7 captioned cases (the “Chapter 11 Cases”) proceeding under chapter 11 of title 11 of the United
8 States Code, 11 U.S.C. §§ 101, *et seq.* (the “Bankruptcy Code”),¹ hereby move (the “Motion”) for
9 entry of an order, pursuant to Federal Rule of Civil Procedure (“Civil Rules”) 12(b)(6)
10 incorporated by Rule 7012(b) of the Federal Rules of Bankruptcy Procedure (“Bankruptcy
11 Rules”), dismissing the complaint in the above-captioned adversary proceeding (the “Complaint”
12 or “Adversary Proceeding”) commenced by the California Nurses Association (“Plaintiff” or
13 “CNA”), and as more fully set forth in the below Memorandum of Points and Authorities, and
14 further supported by a joinder to the Motion filed separately by the individual defendants, Richard
15 G. Adcock, Steven Sharrer and Does 1-500 (the “Individual Defendants”), assert as follows:

16 **I.**

17 **INTRODUCTION**

18 After the public refusal of Strategic Global Management, Inc. (“SGM”) to close the
19 acquisition of the Debtors’ remaining hospital facilities in December 2019, the Debtors were
20 compelled to pursue and take alternative actions and transactions. Among the most immediate
21 actions was the closure approved by this Court in early January 2020 of SVMC and its on-campus
22 dialysis center, SVDC (collectively, “St. Vincent”), a facility that had lost approximately \$65
23 million in 2019 alone.

24 Throughout this process, CNA received notice of all pleadings,² actively participated in

26 ¹ Unless specified otherwise, all chapter, “§” and section references are to the Bankruptcy Code,
and all “Bankruptcy Rule” references are to the Federal Rules of Bankruptcy Procedure.

27 ² CNA filed a Notice of Appearance in the Bankruptcy Court on September 17, 2018, and has
28 been receiving ECF service of all filings since then. *See* Request for Judicial Notice (“RJN”), Ex.
1, *Notice of Appearance and Request for Special Notice and Inclusion on Mailing List* [Docket

1 both its individual capacity as representative of nurses at St. Vincent (and other existing and
2 previously Debtor-owned facilities) and as a member of the Official Committee of Unsecured
3 Creditors (the “Committee”)³ in the Chapter 11 Cases, and was at all times aware of the potential
4 closure of St. Vincent. CNA received notice of St. Vincent’s potential closure through various
5 pleadings filed during 2019 and notice of the motion to close St. Vincent in January 2020, which
6 CNA actively opposed. *See* RJN, Ex. 29, *Opposition to Debtors’ Emergency Motion for*
7 *Authorization to Close St. Vincent Medical Center*, filed January 7, 2020 [Docket No. 3914]
8 (“CNA Closure Objection”). It is also indisputable that upon St. Vincent’s closure, CNA-
9 represented nurses received payment of all remaining wages for the period worked and unused
10 administrative and priority period allowable paid time off (“PTO”).⁴

11 After St. Vincent’s closure, the Debtors engaged in bargaining with CNA and another
12 union (“SEIU-UHW”) in order to terminate or otherwise modify the operative collective
13 bargaining agreements (“CBAs”) and to resolve claims associated with the closure of St. Vincent.
14 Those discussions resulted in a settlement with SEIU-UHW that was approved by this Court on
15 an expedited basis. *See* RJN, Ex. 3, [Docket No. 4340].⁵

16 In contrast to SEIU-UHW, CNA commenced this Adversary Proceeding, which seeks
17 relief under four counts. The first two counts are asserted under the Federal Worker Adjustment
18 and Retraining Notification Act, 29 U.S.C. §§ 2101 et seq. (the “WARN Act”) and the California
19 WARN Act, California Labor Code §§ 1400-1408 (“Cal-WARN Act”, and collectively with the
20 WARN Act, the “WARN Acts”) (Count I and Count II, respectively) against the Institutional
21

22 No. 200.] CNA has also filed a proof of claim in the Bankruptcy Cases against the Debtors. *See*
23 RJN 4, [Docket No. 3604].

24 ³ *See* RJN, Ex. 2, *Notice of Appointment of Committee of Creditors Holding Unsecured Claims*
[Docket No. 197, Exhibit A].

25 ⁴ Allowed priority wage and benefits claims are subject to the statutory priority cap under
26 § 507(a)(4) and (5).

Defendants. The remaining counts seek claims of “Intentional Misrepresentation by Concealment” and “Negligent Misrepresentation” (Count III and Count IV, respectively) against the Institutional Defendants, as well as two corporate individuals—Richard G. Adcock (Chief Executive Officer for VHS) and Steven Sharrer, Chief Human Resources Officer for VHS—and unnamed individuals labeled DOES 1 - 500. For damages, CNA seeks “civil penalties” (under the WARN Act), as well as “compensatory damages, including lost wages and employment benefits,” “damages for mental pain and anguish and emotional distress,” “punitive damages,” “interest” and “[t]reatment of all damages as first priority administrative expenses pursuant to 11 U.S.C. § 503(b)(1)(A)(i)-(ii)” (Compl., ¶¶ 119-22, 124-25). Such damages, which CNA seeks to have treated as “administrative” while unspecified in amount, undoubtedly exceed any unpaid administrative and priority severance claims CNA had previously agreed should be treated under an accrual method of calculation, with administrative and priority amounts paid after plan confirmation. *See* RJN, Ex. 4, *Debtors’ Omnibus Motion for Approval of 1) Settlement Agreements with Labor Unions, 2) Assumption and Assignment of Modified Collective Bargaining Agreements to SGM, 3) Termination of Retiree Healthcare Benefits and 4) Related Relief* [Docket No. 3604, ¶ 39].⁶

Leaving aside CNA’s blatant attempt, yet again, to elevate and expand what constitutes an administrative claim, while simultaneously seeking to punish Defendants for taking necessary actions to mitigate SGM’s failure to close, none of the Counts have merit and each should be dismissed with prejudice.⁷ CNA’s WARN Act claims fail for several reasons; although for the

⁶ That settlement was reached in connection with the CBA modification and assignment to SGM. By its terms, that settlement was rendered null and void by SGM’s failure to close the sale transaction. *See* RJN, Ex. 4 [Docket No. 3604, Ex. 1, ¶ 12] (“Terms of this Agreement shall be null and void in the event that 1) the Sale does not close[.]”) Although the settlement was rendered void, no agreement has been reached to accelerate the payment of administrative or priority severance prior to any plan effective date.

⁷ CNA objected to the Wage Motion (defined herein)—notwithstanding the fact that the Debtors unilaterally agreed to pay more than a million dollars in post-petition accruing pension contributions for active and unfrozen CNA-represented employees in 2018-2019—because the Wage Motion did not also seek to pay pre-petition pension related contributions. *See* RJN, Ex. 56 [Docket No. 223].

1 purposes of this Motion, the Defendants focus on one: due to the emergency closure of St.
2 Vincent, the Institutional Defendants constitute a “liquidating fiduciary” and are not employers
3 for purposes of the WARN Acts. The record before this Court provides all evidence necessary to
4 support this defense and, as such, Counts I and II should be dismissed with prejudice.

5 Likewise, the claims against the Institutional and Individual Defendants for alleged
6 “intentional” and “negligent” misrepresentation (Counts III and IV) are devoid of color and
7 should be dismissed with prejudice for at least two reasons. First, CNA lacks associational
8 standing to assert the intentional and negligent misrepresentation claims. Second, CNA fails to
9 allege the requisite elements to support either intentional misrepresentation or negligent
10 misrepresentation.

11 Further, it should be noted that although CNA has filed a motion in the District Court
12 seeking to withdraw the reference of this Adversary Proceeding, no stay has been sought, let
13 alone granted, and accordingly nothing prohibits this Court from making a determination of this
14 Motion.

15 For these and other reasons, the Court should dismiss the Adversary Proceeding, with
16 prejudice.

17 II.

18 **RELIEF REQUESTED**

19 By this Motion, Defendants request entry of an Order dismissing the Adversary
20 Proceeding filed by CNA with prejudice, on the basis that the Complaint fails to state a claim
21 upon which relief can be granted.

22 III.

23 **JURISDICTION AND VENUE**

24 This Court has jurisdiction over this Motion pursuant to 28 U.S.C. §§ 157 and 1334. This
25 is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(B). Venue is proper in this Court pursuant
26 to 28 U.S.C. §§ 1408 and 1409.

27 The statutory predicate for the relief requested herein is Civil Rule 12(b)(6), as made
28 applicable to adversary proceedings in bankruptcy courts by operation of Bankruptcy Rule

1 7012(b).

2 IV.

3 **STATEMENT OF FACTS**

4 **A. General Background**

5 1. On August 31, 2018 (the “Petition Date”), the Debtors each filed a voluntary
6 petition for relief under chapter 11 of the Bankruptcy Code.

7 2. Debtor VHS, a California nonprofit public benefit corporation, is the sole
8 corporate member of the other Debtor California nonprofit public benefit corporations that
9 operated acute care hospitals and other facilities in the state of California. *See* RJN, Ex. 5,
10 *Declaration of Richard G. Adcock in Support of Emergency First-Day Motions* [Docket No. 8]
11 (the “First-Day Decl.”), ¶ 11.

12 3. From the outset of the Chapter 11 Cases, the Debtors emphasized that their
13 vulnerable condition, caused by years of inherited legacy liabilities and generous employee
14 benefits, state law demands and reimbursement and operational difficulties, necessitated the
15 bankruptcy filing and the objective to transfer the hospitals as operating entities. *Id.* at ¶¶ 96-110,
16 139.

17 4. The Debtors incorporate the First-Day Decl. for further general background.

18 **B. St. Vincent**

19 5. SVMC was founded as the first hospital in Los Angeles in 1856. *Id.* at ¶ 34. In
20 1971, a new facility was constructed at the Hospital’s current location at 2131 West Third Street,
21 Los Angeles, CA 90057. *Id.* The Hospital expanded to a 366 licensed bed, regional acute care,
22 tertiary referral facility, specializing in cardiac care, cancer care, total joint and spine care, and
23 multi-organ transplant services. *Id.* The Hospital served both local residents and residents from
24 Los Angeles, San Bernardino, Riverside, and Orange Counties. *Id.* SVMC provided medical
25 care for both inpatients (*i.e.*, patients who remain in the hospital for more than 24 hours) and
26 outpatients (*i.e.*, patients who receive outpatient services, such as MRIs). *Id.* SVMC owns real
27 property commonly known as: (i) 2131 W 3rd Street, Los Angeles, CA 90057, including the
28

1 hospital and all of the facilities located thereon; and (ii) vacant land in Salton Sea, California. *Id.*
2 at ¶ 23.

3 6. SVMC's campus had a dialysis center, SVDC, where SVMC's kidney disease
4 patients received dialysis services, including hemodialysis and isolated ultrafiltration treatments
5 as part of SVMC's end-stage renal disease program. *Id.* at ¶ 36. SVMC and SVDC had separate
6 corporate identities, and SVMC was the sole corporate member of SVDC. *Id.* Both SVMC and
7 SVDC were exempt from federal income taxation as an organization described in § 501(c)(3) of
8 the Internal Revenue Code of 1986. *Id.* at ¶ 21.

9 7. As of the Petition Date, St. Vincent employed approximately 1,099 employees, of
10 which 897 were full time, 42 were part time, and 160 were *per diem*. *Id.* at ¶ 59(f).

11 8. St. Vincent had consistently lost money for many years due to, among other
12 things, unfavorable payor contracts, rising health care costs, high pension obligations and certain
13 requirements imposed on SVMC by the Attorney General for the State of California (the
14 "Attorney General"). *See id.* at ¶¶ 95, 99. SVMC was also dramatically under-invested in
15 structural improvements necessary to meet California's state-mandated seismic and clean energy
16 requirements. *Id.*

17 9. While the Debtors collectively have a poor financial history, St. Vincent was
18 particularly troubled. *See* RJN, Ex. 44, *Declaration of Peter C. Chadwick in Support of Debtors'*
19 *Emergency Motion to Authorization to Close St. Vincent Medical Center* [Docket No. 3906], ¶ 6.
20 On the Petition Date, although SVMC accounted for approximately only 23% of the patient
21 volume of the entire Verity Health System, the hospital accounted for approximately 60% of the
22 operating losses. *Id.* Before closing SVMC, the Debtors projected continuing operating losses by
23 SVMC. Relevant reported financial statements reflect that, in fiscal year 2019 (ended June 30,
24 2019), it lost approximately \$65 million, which was an 18% and 103% increase over the fiscal
25 years 2018 and 2017, respectively. *Id.* at ¶ 8.

1 **C. The CNA CBA And The Represented Employees**

2 9. CNA represents employees at St. Vincent under a collective bargaining agreement.
3 See RJN, Ex. 4, [Docket No. 3604].⁸ In addition to St. Vincent, CNA represents employees at
4 SMC and previously represented employees at Saint Louise Regional Hospital and O'Connor
5 Hospital (the latter two having been sold to Santa Clara County). Additionally, Defendants
6 Holdings and DePaul have no employees and CNA has not at any relevant time represented
7 employees at Defendant SFMC. See RJN, Ex. 4, [Docket No. 3604] (referencing Debtor facilities
8 where CNA has represented employees).

9 10. On the Petition Date, the Debtors filed their *Emergency Motion Of Debtors For*
10 *Entry Of Order: (I) Authorizing The Debtors To (A) Pay Prepetition Employee Wages And*
11 *Salaries, And (B) Pay And Honor Employee Benefits And Other Workforce Obligations; And (II)*
12 *Authorizing And Directing The Applicable Bank To Pay All Checks And Electronic Payment*
13 *Requests Made By The Debtors Relating To The Foregoing; Memorandum Of Points And*
14 *Authorities In Support Thereof* [Docket No. 22] (the “Wage Motion”), which requested authority
15 to pay priority employee claims and to pay employees in the ordinary course of business for post-
16 petition work. See RJN, Ex. 6. On October 22, 2018, this Court granted the Wage Motion⁹ and
17 authorized the payment of priority and administrative wage and benefit claims, including for
18 union-represented employees.¹⁰

19 ⁸ In addition, CNA is party to other collective bargaining agreements with the Debtors, including
20 a collective bargaining agreement with SMC, and a “Master” collective bargaining agreement
21 with SMC and St. Vincent. *Id.*

22 ⁹ See *Final Order Granting the [Debtors’] Emergency Motion of Debtors for Entry of Order: (I)*
23 *Authorizing the Debtors to (A) Pay Prepetition Employee Wages and Salaries, and (B) Pay and*
24 *Honor Employee Benefits and Other Workforce Obligations; and (II) Authorizing and Directing*
25 *the Applicable Bank to Pay All Checks and Electronic Payment Requests Made by the Debtors*
26 *Relating to the Foregoing* [Docket No. 612]; and concurrently issued *Memorandum of Decision*
27 *(1) Overruling Objections to the (A) Prepetition Wages Motion and (B) Financing Motions and*
28 *(2) Denying Motion for Reconsideration of the Final Financing Order* [Docket No. 614]
(together, the “Wage Order”). See RJN, Exs. 7 & 8.

¹⁰ Unlike other labor unions, whose benefit accruals under certain defined pension plans were
frozen as a function of the Wage Order, CNA continued to accrue new benefits under a large
multiemployer pension plan (the RPHE), into which the Debtors received authority to make
payments under a specified budget. [Docket No. 614, § I. B.].

D. Marketing and Sale Efforts

11. Prior to the Petition Date, the Debtors engaged in substantial efforts to market and solicit interest in their assets (collectively, the “Assets”). See RJN, Ex. 9, *Declaration of James M. Moloney in Support of the Debtors’ Memorandum in Support of Entry of an Order: (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances; (B) Authorizing the Assumption and Assignment of Designated Executory Contracts and Unexpired Leases; and (C) Granting Related Relief* [Docket No. 2220] (the “Moloney Sale Decl.”), at ¶ 4.

12. As part of these prepetition efforts, the Debtors engaged Cain Brothers, a division of KeyBanc Capital Markets (“Cain”), to assist in identifying potential buyers of some or all of the Assets and commenced discussions with those potential buyers. *Id.* at ¶¶ 1, 4. In that initial marketing process, Cain contacted more than 100 potential partners to evaluate their interest in exploring a transaction involving some or all of the Assets. *Id.* at ¶ 4. By August 2018, as a result of its ongoing and broad marketing process, Cain received 11 “Indications of Interest” from potential buyers of some or all of the Assets. *Id.*

13. Post-petition, the Debtors effectuated a sale of certain Assets to Santa Clara County, which was approved by this Court on December 27, 2018. See RJN, Ex. 10, [Docket No. 1153]. Thereafter, SGM emerged as a leading potential candidate to be selected as the stalking horse bidder for the Debtors’ remaining Assets. *Moloney Sale Decl.* at ¶ 6.

E. The Failed SGM Sale

14. The Debtors selected SGM as the stalking horse bidder (the “Stalking Horse Bidder”) for substantially all of the Debtors’ remaining Assets, including SVMC, and requested approval of the same (the “Sale and Bidding Procedures Motion”). See RJN, Ex. 59, [Docket No. 1279] at ¶ 22. On February 19, 2019, the Court held a hearing on the Sale and Bidding Procedures Motion and thereafter entered an order approving the Sale and Bidding Procedures Motion (the “Bidding Procedures Order”). See RJN, Ex. 11, [Docket No. 1572]. SGM served as the Stalking Horse Bidder under the terms of the Bidding Procedures Order. The Bidding Procedures Order also approved that certain asset purchase agreement [Docket No. 2305-1] (the “APA”) as modified therein. See RJN, Ex. 12.

1 15. On May 2, 2019, after briefing and a hearing, the Court entered the *Order (A)*
2 *Authorizing The Sale Of Certain Of The Debtors' Assets To Strategic Global Management, Inc.*
3 *Free And Clear Of Liens, Claims, Encumbrances, And Other Interests; (B) Approving The*
4 *Assumption And Assignment Of An Unexpired Lease Related Thereto; And (C) Granting Related*
5 *Relief* [Docket No. 2306] (the "Sale Order"), approving the sale to SGM pursuant to the APA (the
6 "SGM Sale"). See RJN, Ex. 13.

7 16. One of the conditions to closing under the APA was (i) the approval by the
8 Attorney General, pursuant to California Corporations Code § 5914 and title 11 of the California
9 Code of Regulations, § 999.5, and (ii) that the Attorney General did not impose any conditions
10 that were "materially different" than those set forth in Schedule 8.6 to the APA. APA, § 8.6.
11 Under Section 8.6 of the APA, the APA also provided that SGM "shall reasonably cooperate in
12 any efforts to render the Supplemental Sale Order a final, non-appealable order." *Id.*

13 17. In anticipation of the SGM Sale, on August 12, 2019, the Debtors sent a notice
14 under the WARN Act (generally, a "WARN Notice") to CNA and each of its members (the
15 "August 12, 2019 Notice") (Compl., Ex. 1) stating in relevant part:

16 This notice is being issued to you under the Worker Adjustment
17 and Retraining Notification Act, 29 U.S.C. §§2101 et seq. (the
18 "WARN Act") and the California WARN Act, California Labor
19 Code §§1400-1408 ("Cal-WARN Act"). The purpose of this notice
20 is to inform you of the sale of St. Vincent Medical Center, located
21 at 2131 West Third Street, Los Angeles, CA 90057 and St. Vincent
22 Dialysis Center, located at 201 S. Alvarado St., Los Angeles, CA
23 90057 (together, "St. Vincent"). . . .

24 On April 17, 2019, the Bankruptcy Court entered an order
25 approving the Sale.

26 In connection with the Sale, the Debtors will be separating the
27 employment of all of St. Vincent's employees, which may result in
28 an "employment loss" within the meaning of the WARN Act and
the Cal-WARN Act. Under the Asset Purchase Agreement between
the Debtors and the Purchaser, the Purchaser has agreed to make
offers of employment to substantially all of St. Vincent's
employees, subject to the other terms and conditions contained in
such Asset Purchase Agreement.

 The closing of the Sale is subject to certain regulatory and other

1 approvals and the satisfaction of certain other conditions agreed to
2 between the Debtors and the Purchaser. While the Debtors are
3 optimistic that the Sale will close, there is a possibility that the Sale
4 will be unsuccessful. In that event, St. Vincent may close and none
5 of its employees may be hired by the Purchaser. Even if the Sale
6 closes and St. Vincent remains open, employees at St. Vincent may
7 suffer an “employment loss” within the meaning of the WARN Act
and Cal-WARN Act because the Debtors will separate the
employment of all of St. Vincent's employees upon the closing of
the Sale. For those employees, if any, who are not hired by the
Purchaser, the employment loss is expected to be permanent.

8 (Compl., Ex. 1).

9 18. The August 12, 2019 Notice explained that “[b]ased on the best information
10 available to date, we believe the Sale and separations of employment will occur between October
11 18, 2019 and October 31, 2019.” *Id.*

12 19. On September 25, 2019, the Attorney General approved the SGM Sale, subject to
13 certain conditions that included additional conditions that were materially different than those
14 SGM contractually agreed to in Schedule 8.6 of the APA (the “2019 Conditions”). Accordingly,
15 the Debtors filed a motion that sought the entry of an order enforcing the Sale Order, finding that
16 the SGM Sale was free and clear of the 2019 Conditions, and limiting the SGM Sale to only those
17 conditions that SGM developed and then contractually agreed to in Schedule 8.6 of the APA (the
18 “Enforcement Motion”). *See* RJN, Ex. 14, [Docket No. 3188.] In support of the Enforcement
19 Motion, the Debtors filed a Declaration of CEO Richard Adcock, stating that the likely outcome
20 of SGM not closing the sale was that SVMC would likely close. *See* RJN, Ex. 14, [Docket No.
21 3188, p. 33] (“If the SGM Sale does not close, the most likely outcome is that at least three of the
22 Hospitals will have to close.” (emphasis added)).¹¹

23 20. On October 15, 2019, the Court held a hearing on the *Debtors’ Emergency Motion*
24 *for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global*
25 *Management, Inc; (II) Finding That the Sale is Free and Clear of Conditions Materially Different*
26 *Than Those Approved by the Court; (III) Finding That the Attorney General Abused His*

27 ¹¹ CNA indisputably had actual knowledge of this filing and, indeed, specifically referenced it in
28 its CNA Closure Objection, filed January 7, 2020 [Docket No. 3914, p. 3]. *See* RJN, Ex. 29.

1 *Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief. See* RJN, Ex.
2 14, [Docket No. 3188, filed September 30, 2019]. Counsel for CNA appeared at the hearing,
3 during which the Court underscored the significance of the SGM Sale and the consequences to
4 employees if the SGM Sale fell through:

5 Ms. Skogstad: Good Morning, your Honor. Kyrsten Skogstad, in-
6 house counsel, on behalf of the California Nurses Association.

7 * * *

8 The Court: . . . This is the culmination of this case. We have at
9 some point a plan and disclosure statement hearing, but all of that
10 posits that we have a sale of the assets of this case. If we don't, it
11 makes no sense to have a plan and disclosure statement. So this is
12 the day and this is the hour. The sale is the linchpin of the plan.
13 So, without a sale, there's no point to going forward, and I reiterate
14 that because I'm not sure if all of the participants at this morning's
15 hearing fully appreciate what that means. If we don't have a plan
16 and disclosure statement that can be approved by the Court, then,
17 on the Court's own motion, or on a motion of an interested party,
18 the Court may dismiss the case, in which case I think that that
19 would spell a disaster for every party that is represented here this
20 morning.

21 * * *

22 More importantly, throughout another set of hearings with respect
23 to a sale to some other entity, with all of the time that would be
24 occasioned by that, there is no money to fund the continued
25 operations of the Debtor, which would inure to the detriment of
26 thousands of patients, thousands of employees, and not to mention
27 the creditors in the case.

28 *See* RJN, Ex. 15 (Oct. 15, 2019 Hr'g Tr. at 1:23-25, 4:15-5: 4, 6:15-21) (emphasis added).

21. In light of the status of the SGM Sale transaction, on October 23, 2019, the
Debtors issued a WARN extension notice ("October 23, 2019 Notice") (Compl., Ex. 2) stating, in
relevant part:

This notice is being provided in follow up to the August 12, 2019
notice you received under the Worker Adjustment and Retraining
Notification Act and the California WARN Act *advising that*
separations of employment would occur between October 18, 2019
and October 31, 2019.

The October 23, 2019 Notice also provided an update regarding the SGM Sale, stating:

The Agreement requires satisfaction of certain milestones to
complete the Sale. Not all of the milestones have been met.

Consequently, the separations of employment must be postponed and will not occur at the time originally anticipated. At this time, we anticipate the Sale and separations of employment will occur between **November 17, 2019 and November 30, 2019.**

We will continue to keep you apprised of any new developments and will provide you with updated information should circumstances change with respect to the Sale and the separations of employment.

(Compl., Ex. 2) (emphasis added).

22. On October 23, 2019, the Court issued a *Memorandum of Decision Granting the Debtors' Emergency Motion to Enforce the Sale Order*. See RJN, Ex. 16, [Docket No. 3446]. In the memorandum, the Court ruled for the Debtors on all issues, holding, among other things, that the Attorney General's conditions that were materially different than the conditions in Schedule 8.6 were not enforceable under the Bankruptcy Code and state law.

23. Thereafter, following negotiations, the Debtors and the Attorney General reached a *Stipulation Resolving "Debtors Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief"* [Docket No. 3572] and lodged a related order [Docket No. 3574]. See RJN, Exs. 17 & 18.

24. On November 11, 2019, SGM filed an objection to the proposed order, stating in relevant part:

While SGM remains fully committed to the transaction, fundamental to SGM's rights as a purchaser is the protection to which it is entitled under APA section 8.6 in the form of a clearly and unambiguously written order which forecloses, to the extent possible, any disputes or controversies as to SGM's protection from such Additional Conditions, its right not to comply with, perform or adhere to any of the Additional Conditions, and SGM's ability to come to this court if there are future disputes or controversies over the interpretation or enforcement of such order

* * *

Unfortunately, the AG's effort to avoid the precedential effect of

1 this Court's ruling has created an unnecessarily ambiguous order
2 which may actually result in litigation between the AG and SGM.
3 The AG's verbatim extraction of specific language from § 8.6,
4 while superficially appealing, is grammatically unartful. Whether
5 by design to obscure the outcome of the Court's ruling or simply
6 poor draftsmanship, the end result is an order that does not do
7 justice to, or fairly reflects, this Court's ruling and leaves SGM
8 open to litigation.

9 See RJN, Ex. 19, [Docket No. 3582 at pp. 3-4] (emphasis added).

10 25. On November 14, 2019, following a hearing, the Court issued an *Order Granting*
11 *"Debtors Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the*
12 *Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of*
13 *Conditions Materially Different Than Those Approved by the Court; (III) Finding That the*
14 *Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting*
15 *Related Relief"* (the "Enforcement Order"). See RJN, Ex. 20, [Docket No. 3611]. The
16 Enforcement Order provided, in relevant part, that "the Additional Conditions (as defined in
17 Section 8.6 of that certain asset purchase agreement [Docket No. 2305-1] (the 'APA')) were an
18 'interest in property' for purposes of 11 U.S.C. § 363(f). The Assets (as defined in the APA)
19 were being sold free and clear of the Additional Conditions without the imposition of any other
20 conditions which would adversely affect the Purchaser (as defined in the APA)." [Docket No.
21 3611 at ¶ 3]. The findings in the Enforcement Order mirrored the findings required under the
22 APA.

23 26. APA Section 1.3 obligated SGM to close the sale "promptly but no later than ten
24 (10) business days following the satisfaction" of all conditions precedent. APA, § 1.3. On
25 November 18, 2019, the Court entered an order [Docket No. 3633] and related memorandum
26 [Docket No. 3632] finding that: "The Debtors have complied with their obligation under the
27 APA to obtain a final, nonappealable Supplemental Sale Order. Consequently, SGM is now
28 obligated to promptly close the SGM Sale, provided that all other conditions to closing have been
satisfied." See RJN, Exs. 21 and 22.

29 27. The conditions to close under the APA had been satisfied, and the transaction
30 should have promptly closed by December 5, 2019. *Id.* On November 18, 2019, however,

SGM's CEO, Peter Baronoff, contacted a Cain representative and stated that SGM could not obtain sufficient financing for the transaction, contrary to Section 3.9 of the APA. *See* RJN, Ex. 27, [Docket No. 3644 at ¶ 12]. That telephone call immediately resulted in the Debtors' request for an order [entered at Docket No. 3646] continuing the hearing on the Debtors' motion [Docket No. 2995] for approval of its disclosure statement [Docket No. 2994]. *See* RJN, Exs. 57 & 58. Specifically, on November 19, 2019, the Debtors filed a *Motion to (A) Continue Hearing on Motion of the Debtors for an Order Approving: (I) Proposed Disclosure Statement; (II) Solicitation and Voting Procedures; (III) Notice and Objection Procedures for Confirmation of Debtors' Plan, and (IV) Granting Related Relief; (B) Continue the Reply Deadline with Respect to Disclosure Statement Objections, and (C) Use the November 26, 2019, 10:00 a.m. Hearing Date for a Status Conference on This Matter.* *See* RJN, Ex. 27, [Docket No. 3644]. The Debtors' motion explained:

The [November 18, 2019] Order also provided that Strategic Global Management, Inc. ("SGM") was obligated to promptly close the SGM sale (the "SGM Sale"), provided that all other conditions have been satisfied. Despite the foregoing, there remains a significant amount of uncertainty regarding the SGM sale transaction. As of the last motion [Docket No. 3621] to continue the hearing on the Disclosure Statement Motion, the Debtors anticipated receiving formal correspondence from SGM that would be material to the sale transaction. The Debtors have yet to receive the correspondence, but have been informed that it is forthcoming. Further, since the Orders, SGM orally communicated new information that undermines the Debtors' confidence in a prompt closing of the sale.¹²

Id. at p. 2 (emphasis added).

28. Given the Debtors' understanding that the SGM Sale would not close by November 30, 2019 as anticipated, the Debtors issued a WARN extension notice on November 25, 2019 (the "November 25, 2019 Notice") (Compl., Ex. 3). This notice informed CNA and its members that "*the separations of employment will be further postponed* due to the circumstances noted below" and explained:

¹² CNA received and was aware of these filings and, indeed, specifically referenced one of them in its CNA Closure Objection [Docket No. 3914, p. 3].

1 The Debtors continue to work expeditiously for a prompt close of
2 the Sale with SGM. For example, the Debtors obtained an order
3 from the court regarding the Attorney General conditions and
4 reached a settlement with the U.S. Department of Health and
5 Human Services. We are notifying you that we anticipate the Sale
6 and *separations of employment will occur* between **December 6,**
7 **2019 and December 19, 2019.**

8 We will keep you apprised with respect to the Sale and the
9 separations of employment.

10 *Id.* (emphasis added).

11 29. On November 25, SGM filed a Reservation of Rights, alleging (among other
12 things) that “there are genuine disputes of material fact as to the [sic] whether there have been
13 Material Adverse Effects under the terms of the APA.” *See* RJN, Ex. 30, [Docket No. 3701 at p.
14 6]. SGM’s Reservation of Rights further stated:

15 On November 22, 2019, SGM, through counsel, delivered two
16 letters to Verity . . . In the SGM Letters, SGM notified Verity that
17 Verity had breached a number of material covenants,
18 representations, warranties and conditions, as a result of which
19 there had occurred and would continue to occur “Material Adverse
20 Effects” as that term is used throughout the APA.

21 * * *

22 [...] SGM is desirous of proceeding with the transaction reflected
23 in the APA. However, the significant and material issues which
24 have emerged and which are set forth in SGM’s Letter of
25 November 22, 2019, must be addressed and resolved. SGM
26 believes that the most effective mechanism to resolve these issues is
27 not to rush to Court on an expedited and profoundly unfair process.
28 Rather, it would be more productive for SGM to meet and confer
with Verity and the other stakeholders, including the secured
lenders and the Unsecured Creditors Committee, to see if the
transaction can be salvaged and closed without the necessity of
litigation.

29 *Id.* at pp. 2-3, 9-10.

30 30. In response, the Debtors submitted to the Court SGM’s November 22, 2019
Letters under seal. *See* RJN, Exs. 31 & 32, [Docket Nos. 3697 & 3699]. On the same date, SGM
filed an *Objection to Debtor’s Ex Parte Motion for an Order Allowing the Debtors to File
Correspondence Regarding the SGM Sale Under Seal*, stating:

[C]ertain disputes and controversies have arisen between SGM and
the Debtors with regard to the APA and, as a result of the

1 emergence of those issues, the parties have exchanged letters; the
2 Debtor's letter to SGM dated November 19, 2019 and SGM's letter
3 to the Debtors dated November 22, 2019.

4 See RJN, Ex. 33, [Docket No. 3698 at p. 2].

5 31. On November 26, 2019, the Court held a Status Conference, at which the Court
6 rejected SGM's arguments, stating (among other things) that "[a]s far as the Court is concerned"
7 SGM is the "proud owner" of the Debtors' assets as set forth in the APA, and that SGM "has an
8 obligation to close" the transaction pursuant to the APA. See RJN, Ex. 34, [Nov. 26, 2019 Hr'g
9 Tr. at 12:22-24, 14:10-11]. Additionally, at the Status Conference, the Debtors announced that
10 they had reached a settlement agreement in principle with the California Department of Health
11 Care Services ("DHCS") on November 22, 2019 ("DHCS Settlement"), given SGM's objection
12 to the sufficiency of the Court's prior Orders regarding DHCS. [*Id.* at 10:17-24.]

13 32. On November 27, 2019, the Court issued an Order finding that, "[p]ursuant to §
14 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019"
15 ("Closing Order"). See RJN, Ex. 35, [Docket No. 3724]. The Memorandum Decision supporting
16 the Closing Order concluded, among other things, that (i) "Adjudication of SGM's Obligations
17 Under the APA Does Not Require an Adversary Proceeding," (ii) "Adjudication of SGM's
18 Obligations Under the APA Is Not Premature," (iii) "SGM Is Not Entitled to Appeal the Court's
19 Determination Regarding a Material Adverse Effect," (iv) "No Material Adverse Effect Has
20 Occurred," (v) "All Conditions Precedent to Closing Have Been Satisfied." See RJN, Ex. 36,
21 [Docket No. 3723]. The Court further concluded that:

22 SGM's contention that it is not obligated to close is a cynical
23 attempt to extract a better purchase price. A key component of
24 SGM's negotiation strategy is its attempt to delay as long as
25 possible the adjudication of its obligations under the APA. The
26 Court will not facilitate SGM's dubious tactics.

27 * * *

28 By presenting non-meritorious arguments as to why it is not
obligated to close, SGM is holding the estates, creditors, and
patients of the Hospitals hostage in an attempt to extort a better
purchase price. SGM's cynical tactics are especially offensive
given the significant harm that closure of the Hospitals would
impose upon patients. For example, two of the Hospitals that

1 would likely close upon failure of the SGM Sale contain large
2 populations of long-term patients suffering from severe illnesses,
all of whom would have to be relocated to other facilities.

3 *Id.*, pp. 4, 6-7 (emphasis added).

4 33. On November 29, 2019, SGM filed two notices of appeal [Docket Nos. 3726 &
5 3727] related to (i) the order granting the Enforcement Motion [Docket No. 3611], and (ii) the
6 order finding that SGM is obligated to promptly close the transaction under Section 8.6 of the
7 APA provided all other conditions to closing are satisfied [Docket No. 3633]. *See* RJN, Exs. 20
8 & 21.

9 34. SGM failed to close the SGM Sale by December 5, 2019, as ordered by the Court.
10 Accordingly, on December 6, the Debtors filed an *Emergency Motion for (I) Issuance of an Order*
11 *to Show Cause Why Strategic Global Management, Inc. Failed to Close the Sale Transaction by*
12 *December 5, 2019; and (II) Entry of an Order Enforcing Prior Court Orders Requiring Strategic*
13 *Global Management, Inc. to Close the Sale Transaction by December 5, 2019.* *See* RJN, Ex. 39,
14 [Docket No. 3773] (the “Emergency Motion”). The Emergency Motion explained that SGM had
15 failed to close the SGM Sale and SGM’s conduct suggested it lacked the financial wherewithal to
16 do so. Specifically, the motion stated that, “[o]n November 19, 2019, SGM’s CEO, Peter
17 Baronoff, telephoned the Debtors’ investment banker and stated that SGM could not obtain
18 sufficient financing for the transaction,” and explained:

19 Despite the clear requirements of the APA and in direct
20 contravention of this Court’s prior Orders, SGM announced that it
21 would not close the SGM Sale—and, then, did not close the SGM
22 Sale—by December 5, 2019. In a transparent attempt to delay this
23 proceeding, frustrate the Debtors’ ability to transfer the Hospitals
pursuant to the APA, and manufacture a context to renegotiate the
purchase price under the APA, SGM has filed three frivolous
appeals

24 * * *

25 SGM has intentionally frustrated the closing process by refusing to
26 participate. In addition to announcing that it would not close the
SGM Sale on December 5, as ordered by the Court, throughout the
27 week leading up to the filing of this Motion, SGM has refused to
28 participate in the regular, pre-scheduled joint closing calls and
operational transition calls, apparently based on the advice of its
counsel.

* * *

Given the actions and inactions of SGM over the past month, which suggest SGM lacks the financial ability to close the SGM Sale, the Debtors have made repeated and direct requests that SGM state whether it has the financial ability to close the SGM Sale, and whether it intends to do so. SGM has refused to respond, attempting to distract from its apparent financial inability to perform and seeking to preserve the ability to argue at some later date that the Debtors breached the APA by deciding prematurely to distribute their assets in a different manner, i.e. “Plan B” as it was referred to during the November 26, 2019, status conference.

Id. at pp. 2-3, 6 (emphasis added).

35. The Emergency Motion asked the Court to find SGM in material breach of the APA by failing to close the SGM Sale on December 5, 2019, and order SGM and its principals, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause as to why SGM failed to comply with this Court’s Order and close the SGM Sale by December 5, 2019, including, but not limited to, stating whether SGM has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction. [Docket No. 3773].

36. By Order dated December 9, 2019, the Court denied the Emergency Motion, explaining:

Requiring SGM’s representatives to testify as to SGM’s reasons for not closing the SGM Sale would not increase the likelihood of the sale actually closing. By failing to close, SGM risks the loss of its \$30 million good-faith deposit as well as the possibility of damages for breach of contract in an amount of up to \$60 million. Being compelled to offer testimony will not motivate SGM to close where the threat of the loss of up to \$90 million has failed to accomplish that end. In the future, the Debtors will have the opportunity to litigate the issues of whether SGM has breached the APA and whether the Debtors are entitled to retain SGM’s good-faith deposit. In the meantime, the Debtors’ efforts would be better spent ensuring the health and safety of the patients at the affected Hospitals.

The prompt closing of the SGM Sale would be in the best interests of all constituents in these cases, and the Court remains hopeful that SGM will fulfill its obligation to close. However, the estates’ precarious cash position requires that the Debtors have the ability to immediately explore options for the alternative disposition of the Hospitals. The Court finds that any efforts undertaken by the Debtors with respect to the alternative disposition of the Hospitals will not violate the Debtors’ obligation under Article 12.1 of the

APA to cooperate with SGM to consummate the SGM Sale; nor shall any such efforts constitute a material default by the Debtors under any other provision of the APA.

See RJN, Ex. 40, [Docket No. 3783 at pp. 2-3] (emphasis added).

37. The potential implications of SGM's actual and threatened conduct was clear to CNA and hospital employees. On December 10, 2019, the Medical Staff of Seton Medical Center filed an Expression of Concern, stating: "The Medical Staff of Seton Medical Center hereby expresses its profound concern over the delay in the closing of the sale." See RJN, Ex. 41, [Docket No. 3790]. The pleading was served on CNA [Docket No. 3790, Proof of Service], and attached a letter sent to the CEOs of SGM and Verity, stating:

On or about November 15th, 2019, VHS sent the attached letter to approximately 1,000 nurses and ancillary staff at Seton, terminating them and inviting them to retrieve their severance packages on December 2, 2019 (the "Severance Letter"). It was originally assumed that the Severance Letter would be coupled with an employment offer from SGM, but SGM has been very slow to make just a few offers, and so the only definitive statement that has been received by the vast majority of Seton's 1,000 nurses is VHS's Severance Letter, terminating them as of December 2, 2019.

* * *

The uncertainty about whether the Buyer will perform has caused 6 nurses to leave the Emergency Room, severely reducing its ability to function. The majority of the nurses in the Intensive Care Unit have accepted jobs elsewhere over the last three weeks [...]

See RJN, Ex. 41 (emphasis added).

38. The following day, the Committee, of which CNA is a member, filed its own Expression of Concern, stating that it "shares the concerns of the Medical Staff of Seton Medical Center and urges SGM to promptly close the sale[.]" See RJN, Ex. 42, [Docket No. 3803]. This pleading was also served on CNA. [Docket No. 3803, Proof of Service].

39. On December 18, 2019, in follow-up to the November 25, 2019 Notice advising that separations of employment would occur on December 19, 2019, the Debtors advised St. Vincent employees via email that "KPC Group . . . failed to close the sale transaction, as ordered by the Bankruptcy Court" and notified them that "your employment will NOT end on December 19, 2019, as we had anticipated." (Compl., Ex. 4).

40. As a result of SGM's wrongful conduct regarding the SGM Sale, on January 3, 2020, certain of the Debtors filed a complaint for breach of contract, promissory fraud and tortious breach of contract, thereby commencing an adversary proceeding against SGM, among others. *See* RJN, Ex. 43, [Adv. P. No. 20-01001, Docket No. 1].

41. Left with no other choice, on January 6, 2020, the Debtors filed their *Emergency Motion for Authorization to Close St. Vincent Medical Center* (the "Closure Motion"), under which the Debtors sought authorization to close St. Vincent (the "Closure"), pursuant to a "Closure Plan" (as defined in the Closure Motion). *See* RJN, Ex. 44, [Docket No. 3906]. On January 7, 2020, CNA filed the CNA Closure Objection. *See* RJN, Ex. 29, [Docket No. 3914]. In the CNA Closure Objection and at the hearing held on the Closure Motion, CNA argued that improper notice had been given and that the Closure was not necessary because of a potential sale or recovery from SGM. *Id.*

42. On January 9, 2020, the Court granted the Closure Motion, overruled the CNA Closure Objection, and authorized the Closure Plan. *See* RJN, Ex. 45, [Docket No. 3934]. The Court explained this order through a memorandum decision (the "Closure Decision"), where the Court found:

- a. "Upon initiation of the Closure Plan, St. Vincent will enter the process of liquidation and will no longer be an operating business." Closure Decision, at 5. (Emphasis added).
- b. "Premature publication of notice of closure would have harmed employee retention and morale, confused patients, and caused vendors to cease furnishing critical supplies. These serious harms would have undercut the central objective of the § 363 sale process—providing the Debtors the opportunity to realize the optimal value of their assets." *Id.*
- c. "The Debtors have articulated a sufficient business justification for closing St. Vincent." *Id.* at 7.
- d. "No buyer has presented a realistic bid to purchase St. Vincent as a stand-alone hospital." *Id.*

1 e. “St. Vincent is generating substantial operating losses. As of the Petition Date, St.
2 Vincent accounted for approximately 23% of the patient volume of the entire
3 Verity Health System, but was responsible for 60% of the operating losses . . . [and
4 that the] Debtors lack sufficient funds to continue to subsidize St. Vincent’s
5 operating losses. Absent the closure of St. Vincent, the Debtors will be unable to
6 continue operating their other hospitals. Chadwick Decl. at ¶ 9.” *Id.*

7 f. “The speculative possibility of a future cash infusion based upon SGM’s alleged
8 breach is not a solution to St. Vincent’s current funding crisis. Nor is pursuing a
9 sale, another alternative suggested by CNA.” *Id.* at 8.

10 *See* RJN, Ex. 46, [Docket No. 3933].

11 43. Immediately after the Court’s order, entered on January 9, 2020, approving the
12 closure of St. Vincent, the Debtors provided yet another WARN Notice, dated January 10, 2020,
13 to CNA and its members (the “January 10, 2020 Notice”) (Compl., Ex. 5). This notice informed
14 Plaintiff’s “of the permanent closure of St. Vincent Medical Center . . . and St. Vincent Dialysis
15 Center” and explained:

16 We know that you were aware of the separations of employment at
17 St. Vincent based on the prior WARN notice you received. We had
18 hoped there would be an opportunity for continued employment
19 with SGM when the sale closed. In light of the unforeseen
20 circumstances relating to the sale and the unexpected need to close
St. Vincent as a last resort, this additional WARN notice is being
provided to you as soon as practicable after the Order.

21 (Compl., Ex. 5).

22 44. The Debtors have now substantially implemented the Closure Plan, as described
23 more fully in their status reports: *Status Report Re Closure Of St. Vincent Medical Center*, dated
24 January 23, 2020, *see* RJN, Ex. 47, [Docket No. 3982]; *Debtors’ Status Report Re Closure of St.*
25 *Vincent Medical Center*, dated February 6, 2020, *see* RJN, Ex. 48, [Docket No. 4053]; *Debtors’*
26 *Status Report Re Closure of St. Vincent Medical Center*, dated February 20, 2020, *see* RJN, Ex.
27 49, [Docket No. 4126]; *Debtors’ Status Report Re Closure of St. Vincent Medical Center*, dated
28 April 2, 2020, *see* RJN, Ex. 50, [Docket No. 4410]. *See* RJN, Ex. 51, [Docket No. 4265, ¶ 6]

2 *Agreement with SEIU-UHW Related to the Closure of St. Vincent Medical Center, Including*
3 *Allowance of Certain Claims and Consensual Modification of the Applicable Collective*
4 *Bargaining Agreement.*

5 45. The Debtors’ management team, however, has worked to create opportunities for
6 the affected employees, including arranging for approximately 61 different healthcare
7 organizations to participate in on-site job fairs, where hundreds of employees received offers on
8 the spot or within days of the job fair. *Id.* at ¶ 7. In addition, affiliate and Defendant SFMC has
9 made employment offers to approximately 50 employees from St. Vincent. *Id.*

10 V.

11 ARGUMENT

12 Civil Rule 12(b)(6), as made applicable to adversary proceedings in bankruptcy cases by
13 Bankruptcy Rule 7012(b), allows a court to dismiss a complaint for “failure to state a claim upon
14 which relief can be granted.” The Bankruptcy Court may dismiss a complaint based on either
15 “the lack of a cognizable theory or the absence of sufficient facts alleged under a cognizable legal
16 theory.” *Balistreri v. Pacifica Police Dep’t*, 901 F.2d 696, 699 (9th Cir. 1990). In reviewing a
17 motion to dismiss in an adversary proceeding, the Bankruptcy Court can take judicial notice of
18 court documents from the underlying bankruptcy case and documents incorporated by reference
19 in the Complaint. *See e.g., United States v. Ritchie*, 342 F.3d 903, 908 (9th Cir. 2003) (providing
20 that the court may consider documents incorporated by reference in complaint, such as those that
21 form the basis of the plaintiff’s claims); *In re Century City Doctors Hosp., LLC*, BAP No. CC-09-
22 1235-MkJaD, 2010 WL 6452903, at *6 (B.A.P. 9th Cir. Oct. 29, 2010) (“[C]ourt documents filed
23 in an underlying bankruptcy case are subject to judicial notice in related adversary
24 proceedings[.]”). The Court should dismiss a complaint without leave to amend when
25 amendment cannot cure the deficiencies in the complaint. *See e.g., Cervantes v. Countrywide*
26 *Home Loans, Inc.*, 656 F.3d 1034, 1041 (9th Cir. 2011).

27 Here, the law and facts as alleged in the Complaint and supported in the existing
28 Bankruptcy Court record demonstrate that the Complaint fails to state a claim upon which relief

1 can be granted and the defect is so pronounced that dismissal should be granted with prejudice.

2 **A. Neither the WARN Act nor the California WARN Act Applies to Defendants as**
3 **Liquidating Fiduciaries**

4 The Complaint is predicated on CNA's assertion that notwithstanding service of multiple
5 WARN Notices prior to the motion seeking St. Vincent's closure, its represented employees
6 should be entitled to 60 days of additional wages plus other damages, even though they were
7 terminated after the Closure Motion was granted and the Debtors were liquidating St. Vincent at
8 that time. *See* RJN Ex. 46. While the Debtors are prepared to challenge CNA's narrow reading
9 of the WARN Act if ultimately necessary, CNA's position is irrelevant to the Motion and need
10 not be addressed now to dispose of the Complaint with prejudice. This is because the WARN Act
11 claims fail because the Debtors were liquidating fiduciaries as to St. Vincent at the time of the
12 terminations and were thus not "employers" subject to the WARN Acts.¹³

13 The liquidating fiduciary exception "reflects a limitation on the statutory definition of
14 employer." *Century City Doctors Hosp.*, 2010 WL 6452903, at *8. The WARN Acts only
15 require "employers" to give notice of plant closings and mass layoffs. 29 U.S.C. § 2102(a); Cal.
16 Labor Code. §1401(a). The WARN Act defines "employer" as "any *business enterprise* that
17 employs" the requisite number of employees. 29 U.S.C. § 2101(a)(1) (emphasis added). In turn,
18 a "business enterprise" is a business that operates "in the normal commercial sense" "as a going
19 concern." *Chauffeurs, Sales Drivers, Warehousemen & Helpers Union Local 572 v. Weslock*

20
21 ¹³ CNA has named DePaul and Holdings as Defendants in its Complaint. Neither of these
22 Defendants have any employees and therefore are not subject to the WARN Acts. 29 U.S.C. §
23 2102(a); Cal. Labor Code §1401; *see also* RJN, Ex. 5 at ¶¶ 58-59; Compl. ¶ 120. Likewise
24 SFMC, which CNA seeks to include as a Defendant, cannot be subject to liability for alleged
25 WARN damages under the Complaint because CNA does not represent employees at SFMC and
26 SFMC is not otherwise a party to a CBA that covers employees at SVMC. First Day Decl., ¶ 60
27 ("The Debtors' Employees are represented by the following unions with the respective
28 contractual obligation . . . (v) 'C[NA] (Nurses) St. Vincent, O'Connor, St. Louise, Seton, Seton
Coastside . . . [SFMC not included]; *see also* RJN, Ex. 4, Exhibit 1 to *Debtors' Omnibus Motion*

not include SFMC); *see also* 29 U.S.C. § 2102(a) (Written notice of plant closing by employer to

2 final WARN Act regulations at 54 Fed. Reg. 16,045 (1989)). An entity does not qualify as a
3 business enterprise, and thus is not an employer, if it operates for the purpose of preserving or
4 liquidating assets for creditors. Fed. Reg. 16045 (1989) (“[A] fiduciary whose sole function in
5 the bankruptcy process is to liquidate a failed business for the benefit of creditors does not
6 succeed to the notice obligations of the former employer because the fiduciary is not operating a
7 “business enterprise” in the normal commercial sense.”); *Weslock Corp.*, 66 F.3d at 244; *see also*
8 *Century City Doctors Hosp.*, 2010 WL 6452903, at *1, 6 (trustee was not an employer where the
9 trustee was authorized to operate hospital temporarily and for sole purpose of closing the
10 hospital’s operations in a safe manner); *In re United Healthcare Sys., Inc.*, 200 F.3d 170, 176-79
11 (3d Cir. 1999) (hospital in Chapter 11 bankruptcy did not qualify as employer because it “was
12 operating not as a ‘business operating as a going concern,’ but rather as a business liquidating its
13 affairs”). The same analysis has been applied to determine “employer” status under the
14 California WARN Act. *Estrada v. Salyer Am.*, No. C 09-05618 JW, 2010 WL 11580074, at *5
15 (N.D. Cal. Mar. 31, 2010) (holding “absent any conflicting state law, the Court applies the
16 *Chauffeurs* standard to determine whether a secured creditor is an employer for purposes of
17 liability” and finding defendants could not be held liable as employers under the California
18 WARN Act).

19 On January 9, 2020, the Court granted the Debtors’ emergency motion to close St.
20 Vincent. *See* RJN, Ex. 45, [Docket No. 3934]. From that moment on, St. Vincent was no longer
21 being operated as a “going concern” but rather for the sole purposes of safely discharging patients
22 and preserving the remaining hospital assets for the bankruptcy estate. (*See* RJN, Ex. 46 [Docket
23 No. 3933] Closure Decision at 5 (“Upon initiation of the Closure Plan, St. Vincent will enter the
24 process of liquidation and will no longer be an operating business.”)). Critically, the relevant
25 time period for analyzing when the liquidating fiduciary exception applies is “at the time of the
26 plant closing or mass layoff.” *See, e.g., Chauffeurs*, 66 F.3d at 244 (“[T]he crucial question is not
27 the status of the defendant’s legal relationship to the business, but instead, if *at the time of the*
28 *plant closing* or mass layoff the defendant is responsible for operating the business as a going

1 concern.”) (emphasis added); *Century City Doctors Hosp.*, 2010 WL 6452903, at *7 (relevant
2 time period is “at the time of the terminations”); *In re MF Glob. Holdings Ltd.*, 481 B.R. 268, 283
3 (Bankr. S.D.N.Y. 2012) (key question was “whether the Debtors were liquidating or attempting to
4 reorganize *when the layoffs occurred*”) (emphasis added); *see also Estrada v. Salyer Am.*, No. C
5 09-05618 JW, 2010 WL 11580074, at *3 (N.D. Cal. Mar. 31, 2010) (same).

6 Here, Defendants were liquidating St. Vincent at the time of the layoffs and were thus
7 exempt from both the Federal and California WARN Acts. *See* RJN Ex. 46, Closure Order at 5
8 [Docket No. 3933]. For these reasons, the Federal and California WARN Act counts I and II
9 should be dismissed with prejudice.¹⁴

10 **B. CNA Fails to State Claims for Intentional and Negligent Misrepresentation**

11 Counts III and IV, which seek damages for intentional and negligent misrepresentation,
12 should also be summarily dismissed with prejudice. Dismissal is justified because CNA lacks
13 associational standing and has failed and cannot otherwise allege adequate facts to support either
14 theory of misrepresentation.¹⁵

15
16
17 ¹⁴ Even assuming arguendo that Federal and California WARN Act claims were to survive this
18 Motion (which they should not), such claims should only be afforded general unsecured, not
19 administrative, status, as St. Vincent was liquidating at the time the claims accrued. *See Reading*
20 *v. Brown*, 391 U.S. 471 (1968) (providing that tort claims arising from the *continued operation* of
21 a business enterprise in a chapter 11 proceeding are entitled to administrative priority) (emphasis
22 added); *In re 800Ideas.com, Inc.*, 496 B.R. 165, 178 (B.A.P. 9th Cir. 2013) (concluding that
Reading did not apply when the “[t]rustee was not operating the business of debtor under the
common meaning of the term”); *In re Res. Tech. Corp.*, 662 F.3d 472, 476-77 (7th Cir. 2011)
(providing that when a debtor has ceased to operate as a business, and instead exists to liquidate, a
tort claim is entitled to unsecured, not administrative status).

23 ¹⁵ Notably, CNA has filed two unfair labor practice charges with the National Labor Relations
24 Board (“NLRB”) over the same conduct it alleges in its complaint constituted misrepresentation
25 under state law. On January 31, 2020, CNA filed Charge 31-CA-255580, which it amended on
26 March 20, 2020, alleging that Defendants “failed to provide CNA with adequate advance notice
27 of [the SVMC] closure to allow for meaningful effects bargaining” and “refused to engage in
28 effects bargaining” in violation of Section 8(a)(5)” of the NLRA. *See* RJN, Ex. 52. On February
21, 2020, CNA filed Charge 31-CA-256890 alleging that Defendants “engaged in bad faith
bargaining” regarding “the effects of the closure of St. Vincent Medical Center in violation of
section 8(a)(5)” of the NLRA during “the last six months.” RJN, Ex. 54. Thus, CNA seeks two
shots at recovery for the same conduct--state law tort remedies and federal labor law remedies.

1 **1. CNA Lacks Associational Standing to Assert the Intentional and Negligent**
2 **Misrepresentation Claims**

3 A court should dismiss an action if it finds that the moving party lacks standing. *Warth v.*
4 *Seldin*, 422 U.S. 490, 498 (1975) (“In essence the question of standing is whether the litigant is
5 entitled to have the court decide the merits of the dispute or of particular issues.”). CNA cannot
6 meet its burden to show that it has standing to pursue the state law tort claims. *See, e.g., Lujan v.*
7 *Def. of Wildlife*, 504 U.S. 555, 561 (1992) (“The party invoking federal jurisdiction bears the
8 burden of establishing these [standing] elements.”). For an association to have standing to sue on
9 its members’ behalf, it must meet three requirements:

10 (a) its members would otherwise have standing to sue in their own
11 right; (b) the interests it seeks to protect are germane to the
12 organization’s purpose; and (c) neither the claim asserted nor the
13 relief requested requires the participation of individual members in
14 the lawsuit.

15 *Hunt v. Wash. State Apple Advert. Comm’n*, 432 U.S. 333, 343 (1977); *Am. Diabetes Ass’n v.*
16 *U.S. Dep’t of the Army*, 938 F.3d 1147, 1155 (9th Cir. 2019); *Bhd. of Teamsters & Auto Truck*
17 *Drivers v. Unemployment Ins. Appeals Bd.*, 190 Cal. App. 3d 1515, 1522 (1987) (applying *Hunt*
18 standing requirements under California law).

19 The Supreme Court has held that the third requirement means that an association may not
20 seek damages for its members when “damages claims are not common to the entire membership,
21 nor shared by all in equal degree.” *Warth*, 422 U.S. at 515. “The courts that have addressed this
22 issue have consistently held that claims for monetary relief necessarily involve individualized
23 proof and thus the individual participation of association members, thereby running afoul of the
24 third prong of the *Hunt* test.” *United Union of Roofers, Waterproofers, & Allied Trades No. 40 v.*
25 *Ins. Corp. of Am.*, 919 F.2d 1398, 1400-01 (9th Cir. 1990) (“[T]he requirements for associational
26 standing under California and federal law are nearly identical.”). Indeed, courts have routinely
27 held that unions do not have associational standing to pursue claims for monetary relief on behalf
28 of their members. *See e.g. Lake Mohave Boat Owners Ass’n v. Nat’l Park Serv.*, 78 F.3d 1360,
1367 (9th Cir. 1995) (“Awarding restitution to LMBOA on behalf of its members would require
individualized proof[]” and “[t]herefore, LMBOA lacks standing to bring a claim for this remedy

1 on behalf of its members.”); *SEIU, Local 721 v. Cty. of Riverside*, No. EDCV 09-00561-VAP
2 (JTLx), *Carpenters* (C.D. Cal. Apr. 27, 2011) (union lacked standing to pursue money damages
3 on behalf of its members); *United Bhd. of Carpenters & Joiners of Am. v. Metal Trades Dep’t*,
4 No. 11-CV-5159-TOR, 2012 WL 3817789, at *2-3 (E.D. Wash. Sep. 4, 2012) (union lacked
5 standing to pursue monetary relief on behalf of members because such claims “require the
6 participation of individual members”).

7 Here, CNA’s state law claims for intentional and negligent misrepresentation seek
8 monetary damages, including, among others, damages for mental pain and anguish and emotional
9 distress, on behalf of its nurse-members. These damages claims necessarily require the
10 participation of individual nurses to determine their mental pain and anguish and emotional
11 distress, which are necessarily individualized. (Compl., ¶¶ 114-15). Likewise damages for lost
12 wages will depend on the individual nurse members’ wage rates.

13 Because CNA seeks damages on behalf of the CNA nurse-members including damages
14 for mental pain and anguish and emotional distress, which are highly individualized, CNA lacks
15 associational standing to bring the state law intentional and negligent misrepresentation claims on
16 behalf of its members.

17 **2. CNA’s Claim for Intentional Misrepresentation Fails**

18 Fraud must be alleged with particularity under Civil Rule 9(b), which requires a plaintiff
19 to plead the “who, what, when, where, and how” of the alleged misconduct. *Vess v. Ciba-Geigy*
20 *Corp. USA*, 317 F.3d 1097, 1106 (9th Cir. 2003). “State law causes of action brought in federal
21 court must comply with these heightened pleading requirements where applicable.” *Yamauchi v.*
22 *Cotterman*, 84 F. Supp. 3d 993, 1018 (N.D. Cal. 2015) (citing Fed. R. Civ. P. 9(b)). The
23 specificity requirement is even more stringent for fraud claims against a corporation: “When
24 pleading fraud against a corporation, a plaintiff must allege the name (or names) of the person(s)
25 who made the representations, along with ‘their authority to speak, to whom they spoke, what
26 they said or wrote, and when it was said or written.’” *Livermore v. Wells Fargo Bank*, Case No.
27 17-cv-03347-BLF, 2017 WL 6513649, at *9 (N.D. Cal. Dec. 20, 2017) (citing *Tarmann v. State*
28 *Farm Mut. Auto Ins. Co.*, 2 Cal. App. 4th 153, 157 (1991)); *Land v. Gonsalves*, 281 F.R.D. 444,

1 451 (E.D. Cal. 2012).

2 “The elements of fraud, which give[] rise to the tort action for deceit, are (a)
3 misrepresentation (false representation, concealment, or nondisclosure); (b) knowledge of falsity
4 (or ‘scienter’); (c) intent to defraud, i.e., to induce reliance; (d) justifiable reliance; and (e)
5 resulting damage.” *L.A. Mem’l Coliseum Com. v. Insomniac, Inc.*, 233 Cal. App. 4th 803, 831
6 (2015); *see also GemCap Lending, LLC v. Quarles & Brady, LLP*, 269 F. Supp. 3d 1007, 1040
7 (C.D. Cal. 2017), *aff’d sub nom. GemCap Lending I, LLC v. Quarles & Brady, LLP*, 787 F.
8 App’x 369 (9th Cir. 2019) (elements of a claim of concealment include: “(1) concealment of a
9 material fact; (2) duty to disclose the fact; (3) intent to defraud; (4) the plaintiff was unaware of
10 the fact and would have acted differently if the plaintiff knew; and (5) resulting damage.”);
11 *Punian v. Gillette Co.*, No. 14-CV-05028-LHK, 2016 WL 1029607, at *10 (N.D. Cal. Mar. 15,
12 2016) (same). “To maintain a cause of action for fraud through nondisclosure or concealment of
13 facts, there must be allegations demonstrating that the defendant was under a legal duty to
14 disclose those facts.” *L.A. Mem’l Coliseum*, 233 Cal. App. 4th at 831.

15 Here, CNA’s intentional misrepresentation claim fails because they have not alleged (1)
16 an intentional misrepresentation or concealment of fact, (2) a duty to disclose, and (3) detrimental
17 reliance. The record in this case prevents them doing so.

18 **a. CNA Fails To Allege An Intentional Misrepresentation**

19 To state a claim for fraud, a plaintiff must identify a specific factual representation made
20 by the defendant and “set forth what is false or misleading about [the] statement, and why it is
21 false.” *Hadley v. Kellogg Sales Co.*, 243 F. Supp. 3d 1074, 1085 (N.D. Cal. 2017) (emphasis
22 added). CNA fails to meet this standard.

23 Here, the only alleged misrepresentation is a misquoted email from Richard Adcock.
24 Specifically, in Paragraph 103 of their Complaint, CNA alleges that Mr. Adcock sent an email
25 stating that “the nurses’ employment would ‘NOT’ end.” (Compl., ¶ 103). CNA alleges that, as
26 a result, the nurses believed their “employment at St. Vincent was likely to continue even though
27 the sale to SGM had not occurred as ordered.” (Compl., ¶112). CNA has *materially misquoted*
28 the document attached to their Complaint. Read in whole, the email makes clear that Mr. Adcock

1 was advising that the nurse-members’ “employment will NOT end on December 19, 2019, as we
2 had anticipated.” (Emphasis added) (Compl., Ex. 4). As the Complaint confirms, Mr. Adcock’s
3 statement was true—the nurses’ employment did not end on December 19, 2019.

4 Moreover, CNA does not allege any misrepresentations by De Paul and Holdings, neither
5 of which has any employees.

6 Accordingly, CNA fails to allege any intentional misrepresentation.

7 **b. CNA Fails To Allege a Concealment of a Material Fact**

8 Nor has CNA alleged any basis for a fraudulent concealment claim. CNA identifies four
9 alleged facts that they contend Defendants failed to disclose. Because the exhibits to the
10 Complaint and the Court record confirm that CNA, which received notice of and actively
11 participated in both its individual capacity as representative of nurses at St. Vincent and as a
12 member of the Committee, was on notice of those alleged facts, they cannot support fraud
13 liability. *See GemCap Lending*, 787 F. App’x at 369 (“A concealment cause of action requires
14 proof of the following elements: (1) *concealment of a material fact . . .*” (emphasis added)).

15 First, CNA asserts that Defendants failed to disclose that “[*n*]ew information had arisen
16 and then continued to arise that made it increasingly unlikely the sale would close” (Compl., ¶¶
17 101-02, 110-11) (emphasis added). But the Court record confirms CNA was well aware as of
18 November 2019, that (1) “SGM orally communicated new information that undermines the
19 Debtors’ confidence in a prompt closing of the sale,” *see* RJN, Ex. 27, [Docket No. 3644 at p. 2],
20 (2) “certain disputes and controversies have arisen between SGM and the Debtors with regard to
21 the APA,” *see* RJN, Ex. 33 [Docket No. 3698 at p. 2], and (3) “SGM [was] holding the estates,
22 creditors, and patients of the Hospitals hostage in an attempt to extort a better price.” *See* RJN,
23 Ex. 36, [Docket No. 3723 at p. 6].

24 Second, CNA asserts that Defendants failed to disclose that they “anticipated permanently
25 shutting down St. Vincent entirely and expeditiously in the increasingly likely event that the sale
26 did not close.” (Compl., ¶¶ 101-02, 110-11). But the record confirms CNA was aware, as of at
27 least August 12, 2019, that “there is a possibility that the Sale will be unsuccessful” and that “[i]n
28 that event, St. Vincent may close and none of its employees may be hired by the Purchaser.”

(Compl., Ex. 1). In addition, CNA was notified on September 30, 2019 that, “[i]f the SGM Sale does not close, the most likely outcome is that at least three of the Hospitals will have to close.” [Docket No. 3188]. CNA was again notified on November 27, 2019 that “two of the Hospitals [] would likely close upon failure of the SGM Sale” [Docket No. 3723].

Third, CNA asserts that Defendants failed to disclose that “[t]he sale fell through.” (Compl., ¶¶ 101-02, 110-11) (emphasis added). But CNA was well aware of SGM’s failure to close the SGM Sale. It was notified on December 6, 2019, that “SGM announced that it would not close the SGM Sale” and “did not close the SGM Sale-by December 5, 2019” [Docket No. 3773 at p. 2]. On December 9, 2019, CNA was served with the Debtors’ Emergency Motion for Contempt, seeking an Order “[r]equiring SGM’s representatives to testify as to SGM’s reasons for not closing the SGM Sale would not increase the likelihood of the sale actually closing.” [Docket No. 3783 at p. 2]. In addition, CNA received further notice on December 18, 2019, that “KPC Group . . . failed to close the sale transaction.” (Compl., Ex. 4).

Finally, CNA asserts that Defendants failed to disclose that “Defendants were planning to shut down St. Vincent entirely” (Compl., ¶¶ 101-102, 110-111) (emphasis added). But CNA cannot demonstrate that it was unaware of the likelihood that the hospital would close if the SGM Sale fell through. CNA was on notice since the August 12, 2019 Notice that “there is a possibility that the Sale will be unsuccessful” and that “[i]n that event, *St. Vincent may close* and none of its employees may be hired by the Purchaser.” (Compl., Ex. 1) (emphasis added). And again, on September 30, 2019, CNA was advised that “[i]f the SGM Sale does not close, *the most likely outcome is that at least three of the Hospitals will have to close.*” See RJN, Ex. 14, [Docket No. 3188 at ¶ 50]. Further, CNA was again notified on November 27, 2019 that “two of the Hospitals [] would likely close upon failure of the SGM Sale” See RJN, Ex. 36, [Docket No. 3723 at pp. 6-7].

Moreover, CNA does not allege any concealment by DePaul and Holdings, neither of which has any employees. Nor may CNA allege concealment by SFMC with whom CNA has no connection.

In short, CNA fails to specifically identify any alleged fact that was concealed from it. As

1 a result, CNA fails to allege a fraudulent concealment claim.

2 **c. CNA Fails To Allege Reasonable Reliance**

3 In addition, CNA's claim for intentional misrepresentation fails on the independent
4 ground that CNA fails to allege reasonable reliance. "Reliance exists when the misrepresentation
5 or nondisclosure was an immediate cause of the plaintiff's conduct which altered his or her legal
6 relations, and when without such misrepresentation or nondisclosure he or she would not, in all
7 reasonable probability, have entered into the contract or other transaction." *All. Mortg. Co. v.*
8 *Rothwell*, 10 Cal. 4th 1226, 1239 (1995). "[W]hether a party's reliance was justified may be
9 decided as a matter of law if reasonable minds can come to only one conclusion based on the
10 facts." *Id.* at 1239. "In determining whether one can reasonably or justifiably rely on an alleged
11 misrepresentation, the knowledge, education and experience of the person claiming reliance must
12 be considered." *Guido v. Koopman*, 1 Cal. App. 4th 837, 843 (1991).

13 Here, CNA fails to allege that each of its nurse-member Plaintiffs reasonably relied on any
14 alleged statements or omissions by Debtors. Instead, CNA only vaguely alleges that those "St.
15 Vincent nurses who would have looked for other work . . . did not do so because they were
16 intentionally kept ignorant of these facts." (Compl., ¶ 105).

17 Moreover, CNA cannot establish any basis for reasonable reliance because the record
18 confirms CNA was apprised of the status of the SGM Sale and the likelihood that the nurse-
19 members' employment would be terminated even if the SGM Sale did not close:

- 20 ■ The August 12 Notice specifically advised Plaintiffs:

21 *[T]here is a possibility that the Sale will be unsuccessful. In that*
22 *event, St. Vincent may close and none of its employees may be hired*
23 *by the Purchaser.* Even if the Sale closes and St. Vincent remains
24 open, employees at St. Vincent may suffer an "employment loss"
25 within the meaning of the WARN Act and Cal-WARN Act because
26 the Debtors *will separate the employment of all of St. Vincent's*
27 *employees upon the closing of the Sale.* (Compl. Ex. 1) (emphasis
28 added).

- 26 ■ The Declaration of Richard Adcock in support of the Debtors' Emergency Motion,
27 filed on September 30, 2019, explained, "If the SGM Sale does not close, *the most*

1 *likely outcome is that at least three of the Hospitals will have to close*” (emphasis
2 added). See RJN 14, [Docket No. 3188, Richard G. Adcock Declaration at ¶ 9].

- 3 ■ The October 23, 2019 Notice advised Plaintiffs that “the *separations of*
4 *employment must be postponed* and will not occur at the time originally
5 anticipated. At this time, we anticipate the Sale *and separations of employment*
6 *will occur between . . .*” (Compl. Ex. 2) (emphasis added).
- 7 ■ The Closing Order stated “two of the Hospitals that would likely close upon failure
8 of the SGM Sale contain large populations of long-term patients[.]” [Docket No.
9 3723 at pp. 6-7].
- 10 ■ The November 30, 2019 Notice further advised Plaintiffs that “the *separations of*
11 *employment will be further postponed*” and that the “*separations of employment*
12 *will occur between December 6, 2019 and December 19, 2019*” . (Compl. Ex. 3)
13 (emphasis added)..

14 In fact, the purpose of the WARN Act is to provide advance notice of mass layoffs. (20
15 CFR § 639.1). Any argument that the nurse-members were unaware of their impending
16 terminations and reasonably relied on Defendants’ numerous WARN communications, *issued for*
17 *the sole purpose to advise employees of impending separations of employment*, as a promise of
18 future employment, would strain credulity.

19 Because Plaintiffs have not alleged reasonable reliance on any alleged misrepresentation
20 or concealment by Defendants, their fraud claim fails.

21 **3. CNA’s Claim for Negligent Misrepresentation Fails**

22 “The elements of a cause of action for fraud and a cause of action for negligent
23 misrepresentation are very similar. . . . However, the state of mind requirements are different.
24 Negligent misrepresentation lacks the element of intent to deceive.” *Earlywine v. USAA Life Ins.*
25 *Co.*, No. 3:17-CV-328-CAB-NLS, 2017 WL 2733939, at *2 (S.D. Cal. June 23, 2017) (citations
26 omitted); *Oushana v. Lowe’s Home Ctrs., LLC*, No. 1:16-cv-01782-AWI-SAB, 2017 WL
27 2417198, at *3 (E.D. Cal. June 5, 2017) (“The tort of negligent misrepresentation requires the
28 same elements [as fraud] with the exception of intent to defraud.”).

1 Here, CNA's claim for negligent misrepresentation is based on the same alleged
2 statement(s) at issue in its intentional misrepresentation claim. Accordingly, the negligent
3 misrepresentation claim fails on the same grounds as set forth in the arguments above.

4 In addition, because claims for negligent misrepresentation cannot be based on omissions,
5 CNA's negligent misrepresentation claim fails to the extent it is based on alleged omissions.
6 *Oushana*, 2017 WL 2417198, at *6 (providing that claims for negligent misrepresentation, as
7 opposed to intentional misrepresentation "require[] a positive assertion" and "nondisclosures-
8 cannot give rise to liability for negligent misrepresentation") (internal citations omitted); *Lopez v.*
9 *Nissan N. Am., Inc.*, 201 Cal. App. 4th 572, 596 (2011) ("A negligent misrepresentation claim
10 'requires a positive assertion,' not merely an omission."); *Wilson v. Century 21 Great W. Realty*,
11 15 Cal. App. 4th 298, 306 (1993) ("Negligent misrepresentation is a species of fraud or deceit
12 specifically requiring a 'positive assertion'").

13 **C. Dismissal Should Be With Prejudice**

14 This Court should dismiss CNA's Complaint with prejudice and without leave to amend
15 because amendment would be futile. *See e.g., Cervantes*, 656 F.3d at 1041 (providing that a court
16 "may dismiss without leave where a plaintiff's proposed amendments would fail to cure the
17 pleading deficiencies and amendment would be futile"). Based on the detailed record in this case,
18 it is without legitimate dispute that CNA cannot amend its Complaint to allege any specific
19 factual allegations that could salvage its claims.

20 **D. CNA's Motion for Withdrawal of the Reference Does Not Preempt Resolution of**
21 **This Motion**

22 CNA filed a *Notice of Motion and Motion of Plaintiff for Withdrawal of Reference of*
23 *Adversary Proceedings Pending in Bankruptcy Court* in the District Court on March 20, 2020.
24 *See* RJN, Ex. 55. "The filing of a motion for withdrawal of a case or proceeding . . . shall not stay
25 the administration of the case or any proceeding therein before the bankruptcy judge except that
26 the bankruptcy judge may stay, on such terms and conditions as are proper, proceedings pending
27 disposition of the motion." Fed. R. Bankr. P. Rule 5011(c).

28 As of the date of this Motion, CNA has not filed an application for a stay of this

1 proceeding. As a result, nothing prohibits this Court, which is already intimately familiar with all
2 the relevant facts, from ruling on this Motion.

3 **VI.**

4 **RESERVATION OF RIGHTS**

5 This Motion relates solely to the Defendants' request to dismiss the Complaint as set forth
6 in this Motion. Nothing contained herein is intended or shall be construed as: (i) a waiver of the
7 Defendants' or any appropriate party in interest's rights to dispute, object to or otherwise
8 challenge the substantive relief sought by CNA as set forth in the Complaint; or (ii) a waiver of
9 any claims, causes of action, defenses, objections or other rights to respond which may exist
10 against CNA in any forum.

11 **VII.**

12 **CONCLUSION**

13 For the foregoing reasons, the Bankruptcy Court should dismiss CNA's Adversary
14 Proceeding for failure to state a claim, with prejudice and without leave to amend and for all other
15 relief that Bankruptcy Court may find warranted by law or equity.

1 **PLEASE TAKE NOTICE** that, at the above-referenced date, time and location, Verity
2 Health System of California, Inc., a California nonprofit benefit corporation and a debtor herein,
3 and the above-referenced affiliated debtors, the debtors and debtors in possession in the above-
4 captioned chapter 11 bankruptcy cases (collectively, the “Debtors”), will move (the “Motion”),
5 pursuant to §§ 105, 363, 365, and 1113 and 1114 of the Bankruptcy Code,¹ and Rules 6006, 9007,
6 9014 and 9019 for the entry of an order approving settlement agreements (collectively, the
7 “Settlement Agreements”) with those labor unions who are parties to the remaining prepetition
8 collective bargaining agreements (“CBAs”) that cover represented employees at the Debtors’
9 remaining hospital facilities, which will be modified, assumed and assigned effective upon the
10 Closing² of the Sale of such assets to Strategic Global Management (together, with is applicable
11 affiliates, “SGM”), along with resolution of other issues, including the *nunc pro tunc* termination
12 of retiree healthcare benefits utilized by approximately eleven (11) individuals, ten (10) of whom
13 are represented by unions and one non-represented individual, and for related relief. More
14 specifically, the Debtors seek approval of the following:

- 15 • the “CNA Settlement Agreement” (attached hereto as **Exhibit 1**) between the
16 Debtors and the California Nurses Association (“CNA”), which, in turn, seeks, *inter*
17 *alia*, approval of the assumption and assignment to SGM effective upon Closing of
18 a (i) modified CNA/VHS Master Agreement between CNA and Debtors St. Vincent
19 Medical Center (“SVMC”) and Seton Medical Center (“SMC”), effective
20 December 22, 2016-December 21, 2020,³ (ii) modified SVMC Local Contract
21 2016-2020 between CNA and SVMC , effective December 22, 2016 to December

22
23 ¹ Unless otherwise indicated, all chapter and section references are to the Bankruptcy Code, 11 U.S.C. §§ 101-1532.
24 All “Rule” references are to the Federal Rules of Bankruptcy Procedure. All “LBR” references are to the Local
25 Bankruptcy Rules for the United States Bankruptcy Court for the Central District of California.

26 ² All capitalized terms not defined herein have the meaning ascribed to them in the *Debtors’ Emergency Motion for*
27 *the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding*
28 *that the Sale is Free and Clear of Conditions Materially Different than those Approved by the Court; (III) Finding that*
the Attorney General Abused His Discretion in Imposing Conditions on that Sale and (IV) Granting Related Relief;
Memorandum of Points and Authorities and Declaration in Support Thereof [Docket No. 3188].

³ The Modified CBAs (as defined in the Motion) are not attached to the Motion because they are SGM’s confidential,
proprietary information and trade secrets. Upon request and execution of a confidentiality agreement, the Debtors will
make the Modified CBAs available to proper requesting parties.

21, 2020, and (iii) modified SMC Local Contract 2016-2020 between CNA and SMC effective December 22, 2016-December 21, 2020;

- the “Local 20 Settlement Agreement” (attached hereto as **Exhibit 2**), between SMC and IFPTE AFL-CIO CLC, Local 20 (“Local 20”), which, in turn, seeks, *inter alia*, approval of the assumption and assignment to SGM effective upon Closing, of a modified Collective Bargaining Agreement between Local 20 and SMC, effective May 1, 2017-April 30, 2020;
- the “NUHW Settlement Agreement,” (attached hereto as **Exhibit 3**), between SMC and the National Union of Healthcare Workers (“NUHW”), which, in turn, seeks, *inter alia*, approval of the assumption and assignment to NUHW effective upon Closing, of a modified Collective Bargaining Agreement between NUHW and SMC and SMC-Coastside, effective November 1, 2016-October 31, 2019;
- the “SEIU Settlement Agreement” (attached hereto as **Exhibit 4**), between the Debtors SVMC and St. Francis Medical Center (“SFMC”) and the Service Employees International Union, United Healthcare Workers-West (“SEIU”), which, in turn, seeks, *inter alia*, the assumption and assignment to SEIU effective upon Closing of a modified Collective Bargaining Agreement between SEIU and SFMC and SVMC, effective May 1, 2017-April 30, 2020;
- the “UNAC Settlement Agreement” (attached hereto as **Exhibit 5**), between the SFMC and the United Nurses Associations of California/Union of Health Care Professionals (“UNAC,” and referred to along with CNA Local 20, NUHW and SEIU as the “Unions”), which, in turn, seeks, *inter alia*, approval of the assumption and assignment to SGM effective upon Closing of a modified Labor Management Collective Bargaining Agreement effective from December 29, 2017 to December 29, 2021;
- under the CNA Settlement Agreement, the NUHW Settlement Agreement, and the Local 20 Settlement Agreement, and by request contained in the Motion, the termination *nunc pro tunc* to the date of the Settlement Agreements of all “retiree

benefits,” as defined under § 1114, related to current and future retirees; and will provide to the 11 current retirees who are receiving actual retiree health care benefits (under the program that permits retirees who elect within a set period of time, a supplement to continue Debtor-provided healthcare) a one-time payment in the amount equal to the value of those payment supplements in the amount set forth on the schedule attached hereto as **Exhibit 6**;⁴ and

- discrete issues between the Debtors and the respective Unions.

PLEASE TAKE FURTHER NOTICE that this relief is required because: (a) the Debtors are liquidating their assets in chapter 11 and, will, at the end of the process, no longer operate their hospitals; (b) SGM has been approved as buyer of the Debtors’ remaining hospitals [Docket No. 2306] and; (c) as of the Closing, the Debtors will no longer employ the employees currently represented by the Unions at those hospitals. After the Closing, the Debtors have no justifiable reason to be bound by the terms of the CBAs or to incur further obligations under them, which, unless modified or terminated, will add additional and undue financial burden on the estates and otherwise harm the Debtors’ reorganization.

PLEASE TAKE FURTHER NOTICE that this Motion is based on this Notice of Motion and Motion, the attached *Declaration of Richard G. Adcock*, filed concurrently herewith, the *Declaration of Richard G. Adcock in Support of Emergency First-Day Motions* [Docket No. 8], the *Declaration of James M. Moloney In Support of The Debtors Memorandum. In Support of Entry of an Order: (A) Authorizing The Sale Of Property Free And Clear Of All Claims, Liens and Encumbrances; (B) Authorizing The Assumption and Assignment Of Designated Executory Contracts And Unexpired Leases; and (C) Granting Related Relief*, [Docket No. 2220]; the supporting statements, arguments and representations of counsel who will appear at the hearing on the Motion, the record in this case, and any other evidence properly brought before the Court in all other matters of which this Court may properly take judicial notice.

⁴ Initials, rather than complete last names of the individuals have been provided for privacy purposes, with first names identified so applicable retirees may identify themselves.

1 **PLEASE TAKE FURTHER NOTICE** that this Motion will be heard on December 4,
2 2019, at 10:00 a.m., Pacific Time.

3 **PLEASE TAKE FURTHER NOTICE** that any party opposing or responding to the
4 Motion must file and serve the response (“Response”) on the moving party and the United States
5 Trustee. A Response must be a complete written statement of all reasons in opposition thereto or
6 in support, declarations and copies of all evidence on which the responding party intends to rely,
7 and any responding memorandum of points and authorities.

8 **PLEASE TAKE FURTHER NOTICE** that, pursuant to LBR 9013-1(h), the failure to file
9 and serve a timely objection to the Motion may be deemed by the Court to be consent to the relief
10 requested herein.

MEMORANDUM OF POINTS AND AUTHORITIES

I. INTRODUCTION

Verity Health System Of California, Inc. (“VHS”), and the above-referenced affiliated debtors and debtors in possession in the above captioned chapter 11 bankruptcy cases (collectively, the “Debtors”) move, pursuant to §§ 105, 363, 365, and 1113 and 1114 of the Bankruptcy Code¹ and Rules 6006, 9007, 9014 and 9019, for the entry of an order (i) approving settlement agreements (collectively, the “Settlement Agreements”) between the Debtors and those labor unions who are parties to prepetition collective bargaining agreements (“CBAs”), which will be modified, assumed and assigned effective upon the Closing² of the Sale to Strategic Global Management, Inc. (“SGM”), and (ii) approving related relief including the *nunc pro tunc* termination of retiree healthcare benefits utilized by for approximately eleven (11) individuals represented by certain of these unions and one non-union represented individual (collectively, the “Current Retirees” and each individually a “Current Retiree”).

More specifically, the Debtors seek approval of the following agreements and related relief applicable to the CBAs that is conditioned upon the Closing of the Sale to SGM under that Asset Purchase Agreement [Docket No. 2305] dated January 8, 2019 (the “APA”):

- the “CNA Settlement Agreement” (attached hereto as **Exhibit 1**) between SVMC/SMC and the California Nurses Association (“CNA”), which, in turn, seeks, inter alia, approval of the assumption and assignment to SGM effective upon Closing of the (i) modified CNAMaster Agreement between CNA and SVMC/SMC, effective December 22, 2016 to December 21, 2020 (the “CNA Master CBA”),³ (ii) modified SVMC Local Contract 2016-2020

¹ Unless otherwise indicated, all chapter and section references are to the Bankruptcy Code, 11 U.S.C. §§ 101-1532. All “Rule” references are to the Federal Rules of Bankruptcy Procedure. All “LBR” references are to the Local Bankruptcy Rules for the United States Bankruptcy Court for the Central District of California.

² All capitalized terms not defined herein have the meaning ascribed to them in the *Debtors’ Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding that the Sale is Free and Clear of Conditions Materially Different than those Approved by the Court; (III) Finding that the Attorney General Abused His Discretion in Imposing Conditions on that Sale and (IV) Granting Related Relief; Memorandum of Points and Authorities and Declaration in Support Thereof* [Docket No. 3188] unless otherwise noted.

³ e Modified CBAs (as defined *infra*) are not attached to the Motion because they are SGM’s confidential, proprietary information and trade secrets. Upon request and execution of a confidentiality agreement, the Debtors will make the Modified CBAs available to proper requesting parties.

1 between CNA and St. Vincent Medical Center (“SVMC”) effective December 22, 2016 to
2 December 21, 2020 (the “CNA SVMC CBA”), and (iii) modified SMC Local Contract 2016-2020
3 between CNA and Seton Medical Center (“SMC”) effective December 22, 2016-December 21,
4 2020 (the “CNA SMC CBA,” referred to along with the CNA Master CBA and the CNA SVMC
5 CBA as the “CNA CBAs”);

6 • the “Local 20 Settlement Agreement” (attached hereto as **Exhibit 2**), between SMC
7 and IFPTE AFL-CIO CLC, Local 20 (“Local 20”), which, in turn, seeks, inter alia, approval of the
8 assumption and assignment to SGM effective upon Closing, of a modified Collective Bargaining
9 Agreement between Local 20 and SMC, effective May 1, 2017 to April 30, 2020 (the “Local 20
10 CBA”);

11 • the “NUHW Settlement Agreement,” (attached hereto as **Exhibit 3**), between SMC
12 and the National Union of Healthcare Workers (“NUHW”), which, in turn, seeks, inter alia,
13 approval of the assumption and assignment to NUHW effective upon Closing, of a modified
14 Collective Bargaining Agreement between NUHW and SMC and SMC-Coastside (“SC”), effective
15 November 1, 2016 to October 31, 2019 (the “NUHW CBA”);

16 • the “SEIU Settlement Agreement” (attached hereto as **Exhibit 4**), between
17 SVMC/SFMC and the Service Employees International Union, United Healthcare Workers-West
18 (“SEIU”), which, in turn, seeks, inter alia, the assumption and assignment to SEIU effective upon
19 Closing of a modified Collective Bargaining Agreement between SEIU and SFMC and SVMC,
20 effective May 1, 2017 to April 30, 2020 (the “SEIU CBA”);

21 • the “UNAC Settlement Agreement” (attached hereto as **Exhibit 5**), between SFMC
22 and the United Nurses Associations of California/Union of Health Care Professionals (“UNAC,”
23 and referred to along with CNA Local 20, NUHW and SEIU as the “Unions”), which, in turn, seeks,
24 inter alia, approval of the assumption and assignment to SGM effective upon Closing of a modified
25 Labor Management Collective Bargaining Agreement effective from December 29, 2017 to
26 December 29, 2021 (the “UNAC CBA”);

27 • under the CNA Settlement Agreement, the NUHW Settlement Agreement, and the
28 Local 20 Settlement Agreement, and by request contained in the Motion, the *termination nunc pro*

1 *tunc* to the date of the Settlement Agreements of all “retiree benefits,” as defined under § 1114
2 which, in this case includes the program that permits retirees who elect, within a set period of time,
3 a supplement to purchase Debtor-provided healthcare (the “Retiree Healthcare Program”); and will
4 provide to the 11 current retirees who are receiving benefits under the Retiree Healthcare Program
5 (the “Retiree Health Benefits”) a one-time payment equal to the value of those payment
6 supplements in the amount set forth on the schedule attached hereto as **Exhibit 6**;⁴ and

- 7 • discrete issues between the Debtors and the respective Unions.

8 The requested relief is required because (a) the Debtors are selling their assets in chapter
9 11, and will, at the end of the process, no longer operate hospitals, (b) after a thorough marketing
10 process (the “Marketing Process”), no bidder (other than SGM) emerged seeking to acquire the
11 cumulative assets of SMC, SC, SVMC, SFMC, and St. Vincent Dialysis Center (together, the
12 “Hospitals”), (c) as of the Closing, the Debtors will no longer employ the employees currently
13 represented by the Unions at the Hospitals (though SGM will provisionally employ qualified
14 employees as of the Closing Date according to § 5.3 of the APA), (d) the Debtors need to settle and
15 terminate their retiree benefit liability to confirm a plan, and (e) acting through the process codified
16 in §§ 1113 and 1114 and Rule 9019 and structured under §§ 4.7 and 5.11 of the APA, the parties
17 have entered into a reasonable compromise to preserve going-forward unionized jobs, compensate
18 employees and preserve and maximize estate assets.

19 Relief is justified under §§ 105, 363, 365, 1113 and 1114 and Rule 9019. Without this
20 relief, the Debtors’ employees, the SGM Sale, and the prospect of confirming a successful Plan of
21 Liquidation [Docket No. 2993] (the “Plan”) will be imperiled. Congress passed §§ 1113 and 1114
22 to allow for unions and debtors to expediently collectively bargain for modifications to a CBA, and
23 the Debtors and the Unions (in conjunction with SGM) have fulfilled this goal.

24 For these and other reasons addressed below, the Court should grant all of the relief
25 requested in the Motion.

26
27
28 ⁴ Initials, rather than complete last names of the individuals have been provided for privacy purposes, with first names identified so applicable retirees may identify themselves.

II. JURISDICTION AND VENUE

The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). The venue of these cases is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

III. STATEMENT OF FACTS

A. **General Background**

1. On August 31, 2018 (“Petition Date”), the Debtors each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”). Since the commencement of their cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108.

2. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate member of Debtor California nonprofit public benefit corporations that operate four acute care hospitals, including SFMC, SMC and SVMC and other facilities in the state of California. *Declaration of Richard G. Adcock in Support of Emergency First-Day Motions* at 4, ¶ 11 (the “First-Day Declaration”) [Docket No. 8].

3. The Debtors incorporate the First-Day Declaration for further general background, including the description of the Hospitals’ history and operations. First Day Declaration at ¶¶ 11-55.

B. **The CBAs And The Represented Employees**

4. The Local 20 CBA covers 31 active employees for SMC and one retired employee from O’Connor Regional Hospital (“OCH”)⁵ (with the employees as the “Local 20 Represented Employees”). The Local 20 Represented Employees are and were predominantly Clinical Laboratory Scientists who work primarily in the hospital laboratory.

5. The CNA CBAs cover 792 active employees at SVMC and SMC and eight retired employees from SMC, OCH and SLRH (the “CNA Represented Employees”). The CNA Represented Employees are and were registered nurses.

⁵ Although the assets of OCH have been sold to Santa Clara County under a prior Bankruptcy Case sale, Current Retirees who were employed at OCH while it was operating continue to receive Retiree Health Benefits.

1 6. The UNAC CBA covers 817 active employees for SMC (the “UNAC Represented
2 Employees”). The UNAC Represented Employees are and were registered nurses.

3 7. The SEIU CBA covers active 1,331 active employees for SVMC and SFMC (the
4 “SEIU Represented Employees”). The SEIU Represented Employees are and were comprised of
5 service workers including but not limited to environmental services aides, certified nurse assistants,
6 unit coordinators, and technical workers, including but not limited to radiological technician and
7 pharmacy technicians.

8 8. The NUHW CBA covers active 731 active employees and 1 retired employee for
9 SMC and Seton Medical Center Coastsides (the “NUHW Represented Employees”) (together, with
10 the Local 20 Represented Employees, the CNA Represented Employees, the UNAC Represented
11 Employees, the SEIU Represented Employees, the “Represented Employees.” The NUHW
12 Represented Employees are and were comprised of technicians, such as radiological technician,
13 pharmacy technicians, and service workers such as, environmental service aides, dietary aides,
14 cooks, clinical staff such licensed vocational nurse, certified nursing aides and administrative
15 workers such unit secretaries and clerks.

16 9. On the Petition Date, the Debtors filed their *Emergency Motion Of Debtors For*
17 *Entry Of Order: (I) Authorizing The Debtors To (A) Pay Prepetition Employee Wages And Salaries,*
18 *And (B) Pay And Honor Employee Benefits And Other Workforce Obligations; And (II) Authorizing*
19 *And Directing The Applicable Bank To Pay All Checks And Electronic Payment Requests Made By*
20 *The Debtors Relating To The Foregoing; Memorandum Of Points And Authorities In Support*
21 *Thereof* [Docket No. 26] (the “Wage Motion”) seeking an order to pay priority employee claims
22 and to pay employees in the ordinary course of business for post-petition work.

23 10. On October 22, 2018, the Court granted the Wage Motion in its *Final Order*
24 *Granting the [Debtors’] Emergency Motion of Debtors for Entry of Order: (I) Authorizing the*
25 *Debtors to (A) Pay Prepetition Employee Wages and Salaries, and (B) Pay and Honor Employee*
26 *Benefits and Other Workforce Obligations; and (II) Authorizing and Directing the Applicable Bank*
27 *to Pay All Checks and Electronic Payment Requests Made by the Debtors Relating to the Foregoing*
28 [Docket No. 612], concurrently issued the *Memorandum of Decision (1) Overruling Objections to*

1 the (A) Prepetition Wages Motion and (B) Financing Motions and (2) Denying Motion for
2 Reconsideration of the Final Financing Order [Docket No. 614] (together, the “Wage Order”),
3 and ordered the payment of priority and administrative wage and benefit claims, including for
4 Represented Employees. The Court “denied without prejudice” union claimants’ ability to request,
5 by motion, that (contested as to classification) underfunded pre-petition pension liabilities be paid
6 as administrative claims by the Debtors. *Id.*

7 11. In connection with the previous sale of assets to Santa Clara County, the Debtors
8 obtained final orders [Docket Nos. 1575, 1576, 1577 and 1578] (the “SCC Rejection Orders”)
9 modifying and rejecting (the “SCC Rejection”) CBAs with Local 20, CNA, and SEIU covering
10 OCH and St. Louise Regional Hospital (“SLRH”) upon the closing of sale of these assets to Santa
11 Clara County (“SCC,” and the “SCC Sale,” respectively); *see also* Docket No. 1541 (tentative
12 decision/memorandum for SCC Rejection Orders) (the “Prior 1113 Decision”).⁶

13 **C. The Retiree Benefits**

14 12. There are 11 Current Retirees, 10 represented by Unions and one Current Retiree
15 who is not represented and who are receiving Retiree Healthcare Benefits under the Retiree
16 Healthcare Program. *See* Exhibit 6.

17 **D. The Unions’ Proofs Of Claim**

18 13. CNA has filed eleven proofs of claim in these cases: (claim nos. 6233, 6247, 6249,
19 6250, 6251, 6336, 6340, 6342, 6350, 6359 and 7847) against the Debtors (the “CNA Claim”). The
20 CNA Claim seeks pre-petition pension contributions, severance payments, grievances and rejection
21 damages.

22 14. Local 20 has filed a proof of claim in these cases (claim no. 5169) (the “Local 20
23 Claim”) against VHS. The Local 20 Claim seeks paid time off (“PTO”), extended sick leave,

24
25 ⁶ The SCC Rejection Orders approved the SCC Rejection through the two mechanisms: (i) a contested full rejection
26 and termination of collective bargaining agreement terms with CNA and SEIU for their collective bargaining
27 agreements covering OCH and SLRH [Docket Nos. 1577; 1578] and approval of two stipulations between the Debtors
28 and Local 20 and the Debtors and the California Licensed Vocational Nurses Association (“CLVNA”) [Docket Nos.
1575; 15776] entered into under § 1113(2) (the “SCC Stipulations”). In the SCC Stipulations, the parties agreed to the
rejection of the collective bargaining agreements with OCH and SLRH, reserved rights regarding the filing of claims
and objections to same, agreed that allowed Paid Time Off (“PTO”) would be treated as administrative expenses or
unsecured claims depending on its accrual date, and agreed that employees not re-hired by SCC would be entitled to
severance.

severance payments, and retiree benefits.

15. NUHW has not filed any proof of claim in these cases.

16. SEIU has filed fourteen proofs of claims in these cases: (claim nos. 4718, 4719, 4722, 4723, 4725, 4726, 5117, 5137, 5140, 5150, 5160, 5158, 6186, 6221) against the Debtors (the “SEIU Claim”). The SEIU Claim seeks, *et. al.*, pre-petition pension contributions, severance payments, grievances and rejection damages.

17. UNAC has filed fourteen proofs of claims in these cases (claim nos. 5911, 5912, 5913, 5917, 5918, 5920, 5925, 5927, 5928, 5931, 5932, 5933, 5934 and 5936) against the Debtors (together, the “UNAC Claim”) (together the CNA Claim, Local 20 Claim, and the SEIU Claim are referred to as the “Proofs of Claims”). The UNAC Claim seeks, *et. al.*, pre-petition pension contributions, severance payments, grievances and rejection damages.

E. The Debtors’ Pre-SGM Sale Efforts and Sale to SCC

18. Prior to the Petition Date, the Debtors engaged in substantial efforts to market and sell their assets. In June 2018, the Debtor engaged Cain Brothers, a division of KeyBanc Capital Markets (“Cain”), to identify potential buyers of the hospitals and related assets and commenced discussions with those potential buyers. First-Day Declaration, at 34, ¶ 128.

19. Cain prepared a Confidential Investment Memorandum and organized an online data site to share information with potential buyers and contacted over 110 strategic and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction regarding the Debtors and has advanced significantly towards achieving sales. First-Day Declaration, at 34-35 ¶ 129; Moloney Declaration at ¶ 4.

20. By August 2018, as a result of its ongoing and broad marketing process, Cain had received 11 Indications of Interest (“IOI”), and continued to develop potential sales. First-Day Declaration, at 35, ¶ 130; Moloney Declaration at ¶ 5.

21. From the Petition Date, the Debtors’ objective has been to sell substantially all of its assets as going concerns to maximize recovery to creditors while maintaining healthcare in their communities. First-Day Declaration at 25, ¶ 96

22. On December 27, 2018, the Court entered the *Order (A) Authorizing the Sale of*

1 *Certain of the Debtors' Assets to Santa Clara County Free and Clear of Liens, Claims,*
2 *Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an*
3 *Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving
4 a sale of OCH, SLRH through the SCC Sale.

5 23. The SCC Sale closed on February 28, 2019. After payment of certain cure costs,
6 closing costs and other items, the net remaining proceeds were approximately \$184.38 million,
7 which are held in four sale proceeds account. An additional \$23.35 million is held in escrow (the
8 "Post-Closing Escrow") by First American Title Insurance Company, the escrow agent. The Post-
9 Closing Escrow was established pursuant to the terms of the SCC APA, as security for the Debtors'
10 post-closing obligations and expires in February 2020.

11 **F. The SGM Sale Process And SGM APA**

12 24. On January 17, 2019, the Debtors filed a motion [Docket No. 1279]⁷ seeking entry
13 of an order (the "Bidding Procedures Motion"): (a) establishing SGM as the stalking horse bidder
14 for the Purchased Assets (as defined in the APA), including SFMC, SVMC and SMC; (b) approving
15 the form of the APA with SGM as a stalking horse bidder for this transaction; (c) setting bid
16 procedures to establish guidelines for parties interesting in making an overbid; (d) setting an auction
17 to be held if necessary; and (e) setting a hearing for the Court to approve the winning bidder.

18 25. The APA was the result of extensive negotiations between the Debtors and SGM.
19 Moloney Declaration at ¶ 7. SGM submitted a stalking-horse bid for \$610 million (\$420 million
20 allocated to St. Francis Medical Center, \$120 million allocated to St. Vincent Medical Center and
21 \$70 million allocated to Seton Medical Center and Seton Coastsides combined), plus payments of
22 cure costs, as set forth therein. *See generally*, APA.

23 26. The Debtors sought approval of the APA because, among other things, (i) SGM's
24 bid represented fair market value, and (ii) SGM would maintain the healthcare characteristics of

25
26 ⁷ Motion For The Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement For Stalking Horse Bidder
27 and For Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid
28 Protections; (3) Approving Form of Notice To Be Provided To Interested Parties; (4) Scheduling A Court Hearing To
Consider Approval of The Sale To The Highest Bidder; and (5) Approving Procedures Related To The Assumption of
Certain Executory Contracts and Unexpired Leases; and (II) An Order (A) Authorizing The Sale of Property Free and
Clear of All Claims, Liens and Encumbrances; Memorandum of Points and Authorities In Support Thereof.

1 the Debtors' Hospitals and continue patient care for the communities served by the Hospitals. First-
2 Day Declaration at 25, ¶ 97 ("The goals of the Debtors' restructuring are to maintain the Debtors'
3 business operations; preserve the going-concern value of the Debtors' businesses, its stakeholders,
4 and parties in interest; and, most importantly, to protect the health and wellbeing of the patients
5 who are treated at the Hospitals and the jobs of the Debtors' approximately 7,000 employees.").

6 27. On February 19, 2019, the Court granted the Bidding Procedures Motion (the
7 "Bidding Procedures Order") [Docket No. 1572].

8 28. Under the APA, SGM agreed to the following terms with respect to hiring
9 employees:

10 (a) Purchaser agrees to make offers of employment, effective as
11 of the Effective Time, to substantially all persons (whether such
12 persons are full time employees, part-time employees, on short-term
13 or long-term disability or on leave of absence, military leave or
14 workers compensation leave) (the "**Hospital Employees**") who,
15 immediately prior to the Effective Time are: (i) employees of any
16 Seller; (ii) employees of any affiliate of any Seller which employs
17 individuals at the Hospital and are listed on Schedule 5.3; or (iii)
18 employed by an affiliate of any Seller and are listed on Schedule 5.3.
19 For the avoidance of doubt, the Hospital Employees shall not include
20 any employees of Verity or any other affiliate of Seller unless such
21 individual is listed on Schedule 5.3. Any of the Hospital Employees
22 who accept an offer of employment with Purchaser as of or after the
23 Effective Time shall be referred to in this Agreement as the "**Hired**
24 **Employees**." All employees who are Hired Employees shall cease
25 to be employees of the applicable Seller or its affiliates as of the
26 Effective Time.

27 (b) Purchaser shall give all Hired Employees full credit for paid
28 time off pay to such employees as of the Closing Date by crediting
such employees the time off reflected in the employment records of
the applicable Seller and/or any of its affiliates immediately prior to
the Effective Time, subject to compliance with applicable law and
regulation, including consent of such employees if required.

29 APA at § 5.3(a) & (b) (with § 5.3 of the APA as the "Hiring Clause"). The Hiring Clause is subject
30 in all respects to any other terms and conditions of the APA.

31 29. The APA also provided that SGM and the Debtors would work with the Unions to
32 effectuate a transfer of CBAs with modifications sought by SGM:

4.7 Contract With Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonable requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonable withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, obligation under this Agreement. In addition, Sellers may, in their direction, seek to reject any or all of the collective bargaining agreement(s).

APA at §§ 4.7 and 5.11 (together, the "APA CBA Provisions").

30. Pursuant to the requirement of the Bidding Procedures Order, the Debtors continued

1 to market the Hospitals and related assets through Cain. Cain vigilantly monitored interest and
2 continued to communicate with parties that had expressed interest and that Cain had identified as
3 potential bidders, either as partial or aggregate bidders. Moloney Declaration at 1-3. However, no
4 Potential Bidder expressed interest in assuming in whole or in part, the CBAs. Moloney
5 Declaration at ¶ 13. As a result, no auction was conducted, and SGM was accepted as the winning
6 bidder. Docket No. 2035.

7 31. On May 2, 2019 the Bankruptcy Court entered an order approving the Sale to SGM.
8 Docket No. 2306.

9 **G. The Union § 1113 CBA Modification And § 1114 Retiree Healthcare Benefit**
10 **Termination Process**

11 32. After approval of the SGM Sale, the Debtors, SGM and Unions negotiated the
12 ultimate terms of the Settlement Agreements (the “Negotiations”) through a series of meetings and
13 exchanges with the Unions (the “Meetings”). The process began on February 1, 2019, when the
14 Debtors delivered to each of the Unions a proposal under § 1113 and, as applicable, § 1114
15 (collectively, the “First Proposals”).⁸ The First Proposals noted that SGM was amenable to
16 assuming existing CBAs, provided they were modified to comport with similar collective
17 bargaining arrangements that covered other facilities owned and operated by SGM. The First
18 Proposals further represented that the Debtors “stood ready” to discuss with the Unions any
19 counter-proposal and that the Debtors were “open to receive and consider all comments, concerns
20 and any counterproposals from [the Unions]” and told the Unions that “if you desire any specific,
21 relevant information, do not hesitate to ask for it.” None of the Unions submitted counter-proposals
22 to the Debtors. Declaration of Richard G. Adcock (“Adcock Declaration”) at ¶ 9.

23 33. After conducting discussions with SGM as to what it wished to modify with respect
24 to the CBAs, the Debtors and SGM then began to directly engage each of the Unions and provide
25 each Union with amended proposals, including proposed modified CBAs in redline form
26 (collectively, the “Amended Proposals”). *Id.* Specifically,

27 a. On or about July 11, 2019, and July 15, 2019, the Debtors and SGM met with CNA

28 ⁸ The Debtors will make the written copies of the First Proposals, as well as the Amended Proposals (as defined, *infra*)
to any proper requesting party.

- 1 and presented the applicable Amended Proposal, which included proposed redline
2 changes to the CNA CBAs. *Id.* at ¶ 9(a).
- 3 b. On or about July 19, 2019, the Debtors and SGM met with Local 20 and presented
4 the applicable Amended Proposal, which included proposed redline changes to the
5 Local 20 CBA. *Id.* at ¶ 9(b).
- 6 c. On or about July 25, 2019, the Debtors and SGM met with SEIU and presented the
7 applicable Amended Proposal, which included a proposed redline to the SEIU CBA.
8 *Id.* at ¶ 9(c).
- 9 d. On or about July 25, 2019, the Debtors and SGM met with UNAC and presented the
10 applicable Amended Proposal, which included a proposed redline to the UNAC
11 CBA. *Id.* at ¶ 9(d).
- 12 e. On or about July 25, 2019, the Debtors' counsel met with NUHW and presented the
13 applicable Amended Proposal, which included a proposed redline to NUHW CBA.
14 *Id.* at ¶ 9(e).
- 15 34. Thereafter, the Debtors continued to travel to and attend Meetings with the Unions
16 regarding the Amended Proposals and going-forward CBA terms with SGM, including:
- 17 f. with respect to UNAC, on August 2, 23, and 29, 2019, *Id.* at ¶ 10(a);
18 g. with respect to CNA, on August 7, 8, 20, 21, 2019, and September 5, 2019, *Id.* at ¶
19 10(b);
20 h. with respect to SEIU, on July 30, 2019, August 13, 2019, August 30, 2019 and
21 September 9, 2019, *Id.* at ¶ 10(c);
22 i. with respect to NUHW, on August 14 and 24, 2019 and September 10 and 15, 2019
23 *Id.* at ¶ 10(d); and
24 j. with respect to Local 20, on August 15, 2019. *Id.* at ¶ 10(e).
- 25 35. The in-person Meetings were also supplemented by substantial negotiations over
26 phone and by email, which culminated in the Debtors and the Unions executing the Settlement
27 Agreements attached hereto. *Id.* at ¶ 11.

H. The Settlement Agreements

36. Each Settlement Agreement incorporates modified versions of the applicable Unions' CBA or CBAs (the "Modified CBAs," or, individually each a "Modified CBA") which are to be modified under § 1113 and, as applicable § 1114 (the "Modification"). Through the Motion, the Debtors agree to assume and assign the CBA or CBAs (as modified under the Modified CBAs) to SGM (the "Assumption and Assignment"), which the Unions agree to not oppose (which process is defined in the Settlement Agreements and herein as the "Agreed Outcome").⁹ The parties reached the Settlement Agreement so that the SGM Sale is economically viable for SGM and the Debtors, while also providing just treatment for the Debtors' employees, including the Represented Employees. *See* Adcock Declaration at ¶ 12.

37. As a part of the Agreed Outcome, the Unions preserve their rights and remedies against SGM in connection with post-Closing operations, with SGM solely responsible for all post-closing obligations under the Modified CBAs.¹⁰

38. Likewise, under the Settlement Agreements, the Debtors: (a) will not have any liability or obligation to perform under the CBAs or Modified CBAs with respect to post-Closing activity; (b) shall in no way be liable for or otherwise responsible for any "cure" obligations independent of any Union claims that may be expressly preserved under the Settlement Agreements; and (c) shall in no way be liable for or otherwise responsible for any nonperformance or violation by SGM or any of its affiliates arising at any time.¹¹

39. The Settlement Agreements provide the following treatment of Unions claims:

- a. an allowed claim for PTO for each employee who is not offered a job with SGM's applicable acquiring and operating entity (the "Operator"), will be granted, under the "accrual method" (meaning the amount earned (in this case as to PTO) and yet unpaid or used: 1) on or after August 31, 2018, will be granted administrative status; 2) between March 4, 2018 to August 30, 2018, will be granted priority claim status

⁹ Settlement Agreements at § 3. The Settlement Agreements are substantially similar. For avoidance of doubt, the Settlement Agreement used for "Settlement Agreements at [##]" cites herein is the CNA Settlement Agreement. When there is such a citation, all Settlement Agreements will contain such a term.

up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee) with any excess granted general unsecured claim status and; 3) prior to March 4, 2018, will be given general unsecured claim status.) The administrative and priority claim portions will be paid with the employee' last paycheck (upon the Closing);¹²

b. an allowed claim for severance for each employee who is not offered a job by the Operator no later than the Closing, will be calculated under the "accrual method." The administrative and priority claim portions will be paid within 30 business days of the Effective Date,¹³ provided further, that payment of severance to an employee is contingent on that employee executing a written general release;¹⁴

c. any allowed unpaid claim for reimbursement of educational expenses of employee represented by the Unions will be calculated under the "accrual method." The administrative and priority claim portions will be paid within 30 business days of the Effective Date;¹⁵

d. any grievance claim of an employee not settled as of the Effective Date will be treated in accordance with the treatment of claims and administrative expenses under the terms of the Plan. The parties agree to work with the Operator in the event that the remedy is or includes reinstatement of the employee post-Closing (the Unions' claims and rights expressly preserved in the Settlement Agreement relating to the CBAs are the "Preserved Claims");¹⁶ and

e. other than the Preserved Claims, all other prepetition claims, priority claims and administrative expense claims are deemed waived, including without limitation, any claims for unpaid pension; provided, however, the Unions may assert any wage or defined contribution claim that may arise and is unpaid as of the Effective Date.¹⁷

¹⁶ Settlement Agreements at § 7(c).

¹⁷ Settlement Agreements at § 7(f).

1 40. The Settlement Agreements are conditioned upon the Closing, with a purchase price
2 that is not materially less than APA's purchase price.¹⁸

3 41. The Unions agreed to withdraw any outstanding applicable information requests.¹⁹

4 42. In the applicable Settlement Agreements, the parties have also agreed under § 1114
5 with respect to the Retiree Health Benefits, that:

6 a. Subject to this subparagraph (c), the Unions agreed that the CBAs are to be deemed
7 automatically modified to immediately terminate and discontinue the Retiree Health
8 Benefit under § 1114;²⁰

9 b. The Unions agreed to further support the termination and discontinuation of the
10 Retiree Health Benefit with respect to all current and former employees, including
11 any relief sought under or in accordance with § 1114;²¹ and

12 c. The Debtors agreed to seek approval of a one-time payment to each Retiree equal to
13 the present value of each Retiree's Health Benefit, (the "Lump Sum Payment") (sub-
14 paragraphs a-c are the "1114 Agreements").²²

15 43. The Unions agreed not to oppose the "to not oppose the prompt Closing of the
16 [SGM] Sale"²³ and to support "any Plan of the Debtors that does not contradict the material terms
17 of this Agreement."²⁴

18 44. The CNA and SEIU Settlement Agreements include provisions allowing their
19 employees who were not hired by SCC to obtain severance, giving them the same treatment that
20 the Local 20 and CLVNA employees received in the SCC Stipulations.²⁵

21 45. CNA and SEIU also agreed to affirmatively support the SGM Sale in writing to the
22 AG, and did so by writing letters in support of the SGM Sale in the context of the AG's pending
23 review of the SGM Sale under California law.²⁶

46. The Debtors will also pay the only Current Retiree not represented by one of the Unions the value of their retiree benefits in cash under the same methodology provided to the Union-represented Current Retirees. The amount to be paid is reflected on Exhibit 6. Adcock Declaration at ¶ 13.

J. The Plan

47. On September 3, 2019, the Debtors filed their Plan and their related disclosure statement. *See Debtors' Chapter 11 Plan of Liquidation* [Docket No. 2993]; *Disclosure Statement Describing Debtors' Chapter 11 Plan of Liquidation* [Docket No. 2994] (the "Disclosure Statement"). The Plan states that "Prior to the Effective Date [of the Plan (the "Effective Date,")] the Debtors expect to receive approval for either the consensual or, pursuant to § 1113, the nonconsensual modification, assignment and/or termination of collective bargaining agreements." Plan at ¶ 15.2.

48. On September 11, 2019, the Court entered an order extending the exclusive period that the Debtors can file and solicit votes on a plan to October 25, 2019 and solicit acceptances to December 24, 2019. Docket No. 3039. On October 25, 2019, the Debtors filed a motion [Docket No. 3417] seeking to extend these deadlines, respectively, to December 31, 2019 and February 29, 2020.

IV. ARGUMENT

A. The Settlement Agreement Should Be Approved Under §§ 365, 1113 And 1114

In *PTC Alliance Corp., et. al.*, Case No. 09-13395-CSS ("PTC") (Bankr. D. Del.), the Bankruptcy Court for the District of Delaware approved a transaction between the debtor, a union and a buyer for the modification and assumption of a CBA *solely under the auspices of §§ 365 (for the assumption and the assignment), 1114 (to resolve retiree benefits) and 1113 (for the remaining relief)*. The debtor modified collective bargaining agreements as requested by a buyer and agreed to by the union, and then assumed and assigned the collective bargaining agreements upon the closing of a previously approved sale. The modifications included a new wage scale, new

bonus structure, the termination of the pension plan, and with a one-time lump sum payment made to a 401(k) plan. *PTC*, Docket No. 869 (order attached as **Exhibit 7-A**, with a sample approved modification agreement, *PTC*, Docket No. 847-1 attached as **Exhibit 7-B**). The modification was achieved through written memorandums of understanding that the previous clauses of the CBAs would continue to be binding on the purchaser, except as modified in the memorandum. *Id.* (the union, buyer and debtor “hereby agree to a new [collective bargaining agreement] which ... shall become effective conditioned upon and on the date of the closing of the sale [and] will be identical to the current labor agreement ... except for appropriate changes in dates and the changes set forth below [then listing modifications]”).

Following the example of the successfully approved *PTC* transaction, the Debtors request that this Court implement the Settlement Agreements under §§ 365, 1113 and 1114, effective upon the Closing.

a. **§§ 1113 and 1114 Grant the Court with Authority to Approve the Settlement Agreements And Related Relief**

The Debtors move to implement the Modification and applicable portions of the Settlement Agreements under §§ 1113 and § 1114, because, as courts recognize, these statutes (interpreted interchangeably due to their overlapping language and standards)²⁷ allow mutually agreed modification of CBAs, and “consistent with [the statutes] the parties [the debtor and a union] should have every opportunity to come to an agreement themselves.” *In re Nw. Airlines Corp.*, 346 B.R. 307, 315 (Bankr. S.D.N.Y. 2006) (authorizing debtor to institute new terms and conditions of employment as in proposal union had previously agreed to unless debtor and union agreed to alternative deal within two weeks). As explained by another Bankruptcy Court in this District, § 1113 (and § 1114) codified an “expedited form of collective bargaining” to allow unions and debtors to enter into settlements in distressed situations with a primary goal to “to protect the existence of collective bargaining agreements in chapter 11 cases.” *In re Certified Air Techs., Inc.*, 300 B.R. 355, 361 (Bankr. C.D. Cal. 2003) (citations omitted). Here, the parties have engaged in

²⁷ *In re Walter Energy, Inc.*, 911 F.3d 1121, 1129 n. 8, 39 (11th Cir. 2018), (“As we mentioned above Congress modeled § 1114 on § 1113, see *supra* note 8, so cases interpreting § 1113 are relevant to our understanding of § 1114.”).

1 the vigorous, expedited collective bargaining that §§ 1113 and 1114 was designed to engender and
2 have arrived at the equitable and necessary Modified CBAs and the Settlement Agreements.

3 **b. No Party other than the Debtors, the Unions or SGM has Standing to Object**
4 **to the CBA Modifications**

5 Sections 1113(d)(1) and 1114(k)(1) proscribe that only “interested parties” may participate
6 and appear at a hearing on a motion under the statutes. *In re UAL Corp.*, 408 F.3d 847, 849 (7th
7 Cir. 2005). Precedent holds that this group is limited to the unions, the debtor(s) and guarantors.
8 The §§ 1113/1114 process is not an open inquiry for third parties to pick at a transaction, because
9 the statutes are “designed to provide additional procedural requirements for the **rejection or**
10 **modification** of collective bargaining agreements [and] supersedes and supplements the provisions
11 in § 365.” *Massachusetts Air Conditioning & Heating Corp. v. McCoy*, 196 B.R. 659, 663 (D.
12 Mass. 1996). Congress placed special consideration on protecting collective bargaining and gave
13 debtors and unions the exclusive power to come to a consensual agreement to be approved on a
14 highly expedited basis, without third-party procedural interference. *Cf.* 11 U.S.C. § 1113(d)(2)
15 (court must rule 30 days after hearing or relief is deemed granted); § 1114(k)(2) (court must rule
16 90 days after hearing or relief is deemed granted).

17 For instance, in the leading Seventh Circuit *In re UAL* decision, third parties sought to
18 participate in § 1113 litigation because of their “concern that [the debtor] and the union may reach
19 a compromise” that would adversely affect them. 408 F.3d at 849. The Seventh Circuit denied
20 their participation:

21 The term “interested party” in Section 1113 “is most naturally read
22 to mean ‘party to the collective bargaining agreement’ or a guarantor
23 of that contract... the union acts as the employees' representative;
24 without the limitation, **every retiree would receive separate notice**
25 **and an opportunity to be heard; tax collectors, unsecured creditors**
26 **that might gain if the debtor altered its obligations to labor—the**
27 **list would go on and on” ... It is not hard to see the reasoning for**
28 **such a rule in the Section 1113 context ... a court [should not] hand**
...groups a potential veto over the ability for a debtor to enter into a
new collective bargaining agreement.

In re AMR Corp., 477 B.R. 384, 452 (Bankr. S.D.N.Y. 2012) (emphasis added) (following and
explaining *In re UAL Corp.*, 408 F.3d at 849). As further explained by the Seventh Circuit in a

1 follow-up decision, “[p]arties to a contract are always free to modify their contract without
2 considering the views of third parties, and [the debtor] and [the union] were the only parties to the
3 collective bargaining agreement ... [and, as] only “interested parties” may participate in a [§ 1113]
4 hearing on the debtor's proposal [under] 11 U.S.C. § 1113(d)(1), [this] means only the parties to
5 the agreement or a guarantor of it.” *In re UAL Corp.*, 468 F.3d 456, 459 (7th Cir. 2006)”
6 (emphasis added).

7 Here, the Debtors and the Unions are in agreement as to the Modification and the Settlement
8 Agreements, and no other party has standing to object.²⁸ The Court should approve the
9 Modification because the Unions and the Debtors have fulfilled the policy goal of §§ 1113 and
10 1114 of expediently entering into the new Modified CBAs during a bankruptcy.

11 **c. The Debtors have met the Test for Modification under §§ 1113 and 1114**

12 The Prior 1113 Decision described the test for modification or rejection of a CBA, as
13 originally articulated in *In re Am. Provision Co.*, 44 B.R. 907, 910 (Bankr. D. Minn. 1984), for
14 rejection of a CBA (the “1113/1114 Test”). This test applies to both §§ 1113 and 1114, because
15 “the statutory requirements for modification of retiree benefits are...substantially the same as the
16 requirements for rejection of collective bargaining agreements, [and] courts routinely analyze
17 motions for relief under Sections 1113 and 1114 simultaneously.” *United Mine Workers of Am.*
18 *1974 Pension Plan & Tr. v. Walter Energy, Inc.*, 579 B.R. 603, 608 (N.D. Ala. 2016), *aff’d sub*
19 *nom. In re Walter Energy, Inc.*, 911 F.3d 1121 (11th Cir. 2018) (citations omitted).

20 This 1113/1114 Test contains the following factors: (1) the debtors make a proposal; (2) the
21 proposal is based on the most complete and reliable information available at the time of the
22 proposal; (3) the proposed modifications or rejection are necessary to permit reorganization of the
23 debtor; (4) the modifications assure that all creditors, the debtors, and all other affected parties are
24 treated fairly and equitably; (5) the debtors provide the union relevant information as is necessary
25 to evaluate the proposal; (6) the debtors meet at reasonable times with the union between the time
26 of the proposal and the time of the hearing; (7) the debtors negotiate with the union in good faith at

27
28

²⁸ SGM, as assignee, would have standing as a de facto guarantor, but SGM has agreed to the relevant relief.

1 these meetings; (8) the union has refused to accept such proposal without good cause; and (9) the
2 balance of equities clearly favors the relief.

3 Here, the Unions have agreed in the Settlement Agreements that the Debtors have met
4 factors (1), (5) & (6) and (7),²⁹ which are procedural factors that apply to meetings, discussions and
5 the adequacy of information sharing between a debtor and a union. Factor (8) is rendered moot
6 because the Unions have not “refused” the Amended Proposals, they have accepted them.

7 The Debtors will therefore analyze the remaining four substantive factors: (2) (proposal
8 made on good information); (3) (proposal necessary for cases); (4) (parties treated fairly); and (9)
9 (balance of equities favor relief) which concern the substantive effects of the Modification.

10 **d. The Amended Proposals were based on the Most Complete and Reliable**
11 **Information Available**

12 To satisfy this factor, “the debtor is simply required to gather the most complete information
13 available at the time and to base its proposal on the information it considers reliable.” *In re*
14 *Karykeion, Inc.*, 435 B.R. 663, 678 (Bankr. C.D. Cal. 2010). Here, the Debtors—unable to operate
15 the Hospitals without bankruptcy protection—made Amended Proposals (and Unions accepted
16 them) because the Marketing Process demonstrated that SGM is the only willing system buyer (and
17 offered the highest and best bid). SGM will not assume the CBAs without the Modification is
18 because the CBAs are not currently economically viable for the Hospitals. Prior 1113 Decision at
19 26 (“The unfortunate but undeniable reality is that the legacy cost structure imposed by the CBAs
20 is simply too great to permit the Hospitals to continue to sustainably operate.”).

21 The Proposals were based on current, complete and reliable information because the
22 Proposals were made shortly after SGM became the stalking horse bidder and then amended after
23 the Negotiations produced a result that treats labor and the claim fairly and allow the Hospitals to
24 become economically sustainable in the long-term instead of “kicking the can” for CBA issues.

25 **e. The Amended Proposals are Necessary to Permit a Successful Plan**
26 **Confirmation.**

27
28 ²⁹ All the Settlement Agreements contain provisions acknowledging that (i) the Debtors made a proposal (at 3), (ii) the
Unions do not have any outstanding informational requests (at ¶ 14), (iii) the Debtors met with the Unions to negotiate
and reached the Settlement Agreements (at 2-3) and (iv) the Debtors negotiated in good faith (at 2).

1 This Court has found that, “within the context of this [Verity] case, the term ‘necessary to
2 permit the reorganization of the debtor’ is best interpreted to mean ‘necessary to permit the Debtors
3 to confirm a liquidating plan.’” Prior 1113 Decision at 23. The Court explained:

4 This interpretation aligns most closely with the manner in which the
5 Debtors are prosecuting this case. *From the outset, the Debtors have*
6 *stated their intent to sell the six hospitals that they operate as going*
7 *concerns, and use the proceeds from the sales to fund a plan of*
8 *liquidation.* This process is well underway. The Court has already
approved the sale of two of the Debtors’ hospitals to Santa Clara, and
recently approved bidding procedures pertaining to the auction of the
remaining four hospitals.

9 *Id.* (emphasis added). The Court then adopted the testimony of the Debtors’ CEO that explicitly
10 stated the closing of successful and timely sales of the Hospitals were necessary for the
11 confirmation of a liquidating plan:

12 Selling the hospitals on a going concern basis is necessary to
13 maximize proceeds to the estate. The Debtors’ operational
difficulties and mounting losses require that the hospitals be sold
14 quickly. In [the First-Day Declaration], the Debtors’ CEO Richard
Adcock testified that the hospital system was losing \$175 million
15 annually on a cash flow basis ...

16 *Id.* at 24 (citing First Day Declaration at ¶ 95) (“[T]he Debtors have commenced these chapter 11
17 cases to protect the original legacy of the Daughters of Charity to the maximum extent possible by
18 retiring debt incurred over the past 18 years and freeing the hospital facilities and work force to
19 continue to operate as hospitals under new ownership and leadership without the accumulated crisis
20 of the past. To do that requires the bankruptcy court supervised sale of some or all of the
21 hospitals and related facilities.”) (emphasis added)). The Court correctly found that, without the
22 orderly and “quick” sales of the hospitals, there would be no efficient and fair way for a distribution
23 to the various creditors in this case—lenders, vendors, employees etc. *Id.*

24 Here, the Negotiations, Meetings and the §§ 1113 and 1114 process produced a consensual,
25 productive result—the Debtors, the Unions and SGM negotiated a structure for the CBAs to remain,
26 but modified them to reflect economic reality, and agreed to similar terms this Court previously
27 approved in the SCC Stipulation regarding the Unions’ claim treatment. As the parties recognized,
28 with no bidder willing to assume the CBAs in full as-is, and with SGM only willing to accept

1 assignment of the Modified CBAs, the Settlement Agreements' terms are necessary. *In re Walter*
2 *Energy, Inc.*, 542 B.R. 859, 893-94 (Bankr. N.D. Ala. 2015)³⁰ ("if the sale(s) consummate and the
3 [businesses] are sold as a going-concern, Debtors' employees have the best chance of future
4 employment"); *In re Nat'l Forge Co.*, 289 B.R. at 810–11.

5 Relief is also necessary to limit the Debtors' potential liability and expenses. As the Court
6 found in the SCC Rejection, unchecked, the CBAs in this case would expose the Debtors to
7 "substantial" administrative claims from unions for an enterprise that the Debtors would neither be
8 operating nor wish to be operating, with the total of these administrative claims in excess of the
9 estimated funds available to pay *all* administrative claims. *Id.* at 24-25 (citing *Declaration of David*
10 *Galfus* [Docket 1507]);³¹ see also *In re Chicago Const. Specialties, Inc.*, 510 B.R. 205, 217-18
11 (Bankr. N.D. Ill. 2014). Waiting to reject as a part of a confirmed plan, when such plan
12 confirmation process may be protracted and the intermediate period results in accrual of
13 administrative obligations, would not be in the best interest of the Debtors' estate as a whole.")
14 (citations omitted). This Court summarized the immediate "necessity" best in its Prior 1113
15 Decision (at 26):

16 Here, the Debtors are in the process of selling the Hospitals ... and
17 will no longer operate the Hospitals once the sale has closed. As was
18 the case in *Chicago Const.*, it makes little sense to require the Debtors
to remain bound by CBAs that pertain to assets which they will no
longer operate.

19 **f. The Modification and Settlement Agreement Treat all Creditors, the Debtors,**
20 **and all of the Affected Parties Fairly and Equitably, and the Balance of the**
21 **Equities Favors the Requested Relief.**

22 This Court, in finding that the SCC Rejection treated parties fairly, found:

23 In sum, prior to seeking bankruptcy relief, the Debtors diligently
24 attempted to put their operations on a sound financial footing. **The**
25 **unfortunate but undeniable reality is that the legacy cost**
26 **structure imposed by the CBAs is simply too great to permit the**
27 **Hospitals to continue to sustainably operate.** This reality was
28 confirmed by the recent sales process ... Many parties have been
required to make sacrifices to permit continued operations of the

Hospitals. Under these circumstances, the proposed rejection and/or modification of the CBAs is fair and equitable.

Prior 1113 Decision at 26-27 (emphasis added). The Court also cited precedent that, in a sale context, this factor does not require that unions are paid in full or that all employees are re-hired or re-represented, and instead the inquiry is whether the debtor is placing a disproportionate burden on non-represented employees. *Id.* (citing *Walter Energy*, 542 B.R. at 892); *see also In re Nat'l Forge Co.*, 289 B.R. at 811.

The Settlement Agreements place no disproportionate burden on the Represented Employees or anyone else. Like the previously approved SCC Stipulation, the Settlement Agreements, in consideration for the Unions' cooperation and waivers, allow the Preserved Claims but disallow other claims that otherwise have no basis, especially if the CBAs had been rejected. *In re Nw. Airlines Corp.*, 483 F.3d 160, 169–72 (2d Cir. 2007) (emphasis added) (citing *In re Blue Diamond Coal Co.*, 147 B.R. 720, 732-34 (Bankr. E.D Tenn. 1992), *aff'd* 160 B.R. 574, 576–77 (E.D.Tenn.1993) (denying rejection damages after a § 1113 rejection) (“The only conclusion this court can reach is that ***a claim for damages alleged to have resulted from the rejection of a collective bargaining agreement under § 1113 cannot be premised on § 365(g) nor can the claim be asserted pursuant to § 502(g)*** ... inasmuch as the Union is not a ‘creditor’ nor does it hold a claim otherwise allowable under § 502, it is not entitled to assert a claim for damages alleged to have resulted from the rejection of the [CBA].”) (emphasis added)); *In re AMR Corp.*, 523 B.R. 415, 422–23 (S.D.N.Y. 2014), *aff'd*, 622 Fed. Appx. 64 (2d Cir. 2015). Further, the Debtors' proposal to eliminate other general and rejection damages also was fair and equitable as it was consistent with the Bankruptcy Code for a rejected CBA. *See In re Chicago Constr. Specialties, Inc.*, 510 B.R. at 222 (“[T]he Debtor's proposal to reject the CBA simply treats CBA claims [as they would be liquidated and disposed of under the Bankruptcy Code].”).³² The Settlement Agreements also provide waivers of any and all “cure claims” that might otherwise said to exist based upon a technical assumption of the CBAs.

³² The Debtors take no position on the ultimate recovery or rights of the Unions or the Represented Employees to these claims.

Further, the APA includes the Provisional Hiring Clause for SGM to provisionally employ substantially all qualifying Represented Employees (who will then be covered under the Modified CBAs). *In re Nat'l Forge Co.*, 289 B.R. 803 at 808–09 (“where, as here, the evidence establishes that it is likely that some of the employees ‘may be employed by the successful buyer’ this supports a finding of fair treatment to employees”); *see also In re Walter Energy, Inc.*, 542 B.R. at 867 (“The record . . . indicate[s] the proposed going concern sale is the best chance for selling the [businesses] and to provide potential future employment for the Debtors’ represented employees.”).³³

g. **The 1114 Agreements and Lump Sum Payments are Necessary, Fair and Equitable.**

Further, the 1114 Agreements and the Lump Sum Payment are fair and equitable because they provide the Retirees the present value of their health benefits. By paying cash in full, the Debtors do not prejudice the Retirees and act in accord with Congress’ intent in protecting vulnerable retirees by giving them enhanced rights above unsecured creditors, such as requiring that a debtor either resolve the retirees’ liability under § 1114 or continue to pay retiree benefits after confirmation of a plan, *see* § 1129(a)(13)) and encouraging reorganizations by allowing debtors to formulate plans and unburden themselves of long-term financial obligations. *In re Tower Auto., Inc.*, 342 B.R. 158, 162 (Bankr. S.D.N.Y. 2006) (“the statute requires the parties to attempt to come to an agreement on terms. General unsecured creditors have no such specific protection in Chapter 11, either with respect to the process of bargaining or the substantive provisions of a plan [and] unless the Court approves a modification in accordance with § 1114 standards and procedures, a plan must provide for the continuation of retiree benefits for the duration of the period the debtor has obligated itself to provide such benefits” at an unmodified level . . . the Court has no reason not to endorse a settlement that satisfies the Debtors’ principal goal, saving cash, while affording significant protection for the rights that Congress required be preserved for the retirees.”) (citations omitted); *see also In re Garfinckels, Inc.*, 124 B.R. 3, 4–5 (Bankr. D.D.C. 1991) (“There is nothing in § 1114 that would prohibit modification, pursuant to an agreement being reached

1 under § 1114(e)(1)(B) or a motion being granted under § 1114(g), from applying to those benefits
2 that have arisen before the agreement is reached or the motion has been granted.”).³⁴

3 **h. The Settlement Agreements will Allow the Hospitals to Continue to Operate**
4 **and Employ Represented Employees**

5 The Settlement Agreements are necessary to keep the Hospitals operating into the future
6 with Represented Employees. The results of the Marketing Process, with no third parties willing
7 to assume the CBAs “as is,” and the Debtors’ inability to operate the Hospitals outside of these
8 Cases, are not within the Debtors’ (or the Unions’) control. Neither a debtor, nor a union, may
9 “base its rejection of its only suitor[’s] [conditions] on a speculative white knight with greater
10 riches.” *In re Karykeion, Inc.*, 435 B.R. at 678. Here, SGM has made the best offer for the Hospitals
11 that will allow the Hospitals to remain open to continue their mission of providing high-quality
12 patient care, offer payment to creditors, and offer provisional the continued unionization and
13 employment of the bulk of the Represented Employees. The SGM Sale is the best possible option
14 for the Represented Employees, the Hospitals, and the communities they serve—and the Sale
15 hinges on the § 1113 and § 1114 relief the Debtors seek herein.

16 **i. Section 365 Permits the Assumption and Assignment**

17 As approved in *PTC*, immediately after the agreed Modification (complete with the
18 abrogation of existing liabilities under the CBAs (except for the Preserved Claims)) occurs, the
19 Debtors move for the Assumption and the Assignment of the Modified CBAs to SGM under § 365.

20 Section 365 applies to the Assumption and Assignment because “given the ambiguity in §
21 1113, § 365(b) ... governs the procedure for assumption [and assignment] of a CBA [and] in
22 comparable settings, the courts have so held.” *In re Family Snacks, Inc.*, 257 B.R. 884, 900 (B.A.P.
23 8th Cir. 2001) (following *Massachusetts Air Conditioning & Heating Corp.*, 196 B.R. at 663; *Am.*

25 *Air Alaska, Inc. v. Bachner*, 865 F.2d 1106, 1111 n. 5 (9th Cir. 1989)). Also, the Debtors have

26 ³⁴ Section 1114’s provision that a committee of retirees may sometimes be appointed (§ 1114(d)) is obviated because
27 eleven out of twelve of the Retirees are represented by unions who have agreed to be their authorized representative,
28 leaving an effective “committee of one,” of the remaining retiree who is being paid in full and in cash. See 11 U.S.C.
§ 1114(b)(1), (c) (labor union acts as authorized representative of retirees unless affirmatively opting out); see also *In*
re N. Am. Royalties, Inc., 276 B.R. 860, 862 (Bankr. E.D. Tenn. 2002) (the union may remain the authorized
representative even if it represents current employees and retirees).

1 previously assumed and assigned contracts that have been modified. *See Order Granting Motion*
2 *to Approve Compromise under Rule 9019* [Docket No. 2461, May 29, 2019] (approving
3 modification of agreements with Premier, Inc. and assumption and assignment therein).

4 “The propriety of a decision to assume or reject an unexpired [contract] (*i.e.*, whether the
5 motion to assume/reject should be approved by the court) normally is determined under the
6 deferential ‘business judgment’ test.” *In re Hertz*, 536 B.R. 434, 442 (Bankr. C.D. Cal. 2015)
7 (citing *In re Pomona Valley Med. Grp. Inc.*, 476 F.3d 665, 670 (9th Cir.2007)). “The court must
8 presume that the debtor [is acting] ‘prudently, on an informed basis, in good faith, and in the honest
9 belief that the action taken was in the best interests of the bankruptcy estate.’ The court should
10 approve the debtor’s decision unless it is ‘manifestly unreasonable that it could not be based on
11 sound business judgment, but only on bad faith, or whim or caprice.’ The primary question to
12 guide the court in deciding whether a debtor has properly exercised its business judgment is
13 ‘whether rejection would benefit the general unsecured creditors.’” *Id.* (citations omitted).

14 Here, the Debtors move for the Assumption and the Assignment (and the Settlement
15 Agreements as a whole) in good faith for the benefit of unsecured creditors (as discussed in detail,
16 *supra*). Without the Assumption and Assignment, the Sale would be imperiled or delayed, the
17 Debtors would risk losing the benefit of having \$610 million in hand, and, instead, would be
18 hampered with unwanted CBAs and illiquid assets.

19 **i. The Unions’ Consent is Dispositive**

20 The Unions have agreed that the Debtors have met § 365(b)(1)’s requirements that a debtor
21 “cure any existing defaults under such agreements ... and provide adequate assurance of future
22 performance under the contract or lease” under 11 U.S.C. § 365(b)(1) through the total
23 consideration of the Settlement Agreements. *In re Bowman*, 194 B.R. 227, 230 (Bankr. D. Ariz.
24 1995); *In re AEG Acquisition Corp.*, 127 B.R. 34, 44 (Bankr. C.D. Cal. 1991), *aff’d*, 161 B.R. 50
25 (B.A.P. 9th Cir. 1993). This obviates the need for any further analysis. As the only parties with
26 standing in this inquiry, the Unions’ consent is dispositive. *In re ANC Rental Corp., Inc.*, 277 B.R.
27 226, 231 (Bankr. D. Del. 2002) (third party did not have standing in § 365 inquiry) (“Section 365
28 is designed to protect the rights of parties with whom debtors have contractual relationships.”).

1 **ii. The Debtors have Met § 365(b)(1)’s Requirements**

2 The Debtors have cured priority and post-petition obligations by their Wage Order
3 payments. Regarding any alleged pre-petition arrears, the Modification, to the extent it does not
4 “cure amounts” through the Unions’ agreement, rejects and replaces the Debtors CBAs with the
5 Modified CBAs and therefore abrogates any pre-petition “rejection” damages. *Nw. Airlines Corp.*,
6 483 F.3d at 169–72 (2d Cir. 2007). So, any and all cure issues are satisfied, either through the
7 consideration given through the Settlement Agreement or the legal power of § 1113.

8 Regarding the second prong of § 365—adequate assurance of future performance—SGM
9 meets this requirement of providing an adequate assurance of future performance under the
10 Modified CBAs because it is a large, sophisticated healthcare company, with a \$610 million cash
11 investment, an obligation to provisionally hire all the Represented Employees, who dedicated
12 months to re-negotiating the Modified CBAs, and who was approved by this Court as an able-
13 steward and of the Hospitals going-forward.

14 **B. The Debtors Have Satisfied § 363 and Rule 9019**

15 Though the Debtors urge the Court to apply § 1113 and § 1114 as umbrella statutes for their
16 entire deal with the Unions (as Congress intended), § 363(b), § 363(c) and Rule 9019 also support
17 the requested relief. *See In re Leslie Fay Companies, Inc.*, 168 B.R. 294, 301 (Bankr. S.D.N.Y.
18 1994) (finding that Rule 9019 would apply to a debtor’s decision to enter into new post-petition
19 CBA where transaction settled all liability by and between union and debtor). Therefore, the
20 Debtors move for approval of the Settlement Agreement under § 363(b), 363(c) and Rule 9019 as
21 well as under §§ 1113, 1114 and 365. This analysis is made simpler because the requirements for
22 approval under § 363 and Rule 9019 are highly complementary with the above-discussed
23 1113/1114 Test.

24 **a. The Debtors have Satisfied Section 363(b) and 363(c)**

25 Under § 363(b), the Court considers (i) whether the transaction is “is in the best interest of
26 the estates and is “fair and reasonable” (*cf.* 1113/1114 Test factors (3) (necessary for
27 reorganization) and (9) (balance of equities in favor)) and (ii) whether it has been given “adequate
28 marketing,” and “that it has been negotiated and proposed in good faith, and that the [counter-

party] is proceeding in good faith” in an “arms-length” transaction.” *In re Wilde Horse Enterprises, Inc.*, 136 B.R. 830, 841–42 (Bankr. C.D. Cal. 1991) (collecting cases). Regarding the latter requirement, the above-discussed evidence establishes that the parties proceeded in good-faith and certainly remained arms-length in the Negotiations.

Likewise, the Court should apply § 363(c) to the underlying terms of the Modified CBAs by and between the Debtors and the Unions, and defer to the Debtors’ business judgment. Courts have determined that large corporate debtors, including hospital debtors, commonly enter into collective bargaining agreements and are entitled to business judgment deference as to their terms. *See In re Fairmont Gen. Hosp., Inc.*, 510 B.R. 783, 787–88 (Bankr. N.D. W.Va. 2014).

As to the balance of the analysis under § 363(b) and (c), the Debtors incorporate their above 1113/1114 Test analysis (and, to the extent necessary, their § 365 analysis) that they proceeded in good faith and have negotiated a fair, equitable and necessary set of transactions in the Settlement Agreements for moving under § 363(b) for the Settlement Agreements.

b. The Debtors have Satisfied Rule 9019

Under Rule 9019(a), “compromises are favored because they minimize costly litigation and further parties’ interests in expediting the administration of the bankruptcy estate” and the Court only needs to find that the settlement was negotiated in good faith and is reasonable, fair, and equitable by utilizing the following factors:

- the complexity of the litigation involved, and the expense, inconvenience, and delay necessarily attending it and the probability of success in the litigation;
- the difficulties, if any, to be encountered in the matter of collection;
- the paramount interest of the creditors and a proper deference to their reasonable views in the premises.

In re A & C Properties, 784 F.2d 1377, 1381 (9th Cir. 1986); *In re Sabine Oil & Gas Corp.*, 555 B.R. 180, 256 (Bankr. S.D.N.Y. 2016).

As to the “paramount interest of the creditors” factor, the Debtors incorporate their above analysis that the Settlement Agreements are in the best and paramount interests of the creditors

(under the 1113/1114 Test, that the transaction is “necessary,” is in the “best interest” of the estate is “fair” to all parties and that the balance of equities favor it).

Further, the “difficulty of collection factor” is not relevant here, as the Debtors are the ones settling claims from the Unions and are not receiving cash consideration. However, the Debtors note that, without the Settlement Agreements, it would be much more difficult to “collect” the hundreds of millions of dollars of consideration from the Sale. This leaves the first listed *A&C* factor: “The complexity of the litigation involved, and the expense, inconvenience, and delay necessarily attending it and the probability of success in the litigation,” for consideration for Rule 9019 approval.

“The purpose of a compromise agreement [under Rule 9019] is to allow the [debtor in possession] and the creditors to avoid the expenses and burdens associated with litigating sharply contested ... claims.” *In re A & C Properties*, 784 F.2d 1377, 1380-81. Accordingly, in approving a settlement agreement, the Court need not conduct an exhaustive investigation of the claims sought to be compromised. *See United States v. Alaska Nat’l Bank (In re Walsh Constr., Inc.)*, 669 F.2d 1325, 1328 (9th Cir. 1982). A court should not substitute its own judgment for the judgment of the debtor in possession. *Matter of Carla Leather, Inc.*, 44 B.R. 457, 465 (Bankr. S.D.N.Y. 1984). A court, in reviewing a proposed settlement, is not to decide the numerous questions of law and fact but rather to canvass the issues to determine whether the settlement falls below the lowest point in the range of reasonableness. *In re Tribune Co.*, 464 B.R. 126, 158 (Bankr. D. Del. 2011) (“the settlement need only be above the “lowest point in the range of reasonableness”); *In re W.T. Grant & Co.*, 699 F.2d 599, 608 (2nd Cir. 1983); The court should not conduct a “mini-trial” on the merits of the issues. *In re Walsh Const., Inc.*, 669 F.2d at 1328; *In re Blair*, 538 F.2d 849 (9th Cir. 1976).

The Settlement Agreements primarily dispose of two major pieces of litigation with five separate Unions: (1) §§ 1113/1114 litigation over modification or rejection of the CBA and Retiree Benefits and (2) litigation over the validity and amounts of the Unions’ claims.

As to the contesting unions in the SCC Sale, the SCC Rejection was an arduous, months-long undertaking involving novel § 1113 questions. Sections 1113 and 1114 are highly complex,

factually intensive statute, made particularly difficult to analyze in a liquidation context. *See In re Rufener Const., Inc.*, 53 F.3d 1064, 1067 (9th Cir. 1995) (“the procedural requirements imposed by § 1113 appear ill-suited to a liquidation proceeding”). The Debtors would be required to meet nine factors, marshal substantial evidence and rebut and reply to the Unions’ legal arguments under an expedited, contested setting. Further, if contested, a pivotal part of the Settlement Agreements — the permanent modification of the CBAs through § 1113—does not appear to have been addressed by a published Ninth Circuit case when a union has not consented. The Settlement Agreements avoid the potential labor unrest and disruption to the Debtors during the sensitive pre-Closing period that might be occasioned by a forced contract abrogation, and the obvious loss of value arising therefrom. The Settlement Agreements not only fulfill the express Congressional goals of compromise and “expedited collective bargaining,” they also resolve any uncertainty of potentially “sharply contested” §§ 1113 and 1114 process over the CBAs. *In re A & C Properties*, 784 F.2d at 1380-81.

Further, the Settlement Agreements streamline and settle key aspects of the Unions claims and Proofs of Claims and the Debtors liability for severance for re-hired employees and PTO. It allows the Unions the benefit of continuing to assert claims for pending grievances and arbitration, but also allows the Debtors and successors to contest these claims—allowing truly aggrieved employees their “day in court” while allowing unmerited grievances to be ultimately dismissed without interfering with the confirmation of the Plan. They also preclude any general “cure” or rejection claims or other claims that the Unions could assert from the Sale and resolve retiree benefits before the Plan process. *See* 11 U.S.C. § 1129(a)(13) (not allowing plan to dispose of retiree benefits unless it pays them in full).

Given the complexity of this potential litigation, interposed with the fact that the Debtors are in the largest healthcare case currently in the country, attorneys’ fees and costs (which would most likely run well into the six figures for each side) and attorneys and professionals investment in time and attention (and away from Plan and SGM Sale issues) to bring this matter to full fruition would be high compared to the total gain and exposure. *In re Lawrence & Esausquin, Inc.*, 124 B.R. 37, 39 (Bankr. N.D. Ohio 1990) (approving Rule 9019 settlement where “[i]f all the issues

1 which have been raised in this case were to be litigated by the Trustee, the litigation would be time
2 consuming, burdensome, somewhat risky, and would quite possibly cost the estate more than it
3 would generate for the payment of unsecured creditors.”); *In re Partsearch Techs., Inc.*, 453 B.R.
4 84, 105 (Bankr. S.D.N.Y. 2011) (approving Rule 9019 agreement where “the risks of litigation here
5 appear to be significant because of the substantial time and expense required to conduct a trial.”).
6 The Debtors have now filed their Disclosure Statement and Plan and wish to focus on making the
7 Effective Date effective instead of protracted labor litigation that can be avoided through a fair
8 compromise.

9 The Modified CBAs, the Proposal and all aspects of the Settlement Agreement result from
10 the arm’s length, protracted, and hard fought negotiations. The Debtors mediated the negotiations
11 between SGM and the Unions and arrived at the Modification for the Debtors to pass on their
12 Hospitals to SGM with an increased market competitiveness, while maintaining the loyalty and
13 morale of their employees and further settled liability and obtained other benefits for the Debtors
14 (such as CNA and SEIU writing to the AG to support the SGM Sale). The parties are entitled to
15 deference in their decisions. *In re Walsh Const., Inc.*, 669 F.2d at 1328; *In re Blair*, 538 F.2d 849;
16 *see also In re Yellowstone Mountain Club, LLC*, 460 B.R. 254, 265 (Bankr. D. Mont. 2011) (*citing*
17 *A& C Properties*, 784 F.2d 1381) (“rather than an exhaustive investigation or a mini-trial on the
18 merits, this court need only find that the settlement was negotiated in good faith and is reasonable,
19 fair and equitable”); *In re Adelphia Communications Corp.*, 327 B.R. 143, 163 (Bankr. S.D.N.Y.
20 2005), adhered to on reconsideration, 327 B.R. 175 (Bankr. S.D.N.Y. 2005) (approving settlement
21 of claims where debtor was to pay \$715 million even where court found there “there [was] quite a
22 high probability that [the debtor] would ultimately prevail on at least some of its claims,” because
23 “that litigation” had already “been hotly contested [through] numerous legal and factual defenses”
24 by the counterparty against the debtors’ claims and where debtors were not likely to “win quickly,”
25 given the “complexities of [the] situation,” and concluding that “even a successful outcome in such
26 litigation likely would take substantial time [and the] the [s]ettlement [a]greements eliminate these
27 risks.”); *In re MF Glob. Inc.*, 466 B.R. 244, 251 (Bankr. S.D.N.Y. 2012) (approving under Rule
28 9019 where “the [s]ettlement [a]greement will resolve all claims between the Parties related to the

1 Property and will save the costs of further litigation [and was the] result of arms-length negotiations
2 and good-faith dealings among the Parties.”).

3 The Settlement Agreements represent the type of rational, negotiated solutions that Rule
4 9019 encourages, and the Court should approve it. *See generally Protective Comm. for Indep.*
5 *Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 434, 88 S. Ct. 1157, 1168, 20
6 L. Ed. 2d 1 (1968) (“Litigation and delay are always the alternative to settlement, and whether that
7 alternative is worth pursuing necessarily depends upon a reasoned judgment as to the probable
8 outcome of litigation.”).

9 **V. CONCLUSION**

10 Based upon the foregoing, the Debtors respectfully request that the Court enter an order
11 granting the relief requested herein (i) granting and approving the Settlement Agreements as
12 attached as **Exhibits 1-5** so that, effective upon the Closing, (a) the Modification occurs, with (b)
13 the Modified CBAs then assumed and assigned through the Assumption and Assignment to SGM
14 (c) the other terms of the Settlement Agreement are given effect and (ii) for such other and further
15 relief as the Court may deem proper.

20 Attorneys for the Chapter 11 Debtors and
21 Debtors In Possession

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, declare that if called on as a witness, I would and could testify of my own personal knowledge as follows:

1. I am the Chief Executive Officer (“CEO”) of Verity Health System of California, Inc. (“VHS”). I became VHS’ CEO effective January 2018. Prior thereto, I served as VHS’ Chief Operating Officer (“COO”) beginning in August 2017. In my roles as COO and CEO at VHS, I have become intimately familiar with all aspects of VHS and its above-captioned affiliates who have also filed for bankruptcy protection (collectively the “Debtors,” and each a “Debtor”) as well as those affiliated entities that are not in bankruptcy. I submit this Declaration in support of the *Debtors’ Omnibus Motion for Approval of 1) Settlement Agreements with Labor Unions, 2) Assumption and Assignment of Modified Collective Bargaining Agreements, 3) Termination of Retiree Healthcare Benefits and 4) Related Relief* (the “Motion”).³⁵

2. Except as otherwise indicated herein, this Declaration is based upon my personal knowledge, my review of relevant documents, information provided to me by employees of the Debtors or the Debtors’ legal and financial advisors, or my opinion based upon my experience, knowledge, and information concerning the Debtors’ operations and the healthcare industry. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

3. True and correct copies of the following documents are attached to the Motion as follows:

- the “CNA Settlement Agreement” (attached hereto as **Exhibit 1**) between the Debtors and the California Nurses Association (“CNA”), which, in turn, seeks, *inter alia*, approval of the assumption and assignment to SGM effective upon Closing of a (i) modified CNA/VHS Master Agreement between CNA and Debtors St. Vincent Medical Center (“SVMC”) and Seton Medical Center (“SMC”), effective December 22, 2016-December 21, 2020,³⁶ (ii) modified SVMC Local Contract

³⁵ Unless otherwise defined herein, all capitalized terms have the definitions set forth in the Motion.

