(9714); and Walter Natural Gas, LLC (1198). The location of the Debtors’ corporate headquarters is 3000 Riverchase Galleria, Suite 1700, Birmingham, Alabama 35244-2359.

31, 2015 (the “Fee Application Period”). Specifically, BABC seeks allowance of \$967,874.50 in fees earned and \$10,853.19 in expenses incurred during the Fee Application Period. In support of its Application, BABC respectfully represents as follows:

Background

1. On July 15, 2015 (the “Petition Date”), each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code, thereby commencing the instant cases (the “Chapter 11 Cases”). The Debtors continue to manage and operate their businesses as debtor-in-possession under sections 1107 and 1108 of the Bankruptcy Code.

2. The Bankruptcy Administrator for the Northern District of Alabama has appointed two official committees in the Chapter 11 Cases: a statutory committee of unsecured creditors; and a committee of retired employees pursuant to sections 1114(c)(2) and 1114(d) of the Bankruptcy Code (the “Section 1114 Committee”).

3. On August 12, 2015, the Debtors filed their Application for an Order Authorizing the Retention and Employment of Bradley Arant Boult Cummings LLP as Attorneys for the Debtors and Debtors-In-Possession *Nunc Pro Tunc* to the Petition Date [Docket No. 446] (the “Retention Application”). On September 4, 2015 this Court entered its Order Authorizing the Retention and Employment of Bradley Arant Boult Cummings LLP as Attorneys for the Debtors and Debtors-In-Possession *Nunc Pro Tunc* to the Petition Date [Docket No. 653] (the “Retention Order”).

Statement of Final Reconciliation of Prepetition Fees and Expenses

4. BABC was specifically retained by the Debtors to assist with the Debtors' reorganization efforts, including the preparation and filing of the Chapter 11 Cases, pursuant to an engagement letter dated April 9, 2015. BABC received an advance retainer from the Debtors in the amount of \$300,000 on April 17, 2015. After final reconciliation and application of the prepetition charges, BABC held a retainer balance in the approximate amount of \$116,932.21 and was not a creditor of the Debtors. The remainder of the retainer will constitute a general retainer as security for postpetition services and expenses.

Relief Requested

5. Pursuant to the Retention Order, BABC is entitled to compensation for fees incurred and reimbursement of expenses. During the Fee Application Period, BABC earned fees in the amount of \$967,874.50 and incurred expenses in the amount of \$10,853.19. All services for which compensation is requested by BABC were performed for or on behalf of the Debtors.

Summary of Services Rendered

6. Schedule 1 above is a summary of fees earned for services rendered by BABC's professionals during the Fee Application Period. This attachment references the names of the professionals that performed work on behalf of the Debtors during the Fee Application Period and their corresponding hourly billing rates and number of hours worked.

7. Schedule 2 above is a summary of compensation earned, arranged by project category.

8. Schedule 3 above is a summary of expenses incurred by BABC in connection with its role as attorneys in the Chapter 11 Cases during the Fee Application Period. Such expenses include, without limitation, travel expenses, working meals, mailing and postage charges,

secretarial overtime, and copy charges. Details of such expenses are attached hereto in **Exhibit A**.

9. Also included in **Exhibit A** is a listing, arranged chronologically, of detailed time entries for services provided by BABC's professionals in the Chapter 11 Cases during the Fee Application Period.

Valuation of Services

10. Attorneys and paraprofessionals of BABC have expended a total of 2060.60 hours in connection with this matter during the Fee Application Period.

11. The amount of time spent by each attorney and paraprofessional providing services to the Debtors for the Fee Application Period is fully set forth in detail in attached **Exhibit A**. The enumerated hourly rates are BABC's normal hourly rates for work of this character. The reasonable value of the services rendered by BABC as counsel for the Debtors in the Chapter 11 Cases during the Fee Application Period is \$967,874.50.

12. BABC believes that the time entries and expense breakdown included in **Exhibit A** are in compliance with the requirements of Local Rule 2016-1.

13. In accordance with the factors enumerated in 11 U.S.C. § 330, the amount requested is fair and reasonable given (a) the complexity of these cases, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under this title.

14. This Application covers the period from July 15, 2014 through and including August 31, 2015. BABC has and will continue to perform additional necessary services subsequent to August 31, 2015, for which BABC will file separate fee applications.

Summary of Services

15. The compensation BABC seeks is appropriate for the time spent in connection with the Chapter 11 Cases, and sets forth a brief narrative description of the services rendered, for or on behalf of the Debtors, as follows:

A. Case Administration (B110)

16. Among other services provided in this category during the Fee Application Period, BABC prepared and filed numerous motions and supporting documents seeking relief vital to the Debtors' continued operations; addressed service and notice issues and communicated with the Debtors' other professionals regarding same; communicated with the Debtors, co-counsel, opposing counsel, creditors, and interested parties about the case status; communicated with the Court's staff and the Bankruptcy Administrator about administrative issues; identified and docketed case deadlines; reviewed docket for recently filed pleadings; communicated with numerous parties regarding scheduling issues; prepared amendments to the list of Top 50 creditors; reviewed proposed orders; and assisted with reporting requirements.

B. Asset Analysis and Recovery (B120)

18. Among other services provided in this category during the Fee Application Period, BABC analyzed issues related to the proposed section 363 sale of the Debtors' assets; advised the Debtors on various section 363 sale issues; assisted the Debtors in negotiating an asset

purchase agreement for the sale of the Debtors' assets; and responded to inquiries from potential bidders for the Debtors' assets.

