "Debtors' Reply"). On the same date, the Official Committee of Unsecured Creditors filed the *Official Committee of Unsecured Creditors' Reply to Creditor California Department of Health Care Services's Supplemental Objection to Sale* [Docket No. 3093] (the "Committee's Reply").

On September 25, 2019, at 10:00 a.m. (Pacific Time), the Court held the Hearing. Appearances were as set forth on the record of the Hearing.

On September 26, 2019, the Court filed its *Memorandum of Decision Authorizing Debtors to Sell Medi-Cal Provider Agreements, Free and Clear of Interests Asserted by the California Department of Health Care Services, Pursuant to § 363(f)(5)* [Docket No. 3146] (the “Memorandum Decision”), which is fully incorporated herein by this reference.

The Court, having considered the Sale Motion and the Sale Brief, the DHCS Objections, the Debtors’ Reply, the Committees’ Reply, **and the DHCS’ objection to the Debtors’ proposed form of order memorializing the relief granted in the Memorandum Decision [Docket No. 3330];** having considered the statements, arguments, and representations of counsel, as set forth on the record of the Hearing; incorporating herein by this reference the findings of fact and conclusions of law set forth in the Sale Order; and for the reasons set forth in the Memorandum Decision, which are fully incorporated herein by this reference,

**HEREBY ORDERS AS FOLLOWS:**

1. The Debtors are authorized to transfer the Provider Agreements to SGM, free and clear of claims, interests, and encumbrances pursuant to §§ 363(b) and (f)(5) and the Sale Order.
2. The DHCS Objections are overruled in their entirety.
3. The stay provided pursuant to Bankruptcy Rule 6004(h) is waived with respect to this Order and the Memorandum Decision.
4. DHCS shall not adjust, offset, **or lien or recoup** any payments owing to SGM and other SGM affiliates (collectively, “SGM Buyers”) which are assigned any rights in connection with the transfer of the Medi-Cal Provider Agreements for St. Francis Medical Center Provider Agreement No. 148769215; the St. Vincent Medical Center Provider Agreement No. 1124004304; the Seton Medical Center Provider Agreement No. 1154428688; and the St. Vincent Dialysis Center Provider Agreement No. CDC70030F, and all other Provider Agreements for any of the aforesaid Hospitals or Dialysis Center and the SGM acquisition of the Hospitals and St. Vincent Dialysis Center (collectively, the “Assets”) pursuant to the Sale Motion (“SGM Sale”) after the transfer of the Assets (the “Transfer Effective Date”), or make any claims against any of the SGM Buyers or any of their assets, including, without limitation, any assets acquired by any of the SGM Buyers pursuant to the SGM Sale, for any obligations, liabilities, claims or other interests against the

Debtors related to periods on or before the Transfer Effective Date (“Pre-Transfer Effective Date Liabilities”) including without limitation for Pre-Transfer Effective Date Liabilities under or related to (a) the Medi-Cal Program, and (b) without prejudice to the rights of the Debtors or the SGM Buyers as provided for in the Asset Purchase Agreement [Docket No. 2305-1] by and among the Debtors and SGM, the Hospital Quality Assurance Fees Program, California Welfare & Institutions Code, § 14169.52(a) et. seq. or similar or successor statutes (“HQAF Program”); **provided, however, that nothing in this paragraph shall be construed to limit whatever rights DHCS may or may not have to withhold, under principles of equitable recoupment, payments owed by DHCS to the Debtors and/or the SGM Buyers, for the purpose of recovering alleged Pre-Transfer Effective Date Liabilities under or related to the Medi-Cal Program and/or HQAF Program.<sup>2</sup>** None of the SGM Buyers shall be required to execute the Successor Liability Form, or otherwise assume or accept responsibility, for or with respect to any Pre-Transfer Effective Date Liabilities, in conjunction with the completion of the SGM Sale and to effectuate the assignment or other transfer of any Medi-Cal Provider Agreements to the SGM Buyers in connection with the SGM Sale, or otherwise as a condition or requirement for any of the SGM Buyers to participate in the Medi-Cal Program or the HQAF Program; **provided, however, that nothing in this paragraph shall be construed to limit whatever rights DHCS may or may not have to withhold, under principles of equitable recoupment, payments owed by DHCS to the Debtors and/or the SGM Buyers, for the purpose of recovering alleged Pre-Transfer Effective Date Liabilities under or related to the Medi-Cal Program and/or HQAF Program.<sup>3</sup>**

<sup>2</sup> The Memorandum Decision did not determine whether DHCS’ recoupment rights against SGM (if any) are extinguished by the transfer of the Provider Agreements free and clear of claims, interests, and encumbrances. *See* Memorandum Decision at 10 (“The Debtors request that the order on the Motion state that DHCS’ recoupment rights against SGM, if any, must be first exercised against payments due to the Debtors from Medi-Cal, then against funds held by the Debtors generated by past interim Medi-Cal payments, and then against any sale proceeds generated by the sale of the Provider Agreement. The issue of the applicability of recoupment subsequent to the sale of the Provider Agreements free and clear of claims and interests has not been sufficiently briefed. The Court declines to decide the issue at present, without prejudice to the ability of interested parties to raise the issue by way of motion.”).

## SETTLEMENT AGREEMENT

This Settlement Agreement (the “Agreement”) is entered into by and among Verity Health System of California, Inc. (“Verity”), St. Francis Medical Center, a California nonprofit public benefit corporation (“SFMC”), St. Vincent Medical Center, a California nonprofit public benefit corporation (“SVMC”), St. Vincent Dialysis Center, a California nonprofit public benefit corporation, Seton Medical Center, a California nonprofit public benefit corporation (“SMC”, collectively with SFMC and SVMC, the “Hospital Debtors”, and the Hospital Debtors collectively with Verity, the “Debtors”), and the California Department of Health Care Services on its behalf and on behalf of the State of California (the “Department,” and collectively with the Debtors, the “Parties”).

## RECITALS

Whereas, the Debtors own and operate those certain general acute care hospitals known as St. Francis Medical Center, St. Vincent Medical Center (including St. Vincent Dialysis Center) and Seton Medical Center (including its Seton Medical Center Coastside campus) (collectively, the “Hospitals”) and related assets.

Whereas, Medicaid is a cooperative federal-state program that authorizes the United States Government to provide funds to participating states to administer medical assistance to individuals whose income and resources are insufficient to meet the costs of necessary medical services. The program operates by authorizing the federal Centers for Medicare and Medicaid Services (“CMS”) to pay a percentage of the costs a state incurs for patient care. As a condition of receiving federal funds, the state complies with certain federal requirements. California participates in Medicaid through the California Medical Assistance Program (“Medi-Cal”), and has designated the Department as the agency responsible for its administration.

Whereas, the Hospitals have Medi-Cal provider agreements (“Medi-Cal Provider Agreements”) with the Department which enable them to receive Medi-Cal payments for services provided to Medi-Cal beneficiaries. The SFMC Provider Agreement is assigned no. 148769215;

1 the SVMC Provider Agreement is assigned no. 1124004304; and the SMC Provider Agreement is  
2 assigned no. 1154428688.

3 Whereas, on August 31, 2018 (the “Petition Date”), the Debtors filed voluntary petitions  
4 for relief, thereby commencing their bankruptcy cases (the “Bankruptcy Cases”), jointly  
5 administered under Bankruptcy Case No. 2:18-bk-20151-ER, under chapter 11 of title 11 of the  
6 United States Code (the “Bankruptcy Code”)<sup>1</sup> in the United States Bankruptcy Court for the  
7 Central District of California, Los Angeles Division (the “Bankruptcy Court”).

8 Whereas, as described in the *Declaration of Richard Adcock in Support of Emergency*  
9 *First-Day Motions* (the “Adcock Declaration”) [Docket No. 8], filed on August 31, 2018, the  
10 Debtors have struggled financially to survive for decades, and currently sustain operational cash  
11 flow losses of approximately \$175 million annually. The Debtors estimate that (a) secured claims  
12 in these Bankruptcy Cases total more than \$602 million (including claims of various prepetition  
13 secured creditors and monies owed for debtor-in-possession (“DIP”) financing obtained after the  
14 Petition Date), and (b) the total of scheduled and filed unsecured claims, including pension  
15 claims, may exceed \$1.500 billion.

16 Whereas, the Debtors have an signed and Bankruptcy Court approved Asset Purchase  
17 Agreement and an order [Docket No. 2306] approving the sale of the Hospitals at a price of  
18 approximately \$610 million, plus payment of “cure” costs associated with certain assumed leases  
19 and/or assumed contracts, pursuant to § 363 (the “SGM Sale”) to Strategic Global Management,  
20 Inc. and/or one or more of its affiliated entities, including the affiliates of SGM who will operate  
21 the Hospitals (the “SGM Operating Affiliates”; with the Hospital Operating Affiliates, Strategic  
22 Global Management, Inc. and other Strategic Global Management, Inc. affiliates which are  
23 assigned any rights in connection with the SGM Sale being referred to herein collectively as  
24 “SGM”).

25 Whereas, on February 19, 2019, the Bankruptcy Court entered its *Order (1) Approving*  
26 *Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective*

14 transfer the Medi-Cal Provider Agreements as executory contracts pursuant to § 365 (the  
15 “DHCS Objection”). In the DHCS Objection, the Department asserted, among other things, that  
16 it was owed the following amounts in connection with the Hospitals, as of January 23, 2019: (a)  
17 St. Francis Medical Center - liability arising from the Hospital Quality Assurance Fees Program  
18 (“HQA Fee”), California Welfare & Institutions Code, § 14169.52(a) et. seq., in the amount of  
19 \$40,647,765.00; (b) St. Vincent Medical Center (including St. Vincent Dialysis Center) - HQAF

21 Medical Center Coastsides campus) – HQA Fee liabilities in the amount of \$31,967,260.98. In the  
22 DHCS Objection, the Department did not reflect any obligations owed to it related to the Medi-  
23 Cal fee-for-service payments in connection with the Hospitals.

1 executory contracts pursuant to § 365. In the DHCS March 22, 2019 Objection, the Department  
2 asserted it was owed the following amounts in connection with the Hospitals, as of March 15,  
3 2019: (a) St. Francis Medical Center – HQA Fee liability ee, and Medi-Cal Provider  
4 Agreementsin the amount of \$30,381,769.53; (b) St. Vincent Medical Center (including St.  
5 Vincent Dialysis Center) – HQA Fee liability in the amount of \$21,427,707.82; and (c) Seton  
6 Medical Center (including its Seton Medical Center Coastsides campus) – HQA Fee liabilities in  
7 the amount of \$28,160,469.45. In the DHCS Objection, the Department did not reflect any  
8 obligations owed to it related to the Medi-Cal fee-for-service payments in connection with the  
9 Hospitals. However, the Department asserted in its Objection that the Debtors and/or the buyer  
10 (through joint and several liability) must reimburse the Department for any Medi-Cal fee-for-  
11 service overpayments and pay other debts owed to the Department.

12 Whereas, on March 29, 2019, the Department filed the following proofs of claim in the  
13 Bankruptcy Cases: (a) against SVMC, assigned Claim No. 62-1, asserting that it is owed  
14 \$5,287,280.73, based solely on the unpaid prepetition HQA Fees; (b) against SFMC, assigned  
15 Claim No. 134-1, asserting that it is owed \$7,302,038.67, based solely on the unpaid prepetition  
16 HQA Fees; and (c) against SMC, assigned Claim No. 66-1, asserting that it is owed \$  
17 17,090,035.65, based solely on the unpaid prepetition HQA Fees.

19 *Sale Of Certain Of The Debtors' Assets To Strategic Global Management, Inc. Free And Clear Of*  
20 *Liens, Claims, Encumbrances, And Other Interests; (B) Approving The Assumption And*

23 Medical Center, St. Vincent Medical Center including the St. Vincent Dialysis Center, and Seton  
24 Medical Center, including Seton Medical Center Coastsides Campus) to Strategic Global  
25 Management, Inc. ( i.e. the SGM Sale). The Sale Order continued the hearing on the DHCS  
26 Objection, and reserved judgment on issues related to the transfer of the Medi-Cal provider  
27 agreements (i.e., whether the Medi-Cal provider agreement would be transferred as a statutory  
28

1 license or an executory contract) pending resolution of that issue. *Id.*

2       Whereas, on September 11, 2019, the Department filed its *Creditor California*  
3 *Department of Health Care Services's Supplemental Objection To (1) Debtors' Motion for the*  
4 *Entry of an Order Authorizing the Sale of Property Free and Clear of All Claims, Liens, and*

6 among things, asserted that the Debtor had to transfer the Medi-Cal Provider Agreements as  
7 executory contracts pursuant to § 365. In the DHCS September 11, 2019 Objection, the  
8 Department asserted it was owed the following amounts in connection with the Hospitals, as of  
9 September 6, 2019: (a) St. Francis Medical Center – HQA Fee liability arising from the HQA Fee  
10 Program, California Welfare & Institutions Code, § 14169.52(a) et. seq., and Medi-Cal Provider  
11 Agreements in the amount of \$3,835,489.67; (b) St. Vincent Medical Center (including St.  
12 Vincent Dialysis Center) – HQA Fee liability in the amount of \$6,565,679.74; and (c) Seton  
13 Medical Center (including its Seton Medical Center Coastsides campus) – HQA Fee liabilities in  
14 the amount of \$16,927,759.87. In addition, in the DHCS September 11, 2019 Objection, the  
15 Department claimed the following fee-for-service overpayments: (a) \$24,254,503.36 in fee-for-  
16 service overpayments to St. Francis Medical Center for fiscal year July 1, 2016, through June 30,  
17 2017, (b) \$4,205.25 for fee-for-service overpayments to Seton Medical Center for fiscal year July  
18 1, 2016 through June 30, 2017, and (c) \$662,327.67 in overpayments to St. Francis Medical  
19 Center for supplemental reimbursements under the Supplemental Reimbursement for  
20 Construction Renovation Reimbursement Program. The September 11, 2019 supplemental  
21 objection asserted that (i) the Debtors had to transfer the Medi-Cal Provider Agreements as  
22 executory contracts pursuant to § 365; (ii) the Debtors had to pay all outstanding HQA Fee; (iii)  
23 the Debtors or SGM would have to reimburse DHCS for any outstanding obligations between the  
24 Debtors and DHCS; and (iv) the Debtors would have to escrow \$70 million for 36 months for any  
25 potential overpayment which DHCS might subsequently discover, and SGM would have to  
26 assume liability for the excess amount if \$70 million proved insufficient.

27       Whereas, on September 26, 2019, the Court entered its Memorandum Opinion [Docket  
28

(213) 623-9300

1 No. 3146] (the “Memorandum Opinion”) which expressly held that the provider agreements are  
2 not contracts, and therefore section 365 does not apply, and that the “Provider Agreements may  
3 be sold free and clear of the liabilities which DHCS contends attach to the Provider Agreements.  
4 This includes the alleged liabilities for approximately \$30 million in unpaid HQA Fees and \$25  
5 million in Medi-Cal overpayments.”

6 Whereas, on October 11, 2019 the Bankruptcy Court entered an order [Docket No. 3372]  
7 (the “Medi-Cal Transfer Order”), which provides “DHCS shall not adjust, offset, lien or recoup  
8 any payments owing to SGM and other SGM affiliates (collectively, “SGM Buyers”) which are  
9 assigned any rights in connection with the transfer of the Medi-Cal Provider Agreements ... and  
10 the SGM acquisition of the Hospitals and St. Vincent Dialysis Center (collectively, the “Assets”)  
11 pursuant to the Sale Motion (“SGM Sale”) after the transfer of the Assets (the “Transfer Effective  
12 Date”), or make any claims against any of the SGM Buyers or any of their assets, including,  
13 without limitation, any assets acquired by any of the SGM Buyers pursuant to the SGM Sale, for  
14 any obligations, liabilities, claims or other interests against the Debtors related to periods on or  
15 before the Transfer Effective Date (“Pre-Transfer Effective Date Liabilities”) including without  
16 limitation for Pre-Transfer Effective Date Liabilities under or related to (a) the Medi-Cal  
17 Program, and (b) without prejudice to the rights of the Debtors or the SGM Buyers as provided  
18 for in the Asset Purchase Agreement [Docket No. 2305-1] by and among the Debtors and SGM,  
19 the Hospital Quality Assurance Fees Program, California Welfare & Institutions Code, §  
20 14169.52(a) et. seq. or similar or successor statutes (“HQA Fee Program”); provided however,  
21 that nothing in this paragraph shall be construed to limit whatever rights DHCS may or may not  
22 have to withhold, under principles of equitable recoupment, payments owed by DHCS to the  
23 Debtors and/or the SGM Buyers, for the purpose of recovering alleged Pre-Transfer Effective  
24 Date Liabilities under or related to the Medi-Cal program and/or HQA Fee Program. None of the  
25 SGM Buyers shall be required to execute the Successor Liability Form, or otherwise assume or  
26 accept responsibility, for or with respect to any Pre-Transfer Effective Date Liabilities, in  
27 conjunction with the completion of the SGM Sale and to effectuate the assignment or other  
28

1 transfer of any Medi-Cal Provider Agreements to the SGM Buyers in connection with the SGM  
2 Sale, or otherwise as a condition or requirement for any of the SGM Buyers to participate in the  
3 Medi-Cal Program or the HQA Fee Program, provided, however, that nothing in this paragraph  
4 shall be construed to limit whatever rights DHCS may or may not have to withhold, under  
5 principles of equitable recoupment, payments owed by DHCS to the Debtors and/or the SGM  
6 Buyers, for the purpose of recovering alleged Pre-Transfer Effective Date Liabilities under or  
7 related to the Medi-Cal program and/or HQA Fee Program.”

8       Whereas, the Department asserts that, in the aggregate, it is owed \$23,290,200.27 by  
9 Seton Medical Center and St. Vincent (as of September 24, 2019) and \$13,528,354.37 by St.  
10 Francis (as of September 24, 2019), all solely related to unpaid HQA Fees. Whereas, the Debtors  
11 assert that all HQA Fees have been paid or will be paid in the ordinary course of business during  
12 the Bankruptcy Cases and no amounts are presently due and owing to the Department.

13       Whereas, according to the Debtors' calculations, they currently have no outstanding  
14 financial obligations to the Department for fee-for-service or supplemental overpayments  
15 pursuant to the Medi-Cal Provider Agreements. However, the Debtors are aware that the  
16 Department alleges the following obligations: (a) alleged obligations related to recent audit of  
17 fiscal year 2016-2017 fee-for-service payments related to SFMC, and (b) alleged overpayment  
18 findings by the Department with respect to the Medi-Cal electronic health records (“EHR”)  
19 incentive payments of \$209,373 to SFMC and \$18,107 to SMC. With regard to the former,  
20 Verity received audit findings alleging overpayments of \$25,176,471 for SFMC for the fiscal  
21 period ending June 30, 2017, but believes these amounts to be grossly overinflated and an  
22 unlawful overreach by the Department’s auditors. With regard to the latter, these amounts are  
23 purportedly associated with an audit of the Hospitals’ first year of participating in the Medi-Cal  
24 EHR program (2011) and the Debtors strongly dispute these findings.

25       Whereas, any outstanding financial obligations of the Hospital Debtors to the Department  
26 for unpaid quality assurance fees or other fees owing under HQA Fee program relating to the  
27 Hospitals that existed prior to the Medi-Cal Transfer Effective Date are referred to herein as the

1 “HQA Fee Claims” and any financial obligations of the Hospital Debtors related to overpayment  
2 amounts owed with respect to fee-for-service or supplemental payments pursuant to the Medi-  
3 Cal Provider Agreements relating to the Hospitals (other than the HQA Fee Claims), including  
4 without limitation overpayments that have been asserted by the Department or its fiscal  
5 intermediary by sending a written communication that is received by the Hospitals prior to the  
6 Medi-Cal Transfer Effective Date and overpayments which would be asserted after such date and  
7 arise from cost report settlements and other reconciliations of payments for services rendered or  
8 periods of time prior to the Medi-Cal Transfer Effective Date, are referred to herein as the “Medi-  
9 Cal Claims.” For purposes of this Stipulation, the effective date of the transfer of the Hospitals’  
10 Medi-Cal Provider Agreements to the SGM Operating Entities is the “Medi-Cal Transfer  
11 Effective Date,” even if the agreement concerning such assignment and assumption is made as of  
12 the Closing.

13 Whereas, pursuant to Code of Federal Regulations, title 42, section 438.6(c)(1)(iii), CMS  
14 has authorized the Department to require each applicable Medi-Cal managed care plan to make  
15 Hospital directed payments to qualified network providers that provide eligible hospital services  
16 for the periods covering July 1, 2017, through June 30, 2019. Pursuant to that approval, based on  
17 an analysis of actual network utilization, the Department will determine a uniform dollar add-on  
18 increment for purposes of the Hospital directed payments to be made to qualified network private  
19 hospitals for eligible services rendered during the approval period. Once the Department has  
20 determined the uniform dollar add-on increment and obtained associated federal approvals, if  
21 necessary, it “will direct [Medi-Cal managed care plans] to make enhanced payments for  
22 contracted services utilized within the class of private hospitals.”

23 Whereas, consistent with CMS’ approval of the private hospital directed payment program  
24 and of Hospital pass-through payments pursuant to 42 C.F.R. §438.6(d), the Department has  
25 agreed that the applicable Medi-Cal managed care plans serving Los Angeles County and San  
26 Mateo County (collectively, the “Plans”) should make the federally approved Medi-Cal managed  
27 care supplemental payments associated with dates of service on or prior to the Medi-Cal Transfer

3 Medi-Cal Transfer Effective Date.

4 Whereas, upon the SGM Sale of the Hospitals and effective as of Closing, the Hospital  
5 Debtors and the SGM Operating Entities may enter into an Interim Management Agreement for  
6 each of the Hospitals (collectively, the “IMAs”), if such SGM Operating Entities are unable to

9 Pharmacy (“BOP”) (collectively the “New Licenses”) for the respective Hospital by Closing,  
10 pursuant to which each SGM Operating Entity will manage the respective Hospital until it obtains  
11 the New Licenses. The date by which all requisite New Licenses are issued for the Hospitals,  
12 whether at Closing or thereafter, is referred to as the “Licensure Date.” For purposes of this  
13 Stipulation, the Licensure Date shall also constitute the effective date of the transfer of the  
14 Hospitals’ Medi-Cal Provider Agreements to the SGM Operating Entities (the “Medi-Cal  
15 Transfer Effective Date”), even if the agreement concerning such assignment and assumption is

4 Whereas, SGM is willing to have the SGM Operating Entities acquire the Medi-Cal  
5 Provider Agreements as of the Licensure Date, but in doing so SGM is unwilling to incur any  
6 exposure for liability under the Medi-Cal Provider Agreements, or otherwise for any Medi-Cal

8 actions or related to periods, prior to the Medi-Cal Transfer Effective Date, or to otherwise

10 Purchase Agreement related to the SGM Sale.

11 Whereas, the Debtors and SGM expected the SGM Sale of the Hospitals to close on or  
12 about December 5, 2019 (the “Closing”).

13 Whereas, on November 22, 2019, the Debtors and the Department reached an agreement  
14 in principle concerning the foregoing.

15 Whereas, this Agreement will go in to effect immediately after Closing, and will be  
16 effective as of the effective date of the Closing (“Effective Date”).

17 **NOW, THEREFORE**, pursuant to the agreements reached in connection therewith, and  
18 in consideration of the mutual covenants, agreements and promises set forth herein, and for other  
19 good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged,  
20 the Parties, intending to be legally bound as provided for herein, hereby agree as follows.

21 **1. Definitions.**

22 **1.1** “Hospital Quality Assurance Fee” or “HQA Fee” program shall mean the program  
23 established by article 5.230 of chapter 7 of part 3 of division 9 of the Welfare and Institutions  
24 Code.

25 **1.2** “Medi-Cal managed care supplemental payments” shall mean the payments made  
26 by Medi-Cal managed care plans pursuant to their contracts with the Department and in  
27  
28

1 accordance with Welfare and Institutions Code section 14169.57 that are either “Hospital directed  
2 payments” or “Hospital pass-through payments.”

3 **1.3** “Hospital directed payments” means the Medi-Cal managed care supplemental  
4 payments approved by CMS pursuant to Code of Federal Regulations, title 42, section 438.6(c).

5 **1.4** “Hospital pass-through payments” means the Medi-Cal managed care  
6 supplemental payments approved by CMS pursuant to Code of Federal Regulations, title 42,  
7 section 438.6(d).

8 **2. The Agreement.**

9  
10 **2.1** The Debtors agree that the Debtors will (a) transfer the Medi-Cal Provider  
11 Agreements to SGM pursuant to § 365, with the effective date of such transfer being on the Medi-  
12 Cal Transfer Effective Date; (b) pay to the Department any unpaid HQA Fees, for Phases V and  
13 VI of the HQA Fee Program that are due and owing as of the Medi-Cal Transfer Effective Date;  
14 (c), as the “cure” required by § 365, allow the Department to recoup up to Ten Million Dollars  
15 (\$10,000,000.00) (the “Allowed Offset Amount”) from payments otherwise owed to the Debtors  
16 for fee-for-service medical care provided by the Debtors to Medi-Cal beneficiaries, provided,  
17 however, that if the Department has offset more than the Allowed Offset Amount, any amounts in  
18 excess will reduce, dollar for dollar, the Debtors’ obligation to pay, as set forth in subsection  
19 2.1(d) below; and (d) allow the Department an allowed administrative expense claim pursuant to  
20 § 503(b)(1)(A) in the amount of Thirty Million Dollars (\$30,000,000.00) (the “Medi-Cal  
21 Settlement Amount”) payable pursuant to the following schedule: (i) Five Million Dollars  
22 (\$5,000,000.00) upon Bankruptcy Court approval of this Settlement Agreement, but in no event  
23 prior to the Effective Date; (ii) Fifteen Million Dollars (\$15,000,000.00) upon the Debtors receipt  
24 of the funds currently escrowed pursuant to the sale of assets to Santa Clara County which is  
25 expected to be released in or about March 2020; and (iii) Ten Million Dollars (\$10,000,000.00) to  
26 be paid from funds paid to the Debtors pursuant to the Hospital Quality Assurance Fee program  
27 and related to O’Connor Hospital and Saint Louise Regional Hospital which is expected to be  
28 received by the Debtors on or before June 2021, to satisfy any and all Medi-Cal Claims, which

1 payment will be the Department's sole remedy for all such Medi-Claims arising for the period  
2 prior to the Medi-Cal Transfer Effective Date. For the avoidance of doubt, the Allowed Offset  
3 Amount and the Medi-Cal Settlement Amount are the cure amounts to be paid pursuant to § 365  
4 for Medi-Cal Claims and constitute the sole remedies available to the Department for the  
5 recovery of Medi-Cal Claims. The Department cannot otherwise seek payment from or recourse  
6 against SGM or against any asset of SGM, including without limitation, any assets acquired by  
7 SGM from the Debtors, for Medi-Cal Claims or HQA Fee Claims and any other liabilities that  
8 were due and owing before the Medi-Cal Transfer Effective Date.

9 **2.2** The Parties agree to jointly request that the Bankruptcy Court vacate the  
10 Memorandum Opinion and the Medi-Cal Transfer Order.

11 **2.3** The covenants of the Parties herein, including without limitation the preceding  
12 agreements by the Debtors and the Department related to the Medi-Cal Settlement Amount, shall  
13 be effective as of the Effective Date, provided that the Bankruptcy Court has approved this  
14 Agreement and the Closing has occurred.

15 **2.4** The Department agrees that it will provide the Debtors and SGM, not later than  
16 five (5) business days prior to the Medi-Cal Transfer Effective Date, a closing Medi-Cal payment  
17 demand ("Medi-Cal Payment Demand") which sets forth the amount, if any, of Phases V and VI  
18 HQA Fees that are due and owing as of the Medi-Cal Transfer Effective Date by the Debtors  
19 pursuant to subsection 2.1(b) above in this paragraph. The Debtors shall pay to the Department  
20 the amount reflected in the Medi-Cal Payment Demand as applicable, on or before the Medi-Cal  
21 Transfer Effective Date, and upon such payment all HQA Fees that were due and owing before  
22 the Medi-Cal Transfer Effective Date shall be deemed to have been fully paid, in full satisfaction  
23 of Debtors' payment obligations pursuant subsection 2.1(b) of this Agreement. For the avoidance  
24 of any doubt, the Department shall look solely to Debtors for the payment of all outstanding  
25 Phases V and VI HQA Fees that are due and owing as of the Medi-Cal Transfer Effective Date.

26 **2.5** The Department agrees that the Debtors' commitment to (a) allow the Allowed  
27 Offset Amount, and (b) pay the HQA Fees and Medi-Cal Settlement Amount referenced above

1 shall constitute a “cure” under § 365, and any otherwise applicable law, statute or regulation, of  
2 all outstanding financial defaults arising under or in connection with the Medi-Cal Provider  
3 Agreements and the services provided and requests for payment made thereunder through the  
4 Medi-Cal Transfer Effective Date; provided, however, that SGM shall succeed to the quality  
5 history associated with the relevant Provider Agreement assigned and shall be treated, for  
6 purposes of survey and certification issues, as if it is the relevant owner and no change of  
7 ownership occurred. For the avoidance of doubt, once the Medi-Cal Provider Agreements are  
8 assigned to SGM (i.e. on the Medi-Cal Transfer Effective Date), the Department is authorized to  
9 adjust all payments to SGM to account for the liabilities and any overpayments and  
10 underpayments relating to services performed by SGM after the Medi-Cal Transfer Effective  
11 Date and for HQA Fees that become due and owing after the Medi-Cal Transfer Effective Date.  
12 Notwithstanding the foregoing or any other term in this Agreement, under no circumstances shall  
13 the Department adjust, offset, or recoup any payments owing to SGM (including without  
14 limitation the SGM Operating Entities) after the Medi-Cal Transfer Effective Date, or make any  
15 claims against SGM (including without limitation the SGM Operating Entities) or any of their  
16 assets, including, without limitation, any assets acquired by SGM from the Debtors, for any  
17 Medi-Cal Claims and for any HQA Fee obligations that are due and owing before the Medi-Cal  
18 Transfer Effective Date. SGM and its Operating Entities will not be liable for any Medi-Cal  
19 Claims and for any HQA Fee obligations that are due and owing before the Medi-Cal Transfer  
20 Effective Date. Provided the SGM Operating Entities file Provider Enrollment Applications  
21 and/or the equivalent forms necessary to effectuate a facility change of ownership for Medi-Cal  
22 purposes, the Department further agrees that SGM shall not be required to execute the Successor  
23 Liability Form or Financial Reponsibility Agreement for Medi-Cal Claims and HQA Fees that  
24 were due and owing before the Medi-Cal Transfer Effective Date in conjunction with the  
25 completion of the SGM Sale and to effectuate the assignment of the Medi-Cal Provider  
26 Agreements to the SGM Operating Entities, and that the SGM Operating Entities shall  
27 nonetheless be permitted to continue to bill for goods and services provided by the Hospitals  
28

covered by Medi-Cal Provider Agreements through the IMA Term, and thereafter until the SGM Operating Entities' enrollment in the Medi-Cal program are confirmed.

**2.6** Prior to the Medi-Cal Transfer Effective Date, all fee-for-service supplemental payments made under the HQA Fee Program will be paid by the Department to the Hospital Debtors at a designated account when due, without regard to the status of its respective license at the time of the payment. After the Effective Date, all fee-for- service supplemental payments made under the HQA Fee program will be paid to the SGM Operating Entities at the accounts designated by the SGM Operating Entities, as long as the SGM Operating Entities file Provider Enrollment Applications with the Department and/or the equivalent forms necessary to effectuate a facility change of ownership for Medi-Cal purposes. However, the supplemental payments will be paid only after the Debtors paid any and all HQA Fees for Phases V & VI that were due and owing before the Medi-Cal Transfer Effective Date. The supplemental payments to be paid to the Debtors will be deducted dollar-for-dollar for any HQA Fee balance that was due and owing before the Medi-Cal Transfer Effective Date, provided however that no such deductions may be made against payments due and owing to SGM after the Medi-Cal Transfer Effective Date.

**2.7** The Department expects the applicable Medi-Cal managed care plans, including those serving Los Angeles County and San Mateo County, to make applicable Medi-Cal managed care supplemental payments, which may include hospital directed payments and hospital pass-through payments, to the Hospital Debtors for dates of service from January 1, 2017 to the Effective Date for which they are eligible in connection with the Hospitals. The Department expects the applicable Medi-Cal managed care plans, including thoseserving Los Angeles County and San Mateo County, to make authorized Medi-Cal managed care supplemental payments, which may include Hospital directed payments and Hospital pass-through payments, to the SGM Operating Entities (which will be on behalf of the Hospital Debtors during the IMA Term if applicable) for dates of service on or after the Effective Date for which they are eligible in connection with the Hospitals.

1           **2.8**     The Department further agrees that the payments to be made pursuant to Section  
2     2.1 above are in full satisfaction, discharge and release of any and all claims against the Debtors,  
3     and the Hospitals or SGM arising under or related to (a) the Medi-Cal Program, including without  
4     limitation all Medi-Cal Claims and the HQA Fee claims, and (b) the California False Claims Act,  
5     and related statutes, in each case for all for goods or services, and otherwise for actions or related  
6     to periods, on or before the Medi-Cal Transfer Effective Date , whether such claims are known or  
7     unknown, liquidated, or contingent (the “Settlement Release”). The Department further agrees  
8     that, in consideration for the commitment by Debtors to make the payments pursuant to Sections  
9     2.1 and 2.4, and the Department’s resulting rights in relation thereto, the Settlement Release  
10    applies to, and is for the benefit of, SGM (including without limitation the SGM Operating  
11    Entities) without condition and whether or not the Debtors timely make such payments.

12           **2.9**     During the Bankruptcy Cases, and on and prior to the Medi-Cal Transfer Effective  
13    Date, the Department agrees to continue to pay the Hospital Debtors for Medi-Cal services by the  
14    Hospitals in accordance with federally approved State plan methodologies and customary trade  
15    terms, and the Hospital Debtors agree to continue to provide care to Medi-Cal beneficiaries at the  
16    Hospitals in accordance with the Medi-Cal Provider Agreements, and all applicable federal and  
17    state laws and regulations.

18           **2.10**    All avoidance actions and other causes of action arising under Chapter 5 of the  
19    Bankruptcy Code, including, but not limited to, claims or causes of action pursuant to §§ 547 and  
20    548, that could be asserted by the Hospitals are waived by the Debtors, their bankruptcy estates,  
21    any and all successors, chapter 7 trustees, and any post-confirmation creditor litigation trust.

22           **2.11**    Debtors will waive and withdraw their appeal of the findings of the Department’s  
23    audit of SFMC’s cost report for fiscal year period July 1, 2016, through June 30, 2017. In  
24    addition, Debtors will waive any and all of its potential or existing rights to appeal the existing or

2 Department are in breach of this Agreement, the respective party's sole remedy shall be the right  
3 to seek to specifically enforce this agreement, including without limitation the Department's right  
4 to seek the payments required pursuant to Section 2. No breaches by any Party shall give rise to a  
5 right to terminate this Agreement by the other Parties, which termination rights are hereby waived  
6 by the Parties to the fullest extent legally permissible. Notwithstanding the preceding or any  
7 other term herein to the contrary, the rights, benefits, waivers and releases in favor of, or for the  
8 benefit of, SGM provided herein shall in any case remain in full force and effect notwithstanding  
9 any breach by the Debtors.

10           **2.13** Nothing in this Agreement shall affect any obligations of the Department, or the  
11 rights of the SGM Operating Entities, with respect to the processing of the assignment of the  
12 Medi-Cal Provider Agreements and/or enrollment of the SGM Operating Entities in the Medi-Cal

20 the Debtors. In addition, and for avoidance of doubt, nothing in this Agreement releases any  
21 person or entity not identified or described in this Agreement as being a person or entity receiving  
22 a release. SGM and its affiliates are entitled to the full benefit of all of the releases and other

1     **3. Miscellaneous Provisions.**

2             **3.1**     The Parties executing this Agreement do so without admitting any fault or liability  
3 whatsoever. No term or condition of this Agreement is intended to be or shall be deemed or  
4 construed as an expression of fault or liability.

5             **3.2**     This Agreement contains the entirety of the agreement reached among the Parties  
6 pertaining to the subject matter set forth herein. This Agreement supersedes all prior and  
7 contemporaneous oral and written agreements and discussions between or among the Parties  
8 except as set forth herein. This Agreement, or any provision hereof, may not be waived, amended  
9 or revoked, or the ongoing obligations of any Party terminated, except by a further writing signed  
10 by all such Parties and the County.

11            **3.3**     This Agreement is the product of negotiation by and among the Parties, executed  
12 voluntarily and without duress or undue influence on the part of or on behalf of any Party hereto.

20            **3.5**     The failure or delay on the part of any Party to enforce or exercise at any time any  
21 of the provisions, rights or remedies in this Agreement shall in no way be construed to be a  
22 waiver thereof, nor in any way to affect the validity of this Agreement or any part hereof, or the  
23 right of such Party to thereafter enforce each and every such provision, right or remedy. No  
24 waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent

3 its reasonable attorneys' fees and costs, in addition to any other award.

16 express beneficiary of this Agreement) against such Party without the requirement of any consent,  
17 agreement or other action of any other party, agency or entity.

18 **3.9** Each of the Parties hereto acknowledges that no other Party, nor any agent nor any  
19 attorney of any other Party has made any promise, representation or warranty whatsoever, express  
20 or implied, not contained herein or therein concerning the subject matter hereof to induce said  
21 Party to execute or authorize the execution of this Agreement, and each of the Parties hereto  
22 further acknowledges that said Party has not executed or authorized the execution of this  
23 Agreement in reliance upon any such promise, representation or warranty not contained herein or  
24 therein.

25 **3.10** The Department hereby represents that it is unaware of any pending litigation,

Verity Health System of California, Inc. (“VHS”) and the affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), respectfully request (the “Motion”) that the Court (A) approve a continuance of the hearing on the *Motion of the Debtors for an Order Approving: (I) Proposed Disclosure Statement; (II) Solicitation and Voting Procedures; (III) Notice and Objection Procedures for Confirmation of Debtors’ Plan; and (IV) Granting Related Relief* [Docket No. 2995] (the “Disclosure Statement Motion”) to a date to be set by the Court at the Status Conference (defined below), (B) reschedule the deadline to file replies to objections to the Disclosure Statement Motion at the Status Conference, and (C) to use November 20, 2019, 10:00 a.m., as a status conference (the “Status Conference”). In support of the Motion, the Debtors submit the attached *Declaration of Richard G. Adcock* (the “Adcock Declaration”) and, respectfully state as follows:

I.

**INTRODUCTION**

Currently, the hearing on the Debtors’ Disclosure Statement is scheduled to occur on November 20, 2019, with replies with respect to pending objections due today, November 15, 2019. This morning, the CEO of Strategic Global Management, Inc. (“SGM”) informed the CEO of the Debtors that SGM will be sending the Debtors formal correspondence material to the sale transaction (the “SGM Sale”). See Declaration of Richard G. Adcock attached hereto (“Adcock Declaration”). As of the filing of this Motion, the Debtors have not received any formal correspondence.

The Debtors’ plan of liquidation is contingent on the close of the sale to SGM. Given the potential significance of SGM’s communications, the Debtors request that the Court enter an Order granting the following relief (collectively, the “Proposed Relief”): (A) reschedule the November 20, 2019 Hearing on the Disclosure Statement to a date to be set by the Court at the Status Conference; (B) reschedule the deadline to file replies to objections to the Disclosure Statement Motion at the Status Conference; and (C) maintain November 20, 2019, 10:00 a.m., as a status conference on this matter. The Debtors are informed that the Official Committee of

Unsecured Creditors and the Debtors' secured lenders support the Proposed Relief requested in this Motion.

As the Court is aware from the recent continuances and hearings in these Cases, the Debtors continued their confirmation timeline to achieve finality as to certain conditions issued by the California Attorney General (the "Attorney General") and Enforcement Motion (defined below). The Debtors were hopeful that the Court's order [Docket No. 3611] and the agreement from the Attorney General not to appeal that order would achieve that long-sought finality and move these Cases to confirmation. However, the Debtors in good faith cannot move forward with the Plan until the Debtors receive further information with respect to SGM. Given the foregoing, the Proposed Relief is necessary and appropriate.

## II.

### JURISDICTION AND VENUE

This Court has jurisdiction over this Motion under 28 U.S.C. § 157(b)(2)(A) and (L). Venue of these proceedings and this Motion is proper pursuant to 28 U.S.C. § 1409. The statutory predicate for this Motion is 11 U.S.C. § 105<sup>1</sup> and LBR 9013-1(m).

## III.

### BACKGROUND FACTS

#### **A. General Background**

1. On August 31, 2018, ("Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code (the "Cases"). By entry of an order, the Cases are currently being jointly administered before the Bankruptcy Court. [Docket No. 17]. Since the commencement of their Cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108.

#### **B. The Plan and Disclosure Statement**

2. On September 3, 2019, the Debtors filed the *Debtors' Chapter 11 Plan of*

<sup>1</sup> All references to "§" herein are to sections of the United States Bankruptcy Code, 11 U.S.C. § 101 *et. seq.*; "LBR" references the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California.

2 *Statement Describing Debtors’ Chapter 11 Plan of Liquidation (Dated September 3, 2019)*  
3 [Docket No. 2994] (the “Disclosure Statement”).

4 3. On September 4, 2019, the Debtors filed the Disclosure Statement Motion. In the  
5 Disclosure Statement Motion, the Debtors seek approval of (i) the Disclosure Statement,  
6 (ii) proposed solicitation and voting procedures, (iii) proposed notice and objection procedures for  
7 confirmation of the Plan, and (iv) related relief. The Debtors also requested [Docket No. 2996]  
8 an order setting a hearing and briefing schedule on shortened notice.

9 4. On September 4, 2019, the Court entered an *Order Setting Hearing On Motion for*  
10 *Approval of Disclosure Statement for October 2, 2019, at 10:00 a.m.* [Docket No. 2998] (the  
11 “Disclosure Statement Scheduling Order”). The Disclosure Statement Scheduling Order set a  
12 hearing on the Disclosure Statement Motion for October 2, 2019 at 10:00 a.m., and provided that  
13 any oppositions to the Disclosure Statement Motion must be filed not later than September 18,  
14 2019. *See* Scheduling Order at 2.

15 5. On September 18, 2019, certain parties in interest filed responses and oppositions  
16 to the Disclosure Statement Motion. *See* Docket Nos. 3079, 3084, 3086, 3087, 3089, 3090, 3092,  
17 3094. Further, the Debtors have continued the opposition deadline by stipulation as they continue  
18 negotiations with certain other parties with respect to the Disclosure Statement Motion and  
19 Disclosure Statement. *See* Docket Nos. 3076, 3077, 3082, 3098, 3119, 3122, 3126, 3195.

20 **C. The Emergency Motion and SGM Sale**

21 6. On May 2, 2019, the Court entered an order [Docket No. 2306] (the “Sale Order”)  
22 approving the SGM APA. <sup>EXHIBIT 1 to SGM APA</sup> On September 25, 2019, the Attorney  
23 General conditionally approved the SGM Sale subject to certain conditions (the “2019  
24 Conditions”). Certain of the 2019 Conditions (the “Additional Conditions”) were materially  
25 different than those to which SGM agreed under the Schedule 8.6 to the SGM APA.

26 7. On September 30, 2019, the Debtors filed the motion [Docket No. 3188] (the  
27 “Enforcement Motion”) for entry of an order finding (i) that the Debtors could sell their assets  
28 pursuant to the SGM Sale free and clear of the Additional Conditions, or, alternatively, (ii) that

(213) 623-9300

the Attorney General abused his discretion when imposing the Additional Conditions. As discussed in greater detail in the Enforcement Motion, the Additional Conditions recently issued by the Attorney General threatened the SGM Sale, and could have triggered SGM's termination rights under the APA unless the Debtors obtained the relief requested by the Enforcement Motion. *See* SGM APA, § 8.6.

8. On October 1, 2019, the Court entered the *Order Setting Hearing on Emergency Motion for the Entry of an Order Enforcing the Order Authorizing the Sale to Strategic Global Management for October 15, 2019, at 10:00 a.m.* [Docket No. 3193] (the "Scheduling Order"), which scheduled a hearing on the Enforcement Motion on October 15, 2019, at 10:00 a.m. (Pacific Time)—the same date and time as the hearing on the Disclosure Statement Motion. *See* Scheduling Order at 2.

9. On October 23, 2019, the Court entered the *Memorandum of Decision Granting Debtors' Emergency Motion to Enforce the Sale Order* [Doc. No. 3188] (the "Memorandum Decision"). The Memorandum Decision granted the Enforcement Motion and further provided that the Court will enter an order certifying the matter for direct appeal to the Ninth Circuit. *See* Mem. Dec. at 24. The Court requested that the Debtors submit an order on the Enforcement Motion consistent with the Memorandum Decision not later than October 30, 2019. *See id.* On November 14, 2019, after holding an emergency hearing on the proposed form of order, the Court entered the order granting the Enforcement Motion [Docket No. 3611] (the "Enforcement Order").

**D. Continuance of Hearing on Disclosure Statement Motion**

10. The Debtors have filed four motions [Docket No. 3103, 3238, 3384, 3502] to continue the hearing on the Disclosure Statement Motion, which were granted by the Court [Docket No. 3120, 3260, 3389, 3506]. The order on the Debtors' fourth continuance motion set the Debtors' reply deadline as November 13, 2019 (the "Reply Deadline"), and scheduled a continued hearing on the Motion for November 20, 2019, at 10:00 a.m. (Pacific Time) (the "Hearing"). The Debtors requested [Docket No. 3589] a further extension of the Reply Deadline to November 15, 2019, which the Court approved by order [Docket No. 3594] entered November

1 12, 2019.

2 **E. Facts Relevant to the Motion**

3 11. On October 10, 2019, SGM filed the *Statement of Strategic Global Management,*  
4 *Inc. in Support of “Debtors’ Emergency Motion for the Entry of an Order: (I) Enforcing the*  
5 *Order Authorizing the Sale to Strategic Global Management, Inc.’ (II) Finding that the Sale is*  
6 *Free and Clear of Conditions Materially Different Than Those Approved by the Court . . .”*  
7 [Docket No. 3356] (the “SGM Statement”). In the SGM Statement, SGM indicated that “it will  
8 not close the Sale unless the Debtors timely obtain a Free and Clear order from the Court.” SGM  
9 Statement at 4. The SGM APA further provides that such order must be final and non-  
10 appealable, that is, an order “which has been affirmed or the appeal of which has been dismissed  
11 by any appellate court and for which the relevant appeal period has expired (other than any right  
12 of appeal to the U.S. Supreme Court).” *See* SGM APA § 8.6. The Court entered the Enforcement  
13 Order on November 14, 2019. The two parties that objected to the Enforcement Motion have  
14 agreed not to appeal the Enforcement Order.

15 12. On this morning of November 15, 2019, the CEO of SGM informed the CEO of  
16 the Debtors of SGM’s intent to send the Debtors formal correspondence material to the SGM  
17 Sale. *See* Adcock Declaration, ¶ 4. As of the filing of this Motion, the Debtors have not received  
18 any such correspondence. *See id.*

19 13. Given the foregoing, the Debtors anticipate that the Proposed Relief is necessary.  
20 *See* Adcock Declaration, ¶ 5. Without a continuance, the outcome also could result in further  
21 amendments to the Disclosure Statement and Plan if the Debtors are required to file papers by the  
22 current November 15, 2019 deadline. *See id.* Given their limited resources, the Debtors seek to  
23 avoid the unnecessary expenses associated with multiple amendments to their Disclosure  
24 Statement and Plan. *See id.* Accordingly, the Debtors respectfully request the Proposed Relief.

