I.

**GENERAL GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES
OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

On August 31, 2018 (the "Petition Date"), Verity Health System Of California, Inc. ("VHS") and the above-referenced affiliated debtors (collectively, the "Debtors"), the debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (collectively, the "Cases"), each filed a voluntary case under chapter 11 of title 11, United States Code (the "Bankruptcy Code"). The Debtors continue to operate their businesses and manage their properties as debtors and debtors in possession, pursuant to §§ 1107(a) and 1108 of the Bankruptcy Code. The Debtors' Cases are being jointly administered under lead case number 18-20151-ER in the United States Bankruptcy Court for the Central District of California, Los Angeles Division (the "Bankruptcy Court").

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and SOFAs") filed by the Debtors in the Bankruptcy Court were prepared pursuant to § 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by management of the Debtors with unaudited information available as of the Petition Date. The Schedules and SOFAs do not purport to represent financial statements prepared in accordance with generally accepted accounting principles in the United States ("GAAP") and they are not intended to be fully reconciled to the Debtors' financial statements.

The Schedules and SOFAs have been signed by an authorized representative of each of the Debtors. In reviewing and signing the Schedules and SOFAs, these representatives relied upon the efforts, statements and representations of the Debtors' other personnel and professionals. These authorized representatives have not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses.

These General Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding Debtors' Schedules and SOFAs (the "General Notes") are incorporated by reference in,

1 and comprise an integral part of, each of the Debtors' Schedules and SOFAs, and should be
2 referred to and reviewed in connection with any review of the Schedules and SOFAs.

3 **II.**

4 **GENERAL NOTES**

5 **1. Reservation of Rights.** The Debtors' chapter 11 cases are large and complex.
6 Although management of the Debtors have made every reasonable effort to ensure that the
7 Schedules and SOFAs are as accurate and complete as possible, based on the information that was
8 available to them at the time of preparation, subsequent information or discovery may result in
9 material changes to these Schedules and SOFAs, and inadvertent errors or omissions may have
10 occurred. Because the Schedules and SOFAs contain unaudited information, which is subject to
11 further review, verification, and potential adjustment, these Schedules and SOFAs may be
12 inaccurate and/or incomplete.

13 **2. No Waiver.** Nothing contained in the Schedules and SOFAs or these General
14 Notes shall constitute an admission or a waiver of any of the Debtors' rights to assert any claims
15 or defenses. For the avoidance of doubt, listing a claim on Schedule D as "secured," on Schedule
16 E/F as "priority," on Schedule E/F as "unsecured nonpriority," or listing a contract or lease on
17 Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the
18 legal rights of the claimant, or a waiver of the Debtors' right to recharacterize or reclassify such
19 claim or contract. Failure to designate a claim on a given Debtor's Schedules as "disputed,"
20 "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is
21 not "disputed," "contingent" or "unliquidated."

22 **3. Reporting Date.** All asset and liability information, except where otherwise noted,
23 is provided as of the Petition Date.

24 **4. Confidentiality.** Specific disclosure of certain claims, names, addresses or amounts
25 may be subject to certain disclosure restrictions contained in the Health Insurance Portability and
26 Accountability Act of 1996 ("HIPAA"), or otherwise, and in any event, are of a particularly
27 personal and private nature. To the extent the Debtors believe a claim, name, address or amount
28 falls under the purview of HIPAA or includes information that is personal or private in nature,

1 such claims, name, address or amount (as applicable) is not included in these Schedules and
2 SOFAs.

3 **5. Estimates and Assumptions.** The preparation of the Schedules and SOFAs
4 required the Debtors to make estimates and assumptions that affected the reported amounts of
5 assets and liabilities, the disclosure of contingent assets and liabilities and the reported amounts of
6 revenue and expense. Actual results could differ materially from these estimates.

7 **6. Asset Presentation and Valuation.** The Debtors do not have current market
8 valuations for all of their assets. It would be prohibitively expensive, unduly burdensome and an
9 inefficient use of estate assets, for the Debtors to obtain current market valuations for all of their
10 assets. Wherever possible, unless otherwise indicated, net book values and fair market value as of
11 the Petition Date are presented. When necessary, the Debtors have indicated that the value of
12 certain assets is “Unknown” or “Undetermined.” Amounts ultimately realized may vary from
13 whatever value was ascribed and such variance may be material. Accordingly, the Debtors reserve
14 all of their rights to amend, supplement, or adjust the value of each asset set forth herein.