³⁶ Modified CBAs (as defined in the Motion) are not attached to the Motion because they are SGM’s confidential, proprietary information and trade secrets. Upon request and execution of a confidentiality agreement, the Debtors will make the Modified CBAs available to proper requesting parties.

2016-2020 between CNA and SVMC , effective December 22, 2016 to December 21, 2020, and (iii) modified SMC Local Contract 2016-2020 between CNA and SMC effective December 22, 2016-December 21, 2020;

- the “Local 20 Settlement Agreement” (attached hereto as **Exhibit 2**), between SMC and IFPTE AFL-CIO CLC, Local 20 (“Local 20”), which, in turn, seeks, *inter alia*, approval of the assumption and assignment to SGM effective upon Closing, of a modified Collective Bargaining Agreement between Local 20 and SMC, effective May 1, 2017-April 30, 2020;
- the “NUHW Settlement Agreement,” (attached hereto as **Exhibit 3**), between SMC and the National Union of Healthcare Workers (“NUHW”), which, in turn, seeks, *inter alia*, approval of the assumption and assignment to NUHW effective upon Closing, of a modified Collective Bargaining Agreement between NUHW and SMC and SMC-Coastside, effective November 1, 2016-October 31, 2019;
- the “SEIU Settlement Agreement” (attached hereto as **Exhibit 4**), between the Debtors SVMC and St. Francis Medical Center (“SFMC”) and the Service Employees International Union, United Healthcare Workers-West (“SEIU”), which, in turn, seeks, *inter alia*, the assumption and assignment to SEIU effective upon Closing of a modified Collective Bargaining Agreement between SEIU and SFMC and SVMC, effective May 1, 2017-April 30, 2020;
- the “UNAC Settlement Agreement” (attached hereto as **Exhibit 5**), between SFMC and the United Nurses Associations of California/Union of Health Care Professionals (“UNAC,” and referred to along with CNA Local 20, NUHW and SEIU as the “Unions”), which, in turn, seeks, *inter alia*, approval of the assumption and assignment to SGM effective upon Closing of a modified Labor Management Collective Bargaining Agreement effective from December 29, 2017 to December 29, 2021;
- the schedule regarding the 11 current retirees who are receiving actual retiree health care benefits (under the program that permits retirees who elect within a set period

1 of time, a supplement to continue Debtor-provided healthcare) and the one-time
2 payment in the amount equal to the value of those payment, which is attached as
3 **Exhibit 6.**³⁷

4 **a. The CBAs And The Represented Employees**

5 4. The Local 20 CBA covers 31 active employees for SMC and one retired employee
6 from O'Connor Regional Hospital ("OCH")³⁸ (with the employees as the "Local 20 Represented
7 Employees"). The Local 20 Represented Employees are and were predominantly Clinical
8 Laboratory Scientists who work primarily in the hospital laboratory.

9 5. The CNA CBAs cover 792 active employees at SVMC and SMC and eight retired
10 employees from SMC, OCH and SLRH (the "CNA Represented Employees"). The CNA
11 Represented Employees are and were registered nurses.

12 6. The UNAC CBA covers 817 active employees for SMC (the "UNAC Represented
13 Employees"). The UNAC Represented Employees are and were registered nurses.

14 7. The SEIU CBA covers active 1,331 active employees for SVMC and SFMC (the
15 "SEIU Represented Employees"). The SEIU Represented Employees are and were comprised of
16 service workers including but not limited to environmental services aides, certified nurse assistants,
17 unit coordinators, and technical workers, including but not limited to radiological technician and
18 pharmacy technicians.

19 8. The NUHW CBA covers active 731 active employees and 1 retired employee for
20 SMC and Seton Medical Center Coastside (the "NUHW Represented Employees") (together, with
21 the Local 20 Represented Employees, the CNA Represented Employees, the UNAC Represented
22 Employees, the SEIU Represented Employees, the "Represented Employees." The NUHW
23 Represented Employees are and were comprised of technicians, such as radiological technician,
24 pharmacy technicians, and service workers such as, environmental service aides, dietary aides,
25 cooks, clinical staff such licensed vocational nurse, certified nursing aides and administrative

Retirees who were employed at OCH while it was operating continue to receive Retiree Health Benefits.

workers such unit secretaries and clerks.

b. The Union § 1113 CBA Modification And § 1114 Retiree Healthcare Benefit Termination Process

9. After approval of the SGM Sale, but pending completion of AG Review, the Debtors, SGM and Unions negotiated the ultimate terms of the Settlement Agreements (the “Negotiations”) through a series of meetings and exchanges with the Unions (the “Meetings”). The process began on February 1, 2019, when the Debtors delivered to each of the Unions a proposal under § 1113 and, as applicable, § 1114 (collectively, the “First Proposals”).³⁹ The First Proposals noted that SGM was amenable to assuming existing CBAs, provided they were modified to comport with similar collective bargaining arrangements that covered other facilities owned and operated by SGM. The First Proposals further represented that the Debtors “stood ready” to discuss with the Unions any counter-proposal and that the Debtors were “open to receive and consider all comments, concerns and any counterproposals from [the Unions]” and told the Unions that “if you desire any specific, relevant information, do not hesitate to ask for it.” None of the Unions submitted counter-proposals to the Debtors. After conducting discussions with SGM as to what it wished to modify with respect to the CBAs, the Debtors and SGM then began to directly engage each of the Unions and provide each Union with amended proposals, including proposed modified CBAs in redline form (collectively, the “Amended Proposals”). Specifically,

- a. On or about July 11, 2019 and July 15, 2019, the Debtors and SGM met with CNA and presented the applicable Amended Proposal, which included proposed redline changes to the CNA CBAs.
- b. On or about July 19, 2019, the Debtors and SGM met with Local 20 and presented the applicable Amended Proposal, which included proposed redline changes to the Local 20 CBA.
- c. On or about July 25, 2019, the Debtors and SGM met with SEIU and presented the applicable Amended Proposal, which included a proposed redline to the SEIU CBA.
- d. On or about July 25, 2019, the Debtors and SGM met with UNAC and presented the

³⁹ The Debtors will make the written copies of the First Proposals, as well as the Amended Proposals (as defined, *infra*) to any proper requesting party.

1 applicable Amended Proposal, which included a proposed redline to the UNAC
2 CBA.

3 e. On or about July 25, 2019, the Debtors' counsel met with NUHW and presented the
4 applicable Amended Proposal, which included a proposed redline to NUHW CBA.
5 *Id.* at

6 10. Thereafter, the Debtors continued to travel to and attend Meetings with the Unions
7 regarding the Amended Proposals and going-forward CBA terms with SGM, including:

8 f. with respect to UNAC, on August 2, 23, and 29, 2019;

9 g. with respect to CNA, on August 7, 8, 20, 21, 2019, and September 5, 2019;

10 h. with respect to SEIU, on July 30, 2019, August 13, 2019, August 30, 2019 and
11 September 9, 2019;

12 i. with respect to NUHW, on August 14 and 24, 2019 and September 10 and 15, 2019;
13 and

14 j. with respect to Local 20, on August 15, 2019.

15 11. The in-person Meetings were also supplemented by substantial negotiations over
16 phone and by email, which culminated in the Debtors and the Unions executing the Settlement
17 Agreements attached hereto.

18 **C. The Settlement Agreements**

19 12. Each Settlement Agreement incorporates modified versions of the applicable
20 Unions' CBA or CBAs (the "Modified CBAs") which are to be modified under § 1113 and, as
21 applicable § 1114 (the "Modification"). Through the Motion, the Debtors agree to assume and
22 assign the CBA or CBAs (as modified under the Modified CBAs) to SGM (the "Assumption and
23 Assignment"), which the Unions agree to not oppose (which process is defined in the Settlement
24 Agreements and herein as the "Agreed Outcome").⁴⁰ The parties reached the Settlement
25 Agreement so that the SGM Sale is economically viable for SGM and the Debtors, while also
26 providing just treatment for the Debtors' employees, including the Represented Employees.

27 _____
28 ⁴⁰ Settlement Agreements at § 3. The Settlement Agreements are substantially similar. For avoidance of doubt, the Settlement Agreement used for "Settlement Agreements at [##]" cites herein is the CNA Settlement Agreement. When there is such a citation, all Settlement Agreements will contain such a term.

D. Related Relief for the One Non-Union Current Retiree Who Receives Retiree Health Care Benefits

13. The Debtors will also pay the only Current Retiree not represented by one of the Unions the value of their retiree benefits in cash under the same methodology provided to the Union-represented Current Retirees. The amount to be paid is reflected on Exhibit 6.

14. The Debtors have determined in their business judgment that the relief sought in the Motion is in the best interests of the Estates. To the extent that the Motion settles matters that the Debtors could litigate, the Debtors believe that settlement under the terms sought in the Motion is in the best interest of their estates in lieu of the expensive, unproductive and uncertain litigation that would ensue without relief. The Debtors have now filed their Disclosure Statement and Plan and wish to focus on making the Effective Date effective instead of protracted labor litigation that can be avoided through a fair compromise

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

EXHIBIT 1

Settlement Agreement

On this 19th day of September, 2019 (the “Settlement Date”), and subject to approval by order of the Bankruptcy Court (as defined below), Verity Health Care System of California, Inc., Seton Medical Center (including the campus known as Seton Medical Center-Coastside), St. Vincent Medical Center, St. Francis Medical Center and their affiliates in chapter 11 bankruptcy (collectively the “Debtors,” and individually a “Debtor”), on the one hand, and the California Nurses Association (“CNA”) (collectively, the “Parties”), on the other, and subject to the terms, conditions and approvals set forth herein, agree to the following (the “Agreement”):

Recitals

WHEREAS, on August 31, 2018 (the “Petition Date”), each of the Debtors filed a petition for relief under Chapter 11 of the Bankruptcy Code (the “Bankruptcy Cases”) in the United States Bankruptcy Court for the Central District of California (the “Bankruptcy Court”), and since that date, all Debtors have been operating as debtors in possession;

WHEREAS, CNA and St. Vincent Medical Center are parties to a certain SVMC Local Contract 2016-2020 effective December 22, 2016-December 21, 2020 (the “SVMC CBA”), CNA and Seton Medical Center are parties a certain SMC Local Contract 2016-2020 effective December 22, 2016-December 21, 2020 (the “SMC CBA”) and CNA and St. Vincent Medical Center, Seton Medical Center and other Debtors are parties to a certain CNA/VHS Master Agreement effective December 22, 2016 – December 21, 2020 (the “Master CBA,” and referred to with the SVMC CBA and SMC CBA as the “CBAs” and each individually a “CBA”);

WHEREAS, the Debtors previously obtained a final order rejecting their collective bargaining agreements with CNA covering O’Connor Hospital and St. Louise Regional Hospital (the “SCC Rejection”) upon closing of the sale [Docket No. 1153] of these assets to Santa Clara County (the “SCC Closing”) and also modifying the Master CBA in the *Order Granting Debtors’ Motion Under Section 1113 Of The Bankruptcy Code To (A) Reject And Terminate The Terms Of California Nurses Association’s Collective Bargaining Agreements With Saint Louise Regional Hospital And O’Connor Hospital And (B) To Modify Related Provisions In A Certain Master Agreement Upon The Closing Of The Sale Of Hospitals To Santa Clara County* [Docket No. 1578] (the “SCC CBA Order”).

WHEREAS, on January 17, 2019, the Debtors filed a *Notice Of Motion For The Entry of (1) An Order (1) Approving Form of Asset Purchase Agreement For Stalking Horse Bidder and For Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice To Be Provided To Interested Parties; (4) Scheduling A Court Hearing To Consider Approval of The Sale To The Highest Bidder; and (5) Approving Procedures Related To The*

Assumption of Certain Executory Contracts and Unexpired Leases; and (II) An Order (A) Authorizing The Sale of Property Free and Clear of All Claims, Liens and Encumbrances; Memorandum of Points and Authorities In Support Thereof [Docket No. 1279] (the “Remaining Hospitals Sale Motion”), which sought, among other things, to sell the assets of St. Francis Medical Center, a California nonprofit public benefit corporation (“SFMC”), St. Vincent Medical Center, a California nonprofit public benefit corporation (“SVMC”), St. Vincent Dialysis Center, a California nonprofit public benefit corporation, (“SVDC”), Seton Medical Center, a California nonprofit public benefit corporation, including Seton Coastside (“SMC,” and referred to collectively with SFMC, SVMC and SVDC as the “Remaining Hospitals”) under a Stalking Horse Asset Purchase Agreement (the “APA”) between Verity Health Care System of California, Inc., a California nonprofit public benefit corporation (“Verity”), Verity Holdings, LLC, a California limited liability company, SFMC, SVMC, SVDC, and SMC (collectively, the “Sellers”) and Strategic Global Management, Inc., a California Corporation (“SGM”);

WHEREAS, on May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors’ Assets to Strategic Global Management, Inc. Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306];

WHEREAS, under the terms of the APA, SGM agreed to participate in union negotiations related to any specific collective bargaining agreement;

WHEREAS, the Debtors have agreed to use commercially reasonable efforts to initiate discussions with SGM and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. *See* APA § 5.11;

WHEREAS, SGM and the Debtors seek to effectuate the sale (the “Sale”) Closing (used herein as that term is defined in the APA) after the review of the transaction by the Attorney General of California (the “California AG”), by October 14, 2019, or as soon thereafter as possible, consistent with the terms and conditions of the APA;

WHEREAS, upon the Closing, the Debtors will no longer operate or employ anyone at the Remaining Hospitals;

WHEREAS, CNA has filed a proof of claim (collectively, along with any and all amendments, the (“POC”) in the Bankruptcy Cases against the Debtors, which has been designated as claim number #5169;

WHEREAS, the Debtors have, in good faith, sought to facilitate the modifications to the CBAs desired by SGM and to otherwise consensually resolve issues and claims of CNA;

WHEREAS, on February 1, 2019, the Debtors sent to CNA a proposal under §§ 1113/1114 to modify the CBAs and to resolve other issues;

WHEREAS, on or about July 25, 2019, the Debtors presented CNA with an amended §§ 1113/1114 proposal and, along with SGM, began the process of negotiating changes to terms of the CBAs acceptable to SGM and CNA; and

WHEREAS, beginning on July 25, 2019 and through the Settlement Date, the Debtors, SGM, and CNA have met and negotiated on several occasions about modifying the CBAs and the Debtors and CNA have otherwise exchanged proposals to resolve the other issues between the Parties.

NOW THEREFORE, the Parties agree as follows:

Terms

1. Effective and conditioned upon the Closing, the CBAs shall be modified in the form attached hereto as **Exhibit 1** (the “Modified CBAs”) under §§ 1113/1114 of the Bankruptcy Code (the “Modification”).
2. Effective and conditioned upon the Closing, the Debtors will assume and assign the CBAs (as modified under the Modified CBAs) to SGM (the “Assumption and Assignment”).
3. CNA agrees to (a) accept i) the Modification, ii) the Assumption and Assignment and iii) the terms of the foregoing (collectively, the “Agreed Outcome”) (b) support, as lawful and as commercially reasonable, motions or plans filed by the Debtors in the Bankruptcy Cases, seeking approval of the Agreed Outcome; provided, however, that nothing in this Agreement is intended to affect A) CNA rights and remedies against SGM in connection with x) post-Closing operations at SMC and SVMC, including, but not limited to, interaction with the California AG, and y) adequate assurance of future performance by SGM; and B) the Parties’ rights to seek enforcement of the terms of this Agreement from the Bankruptcy Court.
4. Upon Closing, SGM will become solely responsible for performance of all post-Closing obligations arising under the Modified CBAs.
5. Upon Closing, the CBAs (as modified under the Modified CBAs) will be deemed to be automatically assigned to SGM in full.
6. The Debtors: (a) will not have any liability or obligation to perform under the CBAs or Modified CBAs with respect to post-Closing activity; (b) shall in no way be liable

for or otherwise responsible for any “cure” obligations independent of any CNA claims that may be expressly preserved under this Agreement; and (c) and shall in no way be liable for or otherwise for any nonperformance or violation by SGM or any of its affiliates arising at any time.

7. In further resolution, the following claims shall be allowed and receive the following treatment:
 - a. PTO: each employee who is not offered a job with SGM, including Global Medical Center of Downtown Los Angeles, LLC (“GMCDLA”) or Global Medical Center of San Mateo County, LLC (“GMCSMC”), will be allowed in the Bankruptcy Cases a claim for unused and unpaid PTO calculated under the “accrual method;” meaning PTO earned and yet unpaid or used 1) on or after the Petition Date, will be granted administrative status, 2) between March 4, 2018 to the Petition Date, will be granted priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee) with any excess granted general unsecured claim status and; 3) prior to March 4, 2018 ,will be given general unsecured claim status. The administrative and priority claim portions of an allowed PTO claim will be paid with the employee’ last paycheck (upon the Closing);
 - b. Severance:
 - i) each employee who is not offered employment by SGM, including GMCDLA or GMCSMC, no later than the date of Closing, will be allowed a claim for severance calculated under the “accrual method”—meaning severance earned but not yet paid will be calculated on per diem basis from the date of the employee’s retention by a Debtor to the earlier of the date of their termination or the Closing—and treated as follows: 1) amounts earned on and after Petition Date through the date of termination or the Closing (whichever is earlier) will receive administrative status; 2) amounts earned after March 4, 2018 and through the day prior to the Petition Date will receive priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee), with any excess granted general unsecured claim status; and 3) amounts earned prior to March 4, 2018 will receive general unsecured claim status. The administrative and priority claim portions will be paid within 30 business days of the Effective Date of a confirmed Bankruptcy Plan (as defined in such plan or confirmation order, and referred to herein as the “Bankruptcy Plan Effective Date”), provided, further, that payment of severance to an employee is contingent on that employee executing a written general release in a form acceptable to CNA and the Debtors;

ii) notwithstanding anything to the contrary contained in or caused by the SCC CBA Order, each employee who was not offered employment by SCC by the SCC Closing, will be allowed a claim for severance calculated under the “accrual method”—meaning severance earned but not yet paid will be calculated on per diem basis from the date of the employee’s retention by a Debtor to the earlier of the date of their termination or the SCC Closing—and treated as follows: 1) amounts earned on and after Petition Date through the date of termination or the SCC Closing (whichever is earlier) will receive administrative status; 2) amounts earned after March 4, 2018 and through the day prior to the Petition Date will receive priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee), with any excess granted general unsecured claim status; and 3) amounts earned prior to March 4, 2018 will receive general unsecured claim status. The administrative and priority claim portions will be paid within 30 business days of the Bankruptcy Plan Effective Date, provided, further, that payment of severance to an employee is contingent on that employee executing a written general release in a form acceptable to CNA and the Debtors;

c. Grievance Claims:

i) Any grievance claim of an employee being represented by CNA that is not settled as of the Bankruptcy Plan Effective Date will be treated in accordance with the Plan or otherwise in accordance with bankruptcy law. The parties agree to work with SGM in the event that the remedy is or includes reinstatement of the employee after the Closing;

ii) Kris Suzuki, who is a member of CNA, settled a termination-based grievance claim in June 2018 with one or more of the Debtors in the amount of \$70,000, and received \$25,000 of that amount prepetition, will receive an allowed priority claim under §507(a)(4) in the amount of \$12,850 and a general unsecured claim in the amount of \$27,150; and

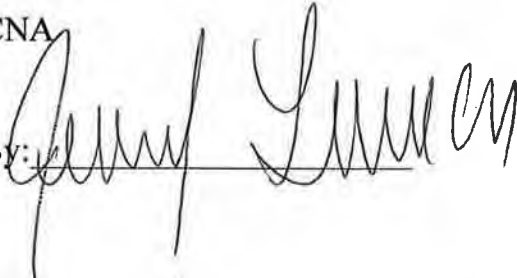

The claims in i) and ii) will be treated in the same manner as severance claims in paragraph 7(b) above.

d. Educational Claims. Any allowed unpaid claim for reimbursement of educational expenses of employee represented by CNA will be calculated under the “accrual method,” meaning that such claim will be calculated on *per diem* basis from the date of retention to the earlier of the date of termination or the date of Closing and treated as follows: 1) amounts earned on or after the Petition Date through the date of termination or the Closing (whichever is earlier) earned will receive administrative status; 2) amounts earned after March 4, 2018 and through the day prior to the Petition Date will

be granted priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee), with any excess granted general unsecured claim status; and 3) amounts earned prior to March 4, 2018 will receive general unsecured claim status. The administrative and priority claim portions will be paid within 30 business days of Bankruptcy Plan Effective Date; and

- f. All other prepetition claims, prepetition priority claims and administrative expenses and claims arising from the Petition Date to the Settlement Date not enumerated in subparagraphs a) through d) above are deemed waived; *provided further*, 1) CNA does not waive the right to assert any unpaid administrative expenses that arise from the Settlement Date to the Closing and the Debtors maintain the right to oppose such administrative expenses; 2) the Debtors maintain the right to seek estimation from the Bankruptcy Court of any claims and administrative expenses for voting or distribution purposes and CNA maintains the right to oppose such estimation; and 3) the Parties agree that the Bankruptcy Court retains jurisdiction to determine the allowance, priority and treatment of all claims and administrative expenses.
8. With respect to Retiree Health Benefits:
- a. Subject to subparagraph (c), CNA agrees that the CBAs shall be deemed automatically modified to immediately terminate and discontinue the Retiree Health Benefit under § 1114;
 - b. CNA agrees to further support the termination and discontinuation of the Retiree Health Benefit with respect to all current and former employees, including any relief sought under or in accordance with § 1114; and
 - c. The Debtors will seek approval of a one-time payment to each Retiree equal to the present value of each Retiree's Retiree Health Benefit, in the amount set forth on **Exhibit 2**.
9. As between CNA and the Debtors, to the extent there is any conflict between this Agreement and the CBAs or the Modified CBAs, this Agreement shall control.
10. Any dispute concerning the terms and interpretation of this Agreement shall be resolved by the Bankruptcy Court.
11. CNA agrees to support any Plan of the Debtors that does not contradict the material terms of this Agreement.

12. Terms of this Agreement shall be null and void in the event that 1) the Sale does not close, or 2) the Sale closes for a purchase price that is materially less than the contracted amount in the APA.
13. The Parties reserve all rights and defenses provided to them under the Bankruptcy Code except as otherwise stated herein.
14. CNA hereby withdraws any outstanding information requests that relate to this Agreement or the §§ 1113/1114 process.
15. CNA agrees to support the prompt Closing of the Sale, including sending to California AG as copy of the letter attached hereto as **Exhibit 3**.
16. The effectiveness of this Agreement is subject to the approval of the Bankruptcy Court. Approval of this Agreement will be sought by motion of the Debtors and affirmatively supported by CNA.
17. The terms of this Agreement supersede any prior agreement(s) between the Parties.
18. Any modification of this Agreement must be in writing and approved by both Parties.
19. By executing below, each Party represents that it has the requisite authority to enter into an implement all terms of this Agreement.

Settlement Agreement

On this 16th day of September, 2019 (the "Settlement Date"), and subject to approval by order of the Bankruptcy Court (as defined below), Verity Health Care System of California, Inc., Seton Medical Center (including the campus known as Seton Medical Center-Coastside), St. Vincent Medical Center, St. Francis Medical Center and their affiliates in chapter 11 bankruptcy (collectively the "Debtors," and individually a "Debtor"), on the one hand, and the National Union of Healthcare Workers ("NUHW") (collectively, the "Parties"), on the other, and subject to the terms, conditions and approvals set forth herein, agree to the following (the "Agreement"):

Recitals

WHEREAS, NUHW and Seton Medical Center and Seton Medical Center-Coastside are parties to a certain Collective Bargaining Agreement, effective November 1, 2016 to October 31, 2019 (the "CBA");

WHEREAS, on August 31, 2018 (the "Petition Date"), each of the Debtors filed a petition for relief under Chapter 11 of the Bankruptcy Code (the "Bankruptcy Cases") in the United States Bankruptcy Court for the Central District of California (the "Bankruptcy Court"), and since that date, all Debtors have been operating as debtors in possession;

WHEREAS, on January 17, 2019, the Debtors filed a *Notice Of Motion For The Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement For Stalking Horse Bidder and For Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice To Be Provided To Interested Parties; (4) Scheduling A Court Hearing To Consider Approval of The Sale To The Highest Bidder; and (5) Approving Procedures Related To The Assumption of Certain Executory Contracts and Unexpired Leases; and (II) An Order (A) Authorizing The Sale of Property Free and Clear of All Claims, Liens and Encumbrances; Memorandum of Points and Authorities In Support Thereof* [Docket No. 1279] (the "Remaining Hospitals Sale Motion"), which sought, among other things, to sell the assets of St. Francis Medical Center, a California nonprofit public benefit corporation ("SFMC"), St. Vincent Medical Center, a California nonprofit public benefit corporation ("SVMC"), St. Vincent Dialysis Center, a California nonprofit public benefit corporation, ("SVDC"), Seton Medical Center, a California nonprofit public benefit corporation, including Seton Coastside ("SMC," and referred to collectively with SFMC, SVMC and SVDC as the "Remaining Hospitals") under a Stalking Horse Asset Purchase Agreement (the "APA") between Verity Health Care System of California, Inc., a California nonprofit public benefit corporation ("Verity"), Verity Holdings, LLC, a California limited liability company, SFMC, SVMC, SVDC, and SMC (collectively, the "Sellers") and Strategic Global Management, Inc., a California Corporation ("SGM");

WHEREAS, on May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Strategic Global Management, Inc. Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306];

WHEREAS, under the terms of the APA, SGM agreed to participate in union negotiations related to any specific collective bargaining agreement;

WHEREAS, the Debtors have agreed to use commercially reasonable efforts to initiate discussions with SGM and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. *See* APA § 5.11;

WHEREAS, SGM and the Debtors seek to effectuate the sale (the "Sale") Closing (used herein as that term is defined in the APA) after the review of the transaction by the Attorney General of California (the "California AG"), by October 14, 2019, or as soon thereafter as possible, consistent with the terms and conditions of the APA;

WHEREAS, upon the Closing, the Debtors will no longer operate or employ anyone at the Remaining Hospitals;

WHEREAS, NUHW has filed no proofs of claim in the Bankruptcy Cases;

WHEREAS, the Debtors have, in good faith, sought to facilitate the modifications to the CBA desired by SGM and to otherwise consensually resolve issues and claims of NUHW;

WHEREAS, on February 1, 2019, the Debtors sent to NUHW a proposal under §§ 1113/1114 to modify the CBA and to resolve other issues;

WHEREAS, on or about July 25, 2019, the Debtors presented NUHW with an amended §§ 1113/1114 proposal and, along with SGM, began the process of negotiating changes to terms of the CBA acceptable to SGM and NUHW; and

WHEREAS, beginning on July 25, 2019 and through the Settlement Date, the Debtors, SGM, and NUHW have met and negotiated on several occasions about modifying the CBA and the Debtors and NUHW have otherwise exchanged proposals to resolve the other issues between the Parties.

NOW THEREFORE, the Parties agree as follows:

Terms

1. Effective and conditioned upon the Closing, the CBA shall be modified in the form attached hereto as **Exhibit 1** (the "Modified CBA") under §§ 1113/1114 of the Bankruptcy Code (the "Modification").
2. Effective and conditioned upon the Closing, the Debtors will assume and assign the CBA (as modified under the Modified CBA) to SGM (the "Assumption and Assignment").
3. NUHW agrees to (a) accept i) the Modification, ii) the Assumption and Assignment and iii) the terms of the foregoing (collectively, the "Agreed Outcome") (b) not to oppose, as lawful and as commercially reasonable, motions or plans filed by the Debtors in the Bankruptcy Cases, seeking approval of the Agreed Outcome; provided, however, that nothing in this Agreement is intended to affect A) NUHW rights and remedies against SGM in connection with x) post-Closing operations at SMC, including, but not limited to, interaction with the California AG, and y) adequate assurance of future performance by SGM; and B) the Parties' rights to seek enforcement of the terms of this Agreement from the Bankruptcy Court.
4. Upon Closing, SGM will become solely responsible for performance of all post-Closing obligations arising under the Modified CBA.
5. Upon Closing, the CBA (as modified under the Modified CBA) will be deemed to be automatically assigned to SGM in full.
6. The Debtors: (a) will not have any liability or obligation to perform under the CBA or Modified CBA with respect to post-Closing activity; (b) shall in no way be liable for or otherwise responsible for any "cure" obligations independent of any NUHW claims that may be expressly preserved under this Agreement; and (c) and shall in no way be liable for or otherwise for any nonperformance or violation by SGM or any of its affiliates arising at any time.
7. In further resolution, the following claims shall be allowed and receive the following treatment:
 - a. PTO: each employee who is not offered a job with SGM, including KPC Global Medical Center of San Mateo County, LLC ("GMCSMC"), will be allowed in the Bankruptcy Cases a claim for unused and unpaid PTO calculated under the "accrual method;" meaning PTO earned and yet unpaid or used 1) on or after the Petition Date, will be granted administrative status, 2) between March 4, 2018 to the Petition Date, will be granted priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of

\$12,850 per employee) with any excess granted general unsecured claim status and; 3) prior to March 4, 2018, will be given general unsecured claim status. The administrative and priority claim portions of an allowed PTO claim will be paid with the employee's last paycheck (upon the Closing);

- b. Severance: each employee who is not offered employment by KPC, including GMCSMC no later than the date of Closing, will be allowed a claim for severance calculated under the "accrual method"—meaning severance earned but not yet paid will be calculated on per diem basis from the date of the employee's retention by a Debtor to the earlier of the date of their termination or the Closing—and treated as follows: 1) amounts earned on and after Petition Date through the date of termination or the Closing (whichever is earlier) will receive administrative status; 2) amounts earned after March 4, 2018 and through the day prior to the Petition Date will receive priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee), with any excess granted general unsecured claim status; and 3) amounts earned prior to March 4, 2018 will receive general unsecured claim status. The administrative and priority claim portions will be paid within 30 business days of the Effective Date of a confirmed Bankruptcy Plan (as defined in such plan or confirmation order, and referred to herein as the "Bankruptcy Plan Effective Date"), provided, further, that payment of severance to an employee is contingent on that employee executing a written general release in a form acceptable to NUHW and the Debtors;
- c. Grievance Claims: Any grievance claim of an employee being represented by NUHW that is not settled as of the Bankruptcy Plan Effective Date will be treated in accordance with the Plan or otherwise in accordance with bankruptcy law. The parties agree to work with GMCSMC in the event that the remedy is or includes reinstatement of the employee after the Closing;
- d. Educational Claims. Any allowed unpaid claim for reimbursement of educational expenses of employee represented by NUHW will be calculated under the "accrual method," meaning that such claim will be calculated on *per diem* basis from the date of retention to the earlier of the date of termination or the date of Closing and treated as follows: 1) amounts earned on or after the Petition Date through the date of termination or the Closing (whichever is earlier) earned will receive administrative status; 2) amounts earned after March 4, 2018 and through the day prior to the Petition Date will be granted priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee), with any excess

granted general unsecured claim status; and 3) amounts earned prior to March 4, 2018 will receive general unsecured claim status. The administrative and priority claim portions will be paid within 30 business days of Bankruptcy Plan Effective Date; and

- e. All other prepetition claims, prepetition priority claims and administrative expenses and claims arising from the Petition Date to the Settlement Date not enumerated in subparagraphs a) through d) above are deemed waived; *provided further*, 1) NUHW does not waive the right to assert any unpaid administrative expenses that arise from the Settlement Date to the Closing and the Debtors maintain the right to oppose such administrative expenses; 2) the Debtors maintain the right to seek estimation from the Bankruptcy Court of any claims and administrative expenses for voting or distribution purposes and NUHW maintains the right to oppose such estimation; and 3) the Parties agree that the Bankruptcy Court retains jurisdiction to determine the allowance, priority and treatment of all claims and administrative expenses.
8. With respect to Retiree Health Benefits:
- a. Subject to subparagraph (c), NUHW agrees that the CBA shall be deemed automatically modified to immediately terminate and discontinue the Retiree Health Benefit under § 1114;
 - b. NUHW agrees to further support the termination and discontinuation of the Retiree Health Benefit with respect to all current and former employees, including any relief sought under or in accordance with § 1114; and
 - c. The Debtors will seek approval of a one-time payment to each Retiree equal to the present value of each Retiree's Retiree Health Benefit, in the amount set forth on Exhibit 2.
9. As between NUHW and the Debtors, to the extent there is any conflict between this Agreement and the CBA or the Modified CBA, this Agreement shall control.
10. Any dispute concerning the terms and interpretation of this Agreement shall be resolved by the Bankruptcy Court.
11. NUHW agrees to not oppose any Plan of the Debtors that does not contradict the material terms of this Agreement.

12. Terms of this Agreement shall be null and void in the event that 1) the Sale does not close, or 2) the Sale closes for a purchase price that is materially less than the contracted amount in the APA.
13. The Parties reserve all rights and defenses provided to them under the Bankruptcy Code except as otherwise stated herein.
14. NUHW hereby withdraws any outstanding information requests that relate to this Agreement or the §§ 1113/1114 process.
15. NUHW agrees to not oppose the prompt Closing of the Sale.
16. The effectiveness of this Agreement is subject to the approval of the Bankruptcy Court. Approval of this Agreement will be sought by motion of the Debtors and affirmatively supported by NUHW.
17. The terms of this Agreement supersede any prior agreement(s) between the Parties.
18. Any modification of this Agreement must be in writing and approved by both Parties.
19. By executing below, each Party represents that it has the requisite authority to enter into an implement all terms of this Agreement.

Settlement Agreement

On this 17th day of September, 2019 (the “Settlement Date”), and subject to approval by order of the Bankruptcy Court (as defined below), Verity Health Care System of California, Inc., Seton Medical Center (including the campus known as Seton Medical Center-Coastside), St. Vincent Medical Center, St. Francis Medical Center and their affiliates in chapter 11 bankruptcy (collectively the “Debtors,” and individually a “Debtor”), on the one hand, and the Service Employees International Union - United Healthcare Workers West (“SEIU-UHW”) (collectively, the “Parties”), on the other, and subject to the terms, conditions and approvals set forth herein, agree to the following (the “Agreement”):

Recitals

WHEREAS, on August 31, 2018 (the “Petition Date”), each of the Debtors filed a petition for relief under Chapter 11 of the Bankruptcy Code (the “Bankruptcy Cases”) in the United States Bankruptcy Court for the Central District of California (the “Bankruptcy Court”), and since that date, all Debtors have been operating as debtors in possession;

WHEREAS, the Debtors previously obtained a final order modifying the CBA to reject the terms of the CBA covering O’Connor Hospital and St. Louise Regional Hospital upon closing of the sale [Docket No. 1153] of these assets to Santa Clara County (the “SCC Closing”) in the SCC CBA Order;

WHEREAS, SEIU-UHW and St. Francis Medical Center and St. Vincent Medical Center currently are parties to a Collective Bargaining Agreement effective November 1, 2018 - October 31, 2021 (the “CBA”), which was modified by the *Order Granting Debtors’ Motion Under § 1113 Of The Bankruptcy Code To Modify, Reject And Terminate The Terms Of Service Employee International Union-United Healthcare Workers-West’s Collective Bargaining Agreements With Certain Debtors Upon The Closing Of The Sale Of Hospitals To Santa Clara County* [Docket No. 1577] that, *inter alia*, removed O’Connor Hospital and Saint Louise Regional Hospital as parties thereto (the “SCC CBA Order”);

WHEREAS, on January 17, 2019, the Debtors filed a *Notice Of Motion For The Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement For Stalking Horse Bidder and For Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice To Be Provided To Interested Parties; (4) Scheduling A Court Hearing To Consider Approval of The Sale To The Highest Bidder; and (5) Approving Procedures Related To The Assumption of Certain Executory Contracts and Unexpired Leases; and (II) An Order (A) Authorizing The Sale of Property Free and Clear of All Claims, Liens and Encumbrances; Memorandum of Points and Authorities In Support Thereof* [Docket No.

1279] (the “Remaining Hospitals Sale Motion”), which sought, among other things, to sell the assets of St. Francis Medical Center, a California nonprofit public benefit corporation (“SFMC”), St. Vincent Medical Center, a California nonprofit public benefit corporation (“SVMC”), St. Vincent Dialysis Center, a California nonprofit public benefit corporation, (“SVDC”), Seton Medical Center, a California nonprofit public benefit corporation, including Seton Coastside (“SMC,” and referred to collectively with SFMC, SVMC and SVDC as the “Remaining Hospitals”) under a Stalking Horse Asset Purchase Agreement (the “APA”) between Verity Health Care System of California, Inc., a California nonprofit public benefit corporation (“Verity”), Verity Holdings, LLC, a California limited liability company, SFMC, SVMC, SVDC, and SMC (collectively, the “Sellers”) and Strategic Global Management, Inc., a California Corporation (“SGM”);

WHEREAS, on May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors’ Assets to Strategic Global Management, Inc. Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306];

WHEREAS, under the terms of the APA, SGM agreed to participate in union negotiations related to any specific collective bargaining agreement;

WHEREAS, the Debtors have agreed to use commercially reasonable efforts to initiate discussions with SGM and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. *See* APA § 5.11;

WHEREAS, SGM and the Debtors seek to effectuate the sale (the “Sale”) Closing (used herein as that term is defined in the APA) after the review of the transaction by the Attorney General of California (the “California AG”), by October 14, 2019, or as soon thereafter as possible, consistent with the terms and conditions of the APA;

WHEREAS, upon the Closing, the Debtors will no longer operate or employ anyone at the Remaining Hospitals;

WHEREAS, SEIU-UHW has filed proofs of claim (collectively, along with any and all amendments, the “POCs”) in the Bankruptcy Cases against the Debtors, which have been designated with the following claims numbers: #4725, #5160, #6186 and #6221 (Verity Medical Foundation), #4723 and #5117 (Verity Health System of California, Inc.), #4722 and #5140 (St. Vincent Medical Center), #4719 and #5137 (St. Louise Regional Hospital), #4726 and #5150 (St. Francis Medical Center), #5158 and #4718 (O’Connor Hospital);

WHEREAS, the Debtors have, in good faith, sought to facilitate the modifications to the CBA desired by SGM and to otherwise consensually resolve issues and claims of SEIU-UHW;

WHEREAS, on February 1, 2019, the Debtors sent to SEIU-UHW a proposal under § 1113 to modify the CBA and to resolve other issues;

WHEREAS, on or about July 25, 2019, the Debtors presented SEIU-UHW with an amended § 1113 proposal and, along with SGM, began the process of negotiating changes to terms of the CBA acceptable to SGM and SEIU-UHW; and

WHEREAS, beginning on July 25, 2019 and through the Settlement Date, the Debtors, SGM, and SEIU-UHW have met and negotiated on several occasions about modifying the CBA and the Debtors and SEIU-UHW have otherwise exchanged proposals to resolve the other issues between the Parties.

NOW THEREFORE, the Parties agree as follows:

Terms

1. Effective and conditioned upon the Closing, the CBA shall be modified in the form attached hereto as **Exhibit 1** (the “Modified CBA”) under § 1113 of the Bankruptcy Code (the “Modification”).
2. Effective and conditioned upon the Closing, the Debtors will assume and assign the CBA (as modified under the Modified CBA) to SGM (the “Assumption and Assignment”).
3. SEIU-UHW agrees to (a) accept i) the Modification, ii) the Assumption and Assignment and iii) the terms of the foregoing (collectively, the “Agreed Outcome”) (b) support, as lawful and as commercially reasonable, motions or plans filed by the Debtors in the Bankruptcy Cases, seeking approval of the Agreed Outcome; provided, however, that nothing in this Agreement is intended to affect A) SEIU-UHW rights and remedies against SGM in connection with x) post-Closing operations at SFMC and SVMC, including, but not limited to, interaction with the California AG, and y) adequate assurance of future performance by SGM; and B) the Parties’ rights to seek enforcement of the terms of this Agreement from the Bankruptcy Court.
4. Upon Closing, SGM will become solely responsible for performance of all post-Closing obligations arising under the Modified CBA.

5. Upon Closing, the CBA (as modified under the Modified CBA) will be deemed to be automatically assigned to SGM in full.
6. The Debtors: (a) will not have any liability or obligation to perform under the CBA or Modified CBA with respect to post-Closing activity; (b) shall in no way be liable for or otherwise responsible for any “cure” obligations independent of any SEIU-UHW claims that may be expressly preserved under this Agreement; and (c) and shall in no way be liable for or otherwise for any nonperformance or violation by SGM or any of its affiliates arising at any time.
7. In further resolution, the following claims shall be allowed and receive the following treatment:
 - a. PTO: each employee who is not offered a job with SGM, including Global Medical Center of Downtown Los Angeles, LLC (“GMCDLA”) or Global Medical Center of South Los Angeles County, LLC (“GMCSLA”), will be allowed in the Bankruptcy Cases a claim for unused and unpaid PTO calculated under the “accrual method;” meaning PTO earned and yet unpaid or used 1) on or after the Petition Date, will be granted administrative status, 2) between March 4, 2018 to the Petition Date, will be granted priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee) with any excess granted general unsecured claim status and; 3) prior to March 4, 2018 ,will be given general unsecured claim status. PTO replacement for cancelled hours, required as part of the Full-Guarantee Article 11, shall go back into the PTO bank as of the date used to replace cancellation. The administrative and priority claim portions of an allowed PTO claim will be paid with the employee’ last paycheck (upon the Closing);
 - b. Severance:
 - i) each employee who is not offered employment by SGM, including GMCDLA or GMCSLA, no later than the date of Closing, will be allowed a claim for severance calculated under the “accrual method”—meaning severance earned but not yet paid will be calculated on per diem basis from the date of the employee’s retention by a Debtor to the earlier of the date of their termination or the Closing—and treated as follows: 1) amounts earned on and after Petition Date through the date of termination or the Closing (whichever is earlier) will receive administrative status; 2) amounts earned after March 4, 2018 and through the day prior to the Petition Date will receive priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee), with any excess granted

general unsecured claim status; and 3) amounts earned prior to March 4, 2018 will receive general unsecured claim status. The administrative and priority claim portions will be paid within 30 business days of the Effective Date of a confirmed Bankruptcy Plan (as defined in such plan or confirmation order, and referred to herein as the “Bankruptcy Plan Effective Date”), provided, further, that payment of severance to an employee is contingent on that employee executing a written general release in a form acceptable to SEIU-UHW and the Debtors;

ii) notwithstanding anything to the contrary contained in or caused by the SCC CBA Order, each employee who was not offered employment by SCC by the SCC Closing, will be allowed a claim for severance calculated under the “accrual method”—meaning severance earned but not yet paid will be calculated on per diem basis from the date of the employee’s retention by a Debtor to the earlier of the date of their termination or the SCC Closing—and treated as follows: 1) amounts earned on and after Petition Date through the date of termination or the SCC Closing (whichever is earlier) will receive administrative status; 2) amounts earned after March 4, 2018 and through the day prior to the Petition Date will receive priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee), with any excess granted general unsecured claim status; and 3) amounts earned prior to March 4, 2018 will receive general unsecured claim status. The administrative and priority claim portions will be paid within 30 business days of the Bankruptcy Plan Effective Date, provided, further, that payment of severance to an employee is contingent on that employee executing a written general release in a form acceptable to SEIU-UHW and the Debtors;

- c. Grievance Claims: Any grievance claim of an employee or group of employees being represented by SEIU-UHW that is not settled as of the Bankruptcy Plan Effective Date will be treated in accordance with the Plan or otherwise in accordance with bankruptcy law;
- d. Dmitry Zudzianau is owed a total of \$27,156.99 for previously-issued and uncashed checks for work performed during the period of March 4, 2018 to the Petition Date. Any amount remaining under the §507(a)(4) claim priority cap of \$12,850 for Dmitry Zudzianau will be granted priority claim status with the balance granted general unsecured claim status. These claims will be treated in the same manner as severance claims in paragraph 7(b) above; and

- e. All other prepetition claims, prepetition priority claims and administrative expenses and claims arising from the Petition Date to the Settlement Date not enumerated in subparagraphs a) through d) above are deemed waived; *provided further*, 1) SEIU-UHW does not waive the right to assert any unpaid administrative expenses that arise from the Settlement Date to the Closing and the Debtors maintain the right to oppose such administrative expenses; 2) the Debtors maintain the right to seek estimation from the Bankruptcy Court of any claims and administrative expenses for voting or distribution purposes and SEIU-UHW maintains the right to oppose such estimation; and 3) the Parties agree that the Bankruptcy Court retains jurisdiction to determine the allowance, priority and treatment of all claims and administrative expenses.
8. As between SEIU-UHW and the Debtors, to the extent there is any conflict between this Agreement and the CBA or the Modified CBA, this Agreement shall control.
9. Any dispute concerning the terms and interpretation of this Agreement shall be resolved by the Bankruptcy Court.
10. SEIU-UHW agrees to support any provision of the Plan of the Debtors that deals with the material terms of this Agreement and does not contradict this Agreement.
11. Terms of this Agreement shall be null and void in the event that 1) the Sale does not close, or 2) the Sale closes for a purchase price that is materially less than the contracted amount in the APA.
12. The Parties reserve all rights and defenses provided to them under the Bankruptcy Code except as otherwise stated herein.
13. SEIU-UHW hereby withdraws any outstanding information requests that relate to this Agreement or the § 1113 process.
14. SEIU-UHW agrees to support the prompt Closing of the Sale, including sending to the California AG a copy of the attached hereto as **Exhibit 2**.
15. The effectiveness of this Agreement is subject to the approval of the Bankruptcy Court. Approval of this Agreement will be sought by motion of the Debtors and affirmatively supported by SEIU-UHW.
16. The terms of this Agreement supersede any prior agreement(s) between the Parties.

EXHIBIT 5

Settlement Agreement

On this 19th day of September, 2019 (the "Settlement Date"), and subject to approval by order of the Bankruptcy Court (as defined below), Verity Health Care System of California, Inc., Seton Medical Center (including the campus known as Seton Medical Center-Coastside), St. Vincent Medical Center, St. Francis Medical Center and their affiliates in chapter 11 bankruptcy (collectively the "Debtors," and individually a "Debtor"), on the one hand, and St. Francis Registered Nurses Association, United Nurses Associations of California/Union of Health Care Professionals, NUHHCE AFSCME AFL-CIO (collectively "UNAC"), (collectively, the "Parties"), on the other, and subject to the terms, conditions and approvals set forth herein, agree to the following (the "Agreement"):

Recitals

WHEREAS, UNAC and one or more of the Debtors are parties to a certain *Labor Management Collective Bargaining Agreement* effective from December 29, 2017 to December 29, 2021 (the "CBA");

WHEREAS, on August 31, 2018 (the "Petition Date"), each of the Debtors filed a petition for relief under Chapter 11 of the Bankruptcy Code (the "Bankruptcy Cases") in the United States Bankruptcy Court for the Central District of California (the "Bankruptcy Court"), and since that date, all Debtors have been operating as debtors in possession;

WHEREAS, on January 17, 2019, the Debtors filed a *Notice Of Motion For The Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement For Stalking Horse Bidder and For Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice To Be Provided To Interested Parties; (4) Scheduling A Court Hearing To Consider Approval of The Sale To The Highest Bidder; and (5) Approving Procedures Related To The Assumption of Certain Executory Contracts and Unexpired Leases; and (II) An Order (A) Authorizing The Sale of Property Free and Clear of All Claims, Liens and Encumbrances; Memorandum of Points and Authorities In Support Thereof* [Docket No. 1279] (the "Remaining Hospitals Sale Motion"), which sought, among other things, to sell the assets of St. Francis Medical Center, a California nonprofit public benefit corporation ("SFMC"), St. Vincent Medical Center, a California nonprofit public benefit corporation ("SVMC"), St. Vincent Dialysis Center, a California nonprofit public benefit corporation, ("SVDC"), Seton Medical Center, a California nonprofit public benefit corporation, including Seton Coastside ("SMC," and referred to collectively with SFMC, SVMC and SVDC as the "Remaining Hospitals") under a Stalking Horse Asset Purchase Agreement (the "APA") between Verity Health Care System of California, Inc., a California nonprofit public benefit corporation ("Verity"), Verity Holdings, LLC, a California limited liability company, SFMC, SVMC, SVDC, and SMC (collectively, the "Sellers") and Strategic Global Management, Inc., a California Corporation (along with all affiliates, "SGM");

WHEREAS, on May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Strategic Global Management, Inc. Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306];

WHEREAS, under the terms of the APA, SGM agreed to participate in union negotiations related to any specific collective bargaining agreement;

WHEREAS, the Debtors have agreed to use commercially reasonable efforts to initiate discussions with SGM and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. *See* APA § 5.11;

WHEREAS, SGM and the Debtors seek to effectuate the sale (the "Sale") Closing (used herein as that term is defined in the APA) after the review of the transaction by the Attorney General of California (the "California AG"), by October 14, 2019, or as soon thereafter as possible, consistent with the terms and conditions of the APA;

WHEREAS, upon the Closing, the Debtors will no longer operate or employ anyone at the Remaining Hospitals;

WHEREAS, UNAC has filed proofs of claim (collectively, along with any and all amendments, the "POCs") in the Bankruptcy Cases against the Debtors, which have been designated with the following claims numbers: #5911 (Verity Business Services), #5912 (Verity Medical Foundation), #5913 (Verity Health System of California, Inc.), #5915 (St. Vincent Foundation), #5917 (De Paul Ventures, LLC), #5918 (O'Connor Hospital), #5920 (Verity Holdings, LLC), #5925 (O'Connor Hospital Foundation), #5926 (Seton Medical Center Foundation), #5927 (Saint Louise Regional Hospital Foundation), #5928 (St. Francis Medical Center), #5931 (St. Francis Medical Center of Lynwood Foundation), #5932 (De Paul Ventures - San Jose Dialysis, LLC), #5933 (St. Vincent Medical Center), #5934 (Seton Medical Center), and #5936 (St. Louise Regional Hospital);

WHEREAS, the Debtors have, in good faith, sought to facilitate the modifications to the CBA desired by SGM and to otherwise consensually resolve issues and claims of UNAC;

WHEREAS, on February 1, 2019, the Debtors sent to UNAC a document that the Debtors aver constitutes a proposal under § 1113 to modify the CBA and to resolves other issues; UNAC, however, disputes the proposal constitutes a proper § 1113 proposal;

WHEREAS, on or about July 25, 2019, the Debtors presented UNAC with a § 1113 proposal which the Debtors aver constituted an amendment to the § 1113 proposal it delivered on February 1, 2019 and UNAC avers constitutes the first § 1113 proposal and,

along with SGM, began the process of negotiating changes to terms of the CBA acceptable to SGM and UNAC; and

WHEREAS, beginning on July 25, 2019 and through the Settlement Date, the Debtors, SGM, and UNAC have met and negotiated on several occasions about modifying the CBA and the Debtors and UNAC have otherwise exchanged proposals to resolve the other issues between the Parties.

NOW THEREFORE, the Parties agree as follows:

Terms

1. Effective and conditioned upon the Closing, the CBA shall be modified in the form attached hereto as **Exhibit 1** (the "Modified CBA") under § 1113 of the Bankruptcy Code (the "Modification").
2. Effective and conditioned upon the Closing, the Debtors will assume and assign the CBA (as modified under the Modified CBA) to SGM (the "Assumption and Assignment").
3. UNAC agrees to (a) accept i) the Modification, ii) the Assumption and Assignment and iii) the terms of the foregoing (collectively, the "Agreed Outcome"); (b) not to oppose, as commercially reasonable, motions or plans filed by the Debtors in the Bankruptcy Cases, seeking approval of the Agreed Outcome; provided, however, that nothing in this Agreement is intended to affect A) UNAC rights and remedies against SGM in connection with x) post-Closing operations at SFMC, including, but not limited to, interaction with the California AG, and y) adequate assurance of future performance by SGM; and B) the Parties' rights to seek enforcement of the terms of this Agreement from the Bankruptcy Court.
4. Upon Closing, SGM will become solely responsible for performance of all post-Closing obligations arising under the Modified CBA.
5. Upon Closing, the CBA (as modified under the Modified CBA) will be deemed to be automatically assigned to SGM in full.
6. The Debtors: (a) will not have any liability or obligation to perform under the CBA or Modified CBA with respect to post-Closing activity; (b) shall in no way be liable for or otherwise responsible for any "cure" obligations independent of any UNAC claims that may be expressly preserved under this Agreement; and (c) and shall in no way be liable for or otherwise for any nonperformance or violation by SGM or any of its affiliates arising at any time.

7. In further resolution, the following claims shall be allowed and receive the following treatment:

a. PTO: each employee who is not offered a job with KPC Global Medical Center of South Los Angeles, LLC (“GMCSLA”) will be allowed in the Bankruptcy Cases a claim for unused and unpaid PTO calculated under the “accrual method;” meaning PTO earned and yet unpaid or used 1) on or after the Petition Date, will be granted administrative status, 2) between March 4, 2018 to the Petition Date, will be granted priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee) with any excess granted general unsecured claim status and; 3) prior to March 4, 2018 ,will be given general unsecured claim status. The administrative and priority claim portions of an allowed PTO claim will be paid with the employee’ last paycheck (upon the Closing);

b. Severance: each employee who is not offered employment by GMCSLA no later than the date of Closing, will be allowed a claim for severance calculated under the “accrual method”—meaning severance earned but not yet paid will be calculated on per diem basis from the date of the employee’s retention by a Debtor to the earlier of the date of their termination or the Closing—and treated as follows: 1) amounts earned on and after Petition Date through the date of termination or the Closing (whichever is earlier) will receive administrative status; 2) amounts earned after March 4, 2018 and through the day prior to the Petition Date will receive priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee), with any excess granted general unsecured claim status; and 3) amounts earned prior to March 4, 2018 will receive general unsecured claim status. The administrative and priority claim portions will be paid within 30 business days of the Effective Date of a confirmed Bankruptcy Plan (as defined in such plan or confirmation order, and referred to herein as the “Bankruptcy Plan Effective Date”), provided, further, that payment of severance to an employee is contingent on that employee executing a written general release in a form acceptable to UNAC and the Debtors;

c. Grievance Claims: Any grievance claim of an employee being represented by UNAC that is not settled as of the Bankruptcy Plan Effective Date will be treated in accordance with the Plan or otherwise in accordance with bankruptcy law. The parties agree to work with GMCSLA in the event that the remedy is or includes reinstatement of the employee after the Closing;

d. Educational Claims. Any allowed unpaid claim for reimbursement of educational expenses of employee represented by UNAC will be calculated under the “accrual method,” meaning that such claim will be calculated on *per diem* basis from the date of retention to the earlier of the date of termination or the date of Closing and treated as follows: 1) amounts earned on or after the Petition Date

through the date of termination or the Closing (whichever is earlier) earned will receive administrative status; 2) amounts earned after March 4, 2018 and through the day prior to the Petition Date will be granted priority claim status up to any remaining balance under § 507(a)(4) (up to a maximum of \$12,850 per employee), with any excess granted general unsecured claim status; and 3) amounts earned prior to March 4, 2018 will receive general unsecured claim status. The administrative and priority claim portions will be paid within 30 business days of Bankruptcy Plan Effective Date; and

e. All other prepetition claims, prepetition priority claims and administrative expenses and claims arising from the Petition Date to the Settlement Date not enumerated in subparagraphs a) through d) above are deemed waived; *provided further*, 1) UNAC does not waive the right to assert any unpaid administrative expenses that arise from the Settlement Date to the Closing and the Debtors maintain the right to oppose such administrative expenses; 2) the Debtors maintain the right to seek estimation from the Bankruptcy Court of any claims and administrative expenses for voting or distribution purposes and UNAC maintains the right to oppose such estimation; and 3) the Parties agree that the Bankruptcy Court retains jurisdiction to determine the allowance, priority and treatment of all claims and administrative expenses (post-arbitral or otherwise); and 4) with respect to wages, health care flexible spending accounts, mileage or other non-pension, non-severance and non-educational claims, the Debtors will, prior to the Closing, represent and warrant that all such claims will receive treatment in the same manner as for Severance pursuant to Section 7(b), *supra*. For the avoidance of doubt, the Debtors' health care plans and programs related to UNAC-represented employees will be terminated effective upon the Closing.

8. As between UNAC and the Debtors, to the extent there is any conflict between this Agreement and the CBA or the Modified CBA, this Agreement shall control.
9. Any dispute concerning the terms and interpretation of this Agreement shall be resolved by the Bankruptcy Court.
10. UNAC agrees to not oppose any Plan of the Debtors that does not contradict the material terms of this Agreement.
11. Terms of this Agreement shall be null and void in the event that 1) the Sale does not close, or 2) the Sale closes for a purchase price that is materially less than the contracted amount in the APA.
12. The Parties reserve all rights and defenses provided to them under the Bankruptcy Code except as otherwise stated herein.

13. UNAC hereby withdraws any outstanding information requests that relate to this Agreement or the § 1113 process.
14. UNAC agrees to not oppose the prompt Closing of the Sale.
15. The effectiveness of this Agreement is subject to the approval of the Bankruptcy Court. Approval of this Agreement will be sought by motion of the Debtors and affirmatively supported by UNAC.
16. The terms of this Agreement supersede any prior agreement(s) between the Parties.
17. Any modification of this Agreement must be in writing and approved by both Parties.
18. By executing below, each Party represents that it has the requisite authority to enter into an implement all terms of this Agreement.

EXHIBIT A

***July 17, 2010 Company-USW & USW Local 3059-01
Memorandum of Understanding ("MOA")***

**Between
ALLIANCE TUBULAR PRODUCTS CO.
(Alliance, OH Plant)
And
UNITED STEEL, PAPER AND FORESTRY, RUBBER, MANUFACTURING, ENERGY,
ALLIED, INDUSTRIAL AND SERVICE WORKERS INTERNATIONAL UNION, AFL-
CIO, CLC On Behalf of Its Local 3059-01**

Alliance Tubular Products, Co. ("Company") and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO CLC, on behalf of itself and its Local Union No. 3059-01 (collectively called "Union" or "USW"), hereby agree to a new four (4) year Company-Union labor agreement which shall expire at 12:01 am on July 28, 2014, with the new labor agreement to become effective conditioned upon and on the date of the closing of the sale referred to in Paragraph 16 below. This new labor agreement will be identical to the current labor agreement, dated and effective November 28, 2007, except for appropriate changes in dates and the changes set forth below:

1. **SECTION I -- Paragraph 3.** Amend existing language as follows to replace "the chauffeur" with "janitors" as a bargaining unit exclusion, but permit the three displaced janitors six months to successfully bid into other jobs and shifts, take a modified bump, or be placed in the labor gang after the time frame listed above has expired, whichever is applicable, and consistent with the November 28, 2007 labor agreement, and they will receive the greater of the hourly rates of those jobs.

3. The term "employee" as used in this Agreement will include all production and maintenance employees employed at the Company's Alliance, Ohio Plant, excluding clerical employees, timekeepers, guards, janitors, and nurses, and all supervisory employees at or above the rank of foreman.

2. **SECTION IV – Wages – and Appendix A.** Amend existing Section IV base tables and Appendix A tables to reduce, across-the-board, all current and new employee straight time hourly wages by five percent (5%). In addition to any scheduled wage increases, the Company will restore those wage cuts, as rounded off to the nearest whole cent, as follows, during the new labor agreement:

<u>Effective Date</u>	<u>Percent Restored</u>
1st Anniversary of Effective Date of this MOA	Two Point Five Percent (2.5%)

2nd Anniversary of Two Point Five Percent (2.5%)
Effective Date of this MOA

3. **SECTION XIII -- Vacations -- Paragraph 1.** Amend existing language as follows to require an employee to work at least one (1) day in a calendar year to be eligible for vacation in that year, to lower the percentage of pay periods for eligibility from fifty percent (50%) to thirty percent (30%), and to permit an employee who fails to receive earnings in thirty percent (30%) of the pay periods to receive up to one (1) week of vacation if such employee would otherwise be entitled to that amount by seniority:

1. *Eligibility.* To be eligible for a vacation in any calendar year during the term of this Agreement, the employee must:

- a. Have one (1) year or more of continuous service;
- b. Work in that calendar year;
- c. Have received earnings in at least thirty percent (30%) of the pay periods in the preceding calendar year; except that, in the case of an employee who completes one (1) year of continuous service in the current calendar year, s/he will have received earnings in at least thirty percent (30%) of the pay periods during the twelve (12) months following the date of his or her original employment; and, further, except that an employee who received earnings in less than thirty percent (30%) of the pay periods during such twelve (12) month period will receive one (1) week of vacation so long as s/he is entitled to at least one (1) week according to his or her Plant seniority record, and provided, in determining vacation eligibility under this paragraph an employee who incurred a compensable disability in the preceding calendar year and did not receive earnings in one or more pay periods in that year because of such disability, will have the number of such pay periods included with the number of pay periods in which s/he received earnings for the year in which such disability occurred. The continuous service record of each employee will be governed by his or her Plant seniority record; and
- d. Once an employee has become eligible for vacation benefits, the employee will not subsequently lose the right to vacation pay by reason of the employee's death, resignation, discharge, break in service, or termination of this Agreement.

4. **SECTION XIV -- Seniority -- New Paragraph 6.** Add the following language as new Paragraph 6 to increase Company flexibility to make needed temporary transfers and renumber the remaining paragraphs of this Section, including renumbering any internal references within those renumbered paragraphs for accuracy:

6. The Union recognizes the Company's need to maintain uninterrupted production, therefore, in the event of an emergency or unforeseen daily absence, the Company will attempt to fill the vacancy through APPENDIX B, TEMPORARY ASSIGNMENT language first contained in the November 28, 2007 labor agreement. If, after exhausting the language listed above, the vacancy cannot be filled, the Company may fill the vacancy by using the most junior qualified employee from that shift.

5. **SECTION XXIII – Severance Allowance – Side Letter Agreement.** Retain existing Section XXIII, Severance Allowance. The Company and Union will execute a side letter which provides that there will be no claim for severance pay in connection with a transaction in which the Company satisfies its obligations under Appendix P, Successorship.

6. **SECTION XXVII – Complete Agreement – New Section XXVII.** Add the following language as new Section XXVII – Complete Agreement and renumber remaining sections:

1. This Agreement shall be considered a new labor agreement between the Company and the Union with respect to the wages, hours, and working conditions of all employees.

2. No modification of this Agreement will be effective unless signed by authorized officials of the Company and Union.

7. **SECTION XXVI – Termination Date.** Replace “October 2, 2011” with the new expiration date of “July 28, 2014.”

8. **Insurance and Pension Benefits Appendix-- New Appendix AA – Welfare Benefits Plans.** Pre-October 1, 2007 employees will, so long as they remain in the insurance plan in effect on January 1, 2010, pay monthly the following amounts:

Single:	\$120
Employee +1:	\$130
Employee +2	\$140
Employee +3	\$150

In addition, based upon proof of alternative coverage, any such employee may opt out of this existing Company-provided plan, and any employee who does will receive, in exchange, ten percent (10%) of the then prevailing individual coverage COBRA group insurance rate from the Company.

9. **Insurance and Benefit Appendix – Pensions & 401(k) Plan – New Appendix BB – 401(k) Plans.** Replace the “Pensions” and “Voluntary 401(k) plan” portions of the unlettered appendix to the existing Alliance labor agreement with the attached new Appendix BB containing 401(k) plans for existing employees and future hires, with the understanding and agreement that the Union will not oppose the termination of the existing pension plan, and,

further, that the specified 401(k) plans will be the sole and exclusive retirement plans provided by the Company to employees after the new labor agreement becomes effective.

10. **Appendices S & X -- TUBE Share Program & New Incentive Program Add-On to Appendix S or X.** Continue existing Appendices S and X, the existing TUBE Share Program following the assumption of the labor agreement described in Paragraph 16 until changed by Company-Union agreement on a replacement plan or an arbitrator's decision on a replacement plan, as stated below. During the first three (3) months following the assumption of the labor agreement described in Paragraph 16, the Company and Union will meet and attempt to reach agreement on a replacement incentive program designed to award incentive earnings equivalent to an average hourly target rate of two dollars (\$2.00) for achieving reasonably based group profitability, productivity, quality, quantity, tonnage, and other reasonable business milestones, to be distributed among actively employed employees in proportion to the hours each employee worked during the incentive time period. During this same three (3) month period, because of the possibility that the parties may fail to reach agreement on a replacement incentive program and the need for an expedited arbitration award to confirm the new program, the Company and Union will select an impartial arbitrator with an industrial engineering background and/or demonstrated experience in plant manufacturing incentive bonus plans and arrange an arbitration hearing for a date as close as practicable to the end of the initial three (3) month period.

Any agreed replacement program will become effective at or before the end of the initial three (3) month period, as the parties agree. If no agreement is reached by the end of those three (3) months, however, the alternate Company and Union versions of the new program will be grieved and appealed immediately to arbitration, as provided elsewhere in this Agreement. Within one (1) week following the arbitration hearing, and no later than two (2) months after the close of the initial three (3) month period, unless otherwise agreed, the previously selected Arbitrator will decide whether the Company or Union plan is the more reasonable, realistic program, on the basis of all relevant facts, by choosing only between the final versions of the two complete programs offered to each other by the Company and Union at or prior to the end of the initial three (3) month period. The Arbitrator's decision will be a simple award, with no written decision, that simply selects one plan over the other, without any modification of the plan selected.

This language will be added to existing Appendix S or X.

11. **APPENDIX P – Memorandum of Understanding Regarding Successorship – New Appendix P.** Replace existing Appendix P with the attached new Appendix P.

12. **New Appendix CC – Patient Protection and Affordable Care Act.** Add the attached new Appendix CC to the new labor agreement.

13. **New Appendix DD.** Add the attached appendix as new Appendix DD to the new labor agreement. In exchange for the payment specified in new Appendix DD, the Company will have no further obligation to provide any existing or future retirees with Company-provided

retiree medical or other insurance coverage (also called "OPEB," short for Other Post-Employment Benefits).

14. **Investment Commitment – New Appendix EE.** Add the attached new Appendix EE to the new labor agreement.

15. **Transferred Employees – Exhibit 1.** The Company will take the actions specified in the attached Exhibit 1, conditioned upon the sale and on the effective date of the sale referred to in Paragraph 16 below.

16. **Labor Agreement Assumption.** This MOA will become effective on the closing of the sale by the Company of its assets to BD PTC Acquisitions, Inc. ("Buyer"), which is an entity created by Black Diamond Capital Management LLC for the purpose of acquiring the Company's assets. The Union, on its own behalf and on behalf of its members, agrees to the assignment by the Company and the assumption of the new labor agreement by the Buyer on the effective date of the acquisition of the Alliance plant assets, with the Buyer to be fully responsible for all obligations arising under the new labor agreement after that date, and with the Company to be fully responsible for any such obligations arising on or prior to that date.

17. **Bankruptcy Court Approval.** The Company has filed a petition pursuant to Chapter 11 of the United States Bankruptcy Code in the U.S. Bankruptcy Court in Wilmington, Delaware at Case No. 09-13395 (CSS). Following ratification of this MOA, as stated below, the Company shall promptly file a motion with the Bankruptcy Court in this matter to approve this MOA and shall furnish the Union with a draft of such motion prior to filing. Further, upon entry of an order approving the MOA, the Company will withdraw, with prejudice, its motion filed under Sections 1113 and 1114 of the Bankruptcy Code, 11 U.S.C. 1113, 1114 with respect to the Alliance employees and retirees and Mid-West retirees.

18. **Grievance Settlements.** Subject to Bankruptcy Court approval of this MOA as addressed in Paragraph 17, with regard to the Drummond and vacation eligibility grievances, the Company will take all necessary steps to make the payments specified here. In the Drummond case, the Company will pay its portion of the Arbitrator's fee/expense statement and the Arbitrator-directed payment to Mr. Drummond. In the vacation eligibility grievances, the settlements will be on a non-precedent setting basis, and payment of denied 2009 and 2010 vacation pay will be made directly to the surviving spouse of the employee who died during 2009 and to employees who failed to receive 2009 and/ or 2010 vacation.

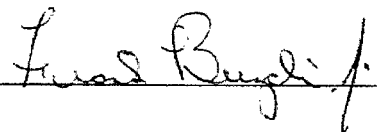

19. **Closing Bonuses.** Provided that this MOA, in its entirety, is ratified by the Local 3059-01 membership on or before July ___, 2010, and it otherwise becomes effective as stated here, a lump sum bonus of two thousand dollars (\$2000.00), less authorized or legally required deductions, will be paid on the payday following the closing of the transaction described in Paragraph 16, and a second lump sum bonus of one thousand dollars (\$1000.00), less authorized or legally required deductions, will be paid on the payday following the first year anniversary of such closing, to every employee accruing seniority as of the closing date for the first bonus and the first year anniversary for the second bonus.

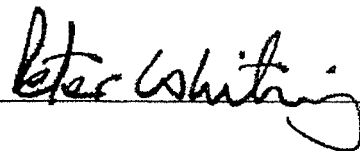

20. **Printing.** The Company will print, as soon as practicable after the Effective Date of this MOA, pocket-sized copies of an amended and restated collective bargaining agreement reflecting the terms and conditions set forth in this MOA.

21. **Other Proposals.** Except for matters agreed upon in this MOA, the Company and Union have withdrawn all other bargaining proposals.

This MOA has been tentatively agreed between the Company and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO, CLC ("International Union"), and its affiliated Local 3059-01, by and through the International and the USW Local 3059-01 bargaining committee officials whose signatures appear below. The International Union and the USW Local 3059-01 bargaining committee have agreed to unanimously recommend ratification of this MOA to the membership of USW Local 3059-01 in connection with the transaction described in paragraph 16 of this MOA. As addressed above, this MOA is subject to and will become effective only after (x) ratification by the Local 3059-01 membership, (y) the closing of the transaction described in Paragraph 16, and (z) entry of an order of the Bankruptcy Court approving this MOA.

APPENDIX P

MEMORANDUM OF UNDERSTANDING REGARDING SUCCESSORSHIP

1. In the case of a sale of the stock of PTC Alliance Corp., PTC Alliance Corp. will ensure that any such buyer is made aware of the contractual obligations of its subsidiary, Alliance Tubular Products Company ("Alliance Tubular"), to continue to honor the labor agreement between Alliance Tubular and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied, Industrial and Service Workers International Union, and its affiliated Local 3059-01 ("Union"), for the remaining lifetime of the Agreement.

2. In the case of an asset sale, the Company agrees that it will not sell, convey, assign or otherwise transfer, using any form of transaction, any Plant or significant part thereof covered by this Agreement (any of the foregoing, a Sale) to any other party (Buyer), unless the following conditions have been satisfied prior to the closing date of the Sale:

- a. the Buyer shall have entered into an agreement with the Union recognizing it as the bargaining representative for the Employees working at the plant(s) to be sold; and the Buyer shall have entered into an agreement with the Union establishing the terms and conditions of employment to be effective as of the closing date of the Sale; or
- b. the Buyer shall have assumed the Agreement.

3. This Section shall not apply to any transactions solely between the Company and any of its affiliates, or to a public offering of registered securities.

APPENDIX AA

WELFARE BENEFITS PLANS

A. *In General*

1. Effective upon signing this Agreement and for the duration of this Agreement, the parties agree on the following Welfare Benefit Plans for the employees under this Agreement. These Welfare Benefit Plans include group health, dental, vision and life insurance coverage as summarized below. The Company will determine the insurance carrier, if any, for the benefits shown below and any carrier changed by the Company will continue to provide these benefits during this Agreement. To the extent an inconsistency arises between language in this Appendix and the underlying insurance contract with regard to claim notification and/or processing procedures only, however, the terms of the applicable insurance contract will prevail.

2. The Company will maintain three Welfare Benefit Plans. All employees shall be entitled to a single monthly credit of \$62.50. Employee contributions for these plans will remain unchanged for the duration of this Agreement.

3. Pre-October 1, 2007 hires shall be eligible to participate in the Welfare Benefit Plan in effect at the Alliance facility as of January 1, 2010. So long as an employee remains in this plan, the employee shall pay the following amounts monthly:

Single:	\$120
Employee +1:	\$130
Employee +2:	\$140
Employee +3:	\$150

4. The Company shall maintain a 90/10 and an 80/20 plan for all Post-October 1, 2007 hires and for those Pre-October 1, 2007 hires who elect to participate in such plan. The election by a Pre-October 1, 2007 hire to participate in the 90/10 plan or 80/20 plan can be made on any enrollment date, however, once such an election is made, that election shall be binding for the duration of this Agreement and the employee may not move back to the plan in existence on January 1, 2010.

5. Except as otherwise required by laws such as the Family and Medical Leave Act of 1993 ("FMLA"), the Company's obligation to pay for the insurance coverage outlined below for employees whose active employment ceases temporarily or permanently (except for a quit, retirement, death, or discharge for cause) will terminate as follows:

YEARS OF SERVICE	INSURANCE END DATE
Less than 2 years	End of calendar month in which employment ends
2 but less than 10 years	End of sixth (6th) calendar month after employment ends
10 or more years	End of twelfth (12th) calendar month after employment ends

In the event of a quit, retirement, death, or discharge for cause, the Company's obligation will cease as of the end of the calendar month in which employment terminates, irrespective of the employee's years of service.

To the extent required by law, however, after the Company's insurance payment obligation terminates, an employee will have the opportunity to continue group insurance coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") by prepaying the portion of the monthly premiums established by the Company consistent with COBRA.

6. During the term of this Agreement, federal and/or state laws may be passed to require the Company to provide certain medical or other related benefits for its employees, benefits that may duplicate or overlap similar benefits to be provided by this Agreement. If this happens, and to the extent these laws do not permit the Company to credit cost and benefits under this Agreement against those required by law, upon providing the Union with documentation of such additional costs to the Union's satisfaction, the Company may reduce the duplicated benefits to be provided by this Agreement without violating this Agreement to avoid any actual, practical, or otherwise unreasonable duplication of cost or benefits.

B. *Benefits*

1. *Sickness & Accident Benefit.*

The Sickness & Accident Weekly Benefit under the Program of Insurance Benefits (PIB) will be \$350 per week for disabilities.

2. *Life Insurance Benefit.*

The Life Insurance provisions will be as follows:

Life insurance coverage for active employees will be \$30,000.

3. Medical Plans.

(a) **Eligibility.** After working 720 hours, any employee will be eligible to participate in the health, dental and vision plans in effect and summarized at the end of this Appendix during this Collective Bargaining Agreement. The employee will have a choice of either Option I or Option II in connection with health and dental benefits.

(b) **Company Contribution.** Any employee who elects to participate in the medical plans will receive a Company contribution of \$62.50 per month towards the cost of their medical benefits.

(4) **Summary of Medical, Dental, and Vision Plans for 90/10 and 80/20 Plans.**

APPENDIX BB

401(k) PLANS

I. 401(k) Plan for Employees Hired Prior to October 1, 2007

A. For employees hired prior to October 1, 2007, instead of a pension plan, the Company will continue its 401(k) Plan with the following elements:

- Payroll deduction
- Multiple investment options
- A contribution level up to the maximum allowed by federal law
- All contributions will be pre-tax
- Quarterly statements showing account levels
- Provisions to allow investment among the funds in 1% increments
- Provisions for changing investment directions, i.e., moving money from one fund to another or changing the direction of future investments

B. For such employees, the Company will contribute \$1.30 per hour for each hour worked during this Agreement. For purposes of this Appendix, "hours worked" shall mean hours worked (including straight time and overtime hours); vacation and holiday hours at the rate of eight (8) hours for each holiday or day of vacation; hours on Union business; and hours, at the rate of eight (8) hours for each day while receiving workers' compensation or sickness & accident benefits based on the number of days absent from work while receiving such benefits.

II. 401(k) Plan for Employees hired on or after October 1, 2007

A. Overview. The Company will make a 401(k) payroll deduction Savings Plan available to all actively employed bargaining unit employees. This will be the sole retirement plan of the Company. The Company does not sponsor a pension plan. The full Plan is contained in the Summary Plan Description Booklet dated January 1, 2007. Plan design, eligibility requirements, form design, vesting provisions, content, investment and all other provisions will be established at the discretion of the Company and be subject to change by the Company. The Plan design established by the Company will continue to contain the following major provisions:

- Payroll deduction
- Multiple investment options
- A contribution level up to the maximum allowed by federal law
- All contributions will be pre-tax

- Quarterly statements showing account levels
- Provisions to allow investment among the funds in 1% increments
- Provisions for changing investment directions, i.e., moving money from one fund to another or changing the direction of future investments

The Company will provide instruction to those employees interested in participating in the 401(k) Savings Plan.

B. Plan Details.

(1) After thirty (30) calendar days of uninterrupted employment, employees will be eligible to participate in the 401(k) Plan, as may be amended by the Company from time to time.

(2) If such employees make elective deferrals of 2% or more to the 401(k) Plan, they will be eligible to receive a matching contribution equal to 25% of the first 6% of their elective deferral amount ("Employer Matching Contributions").

(3) Employer Matching Contributions will be subject to a six-year graded vesting schedule. Your service with Alliance Tubular Products, LLC prior to the Effective Date of this Agreement will not be taken into account for purposes of determining your eligibility for, or the amount of, any contribution under the Plan. However, such prior service will be taken into account for the limited purpose of determining the extent to which you are vested in any Employer Matching Contributions made in regard to elective contributions that you make after the Effective Date of this Agreement. Investment options offered under the 401(k) Plan will be determined from time to time by the Plan Administrator.

III. Company Lump Sum Contributions into 401(k) Plans under I & II

Within sixty (60) days after the closing described in Paragraph 16, the Company will make the contributions specified below into the 401(k) account for each employee accruing seniority under the Agreement as of its effective date. The contributions will be paid in an amount which is the product of fifty dollars (\$50.00) multiplied by the sum of (x) each year of an employee's age and (y) his or her completed years of Company service as of June 30, 2010, with service dating from the later of either his or her hire date with the Company or the date of most recent rehire. For purposes of clarity, the lump sum contribution schedule follows:

Age 54, Service 15	\$3,400
Age 60, Service 30	\$4,500
Age 25, Service 4	\$1,450

In addition to the above-specified lump sum contributions, and within the same time frame as these lump sum contributions, the Company will make a one-time only payment of one million three hundred and seventy-five thousand dollars (\$1,375,000.00), to be allocated on the basis of service as of June 30, 2010 (as reflected above). At the employee's election, an employee's allocation may be contributed into the employees' individual 401(k) accounts or paid directly to them in cash (less any authorized or legally required deductions) in a manner to be determined prior to the effective date of this MOA. Each individual employee's 401(k) account will belong solely and exclusively to him or her and the Company shall have no current or future claim to any monies contributed to an employee's account.

The amount of any and all contributions set forth in this Agreement shall be immediately vested in the employee's account notwithstanding any provisions of the 401(k) plan to the contrary.

APPENDIX CC

PATIENT PROTECTION AND AFFORDABLE CARE ACT

To the extent and in the event that the federal Patient Protection and Affordable Care Act ("PPACA") provides the Company with choices or other options in administering the PPACA--including plan design changes that might offset cost increases to the Company and/or resulting from any modifications to the plan required by PPACA- the Company will negotiate in good faith over any such choices or options prior to their implementation.

If, after bargaining, the Company and Union fail to reach agreement and the Company unilaterally implements changes to its plan, the USW retains the right to grieve and immediately appeal to arbitration the reasonableness of the Company's plan changes.

APPENDIX DD

At Company expense-including the fees and expenses of the legal and other professionals retained in connection with the establishment of the VEBA (Voluntary Employee Beneficiary Association)-- and subject to the approvals and recommendations of its accountants, the Company will establish a jointly administered, tax-qualified VEBA and will provide a total of \$6,000,000 in three (3) lump sums (\$3,000,000 on the establishment of the VEBA, \$1,500,000 on the first anniversary of the closing described in Paragraph 16, and \$1,500,000 on its second anniversary) for OPEB (Other Post-Employment Benefits) for existing and future retirees and their eligible dependants at Alliance and Darlington, including individuals covered by the Monaca and Mid -West closing agreements. Deducted from the initial \$3,000,000 payment will be the Company's cost of providing continuing benefit insurance coverage to retirees and their dependents until the VEBA becomes operational but in no event will such coverage extend beyond December 31, 2010. The VEBA itself will be responsible for all expenses and all its administrative and other costs when and after it becomes operational.

The Union concurs that the Company will have no obligation to pay any amounts toward OPEB or into the VEBA beyond what is specified herein.

The obligations addressed above will become due upon the effective date of each of the Darlington and Alliance Memoranda of Agreement ("MOAs"), but shall be paid upon the establishment of the VEBA. Upon ratification of the MOAs, sub-accounts will be established within the VEBA such that 67.9% of the assets shall be allocated to the Darlington, Monaca and Mid-West existing and future retirees and dependents and 32.1% of the assets shall be allocated to the Alliance existing and future retirees and dependents. All contributions to the VEBA and expenses and administrative costs of the VEBA shall be apportioned between the sub-accounts to reflect this allocation.

In the event that either the Darlington or Alliance bargaining unit fails to ratify the respective MOA, the parties shall agree, based upon reasonable actuarial standards, as to the allocation of contributions to the existing and future retirees and dependents of the ratifying bargaining unit and the retirees and dependents of Monaca and Mid-West. In the event that the parties are unable to agree to such allocation, the matter shall be submitted to binding arbitration on an expedited basis.

Any Alliance employee who retires sixty (60) or more days after the effective date of this MOA shall not participate in the VEBA. An Alliance employee who retires within sixty (60) days of the effective date of this MOA may elect his share of the lump sum distribution of the \$1,375,000.00 under Appendix BB or to participate in the VEBA and the amount he would otherwise have received will be contributed to the Alliance sub-account of the VEBA.

The Company, at its option, can appoint, as its trustee(s), non-employees as trustees and/or one or more corporate trustees such as a bank.

APPENDIX EE

INVESTMENT COMMITMENT

1. During this Agreement, the Company agrees to maintain the competitive status of the Alliance facility, taking into consideration factors affecting the Company and its facility, provided, however, that final decisions on such expenditures will be made in the sole discretion of the Board of Directors.
2. The Union agrees to contribute to the competitiveness of the facilities and work with the Company to maintain the competitive nature of the facilities.

Exhibit 1 – Employee Transition Matters

1. Each current Alliance Tubular Products Co. (called “PTC” for ease of reference) bargaining unit employee accruing continuous service under a collective bargaining agreement as of the Closing Date will thereupon become an employee of Buyer as defined in Paragraph 16 (“Transferred Employee”) regardless of whether s/he is actively at work or absent from work whether due to layoff, disability or any other inactive status recognized under the collective bargaining agreements with PTC, although those absent from work will continue in their respective status under the Buyer/USW CBA until their circumstances change.
2. With respect to any employee of PTC who was discharged prior to the Closing Date and who is actively pursuing a grievance concerning such discharge, Buyer shall, at its option, either (a) employ the dischargee as a Transferred Employee, placing him or her in accordance with the CBA, and taking no further action concerning such discharge; or (b) succeed to the position of PTC concerning such discharge, it being understood that such discharge shall be taken up and resolved pursuant to the grievance and arbitration procedure set forth in the Buyer/USW CBA. Buyer shall advise the USW within 15-days of the Closing Date as to which of the two options it will elect.
3. Buyer shall conduct no pre-hire or other drug testing of Transferred Employees in connection with its acquisition of the assets of PTC.
4. For all purposes under the Buyer/USW CBA, each Transferred Employee will be credited as of the Effective Date with all basic labor agreement service s/he accrued at PTC and its predecessors.
5. Buyer shall assume all liabilities for 2010 vacation, as well as for vacation accrued for 2011. Each vacation day taken by a Transferred Employee prior to the Closing Date shall be counted as a vacation day under the Buyer/USW CBA.
6. Each Transferred Employee absent from work due to disability who is receiving sickness and accident (or similar) benefits will be entitled to receive sickness and accident (or similar) benefits from Buyer for any remaining period of entitlement at the benefit level under the Buyer/USW CBA.
7. Buyer shall assume liabilities for Transferred Employees absent from work as of the Closing Date due to disability who are receiving workers compensation benefits. Upon qualifying under the criteria of the Buyer/USW CBA for return to active employment, the Transferred Employees covered by this paragraph shall be placed in active employment or otherwise in accordance with their seniority.
8. A Transferred Employee on layoff as of the Closing Date shall be subject to recall in accordance with their seniority and applicable provisions of the Buyer/USW CBA.

9. Each Transferred Employee absent from work as of the Closing Date due to Family and Medical Leave, Union leave, military leave, or other form of leave of a type recognized by the Buyer/USW CBA will be entitled to the same treatment from Buyer for the balance of such leave and upon its expiration as provided for under the Buyer/USW CBA.

Chapter 11 Cases

**DECLARATION OF RICHARD G. ADCOCK IN
SUPPORT OF EMERGENCY FIRST-DAY
MOTIONS**

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

1 I, Richard G. Adcock, hereby state and declare as follows:

2 1. I am the Chief Executive Officer of Verity Health System of California, Inc.
3 (“VHS”). I became the Debtors’ Chief Executive Officer effective January 2018. Prior thereto, I
4 served as VHS’s Chief Operating Officer since August 2017.

5 2. I have extensive senior-level experience in the not-for-profit healthcare arena,
6 especially in the areas of healthcare delivery, hospital acute care services, health plan
7 management, product management, acquisitions, integrations, population health management,
8 budgeting, disease management and medical devices. I have meaningful experience in both the
9 technology and healthcare industries in the areas of product development, business development,
10 mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources,
11 and engineering.

12 3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and
13 Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the
14 Dakotas and is dedicated to health and healing. In this role, I was responsible for leading Sanford
15 Health’s growth and innovation, in addition to direct operational oversight of the following
16 related entities: Sanford Research, Sanford Health Plan, Sanford Foundation (a philanthropic
17 fundraising foundation), Sanford Frontiers (a commercial and real estate company), Profile by
18 Sanford (a scientific weight loss program), and Sanford World Clinic (which operates clinics in
19 multiple countries).

20 4. From 2012 to 2017, I served as the President of Sanford Frontiers and was
21 responsible for starting a new entity within Sanford Health focused on innovative ventures. From
22 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for
23 (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all
24 aspects of management, and (ii) Sanford World Clinics operations, including the design, opening
25 and operation of several global clinics. From 2006 to 2008, I served as the Vice President of
26 Sanford Clinic and was responsible for leading strategic, operational and financial aspects within
27 Sanford Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford

1 Children's Specialty Clinic and was responsible for leading the Pediatric Subspecialty Physician
2 program and the clinical practice through all facets of the operation.

3 5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma
4 Master Black Belt at GE Medical Systems, and before that I was the Vice President of Research
5 and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of
6 science in business administration and a masters of business administration in healthcare
7 management.

8 6. On the date hereof (the "Petition Date"), VHS and certain of its subsidiaries
9 (collectively, the "Debtors" or "Verity") filed voluntary petitions for relief under Chapter 11 of
10 Title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy
11 Court for the Central District of California, Los Angeles Division (the "Bankruptcy Court"). I am
12 knowledgeable and familiar with the Debtors' day-to-day operations, business and financial
13 affairs, and the circumstances leading to the commencement of these chapter 11 cases (the
14 "Chapter 11 Cases").

15 7. Except as otherwise indicated herein, this Declaration is based upon my personal
16 knowledge, my review of relevant documents, information provided to me by employees of the
17 Debtors and Integrity Healthcare, LLC ("Integrity") or the Debtors' legal and financial advisors,
18 or my opinion based upon my experience, knowledge, and information concerning the Debtors'
19 operations and the healthcare industry. If called upon to testify, I would testify competently to the
20 facts set forth in this Declaration.

21 8. I make this declaration for the purpose of apprising the Court and parties in
22 interest of the circumstances that compelled the commencement of these Chapter 11 Cases and in
23 support of the First-Day Motions (as defined below).

24 9. To enable the Debtors to minimize the adverse effects of the commencement of
25 these Chapter 11 Cases on their business, the Debtors have requested various types of relief in a
26 number of applications and motions (each a "First Day Motion," and, collectively, the "First Day
27 Motions"). The First-Day Motions seek relief intended to maintain the Debtors' business
28 operations; to preserve value for the Debtors, its stakeholders, and parties in interest; and, most

1 importantly, to protect the health and wellbeing of the patients who are being treated at the
2 Hospitals (defined below) operated by the Debtors and the employees of the Debtors. Each First
3 Day Motion is crucial to the Debtors' reorganization efforts and to the health and wellbeing of the
4 patients. Any capitalized term not expressly defined herein shall have the meaning ascribed to
5 that term in the relevant First-Day Motion.

6 10. Section I provides an overview of the Debtors and these Chapter 11 Cases.
7 Section II describes the Debtors' businesses. Section III describes the circumstances that
8 compelled the commencement of the Chapter 11 Cases. Section IV describes the Debtors'
9 corporate and capital structure. Section V describes the Debtors' sales efforts. Section VI
10 provides a summary of the First-Day Pleadings and factual bases for the relief requested therein.

11 I. OVERVIEW¹

12 11. Debtor VHS, a California nonprofit public benefit corporation, is the sole
13 corporate member of the following five Debtor California nonprofit public benefit corporations
14 that operate six acute care hospitals, O'Connor Hospital, Saint Louise Regional Hospital, St.
15 Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, and Seton Medical
16 Center Coastside (collectively, the "Hospitals") and other facilities in the state of California.
17 Seton Medical Center and Seton Medical Center Coastside operate under one consolidated acute
18 care license.

19 12. VHS, the Hospitals, and their affiliated entities (collectively, "Verity Health
20 System") operate as a nonprofit health care system in the state of California, with approximately
21 1,680 inpatient beds, six active emergency rooms, a trauma center, and a host of medical
22 specialties, including tertiary and quaternary care. The scope of the services provided by the
23 Verity Health System (defined below) is exemplified by the fact that in 2017, the Hospitals
24 provided medical services to over 50,000 inpatients and approximately 480,000 outpatients.

25 13. The VHS affiliated entities, including the Debtors, are as follows:

- 26 • O'Connor Hospital
- 27 • Saint Louise Regional Hospital

4 are currently at approximately 50% occupancy.

5 18. As of August 31, 2018, the Debtors have approximately 7,385 employees, of
6 whom 4,733 are full-time employees. Approximately 74% of these employees are represented by
7 collective bargaining units. Specifically, 72% of the Debtors' Employees – approximately 5,331
8 Employees in total – are represented through California Nurses Associations ("CNA"), Service
9 Employees International Union ("SEIU"), National Union Healthcare Workers ("NUHW") and
10 United Nurses Association of California/Union of Health Care Professionals ("UNAC").

11 19. As part of the mission of Verity Health System to serve the community, VHS
12 provides care to patients even though they may lack adequate insurance or may participate in
13 programs that do not pay full charges.

14 20. All of the Debtors' Hospitals are licensed as general acute care hospitals by the
15 California Department of Public Health, certified to participate in the Medicare and Medicaid
16 programs, and managed by VHS.

17 21. Each of the Debtors are exempt from federal income taxation as an organization
18 described in Section 501(c)(3) of the Internal Revenue Code of 1986, except for Verity Holdings,
19 LCC, DePaul Ventures, LLC, and DePaul Ventures - San Jose Dialysis, LLC.

20 22. St. Francis Medical Center owns real property commonly known as: (i) 3630 E.

II. The Debtors' Businesses

A. The Debtors' Current Business Operations.

28. A description of VHS, each Hospital and its respective subsidiaries and affiliates is described below, all of which are jointly-administered Debtors in these cases.

29. **Verity Health Systems.** As set forth above, VHS is a nonprofit regional healthcare system headquartered in El Segundo, California. VHS was originally established by the Daughters of Charity of St. Vincent de Paul, Province of the West, to support the mission of the Catholic Church through a commitment to the sick and poor. VHS operates six hospitals in California.

30. **Verity Business Services.** VHS operates Verity Business Services ("VBS"), a nonprofit public benefit corporation. VBS provides support services to Verity and its affiliated hospitals including accounting, finance, patient financial services, supply chain management, and purchasing services for the entire health system.

31. **Verity Medical Foundation.** As set forth above, VMF operates clinics and contracts with physicians to provide high quality, compassionate, patient-centered care to

1 individuals and families throughout California. With more than 100 primary care and specialty
2 physicians, VMF offers medical, surgical and related healthcare services for people of all ages at
3 community-based, multi-specialty clinics conveniently located in areas served by the Hospitals.

4 32. **O'Connor Hospital.** O'Connor Hospital is a nonprofit public benefit corporation
5 that operates a 358 licensed-bed, general acute care hospital that serves residents from the greater
6 San Jose area. The hospital has an emergency department with 23 emergency treatment stations.
7 It also has 11 surgical operating rooms and two cardiac catheterization labs. The hospital offers a
8 comprehensive range of healthcare services, including emergency, cardiac, orthopedic, cancer,
9 obstetrics, and sub-acute care services. The hospital is accredited by The Joint Commission.

10 33. **O'Connor Foundation.** O'Connor Foundation was incorporated in 1983 and is
11 governed by a Board of Trustees. Charitable donations and endowments help fund the acquisition
12 of new equipment, the expansion of O'Connor Hospitals' facilities, healthcare services, and
13 community outreach programs. O'Connor Hospital is the sole corporate member of O'Connor
14 Foundation. As of May 31, 2018, O'Connor Hospital Foundation had a balance of \$1,123,644.15
15 in temporarily restricted assets and a balance of approximately \$334,802.20 in permanently
16 restricted assets for the purpose of funding the cardiac catheterization lab capital, wound care
17 services, surgical services, and various other programs.

18 34. **St. Vincent Medical Center.** St. Vincent Medical Center was founded as the first
19 hospital in Los Angeles in 1856. In 1971, a new facility was constructed at the Hospital's current
20 location at 2131 West Third Street, Los Angeles, CA 90057. The hospital has expanded to a 366
21 licensed bed, regional acute care, tertiary referral facility, specializing in cardiac care, cancer
22 care, total joint and spine care, and multi-organ transplant services. The Hospital serves both local
23 residents and residents from Los Angeles, San Bernardino, Riverside, and Orange Counties. As a
24 provider of healthcare services for a high percentage of elderly patients, many of the hospital's
25 services and programs are focused on the treatment of various chronic diseases.

26 35. **St. Vincent Foundation.** St. Vincent Foundation was incorporated in 1989 as a
27 nonprofit public benefit corporation. Charitable donations and endowments raised by St. Vincent
28 Foundation help fund the acquisition of new equipment, the expansion of the Hospital's facilities,

1 healthcare services, and community outreach programs. St. Vincent Foundation raises funds
2 through grants, special events, and individual donors. St. Vincent is governed by a Board of
3 Trustees, and St. Vincent Medical Center is the sole corporate member of the Foundation. St.
4 Vincent, as well as St. Vincent Foundation, holds donor-restricted funds. As of May 31, 2018, St.
5 Vincent Foundation had a balance of approximately \$1,590,149.89 in temporarily restricted assets
6 and a balance of approximately \$136,159 in board designated temporarily restricted assets for the
7 purpose of funding programs such as bone mineral density research, transportation for low-
8 income patients, the organ transplantation program, and oncology research and treatment.

9 36. **St. Vincent Dialysis Center.** St. Vincent Medical Center is the sole corporate
10 member of the St. Vincent Dialysis Center, located on the Hospital's campus. The St. Vincent
11 Dialysis Center provides dialysis services for kidney disease patients, including hemodialysis and
12 isolated ultrafiltration treatments as part of the Hospital's end-stage renal disease program.

13 37. **St. Francis.** St. Francis Medical Center was established in 1945 and gained
14 sponsorship from Daughters of Charity, Province of the West, in 1981. The hospital provides
15 comprehensive healthcare services and operates one of the busiest emergency trauma centers in
16 Los Angeles County. The Hospital serves 1.2 million residents of Southeast Los Angeles, located
17 in the communities of Lynwood, South Gate, Downey, Huntington Park, Bell Gardens,
18 Maywood, and Compton. As a provider of healthcare services for many Medi-Cal and uninsured
19 patients, the hospital receives significant Disproportionate Share Hospital funding. St. Francis
20 operates a 384 licensed bed, general acute care hospital located at 3630 East Imperial Highway in
21 Lynwood, California. The hospital has an emergency department with 46 licensed emergency
22 treatment stations and is designated a Level II Trauma Center. It also has nine surgical operating
23 rooms and three cardiac catheterization labs for inpatient and outpatient cardiac catheterization
24 services. The hospital offers a comprehensive range of services, including emergency and trauma
25 care, neonatal intensive, cardiovascular, oncology, pediatrics, behavioral health, and maternity
26 and child services. In addition to the inpatient programs and services, the Hospital also offers
27 various outpatient services, including ambulatory surgical services, laboratory services, imaging
28 services, infusion therapy, nuclear medicine services, respiratory therapy, and physical therapy.

Other outpatient services are provided at the following clinics: Orthopedics Clinic, Wound Care Clinic, Industrial Clinic, Lynwood Clinic, Downey Clinic , and Huntington Park Clinic. The Hospital is accredited by The Joint Commission.

38. **St. Francis Medical Center Foundation.** St. Francis Medical Center is the sole corporate member of St. Francis Medical Center Foundation. St. Francis Medical Center Foundation was incorporated in 1983 as a nonprofit public benefit corporation and is governed by a volunteer Board of Trustees. Charitable donations and endowments help fund the acquisition of new equipment, the expansion of the Hospital's facilities, healthcare services, and community outreach programs. St. Francis Foundation raises funds through grants, special events, and individual donors. As of May 31, 2018, St. Francis Foundation had a balance of \$656,118.24 in temporarily restricted assets for the purpose of funding programs such as the Children's Counseling Center, nurse education, and the annual Women's Luncheon in support of mammogram equipment. The Foundation also funds Health Benefit Resource Center, Healthy Communities Initiative, and Trauma Recovery.

39. **Seton Medical Center.** Seton Medical Center was originally founded as Mary's Help Hospital by the Daughters of Charity of St. Vincent De Paul in 1893. The original facility was destroyed in the San Francisco Earthquake of 1906, and by 1912, Mary's Help Hospital reopened a new facility in San Francisco. In 1965, the hospital was moved to its current location at 1900 Sullivan Avenue in Daly City. The hospital was renamed Seton Medical Center in 1983, is currently licensed for 357 beds and serves residents from San Francisco and San Mateo areas. Seton Medical Center has an emergency department with 18 licensed treatment stations. It also has 13 surgical operating rooms and three cardiac catheterization labs. Of the Hospital's 83 licensed skilled nursing beds, 39 are in suspense, and the remaining 44 beds are utilized as sub-acute care beds. Additionally, the hospital has 24 licensed acute psychiatric beds which have been placed in suspense. The hospital has a broad spectrum of medical services, including cancer, cardiac, emergency, surgical, rehabilitation, respiratory, orthopedic, and sub-acute care. The hospital is accredited by The Joint Commission. Seton Medical Center and Seton Coastsides share a consolidated license.

(213) 623-9300

1 40. **Seton Coastside.** Seton Coastside was founded as Moss Beach Rehabilitation
2 Hospital in 1970. In 1980, the City of Half Moon Bay acquired ownership of the hospital and
3 signed an agreement for Daughters of Charity to manage operations of the hospital and rename it
4 St. Catherine's Hospital. In 1993, St. Catherine's Hospital became Seton Coastside as it became
5 integrated with Seton Medical Center. Today, Seton Coastside is licensed for 116 skilled nursing
6 beds and five general, acute-care beds. Seton Coastside also operates the only 24-hour "standby"
7 Emergency Department along the 55-mile stretch between Santa Cruz and Daly City. Under a
8 consolidated license, Seton Medical Center and Seton Coastside share the same Board of
9 Directors, executive leadership team, charity care policies, and union collective bargaining
10 agreements.

11 41. **Seton Foundation.** Seton Foundation, governed by a Board of Trustees, raises
12 funds through grants, special events and individual donors. Charitable donations and endowments
13 raised by Seton Foundation help fund the acquisition of new equipment and the expansion of
14 facilities at the Seton Medical Center and Seton Coastside. Seton is the sole corporate member of
15 the Seton Foundation. As of May 31, 2018, Seton Foundation had a balance of \$2,693,778.66
16 million in temporary restricted assets and a balance of \$ 2,717,591 million in permanently
17 restricted assets for the purpose of funding programs such as oncology, the San Francisco Heart
18 & Vascular Institute, and women and delivery services.

19 42. **Saint Louise Hospital.** Saint Louise Hospital opened in 1989 in the Morgan Hill
20 area of Santa Clara County. In December 1999, the Daughters of Charity of St. Vincent de Paul
21 relocated the hospital to Gilroy and renamed it Saint Louise Regional Hospital. Today, the
22 Hospital's 93-bed facility and 24-hour emergency department provide services to the residents of
23 southern Santa Clara County, including Morgan Hill, San Martin, and Gilroy. Saint Louise
24 Regional Hospital operates a 93 licensed bed, general acute care hospital located at 9400 No
25 Name Uno, Gilroy, California 95020. The Hospital has an emergency department with eight
26 licensed emergency treatment stations. The Hospital also has five surgical operating rooms for
27 inpatient and outpatient surgical procedures. Ten of the Hospital's 21 licensed skilled nursing
28

1 beds are in suspense. The Hospital provides comprehensive healthcare services including cancer,
2 emergency, rehabilitation, and surgical care. The Hospital is accredited by The Joint Commission.

3 43. Saint Louise Regional Hospital owns and operates the De Paul Urgent Care
4 Center. The De Paul Urgent Care Center is located in Morgan Hill, and offers patients non-
5 emergency medical services seven days a week. The De Paul Urgent Care Center treats non-life
6 threatening cases, such as minor injuries and lacerations, strep throat, sinus infections, rashes,
7 nausea, vomiting, colds, flu, and fever.

8 44. **Saint Louise Foundation.** Saint Louise Foundation, governed by a Board of
9 Trustees, raises funds through grants, special events, and individual donors. Charitable donations
10 and endowments raised by Saint Louise Foundation help fund the acquisition of new equipment
11 and the expansion of the Hospital's facilities. Saint Louise is the sole corporate member of Saint
12 Louise Foundation. As of May 31, 2018, Saint Louise Regional Hospital Foundation had a
13 balance of approximately \$561,486.86 in temporarily restricted assets.

14 45. **De Paul Ventures, LLC.** De Paul Ventures, LLC is a wholly-owned and operated
15 holding company of Verity that was formed in August 2010 for the purpose of investing in a
16 freestanding surgery center and other healthcare entities.

17 46. **DePaul Ventures - San Jose Dialysis, LLC.** In April, 2013, DePaul Ventures,
18 LLC, formed DePaul Ventures - San Jose Dialysis, LLC ("Dialysis"). Dialysis is a general and
19 limited partner of Priday Dialysis, LLC, a healthcare center specializing in end-stage renal disease
20 treatment. Dialysis shares an interest in Priday Dialysis with Total Renal Care, Inc., which is a
21 subsidiary of DaVita.

22 47. **Verity Holdings, LLC.** As set forth above, Holdings is a direct subsidiary of its
23 sole member VHS and was created in 2016 to hold and finance Verity's interests in six medical
24 office buildings whose tenants are primarily physicians, medical groups, healthcare providers,
25 and certain of the VHS Hospitals. Holdings' real estate portfolio includes over 30 properties,
26 including, but not limited to, apartment buildings, parking lots, and condominiums. Holdings is
27 the borrower on approximately \$66.2 million of non-recourse financing secured by separate deeds
28 of trust and revenue and accounts pledges, including the rents on each medical office building

(collectively “MOB Financing”).

48. **Non-Debtor VHS Entities.** The Debtors’ have an interest in the entities described below that are not filing chapter 11.

49. Marillac Insurance Company, LTD. (“Marillac”), a wholly-owned subsidiary of VHS, was incorporated in the Cayman Islands on December 9, 2003, as an exempted company and was granted an Unrestricted Class “B” Insurer’s License effective December 15, 2003, which it holds subject to the provisions of the Insurance Law of the Cayman Islands. On November 1, 2012, The Insurance Law, 2010 (the “Law”) became effective. Under such law, Class B licenses were changed from “restricted” and “unrestricted,” as they had been described in previous revisions of the law, into three separate classes “(i),” “(ii)” and “(iii).” Insurers writing at least 95% of net premiums with their related business (in this case VHS) fell into Class B(i). The Company was granted a Class B(i) license, effective April 2, 2015. Marillac provides insurance coverage to VHS and its affiliates.

50. St. Vincent De Paul Ethics Corporation does not hold any assets and is a nondebtor entity. St. Francis Medical Center is its sole corporate member.

51. VHoldings MOB, LLC (“VHoldings”) is currently an inactive subsidiary of VHS and has no assets or obligations. It was created as a “special purpose entity” for a proposed financing that did not materialize. As part of the proposed transaction structure, four additional LLCs were established in which, VHoldings was the sole member of each. The four additional LLCs were dissolved on January 23, 2017.

52. De Paul Ventures – San Jose ASC, LLC (“San Jose ASC”), was formed in February 2011, by De Paul Ventures, LLC (which is a filing entity), and owns a 25% interest as a limited partner in a partnership with Physician Surgery Services, dba Advanced Surgery Center, a freestanding surgery center in San Jose. San Jose ASC’s only asset is a sale contract, pursuant to which it receives payments of \$125,000 every other month. Postpetition, San Jose ASC will continue to forward to VHS the \$125,000 received every other month. Once all payments are received, the Debtors will dissolve San Jose.

53. Robert F. Kennedy Medical Center is a nonprofit public benefit corporation that

1 operated a 229-bed general acute care hospital and served residents in Hawthorne, California,
2 until December 31, 2004. Robert F. Kennedy Medical Center Foundation is a nonprofit public
3 benefit corporation that raised funds for the Robert F. Kennedy Medical Center.

4 54. O'Connor Health Center I is a California limited partnership, formed in January
5 1996 ("OCH1"). O'Connor Hospital is a limited partner in OCH1 and the general partner is
6 OCH Forest 1, LP. OCH1 owns certain real property at 455 O'Connor Drive, San Jose,
7 California. Such property is leased by O'Connor Hospital.

8 55. Sports Medical Management, Inc. has no assets or obligations.

9 **B. Integrity's Management of Debtors.**

10 56. As set forth above, Integrity was formed in 2015 to carry out the management
11 services under the Management Agreement, for which Integrity is paid a monthly management
12 fee. Through June 30, 2017, Integrity was wholly owned by BlueMountain. In July 2017,
13 NantWorks, LLC ("NantWorks"), acquired a majority stake in Integrity from BlueMountain.
14 There were no significant changes to the terms of the Restructuring Agreement or the California
15 Attorney General requirements as a result of this transaction.

16 57. On a monthly basis, VHS records management fee expense and makes payments
17 to Integrity associated with the management services received under the Management Agreement.
18 During the initial fiscal year which ended June, 2016, the monthly management fee was
19 determined based on a specified percentage of trailing 12 month operating revenues for VHS.
20 Such management fees are adjusted each succeeding fiscal year based on changes in the
21 consumer price index. VHS defers payment for a portion of management fees based on its days'
22 cash on hand over the most recent 90 day period. All deferred management fees accrue interest at
23 2.82% per annum to the extent such amounts are not paid in the fiscal year that services are
24 received. Such deferred management fees are contingently payable based on the terms of the
25 Management Agreement, which include annual calculations of excess cash on hand.

26 **C. Verity's Employees.**

27 58. As set forth above, altogether, the Debtors employ approximately 7,385 employees
28 (the "Employees") – 6,907 excluding VMF and 478 under VMF. Almost three-quarters of the

1 Debtors' Employees – approximately 5,488 Employees in total – are represented through CNA,
2 SEIU, California Licensed Vocational Nurses' Association, and The International Union of
3 Operating Engineers, Stationary Local No. 39, AFL-CIO.

4 59. For W-2 tax and payroll purposes, the Debtors are divided into eight employers:

5 (a) VHS, which covers the Systems Office and the Philanthropic Foundations,
6 and as of the Petition Date employed approximately 294 employees, of which 289
7 are full-time, 3 are part time and 2 are employed on a per diem basis;

8 (b) Verity Business Services, which as of the Petition Date employed
9 approximately 307 employees, of which 285 are full-time, 11 are part time and 11
10 are per diem;

11 (c) O'Connor Hospital, which as of the Petition Date employed approximately
12 1,370 employees, of which 586 are full-time, 441 are part time and 343 are per
13 diem;

14 (d) Saint Louise Regional Hospital, which as of the Petition Date employed
15 approximately 480 employees, of which 153 are full-time, 159 are part time and
16 168 are per diem;

17 (e) St. Francis Medical Center, which as of the Petition Date employed
18 approximately 2,017 employees, of which 1,583 are full-time, 136 are part time
19 and 298 are per diem;

20 (f) St. Vincent Medical Center, which as of the Petition Date employed
21 approximately 1,099 employees, of which 897 are full-time, 42 are part time and
22 160 are per diem;

23 (g) Seton Medical Center, which includes Seton Medical Center Coastsides, and
24 as of the Petition Date employed approximately 1,340 employees, of which 516
25 are full-time, 551 are part time and 273 are per diem; and

26 (h) VMF, which as of the Petition Date employed approximately 478
27 employees, of which 424 are full-time, 15 are part-time and 39 are per diem.

28 60. The Debtors' Employees are represented by the following unions with the
respective contractual obligations: (i) SEIU-UHW (Non-Nursing Service Employees) at St. Francis
Medical Center, St. Vincent Medical Center, O'Connor Medical Center, Saint Louise Regional
Hospital; (ii) SEIU-UHW (Non-Nursing Service Employees) at Verity Medical Foundation; (iii)
NUHW (Non-Nursing Service Employees) at Verity Medical Foundation; (iv) NUHW (Non-Nursing
Service Employees) at Seton Medical Center, Seton Medical Center Coastsides; (v) CAN (Nurses) St.

Vincent, O'Connor, St. Louise, Seton, Seton Coastsides; (vi) UNAC (Nurses) at St. Francis; (vii) CLVNA (Licensed Vocational Nurses) (O'Connor); (viii) Local 20 (Clinical Laboratory Scientists) O'Connor, St. Louise, Seton; (ix) Local 39 (Stationary and Bio-medical Engineers) and O'Connor, St. Louise, Seton.

D. Pension and Other Postretirement Benefit Plans.

61. VHS maintains two single employer defined benefit pension plans and participates in two multi-employer defined benefit pension plans. The defined benefit pension plans have been frozen for all employees, except members of the CNA at certain facilities. Defined benefit pension plan benefits are generally based on age, years of service, and employee compensation. In addition, VHS and VMF maintain several defined contribution retirement plans for employees.

62. The significant multiemployer defined benefit pension plan is the Retirement Plan for Hospital Employees ("RPHE"). The VHS entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastsides, O'Connor Hospital, Saint Louise Regional Hospital, and Verity Business Services. The RPHE is frozen as to these facilities, other than with respect to CNA members at O'Connor Hospital, Saint Louise Regional Hospital and Seton Medical Center. Benefits under the RPHE are generally based on years of service and employee compensation. Contributions to the RPHE are based on actuarially determined amounts by the RPHE Board of Trustees to meet benefits to be paid to plan participants and satisfy IRS funding requirements. VHS recorded benefit expenses of approximately \$20.46 million and \$17.22 million in cash contributions to the RPHE for the fiscal years ended June 30, 2017 and 2016, respectively. The VHS contributions accounted for approximately 43% and 40% of total contributions made to the RPHE for the fiscal years ending June 30, 2017 and 2016, respectively. Of the estimated remaining \$4.79 million for 2018 and expected \$12.68 million for 2019, VHS contributions to RPHE, approximately \$3.15 million and \$7.63 million, respectively, is for make-up of underfunded amounts that arose prior to VHS' acquisition from the Daughters of Charity Health System ("DCHS"). As of July 31, 2018, there were no unpaid contribution installment obligations owed by VHS to the RPHE.

63. In addition to the RPHE, Verity assumed in the Daughters of Charity restructuring

1 certain obligations under a multiemployer plan commonly referred to as Stationary Engineers
2 Local 39 Pension Plan (the “Local 39 Plan”). As of July 31, 2018, there were no unpaid
3 contributions due on the Local 39 Plan.

4 64. VHS maintains two single-employer defined benefit pension plans (the “Verity A
5 & B Plans”). VHS personnel at St. Francis Medical Center, St. Vincent Medical Center,
6 O’Connor Hospital, Saint Louise Regional Hospital, and the VHS system office are eligible to
7 participate in these plans. However, only CNA members continue to earn new benefits under the
8 Verity Plan A; the Verity Plan B is completely frozen with no ongoing benefit accruals. VHS
9 contributed approximately \$41.68 million and \$9.92 million during the fiscal years ended June
10 30, 2017 and 2016, respectively. Of the estimated remaining \$10.12 million for 2018 and
11 expected \$35.53 million for 2019 VHS contributions to Verity Plan A, approximately \$8.10
12 million and \$28.05 million, respectively, is for make-up of underfunded amounts that arose prior
13 to VHS’ acquisition from the Daughters of Charity. As of July 31, 2018, there were no unpaid
14 contribution installment obligations owed by VHS to the Verity A & B Plans.

15 65. VHS and VMF also maintain several active defined contribution retirement plans
16 for eligible employees; eligibility for and benefits under the defined contribution retirement plans
17 vary according to facility, union status, and employee classification/hire date. These defined
18 contribution plans include the Verity Health System Supplemental Retirement Plan (TSA), the
19 Verity Health System Supplemental Retirement Plan (401(a)), the Verity Health System
20 Retirement Account (RPA), the Verity Medical Foundation 401(k) Plan, the Verity Medical
21 Foundation Management Bargaining Unit Employees 401(k) Plan for represented employees and
22 the Verity Health System Executive Long-Term Savings Plan (457(b)) Plan for nonrepresented
23 employees. These defined contribution plans are funded from employee and/or employer
24 contributions generally on a payroll by payroll basis. In addition to the above active defined
25 contribution plans, there are several small, frozen ancillary retirement plans. During the fiscal
26 years ended June 30, 2017 and 2016, the employer’s contribution expense for defined
27 contribution plans was approximately \$18.48 million and \$21.75 million respectively. As of July
28 31, 2018, there were no unpaid employer contributions owed on any of these defined contribution

1 plans other than unpaid contributions for current and recent payroll cycles consistent with
2 ordinary administrative practices.

3 66. VHS also maintains an early retiree health insurance program (the Postretirement
4 Healthcare Plan), which provides medical benefits to eligible retirees from early retirement to age
5 65 only. The postretirement health care benefits are determined based on age and years of
6 service. Certain employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical
7 Center, and Seton Medical Center Coastsides are eligible to participate in this plan. The
8 Postretirement Healthcare Plan is an unfunded plan. VHS contributed \$50,000 and \$58,000 to the
9 Postretirement Healthcare Plan during the fiscal years ended June 30

10 **E. Insurance Policies**

11 67. The Debtors maintain various insurance policies issued by several insurance
12 carriers (collectively, the "Insurance Carriers"). Collectively, these policies provide for coverage
13 for, among other things: storage tank liability, commercial property, workers' compensation and
14 employers liability, commercial automobile, helipad liability & non-owned aircraft liability,
15 sexual misconduct and molestation liability, D&O liability, general liability, and professional
16 liability (collectively, the "Insurance Policies").²

17 68. Significant insurance is issued to the Debtors by its captive insurer Marillac. VHS
18 is the sole owner of Marillac. The policies issued by Marillac cover professional and general
19 liability (both at the primary and excess level) and additional excess coverage as to automobile
20 liability, heliport and non-owned aircraft liability, employer's liability and certain other general
21 liability. Marillac also issued a Deductible Liability Protection Policy which provides coverage
22 for the deductible obligations on the Debtors' workers' compensation policy issued by Old
23 Republic Insurance Company ("Old Republic").

24 69. Most of the Debtors' Insurance Policies will expire between September 5, 2018
25 and July 1, 2019. The Debtors have begun negotiating renewals, extensions and/or entries into
26 new insurance policies with respect to the expiring Insurance Policies.

27
28 ² The Insurance Policies include six (6) CA DHS patient Trust Bonds, which have an annual premium in the
aggregate of \$1,100 that was paid in full in December 2017 and will not come due for renewal until December 2018.

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

70. In certain instances, the Debtors pay premiums for their Insurance Policies in full at the beginning of the policy and in other instances in quarterly installments. The total annual premium due for Insurance Policies is approximately \$18,647,036. Of that amount, the Debtors pay \$2,637,071 at the time of inception, and the remaining \$16,009,965 is paid in quarterly installments. As of the Petition Date, there are no outstanding unpaid premiums due. The total amount of annual insurance premiums which will come due postpetition is \$10,043,085.

a. Self-Insured Retentions

71. The Debtors maintain self-insured retentions of \$250,000 per claim under their D&O liability coverage, \$350,000 per claim under their employment practices coverage, \$50,000 per claim under their fiduciary liability coverage, \$100,000 per claim under their crime coverage, and \$50,000 per claim under their sexual misconduct and molestation liability coverage (the “Self-Insured Retentions” or “SIRs”). A SIR is a loss amount that the insured is obligated to pay before the insurer’s coverage obligation is triggered.

72. The Debtors’ Self-Insured Retentions are administered so that the Debtors pay directly for the losses under each policy as they are incurred up to the amounts of the Self-Insured Retentions. Such SIRs due prepetition have been paid. For the last year, no SIR amounts have been due for (a) the D&O liability coverage, (b) the employment practices coverage, (c) the fiduciary liability coverage, and (d) the crime coverage. There have also been no SIR amounts incurred under the sexual misconduct and molestation liability policy last year.

b. Deductibles

73. The Debtors maintain a workers’ compensation insurance policy with Old Republic with a \$500,000 deductible for each claim. Old Republic provides coverage under the policy up to \$1 million for each claim. On average, the monthly invoice amounts for deductibles (including ALAE) incurred under the workers’ compensation policy is between \$400,000 and \$650,000, which are timely paid by Marillac under the Deductible Liability Protection Policy.

74. The deductibles included in the Debtors’ other Insurance Policies are:

- Storage Tank Liability - ACE American Insurance Company (Chubb) - \$5,000 per Storage Tank Incident;

- Storage Tank Liability - Tokio Marine Specialty Insurance Company (Philadelphia) - \$25,000 per Confirmed Release;
- Commercial Property - American Guarantee and Liability Insurance Company (Zurich) - \$100,000 Basic Policy Deductible;
- Commercial Automobile - National Union Fire Insurance Company of Pittsburg, PA (AIG) - \$1,000 Comprehensive, \$1,000 Collision;
- Helipad Liability & Non-Owned Aircraft Liability - StarNet Insurance Company (Berkley Aviation) - \$1,000 Physical Damage per Occurrence; and
- General Liability - Chubb - \$10,000 per Occurrence.

75. The Debtors expect their prepetition deductible obligations, other than those deductibles owed under the workers' compensation policy (which are paid by Marillac, a non-debtor), to be minimal.

c. Letter of Credit

76. The Debtors provide a \$34,087,296 letter of credit to Old Republic as security for all of the Debtors' obligations, as required under their workers' compensation policy. Marillac is the account party on the letter of credit, and the letter of credit is fully secured by Marillac's assets - \$34,087,296 of liquid securities. Pursuant to the Program Agreement Endorsement to the workers' compensation policy, Old Republic may draw upon the letter of credit to reimburse Old Republic for payment of the Debtors' deductible obligations or for payment of other obligations of the Debtors under the workers' compensation policy, if not paid by Marillac. Old Republic may also draw down the \$34,087,296 letter of credit in full upon the Debtors' insolvency or filing of a bankruptcy petition.

77. The Debtors expect that Marillac will continue to honor its policy to insure the Debtors' obligations under the workers' compensation policy, and that Old Republic will not be harmed by the Debtors' chapter 11 filing.

d. Claims Administration Agreements

78. The Debtors have entered into administrative services contracts with Sedgwick Claims Management Services, Inc. ("Sedgwick"), for administration of claims submitted under

1 the Debtors' workers' compensation policy as well as their professional and general liability
2 policy.

3 79. The Debtors pay Sedgwick an annual estimated fee of \$702,000 which is paid in
4 quarterly installments of \$175,000 for services provided by Sedgwick under the Debtor's
5 workers' compensation policy. The actual fees owed to Sedgwick are based on the staffing
6 necessary for Sedgwick to provide claims services and are calculated by taking the actual
7 program salaries, bonuses and temporary expenses multiplied by the salary multiplier. Sedgwick
8 will periodically provide an accounting to determine the actual fees incurred. The Debtors are
9 entitled to a credit if the amount of actual fees owed to Sedgwick are less than the estimated fees
10 paid. On the other hand, Sedgwick bills the Debtors for the additional actual fee owed if the
11 actual fee amount is higher than the estimated fees.

12 80. With respect to administration of their professional and general liability policy, the
13 Debtors pay Sedgwick \$3,545 per claim and suit file, \$1,825 per Potentially Compensable Event
14 ("PCE") where an investigation has been requested, \$275 for a PCE where an investigation has
15 not been requested pursuant to this agreement. Fees are paid monthly as files are assigned to
16 Sedgwick by the Debtors. Debtors also pay Sedgwick a program management fee of \$1,250 each
17 month.

18 **F. Recent Financial Results.**

19 81. As of June 30, 2018, Verity's consolidated unaudited financial statements reflected
20 total assets of approximately \$847 million and total liabilities of approximately \$1,278 billion.

21 **III. The Need For Chapter 11 Relief And The Events Leading To The Commencement**
22 **Of These Chapter 11 Cases**

23 **A. Historical Challenges.**

24 82. The Hospitals and VMF were originally owned and operated by the Daughters of
25 Charity of St. Vincent de Paul, Province of the West (the "Daughters of Charity"), to support the
26 mission of the Catholic Church through a commitment to the sick and poor. The Daughters of
27 Charity began their healthcare mission in California in 1858 with the opening of Los Angeles
28 Infirmary, now known as St. Vincent Medical Center. The Daughters of Charity expanded its

1 hospitals to San Jose in 1889 and San Francisco in 1893. The Daughters of Charity ministered to
2 ill, poverty-stricken individuals for more than 150 years.

3 83. In March 1995, the Daughters of Charity merged with Catholic Healthcare West
4 (“CHW”). In June 2001, the Daughters of Charity Health System (“DCHS”) was formed. In
5 October 2001, the Daughters of Charity withdrew from CHW. In 2002, DCHS commenced
6 operations and was the sole corporate member of the Hospitals, which at that time were
7 California nonprofit religious corporations.

8 84. Between 1995 and 2015, the Daughters of Charity and DCHS struggled to find a
9 solution to continuing operating losses, either through a sale of some or all of the hospitals or a
10 merger with a more financially sound partner. All these efforts failed. During these efforts,
11 however, the health system’s losses continued to mount. In 2005, DCHS issued \$364 million in
12 bonds to refinance existing debt and to fund future capital expenditures. Three years later, in
13 2008, they issued another \$143 million in bonds to refinance existing debt.

14 85. Between 2012 and 2014, DCHS participated in an affiliation with Ascension
15 Health Alliance (“Ascension”) in an effort to create greater operating efficiencies. Ascension is
16 the largest Catholic health system in the world and the largest non-profit health system in the
17 United States with facilities in 23 states and the District of Columbia. The affiliation between
18 DCHS and Ascension failed.

19 86. Despite continuous efforts to improve operations, operating losses continued to
20 plague the health system due to, among other things, mounting labor costs, low reimbursement
21 rates and the ever-changing healthcare landscape. In 2013, DCHS actively solicited offers for
22 O’Connor Hospital, St. Louise Regional Hospital, Seton Medical Center and Seton Medical
23 Center Coastsides. In 2013, to avoid failing debt covenants, the Daughters of Charity Foundation,
24 an organization separate and distinct from DCHS, donated \$130 million to DCHS to allow it to
25 retire the 2008 Bonds in the total amount of \$143.7 million.

26 87. In early 2014, DCHS announced that they were beginning a process to evaluate
27 strategic alternatives for the health system. Throughout 2014, DCHS explored offers to sell their
28 health system and, in October of 2014, they entered into an agreement with Prime Healthcare

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Services and Prime Healthcare Foundation (collectively, “Prime”) to sell the health system. However, to keep the hospitals open, DCHS, needed to borrow another \$125 million to mitigate immediate cash needs during the sale process; in other words, to allow DCHS to continue to operate until the sale could be consummated. Notably, DCHS’ goal in the transaction was to basically maintain the status quo; their guiding principles for the sale included protecting existing pensions, repaying all their bond debt, continuation of all collective bargaining agreements, maintenance of existing contracts for patient services, and obtaining promises for substantial capital expenditures. In early 2015, the California Attorney General consented to the sale to Prime, subject to conditions on that sale that were so onerous that Prime terminated the transaction.

88. In 2015, DCHS again marketed their health system for sale, and, again, focused on offers that maintained the health system as a whole, and assumed all the obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC (“BlueMountain”), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the “BlueMountain Transaction”).

89. In connection with the BlueMountain Transaction, BlueMountain agreed to make a capital infusion of \$100 million to the hospital system, arrange loans for another \$160 million to the health system, and manage operations of the health system, with an option to buy the health system at a future time. In addition, the parties entered into a System Restructuring and Support Agreement (the “Restructuring Agreement”), DCHS’s name was changed to Verity Health System, and Integrity was formed to carry out the management services under a new management agreement.

90. DCHS requested the California Attorney General’s consent to enter into the Restructuring Agreement and the BlueMountain Transaction. According to report prepared by MDS Consulting, an expert consulting firm retained to prepare healthcare impact reports for the AG, DCHS outlined the following reasons why the BlueMountain Transaction was either necessary or desirable:

- The current structure and sponsorship of DHCS was no longer plausible as a result of cash flow projections and dire financial conditions.
- In July and August of 2014, DCHS obtained a short-term financing bridge loan in the amount of \$125 million to mitigate the immediate cash needs for an estimated period of time long enough to allow for the transaction to close. Repayment of the funds was due on December 15, 2015, at which time if the full amount was not repaid, DCHS would be at risk of defaulting on both their 2014 and 2005 Revenue Bonds.
- Without bankruptcy protection or additional financial support, DHCS could not continue hospital operations if there is a default.

91. On December 3, 2015, the California Attorney General approved the BlueMountain Transaction, subject to conditions. The Attorney General conditions were imposed for periods ranging from 5 to 15 years. Generally, the terms of conditions (collectively, the “Conditions”) included: (1) limits on transfers of control; (2) maintenance of specific health services and specific bed counts; (3) required participation in Medicare and Medi-Cal programs; (4) required levels of community benefit programs; (5) required levels of charity care; (6) maintenance of certain county payor contracts; (7) requirements for local governing boards; (8) requirements for medical staff compliance; and (9) an annual attestation of compliance with the AG conditions.

92. Under the Restructuring Agreement, VHS, O’Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center and Seton Medical Center Coastsides, all of whom are members of the Obligated Group (as defined below), were converted from religious corporations to public benefit corporations.

93. Despite BlueMountain’s infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system did not prosper.

94. In July 2017, NantWorks, LLC acquired a controlling stake in Integrity. NantWorks brought in a new CEO, CFO, and COO. NantWorks loaned another \$148 million to the Debtors.

95. Despite the infusion of capital and new management, it became apparent that the problems facing the Verity Health System were too large to solve without a formal court supervised restructuring. Thus, despite VHS’ great efforts to revitalize its Hospitals and improvements in performance and cash flow, the legacy burden of more than a billion dollars of bond debt and unfunded pension liabilities, an inability to renegotiate collective bargaining

1 agreements or payor contracts, the continuing need for significant capital expenditures for seismic
2 obligations and aging infrastructure, and the general headwinds facing the hospital industry, make
3 success impossible. Losses continue to amount to approximately \$175 million annually on a cash
4 flow basis.

5 96. Based on the foregoing, and while VHS has made improvements to the existing
6 system, the Debtors have commenced these chapter 11 cases to protect the original legacy of the
7 Daughters of Charity to the maximum extent possible by retiring debt incurred over the past 18
8 years and freeing the hospital facilities and work force to continue to operate as hospitals under
9 new ownership and leadership without the accumulated crisis of the past. To do that requires the
10 bankruptcy court supervised sale of some or all of the hospitals and related facilities, and the
11 comprehensive resolution of the Debtors financial obligations through a court approved plan of
12 reorganization.

13 97. The goals of the Debtors' restructuring are to maintain the Debtors' business
14 operations; preserve the going-concern value of the Debtors' businesses, its stakeholders, and
15 parties in interest; and, most importantly, to protect the health and wellbeing of the patients who
16 are treated at the Hospitals and the jobs of the Debtors' approximately 7,000 employees.

17 **B. Current Fiscal Crisis.**

18 98. As described above, the fiscal crisis is the confluence of various factors and
19 historical challenges. Below are a few of the most significant and expected funding requirements
20 in the immediate future.

21 **a. *Payor Rates.***

22 99. Verity is paid below market rates through its payor contracts with health plans.
23 Verity's contracts are 20-43% below market. These below market rates would make it difficult
24 for any hospital to break even. Summarized below is illustrative data, highlighting Verity's rates
25 as a percentage of Medicare relative to the market rates.

26 ///

27 ///

Managed Care Rates Expressed as a Percent of Medicare Rates (Combined Inpatient and Outpatient)

	BlueCross			BlueShield			United		
	Verity	Market	% Difference	Verity	Market	% Difference	Verity	Market	% Difference
SFMC	193%	223%	-15%	193%	226%	-17%	198%	237%	-20%
SVMC	139%	206%	-48%	156%	202%	-29%	139%	195%	-40%
OCH	164%	237%	-44%	229%	244%	-6%	151%	242%	-60%
SMC	207%	252%	-22%	235%	254%	-8%	228%	262%	-15%
SLRH	202%	280%	-38%	204%	280%	-37%	159%	289%	-82%
Average			-34%			-20%			-43%

b. Labor Rates.

100. Payroll costs in the last twelve months have increased nearly \$65,000,000 partially related to Verity's union contracts (~5% increases year over year forward).

c. Pension Obligations.

101. Under the Pension Plans (as defined above), there are expected pension funding requirements in the next year of over \$66 million. Only ~\$20M relates to current year costs. In other words, most is funding the underfunded status of the plans.

d. IT Investment.

102. VHS' system requires IT investment in the amount of nearly \$50 million over the next year alone. There is outdated electronic health records and enterprise resource planning (i.e., human resources, supply chain management, inventory management, etc.). Further, VHS needs significant upgrades to its IT assets in order to modernize its Hospitals and remain able to continue providing quality patient care services. For example, VHS needs to (i) immediately replace its outdated local area and wireless networking equipment with modern equipment to enable reliable access by all VHS system users (estimated cost \$15 million over a one-year implementation period), (ii) replace VHS' obsolete clinical systems — including its medical record systems and financial systems — in order to provide up-to-date patient records, improved clinical planning, care management, and better charge control (estimated cost \$220 million over a period of two years), and (iii) replace and upgrade such other information technology hardware and software, including for imaging clinics, that are necessary for operating a full range of healthcare services.

e. Seismic and Energy Requirements.

103. The Verity system requires seismic and energy expenditures of over \$150 million over the next few years. By way of example, there are significant improvements (including demolition of certain buildings) required by 2020 to St. Vincent Medical Center, Seton Medical Center, and O'Connor Medical Center. There are additional improvement required by 2030 to St. Vincent, Seton Medical Center, O'Connor Medical Center, and St. Louise Regional Hospital. These seismic improvement deadlines are part of the conditions imposed by the Attorney General in the BlueMountain Transaction, as well as mandated by the California Office of Statewide Health Planning and Development (OSHPD).

f. Medical Equipment.

104. The Verity system requires over \$100 million in medical equipment expenditures over a period of several years.

C. Working Capital Shortages.

105. The Debtors, like other hospitals serving similar communities, rely on HQAF, DSH and other government support to help bridge the gap between what they get reimbursed by Medicare and Medi-Cal and their cost of providing care. The Hospital Quality Assurance Fee (HQAF), established in 2010, provides funding for supplemental payments to California hospitals that serve Medi-Cal and uninsured patients. The program has been very successful, providing billions of dollars in supplemental payments to California hospitals. The Medicare and Medi-cal programs also provide funding to hospitals that treat indigent patients through the Disproportionate Share Hospital (DSH) programs, under which facilities are able to receive at least partial compensation. Under the Patient Protection and Affordable Care Act of 2010 (ACA, P.L. 111-148, as amended), Congress would have reduced federal DSH allotments beginning in 2014, to account for the decrease in uncompensated care anticipated under health insurance coverage expansion. However, several pieces of legislation have been enacted since 2010 have since delayed the ACA's Medicaid DSH reduction schedule. Unfortunately, both HQAF and DSH have proven difficult to rely on, as payments are reduced and delayed.

106. Relying on the HQAF payments has led to working capital shortages due to delays

1 in approval and receiving less than expected amounts. For example:

- 2 • *14-Month Delay*: QAF 5 FFS (service period 1/1/17 –6/30/19) was not approved until
3 Dec. 2017 and the Debtors did not start receiving payments until the end of Feb. 2018 (14-
month delay);
- 4 • *Potential 24 Month Delay*: QAF 5 HMO is likely not going to be approved until the end
5 of 2018 (potentially a 24-month delay on receiving funds);
- 6 • *Receiving less than Expected*: through the first 4 cycles of QAF 5 FFS, the Debtors have
7 received anywhere from 69.2-93.9% of expected payments.

7 **D. Attorney General Requirements.**

8 107. As set forth above, as part of approving the Restructuring Agreement, the AG
9 placed certain operational restrictions on VHS and each of the Hospitals, which include certain
10 minimum annual requirements for charity care, community benefits, and capital expenditures
11 among other mandates. Taken separately, most of these conditions would not have contributed to
12 the Debtors' failure to thrive. However, the cumulative effect of the conditions was to lock the
13 Debtors into a failing business model, dictating both minute details of business operations, as well
14 as denying the Debtors the ability to repurpose facilities. For example, SMC could better serve
15 the community by operating as a much-needed long-term post-acute care facility, rather than as
16 one of the many acute care hospitals in a saturated service area.

17 108. The AG's conditions also compelled the expenditure of millions of dollars to
18 provide charity care even though the number of uninsured people in California has steadily
19 decreased since passage of the Affordable Care Act. Also, as a result of a shortfall in the fiscal
20 year 2017 charity care requirement for certain hospitals, VHS was required to make an additional
21 contribution to the Retirement Plans of \$7,619,000 in October 2017.

22 109. The AG's conditions denied the Debtor the benefits of the marketplace. For
23 example, the conditions required Verity to enter into contracts with certain entities. Because
24 those entities were well aware of the AG's requirement that Verity contract with them or be in
25 default, Verity had no bargaining power with those entities or payors.

26 **E. Increased Cap Volumes.**

27 110. The Debtors have capitation contracts with health plans. Capitation is a flat
28 periodic payment per enrollee paid to a healthcare provider; it is the sole reimbursement for

1 providing services to a defined population. Under capitation, fixed payments are made to
2 providers regardless of the volume of services rendered, so providers like the Debtors bear the
3 risk that the costs of providing service, including opportunity costs (profits), might exceed the
4 capitation payment. Capitation completely reverses the actions that providers must take to ensure
5 financial success; under capitation, the keys to profitability are to work more efficiently and
6 decrease volume. The Debtors have seen a significant increase in volume from capitated
7 populations and therefore are bearing the loss from that increased volume.

8 **IV. Corporate And Capital Structure**

9 **A. Corporate Structure.**

10 111. As set forth above, VHS is a California nonprofit public benefit corporation and
11 the sole member of O'Connor Hospital, St. Francis Medical Center, St. Vincent Medical Center,
12 Seton Medical Center, Verity Business Services, Verity Medical Foundation, Verity Holdings,
13 LLC, and DePaul Ventures, LLC.

14 112. As set forth above, each Debtor Hospital is the sole member of the Debtor
15 nonprofit public benefit corporation that handles its fundraising and grant-making programs: St.
16 Francis Medical Center Foundation, St. Vincent Foundation, Seton Medical Center Foundation,
17 Saint Louise Regional Hospital Foundation, and O'Connor Hospital Foundation (collectively, the
18 "Philanthropic Foundations").

19 113. St. Vincent Medical Center is the sole Member of St. Vincent Dialysis Center, Inc.

20 114. VHS is the sole member of DePaul Ventures, LLC. DePaul Ventures, LLC, is the
21 sole Member of DePaul Ventures-San Jose ASC, LLC, and of DePaul Ventures-San Jose
22 Dialysis, LLC.

115. The following graphic depicts Verity's prepetition organizational structure:

116. Each Debtor entity has its own management and governance structure. Under the leadership of the Daughters of Charity, each Hospital operated independently except that all employees were under the same pension plans. After the transition of operations and leadership to VHS, there has been a systemizing of operations, so that functions that were being performed at each of the Debtors are being transitioned and performed by VHS and being standardized, such as pharmacy operations, credentialing, IT, case management, etc.

117. As set forth above, VMF offers medical, surgical and related healthcare services for people of all ages at community-based, multi-specialty clinics conveniently located in areas served by Verity hospitals. The following graphic depicts VMF's structure that is comprised of, among other things, professional service agreements with seven medical groups that provide physicians to VMF's clinics:

1 120. Verity Holdings, LLC, De Paul Ventures, LLC, and De Paul - San Jose Dialysis,
2 LLC, are all limited liability companies that do not have Boards of Directors. The sole Member
3 of Verity Holdings, LLC, and De Paul Ventures, LLC, is VHS. The sole member of De Paul
4 Ventures - San Jose Dialysis, LLC, is De Paul Ventures, LLC. I am the President and Eleanor
5 Ramirez and Art Huber were appointed Vice Presidents of Verity Holdings, LLC, on
6 November 17, 2017. I am the managing member for De Paul Ventures, LLC. Dr. Tirso del
7 Junco, Jr., is the managing member for De Paul Ventures - San Jose Dialysis, LLC.

8 **B. Capital Structure.**

9 121. As more fully set forth in the declaration of Anita Chou in support of the Debtors'
10 *Emergency Motion Of Debtors For Interim And Final Orders (A) Authorizing The Debtors To*
11 *Obtain Post Petition Financing (B) Authorizing The Debtors To Use Cash Collateral And (C)*
12 *Granting Adequate Protection To Prepetition Secured Creditors Pursuant To 11 U.S.C. §§ 105,*
13 *363, 364, 1107 And 1108*, VHS, Verity Business Services ("VBS"), the Hospitals, and one
14 operating division are jointly obligated parties on approximately \$461.4 million of outstanding
15 secured debt consisting of: (a) \$259.4 million outstanding tax exempt revenue bonds, Series 2005
16 A, G and H issued by the California Statewide Communities Development Authority (the "2005
17 Bonds"), which loaned the bond proceeds to VHS to provide funds for capital improvements and
18 to refinance certain tax exempt bonds previously issued in 2001 by the DCHS, a religious not-for-
19 profit enterprise and VHS's reorganization predecessor; and (b) \$202 million outstanding tax
20 exempt revenue notes, Series 2015 A, B, C, and D and Series 2017 issued by the California
21 Public Finance Authority, which loaned the proceeds to VHS to provide working capital (the
22 "Working Capital Notes"). Wells Fargo Bank, N.A. ("Wells Fargo") is the Bond Trustee and
23 UMB Bank National Association ("UMB Bank") is the successor Master Trustee and for the
24 prepetition secured 2005 Bonds. U.S. Bank, National Association ("U.S. Bank") is the Note
25 Trustee and also the Collateral Agent for the Working Capital Notes.

26 122. Except for the taxable Series 2015C Working Capital Notes, the 2005 Bonds and
27 the Working Capital notes are all tax exempt, meaning interest on the bonds is not taxable to the
28 holders so long as the issuer maintains its qualified tax exempt status and the proceeds of the

bonds were used for the tax exempt purposes for which they were originally intended. The Series 2005 A Bonds are comprised four term bonds maturing on July 1, 2024, 2030 and 2035 bearing interest at 5.75% (Series 2005A-2024), (Series 2005A-2030), (Series 2005A-2035) and one maturing July 1, 2039 bearing interest at 5.50% (Series 2005A-2039). The Series 2005G term bond matures on July 1, 2022 and bears interest at 5.50%. The Series 2005H- term bond matures on July 1, 2025 and bears interest at 5.75%. The Working Capital Notes mature on June 10, 2019 (Series 2015A, Series 2015B, Series 2015C and Series 2015D) and on December 10, 2020 (Series 2017A, 2017B). Series 2015A and B and Series 2017 and 2017B bear interest at 7.25%, while the Series 2015D carries an 8.75% interest rate and Series 2015C accrues interest at 9.5%.

123. As set forth above, Holdings, a direct subsidiary of its sole member Verity, was created in 2016 to hold and finance Verity's interests in six medical office buildings whose tenants are primarily physician and other practicing medical groups and certain of the Verity Hospitals. Holdings is the borrower on approximately of \$66 million on two series of non-recourse financing secured by separate deeds of trust, revenue and accounts pledges, including lease rents on each medical buildings (collectively "MOB Financing"). The MOB Financings bear interest at a variable interest rate based on equal to One Month LIBOR plus a spread of 5.0% with a floor of 6.23%. The secured lenders for the MOB Financings are affiliates of NantWorks, LLC, which is an affiliate of Integrity.

124. During May 2017, the California Statewide Communities Development Authority issued \$20 million of limited obligation tax exempt bonds, pursuant to the CaliforniaFIRST Clean Fund Program in five series all with the same maturity date of September 2, 2047 (the "Clean Fund Bonds") as the conduit issuer for the benefit and obligation of Verity. The purpose of the bond funding was to assist with clean energy construction efforts of the Seaton Medical Center and are secured by Seton Medical Center's voluntary agreement to special tax assessments by Daley City. No other Debtor is liable for repayment of the Clean Fund Bonds. Wilmington Trust National Association ("WTNA") is the Trustee holding the construction funds, and a pre funded capitalized interest fund and is the collateral agent for collection of the special tax assessments for use in paying interest and principal on the Clean Fund Bonds. Interest on the Clean Fund Bonds

1 accrues at 6.4%. The special assessment runs for a period which is the shorter of 30 years or the
2 early full defeasement of the Clean Fund Bonds.

3 125. Also in September 2017, the California Statewide Communities Development
4 Authority issued a single series \$20 million of limited obligation tax exempt bonds pursuant to
5 the CaliforniaFIRST Program for the purpose of assisting with clean energy and seismic
6 improvement construction at Seton Medical Center (“NR2 Petros Bonds”). The NR2 Petros
7 Bonds also mature on September 2, 2047, but carry an interest rate of 6.45%. The NR2 Petros
8 Bonds are also California tax exempt and are secured by a special Daly City tax assessment on
9 Seton Medical Center property. No other Debtor is liable for repayment of the NR2 Petros
10 Bonds. The special assessment runs for a period which is the shorter of 30 years or the early full
11 defeasement of the NR2 Petros Bonds. WTNA is the Trustee holding the seismic improvement
12 funds, as well as a pre-funded interest payment fund.

13 126. NantCapital also provided \$40 million of unsecured debt financing for Verity as
14 reflected in two \$20 million unsecured notes (the “Unsecured Notes”). The Unsecured Notes are
15 balloon notes with interest and principal payable at maturity in 2020 and carry annual
16 compounded interest rates of 7.25%.

17 **C. Unsecured Debt.**

18 127. The Debtors have approximately \$500 million in total unsecured debt, including
19 disputed, unliquidated or contingent claims, which are comprised of claims made by vendors of
20 goods and services, cost report payables, pension obligations, management fees, and incurred but
21 not reported third party claims.

22 **V. Sale Efforts**

23 128. Prior to the Petition Date, the Debtors engaged in substantial efforts to market and
24 sell their assets. In June 2018, the Debtor engaged Cain Brothers, a division of KeyBanc Capital
25 Markets (“Cain”), to identify potential buyers of some or all of the Verity hospitals and related
26 assets and commenced discussions with those potential buyer.

27 129. Cain prepared a Confidential Investment Memorandum (the “CIM”) and organized
28 an online data site to share information with potentially buyers and contacted over 110 strategic

1 and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction
2 regarding the Debtors and has advanced significantly towards achieving sales.

3 130. In August 2018, as a result of its ongoing and broad marketing process, Cain has
4 received 11 Indications of Interest (“IOI”) to date, and expects to receive additional proposals on
5 or near the end of August. Shortly after the Petition Date, the Debtors, in consultation with Cain
6 and its other advisors, anticipate selecting an offer from one or more stalking horse bidder(s) to
7 acquire some or substantially all of the Debtors’ assets through a sale under § 363 of the
8 Bankruptcy Code.

9 **V. First-Day Pleadings**

10 131. The Debtors request that the relief described below in the First-Day Motions be
11 granted, as each request constitutes a critical element in achieving the successful restructuring of
12 the Debtors for the benefit of its patients, creditors and the communities they serve.

13 **A. Administrative Motions.**

14 132. In the *Motion of Debtors for Entry of an Order Directing the Joint Administration*
15 *of their Related Chapter 11 Cases* (the “Joint Administration Motion”), the Debtors request entry
16 of an order directing joint administration of these chapter 11 cases for procedural purposes
17 pursuant to Bankruptcy Rule 1015(b) and that the Court maintain one file and one docket for all
18 of the chapter 11 cases under the lead case, Verity Health System of California, Inc.

19 133. Joint administration of the chapter 11 cases will provide significant administrative
20 efficiencies without harming the substantive rights of any party in interest. Many of the motions,
21 hearings and orders that will be filed in the chapter 11 cases almost certainly will affect each of
22 the Debtors. The entry of an order directing joint administration of the chapter 11 cases will
23 reduce fees and costs by avoiding duplicative filings, objections, notices, and hearings, and will
24 allow all parties in interest to monitor the chapter 11 cases with greater ease and efficiency. The
25 relief requested in the Joint Administration Motion is in the best interests of the Debtors’ estates,
26 their creditors, and all other parties in interest and will enable the Debtors to continue to operate
27 their businesses in chapter 11 with the least disruption.

1 134. In the *Ex Parte Motion For Entry Of Order Extending Time To File Schedules Of*
2 *Assets And Liabilities, Schedules Of Executory Contracts And Unexpired Leases, And Statements*
3 *Of Financial Affairs* (the “Schedules and SOFA Motion”), as set forth in the declaration of Anita
4 M. Chou, the Debtors request entry of an order granting additional time to file their schedules of
5 assets and liabilities, schedules of executory contracts and unexpired leases, and statements of
6 financial affairs. As a consequence of the size and complexity of the Debtors’ business
7 operations, the number of creditors likely to be involved in these chapter 11 cases, the numerous
8 critical operational matters that the Debtors’ management and employees must address, a 30-day
9 extension (without prejudice to further extensions) is necessary and appropriate.

10 135. In the *Debtors’ Emergency Motion (A) Approving the Debtors Filing a*
11 *Consolidated List of Fifty Largest General Unsecured Creditors For All Cases; (B) Approving*
12 *The Debtors Filing A Consolidated Master Mailing Matrix For All Cases; and (C) Permitting the*
13 *Debtors’ Claims And Noticing Agent To Maintain The Master Mailing Matrix*, the Debtors seek
14 entry of an order approving each Debtor having filed in its respective case: a consolidated list of
15 the fifty largest general unsecured creditors for all eighteen Debtors and a consolidated Master
16 Mailing Matrix for all 17 Debtors; and permitting the Debtor’s claims and Noticing Agent
17 (Kurtzman Carson Consultants) to maintain and update the Master Mailing Matrix. There are 17
18 entities that are Debtors in these chapter 11 cases. As of the Petition Date, the Debtors estimate
19 that they have over \$1 billion in liabilities and they have over 20,000-40,000 potential creditors
20 and parties in interest (on a consolidated basis) in these chapter 11 cases. Many of the Debtors’
21 creditors overlap. As such, requiring the Debtors to prepare individual Top 20 Lists of Creditors
22 and individual Mailing Matrixes for each Debtor would be an exceptionally burdensome task and
23 would greatly increase the risk and recurrence of error of information already on computer
24 systems maintained by the Debtors or their agents.

25 **B. Operational Motions Requesting Immediate Relief.**

26 136. The Debtors intend to ask for immediate relief with respect to the following First
27 Day Pleadings and, therefore, will present these motions at the First Day Hearing.
28

a. Emergency Motion Of Debtors For Interim And Final Orders (A) Authorizing The Debtors To Obtain Post Petition Financing (B) Authorizing The Debtors To Use Cash Collateral And (C) Granting Adequate Protection To Prepetition Secured Creditors Pursuant To 11 U.S.C. §§ 105, 363, 364, 1107 And 1108 (the “Cash Collateral/DIP Motion”).

137. By way of the Cash Collateral/DIP Motion, and as set forth in the Declaration of Anita M. Chou (the “Chou Declaration”), Chief Financial Officer of VHS (“Chou Decl.”), in support of the Cash Collateral/DIP Motion, the Debtors move, on an emergency basis, for entry of an interim order (substantially in the form attached as Exhibit “A” to the Chou Declaration, the “Interim Order”) and a final order (the “Final Order” and together with the Interim Order, the “DIP Orders”) (i) (a) authorizing the Debtors to enter into a senior secured, superpriority debtor in possession financing facility with Ally Bank, a subsidiary of Ally Financial, Inc., (the “DIP Lender”), in an (a) interim amount not to exceed \$30,000,000 and only as needed to avoid immediate and irreparable harm, and (b) after a final hearing, amount up to \$185,000,000 (as amended, modified or otherwise in effect from time to time, the “DIP Facility”), substantially on the terms set forth in the Chou Declaration and the Debtors In Possession Facility Agreement, attached as Exhibit “1” to the proposed Interim Order (as amended, supplemented, or otherwise modified and in effect from time to time, the “DIP Facility Agreement,” and together with all other agreements, documents, notes, certificates, and instruments executed and/or delivered with, to or in favor of the DIP Lender, (the “DIP Financing Agreements”), and (b) granting the DIP Liens and the DIP Superpriority Claims (in each case, as defined below); (ii) authorizing the interim use of Cash Collateral (as defined below) on the terms set forth in the Interim Order; (iii) granting “adequate protection” to UMB Bank, N.A., as successor Master Trustee for the Prepetition Secured Revenue Bonds, Series 2005 A, G and H (“2005 Bonds”), U.S. Bank National Association (“U.S. Bank”), as the Collateral Agent and Note Trustee for the Series 2015 A, B, C, and D and the Series 2017 A and B Revenue Notes (collectively, the “Working Capital Notes”) and MOB Financing LLC and MOB Financing II LLC as holders of security interests in Verity Holdings prepetition accounts, including rents arising from the prepetition MOB Financing (described below) in the form of Adequate Protection Payments and Replacement Liens, each as defined in the Chou Decl.; (iv) modifying the automatic stay as imposed by section 362 of the

2 Facility and the DIP Orders; and (v) scheduling an interim hearing to approve the proposed
3 Interim Order and a final hearing with respect to the relief requested herein (the “Final Hearing”).

4 138. Each Debtor has all requisite corporate power and authority to execute and deliver
5 the DIP Financing Agreements to which it is a party and to perform its obligations thereunder.

6 139. Absent granting emergency access to the Debtors’ cash collateral, the Debtors will
7 not be able to make payroll or meet other obligations critical to the maintenance of safe facilities
8 and the delivery of effective acute care services for its patients and staff during the week ending
9 September 7, 2018. Absent emergency access to postpetition financing, the Debtors will lose
10 vendor support for critical postpetition deliveries of goods and services further burdening the
11 Debtors use of cash. Absent entry of an interim order granting the requested relief, the very
12 existence of the Hospitals will be threatened and the ability of the Hospitals to survive as long
13 term going concerns, whether or not owned by the Debtors, will be irreparably harmed.

17 ***Applicable Bank To Pay All Checks And Electronic Payment Requests Made By The Debtors***
Relating To The Foregoing; Memorandum Of Points And Authorities In Support Thereof (the
“Wage Motion”).

18 140. By the Wage Motion, the Debtors move the Court for entry of an order
19 (i) authorizing the Debtors, in their discretion, to (a) pay prepetition employee wages and salaries,
20 and (b) pay and honor employee benefits and other workforce obligations (including remitting
21 withholding obligations, maintaining workers’ compensation and benefits programs, paying
22 related administration obligations, making contributions to retirement plans, and paying
23 reimbursable employee expenses) (collectively, the “Employee Obligations”); and (ii) authorizing
24 and directing the applicable bank to pay all checks and electronic payment requests made by the
25 Debtors relating to the foregoing.