25 **IV.**

26 **ARGUMENT**

27 LBR 9013-1(m)(1) governs motions for continuance and sets forth various general  
28 requirements. The Motion satisfies the requirements of the LBRs because it is filed more than

three days prior to the Hearing, sets forth the reasons for the proposed continuance in detail, and is supported by the Adcock Declaration. *See* LBR 9013-1(m)(1).

The Debtors require a continuance of the hearing on the Disclosure Statement Motion for the reasons discussed above. A continuance of the Hearing will serve the best interests of the estates and creditors because it will ensure that the Debtors avoid the expense of unnecessary amendments to their Plan and Disclosure Statement. In light of the benefit to the Debtors' Cases, the Debtors respectfully request that the Court continue the Hearing on the Disclosure Statement Motion from November 20, 2019, at 10:00 a.m., to a date to be set by the Court at the Status Conference (the "Continued Hearing Date"). In accordance with the LBR 9013-1(m)(4), the Continued Hearing Date will automatically extend the reply deadline unless otherwise ordered by the Court at the Status Conference.

V.

**CONCLUSION**

In light of the foregoing, the Debtors respectfully request that this Court enter an Order (i) granting this Motion, (ii) continuing the hearing on the Disclosure Statement Motion to a date to be set by the Court at the Status Conference, (iii) rescheduling the deadline to file replies in support of the Disclosure Statement Motion to a date set by the Court at the Status Conference; (iv) maintaining November 20, 2019, 10:00 a.m. as a Status Conference on this matter, and (v) granting such other relief as the Court deems just and proper under the circumstances.

1 deadline. Given their limited resources, the Debtors seek to avoid the unnecessary expenses

**MEMORANDUM OF POINTS AND AUTHORITIES**

**I.**

**INTRODUCTION**

Verity Health System of California, Inc. (“VHS”) and the affiliated debtors, the debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (each a “Debtor” and, collectively, the “Debtors”), request (the “Motion”) approval of (i) the *Disclosure Statement Describing Debtors’ Chapter 11 Plan Of Liquidation (Dated September 3, 2019)* (the “Disclosure Statement”)<sup>1</sup> filed concurrently herewith, (ii) the solicitation and voting procedures proposed herein, (iii) the proposed notice and objection procedures for confirmation of the *Debtors’ Chapter 11 Plan of Liquidation (Dated September 3, 2019)* (the “Plan”) filed concurrently herewith, and (iv) granting related relief as set forth more fully herein. In support of the Motion, the Debtors refer to the *Declaration of Richard G. Adcock In Support of Emergency First-Day Motions* [Docket No. 8] (the “First-Day Declaration”). Concurrently herewith, the Debtors have filed an application for an order setting the hearing on this Motion on shortened notice. The Debtors respectfully submit that Disclosure Statement contains “adequate information,” as that phrase is defined in § 1125(a)(1)<sup>2</sup>, and, thus, request the Court grant the Motion.

**II.**

**JURISDICTION, VENUE, AND REQUESTED RELIEF**

The Bankruptcy Court has jurisdiction pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding under 28 U.S.C. § 157(b)(2).

1. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

---

<sup>1</sup> Capitalized terms not otherwise defined herein have the same definitions set forth in the Disclosure Statement.

<sup>2</sup> Unless specified otherwise, all chapter and section references are to the Bankruptcy Code, 11 U.S.C. §§ 101-1532, and all “Bankruptcy Rule” references are to the Federal Rules of Bankruptcy Procedure, Rules 1001-9037. All “Local Bankruptcy Rule” references are to the Local Bankruptcy Rules for the United States Bankruptcy Court for the Central District of California.

2. The statutory predicates for the relief sought herein are §§ 105, 327, 328, 1125, and 1126; Bankruptcy Rules 2002, 2014, 3016, 3017, 3018, and 3020; and Local Bankruptcy Rules 2002-1 and 3018-1.

### III.

#### **BACKGROUND**

##### **A. General Background.**

3. On August 31, 2018 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under the Bankruptcy Code (the “Cases”). The Cases are jointly administered before the Bankruptcy Court. *See* Docket No. 17. Since the Petition Date, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108.

4. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate member of the following five Debtor California nonprofit public benefit corporations that, on the Petition Date, operated six acute care hospitals: O’Connor Hospital (“OCH”), Saint Louise Regional Hospital (“SLRH”), St. Francis Medical Center (“SFMC”), St. Vincent Medical Center (“SVMC”), Seton Medical Center (“SMC”), and Seton Medical Center Coastsides (“Seton Coastsides” and, together with OCH, SLRH, SFMC, and SVMC, the “Hospitals”). SMC and Seton Coastsides (collectively, “Seton”) operated under one consolidated acute care hospital license.

5. VHS, the Hospitals, and their affiliated entities (collectively, “Verity Health System”) have operated as a nonprofit health care system, with approximately 1,680 inpatient beds, six active emergency rooms, a trauma center, eleven medical office buildings, and a host of medical specialties, including tertiary and quaternary care. *See* First-Day Decl., at 4, ¶ 12. The scope of the services provided by the Verity Health System are exemplified by the fact that in 2017, the Hospitals provided medical services to over 50,000 inpatients and approximately 480,000 outpatients. *Id.*, at 4, ¶ 12.

6. Additional background facts on the Debtors, including an overview of the Debtors’ business, historical operations, capital structure, employment plans, prior restructuring efforts and liquidity issues that led to these chapter 11 Cases are contained in the First-Day Declaration. Below is an abbreviated description of major historical events that preceded the chapter 11 filing.

**B. Events Leadings to the Bankruptcy Cases.**

7. Between 1995 and 2015, the Hospitals incurred substantial operating losses. During that time period, Daughters of Charity of St. Vincent de Paul, Province of the West (the “Daughters of Charity”) and the Daughters of Charity Health System (“DCHS”) attempted to find a solution which would resolve the operating losses, either through a sale of some or all of the hospitals or a merger with a more financially sound partner. These efforts were not successful, and the health system’s losses continued to mount.

8. In 2015, DCHS marketed the health system for sale and focused on offers that maintained the system as a whole, including the assumption of all existing obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC (“BlueMountain”), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the “BlueMountain Transaction”). In connection with the BlueMountain Transaction, BlueMountain agreed to make a capital infusion of \$100 million, arrange loans for another \$160 million to the system, and manage operations, with an option to buy the health system at a future time. In addition, the parties entered into a System Restructuring and Support Agreement (the “Restructuring Agreement”). DCHS’ name was changed to VHS, and Integrity Healthcare, LLC (“Integrity”) was formed to carry out the management services under a new management agreement.

9. On December 3, 2015, the California Attorney General (the “Attorney General”) approved the BlueMountain Transaction, subject to certain conditions. The Attorney General conditions were imposed for periods ranging from 5 to 15 years, and included, *inter alia*, limits on transfers of control; maintenance of specific health services and specific bed counts; required participation in Medicare and Medi-Cal programs; and required levels of charity care.

10. Under the Restructuring Agreement, VHS, OCH, SLRH, SFMC, SVMC, and Seton, were converted from religious corporations to public benefit corporations.

11. Despite BlueMountain’s infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system continued to incur losses.

1           12. In July 2017, NantWorks, LLC acquired a controlling stake in Integrity, and  
2 brought in a new CEO, CFO, and COO. NantWorks also loaned another \$148 million to the  
3 Debtors.

4           13. Despite the infusion of capital and new management, losses continued to mount to  
5 approximately \$175 million annually on a cash flow basis. It soon became apparent that the  
6 problems facing the Verity Health System were too large to solve without a formal, court-  
7 supervised restructuring,

8           14. Accordingly, the Debtors commenced these Cases with the objective of protecting  
9 the original legacy of the Daughters of Charity to the maximum extent possible. The Debtors  
10 pursued a strategy to retire debt incurred over the past 18 years so the Hospital facilities and work  
11 force can continue their critical operations under new ownership and leadership without the  
12 accumulated crisis of the past.

13 **C. Appointment of Committee.**

14           15. On September 17, 2018, the Office of the United States Trustee appointed an  
15 Official Committee of Unsecured Creditors in the Debtors' Cases. [Docket No. 197].

16 **IV.**

17 **DISCLOSURE STATEMENT AND PLAN**

18           Concurrently herewith, the Debtors filed the proposed Plan and related Disclosure  
19 Statement. The Debtors worked diligently with their advisors to prepare the Plan, which  
20 maximizes value for the estates for the benefit of creditors. The Debtors concluded, after a careful  
21 analysis of the Debtors' complex corporate and financial structure, that a single plan of liquidation  
22 contemplating the "deemed" substantive consolidation of all Debtors—rather than seventeen  
23 separate plans—will maximize value and avoid unnecessary costs and potential litigation. Thus,  
24 as more fully described in the Disclosure Statement, the Plan provides for the "deemed"  
25 substantive consolidation of the Debtors solely for purposes of implementation of the Plan and  
26 distributions to creditors otherwise in accordance with the Bankruptcy Code's distribution and  
27 classification provisions. The Disclosure Statement describes further facts and legal bases that  
28 support substantive consolidation.

As set forth in the Disclosure Statement, the net proceeds of the SCC Sale and the SGM Sale will be the primary source of funding for distributions under the Plan. The Debtors also anticipate other sources of recovery, including, but not limited to, recovery of certain receivables and fees after the Effective Date and the net proceeds of Causes of Action, including Avoidance Actions, to be pursued by the Liquidating Trust.

The Debtors propose the following key dates in connection with the approval of the Disclosure Statement and confirmation of the Plan:<sup>3</sup>

Event Date/Deadline	Event Date/Deadline
Disclosure Statement Objection Deadline	September 18, 2019
Deadline to File Reply to Disclosure Statement Objections	September 25, 2019
Disclosure Statement Hearing	October 2, 2019 at 10:00 a.m. (Pacific Time)

Voting Record Date	October 2, 2019
Deadline to Object or to File a Motion to Estimate Claims for Voting Purposes	October 31, 2019
Voting Objection Deadline	October 31, 2019

Confirmation Objection Deadline	November 7, 2019
Deadline to File Tabulation Report, Memorandum of Law in Support of Confirmation, Proposed Confirmation Order and Response to Objections to the Confirmation	November 14, 2019
Confirmation Hearing	November 21, 2019 at 10:00 a.m. (Pacific Time)

The Debtors respectfully request entry of an order: (i) approving the Disclosure Statement as containing “adequate information,” as that term is defined in § 1125(a)(1); (ii) establishing procedures for solicitation and tabulation of votes to accept or reject the Plan, including (a) approving the form and manner of the solicitation packages, (b) approving the form and manner of notice of the hearing to confirm the Plan, (c) establishing a voting record date and approving

<sup>3</sup> The Debtors filed an application for an order setting the hearing on this Motion on shortened notice contemporaneously herewith. The dates set forth herein are subject to the Court’s ruling on the Debtors’ application and the Court’s availability with respect to the proposed confirmation schedule.

1 procedures for distributing the solicitation packages, (d) approving the forms of ballots, (e)  
2 establishing the deadline for the receipt of ballots, and (f) approving procedures for tabulating

6 **V.**

7 **ARGUMENT**

8 **A. The Disclosure Requirements of the Bankruptcy Code**

9 Pursuant to § 1125, a plan proponent must provide holders of impaired claims with  
10 “adequate information” regarding a proposed chapter 11 plan. In that regard, § 1125(a)(1)  
11 provides in pertinent part that:

12 “adequate information” means information of a kind, and in sufficient detail, as far  
13 as is reasonably practicable in light of the nature and history of the debtor and the  
14 condition of the debtor’s books and records, including a discussion of the potential  
15 material Federal tax consequences of the plan to the debtor, any successor to the  
16 debtor, and a hypothetical investor typical of the holders of claims or interests in the  
17 case, that would enable such a hypothetical investor of the relevant class to make an  
18 informed judgment about the plan . . . .

19 11 U.S.C. § 1125(a)(1). Thus, a disclosure statement must as a whole, provide information that is  
20 reasonably designed to permit an informed judgment by impaired creditors or equity or other  
21 interest holders entitled to vote on a plan. *See In re Cal. Fidelity, Inc.*, 198 B.R. 567, 571 (B.A.P.  
22 9th Cir. 1996) (“At a minimum, § 1125(b) seeks to guarantee that a creditor receives adequate  
23 information about the plan before the creditor is asked for a vote.”); *In re Art & Architecture*

25 Mar. 18, 2016) (“The primary purpose of a disclosure statement is to give creditors and interest  
26 holders the information they need to decide whether to accept the plan.”) (citing *Captain Blythers,*  
27 *Inc. v. Thompson (In re Captain Blythers, Inc.)*, 311 B.R. 530, 537 (B.A.P. 9th Cir. 2004)); *In re*  
28 *Arnold*, 471 B.R. 578, 584-85 (Bankr. C.D. Cal. 2012).

29 In examining the adequacy of the information contained in a disclosure statement, the  
30 Bankruptcy Court has broad discretion. *See Art & Architecture Books of the 21st Century*, 2016  
31 WL 1118743, at \*14 (“Bankruptcy judges have broad discretion in reviewing disclosure

Mabey (In re A.H. Robins Co., Inc.)*, 880 F.2d 694, 696 (4th Cir. 1989); *Tex. Extrusion Corp. v. Lockheed Corp. (In re Tex. Extrusion Corp.)*, 844 F.2d 1142, 1157 (5th Cir. 1988); *see also In re Oxford Homes, Inc.*, 204 B.R. 264, 269 (Bankr. D. Me. 1997) (Congress intentionally drew vague contours of what constitutes adequate information so that bankruptcy courts may exercise discretion to tailor them to each case’s particular circumstances); *In re Dakota Rail Inc.*, 104 B.R. 138, 143 (Bankr. D. Minn. 1989) (a bankruptcy court has “wide discretion to determine . . . whether a disclosure statement contains adequate information, without burdensome, unnecessary, and cumbersome detail”).

Accordingly, the determination of whether a disclosure statement contains adequate information is to be made on a case-by-case basis, focusing on the unique facts and circumstances of each case. *See In re Diversified Inv’rs Fund XVII*, 91 B.R. 559, 561 (Bankr. C.D. Cal. 1988) (“According to the legislative history, the parameters of what constitutes adequate information are intended to be flexible.”); *see also In re PC Liquidation Corp.*, 383 B.R. 856 at 866 (E.D.N.Y. 2008); *In re Tex. The determination of whether adequate information has been provided should take account of expertise and resources, including outside advisors and relevant information already possessed or publicly available, of the hypothetical investor of each class of claims or interests from which classes the acceptance or rejection of the Plan is solicited after the commencement of the cases. *See In re Zenith Elec. **B. The Proposed Disclosure Statement Meets the Applicable Standards.**

The Disclosure Statement provides “adequate information” to allow holders of Claims in the Voting Classes (as defined below) to make an informed decision about whether to vote to accept or reject the Plan. Specifically, the Disclosure Statement contains a number of categories of information that courts consider “adequate information,” including:

- (i) An overview of the Plan (*see* Disclosure Statement, Section V);
- (ii) The corporate structure and indebtedness of the Debtors (*see id.*, Sections II.C., III);
- (iii) The operation of the Debtors’ business (*see id.*, Sections II, III);
- (iv) Key events leading to the commencement of the Chapter 11 Cases (*see id.*, Section III);
- (v) Significant events that occurred during the Chapter 11 Cases (*see id.*, Section IV);
- (vi) Information regarding Litigation (*see* Section IV);
- (vii) Financial information that would be relevant to determinations of whether to accept or reject the Plan (*see id.*, Section V);
- (viii) Tax consequences of the Plan (*see id.*, Sections IX, X);
- (ix) Risk factors affecting the Plan and the Debtors (*see id.*, Section XIII);
- (x) Requirements for confirmation of the Plan (*see id.*, Section XII);
- (xi) A liquidation analysis under chapter 7 of the Bankruptcy Code (*see id.*, Section XII at K); and
- (xii) Description of Plan Releases (*see id.*, Section VIII).

The Disclosure Statement also provides adequate notice of the release, exculpation, and injunction provisions in the Plan. Pursuant to Bankruptcy Rule 3016(c), “[i]f a plan provides for an injunction against conduct not otherwise enjoined under the Code, the plan and disclosure statement [must] describe in specific and conspicuous language all acts to be enjoined and identify the entities that would be subject to the injunction.” Fed. R. Bankr. P. 3016(c). The Disclosure Statement provides a detailed description of releases and exculpations to be provided under the Plan. *See* Disclosure Statement, § VIII.B., C., D.

1 Furthermore, the Disclosure Statement provides an analysis of the alternatives to  
2 confirmation and consummation of the Plan. *See id.*, § X.II.K. (setting forth the Debtors’  
3 liquidation analysis). Accordingly, the Debtors recommend that holders of claims eligible to vote  
4 on the Plan vote to accept the Plan because it is the most efficient and effective means to provide  
5 remaining recoveries to holders of claims against the Debtors’ estates.

6 The Disclosure Statement also contains a detailed description of means of implementation,  
7 which includes the “deemed” substantive consolidation of the Debtors and the applicable factors  
8 and legal basis. The Disclosure Statements sets forth adequate information concerning (i) the  
9 legal requirements to establish deemed substantive consolidation, and (ii) the factual bases  
10 supporting the Debtors’ request for deemed substantive consolidation. It also provides notice that  
11 the Disclosure Statement and Plan shall be deemed a motion requesting that the Bankruptcy Court  
12 approve the deemed substantive consolidation contemplated by the Plan at the Confirmation  
13 Hearing, unless otherwise separately scheduled. *See* Disclosure Statement, Section XIV.

14 Specifically, the Disclosure Statement sets forth the effect of deemed substantive  
15 consolidation and the facts of the cases that satisfy the standard for deemed substantive  
16 consolidation in the Ninth Circuit. The facts relevant to the Ninth Circuit analysis and identified  
17 in the Disclosure Statement include: (i) the impact of the conditions imposed by the Attorney  
18 General and the extent to which the conditions required that the Debtors act as a single economic  
19 unit; (ii) the manner in which the Debtors booked significant transfers on their general account  
20 ledgers between entities and the effect the claims will have on recoveries among the unsecured  
21 creditors of each Debtor; (iii) the issues raised by reconciliation of claims and the allocation of  
22 liabilities among the Debtors; (iv) the Debtors’ lending and business relationships with the  
23 creditors and the extent to which the Debtors dealt with creditors as a single enterprise; and  
24 (v) facts reflecting the extent to which the proposed deemed substantive consolidation is  
25 administratively convenient and benefits creditors. Accordingly, the Disclosure Statement  
26 contains the pertinent information necessary for holders of impaired claims to make an informed  
27 decision about whether to vote to accept or reject the Plan, including, among other things,

1 information regarding the effect and basis for the Debtors' request for deemed substantive  
2 consolidation.

3 The Debtors respectfully submit that the Disclosure Statement complies with all aspects of  
4 § 1125. The Debtors will demonstrate at the hearing to approve the Disclosure Statement that the  
5 Disclosure Statement addresses the information set forth above in a manner that provides holders  
6 of impaired unsecured claims that are entitled to vote to accept or reject the Plan with adequate  
7 information within the meaning of § 1125 and should therefore be approved.

8 **VI.**

9 **ESTABLISHING PROCEDURES FOR SOLICITATION OF THE PLAN**

10 **A. Approval of Form and Manner of Solicitation Package.**

11 Bankruptcy Rule 3017(d) sets forth the materials that must be provided to holders of  
12 claims for the purpose of soliciting their votes and providing adequate notice of the hearing on  
13 confirmation of a plan of reorganization:

14 Upon approval of a disclosure statement,—except to the extent that the court orders  
15 otherwise with respect to one or more unimpaired classes of creditors or equity  
16 security holders—the debtor in possession, trustee, proponent of the plan, or clerk  
as the court orders shall mail to all creditors and equity security holders, and in a  
chapter 11 reorganization case shall transmit to the United States trustee:

- 17 (1) the plan or a court-approved summary of the plan;  
18 (2) the disclosure statement approved by the court;  
19 (3) notice of the time within which acceptances and rejections of the  
20 plan may be filed; and  
21 (4) any other information as the court may direct, including any court  
22 opinion approving the disclosure statement or a court-approved  
23 summary of the opinion.

24 In addition, notice of the time fixed for filing objections and the hearing on  
25 confirmation shall be mailed to all creditors and equity security holders in  
26 accordance with Rule 2002(b), and a form of ballot conforming to the appropriate  
Official Form shall be mailed to creditors and equity security holders entitled to  
vote on the plan . . . .

27 Fed. R. Bankr. P. 3017(d).  
28

1 As further discussed below, if the Bankruptcy Court approves the Disclosure Statement as  
2 containing adequate information pursuant to § 1125, the Debtors propose to distribute by First  
3 Class Mail to holders of claims in the classes entitled to vote on the Plan (the “Voting Classes”)<sup>4</sup>  
4 the Confirmation Hearing Notice (as defined below), as well as a package containing solicitation  
5 materials (the “Solicitation Package”) including:

- 6 a) the Bankruptcy Court’s Order approving the Disclosure Statement (the  
7 “Disclosure Statement Order”), excluding the exhibits attached thereto;
- 8 b) the applicable ballot (a “Ballot”), the proposed forms of which will be filed  
9 with the Court as a supplement to this Motion, together with a pre-paid, pre-  
10 addressed return envelope and, either paper copies of or electronic copies in  
11 “pdf” format on a CD-ROM or USB flash drive containing the Disclosure  
12 Statement (with the Plan and other exhibits attached thereto); and
- 13 c) any supplemental documents filed with the Bankruptcy Court and such  
14 other materials as the Bankruptcy Court may direct, including any letters in  
15 support of the Plan.

16 The Debtors submit that such materials and manner of service satisfy the requirements of  
17 Bankruptcy Rule 3017(d).

18 Kurtzman Carson Consultants LLC (“KCC”) will serve as the Debtors’ Solicitation Agent  
19 (the “Solicitation Agent”) and provide access to Solicitation Packages, among other things.  
20 Solicitation Packages (except for Ballots) will be available (i) for download at  
21 <https://www.kccllc.net/verityhealth>, (ii) by email request to [verityinfo@kccllc.com](mailto:verityinfo@kccllc.com), (iii) by written  
22 request via standard overnight or hand delivery to: Verity Ballot Processing Center, c/o KCC, 222

23 <sup>4</sup> The Voting Classes consist of Class 2 (Secured 2005 Revenue Bond Claims), Class 3 (Secured  
24 2015 Notes Claims), Class 4 (Secured Series 2017 Revenue Note Claims), Class 5 (Secured MOB  
25 I Financing Claims), Class 6 (Secured MOB II Financing Claims), Class 7 (Secured Mechanics  
26 Lien Claims), Class 8 (PBGC Claims), Class 9 (RPHE Claims), Class 10 (General Unsecured  
27 Claims), Class 11 (Convenience Claims), Class 12 (Insured Claims), and Class 13 (2016 Data  
28 Breach Claims). Class 14 (Subordinated General Unsecured Claims) and Class 15 (Interests) are  
deemed to reject the Plan, and, therefore, not entitled to vote. Similarly, Class 1A (Other Priority  
Claims) and Class 1B (Secured PACE Tax Financing Claims) are deemed not impaired, and,  
therefore, deemed to accept the Plan and not entitled to vote.

3 **B. Approval of Form and Manner of Confirmation Hearing Notice**

4 Upon approval of the Disclosure Statement pursuant Disclosure Statement Order, the  
5 Debtors will serve or cause to be served the following documents on the following parties, as  
6 applicable: (i) a written notice to the Voting Classes (the "Confirmation Hearing Notice") of  
7 (a) the Bankruptcy Court's approval of the Disclosure Statement, (b) the deadline for voting on the  
8 Plan, (c) the time, date, and place for the hearing to consider confirmation of the Plan, and (d) the  
9 deadline and procedures for filing objections to the confirmation of the Plan, together with the  
10 Solicitation Package; (ii) a written notice to the non-voting accepting classes (the "Notice of Non-  
11 Voting Accepting Status and Confirmation Hearing") that sets forth such parties' Plan treatment, a  
12 summary of the Plan's release, injunction, and exculpation provisions, and certain information  
13 regarding the hearing to consider confirmation of the Plan and related deadlines; and (iii) a written  
14 notice to the non-voting rejecting classes (the "Notice of Non-Voting Rejecting Status and  
15 Confirmation Hearing") that sets forth such parties' Plan treatment, a summary of the Plan's  
16 release, injunction, and exculpation provisions, and certain information regarding the hearing to  
17 consider confirmation of the Plan and related deadlines. The relevant notices will be served on the  
18 appropriate parties by First Class Mail. The Debtors will file the proposed form of notices prior to  
19 the hearing on this Motion.

20 Consistent with § 1126(f) and Bankruptcy Rule 3017(d), the Debtors propose to send the  
21 Notice of Non-Voting Accepting Status and Confirmation Hearing to holders of Administrative  
22 Claims, Professional Claims, Statutory Fees, Priority Tax Claims, Administrative DIP Lender  
23 Claims, Other Priority Claims, and Secured PACE Tax Financing Claims (the  
24 "Unclassified/Unimpaired Claimholders"), which classes are unclassified or deemed to accept the  
25 Plan,.

26 \_\_\_\_\_  
27 <sup>5</sup> <http://www.cacb.uscourts.gov/> (a PACER login and password are required to access documents  
28 on the Bankruptcy Court's website).

1 Consistent with § 1126(g) and Bankruptcy Rule 3017(d), the Debtors proposed to send the  
2 Notice of Non-Voting Rejecting Status and Confirmation Hearing to holders of Subordinated  
3 General Unsecured Claims and Interests, which classes are deemed to reject the Plan.

4 The Debtors submit that such notices satisfy the requirements of the Bankruptcy Code and  
5 Bankruptcy Rule 3017(d). Accordingly, the Debtors request that the Bankruptcy Court determine  
6 that the Debtors are not required to distribute copies of the Plan, Disclosure Statement, or  
7 Disclosure Statement Order to any of the Unclassified/Unimpaired Claimholders, holders of  
8 Subordinated General Unsecured Claims, or Interest holders, unless otherwise requested in writing  
9 or by the terms of the Disclosure Statement Order.

10 **C. Establishment of Voting Record Date and Approving of Procedures for Distribution**  
11 **of Solicitation Packages.**

12 Bankruptcy Rule 3017(d) provides that, for the purposes of soliciting votes in connection  
13 with the confirmation of a bankruptcy plan, “creditors and equity security holders shall include  
14 holders of stock, bonds, debentures, notes and other securities of record on the date the order  
15 approving the disclosure statement is entered or another date fixed by the court, for cause, after  
16 notice and a hearing.” Fed R. Bankr. P. 3017(d). Bankruptcy Rule 3018(a) contains a similar  
17 provision regarding determination of the record date for voting purposes.

18 The Debtors request that the Bankruptcy Court establish October 2, 2019, as the record  
19 date (the “Voting Record Date”), for purposes of determining the claimholders that are entitled to  
20 vote (subject to the voting procedures set forth below) on the Plan or, in the case of non-voting  
21 classes, for purposes of determining the claimholders to receive certain Plan-related materials.  
22 The Debtors expect that they will be able to commence distribution of (i) the Confirmation  
23 Hearing Notice and Solicitation Package to the Voting Classes and (ii) the Notice of Non-Voting  
24 Accepting Status and Confirmation Hearing and/or Notice of Non-Voting Rejecting Status and  
25 Confirmation Hearing to parties-in-interest outside of the Voting Classes, as applicable, as set  
26 forth herein, within five (5) business days after the date of entry of the Disclosure Statement  
27 Order, or as soon as reasonably practicable thereafter (the “Solicitation Commencement Date”).  
28

1 In the case of Class 2 (Secured 2005 Revenue Bond Claims), certain brokerage firms and  
2 banks or their agents (collectively, the “Nominees”) hold Class 2 claims rather than the individual  
3 holders themselves (collectively, the “Beneficial Holders”). To ensure proper tabulation of votes  
4 for all Secured 2005 Revenue Bond Claims, the Debtors will deliver Solicitation Packages to  
5 holders of record as of the Voting Record Date, including Nominees, as reflected on security  
6 position reports provided by The Depository Trust Company (“DTC”). Additionally, the Debtors  
7 will distribute “Master Ballots” and “Beneficial Holder Ballots” to Nominees under separate cover  
8 from the Solicitation Packages delivered to all other holders of record. The Beneficial Holder  
9 Ballots will instruct each Beneficial Holder voting on the Plan through a Nominee to return the  
10 Beneficial Holder Ballot to the appropriate Nominee in sufficient time for such Nominee to timely  
11 cast votes to accept or reject the Plan on behalf of the Beneficial Holders, or otherwise follow the  
12 directions of the Nominee. The Nominee will complete and return a Master Ballot, which the  
13 Debtors will tabulate for purposes of determining votes for Class 2.

14 The Debtors shall cause to be distributed electronically the Disclosure Statement Order  
15 (excluding exhibits thereto), the Confirmation Hearing Notice, the Disclosure Statement (together  
16 with the Plan and other exhibits attached thereto), and such other materials as the Bankruptcy  
17 Court may direct (excluding a Ballot) to, among other parties (to the extent such parties did not  
18 otherwise receive the Solicitation Package):

- 19 a) the U.S. Trustee;
- 20 b) the Internal Revenue Service;
- 21 c) the California Attorney General; and
- 22 d) all persons and entities that have filed a request for service of filings in the  
23 Debtors’ Cases pursuant to Bankruptcy Rule 2002.

24 The Debtors anticipate that some of the notices served in the Debtors’ Cases, including  
25 notices of the hearing to approve the Disclosure Statement and notices of the commencement of  
26 the Debtors’ Cases, have been or may be returned, including because certain notice parties have  
27 foreign addresses. The Debtors believe that it would be costly and inefficient to distribute the  
28 Solicitation Package to the same addresses to which undeliverable notices were previously

1 distributed. Therefore, the Debtors seek the Bankruptcy Court's approval for a departure from the  
2 strict notice rule, excusing the Debtors from distributing Solicitation Packages to those entities  
3 listed at such addresses if the Debtors are not provided with updated addresses for such entities  
4 before the Solicitation Commencement Date. Further, if the Debtors send Solicitation Packages  
5 that are deemed undeliverable and are not provided with a forwarding or more updated address,  
6 the Debtors seek that the Debtors be excused from attempting to re-deliver Solicitation Packages  
7 to such entities. The Debtors submit that good cause exists for implementing the aforementioned  
8 notice and service procedures.

9 **D. Approval of Forms of Ballot**

10 Bankruptcy Rule 3017(d) requires that the Debtors mail a form of Ballot to "creditors and  
11 equity security holders entitled to vote on the plan." The Debtors propose to distribute to each  
12 holder of a claim in each Voting Class a Ballot, including the Master Ballots and/or Beneficial  
13 Holder Ballots, as applicable, the form of which will be filed by the Debtors as a supplement prior  
14 to the hearing on this Motion. The form of Ballot is based upon Official Form No. B314, but has  
15 been modified to address the particular aspects of the Debtors Cases and to include certain  
16 additional information that the Debtors believe to be relevant and appropriate for the applicable  
17 classes of claims that are entitled to vote to accept or reject the Plan, including information  
18 regarding the releases, injunctions, and exculpations contained in the Plan.

19 **E. Establishment of Deadline for Receipt of Ballots**

20 Bankruptcy Rule 3017(c) provides that, on or before approval of a disclosure statement,  
21 the court shall fix a time within which the holders of claims or equity security interests may accept  
22 or reject a plan. The Debtors have developed the proposed schedule to allow for a solicitation  
23 period in the Debtors' Cases of at least 28 days, which the Debtors believe is appropriate in light  
24 of the circumstances of the case and consistent with the requirements set forth in Bankruptcy Rule  
25 2002(b). Accordingly, the Debtors propose that in order to be counted as a vote to accept or reject  
26 the Plan, each Ballot must be properly executed, completed, and delivered to the Debtors so as to  
27 be received by the Debtors no later than **4:00 p.m. (Pacific Time) on November 7, 2019** or as  
28 otherwise ordered by the Bankruptcy Court (the "Voting Deadline") as set forth below. The

Debtors submit that such solicitation period is a sufficient period within which creditors can make an informed decision to accept or reject the Plan in light of the circumstances of the case.

All Ballots must be delivered via First Class Mail, overnight courier, or hand delivery so as to be actually received by the Debtors' solicitation agent no later than the Voting Deadline. Except as provided below, Ballots must be submitted to the Solicitation Agent at the following address in accordance with the voting procedures set forth below:

BALLOTS TRANSMITTED TO THE DEBTORS BY FACSIMILE, ELECTRONIC MAIL, OR OTHER MEANS NOT SPECIFICALLY APPROVED BY THE BANKRUPTCY COURT MAY BE ACCEPTED BY THE DEBTORS ON A CASE-BY-CASE BASIS.

**F. Approval of Procedures for Vote Tabulation**

16. Section 1126(c) provides as follows:

A class of claims has accepted a plan if such plan has been accepted by creditors, other than any entity designated under subsection (e) of this section, that hold at least two-thirds in amount and more than one-half in number of the allowed claims of such class held by creditors, other than any entity designated under subsection (e) of this section, that have accepted or rejected such plan.

11 U.S.C. § 1126(c). Further, Bankruptcy Rule 3018(a) provides that "the court after notice and hearing may temporarily allow the claim or interest in an amount which the court deems proper for the purpose of accepting or rejecting a plan." Fed. R. Bankr. P. 3018(a).

For purposes of voting on the Plan, with respect to all creditors of the Debtors, the Debtors propose that the amount of a claim used to tabulate acceptance or rejection of the Plan should be, as applicable:

- a) The amount of the claim listed in the Debtors' schedules of assets and liabilities (the "Schedules"); provided that (i) such claim is not scheduled as any of contingent, unliquidated, undetermined, disputed, or in a zero dollar amount, and (ii) no proof of claim has been timely filed (or otherwise deemed timely filed by the Bankruptcy Court under applicable law) with respect to such claim.
- b) The noncontingent and liquidated amount specified in a proof of claim timely filed with the Bankruptcy Court (or otherwise deemed timely filed by the Bankruptcy Court under applicable law) to the extent the proof of claim is not the subject of an objection filed by **October 31, 2019** (the "Voting Objection Deadline") (or, if such claim has been resolved for allowance and/or voting purposes pursuant to a stipulation or order entered by the Bankruptcy Court, or otherwise resolved by the Bankruptcy Court, the amount set forth in such stipulation or order).
- c) If a proof of claim has been timely filed prior to the applicable bar date and such claim is asserted in the amount of \$0.00, such claim shall not be entitled to vote.
- d) Notwithstanding anything to the contrary in these tabulation rules, the holder of any claim that has been indefeasibly paid, in full or in part, shall only be permitted to vote the unpaid amount of such claim, if any, to accept or reject the Plan.
- e) The amount temporarily allowed or estimated by the Bankruptcy Court for voting purposes, pursuant to Bankruptcy Rule 3018(a), subject to notice consistent with the procedures set forth herein, the Bankruptcy Code, the Bankruptcy Rules and the Local Bankruptcy Rules shall be the amount of the claim for voting purposes.
- f) If a claim for which a proof of claim has been timely filed for unknown or undetermined amounts (as determined on the face of the claim or after a reasonable review of the supporting documentation by the Debtors) and such claim has not been allowed, such Claim shall be temporarily allowed for voting purposes only, and not for purposes of allowance or distribution, at \$1.00.
- g) If a claim is listed on a timely filed proof of claim as either wholly or partially contingent or unliquidated, such claim is temporarily allowed in the amount that is the greater of (i) the liquidated and non-contingent amount and (ii) \$1.00, for voting purposes only, and not for purposes of allowance or distribution.

DENTONS US LLP  
601 SOUTH FIGUEROA STREET, SUITE 2500  
LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

- 1 h) If a claim is deemed allowed under the Plan, such claim is allowed for  
2 voting purposes in the deemed allowed amount set forth in the Plan.
- 3 i) If a claim is not listed in the Schedules or is listed in the Schedules as  
4 contingent, unliquidated, or disputed (or in a zero amount) and a proof of  
5 claim was not (i) filed by the applicable bar date for the filing of proofs of  
6 claim established by the Bankruptcy Court or (ii) deemed timely filed by an  
7 order of the Bankruptcy Court prior to the Voting Deadline, such claim  
8 shall be disallowed for voting purposes.
- 9 j) If a proof of claim has been amended by a later proof of claim that is filed  
10 on or prior to the Voting Record Date, the later filed amending claim shall  
11 be entitled to vote in a manner consistent with these tabulation rules, and  
12 the earlier filed claim shall be disallowed for voting purposes, regardless of  
13 whether the Debtors have objected to such amended claim. Except as  
14 otherwise ordered by the Bankruptcy Court, any amendments to proofs of  
15 claim after the Voting Record Date shall not be considered for purposes of  
16 these tabulation rules.

12 The temporary allowance of claims for voting purposes does not constitute an allowance of  
13 claims for purposes of distribution under the Plan and is without prejudice to the rights of the  
14 Debtors or any other party-in-interest in any other context, including the right of the Debtors or  
15 any other party-in-interest to contest the amount or validity of any claim for purposes of allowance  
16 under the Plan.

17 Additionally, the Debtors seek authorization from the Bankruptcy Court for the Debtors to  
18 object to any claim (as defined in § 101(5)) solely for Plan voting purposes by filing a  
19 determination motion (the “Determination Motion”), no later than the Voting Objection Deadline.  
20 If an objection to a claim (made by way of a Determination Motion or otherwise) filed on or  
21 before the Voting Objection Deadline requests that such claim be reduced or reclassified, such  
22 claimant’s Ballot shall be counted in such reduced amount or as falling into the reclassified  
23 category. Further, if a creditor casts a Ballot and has timely filed a proof of claim (or has  
24 otherwise had a proof of claim deemed timely filed by the Bankruptcy Court under applicable  
25 law), but the creditor’s claim is the subject of an objection (made by way of a Determination  
26 Motion or otherwise) filed no later than the Voting Objection Deadline, the Debtors request, in  
27 accordance with Bankruptcy Rule 3018, that the creditor’s Ballot not be counted to the extent it is  
28 challenged by the objection, unless such claim is temporarily allowed by the Bankruptcy Court for

1 voting purposes pursuant to Bankruptcy Rule 3018(a) after the creditor files a motion for such  
2 temporary allowance (the “Claims Estimation Motion”).<sup>6</sup>

3 If a creditor seeks to have its claim temporarily allowed for purposes of voting to accept or  
4 reject the Plan pursuant to Bankruptcy Rule 3018(a), the Debtors request that such creditor be  
5 required to file a Claims Estimation Motion for such temporary allowance by the later of (i) the  
6 Voting Objection Deadline or (ii) if such claim is the subject of an objection or a Determination  
7 Motion, seven (7) days after the filing of the applicable objection or Determination Motion.

8 In the event that a Determination Motion or Claims Estimation Motion is filed, the Debtors  
9 request that the Bankruptcy Court allow the non-moving party to file a reply to such motion by the  
10 later of (i) the Voting Objection Deadline, or (ii) seven (7) days after the filing of the applicable  
11 motion (the “Voting Objection Reply Deadline”). A hearing will be scheduled (subject to the  
12 Bankruptcy Court’s availability) on such motion within seven (7) days of the Voting Objection  
13 Reply Deadline but in no event later than the Confirmation Hearing (as defined below). The  
14 Debtors further request that the ruling by the Bankruptcy Court on any Determination Motion or  
15 Claims Estimation Motion be considered a ruling with respect to the allowance of the claim(s)  
16 under Bankruptcy Rule 3018 and such claim(s) be counted, for voting purposes only, in the  
17 amount determined by the Bankruptcy Court.

18 The Debtors propose that, in the event a claimant reaches an agreement with the Debtors,  
19 as to the treatment of its claim for voting purposes, the claim may be treated in such manner.

20 The Debtors further request that the following voting procedures and standard assumptions  
21 be used in tabulating the Ballots:

- 22 a) For purposes of the numerosity requirement of § 1126(c) and based on the  
23 reasonable efforts of the Debtors, separate claims held by a single creditor  
24 in a particular class will be aggregated as if such creditor held one claim  
25 against the Debtors in such class, and the votes related to such claims will  
be treated as a single vote to accept or reject the Plan.

---

26 <sup>6</sup> This proposed procedure is consistent with § 1126, which provides that a plan may be accepted  
27 or rejected by the holder of a claim allowed under § 502. In turn, § 502(a) provides that a filed  
28 proof of claim is deemed allowed “unless a party in interest . . . objects.” 11 U.S.C. § 502(a).

- b) Any creditor who holds duplicate claims within the same class (against one Debtor or across multiple Debtors) shall be provided with only one Solicitation Package and one Ballot for voting a single claim in such class, regardless of whether the Debtors have objected to such duplicate claims.
- c) Creditors must vote all of their claims within a particular class either to accept or reject the Plan and may not split their vote. Accordingly, a Ballot (or multiple Ballots with respect to multiple claims within a single class) that partially rejects and partially accepts the Plan will not be counted.
- d) Ballots that fail to indicate an acceptance or rejection of the Plan or that indicate both acceptance and rejection of the Plan, but which are otherwise properly executed and received prior to the Voting Deadline, will not be counted.
- e) Only Ballots that are timely received with signatures will be counted. Unsigned Ballots will not be counted.
- f) Ballots sent by mail or overnight delivery that are postmarked prior to the Voting Deadline, but received after the Voting Deadline, will not be counted.
- g) Ballots that are illegible, or contain insufficient information to permit the identification of the creditor, will not be counted.
- h) Ballots transmitted to the Debtors by facsimile, electronic mail, or other means not specifically approved by the Bankruptcy Court may be accepted by the Debtors on a case-by-case basis.
- i) Whenever a creditor casts more than one Ballot voting the same claim prior to the Voting Deadline, the last valid Ballot received prior to the Voting Deadline shall be deemed to reflect the voter's intent and supersede any prior received Ballots.
- j) If a creditor simultaneously casts inconsistent duplicate Ballots with respect to the same claim, such Ballots shall not be counted.
- k) Each creditor shall be deemed to have voted the full amount of its claim in a class. Unless otherwise ordered by the Bankruptcy Court, questions as to the validity, form, eligibility (including time of receipt), acceptance, and revocation or withdrawal of Ballots shall be determined by the Debtors, which determination shall be final and binding.
- l) Any Ballot containing a vote that the Bankruptcy Court determines, after notice and a hearing, was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code shall not be counted.

- m) Any Ballot cast by a person or entity that does not hold a Claim in a class that is entitled to vote to accept or reject the Plan shall not be counted.
- n) Notwithstanding anything contained herein to the contrary, the Debtors may contact parties that submitted Ballots to cure any defects in the Ballots.
- o) Any class that does not contain any claim eligible to vote to accept or reject the Plan (by reason of temporary allowance by the Bankruptcy Court or otherwise) as of the date of the Confirmation Hearing shall be deemed eliminated from the Plan for purposes of voting to accept or reject the Plan and for purposes of determining acceptance or rejection of the Plan by such class pursuant to § 1129(a)(8).
- p) If a class contains claims eligible to vote and no holders of claims eligible to vote in such class vote to accept or reject the Plan, the Plan shall be deemed accepted by the holders of such claims in such class.
- q) Unless waived, any defects or irregularities in connection with deliveries of Ballots must be cured within such time as the Debtors or the Bankruptcy Court determines. Neither the Debtors nor any other person or entity shall be under any duty to provide notification of defects or irregularities with respect to deliveries of Ballots, nor shall any incur any liabilities for failure to provide such notification. Unless otherwise directed by the Bankruptcy Court, delivery of such Ballots shall not be deemed to have been made until such irregularities have been cured or waived. Ballots previously furnished (and as to which any irregularities have not theretofore been cured or waived) shall not be counted.
- r) The Debtors, and subject to contrary order of the Bankruptcy Court, may waive any defect in any Ballot at any time, either before or after the Voting Deadline and without notice, and any such waivers shall be documented in the voting results filed with the Bankruptcy Court.
- s) Except as provided below, unless the Ballot being furnished is timely submitted on or prior to the Voting Deadline, the Debtors may reject such Ballot as invalid, and therefore, decline to utilize it in connection with confirmation of the Plan by the Bankruptcy Court; provided, however, that such invalid Ballots shall be documented in the voting results filed with the Bankruptcy Court.
- t) Subject to contrary order of the Bankruptcy Court, the Debtors reserves the absolute right to reject any and all Ballots not proper in form, the acceptance of which would, in the opinion of the Debtors, not be in accordance with the provisions of the Bankruptcy Code; provided, however, that such invalid Ballots shall be documented in the voting results filed with the Bankruptcy Court.

In addition to the foregoing, as applicable, the Debtors request that the following voting procedures and standard assumptions be used in tabulating Master Ballots:

- u) In the case of Class 2 (Secured 2005 Revenue Bond Claims), votes cast by beneficial owners holding through Nominees will be applied to the applicable positions held by such Nominees as of the Voting Record Date.
- v) If conflicting votes or “over-votes” are submitted by or on behalf of a Nominee, the Solicitation Agent shall use reasonable efforts to reconcile discrepancies with such Nominee. The submission of a Master Ballot reflecting an aggregate amount of Class 2 (Secured 2005 Revenue Bond Claims) that exceeds the Voting Record Date position is referred to herein as an “overvote”.
- w) If overvotes are submitted by a Nominee which are not reconciled prior to the preparation of the certification of vote results, the votes to accept and to reject the Plan shall be counted in the same proportion as the votes to accept and to reject the Plan submitted by the Nominee, but only to the extent of the Nominee’s Voting Record Date position.

The Debtors submit that such procedures provide for a fair and equitable voting process.

**G. Establishment of Deadline and Procedures for Filing Objections to the Confirmation of the Plan.**

**a. Scheduling the Confirmation Hearing**

17. Bankruptcy Rule 3017(c) provides:

On or before approval of the disclosure statement, the court shall fix a time within which the holders of claims and interests may accept or reject the plan and may fix a date for the hearing on confirmation.

Fed. R. Bankr. P. 3017(c). In accordance with Bankruptcy Rule 3017(c), the Debtors request that a hearing on confirmation of the Plan (the “Confirmation Hearing”) be scheduled for **November 21, 2019 at 10:00 a.m. (Pacific Time)**.

The Debtors propose that, no later than **November 14, 2019**, the Debtors will file with the Bankruptcy Court a tabulation report for Plan voting, a proposed form of confirmation order, a memorandum in support of confirmation addressing the requirements of § 1129(a) and any declarations or other evidence in support thereof, and replies to any objections received by the Confirmation Objection Deadline. In light of these deadlines, the Debtors respectfully request that the Court shorten the ballot tabulation deadline set forth in Local Bankruptcy Rule 3018-1(b) from fourteen days to seven days.

The Debtors request that the Confirmation Hearing may be continued from time to time by the Bankruptcy Court or the Debtors without further notice other than by notices of continuance filed on the docket of the Debtors' Cases. The proposed timing for the Confirmation Hearing is in compliance with the Bankruptcy Code, the Bankruptcy Rules, and the Local Bankruptcy Rules, and will enable the Debtors to pursue confirmation of the Plan in a timely fashion.

