# NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

The above-captioned debtors and debtors in possession (collectively, the "**Debtors**") in these chapter 11 cases (collectively, the "**Chapter 11 Cases**") have filed their respective Schedules of Assets and Liabilities (each, a "**Schedule**" and, collectively, the "**Schedules**") and Statements of Financial Affairs (each, a "**Statement**" and, collectively, the "**Statements**") in the United States Bankruptcy Court for the Southern District of New York (the "**Bankruptcy Court**"). The Debtors, with the assistance of their legal and financial advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code (the "**Bankruptcy Code**"), and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**").

The Debtors prepared the Schedules and Statements with the assistance of their advisors and other professionals. The Schedules and Statements are unaudited. In preparing the Schedules and Statements, the Debtors relied upon financial data derived from their books and records that was available at the time of such preparation.

Ken Dowling has signed each set of Schedules and Statements. He is an authorized signatory and/or director for each of the Debtors in these Chapter 11 Cases. Mr. Dowling served as Senior Vice President – Finance of the Debtors until March 13, 2019; thereafter he has since held the same title with Macquarie Rotorcraft Leasing. In reviewing and signing the Schedules

and Statements, Mr. Dowling has necessarily relied upon the efforts, statements, advice, and representations of various personnel of (or formerly of) the Debtors and their legal and financial advisors.

# **General Notes and Overview of Methodology**

- 1. Description of the Chapter 11 Cases. On November 25, 2018 (the "Petition Date"), each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. These Chapter 11 Cases are being jointly administered pursuant to Bankruptcy Rule 1015(b). Notwithstanding the joint administration of the Debtors' Chapter 11 Cases for procedural purposes, each Debtor (other than the Debtors that are Business Trusts (as defined herein)) has filed its own Schedules and Statement. The information provided herein, except as otherwise noted, is reported as of the Petition Date. Pursuant to various orders of the Bankruptcy Court, the Chapter 11 Cases of certain affiliates of the Debtors have been dismissed. Accordingly, the Debtors are not filing any Schedules and Statements for such non-Debtors.
- 2. Consolidation of Certain Debtors. Certain of the Debtors are registered as business trusts (collectively, the "Business Trusts") that hold bare legal title to certain of the Debtors' aircraft for certain regulatory and efficiency reasons. The Business Trusts do not generally have separate bank accounts or their own third-party creditors. Pursuant to the Order Pursuant to 11 U.S.C. §§ 521 and 105(a) and Bankruptcy Rule 1007(c) for an Order (I) Extending Debtors' Time to File Schedules of Assets and Liabilities, Schedules of Executory Contracts and Unexpired Leases, and Statements of Financial Affairs and (II) Authorizing Debtors to File the Same on a Partially Consolidated Basis [ECF No. 225], for purposes of preparing and filing the Schedules and Statements, each Business Trust was consolidated with the Debtor that owns the beneficial interest in that Business Trust, so that the Business Trust and its beneficial owner could be reported together in consolidated Schedules and Statement.
- 3. **Purpose of the General Notes**. These general notes regarding the Debtors' Schedules and Statements (the "General Notes") are in addition to the specific notes set forth below with respect to the Debtors' Schedules and Statements (the "Specific Notes"). The General Notes and the Specific Notes are incorporated by reference in and comprise an integral part of the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.
- 4. **Estimates and Assumptions**. The preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods.

# 5. **Methodology**.

- a. **Basis of Presentation**. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the audited financial statements of each Debtor. The Schedules and Statements contain unaudited information.
- b. **Duplication**. Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Schedules and Statements. To the extent these disclosures would be duplicative, the Debtors have determined in certain circumstances to only list such assets, liabilities, and prepetition payments once.
- Net Book Value & Historical Value. In certain instances, current market c. valuations for individual items of property and other assets are neither maintained by nor readily available to the Debtors. Accordingly, unless otherwise indicated, the Schedules and Statements reflect net book or historical values as of the Petition Date. Market values may vary, potentially materially, from net book values or historical values. The Debtors believe that it would be prohibitively expensive, unduly burdensome, and an inefficient use of the Debtors' very limited resources for the Debtors to obtain the current market values of their property and other assets. Accordingly, the Debtors have indicated in the Schedules and Statements for certain questions that the market values of certain assets and liabilities are undetermined. When necessary, the Debtors have indicated that the value of certain assets is "unknown" or "undetermined." Assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value.
- d. Payment of Prepetition Claims Pursuant to First Day Orders. The Debtors have authority to pay certain outstanding prepetition payables pursuant to Bankruptcy Court orders, including the Final Order Pursuant to 11 U.S.C. §§ 105(a), 363(b), 503(b), and 507(a) (I) Authorizing Debtors to Pay Prepetition Obligations Owed to Lien Claimants and Other Critical Vendors; and (II) Confirming Administrative Status for Goods and Services Delivered to the Debtors Postpetition [ECF No. 129]. The Bankruptcy Court entered further orders authorizing, but not directing, the Debtors to pay prepetition claims for, among other things, (i) employee wages, salaries, and benefit programs; (ii) insurance obligations; and (iii) taxes and assessments. As such, outstanding liabilities as of the Petition Date may have been reduced by any court-approved post-petition payments made on account of prepetition payables. Such payments are not reflected in the Schedules and Statements. In some instances, the Debtors may have the authority to pay a prepetition liability, but that amount remains unpaid or is only partially paid as of the filing of the Schedules and Statements.