26 141. Wages. The Employees are paid their wages and salaries (the “Wages”)
27 bi-weekly, in arrears, either five or six days after the end of every 14-day pay period, through
28 direct deposit or by check. The Debtors’ average bi-weekly gross payroll is approximately

1 \$25,394,994, which includes approximately \$463,907 for executive payroll, \$3,726,816 for
2 withholding obligations (relating to various taxes, claims and other obligations) and \$208,476 for
3 retirement plan contribution matching. Under a bifurcated, constant pay cycle, Employees were
4 last paid on August 24 and 30, 2018. The next routine payroll dates covering all Employees'
5 accrued and unpaid prepetition Wages are scheduled for September 7, 13 and 14, 2018, and
6 expected to include approximately \$15,353,375 that is attributable to prepetition Wages (the
7 "Requested Prepetition Payroll"), which the Debtors seek authority to pay by the Wage Motion.
8 The Debtors do not believe payments of Wages to any individual Employee will exceed the
9 \$12,850 cap under § 507(a).

10 142. Withholding and Union Obligations. In the ordinary course of their business, the
11 Debtors routinely withhold from the Wages certain amounts that the Debtors are required to
12 transmit to third parties for purposes such as Social Security and Medicare, federal and state or
13 local income taxes, contributions to the Debtors' benefit plans, savings and retirement plan
14 contributions, union claims, garnishment, child support or other similar obligations pursuant to
15 court order or law (collectively, the "Withholding Obligations"). The Debtors owe approximately
16 \$3,726,816 for Withholding Obligations in connection with the Requested Prepetition Payroll,
17 which the Debtors seek authority to pay by the Wage Motion. The Debtors are also required to
18 make certain Union-specific contributions, which are currently accrued and unpaid in the amount
19 of \$85,089 on account of prepetition Wages, which the Debtors seek authority to pay by the Wage
20 Motion.

21 143. Bonuses. Certain Employees are eligible to receive sign-on, retention and
22 incentive bonuses. Payout opportunity is based on Employee position, title and location (i.e.,
23 Hospital or Systems Office). The Debtors do not, by the Wage Motion, seek permission to pay
24 any bonuses to continuing Employees but do seek the authority, in the Debtors' discretion, to pay
25 the Employees for contractually agreed bonuses that accrued within the 180 days prior to the
26 Petition Date when their services with the Debtors are terminated so long as the total of the
27 payments already then made for prepetition Employee Obligations and the bonuses does not
28 exceed the statutory limit for priority claims of \$12,850.

1 144. Reimbursement Obligations. The Debtors customarily reimburse Employees who
2 incur business expenses in the ordinary course of performing their duties on behalf of the
3 Debtors. Such expenses typically include, but are not limited to, business-related travel expenses
4 (including mileage), business meals, relocation allowances, tuition reimbursement, and other
5 items specified in the CBAs. Based on historical experience, the Debtors anticipate that, as of the
6 Petition Date, the Debtors owe an estimated \$30,200 in Reimbursement Obligations to their
7 Employees, which they seek authority to pay by the Wage Motion. The Debtors further seek to
8 continue to pay Reimbursement Obligations incurred postpetition in the ordinary course of the
9 Debtors' business.

10 145. Paid Time Off and Extended Sick Leave. Full-time and part-time Employees
11 become eligible to receive employment benefits beginning the first of the month following 30
12 days of employment (when they become "Eligible Employees"). *Per diem* Employees are not
13 Eligible Employees. The Debtors provide Eligible Employees with Paid Time Off ("PTO") and
14 Extended Sick Leave ("ESL"), which are accrued annually and in increasing rates over successive
15 years. PTO is time off due to vacation, holiday, personal or incidental sick time. ESL kicks in (a)
16 immediately where the Eligible Employee is admitted for surgery, (b) after a 3-day waiting period
17 for a workers' compensation injury, and (c) after a 7-day waiting period if workers'
18 compensation is not implicated. As of the Petition Date, the Debtors are carrying approximately
19 \$36.6 million on their books for 789,942 hours of accrued and unused PTO. Eligible Employees
20 are permitted to cash out their unused PTO on one or two occasions during the year depending on
21 the relevant Hospital or CBA. As of the Petition Date, the Debtors are carrying approximately
22 \$17.5 million on their books for 372,000 hours of accrued and unused ESL. Some CBAs permit
23 Eligible Employees to cash out a portion of their unused ESL at retirement. By the Wage Motion,
24 the Debtors seek authority to honor their existing PTO and ESL policies to the extent it would
25 permit continuing Employees to use their prepetition accrued leave in the ordinary course of
26 business, and going forward. The Debtors are not, by the Wage Motion, seeking permission to
27 cash out any accrued and unused PTO or ESL of continuing Employees but do seek the authority,
28 in the Debtors' discretion, to pay the Employees for unused PTO and/or ESL, as permitted per

1 Hospital policy and relevant CBA terms, that accrued within the 180 days prior to the Petition
2 Date so long as the total of the payments for prepetition Employee Obligations does not exceed
3 the statutory limit for priority claims of \$12,850.

4 146. Health Benefits. The Debtors offer Eligible Employees the opportunity to
5 participate in a number of insurance and benefit programs, including, among other things, medical,
6 dental and vision plans, life insurance, short-term and long-term disability insurance, workers'
7 compensation, retirement plans and other insurance plans and benefits. As of the Petition Date,
8 the Debtors owed (a) approximately \$3,162,816 to Healthnow as third-party administrator on
9 account of accrued and unpaid prepetition claims against the self-insured medical plans; (b)
10 approximately \$48,060 to Cigna and Delta Dental for accrued and unpaid prepetition claims
11 against the self-insured dental plans; (c) approximately \$60,150 to VSP for accrued and unpaid
12 prepetition claims on account of the self-insured vision plans. By the Wage Motion, the Debtors
13 seek authority to pay these prepetition claims. The Debtors believe that they are current on the
14 administration fees and premiums related to the health plans to pay their portion of any premiums
15 or administration fees for the health plans that accrued and remain unpaid as of the Petition Date,
16 and to turn over to Blue Shield of California any amounts sufficient to satisfy the portion of the
17 accrued and unpaid prepetition premiums to be paid by the Employees in connection with the
18 payment of the Wages and Withholding Obligations. By the Wage Motion, the Debtors also seek
19 authority to continue to pay, in their discretion and in the ordinary course of their business, the
20 administration fees, premiums for and claims under the health plans incurred postpetition. The
21 Debtors further seek, by the Wage Motion, to continue to perform any obligations under
22 Continuation Health Coverage (COBRA) in respect to former employees.

23 147. Life, Disability and Workers' Compensation. The Debtors offer Eligible
24 Employees premium-based group life insurance and accidental death and dismemberment
25 insurance ("AD&D") through UNUM; premium based short term ("STD") and long term
26 disability coverage ("LTD") through Cigna; workers' compensation insurance through Old
27 Republic Insurance; and an employee assistance program through Optum. The Debtors are also
28 are obligated to Cigna on account of claims under the Federal Medical Leave Act (FMLA) and

1 California Family Rights Act (CFRA). The Debtors believe that they are current on all the above
2 mentioned insurance policies and claims obligations. To the extent they are not, however, the
3 Debtors seek authority, by the Wage Motion, in their discretion, to pay any accrued and unpaid
4 prepetition premiums and related charges and to continue these benefits postpetition and to
5 deliver the Employees' portion of any accrued and unpaid prepetition premiums to the
6 corresponding administrators.

7 148. Retirement Plans. As described in further detail above, the Debtors offer eligible
8 Employees the opportunity to participate in various retirement plans, including defined benefit
9 plans and defined contribution plans. By the Wage Motion, the Debtors seek authority to pay
10 their matching contributions that accrued and remain unpaid as of the Petition Date for the
11 retirement plans and to deliver the Employee contributions in connection with the payment of
12 Wages and Withholding Obligations described above. The Debtors also seek authority, by the
13 Wage Motion, to continue to pay, in their discretion and in the ordinary course of their business,
14 matching contributions for the retirement plans incurred postpetition.

15 149. Miscellaneous Plans. The Debtors also offer their eligible Employees the
16 opportunity to participate in a "Cafeteria Plan" through Alliant Choice Plus, which includes
17 voluntary critical care insurance, pet insurance, auto and home insurance. The healthcare
18 reimbursement account and dependent care reimbursement account are administered through
19 Healthnow, and long-term care is administered through UNUM. All of these programs are 100%
20 funded by the Employees and are paid for through payroll deductions. By the Wage Motion, the
21 Debtors request authority to continue to honor these programs, in their discretion, and to continue
22 distributing to third-parties the payments for these programs in connection with the payment of
23 Wages and Withholding Obligations as described above, including the distributions of payments
24 that are for prepetition amounts due.

25 150. The Debtors believe that substantially all of its Employees rely exclusively on
26 their compensation to pay their daily living expenses. Also, the Employee Benefit Programs are a
27 critical component of the Employees' total compensation package. It is imperative to the
28 accomplishment of the Debtors' goals in this case that the Debtors minimize any adverse impact

1 of the chapter 11 filing on the Debtors' workforce, patients, operations, and orderly
2 administration of these Cases. Any disruption to payment of the payroll in the ordinary course, or
3 to the continued implementation of employee programs in the Debtors' discretion, would
4 adversely affect the Debtors' goals in this case because such events are likely to cause some
5 employees to terminate their employment with the Debtors, will cause employees to be distracted
6 from their duties to care for the patients, and will hurt employee morale at a particularly sensitive
7 time for all employees. Failure to honor the Employee Obligations could have severe
8 repercussions on the Debtors' ability to preserve its assets and administer its estate, to the
9 detriment of all constituencies. Accordingly, as set forth in the Wage Motion, the Debtors request
10 authority to continue paying the Employees and administering the Employee Benefit Programs
11 and any obligations related to the foregoing (subject to the Budget and any applicable payment
12 caps) in the ordinary course of business.

Intercompany Claims; And (5) Obtain Related Relief; Memorandum Of Points And Authorities
In Support Thereof (the "Cash Management Motion").

17 151. By the Cash Management Motion, the Debtors move the Court for the entry of an
18 order authorizing them, subject to the terms of the DIP Orders and DIP Financing Agreements to:
19 (1) continue to use their cash management system, including the continued maintenance of their
20 existing bank accounts (three of which include passive investing) and business forms; (2)
21 implement changes to their cash management system in the ordinary course of business, including
22 opening new or closing existing bank accounts; (3) continue to perform under and honor
23 intercompany transactions in the ordinary course of business, in their business judgment and at
24 their sole discretion; (4) provide administrative expense priority for postpetition intercompany
25 claims, all as set forth in more detail below; and (5) obtain related relief.

26 152. The Debtors further request, by the Cash Management Motion, that the Court
27 authorize the financial institutions at which the Debtors maintain various bank accounts to (a)
28 continue to maintain, service and administer the Debtors' bank accounts, and (b) debit the bank

1 accounts in the ordinary course of business on account of (i) wire transfers or checks drawn on
2 the bank accounts, or (ii) undisputed service charges owed to the banks for maintenance of the
3 Debtors' cash management system, if any.

4 153. The Debtors currently have 63 accounts (the "Accounts") with five commercial
5 banks and one investment bank (collectively the "Banks"). The Debtors request authority to
6 continue utilizing the Accounts, subject to the terms of the DIP Orders and DIP Financing
7 Agreements. Requiring the Debtors to close certain of the Accounts and open new ones will
8 disrupt the Debtors' cash flow – and, ultimately, impact patient care – because (i) the depositors
9 (some of which are governmental agencies) will not respond quickly to the change and will likely
10 continue to send deposits to the original deposit account, and (ii) the Debtors have certain
11 obligations (including for debt, pension and defined contribution) that they pay exclusively by
12 electronic funds transfer and changes to the payment accounts have the potential of slowing down
13 these crucial payments. Closing the Accounts will also increase the work of the Debtors'
14 accounting personnel, who are already dealing with the many and varied issues related to these
15 Cases. Closing the Accounts and opening new ones under the circumstances described in the
16 corresponding Memorandum of Points and Authorities would needlessly cost the Debtors time
17 and money at a time when they are trying to conserve both, and would result in no discernible
18 benefit to the Debtors' bankruptcy estates.

19 154. The Debtors also request in the Cash Management Motion authority to continue
20 using their business forms without the designation "Debtors in Possession" on them *for a limited*
21 *time*. The Debtors' forms are either electronically printed or can be electronically altered. The
22 Debtors seek the authority of this Court to utilize their electronically generated forms without the
23 "Debtors in Possession" designation until the adjustments to the software can be initiated and
24 existing stock is exhausted.

25 155. Subject to the DIP Orders and DIP Financing Agreements, by the Cash
26 Management Motion, the Debtors request that the Court authorize them to continue using their
27 cash management system in connection with the continued use of Accounts and continued use of
28

1 the Debtors' business forms; in furtherance thereof, the Debtors further request that the Court
2 authorize and direct the Banks to continue honoring the Debtors' transactions.

3 ***d. Emergency Motion Of Debtors For Order (A) Prohibiting Utilities From***
4 ***Altering, Refusing, Or Discontinuing Service And (B) Determining Adequate Assurance Of***
5 ***Payment For Future Utility Services (the "Utilities Motion").***

6 156. By the Utilities Motion, the Debtors move the Court for the entry of an order
7 authorizing them to (i) prohibiting utilities (collectively, the "Utility Companies" and
8 individually, a "Utility Company") from altering, refusing, or discontinuing service without
9 further order of the Court; and (ii) determining adequate assurance of payment for future utility
10 services. The Debtors receive essential utility services from several Utility Companies.
11 Furthermore, the Debtors seek a determination that: (i) a deposit made by the Debtors to each
12 Utility Company in an amount equal to the average monthly invoice for prepetition services
13 provided to the Debtors by such Utility Company (the "Deposit"); (ii) the ability of any Utility
14 Company to obtain an initial hearing on the adequacy of the Deposit; and (iii) the ability of any
15 Utility Company to obtain an expedited hearing regarding further adequate assurance if the
16 Debtors fail to cure a post-petition payment default within twenty (20) days after written notice of
17 such default, constitute adequate assurance of payment for future utility services.

18 157. As life-saving medical service providers, the Debtors are situated in a vulnerable
19 position—without the continual flow of vital services of Utility Companies, the mission of the
20 Debtors' business would unravel, irreparably harming the Debtors and their patients who seek
21 medical care in the hospitals, medical centers, and clinics operated by the Debtors. Thus, I believe
22 that in order to ensure the timely and proper care of the patients and maintain ongoing business
23 operations, it is imperative the Debtors are able to rely on a consistent supply of these services.

24 158. Specifically, uninterrupted electricity, gas, telephone, and similar services are
25 essential to the Debtors' provision of medical services to the Debtors' patients. Any interruption,
26 however brief, to utility services to the Debtors' business will result in a serious disruption of the
27 Debtors' business operations and dramatically affect patient care. Therefore, I believe that it is
28 critical that the Court prohibit the Utility Companies from altering, refusing or discontinuing
service to the Debtors without further order of this Court. The Deposit for each of the Utility

1 Companies, coupled with the streamlined mechanism for requesting further adequate assurance
2 will provide adequate assurance of payment to the Utility Companies as well as safeguard the
3 Debtors' continuing operations.

4 159. The Debtors are current on payment to the Utility Companies. Further, the Debtors
5 have sufficient cash to pay their postpetition utility bills as they come due and have specifically
6 budgeted for such payments in the Debtors' operating budget submitted in connection with the
7 Debtors' Cash Collateral Motion.

8 ***e. Debtors' Emergency Motion For Entry Of An Order Authorizing Debtors To***
9 ***Honor Prepetition Obligations To Critical Vendors (the "Critical Vendors Motion")***.

10 160. By the Critical Vendors Motion, the Debtors move the Court for the entry of an
11 order authorizing, but not directing, the Debtors to continue to pay and/or honor the prepetition
12 claims, up to \$20 million (the "Critical Vendor Cap"), with (i) an interim amount of up to \$5
13 Million, and (ii) an additional amount of up to \$15 Million, of their most critical vendors, in the
14 Debtors' discretion and in the ordinary course of the Debtors' business, pursuant to a carefully-
15 designed Protocol (defined below) overseen by a core, centralized team consisting of senior
16 members of Debtors' management and professional advisors, and subject to the terms and
17 conditions. The Debtors will suffer irreparable harm without the relief requested in Critical
18 Vendors Motion.

19 161. As life-saving medical service providers, the Debtors are situated in a vulnerable
20 position in that their entire mission would immediately unravel, irreparably harming the Debtors
21 and their patients without the continual flow of vital medical services, medical supplies, medical
22 equipment, physicians, nurses, nurse practitioners, physicians assistants, professional technicians
23 such as, imaging technicians, surgical technicians, sterile processing technicians and interim
24 clinical/management staff, coders, admission department staff, as well as non-medical services,
25 information technology support, and/or benefits.

26 162. Additionally, local, state, and federal law places certain compliance requirements
27 on the Debtors. For example, as the operator of hospitals licensed under California state law and
28 certified to participate in the Medicare and Medicaid programs, the Debtors must comply with all

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

1 hospital licensing and certification requirements, including those found in the Health and Safety
2 Code and in Title 22 of the California Code of Regulations, as well as the applicable Medicare
3 conditions of participation and corresponding Medicaid requirements. In addition to complying
4 with these overarching requirements, the Debtors must monitor and comply with all of the other
5 licensing and operational requirements that apply to the different service lines and programs
6 offered by the hospitals, including, for example, those applicable to the hospital pharmacies and
7 laboratories. These extensive, comprehensive requirements can only be fulfilled through
8 continued, uninterrupted access to various goods and services. Thus, in order to ensure the timely
9 and proper care of the patients and maintain ongoing business operations, it is imperative the
10 Debtors are able to rely on a consistent, quality supply of various physicians, nurses, nurse
11 practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical
12 technicians, sterile processing technicians and interim clinical/management staff, coders,
13 admission department staff, as well as certain medical supplies, medical equipment, and services
14 provided by vendors, suppliers and/or service-providers that are “critical” to the Debtors’
15 businesses (the “Critical Vendors”).

16 163. The Debtors’ Critical Vendors include the following categories of providers:
17 (i) uncompensated care contract physicians and on-call coverage physicians (collectively, the
18 “Uncompensated Care and On-Call Coverage Physicians”); (ii) medical directors (the “Medical
19 Directors”); (iii) medical staff officers and leadership positions (“Medical Leadership”);
20 (iv) physicians providing teaching services (“Physician Educators”); (v) medical services
21 providers (the “Medical Services Providers”); (vi) medical supplies and medical equipment
22 providers (collectively, the “Medical Supplies and Equipment Providers”); (vii) medical staffing
23 agencies and hospital-based services providers (collectively, the “Clinical Staffing”); (viii) non-
24 medical services providers (the “Non-Medical Services Providers”); (ix) information technology
25 services providers (the “IT Services Providers”); and (x) various employee benefits providers (the
26 “Benefits Providers”).

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

1 164. The Debtors require the use of various physicians, the Uncompensated Care and
2 On-Call Coverage Physicians, who provide care to patients who lack the ability to compensate the
3 Debtors for their medical treatment (individually, “Uncompensated Care Contract Physicians”)
4 and the physicians who provide on-call services to cover the Debtors’ daily on-call needs
5 (individually, “On-Call Coverage Physicians”), all in order to ensure patient care. The
6 Uncompensated Care Contract Physicians routinely provide the following vital services: (i)
7 Emergency Room coverage; (ii) surgical procedures for any Patient who is uninsured or
8 underinsured; (iii) psychiatry; and (iv) cardiac services. The On-Call Coverage Physicians make
9 themselves available to the Debtors for certain periods of time to ensure that a specialist is
10 available at all times for emergency situations, including such emergent conditions as cardiac
11 arrest and immediate trauma. The On-Call Coverage Physicians routinely provide the following
12 areas of expertise: (i) urology; (ii) general surgery; (iii) orthopedics; (iv) cardiology; (v)
13 neurosurgery; (vi) thoracic surgery; (vii) cardiac surgery; (viii) radiation oncology; (ix)
14 neurology, (x) psychiatry; (xi) nephrology; (xii) gastroenterology; (xiii) pediatric surgery; and
15 (xiv) obstetrics.

16 165. Due to the strong economy and the tight labor market for professionals with
17 expertise, Uncompensated Care and On-Call Coverage Physicians have a vast array of working
18 opportunities available to them, and to the extent the Debtors are unable to ensure payment for
19 prepetition claims, these Uncompensated Care and On-Call Coverage Physicians will work at
20 other hospitals, resulting in a devastating impact on patient care and irreparable harm to the
21 smooth transition into chapter 11 and preservation and maximization of value for the benefit of
22 the Debtors’ creditors.

23 166. Further, the Debtors require the use of various physicians who serve as Medical
24 Directors. As Medical Directors, it is their responsibility to ensure the hospital runs smoothly and
25 efficiently and according to local, state, and federal mandates in order to ensure patient care.
26 These Medical Directors supervise and coordinate the On-Call Coverage Physicians, provide vital
27 operating and administrative services, such as (i) the Long Term & Sub-Acute Unit; (ii)
28 Advanced Wound Care; (iii) the Comprehensive Spine Care Program; (iv) the Stroke Program;

(v) Cardiac & Pulmonary Rehabilitation; (vi) Oncology; (vii) Non-Invasive Cardiology; (viii) Radiation Therapy; (ix) the Intensive Care Unit and Neonatal Intensive Care Unit; (x) the Antimicrobial Stewardship Program; (xi) Interventional Neurology; (xii) the Bioethics Program; (xiii) the Catherization Laboratory; (xiv) the Skilled Nursing Facility, the Stroke Program; (xv) Thoracic Surgery; (xvi) the Dialysis Center; and (xvii) Nuclear Medicine and Vascular Laboratory. They also are vital for program quality, oversight, and risk management. There are approximately 60 physicians serving as Medical Directors. Similar to the Uncompensated Care and On-Call Coverage Physicians. I believe they also are vital for program quality, oversight, and risk management. There are approximately 68 physicians serving as Medical Directors.

167. Similar to the Uncompensated Care and On-Call Coverage Physicians, and due to the strong economy and the low labor market for professionals with expertise, Medical Directors are in demand and have a vast array of working opportunities available to them. To the extent the Debtors are unable to ensure payment for prepetition claims to Medical Directors, these Medical Directors will work at other hospitals, resulting in a devastating impact on patient care and irreparable harm to the smooth transition into chapter 11 and preservation and maximization of value for the benefit of the Debtors' creditors.

168. Debtors require the use of various physicians who serve as medical staff officers and in other leadership positions, as required by each Hospital's accreditation with The Joint Commission (the "TJC"). Medical Leadership includes the Chiefs of Staff and all Department Chairs required by each of the Debtors' Medical Staff Bylaws, and by Title 22, including physician oversight for cardiology, pulmonary, laboratory, stroke, and ST-elevation myocardial infarction departments. The Chief Medical Officers are essential to ensure quality and risk oversight. Without these physicians, who I believe can easily find competitive opportunities elsewhere, the Debtors' day-to-day programs will cease to function, resulting in a significant impact on patient care and other irreparable harm to the Debtors' Chapter 11 Cases.

169. The Debtors require the use of various physicians, the Physician Educators, who provide teaching services in the Debtors' graduate medical education (the "GME") program, a legal requirement with which the Debtors must comply. The GME program simultaneously

(213) 623-9300

1 provides: (i) training for interns, residents, and fellows until they become independent and
2 licensed practitioners; and (ii) access to healthcare for elderly and impoverished patients.
3 Physician Educators are in high demand because the State of California mandates that every
4 teaching hospital support the efforts to provide access to high quality healthcare to its most
5 vulnerable population. To maintain Level 2 Trauma status, the Debtors must maintain the GME
6 program. Therefore, the Physician Educators are vital to maintaining the Debtors' teaching
7 hospital status and affording access to healthcare, both of which are key to the Debtors' Patient
8 care, ongoing operations, and/or potential sale of its assets for the benefit of its creditors and the
9 Estates.

10 170. Debtors require the use of various Medical Services Providers, including, but not
11 limited to, those who provide services such as surgical anesthesia coverage, organ harvesting and
12 organ matching services, medical equipment sanitization, diagnostic interventional cardiology
13 services, interventional neuroradiology, imaging services, advanced wound care, pathology and
14 laboratory services, dialysis services, lithotripsy services, sterile compounding services,
15 rehabilitation staffing and management services, subacute management services, psychiatric
16 management services, hospitalist services, intensivist program services, medical screening
17 services, and medical instrument repair services. These services are vital to the Debtors' day-to-
18 day operations, in particular with regard to Patient care, and the Debtor will suffer immediate
19 irreparable harm should the Court not grant the Debtors' request to include the Medical Services
20 Providers as Critical Vendors.

21 171. Debtors require the use of various medical supplies and medical equipment from
22 the Medical Supplies and Equipment Providers, including, but not limited to, blood and plasma,
23 heart valves, coronary intervention products, defibrillators, laparoscopic and minimally invasive
24 surgical supplies, neurosurgical supplies and neurology devices, other surgical medical products,
25 bone substitute biologics, regenerative vascular grafts, vaccinations and other pharmaceuticals,
26 nuclear medicines, medical gases, anesthesia medical equipment, laboratory medical supplies,
27 radiation equipment, gastrointestinal supplies, cochlear implants, orthopedic implants, spinal
28 implants, intraocular lenses and ophthalmology supplies, sterilization equipment and products,

2 tools and equipment, patient beds and stretchers, vital sign monitoring, infusion pumps,
3 medication supply stations, gastro-intestinal lab equipment, cardiac catheterization lab equipment,
4 operating room equipment, imaging equipment, laboratory equipment, pharmacy dispensing
5 equipment, and transplant program equipment. The medical supplies and medical equipment the
6 Debtors receive from the Medical Supplies and Equipment Providers are vital to the Debtors'
7 day-to-day operations, to maintain Patient care, and the Debtors will suffer immediate irreparable
8 harm should the Court not grant the Debtors' request to include the Medical Supplies and
9 Equipment Providers as Critical Vendors.

10 172. The Debtors also require the Clinical Staffing, which are various medical groups,
11 staffing agencies, and other hospital-based services providers, to meet critical thresholds of
12 physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as,
13 imaging technicians, surgical technicians, sterile processing technicians and interim
14 clinical/management staff, coders, and admission department staff servicing patients in
15 emergency and non-emergency room situations. The provision of physicians, nurses, professional
16 technicians such as, imaging technicians, surgical technicians, sterile processing technicians and
17 interim clinical/management staff, coders, and admission department staff is vital to service the
18 Debtors' six active emergency rooms, trauma center, and the multiple medical specialty units
19 providing tertiary and quaternary care.

20 173. Additionally, regarding the provision of nurses, the staffing supplementation is
21 essential because: (1) California has a mandatory statutory nurse to patient ratio, and so the
22 Debtors are required by law to meet certain ratios in order to operate on a daily basis; and (2) it is
23 difficult to recruit experienced staff—as opposed to recent graduates—for short-term
24 assignments. Indeed, these staffing agencies provide the requisite “registry” nurses who take short
25 single-day assignments and “traveler” nurses who take longer-term assignments to fill in during
26 busier seasons—*e.g.*, flu season—and understaffed periods—*e.g.*, during nurses strikes of
27 represented nurses—where the Debtors may not otherwise have sufficient numbers of nurses
28 between their core and per diem nurses.

1 174. Moreover, many of the Clinical Staffing who provide physicians, nurses, nurse
2 practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical
3 technicians, sterile processing technicians and interim clinical/management staff, coders, and
4 admission department staff to the Debtors will not staff the Debtors' business if there is any
5 interruption or delay in the payment of the amounts due to them. Given the Debtors' reliance on
6 the medical services provided by the Clinical Staffing to provide Patient care and otherwise fulfill
7 the Debtors' daily medical services needs, and the fact that the Clinical Staffing can simply shift
8 their services to a medical services company, it is crucial that the Debtors be authorized to pay
9 any prepetition amounts due to the Clinical Staffing as Critical Vendors in the ordinary course of
10 business.

11 175. The Debtors require use of Non-Medical Services Providers, including, but not
12 limited to, those who provide services such as payroll tax services, financial audit services, billing
13 services, cost reporting services, revenue cycle management services, consulting and education
14 services for various required national, state, and local accreditations and mandates, environmental
15 services, record retention services, building maintenance services, medical equipment
16 maintenance services, management services, and other similar services, as well as to seismic
17 contractors. Seismic contractors are designers, engineers, suppliers and constructors who are
18 engaged in the statutory work of retrofitting hospital structures to meet the SB1953 and
19 subsequent amendments that are required to be completed by December 31, 2019. Delay of the
20 projects will cause the Debtors to miss the regulated deadlines, risking the Debtors' California
21 Department of Public Health license and suspension of such. These non-medical services are vital
22 to the Debtors' day-to-day operations, particular with regard to Patient care, and the Debtor's
23 ability to comply with regulatory requirements set by the State of California legislature, and the
24 Debtor will suffer immediate irreparable harm should the Court not grant the Debtors' request to
25 include the Non-Medical Services Providers as Critical Vendors.

26 176. The Debtors require use of various IT Services Providers who provide information
27 technology services, including, but not limited to, those who provide services such as diagnostic
28 technology, interoperability between devices, risk management and software services, revenue

1 cycle management billing software and services, teleradiology services, customer relationship
2 management, networking solutions services, multi-function copiers, voice over internet protocol
3 system services, hosting services for applications, and point of care data management system
4 services. Critical patient care systems such as electronic health record systems and enterprise
5 resource planning systems must be maintained to ensure continuity and Patient care. I believe
6 these information technology services are vital to the Debtors' day-to-day operations, in particular
7 with regard to Patient care, and the Debtor will suffer immediate irreparable harm should the
8 Court not grant the Debtors' request to include the IT Services Providers as Critical Vendors.

9 177. The Debtors require certain Benefits Providers because the Debtors have
10 incentivized their employees to continue working through the continuation of company-
11 subsidized benefits, such as workers compensation, medical, dental, vision, short term and long
12 term care, leave of absence, and life insurance. If the Debtors are not permitted to pay any
13 prepetition premium amounts due to these Benefits Providers, the employees' insurance coverage
14 will be jeopardized and the employees will likely seek employment elsewhere. Specifically, I
15 believe any disruption to payment of the employee benefits in the ordinary course (and in the
16 Debtors' discretion), would adversely affect the Debtors' goals in this Case because such events
17 are likely to cause some employees to terminate their employment with the Debtors, will cause all
18 employees to be distracted from their duties to care for the patients and the operations of the
19 hospitals, and will inevitably hurt employee morale at a particularly sensitive time for all
20 employees, resulting in severe repercussions on the Debtors' ability to provide Patient care, and
21 to preserve their assets and administer the Estates, to the detriment of all constituencies. Since the
22 Debtors do not have the ability to quickly or cost-effectively replace their employees who provide
23 vital medical and non-medical services on a daily basis, it is critical that the Debtors be allowed
24 to continue these benefits in order to retain their employees and maintain their business
25 operations to preserve the full value of their assets for the benefit of their creditors. Therefore, the
26 Court should include Benefits Providers as Critical Vendors.

27 178. I, along with the Debtors, am mindful of the Debtors' fiduciary obligations to seek
28 to preserve and maximize the value of their Bankruptcy Estate. To that end, the Debtors and their

advisors have engaged in an intense process of reviewing and analyzing the Debtors' books and records, consulting operations management and purchasing personnel, reviewing contracts and supply agreements, and analyzing applicable laws, regulations, and historical practices to identify business relationships—which, if lost, could materially harm the Debtors' patients, the Debtors' businesses, reduce their enterprise value, and/or impair their restructuring process—all in an effort to identify only those most critical vendors using their business judgment (the "Protocol"). Such Protocol is on-going; however, the amounts proposed to be paid to the Critical Vendors are already provided for in the Debtors' operating budget submitted in connection with the Debtors' Cash Collateral Motion.

179. Indeed, during the Protocol process, the Debtors and I have deemed certain vendors as critical because each of these Critical Vendors meets the following criteria: (a) the vendor is essential to patient care, supports maintaining the Debtors' business in full compliance with California's Title XII requirements for operating general acute care hospitals in the state of California, and allows the Debtors to maintain their business postpetition until reorganization and/or sale of the Debtors' assets for the benefit of creditors; (b) the vendor is indispensable for providing vital goods or services, replacing said vendor would be prohibitively expensive, or said vendor is otherwise critical to prevent the diversion of management and key personnel to solicit other vendors to provide comparable goods or services and to prevent other unnecessary distraction during the extensive transitional period; (c) the vendor holds an unpaid prepetition claim for the provision of goods or services; (d) the vendor will refuse to deliver goods or provide services without payment of the prepetition claim and the automatic stay imposed by section 362(a) will be inadequate to address the issue; (e) cash on delivery is unlikely to provide the requisite incentive for the vendor to continue providing goods or services; (f) the Debtors lack a long-term contractual relationship with the vendor that would oblige the vendor to continue the prepetition relationship, and the Debtors are otherwise without adequate leverage to compel performance on commercially reasonable terms; and (g) the Debtors will suffer immediate and irreparable harm if the vendor is not specially incentivized to continue providing goods or services. The Debtors will use commercially reasonable efforts to require the vendor to sign a

1 postpetition agreement with normalized terms and conditions that contractually bind the vendor to
2 continue providing goods and services postpetition.

3 I declare under penalty of perjury that, to the best of my knowledge and after reasonable
4 inquiry, the foregoing is true and correct.

EMERGENCY MOTION

Verity Health System of California, Inc. (“VHS”) and the above-referenced affiliated debtors (collectively, the “Debtors”), the debtors and debtors in possession in the above-captioned Chapter 11 bankruptcy cases (collectively, the “Cases”), hereby move, on an emergency basis (the “Motion”), pursuant to §§ 105(a), 363(b), 507(a), 1107(a) and 1108 of title 11 of the United States Code (the “Bankruptcy Code”),¹ for the entry of an order: (i) authorizing the Debtors, in their discretion, to (a) pay prepetition employee wages and salaries, and (b) pay and honor employee benefits and other workforce obligations (including remitting withholding obligations, maintaining workers’ compensation and benefits programs, paying related administration obligations, making contributions to retirement plans, and paying reimbursable employee expenses); and (ii) authorizing and directing the applicable bank to pay all checks and electronic payment requests made by the Debtors relating to the foregoing (collectively, the “Employee Obligations”). In support of the Motion, the Debtors have separately filed the Declaration of Richard G. Adcock in Support of Debtors’ First Day Motions (the “Adcock Declaration”).

SUMMARY OF REQUESTED RELIEF

The Debtors request that the relief sought herein be granted on an emergency basis because they will suffer irreparable harm without the relief requested in this Motion. The Debtors’ employees are vital to the operation of the Debtors’ hospitals and its medical clinics, and to the health, welfare, safety and security of the patients who seek medical care therein. Payment of, and otherwise honoring, the Employee Obligations are necessary to prevent employees from terminating their employment with the Debtors and to maintain the employees’ morale pending resolution of these Cases. Specifically, in satisfaction of Rule 2081-1(a)(6) of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California (the “LBR”):

- (A) the employees regarding whom relief is requested are still employed by the Debtors;

¹ All references to “§” or “sections” herein are to sections of the Bankruptcy Code.

- 1 (B) the proposed payments to employees are absolutely necessary;
- 2 (C) these proposed payment procedures are beneficial to the Debtors' estates;
- 3 (D) with the requested first-day relief, the Debtors' prospect of reorganization is
- 4 heightened;
- 5 (E) the Debtors do not seek to pay any prepetition claims of any insiders at this time;
- 6 (F) the employees' claims are within the limits established by § 507; and
- 7 (G) the proposed payments will not render the Debtors' estates administratively
- 8 insolvent.

9 Therefore, pursuant to LBR 2081-1(a)(6), the Debtors request that this Motion be heard on an

10 emergency basis.²

11 **ADDITIONAL INFORMATION**

12 The Motion is based on the Notice of Emergency Motions that will be filed and served

13 after a hearing date for the Debtors' "First Day Motions" has been obtained, the attached

14 Memorandum of Points and Authorities, the Adcock Declaration, and the arguments of counsel

15 and other admissible evidence properly brought before the Court at or before the hearing

16 regarding the Motion. In addition, the Debtors request that the Court take judicial notice of all

17 documents filed with the Court in this case.

18 Counsel to the Debtors will serve this Motion, the attached Memorandum of Points and

19 Authorities, the Adcock Declaration and the Notice of First Day Motions on: (i) the Office of the

20 United States Trustee; (ii) any alleged secured creditors; (iii) the fifty largest general unsecured

21 creditors appearing on the list filed in accordance with Rule 1007(d) of the Federal Rules of

22 Bankruptcy Procedure (the "Bankruptcy Rules"); (iv) the United States of America, and the State

23 of California; and (v) parties that file with the Court and serve upon the Debtors requests for

24 notice of all matters in accordance with Bankruptcy Rule 2002(i). To the extent necessary, the

25 Debtors request that the Court waive compliance with LBR 9075-1(a)(6) and approve service (in

26 addition to the means of services set forth in such LBR) by overnight delivery. Among other

27

28 ² Pursuant to LBR 9075-1(a)(4), no separate motion for an expedited hearing is required.

1 things, the Notice of Emergency Motions will provide that any opposition or objection to the
2 Motion may be presented at any time before or at the hearing regarding the Motion, but that
3 failure to timely object may be deemed by the Court to constitute consent to the relief requested
4 herein.

5 In the event that the Court grants the relief requested by the Motion, the Debtors shall
6 provide notice of the entry of the order granting such relief upon each of the foregoing parties and
7 any other parties in interest as the Court directs. The Debtors submit that such notice is sufficient
8 and that no other or further notice be given.

9 **WHEREFORE**, for all the foregoing reasons and such additional reasons as may be
10 advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the
11 Court enter an order providing for the following relief: (i) authorizing the Debtors, in their
12 discretion, to (a) pay prepetition employee wages and salaries, and (b) pay and honor employee
13 benefits and other workforce obligations (including remitting withholding obligations,
14 maintaining workers' compensation and benefits programs, paying related administration
15 obligations, and paying reimbursable employee expenses); (ii) authorizing and directing the
16 applicable bank to pay all checks and electronic payment requests made by the Debtors relating to
17 the foregoing; and (iii) granting such other and further relief as is just and proper under the
18 circumstances.

MEMORANDUM OF POINTS AND AUTHORITIES

I.

INTRODUCTION

The Debtors request, pursuant to LBR 2081-1(a)(6) and 9075-1(a) and §§³ 105(a), 363(b), 507(a), 1107(a) and 1108 of the Bankruptcy Code, entry of an order on an emergency basis in these cases: (i) authorizing, but not directing, the Debtors, in their discretion, to (a) pay or honor prepetition wages, salaries, employee benefits, and other compensation, (b) remit withholding obligations, (c) maintain workers' compensation and benefits programs, (d) pay related administration obligations, and (e) pay reimbursable employee expenses (collectively, the "Employee Obligations"); and (ii) authorizing and directing the applicable bank to pay all checks and electronic payment requests made by the Debtors relating to the foregoing.

The Debtors' goals in these Cases are to facilitate an orderly administration of their Cases and to maintain efficient and seamless operations for the benefit of the patients (the "Patients") who seek medical care in the Hospitals (defined below) and medical clinics operated by the Debtors in order to maximize the value of their assets for the benefit of all stakeholders. Accordingly, it is imperative to the accomplishment of the Debtors' goals in these Cases that the Debtors minimize any adverse impact of the chapter 11 filing on the Debtors' workforce, on the Patients, on the operations of the Hospitals and medical clinics, and on the orderly administration of these Cases. Any disruption to payment of the payroll in the ordinary course, or to the continued implementation of employee programs in the Debtors' discretion, would adversely affect the Debtors' goals in this case because such events could cause some employees to terminate their employment with the Debtors, could cause employees to be distracted from their duties to care for the Patients and the operations of the Hospitals and medical clinics, and could hurt employee morale at a particularly sensitive time for all employees. Failure to honor payroll and employee benefits obligations could have severe repercussions on the Debtors' ability to

³ All references to "§" or "section" herein are to the Bankruptcy Code, 11 U.S.C. §§ 101, *et seq.*, as amended

1 preserve their assets and administer their estates, to the detriment of all constituencies.
2 Accordingly, the Debtors respectfully request that the Court grant the Motion.

3 **II.**

4 **JURISDICTION**

5 The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This
6 is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). The venue of the Cases is proper
7 pursuant to 28 U.S.C. §§ 1408 and 1409.

9 **STATEMENT OF FACTS**

10 **A. General Background**

11 1. On August 31, 2018 (“Petition Date”), Verity Health System of California, Inc.
12 (“VHS”) and the above-referenced affiliated debtors, the debtors and debtors in possession in the
13 above-captioned chapter 11 bankruptcy cases (collectively, the “Debtors”), each filed a voluntary
14 petition for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy
15 Code”).⁴ Since the commencement of their cases, the Debtors have been operating their
16 businesses as debtors in possession pursuant to §§1107 and 1108 of the Bankruptcy Code.

17 2. Debtor VHS, a California nonprofit public benefit corporation, is the sole
18 corporate member of the following five Debtor California nonprofit public benefit corporations
19 that operate six acute care hospitals: O’Connor Hospital, Saint Louise Regional Hospital, St.
20 Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, and Seton Medical
21 Center Coastsides (collectively, the “Hospitals”) and other facilities in the state of California.
22 Seton Medical Center and Seton Medical Center Coastsides operate under one consolidated acute
23 care license.

24 3. VHS, the Hospitals, and their affiliated entities (collectively, “Verity Health
25 System”) operate as a nonprofit health care system, with approximately 1,680 inpatient beds, six

active emergency rooms, a trauma center, eleven medical office buildings, and a host of medical specialties, including tertiary and quaternary care.

4. The VHS affiliated entities, including the Debtors and non-debtor entities, are as follows:

- O'Connor Hospital ("OCH")
- Saint Louise Regional Hospital ("SLRH")
- St. Francis Medical Center ("SFMC")
- St. Vincent Medical Center ("SVMC")
- Seton Medical Center ("SMC"), including Seton Medical Center Coastside campus ("SMCC")
- Verity Business Services ("VBS")
- Marillac Insurance Company, Ltd.
- O'Connor Hospital Foundation ("OCH-F")
- Saint Louise Regional Hospital Foundation ("SLRH-F")
- St. Francis Medical Center of Lynwood Foundation ("SFMC-F")
- St. Vincent Medical Center Foundation ("SVMC-F")
- Seton Medical Center Foundation ("SMC-F")
- St. Vincent de Paul Ethics Corporation
- St. Vincent Dialysis Center
- De Paul Ventures, LLC
- De Paul Ventures - San Jose Dialysis, LLC
- De Paul Ventures - San Jose ASC, LLC
- Verity Medical Foundation ("VMF")
- Verity Holdings, LLC ("Holdings")

5. VMF, incorporated in 2011, is a medical foundation, exempt from licensure under California Health & Safety Code § 1206(l). VMF contracts with physicians and other healthcare professionals to provide high quality, compassionate, patient-centered care to individuals and families throughout California. With more than 100 primary care and specialty physicians, VMF offers medical, surgical and related healthcare services for people of all ages at community-based, multi-specialty clinics conveniently located in areas served by the Debtor Hospitals. VMF holds long-term professional services agreements with the following medical groups: (a) Verity Medical Group; (b) All Care Medical Group, Inc.; (c) CFL Children's Medical Associates, Inc.; (d) Hunt Spine Institute, Inc.; (e) San Jose Medical Clinic, Inc., D/B/A San Jose Medical Group; and (f) Sports, Orthopedic and Rehabilitation Associates.

6. Holdings is a direct subsidiary of its sole member VHS and was created in 2016 to hold and finance VHS' interests in four medical office buildings whose tenants are primarily

1 physicians, medical groups, healthcare providers, and certain of the VHS Hospitals. Holdings’
2 real estate portfolio includes more than 15 properties. Holdings is the borrower on approximately
3 \$66 million of non-recourse financing secured by separate deeds of trust and revenue and
4 accounts pledges, including the rents on each medical office building.

5 7. OCH-F, SLRH-F, SFMC-F, SVMC-F, and SMC-F handle fundraising and grant-
6 making programs for each of their respective Debtor Hospitals.

7 8. As of August 31, 2018, the Debtors have approximately 7,385 employees, of
8 whom 4,733 are full-time employees. Approximately 74% of these employees are represented by
9 collective bargaining units. A majority of the employees are represented by either the Service
10 Employees International Union (approximately 39% of employees) or California Nurses
11 Associations (approximately 22% of employees).

12 9. Each of the Debtors is exempt from federal income taxation as an organization
13 described in Section 501(c)(3) of the Internal Revenue Code of 1986, except for Verity Holdings,
14 LLC, DePaul Ventures, LLC, and DePaul Ventures - San Jose Dialysis, LLC.

15 10. To date, no official committee or examiner has been appointed by the Office of the
16 United States Trustee in these chapter 11 Cases.

17 **B. Historical Challenges.**

18 11. The Hospitals and VMF were originally owned and operated by the Daughters of
19 Charity of St. Vincent de Paul, Province of the West (the “Daughters of Charity”), to support the
20 mission of the Catholic Church through a commitment to the sick and poor. The Daughters of
21 Charity began their healthcare mission in California in 1858 and they ministered to ill, poverty-
22 stricken individuals for more than 150 years. In March 1995, the Daughters of Charity merged
23 with Catholic Healthcare West (“CHW”). In June 2001, Daughters of Charity Health System
24 (“DCHS”) was formed, and in October 2001, the Daughters of Charity withdrew from CHW. In
25 2002, DCHS commenced operations and was the sole corporate member of the Hospitals, which
26 at that time were California nonprofit religious corporations.

27 12. Between 1995 and 2015, the Daughters of Charity and DCHS struggled to find a
28 solution to continuing operating losses, either through a sale of some or all of the hospitals or a

1 merger with a more financially sound partner. All these efforts failed. During these efforts,
2 however, the health system's losses continued to mount, and the system borrowed more than
3 \$500 million – including through a 2008 bond issuance (the “2008 Bonds”) – to fund operations,
4 acquire assets, fund needed capital improvements and/or refinance existing debt.

5 13. Despite continuous efforts to improve operations, operating losses continued to
6 plague the health system due to, among other things, mounting labor costs, low reimbursement
7 rates and the ever-changing healthcare landscape. In 2013, DCHS actively solicited offers for
8 OCH, SLRH, SMC and SMCC. In 2013, to avoid failing debt covenants, the Daughters of
9 Charity Foundation, an organization separate and distinct from DCHS, donated \$130 million to
10 DCHS to allow it to retire the 2008 Bonds in the total amount of \$143.7 million.

11 14. In early 2014, DCHS announced that they were beginning a process to evaluate
12 strategic alternatives for the health system. Throughout 2014, DCHS explored offers to sell their
13 health system and, in October of 2014, they entered into an agreement with Prime Healthcare
14 Services and Prime Healthcare Foundation (collectively, “Prime”) to sell the health
15 system. However, to keep the hospitals open, DCHS needed to borrow another \$125 million to
16 mitigate immediate cash needs during the sales process; in other words, to allow DCHS to
17 continue to operate until the sale could be consummated. In early 2015, the California Attorney
18 General consented to the sale to Prime, subject to conditions on that sale that were so onerous that
19 Prime terminated the transaction.

20 15. In 2015, DCHS again marketed their health system for sale, and, again, focused on
21 offers that maintained the health system as a whole, and assumed all the obligations. In July
22 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC
23 (“BlueMountain”), a private investment firm, to recapitalize its operations and transition
24 leadership of the health system to the new Verity Health System (the “BlueMountain
25 Transaction”).

26 16. In connection with the BlueMountain Transaction, BlueMountain agreed to make a
27 capital infusion of \$100 million to the hospital system, arrange loans for another \$160 million to
28 the health system, and manage operations of the health system, with an option to buy the health

1 system at a future time. In addition, the parties entered into a System Restructuring and Support
2 Agreement (the “Restructuring Agreement”), DCHS’s name was changed to Verity Health
3 System, and Integrity Healthcare, LLC (“Integrity”) was formed to carry out the management
4 services under a new management agreement.

5 17. On December 3, 2015, the California Attorney General approved the
6 BlueMountain Transaction, subject to conditions. Despite BlueMountain’s infusion of cash and
7 retention of various consultants and experts to assist in improving cash flow and operations, the
8 health system did not prosper.

9 18. In July 2017, NantWorks, LLC (“NantWorks”) acquired a controlling stake in
10 Integrity. NantWorks brought in a new CEO, CFO, and COO. NantWorks loaned another \$148
11 million to the Debtors.

12 19. Despite the infusion of capital and new management, it became apparent that the
13 problems facing the Verity Health System were too large to solve without a formal court
14 supervised restructuring. Thus, despite VHS’ great efforts to revitalize its Hospitals and
15 improvements in performance and cash flow, the legacy burden of more than a billion dollars of
16 bond debt and unfunded pension liabilities, an inability to renegotiate collective bargaining
17 agreements or payor contracts, the continuing need for significant capital expenditures for seismic
18 obligations and aging infrastructure, and the general headwinds facing the hospital industry, make
19 success impossible. Losses continue to amount to approximately \$175 million annually on a cash
20 flow basis.

21 20. Additional background facts on the Debtors, including an overview of the Debtors’
22 business, information on the Debtors’ capital structure and additional events leading up to these
23 chapter 11 cases, are contained in the Adcock Declaration.

24 **C. Relevant Background to Motion**

25 1. The Debtors’ Employees

26 21. As set forth in the concurrently filed Adcock Declaration, altogether, the Debtors
27 employ approximately 7,385 employees – 6,907 excluding VMF and 478 under VMF. For W-2
28 tax and payroll purposes, the Debtors are divided into eight employers:

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

(a) VHS, which covers the Systems Office and the Philanthropic Foundations, and as of the Petition Date employed approximately 294 employees (the “VHS Employees”), of which 289 are full-time, 3 are part-time and 2 are employed on a “*per diem*” basis;

(b) VBS, which as of the Petition Date employed approximately 307 employees (the “VBS Employees”), of which 285 are full-time, 11 are part-time and 11 are *per diem*;

(c) OCH, which as of the Petition Date employed approximately 1,370 employees (the “OCH Employees”), of which 586 are full-time, 441 are part-time and 343 are *per diem*;

(d) SLRH, which as of the Petition Date employed approximately 480 employees (the “SLRH Employees”), of which 153 are full-time, 159 are part-time and 168 are *per diem*;

(e) SFMC, which as of the Petition Date employed approximately 2,017 employees (the “SFMC Employees”), of which 1,583 are full-time, 136 are part-time and 298 are *per diem*;

(f) SVMC, which as of the Petition Date employed approximately 1,099 employees (the “SVMC Employees”), of which 897 are full-time, 42 are part-time and 160 are *per diem*;

(g) SMC, which includes SMCC, and as of the Petition Date employed approximately 1,340 employees (the “Seton Employees,” and together with the VHS Employees, VBS Employees, OCH Employees, SLRH Employees, SFMC Employees and SVMC Employees, the “Verity Employees”), of which 516 are full-time, 551 are part-time and 273 are *per diem*; and

(h) VMF, which as of the Petition Date employed approximately 478 employees (the “VMF Employees,” and together with the Verity Employees, the “Employees”), of which 424 are full-time, 15 are part-time and 39 are *per diem*.

22. Both full-time and part-time (“core”) employees are regularly scheduled to work every pay period whereas *per diem* employees are used on an as-needed basis. *Per diem* employees are called in whenever Hospitals would not otherwise meet their core staffing requirements – for example, when core employees are sick or on vacation, or there is a spike in patient census. Although not limited to nursing employees, notably California requires the Hospitals to maintain specific nurse-to-patient ratios,⁵ so the Debtors use *per diem* employees to ensure the Hospitals are in compliance with those requirements.

⁵ See Cal. Health & Safety Code § 1276.4; Cal. Code Regs. tit. 22, § 70217.

2. Employee Unions

23. Almost three-quarters of the Debtors' Employees – approximately 5,488 Employees in total – are represented by unions (the "Represented Employees"). These Represented Employees are represented by the California Nurses Association ("CNA"); Engineers and Scientists of California IFPTE Local 20, SEIU-UHW United Healthcare Workers-West; California Licensed Vocational Nurses' Association; CLVNA United Nurses Associations of California, UNAC, National Union of Healthcare Workers, NUHW; and The International Union of Operating Engineers, Stationary Local No. 39, AFL-CIO ("Local 39 Stationary Engineers," and collectively, the "Unions"). The Debtors' contractual arrangements with the Unions regarding the employment of the Represented Employees are reflected in multiple collective bargaining agreements (the "CBAs").

D. Prepetition Wages, Payroll and Associated Benefits

24. The Employees are paid their wages and salaries (the "Wages") bi-weekly, in arrears, either five or six days after the end of every 14-day pay period, through direct deposit or by check. The Debtors' average bi-weekly gross payroll is approximately \$25,394,994, which includes approximately \$463,907 for executive payroll, \$3,726,816 for withholding obligations (relating to various taxes, claims and other obligations) and \$208,476 for retirement plan contribution matching.

25. Pursuant to LBR 2014-1(a), the Debtors intend to serve Notices of Setting/Increasing Insider Compensation with respect to any of its executives who qualify as "insiders" (as defined in § 101(31)). As part of this Motion, the Debtors seek authority to pay these insider Employees the unpaid wage or salary obligations that have accrued on their behalf prior to the Petition Date, provided that no objections to the Notices are received within the 15-day time period provided by LBR 2014-1(a).

1. The Verity Debtors' Direct, Bifurcated, Payroll System

26. The Debtors are organized into eight employers. In addition, for payroll and cash management purposes, the Debtors are separated into VMF and the rest of the Debtors (the latter, the "Verity Debtors"). The Verity Debtors' payroll is further bifurcated, creating a constant pay

1 cycle, with VBS, SFMC and Seton (collectively, “Verity Debtor Group A”) paying their
2 Employees on the odd weeks (e.g., 1, 3, . . . 49, 51), and VHS, OCH, SLRH and SVMC
3 (collectively, “Verity Debtor Group B”) paying their Employees on the even weeks (e.g., 2, 4, . . .
4 50, 52), in each case on a Friday – with the exception of SFMC whose payroll is processed on
5 Thursday – for the preceding 14-day pay period running from Sunday to Saturday. The Verity
6 Debtors process payroll directly, using a payroll platform licensed by Infinium. The Verity
7 Debtors normally transfer funds from their respective accounts payable bank accounts to their
8 respective payroll accounts two days prior to the pay date (i.e., Tuesdays for SFMC and
9 Wednesdays for the other Verity Debtors).⁶

10 27. The date on which the Employees of Debtor Group A and certain Employees of
11 Debtor Group B were last paid was August 30, 2018 for the two-week period ending August 25,
12 2018. The Employees of Debtor Group A represented by SEIU are entitled to identify and
13 resolve any errors in payroll within 24 hours (the “SEIU Lookback”). The Debtor Group A
14 Employees’ next routine payroll is scheduled for September 13 (for SFMC) and September 14,
15 2018 (the “September 13/14th Payroll”), and expected to include approximately \$24,287,614,
16 which covers Debtor Group A Wages earned from August 26, 2018 through September 8, 2018 –
17 approximately \$2,727,235 of which amount is attributable to prepetition Wages (the “Group A
18 Prepetition-Accrued Payroll”).

19 28. The date on which the remaining Employees of Debtor Group B were last paid
20 was August 24, 2018 for the two-week period ending August 18, 2018. These Employees’ next
21 routine payroll is scheduled for September 7, 2018 (the “September 7th Payroll”), and expected to
22 be approximately \$23,140,020, which covers Debtor Group B Wages earned from August 19,
23 2018 through September 1, 2018 – approximately \$11,560,517 of which amount is attributable to
24 prepetition payroll (together with the Group A Prepetition-Accrued Payroll, the “Verity Debtors
25 Prepetition-Accrued Payroll”).

26
27 ⁶ By separate and contemporaneous motion, the Debtors are requesting authority to continue operating their cash
28 management system in the ordinary course of business, which, among other things, would permit them to continue
transferring funds between bank accounts to fund payroll.

29. Accordingly, the Debtors seek authority to pay the Verity Debtors Prepetition-Accrued Payroll in the amount of \$14,287,752 on account of prepetition Wages, which they confirm does not exceed \$12,850 per Employee. The Debtors further seek to pay any additional amounts identified as of the Petition Date through the SEIU Lookback. The Debtors further seek to continue to pay Wages to the Employees of the Verity Debtors incurred postpetition in the ordinary course of the Debtors' business.

2. VMF's Third-Party-Processed Payroll System

30. VMF pays the VMF Employees on the even weeks, on Fridays for the preceding 14-day pay period running from Monday to Sunday. VMF's payroll is disbursed by ADP, a supplier of human resources and document services that provides VMF with payroll management and administration services. VMF normally funds its payroll to ADP on Tuesday prior to the pay date.

31. The date on which the VMF Employees were last paid was August 24, 2018 for the two-week period ending August 19, 2018. These Employees' next routine payroll is also scheduled for September 7, 2018 (the "September 7th ADP Payroll"), and expected to be approximately \$1,147,594, which covers VMF Wages earned from August 20 through September 2, 2018 – approximately \$1,065,623 of which amount is attributable to prepetition Wages (the "VMF Prepetition-Accrued Payroll," and together with the Verity Debtors Prepetition-Accrued Payroll, the "Prepetition-Accrued Payroll"), which they confirm does not exceed \$12,850 per Employee. VMF would need to fund the VMF Prepetition-Accrued Payroll to ADP by September 4, 2018.

32. As of the Petition Date, VMF will owe ADP approximately \$4,500 with respect to its processing of the VMF payroll and related payroll administration matters (the "Administration Fees"). The Debtors request authority to continue to pay ADP the prepetition amount of \$4,500 and to pay the postpetition ADP Administration Fees in the ordinary course of VMF's business.

33. Accordingly, the Debtors seek authority to pay the VMF Prepetition-Accrued Payroll in the amount of \$1,065,623 on account of prepetition Wages. The Debtors further seek

1 to continue to pay Wages to the VMF Employees incurred postpetition in the ordinary course of
2 the Debtors' business.

3 3. The Debtors' Withholding Obligations

4 34. In the ordinary course of their business, the Debtors routinely withhold from the
5 Wages certain amounts that the Debtors are required to transmit to the government and certain
6 third parties for purposes such as Social Security and Medicare withholdings, federal and state or
7 local income taxes, contributions to the Debtors' benefit plans, savings and retirement plan
8 contributions, union claims, garnishment, child support or other similar obligations pursuant to
9 court order or law (collectively, the "Withholding Obligations"). The Debtors owe approximately
10 \$3,726,816 for Withholding Obligations – including payments for tax obligations (the "Employer
11 Tax Obligations") such as FICA and Social Security – in connection with the Requested
12 Prepetition Payroll. Accordingly, the Debtors seek authority to pay the prepetition Withholding
13 Obligations in the amount of \$3,726,816 on account of prepetition Wages; and to continue to pay
14 Withholding Obligations incurred postpetition in the ordinary course of the Debtors' business.

15 4. The Debtors' Union Obligations

16 35. In addition to various benefits incorporated above, the Debtors are required to
17 make certain Union-specific contributions (the "Union Obligations"). Specifically, the Debtors
18 are required to contribute 0.022% of the wages of the Represented Employees with SEIU-UHW
19 to the SEIU Training and Upgrade Fund; this payment is made annually in February, and is not
20 currently owing. The Debtors are also required to make a monthly contribution of approximately
21 \$165,800 (on average, in Calendar Year 2018) to the Local 39 Pension Trust Fund on behalf of
22 Represented Employees with Local 39 Stationary Engineers. Accordingly, the Debtors seek
23 authority to pay the prepetition Union Obligations in the amount of \$176,524 on account of
24 prepetition Wages; and to continue to pay Union Obligations incurred postpetition in the ordinary
25 course of the Debtors' business.

26 **E. Business Expense Reimbursements**

27 36. The Debtors customarily reimburse Employees who incur business expenses in the
28 ordinary course of performing their duties on behalf of the Debtors. Such expenses typically

1 include, but are not limited to, business-related travel expenses (including mileage), business
2 meals, relocation allowances, tuition reimbursement, and other items specified in the CBAs (the
3 “Reimbursement Obligations”). Expense reports detailing the Reimbursement Obligations are
4 submitted for reimbursement by the Employees and generally must be supported by copies of
5 receipts.

6 37. It is difficult for the Debtors to determine the exact amount of Reimbursement
7 Obligations that is due and owing for any particular time period since the expenses incurred by
8 Employees on behalf of the Debtors throughout the year vary on a monthly basis and because
9 there may be some delay between when an Employee incurs an expense and submits the
10 corresponding expense report for processing. Based on historical experience, the Debtors
11 anticipate that, as of the Petition Date, the Debtors owe an estimated \$30,200 in Reimbursement
12 Obligations. Accordingly, the Debtors seek authority to pay \$30,200 in Reimbursement
13 Obligations to their Employees. The Debtors further seek to continue to pay Reimbursement
14 Obligations incurred postpetition in the ordinary course of the Debtors’ business.

15 **F. Bonuses**

16 38. Certain Employees are eligible to receive sign-on and retention bonuses (the
17 “Bonuses”). Sign-on bonuses are provided to candidates for employment in hard-to-fill or critical
18 vacancies, such as ICU or Surgery Registered Nurses. Sign-on and retention bonuses are
19 provided for management candidates as a recruiting incentive and to guarantee high-quality
20 management candidates remain with the organization for a specified period of time.

21 39. The Debtors are not, by this Motion, seeking permission to pay any Bonuses to
22 continuing Employees but do seek the authority, in the Debtors’ discretion, to pay the Employees
23 for contractually agreed bonuses that accrued within the 180 days prior to the Petition Date when
24 their services with the Debtors are terminated so long as the total of the payments already then
25 made for prepetition Employee Obligations and the Bonuses does not exceed the statutory limit
26 for priority claims of \$12,850.

G. Paid Time Off and Extended Sick Leave

40. Full-time and part-time Employees become eligible to receive employment benefits beginning the first of the month following 30 days of employment (when they become “Eligible Employees”). *Per diem* Employees are not Eligible Employees.

41. The Debtors provide Eligible Employees with Paid Time Off (“PTO”) and Extended Sick Leave (“ESL”). PTO is time off due to vacation, holiday, personal or incidental sick time. ESL kicks in (a) immediately where the Eligible Employee is admitted for surgery, (b) after a 3-day waiting period for a workers’ compensation injury, and (c) after a 7-day waiting period if workers’ compensation is not implicated.

42. Eligible Employees accrue PTO and ESL annually, and the number of hours they can accrue increases in successive years.⁷ When these various caps are reached, no further PTO or ESL, respectively, will accrue until the Employee uses some of the accrued Paid PTO or some of the accrued time is cashed out by the Employee (per the terms of the relevant CBA or Hospital or Systems Office policy). As of the Petition Date, the Debtors are carrying approximately \$36.6 million on their books for 789,942 hours of accrued and unused PTO. Eligible Employees are permitted to cash out their unused PTO on one or two occasions during the year depending on the relevant Hospital or CBA. As of the Petition Date, the Debtors are carrying approximately \$17.5 million on their books for 372,000 hours of accrued and unused ESL. Some CBAs permit Eligible Employees to cash out a portion of their unused ESL at retirement.

43. The Debtors seek authority to honor their existing PTO and ESL policies to the extent it would permit continuing Employees to use their prepetition accrued leave in the ordinary course of business, and going forward. The Debtors are not, by this Motion, seeking permission to cash out any accrued and unused PTO or ESL of continuing Employees but do seek the authority, in the Debtors’ discretion, to pay the Employees for unused PTO and/or ESL, as permitted per Hospital policy and relevant CBA terms, that accrued within the 180 days prior to

⁷ The specific hours vary depending on the relevant CBA governing the Represented Employee’s employment.

the Petition Date so long as the total of the payments already then made for prepetition Employee Obligations and the PTO/ESL does not exceed the statutory limit for priority claims of \$12,850.

H. Employee Benefits

44. The Debtors offer Eligible Employees the opportunity to participate in a number of insurance and benefit programs, including, among other things, medical, dental and vision plans, life insurance, short-term and long-term disability insurance, workers' compensation, retirement plans and other insurance plans and benefits as described below (collectively, the "Employee Benefits").

1. Medical, Vision and Dental Insurance

45. The Debtors offer all Eligible Employees and their eligible dependents (collectively, the "Dependents") medical, dental and vision insurance, which are primarily self-insured by the Debtors with the exceptions set forth below.

46. For medical, the Debtors offer (a) a self-insured Exclusive Provider Organization ("EPO") plan; (b) a self-insured preferred provider organization ("PPO") plan (together with (a), the "Self-Insured Medical Plans"); (c) one PPO plan fully-insured by Blue Shield of California ("BlueShield") for the enrolled Represented Employees of SMC with CNA and their Dependents (together with the Self-Insured Medical Plans, the "Medical Plans"). Healthnow is the third-party administrator for all medical and prescription drug claims against the Self-Insured Medical Plans.

47. The Debtors bear between approximately 51% and 100% of the costs of the Medical Plans. Depending on (a) which Debtor Employer, (b) whether the Eligible Employee is a Represented Employee – and, if so, under which CBA, and (c) whether and how many Dependents are covered, the Debtors' and Employees' respective monthly costs for the Medical Plans fall within the following ranges:

Plan	Monthly Employer Cost	Monthly Employee Cost
EPO	\$539.19 - \$2,959.45	\$0 - \$214.65
PPO	\$403.32 - \$2,994.42	\$49.21 - \$1,136.83
BlueShield PPO	\$705.63 - \$2,187.46	\$326.56 - \$1,012.35

DENTONS US LLP

 LOS ANGELES, CALIFORNIA 90017-5704
 (213) 623-9300

48. The Self-Insured Medical Plans are on a self-bill model, whereby the Debtors pay (a) to Healthnow: (i) monthly administration fees (including pass-through stop-loss insurance fees to Voya) based on the number of insured Employees in the prior month and (ii) actual medical claims; and (b) to BlueShield: accrued and unpaid prepetition premiums on account of the BlueShield Plan. As of the Petition Date, the Debtors believe they do not owe any prepetition administration fees to Healthnow, or prepetition premiums to BlueShield. As of the Petition Date, the Debtors owed approximately \$3,162,816 to Healthnow on account of accrued and unpaid prepetition claims against the Self-Insured Medical Plans.

49. For dental, the Debtors offer three self-insured Delta Dental plans and one Cigna plan (together, the “Dental Plans”). The Debtors bear between approximately 45% and 100% of the costs of the Dental Plans. Depending on the Employees’ Hospital and Union affiliation and Dependent status, the Debtors’ and Employees’ respective monthly costs for the Dental Plans fall within the following ranges:

Plan	Monthly Employer Cost	Monthly Employee Cost
Cigna DHMO	\$25.28 - \$69.90	\$0
DD 800	\$21.81 - \$95.52	\$0 - 47.67
DD 1200 with Ortho	\$43.64 - \$170.87	\$0 - \$93.99
DD 1500	\$30.41 - \$95.52	\$0 - \$101.68

50. As of the Petition Date, the Debtors owed approximately \$48,060 to Cigna and Delta Dental on account of accrued and unpaid prepetition claims against the Dental Plans. As of the Petition Date, the Debtors believe they do not owe any prepetition administration fees to Cigna or Delta Dental.

51. For vision, the Debtors offer two self-insured VSP plans (the “Vision Plans,” and together with the Medical Plans and the Dental Plans, the “Health Plans”). The Debtors bear up to 100% of the costs of the Vision Plans. Depending on the Employees’ Hospital and Union affiliation and Dependent status, the Debtors’ and Employees’ respective monthly costs for the Vision Plans fall within the following ranges:

Plan	Monthly Employer Cost	Monthly Employee Cost
VSP Basic	\$4.27 - \$20.88	\$0 - \$10.44
VSP Buy-Up	\$0 - \$20.87	\$6.41 - \$36.53

52. As of the Petition Date, the Debtors owed approximately \$60,150 to VSP on account of accrued and unpaid prepetition claims against the Vision Plans. As of the Petition Date, the Debtors believe they do not owe any prepetition administration fees to VSP.

53. The Debtors believe that they are current on the administration fees and premiums related to the Health Plans. To the extent they are not, however, the Debtors seek authority to pay their portion of any premiums or administration fees for the Health Plans that accrued and remain unpaid as of the Petition Date, and to turn over to BlueShield any amounts sufficient to satisfy the portion of the accrued and unpaid prepetition premiums to be paid by the Employees in connection with the payment of the Wages and Withholding Obligations. The Debtors also seek authority to continue to pay, in their discretion and in the ordinary course of their business, the administration fees, premiums for and claims under the Health Plans incurred postpetition.

54. Furthermore, and for similar reasons, the Debtors seek to continue to perform any obligations under § 4980B of the Internal Revenue Code to administer Continuation Health Coverage (“COBRA”) (*see* 26 U.S.C. § 4980B) in respect to former employees. The Debtors believe that any prepetition costs related to COBRA coverage benefits are *de minimis*, but nonetheless, to maintain Employee morale and ensure the orderly administration of the Estates, the Debtors request authority to pay in their discretion any such prepetition costs.

2. Employee Life, Disability and Workers’ Compensation

55. The Debtors offer Eligible Employees premium-based group life insurance (“Life Insurance”) and accidental death and dismemberment insurance (“AD&D”) through UNUM. The premiums and other related charges for life insurance are paid 100% by the Debtors up to 1x salary⁸ and total approximately \$193,647 monthly on account of approximately 5,900 Employees. The premiums and other related charges for AD&D coverage are paid 100% by the Debtors up to

⁸ Employees may elect to upgrade coverage to 5x annual salary and pay the additional amount themselves.

1 \$10,000⁹ and total approximately \$16,191 monthly on account of approximately 5,800
2 Employees.

3 56. The Debtors also offer Eligible Employees premium-based short term (“STD”) and long term disability coverage (“LTD”) through Cigna. Depending on CBA, the Debtor
4 employer pays 40-50% of premiums and other related charges for LTD,¹⁰ and total approximately
5 \$108,035 and \$110,643 monthly, respectively, on account of 5,800 Employees. STD premiums
6 are 100% employee-funded.
7

8 57. The Debtors also provide workers’ compensation insurance through Old Republic
9 Insurance (the “Workers’ Compensation Insurance”). Their broker of record is Lockton. The
10 amount of the annual premium is approximately 2,044,515 which is paid quarterly in the amount
11 of approximately \$511,128. The Debtors use Sedgwick as their third-party administrator, whom
12 the Debtors pay an estimated annual fee of \$702,000, which the Debtors pay in quarterly
13 installments, in advance of each quarter, of approximately \$175,000.

14 58. In addition, as of the Petition Date, the Debtors owe approximately \$10,293 to
15 Cigna on account of claims under the Federal Medical Leave Act (FMLA) and California Family
16 Rights Act (CFRA); and \$13,507 to Optum under an employee assistance program.

17 59. The Debtors believe that they are current on all the above-mentioned insurance
18 policies and claims obligations. To the extent they are not, however, the Debtors seek authority,
19 in their discretion, to pay any accrued and unpaid prepetition premiums and related charges and to
20 continue the above benefits postpetition and to deliver the Employees’ portion of any accrued and
21 unpaid prepetition premiums to the corresponding administrators in connection with the payment
22 of the Wages and Withholding Obligations.¹¹
23
24

25 ⁹ Employees may elect to upgrade coverage to 1x-4x annual salary and pay the additional amount themselves.

26 ¹⁰ Depending on CBA, some Employees may elect to upgrade coverage to 60%.

27 ¹¹ By separate and contemporaneous motion, the Debtors are requesting authority to maintain their insurance program
28 (including workers’ compensation policies) and pay insurance premiums, deductibles and administration fees in the
ordinary course of business (including any amounts accrued and unpaid as of the Petition Date). For the avoidance of
doubt, to the extent these two Motions overlap, the Debtors seek authority to pay any obligation only once.

3. Retirement Plans

60. The Verity Debtors also offer eligible Employees the opportunity to participate in various retirement plans, including three defined benefit plans (Verity Health System Retirement Plan A, Verity Health System Retirement Plan B, and the Retirement Plan for Hospital Employees), each funded according to IRS rules and actuarial determinations, two employer-funded defined contribution plans (Verity Health System Retirement Plan Account and Verity Health System Supplemental Retirement Match Plan 401(a)¹²), and two defined contribution plans funded by voluntary employee pre-tax payroll deferrals (Verity Health System Supplemental Retirement Plan TSA/403(b)¹³ and Verity 457(b) Plan¹⁴ (“457(b) Plan”).

61. VMF offers its Represented Employees and non-represented Employees the opportunity to participate in two defined contribution plans (Verity Medical Foundation 401(k) Plan and Verity Medical Foundation Management Bargaining Unit Employees 401(k) Plan) which allow for voluntary employee pre-tax deferrals, matching contributions and employer provided contributions (together with the defined benefit plans, defined contribution plans, and 457(b) Plan, the “Retirement Plans”).

62. Employees participating in these programs may contribute up to the federal statutory cap per year. The Debtors deduct the employee pre-tax deferrals from Employee paychecks. The Debtors provide a match benefit for certain Employees of 50% up to 6% of annual salary or 35% up to 5% of annual salary (under the Verity Health System plans) or 75% up to 4% of the annual salary for Employees (under the VMF plans), provide formula-based nondiscretionary defined contribution allocations, and contribute actuarially determined required cash contributions to the defined benefit plans; the Debtors do not contribute to any other Retirement Plans. Employee contributions are remitted immediately following each pay date.

¹² The name of these plans comes from § 401(a) of the Internal Revenue Code (“IRC”), which provides for money purchase type retirement plans for employees.

¹³ The name of these plans comes from § 403(b) of the IRC, which provides for tax-sheltered retirement plans for employees of certain 501(c)(3) tax-exempt organizations.

¹⁴ The name of these plans comes from IRC § 457(b), which provides for non-qualified, tax-advantaged deferred compensation retirement plans for employees of certain employers.

1 Failure to timely forward the Employees' Retirement Plan deductions may be a violation of the
2 Employee Retirement Income Security Act of 1974, as amended ("ERISA"), resulting in potential
3 personal liability for the Debtors' officers for such deducted amounts. The Debtors believe that
4 maintaining the Retirement Plans is critical to maintaining Employee morale. Furthermore,
5 certain of these retirement benefits are required by CBAs.

6 63. The Debtors seek authority to pay their matching contributions that accrued and
7 remain unpaid as of the Petition Date for the Retirement Plans and to deliver the Employee
8 contributions in connection with the payment of Wages and Withholding Obligations described
9 above. Administration fees for the defined contribution plans are paid by the Employee
10 participants while administration for the defined benefit plans are paid by the Debtors. The
11 Debtors also seek authority to continue to pay, in their discretion and in the ordinary course of
12 their business, matching contributions for the Retirement Plans incurred postpetition. The
13 Debtors do not believe these additional payments will increase the total of the payments already
14 then made for prepetition Employee Obligations to exceed the statutory limit for priority claims
15 of \$12,850; however, if that is not the case, the Debtors believe that any prepetition costs related
16 to these retirement benefits are *de minimis*, and the Debtors request authority to pay in their
17 discretion any such prepetition costs to maintain Employee morale and ensure the orderly
18 administration of the Estates.

19 4. Miscellaneous Employee Benefit Plans

20 64. The Debtors also offer their eligible Employees the opportunity to participate in an
21 IRS Section 125¹⁵ Cafeteria Plan through Alliant Choice Plus, which includes voluntary critical
22 care insurance, pet insurance, auto and home insurance. The healthcare reimbursement account
23 and dependent care reimbursement account are administered through Healthnow, and long-term
24 care is administered through UNUM. All of these programs are 100% funded by the Employees
25 and are paid for through payroll deductions. The Debtors request authority to continue to honor
26 these programs, in their discretion, and to continue distributing to third-parties the payments for

27 _____

or more qualified benefits (as defined in the IRC) that are excluded from income.

these programs in connection with the payment of Wages and Withholding Obligations as described above, including the distributions of payments that are for prepetition amounts due.

IV.

DISCUSSION

Sections 105(a) and 363(b)(1) and (c)(1) and the “necessity of payment” doctrine provide statutory support for the requested relief. Specifically, § 363(b)(1) of the Bankruptcy Code authorizes a debtor in possession to use property of the estate other than in the ordinary course of business after notice and a hearing; and § 363(c)(1) of the Bankruptcy Code authorizes a debtor in possession to enter into transactions in the ordinary course of business without notice and a hearing. LBR 2081-1(a)(6) also expressly permits a debtor to seek to pay prepetition employee obligations.

Moreover, the Employee Obligations that the Debtors request authority to pay and/or honor are entitled to priority in payment under §§ 507(a)(4), (5) and (8)(D). If the aggregate prepetition Wages, Employee Benefits and PTO that accrued within the 180 days prior to the Petition Date exceed the sum of \$12,850 allowable as a priority claim under §§ 507(a)(4) and (5) for any individual Employee, the Debtors are not requesting, by this Motion, authority to pay any such excess amounts. Thus, the Debtors request authority to pay or honor all Wages, Employee Benefits and PTO in the ordinary course of business but only up to the \$12,850 priority cap for each Employee.

A. This Court Has Authority Pursuant to §§ 105(a) and 363(b)(1) and (c)(1) to Grant the Relief Requested

Pursuant to § 105(a), “the court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). Essentially, § 105(a) provides a statutory counterpart to the bankruptcy court’s otherwise inherent and discretionary equitable powers. *See In re Sasson*, 424 F.3d 864, 874 (9th Cir. 2005); *In re Halvorson*, 581 B.R. 610, 636 n.91 (Bankr. C.D. Cal. 2018).

Utilizing § 105(a), bankruptcy judges in this district have recognized the existence of:

some case law and some authority in the court’s rules in Rule 2081-1(a)(6), which allows immediate payment of claims, often on first day

1 motions, based on the recognition of the critical need to pay prepetition
2 wage and commission claims to employees and specified independent
3 contractors so that they continue to work for the debtor and render services
to the debtor to help it continue operations as a going concern and to
reorganize in a Chapter 11 bankruptcy case.

4 *In re EcoSmart, Inc.*, Case No. 15-27139 (RK), 2015 WL 9274245, at *4 (Bankr. C.D. Cal. Dec.
5 18, 2015) (citing LBR 2081-1(a)(6) and 2 March, Ahart and Shapiro, *California Practice Guide:*
6 *Bankruptcy*, ¶ 11:386, at 11–45 (2014) (“Most courts allow payment of prepetition employee
7 wages up to the priority amount under the ‘*necessity of payment*’ doctrine, which permits
8 immediate payment of creditors who will not supply services or material essential to the conduct
9 of the business until their prereorganization claims are paid.”) (emphasis in original)).

10 Bankruptcy judges in this district routinely grant motions to pay prepetition wages that are
11 entitled to priority. *See, e.g., In re Gardens Reg’l Hosp. & Med. Ctr., Inc.*, Case No. 16-17463-
12 ER, Docket No. 68 (Bankr. C.D. Cal. June 10, 2016); *In re Gordian Med., Inc.*, Case No. 12-
13 12399-MW, Docket No. 57 (Bankr. C.D. Cal. March 5, 2012); *In re Victor Valley Cmty. Hosp.*,
14 Case No. 10-39537-CB, Docket No. 30 (Bankr. C.D. Cal. Sep. 17, 2010); *In re Downey Reg’l*
15 *Med. Ctr.-Hosp., Inc.*, Case No. 09-34714-BB, Docket No. 37 (Bankr. C.D. Cal. Sep. 17, 2009);
16 *In re Pleasant Care Corp.*, Case No. 07-12312-EC, Docket No. 47 (Bankr. C.D. Cal. Mar. 27,
17 2007). Courts either rely on the doctrine of necessity or a combination of § 507(a)(4) and LBR
18 2081-1(a)(6) to allow for the payment of prepetition employee wage claims up to the priority cap
19 set forth in § 507(a)(4). *EcoSmart*, 2015 WL 9274245, at *9. Thus, as long as the Debtors
20 “demonstrate . . . the priority status of wage, salary and commission claims of its employees and
21 independent contractors under 11 U.S.C. § 507(a)(4)(A) and (B),” such demonstration will
22 “warrant immediate payment in advance of general distribution on prepetition claims.” *Id.* That
23 is the extent of the relief the Debtors are requesting in this Motion.

24 The Debtors are mindful that in *In re B&W Enters.*, 713 F.2d 534 (9th Cir. 1983), the
25 Ninth Circuit refused to extend the “necessity of payment” doctrine beyond the railroad
26 reorganization case where the debtor made unauthorized postpetition payments to trade suppliers
27 on prepetition debts. In *B&W*, after conversion to chapter 7, the trustee sought to recover the
28 payments under § 549. That case is factually distinguishable from the instant one in that *B&W* (a)

1 involved ordinary trade suppliers for which the claims were not entitled to priority, (b) did not
2 seek prior court approval for the payments, and (c) was liquidating, thereby rendering the
3 “necessity” of such payments moot. Moreover, the U.S. Supreme Court, in *Czyzewski v. Jevic*
4 *Holding Corp.*, has recognized that courts “approve[] interim distributions that violate ordinary
5 priority rules,” generally when there are “significant Code-related objectives that the priority-
6 violating distributions serve,” including “payment of employees’ prepetition wages.” 137 S.Ct.
7 973, 985 (2017).

8 For a number of reasons, the Bankruptcy Code affords special treatment to certain
9 prepetition claims of employees. Compared to a typical claim in bankruptcy, wages represent a
10 large part of an employee’s wealth. In addition, unlike an ordinary trade creditor, the typical
11 employee does not have other sources of income and thus cannot diversify the risk of the
12 employer’s default.

13 Due to the timing of the commencement of these Cases, the Employees are owed accrued
14 prepetition Wages for which payment is due on September 7, 13 and 14, 2018. These Wages
15 cannot be paid without the approval of this Court. The failure of the Debtors to pay the Wages
16 timely in the ordinary course of their business would result in a blow to Employee morale that in
17 all likelihood would lead to employee turnover and other serious and irreparable disruptions of
18 the Debtors’ operations as well as possible harm to the Patients. Any significant number of
19 Employee departures or deterioration in morale, especially at this sensitive time, will substantially
20 and adversely impact the Debtors’ ability to operate the Hospitals and medical clinics and result
21 in immediate and irreparable harm to the Debtors’ estates.

22 The Debtors submit that the amounts to be paid pursuant to this Motion are comparatively
23 small in light of the importance and necessity of preserving the Employees’ services and morale
24 and the difficulties and losses the Debtors will suffer if Employee morale is low or if they leave in
25 significant numbers. The Debtors further submit that there is ample justification for their belief
26 that even the slightest delay in providing this relief to their Employees will hamper operations and
27 damage the Debtors’ estates. As a consequence, the Debtors are anxious to reassure their
28 Employees.

Many Employees live from paycheck to paycheck and rely exclusively on receiving their full compensation or reimbursement of their expenses in order to continue to pay their daily living expenses. These Employees may be exposed to significant financial and healthcare related problems if the Debtors is not permitted to pay and/or honor the Wages, PTO policy and Employee Benefits, and the expenses associated therewith in the ordinary course of the Debtors' business. It is critical, therefore, that the Debtors be permitted to pay outstanding, non-discretionary prepetition Wages that would otherwise constitute priority claims against the Debtors' estates, to honor their prepetition PTO policy regarding the use of accrued PTO and the payment for it upon termination, and to continue to fund their Employee Benefits. To fail to do so would be devastating to the Employees' morale and could lead to the loss of key Employees at this critical time, which could impact Patient care.

Additionally, the Withholding Obligations do not constitute property of the Debtors' Estates. They principally represent Employee earnings that governments (in the case of taxes), Employees (in the case of voluntary Withholding Obligations) and judicial authorities (in the case of involuntary Withholding Obligations), have designated for deduction from Employee paychecks. The failure to transfer these withheld funds could result in hardship to certain Employees and liability for the Debtors. The Debtors expects that if these Withholding Obligations are not paid, the Debtors will receive inquiries from garnishors regarding the Debtors' failure to submit, among other things, child support and alimony payments, which are not the Debtors' property but, rather, have been withheld from Employee paychecks. Moreover, if the Debtors cannot remit these amounts, the Debtors and their Employees may face legal action due to the Debtors' failure to remit these payments.

B. This Court Has Authority Pursuant to LBR 2081-1(a)(6) to Grant the Relief Requested

As discussed above, the LBR provide a roadmap toward the "immediate payment of claims, often on first day motions, based on the recognition of the critical need to pay prepetition wage and commission claims to employees . . . so that they continue to work for the debtor and render services to the debtor to help it continue operations as a going concern and to reorganize in

1 a Chapter 11 bankruptcy case.” *EcoSmart*, 2015 WL 9274245, at *4; LBR 2081-1(a)(6). The
2 Debtors satisfy all the listed elements in these Cases:

3 The Employees are still employed by the Debtors. In satisfaction of LBR 2081-
4 1(a)(6)(A), the Wages the Debtors propose to pay are for Employees who are still employed by
5 the Debtors.

6 The proposed payments to Employees are absolutely necessary. In satisfaction of LBR
7 2081-1(a)(6)(B), albeit otherwise needless to say, it is essential for the Debtors to retain the
8 Employees to operate the Debtors’ business, particularly during this crucial beginning phase of
9 the Debtors’ Cases, where additional administration and other obligations are imposed upon the
10 Debtors. The Debtors are concerned that a failure to honor their payroll obligations will result in
11 Employees leaving their jobs, refusing to provide services to the Debtors – including essential
12 medical services to their Patients – and interfering with the administration of these Cases. As
13 opposed to the Debtors’ focusing their efforts on case administration, the Debtors would instead
14 be preoccupied with addressing dissatisfied Employee complaints. Without the Employees’
15 support, the Debtors’ business will be severely impaired, if not irreparably harmed.

16 These proposed payment procedures are beneficial to the Estates. The Debtors seek only
17 to honor the Employee Obligations which would constitute priority claims pursuant to § 507.
18 Such claims would otherwise be required to be paid prior to general unsecured claims in any
19 subsequent distribution of assets. However, if the Debtors do not honor such Employee
20 Obligations now, the Debtors run a serious risk of losing Employees, and the loss of Employees
21 would be severely detrimental to the Debtors’ business, which translates to a risk to the well-
22 being of the Patients, to any prospect of reorganization and to the Debtors’ goal of maximizing a
23 recovery for unsecured creditors. Accordingly, LBR 2081-1(a)(6)(C) is satisfied.

24 With the requested first-day relief, the Debtors’ prospect of reorganization is heightened.
25 With regard to LBR 2081-1(a)(6)(D), the Debtors’ prospect of reorganization is certainly higher
26 with the relief requested herein than without it.

27 The Debtors do not seek to pay any prepetition claims of any insiders at this time. In
28 satisfaction of LBR 2081-1(a)(6)(E), the Employees referenced herein are not insiders of the

1 Debtors. The Debtors are not requesting to pay anyone classified as an insider pursuant to this
2 Motion.

3 The Employees' claims are within the limits established by § 507 of the Bankruptcy Code.
4 In satisfaction of LBR 2081-1(a)(6)(F), the Debtors only seek authority to: (i) pay and/or honor
5 all prepetition Wages of the Employees; and (ii) honor accrued PTO and other Employee Benefits
6 in the ordinary course of business, provided that no Employee shall receive more than \$12,850 in
7 value on account of prepetition claims for Employee Obligations.

8 The proposed payments will not render the Estates administratively insolvent. Finally, in
9 satisfaction of LBR 2081-1(a)(6)(G), the source of the funds to be used to pay and/or honor the
10 prepetition Employee Obligations will be the Debtors' cash. The Debtors believe that their cash
11 is sufficient to pay the Wages without rendering their Estates administratively insolvent.

12 **C. The Prepetition Wages and Prepetition Employee Benefits Are**
13 **Priority Claims Under Bankruptcy Code §§ 507(a)(4) and (5)**

14 Pursuant to § 507(a)(4)(A), claims of Employees of the Debtors for "wages, salaries, or
15 commissions, including vacation, severance, and sick leave pay" earned within 180 days before
16 the Petition Date are afforded priority unsecured status to the extent of \$12,850 per Employee.
17 Similarly, § 507(a)(5) provides that Employees' claims for contributions to certain employee
18 benefit plans are also afforded priority unsecured status to the extent of \$12,850 per Employee
19 covered by such plan, less any amount paid pursuant to § 507(a)(4). The Debtors believes that
20 the Wages, PTO policy and Employee Benefits relating to the 180-day period prior to the Petition
21 Date constitute priority claims under §§ 507(a)(4) and (5). As priority claims, they must be paid
22 in full before any general unsecured obligations of the Debtors may be satisfied. Accordingly, the
23 relief requested may affect only the timing of the payment of these priority obligations and will
24 not prejudice the rights of general unsecured creditors or other parties in interest.

25 With respect to prepetition Wages, PTO policy and Employee Benefits, no Employees
26 will be paid on account of claims above the \$12,850 amount stated in §§ 507(a)(4) and (5) of the
27 Bankruptcy Code.
28

D. Maintaining the Employee Benefits Is Within the Debtors' Business Judgment

The Debtors' relationships with the Employees, including the terms and conditions of their employment, are matters subject to the Debtors' business judgment and may be managed by the Debtors in the "ordinary course of business." See *In re All Seasons Indus.*, 121 B.R. 822, 825-26 (Bankr. N.D. Ind. 1990); *In re Pac. Forest Indus., Inc.*, 95 B.R. 740, 743 (Bank. C.D. Cal. 1989) ("Employees do not need court permissions to be paid and are usually paid as a part of the ongoing operation of the business."). This doctrine also applies to accrued employee benefits such as paid time off and leave policies. See *In re Canton Castings, Inc.*, 103 B.R. 874, 876 (Bankr. N.D. Ohio 1989). The maintenance of the Debtors' benefit programs is an important part of the Debtors' relationships with their employees that is within the Debtors' business judgment.

Finally, the Withholding Obligations represent funds that the Debtors are not entitled to hold for any protracted period, since the Debtors effectively holds these amounts in trust and the Employees themselves hold a direct claim against such funds.

E. Honoring of Checks and Transfers Related to Employee Obligations and Maintenance of Payroll Accounts

The Debtors further request that their bank be authorized and directed to receive, process, honor and pay all checks presented for payment and to honor all transfer requests made by the Debtors related to Employee Obligations, whether such checks were presented or funds transfer requests were submitted prior to or after the Petition Date (including checks that have been presented and dishonored), to the extent that the relevant accounts contain sufficient funds. The Debtors will identify to the banks the checks that are to be honored pursuant to an order approving this Motion. Accordingly, checks other than those for Employee Obligations should not be honored inadvertently. Moreover, the Debtors expect to have sufficient funds to pay all Employee Obligations, to the extent described herein, on an ongoing basis and in the ordinary course of business.

V.

CONCLUSION

WHEREFORE, for all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing on this Motion, the Debtors respectfully requests that this

1 Court enter an order: (i) authorizing the Debtors, in their discretion, to (a) pay or honor
2 prepetition wages, salaries, employee benefits, and other compensation, (b) remit withholding
3 obligations, (c) maintain workers' compensation and benefits programs, (d) pay related
4 administration obligations, and (e) pay reimbursable employee expenses; (ii) authorizing and
5 directing the applicable bank to pay all checks and electronic payment requests made by the
6 Debtors relating to the foregoing; and (iii) granting such other and further relief as is just and
7 proper under the circumstances.

12 Having further considered the arguments of counsel, and finding that the Emergency
13 Motion and the relief it seeks is in compliance with the Bankruptcy Code, Bankruptcy Rules, and
14 Local Bankruptcy Rules;

15 IT IS HEREBY ORDERED that the Objections, to the extent not expressly resolved under
16 the terms of this Order, are OVERRULED.

17 IT IS FURTHER ORDERED that the Emergency Motion is GRANTED on a FINAL
18 BASIS as set forth in the Court’s record and the *concurrently-issued Memorandum of Decision*

22 IT IS FURTHER ORDERED that the Debtors are authorized, in their sole discretion, to
23 do the following:

24 1. To honor and pay all Wages for Employees of Verity Health Systems of
25 California, Inc., O’Connor Hospital, Saint Louise Regional Hospital, and St. Vincent Medical
26 Center that have been accruing commencing August 19, 2018, to the date of the Petition, payable
27 September 7, 2018, totaling approximately \$11,560,517;

2. To honor and pay all Wages for Employees of Verity Medical Foundation that have been accruing commencing August 20, 2018, to the date of the Petition, payable September 7, 2018, totaling approximately \$1,065,623;

3. To honor and pay all Wages for Employees of St. Francis Medical Center, Seton Medical Center and Seton Medical Center Coastsides, and Verity Business Services that have been accruing commencing August 26, 2018, to the date of the Petition, payable September 13 and 14, 2018, totaling approximately \$2,727,235;

4. To honor the collective bargaining agreements (“CBA”) with SEIU, and remedy, through payment, any error identified by any Employee represented by SEIU regarding payroll made on August 30, 2018 on account of prepetition Wages; provided, however, that the Employee shall identify such errors within 24 hours of payroll in accordance with the terms of the CBA. For the avoidance of doubt, a Debtor will honor all valid CBAs to which it is a party and in accordance with law, and non-SEIU represented employees retain all rights to challenge payroll errors made regarding such prepetition Wages;

5. To pay to ADP, postpetition, the fees due ADP that arose prepetition, not to exceed \$4,500;

6. To honor and pay all accrued and unpaid prepetition Withholding Obligations (whenever payable) totaling approximately \$3,726,816;

7. To honor and pay accrued and unpaid prepetition Union Obligations (as that term is defined in the Motion) that arose within 180 days that totals approximately \$176,526. To the extent there are other unpaid prepetition Union Obligations that constitute a priority claim under bankruptcy section §§ 507(a)(4) or (a)(5), they may be paid subject to availability under the priority cap of section §§ 507(a)(4) and (a)(5);

8. To honor and pay all unpaid prepetition Reimbursement Obligations to Employees totaling approximately \$30,200;

9. To honor and pay any contractually agreed bonuses that accrued within 180 days prepetition when their services with the Debtors are terminated so long as the total of payments

1 already then made for prepetition Employee Obligations and bonuses does not exceed \$12,850
2 per Employee;

3 10. For the avoidance of doubt, the Debtors are authorized to continue to pay
4 severance obligations to employees as they arise, consistent with the priority scheme set forth
5 under the Bankruptcy Code and the relevant severance policies, including (i) priority treatment
6 under section 507(a)(4) with respect to amounts that accrue prepetition (including rejection claim
7 damages that are deemed to have accrued immediately prior to the filing of bankruptcy); and
8 (ii) administrative expense treatment with respect to severance payments earned in their entirety
9 subsequent to the Petition Date. This provision does not obviate the limitations and requirements
10 of section 503(c) concerning severance payments to insiders, or the one year limitation on
11 employee wage claims contained under section 502(b)(7).

12 11. To honor and pay the Paid Time Off (“PTO”) and Extended Sick Leave (“ESL”) obligations
13 that accrued prepetition, allowing Employees to utilize postpetition all prepetition
14 PTO and ESL in the ordinary course of the Debtors’ business;

15 12. To pay, in the Debtors’ sole discretion, Employees for unused PTO and/or ESL, as
16 permitted per Hospital policy and relevant CBA terms, that accrued within 180 days prepetition
17 so long as the total of payments already then made for prepetition Employee Obligations and
18 PTO/ESL does not exceed \$12,850 per Employee;

19 13. To pay accrued and unpaid prepetition amounts relating to employee health
20 insurance as follows: (a) approximately \$3,162,816 to Healthnow for claims against the self-
21 insured medical plans; (b) approximately \$48,060 to Cigna and Delta Dental for claims against
22 the self-insured dental plans; (c) approximately \$60,150 to VSP for claims against the self-
23 insured vision plans; and (d) any administration fees and premiums, and to deliver the
24 Employees’ portion of any accrued and unpaid prepetition premiums to the corresponding
25 administrators in connection with the payment of the Wages and Withholding Obligations;

26 14. To maintain the Debtors’ self-insured and fully-insured medical, dental and vision
27 insurance plans, including to continue to pay, in their discretion and in the ordinary course of
28 their business, the administrative fees, medical, dental, and vision claims and premiums for all

1 health plans incurred postpetition; and to deliver the Employees' portion of any premiums to the
2 corresponding administrators in connection with the payment of the Wages and Withholding
3 Obligations; and to continue making contributions into the Local 39 Stationary Engineers' Health
4 and Welfare Plan;

5 15. To pay postpetition (when payable) any amounts that accrued prepetition for
6 Continuation Health Coverage ("COBRA"), and to continue to perform any obligations related
7 thereto in the ordinary course of business;

8 16. To pay UNUM (when payable) the amount of approximately \$209,838, including
9 \$34,983 held in trust from Employee contributions for Employee premium-based group life
10 insurance and accidental death and disability ("AD&D") insurance; and Employee supplemental
11 life and AD&D and voluntary programs;

12 17. To pay Cigna (when payable) approximately \$108,035 for short term disability
13 coverage premiums and \$110,643 for long term disability premiums;

14 18. To continue to honor their workers' compensation insurance obligations, including
15 paying Lockton and Sedwick in the ordinary course of their business;

16 19. To pay Cigna (when payable) approximately \$10,293 on account of prepetition
17 claims under the Federal Medical Leave Act and California Family Rights Act;

18 20. To pay Optum (when payable) approximately \$13,507 on account of prepetition
19 obligations accrued under an employee assistance program;

20 21. To pay matching contributions of approximately \$296,384 that accrued and remain
21 unpaid as of the Petition Date for the Retirement Plans and to deliver the Employee contributions
22 and administration fees held by the Debtors in trust;

23 22. To the extent not expressly identified above, prepetition wages and benefits,
24 including contributions that may be due or arise on all defined contribution plans and defined
25 benefit plans, may be paid as a priority claim to the extent there is availability under the priority
26 cap of §§ 507(a)(4) and (a)(5);

27 23. To continue to honor, in their discretion and in the ordinary course of their
28 business, miscellaneous employee benefit programs that are Employee-funded (e.g., cafeteria

1 plan, critical care insurance, pet insurance, auto and home insurance), and to distribute to third-
2 parties the payments for these programs in connection with the payment of Wages and
3 Withholding Obligations; and

4 24. To continue to pay, in the ordinary course of their business, Employee-related
5 expenses and obligations that accrue postpetition in the ordinary course of the Debtors' business.
6 For the avoidance of doubt, this includes: postpetition contributions for active Employees into the
7 Local 39 Stationary Engineers' defined benefit pension plan and trust; contributions for active
8 California Nurses Association (CNA) represented Employees accruing new benefits into the
9 Retirement Plan for Hospital Employees and Verity Health System Retirement Plan A in the
10 amounts and on the dates set forth on the schedules attached to Declaration of Carlos De La Para
11 (Exhibit 1 to Dkt. 310); and wages and accruing benefits earned for postpetition work for active
12 Employees, including those represented by UNAC, CNA, Local 39 and SEIU-UHW.

13 IT IS FURTHER ORDERED that all the Debtors' banks – including Bank of America and
14 Wells Fargo – are authorized *and directed* to immediately do the following:

15 1. To immediately unfreeze the Debtors' accounts, including their payroll and other
16 Employee-related disbursement accounts;

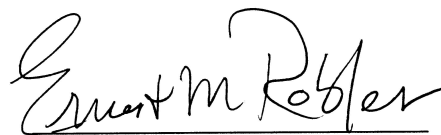

17 2. With regard to the foregoing obligations, to debit the Debtor's accounts in the
18 ordinary course of business without need for further order of this Court for: (i) all checks, items,
19 and other payment orders drawn on the Debtor's accounts which are cashed at such Bank's
20 counters or exchanged for cashier's checks by the payees thereof prior to the Bank's receipt of
21 notice of filing of the Petition; (ii) all checks, automated clearing house entries, and other items
22 deposited or credited to one of Debtor's accounts with such bank prior to filing of the Petition
23 which have been dishonored, reversed, or returned unpaid for any reason, together with any fees
24 and costs in connection therewith, to the same extent the Debtor was responsible for such items
25 prior to filing of the Petition; and (iii) all undisputed prepetition amounts outstanding as of the
26 date hereof, if any, owed to any Bank as service charges for the maintenance of the Debtors' cash
27 management system;
28

3. For the avoidance of doubt, to honor all items presented against the Bank Accounts, whether originated prepetition or postpetition and whether or not authorized by other orders; and

4. To rely on the representations of the Debtor with respect to whether any check, item, or other payment order drawn or issued by the Debtor prior to filing of the Petition should be honored pursuant to this or any other order of this Court and the DIP Documents, and such Bank shall not have any liability to any party for relying on such representations by the Debtor as provided for herein.

Before the Court are objections asserted by the Retirement Plan for Hospital Employees (“RPHE”), the Service Employees International Union, United Healthcare Workers-West (“SEIU-UHW”), the United Nurses Associations of California/Union of Health Care Professionals (“UNAC”), and the California Nurses Association (“CNA”) (collectively, the “Objectors”) to the Debtors’ proposed treatment of certain defined benefit pension obligations. For the reasons set forth below, the Court finds that the Objectors’ request for a determination that certain pension underfunding obligations constitute an administrative expense is not properly before the Court. Therefore, the Objectors’ request that the pension underfunding obligations be accorded administrative claims treatment is denied without prejudice to the Objectors’ ability to raise the issue by way of motion.

I. Background

On August 31, 2018 (the “Petition Date”), Verity Health Systems of California, Inc. (“VHS”) and certain of its subsidiaries (collectively, the “Debtors”) filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code.¹ On August 31, 2018, the Court entered an order

¹ The Court has reviewed the following papers in adjudicating this matter:

- 1) Emergency Motion of Debtors for Order: (I) Authorizing the Debtors to (A) Pay Prepetition Employee Wages and Salaries, and (B) Pay and Honor Employee Benefits and Other Workforce Obligations; and (II) Authorizing and Directing the Applicable Bank to Pay All Checks and Electronic Payment Requests Made by the Debtors Relating to the Foregoing [Doc. granting the Debtors' motion for joint administration of the Debtors' Chapter 11 cases. Doc. No. 17.

On September 5, 2018, the Court entered an *Order Granting Emergency Motion of Debtors for Entry of Order: (I) Authorizing the Debtors to (A) Pay Prepetition Employee Wages and Salaries, and (B) Pay and Honor Employee Benefits and Other Workforce Obligations; and (II) Authorizing and Directing the Applicable Bank to Pay all Checks and Electronic Payment Requests Made by the Debtors Relating to the Foregoing* [Doc. No. 75] (the "Prepetition Wages Order"). The Prepetition Wages Order authorized the Debtors to pay wages and employee benefits that had been accrued pre-petition, up to the priority amounts set forth in §507(a)(4) and (5).

The Prepetition Wages Order further authorized the Debtors to continue to pay, in the ordinary course of business, certain post-petition pension obligations. *See Prepetition Wages Order* at ¶23.

At the interim hearing on the Prepetition Wages Motion, the Service Employees International Union, United Healthcare Workers-West ("SEIU-UHW") requested that the Prepetition Wage Order be entered on an interim, rather than final, basis. SEIU-UHW requested that a final hearing be held so that it could have the opportunity to object to the Debtors' position regarding the payment of various pension obligations. The Debtors did not oppose entry of the Prepetition Wage Order on an interim basis. The Court set this final hearing on the Prepetition Wages Motion to allow the parties an opportunity to object to the Debtors' proposal with respect to the ongoing payment of defined benefit pension obligations. No parties object to the Debtors' payment to employees of prepetition wages and benefits; at issue is the Debtors' ongoing obligation to make postpetition payments in connection with various defined benefit pension obligations.

A. Background Information on Defined Benefit Pension Plans

Defined benefit pension plans are employer-funded retirement plans created for the benefit of both active and inactive participating employees. Under a defined benefit pension plan, a pension fund is obligated to pay a specified benefit to employees covered by the plan upon their retirement and in accordance with the terms of the plan document. Thus, as employees earn their retirement benefits over time, the pension fund is accumulating fixed liabilities that will become due as employees retire and begin collecting their pensions. All defined benefit plans are funded through contributions made by employers that have employees participating in the plan.

Defined benefit pension plans apply the employers' contributions to satisfy three separate categories of costs. First, the contributions are used to pay for the expenses of administering the plan, including, for example, investment advisor and legal fees. Second, the contributions are used to pay for the value of the new benefits that accrue for participants each year. Although there can be some variation in how the value of those benefits is determined, actuaries refer to that value as the "normal cost" of the plan. If, after satisfying both administrative costs and the normal cost, there are any funds remaining from the contribution made by employer(s), those funds are used to satisfy underfunding or to create or increase a surplus.

Thus, at any given point in time, a defined benefit pension plan uses contributions made by an employer to satisfy one of three categories of costs: costs of administering the fund, the "normal cost," and the costs of underfunding. The percentage of contributions allocated to each category of costs varies by plan and depends on a variety of factors, including a plan's funding levels.

B. Characteristics of the Debtors' Defined Benefit Pension Plans

Debtor VHS maintains two single employer defined benefit pension plans—Verity Plan A and Verity Plan B. VHS participates in two multi-employer defined benefit pension plans—the Retirement Plan for Hospital Employees (“RPHE”) and the Local 39 Stationary Engineers’ Plan (the “Local 39 Plan”). Debtors VHS and Verity Medical Foundation (“VMF”) also maintain several defined contribution retirement plans for employees, which are not at issue.

In 2012, the RPHE was amended to freeze all future benefit accruals, except that the freeze does not apply to members of the California Nurses Association (“CNA”) employed at O’Connor Hospital, Saint Louise Regional Medical Center, or Seton Medical Center. Employee benefits under the RPHE are calculated under a formula that considers the employee’s years of service and compensation. VHS contributions to the RPHE are based on actuarially determined amounts established by the RPHE Board of Trustees.

Verity Plan A has been frozen as to all future benefit accruals, except that CNA members may continue to accrue new benefits. Verity Plan B has been completely frozen, such that no employees are eligible to accrue ongoing benefits.

Verity Plan A and the RPHE are both underfunded, according to documents filed with the Department of Labor in 2016. Verity Plan A holds current assets worth approximately \$259 million, but has current liabilities of approximately \$423 million.² RPHE holds current assets worth approximately \$1.06 billion, but has current liabilities of approximately \$2.07 billion.³

A substantial percentage of VHS’ liability under both Verity Plan A and the RPHE is attributable to underfunding costs. For the reasons more fully explained below, at this juncture it would be premature for the Court to make any findings regarding the exact amount of VHS’ underfunding liabilities. However, to provide context, the Court notes that according to RPHE, VHS’ underfunding liability in connection its pension plan is \$2,494,941 for the period from September 1 through December 31, 2018; VHS’ liability for the plan’s normal costs and costs of administration for the same period is \$1,756,757.

C. The Debtors' Collective Bargaining Agreements

Certain of the Debtors are parties to collective bargaining agreements (“CBAs”) with SEIU-UHW, CNA, and UNAC. The Debtors have not sought authorization to reject any of the CBAs pursuant to §1113. The terms of the CBAs require the Debtors to continue to make contributions to Verity Plan A and the RPHE.

D. The Postpetition Financing Order

On October 4, 2018, the Court entered a *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Doc. No. 409] (the “Final Financing Order”). Among other things, the Final Financing Order authorized the Debtors to obtain postpetition financing from Ally Financial, Inc. (the “DIP Lender”) and to spend the proceeds of such financing in accordance with the *Debtor in Possession Budget* (the “DIP Budget”). Under the DIP Budget,

² See Schedule SB (Form 5500), Single-Employer Defined Benefit Plan Actuarial Information, at lines 2(a) and 3(d) [Doc. No. 214, Ex. A].

³ See Schedule MB (Form 5500), Multiemployer Defined Benefit Plan and Certain Money Purchase Plan Actuarial Information, at lines 2(a) and 2(b)(4) [Doc. No. 214, Ex. B].

the Debtors' payments to Verity Plan A and the RPHE do not include liabilities arising on account of underfunding.

E. Objections to the Prepetition Wages and Financing Motions Asserted by RPHE, SEIU-UHW, CNA, and UNAC

RPHE, SEIU-UHW, CNA, and UNAC (the "Objectors") object to the exclusion of the Debtors' pension underfunding obligations from the DIP Budget and from the proposed postpetition wage payments. According to the Objectors, pension underfunding obligations constitute an administrative expense that must be provided for in the DIP Budget and that must be paid simultaneously with the Debtors' payment of wages and other operational costs. RPHE contends that if pension underfunding obligations are not paid on a weekly basis, the Debtors' employees will unfairly be forced to bear the risk that the Debtors will not have sufficient funds on hand to pay the obligations at plan confirmation. RPHE asserts that the Debtors' plan to quickly sell the Debtors' two most valuable hospitals heightens this risk. On October 17, 2018, RPHE filed a motion for reconsideration of the Final Financing Order (the "Motion to Reconsider"). The Motion to Reconsider reiterates and expands upon the arguments presented by RPHE in opposition to the Prepetition Wages and Financing Motions, but does not present new arguments or new evidence.

SEIU-UHW, CNA, and UNAC assert an additional, albeit related, objection. According to this subset of the Objectors, the Debtors are required to continue paying pension underfunding obligations unless and until the Court approves the rejection of the Debtors' CBAs pursuant to §1113(f). The Objector's theory is that the Debtors' non-payment of the pension funding obligations constitutes an impermissible breach of the unrejected CBAs.

II. Findings and Conclusions

A. The Objectors' Request for a Determination that the Debtors' Underfunding Obligations Constitute an Administrative Expense is Not Properly Before the Court

Section 503(a) provides that an "entity may timely file a request for payment of an administrative expense, or may tardily file such a request if permitted by the court for cause." Section 503(b) provides for the allowance of administrative expenses after notice and a hearing. Section 1129(a)(9) conditions confirmation of a plan upon payment, in cash, of all administrative expenses as of the effective date of the plan.

According to the leading treatise:

[The Bankruptcy Code] neither expressly prohibits nor expressly authorizes paying administrative expenses earlier than upon the effective date of a plan Generally, courts have held that the timing for payment of administrative claims is a matter to be determined within the discretion of the bankruptcy court. Factors influencing the exercise of this discretion may include the status of the case, the ability of the debtor to pay present claims, the particular needs of administrative claimants and the possibility that future administrative claims may not be paid in full.

4 COLLIER ON BANKRUPTCY ¶ 503.03[2] (Alan N. Resnick & Henry J. Sommer eds., 16th ed.).

In *Spartan Plastics v. Verco Indus. (In re Verco Indus.)*, 20 B.R. 664, 664–65 (B.A.P. 9th Cir. 1982), the court rejected a creditor's contention that it was entitled to immediate payment of an administrative claim, explaining that the "determination of when an administrative expense is to be paid is within the discretion of the trial court." *Verco Industry's* holding has been widely

adopted. *See, e.g., In re LTV Steel Co.*, 288 B.R. 775, 779 (Bankr.N.D.Ohio 2002) (denying immediate payment of administrative expenses because the Bankruptcy Code does not require it and instead requires parity amongst administrative claims); *In re Chi-Chi's, Inc.*, 305 B.R. 396, 401 (Bankr. D. Del. 2004) (stating that “distributions prior to confirmation of a plan are usually disallowed when the estate may not be able to pay all administrative expenses in full”); *Varsity Carpet Serv., Inc. v. Richardson (In re Colortex Indus., Inc.)*, 19 F.3d 1371, 1384 (11th Cir.1994) (holding that due to the existence of higher priority claims, it was within the discretion of the court to delay payment of administrative expenses).

The objections filed to the Prepetition Wages and Financing Motion seek the following relief: first, a determination that the Debtors’ pension underfunding obligations are an administrative expense; and second, a determination that the Debtors are required to immediately pay this alleged administrative expense. The Court declines to grant either form of relief at this time.

With respect to the first form of relief sought, the request for a determination that the pension funding obligations are an administrative expense is not properly before the Court. Instead of filing noticed motions seeking a determination as to the administrative expense status of the pension underfunding obligations, the Objectors requested the relief in objections to the Debtors’ Prepetition Wages and Financing Motions, and in a motion for reconsideration of the Final Financing Order. As a result of the manner in which the Objectors presented their arguments, the issue has not been fully briefed and the record remains incomplete.

For an issue of this importance and complexity, a complete record is essential. To determine whether the pension underfunding obligations qualify as administrative expenses, the Court must determine whether such obligations qualify as an “actual” and “necessary” cost of preserving the estate. §507(b)(1)(A). Here the determination is both factually and legally intensive, and will most likely require the Court to (1) apply the Employee Retirement Income Security Act (“ERISA”), (2) examine and make findings regarding the actuarial assumptions applied by trustees of the pension plans, and (3) determine what effect, if any, such actuarial assumptions have upon the characterization of the underfunding obligations as a pre-petition or post-petition liability. Because the Objectors did not file separately-noticed motions seeking administrative treatment of the underfunding obligations, the record contains neither sufficient evidence or legal argument to enable the Court to properly decide the issue. Therefore Objectors’ request that the pension underfunding obligations be accorded administrative claims treatment is denied without prejudice to the Objectors’ ability to raise the issue by way of separately noticed motions.

With respect to the second form of relief sought, as discussed above, it is well established that the Court has broad discretion in determining when the Debtors are required to pay an administrative claim. Even if the Debtors’ underfunding obligations do constitute an administrative claim (a finding the Court does not make), nothing in the Bankruptcy Code requires that the claim be immediately paid. Consequently, it is appropriate to require the Objectors to present their arguments regarding this issue by way of motion as contemplated by §503, so that this important issue can be decided based upon a complete record.

B. Section 1113 Does Not Require the Debtors to Immediately Pay the Underfunding Obligations

Certain of the Objectors assert that the Debtors are required to immediately make payments on account of the pension underfunding obligations because the Debtors have not obtained rejection of the CBAs which mandate such payments. In support of this contention, SEIU-UHW

cites *Adventure Resources, Inc. v. Holland (In re Adventure Resources)*, 137 F.3d 786 (4th Cir. 1998), in which the court held that where the debtor had not rejected a collective bargaining agreement under § 1113 forty-three months after seeking bankruptcy protection, the debtor had assumed the collective bargaining agreement through inaction. The *Adventure Resources* court ruled that the debtor was required to make postpetition payments due under the collective bargaining agreement.

Adventure Resources is readily distinguishable. This case is approximately six weeks old. There is no indication that the Debtors are engaged in the type of unreasonable delay with respect to CBAs that was at issue in *Adventure Resources*.

SEIU-UHW's reliance upon *Teamsters Indus. Sec. Fund v. World Sales (In re World Sales, Inc.)*, 183 B.R. 872, 878 (B.A.P. 9th Cir. 1995) is likewise misplaced. *World Sales* held that claims based on the debtor's unperformed post-petition obligations under an unrejected CBA "must be given administrative status, even where the CBA is subsequently modified or rejected pursuant to § 1113." *World Sales*, 183 B.R. 878.

World Sales' holding has been rejected by *In re Certified Air Techs., Inc.*, 300 B.R. 355, 369 (Bankr. C.D. Cal. 2003), which the Court finds to be the better-reasoned opinion. *Certified Air* provides in relevant part:

Section 1113 was enacted to protect the existence of collective bargaining agreements in chapter 11 cases, not to re-order the priority scheme set by Congress in § 507. Had Congress intended for § 1113 to create a super-priority for pre-petition wage and benefit claims arising under a collective bargaining agreement, it would have either included language in § 1113 similar to that incorporated into § 1114 or amended § 507 to reflect the change it intended. Because Congress neither included explicit language in § 1113 to supersede § 507 nor amended § 507 to specifically create a super-priority status for such claims, the court concludes that pre-petition claims for wages and benefits due under a collective bargaining agreement are not entitled to treatment as administrative expenses but are to be accorded priority consistent with § 507.

Certified Air, 300 B.R. at 369.

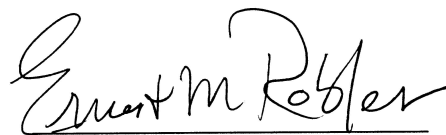

The Court follows *Certified Air*, and finds that claims arising under an unrejected CBA are not entitled to administrative status solely on the grounds that the CBA has not been rejected. This finding does not rule out the possibility that such claims may be entitled to administrative status for other reasons. However, as discussed above, the Court declines to determine at this point whether the Debtors' pension underfunding obligations are entitled to administrative status.

III. Conclusion

Based upon the foregoing, the objections of RPHE, SEIU-UHW, CNA, and UNAC to the Prepetition Wages and Financing Motions are **OVERRULED**. RPHE's motion seeking reconsideration of the Final Financing Order is **DENIED**.

DECLARATION OF JAMES M. MOLONEY

1
2 1. I am a managing director of Cain Brothers (“Cain”), which is a division of
3 KeyBanc Capital Markets Inc., a wholly-owned broker/dealer subsidiary of KeyCorp and an
4 affiliate of KeyBank National Association. My office is in Cain’s San Francisco office which is
5 located at One California Street, Suite 2400, San Francisco, California. Mr. Carsten Beith and I
6 are the co-heads of Cain’s Health Systems Mergers & Acquisition group. I am over the age of
7 18 and competent to testify as to the facts set forth herein and will do so if called upon.

8 2. Except as otherwise stated, all facts contained within this Declaration are based
9 upon my personal knowledge, from information gathered from other employees within the
10 Debtors’ organization, my review of relevant documents, or my opinion based upon my
11 experience concerning the operations of the Debtors.

12 3. I submit this Declaration in support of the *Debtors’ Memorandum in Support of*
13 *Entry of an Order: (A) Authorizing the Sale of Property Free and Clear of all Claims, Liens and*
14 *Encumbrances; (B) Authorizing the Assumption and Assignment of Designated Executory*
15 *Contracts and Unexpired Leases; and (C) Granting Related Relief* (the “Memorandum”) [Docket
16 No. 2115]. All capitalized terms not defined herein have the meaning ascribed to them in the
17 Memorandum.

18 4. Prior to the Petition Date, the Debtors engaged in substantial efforts to market and
19 solicit interest in their assets, including St. Louise Regional Hospital, O’Connor Hospital, St.
20 Vincent Medical Center, St. Francis Medical Center, Seton Medical Center, Seton Coastside
21 Hospital and related assets (collectively, the “Assets”). In June 2018, the Debtors engaged Cain
22 to assist in identifying potential buyers of some or all of the Assets and commenced discussions
23 with those potential buyers. Cain prepared a Confidential Investment Memorandum and
24 organized an online data site to share information with potential buyers and contacted strategic
25 and financial buyers beginning in July 2018. In this initial marketing process, Cain contacted
26 more than 100 potential partners to evaluate their interest in exploring a transaction involving
27 some or all of the Debtors’ assets. By August 2018, as a result of its ongoing and broad
28

1 marketing process, Cain had received 11 “Indications of Interest” from potential buyers of some
2 or all of the Debtors’ assets.

3 5. Postpetition, Cain continued to work with potential buyers for some or all of the
4 Assets. Based on these discussions, the Debtors determined that seeking a buyer for the Debtors’
5 Assets in Santa Clara (the “Santa Clara Assets”) and a separate buyer for the Debtors other Assets
6 would most likely yield higher net proceeds for the Debtors’ estate. After evaluating the
7 Indications of Interest for the Debtors’ Santa Clara Assets, the Debtors, in consultation with Cain
8 and its advisors, (i) began to negotiate a stalking horse bid with potential buyers, and (ii)
9 ultimately selected Santa Clara County (the “County”) to be the stalking horse bidder to acquire
10 the Santa Clara Assets through a sale under § 363 of the Bankruptcy Code. After the selection of
11 Santa Clara County as the stalking horse bidder, the Debtors did not receive any bids and Santa
12 Clara County was determined to be the winning bidder of the Santa Clara Assets. The sale of the
13 Santa Clara Assets to the County was approved by the Court on December 27, 2018 [Docket No.
14 1153].

15 6. Thereafter, Cain focused on marketing of the Debtors’ remaining Assets, including
16 St. Francis Medical Center, St. Vincent’s Medical Center, Seton Medical Center and Seton
17 Coastsides. Mr. Beith and I led the marketing and sale efforts on behalf of the Debtors. As a part
18 of this process, Cain contacted more 189 potential parties to evaluate potential stalking horse
19 bidders for some or all of the Debtors remaining Assets of which 92 had executed a NDA and 18
20 submitted written proposals. Some of the written proposals were preliminary indications of
21 interest and some were more detailed proposals such as the Qualified Bids and Stalking Horse
22 Bids. During these marketing effort, Cain provided access to the virtual data room to those
23 parties that executed NDAs, arranged conference calls to answer questions about the process and
24 the diligence materials, arranged for site visits for potential buyers that requested to visit the
25 hospitals and arranged calls with the Debtors and their advisors to address other questions by
26 potential buyers. During this process, many of the potential purchasers indicated that they were
27 not interested in being the stalking horse bidder. Over the course of those discussions, the
28 Debtors negotiations focused on potential buyers that expressed the most interest in the Debtors’

1 Assets and were actively engaged in the due diligence process. More specifically, during
2 November and December 2018, the Debtors and their advisors had substantial discussions with
3 potential buyers during which Prime Healthcare and Strategic Global Management, Inc. (“SGM”)
4 emerged as the leading potential candidates to be selected as the stalking horse bidder for the
5 Debtors’ remaining assets.

6 7. After extensive negotiations with both parties and careful review of the proposed
7 transactions by the Debtor and its advisors, the Debtors selected SGM as the stalking horse bidder
8 (the “Stalking Horse Bidder”) for the Debtors’ remaining Assets. On January 17, 2019, the
9 Debtors filed their *Motion For The Entry Of (I) An Order (1) Approving Form Of Asset Purchase*
10 *Agreement For Stalking Horse Bidder And For Prospective Overbidders To Use, (2) Approving*
11 *Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections, (3) Approving*
12 *Form Of Notice To Be Provided To Interested Parties, (4) Scheduling A Court Hearing To*
13 *Consider Approval Of The Sale To The Highest Bidder And (5) Approving Procedures Related To*
14 *The Assumption Of Certain Executory Contracts And Unexpired Leases; And (II) An Order (A)*
15 *Authorizing The Sale Of Property Free And Clear Of All Claims, Liens And Encumbrances* (the
16 “Motion”), which sought approval of, among other things, the asset purchase agreement between
17 the Debtors and SGM, as the Stalking Horse Bidder [Docket No. 1279]. On February 19, 2019,
18 the Court entered an order approving the Motion [Docket No. 1572].

19 8. After SGM was approved as the Stalking Horse Bidder and the bidding procedures
20 were approved, Cain sent the Bidding Procedures to the 90 parties with whom the Debtor had
21 previously executed NDAs and included the timetable for the sale of the Debtors’ remaining
22 Assets. Cain also requested that each party confirm that each party continued access to the data
23 room and were interested in continuing to evaluate the purchase of some or all of the Debtors’
24 remaining assets. Nineteen of those parties confirmed that were still evaluating the transaction
25 and requested continued access to the data room.

26 9. Cain facilitated due diligence by potential buyers, including arranging site visits,
27 organizing calls with the Debtors’ leadership team and facilitated follow-up from the Debtors and
28 their advisors to address diligence requests. Of these nineteen interested parties, certain parties

1 evaluated acquiring all the Debtors' remaining Assets, others evaluated acquiring individual
2 hospitals, and others were real estate companies that evaluated purchasing either St. Vincent
3 Medical Center or Seton Medical Center to convert those campuses to non-hospital uses.

4 10. At the end of the marketing period, two parties submitted Qualified Bids, one for
5 St. Vincent Medical Center and one for St. Francis Medical Center, one party submitted a non-
6 Qualified Bid for St. Francis Medical Center and one party submitted a non-Qualified Bid for all
7 of the assets.

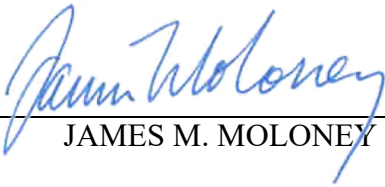

8 11. Consequently, on April 4, 2019, as set forth in the *Notice That No Auction Shall*
9 *Be Held* [Docket No. 2053], the Debtors, after consultation with the Consultation Parties,
10 determined not to hold a Partial Bid Auction because there were not multiple Partial Qualified
11 Bids for any of the Debtors' assets. Additionally, the Debtors, in consultation with their advisors
12 and the Consultation Parties, determined not to hold a Full Bid Auction because (i) there were no
13 Qualified Full Bids, and (ii) the Partial Qualified Bids were only for two assets and when
14 aggregated together were substantially less than the Stalking Horse Bid. As a result, the Stalking
15 Horse Bidder was named the Successful Bidder in accordance with the Bidding Procedures
16 Order.

17 12. On April 15, 2019, an interested party called me to inform me they had earlier
18 attempted to submit a bid for Seton Medical Center. Unbeknown to Cain, this party had sent Cain
19 a "non-binding letter of intent" (the "Letter") to purchase Seton Medical Center, by email on
20 April 4, 2019 (the "April 4 Email"), which was after the Partial Bid Dateline. After learning this
21 information and then investigating the same, Cain learned that the April 4 Email had not passed
22 Cain's firewall. Thus, the party re-sent the Letter that day on April 15, 2019. Even if the
23 aforementioned bid would have been sent prior to the Partial Bid Deadline, it would not have
24 qualified as a Partial Qualified Bid since, among other things, it was subject to significant
25 additional due diligence and was not accompanied by a deposit. This party did not execute an
26 NDA, nor were they granted access to the data room from Cain to perform formal due diligence
27 with respect to the Assets.
28

1 13. I am not aware of any collusion or improper dealings that have taken place
2 between Cain, the Debtors, SGM, any potential bidders or interested parties, or any other person
3 in connection with the sale. Cain, moreover, is receiving no consideration or fee from or on
4 behalf of SGM. I am also not aware of any fact or circumstance indicating that SGM has not
5 acted in good faith in pursuing the Sale.

6 I declare under penalty of perjury under the laws of the United States of America that the
7 foregoing is true and correct.

8 Executed this 16th day of April, 2019 in San Francisco, California.

This matter came before the Court on the *Motion For The Entry Of (I) An Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders To Use, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections, (3) Approving Form Of Notice To Be Provided To Interested Parties, (4) Scheduling A Court Hearing To Consider Approval Of The Sale To The Highest Bidder And (5) Approving Procedures Related To The Assumption Of Certain Executory Contracts And Unexpired Leases; And (II) An Order (A) Authorizing The Sale Of Property Free And Clear Of All Claims, Liens And Encumbrances* (the “Motion”) [Docket No. 365], filed by Verity Health System of California, Inc. (“VHS”), and the above-referenced affiliated debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (the “Debtors”), for the entry of an order, pursuant to §§ 105(a), 363, and 365 of title 11 of the United States Code (the “Bankruptcy Code”), Rules 2002, 6004, 6006, 9007, and 9014, and LBR 6004-1.¹

At the previous hearing on the Motion on October 31, 2018 (the “Bidding Procedures Hearing”), the Court considered various objections (the “Premature Objections”) filed by: (i) the Federal Communications Commission (“FCC”) [Docket No. 437]; (ii) the United States Department of Health and Human Services (“HHS”) [Docket No. 447, 562, and 613]; (iii) the California Attorney General (“CAG”) [Docket No. 463, 599, 605, 608, and 619]; (iv) entities who are parties to or benefit from various collective bargaining agreements with the Debtors [Docket No. 450, 458, 460, 465, and 597]; (v) the Pension Benefit Guaranty Corporation (“PBGC”) [Docket No. 439]; (vi) the Retirement Plan for Hospital Employees [Docket No. 460]; (vii) OCH Forest 1 [Docket Nos. 452 and 561]; (viii) Premier and Infor [Doc. Nos. 444, 561, and 592]; and (ix) the MOB Financing Entities [Docket No. 500]. The Debtors filed an omnibus reply to the majority of the objections [Docket No. 561], and separate replies to the HHS [Docket No. 562], and the CAG [Docket No. 560] objections. The Court ruled that the Premature Objections were premature and preserved for the Sale Hearing, as set forth in order granting the Motion (the

THE COURT HEREBY FINDS AND CONCLUDES THAT:²

A. Jurisdiction and Venue. This Court has jurisdiction to hear and determine the
Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter relates to the administration of the
Debtors' bankruptcy estates and is accordingly a core proceeding pursuant to 28 U.S.C. § 157(b)
(2) (A), (M), (N) and (O). Venue of these cases is proper in this District and in this Court
pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief requested in the
Motion are (i) §§ 105(a), 363(b), (f), (k), (l) and (m), and 365, (ii) Rules 2002(a)(2), 2002(c)(1)
and (d), 6004 (a), (b), (c), (e), (f) and (h), 6006(a), (c) and (d), 9006, 9007, 9013 and 9014, and
(iii) LBR 6004-1 and 9013-1.

C. Notice. As evidenced by the affidavits of service previously filed with the Court,
the Debtors have provided proper, timely, adequate and sufficient notice with respect to the
following: (i) the Motion and the relief sought therein, including the entry of this Sale Order and
the transfer and sale of the assets (the "Purchased Assets"), as set forth in the Asset Purchase
Agreement, dated October 1, 2018, a copy of which is attached as Exhibit "A" to Docket No. 365
(the "APA"); (ii) the Sale Hearing; (iii) the *Notice That No Auction Shall Be Held*; and (iv) the
assumption and assignment of the executory contracts and unexpired leases and proposed cure
amounts owing under such executory contracts and unexpired leases (the "Cure Amounts"); and
no further notice of the Motion, the relief requested therein or the Sale Hearing is required. The
Debtors have also complied with all obligations to provide notice of the Auction, the Sale

² The findings and conclusions set forth herein constitute the Court's findings of fact and
conclusions of law pursuant to Rule 7052, made applicable to this proceeding pursuant to Rule
9014. To the extent that any of the following findings of fact constitute conclusions of law, they
are adopted as such. To the extent that any of the following conclusions of law constitute
findings of fact, they are adopted as such.

Hearing, the proposed sale and otherwise, as required by the Bidding Procedures Order. A reasonable opportunity to object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

D. Arm's Length Transaction. The APA and other documents and instruments (the "Transaction Documents") related to and connected with this transaction (the "Transaction") and the consummation thereof were negotiated and entered into by the Debtors and the County of Santa Clara, a political subdivision of the State of California ("SCC"), as Purchaser under the APA without collusion, in good faith and through an arm's length bargaining process. Neither SCC nor any of its affiliates or representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the Debtors, SCC, or their respective representatives engaged in any conduct that would cause or permit the APA, any of the other Transaction Documents or the Transaction to be avoided under § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the APA and the other Transaction Documents, including, without limitation, the consideration provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be avoided, and no damages may be assessed against SCC or any other party, as set forth in § 363(n). The consideration provided by SCC is fair and adequate and constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws of the United States, including the State of California.

E. Good Faith Purchaser. SCC has proceeded in good faith and without collusion in all respects in connection with the sale process, in that: (i) SCC, in proposing and proceeding with the Transaction in accordance with the APA, recognized that the Debtors were free to deal with other interested parties; (ii) SCC agreed to provisions in the APA that would enable the Debtors to accept a higher and better offer; (iii) SCC complied with all of the provisions in the Bidding Procedures Order applicable to SCC; (iv) all payments to be made by SCC and other agreements entered into or to be entered into between SCC and the Debtors in connection with the Transaction have been disclosed; (v) the negotiation and execution of the APA and related Transaction Documents were conducted in good faith and constituted an arm's length transaction;

(vi) SCC did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. SCC is therefore entitled to all of the benefits and protections provided to a good-faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transaction shall not affect the validity of the Transaction or SCC's status as a "good faith" purchaser.

F. Justification for Relief. Good and sufficient reasons for approval of the APA and the other Transaction Documents and the Transaction have been articulated to this Court in the Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good, sufficient and sound business purpose and justification and (ii) compelling circumstances for the transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors.

G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the Transaction pursuant to the Transaction Documents will be a legal, valid, and effective transfer and sale of the Purchased Assets and will vest in SCC, through the consummation of the Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights of setoff, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights, and any successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or more of the standards set forth in § 363(f)(1)-(5) have been satisfied. Those holders of Encumbrances who did not object, or who withdrew their objections, to the Sale or the Motion are deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did object fall within one or more of the other subsections

1 of § 363(f). All holders of the Encumbrances in the Purchased Assets are adequately protected by
2 having their respective Encumbrances attach to the Debtors' interests in the proceeds of the sale
3 of the Purchased Assets under the APA (subject to any Challenge within the meaning of the Final
4 DIP Order that has been, or may be, timely filed), and any related documents or instruments
5 delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the
6 extent and manner herein provided.

7 H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause
8 to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in
9 consummating the Transaction, and it is in the best interests of the Debtors and their estates to
10 consummate the Transaction within the timeline set forth in the Motion and the APA. The Court
11 finds that there is no just reason for delay in the implementation of this Order, and expressly
12 directs entry of judgment as set forth in this Order.

13 I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have
14 demonstrated that it is an exercise of their sound business judgment to assume and assign to SCC
15 the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below)
16 and to the extent subsequently identified by SCC pursuant to paragraph 16 below, the
17 Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently
18 Identified Designated Contracts and the Subsequently Identified Contracts are collectively
19 referred to herein as the "Designated Contracts") in connection with the consummation of the
20 Transaction, and the assumption and assignment of the Designated Contracts is in the best
21 interests of the Debtors and their estates.

22 J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the
23 APA, the Debtors (i.e., O'Connor Hospital ("OCH") and Saint Louise Regional Hospital
24 ("SLRH")) will have cured, unless otherwise ordered, any and all defaults existing on or prior to
25 the Closing under any of the Designated Contracts, within the meaning of § 365(b)(1)(A), by
26 payment of the amounts and in the manner set forth below. SCC has provided or will provide
27 adequate assurance of future performance of and under the Designated Contracts within the

1 meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide
2 assurance of performance to any counterparty to a Designated Contract. Pursuant to § 365(f), the
3 Designated Contracts to be assumed by the Debtors and assigned to SCC under the APA shall be
4 assigned and transferred to, and remain in full force and effect for the benefit of, SCC
5 notwithstanding any provision in such Designated Contracts prohibiting their assignment or
6 transfer. The Debtors have demonstrated that no other parties to any of the Designated Contracts
7 has incurred any actual pecuniary loss resulting from a default on or prior to the Closing under
8 any of the Designated Contracts within the meaning of § 365(b)(1)(B). Pursuant to § 365(f), the
9 Designated Contracts to be assumed by the Debtors and assigned to SCC at the Closing shall be
10 assigned and transferred to, and remain in full force and effect for the benefit of, SCC
11 notwithstanding any provision in such contracts or other restrictions prohibiting their assignment
12 or transfer.

13 K. Rejection of Executory Contracts and Unexpired Leases. The Debtors have
14 demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for
15 OCH and SLRH to reject all of their executory contracts and unexpired leases, excluding (i)
16 Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in
17 addition to OCH and/or SLRH, and (iii) any collective bargaining agreement, pension plan or
18 health and welfare plan providing collectively bargained benefits to which OCH and/or SLRH is
19 a party or sponsor, which matters shall be scheduled for determination as provided in paragraph
20 33 below. Each such executory contract rejection is subject only to the conditions set forth in
21 paragraphs 18, 31, and 32. The Debtors shall file an appropriate motion to reject such contracts,
22 covered by this paragraph K, prior to Closing and shall request therein that the rejection be
23 effective as of the Closing or as otherwise appropriate.

24 L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the
25 Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was
26 duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded
27 a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise

1 better offer to purchase the Purchased Assets. No other Qualified Bid (as defined in the Bidding
2 Procedures Order) was received by the Partial Bid Deadline or the Bid Deadline (as defined in the
3 Bidding Procedures Order). Accordingly, on December 7, 2018, the Debtors filed the *Notice*
4 *That No Auction Shall Be Held*. The transfer and sale of the Purchased Assets to SCC on the
5 terms set forth in the APA constitutes the highest or otherwise best offer for the Purchased Assets
6 and will provide a greater recovery for the Debtors' estates than would be provided by any other
7 available alternative. The Debtors' determination, in consultation with the Official Committee of
8 Unsecured Creditors (the "Committee") and the Prepetition Secured Creditors (as defined in the
9 Final DIP Order defined below), that the APA constitutes the highest or best offer for the
10 Purchased Assets constitutes a valid and sound exercise of the Debtors' business judgment.

11 M. No De Facto or Sub Rosa Plan of Reorganization. The sale of the Purchased
12 Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it
13 does not propose to (i) impair or restructure existing debt of, or equity or membership interests in,
14 the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the
15 Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or
16 (iv) classify claims or equity or membership interests.

17 N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at
18 the Sale Hearing establish just cause for the relief granted herein.

19 **NOW THEREFORE, IT IS HEREBY ORDERED THAT:**

20 1. The relief requested in the Motion is GRANTED and APPROVED in all respects
21 to the extent provided herein.

22 2. All objections with regard to the relief sought in the Motion that have not been
23 withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including
24 any reservation of rights included in such objections, are overruled on the merits with prejudice.
25 To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the
26 terms of this Sale Order shall prevail.

3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the transfer and sale of the Purchased Assets to SCC on the terms set forth in the APA, is approved in all respects, and the Debtors are authorized and directed to consummate the Transaction in accordance with the APA, including, without limitation, by executing all of the Transaction Documents (and any ancillary documents or instruments that may be reasonably necessary or desirable to implement the APA or the Transaction) and taking all actions necessary and appropriate to effectuate and consummate the Transaction (including the transfer and sale of the Purchased Assets) in consideration of the Purchase Price (as defined in Section 1.1 of the APA) upon the terms set forth in the APA, including, without limitation, assuming and assigning to SCC the Designated Contracts. The Debtors and SCC shall have the right to make any mutually agreeable, non-material changes to the APA, which shall be in writing signed by both parties, without further order of the Court provided, that after reasonable notice, the Committee, the DIP Agent (as defined in the Final DIP Order defined below), and the Prepetition Secured Creditors, do not object to such changes. Any timely objection by the aforementioned parties to any agreed non-material changes to the APA may be resolved by the Court on shortened notice.

4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal, valid, enforceable and effective transfer and sale of the Purchased Assets to SCC free and clear of all Encumbrances, as further set forth in the APA and this Sale Order; and (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the Purchased Assets, all counterparties to the Designated Contracts and all other persons and entities.

5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent,

effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force, extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition Secured Creditors, as applicable, pursuant to that certain *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 409] (the “Final DIP Order”); and (ii) be subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to the extent of and in accordance with its terms with all parties reserving all rights thereunder.

6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order shall, as of the Closing, be considered and constitute for all purposes a full and complete general assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all of the Debtors’ rights, title and interest in and to the Purchased Assets to SCC. Consistent with, but not in limitation of the foregoing, each and every federal, state, and local governmental agency or department, except as stated herein, is hereby authorized and directed to accept all documents and instruments necessary and appropriate to consummate the transactions contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any Encumbrances of record.

7. Any person or entity that is currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets is hereby directed to surrender possession of

1 such Purchased Assets either to (a) the Debtors before the Closing or (b) to SCC or its designee
2 upon the Closing.

3 8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall
4 be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and
5 upon consummation of the Transaction, including, without limitation, payment of the Purchase
6 Price to the Debtors, vest SCC with all right, title, and interest in the Purchased Assets, free and
7 clear of all Encumbrances. Upon closing of the Transaction, SCC shall take title to and
8 possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the
9 APA. The transfer of the Purchased Assets from the Debtors to SCC constitutes a transfer for
10 reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the
11 State of California.

12 9. Following the Closing, no holder of any Encumbrance against the Debtors or upon
13 the Purchased Assets shall interfere with SCC's respective rights in, title to or use and enjoyment
14 of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from
15 taking any action that would adversely affect or interfere with the ability of the Debtors to sell
16 and transfer the Purchased Assets to SCC, including the assumption and assignment of the
17 Designated Contracts.

18 10. SCC shall not be deemed, as a result of any action taken in connection with, or as a
19 result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a
20 successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their
21 estates by reason of any theory of law or equity, including, without limitation, any bulk sales law,
22 doctrine or theory of successor liability, or any theory or basis of liability regardless of source of
23 origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere
24 continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed
25 Liabilities, SCC is not assuming any of the Debtors' debts.

26 11. This Sale Order (i) shall be effective as a determination that, on Closing, all
27 Encumbrances existing against the Purchased Assets before the Closing have been

1 unconditionally released, discharged and terminated, and that the transfers and conveyances
2 described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all
3 persons and entities. If, following a reasonable written request made by the Debtors, any person
4 or entity that has filed financing statements or other documents or agreements evidencing any
5 Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or
6 in connection with Closing, in proper form for filing and executed by the appropriate parties,
7 termination statements, instruments of satisfaction, releases of all Encumbrances which the
8 person or entity has with respect to the Purchased Assets, then SCC and/or the Debtors are hereby
9 authorized to execute and file such statements, instruments, releases and other documents on
10 behalf of the person or entity with respect to such Purchased Assets. For the avoidance of doubt,
11 such statements, instruments, releases and other documents shall not impair Encumbrances that
12 attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may
13 be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to
14 paragraphs 5 and 13 hereof.

15 12. In accordance with the APA, concurrently with the Closing, SCC shall pay that
16 portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to
17 Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in
18 Section 1.1.1 of the APA. Any direct expenses of the Sale shall be disclosed by Debtors to the
19 DIP Agent, the Prepetition Secured Creditors, and the Committee in advance of the Closing.

20 13. The terms and conditions of the Final DIP Order shall apply with respect to the
21 Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the
22 Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

23 (a) the Debtors shall direct SCC and any post-closing escrow agent appointed pursuant to
24 the terms of the APA to remit all Sale Proceeds to be received by the Debtors at Closing or
25 thereafter in cash, to deposit such Sale Proceeds in separate accounts labeled "Santa Clara Sale
26 Proceeds Account," in the name of each Debtor that is a Seller within the meaning of the APA
27 (each such hereafter referred to as "Escrow Deposit Account");
28

(b) in giving direction to SCC pursuant to sub-paragraph (a), above, the Debtors shall exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of rights in paragraph 4 of the Final DIP Order and footnote 5 of Exhibit 1 of the Bidding Procedures Order); provided further that nothing in this paragraph shall waive or limit any rights the Committee may have in connection with the confirmation of a proposed chapter 11 plan for any of the Debtors' cases (including the right to seek to reallocate estate values);

(c) without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order, no funds held in any Escrow Deposit Account shall be (i) commingled with any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for any purpose, except as provided in this Order, the DIP Credit Agreements or Final DIP Order without further order of this Court, after reasonable notice under the circumstances to the DIP Agent, the Prepetition Secured Creditors and the Committee;

(d) each Escrow Deposit Account shall be subject to a deposit account control agreement in favor of the DIP Agent and DIP Lender, and subject to, without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order with respect to the Sale Proceeds and Escrow Deposit Account, including, without limitation, following the occurrence of an Event of Default or the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the Debtors shall not be permitted to use the funds held in any Escrow Deposit Account for any purpose, except as provided in paragraph 14, 15, 16, and 17 of this Order, and to fund any Purchase Price adjustment in favor of the Purchaser, without first obtaining the consent of the DIP Agent, DIP Lender and the Prepetition Secured Creditors or obtaining an order of the Court pursuant to §§ 363 or 1129 after reasonable notice under the circumstances to the DIP Agent, the DIP Lender, the Prepetition Secured Creditors and the Committee and, if necessary, a hearing thereon.

2 accordance with the APA, the Debtors (i.e., the Hospital Debtors defined in the APA) shall pay
3 out of the Sale Proceeds to the counter-parties to the Designated Contracts the cure amounts set
4 forth in the *Debtors' Notice to Counterparties to Executory Contracts and Unexpired Leases of*
5 *the Debtors That May Be Assumed and Assigned* [Docket No. 810], the *Supplement to Notice to*
6 *Counterparties to Executory Contracts and Unexpired Leases of the Debtors That May be*
7 *Assumed and Assigned* [Docket No. 998], the *Amended Notice of Contracts Designated by Santa*
8 *Clara County for Assumption and Assignment* [Docket No. 1110] (collectively, the "Cure
9 Notices"), or as otherwise agreed to by the Debtors, SCC and the applicable counter-parties
10 thereto or ordered by this Court after a continued hearing on the Cure Objections (the
11 "Designated Cure Amounts").

12 15. To the extent that any of the contracts and/or leases, which give rise to the
13 Designated Cure Amounts and are set forth in the *Amended Notice of Contracts Designated by*
14 *Santa Clara County for Assumption and Assignment* [Docket No. 1110] (the "Currently Identified
15 Designated Contracts") are executory contracts or unexpired leases (over which the Court is not
16 making any such determination at this time), then in connection with the Closing, the Debtors
17 shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they
18 are deemed part of the Designated Contracts) and to have assigned them to SCC, and SCC shall
19 have assumed all obligations owing under all such Currently Identified Designated Contracts
20 arising after and following the Closing. In the event that the Court ultimately determines that any
21 such counter-parties to the Currently Identified Designated Contracts (the "Currently Identified
22 Designated Contract Counter-Parties") have an allowed claim against the Debtors which exceeds
23 the Designated Cure Amounts, the difference will be paid by the Debtors out of the Sale Proceeds
24 and shall not be the responsibility of SCC. The Court shall resolve any and all disputes which
25 may arise between the Debtors, SCC and any of the Currently Identified Designated Contract
26 Counter-Parties over whether the Currently Identified Designated Contracts are executory
27 contracts or unexpired leases and whether any of the Currently Identified Designated Contract

Counter-Parties are entitled to an allowed claim against the Debtors which exceeds the Designated Cure Amounts.

16. All of the Currently Identified Designated Contracts, to the extent they are executory contracts or unexpired leases, shall be part of the Designated Contracts that will be assumed by the Debtors and assigned to SCC at the Closing. In the event that SCC elects to add any other of the Debtors' executory contracts or unexpired leases to the list of Designated Contracts (the "Subsequently Identified Designated Contracts"), the Debtors shall (i) file a notice with the Court, by January 23, 2019, identifying all such Subsequently Identified Designated Contracts and their respective cure amounts, and (ii) serve such notice by over-night mail on all counter-parties to the Subsequently Identified Designated Contracts (the "Subsequently Identified Designated Contract Counter-Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and assigned to SCC at the Closing, with the Debtors to be obligated to pay all cure amounts owing to such Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SCC and the applicable counter-parties thereto, or ordered by the Court in accordance with paragraph 36 below (the "Additional Cure Amounts").

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SCC, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (all counterparties to the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts collectively, the "Contract Counter-Parties"). At the Closing, the Debtors shall pay out of the Sale Proceeds (i) to the Designated Cure Amounts identified in paragraph 14 above, and (ii) the Additional Cure Amounts. Payment by the Debtors of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to "cure" all "defaults" with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The payment by the Debtors shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual

pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SCC, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SCC shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts by the Debtors, neither the Debtors nor SCC shall have any further liabilities to any Contract Counter-Parties, other than SCC's obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SCC with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt, the Debtors shall be liable for the payment of all cure costs with respect to the Designated Contracts as may be required under § 365(b)(1). SCC shall not be liable for the payment of any cure costs with respect to the Designated Contracts as may be required under § 365(b)(1) or for the payment of any liabilities or obligations arising from or related to (a) such Designated Contracts on or prior to the Closing of the Transaction, (b) any executory contracts which the Debtors intend to reject by appropriate motion at a later date and which are not being assumed and assigned to SCC as part of the Transaction, (c) any prepetition multiparty contract affecting more than one Debtor in addition to OCH and/or SLRH, or (d) any collective bargaining agreement, pension plan, or health and welfare plan providing collectively bargained benefits to which OCH and/or SLRH is a party or sponsor.

18. The Debtors intend to reject, pursuant to § 365(a), all executory contracts to which OCH and SLRH are a party, excluding (i) Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in addition to OCH and/or SLRH, and (iii) any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which OCH and/or SLRH is a party or sponsor. The Debtors shall file an appropriate motion to reject such contracts prior to Closing. Notwithstanding the prior statement, Closing is conditioned upon the rejection, termination and/or modification of all applicable CBAs

1 related to OCH and SLRH, pursuant to § 1113 or as otherwise agreed to between the Debtors, the
2 respective unions, and as approved by the Court.

3 19. All of the Contract Counter-Parties are forever barred, estopped, and permanently
4 enjoined from (i) raising or asserting against the Debtors or SCC, or any of their property, any
5 assignment fee, acceleration, default, breach, or claim of pecuniary loss, or condition to assignment,
6 arising under or related to the Designated Contracts, existing as of the Closing, or arising by reason of
7 the consummation of the Transaction contemplated by the APA, including, without limitation, the
8 Transaction and the assumption and assignment of the Designated Contracts, including any asserted
9 breach relating to or arising out of the change-in-control provisions in such Designated Contracts, or
10 any purported written or oral modification to the Designated Contracts and (ii) asserting against SCC
11 any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of
12 the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed
13 Obligations.

14 20. Any provisions in any Designated Contracts that prohibit or condition the assignment
15 of such Designated Contract or allow the counterparty to such Designated Contract to terminate,
16 recapture, impose any penalty, condition on renewal or extension or modify any term or condition
17 upon the assignment of such Designated Contract constitute unenforceable anti-assignment provisions
18 that are void and of no force and effect with respect to the Debtors' assumption and assignment of such
19 Designated Contract to SCC in accordance with the APA, pursuant to § 363(f). **Notwithstanding the**
20 **foregoing, the rights of Contract Counter-Parties to assert that a Designated Contract may not be**
21 **assumed and assigned absent consent, on the ground that such Designated Contract pertains to the**
22 **licensing of intellectual property, are preserved, and any such objections may be asserted in accordance**

24 **Counter-Party that has failed to object within the deadlines set forth in the applicable Cure Notice is**
25 **now forever barred from asserting its objection.**

26 21. The terms and provisions of this Sale Order, as well as the rights granted under the
27 Transaction Documents, shall continue in full force and effect and are binding upon any successor,

reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding any such conversion, dismissal or order entry. Nothing contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict with or derogate from the provisions of the APA, any documents or instruments executed in connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern. The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or dismissal of the cases and the entry of any other order that may be entered in the cases, including any order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7; (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

22. The Transaction contemplated by the APA and other Transaction Documents are undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy Code. SCC is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the sale of the Purchased Assets to SCC. The APA and the Transactions contemplated thereby cannot be avoided under § 363(n).

23. The failure to specifically include any particular provision of the APA or the other Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of this Sale Order are non-severable and mutually dependent.

24. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective

1 and enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence
2 in approving the Transaction (including the transfer and the sale of the Purchased Assets).

3 25. The automatic stay in effect pursuant to § 362 is hereby lifted with respect to the
4 Debtors to the extent necessary, without further order of this Court, to (i) allow SCC to deliver any
5 notice provided for in the APA and Transaction Documents and (ii) allow SCC to take any and all
6 actions permitted under the APA and Transaction Documents in accordance with the terms and
7 conditions thereof.

8 26. Unless otherwise provided in this Sale Order, to the extent any inconsistency exists
9 between the provisions of the APA and this Sale Order, the provisions contained in this Sale Order
10 shall govern.

11 27. This Court shall retain exclusive jurisdiction to interpret, construe, and enforce the
12 provisions of the APA and this Sale Order in all respects, and further, including, without limitation, to
13 (i) hear and determine all disputes between the Debtors and/or SCC, as the case may be, and any other
14 non-Debtor party to, among other things, the Designated Contracts concerning, among other things,
15 assignment thereof by the Debtors to SCC and any dispute between SCC and the Debtors as to their
16 respective obligations with respect to any asset, liability, or claim arising hereunder; (ii) compel
17 delivery of the Purchased Assets to SCC free and clear of Encumbrances; (iii) compel the delivery of
18 the Purchase Price or performance of other obligations owed to the Debtors; (iv) interpret, implement,
19 and enforce the provisions of this Sale Order; and (v) protect SCC against (A) claims made related to
20 any of the Excluded Liabilities (as defined in the APA), (B) any claims of successor or vicarious
21 liability (or similar claims or theories) related to the Purchased Assets or the Designated Contracts, or
22 (C) any Encumbrances asserted on or against SCC or the Purchased Assets.

23 28. Following the date of entry of this Sale Order, the Debtors and SCC are authorized to
24 make changes to the APA without the need for any further order of the Court provided that all such
25 changes have been approved in writing by the Debtors, SCC, the Committee, the DIP Agent, and
26 Prepetition Secured Creditors. Any other changes to the APA or this Sale Order require a further order
27 of the Court, after reasonable notice under the circumstances and a hearing.