#### **H. Establishing Procedures for the Confirmation Hearing**

Bankruptcy Rules 2002(b) and 3017(d) require not less than twenty-eight (28) days' notice to all creditors and equity security holders of the time fixed for filing objections and the hearing to consider confirmation of a chapter 11 plan. In accordance with Bankruptcy Rules 2002 and 3017(d), the Debtors propose to provide to all creditors and interest holders a copy of either the Confirmation Hearing Notice, the Notice of Non-Voting Accepting Status and Confirmation Hearing, or the Notice of Non-Voting Rejecting Status and Confirmation Hearing as proposed herein, setting forth, among other things, (a) the date of approval of the Disclosure Statement, (b) the Voting Record Date, (c) the Voting Deadline, (d) the time fixed for filing objections to confirmation of the Plan, and (e) the time, date, and place for the Confirmation Hearing. Such notice will be sent at least twenty-eight (28) days before the deadline to object to confirmation of the Plan.

Bankruptcy Rule 2002(1) permits the Bankruptcy Court to "order notice by publication if it finds that notice by mail is impracticable or that it is desirable to supplement the notice." Fed. R. Bankr. P. 2002(1). In addition to mailing the Confirmation Hearing Notice, the Debtors propose to publish the Confirmation Hearing Notice once, as soon as reasonably practical after the entry of the Disclosure Statement Order, in the following newspapers: *Los Angeles Times*, *San Francisco Chronicle*, *San Jose Mercury News* and *USA Today*. The Debtors believe that publication of the Confirmation Hearing Notice will provide sufficient notice of the approval of the Disclosure Statement; the Voting Record Date; the Voting Deadline; the time fixed for filing objections to confirmation of the Plan; and the time, date, and place of the Confirmation Hearing to persons who do not otherwise receive actual written notice by mail as provided for in the Disclosure Statement Order.

DENTONS US LLP  
601 SOUTH FIGUEROA STREET, SUITE 2500  
LOS ANGELES, CALIFORNIA 90017-5704  
(213) 623-9300

1 The Debtors submit that the foregoing procedures will provide adequate notice of the  
2 Confirmation Hearing and, accordingly, requests that the Bankruptcy Court approve such notice as  
3 adequate.

4 **I. Establishing Procedures for the Filing of Objections to the Confirmation of the Plan.**

5 Pursuant to Bankruptcy Rule 3020(b)(1), objections to confirmation of a plan must be filed  
6 and served “within a time fixed by the court.” The Confirmation Hearing Notice provides, and the  
7 Debtors request the Bankruptcy Court to direct, that objections to the confirmation of the Plan or  
8 proposed modifications to the Plan, if any, must:

- 9 a) be in writing;
- 10 b) comply with the Bankruptcy Rules and the Local Bankruptcy Rules;
- 11 c) set forth the name of the objector and the nature and amount of any Claim  
12 asserted by the objector against or in the Debtors;
- 13 d) state with particularity the legal and factual bases for the objection and, if  
14 practicable, a proposed modification to the Plan that would resolve such  
objection; and
- 15 e) be filed with the Bankruptcy Court, together with proof of service, and  
16 served so that they are actually received by the Notice Parties (as defined  
17 below) no later than **November 7, 2019** which deadline may be extended by  
the Debtors (the “Confirmation Objection Deadline”).

18 The Debtors request that Court require any confirmation objection to be served on the  
19 following parties (collectively, the “Notice Parties”): (i) counsel to the Debtors, Dentons US LLP,  
20 601 South Figueroa Street, Suite 2500, Los Angeles, CA 90017, Attn: Tania M. Moyron, email:  
21 tania.moyron@dentons.com; (ii) counsel to the Committee, Milbank LLP, 2029 Century Park  
22 East, 33rd Floor, Los Angeles, CA 90067, Attn: Mark Shinderman, mshinderman@milbank.com;  
23 (iii) counsel to the 2005 Revenue Bonds Trustee, Mintz, Levin, Cohn, Ferris, Glovsky and Popeo,  
24 P.C., One Financial Center, Boston, Massachusetts 02111, Attn: Daniel S. Bleck and Paul Ricotta,  
25 dsblek@mintz.com, pricotta@mintz.com; (iv) counsel to the 2015 Notes Trustee, McDermott Will  
26 & Emery LLP, 444 West Lake Street, Suite 4000, Chicago, Illinois 60606, Attn: Nathan F. Coco,  
27 ncoco@mwe.com; (v) counsel to the 2017 Notes Trustee, Maslon, LLP, 3300 Wells Fargo Center,  
28 90 South Seventh Street, Minneapolis, Minnesota 55402, Attn: Clark Whitmore,

1 clark.whitmore@maslon.com; and (vi) counsel to the U.S. Trustee, Office of the United States  
2 Trustee, 915 Wilshire Boulevard, Suite 1850, Los Angeles, California 90017, Attn: Hatty K. Yip,  
3 hatty.yip@usdoj.gov.

4 The proposed timing for filing and service of objections and proposed modifications, if  
5 any, will afford the Bankruptcy Court, the Debtors, the Committee, and other parties in interest  
6 sufficient time to consider the objections and proposed modifications prior to the Confirmation  
7 Hearing.

8 **VII.**

9 **CONCLUSION**

10 WHEREFORE, the Debtors request that the Bankruptcy Court enter an order:  
11 (i) approving the Disclosure Statement; (ii) approving the solicitation and voting procedures;  
12 (iii) approving the proposed notice and objection procedures for confirmation of the Plan; and  
13 (iv) granting such other and further relief as the Bankruptcy Court deems just and proper.

Debtors and Debtors in Possession.,

1820151191118000000000013

## **I. Introduction**

The Debtors have filed a motion seeking (a) to continue the November 20, 2019 hearing on the Disclosure Statement and (b) to use the November 20 hearing as a Status Conference (the “Continuance Motion”).<sup>1</sup> The Debtors filed the Continuance Motion after being advised, on November 15, 2019, that Strategic Global Management, Inc. (“SGM”) would be sending the Debtors formal correspondence material to SGM’s agreement to purchase the Debtors’ four remaining hospitals (the “Hospitals,” and the sale transaction, the “SGM Sale”). As of the filing of the Continuance Motion, the Debtors had not received the SGM correspondence. The Continuance Motion did not specify the anticipated contents of the correspondence.

The Court will grant the Continuance Motion for the reasons set forth below. To facilitate an expeditious and successful resolution of these cases, the Court makes the findings and conclusions contained herein. The Court’s primary finding is that the Debtors have complied with their obligation under the APA<sup>2</sup> to obtain a final, non-appealable Supplemental Sale Order, and that accordingly SGM is now obligated to promptly close the SGM Sale, provided that all other conditions to closing have been satisfied.

## **II. Findings and Conclusions**

### **A. SGM is Obligated to Promptly Close the Sale Under § 8.6 of the APA, Provided that All Other Conditions to Closing Have Been Satisfied**

Prompt closing of the SGM Sale is indispensable to the successful resolution of these bankruptcy cases. The Debtors are sustaining operational losses of approximately \$450,000 per day. Operation of the Hospitals is being financed by a consensual cash stipulation executed between the Debtors and the principal secured creditors (the “Cash Collateral Stipulation”), which expires on December 31, 2019. The Debtors do not have the ability to borrow under any debtor-in-possession financing facility, and it is unclear whether the Debtors will be able to obtain alternative financing once the Cash Collateral Stipulation expires. In addition, the Debtors are facing very significant liquidity constraints. In late September 2019, the California Department of Health Care Services (the “DHCS”) began withholding certain Medi-Cal fee-for-service payments owed to the Debtors, for the purposing of recovering alleged Medi-Cal overpayments. The DHCS withholdings have deprived the Debtors of a major source of funding that had previously been used to sustain operations.

On February 6, 2019, the Court conducted a hearing to determine whether to approve the Asset Purchase Agreement (the “APA”) entered into between the Debtors and SGM, under which SGM had agreed to serve as the stalking-horse bidder for the auction of the Hospitals. The Court found that the termination rights granted to SGM in the APA were unduly broad. In response to the Court’s concerns, the Debtors renegotiated the APA to limit SGM’s termination rights. On February 19, 2019, the Court approved the renegotiated APA.<sup>3</sup>

The renegotiated provisions pertain to SGM’s ability to terminate the transaction in the event that the California Attorney General (the “Attorney General”) sought to impose conditions on the sale that were not substantially consistent with those conditions that SGM had agreed to accept (the “Purchaser Approved Conditions”). In the event that the Attorney General sought to impose conditions materially different from the Purchaser Approved Conditions (the “Additional

Conditions”), the APA provides the Debtors an opportunity to obtain a determination from the Court that the Hospitals can be sold free and clear of the Additional Conditions under § 363(f) of the Bankruptcy Code (an order granting such relief, the “Supplemental Sale Order”).

The Court entered the Supplemental Sale Order on November 14, 2019.<sup>4</sup> The Attorney General has waived his right to appeal the Supplemental Sale Order.<sup>5</sup> All other parties with standing to appeal the Supplemental Sale Order have waived their right to appeal.

The APA provides that once the Supplemental Sale Order becomes final and non-appealable, SGM “shall consummate the Sale provided that all other conditions to closing have been satisfied.” APA at ¶ 8.6. Because all parties with standing to appeal have waived their rights to do so, the Supplemental Sale Order is now final and non-appealable. Provided that all other conditions to closing have been satisfied, SGM is obligated to promptly close the sale.

The Court conducted a hearing to resolve SGM’s objections to the form of the Supplemental Sale Order on November 13, 2019.<sup>6</sup> At the hearing, SGM argued that entry of the Supplemental Sale Order did not obligate it to close the sale. SGM asserted that under § 8.6 of the APA, it had 21 business days to evaluate, in the exercise of its reasonable business judgment, whether the Supplemental Sale Order was acceptable (the “Evaluation Period”).

SGM’s argument that it is entitled to the Evaluation Period is not well taken. Under the plain language of the APA, SGM is entitled to the Evaluation Period only if the Supplemental Sale Order is the subject of a pending appeal:

If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the “Evaluation Period”) to determine, in the exercise of the Purchaser’s reasonable business judgment and in consultation with Purchaser’s financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller’s failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the “Extended Evaluation Periods”). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser’s business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, “a final, non-appealable order” shall include a Supplemental Sale Order (i) which has been affirmed or

the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. *If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied.*

APA at ¶ 8.6 (emphasis added).

At the February 6, 2019 hearing on approval of the APA, SGM made clear that the purpose of the Evaluation Period was to prevent it from being required to close the sale if there was a risk that the Supplemental Sale Order could be overturned on appeal. SGM further stated that it would be required to close the sale if the Supplemental Sale Order became final and non-appealable:

So, what we have done now is negotiate something less in our discretion. And the way this will work is the following. In the event that the AG comes out with what we call, “Additional Conditions,” meaning those that are not set forth on the schedule, and assuming that they are material, and we’ve defined what we mean by “material.”

The Debtor has an opportunity to come to court and attempt to get the Court to determine that those conditions don’t have to be satisfied because they’re “interests” and the sale can be free and clear.

If the Court—if the Debtor decides not to seek that relief, or if the [Debtor] seeks it and doesn’t get it, we have a right to terminate. We don’t have to, but we at least would have a right at that point to terminate based upon the imposition of these Additional Conditions.

If the Debtor is successful in obtaining that order, then we have to deal with the appeal risk, which is, again, very difficult to quantify. So what we’ve agreed on is that the Debtor is going to have a period of time to get us ... a final non-appealable order.

*If the Debtor can get us a final, non-appealable order, meaning that if there’s an appeal, it gets resolved in the Debtor’s favor or maybe gets dismissed, at that point we will be obligated to close the transaction, as long as all the other conditions to closing have been satisfied.*

Transcript of February 6, 2019 Hearing at 20:7–21:6 (emphasis added).<sup>7</sup>

SGM is judicially estopped from contending that it is entitled to the Evaluation Period and is not obligated to promptly close the sale.<sup>8</sup> As the Supreme Court has held:

“[W]here a party assumes a certain position in a legal proceeding, and succeeds in maintaining that position, he may not thereafter, simply because his interests have changed, assume a contrary position, especially if it be to the prejudice of the party who has acquiesced in the position formerly taken by him.” This rule, known as judicial estoppel, “generally prevents a party from prevailing in one phase of a case on an argument and then relying on a contradictory argument to prevail in another phase.”

---

<sup>7</sup> Doc. No. 1570.

<sup>8</sup> The Court’s discussion assumes that all other conditions to closing have been satisfied.

*New Hampshire v. Maine*, 532 U.S. 742, 749, 121 S. Ct. 1808, 1814, 149 L. Ed. 2d 968 (2001) (internal citations omitted).

The Court declined to approve the original form of the APA because it found that SGM's termination rights were too expansive. The Court approved the APA only after the inclusion of the provision requiring SGM to close the sale if the Debtors obtained a final, non-appealable Supplemental Sale Order. SGM received a number of benefits under the APA, including a breakup fee and consultation rights in the event an auction was conducted. Having received benefits under the APA, SGM is judicially estopped from contradicting its prior representations regarding its obligation to close the sale.

#### **B. The Continuance Motion is Granted**

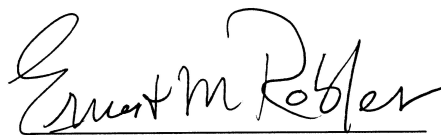

To the extent that the Continuance Motion was motivated by the dispute regarding SGM's obligations under § 8.6 of the APA, that dispute has been rendered moot by the findings set forth above. However, several objections to the Disclosure Statement Motion have been filed, and the Debtors have not yet had an opportunity to file a Reply to these objections. For that reason—and that reason alone—the Continuance Motion is granted.

The hearing on the Disclosure Statement Motion is **CONTINUED** from November 20, 2019, at 10:00 a.m. to **November 26, 2019, at 10:00 a.m.** The Debtors' Reply in support of the Disclosure Statement Motion shall be filed by no later than **November 21, 2019**.

The Court will enter an order consistent with this Memorandum of Decision.

Case 5:50-cv-01001-EB Doc 21-52 Filed 03/04/50 Entered 03/04/50 13:05 Desc

22 All right. Thank you. I think we're ready to go  
23 forward.

24 You'll have to forgive me. I don't have a clear  
25 sense of who's on first on this. I know that the Court at

1 first made the request for a status conference I think in  
2 connection with the prior order, but this seems to have  
3 morphed into something else. So why don't we hear from  
4 you, counsel?

5 MR. MAIZEL: Your Honor, we'll take that burden.  
6 This is a status conference that parties have asked -- the  
7 debtors asked for and the Court's agreed that there should  
8 be a status conference on the status of the SGM sale and  
9 that's because of issues that have arisen between us and  
10 SGM, over whether the sales should close and, if so, when  
11 and if so on what terms.

12 We asked the Court to be cognizant as we have  
13 tried to be in the pleadings that there are issues between  
14 the parties which would have -- we think it aired  
15 publicly -- would have the possibility of a negative impact  
16 on the value of the assets, ability of the debtors to keep  
17 facilities open and the morale of the staff that work so  
18 hard to keep these facilities open for the now more than a  
19 year in bankruptcy. So we'd ask -- and that is why we  
20 filed a large portion of the status report under seal.

21 We'd ask the Court to be cognizant of that. We'd  
22 ask the parties to be cognizant of that and if necessary  
23 we'd ask the Court to take us in chambers if we have to go  
24 into any detail --

25 THE COURT: My chambers aren't big enough.

1 (Laughter)

2 MR. MAIZEL: All right, Your Honor. Then I know  
3 how difficult it is to close courtrooms. So then I suggest  
4 we -- I don't know what Plan C is.

5 THE COURT: Just to highlight some things, I  
6 don't think there's any need to go into any of those  
7 matters whatsoever this morning. So --

8 MR. MAIZEL: All right, Your Honor. So since  
9 it's a status conference I'll do some good news first, what  
10 I traditionally like to do in status conferences. First,  
11 in the last 24 hours we received the Attorney General's  
12 approval for the disposition as we had proposed of the  
13 philanthropic foundation debtors of those assets. So I  
14 think we now have a clear runway to dispose of those assets  
15 under -- in agreement with the Attorney General State of  
16 California.

17 We, as the Court is aware, have gotten a Medicare  
18 settlement agreement approved by the Court. While we  
19 believe we have satisfied the asset purchase agreement's  
20 obligations with regard to Medi-Cal, we also have continued  
21 to negotiate for a settlement, and believe we have a  
22 settlement in principle, which we are now negotiating the  
23 terms of a written settlement agreement. Hope to have the  
24 Court -- have it to the Court shortly.

25 And, of course, the -- we believe the conditions

1 and the discussions with the Attorney General over the  
2 conditions and the Attorney General approval of the sale  
3 have all been settled, so those are all good things that I  
4 want to make sure the Court is reminded of and bring to  
5 everyone's attention.

6 THE COURT: Has the Attorney General withdrawn  
7 his appeal?

8 MS. MOYRON: Your Honor, he didn't file an  
9 appeal.

10 THE COURT: All right.

11 MR. MAIZEL: So, Your Honor, so what we're  
12 down -- what we're left with now is the issues that have  
13 been raised with regard to -- as were stated in the  
14 reservation of rights I believe last night by Mr. Klausner  
15 on behalf of SGM that whether there are material adverse  
16 effects which excuse closing of the transaction by SGM.  
17 And as we stated in the status conference, we've asked for  
18 the Court to set a briefing schedule on that. It is in  
19 everyone's best interests to resolve that issue before  
20 December 31st because there is --

21 EXHIBIT 888-272-0022-155 What issue is there to resolve?  
Case 5:30-cv-01001-EB Doc 21-52 Filed 03/04/50 Entered 03/04/50 13:03:05 Desc

22 MR. MAIZEL: Well, Your Honor, whether there are  
23 material adverse effects.

24 THE COURT: Well, doesn't that need to be brought  
25 before the Court at a much earlier stage?

1 MR. MAIZEL: Well, Your Honor, we believe that  
2 the vast majority -- in fact, we believe all of the  
3 conditions are either satisfied or the allegations that  
4 have been raised were waived because of the due diligence  
5 period that expired on January 8th of this year.

6 THE COURT: Well --

7 MR. MAIZEL: So we agree with Your Honor, but the  
8 problem is we have a buyer who believes there are material  
9 adverse effects and the asset pur --

10 THE COURT: That's what confused me and that's  
11 why I wasn't sure who was on first on this because why is  
12 it your responsibility to give an avenue for the airing of  
13 some sort of dispute which I think is the obligation of the  
14 purchaser to have raised?

15 MR. MAIZEL: Well, Your Honor, we have an  
16 obligation as fiduciary, as do our creditors, to see if  
17 this sale can close because this is still Plan A sale. If  
18 we can -- we are optimistic that if we show this buyer that  
19 there are no -- that the Court would find there are no  
20 material adverse effects, that this buyer who says in their  
21 papers --

Case 5:50-cv-01001-EB Doc 21-52 Filed 03/04/50 Entered 03/04/50 13:05 Desc

22 THE COURT: I have a surprise for you. As far as  
23 the Court is concerned, the purchaser is a proud owner of a  
24 passel of funds. Have fun.

25 All right. Look, there is no definition, as far

1 as I'm aware, in Article II of what a material adverse  
2 effect is, so let me supply what I think that definition is  
3 and that definition is con -- a condition under which a  
4 transaction -- a transaction would no longer be viable.  
5 And because it appears in Article II there is another  
6 requirement that that adverse effect is either a result of  
7 fraud or misrepresentation. And if the -- and also because  
8 there is a specific time requirement to get that material  
9 adverse effect, it is the product of misrepresentation or  
10 fraud before the Court has long since passed.

11 So what we have here, in my view, is just buyer's  
12 remorse and I don't share in the boo-hoo of that. I had an  
13 opportunity to review some of the correspondence going back  
14 and forth. The picayune, the smallness of those alleged  
15 transactions do not, in my view, reach the level of  
16 material adverse effect. Sorry. That's what I think

17 The argument that somehow this Court is required  
18 to have an adversary proceeding is absurd. That only  
19 appears as far -- again, as far as I'm aware in the longest  
20 paragraph known to man and that is I believe 8.6. Yes,

21 8.6. We have a lot of cases. The Attorney General has done  
22 the right thing and we don't have those conditions.

23 So now we're left with a curious statement at  
24 page 35 of my copy of the APA, which says that whether a  
25 material adverse effect has occurred for any purpose under

1 this agreement shall be exclusive settled by determination  
2 made by the Bankruptcy Court. Doesn't say anything about  
3 an adversary proceeding. "Exclusively," in my view, means  
4 not appealable. So once we make the determination, which I  
5 don't think we can do on a timely basis anymore, that's  
6 gone.

7           After reviewing the statement of strategic, I  
8 don't want to cast any negative aspersions at all. But I  
9 want to make clear that I believe that it is operating very  
10 closely within the satellite of bad faith. I think it has  
11 an obligation to close. I think it wants to negotiate a  
12 better deal. I think it believes that it will be  
13 unpalatable for the Court and for others here to see  
14 patients, young, old, infirmed, being wheeled or carted out  
15 of the hospitals. That's a cynical view and I don't adhere  
16 to it.

17           I believe that this contract is interpreted under  
18 the laws of the State of California and so it has with it  
19 the implied covenant of good faith and fair dealing and I  
20 don't think that we have that here. I suspect that this  
21 will close and if they then they will pay damages pursuant  
22 to this agreement.

23           All right. And that's all. And I don't see a  
24 need for any further hearing.

25           Mr. Klausner.

1 MR. KLAUSNER: First of all, Your Honor, I do  
2 have to say that our client is reserving all of its rights.  
3 There are certain comments that were made by counsel with  
4 which we disagree, so I don't want my silence to be deemed  
5 any sort of concession or admission.

6 I do appreciate and take seriously all of the  
7 Court's comments. It's apparent to me from the Court's  
8 demeanor that the Court has very strong feelings and has  
9 formed very strong impressions. My concern is that the  
10 issues that exist between the parties need to be resolved  
11 in the appropriate context.

12 Well, what has happened today is simply the  
13 following. The debtor presented the buyer pursuant to the  
14 agreement with a demand to come to a closing on December 5.  
15 Our client responded as required by the terms of the  
16 agreement by providing Verity with a notice that this is --  
17 its obligation under Section 8.4 of the asset purchase  
18 agreement that if our client believes that there are any  
19 conditions, covenants, agreements that haven't been  
20 satisfied we give Verity notice. That's all we've done.

21 EXHIBIT 1 1806-10-01 55  
22 closing. We haven't refused to close. We haven't  
23 exercised any right to terminate the agreement. We simply  
24 gave Verity a notice that we're obligated to give Verity in  
25 which we listed various conditions and covenants that we

1 believe Verity has not complied with.

2           That notice triggers a 15 business-day period for  
3 Verity to respond either to cure the defects that we've  
4 identified or to indicate to us why we're incorrect. We  
5 received a letter, as you received. We received a letter  
6 from Verity's counsel last evening in which in the course  
7 of about 12 pagers Verity's counsel addressed the issues  
8 that we raised in our letter.

9           It is unfortunate that the Court saw fit to  
10 receive those letters, notwithstanding that they were under  
11 seal. It was our view that in the event litigation should  
12 arise between the parties the issues that -- that exist  
13 between the parties, the disputes and the controversies, if  
14 any, should be presented to the Court in the appropriate  
15 manner in the appropriate context. And I'm disappointed  
16 that the Court reviewed that correspondence and has now  
17 effectively concluded that if our client does not come to a  
18 closing on December 5 our client is in breach of contract.

19           There's been no complaint. There's been no  
20 response. There's been no motion for summary judgment.

21 There's been no presentation of evidence. This Court has

Case 5:30-cv-01001-EB Doc 21-52 Filed 03/04/50 Entered 03/04/50 13:05 Desc

22 simply concluded based upon an exchange of letters, some of  
23 which contain enormous hyperbole, that our client will be  
24 in breach if we don't close. I think that's unfortunate.

25           I think our client has the right to go to a

1 closing or not go to a closing and if our client fails to  
2 go to a closing, our client has a right to test its  
3 position in a courtroom in accordance with rules of  
4 procedure and rules of evidence. And for this Court to  
5 conclude at this stage of the proceeding that our client is  
6 obligated to close and if fails to close you're going to  
7 impose damages, I think that's very unfortunate.

8           So I'm not going to debate today the merits or  
9 substantive issues that have been -- that may be presented  
10 to this court at a later date. I'm not going to take the  
11 bait. I will simply on behalf of our client reserve our  
12 rights. We'll take whatever steps we need to take to  
13 protect the interests of our client. Do you have any  
14 questions?

15           THE COURT: No.

16           MR. KLAUSNER: Thank you.

17           THE COURT: Anyone else?

18           MR. SHINDERMAN: Your Honor, may I have 30  
19 seconds to talk to the debtor and then I'd like to make a  
20 quick statement?

21           MR. SHINDERMAN: Certainly.

Case 5:50-cv-01007-EB Doc 21-52 Filed 03/04/50 Entered 03/04/50 13:05 Desc

22           (Pause)

23           MR. SHINDERMAN: Thank you, Your Honor. Mark  
24 Shinderman, Milbank, on behalf of the Committee.

25           Your Honor, first the context. This is a status

1 conference on the disclosure statement, just to clear the  
2 calendar, because the disclosure statement can't go forward  
3 unless we know that we're going to have a close sale, so  
4 that's the context in which this -- it's not just about the  
5 sale. It's about the disclosure statement. So at the end  
6 of this hearing I'd ask that you continue further the  
7 debtor's obligation to file a reply to the objections of  
8 the disclosure statement. It's not relevant until we know  
9 we have a closing, number one.

10           Number two is, I completely agree with the  
11 statements of the Court. The buyer either closes or  
12 doesn't close. We talked about that last time in the  
13 context of the AG motion and we said the same thing. The  
14 debtor doesn't have a right -- the buyer doesn't have a  
15 right to come in here and say, "I like this; I don't like  
16 that." To us it appears that either the buyer doesn't have  
17 the financial wherewithal to close or he's trying to  
18 renegotiate. I don't -- I can't prove that. I don't know  
19 that. I read the same letters you did and that's what it  
20 looks like.

21           EXHIBIT 1-1806 TO 91-55  
22           Because of Mr. Maizel points out, the APA was  
23 very clear. We are very concerned about the APA and  
24 optionality and we're concerned about it with respect to  
25 the Attorney General. What it said is, you have a certain  
period of time to due diligence, otherwise, the only out

1 you have, buyer, is if there's a material adverse change.  
2 And we constantly check with the debtor that neither the  
3 secured creditors, nor the Committee, nor the DIP lender  
4 before us got in the way of the debtor doing what the  
5 debtor needed to do to operate in the ordinary course with  
6 outside consultants, et cetera.

7           So we agree; the buyer has to close or not close.  
8 If they don't close then there'll be an action to enforce  
9 damages at the appropriate time, at the appropriate place.  
10 But there's no in between. They either close or they don't  
11 close.

12           Some of the statements that are made are very  
13 serious and, of course, the Committee doing its duty  
14 immediately called the debtor and we're satisfied that the  
15 debtor is doing everything it's supposed to do in the  
16 ordinary course to maintain the safety of patient care and  
17 that's very critical, and we take that job very seriously.  
18 Some of our union members on the Committee are the ones  
19 providing those services as well and we are satisfied.

20           We'll stop there and say we agree with Your

21 Honor, buyer doesn't close. The consequences are  
22 what they are.

23           THE COURT: All right. Thank you very much.

24           Anyone else wish to be heard?

25           (No response.)

1 All right. I'll do the following. First, I  
2 won't take the bait either. What I stated was not really  
3 founded on any letters, actually. It was founded just on  
4 the representations that were made in the statement. I  
5 think it was a reservation of rights as far as the  
6 purchaser was concerned, which I found wholly inapposite to  
7 my understanding of the APA. It appears to the Court that  
8 perhaps the purchaser felt that the asset purchase  
9 agreement wasn't actually an asset purchase agreement. It  
10 was a contract to contemplate the purchase of an asset  
11 after the Attorney General removed his conditions. And so  
12 once the Attorney General did that, then it become --  
13 became the proverbial dog that caught the car. They didn't  
14 know what to do.

15 So I think that's the situation we have. With  
16 all due respect to counsel, I respect them, but I think the  
17 position of his client doesn't hold water. And again,  
18 that's not based upon any letters. That's just my review  
19 of the asset purchase agreement and the clear terms of that  
20 or where the terms have not been clear they have been made  
21 clear by the Court. As I've indicated, I've given a  
22 definition of "material adverse effect."

23 Just to go on further, we would have a material  
24 adverse effect if, for example, a hospital lost a  
25 certificate of occupancy. And if somehow the -- that was

Case 5:30-cv-01001-EB Doc 21-52 Filed 03/04/50 Entered 03/04/50 13:03:43 Desc

1 the result of misrepresentation of fraud. So it's a very  
2 high level. I don't think we've reached it here. So I  
3 suspect that this matter will close.

4 All right. Thank you very much.

5 ATTORNEY: Thank you, Your Honor.

6 MR. SHINDERMAN: I'm sorry, Your Honor. Your  
7 Honor, I apologize. We need a continued hearing on the  
8 disclosure statement --

9 THE COURT: I'll do that later.

10 MR. SHINDERMAN: Okay. Thank you, Your Honor.

## I. Introduction

At the above-captioned date and time, the Court conducted a Status Conference regarding the Asset Purchase Agreement (the "APA") under which Strategic Global Management ("SGM") agreed to purchase the Debtors' four remaining hospitals (the "Hospitals," and the sale transaction, the "SGM Sale"). For the reasons set forth below, the Court finds that as of November 19, 2019, all conditions precedent to SGM's obligation to close had been satisfied.

1820151191127000000000017

Accordingly, pursuant to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019.

## **II. Findings and Conclusions**

### **A. Adjudication of SGM's Obligations Under the APA Does Not Require an Adversary Proceeding**

At the outset, the Court rejects SGM's contention that the Court is required adjudicate issues pertaining to SGM's obligations under the APA within the context of an adversary proceeding. SGM asserts that not all conditions precedent to closing have been satisfied. Specifically, SGM maintains that the Debtors have failed to comply with certain of the conditions and obligations imposed upon them by the APA, and that these alleged failures to perform have resulted in a Material Adverse Effect under the APA, relieving SGM of its obligation to close.

SGM is not obligated to close unless all the conditions precedent set forth in Article 8 have been satisfied. Among the conditions precedent is Article 8.4, which provides:

Sellers [the Debtors] shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; provided, however, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

The APA provides that "any dispute between Purchaser [SGM] and Sellers [the Debtors] as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court." APA at Art. 9.1(c). Nothing within Article 9.1(c) requires that the determination contemplated therein occur through an adversary proceeding. In contrast, Article 8.6 provides that any dispute pertaining to certain aspects of that article "shall be determined by the Bankruptcy Court only in the context of an adversary proceeding." The absence of comparable language in Article 9.1(c) undercuts SGM's contention that disputes under that article must be determined through an adversary proceeding.

Bankruptcy Rule 7001<sup>1</sup> provides that the following matters are adversary proceedings:

- 1) a proceeding to recover money or property, other than a proceeding to compel the debtor to deliver property to the trustee, or a proceeding under §554(b) or §725 of the Code, Rule 2017, or Rule 6002;
- 2) a proceeding to determine the validity, priority, or extent of a lien or other interest in property, but not a proceeding under Rule 3012 or Rule 4003(d);

---

<sup>1</sup> Unless otherwise indicated, all "Civil Rule" references are to the Federal Rules of Civil Procedure, Rules 1–86; all "Bankruptcy Rule" references are to the Federal Rules of Bankruptcy Procedure, Rules 1001–9037; all "Evidence Rule" references are to the Federal Rules of Evidence, Rules 101–1103; all "LBR" references are to the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California, Rules 1001-1–9075-1; and all statutory references are to the Bankruptcy Code, 11 U.S.C. §§ 101–1532.

- 3) a proceeding to obtain approval under §363(h) for the sale of both the interest of the estate and of a co-owner in property;
- 4) a proceeding to object to or revoke a discharge, other than an objection to discharge under §§727(a)(8), 1 (a)(9), or 1328(f);
- 5) a proceeding to revoke an order of confirmation of a chapter 11, chapter 12, or chapter 13 plan;
- 6) a proceeding to determine the dischargeability of a debt;
- 7) a proceeding to obtain an injunction or other equitable relief, except when a chapter 9, chapter 11, chapter 12, or chapter 13 plan provides for the relief;
- 8) a proceeding to subordinate any allowed claim or interest, except when a chapter 9, chapter 11, chapter 12, or chapter 13 plan provides for subordination;
- 9) a proceeding to obtain a declaratory judgment relating to any of the foregoing; or
- 10) a proceeding to determine a claim or cause of action removed under 28 U.S.C. §1452.

SGM contends that a determination of whether a Material Adverse Effect has occurred is “a proceeding to recover money or property,” “a proceeding to obtain an injunction or other equitable relief,” and/or “a proceeding to obtain a declaratory judgment relating” to any of the types of proceedings set forth in Bankruptcy Rule 7001(1)–(8). SGM is mistaken.

First, adjudication of whether a “Material Adverse Effect” has occurred is not “a proceeding to recover money or property.” Instead, such adjudication involves interpretation of a contract (the APA). It is true that a determination that there has been no Material Adverse Effect and that SGM is obligated to close the sale would require SGM to perform under its agreement to purchase the Hospitals. The fact that performance would require SGM to transfer money to the Debtors (the purchase price for the Hospitals) does not transform the “Material Adverse Effect” issue into a “proceeding to recover money or property” within the meaning of Bankruptcy Rule 7001(1). SGM voluntarily chose to execute the APA and serve as the stalking horse bidder for the Hospitals for a purchase price of \$610 million, subject to various adjustments. A determination requiring SGM to follow through on its commitments is very different from the typical actions brought under Bankruptcy Rule 7001(1)—such as proceedings to avoid preferences under § 547, proceedings to avoid fraudulent transfers under § 548, or proceedings to set aside post-petition transfers under § 549.

Second, adjudication of the “Material Adverse Effect” issue is not “a proceeding to obtain an injunction or other equitable relief.” A determination setting forth SGM’s obligations under a contract which it executed (the APA) is not an injunction or a form of equitable relief.

Third, adjudication of the “Material Adverse Effect” issue is not “a proceeding to obtain a declaratory judgment” relating to any of the types of proceedings set forth in Bankruptcy Rule 7001(1)–(8). Interpretation of the APA does not fall within the scope of any of the types of proceedings set forth in Bankruptcy Rule 7001(1)–(8). Therefore, a declaration of SGM’s obligations under the APA does not fall within the ambit of Bankruptcy Rule 7001(9).

### **B. Adjudication of SGM’s Obligations Under the APA Is Not Premature**

SGM asserts that the issue of whether it has performed its obligations under the APA is not yet properly before the Court, and that the Debtors’ request for a determination as to this issue is premature. SGM states that it has not yet decided whether it will close the SGM Sale. According to SGM, a case or controversy will arise only after SGM makes a final determination that it will not close the SGM Sale.

SGM is incorrect. SGM has made representations to the Debtors that provide reasonable grounds for the Debtors to doubt that SGM will fulfill its obligations under the APA. (The contents of those representations are not discussed herein because they have been presented to the Court under seal.) In response to the Debtors' demand for written assurance that SGM would fulfill its obligations, SGM sent the Debtors two letters casting further doubt upon whether it would perform under the APA (the "Nov. 22 Letters").<sup>2</sup> SGM's actions have given rise to a case or controversy.

The Court further notes that although SGM presented its ripeness argument in a document captioned as a reservation of rights,<sup>3</sup> SGM's submission was in reality an opposition to the Debtor's assertion that all conditions precedent to SGM's obligation to close have been satisfied. The Nov. 22 Letters also qualify as an opposition to the Debtors' assertions regarding SGM's obligation to close. The Nov. 22 Letters contain 19 single-spaced pages of legal argument and 38 pages of supporting exhibits. SGM's arguments regarding its obligations under the APA have been fully presented to the Court.

Finally, and as further discussed in Section II.D., below, the Court finds that SGM's contention that it is not obligated to close is a cynical attempt to extract a better purchase price. A key component of SGM's negotiation strategy is its attempt to delay as long as possible the adjudication of its obligations under the APA. The Court will not facilitate SGM's dubious tactics.

#### **C. SGM Is Not Entitled to Appeal the Bankruptcy Court's Determination Regarding a Material Adverse Effect**

SGM received substantial benefits under the APA, including the right to receive a breakup fee in the event that it was outbid and consultation rights in the event that an auction of the Hospitals occurred. In exchange for receiving those benefits, SGM waived certain rights, including its right to appeal any determination made by the Bankruptcy Court with respect to the occurrence of a Material Adverse Effect.

As noted, the APA provides that "any dispute between Purchaser [SGM] and Sellers [the Debtors] as to whether a Material Adverse Effect has occurred for any purpose under this Agreement *shall be exclusively settled* by a determination made by the Bankruptcy Court." APA at Art. 9.1(c). This provision means that only the Bankruptcy Court, and no other court (including any appellate court), is entitled to determine Material Adverse Effect issues.

#### **D. No Material Adverse Effect Has Occurred**

As set forth above, SGM alleges that the Debtors have failed to comply with certain of the conditions and obligations imposed upon them by the APA, and that these alleged failures to perform have resulted in a Material Adverse Effect, relieving SGM of its obligation to close. This Memorandum of Decision does not discuss SGM's allegations in detail, as doing so would damage the estates by adversely affecting (1) the Debtors' efforts to close the SGM Sale and (2) the Debtors' ability to maximize the value of the Hospitals in the event the SGM Sale does not close.

---

<sup>2</sup> The Nov. 22 Letters have also been filed under seal.

<sup>3</sup> Doc. No. 3701.

Under Section 8.4 of the APA, SGM is excused from its obligation to close only if (1) the Debtors have failed to perform their obligations under the APA and if (2) such failure to perform has resulted in a Material Adverse Effect.

The APA's definition of "Material Adverse Effect" is very brief. Under the APA, a "Material Adverse Effect" is "a material adverse effect upon the Hospitals, taken as a whole ...." APA at Art. 2, Preamble.

"Material Adverse Effect" is a term of art routinely used in asset purchase agreements of the type at issue here. The parties' use of a term of art, combined with their decision to define the term with only minimal detail, shows that the parties intended to rely upon the definition of the term contained in applicable caselaw.

The APA is governed by California law, except to the extent that California law is superseded by the Bankruptcy Code or other applicable federal law. APA at Art. 12.3. California law on the meaning of a material adverse effect clause—sometimes known as a material adverse change clause—is not well developed. The few cases which do address material adverse effect clauses view their enforcement with disfavor. For example, in *1601 McCarthy Blvd., LLC v. GMAC Comm'l Mortg. Corp.*, 2005 WL 4859147 (Cal. Super. Ct. June 1, 2005), the court held that a loan servicer's invocation of a material adverse effect clause to avoid its obligation to disburse funds to a borrower was an "unfair business practice or act," because the servicer "used the material adverse change clause as a lever against [the borrower] to retain control over the borrower's ... funds." *McCarthy Blvd.*, 2005 WL 4859147 at \*¶ 59. The court found:

[L]enders rarely employ—and even less frequently invoke and enforce—this type of broad-based material adverse change clause in commercial real estate transactions.... And even when they are invoked, ... lenders only use the clause as a tool to "bring the borrower to the table, use it as lever against the borrower, or ... a club against the borrower to modify the loan or change the loan." There is no evidence in the record that the material adverse change clause in the Deed of Trust benefits any side but the lender, or serves any other purpose than to threaten the borrower with dire consequences....

The record supports Mr. Greenwald's opinion that broad-based material adverse change clauses are rarely used, and in those rare instances when they are, they are placed in deeds of trust purely for their in terrorem effect and not with any genuine intention to invoke them.

*Id.* at ¶¶ 59 and 68.

Although the APA is governed by California law, Delaware cases interpreting material adverse effect clauses are helpful persuasive authority. A significant amount of the litigation over the enforcement of asset purchase agreements occurs before Delaware courts, and the Delaware caselaw interpreting material adverse effect clauses is well developed.

In *In re IBP, Inc. Shareholders Litigation*, the court rejected purchaser Tyson Foods' claim that it was not required to consummate a merger because of a material adverse effect. The court held:

[A] buyer ought to have to make a strong showing to invoke a Material Adverse Effect exception to its obligation to close. Merger contracts are heavily negotiated and cover a large number of specific risks explicitly. As a result, even where a Material Adverse Effect condition is as broadly written as the one in the Merger Agreement, that provision

is best read as a backstop protecting the acquiror from the occurrence of unknown events that substantially threaten the overall earnings potential of the target in a durationally-significant manner. A short-term hiccup in earnings should not suffice; rather the Material Adverse Effect should be material when viewed from the longer-term perspective of a reasonable acquiror.

*In re IBP, Inc. Shareholders Litig. (IBP, Inc. v. Tyson Foods, Inc.)*, 789 A.2d 14, 68 (Del. Ch. 2001).

In *Hexion Specialty Chemicals, Inc. v. Huntsman Corp.*, 965 A.2d 715, 738 (Del. Ch. 2008), the court reiterated that a “buyer faces a heavy burden when it attempts to invoke a material adverse effect clause in order to avoid its obligation to close.”

Assessment of the occurrence of a Material Adverse Effect must take into account the \$610 million purchase price for the Hospitals. To prevail upon its assertion of a Material Adverse Effect, SGM would be required to show the occurrence of unexpected events which have substantially reduced the value of the Hospitals. Here, representative examples of a “Material Adverse Effect” under Article 8.4 of the APA would include the Debtors’ failure to maintain the Hospitals’ licensure, or the Debtors’ operation of the Hospitals in a manner that caused regulatory authorities to close key departments within the Hospitals, such as the emergency department or pharmacy.

None of SGM’s allegations come even close to showing a Material Adverse Effect. Even if all the allegations are true (a finding the Court does not make), SGM would not be excused from closing the sale under Article 8.4 of the APA.<sup>4</sup>

SGM’s invocation of the APA’s Material Adverse Effect provision is not well taken. The Court has previously made clear that the closing of the SGM Sale is the lynchpin of the Debtors’ plan of liquidation; that if the SGM Sale does not promptly close, the most likely outcome will be the closure of three of the four Hospitals; and that the prompt closing of the sale is critical to the estates’ liquidity position.<sup>5</sup> SGM is well aware that it was the only bidder for the Hospitals. By presenting non-meritorious arguments as to why it is not obligated to close, SGM is holding the estates, creditors, and patients of the Hospitals hostage in an attempt to extort a better purchase price. SGM’s cynical tactics are especially offensive given the significant harm that closure of the Hospitals would impose upon patients. For example, two of the Hospitals that

<sup>4</sup> Had SGM presented its allegations by way of an adversary complaint, the Court would dismiss such a complaint under Civil Rule 12(b)(6) for failure to state a claim upon which relief could be granted.

<sup>5</sup> See Memorandum of Decision Granting Debtors’ Emergency Motion to Enforce the Sale Order (the “Sale Enforcement Memorandum”) [Doc. No. 3446] at 3–4 and Memorandum of Decision (1) Finding that SGM is Obligated to Promptly Close the SGM Sale Under § 8.6 of the APA, Provided that All Other Conditions to Closing Have Been Satisfied and (2) Granting Debtors’ Motion for a Continuance of the Hearing to Approve the Disclosure Statement [Doc. No. 3632]. The Sale Enforcement Memorandum was subsequently vacated pursuant to a stipulation between the Debtors and the California Attorney General (the “Attorney General”), under which the Attorney General agreed not to pursue an appeal in exchange for vacatur of the Sale Enforcement Memorandum. Doc. No. 3599. Notwithstanding such vacatur, the Sale Enforcement Memorandum’s findings regarding the importance of consummation of the SGM Sale remain valid.

would likely close upon failure of the SGM Sale contain large populations of long-term patients suffering from severe illnesses, all of whom would have to be relocated to other facilities.

#### **E. All Conditions Precedent to Closing Have Been Satisfied**

The Court has previously found that the condition precedent to closing set forth in Article 8.6 of the APA has been satisfied.<sup>6</sup> All other conditions precedent to closing were satisfied as of November 19, 2019. On that date, the Debtors obtained a settlement with the Centers for Medicare and Medicaid Services providing for the transfer of their Medicare Provider Agreements to SGM, thereby satisfying their remaining obligations under Article 8.7 of the APA.<sup>7</sup>

Article 1.3 obligates SGM to close the sale “promptly but no later than ten (10) business days following the satisfaction” of all conditions precedent. As all conditions precedent were satisfied on November 19, 2019, SGM is obligated to close the sale by no later than December 5, 2019.

### **III. Conclusion**

Based upon the foregoing, the Court finds that all conditions precedent to SGM’s obligation to close the SGM Sale have been satisfied. Pursuant to Article 1.3 of the APA, SGM is obligated to close by no later than December 5, 2019. The Court will enter an order consistent with this Memorandum of Decision.

No. 3632].

<sup>7</sup> Article 8.7 also obligates the Debtors to transfer their Medi-Cal Provider Agreements to SGM pursuant to a settlement agreement with the California Department of Health Care Services (the “DHCS”). The Debtors materially complied with Article 8.7 by obtaining an order authorizing the transfer of the Medi-Cal Provider Agreements free and clear of any interest asserted by the DHCS. *See* Order Authorizing Debtors to Sell Medi-Cal Provider Agreements, Free and Clear of Interest Asserted by the California Department of Health Care Services, Pursuant to §§ 363(b) and (f)(5) [Doc. **EMERGENCY MOTION**

Pursuant to LBR<sup>1</sup> 9020-1 and 9075-1, Rule 6004, and §§ 363 and 105(a), Verity Health System Of California, Inc. (“VHS”) and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), respectfully request, on an emergency basis (the “Motion”), that the Court: (i) issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a), on an expedited basis ordering Strategic Global Management, Inc. (“SGM”) and its principals, Kali Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause as to why SGM failed to comply with this Court’s order [Docket No. 3724] (the “Closing Order”) requiring SGM to close the sale (the “SGM Sale”) pursuant to that certain asset purchase agreement [Docket No. 2305-1] (the “APA”) by no later than December 5, 2019, including, but not limited to, stating whether SGM has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction; (ii) set the balance of the relief requested in this Motion and the attached Memorandum of Points and Authorities for an emergency hearing on December 11, 2019, at 10:00 a.m., to consider the Debtors’ request for an order (a) enforcing this Court’s order [Docket No. 2306] (the “Sale Order”) approving the SGM Sale and Closing Order, (b) finding that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further notice to SGM, and (d) finding that the Debtors shall retain the \$30 million non-refundable deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; and (iii) granting such other and further relief as the Court deems just and proper.

1 prompt sale and transition of the Debtors' four remaining general acute care hospitals<sup>2</sup> is needed to  
2 prevent any deterioration in critical healthcare in underserved communities caused by accelerating  
3 employee turnover, as well as the operating losses continuing to reduce anticipated recoveries to  
4 creditors. The Debtors (i) are operating at a loss of approximately \$450,000 per day, imposing  
5 significant costs upon the estates and upon creditors, and (ii) the uncertainty caused by SGM has  
6 significantly increased the rate of employee turnover at Verity's hospitals, a void filled by expensive  
7 per diem, temporary nurses and *locum tenens* physicians at a much greater cost to the estates.  
8 Finally, but crucially, the APA specifically provides that "[t]ime is of the essence." See APA at §§  
9 12.17. SGM's failure to close the Sale violates the express terms of the APA, as well as this Court's  
10 unambiguous Orders. In order to make critical decisions impacting the Hospitals and alternative  
11 plans, the Debtors must have immediate clarity on (i) whether SGM has the financial ability to  
12 proceed with the Sale transaction, and (ii) whether SGM intends to proceed with the Sale transaction  
13 in 2019. SGM steadfastly has refused to provide such critical information to the Debtors, even in  
14 the face of its utter failure to comply with this Court's prior Orders. This Court's immediate  
15 intervention is respectfully requested and required.