- Assignment of Certain Executory Contracts and Payment of Prepetition e. Claims Pursuant to Sale Orders. Pursuant to the Order (I) Approving Purchase Agreement Among Debtors and Macquarie, (II) Authorizing Sale of Certain of Debtors' Assets Free and Clear of Liens, Claims, Encumbrances, and Other Interests, (III) Authorizing Assumption and Assignment of Certain Executory Contracts and Unexpired Leases in Connection Therewith, and (IV) Granting Related Relief [ECF No. 444] (the "Macquarie Sale Order") and the Order (I) (A) Approving Purchase Agreement Among Debtors and Successful Credit Bidder, (B) Authorizing Sale of Certain of Debtors' Assets Free and Clear of Liens, Claims, Encumbrances, and Other Interests, (C) Authorizing Assumption and Assignment of Certain Executory Contracts and Unexpired Leases in Connection Therewith, and (D) Granting Related Relief, and (II) Authorizing Debtors to Take Certain Actions with Respect to Related Intercompany Claims in Connection Therewith [ECF No. 525] (the "WAC 2 Sale Order"), the Debtors may have assumed and assigned certain of their executory contracts listed on the Schedules and Statements. To the extent the Debtors assumed and assigned any executory contract, the Debtors may have paid, otherwise satisfied, or cured the prepetition claim of the applicable contract counterparty. Such payments are not reflected in the Schedules and Statements.
- f. Credits and Adjustments. The claims of individual creditors are listed as the amounts entered on the Debtors' books and records and may either (a) not reflect credits or other adjustments due from such creditors to the Debtors or (b) be net of accrued credits or other adjustments that are actually owed by a creditor to the Debtors on a post-petition basis on account of such credits or other adjustments earned from prepetition payments and post-petition payments, if applicable.
- g. **Intercompany Claims**. Receivables and payables due and owing among the Debtors are reported on Schedule A/B and Schedule E/F of the Schedules, respectively, as applicable. The Debtors and their advisors exhaustively analyzed transaction-level intercompany claims in order to ascertain entity-by-entity intercompany balances as of the Petition Date. These balances were used to calculate the receivables and payables listed on Schedule A/B and Schedule E/F of the Schedules, respectively.
- h. **Excluded Assets and Liabilities**. The Debtors have potentially excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred charges, accounts, or reserves recorded only for the purpose of complying with the requirements of GAAP; certain intangible assets; deferred revenue accounts; and certain accrued liabilities. Other immaterial assets and liabilities may also have been excluded.
- i. **Currency**. Unless otherwise indicated, all amounts are reflected in U.S. dollars. To the extent any amounts had to be converted to U.S. dollars from a foreign currency, the conversion rate applied was as of the Petition Date.

- j. Setoffs. The Debtors routinely incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, credits, and negotiations between the Debtors and their customers and/or suppliers. Although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs and nettings are not independently accounted for and, as such, are or may be excluded from the Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtors are not yet aware and/or which the Debtors have not yet approved pursuant to the claims process for their Chapter 11 Cases.
- k. **Reservation of Rights**. The Debtors reserve all of their rights under Bankruptcy Rule 1009 to amend or modify any of the Schedules and Statements, including with respect to the treatment, characterization, classification, amount, omission, or inclusion of any claims, assets, liabilities, or executory contracts.