1 29. Notwithstanding any other provision of this Sale Order or any other Order of this
2 Court, no sale, transfer or assignment of any rights and interests of a regulated entity in any federal
3 license or authorization issued by the FCC shall take place prior to the issuance of FCC regulatory
4 approval for such sale, transfer or assignment pursuant to the Communications Act of 1934, as
5 amended, and the rules and regulations promulgated thereunder. The FCC's rights and powers to take
6 any action pursuant to its regulatory authority, including, but not limited to, imposing any regulatory
7 conditions on such sales, transfers and assignments and setting any regulatory fines or forfeitures, are
8 fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or
9 authority to the extent not inconsistent with the applicable provisions of the Bankruptcy Code.

10 30. To the extent the Purchased Assets contain records of the Verity Health System
11 Retirement Plan A and Verity Health System Retirement Plan B (collectively, the "Pension Plans") or
12 employment records of participants of the Pension Plans, the SCC shall store, and preserve any such
13 records until the PBGC has completed its investigation regarding the Pension Plans and shall make
14 such documents available to the PBGC for inspection and copying. Such records include, but are not
15 limited to, any Pension Plan governing documents, actuarial documents, and employment records
16 (collectively, the "Pension Plan Documents"). The Debtors shall retain and not abandon any Pension
17 Plan Documents that are not Purchased Assets for not less than twelve (12) months after Closing and
18 shall make such documents available to the PBGC for inspection and copying.

19 31. No later than January 18, 2019, either (i) the Debtors will file a notice of a resolution of
20 the issues regarding the transfer and/or proposed assumption and assignment or rejection of the Medi-
21 Cal Provider Agreements or (b) DHCS will file a supplemental objection to the proposed transfer of
22 the Medi-Cal Provider Agreements. If necessary, the Debtors will file any reply to the supplemental
23 objection no later than 4:00 p.m. (Pacific Time), on January 25, 2019, and a hearing will be held on the
24 issues raised regarding the transfer and/or proposed assumption and assignment or rejection of the
25 Medi-Cal Provider Agreements on January 30, 2019, at 10:00 a.m. (Pacific Time); and all parties'
26 rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall apply to
27
28

1 Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement between
2 the Debtors and the DHCS or a Court order resolving the DHCS's objections.

3 32. No later than January 18, 2019, either (i) the Debtors will file a notice of a resolution of
4 the issues regarding the transfer and/or proposed assumption and assignment or rejection of the
5 Medicare Provider Agreements or (b) HHS will file a supplemental objection to the proposed transfer
6 of the Medicare Provider Agreements. If necessary, the Debtors will file any reply to the supplemental
7 objection no later than 4:00 p.m. (Pacific Time), on January 25, 2019, and a hearing will be held on the
8 issues raised regarding the transfer and/or proposed assumption and assignment or rejection of the
9 Medicare Provider Agreements on January 30, 2019, at 10:00 a.m. (Pacific Time); and all parties'
10 rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall apply to
11 Medicare Provider Agreements until and unless there is a Court order approving a settlement between
12 the Debtors and the HHS or a Court order resolving the HHS's objections.

13 33. The Debtors must have resolution of the collective bargaining agreements (the
14 "CBAs") that cover employees at Saint Louise Regional Hospital and O'Connor Hospital prior to SCC
15 closing on the proposed Sale pursuant to the APA. The hearing on the Debtors' motion(s) with respect
16 to the rejection and/or modification of such CBAs (the "**CBA Motions**") will occur on January 30,
17 2019, at 10:00 a.m. (Pacific Time). **Debtors shall file the CBA Motions by no later than January 2,**
18 **2019.** Any objection to the **CBA Motions** shall be filed on January 16, 2019, and any reply shall be
19 filed on January 23, 2019.

20 34. A continued hearing on the Cure Objections shall be held on January 30, 2019, **at 10:00**
21 **a.m. (Pacific Time).** As to the Currently Identified Designated Contracts, by no later than Friday,
22 January 18, 2019, the Debtors shall file a notice containing a list of (a) the Cure Objections that have
23 been resolved, and (b) the Cure Objections as to which Court intervention is required. As to the Cure
24 Objections for which Court intervention is required, the following briefing schedule shall apply: ~~(2)~~
25 **(1)** the Debtors' opposition to each outstanding Cure Objection shall be submitted by no later than
26 Friday, January 18, 2019; and ~~(3)~~ **(2)** the counterparties' reply in support of its Cure Objections shall be
27 submitted by no later than Friday, January 25, 2019. Nothing in this Sale Order constitutes a finding or
28

determination on any Cure Objection. All Cure Objections are preserved until resolved either by agreement between the Debtors and the contract counterparty or further order of the Court.

35. As to any executory contracts or unexpired leases that were listed on the Initial Designated Contract List, but not listed on any prior Cure Notices, any counterparty thereto may file an objection to the cure amount or assumption thereof by January 11, 2019, and all other provisions in paragraph 34 shall apply to resolution thereof.

36. As to Subsequently Identified Designated Contracts, (i) the Debtors shall file a notice with the Court, by January 23, 2019, identifying all Subsequently Identified Designated Contracts and provide service thereof in accordance with paragraph 16, and (ii) to the extent that any Subsequently Identified Designated Contracts were not listed on any of the prior Cure Notices, counterparties subject to contracts who object to assumption and/or the proposed cure amounts must file an objection no later than January 30, 2019, and any reply shall be filed on February 6, 2019. **The request by Medical Office Building of California LLC for an extension of the January 30, 2019 objection deadline in the event that its lease is designated as a Subsequently Identified Designated Contract is overruled.** To the extent that a negotiated resolution cannot be achieved, any objections filed in connection with the Subsequently Identified Designated Contracts shall be adjudicated on February 13, 2018, **at 10:00 a.m. (Pacific Time)**, where the Court shall resolve any and all disputed issues related to the objection.

37. The Committee's and the Prepetition Secured Creditors' rights, and their ability to participate and be heard at the hearings described in paragraphs 31-36 of this Sale Order, are hereby reserved. To the extent that the DIP Agent, DIP Lender, Prepetition Secured Creditors or the Committee desire to file pleadings related to such hearings, their respective times for filing an objection or response to any of the requests for relief described in paragraphs 31-36 herein shall be the same as granted to the Debtors pursuant to the notice in each such instance.

This matter coming before the Court on the motion (the “Motion”)¹ of the above-captioned debtors and debtors in possession (the “Debtors”) for the entry of an Order, as applicable, pursuant to Sections 105(a), 363, and 365 of Title 11 of the United States Code (the “Bankruptcy Code”), Rules 2002, 6004, 6006, 9007, and 9014 of the Federal Rules of Bankruptcy Procedure (as amended from time to time, the “Bankruptcy Rules”), and Rule 6004-1 and 9013-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California (“LBR”) (i)(a) approving form of asset purchase agreement for the Stalking Horse Purchaser and for prospective Overbidders (the “Stalking Horse APA”); (b) approving auction sale format, bidding procedures (the “Bidding Procedures”) and stalking horse bid protections; (c) approving the form of notice to be provided to interested parties; (d) scheduling the Auction and a court hearing to consider approval of the sale to the highest bidder; and (e) approving procedures related to the assumption and assignment of certain executory contracts and unexpired leases to the Successful Bidder; (ii) authorizing the sale of property free and clear of all claims, liens and encumbrances; and (iii) granting related relief; the Court having found that (i) the Court has jurisdiction to consider the Motion and the relief requested therein pursuant to 28 U.S.C. §§ 157 and 1334; (ii) venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409; (iii) this is a core proceeding pursuant to 28 U.S.C. § 157(b); and (iv) notice of the Motion was sufficient under the circumstances and properly given, and it appearing that no other or further notice need be provided; and a hearing on the proposed bid and sale procedures as detailed in the Motion having been held; and after due deliberation the Court having determined that the relief requested in the Motion with respect to proposed bid and sale procedures is in the best interests of the Debtors, their estates, and their creditors; ~~and for the reasons set forth in the Court’s tentative~~

3 **AND IT IS FURTHER FOUND AND DETERMINED THAT:**³

4 A. The statutory and legal predicates for the relief requested in the Motion and
5 provided for herein are Sections 105(a), 363, and 365 of Title 11 of the Bankruptcy Code,
6 Bankruptcy Rules 2002, 6004, 6006, 9007, 9013 and 9014, and Local Bankruptcy Rules 6004-1,
7 and 9013-1.

8 B. In the Motion and at the hearing on the Motion, the Debtors demonstrated that
9 good and sufficient notice of the relief granted by this Order has been given and no further notice
10 is required. A reasonable opportunity to object or be heard regarding the relief granted by this
11 Order has been afforded to those parties entitled to notice pursuant to Bankruptcy Rule 2002 and
12 all other interested parties.

13 C. The Debtors’ proposed notice of the Bidding Procedures, the Auction and the
14 hearing to approve the sale (the “Sale”) of the Assets (the “Sale Hearing”) is appropriate and
15 reasonably calculated to provide all interested parties with timely and proper notice, and no other
16 or further notice is required.

17 D. The Bidding Procedures substantially in the form attached hereto as Exhibit 1 are
18 fair, reasonable, and appropriate and are designed to maximize the recovery from the Sale of the
19 Assets.

20 E. The Break-Up Fee, in the amount set forth below, (i) is reasonable and appropriate

25 ² Because material changes were made to the Court’s Tentative Ruling on the record at the hearing, the
26 Court has not posted the Tentative Ruling to the CM/ECF docket.

27 ³ The findings and conclusions set forth herein constitute the Court’s findings of fact and conclusions of
28 law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy
Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they
are adopted as such. To the extent that any of the following conclusions of law constitute findings of
fact, they are adopted as such.

1 expended, and will continue to be expended, by the Stalking Horse Purchaser, and (ii) is a
2 material inducement for, and a condition of, the Stalking Horse Purchaser's entry into the
3 Stalking Horse APA.

4 F. The form of the Stalking Horse APA is fair and reasonable and provides flexibility
5 in the process to sell the Assets in a manner designed to maximize the value of the Assets.

6 G. The assumption and assignment procedures described in the Motion and provided
7 for herein (the "Assumption and Assignment Procedures") and the Cure Notice are reasonable
8 and appropriate and consistent with the provisions of Section 365 of the Bankruptcy Code and
9 Bankruptcy Rule 6006. The Assumption and Assignment Procedures and the Cure Notice have
10 been narrowly tailored to provide an adequate opportunity for all non-debtor counterparties to the
11 Assumed Executory Contracts to assert an Assumption Objection.

12 H. Entry of this Order is in the best interests of the Debtors, their estates and
13 creditors, and all other parties in interest.

14 **NOW, THEREFORE, IT IS HEREBY ORDERED THAT:**

15 1. The Motion is **GRANTED** as set forth herein.

16 2. To the extent that the International Union of Operating Engineers, Stationary
17 Engineers Local 39 [Doc. No. 1355], the Service Employees International Union, United
18 Healthcare Workers West [Doc. No. 1354], the California Nurses Association [Doc. No. 1359],
19 and the United Nurses Association of California/Union of Health Care Professionals (collectively,
20 the "Unions") assert that the Debtors are required to reject the Collective Bargaining Agreements
21 prior to entering into the Stalking Horse APA, the Unions' objections are overruled.
22 Additionally, the Union's objection that the Bidding Procedures do not sufficiently incentivize
23 prospective purchasers to assume Collective Bargaining Agreements (the "CBAs") to which the
24 Unions are parties is overruled. The Court finds that requiring the Debtors to provide a precise

1 quantification of the value to be accorded to the assumption of liabilities arising under the CBAs
2 would unduly impair the Debtors' flexibility in the conduct of the auction of the Debtors' assets,
3 and would likely yield suboptimal results for all stakeholders. The Debtors must be allowed to
4 conduct the auction in accordance with their business judgment, especially given the complexity
5 of an auction of this type. Precise quantification of the valuation to be afforded to assumption of
6 the CBAs would not be of material assistance to the sophisticated participants in this auction, who
7 will be assisted by professional advisors using their own detailed financial models and
8 projections. ~~to the Bidding Procedures are overruled as set forth in the Tentative Ruling, at~~
9 ~~Section 11 ¶ C.~~ This Order does not prevent the Unions from raising objections under § 1113 at
10 the Sale Hearing. However, the Unions' contention that the Stalking Horse APA and the
11 associated bidding procedures cannot be approved prior to the adjudication of § 1113 issues is
12 without merit.
13
14

15 3. The objection filed by St. Vincent IPA Medical Corporation and Angeles IPA
16 [Doc. No. 1388] is premature and may be raised at the Sale Hearing. With respect to the objection
17 filed by Hooper Healthcare Consulting LLC ("Hooper") [Doc. No. 1397], to the extent that
18 Hooper asserts that it is entitled to receive notification of the treatment of its Net Benefit
19 Compensation (as that term is defined in Doc. No. 1397) prior to selection of the Successful
20 Bidder, its objection is overruled. Hooper may raise any objections regarding its Net Benefit
21 Compensation or the assumption and assignment of its executory contract at the Sale Hearing.
22 Hooper's objection to the timeline proposed by the Debtors with respect to the assumption and
23 assignment of executory contracts is overruled. ~~To the extent that Hooper The objections filed by~~

1 4. The objection filed by the Official Committee of Unsecured **Creditors (the**
2 **"Committee"**) [Docket Nos. 1399, 1401, 1402] and the *Joint Supplement to Objection and*
3 *Response to Debtors' Sale Motion* [Docket No. 1279] filed by the Committee, UMB Bank, N.A.,
4 and Wells Fargo Bank, National Association, is overruled in part and sustained in part with
5 respect to the revised Section 8.6 of the Stalking Horse APA and the Break-Up Fee, as set forth
6 below.

7
8 5. As to the objection filed by the County of San Mateo and the Health Plan of San
9 Mateo [Doc. No. 1361], the restrictions and limitations set forth in § 5.1(b) of the Stalking Horse
10 APA on communications between SGM and governmental authorities shall apply only to
11 communications regarding licensing or regulation of the Hospitals with the relevant licensing or
12 regulatory authorities. Such restrictions shall not apply to communications involving SGM (or
13 any other prospective buyers) and any governmental authority on subjects unrelated to licensing
14 or regulation by that authority.

15
16 6. The Court does not rule on the objections filed by MGH Painting Inc. [Doc. No.
17 1358], Belfor USA Group, Inc. [Doc. No. 1364], **and the** California Attorney General [Doc. No.
18 1352], ~~Centers for Medicare and Medicaid Services~~; all such objections are premature and are
19 preserved for the Sale Hearing and may be raised at that time. All objections to the relief
20 requested in the Motion that have not been withdrawn, waived or settled are overruled.

21
22 7. The objection of Cigna Healthcare of California, Inc. ("Cigna") [Doc. Nos. 1349
23 and 1459] is sustained. The Debtors shall, no later than the earlier of (i) 48 hours after the
24 conclusion of the Auction, or (ii) thirty (30) days prior to the Closing Date, provide Cigna with
25 written notice of its irrevocable decision as to whether or not the Debtors propose to assume and
26 assign any or all of the Cigna Provider Agreements as part of the Sale; provided, however, that
27 such notice shall be irrevocable only to the extent that the Successful Bidder's transaction is
28

1 approved by this Court and an order thereon becomes final and non-appealable. The Debtors shall
2 provide the same notice to UnitedHealthcare Insurance Company.

3 8. The objections filed by the U.S. Department of Health and Human Services and
4 Centers for Medicare and Medicaid Services [Doc. No. 1346] and the California Department of
5 Health Care Services [Doc. No. 1353] are continued, as resolved by stipulations [Docket Nos.
6 1458 and 1473, respectively], approved by orders entered on [Docket Nos. 1465 and 1483,
7 respectively].

8
9 9. The Bidding Procedures attached hereto as Exhibit 1 are **APPROVED**.⁴

10 10. Strategic Global Management, Inc. or an affiliate to be designated (the “Stalking
11 Horse Purchaser”) is hereby **APPROVED** to be and designated as the Stalking Horse Purchaser
12 as to the Assets, and the form of the Stalking Horse APA is hereby **APPROVED**.

13
14 11. Subject to the Bidding Procedures and approval of the Sale at the Sale Hearing, the
15 Debtors’ entry into the Stalking Horse APA (including any amendments thereto) is hereby
16 **APPROVED** subject to the following modifications:

17 (i) the following language is added to Section 6.1(b)(2): “In the event that Purchaser
18 terminates this Agreement in accordance with Section 8.6 hereof, expenses of Purchaser incurred
19 in satisfaction of Section 8.6 shall be reimbursed up to \$500,000”;

20
21 (ii) Section 8.6 shall be replaced by the following revised Section 8.6:

22 8.6 **Attorney General Provisions**. Purchaser recognizes that the
23 transactions contemplated by this Agreement may be subject to review
24 and approval of the CA AG. Purchaser agrees to close the transactions
25 contemplated by this Agreement so long as any conditions imposed by
26 the CA AG are substantially consistent with the conditions set forth, as
27 Purchaser Approved Conditions, in Schedule 8.6. In the event the CA
AG imposes conditions on the transactions contemplated by this
Agreement, or on Purchaser in connection therewith, which are
materially different than the Purchaser Approved Conditions set forth

28 ⁴ For the convenience of parties in interest, a chart listing important dates set forth in this Order is

on Schedule 8.6 (the “Additional Conditions”), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order (“Supplemental Sale Order”) finding that the Additional Conditions are an “interest in property” for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of \$5 million, or more, shall be conclusively deemed to be “materially different.” If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General’s imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the “Evaluation Period”) to determine, in the exercise of the Purchaser’s reasonable business judgment and in consultation with Purchaser’s financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller’s failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the “Extended Evaluation Periods”). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser’s business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, “a final, non-appealable order” shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the

Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than \$500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein, shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

(iii) in Section II, H(a), in Schedule 6.1(b)(3), annexed to the Stalking Horse APA [Docket No. 1279, at 111], the reference to Section 6.26(b)(2) is hereby corrected to Section 6.1(b)(2); and

(iv) other clarifications to the Bidding Procedures set forth in the attached Exhibit "1" are hereby deemed incorporated into Schedule 6.1(b)(3), annexed to the Stalking Horse APA [Docket No. 1279, at 111].

12. The Break-Up Fee, as modified, is **APPROVED** for the reasons stated on the record. If the Stalking Horse Purchaser is not the Successful Bidder and is not then in breach, and the Stalking Horse APA has not otherwise been terminated, the Stalking Horse Purchaser shall be paid at the closing of the Sale of the Purchased Assets (i) three and one-quarter percent (3.25%) of the Cash Consideration (\$19,825,000.00), plus (ii) reimbursement of reasonably documented reasonable costs and expenses in an amount not to exceed \$2,000,000.00. Notwithstanding anything to the contrary contained herein, upon payment of the Break-Up Fee to the Stalking Horse Purchaser, the Debtors and their representatives and affiliates, on the one hand, and Stalking Horse Purchaser and its respective representatives and affiliates, on the other hand, will be deemed to have fully released and discharged each other from any liability resulting from the termination of the Stalking Horse APA, and neither the Debtors and their representatives and

1 affiliates, on the one hand, and the Stalking Horse Purchaser and its respective representatives
2 and affiliates, on the other hand, nor any other Person, will have any other remedy or cause of
3 action under or relating to the Stalking Horse APA, including for reimbursement of any additional
4 expenses incurred by the Stalking Horse Purchaser in connection with the negotiation and
5 documentation of the Stalking Horse APA and all proceedings held in connection therewith. Any
6 Break-Up Fee shall be payable without any further order of the Bankruptcy Court.

8 13. The Partial Bid Deadline **shall be March 28, 2019 at 4:00 p.m. (prevailing**
9 **Pacific Time)** and the Bid Deadline shall be **April 3, 2019 at 4:00 p.m. (prevailing Pacific**
10 **Time).**

11 14. The Debtors, after consultation with the Consultation Parties (as defined in the
12 Bidding Procedures), shall have the exclusive right to determine whether a bid is a Qualified Bid
13 and shall notify Qualified Bidders whether their bids have been recognized as such as promptly as
14 practicable after a Qualified Bidder delivers all of the materials required by the Bidding
15 Procedures.

16 15. The Partial Bid Auction, if necessary, shall be held on **April 8, 2019 at 10:00 a.m.**
17 **(prevailing Pacific Time)** at the offices of Dentons US LLP, 601 South Figueroa Street, Suite
18 2500, Los Angeles, CA 90017, or at such other location as shall be identified in a notice filed
19 with the Bankruptcy Court at least 24 hours before the Partial Bid Auction. The Full Bid
20 Auction, if necessary, shall be held on **April 9, 2019 at 10:00 a.m. (prevailing Pacific Time)** at
21 the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los Angeles, CA 90017,
22 or at such other location as shall be identified in a notice filed with the Bankruptcy Court at least
23 24 hours before the Full Bid Auction.

24 16. At each of the Partial Bid Auction and the Full Bid Auction, each Qualified Bidder
25 shall be required to confirm that it has not engaged in any collusion with respect to the bidding or
26
27
28

the sale, and the Auction shall be conducted openly and transcribed. Within twenty-four (24) hours following the conclusion of the Full Bid Auction, the Debtors shall file a notice identifying the Successful Bidder with the Court and shall serve such notice by fax, email, or if neither is available, by overnight mail to all counterparties whose contracts are to be assumed and assigned.

17. The Debtors, after consultation with the Consultation Parties, shall determine which offer is the highest and otherwise best offer for the Assets, giving effect to the Break-Up Fee payable to the Stalking Horse Purchaser as well as any additional liabilities or Cure Amounts to be assumed by the Stalking Horse Purchaser or another Qualified Bidder and any additional costs which may be imposed on the Debtors.

18. The Sale Hearing shall be held on **April 17, 2019 at 10:00 a.m. (prevailing Pacific Time)** before this Court, the U.S. Bankruptcy Court for the Central District of California, 255 E. Temple St., Los Angeles, California 90012. Any objections to the Sale (other than an Assumption Objection (defined herein) which shall be governed by the procedures set forth below) (a “Sale Objection”), must (i) be in writing; (ii) comply with the Bankruptcy Rules and the Local Rules; (iii) set forth the specific basis for the Sale Objection; (iv) be filed with the Court, 255 E. Temple St., Los Angeles, California 90012, together with proof of service, **on or before 4:00 p.m. (prevailing Pacific Time) on April 12, 2019** (the “Sale Objection Deadline”) and (v) be served, so as to be actually received on or before the Sale Objection Deadline, upon: (i) counsel to the Debtors: Dentons US LLP, 601 S. Figueroa Street, Suite 2500, Los Angeles, CA 90017 (Attn: Tania M. Moyron (tania.moyron@dentons.com)); (ii) the Debtors’ Investment Banker: Cain Brothers, a division of KeyBanc Capital Markets, 1 California Street, Suite 2400, San Francisco, CA 94111 (Attn: James Moloney (jmoloney@cainbrothers.com)); (iii) counsel to the Official Committee: Milbank, Tweed, Hadley & McCloy LLP, 2029 Century Park East, 33rd Floor, Los Angeles, CA 90067 (Attn: Gregory A. Bray (gbray@milbank.com)); (iv) counsel to the

2 P.C., One Financial Center, Boston, MA 02111 (Attn: Daniel S. Bleck and Paul Ricotta
3 (dsbleck@mintz.com, pricotta@mintz.com)); and (v) counsel to the Series 2015 and Series 2017
4 Notes Trustee: Maslon, LLP, 3300 Wells Fargo Center, 90 South Seventh Street, Minneapolis,
5 MN 55402 (Attn: Clark Whitmore (clark.whitmore@maslon.com) (collectively, the “Notice
6 Parties”). If a Sale Objection is not filed and served on or before the Sale Objection Deadline, the
7
8 objecting party may be barred from objecting to the Sale and may not be heard at the Sale
9 Hearing, and this Court may enter the Sale Order without further notice to such party.

10 19. The Sale Hearing may be adjourned from time to time without further notice to
11 creditors or parties in interest other than by announcement of the adjournment in open court on
12 the date scheduled for the Sale Hearing, and the Debtors shall have the exclusive right, in the
13 exercise of its fiduciary obligations and business judgment, and after consultation with the
14 Consultation Parties, to cancel the Sale at any time subject to the terms of this Order, in
15 accordance with the terms of this Order and the Stalking Horse APA.
16

17 20. The following forms of notice are approved: (a) the Procedures Notice, in the form
18 substantially similar to that attached hereto as Exhibit 3 and (b) the Cure Notice, in the form
19 substantially similar to that attached hereto as Exhibit 4.
20

21 20. The Debtors shall, within one (1) business day after the entry of this Order, file
22 with the Court and serve a copy of this Order and the Procedures Notice by first class mail,
23 postage prepaid, on the Notice Parties and all parties which the Debtor are require to serve
24 pursuant to LBR 6004-1(b)(3) and the *Order Granting Emergency Motion of Debtors for Order*
25 *Limiting Scope of Notice* [Dkt. No. 132].

26 21. The Debtors shall file with the Court and serve the Cure Notice (along with a copy
27 of this Motion) upon each counterparty to the Assumed Executory Contracts by no later than
28

1 **March 5, 2019**. The Cure Notice shall state the date, time and place of the Sale Hearing as well
2 as the date by which any Assumption Objection must be filed and served. The Cure Notice also
3 will identify the amounts, if any, that the Debtors believe are owed to each counterparty to an
4 Assumed Executory Contract in order to cure any defaults that exist under such contract (the
5 “Cure Amounts”).
6

7 22. To the extent there is a contract added to the list of contracts to be assumed by the
8 Successful Bidder pursuant to the Successful Bidder’s Purchase Agreement selected at the
9 Auction, the Motion constitutes a separate motion to assume and assign that contract to the
10 Successful Bidder pursuant to Section 365 of the Bankruptcy Code; each such contract will be
11 listed on an exhibit to the Successful Bidder’s Purchase Agreement, and shall be given a separate
12 Cure Notice filed and served by overnight delivery by the Debtors within 5 business days of the
13 conclusion of the Auction and announcement of the Successful Bidder(s).
14

15 23. The inclusion of a contract, lease, or other agreement on the Cure Notice shall not
16 constitute or be deemed a determination or admission by the Debtors and their estates or any
17 other party in interest that such contract, lease, or other agreement is, in fact, an executory
18 contract or unexpired lease within the meaning of the Bankruptcy Code, and any and all rights
19 with respect thereto shall be reserved.
20

21 24. If any counterparty to an Assumed Executory Contract wishes to file an
22 Assumption Objection, such counterparty must file and serve it so as to be actually received by
23 the Notice Parties by no later than: (i) **4:00 p.m. (prevailing Pacific Time) on March 22, 2019**,
24 (ii) such later date otherwise specified in the Cure Notice, or (iii) solely with respect to those
25 counterparties to Assumed Executory Contracts who are not served with a Cure Notice until a
26 date after March 22, 2019, seven (7) days after service by overnight mail of such Cure Notice (the
27 “Assumption Objection Deadline”), provided, however, that if any Successful Bidder is not the

1 Stalking Horse Purchaser, any counterparty may raise at the Sale Hearing (or any time before the
2 Sale Hearing) an objection to the assumption and assignment of the Assumed Executory Contract
3 solely with respect to such Successful Bidder's ability to provide adequate assurance of future
4 performance under the Assumed Executory Contract. The Court will make any and all
5 determinations concerning adequate assurance of future performance under the Assumed
6 Executory Contracts pursuant to Sections 365(b) and (f)(2) of the Bankruptcy Code at the Sale
7 Hearing.

8
9 25. To the extent the Assumed Executory Contract counterparty wishes to object to the
10 Cure Amount, if any, set forth in the Cure Notice, its Assumption Objection must set forth with
11 specificity each and every asserted default in any executory contract or unexpired lease and the
12 monetary cure amount asserted by such counterparty to the extent it differs from the amount, if
13 any, specified by the Debtors in the Cure Notice.

14
15 26. Any counterparty to an Assumed Executory Contract that fails to timely file and
16 serve an objection to the Cure Amounts shall be forever barred from asserting that a Cure
17 Amount is owed in an amount in excess of that set forth in the Cure Notice.

18
19 27. If a Contract or Lease is assumed and assigned pursuant to Court order, the
20 Assumed Executory Contract counterparty shall receive no later than three (3) business days
21 following the closing of the Sale, the Cure Amount, if any, as set forth in the Cure Notice. All
22 Cure Amounts will be funded in accordance with the terms and conditions of the Stalking Horse
23 APA and/or the Purchase Agreement(s), as applicable.

24
25 28. Assumption Objections (including those related to adequate assurance of future
26 performance) will be resolved by the Court at the Sale Hearing. Notwithstanding, in the event
27 that the Debtors and the counterparty cannot resolve the Cure Amount, such dispute may be
28

1 resolved by the Court at the Sale Hearing or such later date as may be agreed to or ordered by the
2 Court.

3 29. The Successful Bidder(s) shall be responsible for satisfying any requirements
4 regarding adequate assurance of future performance that may be imposed under section 365(b) of
5 the Bankruptcy Code in connection with the proposed assignment of any Assumed Executory
6 Contract, and the failure to provide adequate assurance of future performance to any counterparty
7 to any Assumed Executory Contract shall not excuse the Successful Bidder(s) from performance
8 of any and all of its obligations pursuant to the Successful Bidder's Purchase Agreement.

9
10 30. Except to the extent otherwise provided in a Successful Bidder's Purchase
11 Agreement, the Debtors and their estates shall be relieved of all liability accruing or arising after
12 the assumption and assignment of the Assumed Executory Contracts pursuant to section 365(k) of
13 the Bankruptcy Code.

14
15 31. All proceeds of the Sale shall be paid by the Successful Bidder(s) to the Debtors
16 and such proceeds shall be deposited in accordance with paragraph 4 of the Final DIP Order, and
17 all liens, claims, interests and encumbrances on the Assets sold pursuant to the Sale shall attach to
18 the proceeds of Sale with the same force, effect, validity and priority as such liens, claims,
19 interests and encumbrances had on such Assets prior to the Closing, subject to the liens and
20 security interests of the DIP Lender and the Prepetition Secured Creditors under the relevant
21 intercreditor agreements, applicable law and the Final DIP Order, as applicable.

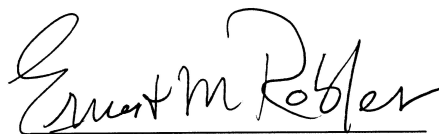

22
23 32. To the extent the provisions of this Order are inconsistent with the provisions of
24 any Exhibit referenced herein or with the Motion, the provisions of this Order shall control.

25 33. The Court shall retain jurisdiction over all matters arising from or related to the
26 interpretation and implementation of this Order.

1 34. Notwithstanding the possible applicability of Bankruptcy Rules 6004, 6006, 7062,
2 9014, or otherwise, the terms and conditions of this Order shall be immediately effective and
3 enforceable.

(Bidding Procedures)

BIDDING PROCEDURES

Set forth below are the bidding procedures (the “Bidding Procedures”) to be employed in connection with the sale of all assets of (i) the assets (the “Purchased Assets”) enumerated in the Stalking Horse APA (as defined below), including but not limited to, St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center, Inc., Seton Medical Center and Seton Medical Center Coastside (collectively, the “APA Facilities”); and (ii) assets not otherwise enumerated in the APA, but associated with the ownership or operation of the APA Facilities and available for purchase (the “Other Assets”), in connection with the chapter 11 cases pending in the United States Bankruptcy Court for the Central District of California (the “Bankruptcy Court”), jointly administered as case number 2:18-bk-20151-ER, in the form to be approved by the Bankruptcy Court, by Order dated [____], 2019 (the “Bidding Procedures Order”).

The Debtors entered into that certain Asset Purchase Agreement, dated January 8, 2019 between the Debtors, on the one hand, and Strategic Global Management, Inc. (the “Stalking Horse Purchaser”), on the other hand, pursuant to which the Stalking Horse Purchaser shall acquire the Assets on the terms and conditions specified therein (together with the schedules and related documents thereto, the “Stalking Horse APA”). The sale transaction pursuant to the Stalking Horse APA is subject to competitive bidding as set forth herein. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the *Debtors’ Notice of Motion and Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder, and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* [Docket No. 1279] (the “Sale Motion”).

I. ASSETS TO BE SOLD

The Debtors seek to complete a sale of substantially all assets of the APA Facilities, including both the Purchased Assets and the Other Assets (the “Sale”). The Stalking Horse APA will serve as the “stalking-horse” bid for the Purchased Assets.

II. THE BID PROCEDURES

In order to ensure that the Debtors receive the maximum value for the Purchased Assets and/or the Other Assets, they intend to hold a sale process for the Purchased Assets and/or the Other Assets pursuant to the procedures and on the timeline proposed herein.

A. Provisions Governing Qualifications of Bidders

Unless otherwise ordered by the Court or as set forth in these procedures, in order to participate in the bidding process, each person, other than the Stalking Horse Purchaser, who wishes to

participate in the bidding process must deliver, prior to the Bid Deadline (defined herein), the following Debtors:

- (a) a written disclosure of the identity of each entity that will be bidding for the Purchased Assets and/or the Other Assets or otherwise participating in connection with such bid; and
- (b) an executed confidentiality agreement (to be delivered prior to the distribution of any confidential information by the Debtors) in form and substance satisfactory to the Debtors and which shall inure to the benefit of any purchaser of the Purchased Assets and/or Other Assets; without limiting the foregoing, each confidentiality agreement executed by a Potential Bidder shall contain standard non-solicitation provisions.

A bidder that delivers the documents and information described above and that the Debtors determine, after consultation with the Official Committee of Unsecured Creditors, the Prepetition Secured Creditors, and any other party deemed appropriate within the business judgment of the Debtors (collectively, the “Consultation Parties”) in their reasonable business judgment, is likely (based on availability of financing, experience, and other considerations) to be able to consummate the sale, will be deemed a potential bidder (“Potential Bidder”).

B. Due Diligence

The Debtors will afford any Potential Bidder such due diligence access or additional information as the Debtor, in consultation with their advisors, deem appropriate, in their reasonable discretion. The due diligence period shall extend through and including the relevant Bid Deadline; provided, however, that any bid submitted under these procedures shall be irrevocable until at least the selection of the Successful Bidder(s) (defined herein) and any Back-Up Bidder(s) (defined herein).

C. Provisions Governing Qualified Bids

A bid submitted by a Potential Bidder will be considered a Qualified Bid (each, a “Qualified Bid”, and each such Potential Bidder thereafter a “Qualified Bidder”) only if the bid complies with all of the following requirements:

- a) it states that the applicable Qualified Bidder offers to purchase, in cash, some or all of the Purchased Assets and/or the Other Assets;
- b) it identifies with particularity the portion of the Purchased Assets and/or the Other Assets the Qualified Bidder is offering to purchase;
- c) it allocates with specificity the portion of the purchase price offered that the Qualified Bidder attributes to St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, and Seton Coastside, and each of the Other Assets, respectively;⁵

⁵ For the avoidance of doubt, such allocation shall not be binding on the Debtors, their estates or any Consultation Party.

- d) it includes a signed writing that the Qualified Bidder's offer is irrevocable until the selection of the Successful Bidder and the Back-Up Bidder, provided that if such bidder is selected as the Successful Bidder or the Back-Up Bidder then the offer shall remain irrevocable until the earliest of (i) the closing of the transaction with the Successful Bidder, (ii) in the case of the Successful Bidder, a termination of the Qualified Bid pursuant to the terms of the Successful Bidder Purchase Agreement and (iii) with respect to the Back-up Bidder, the date that is thirty (30) business days after entry of the Sale Order;
- e) it includes confirmation that there are no conditions precedent to the Qualified Bidder's ability to enter into a definitive agreement and that all necessary internal governance and shareholder approvals have been obtained prior to the bid;
- f) it sets forth each third-party, regulatory and governmental approval required for the Qualified Bidder to consummate the transaction and the time period within which the Qualified Bidder expects to receive such approvals and establishes a substantial likelihood that the Qualified Bidder will obtain such approvals by the stated time period;
- g) it includes a duly authorized and executed copy of a purchase or acquisition agreement in the form of the Stalking Horse APA (a "Purchase Agreement"), including the purchase price for some or all of the Purchased Assets and/or the Other Assets, or both, expressed in U.S. Dollars, together with all exhibits and schedules thereto, together with copies marked to show any amendments and modifications to the Stalking Horse APA ("Marked Agreement");
- h) it is not subject to any financing contingency and includes written evidence of a firm ability to have the funding necessary to consummate the proposed transaction, that will allow the Debtors to make a reasonable determination, in consultation with the Consultation Parties, as to the Qualified Bidder's financial and other capabilities to consummate the transaction contemplated by the Purchase Agreement;
- i) if the bid is for all of the Purchased Assets, it must have a value to the Debtors, in the Debtors' exercise of its reasonable business judgment, after consultation with its advisors and the Consultation Parties, that is greater than or equal to the sum of the value offered under the Stalking Horse APA, plus (i) the amount of the Break-Up Fee (\$19,825,000.00); (ii) the amount of the expense reimbursement (\$2,000,000.00); and (iii) \$7,000,000.00 (the "Initial Bidding Increment," and, together with the Break-Up Fee, the "Minimum Qualified Bid");
- j) if the bid is a partial bid (the "Partial Bid"),⁶ the terms of paragraph (i) immediately above shall not apply but the terms of paragraph (o) below concerning the Good Faith Deposit shall expressly apply in order to be a bid qualified to participate in the Partial Bid Auction (as defined below) (each, a "Partial Bid Auction Qualified Bid"). In the event that the Debtors aggregate Partial Bids, the Partial Bid purchasers' responsibility for the Break-Up Fee, the Expense Reimbursement, and the Initial Bidding Increment shall be reasonably allocated to each Partial Bid purchaser, and (ii) in no event shall the Stalking Horse Purchaser be entitled to more than one Break-Up Fee and/or Expense Reimbursement;
- k) it identifies with particularity which (i) executory contracts and unexpired leases the Qualified Bidder wishes the Debtors to assume and assign to it, and (ii)

⁶ A Partial Bid shall mean a bid for less than all of the Purchased Assets.

Purchased Assets and/or Other Assets, subject to purchase money liens or the like, the Qualified Bidder wishes to acquire and therefore pay the associated purchase money financing;

- l) it contains sufficient information concerning the Qualified Bidder's ability to provide adequate assurance of performance with respect to executory contracts and unexpired leases;
- m) it includes an acknowledgement and representation that the Qualified Bidder: (A) has had an opportunity to conduct any and all required due diligence regarding the Purchased Assets and/or Other Assets prior to making its offer and that the offer is not subject to any further due diligence or the need to raise capital/financing to consummate the proposed transaction; (B) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Purchased Assets and/or Other Assets in making its bid; (C) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express or implied (by operation of law or otherwise), regarding the Purchased Assets and/or Other Assets or the completeness of any information provided in connection therewith or with the relevant Auction (defined below), except as expressly stated in the Purchase Agreement; and (D) is not entitled to any expense reimbursement, break-up fee, or similar type of payment in connection with its bid;
- o) unless it is a Credit Bid (as defined below), it is accompanied by a (i) good faith deposit in the form of a wire transfer (to a bank account specified by the Debtors), certified check or such other form of cash or cash equivalent acceptable to the Debtors, payable to the order of the Debtors (or such other party as the Debtors may determine) in an amount equal to: (a) 20% of purchase price for bids under \$5 million; (b) for bids greater than \$5 million and less than \$100 million, the greater of: (i) \$1 million or (ii) 10% of purchase price; (c) for bids greater than \$100 million, the greater of (i) \$10 million or (ii) 5% of purchase price (collectively, the "Good Faith Deposit"), which Good Faith Deposit shall, be forfeited if such bidder is the Successful Bidder and breaches its obligation to close; and (ii) if the Qualified Bid is a bid made by a secured creditor of the Debtors (a "Credit Bid Bidder") who intends to make a credit bid (each, a "Credit Bid Bidder"), evidence of (a) the basis for and property covered by such Credit Bid Bidder's secured claim, (b) the amount of such Credit Bid Bidder's claim that is secured by the property in question, (c) whether it is the senior secured claim on the property (x) prepetition and (y) as of the date of the request to be a Qualified Bidder, as well as (d) evidence of the resolution of any Challenge to such Credit Bid Bidder's secured claim within the meaning of the Final DIP Order;
- p) it contains a detailed description of how the Qualified Bidder intends to treat current employees of the Debtors;
- r) it identifies the person(s) and their title(s) who will attend the relevant Auction, and confirms that such person(s) have authority to make binding Overbids (defined below) at such Auction;
- s) it contains such other information reasonably requested by the Debtors; and
- t) it is received prior to the Bid Deadline.

1 The Debtors, in consultation with the Consultation Parties (who shall receive copies of the
2 Purchase Agreement relating to any bids cast pursuant to these Bidding Procedures as soon as
3 reasonably practicable), may qualify any bid that meets the foregoing requirements as a Qualified
4 Bid. Notwithstanding the foregoing, the Stalking Horse Purchaser is deemed a Qualified Bidder
and the Stalking Horse APA is deemed a Qualified Bid, for all purposes in connection with the
Bidding Process, the Auction, and the Sale.

5 The Debtors shall notify the Consultation Parties, the Stalking Horse Purchaser and all Qualified
6 Bidders and the Notice Parties in writing as to whether or not any bids constitute Qualified Bids
7 (and with respect to each Qualified Bidder that submitted a bid as to whether such Qualified
8 Bidder's bid constitutes a Qualified Bid) and provide copies of the Purchase Agreements relating
9 any such Qualified Bid to the Consultation Parties, the Stalking Horse Purchaser and
such Qualified Bidders and the Notice Parties on the earlier of: (1) the date that any bid other than
the Stalking Horse Bid has been deemed a Qualified Bid, or (2) two business days prior to the
Partial Bid Auction.

10 **D. Bid Deadline**

11 A Qualified Bidder that desires to make a bid or a Partial Bid will deliver written copies of its bid
12 or Partial Bid to the following parties (collectively, the "Notice Parties"): (i) counsel to the
13 Debtors: Dentons US LLP, 601 S. Figueroa Street, Suite 2500, Los Angeles, CA 90017 (Attn:
14 Tania M. Moyron (tania.moyron@dentons.com)); (ii) the Debtors' Investment Banker: Cain
15 Brothers, a division of KeyBanc Capital Markets, 1 California Street, Suite 2400, San Francisco,
16 CA 94111 (Attn: James Moloney (jmoloney@cainbrothers.com)); (iii) counsel to the Official
17 Committee: Milbank, Tweed, Hadley & McCloy LLP, 2029 Century Park East, 33rd Floor, Los
18 Angeles, CA 90067 (Attn: Gregory A. Bray (gbray@milbank.com)); (iv) counsel to the Master
19 Trustee and Series 2005 Bond Trustee: Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., One
20 Financial Center, Boston, MA 02111 (Attn: Daniel S. Bleck and Paul Ricotta
(dsbleck@mintz.com, pricotta@mintz.com)); and (v) counsel to the Series 2015 and Series 2017
Notes Trustee: Maslon, LLP, 3300 Wells Fargo Center, 90 South Seventh Street, Minneapolis,
MN 55402 (Attn: Clark Whitmore (clark.whitmore@maslon.com)), so as to be received by the
Notice Parties not later than **March 28, 2019, at 4:00 p.m.** (prevailing Pacific Time), for partial
bids (the "Partial Bid Deadline") or **April 3, 2019, at 4:00 p.m.** (prevailing Pacific Time), for full
bids (the "Full Bid Deadline").

21 A list of all Qualified Bids, as well as all adequate assurance information included in such bids as
22 required by paragraph C(l) above, will be provided to Cigna and United (through their counsel)
23 no later than April 4, 2018, at 4:00 p.m. (prevailing Pacific Time) to allow those parties to
24 evaluate Qualified Bidders related to adequate assurance of future performance of the Cigna and
United provider agreements.

25 **E. Credit Bidding**

26 Any party with a valid, properly perfected security interest in any of the Assets may credit bid for
the Assets in connection with the Sale pursuant to § 363(k) of the Bankruptcy Code.

27 Any credit bids made by secured creditors shall not impair or otherwise affect the Stalking Horse
28 Purchaser's entitlement to the Bidding Procedures and related protections granted under the
Bidding Procedures Order.

1 **F. Evaluation of Competing Bids**

2 A Qualified Bid will be valued based upon several factors including, without limitation: (i) the
3 amount of such bid; (ii) the risks and timing associated with consummating such bid; (iii) any
4 proposed revisions to the form of Stalking Horse APA; and (iv) any other factors deemed relevant
5 by the Debtors in its reasonable discretion, in consultation with the Consultation Parties,
6 including the amount of cash included in the bid.

7 **G. No Qualified Bids**

8 If the Debtors do not receive any Qualified Bids other than the Stalking Horse APA, the Debtors
9 will not hold an auction and the Stalking Horse Purchaser will be named the Successful Bidder
10 for the Assets. If the Debtors receive one or more qualified Partial Bid Auction Qualified Bids
11 and, after the Partial Bid Auction, the Debtors will determine, in consultation with the
12 Consultation Parties, if there are any Partial Bidders that will not be qualified to participate at the
13 Full Bid Auction.

14 **H. Auction Process**

15 If the Debtors receive one or more Partial Bid Auction Qualified Bids, the Debtors will conduct
16 separate auctions of each asset or combinations thereof (each, a "Partial Bid Auction"). Any
17 Partial Bidder holding a Partial Bid Auction Qualified Bid shall be entitled to bid on any assets in
18 any Partial Bid Auction(s). The procedures below shall apply to the Partial Bid Auction, except
19 as where otherwise indicated. The Debtors will conduct the Partial Bid Auction(s), which shall
20 be transcribed on **April 8, 2019, at 10:00 a.m. (prevailing Pacific Time)** (the "Partial Bid
21 Auction Date"), at the offices of Dentons US LLP, 601 South Figueroa Street, Suite 2500, Los
22 Angeles, California 90017, or such other location as shall be timely communicated to all entities
23 entitled to attend the Auction.

24 The Partial Bid Auction Qualified Bids determined by the Debtors, in consultation with the
25 Consultation Parties, at the Partial Bid Auction(s) (as set forth above) to be eligible to participate
26 at the Full Bid Auction, including (without limitation) the highest and best bids for each asset (the
27 "Winning Partial Bids") shall be permitted to participate in the Full Bid Auction (as defined
28 below) of the Purchased Assets and/or the Other Assets, except that:

- 29 (a) If the Partial Bids, at the conclusion of the Partial Bid Auction, include all four
30 APA Facilities and exceed, in the aggregate, the Purchase Price in the Stalking
31 Horse APA, there will be a Full Bid Auction (as defined below) and (1) the
32 Stalking Horse Purchaser may overbid in the aggregate for all four APA Facilities,
33 or (2) the Stalking Horse Purchaser may bid for less than the four APA Facilities
34 and be entitled to a pro-rata Break-Up Fee for the APA Facilities which the
35 Stalking Horse Purchaser does not acquire, as specified in the Stalking Horse APA
36 at 6.1(b)(2);
- 37 (b) If the Partial Bids do not include all four APA Facilities, and if there are no other
38 Qualified Full Bids, then Seller, in its discretion, after consultation with the
39 Consultation Parties, may choose, at the conclusion of the Partial Bid Auction, (1)
40 to have no Full Bid Auction and the Stalking Horse Purchaser will purchase the
41 four APA Facilities pursuant to the Stalking Horse APA, or (2) if the Debtor and

1 Consultation Parties deem the aggregate designated Winning Partial Bid(s) to be
 2 sufficient to warrant leaving one or more APA Facilities behind (the “Remaining
 3 Facility”), the Stalking Horse Purchaser shall have the option of (i) acquiring the
 4 Remaining Facility at the allocated price in the Stalking Horse APA, (ii)
 5 overbidding one or more of the Partial Bids, or (iii) terminating the Stalking Horse
 6 APA. In either event, the Stalking Horse Purchaser shall be entitled to the Break-
 7 Up Fee for all of the APA Facilities not acquired by the Stalking Horse Purchaser.

8 If the Debtors receive, in addition to the Stalking Horse APA, one or more Qualified Full Bids
 9 (and/or a combination of Winning Partial Bids from the Partial Bid Auction(s) seeking, on an
 10 aggregate basis, to purchase all or substantially all of the Purchased Assets and/or the Other
 11 Assets), the Debtor will conduct a full bid auction of the Purchased Assets and/or the Other
 12 Assets (the “Full Bid Auction”), which shall be transcribed, on **April 9, 2019, at 10:00 a.m.**
 13 **(prevailing Pacific Time)** (the “Full Bid Auction Date”), at the offices of Dentons US LLP, 601
 14 South Figueroa Street, Suite 2500, Los Angeles, California 90017, or such other location as shall
 15 be timely communicated to all entities entitled to attend the Auction. The Partial Bid Auction and
 16 the Full Bid Auction shall run in accordance with the following procedures:

- 17 a) only the Debtors, the Stalking Horse Purchaser, Qualified Bidders who have
 18 timely submitted a Qualified Bid, the U.S. Trustee, and the Consultation Parties,
 19 and their respective advisors, and other parties who request and receive authority
 20 to attend the auction in advance from the Debtors may attend the Auction;
- 21 b) only the Stalking Horse Purchaser and the Qualified Bidders who have timely
 22 submitted Qualified Bids will be entitled to make any subsequent bids at the
 23 Auction;
- 24 c) each Qualified Bidder shall be required to confirm that it has not engaged in any
 25 collusion with respect to the bidding or the sale;
- 26 d) all Qualified Bidders who have timely submitted Qualified Bids will be entitled to
 27 be present for all Subsequent Bids (defined herein) at the relevant Auction and the
 28 actual identity of each Qualified Bidder will be disclosed on the record at the
 relevant Auction; provided that all Qualified Bidders wishing to attend the relevant
 Auction must have at least one individual representative with authority to bind
 such Qualified Bidder attending the relevant Auction in person;
- e) the Debtors, after consultation with the Consultation Parties, the Stalking Horse
 Purchaser, and any other Qualified Bidders may employ and announce at the
 relevant Auction additional procedural rules that are (i) reasonable under the
 circumstances for conducting the relevant Auction, (ii) in the best interest of the
 Debtors’ estates; provided, however, that rules (i) are disclosed to the Stalking
 Horse Purchaser and each Qualified Bidder participating in the Auction, and (ii)
 are not inconsistent with the Bidding Procedures, the Stalking Horse APA, the
 Bankruptcy Code, or any order of the Court entered in connection herewith;
- f) bidding at the relevant Auction will begin with a bid determined by the Debtors
 after consulting with the Consultation Parties as being the then highest and best bid
 which will be announced by the Debtors prior to the commencement of the
 Auction (the “Baseline Bid”). The Auction will continue in bidding increments to
 be determined in the discretion of the Debtors, in consultation with the
 Consultation Parties (each a “Overbid”), and all material terms of each Overbid
 shall be fully disclosed to all other Qualified Bidders who submitted Qualified

Bids and are in attendance at the Auction (including, without limitation, Winning Partial Bids), as well as to the Notice Parties;

g) the initial Overbid, if any, shall provide for total consideration to Debtors with a value that exceeds the value of the consideration under the Baseline Bid by an incremental amount. Additional consideration in excess of the amount set forth in the respective Baseline Bid must include: (i) cash and/or (ii) in the case of a Qualified Bidder (including, without limitation, with respect to any Winning Partial Bids) that is a Credit Bid Bidder that has a valid and perfected lien (not subject to a Challenge within the meaning the Final DIP Order) on any of the Purchased Assets and/or the Other Assets, a Credit Bid of up to the full amount of such Credit Bidder's allowed perfected lien, subject to § 363(k) and any other restrictions set forth herein; and

h) at the Full Bid Auction, the Stalking Horse Purchaser may, subject to the terms and conditions set forth herein, elect to bid for the Purchased Assets as described in the Bid Procedures Order. In the alternative, the Stalking Horse Purchaser, and any bidder with a Qualified Full Bid, (a) may elect to bid against any one or more of the Winning Partial Bidders for the assets subject to the relevant Partial Bid(s), in lieu of seeking to acquire such Purchased Assets and/or Other Assets by means of the Stalking Horse Bid or another Qualified Full Bid; and (b) if successful with its Overbids for such assets, replace the Winning Partial Bidder(s) as the proponent of the relevant Winning Partial Bids or Aggregate Winning Partial Bid as to such assets. In the event that the Stalking Horse Purchaser or another bidder so elects, and as long as the Stalking Horse Purchaser or another bidder so bids, the Winning Partial Bidders must continue to present qualified Winning Partial Bids (i.e., bids as to which the aggregate of all still pending Winning Partial Bids is greater than or equal to the then Prevailing Highest Bid) for the Purchased Assets and/or the Other Assets in each round to continue to bid as Winning Partial Bidders in the Full Bid Auction. In addition, the Debtors may elect, in their discretion, after consultation with the Consultation Parties, to allow Partial Bidders to bid for all or substantially all the Purchased Assets and/or the Other Assets, or to allow proponents of Full Bids to bid for less than all or substantially all of the Purchased Assets and/or the Other Assets in any given round of the Auction, provided that in any given round there is a Full Bid or an Aggregate Partial Bid that is superior to Prevailing Highest Bid that is then subject to acceptance by the Debtors and binding on the Stalking Horse Purchaser or another Qualified Bidder. In all events, (i) any such Overbid shall continue to comply with all of the requirements for Qualified Bids set forth in Section C of these Bidding Procedures; and (ii) the bidder submitting such a modified Qualified Bid or Qualified Partial Bid shall furnish to the Debtors and the Consultation Parties, within twenty-four (24) hours of the conclusion of the Auction, a revised Purchase Agreement and Marked Agreement showing all amendments and modifications to the Stalking Horse APA and the Sale Order.

I. Selection of Successful Bid

Prior to the conclusion of the Auction, the Debtors, in consultation with their advisors and the Consultation Parties, will review and evaluate each Qualified Bid in accordance with the procedures set forth herein and determine which offer or offers are the highest or otherwise best from among the Qualified Bidders submitted at the Auction (one or more such bids, collectively the "Successful Bid" and the bidder(s) making such bid, collectively, the "Successful Bidder"), and communicate to the Qualified Bidders the identity of the Successful Bidder and the details of the Successful Bid. The Successful Bid may consist of a single Qualified Bid or multiple bids.

1 The determination of the Successful Bid by the Debtors at the conclusion of the Auction shall be
2 subject to approval by the Court.

3 If selected, at the conclusion of the Partial Bid Auction, as the Winning Partial Bidder or the
4 Back-Up Bidder, then such party or parties, prior to the Full Bid Auction, shall increase its Good
5 Faith Deposit in the amount set forth in above in paragraph 30, subsection (o), or as determined
6 by the Seller in consultation with the Consultation Parties; provided, however, if a party or parties
7 are bidding on all four APA Facilities, the deposit will be no less than \$30,000,000. If selected as
8 the Successful Bidder or the Back-Up Bidder at the conclusion of the Full Bid Auction, each of
9 the Successful Bidder and the Back-Up Bidder shall, within forty-eight (48) hours, increase its
10 Good Faith Deposit to the sum of five percent (5%) of the Successful Bid or Back-Up Bid, as
11 applicable. If the Successful Bidder fails to increase the Good Faith Deposit within forty-eight
12 (48) hours of the Auction conclusion date (the "Final Deposit"), then (1) the Successful Bidder
13 forfeits its Good Faith Deposit, and (2) the Successful Bid is nullified (i.e., the Back-Up Bidder
14 becomes the Successful Bidder in the amount of its last bid).

15 Unless otherwise agreed to by the Debtors and the Successful Bidder, within two (2) business
16 days after the conclusion of the Auction, the Successful Bidder shall complete and execute all
17 agreements, contracts, instruments, and other documents evidencing and containing the terms and
18 conditions upon which the Successful Bid was made. Within twenty-four (24) hours following
19 the conclusion of the Full Bid Auction, and within forty-eight (48) hours following the conclusion
20 of the Partial Bid Auction, the Debtors shall file a notice identifying the Successful Bidder(s) and
21 Back-Up Bidders with the Court and shall serve such notice by fax, email, or if neither is
22 available, by overnight mail to all counterparties whose contracts are to be assumed and assigned.

23 The Debtors will sell the Purchased Assets and (to the extent included in an Overbid) the Other
24 Assets to the Successful Bidder pursuant to the terms of the Successful Bid upon the approval of
25 such Successful Bid by the Court at the Sale Hearing and satisfaction of any other closing
26 conditions set forth in the Successful Bidder's Purchase Agreement.

27 **J. Return of Deposits**

28 All deposits shall be returned to each bidder not selected by the Debtors as the Successful Bidder
or the Back-Up Bidder no later than five (5) business days following the conclusion of the
Auction.

K. Back-Up Bidder

If an Auction is conducted (whether it be a Full Bid Auction or a Partial Bid Auction), the
Qualified Bidder or Qualified Bidders (including the Stalking Horse Purchaser, subject to Section
II H.(b) hereof) with the next highest or otherwise best Qualified Bid, as determined by the
Debtors in the exercise of their business judgment, at the Auction shall be required to serve as a
back-up bidder (the "Back-Up Bidder") and keep such bid open (whether it be a Partial Bid or
Full Bid) and irrevocable for thirty (30) business days after the entry of the Sale Order (the
"Thirty Day Period"). If during the Thirty-Day Period, the Successful Bidder fails to
consummate the approved sale because of a breach or failure to perform on the part of such
Successful Bidder, the Back-Up Bidder will be deemed to be the new Successful Bidder, and the
Debtors will be authorized, but not required, to consummate the sale with the Back-Up Bidder
without further order of the Court provided that the Back-Up Bidder shall thereafter keep such bid

open and irrevocable in accordance with the terms of the Back-Up Bidder APA; provided further, however, that if the Back-Up Bidder is the Stalking Horse Purchaser, the Debtors will be authorized and required to consummate the sale to the Stalking Horse Purchaser in accordance with the terms of the Stalking Horse APA, as such terms may (at the discretion of the Stalking Horse Purchaser) have been modified as a result of the Full Bid Auction or the Partial Bid Auction.

If, after the Thirty-Day Period, the Successful Bidder has failed to consummate the approved sale, the Back-Up Bidder (including the Stalking Horse Purchaser if it has been designated the Back-Up Bidder) may elect, in its discretion, to remain as the Back-Up Bidder until (a) the sale closes, (b) the Successful Bidder defaults, or (c) the Back-Up Bidder elects to terminate its participation as Back-Up Bidder. For the avoidance of doubt, after the Thirty-Day Period, if the Successful Bidder fails to consummate the approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Back-Up Bidder will not be contractually obligated to be the Back-Up Bidder, and will have the option to either (i) be entitled to terminate its Back-Up Bidder APA and the return of its deposit, or (ii) remain as the Back-up Bidder, in which event, there will be no reopening of the auction.

L. Break-Up Fee

In recognition of this expenditure of time, energy, and resources, the Debtors have agreed that if the Stalking Horse Purchaser is not the Successful Bidder as to the Assets, the Debtors will pay the Stalking Horse Purchaser at closing of the sale of the Assets an amount in cash equal to three percent (3.25%) of the Cash Consideration (\$19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses in an amount not to exceed \$2,000,000.00. The Break-Up Fee shall be payable at closing of the sale from the sale proceeds.

If the Stalking Horse APA is terminated because the Stalking Horse Purchaser is not selected as the Successful Bidder or the Back-Up Bidder at Auction (or the Stalking Horse Purchaser is selected as the Back-Up Bidder but the sale of the Assets is consummated and closed with another entity), the Debtors shall pay to the Stalking Horse Purchaser the Break-Up Fee by wire transfer of immediately available funds immediately, and contemporaneous with, the closing of the sale of the Assets from the first cash proceeds thereof. The Break-Up Fee shall constitute an administrative expense claim with priority under Section 507(a) of the Bankruptcy Code in favor of the Stalking Horse Purchaser.

III. Sale Hearing

The Debtors will seek entry of the Sale Order from the Court at the Sale Hearing to begin at **10:00 a.m. Pacific Time on April 17, 2019** (or at another date and time convenient to the Court) to approve and authorize the sale transaction to the Successful Bidder(s) on terms and conditions determined in accordance with the Bidding Procedures.

At the Sale Hearing, the Debtors will seek Court approval of the Sale to the Successful Bidder, (or, in the event the Successful Bidder fails to close, the Back-Up Bidder), free and clear of all liens, claims, interests, and encumbrances pursuant to § 363 of the Bankruptcy Code, with all liens, claims, interests, and encumbrances to attach to the sale proceeds with the same validity and in the same order of priority as they attached to the Purchased Assets (and to the extent included in the Successful Bid, the Other Assets prior to the Sale), including the assumption by

1 the Debtors and assignment to the Successful Bidder of the Assumed Executory Contracts and
2 Leases pursuant to Section 365 of the Bankruptcy Code. The Debtors will submit and present
3 additional evidence, as necessary, at the Sale Hearing demonstrating that the Sale is fair,
4 reasonable, and in the best interest of the Debtors' estates and all interested parties, and satisfies
5 the standards necessary to approve a sale of the Purchased Assets and/or the Other Assets.

6 **IV. Reservation**

7 The Debtors reserve the right, as they may determine in their discretion and in accordance with
8 their business judgment to be in the best interest of their estates, in consultation with their
9 professionals and the Consultation Parties to: (i) modify the Bidding Procedures to discontinue
10 incremental bidding and then require that any and all bidders or potential purchasers must submit
11 their sealed, highest and best offer for the Purchased Assets and/or Other Assets; (ii) determine
12 which Qualified Bid is the highest or otherwise best bid and which is the next highest or
13 otherwise best bid; (iii) waive terms and conditions set forth herein with respect to all Potential
14 Bidders; (iv) impose additional terms and conditions with respect to all Potential Bidders; (v)
15 extend the deadlines set forth herein; (vi) continue or cancel the Auction and/or Sale Hearing in
16 open court without further notice; and (vii) implement additional procedural rules that the Debtors
17 determine, in their reasonable business judgment and in consultation with the Consultation Parties
18 will better promote the goals of the bidding process; provided that such modifications are
19 disclosed to each Qualified Bidder participating in the Auction; provided, however, and
20 notwithstanding the foregoing, these Bid Procedures shall not be modified so as to alter,
21 extinguish or modify any rights or interests of the Stalking Horse Purchaser expressly set forth
22 herein or in the Stalking Horse APA.

1 and Clear of All Claims, Liens and Encumbrances (the “Motion”).⁷ The Debtors seek, among
2 other things, to sell all assets of St. Francis Medical Center, St. Vincent Medical Center, St.
3 Vincent Dialysis Center, Inc., Seton Medical Center and Seton Medical Center Coastsides (the
4 “Assets”) to the successful bidder(s) (the “Successful Bidder”), at an auction free and clear of all
liens, claims, encumbrances and other interests pursuant to Sections 363 and 365 of the
Bankruptcy Code.

5 **PLEASE TAKE FURTHER NOTICE** that, on [DATE], the Bankruptcy Court entered
6 an order (the “Bidding Procedures Order”) approving the Motion and the bidding procedures (the
7 “Bidding Procedures”), which set the key dates and times related to the Sale of the Assets. All
8 interested bidders should carefully read the Bidding Procedures Order and the Bidding
9 Procedures. To the extent that there are any inconsistencies between the Bidding Procedures
Order (including the Bidding Procedures) and the summary description of its terms and
conditions contained in this Notice, the terms of the Bidding Procedures Order shall control.

10 **PLEASE TAKE FURTHER NOTICE** that, pursuant to the terms of the Bidding
11 Procedures, a partial bid auction (the “Partial Bid Auction”) to sell the Assets will be conducted
12 on **April 8, 2019, at 10:00 a.m. (prevailing Pacific Time)** at the offices of Dentons US LLP, 601
13 South Figueroa Street, Suite 2500, Los Angeles, California 90017, or at such other location as
shall be identified in a notice filed with the Bankruptcy Court at least 24 hours before the Partial
Bid Auction. Within forty-eight (48) hours of the conclusion of the Partial Bid Auction, the
Debtors shall file a notice with the Bankruptcy Court identifying the Successful Bidder.

14 **PLEASE TAKE FURTHER NOTICE** that, pursuant to the terms of the Bidding
15 Procedures, a full bid auction (the “Full Bid Auction”) to sell the Assets will be conducted on
16 **April 9, 2019 at 10:00 a.m. (prevailing Pacific Time)** at the offices of Dentons US LLP, 601
17 South Figueroa Street, Suite 2500, Los Angeles, California 90017, or at such other location as
shall be identified in a notice filed with the Bankruptcy Court at least 24 hours before the Full Bid
Auction. Within twenty-four (24) hours of the conclusion of the Full Bid Auction, the Debtors
shall file a notice with the Bankruptcy Court identifying the Successful Bidder.

18 **PLEASE TAKE FURTHER NOTICE** that a hearing will be held to approve the sale of
19 the Assets to the Successful Bidder (the “Sale Hearing”) before the Honorable Ernest Robles,
20 United States Bankruptcy Judge, United States Bankruptcy Court for the Central District of
21 California, 255 E. Temple St., Los Angeles, California 90012, Courtroom 1568, on **April 17,**
22 **2019 at 10:00 a.m. (prevailing Pacific Time)**, or at such time thereafter as counsel may be heard
or at such other time as the Bankruptcy Court may determine. The Sale Hearing may be
23 adjourned from time to time without further notice to creditors or parties in interest other than by
announcement of the adjournment in open court on the date scheduled for the Sale Hearing.
24 Objections to the Sale shall be filed with the Bankruptcy Court and served **so as to be received**
no later than 4:00 p.m. (prevailing Pacific Time) on April 12, 2019 by: (i) counsel to the

**NOTICE TO COUNTERPARTIES TO EXECUTORY CONTRACTS
 AND UNEXPIRED LEASES OF THE DEBTORS
THAT MAY BE ASSUMED AND ASSIGNED**

PLEASE TAKE NOTICE that on January 17, 2019, the above-captioned debtors and debtors in possession (the "Debtors") filed the *Debtors' Notice of Motion and Motion for the Entry of (1) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder, and (5) Approving Procedures Related to the Assumption of Certain Executory*

1 *Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free*
2 *and Clear of All Claims, Liens and Encumbrances (the “Motion”).*⁸

3 **PLEASE TAKE FURTHER NOTICE** that, on [DATE], the Court entered an Order (the
4 “Bidding Procedures Order”) approving, among other things, the Bidding Procedures requested in
5 the Motion, which Bidding Procedures Order governs (i) the bidding process for the sale of
6 certain assets (the “Assets”) of the Debtors and (ii) procedures for the assumption and assignment
7 of certain of the Debtors’ executory contracts and unexpired leases.

8 **PLEASE TAKE FURTHER NOTICE** that the Motion also seeks Court approval of the
9 sale (the “Sale”) of the Assets to the Successful Bidder(s), free and clear of all liens, claims,
10 interests and encumbrances pursuant to Section 363 of the Bankruptcy Code, including the
11 assumption by the Debtors and assignment to the buyer(s) of certain executory contracts and
12 unexpired leases pursuant to Section 365 of the Bankruptcy Code (the “Executory Contracts
13 Subject to Assumption”), with such liens, claims, interests and encumbrances to attach to the
14 proceeds of the Sale with the same priority, validity and enforceability as they had prior to such
15 Sale. Within forty eight (48) hours following the conclusion of the Auction, the Debtors shall file
16 a notice identifying the Successful Bidder(s) with the Bankruptcy Court and serve such notice by
17 fax, email or overnight mail to all counterparties whose contracts are to be assumed and assigned.
18 Any counterparty to an Executory Contracts Subject to Assumption that wishes to receive such
19 notice by email or fax, must provide their email address or fax number to Dentons US LLP, Attn:
20 Samuel R. Maizel by emailing samuel.maizel@dentons.com or calling (213) 892-2910 before the
21 Auction.

22 **PLEASE TAKE FURTHER NOTICE** that an evidentiary hearing (the “Sale Hearing”) to
23 approve the Sale and authorize the assumption and assignment of the Assumed Executory
24 Contracts will be held on **April 17, 2019 at 10:00 a.m. (prevailing Pacific Time)**, before the
25 United States Bankruptcy Court for the Central District of California, 255 E. Temple St., Los
26 Angeles, California 90012, Courtroom 1568. The Sale Hearing may be adjourned from time to
27 time without further notice to creditors or parties in interest other than by announcement of the
28 adjournment in open court on the date scheduled for the Sale Hearing.

29 **PLEASE TAKE FURTHER NOTICE** that, consistent with the Bidding Procedures
30 Order, the Debtors may seek to assume an executory contract or unexpired lease to which you
31 may be a party. The Executory Contracts Subject to Assumption are described on Exhibit A
32 attached to this Notice. The amount shown on Exhibit A hereto as the “Cure Amount” is the
33 amount, if any, which the Debtors assert is owed to cure any defaults existing under the Assumed
34 Executory Contract.

35 **PLEASE TAKE FURTHER NOTICE** that if you disagree with the Cure Amount
36 shown for the Executory Contract(s) Subject to Assumption on Exhibit A to which you are a
37 party, you must file in writing with the United States Bankruptcy Court for the Central District of
38 California, 255 E. Temple St., Los Angeles, California 90012, an objection on or before **March**
39 **22, 2019 at 4:00 p.m. (prevailing Pacific Time)**. Any objection must set forth the specific
40 default or defaults alleged and set forth any cure amount as alleged by you. If a contract or lease
41 is assumed and assigned pursuant to a Court order approving same, then unless you properly file

42 ⁸ Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the
43 Motion.

1 and serve an objection to the Cure Amount contained in this Notice, you will receive at the time
2 of the closing of the sale (or as soon as reasonably practicable thereafter), the Cure Amount set
3 forth herein, if any. Any counterparty to an Executory Contract Subject to Assumption that fails
4 to timely file and serve an objection to the Cure Amounts shall be forever barred from asserting
that a Cure Amount is owed in an amount in excess of the amount, if any, set forth in the attached
Exhibit A.

5 **PLEASE TAKE FURTHER NOTICE** that if you have any other objection to the
6 Debtors' assumption and assignment of the Executory Contract Subject to Assumption (including
7 an objection based on adequate assurance of future performance by the Stalking Horse Purchaser⁹
8 under the Assumed Executory Contract) to which you may be a party, you also must file that
9 objection in writing no later than **4:00 p.m. (prevailing Pacific Time) on April 12, 2019**
10 provided, however, that if any Successful Bidder is not the Stalking Horse Purchaser, any
counterparty to an Executory Contract Subject to Assumption may raise an objection to the
assumption and assignment of the Executory Contracts Subject to Assumption solely with respect
to such Successful Bidder's ability to provide adequate assurance of future performance under the
Assumed Executory Contract at the Sale Hearing, or any time before the Sale Hearing.

11 **PLEASE TAKE FURTHER NOTICE** that any objection you may file must be served
12 so as to be received by the following parties by the applicable objection deadline date and time:
13 (i) counsel to the Debtors: Dentons US LLP, 601 S. Figueroa Street, Suite 2500, Los Angeles, CA

Wilshire Blvd., Suite 1850, Los Angeles, California 90017 (Attn: Hatty Yip
(Hatty.Yip@usdoj.gov)).

22 **PLEASE TAKE FURTHER NOTICE** that the Successful Bidder shall be responsible
23 for satisfying any requirements regarding adequate assurance of future performance that may be
24 imposed under §§ 365(b) and (f) of the Bankruptcy Code, 11 U.S.C. § 101, *et seq.*, in connection
25 with the proposed assignment of any Assumed Executory Contract. The Court shall make its
determinations concerning adequate assurance of future performance under the Assumed
Executory Contracts pursuant to 11 U.S.C. §§ 365(b) and (f) at the Sale Hearing.

26 **PLEASE TAKE FURTHER NOTICE** that Assumption Objections may be resolved by

E. Sellers filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the “**Bankruptcy Code**”) with the United States Bankruptcy Court for the Central District of California, Los Angeles Division (the “**Bankruptcy Court**”), lead Case No. 2:18-bk-201510ER, jointly administered or to be jointly administered with their affiliates (the “**Bankruptcy Cases**”).

F. The parties intend to effectuate the transactions contemplated by this Agreement through a sale of the Assets approved by the Bankruptcy Court pursuant to Section 363 of Title 11 of the Bankruptcy Code.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual promises and covenants contained in this Agreement, and for their mutual reliance and incorporating into this Agreement the above recitals, the parties hereto agree as follows:

ARTICLE 1

SALE AND TRANSFER OF ASSETS; CONSIDERATION; CLOSING

1.1 Purchase Price.

(a) Subject to the terms and conditions of this Agreement, the purchase price (“**Purchase Price**”) shall consist of the following:

(i) Cash payment to Sellers (the “**Cash Consideration**”) of Six Hundred Ten Million Dollars (\$610,000,000.00), which shall be allocated Four Hundred Twenty Million Dollars (\$420,000,000) to St. Francis Medical Center, One Hundred Twenty Million Dollars (\$120,000,000) to St. Vincent Medical Center, and Seventy Million Dollars (\$70,000,000) to Seton for Seton Hospital and Seton Coastside Hospital, provided, that if the CA AG’s approval does not include a requirement that Seton Hospital remain open as an acute care hospital or that Seton Coastside Hospital remain open as a skilled nursing facility, then an amount to be determined by Purchaser, in its sole discretion, of such Cash Consideration shall be re-allocated from St. Francis to Seton;

(ii) Assumption of Sellers’ accrued vacation and other paid time off as of the Closing, to be provided only with respect to Hired Employees (as defined in Section 5.3(a)) in the form of credited vacation and PTO, subject to compliance with applicable law and regulation, including consent of such employees if required;

(iii) Assumption of all liabilities of Seton as Obligated Party and Property Owner under the (i) Agreement to Pay Assessment and Finance Improvements dated May 17, 2017 with California Statewide Communities Development Authority (“**CSCDA**”) and (ii) Agreement to Pay Assessment and Finance Improvements dated May 18, 2017 with CSCDA (collectively

the “**Special Assessments**”) each associated with of the Property Assessed Clean Energy (“**PACE**”) (seismic and clean energy) loans (collectively the “**PACE Obligations**”); and

(iv) Payment of Cure Costs (defined below) associated with any Assumed Leases and/ or Assumed Contracts and assumption of the other Assumed Obligations (as defined below).

(b) Purchaser (i) is acquiring the Assets and (ii) is only assuming (x) the PACE Obligations and (y) the Assumed Obligations (as defined below).

(c) At the Closing, Purchaser shall pay to Sellers, by wire transfer of immediately available funds to the accounts specified by Sellers to Purchaser in writing, an aggregate amount equal to the Cash Consideration, minus the Net QAF Reduction Amount (defined below), if any, plus the Net QAF Increase Amount (defined below), if any, plus any amounts (x) held by the PACE Trustee as an interest or fee reserve on account the PACE Obligations on the Closing Date and (y) remitted to CSCDA by Seton pursuant to the Special Assessments from and after the date of execution of this Agreement by Buyer up to and including the Closing Date, minus the Deposit (defined below).

(d) For purposes of this Agreement, the “**QAF Program**” means the California Department of Health Care Services Hospital Quality Assurance Fee Programs IV (“**QAF IV**”) and V (“**QAF V**”). During the period prior to Closing, Sellers shall pay any fees owing under QAF IV and QAF V, and Sellers shall be entitled to retain all payments received under QAF IV and QAF V. At Closing, Sellers shall credit to the Cash Consideration the amount by which payments received under QAF IV and QAF V between the Signing Date and Closing exceed the sum of (i) fees paid under QAF IV and QAF V during such period plus (ii) the amount of fees which are unpaid and owing as of the Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V (the “**Net QAF Reduction Amount**”), as provided above in Section 1.1(c). At Closing, Purchaser shall pay Sellers (as an increase to the Cash Consideration) the amount by which the sum of (i) fees paid under QAF IV and QAF V between the Signing Date and Closing plus (ii) the amount of fees which are unpaid and owing as of Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V exceeds payments received under QAF IV and QAF V during such period (the “**Net QAF Increase Amount**”), as provided above in Section 1.1(c).

(e) Purchaser shall, prior to Closing, be permitted to communicate with holders of secured debt of the Sellers regarding the possible assumption by Purchaser of all or a portion of such debt at the Closing. If Purchaser agrees to assume any such debt at the Closing, Purchaser and Sellers shall negotiate an appropriate credit to the Purchase Price for such assumption of debt.

1.2 Deposit. Purchaser, by wire transfer to an account designated by Sellers has made a good faith deposit in the amount of Thirty Million Dollars (\$30,000,000) on the date hereof (the “**Deposit**”). The Deposit shall be non-refundable in all events, except as provided in Section 6.1(b) or Section 6.2, or in the event Purchaser has terminated this Agreement pursuant to Section 9.1 (other than Section 9.1(b)) or as set forth in Section 9.2, in which case Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Upon Closing, the Deposit will

1.4 Items to be Delivered by Sellers at Closing. At or before the Closing, Sellers shall deliver, or cause to be delivered, to Purchaser the following:

1.4.2 Real Estate Assignment and Assumption Agreements (the “**Real Estate Assignments**”) in the form of **Exhibit 1.4.2** attached hereto with respect to (i) the Leased Real Property, and (ii) the Tenant Leases, each duly executed by each Seller;

1.4.4 an Assumption Agreement (the “**Assumption Agreement**”) in the form of **Exhibit 1.4.2** attached hereto with respect to the Assumed Obligations duly executed by each Seller;

1.4.6 a duly executed certificate of an officer of each Seller certifying to Purchaser (i) the incumbency of the officers of such Seller on the Signing Date and on the Closing Date and bearing the authentic signatures of all such officers who shall execute this Agreement and any additional documents contemplated by this Agreement and (ii) the due adoption and text of the resolutions or consents of the Board of Directors of such Seller authorizing (I) the transfer of the Assets and transfer of the Assumed Obligations by such Seller to Purchaser and (II) the due execution, delivery and performance of this Agreement and all additional documents contemplated

Purchaser's receipt of same. For the avoidance of doubt, all rental payments received after Closing shall be first applied to any amounts owed to the Sellers under this Section 1.6.3.

1.6.4 All prorations and payments to be made under the foregoing provisions shall be agreed upon by Purchaser and Sellers prior to the Closing and shall be binding upon the parties; provided, however, with respect to the Unpaid Amounts, in the event any proration, apportionment or computation shall prove to be incorrect for any reason, then either the applicable Seller or Purchaser shall be entitled to an adjustment to correct the same, provided that said party makes written demand on the party from whom it is entitled to such adjustment within thirty (30) calendar days after the erroneous payment or computation was made, or such later time as may be required, in the exercise of due diligence, to obtain the necessary information for proration. This Section 1.6 shall survive Closing.

1.7 Transfer of Assets of Sellers. On the Closing Date and subject to the terms and conditions of this Agreement, each Seller shall sell, assign, transfer, convey and deliver to Purchaser, free and clear of all liens, claims, interests and encumbrances other than the Permitted Exceptions (defined below), and Purchaser shall acquire, all of each Seller's right, title and interest in and to only the following assets and properties, as such assets shall exist on the Closing Date, in each case (notwithstanding anything else in this Agreement) solely to the extent used primarily in the conduct of the Businesses and to the extent not included among the Excluded Assets, such transfer being deemed to be effective at the Effective Time:

(a) all of the tangible personal property owned by such Hospital Seller, or to the extent assignable or transferable by each Hospital Seller, leased, subleased or licensed by such Hospital Seller, and used by such Seller in the operation of the Hospital of such Hospital Seller, including equipment, furniture, fixtures, machinery, vehicles, office furnishings and leasehold improvements (the "**Personal Property**");

(b) all of such Hospital Seller's rights, to the extent assignable or transferable, to all Medicare and Medi-Cal provider agreements, permits, approvals, certificates of exemption, franchises, accreditations and registrations and other governmental licenses, permits or approvals issued to such Seller for use in the operation of the Hospital of such Hospital Seller (the "**Licenses**"), including, without limitation, the Licenses and Medicare/Medi-Cal Provider Agreements set forth on Schedule 1.7(b), except to the extent Purchaser elects, in its discretion, not to take assignment of any such Licenses;

(c) all of such Hospital Seller's interest in and to the Owned Real Property and all of such Hospital Seller's interest, to the extent assignable or transferable, in and to all of the following (the "**Assumed Leases**"): (i) personal property leases with respect to the operation of the Hospital of such Hospital Seller (including leases for assets described in Section 1.7(i)), (ii) the real property leases for all real property leased by such Hospital Seller and set forth on Schedule 1.7(c)(ii) (the "**Leased Real Property**"), and (iii) the real property leased or subleased by such Seller to a third party and set forth on Schedule 1.7(c)(iii) (the "**Tenant Leases**");

(d) all of such Hospital Seller's interest, to the extent assignable or transferable, in and to all contracts and agreements (including, but not limited to, purchase orders) with respect

(m) other than the Excluded Settlements and Actions, all regulatory settlements, rebates, adjustments, refunds or group appeals, including without limitation pursuant to all cost reports filed by Sellers for payment or reimbursement from government payment programs and other payors with respect to periods after the Signing Date;

(o) other than the Excluded Settlements and Actions, all surpluses arising out of any risk pools, shared savings program or accountable care organization arrangement to which any Seller is party on the Closing Date, in each case to the extent Purchaser assumes the underlying contract relating to such risk pools, shared savings program or accountable care organization arrangement;

(q) to the extent assignable or transferable by Sellers without out-of-pocket expense to Sellers, all warranties (including warranties of any manufacturer or vendor) on or in connection with the Assets (including the Personal Property) in favor of the Hospitals or Sellers;

9

Bankruptcy Cases and the dissolution of Sellers (and following completion of such wind-down, Bankruptcy Cases and dissolution of Sellers, such license shall automatically terminate);

(s) all goodwill of the Hospital of such Hospital Seller evidenced by or associated with any of the Assets;

(t) to the extent transferable or assignable, such Hospital Seller's right or interest in the telephone and facsimile numbers and uniform resource locaters used with respect to the operation of the Hospital of such Hospital Seller;

(u) each such Hospital Seller's Medicare and Medi-Cal provider agreements and lockbox account(s) identified on **Schedule 1.7(u)**;

(v) all documents, records, correspondence, work papers and other documents, other than patient records, primarily relating to the Accounts Receivable;

(w) with respect to Verity Holdings, the assets represented by the assessor's parcel numbers (APN's) listed in **Schedule 1.7(w)** hereof (the "**Purchased Verity Holdings Assets**");

(x) except for the Excluded Assets, to the extent assignable or transferable, and subject to the Permitted Exceptions, any other assets owned by such Hospital Seller (which are not otherwise specifically described above in this Section 1.7) that are used in the operation of the Hospital of such Hospital Seller;

(y) all of Seton's interest in and to the PACE Obligations; and

(z) all QAF V and subsequent QAF program payments received after the Closing (e.g., QAF VI and QAF VII).

As used herein, the term "**Permitted Exceptions**" means (i) the Assumed Obligations; (ii) the PACE Obligations; (iii) liens for taxes not yet due and payable (iv) easements, rights of way, zoning ordinances and other similar encumbrances affecting real property; (v) other imperfections of title or encumbrances, if any, which are not monetary in nature and that are not, individually or in the aggregate, material to the business of the Hospital; (vi) any agreements made with any governmental authority in order to obtain any consent or approval, including, without limitation, in connection with the Medicare and Medi-Cal provider agreements; and (vii) other imperfections of title or encumbrances that are expressly identified on **Schedule 1.7** hereof.

1.8 Excluded Assets. Notwithstanding anything to the contrary in Section 1.7, each Seller shall retain all interests, rights and other assets owned directly or indirectly by it (or any of such Seller's affiliates) which are not among the Assets, including, without limitation, the following interests, rights and other assets of such Seller (collectively, the "**Excluded Assets**");

(a) cash, cash equivalents and short-term investments;

(n) all writings and other items that are protected from discovery by the attorney-client privilege, the attorney work product doctrine or any other cognizable privilege or protection;

(o) the rights of such Seller to receive mail and other communications with respect to Excluded Assets or Excluded Liabilities;

(p) all director and officer insurance;

(q) all tax refunds of such Seller;

(r) all documents, records, operating manuals and film pertaining to the Hospital that the parties agree that such Seller is required by law to retain;

(s) all patient records and medical records which are not required by law to be maintained by such Seller as of the Effective Time;

(t) all documents, records, correspondence, work papers and other patient records that may not be transferred under applicable law, and any other documents, records, or correspondence (including with respect to any employees) that may not be transferred under applicable law;

(u) any rights or documents relating to any Excluded Liability or other Excluded Asset;

(v) any rights or remedies provided to such Seller under this Agreement and each other document executed in connection with the Closing;

(w) any (i) personnel files for employees of such Seller who are not hired by Purchaser; (ii) other books and records that such Seller is required by Law to retain; provided, however, that except as prohibited by Law and subject to Article 5, Purchaser shall have the right to make copies of any portions of such retained books and records that relate to the business of the Hospital as conducted before the Closing or that relate to any of the Assets; (iii) documents which such Seller is not permitted to transfer pursuant to any contractual obligation owed to any third party; (iv) documents primarily related to any Excluded Assets; and (v) documents necessary to prepare tax returns (Purchaser shall be entitled to a copy of such documents). With respect to documents necessary to prepare cost reports, Purchaser shall receive the original document and such Seller shall be entitled to retain a copy of such documents for any period ending on or prior to the Closing Date;

(x) all deposits or other prepaid charges and expenses paid in connection with or relating to any other Excluded Assets;

(y) all rights, claims and causes of action of such Seller to the extent related to and/or to the extent arising out of the receivables identified in **Schedule 1.8(y)** and rights to settlements and retroactive adjustments, if any, whether arising under a Seller Cost Report or otherwise, for any reporting periods ending on or prior to the Effective Time, whether open or closed, arising from or against the United States government under the terms of the Medicare

1.10 Excluded Liabilities. Purchaser shall not assume or become responsible for any duties, obligations or liabilities of any Seller that are not assumed by Purchaser pursuant to the terms of this Agreement, the Bill of Sale, the Assumption Agreement or the Real Estate Assignment(s) (the “**Excluded Liabilities**”), and each Seller shall remain fully and solely responsible for all of such Seller’s debts, liabilities, contract obligations, expenses, obligations and claims of any nature whatsoever related to the Assets or the Hospital unless assumed by Purchaser under this Agreement, in the Bill of Sale, the Assumption Agreement or in the Real Estate Assignment(s).

(a) Except as provided in Section 1.11(b), all contracts and leases will be subject to evaluation by Purchaser for assumption or rejection (collectively “**Evaluated Contracts**”). Not later than seven (7) days prior to the date of the auction for the Assets (i) Purchaser shall notify each Seller in writing of which Evaluated Contracts are to be assumed by such Seller and assigned to Purchaser and (ii) Purchaser shall notify each Seller in writing signed and dated by Purchaser of which Evaluated Contracts are to be rejected by such Seller (collectively, the “**Rejected Contracts**”); provided, that Purchaser shall have the right to designate additional Evaluated Contracts for assumption up to thirty (30) days prior to Closing. Each Seller shall file such motions in the Bankruptcy Court and take such other actions as are reasonably necessary to ensure that final and non-appealable orders are entered (x) assuming and assigning the respective Assumed Contracts or Assumed Leases applicable to such Seller to Purchaser and (y) rejecting the Rejected Contracts. With respect to each Assumed Lease, the applicable Seller shall execute and deliver to Purchaser an Assignment and Assumption of Lease. Notwithstanding anything to the contrary set forth in this Agreement, the Rejected Contracts shall constitute part of the Excluded Assets pursuant to, and as defined in, this Agreement.

(c) Notwithstanding the foregoing, Purchaser's obligation to consummate the transactions contemplated by this Agreement are not contingent upon the assumption, assignment or rejection of any contract or lease, or on the amount of any payment or other performance needed to cure any default thereunder.

1.12 Disclaimer of Warranties; Release.

(a) THE ASSETS TRANSFERRED TO PURCHASER WILL BE SOLD BY SELLERS AND PURCHASED BY PURCHASER IN THEIR PHYSICAL CONDITION AT THE EFFECTIVE TIME, “AS IS, WHERE IS AND WITH ALL FAULTS AND NONCOMPLIANCE WITH LAWS” WITH NO WARRANTIES, INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, USAGE, WORKMANSHIP, QUALITY, PHYSICAL CONDITION, OR VALUE, AND ANY AND ALL SUCH OTHER REPRESENTATIONS AND WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED, AND WITH RESPECT TO THE LEASED REAL PROPERTY WITH NO WARRANTY OF HABITABILITY OR FITNESS FOR HABITATION, INCLUDING, WITHOUT LIMITATION, THE LAND, THE BUILDINGS AND THE IMPROVEMENTS. ALL OF THE PROPERTIES, ASSETS, RIGHTS, LICENSES, PERMITS, PRIVILEGES, LIABILITIES, AND OBLIGATIONS OF SELLERS INCLUDED IN THE ASSETS AND THE ASSUMED OBLIGATIONS ARE BEING ACQUIRED OR ASSUMED “AS IS, WHERE IS” ON THE CLOSING DATE AND IN THEIR PRESENT CONDITION, WITH ALL FAULTS. ALL OF THE TANGIBLE ASSETS SHALL BE FURTHER SUBJECT TO NORMAL WEAR AND TEAR AND NORMAL AND CUSTOMARY USE OF THE INVENTORY AND SUPPLIES IN THE ORDINARY COURSE OF BUSINESS UP TO THE EFFECTIVE TIME.

(b) Purchaser acknowledges that Purchaser will be examining, reviewing and inspecting all matters which in Purchaser’s judgment bear upon the Assets, the Sellers, the Hospitals, the business of the Hospitals and their value and suitability for Purchaser’s purposes and is relying solely on Purchaser’s own examination, review and inspection of the Assets and Assumed Obligations. Purchaser releases each Seller and its affiliates from all responsibility and liability regarding the condition, valuation, salability or utility of the business of the Hospitals or the Assets, or their suitability for any purpose whatsoever. Purchaser further acknowledges that the representations and warranties of Sellers contained in ARTICLE 2 of this Agreement are the sole and exclusive representations and warranties made by Sellers to Purchaser (including with respect to the Hospitals, the Assets and the Assumed Obligations) and shall expire, and be of no further force or effect after January 8, 2019 (the period from the Signing Date until January 8, 2019, the “**Final Diligence Period**”), except that the Sale Order Date Representations shall expire, and be of no further force or effect upon the Sale Order Date, and in each case Sellers shall not have any liability in respect of any breach thereof following such expiration.

assign the Assumed Contracts and Assumed Leases to Purchaser (the “**Contract and Lease Consents**”).

2.5 Brokers and Finders. Except as set forth on Schedule 2.5, neither such Seller nor any affiliate thereof, nor any officer or director thereof, have engaged or incurred any liability to any finder, broker or agent in connection with the transactions contemplated hereunder.

2.6 Seller Knowledge. References in this Agreement to “Sellers’ knowledge or “the knowledge of Sellers” means the actual knowledge of the Chief Executive Officer or Chief Financial Officer of the applicable Seller, without independent research. No constructive or imputed knowledge shall be attributed to any such individual by virtue of any position held, relationship to any other Person or for any other reason.

2.7 Non-Contravention. Neither the execution and delivery by Sellers of this Agreement and each Ancillary Agreement nor performance of any of the material provisions hereof by Sellers, will violate, conflict with or result in a breach of any material provisions of the articles of incorporation or bylaws of Sellers.

2.8 Compliance with Legal Requirements. Except as set forth in Schedule 2.8, to the knowledge of Sellers: each Seller, with respect to the operation of the Hospitals, is in material compliance with all applicable laws, statutes, ordinances, orders, rules, regulations, policies, guidelines, licenses, certificates, judgments or decrees of all judicial or governmental authorities (federal, state, local, foreign or otherwise) (collectively, “**Legal Requirements**”). Except as set forth in Schedule 2.8, to the knowledge of Sellers, none of the Sellers, with respect to the operation of the Hospitals, has been charged in writing with or been given written notice of or is under investigation with respect to, any material violation of, or any obligation to take material remedial action under, any applicable Legal Requirements.

2.9 Required Consents. Except as set forth in Schedule 2.9, and other than in connection with any Licenses, any provider agreements (including any such agreements with a governmental authority) and the CA AG (defined below), Sellers are not a party to or bound by, nor are any of the Assets subject to, any mortgage, or any material lien, deed of trust, material lease, or material contract or any material order, judgment or decree which, after giving effect to the Sale Order (a) will require the consent of any third party to the execution of this Agreement or (b) will require the consent of any third party to consummate the transactions contemplated by this Agreement.

2.10 Environmental Matters.

(a) Sellers have provided Purchasers with the Phase I Environmental Site Assessments set forth in said Schedule 2.10(a).

(b) Except as disclosed in Schedule 2.10(b), to the knowledge of Sellers, the operations of the Hospitals are not in material violation of any applicable limitations, restrictions, conditions, standards, prohibitions, requirements and obligations of Environmental Laws and related orders of any court or any other governmental authority.

(c) For the purposes of this Section, the term “**Environmental Laws**” shall mean all state, federal or local laws, ordinances, codes or regulations relating to Hazardous Substances or to the protection of the environment, including, without limitation, laws and regulations relating to the storage, treatment and disposal of medical and biological waste. For purposes of this Agreement, the term “**Hazardous Substances**” shall mean (i) any hazardous or toxic waste, substance, or material defined as such in (or for the purposes of) any Environmental Laws, (ii) asbestos-containing material, (iii) medical and biological waste, (iv) polychlorinated biphenyls, (v) petroleum products, including gasoline, fuel oil, crude oil and other various constituents of such products, and (vi) any other chemicals, materials or substances, exposure to which is prohibited, limited or regulated by any Environmental Laws.

2.11 Title. Prior to December 21, 2018, Sellers have delivered at their own expense (i) for all the Real Property preliminary title reports issued by First American Title Insurance Company (the “**Title Commitments**”), (ii) for all of the Real Property all underlying title documents listed on the Title Commitments (the “**Underlying Title Documents**”), and (iii) for all of the Hospitals an as-built ALTA Surveys (the “**Surveys**”, and collectively with the Title Commitment and the Underlying Title Documents, the “**Title Documents**”).

2.12 Certain Other Representations with Respect to the Hospitals.

(a) Except as set forth in Schedule 2.12, all Licenses which are material and necessary to the operation of the Hospitals or the Hospitals by Sellers are valid and in good standing and Sellers are in compliance with the terms and conditions of all such Licenses in all material respects, in each case except where the failure to be valid and in good standing or in compliance would not have a material adverse effect on the Assets or the Hospitals. Except as set forth in Schedule 2.12, as of the Closing Date Sellers will have any and all material Licenses required under Legal Requirements to conduct the Hospitals as presently conducted by Sellers, except where the failure to have any such License would not have a material adverse effect on the Assets or the Hospitals. To the knowledge of Sellers, no loss or expiration of any License is pending or threatened.

(b) Sellers are certified for participation in the Medicare, Medi-Cal and TRICARE programs and any other federal or state health care reimbursement programs in which they participate, and have current and valid provider agreements with each such program, except where the failure to be so certified or have such provider agreements would not have a material adverse effect.

(c) Sellers have not been excluded from Medicare, Medi-Cal or any federal or state health care reimbursement program, and, to the knowledge of Sellers, there is no pending or threatened exclusion action by a governmental authority against Sellers.

2.13 Financial Statements.

(a) Schedule 2.13(a) hereto contains the following financial statements (the “Historical Financial Statements”): (i) the unaudited balance sheets of the Sellers as of June 30,

2.18 Accounts Receivable. To the knowledge of Sellers, all Accounts Receivable included in the Assets at Closing result from the bona fide provision of products or services in the ordinary course of business. All Sellers Accounts Receivable are currently deposited, either electronically or manually, into the bank accounts listed on Schedule 4.25(b).

2.19 Payer Contracts. To the knowledge of Sellers, and subject to Section 365 of the Bankruptcy Code, Schedule 2.19 sets forth a complete list of all written contracts with private third party payers including insurance companies and HMOs (“**Payer Contracts**”). Sellers have provided Purchasers with a true and correct copy of all material Payer Contracts, whether or not entered into in the ordinary course of business, or otherwise required to be disclosed on Schedule 2.20, in each case together with all amendments thereto.

2.20 Excluded Individuals. Except as set forth on Schedule 2.20, to the knowledge of Sellers: neither Sellers, Hospitals nor any director, officer or employee of Sellers or Hospitals (a) was, is or is proposed to be, suspended, excluded from participation in, or sanctioned under, any federal or state health care program (including, without limitation, Medicare and Medicaid) (an “**Excluded Individual**”); (b) has been convicted of any criminal offense related to the delivery of any medical or health care services or supplies, or related to the neglect or abuse of patients; (c) has failed to maintain its current License to provide the services required to be provided by it to or on behalf of Sellers and Hospitals; or (d) is unable to obtain or maintain liability insurance consistent with commercially reasonable industry practices.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF PURCHASER

As an inducement to Sellers to enter into this Agreement and to consummate the transactions contemplated by this Agreement, Purchaser hereby represents, warrants and covenants to Sellers as to the following matters as of the Signing Date and, except as otherwise provided herein, shall be deemed to remake all of the following representations, warranties and covenants as of the Closing Date:

3.1 Authorization. Purchaser has full power and authority to enter into this Agreement and has full power and authority to perform its obligations hereunder and to carry out the transactions contemplated hereby. No additional internal consents are required in order for Purchaser to perform its obligations and agreements hereunder.

3.2 Binding Agreement. This Agreement has been duly and validly executed and delivered by Purchaser and, assuming due and valid execution by Sellers, this Agreement constitutes a valid and binding obligation of Purchaser enforceable in accordance with its terms subject to (a) applicable bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditors’ rights generally from time to time in effect and (b) limitations on the enforcement of equitable remedies.

3.3 Organization and Good Standing. Purchaser is a corporation duly organized, validly existing and in good standing under the laws of the State of California, is or will be duly

authorized to transact business in the State of California, and has full power and authority to own, operate and lease its properties and to carry on its business as now conducted.

3.4 No Violation. Except as set forth in **Schedule 3.4**, neither the execution and delivery by Purchaser of this Agreement nor the consummation of the transactions contemplated hereby nor compliance with any of the material provisions hereof by Purchaser will (a) violate, conflict with or result in a breach of any material provision of the Articles of Incorporation, Bylaws or other organizational documents of Purchaser or any contract, lease or other instrument by which Purchaser is bound; (b) require any approval or consent of, or filing with, any governmental agency or authority, (c) violate any law, rule, regulation, or ordinance to which Purchaser is or may be subject, (d) violate any judgment, order or decree of any court or other governmental agency or authority to which Purchaser is subject.

3.5 Brokers and Finders. Neither Purchaser nor any affiliate thereof nor any officer or director thereof has engaged any finder or broker in connection with the transactions contemplated hereunder.

3.6 Representations of Sellers. Purchaser acknowledges that it is purchasing the Assets on an "AS IS, WHERE IS" basis (as more particularly described in Section 1.12), and that Purchaser is not relying on any representation or warranty (expressed or implied, oral or otherwise) made on behalf of any Seller other than as expressly set forth in this Agreement. Purchaser further acknowledges that no Seller is making any representations or warranties herein relating to the Assets or the operation of the Hospital on and after the Effective Time.

3.7 Legal Proceedings. Except as described on **Schedule 3.7**, there are no claims, proceedings or investigations pending or, to the best knowledge of Purchaser, threatened relating to or affecting Purchaser or any affiliate of Purchaser before any court or governmental body (whether judicial, executive or administrative) in which an adverse determination would materially adversely affect the properties, business condition (financial or otherwise) of Purchaser or any affiliate of Purchaser or which would adversely affect Purchaser's ability to consummate the transactions contemplated hereby. Neither Purchaser nor any affiliate of Purchaser is subject to any judgment, order, decree or other governmental restriction specifically (as distinct from generically) applicable to Purchaser or any affiliate of Purchaser which materially adversely affects the condition (financial or otherwise), operations or business of Purchaser or any affiliate of Purchaser or which would adversely affect Purchaser's ability to consummate the transactions contemplated hereby.

3.8 No Knowledge of a Seller's Breach. Neither Purchaser nor any of its affiliates has knowledge of any breach of any representation or warranty by any Seller or of any other condition or circumstance that would give Purchaser a right to terminate this Agreement pursuant to Section 9.1(c). If information comes to Purchaser's attention on or before the Closing Date (whether through a Seller or otherwise and whether before or after the Signing Date) which indicates that Sellers have breached any of its representations and warranties under this Agreement, then the effect shall be as if the representations and warranties had been modified in this Agreement in accordance with the actual state of facts existing prior to the Effective Time such that there will be no breach under Sellers' representations and warranties in relation to such information; *provided, however*, that Purchaser must immediately notify Sellers if any such breach comes to its attention

on or before the Closing Date, and Purchaser's failure to so notify Sellers shall constitute a waiver by Purchaser of Sellers' breach, if any, of any representation or warranty. If any such information comes to Purchaser's attention on or before the Closing Date (whether through a Seller or otherwise, including through updated schedules, and whether before or after the Signing Date) that would give Purchaser a right to terminate this Agreement pursuant to Section 9.1(c), Purchaser must immediately notify Sellers if any such information comes to its attention on or before the Closing Date, and Purchaser's failure to so notify Sellers shall constitute a waiver of such right in relation to the relevant breach.

3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

3.10 Purchaser Knowledge. References in this Agreement to "Purchaser's knowledge" or "the knowledge of Purchaser" means the actual knowledge of the Chief Executive Officer, Chief Financial Officer or Chief Operating Officer of Purchaser, without independent research. No constructive or imputed knowledge shall be attributed to any such individual by virtue of any position held, relationship to any other Person or for any other reason.

3.11 Investigation. Purchaser has been afforded reasonable access to, and has been provided adequate time to review, the books, records, information, operations, facilities and personnel of each Seller and the Hospital for purposes of conducting a due diligence investigation of each Seller and the Hospital. Purchaser has conducted a reasonable due diligence investigation of each Seller and the Hospital and has received satisfactory answers to all inquiries it has made respecting each Seller and the Hospital and has received all information it considers necessary to make an informed business evaluation of each Seller and the Hospital. In connection with its due diligence investigation of each Seller and the Hospital, Purchaser has not relied upon any books, records, information, operations, facilities and personnel provided by any Seller, including in making its determination to enter into this Agreement and/or consummate the transactions contemplated hereby.

ARTICLE 4

COVENANTS OF SELLERS

4.1 Access and Information; Inspections.

4.1.1 From the Signing Date through the Effective Time, (a) each Seller shall afford to the officers and agents of Purchaser (which shall include accountants, attorneys, bankers and other consultants and authorized agents of Purchaser) reasonable access during normal business hours at Seller's corporate headquarters in El Segundo, California to, and the right to inspect, the books, accounts, records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital of such Seller and the plant and property of the Hospital of such Seller at the Hospital of such Seller and (b) each Seller shall furnish Purchaser with such additional financial and operating data and other information in such Seller's possession

as to businesses and properties of the Hospital of such Seller as Purchaser or its representatives may from time to time reasonably request; *provided, however*, that such Seller is not obligated to disclose information which is proprietary to such Seller and would not be essential to the ongoing operation of the Hospital of such Seller by Purchaser; *provided, further*, that all disclosures of information shall be consistent with the confidentiality agreements and any other non-disclosure agreements entered into (or to be entered into) among Purchaser, its representatives and such Seller. Purchaser's right of access and inspection shall be exercised in such a manner as not to interfere unreasonably with the operations of any Seller or the Hospital.

4.1.2 Notwithstanding anything contained herein, no Seller shall be required to provide Purchaser or its representatives or agents access to or disclose information where such access or disclosure would violate the rights of its patients, jeopardize the attorney-client or similar privilege with respect to such information or contravene any law, judgment, fiduciary duty or contract entered into prior to or on the date of this Agreement with respect to such information.

4.2 Cooperation.

4.2.1 Each Seller shall reasonably cooperate with Purchaser and its authorized representatives and attorneys: (a) in Purchaser's efforts to obtain all consents, approvals, authorizations, clearances and licenses required to carry out the transactions contemplated by this Agreement (including, without limitation, those of governmental and regulatory authorities) or which Purchaser reasonably deems necessary or appropriate, (b) in the preparation of any document or other material which may be required by any governmental agency as a predicate to or result of the transactions contemplated in this Agreement, and (c) in Purchaser's efforts to effectuate the assignment of Assumed Contracts to Purchaser as of the Closing Date. Except as may be otherwise requested by a Seller in order to comply with applicable law or regulatory guidance, notwithstanding anything contained herein, other than Bankruptcy Court orders and authorizations, it shall be Purchaser's sole responsibility (including payment of any fees, expenses, filings costs or other amounts) to obtain the Contract and Lease Consents, as well as all governmental consents, approvals, assignments, authorizations, clearances and licenses required to (x) carry out the transactions contemplated by this Agreement, including but not limited to medical licenses and/or (y) transfer any of the Assets, including any Licenses. To the extent Purchaser needs certain information and data which is in the possession of a Seller in order for Purchaser to complete Purchaser's license and permit approval applications, Purchaser shall receive, upon request, reasonable assistance from such Seller in connection with the provision of such information.

4.2.2 Notwithstanding any provision to the contrary contained in this Agreement (including Section 8.7), no Seller shall be obligated to obtain the approval or consent to the assignment, to Purchaser, of any Assumed Contracts or Assumed Leases, from any party to any of the Assumed Contracts or Assumed Leases even if any such contract or lease states that it is not assignable without such party's consent.

4.3 Other Bidders. Purchaser expressly acknowledges and agrees that each Seller has an obligation to seek out and determine the best and highest offer reasonably available for such

Seller's assets in accordance with the Bankruptcy Code, and nothing herein shall amend, modify, alter, diminish or affect such obligation.

4.4 Sellers' Efforts to Close. Each Seller shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Purchaser's obligations under this Agreement to the extent that such Seller's action or inaction can control or materially influence the satisfaction of such conditions; provided, however, that such Seller shall not be required to pay or commit to pay any amount to (or incur any obligation in favor of) any person (other than filing or application fees).

4.5 Termination Cost Reports. Each Seller shall file all Medicare, Medi-Cal and any other termination cost reports required to be filed as a result of the consummation of (a) the transfer of the Assets of such Seller to Purchaser and (b) the transactions contemplated by this Agreement with respect to such Seller, provided that Purchaser shall fund reasonable costs and expenses of preparation, filing and audit of such reports. Purchaser shall permit each Seller access to all Hospital books and records to prepare such reports and shall assist such Seller in the process of preparing, filing, and reviewing the termination cost reports. All such termination cost reports shall be filed by the applicable Seller in a manner that is consistent with current laws, rules and regulations. Each Seller shall be responsible for filing governmental cost reports for the period of January 1, 2019 through the Closing Date. Purchaser shall be responsible for its own cost report filings relating to the Hospitals beginning on the day immediately following the Effective Time.

4.6 Conduct of the Business. From the Signing Date until the Closing, or the earlier termination of this Agreement, without the prior written consent of Purchaser, Sellers shall, with respect to the ownership of the Assets and the operation of the Hospitals, use commercially reasonable efforts to, in each case except as would not have a Material Adverse Effect (except as otherwise noted):

(a) without regard to Material Adverse Effect, carry on Sellers' ownership of the Assets and the operation of the Hospitals consistent with past practice, but subject to the Bankruptcy Cases and Sellers' obligations and actions in connection therewith;

(b) maintain in effect the insurance and equipment replacement coverage with respect to the Assets;

(c) if and as permitted by the Bankruptcy Court, pay any bonuses payable under the Key Employee Retention Plan and Key Employee Incentive Plan of Sellers;

(d) maintain the Assets in materially the same condition as at present, ordinary wear and tear excepted;

(e) perform its obligations under all contracts with respect to the Assets in compliance with the Bankruptcy Code;

(f) following entry of the Sale Order, permit and allow reasonable access by Purchaser and its representatives (which shall include the right to send written materials, all of which shall be subject to Sellers' reasonable approval prior to delivery) to make offers of post-

Closing employment to any of Sellers' personnel (including access by Purchasers and their representatives for the purpose of conducting open enrollment sessions for Purchasers' employee benefit plans and programs) and to establish relationships with physicians, medical staff and others having business relations with Sellers;

(g) with respect to material deficiencies, if any, cited by any governmental authority (other than the Attorney General of the State of California and other than with respect to Seismic requirements) or accreditation body in the most recent surveys conducted by each, cure or develop and timely implement a plan of correction that is acceptable to such governmental authority or such accreditation body;

(h) timely file or cause to be filed all material reports, notices and tax returns required to be filed and pay all required taxes as they come due;

(i) without regard to Material Adverse Effect, beginning on February 21, 2019 and in accordance with the Sellers' budget under their debtor in possession financing, timely pay any fees that are or become due and payable under QAF IV and QAF V;

(j) comply in all material respects with all Legal Requirements (including Environmental Laws) applicable to the conduct and operation of the Hospitals; and

(k) without regard to Material Adverse Effect, maintain all material approvals, permits and environmental permits relating to the Hospitals and the Assets.

4.7 Contract With Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

ARTICLE 5

COVENANTS OF PURCHASER

5.1 Purchaser's Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers' obligations under this Agreement to the extent that Purchaser's action or inaction can control or materially influence the satisfaction of such conditions. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement, Purchaser shall be permitted to communicate and meet with (a) counter-parties to the agreements and contracts of the Hospitals, included those included in Assumed Obligations, regarding the terms and conditions under which they may be assumed and assigned to Purchaser, and (b) applicable governmental and regulatory authorities regarding prospective compliance with regulatory requirements and related issues; so long as, in the case of each of (a) and (b) (i) such communications and meetings do not interfere with the operation of the Businesses or the conduct of the Bankruptcy Cases and (ii) any communications or meetings with any governmental authority are approved in advance by Sellers as to timing and content (and Sellers are copied on such communications and afforded the opportunity to participate in such meetings).

5.2 Required Governmental Approvals.

(a) Purchaser, at its sole cost and expense (a) shall use its best efforts to secure, as promptly as practicable before the Closing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled (and provide Sellers copies of all materials relating to such consents, approvals, authorizations, clearances and licenses upon submission and all materials received from third parties in connection with such consents, approvals, authorizations, clearances and licenses upon receipt), and (b) will provide such other information and communications to governmental and regulatory authorities as any Seller or such authorities may reasonably request. Purchaser will provide Sellers periodic and timely updates regarding all such consents, approvals, authorizations, clearances and licenses. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Effective Time. Purchaser shall, promptly, but no later than thirty (30) business days after the entry of the Sale Order or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other similar documents with all applicable governmental and regulatory authorities which are a prerequisite to obtaining the material licenses, permits, authorizations and provider numbers described in Section 8.1. Purchaser shall be entitled, but not obligated, to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and obtain estoppel certificates from any third party to any Leased Real Property. Purchaser's failure to obtaining any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either party's obligation to close the transactions contemplated by this Agreement.

(b) Purchaser and Sellers agree that because the change of ownership and regulatory approval process in connection with the transactions contemplated by this Agreement may take an extended period of time, Purchaser and Sellers agree to an initial closing effective upon the approval of the court and upon the approval of the transaction by the CA AG (as defined below) in accordance with Sections 7.5 and 8.6, at which time the Assets (less the portion of the Assets constituting drugs or other pharmacy assets) will be sold to Purchaser and immediately leased back

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) (the “**Hospital Employees**”) who, immediately prior to the Effective Time are: (i) employees of any Seller; (ii) employees of any affiliate of any Seller which employs individuals at the Hospital and are listed on **Schedule 5.3**; or (iii) employed by an affiliate of any Seller and are listed on **Schedule 5.3**. For the avoidance of doubt, the Hospital Employees shall not include any employees of Verity or any other affiliate of Seller unless such individual is listed on **Schedule 5.3**. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the “**Hired Employees**.” All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.

(b) Purchaser shall give all Hired Employees full credit for paid time off pay to such employees as of the Closing Date by crediting such employees the time off reflected in the employment records of the applicable Seller and/or any of its affiliates immediately prior to the Effective Time, subject to compliance with applicable law and regulation, including consent of such employees if required.

(c) After the Closing Date, Purchaser's human resources department will give reasonable assistance to each Seller and its affiliates with respect to such Seller's and such Seller's affiliates' post-Closing administration of such Seller's and such Seller's affiliates' pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to each Seller a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(d) With respect to any collective bargaining agreements or labor contract with respect to any employees, Purchaser shall comply with the applicable laws and bankruptcy court orders relating to collective bargaining agreements or labor contracts.

(e) The provisions of this Section 5.3 are solely for the benefit of the parties to this Agreement, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

27

Hospital on and after the Effective Time, without imposing any charge on any Seller for Purchaser's storage or holding of same on and after the Effective Time.

5.5 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.6 Attorney General. Promptly after entry of the Sale Order, but in any event within ten (10) calendar days, Purchaser shall, at its sole cost and expense, make any notices or other filings with the Attorney General of the State of California (the "CA AG"). Each Seller shall reasonably cooperate with Purchaser in such notices or other filings.

5.7 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue as of the Closing.

5.8 Cure Costs. Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code. For purposes of this Agreement, "**Cure Costs**", means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assumed Contracts and Assumed Leases to Purchaser as provided herein.

5.9 Operating Covenant. Purchaser shall act in good faith and use Purchaser's commercially reasonable efforts to serve the medical needs of each Hospital's service area.

5.10 HSR Filing. Purchaser and each Seller will as promptly as practicable, and in any event no later than five business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act.

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement. In addition, Sellers may, in their discretion, seek to reject any or all of the collective bargaining agreement(s).

ARTICLE 6

SELLERS' BANKRUPTCY AND BANKRUPTCY COURT APPROVAL

6.1 Bankruptcy Court Approval; Overbid Protection and Break-Up Fee.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Assets and the assumption and assignment of the Assumed Contracts and Assumed Leases are subject to Bankruptcy Court approval, and that this Agreement is subject to termination in its entirety in the event any Seller receives a better and higher offer for the Assets in accordance with the Bankruptcy Code and subject to the terms stated herein.

(b) Promptly following the execution of this Agreement by all parties, the Seller shall file a motion with the Bankruptcy Court (the “**Sales Procedures Motion**”), the content of which shall be subject to the reasonable approval by Purchaser, for entry of an order approving bid procedures and overbid protections containing substantially the following terms and conditions:

(1) the Seller shall not accept any offer to sell the Assets subject to this Agreement (“**Overbid**”) to another purchaser (“**Overbidder**”) unless that offer exceeds the Purchase Price by an amount sufficient to pay the Break-Up Fee and such offer includes the purchase of substantially all Assets subject of this Agreement;

(2) in the event that an overbidder (and not the Purchaser) is the successful bidder for the purchase of the Assets (the “**Alternate Transaction**”) and the Alternative Transaction is approved by the Bankruptcy Court, (a) the Deposit, and any interest earned thereon, shall be returned to Purchaser immediately upon the entry of such sale order, and (b) Purchaser shall be paid a break-up fee of three and one-half percent (3.25%) of the Cash Consideration (\$19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed \$2,000,000.00 (the “**Break-Up Fee**”); provided, however, that in the event that

The Sales Procedures Motion will contain bid procedures as set forth in the bid procedures attached hereto as **Schedule 6.1(b)(3)**.

(c) Each Seller shall at the Sale Hearing exercise reasonable efforts to obtain a “Sale Order” approving this Agreement, subject to its obligations in respect of any better and higher offer for such Seller’s assets in accordance with the Bankruptcy Code. For purposes of this Agreement, the term “**Sale Order**” shall mean an order of the Bankruptcy Court authorizing the sale of the Assets (including the assumption and assignment of the Assumed Contracts and Assumed Leases) to Purchaser consistent with this Agreement and in a form reasonably satisfactory to Purchaser.

(e) Each Seller shall seek an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against such Seller as debtor solely in the Bankruptcy Court.

30

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.3 Performance of Covenants. Purchaser shall have in all respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by it on or prior to the Closing Date.

7.5 Attorney General Provisions. The conditions to Purchaser's obligations to close set forth in Section 8.6 shall have been satisfied.

7.7 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

7.8 CSCDA Acknowledgement. The CSCDA and PACE Trustee shall have executed acknowledgements in form and substance acceptable to Sellers that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations, and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date.

ARTICLE 8

CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Governmental Authorizations. Except as otherwise set forth in this Agreement, Purchaser and Sellers shall have obtained licenses, permits and authorizations from governmental agencies or governmental bodies that are required for the purchase, sale and operation of the Hospitals, including without limitation approval of the CA AG (subject to Section 8.6), except in such case where failure to obtain such license, permit or authorizations from a governmental agency or governmental body does not have a Material Adverse Effect.

8.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

8.3 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to all of the provisions of this Agreement.

8.4 Performance of Covenants. Sellers shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; *provided, however*, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

8.5 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser

shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services (“CMS”) and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services (“DHCS”), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers’ Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge, and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposes of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.

8.8 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

ARTICLE 9

TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

- (a) by the mutual written consent of the parties;
- (b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after service by Sellers upon Purchaser of a written notice which describes the nature of such breach;
- (c) by Purchaser if, in its sole and absolute discretion, it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to this Agreement, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under this Section 9.1(c) on or prior to January 8, 2019, which notice may be given by facsimile or email correspondence; provided, that for the avoidance of doubt, following expiration of the Final Diligence Period, notwithstanding anything else in this Agreement, Purchaser shall not be entitled to terminate this Agreement (or not Close) as a result of the breach of any representation or warranty made by Sellers (or any of them) other than the breach of a Sale Order Date Representation, but in each case solely to the extent such breach of a

Sale Order Date Representation would result in a Material Adverse Effect; provided, further, that any dispute between Purchaser and Sellers as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court;

(d) by Purchaser if a material breach of this Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser upon Sellers of a written notice which describes the nature of such breach;

(e) by Purchaser if satisfaction of any of the conditions in ARTICLE 8 has not occurred by December 31, 2019 or becomes impossible, and Purchaser has not waived such condition in writing (provided that the failure to satisfy any of the applicable condition or conditions in Sections 8.1 through 8.5 inclusive has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date); provided that upon the imposition of Additional Conditions by the CA AG, Section 8.6 must be satisfied or waived by Purchaser by no later than sixty (60) days thereafter.

(f) by Sellers if satisfaction of any of the conditions in ARTICLE 7 has not occurred by December 31, 2019 or becomes impossible, and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(g) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Cases or fails to approve the Sales Procedures Motion by the date specified in Section 6.1(b);

(h) by Sellers if, in connection with the Bankruptcy Cases, any Seller accepts an Alternate Transaction and pays the Break-Up Fee;

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before December 31, 2019; or

(j) by Purchaser if a force majeure event (such as acts of God, storms, floods, landslides, earthquakes, lightning, riots, fires, pandemics, sabotage, civil commotion or civil unrest, interference by civil or military authorities, acts of war (declared or undeclared) or armed hostilities, other national or international calamity, one or more acts of terrorism, or failure of energy sources) shall have occurred between the Signing Date and Closing Date, which event is reasonably likely to have a Material Adverse Effect.

9.2 Termination Consequences. If this Agreement is terminated pursuant to

POST-CLOSING MATTERS

Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within five (5) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to the applicable Seller. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to any Seller under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to any Seller because of, outstanding claims, liabilities or obligations asserted by Purchaser against any Seller. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to the applicable Seller in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Seller (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to the applicable Seller.

(a) From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the “**Document Retention Period**”), Purchaser shall keep and preserve all medical records (including, without limitation, electronic medical records), patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers’ estate representative or any liquidating trustee of the Sellers’ bankruptcy estate (“**Seller Parties**”), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Effective Time (including, without limitation, access to

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Effective Time with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees); provided that Purchaser shall not be required to incur any out of pocket costs in association therewith. In addition, Sellers and their affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of their affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or their applicable affiliate's use of such records.

37

order to complete the standardized closing of Sellers' financial records through the Closing Date including, without limitation, the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Purchaser shall cause the Post-Effective Time CFO to use his or her good faith efforts to cooperate with Sellers' representatives in order to complete the Closing of Financials by no later than the date which is thirty (30) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers' post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO's other duties.

10.4 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital's medical staff members in good standing as of the Effective Time shall maintain medical staff privileges at the Hospital as of the Effective Time. On and after the Effective Time, the medical staff will be subject to the Hospital's Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.5 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates which are not being sold to Purchaser ("**Shared Intangible Assets**") and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; provided, however, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

ARTICLE 11

DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed \$60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under this Agreement.

11.2 Seller Default. If Sellers commit any material default under this Agreement, Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Closing Date, the parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Effective Time and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The parties shall also make available to each other to the extent reasonably required, and at the reasonable cost of the requesting party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) The Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income Tax purposes) shall be allocated among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder as set forth in **Schedule 11.3(b)** (such schedule the “**Allocation Schedule**”). The Allocation Schedule shall be for Sellers’ and Purchaser’s tax purposes only, and shall not limit the Sellers’ creditors in any way.

11.4 Cost Report Matters.

(a) Consistent with Section 4.5, Sellers shall, at Purchaser’s expense, prepare and timely file all cost reports relating to the periods ending prior to the Effective Time or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the “**Seller Cost Reports**”).

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers’ preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser’s provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Effective Time with respect to Seller Cost Reports except for preparation and filing thereof.

ARTICLE 12

MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Sellers shall execute, acknowledge and deliver to Purchaser any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Purchaser at any time and shall take any and all other actions reasonably requested by Purchaser at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Purchaser, the Assets. After consummation of the transaction contemplated in this Agreement, the parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; *provided, however*, that no party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties which consent shall not be unreasonably withheld or delayed, except that Purchaser may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the parties hereto.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated by reference herein. From the Signing Date until the Closing, the parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, but subject to Section 9.2(c), should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article III merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on the face of such disclosure, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5)

calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

12.7 Headings. The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related

12.10 Gender and Number; Construction, Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word “including” followed by a listing does not limit the preceding words or terms and shall mean “including, without limitation.” Any reference in this Agreement to an “affiliate” shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term “control” (including the terms “controlled by” and “under common control with”) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A “Person” shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the parties hereto. The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding

between the parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the parties on the subject matter hereof (the “**Superseded Agreements**”), which Superseded Agreements shall be of no further force or effect; provided, that notwithstanding the foregoing, the letter Confidentiality Agreement dated July 12, 2018 between Purchaser and Cain Brothers, a division of KeyBanc Capital Markets Inc., on behalf of Sellers and their related entities shall not be a Superseded Agreement and shall continue in full force in effect in accordance with its terms.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the party which is entitled to the benefit thereof but only by a written notice signed by the party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a party shall not be deemed to be a waiver of any preceding breach by any other party of any term, covenant or condition of this Agreement, other than the failure of such other party to perform the particular duties so accepted, regardless of the accepting party’s knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

This matter came before the Court on the *Motion For The Entry Of (I) An Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders To Use, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections, (3) Approving Form Of Notice To Be Provided To Interested Parties, (4) Scheduling A Court Hearing To Consider Approval Of The Sale To The Highest Bidder And (5) Approving Procedures Related To The Assumption Of Certain Executory Contracts And Unexpired Leases; And (II) An Order (A) Authorizing The Sale Of Property Free And Clear Of All Claims, Liens And Encumbrances* (the “Motion”) [Docket No. 1279], filed by Verity Health System of California, Inc. (“VHS”), and the above-referenced affiliated debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (the “Debtors”), for the entry of an order, pursuant to §§ 105(a), 363, and 365 of title 11 of the United States Code (the “Bankruptcy Code”), Rules 2002, 6004, 6006, 9007, and 9014, and LBR 6004-1.¹

At the previous hearing on the Motion on February 19, 2019 (the “Bidding Procedures Hearing”), the Court considered various objections (the “Premature Objections”) filed by: (i) St Vincent IPA Medical Corporation and Angeles IPA [Docket No. 1397]; (ii) the California Attorney General [Docket No. 1352]; (iii) MGH Painting Inc. [Docket No. 1358]; and (iv) Belfor USA Group, Inc. [Docket No. 1364]. The Court ruled that the Premature Objections were premature and preserved for the Sale Hearing, as set forth in order granting the Motion (the “Bidding Procedures Order”) [Docket No. 1572]. The Bidding Procedures Order also stated that objections filed by the U.S. Department of Health and Human Services and Centers for Medicare and Medicaid Services [Doc. No. 1346] and the California Department of Health Care Services [Doc. No. 1353] (the “Continued Objections”) were continued, as resolved by stipulations [Docket Nos. 1458 and 1473, respectively], approved by this Court’s orders [Docket Nos. 1465 and 1483, respectively].

¹ Unless specified otherwise, all chapter and section references are to the Bankruptcy Code, 11 U.S.C. §§ 101-1532, all “Rule” references are to the Federal Rules of Bankruptcy Procedure, and all “LBR” references are to the Local Bankruptcy Rules for the United States Bankruptcy Court for the Central District of California.

Any additional objections that were filed and overruled at the Bidding Procedures Hearing are not listed herein.

The Court, having reviewed the Memorandum [Docket No. 2115], the Declarations of Richard Adcock [Docket Nos. 8 and 1469] and James Moloney [Docket No. 2220] in support thereof, the *Notice To Counterparties To Executory Contracts And Unexpired Leases Of The Debtors That May Be Assumed And Assigned* [Docket No. 1704], the *Supplemental Notice To Counterparties To Executory Contracts and Unexpired Leases of The Debtors That May Be Assumed and Assigned* [Docket No. 1836], the *Second Supplemental Notice Re Notice to Counterparties to Executory Contracts and Unexpired Leases of the Debtors That May Be Assumed and Assigned* [Docket No. 2065] (together Docket Nos. 1704, 1836 and 2065 are the “Cure Notice”), the *Notice of Executory Contracts and Unexpired Leases Designated by Strategic Global Management, Inc. For Assumption and Assignment* [Docket No. 2131] (the “Designation Notice”), the *Notice That No Auction Shall Be Held Re Debtors’ Motion and Motion for the Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to Be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* [Docket No. 2053] (the “No-Auction Notice”), the objections filed by various counterparties to certain executory contracts and unexpired leases [Docket Nos. 1788; 1804; 1819; 1830; 1849; 1850; 1852; 1853; 1856-1858; 1863; 1866; 1869; 1870; 1873-1877 1881; 1882; 1885; 1890-1892; 1904; 1926; 1930; 1933; 1940; 1946; 1948; 1949; 1953; 1954; 1965; 2058; 2066; 2108; 2113; 2144; 2146; 2148, 2150, 2157, 2161, 2162] (the “Cure Objections”), the objection by the California Department of Health Care Services (the “DHCS”) [Docket No. 1879], the *Stipulation Continuing Hearing Regarding Creditors U.S. Department of Health and Human Services and California Department of Health Care Services* [Docket No.

2125], the *Limited Opposition of Belfor USA Group, Inc. to Debtors' Motion for an Order Authorizing the Sale of Property Free and Clear of All Claims Liens and Encumbrances* [Docket No. 2130], the *Objection of United Healthcare Insurance Company to Debtors' Motion for Order Approving Form of Asset Purchase Agreement for Stalking Horse Bidder, Etc.* [Docket No. 2145] filed United Healthcare Insurance Company, *SEIU-UHW's Objection and Reservation of Rights to Debtors' Sale Motion* filed by the Service Employees International Union, United Healthcare Workers-West [Docket No. 2147], the *Limited Objection and Reservation of Rights of United Nurses Associations of California to Motion of Debtors for Approval of Sale [of Remaining Hospital Assets to the Highest Bidder]* [Docket No. 2155] filed by the United Nurses Association of California, the *Reservation of Rights of U.S. Bank National Association, As Series 2015 Note Trustee and as Series 2017 Note Trustee and as Series 2017 Note Trustee, with Respect to Debtors' Motion for Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and For Stalking Horse Bidder and for Prospective Overbidders (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* [Docket No. 2156] filed by U.S. Bank National Association, As Series 2015 Note Trustee and as Series 2017 Note Trustee, the *Official Committee of Unsecured Creditors Response to the Debtors' SGM Sale Motion* [Docket No. 2164], the *Reservation of Rights of California Statewide Communities Development Authority to Motion of Debtors for Approval of Sale [of Remaining Hospital Assets] to the Highest Bidder* [Docket No. 2168] filed by the California Statewide Communities Development Authority, the Premature Objections, the Continued Objections, and any withdrawals thereof, the statements, arguments and representations of the parties made at the Sale Hearing; and the entire record of these cases; and the Court, having determined that the relief sought in the Motion is in the best interests of the Debtors, their estates, their creditors, and that

the legal and factual bases set forth in the Motion and presented at the Sale Hearing establish just cause for the relief granted herein and for the reasons set forth in the Court's tentative ruling [Docket No. 2221]; and all objections to the Motion, if any, having been withdrawn, continued or overruled; **and for the reasons set forth in the Court's tentative ruling [Docket No. 2221], which the Court adopts as its final ruling and which is incorporated herein by reference;** and after due deliberation and sufficient good cause appearing therefor:

THE COURT HEREBY FINDS AND CONCLUDES THAT:²

A. Jurisdiction and Venue. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter relates to the administration of the Debtors' bankruptcy estates and is accordingly a core proceeding pursuant to 28 U.S.C. § 157(b) (2) (A), (M), (N) and (O). Venue of these cases is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief requested in the Motion are (i) §§ 105(a), 363(b), (f), (k), (l) and (m), and 365, (ii) Rules 2002(a)(2), 2002(c)(1) and (d), 6004 (a), (b), (c), (e), (f) and (h), 6006(a), (c) and (d), 9006, 9007, 9013 and 9014, and (iii) LBR 6004-1 and 9013-1.

C. Notice. As evidenced by the affidavits of service previously filed with the Court, the Debtors have provided proper, timely, adequate and sufficient notice with respect to the following: (i) the Motion and the relief sought therein, including the entry of this Sale Order and the transfer and sale of the assets (the "Purchased Assets"), as set forth in the Asset Purchase Agreement, dated January 8, 2019, a copy of which is attached as Exhibit "A" to Docket No. 1279 (the "APA"); (ii) the Sale Hearing; (iii) the No-Auction Notice; and (iv) the assumption and assignment of the executory contracts and unexpired leases and proposed cure amounts owing under such executory contracts and unexpired leases (the "Cure Amounts"); and no further notice

² The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 7052, made applicable to this proceeding pursuant to Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the following conclusions of law constitute findings of fact, they are adopted as such.

1 of the Motion, the relief requested therein or the Sale Hearing is required. The Debtors have also
2 complied with all obligations to provide notice of the Auction, the Sale Hearing, the proposed
3 sale and otherwise, as required by the Bidding Procedures Order. A reasonable opportunity to
4 object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

5 D. Arm's Length Transaction. The APA and other documents and instruments (the
6 "Transaction Documents") related to and connected with this transaction (the "Transaction") and
7 the consummation thereof were negotiated and entered into by the Debtors and Strategic Global
8 Management, Inc. ("SGM"), as Purchaser under the APA without collusion, in good faith and
9 through an arm's length bargaining process. Neither SGM nor any of its affiliates or
10 representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the
11 Debtors, SGM, or their respective representatives engaged in any conduct that would cause or
12 permit the APA, any of the other Transaction Documents or the Transaction to be avoided under
13 § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the
14 APA and the other Transaction Documents, including, without limitation, the consideration
15 provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be
16 avoided, and no damages may be assessed against SGM or any other party, as set forth in §
17 363(n). The consideration provided by SGM is fair, adequate and constitutes reasonably
18 equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws
19 of the United States or any of its jurisdictions or subdivisions, including the State of California.

20 E. Good Faith Purchaser. SGM has proceeded in good faith and without collusion in
21 all respects in connection with the sale process, in that: (i) SGM, in proposing and proceeding
22 with the Transaction in accordance with the APA, recognized that the Debtors were free to deal
23 with other interested parties; (ii) SGM agreed to provisions in the APA that would enable the
24 Debtors to accept a higher and better offer; (iii) SGM complied with all of the provisions in the
25 Bidding Procedures Order applicable to SGM; (iv) all payments to be made by SGM and other
26 agreements entered into or to be entered into between SGM and the Debtors in connection with
27 the Transaction have been disclosed; (v) the negotiation and execution of the APA and related
28

Transaction Documents were conducted in good faith and constituted an arm's length transaction; (vi) SGM did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. SGM is therefore entitled to all of the benefits and protections provided to a good-faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transaction shall not affect the validity of the Transaction, any terms or conditions of the Transaction or SGM's status as a "good faith" purchaser.

F. Justification for Relief. Good and sufficient reasons for approval of the APA and the other Transaction Documents and the Transaction have been articulated to this Court in the Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good, sufficient and sound business purpose and justification and (ii) compelling circumstances for the transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors.

G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the Transaction pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and sale of the Purchased Assets and, except with respect to the liens arising from the Special Assessments and the PACE Obligations (each as defined in §1.1(a)(iii) of the APA) assumed by SGM, shall vest in SGM, through the consummation of the Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights, and any successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or

1 more of the standards set forth in § 363(f)(1)-(5) have been satisfied. Those holders of
2 Encumbrances who did not object, or who withdrew their objections, to the sale or the Motion are
3 deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did
4 object fall within one or more of the other subsections of § 363(f). All holders of the
5 Encumbrances in the Purchased Assets are adequately protected by having their respective
6 Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased Assets
7 under the APA (subject to any Challenge within the meaning of that certain *Final Order (I)*
8 *Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens*
9 *and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection,*
10 *(V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 409] (the "Final
11 DIP Order") that has been, or may be, timely filed³), and any related documents or instruments
12 delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the
13 extent and manner herein provided.

14 H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause
15 to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in
16 consummating the Transaction, and it is in the best interests of the Debtors and their estates to
17 consummate the Transaction within the timeline set forth in the Motion and the APA. The Court
18 finds that there is no just reason for delay in the implementation of this Order, and expressly
19 directs entry of judgment as set forth in this Order.

21 ³ The Final DIP Order granted to the Committee standing to file the requisite pleading to
22 challenge the validity, enforceability and amount of the Prepetition Liens (each such proceeding
23 or appropriate pleading commencing a proceeding or other contested matter, a "Challenge")
24 within ninety (90) days from the formation of the Committee (the "Challenge Deadline"). See
25 Final DIP Order ¶ 5(e). The Committee's investigation as to the Prepetition Liens remains
26 ongoing. The Committee and the Prepetition Secured Creditors have entered into a number of
27 stipulations (the "Challenge Stipulations") by which the Committee has acknowledged and
28 stipulated to the validity, enforceability and perfection of the Prepetition Liens in certain
collateral identified in the Challenge Stipulations, and by which the Challenge Deadline has been
extended a number of times with respect to the validity, enforceability and perfection of the
Prepetition Liens in any other collateral. The Challenge Deadline with respect to any Prepetition
Liens for which the Committee has not stipulated pursuant to the Challenge Stipulations as to the
validity, enforceability and perfection thereof is now May 13, 2019.

I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign to SGM the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below) and to the extent subsequently identified by SGM pursuant to paragraph 16 below, the Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently Identified Designated Contracts and the Subsequently Identified Contracts are collectively referred to herein as the “Designated Contracts”) in connection with the consummation of the Transaction, and the assumption and assignment of the Designated Contracts is in the best interests of the Debtors and their estates.

J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the APA, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any of the Designated Contracts will have been cured, within the meaning of § 365(b)(1)(A), by payment of the amounts and in the manner set forth below, unless otherwise agreed by SGM and the counterparty. SGM has provided or will provide adequate assurance of future performance of and under the Designated Contracts within the meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide assurance of performance to any counterparty to a Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the Debtors (i.e., St. Francis Medical Center, a California nonprofit public benefit corporation (“St. Francis Medical Center”), St. Vincent Medical Center, a California nonprofit public benefit corporation (“St. Vincent Medical Center”), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation (“St. Vincent Dialysis Center”), and Seton Medical Center, a California nonprofit public benefit corporation (“Seton Medical Center”) (collectively, the “Hospitals”), VHS, and Verity Holdings LLC, a California limited liability company (“Holdings”)), and assigned to SGM under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, SGM, notwithstanding any provision in such Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss

1 resulting from a default on or prior to the Closing under any of the Designated Contracts within
2 the meaning of § 365(b)(1)(B).

3 K. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have
4 demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for
5 the Hospitals to reject all of their executory contracts and unexpired leases, excluding (i)
6 Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in
7 addition to the Hospitals, (iii) any prepetition contract that is the subject of a Rule 9019 settlement
8 motion prior to Closing, and (vi) any collective bargaining agreement, pension plan or health and
9 welfare plan providing collectively bargained benefits to which a Hospital is a party or sponsor,
10 which matters shall be scheduled for determination as provided in paragraph 33 below. Each
11 such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31,
12 and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this
13 paragraph K, prior to Closing and shall request therein that the rejection be effective as of the
14 Closing or as otherwise appropriate.

15 L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the
16 Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was
17 duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded
18 a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise
19 better offer to purchase the Purchased Assets. Other than SGM's Stalking Horse Bid, the Debtors
20 received two Qualified Partial Bids by the Partial Bid Deadline and did not receive a Qualified
21 Full Bid (as such terms are defined by the Bidding Procedures Order). The Debtors properly
22 consulted with the Consultation Parties in selecting the SGM Stalking Horse Bid as the highest
23 and best bid and in determining that no auction should be held (as such terms are defined in the
24 Bidding Procedures Order), as set forth in their No-Auction Notice. The transfer and sale of the
25 Purchased Assets to SGM on the terms set forth in the APA constitutes the highest or otherwise
26 best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates
27 than would be provided by any other available alternative. The Debtors' determination, in
28

1 consultation with the Consultation Parties (as defined in the Bidding Procedure Order), that the
2 APA constitutes the highest or best offer for the Purchased Assets and to not conduct an auction
3 constitutes a valid and sound exercise of the Debtors' business judgment.

4 M. No De Facto or Sub Rosa Plan of Reorganization. The sale of the Purchased
5 Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it
6 does not propose to (i) impair or restructure existing debt of, or equity or membership interests in,
7 the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the
8 Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or
9 (iv) classify claims or equity or membership interests.

10 N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at
11 the Sale Hearing establish just cause for the relief granted herein.

12 **NOW THEREFORE, IT IS HEREBY ORDERED THAT:**

13 1. The relief requested in the Motion is GRANTED and APPROVED in all respects
14 to the extent provided herein.

15 2. All objections with regard to the relief sought in the Motion that have not been
16 withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including
17 any reservation of rights included in such objections, are overruled on the merits with prejudice.
18 To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the
19 terms of this Sale Order shall prevail.

20 3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the
21 transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA, is approved
22 in all respects, and the Debtors are authorized and directed to consummate the Transaction in
23 accordance with the APA, including, without limitation, by executing all of the Transaction
24 Documents (and any ancillary documents or instruments that may be reasonably necessary or
25 desirable to implement the APA or the Transaction) and taking all actions necessary and
26 appropriate to effectuate and consummate the Transaction (including the transfer and sale of the
27 Purchased Assets) in consideration of the Purchase Price (as defined in § 1.1 of the APA) upon

1 the terms set forth in the APA, including, without limitation, assuming and assigning to SGM the
2 Designated Contracts. The Debtors and SGM shall have the right to make any mutually
3 agreeable, non-material changes to the APA, which shall be in writing signed by both parties,
4 without further order of the Court provided, that after reasonable notice, the Official Committee
5 of Unsecured Creditors (the "Committee"), the DIP Agent (as defined in the Final DIP Order
6 defined below), and the Prepetition Secured Creditors (as defined in the Final DIP Order) do not
7 object to such changes. Any timely objection by the aforementioned parties to any agreed non-
8 material changes to the APA may be resolved by the Court on shortened notice.

9 4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal,
10 valid, enforceable and effective transfer and sale of the Purchased Assets to SGM free and clear
11 of all Encumbrances, except with respect to the liens arising from the Special Assessments and
12 the PACE Obligations assumed by SGM, as further set forth in the APA and this Sale Order; and
13 (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable
14 against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor
15 thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the
16 Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the
17 Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the
18 Purchased Assets, all counterparties to the Designated Contracts and all other persons and
19 entities.

20 5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge
21 within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale
22 Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent,
23 effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the
24 Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force,
25 extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any
26 Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and
27 authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition
28

Secured Creditors, as applicable, pursuant to the Final DIP Order, to the extent that (i) the rights granted to the Prepetition Secured Creditors with respect to §§506(c) and 552(b) by the Final DIP Order are not limited or modified as a result of the appeal from the Final DIP Order filed by the Committee on November 29, 2019; and/or (ii) any replacement liens or security interest granted to the Prepetition Secured Creditors by the Final DIP Order are not invalidated as a result of any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to the extent of and in accordance with its terms with all parties reserving all rights thereunder.

6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order shall, as of the Closing, be considered and constitute for all purposes a full and complete general assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all of the Debtors' rights, title and interest in and to the Purchased Assets to SGM. Consistent with, but not in limitation of the foregoing, each and every federal, state, and local governmental agency or department, except as stated herein, is hereby authorized and directed to accept all documents and instruments necessary and appropriate to consummate the transactions contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any Encumbrances of record.

7. Any person or entity that is currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets is hereby directed to surrender possession of such Purchased Assets either to (a) the Debtors before the Closing or (b) to SGM or its designee upon the Closing, and to cooperate with the Debtors and SGM in the Debtors' and SGM's fulfillment of their obligations hereunder and pursuant to the APA.

8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and upon consummation of the Transaction, including, without limitation, payment of the Purchase

1 Price to the Debtors, vest SGM with all right, title, and interest in the Purchased Assets, free and
2 clear of all Encumbrances. Upon closing of the Transaction, SGM shall take title to and
3 possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the
4 APA. The transfer of the Purchased Assets from the Debtors to SGM constitutes a transfer for
5 reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the
6 State of California.

7 9. Following the Closing, no holder of any Encumbrance against the Debtors or upon
8 the Purchased Assets shall interfere with SGM's respective rights in, title to or use and enjoyment
9 of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from
10 taking any action that would adversely affect or interfere with the ability of the Debtors to sell
11 and transfer the Purchased Assets to SGM, including the assumption and assignment of the
12 Designated Contracts.

13 10. SGM shall not be deemed, as a result of any action taken in connection with, or as
14 a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a
15 successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their
16 estates by reason of any theory of law or equity, including, without limitation, any bulk sales law,
17 doctrine or theory of successor liability, or any theory or basis of liability, regardless of source of
18 origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere
19 continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed
20 Liabilities, SGM is not assuming any of the Debtors' debts.

21 11. This Sale Order (i) shall be effective as a determination that, on Closing, all
22 Encumbrances existing against the Purchased Assets before the Closing have been
23 unconditionally released, discharged and terminated, and that the transfers and conveyances
24 described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all
25 persons and entities. If, following a reasonable written request made by the Debtors, any person
26 or entity that has filed financing statements or other documents or agreements evidencing any
27 Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or

1 in connection with Closing, in proper form for filing and executed by the appropriate parties,
2 termination statements, instruments of satisfaction, releases of all Encumbrances which the
3 person or entity has with respect to the Purchased Assets, then SGM and/or the Debtors are
4 hereby authorized to execute and file such statements, instruments, releases and other documents
5 on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of
6 doubt, such statements, instruments, releases and other documents shall not impair Encumbrances
7 that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or
8 may be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to
9 paragraphs 5 and 13 hereof.

10 12. In accordance with the APA, concurrently with the Closing, SGM shall pay that
11 portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to
12 Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in the
13 APA. Any direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent, the
14 Prepetition Secured Creditors, and the Committee in advance of the Closing.

15 13. The terms and conditions of the Final DIP Order shall apply with respect to the
16 Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the
17 Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

18 (a) the Debtors shall direct SGM, pursuant to the terms of the APA, to remit all Sale
19 Proceeds to the separate accounts opened in the name of each Debtor for the Sale Proceeds (each
20 such hereafter referred to as "Escrow Deposit Account");

21 (b) in giving direction to SGM pursuant to sub-paragraph (a), above, the Debtors shall
22 exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among
23 the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of
24 the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of
25 rights in paragraph 4 of the Final DIP Order and paragraph 31 of the Bidding Procedures Order;
26 provided further that nothing in this paragraph shall waive or limit any rights the Committee or
27 the Prepetition Secured Creditors may have in connection with the confirmation of a proposed
28

chapter 11 plan for any of the Debtors' cases (including the right to seek to reallocate estate values and the Sale Proceeds);

(c) without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order, no funds held in any Escrow Deposit Account shall be (i) commingled with any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for any purpose, except as provided in this Order, the DIP Credit Agreements or the Final DIP Order without further order of this Court, after reasonable notice under the circumstances to the DIP Agent, the Prepetition Secured Creditors and the Committee; and

(d) each Escrow Deposit Account shall be subject to a deposit account control agreement in favor of the DIP Agent and DIP Lender, and subject to, without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order with respect to the Sale Proceeds and Escrow Deposit Account, including, without limitation, following the occurrence of an Event of Default or the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the Debtors shall not be permitted to use the funds held in any Escrow Deposit Account for any purpose, except as provided in paragraph 14, 15, 16, and 17 of this Order, and to fund any Purchase Price adjustment in favor of the Purchaser, without first obtaining the consent of the DIP Agent, DIP Lender and the Prepetition Secured Creditors or obtaining an order of the Court pursuant to §§ 363 or 1129 after reasonable notice under the circumstances to the DIP Agent, the DIP Lender, the Prepetition Secured Creditors and the Committee and, if necessary, a hearing thereon; and

(e) for the avoidance of doubt, the rights of the Debtors, the Committee, and the Prepetition Secured Creditors as to the Sale Proceeds and any funds held in a Deposit Escrow shall be, except as set forth herein, as contemplated by Paragraph 4 of the Final DIP Order, and nothing in this Order shall be construed as altering, amending, waiving, or affecting in any way such rights. Concurrently with the Closing or as soon thereafter as is possible, and in accordance with the APA, SGM shall pay to the counter-parties to the Designated Contracts the cure amounts

1 set forth in the Cure Notice, or as otherwise agreed to by the Debtors, SGM and the applicable
2 counter-parties thereto or ordered by this Court after a continued hearing on the Cure Objections
3 (the “Designated Cure Amounts”). SGM has the right under the APA to remove any Contracts
4 from the list of Designated Contracts up to seven (7) days prior to Closing, as also set forth in the

7 *Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections*

9 14. To the extent that any of the contracts and/or leases, which give rise to the
10 Designated Cure Amounts and are set forth in the Designation Notice and are not subsequently

15 Designated Contracts”) are executory contracts or unexpired leases (over which the Court is not
16 making any such determination at this time), then in connection with the Closing, the Debtors
17 shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they
18 are deemed part of the Designated Contracts) and to have assigned them to SGM, and SGM shall
19 have assumed all obligations owing under all such Currently Identified Designated Contracts
20 arising after and following the Closing. The Court shall resolve any and all disputes which may
21 arise between the Debtors, SGM and any of the Currently Identified Designated Contract
22 Counter-Parties over whether the Currently Identified Designated Contracts are executory
23 contracts or unexpired leases and whether any of the Currently Identified Designated Contract
24 Counter-Parties are entitled to an allowed claim against the Debtors which exceeds the
25 Designated Cure Amounts (the “Assumption Dispute”).

2 have an allowed cure claim against the Debtors which exceeds the Designated Cure Amounts (the
3 “Excess Cure Amount”), the difference will be paid by SGM and shall not be the responsibility of
4 the Debtors as more specifically set forth below; provided, however, that unless the Court makes
5 such a determination on or before fifteen (15) days prior to Closing, and unless the Debtor, SGM
6 and the Currently Identified Designated Contract Counter-Party agree otherwise, the Currently
7 Identified Designated Contract which is the subject of such Assumption Dispute, shall be deemed
8 a rejected contract within the meaning of § 1.11(a) of the APA as of ten (10) days prior to
9 Closing, and SGM, except as provided below, shall have no obligation to assume such Currently
10 Identified Designated Contract or to pay any Cure Amount or Excess Cure Amount in connection
11 with such Currently Identified Designated Contract. To the extent an Assumption Dispute relates
12 solely to the Cure Amount, the Debtors may, with SGM’s consent, assume and assign the
13 applicable executory contract or unexpired lease at Closing and prior to the resolution of the
14 Assumption Dispute by the Bankruptcy Court, provided, that either (a) the Bankruptcy Court has
15 estimated the maximum cure payment, pursuant to 11 U.S.C. § 502(c), and SGM has remitted
16 such amount to the Debtors to be held as sales proceeds in the Sale Proceeds Account for the
17 relevant Debtor(s), or (b) SGM provides to the relevant Debtor(s) and non-Debtor counterparty a
18 separate reasonably acceptable undertaking that SGM will promptly pay the maximum disputed
19 cure amount in accordance with 11 U.S.C. § 365 (b)(1)(A) and (B) (or such smaller amount as
20 may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor
21 party and SGM). The Debtors shall pay and hereby are authorized to pay disputed cure amounts
22 from the relevant Sales Proceeds Account(s) upon entry of a final order by this Court to the extent
23 SGM remitted to Sellers the amount required by item (a) of this paragraph of the Order.

24 16. All of the Currently Identified Designated Contracts, to the extent they are
25 executory contracts or unexpired leases and are not subsequently and timely removed by SGM
26 under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order*

2 *Horse Bid Protections* [Docket No. 1865], or deemed a rejected contract within the meaning of §
3 1.11(a) of the APA pursuant to paragraph 15 above, shall be part of the Designated Contracts that
4 will be assumed by the Debtors and assigned to SGM at the Closing. In the event that SGM elects
5 to add any other of the Debtors' executory contracts or unexpired leases to the list of Designated
6 Contracts (the "Subsequently Identified Designated Contracts" and, individually, a "Subsequently
7 Identified Designated Contract") under the APA and the *Order Approving Stipulation Regarding*

9 *Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding*
10 *Procedures And Stalking Horse Bid Protections* [Docket No. 1865], SGM shall notify the Debtors
11 of any such Subsequently Identified Designated Contracts on or before thirty days before Closing,
12 and the Debtors shall (i) file a notice with the Court identifying all such Subsequently Identified
13 Designated Contracts and their respective cure amounts as agreed upon between the Debtors and
14 SGM, and (ii) serve such notice by over-night mail on all counter-parties to the Subsequently
15 Identified Designated Contracts (the "Subsequently Identified Designated Contract Counter-
16 Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and
17 assigned to SGM at the Closing, with SGM to be obligated to pay all cure amounts owing to such
18 Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as
19 set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SGM and the applicable
20 counter-parties thereto, or ordered by the Court in accordance with paragraphs 34 and 36 below
21 (the "Additional Cure Amounts"), so long as such amount as ordered by the Court is no greater
22 than the amount agreed upon by SGM; and in the event the Additional Cure Amount is greater
23 than the amount agreed upon by SGM, and SGM is not willing to pay the Additional Cure
24 Amount, the Debtors shall not be required to pay the Additional Cure Amount(s) and the
25 Subsequently Identified Designated Contract(s) shall be deemed a rejected contract within the
26 meaning of § 1.11(a) of the APA pursuant to paragraph 15 above; provided, and for the avoidance
27 of doubt, no collective bargaining agreement, pension plan or health and welfare plan providing
28

collectively bargained benefits to which a Hospital is a party or sponsor constitutes a Currently Identified Designated Contract or a Subsequently Identified Designated Contract for which SGM or the Debtors may be obligated to pay any cure amount.

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SGM, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (collectively, the “Contract Counter-Parties”). At the Closing, SGM shall pay the (i) Sale Proceeds, (ii) the Designated Cure Amounts identified in paragraph 13 above, (iii) the Excess Cure Amounts identified in paragraph 15 above, and (iv) the Additional Cure Amounts, subject to paragraph 15 above. Payment by SGM of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to “cure” all “defaults” with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The foregoing payment shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SGM, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SGM shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts, neither the Debtors nor SGM shall have any further liabilities to any Contract Counter-Parties, other than SGM’s obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SGM with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt, SGM shall not be liable for the payment of any liabilities or obligations arising from or related to (a) any executory contracts that the Debtors intend to reject by appropriate motion and which are not being assumed and assigned to SGM, (b) any multiparty contract affecting more than one Debtor in addition to one of the hospitals subject to the

Transaction, or (c) any collective bargaining agreement (“CBA”), pension plan, or health and welfare plan providing for collectively bargained for benefits to which a Hospital is a party or a sponsor, unless expressly assumed and assigned with SGM’s consent.

18. The Debtors intend, and are hereby authorized, to (A) reject, pursuant to § 365(a), all executory contracts to which one or more of the Hospitals are a party, excluding (i) Designated Contracts, and (ii) any prepetition multiparty contract affecting more than one Debtor in addition to one of the Hospitals, and, (B) reject and terminate, to the extent separately authorized by this Court, pursuant to §§ 1113, 1114, and any other applicable provision of the Bankruptcy Code, any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which one of the Hospitals is a party or sponsor and that SGM does not assume.