16 **I.**

17 **SUMMARY OF REQUESTED RELIEF**

18 As set forth above, the Debtors seek the entry of three orders. **First**, pursuant to LBR 9020-1,  
19 the Debtors respectfully request that the Court issue an order to show cause, lodged concurrently  
20 herewith pursuant to LBR 9020-1(a), on an expedited basis ordering SGM and its principals, Kali  
21 Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11,  
22 2019, at 10:00 a.m., and show cause as to why SGM failed to (a) close the SGM Sale by December  
23 5, 2019, (b) comply with this Court's Closing Order, (c) demonstrate to the Debtors that SGM  
24 currently has the financial ability or access to sufficient capital to timely proceed with this  
25 transaction in accordance with the APA, and (d) advise the Debtors as to SGM's intention to close  
26 \_\_\_\_\_

27 <sup>2</sup> Specifically, the hospitals and healthcare facilities subject to the SGM Sale include St. Francis  
28 Medical Center, St. Vincent Medical Center, Seton Medical Center (including the Daly City and  
Coastside campuses), and St. Vincent Dialysis Center.

1 the transaction. Given the exigencies of the Debtors' Cases, the Debtors respectfully request that  
2 the Court reduce the 7-day opposition or response deadline set forth in LBR 9020-1(b), or  
3 provisionally issue the order to show cause and provide that parties may object to the issuance at  
4 the hearing on the order to show cause. Pursuant to LBR 9020-1, the Court is not required to hold  
5 a hearing on the Debtors' request to issue the order to show cause. *See* LBR 9020-1(d)(2). **Second**,  
6 the Debtors respectfully request that the Court enter an order setting the balance of the relief  
7 requested in this Motion and the attached Memorandum of Points and Authorities for an emergency  
8 hearing on December 11, 2019, at 10:00 a.m. **Third**, following the emergency hearing, the Debtors  
9 request entry of an order (a) enforcing this Court's Sale Order and Closing Order, (b) finding that  
10 SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by  
11 December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further  
12 notice to SGM, (d) finding that the Debtors shall retain the \$30 million non-refundable deposit  
13 received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final  
14 DIP Order [Docket No. 409], and (e) granting such other and further relief as the Court deems just  
15 and proper

16 This Motion is based upon §§ 105 and 363, Rule 6004, LBR 9020-1 and 9075-1(a), the  
17 attached Memorandum of Points and Authorities, the *Declaration of Richard Adcock in Support of*  
18 *Emergency First-Day Motions* [Docket No. 8], the *Declaration of Richard G. Adcock* [Docket No.

21 *Declaration of Elspeth Paul* (the "Paul Declaration"), which are filed concurrently herewith, the  
22 arguments and statements of counsel to be made at the hearing on the Motion, and any other  
23 admissible evidence as may properly be brought before the Court. The Debtors further request that  
24 the Court take judicial notice of all documents filed with the Court in this case that relate to the  
25 status conference held before the Court on November 26, 2019, including the Debtors' status report  
26 [Docket No. 3692], the documents filed under seal pursuant to the Court's orders [Docket Nos.

2 **RESPONSES**

3 By this Motion, the Debtors have requested that the Court issue the order to show cause on  
4 an expedited basis. Any party opposing or responding to the Debtors' request that the Court issue  
5 an order to show cause pursuant to LBR 9020-1 may present such opposition or response as directed  
6 by the Court in any subsequent order.

7 Any party opposing or responding to any other relief requested in the Motion may present  
8 such response (the "Response") at any time before or at the hearing on the Motion. *See* LBR 9075-  
9 1(a)(8). A Response must be a complete written or oral statement of all reasons in opposition to the  
10 Motion or in support, declarations and copies of all evidence on which the responding party intends  
11 to rely, and any responding memorandum of points and authorities. Pursuant to LBR 9013-1(h), the  
12 failure to file and serve a timely objection to any request for relief set forth in the Motion may be  
13 deemed by the Court to be consent to the relief requested herein.

14 III.

15 **SERVICE OF MOTION**

16 Counsel to the Debtors will serve this Motion, the attached Memorandum of Points and  
17 Authorities, the concurrently-filed Beith Declaration, Martin Declaration and Paul Declaration, and  
18 any notice required by the Court on: (i) Strategic Global Management, Inc., (ii) the Official  
19 Committee of Unsecured Creditors, (iii) the Debtors' Prepetition Secured Creditors as defined in  
20 the Final DIP Order, (iv) the Office of the United States Trustee; and (v) any other parties on the  
21 Limited Service List set forth in the *Order Granting Emergency Motion of Debtors for Order*  
22 *Limiting Scope of Notice* [Docket No. 132]. To the extent necessary, the Debtors request that the  
23 Court waive compliance with LBR 9075-1(a)(6) and approve service (in addition to the means of  
24 services set forth in such Local Bankruptcy Rule) by overnight delivery.

25 IV.

26 **RESERVATION OF RIGHTS**

27 Nothing contained herein is intended or shall be construed as: (i) an admission as to the  
28 validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any appropriate party in

1 interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors; or  
2 (iii) a waiver of any claims or causes of action which may exist against any creditor or interest  
3 holder.

4 V.

5 CONCLUSION

6 WHEREFORE, for all the foregoing reasons and such additional reasons as may be  
7 advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the  
8 Court: (i) issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a),  
9 on an expedited basis ordering SGM and its principals, Kali Pradip Chaudhuri, William Thomas,  
10 and Peter Baronoff, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause  
11 as to why SGM failed to comply with this Court's Order and close the SGM Sale by December 5,  
12 2019, including, but not limited to, stating whether SGM has the financial ability to proceed with  
13 this transaction in accordance with the APA, and whether it intends to close the transaction; and  
14 (ii) set the balance of the relief requested in this Motion and the attached Memorandum of Points  
15 and Authorities for an emergency hearing on December 11, 2019, at 10:00 a.m., to consider the  
16 Debtors request for an order (a) enforcing this Court's Sale Order and Closing Order, (b) finding  
17 that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale  
18 by December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without  
19 further notice to SGM, and (d) finding that the Debtors shall retain the \$30 million non-refundable  
20 deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of

(“VHS”) and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), respectfully request, on an emergency basis (the “Motion”), that the Court: (i) issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a), on an expedited basis ordering Strategic Global Management, Inc. (“SGM”) and its principals, Kali Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause as to why SGM failed to comply with this Court’s order [Docket No. 3724] (the “Closing Order”) requiring SGM to close the sale (the “SGM Sale”) pursuant to that certain asset purchase agreement [Docket No. 2305-1] (the “APA”) by no later than December 5, 2019, including, but not limited to, stating whether SGM has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction; (ii) set the balance of the relief requested in this Motion and the attached Memorandum of Points and Authorities for an emergency hearing on December 11, 2019, at 10:00 a.m., to consider the Debtors’ request for an order (a) enforcing this Court’s order [Docket No. 2306] (the “Sale Order”) approving the SGM Sale and Closing Order, (b) finding that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further notice to SGM, and (d) finding that the Debtors shall retain the \$30 million non-refundable deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; and (iii) granting such other and further relief as the Court deems just and proper.

4 INTRODUCTION

5 Six months after this Court entered the order (the “Sale Order”)<sup>1</sup> authorizing the Debtors to  
6 sell their four remaining general acute care hospitals<sup>2</sup> and St. Vincent Dialysis Center (the  
7 “Hospitals”) to SGM, the Court entered its order, on November 27, 2019, obligating SGM to close  
8 the SGM Sale pursuant to the APA by December 5, 2019 (the “Closing Order”).<sup>3</sup> The Court’s  
9 Closing Order also found that there has been no material adverse effect under the APA, and that  
10 the APA does not permit SGM to appeal this Court’s determination as to that issue.

11 Despite the clear requirements of the APA and in direct contravention of this Court’s prior  
12 Orders, SGM announced that it *would not close the SGM Sale—and, then, did not close the SGM*  
13 *Sale—by December 5, 2019*. In a transparent attempt to delay this proceeding, frustrate the  
14 Debtors’ ability to transfer the Hospitals pursuant to the APA, and manufacture a context to  
15 renegotiate the purchase price under the APA, SGM has filed three frivolous appeals. Further,  
16 SGM has taken the facially implausible position that it is entitled to a 21-day “Evaluation Period”  
17 under Section 8.6 of the APA, during which it may “determine” whether it is satisfied with the  
18 Attorney General Order that provides precisely the same protection that is set forth in Section 8.6  
19 of the APA. Docket No. 2305-1. These actions expressly violate this Court’s Orders and the APA.  
20 *See, e.g.,* APA, § 1.3 (“ . . . Purchaser shall reasonably cooperate in any efforts to render the  
21 Supplemental Sale Order a final, non-appealable order[.]”).

22 Each day that goes by without prompt action by SGM to close this transaction harms the  
23 estates. The Debtors’ estates and their constituents have already borne operating losses of  
24

25 \_\_\_\_\_  
26 <sup>1</sup> Docket No. 2306.

27 <sup>2</sup> Specifically, the Hospitals include St. Francis Medical Center, St. Vincent Medical Center, and  
Seton Medical Center (including the Daly City and Coastsides campuses).

28 <sup>3</sup> Docket No. 3723-24.

1 approximately \$450,000 per day waiting for SGM to close the SGM Sale. SGM's failure to timely  
2 issue offer letters has had a negative impact on employee morale. Moreover, the Debtors and third  
3 parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the  
4 Sale Order and the Closing Order. Despite this, SGM has intentionally frustrated the closing  
5 process by refusing to participate. In addition to announcing that it would not close the SGM Sale  
6 on December 5, as ordered by the Court, throughout the week leading up to the filing of this Motion,  
7 SGM has refused to participate in the regular, pre-scheduled joint closing calls and operational  
8 transition calls, apparently based on the advice of its counsel.

9 By signing the APA, SGM represented and agreed that "[p]urchaser has the ability to obtain  
10 funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and  
11 will at the Closing have immediately available funds in cash, which are sufficient to pay the  
12 Purchase Price and to pay any other amounts payable pursuant to this Agreement and to  
13 consummate the transactions contemplated by this Agreement." Given the actions and inactions of  
14 SGM over the past month, which suggest SGM lacks the financial ability to close the SGM Sale,  
15 the Debtors have made repeated and direct requests that SGM state whether it has the financial  
16 ability to close the SGM Sale, and whether it intends to do so. SGM has refused to respond,  
17 attempting to distract from its apparent financial inability to perform and seeking to preserve the  
18 ability to argue at some later date that the Debtors breached the APA by deciding prematurely to  
19 distribute their assets in a different manner, *i.e.* "Plan B" as it was referred to during the November  
20 26, 2019, status conference.

21 SGM is in direct violation of this Court's prior Orders. Its conduct is an effort to gain  
22 leverage against the Debtors in order to force a modification of the APA as to price and/or timing  
23 of closing. Such efforts are a manifestation of SGM's lack of good faith and fair dealing under the  
24 APA and constitute willful misconduct designed to harm the Debtors and impair the effectiveness  
25 of this Court's orders, *i.e.*, its actions have been taken in bad faith. The Debtors respectfully urge  
26 the Court to issue an order (i) enforcing this Court's Sale Order and Closing Order; (ii) ordering  
27 SGM and its principals, Kali Pradip Chaudhuri, William Thomas and Peter Baronoff, to appear in  
28 this Court, on December 11, 2019, and show cause as to why SGM failed to (a) close the SGM Sale

1 by December 5, 2019, (b) comply with this Court’s Closing Order, (c) demonstrate to the Debtors  
2 that SGM currently has the financial ability or access to sufficient capital to timely proceed with  
3 this transaction in accordance with the APA, and (d) advise the Debtors as to SGM’s intention to  
4 close the transaction; (iii) finding that SGM is in material breach of the APA for (among other  
5 things) failing to Close the SGM Sale by December 5, 2019; (iv) finding that the Debtors may  
6 terminate the APA at any time without further notice to SGM; (v) finding that the Debtors shall  
7 retain the \$30 million non-refundable deposit received from SGM as Sales Proceeds within the  
8 meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; (vi) granting such  
9 other and further relief as the Court deems just and proper.

10 **II.**

11 **JURISDICTION, VENUE, AND STATUTORY PREDICATES**

12 The Bankruptcy Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157  
13 and 1334. This matter is a core proceeding under 28 U.S.C. §§ 157(b)(2). Venue is proper pursuant  
14 to 28 U.S.C. §§ 1408 and 1409.

15 The Motion seeks an order of the Court enforcing the terms of its final order approving the  
16 SGM Sale [Docket No. 2306] and its order [Docket No. 3723-24] obligating SGM to close the  
17 SGM Sale, as well as to show cause to SGM for its failure to comply. The statutory predicates for  
18 this relief are §§ 363 and 105, and Bankruptcy Rule 6004. This Court “plainly ha[s] jurisdiction to  
19 interpret and enforce its own prior orders.” *Travelers Indem. Co. v. Bailey*, 557 U.S. 137, 151,  
20 (2009); *see also In re Millenium Seacarriers, Inc.*, 419 F.3d 83, 96 (2d Cir. 2005) (“A bankruptcy  
21 court retains jurisdiction to interpret and enforce its own orders . . . .” (quoting *Luan Inv. S.E., v.*  
22 *Franklin 145 Corp. (In re Petrie Retail, Inc.)*, 304 F.3d 223, 230 (2d Cir.2002))).

23 **III.**

24 **FACTUAL BACKGROUND**

25 1. On May 2, 2019, this Court entered its *Order (A) Authorizing the Sale of Certain of*  
26 *the Debtors’ Assets to Strategic Global Management, Inc. Free and Clear of Liens, Claims,*  
27 *Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of An*  
28 *Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306] (“Sale

Order”), approving the SGM Sale pursuant to the APA. Since this Court issued its Sale Order, the Debtors have engaged in extensive, time-consuming efforts on multiple fronts to transition the Hospitals to SGM. By way of example: (i) the Debtors have sent multiple rounds of WARN notices to all employees; (ii) medical groups affiliated with the Debtors have sent termination notices to their physicians; (iii) thousands of counterparties to executory contracts and unexpired leases have relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iv) the Debtors and SGM have spent almost an entire year facilitating an efficient close of the SGM Sale and developing transition plans as appropriate, including the transition of various licenses, employees, etc.; (v) the Debtors and SGM spent months successfully negotiating and reaching modified collectively bargaining agreements with all of the unions; (vi) the Debtors spent months reaching finality with the California Attorney General, the Centers for Medicare and Medicaid Services, and the California Department of Health Care Services; and (vii) created plans to shut off certain services and modify various insurance policies.

2. On October 23, 2019, the Court issued a *Memorandum of Decision Granting the Debtors’ Emergency Motion to Enforce the Sale Order* [Doc. No. 3188]. [Docket 3446.] Following extensive negotiations, the Debtors and the Attorney General reached a *Stipulation Resolving “Debtors Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief”* [Docket No. 3188]. [Docket 3572.] Accordingly, on November 14, 2019, the Court issued an *Order Granting “Debtors Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief”* [Doc. 3188] [Docket 3611] (the “Enforcement Order”).

3. APA section 1.3 obligates SGM to close the sale “promptly but no later than ten (10) business days following the satisfaction” of all conditions precedent. On November 18, 2019, the Court issued an Order finding that: “The Debtors have complied with their obligation under the APA to obtain a final, nonappealable Supplemental Sale Order. Consequently, SGM is now obligated to promptly close the SGM Sale, provided that all other conditions to closing have been satisfied.” Docket No. 3632.

4. On November 19, 2019, the Debtors obtained a settlement with the Centers for Medicare and Medicaid Services providing for the transfer of their Medicare Provider Agreements to SGM, thereby satisfying their remaining obligations under Article 8.7 of the APA. Docket No. 3680. With respect to California Department of Health Care Services (“DHCS”), the Debtors secured an Order [Docket No. 3372] from the Bankruptcy Court authorizing the transfer free and clear of any interests asserted by DHCS, in addition to the Sale Order which terminated any creditor’s recoupment rights [Docket No. 2306]. Those Orders afford equal or greater protection to SGM than any settlement could have, thereby satisfying Section 8.7. In addition, on November 22, 2019, the Debtors reached a settlement in principle with DHCS to the same effect. *See* Nov. 26, 2019 Hr’g Tr. at 10:18-24.

5. As set forth in the Debtors’ status report [Docket No. 3692] (the “Status Report”), Debtors sent a letter to SGM, on November 20, 2019, stating (i) the conditions to close under the APA had been satisfied on November 19, 2019, and that (ii) the transaction should promptly close by December 5, 2019. *See* Status Report at 1. The letter requested assurances from SGM that the transaction would close by that date. *See id.*

6. On November 19, 2019, SGM’s CEO, Peter Baronoff, telephoned the Debtors’ investment banker and stated that SGM could not obtain sufficient financing for the transaction, contrary to Section 3.9 of the APA. [Docket No. 3644.] That telephone call immediately resulted in the Debtors’ request for an order [entered at Docket No. 3646] continuing the hearing on the Debtors’ motion [Docket No. 2995] for approval of its disclosure statement [Docket No. 2994]. *See* Beith Decl., ¶ 2. Recognizing that the existence of financing is not a condition to close, SGM resorted to making unfounded and self-serving assertions that the Debtors breached the APA and

embarked on impermissible efforts to re-trade the purchase price without regard to: (i) the language in the APA; (ii) the indisputable fact that SGM’s diligence period had expired in January 2019; (iii) SGM’s prior representations; and (iv) the fact that all conditions of the Debtors to close had been satisfied.

7. On November 22, 2019, SGM sent the Debtors letters from Gary Klausner, Esq. of Levene, Neale, Bender, Yoo & Brill L.L.P. and Robert W. Lundy, Jr. of Hooper, Lundy & Bookman, P.C. (with enclosures), setting forth the issues that SGM had asserted amounted to a “Material Adverse Effect” under the APA [Docket No. 3705] (the “November 22, 2019 Letters”).<sup>4</sup> The issues SGM raised at the eleventh hour were not “new”—they were all known or discoverable during the diligence period. And none of them change the inescapable conclusion that this transaction was required to close by December 5 because the Debtors and SGM negotiated the sale as an “AS IS, WHERE IS” sale under the express terms of the APA. SGM’s untimely, baseless and immaterial complaints were nothing more than a transparent attempt to delay the closing and manufacture a basis for a re-trade to obtain a lower purchase price.

8. On November 26, 2019, the Court held a Status Conference. In advance of the Status Conference, SGM filed a Reservation of Rights, alleging (among other things) that “there are no genuine disputes of material fact as to the [sic] whether there have been Material Adverse Effects under the terms of the APA.” [Docket 3701.] In addition, the Debtors lodged with the Court SGM’s November 22, 2019 Letters. At the status conference, the Court rejected SGM’s arguments, stating (among other things) that “[a]s far as the Court is concerned” SGM is the “proud owner” of the Debtors’ assets as set forth in the APA, and that SGM “has an obligation to close” the transaction pursuant to the APA. (Nov. 26, 2019 Hr’g Tr. at 12:22-24, 14:10-11.)

9. On November 27, 2019, the Court issued an Order finding that, “[p]ursuant to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019.” [Docket 3724.] The Memorandum Decision supporting that Order concluded, among other things, that (i) “Adjudication of SGM’s Obligations Under the APA Does Not Require an Adversary

---

<sup>4</sup> The November 22, 2019 Letters were filed under seal pursuant to Court order [Docket No. 3699].

Proceeding,” (ii) “Adjudication of SGM’s Obligations Under the APA Is Not Premature,” (iii) “SGM Is Not Entitled to Appeal the Bankruptcy Court’s Determination Regarding a Material Adverse Effect,” (iv) “No Material Adverse Effect Has Occurred,” (v) “All Conditions Precedent to Closing Have Been Satisfied.” [Docket 3723.] The Court further concluded that:

SGM’s contention that it is not obligated to close is a cynical attempt to extract a better purchase price. A key component of SGM’s negotiation strategy is its attempt to delay as long as possible the adjudication of its obligations under the APA. The Court will not facilitate SGM’s dubious tactics.

\* \* \*

By presenting non-meritorious arguments as to why it is not obligated to close, SGM is holding the estates, creditors, and patients of the Hospitals hostage in an attempt to extort a better purchase price. SGM’s cynical tactics are especially offensive given the significant harm that closure of the Hospitals would impose upon patients. For example, two of the Hospitals that would likely close upon failure of the SGM Sale contain large populations of long-term patients suffering from severe illnesses, all of whom would have to be relocated to other facilities.

[*Id.*, pp. 6-7.]

10. On November 29, 2019, SGM filed two notices of appeal [Docket Nos. 3726, 3727] related to (i) the order granting the Debtors’ motion to enforce the sale order [Docket No. 3611], and (ii) the order finding that SGM is obligated to promptly close the transaction under section 8.6 of the APA provided all other conditions to closing are satisfied [Docket No. 3633].

11. This week, beginning Monday, December 2, 2019, SGM representatives failed to participate in five pre-scheduled operations closing calls, stating that they were doing so on the advice of SGM’s counsel. *See* Paul Decl., ¶ 2.

12. On December 3, 2019, the Debtors emailed SGM, expressing continued concern for the delay and the impact on the Hospitals, including that many employees no longer have confidence that SGM will purchase the hospitals given that they are still waiting for formal offers, that the Hospitals continue to flex staff and registry to manage patient care, and that vendors and the Hospitals’ risk pool participants/IPAs have expressed concern that SGM does not intend to close the transaction. *See* Martin Decl., ¶ 2, Ex. A. In response, SGM announced that it would not

1 close the Sale by December 5, and that it had filed a notice of appeal [Docket No. 3746] of the  
2 Court's Closing Order. *See id.*, ¶ 3, Ex. B.

3 13. On December 4 and 5, 2019, the Debtors sent additional demands to SGM for  
4 information and assurances bearing on whether it has the financial ability to perform the APA and  
5 whether it intends to do so. *See* Martin Decl., ¶¶ 4, 6, Exs. C, E. SGM has not provided this  
6 information to Debtors. *Id.* ¶ 8.

7 IV.

8 ARGUMENT

9 SGM is unquestionably in violation of this Court's Sale Order and Closing Order, and time  
10 is of the essence. Bankruptcy courts have the inherent power and authority to enforce their own  
11 orders, including levying sanctions and/or civil contempt against violating parties. *See Travelers*  
12 *Indem. Co. v. Bailey*, 557 U.S. 137, 151 (2009) (finding that the "Bankruptcy Court plainly had  
13 jurisdiction to interpret and enforce its own prior orders"); *see also In re Millenium Seacarriers,*  
14 *Inc.*, 419 F.3d 83, 96 (2d Cir. 2005) ("A bankruptcy court retains jurisdiction to interpret and  
15 enforce its own orders[.]") (quoting *Luan Inv. S.E., v. Franklin 145 Corp. (In re Petrie Retail, Inc.)*,  
16 304 F.3d 223, 230 (2d Cir.2002)); *In re Azevedo*, 506 B.R. 277, 282 (Bankr. E.D. Cal. 2014); *In re*  
17 *Gonzales*, 512 B.R. 255, 258 (Bankr. C.D. Cal. 2014) ("Bankruptcy court[s] have always been  
18 empowered to interpret and enforce their own orders.").

19 Accordingly, the Debtors request the following emergency relief:

20 A. The Court Should Order SGM's Principals To Appear And Show Cause.

21 SGM did not close the SGM Sale by December 5, 2019, in direct contravention of the  
22 Court's Sale Order and Closing Order. Accordingly, the Court should order the appearance of  
23 SGM's principals and explanation of why they did not comply because they are in contempt of the  
24 Court's Order. There is no disputing that the Court's order directed SGM to close on December 5,  
25 2019 and was, therefore, a specific and definite order of the Court. Given that fact, SGM must  
26 appear before the Court and explain why it did not comply or be held in contempt. *See, e.g., Stone*  
27 *v. City and County of San Francisco*, 968 F.2d 850, 856 n. 9 (9th Cir.1992) ("The moving party  
28 has the burden of showing by clear and convincing evidence that the contemnors violated a specific

1 and definite order of the court. The burden then shifts to the contemnors to demonstrate why they  
2 were unable to comply.”).

3 While refusing to Close the transaction by December 5, 2019 in accordance with the Court’s  
4 Closing Order, SGM has simultaneously and steadfastly refused to state whether it has the financial  
5 ability to close the SGM Sale and whether it ever intends to do so. As explained above, SGM’s  
6 conduct strongly suggests that it has no intention of closing this transaction, as underscored by the  
7 recent statement of its CEO Peter Baronoff that SGM lacks the ability to secure funding at the level  
8 required for the purchase price under the APA. The Debtors have repeatedly and directly  
9 confronted SGM regarding whether it has the financial wherewithal to comply with the APA. SGM  
10 has consistently dodged those questions with the pretense that it is entitled to an alleged “Evaluation  
11 Period” under Section 8.6. SGM’s position is meritless for at least three reasons.

12 First, the Evaluation Period contemplated by Section 8.6 is only triggered when the  
13 Attorney General is imposing conditions that *materially differ* from the conditions to which SGM  
14 agreed under the APA, i.e., the Purchaser Approved Conditions. Because the Attorney General is  
15 not imposing any such conditions, no Evaluation Period is implicated. Second, as the Court  
16 previously found, “SGM is judicially estopped from contending that it is entitled to the Evaluation  
17 Period and is not obligated to promptly close the sale” based on “its prior representations regarding  
18 its obligation to close the sale.” [Docket No. 3632, pp. 4-5.] Third, even if a 21-business day  
19 Evaluation Period had been triggered (which the Debtors dispute), Section 8.6 provides that SGM  
20 “shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-  
21 appealable order” and “shall consummate the Sale” if “the Supplemental Sale Order becomes a  
22 final, non-appealable order prior to the expiration of the Evaluation Period . . . and all other  
23 conditions to closing have been satisfied.” Here, as the Court has previously determined, there is  
24 a final non-appealable order, namely the Enforcement Order. [Docket No. 3611]. Obviously, filing  
25 meritless appeals is a far departure from SGM’s obligation to reasonably cooperate. SGM’s appeals  
26 are frivolous and designed solely to delay and frustrate these proceedings.

SGM should be directed to immediately and clearly respond to questions regarding its financial ability to perform under the APA. By signing the APA, SGM represented and agreed that:

3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

See APA § 3.9. This representation, warranty and covenant does not expire, and SGM “shall be deemed to remake” it “as of the Closing Date,” *i.e.*, December 5, 2019. APA, Article III. SGM has repeatedly represented to the Court and the parties that SGM intends to close this transaction in accordance with the APA. For example, in its filing dated November 11, 2019, SGM described this as a “transaction in which SGM will be paying over \$600 Million,” and SGM’s November 25, 2019 Reservation of Rights states that “SGM continues to desire to close the transaction between SGM and Verity as described in the APA.”

If SGM does not have the financial ability to close the SGM Sale, as required by Section 3.9 of the APA, then it has an obligation to inform the Court and the Debtors of that fact, so they may immediately proceed with asset distribution in an alternative manner. Accordingly, the Debtors respectfully request that Court direct the following representatives of SGM to appear in Court on December 11, 2019, to address these issues and otherwise show cause why this transaction has not close: Chairman Kali Pradip Chaudhuri, MD, Chief Executive Officer Peter Baronoff and General Counsel William Thomas.

And, to be clear, SGM’s only explanation must be why it did not comply with the order; this hearing should not be an opportunity for SGM to rehash its arguments already rejected by the Court. *See, e.g., Maggio v. Zeitz*, 333 U. S. 56, 333 U. S. 69 (1948) (“It would be a disservice to the law if we were to depart from the longstanding rule that a contempt proceeding does not open to reconsideration the legal or factual basis of the order alleged to have been disobeyed, and thus become a retrial of the original controversy. The procedure to enforce a court’s order commanding or forbidding an act should not be so inconclusive as to foster experimentation with disobedience.”

**B. The Court Should Find That SGM Is In Material Breach, That The Debtors May Immediately Terminate The APA And Retain The Deposit.**

Finally, the Debtors respectfully request the Court issue an order finding that SGM is in material breach of the APA by failing to close the SGM Sale on December 5, 2019, as required by the APA and as specifically ordered by the Court in its Closing Order. “[A] material breach of a contract excuses further performance by the injured party and entitles that party to terminate the contract.” *Pena v. GMAC Mortg., LLC*, No. CV0906939MMMJCX, 2010 WL 11519504, at \*7 (C.D. Cal. Sept. 13, 2010) (citing *Pry Corp. of America v. Leach*, 177 Cal.App.2d 632, 639 (1960) and 1 B. Witkin, Summary of Cal. Law, Contracts, § 796 p. 719 (9th ed. 1990)). As a result of that material breach by SGM, the Debtors are now entitled to (i) walk away from the APA with no further notice to SGM, (ii) sue SGM for damages under APA Section 11.1 and as otherwise allowed under applicable law, and (iii) proceed with alternative plans to dispose of the assets. The Debtors respectfully request that the Court issue an Order to this effect.

In addition, the Debtors request an order that the Debtors may retain the \$30 million non-refundable Deposit. Section 1.2 of the APA provides that: “The Deposit shall be non-refundable in all events, except as provided in Section 6.1(b) or Section 6.2, or in the event Purchaser has terminated this Agreement pursuant to Section 9.1 (other than Section 9.1(b)) or as set forth in Section 9.2, in which case Seller shall immediately return the Deposit to Purchaser with all interest earned thereon.” Here, Sections 6.1(b) and Section 6.2 are inapplicable, and SGM has not terminated the Agreement under Section 9.2—rather, SGM has materially breached the Agreement by failing to perform. Accordingly, the Deposit is non-refundable, and the Debtors respectfully request that the Court order that the Debtors may retain it regardless of the manner in which the assets are ultimately distributed.

**V.**

**CONCLUSION**

WHEREFORE, for all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the Court: (i) issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a),

on an expedited basis ordering SGM and its principals, Kali Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause as to why SGM failed to comply with this Court's Order and close the SGM Sale by December 5, 2019, including, but not limited to, stating whether SGM has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction; and (ii) set the balance of the relief requested in this Motion and the attached Memorandum of Points and Authorities for an emergency hearing on December 11, 2019, at 10:00 a.m., to consider the Debtors request for an order (a) enforcing this Court's Sale Order and Closing Order, (b) finding that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further notice to SGM, and (d) finding that the Debtors shall retain the \$30 million non-refundable deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; and (iii) granting such other and further relief as the Court deems just and proper.

**DECLARATION OF CARSTEN BEITH**

I, Carsten Beith, declare that if called on as a witness, I would and could testify of my own personal knowledge as follows:

1. **Subject:** RE: Verity

Gary,

As set forth in my emails dated November 16 and 18, 2019, there is no basis for SGM to appeal and there is no Evaluation Period. Even if SGM were correct about the existence of an Evaluation Period (which it is not), the appeal and SGM's failure to take reasonable steps towards closing the transaction would constitute a breach of the APA ("Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order[.]").

Indeed, the Debtors believe SGM's appeals are frivolous, and we reserve the right to seek sanctions against you and your clients pursuant to FRAP 38 and 28 USC 1927. Further, it is the position of the Debtors, that as of December 6, 2019, the Deposit, as defined in the APA, will irrevocably belong to the Debtors and its use is permitted by the Final DIP Order and the Supplemental Cash Collateral Order.

Each day that goes by without prompt action by your clients towards closing this transaction is injuring the Hospitals. Employees are leaving on a daily basis as a direct result of your clients' failure to timely issue offer letters. And, as you know, the Debtors are suffering net operating losses estimated at \$450,000 per day. Despite this, your clients continue to drag their feet on closing. Yesterday, you directed that they not participate on three regular, pre-scheduled closing calls -- calls that are essential to the transition of the Hospitals. Your clients are plainly in breach of APA Section 12.17, which provides that "[t]ime is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement."

The conduct of you and your clients strongly suggests that they have no intention of closing this transaction, which is consistent with Mr. Baronoff's statement two weeks ago that they lack the ability to secure funding at the level required for the purchase price under the APA. By signing the APA, your clients represented and agreed that "[p]urchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement." On the basis of the APA, the Court entered its Sale Order. Since then, you and your clients have repeatedly represented to the Court and the parties that SGM intends to close this transaction in accordance with the APA. For example, in your filing dated November 11, 2019, you described this as a "transaction in which SGM will be paying over \$600 Million," and your November 25, 2019 Reservation of Rights states that "SGM continues to desire to close the transaction between SGM and Verity as described in the APA."

If these representations are no longer true, your clients owe a duty to the Court and the Debtors to say so. As an officer of the court, you also owe that duty.

"Counsel, as an officer of the court, also owes a duty of candor to the tribunal. Model Rules of Professional Conduct Rule 3.3. This duty precludes counsel from making false statements of law or fact to the court and offering false evidence, and requires counsel to disclose controlling adverse legal authority not disclosed by opposing counsel, and facts necessary to avoid assisting the client in a criminal or fraudulent act. Id."

*Hansen, Jones & Leta, PC v. Segal*, 220 B.R. 434, 455 (D. Utah 1998). See also Cal. Rule Prof. Conduct 5-200.

The Debtors again demand that you and your clients affirm whether they have the financial ability to proceed with this transaction in accordance with the APA, and whether they intend to close the transaction. If you do not respond to this request by close of business tomorrow, the Debtors will ask the Court to schedule an emergency Order to Show Cause hearing and require your clients to respond to such questions in open court.

Sonia; as you are aware, SGM has filed a notice of appeal from the Bankruptcy Court's order of November 14, 2019 regarding Verity's emergency motion. We understand your position regarding the "finality" of that order and we respectfully disagree as our client had standing to appeal to order entered by the court, notwithstanding the fact that SGM did not oppose the underlying emergency motion. Ultimately the appellate court will decide this issue. In the meantime, so that there is no confusion or misunderstanding about SGM's position on this issue, the 21 business days evaluation period under section 8.6 began on November 14; that means, if my review of the calendar is correct, the 21 business days to respond under section 8.6 will not expire until December 16, 2019.

Gary,

As Tania stated on the record in court on Wednesday, we do not agree with SGM's position that it has a 21-day Evaluation Period.

The Evaluation Period contemplated by Section 8.6 was included to account for the possibility that the Attorney General might insist on imposing conditions that materially differ from the Purchaser Approved Conditions. Because the Attorney General is not imposing any such conditions, the provisions relating to an Evaluation Period are not implicated.

We also note that, even if a 21-day Evaluation Period had been triggered (which we do not concede), Section 8.6 provides that SGM "shall consummate the Sale" if "the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period . . . and all other conditions to closing have been satisfied." Here, we have a final non-appealable order because the only parties who could have standing to appeal have waived that right.

Sam, Tania; I have heard through the grapevine that Verity may be taking the position that SGM does not have (or somehow lost) the 21 day Evaluation Period provided for in section 8.6 of the APA, which started as of the entry of the supplemental sale order yesterday. Would you please let me know if this is, in fact, Verity's positions and if so, please advise me of Verity's basis for that position. Obviously, this is a time critical issue so please get back to me immediately as I have a call scheduled with SGM at 3:00 today. Thanks.

Gary,

You have not responded to the Debtors' request that you state whether your clients "have the financial ability to proceed with this transaction in accordance with the APA, and whether they intend to close the transaction." This includes, but is not limited to, confirmation that the representations set forth in the December 3, 2018 letter issued by Kevin R. Farrenkopf, President and CEO of The Bank of Hemet, and the December 4, 2018 email from William Thomas are still accurate, and that the funds referenced in those communications remain available for use in December 2019 in connection with this transaction. The Debtors insist that you and your clients provide this information outside the context of any confidentiality agreement, either now or in court.

Your clients have no valid basis to refuse to close this transaction. They are in breach of the APA, and the Debtors will proceed accordingly. Indeed, it has become increasingly clear that SGM likely never had the financial ability to perform the APA, and has been in breach of APA Section 3.8 from the outset.

Moreover, SGM lacks standing and has waived any ability to appeal the Court's orders. Manufacturing the Evaluation Period is precisely the type of bad faith conduct with which the Court expressed concern, and which permits the Debtors to recover damages in excess of Section 11.1 of the APA.

If SGM has a proposal that it wishes the Debtors to consider, it should send that proposal immediately. Be advised that the Debtors will proceed down another path unless SGM (i) provides a meaningful, actionable offer, and (ii) demonstrates the financial ability to perform (the failure of either condition would be fatal).

We will be sending you a revised confidentiality stipulation shortly.

**Subject:** Verity | Weekly KPC/Verity Transaction Committee Call

**[External Sender]**

Sonia; a checklist call is scheduled for 10:00 today.

As you are aware, SGM is not closing the sale reflected in the APA today. SGM disputes that the notice to close set forth in Sam's letter of November 20, 2019 was effective or consistent with the APA and, notwithstanding Judge Robles order of November 27, which is now on appeal, SGM is under no contractual obligation to close today. Indeed, Verity is not, itself, prepared to close the sale today or to provide the "deliverables" and complete all of the processes necessary for closing.

Notwithstanding the foregoing, SGM has been requesting an opportunity to meet and confer with Verity and other stakeholders to attempt to resolve the disputes that have so far prevented the parties from proceeding to a closing in an organized fashion and consistent with the APA. SGM requested mediation and Verity rejected that request. SGM requested a meeting, which would be governed by applicable privileges, and Verity rejected that request. SGM submitted a proposed confidentiality stipulation to Verity yesterday, made every change that you requested, submitted a draft order to you as requested, and then was advised that Verity refused to meet and confer unless SGM first provided a proposal and financial information, not protected by any privilege.

It is apparent from your litany of threatening letters and rejection of any opportunity to salvage this transaction, that Verity has elected to attempt to force SGM into a position of breach and will pursue litigation, as opposed to participating in a process that might save the hospitals, protect the patients and avoid terminating thousands of employees.

The scheduled "checklist" call for today is clearly a sham, designed to create the appearance, although not legitimate, that Verity is still pursuing a transaction which Verity has now chosen to forego, and to attempt to obtain information for use in the eventual litigation. Accordingly, SGM sees no useful purpose in participating in such a call.

**From:** Martin, Sonia R.  
**Sent:** Thursday, December 05, 2019 10:17 AM  
**To:** 'Gary E. Klausner'  
**Cc:** Maizel, Samuel R.; Moyron, Tania M.; Montgomery, Claude D.  
**Subject:** In re Verity Health System of California, et al., Case No. 2:18-bk-20151-ER

Gary,

SGM still has not responded to the Debtors' request that it confirm whether it has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction in accordance with the APA, i.e., for a purchase price of \$610 million. This includes, but is not limited to, confirmation that the representations set forth in the December 3, 2018 letter issued by Kevin R. Farrenkopf, President and CEO of The Bank of Hemet, and the December 4, 2018 email from William Thomas are still accurate, and that the funds referenced in those communications remain available for use in December 2019 in connection with this transaction. These are simple and direct questions that must be answered under the APA.

SGM cannot hide behind the charade of an "Evaluation Period" any longer. It is becoming increasingly clear that SGM does not have the financial ability to perform under the APA, and may never have had that ability. This is in direct contravention to the representation, warranty and covenant set forth in APA Section 3.9:

3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

By failing to respond to the Debtors' direct questions regarding SGM's financial ability (or lack thereof), and while still purporting to "reserve rights" under the APA, you and your clients are continuing to engage in bad faith conduct at the expense of the Debtors, as well as their patients, employees and creditors. As the Court aptly observed in its November 29, 2019 Order:

SGM's contention that it is not obligated to close is a cynical attempt to extract a better purchase price. A key component of SGM's negotiation strategy is its attempt to delay as long as possible the adjudication of its obligations under the APA. The Court will not facilitate SGM's dubious tactics.

\* \* \*

By presenting non-meritorious arguments as to why it is not obligated to close, SGM is holding the estates, creditors, and patients of the Hospitals hostage in an attempt to extort a better purchase price. SGM's cynical tactics are especially offensive given the significant harm that closure of the Hospitals would impose upon patients.

Nor are the Debtors willing to allow SGM to try to immunize itself with a nebulous "mediation agreement." The information the Debtors have requested is squarely within the scope of the APA, and the Debtors are entitled to answers under the APA and without confidentiality. The Debtors will not enter any agreement that SGM might try to use to shield the financial information we have requested. The Debtors must have the ability to promptly disclose and

act on such information in order to make critical decisions impacting the Hospitals and alternative plans for disposition of the assets. You have made it clear that the Debtors must seek the Court's immediate intervention with these issues.

As to any settlement proposal that SGM wishes to make, the protections of Rule 408 should suffice and SGM should transmit any such proposal without further delay. That said, we are continuing to discuss the proposed stipulation with the Debtors and their advisors, and will revert on that issue separately.

Re: In re Verity Health Systems of California, Inc., et al., Debtors (“Verity”)  
Sale to Strategic Global Management, Inc. (“SGM”)

Dear Sam:

The purpose of this letter is to notify Verity that Verity is in material default with respect to the Asset Purchase Agreement, which was filed with the Court on May 2, 2019 (Doc 2305) and that SGM is demanding that the immediate return of its deposit of \$30 Million, with all interest earned thereon.

The Closing Condition in Section 8.7 Was Not and Continues to be Unsatisfied

Section 8.7 of the APA creates a closing condition, as follows:

“8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services (“CMS”) and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services (“DHCS”), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers’ Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal; provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposed of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.”

Notwithstanding the fact that Verity had not complied with APA section 8.7, on November 20, 2019, Verity sent SGM, through counsel, a demand for a closing of the APA transaction on or before December 5, 2019 (herein the “Closing Demand”) In your letter of November 20, 2019, you stated:

Samuel R. Maizel  
December 5, 2019  
Page 2

“Yesterday, as we notified you, that the Debtors reached a settlement agreement the United States on behalf of the Department of Health and Human Services and the Centers for Medicare and Medicaid Services, allowing for the transfer of the Medicare Provider Agreement without successor liability. Consequently, SGM must close this transaction promptly, but no later than ten (10) business days from yesterday, or December 5, 2019, because all conditions to closing are satisfied. See APA § 1.3”. (Emphasis Added.)

Your representation that “all conditions to closing are satisfied” was false. As we now know (and there is no dispute) as of November 20, 2019, Verity had not complied with the condition set forth in 8.7 because, *inter alia*, Verity had not, as of November 20, 2019, entered into a settlement agreement with DHCS which resulted in: (1) resolution of all outstanding financial defaults under any of Verity’s Medi-Cal Provider Agreements, and (2) full satisfaction, discharge and release of any claims under the Medi-Cal Provider Agreements, whether known or unknown that DHCS had against the seller or purchaser.

Indeed, as you acknowledged to the Court, at the hearing on November 26, 2019, Verity had not, even as of that hearing date, entered into a settlement agreement with DHCS. Nor, had Verity entered into such a settlement agreement, as of December 5, 2019, the time Verity set for closing.

Accordingly, Verity failed, as of the date and time which Verity set for closing, to satisfy the condition set forth in § 8.7 of the APA and, was and continues to be in material default.

Neither The Sale Order entered May 2, 2019, nor the Order Authorizing the Transfer of the Medi-Cal Provider Agreement, entered October 11, 2019, satisfies the Condition in Section 8.7.

On November 25, 2019, in recognition that Verity had failed to reach an agreement with DHCS, you sent me an email in which you contended that no such agreement was necessary; notwithstanding the clear and unambiguous language of § 8.7. Your contention was based on the theory that the Bankruptcy Court’s Order, entered on May 2, 2019, authorizing the sale to SGM, satisfied the requirements of § 8.7 because the sale generally provided for it to be free and clear. However, as you well know, DHCS had objected to the sale and, to accommodate that objection, Verity agreed, and the Sale Order so provided, for DHCS to reserve all of its rights pertaining to the assumption of the Medi-Cal Provider Agreements. The Sale Order addressed the objection that DHCS had filed to the proposed transfer of the Medi-Cal Provider Agreements, in part, as follows:

Samuel R. Maizel  
December 5, 2019  
Page 3

“Nothing in this Sale Order shall apply to Medical Provider Agreements until and unless there is a court order approving a settlement between the Debtors and the DHCS or a court order resolving the DHCS’s objection” (Doc. 2306 at 25 l. 6-8).  
(Emphasis added.)

Consistent with that reservation and the need to resolve all issues regarding assumption and assignment of the Medi-Cal provider agreement, including the issue of recoupment, Verity filed its Reply Brief (Doc 3043) on September 18, 2019 seeking an order, which was necessary to satisfy its obligation under § 8.7 with respect to the transfer of the Medi-Cal Provider Agreement.

In the Court’s Memorandum of Decision, issued on September 26, 2019 the Court expressly referred to § 8.7 and the necessity for Verity to obtain an order in compliance with that section as a condition to closing.

The Asset Purchase Agreement (the “APA”) [Doc. No. 2305-1] which governs the sale of the Hospitals to SGM, provides that the sale cannot close unless issues regarding alleged financial defaults existing under each Provider Agreement have been resolved” (Doc. No. 3146 at 3, citing to footnote 5, which states: APA at par. 8.7)

Even more significantly, in the Bankruptcy Court’s Order granting the relief requested by Verity, which was entered on October 11, 2019, the Court deleted the word “recoup” from the section providing for a transfer “free and clear”, and the Court expressly stated that it was reserving the issue of DHCS’s right to recoup for future adjudication.

Provided, however, that nothing in this paragraph shall be construed to limit whatever rights DHCS may or may not have to withhold, under principles of equitable recoupment, payments owed by DHCS to the Debtors and or the SGM Buyers, for the purpose of recovering alleged Pre-Transfer Effective Date Liabilities under or related to the Medi-Cal Program and/or HCAF Program.” (Doc. 3372 at 4:7-10, 16-20).

Not only does the Court’s reservation of the recoupment issue render any argument regarding the effect of either that order or the Sale Order completely meritless, but whatever benefit that might have been achieved by the Court’s October 11, 2019 Order has been nullified by the fact that the DHCS has appealed it to the U.S. District Court and that appeal has not been adjudicated.

L N B Y & B

Samuel R. Maizel  
December 5, 2019  
Page 4

While we do not concede that the condition in § 8.7 could have been satisfied by a court order, as opposed to a “settlement agreement”, even if Verity could have sought an order from the Bankruptcy Court resolving the recoupment issue, Verity chose not to do so.

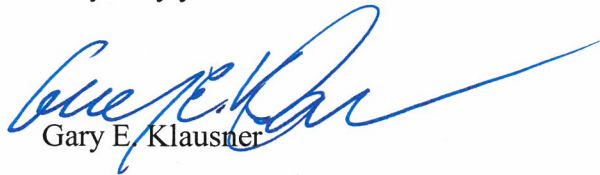

Despite the fact that Verity was required to satisfy the section 8.7 condition by a “settlement agreement”, no such settlement agreement existed as of November 20, 2019, the date of the Closing Demand and the representation that “all conditions of closing are satisfied”. Thus, the demand was improper that statement constituted a material misrepresentation as of that date. Nor was any such agreement reached prior to the date and time, which Verity set, for closing of the APA on December 5, 2019.

As a consequence of the foregoing, Verity improperly and knowingly misrepresented the status of conditions to closing in your letter of November 20, 2019. In reality, all conditions to closing had not been satisfied and remained unsatisfied as of the date and time that Verity set for closing.

The foregoing is by no means the sum-total of all Verity’s material defaults and failed conditions relating to the APA. However, because the issue raised here regarding § 8.7 and the Debtor’s failure to comply with its requirements relating to the Medi-Cal Provider Agreements are factually and legally indisputable, SGM need not present or prove any other basis to establish Verity’s material default.

Based upon the foregoing, and pursuant to § 11.2 of the APA, SGM hereby demands the immediate return of its deposit in the amount of \$30 Million, plus all interest earned thereon.