# Specific Notes with Respect to the Debtors' Schedules of Assets and Liabilities

- Schedule A/B, Parts 1 & 2 (Cash and Cash Equivalents; Deposits and Prepayments). 1. Details with respect to the Debtors' cash management system and bank accounts are provided in the Motion of Debtors Pursuant to 11 U.S.C. §§ 105(a), 345(b), 363(c), 364(a), and 503(b) and Fed. R. Bankr. P. 6003 and 6004 for Interim and Final Orders (I) Authorizing Debtors to (A) Continue Existing Cash Management System, (B) Honor Certain Prepetition Obligations Related to the Use Thereof, and (C) Continue Intercompany Transactions and Provide Administrative Expense Priority for Postpetition Intercompany Claims; (II) Extending Time to Comply with 11 U.S.C. § 345(b); and (III) Granting Related Relief [ECF No. 13] (the "Cash Management Motion") and the Final Order Pursuant to 11 U.S.C. §§ 105(a), 345(b), 363(c), 364(a), and 503(b) and Fed. R. Bankr. P. 6003 and 6004 (I) Authorizing Debtors to (A) Continue Existing Cash Management System, (B) Honor Certain Prepetition Obligations Related to the Use Thereof, and (C) Continue Intercompany Transactions and Provide Administrative Expense Priority for Postpetition Intercompany Claims; (II) Extending the Time to Comply with 11 U.S.C. § 345(b); and (III) Granting Related Relief [ECF No. 126].
- 2. Schedule A/B, Part 4 (Investments), Question 15. Further information on the corporate structure of the Debtors is included in the *Consolidated Corporate Ownership Statement Pursuant to Fed. R. Bankr. P. 1007 and 7007.1* [ECF No. 2]. Ownership interests in Business Trusts and other subsidiaries have been listed as undetermined amounts on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors, and may differ significantly from the net book value.
- 3. <u>Schedule A/B, Part 7 (Office Furniture, Fixtures, and Equipment; and Collectibles)</u>. Dollar amounts are presented net of accumulated depreciation and other adjustments.

- 4. Schedule A/B, Part 8 (Machinery, Equipment, and Vehicles), Question 49. The Debtors have listed the net book values of the Debtors' aircraft and have not taken an independent review as to whether such net book values are indicative of true market value. During the course of the Debtors' Chapter 11 Cases, substantially all of the Debtors' aircraft were sold pursuant to the procedures described in the Order Approving (A) Bidding Procedures, (B) Bid Protections, (C) Form and Manner of Notice of Cure Costs, Auction, Sale Transaction, and Sale Hearing, and (D) Date for Auction, if Necessary, and Sale Hearing [ECF No. 159]. While the purchasers did not allocate the purchase prices on a helicopter-by-helicopter basis, the aggregate consideration received by the Debtors for each sale was materially lower than the aggregate net book value.
- 5. Schedule A/B, Part 10 (Intangibles and Intellectual Property), Question 63. The Debtors possess customer lists at the entity level for certain of the Debtors. However, due to the confidential nature of such customer lists, the Debtors have not furnished these lists for the purposes of Question 63.
- 6. Schedule A/B, Part 11 (All Other Assets), Questions 74 & 75. In the ordinary course of business, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, cross-claims, setoffs, or credits with their customers and suppliers. Additionally, certain of the Debtors may become party to litigation in which such Debtors may assert claims as plaintiffs or counterclaims and/or cross-claims as defendants. Because such claims and causes of action are unknown to the Debtors and are not quantifiable as of the Petition Date, they are not listed therein. Despite reasonable efforts, the Debtors may not have identified all current and potential causes of action the Debtors may have against third parties in their respective Schedules and Statements, including, without limitation, all avoidance actions arising under chapter 5 of the Bankruptcy Code and all actions arising under other relevant bankruptcy and non-bankruptcy laws to recover assets.
- 7. Schedule A/B, Part 11 (All Other Assets), Question 76. As of the Petition Date, the Debtors and their non-Debtor affiliates totaled 155 entities, of which 143 were Debtors. Out of those 143 Debtors, 76 are Business Trusts. Many, but not all, of the Debtors' aircraft were held by the Business Trusts. Typically, each of the Business Trusts would hold legal title to one of the Debtors' aircraft. Utilization of trust entities for such a purpose is common in the Debtors' industry. The Debtors' Business Trusts comprise an essential component of the business.
- 8. **Schedule D**. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the General Notes, Specific Notes, or the Schedules shall be deemed a modification or interpretation of the terms of such agreements. In certain instances, a Debtor may be a co-debtor or guarantor for a scheduled claim of another Debtor, and no claim on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

9. <u>Schedule E/F.</u> The liabilities identified in Part 2 of Schedule E/F are derived from the Debtors' books and records. Certain balances are not listed, including deferred liabilities, accruals, and general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals primarily represent general estimates of liabilities, and do not represent specific claims as of the Petition Date.