15 **7. Liabilities.** Certain of the liabilities are scheduled unknown, contingent and/or
16 unliquidated at this time. Accordingly, the Schedules and the SOFAs do not accurately reflect the
17 aggregate amount of the Debtors’ total liabilities.

18 **8. Accounts Payable and Disbursements System.** The financial affairs and business
19 of the Debtors are complex. The Debtors use a centralized cash management system to (a) collect
20 and transfer funds from numerous sources and accounts, (b) disburse funds to satisfy obligations
21 arising from the daily operation of their business, (c) invest funds pursuant to the Debtors’
22 investment guidelines, and (d) make payments on behalf of each other and their nondebtor
23 subsidiaries and affiliates through cash accounts in the cash management system. Generally, these
24 payments will result in an intercompany balance on the Debtors’ books and records.

25 **9. Intercompany Transactions.** Prior to the Petition Date (and subsequent to the
26 Petition Date pursuant to Bankruptcy Court approval), the Debtors routinely engaged (and
27 continue to engage) in intercompany transactions with both Debtor and nondebtor subsidiaries and
28 affiliates. The respective intercompany accounts payable and receivable as of the Petition Date, if

1 any, are reflected in the respective Debtor entities' Schedules and SOFAs, as discussed in Note 7.
2 The Debtors each reserve all rights with respect to claims against and debts owed to other Debtors.

3 **10. Recharacterization.** The Debtors have made reasonable efforts to characterize,
4 classify, categorize or designate the claims, assets, executory contracts, unexpired leases and other
5 items reported in the Schedules and SOFAs correctly. Due to the complexity and size of the
6 Debtors' business, however, the Debtors may have improperly characterized, classified,
7 categorized or designated certain items. Further, the designation of a category is not meant to be
8 wholly inclusive or descriptive of the rights or obligations represented by such item.

9 **11. Claim Description.** Any failure to designate a claim on the Debtors' Schedules and
10 SOFAs as "contingent," "unliquidated" or "disputed" does not constitute an admission by the
11 Debtors that such claim is not "contingent," "unliquidated" or "disputed." The Debtors reserve all
12 of their rights to dispute, or to assert offsets or defenses to, any claim reflected on the Schedules
13 and SOFAs as to amount, liability, priority, secured or unsecured status, classification or any other
14 grounds or to otherwise subsequently designate any claim as "contingent," "unliquidated" or
15 "disputed." The Debtors reserve all of their rights to amend their Schedules and SOFAs as
16 necessary and appropriate, including, but not limited to, with respect to claim description and
17 designation.

18 **12. Undetermined or Unknown Amounts.** The description of an amount as
19 "Undetermined" or "Unknown" is not intended to reflect upon the materiality of such amount.
20 Certain amounts may be clarified over the period of the bankruptcy proceedings and certain
21 amounts may depend on contractual obligations to be assumed or rejected as part of a sale in a
22 bankruptcy proceeding under § 363 of the Bankruptcy Code.

23 **13. Bankruptcy Court First-Day Orders.** The Bankruptcy Court has entered certain
24 orders (the "Orders") authorizing the Debtors to pay various outstanding prepetition claims,
25 including, but not limited to, payments relating to employee compensation, benefits, and
26 reimbursable business expenses and critical vendors. In general, claims paid pursuant to the
27 Orders are not reflected in the Schedules and SOFAs.