Very truly yours

Gary E. Klausner

EXHIBIT EE

18201511912090000000000008

The Court has reviewed the *Debtors' Emergency Motion for (I) Issuance of an Order to Show Cause Why Strategic Global Management, Inc. Failed to Close the Sale Transaction by December 5, 2019; and (II) Entry of an Order Enforcing Prior Court Orders Requiring Strategic Global Management, Inc. to Close the Sale Transaction by December 5, 2019* (the "Application for OSC") [Doc. No. 3373]. Pursuant to Federal Rule of Civil Procedure 78(b) and Local Bankruptcy Rule 9013-1(j), this matter is suitable for disposition without oral argument. For the reasons set forth below, the Application for OSC is **DENIED**.

## I. Background

On November 27, 2019, the Court issued a *Memorandum of Decision Finding that SGM is Obligated to Close the SGM Sale By No Later than December 5, 2019* (the "Closing Memorandum") [Doc. No. 3723] and an accompanying *Order (1) Finding that SGM is Obligated to Close the SGM Sale By No Later than December 5, 2019 and (2) Setting Continued Hearing on Debtors' Motion for Approval of Disclosure Statement* (the "Closing Order") [Doc. No. 3724]. The Closing Order provided in relevant part: "Pursuant to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019." Closing Order at ¶ 1.

SGM<sup>1</sup> did not close the SGM Sale by December 5, 2019. The Debtors move for issuance of an order requiring SGM's principals, Chairman Kali Pradip Chaudhuri, MD, Chief Executive Officer Peter Baranoff, and General Counsel William Thomas, to appear and testify as to (1) why SGM did not close the SGM Sale by December 5, 2019 and (2) whether SGM has the financial ability to close the SGM Sale. The Debtors further request issuance of an order finding that: (1) SGM is in material breach of the APA by failing to close the SGM Sale on December 5, 2019, (2) the Debtors may retain SGM's \$30 million good-faith deposit, and (3) the Debtors may proceed with alternative plans to dispose of the Hospitals.

## II. Findings and Conclusions

Requiring SGM's representatives to testify as to SGM's reasons for not closing the SGM Sale would not increase the likelihood of the sale actually closing. By failing to close, SGM risks the loss of its \$30 million good-faith deposit as well as the possibility of damages for breach of contract in an amount of up to \$60 million.<sup>2</sup> Being compelled to offer testimony will not motivate SGM to close where the threat of the loss of up to \$90 million has failed to accomplish that end. In the future, the Debtors will have the opportunity to litigate the issues of whether SGM has breached the APA and whether the Debtors are entitled to retain SGM's good-faith deposit. In the meantime, the Debtors' efforts would be better spent ensuring the health and safety of the patients at the affected Hospitals.

The prompt closing of the SGM Sale would be in the best interests of all constituents in these cases, and the Court remains hopeful that SGM will fulfill its obligation to close. However, the estates' precarious cash position requires that the Debtors have the ability to immediately explore options for the alternative disposition of the Hospitals. The Court finds that any efforts undertaken by the Debtors with respect to the alternative disposition of the Hospitals will not violate the Debtors' obligation under Article 12.1 of the APA to cooperate with SGM to

26 Medical Center (“St. Francis”), Seton Medical Center (“Seton,” and together with St Francis and St.

Kali P. Chaudhuri, M.D., Strategic Global Management, Inc., KPC Healthcare Holdings, Inc., KPC  
Health Plan Holdings, Inc., KPC Healthcare, Inc., and KPC Global Management, LLC (the foregoing  
also doing business as the KPC Group), and DOES 1 through 500 (collectively, “Defendants”), allege  
as follows:

**PRELIMINARY STATEMENT**

This case arises from breach of contract and intentional, misleading conduct by Defendants designed to wrongfully and fraudulently lock Plaintiffs into that certain asset purchase agreement (the “APA”)<sup>1</sup> for the sale of four hospitals under the auspices of a Bankruptcy Court order, with which Defendants had no intention of complying. The Debtors expended tremendous human resources, time and effort with respect to the sale, while incurring significant additional expense performing under the APA and diligently preparing for a closing of the sale for nearly a year. During that time, the Plaintiffs suffered and were encouraged to sustain daily operating losses of \$450,000. Once all contingencies precedent to close under the APA were satisfied, waived or passed, Defendants repeatedly defaulted under the APA and refused to close the sale, levied factually meritless and legally irrelevant accusations against Plaintiffs, and sought to coerce Plaintiffs into a re-trade at a substantially lower purchase price. Along the way, Defendants also violated the Bankruptcy Court’s orders requiring them to close the sale and failed to even file a motion for stay of the orders before violating each of them.

Plaintiffs are informed and believe that Defendants had demanded conditions precedent to close the APA that Defendants had concluded imposed conditions that the Plaintiffs could never satisfy, irrespective of whether they were necessary. In particular, it now appears that Defendants never anticipated that Plaintiffs would obtain agreement from the Attorney General of California not to impose conditions on the sale transaction that materially differed from the conditions SGM developed and agreed to in Section 8.6 and Schedule 8.6 of the APA. Rather, Defendants believed they would never be obligated to pay the full purchase price (comprised of a cash payment \$610 million, plus cure costs and assumption of liabilities) and instead concluded they would eventually be positioned to either walk away from the transaction or coerce the Plaintiffs into a re-trade at a significantly lower purchase price. In the meantime, Plaintiffs were obligated to continue operating the Plaintiff Hospitals at significant losses and were precluded from attempting to sell the Plaintiff Hospitals to anyone other than SGM.

Defendants’ conduct was calculated, intentional, fraudulent and callous, designed to take

1 advantage of the Plaintiffs' good faith desire to ensure that the hospitals were sold to a purchaser who  
2 would keep them open, in order to continue providing critical access to health care in low income  
3 communities and jobs to thousands of employees. Defendants must be held accountable for the  
4 substantial damage they have caused to the Plaintiffs, the Hospitals, and their estates.

6 **JURISDICTION AND VENUE**

7 1. The Bankruptcy Court has jurisdiction over this adversary proceeding (the "Action"),  
8 pursuant to 28 U.S.C. §§ 157 and 1334.

9 2. The Action is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (M), (N), and (O).

10 3. The Action concerns an asset purchase agreement (defined as the APA below) executed  
11 by SGM, which states, in relevant part, as follows:

12 12.3 Governing Law; Venue. This Agreement shall be construed,  
13 performed, and enforced in accordance with, and governed by, the laws  
14 of the State of California (without giving effect to the principles of  
15 conflicts of laws thereof), except to the extent that the laws of such State  
16 are superseded by the Bankruptcy Code or other applicable federal law.  
17 For so long as Sellers are subject to the jurisdiction of the Bankruptcy  
18 Court, the parties irrevocably elect, as the sole judicial forum for the  
19 adjudication of any matters arising under or in connection with the  
20 Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy  
21 Court. The parties hereby consent to the jurisdiction of such court and  
22 waive their right to challenge any proceeding involving or relating to this  
23 Agreement on the basis of lack of jurisdiction over the Person or forum  
24 non conveniens.

25 4. Venue is proper pursuant to 28 U.S.C. § 1409 because the Action arises in, and is related  
26 to, the above captioned bankruptcy cases (the "Bankruptcy Cases") pending in the United States  
27 Bankruptcy Court of the Central District of California, Los Angeles Division (the "Bankruptcy Court").

28 5. Plaintiffs consent to the entry of final orders or judgments by the Bankruptcy Court even  
if it is determined that, absent consent of the parties, the Bankruptcy Court cannot enter final orders or  
judgments in this proceeding.

Alter Ego Allegations

18. At all relevant times, as alleged more fully herein, each Defendant acted as an agent, servant, employee, co-conspirator, alter-ego and/or joint venturer of the other Defendants, and in doing the things alleged herein acted within the course and scope of such agency, employment, alter-ego

1 and/or in furtherance of the joint venture. Each of the Defendant's acts alleged herein was done with  
2 the permission and consent of each of the other Defendants.

3 19. Plaintiffs are informed and believe that, at all times relevant hereto, Defendants  
4 Chaudhuri and KPC were the alter egos of Defendant SGM, and there exists, and at all times herein  
5 mentioned has existed, a unity of interest and ownership between Defendants such that any separateness  
6 between them has ceased to exist in that Defendants Chaudhuri and KPC completely controlled,  
7 dominated, managed, and operated SGM to suit their convenience. Defendants operated as a single  
8 enterprise and should be treated as such.

9 20. Specifically, without limitation and discussed below, Plaintiffs are informed and believe  
10 that Defendants Chaudhuri and KPC: (1) controlled the business and affairs of SGM, including any and  
11 all of their affiliates; (2) disregarded legal formalities and failed to maintain arm's length relationships  
12 among the corporate entities; (3) inadequately capitalized SGM; (4) used the same office or business  
13 location and employed the same employees for the corporate entities; (5) held Chaudhuri himself out as  
14 personally liable for the debts of the corporate entities; (6) used the corporate entities as a mere shells,  
15 instrumentalities or conduits for Chaudhuri and/or his individual businesses; (7) manipulated the assets  
16 and liabilities between the corporate entities so as to concentrate the assets in one and the liabilities in  
17 another; (8) used corporate entities to conceal their ownership, management and financial interests  
18 and/or personal business activities; and/or (9) used the corporate entities to shield against personal  
19 obligations, and in particular the obligations as alleged in this Complaint.

20 21. At all times relevant thereto, Defendant SGM was not only influenced and governed by  
21 Defendants Chaudhuri and KPC, but there was such a unity of interest and ownership that the  
22 individuality, or separateness, of SGM, Chaudhuri and KPC has ceased. Defendants acted inequitably,  
23 such that adherence to the fiction of the separate existence of these entities and failure to recognize  
24 Defendants as alter egos of one another would, under these particular circumstances, sanction a fraud  
25 or promote injustice. Defendants on their website and in their public statements characterize themselves  
26 as a single enterprise and call themselves "The KPC Group." The KPC Group may include other entities  
27 and persons.

22. Plaintiffs are ignorant of the true names or capacities of the defendants sued under the fictitious names Does 1 through 500, inclusive. Plaintiffs will amend this Complaint to allege the true names and capacities of these Does when they have been ascertained. Plaintiffs are informed and believe that each of the defendants designated as a Doe is responsible in some manner for the events and happenings herein alleged.

Agency; Aiding and Abetting; and Conspiracy

23. At all times relevant to this Complaint, Defendants, and each of them, were acting as the agents, employees, and/or representatives of each other, and were acting within the course and scope of their agency and employment with the full knowledge, consent, permission, authorization, and ratification, either express or implied, of each of the other Defendants in performing the acts alleged in this Complaint.

24. As members of the conspiracies alleged more fully below, each of the Defendants participated and acted with or in furtherance of said conspiracy, or aided or assisted in carrying out the purposes of the conspiracy, and have performed acts and made statements in furtherance of the conspiracy and other violations of California and other applicable law.

25. Each Defendant acted both individually and in alignment with the other Defendants with full knowledge of their respective wrongful conduct. As such, Defendants conspired together, building upon each other's wrongdoing, in order to accomplish the acts set forth in this Complaint.

26. Defendants are individually sued as principals, participants, aiders and abettors, and co-conspirators in the wrongful conduct complained of and the liability of each arises from the fact that each has engaged in all or part of the improper acts, plans, schemes, conspiracies, or transactions complained of herein.

**FACTUAL BACKGROUND**

**A. The Hospitals**

27. As of August 31, 2018 (the "Petition Date"), VHS and its affiliated entities (collectively, the "Verity Health System"), including St. Vincent, St. Francis, and Seton, operated as an integrated nonprofit health care system, with approximately 1,680 inpatient beds, six active emergency rooms, a

1 trauma center, eleven medical office buildings, and a host of medical specialties, including tertiary and  
2 quaternary care.

3 28. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate  
4 member of five Debtor California nonprofit public benefit corporations, including (i) two that operated  
5 O'Connor Hospital and Saint Louise Regional Hospital before they were sold to the County of Santa  
6 Clara, and (ii) three that operate the Plaintiff Hospitals.

7 29. St. Francis owns real property commonly known as: (i) 3630 E. Imperial Highway  
8 Lynwood, CA 90262, including the patient tower and all of the facilities thereon; (ii) 2700 E. Slauson  
9 Ave, Huntington Park, CA 90255, and the Huntington Park Medical Office Building thereon; and  
10 (iii) 5953 S. Atlantic Blvd., Maywood, CA 90270, and the Maywood Medical Office Building thereon.

11 30. St. Francis: (i) operates a 384 licensed bed, general acute care hospital located at 3630  
12 East Imperial Highway in Lynwood, California; (ii) has an emergency department with 46 licensed  
13 emergency treatment stations and is designated a Level II Trauma Center; (iii) has nine surgical  
14 operating rooms and three cardiac catheterization labs for inpatient and outpatient cardiac  
15 catheterization services; (iv) offers a comprehensive range of services, including emergency and trauma  
16 care, neonatal intensive, cardiovascular, oncology, pediatrics, behavioral health, and maternity and child  
17 services; and (v) offers various outpatient services, including ambulatory surgical services, laboratory  
18 services, imaging services, infusion therapy, nuclear medicine services, respiratory therapy, and  
19 physical therapy. Other outpatient services are provided at the following clinics: Orthopedics Clinic,  
20 Wound Care Clinic, Industrial Clinic, Lynwood Clinic, Downey Clinic, and Huntington Park Clinic.  
21 St. Francis is accredited by The Joint Commission.

22 31. As of the Petition Date, St. Francis employed approximately 2,017 employees, of which  
23 1,583 were full-time, 136 were part time, and 298 were per diem. St. Francis was incorporated in 1983  
24 and is governed by a Board of Trustees.

25 32. St. Vincent owns real property commonly known as: (i) 2131 W 3rd Street, Los Angeles,  
26 CA 90057, including the hospital and all of the facilities located thereon; and (ii) vacant land in Salton  
27 Sea, California. St. Vincent was founded as the first hospital in Los Angeles in 1856. In 1971, a new  
28 facility was constructed at St. Vincent's current location at 2131 West Third Street, Los Angeles, CA

90057. It has expanded to a 366 licensed bed, regional acute care, tertiary referral facility, specializing in cardiac care, cancer care, total joint and spine care, and multi-organ transplant services. St. Vincent serves both local residents and residents from Los Angeles, San Bernardino, Riverside, and Orange Counties. As a provider of healthcare services for a high percentage of elderly patients, many of the St. Vincent Medical Center's services and programs are focused on the treatment of various chronic diseases.

33. As of the Petition Date, St. Vincent employed approximately 1,099 employees, of which 897 were full-time, 42 were part time and 160 were per diem.

34. Seton operates two distinct medical facilities: Seton Medical Center and Seton Medical Center Coastside. The Seton Medical Center and Seton Medical Center Coastside locations share a consolidated license. Seton Medical Center owns (i) real property commonly known as 1900 Sullivan Avenue, Daly City, CA 94015, and the hospital and the facilities thereon (the "Daly Property"), and (ii) an employee parking lot on the Daly Property. Seton Medical Center was originally founded as Mary's Help Hospital by the Daughters of Charity of St. Vincent De Paul in 1893. The original facility was destroyed in the San Francisco Earthquake of 1906, and by 1912, Mary's Help Hospital reopened a new facility in San Francisco. In 1965, the hospital was moved to its current location at 1900 Sullivan Avenue in Daly City. The hospital was renamed Seton Medical Center in 1983, is currently licensed for 357 beds and serves residents from San Francisco and San Mateo areas. Seton has an emergency department with 18 licensed treatment stations. It also has 13 surgical operating rooms and three cardiac catheterization labs. Of the hospital's 83 licensed skilled nursing beds, 39 are in suspense, and the remaining 44 beds are utilized as subacute care beds. Additionally, the hospital has 24 licensed acute psychiatric beds which have been placed in suspense. The hospital has a broad spectrum of medical services, including cancer, cardiac, emergency, surgical, rehabilitation, respiratory, orthopedic, and sub-acute care. The hospital is accredited by The Joint Commission.

35. Seton also operates a location doing business as Seton Medical Center Coastside ("Seton Coastside") located at 600 Marine Blvd, Moss Beach, CA 94038. Seton Coastside is not a separate legal entity from Seton Medical Center. Seton Coastside was founded as Moss Beach Rehabilitation Hospital in 1970. In 1980, the City of Half Moon Bay acquired ownership of the hospital and signed

an agreement for Daughters of Charity to manage operations of the hospital and rename it St. Catherine’s Hospital. In 1993, St. Catherine’s Hospital became Seton Coastsides when it became integrated with Seton Medical Center. Today, Seton Coastsides is licensed for 116 skilled nursing beds and five general, acute-care beds. Seton Coastsides also operates the only 24-hour “standby” Emergency Department along the 55-mile stretch between Santa Cruz and Daly City. Under a consolidated license, Seton Medical Center and Seton Coastsides share the same Board of Directors, executive leadership team, charity care policies, and union collective bargaining agreements.

36. As of the Petition Date, Seton Medical Center and Seton Coastsides employed approximately 1,340 employees, of which 516 were full-time, 551 were part time and 273 were per diem.

37. The Plaintiff Hospitals have been operating and serving their communities for many decades. Since 1995, the Plaintiff Hospitals have incurred substantial operating losses. Efforts were made over many years to find a solution which would resolve the operating losses, either through a sale of some or all of the Plaintiff Hospitals, or a merger with a more financially sound partner. Despite continuous efforts to improve operations, operating losses continued to plague the health system due to, among other things, mounting labor costs, low reimbursement rates and the ever-changing healthcare landscape.

**B. The Bankruptcy Cases**

38. On the Petition Date, the Debtors and certain related entities filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”).<sup>2</sup> The Bankruptcy Cases are jointly administered under Lead Case No. 2:18-bk-20151-ER [Docket No. 17].

39. In connection with the Bankruptcy Cases, the Debtors initiated a process to sell substantially all of their assets. To that end, the Debtors’ investment banker, Cain Brothers, a division of KeyBanc Capital Markets (“Cain”), prepared a Confidential Investment Memorandum (the “CIM”) and organized an online data site to share information with potential buyers, and contacted over 110

1 strategic and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction  
2 regarding the Debtors.

3 40. By August 2018, as a result of its ongoing and broad marketing process, Cain had  
4 received 11 Indications of Interest (“IOI”). Postpetition Cain continued to market the assets. Each  
5 potential buyer was given access to the data room and conducted its due diligence. Upon request, the  
6 Debtors provided each interested party with tours of the facilities and the opportunity to discuss  
7 operations with senior leadership. The Debtors, in consultation with Cain and its other advisors, selected  
8 SGM to be the stalking-horse bidder based on its offer to acquire the Purchased Assets for a purchase  
9 price (the “Purchase Price”) that consisted of a cash payment in the amount \$610,000,000, plus  
10 assumption of certain liabilities, and payment of cure costs associated with any assumed leases,  
11 contracts and assumption of other obligations. *See* APA, Section 1.1. The Debtors selected SGM in  
12 reliance on Defendants’ representations and inducements.

13 41. The SGM offer, dated August 13, 2018, was issued on letterhead that included the KPC  
14 logo. The offer letter stated in relevant part as follows:

15 Strategic Global Management, Inc. (“SGM” or “Strategic”) is a venture  
16 company used to acquire assets and businesses, through companies which  
17 are affiliated or associated (through common ownership and otherwise)  
18 with SGM, but which are not subsidiaries of SGM. SGM and its  
19 associated and affiliated companies (collectively, the “SGM Companies”) currently own, operate and/or manage several healthcare companies, including seven hospitals in Riverside, San Bernardino and Orange County, California. The SGM Companies also own and operate various ancillary providers, including without limitation, skilled nursing facilities, recovery centers, rehabilitation centers, diagnostic companies, surgery centers, urgent care and home health providers and others. In addition, SGM is affiliated with three medical groups and one IPA providing care to over 85,000 commercial equivalent members in Southern California. The SGM Companies also operate a medical college, nursing college and nutritional college and related operations in India.

20 Consistent with the manner in which the SGM has structured other  
21 acquisitions and consistent with lender requirements for special purpose  
22 borrowing entities, SGM would cause this proposed acquisition to be  
23 accomplished through one or more special purpose acquisition entities,  
24 which would be fully and adequately funded.

25 Hospitals affiliated with SGM (“SGM Hospitals”) include the following:

26 Victor Valley Global Medical Center (“VVGMC”) is a safety net provider  
27 located in Victorville. It is one of the largest providers of Medi-Cal  
28

1 Managed Care through an Inland Empire Health Plan (“IEHP”) contract  
2 in the High Desert. It was acquired from a non-profit out of bankruptcy  
3 in 2012. It has faithfully satisfied all of the Attorney General’s five-year  
4 conditions for approval of the transaction.

5 Physicians for Healthy Hospitals (“PHH”) acquired Hemet Valley  
6 Medical Center and Meniffee Valley Medical Center, as well as a skilled  
7 nursing facility, Hemet Valley Recovery Center, and a nationally  
8 respected inpatient and outpatient chemical dependency center, Hemet  
9 Valley Recovery Center and Sage Retreat, from Valley Health System, a  
10 district hospital system, out of bankruptcy in 2010.

11 KPC Healthcare, Inc. (“KPC Health”) owns and, through subsidiaries,  
12 operates Anaheim Global Medical Center (“Anaheim”), Chapman Global  
13 Medical Center (“Chapman”), Orange County Global Medical Center  
14 (“OC”) and South Coast Global Medical Center “South Coast”), which  
15 are all safety net providers. Orange County Global Medical Center is a  
16 key Level II Trauma center located in central Orange County. All four  
17 facilities have contracts for Medi-Cal Managed Care through a Cal-  
18 OPTIMA contract. Pursuant to contracts with the County of Orange,  
19 Anaheim is the primary provider of behavioral health services and  
20 correctional health services for the County.

21 We are proud of the SGM Hospitals’ accomplishments under SGM’s  
22 stewardship. Some of the key accomplishments are as follows:

- 23 • All SGM Hospitals service large economically depressed  
24 populations with significant medical needs.
- 25 • All SGM hospitals were in danger of closing if SGM did not  
26 assume ownership.
- 27 • When VVGMC was acquired out of bankruptcy in 2012, many of  
28 its services were closed or suspended. In the first year of SGM operations,  
the laboratory that was closed by CLIA was reopened for all services,  
including microbiology and is fully accredited. The diagnostic cardiac  
catheterization lab was taken out of suspension and new modifications are  
being done to bring it up to standards for interventional work. The NICU  
and GI laboratory were taken out of suspension and reopened.
- VVGMC received full Joint Commission accreditation for the  
first time in 2014. It currently also maintains accreditation through the  
Health Facilities Accreditation Program. It is the only facility in the High  
Desert that is dual accredited.
- VVGMC financial performance has improved from a pre-  
acquisition monthly loss of \$500,000 to positive EBITDA within six  
months.
- VVGMC is the largest Medi-Cal provider in the High Desert area  
and the largest provider for IEHP.
- The PHH facilities, which pre-acquisition had annual losses in  
excess of \$6,000,000, have generated positive EBITDA since their  
acquisition.

- KPC Health has been sold to an Employee Stock Ownership Plan (“ESOP”) and now operates for the benefit of its employees but remains managed by SGM affiliates under a long-term agreement. The KPC Health facilities have been consistently profitable under SGM management.

42. On December 3, 2018, Mr. Thomas provided to James Moloney of Cain a letter regarding the asserted availability of certain liquidity (the “Letter”) from Chaudhuri. [REDACTED]

[REDACTED]

43. On December 14, 2018, a meeting was held between numerous representatives of “KPC Group,” including, but not limited to, Chaudhuri and Peter Baronoff, Verity’s CEO Richard Adcock, and the Debtors’ investment bankers, James Moloney and Carsten Beith of Cain, to discuss St. Francis, St. Vincent, Seton, Seton Coastside, and Defendants’ proposal to acquire them.

44. The Debtors, in consultation with Cain and its other advisors, selected SGM to serve as the stalking-horse bidder based on its offer to acquire the Hospitals at the Purchase Price. On January 8, 2019, SGM executed the APA to acquire the Plaintiff Hospitals and related assets for the Purchase Price.

45. If Defendants had indicated that they were not serious about closing, or would not be able to close the Sale transaction in accordance with the APA at the Purchase Price, then Plaintiffs would have pursued other options for the sale and disposition of these assets and reduced ongoing operational losses.

46. The APA is incorporated herein by reference. The APA provided, in relevant part, as follows:

**C. The SGM Sale**

47. On January 17, 2019, the Debtors filed the Debtors' *Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and For Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances (the "Sale and Bidding Procedures Motion")* [Docket No. 1279].

48. On February 6, 2019, the Bankruptcy Court held a hearing on the approval of the APA. During that hearing, Gary Klausner, counsel for SGM, stated on the record to the Bankruptcy Court:

[L]et me tell you a little bit about Strategic Global, which is an affiliate of a larger organization called The KPC Group.

Starting in 2007 I was representing an entity called Valley Health System, which was a healthcare district, in a Chapter 9 case that was in Riverside County in front of Judge Peter Carroll. During the course of that case, the board of trustees decided that the best course of action to take was for the district to sell the three hospitals it was then operating.

So, we went through a sale process, and an entity that's affiliated with KPC called PHH, was Physicians for Healthy Hospitals, was the successful bidder. We had a contested confirmation hearing where there was a competing bidder who was arguing against our plan and against the sale. Ultimately, Judge Carroll approved our Chapter 9 plan of adjustment and he approved the sale.

PHH, the affiliate of the KPC Group, then went ahead and closed the sale, and has continued to operate those facilities and has turned them around successfully.

I also had occasion to work with the KPC people in connection with the Victor Valley Chapter 11 case, in which Mr. Maizel was debtor's counsel. I represented the KPC Group that was a purchaser. And in that case, there was another purchaser there. The sale went up for approval to the Attorney General. The Attorney General turned them down. We were then the backup bidder. We stepped forward.

My client went ahead and closed that transaction. By the way, the Valley Health transaction was in excess of \$100,000,000. I don't remember the exact number of Victor Valley. But in that case, your Honor, our client did close that transaction. Our client was approved by the Attorney General. Our client successfully met all of the conditions that the Attorney General had set forth.

Our client also was involved in the purchase of two troubled Orange County hospitals, which it not only turned around, but in 2015, again, the affiliate of KPC Group, sold those hospitals to four employee stock ownership plans, ESOP's. And I believe it was the first acute care hospital system in the United States to be wholly owned by the employees. And KPC continues to operate those facilities.

The point of all this being, that our client is very familiar with not only the ownership and management of hospitals in Southern California, but has a very good track record with the Attorney General's office.

[Transcript of February 6, 2019 Hearing at 13:2-14:22.]

49. During the hearing on February 6, 2019, Mr. Klausner made clear that the purpose of the evaluation period (the “Evaluation Period”) under the APA was to prevent SGM from being required to close the sale if there was a risk that the Supplemental Sale Order could be overturned on appeal. SGM further admitted that it would be required to close the sale if the Supplemental Sale Order became final and nonappealable. Specifically, Mr. Klausner stated: “If the Debtor can get us a final, non-appealable order, meaning that if there’s an appeal, it gets resolved in the Debtor’s favor or maybe gets dismissed, at that point we will be obligated to close the transaction, as long as all the other conditions to closing have been satisfied.” [Transcript of February 6, 2019 Hearing at 20:7–21:6.]

50. On February 19, 2019, the Bankruptcy Court held a hearing on the Sale and Bidding Procedures Motion and certain changes to the APA were set forth on the record. Thereafter, the Bankruptcy Court entered an order approving the Sale and Bidding Procedures Motion (the “Bidding Procedures Order”) [Docket No. 1572]. Among other things, the Bankruptcy Court approved the APA, as amended, and SGM as the stalking-horse bidder, as set forth in the Bidding Procedures Order.

51. On March 11, 2019, Mr. Thomas sent an email to the Debtors’ investment banker, James Moloney of Cain, requesting permission to populate “KPC’s dataroom with Verity’s confidential information” in order to provide “KPC’s potential financing partners” with access to such information.

52. After the marketing process with respect to the Plaintiff Hospitals, there were two “Qualified Bidders” (as defined in the Bidding Procedures Order, Docket No. 1572) for partial bids for different Hospitals (one for St. Vincent and one for St. Francis) and no Qualified Full Bid. After consultation with the Consultation Parties (as defined in the Bidding Procedures Order), the Debtors determined to not conduct either a Partial Bid or Full Bid auction, as set forth in the *Notice That No Auction Shall Be Held Re Debtors’ Motion and Motion for the Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to Be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* [Docket No. 2053] filed

1 by the Debtors on April 4, 2019. Accordingly, under the terms of the APA and the Bidding Procedures  
2 Order, no auction was held and the Debtors declared SGM the “winning bidder” of the Plaintiff  
3 Hospitals.

4 53. On May 2, 2019, after briefing and a hearing, the Bankruptcy Court entered the *Order*  
5 *(A) Authorizing The Sale Of Certain Of The Debtors’ Assets To Strategic Global Management, Inc.*  
6 *Free And Clear Of Liens, Claims, Encumbrances, And Other Interests; (B) Approving The Assumption*  
7 *And Assignment Of An Unexpired Lease Related Thereto; And (C) Granting Related Relief* [Docket No.  
8 2306] (the “Sale Order”), approving the sale to SGM pursuant to the APA (the “SGM Sale”).

9 54. The Sale Order is incorporated herein by reference, and provides, in relevant part:

10 In accordance with the APA, concurrently with the Closing, SGM shall  
11 pay that portion of the Purchase Price due at Closing, by wire transfer of  
12 immediately available funds, to Debtors’ Escrow Deposit Accounts  
13 (defined below), subject to the adjustments set forth in the APA. Any  
14 direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent,  
15 the Prepetition Secured Creditors, and the Committee in advance of the  
16 Closing.

15 55. On May 17, 2019, Chaudhuri filed an Early Termination Notice with the Federal Trade  
16 Commission regarding the SGM Sale. The filing lists the “Acquiring Party” as “Kali P. Chaudhuri,  
17 trustee,” and the “Acquired Party” as “Verity Health System of California, Inc.”

18 56. Defendants thereafter described the SGM Sale on their websites as an acquisition by  
19 KPC and Chaudhuri. For example, kpcgroup.com describes the transaction as follows:

20 KPC Health, a Santa Ana, California-based healthcare company,  
21 announced Wednesday that **a federal bankruptcy judge approved the**  
22 **\$610 million purchase** of four hospitals owned by financially-troubled  
23 Verity Health System.

23 KPC Health will take ownership of St. Francis Medical Center, St.  
24 Vincent Medical Center, Seton Medical Center, and Seton Coastsides in  
25 Moss Beach. The company also acquired St. Vincent Dialysis Center as  
26 part of the deal. [. . .]

25 “Today marks an important milestone for KPC Health’s bid to acquire  
26 four Verity Health hospitals,” Dr. Kali P. Chaudhuri, chairman of KPC  
27 Health, said in a statement. “We look forward to working with Verity  
28 Health on a successful acquisition and welcoming these important  
community hospitals into our integrated healthcare system.”

1 The acquisition of four Verity Health hospitals adds to KPC Health's  
2 seven acute care hospitals in southern California as well as seven long-  
3 term acute care hospitals and two skilled nursing facilities in multiple  
4 states.<sup>3</sup>

57. Likewise, kpchealth.com states the following regarding the Sale:

5 KPC Group founder Kali Chaudhuri is attempting to do what a private  
6 capital firm, a nonprofit charity, and Los Angeles' wealthiest person  
7 couldn't—turn around a struggling regional hospital system.

8 The Business Journal reported last month that Chaudhuri's KPC planned  
9 to pay \$610 million to acquire assets of bankrupt Verity Holdings LLC, a  
10 Redwood City-based firm that owned four hospitals—including  
11 Lynwood's St. Francis Medical Center, a 384-bed trauma center in L.A.  
12 County—and a nursing facility.

13 Chaudhuri's plan to revitalize those facilities may be to give the unionized  
14 workers a chance to own part of the hospital, something he's done with  
15 other hospitals he turned around in Orange County.

16 "I came to America with \$8 in my pocket," Chaudhuri told the Business  
17 Journal. "The reason I work hard in America is because I own my own  
18 business, and our employees will work hard because they are owners."

19 The ownership plan for Verity won't immediately be available, as KPC  
20 will initially focus on restructuring.<sup>4</sup>

21 58. Plaintiffs are informed and believe that SGM had concluded that the APA imposed  
22 conditions that the Plaintiffs could never satisfy (i.e., conditions to closing). In particular, it now appears  
23 that SGM never anticipated the Debtors would obtain agreement from the Attorney General not to  
24 impose conditions on the sale transaction that materially differed from the conditions SGM developed  
25 and set forth in Section 8.6 and Schedule 8.6 of the APA. Accordingly, it now appears that SGM  
26 believed that it would never be obligated to pay the full Purchase Price under the APA, and instead  
27 believed that it would eventually be positioned to either walk away from the transaction or coerce the  
28 Debtors to submit to a significantly lower purchase price. In the meantime, Plaintiffs were obligated to  
continue operating the Plaintiff Hospitals at a daily estimated loss of \$450,000 and were precluded from  
attempting to sell the Plaintiff Hospitals to anyone other than SGM. Particularly egregious is

<sup>3</sup> <http://thekpcgroup.com/2019/04/20/kpc-wins-bid-for-verity-hospitals/>

<sup>4</sup> <http://kpchealth.com/kpc-chaudhuri-aims-for-kaizer-like-integration/>

Defendants' seeming belief that Plaintiffs would be forced to accept a lower purchase price because of Plaintiff's averred dedication to ensuring all Plaintiff Hospitals remained open and operating.

**D. Plaintiffs Devote Substantial Time and Resources In Reliance On The Sale.**

59. Plaintiffs expended tremendous time, expenses and resources to prepare for and close the SGM Sale in reliance on the APA and the Sale Order. Those efforts included but are by no means limited to the efforts described below.

60. Transfer of Operations. The transfer of operations for the Hospitals and related regulatory approval presents an enormous undertaking, and consumed thousands of hours on the part of Plaintiffs and their advisors. By way of example: (i) Plaintiffs sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988, at three different times, as KPC continued to postpone the "closing date"; (ii) thousands of counterparties to executory contracts and unexpired leases, including physicians, relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iii) Plaintiffs spent months facilitating an efficient close of the sale, with approximately 20 different workstreams, meeting at least weekly with employees of KPC to ensure a smooth transition of operations and continued care of patients; (iv) government agency personnel, including the California Department of Public Health and the Board of Pharmacy, diligently undertook to process SGM's change of ownership applications for licenses and permits in reliance on the finality of the Sale Order; (v) the Attorney General's office conducted a lengthy review process, including review of the Application (as defined below) and multiple hearings; (vi) Plaintiffs and each of their six unions spent months successfully negotiating and finalizing modified collective bargaining agreements; (vii) the medical groups affiliated with Plaintiffs sent termination notices to their remaining physicians; (viii) Plaintiffs coordinated changes in insurance coverages and insurance policies to ensure seamless coverage for employees and patients; and (ix) Plaintiffs created plans to shut off certain services after the close of the SGM Sale.

61. Chapter 11 Plan. On September 3, 2019, the Debtors filed the Debtors' Chapter 11 Plan of Liquidation (Dated September 3, 2019 [Docket No. 2993] (the "Plan")) and their related disclosure statement [Docket No. 2994] (the "Disclosure Statement"). As more fully described in the Disclosure

1 Statement, the Debtors' Plan provided for, among other things, deemed substantive consolidation and  
2 the distribution of proceeds from certain sale transactions, including the SGM Sale.

3 62. Cash Collateral Agreement. On September 6, 2019, the Court granted the Debtors'  
4 motion to use cash collateral [Docket No. 2962, 2968] and entered *the Final Order (A) Authorizing*  
5 *Continued Use of Cash Collateral, (B) Granting Adequate Protection, (C) Modifying Automatic Stay,*  
6 *and (D) Granting Related Relief* [Docket No. 3022] (the "Supplemental Cash Collateral Order"). The  
7 Supplemental Cash Collateral Order authorized the Debtors' consensual use of cash collateral pursuant  
8 to an agreement with certain of its secured lenders (the "Cash Collateral Agreement"). Pursuant to the  
9 Cash Collateral Agreement, the Debtors were obligated to meet certain milestones, including  
10 confirmation of the Debtors' plan by December 15, 2019 an effective date on or before December 31,  
11 2019.

12 63. Attorney General Approval. One of the conditions to closing under the APA was (i) the  
13 approval by the Attorney General Of California (the "Attorney General"), pursuant to California  
14 Corporations Code § 5914 and title 11 of the California Code of Regulations, § 999.5, and (ii) that the  
15 Attorney General did not impose any conditions that were "materially different" that those set forth in  
16 Schedule 8.6 to the APA. Under Section 8.6 of the APA, the APA also provided that SGM "shall  
17 reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable  
18 order."

19 64. Plaintiffs undertook tremendous efforts to secure Attorney General approval in order to  
20 satisfy Section 8.6 of the APA. Among other efforts, (i) Plaintiffs were required to pay approximately  
21 \$500,000 for an expert retained by the Attorney General, (ii) Plaintiffs incurred significant costs,  
22 including attorneys' fees, preparing and submitting an application (which, including exhibits, totaled  
23 more than 5,826 pages) (the "Application") to the Attorney General for approval of the SGM Sale, (iii)  
24 Plaintiffs participated in public meetings related to same, and negotiated intensely with the Attorney  
25 General through multiple meetings, emails and documents, and (iv) Plaintiffs filed pleadings in the  
26 Bankruptcy Court wherein they prevailed.

27 65. By the Application, dated May 7, 2019, Plaintiffs provided notice to, and requested  
28 written consent from, the Attorney General for the proposed SGM Sale, pursuant to California

Corporations Code § 5914 and title 11 of the California Code of Regulations, § 999.5. On May 13, 2019, Plaintiffs supplemented their Application to the Attorney General.

66. During the week of August 26, 2019, Deputy Attorney General Scott Chan held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. At those public meetings, Peter Baronoff, as CEO and a representative of Defendants, made public statements to the effect that SGM is the acquisition arm of KPC, but that KPC and SGM are one and the same business entity led by Chaudhuri.

67. Specifically, at the August 26, 2019 Attorney General Public Meeting regarding St. Francis, Mr. Baronoff stated:

SGM is pleased to be here this morning. For those of you that don't know, Strategic Global Management is the acquisition entity that is part of the KPC group. For those of you who do not know KPC, KPC is an integrated healthcare system. Our system consists of seven hospitals: Two in Riverside County, located in Hemet and Menifee; one in San Bernardino County, Victor Valley Global Medical Center; and four in Orange County, Orange County Global Medical Center, Chapman Global Medical Center, Anaheim Global Medical Center and South Coast Global Medical Center.

\* \* \*

KPC has been extremely diligent in our pursuit of these, and this is not our first time showing interest for the Verity assets. We come to the table with vast experience in operating safety net hospitals, very similar to many of those facilities which are now part of the Verity system.

\* \* \*

We believe there is a great fit with Verity. Saint Francis is a Level 2 trauma center and our Orange County Global is a Level 2 trauma center. The management team has done what it could in bankruptcy, but it is time for the Verity system to move on. We, at KPC, have had a great relationship with labor, with physicians, with payers and IPAs. We work closely with these groups to make our hospitals successful. We certainly get to know our communities and community leadership, and we certainly want to get to know those here as well.

\* \* \*

KPC is here today because we want to move forward. We want to move forward with 8.6. It's essential that the Attorney General's Office works with us so that the folks in this room never have to be back here today.

[August 26, 2019 Transcript, at 12:2-14:21.]

68. Likewise, at the August 27, 2019 Attorney General Public Meeting regarding St. Vincent, Mr. Baronoff stated in part:

I'm the CEO of KPC Healthcare. SGM, our acquisition entity, will be a part of KPC. For a few moments, let me tell you a little bit about KPC. KPC is an integrated healthcare system. We operate seven acute care hospitals: Two in Riverside County, located in Hemet and Menifee; one in San Bernardino County, Victor Valley Global Medical Center; and four in Orange County, Orange County Global Medical Center, South Coast Global Medical Center, Chapman Global Medical Center and Anaheim Global Medical Center.

\* \* \*

In the ancillary side [...] we also own and operate seven long-term acute care hospitals. These hospitals are located in Baton Rouge, Louisiana; in Vicksburg, Mississippi; in Wichita Falls, Texas; Dallas, Texas; Kansas City; and Salt Lake City, Utah; and Mesa Arizona.

\* \* \*

Where others fail, we find a way to succeed. And it's through a partnership between the employees and the physicians along with ourselves in management understanding the community's needs that we're able to move forward.

With this turnaround experience, we've seen failing hospitals and we see what happens if they do fail. We've seen hospitals close -- hospital closures -- never under our watch, but we've watched our competitors close hospitals. We find a way to implement strategy to turn these troubled hospitals around; hospitals just like this that have gone through severe financial difficulty.

\* \* \*

Today, we see opportunities with the Verity system where many others have not. We see that it's a great fit for our system with our locations in Orange County, Riverside County and San Bernardino County.

\* \* \*

In working forward towards the future of these hospitals, we have to be able to implement a strategy and a plan that will get us to the next level and ensure that the people behind me have stable viable futures with hospitals and communities they love. That's what keep [KPC] is all about. We've done it at seven. We plan to do it at these four and we look forward to the opportunity, and we hope the Attorney General takes a good hard look at 8.6 and agrees that it's the only way to go.

[August 27, 2019 Transcript, at 13:1-16:3.]

69. Further, at the August 29, 2019 Attorney General Public Meeting concerning Seton Medical Center, Mr. Baronoff stated:

I'm the CEO and managing director of the KPC Healthcare Group. Some of you today are hearing our name as SGM, but make no mistake, we are KPC. That is our acquisition vehicle. Before I make my remarks about Seton, I'd like to say a couple of words about who KPC is.

\* \* \*

Well, KPC has a track record of turning around troubled hospitals. Our integrated health system, which consists of seven hospitals in Southern California, including a trauma hospital, including physician groups in the areas of emergency medicine, anesthesia, radiology, hospitalists, medical specialty groups in a variety of areas, and ancillaries in skilled nursing, skilled nursing facilities, three of them, long-term acute care hospitals. Seven located in Louisiana, Mississippi, Texas, Arizona, Utah and Kansas.

We understand that to move forward in this business one has to roll up their sleeves and know what they are getting into. We have the turnaround experience to do just that.

In one example in Victor Valley, in San Bernardino County we had attorney general conditions and we complied with all.

In Riverside County, we saw hospitals survive through Chapter 9 bankruptcies. We work closely with laborers, physicians, payors, IPAs, and we are a community partner in all cases.

We plan to do the same thing here. But people ask me why are you jumping into this. Why are you jumping into an environment with \$70 million of losses. There is a reason. We believe that Seton Medical Center's best days are in front of it. We understand there are seismic issues; we understood there are IT issues; we understand there are payor-related issues; we understand there are management-related issues; we understand there are clinical-documentation issues; we understand that there is case mix index issues. We understand all that.

\* \* \*

Now, how do you get started here and how do you take on this huge task. Well, we started the process by meeting with management. We followed that process by meeting with physicians, reviewing numerous areas, engaging with employees, bringing teams of people here, from capital sponsors onwards.

\* \* \*

But rest assured, a turnaround of \$70 million, for a variety of reasons, is no easy task to tackle. San Mateo County, the City of Daly City needs the Seton Medical Center. Those developers who only had an eye on the 20 acres of real estate didn't understand the community passion. Well,

1 this buyer does. And rest assured, when KPC gets involved, me, as the  
2 leader will make sure the voices are heard.

3 [August 29, 2019 Transcript, at 12:9-16:3.]

4 70. On September 25, 2019, the Attorney General consented to the SGM Sale, subject to  
5 2019 conditions that included additional conditions that were materially different than those SGM  
6 contractually agreed to in Schedule 8.6 (the “2019 Conditions”). Accordingly, Plaintiffs filed a motion  
7 which sought the entry of an order enforcing the Sale Order, finding that the SGM Sale was free and  
8 clear of the 2019 Conditions, and limiting the SGM Sale to only those conditions that SGM developed  
9 and then contractually agreed to in Schedule 8.6 of the APA (the “Enforcement Motion”). [Docket No.  
10 3188.]

11 71. On October 23, 2019, the Bankruptcy Court issued a *Memorandum of Decision Granting*  
12 *the Debtors’ Emergency Motion to Enforce the Sale Order* [Doc. No. 3188]. [Docket No. 3446.] In  
13 the memorandum, the Bankruptcy Court ruled for the Plaintiffs on all issues, holding, among other  
14 things, that the Attorney General’s conditions that were materially different than the conditions in  
15 Schedule 8.6 were not enforceable under the Bankruptcy Code and state law.

16 72. Following negotiations, Plaintiffs and the Attorney General reached a *Stipulation*  
17 *Resolving “Debtors Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order*  
18 *Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear*  
19 *of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney*  
20 *General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief”*  
21 *[Docket No. 3188]* [Docket No. 3572] and lodged a related order [Docket No. 3574]. SGM objected  
22 to the proposed order. [Docket No. 3582.]

23 73. The Bankruptcy Court held a hearing on SGM’s objection to the proposed order. At the  
24 hearing, the SEIU United Healthcare Workers-West withdrew its limited objection [Docket No. 3324]  
25 to the Enforcement Motion. Although the California Nurses Association only filed a responsive  
26 statement [Docket No. 3325], it withdrew the same to the extent it would be considered an objection.

27 74. On November 14, 2019, the Bankruptcy Court issued an *Order Granting “Debtors*  
28 *Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order Authorizing the Sale to*

3 *Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief” [Doc.*  
4 *3188] (the “Enforcement Order”). [Docket No. 3611.]*

5 75. The Enforcement Order provided, in relevant part, that “the Additional Conditions (as  
6 defined in Section 8.6 of that certain asset purchase agreement [Docket No. 2305-1] (the “APA”)) are  
7 an “interest in property” for purposes of 11 U.S.C. § 363(f). The Assets (as defined in the APA) are  
8 being sold free and clear of the Additional Conditions without the imposition of any other conditions  
9 which would adversely affect the Purchaser (as defined in the APA).” [Docket No. 3611.] The findings  
10 in the Enforcement Order mirrored the findings required under the APA.

11 76. After the entry of the Enforcement Order, SGM’s conduct increasingly contravened its  
12 obligations under the APA, as set forth below. It now appears that SGM did not anticipate such a  
13 favorable order would be entered, but instead anticipated that a supplemental sale order would trigger  
14 the Evaluation Period under Section 8.6 of the APA, which would give SGM the option to withdraw  
15 from the transaction and/or coerce the Plaintiffs to agree to a substantially reduced purchase price.

16 77. Transfer Of Medicare and Medi-Cal Agreements. The APA also required that Plaintiffs  
17 secure the transfer of Medicare and Medi-Cal Provider Agreements to SGM. To that end, on November  
18 19, 2019, Plaintiffs obtained a settlement with the Centers for Medicare and Medicaid Services, an  
19 agency of the United States Department of Health & Human Services, providing for the transfer of their  
20 Medicare Provider Agreements to SGM without successor liability, thereby satisfying their remaining  
21 obligations under Article 8.7 of the APA. [Docket No. 3680.] With respect to California Department  
22 of Health Care Services (“DHCS”), Plaintiffs secured an Order [Docket No. 3372] from the Bankruptcy  
23 Court authorizing the transfer free and clear of any interests asserted by DHCS, in addition to the Sale  
24 Order which terminated any creditor’s recoupment rights [Docket No. 2306]. Those Orders afforded  
25 equal or greater protection to SGM than any settlement could have, thereby satisfying Section 8.7. SGM  
26 disagreed that the DHCS Order and the Sale Order satisfied Section 8.7. Consequently, although not  
27 necessary but given SGM’s position, on November 22, 2019, Plaintiffs reached a settlement agreement  
28 with DHCS, which the Bankruptcy Court approved. [Docket Nos. 3786 & 3787.]