19. All of the Contract Counter-Parties are forever barred, estopped, and permanently enjoined from (i) raising or asserting against the Debtors or SGM, or any of their property, any assignment fee, acceleration, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or related to the Designated Contracts, existing as of the Closing, or arising by reason of the consummation of the Transaction contemplated by the APA, including, without limitation, the Transaction and the assumption and assignment of the Designated Contracts, including any asserted breach relating to or arising out of the change-in-control provisions in such Designated Contracts, or any purported written or oral modification to the Designated Contracts and (ii) asserting against SGM any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed Obligations.

20. Any provisions in any Designated Contracts that prohibit or condition the assignment of such Designated Contract or allow the counterparty to such Designated Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Designated Contract constitute unenforceable anti-assignment provisions

1 that are void and of no force and effect with respect to the Debtors' assumption and assignment of such
2 Designated Contract to SGM in accordance with the APA, pursuant to § 363(f).

3 21. The terms and provisions of this Sale Order, as well as the rights granted under the
4 Transaction Documents, shall continue in full force and effect and are binding upon any successor,
5 reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding **entry**
6 **of any order of conversion or dismissal any such conversion, dismissal or order entry**. Nothing
7 contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a
8 plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict
9 with or derogate from the provisions of the APA, any documents or instruments executed in
10 connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict
11 between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern.
12 The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or
13 dismissal of the cases and the entry of any other order that may be entered in the cases, including any
14 order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7;
15 (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

16 22. The Transaction contemplated by the APA and other Transaction Documents are
17 undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy
18 Code. SGM is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the
19 full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization
20 provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the
21 sale of the Purchased Assets to SGM. The APA and the Transactions contemplated thereby cannot be
22 avoided under § 363(n).

23 23. The failure to specifically include any particular provision of the APA or the other
24 Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such
25 provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other
26 Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of
27 this Sale Order are non-severable and mutually dependent.
28

1 24. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. §
2 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or
3 otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective
4 and enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence
5 in approving the Transaction (including the transfer and the sale of the Purchased Assets).

6 25. The automatic stay in effect pursuant to § 362 is hereby lifted with respect to the
7 Debtors to the extent necessary, without further order of this Court, to (i) allow SGM to deliver any
8 notice provided for in the APA and Transaction Documents and (ii) allow SGM to take any and all
9 actions permitted under the APA and Transaction Documents in accordance with the terms and
10 conditions thereof.

11 26. Unless otherwise provided in this Sale Order, to the extent any inconsistency exists
12 between the provisions of the APA and this Sale Order, the provisions contained in this Sale Order
13 shall govern.

14 27. This Court shall retain exclusive jurisdiction to interpret, construe, and enforce the
15 provisions of the APA and this Sale Order in all respects, and further, including, without limitation, to
16 (i) hear and determine all disputes between the Debtors and/or SGM, as the case may be, and any other
17 non-Debtor party to, among other things, the Designated Contracts concerning, among other things,
18 assignment thereof by the Debtors to SGM and any dispute between SGM and the Debtors as to their
19 respective obligations with respect to any asset, liability, or claim arising hereunder; (ii) compel
20 delivery of the Purchased Assets to SGM free and clear of Encumbrances, except with respect to the
21 liens arising from the Special Assessments and the PACE Obligations; (iii) compel the delivery of the
22 Purchase Price or performance of other obligations owed to the Debtors; (iv) interpret, implement, and
23 enforce the provisions of this Sale Order; and (v) protect SGM against (A) claims made related to any
24 of the Excluded Liabilities (as defined in the APA), (B) any claims of successor or vicarious liability
25 (or similar claims or theories) related to the Purchased Assets or the Designated Contracts, or (C) any
26 Encumbrances asserted on or against SGM or the Purchased Assets.

1 28. Following the date of entry of this Sale Order, the Debtors and SGM are authorized to
2 make changes to the APA and/or execute supplemental agreements implementing the transactions
3 contemplated by the APA without the need for any further order of the Court provided that all such
4 changes have been approved in writing by the Debtors, SGM, the Committee, the DIP Agent, and
5 Prepetition Secured Creditors. Any other proposed changes to the APA or this Sale Order shall require
6 a further order of the Court, after reasonable notice under the circumstances and a hearing.

7 29. Notwithstanding any other provision of this Sale Order or any other Order of this
8 Court, no sale, transfer or assignment of any rights and interests of a regulated entity in any federal
9 license or authorization issued by the FCC shall take place prior to the issuance of FCC regulatory
10 approval for such sale, transfer or assignment pursuant to the Communications Act of 1934, as
11 amended, and the rules and regulations promulgated thereunder. The FCC's rights and powers to take
12 any action pursuant to its regulatory authority, including, but not limited to, imposing any regulatory
13 conditions on such sales, transfers and assignments and setting any regulatory fines or forfeitures, are
14 fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or
15 authority to the extent not inconsistent with the applicable provisions of the Bankruptcy Code.

16 30. To the extent the Purchased Assets contain records of the Verity Health System
17 Retirement Plan A and Verity Health System Retirement Plan B (collectively, the "Pension
18 Plans") or employment records of participants of the Pension Plans, SGM shall store, and
19 preserve any such records until the Pension Benefit Guaranty Corporation ("PBGC") has
20 completed its investigation regarding the Pension Plans and shall make such documents available
21 to PBGC for inspection and copying. Such records include, but are not limited to, any Pension
22 Plan governing documents, actuarial documents, and employment records (collectively, the
23 "Pension Plan Documents"). The Debtors shall retain and not abandon any Pension Plan
24 Documents that are not Purchased Assets no earlier than February 28, 2020, and shall make such
25 documents available to the PBGC for inspection and copying.

26 31. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of
27 the issues regarding the transfer and/or proposed assumption and assignment or rejection of the
28

Hospitals' Medi-Cal Provider Agreements or (ii) DHCS will file a supplemental objection to the proposed transfer of the Medi-Cal Provider Agreements. If necessary, the Debtors will file any reply to the supplemental objection no later than 4:00 p.m. (Pacific Time), on May 27, 2019, and a hearing will be held on the issues raised regarding the transfer and/or proposed assumption and assignment or rejection of the Medi-Cal Provider Agreements on June 5, 2019, at 10:00 a.m. (Pacific Time); and all parties' rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall apply to Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the DHCS or a Court order resolving the DHCS's objections.

32. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the Hospitals' Medicare Provider Agreements or (b) HHS will file a supplemental objection to the proposed transfer of the Medicare Provider Agreements. If necessary, the Debtors will file any reply to the supplemental objection no later than 4:00 p.m. (Pacific Time), on May 27, 2019, and a hearing will be held on the issues raised regarding the transfer and/or proposed assumption and assignment or rejection of the Medicare Provider Agreements on June 5, 2019, at 10:00 a.m. (Pacific Time); and all parties' rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall apply to Medicare Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the HHS or a Court order resolving the HHS's objections.

33. In accordance with the terms of §§ 4.7 and 5.11 of the APA, the Debtors and SGM will negotiate regarding modification of applicable CBAs. To the extent the Debtors seek modification, rejection and/or termination of CBAs, they will comply with the requirements of § 1113, as applicable, and may do so before or after Closing under their discretion.

34. A continued hearing on the Cure Objections shall be held on June 5, 2019, at 10:00 a.m. (Pacific Time). As to the Currently Identified Designated Contracts, by no later than May 22, 2019, at 4:00 p.m. (Pacific Time), the Debtors shall file a notice containing a list of (a) the Cure Objections that have been resolved, and (b) the Cure Objections as to which Court intervention is required. As to the Cure Objections for which Court intervention is required, *pursuant to the Order*

1 *Approving Omnibus Stipulation Continuing Hearing on Certain Objections to Notice and*
2 *Supplemental Notice of Contracts Designated for Assumption and Assignment [Docket No. 2183], the*
3 *deadline for the Debtors to reply to the Cure Objections shall be May 29, 2019, at 4:00 p.m. (Pacific*
4 *Time). ~~the following briefing schedule shall apply: (1) the Debtors' opposition to each outstanding~~*
5 *~~Cure Objection shall be submitted by no later than May 22, 2019; and (2) the counterparties' reply in~~*
6 *~~support of its Cure Objections shall be submitted by no later than May 29, 2019.~~* Nothing in this Sale
7 Order constitutes a finding or determination on any Cure Objection. All Cure Objections are preserved
8 until resolved either by agreement between the Debtors and the contract counterparty or further order
9 of the Court.

10 35. As to any executory contracts or unexpired leases that were listed on the Initial
11 Designated Contract List, but not listed on any prior Cure Notice, any counterparty thereto may file an
12 objection to the cure amount or assumption thereof by May 22, 2019, and all other provisions in
13 paragraph 34 shall apply to resolution thereof.

14 36. As to Subsequently Identified Designated Contracts, (i) promptly upon SGM's
15 identifying such contract(s), the Debtors shall file a notice with the Court identifying all Subsequently
16 Identified Designated Contracts no later than 30 days prior to Closing and provide service thereof in
17 accordance with paragraph 16, and (ii) to the extent that any Subsequently Identified Designated
18 Contracts were not listed on a Cure Notice, counterparties subject to contracts who object to
19 assumption and/or the proposed cure amounts must file an objection no later than 14 days prior to
20 Closing, and any reply shall be filed no later than 7 days prior to Closing. To the extent that a
21 negotiated resolution cannot be achieved, any objections filed in connection with the Subsequently
22 Identified Designated Contracts shall be adjudicated by the Court, which shall resolve any and all
23 disputed issues related to the objection(s).

24 37. The California Attorney General, the Debtors, the Consultation Parties (as defined in
25 the Bid Procedures Order) and SGM, reserve all rights, arguments and defenses concerning the
26 California Attorney General's authority, if any, to review the sale under California Corporations Code
27 §§ 5914–5924 and California Code of Regulations on Nonprofit Hospital Transactions—Title 11,
28

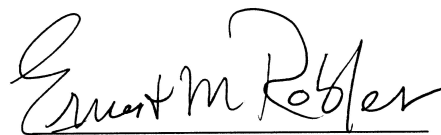

Chapter 15, § 999.5, and any conditions issued thereto. Nothing in this Sale Order shall be construed as a waiver of the Attorney General's statutory and regulatory authority or other rights.

38. The Committee and the Prepetition Secured Creditors' rights, and their ability to participate and be heard at the hearings described in paragraphs 31 to 36 of this Sale Order, are hereby reserved. To the extent that the DIP Agent, DIP Lender, Prepetition Secured Creditors or the Committee desire to file pleadings related to such hearings, their respective times for filing an objection or response to any of the requests for relief described in paragraphs 31 to 37 herein shall be the same as granted to the Debtors pursuant to the notice in each such instance.

IT IS SO ORDERED.

EMERGENCY MOTION

Pursuant to Rule 9075-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California (the “LBR”), Rule 6004 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), §§ 105, 362, 363, 525 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the “Bankruptcy Code”),¹ and 28 U.S.C. § 1334(e), Verity Health System Of California, Inc. (“VHS”) and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), hereby move, on an emergency basis (the “Motion”), for the entry of an order: (i) enforcing this Court’s previous order [Docket No. 2306] authorizing the sale (“SGM Sale”) of the Debtors’ assets to Strategic Global Management, Inc. (“SGM”); and (ii) finding that the SGM Sale is free and clear of the conditions imposed by the California Attorney General (the “Attorney General”) that are materially different (the “Additional Conditions”) than the conditions in the asset purchase agreement (the “SGM APA”) [Docket No. 2305-1]; or, alternatively, (iii) finding that the Attorney General abused his discretion imposing the conditions under applicable nonbankruptcy law; and (iv) granting such other and further relief as the Court deems just and proper. The sale order approving the SGM Sale (the “Sale Order”), the conditions issued by the Attorney General (the “2019 Conditions”), the Additional Conditions, in redline format, and the SGM APA, are attached to the annexed Memorandum of Points and Authorities (the “Memorandum”) as Exhibits “A,” “B,” “C,” and “D,” respectively. Certain correspondence between the Debtors, SGM, and the Attorney General is attached to the Memorandum as Exhibit “E.”

The Debtors request that the relief sought be granted on an emergency basis because the Debtors will suffer immediate and irreparable harm without the relief requested in this Motion. Indeed, absent relief, the Debtors’ sale to SGM of its four remaining hospitals (collectively, the “Hospitals”) will collapse, which would result in the loss of access to critical healthcare in

underserved communities, the loss of thousands of jobs, and the loss of anticipated recoveries to creditors. Simply put, the Additional Conditions would unwind the heroic efforts of constituents who have diligently worked to maintain the Hospitals throughout these cases and spent countless hours and funds working with SGM to close the SGM Sale. Even a delay in the closing will significantly impact these Cases because the Debtors (i) are operating at a loss of approximately \$450,000 per day, imposing significant costs upon the estates and upon creditors, (ii) seek to confirm their plan of liquidation by the end of the year, and (iii) are required to meet the milestone under the cash collateral agreement that the Plan go effective in 2019 and have no alternative financing source.

The Additional Conditions threaten the SGM sale. The Additional Conditions trigger SGM's termination rights under the APA unless the Debtors obtain a supplemental order from this Court finding that the Additional Conditions are an "interest in property" for purposes of § 363(f), and that the Hospitals can be sold free and clear of the Additional Conditions without the imposition of any other conditions. *See* Exhibit "D," SGM APA, Section 8.6. SGM has repeatedly informed the Debtors and the Attorney General that the Additional Conditions are "deal killers." *See* Exhibit "E." To illustrate the magnitude of the economic impact of the Additional Conditions, two of the Additional Conditions alone would have the economic impact of increasing the effective purchase price by over 50 percent to nearly a billion dollars. The economic impact of compliance with the other Additional Conditions are in the tens of millions of dollars. In essence, the Additional Conditions would render the SGM APA and this Court's Sale Order meaningless. Such result is inconsistent with § 363, this Court's exclusive jurisdiction over property of the Debtors' estates, and fundamental purposes of the Bankruptcy Code.

The SGM APA specifically contemplates the Debtors will challenge promptly any conditions materially different from those to which SGM agreed. *See* Exhibit D, SGM APA §§

1 8.6, 9.3. Failure to challenge timely the imposition of Additional Conditions may result in
2 termination of the SGM Sale. *Id.* The Debtors and SGM met with representatives of the Attorney
3 General regularly to encourage imposition of conditions consistent with Schedule 8.6. *See* Adcock
4 Dec. and Levy-Biehl Dec. Further, the Debtors negotiated vigorously with additional
5 constituencies (including the Official Committee of Unsecured Creditors, the Pension Benefit
6 Guaranty Corporation, and labor unions) to secure their support of the SGM Sale, which were
7 provided to the Attorney General before the 2019 Conditions were issued. Nevertheless, the
8 Attorney General has imposed conditions on the SGM Sale inconsistent with Schedule 8.6 after
9 taking the maximum amount of time provided by statute to review the transaction and constituent
10 input. *See* Exhibit “B.” Given the Attorney General’s long delay in reviewing the SGM Sale, the
11 Debtors must challenge the Additional Conditions on an expedited basis to ensure that the SGM
12 Sale closes, the Hospitals stay open to provide essential patient care, thousands of jobs are not lost
13 and assets of the estates are preserved.

14 The Attorney General will not suffer prejudice if the Court grants this Motion for expedited
15 relief. As noted above, the Attorney General considered the 2019 Conditions for 135 days prior to
16 their issuance on September 25, 2019. During that time, the Debtors and SGM have made
17 abundantly clear that any departure from the conditions in Schedule 8.6 to the SGM APA would
18 threaten the SGM Sale. *See, e.g.,* Exhibit “E.” Further, the Attorney General is amply familiar
19 with the issues raised herein, having briefed the same in several bankruptcy cases in this District,
20 including in the Debtors’ Cases. *See* Docket No. 463; *In re Gardens Reg’l Hosp. & Med. Ctr., Inc.*,
21 No. 2:16-bk-17463-ER, Doc. No. 752 (Bankr. C.D. Cal. Apr. 24, 2017); *In re Victor Valley Cmty.*
22 *Hosp.*, No. 8:12-bk-12896-CB, Doc. No. 1804 (Bankr. C.D. Cal. Sept. 27, 2011). Accordingly, the
23 Debtors respectfully request that the Court grant the Motion for an emergency hearing because the
24 proposed expedited hearing will not prejudice the Attorney General and is in the best interests of
25 the Debtors’ estates and creditors.

I.

SUMMARY OF REQUESTED RELIEF

Concurrently herewith, the Debtors have filed a motion seeking the entry of an order: (i) enforcing this Court’s previous order [Docket No. 2306] authorizing the SGM Sale; and (ii) finding that the SGM Sale is free and clear of the Additional Conditions, pursuant to §§ 105, 362, 363, and 525, and 28 U.S.C. § 1334(e); or, alternatively, (iii) finding that the Attorney General abused his discretion imposing the 2019 Conditions under applicable nonbankruptcy law; and (iv) granting such other and further relief as the Court deems just and proper.

The Motion is based upon §§ 105, 362, 363, and 525, 28 U.S.C. § 1334, Bankruptcy Rule 6004, LBR 9075-1(a), California Corporations Code §§ 5914 *et seq.*, and the California Code of Regulations, title 11, § 999.5, the attached Memorandum of Points and Authorities, the *Declaration of Richard Adcock in Support of Emergency First-Day Motions* [Docket No. 8], the Declarations of Richard G. Adcock (the “Adcock Decl.”), Peter Baronoff (the “Baronoff Decl.”), Peter C. Chadwick (the “Chadwick Decl.”), and Hope R. Levy-Biehl (the “Levy-Biehl Decl.”) filed concurrently herewith, the arguments and statements of counsel to be made at the hearing on the Motion, and any other admissible evidence properly brought before the Court. The Debtors request that the Court take judicial notice of all documents filed with the Court in these Cases that relate to the SGM Sale and the prior sale of the hospitals to Santa Clara County, as appropriate, in support of the Motion.

II.

RESPONSES

Any party opposing or responding to the Motion may present such response (the “Response”) at any time before or at the hearing on the Motion. *See* LBR 9075-1(a)(8). A Response must be a complete written or oral statement of all reasons in opposition to the Motion or in support, declarations and copies of all evidence on which the responding party intends to rely, and any responding memorandum of points and authorities. Pursuant to LBR 9013-1(h), the failure to file and serve a timely objection to the Motion may be deemed by the Court to be consent to the relief requested herein.

1 III.

2 **SERVICE OF MOTION**

3 Counsel to the Debtors will serve this Motion, the attached Memorandum of Points and
4 Authorities, the Adcock Decl., the Baronoff Decl., the Chadwick Decl., Levy-Biehl Decl., and any
5 notice required by the Court on: (i) the California Attorney General; (ii) the Official Committee of
6 Unsecured Creditors; (iii) the Debtors' prepetition secured creditors; (iv) SGM; (iv) the Office of
7 the United States Trustee; and (v) any other parties on the Limited Service List set forth in the
8 *Order Granting Emergency Motion of Debtors for Order Limiting Scope of Notice* [Docket No.
9 132]. To the extent necessary, the Debtors request that the Court waive compliance with LBR
10 9075-1(a)(6) and approve service (in addition to the means of services set forth in such LBR) by
11 overnight delivery.

12 IV.

13 **RESERVATION OF RIGHTS**

14 Nothing contained herein is intended or shall be construed as: (i) an admission as to the
15 validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any appropriate party in
16 interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors; or
17 (iii) a waiver of any claims or causes of action which may exist against any creditor or interest
18 holder.

19 V.

20 **PRAYER**

21 WHEREFORE, for all the foregoing reasons and such additional reasons as may be
22 advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the
23 Court hold a hearing on an emergency basis to consider the Debtors request for an order (i) finding
24 that (a) the SGM Sale is free and clear of the Additional Conditions imposed by the Attorney
25 General, or alternatively, (b) the Attorney General has abused his discretion in imposing the
26 Additional Conditions, and (ii) granting such other and further relief as the Court deems just and
27 proper.

MEMORANDUM OF POINTS AND AUTHORITIES

Verity Health System of California, Inc. (“VHS”) and the affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), hereby move (the “Motion”) for the entry of an order: (i) enforcing this Court’s previous order [Docket No. 2306] (the “Sale Order”) authorizing the sale (“SGM Sale”) of the Debtors’ assets to Strategic Global Management, Inc. (“SGM”); and (ii) finding that the SGM Sale is free and clear of the conditions (the “2019 Conditions”) imposed by the California Attorney General (the “Attorney General”) that are materially different (the “Additional Conditions”) than the conditions in the asset purchase agreement (the “SGM APA”) [Docket No. 2305-1], pursuant to §§ 105, 362, 363, and 525 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the “Bankruptcy Code”) and 28 U.S.C. § 1334(e);¹ or, alternatively, (iii) finding that the Attorney General abused his discretion imposing the 2019 Conditions under applicable nonbankruptcy law; and (iv) granting such other and further relief as the Bankruptcy Court deems just and proper.

The Motion is based on the *Declaration of Richard Adcock in Support of Emergency First-Day Motions* [Docket No. 8] (the “First-Day Declaration”), the Declarations of Richard G. Adcock (the “Adcock Decl.”), Peter Baronoff (the “Baronoff Decl.”), Peter C. Chadwick (the “Chadwick Decl.”), and Hope R. Levy-Biehl (the “Levy-Biehl Decl.”) filed concurrently herewith, the arguments and statements of counsel to be made at the hearing on the Motion, the record in the Debtors’ Cases and any other judicially noticeable facts, and other admissible evidence properly brought before the Court. The Sale Order, the 2019 Conditions, the Additional Conditions, in redline format, and the SGM APA, are attached hereto as Exhibits “A,” “B,” “C,” and “D,” respectively. Certain correspondence between the Debtors, SGM, and the Attorney General is attached hereto as Exhibit “E.”

In further support of the Motion, the Debtors respectfully state as follows:

¹ All references to “§” are to sections of the Bankruptcy Code; all references to “Bankruptcy Rules” are to provisions of the Federal Rules of Bankruptcy Practice; all references to “LBR” are to provisions of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California.

I.

INTRODUCTION

Nearly five months after this Court entered the Sale Order authorizing the Debtors to sell their four remaining general acute care hospitals (the “Hospitals”) to SGM, the Attorney General issued the 2019 Conditions that effectively increase the purchase price in the SGM APA by over \$300 million. The imposition of the Additional Conditions in the 2019 Conditions would destroy the sale of the Hospitals to the only buyer willing to buy them, SGM, and would result in the loss of access to critical healthcare in underserved communities, the loss of thousands of jobs, and the loss of anticipated recoveries to creditors. The Debtors’ estates and their constituents have already borne operating losses of approximately \$450,000, per day, waiting for the Attorney General to issue his decision. Moreover, the Debtors, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone.

The Debtors are mindful that the Hospitals have struggled for decades and that the 2015 conditions imposed by the Attorney General (the “2015 Conditions”) locked the Hospitals into financial and operational obligations that made success impossible (the Debtors lost hundreds of millions of dollars since the 2015 Conditions were imposed). Chapter 11 presented the last and only viable option to save the Hospitals. The Attorney General cannot strip the Debtors of the protections afforded by the Bankruptcy Code, which is, in essence, the impact of the 2019 Conditions if they are enforced.

In addition to the fact that the imposition of the Additional Conditions would be devastating to patients, the communities the Hospitals serve, thousands of employees and stakeholders in these cases, the Additional Conditions cannot be upheld because they contravene the Bankruptcy Code, the Court’s jurisdiction, and fundamental purposes of the Bankruptcy Code.

Specifically, the Court should enforce the Sale Order and find that that the Debtors are authorized to the sell the Hospitals without imposition of the Additional Conditions because:

- *Section 363(f) authorizes the Court to sell the Debtors’ assets free and clear of the Additional Conditions which are an “interest in property;”*

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

- *The Additional Conditions are an inappropriate attempt to impose successor liability on SGM because the Sale Order authorizes the assets to pass to SGM free and clear of successor liability;*
- *Section 363(d)(1) must be harmonized with § 363(f), which authorizes the Court to sell the assets free and clear of the Additional Conditions;*
- *The Attorney General's broad attempt to exercise control over the Debtors' assets contravenes the Court's exclusive jurisdiction over the Debtors' assets, pursuant to 28 U.S.C. § 1334(e);*
- *Imposition of the Additional Conditions constitutes impermissible discrimination against the Debtors and SGM under § 525(a) because the Additional Conditions are premised on the continuance of the Debtors' obligations; and*
- *The Attorney General is exceeding his authority by attempting to regulate a for profit entity.*

Additionally, and as significantly, under state law, the imposition of the Additional Conditions are a breach of the Attorney General's fiduciary obligations and an abuse of his discretion.

Based upon all of the foregoing, and for the reasons set forth in greater detail below, the Debtors urge the Court to enter an order enforcing the Sale Order and finding that sale was "free and clear" of the Additional Conditions.

II.

JURISDICTION, VENUE, AND STATUTORY PREDICATES

The Bankruptcy Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding under 28 U.S.C. §§ 157(b)(2). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

The Motion seeks, in part, an order of the Court enforcing the terms of its final order approving the SGM Sale [Docket No. 2306]. The statutory predicates for this relief are §§ 363 and 105, and Bankruptcy Rule 6004. This Court "plainly ha[s] jurisdiction to interpret and enforce its own prior orders." *Travelers Indem. Co. v. Bailey*, 557 U.S. 137, 151 (2009); *see also In re Millenium Seacarriers, Inc.*, 419 F.3d 83, 96 (2d Cir. 2005) ("A bankruptcy court retains jurisdiction to interpret and enforce its own orders [.]") (quoting *Luan Inv. S.E., v. Franklin 145 Corp. (In re Petrie Retail, Inc.)*, 304 F.3d 223, 230 (2d Cir.2002)).

1 The Debtors further request that the Court find that the Attorney General abused his
2 discretion in imposing the 2019 Conditions without an evidentiary basis. The statutory predicates
3 for such a finding are set forth in the California Corporations Code, §§ 5914 *et seq.*, and the
4 California Code of Regulations, title 11, § 999.5. The Debtors have standing to challenge the 2019
5 Conditions because the Debtors’ allegations of lost business opportunity and corresponding
6 economic harm related to the SGM Sale constitute an injury in fact. *See Prime Healthcare*
7 *Services, Inc. v. Harris*, 216 F. Supp. 3d 1096, (S.D. Cal. 2016) (citing *Wedges/Ledges of Cal., Inc.*
8 *v. City of Phoenix, Ariz.*, 24 F.3d 56, 60 (9th Cir. 1994)) (finding standing where plaintiff alleged
9 that “the financially unviable conditions [the attorney general] imposed on the [Daughters of
10 Charity Health System] transaction forced it to abandon its \$843 million bid to acquire” the
11 hospital); *see also Vill. Of Arlington Heights v. Metro. Hous. Dev. Corp.*, 429 U.S. 252, 261-63
12 (1977) (concluding that a nonprofit developer had standing to challenge the denial of its petition for
13 rezoning and seek injunctive and declaratory relief, despite the fact that its land-purchase contract
14 was contingent upon securing rezoning).

15 III.

16 FACTUAL BACKGROUND

17 A. General Background

18 1. On August 31, 2018 (the “Petition Date”), the Debtors each filed a voluntary
19 petition for relief under chapter 11 of the Bankruptcy Code. Since the commencement of their
20 Cases, the Debtors have been operating their businesses as debtors in possession pursuant to
21 §§ 1107 and 1108.

22 2. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate
23 member of five Debtor California nonprofit public benefit corporations that operated O’Connor
24 Hospital (“OCH”) and Saint Louise Regional Hospital (“SLRH”), and currently operates St.
25 Francis Medical Center (“SFMC”), St. Vincent Medical Center (“SVMC”), and Seton Medical
26 Center, including Seton Medical Center Coastside Campus (collectively, “Seton” and, together
27 with OCH, SLRH, SFMC, and SVMC, the “Verity Hospitals”).
28

3. As of the Petition Date, VHS, the Verity Hospitals, and their affiliated entities (collectively, “Verity Health System”) operated as a nonprofit health care system, with approximately 1,680 inpatient beds, six active emergency rooms, a trauma center, eleven medical office buildings, and a host of medical specialties, including tertiary and quaternary care. *See* First-Day Decl., at 4, ¶ 12. The scope of the services provided by the Verity Health System is exemplified by the fact that in 2017, the Verity Hospitals provided medical services to over 50,000 inpatients and approximately 480,000 outpatients. *Id.*, at 4, ¶ 12.

4. Additional background facts on the Debtors, including an overview of the Debtors’ business, information on the Debtors’ capital structure and additional events leading up to these chapter 11 Cases, are set forth in the First-Day Declaration.

5. On September 14, 2018, the Office of the United States Trustee appointed the Committee [Docket No. 197].

B. The Daughters of Charity and the 2015 Conditions

6. The Verity Hospitals were originally owned and operated by the Daughters of Charity of St. Vincent de Paul, Province of the West (the “Daughters of Charity”), to support the mission of the Catholic Church through a commitment to the sick and poor. The Daughters of Charity began their healthcare mission in California in 1858 with the opening of Los Angeles Infirmary, now known as SVMC. The Daughters of Charity expanded its hospitals to San Jose in 1889 and San Francisco in 1893. The Daughters of Charity ministered to ill, poverty-stricken individuals for more than 150 years.

7. In June 2001, the Daughters of Charity Health System (“DCHS”) was formed. In 2002, DCHS commenced operations and was the sole corporate member of the Verity Hospitals, which at that time were California nonprofit religious corporations.

8. Between 1995 and 2015, the Verity Hospitals incurred substantial operating losses. During that time period, Daughters of Charity and DCHS attempted to find a solution which would resolve the operating losses, either through a sale of some or all of the Verity Hospitals, or a merger with a more financially sound partner. In 2013, DCHS unsuccessfully solicited purchase offers for OCH, SLRH, and Seton.

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

1 9. Throughout 2014, DCHS explored offers to sell the system and, in October of 2014,
2 entered into an agreement with Prime Healthcare Services and Prime Healthcare Foundation
3 (collectively, “Prime”) to sell the health system. A condition of such sale was approval by the
4 Attorney General.

5 10. In early 2015, the Attorney General consented to the sale to Prime, but subject to
6 certain conditions, which, in Prime’s view, were so onerous that it could not proceed with the
7 transaction. Accordingly, Prime terminated the transaction. The history of this failed transaction
8 and the process for Attorney General review is more fully set forth in *Prime Healthcare Services,*
9 *Inc., et al. v. Harris*, 216 F. Supp. 3d 1096, 1101-06 (S.D. Cal. 2016).

10 11. In 2015, DCHS again marketed the health system for sale, and, again, focused on
11 offers that maintained the system as a whole, including the assumption of all existing obligations.
12 In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC
13 (“BlueMountain”), a private investment firm, to recapitalize its operations and transition leadership
14 of the health system to the new Verity Health System (the “BlueMountain Transaction”).

15 12. In connection with the BlueMountain Transaction, the DCHS and its sole member,
16 Daughters of Charity Ministry Services Corporation, certain funds managed by BlueMountain and
17 Integrity Healthcare, LLC (a management company was formed to manage VHS for BlueMountain
18 under a new management agreement) entered into a System Restructuring and Support Agreement
19 (the “Restructuring Agreement”). Under the Restructuring Agreement, VHS and the Verity
20 Hospitals were converted from religious corporations to public benefit corporations. BlueMountain
21 agreed to make a capital infusion of \$100 million, arrange loans for another \$160 million to the
22 system, and manage operations, with an option to buy the health system at a future time. DCHS’
23 name was changed to Verity Health System.

24 13. On December 3, 2015, the Attorney General approved the BlueMountain
25 Transaction, subject to the 2015 Conditions. The 2015 Conditions were imposed for periods
26 ranging from 5 to 15 years. Generally, the terms of the 2015 Conditions included (i) transfers of
27 control, (ii) maintenance of health services, (iii) required participation in Medicare and Medi-Cal
28 programs, (iv) community benefit programs, (v) charity care levels, (vi) county contracts, (vii) local

1 governing boards, (viii) medical staff compliance, (ix) assumption of hundreds of millions of
2 dollars of pension obligations, and (x) annual attestation of compliance.

3 14. In the 2015 Conditions, VHS was expressly required to make capital expenditures of
4 at least \$180 million over 5 years, and to meet accelerated time lines for making the Verity
5 Hospitals seismic compliant. Each hospital had specific requirements as to services that had to be
6 maintained or even expanded. For example, SVMC was required to maintain an emergency room
7 with eight stations, including six fast track stations, 19 acute rehab beds, and 30 ICU beds, among
8 other things. It was also required to provide \$400,000 of charity care annually and provide
9 community benefit programs of at least \$1 million annually. SVMC was required to maintain
10 Medi-Cal contracts with LA Care Health Plan and various commercial plan contracts. All of the
11 Verity Hospitals had similar obligations imposed.

12 15. Despite BlueMountain's infusion of cash and retention of various consultants and
13 experts to assist in improving cash flow and operations, the health system continued to incur losses.
14 It soon became apparent that the problems facing the Verity Health System were too large to solve
15 without a formal court supervised restructuring.

16 **C. The Bankruptcy Cases**

17 16. The Debtors commenced these Cases to protect the original legacy of the Daughters
18 of Charity to the maximum extent possible by retiring debt incurred over the past 18 years and
19 selling the hospital facilities to enable the continued operation of the Verity Hospitals under new
20 ownership and leadership free from the historical losses and operational uncertainties. The
21 Debtors' strategy contemplated a Court-supervised sale of some or all of the Verity Hospitals, and
22 related facilities, and a comprehensive resolution of the Debtors' financial obligations through a
23 court approved plan of reorganization.

24 17. In June 2018, the Debtors engaged Cain Brothers, a division of KeyBanc Capital
25 Markets ("Cain"), to identify potential buyers of some or all of the Verity Hospitals and related
26 assets and commenced discussions with those potential buyers. Cain prepared a Confidential
27 Investment Memorandum, organized an online data site to share information with potential buyers
28 and contacted over 181 strategic and financial buyers beginning in July 2018 to solicit their interest

1 in exploring a transaction regarding the Verity Hospitals. As a result of its broad marketing
2 process, Cain received sixteen indications of interest, or other proposals, and continued to develop
3 potential sales of some or all of the Verity Hospitals.

4 18. At the commencement of the cases, the Debtors obtained court approval for a debtor
5 in possession financing facility with up to \$185 million of availability from Ally Bank subject to a
6 borrowing base (the “DIP Facility”). The DIP Facility was secured by substantially all of the
7 Debtors’ assets and also provides for super priority administrative priority status for all obligations
8 under the facility. The DIP financing enabled Debtors to operate the Verity Hospitals while they
9 continued their efforts to find a purchaser for their assets and to reach agreements with key
10 constituents. As discussed below, the Debtors have repaid their DIP financing obligations and are
11 funding operations through the consensual use of cash collateral.

12 **D. The SCC Sale**

13 19. On December 27, 2018, the Bankruptcy Court entered the *Order (A) Authorizing the*
14 *Sale of Certain of the Debtors’ Assets to Santa Clara County Free and Clear of Liens, Claims,*
15 *Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an*
16 *Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving a
17 sale of OCH, SLRH, and related assets, to Santa Clara County (the “SCC Sale”).

18 20. The SCC Sale closed on February 28, 2019. After payment of certain cure costs,
19 closing costs and other items, the net remaining proceeds were approximately \$184.38 million,
20 which are held in four sale proceeds account. An additional \$23.35 million is held in escrow (the
21 “Post-Closing Escrow”) by First American Title Insurance Company, the escrow agent. The Post-
22 Closing Escrow was established pursuant to the terms of the SCC APA, as security for the Debtors’
23 post-closing obligations and expires in February 2020.

24 21. The Attorney General vigorously opposed the SCC Sale, insisting that either the
25 2015 Conditions applied to SCC or that the SCC Sale was subject to his review. This Court
26 rejected both arguments, and overruled his objections. *See* Docket Nos. 1146, 1153. The Attorney
27 General appealed, but voluntarily dismissed the appeal after the Debtors filed a motion to dismiss
28

as moot pursuant to § 363(m). See Case No. 2:19-cv-00133-DMG, Docket No. 40, 41 (C.D. Cal. Feb. 1, 2019).

E. The SGM Sale

22. On January 17, 2019, the Debtors filed the Debtors' *Notice Of Motion And Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and For Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* (the "Sale and Bidding Procedures Motion") [Docket No. 1279].

23. On February 19, 2019, the Court held a hearing on the Sale and Bidding Procedures Motion and thereafter entered an order approving the Sale and Bidding Procedures Motion (the "Bidding Procedures Order") [Docket No. 1572]. SGM served as the Stalking Horse Bidder under the terms of the Bidding Procedures Order. The Bidding Procedures Order also approved the SGM APA as modified therein.

24. There were two "Qualified Bidders" (as defined in the Bidding Procedures Order) for partial bids for different Hospitals (one for SVMC and one for SFMC) and no Qualified Full Bid. After consultation with the Consultation Parties as defined in the Bidding Procedures Order, the Debtors determined to not conduct either a Partial Bid or Full Bid auction, as set forth in the *Notice That No Auction Shall Be Held Re Debtors' Motion and Motion for the Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to Be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens*

1 and Encumbrances [Docket No. 2053] (the “No-Auction Notice”) filed by the Debtors on April 4,
2 2019.

3 25. Accordingly, under the terms of the SGM APA and the Bidding Procedures Order,
4 no auction was held and the Debtors declared SGM as the “winning bidder” of the Hospitals. No-
5 Auction Notice at 2.

6 26. On May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing The Sale*
7 *Of Certain Of The Debtors' Assets To Strategic Global Management, Inc. free And Clear Of Liens,*
8 *Claims, Encumbrances, And Other Interests; (B) Approving The Assumption And Assignment Of*
9 *An Unexpired Lease Related Thereto; And (C) Granting Related Relief* [Docket No. 2306] (the
10 “Sale Order”), approving the SGM Sale. The closing of the SGM Sale is subject to review by the
11 Attorney General and satisfaction of certain other closing conditions. The Debtors expect the SGM
12 Sale to close in the fourth quarter of 2019.

13 27. SGM has agreed to continue to operate the Hospitals and abide by the vast majority
14 of the 2015 Conditions, as set forth in Schedule 8.6 to the SGM APA.

15 28. Section 8.6 of the SGM APA is titled: “Attorney General Provisions.” It provides
16 the following:

17 Purchaser recognizes that the transactions contemplated by this
18 Agreement may be subject to review and approval of the CA AG.
19 Purchaser agrees to close the transactions contemplated by this
20 Agreement so long as any conditions imposed by the CA AG are
21 substantially consistent with the conditions set forth, as Purchaser
22 Approved Conditions, in Schedule 8.6. In the event the CA AG
23 imposes conditions on the transactions contemplated by this
24 Agreement, or on Purchaser in connection therewith, which are
25 materially different than the Purchaser Approved Conditions set
26 forth on Schedule 8.6 (the “Additional Conditions”), Sellers shall
27 have the opportunity to file a motion with the Bankruptcy Court
28 seeking the entry of an order (“Supplemental Sale Order”) finding
that the Additional Conditions are an “interest in property” for
purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free
and clear of the Additional Conditions without the imposition of any
other conditions, which would adversely affect the Purchaser. For
purposes of this Section 8.6, Additional Conditions which
individually or collectively impose a direct or indirect cost to
Purchaser of \$5 million, or more, shall be conclusively deemed to be
“materially different.” If Sellers determine not to seek such

Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than \$500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein, shall constitute a waiver

1 of any party in interest's right to argue that any appeal from the Sale
2 Order should be dismissed on statutory, Constitutional or equitable
mootness grounds."

4 **SGM Sale**

5 29. As discussed above, SGM and third parties have expended tremendous efforts to
6 prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken
7 a significant amount of time and resources and simply cannot be undone. By way of example: (i)
8 the Debtors sent "WARN notices" to approximately 4,900 employees, pursuant to the federal
9 Worker Adjustment and Retraining Notification Act of 1988; (ii) thousands of counterparties to
10 executory contracts and unexpired leases, including physicians, have relied on the Sale Order and
11 continued to provide services in reliance on the finality of that Sale Order; (iii) the Debtors and
12 SGM have spent months facilitating an efficient close of the sale, with approximately 20 different
13 workstreams, meeting at least weekly to ensure a smooth transition of operations; (iv) government
14 agency personnel, including the California Department of Public Health and the Board of
15 Pharmacy, have been diligently processing SGM's change of ownership applications for licenses
16 and permits in reliance on the finality of the Sale Order; (v) the Debtors, SGM, and each of the
17 Debtors' six unions spent months successfully negotiating and finalizing modified collective
18 bargaining agreements; (vi) the medical groups affiliated with the Debtors have sent termination
19 notices to their remaining physicians; (vii) the Debtors and SGM have coordinated changes in
20 insurance coverages and insurance policies to ensure seamless coverage for employees and
21 patients, and (viii) the Debtors have created plans to shut off certain services after the close of the
22 SGM Sale. *See* Adcock Decl. ¶ 7.

23 **G. The Debtors' Cash Collateral Agreement**

24 30. On September 6, 2019, the Court entered the *Final Order (A) Authorizing Continued*

26 *Granting Related Relief* [Docket No. 3022] (the "Supplemental Cash Collateral Order") granting

1 use of cash collateral pursuant to an agreement with certain of its secured lenders (the “Cash
2 Collateral Agreement”). Pursuant to the Cash Collateral Agreement, the Debtors are obligated to
3 meet certain milestones, including plan confirmation by December 15, 2019 and a plan effective
4 date on or before December 31, 2019. *See* Supp. Cash Collateral Mot. at 24. Further, termination
5 of the SGM APA would result in an event of default under the Cash Collateral Agreement. *See id.*
6 In each case, the success of the SGM Sale bears directly on the Debtors’ ability to fund operations
7 and timely meet its plan confirmation milestones.

8 **H. The Debtors’ Plan and Confirmation Timeline**

9 31. On September 3, 2019, the Debtors filed the *Debtors’ Chapter 11 Plan of*
10 *Liquidation (Dated September 3, 2019* [Docket No. 2993] (the “Plan”) and their related disclosure
11 statement [Docket No. 2994] (the “Disclosure Statement”). As more fully described in the
12 Disclosure Statement and below, the Debtors’ Plan provides for deemed consolidation of the
13 Debtors for purposes of implementation of the Plan and the distribution of the proceeds of the two
14 sale transactions in accordance with the Bankruptcy Code’s distribution and classification
15 provisions. Such treatment is supported by the facts of these cases and applicable law.

16 **I. The Attorney General Review Process**

17 32. For years, the Debtors engaged in dialogue with the Attorney General about the
18 Debtors’ financial challenges and the future of the Hospitals, including, for example, a July 2018
19 meeting in anticipation of the Debtors’ bankruptcy filings conducted by the Debtors’
20 representatives and Deputy Attorney General Wendi Horwitz. *See* Levy-Biehl Decl. ¶ 3.

21 33. On February 15, 2019, the Debtors’ representatives met with Attorney General
22 Xavier Becerra and Melanie Fontes Rainer, Special Assistant Attorney General, in Sacramento to
23 discuss the pending SCC Sale and the forthcoming auction and sale of the Hospitals. *See* Levy-
24 Biehl Decl. ¶ 5.

25 34. Beginning in early April 2019, the Debtors’ special healthcare regulatory counsel,
26 Nelson Hardiman LLP, engaged with Deputy Attorney General Scott Chan in anticipation of
27 submitting a notice and requesting approval of the SGM Sale. These discussions and exchanges
28 were regular and ongoing, and addressed, among other things, the substantive and procedural

1 requirements for the submission and review as well as the review timeline. At all times, the
2 Debtors consistently requested an expedited review of the submission in light of their significant
3 operating losses and cash flow challenges. *See* Levy-Biehl Decl. ¶ 7.

4 35. By letter dated May 7, 2019, the Debtors provided notice to, and requested written
5 consent from, the Attorney General for the proposed SGM Sale pursuant to California Corporations
6 Code § 5914 and title 11 of the California Code of Regulations, § 999.5. *See* Levy-Biehl Decl. ¶¶
7 7, 8. On May 13, 2019, the Debtors supplemented their submission to the Attorney General, by
8 including the filing made to the Federal Trade Commission pursuant to the Hart-Scott-Rodino
9 Antitrust Improvements Act of 1976, as amended. *See* Levy-Biehl Decl. ¶ 9.

10 36. As outlined in the submission to the Attorney General—and discussed a number of
11 times in writing, in person, and by email with various representatives of the Attorney General—the
12 SGM Sale is critical. *Id.* at 8. The Debtors explained to the Attorney General that the SGM Sale is
13 the only option to ensure that the Hospitals will survive their current financial challenges and be
14 preserved as providers of essential health care services to their communities. *Id.*; *see also* *Notice of*
15 *Submission of Debtors' Response to the Health Care Impact Statements and Conditions Proposed*
16 *by JD Healthcare, Inc.* [Docket No. 2946].

17 37. The Debtors also explained to the Attorney General that (i) the 2015 Conditions
18 accelerated the demise of the Verity Hospitals to the point that that only a Court supervised
19 restructuring could save them, and (ii) conditions materially different than those in Schedule 8.6
20 would ensure closure of the Hospitals. *See* Adcock Decl. ¶ 15; *see also* *Notice of Submission of*
21 *Debtors' Response to the Health Care Impact Statements and Conditions Proposed by JD*
22 *Healthcare, Inc.* [Docket No. 2946].

23 38. Throughout the process, the Debtors' representatives engaged in ongoing
24 discussions with the Attorney General's office, and requested, among other things, an in-person
25 meeting to review the submission, the transaction, and the expedited processing of the submission.
26 *See* Levy-Biehl Decl. ¶ 10. The Attorney General denied these requests. *Id.*

27 39. The Attorney General's expert, JD Healthcare, conducted interviews with the
28 Debtors' corporate and hospital personnel and other stakeholders in July 2019. *See* Levy-Biehl

Decl. ¶ 11. On August 16, 2019, following these interviews and public hearings, JD Healthcare released its Health Care Impact Statements on the proposed sale of SFMC and SVMC. *Id.* On August 19, 2019, JD Healthcare released its Health Care Impact Statement for Seton. *Id.* The Health Care Impact Statements set forth the expert's proposed conditions on the SGM Sale.

40. On August 16, 2019, the Attorney General requested that the Debtors and SGM submit responses to the proposed conditions detailing the conditions that were "deal breakers" to the SGM Sale. On August 21, 2019, SGM submitted its response to the Health Care Impact Statements. On August 23, 2019, the Debtors submitted their response. *See* correspondence attached hereto as Exhibit "E."

41. During the week of August 26, 2019, Deputy Attorney General Scott Chan held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. *See* Adcock Decl. ¶ 12. At each public meeting, representatives of SGM and the Debtors made public statements detailing the economic impact of the conditions proposed by JD Healthcare and the economic situation confronting each Hospital; urging the Attorney General to consider economic factors when issuing his conditions; and reiterating that any conditions exceeding those in Schedule 8.6 of the SGM APA could result in the termination of the SGM Sale and the closure of the Hospitals. *Id.*; *see also* Levy-Biehl Decl. ¶ 13.

42. On September 6, 2019, the Attorney General's office met with SGM representatives to discuss the proposed SGM Sale and the proposed conditions. *See* Levy-Biehl Decl. ¶ 14. On September 19, 2019, the Attorney General's office met with representatives of SGM and the Debtors for the same purpose. *Id.* On September 23, 2019, the Attorney General conducted another telephonic meeting with SGM and the Debtors. During each meeting, SGM consistently informed the Attorney General's office that SGM would not proceed with the transaction if the Attorney General imposed conditions beyond those SGM agreed to accept in Schedule 8.6. *Id.*

J. The 2019 Attorney General Conditions

43. On September 25, 2019, the Attorney General conditionally consented to the SGM Sale. The Attorney General's conditional consent is subject to the 2019 Conditions. *See* Exhibit "B." The 2019 Conditions include numerous Additional Conditions that are materially different

1 than those SGM contractually agreed to in Schedule 8.6. *See* Exhibit “C,” which is a redline
2 reflecting the deletion of the conditions in the 2019 Conditions that are materially different than the
3 conditions in Schedule 8.6; *see also* Baronoff, Decl. ¶ 7.

4 44. The 2019 Conditions require, among other things, that SGM continue to operate the
5 Hospitals and maintain various services, clinics and contractual arrangements for a period of time
6 greater than the period of time that Debtors would have been obligated under the 2015 Conditions
7 if the Debtors had the ability to continue to operate the Hospitals. *See* Adcock, Decl. ¶ 9. The
8 2019 Conditions are also materially different than those to which SGM agreed in Schedule 8.6
9 because the Additional Conditions impose, among other things, greater requirements for charity
10 care expenditures, community benefit expenditures, capital expenditures, and do not account for the
11 substantial shift in charity care needs following the implementation of the Affordable Care Act.
12 *Id.*; *see also* Exhibit “C.”

13 45. Importantly, SGM only agreed to close the SGM Sale if the conditions imposed by
14 the Attorney General’s office were not “materially different” than the conditions SGM agreed to in
15 Section 8.6. *See* APA, Section 8.6, at 32, 33, Docket No. 2305-1; *see also* *See* Baronoff, Decl. ¶ 5.
16 Additionally, SGM has repeatedly told the Debtors that multiple lenders have informed SGM that
17 they would not agree to finance the SGM Sale if the conditions were not consistent with Schedule
18 8.6, which makes the SGM Sale nearly impossible to close. *See* Adcock, Decl. ¶ 16.

19 46. To avoid the impact of the Additional Conditions on the SGM Sale, the Debtors
20 must seek an order enforcing the Sale Order, finding that the SGM Sale is free and clear of the
21 2019 Conditions, and limiting the SGM Sale to only those conditions to which SGM contractually
22 agreed to assumed in Schedule 8.6 of the SGM APA.

23 **K. The Economic Impact of the Additional Conditions**

24 47. The Additional Conditions have a significant impact on the economic viability of
25 the Hospitals and effectively increase, by more than 50%, the purchase price in the SGM APA. By
26 way of example only, the 2019 Conditions would require SVMC to remain operated and
27 maintained as a licensed general acute care hospital (as defined in California Health and Safety
28 Code Section 1250) through December 2024, whereas Schedule 8.6 provides that SVMC will do so

DENTONS US LLP
 601 SOUTH FIGUEROA STREET, SUITE 2500
 LOS ANGELES, CALIFORNIA 90017-5704
 (213) 623-9300

1 through December 2020. The reported Financial Statements of SVMC reflect that, in fiscal year
 2 2019 (ended June 30, 2019), SVMC lost approximately \$65 million which was an 18% and 103%
 3 increase over the fiscal years 2018 and 2017, respectively. *See* Chadwick Decl., at ¶ 6. Assuming
 4 operating losses at SVMC can be maintained at fiscal 2019 levels (a highly optimistic assumption),
 5 SGM would likely incur additional estimated losses totaling \$260 million through December 2024
 6 because of the Additional Conditions. *Id.* Moreover, the \$260 million loss would likely need to be
 7 financed. *Id.* Using an average interest rate of 5% for four years of debt service would result in
 8 estimated incremental financing charges totaling approximately \$25 million. *Id.* Accordingly, this
 9 2019 Condition alone would place a potential burden on the buyer of at least \$285 million beyond
 10 that contemplated in Section 8.6.

11 48. The Charity Care requirement presents another example of the significant economic
 12 impact of the 2019 Conditions when compared with Schedule 8.6. The 2019 Conditions require
 13 that SGM to provide an annual amount of Charity Care at St. Francis equal to or greater than
 14 \$12,793,435 for a period of six fiscal years, which is at least \$4,793,435, per year more than SGM
 15 has agreed to provide, pursuant to Section 8.6 for a period of seven years.² *See* Chadwick Decl. ¶
 16 7; *see also* 2019 Conditions, Exhibit “B.” After adjusting for the one-year shorter required duration
 17 of this 2019 Condition, the estimated incremental cost to the buyer would be nearly \$20 million in
 18 total over the six years. *See* Chadwick Decl. ¶ 7. The 2019 Conditions provide for additional
 19 increases in Charity Care amounts for St. Vincent and Seton, as well as increases across all four
 20 Hospitals in Community Benefit Service amounts. *Id.*

21 49. In summary, the total financial impact of just the these two examples of 2019
 22 Conditions would require SGM to incur additional losses of approximately \$305 million beyond
 23 those contemplated by Schedule 8.6. *See* Chadwick Decl. ¶¶ 8, 9. When compared to the SGM
 24 APA purchase price of \$610 million, these represent a 50% increase in the price for the sale of
 25

26
 27 ² The Charity Care Condition imposed by the Attorney General is also \$6.4 million dollars *more*
 28 than SFMC provided in Fiscal Year 2019. Thus, the Attorney General is actually requiring an
 increase in charity care being provided by SFMC.

1 these distressed assets. *Id.* The magnitude of these losses calls into question the viability of the
2 acquisition.

3 50. The imposition of the Additional Conditions would result in the termination of the
4 SGM Sale, unless the Debtors obtain the supplemental order required in Section 8.6 of the APA.
5 *See* Baronoff, Decl. ¶ 7. If the SGM Sale does not close, the most likely outcome is that at least
6 three of the Hospitals will have to close. *See* Adcock, Decl. ¶ 9. Altogether, between July 1, 2018
7 and June 30, 2019, the Hospitals had more than 34,000 inpatient admissions and 312,000 outpatient
8 visits. *Id.* If the Hospitals are closed, all of those patients would be forced to find alternative
9 providers for treatment, perhaps at greater distances than they are now required to travel for
10 treatment at the Hospitals. For example, Seton Coastsides is the only emergency room facility on
11 the Pacific Coast between Daly City and Santa Cruz. *Id.* Additionally, Seton Coastsides has 116
12 skilled nursing facility (“SNF”) beds and, if Seton Coastsides were closed, those residents would be
13 forced to be relocated significant distances to find alternative facilities. *Id.* The risk of negative
14 outcomes for emergency room patients increases as the distance, and therefore the time, required to
15 obtain treatment, increases. In addition to the difficulty in finding alternative facilities for the SNF
16 patients, the impact of transfer trauma on this population could be significant. *Id.*

17 IV.

18 ARGUMENT

19 A. THE SALE ORDER EFFECTUATED A SALE OF THE DEBTORS’ ASSETS FREE 20 AND CLEAR OF THE ADDITIONAL CONDITIONS

21 1. Section 363 Authorizes the Court to Sell the Debtors’ Assets Free and Clear of 22 Interests

23 The Court authorized the Debtors to sell assets to SGM pursuant to §§ 363(b) and (f).
24 Section 363(b)(1) provides that the Debtors “may use, sell, or lease, other than in the ordinary
25 course of business, property of the estate.” 11 U.S.C. § 363(b)(1). The Bankruptcy Code provides
26 that a sale pursuant to § 363(b)(1) must satisfy one of five alternative tests to be “free and clear of
any interest in such property of an entity other than the estate”:

- 27 (1) applicable nonbankruptcy law permits sale of such property free
and clear of such interest;
- 28 (2) such entity consents;

- (3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
- (4) such interest is in bona fide dispute; or
- (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f).

Here, the Sale Order expressly provides that the SGM Sale was approved “free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights and any successor or successor-in-interest liability theories” pursuant to §§ 363(b) and (f). *See* Sale Order, ¶ G at 7. On this basis, and as set forth more fully below, the Sale Order effectuated the SGM Sale free and clear of the Additional Conditions.

2. The Additional Conditions Constitute an Interest in Property Subject to the “Free and Clear” Language in Section 363

a. Case Law Makes Clear That The Debtors Can Sell Their Hospitals Free And Clear Of “Interest In Property.”

The Bankruptcy Code does not define “interest in property” as that term is used in § 363(f). *See, e.g., Precision Indus., Inc. v. Qualitech Steel SBQ, LLC*, 327 F.3d 537, 545 (7th Cir. 2003) (“The Bankruptcy Code does not define ‘any interest,’ and in the course of applying section 363(f) to a wide variety of rights and obligations related to estate property, courts have been unable to formulate a precise definition.”). The majority of courts interpret the phrase “interest in property” broadly to include both *in rem* interests in property as well as “other obligations that may flow from ownership of the property.” *Folger Adam Sec., Inc. v. DeMatteis v. MacGregor JV*, 209 F.3d 252, 258 (3d Cir. 2000); *see also In re Leckie Smokeless Coal Co.*, 99 F.3d 573, 582 (4th Cir. 1996) (“Congress did not expressly indicate that . . . it intended to limit the scope of section 363(f) to *in rem* interests, strictly defined, and we decline to adopt such a restricted reading of the statute here.”).

The majority of courts have coalesced around a single approach: interests in property are obligations connected to or arising from the property being sold. *See, e.g., In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003) (finding that “interests in property [are] within the

1 meaning of section 363(f) in the sense that they *arise from the property being sold*”) (emphasis
2 added); *Leckie Smokeless Coal Co.*, 99 F.3d at 582 (finding that certain claims constituted
3 “interests in . . . assets within the meaning of section 363(f)” where there was “a relationship
4 between (1) the Fund’s and Plan’s rights to demand premium payments from Appellees and (2) the
5 *use to which Appellees put their assets*”) (emphasis added); *Folger Adam Sec., Inc.*, 209 F.3d at
6 259 (“‘[A]ny interest’ is intended to refer to *obligations that are connected to, or arise from, the*
7 *property being sold.*”) (emphasis added); *Indiana State Police Pension Trust v. Chrysler LLC (In re*
8 *Chrysler LLC)*, 576 F.3d 108, 124 (2d Cir. 2009), *granting cert. and vacating as moot*, 558 U.S.
9 1087 (2009) (“We agree with *TWA* and *Leckie* that the term any interest in property encompasses
10 those *claims that arise from the property being sold.*”) (emphasis added) (quotations omitted);
11 *Precision Indus., Inc.*, 327 F.3d at 545 (“the term ‘any interest’ as used in section 363(f) is
12 sufficiently broad to include Precision’s possessory interest as a lessee”); *Myers v. U.S.*, 297 B.R.
13 774, 781 (S.D. Cal. 2003) (“The court finds that Plaintiff’s claim for personal injury does *arise*
14 *from the property being sold*, i.e. the contracts to transport toxic materials.”) (emphasis added); *In*
15 *re Grumman Olson Indus., Inc.*, 467 B.R. 694, 702 (S.D.N.Y. 2012) (“[I]t is now generally
16 agreed—including in this Circuit—that this provision may more broadly extinguish claims that
17 ‘arise from the property being sold.’”).³

18 The Fourth Circuit decision in *Leckie Smokeless Coal Co.* is instructive. In *Leckie*, the
19 debtors—coal mine operators—were obligated to contribute to retiree benefit plans pursuant to the

21 ³ The breadth of case law supporting this construction cannot be understated. *See also In re La*

1 Coal Industry Retiree Health Benefit Act of 1992, 26 U.S.C. §§ 9701-9722 (the “Coal Act”). *See*
2 *Leckie Smokeless Coal Co.*, 99 F.3d at 575-76. Under the Coal Act, the successor to an operator
3 was jointly and severally liable with the operator for payment of premiums. *See id.* at 576-77.
4 Following the debtors’ bankruptcy filing, the benefit plans opposed a proposed asset sale free and
5 clear of successor liability for Coal Act premium payment obligations. *See id.* at 577. The
6 bankruptcy court approved the sale free and clear, and, on appeal, the Fourth Circuit affirmed,
7 concluding that the right to collect future premiums constituted interests in the assets transferred by
8 the sale. *See id.* at 582. The Fourth Circuit explained that the benefit plans’ right to collect
9 premiums under the Coal Act

10 are grounded, at least in part, in the fact that those very assets have
11 been employed for coal-mining purposes: if Appellees had never
12 elected to put their assets to use in the coal-mining industry, and had
13 taken up business in an altogether different area, the Plan and Fund
14 would have no right to seek premium payments from them. Because
15 there is therefore a relationship between (1) the Fund’s and Plan’s
rights to demand premium payments from Appellees and (2) the use
to which Appellees put their assets, we find that the Fund and Plan
have interests in those assets within the meaning of section 363(f).

16 *Id.* The relationship drawn by the Fourth Circuit between the prepetition obligation and the
17 purchaser’s use of assets for the same purposes as the debtor is cited repeatedly in cases finding
18 that regulatory obligations are interests subject to § 363(f).

19 Similarly, a debtor’s experience rating—the historic metric by which state regulators
20 determine tax or insurance rates—may not be imputed to a purchaser of the debtor’s assets. *See,*
21 *e.g., In re Old Carco, LLC*, 538 B.R. 674 (Bankr. S.D.N.Y. 2015).⁴ In *Old Carco, LLC*, the
22 purchaser of substantially all of the debtor’s assets sought an order finding that the sale order

1 purchaser's unemployment insurance tax rate. *See* 538 B.R. at 677. The state statutes in issue
2 authorized regulators to compute tax rates "based, in part, on the employer's historical claims
3 paying experience, generally reaching back three years." *Id.* at 679. Thus, the purchaser's tax rate
4 was subject to increase based on the amount of benefits paid to workers discharged during the
5 debtor's operations. *See id.* at 679-80. The bankruptcy court concluded that the experience rating
6 constituted an interest in the assets sold because

7 [t]he States' rights to use Old Chrysler's Experience Rating arises
8 from New Chrysler's acquisition of its assets and the continuation of
9 its business. Had New Chrysler started the same business from
10 scratch with new assets, the States could not use Old Chrysler's
11 Experience Rating to compute its tax rate. Furthermore, New
Chrysler's increased liability is directly related to Old Chrysler's
discharge of persons it employed in its business; these discharged
employees never worked for New Chrysler.

12 *Id.* at 684-85. Significantly, this "continuation of business" test is repeated throughout cases
13 addressing interests in property. *See, e.g., Trans World Airlines, Inc.*, 322 F.3d at 290 ("Had TWA
14 not invested in airline assets, which required the employment of the EEOC claimants, those
15 successor liability claims would not have arisen."); *PBBPC, Inc.*, 484 B.R. at 869 ("the record

21 **b. The Additional Conditions Are An Interest In Property For At Least**
22 **Three Reasons.**

23 Applying the same analysis, it is clear that the 2019 Conditions are interests in property
24 within the meaning of § 363(f) for at least three reasons. Before discussing these reasons, the
25 Debtors reiterate that their argument only focuses on the Additional Conditions since SGM
26 contractually agreed to be bound by the conditions in Schedule 8.6.

27 **First**, as this Court has recognized, the Additional Conditions the Attorney General seeks to
28 impose on SGM are premised on the Debtors' operations. Specifically,

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704

[t]he Conditions provide that any owner of the Hospital must furnish specified levels of emergency services, intensive care services, cardiac services, and various other services. The required service levels were derived ***based upon the historical experience of the prior operator.***

In re Verity Health Sys. of Cal., Inc., 598 B.R. 283, 293 (Bankr. C.D. Cal. 2018) (Robles, J.) (emphasis added). Thus, for example, the Additional Conditions’ purported imposition of “charitable care obligations are connected to and arise from the Assets being sold . . . [because] [h]ad the Assets not originally been earmarked for charitable purposes, the Attorney General could not seek to impose continuing charitable care obligation.” *In re Gardens Reg’l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 826 (Bankr. C.D. Cal. 2017) (Robles, J.), *appeal dismissed*, No. 17-03708, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018). The Additional Conditions constitute an interest in property to the extent they are premised or calculated based on the historical operations of the Debtors.

Second, the Attorney General’s statutory authority to impose the Additional Conditions arises from the Debtors’ operation of its assets as nonprofit acute care hospitals. The California statutory scheme grants the Attorney General authority to consent to the sale of a nonprofit health facility to a for-profit corporation. *See* CAL. CORP. CODE § 5914(a)(1)(A) (providing that a nonprofit corporation operating or controlling a health facility must obtain the consent of the Attorney General before entering into a transaction to “[s]ell, transfer, lease, exchange, option, convey, or otherwise dispose of, its assets to a for-profit corporation”); *see also id.* § 5917 (authorizing the Attorney General to condition any transaction described in CAL. CORP. CODE § 5914). The California statute ***does not*** allow the Attorney General to impose similar conditions on SGM—a for-profit entity—had it “started the same business from scratch with new assets.” *Old Carco*, 538 B.R. at 684. As with the experience rating cases, it is the Debtors’ “prior ownership and use” of the assets transferred by the SGM Sale that gives the Attorney General “a contingent right” to impose conditions on the Debtors under California law. *USA United Fleet, Inc.*, 496 B.R. at 87. Accordingly, the Additional Conditions constitute interests in property because they arise from the Debtors’ prior ownership and use of the assets as nonprofit acute care hospitals.

(213) 623-9300

1 *Third*, the Attorney General’s authority to review the transaction arises from SGM’s
2 continuation of the Debtors’ business as a health facility. *See* CAL. CORP. CODE § 5914(a)(1)
3 (applying only to a sale of the assets of a nonprofit corporation that “operates or controls a health
4 facility”). Under California law, the Debtors’ assets subject to the SGM Sale qualify as health
5 facilities to the extent they are operating general acute care hospitals. *See* CAL. HEALTH & SAFETY
6 CODE § 1250(a). By way of example, in *Gardens Regional Hospital and Medical Center, Inc.*, this
7 Court found that a sale of closed general acute care hospitals did not fall within the ambit of the
8 Attorney General’s regulatory authority because “the Assets being sold do not include an operating
9 hospital.” *See* 567 B.R. at 827. Here, however, SGM intends to purchase the Debtors’ assets as
10 operating acute care hospitals and continue their operations post-closing. As this Court has
11 observed, the Attorney General’s authority to impose the Additional Conditions on SGM under
12 California Corporations Code, §§ 5914 *et seq.*, is “grounded, at least in part, in the fact that those
13 very assets have been employed for” acute care hospital purposes. *Leckie Smokeless Coal Co.*, 99
14 F.3d at 582; *see also Gardens Reg’l Hosp. & Med. Ctr., Inc.*, 567 B.R. at 826 (“The Attorney
15 General’s claim to regulatory authority is similar to the regulatory interests asserted in *PBBPC* and
16 *Leckie Smokeless Coal*, and therefore constitutes an ‘interest in . . . property’ for purposes of
17 § 363(f).”). Accordingly, the Additional Conditions constitute interests in property because the
18 Attorney General’s authority to impose the Additional Conditions is conditioned on their operation
19 as health facilities upon the closing of the SGM Sale.

20 **3. The SGM Sale Should Be Authorized Free and Clear of the Additional**
21 **Conditions Pursuant to Section 363(f)**

22 The Debtors are authorized to consummate the SGM Sale free and clear of the 2019
23 Conditions because the SGM Sale satisfies the disjunctive sub-factors of § 363(f). *See* 11 U.S.C.
24 363(f); *see also Pinnacle Rest. at Big Sky, LLC v. CH SP Acquisitions (In re Spanish Peaks Hldgs.*
25 *II, LLC)*, 872 F.3d 892, 897 (9th Cir. 2017). For practical purposes, the analysis below references
26 the Additional Conditions, given that SGM contractually agreed to be bound by the conditions in
27 Schedule 8.6.
28

1 a. **California Law Allows the Sale of Nonprofit Health Facilities Without**
2 **the Imposition of Additional Conditions (§ 363(f)(1))**

3 The Bankruptcy Code permits the sale of property free and clear of interests if “such a sale
4 would be **legally permissible**.” *In re Spanish Peaks Hldgs. II, LLC*, 872 F.3d at 900 (emphasis
5 added); *see also* 11 U.S.C. § 363(f)(1) (permitting sales free and clear of interests if “applicable
6 nonbankruptcy law permits the sale of such property free and clear of such interest”). Thus, absent
7 a specific statutory requirement, the purchaser of an asset assumes no associated liabilities of the
8 seller, including successor liability. *See Myers v. U.S.*, 297 B.R. at 784 (“As a general rule, under
9 California law a purchaser does not assume the seller’s liability.”). Under § 363(f)(1), the Debtors
10 can sell the Hospitals free and clear of the Additional Conditions because **neither** the Attorney
11 General’s statutory basis for imposing the Additional Conditions **nor** California common law
12 impose successor liability. *See In re Verity Health Sys. Of Cal., Inc.*, 598 B.R. at 296 (Bankr. C.D.
13 Cal. 2018) (Robles, J.) (“Provisions within the Conditions are enforceable only to the extent they
14 are supported by California law.”)

15 The California Corporations Code does not authorize the Attorney General to impose
16 successor liability on the assets of a health facility. California law imposes upon the seller the
17 obligation to notify the Attorney General of a sale and to obtain his consent to such sale. *See CAL.*
18 *CORP. CODE* § 5914(a)(1) (“Any nonprofit corporation that . . . operates a health facility . . . shall be
19 required to providing written notice to, and obtain the written consent of, the Attorney General”
20 prior to entering into a sale transaction.); *see id.* § 5917 (granting the Attorney General discretion to
21 “consent to, give conditional consent to, or not consent to any agreement or transaction). But, the
22 statute **does not** grant the Attorney General authority to impose conditions on the assets subject to
23 the transaction. Indeed, the Attorney General was previously unable to identify any provision of
24 applicable “California law entitling him to enforce successorship liability under the circumstances
25 of this case.” *In re Verity Health Sys. of Cal., Inc.*, 598 B.R. at 296 (finding that “[t]he Attorney
26 General’s reliance upon provisions purporting to make the Conditions binding upon all successors,
27 regardless of the circumstances under which such successors acquiring the Hospitals, is an
28 impermissible attempt to expand his regulatory authority over the Hospitals”).

(213) 623-9300

1 In *La Paloma Generating, Co.*, a bankruptcy court granted a sale pursuant to § 363(f)(1)
2 after finding that the applicable California regulatory scheme governing the transfer of cap and
3 trade liabilities in the sale of electrical generation facilities did not impose successor liability. *See*
4 No. 16-12700, 2017 WL 5197116 (Bankr D. Del. Nov. 9, 2017). The court concluded that, as here,
5 the regulatory scheme did not impose successor liability because it imposed liabilities on entities
6 rather than the assets subject to the transaction. *See id.* at *7 (“[T]he Regulation does not dictate . .
7 . substitution and assumption of liability. In no way does Section 95835(b)(8) impugn liability on
8 the purchase of the Covered Entity’s assets.”). Here, similarly, the California Corporations Code
9 does not impose any statutory successor liability because the obligations are limited to the seller
10 rather than the assets transferred pursuant to a sale.

11 Further, the SGM Sale does not implicate any of the four grounds to impose successor
12 liability under California law. Under California law,

13 the purchaser does not assume the seller’s liabilities unless (1) there
14 is an express or implied agreement of assumption, (2) the transaction
15 amounts to a consolidation or merger of the two corporations, (3) the
16 purchasing corporation is a mere continuation of the seller, or (4) the
transfer of assets to the purchaser is for the fraudulent purpose of
escaping liability for the seller’s debts.

17 *Ray v. Alad Corp.*, 19 Cal. 3d 22, 28 (1977); *see also City of San Diego v. Nat’l Steel &*
18 *Shipbuilding Co.*, No. 09-2275, 2011 WL 5104624, at *4 (S.D. Cal. Oct. 27, 2011). None of the
19 four grounds is present here. SGM has not expressly or impliedly agreed to assume the Debtors’
20 obligations under the 2015 Conditions (except to the extent contracted in the SGM APA). The
21 Court specifically found that the transfer was at arm’s length and in good faith rather than for any
22 fraudulent purpose. *See* Sale Order, ¶¶ D-E at 6-7 (“[T]he Transaction being consummated
23 pursuant to and in accordance with the APA is not being consummated, for the purpose of
24 hindering, delaying or defrauding creditors of the Debtors.”). Finally, the transaction is not a
25 consolidation, merger, or mere continuation because SGM has provided non-stock consideration
26 and SGM and the Debtors have different officers, directors, or stockholders. *See, e.g., Alad Corp.*,
27 19 Cal. 3d at 28-29 (citing *Econ. Refining & Serv. Co. v. Royal Nat. Bank of N.Y.*, 20 Cal. App. 3d
28 434 (Cal. Ct. App. 1971); *Malone v. Red Top Cab Co.* 16 Cal. App. 2d 268, 272-274 (1936);

1 *Shannon v. Samuel Langston Co.* 379 F. Supp. 797, 801 (W.D. Mich. 1974)). Accordingly, the
2 Debtors may sell the Hospitals free and clear of the Additional Conditions because nonbankruptcy
3 law does not impose successor liability notwithstanding the contrary provisions in the Additional
4 Conditions.

5 **b. The Additional Conditions Are Subject to A Bona Fide Dispute (§**
6 **363(f)(4))**

7 The Debtors may sell the Hospital free and clear of the Additional Conditions because the
8 Attorney General's authority to impose the Additional Conditions is in bona fide dispute. *See* 11
9 U.S.C. § 363(f)(4). The phrase "bona fide dispute" is not defined by the Bankruptcy Code. *See*
10 *Atlas Mach. & Iron Works, Inc. v. Bethlehem Steel Corp.*, 986 F.2d 709, 715 (4th Cir. 1993)
11 ("Although courts have not agreed on a precise definition of 'bona fide dispute,' it entails some sort
12 of meritorious, existing conflict.") (citations omitted). Courts find a "bona fide dispute" when
13 "there is an objective basis for either a factual or legal dispute as to the validity of the asserted
14 interest." *In re Taylor*, 198 B.R. 142, 147 (Bankr. D.S.C. 1996). An objective legal basis for
15 dispute may arise under bankruptcy or nonbankruptcy law. *See In re L.L. Murphrey Co.*, No. 12-
16 03837-8-JRL, 2013 WL 2451368 (Bankr. E.D.N.C. June 6, 2013) (finding bona fide dispute as to
17 validity of a creditor's lien subject to avoidance under § 544(a)(3)). Importantly, it is not necessary
18 that the court resolve the dispute or its merits. *See id.* ("This standard does not require that the
19 Court resolve the underlying dispute or determine the probable outcome of the dispute, but merely
20 whether one exists.").

21 Here, the Additional Conditions are subject to bona fide dispute under bankruptcy and
22 nonbankruptcy law. As set forth in this Motion, the Debtors dispute the Attorney General's
23 authority to issue conditions impose successor liability contrary to the provisions of California law,
24 the Bankruptcy Code, and the Sale Order. Further, as discussed more fully below, the Debtors
25 dispute whether the Attorney General abused his discretion in imposing the Additional Conditions
26 without adequate support. In each instance, the Court need not determine the relative merits of the
27 disputes, and, instead, need only find that the disputes raised by the Debtors are bona fide. In each
28

1 case, the Debtors' disputes as to the Additional Conditions support a sale free and clear of the
2 Additional Conditions under § 363(f)(4).

3 **c. The Attorney General Can Be Compelled to Accept A Money**
4 **Satisfaction in the Event of Noncompliance with the Additional**
5 **Conditions (§ 363(f)(5))**

6 Section 363(f)(5) permits a sale free and clear if (i) the nondebtor could be compelled to
7 accept a money satisfaction of the interest in property (ii) in a proceeding that could be brought.
8 *See In re PW, LLC*, 391 B.R. 25, 41 (B.A.P. 9th Cir. 2008). An interest in property is subject to
9 satisfaction for purposes of § 363(f)(5) if it imposes a calculable monetary obligation. *See In re*
10 *Vista Marketing Grp. Ltd.*, 557 B.R. at 635 ("[O]ne would be hard-pressed to present a clearer
11 example of a situation where the interest-holder could be compelled to accept a money satisfaction
12 of its interest under subsection (f)(5) than the calculable monetary obligation asserted by the
13 District in its surcharge bill and disconnection notice."); *see also In re Trans World Airlines, Inc.*,
14 322 F.3d 283, 290 (3d Cir. 2003) (interests in property such as travel vouchers and EEOC claims
15 may be reduced to a specific monetary value for purposes of § 365(f)(5)).

16 Here, many of the Additional Conditions are subject to satisfaction by the payment of
17 money. For example, certain Additional Conditions require charity care of a specific monetary
18 value. *See* Exhibit "C." The Attorney General has historically (including in the Debtors' own
19 experience) allowed health facilities to satisfy any charity care deficiency by paying funds to
20 satisfy shortfalls to other purposes or entities. *See, e.g.,* First-Day Decl., ¶ 108 at 28 ("[A]s a result
21 of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was
22 required to make an additional contribution to the Retirement Plans of \$7,619,000 in October
23 2017."); *see also In re WBQ P'ship*, 189 B.R. at 107 (finding § 363(f)(5) satisfied where state's
24 right of recapture upon sale of nursing home could constitute a claim against the debtors subject to
25 hypothetical cramdown).

26 Indeed, there is no dispute that the Attorney General allows unsatisfied charity care
27 contributions to be satisfied by the payment of money. In the 2015 Conditions, the Attorney
28 General expressly allowed the Debtors to satisfy any shortfall by paying an amount equal to the
charity care shortfall to some other purpose. For example, with regard to St. Francis, the 2015

DENTONS US LLP

(213) 623-9300

1 Conditions expressly allowed satisfaction of the Charity Care Condition by payment of 50% of the
2 shortfall to employee pension plans and 50% of the shortfall to capital expenditures for
3 maintenance of the facilities. *See* Docket No.256-1, Exhibit A, at 9. Allowing payment of monies
4 to other entities to satisfy a shortfall in providing charity care is not unique to these hospitals. A
5 review of the Attorney General’s website describing nonprofit hospital transactions is replete with
6 such examples. *See* <https://oag.ca.gov/sites/all/files/agweb/pdfs/charities/nonprofitosp/>. For
7 example, in a decision on January 9, 2019, regarding Parkview Hospital, the Attorney General
8 approved the proposed transaction with the condition that if there was a shortfall in the charity care
9 required, that shortfall could be satisfied by the payment of “an amount equal to the deficiency to
10 one or more tax-exempt entities that provide direct health care services to residents in the
11 Hospital’s service area.”

12 Further, the 2019 Conditions make clear that the Attorney General can enforce satisfaction
13 of these monetary obligations in a hypothetical legal proceeding. *See In re WBQ P’ship*, 189 B.R.
14 at 107 (holding that nursing home sale was free and clear of state department’s right to recover
15 depreciation overpayments and emphasizing “‘hypothetical’ satisfaction, since §
16 363(f)(5) authorizes a sale if the interest holder ‘*could be* compelled, in a legal or equitable
17 proceeding, to accept a money satisfaction of such interest’”) (emphasis in original). The Attorney
18 General specifically reserves his right to enforce the 2019 Conditions “to the fullest extent provided
19 by law” and that, “[i]n addition to any legal remedies the Attorney General may have, the Attorney
20 General shall be entitled to specific performance, injunctive relief, and such other equitable
21 remedies a court may deem appropriate for breach of any of these Conditions.” *See* Exhibit “B.”
22 As with the Debtors’ prior satisfaction of the Charity Care Condition, payment of money was
23 sufficient to “extinguish” entirely the Debtors’ obligation to comply with the Charity Care
24 Condition. *See, e.g., In re Hassen Imports P’ship*, 502 B.R. 851, 861 (C.D. Cal. 2013) (finding that
25 § 363(f)(5) “only authorizes sale free and clear when money payment is given in exchange for the
26 extinguished interest”). Accordingly, as noted by the Attorney General, monetary conditions may
27 be satisfied in a hypothetical legal proceeding.

1 Accordingly, the Attorney General can be compelled to accept monetary satisfaction of the
2 Additional Conditions that impose calculable monetary obligations sufficient to sell the Hospitals
3 free and clear of the Additional Conditions. For the foregoing reasons, the Sale Order effectuated a
4 sale free and clear of the 2019 Conditions except for those SGM agreed to assume by contract as
5 set forth in Schedule 8.6.

6 **d. The Additional Conditions Contravene The Purposes of § 363(f) to the**
7 **Extent They Purport to Impose Successor Liability on SGM.**

8 California law does not authorize the Attorney General to impose successor liability on the
9 purchaser of a health care facility because the statute only makes reference to the obligations of the
10 seller rather than the assets sold. *See* discussion, *supra*; *see also In re La Paloma Generating, Co.*,
11 No. 16-12700, 2017 WL 5197116 (Bankr. D. Del. Nov. 9, 2017); CAL. CORP. CODE § 5914.
12 Further, the Debtors may sell the Hospitals free and clear of any successor liability assuming,
13 *arguendo*, that the Conditions impose successor liability on SGM.

14 Courts favor a broader reading of § 363 in two instances where imposition of successor
15 liability would compromise the fundamental purposes of bankruptcy sales. **First**, “allowing sales
16 of debtor assets free and clear of liabilities of the debtor induces a higher sale price for the assets,
17 thereby maximizing the value of the estate and maximizing potential recovery to creditors.”
18 *Grumman Olson Indus. Inc.*, 467 B.R. at 703; *see also Douglas v. Stamco*, 363 Fed. Appx. 101,
19 102-03 (2d Cir. 2010) (“to the extent that the ‘free and clear’ nature of the sale . . . was a crucial
20 inducement in the sale’s successful transaction . . . the potential chilling effect of allowing a tort
21 claim subsequent to the sale would run counter to a core aim of the Bankruptcy Code”); *Indiana*
22 *State Police Pension Trust*, 576 F.3d at 126 (“The possibility of transferring assets free and clear of
23 existing tort liability was a critical inducement to the Sale.”); *In re PBBPC, Inc.*, 484 B.R. at 870
24 (rejecting imposition of experience rating where “the possibility of transferring assets free and clear
25 of successor liability was a critical inducement to the sale”) (quotations omitted); *Myers v. U.S.*,
26 297 B.R. at 781 (finding sale order sold assets free and clear of successor liability and positing
27 “who would ever purchase assets at a bankruptcy proceeding if the successor liability were not
28 limited, despite the plain wording of the bankruptcy court order?”). As discussed in detail, above,

1 imposition of the Additional Conditions have serious financial consequences for the SGM Sale that
2 undercut the free and clear nature of the SGM Sale and served as a critical inducement for the only
3 bidder on the Debtors' Hospital assets. Accordingly, the Debtors may sell the Hospitals free and
4 clear of any successor liability imposed by the Additional Conditions under § 363.

5 **Second**, allowing a claimant to pursue an asset purchaser in bankruptcy "would subvert the
6 Bankruptcy Code's priority scheme, by allowing a low-priority, unsecured claim to leapfrog over
7 other creditors in the bankruptcy." *See, e.g., In re Grumman Olson Indus. Inc.*, 467 B.R. 694, 703
8 (S.D.N.Y. 2012); *see also In re Trans World Airlines, Inc.*, 322 F.3d 283, 291 (3d Cir. 2003) ("Even
9 were we to conclude that the claims at issue are not interests in property, the priority scheme of the
10 Bankruptcy Code supports the transfer of TWA's assets free and clear of the claims."); *Myers*, 297
11 B.R. at 781 (finding a sale order that *excluded* "successor liability" from the interests stripped
12 under § 363(f) nevertheless effectuated a sale of the assets free and clear of successor liability
13 because, to hold otherwise, "would allow unsecured creditors to receive greater protection and
14 more priority than secured claims"). The Additional Conditions allow the Attorney General to
15 impose monetary obligations on SGM to continue providing services such as charity care that were
16 financially infeasible for the Debtors.

17 **B. COMPLIANCE WITH § 363(d)(1) DOES NOT LIMIT THE DEBTORS' RIGHT TO**
18 **SELL ITS ASSETS FREE AND CLEAR UNDER § 363(f).**

19 Section 363(d)(1) provides that the Debtors must sell the Hospitals in accordance with
20 nonbankruptcy law applicable to nonprofit transactions, and § 363(f) authorizes the Debtors to sell
21 the Hospitals free and clear of interests in property. These two sections are easily construed under
22 several applicable principles of statutory construction.

23 First, each statutory provision should be read by reference to the whole act. *See John*
24 *Hancock Mut. Life Ins. Co. v. Harris Trust & Sav. Bank*, 114 S. Ct. 517, 523 (1993); *Pavelic &*
25 *Leflore v. Marvel Entm't Grp.*, 493 U.S. 120, 123-24 (1989); *Mass. v. Morash*, 490 U.S. 107, 114-
26 15 (1989). Second, the Court should avoid interpreting a provision of the Bankruptcy Code in a
27 way inconsistent with the policy of another provision of the Bankruptcy Code. *See United Sav.*
28 *Ass'n v. Timbers of Inwood Forest Assocs.*, 484 U.S. 365, 371 (1988). Finally, specific provisions

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

1 targeting a particular issue apply instead of provisions more generally covering the issue. *See*
2 *Morton v. Mancari*, 417 U.S. 535, 550-51 (1974) (a general statute will not be held to have
3 repealed by implication a more specific one unless there is “clear intention otherwise”); *U.S. v.*
4 *Novak*, 476 F.3d 1041, 1054 (9th Cir. 2007) (recognizing “the elementary tenet of statutory
5 construction that a general statute will not alter a more specific one”) (quotations omitted). This
6 tenet applies with equal force to interpretation of competing provisions of the Bankruptcy Code.
7 *See Law v. Seigel*, 571 U.S. 415, 421 (2014) (resolving conflict between §§ 105(a) and 522 by
8 “application of the axiom that a statute’s general permission to take actions of a certain type must
9 yield to a specific prohibition found elsewhere”).

10 Applying these principles, the requirement to act in accordance with nonbankruptcy law
11 does not abrogate the Debtors’ authority to sell free and clear of the Additional Conditions under
12 the more specific provisions of § 363(f), particularly when the Additional Conditions would render
13 the terms of the SGM APA and the Sale Order meaningless.

14 Section 363(f) provides specific grounds to conduct sales free and clear of interests in
15 property that is not limited by a nonprofit debtor’s general obligation, under § 363(d)(1), to comply
16 with nonbankruptcy law. Section 363 provides that nonprofit debtors must generally comply with
17 applicable nonbankruptcy law in conducting sales under § 363(b). Section 363(d)(1) provides that
18 a nonprofit debtor may sell assets of the estate pursuant to § 363(b) “only in accordance with
19 nonbankruptcy law applicable to the transfer of property by” such nonprofit debtor. 11 U.S.C.
20 363(d)(1). This general requirement in § 363(d)(1) makes no reference to § 363(f), which sets forth
21 the specific bases by which a debtor may obtain approval of a sale under § 363(b) free and clear of
22 any interest in such property. Without a “clear intention otherwise,” the general requirement that a
23 nonprofit debtor comply with nonbankruptcy law does not repeal by implication the specifics of
24 free and clear sales under § 363(f), including the Debtors’ rights to sell assets free and clear of
25 successor liability. *See Morton*, 417 U.S. at 550-51. Simply put, § 363(d)(1) does not grant the
26 Attorney General the unfettered right to impose conditions without regard to this Court’s exclusive
27
28

jurisdiction over the Debtors' assets and any other provisions of the Bankruptcy Code. *See, e.g.*, §§ 363(f), 525, 541; *see also* 28 U.S.C. § 1334(e).⁵

Even if the provisions were in conflict, applicable law authorizing the Attorney General to review and condition sales of health facilities is not inconsistent with the successor liability limitations set forth in § 363(f). As discussed above, applicable California law does not impose successor liability on the SGM Sale because the obligations are imposed on the seller of a health facility rather than the assets themselves. *See, e.g., In re La Paloma Generating, Co.*, 2017 WL 5197116, at *7 (“[T]he Regulation does not dictate . . . substitution and assumption of liability. In no way does Section 95835(b)(8) impugn liability on the purchase of the Covered Entity’s assets.”).

Accordingly, the general requirements of § 363(d)(1) are not in conflict with the Debtors’ authority to sell assets free and clear of successor liability under § 363(f). The Debtors complied with the requirements of nonbankruptcy law and received the Attorney General’s conditional approval of the SGM Sale. Nonbankruptcy law does not impose successor liability on SGM, and,

⁵ The Attorney General has previously argued that he may enforce conditions on the sale of a nonprofit hospital, pursuant to police and regulatory powers designed to protect the health and safety of the community. *See* Docket No. 463, at 7 (the “Prior Response”). However, unlike § 362(b)(4), § 363 has no exception for governmental entities acting pursuant to police or regulatory powers. The Congress is presumed to act intentionally and purposely when it includes language in one section but omits it in another. *Keene Corp. v. United States*, 508 U.S. 200, 208 (1993) (“where Congress includes particular language in one section of a statute but omits it in another [...] it is generally presumed that Congress acts intentionally and purposely in the disparate inclusion or exclusion.”) (quoting *Russello v. United States*, 464 U.S. 16, 23 (1983)). Even if such an exception were to apply, as the Attorney General concedes in the Prior Response, preemption of state law is most likely where the state statute carves an exception out of the Bankruptcy Code, or where the state statute is concerned with economic regulation rather than protecting the public health and safety. Prior Response, at 7, lines 1-15 (citing *Baker & Drake, Inc. v. Pub. Serv. Comm’n of Nevada*, 35 F.3d 1348, 1353 (9th Cir. 1994)). Both situations exist here. First, the interpretation suggested by the Attorney General carves a huge exception out of the Bankruptcy Code, basically allowing him to ignore both the plain language of the federal laws, and the practical implications of his interpretation. Second, although the state statute discusses that a sale to a for-profit “may affect the availability of community health care services,” Prior Response, at 7, lines 23-24 (citing CAL. CORP. CODE, Ch. 9, Note §1m Stats 1996, ch. 1105), the Attorney General has *no* general oversight over health facilities in California or over acute care hospitals in particular. Rather, his review is predicated on the regulation of a kind of business—nonprofits—and therefore falls neatly into economic regulations.

1 to the extent the Additional Conditions impose successor liability, the Debtors may sell free and
2 clear under § 363(f) while still complying with their general obligations under § 363(d)(1).

3 **C. THE ATTORNEY GENERAL CANNOT INTERFERE WITH THE COURT’S**
4 **EXCLUSIVE JURISDICTION OVER PROPERTY OF THE ESTATES.**

5 Section 1334(e) of title 28 of the United States Code grants federal district courts—and, by
6 jurisdictional grant, pursuant to 28 U.S.C. § 157(a), bankruptcy courts within each district—
7 exclusive jurisdiction of all property of the debtor and its estate, “wherever located.” 28 U.S.C. §
8 1334(e); 11 U.S.C. § 157(a); *see also Hong Kong and Shanghai Banking Corp. v. Simon (In re*
9 *Simon)*, 153 F.3d 991 (9th Cir. 1998) (district court in which bankruptcy case is commenced has
10 exclusive *in rem* jurisdiction over all estate property); *see also Central Va. Cmty College v. Katz*,
11 546 U.S. 356, 126 S. Ct. 990 (2006) (A “critical feature of every bankruptcy proceeding [is] the
12 exercise of exclusive jurisdiction over all of the debtor’s property.”). Moreover, in the context of
13 adjudicating the rights of in a bankruptcy estate, even against the Attorney General, the power of
14 the bankruptcy court includes the “power to issue compulsory orders to facilitate the administration
15 and distribution of the res.” *Id.* The Supreme Court was clear in *Katz* that the Court’s power was
16 not limited to *in rem* beyond the “mere adjudication of rights in a res” and extended to proceedings
17 “necessary to effectuate the *in rem* jurisdiction of the bankruptcy courts.” *Id.* Therefore, under
18 *Katz*, the Court also has the power to issue orders necessary to effectuate the Sale Order, including
19 issuing orders that the SGM Sale is free and clear of the Additional Conditions.

20 Here, the Court has exclusive jurisdiction over the Hospitals because they are indisputably
21 “property of the estates” pursuant to § 541. *See* § 541. The Court’s exclusive jurisdiction limits
22 the Attorney General’s attempt to impose restrictions on the Hospitals. Moreover, the states’ right
23 to regulate an operating debtor in possession under 28 U.S.C. § 959(b) does not limit this Court’s
24 jurisdiction or give the state the right to interfere in the sale of the Debtors’ Hospitals. *See Hillis*
25 *Motors v Hawai’i Auto Dealers Assn.*, 997 F.2d 581, 592 (9th Cir 1993) (holding that state action
26 to involuntarily dissolve a corporation for non-payment of franchise fees and filings violated the
27 automatic stay as an act to control property of the estate under § 362(a)(3) and was not excepted by
28 §362 (b)(4) or (5) or 28 U.S.C. § 959(b)).

D. THE ADDITIONAL CONDITIONS VIOLATE § 525 BECAUSE THEIR EXPRESS PURPOSE IS TO REQUIRE SGM TO UNDERTAKE THE SAME OBLIGATIONS THE DEBTORS CAN NO LONGER ACCOMPLISH.

Imposition of the Additional Conditions constitutes impermissible discrimination against the Debtors and SGM, as a debtor-associate, pursuant to § 525. Section 525(a) grants the Debtors protection against discriminatory treatment by governmental unit on account of the Debtors' insolvency. *See* 11 U.S.C. § 525(a).

One of the leading case interpreting § 525 is the United States Supreme Court's decision in *Federal Communications Commission v. NextWave Communications, Inc.* 537 U.S. 293 (2003) ("NextWave"). In *NextWave*, the Federal Communications Commission (the "FCC") cancelled certain licenses owned by the debtor, but denied that the proximate cause for its cancellation of the licenses was the failure to make payments due to the FCC. Instead, the FCC contended that § 525 did not apply because it had a valid regulatory motive for the cancellation. The Supreme Court held that the FCC's motive was "irrelevant" because "[s]ection 525 means nothing more or less than that the failure to pay a dischargeable debt must alone be the proximate cause of the cancellation—the act or event that triggers the agency's decision to cancel, whatever the agency's ultimate motive in pulling the trigger may be." *NextWave*, 537 U.S. at 301-02. The FCC contended that NextWave's license obligations to the commission were not "debt[s] that [are] dischargeable" in bankruptcy. *Id.* at 302. The FCC argued that regulatory requirements, such as a full and timely payment condition, are not properly classified as "debts" under the Bankruptcy Code. The Supreme Court dismissed this argument, finding that "a debt is a debt even when the obligation to pay it is a regulatory condition." *Id.* at 303. The FCC also argued that NextWave's obligations were not "dischargeable" in bankruptcy because bankruptcy courts did not have the jurisdictional authority to alter regulatory obligations. *Id.* Noting that dischargeability is not tied to the existence of such authority, the Supreme Court found that a preconfirmation debt is dischargeable unless it falls within an express exception to discharge. *Id.*

In *In re Aurora Gas, LLC*, the bankruptcy court addressed whether the State of Alaska violated § 525(a) by effectively conditioning the sale of gas leases on the purchaser's assumption of unpurchased liabilities. *See* No. 16-00130, 2017 WL 4325560 (Bankr. D. Alaska Sept. 26, 2017).

1 The debtor formerly operated nine oil and gas wells leased from the state. *See id.* at *1. During the
2 course of the bankruptcy case, the debtor determined that it would not be able to sell three of the
3 wells leased on state lands and could not afford to completely plug and abandon the wells. *See id.*
4 The debtor, thus, began the process of temporarily plugging the wells and obtained approval to
5 reject the leases. *See id.* The debtor secured an offer to purchase five of the remaining oil and gas
6 leases for \$100,000, subject, however, to review and approval by the state. *See id.* The bankruptcy
7 court entered an order granting authority to assume and assign the leases and sell related assets free
8 and clear of claims and interests. *See id.* at *2. Subsequently, the state imposed conditions on the
9 sale that required the purchaser either agree to (i) a bond in the amount of \$200,000 and an
10 agreement to plug and abandon the three unpurchased wells, or (ii) a bond in the amount of \$6
11 million. *See id.*

12 The bankruptcy court held that the imposition of the conditions violated § 525(a). The
13 bankruptcy court noted that “the State does not deny that the Decision was an attempt to collect
14 [the debtor’s] debt for the [nonoperating] leases. Rather, it defends its action as necessary to
15 provide for the plugging and abandonment of the wells which the debtor will not be able to
16 accomplish.” *Id.* at *4. The court concluded that the state “effectively denied the debtor’s transfer
17 of five of its . . . leases because it insists on recovering the debtor’s . . . plug and abandonment
18 liability.” *Id.* at *5. Indeed, the \$6 million bonding requirement made clear that the state’s intent
19 was to recover on the debtor’s potentially dischargeable liabilities rather than the “proper exercise
20 of the agency’s discretion in discharge of its statutory duties.” *See id.* (“There is nothing in the
21 Decision to support the [state’s] conclusion that it will cost \$1,000,000 to plug and abandon each
22 well.”).

23 The Additional Conditions are no different than those addressed by the bankruptcy court in
24 *Aurora Gas* because they impose upon SGM the very same levels of services, charity care, and
25 other obligations imposed on the Debtors by the 2015 Conditions. The Additional Conditions
26 repeatedly obligate SGM to maintain licensure and services “at no less than current” levels that
27 correspond directly to the Debtors’ postpetition services. *See* Exhibit “B” (“The term ‘current’ or
28 ‘currently’ throughout this document means as of January 1, 2019.”) (2019 Conditions, at 2, n.2).

As discussed above, § 363(f) allows the Debtors to sell their assets free and clear of the Attorney General’s interests in imposing Additional Conditions. These interests are dischargeable within the meaning of § 525(a) even if the Debtors will not receive a discharge under their Plan. *See Aurora Gas, LLC*, 2017 WL 4325560, at *6 (“The State has not identified any exception within § 523(a) for the debtor’s prepetition liability for plugging and abandoning the [nonoperating] wells. Nothing within § 525(a) requires that the debtor actually obtain a discharge, only that the debt be dischargeable.”); *FCC v. NextWave Pers. Commc’ns Inc.*, 537 U.S. at 303 (“A preconfirmation debt is dischargeable unless it falls within an express exception to discharge.”). Further, as with *Aurora Gas*, the Additional Conditions will “effectively den[y] the [Debtors’] transfer of” their hospital assets because the Attorney General “insists on recovering” from SGM the same obligations imposed on the Debtors under the 2015 Conditions. The Additional Conditions must be denied as violative of § 525(a) because the Debtors’ inability to continue the same services following the conclusion of these Cases are “the proximate cause” of the Attorney General’s Additional Conditions. *See NextWave Pers. Commc’ns Inc.*, 537 U.S. at 301-02.

E. THE ATTORNEY GENERAL ABUSED HIS DISCRETION IN IMPOSING THE ADDITIONAL CONDITIONS.

1. The Court Has Authority to Review Whether the Attorney General Abused His Discretion in Imposing the Additional Conditions.

If the Court does not find the Additional Conditions are cut off by § 363, the Debtors ask that the Court review the Attorney General’s decision under applicable nonbankruptcy law. Section 1221(e) of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109-8, § 1221(e) (2005), makes clear that the applicable nonbankruptcy law should be interpreted by this Court and should not be referred to a state court. *In re HHH Choices Health Plan, LLC*, 554 B.R. 697, 700-01 (Bankr. S.D.N.Y. 2016) (“While a transfer [of nonprofit assets] must comply with the substantive requirements of state law. . . . any determination that would be made by a state court, . . . in the absence of a bankruptcy case, is now a determination to be made by [the bankruptcy court], and not by the state court.”).

The Attorney General has discretion under applicable state law to deny, consent to, or conditionally approve a transaction. However, that discretion is limited and subject to judicial

1 review. Under state law, the Court has the power to overrule the Attorney General’s decision
2 imposing conditions inconsistent with Section 8.6 of the SGM APA. *Del Riccio v. Superior Court*,
3 115 Cal. App. 2d 29, 31 (1952) (“In the exercise of equitable jurisdiction the court undoubtedly has
4 broad discretionary powers to take whatever action is necessary in the interests of justice in order
5 that its decrees will not fail to accomplish their purpose.”); *see also* Cal. Code Civ. Proc., § 187.
6 That power extends even to reviewing discretionary decisions for abuse of discretion. *Lamb v.*
7 *Webb* (1907) 151 Cal. 451, 454 (the trial court has the power to compel the Attorney General to act
8 where the Attorney General abused its discretion); accord *City of Campbell v. Mosk*, 197 Cal. App.
9 2d 640, 645 (1961).

10 Judicial review of most public agency decisions is obtained either by: (1) a writ of
11 ordinary/traditional mandamus, pursuant to C.C.P. § 1085; or (2) a writ of administrative
12 mandamus, pursuant to C.C.P. § 1094.5. *See Friends of the Old Trees v. Dep’t of Forestry & Fire*
13 *Prot.*, 61 Cal. Rptr. 2d 297, 303 (Cal. Ct. App. 1997). Ordinary mandate under C.C.P. § 1085 is a
14 traditional remedy by which a court compels an inferior tribunal to perform a legally required duty.
15 Administrative mandate under C.C.P. § 1094.5 is a statutory remedy which enables a petitioner to
16 challenge an administrative decision after an adjudicatory hearing in which the agency performs a
17 fact finding function. Parties are entitled to seek both in the same action. *See Conlan v. Bonta*, 102
18 Cal. App. 4th 745, 751-52 (2002). Moreover, C.C.P. §§ 1085 and 1094.5, subd. (f) are identical in
19 authorizing courts to issue a writ of mandate to compel the performance of an act “which the law
20 specially enjoins.”

21 Under C.C.P. § 1094.5, the Court “begin[s] its review with a presumption of the correctness
22 of administrative findings, and then, after affording the respect due to these findings, exercise[s]
23 independent judgment in making its own findings.” *Fukuda v. City of Angels*, 977 P.2d 693, 701
24 (Cal. 1999); *see Benetatos v. City of Los Angeles*, 186 Cal. Rptr. 3d 46, 56 (Cal. Ct. App. 2015)
25 (“the independent judgment test is applied to review administrative decisions that will drive an
26 owner out of business or significantly injure the business’s ability to function”).

27 Alternatively, for traditional mandamus under C.C.P. § 1085, the Court reviews the
28 administrative action to determine whether it “was arbitrary, capricious, or entirely lacking in

1 evidentiary support, contrary to established public policy, unlawful or procedurally unfair.” *Id.*
2 (quotations omitted). “Although mandate will not lie to control a public agency’s discretion, that is
3 to say, force the exercise of discretion in a particular manner, it will lie to correct abuses of
4 discretion.” *Id.* (quotations omitted). “Abuse of discretion is established if the ... order or decision
5 is not supported by the findings, or the findings are not supported by the evidence.” *Wollmer v.*
6 *City of Berkeley*, 193 Cal. App. 4th 1329, 1338 (2011) (citing Cal. Code Civ. Proc., § 1094.5, subd.
7 (b).) Moreover, the Court should not give deference to the Attorney General’s interpretation of
8 State law. *County of San Diego v. State of Cal.* 15 Cal. 4th 68, 109 (1997). Because public
9 agencies and officials “have a duty to comply with applicable state statutes and local ordinances,”
10 failure to do so is an abuse of discretion that is “arbitrary, capricious, or lacking in evidentiary
11 support *Bright Dev. v. City of Tracy* 20 Cal. App. 4th 783 (1993).

12 Regardless of which standard applies here, the Attorney General’s conduct does not pass
13 muster under either statute. The Attorney General’s decision to impose many, if not all, of the
14 Additional Conditions, is not supported by findings or evidence. *See Topanga Assn. for a Scenic*
15 *Community v. County of Los Angeles*, 11 Cal. 3d 506, 515 (1974) (“[I]mplicit in section 1094.5 is a
16 requirement that the agency which renders the challenged decision must set forth findings to bridge
17 the analytic gap between the raw evidence and ultimate decision or order.”). The Attorney General
18 has given no consideration whatsoever to the economic impact of the 2019 Conditions on the
19 continued existence of the Hospitals. Although Attorney General’s review of the SGM Sale was
20 undertaken pursuant to a statute that purports to seek to preserve healthcare for the community, it is
21 undisputed that the 2019 Conditions imposed by the Attorney General will have the singular result
22 of destroying the SGM Sale and closing hospitals. There could not be a clearer example of an
23 abuse of discretion. *Honchariw v. City of Stanislaus* 218 Cal. App. 4th 1019, 1027 (2013); *see*
24 *also Bob Jones Univ. v. United States* 461 U.S. 574, 586 (1983) (a well-established canon of
25 statutory construction provides that literal language should not defeat the plain purpose of the
26 statute).

1 **2. The Scope of the Court’s Review on Writ of Mandamus**

2 Judicial review of most public agency decisions is obtained by a writ of: (1) ordinary or
3 traditional mandamus, per C.C.P. § 1085; or (2) administrative mandamus, per C.C.P. § 1094.5.
4 *See Friends of the Old Trees v. Dep’t of Forestry & Fire Prot.*, 61 Cal. Rptr. 2d 297, 303 (Cal. Ct.
5 App. 1997).

6 The applicable type of mandate is determined by the nature of the administrative action or
7 decision, in that quasi-legislative or ministerial acts are reviewed by ordinary mandate, while quasi-
8 judicial acts are reviewed by administrative mandate. *Id.* “Generally speaking, a legislative action
9 is the formulation of a rule to be applied to all future cases, while an adjudicatory act involves the
10 actual application of such a rule to a specific set of existing facts.” *Id.* (quotation omitted). More
11 specifically, traditional mandate is used to review agency action when the agency was not required
12 to hold a hearing, whereas administrative mandamus reviews final administrative orders from a
13 proceeding “in which by law a hearing is required to be given, evidence is required to be taken, and
14 discretion in the determination of facts is vested in the inferior tribunal[.]” *Id.* (quoting C.C.P.
15 § 1094.5(a)).

16 Here, when evaluating the proposed transaction, the Attorney General was required to hold
17 a hearing, take evidence, and utilize discretion in his determination of existing facts. Indeed,
18 California Corporations Code § 5916 explicitly requires that “[p]rior to issuing any written decision
19 referred to in Section 5915 . . . the Attorney General shall conduct one or more public meetings,
20 one of which shall be in the county in which the facility is located, to hear comments from
21 interested parties.” *See Sierra Club v. State Bd. of Forestry*, 7 Cal. 4th 1215, 1235 (1994) (section
22 1095.4 hearing requirement satisfied where the Board of Forestry is required to hold a public
23 hearing to review timber harvesting plan and determine if it conforms to the rules and regulations
24 of the board and the Forest Practice Act).

25 In addition to being required to receive public input, the Attorney General’s conditional
26 consent must also only have been determined after considering “relevant factors,” such as the ten
27 enumerated ones set forth in California Corporations Code § 5917. These factors include the
28 Attorney General’s receipt and review of evidence supporting whether the transaction is “fair and

1 reasonable to the nonprofit corporation,” at “fair market value,” and “in the public interest.” CAL.
2 CORP. CODE § 5917. As part of this evidentiary review, the Attorney General is authorized to
3 contract with experts and consultants (and has done so here). *See* CAL. CORP. CODE § 5919. As a
4 result, the Attorney General’s conditional consent is an adjudicatory administrative decision, and
5 the standard of review in this proceeding must be administrative mandamus.⁶ *See Friends of the*
6 *Old Trees*, 61 Cal. Rptr. 2d at 304–05 (Section 1094.5 review required where the statutes governing
7 the Department of Forestry & Fire Protection’s approval of a timber harvest plan provides
8 numerous opportunities for public and agency input, even though the “Department is not required
9 to hold a trial-type hearing.”); *see also Ebbetts Pass Forest Watch v. Dep’t of Forestry & Fire*
10 *Prot.*, 20 Cal. Rptr. 3d 808, 814 (Cal. Ct. App. 2004) (public meetings to review timber harvest
11 plan satisfy section 1094.5 standard).

12 Not only does the § 1094.5 framework apply, the scope of the Court’s judicial review is
13 necessarily the “independent judgment rule,” because the Attorney General’s conditional consent
14 “substantially affects” Verity’s “fundamental vested right.” *See, e.g., Mann v. Dep’t of Motor*
15 *Vehicles*, 90 Cal. Rptr. 2d 277, 283 (Cal. Ct. App. 1999). Due to the separation of powers doctrine,
16 deprivation of an entity’s or individual’s fundamental rights by an agency cannot evade judicial
17 protection. *See Bixby v. Pierno*, 481 P.2d 242 (Cal. 1971) (“By carefully scrutinizing
18 administrative decisions which substantially affect vested, fundamental rights, the courts of
19 California have undertaken to protect such rights, and particularly the right to practice one’s trade
20 or profession, from untoward intrusions by the massive apparatus of government.”). Thus, “[i]f the
21 decision of an administrative agency will substantially affect such a right, the trial court not only
22 examines the administrative record for errors of law but also exercises its independent judgment
23 upon the evidence disclosed” in a *de novo* review. *Id.*

24 _____
25 ⁶ This is in sharp contrast to the inapplicable §1085 standard involving only ministerial acts: “[a]
26 ministerial act is an act that a public officer is required to perform in a prescribed manner in
27 obedience to the mandate of legal authority and without regard to his own judgment or opinion
concerning such act’s propriety or impropriety, when a given state of facts exists.” *Schwartz v.*
Poizner, 113 Cal. Rptr. 3d 610, 614 (Cal. Ct. App. 2010) (quotations omitted).

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Whether an administrative decision substantially affects fundamental vested rights is determined on a case-by-case basis, in which this Court must consider “whether the affected right is deemed to be of sufficient significance to preclude its extinction or abridgement by a body lacking *judicial* power.” *Interstate Brands v. Unemployment Ins. Appeals Bd.*, 608 P.2d 707, 713 n.5 (Cal. 1980) (emphasis in original). In this case, the Attorney General’s conditional consent has the practical effect of closing at least three of the Hospitals, forever. In that sense, it is indistinguishable from administrative decisions involving the revocation of a professional license or business permit, which, for decades, courts have consistently held to affect a fundamental right. *See, e.g., Oxford Preparatory Acad. v. Chino Valley Unified Sch. Dist.*, 249 Cal. Rptr. 3d 726, 730–31 (Cal. Ct. App. 2019), *reh’g denied* (July 29, 2019), *review filed* (Aug. 20, 2019) (charter school “has a fundamental vested right to continue operating”); *Coe v. City of San Diego*, 208 Cal. Rptr. 3d 73, 81 (Cal. Ct. App. 2016) (“a decision to revoke a nude entertainment business permit involves a fundamental vested right.”); *The Termo Co. v. Luther*, 86 Cal. Rptr. 3d 687, 697 (Cal. Ct. App. 2008) (“The implementation of the Order and Decision would have the effect not only of shutting down a business that has been in existence for 20 years or more, but also of terminating the right to produce oil—an extraordinarily valuable resource, especially in the current economic era. . . . Certainly, a fundamental vested right is at issue.”); *Bauer v. City of San Diego*, 89 Cal. Rptr. 2d 795, 804 n.14 (Cal. Ct. App. 1999); *Goat Hill Tavern v. City of Costa Mesa*, 8 Cal. Rptr. 2d 385, 391 (Cal. Ct. App. 1992) (“the right to continue operating an established business in which [the owner] has made a substantial investment” is a “fundamental vested right.”). Indisputably, the Debtors’ rights to preserve its Hospitals—such that they can continue providing healthcare and lifesaving procedures to the community they serve—are fundamental, vested, and abridged substantially by the Attorney General’s 2019 Conditions.

The Attorney General may attempt to cast the Debtors’ rights in a purely economic light, incorrectly arguing that the Debtors merely assert the right to sell its businesses. *Cf. SP Star Enterprises, Inc. v. City of Los Angeles*, 93 Cal. Rptr. 3d 152, 162 (Cal. Ct. App. 2009). But, the rights threatened by the Attorney General’s decision are the survival of three Hospitals upon which the public undisputedly depends. *Benetatos v. City of Los Angeles*, 186 Cal. Rptr. 3d 46, 56 (Cal.

1 Ct. App. 2015) (“The substantial evidence test has been applied to review administrative decisions
2 that restrict a property owner’s return on his property, or which increase the cost of doing business,
3 or reduce profits, because such decisions impact mere economic interests rather than fundamental
4 vested rights. In contrast, the independent judgment test is applied to review administrative
5 decisions *that will drive an owner out of business or significantly injure the business’s ability to*
6 *function.*”) (emphasis added).

7 As a result, in this proceeding, this Court “begin[s] its review with a presumption of the
8 correctness of administrative findings, and then, after affording the respect due to these findings,
9 exercise[s] independent judgment in making its own findings.” *Fukuda v. City of Angels*, 977 P.2d
10 693, 701 (Cal. 1999).

11 In addition, “[w]here the court finds that there is relevant evidence that, in the exercise of
12 reasonable diligence, could not have been produced or that was improperly excluded at the hearing
13 before respondent . . . the court may admit the evidence at the hearing on the writ without
14 remanding the case.” C.C.P. § 1094.5(e); *see also Tiholiz v. Northridge Hosp. Found.*, 199 Cal.
15 Rptr. 338, 343 (Cal. Ct. App. 1984) (permitting admission of newly discovered evidence in the
16 form of declarations, finding that “a litigant has a fundamental interest at stake in procedural
17 fairness, including but not limited to an interest in the compilation of an accurate hearing record”).

18 Even if traditional mandamus applies, the Attorney General’s conditional consent
19 constitutes an abuse of his discretion. The Debtors are “beneficially interested” to seek a writ of
20 mandate, in that its particular right to sustain the Hospitals is direct and substantial, especially
21 given the undisputed public need for these hospitals. *Citizens for Amending Proposition L v. City*
22 *of Pomona*, 239 Cal. Rptr. 3d 750, 763–64 (Cal. Ct. App. 2018), *reh’g denied* (Nov. 28, 2018).

4 There are also exceptions to the general rule precluding the consideration of extra-record

9 **3. The Attorney General Failed to Assure Preservation of the Hospitals for Their**
10 **Communities**

11 As set forth above, the Attorney General’s discretion to issue conditions of approval of a
12 sale of a nonprofit hospital to a for profit entity is circumscribed by (i) California Corporations
13 Code § 5917, and (ii) the Attorney General’s general statutory and common law obligations to
14 preserve and/or redirect the charitable assets for public benefit. *See, e.g.*, CAL. GOV’T CODE §
15 12598. Although the Attorney General is not a technical fiduciary to such assets, *see Restatement*
16 *of the Law of Charitable Nonprofit Organizations Principles of the Law of Nonprofit Organizations*
17 § 5.01 TD (2017), and although the Attorney General, in the normal course, is not empowered to
18 substitute its judgment for that of the trustees of the charitable assets, the Attorney General’s role in
19 overseeing a nonprofit hospital sale becomes virtually that of a fiduciary to such assets during the
20 sale process. This virtual status results from the multiple layers of statutory and common law
21 requirements imposed on the Attorney General’s decision making, and the Attorney General’s
22 arrogation of the right to impose contractual post-sale restrictions on then for-profit assets (which
23 in fact imposes the Attorney General’s judgment over that of the successor hospital administrator).

24 Here, the Attorney General, in conditionally approving the SGM Sale, has accepted that the
25 Hospitals are no longer sustainable as part of a nonprofit enterprise. There were no nonprofit
26 bidders for the Hospitals. Once the Attorney General has determined that the Hospitals cannot be
27 maintained as nonprofit, the Attorney General’s duties are to (i) ensure that the facility is
28 monetized at a fair market value to the nonprofit seller of the facility, *see* CAL. CORP. CODE §

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

1 5917(c), and (ii) ensure that the monies received from the sale of the facility are preserved for
2 charitable use by redirecting them under appropriate *cy pres* guidelines, *see* CAL. GOV'T CODE §
3 12598(a).

4 The Hospitals, once sold, are no longer charitable assets, so the Attorney General's power
5 and his right of oversight of these Hospitals ceases. The 2019 Conditions represent the Attorney
6 General's attempt to subvert California Corporations Code § 5917 and extend his continuing
7 control over non-charitable health care assets. The Attorney General cannot commit such an end-
8 run around the statutory limitations to his decision making discretion. Importantly, any continuing
9 control over the Hospitals is a result solely of a contract entered into between the Attorney General
10 and SGM.

11 One of the paramount obligations of the Attorney General is to preserve charitable assets.
12 This obligation is embodied in California Government Code § 12598(a), which provides that "[t]he
13 primary responsibility for supervising charitable trusts in California, . . . *for protection of assets*
14 *held by charitable trusts* and public benefit corporations, resides in the Attorney General."
15 (emphasis added). It is also one of the factors set forth by the Legislature in California
16 Corporations Code § 5917(h). *See* CAL. CORP. CODE § 5917(h) ("The agreement or transaction
17 may create a significant effect on the availability or accessibility of health care services to the
18 affected community.").

19 The Attorney General is duty-bound to ensure that the Hospitals survive, and, thus, cannot
20 impair availability or access of the community to health care facilities. The Attorney General
21 breached his obligation to act in a manner to preserve the charitable assets by imposing the
22 Additional Conditions with full knowledge that such conditions would result in the closure of at
23 least 3 Hospitals. *See* Exhibit "E;" *see also* Baronoff Decl. ¶ 7. The Attorney General's actions
24 will have destroyed, not preserved, the charitable assets. Such action clearly controverts the
25 Attorney General's discretion. Agency decisions, such as those of the Attorney General here, are
26 subject to judicial review and can be reversed if the court finds that the agency's discretionary
27 choice is an abuse of discretion. *See Motor Vehicle Mfrs. Assn. of the U.S. v. State Farm Mut. Auto*
28 *Ins. Co.*, 463 U.S. 29 (1983); *20th Century Ins. Co. v. Garamendi*, 8 Cal. 4th 216, 271

(1994); *Coachella Valley Unified School Dist. v. State of Cal.*, 176 Cal. App. 4th 93, 113-118 (Cal. Ct. App. 2009); *Paulsen v. Golden Gate University*, 25 Cal. 3d 803, 808 (1979); *Saleeby v. State Bar*, 39 Cal. 3d 547, 563 (1985); *Quackenbush v. Mission Ins. Co.*, 46 Cal. App. 4th 458, 465 (Cal. Ct. App. 1996).

Based upon the foregoing, the Attorney General has abused his discretion and breached his most basic duty to preserve charitable assets and to ensure access and availability of health care facilities for the community.

V.

CONCLUSION

WHEREFORE, for all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the Court enter an order (i) finding that the SGM Sale is free and clear of the Additional Conditions, or alternatively, (b) the Attorney General has abused his discretion in imposing the Additional Conditions, and (iii) granting such other and further relief as the Bankruptcy Court deems just and proper.

Attorneys for Verity Health Systems of
California, Inc., *et al.*

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. (“VHS”). Prior thereto, I served as VHS’s Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas dedicated to health and healing. In this role, I was responsible for leading Sanford Health’s growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan; Sanford Foundation (a philanthropic fundraising foundation); Sanford Frontiers (a commercial and real estate company); Profile by Sanford (a scientific weight loss program); and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and had the responsibility of starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. From 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for leading strategic, operational and financial aspects within Sanford

1 Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford Children's
2 Specialty Clinic and led the Pediatric Subspecialty Physician program and the clinical practice
3 through all facets of the operation.

4 5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma
5 Master Black Belt at GE Medical Systems, and before that served as the Vice President of Research
6 and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of
7 science in business administration and a masters of business administration in healthcare
8 management.

9 6. On May 2, 2019, the Court entered an order (the "Sale Order") approving the sale of
10 substantially all assets of Debtors'⁷ remaining hospitals (St. Francis Medical Center ("SFMC"), St.
11 Vincent Medical Center ("SVMC") including the St. Vincent Dialysis Center ("SVDC"), and Seton
12 Medical Center ("SMC"), including Seton Medical Center Coastside Campus ("SMCC")
13 (collectively the "Hospitals"), to Strategic Global Management, Inc. ("SGM") for \$610 million (the
14 "SGM Sale"), subject to certain adjustments, plus the payment of cure costs and assumption of
15 certain liabilities, as more fully set forth in that certain asset purchase agreement (the "APA")
16 [Docket No. 2306].

17 7. The Debtors, SGM and third parties have expended tremendous efforts to prepare
18 for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a
19 significant amount of time and resources and simply cannot be undone. By way of example: (i) the
20 Debtors sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker
21 Adjustment and Retraining Notification Act of 1988; (ii) thousands of counterparties to executory
22 contracts and unexpired leases, including physicians, have relied on the Sale Order and continued
23 to provide services in reliance on the finality of that Sale Order; (iii) the Debtors and SGM have
24 spent months facilitating an efficient close of the sale, with approximately 20 different
25 workstreams, meeting at least weekly to ensure a smooth transition of operations; (iv) government
26 agency personnel, including the California Department of Public Health and the Board of

1 Pharmacy, have been diligently processing SGM's change of ownership applications for licenses
2 and permits in reliance on the finality of the Sale Order; (v) the Debtors, SGM, and each of the
3 Debtors' six unions spent months successfully negotiating and finalizing modified collective
4 bargaining agreements; (vi) the medical groups affiliated with the Debtors have sent termination
5 notices to their remaining physicians; (vii) the Debtors and SGM have coordinated changes in
6 insurance coverages and insurance policies to ensure seamless coverage for employees and
7 patients, and (viii) the Debtors have created plans to shut off certain services after the close of the
8 SGM Sale. In addition, the Debtors have no further financing source.

9 8. Attached hereto as Exhibit "1" is a true and correct copy of a September 18, 2019
10 letter from Chokri BenSaid, Director of the Hospital Division of the United Healthcare Workers
11 West Service Employees International Union, Inc., to Deputy Attorney General Scott Chan,
12 expressing support for the SGM Sale. Attached hereto as Exhibit "2" is a true and correct copy of a
13 letter from Jennifer Lemmon, Collective Bargaining Director of the California Nurses Association,
14 to Attorney General Becerra, to the same effect. Attached hereto as Exhibit "3" is a true and
15 correct copy of a September 24, 2019 letter from Mark Shinderman, counsel for the official
16 committee of unsecured creditors, to Attorney General Becerra, also expressing support for the
17 SGM Sale.

18 9. I have reviewed the conditions (the "2019 Conditions") set forth in the September
19 25, 2019 report issued by the California Attorney General (the "Attorney General") regarding the
20 SGM Sale. The 2019 Conditions require, among other things, that SGM continue to operate the
21 Hospitals and maintain various services, clinics and contractual arrangements for a period of time
22 greater than the period of time that Debtors would have been obligated under the 2015 Conditions
23 (defined below) if the Debtors had the ability to continue to operate the Hospitals. The 2019
24 Conditions are also materially different than those to which SGM agreed in Schedule 8.6 because
25 they impose additional conditions including, among other things, greater requirements for charity
26 care expenditures, community benefit expenditures, capital expenditures, and do not account for the
27 substantial shift in charity care needs following the implementation of the Affordable Care Act.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

1 10. The 2019 Conditions are in large part the same as the proposed conditions
2 (“Proposed Conditions”) set forth in the Initial Health Care Impact Statements prepared by JD
3 Healthcare. Annexed hereto as Exhibit “E” is a true and correct copy of a letter from SGM’s
4 counsel, Todd Swanson of Hooper, Lundy & Bookman, P.C., to Deputy Attorney General Scott
5 Chan, explaining that SGM would not accept the Proposed Conditions to the extent they materially
6 differ from Schedule 8.6 to the APA.

7 11. I previously urged the Attorney General not impose conditions that would threaten
8 to close the Hospitals or otherwise unwind stakeholders’ heroic efforts to save these Hospitals.
9 This was detailed in my *Declaration filed in support of the Notice of Submission of Debtors’*
10 *Response to the Health Care Impact Statements and Conditions Imposed By JD Healthcare, Inc.*
11 [Docket No. 2946], a true and correct copy of which is annexed hereto as Exhibit “E”. It was also
12 detailed in my August 23, 2019 letter to Deputy Attorney General Scott Chan, as true and correct
13 copy of which is annexed hereto as Exhibit “E”.

14 12. Further, during the week of August 26, 2019, Deputy Attorney General Scott Chan
15 held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. I
16 attended each of the public meetings in person. At each public meeting, representatives of SGM
17 and the Debtors made public statements detailing the economic impact of the conditions proposed
18 by the Attorney General’s expert, JD Healthcare, and the economic situation confronting each
19 Hospital; urging the Attorney General to consider economic factors when issuing his conditions;
20 and reiterating that any conditions exceeding those in Schedule 8.6 of the SGM APA could result in
21 the termination of the SGM Sale and the closure of the Hospitals.

22 13. As was the case with the Proposed Conditions, many of the 2019 Conditions are
23 materially inconsistent with those to which SGM has agreed in Schedule 8.6, and do not take into
24 consideration the negative economic impact of the 2019 Conditions and the conditions imposed on
25 the Hospitals in 2015 (the “2015 Conditions”).

26 14. Without regard to the economic and community realities, certain of the 2019
27 Conditions force the Hospitals to maintain programs that not only suffer significant losses an
28

DENTONS US LLP

(213) 623-9300

1 annual basis, but are unnecessary because the same services (and in some instances, more
2 comprehensive services) are already provided at other hospitals in the area.

3 15. The economic impact of the 2019 Conditions cannot be understated. As a hospital
4 operator, I know from first-hand experience operating and overseeing the Hospitals that (i) the
5 2015 Conditions were too burdensome, (ii) hampered the Hospitals ability to prosper, as discussed
6 above, and (iii) accelerated the demise of these Hospitals. Verity, its employees, tens of thousands
7 of vendors and other parties have made tireless efforts during the sale process to ensure high
8 quality continued patient care and to take the necessary steps that would allow the Hospitals to be
9 sold to a new operator that could successfully operate the Hospitals. The Bankruptcy Court has
10 now approved the sale to SGM, which paves the way for these Hospitals and the communities they
11 serve to continue the Hospitals' mission of quality patient care.

12 16. The Debtors did not receive any other qualified bid to purchase the Hospitals. Thus,
13 there is no back-up bidder to purchase the Hospitals if the SGM Sale does not close. Additionally,
14 SGM representatives have repeatedly told the Debtors that multiple lenders have informed SGM
15 that they would not agree to finance the SGM Sale if the conditions were not consistent with
16 Schedule 8.6, which makes the SGM Sale nearly impossible to close. Consequently, if the
17 Additional Conditions were imposed, they would create an environment where it is likely no lender
18 would be willing to finance the sale of the Hospitals to SGM, ensuring closure of at least three of
19 the Hospitals.

20 17. Due to the Debtors' liquidity issues, unsustainable operating losses, and the absence
21 of an interested viable purchaser, SVMC, Seton Medical Center, and Seton Coastsides would need
22 to be closed if the SGM Sale does not close. The closures of SVMC, Seton Medical Center, and
23 Seton Coastsides would result in the loss of approximately 2,900 jobs.

24 18. As to SFMC, the Debtors would likely attempt a private sale in the bankruptcy
25 cases. I, however, foresee significant challenges to SFMC's sustainability and sale. Specifically,
26 any new sale of SFMC would require additional time, which would result in an exorbitant amount
27 of administrative and other expenses in these cases. By way of an example, the Debtors would
28 need to find a new buyer after a marketing process, seek approval from the Court, and then await

1 yet another review by the Attorney General. To even accomplish the foregoing, it is likely that the
2 Debtors would need to obtain debtor in possession financing to help fund operations, which would
3 carry another layer of expense.

4 19. Consequently, even if the Debtors were able to sell SFMC in the event the SGM
5 Sale failed, recoveries to creditors would be significantly reduced by hundreds of millions of
6 dollars since (i) there would not be any proceeds from the sale of SVMC, Seton, and Seton
7 Coastside, and (ii) the delay associated with the second sale of SFMC.

8 20. The Hospitals provide access to essential healthcare services in their communities.
9 Faced with the possibility of losing the Hospitals in their entirety, rote application of the 2015
10 Conditions should yield to the pragmatics of economics and demonstrable patient care and
11 community need.

12 21. If the SGM transaction does not close, the Debtors, employees, pension holders,
13 other stakeholders, and community members, would be exposed to significant and unrecoverable
14 health care and economic loss.

15 22. If the SGM Sale fails, the most likely outcome is that at least three of the Hospitals
16 will have to close. Altogether, between July 1, 2018 and June 30, 2019, the Hospitals had more
17 than 34,000 inpatient admissions and 312,000 outpatient visits. If the Hospitals are closed, all of
18 those patients would be forced to find alternative providers for treatment, perhaps at greater
19 distances than they are now required to travel for treatment at the Hospitals. For example, Seton
20 Coastside is the only emergency room facility on the Pacific Coast between Daly City and Santa
21 Cruz. Additionally, Seton Coastside has 116 skilled nursing facility (“SNF”) beds and, if Seton
22 Coastside were closed, those residents would be forced to be relocated significant distances to find
23 alternative facilities. In my experience, the risk of negative outcomes for emergency room patients
24 increases as the distance, and therefore the time, required to obtain treatment, increases.
25 Additionally, in addition to the difficulty in finding alternative facilities for the SNF patients, the
26 impact of transfer trauma on this population could be significant.

27 23. Further, among the other stakeholders which will be harmed by a failed SGM Sale
28 are the vendors that have supported the Hospitals by providing credit terms throughout these cases.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

1 Under the SGM Sale, these creditors will receive payment for their support of the Hospitals during
2 the sale process. A failed sale to SGM would put that at risk. In addition, there are thousands of
3 vendors whose contracts will likely be assumed by SGM in the sale. Consequently, these vendors
4 will be paid for their prepetition claims, an estimated total recovery for these vendors of \$50
5 million. Even those vendors whose contracts are not assumed by SGM are still expected to receive
6 millions of dollars of recoveries. In total, the failed sale to SGM would cost these vendors tens of
7 millions of dollars in recoveries. Further, there would be a loss of future income for services
8 provided to the operating Hospitals on a go-forward basis.

9 24. The Hospitals have approximately 4,900 employees. SGM has committed to retain
10 “substantially all” employees of the Debtors, as set forth in the APA.

11 25. In the past week, the Debtors have finalized settlement agreements (the “Settlement
12 Agreements”) with each and every union that is party to collective bargaining agreements (the
13 “CBAs”) related to the Hospitals being sold to SGM. The Settlement Agreements provide, *inter*
14 *alia*, for modification and assignment of the CBAs to SGM (along with waiver of any cure
15 obligations of the Debtors), the treatment and allowance of certain claims, including severance for
16 employees who are not offered employment, paid time off, and retiree health (for the few retirees
17 who utilize the program) and the waiver of other claims. The Settlement Agreements are
18 conditioned on Bankruptcy Court approval and on other important events, including Plan
19 confirmation and closing of the sale to SGM for a purchase price that is not materially different
20 from the amount contained in the SGM APA. The Debtors are in the process of finalizing pleading
21 papers that will request Court approval of the Settlement Agreements and related relief, which it
22 expects to file for expedited consideration presently.

23 26. The SGM Sale presents the Debtors’ stakeholders with the best possible alternative,
24 and the failure of the SGM transaction will likely result in a loss of healthcare access for vulnerable
25 populations, as well as jobs of thousands of employees.

RE: Verity Health Systems, Inc. and Strategic Global Management, Inc.

Dear Mr. Becerra and Mr. Chan,

The Service Employees International Union United Healthcare Workers West (SEIU-UHW), represents approximately 1,400 workers at St. Francis Medical Center and St. Vincent Medical Center. SEIU-UHW is writing in support of the sale transaction between Verity Health Systems, Inc. and Strategic Global Management, Inc. Given that Verity Health Systems has been in bankruptcy proceedings for over a year and Strategic Global Management was the only entity to submit a qualified bid for St. Francis Medical Center and St. Vincent Medical Center we believe this transaction is the best way to preserve jobs and patient care. Therefore, we urge a prompt closing of this sale.

The Honorable Xavier Becerra
Attorney General, State of California
1300 I Street
Sacramento, CA 95814

Dear Attorney General Becerra:

The official committee of unsecured creditors (the “Committee”) of debtor Verity Health System (“Verity”), a statewide healthcare provider, represents the interests of Verity’s creditor constituency, including labor unions, retirees, and tort claimants, among others. The Committee is charged with the obligation to help maximize the recoveries of all unsecured creditor constituents.

Verity is rapidly depleting cash reserves such that prolonging the proceedings could result in the shuttering of healthcare facilities in underserved communities. Verity’s proposed sale of assets to Strategic Global Management, Inc., an affiliate of KPC, presents an opportunity to offer continued access to health care services for those communities served by Verity, while also providing an opportunity for unsecured creditors to obtain some recovery, albeit small (absent successful litigation with the secured creditors and others). The Committee is not aware of any alternative at this point that would accomplish these goals.

Time is of the essence and any delay in closing would be very costly. Verity estimates, and the Committee believes, that the cost of delay is almost \$5 million per week. Consequently, any further delay could eliminate unsecured creditor recoveries entirely.

DECLARATION OF PETER BARONOFF

Peter Baronoff declares as follows:

1. I am currently the Chief Executive Officer of KPC Healthcare, Inc., which owns four hospitals in Orange County: The Orange County Global Medical Center, Southcoast Global Medical Center, Anaheim Global Medical Center, and Chapman Global Medical Center. I am also the Chief Executive Officer of Physicians for Healthy Hospitals, Inc., which owns Hemet Global Medical Center and Mennefee Global Medical Center. I am the Chief Executive Officer of Victor Valley Hospital Acquisition, Inc., which owns the Victor Valley Global Medical Center. All of the afore-said hospitals are acute care hospitals, and collectively referred to as “KPC”.

2. Following the commencement of the Chapter 11 cases for Verity Health Systems of California, Inc., et al (collectively “Verity”), I began discussions with Verity’s representatives regarding the possible acquisition by Strategic Global Management, Inc. (“SGM”), one of KPC’s affiliates, of one or more of the Verity hospitals. Over the course of the months beginning November 2018 and continuing into February 2019, I was directly involved in the negotiations on behalf of SGM in connection with SGM’s prospective acquisition of St. Vincent Medical Center, St. Vincent Dialysis Center, St. Francis Medical Center, and Seton Medical Center (including its Seton Medical Center Coastsides campus) (“the SGM Hospitals”). These negotiations eventually led to the execution of an Asset Purchase Agreement between SGM and Verity for the SGM Hospitals (“APA”).

3. During the course of SGM’s negotiations with Verity, there were innumerable issues that the parties confronted, discussed, negotiated and ultimately resolved when the parties reached a final agreement on the terms of the APA. One of the most intensely negotiated subjects had to do with the prospective conditions that might be imposed by the California Attorney General (“Attorney General”) in connection with the proposed transfer of the SGM Hospitals to SGM. Based upon my prior experience with hospital acquisitions, both in connection with my employment at KPC and also in connection with my prior employment as an

executive of Promise Healthcare (“Promise”), I was well aware of the Attorney General’s approval process in connection with the sale of not for profit hospitals and with the precedent for the Attorney General to impose conditions on such sales. Indeed, I was personally involved, on behalf of Promise, in the Gardens Regional Hospital Chapter 11 case. Promise was a DIP lender and stalking horse bidder for Gardens Regional Hospital, but was ultimately outbid by SGM at the auction. When SGM terminated its purchase agreement, as a result of the imposition by the Attorney General of condition, which were deemed burdensome by SGM, that sale transaction was terminated and Gardens Regional Hospital was eventually closed.

4. Knowing that, in our case, SGM’s acquisition of the SGM Hospitals would undergo an approval process by the Attorney General, and knowing that the Attorney General might impose conditions that would not be acceptable to SGM, SGM recognized the importance of negotiating a provision in its Asset Purchase Agreement which would protect it from the possibility that the Attorney General would impose conditions on the transfer of the hospitals to SGM which would be burdensome from a financial standpoint and otherwise. Accordingly, SGM and Verity spent an enormous amount of time negotiating the provisions of what became Section 8.6 (and Schedule 8.6 referenced therein) of the APA. Without question, the negotiation of Section 8.6 was the most intensely negotiated provision of the APA. In fact, it was not until the morning of the hearing to approve SGM as the stalking horse purchaser, which took place on February 6, 2019, that the parties, with input from the Official Creditors Committee and other stakeholders, were able to agree on the final wording of Section 8.6.

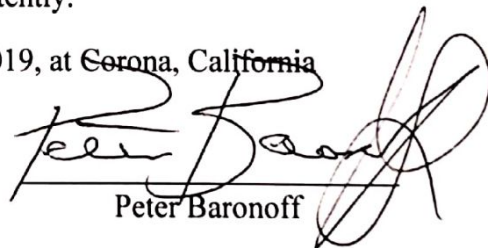

5. In essence, the parties agreed that if the Attorney General imposed “Additional Conditions” (as used in Section 8.6), SGM would not be obligated to close the sale unless Verity was able to procure from the Bankruptcy Court or another court, a supplemental sale order finding that the Additional Conditions are an “interest in property” for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions. Section 8.6 also discusses certain time limits and finality requirements, as more specifically set forth therein.

6. The Additional Conditions referred to in Section 8.6 were those conditions which are materially different than the conditions approved by SGM in Schedule 8.6. Additional Conditions which individually or collectively impose a direct or indirect cost to SGM of \$5 million, or more, shall be conclusively deemed to be “materially different.”

7. On September 25, 2019, the Attorney General issued his decision with respect to the proposed transfer of the SGM Hospitals to SGM (“Decision”). We have carefully reviewed the Decision. The Attorney General’s Decision imposes numerous conditions on the transfer of the SGM Hospitals to SGM. Many of these conditions are “Additional Conditions” as that term is used in Section 8.6 of the APA. SGM has evaluated the Additional Conditions and has advised Verity that, based upon these Additional Conditions, SGM is invoking its rights under Section 8.6 of the APA. Accordingly, SGM has advised Verity that SGM will not close the purchase of the SGM Hospitals unless Verity is able to obtain the requisite court order within the time period provided for in Section 8.6.

8. I declare under penalty of perjury, of the laws of the United States of America, that all of the foregoing facts are true and correct and if sworn to testify concerning the contents of this Declaration I could and would do so competently.

Peter Baronoff

PETER C. CHADWICK

I, Peter C. Chadwick, declare, that if called as a witness, I would and could competently testify thereto, of my own personal knowledge, as follows:

1. I am a Managing Director of Berkeley Research Group, LLC (“BRG”) and am duly authorized to make this declaration (the “Declaration”) on behalf of BRG. I obtained a BA from Pennsylvania State University, and an MBA in Finance from Babson College, Olin School of Business. Before joining BRG, I was an Executive Director at Capstone Advisory Group, LLC. Prior to that, I was a Senior Managing Director at FTI Consulting. For more than twenty years, I have served as a chief restructuring officer, chief executive officer, chief operating officer, chief financial officer and as a financial advisor and trustee in complex restructuring matters. Among other things, I have significant experience in the healthcare arena and effectuating sale transactions.

2. On November 7, 2018, the Court entered an order employing BRG [Docket No. 785] as the financial advisors to Verity Health System of California, Inc. and the above-referenced debtors and debtors in possession (collectively, the “Debtors”), the above captioned chapter 11 cases (the “Cases”). I have diligently worked with the Debtors on every aspect of their Cases. In addition, I have been serving as Chief Financial Officer of Seton Medical Center since September 1, 2019.

3. Except as otherwise indicated herein, this Declaration is based upon my personal knowledge, my review of relevant documents or information provided to me by employees of BRG and the Debtors. In preparing this Declaration, I have relied on my experience as described above. I am also assisted by others at BRG who work at my direction in the preparation of the analysis and other information included herein. In addition, I reviewed the Debtors’ schedules and legal papers. In preparing this Declaration, I worked with persons at the Debtors’ facilities with factual knowledge of information upon which I have relied. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

4. This Declaration is in support of the *Debtors’ Emergency Motion for the Entry of an Order (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved*

1 *by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing*
2 *Conditions on That Sale; and (IV) Granting Related Relief* (the “Motion”), and for all other
3 purposes permitted by law. All capitalized terms not otherwise defined herein shall have the same
4 meaning as in the Motion.

5 5. I have reviewed the conditions (the “2019 Conditions”) set forth in the September
6 25, 2019 report (the “Report”) issued by the California Attorney General (the “Attorney General”)
7 regarding the proposed sale of St. Francis Medical Center (“SFMC”), St. Vincent Medical Center
8 (“SVMC”), and Seton Medical Center, including its Daly City and Coastside Campuses (“Seton”)
9 (collectively, the “Hospitals”), to Strategic Global Management, Inc. (“SGM”) and its affiliated
10 entities, as reflected in that certain Asset Purchase Agreement (the “APA”). I have also compared
11 the 2019 Conditions to Schedule 8.6 to the APA.

12 6. Several of the 2019 Conditions differ materially from Schedule 8.6 attached to the
13 APA (the “Additional Conditions”). The Additional Conditions would have a significant impact
14 on the economic viability of the Hospitals and increase the purchase price in the APA to nearly a
15 billion dollars. By way of example only, the 2019 Conditions would require SVMC to remain
16 operated and maintained as a licensed general acute care hospital (as defined in California Health
17 and Safety Code Section 1250) through December 2024, whereas Schedule 8.6 provides that
18 SVMC must be operated through December 2020. The reported Financial Statements of SVMC
19 reflect that, in fiscal 2019 (ended June 30, 2019), SVMC lost approximately \$65 million which
20 was an 18% and 103% increase over the fiscal years 2018 and 2017, respectively. Attached
21 hereto as Exhibit “1” is a true and correct copy of excerpts from SVMC’s Financial Statements,
22 which reflect this information. Assuming operating losses at SVMC can be maintained at fiscal
23 2019 levels (a highly optimistic assumption), the buyer of the Hospitals would likely incur
24 additional estimated losses totaling \$260 million. Moreover, the \$260 million loss would likely
25 need to be financed. Using an average interest rate of 5% for four years of debt service would
26 result in estimated incremental financing charges totaling approximately \$25 million.
27 Accordingly, this 2019 Condition alone would place a potential burden on the buyer of at least
28 \$285 million beyond that contemplated in Schedule 8.6.

7. The Additional Conditions also impose certain charity care (“Charity Care”) requirements on SGM. The Charity Care requirement presents another example of the significant economic impact of the 2019 Conditions when compared with Schedule 8.6. The 2019 Conditions require SGM to provide an annual amount of Charity Care at SFMC equal to or greater than \$12,793,435 for a period of six fiscal years, which is at least \$4,793,435, per year more than SGM has agreed to provide pursuant to Schedule 8.6 for a period of seven years. After adjusting for the one-year shorter required duration of this 2019 Condition, the estimated incremental cost to the buyer would be nearly \$20 million in total over the six years. The 2019 Conditions provide for additional increases in Charity Care amounts for SVMC and Seton, as well as increases across all three Hospitals in Community Benefit Service amounts. Moreover, these Charity Care conditions would actually require the Hospitals to increase the Charity Care they provide above current levels.

8. In summary, the total financial impact of just these two examples of 2019 Conditions would require SGM to incur additional losses of approximately \$305 million beyond those contemplated by Schedule 8.6. Attached hereto as Exhibit “2” is a chart reflecting the economic analysis set forth above. When compared to the buyer’s APA purchase price of \$610 million, these represent a 50% increase in the price for the sale of these distressed assets. The magnitude of these losses calls into question the viability of the acquisition.

9. The two examples of 2019 Conditions addressed above were selected to illustrate the impact on the viability of the system and impact on sale. In fact, many of the other 2019 Conditions materially diverge from Schedule 8.6, including those addressing cancer services and select uneconomic payor agreements. In addition, some of the 2019 Conditions diverge from the conditions under which VHS is currently required to operate (the “2015 Conditions”), including those addressing continuing liver transplant services and acting as a ST-Elevation Myocardial Infarction receiving center. The 2015 Conditions locked the Hospitals into financial obligations and operational obligations that made financial success impossible (the Debtors have lost hundreds of millions of dollars as a result of the implementation of the 2015 Conditions). The Hospitals’ adherence to the Additional Conditions (aside from the two specific examples

1 discussed in paragraphs 6-8 above) would add an additional burden of tens of millions of dollars
2 in losses, further undermining the viability of the Hospitals.

3 I declare under penalty of perjury and of the laws in the United States of America, the
4 foregoing is true and correct.

DECLARATION OF HOPE R. LEVY-BIEHL

I, Hope R. Levy-Biehl, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am an attorney at law licensed to practice before all courts in the State of California. I am a partner in the law firm of Nelson Hardiman LLP, attorneys for Verity Health System of California, Inc. (“VHS”).

2. This Declaration is in support of the *Debtors’ Emergency Motion for the Entry of an Order (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief* (the “Motion”), and for all other purposes permitted by law. All capitalized terms not otherwise defined herein shall have the same meaning as in the Motion.

3. Upon information and belief, I understand VHS has had an ongoing dialogue for several years with the California Attorney General about the financial challenges facing VHS and the future of the O’Connor Hospital (“OCH”), Saint Louise Regional Hospital (“SLRH”), St. Francis Medical Center (“SFMC”), St. Vincent Medical Center (“SVMC”), and Seton Medical Center, including its Daly City and Coastsides Campuses (“Seton”). For example, I understand that in anticipation of filing for bankruptcy, VHS representatives met with Deputy Attorney General Wendi Horwitz in July of 2018.

4. On December 27, 2018, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors’ Assets to Santa Clara County Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving a sale of OCH and SLRH, and related assets, to Santa Clara County (the “SCC Sale”).

5. Upon information and belief, I understand VHS representatives subsequently met with Attorney General Xavier Becerra and Senior Advisor Becerra Melanie Fontes Rainer in

1 Sacramento in February of 2019, to discuss the pending SCC Sale and the forthcoming auction and
2 sale of SFMC, SVMC and Seton (collectively, the “Hospitals”).

3 6. On May 2, 2019, the Court entered the order (the “Sale Order”) approving the sale
4 of substantially all assets of Debtors’ Hospitals, to Strategic Global Management, Inc. (“SGM”)
5 for \$610 million (the “SGM Sale”), plus the payment of cure costs and assumption of certain
6 liabilities, as more fully set forth in that certain asset purchase agreement (the “APA”) [Docket No.
7 2306].

8 7. In anticipation of submitting a notice and request for approval of the SGM Sale to
9 the Attorney General’s office, VHS representatives from Nelson Hardiman (including myself)
10 engaged with Deputy Attorney General Scott Chan beginning in early April 2019. These
11 discussions and exchanges were regular and ongoing, and addressed, among other things, the
12 substantive and procedural requirements for the submission and review and the related timeline. At
13 all times, VHS consistently requested an expedited review of the submission in light of its
14 significant operating losses and cash flow challenges.

15 8. By letter dated May 7, 2019, VHS provided notice to, and requested written consent
16 from, the Attorney General for the SGM Sale pursuant to California Corporations Code Section
17 5914 and Title 11 of the California Code of Regulations, Section 999.5. *See* Docket No. 2379. As
18 outlined in the submission and discussed a number of times in writing, in person and by email with
19 various representatives of the Attorney General, the SGM Sale was critical and truly the only
20 option to help ensure that the Hospitals would survive the current financial challenges facing them
21 and be preserved as providers of essential health care services to the communities they serve.

22 9. The submission to the Attorney General, on May 7, 2019, was supplemented and
23 completed on May 13, 2019, with the filing made to the Federal Trade Commission pursuant to the
24 Hart-Scott-Rodino Antitrust Improvements Act 1976, as amended.

25 10. VHS representatives thereafter engaged in ongoing discussions with the Attorney
26 General’s office, requesting, among other things, an in-person meeting to review the submission
27 and transaction prior to the completion of its expert’s Health Care Impact Statements and the
28 expedited processing of the submission. The Attorney General denied both requests.

11. The Attorney General retained JD Healthcare to prepare Health Care Impact Statements regarding the proposed sale of the Hospitals. After conducting interviews of certain corporate and hospital personnel of VHS and other stakeholders in July 2019, and in advance of the public hearings held by the Attorney General, JD Healthcare released its Health Care Impact Statements concerning the proposed sale of the Hospitals on August 16, 2019 and August 19, 2019.

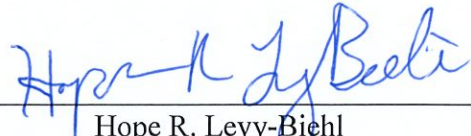

12. By letter, dated August 21, 2019, SGM submitted its response to the Health Care Impact Statements and the embedded recommended conditions. By letter dated August 23, 2019, VHS submitted its response to these statements and conditions, which was also filed with the Bankruptcy Court. True and correct copies of these letters are annexed as Exhibit “E” to the Motion.

13. In late August 2019, Deputy Attorney General Scott Chan, on behalf of the Attorney General, held public meetings relating to each affected hospital. I attended the public hearings regarding the sale of SFMC and SVMC. At each of the public meetings I attended, Rich Adcock of VHS, Peter Baronoff of SGM, and Sam Maizel of Dentons US LLP, each spoke directly and on the record about the economic issues raised by the potential conditions for each hospital, and urged the Attorney General to consider the economic implications of the conditions he would impose. Mr. Adcock and Mr. Baronoff made clear that the proposed transaction would be at risk, and therefore the continued operations of the Hospitals would be at risk, if the Attorney General imposed conditions which exceeded the conditions agreed to in Schedule 8.6. I understand Rich Adcock, Peter Baronoff and Sam Maizel made similar statements at the Seton public hearings.

14. Following its receipt of the “deal breaker” letters and the public hearings, the Attorney General’s office met first with representatives from SGM on September 6, 2019, and subsequently with representatives of both SGM and VHS on September 19, 2019. Upon information and belief, I understand that at the meeting on September 19, 2019, SGM informed the Attorney General’s office that it would not proceed with the transaction if the Attorney General imposed conditions beyond those it agreed to accept in Schedule 8.6 to the APA.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

17 USA Group, Inc. [Docket No. 1364]. The Court ruled that the Premature Objections were
18 premature and preserved for the Sale Hearing, as set forth in order granting the Motion (the
19 “Bidding Procedures Order”) [Docket No. 1572]. The Bidding Procedures Order also stated that
20 objections filed by the U.S. Department of Health and Human Services and Centers for Medicare
21 and Medicaid Services [Doc. No. 1346] and the California Department of Health Care Services
22 [Doc. No. 1353] (the “Continued Objections”) were continued, as resolved by stipulations
23 [Docket Nos. 1458 and 1473, respectively], approved by this Court’s orders [Docket Nos. 1465
24 and 1483, respectively].

the legal and factual bases set forth in the Motion and presented at the Sale Hearing establish just cause for the relief granted herein and for the reasons set forth in the Court's tentative ruling [Docket No. 2221]; and all objections to the Motion, if any, having been withdrawn, continued or overruled; and for the reasons set forth in the Court's tentative ruling [Docket No. 2221], which the Court adopts as its final ruling and which is incorporated herein by reference; and after due deliberation and sufficient good cause appearing therefor:

THE COURT HEREBY FINDS AND CONCLUDES THAT:²

A. Jurisdiction and Venue. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter relates to the administration of the Debtors' bankruptcy estates and is accordingly a core proceeding pursuant to 28 U.S.C. § 157(b) (2) (A), (M), (N) and (O). Venue of these cases is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief requested in the Motion are (i) §§ 105(a), 363(b), (f), (k), (l) and (m), and 365, (ii) Rules 2002(a)(2), 2002(c)(1) and (d), 6004 (a), (b), (c), (e), (f) and (h), 6006(a), (c) and (d), 9006, 9007, 9013 and 9014, and (iii) LBR 6004-1 and 9013-1.

C. Notice. As evidenced by the affidavits of service previously filed with the Court, the Debtors have provided proper, timely, adequate and sufficient notice with respect to the following: (i) the Motion and the relief sought therein, including the entry of this Sale Order and the transfer and sale of the assets (the "Purchased Assets"), as set forth in the Asset Purchase Agreement, dated January 8, 2019, a copy of which is attached as Exhibit "A" to Docket No. 1279 (the "APA"); (ii) the Sale Hearing; (iii) the No-Auction Notice; and (iv) the assumption and assignment of the executory contracts and unexpired leases and proposed cure amounts owing under such executory contracts and unexpired leases (the "Cure Amounts"); and no further notice

² The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 7052, made applicable to this proceeding pursuant to Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the following conclusions of law constitute findings of fact, they are adopted as such.

1 of the Motion, the relief requested therein or the Sale Hearing is required. The Debtors have also
2 complied with all obligations to provide notice of the Auction, the Sale Hearing, the proposed
3 sale and otherwise, as required by the Bidding Procedures Order. A reasonable opportunity to
4 object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

5 D. Arm's Length Transaction. The APA and other documents and instruments (the
6 "Transaction Documents") related to and connected with this transaction (the "Transaction") and
7 the consummation thereof were negotiated and entered into by the Debtors and Strategic Global
8 Management, Inc. ("SGM"), as Purchaser under the APA without collusion, in good faith and
9 through an arm's length bargaining process. Neither SGM nor any of its affiliates or
10 representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the
11 Debtors, SGM, or their respective representatives engaged in any conduct that would cause or
12 permit the APA, any of the other Transaction Documents or the Transaction to be avoided under
13 § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the
14 APA and the other Transaction Documents, including, without limitation, the consideration
15 provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be
16 avoided, and no damages may be assessed against SGM or any other party, as set forth in §
17 363(n). The consideration provided by SGM is fair, adequate and constitutes reasonably
18 equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws
19 of the United States or any of its jurisdictions or subdivisions, including the State of California.