LOS ANGELES, CALIFORNIA 90071-3124
(213) 688-1000

1 **14. Contingent Assets and Causes of Action.** Despite their reasonable efforts to
2 identify all known assets, the Debtors may not have listed all of their causes of action or potential
3 causes of action against third parties as assets in their Schedules and SOFAs, including, but not
4 limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under
5 other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with
6 respect to any claims, causes of action, or avoidance actions they may have, and neither these
7 General Notes nor the Schedules and SOFAs shall be deemed a waiver of any such claims, causes
8 of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

9 **15. Certain Funds Not Property of the Debtors' Estates.** The Debtors received certain
10 donations and grants, testamentary or otherwise, which were provided subject to restrictions
11 (contractual or otherwise) on the use of such funds. These funds may not be property of the
12 Debtors' estates, and, as a consequence, the Debtors have not listed any of the donors or grantors
13 that may have an interest in these funds as creditors of their estates in the Schedules and
14 Statements.

15 In the ordinary course of operating its skilled nursing facility, Seton Coastside (operating
16 under the same license as Debtor Seton Medical Center) offers certain long-term patients the
17 ability to fund patient trust accounts to have convenient access to funds they can use while in
18 residence. The funds in the patient trust accounts are not property of the Debtors' estates.
19 Accordingly, the Debtors have not listed the long-term care patients that may have an interest in
20 the patient trust accounts as creditors in the Schedules and SOFAs.

21 **16. Unknown Addresses.** The Debtors have made and continue to make their best
22 efforts to collect all addresses for all parties in interest; not all addresses for parties on these
23 Schedules and SOFAs have been obtained. The Debtors continue to pursue complete notice
24 information and will provide updated information as reasonable practicable.

III.

SCHEDULES AND SOFAs

17. Assumptions Used to Prepare Specific Schedules or SOFA Questions:

- **SOFA Question #1.** Gross revenues for hospital foundation Debtors (O'Connor Hospital Foundation, Saint Louise Regional Hospital Foundation, St. Francis Medical Center of Lynwood Foundation, St. Vincent Foundation, and Seton Medical Center Foundation (each, a "Foundation Debtor")) exclude donor-restricted contributions received by such Debtors. Donor-restricted contributions are recorded as temporarily or permanently restricted net assets at each Foundation Debtor and are recorded as gross revenues (contribution revenues) by the respective Debtor hospital affiliate in the period that such amounts are released from restriction and contributed to such hospital affiliate. Please refer to SOFA Question #9 for a listing of contributions made by each Foundation Debtor to its respective hospital affiliate in the two years preceding the Petition Date.
- **SOFA Question #2.** Interest income includes interest earned on loans, investment securities, escrow balances, and other interest-earning assets.
- **SOFA Question #3.** Debtor St. Francis Medical Center and Debtor St. Vincent Medical Center have entered into contracts with health plans where the hospital assumes the risk for all hospital services to a defined patient population, whether those hospital services are rendered at St. Francis Medical Center, St. Vincent Medical Center, an "out of network" hospital or other healthcare provider. Third-party management companies administer those payments through a risk pool account. The risk pool account is funded by the applicable Debtor hospital. SOFA #3 sets forth the aggregate amount Debtor St. Francis Medical Center and Debtor St. Vincent Medical Center have paid into such risk pool accounts, which are identified as "Risk Pool Claims." The amounts the individual "out of network" hospitals or healthcare providers were paid are not listed, as those records are maintained by the applicable third party management company.
- **SOFA Question #4.** Each Debtor has included all known payroll distributions and travel and entertainment expense reimbursement made over the twelve months preceding the filing to any individual the Debtors have determined to be an Insider. To the extent that the Debtors have determined that former officers do not qualify as Insiders as defined above, such benefits and payments are not included in the Schedules and SOFAs. The listing of a party as an "Insider," however, is not intended to be, nor shall be, construed as a legal characterization or determination of such party as an actual insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses are hereby expressly reserved.

Intercompany transfers between Debtors are not reflected in SOFA #4.

- 1 • **SOFA Question #11.** All payments related to bankruptcy were made by Debtor
2 VHS on behalf of itself and its Debtor affiliates and are reflected in VHS's
3 response.
- 4 • **SOFA Question #14.** Addresses for ancillary facilities, such as storage facilities
5 and clinics are not included in this response.
- 6 • **SOFA Question #21.** As generally discussed above in General Note #14 and SOFA
7 #1, each Foundation Debtor receives certain donor-restricted contributions. Each
8 Foundation Debtor holds these contributions in trust, and, thus, have indicated the
9 same in SOFA #21. These funds may not be property of the Debtors' estates.
10 Consequently, the Debtors have not listed any of the donors or grantors that may
11 have an interest in these funds in SOFA #21.