**E. Defendants Fail To Work With Alacrity Towards A Close**

78. Despite the Plaintiffs' good faith efforts to work towards a prompt close of the SGM Sale, and the APA's requirement that "[t]ime is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement" (APA §12.17), Defendants dragged their feet and frustrated Plaintiffs' efforts. Defendants failed to ensure that financing, resources, management and personnel were in place for Defendants to assume operations of these four hospitals in 2019. Defendants did so knowing that Plaintiffs were continuing to operate at a loss of approximately \$450,000 per day, which imposed significant costs upon the estates and upon creditors. Defendants continuously failed to disclose to Plaintiffs that they did not have funding in place to close the Sale pursuant to the APA.

79. Defendants failed to timely engage with Plaintiffs' primary revenue providers—health plans and physician groups—to provide assurances that their business relationships with the Hospitals would continue after the close date. Defendants failed to actively engage with them for nearly five months until it was too late. In the interim, as a result of the uncertainty caused by Defendants' failure to communicate with those groups, many of them started moving patients to other facilities, which resulted in a negative revenue impact.

80. For example, beginning in May 2019, Debtors' co-counsel, Mr. Henry Kevane at Pachulski Stang Ziehl & Jones, sent a series of emails to Defendants' counsel, Gary Klausner, regarding Plaintiffs' proposed approach to the risk pool agreements that would result in assignment and closure of open issues. The majority of Mr. Klausner's responses repeated that he would check with his client, and provided no further response. Defendants' non-responsiveness on this point in turn required Plaintiffs to stipulate to multiple continuances of objections related to cure issues (*see, e.g.*, Docket Nos. 2169, 2464, 2669, 2820, 2960, 3114, 3331, 3450, 3458, 3556), and to explain to concerned and frustrated parties why Defendants did not engage in a meaningful dialogue. In addition to Mr. Kevane's correspondence, there were numerous telephone calls and substantial efforts by Plaintiffs and their financial advisors at Berkeley Research Group to move these issues forward on a weekly basis.

81. Defendants' delays on other fronts were also detrimental to operations. For example, Defendants (i) failed to onboard a sufficient management team to run the Plaintiff Hospitals (in part

1 because it has failed to make financially viable offers to potential candidates), and engaged in eleventh  
2 hour efforts to hire away key members of Plaintiffs' management team, (ii) delayed developing a hiring  
3 protocol that was compliant with the collective bargaining agreements in place, and instead asked the  
4 Debtors to create one despite that being the buyer's obligation, (iii) failed to effectuate a hiring process  
5 to promptly identify the employees it wishes to hire and extend offers to them, which resulted in  
6 employee anxiety and turnover at all levels of the organization, and (iv) delayed decisions on assumption  
7 or rejection on thousands of contracts, which created uncertainty for thousands of counterparties to  
8 leases and contracts. As a result of these and other failures by Defendants, Plaintiffs were required to  
9 devote even more of their own time and resources to efforts to make up for Defendants' shortcomings  
10 and ensure the continued operation for the benefit of Defendants.

11 82. Further, after the Debtors repeatedly requested Defendants provide evidence of  
12 financing, on October 3, 2019, Defendants provided to Plaintiffs a non-binding discussion draft term

26 **F. The Court Orders SGM To Close By No Later Than December 5, 2019**

27 83. APA Section 1.3 obligated SGM to close the sale "promptly but no later than ten (10)  
28 business days following the satisfaction" of all conditions precedent. On November 18, 2019, the

1 Bankruptcy Court entered an order (the “Section 8.6 Order”) [Docket No. 3633] and related  
2 memorandum [Docket No. 3632] finding that: “The Debtors have complied with their obligation under  
3 the APA to obtain a final, nonappealable Supplemental Sale Order. Consequently, SGM is now  
4 obligated to promptly close the SGM Sale, provided that all other conditions to closing have been  
5 satisfied.”

6 84. On November 19, 2019, the Debtors obtained a settlement with the Centers for Medicare  
7 and Medicaid Services providing for the transfer of their Medicare Provider Agreements to SGM,  
8 thereby satisfying their remaining obligations under Article 8.7 of the APA. [Docket No. 3680.] SGM  
9 approved the terms of the Medicare settlement. With respect to DHCS, the Debtors had previously  
10 obtained an order [Docket No. 3372] from the Bankruptcy Court authorizing the transfer free and clear  
11 of any interests asserted by DHCS on October 11, 2019, in addition to the Sale Order which terminated  
12 any creditor’s recoupment rights [Docket No. 2306]. Those Orders afforded equal or greater protection  
13 to SGM than any settlement could have, thereby satisfying Section 8.7. In addition, on November 22,  
14 2019, the Debtors reached a settlement with DHCS to the same effect. SGM approved the terms of the  
15 DHCS settlement.

16 85. The conditions to close under the APA had been satisfied on November 19, 2019, and  
17 the transaction should have promptly closed by December 5, 2019. Accordingly, on November 20,  
18 2019, the Debtors sent a letter to SGM, stating (i) the conditions to close under the APA had been  
19 satisfied on November 19, 2019, and that (ii) the transaction should promptly close by December 5,  
20 2019. *See* Status Report at 1. The letter requested “immediate written assurances that SGM intend[ed]  
21 to proceed with the transaction and abide by its obligations under the APA not later than close of  
22 business on Friday, November 22, 2019.” *Id.*

23 **G. Defendants Finally Reveal Their Lack Of Financing, And Engage In Bad Faith**  
24 **Attempts To Force A Re-Trade**

25 86. On or about November 18, 2019, SGM’s CEO, Peter Baronoff, telephoned Carsten  
26 Beith, at the Debtors’ investment banker Cain, and stated that SGM could not obtain sufficient financing  
27 for the transaction, contrary to Section 3.9 of the APA. [Docket No. 3644.] That telephone call  
28 immediately resulted in the Debtors’ request for an order [entered at Docket No. 3646] continuing the

1 hearing on the Debtors' motion [Docket No. 2995] for approval of its disclosure statement [Docket No.  
2 2994].

3 87. Recognizing that the existence of financing is not a condition to close, SGM resorted to  
4 making unfounded and self-serving assertions that the Debtors breached the APA and embarked on  
5 impermissible manipulations to substantially reduce the purchase price without regard to: (i) the  
6 language in the APA; (ii) the indisputable fact that SGM's diligence period had expired in January 2019;  
7 (iii) SGM's prior representations; and (iv) the fact that all conditions of the Debtors to close had been  
8 satisfied. SGM even sought meetings with the Debtors' constituents in an effort to purportedly obtain  
9 concessions that would substantially reduce SGM's financial obligations, despite the Debtors' request  
10 that it not do so.

11 88. On November 22, 2019, SGM sent the Debtors letters from Gary Klausner, Esq. of  
12 Levene, Neale, Bender, Yoo & Brill L.L.P. and Robert W. Lundy, Jr. of Hooper, Lundy & Bookman,  
13 P.C. (with enclosures), setting forth the issues that SGM had asserted amounted to a "Material Adverse  
14 Effect" under the APA [Docket No. 3705] (the "November 22, 2019 Letters").<sup>5</sup> The issues SGM raised  
15 at the eleventh hour were not "new"—they were all known or discoverable during the diligence period  
16 that had expired at least nine months earlier. And none of the issues raised changed the inescapable  
17 conclusion that the SGM Sale was required to close by December 5, 2019, because the Debtors and  
18 SGM negotiated the sale as an "AS IS, WHERE IS" sale under the express terms of the APA. SGM's  
19 untimely, baseless and immaterial complaints were nothing more than a transparent attempt to delay the  
20 closing and manufacture a basis to coerce the Plaintiffs into submitting to a substantially reduced  
21 purchase price.

22 89. On November 26, 2019, the Bankruptcy Court held a Status Conference. In advance of  
23 the Status Conference, SGM filed a Reservation of Rights, alleging (among other things) that "there are  
24 no genuine disputes of material fact as to the [sic] whether there have been Material Adverse Effects  
25 under the terms of the APA." [Docket No. 3701.] In addition, the Debtors submitted to the Bankruptcy  
26

---

27 <sup>5</sup> The November 22, 2019 Letters were filed under seal pursuant to an order of the Bankruptcy Court  
28 [Docket No. 3699], and should be maintained as confidential because they contain false and disparaging  
statements about the Plaintiff Hospitals.

1 Court SGM's November 22, 2019 Letters under seal. [Docket Nos. 3697 & 3705.] At the status  
2 conference, the Court rejected SGM's arguments, stating (among other things) that "[a]s far as the Court  
3 is concerned" SGM is the "proud owner" of the Debtors' assets as set forth in the APA, and that SGM  
4 "has an obligation to close" the transaction pursuant to the APA. [Nov. 26, 2019 Hr'g Tr. at 12:22-24,  
5 14:10-11.] The Bankruptcy Court further stated:

6 After reviewing the statement of [S]trategic, I don't want to cast any  
7 negative aspersions at all. But I want to make clear that I believe that it is  
8 operating very closely within the satellite of bad faith. I think it has an  
9 obligation to close. I think it wants to negotiate a better deal. I think it  
10 believes that it will be unpalatable for the Court and for others here to see  
11 patients, young, old, infirmed, being wheeled or carted out of the  
12 hospitals. That's a cynical view and I don't adhere to it.

13 \*\*\*

14 All right. I'll do the following. First, I won't take the bait either. What I  
15 stated was not really founded on any letters, actually. It was founded just  
16 on the representations that were made in the statement. I think it was a  
17 reservation of rights as far as the purchaser was concerned, which I found  
18 wholly inapposite to my understanding of the APA. It appears to the  
19 Court that perhaps the purchaser felt that the asset purchase agreement  
20 wasn't actually an asset purchase agreement. It was a contract to  
21 contemplate the purchase of an asset after the Attorney General removed  
22 his conditions. And so once the Attorney General did that, then it become  
23 -- became the proverbial dog that caught the car. They didn't know what  
24 to do.

25 So I think that's the situation we have. With all due respect to counsel, I  
26 respect them, but I think the position of his client doesn't hold water. And  
27 again, that's not based upon any letters. That's just my review of the asset  
28 purchase agreement and the clear terms of that or where the terms have  
not been clear they have been made clear by the Court. As I've indicated,  
I've given a definition of "material adverse effect."

[*Id.* at 14:7-16, 20:1-22.]

90. On November 27, 2019, the Bankruptcy Court issued an order finding that, "[p]ursuant  
to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019"  
("Closing Order"). [Docket No. 3724.] The Memorandum Decision supporting the Closing Order  
concluded, among other things, that (i) "Adjudication of SGM's Obligations Under the APA Does Not  
Require an Adversary Proceeding," (ii) "Adjudication of SGM's Obligations Under the APA Is Not  
Premature," (iii) "SGM Is Not Entitled to Appeal the Bankruptcy Court's Determination Regarding a  
Material Adverse Effect," (iv) "No Material Adverse Effect Has Occurred," (v) "All Conditions

1 Precedent to Closing Have Been Satisfied.” [Docket No. 3723.] The Bankruptcy Court further  
2 concluded that:

3 SGM’s contention that it is not obligated to close is a cynical attempt to  
4 extract a better purchase price. A key component of SGM’s negotiation  
5 strategy is its attempt to delay as long as possible the adjudication of its  
6 obligations under the APA. The Court will not facilitate SGM’s dubious  
7 tactics.

8 \* \* \*

9 By presenting non-meritorious arguments as to why it is not obligated to  
10 close, SGM is holding the estates, creditors, and patients of the Hospitals  
11 hostage in an attempt to extort a better purchase price. SGM’s cynical  
12 tactics are especially offensive given the significant harm that closure of  
13 the Hospitals would impose upon patients. For example, two of the  
14 Hospitals that would likely close upon failure of the SGM Sale contain  
15 large populations of long-term patients suffering from severe illnesses, all  
16 of whom would have to be relocated to other facilities.

17 [Id., pp. 6-7.]

18 91. On November 27, 2019, the Debtors sent correspondence to SGM, reiterating their  
19 demand that it close the transaction by December 5, 2019 and restating the Debtors’ commitment to  
20 cooperating with SGM towards a prompt and smooth closing. Despite the Debtors’ repeated requests  
21 that SGM provide assurances of its ability to finance the SGM Sale transaction in accordance with the  
22 APA and the Purchase Price therein, SGM refused to respond.

23 92. On November 29, 2019, the Debtors then sent a further letter to SGM, reiterating their  
24 demand that it timely close the transaction in accordance with the APA no later than December 5, 2019.

25 93. On November 29, 2019, SGM filed two notices of appeal [Docket Nos. 3726 & 3727]  
26 related to (i) the order granting the Enforcement Motion [Docket No. 3611], and (ii) the order finding  
27 that SGM is obligated to promptly close the transaction under Section 8.6 of the APA provided all other  
28 conditions to closing are satisfied [Docket No. 3633]. The appeals were frivolous and designed solely  
to delay and frustrate these proceedings and the closing of the SGM Sale.

94. Beginning Monday, December 2, 2019, SGM representatives failed to participate in at  
least five pre-scheduled operations closing calls, stating that they were doing so on the advice of SGM’s  
counsel, Gary Klausner.

95. On December 3, 2019, the Debtors emailed SGM, expressing continued concern for SGM's delay and the impact on the Hospitals, including that many employees no longer have confidence that SGM will purchase the hospitals given that they are still waiting for formal offers, that the Hospitals continue to flex staff and registry to manage patient care, and that vendors and the Hospitals' risk pool participants/IPAs have expressed concern that SGM does not intend to close the transaction. The Debtors again demanded that SGM affirm whether it had financial ability to proceed with the transaction in accordance with the APA, and whether it intended to close the transaction. In response, SGM announced that it would not close the Sale by December 5, and that it had filed a notice of appeal [Docket No. 3746] of the Bankruptcy Court's Closing Order.

96. On December 4 and 5, 2019, the Debtors sent additional demands to SGM for information and assurances bearing on whether it had the financial ability to perform in accordance with the APA and whether it intended to do so. SGM did not provide the requested information to Debtors.

97. On December 5, 2019, the Debtors were prepared to close the Sale, pursuant to the APA and in accordance with the Bankruptcy Court's Sale Order and Closing Order. SGM failed to do so. Accordingly, the Debtors sent a notice of default to SGM, dated December 5, 2019.

98. On December 17, 2019, the Debtors sent a notice to SGM citing various notices of breaches, and stating that the APA would terminate effective December 27, 2019.

99. SGM did not formally offer or request a different closing date with respect to closing the SGM Sale at the Purchase Price.

## **COUNT I: BREACH OF CONTRACT**

### **(All Plaintiffs Against All Defendants)**

Plaintiffs restate and reallege all paragraphs as if fully set forth herein.

100. As described above, Defendants have materially and continually breached the APA by (among other things): (a) failing to consummate and close the Sale transaction in accordance with the APA; (b) failing to have funds available to close the Sale at the price set forth in the APA; (c) representing in Section 3.9 of the APA and elsewhere that they had the ability to obtain "funds in cash in amounts equal to the purchase price;" (d) attempting to coerce Plaintiffs to agree to a substantially reduced purchase price, (e) failing to cooperate with Plaintiffs and move with alacrity

1 towards closing the SGM Sale; (f) making unfounded and untimely assertions of alleged Material  
2 Adverse Effects; (g) asserting entitlement to an “Evaluation Period” when no such period existed after  
3 the entry of the Enforcement Order, the Section 8.6 Order and the Closing Order; (h) appealing the  
4 Enforcement Order to avoid its’ obligation to close and despite the APA’s requirement that Defendants  
5 cooperate to render it a final, nonappealable order; and (i) filing meritless and frivolous Notices of  
6 Appeal.

7 101. As a direct and proximate result of the aforementioned breaches, each Plaintiff has been  
8 damaged, the exact amount to be proven. As a result of Defendants’ breaches, and as part of their  
9 damages, Plaintiffs are also entitled to the recovery of attorneys’ fees associated with this dispute  
10 pursuant to Section 12.12 of the APA.

11 **COUNT II: PROMISSORY FRAUD**

12 **(All Plaintiffs Against All Defendants)**

13 Plaintiffs restate and reallege all paragraphs as if fully set forth herein.

14 102. As described more fully above, Defendants promised to perform in accordance with the  
15 terms of the APA. Plaintiffs are informed and believe that, at the time those promises were made,  
16 Defendants had no intention of performing in accordance with the APA, including (without limitation)  
17 by paying the \$610 million purchase price. Defendants concealed their true intention not to fund the  
18 \$610 million purchase price under the APA, and instead to hold the estates, creditors, and patients of  
19 the Plaintiff Hospitals hostage in an attempt to extort a lower purchase price.

20 103. Defendants intended to induce Plaintiffs to detrimentally rely on their promise to perform  
21 in accordance with the APA by (among other things) having Plaintiff select SGM as the successful  
22 bidder, enter into the APA, and devote almost a year to performing under the APA.

23 104. Plaintiffs justifiably relied upon the misrepresentation of Defendants, and each of them,  
24 and as a proximate result suffered, and will continue to suffer damages in an amount to be proved at the  
25 time of trial.

26 105. Plaintiffs are informed and believe and thereon allege that these acts were willful,  
27 despicable, oppressive and/or fraudulent as contemplated by California Civil Code § 3294, and that all  
28 were done with the knowledge, approval and ratification of Defendants, and each of them, by or through

1 their managerial agents. In order to deter such conduct by Defendants, and each of them, in the future,  
2 and to prevent repetition of such conduct as a practice, Plaintiffs pray for exemplary and punitive  
3 damages.

4 **COUNT III: TORTIOUS BREACH OF CONTRACT (BREACH OF THE IMPLIED**  
5 **COVENANT OF GOOD FAITH AND FAIR DEALING)**

6 **(All Plaintiffs Against All Defendants)**

7 Plaintiffs restate and reallege all paragraphs as if fully set forth herein.

8 106. The APA contains an implied covenant of good faith and fair dealing, whereby  
9 Defendants agreed to act in good faith and deal fairly with Plaintiffs, and to refrain from taking any  
10 action which would interfere with Plaintiffs' rights under the APA.

11 107. Defendants, and each of them, tortiously breached the APA and the implied covenant of  
12 good faith and fair dealing owed to Plaintiffs by (among other things) intentionally, fraudulently,  
13 unreasonably, oppressively, and without proper cause: (a) entering the APA with no intention to perform  
14 their obligations thereunder; (b) failing to consummate and close the Sale transaction in accordance with  
15 the APA; (c) failing to have funds available to close the Sale at the Purchase Price set forth in the APA;  
16 (d) attempting to coerce Plaintiffs to engage in a re-trade; (e) failing to cooperate with Plaintiffs and  
17 move with alacrity towards closing the SGM Sale; (f) making unfounded and untimely assertions of  
18 alleged Material Adverse Effects; (g) asserting entitlement to an "Evaluation Period" following entry of  
19 the Enforcement Order, Section 8.6 Order and Closing Order; (h) filing meritless and frivolous Notices  
20 of Appeal; and (i) failing to respond to Plaintiffs inquiries regarding SGM's intent and financial ability  
21 to perform the APA.

22 108. Defendants intended and/or knew that their conduct described herein would cause severe  
23 harm in the form of, *inter alia*, substantial consequential damages to Plaintiffs. As a direct and  
24 proximate result of Defendants' tortious breach of the APA and breach of the implied covenant of good  
25 faith and fair dealing, Plaintiffs have suffered damages in an amount to be proved.

26 109. As a further direct and proximate result of Defendants' tortious breach of the APA and  
27 the implied covenant of good faith and fair dealing, Plaintiffs have been compelled to incur operational

1 expenses, attorney's fees and other expenses to pursue their right to benefits due under the APA, causing  
2 Plaintiffs to suffer further loss in an amount to be proved.

3 110. Plaintiffs are informed and believe and thereon allege that Defendants, and each of them,  
4 intentionally engaged in a course of conduct which was intended or expected to injure Plaintiffs, in  
5 conscious disregard of Plaintiffs' right under the APA, as alleged in this Complaint. Plaintiffs are  
6 informed and believe and thereon allege that these acts were willful, despicable, oppressive and/or  
7 fraudulent as contemplated by California Civil Code § 3294, and that all were done with the knowledge,  
8 approval and ratification of Defendants, and each of them, by or through their managerial agents. In  
9 order to deter such conduct by Defendants, and each of them, in the future, and to prevent repetition of  
10 such conduct as a practice, Plaintiffs pray for exemplary and punitive damages.

11 WHEREFORE, Plaintiffs pray for judgment as hereinafter set forth.

12 **PRAYER**

13 Plaintiffs pray for judgment against Defendants, and each of them, as follows:

- 14 1. For special and consequential damages in an amount to be proved at trial;
- 15 2. For attorney's fees;
- 16 3. For punitive damages in an amount to punish or make an example of Defendants'  
17 conduct;
- 18 4. For prejudgment and post-judgment interest allowed by law;
- 19 5. For costs of suit incurred herein; and
- 20 6. For such other and further relief as the Bankruptcy Court deems just and proper.

1.6.2 Other than the Utility Deposits (defined below), which are governed by Section 1.8(j), and other than with respect to Cure Costs payable by Purchaser, the following costs and expenses shall be prorated based upon the payment period (*i.e.*, calendar or other tax fiscal year) to which the same are attributable: all real estate and personal property lease payments, real estate and personal property taxes, real estate assessments, other than the PACE Special Assessments and other similar charges against real estate, and power and utility charges (collectively, the **"Prorated Charges"**) on the Assets. All Lease Amounts that are accrued but uncollected as of the Closing (including, without limitation, rents and other payments accrued prior to the Closing but payable in arrears after the Closing) (collectively, the **"Unpaid Amounts"**) shall belong to Sellers, and Purchaser shall, upon receipt of said rents and other payments, receive the same in trust for Sellers and shall promptly remit any of such amounts to the applicable Seller within ten (10) days after

Purchaser's receipt of same. For the avoidance of doubt, all rental payments received after Closing shall be first applied to any amounts owed to the Sellers under this Section 1.6.3.

1.6.4 All prorations and payments to be made under the foregoing provisions shall be agreed upon by Purchaser and Sellers prior to the Closing and shall be binding upon the parties; provided, however, with respect to the Unpaid Amounts, in the event any proration, apportionment or computation shall prove to be incorrect for any reason, then either the applicable Seller or Purchaser shall be entitled to an adjustment to correct the same, provided that said party makes written demand on the party from whom it is entitled to such adjustment within thirty (30) calendar days after the erroneous payment or computation was made, or such later time as may be required, in the exercise of due diligence, to obtain the necessary information for proration. This Section 1.6 shall survive Closing.

Purchaser has been afforded reasonable access to, and has been provided adequate time to review, the books, records, information, operations, facilities and personnel of each Seller and the Hospital for purposes of conducting a due diligence investigation of each Seller and the Hospital. Purchaser has conducted a reasonable due diligence investigation of each Seller and the Hospital and has received satisfactory answers to all inquiries it has made respecting each Seller and the Hospital and has received all information it considers necessary to make an informed business evaluation of each Seller and the Hospital. In connection with its due diligence investigation of each Seller and the Hospital, Purchaser has not relied upon any books, records, information, operations, facilities and personnel provided by any Seller, including in making its determination to enter into this Agreement and/or consummate the transactions contemplated hereby.

### COVENANTS OF SELLERS

#### 4.1 Access and Information: Inspections.

4.1.1 From the Signing Date through the Effective Time, (a) each Seller shall afford to the officers and agents of Purchaser (which shall include accountants, attorneys, bankers and other consultants and authorized agents of Purchaser) reasonable access during normal business hours at Seller's corporate headquarters in El Segundo, California to, and the right to inspect, the books, accounts, records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital of such Seller and the plant and property of the Hospital of such Seller at the Hospital of such Seller and (b) each Seller shall furnish Purchaser with such additional financial and operating data and other information in such Seller's possession

as to businesses and properties of the Hospital of such Seller as Purchaser or its representatives may from time to time reasonably request; *provided, however*, that such Seller is not obligated to disclose information which is proprietary to such Seller and would not be essential to the ongoing operation of the Hospital of such Seller by Purchaser; *provided, further*, that all disclosures of information shall be consistent with the confidentiality agreements and any other non-disclosure agreements entered into (or to be entered into) among Purchaser, its representatives and such Seller. Purchaser's right of access and inspection shall be exercised in such a manner as not to interfere unreasonably with the operations of any Seller or the Hospital.

4.1.2 Notwithstanding anything contained herein, no Seller shall be required to provide Purchaser or its representatives or agents access to or disclose information where such access or disclosure would violate the rights of its patients, jeopardize the attorney-client or similar privilege with respect to such information or contravene any law, judgment, fiduciary duty or contract entered into prior to or on the date of this Agreement with respect to such information.

#### 4.2 Cooperation.

4.2.1 Each Seller shall reasonably cooperate with Purchaser and its authorized representatives and attorneys: (a) in Purchaser's efforts to obtain all consents, approvals, authorizations, clearances and licenses required to carry out the transactions contemplated by this Agreement (including, without limitation, those of governmental and regulatory authorities) or which Purchaser reasonably deems necessary or appropriate, (b) in the preparation of any document or other material which may be required by any governmental agency as a predicate to or result of the transactions contemplated in this Agreement, and (c) in Purchaser's efforts to effectuate the assignment of Assumed Contracts to Purchaser as of the Closing Date. Except as may be otherwise requested by a Seller in order to comply with applicable law or regulatory guidance, notwithstanding anything contained herein, other than Bankruptcy Court orders and authorizations, it shall be Purchaser's sole responsibility (including payment of any fees, expenses, filings costs or other amounts) to obtain the Contract and Lease Consents, as well as all governmental consents, approvals, assignments, authorizations, clearances and licenses required to (x) carry out the transactions contemplated by this Agreement, including but not limited to medical licenses and/or (y) transfer any of the Assets, including any Licenses. To the extent Purchaser needs certain information and data which is in the possession of a Seller in order for Purchaser to complete Purchaser's license and permit approval applications, Purchaser shall receive, upon request, reasonable assistance from such Seller in connection with the provision of such information.

4.2.2 Notwithstanding any provision to the contrary contained in this Agreement (including Section 8.7), no Seller shall be obligated to obtain the approval or consent to the assignment, to Purchaser, of any Assumed Contracts or Assumed Leases, from any party to any of the Assumed Contracts or Assumed Leases even if any such contract or lease states that it is not assignable without such party's consent.

4.3 Other Bidders. Purchaser expressly acknowledges and agrees that each Seller has an obligation to seek out and determine the best and highest offer reasonably available for such

Seller's assets in accordance with the Bankruptcy Code, and nothing herein shall amend, modify, alter, diminish or affect such obligation.

4.4 Sellers' Efforts to Close. Each Seller shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Purchaser's obligations under this Agreement to the extent that such Seller's action or inaction can control or materially influence the satisfaction of such conditions; provided, however, that such Seller shall not be required to pay or commit to pay any amount to (or incur any obligation in favor of) any person (other than filing or application fees).

4.5 Termination Cost Reports. Each Seller shall file all Medicare, Medi-Cal and any other termination cost reports required to be filed as a result of the consummation of (a) the transfer of the Assets of such Seller to Purchaser and (b) the transactions contemplated by this Agreement with respect to such Seller, provided that Purchaser shall fund reasonable costs and expenses of preparation, filing and audit of such reports. Purchaser shall permit each Seller access to all Hospital books and records to prepare such reports and shall assist such Seller in the process of preparing, filing, and reviewing the termination cost reports. All such termination cost reports shall be filed by the applicable Seller in a manner that is consistent with current laws, rules and regulations. Each Seller shall be responsible for filing governmental cost reports for the period of January 1, 2019 through the Closing Date. Purchaser shall be responsible for its own cost report filings relating to the Hospitals beginning on the day immediately following the Effective Time.

4.6 Conduct of the Business. From the Signing Date until the Closing, or the earlier termination of this Agreement, without the prior written consent of Purchaser, Sellers shall, with respect to the ownership of the Assets and the operation of the Hospitals, use commercially reasonable efforts to, in each case except as would not have a Material Adverse Effect (except as otherwise noted):

(a) without regard to Material Adverse Effect, carry on Sellers' ownership of the Assets and the operation of the Hospitals consistent with past practice, but subject to the Bankruptcy Cases and Sellers' obligations and actions in connection therewith;

(b) maintain in effect the insurance and equipment replacement coverage with respect to the Assets;

(c) if and as permitted by the Bankruptcy Court, pay any bonuses payable under the Key Employee Retention Plan and Key Employee Incentive Plan of Sellers;

(d) maintain the Assets in materially the same condition as at present, ordinary wear and tear excepted;

(e) perform its obligations under all contracts with respect to the Assets in compliance with the Bankruptcy Code;

(f) following entry of the Sale Order, permit and allow reasonable access by Purchaser and its representatives (which shall include the right to send written materials, all of which shall be subject to Sellers' reasonable approval prior to delivery) to make offers of post-

Closing employment to any of Sellers' personnel (including access by Purchasers and their representatives for the purpose of conducting open enrollment sessions for Purchasers' employee benefit plans and programs) and to establish relationships with physicians, medical staff and others having business relations with Sellers;

(g) with respect to material deficiencies, if any, cited by any governmental authority (other than the Attorney General of the State of California and other than with respect to Seismic requirements) or accreditation body in the most recent surveys conducted by each, cure or develop and timely implement a plan of correction that is acceptable to such governmental authority or such accreditation body;

(h) timely file or cause to be filed all material reports, notices and tax returns required to be filed and pay all required taxes as they come due;

(i) without regard to Material Adverse Effect, beginning on February 21, 2019 and in accordance with the Sellers' budget under their debtor in possession financing, timely pay any fees that are or become due and payable under QAF IV and QAF V;

(j) comply in all material respects with all Legal Requirements (including Environmental Laws) applicable to the conduct and operation of the Hospitals; and

(k) without regard to Material Adverse Effect, maintain all material approvals, permits and environmental permits relating to the Hospitals and the Assets.

**4.7 Contract With Unions.** Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

### COVENANTS OF PURCHASER

5.1 Purchaser's Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers' obligations under this Agreement to the extent that Purchaser's action or inaction can control or materially influence the satisfaction of such conditions. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement, Purchaser shall be permitted to communicate and meet with (a) counter-parties to the agreements and contracts of the Hospitals, included those included in Assumed Obligations, regarding the terms and conditions under which they may be assumed and assigned to Purchaser, and (b) applicable governmental and regulatory authorities regarding prospective compliance with regulatory requirements and related issues; so long as, in the case of each of (a) and (b) (i) such communications and meetings do not interfere with the operation of the Businesses or the conduct of the Bankruptcy Cases and (ii) any communications or meetings with any governmental authority are approved in advance by Sellers as to timing and content (and Sellers are copied on such communications and afforded the opportunity to participate in such meetings).

5.2 Required Governmental Approvals.

(a) Purchaser, at its sole cost and expense (a) shall use its best efforts to secure, as promptly as practicable before the Closing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled (and provide Sellers copies of all materials relating to such consents, approvals, authorizations, clearances and licenses upon submission and all materials received from third parties in connection with such consents, approvals, authorizations, clearances and licenses upon receipt), and (b) will provide such other information and communications to governmental and regulatory authorities as any Seller or such authorities may reasonably request. Purchaser will provide Sellers periodic and timely updates regarding all such consents, approvals, authorizations, clearances and licenses. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Effective Time. Purchaser shall, promptly, but no later than thirty (30) business days after the entry of the Sale Order or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other similar documents with all applicable governmental and regulatory authorities which are a prerequisite to obtaining the material licenses, permits, authorizations and provider numbers described in Section 8.1. Purchaser shall be entitled, but not obligated, to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and obtain estoppel certificates from any third party to any Leased Real Property. Purchaser's failure to obtaining any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either party's obligation to close the transactions contemplated by this Agreement.

(b) Purchaser and Sellers agree that because the change of ownership and regulatory approval process in connection with the transactions contemplated by this Agreement may take an extended period of time, Purchaser and Sellers agree to an initial closing effective upon the approval of the court and upon the approval of the transaction by the CA AG (as defined below) in accordance with Sections 7.5 and 8.6, at which time the Assets (less the portion of the Assets constituting drugs or other pharmacy assets) will be sold to Purchaser and immediately leased back

to Sellers, with a concurrent management agreement entered into at that time upon terms mutually agreeable to the parties in their reasonable business judgment. The Sale Leaseback Agreement and Interim Management Agreement will terminate at the Closing when the Purchaser is issued the Licenses necessary to operate the Hospitals directly (namely, the Hospital Licenses and pharmacy permits).

### 5.3 Certain Employee Matters.

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) (the “**Hospital Employees**”) who, immediately prior to the Effective Time are: (i) employees of any Seller; (ii) employees of any affiliate of any Seller which employs individuals at the Hospital and are listed on Schedule 5.3; or (iii) employed by an affiliate of any Seller and are listed on Schedule 5.3. For the avoidance of doubt, the Hospital Employees shall not include any employees of Verity or any other affiliate of Seller unless such individual is listed on Schedule 5.3. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the “**Hired Employees**.” All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.

(b) Purchaser shall give all Hired Employees full credit for paid time off pay to such employees as of the Closing Date by crediting such employees the time off reflected in the employment records of the applicable Seller and/or any of its affiliates immediately prior to the Effective Time, subject to compliance with applicable law and regulation, including consent of such employees if required.

(c) After the Closing Date, Purchaser’s human resources department will give reasonable assistance to each Seller and its affiliates with respect to such Seller’s and such Seller’s affiliates’ post-Closing administration of such Seller’s and such Seller’s affiliates’ pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to each Seller a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(d) With respect to any collective bargaining agreements or labor contract with respect to any employees, Purchaser shall comply with the applicable laws and bankruptcy court orders relating to collective bargaining agreements or labor contracts.

(e) The provisions of this Section 5.3 are solely for the benefit of the parties to this Agreement, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

5.4 Excluded Assets. As soon as practicable after the Closing Date, Purchaser shall deliver to each Seller or such Seller’s designee any Excluded Assets of such Seller found at the

Hospital on and after the Effective Time, without imposing any charge on any Seller for Purchaser's storage or holding of same on and after the Effective Time.

5.5 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.6 Attorney General. Promptly after entry of the Sale Order, but in any event within ten (10) calendar days, Purchaser shall, at its sole cost and expense, make any notices or other filings with the Attorney General of the State of California (the "CA AG"). Each Seller shall reasonably cooperate with Purchaser in such notices or other filings.

5.7 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue as of the Closing.

5.8 Cure Costs. Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code. For purposes of this Agreement, "**Cure Costs**", means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assumed Contracts and Assumed Leases to Purchaser as provided herein.

5.9 Operating Covenant. Purchaser shall act in good faith and use Purchaser's commercially reasonable efforts to serve the medical needs of each Hospital's service area.

5.10 HSR Filing. Purchaser and each Seller will as promptly as practicable, and in any event no later than five business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act.

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement. In addition, Sellers may, in their discretion, seek to reject any or all of the collective bargaining agreement(s).

## ARTICLE 6

### SELLERS' BANKRUPTCY AND BANKRUPTCY COURT APPROVAL

#### 6.1 Bankruptcy Court Approval; Overbid Protection and Break-Up Fee.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Assets and the assumption and assignment of the Assumed Contracts and Assumed Leases are subject to Bankruptcy Court approval, and that this Agreement is subject to termination in its entirety in the event any Seller receives a better and higher offer for the Assets in accordance with the Bankruptcy Code and subject to the terms stated herein.

(b) Promptly following the execution of this Agreement by all parties, the Seller shall file a motion with the Bankruptcy Court (the "**Sales Procedures Motion**"), the content of which shall be subject to the reasonable approval by Purchaser, for entry of an order approving bid procedures and overbid protections containing substantially the following terms and conditions:

(1) the Seller shall not accept any offer to sell the Assets subject to this Agreement ("**Overbid**") to another purchaser ("**Overbidder**") unless that offer exceeds the Purchase Price by an amount sufficient to pay the Break-Up Fee and such offer includes the purchase of substantially all Assets subject of this Agreement;

(2) in the event that an overbidder (and not the Purchaser) is the successful bidder for the purchase of the Assets (the "**Alternate Transaction**") and the Alternative Transaction is approved by the Bankruptcy Court, (a) the Deposit, and any interest earned thereon, shall be returned to Purchaser immediately upon the entry of such sale order, and (b) Purchaser shall be paid a break-up fee of three and one-half percent (3.25%) of the Cash Consideration (\$19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed \$2,000,000.00 (the "**Break-Up Fee**"); provided, however, that in the event that

the Purchaser is successful as to some but not all of the Assets, the Break-Up Fee shall be reduced pro rata to the percentage of Assets not actually purchased by the Purchaser, based on the allocation of the Purchase Price as described in Section 1.1(a)(i), as compared to the Assets which were the subject of this Agreement; in the event that Purchaser terminates this Agreement in accordance with Section 8.6 hereof, expenses of Purchaser incurred in satisfaction of Section 8.6 shall be reimbursed up to \$500,000; and

(3) The Break-Up Fee shall be deemed to be an allowed expense of the kind specified in Section 503(b) of the Bankruptcy Code to be paid solely from the proceeds of the Alternate Transaction, pursuant to the Sale Order. The Break-Up Fee shall not be paid if the Alternate Transaction was pursued due to a material breach by the Purchaser or the Purchaser's failure or refusal to consummate the transaction after the satisfaction or waiver of all closing conditions.

The Sales Procedures Motion will contain bid procedures as set forth in the bid procedures attached hereto as **Schedule 6.1(b)(3)**.

If Sellers fails to obtain Bankruptcy Court approval for the Sales Procedures Motion by no later than four weeks after the end of the Final Diligence Period, Purchaser shall have the right to terminate this Agreement, without recourse or liability, and Seller shall immediately thereafter return to Purchaser the Deposit and any interest earned thereon.

(c) Each Seller shall at the Sale Hearing exercise reasonable efforts to obtain a "Sale Order" approving this Agreement, subject to its obligations in respect of any better and higher offer for such Seller's assets in accordance with the Bankruptcy Code. For purposes of this Agreement, the term "**Sale Order**" shall mean an order of the Bankruptcy Court authorizing the sale of the Assets (including the assumption and assignment of the Assumed Contracts and Assumed Leases) to Purchaser consistent with this Agreement and in a form reasonably satisfactory to Purchaser.

(d) Each Seller agrees to proceed in good faith to obtain Bankruptcy Court approval of the sale contemplated herein with a determination that Purchaser is a good faith purchaser pursuant to Bankruptcy Code section 363(m) and to file such declarations and other evidence as may be required to support a finding of good faith.

(e) Each Seller shall seek an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against such Seller as debtor solely in the Bankruptcy Court.

**6.2 Appeal of Sale Order.** In the event an appeal is taken or a stay pending appeal is requested from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from either of such orders. In the event of an appeal of the Sale Order, Sellers shall be primarily responsible for drafting pleadings and attending hearings as necessary to defend against the appeal; provided, however, Purchaser, at its option, shall have the right to

participate as a party in interest in such appeal. In the event a stay is issued by any appellate court, including the United States District Court, which prevents the sale from closing, as scheduled, Purchaser shall have the right to terminate this Agreement if such stay is not vacated on or before 45 days from the date of the stay is issued, and Purchaser shall be entitled to the prompt return of the Deposit and any interest earned thereon.

## ARTICLE 7

### CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

Sellers' obligation to sell the Assets and to close the transactions as contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Sellers in whole or in part at or prior to the Closing:

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

7.3 Performance of Covenants. Purchaser shall have in all respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by it on or prior to the Closing Date.

7.4 Governmental Authorizations. Purchaser shall have obtained all material licenses, permits and authorizations from governmental agencies or governmental bodies that are necessary or required for completion of the transactions contemplated by this Agreement, including reasonable assurances that any material licenses, permits and authorizations not actually issued as of the Closing will be issued following Closing (which may include oral assurances from appropriate governmental agencies or bodies).

7.5 Attorney General Provisions. The conditions to Purchaser's obligations to close set forth in Section 8.6 shall have been satisfied.

7.6 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order.

7.7 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

7.8 CSCDA Acknowledgement. The CSCDA and PACE Trustee shall have executed acknowledgements in form and substance acceptable to Sellers that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations, and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date.

## ARTICLE 8

### CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Governmental Authorizations. Except as otherwise set forth in this Agreement, Purchaser and Sellers shall have obtained licenses, permits and authorizations from governmental agencies or governmental bodies that are required for the purchase, sale and operation of the Hospitals, including without limitation approval of the CA AG (subject to Section 8.6), except in such case where failure to obtain such license, permit or authorizations from a governmental agency or governmental body does not have a Material Adverse Effect.

8.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

8.3 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to all of the provisions of this Agreement.

8.4 Performance of Covenants. Sellers shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; *provided, however*, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

8.5 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser

agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the “Additional Conditions”), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order (“Supplemental Sale Order”) finding that the Additional Conditions are an “interest in property” for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of \$5 million, or more, shall be conclusively deemed to be “materially different.” If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General’s imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the “Evaluation Period”) to determine, in the exercise of the Purchaser’s reasonable business judgment and in consultation with Purchaser’s financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller’s failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the “Extended Evaluation Periods”). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser’s business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, “a final, non-appealable order” shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than \$500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein,

shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services ("**CMS**") and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services ("**DHCS**"), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers' Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge, and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposes of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.

8.8 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

## ARTICLE 9

### TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

- (a) by the mutual written consent of the parties;
- (b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after service by Sellers upon Purchaser of a written notice which describes the nature of such breach;
- (c) by Purchaser if, in its sole and absolute discretion, it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to this Agreement, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under this Section 9.1(c) on or prior to January 8, 2019, which notice may be given by facsimile or email correspondence; provided, that for the avoidance of doubt, following expiration of the Final Diligence Period, notwithstanding anything else in this Agreement, Purchaser shall not be entitled to terminate this Agreement (or not Close) as a result of the breach of any representation or warranty made by Sellers (or any of them) other than the breach of a Sale Order Date Representation, but in each case solely to the extent such breach of a Sale Order Date Representation would result in a Material Adverse Effect; provided, further, that any dispute between Purchaser and Sellers as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court;

(d) by Purchaser if a material breach of this Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser upon Sellers of a written notice which describes the nature of such breach;

(e) by Purchaser if satisfaction of any of the conditions in ARTICLE 8 has not occurred by December 31, 2019 or becomes impossible, and Purchaser has not waived such condition in writing (provided that the failure to satisfy any of the applicable condition or conditions in Sections 8.1 through 8.5 inclusive has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date); provided that upon the imposition of Additional Conditions by the CA AG, Section 8.6 must be satisfied or waived by Purchaser by no later than sixty (60) days thereafter.

(f) by Sellers if satisfaction of any of the conditions in ARTICLE 7 has not occurred by December 31, 2019 or becomes impossible, and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(g) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Cases or fails to approve the Sales Procedures Motion by the date specified in Section 6.1(b);

(h) by Sellers if, in connection with the Bankruptcy Cases, any Seller accepts an Alternate Transaction and pays the Break-Up Fee;

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before December 31, 2019; or

(j) by Purchaser if a force majeure event (such as acts of God, storms, floods, landslides, earthquakes, lightning, riots, fires, pandemics, sabotage, civil commotion or civil unrest, interference by civil or military authorities, acts of war (declared or undeclared) or armed hostilities, other national or international calamity, one or more acts of terrorism, or failure of energy sources) shall have occurred between the Signing Date and Closing Date, which event is reasonably likely to have a Material Adverse Effect.

**9.2 Termination Consequences.** If this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1: (a) all further obligations of the parties under this Agreement shall terminate (other than Purchaser's right to receive the Break-Up Fee if applicable), provided that the provisions of ARTICLE 12, shall survive; and (b) each party shall pay only its own costs and expenses incurred by it in connection with this Agreement; provided, in the case of any termination based on Sections 9.1(b) or (d) the consequences of such termination shall be determined in

accordance with ARTICLE 11 hereof. In addition, if this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1 (other than Section 9.1(b)), Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Each Party acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement.

## ARTICLE 10

### POST-CLOSING MATTERS

#### 10.1 Excluded Assets.

Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within five (5) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to the applicable Seller. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to any Seller under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to any Seller because of, outstanding claims, liabilities or obligations asserted by Purchaser against any Seller. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to the applicable Seller in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Seller (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to the applicable Seller.

#### 10.2 Preservation and Access to Records After the Closing.

(a) From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the "**Document Retention Period**"), Purchaser shall keep and preserve all medical records (including, without limitation, electronic medical records), patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers' estate representative or any liquidating trustee of the Sellers' bankruptcy estate ("**Seller Parties**"), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Effective Time (including, without limitation, access to records of patients treated at the Hospital prior to the Effective Time) during normal business hours after the Effective Time, to the extent reasonably needed by any Seller Party for any lawful purpose. Purchaser acknowledges that, as a result of entering into this Agreement and operating the Hospital, it will gain access to patient records and other information which are subject to rules and regulations concerning confidentiality. Purchaser shall abide by any such rules and regulations

relating to the confidential information it acquires. Purchaser shall maintain the patient and medical staff records at the Hospital in accordance with applicable law and the requirements of relevant insurance carriers. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents described in this Section 10.2(a), Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal. Any of the Seller Parties shall have the right, at its sole cost, to take possession of such documents during such forty-five (45) calendar day period. If any of the Seller Parties does not take possession of such documents during such forty-five (45) calendar day period, Purchaser shall be free to destroy or otherwise dispose of such documentation upon the expiration of such forty-five (45) calendar day period.

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Effective Time with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees); provided that Purchaser shall not be required to incur any out of pocket costs in association therewith. In addition, Sellers and their affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of their affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or their applicable affiliate's use of such records.

(c) In connection with (i) the transition of the Hospital pursuant to the transaction contemplated by this Agreement, (ii) Sellers' rights to the Excluded Assets, (iii) any claim, audit, or proceeding, including, without limitation, any tax claim, audit, or proceeding and (iv) the Sellers' obligations under the Excluded Liabilities, Purchaser shall after the Effective Time give Sellers access during normal business hours to Purchaser's books, personnel, accounts and records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital as representatives of Sellers and their affiliates may from time to time reasonably request, all in such manner as not to unreasonably interfere with the operations of the Hospital.

(d) Purchaser and its representatives shall be given access by Sellers during normal business hours to the extent reasonably needed by Purchaser for business purposes to all documents, records, correspondence, work papers and other documents retained by Sellers pertaining to any of the Assets prior to the Effective Time (excluding confidential employee information, privileged materials and patient records), all in such manner as to not interfere unreasonably with Sellers. Such documents and other materials shall be, at Sellers' option, either

(i) copied by Sellers for Purchaser at Purchaser's expense, or (ii) removed by Purchaser from the premises, copied by Purchaser and promptly returned to Sellers.

(e) Purchaser shall comply with, and be solely responsible for, all obligations under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Parts 160 and 164) promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 with respect to the operation of the Hospital on and after the Effective Time.

(f) Purchaser shall cooperate with Sellers, on a timely basis and as reasonably requested by Sellers, in connection with the provision of all data of the Hospital and other information required by Sellers for reporting to HFAP for the remainder of the quarterly period in which the Closing has occurred.

(g) To the maximum extent permitted by law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities or Excluded Assets, including without limitation, documents relating to the operations of any of the Hospital or any of the Hospital's committees prior to the Effective Time, prior to any disclosure of such documents, Purchaser shall notify Sellers and shall provide Sellers with the opportunity to object to, and otherwise coordinate with respect to, such request or demand.