Certain prepetition amounts owing to counterparties to executory contracts and unexpired leases are reflected. Such prepetition amounts, however, may be paid in connection with the assumption or the assumption and assignment of an executory contract or unexpired lease. Claims that may arise in connection with the rejection of any executory contracts and unexpired leases, if any, that may be or have been rejected are not included.

In many cases, the claims listed arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or that are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors' estates, the Debtors have not listed a specific date or dates for such claim.

The Bankruptcy Court has authorized the Debtors to pay, in their discretion, certain nonpriority unsecured claims. To the extent practicable, each Debtor's Schedule is intended to reflect such balance as of the Petition Date, without regard to any such subsequent payment or satisfaction. However, each Debtor's Schedule may inadvertently reflect some of the Debtor's payments of certain claims pursuant to the Bankruptcy Court's orders, and, to the extent an unsecured claim has been paid or may be paid, it is possible that such claim is not included. Certain Debtors may pay additional claims listed during these Chapter 11 Cases, as authorized by the Bankruptcy Court.

The Debtors have already identified each creditor's name and mailing address listed on Part 1 and Part 2 of Schedule E/F. Identifying all such other parties who must be notified of such claims would require an exhaustive search of the Debtors' books and records and would be unduly burdensome, as well as cost prohibitive.

10. <u>Schedule G.</u> The Debtors' business is large and complex. The contracts, agreements, and leases listed in the schedule of executory contracts and unexpired leases may have expired or been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments, and agreements that may not be listed therein.

Pursuant to the Macquarie Sale Order and the WAC 2 Sale Order, the Debtors may have assumed and assigned certain executory contracts listed on the Schedules and Statements. Unless an executory contract was previously assumed and assigned by the Debtors pursuant to the Macquarie Sale Order or the WAC 2 Sale Order, (i) the presence of a contract, lease, or agreement does not constitute an admission that such contract, lease, or agreement is an executory contract or unexpired lease, and (ii) all rights, claims, and causes of action with respect to the contracts, leases, and agreements listed are hereby

reserved by the Debtors, including the rights to dispute or challenge the validity, status, enforceability, characterization, or the structure of any contract agreement, lease, transaction document, or instrument. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Executory agreements that are oral in nature have not been included.

Contracts and leases listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor or Debtors that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor or Debtors on account of such agreements, and the Debtors reserve all rights to amend the Schedules and Statements to reflect changes regarding the liability of the Debtors with respect to such agreements if appropriate.

In connection with certain non-disclosure agreements executed by the Debtors, there were instances in Schedule G where the Debtors deemed it necessary and appropriate to remove the counterparty's name and address from Schedule G.

11. Schedule H. For purposes of Schedule H, the Debtors that are either the principal obligors or guarantors under the prepetition secured credit facilities are listed as codebtors. Because of the sheer volume of co-debtors due to the complexity of the Debtors' organizational structure and the number of secured facilities, with all of the entities under each secured facility constituting co-debtors, the Debtors prepared streamlined charts attached to their Schedules to disclose all of the co-debtors. Debtors Waypoint Leasing Holdings Ltd., Waypoint Leasing (Luxembourg) S.à r.l., and Waypoint Leasing (Ireland) Limited are guarantors under each of the Debtors' secured credit facilities (together, the "Parent Guarantors"). The Parent Guarantors are listed as co-debtors on all of the other Debtors' Schedule H streamlined charts. The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements.

# Specific Notes with Respect to the Debtors' Statements of Financial Affairs

1. Statements, Part 2 (List Certain Transfers Made Before Filing for Bankruptcy), Questions 3 & 4. As described in the Cash Management Motion, the Debtors utilize an integrated, centralized cash management system in the ordinary course of business to collect, concentrate, and disburse funds generated by their operations at Debtor Waypoint Leasing (Ireland) Limited ("WLIL"). Nearly all of the Debtors' disbursements to third parties were (i) paid directly by WLIL or (ii) paid by Debtor Waypoint Leasing Services LLC and then charged back to WLIL. As further described in the Cash Management Motion, WLIL then charges back various Debtors in accordance with the amount disbursed. The Debtors' cash management system results in thousands of intercompany transactions among all of the Debtors, and would be unduly burdensome to list.