12 Seton Coastside (operating under the same license as Debtor Seton Medical Center)
13 has two patient trust accounts. The patients' names and information are not being
14 disclosed because of the confidentiality concerns explained in Global Note #3.

- 15 • **SOFA Question #26(d).** As many of the Debtors are nonprofit organizations and
16 tax exempt as described in 26 U.S.C. § 501, the Debtors' financial statements and
17 Forms 990 as filed with the Internal Revenue Service are available online at
18 www.Guidestar.org. Consequently, the Debtors do not have records of the parties
19 who requested or obtained copies of their financial statements. These reports were
20 also provided to various counterparties of the Debtors as required under various
21 contractual arrangements (e.g., lenders under certain of the Debtors' debt
22 arrangements) and are publicly reported at <https://emma.msrb.org>.
- 23 • **Schedule A/B, Part 1.** Cash accounts are presented at book value, unless otherwise
24 noted.
- 25 • **Schedule A/B #25.** The Debtors' § 503(b)(9) of the Bankruptcy Code
26 reconciliation process is still in progress. Accordingly, no responses are provided
27 to this question for any Debtor.
- 28 • **Schedule A/B #55.** Where available, the Debtors listed the "Current value of
debtor's interest" using that available in the most recent appraisal or broker opinion
of value.
- **Schedule A/B #74.** In the ordinary course of business, the Debtors routinely
request reversals of, or changes to, various Medicare and Medi-Cal policies that
impact payment, such as hospital "disproportionate share" payment calculations.
These so-called "appeals" may be made by individual Debtor hospitals alone or,
more likely, as part of a national group of hospitals. If successful, the Debtors may
realize additional revenue but outcomes related to such appeals are speculative.
- **Schedule A/B #77.** Included in the response to #77 are "Construction in Progress"
assets. Construction in progress assets represent costs associated with ongoing

capital projects that have not yet been completed and placed into service. These projects are primarily associated with in progress software development and implementation-related costs, building improvements, and other costs incurred prior to medical equipment being placed into service.

- **Schedule D.** Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the General Notes or the Schedules and SOFAs shall be deemed a modification or interpretation of the terms of such agreements.
- **Schedule E/F.** Pursuant to orders of the Bankruptcy Court, the Debtors were permitted to pay certain prepetition wages and salaries and to honor and pay employee benefits and other workforce obligations. The Debtors made the aforementioned payments, and, thus, the respective employee claims are not listed in Schedule E.

The Debtors scheduled only claims and executory contracts for which the Debtors may be contractually and/or directly liable. No claims have been scheduled for which a Debtor may have benefited indirectly from a contractual relationship to which a Debtor was not a named party.

The Debtors have used their best efforts to report all general unsecured claims against each Debtor on Schedule F based upon the Debtors' existing books and records. The following is a non-exhaustive list of items which were among those included in the population disclosed for this schedule: unsecured debt outstanding, accounts payable outstanding, travel and entertainment expenses, bonuses earned but yet not paid to employees, lease obligations, litigation, guarantees and vendors with whom we have executory contracts under which amounts may be due. Schedule F does not include certain deferred liabilities, accruals or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date.

1 To the extent any amounts in respect of prepetition claims have been paid through
2 the date hereof pursuant to Orders of the Bankruptcy Court, such amount have been
3 excluded. No claim set forth on Schedule E/F of any Debtor is intended to
4 acknowledge claims of claimholders that are or may be otherwise satisfied or
5 discharged.

6 *Patient Refund Claims:* In accordance with patient information confidentiality
7 restrictions, *see* Note #3 above, each Debtor has aggregated all patient refund
8 claims in a single response. Detail is available upon request, provided such request
9 may be complied with in a manner compliant with all applicable patient privacy
10 laws and regulations.