(h) Provision of Benefits of Certain Contracts. Notwithstanding anything contained herein to the contrary, this Agreement shall not constitute an agreement to assign any Assumed Contract or Assumed Lease, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would constitute a breach thereof or in any way negatively affect the rights of Sellers or Purchaser, as the assignee of such Assumed Contract or Assumed Lease, as the case may be, thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, such consent or approval is required but not obtained, Sellers will cooperate with Purchaser in any reasonable arrangement designed to both (a) provide Purchaser with the benefits of or under any such Assumed Contract or Assumed Lease, and (b) cause Purchaser to bear all costs and obligations of or under any such Assumed Contract or Assumed Lease. Further, notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Account Receivable the assignment of which is either prohibited by law or by the terms of any contract with a payor without the consent of such payor. Any payments received by Sellers after the Closing Date from patients, payors, clients, customers, or others who are the obligors on Accounts Receivables transferred to Purchaser as a part of the Assets on the Closing Date shall be paid over to Purchaser within ten (10) business days after receipt by Seller.

10.3 Closing of Financials. Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall cause the individual acting as the chief financial officer of the Hospital after the Effective Time (the "**Post-Effective Time CFO**") to cooperate with Sellers' representatives in order to complete the standardized closing of Sellers' financial records through the Closing Date including, without limitation, the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Purchaser shall cause the Post-Effective Time CFO to use his or her good faith efforts to cooperate with Sellers' representatives in order to complete the Closing of Financials by no later than the date which is thirty (30) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to

Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers' post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO's other duties.

10.4 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital's medical staff members in good standing as of the Effective Time shall maintain medical staff privileges at the Hospital as of the Effective Time. On and after the Effective Time, the medical staff will be subject to the Hospital's Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.5 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates which are not being sold to Purchaser ("**Shared Intangible Assets**") and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; provided, however, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

## ARTICLE 11

### DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed \$60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under this Agreement.

11.2 Seller Default. If Sellers commit any material default under this Agreement, Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

#### 11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Closing Date, the parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Effective Time and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The parties shall also make available to each other to the extent

reasonably required, and at the reasonable cost of the requesting party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) The Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income Tax purposes) shall be allocated among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder as set forth in **Schedule 11.3(b)** (such schedule the “**Allocation Schedule**”). The Allocation Schedule shall be for Sellers’ and Purchaser’s tax purposes only, and shall not limit the Sellers’ creditors in any way.

#### 11.4 Cost Report Matters.

(a) Consistent with Section 4.5, Sellers shall, at Purchaser’s expense, prepare and timely file all cost reports relating to the periods ending prior to the Effective Time or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the “**Seller Cost Reports**”).

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers’ preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser’s provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Effective Time with respect to Seller Cost Reports except for preparation and filing thereof.

## ARTICLE 12

### MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Sellers shall execute, acknowledge and deliver to Purchaser any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Purchaser at any time and shall take any and all other actions reasonably requested by Purchaser at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Purchaser, the Assets. After consummation of the transaction contemplated in this Agreement, the parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; *provided, however*, that no party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties which consent shall not be unreasonably withheld or delayed, except that Purchaser

may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the parties hereto.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated by reference herein. From the Signing Date until the Closing, the parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, but subject to Section 9.2(c), should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article III merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on the face of such disclosure, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5) calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

12.7 Headings. The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related to this Agreement or any other transaction contemplated hereby and each shall have the right to review and comment on the other's press releases prior to issuance; *provided, however*, that nothing in this Section 12.8 shall be deemed to prohibit either Sellers or Purchaser from making

any disclosure that its counsel deems necessary or advisable in order to satisfy either party's disclosure obligations imposed by law subject to reasonable prior notice to the other party thereof.

12.9 Fair Meaning. This Agreement shall be construed according to its fair meaning and as if prepared by all parties hereto.

12.10 Gender and Number; Construction; Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word "including" followed by a listing does not limit the preceding words or terms and shall mean "including, without limitation." Any reference in this Agreement to an "affiliate" shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A "Person" shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.11 Third Party Beneficiary. None of the provisions contained in this Agreement are intended by the parties, nor shall they be deemed, to confer any benefit on any person not a party to this Agreement, except for the parties' successors and permitted assigns, and except for any liquidating trustee or plan administrator for Sellers' estate.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the parties hereto. The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding between the parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the parties on the subject matter hereof (the "**Superseded Agreements**"), which

Superseded Agreements shall be of no further force or effect; provided, that notwithstanding the foregoing, the letter Confidentiality Agreement dated July 12, 2018 between Purchaser and Cain Brothers, a division of KeyBanc Capital Markets Inc., on behalf of Sellers and their related entities shall not be a Superseded Agreement and shall continue in full force in effect in accordance with its terms.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the party which is entitled to the benefit thereof but only by a written notice signed by the party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a party shall not be deemed to be a waiver of any preceding breach by any other party of any term, covenant or condition of this Agreement, other than the failure of such other party to perform the particular duties so accepted, regardless of the accepting party's knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

**INSTRUCTIONS**

The filing of a bankruptcy case creates an “estate” under the jurisdiction of the bankruptcy court which consists of all of the property of the debtor, wherever that property is located. Because the bankruptcy estate is so extensive and the jurisdiction of the court so broad, there may be lawsuits over the property or property rights of the estate. There also may be lawsuits concerning the debtor’s discharge. If such a lawsuit is filed in a bankruptcy court, it is called an adversary proceeding.

A party filing an adversary proceeding must also must complete and file Form 1040, the Adversary Proceeding Cover Sheet, unless the party files the adversary proceeding electronically through the court’s Case Management/Electronic Case Filing system (CM/ECF). (CM/ECF captures the information on Form 1040 as part of the filing process.) When completed, the cover sheet summarizes basic information on the adversary proceeding. The clerk of court needs the information to process the adversary proceeding and prepare required statistical reports on court activity.

The cover sheet and the information contained on it do not replace or supplement the filing and service of pleadings or other papers as required by law, the Bankruptcy Rules, or the local rules of court. The cover sheet, which is largely self-explanatory, must be completed by the plaintiff’s attorney (or by the plaintiff if the plaintiff is not represented by an attorney). A separate cover sheet must be submitted to the clerk for each complaint filed.

**Plaintiffs and Defendants.** Give the names of the plaintiffs and defendants exactly as they appear on the complaint.

**Attorneys.** Give the names and addresses of the attorneys, if known.

**Party.** Check the most appropriate box in the first column for the plaintiffs and the second column for the defendants.

**Demand.** Enter the dollar amount being demanded in the complaint.

**Signature.** This cover sheet must be signed by the attorney of record in the box on the second page of the form. If the plaintiff is represented by a law firm, a member of the firm must sign. If the plaintiff is pro se, that is, not represented by an attorney, the plaintiff must sign.

- c) The last day to disclose expert witnesses and expert witness reports is 09/01/2020.
- d) The last day to disclose rebuttal expert witnesses and rebuttal expert witness reports is 10/01/2020.
- e) The last date to complete discovery relating to expert witnesses (e.g., depositions of expert witnesses), including hearings on motions related to expert discovery, is 10/20/2020.<sup>1</sup>

- h) A Pretrial Conference is set for 11/17/2020 at 11:00 a.m. By no later than fourteen days prior to the Pretrial Conference, the parties must submit a Joint Pretrial Stipulation via the Court's Lodged Order Upload (LOU) system. Submission via LOU allows the Court to edit the Joint Pretrial Stipulation, if necessary. Parties should consult the Court Manual, section 4, for information about LOU.
- i) In addition to the procedures set forth in Local Bankruptcy Rule 7016-1(b), the following procedures govern the conduct of the Pretrial Conference and the preparation of the Pretrial Stipulation:
  - i) By no later than thirty days prior to the Pretrial Conference, the parties must exchange copies of all exhibits which each party intends to introduce into evidence (other than exhibits to be used solely for impeachment or rebuttal).
  - ii) When preparing the Pretrial Stipulation, all parties shall stipulate to the admissibility of exhibits whenever possible. In the event any party cannot stipulate to the admissibility of an exhibit, that party must file a Motion in Limine which clearly identifies each exhibit alleged to be inadmissible and/or prejudicial. The moving party must set the Motion in Limine for hearing at the same time as the Pretrial Conference; notice and service of the Motion shall be governed by LBR 9013-1. The Motion in Limine must contain a statement of the specific prejudice that will be suffered by the moving party if the Motion is not granted. The Motion must be supported by a memorandum of points and authorities containing citations to the applicable Federal Rules of Evidence, relevant caselaw, and other legal authority. Blanket or boilerplate evidentiary objections not

<sup>1</sup> For contemplated hearings on motions related to expert discovery, it is counsel's responsibility to check the Judge's self-calendaring dates, posted on the Court's website. If the expert discovery cutoff date falls on a date when the court is closed or that is not available for self-calendaring, the deadline for hearings on expert discovery motions is the next closest previous date which is available for self-calendaring.

<sup>2</sup> If the motion cutoff date is not available for self-calendaring, the deadline for dispositive motions to be heard is the next closest previous date which is available for self-calendaring.

- iii) The failure of a party to file a Motion in Limine complying with the requirements of ¶ (2)(i)(ii) shall be deemed a waiver of any objections to the admissibility of an exhibit.
  - iv) Motions in Limine seeking to exclude testimony to be offered by any witness shall comply with the requirements set forth in ¶ (2)(i)(ii), and shall be filed by the deadline specified in ¶ (2)(i)(ii). The failure of a party to file a Motion in Limine shall be deemed a waiver of any objections to the admissibility of a witness's testimony.
  - j) Trial is set for the week of **11/30/2020**. The trial day commences at 9:00 a.m. The exact date of the trial will be set at the Pretrial Conference. Consult the Court's website for the Judge's requirements regarding exhibit binders and trial briefs.
- 2) Unless otherwise ordered, the Status Conference and Pretrial Conference shall be conducted by telephone conference. However, any party or counsel may appear in person if they wish. Any party who is not represented by counsel must appear at the Status Conference and Pretrial Conference in person.
  - 3) This Order applies to counsel for all parties and persons not represented by counsel. **With respect to the Status Conference, all counsel and parties shall comply with Local Bankruptcy Rules 7016-1(a)(2)–(3), which require the filing of a Joint Status Report at least fourteen days before the Status Conference or Unilateral Status Reports at least seven days before the Status Conference.** The failure to timely file a Status Report may result in the imposition of sanctions as deemed appropriate by the Court. Such sanctions may include, without limitation, the imposition of monetary penalties, entry of a judgment of dismissal for failure to prosecute, or the striking of the Answer and the entry of default.
  - 4) Unless otherwise ordered, all applicable Local Bankruptcy Rules continue to apply as set forth in the EARLY MEETING OF COUNSEL, JOINT STATUS CONFERENCE INSTRUCTIONS, which is attached and incorporated herein by this reference. In particular, all parties shall review the Third Amended General Order No. 95-01 ("Adoption of Mediation Program for Bankruptcy Cases and Adversary Proceedings"), located on the Court's website.
  - 5) Plaintiff shall serve a copy of this order as well as the EARLY MEETING OF COUNSEL, JOINT STATUS CONFERENCE INSTRUCTIONS on all parties along with the Summons and Complaint. **Proof of Service of the Summons and Complaint must indicate that such copies were served in accordance with this Order.**
  - 6) Any party contesting this Court's authority to enter a final order or judgment in this matter must file and serve a written objection no later than fourteen days prior to the date set for the first Status Conference. *See Wellness Int'l Network, Ltd. v. Sharif*, 135 S. Ct. 1932 (2015). Failure to raise the issue in accordance with the requirements set forth above will be deemed consent to this court's authority to enter a final order or judgment.

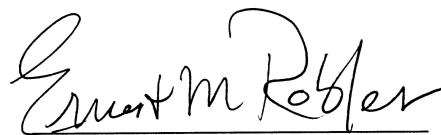

If an objection is filed and served the Court may set a hearing date and a briefing schedule. Alternatively, the Court may rule on the objection without a hearing.

IT IS SO ORDERED.

- 2) The Status Conference will be conducted **by telephone** at the date and time shown on the summons. However, any party or counsel may appear in person if they wish. - 3) Plaintiff must serve, with the summons and complaint, a notice that compliance with **Local Bankruptcy Rule 7026-1** is required. Plaintiff must also file proof of service of the notice with proof of service of the summons and complaint. Pursuant to **Local Bankruptcy Rule 7026-1**, counsel for the parties **MUST TIMELY MEET TO DISCUSS SETTLEMENT AND TO EXCHANGE DOCUMENTS, OTHER EVIDENCE, AND LISTS OF WITNESSES AND PRELIMINARY DISCOVERY SCHEDULES AS PROVIDED IN SAID RULE.**
- 4) Unless all defendants have defaulted, the parties shall file Form **F 7016-1.Status.Report** (available on the Court's website) pursuant to **Local Bankruptcy Rule 7016-1(a)(2)** at least 14 days before the date of the Status Conference. If **Local Bankruptcy Rule 7026-1** applies, the parties must include in the Joint Status Report a statement that they have met to discuss settlement and have exchanged documents, other evidence, lists of witnesses and preliminary discovery schedules. **If the parties request dates for discovery cut-off, pre-trial, trial, or other litigation deadlines other than those ordered herein, this request shall be made in the Joint Status Report.**
- 5) If no response to the complaint is timely filed, plaintiff may request entry of default by the clerk or by the court. Plaintiff may also request entry of a default judgment by filing and serving an appropriate motion. *See* Fed. R. Bankr. P. 7055 and Local Bankruptcy Rule 7055.

Parties submitting late filings may be subject to Court Call's regular charges even if the hearing never takes place.

- 7) Unless otherwise ordered, all applicable Local Bankruptcy Rules apply and shall be strictly enforced. In particular, all parties and counsel are encouraged to review Local Bankruptcy Rule 7026-1 (procedures governing the early meeting of counsel), Local Bankruptcy Rule 7016-1 (procedures governing Status Conferences and Pretrial Conferences), and Third Amended General Order No. 95-01 (“Adoption of Mediation Program for Bankruptcy Cases and Adversary Proceedings”).
- 8) If the parties dispute whether the adversary proceeding is “**core**” or “**non-core**,” they shall file points and authorities in support of their positions. Any party that contends the proceeding is “**non-core**” shall file and serve its points and authorities at least **14 days** before the Status Conference. Any response must be filed and served at least seven days before the Status Conference.
- 9) Failure to comply with these instructions including the failure to timely file a Joint Status Report will subject the responsible party to monetary **sanctions**, without a further hearing.
- 10) Failure of counsel for any party to appear at a Status Conference or Pretrial Conference may be considered an abandonment or failure to prosecute or defend diligently and the proceeding may be dismissed or judgment entered against the defaulting party without a further hearing.
- 11) Plaintiffs demanding trial by jury in the bankruptcy court shall file a demand with their complaint. All other parties should indicate whether they consent to a jury trial before the Bankruptcy Court in the Joint Status Report filed in connection with the initial Status Conference.

## **INSTRUCTIONS FOR TELEPHONIC APPEARANCES**

**For Judge Ernest M. Robles  
United States Bankruptcy Court, Los Angeles Division**

Telephone appearances will be arranged through *Court Call*<sup>TM</sup>. Court Call is an independent conference call company that arranges conference calls nationally for Courts.

It is counsel's responsibility to schedule their telephonic appearance at least 5 court days prior to the hearing date by contacting CourtCall at 866-582-6878 or via internet by registering at [www.courtcall.com](http://www.courtcall.com).

Written confirmation will be provided for each separate CourtCall Appearance. If you have not received a written Confirmation, prior to the hearing date, please contact CourtCall immediately or you may be precluded from the telephone calendar.

It is the participant's responsibility to dial into to their conference by using the 800 number provided by CourtCall. The CourtCall Operator will not dial out to connect a participant.

Payment: CourtCall accepts 2 forms of payment:

- 1) Credit or Debit Card
- 2) CourtCall Debit Account

\*\*\*Please contact CourtCall for more detailed information, not the Court.

Do not argue with Court Call or request special treatment. Court Call's function is no more than to offer you the opportunity to appear by telephone. Your election to appear by telephone constitutes your agreement for telephonic appearances.

At the time of the hearing, you will initially be placed in "Listen-only" mode and able to hear all proceedings just as if you were in the courtroom. Your line will be placed "Live" once the Judge calls your case. Each time a participant speaks to the Court, he or she must identify themselves for the record. When the Judge informs the participants that the hearing is completed, the participants may disconnect and the next case will be called. Please remain on the line if you are appearing on multiple cases on the same calendar.

Telephonic appearances are connected directly with the courtroom's public address system and electronic recording equipment so that a normal record is produced. To ensure a quality record, the use of car phones, public telephone booths, or phones in other public places is prohibited except in the most extreme emergencies. Participants should be able to hear all parties without difficulty or echo. The system also allows more than one speaker to be heard so that the Judge can interrupt a speaker to ask a question or redirect the discussion.

Telephonic appearances by multiple participants are only possible when there is compliance with every procedural requirement. Sanctions may be imposed when there is any deviation from the required procedures or the Court determines that a person's conduct makes telephonic appearances inappropriate. Sanctions may include dropping a matter from calendar, continuing

the hearing, proceeding in the absence of an unavailable participant, a monetary sanction, or a permanent prohibition against a person appearing telephonically.

**SUMMARY**

Pursuant to Local Bankruptcy Rules 2081-1(a)(12) and 9075-1, and 11 U.S.C. § 105(a), Strategic Global Management, Inc. (“SGM”) moves for a stay on the ground this Court lacks jurisdiction to adjudicate the Adversary Proceeding until final resolution of SGM’s appeals from three of this Court’s Orders, which are currently pending in the U.S. District Court for the Central District of California (the “District Court”), and on which the Adversary Proceeding is based. This Court may not take any action on the Adversary Proceeding, including any pre-trial action, before the appeals are resolved, lest it disturb the *status quo* and usurp the jurisdiction of the District Court. Accordingly, all matters relating to the Adversary Proceeding, including the filing of any responsive pleading by the Defendants or compliance with this Court’s Scheduling Order of January 6, 2020, must be stayed pending the final adjudication of the Appeals.

**ADDITIONAL INFORMATION**

The Motion is based upon Local Bankruptcy Rules 2081-1(a)(12) and 9075-1, 11 U.S.C. §105(a), the Motion, the supporting Memorandum of Points and Authorities and Klausner Declaration annexed hereto, the arguments and statements of counsel made at the hearing on the Motion, and other admissible evidence properly brought before the Court.

Concurrently with the filing of the Motion with the Court, SGM has served the Motion by messenger on the Office of the United States Trustee, counsel for the Debtor and counsel to the Official Committee of Unsecured Creditors (as a courtesy only). Notice of the hearing date and time on the Motion will also be served by overnight mail (or in another manner directed by the Court) once set by the Court. Additional hard copies or electronic copies of the Motion are available upon request to counsel for SGM, whose contact information is located on the upper-left hand corner of the Motion.

**WHEREFORE**, SGM respectfully requests that this Court enter an order staying the Adversary Proceeding and all matters relating to the Adversary Proceeding, including the filing of any responsive pleading or compliance with this Court’s Scheduling Order of January 6, 2020 pending resolution of the Appeals.

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 Strategic Global Management, Inc. (“SGM”) submits this emergency motion for a stay of  
3 the Adversary Proceedings, Case No. 2:20-ap-01001-ER, filed by Verity Health System of  
4 California, Inc., St. Vincent Medical Center, St. Vincent Dialysis Center, Inc., St. Francis Medical  
5 Center, Seton Medical Center, and Verity Holdings, LLC (“Plaintiffs”).

6 **I. INTRODUCTION**

7 “The filing of a notice of appeal is an event of jurisdictional significance-it confers  
8 jurisdiction on the court of appeals and divests the district court of its control over those aspects  
9 of the case involved in the appeal.” *Griggs v. Provident Consumer Discount Co.*, 459 U.S. 56, 58  
10 (1982). This rule applies to matters on appeal from the bankruptcy court. *Matter of Combined*  
11 *Metals Reduction Co.*, 557 F.2d 179, 200 (9th Cir. 1977).

12 SGM moves for a stay on the ground this Court lacks jurisdiction to adjudicate the  
13 Adversary Proceeding until final resolution of SGM’s appeals from three of this Court’s Orders,  
14 which are currently pending in the U.S. District Court for the Central District of California (the  
15 “District Court”), and which touch directly on the issues raised in the Adversary Proceeding.  
16 This Court cannot take any action on the Adversary Proceeding, including any pre-trial action,  
17 before the appeals are resolved, lest it disturb the *status quo* and usurp the jurisdiction of the  
18 District Court. Accordingly, all matters relating to the Adversary Proceeding, including the filing  
19 of any responsive pleading by the Defendants or compliance with this Court’s Scheduling Order  
20 of January 6, 2020, must be stayed pending the final adjudication of the Appeals.

21 **II. STATEMENT OF FACTS & PROCEDURAL HISTORY**

22 In November 2019, this Court issued Orders dated November 14 (Doc. No. 3611),  
23 November 18 (Doc. No. 3633), and November 27 (Doc. No. 3724), all of which are pending  
24 appeal in the District Court.

25 In its November 14 Order, the Court granted, over SGM’s objection, *Debtors’ Emergency*  
26 *Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic*  
27 *Global Management, Inc.; (II) Finding that the Sale Is Free and Clear of Conditions Materially*  
28 *Different than Those Approved by the Court*, ruling that the Assets (as defined in the APA) were

1 to be sold free and clear of Additional Conditions imposed by the California Attorney General  
2 (“AG”). SGM objected to the November 14 Order because the language agreed to by the Debtors  
3 and the AG failed to provide SGM the protection to which it was entitled under Section 8.6 of the  
4 APA.

5 In its November 18, Order, the Court held, *sua sponte*, without any adjudication of the  
6 merits, that the Debtors had complied with their obligations under Section 8.6 of the APA and  
7 that SGM was obligated “to promptly close the SGM Sale, provided that all other conditions to  
8 closing have been satisfied.” (Doc No. 3633.)

9 In the November 27 Order and accompanying Memorandum of Decision, the Court ruled  
10 *sua sponte*, and without any adjudication of the merits, that “all conditions precedent to SGM’s  
11 obligation to close the SGM Sale have been satisfied,” and that SGM was thus “obligated to close  
12 by no later than December 5, 2019.” (Doc. No. 3723.)

13 SGM timely appealed these Orders to the District Court. *See* Case Nos. 2:19-cv-10352;  
14 2:19-cv-10354; and 2:19-cv-10356, respectively (collectively “the Appeals”).

15 On December 10, 2019, Plaintiffs filed an “Emergency Motion to Dismiss” SGM’s appeal  
16 of the November 14 Order; and, on December 19, 2019, they filed two similar “Emergency  
17 Motions to Dismiss” the Appeals of the November 18 and November 27 orders, arguing, *inter*  
18 *alia*, that the Orders appealed from were not final, appealable orders. All three motions were  
19 denied by the District Court, Honorable Dale S. Fischer presiding, on December 20, 2019.<sup>1</sup>

20 Notwithstanding the pendency of the Appeals, Plaintiffs filed an Adversary Proceeding in  
21 this Court against SGM and others on January 3, 2020, seeking damages related to SGM’s failure  
22 to close by December 5, 2019. As we show, the Adversary Proceeding cannot go forward in this  
23 Court because it covers the same ground as, and is based on, the rulings on appeal.

24 As a separate matter, Plaintiffs’ Adversary Proceeding is jurisdictionally flawed because it

25  
26  
27 <sup>1</sup> On December 20, 2019, SGM filed a motion to consolidate the three Appeals on the grounds  
28 they involve the same parties, the same operative facts, the same record, and same issues.  
Plaintiffs did not oppose SGM’s consolidation motion, which is set for hearing on January 27,  
2020.

names a number of parties, including Kali P. Chaudhuri, M.D., KPC Healthcare Holdings, Inc., KPC Health Plan Holdings, Inc., KPC Healthcare, Inc., and KPC Global Management, LLC (the “Non-SGM Defendants”), who have had no involvement in the Chapter 11 proceedings – they have not filed proofs of claim or participated in the Chapter 11 cases in any way; they have not waived their right to trial by an Article III court or their right to trial by jury; and they have not consented to having any specific issue, dispute, or motion relating to the Adversary Proceeding adjudicated by this Court. These Non-SGM Defendants are thus not properly before this Court.

On January, 14, 2020, Defendants’ counsel requested that Plaintiffs’ counsel extend the deadline for Defendants to respond to the Adversary Complaint 30 days to allow this Motion to be heard on normal notice. *See* Declaration of Gary Klausner ¶ 11. Plaintiffs refused to grant this request, thus necessitating that this motion be heard on an emergency basis. *Id.* ¶ 11 (attaching Plaintiffs’ counsel’s January 15, 2020 email stating that Defendants’ ability to file this motion “on an expedited basis ... undermines any notion that additional time is needed [to respond to the Complaint].”)

### **III. ARGUMENT**

#### **A. This Court lacks jurisdiction over the Adversary Proceeding, which should be stayed pending resolution of the three Appeals.**

The pending Appeals divest this Court of jurisdiction over the Adversary Proceeding, because it raises claims based on the rulings set forth in this Court’s November 14, November 18 and November 27 Orders, all of which are pending appeal in the District Court. (*See, e.g.* Compl. ¶¶ 74-76; 83-95; 100; 107).

“The general rule is that once a notice of appeal has been filed, the lower court loses jurisdiction over the subject matter of the appeal.” *Combined Metals*, 557 F.2d at 200 (“The filing of a timely and sufficient notice of appeal has the effect of immediately transferring jurisdiction from the district court to the court of appeals with respect to any matters involved in the appeal. . . . Thus, after a notice of appeal is timely filed, the district court has no power to vacate the judgment, or to grant the appellant’s motion to dismiss the action without prejudice, or to allow the filing of amended or supplemental pleadings.”) (quoting 9 Moore’s Federal Practice,

1 2d ed., P 203.11, pp. 734-36) (further citations omitted); *see also Griggs*, 459 U.S. at 58 (“The  
2 filing of a notice of appeal is an event of jurisdictional significance-it confers jurisdiction on the  
3 court of appeals and divests the district court of its control over those aspects of the case involved  
4 in the appeal.”).

5 While bankruptcy courts have “wide latitude to reconsider and vacate its prior decisions,  
6 so long as the proceedings have not been terminated,” they are nevertheless bound by the general  
7 rule that an appeal divests the lower court of the power to modify the order or decision being  
8 appealed. *Combined Metals Reduction Co.*, 557 F.2d at 200-201. A different result “would  
9 permit bankruptcy courts to divest the courts of appeals of jurisdiction over appeals.” *Id.* at 201;  
10 *accord, e.g., In re Bialac*, 694 F.2d 625, 627 (1982) (following *Combined Metals*); *Midwest*  
11 *Properties No. Two v. Big Hill Inv. Co., Inc.*, 93 B.R. 357, 360 (N.D. Tex., 1988) (“The rule is  
12 well established that the taking of an appeal transfers jurisdiction from the Bankruptcy Court to  
13 the Appellate Court with regard to any matters involved in the appeal and divests the Bankruptcy  
14 Court of jurisdiction to proceed further with such matters[.]”); *Matter of Urban Development*  
15 *Ltd., Inc.*, 42 B.R. 741, 744 (Bankr. Fla., 1984) (“While the bankruptcy court has a wide latitude  
16 to reconsider and vacate its own prior decisions, it may not do anything which has any impact on  
17 the order on appeal.”); *In re Butcher Boy Meat Market, Inc.*, 10 B.R. 258, 259 (Bankr. Pa., 1981).

18 “This [jurisdictional] rule is clearly necessary to prevent the procedural chaos that would  
19 result if concurrent jurisdiction were permitted.” *Matter of Urban Development Ltd., Inc.*, 42 B.R.  
20 741 (Bankr. M.D. Fla., 1984) (citing *Combined Metals, supra*); *see also In re Kendrick*  
21 *Equipment Corp.*, 60 B.R. 356, 358 (Bankr. W.D. Va., 1986) (“The divestment of jurisdiction is a  
22 judicial rule to avoid confusion and waste of time that might flow from putting the same issue  
23 before two courts at the same time.”).

24 The Adversary Proceeding seeks damages arising from SGM’s failure to close the Sale,  
25 and relies heavily on this Court’s conclusions (set forth in the Orders on appeal) that Plaintiffs  
26 had complied with all of the conditions required for closing and that SGM was obligated to close  
27  
28

1 on December 5, 2019. SGM’s appeals challenge these rulings on the merits,<sup>2</sup> and the manner in  
2 which they were decided, *i.e.*, without granting SGM notice or an opportunity to be heard.

3 Perusal of the Complaint readily demonstrates the degree to which the Adversary  
4 Proceeding overlaps with the challenged rulings. For example, Plaintiffs allege that SGM  
5 breached the APA by, *inter alia*: (1) “asserting entitlement to an ‘Evaluation Period’ when no  
6 such period existed after the entry of the Enforcement Order [the November 14 Order], the  
7 Section 8.6 Order [the November 18 Order] and the Closing Order [the November 27 Order]”;  
8 “appealing the Enforcement Order [the November 14 Order] to avoid its’ obligation to close and  
9 despite the APA’s requirement that Defendants cooperate to render it a final, nonappealable  
10 order”; and “filing meritless and frivolous Notices of Appeal.” Compl. ¶ 100. A plain and fair  
11 reading of the Complaint compels the conclusion that all of the claims and relief requested  
12 directly implicate the matters on appeal in the District Court.

13 SGM’s timely notices of appeal from this and two other Orders dealing with the  
14 interpretation of the APA divests this Court of jurisdiction, which transferred immediately to the  
15 District Court. Pursuant to the foregoing authorities, this Court may not take any action on  
16 Plaintiffs’ Adversary Complaint, because it covers the same ground as the matters pending appeal  
17 and any action, including pre-trial action, may displace the status quo. If, for example, this Court  
18 were to determine that SGM materially breached the APA because it failed to consummate and  
19 close the Sale by December 5, 2019 in accordance with the APA and its November 27 Order, it  
20 would usurp SGM’s right to appellate review, the jurisdiction of the District Court, and  
21 potentially the jurisdiction of the Ninth Circuit, should an appeal be taken by any party from the  
22 decision of the District Court.<sup>3</sup>

---

23  
24 <sup>2</sup> For example, SGM contends that Section 8.7 of the APA was not satisfied at the time the  
25 November 27 Order was entered, or on November 20 when Plaintiffs made their Closing  
26 Demand, because Plaintiffs had failed to enter into the type of agreement with Medi-Cal required  
by Section 8.7.

27 <sup>3</sup> It remains to be seen which tribunal should handle the Adversary Proceeding, as set forth in  
28 SGM’s forthcoming motion to withdraw the reference to this Court with respect to the Adversary  
Proceeding (the “Motion to Withdraw the Reference”). SGM’s Motion to Withdraw the

**B. Emergency Relief is Necessary Because Defendants' Response to the Complaint must be Filed on or Before February 5, 2020.**

The Summons and Notice of Status Conference issued by this Court on January 6, 2020 requires Defendants to file and serve their responses to the Complaint on or before February 5, 2020. If this motion were heard on normal notice, any ruling on this motion would be delayed until at least 21 days from the filing of this motion; which would be after the deadline for responding to the Complaint. Recognizing this problem, Defendants requested that Plaintiff stipulate to a 30 day extension of the response date to permit this motion to be heard on normal notice. Plaintiffs refused to consent. Accordingly, this motion must be heard on an emergency basis so that Defendants' request for a stay (to which they are entitled) can be heard and decided before any response to the Complaint is due or other action needs to be taken in connection with the Adversary Proceeding.

**IV. CONCLUSION**

For all of the foregoing reasons, the Adversary Proceeding and all matters relating to the Adversary Proceeding, including the filing of any responsive pleading or compliance with this Court's Scheduling Order of January 6, 2020 should be stayed pending resolution of the Appeals.

Re: In re Verity Health Systems, Inc., Debtor  
Verity Health Systems of California, Inc., et al v. Strategic Global  
Management, Inc., et al, Adversary No. 2:20-ap-01001-ER

Dear Sonia:

The Summons and Notice of Status Conference in the above captioned Adversary Proceeding [LBR 7004-1] provides for the Defendants to file and serve a written response on or before February 5, 2020. The purpose of this letter is to request from Plaintiffs a 30-day extension of time for Defendants to respond to the Complaint, i.e. through March 5, 2020.

SGM intends to file a motion for a stay of all matters pertaining to the Adversary Proceeding, including the filing of responses by any of the Defendants. The motion for stay will be based upon the existence of the three appeals currently pending before District Judge Fischer, from the Bankruptcy Court's Orders of November 14, November 18 and November 27, 2019 (herein the "Appeals").

In its November 27 Memorandum Decision and Order, the Bankruptcy Court ruled that, as of November 19, 2019, Verity had complied with all of the conditions required of it for closing the SGM sale and concluded that SGM was obligated to close the sale by December 5, 2019 pursuant to Verity's closing demand of November 20, 2019. SGM has appealed from that Order. Similarly, SGM has appealed the November 14 Order and November 18 Order, which purported to establish Verity's compliance with APA section 8.6.

The pendency of the Appeals divests the Bankruptcy Court of jurisdiction to adjudicate the Adversary Proceeding. *Griggs v. Provident Consumer Discount Co.*, 459 U.S. 56, 58 (1982); *Matter of Combined Metals Reduction Company*, 557 S. 2d. 179, 200-201 (9<sup>th</sup> Cir. 1977). As a result, the District Court now has exclusive jurisdiction over the subject matter of the Appeals. Therefore, so long as the Appeals are pending, the Bankruptcy Court lacks jurisdiction to make any rulings related or bearing on the issues, which are the subject of appeal, i.e. Verity's compliance with all of its closing conditions and SGM's breach for failing to close the APA on December 5, 2019 – all of which are the subject matter, and indeed the core allegations, of the Complaint.

At this time, we are not requesting that Verity stipulate to a stay; only that the response date be extended to March 5, 2020 to enable SGM to bring its stay motion on

normal notice. If after having seen SGM's motion for stay Verity is in agreement that the Bankruptcy Court has been divested of jurisdiction regarding the Adversary Proceeding, we will work in good faith with you to enter into a stipulation providing for a stay pending the resolution of the Appeals.

Please confirm that you will grant the extension by Wednesday January 15 at 5:00 p.m. If for some reason Verity will not agree to the extension, please explain your reasoning for refusing to grant a request for an extension that is both (1) generally granted as a normal professional courtesy (See Central District's Civility Guidelines § B, 2) and (2) would allow the parties and the Court a full opportunity to address the motion to stay. If we do not have Verity's agreement at that time then we will ask that the Court hear the motion on an expedited basis.

Finally, the request for this extension is without prejudice to any of the rights, claims or defenses of any of the parties to the Adversary Proceeding.

Very truly yours,

Gary E. Klausner

Gary:

Your request for a 30-day extension is not reasonable under the circumstances.

First, the appeals and the complaint are not a surprise and you have been involved in all of the briefing and the events to date. To the extent you believe the three orders that your clients appealed need a stay to protect them (putting aside that they never filed motions to stay the effect of those orders), your clients have more than enough time to prepare such a motion. The defendants' responses are due February 5 (22-days from your request and 30 days after issuance of the summons and the complaint). Indeed, in the same letter in which you requested this extension, you also threatened alternatively to move for such relief on an expedited basis, which undermines any notion that additional time is needed.

Second, the length of time of your request is not reasonable, as it seeks to extend the 30-day period by an additional 30 days without any explanation and to the prejudice of the Debtors. Indeed, you have cited to the Central District's Civility Rules, which state that counsel will not request an extension of time solely for the purpose of unjustified delay or to obtain a tactical advantage.

Third, your firm is not new to the representation of SGM or Dr. Chaudhuri, and your clients' request for an extension is not taken lightly by the Debtors given the harm your clients caused to the hospitals and the Debtors' estates and the need to move with alacrity given the nature of the bankruptcy cases (including the daily cash losses of \$450,000).

Consequently, the Debtors will not agree to your request for a 30-day extension. The Debtors, however, we will agree to a one week (7 day) extension of your time to respond under FRBP 7012 for each client that you represent, provided you confirm to us today the identity of each client that you expect to represent.

- 5) Official Committee of Unsecured Creditors' Emergency Notice of Motion and Motion to Intervene Re: Strategic Global Management, Inc.'s Emergency Motion to Stay Adversary Proceeding (the "Intervention Motion") [Adv. Doc. No. 27]

**I. Facts and Summary of Pleadings**

On August 31, 2018 (the "Petition Date"), Verity Health System of California ("VHS") and certain of its subsidiaries (collectively, the "Debtors") filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtors' cases are being jointly administered. *See* Doc. No. 17.

As of the Petition Date, the Debtors operated six acute care hospitals in the state of California. On December 27, 2018, the Court authorized the Debtors to sell two of their hospitals—O'Connor Hospital and Saint Louise Regional Hospital—to Santa Clara County (the "Santa Clara Sale"). The Santa Clara Sale closed on February 28, 2019.

**A. The Asset Purchase Agreement Between the Debtors and Strategic Global Management**

On February 6, 2019, the Court conducted a hearing to establish bidding procedures for the auction of the Debtors' four remaining hospitals—St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (including St. Vincent Dialysis Center) ("St. Vincent"), Seton Medical Center ("Seton"), and Seton Medical Center Coastsides ("Seton Coastsides") (collectively, the "Hospitals"). That hearing required the Court to determine whether to approve an Asset Purchase Agreement (the "APA") between the Debtors and Strategic Global Management ("SGM"). The APA provided that SGM would serve as the stalking-horse bidder for the auction of the Hospitals.

At the February 6, 2019 hearing, the Court found that the termination rights granted to SGM in the APA were unduly broad. In response to the Court's concerns, the Debtors renegotiated the APA to limit SGM's termination rights. On February 19, 2019, the Court entered an order establishing bidding procedures for the auction of the Hospitals and approving the renegotiated APA (the "Bidding Procedures Order") [Bankr. Doc. No. 1572].

The renegotiated provision of the APA—set forth in Section 8.6—pertained to SGM's ability to terminate the transaction in the event that the California Attorney

General (the "Attorney General") sought to impose conditions on the sale that were not substantially consistent with those conditions that SGM had agreed to accept (the "Purchaser Approved Conditions"). In the event that the Attorney General sought to impose conditions materially different from the Purchaser Approved Conditions (the "Additional Conditions"), the APA provided the Debtors an opportunity to seek an order from the Court that the Hospitals could be sold free and clear of the Additional Conditions under § 363(f) of the Bankruptcy Code (an order granting such relief, the "Supplemental Sale Order").

Notwithstanding thorough marketing efforts, the Debtors did not receive any qualified bids for all of the Hospitals. The Debtors received one bid to purchase only St. Vincent and one bid to purchase only St. Francis. After consulting with the Official Committee of Unsecured Creditors (the "Committee") and the largest secured creditors, the Debtors determined not to conduct an auction. On May 2, 2019, the Court entered an order finding that SGM was the winning bidder and approving the sale of the Hospitals to SGM for \$610 million (the "SGM Sale"). *See* Bankr. Doc. No. 2306 (the "Sale Order").

**B. The Supplemental Sale Order**

Pursuant to Cal. Corp. Code § 5914, the Debtors submitted the SGM Sale to the Attorney General for review. On September 25, 2019, the Attorney General consented to the SGM Sale, subject to Additional Conditions that were materially different from the Purchaser Approved Conditions. In response, the Debtors moved for entry of a Supplemental Sale Order. On October 23, 2019, the Court issued a *Memorandum of Decision Granting the Debtors' Emergency Motion to Enforce the Sale Order* (the "Sale Enforcement Memorandum") [Bankr. Doc. No. 3446]. The Sale Enforcement Memorandum found that the Debtors were entitled to entry of a Supplemental Sale Order, on the ground that § 363 of the Bankruptcy Code authorized the Debtors to sell the Hospitals free and clear of the Additional Conditions. The Sale Enforcement Memorandum directed the Debtors to lodge a proposed form of the Supplemental Sale Order.

Between October 23 and November 8, 2019, the Debtors, the Attorney General, and SGM attempted to negotiate a consensual form of the Supplemental Sale Order. *See* Bankr. Doc. No. 3573 (Debtors' description of attempts to arrive upon a consensual form of order). The Debtors reached an agreement with the Attorney General, under which the Attorney General would not appeal the Supplemental Sale Order, but only if the Court entered the Supplemental Sale Order in the exact form

negotiated by the Debtors and the Attorney General.

SGM objected to the form of order negotiated between the Debtors and the Attorney General. On November 13, 2019, the Court conducted a hearing on SGM's objections. The Court overruled SGM's objections and entered the Supplemental Sale Order in the form negotiated between the Debtors and the Attorney General. *See* Doc. Nos. 3620 (transcript of hearing addressing SGM's objections) and 3611 (form of the Supplemental Sale Order entered by the Court). On November 29, 2019, SGM appealed the Supplemental Sale Order. *See* Bankr. Doc. No. 3726 (Notice of Appeal). The appeal is currently pending before the District Court (Case No. 2:19-cv-10352-DSF).

**C. The Section 8.6 Memorandum of Decision and Order**

At the hearing on SGM's objections to the form of the Supplemental Sale Order, SGM argued that after entry of the Supplemental Sale Order, it would have 21 business days to evaluate, in the exercise of its reasonable business judgment, whether the Supplemental Sale Order was acceptable (the "Evaluation Period"), pursuant to § 8.6 of the APA.

On November 18, 2019, the Court entered a memorandum of decision and accompanying order rejecting SGM's argument that it was entitled to the Evaluation Period. *See* Bankr. Doc. Nos. 3632 (the "Section 8.6 Memorandum") and 3633 (the "Section 8.6 Order"). The Court found that under the plain language of the APA, SGM was entitled to the Evaluation Period only if the Supplemental Sale Order was subject to a pending appeal. *See* Section 8.6 Memorandum at 3. The Court further found that based upon representations SGM had made at a February 6, 2019 hearing regarding the purpose of § 8.6 of the APA, SGM was judicially estopped from asserting that it was entitled to the Evaluation Period. *Id.* at 3–4. The Section 8.6 Order provided in relevant part: "The Debtors have complied with their obligation under the APA to obtain a final, non-appealable Supplemental Sale Order. Consequently, SGM is now obligated to promptly close the SGM Sale, provided that all other conditions to closing have been satisfied." Section 8.6 Order at ¶ 1.

On November 29, 2019, SGM appealed the Section 8.6 Order. *See* Bankr. Doc. No. 3727 (Notice of Appeal). The appeal is currently pending before the District Court, and has been consolidated with SGM's appeal of the Supplemental Sale Order.

accompanying order rejecting SGM's allegation that the Debtors had failed to comply with certain of the conditions and obligations imposed upon them by the APA, and that these alleged failures to perform had resulted in a Material Adverse Effect which relieved SGM of its obligation to close the SGM Sale. *See* Bankr. Doc. Nos. 3723 (the "Material Adverse Effect Memorandum") and 3724 (the "Material Adverse Effect Order"). The Court stated: "Article 1.3 [of the APA] obligates SGM to close the sale 'promptly but no later than ten (10) business days following the satisfaction' of all conditions precedent. As all conditions precedent were satisfied on November 19, 2019, SGM is obligated to close the sale by no later than December 5, 2019." Material Adverse Effect Memorandum at 7. The Material Adverse Effect Order provided in relevant part: "Pursuant to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019." Material Adverse Effect Order at ¶ 1.

On December 3, 2019, SGM appealed the Material Adverse Effect Order. *See* Bankr. Doc. No. 3746 (Notice of Appeal). The appeal is currently pending before the District Court, and has been consolidated with SGM's appeals of the Section 8.6 Order and Supplemental Sale Order.

**E. The Memorandum of Decision and Order Denying the Debtors' Application for Issuance of an Order Requiring SGM to Show Cause Why it Failed to Close the SGM Sale**

SGM did not close the SGM Sale by December 5, 2019. On December 6, 2019, the Debtors moved for issuance of an order requiring SGM to show cause why it had failed to close the sale. *See* Bankr. Doc. No. 3773. On December 9, 2019, the Court issued a memorandum of decision and accompanying order denying the Debtors' application for an Order to Show Cause. *See* Bankr. Doc. Nos. 3783 (the "OSC Memorandum") and 3784 (the "OSC Order"). The Court held:

Requiring SGM's representatives to testify as to SGM's reasons for not closing the SGM Sale would not increase the likelihood of the sale actually closing. By failing to close, SGM risks the loss of its \$30 million good-faith deposit as well as the possibility of damages for breach of contract in an amount of up to \$60 million. Being compelled to offer testimony will not motivate SGM to close where the threat of the loss of up to \$90 million has failed to accomplish that end. In the future, the Debtors will have the opportunity to litigate the issues of whether SGM has breached the APA and whether the Debtors are entitled to retain SGM's good-faith deposit. In the

**F. The Debtors' Complaint**

On January 3, 2020, the Debtors filed a *Complaint for Breach of Contract, Promissory Fraud, and Tortious Breach of Contract (Breach of Implied Covenant of Good Faith and Fair Dealing)* (the "Complaint") [Adv. Doc. No. 1] against SGM, KPC Healthcare Holdings, Inc., KPC Health Plan Holdings, Inc., KPC Healthcare, Inc., KPC Global Management, LLC, and Kali P. Chaudhuri, M.D. (collectively, the "Defendants," and all KPC entities collectively, "KPC"). The material allegations of the Complaint may be summarized as follows:

Debtors entered into the APA with SGM based upon SGM's representations that it would have the ability to pay the \$610 million purchase price and that it would work diligently to close the sale. Complaint at ¶¶ 40–45. SGM never anticipated that the Debtors would obtain a final, non-appealable Supplemental Sale Order. *Id.* at ¶ 58. Instead, SGM believed that even if the Debtors obtained the Supplemental Sale Order, that order would remain subject to an appeal, triggering the Evaluation Period under § 8.6 of the APA and giving SGM the option to withdraw from the transaction and/or coerce the Debtors to agree to a substantially reduced purchase price. *Id.* at ¶ 76. Had the Debtors known that SGM was not serious about paying the \$610 million purchase price, they would have pursued other options for the sale and disposition of the Hospitals. *Id.* at ¶ 45.

Debtors expended tremendous time, expenses, and resources to prepare for and close the SGM Sale in reliance on the APA and Sale Order. *Id.* at ¶ 59. Among other things, Debtors (a) sent "WARN Notices" to approximately 4,900 employees, pursuant to the Worker Adjustment and Retraining Notification Act of 1988, at three different times, as KPC continued to postpone the closing date; (b) spent months facilitating an efficient close of the sale, with approximately twenty different workstreams, meeting at least weekly with employees of KPC to ensure a smooth transition of operations and continued care of patients; (c) successfully negotiated and finalized modified collective bargaining agreements with the six unions representing the Hospitals' employees; and (d) coordinated changes in insurance coverages and insurance policies to ensure seamless coverage for employees and patients. *Id.* at ¶ 60.

**Chapter 11**

Despite the Debtors' good faith efforts to work towards a prompt closing of the SGM Sale, Defendants dragged their feet and frustrated Debtors' efforts. Defendants failed to ensure that financing, resources, management, and personnel were in place for Defendants to assume operations of the Hospitals in 2019. Defendants did so knowing that the Debtors were continuing to operate at a loss of approximately \$450,000 a day. *Id.* at ¶ 78. Among other things, Defendants (a) failed to timely engage with the Hospitals' primary revenue providers—health plans and physician groups—to provide assurances that their business relationships with the Hospitals would continue after the closing date; (b) failed to onboard a sufficient management team to run the Hospitals, and engaged in eleventh-hour efforts to hire away key members of the Debtors' management team; and (c) delayed decisions on the assumption or rejection of thousands of executory contracts, which created uncertainty for the counterparties to those contracts. *Id.* at ¶¶ 79–81.