20 E. Good Faith Purchaser. SGM has proceeded in good faith and without collusion in
21 all respects in connection with the sale process, in that: (i) SGM, in proposing and proceeding
22 with the Transaction in accordance with the APA, recognized that the Debtors were free to deal
23 with other interested parties; (ii) SGM agreed to provisions in the APA that would enable the
24 Debtors to accept a higher and better offer; (iii) SGM complied with all of the provisions in the
25 Bidding Procedures Order applicable to SGM; (iv) all payments to be made by SGM and other
26 agreements entered into or to be entered into between SGM and the Debtors in connection with
27 the Transaction have been disclosed; (v) the negotiation and execution of the APA and related

Main Document Page 7 of 27

1 Transaction Documents were conducted in good faith and constituted an arm's length transaction;
2 (vi) SGM did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not
3 entered into, and the Transaction being consummated pursuant to and in accordance with the
4 APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of
5 the Debtors. SGM is therefore entitled to all of the benefits and protections provided to a good-
6 faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the
7 authorization provided herein to consummate the Transaction shall not affect the validity of the
8 Transaction, any terms or conditions of the Transaction or SGM's status as a "good faith"
9 purchaser.

10 F. Justification for Relief. Good and sufficient reasons for approval of the APA and
11 the other Transaction Documents and the Transaction have been articulated to this Court in the
12 Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale
13 Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have
14 demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good,
15 sufficient and sound business purpose and justification and (ii) compelling circumstances for the
16 transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of
17 business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business
18 judgment and in the best interests of the Debtors, their estates, and their creditors.

19 G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the
20 Transaction pursuant to the Transaction Documents shall be a legal, valid, and effective transfer
21 and sale of the Purchased Assets and, except with respect to the liens arising from the Special
22 Assessments and the PACE Obligations (each as defined in §1.1(a)(iii) of the APA) assumed by
23 SGM, shall vest in SGM, through the consummation of the Transaction, all of the Debtors' right,
24 title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights
25 of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other
26 similar contractual property, legal or equitable rights, and any successor or successor-in-interest
27 liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or

1 more of the standards set forth in § 363(f)(1)-(5) have been satisfied. Those holders of
2 Encumbrances who did not object, or who withdrew their objections, to the sale or the Motion are
3 deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did
4 object fall within one or more of the other subsections of § 363(f). All holders of the
5 Encumbrances in the Purchased Assets are adequately protected by having their respective
6 Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased Assets
7 under the APA (subject to any Challenge within the meaning of that certain *Final Order (I)*

11 DIP Order") that has been, or may be, timely filed³), and any related documents or instruments
12 delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the
13 extent and manner herein provided.

14 H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause
15 to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in
16 consummating the Transaction, and it is in the best interests of the Debtors and their estates to
17 consummate the Transaction within the timeline set forth in the Motion and the APA. The Court
18 finds that there is no just reason for delay in the implementation of this Order, and expressly
19 directs entry of judgment as set forth in this Order.

20
21 ³ The Final DIP Order granted to the Committee standing to file the requisite pleading to
22 challenge the validity, enforceability and amount of the Prepetition Liens (each such proceeding
23 or appropriate pleading commencing a proceeding or other contested matter, a "Challenge")
24 within ninety (90) days from the formation of the Committee (the "Challenge Deadline"). See
25 Final DIP Order ¶ 5(e). The Committee's investigation as to the Prepetition Liens remains
26 ongoing. The Committee and the Prepetition Secured Creditors have entered into a number of
27 stipulations (the "Challenge Stipulations") by which the Committee has acknowledged and
28 stipulated to the validity, enforceability and perfection of the Prepetition Liens in certain
collateral identified in the Challenge Stipulations, and by which the Challenge Deadline has been
extended a number of times with respect to the validity, enforceability and perfection of the
Prepetition Liens in any other collateral. The Challenge Deadline with respect to any Prepetition
Liens for which the Committee has not stipulated pursuant to the Challenge Stipulations as to the
validity, enforceability and perfection thereof is now May 13, 2019.

1 I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have
2 demonstrated that it is an exercise of their sound business judgment to assume and assign to SGM
3 the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below)
4 and to the extent subsequently identified by SGM pursuant to paragraph 16 below, the
5 Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently
6 Identified Designated Contracts and the Subsequently Identified Contracts are collectively
7 referred to herein as the “Designated Contracts”) in connection with the consummation of the
8 Transaction, and the assumption and assignment of the Designated Contracts is in the best
9 interests of the Debtors and their estates.

10 J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the
11 APA, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any
12 of the Designated Contracts will have been cured, within the meaning of § 365(b)(1)(A), by
13 payment of the amounts and in the manner set forth below, unless otherwise agreed by SGM and
14 the counterparty. SGM has provided or will provide adequate assurance of future performance of
15 and under the Designated Contracts within the meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and
16 shall have no further obligation to provide assurance of performance to any counterparty to a
17 Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the
18 Debtors (i.e., St. Francis Medical Center, a California nonprofit public benefit corporation (“St.
19 Francis Medical Center”), St. Vincent Medical Center, a California nonprofit public benefit
20 corporation (“St. Vincent Medical Center”), St. Vincent Dialysis Center, Inc., a California
21 nonprofit public benefit corporation (“St. Vincent Dialysis Center”), and Seton Medical Center, a
22 California nonprofit public benefit corporation (“Seton Medical Center”) (collectively, the
23 “Hospitals”), VHS, and Verity Holdings LLC, a California limited liability company
24 (“Holdings”)), and assigned to SGM under the APA shall be assigned and transferred to, and
25 remain in full force and effect for the benefit of, SGM, notwithstanding any provision in such
26 Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated
27 that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss
28

1 resulting from a default on or prior to the Closing under any of the Designated Contracts within
2 the meaning of § 365(b)(1)(B).

3 K. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have
4 demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for
5 the Hospitals to reject all of their executory contracts and unexpired leases, excluding (i)
6 Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in
7 addition to the Hospitals, (iii) any prepetition contract that is the subject of a Rule 9019 settlement
8 motion prior to Closing, and (vi) any collective bargaining agreement, pension plan or health and
9 welfare plan providing collectively bargained benefits to which a Hospital is a party or sponsor,
10 which matters shall be scheduled for determination as provided in paragraph 33 below. Each
11 such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31,
12 and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this
13 paragraph K, prior to Closing and shall request therein that the rejection be effective as of the
14 Closing or as otherwise appropriate.

15 L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the
16 Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was
17 duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded
18 a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise
19 better offer to purchase the Purchased Assets. Other than SGM's Stalking Horse Bid, the Debtors
20 received two Qualified Partial Bids by the Partial Bid Deadline and did not receive a Qualified
21 Full Bid (as such terms are defined by the Bidding Procedures Order). The Debtors properly
22 consulted with the Consultation Parties in selecting the SGM Stalking Horse Bid as the highest
23 and best bid and in determining that no auction should be held (as such terms are defined in the
24 Bidding Procedures Order), as set forth in their No-Auction Notice. The transfer and sale of the
25 Purchased Assets to SGM on the terms set forth in the APA constitutes the highest or otherwise
26 best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates
27 than would be provided by any other available alternative. The Debtors' determination, in

1 consultation with the Consultation Parties (as defined in the Bidding Procedure Order), that the
2 APA constitutes the highest or best offer for the Purchased Assets and to not conduct an auction
3 constitutes a valid and sound exercise of the Debtors' business judgment.

4 M. No De Facto or Sub Rosa Plan of Reorganization. The sale of the Purchased
5 Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it
6 does not propose to (i) impair or restructure existing debt of, or equity or membership interests in,
7 the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the
8 Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or
9 (iv) classify claims or equity or membership interests.

10 N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at
11 the Sale Hearing establish just cause for the relief granted herein.

12 **NOW THEREFORE, IT IS HEREBY ORDERED THAT:**

13 1. The relief requested in the Motion is GRANTED and APPROVED in all respects
14 to the extent provided herein.

15 2. All objections with regard to the relief sought in the Motion that have not been
16 withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including
17 any reservation of rights included in such objections, are overruled on the merits with prejudice.
18 To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the
19 terms of this Sale Order shall prevail.

20 3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the
21 transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA, is approved
22 in all respects, and the Debtors are authorized and directed to consummate the Transaction in
23 accordance with the APA, including, without limitation, by executing all of the Transaction
24 Documents (and any ancillary documents or instruments that may be reasonably necessary or
25 desirable to implement the APA or the Transaction) and taking all actions necessary and
26 appropriate to effectuate and consummate the Transaction (including the transfer and sale of the
27 Purchased Assets) in consideration of the Purchase Price (as defined in § 1.1 of the APA) upon

1 the terms set forth in the APA, including, without limitation, assuming and assigning to SGM the
2 Designated Contracts. The Debtors and SGM shall have the right to make any mutually
3 agreeable, non-material changes to the APA, which shall be in writing signed by both parties,
4 without further order of the Court provided, that after reasonable notice, the Official Committee
5 of Unsecured Creditors (the "Committee"), the DIP Agent (as defined in the Final DIP Order
6 defined below), and the Prepetition Secured Creditors (as defined in the Final DIP Order) do not
7 object to such changes. Any timely objection by the aforementioned parties to any agreed non-
8 material changes to the APA may be resolved by the Court on shortened notice.

9 4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal,
10 valid, enforceable and effective transfer and sale of the Purchased Assets to SGM free and clear
11 of all Encumbrances, except with respect to the liens arising from the Special Assessments and
12 the PACE Obligations assumed by SGM, as further set forth in the APA and this Sale Order; and
13 (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable
14 against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor
15 thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the
16 Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the
17 Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the
18 Purchased Assets, all counterparties to the Designated Contracts and all other persons and
19 entities.

20 5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge
21 within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale
22 Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent,
23 effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the
24 Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force,
25 extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any
26 Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and
27 authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition
28

1 Secured Creditors, as applicable, pursuant to the Final DIP Order, to the extent that (i) the rights
2 granted to the Prepetition Secured Creditors with respect to §§506(c) and 552(b) by the Final DIP
3 Order are not limited or modified as a result of the appeal from the Final DIP Order filed by the
4 Committee on November 29, 2019; and/or (ii) any replacement liens or security interest granted
5 to the Prepetition Secured Creditors by the Final DIP Order are not invalidated as a result of any
6 Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In
7 addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect
8 to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to
9 the extent of and in accordance with its terms with all parties reserving all rights thereunder.

10 6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order
11 shall, as of the Closing, be considered and constitute for all purposes a full and complete general
12 assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all
13 of the Debtors' rights, title and interest in and to the Purchased Assets to SGM. Consistent with,
14 but not in limitation of the foregoing, each and every federal, state, and local governmental
15 agency or department, except as stated herein, is hereby authorized and directed to accept all
16 documents and instruments necessary and appropriate to consummate the transactions
17 contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be
18 filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any
19 Encumbrances of record.

20 7. Any person or entity that is currently, or on the Closing Date may be, in
21 possession of some or all of the Purchased Assets is hereby directed to surrender possession of
22 such Purchased Assets either to (a) the Debtors before the Closing or (b) to SGM or its designee
23 upon the Closing, and to cooperate with the Debtors and SGM in the Debtors' and SGM's
24 fulfillment of their obligations hereunder and pursuant to the APA.

25 8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall
26 be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and
27 upon consummation of the Transaction, including, without limitation, payment of the Purchase
28

1 Price to the Debtors, vest SGM with all right, title, and interest in the Purchased Assets, free and
2 clear of all Encumbrances. Upon closing of the Transaction, SGM shall take title to and
3 possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the
4 APA. The transfer of the Purchased Assets from the Debtors to SGM constitutes a transfer for
5 reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the
6 State of California.

7 9. Following the Closing, no holder of any Encumbrance against the Debtors or upon
8 the Purchased Assets shall interfere with SGM's respective rights in, title to or use and enjoyment
9 of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from
10 taking any action that would adversely affect or interfere with the ability of the Debtors to sell
11 and transfer the Purchased Assets to SGM, including the assumption and assignment of the
12 Designated Contracts.

13 10. SGM shall not be deemed, as a result of any action taken in connection with, or as
14 a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a
15 successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their
16 estates by reason of any theory of law or equity, including, without limitation, any bulk sales law,
17 doctrine or theory of successor liability, or any theory or basis of liability, regardless of source of
18 origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere
19 continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed
20 Liabilities, SGM is not assuming any of the Debtors' debts.

21 11. This Sale Order (i) shall be effective as a determination that, on Closing, all
22 Encumbrances existing against the Purchased Assets before the Closing have been
23 unconditionally released, discharged and terminated, and that the transfers and conveyances
24 described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all
25 persons and entities. If, following a reasonable written request made by the Debtors, any person
26 or entity that has filed financing statements or other documents or agreements evidencing any
27 Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or

1 in connection with Closing, in proper form for filing and executed by the appropriate parties,
2 termination statements, instruments of satisfaction, releases of all Encumbrances which the
3 person or entity has with respect to the Purchased Assets, then SGM and/or the Debtors are
4 hereby authorized to execute and file such statements, instruments, releases and other documents
5 on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of
6 doubt, such statements, instruments, releases and other documents shall not impair Encumbrances
7 that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or
8 may be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to
9 paragraphs 5 and 13 hereof.

10 12. In accordance with the APA, concurrently with the Closing, SGM shall pay that
11 portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to
12 Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in the
13 APA. Any direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent, the
14 Prepetition Secured Creditors, and the Committee in advance of the Closing.

15 13. The terms and conditions of the Final DIP Order shall apply with respect to the
16 Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the
17 Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

18 (a) the Debtors shall direct SGM, pursuant to the terms of the APA, to remit all Sale
19 Proceeds to the separate accounts opened in the name of each Debtor for the Sale Proceeds (each
20 such hereafter referred to as "Escrow Deposit Account");

21 (b) in giving direction to SGM pursuant to sub-paragraph (a), above, the Debtors shall
22 exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among
23 the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of
24 the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of
25 rights in paragraph 4 of the Final DIP Order and paragraph 31 of the Bidding Procedures Order;

17 shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they
18 are deemed part of the Designated Contracts) and to have assigned them to SGM, and SGM shall
19 have assumed all obligations owing under all such Currently Identified Designated Contracts

4 the Debtors as more specifically set forth below; provided, however, that unless the Court makes
5 such a determination on or before fifteen (15) days prior to Closing, and unless the Debtor, SGM
6 and the Currently Identified Designated Contract Counter-Party agree otherwise, the Currently
7 Identified Designated Contract which is the subject of such Assumption Dispute, shall be deemed
8 a rejected contract within the meaning of § 1.11(a) of the APA as of ten (10) days prior to
9 Closing, and SGM, except as provided below, shall have no obligation to assume such Currently
10 Identified Designated Contract or to pay any Cure Amount or Excess Cure Amount in connection
11 with such Currently Identified Designated Contract. To the extent an Assumption Dispute relates
12 solely to the Cure Amount, the Debtors may, with SGM’s consent, assume and assign the
13 applicable executory contract or unexpired lease at Closing and prior to the resolution of the
14 Assumption Dispute by the Bankruptcy Court, provided, that either (a) the Bankruptcy Court has
15 estimated the maximum cure payment, pursuant to 11 U.S.C. § 502(c), and SGM has remitted
16 such amount to the Debtors to be held as sales proceeds in the Sale Proceeds Account for the
17 relevant Debtor(s), or (b) SGM provides to the relevant Debtor(s) and non-Debtor counterparty a
18 separate reasonably acceptable undertaking that SGM will promptly pay the maximum disputed
19 cure amount in accordance with 11 U.S.C. § 365 (b)(1)(A) and (B) (or such smaller amount as
20 may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor
21 party and SGM). The Debtors shall pay and hereby are authorized to pay disputed cure amounts

16 Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and
17 assigned to SGM at the Closing, with SGM to be obligated to pay all cure amounts owing to such
18 Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as
19 set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SGM and the applicable
20 counter-parties thereto, or ordered by the Court in accordance with paragraphs 34 and 36 below
21 (the "Additional Cure Amounts"), so long as such amount as ordered by the Court is no greater
22 than the amount agreed upon by SGM; and in the event the Additional Cure Amount is greater
23 than the amount agreed upon by SGM, and SGM is not willing to pay the Additional Cure
24 Amount, the Debtors shall not be required to pay the Additional Cure Amount(s) and the
25 Subsequently Identified Designated Contract(s) shall be deemed a rejected contract within the
26 meaning of § 1.11(a) of the APA pursuant to paragraph 15 above; provided, and for the avoidance
27 of doubt, no collective bargaining agreement, pension plan or health and welfare plan providing
28

1 collectively bargained benefits to which a Hospital is a party or sponsor constitutes a Currently
2 Identified Designated Contract or a Subsequently Identified Designated Contract for which SGM
3 or the Debtors may be obligated to pay any cure amount.

4 17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or
5 transfer each of the Designated Contracts to SGM, including the Currently Identified Designated
6 Contracts and any Subsequently Identified Designated Contracts (collectively, the “Contract Counter-
7 Parties”). At the Closing, SGM shall pay the (i) Sale Proceeds, (ii) the Designated Cure Amounts
8 identified in paragraph 13 above, (iii) the Excess Cure Amounts identified in paragraph 15 above, and
9 (iv) the Additional Cure Amounts, subject to paragraph 15 above. Payment by SGM of such
10 Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient
11 amounts to “cure” all “defaults” with respect to all such Currently Identified Designated Contracts and
12 Subsequently Identified Designated Contracts under § 365(b). The foregoing payment shall (i) effect a
13 cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii)
14 compensate all such Contract Counter-Parties for any actual pecuniary loss resulting from any such
15 default. The Debtors shall then have assumed and assigned to SGM, effective as of the Closing, all of
16 the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all
17 Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the
18 Debtors of all such Designated Contracts to SGM shall not be a default thereunder. After the payment
19 of the Designated Cure Amounts and the Additional Cure Amounts, neither the Debtors nor SGM shall
20 have any further liabilities to any Contract Counter-Parties, other than SGM’s obligations under the
21 Designated Contracts that accrue and become due and payable after the Closing Date. In addition,
22 adequate assurance of future performance has been demonstrated by or on behalf of SGM with respect
23 to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent

4 18. The Debtors intend, and are hereby authorized, to (A) reject, pursuant to § 365(a), all
5 executory contracts to which one or more of the Hospitals are a party, excluding (i) Designated
6 Contracts, and (ii) any prepetition multiparty contract affecting more than one Debtor in addition

20 any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of
21 the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed
22 Obligations.

23 20. Any provisions in any Designated Contracts that prohibit or condition the assignment
24 of such Designated Contract or allow the counterparty to such Designated Contract to terminate,

1 that are void and of no force and effect with respect to the Debtors' assumption and assignment of such
2 Designated Contract to SGM in accordance with the APA, pursuant to § 363(f).

3 21. The terms and provisions of this Sale Order, as well as the rights granted under the
4 Transaction Documents, shall continue in full force and effect and are binding upon any successor,
5 reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding entry
6 of any order of conversion or dismissal any such conversion, dismissal or order entry. Nothing
7 contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a
8 plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict
9 with or derogate from the provisions of the APA, any documents or instruments executed in
10 connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict
11 between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern.
12 The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or
13 dismissal of the cases and the entry of any other order that may be entered in the cases, including any
14 order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7;
15 (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

16 22. The Transaction contemplated by the APA and other Transaction Documents are
17 undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy
18 Code. SGM is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the
19 full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization
20 provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the
21 sale of the Purchased Assets to SGM. The APA and the Transactions contemplated thereby cannot be
22 avoided under § 363(n).

23 23. The failure to specifically include any particular provision of the APA or the other
24 Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such
25 provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other
26 Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of
27 this Sale Order are non-severable and mutually dependent.

1 24. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. §
2 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or
3 otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective
4 and enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence
5 in approving the Transaction (including the transfer and the sale of the Purchased Assets).

6 25. The automatic stay in effect pursuant to § 362 is hereby lifted with respect to the
7 Debtors to the extent necessary, without further order of this Court, to (i) allow SGM to deliver any
8 notice provided for in the APA and Transaction Documents and (ii) allow SGM to take any and all
9 actions permitted under the APA and Transaction Documents in accordance with the terms and
10 conditions thereof.

11 26. Unless otherwise provided in this Sale Order, to the extent any inconsistency exists
12 between the provisions of the APA and this Sale Order, the provisions contained in this Sale Order
13 shall govern.

14 27. This Court shall retain exclusive jurisdiction to interpret, construe, and enforce the
15 provisions of the APA and this Sale Order in all respects, and further, including, without limitation, to
16 (i) hear and determine all disputes between the Debtors and/or SGM, as the case may be, and any other
17 non-Debtor party to, among other things, the Designated Contracts concerning, among other things,
18 assignment thereof by the Debtors to SGM and any dispute between SGM and the Debtors as to their
19 respective obligations with respect to any asset, liability, or claim arising hereunder; (ii) compel
20 delivery of the Purchased Assets to SGM free and clear of Encumbrances, except with respect to the
21 liens arising from the Special Assessments and the PACE Obligations; (iii) compel the delivery of the
22 Purchase Price or performance of other obligations owed to the Debtors; (iv) interpret, implement, and
23 enforce the provisions of this Sale Order; and (v) protect SGM against (A) claims made related to any
24 of the Excluded Liabilities (as defined in the APA), (B) any claims of successor or vicarious liability
25 (or similar claims or theories) related to the Purchased Assets or the Designated Contracts, or (C) any
26 Encumbrances asserted on or against SGM or the Purchased Assets.

1 28. Following the date of entry of this Sale Order, the Debtors and SGM are authorized to
2 make changes to the APA and/or execute supplemental agreements implementing the transactions
3 contemplated by the APA without the need for any further order of the Court provided that all such
4 changes have been approved in writing by the Debtors, SGM, the Committee, the DIP Agent, and
5 Prepetition Secured Creditors. Any other proposed changes to the APA or this Sale Order shall require
6 a further order of the Court, after reasonable notice under the circumstances and a hearing.

7 29. Notwithstanding any other provision of this Sale Order or any other Order of this
8 Court, no sale, transfer or assignment of any rights and interests of a regulated entity in any federal
9 license or authorization issued by the FCC shall take place prior to the issuance of FCC regulatory
10 approval for such sale, transfer or assignment pursuant to the Communications Act of 1934, as
11 amended, and the rules and regulations promulgated thereunder. The FCC's rights and powers to take
12 any action pursuant to its regulatory authority, including, but not limited to, imposing any regulatory
13 conditions on such sales, transfers and assignments and setting any regulatory fines or forfeitures, are
14 fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or
15 authority to the extent not inconsistent with the applicable provisions of the Bankruptcy Code.

16 30. To the extent the Purchased Assets contain records of the Verity Health System
17 Retirement Plan A and Verity Health System Retirement Plan B (collectively, the "Pension
18 Plans") or employment records of participants of the Pension Plans, SGM shall store, and
19 preserve any such records until the Pension Benefit Guaranty Corporation ("PBGC") has
20 completed its investigation regarding the Pension Plans and shall make such documents available
21 to PBGC for inspection and copying. Such records include, but are not limited to, any Pension
22 Plan governing documents, actuarial documents, and employment records (collectively, the
23 "Pension Plan Documents"). The Debtors shall retain and not abandon any Pension Plan
24 Documents that are not Purchased Assets no earlier than February 28, 2020, and shall make such
25 documents available to the PBGC for inspection and copying.

3 to the supplemental objection no later than 4:00 p.m. (Pacific Time), on May 27, 2019, and a hearing
4 will be held on the issues raised regarding the transfer and/or proposed assumption and assignment or
5 rejection of the Medi-Cal Provider Agreements on June 5, 2019, at 10:00 a.m. (Pacific Time); and all
6 parties' rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall
7 apply to Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement
8 between the Debtors and the DHCS or a Court order resolving the DHCS's objections.

9 32. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of
10 the issues regarding the transfer and/or proposed assumption and assignment or rejection of the
11 Hospitals' Medicare Provider Agreements or (b) HHS will file a supplemental objection to the
12 proposed transfer of the Medicare Provider Agreements. If necessary, the Debtors will file any reply to
13 the supplemental objection no later than 4:00 p.m. (Pacific Time), on May 27, 2019, and a hearing will
14 be held on the issues raised regarding the transfer and/or proposed assumption and assignment or
15 rejection of the Medicare Provider Agreements on June 5, 2019, at 10:00 a.m. (Pacific Time); and all
16 parties' rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall
17 apply to Medicare Provider Agreements until and unless there is a Court order approving a settlement
18 between the Debtors and the HHS or a Court order resolving the HHS's objections.

19 33. In accordance with the terms of §§ 4.7 and 5.11 of the APA, the Debtors and SGM will
20 negotiate regarding modification of applicable CBAs. To the extent the Debtors seek modification,
21 rejection and/or termination of CBAs, they will comply with the requirements of § 1113, as applicable,
22 and may do so before or after Closing under their discretion.

23 34. A continued hearing on the Cure Objections shall be held on June 5, 2019, at 10:00
24 a.m. (Pacific Time). As to the Currently Identified Designated Contracts, by no later than May 22,
25 2019, at 4:00 p.m. (Pacific Time), the Debtors shall file a notice containing a list of (a) the Cure
26 Objections that have been resolved, and (b) the Cure Objections as to which Court intervention is
27 required. As to the Cure Objections for which Court intervention is required, pursuant to the Order

RE: Verity Health System of California, Inc. Notice of Proposed Transfer
St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical
Center

Dear Ms. Levy-Biehl:

Under Corporations Code section 5914 et seq., and California Code of Regulations, title 11, section 999.5, the Attorney General has considered the proposed transaction submitted by Verity Health System of California, Inc. In coming to the decisions, described below, we have carefully considered the factors set forth in Corporations Code section 5917 and the applicable regulations, including whether the transaction is in the public interest and whether the transaction effects the availability or accessibility of health care services to the affected community. Our decision is based on the material contained in the notice, the information and documents subsequently submitted by the applicants, comments made by members of the public, discussions with the applicants, and the results of our investigation.

The Attorney General hereby conditionally consents to Verity Health System of California, Inc.'s proposed sale of the assets of St. Francis Medical Center, St. Vincent Medical Center, including its St. Vincent Dialysis Center, and Seton Medical Center to Strategic Global Management, Inc. and/or one or more of its affiliates. The Attorney General's conditional approval of the sale is subject to the attached conditions that are incorporated by reference herein.

Verity Health System of California, Inc. also requested, under Title 11 of the California Code of Regulations, Sec. 999.5(h), a modification of the Attorney General Conditions issued on December 3, 2015. Verity Health System of California, Inc. requested that the Attorney General modify and update the Attorney General's Conditions issued on December 3, 2015 as follows: (1) modify and update the volume of charity care and community benefits provided by the St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center; (2) modify and update capital expenditures to credit Strategic Global Management for the expenditures Verity

Health System of California, Inc. has invested in the health system; (3) modify and eliminate the requirement that Strategic Global Management maintain cancer care at St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center; and (4) modify and update the Conditions to conform to the present transaction and specific parties involved.

The Attorney General hereby denies, in part, and conditionally consents to Verity Health System of California, Inc.'s request for modification as reflected in the attached conditions that are incorporated by reference herein. The attached conditions serve as conditions for both the request for modification and the sale of the assets of St. Francis Medical Center, St. Vincent Medical Center, including its St. Vincent Dialysis Center, and Seton Medical Center as described in the second paragraph of this letter.

Sincerely,

[original signed]

Conditions to the Sale of St. Francis Medical Center¹ and Approval of the Asset Purchase Agreement by and among Verity Health System of California, Inc., Verity Holdings, LLC, St. Francis Medical Center, St. Vincent Medical Center, St. Vincent Dialysis Center, Inc., Seton Medical Center, and Strategic Global Management, Inc.

I.

These Conditions shall be legally binding on Verity Health System of California, Inc., a California nonprofit public benefit corporation, Verity Holdings, LLC, a California limited liability company, St. Francis Medical Center, a California nonprofit public benefit corporation, St. Vincent Medical Center, a California nonprofit public benefit corporation, St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation, Seton Medical Center, a California nonprofit public benefit corporation, St. Francis Medical Center Foundation, a nonprofit public benefit corporation, St. Vincent Foundation, a California nonprofit corporation, Seton Medical Center Foundation, a California nonprofit corporation, Verity Business Services, a California nonprofit public benefit corporation, Verity Medical Foundation, a California nonprofit public benefit corporation, St. Vincent de Paul Ethics Corporation, a California nonprofit public benefit corporation, St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation, Marillac Insurance Company, Ltd., a Cayman Islands corporation, DePaul Ventures, LLC, a California limited liability company, DePaul Ventures – San Jose ASC, LLC, a California limited liability company, DePaul Ventures – San Jose Dialysis, LLC, a California limited liability company, and Strategic Global Management, Inc., a California corporation, any other subsidiary, parent, general partner, limited partner, member, affiliate, successor, successor in interest, assignee, or person or entity serving in a similar capacity of any of the above-listed entities including, but not limited to, any entity succeeding thereto as a result of consolidation, affiliation, merger, or acquisition of all or substantially all of the real property or operating assets of St. Francis Medical Center, or the real property on which St. Francis Medical Center is located, any and all current and future owners, lessees, licensees, or operators of St. Francis Medical Center, and any and all current and future lessees and owners of the real property on which St. Francis Medical Center is located.

II.

The transaction conditionally approved by the Attorney General consists of the Asset Purchase Agreement dated January 8, 2019, by and among, Verity Health System of California, Inc., a California nonprofit public benefit corporation, Verity Holdings, LLC, a California limited liability company, St. Francis Medical Center, a California nonprofit public benefit corporation, St. Vincent Medical Center, a California nonprofit public benefit corporation, St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation, Seton Medical Center, a

¹ Throughout this document, the term “St. Francis Medical Center” shall mean the general acute care hospital located at 3630 East Imperial Highway, Lynwood, CA 90262, and any other clinics, laboratories, units, services, or beds included on the license issued to St. Francis Medical Center by the California Department of Public Health, effective January 1, 2019, unless otherwise indicated.

California nonprofit public benefit corporation, and Strategic Global Management, Inc., a California corporation, and any agreements or documents referenced in or attached to as an exhibit or schedule and any other documents referenced in the Asset Purchase Agreement, including, but not limited to, the Sale Leaseback Agreement and Interim Management Agreement.

All the entities listed in Condition I, and any other parties referenced in the above agreements shall fulfill the terms of these agreements or documents and shall notify and obtain the Attorney General's approval in writing of any proposed modification or rescission of any of the terms of these agreements or documents. Such notifications shall be provided at least sixty days prior to their effective date in order to allow the Attorney General to consider whether they affect the factors set forth in Corporations Code section 5917 and obtain the Attorney General's approval.

III.

For ten years from the closing date of the Asset Purchase Agreement, Verity Health System of California, Inc., Verity Holdings, LLC, Strategic Global Management, Inc., and all future owners, managers, lessees, licensees, or operators of St. Francis Medical Center shall be required to provide written notice to the Attorney General sixty days prior to entering into any agreement or transaction to do any of the following:

- (a) Sell, transfer, lease, exchange, option, convey, manage, or otherwise dispose of St. Francis Medical Center;
- (b) Transfer control, responsibility, management, or governance of St. Francis Medical Center. The substitution, merger or addition of a new member or members of the governing body of Strategic Global Management, Inc. that transfers the control of, responsibility for or governance of St. Francis Medical Center, shall be deemed a transfer for purposes of this Condition. The substitution or addition of one or more members of the governing body of Strategic Global Management, Inc., or any arrangement, written or oral, that would transfer voting control of the members of the governing body of Strategic Global Management, Inc. shall also be deemed a transfer for purposes of this Condition.

IV.

For ten years from the closing date of the Asset Purchase Agreement, St. Francis Medical Center shall be operated and maintained as a licensed general acute care hospital (as defined in California Health and Safety Code Section 1250) and shall maintain and provide 24-hour emergency and trauma medical services at no less than current² licensure and designation with the same types and/or levels of services, including the following:

- a. 46 emergency treatment stations at a minimum;
- b. Designation as a Level II Trauma Center;

² The term "current" or "currently" throughout this document means as of January 1, 2019.

- c. Designation as a 5150 Receiving Facility, as defined by the Welfare and Institutions Code, section 5150, for behavioral health patients under involuntary evaluation;
- d. Psychiatric evaluation team;
- e. Designation as an Emergency Department Approved for Pediatrics (EDAP);
- f. Designation as a Paramedic Base Station; and
- g. Certification as a Primary Stroke Center.

Strategic Global Management, Inc. must give one-year advance written notice to the Los Angeles County Emergency Medical Services Agency and the California Department of Public Health if St. Francis Medical Center seeks to reduce trauma or trauma-related care services or stop operating the Level II Trauma Center after ten years from the closing date of the Asset Purchase Agreement.

V.

For at least ten years from the closing date of the Asset Purchase Agreement, St. Francis Medical shall maintain Center on-call coverage contracts and/or comparable coverage arrangements with physicians at fair market value that are necessary to retain its qualification as a Level II trauma center. Trauma II designation requires 24-hour immediate coverage by general surgeons, as well as coverage by the specialties of orthopedic surgery, neurosurgery, anesthesiology, emergency medicine, radiology and critical care. Requirements for on-call and promptly available specialties include the following:

- a. Neurology;
- b. Obstetrics/gynecology;
- c. Ophthalmology;
- d. Oral or maxillofacial or head and neck;
- e. Plastic surgery;
- f. Reimplantation/microsurgery capability (this surgical service may be provided through a written transfer agreement); and
- g. Urology.

VI.

For at least ten years from the closing date of the Asset Purchase Agreement, St. Francis Medical Center shall maintain the following services at current licensure, types, and/or levels of services:

- a. Cardiac services, including three cardiac catheterization labs and the designation as a STEMI Receiving Center;
- b. Critical care services, including a minimum of 36 intensive care unit beds or 24 intensive care beds and 12 definitive observation beds;
- c. Neonatal intensive care services, including a minimum of 29 neonatal intensive care beds, and at minimum, maintaining a Level II NICU;
- d. Women's health services, including women's imaging services;
- e. Cancer services, including radiation oncology;

- f. Pediatric services, including a designated area with at least five general acute care beds for pediatric services;
- g. Orthopedic and rehabilitation services;
- h. Wound care services;
- i. Behavioral health services, including a minimum of 40 distinct part inpatient acute psychiatric beds; and
- j. Perinatal services, including a minimum of 50 perinatal beds.

Strategic Global Management, Inc. shall not place all or any portion of its above-listed licensed-bed capacity or services in voluntary suspension or surrender its license for any of these beds or services.

VII.

For at least ten years from the closing date of the Asset Purchase Agreement, St. Francis Medical Center shall maintain the same types and/or levels of women's healthcare services currently provided at the location below or a location within three miles of St. Francis Medical Center:

- a. Family Life Center at St. Francis Medical Center, located at 3630 E Imperial Highway, Lynwood, California.

VIII.

For at least five years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc. shall either: (1) operate clinics (listed below) with the same number of physicians and mid-level provider full-time equivalents in the same or similar alignment structures, or (2) sell the clinics (listed below) with the same number of physician and mid-level provider full-time equivalents and require the purchaser(s) to maintain such services for 5 years from the closing date of the Asset Purchase Agreement and to participate in the Medi-Cal and Medicare programs as required in the conditions herein, or (3) ensure that a third party is operating the clinics (listed below) with the same number of physician and mid-level provider full-time equivalents and require the third party to maintain such services for 5 years from the closing date of the Asset Purchase Agreement and to participate in the Medi-Cal and Medicare programs as required in the conditions herein. For any of these options, each clinic can be moved to a different location within a three-mile radius of each clinic's current location, and St. Francis Medical Center can utilize an alternative structure in providing such services. The following clinics are subject to this condition:

- a. Pediatric services at Children's Counseling Center, 4390 Tweedy Ave, South Gate, California;
- b. The multi-specialty services, including wound care at Wound Care Center, 3628 E. Imperial Highway, Suite 103, Lynwood, California; and
- c. Orthopedic services at 3628 E. Imperial Highway, Suite 300, Lynwood, California.

IX.

For ten years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc. shall:

- a) Be certified to participate in the Medi-Cal program at St. Francis Medical Center;
- b) Maintain and have Medi-Cal Managed Care contracts with the below listed Medi-Cal Managed Care Plans to provide the same types and levels of emergency and non-emergency services at St. Francis Medical Center to Medi-Cal beneficiaries (both Traditional Medi-Cal and Medi-Cal Managed Care) as required in these Conditions, on the same terms and conditions as other similarly situated hospitals offering substantially the same services, without any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage, unless the contract is terminated for cause or not extended or renewed by the Medi-Cal Managed Care Plan:
 - i) Local Initiative: L.A. Care Health Plan or its successor; and
 - ii) Commercial Plan: Health Net Community Solutions, Inc. or its successor.

If Strategic Global Management, Inc. questions whether it is being reimbursed on the same terms and conditions as other similarly situated hospitals offering substantially the same services, it shall notify the Attorney General's Office with at least 120 days' notice prior to taking any action that would effectuate any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage or prior to giving any required notice of taking such action.

- c) Be certified to participate in the Medicare program by maintaining a Medicare Provider Number to provide the same types and levels of emergency and non-emergency services at St. Francis Medical Center to Medicare beneficiaries (both Traditional Medicare and Medicare Managed Care), on the same terms and conditions as other similarly situated hospitals, as required in these Conditions.

X.

For six fiscal years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc. shall provide an annual amount of Charity Care (as defined below) at St. Francis Medical Center equal to or greater than \$12,793,435 (the Minimum Charity Care Amount). For purposes hereof, the term "charity care" shall mean the amount of charity care costs (not charges) incurred by Strategic Global Management, Inc. in connection with the operation and provision of services at St. Francis Medical Center. The definition and methodology for calculating "charity care" and the methodology for calculating "costs" shall be the same as that used by Office of Statewide Health Planning Development (OSHPD) for annual hospital reporting purposes.³

³ OSHPD defines charity care by contrasting charity care and bad debt. According to OSHPD, "the determination of what is classified as . . . charity care can be made by establishing whether or not the patient has the ability to pay. The patient's accounts receivable must be written off as bad debt if the patient has the ability but is unwilling to pay off the account."

Strategic Global Management, Inc. shall use and maintain a charity care policy that is no less favorable than Verity Health System of California, Inc.'s current charity care policy (Verity's Financial Assistance Policy No. 06.03.04 effective December 5, 2017 and revised and reviewed June 20, 2018) and in compliance with California and Federal law at St. Francis Medical Center. Within 90 days from the closing of the Asset Purchase Agreement, Strategic Global Management, Inc. will amend the Financial Assistance Policy to include as follows:

- a. A copy of the Financial Assistance Policy and the plain language summary of the Financial Assistance Policy must be posted at St. Francis Medical Center in a prominent location in the emergency room, admissions area, and any other location in the hospital where there is a high volume of patient traffic, including waiting rooms, billing offices, and hospital outpatient service settings.
- b. A copy of the Financial Assistance Policy, the Application for Financial Assistance, and the plain language summary of the Financial Assistance Policy must be posted in a prominent place on St. Francis Medical Center's website.
- c. If requested by a patient, a copy of the Financial Assistance Policy, Application for Financial Assistance, and the plain language summary must be sent by mail at no cost to the patient.
- d. As necessary, and at least on an annual basis, Strategic Global Management, Inc. will place an advertisement regarding the availability of financial assistance at St. Francis Medical Center in a newspaper of general circulation in the communities served by the hospital, or issue a Press Release to widely publicize the availability of the Financial Assistance Policy to the communities served by the hospital.
- e. Strategic Global Management, Inc. will work with affiliated organizations, physicians, community clinics, other health care providers, houses of worship, and other community-based organizations to notify members of the community (especially those who are most likely to require financial assistance) about the availability of financial assistance at St. Francis Medical Center.
- f. By December 1, 2019, all staff that interacts with patients and their families concerning payment of services shall be given training to make patients and their families aware of and informed of Strategic Global Management, Inc.'s Financial Assistance Policy at St. Francis Medical Center.

Any planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at St. Francis Medical Center shall be decided after consultation with the Local Governing Board of Directors.

Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the closing date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim Average Base Period: 1982-84=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of charity care provided at St. Francis Medical Center for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide direct healthcare services to residents in the St. Francis Medical Center's service area (31 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

XI.

For six fiscal years from the closing date of the Asset Purchase Agreement Strategic Global Management, Inc. shall provide an annual amount of Community Benefit Services at St. Francis Medical Center equal to or greater than \$1,139,301 (the "Minimum Community Benefit Services Amount") exclusive of any funds from grants. For six fiscal years, the following community benefit programs and services shall continue to be offered at its current or equivalent location:

- a. Southern California Crossroads Program;
- b. Health Benefit Resource Center;
- c. Welcome Baby Program;
- d. Healthy Community Initiatives;
- e. American Career College access for onsite training;
- f. Paramedic Training and Education; and
- g. Patient Transportation support.

The planning of, and any subsequent changes to, the community benefit services provided at St. Francis Medical Center shall be decided after consultation with the Local Governing Board of Directors.

Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the effective date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim Average Base Period: 1982-84=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at St. Francis Medical Center for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in St. Francis Medical Center's service area (31 ZIP codes), as defined on as described on page 54 in the Healthcare Impact

Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

XII.

For at least ten years from the closing date of the Asset Purchase Agreement unless otherwise indicated, Strategic Global Management, Inc. shall maintain its contracts and any amendments and exhibits thereto with the City and/or County of Los Angeles for services, including the following:

- a. Participation in the Hospital Preparedness Program between the Hospital and Los Angeles County;
- b. Department of Mental Health Legal Entity Contract between the Hospital and Los Angeles County;
- c. Paramedic Base Hospital Services between the Hospital and Los Angeles County;
- d. Radiation Therapy Services between the Hospital and Los Angeles County;
- e. Designation Agreement between the County of Los Angeles Department of Mental Health (LAC-DMH) and the Hospital and approved as a 72-hour Evaluation and Intensive Treatment facility;
- f. Affiliation Agreement for physicians in post graduate training;
- g. Trauma Center Service Agreement between the Hospital and Los Angeles County; and
- h. Paramedic Training Institute Students between the Hospital and Los Angeles County.

For at least ten years from the closing date of the Asset Purchase Agreement, Strategic Global Management shall provide to the Los Angeles County Department of Health Services and Los Angeles County of Department of Mental Health information and documents related to staffing assessments, clinical guidelines, services provided, and technology needs for St. Francis Medical Center. The goal is to ensure that Strategic Global Management, Inc.'s decisions or changes in these areas will not be motivated by a desire to move away from serving the Medi-Cal population. Such information and documents will also be provided to the Local Governing Board.

XIII.

For ten years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc. shall have at St. Francis Medical Center a Local Governing Board of Directors. Strategic Global Management, Inc. shall consult with the Local Governing Board of Directors prior to making changes to medical services, community benefit programs, making capital expenditures, including making changes to the charity care and collection policies, and making changes to charity care services provided at St. Francis Medical Center. The members of the Local Governing Board shall include physicians from St. Francis Medical Center's medical staff, St. Francis Medical Center's Chief of Staff, one member designated by the Los Angeles County Board of Supervisors, and community representatives from St. Francis Medical Center's primary service area (31 ZIP codes), as described on page 54 in the Healthcare Impact Report

authored by JD Healthcare dated August 16, 2019 attached hereto as Exhibit 1, including at least one member from a local healthcare advocacy group. Such consultation shall occur at least sixty days prior to the effective date of such changes or actions unless done so on an emergency basis. The Local Governing Board's approval is required of all reports submitted to the Attorney General regarding compliance with these Conditions.

XIV.

Strategic Global Management, Inc. shall commit to reserve or expend capital for St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center for capital improvements to the hospitals over the five-year period from the closing of the Asset Purchase Agreement of the amount that remains unexpended from the \$180 million commitment required of BlueMountain Capital Management, LLC as part of the Attorney General Conditions approved on December 3, 2015 but this amount can be no less than \$5.8 million among the three hospitals.

XV.

Strategic Global Management, Inc. shall commit the necessary investments required to maintain OSHPD seismic compliance requirements at the Hospital through 2030 under the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983, as amended by the California Hospital Facilities Seismic Safety Act, (Health & Safety. Code, § 129675-130070).

XVI.

Strategic Global Management, Inc. shall maintain privileges for current medical staff who are in good standing as of the closing date of the Asset Purchase Agreement. Further, the closing of the Asset Purchase Agreement shall not change the medical staff officers, committee chairs, or independence of the medical staff, and such persons shall remain in good standing for the remainder of their tenure at St. Francis Medical Center.

XVII.

There shall be no discrimination against lesbian, gay, bisexual, or transgender individuals at St. Francis Medical Center, and no restriction or limitation on providing or making reproductive health services available at St. Francis Medical Center, its medical office buildings, or at any of its facilities. Both of these prohibitions shall be set forth in Strategic Global Management, Inc.'s written policies, adhered to, and strictly enforced.

XVIII.

Within 15 days of the closing of date of the Asset Purchase Agreement, St. Francis Medical Center Foundation shall transfer all charitable assets including, but not limited to, all temporary and permanently restricted funds to the California Community Foundation.

- a) The funds from St. Francis Medical Center Foundation, if not previously restricted to support a specific charitable organization, will be deposited

into the California Community Foundation's St. Francis Medical Center Fund, and used to support nonprofit tax-exempt charitable organizations, clinics and facilities in providing healthcare services to residents of St. Francis Medical Center's service area (31 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) The donated funds shall be maintained and used for the purposes specified herein for a period of at least five years.

- b) If there are funds from St. Francis Medical Center Foundation previously restricted to support a specific charitable organization, such funds shall be deposited into a fund or funds at California Community Foundation restricted to continuing support for such charitable organization or organizations. Such funds are protected against obsolescence. If the purposes of any restricted fund become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served by California Community Foundation, the California Community Foundation's Board of Directors shall have the ability to modify any restriction or condition on the use such fund.

XIX.

For eleven fiscal years from the closing date of the Asset Purchase Agreement Strategic Global Management shall submit to the Attorney General, no later than four months after the conclusion of each fiscal year, a report describing in detail compliance with each Condition set forth herein. The Chairman of the Board of Directors of Strategic Global Management, Inc. shall certify that the report is true, accurate, and complete and provide documentation of the review and approval of the report by the Local Governing Board.

XX.

At the request of the Attorney General, all parties listed in Condition I, Verity Health System of California, Inc., Verity Holdings, LLC, Strategic Global Management, Inc., and any other parties referenced in the agreements listed in Condition II shall provide such information as is reasonably necessary for the Attorney General to monitor compliance with these Conditions and the terms of the transaction as set forth herein. The Attorney General shall, at the request of a party and to the extent provided by law, keep confidential any information so produced to the extent that such information is a trade secret or is privileged under state or federal law, or if the private interest in maintaining confidentiality clearly outweighs the public interest in disclosure.

XXI.

Once the Asset Purchase Agreement is closed, all parties listed in Condition I, and any other parties referenced in the agreements listed in Condition II are deemed to have explicitly and implicitly consented to the applicability and compliance with each and every Condition and to have waived any right to seek judicial relief with respect to each and every Condition.

The Attorney General reserves the right to enforce each and every Condition set forth herein to the fullest extent provided by law. In addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies as a court may deem appropriate for breach of any of these Conditions. Pursuant to Government Code section 12598, the Attorney General's office shall also be entitled to recover its attorney fees and costs incurred in remedying each and every violation.

I.

These Conditions shall be legally binding on Verity Health System of California, Inc., a California nonprofit public benefit corporation, Verity Holdings, LLC, a California limited liability company, St. Francis Medical Center, a California nonprofit public benefit corporation, St. Vincent Medical Center, a California nonprofit public benefit corporation, St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation, Seton Medical Center, a California nonprofit public benefit corporation, St. Francis Medical Center Foundation, a nonprofit public benefit corporation, St. Vincent Foundation, a California nonprofit corporation, Seton Medical Center Foundation, a California nonprofit corporation, Verity Business Services, a California nonprofit public benefit corporation, Verity Medical Foundation, a California nonprofit public benefit corporation, St. Vincent de Paul Ethics Corporation, a California nonprofit public benefit corporation, St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation, Marillac Insurance Company, Ltd., a Cayman Islands corporation, DePaul Ventures, LLC, a California limited liability company, DePaul Ventures – San Jose ASC, LLC, a California limited liability company, DePaul Ventures – San Jose Dialysis, LLC, a California limited liability company, and Strategic Global Management, Inc., a California corporation, any other subsidiary, parent, general partner, limited partner, member, affiliate, successor, successor in interest, assignee, or person or entity serving in a similar capacity of any of the above-listed entities including, but not limited to, any entity succeeding thereto as a result of consolidation, affiliation, merger, or acquisition of all or substantially all of the real property or operating assets of St. Vincent Medical Center, or the real property on which St. Vincent Medical Center is located, any and all current and future owners, lessees, licensees, or operators of St. Vincent Medical Center, and any and all current and future lessees and owners of the real property on which St. Vincent Medical Center is located.

II.

The transaction conditionally approved by the Attorney General consists of the Asset Purchase Agreement dated January 8, 2019, by and among, Verity Health System of California, Inc., a California nonprofit public benefit corporation, Verity Holdings, LLC, a California limited liability company, St. Francis Medical Center, a California nonprofit public benefit corporation, St. Vincent Medical Center, a California nonprofit public benefit corporation, St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation, Seton Medical Center, a

¹ Throughout this document, the term “St. Vincent Medical Center” shall mean the general acute care hospital located at 2131 West Third Street, Los Angeles, CA 90057, and any other clinics, laboratories, units, services, or beds included on the license issued to St. Vincent Medical Center by the California Department of Public Health, effective January 1, 2019, unless otherwise indicated.

California nonprofit public benefit corporation, and Strategic Global Management, Inc., a California corporation, and any agreements or documents referenced in or attached to as an exhibit or schedule and any other documents referenced in the Asset Purchase Agreement, including, but not limited to, the Sale Leaseback Agreement and Interim Management Agreement.

All the entities listed in Condition I, and any other parties referenced in the above agreements shall fulfill the terms of these agreements or documents and shall notify and obtain the Attorney General's approval in writing of any proposed modification or rescission of any of the terms of these agreements or documents. Such notifications shall be provided at least sixty days prior to their effective date in order to allow the Attorney General to consider whether they affect the factors set forth in Corporations Code section 5917 and obtain the Attorney General's approval.

III.

For five years from the closing date of the Asset Purchase Agreement, Verity Health System of California, Inc., Verity Holdings, LLC, Strategic Global Management, Inc., and all future owners, managers, lessees, licensees, or operators of St. Vincent Medical Center shall be required to provide written notice to the Attorney General sixty days prior to entering into any agreement or transaction to do any of the following:

- (a) Sell, transfer, lease, exchange, option, convey, manage, or otherwise dispose of St. Vincent Medical Center;
- (b) Transfer control, responsibility, management, or governance of St. Vincent Medical Center. The substitution, merger or addition of a new member or members of the governing body of Strategic Global Management, Inc. that transfers the control of, responsibility for or governance of St. Vincent Medical Center, shall be deemed a transfer for purposes of this Condition. The substitution or addition of one or more members of the governing body of Strategic Global Management, Inc., or any arrangement, written or oral, that would transfer voting control of the members of the governing body of Strategic Global Management, Inc. shall also be deemed a transfer for purposes of this Condition.

IV.

For five years from the closing date of the Asset Purchase Agreement unless otherwise stated, St. Vincent Medical Center shall be operated and maintained as a licensed general acute care hospital (as defined in California Health and Safety Code Section 1250). If, on Strategic Global Management, Inc.'s further evaluation, the cost to seismically retrofit the St. Vincent Medical Center becomes less feasible than building a new replacement hospital, services may need to be temporarily closed or relocated due to construction. A detailed program and services plan, architectural drawings, and financing plan shall be presented to the California Attorney General for approval before ceasing to operate any services.

V.

For five years from the closing date of the Asset Purchase Agreement, St. Vincent Medical Center shall maintain and provide 24-hour emergency services at no less than its current licensure² of 8 treatment stations, and designation and the following health care services at current licensure types, and/or levels of services:

- a. Designation as a STEMI Receiving center; and
- b. Maintaining the requirements set by the County of Los Angeles Emergency Medical Services for 911 Receiving Hospitals.

VI.

For at least five years from the closing date of the Asset Purchase Agreement, St. Vincent Medical Center shall maintain and provide the following services at current licensure, types, and/or levels of services:

- a. Acute rehabilitation services, including a minimum of 19 licensed rehabilitation beds;
- b. Intensive care services, including a minimum of 30 intensive care beds;
- c. Cardiac services, including cardiac surgery and a minimum of two cardiac catheterization labs;
- d. Cancer services, including radiation oncology. Radiation oncology services may be relocated and patients transitioned to another site that has capacity within a three-mile radius after the first year after the closing of the Asset Purchase Agreement;
- e. Gastroenterology services;
- f. Imaging and laboratory services;
- g. Nephrology services, including end stage renal disease program, acute inpatient dialysis, and hemodialysis treatments;
- h. Neurology and neurotology services, including neurosurgery;
- i. Orthopedics, joint replacement, and spine care services;
- j. Transplant services, including kidney and multi-organ transplant procedures for kidney/pancreas double transplants. Transplant services do not include the liver transplant program. These services may be relocated to another hospital in the primary service area based upon a submission of a detailed plan to be approved by the California Attorney General; and
- k. Outpatient dialysis services. The outpatient dialysis services shall be within 5 miles of St. Vincent Medical Center by either (1) operating St. Vincent Dialysis Center, or (2) transferring St. Vincent Dialysis Center to a separate entity and requiring that entity to operate it for 5 years from the closing date of the Asset Purchase Agreement and to participate in the Medi-Cal and Medicare programs as required in the Conditions herein, or (3) ensuring that a third party is operating an outpatient dialysis center(s) at current levels for 5 years from the closing date of the Asset Purchase Agreement and that such center(s) participate in the Medi-Cal and Medicare programs as required in Conditions herein.

² The term “current” or “currently” throughout this document means as of January 1, 2019.

Strategic Global Management, Inc. shall not place all or any portion of its above-listed licensed-bed capacity or services in voluntary suspension or surrender its license for any of these beds or services.

VII.

For at least five years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc. shall either: (1) operate clinics (listed below) with the same number of physicians and mid-level provider full-time equivalents in the same or similar alignment structures, or (2) sell the clinics (listed below) with the same number of physician and mid-level provider full-time equivalents and require the purchaser(s) to maintain such services for 5 years from the closing date of the Asset Purchase Agreement and to participate in the Medi-Cal and Medicare programs as required in the conditions herein, or (3) ensure that a third party is operating the clinics (listed below) with the same number of physician and mid-level provider full-time equivalents and require the third party to maintain such services for 5 years from the closing date of the Asset Purchase Agreement and to participate in the Medi-Cal and Medicare programs as required in the conditions herein. For any of these options, each clinic can be moved to a different location within a three-mile radius of each clinic's current location, and St. Vincent Medical Center can utilize an alternative structure in providing such services. The following clinics are subject to this condition:

- a. Cardiac Care Institute, located at 201 S. Alvarado Street, Suite 321, Los Angeles, California;
- b. Transplant Medical Office, located at 8501 Camino Media, Suite 100, Bakersfield, California;
- c. Cancer Treatment Center, located at 201 S. Alvarado Street, Suite A, Los Angeles, California;
- d. Multi-Organ Transplant services, located at 2200 W. Third Street, 5th Floor, Los Angeles, California;
- e. Radiology services, located at 201 S. Alvarado Street, Suite 311, Los Angeles, California;
- f. Orthopedic Services, located at 2200 W. Third Street, 4th Floor, Los Angeles, California; and
- g. Multispecialty Clinic located at 2200 W. Third Street, Suite 120, Los Angeles, California.

VIII.

For at least five years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc. shall:

- a) Be certified to participate in the Medi-Cal program at St Vincent Medical Center;
- b) Maintain and have Medi-Cal Managed Care contracts with the below listed Medi-Cal Managed Care Plans to provide the same types and levels of emergency and non-emergency services at St. Vincent Medical Center to Medi-Cal beneficiaries (both Traditional Medi-Cal and Medi-Cal Managed Care) as required in these Conditions, on the same terms and conditions as

other similarly situated hospitals offering substantially the same services, without any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage, unless the contract is terminated for cause or not extended or renewed by the Medi-Cal Managed Care Plan:

- i) Local Initiative: L.A. Care Health Plan or its successor; and
- ii) Commercial Plan: Health Net Community Solutions, Inc. or its successor.

If Strategic Global Management, Inc. questions whether it is being reimbursed on the same terms and conditions as other similarly situated hospitals offering substantially the same services, it shall notify the Attorney General's Office with at least 120 days' notice prior to taking any action that would effectuate any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage or prior to giving any required notice of taking such action.

c) Be certified to participate in the Medicare program by maintaining a Medicare Provider Number to provide the same types and levels of emergency and non-emergency services at St. Vincent Medical Center to Medicare beneficiaries (both Traditional Medicare and Medicare Managed Care), on the same terms and conditions as other similarly situated hospitals, as required in these Conditions.

IX.

For six fiscal years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc. shall provide an annual amount of Charity Care (as defined below) at St. Vincent Medical Center equal to or greater than \$696,643 (the Minimum Charity Care Amount). For purposes hereof, the term "charity care" shall mean the amount of charity care costs (not charges) incurred by Strategic Global Management, Inc. in connection with the operation and provision of services at St. Vincent Medical Center. The definition and methodology for calculating "charity care" and the methodology for calculating "costs" shall be the same as that used by Office of Statewide Health Planning Development (OSHPD) for annual hospital reporting purposes.³

Strategic Global Management, Inc. shall use and maintain a charity care policy that is no less favorable than Verity Health System of California, Inc.'s current charity care policy (Verity's Financial Assistance Policy No. 06.03.04 effective December 5, 2017 and revised and reviewed June 20, 2018) and in compliance with California and Federal law at St. Vincent Medical Center. Within 90 days from the closing of the Asset Purchase Agreement, Strategic Global Management, Inc. will amend the Financial Assistance Policy to include as follows:

- a. A copy of the Financial Assistance Policy and the plain language summary of the Financial Assistance Policy must be posted at St. Vincent Medical Center in a prominent

³ OSHPD defines charity care by contrasting charity care and bad debt. According to OSHPD, "the determination of what is classified as . . . charity care can be made by establishing whether or not the patient has the ability to pay. The patient's accounts receivable must be written off as bad debt if the patient has the ability but is unwilling to pay off the account."

- location in the emergency room, admissions area, and any other location in the hospital where there is a high volume of patient traffic, including waiting rooms, billing offices, and hospital outpatient service settings.
- b. A copy of the Financial Assistance Policy, the Application for Financial Assistance, and the plain language summary of the Financial Assistance Policy must be posted in a prominent place on St. Vincent Medical Center's website.
 - c. If requested by a patient, a copy of the Financial Assistance Policy, Application for Financial Assistance, and the plain language summary must be sent by mail at no cost to the patient.
 - d. As necessary, and at least on an annual basis, Strategic Global Management, Inc. will place an advertisement regarding the availability of financial assistance at St. Vincent Medical Center in a newspaper of general circulation in the communities served by the hospital, or issue a Press Release to widely publicize the availability of the Financial Assistance Policy to the communities served by the hospital.
 - e. Strategic Global Management, Inc. will work with affiliated organizations, physicians, community clinics, other health care providers, houses of worship, and other community-based organizations to notify members of the community (especially those who are most likely to require financial assistance) about the availability of financial assistance at St. Vincent Medical Center.
 - f. By December 1, 2019, all staff that interacts with patients and their families concerning payment of services shall be given training to make patients and their families aware of and informed of Strategic Global Management, Inc.'s Financial Assistance Policy at St. Vincent Medical Center.

Any planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at St. Vincent Medical Center shall be decided after consultation with the Local Governing Board of Directors.

Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the closing date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim Average Base Period: 1982-84=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of charity care provided at St. Vincent Medical Center for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide direct healthcare services to residents in the St. Vincent Medical Center's service area (48 ZIP codes), as described on page 52 in the Healthcare Impact Report authored by JD Healthcare dated

August 16, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

X.

For six fiscal years from the closing date of the Asset Purchase Agreement Strategic Global Management, Inc. shall provide an annual amount of Community Benefit Services at St. Vincent Medical Center equal to or greater than \$1,065,604 (the “Minimum Community Benefit Services Amount”) exclusive of any funds from grants. For six fiscal years, the following community benefit programs and services shall continue to be offered at its current or equivalent location:

- a. Health Benefits Resource Center; and
- b. Asian Pacific Liver Center.

The planning of, and any subsequent changes to, the community benefit services provided at St. Vincent Medical Center shall be decided after consultation with the Local Governing Board of Directors.

Strategic Global Management, Inc.’s obligation under this Condition shall be prorated on a daily basis if the effective date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.’s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach Anaheim Average Base Period: 1982-84=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at St. Vincent Medical Center for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in St. Vincent Medical Center’s service area (48 ZIP codes), as defined on as described on page 52 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

XI.

For at least five years from the closing date of the Asset Purchase Agreement unless otherwise indicated, Strategic Global Management, Inc. shall maintain its contracts and any amendments and exhibits thereto with the City and/or County of Los Angeles for services, including the following:

- a. Participation in the Hospital Preparedness Program between the Hospital and Los Angeles County; and

b. Radiation Therapy Services between the Hospital and Los Angeles County.

For at least five years from the closing date of the Asset Purchase Agreement, Strategic Global Management shall provide to the Los Angeles County Department of Health Services and Los Angeles County of Department of Mental Health information and documents related to staffing assessments, clinical guidelines, services provided, and technology needs for St. Vincent Medical Center. The goal is to ensure that Strategic Global Management, Inc.'s decisions or changes in these areas will not be motivated by a desire to move away from serving the Medi-Cal population. Such information and documents will also be provided to the Local Governing Board.

XII.

For five years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc. shall have at St. Vincent Medical Center a Local Governing Board of Directors. Strategic Global Management, Inc. shall consult with the Local Governing Board of Directors prior to making changes to medical services, community benefit programs, making capital expenditures, including making changes to the charity care and collection policies, and making changes to charity care services provided at St. Vincent Medical Center. The members of the Local Governing Board shall include physicians from St. Vincent Medical Center's medical staff, St. Vincent Medical Center's Chief of Staff, one member designated by the Los Angeles County Board of Supervisors, and community representatives from St. Vincent Medical Center's primary service area (48 ZIP codes), as described on page 52 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019 attached hereto as Exhibit 1, including at least one member from a local healthcare advocacy group. Such consultation shall occur at least sixty days prior to the effective date of such changes or actions unless done so on an emergency basis. The Local Governing Board's approval is required of all reports submitted to the Attorney General regarding compliance with these Conditions.

XIII.

Strategic Global Management, Inc. shall commit to reserve or expend capital for St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center for capital improvements to the hospitals over the five-year period from the closing of the Asset Purchase Agreement of the amount that remains unexpended from the \$180 million commitment required of BlueMountain Capital Management, LLC as part of the Attorney General Conditions approved on December 3, 2015 but this amount can be no less than \$5.8 million among the three hospitals.

XIV.

Strategic Global Management, Inc. shall commit the necessary investments required to meet and maintain OSHPD seismic compliance requirements at St. Vincent Medical Center through 2030 under the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983, as amended by the California Hospital Facilities Seismic Safety Act, (Health & Saf. Code, § 129675-130070).

Verity Health System of California, Inc. shall commit the necessary capital investment required to refurbish St. Vincent Medical Center's elevators in order to meet the City of Los Angeles' Elevator Code.

XV.

Strategic Global Management, Inc. shall maintain privileges for current medical staff who are in good standing as of the closing date of the Asset Purchase Agreement. Further, the closing of the Asset Purchase Agreement shall not change the medical staff officers, committee chairs, or independence of the medical staff, and such persons shall remain in good standing for the remainder of their tenure at St. Vincent Medical Center.

XVI.

There shall be no discrimination against lesbian, gay, bisexual, or transgender individuals at St. Vincent Medical Center, and no restriction or limitation on providing or making reproductive health services available at St. Vincent Medical Center, its medical office buildings, or at any of its facilities. Both of these prohibitions shall be set forth in Strategic Global Management Inc.'s written policies, adhered to, and strictly enforced.

XVII.

Within 15 days of the closing of date of the Asset Purchase Agreement, St. Vincent Medical Center Foundation shall transfer all charitable assets including, but not limited to, all temporary and permanently restricted funds to the California Community Foundation.

- a) The funds from St. Vincent Medical Center Foundation, if not previously restricted to support a specific charitable organization, will be deposited into the California Community Foundation's St. Vincent Medical Center Fund, and used to support nonprofit tax-exempt charitable organizations, clinics and facilities in providing healthcare services to residents of St. Vincent Medical Center's service area (48 ZIP codes), as described on page 52 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) The donated funds shall be maintained and used for the purposes specified herein for a period of at least five years.
- b) If there are funds from St. Vincent Medical Center Foundation previously restricted to support a specific charitable organization, such funds shall be deposited into a fund or funds at California Community Foundation restricted to continuing support for such charitable organization or organizations. Such funds are protected against obsolescence. If the purposes of any restricted fund become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served by California Community Foundation, the California Community Foundation's Board of Directors shall have the ability to modify any restriction or condition on the use such fund.

XVIII.

For six fiscal years from the closing date of the Asset Purchase Agreement Strategic Global Management shall submit to the Attorney General, no later than four months after the conclusion of each fiscal year, a report describing in detail compliance with each Condition set forth herein. The Chairman of the Board of Directors of Strategic Global Management, Inc. shall certify that the report is true, accurate, and complete and provide documentation of the review and approval of the report by the Local Governing Board.

XIX.

At the request of the Attorney General, all parties listed in Condition I, Verity Health System of California, Inc., Verity Holdings, LLC, Strategic Global Management, Inc., and any other parties referenced in the agreements listed in Condition II shall provide such information as is reasonably necessary for the Attorney General to monitor compliance with these Conditions and the terms of the transaction as set forth herein. The Attorney General shall, at the request of a party and to the extent provided by law, keep confidential any information so produced to the extent that such information is a trade secret or is privileged under state or federal law, or if the private interest in maintaining confidentiality clearly outweighs the public interest in disclosure.

XX.

Once the Asset Purchase Agreement is closed, all parties listed in Condition I, and any other parties referenced in the agreements listed in Condition II are deemed to have explicitly and implicitly consented to the applicability and compliance with each and every Condition and to have waived any right to seek judicial relief with respect to each and every Condition.

The Attorney General reserves the right to enforce each and every Condition set forth herein to the fullest extent provided by law. In addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies as a court may deem appropriate for breach of any of these Conditions. Pursuant to Government Code section 12598, the Attorney General's office shall also be entitled to recover its attorney fees and costs incurred in remedying each and every violation.

Analysis of the Hospital's Service Area

Service Area Definition

Based upon the Hospital's CY 2017 inpatient discharges, the Hospital's service area is comprised of 48 ZIP Codes from which 71% of the Hospital's inpatient discharges came from. Approximately 38% of the Hospital's discharges originated from the top eight ZIP Codes, located in Los Angeles. In CY 2017, the Hospital's market share in the primary and secondary service area was approximately 4% based on total area discharges.

- g. Nephrology services.

Strategic Global Management, Inc. shall not place all or any portion of its above-listed licensed-bed capacity or services in voluntary suspension or surrender its license for any of these beds or services.

VIII.

For the remainder of the term (until December 13, 2025), Seton Medical Center shall maintain the following services at current licensure, types, and/or levels of services at Seton Coastside including:

- a. 24-hour "standby" Emergency Department, with a minimum of 7 treatment stations; and
- b. Skilled nursing services, including a minimum of 116 licensed skilled nursing beds.

IX.

For at least five years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc. shall either: (1) operate clinics (listed below) with the same number of physicians and mid-level provider full-time equivalents in the same or similar alignment structures, or (2) sell the clinics (listed below) with the same number of physician and mid-level provider full-time equivalents and require the purchaser(s) to maintain such services for 5 years from the closing date of the Asset Purchase Agreement and to participate in the Medi-Cal and Medicare programs as required in the conditions herein, or (3) ensure that a third party is operating the clinics (listed below) with the same number of physician and mid-level provider full-time equivalents and require the third party to maintain such services for 5 years from the closing date of the Asset Purchase Agreement and to participate in the Medi-Cal and Medicare programs as required in the conditions herein. For any of these options, each clinic can be

moved to a different location within a three-mile radius of each clinic's current location, and Seton Medical and Seton Coastside can utilize an alternative structure in providing such services.

The following clinics are subject to this condition shall maintain the same types and/or levels of services provided, including women's healthcare services, and mammography services:

- a. Women's Health Services, located at 1850 Sullivan Avenue, Suite 190, Daly City California.
- b. Imaging Services located at 1850 Sullivan Avenue, Suite 100, Daly City California; and
- c. Wound Care Services, located at 1850 Sullivan Avenue, Suite 115, Daly City California.

X.

For six fiscal years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc. shall provide an annual amount of Charity Care (as defined below) at Seton Medical Center and Seton Coastside equal to or greater than \$1,055,863 (the Minimum Charity Care Amount). For purposes hereof, the term "charity care" shall mean the amount of charity care costs (not charges) incurred by Strategic Global Management, Inc. in connection with the operation and provision of services at Seton Medical Center and Seton Coastside. The definition and methodology for calculating "charity care" and the methodology for calculating "costs" shall be the same as that used by Office of Statewide Health Planning Development (OSHPD) for annual hospital reporting purposes.⁵

Strategic Global Management, Inc. shall use and maintain a charity care policy that is no less favorable than Verity Health System of California, Inc.'s current charity care policy (Verity's Financial Assistance Policy No. 06.03.04 effective December 5, 2017 and revised and reviewed June 20, 2018) and in compliance with California and Federal law at Seton Medical Center and Seton Coastside. Within 90 days from the closing of the Asset Purchase Agreement, Strategic Global Management, Inc. will amend the Financial Assistance Policy to include as follows:

- a. A copy of the Financial Assistance Policy and the plain language summary of the Financial Assistance Policy must be posted at Seton Medical Center and Seton Coastside in a prominent location in the emergency room, admissions area, and any other location in the hospital where there is a high volume of patient traffic, including waiting rooms, billing offices, and hospital outpatient service settings.
- b. A copy of the Financial Assistance Policy, the Application for Financial Assistance, and the plain language summary of the Financial Assistance Policy must be posted in a prominent place on each Seton Medical Center's and Seton Coastside's website(s).

⁵ OSHPD defines charity care by contrasting charity care and bad debt. According to OSHPD, "the determination of what is classified as . . . charity care can be made by establishing whether or not the patient has the ability to pay. The patient's accounts receivable must be written off as bad debt if the patient has the ability but is unwilling to pay off the account."

- c. If requested by a patient, a copy of the Financial Assistance Policy, Application for Financial Assistance, and the plain language summary must be sent by mail at no cost to the patient.
- d. As necessary, and at least on an annual basis, Strategic Global Management, Inc. will place an advertisement regarding the availability of financial assistance at Seton Medical Center and Seton Coastsides in a newspaper of general circulation in the communities served by the hospitals, or issue a Press Release to widely publicize the availability of the Financial Assistance Policy to the communities served by the hospitals.
- e. Strategic Global Management, Inc. will work with affiliated organizations, physicians, community clinics, other health care providers, houses of worship, and other community-based organizations to notify members of the community (especially those who are most likely to require financial assistance) about the availability of financial assistance at Seton Medical Center and Seton Coastsides.
- f. By December 1, 2019, all staff that interacts with patients and their families concerning payment of services shall be given training to make patients and their families aware of and informed of Strategic Global Management, Inc.'s Financial Assistance Policy at Seton Medical Center and Seton Coastsides.

Any planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at Seton Medical Center and Seton Coastsides shall be decided after consultation with the Local Governing Board of Directors.

Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the closing date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose, California Average Base Period: 1982-84=100 (as published by the U.S. Bureau of Labor Statistics). If the actual amount of charity care provided at Seton Medical Center and Seton Coastsides for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide direct healthcare services to residents in the Seton Medical Center service area (14 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 19, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

XI.

For six fiscal years from the closing date of the Asset Purchase Agreement Strategic Global Management, Inc. shall provide an annual amount of Community Benefit Services at Seton Medical Center and Seton Coastsides equal to or greater than \$685,870 (the "Minimum Community Benefit Services Amount") exclusive of any funds from grants. For six fiscal years,

the following community benefit programs and services shall continue to be offered at its current or equivalent location:

- a. Health Benefits Resource Center; and
- b. RotaCare Clinic.

The planning of, and any subsequent changes to, the community benefit services provided at Seton Medical Center shall be decided after consultation with the Local Governing Board of Directors.

Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the effective date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose, California Average Base Period: 1982-84=100 (as published by the U.S. Bureau of Labor Statistics). If the actual amount of community benefit services provided at Seton Medical Center and Seton Coastside for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in Seton Medical Center's service area (14 ZIP codes), as defined on as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 19, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

XII.

For the remainder of the term (until December 13, 2025), Strategic Global Management, Inc. shall:

- a) Be certified to participate in the Medi-Cal program at Seton Medical Center and Seton Coastside;
- b) Maintain and have a Medi-Cal Managed Care contract with San Mateo Health Commission dba Health Plan of San Mateo or its successor to provide the same types and levels of emergency and non-emergency services at Seton Medical Center and Seton Coastside to Medi-Cal beneficiaries (both Traditional Medi-Cal and Medi-Cal Managed Care) as required in these Conditions, on the same terms and conditions as other similarly situated hospitals offering substantially the same services, without any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage, unless the contract is terminated for cause or not extended or renewed by the Medi-Cal Managed Care Plan.

If Strategic Global Management, Inc. questions whether it is being reimbursed on the same terms and conditions as other similarly situated hospitals offering substantially the same services, it shall notify the Attorney General's Office with at least 120 days' notice prior to taking any action that would effectuate any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage or prior to giving any required notice of taking such action.

c) Be certified to participate in the Medicare program by maintaining a Medicare Provider Number to provide the same types and levels of emergency and non-emergency services at Seton Medical Center and Seton Coastside to Medicare beneficiaries (both Traditional Medicare and Medicare Managed Care) as required in these Conditions.

XIII.

For at least five years from the closing date of the Asset Purchase Agreement unless otherwise indicated, Strategic Global Management, Inc. shall maintain its contracts and any amendments and exhibits thereto with the County of San Mateo, unless otherwise terminated by the County of San Mateo, for services, including the following:

- a. Participation in the Hospital Preparedness Program between the Hospital (jointly with Seton Coastside) and San Mateo County;
- b. STEMI Receiving Center Designation between the Hospital and San Mateo County;
- c. Financial Support for Seismic Upgrades between the Hospital and San Mateo County;
- d. Information Sharing and Data Use Agreement between the Hospital and the County of San Mateo Health System;
- e. Fee for Service Hospital Services Agreement between the Hospital (jointly with Seton Coastside) and San Francisco Health Plan;
- f. Memorandum of Understanding between the Hospital and San Mateo County Behavioral Health and Recovery Services Division;
- g. Affiliation Agreement for the Radiology Technology Program between the Hospital and San Mateo College District;
- h. Affiliation Agreement for the Registered Nursing Program between the Hospital (jointly with Seton Coastside) and San Mateo College District;
- i. Patient Transfer Agreement between the Hospital and San Mateo County Medical Center;
- j. Rail Shuttle Bus Service Administration for Seton Shuttle Agreement between the Hospital and San Mateo County Transit District;
- k. Medical Services Agreement between the Hospital and San Mateo Health Community Health Authority- Access and Care for Everyone (ACE) Program;
- l. Hospital Medi-Cal Hospital Agreement between the Hospital and San Mateo Health Commission dba Health Plan of San Mateo;
- m. Memorandum of Understanding for Long Term Care Partnership Program between the Hospital and San Mateo Health Commission dba Health Plan of San Mateo; and
- n. Care Advantage Hospital Service Agreement between the Hospital and San Mateo Health Commission dba Health Plan of San Mateo.

XIV.

For the remainder of the term (until December 13, 2025), Strategic Global Management, Inc. shall have at Seton Medical Center and Seton Coastside Local Governing Board(s) of Directors. Strategic Global Management, Inc. shall consult with the Local Governing Board(s) of Directors prior to making changes to medical services, community benefit programs, making capital expenditures, making changes to the charity care and collection policies, and making changes to charity care services provided at Seton Medical Center and Seton Coastside. The members of the Local Governing Board(s) shall include physicians from Seton Medical Center's and Seton Coastside's medical staff, Seton Medical Center's and Seton Coastside's Chief(s) of Staff, one member designated by the San Mateo County Board of Supervisors, and community representatives from Seton Medical Center's and Seton Coastside's service area (14 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 19, 2019, attached hereto as Exhibit 1, including at least one member from a local healthcare advocacy group. Such consultation shall occur at least sixty days prior to the effective date of such changes or actions unless done so on an emergency basis. The Local Governing Board(s)'s approval is required of all reports submitted to the Attorney General regarding compliance with these Conditions.

XV.

Strategic Global Management, Inc. shall commit to reserve or expend capital for St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center for capital improvements to the hospitals over the five-year period from the closing of the Asset Purchase Agreement of the amount that remains unexpended from the \$180 million commitment required of BlueMountain Capital Management, LLC as part of the Attorney General Conditions approved on December 3, 2015 but this amount can be no less than \$5.8 million among the three hospitals.

XVI.

Strategic Global Management, Inc. shall maintain privileges for current medical staff who are in good standing as of the closing date of the Asset Purchase Agreement. Further, the closing of the Asset Purchase Agreement shall not change the medical staff officers, committee chairs, or independence of the medical staff, and such persons shall remain in good standing for the remainder of their tenure at Seton Medical Center and Seton Coastside.

XVII.

Strategic Global Management, Inc. shall commit the necessary investments required to meet and maintain OSHPD seismic compliance requirements at Seton Medical Center and Seton Coastside through 2030 under the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983, as amended by the California Hospital Facilities Seismic Safety Act, (Health & Saf. Code, § 129675-130070). Strategic Global Management, Inc. shall meet construction benchmarks which include the starting of construction on the 1963 Tower, and as detailed on the attached Exhibit 2.

XVIII.

There shall be no discrimination against lesbian, gay, bisexual, or transgender individuals at Seton Medical Center and Seton Coastside, and no restriction or limitation on providing or making reproductive health services available at Seton Medical Center and Seton Coastside, its medical office buildings, or at any of its facilities. Both of these prohibitions shall be set forth in Strategic Global Management Inc.'s written policies, adhered to, and strictly enforced.

XIX.

Within 15 days of the Attorney General's approval, Seton Medical Center Foundation shall transfer all charitable assets including, but not limited to, all temporary and permanently restricted funds to the California Community Foundation.

- a) The funds from Seton Medical Center Foundation, if not previously restricted to support a specific charitable organization, will be deposited into the California Community Foundation's Seton Medical Foundation, and used to support nonprofit tax-exempt charitable organizations, clinics and facilities in providing healthcare services to residents of Seton Medical Foundation's service area (14 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 19, 2019. (Exhibit 1.) The donated funds shall be maintained and used for the purposes specified herein for a period of at least five years.
- b) If there are funds from Seton Medical Foundation previously restricted to support a specific charitable organization, such funds shall be deposited into a fund or funds at California Community Foundation restricted to continuing support for such charitable organization or organizations. Such funds are protected against obsolescence. If the purposes of any restricted fund become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served by California Community Foundation, the California Community Foundation's Board of Directors shall have the ability to modify any restriction or condition on the use such fund.

XX.

For six fiscal years from the closing date of the Asset Purchase Agreement Strategic Global Management shall submit to the Attorney General, no later than four months after the conclusion of each fiscal year, a report describing in detail compliance with each Condition set forth herein. The Chairman of the Board of Directors of Strategic Global Management, Inc. shall certify that the report is true, accurate, and complete and provide documentation of the review and approval of the report by the Local Governing Board.

XXI.

At the request of the Attorney General, all parties listed in Condition I, Verity Health System of California, Inc., Verity Holdings, LLC, Strategic Global Management, Inc., and any other parties

referenced in the agreements listed in Condition II shall provide such information as is reasonably necessary for the Attorney General to monitor compliance with these Conditions and the terms of the transaction as set forth herein. The Attorney General shall, at the request of a party and to the extent provided by law, keep confidential any information so produced to the extent that such information is a trade secret or is privileged under state or federal law, or if the private interest in maintaining confidentiality clearly outweighs the public interest in disclosure.

XXII.

Once the Asset Purchase Agreement is closed, all parties listed in Condition I, and any other parties referenced in the agreements listed in Condition II are deemed to have explicitly and implicitly consented to the applicability and compliance with each and every Condition and to have waived any right to seek judicial relief with respect to each and every Condition.

The Attorney General reserves the right to enforce each and every Condition set forth herein to the fullest extent provided by law. In addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies as a court may deem appropriate for breach of any of these Conditions. Pursuant to Government Code section 12598, the Attorney General's office shall also be entitled to recover its attorney fees and costs incurred in remedying each and every violation.

For the remainder of the term (until December 13, 2025), Strategic Global Management, Inc. shall not place all or any portion of its above-listed licensed-bed capacity or services in voluntary suspension or surrender its license for any of these beds or services.

VII.

For ~~at least ten years from the closing date~~remainder of the ~~Asset Purchase Agreement~~term (until December 13, 2025), St. Francis Medical Center shall maintain the same types and/or levels of women's healthcare services currently provided ~~at the location below or a location within three miles of St. Francis Medical Center:~~

- ~~a. Family Life Center at St. Francis Medical Center, located at 3630 E Imperial Highway, Lynwood, California.~~

VIII.

For ~~at least five years from the closing date~~remainder of the ~~Asset Purchase Agreement~~term (until December 13, 2020), Strategic Global Management, Inc. shall either: (1) operate clinics (listed below) with the same number of physicians and mid-level provider full-time equivalents in the same or similar alignment structures, or (2) sell the clinics (listed below) with the same number of physician and mid-level provider full-time equivalents and require the purchaser(s) to maintain such services for ~~5 years from the closing date~~remainder of the ~~Asset Purchase Agreement~~term (until December 13, 2020), and to participate in the Medi-Cal and Medicare programs as required in the conditions herein, or (3) ensure that a third party is operating the clinics (listed below) with the same number of physician and mid-level provider full-time equivalents and require the third party to maintain such services for ~~5 years from the closing~~

~~date~~remainder of the ~~Asset Purchase Agreement~~term (December 13, 2020), and to participate in the Medi-Cal and Medicare programs as required in the conditions herein. For any of these options, each clinic can be moved to a different location within a three-mile radius of each clinic's current location, and St. Francis Medical Center can utilize an alternative structure in providing such services. The following clinics are subject to this condition:

- ~~a. Pediatric services at Children's Counseling Center, 4390 Tweedy Ave, South Gate, California;~~
- ~~b. The multi-specialty services, including wound care at Wound Care Center, 3628 E. Imperial Highway, Suite 103, Lynwood, California; and~~
- ~~e.~~a. Orthopedic services at 3628 E. Imperial Highway, Suite 300, Lynwood, California.

IX.

For ~~ten years from~~ the ~~closing date~~remainder of the ~~Asset Purchase Agreement~~term (until December 13, 2025), Strategic Global Management, Inc. shall:

- a) Be certified to participate in the Medi-Cal program at St. Francis Medical Center;
- b) Maintain and have Medi-Cal Managed Care contracts with the below listed Medi-Cal Managed Care Plans to provide the same types and levels of emergency and non-emergency services at St. Francis Medical Center to Medi-Cal beneficiaries (both Traditional Medi-Cal and Medi-Cal Managed Care) as required in these Conditions, on the same terms and conditions as other similarly situated hospitals offering substantially the same services, without any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage, unless the contract is terminated for cause or not extended or renewed by the Medi-Cal Managed Care Plan:
 - i) Local Initiative: L.A. Care Health Plan or its successor; and
 - ii) Commercial Plan: Health Net Community Solutions, Inc. or its successor.

If Strategic Global Management, Inc. questions whether it is being reimbursed on the same terms and conditions as other similarly situated hospitals offering substantially the same services, it shall notify the Attorney General's Office with at least 120 days' notice prior to taking any action that would effectuate any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage or prior to giving any required notice of taking such action.

- c) Be certified to participate in the Medicare program by maintaining a Medicare Provider Number to provide the same types and levels of emergency and non-emergency services at St. Francis Medical Center to Medicare beneficiaries (both Traditional Medicare and Medicare Managed Care), on the same terms and conditions as other similarly situated hospitals, as required in these Conditions.

X.

For ~~six fiscal years from the closing date~~remainder of the ~~Asset Purchase Agreement~~term (until December 13, 2026), Strategic Global Management, Inc. shall provide an annual amount of Charity Care (as defined below) at St. Francis Medical Center equal to or greater than ~~\$12,793,435~~\$8,000,000 (the Minimum Charity Care Amount). For purposes hereof, the term “charity care” shall mean the amount of charity care costs (not charges) incurred by Strategic Global Management, Inc. in connection with the operation and provision of services at St. Francis Medical Center. The definition and methodology for calculating “charity care” and the methodology for calculating “costs” shall be the same as that used by Office of Statewide Health Planning Development (OSHPD) for annual hospital reporting purposes.⁵

~~Strategic Global Management, Inc. shall use and maintain a charity care policy that is no less favorable than Verity Health System of California, Inc.’s current charity care policy (Verity’s Financial Assistance Policy No. 06.03.04 effective December 5, 2017 and revised and reviewed June 20, 2018) and in compliance with California and Federal law at St. Francis Medical Center. Within 90 days from the closing of the Asset Purchase Agreement, Strategic Global Management, Inc. will amend the Financial Assistance Policy to include as follows:~~

- ~~a. A copy of the Financial Assistance Policy and the plain language summary of the Financial Assistance Policy must be posted at St. Francis Medical Center in a prominent location in the emergency room, admissions area, and any other location in the hospital where there is a high volume of patient traffic, including waiting rooms, billing offices, and hospital outpatient service settings.~~
- ~~b. A copy of the Financial Assistance Policy, the Application for Financial Assistance, and the plain language summary of the Financial Assistance Policy must be posted in a prominent place on St. Francis Medical Center’s website.~~
- ~~c. If requested by a patient, a copy of the Financial Assistance Policy, Application for Financial Assistance, and the plain language summary must be sent by mail at no cost to the patient.~~
- ~~d. As necessary, and at least on an annual basis, Strategic Global Management, Inc. will place an advertisement regarding the availability of financial assistance at St. Francis Medical Center in a newspaper of general circulation in the communities served by the hospital, or issue a Press Release to widely publicize the availability of the Financial Assistance Policy to the communities served by the hospital.~~
- ~~e. Strategic Global Management, Inc. will work with affiliated organizations, physicians, community clinics, other health care providers, houses of worship, and other community-based organizations to notify members of the community (especially those who are most likely to require financial assistance) about the availability of financial assistance at St. Francis Medical Center.~~
- ~~f. By December 1, 2019, all staff that interacts with patients and their families concerning payment of services shall be given training to make patients and their families aware of~~

⁵ OSHPD defines charity care by contrasting charity care and bad debt. According to OSHPD, “the determination of what is classified as . . . charity care can be made by establishing whether or not the patient has the ability to pay. The patient’s accounts receivable must be written off as bad debt if the patient has the ability but is unwilling to pay off the account.”

~~and informed of Strategic Global Management, Inc.'s Financial Assistance Policy at St. Francis Medical Center.~~

~~Any planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at St. Francis Medical Center shall be decided after consultation with the Local Governing Board of Directors.~~

Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the closing date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim Average Base Period: 1982-84=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of charity care provided at St. Francis Medical Center for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide direct healthcare services to residents in the St. Francis Medical Center's service area (31 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

XI.

For six fiscal years from the closing date of the Asset Purchase Agreement Strategic Global Management, Inc. shall provide an annual amount of Community Benefit Services at St. Francis Medical Center equal to or greater than \$1,139,301 (the "Minimum Community Benefit Services Amount") exclusive of any funds from grants. For six fiscal years, the following community benefit programs and services shall continue to be offered at its current or equivalent location:

~~Southern California Crossroads Program;~~

- a. Health Benefit Resource Center;
- b. Welcome Baby Program;
- c. Healthy Community Initiatives;
- d. American Career College access for onsite training;
- e. Paramedic Training and Education; and
- f. Patient Transportation support.

The planning of, and any subsequent changes to, the community benefit services provided at St. Francis Medical Center shall be decided after consultation with the Local Governing Board of Directors.

Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the effective date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim Average Base Period: 1982-84=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at St. Francis Medical Center for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in St. Francis Medical Center's service area (31 ZIP codes), as defined on as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1). Such payment(s) shall be made within six months following the end of such fiscal year.

XII.

For ~~at least ten years from the remainder of the closing date of the Asset Purchase Agreement unless otherwise indicated, term (until December 13, 2025)~~, Strategic Global Management, Inc. shall maintain its contracts and any amendments and exhibits thereto with the City and/or County of Los Angeles for services, including the following:

- a. Participation in the Hospital Preparedness Program between the Hospital and Los Angeles County;
- b. Department of Mental Health Legal Entity Contract between the Hospital and Los Angeles County;
- c. Paramedic Base Hospital Services between the Hospital and Los Angeles County;
- d. Radiation Therapy Services between the Hospital and Los Angeles County;
- e. Designation Agreement between the County of Los Angeles Department of Mental Health (LAC-DMH) and the Hospital and approved as a 72-hour Evaluation and Intensive Treatment facility;
- ~~f. Affiliation Agreement for physicians in post graduate training;~~
- ~~g.~~ f. Trauma Center Service Agreement between the Hospital and Los Angeles County; and
- ~~h.~~ g. Paramedic Training Institute Students between the Hospital and Los Angeles County.

For ~~at least ten years from the closing date remainder of the Asset Purchase Agreement, term (until December 13, 2025)~~, Strategic Global Management shall provide to the Los Angeles County Department of Health Services and Los Angeles County of Department of Mental Health information and documents related to staffing assessments, clinical guidelines, services provided, and technology needs for St. Francis Medical Center. The goal is to ensure that

Strategic Global Management, Inc.'s decisions or changes in these areas will not be motivated by a desire to move away from serving the Medi-Cal population. Such information and documents will also be provided to the Local Governing Board.

XIII.

For ~~ten years from the closing date~~remainder of the ~~Asset Purchase Agreement~~term (until December 13, 2025), Strategic Global Management, Inc. shall have at St. Francis Medical Center a Local Governing Board of Directors. Strategic Global Management, Inc. shall consult with the Local Governing Board of Directors prior to making changes to medical services, community benefit programs, making capital expenditures, including making changes to the charity care and collection policies, and making changes to charity care services provided at St. Francis Medical Center. The members of the Local Governing Board shall include physicians from St. Francis Medical Center's medical staff, St. Francis Medical Center's Chief of Staff, one member designated by the Los Angeles County Board of Supervisors, and community representatives from St. Francis Medical Center's primary service area (31 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019 attached hereto as Exhibit 1, including at least one member from a local healthcare advocacy group. Such consultation shall occur at least sixty days prior to the effective date of such changes or actions unless done so on an emergency basis. The Local Governing Board's approval is required of all reports submitted to the Attorney General regarding compliance with these Conditions.

XIV.

Strategic Global Management, Inc. shall commit to reserve or expend ~~capital~~for St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center for capital improvements to the hospitals over the five-year period from the closing of the Asset Purchase Agreement ~~of~~the amount of capital ("Capital Amount") that remains unexpended from the \$180 million commitment required of BlueMountain Capital Management, LLC as part of the ~~Attorney General Conditions approved on December 3, 2015 but this amount can be no less than \$5.8 million among the three hospitals.~~2015 Conditions. The Capital Amount is calculated based on Strategic Global Management, Inc.'s proportionate share (i.e. 72%) of the \$180 million capital commitment from the 2015 Conditions that remains unexpended as of the closing of the Asset Purchase Agreement, to be allocated across the acquired Verity facilities as it deems appropriate, over a five year period from the closing of the Asset Purchase Agreement. The total commitment to reserve or expend capital, for St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center for capital improvements to the hospitals will not exceed Seventy-Five Million Dollars (\$75,000,000).

XV.

Strategic Global Management, Inc. shall commit the necessary investments required to maintain OSHPD seismic compliance requirements at the Hospital through 2030 under the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983, as amended by the California Hospital Facilities Seismic Safety Act, (Health & Safety. Code, § 129675-130070).

XVI.

~~Strategic Global Management, Inc. shall maintain privileges for current medical staff who are in good standing as of the closing date of the Asset Purchase Agreement. Further, the closing of the Asset Purchase Agreement shall not change the medical staff officers, committee chairs, or independence of the medical staff, and such persons shall remain in good standing for the remainder of their tenure at St. Francis Medical Center.~~

[REMOVED]

XVII.

There shall be no discrimination against lesbian, gay, bisexual, or transgender individuals at St. Francis Medical Center, and no restriction or limitation on providing or making reproductive health services available at St. Francis Medical Center, its medical office buildings, or at any of its facilities. Both of these prohibitions shall be set forth in Strategic Global Management, Inc.'s written policies, adhered to, and strictly enforced.

XVIII.

~~Within 15 days of the closing of date of the Asset Purchase Agreement, St. Francis Medical Center Foundation shall transfer all charitable assets including, but not limited to, all temporary and permanently restricted funds to the California Community Foundation.~~

- ~~a) The funds from St. Francis Medical Center Foundation, if not previously restricted to support a specific charitable organization, will be deposited into the California Community Foundation's St. Francis Medical Center Fund, and used to support nonprofit tax-exempt charitable organizations, clinics and facilities in providing healthcare services to residents of St. Francis Medical Center's service area (31 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) The donated funds shall be maintained and used for the purposes specified herein for a period of at least five years.~~
- ~~b) If there are funds from St. Francis Medical Center Foundation previously restricted to support a specific charitable organization, such funds shall be deposited into a fund or funds at California Community Foundation restricted to continuing support for such charitable organization or organizations. Such funds are protected against obsolescence. If the purposes of any restricted fund become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served by California Community Foundation, the California Community Foundation's Board of Directors shall have the ability to modify any restriction or condition on the use such fund.~~

[REMOVED]

XIX.

For ~~eleven~~seven fiscal years from the closing date of the Asset Purchase Agreement, Strategic Global Management shall submit to the Attorney General, no later than four months after the conclusion of each fiscal year, a report describing in detail compliance with each Condition set forth herein. The Chairman of the Board of Directors of Strategic Global Management, Inc. shall certify that the report is true, accurate, and complete and provide documentation of the review and approval of the report by the Local Governing Board.

XX.

At the request of the Attorney General, all parties listed in Condition I, Verity Health System of California, Inc., Verity Holdings, LLC, Strategic Global Management, Inc., and any other parties referenced in the agreements listed in Condition II shall provide such information as is reasonably necessary for the Attorney General to monitor compliance with these Conditions and the terms of the transaction as set forth herein. The Attorney General shall, at the request of a party and to the extent provided by law, keep confidential any information so produced to the extent that such information is a trade secret or is privileged under state or federal law, or if the private interest in maintaining confidentiality clearly outweighs the public interest in disclosure.

XXI.

Once the Asset Purchase Agreement is closed, all parties listed in Condition I, and any other parties referenced in the agreements listed in Condition II are deemed to have explicitly and implicitly consented to the applicability and compliance with each and every Condition and to have waived any right to seek judicial relief with respect to each and every Condition.

~~The Attorney General reserves the right to enforce each and every Condition set forth herein to the fullest extent provided by law. In addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies as a court may deem appropriate for breach of any of these Conditions. Pursuant to Government Code section 12598, the Attorney General's office shall also be entitled to recover its attorney fees and costs incurred in remedying each and every violation.~~

¹ Throughout this document, the term “St. Vincent Medical Center” shall mean the general acute care hospital located at 2131 West Third Street, Los Angeles, CA 90057, and any other clinics, laboratories, units, services, or beds included on the license issued to St. Vincent Medical Center by the California Department of Public Health, effective January 1, 2019, unless otherwise indicated.

Center, a California nonprofit public benefit corporation, and Strategic Global Management, Inc., a

California corporation, and any agreements or documents referenced in or attached to as an exhibit or schedule and any other documents referenced in the Asset Purchase Agreement, including, but not limited to, the Sale Leaseback Agreement and Interim Management Agreement.

All the entities listed in Condition I, and any other parties referenced in the above agreements shall fulfill the terms of these agreements or documents and shall notify and obtain the Attorney General's approval in writing of any proposed modification or rescission of any of the terms of these agreements or documents. Such notifications shall be provided at least sixty days prior to their effective date in order to allow the Attorney General to consider whether they affect the factors set forth in Corporations Code section 5917 and obtain the Attorney General's approval.

III.

For five years from the closing date of the Asset Purchase Agreement, Verity Health System of California, Inc., Verity Holdings, LLC, Strategic Global Management, Inc., and all future owners, managers, lessees, licensees, or operators of St. Vincent Medical Center shall be required to provide written notice to the Attorney General sixty days prior to entering into any agreement or transaction to do any of the following:

(a) Sell, transfer, lease, exchange, option, convey, manage, or otherwise dispose of St. Vincent Medical Center;

(b) Transfer control, responsibility, management, or governance of St. Vincent Medical Center. The substitution, ~~merger~~ or addition of a new member or members of the governing body of Strategic Global Management, Inc. that transfers the control of, responsibility for or governance of St. Vincent Medical Center, shall be deemed a transfer for purposes of this Condition. The substitution or addition of one or more members of the governing body of Strategic Global Management, Inc., or any arrangement, written or oral, that would transfer voting control of the members of the governing body of Strategic Global Management, Inc. shall also be deemed a transfer for purposes of this Condition.

IV.

For ~~five years from the closing date~~remainder of the ~~Asset Purchase Agreement unless otherwise stated, term~~² (until December 13, 2020), St. Vincent Medical Center shall be operated

² The term "For the remainder of the term" refers to the Conditions to Change in Control and Governance of St. Vincent Medical Center and Approval of the System Restructuring and Support Agreement by and among Daughters of Charity Ministry Services Corporation, Daughters of Charity Health System, Certain Funds Managed by BlueMountain Capital

and maintained as a licensed general acute care hospital (as defined in California Health and Safety Code Section 1250). If, on Strategic Global Management, Inc.'s further evaluation, the cost to seismically retrofit the St. Vincent Medical Center becomes less feasible than building a new replacement hospital, services may need to be temporarily closed or relocated due to construction. A detailed program and services plan, architectural drawings, and financing plan shall be presented to the California Attorney General for approval before ceasing to operate any services.

V.

For ~~five years from the closing date~~remainder of the ~~Asset Purchase Agreement~~term (until December 13, 2020), St. Vincent Medical Center shall maintain and provide 24-hour emergency services at no less than its current licensure³ of 8 treatment stations, and designation and the following health care services at current licensure types, and/or levels of services:

~~Designation as a STEMI Receiving center; and~~

- a. Maintaining the requirements set by the County of Los Angeles Emergency Medical Services for 911 Receiving Hospitals.

VI.

For ~~at least five years from the closing date~~remainder of the ~~Asset Purchase Agreement~~term (until December 13, 2020), St. Vincent Medical Center shall maintain and provide the following services at current licensure, types, and/or levels of services:

- a. Acute rehabilitation services, including a minimum of 19 licensed rehabilitation beds;
- b. Intensive care services, including a minimum of 30 intensive care beds;
- c. Cardiac services, including cardiac surgery and a minimum of two cardiac catheterization labs;
- ~~d. Cancer services, including radiation oncology. Radiation oncology services may be relocated and patients transitioned to another site that has capacity within a three-mile radius after the first year after the closing of the Asset Purchase Agreement;~~
- ~~e.~~d. Gastroenterology services;
- ~~f.~~e. Imaging and laboratory services;
- ~~g.~~f. Nephrology services, including end stage renal disease program, acute inpatient dialysis, and hemodialysis treatments;
- ~~h.~~g. Neurology and neurotology services, including neurosurgery;
- ~~i.~~h. Orthopedics, joint replacement, and spine care services;
- ~~j.~~i. Transplant services, including kidney and multi-organ transplant procedures for kidney/pancreas double transplants. Transplant services do not include the liver transplant program. These services may be relocated to another hospital in the primary

Management, LLC, and Integrity Healthcare, LLC., dated December 3, 2015. The System Restructuring and Support Agreement closed on December 14, 2015 ("2015 Conditions").

³ The term "current" or "currently" throughout this document means as of January 1, 2019.

service area based upon a submission of a detailed plan to be approved by the California Attorney General; and

~~k.j.~~ Outpatient dialysis services. The outpatient dialysis services shall be within 5 miles of St. Vincent Medical Center by either (1) operating St. Vincent Dialysis Center, or (2) transferring St. Vincent Dialysis Center to a separate entity and requiring that entity to operate it for ~~5 years from the~~ closing date ~~remainder~~ of the ~~Asset Purchase Agreement~~ term (until December 13, 2020), and to participate in the Medi-Cal and Medicare programs as required in the Conditions herein, or (3) ensuring that a third party is operating an outpatient dialysis center(s) at current levels for ~~5 years from the~~ closing date ~~remainder~~ of the ~~Asset Purchase Agreement~~ term (until December 13, 2020), and that such center(s) participate in the Medi-Cal and Medicare programs as required in Conditions herein.

For the remainder of the term (until December 13, 2020), Strategic Global Management, Inc. shall not place all or any portion of its above-listed licensed-bed capacity or services in voluntary suspension or surrender its license for any of these beds or services.

VII.

For ~~at least five years from the~~ closing date ~~remainder~~ of the ~~Asset Purchase Agreement~~ term (until December 13, 2020), Strategic Global Management, Inc. shall either: (1) operate clinics (listed below) with the same number of physicians and mid-level provider full-time equivalents in the same or similar alignment structures, or (2) sell the clinics (listed below) with the same number of physician and mid-level provider full-time equivalents and require the purchaser(s) to maintain such services for ~~5 years from the~~ closing date ~~remainder~~ of the ~~Asset Purchase Agreement~~ term (until December 13, 2020), and to participate in the Medi-Cal and Medicare programs as required in the conditions herein, or (3) ensure that a third party is operating the clinics (listed below) with the same number of physician and mid-level provider full-time equivalents and require the third party to maintain such services for ~~5 years from the~~ closing date ~~remainder~~ of the ~~Asset Purchase Agreement~~ term (until December 13, 2020), and to participate in the Medi-Cal and Medicare programs as required in the conditions herein. For any of these options, each clinic can be moved to a different location within a three-mile radius of each clinic's current location, and St. Vincent Medical Center can utilize an alternative structure in providing such services. The following clinics are subject to this condition:

- a. Cardiac Care Institute, located at 201 S. Alvarado Street, Suite 321, Los Angeles, California;
- ~~b. Transplant Medical Office, located at 8501 Camino Media, Suite 100, Bakersfield, California;~~
- ~~e.b.~~ Cancer Treatment Center, located at 201 S. Alvarado Street, Suite A, Los Angeles, California;
- ~~d.c.~~ Multi-Organ Transplant services, located at 2200 W. Third Street, 5th Floor, Los Angeles, California;
- ~~e. Radiology services, located at 201 S. Alvarado Street, Suite 311, Los Angeles, California;~~

- ~~f.d.~~ Orthopedic Services, located at 2200 W. Third Street, 4th Floor, Los Angeles, California; and
~~g. Multispecialty Clinic located at 2200 W. Third Street, Suite 120, Los Angeles, California.~~

VIII.

For ~~at least five years from the closing date~~remainder of the ~~Asset Purchase Agreement, term (until December 13, 2020)~~, Strategic Global Management, Inc. shall:

- a) Be certified to participate in the Medi-Cal program at St Vincent Medical Center;
- b) Maintain and have Medi-Cal Managed Care contracts with the below listed Medi-Cal Managed Care Plans to provide the same types and levels of emergency and non-emergency services at St. Vincent Medical Center to Medi-Cal beneficiaries (both Traditional Medi-Cal and Medi-Cal Managed Care) as required in these Conditions, on the same terms and conditions as other similarly situated hospitals offering substantially the same services, without any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage, unless the contract is terminated for cause or not extended or renewed by the Medi-Cal Managed Care Plan:
- i) Local Initiative: L.A. Care Health Plan or its successor; and
 - ii) Commercial Plan: Health Net Community Solutions, Inc. or its successor.

If Strategic Global Management, Inc. questions whether it is being reimbursed on the same terms and conditions as other similarly situated hospitals offering substantially the same services, it shall notify the Attorney General's Office with at least 120 days' notice prior to taking any action that would effectuate any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage or prior to giving any required notice of taking such action.

- c) Be certified to participate in the Medicare program by maintaining a Medicare Provider Number to provide the same types and levels of emergency and non-emergency services at St. Vincent Medical Center to Medicare beneficiaries (both Traditional Medicare and Medicare Managed Care), on the same terms and conditions as other similarly situated hospitals, as required in these Conditions.

IX.

For ~~six fiscal years from the closing date~~remainder of the ~~Asset Purchase Agreement, term (until December 13, 2021)~~, Strategic Global Management, Inc. shall provide an annual amount of Charity Care (as defined below) at St. Vincent Medical Center equal to or greater than ~~\$696,643~~430,384 (the Minimum Charity Care Amount). For purposes hereof, the term "charity care" shall mean the amount of charity care costs (not charges) incurred by Strategic Global Management, Inc. in connection with the operation and provision of services at St. Vincent Medical Center. The definition and methodology for calculating "charity care" and the

methodology for calculating “costs” shall be the same as that used by Office of Statewide Health Planning Development (OSHPD) for annual hospital reporting purposes.⁴

~~Strategic Global Management, Inc. shall use and maintain a charity care policy that is no less favorable than Verity Health System of California, Inc.’s current charity care policy (Verity’s Financial Assistance Policy No. 06.03.04 effective December 5, 2017 and revised and reviewed June 20, 2018) and in compliance with California and Federal law at St. Vincent Medical Center. Within 90 days from the closing of the Asset Purchase Agreement, Strategic Global Management, Inc. will amend the Financial Assistance Policy to include as follows:~~

- ~~a. A copy of the Financial Assistance Policy and the plain language summary of the Financial Assistance Policy must be posted at St. Vincent Medical Center in a prominent location in the emergency room, admissions area, and any other location in the hospital where there is a high volume of patient traffic, including waiting rooms, billing offices, and hospital outpatient service settings.~~
- ~~b. A copy of the Financial Assistance Policy, the Application for Financial Assistance, and the plain language summary of the Financial Assistance Policy must be posted in a prominent place on St. Vincent Medical Center’s website.~~
- ~~c. If requested by a patient, a copy of the Financial Assistance Policy, Application for Financial Assistance, and the plain language summary must be sent by mail at no cost to the patient.~~
- ~~d. As necessary, and at least on an annual basis, Strategic Global Management, Inc. will place an advertisement regarding the availability of financial assistance at St. Vincent Medical Center in a newspaper of general circulation in the communities served by the hospital, or issue a Press Release to widely publicize the availability of the Financial Assistance Policy to the communities served by the hospital.~~
- ~~e. Strategic Global Management, Inc. will work with affiliated organizations, physicians, community clinics, other health care providers, houses of worship, and other community-based organizations to notify members of the community (especially those who are most likely to require financial assistance) about the availability of financial assistance at St. Vincent Medical Center.~~
- ~~f. By December 1, 2019, all staff that interacts with patients and their families concerning payment of services shall be given training to make patients and their families aware of and informed of Strategic Global Management, Inc.’s Financial Assistance Policy at St. Vincent Medical Center.~~

~~Any planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at St. Vincent Medical Center shall be decided after consultation with the Local Governing Board of Directors.~~

⁴ OSHPD defines charity care by contrasting charity care and bad debt. According to OSHPD, “the determination of what is classified as . . . charity care can be made by establishing whether or not the patient has the ability to pay. The patient’s accounts receivable must be written off as bad debt if the patient has the ability but is unwilling to pay off the account.”

Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the closing date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim Average Base Period: 1982-84=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of charity care provided at St. Vincent Medical Center for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide direct healthcare services to residents in the St. Vincent Medical Center's service area (48 ZIP codes), as described on page 52 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

X.

For ~~six fiscal years from the closing date~~remainder of the ~~Asset Purchase Agreement~~term (until December 13, 2021), Strategic Global Management, Inc. shall provide an annual amount of Community Benefit Services at St. Vincent Medical Center equal to or greater than \$1,~~065,604~~076,459 (the "Minimum Community Benefit Services Amount") exclusive of any funds from grants. ~~For six fiscal years,~~For the remainder of the term (until December 13, 2021), the following community benefit programs and services shall continue to be offered at its current or equivalent location:

- a. Health Benefits Resource Center; and
- b. Asian Pacific Liver Center.

The planning of, and any subsequent changes to, the community benefit services provided at St. Vincent Medical Center shall be decided after consultation with the Local Governing Board of Directors.

Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the effective date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach Anaheim Average Base Period: 1982=100 (CPI-LA, as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at St. Vincent Medical Center for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in St. Vincent Medical Center's service area (48 ZIP codes), as defined on as described on page 52 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

XI.

For ~~at least five years from the closing date~~remainder of the ~~Asset Purchase Agreement unless otherwise indicated,~~term (until December 13, 2020), Strategic Global Management, Inc. shall maintain its contracts and any amendments and exhibits thereto with the City and/or County of Los Angeles for services, including the following:

- a. Participation in the Hospital Preparedness Program between the Hospital and Los Angeles County; and
- b. Radiation Therapy Services between the Hospital and Los Angeles County.

For ~~at least five years from the closing date~~remainder of the ~~Asset Purchase Agreement,~~term (until December 13, 2020), Strategic Global Management shall provide to the Los Angeles County Department of Health Services and Los Angeles County of Department of Mental Health information and documents related to staffing assessments, clinical guidelines, services provided, and technology needs for St. Vincent Medical Center. The goal is to ensure that Strategic Global Management, Inc.'s decisions or changes in these areas will not be motivated by a desire to move away from serving the Medi-Cal population. Such information and documents will also be provided to the Local Governing Board.

XII.

For ~~five years from the closing date~~remainder of the ~~Asset Purchase Agreement,~~term (until December 13, 2020), Strategic Global Management, Inc. shall have at St. Vincent Medical Center a Local Governing Board of Directors. Strategic Global Management, Inc. shall consult with the Local Governing Board of Directors prior to making changes to medical services, community benefit programs, making capital expenditures, including making changes to the charity care and collection policies, and making changes to charity care services provided at St. Vincent Medical Center. The members of the Local Governing Board shall include physicians from St. Vincent Medical Center's medical staff, St. Vincent Medical Center's Chief of Staff, one member designated by the Los Angeles County Board of Supervisors, and community representatives from St. Vincent Medical Center's primary service area (48 ZIP codes), as described on page 52 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019 attached hereto as Exhibit 1, including at least one member from a local healthcare advocacy group. Such consultation shall occur at least sixty days prior to the effective date of such changes or actions unless done so on an

emergency basis. The Local Governing Board's approval is required of all reports submitted to the Attorney General regarding compliance with these Conditions.

XIII.

Strategic Global Management, Inc. shall commit to reserve or expend ~~capital~~ for St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center for capital improvements to the hospitals over the five-year period from the closing of the Asset Purchase Agreement ~~of~~ the amount of capital ("Capital Amount") that remains unexpended from the \$180 million commitment required of BlueMountain Capital Management, LLC as part of ~~the Attorney General Conditions approved on December 3, 2015 but this amount can be no less than \$5.8 million among the three hospitals.~~ 2015 Conditions. The Capital Amount is calculated based on Strategic Global Management, Inc.'s proportionate share (i.e. 72%) of the \$180 million capital commitment from the 2015 Conditions that remains unexpended as of the closing of the Asset Purchase Agreement, to be allocated across the acquired Verity facilities as it deems appropriate, over a five year period from the closing of the Asset Purchase Agreement. The total commitment to reserve or expend capital, for St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center for capital improvements to the hospitals will not exceed Seventy-Five Million Dollars (\$75,000,000).

XIV.

Strategic Global Management, Inc. shall commit the necessary investments required to meet and maintain OSHPD seismic compliance requirements at St. Vincent Medical Center through 2030 under the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983, as amended by the California Hospital Facilities Seismic Safety Act, (Health & Saf. Code, § 129675-130070). Verity Health System of California, Inc. shall commit the necessary capital investment required to refurbish St. Vincent Medical Center's elevators in order to meet the City of Los Angeles' Elevator Code.

XV.

~~Strategic Global Management, Inc. shall maintain privileges for current medical staff who are in good standing as of the closing date of the Asset Purchase Agreement. Further, the closing of the Asset Purchase Agreement shall not change the medical staff officers, committee chairs, or independence of the medical staff, and such persons shall remain in good standing for the remainder of their tenure at St. Vincent Medical Center.~~

[REMOVE]

XVI.

There shall be no discrimination against lesbian, gay, bisexual, or transgender individuals at St. Vincent Medical Center, and no restriction or limitation on providing or making reproductive health services available at St. Vincent Medical Center, its medical office buildings, or at any of its facilities. Both of these prohibitions shall be set forth in Strategic Global Management Inc.'s written policies, adhered to, and strictly enforced.

XVII.

~~Within 15 days of the closing of date of the Asset Purchase Agreement, St. Vincent Medical Center Foundation shall transfer all charitable assets including, but not limited to, all temporary and permanently restricted funds to the California Community Foundation.~~

- ~~a) The funds from St. Vincent Medical Center Foundation, if not previously restricted to support a specific charitable organization, will be deposited into the California Community Foundation's St. Vincent Medical Center Fund, and used to support nonprofit tax-exempt charitable organizations, clinics and facilities in providing healthcare services to residents of St. Vincent Medical Center's service area (48 ZIP codes), as described on page 52 in the Healthcare Impact Report authored by JD Healthcare dated August 16, 2019. (Exhibit 1.) The donated funds shall be maintained and used for the purposes specified herein for a period of at least five years.~~
- ~~b) If there are funds from St. Vincent Medical Center Foundation previously restricted to support a specific charitable organization, such funds shall be deposited into a fund or funds at California Community Foundation restricted to continuing support for such charitable organization or organizations. Such funds are protected against obsolescence. If the purposes of any restricted fund become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served by California Community Foundation, the California Community Foundation's Board of Directors shall have the ability to modify any restriction or condition on the use such fund.~~

[\[REMOVE\]](#)

XVIII.

For ~~six~~two fiscal years from the closing date of the Asset Purchase Agreement, Strategic Global Management shall submit to the Attorney General, no later than four months after the conclusion of each fiscal year, a report describing in detail compliance with each Condition set forth herein. The Chairman of the Board of Directors of Strategic Global Management, Inc. shall certify that the report is true, accurate, and complete and provide documentation of the review and approval of the report by the Local Governing Board.

XIX.

At the request of the Attorney General, all parties listed in Condition I, Verity Health System of California, Inc., Verity Holdings, LLC, Strategic Global Management, Inc., and any other parties referenced in the agreements listed in Condition II shall provide such information as is

reasonably necessary for the Attorney General to monitor compliance with these Conditions and the terms of the transaction as set forth herein. The Attorney General shall, at the request of a party and to the extent provided by law, keep confidential any information so produced to the extent that such information is a trade secret or is privileged under state or federal law, or if the private interest in maintaining confidentiality clearly outweighs the public interest in disclosure.

XX.

Once the Asset Purchase Agreement is closed, all parties listed in Condition I, and any other parties referenced in the agreements listed in Condition II are deemed to have explicitly and implicitly consented to the applicability and compliance with each and every Condition and to have waived any right to seek judicial relief with respect to each and every Condition.

~~The Attorney General reserves the right to enforce each and every Condition set forth herein to the fullest extent provided by law. In addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies as a court may deem appropriate for breach of any of these Conditions. Pursuant to Government Code section 12598, the Attorney General's office shall also be entitled to recover its attorney fees and costs incurred in remedying each and every violation.~~

Analysis of the Hospital's Service Area

Service Area Definition

Based upon the Hospital's CY 2017 inpatient discharges, the Hospital's service area is comprised of 48 ZIP Codes from which 71% of the Hospital's inpatient discharges came from. Approximately 38% of the Hospital's discharges originated from the top eight ZIP Codes, located in Los Angeles. In CY 2017, the Hospital's market share in the primary and secondary service area was approximately 4% based on total area discharges.

X.

~~For six fiscal years from the closing date of the Asset Purchase Agreement, Strategic Global Management, Inc.~~ For the remainder of the term (until December 13, 2021), Strategic Global Management, Inc. shall provide an annual amount of Charity Care (as defined below) at Seton Medical Center and Seton Coastside equal to or greater than ~~\$1,055,863~~ 935,405 (the Minimum Charity Care Amount). For purposes hereof, the term "charity care" shall mean the amount of charity care costs (not charges) incurred by Strategic Global Management, Inc. in connection with the operation and provision of services at Seton Medical Center and Seton Coastside. The definition and methodology for calculating "charity care" and the methodology for calculating "costs" shall be the same as that used by Office of Statewide Health Planning Development (OSHDP) for annual hospital reporting purposes.⁵

~~Strategic Global Management, Inc. shall use and maintain a charity care policy that is no less favorable than Verity Health System of California, Inc.'s current charity care policy (Verity's Financial Assistance Policy No. 06.03.04 effective December 5, 2017 and revised and reviewed June 20, 2018) and in compliance with California and Federal law at Seton Medical Center and Seton Coastside. Within 90 days from the closing of the Asset Purchase Agreement, Strategic Global Management, Inc. will amend the Financial Assistance Policy to include as follows:~~

- ~~a. A copy of the Financial Assistance Policy and the plain language summary of the Financial Assistance Policy must be posted at Seton Medical Center and Seton Coastside~~

⁵ OSHPD defines charity care by contrasting charity care and bad debt. According to OSHPD, "the determination of what is classified as . . . charity care can be made by establishing whether or not the patient has the ability to pay. The patient's accounts receivable must be written off as bad debt if the patient has the ability but is unwilling to pay off the account."

~~in a prominent location in the emergency room, admissions area, and any other location in the hospital where there is a high volume of patient traffic, including waiting rooms, billing offices, and hospital outpatient service settings.~~

~~e. A copy of the Financial Assistance Policy, the Application for Financial Assistance, and the plain language summary of the Financial Assistance Policy must be posted in a prominent place on each Seton Medical Center's and Seton Coastsides website(s). If requested by a patient, a copy of the Financial Assistance Policy, Application for Financial Assistance, and the plain language summary must be sent by mail at no cost to the patient.~~

~~d. As necessary, and at least on an annual basis, Strategic Global Management, Inc. will place an advertisement regarding the availability of financial assistance at Seton Medical Center and Seton Coastsides in a newspaper of general circulation in the communities served by the hospitals, or issue a Press Release to widely publicize the availability of the Financial Assistance Policy to the communities served by the hospitals.~~

~~e. Strategic Global Management, Inc. will work with affiliated organizations, physicians, community clinics, other health care providers, houses of worship, and other community-based organizations to notify members of the community (especially those who are most likely to require financial assistance) about the availability of financial assistance at Seton Medical Center and Seton Coastsides.~~

~~f. By December 1, 2019, all staff that interacts with patients and their families concerning payment of services shall be given training to make patients and their families aware of and informed of Strategic Global Management, Inc.'s Financial Assistance Policy at Seton Medical Center and Seton Coastsides.~~

~~Any planning of, and any subsequent changes to, the charity care and collection policies, and charity care services provided at Seton Medical Center and Seton Coastsides shall be decided after consultation with the Local Governing Board of Directors.~~

Strategic Global Management, Inc.'s obligation under this Condition shall be prorated on a daily basis if the closing date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.'s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Charity Care Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose, California Average Base Period: 1982-84=100 (as published by the U.S. Bureau of Labor Statistics). If the actual amount of charity care provided at Seton Medical Center and Seton Coastsides for any fiscal year is less than the Minimum Charity Care Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide direct healthcare services to residents in the Seton Medical Center service area (14 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 19, 2019. (Exhibit 1.) Such payment(s) shall be made within six months following the end of such fiscal year.

XI.

For ~~six fiscal years from the closing date~~remainder of the ~~Asset Purchase Agreement~~term (until December 13, 2021), Strategic Global Management, Inc. shall provide an annual amount of Community Benefit Services at Seton Medical Center and Seton Coastsides equal to or greater than ~~\$685,870,848,434~~ (the “Minimum Community Benefit Services Amount”) exclusive of any funds from grants. ~~For six fiscal years,~~For the remainder of the term (until December 13, 2021), the following community benefit programs and services shall continue to be offered at its current or equivalent location:

- a. Health Benefits Resource Center; and
- b. RotaCare Clinic.

The planning of, and any subsequent changes to, the community benefit services provided at Seton Medical Center shall be decided after consultation with the Local Governing Board of Directors.

Strategic Global Management, Inc.’s obligation under this Condition shall be prorated on a daily basis if the effective date of the Asset Purchase Agreement is a date other than the first day of Verity Health System of California, Inc.’s fiscal year.

For the second fiscal year and each subsequent fiscal year, the Minimum Community Benefit Services Amount shall be increased (but not decreased) by an amount equal to the Annual Percent increase, if any, in the 12 Months Percent Change: All Items Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-San Jose, California Average Base Period: 1982-84=100 (as published by the U.S. Bureau of Labor Statistics).

If the actual amount of community benefit services provided at Seton Medical Center and Seton Coastsides for any fiscal year is less than the Minimum Community Benefit Services Amount (as adjusted pursuant to the above-referenced Consumer Price Index) required for such fiscal year, Strategic Global Management, Inc. shall pay an amount equal to the deficiency to one or more tax-exempt entities that provide community benefit services for residents in Seton Medical Center’s service area (14 ZIP codes), as defined on as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 19, 2019. (Exhibit 1-~~2~~3). Such payment(s) shall be made within six months following the end of such fiscal year.

XII.

For the remainder of the term (until December 13, 2025), Strategic Global Management, Inc. shall:

- a) Be certified to participate in the Medi-Cal program at Seton Medical Center and Seton Coastsides;

b) Maintain and have a Medi-Cal Managed Care contract with San Mateo Health Commission dba Health Plan of San Mateo or its successor to provide the same types and levels of emergency and non-emergency services at Seton Medical Center and Seton Coastsides to Medi-Cal beneficiaries (both Traditional Medi-Cal and Medi-Cal Managed Care) as required in these Conditions, on the same terms and conditions as other similarly situated hospitals offering substantially the same services, without any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage, unless the contract is terminated for cause or not extended or renewed by the Medi-Cal Managed Care Plan.

If Strategic Global Management, Inc. questions whether it is being reimbursed on the same terms and conditions as other similarly situated hospitals offering substantially the same services, it shall notify the Attorney General's Office with at least 120 days' notice prior to taking any action that would effectuate any loss, interruption of service or diminution in quality, or gap in contracted hospital coverage or prior to giving any required notice of taking such action.

c) Be certified to participate in the Medicare program by maintaining a Medicare Provider Number to provide the same types and levels of emergency and non-emergency services at Seton Medical Center and Seton Coastsides to Medicare beneficiaries (both Traditional Medicare and Medicare Managed Care) as required in these Conditions.

XIII.

For ~~at least five years from the closing date~~remainder of the ~~Asset Purchase Agreement unless otherwise indicated; term (until December 13, 2020)~~, Strategic Global Management, Inc. shall maintain its contracts and any amendments and exhibits thereto with the County of San Mateo, unless otherwise terminated by the County of San Mateo, for services, including the following:

- ~~h. Affiliation Agreement for the Registered Nursing Program between the Hospital (jointly with Seton Coastsides) and San Mateo College District;~~
- ~~i. c. Patient Transfer Agreement between the Hospital and San Mateo County Medical Center;~~
- ~~j. Rail Shuttle Bus Service Administration for Seton Shuttle Agreement between the Hospital and San Mateo County Transit District;~~

- k.d. Medical Services Agreement between the Hospital and San Mateo Health Community Health Authority- Access and Care for Everyone (ACE) Program;
- ~~l. Hospital Medi-Cal Hospital Agreement between the Hospital and San Mateo Health Commission dba Health Plan of San Mateo;~~
- ~~m. Memorandum of Understanding for Long Term Care Partnership Program between the Hospital and San Mateo Health Commission dba Health Plan of San Mateo; and~~
- ~~n. Care Advantage Hospital Service Agreement between the Hospital and San Mateo Health Commission dba Health Plan of San Mateo.~~

XIV.

For the remainder of the term (until December 13, 2025), Strategic Global Management, Inc. shall have at Seton Medical Center and Seton Coastside Local Governing Board(s) of Directors. Strategic Global Management, Inc. shall consult with the Local Governing Board(s) of Directors prior to making changes to medical services, community benefit programs, making capital expenditures, making changes to the charity care and collection policies, and making changes to charity care services provided at Seton Medical Center and Seton Coastside. The members of the Local Governing Board(s) shall include physicians from Seton Medical Center's and Seton Coastside's medical staff, Seton Medical Center's and Seton Coastside's Chief(s) of Staff, one member designated by the San Mateo County Board of Supervisors, and community representatives from Seton Medical Center's and Seton Coastside's service area (14 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 19, 2019, attached hereto as Exhibit 1, including at least one member from a local healthcare advocacy group. Such consultation shall occur at least sixty days prior to the effective date of such changes or actions unless done so on an emergency basis. The Local Governing Board(s)'s approval is required of all reports submitted to the Attorney General regarding compliance with these Conditions.

XV.

Strategic Global Management, Inc. shall commit to reserve or expend ~~capital~~ for St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center for capital improvements to the hospitals over the five-year period from the closing of the Asset Purchase Agreement ~~of~~ the amount of capital ("Capital Amount") that remains unexpended from the \$180 million commitment required of BlueMountain Capital Management, LLC as part of the ~~Attorney General Conditions approved on December 3, 2015 but this amount can be no less than \$5.8 million among the three hospitals.~~ 2015 Conditions. The Capital Amount is calculated based on Strategic Global Management, Inc.'s proportionate share (i.e. 72%) of the \$180 million capital commitment from the 2015 Conditions that remains unexpended as of the closing of the Asset Purchase Agreement, to be allocated across the acquired Verity facilities as it deems appropriate, over a five year period from the closing of the Asset Purchase Agreement. The total commitment to reserve or expend capital, for St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center for capital improvements to the hospitals will not exceed Seventy-Five Million Dollars (\$75,000,000).

XVI.

~~Strategic Global Management, Inc. shall maintain privileges for current medical staff who are in good standing as of the closing date of the Asset Purchase Agreement. Further, the closing of the Asset Purchase Agreement shall not change the medical staff officers, committee chairs, or independence of the medical staff, and such persons shall remain in good standing for the remainder of their tenure at Seton Medical Center and Seton Coastside.~~

XVII.

Strategic Global Management, Inc. shall commit the necessary investments required to meet and maintain OSHPD seismic compliance requirements at Seton Medical Center and Seton Coastside through 2030 under the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983, as amended by the California Hospital Facilities Seismic Safety Act, (Health & Saf. Code, § 129675-130070). ~~Strategic Global Management, Inc. shall meet construction benchmarks which include the starting of construction on the 1963 Tower, and as detailed on the attached Exhibit 2,~~ to the extent Strategic Global Management, Inc. obtains necessary waivers or other authority from OSHPD and the State of California to permit the continued operation of Seton Medical Center through the five (5) years following closing date of the Asset Purchase Agreement, pending replacement or retrofit of the current patient tower at Seton Medical Center, and Strategic Global Management, Inc. receives PACE funding at currently accrued levels (i.e. approximately Forty Million Dollars (\$40,000,000)).

XVIII.

There shall be no discrimination against lesbian, gay, bisexual, or transgender individuals at Seton Medical Center and Seton Coastside, and no restriction or limitation on providing or making reproductive health services available at Seton Medical Center and Seton Coastside, its medical office buildings, or at any of its facilities. Both of these prohibitions shall be set forth in Strategic Global Management Inc.'s written policies, adhered to, and strictly enforced.

XIX.

~~Within 15 days of the Attorney General's approval, Seton Medical Center Foundation shall transfer all charitable assets including, but not limited to, all temporary and permanently restricted funds to the California Community Foundation.~~

- ~~a) The funds from Seton Medical Center Foundation, if not previously restricted to support a specific charitable organization, will be deposited into the California Community Foundation's Seton Medical Foundation, and used to support nonprofit tax-exempt charitable organizations, clinics and facilities in providing healthcare services to residents of Seton Medical Foundation's service area (14 ZIP codes), as described on page 54 in the Healthcare Impact Report authored by JD Healthcare dated August 19, 2019. (Exhibit 1.) The donated funds shall be maintained and used for the purposes specified herein for a period of at least five years.~~

~~If there are funds from Seton Medical Foundation previously restricted to support a specific charitable organization, such funds shall be deposited into a fund or funds at California Community Foundation restricted to continuing support for such charitable organization or organizations. Such funds are protected against obsolescence. If the purposes of any restricted fund become unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served by California Community Foundation, the California Community Foundation's Board of Directors shall have the ability to modify any restriction or condition on the use such fund.~~ [\[REMOVE\]](#)

XX.

For six fiscal years from the closing date of the Asset Purchase Agreement Strategic Global Management shall submit to the Attorney General, no later than four months after the conclusion of each fiscal year, a report describing in detail compliance with each Condition set forth herein. The Chairman of the Board of Directors of Strategic Global Management, Inc. shall certify that the report is true, accurate, and complete and provide documentation of the review and approval of the report by the Local Governing Board.

XXI.

At the request of the Attorney General, all parties listed in Condition I, Verity Health System of California, Inc., Verity Holdings, LLC, Strategic Global Management, Inc., and any other parties referenced in the agreements listed in Condition II shall provide such information as is reasonably necessary for the Attorney General to monitor compliance with these Conditions and the terms of the transaction as set forth herein. The Attorney General shall, at the request of a party and to the extent provided by law, keep confidential any information so produced to the extent that such information is a trade secret or is privileged under state or federal law, or if the private interest in maintaining confidentiality clearly outweighs the public interest in disclosure.

XXII.

Once the Asset Purchase Agreement is closed, all parties listed in Condition I, and any other parties referenced in the agreements listed in Condition II are deemed to have explicitly and implicitly consented to the applicability and compliance with each and every Condition and to have waived any right to seek judicial relief with respect to each and every Condition.

~~The Attorney General reserves the right to enforce each and every Condition set forth herein to the fullest extent provided by law. In addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies as a court may deem appropriate for breach of any of these Conditions. Pursuant to Government Code section 12598, the Attorney General's office shall also be entitled to recover its attorney fees and costs incurred in remedying each and every violation.~~

ASSET PURCHASE AGREEMENT

This Asset Purchase Agreement (the “**Agreement**”) is made and entered into as of the 8th day of January, 2019 (the “**Signing Date**”) by and among Verity Health System of California, Inc., a California nonprofit public benefit corporation (“**Verity**”), Verity Holdings, LLC, a California limited liability company (“**Verity Holdings**”), St. Francis Medical Center, a California nonprofit public benefit corporation (“**St. Francis**”), St. Vincent Medical Center, a California nonprofit public benefit corporation (“**St. Vincent**”), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation (“**St. Vincent Dialysis**”), and Seton Medical Center, a California nonprofit public benefit corporation (“**Seton**” and together with St. Francis Medical Center, St. Vincent Medical Center and St. Vincent Dialysis, collectively, the “**Hospital Sellers**”) (Verity, Verity Holdings, St. Francis, St. Vincent, St. Vincent Dialysis and Seton are each referred to herein individually as a “**Seller**” and collectively as the “**Sellers**”), and Strategic Global Management, Inc., a California corporation (“**Purchaser**”).

RECITALS:

A. St. Francis engages in the business of the operation of the hospital known as St. Francis Medical Center, located at 3630 E. Imperial Highway, Lynwood, CA 90262, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by St. Francis (collectively, the “**St. Francis Hospital**”).

B. St. Vincent engages in the business of the operation of the hospital known as St. Vincent Medical Center, located at 2131 W 3rd Street, Los Angeles, CA 90057, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by St. Vincent (collectively, the “**St. Vincent Hospital**”).

C. Seton engages in the business of the operation of two general acute care hospitals under a single license, consisting of: (i) the hospital known as Seton Medical Center, located at 1900 Sullivan Avenue, Daly City, CA 94015, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by Seton (collectively, the “**Seton Hospital**”) and (ii) the hospital known as Seton Medical Center Coastside, located at 600 Marine Blvd, Moss Beach, CA 94038, including the hospital pharmacy, laboratory and emergency department as well as through the medical office buildings and clinics owned or operated by Seton (collectively, the “**Seton Coastside Hospital**”) and together with the St. Francis Medical Center Hospital, the St. Vincent Medical Center Hospital and the Seton Hospital, the “**Hospitals**”; the business of the operation of the Hospitals is referred to herein as the “**Businesses**”).

D. Purchaser desires to purchase from Sellers, and Sellers desire to sell to Purchaser, the assets described in Section 1.7 below (the “**Assets**”) owned by Sellers and used with respect to the Businesses, for the consideration and upon the terms and conditions contained in this Agreement.

E. Sellers filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the “**Bankruptcy Code**”) with the United States Bankruptcy Court for the Central District of California, Los Angeles Division (the “**Bankruptcy Court**”), lead Case No. 2:18-bk-201510ER, jointly administered or to be jointly administered with their affiliates (the “**Bankruptcy Cases**”).

F. The parties intend to effectuate the transactions contemplated by this Agreement through a sale of the Assets approved by the Bankruptcy Court pursuant to Section 363 of Title 11 of the Bankruptcy Code.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual promises and covenants contained in this Agreement, and for their mutual reliance and incorporating into this Agreement the above recitals, the parties hereto agree as follows:

ARTICLE 1

SALE AND TRANSFER OF ASSETS; CONSIDERATION; CLOSING

1.1 Purchase Price.

(a) Subject to the terms and conditions of this Agreement, the purchase price (“**Purchase Price**”) shall consist of the following:

(i) Cash payment to Sellers (the “**Cash Consideration**”) of Six Hundred Ten Million Dollars (\$610,000,000.00), which shall be allocated Four Hundred Twenty Million Dollars (\$420,000,000) to St. Francis Medical Center, One Hundred Twenty Million Dollars (\$120,000,000) to St. Vincent Medical Center, and Seventy Million Dollars (\$70,000,000) to Seton for Seton Hospital and Seton Coastside Hospital, provided, that if the CA AG’s approval does not include a requirement that Seton Hospital remain open as an acute care hospital or that Seton Coastside Hospital remain open as a skilled nursing facility, then an amount to be determined by Purchaser, in its sole discretion, of such Cash Consideration shall be re-allocated from St. Francis to Seton;

(ii) Assumption of Sellers’ accrued vacation and other paid time off as of the Closing, to be provided only with respect to Hired Employees (as defined in Section 5.3(a)) in the form of credited vacation and PTO, subject to compliance with applicable law and regulation, including consent of such employees if required;

(iii) Assumption of all liabilities of Seton as Obligated Party and Property Owner under the (i) Agreement to Pay Assessment and Finance Improvements dated May 17, 2017 with California Statewide Communities Development Authority (“**CSCDA**”) and (ii) Agreement to Pay Assessment and Finance Improvements dated May 18, 2017 with CSCDA (collectively

the “**Special Assessments**”) each associated with of the Property Assessed Clean Energy (“**PACE**”) (seismic and clean energy) loans (collectively the “**PACE Obligations**”); and

(iv) Payment of Cure Costs (defined below) associated with any Assumed Leases and/ or Assumed Contracts and assumption of the other Assumed Obligations (as defined below).

(b) Purchaser (i) is acquiring the Assets and (ii) is only assuming (x) the PACE Obligations and (y) the Assumed Obligations (as defined below).

(c) At the Closing, Purchaser shall pay to Sellers, by wire transfer of immediately available funds to the accounts specified by Sellers to Purchaser in writing, an aggregate amount equal to the Cash Consideration, minus the Net QAF Reduction Amount (defined below), if any, plus the Net QAF Increase Amount (defined below), if any, plus any amounts (x) held by the PACE Trustee as an interest or fee reserve on account the PACE Obligations on the Closing Date and (y) remitted to CSCDA by Seton pursuant to the Special Assessments from and after the date of execution of this Agreement by Buyer up to and including the Closing Date, minus the Deposit (defined below).

(d) For purposes of this Agreement, the “**QAF Program**” means the California Department of Health Care Services Hospital Quality Assurance Fee Programs IV (“**QAF IV**”) and V (“**QAF V**”). During the period prior to Closing, Sellers shall pay any fees owing under QAF IV and QAF V, and Sellers shall be entitled to retain all payments received under QAF IV and QAF V. At Closing, Sellers shall credit to the Cash Consideration the amount by which payments received under QAF IV and QAF V between the Signing Date and Closing exceed the sum of (i) fees paid under QAF IV and QAF V during such period plus (ii) the amount of fees which are unpaid and owing as of the Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V (the “**Net QAF Reduction Amount**”), as provided above in Section 1.1(c). At Closing, Purchaser shall pay Sellers (as an increase to the Cash Consideration) the amount by which the sum of (i) fees paid under QAF IV and QAF V between the Signing Date and Closing plus (ii) the amount of fees which are unpaid and owing as of Closing in respect of invoices received by Sellers prior to Closing under QAF IV and QAF V exceeds payments received under QAF IV and QAF V during such period (the “**Net QAF Increase Amount**”), as provided above in Section 1.1(c).

(e) Purchaser shall, prior to Closing, be permitted to communicate with holders of secured debt of the Sellers regarding the possible assumption by Purchaser of all or a portion of such debt at the Closing. If Purchaser agrees to assume any such debt at the Closing, Purchaser and Sellers shall negotiate an appropriate credit to the Purchase Price for such assumption of debt.

1.2 Deposit. Purchaser, by wire transfer to an account designated by Sellers has made a good faith deposit in the amount of Thirty Million Dollars (\$30,000,000) on the date hereof (the “**Deposit**”). The Deposit shall be non-refundable in all events, except as provided in Section 6.1(b) or Section 6.2, or in the event Purchaser has terminated this Agreement pursuant to Section 9.1 (other than Section 9.1(b)) or as set forth in Section 9.2, in which case Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Upon Closing, the Deposit will

be credited against the Purchase Price. Pending the Closing, or until this Agreement is terminated, the Deposit shall be deposited in an interest bearing account, with interest credited to Purchaser, at a federally-insured financial institution mutually acceptable to Purchaser and Sellers. In addition, on the Signing Date, Purchaser shall deliver to Sellers executed letters from its financing sources, in form and substance satisfactory to Sellers in their discretion.

1.3 Closing Date. The consummation of the transactions contemplated by this Agreement (the “**Closing**”) shall take place at 10:00 a.m. local time at the offices of Dentons US LLP, 601 South Figueroa St., Suite 2500, Los Angeles, CA 90017-5704 (the day on which Closing actually occurs, the “**Closing Date**”) promptly but no later than ten (10) business days following the satisfaction or waiver of the conditions set forth in ARTICLE 7 and ARTICLE 8, other than those conditions that by their nature are to be satisfied at Closing but subject to fulfillment or waiver of those conditions. The Closing shall be deemed to occur and to be effective as of 11:59 p.m. Pacific time on the Closing Date (the “**Effective Time**”).

1.4 Items to be Delivered by Sellers at Closing. At or before the Closing, Sellers shall deliver, or cause to be delivered, to Purchaser the following:

1.4.1 a Bill of Sale substantially in the form of Exhibit 1.4.1 attached hereto (the “**Bill of Sale**”), duly executed by each Seller, with respect to the Assets;

1.4.2 Real Estate Assignment and Assumption Agreements (the “**Real Estate Assignments**”) in the form of Exhibit 1.4.2 attached hereto with respect to (i) the Leased Real Property, and (ii) the Tenant Leases, each duly executed by each Seller;

1.4.3 a Quitclaim Deed (the “**Deed**”) in the form of Exhibit 1.4.2 attached hereto with respect to the real property listed in Schedule 1.4.3, together with all plant, buildings, structures, installments, improvements, fixtures, betterments, additions and constructions in progress situated thereon (collectively, the “**Owned Real Property**”) duly executed by each Seller;

1.4.4 an Assumption Agreement (the “**Assumption Agreement**”) in the form of Exhibit 1.4.2 attached hereto with respect to the Assumed Obligations duly executed by each Seller;

1.4.5 favorable original certificates of good standing, of each Seller, issued by the State of California, dated no earlier than a date which is fifteen (15) calendar days prior to the Closing Date;

1.4.6 a duly executed certificate of an officer of each Seller certifying to Purchaser (i) the incumbency of the officers of such Seller on the Signing Date and on the Closing Date and bearing the authentic signatures of all such officers who shall execute this Agreement and any additional documents contemplated by this Agreement and (ii) the due adoption and text of the resolutions or consents of the Board of Directors of such Seller authorizing (I) the transfer of the Assets and transfer of the Assumed Obligations by such Seller to Purchaser and (II) the due execution, delivery and performance of this Agreement and all additional documents contemplated

by this Agreement, and that such resolutions have not been amended or rescinded and remain in full force and effect on the Closing Date;

1.4.7 a certified copy of the Sale Order (as defined below);

1.4.8 a Transition Services Agreement (the “**Transition Services Agreement**”) in form and substance satisfactory to Sellers and Purchaser, in their reasonable discretion, granting to Sellers use of certain assets, systems and personnel identified in such agreement solely in connection with Sellers’ wind-down of the Businesses, the completion of the Bankruptcy Cases and the dissolution of Sellers (and following completion of such wind-down, Bankruptcy Cases and dissolution of Sellers, such Transition Services Agreement shall automatically terminate);

1.4.9 acknowledgements by CSCDA and the PACE Trustee that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date, and

1.4.10 any such other instruments, certificates, consents or other documents which Purchaser and Sellers mutually deem reasonably necessary to carry out the transactions contemplated by this Agreement and to comply with the terms hereof.

1.5 Items to be Delivered by Purchaser at Closing. At or before the Closing, Purchaser shall deliver or cause to be delivered to Sellers the following:

1.5.1 payment of the Cash Consideration subject to credits or plus payment to Sellers of all amounts as provided under Section 1.6;

1.5.2 evidence of payment of all Cure Costs required hereunder to be paid by Purchaser;

1.5.3 a duly executed certificate of the Secretary of Purchaser certifying to Sellers (a) the incumbency of the officers of Purchaser on the Signing Date and on the Closing Date and bearing the authentic signatures of all such officers who shall execute this Agreement and any additional documents contemplated by this Agreement and (b) the due adoption and text of the resolutions of the Board of Directors of Purchaser authorizing the execution, delivery and performance of this Agreement and all additional documents contemplated by this Agreement, and that such resolutions have not been amended or rescinded and remain in full force and effect on the Closing Date;

1.5.4 favorable original certificate of good standing, of Purchaser, issued by the California Secretary of State dated no earlier than a date which is fifteen (15) calendar days prior to the Closing Date;

1.5.5 the Bill of Sale, duly executed by Purchaser;

1.5.6 the Real Estate Assignment(s), duly executed by Purchaser;

1.5.7 the Assumption Agreement, duly executed by Purchaser;

1.5.8 the License Agreement referenced in Section 1.7(q);

1.5.9 the Transition Services Agreement; and

1.5.10 any such other instruments, certificates, consents or other documents which Purchaser and Sellers mutually deem reasonably necessary to carry out the transactions contemplated by this Agreement and to comply with the terms hereof.

1.6 Prorations and Utilities. All items of income and expense listed below with respect to the Assets shall be prorated in accordance with the principles and the rules for the specific items set forth hereafter:

1.6.1 All transfer, conveyance, sales, use, stamp, similar state and local taxes arising from the sale of the Assets hereunder shall be the responsibility of, and allocated to, Purchaser.

1.6.2 Other than the Utility Deposits (defined below), which are governed by Section 1.8(j), and other than with respect to Cure Costs payable by Purchaser, the following costs and expenses shall be prorated based upon the payment period (*i.e.*, calendar or other tax fiscal year) to which the same are attributable: all real estate and personal property lease payments, real estate and personal property taxes, real estate assessments, other than the PACE Special Assessments and other similar charges against real estate, and power and utility charges (collectively, the “**Prorated Charges**”) on the Assets. Each Seller shall pay its respective portion at or prior to the Closing (or Purchaser shall receive credit for) of any unpaid Prorated Charges attributable to periods or portions thereof occurring prior to the Effective Time, and Purchaser shall assume as an Assumed Liability or, to the extent previously paid by any Seller, pay to such Seller at the Closing all Prorated Charges attributable to periods or portions thereof occurring from and after the Effective Time. In the event that as of the Closing Date the actual tax bills for the tax year or years in question are not available and the amount of taxes to be prorated as aforesaid cannot be ascertained, then rates, millages and assessed valuation of the previous year, with known changes, shall be used. The parties agree that if the real estate and personal property tax prorations are made based upon the taxes for the preceding tax period, the prorations shall be re-prorated after the Closing. As to power and utility charges, “final readings” as of the Closing Date shall be ordered from the utilities; the cost of obtaining such “final readings,” if any, shall be paid by Purchaser.

1.6.3 Sellers shall be entitled to all rents and other payments under Tenant Leases accruing for the period prior to the Effective Time (“**Pre Effective Time Lease Amounts**”), and Purchaser shall be entitled to all rents and other payments under tenant leases accruing for the period after the Effective Time (“**Post Effective Time Lease Amounts**” and together with the Pre Effective Time Lease Amounts, the “**Lease Amounts**”). All Lease Amounts that are collected prior to the Closing shall be prorated as of the Closing in accordance with the immediately preceding sentence. All Lease Amounts that are accrued but uncollected as of the Closing (including, without limitation, rents and other payments accrued prior to the Closing but payable in arrears after the Closing) (collectively, the “**Unpaid Amounts**”) shall belong to Sellers, and Purchaser shall, upon receipt of said rents and other payments, receive the same in trust for Sellers and shall promptly remit any of such amounts to the applicable Seller within ten (10) days after

Purchaser's receipt of same. For the avoidance of doubt, all rental payments received after Closing shall be first applied to any amounts owed to the Sellers under this Section 1.6.3.

1.6.4 All prorations and payments to be made under the foregoing provisions shall be agreed upon by Purchaser and Sellers prior to the Closing and shall be binding upon the parties; provided, however, with respect to the Unpaid Amounts, in the event any proration, apportionment or computation shall prove to be incorrect for any reason, then either the applicable Seller or Purchaser shall be entitled to an adjustment to correct the same, provided that said party makes written demand on the party from whom it is entitled to such adjustment within thirty (30) calendar days after the erroneous payment or computation was made, or such later time as may be required, in the exercise of due diligence, to obtain the necessary information for proration. This Section 1.6 shall survive Closing.

1.7 Transfer of Assets of Sellers. On the Closing Date and subject to the terms and conditions of this Agreement, each Seller shall sell, assign, transfer, convey and deliver to Purchaser, free and clear of all liens, claims, interests and encumbrances other than the Permitted Exceptions (defined below), and Purchaser shall acquire, all of each Seller's right, title and interest in and to only the following assets and properties, as such assets shall exist on the Closing Date, in each case (notwithstanding anything else in this Agreement) solely to the extent used primarily in the conduct of the Businesses and to the extent not included among the Excluded Assets, such transfer being deemed to be effective at the Effective Time:

(a) all of the tangible personal property owned by such Hospital Seller, or to the extent assignable or transferable by each Hospital Seller, leased, subleased or licensed by such Hospital Seller, and used by such Seller in the operation of the Hospital of such Hospital Seller, including equipment, furniture, fixtures, machinery, vehicles, office furnishings and leasehold improvements (the "**Personal Property**");

(b) all of such Hospital Seller's rights, to the extent assignable or transferable, to all Medicare and Medi-Cal provider agreements, permits, approvals, certificates of exemption, franchises, accreditations and registrations and other governmental licenses, permits or approvals issued to such Seller for use in the operation of the Hospital of such Hospital Seller (the "**Licenses**"), including, without limitation, the Licenses and Medicare/Medi-Cal Provider Agreements set forth on Schedule 1.7(b), except to the extent Purchaser elects, in its discretion, not to take assignment of any such Licenses;

(c) all of such Hospital Seller's interest in and to the Owned Real Property and all of such Hospital Seller's interest, to the extent assignable or transferable, in and to all of the following (the "**Assumed Leases**"): (i) personal property leases with respect to the operation of the Hospital of such Hospital Seller (including leases for assets described in Section 1.7(i)), (ii) the real property leases for all real property leased by such Hospital Seller and set forth on Schedule 1.7(c)(ii) (the "**Leased Real Property**"), and (iii) the real property leased or subleased by such Seller to a third party and set forth on Schedule 1.7(c)(iii) (the "**Tenant Leases**");

(d) all of such Hospital Seller's interest, to the extent assignable or transferable, in and to all contracts and agreements (including, but not limited to, purchase orders) with respect

to the operation of the Hospital of such Hospital Seller that have been designated by Purchaser as a contract to be assumed pursuant to Section 1.11 (the “**Assumed Contracts**”);

(e) other than the Excluded Settlements and Actions (defined below), all claims, rights, interests and proceeds (whether received in cash or by credit to amounts otherwise due to a third party) with respect to amounts overpaid by such Seller to any third party health plans with respect to periods prior to the Effective Time (e.g. such overpaid amounts may be determined by billing audits undertaken by such Seller or such Seller’s consultants), except with respect to any causes of action or proceeds thereof arising under Chapter 5 of the Bankruptcy Code other than with respect to Assumed Contracts and Assumed Leases and other items described in Section 1.8(h);

(f) to the extent assignable or transferable, all inventories of supplies, drugs, food, janitorial and office supplies and other disposables and consumables (i) located at the Hospital of such Seller or (ii) used in the operation of the Hospital of such Seller (the “**Inventory**”) except as set forth in Section 1.8(e);

(g) other than Utility Deposits, all prepaid rentals, deposits, prepayments (excluding prepaid insurance and prepaid taxes) and similar amounts relating to the Assumed Contracts and/or the Assumed Leases, which were made with respect to the operation of the Hospital of such Hospital Seller (the “**Prepays**”);

(h) to the extent assignable or transferrable, all of the following that are not proprietary to such Seller and/or owned by or proprietary to such Hospital Seller’s affiliates: operating manuals, files and computer software with respect to the operation of the Hospital of such Hospital Seller, including, without limitation, all patient records, medical records, employee records, financial records, equipment records, construction plans and specifications, and medical and administrative libraries; *provided, however*, that any patient records and medical records which are not required by law to be maintained by such Hospital Seller as of the Effective Time shall be an Excluded Asset;

(i) to the extent assignable or transferrable (and if leased, to the extent the associated lease is transferrable), including any assignment which is made effective pursuant to the Sale Order where the consent of a third party is required pursuant to the terms of an applicable agreement but not obtained, all systems, servers, computers, hardware, firmware, middleware, telecom equipment, networks, data communications lines, routers, hubs, switches and all other information technology equipment, and all associated documentation owned, leased or licensed by Sellers and used by Sellers with respect to the operations of the Hospitals;

(j) all Measure B trauma funding received after the Signing Date to be paid related to service periods ending on or after the Signing Date (pro rated between Purchaser and Sellers for any such payments covering service periods which include days both before and after the Signing Date based upon the number of days in the relevant payment period before the Signing Date (for the account of Sellers) and after the Signing Date (for the account of Purchaser));

(k) Except for as stated in Section 1.7(j), all accounts and interest thereupon, notes and interest thereupon and other receivables of such Seller, including, without limitation,

accounts, notes or other amounts receivable, disproportionate share payments and all claims, rights, interests and proceeds related thereto, including all accounts and other receivables, and Seller Cost Report settlements related thereto, in each case arising from the rendering of services or provision of goods, products or supplies to inpatients and outpatients at the Hospital of such Seller, billed and unbilled, recorded and unrecorded, for services, goods, products and supplies provided by such Seller prior to the Effective Time whether payable by Medicare, Medicaid, or any other payor (including an insurance company), or any health care provider or network (such as a health maintenance organization, preferred provider organization or any other managed care program) or any fiscal intermediary of the foregoing, private pay patients, private insurance or by any other source (collectively, “**Accounts Receivable**”);

(l) all rights, claims and causes of action of such Seller to the extent related to and/or to the extent arising out of the Accounts Receivable acquired by Purchaser at the Closing;

(m) other than the Excluded Settlements and Actions, all regulatory settlements, rebates, adjustments, refunds or group appeals, including without limitation pursuant to all cost reports filed by Sellers for payment or reimbursement from government payment programs and other payors with respect to periods after the Signing Date;

(n) other than the Excluded Settlements and Actions, all casualty insurance proceeds arising in respect of casualty losses occurring after the Signing Date in connection with the ownership or operation of the Assets;

(o) other than the Excluded Settlements and Actions, all surpluses arising out of any risk pools, shared savings program or accountable care organization arrangement to which any Seller is party on the Closing Date, in each case to the extent Purchaser assumes the underlying contract relating to such risk pools, shared savings program or accountable care organization arrangement;

(p) all transferable unclaimed property of any Person in Sellers’ possession as of the Closing Date, including, without limitation, property which is subject to applicable escheat laws;

(q) to the extent assignable or transferable by Sellers without out-of-pocket expense to Sellers, all warranties (including warranties of any manufacturer or vendor) on or in connection with the Assets (including the Personal Property) in favor of the Hospitals or Sellers;

(r) the right to use the names “St. Francis Medical Center”, “St. Vincent Medical Center”, “Seton Medical Center” and “Seton Medical Center Coastside”, including any trademarks, service marks, trademark and service mark registrations and registration applications, trade names, trade name registrations, logos, domain names, trade dress, copyrights, copyright registrations, website content, know-how, trade secrets and the corporate or company names of Sellers and the names of the Hospitals, together with all rights to sue and recover damages for infringement, dilution, misappropriation or other violation or conflict associated with any of the foregoing; at the Closing, Purchaser will execute and deliver to Sellers the Transition Services Agreement granting to Sellers an unlimited, royalty free, irrevocable license to use any and all of the foregoing solely in connection with the wind-down of the Businesses, the completion of the

Bankruptcy Cases and the dissolution of Sellers (and following completion of such wind-down, Bankruptcy Cases and dissolution of Sellers, such license shall automatically terminate);

(s) all goodwill of the Hospital of such Hospital Seller evidenced by or associated with any of the Assets;

(t) to the extent transferable or assignable, such Hospital Seller's right or interest in the telephone and facsimile numbers and uniform resource locaters used with respect to the operation of the Hospital of such Hospital Seller;

(u) each such Hospital Seller's Medicare and Medi-Cal provider agreements and lockbox account(s) identified on **Schedule 1.7(u)**;

(v) all documents, records, correspondence, work papers and other documents, other than patient records, primarily relating to the Accounts Receivable;

(w) with respect to Verity Holdings, the assets represented by the assessor's parcel numbers (APN's) listed in **Schedule 1.7(w)** hereof (the "**Purchased Verity Holdings Assets**");

(x) except for the Excluded Assets, to the extent assignable or transferable, and subject to the Permitted Exceptions, any other assets owned by such Hospital Seller (which are not otherwise specifically described above in this Section 1.7) that are used in the operation of the Hospital of such Hospital Seller;

(y) all of Seton's interest in and to the PACE Obligations; and

(z) all QAF V and subsequent QAF program payments received after the Closing (e.g., QAF VI and QAF VII).