11 *Insurance Refund Claims:* As part of the Debtors' normal business operations,
12 insurance companies from time to time overpay amounts due to the Debtors. Only
13 the estimated amount of such overpayments are recorded in the Debtors'
14 accounting records because determination of the exact amount of such
15 overpayments is a time consuming manual process. The Debtors only calculate the
16 exact amount of the insurance company overpayments if and when the payer
17 requests a refund.

18 *SEIU Employees:* The Service Employees International Union Collective
19 Bargaining Agreement (the "SEIU CBA") provides for a full time employment
20 commitment for certain member nurses. This commitment resets every six months.
21 As of the Petition Date, the Debtors party to the SEIU CBA have potential liability
22 in respect of the full time employment commitment for July and August 2018. The
23 amount of this liability is not calculated until December 2018 and, as such, claims
24 in respect of July and August 2018 are contingent and unliquidated as of the
25 Petition Date.

- 26
- 27 • **Schedule G.** The businesses of the Debtors are complex. While the Debtors'
28 existing records and information systems have been relied upon to identify and
schedule executory contracts at each of the Debtors and every effort has been made
to ensure the accuracy of the Schedule of Executory Contracts and Unexpired
Leases, inadvertent errors or omissions may have occurred. The Debtors hereby
reserve all of their rights to dispute the validity, status, or enforceability of any
contracts, agreements or leases set forth in Schedule G and to amend or supplement
such Schedule as necessary. The contracts, agreements and leases listed on
Schedule G may have expired or may have been modified, amended, or
supplemented from time to time by various amendments, restatements, waivers,
estoppel certificates, letters, conduct/course of business, memoranda and other
documents, instruments and agreements which may not be listed therein. Certain
of the real property leases listed on Schedule G may contain renewal options,
guarantees of payments, options to purchase, rights of first refusal, rights to lease
additional space and other miscellaneous rights. Such rights, powers, duties and
obligations are not set forth on Schedule G. Certain of the agreements listed on
Schedule G may be in the nature of conditional sales agreements or secured
financings. The presence of a contract or agreement on Schedule G does not

1 constitute an admission that such contract or agreement is an executory contract or
2 unexpired lease. The Debtors reserve all of their rights, claims and causes of action
3 with respect to the contracts and agreements listed on the Schedule, including the
4 rights to dispute or challenge the characterization or the structure of any transaction
5 document or instrument. Certain executory agreements may not have been
6 memorialized and could be subject to dispute. Generally, executory agreements
7 that are oral in nature have not been included in the Schedule.

- 8 • **Schedule H.** In the ordinary course of their business, the Debtors may be involved
9 in pending or threatened litigation and claims. These matters may involve multiple
10 plaintiffs and defendants, some or all of whom may assert cross-claims and
11 counterclaims against other parties. Because all such claims are “contingent,”
12 “unliquidated” or “disputed”, such claims have not been set forth individually on
13 Schedule H. The Debtors may not have identified certain Guarantees that are
14 embedded in the Debtors’ executory contracts, unexpired leases, secured
15 financings, debt instruments and other such agreements. The Debtors reserve their
16 rights to amend the Schedules to the extent that additional Guarantees are identified
17 or such Guarantees are discovered to have expired or unenforceable.

12 IV.

13 **CONCLUSION**

14 **18. Limitation of Liability.** The Debtors and their officers, employees, agents,
15 attorneys, and financial advisors do not guarantee or warrant the accuracy, completeness, or
16 currentness of the data that is provided herein and shall not be liable for any loss or injury arising
17 out of or caused, in whole or in part, by the acts, errors, or omissions, whether negligent or
18 otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or
19 delivering the information contained herein. The Debtors and their officers, employees, agents,
20 attorneys, and financial advisors expressly do not undertake any obligation to update, modify,
21 revise, or re-categorize the information provided herein or to notify any third party should the
22 information be updated, modified, revised or recategorized. In no event shall the Debtors or their
23 officers, employees, agents, attorneys, and financial advisors be liable to any third party for any
24 direct, indirect, incidental, consequential, or special damages (including, but not limited to,
25 damages arising from the disallowance of a potential claim against the Debtors or damages to
26 business reputation, lost business, or lost profits), whether foreseeable or not and however caused.

Official Form 206A/B

Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
