PART II. ARGUMENTS AND LAW IN SUPPORT OF TENTH FEE APPLICATION

Stephen B. Porterfield and the law firm of Sirote & Permutt, P.C., (collectively, “Applicant” or “Sirote”), attorneys for André M. Applicant filed a Fifth Interim Fee Application on October 9,

Applicant filed an Eighth Interim Fee Application on November 4, 2019 seeking compensation in the amount of \$86,163.75 and expenses in the amount of \$2,841.89 (Doc. 3552). By Order dated May 18, 2020, this Court approved the Applicant's Ninth Fee Application and granted final allowance of compensation in the amount of \$82,447.50 and expenses in the amount of \$1,783.62 (Doc. 3629). Applicant now seeks allowance and reimbursement of its fees and expenses incurred in the course of its legal work for the Trustee from April 1, 2020 through September 30, 2020. Such fees were incurred by Applicant solely as to its work for the Trustee and were not performed on behalf of any creditor or other person.

3. The professional services provided to the Trustee by Applicant have required the expenditure of substantial time and effort. In total, more than 261 recorded hours have been

devoted to this case by attorneys of the law firm of Sirote & Permutt, P.C. The attorneys and staff who performed the services covered by this Tenth Application are as follows:

- a. Stephen B. Porterfield is a shareholder at Sirote & Permutt, P.C., and has been licensed to practice in the State of Alabama for over 31 years.
- b. Thomas B. Humphries is a shareholder at Sirote & Permutt, P.C., and has been licensed to practice in the State of Alabama for over 9 years.

4. It is Applicant's belief, based upon experience in Bankruptcy Courts for the Northern District of Alabama, that the rates charged by Applicant are reasonable and consistent with prevailing market rates in this community.

5. In addition, Applicant submits that the fees and expenses sought via this Tenth Application satisfy the relevant legal standards for compensation of retained professionals. Section 330(a)(1) of the Bankruptcy Code authorizes this Court to award "reasonable compensation for actual, necessary services rendered by" professionals hired pursuant to 11 U.S.C. 327, and for "reimbursement [of] actual, necessary expenses" incurred by such professionals. *See Grant v. George Schumann Tire & Battery Co.*, 908 F.2d 874, 878 (11th Cir. 1990). Moreover, Section 331 of the Code allows retained professionals to seek interim compensation "not more than once every 120 days after an order for relief in a case under this title ... for such compensation for services rendered before the date of such an application or reimbursement for expenses incurred before such date as is provided under section 330 of this title." *See* 11 U.S.C. § 331.

6. The Eleventh Circuit in *Grant* explained that "[i]n determining attorney's fees, a judge must 1) determine the nature and extent of the services rendered; 2) determine the value of those services; and 3) consider the factors laid out in *Johnson v. Georgia Highway Express, Inc.*,

488 F.2d 714 (5th Cir. 1974) and explain how they affect the award.” As applied to this Tenth Application, the twelve factors detailed in the *Johnson* case are as follows:

a. Time and labor required. — A detailed summary of the total time and effort expended on behalf of the Trustee in this case by Applicant is provided in Part III to this Application.

b. The novelty and difficulty of the questions presented by the case. — This case involves the bankruptcy estates of 23 different debtor entities with tens of thousands of creditors. In addition, as a converted case, the Trustee’s job is complicated by the fact that most of the Debtors’ assets were sold through the Chapter 11 case and limited funds remain available to satisfy many claims. Even so, the bulk of the issues which have arisen are familiar to the Trustee and his counsel.

c. Skill requisite to perform the legal services properly. — Most of the work performed so far required an attorney.

d. Preclusion of other employment by the attorney due to acceptance of a case. — Applicant was at times precluded from performing other work requirements regarding pending and potential cases due to the work required in this case.

e. Customary fee for similar work in the community. — This Tenth Application is reasonable and reflects the customary charge by Applicant for similar work in this community.

f. Fee is fixed or contingent. — The fee in this instance is fixed and is based upon the hourly billing rates of the attorney involved. The appropriate billing rate is disclosed in Part III to this Application.

g. Time pressures imposed by the Debtor or circumstances. — Though not the equivalent of the work required during the early days of a large Chapter 11 case, the Trustee and his counsel have had to work quickly to become familiar with the case issues and to efficiently respond to those issues.

h. Amount involved and result obtained. — The allowance requested by Applicant is detailed more particularly in Part III of this application. The results obtained to date have been in the best interest of the Debtors' estates.

i. Experience, reputation and ability of the attorneys involved. — The attorneys performing the services detailed in this Application have many years of experience in this area.

j. The undesirability of this case. — There was nothing about this case that rendered it "undesirable" to Applicant.

k. Nature and length of the professional relationship with the client. — Applicant has represented the Trustee in several cases over the last few years. There is no adversarial relationship between Applicant and the Trustee, and Applicant has no connections with creditors or other parties-in-interest, except as previously disclosed to this Court.

l. Awards in similar cases. — Similar cases have resulted in an award that is similar to that requested by Applicant in this case. It is therefore submitted to this Court that the fees requested are reasonable.

7. In accordance, Applicant asserts that the relevant legal standards are satisfied as to this Tenth Application and respectfully requests that this Court approve the same.