As used herein, the term "**Permitted Exceptions**" means (i) the Assumed Obligations; (ii) the PACE Obligations; (iii) liens for taxes not yet due and payable (iv) easements, rights of way, zoning ordinances and other similar encumbrances affecting real property; (v) other imperfections of title or encumbrances, if any, which are not monetary in nature and that are not, individually or in the aggregate, material to the business of the Hospital; (vi) any agreements made with any governmental authority in order to obtain any consent or approval, including, without limitation, in connection with the Medicare and Medi-Cal provider agreements; and (vii) other imperfections of title or encumbrances that are expressly identified on **Schedule 1.7** hereof.

1.8 Excluded Assets. Notwithstanding anything to the contrary in Section 1.7, each Seller shall retain all interests, rights and other assets owned directly or indirectly by it (or any of such Seller's affiliates) which are not among the Assets, including, without limitation, the following interests, rights and other assets of such Seller (collectively, the "**Excluded Assets**");

(a) cash, cash equivalents and short-term investments;

(b) all Seller Plans (defined below) and the assets of all Seller Plans and any asset that would revert to the employer upon the termination of any Seller Plan, including, without limitation, any assets representing a surplus or overfunding of any Seller Plan;

(c) all contracts that are not Assumed Contracts;

(d) all leases that are not Assumed Leases;

(e) the portions of Inventory, Prepaids, and other assets disposed of, expended or canceled, as the case may be, by such Seller after the Signing Date and prior to the Effective Time in the ordinary course of business;

(f) assets owned and provided by vendors of services or goods to the Hospital of such Hospital Seller;

(g) all of such Seller's organizational or corporate record books, minute books, tax returns, tax records and reports, data, files and documents, including electronic data related thereto;

(h) all claims, counterclaims and causes of action of such Seller or such Seller's bankruptcy estate (including parties acting for or on behalf of such Seller's bankruptcy estate, including, but not limited to, the official committee of unsecured creditors appointed in the Bankruptcy Cases), including, without limitation, rights of recovery or set-off of every kind and character against third parties, causes of action arising out of any claims and causes of action under chapter 5 of the Bankruptcy Code and any related claims, counterclaims and causes of action under applicable non-bankruptcy law, and any rights to challenge liens asserted against property of such Seller's bankruptcy estate, including, but not limited to, liens attaching to the Purchase Price paid to such Seller, and the proceeds from any of the foregoing;

(i) other than casualty insurance proceeds described in Section 1.7(m), all insurance policies and contracts and coverages obtained by such Seller or listing such Seller as insured party, a beneficiary or loss payee, including prepaid insurance premiums, and all rights to insurance proceeds under any of the foregoing, and all subrogation proceeds related to any insurance benefits arising from or relating to Assets prior to the Closing Date;

(j) all deposits made with any entity that provides utilities to the Hospital (the **"Utility Deposits"**);

(k) all rents, deposits, prepayments, and similar amounts relating to any contract or lease that is not an Assumed Contract or Assumed Lease;

(l) all non-transferrable unclaimed property of any third party as of the Effective Time, including, without limitation, property which is subject to applicable escheat laws;

(m) all other bank accounts of such Sellers not listed on **Schedule 1.7(u)**;

(n) all writings and other items that are protected from discovery by the attorney-client privilege, the attorney work product doctrine or any other cognizable privilege or protection;

(o) the rights of such Seller to receive mail and other communications with respect to Excluded Assets or Excluded Liabilities;

(p) all director and officer insurance;

(q) all tax refunds of such Seller;

(r) all documents, records, operating manuals and film pertaining to the Hospital that the parties agree that such Seller is required by law to retain;

(s) all patient records and medical records which are not required by law to be maintained by such Seller as of the Effective Time;

(t) all documents, records, correspondence, work papers and other patient records that may not be transferred under applicable law, and any other documents, records, or correspondence (including with respect to any employees) that may not be transferred under applicable law;

(u) any rights or documents relating to any Excluded Liability or other Excluded Asset;

(v) any rights or remedies provided to such Seller under this Agreement and each other document executed in connection with the Closing;

(w) any (i) personnel files for employees of such Seller who are not hired by Purchaser; (ii) other books and records that such Seller is required by Law to retain; provided, however, that except as prohibited by Law and subject to Article 5, Purchaser shall have the right to make copies of any portions of such retained books and records that relate to the business of the Hospital as conducted before the Closing or that relate to any of the Assets; (iii) documents which such Seller is not permitted to transfer pursuant to any contractual obligation owed to any third party; (iv) documents primarily related to any Excluded Assets; and (v) documents necessary to prepare tax returns (Purchaser shall be entitled to a copy of such documents). With respect to documents necessary to prepare cost reports, Purchaser shall receive the original document and such Seller shall be entitled to retain a copy of such documents for any period ending on or prior to the Closing Date;

(x) all deposits or other prepaid charges and expenses paid in connection with or relating to any other Excluded Assets;

(y) all rights, claims and causes of action of such Seller to the extent related to and/or to the extent arising out of the receivables identified in **Schedule 1.8(y)** and rights to settlements and retroactive adjustments, if any, whether arising under a Seller Cost Report or otherwise, for any reporting periods ending on or prior to the Effective Time, whether open or closed, arising from or against the United States government under the terms of the Medicare

program or TRICARE (formerly the Civilian Health and Medical Program of the Uniformed Services);

(z) all pre-Closing settlements or settlements pursuant to adversary proceedings in the Bankruptcy Cases, including, without limitation, any proceedings identified in Section 1.8(h) or 1.8(y) (together with the items identified in Section 1.8(h) and 1.8(y), the “**Excluded Settlements and Actions**”);

(aa) for the avoidance of doubt, all QAF IV and QAF V payments actually received prior to the Signing Date;

(bb) all assets of Verity Holdings other than the Purchased Verity Holdings Assets and all assets of any of the tenants located in the leased premises of the purchased Verity Holdings properties; and

(cc) any assets identified in Schedule 1.8(cc).

1.9 Assumed Obligations. On the Closing Date, each Seller shall assign, and Purchaser shall assume and agrees to discharge, perform and satisfy fully, on and after the Effective Time, the following liabilities and obligations of such Seller and only the following liabilities and obligations (collectively, the “**Assumed Obligations**”):

(a) the Assumed Contracts and all liabilities of such Seller under the Assumed Contracts, including related Cure Costs;

(b) the Assumed Leases and all liabilities of such Seller under the Assumed Leases, including related Cure Costs;

(c) all liabilities and obligations arising out of or relating to any act, omission, event or occurrence connected with the use, ownership or operation by Purchaser of the Hospital or any of the Assets on or after the Effective Time;

(d) all accrued vacation and other paid time off, to the extent assumed under Section 1.1(a)(ii);

(e) all liabilities and obligations of such Seller related to the Hired Employees arising on or following the Effective Time;

(f) all unpaid real and personal property taxes, if any, that are attributable to the Assets after the Effective Time, subject to the prorations provided in Section 1.6;

(g) all liabilities and obligations relating to utilities being furnished to the Assets, subject to the prorations provided in Section 1.6;

(h) any documentary, sales and transfer tax liabilities of such Seller incurred as a result of the consummation of the transaction contemplated by this Agreement;

(i) all liabilities or obligations provided for in Section 5.3;

(j) any obligations or liabilities Purchaser may desire or need to assume in order to have the Certifications/Licenses/Permits identified on Schedule 1.7(b) reissued to Purchaser, as well as any liabilities or obligations associated with Sellers' Medicare and Medi-Cal provider agreements, but only to the extent assumed by Purchaser, and any Medi-Cal liabilities or obligations needed to support ongoing Hospital Quality Assurance Fee Program payments; and

(k) any other obligations and liabilities identified in Schedule 1.9(k).

1.10 Excluded Liabilities. Purchaser shall not assume or become responsible for any duties, obligations or liabilities of any Seller that are not assumed by Purchaser pursuant to the terms of this Agreement, the Bill of Sale, the Assumption Agreement or the Real Estate Assignment(s) (the "**Excluded Liabilities**"), and each Seller shall remain fully and solely responsible for all of such Seller's debts, liabilities, contract obligations, expenses, obligations and claims of any nature whatsoever related to the Assets or the Hospital unless assumed by Purchaser under this Agreement, in the Bill of Sale, the Assumption Agreement or in the Real Estate Assignment(s).

1.11 Designation of Assumed Contracts and Assumed Leases.

(a) Except as provided in Section 1.11(b), all contracts and leases will be subject to evaluation by Purchaser for assumption or rejection (collectively "**Evaluated Contracts**"). Not later than seven (7) days prior to the date of the auction for the Assets (i) Purchaser shall notify each Seller in writing of which Evaluated Contracts are to be assumed by such Seller and assigned to Purchaser and (ii) Purchaser shall notify each Seller in writing signed and dated by Purchaser of which Evaluated Contracts are to be rejected by such Seller (collectively, the "**Rejected Contracts**"); provided, that Purchaser shall have the right to designate additional Evaluated Contracts for assumption up to thirty (30) days prior to Closing. Each Seller shall file such motions in the Bankruptcy Court and take such other actions as are reasonably necessary to ensure that final and non-appealable orders are entered (x) assuming and assigning the respective Assumed Contracts or Assumed Leases applicable to such Seller to Purchaser and (y) rejecting the Rejected Contracts. With respect to each Assumed Lease, the applicable Seller shall execute and deliver to Purchaser an Assignment and Assumption of Lease. Notwithstanding anything to the contrary set forth in this Agreement, the Rejected Contracts shall constitute part of the Excluded Assets pursuant to, and as defined in, this Agreement.

(b) At Closing and pursuant to an order of the Bankruptcy Court, each Seller will assume and immediately assign to Purchaser the leases of such Seller for Leased Real Property and the Tenant Leases.

(c) Notwithstanding the foregoing, Purchaser's obligation to consummate the transactions contemplated by this Agreement are not contingent upon the assumption, assignment or rejection of any contract or lease, or on the amount of any payment or other performance needed to cure any default thereunder.

1.12 Disclaimer of Warranties; Release.

(a) THE ASSETS TRANSFERRED TO PURCHASER WILL BE SOLD BY SELLERS AND PURCHASED BY PURCHASER IN THEIR PHYSICAL CONDITION AT THE EFFECTIVE TIME, “AS IS, WHERE IS AND WITH ALL FAULTS AND NONCOMPLIANCE WITH LAWS” WITH NO WARRANTIES, INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, USAGE, WORKMANSHIP, QUALITY, PHYSICAL CONDITION, OR VALUE, AND ANY AND ALL SUCH OTHER REPRESENTATIONS AND WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED, AND WITH RESPECT TO THE LEASED REAL PROPERTY WITH NO WARRANTY OF HABITABILITY OR FITNESS FOR HABITATION, INCLUDING, WITHOUT LIMITATION, THE LAND, THE BUILDINGS AND THE IMPROVEMENTS. ALL OF THE PROPERTIES, ASSETS, RIGHTS, LICENSES, PERMITS, PRIVILEGES, LIABILITIES, AND OBLIGATIONS OF SELLERS INCLUDED IN THE ASSETS AND THE ASSUMED OBLIGATIONS ARE BEING ACQUIRED OR ASSUMED “AS IS, WHERE IS” ON THE CLOSING DATE AND IN THEIR PRESENT CONDITION, WITH ALL FAULTS. ALL OF THE TANGIBLE ASSETS SHALL BE FURTHER SUBJECT TO NORMAL WEAR AND TEAR AND NORMAL AND CUSTOMARY USE OF THE INVENTORY AND SUPPLIES IN THE ORDINARY COURSE OF BUSINESS UP TO THE EFFECTIVE TIME.

(b) Purchaser acknowledges that Purchaser will be examining, reviewing and inspecting all matters which in Purchaser’s judgment bear upon the Assets, the Sellers, the Hospitals, the business of the Hospitals and their value and suitability for Purchaser’s purposes and is relying solely on Purchaser’s own examination, review and inspection of the Assets and Assumed Obligations. Purchaser releases each Seller and its affiliates from all responsibility and liability regarding the condition, valuation, salability or utility of the business of the Hospitals or the Assets, or their suitability for any purpose whatsoever. Purchaser further acknowledges that the representations and warranties of Sellers contained in ARTICLE 2 of this Agreement are the sole and exclusive representations and warranties made by Sellers to Purchaser (including with respect to the Hospitals, the Assets and the Assumed Obligations) and shall expire, and be of no further force or effect after January 8, 2019 (the period from the Signing Date until January 8, 2019, the “**Final Diligence Period**”), except that the Sale Order Date Representations shall expire, and be of no further force or effect upon the Sale Order Date, and in each case Sellers shall not have any liability in respect of any breach thereof following such expiration.

ARTICLE 2

REPRESENTATIONS AND WARRANTIES OF SELLERS

Each Seller hereby represents, warrants and covenants to Purchaser, severally (and not jointly) with respect to such Seller that the following matters are true and correct as of the Signing Date and as of the last day of the Final Diligence Period, except as would not have a material adverse effect upon the Hospitals, taken as a whole (a “**Material Adverse Effect**”) and except as disclosed in the disclosure schedule, as may be amended pursuant to the terms of this Agreement (the “**Disclosure Schedule**”), provided that the representations and warranties set forth in Sections 2.1 (Authorization), 2.2 (Binding Agreement), 2.3 (Organization and Good Standing; No Violation), 2.8 (Compliance with Legal Requirements), 2.9 (Required Consents), 2.11 (Title) and 2.14 (Legal Proceedings) (the “**Sale Order Date Representations**”) shall also be made as of immediately prior to the entry of the Sale Order (the “**Sale Order Date**”):

2.1 Authorization. Such Seller has all necessary corporate power and authority to enter into this Agreement and, subject to Bankruptcy Court approval, to carry out the transactions contemplated hereby.

2.2 Binding Agreement. This Agreement has been duly and validly executed and delivered by such Seller and, assuming due and valid execution by Purchaser, this Agreement constitutes a valid and binding obligation of such Seller enforceable in accordance with its terms subject to (a) applicable bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditors’ rights generally from time to time in effect and (b) limitations on the enforcement of equitable remedies. Except for such corporate actions which have been taken on or before the date hereof, no other corporate action on the part of Sellers is necessary to authorize the execution, delivery and performance of this Agreement and the transactions contemplated hereby and thereby.

2.3 Organization and Good Standing; No Violation.

(a) Such Seller is an entity duly organized, validly existing and in good standing under the laws of the State of California. Such Seller has all necessary power and authority to own, operate and lease its properties and to carry on its businesses as now conducted.

(b) Neither the execution and delivery by such Seller of this Agreement nor the consummation of the transactions contemplated hereby by such Seller nor compliance with any of the material provisions hereof by such Seller, will violate, conflict with or result in a breach of any material provision of such Seller’s articles of incorporation or bylaws or any other organizational documents of such Seller.

2.4 Contracts. Except as set forth in Schedule 2.4, upon entry of the Sale Order and Purchaser’s payment of the Cure Costs, to Seller’s knowledge, Seller is not in material breach or default of the Assumed Contracts or Assumed Leases. No provision of this Section 2.4 shall apply to any failure to obtain consents to the assignment of the Assumed Contracts and Assumed Leases from third parties to the Assumed Contracts and Assumed Leases for which consent is required to

assign the Assumed Contracts and Assumed Leases to Purchaser (the “**Contract and Lease Consents**”).

2.5 Brokers and Finders. Except as set forth on Schedule 2.5, neither such Seller nor any affiliate thereof, nor any officer or director thereof, have engaged or incurred any liability to any finder, broker or agent in connection with the transactions contemplated hereunder.

2.6 Seller Knowledge. References in this Agreement to “Sellers’ knowledge or “the knowledge of Sellers” means the actual knowledge of the Chief Executive Officer or Chief Financial Officer of the applicable Seller, without independent research. No constructive or imputed knowledge shall be attributed to any such individual by virtue of any position held, relationship to any other Person or for any other reason.

2.7 Non-Contravention. Neither the execution and delivery by Sellers of this Agreement and each Ancillary Agreement nor performance of any of the material provisions hereof by Sellers, will violate, conflict with or result in a breach of any material provisions of the articles of incorporation or bylaws of Sellers.

2.8 Compliance with Legal Requirements. Except as set forth in Schedule 2.8, to the knowledge of Sellers: each Seller, with respect to the operation of the Hospitals, is in material compliance with all applicable laws, statutes, ordinances, orders, rules, regulations, policies, guidelines, licenses, certificates, judgments or decrees of all judicial or governmental authorities (federal, state, local, foreign or otherwise) (collectively, “**Legal Requirements**”). Except as set forth in Schedule 2.8, to the knowledge of Sellers, none of the Sellers, with respect to the operation of the Hospitals, has been charged in writing with or been given written notice of or is under investigation with respect to, any material violation of, or any obligation to take material remedial action under, any applicable Legal Requirements.

2.9 Required Consents. Except as set forth in Schedule 2.9, and other than in connection with any Licenses, any provider agreements (including any such agreements with a governmental authority) and the CA AG (defined below), Sellers are not a party to or bound by, nor are any of the Assets subject to, any mortgage, or any material lien, deed of trust, material lease, or material contract or any material order, judgment or decree which, after giving effect to the Sale Order (a) will require the consent of any third party to the execution of this Agreement or (b) will require the consent of any third party to consummate the transactions contemplated by this Agreement.

2.10 Environmental Matters.

(a) Sellers have provided Purchasers with the Phase I Environmental Site Assessments set forth in said Schedule 2.10(a).

(b) Except as disclosed in Schedule 2.10(b), to the knowledge of Sellers, the operations of the Hospitals are not in material violation of any applicable limitations, restrictions, conditions, standards, prohibitions, requirements and obligations of Environmental Laws and related orders of any court or any other governmental authority.

(c) For the purposes of this Section, the term “**Environmental Laws**” shall mean all state, federal or local laws, ordinances, codes or regulations relating to Hazardous Substances or to the protection of the environment, including, without limitation, laws and regulations relating to the storage, treatment and disposal of medical and biological waste. For purposes of this Agreement, the term “**Hazardous Substances**” shall mean (i) any hazardous or toxic waste, substance, or material defined as such in (or for the purposes of) any Environmental Laws, (ii) asbestos-containing material, (iii) medical and biological waste, (iv) polychlorinated biphenyls, (v) petroleum products, including gasoline, fuel oil, crude oil and other various constituents of such products, and (vi) any other chemicals, materials or substances, exposure to which is prohibited, limited or regulated by any Environmental Laws.

2.11 Title. Prior to December 21, 2018, Sellers have delivered at their own expense (i) for all the Real Property preliminary title reports issued by First American Title Insurance Company (the “**Title Commitments**”), (ii) for all of the Real Property all underlying title documents listed on the Title Commitments (the “**Underlying Title Documents**”), and (iii) for all of the Hospitals an as-built ALTA Surveys (the “**Surveys**”, and collectively with the Title Commitment and the Underlying Title Documents, the “**Title Documents**”).

2.12 Certain Other Representations with Respect to the Hospitals.

(a) Except as set forth in Schedule 2.12, all Licenses which are material and necessary to the operation of the Hospitals or the Hospitals by Sellers are valid and in good standing and Sellers are in compliance with the terms and conditions of all such Licenses in all material respects, in each case except where the failure to be valid and in good standing or in compliance would not have a material adverse effect on the Assets or the Hospitals. Except as set forth in Schedule 2.12, as of the Closing Date Sellers will have any and all material Licenses required under Legal Requirements to conduct the Hospitals as presently conducted by Sellers, except where the failure to have any such License would not have a material adverse effect on the Assets or the Hospitals. To the knowledge of Sellers, no loss or expiration of any License is pending or threatened.

(b) Sellers are certified for participation in the Medicare, Medi-Cal and TRICARE programs and any other federal or state health care reimbursement programs in which they participate, and have current and valid provider agreements with each such program, except where the failure to be so certified or have such provider agreements would not have a material adverse effect.

(c) Sellers have not been excluded from Medicare, Medi-Cal or any federal or state health care reimbursement program, and, to the knowledge of Sellers, there is no pending or threatened exclusion action by a governmental authority against Sellers.

2.13 Financial Statements.

(a) Schedule 2.13(a) hereto contains the following financial statements (the “Historical Financial Statements”): (i) the unaudited balance sheets of the Sellers as of June 30,

2018; (ii) unaudited income statements of the Sellers for the twelve-month periods ended June 30, 2018; (iii) the audited consolidated income statements of Sellers for the years ended 2016 and 2017; and (iv) the unaudited consolidated balance sheet of Sellers as of June 30, 2018.

(b) the income statements contained in the Historical Financial Statements present, fairly in all material respects the results of the operations of the Sellers as of and for the periods covered therein and, except as set forth on Schedule 2.13(b), the balance sheets contained in the Historical Financial Statements (i) are true, complete and correct in all material respects; (ii) present, fairly in all material respects the financial condition of the Sellers as of the dates indicated thereon; and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with generally accepted accounting principles consistently applied throughout the periods covered, except as disclosed therein.

2.14 Legal Proceedings. Except as set forth on Schedule 2.14, and except for any and all cases and/or pleadings filed or to be filed in the Bankruptcy Court, which shall be available through Sellers' claims and noticing agent's website at <http://www.kccclcc.com/VERITYHEALTH/>, to the knowledge of Sellers, there are no material claims, proceedings or investigations pending or threatened with respect to the ownership of the Assets or the operation of the Hospitals or the Hospitals by Sellers before any governmental authority. Except as set forth on Schedule 2.14, and other than any action or proceeding brought in the Bankruptcy Court, to the knowledge of Sellers, Sellers are not subject to any government order with respect to the ownership or operation by Sellers of the Hospitals or the other Assets or the Hospitals and are in substantial compliance with respect to each such government order.

2.15 Employee Benefits. Schedule 2.15(a) contains a list of (i) each pension, profit sharing, bonus, deferred compensation, or other retirement plan or arrangement of Seller with respect to the operation of the Hospital, whether oral or written, which constitutes an "employee pension benefit plan" as defined in Section 3(2) of ERISA, (ii) each medical, health, disability, insurance or other plan or arrangement of Seller with respect to the operation of the Hospital, whether oral or written, which constitutes an "employee welfare benefit plan" as defined in Section 3(1) of ERISA, and (iii) each other employee benefit or perquisite provided by Seller with respect to the operation of the Hospital, in which any employee of Seller participates in his capacity as such (collectively, the "**Seller Plans**").

2.16 Personnel. Schedule 2.16 sets forth a complete list (as of the date set forth therein) of names, positions and current annual salaries or wage rates and scheduled bonus, and the accrued paid time off pay of all employees of Sellers (including employees of the Hospitals and employees of Verity and Verity Holdings) immediately prior to December 21, 2018, whether such employees are full time employees, part-time employees, on short-term or long-term disability or on leave of absence pursuant to Sellers's policies, the Family and Medical Leave Act of 1993 or other similar Legal Requirements (the "**Hospital Employees**") and indicating whether the Hospital Employee is full- time or part-time. Sellers shall have the right to update to Schedule 2.16(a) to reflect changes in employment status or new hires and terminations occurring after December 21, 2018 by providing a revised schedule to Purchase no later than five (5) Business Days before the date scheduled for the Closing.Insurance. Schedule 2.17 contains a list of all material insurance maintained by Sellers with respect to the Assets and the Businesses, as of the Signing Date.

2.18 Accounts Receivable. To the knowledge of Sellers, all Accounts Receivable included in the Assets at Closing result from the bona fide provision of products or services in the ordinary course of business. All Sellers Accounts Receivable are currently deposited, either electronically or manually, into the bank accounts listed on Schedule 4.25(b).

2.19 Payer Contracts. To the knowledge of Sellers, and subject to Section 365 of the Bankruptcy Code, Schedule 2.19 sets forth a complete list of all written contracts with private third party payers including insurance companies and HMOs (“**Payer Contracts**”). Sellers have provided Purchasers with a true and correct copy of all material Payer Contracts, whether or not entered into in the ordinary course of business, or otherwise required to be disclosed on Schedule 2.20, in each case together with all amendments thereto.

2.20 Excluded Individuals. Except as set forth on Schedule 2.20, to the knowledge of Sellers: neither Sellers, Hospitals nor any director, officer or employee of Sellers or Hospitals (a) was, is or is proposed to be, suspended, excluded from participation in, or sanctioned under, any federal or state health care program (including, without limitation, Medicare and Medicaid) (an “**Excluded Individual**”); (b) has been convicted of any criminal offense related to the delivery of any medical or health care services or supplies, or related to the neglect or abuse of patients; (c) has failed to maintain its current License to provide the services required to be provided by it to or on behalf of Sellers and Hospitals; or (d) is unable to obtain or maintain liability insurance consistent with commercially reasonable industry practices.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF PURCHASER

As an inducement to Sellers to enter into this Agreement and to consummate the transactions contemplated by this Agreement, Purchaser hereby represents, warrants and covenants to Sellers as to the following matters as of the Signing Date and, except as otherwise provided herein, shall be deemed to remake all of the following representations, warranties and covenants as of the Closing Date:

3.1 Authorization. Purchaser has full power and authority to enter into this Agreement and has full power and authority to perform its obligations hereunder and to carry out the transactions contemplated hereby. No additional internal consents are required in order for Purchaser to perform its obligations and agreements hereunder.

3.2 Binding Agreement. This Agreement has been duly and validly executed and delivered by Purchaser and, assuming due and valid execution by Sellers, this Agreement constitutes a valid and binding obligation of Purchaser enforceable in accordance with its terms subject to (a) applicable bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditors’ rights generally from time to time in effect and (b) limitations on the enforcement of equitable remedies.

3.3 Organization and Good Standing. Purchaser is a corporation duly organized, validly existing and in good standing under the laws of the State of California, is or will be duly

authorized to transact business in the State of California, and has full power and authority to own, operate and lease its properties and to carry on its business as now conducted.

3.4 No Violation. Except as set forth in **Schedule 3.4**, neither the execution and delivery by Purchaser of this Agreement nor the consummation of the transactions contemplated hereby nor compliance with any of the material provisions hereof by Purchaser will (a) violate, conflict with or result in a breach of any material provision of the Articles of Incorporation, Bylaws or other organizational documents of Purchaser or any contract, lease or other instrument by which Purchaser is bound; (b) require any approval or consent of, or filing with, any governmental agency or authority, (c) violate any law, rule, regulation, or ordinance to which Purchaser is or may be subject, (d) violate any judgment, order or decree of any court or other governmental agency or authority to which Purchaser is subject.

3.5 Brokers and Finders. Neither Purchaser nor any affiliate thereof nor any officer or director thereof has engaged any finder or broker in connection with the transactions contemplated hereunder.

3.6 Representations of Sellers. Purchaser acknowledges that it is purchasing the Assets on an “AS IS, WHERE IS” basis (as more particularly described in Section 1.12), and that Purchaser is not relying on any representation or warranty (expressed or implied, oral or otherwise) made on behalf of any Seller other than as expressly set forth in this Agreement. Purchaser further acknowledges that no Seller is making any representations or warranties herein relating to the Assets or the operation of the Hospital on and after the Effective Time.

3.7 Legal Proceedings. Except as described on **Schedule 3.7**, there are no claims, proceedings or investigations pending or, to the best knowledge of Purchaser, threatened relating to or affecting Purchaser or any affiliate of Purchaser before any court or governmental body (whether judicial, executive or administrative) in which an adverse determination would materially adversely affect the properties, business condition (financial or otherwise) of Purchaser or any affiliate of Purchaser or which would adversely affect Purchaser’s ability to consummate the transactions contemplated hereby. Neither Purchaser nor any affiliate of Purchaser is subject to any judgment, order, decree or other governmental restriction specifically (as distinct from generically) applicable to Purchaser or any affiliate of Purchaser which materially adversely affects the condition (financial or otherwise), operations or business of Purchaser or any affiliate of Purchaser or which would adversely affect Purchaser’s ability to consummate the transactions contemplated hereby.

3.8 No Knowledge of a Seller’s Breach. Neither Purchaser nor any of its affiliates has knowledge of any breach of any representation or warranty by any Seller or of any other condition or circumstance that would give Purchaser a right to terminate this Agreement pursuant to Section 9.1(c). If information comes to Purchaser’s attention on or before the Closing Date (whether through a Seller or otherwise and whether before or after the Signing Date) which indicates that Sellers have breached any of its representations and warranties under this Agreement, then the effect shall be as if the representations and warranties had been modified in this Agreement in accordance with the actual state of facts existing prior to the Effective Time such that there will be no breach under Sellers’ representations and warranties in relation to such information; *provided, however*, that Purchaser must immediately notify Sellers if any such breach comes to its attention

on or before the Closing Date, and Purchaser's failure to so notify Sellers shall constitute a waiver by Purchaser of Sellers' breach, if any, of any representation or warranty. If any such information comes to Purchaser's attention on or before the Closing Date (whether through a Seller or otherwise, including through updated schedules, and whether before or after the Signing Date) that would give Purchaser a right to terminate this Agreement pursuant to Section 9.1(c), Purchaser must immediately notify Sellers if any such information comes to its attention on or before the Closing Date, and Purchaser's failure to so notify Sellers shall constitute a waiver of such right in relation to the relevant breach.

3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

3.10 Purchaser Knowledge. References in this Agreement to "Purchaser's knowledge" or "the knowledge of Purchaser" means the actual knowledge of the Chief Executive Officer, Chief Financial Officer or Chief Operating Officer of Purchaser, without independent research. No constructive or imputed knowledge shall be attributed to any such individual by virtue of any position held, relationship to any other Person or for any other reason.

3.11 Investigation. Purchaser has been afforded reasonable access to, and has been provided adequate time to review, the books, records, information, operations, facilities and personnel of each Seller and the Hospital for purposes of conducting a due diligence investigation of each Seller and the Hospital. Purchaser has conducted a reasonable due diligence investigation of each Seller and the Hospital and has received satisfactory answers to all inquiries it has made respecting each Seller and the Hospital and has received all information it considers necessary to make an informed business evaluation of each Seller and the Hospital. In connection with its due diligence investigation of each Seller and the Hospital, Purchaser has not relied upon any books, records, information, operations, facilities and personnel provided by any Seller, including in making its determination to enter into this Agreement and/or consummate the transactions contemplated hereby.

ARTICLE 4

COVENANTS OF SELLERS

4.1 Access and Information; Inspections.

4.1.1 From the Signing Date through the Effective Time, (a) each Seller shall afford to the officers and agents of Purchaser (which shall include accountants, attorneys, bankers and other consultants and authorized agents of Purchaser) reasonable access during normal business hours at Seller's corporate headquarters in El Segundo, California to, and the right to inspect, the books, accounts, records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital of such Seller and the plant and property of the Hospital of such Seller at the Hospital of such Seller and (b) each Seller shall furnish Purchaser with such additional financial and operating data and other information in such Seller's possession

as to businesses and properties of the Hospital of such Seller as Purchaser or its representatives may from time to time reasonably request; *provided, however*, that such Seller is not obligated to disclose information which is proprietary to such Seller and would not be essential to the ongoing operation of the Hospital of such Seller by Purchaser; *provided, further*, that all disclosures of information shall be consistent with the confidentiality agreements and any other non-disclosure agreements entered into (or to be entered into) among Purchaser, its representatives and such Seller. Purchaser's right of access and inspection shall be exercised in such a manner as not to interfere unreasonably with the operations of any Seller or the Hospital.

4.1.2 Notwithstanding anything contained herein, no Seller shall be required to provide Purchaser or its representatives or agents access to or disclose information where such access or disclosure would violate the rights of its patients, jeopardize the attorney-client or similar privilege with respect to such information or contravene any law, judgment, fiduciary duty or contract entered into prior to or on the date of this Agreement with respect to such information.

4.2 Cooperation.

4.2.1 Each Seller shall reasonably cooperate with Purchaser and its authorized representatives and attorneys: (a) in Purchaser's efforts to obtain all consents, approvals, authorizations, clearances and licenses required to carry out the transactions contemplated by this Agreement (including, without limitation, those of governmental and regulatory authorities) or which Purchaser reasonably deems necessary or appropriate, (b) in the preparation of any document or other material which may be required by any governmental agency as a predicate to or result of the transactions contemplated in this Agreement, and (c) in Purchaser's efforts to effectuate the assignment of Assumed Contracts to Purchaser as of the Closing Date. Except as may be otherwise requested by a Seller in order to comply with applicable law or regulatory guidance, notwithstanding anything contained herein, other than Bankruptcy Court orders and authorizations, it shall be Purchaser's sole responsibility (including payment of any fees, expenses, filings costs or other amounts) to obtain the Contract and Lease Consents, as well as all governmental consents, approvals, assignments, authorizations, clearances and licenses required to (x) carry out the transactions contemplated by this Agreement, including but not limited to medical licenses and/or (y) transfer any of the Assets, including any Licenses. To the extent Purchaser needs certain information and data which is in the possession of a Seller in order for Purchaser to complete Purchaser's license and permit approval applications, Purchaser shall receive, upon request, reasonable assistance from such Seller in connection with the provision of such information.

4.2.2 Notwithstanding any provision to the contrary contained in this Agreement (including Section 8.7), no Seller shall be obligated to obtain the approval or consent to the assignment, to Purchaser, of any Assumed Contracts or Assumed Leases, from any party to any of the Assumed Contracts or Assumed Leases even if any such contract or lease states that it is not assignable without such party's consent.

4.3 Other Bidders. Purchaser expressly acknowledges and agrees that each Seller has an obligation to seek out and determine the best and highest offer reasonably available for such

Seller's assets in accordance with the Bankruptcy Code, and nothing herein shall amend, modify, alter, diminish or affect such obligation.

4.4 Sellers' Efforts to Close. Each Seller shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Purchaser's obligations under this Agreement to the extent that such Seller's action or inaction can control or materially influence the satisfaction of such conditions; provided, however, that such Seller shall not be required to pay or commit to pay any amount to (or incur any obligation in favor of) any person (other than filing or application fees).

4.5 Termination Cost Reports. Each Seller shall file all Medicare, Medi-Cal and any other termination cost reports required to be filed as a result of the consummation of (a) the transfer of the Assets of such Seller to Purchaser and (b) the transactions contemplated by this Agreement with respect to such Seller, provided that Purchaser shall fund reasonable costs and expenses of preparation, filing and audit of such reports. Purchaser shall permit each Seller access to all Hospital books and records to prepare such reports and shall assist such Seller in the process of preparing, filing, and reviewing the termination cost reports. All such termination cost reports shall be filed by the applicable Seller in a manner that is consistent with current laws, rules and regulations. Each Seller shall be responsible for filing governmental cost reports for the period of January 1, 2019 through the Closing Date. Purchaser shall be responsible for its own cost report filings relating to the Hospitals beginning on the day immediately following the Effective Time.

4.6 Conduct of the Business. From the Signing Date until the Closing, or the earlier termination of this Agreement, without the prior written consent of Purchaser, Sellers shall, with respect to the ownership of the Assets and the operation of the Hospitals, use commercially reasonable efforts to, in each case except as would not have a Material Adverse Effect (except as otherwise noted):

(a) without regard to Material Adverse Effect, carry on Sellers' ownership of the Assets and the operation of the Hospitals consistent with past practice, but subject to the Bankruptcy Cases and Sellers' obligations and actions in connection therewith;

(b) maintain in effect the insurance and equipment replacement coverage with respect to the Assets;

(c) if and as permitted by the Bankruptcy Court, pay any bonuses payable under the Key Employee Retention Plan and Key Employee Incentive Plan of Sellers;

(d) maintain the Assets in materially the same condition as at present, ordinary wear and tear excepted;

(e) perform its obligations under all contracts with respect to the Assets in compliance with the Bankruptcy Code;

(f) following entry of the Sale Order, permit and allow reasonable access by Purchaser and its representatives (which shall include the right to send written materials, all of which shall be subject to Sellers' reasonable approval prior to delivery) to make offers of post-

Closing employment to any of Sellers' personnel (including access by Purchasers and their representatives for the purpose of conducting open enrollment sessions for Purchasers' employee benefit plans and programs) and to establish relationships with physicians, medical staff and others having business relations with Sellers;

(g) with respect to material deficiencies, if any, cited by any governmental authority (other than the Attorney General of the State of California and other than with respect to Seismic requirements) or accreditation body in the most recent surveys conducted by each, cure or develop and timely implement a plan of correction that is acceptable to such governmental authority or such accreditation body;

(h) timely file or cause to be filed all material reports, notices and tax returns required to be filed and pay all required taxes as they come due;

(i) without regard to Material Adverse Effect, beginning on February 21, 2019 and in accordance with the Sellers' budget under their debtor in possession financing, timely pay any fees that are or become due and payable under QAF IV and QAF V;

(j) comply in all material respects with all Legal Requirements (including Environmental Laws) applicable to the conduct and operation of the Hospitals; and

(k) without regard to Material Adverse Effect, maintain all material approvals, permits and environmental permits relating to the Hospitals and the Assets.

4.7 Contract With Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

ARTICLE 5

COVENANTS OF PURCHASER

5.1 Purchaser's Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers' obligations under this Agreement to the extent that Purchaser's action or inaction can control or materially influence the satisfaction of such conditions. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement, Purchaser shall be permitted to communicate and meet with (a) counter-parties to the agreements and contracts of the Hospitals, included those included in Assumed Obligations, regarding the terms and conditions under which they may be assumed and assigned to Purchaser, and (b) applicable governmental and regulatory authorities regarding prospective compliance with regulatory requirements and related issues; so long as, in the case of each of (a) and (b) (i) such communications and meetings do not interfere with the operation of the Businesses or the conduct of the Bankruptcy Cases and (ii) any communications or meetings with any governmental authority are approved in advance by Sellers as to timing and content (and Sellers are copied on such communications and afforded the opportunity to participate in such meetings).

5.2 Required Governmental Approvals.

(a) Purchaser, at its sole cost and expense (a) shall use its best efforts to secure, as promptly as practicable before the Closing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled (and provide Sellers copies of all materials relating to such consents, approvals, authorizations, clearances and licenses upon submission and all materials received from third parties in connection with such consents, approvals, authorizations, clearances and licenses upon receipt), and (b) will provide such other information and communications to governmental and regulatory authorities as any Seller or such authorities may reasonably request. Purchaser will provide Sellers periodic and timely updates regarding all such consents, approvals, authorizations, clearances and licenses. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Effective Time. Purchaser shall, promptly, but no later than thirty (30) business days after the entry of the Sale Order or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other similar documents with all applicable governmental and regulatory authorities which are a prerequisite to obtaining the material licenses, permits, authorizations and provider numbers described in Section 8.1. Purchaser shall be entitled, but not obligated, to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and obtain estoppel certificates from any third party to any Leased Real Property. Purchaser's failure to obtaining any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either party's obligation to close the transactions contemplated by this Agreement.

(b) Purchaser and Sellers agree that because the change of ownership and regulatory approval process in connection with the transactions contemplated by this Agreement may take an extended period of time, Purchaser and Sellers agree to an initial closing effective upon the approval of the court and upon the approval of the transaction by the CA AG (as defined below) in accordance with Sections 7.5 and 8.6, at which time the Assets (less the portion of the Assets constituting drugs or other pharmacy assets) will be sold to Purchaser and immediately leased back

to Sellers, with a concurrent management agreement entered into at that time upon terms mutually agreeable to the parties in their reasonable business judgment. The Sale Leaseback Agreement and Interim Management Agreement will terminate at the Closing when the Purchaser is issued the Licenses necessary to operate the Hospitals directly (namely, the Hospital Licenses and pharmacy permits).

5.3 Certain Employee Matters.

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) (the “**Hospital Employees**”) who, immediately prior to the Effective Time are: (i) employees of any Seller; (ii) employees of any affiliate of any Seller which employs individuals at the Hospital and are listed on Schedule 5.3; or (iii) employed by an affiliate of any Seller and are listed on Schedule 5.3. For the avoidance of doubt, the Hospital Employees shall not include any employees of Verity or any other affiliate of Seller unless such individual is listed on Schedule 5.3. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the “**Hired Employees**.” All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.

(b) Purchaser shall give all Hired Employees full credit for paid time off pay to such employees as of the Closing Date by crediting such employees the time off reflected in the employment records of the applicable Seller and/or any of its affiliates immediately prior to the Effective Time, subject to compliance with applicable law and regulation, including consent of such employees if required.

(c) After the Closing Date, Purchaser’s human resources department will give reasonable assistance to each Seller and its affiliates with respect to such Seller’s and such Seller’s affiliates’ post-Closing administration of such Seller’s and such Seller’s affiliates’ pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to each Seller a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(d) With respect to any collective bargaining agreements or labor contract with respect to any employees, Purchaser shall comply with the applicable laws and bankruptcy court orders relating to collective bargaining agreements or labor contracts.

(e) The provisions of this Section 5.3 are solely for the benefit of the parties to this Agreement, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

5.4 Excluded Assets. As soon as practicable after the Closing Date, Purchaser shall deliver to each Seller or such Seller’s designee any Excluded Assets of such Seller found at the

Hospital on and after the Effective Time, without imposing any charge on any Seller for Purchaser's storage or holding of same on and after the Effective Time.

5.5 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.6 Attorney General. Promptly after entry of the Sale Order, but in any event within ten (10) calendar days, Purchaser shall, at its sole cost and expense, make any notices or other filings with the Attorney General of the State of California (the "CA AG"). Each Seller shall reasonably cooperate with Purchaser in such notices or other filings.

5.7 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue as of the Closing.

5.8 Cure Costs. Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code. For purposes of this Agreement, "**Cure Costs**", means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assumed Contracts and Assumed Leases to Purchaser as provided herein.

5.9 Operating Covenant. Purchaser shall act in good faith and use Purchaser's commercially reasonable efforts to serve the medical needs of each Hospital's service area.

5.10 HSR Filing. Purchaser and each Seller will as promptly as practicable, and in any event no later than five business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act.

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement. In addition, Sellers may, in their discretion, seek to reject any or all of the collective bargaining agreement(s).

ARTICLE 6

SELLERS' BANKRUPTCY AND BANKRUPTCY COURT APPROVAL

6.1 Bankruptcy Court Approval; Overbid Protection and Break-Up Fee.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Assets and the assumption and assignment of the Assumed Contracts and Assumed Leases are subject to Bankruptcy Court approval, and that this Agreement is subject to termination in its entirety in the event any Seller receives a better and higher offer for the Assets in accordance with the Bankruptcy Code and subject to the terms stated herein.

(b) Promptly following the execution of this Agreement by all parties, the Seller shall file a motion with the Bankruptcy Court (the "**Sales Procedures Motion**"), the content of which shall be subject to the reasonable approval by Purchaser, for entry of an order approving bid procedures and overbid protections containing substantially the following terms and conditions:

(1) the Seller shall not accept any offer to sell the Assets subject to this Agreement ("**Overbid**") to another purchaser ("**Overbidder**") unless that offer exceeds the Purchase Price by an amount sufficient to pay the Break-Up Fee and such offer includes the purchase of substantially all Assets subject of this Agreement;

(2) in the event that an overbidder (and not the Purchaser) is the successful bidder for the purchase of the Assets (the "**Alternate Transaction**") and the Alternative Transaction is approved by the Bankruptcy Court, (a) the Deposit, and any interest earned thereon, shall be returned to Purchaser immediately upon the entry of such sale order, and (b) Purchaser shall be paid a break-up fee of three and one-half percent (3.25%) of the Cash Consideration (\$19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed \$2,000,000.00 (the "**Break-Up Fee**"); provided, however, that in the event that

the Purchaser is successful as to some but not all of the Assets, the Break-Up Fee shall be reduced pro rata to the percentage of Assets not actually purchased by the Purchaser, based on the allocation of the Purchase Price as described in Section 1.1(a)(i), as compared to the Assets which were the subject of this Agreement; in the event that Purchaser terminates this Agreement in accordance with Section 8.6 hereof, expenses of Purchaser incurred in satisfaction of Section 8.6 shall be reimbursed up to \$500,000; and

(3) The Break-Up Fee shall be deemed to be an allowed expense of the kind specified in Section 503(b) of the Bankruptcy Code to be paid solely from the proceeds of the Alternate Transaction, pursuant to the Sale Order. The Break-Up Fee shall not be paid if the Alternate Transaction was pursued due to a material breach by the Purchaser or the Purchaser's failure or refusal to consummate the transaction after the satisfaction or waiver of all closing conditions.

The Sales Procedures Motion will contain bid procedures as set forth in the bid procedures attached hereto as **Schedule 6.1(b)(3)**.

If Sellers fails to obtain Bankruptcy Court approval for the Sales Procedures Motion by no later than four weeks after the end of the Final Diligence Period, Purchaser shall have the right to terminate this Agreement, without recourse or liability, and Seller shall immediately thereafter return to Purchaser the Deposit and any interest earned thereon.

(c) Each Seller shall at the Sale Hearing exercise reasonable efforts to obtain a "Sale Order" approving this Agreement, subject to its obligations in respect of any better and higher offer for such Seller's assets in accordance with the Bankruptcy Code. For purposes of this Agreement, the term "**Sale Order**" shall mean an order of the Bankruptcy Court authorizing the sale of the Assets (including the assumption and assignment of the Assumed Contracts and Assumed Leases) to Purchaser consistent with this Agreement and in a form reasonably satisfactory to Purchaser.

(d) Each Seller agrees to proceed in good faith to obtain Bankruptcy Court approval of the sale contemplated herein with a determination that Purchaser is a good faith purchaser pursuant to Bankruptcy Code section 363(m) and to file such declarations and other evidence as may be required to support a finding of good faith.

(e) Each Seller shall seek an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against such Seller as debtor solely in the Bankruptcy Court.

6.2 Appeal of Sale Order. In the event an appeal is taken or a stay pending appeal is requested from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from either of such orders. In the event of an appeal of the Sale Order, Sellers shall be primarily responsible for drafting pleadings and attending hearings as necessary to defend against the appeal; provided, however, Purchaser, at its option, shall have the right to

participate as a party in interest in such appeal. In the event a stay is issued by any appellate court, including the United States District Court, which prevents the sale from closing, as scheduled, Purchaser shall have the right to terminate this Agreement if such stay is not vacated on or before 45 days from the date of the stay is issued, and Purchaser shall be entitled to the prompt return of the Deposit and any interest earned thereon.

ARTICLE 7

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

Sellers' obligation to sell the Assets and to close the transactions as contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Sellers in whole or in part at or prior to the Closing:

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

7.3 Performance of Covenants. Purchaser shall have in all respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by it on or prior to the Closing Date.

7.4 Governmental Authorizations. Purchaser shall have obtained all material licenses, permits and authorizations from governmental agencies or governmental bodies that are necessary or required for completion of the transactions contemplated by this Agreement, including reasonable assurances that any material licenses, permits and authorizations not actually issued as of the Closing will be issued following Closing (which may include oral assurances from appropriate governmental agencies or bodies).

7.5 Attorney General Provisions. The conditions to Purchaser's obligations to close set forth in Section 8.6 shall have been satisfied.

7.6 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order.

7.7 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

7.8 CSCDA Acknowledgement. The CSCDA and PACE Trustee shall have executed acknowledgements in form and substance acceptable to Sellers that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations, and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date.

ARTICLE 8

CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Governmental Authorizations. Except as otherwise set forth in this Agreement, Purchaser and Sellers shall have obtained licenses, permits and authorizations from governmental agencies or governmental bodies that are required for the purchase, sale and operation of the Hospitals, including without limitation approval of the CA AG (subject to Section 8.6), except in such case where failure to obtain such license, permit or authorizations from a governmental agency or governmental body does not have a Material Adverse Effect.

8.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

8.3 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to all of the provisions of this Agreement.

8.4 Performance of Covenants. Sellers shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; *provided, however*, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

8.5 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser

agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the “Additional Conditions”), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order (“Supplemental Sale Order”) finding that the Additional Conditions are an “interest in property” for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of \$5 million, or more, shall be conclusively deemed to be “materially different.” If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General’s imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the “Evaluation Period”) to determine, in the exercise of the Purchaser’s reasonable business judgment and in consultation with Purchaser’s financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller’s failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the “Extended Evaluation Periods”). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser’s business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, “a final, non-appealable order” shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than \$500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein,

shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services (“CMS”) and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services (“DHCS”), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers’ Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge, and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposes of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.

8.8 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

ARTICLE 9

TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

- (a) by the mutual written consent of the parties;
- (b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after service by Sellers upon Purchaser of a written notice which describes the nature of such breach;
- (c) by Purchaser if, in its sole and absolute discretion, it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to this Agreement, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under this Section 9.1(c) on or prior to January 8, 2019, which notice may be given by facsimile or email correspondence; provided, that for the avoidance of doubt, following expiration of the Final Diligence Period, notwithstanding anything else in this Agreement, Purchaser shall not be entitled to terminate this Agreement (or not Close) as a result of the breach of any representation or warranty made by Sellers (or any of them) other than the breach of a Sale Order Date Representation, but in each case solely to the extent such breach of a

Sale Order Date Representation would result in a Material Adverse Effect; provided, further, that any dispute between Purchaser and Sellers as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court;

(d) by Purchaser if a material breach of this Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser upon Sellers of a written notice which describes the nature of such breach;

(e) by Purchaser if satisfaction of any of the conditions in ARTICLE 8 has not occurred by December 31, 2019 or becomes impossible, and Purchaser has not waived such condition in writing (provided that the failure to satisfy any of the applicable condition or conditions in Sections 8.1 through 8.5 inclusive has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date); provided that upon the imposition of Additional Conditions by the CA AG, Section 8.6 must be satisfied or waived by Purchaser by no later than sixty (60) days thereafter.

(f) by Sellers if satisfaction of any of the conditions in ARTICLE 7 has not occurred by December 31, 2019 or becomes impossible, and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(g) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Cases or fails to approve the Sales Procedures Motion by the date specified in Section 6.1(b);

(h) by Sellers if, in connection with the Bankruptcy Cases, any Seller accepts an Alternate Transaction and pays the Break-Up Fee;

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before December 31, 2019; or

(j) by Purchaser if a force majeure event (such as acts of God, storms, floods, landslides, earthquakes, lightning, riots, fires, pandemics, sabotage, civil commotion or civil unrest, interference by civil or military authorities, acts of war (declared or undeclared) or armed hostilities, other national or international calamity, one or more acts of terrorism, or failure of energy sources) shall have occurred between the Signing Date and Closing Date, which event is reasonably likely to have a Material Adverse Effect.

9.2 Termination Consequences. If this Agreement is terminated pursuant to

Sections 6.1(b), 6.2 or 9.1: (a) all further obligations of the parties under this Agreement shall terminate (other than Purchaser's right to receive the Break-Up Fee if applicable), provided that the provisions of ARTICLE 12, shall survive; and (b) each party shall pay only its own costs and expenses incurred by it in connection with this Agreement; provided, in the case of any termination based on Sections 9.1(b) or (d) the consequences of such termination shall be determined in accordance with ARTICLE 11 hereof. In addition, if this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1 (other than Section 9.1(b)), Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Each Party acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement.

ARTICLE 10

POST-CLOSING MATTERS

10.1 Excluded Assets.

Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within five (5) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to the applicable Seller. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to any Seller under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to any Seller because of, outstanding claims, liabilities or obligations asserted by Purchaser against any Seller. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to the applicable Seller in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Seller (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to the applicable Seller.

10.2 Preservation and Access to Records After the Closing.

(a) From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the "**Document Retention Period**"), Purchaser shall keep and preserve all medical records (including, without limitation, electronic medical records), patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers' estate representative or any liquidating trustee of the Sellers' bankruptcy estate ("**Seller Parties**"), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Effective Time (including, without limitation, access to

records of patients treated at the Hospital prior to the Effective Time) during normal business hours after the Effective Time, to the extent reasonably needed by any Seller Party for any lawful purpose. Purchaser acknowledges that, as a result of entering into this Agreement and operating the Hospital, it will gain access to patient records and other information which are subject to rules and regulations concerning confidentiality. Purchaser shall abide by any such rules and regulations relating to the confidential information it acquires. Purchaser shall maintain the patient and medical staff records at the Hospital in accordance with applicable law and the requirements of relevant insurance carriers. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents described in this Section 10.2(a), Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal. Any of the Seller Parties shall have the right, at its sole cost, to take possession of such documents during such forty-five (45) calendar day period. If any of the Seller Parties does not take possession of such documents during such forty-five (45) calendar day period, Purchaser shall be free to destroy or otherwise dispose of such documentation upon the expiration of such forty-five (45) calendar day period.

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Effective Time with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees); provided that Purchaser shall not be required to incur any out of pocket costs in association therewith. In addition, Sellers and their affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of their affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or their applicable affiliate's use of such records.

(c) In connection with (i) the transition of the Hospital pursuant to the transaction contemplated by this Agreement, (ii) Sellers' rights to the Excluded Assets, (iii) any claim, audit, or proceeding, including, without limitation, any tax claim, audit, or proceeding and (iv) the Sellers' obligations under the Excluded Liabilities, Purchaser shall after the Effective Time give Sellers access during normal business hours to Purchaser's books, personnel, accounts and records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital as representatives of Sellers and their affiliates may from time to time reasonably request, all in such manner as not to unreasonably interfere with the operations of the Hospital.

(d) Purchaser and its representatives shall be given access by Sellers during normal business hours to the extent reasonably needed by Purchaser for business purposes to all documents, records, correspondence, work papers and other documents retained by Sellers pertaining to any of the Assets prior to the Effective Time (excluding confidential employee information, privileged materials and patient records), all in such manner as to not interfere unreasonably with Sellers. Such documents and other materials shall be, at Sellers' option, either (i) copied by Sellers for Purchaser at Purchaser's expense, or (ii) removed by Purchaser from the premises, copied by Purchaser and promptly returned to Sellers.

(e) Purchaser shall comply with, and be solely responsible for, all obligations under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Parts 160 and 164) promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 with respect to the operation of the Hospital on and after the Effective Time.

(f) Purchaser shall cooperate with Sellers, on a timely basis and as reasonably requested by Sellers, in connection with the provision of all data of the Hospital and other information required by Sellers for reporting to HFAP for the remainder of the quarterly period in which the Closing has occurred.

(g) To the maximum extent permitted by law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities or Excluded Assets, including without limitation, documents relating to the operations of any of the Hospital or any of the Hospital's committees prior to the Effective Time, prior to any disclosure of such documents, Purchaser shall notify Sellers and shall provide Sellers with the opportunity to object to, and otherwise coordinate with respect to, such request or demand.

(h) Provision of Benefits of Certain Contracts. Notwithstanding anything contained herein to the contrary, this Agreement shall not constitute an agreement to assign any Assumed Contract or Assumed Lease, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would constitute a breach thereof or in any way negatively affect the rights of Sellers or Purchaser, as the assignee of such Assumed Contract or Assumed Lease, as the case may be, thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, such consent or approval is required but not obtained, Sellers will cooperate with Purchaser in any reasonable arrangement designed to both (a) provide Purchaser with the benefits of or under any such Assumed Contract or Assumed Lease, and (b) cause Purchaser to bear all costs and obligations of or under any such Assumed Contract or Assumed Lease. Further, notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Account Receivable the assignment of which is either prohibited by law or by the terms of any contract with a payor without the consent of such payor. Any payments received by Sellers after the Closing Date from patients, payors, clients, customers, or others who are the obligors on Accounts Receivables transferred to Purchaser as a part of the Assets on the Closing Date shall be paid over to Purchaser within ten (10) business days after receipt by Seller.

10.3 Closing of Financials. Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall cause the individual acting as the chief financial officer of the Hospital after the Effective Time (the "**Post-Effective Time CFO**") to cooperate with Sellers' representatives in

order to complete the standardized closing of Sellers' financial records through the Closing Date including, without limitation, the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Purchaser shall cause the Post-Effective Time CFO to use his or her good faith efforts to cooperate with Sellers' representatives in order to complete the Closing of Financials by no later than the date which is thirty (30) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers' post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO's other duties.

10.4 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital's medical staff members in good standing as of the Effective Time shall maintain medical staff privileges at the Hospital as of the Effective Time. On and after the Effective Time, the medical staff will be subject to the Hospital's Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.5 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates which are not being sold to Purchaser ("**Shared Intangible Assets**") and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; provided, however, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

ARTICLE 11

DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed \$60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under this Agreement.

11.2 Seller Default. If Sellers commit any material default under this Agreement, Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Closing Date, the parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Effective Time and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The parties shall also make available to each other to the extent reasonably required, and at the reasonable cost of the requesting party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) The Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income Tax purposes) shall be allocated among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder as set forth in **Schedule 11.3(b)** (such schedule the “**Allocation Schedule**”). The Allocation Schedule shall be for Sellers’ and Purchaser’s tax purposes only, and shall not limit the Sellers’ creditors in any way.

11.4 Cost Report Matters.

(a) Consistent with Section 4.5, Sellers shall, at Purchaser’s expense, prepare and timely file all cost reports relating to the periods ending prior to the Effective Time or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the “**Seller Cost Reports**”).

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers’ preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser’s provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Effective Time with respect to Seller Cost Reports except for preparation and filing thereof.

ARTICLE 12

MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Sellers shall execute, acknowledge and deliver to Purchaser any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Purchaser at any time and shall take any and all other actions reasonably requested by Purchaser at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Purchaser, the Assets. After consummation of the transaction contemplated in this Agreement, the parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; *provided, however*, that no party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties which consent shall not be unreasonably withheld or delayed, except that Purchaser may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the parties hereto.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated by reference herein. From the Signing Date until the Closing, the parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, but subject to Section 9.2(c), should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article III merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on the face of such disclosure, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5)

calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

12.7 Headings. The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related

to this Agreement or any other transaction contemplated hereby and each shall have the right to review and comment on the other's press releases prior to issuance; *provided, however*, that nothing in this Section 12.8 shall be deemed to prohibit either Sellers or Purchaser from making any disclosure that its counsel deems necessary or advisable in order to satisfy either party's disclosure obligations imposed by law subject to reasonable prior notice to the other party thereof.

12.9 Fair Meaning. This Agreement shall be construed according to its fair meaning and as if prepared by all parties hereto.

12.10 Gender and Number; Construction; Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word "including" followed by a listing does not limit the preceding words or terms and shall mean "including, without limitation." Any reference in this Agreement to an "affiliate" shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A "Person" shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.11 Third Party Beneficiary. None of the provisions contained in this Agreement are intended by the parties, nor shall they be deemed, to confer any benefit on any person not a party to this Agreement, except for the parties' successors and permitted assigns, and except for any liquidating trustee or plan administrator for Sellers' estate.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the parties hereto. The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding

between the parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the parties on the subject matter hereof (the “**Superseded Agreements**”), which Superseded Agreements shall be of no further force or effect; provided, that notwithstanding the foregoing, the letter Confidentiality Agreement dated July 12, 2018 between Purchaser and Cain Brothers, a division of KeyBanc Capital Markets Inc., on behalf of Sellers and their related entities shall not be a Superseded Agreement and shall continue in full force in effect in accordance with its terms.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the party which is entitled to the benefit thereof but only by a written notice signed by the party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a party shall not be deemed to be a waiver of any preceding breach by any other party of any term, covenant or condition of this Agreement, other than the failure of such other party to perform the particular duties so accepted, regardless of the accepting party’s knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

RE: Verity Health System of California, Inc. Notice of Proposed Transfer
St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical
Center

Dear Ms. Levy-Biehl:

The Health Care Impact Statements for the proposed sale of the Verity hospitals for St. Vincent and St. Francis were posted today on the Attorney General's web site at <http://oag.ca.gov/charities/nonprofithosp>. Please have your clients review the proposed conditions in the Health Care Impact Statements, and let me know in writing whether any of the conditions are a "deal breaker." If there is such a condition, please provide an explanation why your client considers it a "deal breaker" and provide any supporting documents and information. Please provide your client's response on or before August 23, 2019. If I receive no response, I will assume your client has no such concerns. In addition, California Code of Regulations, Title 11, section 999.5(e)(3)(D) states in pertinent part:

The applicant shall prominently post a copy of the independent health care impact statement on its website available to the public and any applicant's website available to its employees within 24 hours of receipt. If the report is posted on the Attorney General's website, the applicant may provide a prominent link to the report in lieu of posting on its website.

Please have your client post on any and all hospitals' websites available to the public and websites available to its employees or post a link to the Attorney General's website.

Sincerely,

Scott Chan

Re: Verity Health System of California, Inc. Notice of Proposed Transfer of St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center.

Dear Mr. Chan:

As you know, our firm is healthcare counsel to Strategic Global Management, Inc. ("SGM"), the purchaser of four of the Verity Hospitals pursuant to the Asset Purchase Agreement between the Verity Chapter 11 Debtors ("Verity") and SGM, as approved by the Bankruptcy Court ("APA").

We have reviewed your letters of August 16, 2019 and August 19, 2019, to Hope R. Levy-Biehl, outside counsel for the Verity, as well as the Initial Health Care Impact Statements ("Impact Statements"), related to St. Vincent Medical Center, St. Francis Medical Center and Seton Medical Center ("Hospitals"), which are referenced in the letters.

In your letters to Ms. Levy-Biehl, you have requested from her the identification of any conditions set forth in the Impact Statements which are considered "deal breakers," and you further requested an explanation as to why Verity would consider any of the conditions deal breakers. Although the letters were not sent to SGM, we do want to communicate to you SGM's position on the proposed conditions set forth in the Impact Statements.

Our client very much appreciates the ongoing efforts of the Attorney General to review our client's proposed acquisition of the Hospitals and related assets, and we look forward to the opportunity of continuing a dialogue with the Attorney General regarding the acquisition of these Hospitals and any conditions that may be attached to the Attorney General's approval of their transfer to SGM.

However, the conditions recommended in the Impact Statements are materially inconsistent with the conditions which our client had thoughtfully developed and agreed to accept, as set forth in Schedule 8.6 to the APA. SGM continues to investigate and analyze the Hospitals' assets and operations, but SGM still believes that the conditions agreed to in Schedule 8.6 reflect the appropriate and needed approach in support of efforts to address the significant, long standing operational, economic and physical plant challenges facing these Hospitals, many of which were noted in the Impact Statements.

Accordingly, at this juncture, SGM would not accept the conditions proposed in the Impact Statements to the extent they materially differ from the conditions accepted by SGM in Schedule 8.6 to the APA. SGM reserves all of its rights in connection with the APA and, specifically, all of SGM's rights set forth in Section 8.6 thereof.

Nonetheless, as noted above, SGM is continuing its investigation and remains open to discussions with the Attorney General regarding these matters, including face-to-face meetings as appropriate.

Very truly yours,

Todd E. Swanson

Re: Response to August 16 and August 19, 2019 Correspondence
Summary of “Deal Breakers”

Dear Mr. Chan,

Please consider this letter the response of Verity Health System of California, Inc. and its affiliates (“Verity” or “Debtors”) to your letters regarding the conditions proposed (the “Recommended Conditions”) by JD Healthcare, Inc. (“JD Healthcare” or “Expert”) in its Health Care Impact Statements (“Impact Statements”), analyzing the proposed sale of St. Francis Medical Center (“St. Francis”), St. Vincent Medical Center (St. Vincent), and Seton Medical Center, including its Daly City and Coastsides Campuses (“Seton”) (collectively, the “Hospitals”) to Strategic Global Management, Inc. and/or one of its affiliated entities (“SGM” or “Buyer”) (the “Transaction”) pursuant to the Asset Purchase Agreement (the “APA”), entered into by and between the parties and approved by the Bankruptcy Court [Docket No. 2305]. We appreciate the opportunity to provide this response.

For the reasons outlined below, if the Attorney General (“AG”) adopts the Recommended Conditions, SGM will not proceed with acquiring the Hospitals. SGM confirmed this in its letter to you dated August 21, 2019, when it stated that “the conditions recommended in the Impact Statements are materially inconsistent with the conditions . . . agreed to in Schedule 8.6.” Importantly, any condition that the AG adopts that is not consistent with Schedule 8.6 is, in our view, a “deal breaker.” Further, if the AG adopts the Proposed Conditions and if the Debtors are unsuccessful in their efforts to cut off the conditions under Section 363 of the Bankruptcy Code¹

¹ Verity reserves the right to challenge the AG’s ability to impose conditions such as the Recommended Conditions in the context of a sale in bankruptcy pursuant to section 363 of the Bankruptcy Code. In this case and *In re Gardens Regional Hospital and Medical Center, Inc.*, 567 B.R. 820 (Bankr. C.D. Cal. 2017), the Bankruptcy Court expressly held, for example, that conditions imposed on a buyer by the Attorney General, as part of the Attorney General’s review of the sale of a non-for-profit hospital, is an “interest in property” that can be stripped off the assets through a sale under section 363 of the Bankruptcy Code. *See also In re Verity Health Sys. of Cal., Inc.*, 598 B.R. 283, 293 (Bankr. C.D. 2018) (holding that the “Conditions are an “interest in property” within the meaning of §363(f). These ruling are consistent with rulings by the Second, Third, Fourth and Seventh Circuits, and many lower courts, which have interpreted “any interest” expansively to include not only in rem interests in property, but also

2040 E. Mariposa Avenue

and the sale to SGM does not proceed, the likely outcome is the closure of St. Vincent, Seton, and perhaps St. Francis. This would be an unnecessary and avoidable tragedy and would have a dire impact on countless patients, employees, vendors, and stakeholders. This is especially true here when SGM has agreed to continue to operate the Hospitals and to abide by the vast majority of the conditions imposed by the AG in its approval of the BlueMountain Transaction (the “2015 Conditions”)² for the remaining term that the conditions apply to Verity, as set forth in Schedule 8.6 to the APA.

Consequently, we strongly request that your office not accept the Expert’s Recommended Conditions, which are essentially a roll-forward of the 2015 Conditions based on the historic operations and not current patient care needs or market conditions. Instead, we encourage the AG to tailor the conditions to match those outlined in Schedule 8.6 providing SGM with the flexibility necessary to turn the Hospitals around financially, so they can continue to provide critical healthcare access to the communities they serve and thousands of jobs for the foreseeable future.

We further urge the Attorney General to exercise his discretion in a manner that considers the economic impact of the Recommended Conditions on the Hospitals. While the Impact Statements provide a significant amount of information related to the Hospitals background and the Transaction, the reports lack (i) any analysis of the economic impact that the 2015 Conditions have had on the Hospitals, and (ii) any cost-benefit analysis of the Recommended Conditions. Alarming, without regard to the economic and community realities, certain Recommended Conditions, if adopted, would force the Hospitals to maintain programs that not only lose significant amounts of money on an annual basis, but are unnecessary since the same services (and in some instances, more comprehensive or robust services) are already being provided at other hospitals in the area. To aid the Attorney General, we have provided evidence that considers the economic impact of the Recommended Conditions on the Hospitals both in this letter and in the enclosed, supporting declarations. We are happy to provide additional evidence and to discuss this further.

The Attorney General’s consideration of the economic impact of the prospective conditions is critical. We, as operators of the Hospitals, know the 2015 Conditions were overly burdensome and hampered the Hospitals’ ability to break even, let alone prosper. Indeed, the

other obligations that are “connected to or arise from the property being sold” or that could “potentially travel with the property being sold.” See, e.g., *In re La Paloma Generating, Co.*, 2017 WL 5197116, *4 (Bankr. D. Del. Nov. 9, 2017); *PBBPC, Inc. v. OPK Biotech, LLC* (In re PBBPC, Inc.), 484 B.R. 860 (1st Cir. B.A.P. 2013); *In re Vista Marketing Group Ltd.*, 557 B.R. 630 (Bankr. N.D. Ill. 2016); *United Mine Workers of Am. Combined Benefit Fund v. Walter Energy, Inc.*, 551 B.R. 631, 641 (N.D. Ala. 2016); *In re Tougher Indus.*, 2013 WL 1276501 (Bankr. N.D.N.Y. Mar. 27, 2013).

² These 2015 Conditions are contained in the AG’s “Conditions to Change in Control and Governance of St. Francis Medical Center and Approval of the System Restructuring and Support Agreement by and among Daughters of Charity Health System, Certain Funds Managed by BlueMountain Capital Management, L.L.C., and Integrity Health, L.L.C.” dated December 3, 2015.

Hospitals filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code on August 31, 2018 to stop hemorrhaging precious cash resources. Verity, its employees, its 10,000 vendors, and other parties have made tireless efforts during the tenure of the Chapter 11 cases to ensure continued patient care and to take the necessary steps to allow the Hospitals to be sold to a new operator that could successfully operate the Hospitals.

The Bankruptcy Court has now approved the Transaction, which paves the way for a better chapter for these Hospitals and the communities they serve. The Attorney General should carefully consider the foregoing and not impose any conditions, based largely on historic operations, that would unravel operational improvements resulting from the heroic efforts of Verity's employees and management to save these Hospitals and inexorably lead to their closure.

We also request the opportunity to meet with you and other key decisions makers before any conditions are finalized in this Transaction, given their importance and the fact that the Recommended Conditions would destroy the Transaction and have a negative impact on tens of thousands of patients, employees, vendors, and stakeholders.

I. The 2015 Conditions and the Chapter 11 Cases

Before discussing the Recommended Conditions, I would like you to have the benefit of my experience overseeing the operations and financial performance of the Hospitals. *See* Enclosed Declaration of Richard G. Adcock, Verity Health System of California, Inc. Chief Executive Officer. Upon my appointment of CEO as the Hospitals, two competing issues were immediately apparent: the Hospitals are (i) critically important to the communities they serve, but (ii) are damaged financially as a result of cumulative decisions made in the last two decades.

While my extensive experience in healthcare has assisted me in understanding and navigating the complex problems threatening the Hospitals, one thing has crystalized for me: *the Hospitals require operational flexibility to adjust to market needs and demands and to effectuate a financial turn-around.* The 2015 Conditions do not allow for that type of flexibility and therefore hamper the Hospitals' ability to succeed. Thus, it is imperative that the Attorney General consider the pragmatic realities of the Hospitals' operations when imposing conditions on the Hospitals. We strongly request that the AG tailor the conditions imposed on this Transaction to align with the Purchaser Approved Conditions in Schedule 8.6, providing SGM with the flexibility to close on the Transaction and turn the Hospitals around so they can continue to provide meaningful health care services, community benefits, and jobs to the communities they serve.

II. SGM Was the Only Qualified Bidder for St. Francis, St. Vincent, and Seton.

Verity conducted a robust process to market and solicit potential buyers. In June 2018, it engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential

2040 E. Mariposa Avenue
El Segundo, CA 90245

buyers of some or all of the Verity hospitals and related assets and commenced discussions with those potential buyers. Cain prepared a Confidential Investment Memorandum and organized an online data site to share information with potential buyers, contacting over 181 prospective strategic and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction regarding the Verity hospitals. As a result of its far-reaching marketing process, Cain received sixteen indications of interest or other proposals and continued to develop potential sales.

Verity, in consultation with Cain and its other advisors, selected SGM's offer to serve as the stalking-horse bid to acquire the assets of St. Francis, St. Vincent, St. Vincent Dialysis Center, Seton, and related assets (the "Assets") through a sale under section 363 of chapter 11 of title 11 of the United State Code (the "Bankruptcy Code"). Following extensive negotiations, SGM and St. Francis, St. Vincent, St. Vincent Dialysis Center, and Seton entered into the APA, which provides for the purchase of the Assets for \$610 million, plus payments of cure costs, as set forth therein.

Thereafter, in accordance with the bidding procedures, Cain continued to actively market the Assets. Cain notified 90 parties of the sale process, directly sent the parties the bidding procedures approved by the bankruptcy court, and represented Cain's availability to assist in the bidding process. Thereafter, sixteen of those parties signaled ongoing interest by their requests for continued access to the data room containing information about the Assets.

Notwithstanding the time, energy, and resources dedicated to this process, SGM submitted the only qualified bid for St. Francis, St. Vincent, and Seton. *Again, and importantly, SGM has agreed to accept, in full or in large part, the majority of the 2015 Conditions imposed by the AG in its approval of the BlueMountain Transaction for the remainder of the term applicable to Verity.* SGM has not agreed to accept those 2015 Conditions in their entirety due to its need for flexibility to turn the Hospitals around financially and to modify or eliminate services that are not financially feasible to retain and/or not necessary to serve the community. The Bankruptcy Court entered orders (i) approving the APA, schedules and exhibits thereto, and (ii) authorizing the sale to SGM under section 363 of the Bankruptcy Code.

III. If the Attorney General's Office Adopts the Conditions Proposed by JD Healthcare, SGM Will Not Acquire the Hospitals.

Verity and SGM engaged in extensive discussions and negotiations about the 2015 Conditions, with Schedule 8.6 developed as a result of compromises and concessions made by the parties regarding what conditions SGM committed to accept, while ensuring it had the flexibility and opportunity to turn the failing healthcare system around. Pursuant to Section 8.6 of the APA, SGM negotiated the requirement to close on the Transaction only if the conditions imposed by the AG are "substantially consistent" with the conditions set forth in Schedule 8.6. As outlined in greater detail below, the Recommended Conditions are not substantially

2040 E. Mariposa Avenue
El Segundo, CA 90245

consistent with the conditions enumerated in Schedule 8.6 in a number of significant ways and, if adopted by the AG, will result in this Transaction failing. For the avoidance of any doubt, if the AG adopts and imposes any condition on this Transaction that is not consistent with Schedule 8.6, any such condition should be considered by the AG's office as a "deal breaker."

We highlight below some of the material ways in which the conditions proposed by the Expert diverge from Schedule 8.6.

A. The "term" of the Condition

In Schedule 8.6, there are a number of conditions that SGM accepted "for a term which coincides with the remaining term applicable to [the] condition" for the specific Hospital, as set forth in the 2015 Conditions. While SGM agreed to essentially stand in Verity's shoes and to honor the remaining term of the Prior Conditions, it was unwilling to commit to these 2015 Conditions for a more extended period, as these conditions were a key factor contributing to the financial demise of the Hospitals and any requirement to honor these commitments for longer would inhibit SGM's ability to make operational changes necessary to turn the Hospitals around. SGM makes its point in its letter to you when it stated "the conditions agreed to in Schedule 8.6 reflect the appropriate and needed approach in support of efforts to address the significant, long standing operational, economic and physical plant challenges facing these Hospitals, many of which were noted in the Impact Statements."

It is worth noting that in at least some cases (and specifically for Seton), JD Healthcare has recommended that certain conditions be applied to SGM "for the remainder of the term" or in some cases for a period of time that is even shorter than the term remaining on the 2015 Conditions. The AG should apply this same standard to all of the conditions required of SGM (*i.e.*, not longer than the remaining term).

As outlined in greater detail below, if the AG does not allow SGM to honor its conditions for a term that runs concurrent with the term that currently applies to Verity, there is a significant risk that the Hospitals will close. This will result in the loss of critical community-based health care services, jobs, recoveries for creditors, and the loss of over \$9 million annually in charity care and over \$3,300,000 annually in community benefits currently provided by these Hospitals.

The closure of the Hospitals would be a tremendous and completely avoidable loss. By imposing conditions for a period of time that runs concurrent with the 2015 Conditions, the AG would help to ensure that the Transaction closes and the Hospitals remain open, potentially for much longer, once under new ownership, shed from burdensome historic liabilities and challenges and on more solid financial grounds. This will give SGM the time it needs to further evaluate the opportunities and challenges for these Hospitals and to determine what changes are appropriate to ensure their long-term viability and the best and most productive services for the Hospitals going forward. SGM can, at its election, and if financially prudent, continue to honor

2040 E. Mariposa Avenue
El Segundo, CA 90245

the 2015 Conditions and maintain the beds, services, and offerings beyond this term, but requiring it to do so will terminate this Transaction and result in the loss of all services before the 2015 Conditions have even lapsed.

B. Cancer Care

In its Recommended Conditions, JD Healthcare suggests that the AG require SGM to maintain cancer care at the Hospitals, including radiation therapy at St. Francis and St. Vincent, and inpatient oncology, interventional radiology, radiation therapy, and infusion service at Seton. This condition is a clear deal breaker for SGM.

As a threshold matter, it is important to note that none of the Hospitals offer a comprehensive oncology service today. *See* Enclosed Declaration of Tirso del Junco, Jr. M.D., Verity Health System of California, Inc. Chief Medical Officer. St. Francis, St. Vincent and Seton do not currently provide surgical oncology services. While Seton historically had a more robust oncology service line, two of the medical oncologists previously practicing at the Hospital retired and have not been replaced, which has resulted in a further decline in oncology services, including a significant decline in infusion services.

Importantly, demand for oncology services has been steadily on the decline at each Hospital. The reasons for this decline are a function of changing market conditions and are not a mystery. By its own account, the Expert found that St. Francis' cancer care volume decreased from fiscal year 2017 through fiscal year 2019. There are at least three other community hospitals offering cancer care to the same community of patients served by St. Francis. There has also been a decrease in oncology volume at St. Vincent over the last three years, with at least four other community hospitals and/or academic medical centers providing cancer care services to the same community of patients served by St. Vincent. JD Healthcare notes that cancer is the leading cause of death in Los Angeles. While this is very unfortunate and may well be true, the Expert has not suggested that this is the result of a lack of sufficient providers of oncology services or that the provision of cancer care services at St. Vincent and St. Francis is important in fighting this epidemic.

We cannot look at the provision of oncology services in a vacuum. Oncology is a very expensive service line. *See* Enclosed Declaration of Anita Chou, Verity Health System of California, Inc. Chief Financial Officer In FY 2018, St. Vincent provided 9,435 cancer treatments for a loss of \$995,000. We would anticipate SGM losing an additional \$547,000 as a result of its inability to access drug pricing under the federal 340B Drug Discount Program ("340B pricing"),³ which would result in a projected net loss of approximately \$1.5 million annual in the oncology service line. In FY 2018, Seton provided 8,429 in oncology treatments

³ The 340B Drug Discount Program is a US federal government program created in 1992 that requires drug manufacturers to provide outpatient drugs to non-profit health care organizations at significantly reduced prices. As a for-profit enterprise, SGM is not eligible for 340B pricing.

2040 E. Mariposa Avenue
El Segundo, CA 90245

for a net loss of \$3.8 million. SGM would have lost an additional \$3 million as a result of its inability to access 340B pricing, with approximately \$2.6 million attributable to higher oncology drug costs. It is not financially feasible to expect Seton, once owned by SGM, to operate an oncology program with diminishing volume and need at a loss of nearly \$7 million per year, especially when the Hospital is already operating at an annual loss of \$60 million. In FY 2018, St. Francis provided 15,556 oncology treatments for a total operating cost of \$11.6 million. This service line generated a net income of \$1.8 million. St. Francis will incur a loss of \$262,000 under SGM ownership in light of its inability to access 340B drugs. Some portion of this would translate into additional costs for the St. Francis oncology program.

St. Vincent and Seton already sustain overwhelming losses each year. While St. Francis is operating at a modest profit, it has significant cash flow challenges and may not be financially successful if it had to stand on its own without the support of the system. Given these challenges, every dollar committed and lost impacts the ongoing operations and viability of the Hospitals. SGM recognized from the inception that maintaining oncology services without access to 340B pricing would negatively impact its ability to operate the Hospitals. While access to cancer care is critical, the Expert found sufficient alternative providers. Despite there being available cancer care providers in each of the Hospitals' communities, the Expert recommended requiring the Hospitals' admittedly partial cancer programs continue. The AG should not adopt these Recommended Conditions, which would require SGM to maintain an expensive, diminishing service line when there are alternative service providers in the Hospital communities.

C. Charity Care

SGM has committed to provide annual charity care funds equal to or greater than \$430,384 for patients at St. Vincent, \$8,000,000 for patients at St. Francis, and \$935,405 for patients at Seton, for a term that coincides with the remaining term of the 2015 Conditions. This translates to a commitment of approximately \$9,400,000 annually to support necessary medical services for patients in need of care. Any additional charity care requirements above these amounts are a deal breaker for SGM, as it would hinder the long term sustainability of the Hospitals' services.

We appreciate JD Healthcare's recognition that health reform and the Affordable Care Act ("ACA") have changed the need for charity care. We agree with JD Healthcare's suggestion that the AG should adjust the required commitment to charity care based on available data from time periods after the implementation of the ACA. However, a three-year lookback period is too long in light of the significant year-over-year changes in the need for charity care. Instead, the AG should look at the actual charity care provided in the past year by St. Francis, St. Vincent and Seton as a more appropriate barometer for the level of charity care that should be offered by the Hospitals prospectively. SGM has committed to a significant minimum amount of charity care in Schedule 8.6 and the AG should accept this commitment.

2040 E. Mariposa Avenue
El Segundo, CA 90245

SGM has agreed to administer the charity care funds under its existing financial assistance policy applicable across SGM's hospital system. In order to operate an efficient system, SGM will need to have one set of policies, procedures, and patient financial assistance applications. The Expert has recommended that SGM be required to operate under Verity's policy. SGM should be permitted to organize its administration of the charity care funds, consistent with its other hospitals, and in compliance with applicable state and federal law, without being required to continue Verity's specific policy.

D. Community Benefit

SGM has committed to provide annual community benefit services equal to or greater than \$1,076,459 for the communities served by St. Vincent, \$1,439,854 for the communities served by St. Francis, and \$848,434 for the communities served by Seton, for a term that coincides with the remaining term of the Prior Conditions. Any additional community benefit program requirements above these amounts are a deal breaker for SGM, as it would hinder the long-term sustainability of the Hospitals' services. Further, SGM must be afforded the flexibility to determine how best to serve the community and which programs to provide on behalf of each Hospital.⁴

E. Capital Commitment

As of June 30, 2019, Verity expended approximately \$172 million of the \$180 million in capital commitments required as part of the 2015 Conditions applicable to Verity's six hospitals, leaving approximately \$8 million unexpended by Verity. SGM has agreed to pay the previously required, but unexpended Verity capital commitment applicable to the three Hospitals it is acquiring. In order to determine SGM's share of the unexpended \$8 million, we considered the Santa Clara County and SGM asset purchase agreements to arrive at the proxy value of the Verity hospitals of \$845,000,000, comprised of \$235,000,000 for O'Connor Hospital and Saint Louise Regional Hospital, and \$610,000,000 for St. Francis, St. Vincent, and Seton. Based on these figures, SGM is acquiring approximately 72% of the Verity hospital assets. As such, SGM's portion of the outstanding capital commitment as of June 30, 2019, is approximately \$5.8 million.

Provided that Verity does not expend any additional capital expenditures through the closing of the pending APA, then SGM would honor and commit to expend \$5.8 million in capital commitments among St. Francis, St. Vincent, and Seton. If the remaining amount of the original capital commitment pursuant to the 2015 Conditions left unexpended through the closing of the APA is less than the above number, SGM would honor and commit to spend seventy-two percent (72%) of such lesser amount in capital commitments. We understand SGM

would want to maintain the flexibility to determine how best to apportion these required expenditures among the Hospitals based on their individual needs and their operational priorities and to have the opportunity to expend such amounts over five (5) years following the closing pursuant to the APA.

F. Economic Impact of the Expert Proposed Conditions Generally

While the Impact Statements provide a significant amount of information about the Transaction, the Hospital operations and challenges, and the communities they serve, it lacks (i) any of the economic impact the 2015 Conditions have had on the Hospitals or that the Recommended Conditions would have on SGM, and (ii) any cost-benefit analysis of the conditions recommended by the Expert. Verity and SGM agree that many of the services provided by the Hospitals are essential to the communities they serve and that is why SGM has agreed to adopt many of the 2015 Conditions. The Impact Statements fail to consider and discuss the extent to which the economic impact of the proposed conditions guarantees a failed SGM transaction. In its letter to you, SGM states: “the conditions recommended in the Impact Statements are materially inconsistent with the conditions [...] set forth in Schedule 8.6 to the APA.” It goes on to say that “SGM would not accept the conditions proposed in the Impact Statements.”

If the AG adopts the Recommended Conditions, based on the historical conditions, operations and needs and not the present reality, this will result in requirements for the Hospitals to maintain programs that not only lose a significant amount of money on an annual basis but that are also unnecessarily duplicative of other services (sometimes more comprehensive) already offered at other hospitals in the area. This will also result in SGM walking away from this Transaction.

As further discussed below, a failed SGM Transaction would mean closure for all the Hospitals resulting in the loss of access to medical care for hundreds of thousands of community members and patients, put thousands of employees out of work, and deny any financial recovery for former employees with pension rights, as well as other stakeholders.

By way of example, the Recommended Conditions require that SGM maintain transplant services at St. Vincent, including its newly developed liver transplant program, for at least five years from the Closing Date. St. Vincent established its liver transplant program earlier in 2019, performing a total of 10 liver transplants to date. At present, this program is not receiving any reimbursement as it is still going through the initial certification process. The liver transplant program places a significant financial burden on the Hospital. A third-party liver program expert consulting company has produced feasibility and performance projections for the St. Vincent program and anticipates that it will lose \$21 million over 5 years, or somewhere in excess of 15% of the total value of St. Vincent. Liver transplant services were not a required service under the 2015 Conditions and SGM should not be required to maintain liver transplant services at St. Vincent as part of this Transaction.

2040 E. Mariposa Avenue

Additionally, the Recommended Conditions require SGM to contract with LA Care for St. Francis, and St. Vincent. Verity is currently involved in litigation with LA Care to recover approximately \$15.2 million in underpaid and/or unpaid claims.⁵ See St. Vincent Medical Center v. Local Initiative Health Authority for Los Angeles County dba L.A. Care Health Plan, Case No. 19-01002 at kccllc.net/verity. Requiring SGM to contract with LA Care is unreasonable in light of LA Care's inability to adequately ensure timely and full payment at market rates for services. When both parties can freely negotiate a new contract with needed assurances of payment at market rates, the community benefits. This is not possible if SGM is mandated to contract with LA Care regardless of the contract terms offered by LA Care or LA Care's performance or non-performance under the contract.

These are just a few examples of how the Recommended Conditions fail to take in to account the economic consequences of the suggestions and the impact these would have on hospital viability and prudent operations.

IV. If the AG Imposes the Conditions Recommended by its Expert, and the Debtors are Unsuccessful in their Efforts to Cut Off the Conditions under Section 363 of the Bankruptcy Code, the SGM Sale Will Terminate and St. Vincent and Seton Will Close.

A. The Debtors and Their Stakeholders Will Suffer Immediate Irreparable Harm if the SGM Sale Does Not Close.

The aftermath of a failed SGM sale is the prompt closure of St. Vincent and Seton in light of their unsustainable operational losses, the absence of an interested viable purchaser that would continue operations as acute care hospitals, and the almost certain lack of financing to continue their operations. While St. Francis would attempt a private sale in the bankruptcy case, the Debtors foresee significant challenges notwithstanding the fact that its financial performance may be stronger during parts of the year than the other Hospitals. Indeed, excluding QAF, since it is often difficult to rely on from a working capital perspective due to its sporadic payment pattern, St. Francis would need to borrow greater than \$35 million from the Verity Hospital System throughout the year to manage large working capital fluctuations. The administrative expenses and risks associated with continuing the bankruptcy cases to attempt to identify a new buyer other than SGM, further threaten the Debtors' ability to finance and sell the Hospitals as going concerns and related recoveries to constituents. These threats are borne directly by the communities served by the Hospitals, their patients, employees, and other critical stakeholders, and are material considerations with which to assess the proposed SGM sale.

⁵ To add specific examples, one large category of claims at issue involves services that were authorized by LA Care through delegated vendors but that LA Care denied payment because it had no way to track the delegated vendors' authorization numbers. As a result, LA Care required timely filed electronic claims to be resubmitted in paper. Another example is that LA Care has improperly administered payments under "stop loss" provisions – denying payment to St. Francis, in particular, for services to some of the most needy patients.

1. St. Vincent and Seton Will Likely Close.

St. Vincent and Seton are likely to close promptly after the SGM transaction fails for two significant reasons tied to their ongoing financial underperformance: (i) the Debtors cannot sustain the operational losses incurred by St. Vincent and Seton without the prospect of a potential purchaser, and (ii) the Debtors must conserve resources to underwrite a sale of St. Francis. St. Vincent and Seton (including both the Daly City and Coastsides campuses) have combined operating losses greater than \$105 million in the 10 months since filing bankruptcy.

The Expert acknowledges that “no other offers were received by the Bankruptcy Court to purchase and operate” St. Vincent and Seton. *See* St. Vincent Report at 86; Seton Report at 87. This finding is consistent with the results of the Debtors’ extensive marketing efforts. As outlined in greater detail above, beginning in July 2018, the Debtors engaged Cain to identify potential buyers of some or all of the Debtors’ Hospitals. Cain contacted over 181 strategic and financial buyers and received 11 indications of interest. None of these indications proposed purchasing and operating St. Vincent or Seton individually. The Debtors cannot sustain incurring ongoing operational losses to maintain the going-concern value of St. Vincent and Seton without the realistic prospect of a purchaser.

These closures would begin almost immediately. Because the failure of the SGM sale puts the recovery of secured creditors at risk, it is almost certain that the secured creditors would object to continued use of their cash collateral to subsidize the losses at St. Vincent and Seton. While the Debtors may be able to obtain an order authorizing the use of cash collateral over their objection, that use would be limited to the amount necessary to avoid harm to patients. Based on the experience of Debtors’ counsel, St. Vincent and Seton would first seek court approval to close their emergency departments and close the Hospitals to new patients. Given the average length of stay for hospital inpatients, we would expect all acute care patients to be discharged within a week. We would expect St. Vincent to be closed in less than one month.

Closure of Seton would be much slower than St. Vincent, given the more involved process of the skilled nursing and sub-acute resident populations at both the Daly City and Coastsides campuses, and would cost tens of millions of dollars to effectuate. We would immediately seek the assistance of the California Department of Public Health, the Center for Medicare and Medicaid Services, the Department of Health Care Services, Santa Clara and San Mateo Counties and other key governmental and non-governmental stake holders to find appropriate placements for the approximately 180 long term and subacute residents at Seton. However, the post-acute care delivery system in Northern California does not have the excess capacity to accept these residents. *See* Enclosed Declaration of Maya Altman, CEO for the Health Plan of San Mateo. We would anticipate many of these residents being displaced across the state and outside of the state in order to find appropriate and available beds and resources. The transfer trauma risk attendant to the closure of Seton’s nursing facility would be significant with patients needing to be transferred, in many cases, hundreds of miles away from their communities, families and support networks.

2040 E. Mariposa Avenue
El Segundo, CA 90245

Thereafter, the Debtors would most likely attempt a private sale of St. Vincent and Seton after they are closed. After their extensive but ultimately unsuccessful marketing efforts, the Debtors believe that the most likely outcome is a sale to a real estate or similar purchaser without an interest in continuing or reopening the facilities as acute care hospitals, and without the need for Attorney General review. *See In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 826-829 (Bankr. C.D. Cal. 2017) (Robles, J.) (holding that sale of a closed not for profit hospital is not subject to Attorney General review).

2. St. Francis Will Attempt a Private Sale at a Depressed Value with Significant Financial Obstacles and Creditor Scrutiny.

In the event the SGM transaction fails due to the imposition of conditions making continued operations economically unfeasible, the Debtors will turn their efforts to fund a renewed sale process for St. Francis, their only potentially profitable going-concern asset. A St. Francis sale process would face stiff headwinds and present significant liquidity demands, which would be further exacerbated if the Debtors are continuing to incur operating losses associated with St. Vincent and Seton. The Expert cites interviewees who “expressed that if this [SGM] transaction was not finalized, the Hospital would likely be acquired by another organization due to its history of financial success.” *See* St. Francis Report at 85. However, this supposition does not account for the expenses and uncertainties associated with a single-facility sale.

St. Francis realizes substantial economic benefits from its integration in the Verity Health System that would be stripped in a single-facility sale. First, St. Francis cannot sustain itself solely on cash flow from operations. The primary receivables attributable to St. Francis operations—reimbursements and related supplemental payments on account of the Hospital Quality Assurance Fee program—are paid periodically during the year and substantially after the service period to which they relate. As stated previously, excluding QAF, St. Francis must borrow greater than \$35 million from the Verity Hospital System throughout the year in order to manage its large working capital fluctuations. Historically, St. Francis has leveraged financing arrangements entered into by the Verity Health System. The obligated parties under those financing arrangements historically included VHS, O'Connor Hospital, Saint Louise Regional Hospital, Seton, St. Vincent, and St. Francis. St. Francis cannot achieve stable financial operations without access to credit historically supplied on a joint and several basis to the Verity Health System.

St. Francis benefits from the consolidated administrative functions and unified technology of the Verity Health System, which St. Francis would need to arrange for and purchase individually in anticipation of a single-facility sale. The total burden of the cost of the underlying IT systems and licensing agreements for the system, at a cost of more than \$40 million per year, would likely be the burden of St. Francis alone. In addition, St. Francis would bear a significant portion of the current annual overhead costs of over \$100 million that no longer could be spread across the other Hospitals. These two factors will put significant strain

2040 E. Mariposa Avenue
El Segundo, CA 90245

on the cash flow of the remaining Debtors and would ultimately make completing an extremely quick private sale of St. Francis critical to maintaining any value for the estate.

A private sale is more expedient, but, in the absence of a renewed, robust sale process, the Debtors expect the sale would yield a purchase price hundreds of millions of dollars lower than the SGM Transaction and would receive objections from constituents who would request a new marketing process. Based on the Debtors' experience through the extensive pre-bankruptcy and post-filing marketing efforts, the Debtors are very aware of (i) the difficulty in identifying a purchaser that is both interested in, and capable of, closing on such a transaction, and (ii) the large amount of time and money it takes to sustain ongoing operating losses while working with a prospective buyer through the complex sale process. In these circumstances, the Expert's comment, without support, that there would be "other buyers" if the SGM Transaction failed is at best unsupported and a gross oversimplification of what would be an involved, complicated process. Even if a new deal process were successful and yielded a willing buyer capable of closing, it is highly uncertain whether the Debtors could fund the ongoing operating capital necessary to continue to operate St. Francis while the sale worked its way through the rigorous bankruptcy, AG, and regulatory approval process.

The Debtors' creditors are also likely to object to a fire sale of St. Francis given the already small recoveries available if the SGM sale is successful. A private sale is likely to leave only a partial recovery for secured creditors and, as discussed below, no recovery for other critical stakeholders. These secured creditors and stakeholders are likely to carefully scrutinize such a transaction and demand a longer auction process in lieu of a private sale. Each of these likely demands from secured creditors, other stakeholders, and the Attorney General would expose St. Francis to further financial deterioration arising from the increased administrative and professional costs associated with a lengthy sale process as well as further losses from operations.

It should be noted that even if there are good sales prospects, Verity will likely have no choice but to close St. Francis pending a sale, putting the hospital license in suspense and closing all beds and service lines. This would require a prompt shut-down of St. Francis, including the closure of its emergency room and trauma center as well as its psychiatric unit. While a buyer could apply to have the St. Francis hospital license resurrected and taken out of suspense, this is not without consequence. As a Hospital that relies heavily on government reimbursement and QAF to survive, in taking the license out of suspense, a St. Francis buyer would need to apply for new Medicare and Medi-Cal provider agreements, enduring a period during which the hospital is open but not yet certified. In addition, St. Francis would not be eligible for QAF during the period of time when it is closed, which would also impact its QAF fees and payments upon reopening. All of this would likely have a negative impact on the value of St. Francis as a freestanding hospital as well as its timeline for reopening its emergency department and certain non-essential services.

2040 E. Mariposa Avenue
El Segundo, CA 90245

B. A Renewed Sale Process Will Materially Delay the Bankruptcy Cases.

The Debtors have administered and financed their bankruptcy cases and plan of liquidation assuming that the cases would conclude shortly after the SGM sale. If SGM does not consummate the sale, then the Debtors will incur additional, unexpected administrative expenses associated with continued operations as they pursue new sales and closures. These expenses—unanticipated by the Debtors and their lenders—will increasingly burden the Debtors’ ability to fund their operations.

While difficult to predict, the Debtors anticipate that a single-facility private sale of St. Francis will take approximately five to six months to close. The bankruptcy court process, assuming that (a) a buyer could be located, and (b) the Debtors would seek a private sale, would last approximately six to eight weeks and involve soliciting potential purchasers, drafting and negotiating an asset purchase agreement and sale motion, and holding a sale hearing on three weeks’ notice to interested parties. The balance of time is allocated to the 90 to 135-day Attorney General review process. This assumes that the private sale of St. Francis would not require a more belabored auction process in bankruptcy court; however, as noted above, creditors disappointed with partial or no recovery on their claims may convince the court that an auction process will result in a higher sale price.

The Debtors anticipate that the private sales of St. Vincent and Seton would take substantially less time to close if the facilities are not operating as acute care hospitals. The Debtors estimate that sales of St. Vincent and Seton could close in no less than two months on the most favorable timeline and for substantially less consideration. This assumes an expedited disposition of the facilities’ patient populations, which we anticipate will be especially challenging for Seton’s long-term patient populations at both the Daly City and Coastsides campuses.

There is significant risk in the Debtors ability to fund an additional six-month sale process. These alternative sale timelines, through abbreviated, nevertheless require the Debtors to incur significant administrative expenses. As discussed, the Debtors incur cash flow losses of \$450,000 every day. The Debtors have obtained \$185 million of debtor in possession financing to cover these operational and administrative expenses during their bankruptcy cases because their stakeholders were satisfied that there was a high likelihood of consummating significant asset sales; this matures September 7, 2019. In fact, the financing terms are subject to strict case milestones and short-term budgets based upon consummating sales of the Hospitals by specific dates. *See* Docket No. 309-2 (DIP Credit Agreement, § 7.1 at 63) (the Debtors financial covenants include limits on budget variances during the bankruptcy cases); *see id.* (DIP Credit Agreement, § 9.1(q) at 72-76) (providing for defaults if Debtors fail to meet case deadlines including sale deadlines). Without the prospect of an imminent asset sale that would, at a minimum, cover the costs of financing, the Debtors’ ability to obtain financing is a significant risk. The Debtors’ access to cash collateral and proceeds of the O’Connor Hospital and Saint Louise Regional Hospital sale are likewise subject to the liens and limitations of the Debtors’

2040 E. Mariposa Avenue
El Segundo, CA 90245

secured creditors. The Debtors' ability to fund their operations becomes increasingly dubious as the bankruptcy cases continue without resolution.

C. Patients, Employees, Vendors, Community Members, and Other Essential Stakeholders Bear Directly the Ramifications of a Failed SGM Transaction.

The Attorney General should not ignore the significant economic ramifications of a failed SGM sale because of the negative healthcare impacts on patients and community members. If the SGM sale does not close, patients and community members will lose access to healthcare facilities. Extending the timeline to a sale by six months will also jeopardize the ability to finance the remaining hospital. Furthermore, the degradation in value realized from the asset sales will directly affect key stakeholder recoveries.

1. The Impact on Community Members and Patients

Failure to consummate the SGM sale likely results in the closure of St. Vincent and Seton and risks closure of St. Francis. The Expert recognizes the unique role the Hospitals play in their communities. Although the Debtors challenge the specifics of the proposed conditions, it is indisputable that these facilities provide access to essential healthcare services in their communities. Faced with the possibility of losing these facilities in their entirety, rote application of historical conditions must yield to the pragmatics of economics and demonstrable community need.

St. Francis is a critical safety-net provider of health care services, serving a large number of uninsured and underinsured patients. It is located in a medically underserved area and operates the only trauma center in the service area. It also provides critical acute inpatient psychiatric services as well as a mobile crisis evaluation team.

St. Vincent is the oldest hospital in Los Angeles, providing critical emergency room and other specialized services to the community it serves. In addition to serving almost 180 skilled nursing and subacute residents, Seton also operates a geriatric-psych service line and the only emergency department on the Peninsula in the 55-mile stretch between Santa Cruz and Daly City.

In addition to the possibility of losing these Hospitals, the communities would also lose the charity care and community benefits they offer. This would be a tragic and unnecessary loss.

2. The Impact on Vendors

It is the vendors that have supported the Hospitals during the pendency of the bankruptcy cases, allowing the Hospitals to stay open and to continue providing services in the ordinary course. Under the SGM purchase agreement, these vendors will receive payment in full for their

2040 E. Mariposa Avenue
El Segundo, CA 90245

support of Verity during its bankruptcy and a failed sale to SGM could put those payments at risk.

In addition, there are thousands of vendors whose contracts will be assumed by SGM pursuant to the sale. As a consequence, these vendors will be paid for their pre-petition claims an estimated total recovery of more than \$50 million. For those vendors whose contracts are not being assumed by SGM, the sale will still provide millions of dollars of recoveries. In total, the failed sale to SGM would cause these vendors to lose tens of millions of dollars in recoveries. Further, there would be a loss of future services by these vendors that would provide the go-forward services to the operating hospitals.

3. The Impact on Employees

St. Francis, St. Vincent, and Seton have approximately 4,950 employees. SGM has committed to retain “substantially all” employees of the Debtors, as set forth in the APA. *See* Docket No. 2305-1 (SGM APA, § 5.3(a) at 27). Similarly, SGM has committed to participate in good faith negotiations of new collective bargaining agreements with the unions. *See id.* (SGM APA, § 4.7 at 25). The SGM sale presents the Debtors’ stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in losing healthcare access for vulnerable populations as well as the loss of employment for thousands of employees.

V. Conclusion.

For all of the reasons outlined above, the AG should not adopt the Recommended Conditions. This would result in the certain failure of the SGM Transaction and the likely closure of St. Vincent, Seton, and perhaps St. Francis. This would be a devastating loss to the communities the Hospitals serve, to their patients, employees, vendors, creditors, and more. This would entail the unnecessary loss of historic, meaningful, community hospitals with robust histories, dedicated to providing charity care and community benefits, especially when as here, there is a ready buyer in SGM who has agreed to continue to operate the Hospitals and to abide by the vast majority of the 2015 Conditions for the period of time they apply to Verity. We urge you to tailor the conditions imposed on this Transaction to align with the Purchaser Approved Conditions in Schedule 8.6, providing SGM with the flexibility to close on the Transaction and turn the Hospitals around so they can continue to provide meaningful health care services, community benefits, and jobs to the communities they serve.

Sincerely,

Richard G. Adcock, CEO

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. (“VHS”). Prior thereto, I served as VHS’s Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas dedicated to health and healing. In this role, I was responsible for leading Sanford Health’s growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan; Sanford Foundation (a philanthropic fundraising foundation); Sanford Frontiers (a commercial and real estate company); Profile by Sanford (a scientific weight loss program); and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and had the responsibility of starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. From

1 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for
2 leading strategic, operational and financial aspects within Sanford Clinic. From 2004 to
3 2006, I served as Director of Clinical Operations at Sanford Children's Specialty Clinic
4 and led the Pediatric Subspecialty Physician program and the clinical practice through all
5 facets of the operation.

6 5. Prior to Sanford Health, I served as the Director of Engineering and Six
7 Sigma Master Black Belt at GE Medical Systems, and before that served as the Vice
8 President of Research and Development and the Co-Owner/Founder of Micro Medical
9 Systems. I have a bachelor of science in business administration and a masters of
10 business administration in healthcare management.

11 6. I have reviewed the conditions proposed (the "Recommended Conditions")
12 by JD Healthcare, Inc. ("JD Healthcare" or "Expert") to the California Attorney General
13 (the "Attorney General") in the Health Care Impact Statements (the "Reports"), analyzing
14 the proposed sale of St. Francis Medical Center ("St. Francis"), St. Vincent Medical
15 Center (St. Vincent"), and Seton Medical Center, including its Daly City and Coastsides
16 Campuses ("Seton") (collectively, the "Hospitals"), to Strategic Global Management, Inc.
17 and its affiliated entities ("SGM"), as reflected in that certain Asset Purchase Agreement
18 (the "APA").

19 7. Upon review of the Recommended Conditions, I urge the Attorney General
20 not to issue the Recommended Conditions, and, instead, to impose the conditions to which
21 SGM has agreed to in Schedule 8.6 to the APA.

22 8. As explained below in detail, the Attorney General should not impose the
23 Recommended Conditions because they do not take into consideration the negative
24 economic impact of the Recommended Conditions nor the negative economic impact of
25 the previously imposed conditions on the Hospitals (the "2015 Conditions").

26 9. The Attorney General should exercise his oversight responsibilities and
27 discretion to impose conditions that consider the economic impact to the Hospitals.

28 10. My extensive experience in healthcare has helped me understand and

1 navigate the complex problems threatening the Hospitals.

2 11. Two competing issues were immediately apparent upon my appointment as
3 CEO: the Hospitals are (i) critically important to the communities they serve, but (ii) are
4 damaged financially as a result of cumulative decisions made in the last two decades.

5 12. After overseeing the operations and financial performance of the Hospitals, I
6 concluded that the only feasible path to maintain Hospital operations was to initiate a
7 bankruptcy process that would allow the transfer of the Hospitals to more financially
8 stable operators, reduce existing liabilities, and commence a process in cooperation with
9 the Attorney General to ensure the continued viability of these important community
10 assets.

11 13. While SGM has the ability to keep these Hospitals open and help them to
12 prosper, the Attorney General's role in that process cannot be understated.

13 14. Specifically, to fix the problems that presently threaten the Hospitals
14 continued viability, the Attorney General must consider the pragmatic realities of the
15 Hospitals' operations.

16 15. The Hospitals require operational flexibility to address the fast-paced
17 changes in the healthcare market. I will use a specific example to illustrate my point.
18 One of the 2015 Conditions requires that St. Francis maintains a fixed number of beds for
19 pediatric patients. However, and by way of example, children in the St. Francis service
20 area often go to the nearby children's hospital for treatment (e.g., Miller Children's,
21 Children's Hospital of Los Angeles, and Women's Hospital). Consequently, St. Francis
22 does not utilize many of the beds it is required to maintain pursuant to the condition.
23 This results in unnecessary operating costs without attendant increases in revenue and,
24 more importantly, prevents St. Francis from instead applying its resources to address the
25 demonstrated needs of the community. In addition, these pediatric beds are needed as
26 general adult inpatient beds. Put simply, 2015 Conditions do not reflect the needs of the
27 market place. This is one of many examples that is repeated across service lines affected
28 by the 2015 Conditions.

1 16. The payor contracts present another example of the negative impact of the
2 2015 conditions on the Hospitals. In my experience, I have never seen a set of conditions
3 that obligate the Hospitals, as providers, to accept a particular payor's contract no matter
4 how disadvantageous the terms and conditions. The Attorney General's mandated
5 requirement to remain in an economically damaging relationship obliterates the Hospitals'
6 ability to negotiate appropriate terms, including reimbursement consistent with market
7 conditions. The Hospital payor contracts are below-market as a result of many years of
8 poor payor contract negotiations coupled with the 2015 Conditions. Stated differently,
9 through the imposition of the conditions, the Attorney General transfers negotiating
10 leverage to the payors and leaves the Hospitals severally disadvantaged. While the
11 Attorney General certainly may not have intended that result at the time the 2015
12 Conditions were imposed, the 2015 Conditions had that impact and accelerated and
13 contributed to the threats facing the Hospitals today.

14 17. While the impact reports provide a significant amount of information
15 related to the Hospital's background and the SGM transaction, the reports are lacking (i)
16 any analysis of the economic impact the 2015 Conditions have had on the Hospitals, and
17 (ii) any cost benefit analysis of the Recommended Conditions.

18 18. Without regard to the economic and community realities, certain
19 Recommended Conditions force the Hospitals to maintain programs that not only suffer
20 significant losses an annual basis, but are unnecessary because the same services (and in
21 some instances, more comprehensive services) are already provided at other Hospitals in
22 the area.

23 19. The Attorney General's consideration of the economic impact of the
24 Recommended Conditions is critical. As a Hospital operator, I know the 2015 Conditions
25 were too burdensome and hampered the Hospitals ability to prosper, as discussed above.
26 Verity, its employees, tens of thousands of vendors and other parties have made tireless
27 efforts during the sale process to ensure high quality continued patient care and to take the
28 necessary steps that would allow the Hospitals to be sold to a new operator that could

1 successfully operate the Hospitals. The Bankruptcy Court has now approved the sale to
2 SGM, which paves the way for these Hospitals and the communities they serve to
3 continue the Hospitals' mission of quality patient care.

4 20. The alternative to an SGM sale is, most likely, the closure of SVMC and
5 Seton in light of their unsustainable operating losses, the absence of an interested viable
6 purchaser that would continue operations as acute care hospitals, and the almost certain
7 lack of financing to sustain their operations.

8 21. While SFMC would most likely attempt a private sale in the bankruptcy
9 cases, I foresee significant challenges. SFMC's financial performance may be stronger
10 during parts of the year than the other Hospitals; however, SFMC relies significantly on
11 the Verity Hospital System to borrow an excess of \$35 million throughout the year to
12 achieve its financial success and has not demonstrated an ability to independently manage
13 large working capital fluctuations. The administrative expenses and risks associated with
14 continuing the cases to attempt to identify a new buyer other than SGM, further threaten
15 the Debtors' ability to finance and sell the Hospitals as going concerns and related
16 recoveries to constituents. These threats are borne directly by the communities served by
17 the Hospitals, their patients, employees, and other critical stakeholders, and are material
18 considerations with which to assess the proposed SGM sale.

19 22. The Reports recognize the unique role the Hospitals play in their
20 communities. Although I disagree with the specifics of the Recommended Conditions, I
21 believe it is indisputable that the Hospitals provide access to essential healthcare services
22 in their communities. Faced with the possibility of losing the Hospitals in their entirety,
23 rote application of the 2015 Conditions should yield to the pragmatics of economics and
24 demonstrable patient care and community need.

25 23. If the SGM transaction does not close, the Debtors, employees, pension
26 holders, other stakeholders, and community members, would be exposed to significant
27 and unrecoverable health care and economic loss.

28 24. Among the stakeholders which will be harmed by a failed SGM sale are the

(213) 623-9300

vendors that have supported the Hospitals by providing credit terms throughout these cases. Under the SGM sale, these creditors will receive payment for their support of the Hospitals during the sale process. A failed sale to SGM would put that at risk. In addition, there are thousands of vendors whose contracts will likely be assumed by SGM in the sale. Consequently, these vendors will be paid for their pre-petition claims, an estimated total recovery for these vendors of \$50 million. Even those vendors whose contracts are not assumed by SGM are still expected to receive millions of dollars of recoveries. In total, the failed sale to SGM would cost these vendors tens of millions of dollars in recoveries. Further, there would be a loss of future income for services provided to the operating Hospitals on a go-forward basis.

25. The Hospitals have approximately 4,900 employees. SGM has committed to retain “substantially all” employees of the Debtors, as set forth in the APA.

26. The SGM sale presents the Debtors’ stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in a loss of healthcare access for vulnerable populations, as well as jobs of thousands of employees.

27. Based on the foregoing, I request the Attorney General carefully consider the foregoing and not impose conditions that would threaten to close the Hospitals or otherwise unwind stakeholders’ heroic efforts to save these Hospitals.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed this 23rd day of August, 2019, in Santa Monica, California.

DECLARATION OF ANITA CHOU

I, Anita Chou, declare, that if called as a witness, I would and could testify as follows based on my own personal knowledge.

1. I am the Chief Financial Officer (“CFO”) of Verity Health System of California, Inc. (“VHS”). I became the Debtors’ acting CFO on August 20, 2018, and on August 29, 2018, the board of directors appointed me as the CFO. Prior to my appointment as acting CFO, I served as the VHS SVP Hospital Finance, with oversight responsibilities over all of Verity Health System hospitals’ CFOs from February 1, 2018 until August 19, 2018, and as the St. Vincent Medical Center CFO from March 2016 to February 2018. Prior to VHS, I spent three years at Prospect Medical Holdings from March 2013 to March 2016 in various senior level corporate finance positions including Hospital System CFO, ten years as the controller for three different hospital and hospital systems (*e.g.*, Saint John’s Health Center & Affiliates, Valley Presbyterian Hospital, and USC Kenneth Norris Jr. Cancer Hospital), and three years as a Financial Market Analyst for El Camino Hospital. I received my Masters in Health Administration from the University of Southern California in 2005, and my Bachelor of Science from University of California, San Diego in 1998.

2. Debtor VHS, a California non-profit public benefit corporation, is the sole corporate member of the five debtor California non-profit public benefit corporations that operated six acute care hospitals (the “Hospitals”), including St. Francis Medical Center (“SFMC”), St. Vincent Medical Center (“SVMC”) and Seton Medical Center, which includes its Daly City and Coastsides Campuses (“Seton”). Seton operates under one consolidated general acute care hospital license. VHS, the Hospitals and their affiliated entities operated as a non-profit healthcare system in the State of California.

3. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity as CFO for VHS.

4. I have reviewed the Health Care Impact Statements (the “Reports”), analyzing the proposed sale of SFMC, SVMC and Seton to Strategic Global Management, Inc., and its affiliated entities (“SGM”), as reflected in that certain Asset Purchase Agreement (the “APA”).

1 5. The report on SFMC, at pages 92-96, the report on SVMC, at pages 87-90, and the
2 report on Seton, at pages 88-92, set forth JD's recommended conditions (the "Recommended
3 Conditions") for the transactions to the California Attorney General (the "Attorney General"). I
4 urge the Attorney General not to issue the proposed conditions and, instead, to impose the
5 conditions to which SGM has agreed in Schedule 8.6 to the APA.

6 6. The Recommended Conditions for SFMC, SVMC and Seton that deviate from
7 Schedule 8.6 attached to the APA are "deal breakers" and should not be imposed by the Attorney
8 General.

9 **A. St. Francis**

10 7. The Recommended Conditions for SFMC include a requirement that, for at least 10
11 years from the closing date, SFMC maintain cancer services. The current cost to maintain cancer
12 treatment at SFMC exceeds \$11 million annually, which includes the financial advantages that
13 permit SFMC, as a non-profit hospital, to use the 340B program. The 340B Drug Discount Program
14 is a U.S. federal government program that requires drug manufacturers to provide outpatient drugs
15 to eligible health care organizations and covered entities at significantly reduced prices. SGM will
16 operate SFMC as a for-profit enterprise, and, therefore, the 340B program will no longer be
17 available, increasing the cost of pharmaceuticals, and, therefore, the cancer program, by \$262,000
18 per year.

19 8. The Recommended Conditions include a requirement that, for at least 10 years from
20 the closing date, SFMC maintain Wound Care Services. The Wound Care Clinic operated at a
21 \$385,000 net loss in 2018 and is expected to continue to operate at a loss.

22 9. The Recommended Conditions include a requirement that, for at least 10 years from
23 the closing date, SFMC maintain its participation in the Medi-Cal Managed Care Program,
24 continuing its contracts with LA Care Health Plan and Health Net Community Solutions. With
25 Managed Medi-Cal rates that are significantly below market, such a restriction will continue to
26 impose a financial burden upon SFMC as well as hinder its ability to negotiate appropriate payor
27 rates. These contracts have not been renegotiated in the last 5 years in part due to the imposition of
28 the conditions.

B. St. Vincent

10. The Recommended Conditions for SVMC include a requirement that, for at least 5 years from the closing date, SVMC maintain cancer services. The cancer treatment program at SVMC operated at a net loss in 2018 of \$995,000. And, because SGM will operate SVMC as a for profit enterprise, SGM cannot utilize the benefit of the 340B program which will impose additional cost for pharmaceuticals by \$547,000 per year, exacerbating existing operating losses at the facility of over \$65 million annually. With the loss of the 340B program, cancer care at SVMC will operate at a projected increased net loss of approximately \$1.5 million per year.

11. The Recommended Conditions include a requirement that, for 5 years after the closing date, SVMC will continue to provide liver transplant service. The liver transplant program at SVMC started in calendar year 2019. In fact, performance projections prepared by a third-party expert consultant in transplant programs show a 5-year net loss of \$21 million for SVMC. Worse, currently SVMC is not receiving reimbursement for liver transplants because SVMC is still in process of being certified to perform these transplants. Finally, SGM will have to negotiate reimbursement rates with third party payors going forward which may not cover the cost of the surgeries.

12. The Recommended Conditions include a requirement that for 5 years from the closing date, SVMC shall maintain its participation in the Medi-Cal Managed Care program, including continuing contracts with LA Care Health Plan and Health Net Community Solutions, Inc. Just as in the case with SFMC, with Managed Medi-Cal rates that are significantly below market, such a restriction will continue to impose a financial burden upon SVMC as well as hinder its ability to negotiate appropriate payor rates. These contracts have not been renegotiated in more than 5 years in part due to the imposition of the conditions.

C. Seton and Seton Coastside

13. The Recommended Conditions include a requirement that for 6 years Seton continue to offer cancer services at its Daly City Campus. The cancer services at Seton operated at a net loss of \$3.8 million in 2018. The loss of the 340B program will increase costs by \$3 million, of which \$2.6 million is attributable to the loss of infusion therapy services. It is not financially

1 feasible to operate a cancer program at a continuing loss of nearly \$7 million per year for a facility
2 that is currently operating at a loss of \$60 million annually.

3 I declare under penalty of perjury that, to the best of my knowledge and after reasonable
4 inquiry, the foregoing is true and correct.

DECLARATION OF TIRSO DEL JUNCO, JR., M.D.

I, Tirso del Junco, Jr., M.D., declare that if called as a witness, I would and could competently testify thereto, of my own personal knowledge as follows.

1. I am currently the Chief Medical Officer for Verity Health System of California, Inc. (“VHS”). I am licensed and authorized to practice medicine in the State of California. I have been with VHS since its beginning in December 2015. I have also served as VHS’s Associate Chief Medical Officer and as St. Vincent Medical Center’s Chief Medical Officer. Prior to joining VHS, I held several positions at Mission Community Hospital in Panorama City, including associate chief medical officer.

2. Debtor VHS, a California non-profit public benefit corporation, is the sole corporate member of the five debtor California non-profit public benefit corporations that operated six acute care hospitals (the “Hospitals”), including St. Francis Medical Center (“SFMC”), St. Vincent Medical Center (“SVMC”) and Seton Medical Center, which includes its Daly City and Coastsides Campuses (“Seton”). Seton operates under one consolidated general acute care hospital license. VHS, the Hospitals and their affiliated entities operated as a non-profit health care system in the State of California.

3. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity the Chief Medical Officer for VHS.

4. I have read the Health Care Impact Statements (the “Reports”) prepared by JD Healthcare (“JD”) analyzing the proposed sale of SFMC, SVMC and Seton to Strategic Global Management, Inc., and its affiliated entities (“SGM”).

5. The report on SFMC, at pages 92-96, the report on SVMC, at pages 87-90, and the report on Seton and Seton Coastsides, at pages 88-92, set forth JD’s recommended conditions (the “Recommended Conditions”) for the transactions to the California Attorney General (the “Attorney General”).

6. The Recommended Conditions for SFMC, SVMC and Seton that deviate from Schedule 8.6 attached to the certain Asset Purchase Agreement are “deal breakers” and should not be adopted by the Attorney General.

7. The Recommended Conditions for SFMC include a requirement that, for at least 10 years from the closing date, SFMC maintain cancer services, including radiation oncology. First, SFMC currently does not have a full complement of cancer services to offer its patients. In fact, SFMC offers *only* radiation oncology, and does not provide infusion chemotherapy and does not have a formal surgical oncology program; SFMC patients who need these services go to other hospitals. All three of those cancer services are currently being provided to patients within the area by Long Beach Memorial, Downy PIH, Torrance Memorial Medical Center and Lakewood Community Hospital. In other words, other hospitals within the area offer a full array of cancer services that SFMC does not offer, and those hospitals can thoroughly meet the needs for such services in the area. SFMC, as a non-profit hospital, receives the benefit of the 340B program. The 340B Drug Discount Program is a U.S. federal government program that requires drug manufacturers to provide outpatient drugs to eligible health care organizations and covered entities at significantly reduced prices. SGM will operate SFMC as a for-profit hospital, and, therefore, the 340B program will no longer be available, thereby increasing the cost of supplies.

8. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain wound care services. The report fails to note that the wound care clinic was re-licensed as a multi-specialty clinic in 2019 (for gastrointestinal services and general surgery, among other specialties); requiring SFMC to continue to provide wound care in the multi-specialty clinic would prevent SFMC from providing in the same clinic at the same time—multi-specialty services to meet community needs. In addition, the report fails to note that the hyperbaric chamber that was utilized in connection with such wound care services was removed by the vendor in 2018. Other hospitals in the area provide wound care services for patients, including Long Beach Memorial, Torrance Memorial and Downey PIH.

B. St. Vincent Medical Center

9. The Recommended Conditions include a requirement that, for at least 5 years from the closing date, SVMC maintain cancer services, including radiation oncology. As is the case with SFMC, SVMC does *not* have a full complement of cancer services to offer its patients; SVMC does

1 not provide infusion or infusion chemotherapy, and does not have a formal surgical oncology
2 program. SVMC patients who require those services are required to go to other hospitals. All four
3 of those services are currently being provided at California Hospital, Good Samaritan, White
4 Memorial, Hollywood Presbyterian and the Norris Cancer Center at USC Keck. In other words,
5 other hospitals within the area offer a full array of services that SVMC does not offer, thoroughly
6 meeting the need for such services in the area. As is the case with SFMC, the 340B program, which
7 permits SVMC as a non-profit hospital, to obtain cancer supplies, principally pharmaceuticals, from
8 vendors at discounted pricing, cannot continue at SVMC because SGM will operate SVMC as a
9 for-profit hospital. The inability to utilize the financial advantages of the 340B program will have
10 a material impact, increasing costs to provide cancer care.

11 10. As to both SFMC and SVMC, there are three facilities designated as National
12 Cancer Institutes within the Los Angeles area, including the Norris Cancer Center at Keck USC
13 Medical Center, City of Hope and UCLA Medical Center. Those facilities provide superior cancer
14 treatment to their patients. All three are within 25 miles of SFMC and SVMC.

15 11. The Recommended Conditions for SVMC include a requirement that, for 5 years
16 after the closing date, SVMC continue to provide liver transplants. The liver transplant program at
17 SVMC only started in 2019. The reality is that the community has 5 neighboring liver transplant
18 centers, which provide the same transplant services as SVMC. The cost to maintain the services is
19 high, best demonstrated by the fact that in regards to the 10 liver transplants surgeries performed
20 so far in 2019, patients have stayed an average of 35 days, which is 15 days over the geometric
21 mean length of stay ("GMLOS"), which is a benchmark to enable comparison of length of stay
22 versus severity of illness, set forth by Medicare. Worse, at the present time, SVMC is not receiving
23 reimbursements because it is awaiting Medicare review of the program for certification.

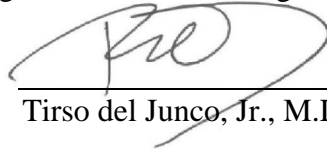

24 **C. Seton Medical Center and Seton Coastside**

25 12. The Recommended Conditions requiring Seton to provide cancer services at its Daly
26 City Campus should not be required as a condition for approval of the sale by the Attorney General.

27 13. More specifically, the Recommended Conditions include a requirement that for 6
28 years from the closing date, Seton shall maintain cancer services at its Daly City Campus, including

1 oncology services, radiation therapy and infusion services. Seton provides radiation oncology and
2 infusion therapy, but does not have a formal surgical oncology program. Accordingly, just as is
3 the case with SFMC and SVMC, Seton does not have the full complement of cancer services to
4 offer its patients. Seton patients who need the full array of services, that includes surgical oncology,
5 go to other hospitals. A full array of cancer services are currently being provided to patients within
6 the area, at UCSF and Stanford, and at Mills Peninsula which is located within ten miles of Seton.
7 Just as is the case with SFMC and SVMC, other hospitals within the area offer a full array of cancer
8 services, thoroughly meeting the community's needs for such services. Finally, just as is the case
9 with SFMC and SVMC, the 340B program cannot continue in a for-profit hospital as proposed by
10 SGM for Seton. Accordingly, the cost for Seton to provide cancer care without the 340B program
11 will dramatically increase.

12 I declare under penalty of perjury under the laws of the United State that the foregoing is
13 true and correct. Executed this 23rd day of August, 2019, in Los Angeles, California.

DECLARATION OF MAYA ALTMAN

I, Maya Altman, declare that I have personal knowledge of the facts set forth in this declaration and I would competently testify to them under oath if called as a witness.

1. I am the CEO for the Health Plan of San Mateo. My office is located at 801 Gateway Blvd., South San Francisco, California.

2. The Health Plan of San Mateo (HPSM) is a County Organized Health System (COHS) that contracts with the State of California to operate the Medi-Cal program in San Mateo County. HPSM is the single Medi-Cal plan in this county. HPSM contracts with providers in San Mateo County as well as nearby counties to provide health services, including long term care and skilled nursing care, for its members. Seton Medical Center and Seton Coastsides both currently contract with HPSM. HPSM has approximately 140,000 members; nearly all of them are enrolled in Medi-Cal or dually eligible for both Medicare and Medi-Cal.

3. I have been the CEO of HPSM since 2005. Prior to this position, I was the Director of Finance and Administration for the San Mateo County Health Department. I started with San Mateo County Health in 1994 and worked in various capacities before assuming responsibility for finance and administration.

4. I received a Master's Degree in Public Policy from the University of California at Berkeley, and a Bachelor of Arts degree from Bryn Mawr College.

5. Seton Medical Center and Seton Coastsides offer services to HPSM members that are unavailable or minimally available from other providers. For example, Seton Medical Center operates the only subacute unit in San Mateo County, a 44 bed unit fully occupied with nearly all Medi-Cal beneficiaries. Were Seton Medical Center to close, these ventilator dependent patients would have to be moved to facilities at a great distance from their families.

6. Seton Medical Center and Seton Coastsides operate a combined total of 155 skilled nursing facility beds. HPSM is gravely concerned about the erosion of SNF resources in San Mateo County and the Bay Area for people who are publicly insured

1 through Medi-Cal and Medicare. This is a national trend but is especially problematic in
2 San Mateo County where the population is aging faster than the rest of California. The
3 county's population of residents over the age of 65 is projected to increase by 57% from
4 91,447 in 2015 to 160,366 in 2030. San Mateo County's In Home Support Services
5 (IHSS) Medi-Cal population is already 26% over the age of 85 compared to 15% in the
6 rest of California. San Mateo County has already lost 264 licensed SNF beds since 2009,
7 making it extremely difficult to place Medi-Cal enrollees who need this level of care in
8 nursing facilities.

9 7. Were Seton Medical Center and Seton Coastside to close, Medi-Cal
10 beneficiaries needing skilled nursing facilities would have to be placed in facilities far
11 away, most likely outside of the Bay Area and at a great distance from their families.

12
13 I declare under penalty of perjury under the laws of the United States that the
14 foregoing is true and correct.

3 (Call to order of the Court.)

4 THE COURT: I will call the now 11:00 o'clock
5 matter, the Verity matters, in just a moment. I'll take
6 appearances first by telephone. We have a number of
7 individuals that are on listen-only mode, in which case I
8 will not be announcing your name, but, when I do announce
9 your name and you intend to make an appearance at the
10 hearing, please give us your appearance.

11 All right. Do we have Caitlin Gray on the line?

12 MS. GRAY: Yes, I'm here.

13 THE COURT: Your appearance, please.

14 MS. GRAY: Caitlin Gray, Weinberg, Roger and
15 Rosenfeld, for SEIU-UHW.

16 THE COURT: Thank you.

17 Debra Riley.

18 MS. RILEY: Yes, your Honor. Debra Riley with
19 Allen Matkins on behalf of California Statewide Community
20 Development Authority.

21 THE COURT: Thank you.

22 Kyrsten Skogstad.

23 MS. SKOGSTAD: Good morning, your Honor. Kyrsten
24 Skogstad, in-house counsel, on behalf of the California
25 Nurses Association.

1 THE COURT: Very well. Thank you.

2 The Court will make some opening comments, just to
3 place all of this into a context. First of all, my
4 apologies for issuing the tentative at the 11th hour. It's
5 not our usual tendency to do that, and, in fact, we weren't
6 going to issue any tentative at all, because I think we
7 had -- well, I know we had some computer issues, and then we
8 had an intervening holiday, and it made it difficult to get
9 this out any earlier than we did.

10 So I apologize for that, but I anticipate that
11 everybody is now familiar with the Court's tentative. If
12 not, it's been posted on the Court's web site. It's
13 available now for those of you on the telephone or in the
14 courtroom with computer availability.

15 This is the culmination of this case. We have at
16 some point a plan and disclosure statement hearing, but all
17 of that posits that we have a sale of the assets of this
18 case. If we don't, it makes no sense to have a plan and
19 disclosure statement. So this is the day and this is the
20 hour. The sale is the linchpin of the plan.

21 So, without a sale, there's no point to going
22 forward, and I reiterate that because I'm not sure if all of
23 the participants at this morning's hearing fully appreciate
24 what that means. If we don't have a plan and disclosure
25 statement that can be approved by the Court, then, on the

1 Court's own motion, or on a motion of an interested party,
2 the Court may dismiss the case, in which case I think that
3 that would spell a disaster for every party that is
4 represented here this morning.

5 In the alternative, the Court might appoint a
6 Trustee. That's no better, because a Trustee has no funds
7 with which to work. So it's not the case that a Trustee
8 would step in the shoes of the Debtor and keep the hospitals
9 open. He or she would not be in a position to do that. In
10 fact, it might be even worse, because that Trustee would
11 have to hire its own counsel, and then would have to make a
12 determination about how best to close the hospitals on an
13 efficient basis, and it may not have the knowledge to be
14 able to do that.

15 There are a number of alternatives that have been
16 proffered to the Court, and I've read the pleadings here.
17 One of them is that there are other and better offers that
18 are in the offing. I take Strategic at its word that, if we
19 don't approve a sale today that is not subject to conditions
20 imposed by the Attorney General, that it will walk away from
21 the deal. That's not something that the Court feels that
22 Strategic is simply trying to obtain a better negotiating
23 position.

24 I think that it's borne out by the financials of
25 these assets. Currently, the sole lending facility for the

1 Debtor-In-Possession account is based upon loans by its
2 creditors. It is the creditors that are funding this
3 reorganization at this point. In the Court's view, that's
4 rock bottom. You can't get any lower, because nobody else
5 is willing to take a chance on providing any liquidity to
6 the Debtor. So I don't think that Strategic is issuing an
7 idle threat.

8 On the argument that there is another deal out
9 there, there is absolutely no evidence with respect to any
10 other deal. With respect to the argument that somehow the
11 Attorney General's Office and the Debtor and the interested
12 parties could mediate these differences, there's again no
13 evidence presented to the Court that would indicate that
14 that would be the case.

15 More importantly, throughout another set of
16 hearings with respect to a sale to some other entity, with
17 all of the time that would be occasioned by that, there is
18 no money to fund the continued operations of the Debtor,
19 which would inure to the detriment of thousands of patients,
20 thousands of employees, and not to mention the creditors in
21 the case.

22 So that's the context within which the Court
23 issues the tentative ruling, and it is not with the idea
24 that we should conclude that a sale ought to happen. Quite
25 the opposite. It's after having the analysis of the facts

**MEMORANDUM OF DECISION GRANTING
DEBTORS' EMERGENCY MOTION TO ENFORCE
THE SALE ORDER [DOC. NO. 3188]**

Date: October 15, 2019
Time: 10:00 a.m.
Location: Ctrm. 1568
Roybal Federal Building
255 East Temple Street
Los Angeles, CA 90012

Before the Court is the Debtors' motion to sell four not-for-profit hospitals free and clear of regulatory conditions which the California Attorney General claims authority to impose under Cal. Corp. Code § 5914. For the reasons set forth below, the Court finds that § 363 of the Bankruptcy Code authorizes a sale free and clear of the conditions which the Attorney General contends he is authorized to impose.

I. Facts

On August 31, 2018 (the "Petition Date"), Verity Health Systems of California ("VHS") and certain of its subsidiaries (collectively, the "Debtors") filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtors' cases are being jointly administered.

As of the Petition Date, the Debtors operated six acute care hospitals in the state of California. On December 27, 2018, the Court authorized the Debtors to sell two of their hospitals—O'Connor Hospital and Saint Louise Regional Hospital—to Santa Clara County (the "Santa Clara Sale").¹ The Santa Clara Sale closed on February 28, 2019.

On February 19, 2019, the Court entered an order establishing bidding procedures (the "Bidding Procedures Order") for the auction of the Debtors' four remaining hospitals—St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (including St. Vincent Dialysis Center) ("St. Vincent"), Seton Medical Center ("Seton"), and Seton Medical Center Coastside ("Seton Coastside") (collectively, the "Hospitals"). Under the Bidding Procedures Order, Strategic Global Management ("SGM") was designated as the stalking horse bidder. SGM's bid for all four of the Hospitals was \$610 million.

The Hospitals were extensively marketed by the Debtors' investment banker, Cain Brothers, a division of KeyBank Capital Markets, Inc. ("Cain Brothers"). Cain Brothers notified ninety parties of the auction process. Sixteen of these parties requested continued access to a data room containing information about the Hospitals.

Notwithstanding Cain Brothers' thorough marketing efforts, the Debtors did not receive any qualified bids for all of the Hospitals. The Debtors received one bid to purchase only St. Vincent and one bid to purchase only St. Francis. After consulting with the Official Committee of Unsecured Creditors (the "Committee") and the largest secured creditors, the Debtors determined not to conduct an auction. On May 2, 2019, the Court entered an order finding that SGM was the winning bidder and approving the sale to SGM (the "SGM Sale").

In 2015, prior to the commencement of these cases, the Debtors' predecessor sought authorization from the California Attorney General (the "Attorney General"), pursuant to Cal. Corp. Code § 5914, to implement a *System Restructuring and Support Agreement* (the "Restructuring Agreement"). The Attorney General approved the Restructuring Agreement, subject to various conditions (the "2015 Conditions"). Among other things, the 2015 Conditions required capital expenditures to make the Hospitals seismically compliant, and required the Hospitals to maintain specified levels of emergency services, intensive care services, cardiac services, and various other services.

Cal. Corp. Code § 5914 requires a non-profit entity operating a health facility to obtain approval from the Attorney General when selling a material amount of its assets to a for-profit entity. Pursuant to Cal. Corp. Code § 5914, the Debtors submitted the SGM Sale to the Attorney General for review.

¹ For a description of the Santa Clara Sale, see *In re Verity Health Sys. of California, Inc.*, 598 B.R. 283 (Bankr. C.D. Cal. 2018) ("*Verity I*").

The Asset Purchase Agreement under which SGM agreed to purchase the Hospitals (the “APA”) provided that SGM would close the sale so long as any conditions imposed by the Attorney General under the review process set forth in Cal. Corp. Code § 5914 were substantially consistent with conditions that SGM had agreed to accept (the “Approved Conditions”).² In the event that the Attorney General sought to impose conditions materially different from the Approved Conditions (the “Additional Conditions”), the APA provided that the Debtors would have an opportunity to seek a determination from the Court that the Hospitals could be sold free and clear of the Additional Conditions under § 363(f) of the Bankruptcy Code. Under the APA, Additional Conditions imposing upon SGM costs of \$5 million or more are conclusively deemed to be materially different from the Approved Conditions. Further, if the Debtors fail to obtain a final, non-appealable order authorizing the sale free and clear of the Additional Conditions, SGM is not obligated to close on the sale and is entitled to a refund of its good faith deposit.

On September 25, 2019, the Attorney General consented to the SGM Sale, subject to various conditions (the “2019 Conditions”). The 2019 Conditions are materially different from the Approved Conditions that SGM had agreed to accept. In particular, two of the 2019 Conditions impose an additional financial burden upon SGM of approximately \$305 million. First, the 2019 Conditions require that SGM continue to operate St. Vincent as a licensed general acute care hospital through December 2024. SGM had agreed to maintain St. Vincent’s general acute care license only through December 2020. SGM estimates that continuing to operate St. Vincent as a general acute care hospital for an additional four years would cost approximately \$285 million. Second, the 2019 Conditions require St. Francis to provide annual charity care in an amount of \$12,793,435 for six fiscal years. The required charity care amount is approximately \$6.4 million more than the charity care that St. Francis provided in fiscal year 2019. The charity care requirement imposes an additional incremental cost of approximately \$20 million.

SGM will not close the sale absent an order finding that the Hospitals can be sold free and clear of the Additional Conditions pursuant to § 363(f). If the SGM Sale does not close, the most likely outcome will be the closure of St. Vincent, Seton, and Seton Coastside. The Debtors would be required to close these three Hospitals to conserve resources to continue to operate St. Francis, the most solvent of the Hospitals, during the time it would take to obtain approval of a sale of St. Francis. The Debtors cannot continue to sustain operational losses of approximately \$450,000 per day without the prospect of a prompt sale. There is no back-up bidder to purchase the Hospitals if the SGM Sale does not close.

The Debtors are facing very significant liquidity constraints. Recently, the California Department of Health Care Services (the “DHCS”) began withholding certain Medi-Cal fee-for-service payments owed to the Debtors, for the purposing of recovering alleged Medi-Cal overpayments. As of the beginning of October 2019, DHCS had withheld approximately \$4.5 million. The Debtors do not have the ability to borrow under any debtor-in-possession financing facility. At this time, the Debtors’ cases are being financed by a consensual cash collateral stipulation executed between the Debtors and the principal secured creditors (the “Cash Collateral Stipulation”). Termination of the APA constitutes an event of default under the Cash Collateral Stipulation. It is unclear whether the Debtors would be able to obtain alternative financing. Further, the Debtors must begin the expensive process of closing the Hospitals while

² The Approved Conditions are set forth in Schedule 8.6 of the APA.

they still possess a significant cash buffer.³ In short, the Debtors' prediction that failure of the SGM Sale would necessitate the closure of St. Vincent, Seton, and Seton Coastside is not a bluff.

The Attorney General asserts that imposition of the 2019 Conditions will not result in the closure of St. Vincent, Seton, or Seton Coastside. The Attorney General points to a declaration from Kenneth Sim, M.D. (the "Sim Decl."), the Chairman of Allied Physicians of California, A Professional Medical Corporation ("Allied"). According to the Attorney General, the Sim Decl. shows that Allied is prepared to acquire Seton and Seton Coastside and operate both Hospitals in accordance with the 2019 Conditions.

Contrary to the Attorney General's characterization, the Sim Decl. provides no certainty that a sale of Seton and Seton Coastside will occur. The Sim Decl. states only that "Allied remains interested in purchasing Seton" Sim Decl. at ¶ 5. The Court further notes that Allied did not timely submit a qualified bid for Seton. At this late stage in the proceedings, Allied's vague statement that it is "interested" in purchasing Seton and Seton Coastside does nothing to dissuade the Court from its conclusion that absent consummation of the SGM Sale, Seton and Seton Coastside will most likely close.

The Attorney General also points to a bid for the Hospitals submitted by Prime Healthcare ("Prime"). The Attorney General overlooks the Prime did not submit a qualified bid. Among other things, Prime failed to submit the mandatory good faith deposit. In fact, Prime itself recognized that its "bid will not be formally considered at auction" and was submitted only "for reference."⁴ Further, Prime stated that it did not want to serve as a back-up bidder.⁵ In short, Prime's offer to purchase the Hospitals is just as illusory as Allied's.

Finally, the Attorney General points to an offer by AHMC Healthcare, Inc. ("AHMC Healthcare") to purchase St. Francis. The Attorney General is correct that AHMC submitted a qualified bid to purchase St. Francis. However, even assuming that AHMC would follow through on its prior bid to purchase St. Francis, that still would not prevent the closure of St. Vincent, Seton, and Seton Coastside. As discussed above, the Debtors lack sufficient cash to continue operating all four Hospitals during the time it would take for a sale of St. Francis to close. The Debtors would be required to close St. Vincent, Seton, and Seton Coastside to conserve the cash necessary to operate St. Francis during the sale process.

It is against this backdrop that the Debtors move for authorization to sell the Hospitals free and clear of the Additional Conditions, pursuant to § 363(f). The Debtors argue that the Additional Conditions constitute an "interest in property" within the meaning of § 363(f), and that a sale free and clear of the 2019 Conditions may be authorized under § 363(f)(1), (4), or (5), for the following reasons:

- Pursuant to § 363(f)(1), the Hospitals may be sold under applicable nonbankruptcy law, because under California law, the purchaser of assets does not assume successor liability.
- Pursuant to § 363(f)(4), the validity of the Additional Conditions is subject to a *bona fide* dispute, because the Attorney General abused his discretion in imposing the Additional Conditions.

³ For a description of the difficulties associated with closing a much smaller hospital, see *In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 829 (Bankr. C.D. Cal. 2017), *appeal dismissed*, No. 2:16-BK-17463-ER, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018).

⁵ *Id.*

- Pursuant to § 363(f)(5), the Attorney General could be compelled to accept a money satisfaction of certain of the Additional Conditions, such as the condition that SGM provide specified levels of charitable care.

The Debtors assert that imposition of the Additional Conditions violates § 525, which prohibits government entities from discriminating against debtors who have failed to pay dischargeable debts when issuing licenses. According to the Debtors, the Additional Conditions constitute an attempt by the Attorney General to collect a dischargeable debt. The Debtors' theory is that Attorney General's refusal to approve the SGM Sale absent imposition of the Additional Conditions amounts to the discriminatory denial of licensure in contravention of § 525.

Finally, the Debtors request that the Court issue a writ of mandate compelling the Attorney General to approve the SGM Sale without imposition of the Additional Conditions, pursuant to Cal. Civ. Proc. Code § 1085 or § 1094.5. The Debtors assert that a writ of mandate is justified because the Attorney General abused his discretion by imposing the Additional Conditions.

The Committee supports the Motion. The Committee argues that prompt closing of the SGM Sale is the best means of insuring a distribution to unsecured creditors.

The Attorney General opposes the Motion. He disputes the Debtors' contention that the Hospitals may be sold under applicable nonbankruptcy law, or that a bona fide dispute exists as to the Attorney General's authority to impose the Additional Conditions. The Attorney General denies that he abused his discretion in imposing the Additional Conditions. He notes that he considered an extensive record in arriving at the Additional Conditions, and states that the Debtors' dislike of the Additional Conditions does not mean that imposing the conditions was an abuse of discretion.

Service Employees International Union, United Healthcare Workers-West ("SEIU-UHW"), which represents approximately 1,303 employees at St. Vincent and St. Francis, opposes the Motion. SEIU-UHW contends that the Additional Conditions are economically feasible for SGM.

The United Nurses Association of California/Union of Health Care Professional ("UNAC"), which represents approximately 900 registered nurses at St. Francis, urges SGM, the Attorney General, and the Debtors to explore prospects for a consensual resolution with respect to the Additional Conditions.

II. Discussion

Section 363(d)(1) authorizes non-profit entities, such as the Debtors, to sell estate assets only if the sale is "in accordance with nonbankruptcy law applicable to the transfer of property by" a non-profit entity. Section 541(f) similarly provides that property held by debtors that are § 501(c)(3) corporations under the Internal Revenue Code may be transferred, but "only under the same conditions as would apply if the debtor had not filed a case under this title." Section 363(b) authorizes the Debtors to sell estate property out of the ordinary course of business, subject to court approval. The Debtors must articulate a business justification for the sale. *In re Walter*, 83 B.R. 14, 19–20 (9th Cir. BAP 1988). Whether the articulated business justification is sufficient "depends on the case," in view of "all salient factors pertaining to the proceeding." *Id.* at 19–20. Section 363(f) provides that a sale of estate property may be "free and clear of any interest in such property of an entity other than the estate," provided that certain conditions are satisfied.

A. The Additional Conditions are an “Interest in Property” Within the Meaning of § 363(f)

As this Court has previously explained:

The Bankruptcy Code does not define the phrase “interest in ... property” for purposes of § 363(f). The Third Circuit has held that the phrase “interest in ... property” is “intended to refer to obligations that are connected to, or arise from, the property being sold.” *Folger Adam Sec., Inc. v. DeMatteis/MacGregor JV*, 209 F.3d 252, 259 (3d Cir. 2000). That conclusion is echoed by *Collier on Bankruptcy*, which observes a trend in caselaw “in favor of a broader definition [of the phrase] that encompasses other obligations that may flow from ownership of the property.” 3 Alan N. Resnick & Henry J. Sommer, *Collier on Bankruptcy* ¶ 363.06[1] (16th ed. 2017).

Courts have held that interests in property include monetary obligations arising from the ownership of property, even when those obligations are imposed by statute. For example, in *Mass. Dep’t of Unemployment Assistance v. OPK Biotech, LLC (In re PBBPC, Inc.)*, 484 B.R. 860 (1st Cir. BAP 2013), the court held that taxes assessed by Massachusetts under its unemployment insurance statutes constituted an “interest in ... property.” The taxes were computed based on the Debtor’s “experience rating,” which was determined by the number of employees it had terminated in the past. *Id.* at 862. Because the Debtor had terminated most of its employees prior to selling its assets, its experiencing rating, and corresponding unemployment insurance tax liabilities, were very high. *Id.* The *PBBPC* court held that the experience rating was an interest in property that could be cut off under § 363(f). *Id.* at 869–70. Similarly, in *United Mine Workers of Am. Combined Benefit Fund v. Leckie Smokeless Coal Co. (In re Leckie Smokeless Coal Co.)*, 99 F.3d 573, 581, the court held that monetary obligations imposed by the Coal Industry Retiree Health Benefit Act of 1992 constituted an “interest in ... property” within the meaning of § 363(f).

In re Gardens Reg’l Hosp. & Med. Ctr., Inc., 567 B.R. 820, 825–26 (Bankr. C.D. Cal. 2017), appeal dismissed, No. 2:16-BK-17463-ER, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018) (“*Gardens P*”).

The Additional Conditions are an “interest in property” within the meaning of § 363(f). First, the Additional Conditions are monetary obligations arising from the ownership of property. Similar to the “experience rating” at issue in *PBBPC, Inc.*, the Additional Conditions were calculated based upon the Hospitals’ prior operating history. Among other things, the Additional Conditions require that SGM cause the Hospitals to provide specified levels of healthcare services. The required service levels have been set based upon the Hospitals’ historical operations. For example, the Additional Conditions require that St. Francis “maintain and provide 24-hour emergency and trauma medical services at no less than current licensure and designation with the same types and/or levels of services”⁶ St. Francis is required to maintain cardiac services, critical care services, neonatal intensive services, women’s health services, cancer services, pediatric services, orthopedic and rehabilitation services, wound care services, behavioral health services, and perinatal services, all at “current licensures, types, and/or levels

⁶ St. Francis Conditions at § IV [Doc. No. 3188, Ex. B].

of services.”⁷ St. Vincent, Seton, and Seton Coastside are also required to maintain various healthcare services at current levels.⁸

Second, the Attorney General’s statutory authority to impose the Additional Conditions arises from the Debtors’ operation of the Hospitals as non-profit entities. Had the Debtors not operated the Hospitals in this manner, there could be no contention that the SGM Sale is subject to the Attorney General’s review pursuant to Cal. Corp. Code § 5914. In this sense as well, the Additional Conditions “arise from the property being sold,” *In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003), and therefore qualify as an “interest in ... property” within the meaning of § 363(f).

Third, the Attorney General is barred by the law of the case doctrine from asserting that the Additional Conditions are not an “interest in ... property.” “Under the ‘law of the case’ doctrine, a court is ordinarily precluded from reexamining an issue previously decided by the same court, or a higher court, in the same case.” *Richardson v. United States*, 841 F.2d 993, 996 (9th Cir.), *amended*, 860 F.2d 357 (9th Cir. 1988). “For the doctrine to apply, the issue in question must have been ‘decided explicitly or by necessary implication in [the] previous disposition.’” *United States v. Lummi Indian Tribe*, 235 F.3d 443, 452 (9th Cir. 2000).

In connection with the Santa Clara Sale, the Court addressed the exact issue presented here—whether conditions that the Attorney General sought to impose upon the sale constituted an “interest in ... property” for purposes of § 363(f).⁹ The Attorney General litigated the issue, and the Court overruled the Attorney General’s arguments.¹⁰ The Attorney General voluntarily dismissed his appeal of the order finding that the conditions he sought to impose were an “interest in ... property.” The law of the case doctrine bars relitigation of the issue.

The doctrine of issue preclusion is a further bar to any attempt by the Attorney General to contest the Additional Conditions’ status as an “interest in ... property.” As explained by the Supreme Court, issue preclusion forecloses “‘successive litigation of an issue of fact or law actually litigated and resolved in a valid court determination essential to the prior judgment,’ even if the issue recurs in the context of a different claim.” *Taylor v. Sturgell*, 553 U.S. 880, 892, 128 S. Ct. 2161, 2171, 171 L. Ed. 2d 155 (2008) (internal citations omitted). The doctrine protects “against ‘the expense and vexation attending multiple lawsuits, conserve[s] judicial resources, and foster[s] reliance on judicial action by minimizing the possibility of inconsistent decisions.’” *Id.* Issue preclusion applies if “(1) the issue at stake was identical in both proceedings; (2) the issue was actually litigated and decided in the prior proceedings; (3) there was a full and fair opportunity to litigate the issue; and (4) the issue was necessary to decide the merits.” *Howard v. City of Coos Bay*, 871 F.3d 1032, 1041 (9th Cir. 2017).

⁷ *Id.* at § VI.

⁸ *See* St. Vincent Conditions at § VI (setting forth a list of healthcare services that St. Vincent must maintain at current levels); *see also* Seton and Seton Coastside Conditions at § VI (same).

⁹ *See Verity I*, 598 B.R. at 293 (“The Conditions [imposed by the Attorney General] are an ‘interest in property’ within the meaning of § 363(f). The Conditions provide that any owner of the Hospitals must furnish specified levels of emergency services, intensive care services, cardiac services, and various other services. The required service levels were derived based upon the historical experience of the prior operator. As such, the Conditions are monetary obligations arising from the ownership of property.”).

¹⁰ *See generally Verity I*.

The Attorney General has litigated the issue presented here, both in connection with the Santa Clara Sale and in connection with a sale in *Gardens I* (the “Gardens Sale”). Just as he did in the Santa Clara Sale, the Attorney General claimed in the Gardens Sale the regulatory authority to impose conditions. The Court found that the Attorney General’s claim to regulatory authority was an “interest in ... property” for purposes of § 363(f). *Gardens I*, 567 B.R. at 826. The Attorney General is precluded from relitigating the issue of whether his claimed authority to impose conditions on the SGM Sale is an “interest in ... property.”