D. Relief from Stay Proceedings (B140)

19. Among other services provided in this category during the Fee Application Period, BABC analyzed the scope of the automatic stay with respect to various matters; prepared motions for and obtained stay relief for various matters; and responded to stay relief motions.

E. Fee/Employment Applications (B160)

20. Among other services provided in this category during the Fee Application Period, BABC conducted an extensive conflicts review to disclose necessary information in connection with its employment application; assisted certain of the Debtors' other professionals in preparing employment applications; and assisted with the development of interim compensation procedures for the Debtors' professionals, including ordinary course professionals.

F. Business Operations (B210)

21. Among other services provided in this category during the Fee Application Period, BABC assisted the Debtors in maintaining business operations and in efficiently and effectively administering the Chapter 11 Cases to preserve the value of the Debtors' assets and maximize returns to creditors; advised the Debtors on, among other things, board governance, vendor and supply issues, and credit issues; reviewed and analyzed key contracts to the Debtors' business and negotiated with vendors to maintain post-petition operations; and negotiated adequate assurance issues with various utility providers to maintain utility services.

G. Employee Benefits/Pensions (B220)

22. Among other services provided in this category during the Fee Application Period, BABC worked with the Debtors, pension representatives, labor unions, and the bankruptcy administrator on section 1114 issues and the appointment of the Section 1114 Committee.

H. Tax Issues (B240)

23. Among other services provided in this category during the Fee Application Period, BABC worked on the appeal of various state tax assessments, researched the scope of the automatic stay regarding certain tax matters, and conducted discovery on state tax matters.

I. Labor and Union Matters (B250)

24. Among other services provided in this category during the Fee Application Period, BABC assisted the Debtors in negotiations with labor unions; researched and analyzed issues with respect to sections 1113 and 1114 of the Bankruptcy Code and advised the Debtors regarding the same; and advised the Debtors regarding labor contingency strategies.

J. Lease/Executory Contract Issues (B260)

25. Among other services provided in this category during the Fee Application Period, BABC analyzed various agreements to determine their treatment in the Chapter 11 Cases and communicated with the Debtors regarding the same, and began work on motions under section 365 of the Bankruptcy Code.

K. Creditor Inquiries (B280)

26. Among other services provided in this category during the Fee Application Period, BABC responded to many creditor inquiries concerning, without limitation, the status and purpose of the Chapter 11 Cases and as credit and payment issues, and analyzed various trade creditor, vendor, and utility issues, and advised the Debtors regarding the treatment of creditor claims.

L. Claims Administration and Objections (B310)

27. Among other services provided in this category during the Fee Application Period, BABC reviewed various claims filed in the Chapter 11 Cases and worked with the Debtors and the Debtors' other professionals to determine the treatment of certain claims; researched legal issues related to certain claims; advised the Debtors on scheduling and noticing potential claimants; and worked on the claims bar date order.

M. Plan and Disclosure Statement (B320)

28. Among other services provided in this category during the Fee Application Period, BABC worked with co-counsel and the Debtors' other professionals in preparing the Debtors' disclosure statement and plan and prepared a motion to approve the disclosure statement, solicitation procedures, and related orders.

N. Cash Collateral/Exit Financing (B330)

29. Among other services provided in this category during the Fee Application Period, BABC analyzed and advised the Debtors on issues related to the use of cash collateral, including, without limitation, adequate protection issues; worked with co-counsel in preparing responses to various objections and motions to the proposed cash collateral order; assisted the Debtors in obtaining authorization to use of cash collateral to maintain operations and preserve asset values; and participated in depositions and prepared for trial on cash collateral issues.

O. Litigation (B910)

30. Among other services provided in this category during the Fee Application Period, BABC represented the Debtors in connection with all contested matters, including, without limitation, defending claims asserted against the Debtors by Dominion Resources Black Warrior Trust ("Dominion"). The work performed included legal analysis of underlying issues and

briefing related thereto, negotiations with parties; depositions; and extensive discovery related to various motions, adversary proceedings, and creditor inquiries.

Conclusion

31. The fee and expense structure set forth in the Retention Order was designed to compensate BABC for its services and to cover fixed and routine overhead expenses. BABC's rates are consistent with those of other comparable firms that render services under similar circumstances. The compensation requested in this Fee Application is for actual and necessary services and expenses incurred in the Chapter 11 Cases.

32. BABC submits that the Application and the description of services set forth herein are in compliance with the Interim Compensation Order. A true and correct copy of the Verification of Patrick Darby is attached hereto as **Exhibit B**.

33. This Application covers the period from July 15, 2015 through August 31, 2015. Although every effort was made to include all fees and expenses from the Fee Application Period in this Application, some fees and/or expenses from the Fee Application Period might not be included in this Application due to delays in processing time and receipt of invoices for expenses and/or for preparation of the instant Application subsequent to the Fee Application Period. Accordingly, BABC reserves the right to submit further applications to the Court for allowance of fees and expenses not included herein.

Notice

34. Notice of this Application has been or will be provided to (i) those parties entitled to receive notice in accordance with the Interim Compensation Order, and (ii) Direct Fee Review, LLC, the proposed fee examiner.

WHEREFORE, BABC respectfully requests allowance of compensation for professional services in the amount of \$967,874.50 and reimbursement for expenses incurred in the amount of \$10,853.19 during the Fee Application Period, pursuant to the Interim Compensation Order.