For purposes of the Schedules and Statements, the Debtors define "insiders" as individuals that, based upon the totality of the circumstances, (i) had or have a controlling

interest in, or exercise sufficient control over, all of the Debtors so as to dictate corporate policy and the disposition of assets, or (ii) were included as participants in the Debtors' key employee incentive program.<sup>1</sup> The Debtors do not take any position with respect to (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority or such individual; or (d) whether such individual could successfully argue that he or she is not an insider under applicable law, including the federal securities law, or with respect to any theories of liability, or for any other purpose. As such, the Debtors reserve all rights to dispute whether someone identified is in fact an "insider" as defined in section 101(31) of the Bankruptcy Code.

The amounts shown in response to this question for any salary, bonus, or additional compensation are gross amounts that do not include reductions for amounts such as employee tax or benefit withholdings. Bonus or additional compensation amounts include certain fringe benefits paid either directly to the applicable insiders, or to third-party creditors on their behalf, in the ordinary course of business. Certain ordinary course pension and healthcare-related transfers are not included. Amounts shown in response to this question for any business-related expense reimbursements include expenses reimbursed directly to the applicable insiders.

2. <u>Statements, Part 6 (Certain Payments or Transfers), Question 11</u>. Although the services of any advisors who provided consultation or services concerning debt counseling, potential restructuring, relief under the Bankruptcy Code, or preparation of petitions for filing bankruptcy within one year immediately preceding the Petition Date were provided for the benefit of and on behalf of all of the Debtors, all of the payments for such services were made by WLIL, and are, therefore, only listed on that Debtor's response.

The Debtors' accounting systems made it so that it would have been unduly burdensome to provide the dates that these payments related to bankruptcy were actually paid. However, due to the nature of the services provided and the Debtors' prepetition restructuring timeline, the Debtors were able to ascertain that all of these payments were made within one year immediately preceding the Petition Date.

- 3. Statements, Part 10 (Certain Financial Accounts, Safe Deposit Boxes, and Storage Units), Question 20. Due to the nature of the Debtors' business, there are certain times when the Debtors' aircraft are not on an active lease with a customer. During this time, the Debtors store such off-lease aircraft in third-party storage facilities around the world. The Debtors, certain third-party storage providers, and other individuals may have access to the aircraft when they are in storage.
- 4. Statements, Part 13 (Details About the Debtor's Business or Connections to Any Business), Question 25. Further information on the corporate structure of the Debtors is

<sup>&</sup>lt;sup>1</sup> Order Pursuant to 11 U.S.C. §§ 363(b) and 503(c)(3) Approving Key Employee Incentive Program [ECF No. 481].

included in the Consolidated Corporate Ownership Statement Pursuant to Fed. R. Bankr. P. 1007 and 7007.1 [ECF No. 2].

- 5. Statements, Part 13 (Details About the Debtor's Business or Connections to Any Business), Question 26. The Debtors provide certain parties, such as banks, auditors, potential investors, vendors, and financial advisors, with financial statements that may not be part of a public filing. The Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have not provided full lists of these recipients in their response, but have included parties who received audited financial statements.
- 6. Statements, Part 13 (Details About the Debtor's Business or Connections to Any Business), Questions 28 & 29. The organizational structure of the Debtors and their non-Debtor affiliates is large and complex, with over 150 total entities. These entities are spread across nearly 20 jurisdictions around the world. Other than the Business Trusts, each of the entities has its own board of directors or managers. In certain instances, the directors or managers are the Debtors' former employees. For other entities, the Debtors have independent directors who are local residents of the particular jurisdiction for that entity.

The Debtors do not take any position with respect to such entity's influence over the control of any Debtor or whether such entity could successfully argue that it is not a "controlling shareholder" under applicable law, including the federal securities laws, or with respect to any theories of liability, or for any other purpose.

7. Statements, Part 13 (Details About the Debtor's Business or Connections to Any Business), Question 31. Certain of the Debtors are members of an Irish VAT group. The Irish VAT group files a consolidated Irish VAT return, and each member of the Irish VAT group is jointly and severally liable for any VAT liabilities arising out of the Irish VAT group. Other than the Business Trusts, most of the Debtors are treated as disregarded entities for U.S. tax purposes. Waypoint Leasing (Luxembourg) S.à r.l. files a U.S. federal tax return, but is not subject to U.S. taxes due to applicable treaty exemptions.