B. The Debtors May Sell the Hospitals Free and Clear of the Additional Conditions Pursuant to § 363(f)(1)

Sale of the Hospitals may be free and clear of the Additional Conditions only upon satisfaction of one or more of the five disjunctive sub-factors set forth in § 363(f). Under § 363(f)(1), a sale free and clear may be approved if permitted by applicable nonbankruptcy law.

Applicable nonbankruptcy law permits a sale free and clear for two reasons. First, the Attorney General’s attempt to impose the Additional Conditions upon SGM is equivalent to an attempt to impose successor liability upon SGM. California law does not authorize the imposition of successor liability upon SGM. Second, even if the Attorney General were authorized to impose successor liability under California law, the Attorney General abused his discretion in imposing the Additional Conditions, meaning that the Additional Conditions must be set aside.

1. California Law Does Not Authorize the Attorney General to Impose Successor Liability Upon SGM

i. The Additional Conditions Qualify as Successor Liability

The Attorney General’s attempt to impose the Additional Conditions upon SGM qualifies as an attempt to impose successor liability upon SGM. The reason is that the Additional Conditions impose upon SGM many of the same obligations imposed upon the Debtors by the 2015 Conditions. By attempting to enforce the Additional Conditions, the Attorney General is attempting to enforce the obligations imposed by the 2015 Conditions against SGM.

It is true that the 2015 Conditions are not identical to the Additional Conditions. Some medical services required under the 2015 Conditions are no longer required under the Additional Conditions. And unlike the 2015 Conditions, the Additional Conditions do not impose obligations to fund pension plans. But for the most part the Additional Conditions reinstate obligations imposed by the 2015 Conditions. For example, both the 2015 Conditions and the Additional Conditions require that St. Francis maintain cardiac services, including designation as a STEMI Receiving Center; critical care services, including a minimum of 36 intensive care unit beds; neonatal intensive care services, including a minimum of 29 neonatal intensive care beds; women’s health services, including women’s imaging services; cancer services, including radiation oncology; orthopedic and rehabilitation services; and wound care services. The Additional Conditions do not reinstate St. Francis’ obligation to maintain advanced certification as a Primary Stroke Center, and the Additional Conditions reduce St. Francis’ pediatric services obligation from 14 beds to 5 beds.

The 2015 Conditions required St. Francis to maintain the specified healthcare services for ten years from the date of the closing of the Restructuring Agreement. The Additional Conditions

require that the specified services be maintained for ten years from the date of the closing of the APA. That is, the Additional Conditions extend the term of the 2015 Conditions by approximately six years.

Considered within the overall scope of the obligations imposed, the differences between the 2015 Conditions and the Additional Conditions are comparatively inconsequential. The Attorney General relies upon these minor differences in support of his argument that the Additional Conditions do not impose successor liability. Such reliance is misplaced. The Additional Conditions still qualify as successor liability even though they are not exactly identical to the 2015 Conditions. Nor does the extension in the term of the reinstituted obligations remove the Additional Conditions from the category of successor liability.

The Attorney General argues that the Additional Conditions do not impose successor liability because they are SGM's own obligations, going forward from the date of the sale. According to the Attorney General, the Additional Conditions are based upon healthcare impact reports prepared for each Hospital. The Attorney General asserts that it is not surprising that the Additional Conditions resemble the 2015 Conditions, which are only four years old and relate to the same Hospitals and communities. Citing *In re General Motors Corp.*, 407 B.R. 463, 508 (Bankr. S.D.N.Y. 2009), the Attorney General analogizes the Additional Conditions to the environmental remediation liabilities that would remain the obligation of a purchaser of contaminated real estate.

These arguments are not persuasive. In *General Motors*, the environmental remediation obligations were not successor liability because any entity purchasing contaminated property would have an obligation to comply with environmental law:

Under section 363(f), there could be no successor liability imposed on the purchaser for the [seller's] ... monetary obligations related to cleanup costs, or any other obligations that were obligations of the seller. But the purchaser would have to comply with its environmental responsibilities starting with the day it got the property, and if the property required remediation as of that time, any such remediation would be the buyer's responsibility Those same principles will be applied here. Any Old GM properties to be transferred will be transferred free and clear of successor liability, but New GM will be liable from the day it gets any such properties for its environmental responsibilities going forward.

In re Gen. Motors Corp., 407 B.R. 463, 508 (Bankr. S.D.N.Y. 2009).

There is a key difference between the contaminated property at issue in *General Motors* and the Hospitals at issue here. Any entity that purchased the contaminated property at issue in *General Motors* would have been required to comply with environmental regulations going forward. A purchaser's duty to comply with environmental regulations would not vary based upon the identity of the purchaser or the identity of the seller. Here, by contrast, whether a purchaser is obligated to comply with Attorney General conditions can vary, depending upon either the identity of the purchaser or the identity of the seller. There is no general obligation imposed upon an entity that purchases a hospital in the State of California to operate that hospital in accordance with conditions asserted by the Attorney General. The Attorney General's regulatory authority applies only to non-profit hospitals, and only to certain types of sale transactions. Had the Hospitals been sold to a public entity, such as the County of Los Angeles, the Attorney General could not have reviewed the sale. See *Verity I*, 598 B.R. at 294 (holding

that Cal. Corp. Code § 5914 did not apply where non-profit hospitals were sold to a public entity). Had the Hospitals been operated by a for-profit entity, the Attorney General could not have reviewed the sale. *See* Cal. Corp. Code § 5914(a) (requiring only nonprofit corporations to submit the sale of assets to Attorney General review).

Because the obligation to comply with the Additional Conditions is contingent upon the identity of the purchaser and the identity of the seller, the conditions cannot fairly be characterized as the purchaser's obligation to comply with applicable law on a going-forward basis. The Attorney General can claim authority to impose the Additional Conditions upon purchaser SGM only because the Debtors operated the Hospitals as non-profit entities. Since the Attorney General's alleged authority to impose the Additional Conditions derives from the manner in which the sellers operated the Hospitals, the Additional Conditions are appropriately characterized as successor liability.

ii. Successor Liability Cannot Be Imposed Under California Law

Under California law, the general rule is “that where a corporation purchases, or otherwise acquires by transfer, the assets of another corporation, the acquiring corporation does not assume the selling corporation's debts and liabilities.” *Fisher v. Allis-Chalmers Corp. Prod. Liab. Tr.*, 95 Cal. App. 4th 1182, 1188, 116 Cal. Rptr. 2d 310, 315 (2002). The general rule does not apply if “(1) there is an express or implied agreement of assumption, (2) the transaction amounts to a consolidation or merger of the two corporations, (3) the purchasing corporation is a mere continuation of the seller, or (4) the transfer of assets to the purchaser is for the fraudulent purpose of escaping liability for the seller's debts.” *Id.*

None of the exceptions to the general rule are present here. First, SGM has not agreed to assume the Additional Conditions, either expressly or by implication. Second, the SGM Sale is not a consolidation or merger of the Debtors and SGM. A sale transaction is a consolidation or merger of two corporations “where one corporation takes all of another's assets without providing any consideration that could be made available to meet claims of the other's creditors or where the consideration consists wholly of shares of the purchaser's stock which are promptly distributed to the seller's shareholders in conjunction with the seller's liquidation.” *Ray v. Alad Corp.*, 19 Cal. 3d 22, 28, 560 P.2d 3 (1977) (internal citations omitted). Neither factor applies. SGM is paying for the Hospitals in cash (not stock),¹¹ and that cash will be distributed to the Debtors' creditors through a plan of liquidation. Third, SGM is not a mere continuation of the Debtors. A purchaser is a mere continuation of a seller if there is inadequate consideration for the purchaser or if one or more persons are officers, directors, or stockholders or both corporations. *Id.* Consideration for the SGM Sale is adequate and no officers or directors of the Debtors are officers or directors of SGM.¹² Fourth, the Debtors are not selling the Hospitals for the purpose of escaping liabilities for their debts. In fact, the opposite is true—the objective of the SGM Sale is to generate proceeds to pay the Debtors' debts, to the extent possible. In sum, successor liability cannot be imposed on SGM under California common law.

Successor liability cannot be imposed under Cal. Corp. Code §§ 5914–5919. Cal. Corp. Code § 5914 authorizes the Attorney General to review transactions in which a non-profit healthcare

¹¹ *See* APA at § 1.1(a)(i) [Doc. No. 2305, Part 1].

¹² As nonprofit public benefit corporations, the Debtors do not have stockholders.

facility seeks to transfer a material amount of its assets to a for-profit entity, and provides in relevant part:

Any nonprofit corporation that is defined in Section 5046 and operates or controls a health facility, as defined in Section 1250 of the Health and Safety Code, or operates or controls a facility that provides similar health care, regardless of whether it is currently operating or providing health care services or has a suspended license, shall be required to provide written notice to, and to obtain the written consent of, the Attorney General prior to entering into any agreement or transaction to do either of the following:

(A) Sell, transfer, lease, exchange, option, convey, or otherwise dispose of, its assets to a for-profit corporation or entity or to a mutual benefit corporation or entity when a material amount of the assets of the nonprofit corporation are involved in the agreement or transaction.

Cal. Corp. Code § 5914(a)(1) (West).

The “Attorney General shall have discretion to consent to, give conditional consent to, or not consent to” the transaction. Cal. Corp. Code § 5917.

Nothing within the statute authorizes the Attorney General to impose successor liability upon SGM, the for-profit entity that purchased the healthcare assets from the non-profit Debtors. Under the statute, the Attorney General is authorized to review transactions entered into by a “nonprofit corporation that ... operates or controls a health facility,” Cal. Corp. Code § 5914(a)(1), and to “consent to, give conditional consent to, or not consent to” any such transactions, Cal. Corp. Code § 5917. These provisions do not grant the Attorney General authority to impose going-forward obligations on the assets that are the subject of the transaction. That is, the statute does not provide that the healthcare assets themselves are subject to regulation by the Attorney General. Rather, it is the non-profit status of the entity operating the healthcare assets that triggers the Attorney General’s regulatory authority. Upon transfer of the healthcare assets from the non-profit entity to the for-profit entity, the Attorney General’s regulatory authority over the assets terminates.

The issue of the Attorney General’s authority to impose successor liability arose in the case of *La Paloma Generating Co.*, No. 16-12700, 2017 WL 5197116 (Bankr. D. Del. Nov. 9, 2017). In *La Paloma*, the debtor operated a power plant subject to a cap-and-trade emissions regulation. The regulation required “Covered Entities”—defined as entities engaging in operations that generated emissions—to surrender “Compliance Instruments” equal to the amount of emissions generated at specified times. At issue was whether a power plant could be sold “free and clear of, and without the purchaser assuming, any obligation to surrender compliance instruments under the California Cap-and-Trade Program for emissions generated by the Debtors and/or their facility during the period before the transfer of the assets.” *Id.* at *2. The court found that “[u]nder the Regulation, only entities—and not assets—are Covered Entities” subject to the obligation to surrender Compliance Instruments. *Id.* at *5. As a result, the court found, the debtors could sell the power plant free and clear of the surrender obligations, pursuant to § 363(f)(1). *Id.* at *8. The court reasoned that the regulation did not impose successor liability on the purchaser, because it imposed liability only on “Covered Entities,” and the purchaser would not become a Covered Entity until after it acquired the power plant. *Id.* at *7–*8. The regulation, the court held, was limited to Covered Entities, and could not be used to “impugn liability on the purchaser of ... the Covered Entity’s assets.” *Id.* at *8.

With respect to the imposition of successor liability, the statute at issue here operates in the same manner as the regulation examined in *La Paloma*. Similar to the regulation in *La Paloma*, Cal. Corp. Code § 5914–5919 permits the imposition of liability upon the Hospitals only because they are operated by a non-profit corporation. That is, independent of the fact that they are operated by a non-profit entity, nothing within Cal. Corp. Code § 5914–5919 authorizes the Attorney General to impose liabilities upon the Hospitals. Further, the Attorney General’s regulatory authority under the statute does not extend to for-profit entities. As was the case in *La Paloma*, Cal. Corp. Code § 5914–5919 does not authorized the Attorney General to impose liability upon the for-profit purchaser of the Hospitals.

The Attorney General argues that the statute’s implementing regulations authorize the imposition of successor liability. Specifically, the Attorney General points to Cal. Code Regs. Tit. 11, § 999.5, which provides in relevant part:

It is the policy of the Attorney General, in consenting to an agreement or transaction involving a general acute care hospital, to require for a period of at least five years the continuation at the hospital of existing levels of essential healthcare services, including but not limited to emergency room services. The Attorney General shall retain complete discretion to determine whether this policy shall be applied in any specific transaction under review.

Cal. Code Regs. tit. 11, § 999.5.

Significantly, the statute’s implementing regulations do not differentiate between Cal. Corp. Code §§ 5914–5919, which codifies the Attorney General’s authority to review transfers between a non-profit and a for-profit entity, and Cal. Corp. Code §§ 5920–5925, which codifies the Attorney General’s authority to review transfers between a non-profit entity and a different non-profit entity. Where assets are transferred between two different non-profit entities, the structure of the statute clearly provides the Attorney General the authority to impose successor liability.

The Court construes Cal. Code Regs. Tit. 11, § 999.5 as implementing Cal. Corp. Code §§ 5920–5925, not as implementing Cal. Corp. Code §§ 5914–5919. Cal. Corp. Code §§ 5920–5925 does authorize the imposition of successor liability, whereas Cal. Corp. Code §§ 5914–5919 does not. This construction is appropriate because it harmonizes the language of the regulation with the language of the statute, while still giving full effect to every part of the regulation. *See Butts v. Bd. of Trustees of California State Univ.*, 225 Cal. App. 4th 825, 835, 170 Cal. Rptr. 3d 604, 612 (2014) (“The rules of statutory construction also govern our interpretation of regulations promulgated by administrative agencies. We give the regulatory language its plain, commonsense meaning. If possible, we must accord meaning to every word and phrase in the regulation, and we must read regulations as a whole so that all of the parts are given effect.”).

Because the Attorney General’s authority to review the sale arises under Cal. Corp. Code §§ 5914–5919, the Attorney General cannot rely upon Cal. Code Regs. tit. 11, § 999.5, which implements Cal. Corp. Code §§ 5920–5925, as the basis for imposing successor liability upon SGM.

2. Even if California Law Allowed the Attorney General to Impose Successor Liability Upon SGM, the Attorney General Abused his Discretion in Imposing the Additional Conditions

Pub. L. No. 109-8, § 1221(e) (2005).¹³ See also *In re HHH Choices Health Plan, LLC*, 554 B.R. 697, 700 (Bankr. S.D.N.Y. 2016) (construing New York state law to determine the appropriate disposition of a non-profit debtor's assets).

i. The Attorney General's Imposition of the Additional Conditions is Subject to Judicial Review by Administrative Mandate

The Attorney General contends that administrative mandamus review is not available because the Additional Conditions were not issued subsequent to “a proceeding in which by law a hearing is required to be given, evidence is required to be taken, and discretion in the determination of facts is vested in the inferior tribunal.” Cal. Civ. Proc. Code § 1094.5(a). The Attorney General acknowledges that he conducted “public meetings ... to hear comments from interested parties” as required by Cal. Corp. Code § 5922. However, the Attorney General asserts that such public meetings were not “hearings” within the meaning of Cal. Civ. Proc. Code § 1094.5(a), because public comments were not presented under oath and no effort was made to determine the accuracy of the information offered by members of the public. The Attorney General’s position is that the Debtors are entitled only to traditional mandamus review under Cal. Civ. Proc. Code § 1085.

¹³ This provision of BAPCPA does not appear in the Bankruptcy Code itself.

The Court is not persuaded by the Attorney General's contention that administrative mandamus review is unavailable to the Debtors. In reviewing the SGM Sale, the Attorney General hired JD Healthcare, Inc. to prepare expert reports containing information on how the SGM Sale would affect the availability of healthcare services in the regions served by the Hospitals. The JD Healthcare expert reports contained recommendations regarding the conditions that the Attorney General should impose on the SGM Sale. Upon receiving the expert reports, the Attorney General asked the Debtors to respond to the conditions recommended by JD Healthcare. The Attorney General conducted public meetings, all of which were transcribed, at which members of the public commented on the SGM Sale. "[P]urely documentary proceedings can satisfy the hearing requirement of Code of Civil Procedure § 1094.5, so long as the agency is required by law to accept and consider evidence from interested parties before making its decision." *Friends of the Old Trees*, 52 Cal. App. 4th at 1391–92. A "trial-type hearing" is not necessary. *Id.* at 1392.

The Attorney General's review involved "the actual application of ... a rule to a specific set of existing facts." *Friends*, 52 Cal. App. 4th at 1389. The Attorney General received evidence from JD Healthcare, heard comments from members of the public, and elected to impose the Additional Conditions after considering all the evidence collected during the review process. The Attorney General's review of the SGM Sale was a quasi-judicial act subject to review by administrative mandate.

The Attorney General next asserts that administrative mandamus review is unavailable because the Debtors have failed to produce the complete administrative record supporting the Attorney General's decision. This contention is without merit. For purposes of administrative mandamus review, a partial record is sufficient if it "accurately represent[s] the administrative proceedings, provide[s] the reviewing court with an understanding of what occurred below, and enable[s] that court to undertake an independent judicial review of the administrative decision." *Elizabeth D. v. Zolin*, 21 Cal. App. 4th 347, 349, 25 Cal. Rptr. 2d 852 (1993). The record before the Court consists of the expert reports prepared by JD Healthcare, partial transcripts of public meetings conducted by the Attorney General, and various letters submitted by stakeholders. The record on file provides the Court with an understanding of reasons for the Attorney General's decision.

There are two tests for judicial review by administrative mandate. "The 'independent judgment' rule applies when the decision of an administrative agency will substantially affect a fundamental vested right." *Mann v. Dep't of Motor Vehicles*, 76 Cal. App. 4th 312, 320, 90 Cal. Rptr. 2d 277, 283 (1999). Under the "independent judgment" rule, the Court must "begin its review with a presumption of the correctness of administrative findings, and then, after affording the respect due to these findings, exercise independent judgment in making its own findings." *Fukuda v. City of Angels*, 20 Cal. 4th 805, 819, 977 P.2d 693, 701 (1999). "[T]he presumption provides the trial court with a starting point for review but it is only a presumption, and may be overcome. Because the trial court ultimately must exercise its own independent judgment, that court is free to substitute its own findings after first giving due respect to the agency's findings." *Id.*

"The 'substantial evidence' rule applies when the administrative decision neither involves nor substantially affects a vested right. The trial court must then review the entire administrative record to determine whether the findings are supported by substantial evidence and whether the agency committed any errors of law" *Mann*, 76 Cal. App. 4th 312, 320, 90 Cal. Rptr. 2d 277, 283 (1999).

ii. In Imposing the Additional Conditions, the Attorney General Abused His Discretion

Charitable, nonprofit health facilities have a substantial and beneficial effect on the provision of health care to the people of California, providing as part of their charitable mission uncompensated care to uninsured low-income families and under-compensated care to the poor, elderly, and disabled.

It is in the best interests of the public to ensure that the public interest is fully protected whenever the assets of a charitable nonprofit health facility are transferred out of the charitable trust and to a for-profit or mutual benefit entity.

The Attorney General has “discretion to consent to, give conditional consent to, or not consent to” the sale of a healthcare facility. Cal. Corp. Code § 5917. In exercising that discretion, the Attorney General “shall consider any factors that the Attorney General deems relevant,” including but not limited to whether any of the following apply:

- a) The terms and conditions of the agreement or transaction are fair and reasonable to the nonprofit corporation.
- b) The agreement or transaction will result in inurement to any private person or entity.

- c) Any agreement or transaction that is subject to this article is at fair market value. In this regard, “fair market value” means the most likely price that the assets being sold would bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and in their own best interest, and a reasonable time being allowed for exposure in the open market.
- d) The market value has been manipulated by the actions of the parties in a manner that causes the value of the assets to decrease.
- e) The proposed use of the proceeds from the agreement or transaction is consistent with the charitable trust on which the assets are held by the health facility or by the affiliated nonprofit health system.
- f) The agreement or transaction involves or constitutes any breach of trust.
- g) The Attorney General has been provided, pursuant to Section 5250, with sufficient information and data by the nonprofit corporation to evaluate adequately the agreement or transaction or the effects thereof on the public.
- h) The agreement or transaction may create a significant effect on the availability or accessibility of health care services to the affected community.
- i) The proposed agreement or transaction is in the public interest.
- j) The agreement or transaction may create a significant effect on the availability and accessibility of cultural interests provided by the facility in the affected community.

Cal. Corp. Code § 5917 (West).

Nothing in the record indicates that SGM’s bid was other than for fair market value (factor (c)). The Hospitals were thoroughly marketed by Cain Brothers. SGM was the only bidder interested in purchasing the Hospitals. The Court must presume that a bid submitted after extensive marketing reflects the Hospital’s fair market value. *See Bank of Am. Nat. Tr. & Sav. Ass’n v. 203 N. LaSalle St. P’ship*, 526 U.S. 434, 457, 119 S. Ct. 1411, 1423, 143 L. Ed. 2d 607 (1999) (stating that “the best way to determine value is exposure to a market”).

There is no indication that SGM, or any other party, took any actions to decrease the value of the Hospitals (factor (d)). In view of the extensive marketing, the terms of the sale are fair and reasonable to the Debtors (factor (a)). There is no evidence that any of the parties involved in the SGM sale have engaged in any conduct that would amount to a breach of trust (factor (f)), or that the SGM Sale will inure to the benefit of any private person or entity (factor (b)). Nor has there been any suggestion that the Debtors failed to provide the Attorney General with sufficient information to evaluate the SGM Sale (factor (g)). Factor (e) does not apply, because the proceeds of the SGM Sale are fully encumbered by the claims of creditors, leaving no remaining equity that could be devoted to charitable purposes.

The remaining factors are (1) the effect of the SGM Sale on the accessibility of healthcare services (factor (h)) and cultural interests (factor (j)) in the affected communities and (2) whether the SGM Sale is in the public interest (factor (i)). Applying the independent judgment standard of review, the Court finds that in electing to impose the Additional Conditions, the Attorney General abused his discretion with respect to these factors.

By letter dated August 23, 2019 (the “August Letter”), the Debtors advised the Attorney General that if the Additional Conditions were imposed, SGM would not complete the sale and the most likely outcome would be the closure of St. Vincent, Seton, and Seton Coastside. The August Letter advised the Attorney General that SGM had submitted the only offer for the Hospitals, and that the “Debtors cannot sustain incurring ongoing operational losses to maintain

the going-concern value of St. Vincent and Seton without the realistic prospect of a purchaser.”¹⁴ The Debtors stated that upon the failure of the SGM Sale, they would be required to begin the process of closing St. Vincent, Seton, and Seton Coastsides “almost immediately.”¹⁵

Having overseen the Debtors’ bankruptcy cases since their inception, the Court has become intimately familiar with the Debtors’ operational and cash flow situation. As discussed above, the Debtors’ statements regarding the necessity of closing certain of the Hospitals upon the failure of the SGM Sale are not an idle threat.

Imposition of the Additional Conditions will dramatically reduce the availability of healthcare services by causing the closure of three of the four Hospitals. In addition to the loss of healthcare services, closure of the Hospitals will destroy approximately 2900 jobs. Closure of the Hospitals will require the relocation of many patients suffering from critical conditions. None of this is in the public interest.¹⁶

The Court understands that the Additional Conditions were imposed with the laudable objective of increasing the amount of healthcare services provided by the Hospitals. The Court can only assume that the Attorney General does not believe the representation that imposition of the Additional Conditions will result in a collapse of the SGM Sale. Unfortunately, the dire economic circumstances in which the Debtors now find themselves leaves the Court with no doubt that if the SGM Sale is not completed, three of the Hospitals will almost certainly close.

Because the Additional Conditions will reduce health care services by resulting in the closure of three of the Hospitals, imposition of the Additional Conditions was an abuse of the Attorney General’s discretion.

Outside of bankruptcy, the finding that the Attorney General abused his discretion would result in the entry of a judgment commanding the issuance of a peremptory writ of mandate, followed by the issuance of the writ. The writ would command the Attorney General to set aside the 2019 Conditions, and would further command the Attorney General to exercise his discretion with respect to the review of the SGM Sale in a lawful manner. *See, e.g., California Hosp. Assn. v. Maxwell-Jolly*, 188 Cal. App. 4th 559, 570, 115 Cal. Rptr. 3d 572, 581 (2010), *as modified on denial of reh’g* (Sept. 16, 2010).

BAPCPA § 1221(e) compels a different result inside bankruptcy. Section 1221(e) provides that the Court is not required “to remand or refer any proceeding, issue, or controversy to any other court or to require the approval of any other court for the transfer of property.” In *In re HHH Choices Health Plan*, the Bankruptcy Court relied upon BAPCPA § 1221(e) to conclude that it had the authority to interpret a New York law governing the transfer of the assets of a non-profit entity. The court observed that “[i]n the case of an insolvent not-for-profit corporation, section 511 of the New York Not-For-Profit Corporation Law ordinarily, would require the approval of the New York State Supreme Court for a transfer of assets.” *HHH Choices Health Plan*, 554 B.R. at 700. The court rejected arguments advanced by certain of the parties “that the

¹⁶ SEIU-UHW contends that it is economically feasible for SGM to operate the Hospitals while complying with the Additional Conditions. The record does not support SEIU-UHW’s contention. SGM was the only bidder willing to purchase the Hospitals and has stated unequivocally that it will not complete its purchase if the Additional Conditions are imposed. These facts show that the Additional Conditions render operation of the Hospitals economically infeasible.

ordinary state court procedures must still be followed” with respect to the transfer of the assets. *Id.* Instead, the court held that substantive state law requirements remained applicable, but that it was the Bankruptcy Court that had authority to apply those requirements. *Id.*

Pursuant to BAPCPA § 1221(e), and consistent with the ruling in *HHH Choices Health Plan*, the Court is not required to issue a judgment and writ commanding the Attorney General to set aside the 2019 Conditions, and is not required to remand these proceedings to allow the Attorney General to conduct a further review of the SGM Sale in light of the Court’s finding that the Attorney General abused his discretion. Instead, the Court is empowered to apply Cal. Corp. Code § 5914, and to determine the conditions under which the Debtors may sell the Hospitals to SGM.

Under the circumstances presented here, the only way that closure of three of the four Hospitals can be avoided is if a sale not subject to the Additional Conditions is approved. A decision by the Attorney General to not consent to the sale, or a decision to consent to the sale subject to conditions other than the Approved Conditions, would constitute an abuse of discretion. That is because SGM, the only entity willing to purchase and continue to operate the Hospitals, will do so only if it is permitted to operate the Hospitals in a manner consistent with the Approved Conditions.

In reaching this conclusion, the Court is not limiting or controlling the discretion vested in the Attorney General, in contravention of Cal. Code Civ. Proc. § 1094.5(f). The Hospitals have been financially distressed for years. A \$100 million capital infusion made in connection with the 2015 Restructuring Agreement failed to stabilize the Hospitals’ operations. A further capital infusion of \$148 million in 2017 failed to restore the Hospitals to financial health. This demonstrates that it was not possible to successfully operate the Hospitals subject to the 2015 Conditions. It should come as no surprise that no buyer exists that is willing to purchase and operate the Hospitals if operations are constrained by Additional Conditions that are substantially similar to the 2015 Conditions. The Attorney General’s continued attempts to impose conditions rendering sustainable operation of the Hospitals impossible amounts to an abuse of discretion.

The Attorney General contends that SGM, by refusing to purchase and operate the Hospitals subject to conditions other than the Approved Conditions, is attempting to divest the Attorney General of his regulatory authority by forcing him to accede to a transaction on SGM’s terms. This argument ignores the financial and operational realities facing the Hospitals. SGM’s refusal to accept the Additional Conditions is not an attempt to blackmail the Attorney General into approving the sale. Such refusal is instead dictated by economic reality.

iii. Even if the Attorney General’s Decision is Subject to Traditional Mandamus Review Under Cal. Civ. Proc. Code § 1085, Imposition of the Additional Conditions Was an Abuse of Discretion

Even if the Attorney General’s review of the sale transaction is a quasi-legislative decision, subject to traditional mandamus review under Cal. Civ. Proc. Code § 1085, the decision to impose the Additional Conditions was an abuse of discretion.

Under Cal. Civ. Proc. Code § 1085, a traditional mandate “may issue to correct the exercise of discretionary legislative power, *but only* if the action taken is so palpably unreasonable and arbitrary as to show an abuse of discretion as a matter of law.” *Carrancho v. California Air Res. Bd.*, 111 Cal. App. 4th 1255, 1265, 4 Cal. Rptr. 3d 536, 545 (2003) (emphasis in original). In reviewing quasi-legislative decisions, the “authority of the court is limited to determining

In sum, regardless of whether the Debtors are entitled to review of the Attorney General's decision under traditional mandamus or administrative mandamus, the Attorney General's decision to impose the Additional Conditions was an abuse of discretion. In the unique circumstances of this case, the Attorney General was required to consent to the SGM Sale without imposing the Additional Conditions. As a result, sale of the Hospitals to SGM free and clear of the Additional Conditions is authorized under applicable nonbankruptcy law. The Court approves the SGM Sale, free and clear of the Additional Conditions, pursuant to § 363(f)(1).

Under § 363(f)(4), the Hospitals may be sold free and clear of the Additional Conditions provided the Additional Conditions are “in bona fide dispute ...” A bona fide dispute exists if “there is an objective basis for either a factual or legal dispute as to the validity” of the interest at

¹⁷ Specifically, counsel for the Attorney General explained that in imposing the conditions, the Attorney General “is weighing the impact on the affected community, and making a determination as to what would be the best outcome for this community in order to ensure that it is not being adversely impacted, and not inappropriately losing access to these nonprofit hospitals” Hearing Transcript [Doc. No. 3416] at 24. Counsel further stated that the Attorney General’s “obligation is ... to do what’s needed to preserve access to healthcare, in particular for disadvantaged populations, which is clearly what we’re dealing with here.” *Id.* at 12.

issue. *In re Octagon Roofing*, 123 B.R. 583, 590 (Bankr. N.D. Ill. 1991). The court “court need not determine the probable outcome of the dispute, but merely whether one exists.” *Id.*

The Debtors dispute the Attorney General’s authority to impose the Additional Conditions, on the grounds that the (1) Additional Conditions attempt to impose successor liability in a manner not authorized under California law and that (2) the Attorney General abused his discretion in issuing the Additional Conditions. As discussed above, the Debtors have shown that the Attorney General cannot impose the Additional Conditions for both of these reasons. The Debtors have easily satisfied §363(f)(4), which does not require the Debtors to show that they will prevail upon the dispute—only that a dispute exists.

A bona fide dispute exists for yet another reason. The Debtors have shown that by imposing the Additional Conditions, the Attorney General violated § 525.

Section 525 provides in relevant part:

[A] governmental unit may not deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, deny employment to, terminate the employment of, or discriminate with respect to employment against, a person that is or has been a debtor under this title ... or another person with whom such ... debtor has been associated, solely because such ... debtor is or has been a debtor under this title ... or has not paid a debt that is dischargeable in the case under this title

In *In re Aurora Gas, LLC*, the court held that the State of Alaska violated § 525 by refusing to approve the debtor’s sale of oil and gas leases unless the purchaser posted a bond of \$6 million to pay for the cost of plugging abandoned wells that the purchaser was not acquiring. *In re Aurora Gas, LLC*, No. A16-00130-GS, 2017 WL 4325560 (Bankr. D. Alaska Sept. 26, 2017). The court held that by conditioning approval of the sale upon the posting of a bond, the State was attempting to collect upon the debtor’s obligation to pay for the costs of plugging the abandoned wells. Imposition of such a condition, the court found, constituted impermissible discrimination against the debtor and its affiliate, the purchaser of the gas leases, in violation of § 525.

The facts of this case are strikingly similar. Here, the Attorney General has conditioned approval of the SGM Sale upon SGM assuming the obligation to operate the Hospitals in accordance with conditions similar to the 2015 Conditions that are an obligation of the Debtors. As discussed, the Additional Conditions require that SGM maintain and operate the Hospitals at current licensure and service levels. The Additional Conditions amount to an attempt by the Attorney General to enforce the obligations imposed by the 2015 Conditions. The 2015 Conditions are liabilities that are dischargeable in bankruptcy. By conditioning the transfer of the Hospitals upon the assumption of the Additional Conditions, which impose obligations equal to or in excess of the 2015 Conditions, the Attorney General is impermissibly discriminating against the Debtors in violation of § 525.

The fact that the Additional Conditions can be characterized as a regulatory obligation does not change the analysis. Regulatory obligations such as the Additional Conditions qualify as a “debt” under the Bankruptcy Code’s broad definition of the term:

Under the Bankruptcy Code, “debt” means “liability on a claim,” 11 U.S.C. § 101(12), and “claim,” in turn, includes any “right to payment,” § 101(5)(A). We have said that “[c]laim” has “the broadest available definition,” *Johnson v. Home State Bank*, 501 U.S.

78, 83, 111 S.Ct. 2150, 115 L.Ed.2d 66 (1991), and have held that the “plain meaning of a ‘right to payment’ is nothing more nor less than an enforceable obligation, regardless of the objectives the State seeks to serve in imposing the obligation,” *Pennsylvania Dept. of Public Welfare v. Davenport*, 495 U.S. 552, 559, 110 S.Ct. 2126 (1990). See also *Ohio v. Kovacs*, 469 U.S. 274, 105 S.Ct. 705, 83 L.Ed.2d 649 (1985). In short, a debt is a debt, even when the obligation to pay it is also a regulatory condition.

F.C.C. v. NextWave Pers. Commc'ns Inc., 537 U.S. 293, 302–03, 123 S. Ct. 832, 839, 154 L. Ed. 2d 863 (2003).

D. The Debtors May Sell the Hospitals Free and Clear of Certain of the Additional Conditions Pursuant to § 363(f)(5)

Under § 363(f)(5), property may be sold free and clear of an interest, if the entity holding the interest “could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.”

An interest “that can be reduced to a specific monetary value” falls within the scope of § 363(f)(5). *In re Trans World Airlines, Inc.*, 322 F.3d 283, 291 (3d Cir. 2003); see also *In re Vista Marketing Grp. Ltd.*, 557 B.R. 630, 635 (Bankr. N.D. Ill. 2016) (“[O]ne would be hard-pressed to present a clearer example of a situation where the interest-holder could be compelled to accept a money satisfaction of its interest under subsection (f)(5) than the calculable monetary obligation asserted by the District in its surcharge bill and disconnection notice.”).

Among the Additional Conditions are requirements that each of the Hospitals provide specified levels of charity care and community benefit services. The Additional Conditions allow any shortfalls in charity care or community benefit services to be satisfied through deficiency payments to tax-exempt entities within the Hospitals’ service area. The charity care and community benefit obligations can easily be reduced to a specific monetary value. The Debtors may sell the Hospitals free and clear of these obligations pursuant to § 363(f)(5).

E. Section 363(d)(1) Does Not Bar the Sale

As noted, § 363(d)(1) provides that non-profit entities, such as the Debtors, may sell estate assets only if the sale is “in accordance with nonbankruptcy law applicable to the transfer of property by” a non-profit entity.

For the reasons discussed in Section II.B., above, the Debtors are authorized to sell the Hospitals, free and clear of the Additional Conditions, under applicable nonbankruptcy law.

Even if the Debtors were not authorized to sell the Hospitals free and clear under applicable nonbankruptcy law, § 363(d)(1) does not limit the Debtors’ ability to sell the Hospitals free and clear of the Additional Conditions under § 363(f)(4) or (5).¹⁸ Basic principles of statutory construction dictate this result. “Statutory construction ... is a holistic endeavor.” *United Sav. Ass’n of Texas v. Timbers of Inwood Forest Assocs., Ltd.*, 484 U.S. 365, 371, 108 S. Ct. 626, 630, 98 L. Ed. 2d 740 (1988). The Court must look “to the provisions of the whole law, and to its object and policy.” *John Hancock Mut. Life Ins. Co. v. Harris Tr. & Sav. Bank*, 510 U.S. 86, 94–

¹⁸ Under § 363(f)(4), the Debtors are authorized to sell the Hospitals free and clear of all of the Additional Conditions. See Section II.C., above. Under § 363(f)(5), the Debtors are authorized to sell the Hospitals free and clear of the charity care and community benefit obligations. See Section II.D., above.

95, 114 S. Ct. 517, 523, 126 L. Ed. 2d 524 (1993). Absent a “clear intention otherwise,” specific provisions addressing an issue apply instead of more generalized provisions covering the same issue. *Morton v. Mancari*, 417 U.S. 535, 550–51, 94 S. Ct. 2474, 2483, 41 L. Ed. 2d 290 (1974). This rule applies “regardless of the priority of enactment” of the provisions. *Id.*

Section 363(f) sets forth specific circumstances under which assets may be sold free and clear. Section 363(f) is not limited by a non-profit debtor’s general obligation under § 363(d)(1) to comply with nonbankruptcy law. The general requirement set forth in § 363(d)(1) makes no reference to § 363(f), which more specifically delineates the circumstances in which assets may be sold free and clear. Without a “clear intention otherwise,” *Morton*, 417 U.S. at 550–51, the general requirement of § 363(d)(1) does not repeal the specifics of free and clear sales under § 363(f), even though § 363(d)(1) was enacted subsequent to § 363(f).

F. Section 541(f) Does Not Bar the Sale

Section 541(f) provides:

Notwithstanding any other provision of this title, property that is held by a debtor that is a corporation described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code may be transferred to an entity that is not such a corporation, but only under the same conditions as would apply if the debtor had not filed a case under this title.

The Attorney General asserts that § 541(f)’s initial clause, “[n]otwithstanding any other provision of this title,” is broad enough to trump § 363(f). According to the Attorney General, § 541(f) requires that the SGM Sale comply with applicable California law. As a result, the Attorney General argues, the SGM Sale can occur only if SGM agrees to accept all of the 2019 Conditions, including the Additional Conditions.

The language of § 541(f) is similar, but not identical to, the language of § 363(d)(1). Section 363(d)(1) requires that non-profit entities transfer property “in accordance with nonbankruptcy law applicable to the transfer of property by” the non-profit entity; § 541(f) requires that such transfers occur “only under the same conditions as would apply if the debtor had not filed a case under this title.”

“[W]here Congress includes particular language in one section of a statute but omits it in another section of the same Act, it is generally presumed that Congress acts intentionally and purposely in the disparate inclusion or exclusion.” *Russello v. United States*, 464 U.S. 16, 23, 104 S. Ct. 296, 300, 78 L. Ed. 2d 17 (1983). Therefore, the Court cannot assume that § 541(f) has the same meaning as § 363(f). That is, § 541(f) cannot mean that the Debtors are required to transfer property “in accordance with nonbankruptcy law applicable to the transfer of [such] property,” since that is the language used in § 363(d)(1).

There is no legislative history to guide the Court in construing the phrase “under the same conditions” in § 541(f). Nor has the Court been able to locate any cases interpreting this section. In the absence of legislative history, phrases are construed in accordance with their “ordinary or natural meaning.” *F.D.I.C. v. Meyer*, 510 U.S. 471, 476, 114 S. Ct. 996, 1001, 127 L. Ed. 2d 308 (1994). According to *Roget’s 21st Century Thesaurus* (3d ed. 2013), a synonymous phrase for “under the same conditions” is “in these circumstances.”

Here, the Debtors have complied with § 541(f)’s mandate. That is, “[n]otwithstanding any other provisions” of the Bankruptcy Code, they have sought to transfer the Hospitals in the same

manner as the transfer would have occurred under applicable nonbankruptcy law. The Debtors submitted the transfer to the review of the Attorney General, paid for the expert healthcare impact statements required under the statute, and waited for 135 days for the Attorney General to review the transaction. The transfer has been subject to the same conditions that would have applied had the Debtors not sought bankruptcy protection.

Even if the Attorney General were correct that § 541(f) had the same meaning as § 363(d)(1), the Debtors would still be able to sell the Hospitals free and clear of the Additional Conditions, pursuant to § 363(f)(1), (4), and (5). Contrary to the Attorney General's contention, the "notwithstanding" clause does not mean that § 541(f) trumps § 363(f). The Ninth Circuit has held:

In examining specific statutes, we have not, however, always accorded universal effect to the "notwithstanding" language, standing alone. *See Or. Natural Res. Council v. Thomas*, 92 F.3d 792, 796 (9th Cir.1996) ("We have repeatedly held that the phrase 'notwithstanding any other law' is not always construed literally." (citing *E.P. Paup Co. v. Dir., Office of Workers Comp. Programs*, 999 F.2d 1341, 1348 (9th Cir.1993); *Kee Leasing Co. v. McGahan (In re The Glacier Bay)*, 944 F.2d 577, 582 (9th Cir.1991); *Golden Nugget, Inc. v. Am. Stock Exch., Inc.*, 828 F.2d 586, 588–89 (9th Cir.1987) (per curium))). Instead, we have determined the reach of each such "notwithstanding" clause by taking into account the whole of the statutory context in which it appears.

United States v. Novak, 476 F.3d 1041, 1046 (9th Cir. 2007).

Relying upon the "common-sense principle of statutory construction that sections of a statute generally should be read to give effect, if possible, to every clause," the Ninth Circuit has held that a "notwithstanding" provision should not be given its broadest possible interpretation if doing so would render other statutory provisions ineffectual. *Oregon Nat. Res. Council v. Thomas*, 92 F.3d 792, 797 (9th Cir. 1996).

According the "notwithstanding" clause the broad construction advocated by the Attorney General would render § 363(f) of the Bankruptcy Code ineffectual with respect to non-profit debtors. Section 541(f) was added to the Bankruptcy Code by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109-8, § 1221(e) ("BAPCPA"). BAPCPA made no changes to § 363(f). The Court cannot find that Congress intended § 541(f) to trump § 363(f) with respect to non-profit debtors.

G. The Court Certifies a Direct Appeal of its Decision to the Ninth Circuit Court of Appeals

Title 28 U.S.C. § 158(d)(2) provides that the Bankruptcy Court, acting on its motion, may certify a direct appeal of an order to the Court of Appeals if the order "involves a matter of public importance" or if an immediate appeal of the order will "materially advance the progress of the case or proceeding."

Certification is warranted here. The interplay between the sale provisions of the Bankruptcy Code and the authority of the Attorney General to regulate the sale of assets subject to a charitable trust is a matter of public importance. The issue has previously arisen in *Gardens I* and *Verity I*, and will continue to arise in future cases.

A direct appeal will materially advance the progress of the case. Closing of the SGM Sale is the lynchpin of the Debtors' plan of reorganization. However, under the APA, SGM is not

obligated to close the sale unless the Debtors obtain a final, non-appealable order authorizing a sale free and clear. The Debtors are facing severe liquidity constraints and cannot afford to continue to operate the Hospitals for much longer. A direct appeal will facilitate resolution of this case by providing certainty regarding the permissibility of a sale free and clear far sooner than would otherwise be possible. If the Court's order is upheld, SGM can proceed to close the sale. If not, the Debtors can commence shutting down St. Vincent, Seton, and Seton Coastside.

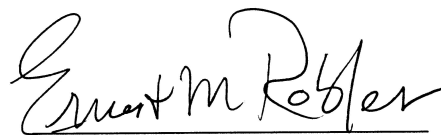

III. Conclusion

Based upon the foregoing, the Court finds that the Debtors may sell the Hospitals to SGM, free and clear of the Additional Conditions. The sale may proceed under applicable nonbankruptcy law pursuant to § 363(f)(1) because (1) the Additional Conditions qualify as successor liability that may not be imposed against SGM under California law and because (2) the Attorney General abused his discretion in attempting to impose the Additional Conditions, which therefore must be set aside. A bona dispute as to the Attorney General's authority to impose the Additional Conditions exists under § 363(f)(4), because the Debtors (1) have shown that the Additional Conditions are not authorized under California law and that (2) the attempted imposition of the Additional Conditions violates § 525. Pursuant to §363(f)(5), the sale is free and clear of the charity care and community benefit obligations, which can be reduced to a monetary valuation.

The Court will prepare and enter an order certifying this matter for a direct appeal to the Ninth Circuit. The Debtors shall submit an order granting the Motion within seven days of the issuance of this Memorandum of Decision.

STIPULATION

NOW, THEREFORE, all of the Parties to this Stipulation hereby conditionally stipulate and
agree as follows:

1. The Motion shall be granted by entry of the proposed order, attached hereto as
Exhibit "A", entitled *Order Granting "Debtors' Emergency Motion For The Entry Of An Order:

1 The Court, having considered the motion [Docket No. 3188] (the “Motion”)¹ filed by Verity
2 Health System of California, Inc. and the above-referenced affiliated debtors and debtors in
3 possession in the above captioned chapter 11 bankruptcy cases (collectively, the “Debtors”), the
4 response [Docket No. 3333] of the California Attorney General (the “Attorney General”), the
5 statement [Docket No. 3356] filed by Strategic Global Management, Inc. (collectively with its
6 affiliates, “SGM”), the reply [Docket No. 3382] filed by the Debtors, the stipulation [Docket No.
7 3572] by and among the Debtors and the Attorney General, and good cause appearing,

8 **HEREBY ORDERS AS FOLLOWS:**

- 9 1. The Motion is GRANTED.
- 10 2. The Court’s memorandum decision [Docket No. 3446] is hereby vacated and
11 withdrawn.
- 12 3. Solely and exclusively for purposes of the APA (as defined below) and the Motion,
13 the Additional Conditions (as defined in section 8.6 of that certain asset purchase agreement
14 [Docket No. 2305-1] (the “APA”)) are an “interest in property” for purposes of 11 U.S.C. § 363(f),
15 and the Assets (as defined in the APA) can be sold free and clear of the Additional Conditions
16 without the imposition of any other conditions which would adversely affect the Purchaser (as
17 defined in the APA).
- 18 4. This Court shall retain exclusive jurisdiction to adjudicate any disputes or
19 controversies regarding the interpretation or enforcement of this Order. Notwithstanding the
20 preceding sentence, nothing contained in this Order shall prohibit or limit the authority of the
21 Attorney General to enforce, in the California state courts and pursuant to section 5926 of the
22 California Corporations Code, the Purchaser Approved Conditions set forth on Schedule 8.6 to the
23 APA.

Strategic Global Management, Inc. (“SGM”) submits the following Objection to the “Order Granting Debtor’s Emergency Motion For The Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc.; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV) Granting Related Relief” [Doc. 3574] submitted by Verity Health System of California, Inc. and related and affiliated Debtors.

I.

INTRODUCTION

An enormous amount of time and expense has been incurred in the efforts of the Debtors, SGM, and other parties in interest, to reach an agreement for SGM’s purchase of 4 hospitals for a price of over \$600 Million, which will pave the way for confirmation of the Debtors’ Plan of Reorganization, and the continued operation of the hospitals, employment of thousands of people, and support of the communities they serve. Fundamental to that process has been the need to resolve the issue of whether and to what extent SGM would be obligated to perform or abide by conditions which the California Attorney General (“AG”) might attempt to impose as part of his approval process. In recognition of the history in other cases of the AG’s imposition of conditions that have had the effect of causing transaction to fail and hospitals to close, SGM bargained for protection such that it would not have to close this transaction if the conditions imposed by the AG were materially different (“Additional Conditions”) from that which SGM had agreed to accept. The provisions of the APA addressing this subject matter are contained in section 8.6.

The AG issued his Decision on September 25, 2019, in which the AG imposed Additional Conditions for his approval of the sale to SGM. The Debtors, with SGM’s support, filed its “Emergency Motion For The Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc.; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV)

1 Granting Related Relief” [Doc. 3188] requesting a determination, among other things, that the
2 sale to SGM was free and clear of such Additional Conditions. Following the conclusion of the
3 hearing on the Emergency Motion, this court filed its Memorandum Decision on October 23,
4 2019 [Doc. 3446] in which it granted the Emergency Motion and, recognizing the importance (if
5 not ground breaking nature) of its ruling, the Court certified its ruling for a direct appeal to the
6 U.S. Court of Appeals for the Ninth Circuit.

7 The AG has agreed to waive its right to appeal in exchange for the Court’s vacation of its
8 Memorandum Decision and entry of a form of order to which it consents. That proposed order
9 [Doc. 3574] attached as Exhibit A hereto (herein, the “AG Order”), is not acceptable to
10 SGM. While SGM remains fully committed to the transaction, fundamental to SGM’s rights as a
11 purchaser is the protection to which it is entitled under APA section 8.6 in the form of a clearly
12 and unambiguously written order which forecloses, to the extent possible, any disputes or
13 controversies as to SGM’s protection from such Additional Conditions, its right not to comply
14 with, perform or adhere to any of the Additional Conditions, and SGM’s ability to come to this
15 court if there are future disputes or controversies over the interpretation or enforcement of such
16 order. Rather than accomplish that end, the AG Order is muddled, obtuse, grammatically
17 ambiguous, and, if entered, will not provide SGM the clear and unequivocal protection to which it
18 is entitled and which SGM believes the court intended it to have. Fortunately, these deficiencies
19 can be corrected, with no prejudice to the AG or to the Debtors.

20 Under the unique circumstances of this case including: (1) the removal from the record of
21 the Court’s Memorandum Decision, which thoroughly and comprehensively set forth the bases
22 for the Court’s ruling in granting the Motion, and (2) the profoundly important consequence of
23 the Court’s order on SGM’s future relationship with the AG for many years, in a transaction in
24 which SGM will be paying over \$600 Million, SGM is entitled to have a clearly-written,
25 unequivocal and unambiguous order that addresses the following subject matters which were not
26 fully and clearly provided for in the AG Order: (1) a definition of “Additional Conditions,” (2) a
27 clear statement as to what the “free and clear” terminology means as to the “Additional
28 Conditions,” and (3) a clear and unambiguous statement regarding this Court’s jurisdiction to

1 resolve disputes or controversies over the Order.

2 All of SGM's concerns over the AG Order can be fixed very simply and effectively by the
3 alternative order forth on Exhibit B hereto (the "SGM Order"). The use of the SGM Order, in
4 lieu of the AG Order, while providing necessary protection to SGM, will have no prejudicial
5 impact whatsoever on the AG or the Debtors. While SGM recognizes that one of the AG's goals,
6 in waiving its appeal and having the Court vacate its Memorandum Decision, is to limit, as much
7 as possible, a public record regarding this Court's significant decision concerning the
8 unenforceability of the Additional Conditions, the AG's goal of limiting the "collateral damage"
9 from this Court's ruling must give way to SGM's entitlement to a clearly stated, unambiguous
10 order which will avoid, or limit to the maximum extent, confusion and controversy over exactly
11 what this Court has decided.

12 Unfortunately, the AG's effort to avoid the precedential effect of this Court's ruling has
13 created an unnecessarily ambiguous order which may actually result in litigation between the AG
14 and SGM. The AG's verbatim extraction of specific language from § 8.6, while superficially
15 appealing, is grammatically unartful. Whether by design to obscure the outcome of the Court's
16 ruling or simply poor draftsmanship, the end result is an order that does not do justice to, or fairly
17 reflects, this Court's ruling and leaves SGM open to litigation.

18 II.

19 **THE CHANGES NECESSARY TO PROTECT THE INTEREST OF SGM,** 20 **CAN BE MADE WITHOUT ANY PREJUDICE TO THE AG**

21 SGM's proposed alternative order, at Paragraph 2, which is the paragraph that addresses
22 the "free and clear" provision of the order, states as follows:

23 The Debtors' transfer to SGM of the Debtors' assets (the
24 "SGM Sale") pursuant to that certain Asset Purchase
25 Agreement [Docket No. 2305-1] (the "SGM APA") is free
26 and clear of, and shall not be subject to or conditioned upon
27 SGM's performance of, compliance with, or adherence to,
28 any and all Additional Conditions (as defined in the SGM
APA and in the Motion), pursuant to Bankruptcy Code §
363(b), (f1), and (f5) and otherwise is provided in the Sale
Order."

1 The foregoing language is entirely consistent with the Debtor’s Motion, this Court’s
2 Memorandum Decision and, most importantly, expressly states what “free and clear” means, i.e.
3 that SGM is not required to perform, comply with or adhere to the Additional Conditions.
4 Because the concept of a “free and clear” sale as applied to regulatory conditions is, to say the
5 least, unusual, SGM believes that it is critical that the Order contain language, which clarifies that
6 a sale free and clear of conditions means that SGM will not have to comply with them.
7 Otherwise, there could be some doubt, and later a dispute, about exactly what the term “free and
8 clear” means as applied to regulatory conditions. The whole purpose of the SGM’s negotiation of
9 its rights under § 8.6, and of the Debtor’s Emergency Motion to satisfy its obligation under § 8.6,
10 was to establish that SGM would not have to comply with the AG Conditions. There is no
11 legitimate reason why the AG should refuse to have such language included in the Order – unless
12 the AG desires to leave the Order ambiguous enough either to be able to “spin it” or to create a
13 basis for controversy.

14 The problem with the AG’s language, especially in comparison to that proposed by SGM,
15 are several fold. First, the prefatory words “Solely and exclusively for the purposes of the APA”
16 are unnecessary, not requested by the Debtor or SGM in the Motion, and are ambiguous. The
17 transfer of the Debtor’s assets free and clear of the Additional Conditions needs to be clearly and
18 unambiguously stated. What does “Solely and exclusively for purpose of the APA” mean? If the
19 AG wants language to the effect that this Order does not apply to some other transaction over
20 which the AG has approval authority, then the Order can provide such language.

21 The AG Order contains the additional verbiage addressing the critical issue of the sale
22 being free and clear of the Additional Conditions in an awkward and imprecise manner:

23 Solely and exclusively for purposes of the APA . . . the
24 Additional Conditions . . . are an “interest in property” for
25 purposes of 11 U.S.C. § 363(f) and the assets (as defined in
26 the APA) *can be* sold free and clear of the Additional
27 Conditions(Emphasis added.)

28 The use of the words “can be sold” does not expressively state that they “are being
transferred” free and clear. While the AG has adopted verbiage from § 8.6 of the APA, word for

word, those words do not translate clearly into a court order. There is no particular reason why the Order should use the phrase “can be sold” as opposed to “are being transferred” which is consistent with the Sale Order and is exactly what this Court decided when it granted the Emergency Motion.

Finally, this Court made no ruling as to the AG’s enforcement rights (and no such ruling was requested) and this Court should retain exclusive jurisdiction to resolve any disputes or controversies concerning its Order. The AG Order, after acknowledging the Bankruptcy Court’s exclusive jurisdiction, goes on to say:

“Notwithstanding the preceding sentence, nothing contained in this Order shall prohibit or limit the authority of the Attorney General to enforce, in the state courts and pursuant to section 5926 of the California Corporations Code, the Purchaser Approved Conditions set forth in Schedule 8.6 to the SGM APA.”

First, there is no basis, either in the Emergency Motion, the AG’s Opposition or the Memorandum Decision, for this Court to be ruling on the AG’s enforcement right, one way or the other, except with respect to the Additional Conditions. Second, the words “Notwithstanding the preceding sentence” obviously are meant to supersede the prior sentence and, since the prior sentence provided for the Bankruptcy Court’s “exclusive jurisdiction” over disputes pertaining to the Order, the AG Order would effectively trump that provision which or, at least create a “forum war” over future disputes. In light of the fact that a dispute could involve whether the AG is improperly attempting to enforce an “Additional Condition”, there should be no question that any such dispute should be heard in this Court, since it is this Court that has created the barrier against such enforcement.

The Court, having considered the motion [Docket No. 3188] (the “Motion”)¹ filed by Verity Health System of California, Inc. and the above-referenced affiliated debtors and debtors in possession in the above captioned chapter 11 bankruptcy cases (collectively, the “Debtors”), the response [Docket No. 3333] of the California Attorney General (the “Attorney General”), the statement [Docket No. 3356] filed by Strategic Global Management, Inc. (collectively with its affiliates, “SGM”), the reply [Docket No. 3382] filed by the Debtors, the stipulation [Docket No. 3572] by and among the Debtors and the Attorney General, and good cause appearing,

HEREBY ORDERS AS FOLLOWS:

1. The Motion is GRANTED.
2. The Court’s memorandum decision [Docket No. 3446] is hereby vacated and withdrawn.
3. Solely and exclusively for purposes of the APA (as defined below) and the Motion, the Additional Conditions (as defined in section 8.6 of that certain asset purchase agreement [Docket No. 2305-1] (the “APA”)) are an “interest in property” for purposes of 11 U.S.C. § 363(f). The Assets (as defined in the APA) are being sold free and clear of the Additional Conditions without the imposition of any other conditions which would adversely affect the Purchaser (as defined in the APA).
4. This Court shall retain exclusive jurisdiction to adjudicate any disputes or controversies regarding the interpretation or enforcement of this Order. Notwithstanding the preceding sentence, nothing contained in this Order shall prohibit or limit the authority of the Attorney General to enforce, in the California state courts and pursuant to section 5926 of the California Corporations Code, the Purchaser Approved Conditions set forth on Schedule 8.6 to the APA.

Debtors and Debtors in Possession.,

1820151191118000000000013

I. Introduction

The Debtors have filed a motion seeking (a) to continue the November 20, 2019 hearing on the Disclosure Statement and (b) to use the November 20 hearing as a Status Conference (the “Continuance Motion”).¹ The Debtors filed the Continuance Motion after being advised, on November 15, 2019, that Strategic Global Management, Inc. (“SGM”) would be sending the Debtors formal correspondence material to SGM’s agreement to purchase the Debtors’ four remaining hospitals (the “Hospitals,” and the sale transaction, the “SGM Sale”). As of the filing of the Continuance Motion, the Debtors had not received the SGM correspondence. The Continuance Motion did not specify the anticipated contents of the correspondence.

The Court will grant the Continuance Motion for the reasons set forth below. To facilitate an expeditious and successful resolution of these cases, the Court makes the findings and conclusions contained herein. The Court’s primary finding is that the Debtors have complied with their obligation under the APA² to obtain a final, non-appealable Supplemental Sale Order, and that accordingly SGM is now obligated to promptly close the SGM Sale, provided that all other conditions to closing have been satisfied.

II. Findings and Conclusions

A. SGM is Obligated to Promptly Close the Sale Under § 8.6 of the APA, Provided that All Other Conditions to Closing Have Been Satisfied

Prompt closing of the SGM Sale is indispensable to the successful resolution of these bankruptcy cases. The Debtors are sustaining operational losses of approximately \$450,000 per day. Operation of the Hospitals is being financed by a consensual cash stipulation executed between the Debtors and the principal secured creditors (the “Cash Collateral Stipulation”), which expires on December 31, 2019. The Debtors do not have the ability to borrow under any debtor-in-possession financing facility, and it is unclear whether the Debtors will be able to obtain alternative financing once the Cash Collateral Stipulation expires. In addition, the Debtors are facing very significant liquidity constraints. In late September 2019, the California Department of Health Care Services (the “DHCS”) began withholding certain Medi-Cal fee-for-service payments owed to the Debtors, for the purposing of recovering alleged Medi-Cal overpayments. The DHCS withholdings have deprived the Debtors of a major source of funding that had previously been used to sustain operations.

On February 6, 2019, the Court conducted a hearing to determine whether to approve the Asset Purchase Agreement (the “APA”) entered into between the Debtors and SGM, under which SGM had agreed to serve as the stalking-horse bidder for the auction of the Hospitals. The Court found that the termination rights granted to SGM in the APA were unduly broad. In response to the Court’s concerns, the Debtors renegotiated the APA to limit SGM’s termination rights. On February 19, 2019, the Court approved the renegotiated APA.³

The renegotiated provisions pertain to SGM’s ability to terminate the transaction in the event that the California Attorney General (the “Attorney General”) sought to impose conditions on the sale that were not substantially consistent with those conditions that SGM had agreed to accept (the “Purchaser Approved Conditions”). In the event that the Attorney General sought to impose conditions materially different from the Purchaser Approved Conditions (the “Additional

¹ Doc. No. 3621.

² Capitalized terms not defined in this section are defined below.

³ Doc. No. 1572.

Conditions”), the APA provides the Debtors an opportunity to obtain a determination from the Court that the Hospitals can be sold free and clear of the Additional Conditions under § 363(f) of the Bankruptcy Code (an order granting such relief, the “Supplemental Sale Order”).

The APA provides that once the Supplemental Sale Order becomes final and non-appealable, SGM “shall consummate the Sale provided that all other conditions to closing have been satisfied.” APA at ¶ 8.6. Because all parties with standing to appeal have waived their rights to do so, the Supplemental Sale Order is now final and non-appealable. Provided that all other conditions to closing have been satisfied, SGM is obligated to promptly close the sale.

SGM's argument that it is entitled to the Evaluation Period is not well taken. Under the plain language of the APA, SGM is entitled to the Evaluation Period only if the Supplemental Sale Order is the subject of a pending appeal:

⁴ Doc. No. 3611.

⁶ For a transcript of the hearing, see Doc. No. 3620.

the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. *If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied.*

APA at ¶ 8.6 (emphasis added).

At the February 6, 2019 hearing on approval of the APA, SGM made clear that the purpose of the Evaluation Period was to prevent it from being required to close the sale if there was a risk that the Supplemental Sale Order could be overturned on appeal. SGM further stated that it would be required to close the sale if the Supplemental Sale Order became final and non-appealable:

So, what we have done now is negotiate something less in our discretion. And the way this will work is the following. In the event that the AG comes out with what we call, “Additional Conditions,” meaning those that are not set forth on the schedule, and assuming that they are material, and we’ve defined what we mean by “material.”

The Debtor has an opportunity to come to court and attempt to get the Court to determine that those conditions don’t have to be satisfied because they’re “interests” and the sale can be free and clear.

If the Court—if the Debtor decides not to seek that relief, or if the [Debtor] seeks it and doesn’t get it, we have a right to terminate. We don’t have to, but we at least would have a right at that point to terminate based upon the imposition of these Additional Conditions.

If the Debtor is successful in obtaining that order, then we have to deal with the appeal risk, which is, again, very difficult to quantify. So what we’ve agreed on is that the Debtor is going to have a period of time to get us ... a final non-appealable order.

If the Debtor can get us a final, non-appealable order, meaning that if there’s an appeal, it gets resolved in the Debtor’s favor or maybe gets dismissed, at that point we will be obligated to close the transaction, as long as all the other conditions to closing have been satisfied.

Transcript of February 6, 2019 Hearing at 20:7–21:6 (emphasis added).⁷

SGM is judicially estopped from contending that it is entitled to the Evaluation Period and is not obligated to promptly close the sale.⁸ As the Supreme Court has held:

“[W]here a party assumes a certain position in a legal proceeding, and succeeds in maintaining that position, he may not thereafter, simply because his interests have changed, assume a contrary position, especially if it be to the prejudice of the party who has acquiesced in the position formerly taken by him.” This rule, known as judicial estoppel, “generally prevents a party from prevailing in one phase of a case on an argument and then relying on a contradictory argument to prevail in another phase.”

⁷ Doc. No. 1570.

⁸ The Court’s discussion assumes that all other conditions to closing have been satisfied.

New Hampshire v. Maine, 532 U.S. 742, 749, 121 S. Ct. 1808, 1814, 149 L. Ed. 2d 968 (2001) (internal citations omitted).

The Court declined to approve the original form of the APA because it found that SGM's termination rights were too expansive. The Court approved the APA only after the inclusion of the provision requiring SGM to close the sale if the Debtors obtained a final, non-appealable Supplemental Sale Order. SGM received a number of benefits under the APA, including a breakup fee and consultation rights in the event an auction was conducted. Having received benefits under the APA, SGM is judicially estopped from contradicting its prior representations regarding its obligation to close the sale.

B. The Continuance Motion is Granted

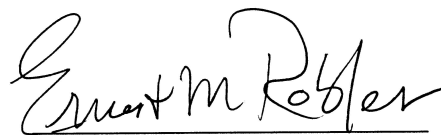

To the extent that the Continuance Motion was motivated by the dispute regarding SGM's obligations under § 8.6 of the APA, that dispute has been rendered moot by the findings set forth above. However, several objections to the Disclosure Statement Motion have been filed, and the Debtors have not yet had an opportunity to file a Reply to these objections. For that reason—and that reason alone—the Continuance Motion is granted.

The hearing on the Disclosure Statement Motion is **CONTINUED** from November 20, 2019, at 10:00 a.m. to **November 26, 2019, at 10:00 a.m.** The Debtors' Reply in support of the Disclosure Statement Motion shall be filed by no later than **November 21, 2019**.

The Court will enter an order consistent with this Memorandum of Decision.

On January 17, 2019, Verity Health System Of California, Inc. and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) filed the *Debtors’ Notice of Motion and Motion for the Entry of (I) an Order (i) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* [Docket No. 1279] (the “Sale Motion”). In the Sale Motion, the Debtors sought an order granting, among other things, authority to sell certain property free and clear of claims, interests, and encumbrances, pursuant to §§ 363(b) and (f) of title 11 of the United States Code (the “Bankruptcy Code”),¹ to Strategic Global Management, Inc. (“SGM”).

On March 22, 2019, the California Department of Health Care Services (“DHCS”) filed *Creditor California Department of Health Care Services’s Objection to Notice of Counterparties to Executory Contracts and Unexpired Leases of the Debtors That May Be Assumed and Assigned* [Docket No. 1879] (the “Initial DHCS Objection”). In the Initial DHCS Objection, the DHCS argued that the California Medical Assistance Program (“Medi-Cal”) Provider Agreements between the Debtors and DHCS (the “Provider Agreements”) could not be sold to SGM free and clear of claims, interests, and encumbrances.

On April 10, 2019, the Debtors filed the *Debtors’ Memorandum in Support of Entry of an Order: (A) Authorizing the Sale of Property Free and Clear of all Claims, Liens and Encumbrances; (B) Authorizing the Assumption and Assignment of Designated Executory Contracts and Unexpired Leases; and (C) Granting Related Relief* [Doc. No. 2115] (the “Sale Brief”) in support of the Sale Motion.

¹ Unless otherwise noted, all references to “§” and “section” herein are to sections of the Bankruptcy Code; all references to “Bankruptcy Rules” are to provisions of the Federal Rules of Bankruptcy Practice; all references to “LBR” are to provisions of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California.

On April 17, 2019, the Court held a hearing on the Sale Motion. On May 2, 2019, the Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Strategic Global Asset Management, Inc. Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306] (the "Sale Order"). Pursuant to the Sale Order, the Court granted the Sale Motion and continued the hearing the Initial DHCS Objection to determine whether the Sale Order effectuated a transfer of the Provider Agreements free and clear of claims, interests, and encumbrances. *See* Sale Order, ¶ 31 at 24-25. Further, the Court provided that "[n]othing in this Sale Order shall apply to Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and DHCS or a Court order resolving the DHCS's objections." *Id.* The Court set the continued hearing on June 5, 2019, at 4:10:00 a.m. (Pacific Time), which was ultimately continued to September 25, 2019, at 10:00 a.m. (Pacific Time) (the "Hearing"), by stipulation between the Debtors and DHCS. *See id.*; *see also* Docket Nos. 2278, 2377, 2606, 2686, 2856, 2928.

On September 11, 2019, the DHCS filed *Creditor California Department of Health Care Services's Supplemental Objection to (1) Debtors' Motion for Entry of an Order Authorizing the Sale of Property Free and Clear of All Claims, Liens, and Encumbrances; (2) Approving Form of Asset Purchase Agreement* [Docket No. 3043] (together with the Initial DHCS Objection, the "DHCS Objections").

On September 18, 2019, the Debtors filed the *Debtors' Reply to California Department of Health Care Services Objection to Debtors' Sale of Assets to Strategic Global Management* [Docket No. 3095] (the "Debtors' Reply"). On the same date, the Official Committee of Unsecured Creditors filed the *Official Committee of Unsecured Creditors' Reply to Creditor California Department of Health Care Services's Supplemental Objection to Sale* [Docket No. 3093] (the "Committee's Reply").

On September 25, 2019, at 10:00 a.m. (Pacific Time), the Court held the Hearing. Appearances were as set forth on the record of the Hearing.

On September 26, 2019, the Court filed its *Memorandum of Decision Authorizing Debtors to Sell Medi-Cal Provider Agreements, Free and Clear of Interests Asserted by the California Department of Health Care Services, Pursuant to § 363(f)(5)* [Docket No. 3146] (the “Memorandum Decision”), which is fully incorporated herein by this reference.

The Court, having considered the Sale Motion and the Sale Brief, the DHCS Objections, the Debtors’ Reply, the Committees’ Reply, **and the DHCS’ objection to the Debtors’ proposed form of order memorializing the relief granted in the Memorandum Decision [Docket No. 3330];** having considered the statements, arguments, and representations of counsel, as set forth on the record of the Hearing; incorporating herein by this reference the findings of fact and conclusions of law set forth in the Sale Order; and for the reasons set forth in the Memorandum Decision, which are fully incorporated herein by this reference,

HEREBY ORDERS AS FOLLOWS:

1. The Debtors are authorized to transfer the Provider Agreements to SGM, free and clear of claims, interests, and encumbrances pursuant to §§ 363(b) and (f)(5) and the Sale Order.
2. The DHCS Objections are overruled in their entirety.
3. The stay provided pursuant to Bankruptcy Rule 6004(h) is waived with respect to this Order and the Memorandum Decision.
4. DHCS shall not adjust, offset, **or lien or recoup** any payments owing to SGM and other SGM affiliates (collectively, “SGM Buyers”) which are assigned any rights in connection with the transfer of the Medi-Cal Provider Agreements for St. Francis Medical Center Provider Agreement No. 148769215; the St. Vincent Medical Center Provider Agreement No. 1124004304; the Seton Medical Center Provider Agreement No. 1154428688; and the St. Vincent Dialysis Center Provider Agreement No. CDC70030F, and all other Provider Agreements for any of the aforesaid Hospitals or Dialysis Center and the SGM acquisition of the Hospitals and St. Vincent Dialysis Center (collectively, the “Assets”) pursuant to the Sale Motion (“SGM Sale”) after the transfer of the Assets (the “Transfer Effective Date”), or make any claims against any of the SGM Buyers or any of their assets, including, without limitation, any assets acquired by any of the SGM Buyers pursuant to the SGM Sale, for any obligations, liabilities, claims or other interests against the

Debtors related to periods on or before the Transfer Effective Date (“Pre-Transfer Effective Date Liabilities”) including without limitation for Pre-Transfer Effective Date Liabilities under or related to (a) the Medi-Cal Program, and (b) without prejudice to the rights of the Debtors or the SGM Buyers as provided for in the Asset Purchase Agreement [Docket No. 2305-1] by and among the Debtors and SGM, the Hospital Quality Assurance Fees Program, California Welfare & Institutions Code, § 14169.52(a) et. seq. or similar or successor statutes (“HQAF Program”); **provided, however, that nothing in this paragraph shall be construed to limit whatever rights DHCS may or may not have to withhold, under principles of equitable recoupment, payments owed by DHCS to the Debtors and/or the SGM Buyers, for the purpose of recovering alleged Pre-Transfer Effective Date Liabilities under or related to the Medi-Cal Program and/or HQAF Program.²** None of the SGM Buyers shall be required to execute the Successor Liability Form, or otherwise assume or accept responsibility, for or with respect to any Pre-Transfer Effective Date Liabilities, in conjunction with the completion of the SGM Sale and to effectuate the assignment or other transfer of any Medi-Cal Provider Agreements to the SGM Buyers in connection with the SGM Sale, or otherwise as a condition or requirement for any of the SGM Buyers to participate in the Medi-Cal Program or the HQAF Program; **provided, however, that nothing in this paragraph shall be construed to limit whatever rights DHCS may or may not have to withhold, under principles of equitable recoupment, payments owed by DHCS to the Debtors and/or the SGM Buyers, for the purpose of recovering alleged Pre-Transfer Effective Date Liabilities under or related to the Medi-Cal Program and/or HQAF Program.³**

² The Memorandum Decision did not determine whether DHCS’ recoupment rights against SGM (if any) are extinguished by the transfer of the Provider Agreements free and clear of claims, interests, and encumbrances. *See* Memorandum Decision at 10 (“The Debtors request that the order on the Motion state that DHCS’ recoupment rights against SGM, if any, must be first exercised against payments due to the Debtors from Medi-Cal, then against funds held by the Debtors generated by past interim Medi-Cal payments, and then against any sale proceeds generated by the sale of the Provider Agreement. The issue of the applicability of recoupment subsequent to the sale of the Provider Agreements free and clear of claims and interests has not been sufficiently briefed. The Court declines to decide the issue at present, without prejudice to the ability of interested parties to raise the issue by way of motion.”).

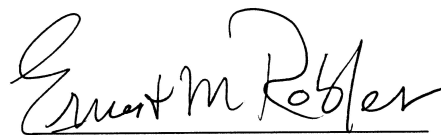

³ *See* footnote 2, above.

**STIPULATION RE: ASSUMPTION AND
ASSIGNMENT OF MEDI-CAL PROVIDER
AGREEMENTS TO STRATEGIC GLOBAL
MANAGEMENT, INC.**

[RELATED TO DOCKET NO. 2306]

SETTLEMENT AGREEMENT

This Settlement Agreement (the “Agreement”) is entered into by and among Verity Health System of California, Inc. (“Verity”), St. Francis Medical Center, a California nonprofit public benefit corporation (“SFMC”), St. Vincent Medical Center, a California nonprofit public benefit corporation (“SVMC”), St. Vincent Dialysis Center, a California nonprofit public benefit corporation, Seton Medical Center, a California nonprofit public benefit corporation (“SMC”, collectively with SFMC and SVMC, the “Hospital Debtors”, and the Hospital Debtors collectively with Verity, the “Debtors”), and the California Department of Health Care Services on its behalf and on behalf of the State of California (the “Department,” and collectively with the Debtors, the “Parties”).

RECITALS

Whereas, the Debtors own and operate those certain general acute care hospitals known as St. Francis Medical Center, St. Vincent Medical Center (including St. Vincent Dialysis Center) and Seton Medical Center (including its Seton Medical Center Coastside campus) (collectively, the “Hospitals”) and related assets.

Whereas, Medicaid is a cooperative federal-state program that authorizes the United States Government to provide funds to participating states to administer medical assistance to individuals whose income and resources are insufficient to meet the costs of necessary medical services. The program operates by authorizing the federal Centers for Medicare and Medicaid Services (“CMS”) to pay a percentage of the costs a state incurs for patient care. As a condition of receiving federal funds, the state complies with certain federal requirements. California participates in Medicaid through the California Medical Assistance Program (“Medi-Cal”), and has designated the Department as the agency responsible for its administration.

Whereas, the Hospitals have Medi-Cal provider agreements (“Medi-Cal Provider Agreements”) with the Department which enable them to receive Medi-Cal payments for services provided to Medi-Cal beneficiaries. The SFMC Provider Agreement is assigned no. 148769215;

1 the SVMC Provider Agreement is assigned no. 1124004304; and the SMC Provider Agreement is
2 assigned no. 1154428688.

3 Whereas, on August 31, 2018 (the “Petition Date”), the Debtors filed voluntary petitions
4 for relief, thereby commencing their bankruptcy cases (the “Bankruptcy Cases”), jointly
5 administered under Bankruptcy Case No. 2:18-bk-20151-ER, under chapter 11 of title 11 of the
6 United States Code (the “Bankruptcy Code”)¹ in the United States Bankruptcy Court for the
7 Central District of California, Los Angeles Division (the “Bankruptcy Court”).

8 Whereas, as described in the *Declaration of Richard Adcock in Support of Emergency*
9 *First-Day Motions* (the “Adcock Declaration”) [Docket No. 8], filed on August 31, 2018, the
10 Debtors have struggled financially to survive for decades, and currently sustain operational cash
11 flow losses of approximately \$175 million annually. The Debtors estimate that (a) secured claims
12 in these Bankruptcy Cases total more than \$602 million (including claims of various prepetition
13 secured creditors and monies owed for debtor-in-possession (“DIP”) financing obtained after the
14 Petition Date), and (b) the total of scheduled and filed unsecured claims, including pension
15 claims, may exceed \$1.500 billion.

16 Whereas, the Debtors have an signed and Bankruptcy Court approved Asset Purchase
17 Agreement and an order [Docket No. 2306] approving the sale of the Hospitals at a price of
18 approximately \$610 million, plus payment of “cure” costs associated with certain assumed leases
19 and/or assumed contracts, pursuant to § 363 (the “SGM Sale”) to Strategic Global Management,
20 Inc. and/or one or more of its affiliated entities, including the affiliates of SGM who will operate
21 the Hospitals (the “SGM Operating Affiliates”; with the Hospital Operating Affiliates, Strategic
22 Global Management, Inc. and other Strategic Global Management, Inc. affiliates which are
23 assigned any rights in connection with the SGM Sale being referred to herein collectively as
24 “SGM”).

25 Whereas, on February 19, 2019, the Bankruptcy Court entered its *Order (1) Approving*
26 *Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective*

27 _____
28 ¹ All references to “sections” or “§” herein are to sections of the Bankruptcy Code, unless

5 *And (II) An Order (A) Authorizing The Sale Of Property Free And Clear Of All Claims, Liens*
6 *And Encumbrances* [Docket No. 1572] the (“Bidding Procedures Order”).

7 Whereas, on March 5, 2019, the Debtors filed a *Notice of Counterparties to Executory*
8 *Contracts and Unexpired Leases of the Debtors That May Be Assumed and Assigned* [Docket No.
9 1704].

10 Whereas, on January 25, 2019, the Department filed its *Creditor California Department of*

12 *the Sale of Property Free and Clear of All Claims, Liens, and Encumbrances; (2) Approving*
13 *Form of Asset Purchase Agreement* [Docket No. 1353] which asserted that the Debtor had to
14 transfer the Medi-Cal Provider Agreements as executory contracts pursuant to § 365 (the
15 “DHCS Objection”). In the DHCS Objection, the Department asserted, among other things, that
16 it was owed the following amounts in connection with the Hospitals, as of January 23, 2019: (a)
17 St. Francis Medical Center - liability arising from the Hospital Quality Assurance Fees Program
18 (“HQA Fee”), California Welfare & Institutions Code, § 14169.52(a) et. seq., in the amount of
19 \$40,647,765.00; (b) St. Vincent Medical Center (including St. Vincent Dialysis Center) - HQAF
20 liability in the amount of \$27,164,168.86; and (c) Seton Medical Center (including its Seton
21 Medical Center Coastsides campus) – HQA Fee liabilities in the amount of \$31,967,260.98. In the
22 DHCS Objection, the Department did not reflect any obligations owed to it related to the Medi-
23 Cal fee-for-service payments in connection with the Hospitals.

1 executory contracts pursuant to § 365. In the DHCS March 22, 2019 Objection, the Department
2 asserted it was owed the following amounts in connection with the Hospitals, as of March 15,
3 2019: (a) St. Francis Medical Center – HQA Fee liability ee, and Medi-Cal Provider
4 Agreement sin the amount of \$30,381,769.53; (b) St. Vincent Medical Center (including St.
5 Vincent Dialysis Center) – HQA Fee liability in the amount of \$21,427,707.82; and (c) Seton
6 Medical Center (including its Seton Medical Center Coastside campus) – HQA Fee liabilities in
7 the amount of \$28,160,469.45. In the DHCS Objection, the Department did not reflect any
8 obligations owed to it related to the Medi-Cal fee-for-service payments in connection with the
9 Hospitals. However, the Department asserted in its Objection that the Debtors and/or the buyer
10 (through joint and several liability) must reimburse the Department for any Medi-Cal fee-for-
11 service overpayments and pay other debts owed to the Department.

12 Whereas, on March 29, 2019, the Department filed the following proofs of claim in the
13 Bankruptcy Cases: (a) against SVMC, assigned Claim No. 62-1, asserting that it is owed
14 \$5,287,280.73, based solely on the unpaid prepetition HQA Fees; (b) against SFMC, assigned
15 Claim No. 134-1, asserting that it is owed \$7,302,038.67, based solely on the unpaid prepetition
16 HQA Fees; and (c) against SMC, assigned Claim No. 66-1, asserting that it is owed \$
17 17,090,035.65, based solely on the unpaid prepetition HQA Fees.

18 Whereas, on May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing The*

23 Medical Center, St. Vincent Medical Center including the St. Vincent Dialysis Center, and Seton
24 Medical Center, including Seton Medical Center Coastside Campus) to Strategic Global
25 Management, Inc. (i.e. the SGM Sale). The Sale Order continued the hearing on the DHCS
26 Objection, and reserved judgment on issues related to the transfer of the Medi-Cal provider
27 agreements (i.e., whether the Medi-Cal provider agreement would be transferred as a statutory

2 Whereas, on September 11, 2019, the Department filed its *Creditor California*

4 *Entry of an Order Authorizing the Sale of Property Free and Clear of All Claims, Liens, and*
5 *Encumbrances; (2) Approving Form of Asset Purchase Agreement* [Docket No. 3043] which,
6 among things, asserted that the Debtor had to transfer the Medi-Cal Provider Agreements as
7 executory contracts pursuant to § 365. In the DHCS September 11, 2019 Objection, the
8 Department asserted it was owed the following amounts in connection with the Hospitals, as of
9 September 6, 2019: (a) St. Francis Medical Center – HQA Fee liability arising from the HQA Fee
10 Program, California Welfare & Institutions Code, § 14169.52(a) et. seq., and Medi-Cal Provider
11 Agreements in the amount of \$3,835,489.67; (b) St. Vincent Medical Center (including St.
12 Vincent Dialysis Center) – HQA Fee liability in the amount of \$6,565,679.74; and (c) Seton
13 Medical Center (including its Seton Medical Center Coastside campus) – HQA Fee liabilities in
14 the amount of \$16,927,759.87. In addition, in the DHCS September 11, 2019 Objection, the
15 Department claimed the following fee-for-service overpayments: (a) \$24,254,503.36 in fee-for-
16 service overpayments to St. Francis Medical Center for fiscal year July 1, 2016, through June 30,
17 2017, (b) \$4,205.25 for fee-for-service overpayments to Seton Medical Center for fiscal year July
18 1, 2016 through June 30, 2017, and (c) \$662,327.67 in overpayments to St. Francis Medical
19 Center for supplemental reimbursements under the Supplemental Reimbursement for
20 Construction Renovation Reimbursement Program. The September 11, 2019 supplemental
21 objection asserted that (i) the Debtors had to transfer the Medi-Cal Provider Agreements as
22 executory contracts pursuant to § 365; (ii) the Debtors had to pay all outstanding HQA Fee; (iii)
23 the Debtors or SGM would have to reimburse DHCS for any outstanding obligations between the
24 Debtors and DHCS; and (iv) the Debtors would have to escrow \$70 million for 36 months for any
25 potential overpayment which DHCS might subsequently discover, and SGM would have to
26 assume liability for the excess amount if \$70 million proved insufficient.

27 Whereas, on September 26, 2019, the Court entered its Memorandum Opinion [Docket
28

No. 3146] (the “Memorandum Opinion”) which expressly held that the provider agreements are not contracts, and therefore section 365 does not apply, and that the “Provider Agreements may be sold free and clear of the liabilities which DHCS contends attach to the Provider Agreements. This includes the alleged liabilities for approximately \$30 million in unpaid HQA Fees and \$25 million in Medi-Cal overpayments.”

Whereas, on October 11, 2019 the Bankruptcy Court entered an order [Docket No. 3372] (the “Medi-Cal Transfer Order”), which provides “DHCS shall not adjust, offset, lien or recoup any payments owing to SGM and other SGM affiliates (collectively, “SGM Buyers”) which are assigned any rights in connection with the transfer of the Medi-Cal Provider Agreements ... and the SGM acquisition of the Hospitals and St. Vincent Dialysis Center (collectively, the “Assets”) pursuant to the Sale Motion (“SGM Sale”) after the transfer of the Assets (the “Transfer Effective Date”), or make any claims against any of the SGM Buyers or any of their assets, including, without limitation, any assets acquired by any of the SGM Buyers pursuant to the SGM Sale, for any obligations, liabilities, claims or other interests against the Debtors related to periods on or before the Transfer Effective Date (“Pre-Transfer Effective Date Liabilities”) including without limitation for Pre-Transfer Effective Date Liabilities under or related to (a) the Medi-Cal Program, and (b) without prejudice to the rights of the Debtors or the SGM Buyers as provided for in the Asset Purchase Agreement [Docket No. 2305-1] by and among the Debtors and SGM, the Hospital Quality Assurance Fees Program, California Welfare & Institutions Code, § 14169.52(a) et. seq. or similar or successor statutes (“HQA Fee Program”); provided however, that nothing in this paragraph shall be construed to limit whatever rights DHCS may or may not have to withhold, under principles of equitable recoupment, payments owed by DHCS to the Debtors and/or the SGM Buyers, for the purpose of recovering alleged Pre-Transfer Effective Date Liabilities under or related to the Medi-Cal program and/or HQA Fee Program. None of the SGM Buyers shall be required to execute the Successor Liability Form, or otherwise assume or accept responsibility, for or with respect to any Pre-Transfer Effective Date Liabilities, in conjunction with the completion of the SGM Sale and to effectuate the assignment or other

1 transfer of any Medi-Cal Provider Agreements to the SGM Buyers in connection with the SGM
2 Sale, or otherwise as a condition or requirement for any of the SGM Buyers to participate in the
3 Medi-Cal Program or the HQA Fee Program, provided, however, that nothing in this paragraph
4 shall be construed to limit whatever rights DHCS may or may not have to withhold, under
5 principles of equitable recoupment, payments owed by DHCS to the Debtors and/or the SGM
6 Buyers, for the purpose of recovering alleged Pre-Transfer Effective Date Liabilities under or
7 related to the Medi-Cal program and/or HQA Fee Program.”

8 Whereas, the Department asserts that, in the aggregate, it is owed \$23,290,200.27 by
9 Seton Medical Center and St. Vincent (as of September 24, 2019) and \$13,528,354.37 by St.
10 Francis (as of September 24, 2019), all solely related to unpaid HQA Fees. Whereas, the Debtors
11 assert that all HQA Fees have been paid or will be paid in the ordinary course of business during
12 the Bankruptcy Cases and no amounts are presently due and owing to the Department.

13 Whereas, according to the Debtors' calculations, they currently have no outstanding
14 financial obligations to the Department for fee-for-service or supplemental overpayments
15 pursuant to the Medi-Cal Provider Agreements. However, the Debtors are aware that the
16 Department alleges the following obligations: (a) alleged obligations related to recent audit of
17 fiscal year 2016-2017 fee-for-service payments related to SFMC, and (b) alleged overpayment
18 findings by the Department with respect to the Medi-Cal electronic health records (“EHR”)
19 incentive payments of \$209,373 to SFMC and \$18,107 to SMC. With regard to the former,
20 Verity received audit findings alleging overpayments of \$25,176,471 for SFMC for the fiscal
21 period ending June 30, 2017, but believes these amounts to be grossly overinflated and an
22 unlawful overreach by the Department’s auditors. With regard to the latter, these amounts are
23 purportedly associated with an audit of the Hospitals’ first year of participating in the Medi-Cal
24 EHR program (2011) and the Debtors strongly dispute these findings.

25 Whereas, any outstanding financial obligations of the Hospital Debtors to the Department
26 for unpaid quality assurance fees or other fees owing under HQA Fee program relating to the
27 Hospitals that existed prior to the Medi-Cal Transfer Effective Date are referred to herein as the
28

Whereas, consistent with CMS’ approval of the private hospital directed payment program and of Hospital pass-through payments pursuant to 42 C.F.R. §438.6(d), the Department has agreed that the applicable Medi-Cal managed care plans serving Los Angeles County and San Mateo County (collectively, the “Plans”) should make the federally approved Medi-Cal managed care supplemental payments associated with dates of service on or prior to the Medi-Cal Transfer

1 Effective Date to the Hospital Debtors, which are eligible in connection with the Hospitals based
2 on their status as the private operators of the Hospitals for dates of service on or prior to the
3 Medi-Cal Transfer Effective Date.

4 Whereas, upon the SGM Sale of the Hospitals and effective as of Closing, the Hospital
5 Debtors and the SGM Operating Entities may enter into an Interim Management Agreement for
6 each of the Hospitals (collectively, the “IMAs”), if such SGM Operating Entities are unable to
7 obtain their own requisite general acute care hospital licenses issued by the California Department
8 of Public Health (“CDPH”) and pharmacy permits issued by the California State Board of
9 Pharmacy (“BOP”) (collectively the “New Licenses”) for the respective Hospital by Closing,
10 pursuant to which each SGM Operating Entity will manage the respective Hospital until it obtains
11 the New Licenses. The date by which all requisite New Licenses are issued for the Hospitals,
12 whether at Closing or thereafter, is referred to as the “Licensure Date.” For purposes of this
13 Stipulation, the Licensure Date shall also constitute the effective date of the transfer of the
14 Hospitals’ Medi-Cal Provider Agreements to the SGM Operating Entities (the “Medi-Cal
15 Transfer Effective Date”), even if the agreement concerning such assignment and assumption is
16 made as of the Closing.

17 Whereas, if the Hospital Debtors and the SGM Operating Entities enter into the IMAs, the
18 Hospital Debtors will maintain a possessory interest in the Hospitals and Hospitals’ premises
19 pursuant to a Leaseback Agreement effective as of Closing, and continuing until the Transfer
20 Effective Date.

21 Whereas, SGM Operating Entities will make offers of employment, effective as of
22 Closing, to substantially all of the Hospitals’ employees and, if the Hospital Debtors and the
23 SGM Operating Entities enter into IMAs, then the SGM Operating Entities may, for the term of
24 the IMAs, lease back to the Hospitals, as needed, any employees necessary to satisfy the
25 applicable regulatory requirements.

26 Whereas, if the Hospital Debtors and SGM Operating Entities enter into the Leaseback
27 Agreement and IMAs, the term of such agreements will run from the Closing until the date

1 immediately preceding Licensure Date (the “IMA Term”), at which time the Pharmacy Assets
2 will transfer to the SGM Operating Entities and the SGM Operating Entities will operate the
3 Hospitals pursuant to the New Licenses.

4 Whereas, SGM is willing to have the SGM Operating Entities acquire the Medi-Cal
5 Provider Agreements as of the Licensure Date, but in doing so SGM is unwilling to incur any
6 exposure for liability under the Medi-Cal Provider Agreements, or otherwise for any Medi-Cal
7 Claims, HQA Fee Claims, or False Claims, for goods and services provided, and otherwise for
8 actions or related to periods, prior to the Medi-Cal Transfer Effective Date, or to otherwise
9 assume any obligations or liabilities of the Debtors other than those expressly provided for in the
10 Purchase Agreement related to the SGM Sale.

11 Whereas, the Debtors and SGM expected the SGM Sale of the Hospitals to close on or
12 about December 5, 2019 (the “Closing”).

13 Whereas, on November 22, 2019, the Debtors and the Department reached an agreement
14 in principle concerning the foregoing.

15 Whereas, this Agreement will go in to effect immediately after Closing, and will be
16 effective as of the effective date of the Closing (“Effective Date”).

17 **NOW, THEREFORE**, pursuant to the agreements reached in connection therewith, and
18 in consideration of the mutual covenants, agreements and promises set forth herein, and for other
19 good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged,
20 the Parties, intending to be legally bound as provided for herein, hereby agree as follows.

21 **1. Definitions.**

22 **1.1** “Hospital Quality Assurance Fee” or “HQA Fee” program shall mean the program
23 established by article 5.230 of chapter 7 of part 3 of division 9 of the Welfare and Institutions
24 Code.

25 **1.2** “Medi-Cal managed care supplemental payments” shall mean the payments made
26 by Medi-Cal managed care plans pursuant to their contracts with the Department and in
27
28

1 accordance with Welfare and Institutions Code section 14169.57 that are either “Hospital directed
2 payments” or “Hospital pass-through payments.”

3 **1.3** “Hospital directed payments” means the Medi-Cal managed care supplemental
4 payments approved by CMS pursuant to Code of Federal Regulations, title 42, section 438.6(c).

5 **1.4** “Hospital pass-through payments” means the Medi-Cal managed care
6 supplemental payments approved by CMS pursuant to Code of Federal Regulations, title 42,
7 section 438.6(d).

8 **2. The Agreement.**

9
10 **2.1** The Debtors agree that the Debtors will (a) transfer the Medi-Cal Provider
11 Agreements to SGM pursuant to § 365, with the effective date of such transfer being on the Medi-
12 Cal Transfer Effective Date; (b) pay to the Department any unpaid HQA Fees, for Phases V and
13 VI of the HQA Fee Program that are due and owing as of the Medi-Cal Transfer Effective Date;
14 (c), as the “cure” required by § 365, allow the Department to recoup up to Ten Million Dollars
15 (\$10,000,000.00) (the “Allowed Offset Amount”) from payments otherwise owed to the Debtors
16 for fee-for-service medical care provided by the Debtors to Medi-Cal beneficiaries, provided,
17 however, that if the Department has offset more than the Allowed Offset Amount, any amounts in
18 excess will reduce, dollar for dollar, the Debtors’ obligation to pay, as set forth in subsection
19 2.1(d) below; and (d) allow the Department an allowed administrative expense claim pursuant to
20 § 503(b)(1)(A) in the amount of Thirty Million Dollars (\$30,000,000.00) (the “Medi-Cal
21 Settlement Amount”) payable pursuant to the following schedule: (i) Five Million Dollars
22 (\$5,000,000.00) upon Bankruptcy Court approval of this Settlement Agreement, but in no event
23 prior to the Effective Date; (ii) Fifteen Million Dollars (\$15,000,000.00) upon the Debtors receipt
24 of the funds currently escrowed pursuant to the sale of assets to Santa Clara County which is
25 expected to be released in or about March 2020; and (iii) Ten Million Dollars (\$10,000,000.00) to
26 be paid from funds paid to the Debtors pursuant to the Hospital Quality Assurance Fee program
27 and related to O’Connor Hospital and Saint Louise Regional Hospital which is expected to be
28 received by the Debtors on or before June 2021, to satisfy any and all Medi-Cal Claims, which

1 payment will be the Department's sole remedy for all such Medi-Claims arising for the period
2 prior to the Medi-Cal Transfer Effective Date. For the avoidance of doubt, the Allowed Offset
3 Amount and the Medi-Cal Settlement Amount are the cure amounts to be paid pursuant to § 365
4 for Medi-Cal Claims and constitute the sole remedies available to the Department for the
5 recovery of Medi-Cal Claims. The Department cannot otherwise seek payment from or recourse
6 against SGM or against any asset of SGM, including without limitation, any assets acquired by
7 SGM from the Debtors, for Medi-Cal Claims or HQA Fee Claims and any other liabilities that
8 were due and owing before the Medi-Cal Transfer Effective Date.

9 **2.2** The Parties agree to jointly request that the Bankruptcy Court vacate the
10 Memorandum Opinion and the Medi-Cal Transfer Order.

11 **2.3** The covenants of the Parties herein, including without limitation the preceding
12 agreements by the Debtors and the Department related to the Medi-Cal Settlement Amount, shall
13 be effective as of the Effective Date, provided that the Bankruptcy Court has approved this
14 Agreement and the Closing has occurred.

15 **2.4** The Department agrees that it will provide the Debtors and SGM, not later than
16 five (5) business days prior to the Medi-Cal Transfer Effective Date, a closing Medi-Cal payment
17 demand ("Medi-Cal Payment Demand") which sets forth the amount, if any, of Phases V and VI
18 HQA Fees that are due and owing as of the Medi-Cal Transfer Effective Date by the Debtors
19 pursuant to subsection 2.1(b) above in this paragraph. The Debtors shall pay to the Department
20 the amount reflected in the Medi-Cal Payment Demand as applicable, on or before the Medi-Cal
21 Transfer Effective Date, and upon such payment all HQA Fees that were due and owing before
22 the Medi-Cal Transfer Effective Date shall be deemed to have been fully paid, in full satisfaction
23 of Debtors' payment obligations pursuant subsection 2.1(b) of this Agreement. For the avoidance
24 of any doubt, the Department shall look solely to Debtors for the payment of all outstanding
25 Phases V and VI HQA Fees that are due and owing as of the Medi-Cal Transfer Effective Date.

26 **2.5** The Department agrees that the Debtors' commitment to (a) allow the Allowed
27 Offset Amount, and (b) pay the HQA Fees and Medi-Cal Settlement Amount referenced above

1 shall constitute a “cure” under § 365, and any otherwise applicable law, statute or regulation, of
2 all outstanding financial defaults arising under or in connection with the Medi-Cal Provider
3 Agreements and the services provided and requests for payment made thereunder through the
4 Medi-Cal Transfer Effective Date; provided, however, that SGM shall succeed to the quality
5 history associated with the relevant Provider Agreement assigned and shall be treated, for
6 purposes of survey and certification issues, as if it is the relevant owner and no change of
7 ownership occurred. For the avoidance of doubt, once the Medi-Cal Provider Agreements are
8 assigned to SGM (i.e. on the Medi-Cal Transfer Effective Date), the Department is authorized to
9 adjust all payments to SGM to account for the liabilities and any overpayments and
10 underpayments relating to services performed by SGM after the Medi-Cal Transfer Effective
11 Date and for HQA Fees that become due and owing after the Medi-Cal Transfer Effective Date.
12 Notwithstanding the foregoing or any other term in this Agreement, under no circumstances shall
13 the Department adjust, offset, or recoup any payments owing to SGM (including without
14 limitation the SGM Operating Entities) after the Medi-Cal Transfer Effective Date, or make any
15 claims against SGM (including without limitation the SGM Operating Entities) or any of their
16 assets, including, without limitation, any assets acquired by SGM from the Debtors, for any
17 Medi-Cal Claims and for any HQA Fee obligations that are due and owing before the Medi-Cal
18 Transfer Effective Date. SGM and its Operating Entities will not be liable for any Medi-Cal
19 Claims and for any HQA Fee obligations that are due and owing before the Medi-Cal Transfer
20 Effective Date. Provided the SGM Operating Entities file Provider Enrollment Applications
21 and/or the equivalent forms necessary to effectuate a facility change of ownership for Medi-Cal
22 purposes, the Department further agrees that SGM shall not be required to execute the Successor
23 Liability Form or Financial Responsibility Agreement for Medi-Cal Claims and HQA Fees that
24 were due and owing before the Medi-Cal Transfer Effective Date in conjunction with the
25 completion of the SGM Sale and to effectuate the assignment of the Medi-Cal Provider
26 Agreements to the SGM Operating Entities, and that the SGM Operating Entities shall
27 nonetheless be permitted to continue to bill for goods and services provided by the Hospitals

1 covered by Medi-Cal Provider Agreements through the IMA Term, and thereafter until the SGM
2 Operating Entities' enrollment in the Medi-Cal program are confirmed.

3 **2.6** Prior to the Medi-Cal Transfer Effective Date, all fee-for-service supplemental
4 payments made under the HQA Fee Program will be paid by the Department to the Hospital
5 Debtors at a designated account when due, without regard to the status of its respective license at
6 the time of the payment. After the Effective Date, all fee-for- service supplemental payments
7 made under the HQA Fee program will be paid to the SGM Operating Entities at the accounts
8 designated by the SGM Operating Entities, as long as the SGM Operating Entities file Provider
9 Enrollment Applications with the Department and/or the equivalent forms necessary to effectuate
10 a facility change of ownership for Medi-Cal purposes. However, the supplemental payments will
11 be paid only after the Debtors paid any and all HQA Fees for Phases V & VI that were due and
12 owing before the Medi-Cal Transfer Effective Date. The supplemental payments to be paid to the
13 Debtors will be deducted dollar-for-dollar for any HQA Fee balance that was due and owing
14 before the Medi-Cal Transfer Effective Date, provided however that no such deductions may be
15 made against payments due and owing to SGM after the Medi-Cal Transfer Effective Date.

16 **2.7** The Department expects the applicable Medi-Cal managed care plans, including
17 those serving Los Angeles County and San Mateo County, to make applicable Medi-Cal managed
18 care supplemental payments, which may include hospital directed payments and hospital pass-
19 through payments, to the Hospital Debtors for dates of service from January 1, 2017 to the
20 Effective Date for which they are eligible in connection with the Hospitals. The Department
21 expects the applicable Medi-Cal managed care plans, including those serving Los Angeles County
22 and San Mateo County, to make authorized Medi-Cal managed care supplemental payments,
23 which may include Hospital directed payments and Hospital pass-through payments, to the SGM
24 Operating Entities (which will be on behalf of the Hospital Debtors during the IMA Term if
25 applicable) for dates of service on or after the Effective Date for which they are eligible in
26 connection with the Hospitals.

2.8 The Department further agrees that the payments to be made pursuant to Section 2.1 above are in full satisfaction, discharge and release of any and all claims against the Debtors, and the Hospitals or SGM arising under or related to (a) the Medi-Cal Program, including without limitation all Medi-Cal Claims and the HQA Fee claims, and (b) the California False Claims Act, and related statutes, in each case for all for goods or services, and otherwise for actions or related to periods, on or before the Medi-Cal Transfer Effective Date , whether such claims are known or unknown, liquidated, or contingent (the “Settlement Release”). The Department further agrees that, in consideration for the commitment by Debtors to make the payments pursuant to Sections 2.1 and 2.4, and the Department’s resulting rights in relation thereto, the Settlement Release applies to, and is for the benefit of, SGM (including without limitation the SGM Operating Entities) without condition and whether or not the Debtors timely make such payments.

2.9 During the Bankruptcy Cases, and on and prior to the Medi-Cal Transfer Effective Date, the Department agrees to continue to pay the Hospital Debtors for Medi-Cal services by the Hospitals in accordance with federally approved State plan methodologies and customary trade terms, and the Hospital Debtors agree to continue to provide care to Medi-Cal beneficiaries at the Hospitals in accordance with the Medi-Cal Provider Agreements, and all applicable federal and state laws and regulations.

2.10 All avoidance actions and other causes of action arising under Chapter 5 of the Bankruptcy Code, including, but not limited to, claims or causes of action pursuant to §§ 547 and 548, that could be asserted by the Hospitals are waived by the Debtors, their bankruptcy estates, any and all successors, chapter 7 trustees, and any post-confirmation creditor litigation trust.

2.11 Debtors will waive and withdraw their appeal of the findings of the Department’s audit of SFMC’s cost report for fiscal year period July 1, 2016, through June 30, 2017. In addition, Debtors will waive any and all of its potential or existing rights to appeal the existing or potential audit findings and resulting Medi-Cal overpayment liabilities.

1 **2.12** Notwithstanding anything to the contrary in this Agreement, if the Debtors or the
2 Department are in breach of this Agreement, the respective party's sole remedy shall be the right
3 to seek to specifically enforce this agreement, including without limitation the Department's right
4 to seek the payments required pursuant to Section 2. No breaches by any Party shall give rise to a
5 right to terminate this Agreement by the other Parties, which termination rights are hereby waived
6 by the Parties to the fullest extent legally permissible. Notwithstanding the preceding or any
7 other term herein to the contrary, the rights, benefits, waivers and releases in favor of, or for the
8 benefit of, SGM provided herein shall in any case remain in full force and effect notwithstanding
9 any breach by the Debtors.

10 **2.13** Nothing in this Agreement shall affect any obligations of the Department, or the
11 rights of the SGM Operating Entities, with respect to the processing of the assignment of the
12 Medi-Cal Provider Agreements and/or enrollment of the SGM Operating Entities in the Medi-Cal
13 Program for the Hospitals, and the Hospitals' continued participation in the HQA Fee Program.

14 **2.14** The Bankruptcy Court has jurisdiction over any dispute arising from or relating to
15 this Agreement.

16 **2.15** Nothing contained in this Agreement is intended or shall be deemed to release,
17 waive or otherwise impair any claims of the Department or its successors or assigns, against: (1)
18 any insurance carrier of the Debtors; and (2) any person or entity released by any of the Parties to
19 the extent they are acting in any capacity other than in connection to their business dealings with
20 the Debtors. In addition, and for avoidance of doubt, nothing in this Agreement releases any
21 person or entity not identified or described in this Agreement as being a person or entity receiving
22 a release. SGM and its affiliates are entitled to the full benefit of all of the releases and other
23 terms contained in this Agreement without restriction, condition or limitation.

24 ///

1 **3. Miscellaneous Provisions.**

2 **3.1** The Parties executing this Agreement do so without admitting any fault or liability
3 whatsoever. No term or condition of this Agreement is intended to be or shall be deemed or
4 construed as an expression of fault or liability.

5 **3.2** This Agreement contains the entirety of the agreement reached among the Parties
6 pertaining to the subject matter set forth herein. This Agreement supersedes all prior and
7 contemporaneous oral and written agreements and discussions between or among the Parties
8 except as set forth herein. This Agreement, or any provision hereof, may not be waived, amended
9 or revoked, or the ongoing obligations of any Party terminated, except by a further writing signed
10 by all such Parties and the County.

11 **3.3** This Agreement is the product of negotiation by and among the Parties, executed
12 voluntarily and without duress or undue influence on the part of or on behalf of any Party hereto.
13 Each of the Parties acknowledges that it has had the opportunity to be represented by its own
14 independent counsel in connection with this Agreement and the transactions contemplated by or
15 referred to in this Agreement. Hence, in any construction to be made of this thereof, the same
16 shall not be construed against any Party.

17 **3.4** This Agreement may be executed in any number of counterparts, a complete set of
18 which shall constitute a duly executed original, and fax or electronic signatures shall be treated as
19 originals for all purposes irrespective of any jurisdiction's best evidence rule.

20 **3.5** The failure or delay on the part of any Party to enforce or exercise at any time any
21 of the provisions, rights or remedies in this Agreement shall in no way be construed to be a
22 waiver thereof, nor in any way to affect the validity of this Agreement or any part hereof, or the
23 right of such Party to thereafter enforce each and every such provision, right or remedy. No
24 waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent
25 breach.

26 **3.6** Each Party shall pay its own attorneys' fees, costs and expenses in connection with
27 the preparation, negotiation and execution of this Agreement. However, in the event of any beach
28

1 or default of any of the terms and provisions of this Agreement or any disputes regarding
2 interpretation or enforcement of this Agreement, the prevailing Party shall be entitled to recover
3 its reasonable attorneys' fees and costs, in addition to any other award.

4 **3.7** This Agreement shall be construed, performed, and enforced in accordance with,
5 and governed by, the laws of the State of California (without giving effect to the principles of
6 conflicts of laws thereof), except to the extent that the laws of such State are superseded by the
7 Bankruptcy Code or other applicable federal law.

8 **3.8** Subject to obtaining approval from the Bankruptcy Court as set forth below, each
9 Party hereto hereby represents and warrants to the other Parties that the undersigned
10 representative of such Party has authority to execute this Agreement and to bind such Party to the
11 terms hereof. Without limiting the preceding, the Department represents that the undersigned
12 representative of the Department is executing this Agreement for both the Department and the
13 State of California and has the authority to do so, and to bind both the Department and the State
14 of California to this Agreement. Each Party represents and warrants to the other Parties that this
15 Agreement is fully enforceable by the other Parties (including, as applicable, by SGM as an
16 express beneficiary of this Agreement) against such Party without the requirement of any consent,
17 agreement or other action of any other party, agency or entity.

18 **3.9** Each of the Parties hereto acknowledges that no other Party, nor any agent nor any
19 attorney of any other Party has made any promise, representation or warranty whatsoever, express
20 or implied, not contained herein or therein concerning the subject matter hereof to induce said
21 Party to execute or authorize the execution of this Agreement, and each of the Parties hereto
22 further acknowledges that said Party has not executed or authorized the execution of this
23 Agreement in reliance upon any such promise, representation or warranty not contained herein or
24 therein.

25 **3.10** The Department hereby represents that it is unaware of any pending litigation,
26 investigations or claims by any other parties against or related to the Hospital Debtors and
27 Hospitals under the federal False Claims Act, the California False Claims Act or similar statutes.

Verity Health System of California, Inc. (“VHS”) and the affiliated debtors, the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 bankruptcy cases (the “Cases”), respectfully request (the “Motion”) that the Court (A) approve a continuance of the hearing on the *Motion of the Debtors for an Order Approving: (I) Proposed Disclosure Statement; (II) Solicitation and Voting Procedures; (III) Notice and Objection Procedures for Confirmation of Debtors’ Plan; and (IV) Granting Related Relief* [Docket No. 2995] (the “Disclosure Statement Motion”) to a date to be set by the Court at the Status Conference (defined below), (B) reschedule the deadline to file replies to objections to the Disclosure Statement Motion at the Status Conference, and (C) to use November 26, 2019, 10:00 a.m., as a status conference (the “Status Conference”). In support of the Motion, the Debtors submit the attached *Declaration of Richard G. Adcock* (the “Adcock Declaration”) and, respectfully state as follows:

I.

INTRODUCTION

Yesterday, on November 18, 2019, the Court entered the memorandum decision [Docket No. 3632] and order [Docket No. 3633] (collectively, the “Orders”) “finding that SGM is obligated to promptly close the SGM Sale under § 8.6 of the APA, provided that all other conditions to closing have been satisfied.” Docket No. 3632. The Orders confirmed that the Debtors satisfied Section 8.6 of that certain asset purchase agreement (the “SGM APA”) [Docket No. 2305-1] and rendered moot any argument to the contrary. *Id.* at 5. The Order also provided that Strategic Global Management, Inc. (“SGM”) was obligated to promptly close the SGM sale (the “SGM Sale”), provided that all other conditions have been satisfied. Despite the foregoing, there remains a significant amount of uncertainty regarding the SGM sale transaction. As of the last motion [Docket No. 3621] to continue the hearing on the Disclosure Statement Motion, the Debtors anticipated receiving formal correspondence from SGM that would be material to the sale transaction. The Debtors have yet to receive the correspondence, but have been informed that it is forthcoming. Further, since the Orders, SGM orally communicated new information that undermines the Debtors’ confidence in a prompt closing of the sale. *See Adcock Declaration.*

The Debtors are conscious of the urgent need to advance the Disclosure Statement (as defined below) and plan process, but cannot in good faith move forward until there is more certainty that a successful closing can be reasonably anticipated. The Debtors' plan of liquidation is contingent on the sale closing, and, thus, any material doubt cast on the SGM sale hinders the Debtors ability to provide adequate information to creditors and the Court.

Consequently, the Debtors request that the Court enter an order granting the following relief (collectively, the "Proposed Relief"): (A) rescheduling the hearing on the Disclosure Statement, currently scheduled on November 26, 2019, to a date to be set by the Court at the Status Conference; (B) rescheduling the deadline set forth in the Order to file replies to objections to the Disclosure Statement Motion at the Status Conference; and (C) preserving the hearing on November 26, 2019, 10:00 a.m., as a status conference on this matter.

II.

JURISDICTION AND VENUE

This Court has jurisdiction over this Motion under 28 U.S.C. § 157(b)(2)(A) and (L). Venue of these proceedings and this Motion is proper pursuant to 28 U.S.C. § 1409. The statutory predicate for this Motion is 11 U.S.C. § 105¹ and LBR 9013-1(m).

III.

BACKGROUND FACTS

A. General Background

1. On August 31, 2018, ("Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code (the "Cases"). By entry of an order, the Cases are currently being jointly administered before the Bankruptcy Court. [Docket No. 17]. Since the commencement of their Cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108.

B. The Plan and Disclosure Statement

2. On September 3, 2019, the Debtors filed the *Debtors' Chapter 11 Plan of*

¹

1 *Liquidation (Dated September 3, 2019)* [Docket No. 2993] (the “Plan”) and related *Disclosure*
2 *Statement Describing Debtors’ Chapter 11 Plan of Liquidation (Dated September 3, 2019)*
3 [Docket No. 2994] (the “Disclosure Statement”).

4 3. On September 4, 2019, the Debtors filed the Disclosure Statement Motion. In the
5 Disclosure Statement Motion, the Debtors seek approval of (i) the Disclosure Statement,
6 (ii) proposed solicitation and voting procedures, (iii) proposed notice and objection procedures for
7 confirmation of the Plan, and (iv) related relief. The Debtors also requested [Docket No. 2996]
8 an order setting a hearing and briefing schedule on shortened notice.

9 4. On September 4, 2019, the Court entered an *Order Setting Hearing On Motion for*
10 *Approval of Disclosure Statement for October 2, 2019, at 10:00 a.m.* [Docket No. 2998] (the
11 “Disclosure Statement Scheduling Order”). The Disclosure Statement Scheduling Order set a
12 hearing on the Disclosure Statement Motion for October 2, 2019 at 10:00 a.m., and provided that
13 any oppositions to the Disclosure Statement Motion must be filed not later than September 18,
14 2019. *See* Scheduling Order at 2.

15 5. On September 18, 2019, certain parties in interest filed responses and oppositions
16 to the Disclosure Statement Motion. *See* Docket Nos. 3079, 3084, 3086, 3087, 3089, 3090, 3092,
17 3094. Further, the Debtors have continued the opposition deadline by stipulation as they continue
18 negotiations with certain other parties with respect to the Disclosure Statement Motion and
19 Disclosure Statement. *See* Docket Nos. 3076, 3077, 3082, 3098, 3119, 3122, 3126, 3195.

20 **C. The Emergency Motion and SGM Sale**

21 6. On May 2, 2019, the Court entered an order [Docket No. 2306] (the “Sale Order”)
22 approving the SGM APA concerning the SGM Sale. On September 25, 2019, the Attorney
23 General conditionally approved the SGM Sale subject to certain conditions (the “2019
24 Conditions”). Certain of the 2019 Conditions (the “Additional Conditions”) were materially
25 different than those to which SGM agreed under the Schedule 8.6 to the SGM APA.

26 7. On September 30, 2019, the Debtors filed the motion [Docket No. 3188] (the
27 “Enforcement Motion”) for entry of an order finding (i) that the Debtors could sell their assets
28 pursuant to the SGM Sale free and clear of the Additional Conditions, or, alternatively, (ii) that

1 the Attorney General abused his discretion when imposing the Additional Conditions. As
2 discussed in greater detail in the Enforcement Motion, the Additional Conditions recently issued
3 by the Attorney General threatened the SGM Sale, and could have triggered SGM's termination
4 rights under the APA unless the Debtors obtained the relief requested by the Enforcement
5 Motion. *See* SGM APA, § 8.6.

6 8. On October 1, 2019, the Court entered the *Order Setting Hearing on Emergency*
7 *Motion for the Entry of an Order Enforcing the Order Authorizing the Sale to Strategic Global*
8 *Management for October 15, 2019, at 10:00 a.m.* [Docket No. 3193] (the "Scheduling Order"),
9 which scheduled a hearing on the Enforcement Motion on October 15, 2019, at 10:00 a.m.
10 (Pacific Time)—the same date and time as the hearing on the Disclosure Statement Motion. *See*
11 *Scheduling Order* at 2.

12 9. On October 23, 2019, the Court entered the *Memorandum of Decision Granting*
13 *Debtors' Emergency Motion to Enforce the Sale Order* [Doc. No. 3188] (the "Memorandum
14 Decision"). The Memorandum Decision granted the Enforcement Motion and further provided
15 that the Court will enter an order certifying the matter for direct appeal to the Ninth Circuit. *See*
16 *Mem. Dec.* at 24. The Court requested that the Debtors submit an order on the Enforcement
17 Motion consistent with the Memorandum Decision not later than October 30, 2019. *See id.* On
18 November 14, 2019, after holding an emergency hearing on the proposed form of order, the Court
19 entered the order granting the Enforcement Motion [Docket No. 3611] (the "Enforcement
20 Order").

21 **D. Continuance of Hearing on Disclosure Statement Motion**

22 10. The Debtors have filed six motions [Docket No. 3103, 3238, 3384, 3502, 3589,
23 3621] to continue the hearing on the Disclosure Statement Motion, which were granted by the
24 Court [Docket No. 3120, 3260, 3389, 3506, 3594, 3633]. The order on the Debtors' sixth
25 continuance motion set the Debtors' reply deadline as November 21, 2019 (the "Reply
26 Deadline"), and scheduled a continued hearing on the Motion for November 26, 2019, at 10:00
27 a.m. (Pacific Time) (the "Hearing").
28

E. Facts Relevant to the Motion

11. On October 10, 2019, SGM filed the *Statement of Strategic Global Management, Inc. in Support of “Debtors’ Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.’ (II) Finding that the Sale is Free and Clear of Conditions Materially Different Than Those Approved by the Court . . .”* [Docket No. 3356] (the “SGM Statement”). In the SGM Statement, SGM indicated that “it will not close the Sale unless the Debtors timely obtain a Free and Clear order from the Court.” SGM Statement at 4. The SGM APA further provides that such order must be final and non-appealable, that is, an order “which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court).” *See* SGM APA § 8.6. The Court entered the Enforcement Order on November 14, 2019. The two parties that objected to the Enforcement Motion have agreed not to appeal the Enforcement Order.

12. On the morning of November 15, 2019, the CEO of SGM informed the CEO of the Debtors of SGM’s intent to send the Debtors formal correspondence material to the SGM Sale. *See* Adcock Declaration, ¶ 4. As of the filing of this Motion, November 19, 2019, the Debtors have not received any such correspondence, but have been informed that it is forthcoming. *See id.* After the entry of the order by the Court on November 18, 2019, SGM orally communicated new information to the Debtors’ representatives that undermines the Debtors’ confidence in a prompt closing of the sale. *See id.*

IV.

ARGUMENT

LBR 9013-1(m)(1) governs motions for continuance and sets forth various general requirements. The Motion satisfies the requirements of the LBRs because it is filed more than three days prior to the Hearing, sets forth the reasons for the proposed continuance in detail, and is supported by the Adcock Declaration. *See* LBR 9013-1(m)(1).

The Debtors require a continuance of the Hearing on the Disclosure Statement Motion for the reasons discussed above. A continuance of the Hearing will serve the best interests of the

1 estates and creditors because it will ensure that the Debtors avoid the expense of unnecessary
2 amendments to their Plan and Disclosure Statement. In light of the benefit to the Debtors' Cases,
3 the Debtors respectfully request that the Court continue the Hearing on the Disclosure Statement
4 Motion from November 20, 2019, at 10:00 a.m., to a date to be set by the Court at the Status
5 Conference (the "Continued Hearing Date"). In accordance with the LBR 9013-1(m)(4), the
6 Continued Hearing Date will automatically extend the reply deadline unless otherwise ordered by
7 the Court at the Status Conference.

8 V.

9 CONCLUSION

10 In light of the foregoing, the Debtors respectfully request that this Court enter an Order
11 (i) granting this Motion, (ii) continuing the hearing on the Disclosure Statement Motion to a date
12 to be set by the Court at the Status Conference, (iii) rescheduling the deadline to file replies in
13 support of the Disclosure Statement Motion to a date set by the Court at the Status Conference;
14 (iv) preserving the November 26, 2019, 10:00 a.m. as a Status Conference on this matter, and
15 (v) granting such other relief as the Court deems just and proper under the circumstances.

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, submit this Declaration in support of the *Motion to (A) Continue Hearing on Motion of the Debtors for an Order Approving: (I) Proposed Disclosure Statement, (II) Solicitation and Voting Procedures, (III) Notice and Objection Procedures for Confirmation of Debtors' Plan, and (IV) Granting Related Relief; (B) Continue the Reply Deadline with Respect to Disclosure Statement Objections; and (C) Use the November 26, 2019, 10:00 a.m. Hearing Date for a Status Conference on This Matter* (the "Motion"),¹ and hereby state as follows:

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, budgeting, disease management, and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. I have personal knowledge of the facts stated in this declaration, except as to those stated on information and believe, and, as to those, I am informed and believe them to be true. If called as a witness, I could and would competently testify to the matters stated herein.

4. On the morning of November 15, 2019, the CEO of SGM informed me of SGM's intent to send the Debtors formal correspondence material to the SGM Sale. As of the filing of this Motion, November 19, 2019, the Debtors have not received any such correspondence, but have been informed that it is forthcoming. After the entry of the order by the Court on November 18, 2019, SGM orally communicated new information to the Debtors' representatives that undermines the Debtors' confidence in a prompt closing of the sale.

¹ Capitalized terms not otherwise defined in this Declaration have the definitions set forth in the Motion.

U.S. Bankruptcy Court

The Hon. Ernest M. Robles

I. INTRODUCTION

The California Nurses Association (“CNA”), a creditor and party in interest in the Chapter 11 bankruptcy cases of the above-captioned debtors and debtors-in-possession (the “Debtors” or “Verity”), submits this Opposition to Debtors’ Emergency Motion for Authorization to Close St. Vincent Medical Center [Docket No. 3906] on the basis that it cannot be reconciled with the California Health and Safety Code notification requirements regarding health facility and emergency room closures and places human life at an unnecessary risk.

II. ARGUMENT

1. Debtors’ Timeline for Closing St. Vincent Medical Center Blatantly Violates Applicable California Notice Requirements Regarding Cessation of Medical Facilities and Emergency Departments.

California has strict laws regarding advance notifications that must be provided to both the public and state and local agencies prior to closure of a medical facility. First, California Health and Safety Code section 1255.1(a) requires that any hospital which provides emergency medical services must provide 90 days advance notice of the elimination of such services to “the state department, the local government entity in charge of the provision of health services, and all health care service plans or other entities under contract with the hospital to provide services to enrollees of the plan or other entity.” Additionally, section 1255.1(b) requires the hospital to provide 90 days advance notice to residents of the community.¹ Debtors’ plan to

¹ The complete text of Cal. Health & Safety Code section 1255.1 is provided below:

(a) Any hospital that provides emergency medical services under Section 1255 shall, as soon as possible, but not later than 90 days prior to a planned reduction or elimination of the level of emergency medical services, provide notice of the intended change to the state department, the local government entity in charge of the provision of health services, and all health care service plans or other entities under contract with the hospital to provide services to enrollees of the plan or other entity.

1 eliminate emergency services within three days of an order from this Court [Docket No. 3906,
2 p. 19] does not even operate within the realm of compliance.

3 Second, Cal. Health & Safety Code section 1255.25(a)(1) requires that the public
4 receive 30 days advance notice of the closure of any healthcare facility including “a notice
5 posted at the entrance to all affected facilities and a notice to the department and the board of
6 supervisors of the county in which the health facility is located.”² Additionally, section
7 1255.25(b)(2) requires hospitals to provide Medi-Cal and Medicare patients with advance
8 notice of the closure and information on the nearest available facilities which serve these types
9 of patients so that they may have time to transition to adequate substitute care.³ These
10 protections for indigent or elderly patients are especially important given Debtors’ commitment
11 to serving the sick and poor [Docket No. 3906, p. 12] and its charitable mission have caused it
12 to treat many patients receiving insurance through Medicare and Medi-Cal. [Docket No. 8, pp.

13
14 (b) In addition to the notice required by subdivision (a), the hospital shall, within
15 the time limits specified in subdivision (a), provide public notice of the intended
16 change in a manner that is likely to reach a significant number of residents of the
17 community serviced by that facility.

18 ² The complete text of Cal. Health & Safety Code section 1255.25(a)(1) is provided
19 below:

20 (a) (1) Not less than 30 days prior to closing a health facility, as defined in
21 subdivision (a) or (b) of Section 1250, or eliminating a supplemental service, as
22 defined in Section 70067 of Chapter 1 of Division 5 of Title 22 of the California
23 Code of Regulations, the facility shall provide public notice of the proposed
24 closure or elimination of the supplemental service, including a notice posted at the
25 entrance to all affected facilities and a notice to the department and the board of
26 supervisors of the county in which the health facility is located.

27 ³The complete text of Cal. Health & Safety Code section 1255.25(b)(2) is provided below:

28 (b) The notice required by paragraph (1) or (2) of subdivision (a) shall include all
of the following:

...

(2) A description of the three nearest available comparable services in the
community. If the health facility closing these services serves Medi-Cal or
Medicare patients, this health facility shall specify if the providers of the nearest
available comparable services serve these patients.

6, 24.] While it is difficult to discern from Debtors' pleading which Saint Vincent Medical Center ("SVMC") services will conclude when, it is apparent that several services will cease prior to the provision of thirty days notice [Docket No. 19, p. 19 (e.g., the dialysis unit will be closed within 21 days of an order from this Court).]

Debtors have shown no efforts to comply with either of these two obviously applicable provisions, nor did they even allude to them in the Emergency Motion. These notification requirements are not simply pro forma mandates, but serve a vital role in helping communities, especially underserved communities such as the one surrounding SVMC, prepare for the devastating loss of an essential service. [See Exhibit 1, Letter from California State Senator Maria Elena Durazo and Assemblymember Wendy Carillo who represent constituents in the area served by SVMC (observing that the loss of SVMC will be devastating for the district and that the required public notice is crucial because it will "give our constituents time to figure out where patients should be going to receive care in the area, ensure workers are not left unemployed, and perhaps find a way to retain some healthcare services.".)]⁴ Nor do these provisions make exceptions for hospitals in bankruptcy.

Furthermore, given that Debtors were aware on November 18, 2019, that Strategic Global Management ("SGM") lacked the financing to close its operations, its failure to begin the process of notifying the public and state and local authorities in a timely manner is inexcusable. [Docket No. 3901, ¶ 86]. Additionally, at least by the end of September 2019, Debtors represented to this Court that the likely outcome of SGM not closing the sale was that SVMC could not remain open. [Docket No. 3188, p. 33 ("If the SGM Sale does not close, the most likely outcome is that at least three of the Hospitals will have to close.")]. Thus, once Debtors knew that SGM lacked financing to close they should have begun the process of notifying the appropriate entities since closure was imminent.

⁴ A true and correct copy of the above-described letter dated January 7, 2020 signed by Maria Elena Durazo, California State Senator, District 24 and Wendy Carillo, California State Assemblymember, District 51 is attached as Exhibit 1. CNA personally received this letter from Ms. Durazo and Ms. Carillo on January 7, 2020.

Moreover, to the extent that Debtors' delayed notification to the public was due to concerns that SVMC's staff would quit en masse once they were aware of the impending closure of their worksite, this argument is without merit. The State Legislature has spoken in favor of advance notification for all concerned parties to protect patient safety and made no exception for staffing concerns. SVMC has a responsibility to staff its operations during this notice period and just as it was able to retain key employees during this bankruptcy through offering incentives via the Key Employee Retention Plan and Key Employee Incentive Plan, it also may offer incentives to encourage necessary staff to maintain employment with SVMC during the notification period. Additionally, just as hospitals staff their facilities with personnel from temporary companies (i.e. nursing registries) during a strike or other labor shortage so too could Debtors maintain their operations by short-term contracts with registry nurses during the notice period as necessary.

Finally, unlike in *Gardens Regional* in which this Court found that debtors would need to obtain additional DIP financing to continue to operate the hospital, there is no such assertion in the Chadwick Declaration or otherwise in the Emergency Motion that additional financing would be necessary to continue to main operations at the hospital during the required notice period. Case No. 2:16-bk-17463-ER, Docket No. 633 (Bankr. C.D. Cal. Jan. 20, 2017). Instead the Chadwick Declaration contains vague assertions that the "operating losses are significant and unsustainable." [Docket No. 3906, p. 33, ¶ 8]. This statement, however true, does not excuse Debtors from complying with state law especially given that they could have at least partially complied had they started providing notice when they were aware that SGM lacked the financing to close on November 18.

2. In Similar Circumstances Bankruptcy Courts Have Enjoined Hospitals From Closing Due to Failure to Comply With State Notification Requirements.

California is not unique in having common-sense statues which require advance notification to state agencies and the public prior to closing hospitals and this issue is not new to bankruptcy proceedings. In *Norris Square Civic Ass'n v. Saint Mary Hospital*, the Eastern

1 District of Pennsylvania Bankruptcy Court granted an injunction to prevent the closure of an
2 emergency department when the hospital failed to comply with the state's requirement that
3 hospitals provide 90 days notice prior to closing an emergency department. 86 B.R. 393, 400
4 (Bankr. E.D. Pa. 1988). This Pennsylvania requirement is nearly identical to Cal. Health &
5 Safety Code section 1255.1 discussed above. The court explicitly ordered the hospital at issue
6 to comply with the state regulation:

7
8 Given our doubt that the state regulation did not also prohibit any
9 curtailment of other services until 90 days after the dispatch of the notice
10 has passed, we believe that the most conservative relief which we can
11 provide is to prevent any further restrictions on admissions through the ER
12 and the obstetrics department of the hospital . . . *Id.*

13 Likewise, this Court should also deny the Emergency Motion because it contemplates
14 closing an emergency department within three days after this Court grants its motion which
15 would be 87 days short of compliance with state mandates (assuming Debtors provide proper
16 notice once a court order is issued). Furthermore, the court in *Norris Square Civic Ass'n*
17 specifically held that bankruptcy courts are empowered to enforce state law in their
18 proceedings and that especially with regard to health facility closures, hospitals must comply
19 with federal, state and local laws:

20 Moreover, the entire field of health care is one which has caused
21 bankruptcy courts to take otherwise most unusual acts in the public
22 interest, as in *In re An Unknown Group of Cases Seeking to be Filed*, 79
23 B.R. 651 (Bankr.E.D.Va.1987), where the court *sua sponte* refused to
24 accept for filing a group of Chapter 7 petitions emanating from health care
25 companies, on the ground that these filings would endanger continued
26 health care to certain nursing homes and hospital emergency rooms.

27 We therefore have no hesitancy in concluding that, in effecting its plan to
28 close its facility, the Debtor must comply with all applicable federal, state,
and local laws.

Id. at 398.

1 California bankruptcy courts have similarly held in analogous proceedings that the
2 bankruptcy code cannot shield a furniture retailer conducting a going-out-of-business sale in
3 violation of state consumer protection laws. *In re White Crane Trading Co.*, 170 B.R. 694, 702
4 (Bankr. Cal. E.D. 1994) (“The Congress has thus required that every debtor in possession and
5 bankruptcy trustee manage and operate the debtor's property and business in compliance with
6 state laws -- good, bad, and indifferent -- that apply outside of bankruptcy.”). The state interest
7 in protecting the public is much greater in the case of a hospital closure than a going-out-
8 business sale for a furniture store. It cannot be that consumers of a bankrupt furniture store
9 have more protections than patients in an emergency room.

10
11 Moreover, with the exception of *Gardens Regional Hospital* which is distinguishable
12 from the instant situation as noted above, the cases cited by Debtors in their Emergency Motion
13 for the permissibility of hospital closures were all shut down pursuant to “closure plans”
14 approved by and developed in consultation with the New York Department of Health pursuant
15 to applicable state law, not the independent judgement of the debtors at issue. [Docket No.
16 3906, p. 27.] *In re Saint Vincents Catholic Med. Ctrs. Of N.Y.*, 445 B.R. 264, 267 Case No. 10-
17 11963 (Bankr. S.D. N.Y. 2011) (“[T]he Debtors submitted a plan of closure . . . to the
18 Department of Health. Shortly thereafter, the Debtors began to shut down the Hospital under
19 the supervision of the Department of Health and other state regulatory authorities.”); *In re St.*
20 *Vincents Catholic Med. Ctrs.*, 2007 Bankr. Lexis 3006, *61, Case No. 05-14945 (Bankr.
21 S.D.N.Y. August 29, 2007) (“St. Clair and other SVC MC staff were responsible for obtaining
22 Department of Health and canonical authority to close the Hospital.”)

23
24 **2. Due to the High Volume of ER Visits that St. Vincent Medical Center**
25 **Receives and Its Longstanding Position in the Community,**
26 **More Transition Time is Required in Order to Safeguard Human Life.**

27 Based on SVC MC’s most recent filing with the California Office of Statewide Health
28 Planning and Development, SVC MC has over thirty thousand emergency department (ED) visits

1 a year (approximately 83 per day).⁵ (*See* Exhibit 2, p. 3.) Of those thirty thousand visits,
2 twelve thousand fell in the highest risk category of “severe with threat.” (*Id.*) Given that
3 SVMC has been a part of the community since 1856 [Docket No. 3906, p. 13] and receives a
4 high number of emergency visits, the public would be put at risk if the ED was closed down
5 before it received adequate advance notice.

6 Debtor’s plan to shut the ED down within three days after the entrance of an order
7 granting the Emergency Motion [Docket 3906, p. 19] leaves many questions and concerns
8 unanswered. First, even if ambulances are placed on diversion status as Debtors propose, many
9 residents of the community will still inevitably drive to SVMC emergency room for care
10 (especially if they lack the time to wait for an ambulance and it is unlikely that the community
11 will be aware of the closure within three days of the entrance of the order Debtors’ seek).
12 Therefore, it stands to reason that driving to a shuttered emergency room could have
13 detrimental consequences in an emergency. Moreover, Debtors presented no evidence that the
14 local Emergency Medical Services (“EMS”) department are aware of the closure and have had
15 time to plan for diverting patients on a permanent basis from SVMC to other hospitals. Indeed,
16 the Emergency Motion states that Debtors do not even plan to notify the local EMS that SVMC
17 is going on diversion status until one day after the requested order is entered. [Docket 3906, p.
18 19]. Nor is there any evidence that the other area hospitals are equipped to handle patients who
19 would otherwise be treated at SVMC on such short notice.

20 These unnecessary risks to human life of prematurely closing an emergency room are
21 the very hazards Cal. Health & Safety Code section 1255.1 is intended to protect against.
22 Debtors’ expedited plan to close SVMC, however well-intentioned, simply does not take into
23

24 ⁵ Attached to this pleading as Exhibit 2 is a true and correct copy of SVMC’s Annual Utilization
25 Report filed on February 13, 2018. The undersigned downloaded this report on January 6,
26 2020 from the following website:
27 https://alirts.oshpd.ca.gov/crudUtilReport.aspx?pMode=2&pSID=101365&pFID=201&pSYear=2017&pFType=hosp&pTypeID=87&pSName=2017_hosp
28

1 account the realities of closing an ED which has been a part of the community for close to two
2 centuries and the lead time local EMS and hospitals will need to accommodate such changes.

3
4 **4. Compliance with the State Mandated Notice Periods Also Provides a**
5 **Window for Potential Buyers to Come Forward.**

6 CNA is in agreement with Debtors that the closure of SVMC is a “last, tragic resort.”
7 [Docket No. 3906, p. 24]. Accordingly, compliance with Sections 1255.1 and 1255.25 serve
8 the dual purpose of allowing one last chance for any hospital operators to come forward to
9 acquire SVMC as either a package with other remaining hospitals or by itself now that the
10 public is aware that SGM is not going to close the sale and the likely outcome is that SVMC
11 will close. Given the harsh consequences of SVMC’s closure on the community this is not an
12 act which should be taken hastily. Indeed, it appears there is at least minimal renewed interest
13 in the SVMC as evidenced by the fact that Cain Brothers received a call from a potential buyer
14 on January 6, 2020, interested in purchasing SVMC as a going concern. [Docket No. 3906, p.
15 36.] On the other hand, once the Hospital is closed the likelihood that a buyer will come
16 forward to operate SVMC as a hospital diminishes further due to the costs associated with
17 reopening it. Thus, to preserve the possibility that another buyer may come forward following
18 the disappointing news that SGM cannot close the sale, CNA urges this Court to delay the
19 closure of SVMC until it provides the required state-mandated notices.

20 **III. CONCLUSION**

21 For all the reasons stated above, the Debtors request that the Court grant the requested
22 relief.

Exhibit 1

STATE CAPITOL
P.O. BOX 942849
SACRAMENTO, CA 94249-0115

California Legislature

January 7, 2020

The Honorable Ernest M. Robles
United States Bankruptcy Court, United States Bankruptcy Judge
Central District of California, Los Angeles Division
Roybal Federal Building, Courtroom 1568
255 East Temple Street
Los Angeles, CA 90012

Dear Honorable Robles:

We write regarding the proposed closure of St. Vincent Medical Center in Los Angeles, which is owned by Verity Health System.

As you may be aware, Section 1255.1 of the California Health and Safety Code requires any hospital that provides emergency medical services to notify the public as soon as possible, but not later than 90 days prior to a planned reduction or elimination of the level of emergency medical services. Section 1255.25 of the California Health and Safety Code also requires public notice not less than 30 days prior to the proposed closure of a health facility or the elimination of a supplemental service.

As the elected representatives for State Senate District 24 and Assembly District 51 which represents St. Vincent and the surrounding community, we implore you to protect public notice of hospital closures under the law.

This tragic loss of crucial healthcare services is already devastating for our district. St. Vincent provides health care to a large number of Medi-Cal patients, the undocumented, and low income folks in Los Angeles who will struggle to access care without this facility. California's legally required public notice is crucial because it gives our constituents time to figure out where patients should be going to receive care in the area, ensure workers are not left unemployed, and perhaps find a way to retain some healthcare services.

Your courtroom should not become an avenue for this company to break the law. We urge the court to require Verity Health System to follow the Health and Safety Code and respect California's statutorily required public notice timelines.

Thank you for your consideration of our request.

The Honorable Wendy Carrillo
California State Assemblymember, District 51

**STRATEGIC GLOBAL MANAGEMENT,
INC.'S RESERVATION OF RIGHTS IN
CONNECTION WITH DEBTOR'S
STATUS CONFERENCE REPORT**

[Dkt. No. 3692]

Strategic Global Management, Inc. (“SGM”) submits the following *Reservation of Rights in Connection with Debtor’s Status Conference Report* in response to the Status Report (the “Report”) [Doc. 3692], filed by Verity Health System of California, Inc. and related and affiliated debtors, the debtors and debtors in possession in the above-captioned, jointly-administered chapter 11 bankruptcy cases (“Verity” and/or the “Debtors”) on November 24, 2019 at approximately 8:00 p.m.¹

I.

INTRODUCTION AND STATEMENT OF FACTS

Verity is asking the court to make a ruling on one (of many possible) contractual issues in advance of any obligation for SGM or Verity to close the sale, and to bypass the very procedures (e.g., complaint, response, motions, discovery, pre-trial and trial) which would govern a breach of contract or declaratory relief lawsuit relating to the APA. If this were a Monopoly game, Verity would be attempting to “Pass GO” and collect \$600 Million. But, even Monopoly does not allow a player to collect \$600 Million without a trial, and all the other rights and protections that due process and the Bankruptcy Rules require.

SGM has devoted an enormous amount of time and resources, including hundreds of thousands of dollars of professional fees and consulting fees, in an effort to complete all of the work necessary to conclude the transaction of the scope and magnitude of the APA, and SGM continues to desire to close the transaction between SGM and Verity as described in the APA.

On November 22, 2019, SGM, through counsel, delivered two letters to Verity; one from Levene, Neale, Bender, Yoo & Brill L.L.P., bankruptcy counsel to SGM, and the other, from Hooper, Lundy & Bookman, P.C, healthcare counsel to SGM. (The Levene, Neale letter and the Hooper, Lundy letter will sometimes be referred to as the “SGM Letters”). In the SGM Letters,

¹ The pending proceeding is a Status Conference ordered by the Court for the Debtor’s pending Disclosure Statement in connection with its Plan of Reorganization. SGM is not currently a creditor of the Debtor and has not participated in the Plan or Disclosure Statement process. Accordingly, SGM does not waive any of its rights, claims or interests including, without limitation, its contention that a Status Conference pertaining to a Disclosure Statement is not the appropriate forum in which to consider procedures to be implemented in connection with a potential dispute regarding the APA.

1 SGM notified Verity that Verity had breached a number of material covenants, representations,
2 warranties and conditions, as a result of which there had occurred and would continue to occur
3 “Material Adverse Effects” as that term is used throughout the APA.

4 In Verity’s Status Report, filed on November 24, 2019, Verity stated that it will request, at
5 the Status Conference on November 26 at 10:00, that the Court set an accelerated briefing and
6 hearing schedule (briefs starting December 6, 2019, hearing on December 11, 2019) to adjudicate
7 whether any of the covenants, representations, warranties or conditions that were set forth in the
8 SGM Letters constitute Material Adverse Effects for purposes of the APA.

9 SGM will oppose any attempt by Verity to obtain from the Court, either at the Status
10 Conference, or at any other hearing, outside the context of an adversary proceeding conducted in
11 accordance with the adversary proceeding rules set forth in Part VII of the Bankruptcy Rules, any
12 ruling on the disputes and controversies between Verity and SGM pertaining to the APA.

13 To the extent that Verity requests, at the Status Conference, that this Court establish a
14 briefing and hearing process for the Material Adverse Effects issue consistent with its Status
15 Report, the Court should reject that request.

16 II.

17 ARGUMENT

18 IF VERITY REQUESTS AN EXPEDITED PROCESS FOR ADJUDICATING WHETHER 19 THERE HAVE BEEN MATERIAL ADVERSE EFFECTS, THAT REQUEST SHOULD 20 BE DENIED

21 A. As of the filing of this Motion, Verity has not filed any written motion, and the Local
22 Bankruptcy Rules require that motions be presented to the Court in writing and that
23 parties be given a reasonable opportunity to respond to the Motion and to be heard in
24 connection with the relief requested.

25 Unless the court orders otherwise, an oral motion is not permitted. LBR 9013-1(c)(1).
26 Indeed, motions must be made in writing, and with notice and opportunity to respond in writing.
27 LBR 9013-1(c)(2). Motions must be supported by a written statement and memorandum of
28 points and authorities of all reasons in support of the relief requested. LBR 9013-1(c)(3). Factual

1 contentions in a motion must be supported by declarations or other written evidence. LBR 9013-
2 1(i).

3 The Report provides nothing in the way of points, authorities, or evidence; rather, the
4 Report asserts that SGM is obligated to close the pending sale, which SGM strongly contests.
5 *See, e.g.*, Report p.1 ln.21 (“Debtors satisfied all conditions to closing”); p.1 ln.28 (“The
6 foregoing agreement satisfied the last of the Debtors’ outstanding conditions to closing...”).
7 Moreover, nothing in the Report contains the points and authorities to which SGM must be given
8 an opportunity to respond, or to support the highly unusual request for an expedited hearing
9 before a complaint has even been filed. Nothing in the Report – and nothing said by Debtors’
10 counsel by way of oral motion on November 26, 2019 – could constitute cause to deny SGM its
11 right to the due process protections in an adversary proceeding, much less impose upon it a paltry,
12 short-shrift briefing schedule for the Debtors’ requested declaratory relief and contract claims
13 surrounding the APA.

14 **B. The Debtors’ request that the Court create a separate and distinct process to**
15 **evaluate the Material Adverse Effects issue, based upon the fact that SGM has given notice**
16 **that Verity has failed to satisfy, as of November 20, 2019, certain conditions and covenants,**
17 **does not yet present a case or controversy that requires this Court to engage in any**
18 **adjudicatory function.**

19 The Debtors have said that they will request that the Court create a distinct and expedited
20 process to address the Material Adverse Effects issue, separate from the resolution of all disputes
21 and controversies that may exist between the Debtor and SGM pertaining to the APA. This
22 request, if made, is based on SGM’s notice to the Debtors that the Debtors were in breach of
23 certain conditions, covenants, representations and warranties as of November 20, 2019.

24 However, that notice, itself, does not present a case or controversy that requires this Court to
25 engage in any adjudicatory function; only if, and after, the Debtors or SGM fail to proceed to a
26 closing, would there be a case or controversy that would then implicate this Court’s adjudication
27 of disputes relating thereto. Thus, Verity’s request is premature.

28 ///

1 **C. There is no procedure available to Verity for the piecemeal adjudication of disputes**
2 **relating to the APA, such that Verity can pick and choose among a multitude of potential**
3 **disputes and disagreements relating to the APA and request that the Court litigate them**
4 **seriatim.**

5 Verity has cited no authority for proposition that Verity can hand pick issues, one at a
6 time, for resolution, among a multitude of potential disputes and disagreements relating to the
7 APA in a truncated and expedited process – especially, when there has been no closing date and
8 no failure by SGM to perform. To suggest that such a process will create a muddled record is an
9 understatement.

10 **D. The Bankruptcy rules require an adversary proceeding for the resolution of disputes**
11 **and controversies relating to the APA.**

12 The Bankruptcy Rules require an adversary proceeding for the resolution of disputes and
13 controversies relating to the APA if they involve a claim for money damages or declaratory relief
14 that would obligate a party for money damages. In relevant part, Federal Rule of Bankruptcy
15 Procedure 7001 provides that: “The following are adversary proceedings: (1) a proceeding to
16 recovery money or property . . . (7) a proceeding to obtain an injunction or other equitable relief .
17 . . (9) a proceeding to obtain a declaratory judgment a relating to any of the foregoing[.]” Fed. R.
18 Bankr. P. 7001. “

19 The Debtors’ request for a Court declaratory determination as to whether there have been
20 Material Adverse Effects under the terms of the APA requires the filing of an adversary
21 proceeding, and cannot be achieved by way of a motion or through the expedited briefing
22 schedule suggested by the Debtors. *See* Fed. R. Bankr. P. 7001(9); *In re Sun Belt Elec.*
23 *Constructors, Inc.*, 56 B.R. 686, 688 (Bankr. N.D. Ga. 1986) (“Before addressing the enumerated
24 issues, the Court notes a procedural deficiency in M&M’s motion to enforce the Flagler Contract.
25 M&M’s motion apparently requests injunctive or equitable relief or, at least, a declaratory
26 judgment. Under Rule 7001, such relief may only be obtained in an adversary proceeding. For
27 that reason, the Court will deny M&M’s motion without prejudice”). Specifically, the Debtors’
28 request for this Court to decide whether there have been any Material Adverse Effects under the

1 terms of the APA is related to: (1) a proceeding to “recover money,” as contemplated by FRBP
2 7001(1), and constitutes a *sub rosa* attempt to obtain this Court’s finding that SGM has breached
3 the APA, thus entitling the Debtors to money damages; and (2) a proceeding for declaratory relief
4 relating to a claim for money.

5 At minimum, there are genuine disputes of material fact as to the whether there have been
6 Material Adverse Effects under the terms under the APA, such that the Debtors’ request for the
7 summary, and truncated adjudication of these issues would be improper. *See e.g., Callie v. Near*,
8 829 F.2d 888, 890 (9th Cir. 1987) (“Where material facts concerning the *existence* or *terms* of an
9 agreement to settle are in dispute, the parties must be allowed an evidentiary hearing.”); *Autera v.*
10 *Robinson*, 419 F.2d 1197, 1200 (D.C. Cir. 1969) (“Yet it is apparent that the summary procedure
11 for enforcement of unperformed settlement contracts is not a panacea for the myriad types of
12 problems that may arise. The summary procedure is admirably suited to situations where, for
13 example, a binding settlement bargain is conceded or shown, and the excuse for nonperformance
14 is comparatively unsubstantial.”¹¹ *On the other hand, it is ill-suited to situations presenting*
15 *complex factual issues related either to the formation or the consummation of the contract, which*
16 *only testimonial exploration in a more plenary proceeding is apt to satisfactorily resolve. We*
17 commend the summary practice for use in connection with problems capable of precise resolution
18 without attendant hazard to the interests of the parties. At the same time, it is evident that beyond
19 that point the convenience of the summary procedure must yield to the exigencies of safeguarding
20 all legally protected rights that are involved.”) (emphasis added).

21 The Debtor’s request to conduct an accelerated and bifurcated process to consider only the
22 issue of Material Adverse Effect outside the context of an adversary proceeding would also be a
23 violation of SGM’s due process rights. In particular, in light of the amounts involved in this
24 transaction, SGM is entitled to all the rights that would be available to it if the procedures
25 provided for in Part VII of the Bankruptcy Rules are applied and only if SGM is given the
26 necessary time to develop its legal and factual positions, utilize discovery to obtain necessary
27 evidence and engage experts who would likely be needed to address issues involving health care
28 and regulatory law.

1 If the Court were to grant the relief requested by Verity, the Court would be creating a
2 procedural quagmire, which would delay, as opposed to expedite the resolution of disputes and
3 controversies between them relating to the SGM APA and inevitably result in appeals. Quite
4 simply, the Court may not adjudicate complex issues of law and fact in connection with a \$600
5 Million transaction by way of emergency motion or other expedited procedures that violate
6 SGM's due process rights and are incompatible with the Bankruptcy Code and Bankruptcy Rules.

7 If Verity makes the request stated in its Status report, the Court will be asked to order an
8 expedited process to resolve certain, but not all, issues relating to disputes between the parties
9 under the APA. Moreover, the Court will be setting a process without a full understanding of
10 what will need to be litigated and whether the hyper-speed requested by Verity makes any sense.
11 In particular, the Court will not know: (1) the number of disputes to be adjudicated, (2) the nature
12 of the disputes, (3) the body of law, *e.g.*, bankruptcy, healthcare, contract, accounting, that would
13 be involved in the resolution of the disputes, (4) the nature and extent of the evidence that would
14 relate to the adjudication of such disputes, (5) the need for discovery, (6) the use of expert
15 testimony, and (7) the amount of briefing time that would be needed and the amount of trial time.
16 In the usual case, where rules of procedure are adhered to, a complaint would be filed and the
17 issues would be narrowed by the pleadings and subsequent motion practice, and the parties would
18 enter into a pre-trial order, which would identify the factual and legal issues that remain to be
19 resolved.

20 The procedure that Verity intends to suggest, *i.e.* an abbreviated process for briefing and
21 hearing regarding whether the notice as stated in the SGM Letter of November 22, 2019
22 constitute Material Adverse Effects, assumes that the only issues and controversies pertaining to
23 the closing of the APA are those set forth in SGM's Letter. However, in that letter, SGM stated
24 that the issues that were being raised therein were not exclusive and SGM expressly reserved its
25 rights to assert additional claims. Thus, the parties have not yet identified all of the potential
26 issues that could affect the closing of the APA.

27 Accordingly, in addition to all of the other reasons why Verity's suggested expedited
28 process is unfair and improper, it would be grossly inefficient and wasteful of the parties' and this

1 Court's resources to attempt to adjudicate some of the disputes relating to the APA and then have
2 to create a new process and begin a new proceeding to resolve remaining issues.

3 **E. SGM did not agree to adjudicate any disputes in connection with the APA by**
4 **motion.**

5 Verity's contention that SGM has agreed to an expedited motion to resolve dispute under
6 the APA, and waived its right to an adversary proceeding or other due process protection by
7 virtue of the language set forth in Section 9.1(c) of the APA, is completely unavailing.

8 First, that section does not apply. The section states that unless and until the Purchaser "in
9 its sole and absolute discretion, . . . has notified Seller of its **election to terminate** the Agreement
10 under this Section 9.1(c)" (emphasis added). Thus, Section 9.1(c) does not apply unless and
11 until the Purchaser has given notice to the Seller of its election to terminate the APA. **No such**
12 **notice has been given.** On the contrary, in SGM's letter of November 22, 2019, SGM expressly
13 reserved its right to terminate, but did not give notice to Verity that it was exercising that right.
14 Accordingly, whatever the effect would be of the language quoted by Verity, which was taken
15 entirely out of context, has no application to whether this Court should order the bifurcated,
16 expedited, premature process, which Verity indicated it will request.

17 In addition, the mere fact that SGM agreed that disputes concerning Material Adverse
18 Effects, as used in Section 9.1(c) (which, as just described, is inapplicable) could be determined
19 by the Bankruptcy Court, in no way can be read as constituting a waiver of SGM's due process
20 rights and, in particular, its right to have disputes and controversies over the APA adjudicated in a
21 properly conducted adversary proceeding consistent with the Part VII Bankruptcy Rules.
22 Declaratory relief and other matters enumerated under FRBP 7001 cannot be decided by way of
23 motion absent a waiver by the interested party. *Dardashti v. Golden (In re Dardashti)*, 2007 WL
24 7535054, *4 (9th Cir. B.A.P. Oct. 31, 2007);² *Cogliano v. Anderson (In re Cogliano)*, 355 B.R.
25 792, 805 (9th Cir. B.A.P.2006) (bankruptcy court lacked authority to decide issue of property of
26 the estate on turnover motion because FRBP 7001(2) requires adversary proceeding); *Expeditors*

27
28 ² Unpublished opinion that may be cited for persuasive authority but without binding precedent.

Waiver is “when a party intentionally relinquishes a right, or when that party’s acts are so inconsistent with an intent to enforce the right as to induce a reasonable belief that such right has been relinquished.” *Intel Corp. v. Harford Acc. & Indem. Co.*, 952 F.2d 1551, 1559 (9th Cir. 1991); *see also In re Washington Coast I, LLC*, 485 B.R. 393, n.12 (9th Cir. B.A.P. 2012). Here, SGM has not intentionally relinquished its right to have disputes in the nature of FRBP 7001 – including declaratory relief and ostensible breach of contract causes of action under the APA – determined by adversary proceeding; nor has SGM acted in a manner inconsistent with its right to have such matters determined by adversary proceeding. SGM opposes any request by the Debtors to obliterate SGM’s substantive and procedural due process rights in an adversary proceeding.

CONCLUSION

9

1 profoundly unfair process. Rather, it would be more productive for SGM to meet and confer with
2 Verity and the other stakeholders, including the secured lenders and the Unsecured Creditors
3 Committee, to see if the transaction can be salvaged and closed without the necessity of
4 litigation.³