On November 18, 2019, SGM's CEO, Peter Baranoff, telephoned Carsten Beith, at the Debtors' investment banker Cain, and stated that SGM could not obtain sufficient financing to close the SGM Sale. *Id.* at ¶ 86. Recognizing that the existence of financing is not a condition to close, SGM resorted to making unfounded and self-serving assertions that the Debtors breached the APA. *Id.* at ¶ 87. On November 22, 2019, SGM sent the Debtors letters setting forth issues that SGM asserted amounted to a Material Adverse Effect (the "November 22, 2019 Letters"). *Id.* at ¶ 88. The issues that SGM raised were not new—they were all known or discoverable during the diligence period that had expired at least nine months earlier. *Id.* And none of the issues altered SGM's obligation to close the SGM Sale by December 5, 2019, because the APA provided that the sale was "as is, where is." *Id.* Even after the Bankruptcy Court entered the Material Adverse Effect Order, which provided that SGM was required to close the SGM Sale by December 5, 2019, SGM refused to close the sale. *Id.* at ¶ 97.

Based upon the foregoing allegations, the Complaint asserts claims for breach of contract, promissory fraud, and tortious breach of contract for breach of the implied covenant of good faith and fair dealing. In Count I, for breach of contract, Debtors allege that the Defendants have materially and continually breached the APA by (a) failing to consummate and close the SGM Sale in accordance with the APA; (b) failing to have funds available to close the SGM Sale at the price set forth in the APA; (c) representing in § 3.9 of the APA and elsewhere that they had the ability to obtain "funds in cash in amounts equal to the purchase price"; (d) attempting to coerce the

Debtors to agree to a substantially reduced purchase price; (e) failing to cooperate with the Debtors and move with alacrity towards closing the SGM Sale; (f) making unfunded and untimely assertions of alleged Material Adverse Effects; (g) asserting entitlement to an "Evaluation Period" when no such period existed after entry of the Sale Enforcement Order, the Section 8.6 Order and the Material Adverse Effect Order; (h) appealing the Sale Enforcement Order to avoid its obligation to close and despite the APA's requirement that the Defendants cooperate to render it a final, nonappealable order; and (i) filing meritless and frivolous Notices of Appeal. *Id.* at ¶ 100.

In Count II, for promissory fraud, Debtors allege that at the time Defendants entered into the APA, Defendants had no intention of performing in accordance with the APA, and that Defendants concealed their true intention not to fund the \$610 million purchase price for the purpose of holding the estate, creditors, and patients at the Hospitals hostage in an attempt to extort a lower purchase price. *Id.* at ¶ 102.

In Count III, for tortious breach of contract, Debtors allege that Defendants tortiously breached the APA and the implied covenant of good faith and fair dealing by (a) entering into the APA with no intention to perform their obligations thereunder; (b) failing to consummate and close the SGM Sale in accordance with the APA; (c) failing to have funds available to close the SGM Sale at the \$610 million purchase price set forth in the APA; (d) attempting to coerce Plaintiffs to engage in a re-trade at a lower price; (e) failing to cooperate with Debtors and move with alacrity towards closing the SGM Sale; (f) making unfounded and untimely assertions of alleged Material Adverse Effects; (g) asserting entitlement to an Evaluation Period to which Defendants were not entitled; (h) filing meritless Notices of Appeal; and (i) failing to respond to Debtors' inquiries regarding SGM's intent and financial ability to perform under the APA. *Id.* at ¶ 107.

**G. SGM's Emergency Motion to Stay the Adversary Proceeding**

On January 16, 2020, SGM filed an emergency motion to stay the adversary proceeding that had been commenced by the filing of the Complaint (the "Stay Motion"). The Court declined to set a hearing on the Stay Motion on 48 hours' notice, as requested by SGM. Instead, the Court *sua sponte* extended the deadline for Defendants to respond to the Complaint to February 19, 2020, to enable the Stay Motion to be heard on regular notice. *See* Doc. No. 15.

In the Stay Motion, SGM asserts that the Court lacks jurisdiction to adjudicate the adversary proceeding until final resolution of SGM's appeals of the Sale Enforcement

Order, the Section 8.6 Order, and the Material Adverse Effect Order (collectively, the "Orders"). SGM argues that the issues raised by the Orders touch directly on the issues raised in the adversary proceeding. SGM contends that the Complaint relies heavily on the finding in the Material Adverse Effect Order that the Debtors had complied with all the conditions required for closing and that SGM was obligated to close on December 5, 2019. SGM further maintains that the Complaint overlaps with the Orders because the Complaint alleges that SGM breached the APA by (a) asserting entitlement to an Evaluation Period when no such period existed after entry of the Orders; (b) appealing the Sale Enforcement Order to avoid its obligation to close and despite the APA's requirement that Defendants cooperate to render the Sale Enforcement Order final and non-appealable; and (c) filing meritless and frivolous Notices of Appeal of the Orders.

**H. The Debtors' Opposition to the Stay Motion**

The Debtors arguments in opposition to the Stay Motion may be summarized as follows:

The divestiture rule provides that the filing of a notice of appeal "confers jurisdiction on the court of appeals and divests the district court of those aspects of the case involved in the appeal." *Griggs v. Provident Consumer Discount Co.*, 459 U.S. 56, 58 (1982). The Ninth Circuit has held:

The "divestiture of jurisdiction rule is not based upon statutory provisions or the rules of civil or criminal procedure. Instead, it is a judge made rule originally devised in the context of civil appeals to avoid confusion or waste of time resulting from having the same issues before two courts at the same time." *United States v. Claiborne*, 727 F.2d 842, 850 (9th Cir. 1984). Though *Griggs* referred to the "divestiture rule" as jurisdictional, the Supreme Court has since made clear that "[o]nly Congress may determine a lower federal court's subject-matter jurisdiction." *Hamer v. Neighborhood Hous. Services of Chicago*, — U.S. —, 138 S.Ct. 13, 17, 199 L.Ed.2d 249 (2017) (quoting *Kontrick v. Ryan*, 540 U.S. 443, 452, 124 S.Ct. 906, 157 L.Ed.2d 867 (2004)). Accordingly, "jurisdictional" rules derived from sources other than Congress are more accurately characterized as "mandatory claim-processing rules" that may be applied in a "less stern" manner than true jurisdictional rules.

**Chapter 11**

*Rodriguez v. Cty. of Los Angeles*, 891 F.3d 776, 790–91 (9th Cir. 2018).

As a pragmatic rule, divestiture (a) does not preclude the Court from exercising jurisdiction over all other matters that it must undertake to implement or enforce the judgment or order, and (b) in the absence of a stay pending appeal, only prohibits modification of the order on appeal. A careful reading of the Orders and the Complaint shows that application of the divestiture rule is not appropriate here. The Orders cover discrete issues concerning the Debtors' efforts to close the now-terminated SGM Sale. The Orders are not dispositive of the claims asserted in the Complaint. The Court acknowledged as much in the OSC Memorandum, which stated that "[i]n the future, the Debtors will have an opportunity to litigate the issues of whether SGM has breached the APA and whether the Debtors are entitled to retain SGM's good-faith deposit." OSC Memorandum at 2. The divestiture rule only prohibits the Court from altering or amending the Orders, and the Complaint does not seek such relief. *See Sherman v. SEC (In re Sherman)*, 491 F.3d 948, 967 (9th Cir. 2007) (internal citation omitted) (holding that where divestiture applies, the "bankruptcy court retains jurisdiction over all other matters that it must undertake 'to implement or enforce the judgment or order,' although it 'may not alter or expand upon the judgment.' If a party wants to stay all of the proceedings in bankruptcy court while an appeal is pending, it must file a motion for a stay.").

The divestiture rule is not properly invoked with respect to the Section 8.6 Order and Material Adverse Effect Order, because both orders are interlocutory. "Filing an appeal from an unappealable decision does not divest the district court of jurisdiction." *United States v. Hickey*, 580 F.3d 922, 928 (9th Cir. 2009). The Section 8.6 Order is interlocutory because its findings were limited to the Debtors' satisfaction of § 8.6 of the APA, and it did not address whether other conditions to closing had been satisfied. *See* Section 8.6 Order at 2 (finding that "SGM is now obligated to promptly close the SGM Sale, *provided that* all other conditions to closing are satisfied") (emphasis added). The Material Adverse Effect Order is interlocutory because it did not compel SGM to close the SGM Sale. Rather, it interpreted the Material Adverse Effect clause and closing conditions in the APA, determined that those provisions were satisfied, and, in light of those findings and the Debtors' outstanding contractual demand, determined that December 5, 2019 was the closing date under § 1.3 of the APA.

Even if the divestiture rule did apply—which it does not—the Court could still adjudicate the Complaint because the divestiture rule is subject to exceptions. As explained by the United States District Court for the Northern District of California:

**Chapter 11**

[T]here are generally three situations where a notice of appeal does not divest the district court of jurisdiction: (1) where the issue before the district court is separate from, or collateral to, the matter involved in the appeal; (2) where application of the divestiture of jurisdiction rule would wholly undermine its purpose; and (3) where the appeal is clearly defective or frivolous, usually by reason of untimeliness, lack of essential recitals, or reference to a nonappealable order.

*Ashker v. Cate*, No. 09-cv-05796-CW, 2019 WL 1558932, at \*3 (N.D. Cal. Apr. 10, 2019)  
(quotations omitted).

The appeals of the Orders are constitutionally and equitably moot. As a result, the appeals are clearly defective and frivolous, and application of the divestiture rule would wholly undermine its purpose.

The relief set forth in each of the Orders contemplates the effectiveness and closing of the SGM Sale pursuant to the APA. The Court cannot grant relief with respect to closing the SGM Sale given the dramatic change in circumstances after SGM's refusal to close. The APA was terminated on December 27, 2019. The Debtors obtained orders authorizing them to undertake alternative transactions and authorizing the closure of St. Vincent Medical Center. It is no longer possible for the Debtors to close the transaction contemplated by the APA. Consequently, the Orders—which each pertain to the closing of the SGM Sale—are moot.

Finally, SGM has waived its ability to assert that the divestiture rule applies. The APA provides that disputes regarding the occurrence of a Material Adverse Effect "shall be exclusively settled by a determination made by the Bankruptcy Court ...." APA at § 9.1(c). This provision constitutes an enforceable contractual appeal waiver. *See Minesen Co. v. McHugh*, 671 F. 3d 1332, 1339 (D.C. Cir. 2012) (extensive case law permits voluntary waivers of rights to appeal); *Slattery v. Ancient Order of Hibernians in Am.*, No. 97-7173, 1998 WL 135601, at \*1 (D.C. Cir. Feb. 9, 1998) (dismissing appeal where parties "agree[d] not to appeal any decision by the district court relating to defendants' motion for attorneys' fees"). Because SGM has waived its appellate rights with respect to Material Adverse Effect determination, it cannot invoke the divestiture rule.

Section 12.3 of the APA provides that "the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with

the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court."  
As a result of this waiver, SGM cannot invoke the divestiture rule with respect to the  
Sale Enforcement Order or the Section 8.6 Order.

**I. The Committee's Opposition to the Stay Motion and the Committee's Motion  
to Intervene**

The Official Committee of Unsecured Creditors (the "Committee") filed an  
opposition to the Stay Motion (the "Committee Opposition"). In its reply briefing,  
SGM asserted that the Committee Opposition should be stricken because the  
Committee (1) is not a party to the adversary proceeding, (2) has not obtained Court  
permission to intervene in the adversary proceeding, and (3) has no standing to  
participate in the adversary proceeding.

The Court authorized the Committee to notice a hearing on an emergency motion  
to intervene (the "Intervention Motion") concurrently with the hearing on the Stay  
Motion. The Committee seeks to intervene for the limited purpose of opposing the  
Stay Motion. The Committee has not yet decided whether it will move to intervene as  
to the remainder of the adversary proceeding.

In support of the Intervention Motion, the Committee argues that multiple circuit  
courts have held that, under § 1109(b), a creditors' committee may appear and be  
heard in *any proceeding* in the bankruptcy court—including adversary proceedings.  
*See, e.g., In re Caldor Corp.*, 303 F.3d 161, 175-76 (2nd Cir. 2002) (term loan holder  
committee had unconditional right under Section 1109(b) to intervene in adversary  
proceeding against Chapter 11 debtors); *Matter of Marin Motor Oil, Inc.*, 689 F.2d  
445, 451-54 (3rd Cir. 1982) (under Section 1109(b), creditors' committee had  
"absolute right" to intervene in adversary proceeding). In the alternative, the  
Committee asserts that it meets the requirements for intervention as of right under  
Civil Rule 24(a)(2). Specifically, the Committee maintains that it has a significant  
protectable interest in this matter, given that the Debtors' claims against SGM for  
breach of contract represent a significant source of money that might be available to  
provide a recovery to unsecured creditors.

The Committee's arguments in opposition to the Stay Motion may be summarized  
as follows:

The Stay Motion is nothing more than an attempt by SGM to indefinitely delay  
resolution of the Complaint. SGM's breach of the APA cost the estates not less than  
\$100 million, resulted in a material loss of jobs, and adversely impacted local access

to healthcare.

The Committee is concerned that, in the course of the delay that SGM seeks, SGM's principals will strip SGM of its assets, negating its ability to satisfy a future judgment.

SGM's misconduct is illustrated by its appeal of the Supplemental Sale Order. The rationale for § 8.6 of the APA was that it might prove risky for SGM to close the sale if the Supplemental Sale Order was appealed, given that an appeal could expose SGM to the more onerous Additional Conditions that it had not agreed to accept. To that end, § 8.6 gave SGM the option to walk away if an appeal of the Supplemental Sale Order remained pending at the time of closing. It was never contemplated that SGM itself could trigger such optionality (i.e., grant itself a right to walk away) by filing an appeal of the very Supplemental Sale Order it needed for comfort. But this now appears to be precisely SGM's position.

**J. SGM's Reply in Support of the Stay Motion**

SGM's arguments in reply to the Debtors' opposition may be summarized as follows:

The divestiture rule applies where, as here, the issues in the lower court "involve aspects of the case that are the subject of the pending appeal." *Mercado-Guillen v. McAleenan*, 2019 WL 1995331, at \*2 (N.D. Cal. May 6, 2019). At base, the Complaint seeks to hold SGM liable for failing to close the SGM Sale in accordance with the APA. Complaint at ¶ 100. However, it is undisputed that SGM had no duty to close the SGM Sale until the Debtors had satisfied all conditions precedent to closing. SGM has appealed the Material Adverse Effect Order, which found that the Debtors had satisfied all conditions precedent. The Bankruptcy Court cannot adjudicate the issue of whether the Debtors had satisfied the conditions precedent to closing while that same issue is being considered by the District Court in connection with the appeal.

The Debtors assert that the Court need not stay the adversary proceeding because SGM did not seek a stay of any of the appealed Orders. However, the Orders from which SGM appealed are not enforceable orders; if they were, the Debtors would not have filed the Complaint to obtain damages. SGM had no need to seek a stay until the Debtors filed the Complaint, which created the prospect of two courts ruling on the same issues at the same time.

The Debtors assert that the divestiture rule does not apply because SGM's appeals

are frivolous. It is not appropriate for the Bankruptcy Court to determine whether the appeals are frivolous; such a determination would usurp the authority of the District Court.

Along similar lines, the Debtors assert that the divestiture rule does not apply because the Orders were interlocutory. Questions about the District Court's jurisdiction over the appeals should be left to the District Court. However, the Debtors' contention that the Orders were interlocutory is mistaken. The Material Adverse Effect Memorandum unambiguously and finally decided that "all conditions precedent to closing have been satisfied" and that "SGM is obligated to close the sale by no later than December 5, 2019." Material Adverse Effect Memorandum at 7. This was a final order—after its entry, there were no other sale conditions left for the Court to interpret, and SGM was obligated to close the sale.

If SGM is not permitted to proceed with its appeals of the Orders prior to adjudication of the Complaint, then SGM will be subject to the Debtors' argument that the Orders preclude SGM from contesting the Complaint's allegations—in particular, the allegation that SGM failed to timely close the sale notwithstanding its obligation to do so. This would enable the Debtors to obtain a judgment in their favor on their breach of contract claims without the Defendants ever having had the opportunity to present evidence in defense of those claims.

There is no merit to the Debtors' contention that the appeals are moot because the APA has been terminated. It is true that it is no longer possible for the sale contemplated by the APA to close. But that has nothing to do with the Complaint, which requires a determination over which party breached the APA.

The Debtors' argument that SGM waived its rights to appeal or to invoke the divestiture rule are likewise without merit. The waiver of a right to appeal must be express. *In re Deepwater Horizon*, 785 F.3d 986, 997 (5th Cir. 2015). The "exclusively settled" and "sole judicial forum" language in §§ 9.3(c) and 12.3 of the APA simply provides the forum in which disputes arising under the APA would be adjudicated. Nothing in either section can reasonably be interpreted as an express waiver of the right to appellate review.

## **II. Findings and Conclusions**

### **A. The Committee is Authorized to Intervene for the Limited Purpose of Opposing the Stay Motion**

The Committee is authorized to intervene for the limited purpose of opposing the Stay Motion. The Court declines SGM's request to strike the Committee Opposition.

**Chapter 11**

The Second and Third Circuits have both held that, pursuant to § 1109(b), a creditors' committee has an unconditional right to intervene in an adversary proceeding within a Chapter 11 case. *See Term Loan Holder Committee v. Ozer Group, LLC (In re Caldor Corp.)*, 303 F.3d 161, 176 (2d Cir. 2002) and *Committee v. Michaels (Matter of Marin Motor Oil, Inc.)*, 689 F.2d 445, 451 (3d Cir. 1982).

Here, the Committee has sought authorization to intervene solely for the purposes of opposing the Stay Motion. SGM acknowledges that the Committee has the authority to be heard on issues arising in the main bankruptcy case, but contends that the Committee's right to be heard does not apply to the instant adversary proceeding. However, SGM initially filed the Stay Motion in the main bankruptcy case; it re-filed the Stay Motion in the adversary proceeding only after being ordered to do so by the Court. SGM's decision to initially file the Stay Motion in the main bankruptcy case severely undercuts its assertion that the Committee lacks standing with respect to the Stay Motion.

Even if the Stay Motion had not initially been filed in the main bankruptcy case, the Court would find it appropriate to permit the Committee to intervene for the limited purpose of opposing the Stay Motion. The timing of the adjudication of the Complaint will significantly affect the creditors that the Committee represents. In the event the Debtors prevail, the creditors that the Committee represents may be entitled to a portion of the recovery. The Committee has an interest in assuring that the Complaint is not stayed pending the outcome of SGM's appeals of the Orders. That interest is significant enough to confer standing upon the Committee to oppose the Stay Motion.

In the event the Committee wishes to be heard in connection with future issues arising in this adversary proceeding, the Committee shall file a further motion to intervene.

**B. The Stay Motion is Denied**

"The filing of a notice of appeal is an event of jurisdictional significance—it confers jurisdiction on the court of appeals and divests the district court of its control over those aspects of the case involved in the appeal." *Griggs v. Provident Consumer Disc. Co.*, 459 U.S. 56, 58, 103 S.Ct. 400, 74 L.Ed.2d 225 (1982).

The premise of the Stay Motion is that the Orders contain findings which (a) preclude SGM from defending itself against the Complaint's allegations and (b) require the Court to enter judgment in the Debtors' favor on the breach of contract claim. Based upon this premise, SGM asserts that the adversary proceeding must be

stayed until the completion of its appeals of the Orders.

SGM's premise is not correct. The Orders do not adjudicate whether SGM had breached the APA; nor do the Orders contain findings that compel the Court to rule in the Debtors' favor with respect to the Complaint's breach of contract claim. The Orders were entered "[t]o facilitate an expeditious and successful resolution of these cases," Section 8.6 Order at 2. To that end, the Orders contained various findings necessary to allow the SGM Sale to proceed. The sole purpose of those findings was to provide the framework necessary for the Debtors and SGM to promptly close the SGM Sale. The findings were not intended to create a springboard for a claim for breach of contract against SGM.

Significantly, nothing in the Orders determined SGM's liability, if any, for breach of the APA. The limited scope of the Orders was made clear in the OSC Memorandum, in which the Court emphasized that the issue of whether SGM had breached the APA had not yet been decided: "*In the future*, the Debtors will have the opportunity to litigate the issues of whether SGM has breached the APA and whether the Debtors are entitled to retain SGM's good-faith deposit." OSC Memorandum at 2.

The APA was terminated on December 27, 2019. St. Vincent, one of the Hospitals whose sale was contemplated by the APA, has now closed. The SGM Sale is dead and cannot be resuscitated. The findings in the Orders—which the Court made only to facilitate the closing of the SGM Sale—cannot spring back to life in the entirely different context of the Debtors' breach of contract claim. The Orders do not preclude SGM from contesting the Debtors' allegation that SGM breached the APA. SGM remains free to present evidence in this proceeding in support of its position that as of December 5, 2019, it was not obligated to close the SGM Sale. The corollary is that the Debtors cannot rely solely upon the Material Adverse Effect Order to support their allegation that SGM was obligated to close as of December 5, 2019.

Because the findings in the Orders were limited to the failed SGM Sale, those findings are not dispositive of the claims asserted in the Complaint. Consequently, SGM's appeal of the Orders has not divested this Court of jurisdiction over the separate issues arising in the Complaint.

~~An additional reason for the inapplicability of the divestiture rule is that SGM has waived its right to appeal the Orders. To prevent abusive appeals undertaken "to run up an adversary's costs or to delay trial," the Court may decline to apply the divestiture rule if it certifies that an appeal has been waived. *Rodriguez v. Cty. of Los Angeles*, 891 F.3d 776, 791 (9th Cir. 2018). SGM has waived its right to appeal any of the Orders. With respect to the Material Adverse Effect Order, the APA provides that~~

At issue is whether Medi-Cal Provider Agreements (the “Provider Agreements”) entered into between four hospitals (the “Hospitals”) and the California Department of Health Care Services (the “DHCS”) are executory contracts which must be transferred pursuant to § 365 of the Bankruptcy Code, or statutory entitlements that may be transferred free and clear of successor liability under § 363 of the Bankruptcy Code.<sup>1</sup> If the Provider Agreements are executory contracts, the DHCS may be entitled to receive payments potentially in excess of \$50 million in connection with the transfer of the Provider Agreements to the purchaser of the Hospitals. By contrast, if the Provider Agreements are statutory entitlements, they can be transferred to the purchaser free and clear of claims and interests under § 363, meaning that the DHCS would receive no payments in connection with the transfer. For the reasons set forth below, the Court finds that the Provider Agreements are statutory entitlements.<sup>2</sup>

## I. Facts

On August 31, 2018 (the “Petition Date”), Verity Health Systems of California (“VHS”) and certain of its subsidiaries (collectively, the “Debtors”) filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. On August 31, 2018, the Court entered an order granting the Debtors’ motion for joint administration of the Debtors’ Chapter 11 cases.<sup>3</sup>

On May 2, 2019, the Court entered an order approving the sale of substantially all of the assets of four of the Debtors’ hospitals—St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center, and Seton Medical Center (collectively, the “Hospitals”)—to Strategic Global Management, Inc. (“SGM”).<sup>4</sup>

Each of the Hospitals has executed a Provider Agreement with DHCS. The Asset Purchase Agreement (the “APA”) [Doc. No. 2305-1] which governs the sale of the Hospitals to SGM provides that the sale cannot close unless issues regarding alleged financial defaults existing under each Provider Agreement have been resolved.<sup>5</sup>

Pursuant to Cal. Welf. & Inst. Code § 14169.52(a), each of the Hospitals is required to pay a quarterly Hospital Quality Assurance Fee (an “HQA Fee”) to the DHCS, which is assessed regardless of whether the hospital participates in the Medi-Cal Program. *See* Cal. Welf. & Inst. Code § 14169.52(a) (imposing the HQA Fee upon “each general acute care hospital that is not an exempt facility”). As this Court has previously explained, the “HQA Fee allows California to obtain more healthcare funds from the federal government, which generally matches state Medi-Cal contributions dollar-for-dollar.” *In re Gardens Reg’l Hosp. & Med. Ctr., Inc.*, 569 B.R. 788, 791 (Bankr. C.D. Cal. 2017), *aff’d*, No. 2:16-BK-17463-ER, 2018 WL 1354334 (B.A.P. 9th Cir. Mar. 12, 2018) (“*Gardens II*”).

According to the DHCS, the Debtors are liable for approximately \$30 million in HQA Fees attributable to the Hospitals. DHCS asserts that the Provider Agreements associated with each Hospital cannot be transferred to SGM unless the Debtors first assume the Provider Agreements under § 365 of the Bankruptcy Code. In the process of assuming the Provider Agreements, the Debtors would be required to cure the unpaid HQA Fees, or provide adequate assurance that the unpaid HQA Fees would be promptly cured.

The Debtors receive Medi-Cal fee-for-service payments on account of medical services provided to Medi-Cal beneficiaries by the Hospitals. DHCS asserts that the Debtors are liable for approximately \$25 million in Medi-Cal fee-for-service overpayments, and that such overpayments must also be cured in connection with the assumption of the Provider Agreements. The Debtors dispute the validity of the audit that resulted in the calculation of the overpayments.

The Debtors contend that the Provider Agreements are not contracts and that it is therefore unnecessary for the Debtors to assume the Provider Agreements under § 365 in order to transfer the agreements to SGM. According to the Debtors, the Provider Agreements are a statutory entitlement to participate in the Medi-Cal program and should be treated as licenses that can be sold, free and clear of claims, interests, and encumbrances, pursuant to § 363(f). In support of the contention that the Provider Agreements are not contracts, Debtors argue that the Provider Agreements do not impose any obligations upon the DHCS. Debtors maintain that the only obligations existing under the Provider Agreements are those that are already imposed under applicable law, and that an agreement to comply with applicable law “is a gratuitous promise

<sup>5</sup> APA at ¶ 8.7.

which does not provide the consideration necessary to make a contract enforceable.” *Gardens II*, 569 B.R. at 797.

The Official Committee of Unsecured Creditors (the “Committee”) agrees with the Debtors that the Provider Agreements are not contracts. Like the Debtors, the Committee takes the position that the Provider Agreements are assets of the Debtors’ respective estates that can be sold free and clear of all interests pursuant to § 363(f).

## **II. Discussion**

If the Provider Agreements are executory contracts, they can be transferred to SGM only if they are first assumed by the Debtors. To assume an executory contract, the Debtors must either cure all defaults under the contract, or provide adequate assurance that the defaults will be cured promptly. § 365(b).

An executory contract is “a contract that neither party has finished performing.” *Mission Prod. Holdings, Inc. v. Tempnology, LLC*, 139 S. Ct. 1652, 1657, 203 L. Ed. 2d 876 (2019). Of course, an agreement that is not a contract can never qualify as an executory contract.

Terms not defined in the Bankruptcy Code have the meaning accorded to such terms under nonbankruptcy law. *See Mission Prod. Holdings*, 139 S.Ct. at 1661 (“And ‘breach’ is neither a defined nor a specialized bankruptcy term. It means in the Code what it means in contract law outside bankruptcy.”). The Bankruptcy Code does not define the term “contract,” so the term has the same meaning under § 365 of the Bankruptcy Code as it does under non-bankruptcy law. As the Supreme Court has explained, “[p]roperty interests are created and defined by state law. Unless some federal interest requires a different result, there is no reason why such interests should be analyzed differently simply because an interested party is involved in a bankruptcy proceeding.” *Butner v. United States*, 440 U.S. 48, 55, 99 S. Ct. 914, 918, 59 L. Ed. 2d 136 (1979).

### **A. The Provider Agreements Are Not Contracts**

The first issue the Court must confront, then, is whether the Provider Agreements are contracts. The Court finds that they are not.<sup>6</sup>

---

<sup>6</sup> In *Gardens II*, the Court found that under the principle of equitable recoupment, DHCS could withhold Medi-Cal and supplemental quality assurance payments owed to a debtor, for the purpose of recovering unpaid hospital quality assurance fees owed by the debtor. *Gardens II* did not decide whether a Medi-Cal Provider Agreement was a contract or a statutory entitlement akin to a license, as the issue did not affect the outcome of the decision:

The Court finds that, regardless of whether the Provider Agreement is considered a license or contract, the Debtor’s HQA Fee liability and entitlement to Medi-Cal Payments would still arise from the same transaction or occurrence.... As discussed previously, the Debtor’s acknowledgment in the Provider Agreement that unpaid HQA Fees could be withheld from its Medi-Cal Payments establishes the necessary logical relationship between the Debtor’s fee liabilities and its payment entitlements. That logical relationship exists whether the Provider Agreement is classified as a license or a contract.

*Gardens II*, 569 B.R. at 799.

The Court's determination of whether the Provider Agreements are contracts is informed by decisions involving Medicare Provider Agreements. For purposes of this issue, there are no meaningful differences between the Provider Agreements and a Medicare Provider Agreement. Both types of agreements allow hospitals to obtain reimbursement from the government for providing healthcare services. In both cases, the hospitals' reimbursement entitlement is dictated by the Medicare statute and the regulations promulgated thereunder.<sup>7</sup>

In *PAMC, Ltd. v. Sebelius*, 747 F.3d 1214, 1221 (9th Cir. 2014), the Ninth Circuit declined to apply the contract doctrine of "substantial compliance" to a Medicare Provider Agreement. In that case, PAMC, a hospital, appealed the decision of the Secretary of the Department of Health and Human Services to reduce the reimbursements for which PAMC was eligible. *Id.* at 1215–16. PAMC's reimbursements had been reduced because it had submitted certain required data 28 minutes late. *Id.* at 1216. In challenging the Secretary's decision to reduce its reimbursement eligibility, PAMC argued, among other things, that it had substantially complied with the terms of its Medicare Provider Agreement. *Id.* at 1220. The Ninth Circuit rejected PAMC's attempt to avail itself of the contract doctrine of "substantial compliance":

[T]he whole notion of importing contract doctrines into an area that is a complex statutory and regulatory scheme is problematic. We have, on occasion, stated that providers and others have contracts with the government in this area, but our decisions have turned on the regulatory regime rather than on contract principles. *See, e.g., United States v. Bourseau*, 531 F.3d 1159, 1162, 1169–70 (9th Cir.2008); *Pac. Coast Med. Enters. v. Harris*, 633 F.2d 123, 125 n. 1, 133–35 (9th Cir.1980). As the Eleventh Circuit Court of Appeals held when hospitals complained of legislative impairment of their contract rights in this area because they had agreements with the Secretary: "Upon joining the Medicare program, however, the hospitals received a statutory entitlement, not a contractual right." *Mem'l Hosp. v. Heckler*, 706 F.2d 1130, 1136 (11th Cir.1983); *see also Bennett v. Ky. Dep't of Educ.*, 470 U.S. 656, 669, 105 S.Ct. 1544, 1552, 84 L.Ed.2d 590 (1985) (stating that while states had "grant agreements" with the federal government and those had a "contractual aspect," the program should not be viewed like a "bilateral contract" and should not "be construed most strongly against the drafter" (internal quotation marks omitted)); *cf. Sebelius v. Auburn Reg'l Med. Ctr.*, — U.S. —, —, —, 133 S.Ct. 817, 828–29, 184 L.Ed.2d 627 (2013) (declining to apply equitable tolling principles to time set by Secretary for appealing to the Board); *Kaiser Found.*

---

In support of its argument that the Provider Agreements are executory contracts, DHCS cites the observation made in *Gardens II* that Medicare Provider Agreements "are similar in many respects to ... [a] Medi-Cal Provider Agreement." *Gardens II*, 569 B.R. at 799 n.12. DHCS then cites decisions holding that Medicare Provider Agreements are executory contracts. As discussed in greater detail below, the Court does not find the decisions cited by DHCS to be persuasive, because they reached the conclusion that Medicare Provider Agreements are executory contracts without meaningful analysis.

<sup>7</sup> Because the Medi-Cal program is funded in part by federal funds, reimbursement entitlements under Medi-Cal must be consistent with the provisions of the Medicare statute. *See generally* 42 U.S.C. § 1396a (setting forth requirements applicable to state medical assistance plans such as Medi-Cal).

*Hosp.*, 649 F.3d at 1160 (declining to apply excusable neglect equitable analysis to Board's dismissal of case for "failure to timely submit a position paper").

*PAMC, Ltd. v. Sebelius*, 747 F.3d 1214, 1221 (9th Cir. 2014).

Other courts have been even more explicit in stating that a Medicare Provider Agreement is not a contract. In *Mem'l Hosp. v. Heckler*, cited with approval in *PAMC*, hospitals argued that new legislation reducing their Medicare reimbursement entitlements constituted "an unconstitutional taking of their property without just compensation in violation of the fifth amendment, because it would abrogate a vested contractual right to Medicare reimbursement." *Heckler*, 706 F.2d 1130, 1136 (11th Cir. 1983). The *Heckler* court squarely rejected the hospitals' contention that their Medicare Provider Agreements were contracts: "Upon joining the Medicare program, however, the hospitals received a statutory entitlement, not a contractual right." *Heckler*, 706 F.2d at 1136.

Significantly, the *Heckler* court observed that "[c]ourts have upheld retroactive adjustments in the Medicare reimbursement system." *Id.* It emphasized that such retroactive adjustments were permissible precisely because Medicare Provider Agreements were not contracts. *Id.* A similar result was reached in *Germantown Hosp. & Med. Ctr. v. Heckler*, 590 F. Supp. 24, 30–31 (E.D. Pa. 1983), *aff'd sub nom. Germantown Hosp. & Med. Ctr. v. Schweiker*, 738 F.2d 631 (3d Cir. 1984), in which the court held:

There is no contractual obligation requiring [the Department of Health and Human Services] to provide Medicare reimbursement. Rather, upon joining the Medicare program, providers gain a statutory entitlement to reimbursement. Thus the amount of reimbursement is governed not by contract but by statute; specifically the Medicare Act's "reasonable cost" provisions.

*Germantown*, 590 F.Supp. at 30–31. *See also Greater Dallas Home Care All. v. United States*, 10 F. Supp. 2d 638, 647 (N.D. Tex. 1998) ("Plaintiffs argue that the Medicare participation agreements ... are essentially contracts. The Court disagrees and finds that the participation agreements are not contracts, for the right to receive payments under the Medicare Act is a manifestation of Government policy and, as such, is a statutory rather than a contractual right.").

Similarly, in *Guzman v. Shewry*, the Ninth Circuit held that a Medi-Cal Provider Agreement was not a contract. 552 F.3d 941 (9th Cir. 2009). In *Guzman*, a physician sought a preliminary injunction to prevent the DHCS from temporarily suspending him from the Medi-Cal program. *Id.* at 946. Among other things, the physician argued that because his suspension deprived him of the ability to receive reimbursement for treating Medi-Cal patients, he had been deprived of his right to contract with the state. *Id.* at 954. Rejecting this argument, the court held that "[p]articipation in the Medi-Cal program entitles Guzman to reimbursement for treating patients who receive Medi-Cal benefits; it does not involve bidding on government contracts." *Id.*

In addition, the Provider Agreements lack a key feature found in all contracts—obligations imposed on both parties to the agreements. The Provider Agreements impose no obligations upon the DHCS. The only obligations spoken of in the Provider Agreements pertain to the Debtors. Even these obligations do not constitute consideration for contract purposes, since they

merely restate the Debtors' pre-existing legal obligations.<sup>8</sup> As this Court has previously held, "an agreement to comply with applicable law is a gratuitous promise which does not provide the consideration necessary to make a contract enforceable." *Gardens II*, 569 B.R. at 797.

DHCS cites a number of cases in which courts have held that Medicare Provider Agreements are executory contracts. These authorities are not persuasive, because the issue of whether the provider agreements were executory contracts versus statutory entitlements was not litigated. Instead, the courts simply assumed, without meaningful analysis, that the provider agreements were executory contracts.

For example, in *In re University Medical Center*, 973 F.2d 1065 (3d Cir. 1992), the Third Circuit assumed that a Medicare Provider Agreement was an executory contract, even though the Third Circuit had ruled eight years prior in *Germantown Hosp. & Med. Ctr. v. Schweiker*, 738 F.2d 631, 632 (3d Cir. 1984) that Medicare Provider Agreements are statutory entitlements, not contracts. In *Germantown*, the court rejected the argument that a reduction in Medicare reimbursement rates impaired the contract rights of the Medicare providers. *Id.* The *University Medical Center* decision contained no discussion of *Germantown* and made no attempt to reconcile *Germantown*'s holding that reductions to Medicare reimbursement rates did not amount to a breach of contract. Similarly, in *In re Heffernan Memorial Hospital District*, 192 B.R. 228, 231 n.4 (Bankr. S.D. Cal. 1996), the issue was not litigated and the debtor appeared to concede that the provider agreement was an executory contract. Likewise, in *In re St. Johns Home Health Agency, Inc.*, 173 B.R. 238 (Bankr. S.D. Fla. 1994), the debtor conceded that the provider agreement was an executory contract, and the Bankruptcy Court disregarded prior binding Eleventh Circuit precedent rejecting the contention that a provider agreement gave the provider "a vested contractual right to Medicare reimbursement." *Mem'l Hosp. v. Heckler*, 706 F.2d 1130, 1136 (11th Cir. 1983).

<sup>8</sup> DHCS cites a number of provisions within the Provider Agreement that it claims constitute consideration sufficient to render the Provider Agreements contractual in nature. But all of the following the provisions cited by DHCS are restatements of legal obligations imposed upon the Debtors by federal law, federal regulations, state law, or state regulations:

- 1) Debtors will be subject to the sanctions available to DHCS if they fail to comply with applicable law.
- 2) To submit a treatment authorization request, the Debtors must use a National Provider Identifier ("NPI") that is appropriately registered and is compliant with all NPI requirements.
- 3) Debtors cannot engage in conduct inimical to public health, morals, welfare, or safety.
- 4) Debtors cannot refuse healthcare services based upon race, color, ancestry, marital status, national origin, gender, age, economic status, or physical or mental disability.
- 5) Only qualified medical personnel may provide healthcare services.
- 6) Any overpayments must be repaid by the Debtors in accordance with applicable statutes and regulations.
- 7) Debtors are subject to certain automatic and permissive suspensions and mandatory and permissive exclusions.

**B. The Provider Agreements Can Be Sold Free and Clear of Liens, Claims, and Interests Pursuant to § 363(f)(5)**

Having found that the Provider Agreements are not contracts and therefore are not subject to assumption and assignment under § 365, the Court must determine whether the Provider Agreements can be sold free and clear of liens, claims, and interests under § 363(f).

Courts have held that interests such as the Provider Agreements constitute “property of the estate” under § 541 that may be sold under § 363. In *Matter of Fugazy Exp., Inc.*, 124 B.R. 426, 430 (S.D.N.Y. 1991), the court held that a license issued by the Federal Communications Commission was property of the estate, notwithstanding a provision within the Federal Communications Act providing that the Act did not create ownership rights in licenses. The holding is consistent with Ninth Circuit precedent stating that “[g]overnment licenses, as a general rule, are considered to be ‘general intangibles’ under the Uniform Commercial Code, ‘i.e., personal property interests in which security interests may be perfected.’” *MLQ Inv’rs, L.P. v. Pac. Quadracasting, Inc.*, 146 F.3d 746, 749 (9th Cir. 1998).

The Court finds that the Provider Agreements are akin to a license issued by a government agency, and therefore that the Provider Agreements may be sold under § 363. The Provider Agreements create a statutory entitlement to bill the Medi-Cal program for providing Medi-Cal services. *See Guzman*, 552 F.3d at 954 (stating that “[p]articipation in the Medi-Cal program entitles [physician] Guzman to reimbursement for treating patients who receive Medi-Cal benefits”). This right to receive reimbursement for providing healthcare services is a property interest.

DHCS contends that the Hospitals hold no property interest in the Provider Agreements and that as a result, the Provider Agreements cannot be sold under § 363. In support of its position, DHCS cites *Erickson v. U.S. ex rel. Dep’t of Health & Human Servs.*, 67 F.3d 858, 862 (9th Cir. 1995), in which the court held that a physician convicted of submitting false claims to Medicare did “not possess a property interest in continued participation in Medicare, Medicaid, or the federally-funded state health care programs.” *Id.*

DHCS ignores the difference between a property interest in the right to *continue* to participate in Medi-Cal and a property interest in the *existing* right to bill Medi-Cal for providing services. *Erickson* stands for the unremarkable proposition that a provider who engages in criminal conduct has no right to continue as a provider. No one disputes that if the Hospitals violated Medi-Cal statutes or regulations, their right to continue as Medi-Cal Providers could be suspended. But at present, the Provider Agreements are in good standing and the Hospitals have the right to receive reimbursements for providing services to Medi-Cal beneficiaries. It is this right that amounts to a property interest.

The Provider Agreements may be sold free and clear of the liabilities which DHCS contends attach to the Provider Agreements. This includes the alleged liabilities for approximately \$30 million in unpaid HQA Fees and \$25 million in Medi-Cal overpayments (collectively, the “Liabilities”).<sup>9</sup>

---

<sup>9</sup> The Debtors object to declaration testimony submitted by Hanh Vo with respect to the amount of the Liabilities. As a result of its determination that the Provider Agreements may be sold free and clear of the Liabilities, it is not necessary for the Court to adjudicate the amount of the Liabilities at this time. Because the Court has not considered the Vo declaration in reaching its decision, the Court does not rule upon the Debtors’ evidentiary objection. *See Operating Engineers’ Pension Trust Fund v. Clark’s Welding & Mach.*, 688 F. Supp. 2d 902, 907 (N.D.

Section 363(f)(1) provides that a sale of estate property may be “free and clear of any interest in such property of an entity other than the estate” if certain conditions are satisfied. As this Court has previously explained:

The Bankruptcy Code does not define the phrase “interest in ... property” for purposes of § 363(f). The Third Circuit has held that the phrase “interest in ... property” is “intended to refer to obligations that are connected to, or arise from, the property being sold.” *Folger Adam Sec., Inc. v. DeMatteis/MacGregor JV*, 209 F.3d 252, 259 (3d Cir. 2000). That conclusion is echoed by *Collier on Bankruptcy*, which observes a trend in caselaw “in favor of a broader definition [of the phrase] that encompasses other obligations that may flow from ownership of the property.” 3 Alan N. Resnick & Henry J. Sommer, *Collier on Bankruptcy* ¶ 363.06[1] (16th ed. 2017).

Courts have held that interests in property include monetary obligations arising from the ownership of property, even when those obligations are imposed by statute. For example, in *Mass. Dep’t of Unemployment Assistance v. OPK Biotech, LLC (In re PBBPC, Inc.)*, 484 B.R. 860 (1st Cir. BAP 2013), the court held that taxes assessed by Massachusetts under its unemployment insurance statutes constituted an “interest in ... property.” The taxes were computed based on the Debtor’s “experience rating,” which was determined by the number of employees it had terminated in the past. *Id.* at 862. Because the Debtor had terminated most of its employees prior to selling its assets, its experiencing rating, and corresponding unemployment insurance tax liabilities, were very high. *Id.* The *PBBPC* court held that the experience rating was an interest in property that could be cut off under § 363(f). *Id.* at 869–70. Similarly, in *United Mine Workers of Am. Combined Benefit Fund v. Leckie Smokeless Coal Co. (In re Leckie Smokeless Coal Co.)*, 99 F.3d 573, 581, the court held that monetary obligations imposed by the Coal Industry Retiree Health Benefit Act of 1992 constituted an “interest in ... property” within the meaning of § 363(f).

*In re Gardens Reg’l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 825–26 (Bankr. C.D. Cal. 2017), appeal dismissed, No. 2:16-BK-17463-ER, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018).

The Liabilities are an “interest in property” within the meaning of § 363(f). The Liabilities arise because the Hospitals have elected to exercise their statutory entitlement to provide medical services, and receive reimbursement for providing such services, under the Provider Agreements. As such, the Liabilities are a monetary obligation arising from the ownership of property (the property being the reimbursement rights associated with the Provider Agreements).

The Provider Agreements may be sold free and clear of the Liabilities only if one or more of the conditions specified in § 363(f)(1)–(5) is satisfied. Here, the Court finds that § 363(f)(5) is satisfied. Under § 363(f)(5), property may be sold free and clear of an interest, if the entity holding the interest “could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.”

The interest that DHCS holds in the Provider Agreements is its right to receive payment of the Liabilities. DHCS could be compelled to accept a money satisfaction of its interest in a legal or equitable proceeding. In fact, receiving a money satisfaction is and has been DHCS’ objective

Cal. 2010) (“Because the Court does not rely on the statements in this declaration, it is not necessary for the Court to rule on these objections.”).

all along. Throughout these cases, DHCS has withheld funds payable to the Hospitals to recover the Liabilities.<sup>10</sup> That DHCS would accept a money satisfaction is apparent in its briefing. DHCS states that the Debtors must “pay the debt through the proceeds of the sale” or “within five days of the closing of the sale,” and that the Debtors “must establish and maintain a trust account in the amount of \$70 million for 36 months for potential reimbursement to [DHCS] of any Medi-Cal overpayment ....”<sup>11</sup>

The case of *In re P.K.R. Convalescent Centers, Inc.*, 189 B.R. 90, 91 (Bankr. E.D. Va. 1995) is directly on point. In *In re PKR Convalescent Centers*, the court approved the sale of a nursing home, free and clear of the interest held by the Virginia Department of Medical Assistance Service (the “DMAS”), pursuant to § 363(f)(5). The interest in question was DMAS’ right under Virginia law to recapture, upon the sale of the nursing home, depreciation payments it had previously made to the operators of the nursing home. The court held that DMAS’ interest would be extinguished if it received the \$1.7 million in depreciation recapture payments it was owed under the statute, and that accordingly, DMAS could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of its interest. *Id.* at 94.

As was the case in *PKR Convalescent Centers*, DHCS’ interest in the Provider Agreements would be extinguished if it received the payments it contends it is owed on account of the Liabilities. Consequently, DHCS could be compelled to accept a money satisfaction of its interest. The Provider Agreements may be sold free and clear of DHCS’ interest under § 363(f)(5).

The Debtors request that the order on the Motion state that DHCS’ recoupment rights against SGM, if any, must be first exercised against payments due to the Debtors from Medi-Cal, then against funds held by the Debtors generated by past interim Medi-Cal payments, and then against any sale proceeds generated by the sale of the Provider Agreement. The issue of the applicability of recoupment subsequent to the sale of the Provider Agreements free and clear of claims and interests has not been sufficiently briefed. The Court declines to decide the issue at present, without prejudice to the ability of interested parties to raise the issue by way of motion.

DHCS requests that the order on the Motion be stayed for 14 days, pursuant to Bankruptcy Rule 6004(h). The purpose of Bankruptcy Rule 6004(h) is to provide sufficient time for an objecting party to appeal before an order can be implemented. The sale to SGM is not expected to close until mid-to-late October 2019. Because the Provider Agreements will not be transferred to SGM until the sale closes, the stay imposed by Bankruptcy Rule 6004(h) is not necessary to protect DHCS’ right to appeal.

### III. Conclusion

Based upon the foregoing, the Debtors are authorized to sell the Provider Agreements to SGM, free and clear of claims, interests, and encumbrances, pursuant to § 363(f)(5). The Debtors shall submit an order consistent with this Memorandum of Decision.

---

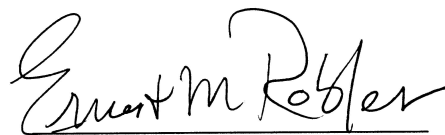

<sup>10</sup> DHCS asserts that its withholdings are authorized under the equitable principle of recoupment. As the issue is not presently before it, the Court expresses no opinion on whether the withholdings were permissible under recoupment principles.
